Jesse White Awards Grants to School Libraries

SPRINGFIELD—Secretary of State and State Librarian Jesse White has awarded Fiscal Year 2010 School District Library Program Grants totaling almost \$1.4 million to 715 Illinois public school districts. Nearly 2 million students served by school library media programs will benefit from the grants.

“Our school library media programs are more important than ever in helping students learn and prepare themselves for the future,” White said. “Several studies in recent years have shown conclusively that students perform better in the classroom in school districts that have strong library media programs. Illinois was the first state to implement a school district grant program, and I’m pleased that we can continue to provide school libraries with some of the financial resources they need to produce well-educated students.”

The School District Library Grant Program provides funds that can be used for things like the acquisition of library materials to support reading for academics and enjoyment, library subscriptions to electronic resources, or improved technology to support student research.

“As a former public school teacher and administrator who has worked with young people for many years, I’m delighted that I can award these important grants each year to enhance library resources and services to benefit millions of students,” White said.

(A list of school districts receiving grants is enclosed.)
