INTRODUCTION

The Illinois Register is the official state document for publishing public notice of rulemaking activity initiated by State governmental agencies. The table of contents is arranged categorically by rulemaking activity and alphabetically by agency within each category.

Rulemaking activity consists of proposed or adopted new rules; amendments to or repealers of existing rules; and rules promulgated by emergency or peremptory action. Executive Orders and Proclamations issued by the Governor; notices of public information required by State Statute; and activities (meeting agendas; Statements of Objection or Recommendation, etc.) of the Joint Committee on Administrative Rules (JCAR), a legislative oversight committee which monitors the rulemaking activities of State Agencies; is also published in the Register.

The Register is a weekly update of the Illinois Administrative Code (a compilation of the rules adopted by State agencies). The most recent edition of the Code, along with the Register, comprise the most current accounting of State agencies' rulemakings.

The Illinois Register is the property of the State of Illinois, granted by the authority of the Illinois Administrative Procedure Act [5 ILCS 100/1-1, et seq.].

American Samoa (48 USCA 1670(b)).26) Northern Mariana Islands - Interest on bonds issued by the Government of the Northern Mariana Islands (48 USCA 1801 note).

- d) Distributions from money market trusts (mutual funds). Taxpayers may subtract income received from any of the obligations listed in subsections (b) and (c) above, even if the obligations are owned indirectly through owning shares in a mutual fund.
- 1) If the fund invests exclusively in these state tax exempt obligations, the entire amount of the distribution (income) from the fund may be subtracted.
 - 2) If the fund invests in both exempt and non-exempt obligations, the amount represented by the percentage of the distribution that the mutual fund identifies as exempt may be subtracted.
 - 3) If the mutual fund does not identify an exempt amount or percentage, taxpayers may figure the subtraction by multiplying the distribution by the following fraction: as the numerator, the amount invested by the fund in state-exempt U.S. obligations; as the denominator, the fund's total investment. Use the year-end amounts to figure the fraction if the percentage ratio has remained constant throughout the year. If the percentage ratio has not remained constant, take the average of the ratios from the fund's quarterly financial reports.
- e) Getting a refund of tax you already paid. If you paid Illinois income tax on these state tax exempt distributions, you may file an amended return (IL-1040-X) to claim a refund for any year still within the statute of limitations.
- f) Interest on obligations of state and local governments. Income from state and local obligations is not exempt from Illinois income tax except where authorizing legislation adopted after August 1, 1969, specifically provides for an exemption. To date, authorizing legislation provides exemption for the income from the securities listed below. Taxpayers must show income from these exempt bonds as an addition and then as a subtraction on the Illinois income tax return. Income from these bonds is not exempt if the bonds are owned indirectly through owning shares in a mutual fund.

- g) Other income exempt from Illinois income taxation by reason of Illinois statute:
- 1) Income earned by certain trust accounts established under the Illinois Pre-Need Cemetery Sales Act [815 ILCS 390/16]. Section 16(f) of the Illinois Pre-Need Cemetery Sales Act provides that: *because it is not known at the time of deposit or at the time that income is earned on the trust account to whom the principal and the accumulated earnings will be distributed, for purposes of determining the Illinois Income Tax due on these trust funds, the principal and any accrued earnings or losses relating to each individual account shall be held in suspense until the final determination is made as to whom the account shall be paid.*
 - 2) Income in the form of education loan repayments made for primary care physicians who agree to practice in designated shortage areas for a specified period of time under the terms of the Family Practice Residency Act [110 ILCS 935/4.10].
 - 3) Income earned by nuclear decommissioning trusts established pursuant to Section 8-508.1 of the Public Utilities Act [220 ILCS 5/8-508.1]. The terms "Decommissioning trust" or "trust" means a fiduciary account in a

bank or other financial institution established to hold the decommissioning funds provided pursuant to Section 8-508.1(b)(2) of the Public Utilities Act for the eventual purpose of paying decommissioning costs, which shall be separate from all other accounts and assets of the public utility establishing the trust. [220 ILCS 5/8-508.1(a)(3)]

- 4) Income from the Illinois prepaid tuition program, other than disbursements to beneficiaries which are not used in accordance with the applicable prepaid tuition contract under the Illinois Prepaid Tuition Act [110 ILCS 979]. The Illinois prepaid tuition program was created in 1997 for the express purpose of allowing savings for higher education to earn tax-exempt returns under Section 529 of the Internal Revenue Code. If a prepaid tuition contract qualifies under Section 529, earnings on contributions made to the Illinois Prepaid Tuition Trust Fund under the contract are exempt from federal income taxation (and therefore Illinois income taxation) until distributed. The legislative intent in creating the Illinois prepaid tuition program does not guarantee that every prepaid tuition contract will qualify under Section 529 and there is no guarantee that Section 529 will continue in effect. However, Section 55 of the Illinois Prepaid Tuition Act [110 ILCS 979/55] provides that *assets of the Illinois Prepaid Tuition Trust Fund and its income and operation shall be exempt from all taxation by the State* and that disbursements to a beneficiary *shall be similarly exempt from all taxation by the State of Illinois and any of its subdivisions, so long as they are used for educational purposes in accordance with the provisions of an Illinois prepaid tuition contract*. Under this provision, any undistributed earnings of the Illinois Prepaid Tuition Trust which are included in a taxpayer's federal taxable income or adjusted gross income because a prepaid tuition contract does not qualify under Section 529 may be subtracted in computing the taxpayer's base income, and all disbursements included in a beneficiary's adjusted gross income may be subtracted to the extent used in accordance with the Illinois prepaid tuition contract under which the disbursements are made, regardless of whether the prepaid tuition contract qualifies under Section 529.
- 5) Income from the College Savings Pool, other than disbursements to beneficiaries that are not used to pay qualified expenses under the State Treasurer Act [15 ILCS 505/16.5]. Under the State Treasurer Act, distributions from the College Savings Pool must generally be used for

DEPARTMENT OF REVENUE

NOTICE OF PROPOSED AMENDMENT

qualified expenses, which are defined to mean *tuition, fees, and the costs of books, supplies, and equipment required for enrollment or attendance at an eligible educational institution and certain room and board expenses*. Distributions made for qualified expenses must be made *directly to the eligible educational institution, directly to a vendor, or in the form of a check payable to both the beneficiary and the institution or vendor*. The College Savings Pool was created in Public Act 91-607 for the express purpose of allowing savings for higher education to earn tax-exempt returns under Section 529 of the Internal Revenue Code. If an investment in the College Savings Pool qualifies under Section 529, earnings on that investment are exempt from federal income taxation (and therefore Illinois income taxation) until distributed. The legislative intent in creating the College Savings Pool does not guarantee that investments will qualify under Section 529 and there is no guarantee that Section 529 will continue in effect. However, the State Treasurer Act [15 ILCS 505/16.5], as amended in Public Act 91-829, provides that *assets of the College Savings Pool and its income and operation shall be exempt from all taxation by the State and that disbursements to a beneficiary shall be similarly exempt from all taxation by the State of Illinois and any of its subdivisions, so long as they are used for qualified expenses*. Under this provision, any undistributed earnings of the College Savings Pool that are included in a taxpayer's federal taxable income or adjusted gross income because a College Savings Pool investment does not qualify under Section 529 may be subtracted in computing the taxpayer's base income, and all disbursements included in a beneficiary's adjusted gross income may be subtracted to the extent used to pay qualified expenses, regardless of whether the College Savings Pool investment qualifies under Section 529.

6) [Income earned on investments made pursuant to the Home Ownership Made Easy Program \[310 ILCS 55/5.1\].](#)

7) [Up to \\$2,000 of income derived by individuals from investments made in accordance with College Savings Programs established under former Section 30-15.8\(a\) \[105 ILCS 5/30-15.8\(a\)\].](#)

- h) Income not exempt from Illinois income taxation. The following types of income are not exempt from Illinois income taxation:
- 1) Income from securities commonly known as GNMA "Pass-Through

DEPARTMENT OF REVENUE

NOTICE OF PROPOSED AMENDMENT

Securities" and also known as GNMA "Mortgage-Backed Securities" issued by approved issuers under 12 USCA 1721(g) and guaranteed by GNMA under 12 USCA 1721(g) (Rockford Life Insurance Co. v. Department of Revenue, 112 Ill.2d 174, 492 N.E. 2d 1278 (1986), reh. den. June 2, 1986) and income from debentures, notes, and bonds issued by the Federal National Mortgage Association including mortgage-backed bonds issued under authority of 12 USCA 1719(d) and guaranteed by GNMA under 12 USCA 1721(g).

- 2) Accumulated interest on Internal Revenue Service tax refunds. Illinois Department of Revenue Letter Ruling No. 86-0640, dated July 11, 1986, citing Glidden Co. v. Glander, 151 Ohio St. 344, 86 N.E. 2d 1, 9 A.L.R. 2d 515 (1949).
- 3) Income from U.S. securities acquired by a taxpayer under a repurchase agreement ("repo") with a bank or similar financial organization. The Department takes the position that, for income tax purposes, such agreements are generally to be treated as loans. That is, the taxpayer "loans" money to the bank and receives interest in return. The securities subject to repurchase by the bank serve as collateral for the loan. The bank remains legally entitled to receive the interest payments from the issuing authority and remains the actual owner of the securities. Therefore, any tax benefit attributable to the "exempt" income paid by the issuing authority accrues to the bank and not to the investor.
- 4) Section 514(a) of the Employee Retirement Income Security Act of 1974 (ERISA, 29 USC 1144(a)) does not preempt the taxation of unrelated business income of an Employee Benefit Plan governed by ERISA. *Buono v. NYSA-ILA Medical and Clinical Services Fund*, 520 U.S. 806, 808 (1997). Taxpayers that relied upon the Department's letter rulings IT 90-0073, IT 93-0017 and IT 93-0187, prior to July 1, 2002, shall not incur liability for taxes or penalties pursuant to Section 4(c) of the Taxpayers' Bill of Rights Act [20 ILCS 2520].
 - i) Method for computing the subtraction of exempt income. The Department emphasizes that before a taxpayer may subtract an item of exempt income, the taxpayer must be sure that he or she has included the item in Illinois income. Some tax-exempt items are "automatically" included in base income because they are included in federal adjusted gross income, which is a part of base income.

DEPARTMENT OF REVENUE

NOTICE OF PROPOSED AMENDMENT

Interest on U.S. Treasury notes is in this category. Other exempt items must be included as an addition on the Illinois tax return in figuring base income. In other words, the taxpayer must list certain tax-exempt items as additions and then as subtractions in figuring base income. Interest on the state and local government bonds described in subsection (f) above is in this category.

SUBPART H: EQUAL EMPLOYMENT OPPORTUNITY AND
AFFIRMATIVE ACTION BY STATE EXECUTIVE AGENCIES**Section 2520.770 Reporting and Record-Keeping**

- a) Employment Profiles – As required by Section 2-105(B) of the Act, each agency shall maintain data reflecting the composition of its workforce in each region, by race, national origin as specified by the Department, sex and disability, EEO job categories, and any other category that the Department may require by rule. This information shall be collected from the agency's employees through the use of a form, developed by Central Management Services and approved by the Director, which shall be completed by each employee and applicant for employment at his/her option. Central Management Services shall compile this data and furnish quarterly reports to each agency and the Department depicting the employment profile of each agency under the Personnel Code [20 ILCS 415]. Other agencies, and agencies under the Code having non-Code employees, shall compile this data themselves and provide it to the Department.
- b) Position Vacancies – Each agency shall maintain a centralized record detailing all its current and anticipated job openings, and indicating for each opening the job title, EEO job category, pay grade or merit compensation level, and region. This information shall be supplied to the agency's EEO Officer, and to the Department upon request. Every agency shall also post conspicuously in its offices all vacancies in nonexempt positions that the agency intends to fill, if the vacant position is one where the proportion of incumbents in one or more affirmative action groups is significantly less than the proportion of those groups in the available local labor force. The posting shall also state that the agency is an Equal Opportunity Employer.
- c) Quarterly Reports – No later than 15 working days after receipt of the CMS-DHR9 and CMS-DHR10 data information at the end of each fiscal quarter, every agency shall file a report with the Department ~~a report~~. If an agency submits a written request for an extension within 15 working days after receipt of the CMS-DHR10 data information, the Director may grant an extension of up to 15 days. The report, forwarded with a cover letter signed by the EEO Officer and Chief

Executive Officer, shall contain:

- 1) A current employment profile of each of the agency's departments or divisions by EEO job category and affirmative action groups of the incumbents.
 - 2) A breakdown of all employment transactions for the previous quarter by EEO job category and the affirmative action groups of the employees affected.
 - 3) A statement on the agency's progress in meeting its numerical and/or program goals. If a numerical or program goal is not attained, the agency should provide an explanation for the failure to meet the goal.
 - 4) ~~A list of vacancies, by EEO job category, classification, and pay grade or merit compensation level, that the agency intends to fill during the next quarter. Underutilized categories should be indicated.~~
 - ~~4)5)~~ A narrative describing all charges and complaints of employment discrimination filed or pending against the agency during the previous quarter. The narrative should identify the region out of which the charge or complaint was filed; the organization with whom it was filed; and the current status of the matter, including whether pending, withdrawn, settled or dismissed.
- ~~d) Annual Reports — By August 15 of each year, every agency shall submit to the Department a report, signed by its EEO Officer and Chief Executive Officer. If an agency submits a written request for an extension before August 15, the Director may grant an extension of up to 30 days. The report shall include cumulative data for the full year of the same sort as required under subsection (c)(1), as well as a narrative by the agency's Chief Executive Officer describing the extent to which the agency's yearly numerical and program goals were achieved and the reasons for any unmet goals.~~
- ~~d)e)~~ Federal Compliance Reports – Any agency that is the subject of an EEO compliance review by the federal government shall forward to the Department a copy of any and all reports within 5 working days after the agency's receipt of the report.

DEPARTMENT OF HUMAN RIGHTS

NOTICE OF ADOPTED AMENDMENTS

- e)† Orders and Settlements – Any agency that is a party to any proceedings, whether judicial or administrative, and whether federal or State, involving allegations of employment discrimination shall forward to the Department a copy of any order, decree, settlement agreement or award that decides or disposes of the proceedings within 15 days after the entry of the order, decree, settlement agreement or award.
- f)‡ Layoff Reports – Each agency shall prepare a layoff report outlining any intended layoff of incumbent employees, in accordance with the procedures established in Appendix C. The report shall be submitted to the agency's EEO Officer and the Department not less than 30 days prior to the expected date of the layoff, unless emergency conditions necessitate a delay of the report; however, the emergency conditions must be documented in the report. The report shall identify, by region, job title and affirmative action group, the employees to be affected by the layoff. The agency's EEO Officer shall review the report to determine if the layoff will have an adverse impact upon minorities, women or disabled persons. The EEO Officer shall submit a written adverse impact report to the Chief Executive Officer and to the Director of his/her findings and, if adverse impact is found, suggested alternatives to lessen or eliminate the impact. The Director of Central Management Services will not approve a layoff until the Director has indicated that the adverse impact report is correct.
- g)‡ Reorganization Reports – Any proposed workforce reorganization that significantly changes lines of authority, wages or job duties and descriptions on an agency-wide basis, or throughout any bureau, division or unit of the agency, must be described in a reorganization report and submitted to the agency's EEO Officer at least 30 days prior to implementation. The agency's EEO Officer shall review the report to determine whether it will have an adverse impact upon minorities, women or disabled persons, and shall submit an adverse impact report, within 15 days after receipt of the reorganization report, to the agency's Chief Executive Officer and the Department. If the EEO Officer determines that an adverse impact is apparent, he/she shall include in the adverse impact report recommendations to lessen the impact.
- h)‡ Hiring and Promotion Monitors – The Hiring Monitor (DHR-19) and the Promotion Monitor (DHR-20) established by the Department shall be ~~completed~~used by each agency, ~~and completed~~ and submitted as required to Central Management Services on all hires and promotions for all full-time permanent and part-time permanent employees, including trainees, provisional employees, and semi-automatic promotions pursuant to a collective bargaining

agreement. On the applicable Monitor, the agency shall indicate the EEO job category and classifications of the position and whether it is an underutilized category. The Monitor shall also indicate the race, sex, whether disabled, and national origin of all persons considered for the position and of the candidate, and whether the candidate meets the affirmative action requirements for that category. If the candidate does not meet the affirmative action requirements for that category, a detailed explanation indicating the reasons for the selection must be completed by the selecting officer and attached to the Monitor. The agency EEO Officer, or designee, shall review and sign the Monitor, indicating concurrence or non-concurrence in the transaction. The EEO Officer or designee shall fully explain on the Monitor his/her reason for any non-concurrence. Section 2520.APPENDIX A Contents of Affirmative Action Plans

Part I

- B. An agency EEO/AA policy statement signed by the Chief Executive Officer;
- C. An agency profile statement, describing the mission of the agency and its specific EEO/AA problems and needs;

Internal Workforce Analysis: an assessment of the agency's personnel transactions for the previous fiscal year; an analysis of the distribution of present employees separated by code, non-code and combined workforce among the eight EEO job categories; and a breakdown of new hires, promotions, demotions, transfers, terminations, superior performance increases and salary comparisons by affirmative action group; and
- B. External Workforce Analysis: a determination of the number of minorities, women and disabled persons available to the workforce of the agency, calculated according to methodology determined to be appropriate by the Department.

Part III

- A. Goals and Timetables: Program goals must be developed in conjunction with the problems identified as the result of the agency's internal and external workforce analyses. Numerical goals must be developed utilizing methodology determined

DEPARTMENT OF HUMAN RIGHTS

NOTICE OF ADOPTED AMENDMENTS

to be appropriate by the Department. Each numerical or program goal should include a brief description of the area of concern, objectives ~~that~~^{which} delineate specific intentions, action items outlining steps to be taken to achieve the objectives, the individual responsible for carrying out the action item, the target date for completion, and the procedure for monitoring the progress toward meeting the goal.

- B. Methodology for Women and Minorities:
- 1) Factors: Numerical goals must be determined for each affirmative action group by computing the availability of that group in each of the EEO job categories in the agency workforce considering the total number and the percentage of the affirmative action group:
 - a) in the population of the State of Illinois;
 - b) geographic region where the facility is located;
 - c) in the total workforce in the geographic region;
 - d) among those having requisite skills in the geographic region;
 - e) having the requisite skills in State government;
 - f) among those promotable in the geographic region;
 - g) of those who are transferable within the geographic region;
 - h) at institutions in the geographic region providing training in the requisite skills;
 - i) among those in the geographic region the agency can train in the requisite skills. Agencies may consider other appropriate factors, if approved by the Director.
 - 2) The availability of members of each affirmative action group is determined by using the following methodology:
 - a) Each factor is assigned a value weight by the agency on a scale of

DEPARTMENT OF HUMAN RIGHTS

NOTICE OF ADOPTED AMENDMENTS

1% to 100%. The value weight assigned must fall within the parameters found in Appendix B of this rulemaking. The value weight indicates the applicability of each factor to the agency/facility in recruiting employees for that EEO job category. The sum of all value weights must be 100%, representing all persons available to work in a job category.

- b) Each value weight is multiplied by the percentage of the affirmative action group in each of the factors. The result is a weighted factor for each of the categories.
- c) The sum of the weighted factors is the availability percentage or ratio for that affirmative action group for that category for the agency. This availability percentage or ratio is applied to the total number of positions in the agency's EEO job category to determine the numerical availability of the affirmative action group in each EEO job category.
- d) The agency must indicate the sources of all its statistics in computing the availability percentage or ratio, and the reasons~~reason(s)~~ for its weighting value.

C. Methodology for Disabled Persons:

- 1) Factors: A numerical goal must be determined on an agency-wide basis, considering the proportion of people with work disabilities in the Illinois labor force, as reflected in the most recent decennial Census.
- 2) Survey: After this subpart C has been adopted, employees shall be surveyed to determine the State's utilization of people with disabilities, as defined in Section 2520.700. Subsequently hired employees will be surveyed at the time of hire.
- 3) Availability: Availability must be determined by using the following methodology:
 - a) The total number of agency employees is multiplied by the percentage of employees with work disabilities in the Illinois labor force (as supplied by the Department);

DEPARTMENT OF HUMAN RIGHTS

NOTICE OF ADOPTED AMENDMENTS

- b) Central Management Services~~CMS~~ will supply the number of agency employees with disabilities by determining the number of employees who disclose such conditions on the latest "Illinois Department of Human Rights Survey for Disabled Employees" form (IL 442-0254);
 - c) The number of employees in 2(b) is subtracted from the result of 2(a);
 - d) If the result of 2(c) is a positive number, the agency must adopt that number as its goal for employing persons with disabilities. If the result of 2(c) is "0" or a negative number, the agency is considered to be at parity with the external labor force.
- D. Monitoring Procedures: An outline of the procedures to be used by the agency to determine whether the objectives are met by the dates indicated.

Part IV

Discrimination Complaint Process: A description of the procedures established by the agency to address charges of employment discrimination. This Part should include a statement that employees will be advised of their rights to file charges of discrimination with the Department, ~~and~~ the U.S. Equal Employment Opportunity Commission, or any other appropriate government agency.

NOTE: For the Revenue Auditor I, II and III and Revenue Auditor Trainee position classification titles only – The pay grade assigned to the employee is based on the location of the position and the residence held by the employee. In the same position classification, the employee holding a position and residence outside the boundaries of the State of Illinois is assigned to a different pay grade than the pay grade assigned to the employee holding a position within the boundaries of the State of Illinois. The pay grade assigned to the employee holding a position located within the boundaries of the State of Illinois is the pay grade with the (IL) indication next to the position classification. The pay grade assigned to the employee holding the position located outside the boundaries of the State of Illinois is determined by the location of the employee's residence (e.g., IL, CA or NJ or a state other than IL, CA or NJ). If the

employee's residence moves to another state while the employee is in the same position located outside the boundaries of the State of Illinois, or moves into another position located outside the boundaries of the State of Illinois in the same position classification, the base salary may change depending on the location of the employee's new residence. If the employee remains in the position located outside the boundaries of the State of Illinois and moves residence from or into the boundaries of the State of Illinois, the base salary will change. In all cases, change in base salary shall be on a step for step basis (e.g., if the original base salary was on Step 5 in one pay grade, the new base salary will also be on Step 5 of the newly appropriate pay grade).
