New Bridgeview Driver's Facility To Open

The Secretary of State's office announced that the new Bridgeview facility will be ready to serve the community on Monday, September 13th. The new location will be at 7358 W. 87th Street, approximately three blocks south and two blocks west of the old facility.

The building will be open the same hours as the old facility which is Monday through Friday, from 8:30 a.m. to 5 p.m. The facility offers services that include:

- drivers' licenses and instruction permits
- vision, written and road tests
- motorcycle road and written tests
- commercial driver's license renewal or duplicate
- duplicate licenses
- renewals
- some reinstatement fees
- identification cards
- organ/tissue donor registration
- voter registration applications
- temporary disability placards and replacements
- driver record (abstract)
- vehicle stickers for cars and pick-up trucks

The new driver's facility will offer more parking to customers and provide the same services as the previous location.
