NOTICE OF PROPOSED AMENDMENT

1) Heading of the Part: Public Schools Evaluation, Recognition and Supervision

2) Code Citation: 23 Ill. Adm. Code 1

3) Section Number: Proposed Action:
   1.88 New Section

4) Statutory Authority: 105 ILCS 5/2-3.6

5) A Complete Description of the Subjects and Issues Involved: This rulemaking implements a portion of the requirements of Title III of the No Child Left Behind Act (Language Instruction for Limited English Proficient and Immigrant Students). Section 3122 of the Act requires each state agency receiving funding under Title III to develop "Annual Measurable Achievement Objectives" (AMAOs) that relate to the recipient children’s development and attainment of English proficiency. These are required to include at least an objective addressing the percentage of students making progress toward proficiency in English, an objective addressing the percentage attaining proficiency, and an objective for making adequate yearly progress (AYP) with respect to students of limited English proficiency. Students' scores on the annual examination of English language proficiency will be used in determining whether the first two objectives have been met, while their scores on the State assessment are used for determining AYP.

A new Section 1.88 has been prepared for addition to the portion of Part 1 that sets out the statewide accountability framework. It should be noted, however, that these AMAOs will only apply to districts and cooperative entities that receive funding under Title III. The title of Section 1.88 reflects this limitation.

8) Does this rulemaking contain an automatic repeal date? No

STATE BOARD OF EDUCATION
NOTICE OF PROPOSED AMENDMENT

SUBPART A: RECOGNITION REQUIREMENTS

Section 1.88 Additional Accountability Requirements for Districts Serving Students of Limited English Proficiency Under Title III

This Section implements section 3122 of the No Child Left Behind Act of 2001 (NCLB) (20 USC 6842), which requires that states establish "Annual Measurable Achievement Objectives" (AMAOs) for educational agencies that use funds provided under Title III of the Act to serve students of limited proficiency in English and hold those entities accountable for meeting those objectives. Further, this Section implements section 3113(b)(5) of NCLB (20 USC 6823), which requires states to hold local educational agencies and schools accountable for meeting all the objectives described in NCLB section 3122.

a) The three distinct AMAOs address proficiency, progress, and adequate yearly progress (AYP), respectively, in connection with students taking the annual English language proficiency examination prescribed by the State Board of Education in 23 Ill. Adm. Code 228 (Transitional Bilingual Education). These
objectives shall apply at the district or cooperative level, as applicable, i.e., based on the test scores achieved by all the students served by each entity that receives Title III funding. In order to "meet AMAOs" for any given year, a district or cooperative must achieve all of the applicable objectives described in this subsection (a).

1) "Proficiency" relates to the percentage of students who attained the score identified by the State Board of Education (ISBE) as demonstrating English language proficiency and eligibility to exit bilingual education. The Illinois annual proficiency objective shall be 10 percent. This objective shall apply provided that the number of students tested is no fewer than 30.

2) "Progress" relates to the percentage of students whose scores on a given administration of the English language proficiency examination increased in comparison to their previous scores by at least .5 of a level of attainment on any one of the four domains (listening, speaking, reading, and writing). The Illinois annual progress objective shall be 85 percent and shall apply provided that the number of students tested is no fewer than 30. A student's score shall be counted for this purpose only if he or she has received two consecutive scores while being served by the same district or cooperative.

3) "Adequate yearly progress" or "AYP" has the meaning given to that term in Section 1.40 of this Part, except that, for purposes of this Section, AYP is specific to the scores earned on the reading and mathematics portions of the State assessment by students with limited proficiency in English, to their participation in the State assessment, and to their attendance or graduation rate, as applicable. The AYP objective shall apply only when the number of students served is treated as a subgroup under Section 1.60(a) of this Part.

b) In order to avoid penalizing districts and cooperatives for the decision bias that is associated with drawing inferences from a small distribution, a 95 percent "confidence interval" shall be applied to the data involved in each calculation discussed in subsection (a) of this Section. (A confidence interval is a mathematical approach designed to compensate for the unreliability of data derived from consideration of small groups.)

c) The scores of all students served by a cooperative shall be analyzed as one group for purposes of determining whether the cooperative has met AMAOs in a given
year. The determination for a cooperative shall also apply to each of its member
districts.

d) Section 3122(b) of NCLB requires entities funded under Title III that fail to reach
AMAOs for two consecutive years to prepare improvement plans designed to
ensure that the entities will meet those objectives in the future. Each entity that is
subject to this requirement shall submit its plan no later than six months after it
receives notification from ISBE of its failure to meet AMAOs for the second
consecutive year. Should a district or cooperative elect not to apply for Title III
funding in the subsequent year, it shall be required to submit an improvement plan
before it next applies, unless data on the performance of its students demonstrate
that the entity met AMAOs in the most recent year preceding its new application
for funding. ISBE shall not approve an application for Title III funds from an
entity that is subject to this requirement until its plan has been submitted.

e) When an entity funded under Title III has failed to reach AMAOs for four
consecutive years, ISBE shall, as required by section 3122(b)(4) of NCLB:

1) require the entity to modify its curriculum, program, and method of
instruction; or

2) make a determination regarding the entity's continued receipt of funds
under Title III and require the entity to replace educational personnel
relevant to the entity's failure to meet the achievement objectives.

f) The sanctions chosen pursuant to subsection (e) of this Section shall be identified
based upon ISBE's analysis of the factors that prevented the entity from attaining
the AMAOs, including those factors presented in the improvement plan submitted
in accordance with subsection (d) of this Section. In particular, ISBE shall deny
continued Title III funding to an entity that:

1) fails or refuses to serve students according to relevant legal and/or
regulatory requirements; or

2) prolongs or repeats instances of noncompliance to a degree that indicates
an intention not to comply with relevant requirements.

5) **A Complete Description of the Subjects and Issues Involved:** This rulemaking responds to a line item appropriation received by ISBE in the FY 07 budget for the "Beginning Teacher Induction Pilot Program". This is a new initiative authorized under Article 21A of the School Code, which was enacted in 2003 to provide for statewide induction and mentoring programs but also permits competitive grant programs in any year when the appropriation is not sufficient for that purpose.

The purpose of the pilot program is to support and study induction program models that provide for intensive interaction between new teachers and the mentors with whom they are paired. Significant amounts of time are to be set aside for their work together, and structured opportunities for ongoing assessment, feedback, and professional development are involved. The rules establish requirements for the size of the group to be served, the minimum amount of time to be spent, and an individual induction plan for each of the beginning teachers. The remaining provisions are typical for competitive grant programs, consisting of the application procedure, review criteria, and basis for allocation of funds.

5) **A Complete Description of the Subjects and Issues Involved:** This rulemaking responds to a line item appropriation received by ISBE in the FY 07 budget under Section 2-3.135 of the School Code (Technology Immersion Pilot Project). This is a new initiative authorized under legislation enacted in 2004 to provide for the distribution of wireless laptop computers, associated hardware and software, and professional development. This is the first appropriation made under Section 2-3.135.

   The statute provides for the selection of seven school districts as recipients of support under this program and for the selection of at least nine schools within those districts. One of the districts is to be located in the City of Chicago, with three of the others located in the balance of Cook County and the "collar" counties and the other three in the remainder of the state. The criteria for choosing among eligible entities are based upon the statute's directive to consider applicants' need for the pilot program, existing problems, and capacity.

   The actual disbursement of grant funds to the chosen recipients is not foreseen. Rather, ISBE will be purchasing and distributing the laptop computers and other technological items to the recipients and entering into contracts as needed to ensure the appropriate maintenance and support. Similarly, uniform training for teachers and administrators will be identified and paid for by ISBE. It should be noted that these activities are subject to the Illinois Procurement Code and to ISBE's rules under that Code. They are therefore not discussed in these rules, which address only the competitive selection of recipients and their obligations under the program.

c) Nonprofit organizations may cease filing disclosure reports with the Board if they:

1) have filed two consecutive semi-annual reports in which they have not
made any contributions or expenditures that supported or opposed any candidate or referenda, or made any electioneering communications;

2) have determined they will no longer make any contributions or expenditures to support or oppose any candidate or referenda, or for electioneering communications; and

3) have submitted a letter informing the State Board of Elections that they will no longer function as a nonprofit political organization as defined in Section 9-7.5 of the Election Code.

d) To comply with the specific reporting provisions of Section 9-7.5(b) of the Election Code, nonprofit organizations may establish a separate nonprofit political committee whose exclusive function is to receive or make contributions and/or make expenditures to support or oppose candidates or questions of public policy. To facilitate this option, nonprofit organizations shall create a separate segregated fund in which contributions shall be deposited or made as defined in Section 9-1.4 of the Election Code and from which expenditures shall be dispersed as defined in Section 9-1.5 of the Election Code. If a nonprofit organization chooses this option, the disclosure of any deposits of money into the segregated fund shall report the original source of the money and not the name of the nonprofit organization.

e) Reports containing the information required by statute shall be submitted on forms designed and supplied by the State Board of Elections or upon computer-generated forms conforming to those designed by the State Board of Elections. Pursuant to Section 9-28 of the Election Code, each nonprofit organization that exceeds the threshold of $10,000 must continue to report electronically until it dissolves.

Section 100.160 Good Faith

a) For purposes of this Section, "contributor" includes the terms "lender" and "endorser". A committee acts in good faith under 10 ILCS 5/9-7.5, 9-11, 9-12, 9-13, and 9-14 if:

1) its written solicitation for funds includes a clear written request for the name of the contributor's employer and the occupation of the contributor;
2) in the event it receives a contribution lacking the name of the contributor's employer and occupation of the contributor in circumstances **in which such information is required**, it makes at least one effort to obtain the missing information; and

3) in the event its request for information is unanswered, the committee includes in its report the best and most current information it may have from whatever source, including its own records and earlier reports, about the name of the contributor's employer and the occupation of the contributor.

b) The request shall appear in a clear and conspicuous manner on any response material contained in the solicitation.

c) An effort to obtain missing information must either be in writing, or **be made orally and documented by writing**, and must be made on or before the close of the reporting period in which the contribution or loan was received. The request must clearly ask for the missing information and must contain no other language except thanks to the contributor or lender for the contribution or loan. If the request is in writing, it must be accompanied by a pre-addressed return postcard or envelope.

d) If the name of the employer of a contributor that is required to be reported under Article 9 of the Election Code is unknown at the time the contribution must be reported, **and** a good faith effort **has been made to secure that information**, the contribution may be reported without the information. However, if the omitted information subsequently becomes known to the committee, the report that omits the information must be amended to add the information.

e) For the purpose of this Section, "employer" includes all natural and non-natural persons, including but not limited to corporations, partnerships and unincorporated associations.

POLLUTION CONTROL BOARD

NOTICE OF PROPOSED AMENDMENT

1) **Heading of the Part:** Permits and General Provisions

2) **Code Citation:** 35 Ill. Adm. Code 201

3) **Section Number:** Proposed Action:
   - 201.501 New Section

4) **Statutory Authority:** Implementing Sections 10, 39, 39.5 and authorized by Section 27 of the Environmental Protection Act [415 ILCS 5/10, 27, 39, and 39.5]

5) **A Complete Description of the Subjects and Issues Involved:** This rulemaking is based on a proposal filed on June 20, 2006, by the Illinois environmental Protection Agency (Agency). The Board has granted the Agency's request to expedite consideration of this proposal, and has authorized this publication of the proposal as submitted by the Agency. In so doing, the Board makes no comment on the merits of the proposal. This is explained in greater detail in the Board's opinion and order, available from the address in item 12 below, in "In the Matter of: Amendments to 35 Ill. Adm. Code 201 (New Section 201.501 PSD Construction Permits), R06-27 (June 22, 2006).

The amendments seek to add a new Section to the Board's air regulations that would eliminate an automatic 30-day stay of the effectiveness of prevention of significant deterioration of air quality (PSD) permits. The amendments propose to add a new Subpart M to Part 201, the Board's general permit provisions. The proposed new Section 201.501 in effect provides that PSD permits are effective upon issuance a) unless the permit states otherwise by its terms, or b) an appeal has been filed and a stay of the permit has been granted.

In its Statement of Reasons that accompanied the proposal the Agency asserted that the PSD provisions of the Clean Air Act, 42 USC 7401 et seq., were enacted in 1977 to regulate new major stationary sources and major modifications to existing sources. The PSD program applies in areas in the country that are deemed to be attainment or unclassifiable with respect to national ambient air quality standards (NAAQS). The Agency administers the PSD program through a delegation agreement with the United States Environmental Protection Agency (USEPA). PSD involves a preconstruction permitting process in which an applicant for a major new source or modification must submit a permit application prior to commencing construction that demonstrates that emissions from the proposed facility will not cause or contribute to an exceedance of any applicable NAAQS or air quality increment, and that the proposed facility will employ the Best Available Control Technology for all pollutants for which the source is major.
POLLUTION CONTROL BOARD

NOTICE OF PROPOSED AMENDMENT

The Agency stated that an appeal of the PSD permit issued in Illinois is subject to the procedural requirements of the federal regulations at 40 CFR Part 124, which provide that final permits decisions are automatically stayed for 30 days after issuance. This rulemaking proposes to eliminate the automatic 30-day stay, thereby "leveling the playing field" between Illinois and surrounding states that have approved programs without the automatic stay. The Agency's goal is to remove an economic disincentive to new development while not causing any adverse impact to the environment.

6) Published studies or reports and sources of underlying data used to compose this rulemaking: None

7) Will this rulemaking replace any emergency rulemaking currently in effect? No

8) Does this rulemaking contain an automatic repeal date? No

9) Does this rulemaking contain incorporations by reference? No

10) Are there any other proposed rulemakings pending on this Part? No

11) Statement of Statewide Policy Objectives: This proposed rule does not create or enlarge a State mandate, as defined in Section 3(b) of the State Mandates Act. [30 ILCS 805/3(b) (2004)].

12) Time, Place, and Manner in which interested persons may comment on this rulemaking: The Board is currently in the process of scheduling hearings in this rulemaking. The Board will accept written public comment on this proposal for 45 days after the date of publication in the Illinois Register. Comments should reference Docket R06-27 and be addressed to:

   Clerk's Office
   Illinois Pollution Control Board
   100 W. Randolph St., Suite 11-500
   Chicago, IL 60601

Interested persons may request copies of the Board's opinion and order by calling Dorothy Gunn at 312/814-3620, or download from the Board's Web site at www.ipcb.state.il.us.

NOTICE OF PROPOSED AMENDMENT

13) Initial Regulatory Flexibility Analysis:

A) Types of small businesses, small municipalities and not for profit corporations affected: This rulemaking could impact any small business, small municipality, or not-for-profit corporation that either applies for or appeals a PSD permit.

B) Reporting, bookkeeping or other procedures required for compliance: This rulemaking does not propose any additional reporting or bookkeeping requirements.

C) Types of professional skills necessary for compliance: No professional skills beyond those currently required by the existing state and federal air pollution control regulations applicable to affected sources will be required.

14) Reason this rulemaking was not included on the most recent regulatory agenda: The Board did not receive an indication from the Agency at the time that the January regulatory agenda was compiled that this rulemaking would be proposed this year.

NOTICE OF PROPOSED AMENDMENT

SUBPART E: ADDITIONS TO AND SUBTRACTIONS FROM TAXABLE INCOME OF INDIVIDUALS, CORPORATIONS, TRUSTS AND ESTATES AND PARTNERSHIPS

Section 100.2430 Addition and Subtraction Modifications for Transactions with 80-20 Companies

a) For taxable years ending on or after December 31, 2004, IITA Section 203 (as amended by Public Act 93-0840) requires a taxpayer, in computing base income, to add back deductions allowed in computing federal taxable income or adjusted gross income for interest expenses and intangible expenses incurred in transactions with a person who would be a member of a unitary business group with the taxpayer, if not for the 80-20 test. Public Act 93-0840 also amended IITA Section 203 to allow subtraction modifications that would insure that the addition modifications do not result in double taxation, and to provide exceptions in instances in which requiring the addition modifications would not be appropriate.

b) Definitions

1) Dividend Included in Base Income. "Dividend" means any item defined as a dividend under 26 USC 316 and any other item of income characterized or treated as a dividend under the Internal Revenue Code, and includes any item included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code. (IITA Section 203(a)(2)(D-17) and (D-18), (b)(2)(E-12) and (E-13), (c)(2)(G-12) and (G-13), and (d)(2)(D-7) and (D-8)) A dividend is included in base income of a taxpayer only to the extent the dividend is neither deducted in computing the federal taxable or adjusted gross income of the taxpayer nor subtracted
from federal taxable income or adjusted gross income under IITA Section 203.

2) Foreign Person. A "foreign person" is any person who would be included in a unitary business group with the taxpayer if not for the fact that 80% or more of that person's business activities are conducted outside the United States. (IITA Section 1501(a)(30))

3) Interest. "Interest" means "compensation for the use or forbearance of money". (See Deputy v. du Pont, 308 U.S. 488, 498 (1940).) Interest includes the amortization of any discount at which an obligation is purchased and is net of the amortization of any premium at which an obligation is purchased.

4) Intangible Expense. "Intangible expense" includes expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; losses incurred, directly or indirectly, from factoring transactions or discounting transactions; royalty, patent, technical, and copyright fees; licensing fees; and other similar expenses and costs. (IITA Section 203(a)(2)(D-18), (b)(2)(E-13), (c)(2)(G-13) and (d)(2)(D-8))

5) Intangible Income. "Intangible income" means the income received or accrued by a person from a transaction that generates intangible expense for the other party to the transaction.

6) Intangible Property. "Intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets. (IITA Section 203(a)(2)(D-18), (b)(2)(E-13), (c)(2)(G-13) and (d)(2)(D-8))

7) Related Party. "Related parties" means persons disallowed a deduction for losses by section 267(b), (c) and (f) of the Internal Revenue Code, as well as a partner and its partnership and each of the other partners in that partnership.

c) Addition Modifications

1) Interest. Except as otherwise provided in this subsection (c)(1), every taxpayer must add back to its base income any deduction otherwise
allowed in the taxable year for interest paid to a foreign person, to the extent the interest exceeds the amount of dividends received from the foreign person by the taxpayer and included in base income for the same taxable year. (IITA Section 203(a)(2)(D-17), (b)(2)(E-12), (c)(2)(G-12), and (d)(2)(D-7)) This addition modification shall not apply to an item of interest expense if:

A) The foreign person is subject in a foreign country or state, other than a state that requires mandatory unitary reporting by the taxpayer and the foreign person, to a tax on or measured by net income with respect to the interest. If the foreign person is a partnership, Subchapter S corporation or trust, the foreign person is subject to a tax on or measured by net income with respect to the interest to the extent that the interest is included in the tax base of a partner, shareholder or beneficiary who is subject to a tax on or measured by net income in a foreign country or state.

B) The taxpayer can establish, based on a preponderance of the evidence, both of the following:
   
i) the foreign person, during the same taxable year, paid, accrued, or incurred the interest to a person that is not a related party; and
   
ii) the transaction giving rise to the interest expense between the taxpayer and the foreign person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arms-length interest rate and terms.

C) The taxpayer can establish, based on clear and convincing evidence, that the item of interest relates to a contract or agreement entered into at arms-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance.

D) The taxpayer establishes by clear and convincing evidence that the adjustment would be unreasonable.
DEPARTMENT OF REVENUE

NOTICE OF PROPOSED AMENDMENT

E) The taxpayer has received permission under Section 100.3390 of this Part to use an alternative method of apportionment allowing the deduction of the item.

2) Intangible Expenses. Except as otherwise provided in this subsection (c)(2), every taxpayer must add back to its base income any deduction otherwise allowed in the taxable year for intangible expenses incurred with respect to transactions with a foreign person, to the extent the intangible expenses exceed the amount of dividends received from the foreign person by the taxpayer and included in base income for the same taxable year. If a taxpayer incurs both interest and intangible expenses with the same foreign person, any dividends received from that foreign person shall be applied first against interest under subsection (c)(1) and only the excess (if any) of the dividends over the interest expenses shall be applied against intangible expenses under this subsection (c)(2). (IITA Section 203(a)(2)(D-18), (b)(2)(E-13), (c)(2)(G-13) and (d)(2)(D-8)). This addition modification shall not apply to an item of intangible expense if:

A) The item arises from a transaction with a foreign person who is subject in a foreign country or state, other than a state that requires mandatory unitary reporting by the taxpayer and the foreign person, to a tax on or measured by net income with respect to the intangible income related to the item. If the foreign person is a partnership, Subchapter S corporation or trust, the foreign person is subject to a tax on or measured by net income with respect to the intangible income to the extent that the intangible income is included in the tax base of a partner, shareholder or beneficiary who is subject to a tax on or measured by net income in a foreign country or state.

B) The taxpayer can establish, based on a preponderance of the evidence, both of the following:

i) the foreign person during the same taxable year paid, accrued, or incurred the intangible expense to a person that is not a related party; and

ii) the transaction giving rise to the intangible expense between the taxpayer and the foreign person did not have as a principal purpose the avoidance of Illinois income tax.
DEPARTMENT OF REVENUE

NOTICE OF PROPOSED AMENDMENT

and is paid pursuant to a contract or agreement that reflects arms-length terms.

C) If the taxpayer establishes, by clear and convincing evidence, that the adjustments are unreasonable.

D) The taxpayer has received permission under Section 100.3390 of this Part to use an alternative method of apportionment, allowing the deduction of the item.

d) Subtraction Modifications.

1) Interest Income of a Foreign Person. If interest paid to a foreign person is added back by a taxpayer under subsection (c)(1), the foreign person is allowed a subtraction for the amount of that interest included in its base income for the taxable year, net of deductions allocable to that income. The subtraction under this subsection (d)(1) shall not exceed the amount of the corresponding addition under subsection (c)(1). (IITA Section 203(a)(2)(CC), (b)(2)(V), (c)(2)(T), and (d)(2)(Q))

2) Intangible Income of a Foreign Person. If intangible expense incurred in a transaction with a foreign person is added back by a taxpayer under subsection (c)(2), the foreign person is allowed a subtraction for the amount of the intangible income from that transaction included in its base income for the taxable year, net of deductions allocable to that income. The subtraction under this subsection (d)(2) shall not exceed the amount of the corresponding addition under subsection (c)(2). (IITA Section 203(a)(2)(CC), (b)(2)(V), (c)(2)(T), and (d)(2)(Q))

3) Interest Income from a Foreign Person. A taxpayer who receives interest income from a foreign person is allowed a subtraction for the amount of that interest income, net of deductions allocable to that income. The subtraction allowed in this subsection (d)(3) for a taxable year may not exceed the amount of the addition modification for the taxable year under subsection (c)(1) for interest paid by the taxpayer to the foreign person. (IITA Section 203(a)(2)(DD), (b)(2)(W), (c)(2)(U), and (d)(2)(R))

4) Intangible Income from a Foreign Person. A taxpayer who receives intangible income from a transaction with a foreign person is allowed a subtraction for the amount of the intangible income, net of deductions
allocable to that income. The subtraction allowed in this subsection (d)(3) for the taxable year may not exceed the amount of the addition modification for the taxable year under subsection (c)(2) for intangible expenses incurred by the taxpayer in transactions with the foreign person. (IITA Section 203(a)(2)(EE), (b)(2)(X), (c)(2)(V), and (d)(2)(S))

e) Unitary Business Groups. The provisions of this Section apply both to persons who are members of a unitary business group and to persons who are not members of a unitary business group because of the application of the 80-20 rule or of the prohibition in IITA Section 1501(a)(27) against including in a single unitary business group taxpayers using different apportionment formulas under IITA Section 304(a) through (d). In applying the provisions of this Section in the case of a unitary business group, any reference to the "taxpayer" in this Section shall be deemed to refer to the unitary business group.

15) **Summary and Purpose of Rulemaking:** This amendment downsizes the no-wake zone on the Rock River at Martin Park in Loves Park and eliminates the no-boat area where there is no longer a swimming beach. At the request of local law enforcement officers who had concerns for public safety, this rule was amended in May of 2003 to designate a portion of the Rock River at Martin Park in Loves Park as a slow, no wake area. However, a group of boaters in the area believes the designated area is too restrictive and requested that it be modified. In an attempt to reach a compromise, DNR law enforcement staff met with the sheriff of Winnebago County, the Rockford Police...
Department, the Rockford Park District Police Department and members of the group who opposed the restricted area. Following these discussions, Department personnel determined that downsizing the no-wake area will not compromise public safety.

TITLE 86: REVENUE
CHAPTER I: DEPARTMENT OF REVENUE

PART 750
PAYMENT OF TAXES BY ELECTRONIC FUNDS TRANSFER

Section 750.100 Scope of the Program and Rules
Section 750.200 Definitions
Section 750.300 Payments Required to be Paid by Electronic Funds Transfer
Section 750.400 Eligibility Determination and Taxpayer Notification
Section 750.500 Voluntary Program Participation
Section 750.600 Methods of Electronic Funds Transfer Payment
Section 750.700 Payment Transmission Errors
Section 750.800 Department Notification Requirement
Section 750.900 Due Date; General Provisions

Section 750.600 Methods of Electronic Funds Transfer Payment

a) There are two primary methods for payment by electronic funds transfer under the program, along with one emergency backup method. These methods are ACH Debit, ACH Credit and Fedwire. Taxpayers may use either the ACH Debit or Credit methods for payment. Taxpayers who are required to pay or voluntarily pay Cigarette Tax or Cigarette Use Tax using EFT must pay their tax liability using an ACH debit payment. Fedwire is only offered as an emergency backup method of payment.
DEPARTMENT OF REVENUE

NOTICE OF ADOPTED AMENDMENTS

b) Taxpayers who choose or are required to use the ACH Debit option must use one of the following methods:

1) Place a toll-free call to the Department's data collection service and provide the appropriate account number and required tax payment information. The data collection service will then provide the taxpayer with a unique "confirmation number" to acknowledge the call. The call must be placed by 3:30 pm Central Standard Time at least one day prior to the due date for the payment. The data collection service will initiate the ACH Debit to the taxpayer's account the same day the taxpayer calls the Department, except in the case of ACH warehousing by the data collection service, which will be initiated the working day prior to the due date, and a credit to the Department's account will be made the following day. When a taxpayer chooses this payment option, the Department will provide the taxpayer with a detailed set of technical instructions related to the payment mechanism.

2) ACH Debits initiated via electronic data transfer (modem-to-modem) must be acknowledged as accepted before 12:00 p.m. (Noon—central time) on the last business banking day prior to the due date of the payment.

23) Taxpayers that are purchasing cigarette tax revenue stamps will not need to place a call to the Department's data collection service. However, a debit authorization form provided by the Department must accompany the purchase order invoice. The Department will then initiate all ACH debits for taxpayers who are required to use EFT when purchasing cigarette tax stamps and who provide the Department with their debit authorization.

34) Taxpayers who electronically file their tax return may include an ACH Debit record with the transmission.

c) To use the ACH Credit option, the taxpayer initiates a credit by instructing its bank to transfer the tax due from the taxpayer's account to the Department's account. The taxpayer's bank will then insert a "trace number" into the payment transaction to be used as a payment verification. In addition to the payment amount, taxpayer account posting information is sent with the funds transfer using the TXP convention. This is a standard format developed for use by all states accepting tax payments by means of ACH Credit. A copy of the TXP convention is provided as a portion of the technical instructions provided to taxpayers making payment in this form.
1) The ACH Credit must be initiated at least one day prior to the due date of the payment so the funds are available on the due date of the payment, or earlier if required by the taxpayer's bank so the funds are available on the due date.

12) Before choosing this option on the registration form, a taxpayer should contact its bank to determine what ACH services are offered by the bank.

23) This option is not authorized for taxpayers that purchase cigarette tax stamps.

d) The Fedwire option for payment is offered by the Department only as a backup method. If for some reason a taxpayer is unable to initiate an ACH Debit or ACH Credit one day prior to the due date of the tax, Fedwire is the only electronic alternative method available to avoid late payment penalties and interest. If this backup method is used, the taxpayer's bank must initiate the Fedwire by noon Central Standard Time on the tax due date.

1) Fedwires have costs associated with them for both the initiator and the receiver. A taxpayer using this option will be required to pay the initiator's fee, and the receiver fee will be charged to the Department.

2) To effectively credit the payment information to the taxpayer's account, the Department's standard Fedwire format (the Department requires the same data as the TXP convention) information should be entered by the taxpayer's bank as part of the Fedwire transaction. The taxpayer's bank should provide taxpayer with a paper copy of the transmission for taxpayer's records. A copy of the Department's standard Fedwire format is included in the technical instructions provided all program participants.

3) Fedwire is not a routine electronic funds transfer option. If a taxpayer uses this emergency backup option, taxpayer must contact the Department by telephone in advance to provide notification of the emergency situation.

Section 750.700 Payment Transmission Errors
DEPARTMENT OF REVENUE

NOTICE OF ADOPTED AMENDMENTS

a) If a taxpayer does not make a correct payment of tax for a particular period, such taxpayer shall, on the nearest business day to the date on which the error is discovered, contact the Department's Electronic Funds Transfer EFT unit.

b) If the taxpayer error involves an underpayment of tax, the taxpayer must make appropriate arrangements to initiate payment for the amount of the underpayment and penalties and interest.

c) A failure to initiate an electronic funds transfer payment so that it settles on or before the due date because of circumstances under the taxpayer's control, including but not limited to insufficiency of funds in the taxpayer's account or a direct payment to the Department using an unauthorized payment method, may result in either the loss of discount, the imposition of penalties and interest, or both.

(Source: Amended at 30 Ill. Reg. 11583, effective June 26, 2006)

Section 750.900 Due Date; General Provisions

a) Taxpayers who are required to remit tax payments through electronic funds transfer and voluntary program participants must initiate the transfer so that the amount due is deposited as collected funds to the Department's account on or before the due date under the appropriate tax Act and request a payment date no later than the due date or, if a payment date of the due date is unavailable, then no later than the financial institution's next available business day after the due date. For the payment to be deemed timely by the Department, the transfer must be initiated on or before the due date and must result in the amount due being deposited as collected funds to the Department's account, even if that deposit occurs after the due date. Taxpayers should be aware that the provisions of Section 1.25 of the Statute on Statutes [5 ILCS 70/1.25] do not apply to payments made by electronic funds transfer as the payments are not transmitted by mail.

b) The electronic funds transfer method of payment does not change any current filing requirements for tax returns.

c) In addition to the provisions for reasonable cause for late payment under the applicable tax laws, for electronic funds transfer purposes, reasonable cause for late payment by electronic funds transfer includes the following:

1) The inability to gain access to the EFT system on the required date
DEPARTMENT OF REVENUE

NOTICE OF ADOPTED AMENDMENTS

because of a system failure beyond the reasonable control of the taxpayer. For example:

A) In the case of ACH debit transactions, the taxpayer is unable to make telephone contact with the system to provide an instruction to transfer funds from the taxpayer's account, or

B) In the case of ACH credit transactions, the taxpayer's bank is unable to gain access to the ACH network to arrange for a deposit of funds with the Department;

2) The failure of the electronic funds transfer system to properly apply a payment.

  d) If a taxpayer is required to remit a tax payment through electronic funds transfer but instead makes the payment by mail, the amount due must be physically received by the Department on or before the due date under the appropriate tax Act in order for the payment to be considered timely by the Department.

Section 760.220 Electronic Payment Required

a) Taxpayers who voluntarily choose to electronically file returns and other documents with the Department under the provisions of this Part must make any required payments relating to those returns or documents through electronic means. The methods of electronic payment that can be utilized are as follows:

1) Electronic payment by electronic funds transfer under the Electronic Funds Transfer Program described in 86 Ill. Adm. Code 750. Liquor tax participants that submit their return and schedules on approved magnetic media must utilize this method;

2) Electronic payment by including payment data as part of an EDI 813 Electronic Filing of Tax Return Data transaction set (see Section 760.320

of this Part). This method is only available for sales tax participants; or

3) Electronic payment by including payment data in an EDI 820 Payment Order/Remittance Advice transaction set (see Section 760.320 of this Part). This method is only available for sales tax participants;

4) Electronic payment by including payment data as part of the electronic transmission of the return and schedule data; or

5) Electronic payment by including payment data in an electronic transmission that is separate from the return and schedule transmission.

b) Regardless of the electronic payment method selected, taxpayers must complete and submit Form EFT-1, Authorization Agreement for Electronic Funds Transfer, as part of the electronic filing enrollment process, along with the appropriate electronic filing enrollment form. This is required unless a participant is already enrolled to make payments in the Department's Electronic Funds Transfer Program for the returns or other documents listed in Section 760.100(c) or (d) of this Part. Form EFT-1 must be completed and submitted with the appropriate enrollment form for electronic filing.

e) Taxpayers making electronic payments must initiate the transfer so that the amount due is deposited as collected funds to the Department's account on or before the due date under the appropriate tax Act. Taxpayers are reminded that the provisions of Section 1.25 of the Statute on Statutes [5 ILCS 70/1.25] do not apply to payments made by electronic means as those payments are not transmitted by mail.

(Source: Amended at 30 Ill. Reg. 11590, effective June 26, 2006)

Section 760.240 Due Dates and Date Received

a) When the statutory due date for filing a return or other document or making payment with the Department falls on a weekend or a banking holiday observed by the State of Illinois, the Department will accept the electronic return or other document and the payment on the next business day. Electronic filers are responsible for timely initiating the transaction to assure the return or other document is received by, and the funds made available to, the Department on the day following the weekend or banking holiday.
Taxpayers making electronic payments under this Part must initiate the payment on or before the due date under the appropriate tax Act and request a payment date no later than the due date or, if a payment date of the due date is unavailable, then no later than the financial institution's next available business day after the due date. For the payment to be deemed timely by the Department, the transfer must be initiated on or before the due date and must result in the amount due being deposited as collected funds to the Department's account, even if that deposit occurs after the due date. When the statutory due date for filing or payment is the next day following a weekend or observed banking holiday, electronic filers are responsible for initiating the transaction prior to or on the last business day before the weekend or banking holiday, to assure the return and other document is received by, and the payment made available to, the Department by the due date.

The receipt date of the electronic transmission will constitute the receipt date of the electronic return or other document (except debit authorization) if the transmission is acknowledged as accepted, or accepted with error, with a detailed acknowledgment from the Department as provided in Section 760.310. Any return or other document, including debit authorization, acknowledged as rejected with a functional or detailed acknowledgment will be considered not filed. The receipt date of the electronic transmission will be when the telephone transmission ends for participants transmitting directly to the Department.

Payment by debit authorization included in the electronic return The receipt date for electronic payment will be considered timely if all of the following conditions are met:

1) The receipt date of the electronic return in which the EFT debit payment is included is timely under subsection (c);

2) The EFT debit payment date requested is no later than the due date or, if a payment date of the due date is unavailable, then no later than the next available business day after the due date; and

3) A confirmation number for the EFT debit is received in the acknowledgment from the Department indicating that it was accepted in the same electronic transmission as the return filing, the date the payment is actually deposited as collected funds to the Department's account.
DEPARTMENT OF REVENUE

NOTICE OF ADOPTED AMENDMENTS

e) Failure to receive a confirmation number for a debit authorization in the acknowledgment from the Department means that the payment was not accepted for processing, although the return may be acknowledged as accepted or accepted with error.

fe) In the case where a taxpayer submits a return or other document on approved magnetic media in accordance with this Part, Section 1.25 of the Statute on Statutes [5 ILCS 70/1.25], which provides that a return or other document transmitted through the United States mail is deemed filed with or received by the State on the date shown by the post office cancellation mark stamped upon the envelope or other wrapper containing it, applies only to the receipt of the return filed on diskette or other approved magnetic media.

g) If a taxpayer is required to file a return or other document or to remit a tax payment through an electronic transmission but instead files the return or other document or makes the payment by mail, the return or other document or the amount due must be physically received by the Department on or before the due date under the appropriate tax Act in order for the return or other document or the payment to be considered timely by the Department.

Section 2700.30 General Institutional Eligibility Requirements

a) ISAC Program Participation Agreement

1) All institutions shall execute an ISAC Program Participation Agreement in order to participate in ISAC gift assistance programs.

2) The ISAC Program Participation Agreement shall identify the ISAC programs under which the institution's students may receive benefits.

3) The ISAC Program Participation Agreement shall include provisions requiring institutions to comply with statutes, federal regulations and State rules.

4) The ISAC Program Participation Agreement may be modified or terminated in accordance with 23 Ill. Adm. Code 2790, Limitation, Suspension or Termination Proceedings.

b) With respect to ISAC student assistance programs, institutions shall develop and maintain procedures to verify the consistency and accuracy of information received from their enrolled recipients.

c) Institutions shall be subject to possible limitation, suspension or termination of eligibility for failure to comply with statutes, regulations, rules or procedures and for failure to maintain the standards required by this Section for initial participation. (See 23 Ill. Adm. Code 2790.)

d) Postsecondary institutions which participate in gift assistance programs shall
annually submit to ISAC a copy of their tuition refund policy. Such submissions shall not be considered ISAC approval of such policies.

e) Postsecondary institutions which participate in gift assistance programs shall annually report their tuition and fee charges, as well as initial MAP advance payment requests, to ISAC on or before June 1 preceding each academic year.

1) Failure to report any cost changes by the deadline will cause the prior year's charges to be used as part of the calculation process for gift assistance benefits. Failure to report the assessment of a fee charge by the deadline will result in that fee charge being ineligible for payment under ISAC gift assistance programs.

2) The report shall match specific fee charges with the gift assistance programs which may finance the fee. Such categorizations by the institution shall not be considered ISAC approval.

3) The Illinois National Guard Grant and the Illinois Veteran Grant (IVG) Programs may finance only a portion of certain fee charges. (See 23 Ill. Adm. Code 2730.30(a) and 2733.30(e).)

   A) Example: One fee finances both tuition and text book expenses. Only the portion of the fee which is attributable to tuition expenses may be financed with program benefits.

   B) Institutions with such a fee shall certify what percentage of the fee is eligible to be financed with program benefits. Certification shall be performed by the institution's chief fiscal officer.

f) Institutions shall submit additional reports, data and information to ISAC as may be requested. These inquiries include, but are not limited to, surveys, enrollment confirmations and evaluation instruments.

g) Additional institutional eligibility requirements are contained in subsequent Parts of ISAC's rules.

h) Postsecondary institutions may apply to participate in ISAC-guaranteed loan programs in accordance with 23 Ill. Adm. Code 2720.

i) Postsecondary institutions may apply to participate in ISAC gift assistance

NOTICE OF ADOPTED AMENDMENTS

programs in accordance with this subsection.

1) The Commission approves participation in ISAC gift assistance programs for an institution rather than for specific academic programs within an institution.

2) Prior to applying for participation in ISAC gift assistance programs, the institutional applicant must have authority to operate a postsecondary institution in Illinois. (See 23 Ill. Adm. Code 1030.)

3) Institutional applicants that are fully accredited by the North Central Association of Colleges and Schools Higher Learning Commission and have degree-granting authority may be approved to participate in ISAC gift assistance programs provided the institution meets and maintains the requirements of subsections (i)(4)(C) and (D).

4) Public or private not for profit institutional applicants that do not meet the requirements of subsection (i)(3) may be approved to participate in ISAC gift assistance programs if the institution has:
   A) obtained candidate status for North Central accreditation.
   B) applied for and is seeking degree-granting authority.
   C) obtained at least three letters indicating the transferability of academic credit from the applicant institution to other institutions. The letters must be from institutions which are approved to participate in the Monetary Award Program (MAP) and are accredited by the North Central Association of Colleges and Schools Higher Learning Commission.
   D) an adequate number of qualified persons to administer their responsibilities under ISAC's rules. In determining whether an institution employs an adequate number of qualified persons, the Commission considers the number of students aided, the number of programs in which the institution participates, the number of applications evaluated, the amount of funds administered, and the financial aid delivery system used by the institution.

5) Institutional applicants must also supply ISAC with audited financial
NOTICE OF ADOPTED AMENDMENTS

statements, prepared by an independent third party in accordance with generally accepted accounting principles, to establish financial responsibility. (See, e.g., 34 CFR 668.15.)

6) Once approved to participate in ISAC gift assistance programs by the Commission, an institution shall receive provisional eligibility for a minimum of five academic years. An institution with provisional eligibility must petition the Commission for full eligibility. Full eligibility will be granted if the institution meets the requirements of subsection (i)(3) above and if there are no outstanding audit exceptions.

j) As a condition of eligibility for participation in ISAC student assistance programs, postsecondary institutions shall have a valid Program Participation Agreement with ED (see Section 487 of the Higher Education Act of 1965, as amended (20 USC 1094)) and shall report their Office of Postsecondary Education Identification (OPE-ID) number to ISAC.

k) In order to begin and to continue participation in ISAC-administered student assistance programs, institutions must also demonstrate administrative capability and financial responsibility, as defined by federal regulations. (See, e.g., 34 CFR 668.15 & 668.16.) An institution's failure to meet and maintain those standards can lead to limitation, suspension or termination proceedings. (See 23 Ill. Adm. Code 2790.)

l) Institutions that have been assigned multiple main OPE-ID numbers will be considered separate entities by ISAC. Different campus codes associated with the same main OPE-ID number will not be considered separate entities.

m) An institution shall notify ISAC of its Federal Employer Identification Number (FEIN) in order to receive payment pursuant to any ISAC-administered program.

n) When an approved institution has a change of ownership resulting in a change of control, a change of location, or a change of name as defined by federal regulations, the institution's Program Participation Agreement with ED may be terminated. After an institution has undergone a change of status affecting its participation in any Title IV federal student financial aid programs, the institution may have its eligibility with ISAC reinstated by the execution of a new Program Participation Agreement with ED (see, e.g., 34 CFR 600.30 et seq.) and by the submission and approval of a new application for participation with ISAC.
Section 2700.50 Determining Applicant Eligibility

a) The evaluation of applicant eligibility is the responsibility of both the institution and ISAC.

b) No applicant is announced eligible for assistance by ISAC unless the application establishes prima facie eligibility. ISAC consults with other appropriate state and federal agencies in the process of reviewing application data. Such agencies include, but are not limited to, the U.S. Department of Education (ED), U.S. Internal Revenue Service (IRS), U.S. Citizenship and Immigration Services Bureau (USCIS), Illinois Department of Healthcare and Family Services Public Aid, Illinois Department of Revenue, and Illinois Department of Children and Family Services.

c) When requesting payment for ISAC gift assistance programs, the postsecondary institution must certify that the applicants are eligible for the assistance. If an institution subsequently determines a student is no longer eligible for all or part of the awarded assistance, the institution must inform ISAC and submit the appropriate refund within 60 days after the receipt of payment or the end of a term, whichever is later.

d) When requesting payment of benefits, institutions shall certify (in accordance with ISAC's rules and/or federal regulations) whether an applicant is eligible based upon enrollment in a particular academic program.

e) If an institution erroneously certifies an applicant to be eligible for ISAC gift assistance programs, ISAC will recover the erroneous payment from the institution. Any student who obtained ISAC-administered funds by submitting inaccurate information to an institution must tender restitution to the institution to be eligible for ISAC assistance at that institution.

f) If an applicant is selected for verification in conjunction with federal student assistance, that applicant shall also be verified for ISAC-administered programs. A selected applicant must be verified for ISAC programs even if the applicant is ineligible for federal student assistance.

g) Because ED verification procedures do not include procedures for verifying a student as a resident of Illinois, the following provisions shall be followed by the

Complainants must submit their appeal within 60 days after and including the date of an administrative decision by ISAC. If a complainant fails to pursue an appeal within 60 days after and including the date of an administrative decision, including administrative decisions rendered under subsections (d) and (e) of this Section, the complainant forfeits all appeal rights.

b) All appeals shall be submitted in writing, must specifically invoke the use of ISAC's appeal process and must indicate the specific issue(s) to be reviewed. Each complainant shall be sent a written response within 15 working days after and including the date of receipt of their appeal.

e) Adjudicatory hearings are available for complainants who have first used the procedures of subsection (d) of this Section. A hearing shall be requested, in writing, within 60 days after the date of the Executive Director's appeal decision.

13) Will these amendments replace any emergency rulemaking currently in effect? No

15) Summary and purpose of rulemaking: ISAC annually reviews its rules in order to respond to market changes and client suggestions, to implement state and federal statutory amendments, to codify improvements due to technological advances, and to clarify issues that have arisen during the previous year. We also are continuing efforts to increase the level of standardization in procedures, format and terminology throughout
our programmatic rules in order to make them easier for our clients to use. ISAC adopts the following substantive amendments:

Adopted amendments to Section 2730.20(a) clarify the application deadlines for the program. A clarification is adopted in Section 2730.20(a)(2) requiring the Illinois Department of Military Affairs to report to ISAC changes to a Illinois National Guard grant recipient's National Guard status. An amendment to Section 2730.20(c) reflects a statutory change contained in Public Act 94-583, which removes the prohibition on National Guard officers receiving the grant. In Section 2730.30(d), an amendment further clarifies that grant funds are limited to use at Illinois public postsecondary institutions. Section 2730.30(l) incorporates the statutory requirement that states if a recipient's duty obligations are not met, then all funds received must be repaid. Sections 2730.30(f) and (f)(2) are amended to incorporate the statutory change from Public Act 94-583 that extends use of the grant to cover enrollment during summer terms. In addition, language in 2730.30(f)(4) is revised to clarify that refunds will be made according to the postsecondary institution's refund policy.

Driven by the State Comptroller's lapse period deadline of August 31st for processing of payment vouchers, language is added to Section 2730.40(d) to incorporate a deadline by which postsecondary institutions must submit all payment requests to ISAC. Similar language already resides in ISAC's administrative rules for the Monetary Award Program, the Silas Purnell Illinois Incentive for Access program, and the Illinois Veteran Grant program and is also being adopted for other ISAC programs to bring about standardization in payment request processing.

2) have been active in the Illinois National Guard for at least five consecutive years and had his or her studies interrupted by being called to federal active duty for at least six months, and be within the 12 month period immediately following his or her discharge from the Illinois National Guard.

c) Eligibility is not available to any such enlisted person or company grade officer, including warrant officers, first and second lieutenants, and captains in the Army and Air National Guard, except for those persons who are members of the inactive Illinois National Guard.

(Source: Amended at 30 Ill. Reg. 11623, effective July 1, 2006)

Section 2730.30 Program Procedures

a) The recipient is exempt from paying the following:

1) tuition;

2) registration fees;
3) graduation fees; and
4) general activity fees.

b) The recipient is responsible for payment of other fees, including the following:
1) book rental fees;
2) laboratory and supply fees;
3) air flight fees;
4) hospital and health insurance fees;
5) room and board;
6) parking fees;
7) student union fees;
8) athletic fees; and
9) proficiency or placement exams and other similar fees.

c) Benefits are applicable to both undergraduate and graduate enrollment. There is no minimum credit-hour enrollment requirement. Benefits are applicable for noncredit courses.

d) Benefits are limited to use at Illinois public senior universities and at any Illinois public community college.

e) Within the constraints of appropriation levels, two semester or three quarter term payments and one summer term payment are made directly to the institution after it officially certifies to ISAC that the applicant has registered and is attending classes. No seminars or other special terms are covered under the grant. Summer term is considered the final term of the academic and fiscal year.

f) Benefits are limited to recipients are entitled to receive benefits for the equivalent of four academic years, eight semesters/twelve quarters, of full-time enrollment.
NOTICE OF ADOPTED AMENDMENTS

1) To determine the amount of eligibility a recipient has used, credit hours (and noncredit hours for which benefits are used) will be converted to "eligibility units" according to the following chart:

<table>
<thead>
<tr>
<th>Number of Hours</th>
<th>Semester School</th>
<th>Quarter School</th>
</tr>
</thead>
<tbody>
<tr>
<td>12 or more hours</td>
<td>12 units</td>
<td>8 units</td>
</tr>
<tr>
<td>9 - 11.99 hours</td>
<td>9 units</td>
<td>6 units</td>
</tr>
<tr>
<td>6 - 8.99 hours</td>
<td>6 units</td>
<td>4 units</td>
</tr>
<tr>
<td>3 - 5.99 hours</td>
<td>3 units</td>
<td>2 units</td>
</tr>
<tr>
<td>0 - 2.99 hours</td>
<td>1 unit</td>
<td>1 unit</td>
</tr>
</tbody>
</table>

2) Recipients may continue to reapply and accumulate up to 120 units, after which point eligibility for program benefits will cease. However, full program benefits may be extended for one additional term if the recipient has accumulated fewer than 120 eligibility units but does not have enough units remaining for the number of hours in which she/he is enrolled for the term.

3) If an eligible recipient withdraws from enrollment after the expiration of the tuition refund/withdrawal adjustment period, the recipient shall receive a grant for costs incurred up to the term award provided the institution's tuition refund policy indicates the recipient has incurred charges in the amount of the claim.

4) In the event that the recipient withdraws from a course or courses prior to the end of a term, a refund will be made according to the institution's refund withdrawal policy and eligibility units will be adjusted accordingly. Eligibility units will be assessed in proportion to the total dollars that are paid. If the recipient has had any portion of his/her tuition and fees paid, at least one eligibility unit will be charged to the recipient. Example: A recipient is enrolled for twelve semester hours at a cost of $600. The recipient withdraws from enrollment and incurs expenses of $300 in accordance with the institution's tuition refund policy. The recipient would use six eligibility units and would receive $300 in benefits.

5) The eligibility units used for a noncredit course shall be the same as the number of eligibility units used for a credit course having the same number of total faculty contact hours.
g) If a current year applicant is discharged, transferred to the inactive Illinois National Guard, or has membership extended by the Illinois National Guard, ISAC will send a revised eligibility letter or ineligibility letter to the applicant. In the case of discharge, a copy of the letter will be sent to the institution of record.

h) Except as otherwise provided in this Part, if a recipient ceases to be an active status member of the Illinois National Guard during a term, benefits cease, and the student is responsible for the unpaid costs attributed to the remainder of the term. If an applicant becomes eligible during a term, in accordance with Section 2730.20(b), benefits will be prorated for that portion of the term for which the applicant is eligible, provided the application is submitted by the deadlines. Costs are prorated on the basis of the institution's scheduled days of instruction minus institutionally scheduled holidays and examination periods.

Calculation: Total tuition cost divided by total instructional days = cost per day x days of eligibility = total proration.

i) If the recipient of a grant awarded under this Part ceases to be a member of the Illinois National Guard, but has been active in the Illinois National Guard for at least five consecutive years and had his or her studies interrupted by being called to federal active duty for at least six months, then that recipient shall continue to be eligible for a grant for one year after his or her discharge from the Illinois National Guard, provided that the recipient has not already received the exemption from tuition and fees for the equivalent of four years of full-time enrollment under this Part.

j) Out-of-state residents will receive tuition and applicable fee benefits equivalent to those received by in-state residents at the Illinois institution; recipients attending out-of-district community colleges will receive tuition and applicable fee benefits equivalent to those at the in-district rate. Recipients shall not be responsible for paying the difference between in-state and out-of-state tuition nor will they be responsible for paying the difference between in-district and out-of-district tuition.

k) If a student is eligible for both an Illinois National Guard Grant and a MAP grant, the Illinois National Guard benefits must be used first. A student cannot decline an Illinois National Guard Grant in favor of using MAP.

l) If a recipient of the grant fails to complete his or her military obligation according to the agreement, all proceeds received must be repaid to the Illinois Department
NOTICE OF ADOPTED AMENDMENTS

of Military Affairs. DMAIL will collect the funds, which will be used by ISAC for the purpose of this Part.

(Source: Amended at 30 Ill. Reg. 11623, effective July 1, 2006)

Section 2730.40 Institutional Procedures

a) The institution must establish a qualified applicant's initial eligibility before requesting payment from ISAC. A valid Illinois National Guard Grant eligibility letter may be used for this purpose.

b) When submitting payment requests, the institution shall certify that the recipient meets the requirements of Section 2730.20(c), Applicant Eligibility.

c) Institutions must report the total number of hours for which payment is being requested (including credit and noncredit hours) so that ISAC can accurately track the recipient's use of eligibility units.

d) Payment information will be sent each term to the institution no earlier than the application deadline date for that term. Payment claims must be submitted no later than 30 calendar days after payment information has been sent to the institution by ISAC. Supplemental payment claims must be submitted to ISAC no later than 45 calendar days after the original payment information was sent to the institution with the exception of summer term supplements which must be submitted by the same deadline as the original payment claim for summer term. All payment claims received by ISAC after the designated dates will be paid or prorated during the fiscal lapse period (July 1 through August 31) following the conclusion of the fiscal year. To provide sufficient time for processing and vouchering through the State Comptroller's Office in Springfield, all payment requests except for summer term must be received by ISAC no later than July 1. Summer term payment requests must be received no later than July 31.

e) Claims will be paid as follows:

1) first semester and first quarter claims received by the designated deadline date will be paid, or prorated if funding is insufficient to pay all claims in full;

2) if funds remain after first semester and first quarter claims are paid, then second semester and second and third quarter claims received by the designated deadline date will be paid, or prorated if funds remaining are
NOTICE OF ADOPTED AMENDMENTS

insufficient to pay all such claims in full;

3) if funds still remain after the preceding claims are paid, summer term claims received by the designated deadline date will be paid, or prorated if remaining funds are insufficient to pay all summer claims in full; and

4) in the event that funds are not exhausted by summer term payments, claims received after the designated deadline dates will be paid or prorated.

5) Timely claims for the difference between in-district/state and out-of-district/state tuition for recipients who do not qualify for chargebacks will be considered for payment at the same time, and in the same priority order, as all other timely claims, in accordance with the provisions of this subsection.

f) Payments on behalf of a recipient will be made to only one institution per term. For any institution that has a concurrent registration opportunity, the same payment policy will be in effect as that used in the Monetary Award Program. (See: 23 Ill. Adm. Code 2735.40(h).)

g) Institutions are required to reconcile payments received through this program. Any payments received by the institution that are determined in the reconciliation to be refunds payable to ISAC are to be processed and returned to ISAC no later than 60 days following the end of the academic term. Should the payment arrive after the end of the term, the institution will have 60 days following receipt of payment to complete the reconciliation process and return any refunds to ISAC.

15) **Summary and Purpose of Rulemaking:** ISAC annually reviews its rules in order to respond to market changes and client suggestions, to implement state and federal statutory amendments, to codify improvements due to technological advances, and to clarify issues that have arisen during the previous year. We also are continuing efforts to increase the level of standardization in procedures, format and terminology throughout our programmatic rules in order to make them easier for our clients to use. In addition to
making minor technical changes in this Part, ISAC adopts the following substantive amendments:

In Section 2731.30(b) a procedural clarification is adopted requiring students to indicate at the time of application the name of the institution they will be attending. More definitive dates are adopted for Section 2731.30(c) to align the application deadline with dates used in other ISAC programs. Section 2731.30(e)(1) is amended to clarify that the grant will cover the difference in cost for courses taken at an out-of-district institution that are not offered at a recipient's in-district institution. Additionally, Section 2731.30(o)(4) is amended to clarify that claims for the difference between in-district and out-of-district charges will be considered for payment at the same time as other timely claims, rather than only if funds remain.

Driven by the State Comptroller's lapse period deadline of August 31st for processing of payment vouchers, language for Section 2731.40(c)(6) incorporates a deadline by which postsecondary institutions must submit all payment requests to ISAC. Similar language already resides in ISAC's administrative rules for the Monetary Award Program, the Silas Purnell Illinois Incentive for Access program, and the Illinois Veteran Grant program and is also adopted for other ISAC programs to bring about standardization in payment request processing.

PART 2731
GRANT PROGRAM FOR DEPENDENTS OF CORRECTIONAL OFFICERS

Section 2731.30 Program Procedures

a) All first-time applicants shall complete an application which includes biographical information regarding the deceased or disabled correctional officer (e.g., name, where employed, position title, date of death or disability, etc.) and the application shall be accompanied by a certified death certificate or the certified statement of a licensed physician.

1) The physician's statement must certify that there is a mental or physical condition that is reasonably certain to continue throughout the lifetime of the correctional officer, resulting in a 90% to 100% incapacity from performing substantial and material duties previously discharged.

2) Documentation must be submitted to prove that the death or disability occurred in the line of duty.
b) Once eligibility has been established for one member of a family, it is established for all qualified applicants in the family. Thereafter, a simplified application will be required from each student on an annual basis. Also, students must indicate the institution to be attended.

c) The deadline for applications will be October 1 for consideration for all terms, March 1 for consideration for second semester/second and third quarter and summer term, and June 15 for consideration for summer term only. Applications must be filed prior to the end of the academic year for which grant assistance is being requested.

d) If an application is incomplete, notice will be sent to the applicant. The applicant will then have an opportunity to furnish the missing information; however, the application will only be considered for processing as of the date it was completed and received in ISAC's Deerfield office.

e) Grants are applicable toward tuition and mandatory fees.

1) A recipient attending a public institution in Illinois shall receive a grant that shall not exceed the cost of tuition and mandatory fees at that institution. This includes the difference between in-district and out-of-district tuition.

2) A recipient attending a private institution in Illinois may receive a grant sufficient to pay the cost of tuition and mandatory fees, provided the award does not exceed the maximum grant payable to a student enrolled in the most expensive comparable program of study at a public institution.

f) Notice of the grant award shall be sent to each recipient. Applicants not receiving awards will also be notified.

g) Benefits are limited to the full-time enrollment equivalent of eight semesters or twelve quarters of payment for undergraduate or graduate study.

h) A student who receives a grant under this program and who is subsequently determined to be ineligible shall repay the institution the total amount of the funds received during the period in which he or she was ineligible.

i) Recipients receive payment through their institution of record.

j) If a recipient withdraws from enrollment after the expiration of the tuition

refund/withdrawal adjustment period, the recipient shall receive a grant for costs incurred up to the term award provided the institution's tuition refund policy indicates the recipient had incurred such charges.

k) A recipient shall agree to notify ISAC, in writing, within 15 days of any change affecting his/her enrollment status, name or address.

l) ISAC pays grant funds directly to the institution of record in the name of the recipient.

m) ISAC will disburse grant funds in multiple installments, depending upon the number of terms financed by the grant; except that multiple disbursements will not be required in cases where the applicant's eligibility is not determined until the final term of the academic year for which the grant is being awarded or when a student is attending only one term and the maximum award does not exceed the student's cost of attendance.

n) Grant payment is subject to the limits of dollars appropriated for this program by the General Assembly.

o) In the event that funds are insufficient to make awards to all eligible applicants, ISAC will make award determinations on the basis of the dates that the completed applications were received and the following:

1) first semester and first quarter awards will be paid, or prorated if funding is insufficient to pay all grants in full;

2) if funds remain after first semester and first quarter awards are paid, then second semester/second and third quarter awards will be paid, or prorated if funds remaining are insufficient to pay all grants in full;

3) if funds remain after second semester/second and third quarter awards are paid, summer term awards will be paid, or prorated if funding is insufficient to pay all grants in full; and

4) timely claims if funds are still available when the preceding claims have been paid in full, awards for the difference between in-district/state and out-of-district/state tuition for recipients who do not qualify for chargebacks will be considered for payment at the same time and in the same priority order as all other timely claims, in accordance with the provisions

of this subsection (o), paid, or prorated if funds remaining are insufficient to pay all such grants in full.

Section 2731.40 Institutional Procedures

a) The institution shall certify the applicant's award amount within the time frame requested by ISAC, which shall be no sooner than 30 days unless a more rapid response is necessary to expend appropriated funds prior to the end of the academic year.

b) Institutional Packaging of Assistance:

1) If the recipient receives other assistance targeted specifically for tuition and fees, the combined assistance shall not exceed the total tuition and fee expenses incurred by the student; and if it does, the institution shall reduce one of the awards accordingly;

2) notwithstanding the provisions of other ISAC-administered programs, the total amount of a student's gift assistance may not exceed the student's cost of attendance for that institution. Any excess gift assistance is considered an overaward, and the institution is required to notify ISAC to reduce this grant and/or other gift assistance to prevent such an overaward; and

3) if the recipient is eligible for assistance under MAP, the recipient may not be eligible for a full MAP grant because the grant for Dependents of Correctional Officers must be factored into the financial aid package prior to receiving MAP gift assistance. The institution, however, may request a MAP grant to finance tuition and mandatory fee expenses not paid by this program.

c) Institutional Processing of Payments:

1) When submitting payment requests, the institution shall verify that the recipient meets the requirements of Section 2731.20(a)(3) and (4), Applicant Eligibility.

2) Within 30 days after and including the date of receiving payment, the institution shall credit the award toward the recipient's tuition and mandatory fee charges for the appropriate term.
3) Institutions are required to reconcile payments received through this program. Any payments received by the institution that are determined in the reconciliation to be refunds payable to ISAC are to be processed and returned to ISAC no later than 60 days following the end of the academic term. Should the payment arrive after the end of the term, the institution will have 60 days following receipt of payment to complete the reconciliation process and return any refunds to ISAC.

4) Award payments made in the name of one recipient cannot be applied to another recipient at the same institution. A refund of the payment must be submitted to ISAC and a supplemental request must be made and processed for the proper recipient.

5) If the institution does not submit refunds as required, ISAC will deduct outstanding refunds from subsequent payments to the institution.

6) To provide sufficient time for processing and vouchering through the State Comptroller's Office in Springfield, all payment requests except for summer term must be received by ISAC no later than July 1. Summer term payment requests must be received no later than July 31.

13) **Will this rulemaking replace any emergency rulemaking currently in effect?** No

14) **Are there any amendments pending on this Part?** No

15) **Summary and Purpose of Rulemaking**: ISAC annually reviews its rules in order to respond to market changes and client suggestions, to implement state and federal statutory amendments, to codify improvements due to technological advances, and to clarify issues that have arisen during the previous year. We also are continuing efforts to increase the level of standardization in procedures, format and terminology throughout our programmatic rules in order to make them easier for our clients to use. In addition to
NOTICE OF ADOPTED AMENDMENTS

making minor technical changes in this Part, ISAC adopts the following substantive amendments:

In Section 2732.30(b), a procedural clarification is adopted requiring students to indicate at the time of application the name of the institution they will be attending. More definitive dates are adopted for Section 2732.30(c) to align the application deadline with dates used in other ISAC programs. Section 2732.30(e)(1) is amended to clarify that the grant will cover the difference in cost for courses taken at an out-of-district institution that are not offered at a recipient's in-district institution. Additionally, Section 2732.30(o) is amended to clarify that claims for the difference between in-district and out-of-district charges will be considered for payment at the same time as other timely claims, rather than only if funds remain.

Driven by the State Comptroller's lapse period deadline of August 31st for processing of payment vouchers, language is adopted for Section 2732.40(c)(6) to incorporate a deadline by which postsecondary institutions must submit all payment requests to ISAC. Similar language already resides in ISAC's administrative rules for the Monetary Award Program, the Silas Purnell Illinois Incentive for Access program, and the Illinois Veteran Grant program and is also adopted in other ISAC programs to bring about standardization in payment request processing.

PART 2732
GRANT PROGRAM FOR DEPENDENTS OF POLICE OR FIRE OFFICERS

Section 2732.10 Summary and Purpose
2732.20 Applicant Eligibility
2732.30 Program Procedures
2732.40 Institutional Procedures

AUTHORITY: Implementing Section 55 and authorized by Section 20(f) of the Higher Education Student Assistance Act [110 ILCS 947/55 and 20(f)].

Section 2732.30 Program Procedures

a) All first-time applicants shall complete an application which includes biographical information regarding the deceased or disabled officer (e.g., name, where employed, position title, date of death or disability, etc.) and the application shall be accompanied by a certified death certificate or the certified statement of a licensed physician.

1) The physician's statement must certify that there is a mental or physical condition that is reasonably certain to continue throughout the lifetime of the officer, resulting in a 90% to 100% incapacity from performing substantial and material duties previously discharged.

2) Documentation must be submitted to prove that the death or disability occurred in the line of duty.
b) Once eligibility has been established for one member of a family, it is established for all qualified applicants in the family. Thereafter, a simplified application will be required from each student on an annual basis. Also, students must indicate the institution to be attended.

c) The deadline for applications will be October 1 for consideration for all terms, March 1 for consideration for second semester/second and third quarter and summer term, and June 15 for consideration for the summer term only. Applications must be filed prior to the end of the academic year for which grant assistance is being requested.

d) If an application is incomplete, notice will be sent to the applicant. The applicant will then have an opportunity to furnish the missing information; however, the application will only be considered for processing as of the date it was completed and received in ISAC's Deerfield office.

e) Grants are applicable toward tuition and mandatory fees.

1) A recipient attending a public institution in Illinois shall receive a grant that shall not exceed the cost of tuition and mandatory fees at that institution. This includes the difference between in-district and out-of-district tuition.

2) A recipient attending a private institution in Illinois may receive a grant sufficient to pay the costs of tuition and mandatory fees, provided the award does not exceed the maximum grant payable to a student enrolled in the most expensive comparable program of study at a public institution.

f) Notice of the grant award will be sent to each recipient. Applicants not receiving awards will also be notified.

g) Benefits are limited to the full-time enrollment equivalent of eight semesters or twelve quarters of payment for undergraduate or graduate study.

h) A student who receives a grant under this program and who is subsequently determined to be ineligible shall repay the institution the total amount of the funds received during the period in which he or she was ineligible.

i) Recipients receive payment through their institution of record.

j) If a recipient withdraws from enrollment after the expiration of the tuition
refund/withdrawal adjustment period, the recipient shall receive a grant for costs incurred up to the term award provided that the institution's tuition refund policy indicates the recipient had incurred such charges.

k) A recipient shall agree to notify ISAC, in writing, within 15 days of any change affecting his/her enrollment status, name or address.

l) ISAC pays grant funds directly to the institution of record in the name of the recipient.

m) ISAC will disburse grant funds in multiple installments, depending upon the number of terms financed by the grant; except that multiple disbursements will not be required in cases where the applicant's eligibility is not determined until the final term of the academic year for which the grant is being awarded or when a student is attending only one term and the maximum award does not exceed the student's cost of attendance.

n) Grant payment is subject to the limits of dollars appropriated for this program by the General Assembly.

o) In the event that funds are insufficient to make awards to all eligible applicants, ISAC will make award determinations on the basis of the dates that the completed applications were received and the following:

1) first semester and first quarter awards will be paid, or prorated if funding is insufficient to pay all grants in full;

2) if funds remain after first semester and first quarter awards are paid, then second semester/second and third quarter awards will be paid, or prorated if funds remaining are insufficient to pay all grants in full;

3) if funds remain after second semester/second and third quarter awards are paid, summer term awards will be paid, or prorated if funding is insufficient to pay all grants in full; and

4) timely claims if funds are still available when the preceding claims have been paid in full, awards for the difference between in-district/state and out-of-district/state tuition for recipients who do not qualify for charge backs will be considered for payment at the same time and in the same priority order as all other timely claims, in accordance with the provisions of this subsection (o) paid, or prorated if funds remaining are insufficient to.

Section 2732.40 Institutional Procedures

a) The institution shall certify the applicant's award amount within the time frame requested by ISAC, which shall be no sooner than 30 days unless a more rapid response is necessary to expend appropriated funds prior to the end of the academic year.

b) Institutional Packaging of Assistance:

1) If the recipient receives other assistance targeted specifically for tuition and fees, the combined assistance shall not exceed the total tuition and fee expenses incurred by the student; if it does, the institution shall reduce one of the awards accordingly;

2) notwithstanding the provisions of other ISAC-administered programs, the total amount of a student's gift assistance may not exceed the student's cost of attendance at that institution. Any excess gift assistance is considered an overaward and the institution is required to notify ISAC to reduce this grant and/or other gift assistance to prevent such an overaward; and

3) if the recipient is eligible for assistance under MAP, the recipient may not be eligible for a full MAP grant because the police or fire officer grant must be factored into the financial aid package prior to receiving MAP gift assistance. The institution, however, may request a MAP grant to finance tuition and mandatory fee expenses not paid by this program.

c) Institutional Processing of Payments:

1) When submitting payment requests, the institution shall verify that the recipient meets the requirements of Section 2732.20(a)(3) and (4), Applicant Eligibility.

2) Within 30 days after and including the date of receiving payment, the institution shall credit the award toward the recipient's tuition and mandatory fee charges for the appropriate term.

3) Institutions are required to reconcile payments received through this

program. Any payments received by the institution that are determined in the reconciliation to be refunds payable to ISAC are to be processed and returned to ISAC no later than 60 days following the end of the academic term. Should the payment arrive after the end of the term, the institution will have 60 days following receipt of payment to complete the reconciliation process and return any refunds to ISAC.

4) Award payments made in the name of one recipient cannot be applied to another recipient at the same institution. A refund of the payment must be submitted to ISAC and a supplemental request must be made and processed for the proper recipient.

5) If the institution does not submit refunds as required, ISAC will deduct outstanding refunds from subsequent payments to the institution.

6) To provide sufficient time for processing and vouchering through the State Comptroller's Office in Springfield, all payment requests except for summer term must be received by ISAC no later than July 1. Summer term payment requests must be received no later than July 31.

15) **Summary and Purpose of Rulemaking**: ISAC annually reviews its rules in order to respond to market changes and client suggestions, to implement state and federal statutory amendments, to codify improvements due to technological advances, and to clarify issues that have arisen during the previous year. We also are continuing efforts to
increase the level of standardization in procedures, format and terminology throughout our programmatic rules in order to make them easier for our clients to use. ISAC adopts the following substantive amendments:

An amendment to Section 2733.30(b) is adopted to incorporate a statutory change that tightens the time frame for which an applicant has to notify the institution of his or her Illinois Veteran Grant (IVG) eligibility. Section 2733.30(d) is adopted to further clarify the type of institution at which the grant may be used. Adopted amendments to Section 2733.30(e) reflect the statutory changes contained in Public Act 94-583 that increase benefits for veterans to cover tuition and mandatory fees rather than limiting coverage to only the fees currently listed. In a corresponding change, new language is adopted for Section 2733.30(e)(2) to allow qualified applicants who currently receive grant benefits to cover non-mandatory fees to continue to receive these benefits as long as they are enrolled in a continuous program of study, as allowed for in statute.

Section 2733.30(g)(3) is amended to clarify that refunds will be made according to the institution's refund policy. An adopted amendment to Section 2733.30(g)(5) incorporates existing statutory language that stipulates if the U.S. Department of Veteran Affairs terminates or suspends educational benefits to veterans, assistance under ISAC's IVG program will also cease.

Section 2733.40(e) is amended to align the language with changes adopted in other ISAC programs in relation to the processing of payment requests, given the time frame ISAC must adhere to with the State Comptroller's office.

Section 2733.10  Summary and Purpose

a) As described in this Part, eligible Illinois Veteran Grant (IVG) recipients are entitled to be exempt from paying tuition and certain fees at Illinois public

postsecondary institutions. If appropriated Illinois Student Assistance Commission (ISAC) funds are insufficient to reimburse institutions for all eligible recipients, the obligation to pay is transferred to the institution.

b) This Part establishes rules that govern the IVG Program. Additional rules and definitions are contained in General Provisions, 23 Ill. Adm. Code 2700.

(Source: Amended at 30 Ill. Reg. 11646, effective July 1, 2006)

Section 2733.30 Program Procedures

a) An applicant must apply to ISAC for assistance under this Part. ISAC will issue a Notice of Eligibility to each qualified applicant.

b) To receive an Illinois Veteran Grant, a qualified applicant must notify the institution of his or her eligibility no later than within two months following the last scheduled day of classes for the term for which a grant is requested.

c) Benefits are applicable to both undergraduate and graduate enrollment. There are no minimum credit hour enrollment requirements and benefits are applicable for noncredit courses.

d) Benefits are limited to use only at Illinois public universities and Illinois public community colleges.

e) Costs Fees exempted by the IVG:

1) The recipient is exempt from paying costs as follows:

   A) tuition and other instructional fees that meet the definition of tuition (see 23 Ill. Adm. Code 2700.20);
   B) mandatory activity, air flight instructor and athletic fees (see 23 Ill. Adm. Code 2700.20);
   C) matriculation, service and other registration-type fees;
   D) off-campus and other extension course fees;
   E) application fees;
ILLINOIS STUDENT ASSISTANCE COMMISSION

NOTICE OF ADOPTED AMENDMENTS

F) graduation and transcript fees;

G) proficiency exam, College Level Exam Program (CLEP), placement exam and similar fees; and

H) health insurance fees.

2) A qualified applicant who has previously received benefits under this Part for a non-mandatory fee shall continue to receive benefits covering such fees while he or she is enrolled in a continuous program of study. The qualified applicant shall no longer receive a grant covering non-mandatory fees if he or she fails to enroll during an academic term, unless he or she is serving on federal active duty. The non-mandatory fees include the following:

A) instructional fees not meeting the definition of tuition;

B) application fees;

C) graduation and transcript fees;

D) proficiency exam, College Level Exam Program (CLEP), placement exam and similar fees;

E) off-campus and other extension course fees;

F) air flight instructor and athletic fees; and

G) matriculation, service and other registration type fees.

2) The recipient is responsible for payment of the following fees:

A) book rental fees;

B) laboratory and supply fees;

C) student union fees; and

D) fees for the operation, maintenance or rental of any building.
f) Recipients attending out-of-district community colleges receive tuition and fee benefits equivalent to those at the in-district rate. Recipients shall not be responsible for paying the difference between in-district and out-of-district tuition.

g) Benefits are limited to the equivalent of four academic years of full-time enrollment, which is measured in eligibility units. Recipients may accumulate up to 120 eligibility units.

1) To determine the amount of eligibility a recipient has used, credit hours (and noncredit hours for which benefits are used) will be converted to eligibility units according to the following table:

<table>
<thead>
<tr>
<th>Number of Hours</th>
<th>Semester Term</th>
<th>Quarter Term</th>
</tr>
</thead>
<tbody>
<tr>
<td>12 or more hours</td>
<td>12 units</td>
<td>8 units</td>
</tr>
<tr>
<td>9 - 11.99 hours</td>
<td>9 units</td>
<td>6 units</td>
</tr>
<tr>
<td>6 - 8.99 hours</td>
<td>6 units</td>
<td>4 units</td>
</tr>
<tr>
<td>3 - 5.99 hours</td>
<td>3 units</td>
<td>2 units</td>
</tr>
<tr>
<td>up to 2.99 hours</td>
<td>1 unit</td>
<td>1 unit</td>
</tr>
</tbody>
</table>

2) Full program benefits may be extended for one additional term if the recipient has accumulated fewer than 120 eligibility units but does not have enough units remaining for the number of hours in which s/he is enrolled for the term.

3) In the event that a recipient withdraws from a course(s) prior to the end of a term, a refund will be made according to the institution's refund withdrawal policy and eligibility units will be adjusted accordingly. Eligibility units will be assessed in proportion with the total dollars that are paid. If the recipient has had any portion of his/her tuition and fees paid, at least one eligibility unit will be charged to the recipient.

Example: A recipient is enrolled for twelve semester hours at a cost of $600. The recipient withdraws from enrollment and incurs expenses of $300 in accordance with the institution's tuition refund policy. The
ILLINOIS STUDENT ASSISTANCE COMMISSION

NOTICE OF ADOPTED AMENDMENTS

recipient would use six eligibility units and would receive $300 in benefits.

4) The eligibility units used for a noncredit course shall be the same as the number of eligibility units used for a credit course having the same number of faculty contact hours.

5) If, for any reason, the U.S. Department of Veteran Affairs (VA) terminates or suspends a veteran educational benefits program, assistance under this Part shall cease six months following this action. This does not include veterans who have begun receiving educational benefits under this Part. In the event that the VA resumes terminated or suspended educational benefits, all current rules will be enforced.

(Source: Amended at 30 Ill. Reg. 11646, effective July 1, 2006)

Section 2733.40 Institutional Procedures

a) If a student is eligible for both an IVG and a Monetary Award Program (MAP) grant, the IVG benefits must be used first. A student cannot decline IVG benefits in favor of using MAP.

b) A notice of eligibility from ISAC must be used by the institution to establish a qualified applicant's initial eligibility.

c) Institutions shall submit a payment request to ISAC. When submitting payment requests, the institution shall certify that the qualified applicant meets the requirements of Section 2733.20(d).

d) Institutions must report the total number of hours for which payment is being requested (including credit and noncredit hours) so that ISAC can accurately track the recipient's use of eligibility units.

e) The deadlines for submission of complete payment requests shall be September 15 for summer terms; January 15 for first term; and May 25 for second semester/second and third quarter. All claims, including supplemental claims, must be received by ISAC no later than July 1 submitted no later than August 1. This will provide sufficient time for processing and vouchering through the State Comptroller's Office in Springfield prior to the State's fiscal year lapse period ending on August 31.
The reimbursement to institutions for Illinois Veteran Grants is contingent upon available funding. Should General Assembly appropriations be insufficient to pay all claims, institutions will be reimbursed in accordance with this subsection:

1) summer term claims received by the deadline date designated in subsection (e) will be paid, or prorated if funding is insufficient to pay all claims in full;

2) if funds remain after summer term claims are paid, first semester and first quarter claims received by the designated deadline date will be paid, or prorated if funding is insufficient to pay all claims in full;

3) if funds remain after first semester and first quarter claims are paid, then second semester/second and third quarter claims received by the designated deadline date will be paid, or prorated if funds remaining are insufficient to pay all such claims in full;

4) if funds remain after second semester/second and third quarter claims are paid, claims received by ISAC after the designated deadline dates will be paid or prorated; and

5) timely claims for the difference between in-district/state and out-of-district/state tuition for recipients who do not qualify for chargebacks will be considered for payment at the same time, and in the same priority order, as all other timely claims, in accordance with the provisions of this subsection (f).

Section 2735.40 Institutional Procedures
ILLINOIS STUDENT ASSISTANCE COMMISSION

NOTICE OF ADOPTED AMENDMENT

a) MAP recipients must report to the institution all additional gift assistance that applies toward tuition and mandatory fees, such as tuition waivers and scholarships.

b) If a MAP recipient receives other assistance targeted specifically for tuition and fees, the combined assistance shall not exceed the total tuition and fee expenses incurred.

c) If an applicant is eligible for assistance under the Illinois National Guard (ING) Grant Program or the Illinois Veteran Grant (IVG) Program (23 Ill. Adm. Code 2730 and 2733), the applicant is not eligible for a full MAP grant because ING and IVG must be factored into the financial aid packaging prior to awarding MAP gift assistance. The institution may request payment of a partial MAP grant to finance fee expenses not covered by the above-referenced programs.

d) If an applicant is eligible to receive tuition or fee benefits through a prepaid or reimbursable tuition plan other than the Illinois Prepaid Tuition Program, College Illinois! (23 Ill. Adm. Code 2775), or through a payment to the institution of higher learning by the applicant's employer, the institution of higher learning shall request MAP payment in accordance with this subsection:

1) A prepaid tuition plan is any program which exempts a student from tuition charges because of a payment to the institution at a time prior to the student's enrollment. A reimbursable tuition plan is a program which reimburses a student for tuition costs after satisfactory completion of course work.

2) The institution of higher learning shall recalculate the applicant's MAP eligibility by decreasing the applicant's tuition and fee charges by the amount of benefits the applicant is eligible to receive from the sources in subsection (d)(1) of this Section. The institution of higher learning shall report the applicant's reduced grant award on the payment request.

e) The provisions of this Section shall not apply to benefits derived from the Baccalaureate Savings Act [110 ILCS 920] and 23 Ill. Adm. Code 2771.

f) Notwithstanding the provisions of other ISAC-administered programs, the total amount of a student's gift assistance may not exceed the cost of attendance used to calculate Title IV aid for that student. Any excess gift assistance is considered an overaward and the institution of higher learning is required to reduce the MAP

NOTICE OF ADOPTED AMENDMENT

award and/or other gift assistance to prevent such an overaward. For the purposes of this calculation, federal veterans benefits are not counted as gift assistance.

g) Institutions of higher learning shall submit payment requests to ISAC. By submitting a payment request, an institution is certifying that the qualified applicants meet the requirements of Section 2735.20, Applicant Eligibility.

h) For any institution of higher learning which has concurrent registration opportunities, the following policy pertains:

1) The recipient must indicate his/her institution of record on the MAP application.

2) The payment of the term award by ISAC will require the institution of record to receive MAP payment on behalf of any other institutions and the institution of record shall distribute the appropriate share of the award to the other institutions. Payment by ISAC will not be made to more than one institution.

3) The amount paid cannot exceed the maximum term award for students at the institution of record, or the tuition and mandatory fee costs at the institution of record if the costs are less than the maximum term award.

4) Concurrent registration is limited to ISAC-approved institutions of higher learning.

5) The recipient's academic records at the institution of record must document the total number of credit hours for which the student is enrolled.

i) If an Illinois institution operates an out-of-state center, residents of Illinois enrolled in classes at the out-of-state center may receive MAP benefits in accordance with Section 2735.30(u).

j) If an announced recipient's credit hour enrollment decreases, the institution shall only request payment up to the amount of actual tuition and mandatory fee expenses incurred.

k) Upon receipt of a payment request from the institution of record, ISAC remits MAP grant funds to the institution of record on behalf of the recipient. The
ILLINOIS STUDENT ASSISTANCE COMMISSION

NOTICE OF ADOPTED AMENDMENT

institution of record shall credit these funds to the recipient's account.

1) MAP grants are paid directly to the approved institution of record that certifies to ISAC that the applicant is an eligible recipient.

1) ISAC will annually establish priority claim dates for the submission of payment requests and inform schools of the required priority dates.

2) Late payment requests will result in delayed processing of payments. Payment requests are processed in the sequence of receipt by ISAC and as funds are available.

3) Institutions may submit their payment requests beginning ten days prior to the start of classes for the term for which they are requesting payment.

m) Institutional Processing of Payments

1) Within 30 days after and including the date of receiving payment of any MAP funds claimed or advanced pursuant to this Section, the institution shall credit the MAP funds against the recipients' tuition and mandatory fee charges for the appropriate term.

2) Institutions are required to reconcile payments received through MAP and, as applicable, submit all necessary corrections to student records on a timely basis. Any payments received by the institution that are determined in the reconciliation to be refunds payable to ISAC are to be processed and returned to ISAC no later than 60 days following the end of the academic term unless ISAC has already deducted outstanding refunds from institutional payment requests during the applicable fiscal year. Refunds may be caused by billing errors, retroactive withdrawals and other miscellaneous reasons. Refunds showing as owed to ISAC must be remitted within 30 days after the end of the institution's regular school year. Should the payment arrive after the end of the regular school year, the institution will have 60 days following receipt of payment to complete the reconciliation process and return any refunds due.

3) Award payments made in the name of one recipient cannot be applied to another recipient at the same institution. A refund of the payment made must be submitted to ISAC, and a supplemental request for payment must be processed for the proper recipient.
ILLINOIS STUDENT ASSISTANCE COMMISSION

NOTICE OF ADOPTED AMENDMENT

4) To provide sufficient time for processing and vouchering through the State Comptroller's Office in Springfield, all payment requests except for summer term must be received by ISAC no later than July 1. Summer term payment requests must be received no later than July 31, must be received by ISAC no later than August 1 due to the State's fiscal year lapse period ending August 31.

5) Payment requests received after August 1 for the prior academic year will be processed as time and available funds permit; however, final action may require institutions to go to the Illinois Court of Claims to obtain payment for approved claims. (See the Court of Claims Act [705 ILCS 505].)

Section 2736.10 Summary and Purpose
2736.20 Applicant Eligibility
2736.30 Program Procedures
2736.40 Institutional Procedures

AUTHORITY: Implementing Section 36 and authorized by Section 20(f) of the Higher Education Student Assistance Act [110 ILCS 947/36 and 20(f)].

Section 2736.40 Institutional Procedures

a) Claims for IIA-eligible students shall be submitted by the institution of record after the institution of record certifies to ISAC that the applicant meets the criteria listed in Section 2736.20, Applicant Eligibility.

b) IIA grants are paid directly to the institution of record in two disbursements consisting of payments in an amount not to exceed $500 each term.

c) Notwithstanding the provisions of other ISAC-administered programs, the total amount of a student's gift assistance may not exceed the cost of attendance used to calculate Title IV aid for that student. If a student is receiving both MAP and IIA and the gift assistance exceeds the cost of attendance, IIA should be used first and MAP should be reduced to prevent an overaward. For the purposes of this calculation, federal veterans benefits are not counted as gift assistance.

d) For institutions with concurrent registration opportunities:
ILLINOIS STUDENT ASSISTANCE COMMISSION

NOTICE OF ADOPTED AMENDMENT

1) the recipient must indicate his/her institution of record on the financial aid application;

2) the institution of record shall distribute the appropriate share of the award to the other institutions. Payment by ISAC will not be made to more than one institution;

3) concurrent registration is limited to ISAC-approved institutions of higher learning; and

4) the recipient's academic records at the institution of record must document the total number of credit hours for which the student is enrolled.

e) If a qualified applicant withdraws from enrollment after the expiration of the tuition refund/withdrawal adjustment period, the qualified applicant shall receive the IIA grant payment for that term.

f) Institutional Processing of Payments

1) Institutions may submit their payment requests beginning ten days prior to the start of classes for the term for which they are requesting payment.

2) To provide sufficient time for processing and vouchering through the State Comptroller's Office in Springfield, all payment requests must be received by ISAC no later than July 1 no later than August 1 following the academic year due to the State's fiscal year lapse period ending August 31.

3) Payment requests received after August 1 for the prior academic year will be processed as time and available funds permit. However, final action may require an institution to obtain payment for approved claims through the Illinois Court of Claims. (See the Court of Claims Act [705 ILCS 505].)

4) Within 30 days after receiving payment of any IIA funds, the institution shall credit the recipient's account for the appropriate term.

5) IIA award payments in the name of one recipient cannot be applied to another recipient at the same institution.
NOTICE OF ADOPTED AMENDMENT

6) Following receipt of IIA payments from ISAC for the term, an institution is required to reconcile its records. If the institution determines that refunds are due, they are to be processed and returned to ISAC no later than 60 days following the end of the academic term. Should the payment arrive after the end of the term, the institution will have 60 days following the receipt of payment to complete the reconciliation process and return any funds due.

7) If the institution does not submit refunds as required by this Section, ISAC will deduct outstanding refunds from subsequent institutional IIA payments.

increase the level of standardization in procedures, format and terminology throughout our programmatic rules in order to make them easier for our clients to use. ISAC adopts the following substantive amendments:

An amendment adopted in Section 2755.30(l)(1)(A) improves the data collected from secondary institutions used to identify an applicant's academic achievements, as required in Section 2755.10(a).

D) For applicants qualifying by virtue of their GED scores (see Section 2755.20(a)(4) of this Part), class rank shall be set at 5 out of 100 (top 5%) and average GED percentile rank shall be used in lieu of grade point average ÷ scale.

m) Scholarships will be awarded first to renewing applicants.

b) Upon receipt of scholarship funds, the institution(s) shall verify the recipient's enrollment status for the term for which the award was intended. If enrolled, the institution may credit scholarship funds to the recipient's account for expenses due and payable. If the recipient withdraws from enrollment prior to completing the academic year of study, the institution shall return the amount of the scholarship to ISAC for the semester(s) or quarter(s) not attended.

c) Refunds not submitted to ISAC will be deducted from payments for the subsequent academic year.

d) If a scholar does not meet the requirements for continuing eligibility within an award year, scholarship funds will be suspended until the scholar demonstrates that s/he meets the eligibility requirements. g) Out-of-state institutions that are eligible to participate in Title IV federal student financial aid programs need not execute a Program Participation Agreement with ISAC to receive funds on behalf of recipients.

We also are continuing efforts to increase the level of standardization in procedures, format and terminology throughout
our programmatic rules in order to make them easier for our clients to use. ISAC adopted the following substantive amendments:

Section 2763.30(i) is amended to incorporate a provision of Public Law 94-133, which provides recipients with an additional exception to the teaching requirement when they are concurrently fulfilling the requirement associated with other programs administered by ISAC.

A change to Section 2763.40(b) establishes a time frame for institutions to submit eligibility information on qualified applicants to ISAC. The previous lack of such a time frame caused difficulty in re-awarding non-appropriated funds and led to the loss of awards to other deserving students.

Driven by the State Comptroller’s lapse period deadline of August 31 for processing of payment vouchers, language is added to Section 2763.40(h) to incorporate a deadline by which postsecondary institutions must submit all payment requests to ISAC. Similar language already resides in ISAC’s administrative rules for the Monetary Award Program, the Silas Purnell Illinois Incentive for Access program, and the Illinois Veteran Grant program and is also adopted for other ISAC programs to bring about standardization in payment request processing.

However, preference may be given to qualified applicants enrolled at or above the junior level.

15) **Summary and Purpose of Rulemaking:** ISAC annually reviews its rules in order to respond to market changes and client suggestions, to implement State and federal statutory amendments, to codify improvements due to technological advances, and to
clarify issues that have arisen during the previous year. We also are continuing efforts to increase the level of standardization in procedures, format and terminology throughout our programmatic rules in order to make them easier for our clients to use. In addition to making minor technical changes in this Part, ISAC adopted the following substantive amendments:

Amendments to Section 2764.30(l) bring about statutory changes included in Public Law 94-133, which provide additional exceptions to the teaching requirement for recipients enrolled in postsecondary institutions and taking courses necessary to become teachers, or when they are concurrently fulfilling the requirement associated with other programs administered by ISAC.

A change to Section 2764.40(b) establish a time frame for institutions to submit eligibility information on qualified applicants to ISAC. The previous lack of such a time frame cause difficulty in re-awarding non-appropriated funds and led to the loss of awards to other deserving students.

Driven by the State Comptroller's lapse period deadline of August 31st for processing of payment vouchers, language is added to Section 2763.40(h) to incorporate a deadline by which postsecondary institutions must submit all payment requests to ISAC. Similar language already resides in ISAC's administrative rules for the Monetary Award Program, the Silas Purnell Illinois Incentive for Access program, and the Illinois Veteran Grant program and is also being adopted for other ISAC programs to bring about standardization in payment request processing.

A number of changes are adopted in this Part to incorporate statutory changes included in Public Law 94-133, which allow students who have graduated from high school prior to the academic year in which the award is made, and those who are Illinois residents and members of military families stationed out of state, to apply for the waiver. Specifically, Section 2765.20(a)(3) is amended to remove the requirement that an applicant graduate from an Illinois approved high school. Amendments to Section 2765.30(c) expand the applicant pool to include any high school graduate and to equitably divide the available waivers between this group and the applicants who recently graduated from high school. In addition, Section 2765.30(j) is amended to incorporate the provision of Public Law 94-133 that provides recipients with an additional exception to the teaching requirement when they are concurrently fulfilling the requirement associated with other programs administered by ISAC.

6) is fulfilling teaching requirements associated with other programs administered by ISAC if he or she cannot concurrently fulfill them in a period of time equal to the length of the teaching obligation.

k) A recipient may be granted a leave of absence by the president of the institution, or his/her designee, for the following reasons:

2) illness of the recipient or a member of the recipient's immediate family, as established by the sworn statement of a licensed physician; or

3) military service.

l) A recipient must complete his or her course of study within six years including leaves of absence. A recipient must remain enrolled on a continuous basis during the regular school year for four years, unless granted a leave of absence. However, a leave of absence granted for military service shall not be considered part of the six years within which a recipient must complete a degree.

m) A recipient shall enter repayment status on the earliest of the following dates:

1) the first day of the first calendar month after the recipient has ceased to pursue a course of study leading to initial certification as a teacher in Special Education, but not until six months have elapsed after the cessation of at least half-time enrollment in such a course of study;

2) the date the recipient informs ISAC that he or she does not plan to fulfill the teaching obligation; or

3) the latest date upon which the recipient must have begun teaching in order to complete the teaching obligation within five years after completing the postsecondary education for which the waiver was awarded.
n) If a recipient is required to repay any portion of the tuition waiver, the repayment period shall be completed within five years after the tuition waiver converts to a loan. The five-year period may be extended if the recipient:

5) withdraws from a course of study leading to a teacher certification in Special Education but remains enrolled on at least a half-time basis in another academic discipline.

o) During the time a recipient qualifies for any of the extensions listed in subsection (n) of this Section, he or she shall not be required to make payments and interest shall not continue to accrue.

p) A recipient shall not be required to pay the amount of the tuition and fees waived if he or she becomes permanently totally disabled, as established by the sworn affidavit of a licensed physician (see, e.g., 34 CFR 653.42(k)(1)); or if his or her representative provides ISAC with a death certificate or other evidence that the recipient has died.

q) A recipient must be enrolled in a special education program within ten days after the beginning of the term for which the tuition waiver was initially awarded. Section 2768.15 Definition

"Area of identified staff shortage" – A public school district in which the number of teachers is insufficient to meet student or school district demand or a subject area for which the number of teachers who are qualified to teach that subject area is insufficient to meet student or school district demand, as determined by the State Board of Education.

A qualified applicant shall be:

1) a United States citizen or an eligible noncitizen;

2) a resident of Illinois;

3) a high school graduate or a person who has received a General Education Development (GED) Certificate, or a student scheduled to graduate from high school by the end of the secondary school year in which the award is made;

4) attending, or planning to attend, Chicago State University, Eastern Illinois University, Governors State University, Illinois State University, Northeastern Illinois University, Northern Illinois University, Southern Illinois University (Edwardsville), Southern Illinois University (Carbondale), University of Illinois (Chicago), University of Illinois (Springfield), University of Illinois (Urbana) or Western Illinois University;

Section 2768.30 Program Procedures

a) A complete ISAC application for the Teach Illinois Scholarship program must be postmarked on or before March 1 immediately preceding the academic year for
ILINOIS STUDENT ASSISTANCE COMMISSION

NOTICE OF ADOPTED RULES

which the scholarship is being requested, in order to receive priority consideration for an award.

1) ISAC applications are available from the institutions listed in Section 2768.20(a)(4), ISAC’s Web site, Illinois State legislative offices, Illinois Congressional offices, and ISAC’s Springfield, Deerfield and Chicago offices.

2) ISAC will make renewal applications available to all qualified students who were awarded assistance under this Part during the preceding academic year.

3) If the student section of the application is incomplete, ISAC will notify the applicant. The applicant will then have an opportunity to furnish the missing information; however, the application will be considered for processing as of the date when the application is complete and received at ISAC's Deerfield office.

b) ISAC shall select recipients on a first-come, first-served basis from among qualified applicants who filed timely applications. Recipients of assistance under this Part during the previous academic year shall receive priority consideration, provided the student has submitted an application on a timely basis.

c) The Teach Illinois Scholarship award is applicable only toward tuition and non-revenue bond fees for courses in a teacher education program that prepares the recipient to teach in an area of identified staff shortage, as defined in Section 2768.15.

d) The total number of scholarships awarded in a given fiscal year is contingent upon available funding.

e) Notice of eligibility shall be sent by ISAC to each qualified applicant who is selected to receive a Teach Illinois Scholarship. A notice will be sent by ISAC to each qualified applicant who is not selected to receive a Teach Illinois Scholarship.

f) Prior to receiving scholarship assistance for any academic year, the qualified applicant must sign a Teaching Agreement/Promissory Note that is submitted to ISAC. The Teaching Agreement/Promissory Note shall include the following stipulations:
1) the recipient pledges to teach, on a full-time basis, for a period of not less than five years at an Illinois elementary or secondary school in an area of identified staff shortage, as defined in Section 2768.15;

2) the recipient shall begin teaching within one year following completion of the postsecondary education degree program for which the scholarship was awarded, and shall teach on a continuous basis for the required period of time;

3) if the teaching requirement is not fulfilled, the scholarship converts to a loan and the recipient must repay the entire amount of the scholarship, plus interest at a rate equal to five percent, and, if applicable, reasonable collection fees;

4) the recipient agrees to provide ISAC with evidence of compliance with program requirements (e.g., responses to annual follow-up questionnaires, etc.); and

5) the recipient promises to use the proceeds of the scholarship for courses in a teacher education program that prepares the recipient to teach in an area of identified staff shortage, as defined in Section 2768.15.

g) ISAC, in cooperation with the Illinois State Board of Education, will assist recipients in finding employment as a full-time teacher in areas of identified staff shortage, as defined in Section 2768.15.

h) A recipient of a scholarship awarded under this Part shall not be in violation of the agreement entered into pursuant to subsection (f) during any period in which the recipient:

1) serves, for not more than three years, as a member of the United States Armed Forces;

2) is enrolled full-time in a graduate course of study related to the field of teaching at an institution of higher learning;

5) is fulfilling teaching requirements associated with other programs administrated by ISAC, if he/she cannot concurrently fulfill them in a period of time equal to the length of the teaching obligation.

i) If a recipient is required to repay the scholarship, the repayment period shall be completed within ten years after the scholarship converts to a loan. This ten-year period may be extended if the recipient:

1) serves, for not more than three years, as a member of the United States Armed Forces;

2) is temporarily disabled, for not more than three years, as established by the sworn affidavit of a licensed physician;

3) is pursuing a graduate course of study and is enrolled on a full-time basis for one continuous period of time not to exceed three years; or

j) During the time a recipient qualifies for any of the extensions listed in subsection (i), he or she shall not be required to make payments and interest shall not accrue.

k) A recipient shall enter repayment status on the earliest of the following dates:

2) the date the recipient informs ISAC that he or she does not plan to fulfill the teaching obligation; or
3) the day after the latest date upon which the recipient must have begun teaching after completing the postsecondary education for which the scholarship was awarded.

l) A recipient shall not be required to repay the amount of the scholarships received if he or she becomes permanently totally disabled, as established by the sworn affidavit of a licensed physician (see, e.g., 34 CFR 653.42(k)(1)), or if his or her representative provides ISAC with a death certificate or other evidence that the recipient is deceased.

m) The recipient may be eligible for loan forgiveness of the proceeds received under this Part if he or she is unable to find full-time employment as a teacher at a school that satisfies the criteria set forth in subsection (f)(1) of this Section based on the financial conditions within the qualified school districts. To qualify for loan forgiveness, the recipient must have first exhausted the extensions options provided in subsections (h)(4) and (5) of this Section.

Section 2768.40 Institutional Procedures

a) The institution shall submit eligibility information for qualified applicants in sufficient time for ISAC to make award announcements.

b) The institution shall submit a certification of eligibility for qualified applicants with its request for payment within the timeframe requested by ISAC, which shall be no sooner than 30 days unless a more rapid response is necessary to expend appropriated funds prior to the end of the academic year. To provide sufficient time for processing and vouchering through the State Comptroller's Office in Springfield, all payment requests must be received by ISAC no later than July 1.

c) ISAC shall disburse scholarship funds in two or three installments, depending on the number of courses financed by the scholarship, except that multiple disbursements shall not be required in cases where the applicant's eligibility is not determined until the final term of the academic year for which the scholarship is being awarded or when a student is attending only one term and the maximum award does not exceed the student's cost of attendance.

d) Funds shall be remitted by ISAC to institutions on behalf of the recipients.

e) Upon receipt of scholarship funds, the institution shall verify the recipient's enrollment status for the term for which the award was intended. If enrolled, the
ILLINOIS STUDENT ASSISTANCE COMMISSION

Section 2770.30 Program Procedures
Section 2770.40 Institutional Procedures

AUTHORITY:  Implementing Section 65 and authorized by Section 20(f) of the Higher Education Student Assistance Act [110 ILCS 947/65 and 20(f)].

Section 2770.30 Program Procedures

a) An eligible program is an organized, need-based monetary award (gift assistance) program for undergraduate students at an Illinois college or public university. The funds for those programs must be derived from voluntary contributions raised by students from students of that college or university according to a plan developed and approved by the students and consistent with college or university policies.

b) Voluntary contributions can be obtained from graduate students; the assistance program, however, can aid only undergraduates. A portion of the total contribution can be used to aid graduate students. Funds set aside for graduate students will not be matched by ISAC.

c) Students shall approve the plan for raising voluntary contributions by a majority of those voting in a campus-wide referendum.
d) The contributions, to be eligible for matching funds, must be voluntary and optional (as contrasted to a nonrefundable fee or charge). Only those voluntary contributions made by enrolled students of the college or university are eligible for matching. If any fund-raising activity yields contributions from other individuals or organizations, the voluntary contributions by enrolled students must be clearly identifiable.

e) Particular care must be employed in implementing contribution plans that generate contributions from nonstudents. The law leaves no latitude in this regard. Special cash receipt systems must be used to make certain that student contributions are clearly identifiable.

f) No eligible contribution can exceed $12 per academic year.

g) The $1,000 annual limit on an STS award shall be applicable to all terms, including the summer term.

h) STS funds can be used for undergraduates who are otherwise eligible for an ISAC Monetary Award Program grant but have completed their 10 semesters or 15 quarters of eligibility pursuant to 23 Ill. Adm. Code 2735.30(m).

(Source: Amended at 30 Ill. Reg. 11723, effective July 1, 2006)

Section 2770.40 Institutional Procedures

a) Each institution desiring to participate in this program shall inform ISAC, in writing, by August 15 preceding each award year.

b) A claim for matching funds may be submitted to ISAC by dates specified in subsection (d) of this Section. The initial claim shall include:

1) the amount of the claim;

2) how general student approval was obtained;

3) how funds were collected;

4) the steps employed to ensure that student contributions were voluntary; and
5) documentation that the claim includes only voluntary contributions by enrolled students.

c) A supplementary claim can be filed after a filing date for the purpose of adjusting a regular claim filed earlier.

d) Institutions shall submit a payment request to ISAC based on eligible match amounts. The deadlines for submission of complete payment requests shall be October 15 for summer terms; February 15 for first semester/quarter; April 15 for second quarter; and June 15 for second semester/third quarter. All claims, including supplemental claims, must be received by ISAC no later than July 1. This will provide sufficient time for processing and vouchering through the State Comptroller's Office in Springfield prior to the State's fiscal year lapse period ending August 31. STS matching funds are paid by ISAC directly to the institution.

e) The reimbursement to institutions for Student to Student matching funds is contingent upon available funding. Should General Assembly appropriations be insufficient to pay all claims in full, claims will be prorated. Claims will be considered for payment in the following order:

1) summer term claims received by October 15;

2) first semester and first quarter claims received by February 15;

3) second quarter claims received by April 15; and

4) second semester and third quarter claims received by June 15.

f) Each participating college or university shall submit to ISAC an annual report, no later than August 15 following the award year, of the activities, operations and results of its STS grant program. ISAC shall forward a copy of such report to the Illinois Board of Higher Education.

g) Matching funds must be expended by the end of the academic year following the year in which the funds are requested.

Section 7110.90   Illinois Workers' Compensation Commission Medical Fee Schedule

a) In accordance with Sections 8(a), 8.2 and 16 of the Workers' Compensation Act [820 ILCS 305/8(a), 8.2 and 16] (the Act), the Illinois Workers' Compensation Commission Medical Fee Schedule, including payment rates, instructions, guidelines, and payment guides and policies regarding application of the schedule, is adopted as a fee schedule to be used in setting the maximum allowable payment for a medical procedure, treatment or service covered under the Act. The fee schedule is published on the Internet at no charge to the user via a link from the Commission's website at www.iwcc.il.gov. The fee schedule may be examined at any of the offices of the Illinois Workers' Compensation Commission.

b) The payment rates for procedures, services or treatments in the fee schedule were established in accordance with Section 8.2 of the Act by determining 90% of the 80th percentile of charges utilizing health care provider and hospital charges from August 1, 2002 through August 1, 2004. The charges were adjusted by the Consumer Price Index-U for the period August 1, 2004 through September 30, 2005. The payment rates in the fee schedule are designated by geozip (geographic area in which all zip codes have the same first 3 digits).

c) The fee schedule applies to any medical procedure, treatment or service covered by the Act and rendered on or after February 1, 2006, regardless of the date of injury.
d) Under the fee schedule, the employer pays the lesser of the rate set forth in the schedule or the provider's actual charge. If an employer or insurance carrier contracts with a provider for the purpose of providing services under the Act, the rate negotiated in the contract shall prevail.

e) Whenever the fee schedule does not set a specific fee for a procedure, treatment or service in the schedule, the amount of reimbursement shall be at 76% of actual charge, except where this Section provides that revenue codes (codes that identify a specific accommodation or ancillary charge on a UB-92/CMS 1450 uniform billing form used by hospitals) are to be deducted from the charge and reimbursed at 65% of charge billed at the provider's normal rates under its standard chargemaster. A standard chargemaster is the provider's list of charges for procedures, services and supplies used to bill payers in a consistent manner.

f) Reimbursement under the fee schedule for a procedure, treatment or service, as designated by the geozip where the treatment occurred, shall be based on the place of service.

g) Out-of-State Treatment

1) If the procedure, treatment or service is rendered outside the State of Illinois, the amount of reimbursement shall be the greater of 76% of actual charge or the amount set forth in a workers' compensation medical fee schedule adopted by the state in which the procedure, treatment or service is rendered, if such a schedule has been adopted. Charges for a procedure, treatment or service outside the State shall be subject to the instructions, guidelines, and payment guides and policies in this fee schedule.

2) Where the charges are for facility fees (ambulatory surgical treatment center, hospital inpatient (standard and trauma), and hospital outpatient services), the following revenue codes are pass-through charges to be deducted from the charge and reimbursed at 65% of actual charge: 0274 (prosthetics/orthotics); 0275 (pacemaker); 0276 (lens implant); 0278 (implants); 0540 and 0545 (ambulance); 0624 (investigational devices); and 0636 (drugs requiring detailed coding). Charges billed under these revenue codes shall be billed at the provider's normal rates under its standard chargemaster.

h) The fee schedule includes the following service categories:
NOTICE OF ADOPTED AMENDMENTS

1) Ambulatory Surgical Treatment Center (ASTC)

   A) This schedule applies to licensed ambulatory surgical treatment centers as defined by the Illinois Department of Public Health (77 Ill. Adm. Code 205.110).

   B) All procedures, treatments and services subject to this schedule are reimbursed at 76% of actual charge, except as provided in subsection (h)(1)(C).

   C) The following revenue codes are pass-through charges to be deducted from the charge and reimbursed at 65% of actual charge: 0274 (prosthetics/orthotics); 0275 (pacemaker); 0276 (lens implant); 0278 (implants); 0540 and 0545 (ambulance); 0624 (investigational devices); and 0636 (drugs requiring detailed coding). Charges billed under these revenue codes shall be billed at the provider's normal rates under its standard chargemaster.

   D) ASTC facility charges, and professional services performed in an ASTC billed by an ASTC using the ASTC's tax identification number, shall be subject to the ASTC schedule and are not subject to the HCPCS Level II schedule in subsection (h)(5) or the professional services schedule in subsection (h)(8). Health care professionals who perform services in an ASTC and bill for services using their own tax identification number on a separate claim form shall be subject to the HCPCS Level II schedule in subsection (h)(5) or the professional services schedule in subsection (h)(8) and are not covered under the ASTC schedule.

2) Anesthesia

   B) This schedule was established utilizing health care provider charges from August 1, 2002 through August 1, 2004 from which a
conversion factor was established. The maximum fee schedule reimbursement amount is determined by multiplying the conversion factor set forth in the schedule by the sum of all units according to guidelines set forth in the Relative Value Guide as follows:

i)  Base Value + Time Units + Modifying Units = Total Units
Total Units x Conversion Factor = Total Fee

ii) Physical status modifying units may be added to the basic value and time units and, in addition, units may be added for qualifying circumstances (extraordinary circumstances) in accordance with the Relative Value Guide.

C) Special coding situations, such as those involving multiple procedures, additional procedures, unusual monitoring, prolonged physician services, postoperative pain management, monitored (stand-by) anesthesia, invasive anesthesia and chronic pain management services, require application of the fee schedule in a manner consistent with the Relative Value Guide.

D) Anesthesia time begins when an anesthesiologist or certified registered nurse anesthetist (CRNA) physically starts to prepare the patient for the induction of anesthesia in the operating room (or its equivalent) and ends when the anesthesiologist is no longer in constant attendance (when the patient is safely put under postoperative supervision).

3) Dental
All procedures, treatments and services are reimbursed at 76% of actual charge unless services are billed under the HCPCS Level II schedule in subsection (h)(5) or professional fee schedule in subsection (h)(8).

4) Emergency Room Facility

NOTICE OF ADOPTED AMENDMENTS

i) operates as an emergency room or emergency department, whether situated on or off the main hospital campus; and

B) All procedures, treatments and services subject to this schedule are reimbursed at 76% of actual charge.

C) Emergency room facility charges, and professional services delivered in an emergency room facility billed by the facility using the facility's tax identification number, shall be subject to the emergency room facility schedule and are not subject to the HCPCS Level II schedule in subsection (h)(5) or the professional services schedule in subsection (h)(8). 5) HCPCS (Healthcare Common Procedure Coding System) Level II
The use of this schedule is in accordance with the HCPCS Level II, U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services, 7500 Security Boulevard, Baltimore, Maryland 21244, 2006, no later dates or editions. Level II of the HCPCS is a standardized coding system used to identify products and services not included in the Current Procedural Terminology codes.

6) Hospital Inpatient: Standard and Trauma
A) The use of these schedules is in accordance with the Diagnosis-Related Group (DRG) classification system established by the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services, 42 CFR 405 (2005), no later dates or editions. NOTICE OF ADOPTED AMENDMENTS

patients into homogeneous classifications that demonstrate similar length-of-stay patterns and use of hospital resources. The DRG determines the maximum amount of payment for an inpatient hospital stay, except as provided in subsections (h)(6)(E) and (h)(6)(F).

B) Inpatient care shall be defined as when a patient is admitted to a hospital where services include, but are not limited to, bed and board, nursing services, diagnostic or therapeutic services, and medical or surgical services.

C) Inpatient hospital bills are subject to the hospital inpatient standard schedule. If the maximum amount of payment for an inpatient hospital stay is 76% of actual charge, the DRG charge is determined after the pass-through charges are removed. Charges billed under these revenue codes shall be billed at the provider's normal rates under its standard chargemaster.

F) In the case of cost outliers (extraordinary treatment in which the bill for an inpatient stay is equal to or above two times the fee schedule amount for the assigned DRG after pass-through revenue
code charges referred to in subsection (h)(6)(E) have been deducted, the maximum reimbursement amount will be the assigned DRG fee schedule amount plus 76% of the charges that exceed that DRG amount. The pass-through revenue code charges are reimbursed at 65% of actual charge and shall be billed at the provider's normal rates under its standard chargemaster.

7) Hospital Outpatient

A) All procedures, treatments and services subject to this schedule are reimbursed at 76% of actual charge, except as provided in subsection (h)(7)(B).

B) When hospital outpatient services involve ambulatory surgical procedures, the following revenue codes are pass-through charges to be deducted from the charge and reimbursed at 65% of actual charge: 0274 (prosthetics/orthotics); 0275 (pacemaker); 0276 (lens implant); 0278 (implants); 0540 and 0545 (ambulance); 0624 (investigational devices); and 0636 (drugs requiring detailed coding). Charges billed under these revenue codes shall be billed at the provider's normal rates under its standard chargemaster.

C) Hospital outpatient facility charges, and professional services performed in a hospital outpatient facility billed by the facility using the facility's tax identification number, shall be subject to the hospital outpatient schedule and are not subject to the HCPCS Level II schedule in subsection (h)(5) or the professional services schedule in subsection (h)(8). Health care professionals who perform services in a hospital outpatient facility and bill for services using their own tax identification number on a separate claim form shall be subject to the HCPCS Level II schedule in subsection (h)(5) or the professional services schedule in subsection (h)(8) and are not covered under the hospital outpatient schedule.

i) The fee schedule requires that services be reported with the HCPCS Level II or Current Procedural Terminology codes that most comprehensively describe the services performed. Proprietary bundling edits more restrictive than the National
Correct Coding Policy Manual in Comprehensive Code Sequence for Part B Medicare Carriers, Version 12.0, U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services, 7500 Security Boulevard, Baltimore, Maryland 21244, 2006, no later dates or editions, are prohibited. Bundling edits is the process of reporting codes so that they most comprehensively describe the services performed.

j) An allied health care professional, such as a certified registered nurse anesthetist (CRNA), physician assistant (PA) or nurse practitioner (NP), is to be reimbursed at the same rate as other health care professionals when the allied health care professional is performing, coding and billing for the same services as other health care professionals.

k) Charges of an independently operated diagnostic testing facility shall be subject to the professional services and HCPCS Level II fee schedules where applicable. The change shall be effective January 1 of the following year. The Consumer Price Index-U means the index published by the Bureau of Labor Statistics of the U.S. Department of Labor that measures the average change in prices of all goods and services purchased by all urban consumers, U.S. city average, all items, 1982-84=100. 8) **A copy of the adopted rules, including any material incorporated by reference, is on file in the agency's principal office and is available for public inspection.**

9) **Reason for Emergency:** These rules are being presented on an emergency basis because of the clear desirability of selecting the participating entities for this program as quickly as possible. Awaiting the conclusion of the regular rulemaking process would not permit the establishment of programs until the mid-point of the school year. We believe this would be contrary to the intent of the General Assembly in making the appropriation for this new program.

10) **A Complete Description of the Subjects and Issues Involved:** This rulemaking responds to a line item appropriation received by ISBE in the FY 07 budget for the "Beginning Teacher Induction Pilot Program". This is a new initiative authorized under Article 21A of the School Code, which was enacted in 2003 to provide for statewide induction and mentoring programs but also permits competitive grant programs in any year when the appropriation is not sufficient for that purpose. This is the first appropriation received under Article 21A.

STATE BOARD OF EDUCATION

NOTICE OF EMERGENCY RULES

The purpose of the pilot program is to support and study induction program models that provide for intensive interaction between new teachers and the mentors with whom they are paired. Significant amounts of time are to be set aside for their work together, and structured opportunities for ongoing assessment, feedback, and professional development are involved. The rules establish requirements for the size of the group to be served, the minimum amount of time to be spent, and an individual induction plan for each of the beginning teachers. The remaining provisions are typical for competitive grant programs, consisting of the application procedure, review criteria, and basis for allocation of funds.

11) Are there any proposed amendments to this Part pending? No

12) Statement of Statewide Policy Objective: This rulemaking will not create or enlarge a State mandate.

STATE BOARD OF EDUCATION
NOTICE OF EMERGENCY RULES

EMERGENCY

This Subpart A establishes the fundamental requirements that shall apply to each program of induction for new teachers for which approval or grant funds pursuant to Article 21A of the School Code [105 ILCS 5/Art. 21A] are sought.

Section 65.20 Requirements of the Plan; Program Specifications

a) When State funding is available for any initiative under Article 21A of the School Code, the State Superintendent of Education shall issue a Request for Proposals (RFP) (or, in the case of noncompetitive funding, other application materials) in order to solicit applications from eligible entities. As used in this Part, a "proposal" or "application" means relevant portions of a plan for an induction and mentoring program that meets the requirements of Section 21A-20 of the School Code [105 ILCS 5/21A-20], accompanied by the additional materials applicants will be required to submit, as described in the relevant Subpart of this Part.

b) Each plan shall conform to the requirements of Section 21A-20 of the School Code. In order to demonstrate the alignment required by Section 21A-20(2) of the School Code, each plan shall discuss the relationship among the services and experiences that will be available to new teachers, the content-area standards applicable to their respective fields of certification or assignment (see 23 Ill. Adm. Code 26 and 27), the Illinois Professional Teaching Standards (see 23 Ill. Adm. Code 24), and the employing entity's existing plans for school improvement and professional development.

SUBPART B: BEGINNING TEACHER INDUCTION PILOT PROGRAM

Section 65.110 Purpose and Applicability

This Subpart B establishes the application procedure and criteria for selection by the State Board of Education of the applicants that will receive grant funds under the Beginning Teacher Induction Pilot Program as authorized by Section 21A-25 of the School Code [105 ILCS 5/21A-25]. The purposes of the Pilot Program shall be to provide support for programs of intensive support and mentoring for new teachers as specified in Section 65.130 of this Part and to gather information that will permit evaluation of the effects of these programs.

Section 65.120 Eligible Applicants

EMERGENCY
Eligible applicants for grant funding under this Subpart B shall be the entities identified in Section 21A-5 of the School Code [105 ILCS 5/21A-5], as well as public university laboratory schools approved by the State Board of Education pursuant to Section 18-8.05(K) of the School Code [105 ILCS 5/18-8.05(K)] (see Section 2-3.109a of the School Code [105 ILCS 5/2-3.109a]). An eligible applicant may also be a partnership among multiple such entities or among one or more such entities and one or more institutions of higher education, professional associations, regional offices of education, or not-for-profit providers of educational services. No application shall be considered unless it includes a written statement by the authorized representative of the collective bargaining unit, if any, concurring with its submission.

Section 65.130 Program Specifications

EMERGENCY

a) Each program supported with grant funds under this Subpart B shall incorporate:

1) mentoring for new teachers that is provided by experienced teachers who have received training to equip them for this role;

2) professional development for recipient teachers, mentors, and administrators who have roles in the program; and

3) formative assessment of new teachers' practice with respect to the Illinois Professional Teaching Standards and the content-area standards relevant to their respective fields of assignment.

b) Each program shall serve no fewer than 10 new teachers. Each program shall serve no more than 75 new teachers, unless a specific rationale is provided that demonstrates how each new teacher will receive comparable and adequate attention and support.

c) Each new teacher shall, at the time he or she begins the program, be in his or her first year of teaching. Each shall hold an initial certificate, except that a provisional or alternative certificate that is not also titled an "initial" certificate shall be treated as an initial certificate if the holder will qualify for an initial certificate rather than a standard certificate upon completion of all applicable requirements.

d) Each program shall be designed to ensure that each new teacher spends no less than 1.5 hours per week in contact with the mentor assigned, either one on one or
in another configuration, including both classroom observation of the new teacher by the mentor and other interactions between these individuals.

e) Each program shall provide for the development of an individual induction plan for each new teacher served and for the provision of professional development that is directly related to the needs identified in the individual plan.

Section 65.140 Application Procedure

EMERGENCY

For purposes of this Subpart, the terms "proposal" and "application" shall have the same meaning.

a) When State funding is available for grants under this Subpart, the State Superintendent of Education shall issue a Request for Proposals (RFP) in order to solicit applications from eligible entities.

b) The RFP shall describe the format that applicants will be required to follow and the information they will be required to submit, including a description of the proposed program, identification of the specific schools in which the pilot program will be conducted, and the number of new teachers and mentors involved.

c) The RFP shall indicate the amount or expected amount of the appropriation for the program and shall describe the allowable expenditures and the basis for awarding grants. If matching funds or resources will be required of applicants, the RFP shall describe these requirements.

d) The RFP shall include a budget summary and payment schedule as well as a narrative budget breakdown, i.e., a detailed explanation of each line item of expenditure.

e) The RFP shall identify the data recipients will be required to collect and report regarding the activities conducted with grant funds and the results of those activities, as well as the timelines for reporting.

f) The RFP shall include such certifications and assurances as the State Superintendent may require.

g) The RFP shall specify the deadline for submission of proposals, which shall provide potential applicants with at least 30 days to respond.
h) Separate applications shall be required for renewal of grant funding. Each application for renewal shall include at least:

1) a description of expenditures and activities during the year just concluded, demonstrating that the project has been implemented in conformance with the approved grant agreement and that the recipient continues to exhibit need for grant funds for this purpose; and

2) an updated budget summary and payment schedule for the renewal year, including a narrative budget breakdown.

i) Incomplete proposals shall not be considered.

Section 65.150 Criteria for the Review of Initial Applications

Applications for initial funding shall be evaluated in accordance with the criteria set forth in this Section. When considering substantially equal proposals, the State Superintendent of Education shall give preference to programs that will take place in hard-to-staff schools, i.e., Illinois public schools that rank in the upper third among public schools of their type (e.g., elementary, middle, secondary) in terms of the rate of attrition among teachers.

a) Program Design (45 points)

1) The proposal identifies specific practices and policies such as reduced course load for mentors, release time, and access to resources that will permit the participants in the program to devote the necessary time to induction and mentoring.

2) The proposal describes plans for timely orientation of the new teachers to the induction program and for a formal network of the novice colleagues that will provide them with ongoing learning opportunities and support.

3) The proposal clearly articulates methods for collecting evidence related to the new teachers' practice and describes how that information will be used in planning for professional development and other support for the new teachers.

4) The proposal includes specific plans for incorporating issues of pedagogy, classroom management, and content knowledge into professional
development for the new teachers and for ensuring alignment of this material with the Illinois Professional Teaching Standards, the participants' specific identified needs, and local instructional priorities.

5) The proposal presents coherent allocation and scheduling of the participants' time and is cost-effective in light of the level of resources requested and the number of new teachers to be served.

b) Mentor Recruitment and Support (25 points)

1) The proposal describes a comprehensive strategy for recruiting experienced teachers who are suited to the role of mentors, including:

A) the involvement of parties with an interest in teacher quality and retention;

B) thorough outreach and communication regarding the availability of positions for mentors;

C) clear criteria for the skills and experience sought; and

D) consideration of multiple sources of information in identifying the candidates to be selected.

2) The proposal provides for formal orientation of the mentors selected, for fundamental training of these individuals at the beginning of the program, and for professional development during the course of the program that is designed to strengthen their ability to employ mentoring tools, protocols, and formative assessment in response to the needs of beginning teachers.

3) The proposal describes a systematic approach to establishing a "community of mentoring practice" that will enable the participating mentors to share experiences and strategies and support each other's work within the induction program.

c) Evaluation Design (20 points)

1) The proposal identifies information to be collected and reported on the performance and retention of new teachers that will add to an understanding of the effects of more intensive induction programs as compared to the results of more typical models.
2) The proposal suggests how the effects of particular initiatives or components of the program will be measured.

3) The applicant proposes a method for tracking the continued service of the teachers served after the project ends so that longitudinal data can be compiled.

d) Leadership and Direction (10 points)

1) The proposal demonstrates that the individuals who will direct or coordinate the induction program have experience in this endeavor or a commitment to it, as evidenced by their history of involvement or professional development.

2) The management structure described is appropriate to the scope and complexity of the program, the specific responsibilities of the on-site administrator are evident, and the roles and contributions of collaborating entities, if any, are clearly delineated.

3) The proposal includes strategies that will be used in providing oversight for the program to permit ongoing analysis of its effectiveness, necessary programmatic modifications, integration of various relevant professional development plans, and communication structures that respect the need for confidentiality when applicable.

Section 65.160 Allocation of Funds

EMERGENCY

a) The State Superintendent of Education shall approve initial applications for funding and make final determinations regarding the amounts to be provided based upon the total funds appropriated for this initiative, the amounts necessary to fund the top-ranked proposals, and the need to distribute the benefits of innovative induction models on a statewide basis.

b) It is the intention of the State Board of Education to approve funding for projects under this Part for a three-year period. Funding for the second and third years shall be contingent upon the availability of funds for the program and evidence presented in renewal proposals that the projects have been implemented in accordance with the approved grant agreements and that the recipients continue to need additional State resources in order to implement their pilot programs.

7) **Date Filed with the Index Department:** June 26, 2006

8) **A copy of the emergency amendments, including any material incorporated by reference, is on file in the agency's principal office and is available for public inspection.**

9) **Reason for Emergency:** The General Assembly on May 4, 2006, passed SB 1497, as amended, which establishes the Preschool for All Children program and sets forth the prioritization requirements for funding for two years (i.e., school years 2006-07 and 2007-08). SB 1497 was sent to the Governor for signature on June 2, 2006. Although the Governor supported the legislation and is expected to sign the bill, the awarding of grants under these rules is contingent upon the bill being enacted.

The rules are being presented as emergency rules, since the public interest is best served by providing FY 2007 funding to qualifying programs as soon as possible but before the start of the 2006-2007 school year. Without emergency rules, the soonest the agency would be able to issue an RFP would be November. Allowing for a 45-day response time for applicants to submit proposals, it is unlikely that grants could be awarded before January 1, 2007.
Early Childhood staff released a Request for Proposals (RFP) on May 26, 2006, and the requirements of the RFP are the same as those set forth in the emergency rules.

SB 1497 proposes amendments to Section 2-3.71 of the School Code to encourage participation in the Preschool for All Children program of any family who wishes to enroll its child and to provide authorization to the State Board of Education to make decisions about which programs are to be funded in accordance with the following criteria.

- First priority in awarding grants must be given to applicants that propose to serve primarily children who have been identified as being at risk of academic failure. At-risk children are those who, because of their home and community environment, are subject to such language, cultural, economic and like disadvantages that they have been determined, as a result of screening procedures, to be at risk of academic failure.
- Second priority in awarding grants must be given to applicants proposing to serve primarily children whose family’s income is less than four times the poverty guidelines updated periodically in the Federal Register by the U.S. Department of Health and Human Services (HHS) under the authority of 42 U.S.C. 9902(2). These limits reflect annual incomes that range from a low of $52,800 for a family of two to a high of $134,400 for a family of eight (with an additional $13,600 for each family member exceeding eight).

Since the law does not define the term “primarily” nor set forth other criteria for the agency’s making funding determinations, it is proposed that the rules governing the Early Childhood Block Grant (Part 235) be amended to add a new subpart specific to the Preschool for All Children program.

The Early Childhood Block Grant program shall include:

1) preschool education for at-risk children ages 3 years old to kindergarten enrollment age as defined in Section 10-20.12 of the School Code [105 ILCS 5/10-20.12], to include those programs and activities that meet the requirements of Section 2-3.71(a) of the School Code [105 ILCS 5/2-3.71(a)] and parental training activities as authorized under Section 2-3.71a of the School Code [105 ILCS 5/2-3.71a]; and

2) prevention initiative for at-risk children from birth to age 3 and their families, to include those programs and activities that meet the requirements of Section 2-3.89 of the School Code [105 ILCS 5/2-3.89] and parental training activities as authorized under Section 2-3.71a of the School Code.

3) For the purposes of this Part, "at risk" is defined as those children who because of their home and community environment are subject to such language, cultural, economic and like disadvantages that they have been determined, as a result of screening procedures (to be carried out in conformance with Section 235.20(c)(5)) to be at risk of academic failure. (Section 2-3.71(a)(4) of the School Code)
b) Eligible applicants for Early Childhood Block Grant programs include any public or private not-for-profit or for-profit entity with experience in providing educational, health, social and/or child development services to young children and their families. If the Early Childhood Block Grant program is operated in or by a child care center subject to the licensure requirements of the Illinois Department of Children and Family Services (DCFS), then that child care center must hold the appropriate licensure in accordance with rules promulgated by DCFS (see 89 Ill. Adm. Code 403 (Licensing Standards for Group Homes), 405 (Licensing Standards for Day Care Agencies), 406 (Licensing Standards for Day Care Homes), 407 (Licensing Standards for Day Care Centers) and 408 (Licensing Standards for Group Day Care Homes)).

c) Joint applications for funds may be submitted by any combination of eligible applicants, as described in subsection (b) of this Section.

1) If a joint application is submitted, then an administrative agent shall be designated.

2) A school district or other eligible applicant shall only participate in one proposal for a specific program.

d) Eligible applicants may subcontract with a private school, not-for-profit or for-profit corporation, or other governmental agency that would otherwise be eligible under subsection (b) of this Section to conduct an Early Childhood Block Grant program.

e) Parental training programs funded under Section 2-3.71a of the School Code prior to July 1, 2006, are not subject to the requirements of this Part, but may be awarded continuation funding in accordance with the requirements of Section 235.60 of this Part.

(Source: Amended by emergency rulemaking at 30 Ill. Reg. 11793, effective June 26, 2006, for a maximum of 150 days)

Section 235.60 Application Content and Approval for Continuation Programs

The requirements of the Section shall apply to those applicants seeking funding to continue preschool education and prevention initiative programs beyond the initial grant period and for
programs offering parental training services under Section 2-3.71a of the School Code that were first funded previous to school year 2006-07.

a) In order to continue to operate an Early Childhood Block Grant Program, a grantee each year shall electronically submit an application for continuation. The application shall include at least the following:

1) an overview of the program, addressing:

   A) the program components outlined in Section 235.20 of this Part and either Section 235.30 or Section 235.40 of this Part, as applicable for preschool education or prevention initiative programs; or

   B) the requirements of Section 2-3.71a of the School Code for parental training programs;

2) budget information for the year in which the application is being made; and

3) the certifications and assurances referred to in Section 235.20(c)(16) of this Part applicable to the renewal period.

b) An Early Childhood Education Block Grant Program shall be approved for continuation provided that:

1) a need continues to exist for the program, as evidenced by the number or proportion of children and families to be served;

2) the program components proposed will be effective in assisting at-risk children and families;

3) the proposed budget is cost-effective, as evidenced by the cost of proposed services in relation to the numbers to be served and the services to be provided; and

4) in the year previous to the continuation application, the applicant complied with the terms and conditions of any grant it received pursuant to this Subpart APart.
Section 235.70 Terms of the Grant

a) Expenditure reports must be filed electronically with the Division of Funding and Disbursements four times a year.

b) Each grantee shall submit evaluation information on forms provided by the State Board of Education, specifying:
   1) descriptive statistics on the population served, eligibility, screening procedures and staff qualifications and training;
   2) descriptive information, including type and quality of the educational program, amount and extent of interagency collaboration, and parent education and involvement;
   3) the extent to which program objectives have been accomplished; and
   4) any similar program-related information that the State Superintendent of Education may request upon 30 days' written notice.

c) An annual program review shall be conducted for each new project to ensure program quality, to assist in program improvement and to provide technical assistance.

d) All equipment purchased by the grantee for the program with Early Childhood Block Grant funds must be documented on a form supplied by the State Board of Education and be maintained in the grantee's files.

e) A time distribution worksheet shall be kept for any staff member in a part-time position.

f) Grantees shall use funds provided under the Early Childhood Block Grant to supplement, not supplant, funds received from any other source. (Sections 2-3.71 and 2-3.89 of the School Code)

g) Grant funds may not be used to provide religious instruction, conduct worship services, or engage in any form of proselytization.

2) the continued participation of children of homeless families in the program in those instances where such children move outside the area served by the Preschool for All Children program.

Section 235.300 Proposal Review and Approval for New or Expanding Programs

In order to meet the funding priorities set forth in Section 2-3.71(a)(4.5) of the School Code, each proposal shall be reviewed using both quantitative and qualitative criteria.

a) Proposals shall first be screened to identify those proposals that meet the criteria for each funding priority (see Section 235.200(a) of this Part). Proposals shall be separated into the following three categories:

1) proposals serving primarily at-risk-children,

2) proposals serving primarily children whose families meet income guidelines, and

3) all other proposals.

b) Within each of the three categories set forth in subsection (a) of this Section, the proposals shall be reviewed and scored using the qualitative criteria set forth in Section 235.50(a) of this Part to determine which proposals provide evidence of a "qualified program". "Qualified programs" shall be those scoring at least 60 out of 100 total points.
STATE BOARD OF EDUCATION

NOTICE OF EMERGENCY AMENDMENTS

1) All qualified programs within the category set forth in subsection (a)(1) of this Section shall be funded before funding any qualified programs in the categories set forth in subsection (a)(2) or (a)(3) of this Section.

2) All qualified programs within the category set forth in subsection (a)(2) of this Section shall be funded before funding any qualified programs in the category set forth in subsection (a)(3) of this Section.

3) Within each category, priority for funding will be given to substantially similar proposals that:

   A) serve children from a community with limited preschool programs or few resources promoting preschool education, or

   B) include a signed partnership agreement with the local Head Start program.

c) The selection of proposals for funding may be based in part on geographic distribution and/or the need to provide resources to school districts and communities with varying demographic characteristics.

d) The State Superintendent of Education shall determine the amount of individual grant awards. The final award amounts shall be based upon:

   1) the total amount of funds available for the Preschool for All Children program; and

   2) the resources requested in the top-ranked proposals, as identified pursuant to subsections (b) and (c) of this Section.

EMERGENCY

The requirements of this Section shall apply to those applicants seeking funding to continue Preschool for All Children programs beyond the initial grant period.
STATE BOARD OF EDUCATION

NOTICE OF EMERGENCY AMENDMENTS

(a) In order to continue to operate a Preschool for All Children program, a grantee each year shall electronically submit an application for continuation. The application shall include at least the following:

1) an overview of the program, addressing the program components outlined in Sections 235.20 and 235.200 of this Part;

2) budget information for the year in which the application is being made; and

3) the certifications and assurances referred to in Section 235.20(c)(16) of this Part applicable to the renewal period.

(b) A Preschool for All Children program shall be approved for continuation provided that:

1) a need continues to exist for the program, as evidenced by the number or proportion of children and families to be served;

2) the program components proposed will be effective in meeting the needs of children and families to be served by the program;

3) the proposed budget is cost-effective, as evidenced by the cost of proposed services in relation to the numbers to be served and the services to be provided; and

4) in the year previous to the continuation application, the applicant complied with the terms and conditions of any grant it received pursuant to this Subpart B.

Section 235.500 Terms of the Grant

EMERGENCY

In addition to meeting each of the requirements set forth in Section 235.70 of this Part, each grantee receiving funding for a Preschool for All Children program shall comply with the following terms and conditions of the grant,
STATE BOARD OF EDUCATION
NOTICE OF EMERGENCY AMENDMENTS

a) Each grantee is required to collaborate with its local Head Start program. Children currently enrolled or pre-enrolled in Head Start shall not be counted as potential students for the Preschool for All Children program nor recruited to be in the Preschool for All Children program.

b) Each grantee with a program funded to serve primarily at-risk children shall be required to:

1) enroll 51 percent or more of children who have been identified as being at risk of academic failure,

2) give priority in enrollment to children identified as being at risk of academic failure over those children who are not academically at risk, and

3) take specific proactive measures to ensure that the parents of children who may be academically at risk are made aware of the availability of the opportunity for participation in the Preschool for All Children program.

c) Any grantee that fails to enroll the required percentage of children (at least 51 percent) in the particular prioritization category for which the proposal was funded (i.e., at-risk status or income levels) shall have its grant award reduced proportionate to the decrease in percentage of such children enrolled.

d) School district grantees with programs serving homeless children must comply with all applicable provisions of the McKinney-Vento Homeless Assistance Act. Non-school district grantees should, in so much as possible, ensure that homeless children enrolled in their programs receive the support necessary for successful and continued participation, including without limitation, arranging for appropriate transportation, when necessary in cases where such children move outside of the area served by the program during the grant period.

e) Staff from the Illinois State Board of Education shall conduct an annual program review for each new project to ensure program quality, to assist in program improvement and to provide technical assistance.

6) If this emergency rulemaking is to expire before the end of the 150-day period, please specify the date on which it is to expire: No

7) Date Filed with the Index Department: June 26, 2006

8) A copy of the adopted rules, including any material incorporated by reference, is on file in the agency's principal office and is available for public inspection.

9) Reason for Emergency: These rules are being presented on an emergency basis because of the clear desirability of selecting the participating entities for this program as quickly as possible. Awaiting the conclusion of the regular rulemaking process would not permit the necessary professional development and procurement activities to occur until the middle of the school year, which we believe would be contrary to legislative intent.

10) A Complete Description of the Subjects and Issues Involved: This rulemaking responds to a line item appropriation received by ISBE in the FY 07 budget under Section 2-3.135 of the School Code (Technology Immersion Pilot Project). This is a new initiative authorized under legislation enacted in 2004 to provide for the distribution of wireless laptop computers, associated hardware and software, and professional development. This is the first appropriation made under Section 2-3.135.

The statute provides for the selection of seven school districts as recipients of support under this program and for the selection of at least nine schools within those districts. One of the districts is to be located in the City of Chicago, with three of the others located in the balance of Cook County and the "collar" counties and the other three in the
remainder of the state. The criteria for choosing among eligible entities are based upon
the statute's directive to consider applicants' need for the pilot program, existing
problems, and capacity.

The actual disbursement of grant funds to the chosen recipients is not foreseen. Rather,
ISBE will be purchasing and distributing the laptop computers and other technological
items to the recipients and entering into contracts as needed to ensure the appropriate
maintenance and support. Similarly, uniform training for teachers and administrators will
be identified and paid for by ISBE. It should be noted that these activities are subject to
the Illinois Procurement Code and to ISBE’s rules under that Code. They are therefore
not discussed in these rules, which address only the competitive selection of recipients
and their obligations under the program.

11) Are there any proposed amendments to this Part pending? No

12) Statement of Statewide Policy Objective: This rulemaking will not create or enlarge a
State mandate.

This Part establishes the application procedure and criteria for selection by the State Board of Education of the entities that will receive grant funds under the technology immersion pilot program established pursuant to Section 2-3.135 of the School Code [105 ILCS 5/2-3.135]. This Part also establishes the requirements that will apply to the distribution and use of the laptop computers and other resources furnished as part of this program.

Section 365.20 Eligible Applicants
EMERGENCY

a) Eligible applicants shall be school districts in which either:
STATE BOARD OF EDUCATION

NOTICE OF EMERGENCY RULES

1) one or more schools are in Academic Early Warning or Academic Watch status under Section 2-3.25d of the School Code [105 ILCS 5/2-3.25d]; or

2) a significant percentage of the students served have identified needs that make the use of technological devices more necessary or effective in their education than is the case for the student population as a whole.

b) For purposes of this Part, any public school operated by an agency of the State of Illinois shall be treated as a "school district".

c) Public university laboratory schools approved by the State Board of Education pursuant to Section 18-8.05(K) of the School Code [105 ILCS 5/18-8.05(K)] and charter schools shall be eligible to apply on the same basis as school districts; see 105 ILCS 5/2-3.109a and 27A-11.5, respectively.

d) Eligibility shall be limited to entities having State-approved technology integration plans.

e) An applicant chosen for funding shall not subsequently lose eligibility due solely to improvement in the status of the schools served relative to Section 2-3.25d of the School Code.

Section 365.30 Program Specifications

EMERGENCY

a) Each project funded under this program shall be based on a plan developed by a technology immersion committee as provided in Section 2-3.135 of the School Code for the purpose of addressing one or more of the problems specified in that Section.

b) Recipients under this program shall receive a major portion of the resources necessary to implement their approved plans by means of comprehensive, technology-based learning programs. Funding under this program will be used to:

1) provide training for teachers and administrators in participating schools on the effective integration of personal laptop computers into a comprehensive, technology-based learning program;
STATE BOARD OF EDUCATION

NOTICE OF EMERGENCY RULES

2) furnish personal laptop computers for all teachers and students in the classrooms designated for participation and for selected administrators in the schools where those classrooms are located;

3) support the use of the laptop computers through the purchase of related hardware, software, and other technologies and through the provision of maintenance, repair, and warranty services relevant to those resources.

c) Recipients under this program may be required to upgrade their electrical or other capacity or to make other in-kind contributions as a condition of participation.

d) Each recipient under this program shall be required to develop a policy providing for:

1) students' safety when using the Internet; and

2) students' use of, responsibility for, and return of equipment and materials loaned under this program.

e) Each recipient under this program shall provide State-furnished laptop computers to administrators only to the extent that these individuals have a demonstrable role in supporting the work of the teachers whose classrooms are served or in conducting or supporting efforts aimed at alleviating the problems identified in the recipient's plan.

f) Each recipient shall compile the information necessary for purposes of the annual progress report required by Section 2-3.135(f) of the School Code.

Section 365.40 Application Procedure

EMERGENCY

a) When State funding is available for this program, the State Superintendent of Education shall issue a Request for Proposals (RFP) in order to solicit applications from eligible entities. As used in this Part, a "proposal" or "application" means an academic improvement plan developed in accordance with Section 2-3.135(e) of the School Code, accompanied by the additional materials applicants will be required to submit in response to the RFP, as described in this Section. For purposes of this Part an "academic improvement plan" means the plan of work for the specific project for which State funding is sought.
b) The RFP shall describe the format that applicants will be required to follow and the information they will be required to submit, including at least a description of the project and its intended outcomes, identification of the specific schools to be served, their building infrastructure, including technological and electrical capacity, the number of students involved, the grades and classrooms chosen, and the rationale for these choices.

c) The RFP shall indicate the amount or expected amount of the appropriation for the program and shall describe the integrated group of resources to be provided to each recipient, the other types of expenditures that will be defrayed with program funds, and the basis for allocating resources. The RFP shall identify any restrictions or areas of high priority that have been established for a particular program year.

d) The RFP shall identify the data that recipients will be required to collect and report regarding the activities conducted with program funds and the results of those activities, as well as the timelines for reporting.

e) The RFP shall include such certifications and assurances as the State Superintendent may require.

f) The RFP shall specify the deadline for submission of proposals, which shall provide potential applicants with at least 30 days to respond.

g) Separate applications shall be required for renewal of grant funding. Each application for renewal shall include at least a description of activities during the year just concluded, demonstrating that the project has been implemented in conformance with the approved grant agreement and that the recipient continues to exhibit need for assistance for this purpose.

h) Incomplete proposals shall not be considered.

Section 365.50  Criteria for the Review of Initial Proposals

a) Initial applications shall be evaluated in accordance with the following criteria:

1) Quality of the Plan (50 points)

   A) The proposal identifies schools to be served that are experiencing teacher shortages in particular curricular areas, limited access to
STATE BOARD OF EDUCATION

NOTICE OF EMERGENCY RULES

Advanced Placement courses, low performance on the State assessment administered pursuant to Section 2-3.64 of the School Code, or high rates of dropping out.

B) The proposal indicates how the prevalence of personal laptop computers and other technological resources can be used to mitigate the problems identified.

C) The proposal discusses specific strategies that will be used by teachers and administrators, respectively, to improve the schools' and students' outcomes with respect to the specific problems noted.

D) The proposal demonstrates that the teachers and administrators responsible for the classrooms to be served are amenable to the kinds of changes in their work that will occur if a greater reliance on technology is made possible.

E) The proposal links the plan for the use of personal computing technology to other school improvement initiatives relevant to the schools to be served.

2) Need (30 points)

A) The proposal demonstrates that the schools to be served currently have inadequate access to technological resources that can be used directly by students and teachers.

B) The proposal discusses other initiatives and strategies that have not been as effective as hoped in improving students' performance over time.

3) Evaluation Plan (20 points)

The proposal identifies how and by whom each of the data elements implicit in the reporting requirement of Section 2-3.135(f) of the School Code will be collected and how each of the applicable comparisons will be made.

b) Proposals shall be grouped according to the geographic areas delineated in Section 2-3.135(d) of the School Code, and each proposal shall be ranked only in comparison to proposals from other eligible entities within its respective group.
Section 365.60 Allocation of Funds

EMERGENCY

a) The State Superintendent of Education shall approve initial applications and make final determinations regarding the resources to be provided based upon the total funds appropriated for this initiative, the amounts necessary to fund the top-ranked proposals, and the need to distribute the benefits of integrated technology on a statewide basis.

b) It is the intention of the State Board of Education to approve applications in such a way as to serve at least 9 schools, with at least 3 from the school district located in the City of Chicago and at least one from each of the other school districts selected. (Section 2-3.135(d) of the School Code)

c) It is the intention of the State Board of Education to approve projects under this Part for a three-year period. Support in the second and third years shall be contingent upon the availability of funds for the program and evidence presented in renewal proposals that the projects have been implemented in accordance with the approved grant agreements and that the recipients continue to need additional State resources in order to maintain comprehensive technology-based learning programs.

d) A district that has received three years' support under this Part may subsequently apply as a new applicant.

   - 152.150 Amendment
   - 152.200 Amendment

4) **Statutory Authority:** Section 12-13 of the Illinois Public Aid Code [305 ILCS 5/12-13]

5) **Effective Date:** July 1, 2006

6) **If this emergency amendment is to expire before the end of the 150-day period, please specify the date on which it is to expire:** No

7) **Date Filed with the Index Department:** June 22, 2006

8) **A copy of the emergency amendment, including any materials incorporated by reference, is on file in the agency's principal office and is available for public inspection.**

9) **Reason for Emergency:** These emergency amendments revise the hospital outlier calculation methodology to control the growth of outlier spending consistent with cost savings reform outlined in the Fiscal Year 2007 budget. Section 5-45 of Public Act 838, the FY07 budget implementation plan, specifically authorizes emergency rulemaking for implementation of FY07 changes.

10) **Complete Description of the Subjects and Issues Involved:** These emergency amendments provide changes concerning outlier adjustment payments for exceptionally costly stays provided by hospitals. A net reduction in current funding levels is not expected. This cost saving reform, which is a component of the FY07 budget, is expected to result in a savings to the Department of approximately $15 million.

Section 152.150  Diagnosis Related Grouping (DRG) Prospective Payment System (PPS)

a)  Notwithstanding any provisions set forth in 89 Ill. Adm. Code 149, the changes described in subsections (b) and (c) of this Section will be effective January 18, 1994.
b) For the rate periods, as described in 89 Ill. Adm. Code 148.25(g)(2)(B), the DRG weighting factors shall be adjusted by a factor, the numerator of which is the statewide weighted average DRG base payment rate in effect for the base period, as described in 89 Ill. Adm. Code 148.25(g)(2)(A), and the denominator of which is the statewide weighted average DRG base payment rate for the rate period, as described in 89 Ill. Adm. Code 148.25(g)(2)(B). For this adjustment, DRG base payment rate means the product of the PPS base rate, as described in 89 Ill. Adm. Code 149.100(c)(3), and the indirect medical education factor, as described in 89 Ill. Adm. Code 149.150(c)(3).

c) All payments calculated under 89 Ill. Adm. Code 149.140 and 149.150(c)(1), (c)(2) and (c)(4), in effect on January 18, 1994, shall remain in effect hereafter.

d) For hospital inpatient services rendered on or after July 1, 1995, the Department shall reimburse hospitals using the relative weighting factors and the base payment rates calculated pursuant to the methodology described in this Section, that were in effect on June 30, 1995, less the portion of such rates attributed by the Department to the cost of medical education.

e) Notwithstanding the provisions set forth in 89 Ill. Adm. Code 149 (DRG PPS), the changes described in this subsection (e) shall be effective January 1, 2001. Payments for hospital inpatient and outpatient services shall not exceed charges to the Department. This payment limitation shall not apply to government owned or operated hospitals or children's hospitals as defined at 89 Ill. Adm. Code 149.50(c)(3). This payment limitation shall not apply to or affect disproportionate share payments as described at 89 Ill. Adm. Code 148.120, payments for outlier costs as described at 89 Ill. Adm. Code 149.105 or payments for Medicaid High Volume Adjustments as described at 89 Ill. Adm. Code 148.290(d).

f) Notwithstanding the provisions of 89 Ill. Adm. Code 149, payment for outlier cases pursuant to 89 Ill. Adm. Code 149.105 shall be determined by using the following factors that were in effect on June 30, 1995:

1) The marginal cost factor (see 89 Ill. Adm. Code 149.5(c)(4)),

2) The Metropolitan Statistical Area (MSA) wage index (see 89 Ill. Adm. Code 148.120(b)),

3) The Indirect Medical Education (IME) factor (see 89 Ill. Adm. Code

148.260(a)(1)(B)(iv)),

4) The cost to charge ratio (see 89 Ill. Adm. Code 149.105(c)(3)), and

5) Outlier Threshold

A) For admissions on December 3, 2001 through June 30, 2005, the cost outlier threshold (see 89 Ill. Adm. Code 149.5(c)(5)) multiplied by 1.22.

B) For admissions on or after July 1, 2005 through June 30, 2006, the cost outlier threshold (see 89 Ill. Adm. Code 149.5(c)(5)) multiplied by 1.40.

C) For admissions on or after July 1, 2006, the cost outlier threshold (see 89 Ill. Adm. Code 149.5(c)(5)) multiplied by 1.47.

o) Notwithstanding the provisions set forth in Section 153.100, the "Original Building Base Cost" for nursing facilities (SNF/ICF) which have been rented continuously from an unrelated party since prior to January 1, 1978, effective on July 1, 2004, shall be added to the capital rate calculation using the most recent cost reports on file with the Department no later than June 30, 2004. Department. This original lease information will be used to capitalize the oldest available lease payment from the unrelated party lease that has been in effect since prior to January 1, 1978, and continued to be in effect on December 31, 1999. The remaining amount will be the facility's building cost. The construction/acquisition year for the building will be the date the pre-1978 lease began. The allowable cost of subsequent improvements to the building will be included in the original building base cost. The original building base cost will not change due to sales or leases of the facility after January 1, 1978.

p) Notwithstanding the provisions set forth in Section 153.100, nursing facility (SNF/ICF) rates effective on January 1, 2005 will be 3.0 percent more than the rates in effect on December 31, 2004.

These costs shall be passed through to the facility without caps or limitations.

r) Notwithstanding the provisions set forth in Section 153.100, daily rates effective on January 1, 2006 for intermediate care facilities for persons with developmental disabilities (ICF/MR), including skilled long term care facilities for persons under 22 years of age (SNF/Ped), shall be increased by 3 percent.

t) Notwithstanding the provisions set forth in Section 153.100, for facilities that are federally defined as Institutions for Mental Disease (see Section 145.30), a socio-development component rate equal to 6.6% of the nursing component rate as of January 1, 2006 shall be established and paid effective July 1, 2006. This rate

shall become a part of the facility's nursing component of the Medicaid rate. While this rate may be adjusted by the Department the rate shall not be reduced.

i) Part (Heading and Code Citation):  Procedures For Issuing Loans From The Water Pollution Control Revolving Loan Fund; 35 Ill. Adm. Code 366.

1) Rulemaking:

A) Description: The Agency will propose amendments to revise procedures for the allocation of funds. Funds in the Water Pollution Control Revolving Fund are subject to an equal division between the service area of the Metropolitan Water Reclamation District of Greater Chicago and the area consisting of the rest of the State. Currently, new funds that are not allocated during the fiscal year are carried over and may be used only for projects in the particular geographical area for which the funds were initially allocated. These amendments would allow funds not obligated in a given fiscal year to be treated as new funds when carried over to the following fiscal year. As new funds, they would once again be subject to the equal division between the two major geographic areas for the purpose of developing an Intended Use Plan only. These amendments also specify at what point these funds lose their geographic identity when utilized for the funding of projects not included in the Intended Use Plan.

B) Statutory authority: The amended rules implement Title IV-A: Water Pollution Control of the Illinois Environmental Protection Act [415 ILCS 5/19.1 through 5/19.8].

C) Scheduled meeting/hearing date: The Agency has not yet scheduled meetings or hearings on this proposal.

D) Date Agency anticipates First Notice: Fall 2006

ORGANIZATION, PUBLIC INFORMATION, AND TYPES OF PROCEEDINGS (2 Ill. Adm. Code 2175)

1) Rulemaking: Docket R04-09

   A) Description:

   2 Ill. Adm. Code 2175 contains the Board's public information rules and organizational information, as required under Section 1-15 of the Administrative Procedure Act [5 ILCS 100/5-15] and Section 4 of the Freedom of Information Act [5 ILCS 140/4]. The Board intends to update various items of information.

   B) Statutory authority:

   C) Scheduled meeting/hearing dates:

   Public hearings are not required to amend 2 Ill. Adm. Code 2175. While the Board does not currently plan to schedule hearings in this rulemaking, the Board would conduct such hearings if the level of public interest indicates that public hearings are desirable.

   D) Date agency anticipates First Notice:

   The Board anticipates First Notice publication of the proposed rules in the Illinois Register in the Summer of 2006.

   There may be an effect on any small business, small municipality, or not-for-profit corporation that appears before the Board in any type of proceeding or which seeks to contact the Board for any reason, including

1) Rulemaking: Docket number R07-1

A) Description:

Section 9.1(e) of the Environmental Protection Act [415 ILCS 5/9.1(e)] mandates that the Board update the Illinois definition of volatile organic material (VOM) to reflect the additions made by the United States Environmental Protection Agency (USEPA) to the list of compounds exempt from regulation as ozone precursors. Those compounds are determined by USEPA to be exempt from regulation under the state implementation plan (SIP) for ozone in the federal "Recommended Policy on the Control of Volatile Organic Compounds" (Recommended Policy) due to their negligible photochemical reactivity. On February 3, 1992 (57 Fed. Reg. 3945), USEPA codified its definition of VOM at 40 CFR 51.100(s), which now embodies the former Recommended Policy. This codified definition now includes all the compounds and classes of compounds previously exempted in the former Recommended Policy. The Illinois definition of VOM is presently codified at 35 Ill. Adm. Code 211.7150.

The Board has reserved docket number R07-1 to accommodate any federal amendments to the 40 CFR 51.100(s) definition of VOM that USEPA may make in the period January 1, 2006 through June 30, 2006. At this time, the Board is not aware of any federal amendments to the federal definition of VOM that occurred during this update period.

The Board will verify the existence of any federal actions and the Board action required in response to each in coming weeks, by about mid-August 2006. The Board will then propose corresponding amendments to the Illinois definition of VOM using the identical-in-substance procedure or dismiss docket R07-1, as necessary and appropriate.

Section 9.1(e) mandates that the Board complete amendments within one year of the date on which USEPA adopted the earliest action upon which the amendments are based. In docket R07-1, if the earliest federal
amendments in the applicable period were assumed to have occurred on the first day of the update period, on January 1, 2006, the due date for Board adoption would be January 1, 2007.

B) **Statutory authority:**

Implementing and authorized by Sections 7.2, 9.1(e), and 27 of the Environmental Protection Act [415 ILCS 5/7.2, 9.1(e) & 27].

C) **Scheduled meeting/hearing dates:**

None scheduled at this time. The Board will vote to propose any amendments at an open meeting in accordance with requirements established by Sections 27 and 28 of the Act [415 ILCS 5/27 & 28]. The Board will then schedule and conduct at least one public hearing, as required by Section 118 of the federal Clean Air Act (42 USC § 7418) for amendment of the Illinois ozone SIP.

D) **Date agency anticipates First Notice:**

The Board cannot project an exact date for publication at this time. The Board expects to verify any federal actions by mid-August 2006, after which time the Board will propose any amendments to the Illinois definition of VOM that are necessary in response to the federal amendments that have occurred. If the due date for Board adoption of amendments in this docket were assumed to be January 1, 2007, for the purposes of illustration, the Board would vote to propose amendments and cause a Notice of Proposed Amendments to appear in the *Illinois Register* by early October 2006. This would be sufficiently in advance of the due date to allow the Board to accept public comments on the proposal for 45 days before acting to adopt any amendments. Alternatively, if no amendment to the Illinois definition is needed, the Board will promptly dismiss this reserved docket.

E) **Effect on small business, small municipalities, or not-for-profit corporations:**

This rulemaking may affect any small business, small municipality, or not-for-profit corporation that engages in the emission of a chemical

G) **Related rulemakings and other pertinent information:**

Section 9.1(e) of the Environmental Protection Act [415 ILCS 5/9.1(e)] provides that Title VII of the Act and Section 5 of the Administrative Procedure Act (APA) [5 ILCS 100/5-35, 40] shall not apply. Because this rulemaking is not subject to Section 5 of the APA, it is not subject to First Notice or to Second Notice review by the Joint Committee on Administrative Rules. Rather, the Board will cause a Notice of Proposed Amendments to appear in the *Illinois Register*, and it will accept public comments on the proposal for 45 days after the date of publication.

After the filing of a proposal by the Agency, the Board will cause publication of a Notice of Proposed Amendments in the *Illinois Register*.

E) **Effect on small business, small municipalities, or not-for-profit corporation:**

This rulemaking may affect any small business, small municipality, or not-for-profit corporation that are involved in motor vehicle refinishing. However, the Agency anticipates that the amendments will have no new substantive impact on any sources, since the amendments give greater flexibility to sources.

The Illinois Environmental Protection Agency (Agency) is currently developing amendments for proposal to the Board to address the State's obligation to meet the Clean Air Act's requirements for fine particulate matter (PM$_{2.5}$), specifically the requirement for Reasonable Available Control Technology (RACT). Section 172 of the CAA requires that States with nonattainment areas control major sources with emissions of 100 tons or more per year of the applicable criteria pollutant or its precursor. Illinois has two PM$_{2.5}$ nonattainment areas, greater Chicago and Metro-East/St. Louis. Sulfur dioxide (SO$_2$) is one of the precursors to the formation of PM$_{2.5}$. Major sources of SO$_2$ emissions are primarily fuel combustion sources. In addition, the proposal will include conforming amendments for Part 211, concerning applicable definitions.

On January 19, 2006, the Board received a rulemaking proposal submitted by the Illinois Environmental Protection Agency (Agency) pursuant to Section 27 and 28 of the Illinois Environmental Protection Act (Act) (415 ILCS 5/27 and 28 (2004)). Included in this proposal are amendments to the regulations governing Nitrogen Oxide (NOx) emissions found at 35 Ill. Adm. Code Part 217, Subparts A, T, U, and W.

The amendments propose to update Part 217 to reflect recent amendments made by the United States Environmental Protection Agency (USEPA) to the Code of Federal Regulations concerning several test methods and procedures, and by the Illinois General Assembly to Section 9.9 of the Act concerning the sale of NOx allowances and the repeal of the stay provisions. The Agency proposes amendments intended to ensure that the NOx budgets for both the Electrical Generating Units (EGU) and the non-EGUs are not reduced by low-emitters in a way that was not anticipated at
the time the rules were originally adopted by the Board. Finally, the Agency proposes clarifications to the dates and timing of allocations designed to simplify the administration of the NOx Trading Program. The Agency asserts that this proposal does not change the emission limits or require new control devices on affected sources.

B) **Statutory authority:**
Implementing Sections 9.9 and 10 and authorized by Sections 27 and 28.5 of the Environmental Protection Act [415 ILCS 5/9.9, 10, 27 and 28.5].

SOLVENT CLEANING (35 Ill. Adm. Code 218 and 219)

1) Rulemaking: Docket R06-21

A) Description:

On December 22, 2005, the Board received a rulemaking proposal submitted by the Illinois Environmental Protection Agency (Agency) pursuant to Sections 27 and 28 of the Illinois Environmental Protection Act (Act). 415 ILCS 5/27, 28 (2004). The Agency proposes amendments to Parts 218 and 219 of the volatile organic material (VOM) rules to allow for the use of add-on controls as a compliance option for printing operations using cold cleaning solvent degreasing. The Agency is proposing to revise the cold cleaning degreaser rules in the Chicago and Metro-East nonattainment areas by making parallel changes to 35 Ill. Adm. Code 218.182(c) and (d) and 219.182(c) and (d). The rulemaking proposes revisions to allow for the sale or purchase of solvents with vapor pressure greater than 1.0mmHg in units greater than five gallons to or by sources that have valid permits, are in compliance with the add-on control requirements, or are exempt. The rulemaking also proposes control requirements to allow for the option of add-on controls. Subsections are being created that will require sources using solvents with vapor pressures
greater than 1.0mmHg to control their emissions to an overall capture and control efficiency of no less than 95%.

The Agency proposal contains provisions that allow for equivalent alternative emissions plans stipulating that emissions from a solvent with a vapor pressure of 1.0 mmHg shall be the basis for assessment of equivalent emissions for any proposed control plan and that the equivalent alternative control plans must have at least 95% reduction in VOM emissions. Provisions have also been added mandating the testing of add-on controls. Currently operating add-on controls must be tested by March 1, 2006, and newly constructed add-on controls shall be tested within 90 days after startup. The testing procedures, monitoring, and recordkeeping provisions for add-on controls and equivalent alternative control plans will be consistent with the provisions in Section 218.105 and Section 219.105, which require that the control devices be operated and maintained at the manufacturer's specifications and continuously monitored to assure that they are operating at the required compliance levels. All records must be kept for a minimum of three years.

B) Statutory authority:

Implementing Section 10 of the Environmental Protection Act [415 ILCS 5/10] and authorized by Sections 27 and 28 of the Environmental Protection Act [415 ILCS 5/27 & 28].

C) Scheduled meeting /hearing date:

The Board held two hearings in this rulemaking. The first hearing was held on April 19, 2006, in Chicago and the second hearing was held on May 17, 2006, in Edwardsville. At this time, the Board does not anticipate holding additional hearings in this rulemaking.

D) Date agency anticipates First Notice:

The Board anticipates adopting a first notice opinion and order in this rulemaking in the Fall or Winter of 2006.

CONTROL OF EMISSIONS FROM LARGE COMBUSTION SOURCES (35 Ill. Adm. Code 225)
1) **Rulemaking:** Docket R06-26

**A) Description:**

This rulemaking was proposed to the Board by the Illinois Environmental Protection Agency (Agency) on May 30, 2006. The Agency proposes a new Part 225 to reduce intrastate and interstate transport of sulfur dioxide (SO₂) and nitrogen oxides (NOₓ) emissions from fossil fuel-fired electric generating units (affected units), on an annual basis and on an ozone season basis of each calendar year. The Agency proposes the adoption of the Clean Air Interstate Rule (CAIR) SO₂ trading program, the CAIR NOₓ Annual trading program and the CAIR NOₓ Ozone Season trading program to accomplish this objective.

The proposed rule contains five subparts. As proposed, Subpart A includes general provisions, Subpart B is reserved—although this Subpart is included in the R06-25 rulemaking, Subpart C contains the CAIR SO₂ trading program, Subpart D details the CAIR NOₓ Annual trading program, and Subpart E addresses the CAIR NOₓ Ozone Season trading program.

The Agency asserts that its proposal is intended to satisfy Illinois' obligations under the United States Environmental Protection Agency's (USEPA) Rule to Reduce Interstate Transport of Fine Particulate Matter and Ozone; Revisions to Acid Rain Program; Revisions to the NOₓ SIP Call, (CAIR), 70 Fed. Reg. 25162 (May 12, 2005). The proposal is also intended to the Agency's obligation to meet Clean Air Act (CAA) requirements for the control of fine particulate matter (PM$_{2.5}$) and ozone in the Chicago and Metro East/St. Louis nonattainment areas.

WATER QUALITY STANDARDS (35 Ill. Adm. Code 302)

1) Rulemaking: Docket R04-25

A) Description:

This rulemaking was proposed to the Board on April 19, 2004 by the Illinois Association of Wastewater Agencies (IAWA). IAWA seeks to amend the Board's rule establishing general use water quality standards for dissolved oxygen (35 Ill. Adm. Code 302.206). Under the existing Board water quality standard, dissolved oxygen must not be less than 6.0 milligrams per liter (mg/L) during at least 16 hours of any 24 hour period, nor less than 5.0 mg/L at any time. IAWA seeks to amend these standards by explicitly providing that dissolved oxygen be determined on a monthly basis and specifying that (a) during the months of July through February, dissolved oxygen must not be less than a one-day minimum concentration of 3.5 mg/L, and a seven-day mean minimum of 4.0 mg/L, and (b) during the months of March through June, dissolved oxygen must not be less than a one-day minimum concentration of 5.0 mg/L, and a seven-day mean of 6.0 mg/L. IAWA also proposed definitions of "mean minimum" and "mean."

Sewer Discharge Criteria (35 Ill. Adm. Code 307)
Pretreatment Programs (35 Ill. Adm. Code 310)
1) Rulemaking: Docket number R07-7

A) Description:

Section 13.3 of the Environmental Protection Act [415 ILCS 5/13.3] mandates that the Board update the Illinois wastewater pretreatment regulations to reflect revisions made to the federal wastewater pretreatment rules made by the United States Environmental Protection Agency (USEPA).

The Board has reserved docket number R07-7 to accommodate any amendments to the federal wastewater pretreatment rules, 40 CFR 400 through 499, that the USEPA may have made in the period January 1, 2006 through June 30, 2006. At this time, the Board is not aware of any federal amendments to the federal definition of VOM that occurred during this update period.

The Board will verify the existence of any federal actions that may affect the text of the federal wastewater pretreatment regulations and the Board action required in response to each set of federal amendments in coming weeks, by about mid-August 2006. The Board will then propose corresponding amendments to the Illinois wastewater pretreatment regulations using the identical-in-substance procedure under docket R07-7, as necessary and appropriate.

Section 13.3 of the Act mandates that the Board complete amendments within one year of the date on which USEPA adopted the earliest action upon which the amendments are based. In docket R07-7, if the earliest federal amendments in the applicable period were assumed to have occurred on the first day of the update period, on January 1, 2006, the due date for Board adoption would be January 1, 2007.

B) Statutory authority:

Implementing and authorized by Sections 7.2, 13, 13.3, and 27 of the Environmental Protection Act [415 ILCS 5/7.2, 13, 13.3 & 27].

JULY 2006 REGULATORY AGENDA

C) Scheduled meeting/hearing dates:

None scheduled at this time. The Board will vote to propose any amendments at an open meeting in accordance with requirements established by Sections 27 and 28 of the Act [415 ILCS 5/27 & 28]. No hearing is required in identical-in-substance proceedings.

D) Date agency anticipates First Notice:

The Board cannot project an exact date for publication at this time. The Board expects to verify any federal actions by mid-August 2006, after which time the Board will propose any amendments to the Illinois wastewater treatment rules that are necessary in response to the federal amendments that have occurred. If the due date for Board adoption of amendments in this docket were assumed to be January 1, 2007, the Board will vote to propose amendments and cause a Notice of Proposed Amendments to appear in the Illinois Register by early October 2006. This would be sufficiently in advance of the due date to allow the Board to accept public comments on the proposal for 45 days before acting to adopt any amendments. Alternatively, if no amendment to the Illinois wastewater pretreatment rules is needed, the Board will promptly dismiss this reserved docket.

E) Effect on small business, small municipalities, or not-for-profit corporations:

This rulemaking may affect any small business, small municipality, or not-for-profit corporation that pretreatment engages in the discharge of pollutants into the collection system of a publicly-owned treatment works that is the subject of any federal amendments.

Because this rulemaking is not subject to Section 5 of the APA, it is not subject to First Notice or to Second Notice review by the Joint Committee on Administrative Rules. Rather, the Board will cause a Notice of Proposed Amendments to appear in the Illinois Register, and it will accept public comments on the proposal for 45 days after the date of publication.

   An Agency submittal of the rulemaking proposal is anticipated by Fall or Winter of 2006. The Board will conduct proceedings pursuant to Sections 27 and 28 of the Environmental Protection Act [415 ILCS 5/27 & 28] upon receipt of the proposal and would cause a Notice of Proposed Amendments to appear in the *Illinois Register* when it decides to propose amendments for First Notice.

   **E) Affect on small businesses, small municipalities or not for profit corporations:**

   This rule could affect any agri-business that meets the federal definition of a Concentrated Animal Feeding Operation.

Primary Drinking Water Standards (35 Ill. Adm. Code 611)

1) Rulemaking: Docket number R07-2
A) **Description:**

Section 17.5 of the Environmental Protection Act [415 ILCS 5/17.5] mandates that the Board update the Illinois SDWA regulations to reflect the USEPA amendments to the federal Safe Drinking Water Act (SDWA) primary drinking water regulations.

The Board has reserved docket number R07-2 to accommodate any amendments to the SDWA national primary drinking water standards, 40 CFR 141 through 143, that the United States Environmental Protection Agency (USEPA) may make in the period January 1, 2006 through June 30, 2006. At this time, the Board is aware of two sets of federal amendments to the federal national primary drinking water regulations and three sets of corrections that occurred during this update period. Those sets of amendments and corrections are described as follows:

USEPA adopted the Stage 2 Disinfectants and Disinfection Byproducts Rule (DBPR). The DBPR regulates drinking water disinfection practices and the content of disinfection byproducts in drinking water. The Stage 2 DBPR is intended to further reduce the risks of cancer and reproductive and other health effects associated with disinfection byproducts. The Stage 2 rule includes maximum contaminant level standards and monitoring, reporting, and public notification requirements for these contaminants. The Stage 2 rule applies to any community water supply or non-transient, non-community water system that adds a disinfectant other than ultraviolet light to drinking water. The Stage 2 DBPR is an extension of the existing Stage 1 DBPR, adopted by USEPA on December 16, 1998 (at 63 Fed. Reg. 69390) and by the Board on July 22, 1999 (in docket R99-12). The DBPR is a companion to the Enhanced Surface Water Treatment Rule (see the entry below for the January 5, 2006 USEPA action). The federal amendments include corrections to existing regulations and to the existing Stage 1 DBPR.

USEPA adopted the Long Term 2 Enhanced Surface Water Treatment Rule (LT2ESWTR). The LT2ESWTR requires the use
of treatment techniques and imposes monitoring, reporting, and public notification requirements on all systems that use surface water as a source of raw water. USEPA intends that the rule protect against Cryptosporidium and other microbial contaminants, like Giardia lamblia. The LT2ESWTR is an extension of earlier rules pertaining to treatment of surface water that USEPA has adopted. USEPA adopted the Surface Water Treatment Rule (SWTR) on June 29, 1989 (at 54 Fed. Reg. 27486), which the Board adopted on May 24, 1990 (in docket R88-26). USEPA then adopted the Interim Enhanced Surface Water Treatment Rule (IESWTR) on December 16, 1998 (at 63 Fed. Reg. 69478), which the Board adopted together with the Stage 1 DBPR (see the entry for the USEPA action on July 4, 2006, above) on July 22, 1999 (in docket R99-12). Later, USEPA adopted the Long Term 1 Enhanced Surface Water Treatment Rule (LT1ESWTR) on January 14, 2002 (67 Fed. Reg. 1812), which the Board adopted on December 19, 2002 (in docket R03-4). The LT2ESWTR is a companion to the Stage 2 DBPR (see the entry for the USEPA action of January 4, 2006, above).

USEPA corrected the January 4, 2006 Stage 2 DBPR. (The Board must make corresponding corrections to the Illinois amendments that will incorporate the Stage 2 DBPR.)

USEPA corrected the January 5, 2006 LT2ESWTR. (The Board must make corresponding corrections to the Illinois amendments that will incorporate the LT2ESWTR.)

February 6, 2006 (71 Fed. Reg. 6136)
USEPA again corrected the January 5, 2006 LT2ESWTR. (The Board must make corresponding corrections to the Illinois amendments that will incorporate the LT2ESWTR.)

The Board will verify the existence of any additional federal actions that may affect the text of the federal primary drinking water standards and the Board action required in response to each in coming weeks, by about mid-August 2006. The Board will then propose corresponding amendments to the Illinois SDWA primary drinking water regulations using the identical-

in-substance procedure or dismiss docket R07-2, as necessary and appropriate.

Section 17.5 mandates that the Board complete amendments within one year of the date on which USEPA adopted the earliest action upon which the amendments are based. In docket R07-2, if the earliest federal amendments in the applicable period were assumed to have occurred on January 4, 2006, the due date for Board adoption would be January 4, 2007.

B) **Statutory authority:**

Implementing and authorized by Sections 17, 17.5, and 27 of the Environmental Protection Act [415 ILCS 5/17, 17.5 & 27].

C) **Scheduled meeting/hearing dates:**

None scheduled at this time. The Board will vote to propose any amendments at an open meeting in accordance with requirements established by Sections 27 and 28 of the Act [415 ILCS 5/27 & 28]. No hearing is required in identical-in-substance proceedings.

D) **Date agency anticipates First Notice:**

The Board cannot project an exact date for publication at this time. The Board expects to verify any federal actions by mid-August 2006, after which time the Board will propose any amendments to the Illinois SDWA drinking water rules that are necessary in response to the federal amendments that have occurred. If the due date for Board adoption of amendments in this docket is assumed to be January 4, 2007, for the purposes of illustration, the Board would vote to propose amendments and cause a Notice of Proposed Amendments to appear in the *Illinois Register* by mid-October 2006. This would be sufficiently in advance of the due date to allow the Board to accept public comments on the proposal for 45 days before acting to adopt any amendments. Alternatively, if no amendment to the Illinois definition is needed, the Board will promptly dismiss this reserved docket.

JULY 2006 REGULATORY AGENDA

E) **Effect on small business, small municipalities, or not-for-profit corporations:**

This rulemaking may affect any small business, small municipality, or not-for-profit corporation in Illinois that owns or operates a "public water supply," as defined by Section 3.28 of the Act, i.e., it has at least fifteen service connections or regularly serves an average of at least 25 individuals daily at least 60 days out of the year, or it is assisting a public water supply to demonstrate compliance.

G) **Related rulemakings and other pertinent information:**

Section 17.5 of the Environmental Protection Act [415 ILCS 5/17.5] provides that Title VII of the Act and Section 5 of the Administrative Procedure Act (APA) shall not apply. Because this rulemaking is not subject to Section 5 of the APA, it is not subject to First Notice or to Second Notice review by the Joint Committee on Administrative Rules. Rather, the Board will cause a Notice of Proposed Amendments to appear in the *Illinois Register*, and it will accept public comments on the proposal for 45 days after the date of publication.
LABORATORY ACCREDITATION RULES (35 Ill. Adm. Code 611)

1) Rulemaking: No docket presently reserved.

A) Description:

The Illinois Environmental Protection Agency (Agency) is currently developing a proposal for filing with the Board. The proposal will seek to amend the public water supplies rules found in 35 Ill. Adm. Code 611 to cross reference the Agency's own laboratory accreditation rules found at 35 Ill. Adm. Code 186. These prospective amendments to Sections 611.359, 611.611, 611.646, and 611.648 would cross-reference the laboratory accreditation rules at 35 Ill. Adm. Code 186. Currently, the existing text of Part 611 references 35 Ill. Adm. Code 183, which are joint rules of the Agency, the Illinois Department of Public Health, and the Illinois Department of Nuclear Safety. A repeal of Part 183 has been completed.

B) Statutory Authority:

Sections 27 and 28 of the Illinois Environmental Protection Act [415 ILCS 5/27 & 28].

C) Scheduled meeting/hearing dates:

No meetings or hearings are scheduled at this time. Once the proposal is filed, the Board will conduct hearings as required by Sections 27 and 28 of the Act [415 ILCS 5/27 & 28].

D) Date Agency Anticipates First Notice:

An Agency submittal of the rulemaking proposal is anticipated by Fall or Winter of 2006. The Board will conduct proceedings pursuant to Sections 27 and 28 of the Environmental Protection Act [415 ILCS 5/27 & 28] upon receipt of the proposal and would cause a Notice of Proposed
E) Affect on small business, small municipalities or not-for-profit corporations:

These amendments may affect small business, small municipalities, and not-for-profit corporations that own or operate a "public water supply", as defined by Section 3.28 of the Act, i.e., it has at least fifteen service connections or regularly serves an average of at least 25 individuals daily at least 60 days out of the year, or it is assisting a public water supply to demonstrate compliance with the federally-derived National Primary Drinking Water Standards of 35 Ill. Adm. Code 611. However, it is anticipated that the proceeding will not likely have a quantifiable affect on these entities because the program for national laboratory certification is voluntary. The burden of compliance with the requirements, such as filing documentation, reporting or completion of the necessary forms, likely will not increase.

GROUNDWATER QUALITY (35 Ill. Adm. Code 620)

1) Rulemaking: No docket presently reserved.

A) Description:

The Illinois Environmental Protection Agency (Agency) continues to evaluate contaminants of concern that have been commonly detected in Illinois' groundwater for inclusion in 35 Ill. Adm. Code 620. One such constituent is perchlorate. This rocket fuel component has been discovered in Illinois' groundwater, and its occurrence in Illinois is being further evaluated. Another constituent that may be considered for inclusion in the rules is ammonia. While ammonia is not a health concern at the concentrations at which it has been reported, the greater health risk is the conversion of ammonia to nitrite and nitrate within a water distribution system. In addition, the Agency has evaluated contaminants commonly detected in groundwater in association with solid waste and Resource Conservation and Recovery Act (RCRA) sites. Groundwater standards are being developed for approximately 48 contaminants that have been commonly detected in groundwater at these sites where cleanup objectives have already been developed under the Tiered Approach to Corrective Action Objectives (TACO)(35 Ill. Adm. Code 742). Finally, three constituents (radium 226, radium 228, and arsenic) have had new Maximum Contaminant Levels (MCLs) adopted. Radium and arsenic occur with some frequency in Illinois' groundwater. Therefore, a

groundwater standard amendment consistent with the MCL will be proposed.

B) Statutory authority:

Implementing and authorized by Section 8 of the Illinois Groundwater Protection Act (IGPA) [415 ILCS 55/1] and Section 27 of the Environmental Protection Act [415 ILCS 5/27].

C) Scheduled meeting /hearing date:

No meetings or hearings are scheduled at this time. Once the proposal is filed, the Board will conduct hearings as required by Sections 27 and 28 of the Act [415 ILCS 5/27 & 28].

D) Date agency anticipates First Notice:

The Agency anticipates submitting a proposal to the Board in the Fall or Winter of 2006. After the filing of a proposal by the Illinois EPA, the Board will cause publication of a Notice of Proposed Amendments in the Illinois Register.

E) Effect on small businesses, small municipalities or not-for-profit corporations:

The Agency does not anticipate that this rule will have a significant impact on any small business, small municipality, or not-for-profit corporations.

A) Description:

Section 22.4(a) of the Environmental Protection Act [415 ILCS 5/22.4(a)] mandates that the Board update the Illinois rules implementing Subtitle C of the federal Resource Conservation and Recovery Act (RCRA) to reflect the United States Environmental Protection Agency (USEPA) amendments to the federal RCRA Subtitle C regulations.

The Board has reserved docket number R07-5 to accommodate any amendments to the federal RCRA Subtitle C program, 40 CFR 260 through 270, 273, and 279, that USEPA made in the period January 1, 2006 through June 30, 2006. At this time, the Board is aware of one set of federal amendments to the federal RCRA Subtitle C hazardous waste regulations that occurred during this update period. That set of amendments is described as follows:
POLLUTION CONTROL BOARD

JULY 2006 REGULATORY AGENDA

USEPA amended various provisions of the hazardous waste regulations to reduce the paperwork burden imposed by the rules. Some of the reduced requirements apply only to members of USEPA's Environmental Performance Track Program. The affected rules include hazardous waste management facility standards and aspects of the permitting requirements and land disposal restrictions.

The Board will verify the existence of any federal actions and the Board action required in response to each in coming weeks, by about mid-August 2006. The Board will then propose corresponding amendments to the Illinois RCRA Subtitle C hazardous waste regulations using the identical-in-substance procedure or dismiss docket R07-5, as necessary and appropriate.

Section 22.4(a) mandates that the Board complete amendments within one year of the date on which USEPA adopted the earliest action upon which the amendments are based. Assuming for the purposes of illustration that the earliest USEPA action during the update period that will require Board action is April 4, 2006, the due date for Board adoption of all amendments in the period would be April 4, 2007.

1) Rulemaking: Presently reserved docket number R07-4

A) Description:

Section 22.40(a) of the Environmental Protection Act [415 ILCS 5/22.40(a)] mandates that the Board update the Illinois Resource Conservation and Recovery Act (RCRA) Subtitle D municipal solid waste landfill (MSWLF) regulations to reflect the United States Environmental Protection Agency (USEPA) amendments to the federal RCRA Subtitle D MSWLF rules.

The Board has reserved docket number R07-4 to accommodate any amendments to the RCRA Subtitle D regulations, 40 CFR 258, that USEPA may make in the period January 1, 2006 through June 30, 2006. At this time, the Board is not aware of any federal amendments to the federal MSWLF rules that occurred during this update period.

The Board will verify the existence of any additional federal actions that may affect the text of the federal primary drinking water standards and the Board action required in response to each in coming weeks, by about mid-August 2006. The Board will then propose corresponding amendments to the Illinois RCRA Subtitle D MSWLF regulations using the identical-in-substance procedure or dismiss docket R07-4, as necessary and appropriate.
Section 22.40(a) mandates that the Board complete amendments within one year of the date on which USEPA adopted the earliest action upon which the amendments are based. In docket R07-4, if the earliest federal amendments in the applicable period were assumed to have occurred on the first day of the update period, on January 1, 2006, the due date for Board adoption would be January 1, 2007.

B) Statutory authority:

Implementing and authorized by Sections 7.2, 22.40(a) and 27 of the Environmental Protection Act [415 ILCS 5/7.2, 22.40(a) & 27].

C) Scheduled meeting/hearing dates:

None scheduled at this time. The Board will vote to propose any amendments at an open meeting in accordance with requirements established by Sections 27 and 28 of the Act [415 ILCS 5/27 & 28]. No hearing is required in identical-in-substance proceedings.

D) Date agency anticipates First Notice:

The Board cannot project an exact date for publication at this time. The Board expects to verify any federal actions by mid-August 2006, after which time the Board will propose any amendments to the Illinois RCRA Subtitle D MSWLF rules that are necessary in response to the federal amendments that have occurred. If the due date for Board adoption of amendments in this docket were assumed to be January 1, 2007, the Board will vote to propose amendments and cause a Notice of Proposed Amendments to appear in the Illinois Register by early October 2006. This would be sufficiently in advance of the due date to allow the Board to accept public comments on the proposal for 45 days before acting to adopt any amendments. Alternatively, if no amendment to the Illinois definition is needed, the Board will promptly dismiss this reserved docket.

E) Effect on small business, small municipalities, or not-for-profit corporations:

This rulemaking may affect any small business, small municipality, or not-for-profit that engages in the land disposal of municipal solid waste.

STANDARDS AND REQUIREMENTS FOR NEW AND EXISTING MUNICIPAL WASTE TRANSFER STATIONS (New Part)
INFORMATION TO BE SUBMITTED IN A PERMIT APPLICATION FOR A MUNICIPAL WASTE TRANSFER STATION (New Part)
PROCEDURAL REQUIREMENTS FOR MUNICIPAL WASTE TRANSFER STATION PERMITS (New Part)

1) Rulemaking: No docket presently reserved.

A) Description:

The Illinois Environmental Protection Agency (Agency) is working on a proposal to add new rules to the Board's waste regulations. Municipal waste transfer stations currently are regulated under 35 Ill. Adm. Code 807. The Part 807 rules were developed primarily for solid waste landfills. As applied to transfer stations, they are very general with many of the specific requirements for transfer stations imposed through permit conditions under Section 807.206. Transfer stations are increasing in number and importance in Illinois' waste management system. In addition, the United States Environmental Protection Agency published in
June 2002 "Waste Transfer Stations: A Manual for Decision-Making" (EPA530-R-02-002), guidance developed to "promote the use of best practices in transfer station siting, design and operation to maximize facilities' effectiveness while minimizing their impact on the community." The Agency is developing new Parts that will provide more specific requirements for the design, construction, operation and closure of municipal waste transfer stations as well as procedures for obtaining permits. Included with municipal waste transfer stations accepting garbage and general household and commercial waste are those transfer stations accepting exclusively construction and demolition debris and those used exclusively for landscape waste.

B) Statutory authority:

These rules will be proposed pursuant to Sections 4(i), 21(d), 22, 27 and 28 of the Environmental Protection Act [415 ILCS 5/4(i), 21(d), 22, 27, 28].

C) Scheduled meeting/hearing dates:

No meetings or hearings are scheduled at this time. Once the proposal is filed, the Board will conduct hearings in accordance with Sections 27 and 28 of the Act [415 ILCS 5/27, 28].

D) Date Agency anticipates First Notice:

The Agency may submit a proposal to the Board as soon as the Fall or Winter of 2006, after which the Board will cause publication of a Notice of Proposed Rules in the Illinois Register.

E) Effect on small businesses, small municipalities or not-for-profit corporations:

Generally, small businesses, small municipalities and not-for-profit corporations will not be affected by the proposal unless they receive municipal waste for transfer prior to treatment or disposal. For those that do, the substantive changes in requirements for design, construction and operation are expected to be minimal with many existing transfer stations already in compliance with most of the standards and requirements. However, there may be some expense for upgrading existing transfer
stations.

b) Part (Heading and Code Citation): Health Care Data Collection and Submission Code (77 Ill. Adm. Code 1010)
   1) Rulemaking:
      A) Description: These rules implement the Health Finance Reform Act, as amended by Public Act 94-27, effective June 14, 2005, and the Department of Public Health Powers and Duties Law of the Civil Administration Code of Illinois, as amended by Public Act 94-501, effective August 8, 2005. The Health Finance Reform Act requires individual hospitals and ambulatory surgical treatment centers to quarterly submit, by electronic means, claims and encounter data related to inpatient discharges and outpatient cases involving surgical and invasive procedures. The required data submission will be phased in according to a specific schedule. Data collected from hospitals and ambulatory surgical treatment centers will be used in part to compile the "Consumer Guide to Health Care," a report of at least 30 conditions and procedures demonstrating the widest variation in charges and quality of care. National standard measures will be applied to Illinois data in the development of this public report to be made available on the Department's web site. The "Consumer Guide to Health Care" will include inpatient and outpatient data with current comparison information related to, but not limited to, volume of cases, average charges, risk-adjusted mortality rates, complications,
nosocomial infections and surgical infections. The "Consumer Guide to Health Care" will include additional information appropriate for interpretation of report content, explanation of causes of variation from provider to provider and a description of standards that facilities meet under voluntary accreditation and state and federal law. The Department will evaluate additional methods of comparing the performance of hospitals and ambulatory surgical treatment centers using accepted national standard measures and methodologies. Data collected under PA 94-27 will be made available to government agencies, academic research organizations and private sector organizations for clinical performance measures and analyses. s) Part (Heading and Code Citation): Procedures and Standards (92 Ill. Adm. Code 1001.10)
   1) Rulemakings:
      A) Description of Rule(s):

      The Department is considering some modifications and clarifications to its hearing procedure (Subpart A of 92 IAC Part 1001), Safety Responsibility hearings (Subpart B), Informal Hearings (Subpart C), and to some substantive rules on hearings (Subpart D). Among others, the following amendments are under consideration.

      • Require that a petition to contest an implied consent suspension be filed within a specified number of days after the effective date of the suspension (§1001.70). There are currently a couple of conflicting appellate court opinions which address this issue;

      • Remove the rule which allows a petitioner to file a Motion to Correct a

JULY 2006 REGULATORY AGENDA

material Misstatement of Fact (§1001.80 and §1001.110(g)); Also, we will codify our policy on requiring petitioners to submit the original document (rather than a copy) at their hearing, in §1001.80;

• Amending the rules of evidence to explicitly allow the admission of an arresting officers narrative investigative report at implied consent hearings conducted by the Department, even when the officer fails to appear in response to a subpoena issued by the Department (§1001.100(d));

• Shorten the period of time within which an out-of-state petitioner must provide the information required by the rules of the Secretary of State in order to obtain driving relief. The time frame currently in effect (90 days) has proven to be too long. (§1001.100(n)(6));

• The Department is considering sending notices of hearing and final orders entered after a hearing by electronic mail; This practice would require the amendment of the rule on Orders (§1001.110(d)) – to add notification by electronic transmission;

• Add a provision to the rules on Safety Responsibility hearings (at 92 IAC §1001.220(j)), which will specify how people who were not parties to a hearing may obtain a copy of the record of a hearing. This procedure will be consistent with the Freedom of Information Act;

• In §1001.300(b)(3) of 92 IAC, clarify/specify that an informal hearing cannot consider a petition for driving relief when the petitioner has a record of multiple DUI dispositions;

• In §1001.300(b)(4) of 92 IAC, clarify/specify that an information hearing cannot consider a petition for driving relief when the open revocation was entered pursuant to the rules of the Secretary of State at 92 Ill. Adm. Code §1040.35;

• Amend §1001.300(c)(3) of 92 IAC to specify the offenses which preclude the continuation/renewal of a permit at an informal hearing;

• Revising the definition of "alcohol" in §1001.410 to include the alcohol used in prescribed and over-the-counter medications. There is some evidence, currently being gathered by the BAIID Unit, that some BAIID permittees may be substituting medications for alcoholic beverages. Other definitions will also be amended, as follows: "Abstinence", to account for the use of medications with ethyl alcohol as an ingredient; and "Alcohol and drug evaluation (Investigative)", to broaden the scope of its applications;

• Create new definitions, as follows:
SECRETARY OF STATE

JULY 2006 REGULATORY AGENDA

- "Alcohol/drug-related criminal record". This class of offense must now be considered in the evaluation and decision-making process, in amendments to §§1001.420(e), .430(c), and .440(a)(4);

- "Boating under the influence" and "Snowmobiling under the influence". These offenses must now be considered in the evaluation and decision-making process, in amendments to §§1001.420(e) and (m), .430(c), and .550(a)(4);

- "Treatment Needs Assessment". This rulemaking will specify when a TNA is required. See §1001.440(b)(7);

- Amend §1001.420(k) of IAC to make it consistent with a recent revision of the IVC (see P.A. 94-473);

- Amend §1001.430(m), .430(d), and .440(b)(5) to specify that an updated evaluation is required when rehabilitative activity is recommended in an investigative evaluation;

- Amend §1001.430(g) to conform to P.A. 94-473, which pertains to the eligibility of new residents for driving relief;

- Strike the rule which requires a petitioner who has been issued a restricted driving permit to drive on the permit for 75% of its length before applying for reinstatement (§1001.430(i));

- Clarify the rule on when a petitioner may take a driver risk education course in a state other than Illinois (§1001.440(a)(1));

- Amend various subparagraphs in subsection (b) of §1001.440 to reflect the change in the name of the agency formerly known as the Department of Professional regulation to the Department of Financial and Professional Regulation;

- Clarify the rule on composition of updated evaluations by treatment providers. The question has arisen whether a treatment provider can compose an updated evaluation after the transfer of a petitioner's treatment file. We may also expand upon the circumstances under which a transfer will be accepted (§1001.440(a)(6)(A));

- The Department's rule on Uniform Reports or original evaluations was recently amended to require that a chronological alcohol/drug use history be included or attached as part of the evaluation. We intend to extend this requirement to Investigative Evaluations (§1001.440(a)(4) and .440(a)(6)(D));
SECRETARY OF STATE

JULY 2006 REGULATORY AGENDA

- We will add a new subparagraph, at 1001.440(a)(6)(E), to specify/clarify when an investigative evaluation must be updated;

- Propose a definition of a "Treatment Needs Assessment" in §1001.410 of 92 IAC and, in §.440(b), clarify/codify the circumstances when a TNA is required to be provided by a treatment provider. A TNA is a statement from the treatment provider, which assesses a petitioner's current need for treatment for alcohol/drug abuse;

- We will reconsider the rule which states that participation in internet AA meetings will not be accepted as a substitute for the attendance of such meetings in person (§1001.440(h));

- We will amend the rule on what information is required to verify treatment for alcohol/drug abuse, by specifying that the failure to submit this information on the form published by the Department of administrative Hearings is not a sufficient basis, in and of itself, to deny driving relief. See §1001.440(m);

- Somewhere in §1001.441, we must state a policy on how we will process violations of the BAIID program which are revealed by monitor reports that are received after a BAIID permittee has been reinstated;

- Clarify the consequence of failing to have the interlock device installed in one's vehicle in the time allowed, in §1001.441(g);

- Amend §1001.441(i)(6) of 92 IAC to provide that the BAIID Unit must ask for a letter of explanation before it can seek the cancellation of a BAIID permittee for tampering with his/her interlock device;

- Section 1001.443 of 92 IAC may undergo substantial revision if the federal law which mandates the use of an interlock device for 12 months on all vehicles owned by a multiple offender is changed. If the 12-month rule is not changed, then we will amend our rules to provide for the use of the interlock device for 365 days, rather than 12 months. This is due to the fact that some BAIID multiple offenders have removed the device during the twelfth month of their requirement, rather than serving the full 12 consecutive months. Second, subsection (b)(2) will be amended to state that the 12 months begins with the certification that an interlock device has been installed on the first vehicle listed by the offender;

- Clarify the circumstances under which (and what) sanctions are imposed pursuant to the BAIID multiple offender program in §1001.443(c) and (d). We will no longer require petitioners to certify
SECRETARY OF STATE

JULY 2006 REGULATORY AGENDA

that they have installed a interlock device in all of the vehicles they own, as this can be done more efficiently by the BAIID Unit;

- Remove the limitation on applying for a formal hearing once every four (4) months (§1001.450(a));

- Clarify the source of our authority to conduct the zero tolerance implied consent hearings, in §1001.600;

- Add a requirement that one who applies for a restricted driving permit pursuant to §11-501.8(e) of the IVC (after a "zero tolerance suspension), must submit a copy of the ZT sworn report to the informal hearing officer (§1001.670);

- Clarify when a ZT petitioner must submit an alcohol/drug use evaluation with his/her petition for a restricted driving permit. See §1001.670(a)(1).

4) Date Notice of Proposed Amendments Published in the Illinois Register: 29 Ill Reg. 13939; September 16, 2005.

5) Reason for the Withdrawal: After reviewing PA 94-645 (HB 1968), effective August 22, 2005, and SB 1445, the SBE has discovered this legislation addresses major changes in the voting system articles of the Election Code. Some of these changes have a substantial impact on the current proposed rulemaking amendment; for example, the definition of "audit trail" and "computer program" have significantly changed, and other changes have been made with regard to communication ports on computers, the cost of testing and vendor contract prohibitions. These changes will necessitate additional amendments.

This proposed rulemaking will expire on September 16, 2006; therefore, the SBE would like to withdraw this rulemaking and resubmit an amended rulemaking following the November general election that includes the recent legislative changes, as well as the suggested changes proposed in public comment and by JCAR that the SBE has agreed to include.

AGENCY RESPONSE TO JOINT COMMITTEE OBJECTION TO PROPOSED RULEMAKING

1) **Heading of the Part**: Food Stamps

2) **Code Citation**: 89 Ill. Adm. Code 121

3) **Register Citation**: 29 Ill. Reg. 16344; October 28, 2005

4) **Agency Response to Specific Joint Committee Objection**: At its meeting on March 14, 2006, the Joint Committee on Administrative Rules objected to the Department of Human Services above-cited rulemaking because DHS failed to adopt a previous proposed rulemaking (28 Ill. Reg. 15295) while allowing the matching emergency rule (28 Ill. Reg. 15323) to expire, resulting in DHS utilizing a higher utility standard allowance than is currently established in rule.

The Department of Human Services has reviewed the objection from the Joint Committee on Administrative Rules regarding the above-cited proposed rulemaking. The Department will make every attempt to adopt permanent rulemakings prior to the expiration of the emergency rule in future rulemakings.
