Elk Grove CDL Driver Services Facility Opens Nov. 4

The Elk Grove Village Commercial Driver's License (CDL) facility located at 650 Roppollo Dr. will reopen on Wednesday, Nov. 4. Out of an abundance of caution, the facility was closed because of an employee who tested positive for COVID-19. The facility has been thoroughly sanitized and disinfected.

Secretary of State Jesse White reiterated to the public that expiration dates for driver's licenses/ID cards have been extended until Feb. 1, 2021, so customers do not need to rush into a facility.

White encourages people to conduct business online at www.cyberdriveillinois.com for services such as renewing license plate stickers, obtaining replacement driver's licenses/ID cards and safe driver renewals.

For customers who decide to visit a facility, masks are required, and people are advised to come prepared to wait outside in various weather conditions. Due to social distancing, the number of people allowed inside a facility at one time is limited.
