**White Announces Reopening of Chicago West Driver Services Facility**

Secretary of State Jesse White announced that the Chicago West Driver Services facility, 5301 W. Lexington Avenue, is now open.

“I am pleased that we reopened the Chicago West Driver Services facility to serve customers on the city’s West Side,” said Secretary White.

The Chicago West facility was closed since Sept. 1, 2020, due to sewer work being performed by the City of Chicago. The hours for Chicago West are Monday from 7:30 a.m. to 2 p.m.; Tuesday through Friday from 7:30 a.m. to 5 p.m.; and Saturday from 7:30 a.m. to 2 p.m.

As a reminder, White has extended all driver’s license and ID card expiration dates to Aug. 1, 2021, so customers do not need to rush into a Driver Services facility. In addition, the U.S. Department of Homeland Security has extended the federal REAL ID deadline to May 3, 2023.

White has expanded online services and encourages the public to visit his office’s website at [www.cyberdriveillinois.com](http://www.cyberdriveillinois.com) instead of visiting a Driver Services facility. Many transactions can be conducted online including the purchase of license plate stickers, obtaining a duplicate driver’s license/ID card, and renewing a standard driver’s license or ID card for those who are eligible.
