

FY07 ILLINET Interlibrary Loan Traffic Form  
Statistical Reports to Use

This document is intended to help you fill out the FY07 ILLINET Interlibrary Loan Traffic Form using Voyager and OCLC statistics. **Please note that Voyager statistics are available only to those libraries that are CARLI I-Share libraries (excluding the I-Share class of 2007 libraries. Those libraries will have statistics delivered with the FY08 Annual Stats Package in early July 2008).**

OCLC usages statistics are located at <http://www.stats.oclc.org>, and are available to ILLINET member libraries. Use your OCLC ILL authorization and password to access the reports. OCLC usage statistics are available for in-state and out-of-state, returnables and non-returnables. **If you have any questions, please contact Lynn Bierma, 217-558-1928, [lbierma@ilsos.net](mailto:lbierma@ilsos.net) (OCLC Statistics) or Cathy Salika, 217-333-4896, [csalika@uillinois.edu](mailto:csalika@uillinois.edu) (Voyager statistics).**

If you have any questions about the survey itself, please contact Ron Winner, 217-785-1168, [rwinner@ilsos.net](mailto:rwinner@ilsos.net), or Gwen Harrison, 217-785-7334, [gharrison@ilsos.net](mailto:gharrison@ilsos.net).

Voyager: the UB Stat 1 Report is located at <http://www.carli.illinois.edu/mem-prod/I-Share/i-sysdocs/I-network.html>. The UB Stat 4 Report is part of each I-Share library's Annual Stats Package. On April 17, CARLI placed UB Stat 4 for FY07 in the ftp directories of all libraries (except the class of 2007 libraries). The report is named `ub_stat_4_xxx_06Jul_oyJun.rpt`. *The report will be available for 60 days from the date of posting.*

Libraries using ILLIAD will be able to collect almost all of their data via the ILLIAD reports.

In addition, all libraries should include the statistics for any interlibrary loan requests received via phone, fax, mail or email.

OCLC Usage Statistics	Voyager (UB) Statistics
<b>Reciprocal Borrowing</b>	
#2.6	N/A
	UB Stat 1 Report (Outgoing ILL FY2007 column)
