

**For Immediate Release:**

August 31, 2020

**Bridgeview Driver Services Facility Reopens Tuesday, Sept. 1**

The Bridgeview Driver Services Facility (7358 W. 87th St.) reopens Tuesday, Sept. 1 after closing as a precaution because of an employee who tested positive for COVID-19. The facility has been thoroughly cleaned and disinfected.

White reiterated to the public that expiration dates for driver's licenses/ID cards and vehicle registration stickers have been extended until Nov. 1, 2020, so that customers do not need to rush into a facility. During hot weather it is suggested that customers consider delaying their visit, but if customers must visit a facility, they are encouraged to come prepared to wait outside due to social distancing, which limits the number of people inside a facility at one time.

Customers are also encouraged to conduct transactions online at [www.cyberdriveillinois.com](http://www.cyberdriveillinois.com) if possible. Those who do business online will not have to wait in line at a facility.

Customers and Secretary of State employees are required to wear face masks, and social distancing measures are in place.
