

# EVERY VETERAN HAS A STORY. MAKE SURE YOURS IS HEARD.

The Illinois Veterans' History Project, launched by Secretary of State Jesse White in conjunction with the Library of Congress Veterans History Project, creates a permanent record of the names and stories of Illinois war veterans and civilians who served our country during war time. The project ensures that their contributions will not be forgotten.

In addition to U.S. veterans, those U.S. citizen civilians who were actively involved in supporting war efforts (such as war industry workers, USO workers, flight instructors, medical volunteers, ect.) are also invited to share their valuable experiences and memories.
