

Axis 360 App on Android Devices Illinois State Library Patrons

1. Download the free **axis360** app from **Google Play**.
2. Open the app and search for the **Illinois State Library**.

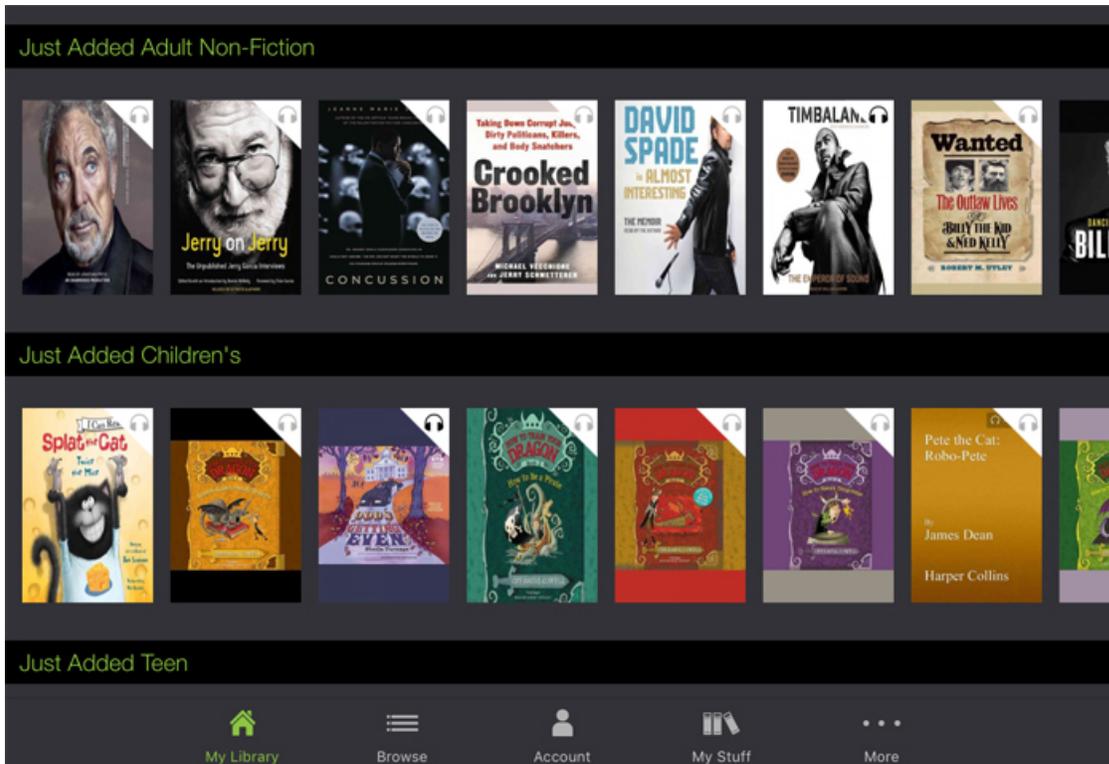

The screenshot shows the axis360 app interface. At the top, the text reads "axis360" and "Welcome to Axis 360!". Below this, instructions state: "Find your library by entering a name in the search box or browsing by country and state. Once you select your library enter your Library Card ID and you're ready to go!". A search bar contains the text "Illinois State Library" with a magnifying glass icon on the left, a close button (x) on the right, and a "Cancel" button. Below the search bar, the word "OR" is centered. Underneath, there are two input fields labeled "Country*" and "State*" with horizontal lines for text entry.

3. After selecting the Illinois State Library, wait for the **Patron Authentication** screen to load.

The screenshot shows the Patron Authentication screen. At the top right, it features the name "JESSE WHITE" in blue, followed by "SECRETARY OF STATE & STATE LIBRARIAN" in black, and the official seal of the Illinois State Library. Below this, the text "ILLINOIS STATE LIBRARY" is displayed in blue. The main heading is "Illinois State Library Patron Authentication" in blue. A paragraph of text reads: "Use of this resource is restricted to Illinois State Government Employees with a valid library card from the Illinois State Library, and requires authentication by entering your 14-digit library ID number (located on the back of your library card) and your last name." There are two input fields: "Please enter your Library Card Number:" followed by a text box, and "Please enter your Last Name:" followed by a text box. At the bottom left, there is a "Login" button.

4. At the **Patron Authentication** login screen, enter your **library barcode number** and your **last name**. Then, tap the **Login** button. Once authenticated, the **eRead Illinois** collection will be fully available to you via the axis360 app.

- To find a book, scroll through any of the **Just Added** categories (e.g., *Just Added Adult Non-Fiction*) on the **My Library** screen, or tap **Browse** to browse by subject. You may also tap the **magnifying glass** icon in the upper right corner of the screen to **Search** for items by **title**, **author** and **keyword**.

- Tap the cover image of a book to get more information. The **e** (letter e) and **🎧** (headphones) icons displayed in the top right corner of each title indicate if the title is available as an ebook or a digital audiobook. When these icons appear grayed out, the titles are not presently available for checkout, but can be placed on Hold.
- Once you have selected an ebook or digital audiobook, just tap the **Checkout** button to borrow the item. After the download is complete, your title will automatically open and you may begin to read immediately. **My Stuff** contains your **Checked Out**, **Wish List** and **On Hold** items.
- To open **Checked Out** titles in **My Stuff**, simply tap **Read Now** if it is an ebook, or **Listen Now** if it is a digital audiobook.
- Checked out items will automatically return at the end of the loan period. If you wish to return an item early, go to your **Checked Out** items in **My Stuff**, tap the item you wish to return and select **Return**.
