**Roanoke Driver Services Facility Set to Relocate March 23**

*Service at current location to close March 13*

Illinois Secretary of State Jesse White announced today that the Roanoke Driver Services facility located at 106 W. Broad St. will be relocating to 102A North 6th St. The new facility is approximately 2,561 square feet, which is about 1,000 square feet larger than the current facility. The last day of service at the current facility will be at the end of business on Saturday, March 13, and services will begin at the new location on Tuesday, March 23. Closing on the 13th will provide the time needed to ensure the equipment, computers and phone lines are in working order on March 23.

“This new facility is conveniently located,” said White. “It is much larger than the facility on Broad St. and will serve Roanoke and the surrounding communities well.”

White’s office has been working with the new landlord who, as part of the 10-year lease agreement, is in charge of making necessary modifications to the building. These modifications, standard when opening a Driver Services facility at a new site, are designed to maximize the facility’s traffic flow and efficiency.

As a reminder, Illinois Secretary of State Jesse White has extended all expiration dates to June 1, 2021, for driver’s licenses and ID cards. White encourages people to conduct business online at [www.cyberdriveillinois.com](http://www.cyberdriveillinois.com) for services, such as renewing license plate stickers, driver’s licenses and ID cards for those who are eligible.

For customers who decide to visit a facility, masks are required. Customers are advised to come prepared to wait outside because, due to social distancing, the number of people allowed inside a facility at one time is limited.

After March 13, and before the new facility opens on March 23, customers are encouraged to visit the nearest Driver Services facilities, including:

- Lacon at 127 Prairie St.
- Peoria in the Sterling Bazaar Shopping Plaza
- Bloomington at 1510 W. Market St.
