Chicago North Driver Services Section Closed Until Nov. 21

Out of an abundance of caution, the Chicago North Driver Services section (5401 N. Elston Ave.) is closed until Saturday, Nov. 21 because of an employee who tested positive for COVID-19. The vehicles section of the facility remains open.

The Illinois Department of Public Health has been consulted. Employees who work at the facility are being quarantined for 14 days, and the facility is scheduled to be disinfected and sanitized according to CDC guidelines.

As a reminder, Secretary of State Jesse White has extended expiration dates to Feb. 1, 2021, for driver's licenses/ID cards, so customers do not need to rush into Driver Services facilities.

White encourages people to conduct business online at www.cyberdriveillinois.com for services such as renewing license plate stickers, obtaining replacement driver's licenses/ID cards and renewing as a safe driver.

For customers who decide to visit a facility, masks are required, and people are advised to come prepared to wait outside in various weather conditions. Due to social distancing, the number of people allowed inside a facility at one time is limited.

Drivers can find the nearest facility by visiting www.cyberdriveillinois.com.
