Motorists Reminded of August Sticker Deadline

SPRINGFIELD — Passenger car and B-truck owners who have license plates expiring in August can purchase renewal stickers with a touch tone telephone and a credit card, Secretary of State Jesse White said today. "TouchTone Renewal" allows all motorists receiving pre-printed renewals to order stickers conveniently, 24 hours a day, seven days a week.

White also said passenger car and B-truck owners can buy their August 2001 renewal stickers at 117 secretary of state license facilities, five secretary of state mobile units or at financial institutions that sell stickers. Stickers may be purchased at about 2,502 financial institutions statewide for a slight additional fee.

It is now too late to mail applications and guarantee delivery of new stickers before the Aug. 31 expiration date. Anyone driving a vehicle on or after Sept. 1 with an expired August 2000 sticker will be subject to a \$75 fine for improper registration.

Pre-printed renewal applications have been mailed to 718,715 passenger car and B-truck owners who renew their registrations in August.

The white on red sticker is attached to the back of the ID card. To protect your sticker from theft, remove the old stickers before placing the new sticker on the rear plate.

A list of the facilities selling stickers is attached.
