Midlothian Drivers Services Facility Opens Aug. 5

The Midlothian Drivers Services Facility (14434 S. Pulaski Rd.) will reopen on Wednesday, Aug. 5 as a precaution because of an employee who tested positive for COVID-19. The facility has been thoroughly cleaned and disinfected.

Secretary of State Jesse White reiterated to the public that expiration dates for driver's licenses/ID cards and vehicle registration stickers have been extended until Nov. 1, 2020 so customers do not need to rush into a facility. During hot weather it is suggested customers consider delaying their visit, but if a customer must visit a facility, they are encouraged to come prepared to wait outside due to social distancing, which limits the number of people inside a facility at one time.

Customers are also encouraged to conduct transactions online at www.cyberdriverillinois.com if possible. Those who do business online will not have to wait in line at a facility.

Customers and Secretary of State employees are required to wear face masks and social distancing measures are in place.

For all other services, please visit www.cyberdriveillinois.com.
