Elk Grove Village CDL Facility Closed Until August 22

Out of an abundance of caution, the Elk Grove Village Commercial Driver's License (CDL) facility, 650 Roppollo Dr., is closed until August 22 as a precaution because of an employee who tested positive for COVID-19.

The Illinois Department of Public Health has been consulted. Employees who work at the facility are being quarantined for 14 days and the facility is scheduled to be cleaned and sanitized according to CDC guidelines.

As a reminder, Secretary of State Jesse White has extended all expiration dates to Nov. 1, 2020 for driver's licenses/ID cards and license plate stickers so customers do not need to rush into Driver Services facilities.

White encourages people to visit www.cyberdriveillinois.com to conduct business online, such as renewing license plate stickers and obtaining duplicate driver's licenses/ID cards as well as safe driver renewals.

For customers who decide to visit a facility, masks are required. Customers are advised to come prepared to wait outside in various weather conditions. Due to social distancing, the number of people allowed inside a facility at one time is limited.

Customers can visit the nearest facilities which include West Chicago CDL, 1280 Powis Rd.; South Holland CDL, 41 W.162nd St.; and Rockford CDL, 4734 Baxter Rd.
