INTRODUCTION

The Illinois Register is the official State document for publishing public notice of rulemaking activity initiated by State governmental agencies. The table of contents is arranged categorically by rulemaking activity and alphabetically by agency within each category.

Rulemaking activity consists of proposed or adopted new rules; amendments to or repealers of existing rules; and rules promulgated by emergency or peremptory action. Executive Orders and Proclamations issued by the Governor; notices of public information required by State Statute; and activities (meeting agendas; Statements of Objection or Recommendation, etc.) of the Joint Committee on Administrative Rules (JCAR), a legislative oversight committee which monitors the rulemaking activities of State Agencies; is also published in the Register.

The Register is a weekly update of the Illinois Administrative Code (a compilation of the rules adopted by State agencies). The most recent edition of the Code, along with the Register, comprise the most current accounting of State agencies’ rulemakings.

The Illinois Register is the property of the State of Illinois, granted by the authority of the Illinois Administrative Procedure Act [5 ILCS 100/1-1, et seq.].

6) If the individual whose driving privileges have been revoked under this Section is adjudicated "guilty" by the court system, the revocation previously entered on his/her driving record in accordance with this Section shall stand. This action does not preclude further suspension and/or revocation of driving privileges under another Section of the Illinois Vehicle Code.

At its meeting on December 11, 2007, the Joint Committee on Administrative Rules considered the above cited rulemaking and recommended that the SOS Business Services Department take care in the future to be more complete in its rulemaking efforts. In this instance, the Department has been long aware that the Uniform Partnership Act expires 1/1/08. While the Department will be able to adopt these new rules in time, it has not yet repealed the current regulations (14 Ill. Adm. Code 165). The existence of similar rules governing the same subject matter is likely to confuse the public.

The agency should respond to this Recommendation in writing within 90 days after receipt of this Statement. Failure to respond will constitute refusal to accede to the Committee's Recommendation. The agency's response will be placed on the JCAR agenda for further consideration.
At its meeting on December 11, 2007, the Joint Committee on Administrative Rules considered the above cited rulemaking and recommended that the SOS Business Services Department take care in the future to be more complete in its rulemaking efforts. In this instance, the Department has been long aware that the Revised Uniform Limited Partnership Act expires 1/1/08. While the Department will be able to adopt these new rules in time, it has not yet repealed the current regulations (14 Ill. Adm. Code 170). The existence of similar rules governing the same subject matter is likely to confuse the public.

The agency should respond to this Recommendation in writing within 90 days after receipt of this Statement. Failure to respond will constitute refusal to accede to the Committee's Recommendation. The agency's response will be placed on the JCAR agenda for further consideration.
At its meeting on 12/11/07, the Joint Committee on Administrative Rules objected to the State Board of Elections' rulemaking titled Miscellaneous (26 Ill. Adm. Code 207; 31 Ill. Reg. 12576) because the Board lacks statutory authority to permit amended statements of returns and abstracts of votes after the transmission of canvass results by the Board and proclamation of the Governor following an election. Sections 7-56 and 22-1 of the Election Code prescribe specific canvass procedures, but do not mention amendments. The Board has not cited any statutory basis for allowing amended results. If the Board wishes to establish a mechanism for correcting reported election results, it should seek statutory authority to do so.

Failure of the agency to respond within 90 days after receipt of the Statement of Objection shall constitute withdrawal of this proposed rulemaking. The agency's response will be placed on the JCAR agenda for further consideration.
The following second notices were received by the Joint Committee on Administrative Rules during the period of December 11, 2007 through December 17, 2007 and have been scheduled for review by the Committee at its January 9, 2008 meeting. Other items not contained in this published list may also be considered. Members of the public wishing to express their views with respect to a rulemaking should submit written comments to the Committee at the following address: Joint Committee on Administrative Rules, 700 Stratton Bldg., Springfield IL 62706.

m) Part (Heading and Code Citation): Procedures For Issuing Loans From The Water Pollution Control Revolving Loan Fund; 35 Ill. Adm. Code 366

1) Rulemaking:

A) Description: The Agency will propose amendments to revise procedures for the allocation of funds. Funds in the Water Pollution Control Revolving Fund are subject to an equal division between the service area of the Metropolitan Water Reclamation District of Greater Chicago and the area consisting of the rest of the State. Currently, new funds that are not allocated during the fiscal year are carried over and may be used only for projects in the particular geographical area for which the funds were initially allocated. These amendments would allow funds not obligated in a given fiscal year to be treated as new funds when carried over to the following fiscal year. As new funds, they would once again be subject to the equal division between the two major geographic areas for the purpose of developing an Intended Use Plan only. These amendments also specify at what point these funds lose their geographic identity when utilized for the funding of projects not included in the Intended Use Plan.

B) Statutory Authority: The amended rules implement Title IV-A: Water Pollution Control of the Illinois Environmental Protection Act [415 ILCS 5/19.1 through 5/19.8]

C) Scheduled meeting/hearing date: The Agency has not yet scheduled meetings or hearings on this proposal.

D) Date agency anticipates First Notice: Winter or Spring 2008

**1) Rulemaking:**

A) **Description:** The amendments to these Agency rules will update definitions and explanations of administrative procedures and provide current information to owners, operators, and official custodians of public water supplies. More recent design and operational criteria will be incorporated to provide information necessary for the design, operation, and maintenance of public water supplies and to facilitate the permitting process. In addition, the amendments will exempt from restricted status certain public water supplies that exceed the combined radium standard, provided the supplies meet certain conditions.

The amendments to these Agency rules will also incorporate technical, financial, and managerial requirements for new public water supplies. The proposed amendments are required by the 1996 amendments to the federal Safe Drinking Water Act (SDWA). On May 22, 1998, the Illinois General Assembly passed SB 545 which, inter alia, amends Sections 15 and 18 of the Environmental Protection Act to require that new public water supplies have the technical, financial, and managerial capacity to meet federal and

WHEREAS, on December 10, 1948, the United Nations General Assembly adopted the Universal Declaration of Human Rights, and the international community commemorates the anniversary as Human Rights Day; and

WHEREAS, the Universal Declaration of Human Rights has been translated into more than 200 languages and remains one of the best known and most often cited human rights documents in the world. Over the years, the Universal Declaration has been used in the defense and advancement of people’s rights. Its principles have been enshrined in and continue to inspire national legislation and the constitutions of many newly independent states; and

WHEREAS, today, equality is one of the basic principles that we use to guide and improve understanding of and respect for one another. Although our nation’s history is wrought with shameful acts and deeds, it is also filled with wonderful moments of hope and triumph such as the abolition of slavery, the 19th Amendment that guaranteed all women the right to vote, and the Civil Rights Acts of 1964 and 1965; and

WHEREAS, here in Illinois, we have progressively expanded human rights, and in 1979, we passed a comprehensive human rights act to prohibit discrimination in employment, housing, credit transactions, and public accommodations based on age, citizenship, ethnicity, gender, race, disability, and religion. In 2005, we took another important step forward by amending the Illinois Human Rights Act to include sexual orientation; and

WHEREAS, in commemoration of the Universal Declaration’s anniversary, the Illinois Department of Human Rights will offer training sessions and seminars during the week of December 9th that focus on various topics, including Sexual Orientation and the Human Rights Act, Diversity Awareness Training, Americans with Disabilities Act Training, Race, Discrimination and Housing in Chicago, and Sexual Harassment Prevention Training:

THEREFORE, I, Rod R. Blagojevich, Governor of the State of Illinois, do hereby proclaim December 9-15, 2007 as HUMAN RIGHTS WEEK in Illinois to honor the remarkable heritage of human rights in America, and in recognition of all those who have contributed to the pursuit of equality in Illinois.

National Blood Donor Month

WHEREAS, approximately four million patients in the United States receive blood transfusions every year, and roughly 38,000 units of blood are required in hospitals and emergency treatment facilities throughout the nation on any given day; and

WHEREAS, unfortunately, even though a single donation of blood has the potential to save three lives, donations often fall short of demand. While approximately eight million volunteers donate blood every year, just one trauma patient can use more than 100 units of blood, and donated blood has a shelf life of only 42 days; and

WHEREAS, even if volunteers donate blood regularly, donors can give only one unit of blood every eight weeks. Consequently, there is a continual need to recruit more donors; and

WHEREAS, January is observed by the Illinois Coalition of Community Blood Centers and the American Red Cross of Illinois as National Blood Donor Month to promote blood donation. Community blood centers rely 100 percent on donations from volunteer donors in order to maintain a safe and viable blood supply, but less than 5 percent of the eligible population actually donates blood:

THEREFORE, I, Rod R. Blagojevich, Governor of the State of Illinois, do hereby proclaim January 2008 as NATIONAL BLOOD DONOR MONTH in Illinois, and encourage all eligible donors to step up to the challenge and donate blood.

**2007-422**  
Cervical Cancer Awareness Month

____

**WHEREAS,** January is recognized as Cervical Cancer Awareness Month, an observance that promotes education about cervical cancer screenings, treatment, and causes; and

**WHEREAS,** in 2007, an estimated 590 Illinois women will be diagnosed with cervical cancer, and an estimated 210 Illinois women will die from the disease; and

**WHEREAS,** most deaths from cervical cancer could be avoided if women had regular checkups with the Pap test. Early detection significantly increases chances of survival. In fact, if detected early, cervical cancer is nearly 100 percent curable; and

**WHEREAS,** the women at highest risk are those who do not have access to regular screenings and treatment of pre-cancerous conditions. This is why we recently expanded the Illinois Breast and Cervical Cancer Program to include all uninsured women, making Illinois the first state in the nation to ensure that all women who need access to potentially life-saving cancer screenings and treatment can get it; and

**WHEREAS,** by working together and supporting events such as the Cervical Cancer Awareness Month, we can educate women about the importance of cervical cancer screening; and

**WHEREAS,** public and private organizations within the state of Illinois and local and state government agencies are encouraged to observe the month of January of 2008 as Cervical Cancer Awareness Month in Illinois, by emphasizing and supporting a public awareness program on the importance of women's health issues, specifically, cervical health:

THEREFORE, I, Rod R. Blagojevich, Governor of the State of Illinois, do hereby proclaim January 2008 as **CERVICAL CANCER AWARENESS MONTH** in Illinois, and encourage all citizens to join in the continued fight against this disease.
WHEREAS, Dr. Blondean Davis has spent her life dedicated to the education and advancement of youth in the Chicago area; and

WHEREAS, Dr. Davis served as a teacher, counselor, assistant principal, principal, district superintendent, Deputy Chief Education Officer of Chicago Public Schools, and eventually assumed responsibility for the daily operation of over 600 Chicago schools; and

WHEREAS, since her appointment as Matteson School District 162 superintendent in 2002, Dr. Davis has realized her educational vision and guided the district with distinction and strong leadership; and

WHEREAS, as superintendent, Dr. Davis has markedly improved student achievement, improved standardized test scores by 45 percent, overseen significant capital improvements and expansions to match rising enrollment, and has implemented new technologies to tailor lessons to students' individual needs; and

WHEREAS, due to her successes as superintendent, Dr. Blondean Davis was recently selected as the 2008 Illinois Superintendent of the Year by the Illinois Association of School Administrators:

THEREFORE, I, Rod R. Blagojevich, Governor of the State of Illinois, do hereby proclaim DR. BLONDEAN Y. DAVIS SUPERINTENDENT OF THE YEAR, and I wish her continued success in the years to come.
