

For Immediate Release:

October 2, 2020

Rockford CDL Driver Services Facilities Closed
Rockford Central and Roscoe to Reopen Oct. 6 and 7

Out of an abundance of caution, the Rockford CDL Facility (4734 Baxter Rd.) is closed until Oct. 13 because of an employee who tested positive for COVID-19.

The Illinois Department of Public Health has been consulted. Employees who work at the facility are being quarantined for 14 days and the facility is scheduled to be cleaned and sanitized according to CDC guidelines.

In addition, the Rockford Central Driver Services Facility (3720 E. State St.) will reopen on Tuesday, Oct. 6, and the Roscoe Driver Services Facility (10631 Main St. in Village Hall) will reopen on Wednesday, Oct. 7, after closing because of an employee who tested positive for COVID-19.

As a reminder, Secretary of State Jesse White has extended expiration dates to Feb. 1, 2021, for driver's licenses/ID cards so customers do not need to rush into Driver Services facilities. License plate stickers remain extended until Nov. 1, 2020.

White encourages people to conduct business online at www.cyberdriveillinois.com for services such as renewing license plate stickers, obtaining replacement driver's licenses/ID cards and safe driver renewals.

For customers who decide to visit a facility, masks are required and people are advised to come prepared to wait outside in various weather conditions. Due to social distancing, the number of people allowed inside a facility at one time is limited.

Drivers can visit the nearest facilities, which include Rockford Express, 3214 Auburn St.; Belvidere, 425 Southtowne Dr.; and Freeport, 1054 N. Riverside Dr.
