West Chicago CDL and Aurora Drivers Services Facilities Open Thursday, Nov. 5

The West Chicago Commercial Driver's License (CDL) Facility (1280 Powis Rd.) and the Aurora Driver Services facility (339 E. Indian Trail) will reopen on Thursday, Nov. 5.

Out of an abundance of caution, the facilities were closed because of an employee who tested positive for COVID-19. The facilities were thoroughly cleaned and disinfected.

Secretary of State Jesse White reiterated to the public that expiration dates for driver's licenses/ID cards have been extended until Feb. 1, 2021, so customers do not need to rush into a facility.

White encourages people to conduct business online at www.cyberdriveillinois.com for services such as renewing license plate stickers, obtaining replacement driver's licenses/ID cards and safe driver renewals.

For customers who decide to visit a facility, masks are required, and people are advised to come prepared to wait outside in various weather conditions. Due to social distancing, the number of people allowed inside a facility at one time is limited.
