You may check the status of your driver's license by calling our automated attendant at 217-782-3720 and selecting option number one. You will then be asked to enter your driver's license and social security numbers. The automated attendant will inform you if your driving privileges are valid or suspended. If it is still suspended, we have not processed your deposit yet. If it is valid, then your paperwork has been processed and a letter is on the way to you by U.S. Mail.
