ERROR CORRECTIONS

Although not indicated in the appendixes the following rule applies to all notices material. The Appendixes will be updated to reflect this rule.

Section 100.220 Publication Requirements

- a) All documents submitted for publication shall meet the following requirements:
 - 4) All documents submitted to the Index Department for publication shall include notice page(s) and follow specific formats as outlined in the Appendixes contained in this Part. **The numbered questions shall be underlined**, double-spaced and answered with a statement. Non-applicable is not an acceptable answer to any of the questions.

Although indicated in the appendixes the following rule has not been applied to the existing code.

Section 100.110 Definitions

The following definitions shall apply to this Part:

"Page Header": The information that must appear at the top of each page for both Register publication ("Illinois Register" with a line beneath it extending across the entire page, the agency name and the type of rulemaking action (see Appendix A, Illustration A)) and for codified rules filed with the Index Department (includes the Chapter, General Act, Part, Subparts (if applicable), Section numbers (see Appendix B, Illustration D) and **agency acronym**). (See Section 100.300.)

Section 100.500 Requirements for Filing

- a) All rules, amendments or repealers shall be typewritten (or produced on word processing or computer equipment) on plain 8½ x 11 inch, three-hole punched loose-leaf white paper, suitable for being placed in a standard loose-leaf binder for paper that size. One original and two copies shall be filed. There shall be margins of one inch at the top and on each edge of the page and only one side of the paper shall be used. (See 100.Appendix B, Illustration D) All copies submitted shall not be stapled together.
- b) Rules to be placed on file shall be titled ILLINOIS ADMINISTRATIVE CODE preceded by the appropriate Chapter number followed by the General Act number, centered on a solid line exactly one inch from the top of the page. **The acronym for the State agency shall appear at the far left on the header line.** On the right hand side of the solid line shall be the appropriate Part or Section number. Each Section shall begin on a new page.
- c) The name of the agency shall appear two spaces below the page header only on the first of the file pages.
