### **Secretary of State Jesse White Honors Organ/Tissue Donor Poster Contest Winners**

SPRINGFIELD-- Secretary of State Jesse White honored four Illinois students who were the winners of the 18th Organ/Tissue Donor Poster Contest at a ceremony in his Statehouse office today.

The overall winner was Kieran Baurer, a Kindergarten student at Pleasant Valley Elementary School in Peoria. Kieran received a \$100 gift certificate to Barnes and Noble and a certificate of excellence and a personalized Illinois Blue Book from Secretary White for designing the best poster in the state. In addition, copies of his poster will be displayed throughout the state.

“I want to congratulate Kieran for designing this year’s top poster,” White said. “His poster will be used to help promote organ and tissue donation as we proudly display copies of it in Secretary of State Drivers’ Service facilities, hospitals, libraries and other locations throughout Illinois.”

The students who won the other age categories each received a \$50 gift certificate from Barnes and Noble and were given an award of excellence and a personalized Illinois Blue Book from Secretary White. Winners were selected from four age groups: grades K-2, grades 3-5, grades 6-8, and grades 9-12. The four winning poster designs were chosen from hundreds of entries sent in by students throughout Illinois. The poster contest is sponsored by the Secretary of State and the Donate Life Illinois Coalition.

“I would like to congratulate each of our winners as well as all the students who designed posters,” said White. “These students displayed their artistic talents while also helping raise awareness for a life-saving program.”
