| 17 | For options and prices, including any applicable package or member discounts, see the appropriate price list for Subscriptions. |
| 26 | MARC records output from group Batchload projects. One record copy is returned for each holdings set. |
| 28 | MARC records output from single Batchload projects. One record copy is returned for each holdings set. |
| 40 | Original records added to OCLC database receive credit equal to processing charge plus an additional credit. |
| 47 | Records created based on holdings set or original cataloging from all tapeload, WorldCat Collection Sets, GovDoc, or other batch products. |
| 48 | Records created based on holdings set or original cataloging from online cataloging, reclassification, or retrospective conversion. |
| 85 | Credit code for existing users with a price increase of 75%+. Receive 33% discount on the difference between last year's price and standard renewal price on 2nd renewal then moves to Level 3 2nd renewal. |
| 86 | Credit code for new subscriptions or additions to existing subscriptions mid-subscription year. |
| 87 | Debit code for new subscriptions for sites that need to pay for more than one year's worth of service at start up. |
| 101 | Credit for Digital Registry project adds or upgrades |
| 102 | First time Retro is free. Otherwise charged, and is not included in the cataloging subscription |
| 108 | OCLC provides percentage discounts on the OCLC ILLiad license to bona fide consortia based on one of two factors: (i) the number of libraries in the consortium; or (ii) the volume of ILL the consortium generates. Please consult with your OCLC representative who will determine if any discounts apply. |
| 109 | Discount for institutions with multiple licenses |
| 111 | A Multi-Site server for up to 10 participants is included in the license. Annual charges apply. |
| 112 | Level 1 now includes the JPEG2000 Extension and 2 JPEG2000 Acquisition Stations. |
| 113 | Upgrades within this product group (Hosted Subscribers) are not available. Upgrades will be to Direct Licenses only. |
| 114 | Includes school districts or BOCES |
| 115 | Includes libraries or library systems |
| 116 | More than 10 servers call for custom quote. |
