INTRODUCTION

The Illinois Register is the official state document for publishing public notice of rulemaking activity initiated by State governmental agencies. The table of contents is arranged categorically by rulemaking activity and alphabetically by agency within each category.

Rulemaking activity consists of proposed or adopted new rules; amendments to or repealers of existing rules; and rules promulgated by emergency or preemptory action. Executive Orders and Proclamations issued by the Governor; notices of public information required by State Statute; and activities (meeting agendas; Statements of Objection or Recommendation, etc.) of the Joint Committee on Administrative Rules (JCAR), a legislative oversight committee which monitors the rulemaking activities of State Agencies; is also published in the Register.

The Register is a weekly update of the Illinois Administrative Code (a compilation of the rules adopted by State agencies). The most recent edition of the Code, along with the Register, comprise the most current accounting of State agencies' rulemakings.

The Illinois Register is the property of the State of Illinois, granted by the authority of the Illinois Administrative Procedure Act [5 ILCS 100/1-1, et seq.].

- 4) Statutory Authority: Physical Fitness Facility Medical Emergency Preparedness Act [210 ILCS 74]
- 5) A Complete Description of the Subjects and Issues Involved: Part 527 implements the Physical Fitness Facility Medical Emergency Preparedness Act (Act), which requires every physical fitness facility to have at least one automated external defibrillator (AED) on the facility premises. This rulemaking implements Public Act 95-712, which amended the Act to include outdoor facilities such as football stadiums, soccer fields and baseball diamonds. Facilities that are owned or operated by park districts organized under the Park District Code, the Chicago Park District Act or the Metro-East Park and Recreation District, or any facility owned or operated by a forest preserve district organized under the Downstate Forest Preserve District Act or the Cook County Forest Preserve District Act or a conservation district organized under the Conservation District Act are excluded. The Department is required to define "outdoor facilities" by rule and to adopt rules that would encourage anticipated rescuers to complete a course of instruction for qualification as a trained AED user. The rulemaking also implements Public Act 95-447, which amended the Automated External Defibrillator Act to remove the requirement that AEDs be registered with an EMS System hospital.

The economic effect of this proposed rulemaking is unknown. Therefore, the Department requests any information that would assist in calculating this effect.

The Department anticipates adoption of this rulemaking approximately six to nine months after publication of the Notice in the *Illinois Register*.

NOTE: For the Revenue Audit Supervisor, Revenue Auditor I, II and III, ~~and~~ Revenue Auditor Trainee, Revenue Computer Audit Specialist and Revenue Tax Specialist II position classification titles only – The pay grade assigned to the employee is based on the location of the position and the residence held by the employee. In the same position classification, the employee holding a position and residence outside the boundaries of the State of Illinois is assigned to a different pay grade than the pay grade assigned to the employee holding a position within the boundaries of the State of Illinois. The pay grade assigned to the employee holding a position located within the boundaries of the State of Illinois is the pay grade with the (IL) indication next to the position classification. The pay grade assigned to the employee holding the position located outside the boundaries of the State of Illinois is determined by the location of the employee's residence or position location (e.g., IL, CA or NJ or a state other than IL, CA or NJ). If the employee's residence moves to another state while the employee is in the same position located outside the boundaries of the State of Illinois, or moves into another position located outside the boundaries of the State of Illinois in the same position classification, the base salary may change depending on the location of the employee's new residence. In all cases, change in base salary shall be on a step for step basis (e.g., if the original base salary was on Step 5 in one pay grade, the new base salary will also be on Step 5 of the newly appropriate pay grade).

- 5) Effective Date of Rulemaking: July 7, 2009
- 6) If the emergency amendments are to expire before the end of the 150-day period, please specify the date on which they are to expire: The emergency amendments will expire 150 days from its effective date.
- 7) Date Filed with the Index Department: July 7, 2009
- 8) A copy of the emergency amendments, including any material incorporated by reference, is on file in the Department's Office of Chief Counsel and is available for public inspection.
- 9) Reason for Emergency: Pending signature of the Governor with respect to HB 2424, and in order to fully participate on a continuing basis in the American Recovery and Reinvestment Act of 2009 (ARRA), a major capital plan and the upcoming federal Reauthorization of Highway Funding Act, the Department must ensure that federal dollars are expediently obligated and evenly distributed to all. Adding an additional public member to the Architect-Engineer Consultant Selection Committee (the Selection Committee), as quickly as possible, is an essential tool to assure the involvement of females and minorities in all phases of the ARRA, a major capital plan and the upcoming

federal Reauthorization Act, including the selection process for architect-engineer consultant firms that will perform some of the services funded by these programs. Additionally, updating the applicability provisions in the Part is also essential to ensuring that dollars are appropriately obligated and that the State will continue to enjoy full participation in all available federal funding programs.

- 10) A Complete Description of the Subjects and Issues Involved: The Illinois Department of Transportation (the Department) has amended Section 625.20 by updating the applicability provisions which were out-of-date and problematic and Section 625.90 by increasing membership of the Selection Committee from six to seven. Under the emergency amendments, the Deputy Secretary of Transportation, or his/her designee, will serve as member and chairperson of the seven member Selection Committee; three of the remaining six members will be from the Department; the other three members will be from the public and shall be licensed in the profession affected, one being appointed by the Secretary of Transportation and the other two by the Illinois Society of Professional Engineers. Public members may not be employed by, associated with or have an ownership interest in any firm holding or seeking to hold a contract with the Department while serving as a public member of the Selection Committee. The Selection Committee will include two or more representatives of the State's geographic, ethnic, and cultural diversity, including persons nominated by associations representing minority and female-owned business associations. When another governmental body or bodies is or are contributing to the funding of a particular contract, the Department may, in its discretion, permit the other governmental body or bodies to provide one or more representatives who will serve as a member or members of the Selection Committee with a total of one vote (or a fractional vote as may be prescribed by the Department) potentially resulting in a total Selection Committee membership of more than seven and a total number of votes in excess of seven, with respect to the affected services. Due to pending HB 2424, the constrictions of the ARRA, a major capital plan and the upcoming federal Reauthorization of Highway Funding Act, the amendments to the Part have been promulgated as an emergency to act in the best interest of the public for full participation in the ARRA, the capital plan and the upcoming Reauthorization Act.
- 11) Are there any proposed amendments to this Part Pending? No
- 12) Statement of Statewide Policy Objectives: The emergency amendments will have no impact on units of local government.
- 13) Information and questions regarding these amendments shall be directed to:
