OFFICE OF THE SECRETARY OF STATE

JESSE WHITE • Secretary of State

Dear Friends:

Senior citizens, veterans and persons with disabilities face many obstacles today. Rising medical costs, higher insurance rates and physical disabilities sometimes can make everyday living a challenge.

As Secretary of State, I am dedicated to providing programs and services that meet the special needs of Illinois' senior citizens, veterans and persons with disabilities. This guide details various programs and services available through my office. License plate and liability insurance discounts, free Rules of the Road Review Courses and special parking privileges are just a few of the programs that can make your life a little easier.

Serving the people of Illinois is my top priority. For more information on any of the programs or services in this guide, please call 312-814-3676 or 888-261-5238 (TTY, NexTalk), or visit www.cyberdriveillinois.com. I look forward to serving you.

Rules of the Road Review Course

The Rules of the Road Review Course is designed to give drivers — especially senior citizens and persons with disabilities — the knowledge and confidence needed to renew or obtain a driver's license. The review course combines an explanation of the driving exam with a practice written exam. To locate a free course in your area, please call **312-814-3676** or visit **www.cyberdriveillinois.com**.

Super Seniors Program/Mobile Driver Services Facility

Super Seniors is a convenient, voluntary program for driver's license renewal, which includes Rules of the Road classroom instruction and a vision screening exam. The Rules of the Road Review Course also includes a review of safe driving techniques and Illinois driving laws. Following the course, participants may take the vision screening exam required to obtain or renew a driver's license. This vision screening is valid for up to 90 days for driver's license renewal.

A Secretary of State Mobile Driver Services Unit is available for participants to renew their driver's licenses. A state photo ID card also may be obtained for a \$20 fee. **If you are age 65 or over, you may obtain a free, one-time, non-expiring state ID card.** Drivers age 75 and over must take a driving test at a Driver Services facility to renew their driver's licenses.

To locate a Super Seniors event in your area, please call **312-814-3676 or 217-782-9601** or visit **www.cyberdriveillinois.com** (click Services, For Seniors, Super Seniors).

Driver's License Information

APPLICATION — To apply for or renew an Illinois driver's license, you must present acceptable identification that verifies your name, date of birth, Illinois residency, Social Security number and signature. A list of acceptable documents is on page 15.

MEDICAL CONDITION — To be a safe driver, you should be in good physical and mental health. When applying for an Illinois driver's license, all motorists are asked a series of questions about physical and mental health. You may be required to have your physician sign a Medical Report before a license will be issued. For your convenience, a Medical Report form is provided on pages 18-19.

DRIVER'S LICENSE EXAM — A driver must complete a written examination at least **once every eight years**, with the exception of those having no record of traffic convictions or accidents since last renewal. Drivers age 75 and over are required to take a driving test each time they renew their licenses.

The driver's license exam consists of a vision screening, written exam and a driving test. Applicants who do not pass the vision screening may be instructed to visit a licensed optometrist, ophthalmologist or physician who can provide a more thorough assessment of their vision. In such cases, a Vision Specialist Report is required (see pages 20-21).

RENEWAL — As a courtesy of the Secretary of State, early renewal notices are sent to those whose birthdays fall during the winter months so they can renew their driver's licenses before bad weather hits. All licenses may be renewed within one year prior to expiration until age 87. Seniors age 87 and over may only renew their licenses six months in advance.

DRIVER SERVICES FACILITIES — Generally, the busiest hours at Secretary of State facilities are lunch hours and late afternoons. You may wish to avoid these peak hours when renewing your driver's license. To locate a facility near you, see listing on page 26 or visit www.cyberdriveillinois.com.

Keep Me in a Safe Seat

Your child or grandchild deserves the very best protection while riding in your vehicle. The best child safety seat is one that fits the child and the vehicle, and is used correctly every time.

The Secretary of State's office provides child safety seat inspections at several Driver Services facilities throughout the state. Please visit one of these fitting stations to ensure that your child or grandchild's seat is properly installed and meets federal guidelines for the child's height and weight. For more information or to schedule a child safety seat inspection, please call **866-247-0213** or visit www.cyberdriveillinois.com.

Automobile Liability Insurance Discount Program

Completion of an eight-hour Motor Vehicle Accident Prevention Course, administered by the AARP or the National Safety Council and certified by the Secretary of State, allows drivers age 55 and over to be eligible for a discount on their liability insurance premiums. For more information or to locate a course in your area, contact AARP at **888-227-7669**, www.aarp.org, or the NSC at **800-621-6244**, www.nsc.org/training.

Completion of the Rules of the Road Review Course provided by the Secretary of State's office **does not** qualify a participant for an automobile liability insurance discount. Contact your insurance agent for more information on automobile insurance discounts.

Mandatory Vehicle Insurance

Illinois law requires all motor vehicles registered and operated in Illinois to be covered by liability insurance, which covers property damage and/or injuries you may cause others in an accident. You are in compliance with the law if you have liability insurance in the following minimum amounts:

- \$20,000 for injury or death of one person in an accident.
- \$40,000 for injury or death of more than one person in an accident.
- \$15,000 for damage to property of another person.

You must carry your insurance card in your vehicle and show it upon request by any law enforcement officer. Compliance with the law is monitored through random computer checks and traffic tickets.

You face the following fines if arrested and convicted:

- Minimum \$500 fine for driving uninsured.
- Minimum \$1,000 fine for driving a vehicle while the registration is suspended for no insurance.

The vehicle registration of first-time offenders is suspended until a \$100 reinstatement fee and evidence of insurance are submitted. Repeat offenders must serve a four-month registration suspension, pay a \$100 reinstatement fee and provide evidence of insurance.

Reduced-Fee License Plates

Senior citizens and persons with disabilities who qualify for the Illinois Department on Aging's Benefit Access Program are eligible for reduced-fee license plates through the Secretary of State's office. Complete the discount card and return it with your vehicle registration form at renewal time. This discount may be applied to various types of plates, including those for passenger vehicles, B-trucks, recreational vehicles, Persons with Disabilities and various military plates. Eligible individuals will receive a discount upon approval from the Illinois Department of Aging.

Parking Program for Persons with Disabilities

The Secretary of State issues parking placards and license plates to those who qualify under the Illinois Vehicle Code's definition of persons with disabilities and the Illinois Identification Card Act.

Persons with Disabilities License Plates

A person with a permanent disability may obtain Persons with Disabilities plates if his/her name appears on the vehicle title as owner or joint owner. An immediate family member residing in the same household may obtain one set of plates if the qualifying person with disabilities does not own a vehicle and must rely on someone else for transportation. If a person with disabilities does not meet these criteria, he/she may only be eligible for a permanent parking placard. Corporations, school districts and special education cooperatives that transport persons with disabilities are eligible for disability plates; however, if the corporation transports passengers for compensation, these plates are not allowed.

Disability license plates allow the authorized holder to park in spaces reserved for persons with disabilities, such as at malls, grocery stores, etc., and DO NOT exempt the authorized holder from the payment of parking meter fees and time limitations at parking meters unless the authorized holder displays a Meter-Exempt Placard.

Parking placards and disability license plates are not transferable. The authorized holder must be present and must enter or exit the vehicle at the time the parking privileges are being used. Unauthorized use can result in a \$500 fine as well as a driver's license suspension and/or revocation of the placard or plates.

Parking Placards

The Secretary of State issues four types of parking placards free to persons with disabilities:

METER-EXEMPT PERMANENT

Placards are **YELLOW-AND-GRAY STRIPED** and issued to persons with a permanent disability. Holders are exempt from paying parking meter fees. The placard expires in 2022 of the month punched.

PERMANENT

Placards are **BLUE** and issued to persons with permanent disabilities. Holders are **NOT** exempt from paying parking meter fees. The placard expires on the holder's birthdate in 2022.

TEMPORARY

Placards are **RED** and valid for the length of time indicated by the certifying physician, not to exceed six months if issued by the Secretary of State and 90 days if issued by a local municipality.

ORGANIZATION

Placards are **GREEN** and issued to organizations that transport persons with disabilities. The placard expires in April 2022.

Because a parking placard is issued to the authorized holder and not to a vehicle, it may be used in any vehicle in which the holder is driving or is a passenger. When parked, the placard must be properly displayed in one of the following locations so it is clearly visible to law enforcement:

- Hanging from the rearview mirror, or
- Placed on the dashboard

Failure to properly display a parking placard may result in a ticket. The placard should be removed before the vehicle is in motion to prevent damage or excessive exposure to sun. Also, the placard can obstruct the driver's view if left hanging from the mirror.

A Persons with Disabilities Certification for Parking Placard/License Plates form is on pages 22-23. A licensed physician must certify on the application that the applicant has one of the qualifying disabilities. Forms also are available at www.cyberdriveillinois.com, at your local Driver Services facility or by contacting:

Military License Plates

In recognition of those who have served our country, the Secretary of State offers several military service license plates. Military plates may be displayed on passenger vehicles and trucks and vans weighing 8,000 pounds or less. Titles, transfers, duplicate registration cards and replacement license plates are subject to standard fees.

Documentation verifying military status or receipt of medal is required for most military plates. Documentation may include DD Form 214, DD Form 2, separation papers, Veterans Administration award letter or other military documents verifying service record. All military plate applications will be verified with the Department of Veterans' Affairs before plates are issued.

Illinois Court of Claims

The Clerk's Office of the Illinois Court of Claims under the Secretary of State assists with administration of the Crime Victims Compensation Act. The Act provides financial compensation to innocent victims of violent crime. This program can be a financial lifesaver for elderly victims of violent crimes and their families who may not have the resources to cover the expenses incurred. Victims may be eligible for reimbursement of hospital and doctor bills, rehabilitation, and funeral and burial expenses. Replacement of eyeglasses, hearing aids and wheelchair ramps also may be covered.

For more information about crime victim services and assistance with filing an application, please call **217-782-7101** or **800-228-3368**. Applications also are available at your local library or at www.cyberdriveillinois.com.

Illinois Veterans' History Project

The Illinois Veterans' History Project creates a permanent record of the names and stories of Illinois war veterans and civilians — past and present — who have served our country so their contributions will not be forgotten. To participate in the Illinois Veterans' History Project, veterans or family members can complete an Illinois Patriots Information form at www.cyberdriveillinois.com. The form also is available at Driver Services facilities and public libraries statewide.

Participants also may submit an oral recorded history that will be placed in the Illinois Digital Archives (www.idaillinois.org) and the Library of Congress Veterans History Project (www.loc.gov/vets/). For information about conducting an oral interview, please call **217-785-1537**.

To schedule an interpreter, please call **312-814-5683** or **888-261-5238** (TTY, NexTalk).

“J88” — Deaf/Hard of Hearing Driver's License

“J88” is a notation on a driver's license that alerts law enforcement officers before approaching a vehicle that a motorist is deaf or hard of hearing. Following is how the “J88” notation works:

- Request the “J88” notation be added to your driver's license at any Secretary of State Driver Services facility. “J88” will appear on both the front and back of your driver's license.
- Include your driver's license number on your vehicle registration renewal. This will allow law enforcement to access your driving record before approaching your vehicle and provide notice that alternative communication is necessary.
- **You must request the “J88” notation. Secretary of State personnel will not ask you to add the notation on your driver's license.**

Talking Book and Braille Service

The Illinois State Library's Talking Book and Braille Service (TBBS) offers a variety of services to print-impaired patrons through the following Talking Book Centers: TBBS, Springfield; Illinois Talking Book Outreach Center and the Chicago Public Library Talking Book Center. A physical disability is a physical impairment, disease, or loss, which is of a permanent nature, and which substantially limits physical ability or motor skills.

Type Two: Developmental (D)

Developmental disability means a disability that is attributable to: (i) an intellectual disability, cerebral palsy, epilepsy, or autism or (ii) any other condition that results in impairment similar to that caused by an intellectual disability and requires services similar to those required by persons with intellectual disabilities. Such a disability must originate before the age of 18 years, be expected to continue indefinitely, and constitute a substantial handicap.

Type Three: Visual (V)

A visual disability is blindness, and the term "blindness" means central vision acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye that is accompanied by a limitation in the fields of vision so that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered as having a central vision acuity of 20/200 or less.

Type Four: Hearing (H)

A hearing disability is a disability resulting in complete absence of hearing, or hearing that with sound enhancing or magnifying equipment is so impaired as to require the use of sensory input other than hearing as the principal means of receiving spoken language.

Type Five: Mental (M)

A mental disability is a significant impairment of an individual's cognitive, affective, or relational abilities that may require intervention and may be a recognized, medically diagnosable illness or disorder.
