Midlothian Driver Services Facility Closed Until April 22

Out of an abundance of caution, the Midlothian Drivers Services Facility (14434 S. Pulaski Rd.) is closed until April 22 as a precaution because of an employee who tested positive for COVID-19.

According to the Illinois Department of Public Health guidelines, employees who work at the facility are being quarantined for 14 days. The facility is scheduled to be cleaned and sanitized according to CDC guidelines.

As a reminder, Secretary of State Jesse White has extended expiration dates to Aug. 1, 2021 for driver's licenses and ID cards so customers do not need to rush into Driver Services facilities.

White encourages people to conduct business online at www.cyberdriveillinois.com such as renewing license plate stickers as well as renewing driver's licenses and ID cards for those who qualify.

For customers who decide to visit a facility, masks are required and people are advised to come prepared to wait outside in various weather conditions. Due to social distancing, the number of people allowed inside a facility at one time is limited.

Drivers can visit the nearest facilities which include Chicago South, 9901 S. Martin Luther King Jr. Dr., Bridgeview, 7358 W. 87th St., and Joliet at 201 S. Joyce Rd.
