

**For Immediate Release:**

July 16, 2020

**Midlothian Driver Services Facility Reopen Today, July 16**

The Midlothian Driver Services facility (14434 S. Pulaski Rd.) reopened today, July 16 after closing as a precaution because of an employee who tested positive for COVID-19.

The facility – which has hours 7:30 a.m. to 6 p.m. Tuesday through Friday and 7:30 a.m. to 2 p.m. on Saturdays – has been thoroughly cleaned and disinfected.

White reiterated to the public that expiration dates for driver's licenses/ID cards and vehicle registration stickers have been extended until Nov. 1, 2020 so customers do not need to rush into a facility. During the heat wave it is suggested customers consider delaying their visit, but if a customer must visit a facility, they are encouraged to come prepared to wait outside due to social distancing, which limits the number of people inside a facility at one time.

Customers are also encouraged to conduct transactions online at [www.cyberdriverillinois.com](http://www.cyberdriverillinois.com) if possible. Those who do business online will not have to wait in line at a facility.

As a reminder, Driver Services facilities statewide are open to serve **ONLY** new drivers, customers with expired driver's licenses/ID cards and vehicle transactions through July 31. Customers and Secretary of State employees are required to wear face masks and social distancing measures are in place.

For all other services, please visit [www.cyberdriveillinois.com](http://www.cyberdriveillinois.com).
