About eBooks on EBSCOhost

With EBSCO's extensive collection of eBook titles on EBSCOhost, users can search within a wide range of relevant eBooks using the powerful EBSCOhost search experience. With every search, relevant eBook titles will appear directly alongside databases and other digital content, exposing users to the full depth of the library's offerings. With hundreds of thousands of titles available across all major subject areas, libraries can build collections of frontlist titles from the world's leading publishers to complement any library collection need. Users can access the full text of eBooks from their computer, or can download titles to most popular portable devices.

System Requirements

In order to effectively use all EBSCOhost features, the minimum browser requirements are Internet Explorer 7.0, Firefox 8.0, Google Chrome 16, and Safari 5.1 (for Macintosh). You must also have Adobe® Reader® installed to view the PDF Full Text files. If you are using Visual Search, you must also install Adobe® Flash Player 8.0 or higher.

In order to download and read eBooks offline, Adobe Digital Editions (v 1.7.1 or higher) must be installed on your computer.

Searching for eBooks

The default search screen for eBooks on EBSCOhost is basic search. The eBook Collection landing page displayed below is available by clicking the **eBooks** link in the top toolbar.

The screenshot shows the EBSCOhost eBook Collection landing page. At the top, there is a navigation bar with 'New Search', 'Dictionary', and 'eBooks' (highlighted with a red box). Below the navigation bar is a search area with a search box containing 'eBook Collection', a search button, and options for 'Create Alert' and 'Clear'. The main content area is titled 'eBook Collection' and includes a 'Browse By Category' sidebar on the left, a 'Latest Added' section with five book covers, and a 'Featured eBooks' section with five book covers. The 'Browse By Category' sidebar lists various categories such as Children's & Young Adult Fiction, Arts & Architecture, Biographies & Memoirs, Business & Economics, Computer Science, Education, Engineering & Technology, Fiction, General Nonfiction, Health & Medicine, History, Law, Literature & Criticism, Mathematics, Philosophy, Political Science, Psychology, Reference, and Religion. The 'Latest Added' section shows books like 'De la cera al crayón' by Nelson, Robin, 'De La Idea Al Libro' by Marshall, Pam, 'Dinosaurios con plumas' by Lessem, Don, 'dinosaurios más intelligen...' by Lessem, Don, and 'dinosaurios más mortifero...' by Lessem, Don. The 'Featured eBooks' section shows books like 'Hammered', 'New Stories for', 'British Women', 'Edgar Allan Poe', and 'London Dispossessed'.

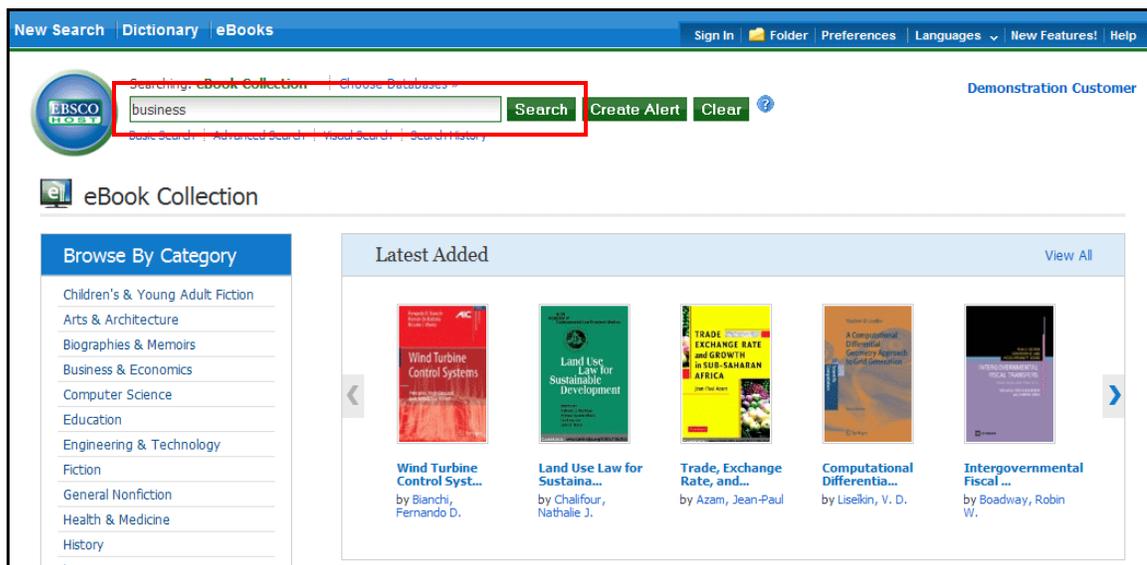

There are several ways to search for eBooks on EBSCOhost:

- Perform a keyword search of the eBooks database using the **Find** field.
- **Browse by Category** by selecting a category from the column on the left.
- View the **Latest Added** eBooks using the left and right arrows or click **View All** to view a result list of all latest added eBooks.
- View **Featured eBooks** using the left and right arrows or click **View All** to view a result list of all Featured eBooks.

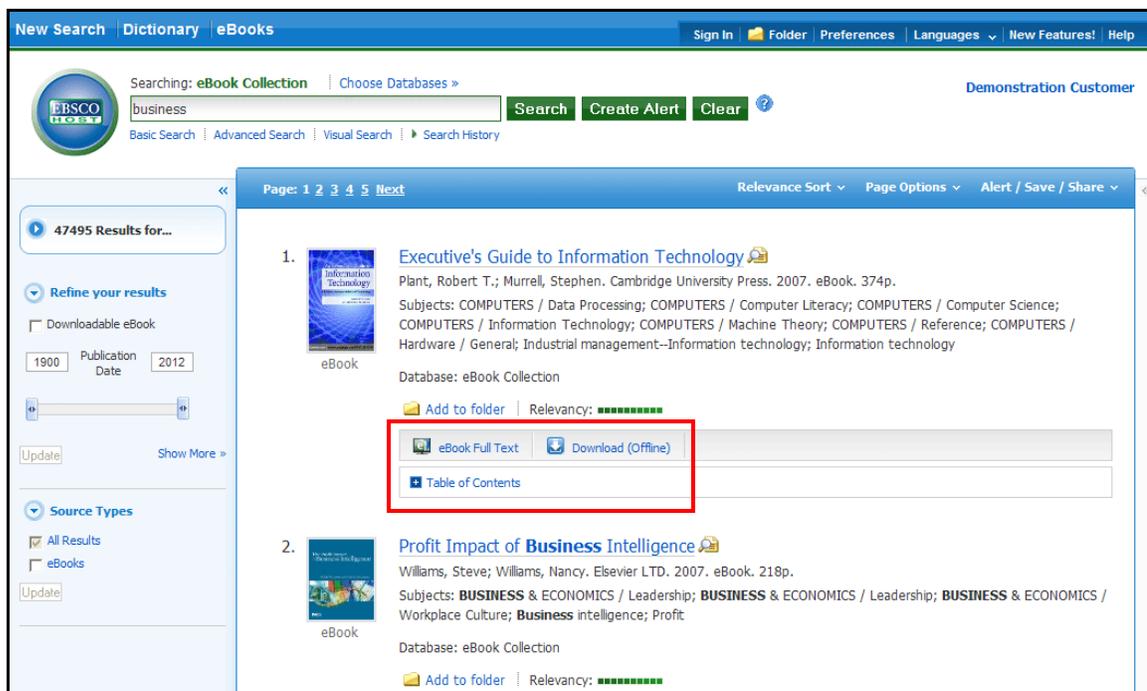

Note: If you are accessing eBooks on EBSCOhost in EBSCO Discovery Service, the eBook Collection landing page is not available.

To search for eBooks:

1. Enter your search terms in the **Find** field and click the **Search** button

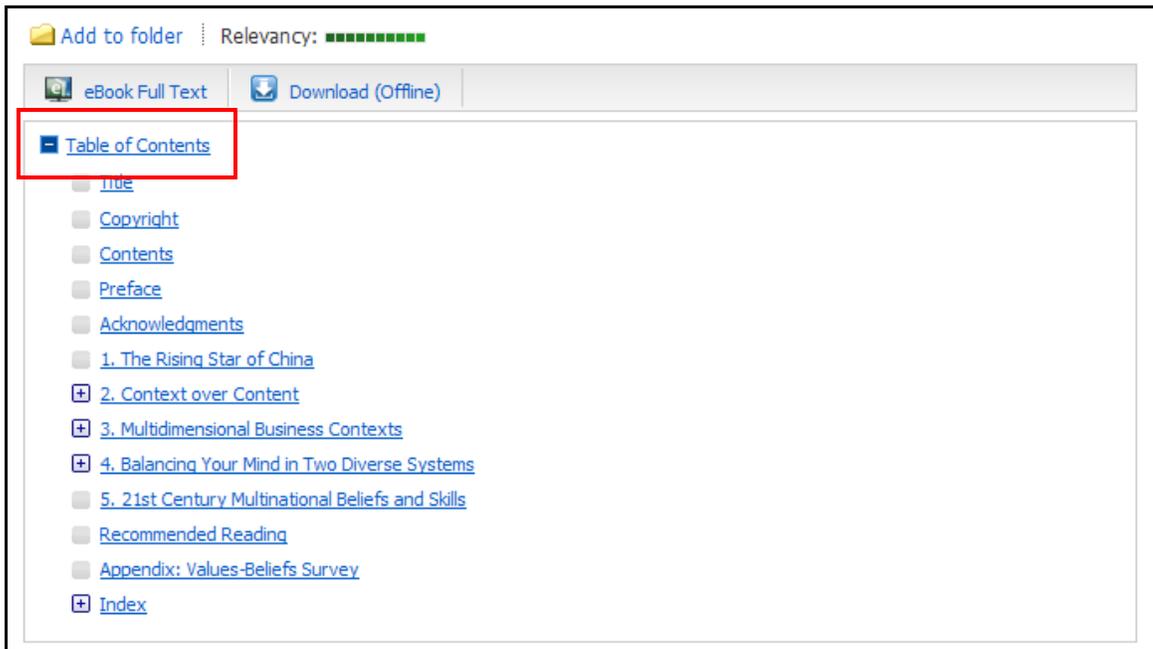

2. A Result List of eBooks related to your search terms is displayed.

3. Click the **eBook Full Text** link to read the book in the eBook Viewer tool.
4. Click the **Download (Offline)** link to check out the book and read it on your computer using Adobe Digital Editions. (See **Downloading an eBook** below)

Note: Libraries that have eBook download capabilities enabled will see a **Download (Offline)** link.

5. Click the **Table of Contents** link to view the chapters of an eBook. You can go directly to a chapter in the eBook Viewer tool by clicking on a hyperlinked chapter.

Note: Sections in the Table of Contents with a plus sign (+) can be expanded further by clicking the plus sign.

eBook Detailed Record

A Detailed Record can be viewed by clicking an eBook title in the Result list. From the Detailed Record, you can read or download the eBook using the links in the left column. From the right column, you can print, email, save, or export the record, as well as add the details about the eBook to your folder.

The screenshot shows the EBSCOhost interface for an eBook. The main content area displays the title "Executive's Guide to Information Technology : Principles, Business Models, and Terminology" and provides detailed metadata including authors (Plant, Robert T. and Murrell, Stephen), publication information (Cambridge University Press, 2007), description (eBook, 386p.), subjects (Industrial management--Information technology, Information technology), and categories (COMPUTERS / Data Processing, Computer Literacy, Computer Science, Information Technology, Machine Theory, Reference, Hardware / General). It also lists the ISBN (9780521853361, 9780511279393), accession number (194291), and database (eBook Collection (EBSCOhost)). A small image of the eBook cover is shown on the right. The left sidebar contains navigation options like "Detailed Record", "eBook Full Text", and "Download This eBook (Offline)". The right sidebar features a "Tools" section with options such as "Add to folder", "Print", "E-mail", "Save", "Cite", "Export", "Create Note", "Permalink", and "Bookmark".

At the bottom of the Detailed Record, you can view **Search Terms Within this eBook** and the **Table of Contents**. Both sections can be collapsed or expanded by clicking the plus (+) or minus (-) in the upper left corner of the section.

The screenshot shows two expandable sections at the bottom of the eBook record. The "Search Terms Within this eBook" section is expanded, showing three relevant sections from the eBook: "3 The Staff MosaicWorking Together", "Y Gary Grossman is the founder and president of Venn Strategy Group Inc.", and "13 Conducting Meaningful Performance Reviews". Each section includes a brief summary and a "keyword hits" count with a "View Now" link. The "Table of Contents" section is collapsed, indicated by a minus sign in its header.

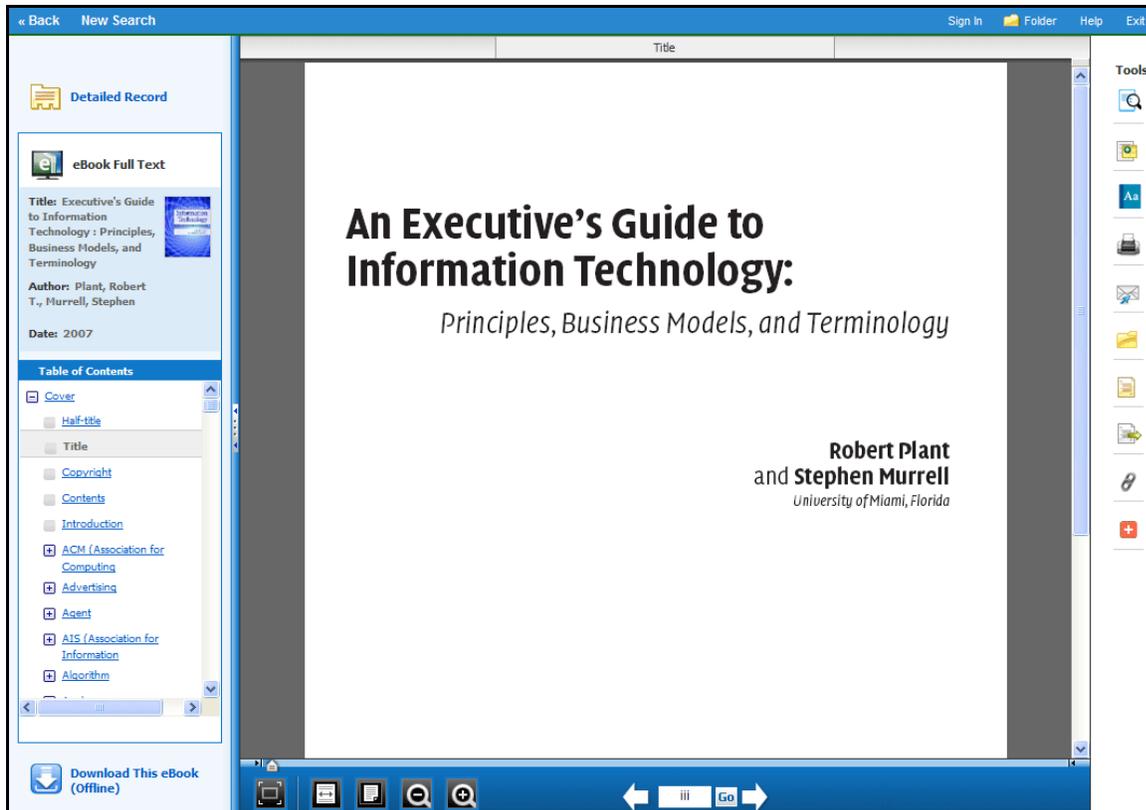

- **Search Terms Within this eBook:** Displays the most relevant sections of the eBook in which your search terms appear in the text.
- **Table of Contents:** Displays the Table of Contents for the eBook you are viewing. Clicking on a hyperlinked chapter opens the chapter in the eBook Viewer tool.

eBook Viewer

Placing a Hold on an eBook

If the eBook you have chosen to download is in use by another patron, and if your library offers Holds capabilities, you have the opportunity to place a hold on the eBook to download when it becomes available. Enter your e-mail address in the field provided and click the **Place Hold** button.

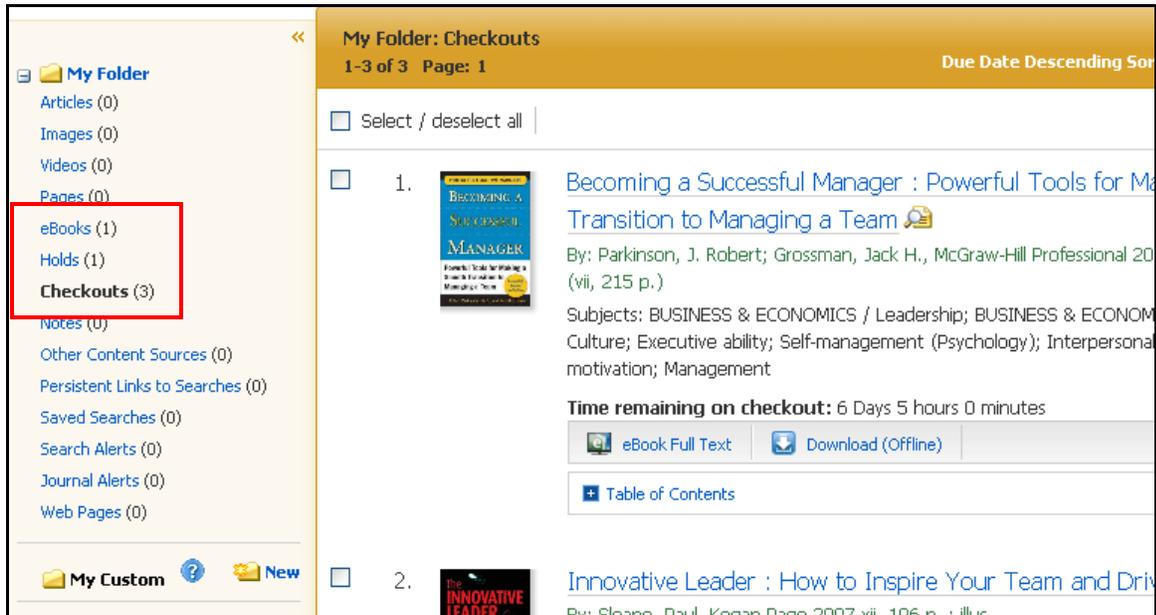

The screenshot shows a web browser interface with a modal dialog box titled "Place Hold". At the top of the dialog, a yellow banner reads "Sorry, this eBook is in use." Below this, the heading "Place Hold" is followed by the instruction "Please enter the e-mail that you would like to use to receive your hold notifications." A text input field contains the placeholder "name@address.net". A checked checkbox is labeled "Always use this e-mail address." Underneath, a "Hold Queue:" section shows a magnifying glass icon and the text "Currently, 0 other users are in the hold queue for this eBook." At the bottom of the dialog are two buttons: "Place Hold" (highlighted in yellow) and "Cancel". The background shows a list of eBooks with a "Relevancy" bar at the bottom.

The eBook is placed in the Holds area of your My EBSCOhost Folder. When the eBook is available, you are notified via the e-mail address you provided and the eBook appears in the Checkouts area of your folder.

eBooks and the My EBSCOhost Folder

eBooks may appear in the folder in three areas.

eBooks: When a user adds an eBook to their folder, information about the eBook appears in the eBooks area of the folder, without the eBook being checked out. eBooks may be added to the folder by clicking on the folder icon in the Result List or Detailed Record.

Holds: When a hold is placed on an eBook that is in use by another patron, it is added to the Holds area. Holds must be enabled by your library to place a hold on an eBook.

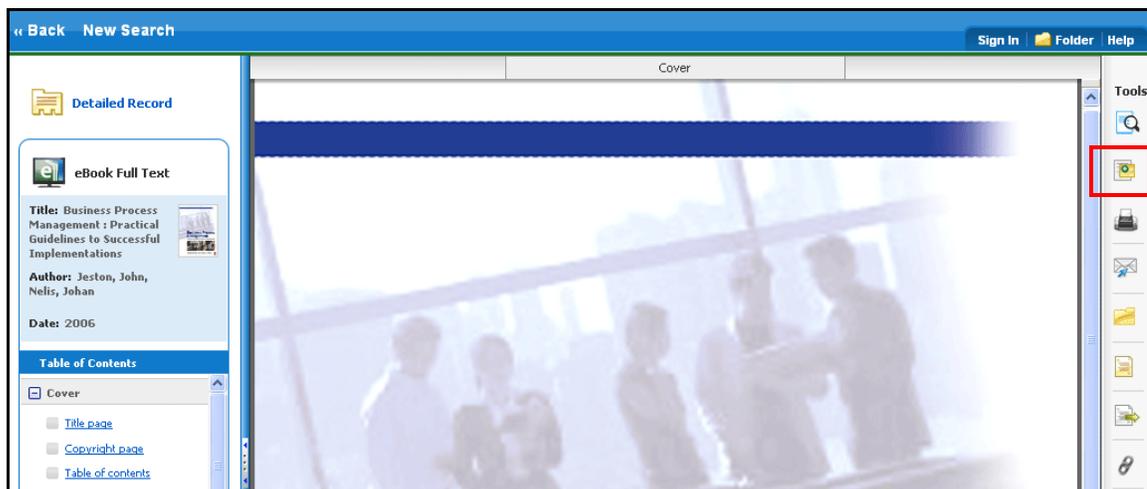

Checkouts: When an eBook is checked out, it is added to the Checkouts area of the folder. If you have not yet downloaded the eBook, it can be accessed and downloaded from here.

Creating Notes on eBooks

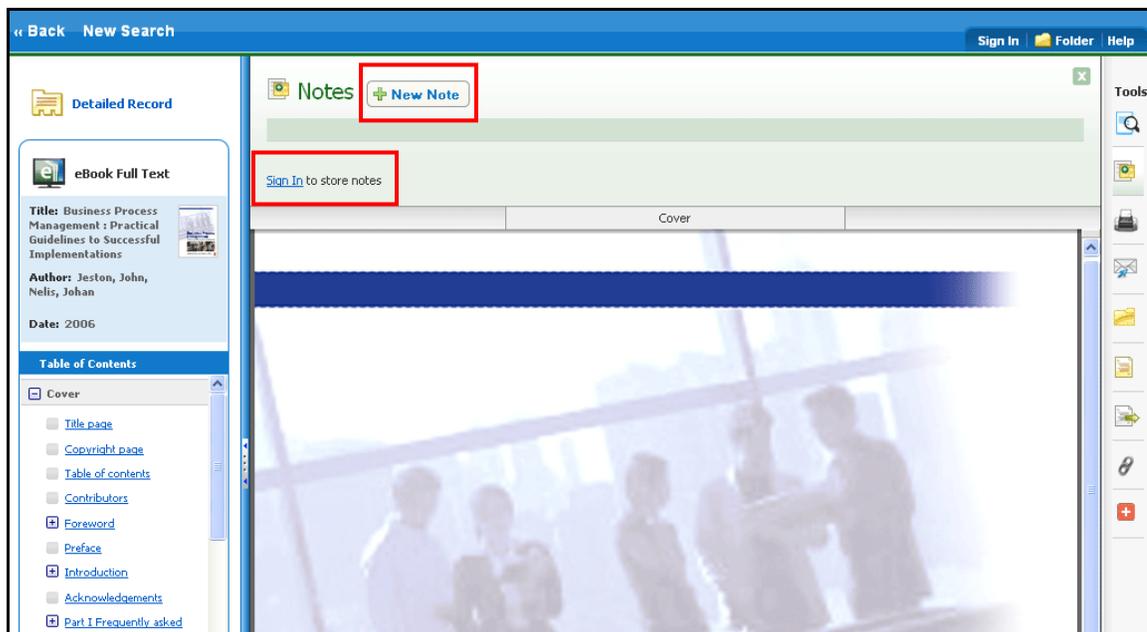

The Notetaking feature assists with your research by allowing you to take notes on eBooks and save them to your My EBSCOhost folder for later viewing.

To use the Notetaking feature in EBSCOhost:

1. From the page of the eBook on which you would like to leave a note, click on the **Notes**  icon in the toolbar.

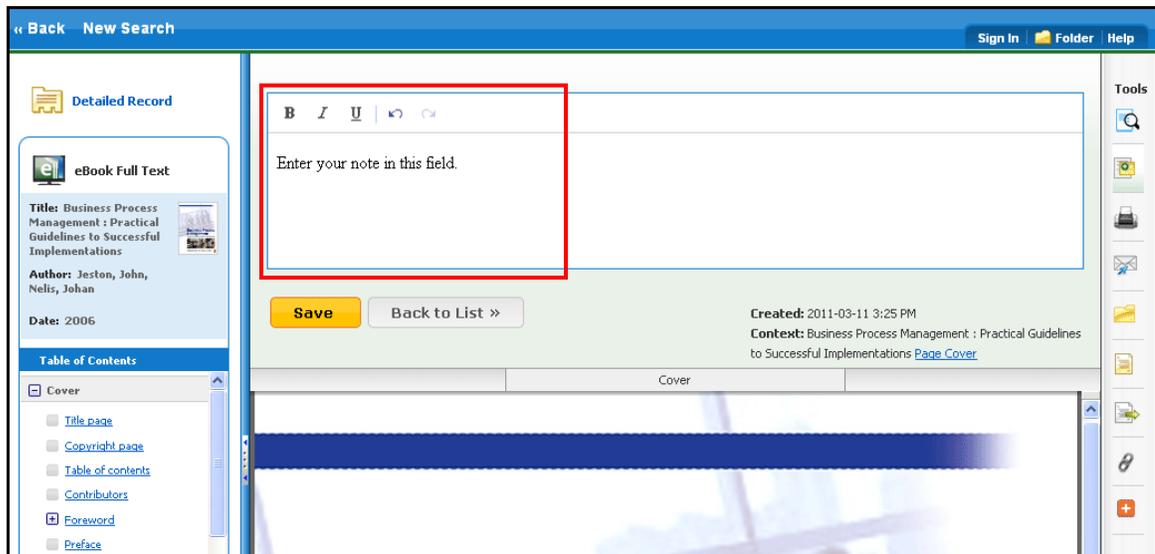

2. Click the **+ New Note** button that appears in the Notes area. If there are existing notes, they appear in a list in the Notes area.

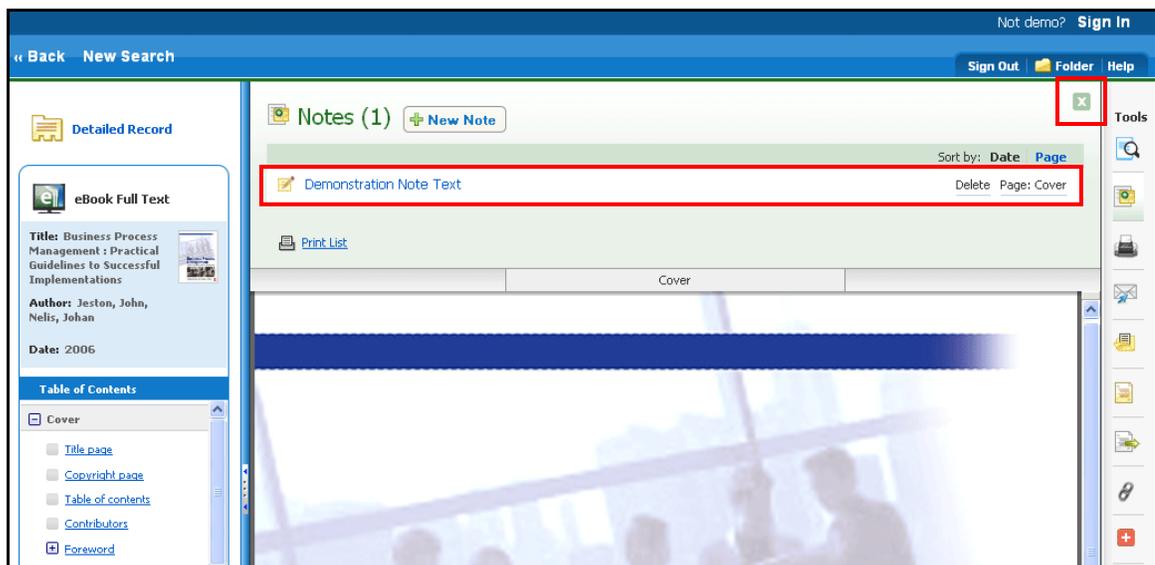

Note: Click the **Sign In** link to save your note to your personal My EBSCOhost folder account.

3. Enter your note text in the field provided and click the **Save** button.

You can adjust how the text appears in your note using the Bold, Italics, and Underline buttons above the text field.

4. Your saved note appears in the Notes list.

5. Click the Note title to edit the text.
6. Hover your pointer over the note to either **Delete** or view the page number of the note.
7. Click the **x** in the upper-left corner to close the Notes area.
