November 9, 2020

Belleville Driver Services Facility Reopening Nov. 10

The Belleville Driver Services facility (400 W. Main) will reopen on Tuesday, Nov. 10. Out of an abundance of caution, the facility was closed because of an employee who tested positive for COVID-19. The facility has been disinfected and sanitized according to CDC guidelines.

Secretary of State Jesse White reiterated to the public that he has extended expiration dates to Feb. 1, 2021, for driver's licenses/ID cards so customers do not need to rush into Driver Services facilities.

White encourages people to conduct business online at www.cyberdriveillinois.com for services such as renewing license plate stickers, obtaining replacement driver's licenses/ID cards and safe driver renewals.

For customers who decide to visit a facility, masks are required and people are advised to come prepared to wait outside in various weather conditions. Due to social distancing, the number of people allowed inside a facility at one time is limited.
