INTRODUCTION

The Illinois Register is the official State document for publishing public notice of rulemaking activity initiated by State governmental agencies. The table of contents is arranged categorically by rulemaking activity and alphabetically by agency within each category. Rulemaking activity consists of proposed or adopted new rules; amendments to or repealers of existing rules; and rules promulgated by emergency or peremptory action. Executive Orders and Proclamations issued by the Governor; notices of public information required by State Statute; and activities (meeting agendas; Statements of Objection or Recommendation, etc.) of the Joint Committee on Administrative Rules (JCAR), a legislative oversight committee which monitors the rulemaking activities of State Agencies; is also published in the Register. The Register is a weekly update of the Illinois Administrative Code (a compilation of the rules adopted by State agencies). The most recent edition of the Code, along with the Register, comprise the most current accounting of State agencies' rulemakings. The Illinois Register is the property of the State of Illinois, granted by the authority of the Illinois Administrative Procedure Act [5 ILCS 100/1-1, et seq.].

SUBPART A: APPLICATION PROCEDURES

Section 121.10 Interviews

- a) All applicant households, including those submitting applications by mail, shall have face-to-face interviews in a local office with a qualified eligibility worker prior to initial certification and all redeterminations. For earned income, non-assistance SNAP only households, and FamilyCare SNAP households, an interview is required at every other redetermination (see Section 121.125). For persons completing a redetermination using the phone interview system, the automated phone interview substitutes for the face-to-face interview.
- b) Interview Process
 - 1) The individual interviewed may be the head of the household, spouse, any other adult member of the household who is sufficiently familiar with the household's circumstances to be able to assist in the determination of eligibility, or an authorized representative (see Section 121.1(e)(1) and (2)). The applicant may bring any person he/she chooses to the interview. Prior to beginning the interview, the applicant shall indicate which persons are not applying for SNAP benefits because they are unable or unwilling to provide alien status verification.
 - 2) The interviewer shall not simply review the information that appears on the application, but shall explore and resolve with the household unclear and incomplete information.
 - 3) Households shall be advised of their rights and responsibilities during the

DEPARTMENT OF HUMAN SERVICES

NOTICE OF PROPOSED AMENDMENT

interview, including the appropriate applications processing standard (see Sections 121.2 and 121.7) and the household's responsibility to report changes.

- 4) The interview shall be conducted as an official and confidential discussion of household circumstances. The applicant's right to privacy shall be protected during the interview. Facilities shall be adequate to preserve the privacy and confidentiality of the interview.

c) Waiver of Office Interviews

- 1) The office interview shall be waived if requested by any household ~~that~~which is unable to appoint an authorized representative and ~~that~~which has no household members able to come to the local office because they are qualifying members as defined in Section 121.61.

- 2) The office interview shall also be waived for any household:

A) containing a household member who is employed; or

B) on a case-by-case basis for any household ~~that~~which is unable to appoint an authorized representative and ~~that~~which has no household members able to come to the local office because of transportation difficulties or similar hardships ~~that~~which the Department determines warrants a waiver of the office interview. These hardship conditions include, but are not limited to:

iA) illness;

iiB) care of household member;

iiiC) hardships due to residency in a rural area;

ivD) prolonged severe weather;

vE) ~~work or~~ training hours ~~that~~which prevent the household from participating in an in-office interview.

- 3) The Department will conduct a face-to-face interview if the household

NOTICE OF PROPOSED AMENDMENT

~~requests one. The Department shall determine if the transportation difficulty or hardship reported by a household warrants a waiver of the office interview and shall document in the case file why a request for a waiver was granted or denied.~~

- 4) The Department has the option of conducting a telephone interview or a home visit for those households for whom the office interview is waived. Home visits shall be used only if the time of the visit is scheduled in advance with the household. However, a home visit interview for redetermination of eligibility for financial assistance/recertification does not have to be scheduled with the household in advance.
 - 5) Waiver of the face-to-face interview does not exempt the household from the verification requirements, although special procedures may be used to permit the household to provide verification and thus obtain its benefits in a timely manner, such as substituting a collateral contact in cases where documentary verification would normally be provided.
 - 6) Waiver of the face-to-face interview shall not affect the length of the household's certification period.
- d) The Department shall schedule all interviews as promptly as possible to ensure the eligible households receive an opportunity to participate within 30 days after the application is filed. If a household fails to appear for the scheduled interview, the Department will issue a Notice of Missed Interview that will inform the household that the household missed its scheduled interview and that the household is responsible for requesting another interview.
