**Jesse White has Head Shaved in support of Childhood Cancer Research
at St. Baldrick's Foundation School Challenge in Evergreen Park**

Illinois Secretary of State Jesse White joined Evergreen Park Mayor Jim Sexton, District 124 Superintendent Robert Machak and others in the St. Baldrick's Brave the Shave Chicago Area Schools Challenge. White had his head shaved to support childhood cancer research at Southwest Elementary School. The school is one of nearly 100 local schools that participated in the event, which brings students, faculty and communities together to raise funds for the largest non-governmental fundraiser of childhood cancer grants worldwide. The Jesse White Tumbling Team also performed for the students. [View the video](#)
