## INTRODUCTION

The Illinois Register is the official state document for publishing public notice of rulemaking activity initiated by State governmental agencies. The table of contents is arranged categorically by rulemaking activity and alphabetically by agency within each category.

Rulemaking activity consists of proposed or adopted new rules; amendments to or repealers of existing rules; and rules promulgated by emergency or peremptory action. Executive Orders and Proclamations issued by the Governor; notices of public information required by State Statute; and activities (meeting agendas; Statements of Objection or Recommendation, etc.) of the Joint Committee on Administrative Rules (JCAR), a legislative oversight committee which monitors the rulemaking activities of State Agencies; is also published in the Register.

The Register is a weekly update of the Illinois Administrative Code (a compilation of the rules adopted by State agencies). The most recent edition of the Code, along with the Register, comprise the most current accounting of State agencies' rulemakings.

The Illinois Register is the property of the State of Illinois, granted by the authority of the Illinois Administrative Procedure Act [5 ILCS 100/1-1, et seq.].

- 3)
 

<u>Section Numbers:</u>	<u>Proposed Action:</u>
310.270	Repealed
310.410	Amendment
310.APPENDIX A TABLE E	Amendment
310.APPENDIX A TABLE K	Amendment
310.APPENDIX A TABLE N	Amendment
310.APPENDIX A TABLE S	Amendment
- 4) Statutory Authority: Authorized by Sections 8 and 8a of the Personnel Code [20 ILCS 415/8 and 20 ILCS 415/8a]
- 5) A Complete Description of the Subjects and Issues Involved: In the table of contents, "(Repealed)" is added after the section heading for 310.270 and the Local 705 is added to the heading for Section 310.Appendix A Table E. The Local 705 change is based on the Illinois Labor Relations Board (ILRB) Certification of Unit Clarification (Case No. S-UC-(S)-14-002) issued August 8, 2013 that includes the Seasonal Highway Maintainers employed in Kankakee County in the Teamsters RC-020 bargaining unit.

In Section 310.260, the Human Resources Trainee pay grade assignment RC-014-07 is added.

Section 310.270 is repealed because the Arbitrator title (title code 01401) became exempt from the Personnel Code, in its entirety, on June 28, 2011. Effective June 28, 2011, Public Act 97-0018 amended the Workers' Compensation Act [820 ILCS 305/14]. The initial appointment of appointees to the Arbitrator title on or after June 28, 2011 shall be made by the Governor with the advice and consent of the Senate. The Personnel Code [20 ILCS 415/4c7] states that positions in State service shall be exempt from its jurisdiction A, B and C for all other positions appointed by the Governor and with the consent of the Senate.

In Section 310.410, the Hearing and Speech Technician I title (title code 18261) is removed. The title was abolished as approved by the Civil Service Commission effective August 1, 2014. The Corrections Law Library Assistant, Public Service Executive and Public Service Supervisor titles are added. The titles were established as approved by the Civil Service Commission effective September 1, 2014.

## NOTICE OF PROPOSED AMENDMENTS

In Section 310.Appendix A Table E, the Local 705 is added to the Section heading. The Note after the Highway Maintainer (Snowbirds) title table is modified. The Highway Maintainer (Snowbirds) employees in Kankakee County are now included in the pay assignment for the other Highway Maintainer (Snowbirds). The changes are based on the Certification of Unit Clarification mentioned above describing the table of contents change and the Memorandum of Agreement (MOA) between the Teamsters Local 705 and Illinois Departments of Central Management Services and Transportation signed October 7, 2013 regarding the pay assignment.

In Section 310.Appendix A Table K, the rate table is divided into a title table and rate table similar to other Appendix A tables. The pay grades are added.

In Section 310.Appendix A Table N, "except the Pollution Control Board positions with an attorney assistant function" is added to the Public Service Administrator (PSA) title Option 8L positions at the Pollution Control Board in the title table. The change is based on the ILRB Amended Certification of Representative (Case No. S-RC-10-196) issued on August 12, 2013 that excludes the PSA title Option 8L, Special License – Law License, positions with an attorney assistant function at the Pollution Control Board.

In Section 310.Appendix A Table S, another Shift Supervisor at the Department of Corrections Correctional Work Camps pay assignment is added and the current pay assignment is clarified.

- 6) Published studies or reports, and sources of underlying data, used to compose this rulemaking: Besides the Certification of Unit Clarification, MOA, and Amended Certification of Representative mentioned in response to question (5), three Classification Plan Review Proposal/Change Reports (CMS-112) recommended abolishing the Hearing and Speech Technician I title, establishing the Corrections Law Library Assistant title and establishing the Public Service Executive and Public Service Supervisor titles.
- 7) Will this proposed rulemaking replace any emergency rulemaking currently in effect? Yes, it is accompanying this proposed rule.
- 8) Does this rulemaking contain an automatic repeal date? No
- 9) Does this rulemaking contain incorporations by reference? No
- 10) Are there any other proposed rulemakings pending on this Part? No

## SECRETARY OF STATE

## NOTICE OF PROPOSED AMENDMENTS

**Section 1030.15 Cite for Re-testing**

- a) Any competent medical specialist, commissioned police officer, state's attorney, member of the judiciary, authorized Secretary of State employee or member of the judiciary may submit information to the Department relative to the physical condition of a person, including suspected chronic alcoholism or habitual use of narcotics or dangerous drugs, if that condition interferes with the person's ability to operate a motor vehicle safely (see IVC Sections 6-900 through 911). Upon receipt of a written request citing good cause, the Department shall require a driver to submit to driver's license re-testing. All written requests shall be confidential and signed by the source unless sent electronically, and the Secretary of State shall not release the information without a court order.
- b) The Department shall notify the driver of the obligation to appear within five days on a choice of three given dates at a designated driver services facility nearest in location to the city or town of residence that is recorded on the driver's most recent license renewal. There will be a 10-day grace period after the third given date before the Department will cancel the driver's license or permit. If the driver notifies the Department that he/she will be unable to appear on any of the three designated dates but prior to the final day of the 10-day grace period and provides a statement on official letterhead, signed by a competent medical specialist stating that, due to an existing medical condition, the driver is or will be unable to appear on any of the three designated dates, the Department shall issue three more dates on which the driver may appear for re-testing. There will also be a 10-day grace period after the last date given for appearance prior to the Department canceling the driver's license or permit. If the driver notifies the Department that he/she will not be able to appear during any of the second set of dates, but prior to the final day of the 10-day grace period, and provides a statement on letterhead signed by a competent medical specialist that states, due to an existing medical condition, the driver is or will be unable to appear during any of the second set of dates, the Department shall notify the driver of a final set of three dates on which the driver may appear. Once the 10-day grace period expires, the Department will cancel the driver's driving privileges. The driver may not request additional dates to appear for re-testing.
- c) Cited drivers shall be tested on the specific sections of the driver's license test indicated in the written request for re-testing received from the Department. If no reference to a specific section of the driver's license test was made by a competent

medical specialist, commissioned police officer, state's attorney, member of the judiciary, or authorized Secretary of State employee, the Department shall administer the cited driver the complete driver's license test.

- d) Drivers cited for any portion of the test shall receive only one opportunity to pass the test. Failure to pass any required portion of the test shall result in the cancellation of the person's driver's license in accordance with IVC Section 6-201. Failure of the driver cited to appear on any one of the three alternative dates indicated on the notice, or during a 10-day grace period that follows the last date, will result in the cancellation of the driver's license. A cited driver who passes all administered sections of the driver's license test shall be deemed to be in compliance with the Department's request, and shall be allowed to retain a valid driver's license.
- e) A cited driver required to take the road exam who is involved in a motor vehicle crash during the road exam is required to submit a medical report, completed after the date of the crash, to the Secretary, which shall be submitted to the Board for review. The person's driver's license shall remain cancelled unless and until the Secretary receives a recommendation from the Chairperson of the Board that, in its professional opinion, the driver is medically fit to safely operate a motor vehicle. The Board may refer the driver to a driver rehabilitation specialist for assessment and may require the person to complete any rehabilitation or training or use of adaptive devices recommended by the rehabilitation specialist.
- ~~f~~e) Driver's license tests shall be administered to the cited driver at no fee.
- ~~g~~f) In the event of application error, two requests shall be made of the licensee to return to a Driver Services Facility to obtain a corrected license. If the licensee complies, a corrected driver's license shall be issued without a fee. If the licensee fails to comply, he/she shall be cited for re-testing. Failure to appear for re-testing or failure to pass the test shall result in cancellation of the driver's license.
- ~~h~~g) If a facility errs in not giving a certain section of the driver's license test and the licensee has not complied with two written requests to return to a Driver Services Facility for re-testing, the driver will be cited for the section of the test previously omitted. If appearance is made and the cited driver passes the administered section of the driver's license test, he/she shall retain his/her driver's license. If the licensee fails to appear or fails the test, the driver's license shall be canceled.

On August 12, 2013, after several court decisions, the ILRB issued an Amended Certification of Representative, excluding from collective bargaining positions with an attorney assistant function at the Pollution Control Board. Due to a delay in communication, we are filing an emergency rule at this time to ensure that these positions and the employees in them are subject to the jurisdiction of the Merit Compensation System immediately, assigned to the PSA broadband salary range and receive no salary change (Section 310.495(f)).

This is based on the Amended Certification of Representative that excludes the PSA title Option 8L positions with an attorney assistant function at the Pollution Control Board (Case No. S-RC-10-196). The Amended Certification of Representative was issued by the ILRB on August 12, 2013 with a revision to its attachment issued on August 16, 2013.

NOTES: Shift Differential Pay – Employees shall be paid a shift differential of \$0.80 per hour in addition to their base salary rate for all hours worked if their normal work schedule for that day provides that they are scheduled to work and they work ½ or more of the work hours before 7 a.m. or after 3 p.m. The payment shall be for all paid time. Incumbents who currently receive a percentage shift differential providing more than the cents per hour indicated in this Note based on the base rate of pay prior to the effective date shall have that percentage converted to the cents per hour equivalent rounded to the nearest cent and shall continue to receive the higher cents per hour rate. This provision shall not apply to employees who, because of "flex-time" scheduling made at their request, are scheduled and work hours that would otherwise qualify them for premium pay under this provision.

Option Clarification – The positions allocated to the Public Service Administrator title that are assigned to the negotiated RC-010 pay grade have the Option 8L. See the definition of option in Section 310.50.

Longevity Pay – Effective January 1, 2002, the Step 8 rate shall be increased by \$25 per month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 7 in the same or higher pay grade on or before January 1, 2002. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 7 in the same or higher pay grade on or before January 1, 2002, the Step 8 rate shall be increased by \$50 per month. For employees not eligible for longevity pay on or before January 1, 2002, the Step 8 rate shall be increased by \$25 per month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade, the Step 8 rate shall be increased by \$50 per month. Effective July 1, 2010, the Step 8 rate shall be increased by \$50 per month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2010. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2010, the Step 8 rate shall be increased by \$75 per month. Effective July 1, 2013, the Step 8 rate shall be increased by \$25 per month to \$75 a month for those employees who attain 10 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July 1, 2013. For those employees who attain 15 years of continuous service and have three or more years of creditable service on Step 8 in the same or higher pay grade on or before July

## NOTICE OF EMERGENCY AMENDMENT

1, 2013, the Step 8 rate shall be increased by \$25 per month to \$100 a month. Employees whose salaries are red-circled above the maximum Step rate continue to receive all applicable general increases and any other adjustments (except the longevity pay) provided for in the Agreement. For these employees, the longevity pay shall be limited to the amount that would increase the employee's salary to the amount that is equal to that of an employee on the maximum Step rate with the same number of years of continuous and creditable service. Employees receiving the longevity pay shall continue to receive the longevity pay as long as they remain in the same or successor classification as a result of a reclassification or reevaluation. Employees who are eligible for the increase provided for longevity pay on or before January 1, 2002, shall continue to receive longevity pay after being placed on Step 8 while they remain in the same or lower pay grade.

- b) Entrance Base Salary –

  - 2) Qualifications Above Minimum Requirements – If a candidate possesses directly-related education and experience in excess of the minimum requirements of the class specification, the employing agency may offer the candidate an entrance base salary that is not more than 5% above the candidate's current base salary. Any deviation from the 5% maximum is a special salary adjustment (see Section 310.80(e)).
  - 3) Area Differential – For positions where additional compensation is required because of dissimilar economic or other conditions in the

The additional compensation will be at a rate and in a manner approved by the Department of Central Management Services. The Director of Central Management Services will approve the manner and rate of this provision after considering the need of the employing agency, the treatment of other similar situations, prevailing practices of other employers, and the equity of the particular circumstances.

Compensatory time shall be taken within the fiscal year it was earned at a time convenient to the employee and consistent with the operating needs of the agency. Compensatory time shall be accrued at the rate in which it is earned (straight time or time and a half), but shall not exceed 120 hours in any fiscal year. Compensatory time approved for non-union employees will be earned after 40 actual work hours in a workweek. Compensatory time not used by the end of the fiscal year in which it was earned shall be liquidated and paid in cash at the rate it was earned. The time limit herein may be extended by mutual agreement of the parties. The time limits are: While the Employer posts and fills a job vacancy for a period of 60 days from the date of posting; While an absent regular incumbent is utilizing sick leave, or accumulated time (vacation, holidays, personal days); Up to 30 work days in a six calendar month period while a regular incumbent is on disciplinary suspension or layoff; While a regular incumbent is attending required training classes; Up to six months while a regular incumbent is on any illness or injury, Union or jury leave of absence. Employees may substitute equivalent earned time for sick leave in accordance to sick leave policies and procedures.

Leaves of absence and temporary layoff (per 80 Ill. Adm. Code 302.510) are not separations and therefore lump sum cannot be given in these transactions. Method of computation is explained in Section 310.70(a).

AGENCY NOTE – The method to be used in computing the lump sum payment for accrued vacation, sick leave and unused compensatory overtime payment for an incumbent entitled to shift differential during the employee's regular work hours will be to use the employee's current base salary plus the shift differential pay. Sick leave earned prior to January 1, 1984 and after December 31, 1997 is not compensable. Sick leave earned and not used between January 1, 1984 and December 31, 1997 will be compensable at the current base daily rate times one-half of the total number of compensable sick days.
