OCLC Usage Statistics

ILLINET member libraries may access OCLC Usage Statistics at www.stats.oclc.org using the library's OCLC ILL authorization and password. Statistics are available for in-state and out-of-state returnables and non-returnables.

Voyager's UB Stat 1 Report

- The UB Stat 1 Report is available at www.carli.illinois.edu/mem-prod/I-Share/i-sysdocs/I-network.html.
- The UB Stat 4 Report is part of each I-Share library's Annual Stats Package. Each July, CARLI distributes the annual package into each I-Share library's ftp directory on the CARLI reports server.
- The report is named `ub_stat_4_xxx_startyymon_endyymon.rpt` (where xxx is the three-letter database code, startyymon is the starting year and month, and endyymon is the ending year and month).
- The report is available for 60 days from the date of posting.

Libraries using ILLIAD can collect most of their data via the ILLIAD reports.

Libraries also should include statistics for interlibrary loan requests received by phone, fax, mail or e-mail. For more information, please contact Lynn Bierma at 217-558-1928 or lbierma@ilsos.net (OCLC Statistics), or the CARLI office at 866-904-5843, support@carli.illinois.edu (Voyager statistics).
