Secretary of State Vehicle Show Canceled Due to COVID-19 Pandemic

The Illinois Secretary of State Vehicle Show has been canceled due to concerns regarding the COVID-19 pandemic. The well-being of car enthusiasts, participants and volunteers is too important to risk by holding such a large event, creating the potential for community spread of the virus.

The Vehicle Show had been scheduled for Saturday, Sept.12 in downtown Springfield. A date for next year's Secretary of State Vehicle Show will be announced in spring of 2021.
