## INTRODUCTION

The Illinois Register is the official state document for publishing public notice of rulemaking activity initiated by State governmental agencies. The table of contents is arranged categorically by rulemaking activity and alphabetically by agency within each category. Rulemaking activity consists of proposed or adopted new rules; amendments to or repealers of existing rules; and rules promulgated by emergency or peremptory action. Executive Orders and Proclamations issued by the Governor; notices of public information required by State Statute; and activities (meeting agendas; Statements of Objection or Recommendation, etc.) of the Joint Committee on Administrative Rules (JCAR), a legislative oversight committee which monitors the rulemaking activities of State Agencies; is also published in the Register. The Register is a weekly update of the Illinois Administrative Code (a compilation of the rules adopted by State agencies). The most recent edition of the Code, along with the Register, comprise the most current accounting of State agencies' rulemakings. The Illinois Register is the property of the State of Illinois, granted by the authority of the Illinois Administrative Procedure Act [5 ILCS 100/1-1, et seq.].

**SUBPART U: ESTIMATED TAX PAYMENTS****Section 100.8000 Payment of Estimated Tax (IITA Section 803)**

- a) Requirement to Pay Estimated Tax. Every taxpayer other than an estate, trust, partnership, subchapter S corporation or farmer is required to pay estimated tax for the taxable year, in such amount and with such forms as the Department shall prescribe, if the amount payable as estimated tax can reasonably be expected to be more than:
- 1) \$250 for taxable years ending before December 31, 2001 and \$500 for taxable years ending on or after December 31, 2001; or
  - 2) \$400 for corporations. (IITA Section 803(a))

## DEPARTMENT OF REVENUE

## NOTICE OF PROPOSED AMENDMENTS

- b) Definitions. For purposes of this Section:
- 1) The term "estimated tax" means the excess of the total regular income tax and replacement taxes expected to be imposed for the taxable year under IITA Section 201, including the amount of any credit required to be recaptured under the IITA, over the sum of:
    - A) the total amount expected to be withheld against that tax under IITA Article 7; plus
    - B) the total estimated credits against those taxes allowable for the taxable year.
  - 2) The term "farmer" means an individual whose gross income from farming for the taxable year is at least  $\frac{2}{3}$  of total gross income for that year. (IITA Section 803(e)) A taxpayer has "gross income from farming" for the taxable year to the extent the taxpayer has gross income from farming for the current taxable year under Internal Revenue Code section 6654(i)(2).
  - 3) The term "nursing home" means a skilled nursing or intermediate long term care facility that is subject to licensure by the Illinois Department of Public Health under the Nursing Home Care Act [210 ILCS 45]. (IITA Section 806)
- c) Exceptions
- 1) Farmers. The requirement to make payments of estimated tax expressly excludes farmers from its application. (See IITA Section 803(a).)
  - 2) Nursing Homes. No estimated tax payments are required by an individual who is 65 years of age or older and is a permanent resident of a nursing home. (IITA Section 806)
  - 3) Reasonable Expectation that the Threshold Requirement for Payment of Estimated Tax Will Not Be Met. In any case in which the amount payable as estimated tax for a taxable year exceeds \$500 for an individual (\$250 for taxable years ending on or before December 31, 2001) or \$400 for a corporation, the taxpayer shall be required to pay estimated tax unless it

can show, by clear and convincing evidence, that its basis for expecting to owe a smaller amount was reasonable. A reasonable expectation at the beginning of the taxable year does not exempt the taxpayer from the obligation to make estimated tax payments if circumstances change during the year. A taxpayer may have reasonable cause for failing to make an estimated payment early in the taxable year and not have reasonable cause for failure to make estimated payments later in the same taxable year, after circumstances have changed.

- d) Due Dates for Payment of Estimated Tax. Installments of estimated tax shall be paid on or before the dates prescribed under Section 100.8010. The payment of any installment may be made in advance of the applicable due date. Payments of estimated tax shall be applied as set forth under Section 100.8010 and 86 Ill. Adm. Code 700.500.
- e) Joint Payment of Estimated Tax. *If they are eligible to do so for federal tax purposes, a husband and wife may pay estimated tax as if they were one taxpayer, in which case the liability with respect to the estimated tax shall be joint and several. If a joint payment is made but the husband and wife elect to determine their taxes under the IITA separately, the estimated tax for such year may be treated as the estimated tax of either husband or wife, or may be divided between them, as they may elect. (IITA Section 803(c))*
- 1) The Department will accept any allocation between spouses of joint estimated payments made by them, provided only that the total of the amounts so allocated equals the total amount paid. In the absence of proof of an agreed allocation between the spouses, the joint estimated tax payments shall be allocated between the husband and wife in accordance with this subsection (e)(1). The portion of those payments to be allocated to a spouse shall be that portion of the aggregate of all those payments that bears the same ratio that the amount of tax (as defined under Section 100.8010(b)(2)) shown on the separate return of the taxpayer bears to the sum of the tax shown on the separate returns of the spouses.
- 2) When one of the spouses dies during the taxable year and joint estimated tax payments were made, but a joint return is not subsequently filed, estimated tax payments (including any joint payments made after the death of the spouse) may be divided between the decedent and the surviving spouse in the proportion to which the surviving spouse and the legal

representative of the decedent may agree. The Department will accept any allocation between the surviving spouse and the decedent, provided only that the total of the amounts so allocated equals the total amount paid. In the event the surviving spouse and legal representative fail to agree, the estimated tax shall be allocated between the surviving spouse and decedent in the same manner as the estimated tax of husband and wife who fail to agree to an allocation of estimated tax to separate returns in accordance with subsection (e)(1).

3) The exemption from payment of estimated tax for farmers under IITA Section 803(a) and subsection (c)(1) of this Section shall apply to a couple filing a joint return only if  $\frac{2}{3}$  of the total gross income of the couple is from farming.

4) No estimated tax payment is required by a couple filing a joint return if either spouse is 65 years of age or older and a permanent resident of a nursing home, and therefore is exempt from payment of estimated tax under IITA Section 806 and subsection (c)(2) of this Section.

**Section 100.8010 Failure to Pay Estimated Tax (IITA Sections 804 and 806)**

a) Penalty Imposed. Except as otherwise provided, IITA Section 804(a) imposes a penalty, computed in the manner and at the rate prescribed under Section 3-3 of the Uniform Penalty and Interest Act, upon an underpayment of an installment of estimated tax. See 86 Ill. Adm. Code 700.300 for the penalty rates applicable to a particular taxable year.

b) Definitions. For purposes of this Section:

1) Underpayment. An underpayment of an installment of estimated tax means the excess of the required installment (as determined under subsection (d)) over the amount of that installment paid on or before the due date for that installment.

## DEPARTMENT OF REVENUE

## NOTICE OF PROPOSED AMENDMENTS

- 2) Tax. For purposes of this Section, the term "tax" means the total regular income tax and replacement tax imposed under IITA Section 201 for the taxable year, including the amount of any credit required to be recaptured under the IITA, less the amount of any credit allowed against that tax for the taxable year. Amounts withheld pursuant to IITA Article 7, or paid by or on behalf of the taxpayer on account of that tax, including a payment of estimated tax, shall not be considered a credit against that tax for purposes of this Section. (See IITA Section 804(g).)
- 3) The "tax shown on the taxpayer's return" shall be the amount of tax as shown on the original tax return for the taxable year (including any corrected return for the taxable year filed on or before the due date of the original return, including extensions). The "tax shown on the taxpayer's return" does not include the tax shown on an amended return filed subsequent to the due date of the original return for the taxable year, including extensions.

c) Installment Due Dates

1) In General

- A) Individuals. When the taxable year consists of a calendar year, IITA Section 803(d) requires installments of estimated tax to be made on or before each of the following dates:
- i) The 1<sup>st</sup> installment is due April 15 of that taxable year;
  - ii) The 2<sup>nd</sup> installment is due June 15 of that taxable year;
  - iii) The 3<sup>rd</sup> installment is due September 15 of that taxable year; and
  - iv) The 4<sup>th</sup> installment is due January 15 of the immediately succeeding taxable year.
- B) Corporations. The due dates prescribed for the payment of an installment of estimated tax by a calendar year corporation shall be the same as in the case of an individual under subsection (c)(1)(A), except that the 4<sup>th</sup> installment is due December 15 of the taxable

## NOTICE OF PROPOSED AMENDMENTS

year rather than January 15 of the immediately succeeding taxable year. (See IITA Section 803(d).)

C) Fiscal Year. When the taxable year consists of a fiscal year (i.e., a 12-month taxable year commencing on any date other than January 1), IITA Section 803(g) requires installments of estimated tax to be made on or before each of the following dates:

i) The 1<sup>st</sup> installment is due on the 15<sup>th</sup> day of the 4<sup>th</sup> month of that taxable year;

ii) The 2<sup>nd</sup> installment is due on the 15<sup>th</sup> day of the 6<sup>th</sup> month of that taxable year;

iii) The 3<sup>rd</sup> installment is due on the 15<sup>th</sup> day of the 9<sup>th</sup> month of that taxable year; and

iv) The 4<sup>th</sup> installment is due the 15<sup>th</sup> day of the 12<sup>th</sup> month of that taxable year (in the case of a corporation) or of the 1<sup>st</sup> month of the immediately succeeding taxable year (in the case of an individual).

2) Due Date of Required Installment on a Saturday, Sunday or Holiday. See Section 100.5000(b) if the due date of a required installment of estimated tax occurs on a Saturday, Sunday or Holiday.

d) Amount of Required Installment

1) General Rule. Except as otherwise provided by this Section, the amount of any required installment shall be 25% of the required annual payment (as defined by subsection (d)(1)(A)). (IITA Section 804(c)(1)(A))

A) Required Annual Payment. The required annual payment means the lesser of:

i) 90% of the tax shown on the taxpayer's return for the taxable year or, if no return is filed, 90% of the tax for that year; or

## DEPARTMENT OF REVENUE

## NOTICE OF PROPOSED AMENDMENTS

required installment determined under subsection (d)(2)(A) by the amount of that reduction, and by increasing subsequent required installments to the extent that the reduction has not previously been recaptured under this subsection (d)(2)(B). (IITA Section 804(c)(2)(A)(ii))

EXAMPLE 1

Taxpayer, an individual whose taxable year is the calendar year, determines his or her required annual payment under subsection (d)(1) to be \$13,648. Accordingly, the required installment under subsection (d)(1) for the 1<sup>st</sup> installment due April 15 of the taxable year equals \$3,412 (i.e., 25% of \$13,648). Taxpayer determines that his or her annualized income installment for that 1<sup>st</sup> installment period under this subsection (d)(2) is only \$1,278. Accordingly, Taxpayer pays \$1,278 as the required installment on April 15.

When Taxpayer determines the required installment for the 2<sup>nd</sup> installment due June 15, Taxpayer must increase the required installment determined under subsection (d)(1) by the excess of the required installment computed under that subsection for the 1<sup>st</sup> period over the annualized income installment for that period, or \$2,134 (i.e., \$3,412 - \$1,278). Hence, the required installment computed under subsection (d)(1) for the 2<sup>nd</sup> installment due June 15 of the taxable year equals \$5,546 (i.e., \$3,412 + \$2,134).

In determining the required installment due June 15, Taxpayer computes his or her annualized income installment for that period to be \$1,660. Because the annualized income installment is less than the required installment for that period under subsection (d)(1) of \$5,546, Taxpayer pays \$1,660 as the required installment on June 15.

EXAMPLE 2

Assuming the same facts as in Example 1, when Taxpayer determines the required installment for the 3<sup>rd</sup> period due September 15, he or she must increase the required installment

computed under subsection (d)(1) by \$3,886, which is the excess of the required installment due on June 15 as computed in Example 1 over the annualized income installment for that period (i.e., \$5,546 - \$1,660). Hence, the required installment computed under subsection (d)(1) for the 3<sup>rd</sup> installment due September 15 is \$7,298 (i.e., \$3,412 + \$3,886).

In determining his or her required installment due September 15, Taxpayer computes his or her annualized income installment for that period to be \$3,414. Because the annualized income installment is less than the required installment for that period under subsection (d)(1) of \$7,298, Taxpayer pays \$3,414 as the required installment on September 15.

EXAMPLE 3

Assuming the same facts as in Example 2, when Taxpayer determines the required installment due January 15 of the next taxable year, he or she must increase the required installment computed under subsection (d)(1) by \$3,884, which is the excess of the required installment for the 3<sup>rd</sup> installment period over the annualized income installment for that period (i.e., \$7,298 - \$3,414). Hence, the required installment under subsection (d)(1) for the installment due on January 15 is \$7,296 (i.e., \$3,412 + \$3,884).

C) Computation of Annualized Income Installment. The "annualized income installment" for a particular installment due date is computed as follows:

- i) Compute year-to-date net income under subsection (d)(2)(E).
- ii) Use year-to-date income to compute annualized Illinois net income under subsection (d)(2)(F).
- iii) Compute the tax due on annualized Illinois net income under subsection (d)(2)(G).

## DEPARTMENT OF REVENUE

## NOTICE OF PROPOSED AMENDMENTS

- iv) Subtract any credits allowed under subsection (d)(2)(H).
  - v) Multiply the result by the applicable percentage for the installment due date, as provided in subsection (d)(2)(I).
  - vi) Subtract the total of all prior required installments for the taxable year.
- D) Applicable Period. Year-to-date net income shall be computed for the applicable period as if that period comprised a separate taxable year. Under IITA Section 804(c)(2)(D), the applicable period for an individual is all the months of the taxable year that end prior to the installment due date for which the annualized net income installment is computed. Under IITA Section 804(c)(2)(E), the applicable period for a corporation is:
- i) For the installment due on the 15<sup>th</sup> day of the 4<sup>th</sup> month of the taxable year, the 1<sup>st</sup> 3 months of the taxable year.
  - ii) For the installment due on the 15<sup>th</sup> day of the 6<sup>th</sup> month of the taxable year, the 1<sup>st</sup> 5 months of the taxable year or, at the election of the taxpayer, the 1<sup>st</sup> 3 months of the taxable year.
  - iii) For the installment due on the 15<sup>th</sup> day of the 9<sup>th</sup> month of the taxable year, the 1<sup>st</sup> 8 months of the taxable year or, at the election of the taxpayer, the 1<sup>st</sup> 6 months of the taxable year.
  - iv) For the installment due on the 15<sup>th</sup> day of the 12<sup>th</sup> month of the taxable year, the 1<sup>st</sup> 11 months of the taxable year or, at the election of the taxpayer, the 1<sup>st</sup> 9 months of the taxable year.
- E) Year-to-date Net Income. Year-to-date net income is computed by treating the applicable period as a short taxable year, using the following principles:

## DEPARTMENT OF REVENUE

## NOTICE OF PROPOSED AMENDMENTS

- i) The determination of whether an item income or expense is recognized in the applicable period shall be made according to the taxpayer's method of accounting used for federal income tax purposes. (IITA Section 402(a))
  - ii) In applying the allocation and apportionment provisions of IITA Article 3, the taxpayer shall take into account only the items that would be taken into account for allocation and apportionment purposes if the months ending prior to the installment date constituted the taxable year. For example, in computing the apportionment factor under IITA Section 304(a), a nonresident taxpayer takes into account only its actual gross receipts for the months in the taxable year ending prior to the installment date.
  - iii) Items of income and deduction received from a partnership, subchapter S corporation, trust or estate shall be treated as received or incurred by the taxpayer during the applicable period only if the last day of the taxable year of the partnership, subchapter S corporation, trust or estate falls within that applicable period. (See IRC sections 706(a) and 1366(a)(1).)
- F) Annualized Illinois Net Income. Annualized Illinois net income is equal to the Illinois net income determined under subsection (d)(2)(E), multiplied by 12 and divided by the number of months in the applicable period, and minus:
- i) any Illinois net loss deduction under IITA Section 207 available for deduction in the taxable year; provided that, in the case of a unitary business group filing a combined return when a person becomes a member of the group during the taxable year, no net loss carryover of that member may be taken into account in any applicable period ending before that person became a member; and
  - ii) the exemptions allowed under IITA Section 204 based on the facts and circumstances as of the last day of the applicable period.

## DEPARTMENT OF REVENUE

## NOTICE OF PROPOSED AMENDMENTS

- G) Tax Due on Annualized Illinois Net Income. The tax due on the annualized Illinois net income shall be computed by multiplying the annualized Illinois net income by the applicable rate or rates under IITA Section 201, and by adding to the product of that calculation the amount of any credit required under the IITA to be recaptured based on events occurring during the applicable period.
- H) Credits. The credits allowed against the tax due on the annualized Illinois net income shall include any credits allowed under the IITA based on events occurring during the applicable period. For purposes of this subsection (d)(2)(H), "credits" do not include any amount withheld from the taxpayer or any overpayment shown on the taxpayer's return for the prior taxable year for which an election was made to apply the overpayment against the estimated tax obligation for the present year. These amounts are treated as payments of estimated tax under subsection (e). In determining the credits allowed against the tax under this subsection (d)(2)(H):
- i) Credits shall not be annualized, but shall be computed on the facts and circumstances of the applicable period, except to the extent that the credit, or a limitation on the amount of any credit, is based upon the amount of Illinois net income, or the amount of any item of income or expenditure taken into account in computing Illinois net income. In that case, the credit or limitation shall be determined on the basis of the Illinois net income or other item earned, received or incurred during the applicable period and annualized in accordance with this subsection (d)(2). For example, the credit under IITA Section 201(h) for property placed in service during the taxable year by a high impact business shall be based on the amount of qualifying investment made during the applicable period, without annualizing that investment. However, the limitation on the amount of the IITA 201(h) credit shall be based on the tax imposed by IITA Section 201(a) and (b), as annualized under this subsection (d)(2). In contrast, the credit allowed under IITA Section 201(k) is based upon the amount of Illinois research and development expenses deducted from gross

income in the computation of taxable income. Accordingly, the credit shall be based on the annualized amount of qualifying expenses for the calendar months of the taxable year ending prior to the installment date.

- ii) The entire amount of any credit carried forward from a prior year and available for use in the taxable year may be applied to reduce the tax on the annualized Illinois net income; provided that, in the case of a unitary business group filing a combined return when a person becomes a member of the group during the taxable year, no credit carryover of that member may be taken into account in any applicable period ending before that person became a member.

- D) Applicable Percentage. The applicable percentage with respect to each required installment date shall be as follows:

<u>Installment</u>	<u>Applicable %</u>
<u>1<sup>st</sup></u>	<u>22.5%</u>
<u>2<sup>nd</sup></u>	<u>45%</u>
<u>3<sup>rd</sup></u>	<u>67.5%</u>
<u>4<sup>th</sup></u>	<u>90%</u>

- e) Application of Payments to Required Installments

- 1) Unless expressly directed by the taxpayer to apply a payment to some other installment, each payment received by the Department will be applied first to any unpaid balance of the 1<sup>st</sup> estimated tax installment due and any excess of the payment over that unpaid balance will be applied to any unpaid balance of the 2<sup>nd</sup> estimated tax installment, and then the 3<sup>rd</sup> and 4<sup>th</sup>, in order. Amounts withheld by a partnership, subchapter S corporation or trust on behalf of the taxpayer under IITA Section 709.5 are treated as payments received by the Department on the last day of the taxable year of the partnership, subchapter S corporation or trust and applied in accordance with this subsection (e)(1). (See IITA Section 709.5(b).)

## DEPARTMENT OF REVENUE

## NOTICE OF PROPOSED AMENDMENTS

- 2) *In the case of an individual, the amount of tax withheld under IITA Article 7 shall be deemed a payment of estimated tax. An equal part of the amount so withheld for the taxable year shall be deemed paid on each installment due date prescribed by this Section, unless the taxpayer establishes the dates on which all amounts were actually withheld. In the latter case, all amounts withheld shall be considered as payments of estimated tax on the dates those amounts were actually withheld. (IITA Section 804(g)) When more than one taxable year begins in any calendar year, no portion of the amount withheld during the calendar year will be treated as a payment of estimated tax for any taxable year other than the last taxable year beginning in that calendar year.*
  - 3) *An individual having amounts withheld under Section 4(10) of the State Salary and Annuity Withholding Act [5 ILCS 365/4(10)] may elect to have amounts withheld treated as estimated tax payments made on the dates those amounts were actually withheld. (IITA 804(g-5)) The election shall be made according to Department forms. In the absence of an election, an equal part of the amount withheld shall be deemed paid on each installment due date prescribed by this Section that falls within the designated period for which the withholding was made.*
  - 4) *Application of Credit for Overpayment Reported on the Return for the Prior Taxable Year. The amount credited against estimated tax pursuant to a timely election to do so under IITA Section 909(b) shall be applied to each installment, beginning with the 1<sup>st</sup> installment due, to the extent necessary to satisfy the taxpayer's obligation or to minimize the penalty due under IITA Section 804 with respect to that installment, provided that no amount will be applied later than the date on which the return on which the election is made was filed. See Section 100.9400(b) regarding the election to have the amount of any overpayment, or portion of an overpayment, credited against estimated tax.*
- f) Application of IITA Section 804 to Short Taxable Year
- 1) Penalty Imposed. Except as otherwise provided, the taxpayer shall be liable to a penalty, computed in the manner and at the rate prescribed under Section 3-3 of the Uniform Penalty and Interest Act [35 ILCS 735/3-3], upon an underpayment of an installment of estimated tax required under this Section with respect to a short taxable year.

## DEPARTMENT OF REVENUE

## NOTICE OF PROPOSED AMENDMENTS

- 2) Underpayment Defined. An underpayment of an installment of estimated tax required with respect to a short taxable year means the amount of the required installment as determined under this subsection (f) over the amount of that installment paid on or before the due date of the installment.
- 3) In the case of a taxable year that is terminated early, the taxpayer is required to pay the amount due on each installment due date falling on or before the end of the taxable year, determined under subsection (d) of this Section in the same manner as for a full taxable year, and both corporations and individuals shall be required to pay the full amount of the required annual payment computed under subsection (d)(1)(A) on the 15<sup>th</sup> day of the 1<sup>st</sup> month beginning after the end of the taxable year.
- 4) Installment Due Dates in the Case of a Taxable Year Beginning Less Than 12 Months before the Expected End of the Tax
  - A) Individuals. Installments of estimated tax are not required in the case of a short taxable year of less than 4 full months. When the short taxable year consists of a period of at least 4 full months, installments of estimated tax are required on or before each of the following dates:
    - i) The 1<sup>st</sup> installment shall be due on 15<sup>th</sup> day of the 4<sup>th</sup> full month of that taxable year;
    - ii) A 2<sup>nd</sup> installment shall be due on the 15<sup>th</sup> day of the 6<sup>th</sup> full month of that taxable year, unless the short taxable year ends prior to or during that 6<sup>th</sup> full month;
    - iii) A 3<sup>rd</sup> installment shall be due on the 15<sup>th</sup> day of the 9<sup>th</sup> full month of that taxable year, unless the short taxable year ends prior to or during that 9<sup>th</sup> full month;
    - iv) The full amount of the required annual payment computed under subsection (d)(1)(A) shall be due on or before the 15<sup>th</sup> day of the 1<sup>st</sup> month of the succeeding taxable year.

## DEPARTMENT OF REVENUE

## NOTICE OF PROPOSED AMENDMENTS

B) Corporations. Installments of estimated tax are not required in the case of a short taxable year of less than 4 months. When the short taxable year consists of a period of at least 4 months, installments of estimated tax are required to be paid on or before the same due dates provided in subsection (f)(4)(A) as if the taxable year was 12 months, provided that the full amount of the required annual payment computed under subsection (d)(1)(A) shall be due on or before the 15<sup>th</sup> day of the last month of the short taxable year.

C) The taxpayer shall substitute for 25% of the required annual payment under subsection (b)(1) a percentage of the required annual payment that results in an equal percentage of the required annual payment as being the amount of the required installment. That percentage shall be based on the number of installments required for the short taxable year under this subsection (f)(4).

5) Amount of Required Installment. The amount of any required installment in the case of a short taxable year shall be determined by applying the provisions of subsection (b), with the following adjustments:

A) For purposes of determining the required annual payment year under subsection (d)(1)(A) based on the tax shown on the return for the preceding taxable year, the taxpayer shall multiply the tax actually shown on the taxpayer's return for the preceding taxable year by a fraction, the numerator of which is the number of days in the short taxable year and the denominator of which is the number of days in the preceding taxable year.

B) The taxpayer shall substitute for the applicable percentage in subsection (d)(2)(I) of this Section the percentage under this subsection (f)(5)(B) that corresponds to the number of required installments determined for the short taxable year under subsection (f)(3) or (4):

<u>Number of Required Installments</u>	<u>Applicable %</u>
<u>4</u>	<u>22.5%</u>
<u>3</u>	<u>30%</u>
<u>2</u>	<u>45%</u>

- 6) In the case of a short taxable year that does not begin on the first day of a month:
- A) For purposes of determining the installment due dates under subsection (f)(3), the partial month at the beginning of the taxable year shall be ignored.
- B) The "applicable period" determined in subsection (d)(2)(D) for a particular installment due date shall include the partial month plus the number of full months otherwise specified.
- C) In determining the annualized Illinois net income in subsection (d)(2)(F) for a particular installment due date, the taxpayer shall multiply its year-to-date net income by the number of days in the applicable period and divide the result by the number of days in the short taxable year.
- 7) The provisions of this subsection (f) may be illustrated by the following examples.
- A) EXAMPLE 4
- X corporation uses a taxable year ending June 30. On January 15, 2011, X is acquired by a corporation using a calendar year, requiring X to terminate its June 30, 2011 year as of the acquisition date and then to use a taxable year beginning January 16, 2011 and ending December 31, 2011.
- For its short taxable year ending January 15, 2011, X is required to make estimated tax payments on October 15 and December 15, 2010 and February 15, 2011. The applicable percentage of the total tax for the taxable year that is due with each installment is 30%.
- If X bases its computation of its required payment on the tax due for the taxable year ending June 30, 2010, the tax due for that year is reduced by multiplying it by 199 (the number of days in the

## DEPARTMENT OF REVENUE

## NOTICE OF PROPOSED AMENDMENTS

short taxable year ending January 15, 2011) and dividing the result by 365 (the number of days in the taxable year ending June 30, 2010).

B) EXAMPLE 5

Assuming the same facts as in Example 4, for its short taxable year ending December 31, 2011, X corporation is required to make estimated tax payments on May 16, July 15 and October 17, 2011, because the period from January 16 through January 31, 2011, is disregarded in determining when an installment is due. Because the taxable year terminates before the 15<sup>th</sup> day of the 12<sup>th</sup> month of the taxable year, when the 4<sup>th</sup> installment would normally be due, the 4<sup>th</sup> installment is due on December 15, 2011. Because its taxable year ending January 15, 2011 is not a 12-month taxable year, X corporation cannot compute its required annual installment for its short taxable year ending December 31, 2011 using the tax shown on its return for the previous taxable year under subsection (d)(2)(A)(ii).

g) Exceptions. The penalty imposed under IITA Section 804 and this Section shall not apply to:

1) Persons who are not required to make payments of estimated tax under Section 100.8000(c):

A) Small Amount of Estimated Tax

i) No penalty shall be imposed under IITA Section 804 with respect to any installment of estimated tax required to be paid during a taxable year in which the amount payable as estimated tax (as defined under Section 100.8000(a)) is not more than the following amounts:

<u>Individuals</u>	<u>\$250 (for tax years ending before 12/31/01)</u>
	<u>\$500 (for tax years ending on or after 12/31/01)</u>

Corporations    \$400

ii) In the case of a short taxable year, the amounts in subsection (g)(1)(A) shall be multiplied by a fraction, the numerator of which is the number of days in the short taxable year and the denominator of which is 365.

B) Estates, Trusts, Partnerships, Subchapter S Corporations and Certain Other Entities

i) No penalty shall be imposed under IITA Section 804 with respect to any installment of estimated tax required to be paid during any part of the taxable year of an organization exempt under IITA Section 205.

ii) No penalty shall be imposed under IITA Section 804 with respect to any installment of estimated tax required to be paid during a taxable year of a corporation (as defined under Section 100.9750(b)) in which that corporation computes a tax under subtitle A of the Internal Revenue Code (IRC), other than the tax imposed under section 11 (including any other tax treated under the IRC as imposed under IRC section 11), IRC section 1201(a), IRC section 55, IRC section 59A, IRC section 887, or IRC subchapter L.

iii) No penalty shall be imposed under IITA Section 804 with respect to any installment of estimated tax required to be paid during any taxable year with respect to which a corporation is exempt from federal income tax under IRC section 991.

iv) Any penalty otherwise imposed upon a bankruptcy estate under IITA Section 804 shall be abated to the same extent that the penalty for failure to make estimated payments of federal income tax would be abated under IRC section 6658.

- h) Changes in Tax Law During a Taxable Year. *If the IITA is amended during a taxable year, and the amendment does not contain specific provisions granting relief from penalties under IITA Section 804, no penalty imposed by IITA Section 804 shall apply for late payment of an installment of estimated tax due before the amendment becomes law if, on or before the due date of that installment, the taxpayer has paid the estimated tax due under the annualized income installment method in subsection (d)(2) applied using the IITA as in effect prior to the date the amendment became law.*

EXAMPLE 6

P.A. 93-840 disallows certain subtractions allowed under prior law. P.A. 93-840 did not become law until July 30, 2004, but applies to tax years ending on or after December 31, 2004. A calendar-year taxpayer who, on or before June 15, 2004, had paid the estimated tax due under subsection (d)(2), computed by allowing the subtractions subsequently disallowed by P.A. 93-840, shall not be subject to penalty under IITA Section 804 with respect to the installment due on June 15, 2004.

EXAMPLE 7

The research and development credit allowed under IITA Section 201(k) was repealed by P.A. 93-29 (effective June 20, 2003) for tax years ending on and after December 31, 2003, and an identical research and development credit was enacted in IITA Section 201(k) by P.A. 93-840 (effective July 30, 2004). A calendar-year taxpayer would not be subject to penalty under IITA Section 804 with respect to the installment of estimated tax due on June 15, 2003 if, on or before June 15, 2003, the taxpayer had the estimated tax due under subsection (d)(2) computed by allowing the research and development credit. However, in

## NOTICE OF ADOPTED AMENDMENTS

(Source: Amended at 34 Ill. Reg. 6373, effective May 1, 2010)

**Section 300.180 Abandoned Newborn Infants**

- a) Parental Relinquishment of a Newborn Infant
- 1) In accordance with the Abandoned Newborn Infants Protection Act [325 ILCS 2], a parent of a newborn infant may relinquish the infant to a hospital, police station, fire station or emergency medical facility personnel within 307 days after the child's birth. Relinquishment of a newborn infant in accordance with the Abandoned Newborn Infant Protection Act does not render the infant abused, neglected or abandoned solely because the newborn infant was relinquished to a hospital, police station, fire station or emergency medical facility.
  - 2) Hospital, police station, fire station and emergency medical facility personnel are mandated reporters under the Abused and Neglected Child Reporting Act. If personnel of the hospital, police station, fire station or emergency medical facility to which the newborn infant is relinquished suspect child abuse or neglect that is not solely based on the newborn infant's relinquishment, they must report the suspected abuse or neglect to the Department's State Central Register. ~~Hospital, police station, fire station and emergency medical facility personnel are mandated reporters under the Abused and Neglected Child Reporting Act.~~
  - 3) Neither a child protective investigation nor a criminal investigation may be initiated solely because a newborn infant is relinquished in accordance with the Abandoned Newborn Infants Protection Act.
  - 4) Newborn infants relinquished to a police station, fire station or emergency medical facility will be transported to the nearest hospital as soon as transportation can be arranged by the facility. If the parent of a relinquished infant returns to the facility to reclaim the infant within 72 hours, the facility must provide the parent with the name and location of the hospital to which the infant was transported.
- b) Medical Examination

## DEPARTMENT OF CHILDREN AND FAMILY SERVICES

## NOTICE OF ADOPTED AMENDMENTS

- 1) In accordance with the Abandoned Newborn Infants Protection Act, hospitals will have temporary protective custody of relinquished infants and will examine and perform medically reasonable tests that are appropriate to determine if the newborn infant has been abused or neglected. If the medical examination determines that there is no evidence of abuse or neglect and that the infant is no older than ~~30~~<sup>seven</sup> days, the relinquishing parent, if present, will be verbally notified by the facility that he or she can remain anonymous, and he or she will have to petition the court if he or she desires to prevent the termination of parental rights and regain custody of the child. The relinquishing parent will also be offered a packet of information that includes:
    - A) Illinois Adoption Registry and Medical Information Exchange application;
    - B) Medical Information Exchange Questionnaire;
    - C) The Illinois Adoption Registry web site address and toll-free telephone number;
    - D) A resource list of providers of counseling services, including grief counseling, pregnancy counseling and counseling regarding adoption and other available infant placement options;
    - E) A notice that, no sooner than 60 days after the initial relinquishment of the infant, the child-placing agency or Department will commence proceedings to terminate parental rights and place the infant for adoption; and
    - F) A notice that failure of the parent to contact the placing agency or Department and petition for the return of custody of the infant before termination of parental rights bars any future action asserting legal rights with respect to the child.
  - 2) If the medical examination of the relinquished child reveals that the child is abused or neglected or is not a newborn infant, the hospital and Department must proceed as if the child is an abused or neglected child.
- c) Notification to the Department's State Central Register (SCR)

## DEPARTMENT OF CHILDREN AND FAMILY SERVICES

## NOTICE OF ADOPTED AMENDMENTS

Within 12 hours after a hospital accepts a newborn infant from a relinquishing parent, police, fire or emergency medical facility personnel, the hospital will report the infant in its custody to the State Central Register. The SCR will do the following:

- 1) Maintain a list of licensed child-placing agencies willing to take legal custody of relinquished newborn infants on a rotational basis;
  - 2) Notify a licensed child-placing agency of the relinquished infant. If no licensed child-placing agency is able to accept the infant, the Department must assume responsibility for the infant as soon as practicable;
  - 3) Request assistance from law enforcement officials to investigate the incident using the National Crime Information Center to ensure that the relinquished infant is not a missing child. The check will be requested within 24 hours after receiving notification from a hospital.
- d) Child-Placing Agencies or the Department
- 1) **Acceptance of Abandoned Newborn Infants**  
Child-placing agencies must accept an abandoned newborn infant, if the agency has the accommodations to do so, and place the infant in an adoptive home when possible. If no licensed child-placing agency is able to accept the infant, the Department must assume responsibility for the infant.
  - 2) **Petition for Legal Custody**  
Within three business days after assuming physical custody of the infant, the child-placing agency or Department shall file a petition in the division of the circuit court in which petitions for adoption are heard. The petition shall allege that the newborn infant has been relinquished in accordance with the Abandoned Newborn Infants Protection Act, and shall state that the child-placing agency intends to place the child in an adoptive home. The custody order issued shall remain in effect until a final adoption order based on the infant's best interests is issued in accordance with the Abandoned Newborn Infants Protection Act and the Adoption Act [750 ILCS 50].
  - 3) **Putative Father Registry**

## DEPARTMENT OF CHILDREN AND FAMILY SERVICES

## NOTICE OF ADOPTED AMENDMENTS

Adm. Code 309 (Adoption Services for Children for Whom the Department of Children and Family Services is Legally Responsible).

- 4) No sooner than 60 days following the initial relinquishment of the infant to a hospital, police station, fire station or emergency medical facility, the child-placing agency or Department shall initiate proceedings to:
  - A) Terminate the parental rights of the relinquished newborn infant's known or unknown parent;
  - B) Appoint a guardian for the infant; and
  - C) Obtain consent to the infant's adoption.
  
- e) **Petition for Return of Custody**

A parent of a newborn infant relinquished in accordance with the Abandoned Newborn Infants Protection Act may petition the court for the return of custody of the infant prior to the termination of the parental rights.

  - 1) A parent of a relinquished newborn infant must contact the SCR to obtain the name of the child-placing agency to determine if a petition for termination of parental rights is pending. The parent must then file a petition for the return of custody in the appropriate circuit court.
  - 2) The circuit court may hold the proceeding for the termination of parental rights in abeyance for a period not to exceed 60 days from the date that the petition for the return of custody was filed without a showing of good cause. During that period:
    - A) The court will order genetic testing to establish maternity or paternity, or both;
    - B) The Department shall conduct a child protective investigation and home study to develop recommendations to the court;

## NOTICE OF ADOPTED AMENDMENTS

- C) When indicated as a result of the Department's investigation and home study, the court may conduct other proceedings under the Juvenile Court Act of 1987 [705 ILCS 405] that the court determines appropriate.
- 3) If a parent fails to file a petition for return of custody prior to the termination of parental rights, the parent is barred from any future action asserting his or her legal rights with respect to the infant unless the parent's act of relinquishment that led to the termination of his or her parental rights involved fraud perpetrated against and not stemming from or involving the parent. No action to void or revoke the termination of parental rights of a parent of a new born relinquished in accordance with the Act, including an action based on fraud, may be initiated after 12 months from the date that the newborn was initially relinquished to a hospital, police station, fire station or emergency medical facility.

**Section 810.37 Definitions for Site Specific Sportfishing Regulations**

## STATE BOARD OF EDUCATION

## NOTICE OF ADOPTED AMENDMENTS

this program, a school district may receive a loan to assist with both the direct and indirect costs of moving students to a temporary location due to natural or man-made disasters that destroy or make a school building uninhabitable. As a condition of receiving the loan, a district must levy a tax for this purpose and pledge the proceeds from that levy, as well as from any insurance proceeds received, to repay the loan. The amount of the loan that a district receives is based on the anticipated taxes and insurance proceeds. A grant is then issued to cover the cost of any expenses incurred that exceed the allowable loan amount.

Under the amendments, a school district is required to consider other revenue or in-kind contributions when calculating its ability to repay a loan (which will affect the final loan amount) or when determining the expenditures that it will incur (which will affect the amount of the grant to which an entity is entitled). In the former situation, the district may receive a grant or other financial assistance to defray costs associated with the temporary relocation. The amount of these financial resources is to be added to the amount of the proceeds from the tax and insurance to determine the total loan amount to which the district is entitled, since the district eventually will be able to use these proceeds to repay the loan. (See Section 145.20(c).)

For in-kind resources or for grants whose uses are restricted, a district would need to eliminate from consideration as allowable expenditures the cost of any items covered by the in-kind resources or restricted grants. If these expenditures were to be considered, then the actual costs incurred by the district would be artificially raised, thus increasing the potential grant that the district might receive and does not need to repay. (See Section 145.30(b).)

The amendments also include provisions to help staff estimate the amount of funding needed to cover temporary relocation requests in the future (Sections 145.20(e) and (f)). In recent years, the agency has been unable to provide in a single fiscal year the full loan or grant requested by qualifying school districts due to the size of the appropriation. Requiring renewal applications in these instances, and updated information from applicants receiving approval in the year following their initial submissions, will work toward remedying this situation.

Finally, the amendments address two public acts. The first, Public Act 96-102, adds mine subsidence to the list of circumstances for which a school district could request a loan or grant for temporary relocation expenses. Section 145.10 is amended to cross-reference the law rather than to list each individual circumstance in the rules.

## STATE BOARD OF EDUCATION

## NOTICE OF ADOPTED AMENDMENTS

In addition, a reference is made to a tax levied under Section 17-2.2d of the School Code. Added to the School Code in 2004 by PA 93-690, Section 17-2.2d enables school districts that are located in counties subject to the Property Tax Extension Law that experience a condemnation of a building within 10 years of the building's initial occupancy to levy a tax without benefit of referendum. This legislation initially pertained to only one of the state's school districts; however, the law was amended a year later (re: PA 94-690) to broaden the criteria under which school districts qualify, so for the sake of completeness, Section 17-2.2d is referenced in the rules.

- 2) Code Citation: 35 Ill. Adm. Code 275
- 3) Register Citation to Notice of Proposed Amendments: 34 Ill. Reg. 5492; April 16, 2010
- 4) Date, Time and Location of Public Hearing: The Illinois Environmental Protection Agency (Illinois EPA), Division of Mobile Source Programs, will hold public hearings on June 8, 2010 at 1:30 p.m. in the Illinois Environmental Protection Agency Headquarters, Training Room, 1021 North Grand Avenue East, Springfield, Illinois (hearing attendees should enter through the North Entrance) and June 10, 2010 at 11:00 a.m. at the Michael A. Bilandic Building, Room C-500, 160 North LaSalle Street in Chicago, Illinois, to accept comments on proposed changes to the Alternative Fuels Program Rules, 35 Ill. Adm. Code 275.
- 5) Other Pertinent Information: The proposal would amend the State of Illinois regulation 35 Ill. Adm. Code Part 275 to reflect amendments to the Alternate Fuels Act (Act) (415 ILCS 120). Amendments to the Act eliminated defined years in which applicants were permitted to apply for rebates, expanded the definition of alternate fuel and domestic renewable fuel, added the definition of biodiesel fuel, clarified that owners of vehicles using domestic renewable fuel or alternate fuel may receive a fuel cost differential rebate, and added an exception allowing large vehicles purchased outside of Illinois to be eligible, in certain circumstances, to apply for a rebate. In addition, a 2009 amendment to the Act changed the deadline for submitting alternate fuel vehicle and conversion cost rebates. Also, the proposed amendments add a fill-up and minimum gallon usage requirement for fuel cost differential rebates and clarify rebate amounts for alternate fuel vehicles without conventional counterparts. Finally, the proposed amendments relocate, update and clarify other provisions in the rule.

Copies of this proposal may be viewed by the public prior to the hearing on the Illinois EPA's website at <http://www.epa.state.il.us/public-notices/> or at the Illinois EPA's offices at 1021 North Grand Avenue East, Springfield, Illinois, during regular business hours (Monday through Friday, 8:30 a.m. until 4:30 p.m., except for State holidays). No walk-in requests for copies of this material will be accommodated unless advance notice is provided. Requests and public inquiries should be directed to Kent Mohr at the Illinois EPA, 1021 North Grand Avenue East, P.O.
