ILLINOIS STATE LIBRARY
PUBLIC LIBRARY CONSTRUCTION ACT GRANT
FY2018 GRANT INDEX

The Grant Index is a figure for each public library equal to one minus the ratio of the public library's equalized assessed valuation per capita to the equalized assessed valuation per capita of the public library located at the 90th percentile for all public libraries in the State. The Grant Index shall be no less than 0.35 and no greater than 0.75 for each public library; provided that the Grant Index for public libraries whose equalized assessed valuation per capita is at the 99th percentile and above for all public libraries in the State shall be 0.00. (23 ILCS 3035.510)

The Grant Index calculates the maximum amount of State funding for eligible project costs. This list will be generated each year and will change as populations and equalized assessed valuations change.

All libraries shall have a Grant Index of no more than 0.75 and no lower than 0.35. *Libraries with a Grant Index at the 99th percentile and above are not eligible for this grant. (640 x .99 = 634)*

Rank	Control Number	City	Library	Grant Index	Key
