PUBLIC ACT 92-0116
(Senate Bill No. 0195)

AN ACT concerning civil procedure.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Code of Civil Procedure is amended by changing Section 2-616 as follows:
(735 ILCS 5/2-616) (from Ch. 110, par. 2-616)
Sec. 2-616. Amendments. (a) At any time before final judgment amendments may be allowed
on just and reasonable terms, introducing any party who ought to have been joined as plaintiff or
defendant, dismissing any party, changing the cause of action or defense or adding new causes of
action or defenses, and in any matter, either of form or substance, in any process, pleading, bill of
particulars or proceedings, which may enable the plaintiff to sustain the claim for which it was
intended to be brought or the defendant to make a defense or assert a cross claim.
(b) The cause of action, cross claim or defense set up in any amended pleading shall not be
barred by lapse of time under any statute or contract prescribing or limiting the time within which an
action may be brought or right asserted, if the time prescribed or limited had not expired when the
original pleading was filed, and if it shall appear from the original and amended pleadings that the
cause of action asserted, or the defense or cross claim interposed in the amended pleading grew out
of the same transaction or occurrence set up in the original pleading, even though the original pleading
was defective in that it failed to allege the performance of some act or the existence of some fact or
some other matter which is a necessary condition precedent to the right of recovery or defense asserted,
if the condition precedent has in fact been performed, and for the purpose of preserving the
cause of action, cross claim or defense set up in the amended pleading, and for that purpose only, an
amendment to any pleading shall be held to relate back to the date of the filing of the original pleading
so amended.
(c) A pleading may be amended at any time, before or after judgment, to conform the
pleadings to the proofs, upon terms as to costs and continuance that may be just.
(d) A cause of action against a person not originally named a defendant is not barred by lapse
of time under any statute or contract prescribing or limiting the time within which an
action may be brought or right asserted, if all the following terms and conditions are met: (1) the time prescribed or
limited had not expired when the original action was commenced; (2) failure to join the person as a
defendant was inadvertent; (3) service of summons was in fact had upon the person, his or her agent
or partner, as the nature of the defendant made appropriate, even though he or she was served in the
wrong capacity or as agent of another, or upon a trustee who has title to but no power of management
or control over real property constituting a trust of which the person is a beneficiary; (4) the person,
within the time that the action might have been brought or the right asserted against him or her plus the time for service permitted under Supreme Court Rule 103(b), received such notice of the
commencement of the action that the person will not be prejudiced in maintaining a defense on the merits and knew or should have known that, but for a mistake concerning the identity of the proper party, the action would have been brought against him or her; and (3) it appears from the original and amended pleadings that the cause of action asserted in the amended pleading grew out of the same transaction or occurrence set up in the original pleading, even though the original pleading was defective in that it failed to allege the performance of some act or the existence of some fact or some other matter which is a necessary condition precedent to the right of recovery when the condition precedent has in fact been performed, and even though the person was not named originally as a defendant. For the purpose of preserving the cause of action under those conditions, an amendment adding the person as a defendant relates back to the date of the filing of the original pleading so amended.

(e) A cause of action against a beneficiary of a land trust not originally named a defendant is not barred by lapse of time under any statute or contract prescribing or limiting the time within which an action may be brought or right asserted, if all the following terms and conditions are met: (1) the cause of action arises from the ownership, use or possession of real estate, record title whereto is held by a land trustee; (2) the time prescribed or limited had not expired when the original action was commenced; (3) the land trustee of record is named as a defendant; and (4) the plaintiff proceeds with reasonable diligence subsequent to the commencement of the action to serve process upon the land trustee, to determine the identity of the beneficiary, and to amend the complaint to name the beneficiary as a defendant.

(f) The changes made by this amendatory Act of the 92nd General Assembly apply to all complaints filed on or after the effective date of this amendatory Act, and to complaints filed before the effective date of this amendatory Act if the limitation period has not ended before the effective date.

The Secretary must notify the applicant at the time of application that his signature constitutes consent to registration with the Selective Service System, if he is not already registered.

AN ACT in relation to older persons and persons with disabilities.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Prevention of Unnecessary Institutionalization Act.

Section 5. Findings. The General Assembly finds that it is far preferable for older persons and adults and children with disabilities to live in their own homes or in the homes of family members in their own communities rather than in more restrictive institutionalized settings removed from their friends and loved ones. The General Assembly further finds that older persons and adults and children with disabilities often are unnecessarily placed or forced to remain in institutionalized settings due to the lack of resources needed to make modifications to their dwellings or to obtain assistive technology devices to enable them to remain in or return to their homes and communities. The General Assembly further finds that it is in the best interests of the State of Illinois to support community-based living for older persons and adults and children with disabilities by implementing a program to enable them to make modifications to their dwellings or to obtain assistive technology devices to avoid unnecessary placement outside of their own homes and communities.

Section 10. Purpose. The purpose of this Act is to authorize the Department of Human Services and the Department on Aging to jointly establish a program to provide funding for necessary structural modifications and assistive technology devices to enable older persons and adults and children with disabilities to remain in or return to their homes or other dwellings of their choice within their community in order to allow them to live as independently as possible for as long as possible.

Section 15. Definitions. As used in this Act:

"Assistive technology device" means an item, piece of equipment, or product system, whether acquired commercially, modified, or customized, that is used to increase, maintain, or improve functional capabilities of individuals with disabilities and older persons.

"Structural modification" means a change to a dwelling that enhances its usability or accessibility or both for a resident who has a disability or is an older person.

Section 20. Program. Subject to appropriation for these purposes, the Department of Human Services and the Department on Aging shall jointly establish a Prevention of Unnecessary Institutionalization Grant and Loan Program. The Program shall have 2 components. One component shall be administered by the Department of Human Services and the other component shall be administered by the Department on Aging. The Department of Human Services and the Department on Aging shall cooperate in the overall administration of the Program.

Section 25. Eligibility. Persons age 60 or over and adults and children with disabilities shall be eligible for grants or loans or both under the Program established by this Act if they have one or more verifiable impairments that substantially limits one or more of life's major activities for which some modification of their dwelling or assistive technology devices, or both, are required which they are unable to afford because of limited resources. Preference shall be given to applicants who: (1) are at imminent risk of institutionalization or who are already in an institutional setting but are ready to return to the community and who would be able to live in the community if modifications are made or they have the needed assistive technology devices, (2) have inadequate resources or no current access to resources as a result of the geographic location of their dwelling, the lack of other available State or federal funds such as the Community Development Block Grant or rural housing assistance programs or income limitations such as the inability to qualify for a low-interest loan, or (3) have access to other resources, but those resources are insufficient to complete the necessary modifications or acquire the needed assistive technology devices. Adults under 60 years of age with disabilities and children with disabilities shall receive services under the component of the Program administered by...
the Department of Human Services. An adult 60 years of age or older may elect to receive services
under the component administered by the Department of Human Services if, at the time he or she
reached age 60, he or she was already receiving Home Services under subsection (f) of Section 3 of
the Disabled Persons Rehabilitation Act or he or she was already receiving services under the
component of the Program administered by the Department of Human Services. All other adults 60
years of age or older receiving services under the Program shall receive services under the component
administered by the Department on Aging.

Section 30. Rulemaking. The Department of Human Services and the Department on Aging
shall jointly adopt administrative rules governing the Program consistent with this Act.

Section 35. Advisory Committee. The Department of Human Services and the Department
on Aging shall jointly establish an Advisory Committee for the Prevention of Unnecessary
Institutionalization Program to advise the Secretary of Human Services and the Director on Aging on
rulemaking, policies, and procedures under which the Program shall operate. The Advisory Committee
shall consist of 11 members and shall include at least three individuals under the age of 60
representing different disabilities appointed by the Secretary of Human Services, three individuals age
60 or over representing different disabilities appointed by the Director on Aging, a representative of
an Area Agency on Aging, the Executive Director of the Statewide Independent Living Council or his
or her designee, a representative from the construction industry who specializes in home modifications
for individuals with disabilities and older persons, the Executive Director of the Illinois Assistive
Technology Project or his or her designee, and the Executive Director of the Coalition of Citizens with
Disabilities in Illinois or his or her designee.

Section 99. Effective date. This Act takes effect upon becoming law.

PUBLIC ACT 92-0123
(Senate Bill No. 0859)

AN ACT in relation to emergency management assistance.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 1. Short title. This Act may be cited as the Emergency Management Assistance
Compact Act.
Section 5. Emergency Management Assistance Compact. The State of Illinois ratifies and
approves the Emergency Management Assistance Compact and enters into the Compact in
substantially the following form:

ARTICLE I. Purposes and Authorities
This compact is made and entered into by and between the participating member states which
enact this compact, hereinafter called party states. For the purposes of this agreement, the term "states"
is taken to mean the several states, the Commonwealth of Puerto Rico, the District of Columbia, and
all U.S. territorial possessions.

The purpose of this compact is to provide for mutual assistance between the states entering
into this compact in managing any emergency or disaster that is duly declared by the governor of the
affected state(s), whether arising from natural disaster, technological hazard, man-made disaster, civil
emergency aspects of resources shortages, community disorders, insurgency, or enemy attack.

This compact shall also provide for mutual cooperation in emergency-related exercises,
testing, or other training activities using equipment and personnel simulating performance of any
aspect of the giving and receiving of aid by party states or subdivisions of party states during
emergencies, such actions occurring outside actual declared emergency periods. Mutual assistance in
this compact may include the use of the states' National Guard forces, either in accordance with the
National Guard Mutual Assistance Compact or by mutual agreement between states.

ARTICLE II. General Implementation
Each party state entering into this compact recognizes many emergencies transcend political
jurisdictional boundaries and that intergovernmental coordination is essential in managing these and
other emergencies under this compact. Each state further recognizes that there will be emergencies

New matter indicated by italics - deletions by strikeout.
which require immediate access and present procedures to apply outside resources to make a prompt and effective response to such an emergency. This is because few, if any, individual states have all the resources they may need in all types of emergencies or the capability of delivering resources to areas where emergencies exist.

The prompt, full, and effective utilization of resources of the participating states, including any resources on hand or available from the federal government or any other source, that are essential to the safety, care, and welfare of the people in the event of any emergency or disaster declared by a party state, shall be the underlying principle on which all articles of this compact shall be understood.

On behalf of the governor of each state participating in the compact, the legally designated state official who is assigned responsibility for emergency management will be responsible for formulation of the appropriate interstate mutual aid plans and procedures necessary to implement this compact.

ARTICLE III. Party State Responsibilities

(a) It shall be the responsibility of each party state to formulate procedural plans and programs for interstate cooperation in the performance of the responsibilities listed in this article. In formulating such plans, and in carrying them out, the party states, insofar as practical, shall:

(i) Review individual state hazards analyses and, to the extent reasonably possible, determine all those potential emergencies the party states might jointly suffer, whether due to natural disaster, technological hazard, man-made disaster, emergency aspects of resource shortages, civil disorders, insurgency, or enemy attack.

(ii) Review party states' individual emergency plans and develop a plan which will determine the mechanism for the interstate management and provision of assistance concerning any potential emergency.

(iii) Develop interstate procedures to fill any identified gaps and to resolve any identified inconsistencies or overlaps in existing or developed plans.

(iv) Assist in warning communities adjacent to or crossing the state boundaries.

(v) Protect and assure uninterrupted delivery of services, medicines, water, food, energy and fuel, search and rescue, and critical lifeline equipment, services, and resources, both human and material.

(vi) Inventory and set procedures for the interstate loan and delivery of human and material resources, together with procedures for reimbursement or forgiveness.

(vii) Provide, to the extent authorized by law, for temporary suspension of any statutes.

(b) The authorized representative of a party state may request assistance of another party state by contacting the authorized representative of that state. The provisions of this agreement shall only apply to requests for assistance made by and to authorized representatives. Requests may be verbal or in writing. If verbal, the request shall be confirmed in writing within 30 days of the verbal request. Requests shall provide the following information:

(i) A description of the emergency service function for which assistance is needed, such as but not limited to fire services, law enforcement, emergency medical, transportation, communications, public works and engineering, building inspection, planning and information assistance, mass care, resource support, health and medical services, and search and rescue.

(ii) The amount and type of personnel, equipment, materials and supplies needed, and a reasonable estimate of the length of time they will be needed.

(iii) The specific place and time for staging of the assisting party's response and a point of contact at that location.

(c) There shall be frequent consultation between state officials who have assigned emergency management responsibilities and other appropriate representatives of the party states with affected jurisdictions and the United States government, with free exchange of information, plans, and resource records relating to emergency capabilities.

ARTICLE IV. Limitations

Any party state requested to render mutual aid or conduct exercises and training for mutual aid shall take such action as is necessary to provide and make available the resources covered by this compact in accordance with the terms hereof; provided that it is understood that the state rendering aid may withhold resources to the extent necessary to provide reasonable protection for such state.

Each party state shall afford to the emergency forces of any party state, while operating within its state limits under the terms and conditions of this compact, the same powers (except that of arrest unless specifically authorized by the receiving state), duties, rights, and privileges as are afforded forces of the state in which they are performing emergency services. Emergency forces will continue under the command and control of their regular leaders, but the organizational units will come under the operational control of the emergency services authorities of the state receiving assistance. These conditions may be activated, as needed, only subsequent to a declaration of a state of emergency or disaster by the governor of the party state that is to receive assistance or commencement of exercises or training for mutual aid and shall continue so long as the exercises or training for mutual aid are in progress, the state of emergency or disaster remains in effect or loaned resources remain in the receiving state(s), whichever is longer.

ARTICLE V. Licenses and Permits
Whenever any person holds a license, certificate, or other permit issued by any state party to the compact evidencing the meeting of qualifications for professional, mechanical, or other skills, and when such assistance is requested by the receiving party state, such person shall be deemed licensed, certified, or permitted by the state requesting assistance to render aid involving such skill to meet a declared emergency or disaster, subject to such limitations and conditions as the governor of the requesting state may prescribe by executive order or otherwise.

ARTICLE VI. Liability
Officers or employees of a party state rendering aid in another state pursuant to this compact shall be considered agents of the requesting state for tort liability and immunity purposes; and no party state or its officers or employees rendering aid in another state pursuant to this compact shall be liable on account of any act or omission in good faith on the part of such forces while so engaged or on account of the maintenance or use of any equipment or supplies in connection therewith. Good faith in this article shall not include willful misconduct, gross negligence, or recklessness.

ARTICLE VII. Supplementary Agreements
Inasmuch as it is probable that the pattern and detail of the machinery for mutual aid among two or more states may differ from that among the states that are party hereto, this instrument contains elements of a broad base common to all states, and nothing herein contained shall preclude any state from entering into supplementary agreements with another state or affect any other agreements already in force between states. Supplementary agreements may comprehend, but shall not be limited to, provisions for evacuation and reception of injured and other persons and the exchange of medical, fire, police, public utility, reconnaissance, welfare, transportation and communications personnel, and equipment and supplies.

ARTICLE VIII. Compensation
Each party state shall provide for the payment of compensation and death benefits to injured members of the emergency forces of that state and representatives of deceased members of such forces in case such members sustain injuries or are killed while rendering aid pursuant to this compact, in the same manner and on the same terms as if the injury or death were sustained within their own state.

ARTICLE IX. Reimbursement
Any party state rendering aid in another state pursuant to this compact shall be reimbursed by the party state receiving such aid for any loss or damage to or expense incurred in the operation of any equipment and the provision of any service in answering a request for aid and for the costs incurred in connection with such requests; provided, that any aiding party state may assume in whole or in part such loss, damage, expense, or other cost, or may loan such equipment or donate such services to the receiving party state without charge or cost; and provided further, that any two or more party states may enter into supplementary agreements establishing a different allocation of costs among those states. Article VIII expenses shall not be reimbursable under this provision.

ARTICLE X. Evacuation
Plans for the orderly evacuation and interstate reception of portions of the civilian population as the result of any emergency or disaster of sufficient proportions to so warrant, shall be worked out and maintained between the party states and the emergency management services directors of the various jurisdictions where any type of incident requiring evacuations might occur. Such plans shall be put into effect by request of the state from which evacuees come and shall include the manner of transporting such evacuees, the number of evacuees to be received in different areas, the manner in
which food, clothing, housing, and medical care will be provided, the registration of the evacuees, the providing of facilities for the notification of relatives or friends, and the forwarding of such evacuees to other areas or the bringing in of additional materials, supplies, and all other relevant factors. Such plans shall provide that the party state receiving evacuees and the party state from which the evacuees come shall mutually agree as to reimbursement of out-of-pocket expenses incurred in receiving and caring for such evacuees, for expenditures for transportation, food, clothing, medicines and medical care, and like items. Such expenditures shall be reimbursed as agreed by the party state from which the evacuees come. After the termination of the emergency or disaster, the party state from which the evacuees come shall assume the responsibility for the ultimate support of repatriation of such evacuees.

ARTICLE XI. Implementation

(a) This compact shall become operative immediately upon its enactment into law by any two (2) states; thereafter, this compact shall become effective as to any other state upon its enactment by such state.

(b) Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until 30 days after the governor of the withdrawing state has given notice in writing of such withdrawal to the governors of all other party states. Such action shall not relieve the withdrawing state from obligations assumed hereunder prior to the effective date of withdrawal.

(c) Duly authenticated copies of this compact and of such supplementary agreements as may be entered into shall, at the time of their approval, be deposited with each of the party states and with the Federal Emergency Management Agency and other appropriate agencies of the United States government.

ARTICLE XII. Validity

This Act shall be construed to effectuate the purposes stated in Article I hereof. If any provision of this compact is declared unconstitutional, or the applicability thereof to any person or circumstances is held invalid, the constitutionality of the remainder of this Act and the applicability thereof to other persons and circumstances shall not be affected thereby.

ARTICLE XIII. Additional Provisions

Nothing in this compact shall authorize or permit the use of military force by the National Guard of a state at any place outside that state in any emergency for which the President is authorized by law to call into federal service the militia, or for any purpose for which the use of the Army or the Air Force would in the absence of express statutory authorization be prohibited under Section 1385 of title 18, United States Code.

PUBLIC ACT 92-0124
(Senate Bill No. 0864)

AN ACT concerning reinsurance.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Insurance Code is amended by adding Article XIE as follows:
(215 ILCS 5/Art. XIE heading new)
ARTICLE XIE. Special Purpose Reinsurance Vehicle Law
(215 ILCS 5/179E-1 new)
Sec. 179E-1. Short title. This Article may be cited as the Special Purpose Reinsurance Vehicle Law.
(215 ILCS 5/179E-5 new)
Sec. 179E-5. Purpose. This Article is adopted to provide for the creation of Special Purpose Reinsurance Vehicles ("SPRV") exclusively to facilitate the securitization of one or more ceding

insurers' risk as a means of accessing alternative sources of capital and achieving the benefits of securitization. Investors in fully funded insurance securitization transactions provide funds that are available to the SPRV to secure the aggregate limit under an SPRV contract that provides coverage against the occurrence of a triggering event. The creation of SPRVs is intended to achieve greater efficiencies in conducting insurance securitizations, to diversify and broaden insurers' access to sources of risk bearing capital, and to make insurance securitization generally available on reasonable terms to as many U.S. insurers as possible.

Under the terms of the typical securities underlying an insurance securitization transaction, proceeds from the issuance of securities are repaid to the investor on a specified maturity date with interest or dividends unless a triggering event occurs. The insurance securitization proceeds are available to pay the SPRV's obligations to the ceding insurer if the triggering event occurs, as well as being available to satisfy the SPRV's obligation to repay the insurance securitization investors if a triggering event does not occur. Insurance securitization transactions have been performed by alien companies to utilize efficiencies available to those alien companies that are not currently available to domestic companies. This Article is adopted to allow more efficiency in conducting insurance securitizations, to allow ceding insurers easier access to alternative sources of risk bearing capital, and to promote the benefits of insurance securitization to U.S. insurers.

(215 ILCS 5/179E-10 new)
Sec. 179E-10. Exemption from insurance laws within limitations.
(a) An SPRV is subject to the following:
   (1) Articles I, XII 1/2, XXIV, XXV (Sections 408 and 412 only), and XXVIII (except for Sections 443, 443.1, 443.2, 443.3, 443.4, and 443.5) of this Code; and
   (2) Sections 132.1 through 134, 137 through 140, 155.01, 155.03, and 155.04 of this Code.
(b) No other provisions of this Code apply to an SPRV organized under this Article, except as otherwise provided in this Article.

(215 ILCS 5/179E-15 new)
Sec. 179E-15. Definitions. For purposes of this Article, the following terms have the indicated meanings:
"Aggregate limit" means the maximum sum payable to the ceding insurer under an SPRV contract.
"Ceding insurer" means one or more insurers or reinsurers under common control that enters into an SPRV contract with an SPRV.
"Control" (including the terms "controlling," "controlled by," and "under common control with") means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or non-management services, or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control shall be presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing, 10% or more of the voting securities of any other person. This presumption may be rebutted by a showing that control does not, in fact, exist. Notwithstanding the foregoing, for purposes of this Article, the fact that an SPRV exclusively provides reinsurance to a ceding insurer under an SPRV contract shall not by itself be sufficient grounds for a finding that the SPRV or the SPRV organizer or owner is controlled by or under common control with the ceding insurer.
"Fair Value" means:
   (1) as to cash, the amount thereof; and
   (2) as to an asset other than cash:
      (A) the amount at which that asset could be bought or sold in a current transaction between arms-length, willing parties;
      (B) quoted market price for the asset in active markets should be used if available; and
      (C) if quoted market prices are not available, a value determined using the best information available considering values of like assets and other valuation methods, such as present value of future cash flows, historical value of the same or similar assets or

New matter indicated by italics - deletions by strikeout.
comparison to values of other asset classes the value of which have been historically related to the subject asset.

"Fully funded" means that, with respect to an SPRV contract, the fair value of the assets held in trust by or on behalf of the SPRV under the SPRV contract on the date on which the SPRV contract is effected, equals or exceeds the aggregate limit as defined in this Article.

"Indemnity trigger" means a transaction term by which the SPRV's obligation to pay the ceding insurer for losses covered by an SPRV contract is triggered by the ceding insurer incurring a specified level of losses.

"Insolvency" or "insolvent" means that the SPRV is unable to pay its obligations when they are due, unless those obligations are the subject of a bona fide dispute.

"Non-indemnity trigger" means a transaction term by which the SPRV's obligation to pay the ceding insurer under an SPRV contract arises from the occurrence or existence of some event or condition other than the ceding insurer incurring a specified level of losses under its insurance or reinsurance contracts.

"Permitted investments" means those investments that meet the qualifications set forth in Section 179E-85.

"Qualified U.S. financial institution" means, for purposes of meeting the requirements of a trustee under this Article, a financial institution that is eligible to act as a fiduciary of a trust, and that is:

(1) organized or, in the case of a U.S. branch or agency office of a foreign banking organization, licensed, under the laws of the United States or any state of the United States; and

(2) regulated, supervised, and examined by federal or state authorities having regulatory authority over banks and trust companies.

"Special purpose reinsurance vehicle" or "SPRV" means an entity, domiciled in and organized under the laws of this State, that has received a limited certificate of authority from the Director under this Article exclusively for the limited purpose of entering into and effectuating SPRV insurance securitizations, SPRV contracts, and other related transactions permitted by this Article.

"SPRV contract" means a contract between the SPRV and the ceding insurer pursuant to which the SPRV agrees to pay the ceding insurer an agreed amount upon the occurrence of a triggering event.

"SPRV insurance securitization" means a package of related risk transfer instruments and facilitating administrative agreements by which proceeds are obtained by an SPRV through the issuance of securities, which proceeds are held in trust pursuant to the requirements of this Article to secure the obligations of the SPRV under an SPRV contract with one or more ceding insurers, wherein the SPRV’s obligation to return the full initial investment to the holders of those securities, pursuant to the transaction terms, is contingent upon those funds not being used to pay the obligations of the SPRV to the ceding insurers under the SPRV Contract.

"SPRV organizer" means one or more persons who have organized or intend to organize an SPRV under authority obtained pursuant to Section 179E-20.

"SPRV securities" means the securities issued by an SPRV.

"Triggering event" means an event or condition that, if and when it occurs or exists, obligates the SPRV to make a payment to the ceding insurer under the provisions of an SPRV contract.

Sec. 179E-20. Limited certificate of authority.

(a) Within 30 days after receipt by the Director of a complete filing by the prospective SPRV organizer for authority to form or acquire an SPRV, which SPRV shall exist and operate expressly for the limited purposes set forth in this Article, the application shall be deemed approved and a limited certificate of authority shall be issued, unless before the expiration of the 30-day period the Director approves or disapproves the application in writing. A limited certificate of authority may not be issued unless the country or state of domicile of each ceding insurer has notified the Director in writing that they have not disapproved the transaction. A complete filing of the application must include the following:

(1) an affidavit verifying that each prospective SPRV organizer the SPRV meets the requirements as set forth in this Article;
(2) a representation that the prospective SPRV organizer intends to form an SPRV to operate in accordance with the requirements set forth in this Article;

(3) the proposed name of the subject SPRV;

(4) biographical descriptions of each SPRV organizer setting forth their legal names, any names under which they have or are conducting their affairs, and any affiliations with other persons as defined in Article VIII 1/2, together with such other biographical information as the Director may request;

(5) the source and form of the minimum capital to be contributed to the SPRV;

(6) any persons with which the SPRV is or, upon formation, will be affiliated as defined in Article VIII 1/2;

(7) the names and biographical information of the proposed members of the board of directors and principal officers of the SPRV, setting forth their legal names, any names under which they have or are conducting their affairs and any affiliations with other persons as defined in Article VIII 1/2, together with such other biographical information as the Director may request; and

(8) a plan of operation, consisting of a description of the contemplated insurance securitization, the SPRV contract, and related transactions, which plan of operation must include:

(A) draft documentation or, at the discretion of the Director, a written summary, of all material agreements that will be entered into to effectuate the insurance securitization and the related SPRV contract, including the names of the ceding insurers, the nature of the risks being assumed, and the maximum amounts, purpose, nature, and interrelationships of the various transactions required to effectuate the insurance securitization;

(B) the investment strategy of the SPRV and a representation that (i) the investment strategy complies with the investment requirements set forth in this Article and (ii) includes investment practices or other provisions to preserve asset values that will facilitate attainment of full funding during the term of the securitization with assets that can be monetized in response to a triggering event without a substantial loss in value;

(C) a description of the method by which losses covered by the SPRV contract that may develop after the termination of the contract period are to be addressed under the provisions of the SPRV contract; and

(D) a representation that the trust agreement and the trusts holding assets that secure the obligations of the SPRV under the SPRV contract and the SPRV contract with the ceding insurers in connection with the contemplated insurance securitization will be structured in accordance with the requirements set forth in this Article.

(b) The Director may not approve the application or issue a limited certificate of authority until he or she has found that the proposed plan of operation provides a reasonable expectation of a successful operation, based on the proposed SPRV organizer, directors, and officers being of known good character and that there is no good reason to believe that they are affiliated, directly or indirectly, through ownership, control, management, reinsurance transactions, or other insurance or business relations with any person or persons known to have been involved in the improper manipulation of assets, accounts or reinsurance.

(c) Upon approval by the Director of the application and the issuance of a limited certificate of authority, the SPRV may enter into contracts and conduct other activities within the parameters set forth in the filed plan of operation.

(d) The limited certificate of authority so issued shall state that the SPRV’s authorization to be involved in the business of reinsurance is limited to only the reinsurance activities that the SPRV is allowed to conduct under this Article.

(e) The SPRV organizer must provide a complete set of the documentation of the insurance securitization to the Director upon closing of the transactions including, but not limited to, an opinion of legal counsel with respect to compliance with this and any other applicable laws as of the effective date of the transaction. Any material change of the SPRV’s plan of operation described in items (1) through (8) of subsection (a) including, but not limited to, the issuance of new securities to continue
the securitization activities of the SPRV under this Article after expiration and full satisfaction of the initial securitization transactions, requires prior approval of the Director, however, a change in the counterparty to swap transactions for an existing securitization as allowed under this Article shall not be deemed a material change. Any material change that is not disapproved by the Director in writing within 15 days after its submission shall be deemed approved.

(215 ILCS 5/179E-25 new)

Sec. 179E-25. Limited purpose of SPRV. This Article authorizes SPRVs to be created for the limited purpose of entering into insurance securitization transactions with investors and into related agreements to pay one or more ceding insurers agreed upon amounts under an SPRV contract upon the occurrence of triggering events related to the insurance business of the ceding insurer. An SPRV may not issue a contract for assumption of risk or indemnification of loss other than an SPRV contract as defined herein.

(215 ILCS 5/179E-30 new)

Sec. 179E-30. Approved transactions and operation of SPRVs.

(a) SPRVs authorized under this Article may at any given time enter into and effectuate SPRV contracts with one or more ceding insurers, provided that the SPRV contracts obligate the SPRV to indemnify the ceding insurer for losses and that contingent obligations of the SPRV under the SPRV contracts are securitized in full through a single SPRV insurance securitization and are fully funded and secured with assets held in trust in accordance with the requirements of this Article pursuant to agreements contemplated by this Article and invested in a manner that meets the criteria set forth in Section 179E-85 of this Article.

(b) An SPRV may enter into such agreements with third parties and conduct such business as is necessary to fulfill its obligations and administrative duties incident to the insurance securitization and the SPRV contract. The agreements may include entering into swap agreements or other transactions that have the objective of leveling timing differences in funding up-front or ongoing transaction expenses or managing credit or interest rate risk of the investments in trust to assure that the assets held in trust will be sufficient to satisfy (i) payment or repayment of the securities issued pursuant to an insurance securitization transaction or (ii) the obligations of the SPRV under the SPRV contract. In fulfilling its function, the SPRV shall adhere to the following requirements and shall, to the extent of its powers, ensure that contracts obligating other parties to perform certain functions incident to its operations are substantively and materially consistent with the following requirements and guidelines:

(1) An SPRV shall have a distinct name, which shall include the designation "SPRV". The name of the SPRV may not be deceptively similar to, or likely to be confused with or mistaken for, any other existing business name registered in this State.

(2) Unless otherwise provided in the plan of operation, the principal place of business and office of any SPRV organized under this Article must be located in this State.

(3) The assets of an SPRV must be preserved and administered by or on behalf of the SPRV to satisfy the liabilities and obligations of the SPRV incident to the insurance securitization and other related agreements, including the SPRV contract.

(4) Assets of the SPRV that are pledged to secure obligations of the SPRV to a ceding insurer under an SPRV contract must be held in trust and administered by a qualified U.S. financial institution. The qualified U.S. financial institution may not control, be controlled by, or be under common control with, the SPRV or the ceding insurers.

(5) The agreement governing any trust must create one or more trust accounts into which all pledged assets must be deposited and held until distributed in accordance with the trust agreement. The pledged assets must be held by the trustee at the trustee's office in the United States and may be held in certificated or electronic form.

(6) The provisions for withdrawal by ceding insurers of assets from the trust shall be clean and unconditional, subject only to the following requirements:

(A) the ceding insurer shall have the right to withdraw assets from the trust account at any time, without notice to the SPRV, subject only to written notice to the trustee from the ceding insurer that funds in the amount requested are due and payable by the SPRV;

(B) no other statement or document need be presented in order to withdraw assets, except the ceding insurer may be required to acknowledge receipt of withdrawn assets;
(C) the trust agreement must indicate that it is not subject to any conditions or qualifications outside of the trust agreement;
(D) the trust agreement may not contain references to any other agreements or documents; and
(E) no reference may be made to the fact that the funds may represent reinsurance premiums or that the funds have been deposited for any specific purpose.
(7) The trust agreement must be established for the sole use and benefit of the ceding insurer at least to the full extent of the SPRV’s obligations to the ceding insurer under the SPRV contract. If there is more than one ceding insurer, a separate trust agreement must be entered with each ceding insurer and a separate trust account must be maintained for each ceding insurer.
(8) The trust agreement must provide for the trustee to:
(A) receive assets and hold all assets in a safe place;
(B) determine that all assets are in a form so that the ceding insurer or the trustee, upon direction by the ceding insurer may, whenever necessary, negotiate any the assets, without consent or signature from the SPRV or any other person or entity;
(C) furnish to the SPRV, the Director, and the ceding insurer a statement of all assets in the trust account reported at fair value upon its inception and at intervals no less frequent than the end of each calendar quarter;
(D) notify the SPRV and the ceding insurer, within 10 days, of any deposits to or withdrawals from the trust account;
(E) upon written demand of the ceding insurer, immediately take any and all steps necessary to transfer absolutely and unequivocally all right, title, and interest in the assets held in the trust account to the ceding insurer and deliver physical custody of the assets to the ceding insurer; and
(F) allow no substitutions or withdrawals of assets from the trust account, except on written instructions from the ceding insurer.
(9) The trust agreement must provide that at least 30 days, but not more than 45 days, before termination of the trust account, written notification of termination shall be delivered by the trustee to the ceding insurer.
(10) The trust agreement may be made subject to and governed by the laws of any state, in addition to the requirements for the trust as provided in this Article, provided that the state is disclosed in the plan of operation filed with and approved, or deemed approved, by the Director under Section 179E-20.
(11) The trust agreement must prohibit invasion of the trust corpus for the purpose of paying compensation to, or reimbursing the expenses of, the trustee.
(12) The trust agreement must provide that the trustee shall be liable for its own negligence, willful misconduct, or lack of good faith.
(13) Notwithstanding the provisions of items (6)(C), (6)(D), and (6)(E) of this subsection or item (14)(E) of this subsection, when a trust agreement is established in conjunction with an SPRV contract, then the trust agreement may provide that the ceding insurer must undertake to use and apply any amounts drawn upon the trust account, without diminution because of the insolvency of the ceding insurer or the SPRV, for the following purposes:
(A) to pay or reimburse the ceding insurer amounts due to the ceding insurer under the specific SPRV contract including, but not limited to, unearned premiums due to the ceding insurer, if not otherwise paid by the SPRV in accordance with the terms of the agreement; or
(B) when the ceding insurer has received notification of termination of the trust account, and when the SPRV’s entire "obligations" under the specific SPRV contract remain unliquidated and undischarged 10 days prior to the termination date, to withdraw amounts equal to those obligations and deposit those amounts in a separate account, in the name of the ceding insurer, in any qualified U.S. financial institution, apart from its general assets, in trust for those uses and purposes specified in item (13)(A) of this subsection as may remain executory after the withdrawal and for any period after the termination date. "Obligations" within the meaning of this subsection may, without
duplication, include:

(i) losses and loss expenses paid by the ceding insurer, but not recovered from the SPRV;
(ii) reserves for losses reported and outstanding;
(iii) reserves for losses incurred but not reported;
(iv) reserves for loss expenses;
(v) reserves for unearned premiums; and
(vi) any other amounts that, together with (iv), represent the aggregate limit remaining under the SPRV contract if the period of coverage or the agreed upon period of loss development has yet to expire.

The provisions to be included in the trust agreement pursuant to this item (13) may, in lieu thereof, be included in the underlying SPRV contract.

(14) An SPRV contract must contain provisions that:
(A) require the SPRV to enter into a trust agreement specifying what recoverables or reserves, or both, the agreement is to cover and to establish a trust account for the benefit of the ceding insurer;
(B) stipulate that assets deposited in the trust account must be valued according to their current fair value, and may consist only of permitted investments;
(C) require the SPRV, before depositing assets with the trustee, to execute assignments, endorsements in blank, or transfer legal title to the trustee of all shares, obligations, or any other assets requiring assignments, in order that the ceding insurer, or the trustee upon the direction of the ceding insurer, may whenever necessary negotiate the assets without consent or signature from the SPRV or any other entity;
(D) require that all settlements of account between the ceding insurer and the SPRV be made in cash or its equivalent; and
(E) stipulate that the SPRV and the ceding insurer agree that the assets in the trust account, established under the provisions of the SPRV contract, may be withdrawn by the ceding insurer at any time, notwithstanding any other provisions in the SPRV contract, and shall be utilized and applied by the ceding insurer or any successor by operation of law of the ceding insurer, including (subject to the provisions of Section 179E-80), but without further limitation, any liquidator, rehabilitator, receiver, or conservator of the ceding insurer, without diminution because of insolvency on the part of the ceding insurer or the SPRV, only for the following purposes:
(i) to transfer all of those assets into the trust account for the benefit of the ceding insurer under the terms of the SPRV contract and in compliance with this Article; and
(ii) to pay any other amounts the ceding insurer claims are due under the SPRV contract.

(15) The SPRV contract entered into by the SPRV may contain provisions that give the SPRV the right to seek approval from the ceding insurer to withdraw from the trust all or part of the assets contained in it and transfer the assets to the SPRV, provided that:
(A) at the time of the withdrawal, the SPRV replaces the withdrawn assets with other qualified assets having a fair value equal to the fair value of the assets withdrawn and that meet the requirements of Section 179E-85; and
(B) after the withdrawals and transfer, the fair value of the assets in trust securing the obligations of the SPRV under the SPRV contract is no less than an amount needed to satisfy the fully funded requirement of the SPRV contract. The ceding insurer shall be the sole judge as to the application of these provisions, but shall not unreasonably nor arbitrarily withhold its approval.

(16) The investors in the SPRV must agree, and be contractually obligated to do so, that any obligation to repay principal, interest, or dividends on the securities issued by the SPRV shall be reduced upon the occurrence of a triggering event, to the extent that the assets of the SPRV held in trust for the benefit of the ceding insurer are remitted to the ceding insurer in fulfillment of the obligations of the SPRV under the SPRV contract.

(17) Assets held by an SPRV in trust must be valued at their fair value.

New matter indicated by italics - deletions by strikeout.
(18) The proceeds from the sale of securities by the SPRV to investors must be deposited with the trustee as contemplated by this Article, and must be held or invested by the trustee in accordance with the requirements of Section 179E-85.

(19) An SPRV organized under this Article, may engage only in fully funded indemnity triggered SPRV contracts to support in full the ceding insurers' exposures assumed by the SPRV, except that an SPRV may engage in an SPRV contract that is non-indemnity triggered after the Director, in accordance with the authority granted under Section 179E-100 of this Article, adopts rules addressing the treatment of the portion of the risk that is not indemnity based, including accounting, disclosure, risk-based capital treatment, and the manner in which risks associated with the non-indemnity based SPRV contract may be evaluated and managed. An SPRV may not at any time enter into an SPRV contract that is not fully funded, whether indemnity triggered or non-indemnity triggered. Assets of the SPRV may be used to pay interest or other consideration on any outstanding debt or other obligation of the SPRV, and nothing in this item shall be construed or interpreted to prevent an SPRV from entering into a swap agreement or other transaction that has the effect of guaranteeing interest or other consideration.

(20) The contracts or other documentation relating to an SPRV insurance securitization must contain provisions identifying the SPRV that will enter into the special purpose reinsurance securitization. The contracts or other documentation must clearly disclose that the assets of the SPRV, and only those assets, are available to pay the obligations of that SPRV. Each beneficiary who pays $5 for an identification card shall pay no additional prescription costs. Each beneficiary who pays $25 for an identification card shall pay $3 per prescription. In addition, after a beneficiary receives $2,000 in benefits during a State fiscal year, that beneficiary shall also be charged 20% of the cost of each prescription for which payments are made by the program during the remainder of the fiscal year. To become a beneficiary under this program a person must be: (1) (i) 65 years or older, or (ii) the surviving spouse of such a claimant, who at the time of death received or was entitled to receive benefits pursuant to this subsection, which surviving spouse will become 65 years of age within the 24 months immediately following the death of such claimant and which surviving spouse but for his or her age is otherwise qualified to receive benefits pursuant to this subsection, or (iii) disabled, and (2) is domiciled in this State at the time he files his or her claim, and (3) has a maximum household income of less than $14,000 for grant years before the 1998 grant year, less than $16,000 for the 1998 and 1999 grant years, and less than (i) $21,218 for a household containing one person, (ii) $28,480 for a household containing 2 persons, or (iii) $35,740 for a household containing 3 more persons for the 2000 grant year and thereafter. In addition, each eligible person must (1) obtain an identification card from the Department, (2) at the time the card is obtained, sign a statement assigning to the State of Illinois benefits which may be otherwise claimed under any private insurance plans, (3) present the identification card to the dispensing pharmacist.

Whenever a generic equivalent for a covered prescription drug is available, the Department shall reimburse only for the reasonable costs of the generic equivalent, less the co-pay established in this Section, unless (i) the covered prescription drug contains one or more ingredients defined as a narrow therapeutic index drug at 21 CFR 320.33, (ii) the prescriber indicates on the face of the prescription "brand medically necessary", and (iii) the prescriber specifies that a substitution is not permitted. When issuing an oral prescription for covered prescription medication described in item (i) of this paragraph, the prescriber shall stipulate "brand medically necessary" and that a substitution is not permitted. If the covered prescription drug and its authorizing prescription do not meet the criteria listed above, the beneficiary may purchase the non-generic equivalent of the covered prescription drug by paying the difference between the generic cost and the non-generic cost plus the beneficiary co-pay.

Any person otherwise eligible for pharmaceutical assistance under this Act whose covered drugs are covered by any public program for assistance in purchasing any covered prescription drugs

shall be ineligible for assistance under this Act to the extent such costs are covered by such other plan.

The fee to be charged by the Department for the identification card shall be equal to $5 per coverage year for persons below the official poverty line as defined by the United States Department of Health and Human Services and $25 per coverage year for all other persons.

In the event that 2 or more persons are eligible for any benefit under this Act, and are members of the same household, (1) each such person shall be entitled to participate in the pharmaceutical assistance program, provided that he or she meets all other requirements imposed by this subsection and (2) each participating household member contributes the fee required for that person by the preceding paragraph for the purpose of obtaining an identification card.

Sec. 4.1. Information to the Department. Notwithstanding any other law to the contrary, entities subject to the Illinois Insurance Code, Comprehensive Health Insurance Plan Act, Dental Service Plan Act, Children’s Health Insurance Program Act, Health Care Purchasing Group Act, Health Maintenance Organization Act, Limited Health Service Organization Act, Voluntary Health Services Plans Act, and the Workers’ Compensation Act, including, but not limited to, insurers, health maintenance organizations, pharmacy benefit managers, third party administrators, fraternal benefit societies, group-funded workers’ compensation pools, municipal group-funded pools, self-funded or self-insured welfare or benefit plans or programs, and any other entities that provide health coverage through an employer, union, trade association or other organization or source, or any other entities, must provide information to the Department, or its designee, that is necessary to carry out the purposes of this Act, including, but not limited to, the name, social security number, address, date of birth, and coverage of their policyholders, their subscribers, or the beneficiaries of their plans, benefits, or services who participate in the programs under this Act. The provision of this information to the Department or its designee is subject to the confidentiality provisions in Section 8a of this Act.

(320 ILCS 25/5) (from Ch. 67 1/2, par. 405)

Sec. 5. Procedure.

(a) In general. Claims must be filed after January 1, on forms prescribed by the Department. No claim may be filed more than one year after December 31 of the year for which the claim is filed except that claims for 1976 may be filed until December 31, 1978. The pharmaceutical assistance identification card provided for in subsection (f) of Section 4 shall be valid for a period not to exceed one year. On and after January 1, 2002, however, to enable the Department to convert coverage for a pharmaceutical assistance program participant to a fiscal year basis, a card shall be valid for a longer or shorter period than 12 months, depending on the date a timely claim is filed and as determined by the Department.

(b) Claim is Personal. The right to file a claim under this Act shall be personal to the claimant and shall not survive his death, but such right may be exercised on behalf of a claimant by his legal guardian or attorney-in-fact. If a claimant dies after having filed a timely claim, the amount thereof shall be disbursed to his surviving spouse or, if no spouse survives, to his surviving dependent minor children in equal parts, provided the spouse or child, as the case may be, resided with the claimant at the time he filed his claim. If at the time of disbursement neither the claimant nor his spouse is surviving, and no dependent minor children of the claimant are surviving the amount of the claim shall escheat to the State.

(c) One claim per household. Only one member of a household may file a claim under this Act in any calendar year; where both members of a household are otherwise entitled to claim a grant under this Act, they must agree as to which of them will file a claim for that year.

(d) Content of application form. The form prescribed by the Department for purposes of paragraph (a) shall include a table, appropriately keyed to the parts of the form on which the claimant is required to furnish information, which will enable the claimant to determine readily the approximate amount of grant to which he is entitled by relating levels of household income to property taxes accrued or rent constituting property taxes accrued.

(e) Pharmaceutical Assistance Procedures. The Department shall establish the form and manner for application, and establish by January 1, 1986 a procedure to enable persons to apply for the additional grant or for the pharmaceutical assistance identification card on the same application form. The Department shall determine eligibility for pharmaceutical assistance using the applicant's
current income. The Department shall determine a person's current income in the manner provided by the Department by rule.

(a) A health maintenance organization issued a certificate of authority on or after the effective date of this amendatory Act of 1987 shall have and at all times maintain net worth of not less than $1,500,000. As an allocation of net worth, organizations certified prior to the effective date of this amendatory Act of 1987 shall maintain a special contingent reserve. The special contingent reserve for an organization certified between January 1, 1986 and the effective date of this amendatory Act of 1987 shall be equal to 5% of its net earned subscription revenue for health care services through December 31st of the year in which certified. In subsequent years such organization shall accumulate additions to the contingent reserve in an amount which is equal to 2% of its net earned subscription revenue for each calendar year. For purposes of this Section, net earned subscription revenue means premium minus reinsurance expenses. Maintenance of the contingent reserve requires that net worth equals or exceeds the contingent reserve at any balance sheet date.

New matter indicated by italics - deletions by strikeout.
(b) Additional accumulations under subsection (a) will no longer be required at such time that the total special contingent reserve required by subsection (a) is equal to $1,500,000.

(c) A deficiency in meeting amounts required in subsections (a), (b), and (d) will require (1) filing with the Director a plan for correction of the deficiency, acceptable to the Director and (2) correction of the deficiency within a reasonable time, not to exceed 60 days unless an extension of time, not to exceed 60 additional days, is granted by the Director. Such a deficiency will be deemed an impairment, and failure to correct the deficiency in the prescribed time shall be grounds for suspension or revocation pursuant to subsection (h) of Section 5-5.

(d) All health maintenance organizations issued a certificate of authority on or prior to December 31, 1985 and regulated under this Act must have and at all times maintain, prior to December 31, 1988, the net worth and special contingent reserve that was required for that particular organization at the time it was certified. All such organizations must have by December 31, 1988 and thereafter maintain at all times, net worth of not less than $300,000 and a special contingent reserve calculated and accumulated in the same manner as required of a health maintenance organization issued a certificate of authority on or between January 1, 1986 and the effective date of this amendatory Act of 1987. Such calculation shall commence with the financial reporting period first following certification.

All organizations issued a certificate of authority between January 1, 1986 and the effective date of this amendatory Act of 1987 must have and at all times maintain the net worth and special contingent reserve that was required for that particular organization at the time it was certified.

An organization is impaired when a deficiency exists in meeting the amounts required in subsections (a), (b), and (d) of Section 2-4.

However, the existence of an impairment does not prevent the issuance or renewal of a certificate, agreement or contract when the enrollee exercises an option granted under the plan to obtain new, renewed or converted coverage.

Any organization, officer, director, trustee, producer, or employee of such organization violating this subsection shall be guilty of a Class A misdemeanor.

Subject to the provisions of paragraph (d) of Section 2 and unless otherwise assented to in writing by both tenants by the entirety, the estate in tenancy by the entirety so created shall exist only if, and as long as, the tenants are and remain married to each other, and upon the death of either such tenant the survivor shall retain the entire estate; provided that, upon a judgment of dissolution of marriage or of declaration of invalidity of marriage, the estate shall, by operation of law, become a tenancy in common until and unless the court directs otherwise; provided further that the estate shall, by operation of law, become a joint tenancy upon the creation and maintenance by both spouses together of other property as a homestead. A devise, conveyance, assignment, or other transfer to 2

AN ACT concerning payment of insurance claims.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Insurance Code is amended by changing Sections 224 and 357.9a as follows:

(215 ILCS 5/224) (from Ch. 73, par. 836)
Sec. 224. Standard provisions for life policies.
(1) After the first day of July, 1937, no policy of life insurance other than industrial, group or annuities and pure endowments with or without return of premiums or of premiums and interest, may be issued or delivered in this State, unless such policy contains in substance the following provisions:
(a) A provision that all premiums after the first shall be payable in advance either at the home office of the company or to an agent of the company, upon delivery of a receipt signed by one or more of the officers who shall be designated in the policy, when such receipt is requested by the policyholder.
(b) A provision that the insured is entitled to a grace period either of 30 days or of one month within which the payment of any premium after the first may be made, subject at the option of the company to an interest charge not in excess of 6% per annum for the number of days of grace elapsing before the payment of the premium, during which period of grace the policy shall continue in force, but in case the policy becomes a claim during the grace period before the overdue premium is paid, or the deferred premiums of the current policy year, if any, are paid, the amount of such premium or premiums with interest thereon may be deducted in any settlement under the policy.
(c) A provision that the policy, together with the application therefor, a copy of which shall be endorsed upon or attached to the policy and made a part thereof, shall constitute the entire contract between the parties and that after it has been in force during the lifetime of the insured a specified time, not later than 2 years from its date, it shall be incontestable except for nonpayment of premiums and except at the option of the company, with respect to provisions relative to benefits in the event of total and permanent disability, and provisions which grant additional insurance specifically against death by accident and except for violations of the conditions of the policy relating to naval or military service in time of war or for violation of an express condition, if any, relating to aviation, (except riding as a fare-paying passenger of a commercial air line flying on regularly scheduled routes between definitely established airports) in which case the liability of the company shall be fixed at a definitely determined amount not less than the full reserve for the policy and any dividend additions; provided that the application therefor need not be attached to or made a part of any policy containing a clause making the policy incontestable from date of issue.
(d) A provision that if it is found at any time before final settlement under the policy that the age of the insured (or the age of the beneficiary, if considered in determining the premium) has been misstated, the amount payable under the policy shall be such as the premium would have purchased at the correct age or ages, according to the company's published rate at date of issue.
(e) A provision that the policy shall participate annually in the surplus of the company beginning not later than the end of the third policy year; and any policy containing provision for annual participation beginning at the end of the first policy year, may also provide that each dividend be paid subject to the payment of the premiums for the next ensuing year; and the insured under any annual dividend policy shall have the right each year to have the dividend arising from such participation either paid in cash, or applied in reduction of premiums, or applied to the purchase of paid-up additional insurance, or be left to accumulate to the credit of the policy, with interest at such rate as may be determined from time to time by the company, but not less than a guaranteed minimum rate specified in the policy, and payable at the maturity of the policy, but withdrawable on any anniversary date, subject to such further provisions as the policy may provide regarding the application of dividends toward the payment of any premiums unpaid at the end of the grace period; and if the insured fails to notify the company in writing of his election within the period of grace allowed for the payment of premium, the policy shall further provide which of such options are effective.
(f) A provision that after the policy has been in force 3 full years the company at any time,
while the policy is in force, will advance, on proper assignment or pledge of the policy and on the sole security thereof, at a specified maximum fixed or adjusted rate of interest in accordance with Section 229.5, a sum equal to, or at the option of the insured less than the amount required by Section 229.3 under the conditions specified thereby and with notification as required by Section 229.5; and that the company will deduct from such loan value any indebtedness not already deducted in determining such value and any unpaid balance of the premium for the current policy year, and may collect interest in advance on the loan to the end of the current policy year; and any policy may also provide that if the interest on the loan is not paid when due it shall be added to the existing loan and shall bear interest at the same rate. No condition other than as provided herein or in Sections 229.3 and 229.5 shall be exacted as a prerequisite to any such loan. This clause shall not apply to term insurance.

(g) A provision for nonforfeiture benefits and cash surrender values in accordance with the requirements of paragraph (1) of Section 229.1 or, Section 229.2.

(h) A table showing in figures the loan values and the options available under the policy each year, upon default in premium payments, during at least the first 20 years of the policy; the policy to contain a provision that the company will furnish upon request an extension of such table beyond the years shown in the policy.

(i) A provision that in event of default in premium payments the value of the policy is applied to the purchase of other insurance as provided in this Section, and if such insurance is in force and the original policy is not surrendered to the company and cancelled, the policy may be reinstated within 3 years from such default, upon evidence of insurability satisfactory to the company and payment of arrears of premiums and the payment or reinstatement of any other indebtedness to the company upon the policy, with interest on the premiums at a rate not exceeding 6% per annum payable annually and with interest on the indebtedness at a rate not exceeding the rate prescribed by Section 229.5.

(j) A provision that when a policy is a claim by the death of the insured settlement shall be made upon receipt of due proof of death and not later than 2 months after the receipt of such proof.

(k) If the policy provides for payment of its proceeds in installments, a table showing the amount and period of such installments shall be included in the policy.

(l) Interest shall accrue on the proceeds payable because of the death of the insured, from date of death, at the rate of 9% on the total amount payable or the face amount if payments are to be made in installments until the total payment or first installment is paid, unless payment is made within fifteen (15) days from the date of receipt by the company of due proof of loss. This provision need not appear in the policy, however, the company shall notify the beneficiary at the time of claim of this provision. The payment of interest shall apply to all policies now in force, as well as those written after the effective date of this amendment.

(m) Title on the face and on the back of the policy briefly describing its form.

(n) A provision, or a notice attached to the policy, to the effect that during a period of ten days from the date the policy is delivered to the policy owner, it may be surrendered to the insurer together with a written request for cancellation of the policy and in such event, the insurer will refund any premium paid therefor, including any policy fees or other charges. The Director may by rule exempt specific types of policies from the requirements of this subsection.

(2) In the case of the replacement of life insurance, as defined in the rule promulgated by the Director, the replacing insurer shall either (1) delay the issuance of its policy for not less than 20 days from the date it has transmitted a policy summary to the existing insurer, or (2) provide in a form titled "Notice Regarding Replacement of Life Insurance", as well as in its policy, or in a separate notice delivered with the policy, that the insured has the right to an unconditional refund of all premiums paid, and that such right may be exercised within a period of 20 days commencing from the date of delivery of such policy. Where option (2) is exercised, the replacing insurer shall also transmit a policy summary to the existing insurer within 3 working days after the date the replacement policy is issued.

(3) Any of the foregoing provisions or portions thereof not applicable to single premium or nonparticipating or term policies shall to that extent not be incorporated therein. This Section shall not apply to policies of reinsurance nor to policies issued or granted pursuant to the nonforfeiture provisions prescribed in subparagraph (g) of paragraph (1) of this Section.

Periodic payments of accrued indemnities for loss-of-time coverage under accident and health policies shall commence not later than 30 days after the receipt by the company of the required written proofs of loss. An insurer which violates this Section if liable under said policy, shall pay to the insured, in addition to any other penalty provided for in this Code, interest at the rate of 9% per annum from the 30th day after receipt of such proofs of loss to the date of late payment of the accrued indemnities, provided that interest amounting to less than one dollar need not be paid.

Section 99. Effective date. This Act takes effect upon becoming law.

PUBLIC ACT 92-0140
(House Bill No. 2556)

AN ACT concerning insurers.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Insurance Code is amended by changing Sections 10, 40, 131.20a, 187, and 188 and adding Section 131.20b as follows:

(215 ILCS 5/10) (from Ch. 73, par. 622)

Sec. 10. Directors.
(1) After the date of incorporation, as determined by Section 18, and until the first meeting of shareholders, the incorporators shall have the powers and perform the duties ordinarily possessed and exercised by a board of directors.

(2) Upon the issuance of a certificate of authority to a company organized under this article, the corporate powers shall be exercised by, and its business and affairs shall be under the control of, a board of directors composed of not less than 3 nor more than 21 natural persons who are shareholders, except where the Company is a wholly owned subsidiary, and who are at least 18 years of age and at least 3 of whom are residents and citizens of this State. After June 30, 2002, at least 20%, but not less than one, of the directors of a company that is not subject to Section 131.20b shall be persons who are not officers or employees of the company. A person convicted of a felony may not be a director, and all directors shall be of good character and known professional, administrative, or business ability, such business ability to include a practical knowledge of insurance, finance, or investment. The first board of directors shall be elected at the first meeting of shareholders, and, except as provided in subsection (3) below, all directors shall be elected annually thereafter.

(3) If the board of directors consists of 6 or more members, in lieu of electing the membership of the whole board of directors annually, the articles of incorporation may provide that the directors shall be divided into two or three classes, each class to be as nearly equal in number as is possible. The term of office of directors of the first class shall expire at the first annual meeting of shareholders after their election, that of the second class shall expire at the second annual meeting after their election, and that of the third class, if any, shall expire at the third annual meeting after their election. At each annual meeting after such classification, a number of directors equal to the number of directors in the class whose terms expire at the time of such meeting shall be elected to hold office until the second succeeding annual meeting, if there are two classes, or until the third succeeding annual meeting, if there are three classes.

(4) In all elections for directors every shareholder of common shares has the right to vote, in person or by proxy, for the number of common shares owned by him, for as many persons as there are directors to be elected, or to cumulate his shares, and give one candidate as many votes as the number of directors multiplied by the number of his shares equals, or to distribute them on the same principle among as many candidates as he thinks fit, and directors shall not be elected in any other manner.

(5) Meetings of the board of directors, regular or special, may be held either within or without the State. Meetings of the board of directors shall be upon such notice as the by-laws may prescribe. Attendance of a director at any meeting shall constitute a waiver of notice of such meeting except
where a director attends the meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the board of directors need be specified in the notice or waiver of notice of such meeting, unless expressly otherwise provided by this Code. Unless specifically prohibited by the articles of incorporation or by-laws, members of the board of directors or of any committee of the board of directors may participate in and act at any meeting of such board or committee through the use of a conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other. Participation in such meeting shall constitute attendance and presence in person at the meeting of the person or persons so participating. Unless specifically prohibited by the articles of incorporation or by-laws, members of the board of directors or of any committee of the board of directors may take action without a meeting, if a consent in writing setting forth the action so taken shall be signed by all of the directors entitled to vote with respect to the subject matter thereof, or by all of the members of such committee, as the case may be. The consent shall be evidenced by one or more written approvals, each of which sets forth the action taken and bears the signature of one or more directors or committee members. All approvals evidencing the consent shall be filed in the company's corporate records. The action taken shall be effective when all of the directors, or members of the committee, have approved the consent unless the consent specifies a different effective date.

(6) If the number of directors provided for in the articles of incorporation be indefinite, the number of directors to be elected, within the minimum and maximum limits set forth in paragraph (2), shall be as provided in the by-laws. The number of directors may be increased or decreased from time to time by amendment to the by-laws. The by-laws may establish a variable range for the size of the board by prescribing a minimum and maximum number of directors. The maximum may not exceed the minimum by more than 5. If a variable range is established, the number of directors may be fixed or changed from time to time, within the minimum and maximum, by the directors or the shareholders without further amendment to the by-laws.

(7) (a) A company may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the company) by reason of the fact that he or she is or was a director, officer, employee or agent, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, if such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to the best interests of the company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the company or, with respect to any criminal action or proceeding, that the person had reasonable cause to believe that his or her conduct was unlawful.

(b) A company may indemnify any person who was or is a party, or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the company to procure a judgment in its favor by reason of the fact that such person is or was a director, officer, employee or agent of the company, or is or was serving at the request of the company as a director, officer, employee or agent of another company, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, if such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to the best interests of the company, provided that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his or her duty to the company, unless, and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses as the court shall deem proper.

(c) To the extent that a director, officer, employee or agent of a company has been successful,
on the merits or otherwise, in the defense of any action, suit or proceeding referred to in subsections (a) and (b), or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

(d) Any indemnification under subsections (a) and (b) (unless ordered by a court) shall be made by the company only as authorized in the specific case, upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he or she has met the applicable standard of conduct set forth in subsections (a) or (b). Such determination shall be made (1) by the board of directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (2) if such a quorum is not obtainable, or even if obtainable, if a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (3) by the shareholders.

(e) Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the company in advance of the final disposition of such action, suit or proceeding, as authorized by the board of directors in the specific case, upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay such amount, unless it shall ultimately be determined that he or she is entitled to be indemnified by the company as authorized in this Section.

(f) The indemnification provided by this Section shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any by-law, agreement, vote of shareholders or disinterested directors, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee or agent, and shall inure to the benefit of the heirs, executors and administrators of such a person.

(g) A company may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the company, or who is or was serving at the request of the company as a director, officer, employee or agent of another company, partnership, joint venture, trust or other enterprise, against any liability asserted against such person and incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the company would have the power to indemnify such person against such liability under the provisions of this Section.

(h) If a company has paid indemnification or has advanced expenses to a director, officer, employee or agent, the company shall report the indemnification or advance in writing to the shareholders with or before the notice of the next shareholders meeting.

(i) For purposes of this Section, references to "the company" shall include, in addition to the surviving company, any merging company (including any company having merged with a merging company) absorbed in a merger which, if its separate existence had continued, would have had the power and authority to indemnify its directors, officers, and employees or agents, so that any person who was a director, officer, employee or agent of such merging company, or was serving at the request of such merging company as a director, officer, employee or agent of another company, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Section with respect to the surviving company as such person would have with respect to such merging company if its separate existence had continued.

(j) For purposes of this Section, references to "other enterprises" shall include employee benefit plans; references to "fines" shall include any excise taxes assessed on a person with respect to any employee benefit plan; and references to "serving at the request of the company" shall include any service as a director, officer, employee or agent of the company which imposes duties on, or involves services by such director, officer, employee, or agent with respect to any employee benefit plan, its participants, or beneficiaries. A person who acted in good faith and in a manner he or she reasonably believed to be in the best interests of the participants and beneficiaries of any employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interest of the company" as referred to in this Section.

All approvals evidencing the consent shall be filed in the company's corporate records. The action taken shall be effective when all of the directors, or members of the committee, have approved the consent unless the consent specifies a different effective date.

(1) (a) The following transactions between a domestic company and any person in its holding company system may not be entered into unless the company has notified the Director in writing of its intention to enter into such transaction at least 30 days prior thereto, or such shorter period as the Director may permit, and the Director has not disapproved it within such period:

(i) Sales, purchases, exchanges of assets, loans or extensions of credit, guarantees, investments, or any other transaction (A) that involves the transfer of assets from or liabilities to a company equal to or exceeding the lesser of 3% of the company's admitted assets or 25% of its surplus as regards policyholders as of the 31st day of December next preceding or (B) that is proposed when the domestic company is not eligible to declare and pay a dividend or other distribution pursuant to the provisions of Section 27.

used to make loans or extensions of credit to, to purchase assets of, or to make investments in, any affiliate of the company making such loans or extensions of credit or (B) that are proposed when the domestic company is not eligible to declare and pay a dividend or other distribution pursuant to the provisions of Section 27.

(iv) All management agreements, service contracts, cost-sharing arrangements, and any other contracts providing for the rendering of services on a regular systematic basis.

(v) Any series of the previously described transactions that are substantially similar to each other, that take place within any 180 day period, and that in total are equal to or exceed the lesser of 3% of the domestic insurer's admitted assets or 25% of its policyholders surplus, as of the 31st day of the December next preceding.

(vi) Any other material transaction that the Director by rule determines might render the company's surplus as regards policyholders unreasonable in relation to the company's outstanding liabilities and inadequate to its financial needs or may otherwise adversely affect the interests of the company's policyholders or shareholders.

Nothing herein contained shall be deemed to authorize or permit any transactions that, in the case of an insurer not a member of the same holding company system, would be otherwise contrary to law.

(b) Any transaction or contract otherwise described in paragraph (a) of this subsection that is between a domestic insurer and any person that is not its affiliate and that precedes or follows within 180 days or is concurrent with a similar transaction between that nonaffiliate and an affiliate of the domestic company and that involves amounts that are equal to or exceed the lesser of 3% of the domestic insurer's admitted assets or 25% of its surplus as regards policyholders at the end of the prior year may not be entered into unless the company has notified the Director in writing of its intention to enter into the transaction at least 30 days prior thereto or such shorter period as the Director may permit, and the Director has not disapproved it within such period.

(c) A company may not enter into transactions which are part of a plan or series of like transactions with any person within the holding company system if the purpose of those separate transactions is to avoid the statutory threshold amount and thus avoid the review that would occur otherwise. If the Director determines that such separate transactions were entered into for such purpose, he may exercise his authority under subsection (2) of Section 131.24.

(d) The Director, in reviewing transactions pursuant to paragraph (a), shall consider whether the transactions comply with the standards set forth in Section 131.20 and whether they may adversely affect the interests of policyholders.

(e) The Director shall be notified within 30 days of any investment of the domestic insurer in any one corporation if the total investment in that corporation by the insurance holding company system exceeds 10% of that corporation's voting securities.

(f) Except for those transactions subject to approval under other Sections of this Code, any such transaction or agreements which are not disapproved by the Director may be effective as of the date set forth in the notice required under this Section.

(g) If a domestic insurer enters into a transaction described in this subsection without having given the required notification, the Director may cause the insurer to pay a civil forfeiture of not more than $250,000. Each transaction so entered shall be considered a separate offense.

(2) No domestic company subject to registration under Section 131.13 may pay any extraordinary dividend or make any other extraordinary distribution to its securityholders until: (a) 30 days after the Director has received notice of the declaration thereof and has not within such period disapproved the payment, or (b) the Director approves such payment within the 30-day period. For purposes of this subsection, an extraordinary dividend or distribution is any dividend or distribution of cash or other property whose fair market value, together with that of other dividends or distributions, made within the period of 12 consecutive months ending on the date on which the proposed dividend is scheduled for payment or distribution exceeds the greater of: (a) 10% of the company's surplus as regards policyholders as of the 31st day of December next preceding, or (b) the
net income of the company for the 12-month period ending the 31st day of December next preceding, but does not include pro rata distributions of any class of the company's own securities.

Notwithstanding any other provision of law, the company may declare an extraordinary dividend or distribution which is conditional upon the Director's approval, and such a declaration confers no rights upon security holders until: (a) the Director has approved the payment of the dividend or distribution, or (b) the Director has not disapproved the payment within the 30-day period referred to above.

convicted of a felony may not be a director. A director must be of good character and known
professional, administrative, or business ability. The requisite ability must include a practical
knowledge of managed health care, insurance, finance, or investment.
(b) After June 30, 2002, not less than one-third of the directors of a domestic organization
that is not a controlled insurer for purposes of Section 131.20b of the Illinois Insurance Code must

(215 ILCS 125/3-1) (from Ch. 111 1/2, par. 1407.3)
Sec. 3-1. Investment Regulations.
(a) Any health maintenance organization may invest its funds as provided in this Section and
not otherwise. A health maintenance organization that is organized as an insurance company may also
acquire the investment assets authorized for an insurance company pursuant to the laws applicable to
an insurance company in the organization's state of domicile. Notwithstanding the provisions of this
Section, the Director may, after notice and hearing, order an organization to limit or withdraw from

certain investments, or discontinue certain investment practices, to the extent the Director finds that such investments or investment practices are hazardous to the financial condition of the organization.

(b) No investment or loan shall be made or engaged in by any health maintenance organization unless the same have been authorized or ratified by the board of directors or by a committee thereof charged with the duty of supervising investments and loans. Nothing contained in this subsection shall prevent the board of directors of any such organization from depositing any of its securities with a committee appointed for the purpose of protecting the interest of security holders or with the authorities of any state where it is necessary to do so in order to secure permission to transact its appropriate business therein, and nothing contained in this subsection shall prevent the board of directors of such organization from depositing any securities as collateral for the securing of any bond required for the business of the organization.

(c) No health maintenance organization shall pay any commission or brokerage for the purchase or sale of property whether real or personal, in excess of that usual and customary at the time and in the locality where such purchases or sales are made, and information regarding payments of commissions and brokerage shall be maintained.

(d) A health maintenance organization may not directly or indirectly, unless it has notified the Director in writing of its intention to enter into the transaction at least 30 days prior thereto, or any shorter period as the Director may permit, and the Director has not disapproved it within that period:

(1) make a loan to or other investment in an officer or director of the organization or a person in which the officer or director has any direct or indirect financial interest;

(2) make a guarantee for the benefit of or in favor of an officer or director of the organization or a person in which the officer or director has any direct or indirect financial interest; or

(3) enter into an agreement for the purchase or sale of property from or to an officer or director of the organization or a person in which the officer or director has any direct or indirect financial interest.

For the purposes of this Section, an officer or director shall not be deemed to have a financial interest by reason of an interest that is held directly or indirectly through the ownership of equity interests representing less than 2% of all outstanding equity interests issued by a person that is a party to the transaction, or solely by reason of that individual's position as a director or officer of a person that is a party to the transaction.

This subsection does not apply to a transaction between an organization and any of its subsidiaries or affiliates that is entered into in compliance with Section 131.20a of the Illinois Insurance Code, other than a transaction between an insurer and its officer or director.

No such Health Maintenance Organization shall knowingly invest in or loan upon any property, directly or indirectly, whether real or personal, in which any officer or director of such organization has a financial interest, nor shall any such organization make a loan of any kind to any officer or director of such organization, except that this subsection shall not apply in circumstances where the financial interest of such officer or director is only nominal, trifling or so remote as not to give rise to a conflict of interest. In any case, the Director may approve a transaction between such organization and its officers or directors under this subsection if he is satisfied that (i) the transaction is entered into in good faith for the advantage and benefit of the organization, (ii) the amount of the proposed investment or loan does not violate any other provision of this Section nor exceed the reasonable, normal value of the property or the interest which the organization proposes to acquire; and that the transaction is otherwise fair and reasonable; and (iii) the transaction will not adversely affect, to any substantial degree, the liquidity of the organization's investment or its ability thereafter to comply with requirements of this Act or the payment of its claims and obligations.

(e) In applying the percentage limitations imposed by this Section there shall be used as a base the total of all assets which would be admitted by this Section without regard to percentage limitations. All legal measurements used as a base in the determination of all investment qualifications shall consist of the amounts determined at the most recent year end adjusted for subsequent acquisition and disposition of investments.

(f) Valuation of investments. Investments shall be valued in accordance with the published valuation standards of the National Association of Insurance Commissioners. Securities investments...
as to which the National Association of Insurance Commissioners has not published valuation
standards in its Valuations of Securities manual or its successor publication shall be valued as follows:

(1) All obligations having a fixed term and rate shall, if not in default as to principal or
interest, be valued as follows: if purchased at par, at the par value; if purchased above or below par,
on the basis of the purchase price adjusted so as to bring the value to par at maturity and so as to yield
in the meantime the effective rate of interest at which the purchase was made;

(2) Common, preferred or guaranteed stocks shall be valued at market value.

(3) Other security investments shall be valued in accordance with regulations promulgated
by the Director pursuant to paragraph (6) of this subsection.

(4) Other investments, including real property, shall be valued in accordance with regulations
promulgated by the Director pursuant to paragraph (6) of this subsection, but in no event shall such
other investments be valued at more than the purchase price. The purchase price for real property
includes capitalized permanent improvements, less depreciation spread evenly over the life of the
property or, at the option of the company, less depreciation computed on any basis permitted under
the Internal Revenue Code and regulations thereunder. Such investments that have been affected by
permanent declines in value shall be valued at not more than market value.

(5) Any investment, including real property, not purchased by the Health Maintenance
Organization but acquired in satisfaction of a debt or otherwise shall be valued in accordance with the
applicable procedures for that type of investment contained in this subsection. For purposes of
applying the valuation procedures, the purchase price shall be deemed to be the market value at the
time the investment is acquired or, in the case of any investment acquired in satisfaction of debt, the
amount of the debt, including interest, taxes and expenses, whichever amount is less.

(6) The Director shall promulgate rules and regulations for determining and calculating values
to be used in financial statements submitted to the Department for investments.

taxes to pay any of the principal of, redemption premium, if any, or interest on any bonds issued
pursuant to this Act or any judgment against an Authority on account of the bonds. No holder of any
bonds issued under this Act shall have the right to compel any exercise of the taxing power of any
Authority to pay the bonds, the interest, or redemption premium, if any, on the bonds, and the bonds
shall not constitute an indebtedness of the Authority, or a loan of the faith and credit of the Authority,
within the meaning of any constitutional or statutory provision, nor shall the bonds be construed to
create any moral obligation on the part of the Authority to provide for the payment of the bonds. It
shall be plainly stated on the face of each bond that it has been issued under the provisions of this Act
and that it does not constitute an indebtedness of the Authority, or a loan of the faith and credit of the
Authority, within the meaning of any constitutional or statutory provision. Bonds may be issued
pursuant to this Act without regard to (i) any statutory limitation as to bonded indebtedness and shall
not be included in computing total bonded indebtedness within the meaning of any statutory
limitation, (ii) any requirement of competitive bidding or procedure for award of contracts applicable
by any statute, (iii) any requirement of publication of ordinance or other documents, or (iv) any

redemption premium, if any, thereon or be subject to any personal liability or accountability by reason
of the issuance thereof.

Section 45. Joint or cooperative action. One or more Authorities (whether or not any of them
are home rule units) may join together or cooperate with one another in the exercise, either jointly,
on behalf of the Authorities, or otherwise, of any one or more of the powers conferred upon
Authorities under this Act or other enabling acts or powers. The joint or cooperative action shall be
taken only in accordance with and pursuant to a written agreement entered into between or among
such cooperating parties.

Section 50. Legal investments. Notwithstanding any other provision of law, bonds issued
pursuant to this Act shall be legal investments for all trust funds, insurance companies, savings and
loan associations, investment companies, and banks, both savings and commercial, and shall be legal
investments for executors, administrators, trustees, and all other fiduciaries. The bonds shall be legal
investments for State school funds and for any funds which may be invested in county, municipal, or
school district bonds, and such bonds shall be deemed to be securities which may properly and legally
be deposited with, and received by, any State or municipal officer or by any agency or political
subdivision of the State for any purpose for which the deposit of bonds or obligations of the State is
now, or may hereafter, be authorized by law, including deposits to secure public funds.

The examining physicians shall be those specifically designated by the Board. The Board or the Department may order the examining physician to present testimony concerning this mental or physical examination of the licensee or applicant. No information shall be excluded by reason of any common law or statutory privilege relating to communications between the licensee or applicant and the examining physician. The person to be examined may have, at his or her own expense, another physician of his or her choice present during all aspects of the examination. Before the following January 1, the Council shall hold at least one regular meeting to consider the Agency's determination. Sec. 15. Alternative portable coverage for federally eligible individuals.
(a) Notwithstanding the requirements of subsection a. of Section 7, any federally eligible individual for whom a Plan application, and such enclosures and supporting documentation as the Board may require, is received by the Board within 90 days after the termination of prior creditable coverage shall qualify to enroll in the Plan under the portability provisions of this Section.
(b) Any federally eligible individual seeking Plan coverage under this Section must submit with his or her application evidence, including acceptable written certification of previous creditable coverage, that will establish to the Board's satisfaction, that he or she meets all of the requirements to be a federally eligible individual and is currently and permanently residing in this State (as of the date his or her application was received by the Board).
(c) A period of creditable coverage shall not be counted, with respect to qualifying an applicant for Plan coverage as a federally eligible individual under this Section, if after such period and before the application for Plan coverage was received by the Board, there was at least a 90 day period during all of which the individual was not covered under any creditable coverage.

Section 99. Effective date. This Act takes effect upon becoming law.

PUBLIC ACT 92-0154
(House Bill No. 3305)

AN ACT concerning children and family services.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Children and Family Services Act is amended by changing Sections 5 and 21 as follows:
(20 ILCS 505/5) (from Ch. 23, par. 5005)
Sec. 5. Direct child welfare services; Department of Children and Family Services. To provide direct child welfare services when not available through other public or private child care or program facilities.
(a) For purposes of this Section:
(1) "Children" means persons found within the State who are under the age of 18 years. The term also includes persons under age 19 who:
(A) were committed to the Department pursuant to the Juvenile Court Act or the Juvenile Court Act of 1987, as amended, prior to the age of 18 and who continue under the jurisdiction of the court; or
(B) were accepted for care, service and training by the Department prior to the age of 18 and whose best interest in the discretion of the Department would be served by continuing that care, service and training because of severe emotional disturbances, physical disability, social adjustment or any combination thereof, or because of the need to complete an educational or vocational training program.
(2) "Homeless youth" means persons found within the State who are under the age of 19, are not in a safe and stable living situation and cannot be reunited with their families.
(3) "Child welfare services" means public social services which are directed toward the accomplishment of the following purposes:
(A) protecting and promoting the health, safety and welfare of children, including homeless, dependent or neglected children;
(B) remedying, or assisting in the solution of problems which may result in, the neglect, abuse, exploitation or delinquency of children;
(C) preventing the unnecessary separation of children from their families by identifying family problems, assisting families in resolving their problems, and preventing the breakup of the family where the prevention of child removal is desirable and possible when the child can be cared for at home without endangering the child's health and safety;
(D) restoring to their families children who have been removed, by the provision of services to the child and the families when the child can be cared for at home without endangering the child's health and safety;
(E) placing children in suitable adoptive homes, in cases where restoration to the biological family is not safe, possible or appropriate;
(F) assuring safe and adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption. At the time of placement, the Department shall consider concurrent planning, as described in subsection (l-1) of this Section so that permanency may occur at the earliest opportunity. Consideration should be given so that if reunification fails or is delayed, the placement made is the best available placement to provide permanency for the child;
(G) (blank);
(H) (blank); and
(I) placing and maintaining children in facilities that provide separate living quarters for children under the age of 18 and for children 18 years of age and older, unless a child 18 years of age is in the last year of high school education or vocational training, in an approved individual or group treatment program, in a licensed shelter facility, or secure child care facility. The Department is not required to place or maintain children:
   (i) who are in a foster home, or
   (ii) who are persons with a developmental disability, as defined in the Mental Health and Developmental Disabilities Code, or
   (iii) who are female children who are pregnant, pregnant and parenting or parenting, or
   (iv) who are siblings, in facilities that provide separate living quarters for children 18 years of age and older and for children under 18 years of age.

(b) Nothing in this Section shall be construed to authorize the expenditure of public funds for the purpose of performing abortions.

(c) The Department shall establish and maintain tax-supported child welfare services and extend and seek to improve voluntary services throughout the State, to the end that services and care shall be available on an equal basis throughout the State to children requiring such services.

(d) The Director may authorize advance disbursements for any new program initiative to any agency contracting with the Department. As a prerequisite for an advance disbursement, the contractor must post a surety bond in the amount of the advance disbursement and have a purchase of service contract approved by the Department. The Department may pay up to 2 months operational expenses in advance. The amount of the advance disbursement shall be prorated over the life of the contract or the remaining months of the fiscal year, whichever is less, and the installment amount shall then be deducted from future bills. Advance disbursement authorizations for new initiatives shall not be made to any agency after that agency has operated during 2 consecutive fiscal years. The requirements of this Section concerning advance disbursements shall not apply with respect to the following: payments to local public agencies for child day care services as authorized by Section 5a of this Act; and youth service programs receiving grant funds under Section 17a-4.

(e) (Blank).

(f) (Blank).

(g) The Department shall establish rules and regulations concerning its operation of programs designed to meet the goals of child safety and protection, family preservation, family reunification, and adoption, including but not limited to:
   (1) adoption;
   (2) foster care;
   (3) family counseling;
   (4) protective services;
   (5) (blank);
   (6) homemaker service;
   (7) return of runaway children;
   (8) (blank);
   (9) placement under Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28, 4-25 or 5-740 of the Juvenile Court Act of 1987 in accordance with the federal Adoption Assistance and Child Welfare Act of 1980; and
   (10) interstate services.

Rules and regulations established by the Department shall include provisions for training Department staff and the staff of Department grantees, through contracts with other agencies or resources, in alcohol and drug abuse screening techniques approved by the Department of Human Services, as a successor to the Department of Alcoholism and Substance Abuse, for the purpose of identifying children and adults who should be referred to an alcohol and drug abuse treatment program for professional evaluation.

(h) If the Department finds that there is no appropriate program or facility within or available to the Department for a ward and that no licensed private facility has an adequate and appropriate program or none agrees to accept the ward, the Department shall create an appropriate individualized,
program-oriented plan for such ward. The plan may be developed within the Department or through purchase of services by the Department to the extent that it is within its statutory authority to do.

(i) Service programs shall be available throughout the State and shall include but not be limited to the following services:

(1) case management;
(2) homemakers;
(3) counseling;
(4) parent education;
(5) day care; and
(6) emergency assistance and advocacy.

In addition, the following services may be made available to assess and meet the needs of children and families:

(1) comprehensive family-based services;
(2) assessments;
(3) respite care; and
(4) in-home health services.

The Department shall provide transportation for any of the services it makes available to children or families or for which it refers children or families.

(j) The Department may provide categories of financial assistance and education assistance grants, and shall establish rules and regulations concerning the assistance and grants, to persons who adopt physically or mentally handicapped, older and other hard-to-place children who (i) immediately prior to their adoption were legal wards of the Department or (ii) were determined eligible for financial assistance with respect to a prior adoption and who become available for adoption because the prior adoption has been dissolved and the parental rights of the adoptive parents have been terminated or because the child's adoptive parents have died. The Department may also provide categories of financial assistance and education assistance grants, and shall establish rules and regulations for the assistance and grants, to persons appointed guardian of the person under Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28, 4-25 or 5-740 of the Juvenile Court Act of 1987 for children who were wards of the Department for 12 months immediately prior to the appointment of the guardian.

The amount of assistance may vary, depending upon the needs of the child and the adoptive parents, as set forth in the annual assistance agreement. Special purpose grants are allowed where the child requires special service but such costs may not exceed the amounts which similar services would cost the Department if it were to provide or secure them as guardian of the child.

Any financial assistance provided under this subsection is inalienable by assignment, sale, execution, attachment, garnishment, or any other remedy for recovery or collection of a judgment or debt.

(j-5) The Department shall not deny or delay the placement of a child for adoption if an approved family is available either outside of the Department region handling the case, or outside of the State of Illinois.

(k) The Department shall accept for care and training any child who has been adjudicated neglected or abused, or dependent committed to it pursuant to the Juvenile Court Act or the Juvenile Court Act of 1987.

(l) Before July 1, 2000, the Department may provide, and beginning July 1, 2000, the Department shall offer family preservation services, as defined in Section 8.2 of the Abused and Neglected Child Reporting Act, to help families, including adoptive and extended families. Family preservation services shall be offered (i) to prevent the placement of children in substitute care when the children can be cared for at home or in the custody of the person responsible for the children's welfare, (ii) to reunite children with their families, or (iii) to maintain an adoptive placement. Family preservation services shall only be offered when doing so will not endanger the children's health or safety. With respect to children who are in substitute care pursuant to the Juvenile Court Act of 1987, family preservation services shall not be offered if a goal other than those of subdivisions (A), (B), or (B-1) of subsection (2) of Section 2-28 of that Act has been set. Nothing in this paragraph shall be construed to create a private right of action or claim on the part of any individual or child welfare agency.
The Department shall notify the child and his family of the Department's responsibility to offer and provide family preservation services as identified in the service plan. The child and his family shall be eligible for services as soon as the report is determined to be "indicated". The Department may offer services to any child or family with respect to whom a report of suspected child abuse or neglect has been filed, prior to concluding its investigation under Section 7.12 of the Abused and Neglected Child Reporting Act. However, the child's or family's willingness to accept services shall not be considered in the investigation. The Department may also provide services to any child or family who is the subject of any report of suspected child abuse or neglect or may refer such child or family to services available from other agencies in the community, even if the report is determined to be unfounded, if the conditions in the child's or family's home are reasonably likely to subject the child or family to future reports of suspected child abuse or neglect. Acceptance of such services shall be voluntary.

The Department may, at its discretion except for those children also adjudicated neglected or dependent, accept for care and training any child who has been adjudicated addicted, as a truant minor in need of supervision or as a minor requiring authoritative intervention, under the Juvenile Court Act or the Juvenile Court Act of 1987, but no such child shall be committed to the Department by any court without the approval of the Department. A minor charged with a criminal offense under the Criminal Code of 1961 or adjudicated delinquent shall not be placed in the custody of or committed to the Department by any court, except a minor less than 13 years of age committed to the Department under Section 5-710 of the Juvenile Court Act of 1987.

(l-1) The legislature recognizes that the best interests of the child require that the child be placed in the most permanent living arrangement as soon as is practically possible. To achieve this goal, the legislature directs the Department of Children and Family Services to conduct concurrent planning so that permanency may occur at the earliest opportunity. Permanent living arrangements may include prevention of placement of a child outside the home of the family when the child can be cared for at home without endangering the child's health or safety; reunification with the family, when safe and appropriate, if temporary placement is necessary; or movement of the child toward the most permanent living arrangement and permanent legal status.

When determining reasonable efforts to be made with respect to a child, as described in this subsection, and in making such reasonable efforts, the child's health and safety shall be the paramount concern.

When a child is placed in foster care, the Department shall ensure and document that reasonable efforts were made to prevent or eliminate the need to remove the child from the child's home. The Department must make reasonable efforts to reunify the family when temporary placement of the child occurs unless otherwise required, pursuant to the Juvenile Court Act of 1987. At any time after the dispositional hearing where the Department believes that further reunification services would be ineffective, it may request a finding from the court that reasonable efforts are no longer appropriate. The Department is not required to provide further reunification services after such a finding.

A decision to place a child in substitute care shall be made with considerations of the child's health, safety, and best interests. At the time of placement, consideration should also be given so that if reunification fails or is delayed, the placement made is the best available placement to provide permanency for the child.

The Department shall adopt rules addressing concurrent planning for reunification and permanency. The Department shall consider the following factors when determining appropriateness of concurrent planning:

1. the likelihood of prompt reunification;
2. the past history of the family;
3. the barriers to reunification being addressed by the family;
4. the level of cooperation of the family;
5. the foster parents' willingness to work with the family to reunite;
6. the willingness and ability of the foster family to provide an adoptive home or long-term placement;
7. the age of the child;
8. placement of siblings.

(m) The Department may assume temporary custody of any child if:
(1) it has received a written consent to such temporary custody signed by the parents of the child or by the parent having custody of the child if the parents are not living together or by the guardian or custodian of the child if the child is not in the custody of either parent, or
(2) the child is found in the State and neither a parent, guardian nor custodian of the child can be located.

If the child is found in his or her residence without a parent, guardian, custodian or responsible caretaker, the Department may, instead of removing the child and assuming temporary custody, place an authorized representative of the Department in that residence until such time as a parent, guardian or custodian enters the home and expresses a willingness and apparent ability to ensure the child's health and safety and resume permanent charge of the child, or until a relative enters the home and is willing and able to ensure the child's health and safety and assume charge of the child until a parent, guardian or custodian enters the home and expresses such willingness and ability to ensure the child's safety and resume permanent charge. After a caretaker has remained in the home for a period not to exceed 12 hours, the Department must follow those procedures outlined in Section 2-9, 3-11, 4-8, or 5-415 of the Juvenile Court Act of 1987.

The Department shall have the authority, responsibilities and duties that a legal custodian of the child would have pursuant to subsection (9) of Section 1-3 of the Juvenile Court Act of 1987. Whenever a child is taken into temporary custody pursuant to an investigation under the Abused and Neglected Child Reporting Act, or pursuant to a referral and acceptance under the Juvenile Court Act of 1987 of a minor in limited custody, the Department, during the period of temporary custody and before the child is brought before a judicial officer as required by Section 2-9, 3-11, 4-8, or 5-415 of the Juvenile Court Act of 1987, shall have the authority, responsibilities and duties that a legal custodian of the child would have under subsection (9) of Section 1-3 of the Juvenile Court Act of 1987.

The Department shall ensure that any child taken into custody is scheduled for an appointment for a medical examination.

A parent, guardian or custodian of a child in the temporary custody of the Department who would have custody of the child if he were not in the temporary custody of the Department may deliver to the Department a signed request that the Department surrender the temporary custody of the child. The Department may retain temporary custody of the child for 10 days after the receipt of the request, during which period the Department may cause to be filed a petition pursuant to the Juvenile Court Act of 1987. If a petition is so filed, the Department shall retain temporary custody of the child until the court orders otherwise. If a petition is not filed within the 10 day period, the child shall be surrendered to the custody of the requesting parent, guardian or custodian not later than the expiration of the 10 day period, at which time the authority and duties of the Department with respect to the temporary custody of the child shall terminate.

(m-1) The Department may place children under 18 years of age in a secure child care facility licensed by the Department that cares for children who are in need of secure living arrangements for their health, safety, and well-being after a determination is made by the facility director and the Director or the Director's designate prior to admission to the facility subject to Section 2-27.1 of the Juvenile Court Act of 1987. This subsection (m-1) does not apply to a child who is subject to placement in a correctional facility operated pursuant to Section 3-15-2 of the Unified Code of Corrections, unless the child is a ward who was placed under the care of the Department before being subject to placement in a correctional facility and a court of competent jurisdiction has ordered placement of the child in a secure care facility.

(n) The Department may place children under 18 years of age in licensed child care facilities when in the opinion of the Department, appropriate services aimed at family preservation have been unsuccessful and cannot ensure the child's health and safety or are unavailable and such placement would be for their best interest. Payment for board, clothing, care, training and supervision of any child placed in a licensed child care facility may be made by the Department, by the parents or guardians of the estates of those children, or by both the Department and the parents or guardians, except that no payments shall be made by the Department for any child placed in a licensed child care facility for board, clothing, care, training and supervision of such a child that exceed the average per capita cost of maintaining and of caring for a child in institutions for dependent or neglected children operated by the Department. However, such restriction on payments does not apply in cases where

children require specialized care and treatment for problems of severe emotional disturbance, physical disability, social adjustment, or any combination thereof and suitable facilities for the placement of such children are not available at payment rates within the limitations set forth in this Section. All reimbursements for services delivered shall be absolutely inalienable by assignment, sale, attachment, garnishment or otherwise.

(o) The Department shall establish an administrative review and appeal process for children and families who request or receive child welfare services from the Department. Children who are wards of the Department and are placed by private child welfare agencies, and foster families with whom those children are placed, shall be afforded the same procedural and appeal rights as children and families in the case of placement by the Department, including the right to an initial review of a private agency decision by that agency. The Department shall insure that any private child welfare agency, which accepts wards of the Department for placement, affords those rights to children and foster families. The Department shall accept for administrative review and an appeal hearing a complaint made by (i) a child or foster family concerning a decision following an initial review by a private child welfare agency or (ii) a prospective adoptive parent who alleges a violation of subsection (j-5) of this Section. An appeal of a decision concerning a change in the placement of a child shall be conducted in an expedited manner.

(p) There is hereby created the Department of Children and Family Services Emergency Assistance Fund from which the Department may provide special financial assistance to families which are in economic crisis when such assistance is not available through other public or private sources and the assistance is deemed necessary to prevent dissolution of the family unit or to reunite families which have been separated due to child abuse and neglect. The Department shall establish administrative rules specifying the criteria for determining eligibility for the amount and nature of assistance to be provided. The Department may also enter into written agreements with private and public social service agencies to provide emergency financial services to families referred by the Department. Special financial assistance payments shall be available to a family no more than once during each fiscal year and the total payments to a family may not exceed $500 during a fiscal year.

(q) The Department may receive and use, in their entirety, for the benefit of children any gift, donation or bequest of money or other property which is received on behalf of such children, or any financial benefits to which such children are or may become entitled while under the jurisdiction or care of the Department.

The Department shall set up and administer no-cost, interest-bearing savings accounts in appropriate financial institutions ("individual accounts") for children for whom the Department is legally responsible and who have been determined eligible for Veterans' Benefits, Social Security benefits, assistance allotments from the armed forces, court ordered payments, parental voluntary payments, Supplemental Security Income, Railroad Retirement payments, Black Lung benefits, or other miscellaneous payments. Interest earned by each individual account shall be credited to the account, unless disbursed in accordance with this subsection.

In disbursing funds from children's individual accounts, the Department shall:

1. Establish standards in accordance with State and federal laws for disbursing money from children's individual accounts. In all circumstances, the Department's "Guardianship Administrator" or his or her designee must approve disbursements from children's individual accounts. The Department shall be responsible for keeping complete records of all disbursements for each individual account for any purpose.

2. Calculate on a monthly basis the amounts paid from State funds for the child's board and care, medical care not covered under Medicaid, and social services; and utilize funds from the child's individual account, as covered by regulation, to reimburse those costs. Monthly, disbursements from all children's individual accounts, up to 1/12 of $13,000,000, shall be deposited by the Department into the General Revenue Fund and the balance over 1/12 of $13,000,000 into the DCFS Children's Services Fund.

3. Maintain any balance remaining after reimbursing the child's costs of care, as specified in item (2). The balance shall accumulate in accordance with relevant State and federal laws and shall be disbursed to the child or his or her guardian, or to the issuing agency.

(r) The Department shall promulgate regulations encouraging all adoption agencies to
voluntarily forward to the Department or its agent names and addresses of all persons who have
applied for and have been approved for adoption of a hard-to-place or handicapped child and the
names of such children who have not been placed for adoption. A list of such names and addresses
shall be maintained by the Department or its agent, and coded lists which maintain the confidentiality
of the person seeking to adopt the child and of the child shall be made available, without charge, to
every adoption agency in the State to assist the agencies in placing such children for adoption. The
Department may delegate to an agent its duty to maintain and make available such lists. The
Department shall ensure that such agent maintains the confidentiality of the person seeking to adopt
the child and of the child.

(s) The Department of Children and Family Services may establish and implement a program
to reimburse Department and private child welfare agency foster parents licensed by the Department
of Children and Family Services for damages sustained by the foster parents as a result of the
malicious or negligent acts of foster children, as well as providing third party coverage for such foster
parents with regard to actions of foster children to other individuals. Such coverage will be secondary
to the foster parent liability insurance policy, if applicable. The program shall be funded through
appropriations from the General Revenue Fund, specifically designated for such purposes.

(t) The Department shall perform home studies and investigations and shall exercise
supervision over visitation as ordered by a court pursuant to the Illinois Marriage and Dissolution of
Marriage Act or the Adoption Act only if:

(1) an order entered by an Illinois court specifically directs the Department to perform
such services; and

(2) the court has ordered one or both of the parties to the proceeding to reimburse the
Department for its reasonable costs for providing such services in accordance with
Department rules, or has determined that neither party is financially able to pay.

The Department shall provide written notification to the court of the specific arrangements
for supervised visitation and projected monthly costs within 60 days of the court order. The
Department shall send to the court information related to the costs incurred except in cases where the
court has determined the parties are financially unable to pay. The court may order additional periodic
reports as appropriate.

(u) Whenever the Department places a child in a licensed foster home, group home, child care
institution, or in a relative home, the Department shall provide to the caretaker:

(1) available detailed information concerning the child's educational and health history,
copies of immunization records (including insurance and medical card information), a history
of the child's previous placements, if any, and reasons for placement changes excluding any
information that identifies or reveals the location of any previous caretaker;

(2) a copy of the child's portion of the client service plan, including any visitation
arrangement, and all amendments or revisions to it as related to the child; and

(3) information containing details of the child's individualized educational plan when the
child is receiving special education services.

The caretaker shall be informed of any known social or behavioral information (including,
but not limited to, criminal background, fire setting, perpetuation of sexual abuse, destructive
behavior, and substance abuse) necessary to care for and safeguard the child.

(u-5) Effective July 1, 1995, only foster care placements licensed as foster family homes
pursuant to the Child Care Act of 1969 shall be eligible to receive foster care payments from the
Department. Relative caregivers who, as of July 1, 1995, were approved pursuant to approved relative
placement rules previously promulgated by the Department at 89 Ill. Adm. Code 335 and had
submitted an application for licensure as a foster family home may continue to receive foster care
payments only until the Department determines that they may be licensed as a foster family home or
that their application for licensure is denied or until September 30, 1995, whichever occurs first.

(v) The Department shall access criminal history record information as defined in the Illinois
Uniform Conviction Information Act and information maintained in the adjudicatory and dispositional
record system as defined in Section 2605-355 of the Department of State Police Law (20 ILCS
2605/2605-355) if the Department determines the information is necessary to perform its duties under
the Abused and Neglected Child Reporting Act, the Child Care Act of 1969, and the Children and
Family Services Act. The Department shall provide for interactive computerized communication and

processing equipment that permits direct on-line communication with the Department of State Police's central criminal history data repository. The Department shall comply with all certification requirements and provide certified operators who have been trained by personnel from the Department of State Police. In addition, one Office of the Inspector General investigator shall have training in the use of the criminal history information access system and have access to the terminal. The Department of Children and Family Services and its employees shall abide by rules and regulations established by the Department of State Police relating to the access and dissemination of this information.

(w) Within 120 days of August 20, 1995 (the effective date of Public Act 89-392), the Department shall prepare and submit to the Governor and the General Assembly, a written plan for the development of in-state licensed secure child care facilities that care for children who are in need of secure living arrangements for their health, safety, and well-being. For purposes of this subsection, secure care facility shall mean a facility that is designed and operated to ensure that all entrances and exits from the facility, a building or a distinct part of the building, are under the exclusive control of the staff of the facility, whether or not the child has the freedom of movement within the perimeter of the facility, building, or distinct part of the building. Any circuit court of this State, upon application of the person requesting the hearing or the Department, may compel the attendance of witnesses, the production of books and papers, and giving of testimony before the Department or before any authorized officer or employee thereof, by an attachment for contempt or otherwise, in the same manner as production of evidence may be compelled before such court. The Department shall develop a continuous inservice staff development program and
evaluation system. Each child protective investigator and supervisor and child welfare specialist and supervisor shall participate in such program and evaluation and shall complete a minimum of 20 hours of inservice education and training every 2 years in order to maintain certification.

The Department shall submit to the General Assembly on or before May 1, 1996, and every year thereafter, an annual report on the evaluation of the reliability and validity of the child endangerment risk assessment protocol. Section 99. Effective date. This Act takes effect upon becoming law.
Sec. 8. Applicant qualifications; examination.

(a) In order to protect persons with hearing impairments, the Department shall authorize or shall conduct an appropriate examination for persons who dispense, test, select, recommend, fit, or service hearing instruments. The frequency of holding these examinations shall be determined by the Department by rule. Those who successfully pass such an examination shall be issued a license as a hearing instrument dispenser, which shall be effective for a 2-year period.

(b) Applicants shall be:

1. at least 18 years of age;
2. of good moral character;
3. a high school graduate or the equivalent;
4. free of contagious or infectious disease; and
5. a citizen or person who has the status as a legal alien.

Felony convictions of the applicant and findings against the applicant involving matters set forth in Sections 17 and 18 shall be considered in determining moral character, but such a conviction or finding shall not make an applicant ineligible to register for examination.

(c) Prior to engaging in the practice of fitting, dispensing, or servicing hearing instruments, an applicant shall demonstrate, by means of written and practical examinations, that such person is qualified to practice the testing, selecting, recommending, fitting, selling, or servicing of hearing instruments as defined in this Act. An applicant who fails to obtain a license within 12 months after passing both the written and practical examinations must take and pass those examinations again in order to be eligible to receive a license.

The Department shall, by rule, determine the conditions under which an individual is examined.

(d) Proof of having met the minimum requirements of continuing education as determined by the Board shall be required of all license renewals. Pursuant to rule, the continuing education requirements may, upon petition to the Board, be waived in whole or in part if the hearing instrument dispenser can demonstrate that he or she served in the Coast Guard or Armed Forces, had an extreme hardship, or obtained his or her license by examination or endorsement within the preceding renewal period.

(e) Beginning January 1, 2003, persons applying for an initial license must demonstrate having earned an associate degree or its equivalent from an accredited institution of higher education and meet the other requirements of this Section. In addition, the applicant must demonstrate the successful completion of 12 semester hours or 18 quarter hours of academic undergraduate course work in an accredited institution consisting of 3 semester hours of anatomy and physiology of the speech and hearing mechanism, 3 semester hours of hearing science, 3 semester hours of introduction to audiology, and 3 semester hours of aural rehabilitation, or the quarter hour equivalent. Persons licensed before January 1, 2003 who have a valid license on that date may have their license renewed without meeting the requirements of this subsection.

AN ACT in relation to higher education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Prepaid Tuition Act is amended by changing Section 45 as follows:
(110 ILCS 979/45)
Sec. 45. Illinois prepaid tuition contracts.
(a) The Commission may enter into an Illinois prepaid tuition contract with a purchaser under
which the Commission contracts on behalf of the State to pay full tuition and mandatory fees at an
Illinois public university or Illinois community college for a qualified beneficiary to attend the
MAP-eligible institution to which the qualified beneficiary is admitted. Each contract shall contain
terms, conditions, and provisions that the Commission determines to be necessary for ensuring the
educational objectives and sustainable financial viability of the Illinois prepaid tuition program.
(b) Each contract shall have one designated purchaser and one designated qualified
beneficiary. Unless otherwise specified in the contract, the purchaser owns the contract and retains
any tax liability for its assets only until the first distribution of benefits. Once a partial benefit of
the contract has been disbursed, any tax liability attributable to the contract and its assets becomes a tax
liability of the qualified beneficiary, unless otherwise specified in the contract. Contracts shall be
purchased in units of 15 credit hours at any MAP-eligible institution.
(c) Without exception, benefits may be received by a qualified beneficiary of an Illinois
prepaid tuition contract no earlier than 3 years from the date the contract is purchased.
(d) A prepaid tuition contract shall contain, but is not limited to, provisions for (i) refunds or
withdrawals in certain circumstances, with or without interest or penalties; (ii) conversion of the
contract at the time of distribution from accrued prepayment value at one type of MAP-eligible
institution to the accrued prepayment value at a different type of MAP-eligible institution; (iii)
portability of the accrued value of the prepayment value for use at an out-of-state higher education
institution; (iv) transferability of the contract benefits within the qualified beneficiary's immediate
family; and (v) a specified benefit period during which the contract may be redeemed.
(e) Each Illinois prepaid tuition contract also shall contain, at minimum, all of the following:
(1) The amount of payment or payments and the number of payments required from a
purchaser on behalf of a qualified beneficiary.
(2) The terms and conditions under which purchasers shall remit payments, including,
but not limited to, the date or dates upon which each payment shall be due.
(3) Provisions for late payment charges and for default.
(4) Provisions for penalty fees payable incident to an authorized withdrawal.
(5) The name, date of birth, and social security number of the qualified beneficiary on
whose behalf the contract is drawn and the terms and conditions under which the contract
may be transferred to another qualified beneficiary.
(6) The name and social security number of any person who may terminate the contract,
together with terms that specify whether the contract may be terminated by the purchaser,
the qualified beneficiary, a specific designated person, or any combination of these persons.
(7) The terms and conditions under which a contract may be terminated, the name and
social security number of the person entitled to any refund due as a result of the termination
of the contract pursuant to those terms and conditions, and the method for determining the
amount of a refund.
(8) The time limitations, if any, within which the qualified beneficiary must claim his or
her benefits through the program.
(9) Other terms and conditions determined by the Commission to be appropriate.
(f) In addition to the contract provisions set forth in subsection (e), each Illinois prepaid
tuition contract shall include:
(1) The number of credit hours contracted by the purchaser.
(2) The type of MAP-eligible institution and the prepaid tuition plan toward which the
credit hours shall be applied.
(3) The explicit contractual obligation of the Commission to the qualified beneficiary to
provide a specific number of credit hours of undergraduate instruction at a MAP-eligible institution, not to exceed the median number of credit hours required for the conference of a degree that corresponds to the plan purchased on behalf of the qualified beneficiary.

(g) The Commission shall indicate by rule the conditions under which refunds are payable to a contract purchaser. Generally, no refund shall exceed the amount paid into the Illinois Prepaid Tuition Trust Fund by the purchaser. In the event that a contract is converted from a Public University Plan described in subsection (j) of this Section to a Community College Plan described in subsection (k) of this Section, the refund amount shall be reduced by the amount transferred to the Illinois community college on behalf of the qualified beneficiary. Except where the Commission may otherwise rule, refunds may exceed the amount paid into the Illinois Prepaid Tuition Trust Fund only under the following circumstances:

1. If the qualified beneficiary is awarded a grant or scholarship at a public institution of higher education, the terms of which duplicate the benefits included in the Illinois prepaid tuition contract, then moneys paid for the purchase of the contract shall be returned to the purchaser, upon request, in semester installments that coincide with the matriculation by the qualified beneficiary, in an amount equal to (i) the original purchase price plus 2% interest compounded annually, or (ii) the current cost of tuition and mandatory fees at the MAP-eligible institution where the qualified beneficiary is enrolled.

1.1. If the qualified beneficiary is awarded a grant or scholarship while enrolled at either a MAP-eligible nonpublic institution of higher education or an eligible public or private out-of-state higher education institution, the terms of which duplicate the benefits included in the Illinois prepaid tuition contract, then money paid for the purchase of the contract shall be returned to the purchaser, upon request, in semester installments that coincide with the matriculation by the qualified beneficiary. The amount paid shall not exceed the current average mean-weighted credit hour value of the registration fees purchased under the contract.

2. In the event of the death or total disability of the qualified beneficiary, moneys paid for the purchase of the Illinois prepaid tuition contract shall be returned to the purchaser together with all accrued earnings.

3. If an Illinois prepaid tuition contract is converted from a Public University Plan to a Community College Plan, then the amount refunded shall be the value of the original Illinois prepaid tuition contract minus the value of the contract after conversion. No refund shall be authorized under an Illinois prepaid tuition contract for any semester partially attended but not completed.

The Commission, by rule, shall set forth specific procedures for making contract payments in conjunction with grants and scholarships awarded to contract beneficiaries.

Moneys paid into or out of the Illinois Prepaid Tuition Trust Fund by or on behalf of the purchaser or the qualified beneficiary of an Illinois prepaid tuition contract are exempt from all claims of creditors of the purchaser or beneficiary, so long as the contract has not been terminated.

The State or any State agency, county, municipality, or other political subdivision, by contract or collective bargaining agreement, may agree with any employee to remit payments toward the purchase of Illinois prepaid tuition contracts through payroll deductions made by the appropriate officer or officers of the entity making the payments. Such payments shall be held and administered in accordance with this Act.

(h) Nothing in this Act shall be construed as a promise or guarantee that a qualified beneficiary will be admitted to a MAP-eligible institution or to a particular MAP-eligible institution, will be allowed to continue enrollment at a MAP-eligible institution after admission, or will be graduated from a MAP-eligible institution.

(i) The Commission shall develop and make prepaid tuition contracts available under a minimum of at least 2 independent plans to be known as the Public University Plan and the Community College Plan.

Contracts shall be purchased in units of 15 credit hours at either an Illinois public university or an Illinois community college. The minimum purchase amount per qualified beneficiary shall be one unit or 15 credit hours. The maximum purchase amount shall be 9 units (or 135 credit hours) for the Public University Plan and 4 units (or 60 credit hours) for the Community College Plan.
(j) Public University Plan. Through the Public University Plan, the Illinois prepaid tuition contract shall provide prepaid registration fees, which include full tuition costs as well as mandatory fees, for a specified number of undergraduate credit hours, not to exceed the maximum number of credit hours required for the conference of a baccalaureate degree. In determining the cost of participation in the Public University Plan, the Commission shall reference the combined mean-weighted current registration fees from all Illinois public universities.

In the event that a qualified beneficiary for whatever reason chooses to attend an Illinois community college, the qualified beneficiary may convert the average number of credit hours required for the conference of an associate degree from the Public University Plan to the Community College Plan and may retain the remaining Public University Plan credit hours or may request a refund for prepaid credit hours in excess of those required for conference of an associate degree. In determining the amount of any refund, the Commission also shall recognize the current relative credit hour cost of the 2 plans when making any conversion.

Qualified beneficiaries shall bear the cost of any laboratory or other non-mandatory fees associated with enrollment in specific courses. Qualified beneficiaries who are not Illinois residents shall bear the difference in cost between in-state registration fees guaranteed by the prepaid tuition contract and tuition and other charges assessed upon out-of-state students by the MAP-eligible institution.

(k) Community College Plan. Through the Community College Plan, the Illinois prepaid tuition contract shall provide prepaid registration fees, which include full tuition costs as well as mandatory fees, for a specified number of undergraduate credit hours, not to exceed the maximum number of credit hours required for the conference of an associate degree. In determining the cost of participation in the Community College Plan, the Commission shall reference the combined mean-weighted current registration fees from all Illinois community colleges.

In the event that a qualified beneficiary for whatever reason chooses to attend an Illinois public university, the qualified beneficiary's prepaid tuition contract shall be converted for use at that Illinois public university by referencing the current average mean-weighted credit hour value of registration fees at Illinois community colleges relative to the corresponding value of registration fees at Illinois public universities.

Qualified beneficiaries shall bear the cost of any laboratory or other non-mandatory fees associated with enrollment in specific courses. Qualified beneficiaries who are not Illinois residents shall bear the difference in cost between in-state registration fees guaranteed by the prepaid tuition contract and tuition and other charges assessed upon out-of-state students by the MAP-eligible institution.

(l) A qualified beneficiary may apply the benefits of any Illinois prepaid tuition contract toward a nonpublic institution of higher education. In the event that a qualified beneficiary for whatever reason chooses to attend a nonpublic institution of higher education, the qualified beneficiary's prepaid tuition contract shall be converted for use at that nonpublic institution of higher education by referencing the current average mean-weighted credit hour value of registration fees purchased under the contract. The Commission shall transfer, or cause to have transferred, this amount, less a transfer fee, to the nonpublic institution on behalf of the beneficiary. In the event that the cost of registration charged to the beneficiary at the nonpublic institution of higher education is less than the aggregate value of the Illinois prepaid tuition contract, any remaining amount shall be transferred in subsequent semesters until the transfer value is fully depleted.

(m) A qualified beneficiary may apply the benefits of any Illinois prepaid tuition contract toward an eligible out-of-state college or university. Institutional eligibility for out-of-state colleges and universities shall be determined by the Commission, but in making those determinations the Commission shall recognize that the benefits of an Illinois prepaid tuition contract may not be used at any postsecondary educational institution that is both operated for-profit and located outside of Illinois. In the event that a qualified beneficiary for whatever reason chooses to attend an eligible out-of-state college or university, the qualified beneficiary's prepaid tuition contract shall be converted for use at that college or university by referencing the current average mean-weighted credit hour value of registration fees purchased under the contract. The Commission shall transfer, or cause to have transferred, this amount, less a transfer fee, to the college or university on behalf of the beneficiary. In the event that the cost of registration charged to the beneficiary at the eligible
out-of-state college or university is less than the aggregate value of the Illinois prepaid tuition contract, any remaining amount shall be transferred in subsequent semesters until the transfer value is fully depleted.

(n) Illinois prepaid tuition contracts may be purchased either by lump sum or by installments. All installment contracts shall be for 5 years, except that contracts that purchase at least 120 credit hours may be payable, by installments, over a 10-year period. No penalty shall be assessed for early payment of installment contracts.

(o) The Commission shall annually adjust the price of new contracts, in accordance with the annual changes in registration fees at Illinois public universities and community colleges.

(9) The Commission shall annually adjust the price of new contracts, in accordance with the annual changes in registration fees at Illinois public universities and community colleges.

(75 ILCS 5/4-7) (from Ch. 81, par. 4-7)
Sec. 4-7. Each board of library trustees of a city, incorporated town, village or township shall carry out the spirit and intent of this Act in establishing, supporting and maintaining a public library or libraries for providing library service and, in addition to but without limiting other powers conferred by this Act, shall have the following powers:

1. To make and adopt such bylaws, rules and regulations, for their own guidance and for the government of the library as may be expedient, not inconsistent with this Act;
2. To have the exclusive control of the expenditure of all moneys collected for the library and deposited to the credit of the library fund;
3. To have the exclusive control of the construction of any library building and of the supervision, care and custody of the grounds, rooms or buildings constructed, leased or set apart for that purpose;
4. To purchase or lease real or personal property, and to construct an appropriate building or buildings for the use of a library established hereunder, using, at the board's option, contracts providing for all or part of the consideration to be paid through installments at stated intervals during a certain period not to exceed 20 years with interest on the unpaid balance at any lawful rate for municipal corporations in this State, except that contracts for installment purchases of real estate shall provide for not more than 75% of the total consideration to be repaid by installments, and to refund at any time any installment contract entered into pursuant to this paragraph by means of a refunding loan agreement, which may provide for installment payments of principal and interest to be made at stated intervals during a certain period not to exceed 20 years from the date of such refunding loan agreement, with interest on the unpaid principal balance at any lawful rate for municipal corporations in this State, except that no installment contract or refunding loan agreement for the same property or construction project may exceed an aggregate of 20 years;
5. To remodel or reconstruct a building erected or purchased by the board, when such building is not adapted to its purposes or needs;
6. To sell or otherwise dispose of any real or personal property that it deems no longer necessary or useful for library purposes, and to lease to others any real property not immediately useful but for which plans for ultimate use have been or will be adopted but the corporate authorities shall have the first right to purchase or lease except that in the case of the City of Chicago, this power shall be governed and limited by the Chicago Public Library Act;
7. To appoint and to fix the compensation of a qualified librarian, who shall have the
authority to hire such other employees as may be necessary, to fix their compensation, and to remove such appointees, subject to the approval of the board, but these powers are subject to Division 1 of Article 10 of the Illinois Municipal Code in municipalities in which that Division is in force. The board may also retain counsel and professional consultants as needed;

8. To contract with any public or private corporation or entity for the purpose of providing or receiving library service or of performing any and all other acts necessary and proper to carry out the responsibilities, the spirit, and the provisions of this Act. This contractual power includes, but is not limited to, participating in interstate library compacts and library systems, contracting to supply library services, and expending of any federal or State funds made available to any county, municipality, township or to the State of Illinois for library purposes. However, if a contract is for the supply of library services for residents without a public library established under the provisions of this Act, the terms of that contract will recognize the principle of equity or cost of services to non-residents expressed in this Section of this Act, and will provide for the assumption by the contracting party receiving the services of financial responsibility for the loss of or damage to any library materials provided to non-residents under the contract;

9. To join with the board or boards of any one or more libraries in this State in maintaining libraries, or for the maintenance of a common library or common library services for participants, upon such terms as may be agreed upon by and between the boards;

A person residing outside of a public library service area must apply for a non-resident library card at the public library located closest to the person's principal residence. The nonresident cards shall allow for borrowing privileges at all participating public libraries in the regional library system only at the library where the card was issued. The nonresident fee shall not apply to privilege and use provided under the terms of the library's membership in a library system operating under the provisions of the Illinois Library System Act, under the terms of any reciprocal agreement with a public or private corporation or entity providing a library service, or to a nonresident who as an individual or as a partner, principal stockholder, or other joint owner owns taxable property or is a senior administrative officer of a firm, business, or other corporation owning taxable property within the city, incorporated town, village or township upon the presentation of the most recent tax bill upon that taxable property, provided that the privilege and use of the library is extended to only one such nonresident for each parcel of such taxable property. Nothing in this item 12 requires any public library to participate in the non-resident card reciprocal borrowing program of a regional library system as provided for in this Section;

13. To exercise the power of eminent domain subject to the prior approval of the corporate authorities under Sections 5-1 and 5-2 of this Act;

14. Section 10. The Public Library District Act of 1991 is amended by changing Section 30-55.60 as follows:
(75 ILCS 16/30-55.60)
Sec. 30-55.60. Use of library by nonresidents. The board may extend the privileges and use of the library, including the borrowing of materials on an individual basis by persons residing outside the district. If the board exercises this power, the privilege of library use shall be upon terms and conditions prescribed by the board in its regulations. The board shall charge a nonresident fee for the privileges and use of the library at least equal to the cost paid by residents of the district, with the cost to be determined according to the formula established by the Illinois State Library. A person residing outside of a public library service area must apply for a non-resident library card at the public library closest to the person’s principal residence. The nonresident cards shall allow for borrowing privileges at all participating public libraries in the regional library system only at the library where the card was issued. The nonresident fee shall not apply to any of the following:

(1) Privileges and use provided (i) under the terms of the district's membership in a library system operating under the provisions of the Illinois Library System Act or (ii) under the terms of any reciprocal agreement with a public or private corporation or entity providing a library service.

(2) Residents of an area in which the library is conducting a program for the purpose of encouraging the inclusion of the area in the library district.

(3) A nonresident who, as an individual or as a partner, principal stockholder, or other joint owner, owns taxable property or is a senior administrative officer of a firm, business, or other corporation owning taxable property within the district, upon presentation of the most recent tax bill upon that taxable property, provided that the privileges and use of the library is extended to only one such nonresident for each parcel of taxable property.

Nothing in this Section requires any public library to participate in the non-resident card reciprocal borrowing program of a regional library system as provided for in this Section.

AN ACT concerning snowmobile registration and safety.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Snowmobile Registration and Safety Act is amended by changing Sections 3-2, 3-5, 3-8, 3-9, 3-11, 5-3, 6-1, and 9-2 as follows:

(625 ILCS 40/3-2) (from Ch. 95 1/2, par. 603-2)

Sec. 3-2. Identification Number Application. The owner of each snowmobile requiring numbering by this State shall file an application for number with the Department on forms approved by it. The application shall be signed by the owner of the snowmobile and shall be accompanied by a fee of $18. When a snowmobile dealer sells a snowmobile the dealer shall, at the time of sale, require the buyer to complete an application for the registration certificate, collect the required fee and mail the application and fee to the Department no later than 14 days after the date of sale. Combination application-receipt forms shall be provided by the Department and the dealer shall furnish the buyer with the completed receipt showing that application for registration has been made. This completed receipt shall be in the possession of the user of the snowmobile until the registration certificate is received. No snowmobile dealer may charge an additional fee to the buyer for performing this service required under this subsection. However, no purchaser exempted under Section 3-11 of this Act shall be charged any fee or be subject to the other requirements of this Section. The application form shall so state in clear language the requirements of this Section and the penalty for violation near the place on the application form provided for indicating the intention to register in another jurisdiction. Each dealer shall maintain, for one year, a record in a form prescribed by the Department for each snowmobile sold. These records shall be open to inspection by the Department. Upon receipt of the application in approved form the Department shall enter the same upon the records of its office and issue to the applicant a certificate of number stating the number awarded to the snowmobile and the name and address of the owner.

(Source: P.A. 84-151; 84-973.)

(625 ILCS 40/3-5) (from Ch. 95 1/2, par. 603-5)

Sec. 3-5. Transfer of Identification Number. The purchaser of a snowmobile shall, within 15 days after acquiring same, make application to the Department for the transfer to him of the certificate of number issued to the snowmobile, giving his name, his address and the number of the snowmobile. The purchaser shall apply for a transfer-renewal for a fee of $18 for approximately 3 years. All transfers will bear September 30 expiration dates in the calendar year of expiration. Upon receipt of the application and fee, the Department shall transfer the certificate of number issued to the snowmobile to the new owner. Unless the application is made and fee paid within 30 days, the snowmobile shall be deemed to be without certificate of number and it shall be unlawful for any person to operate the snowmobile until the certificate is issued.

(Source: P.A. 87-1109.)

(625 ILCS 40/3-8) (from Ch. 95 1/2, par. 603-8)

Sec. 3-8. Certificate of Number. Every certificate of number awarded under this Act shall continue in full force and effect for approximately 3 years unless sooner terminated or discontinued in accordance with this Act. All new certificates issued will bear September 30 expiration dates in the calendar year 3 years after the issuing date. Provided however, that the Department may, for purposes of implementing this Section, adopt rules for phasing in the issuance of new certificates and provide for 1, 2 or 3 year expiration dates and pro-rated payments or charges for each registration.

All certificates shall be renewed for 3 years from the nearest September 30 for a fee of $18. All certificates will be considered invalid after October 15 of the year of expiration. All certificates expiring in a given year shall be renewed between April 1 and September 30 of that year, in order to allow sufficient time for processing.

The Department shall issue "registration expiration decals" with all new certificates of number, all certificates of number transferred and renewed, and all certificates of number renewed. The decals issued for each year shall be of a different and distinct color from the decals of each year currently displayed. The decals shall be affixed to each side of the cowling of the snowmobile in the manner prescribed by the rules and regulations of the Department. The Department shall fix a day and month of the year on which certificates of number due to expire shall lapse and no longer be of any
force and effect unless renewed pursuant to this Act.

No number or registration expiration decal, except a sticker or number which may be required by a political subdivision, or municipality, or state of this State, other than the registration expiration decal issued to a snowmobile or granted reciprocity pursuant to this Act, shall be painted, attached, or otherwise displayed on either side of the cowling of such snowmobile.

A dealer engaged in the manufacture, sale, or leasing of snowmobiles required to be numbered hereunder, upon application to the Department upon forms prescribed by it, may obtain certificates of number for use in the testing or demonstrating of such snowmobiles upon payment of $18 for each registration. Certificates of number so issued may be used by the applicant in the testing or demonstrating of snowmobiles by temporary placement of the registration expiration decals assigned by such certificates on the snowmobile so tested or demonstrated.

(See: P.A. 84-151; 84-973.)

Sec. 3-9. Registration List.

A snowmobile registration list may be furnished for official use at no charge only to such federal, state, county and municipal enforcement agencies as may require such data. A snowmobile registration list may be furnished, at the cost of reproduction, to statewide not-for-profit Illinois snowmobile organizations for use only with educational programs.

(See: P.A. 77-1312.)

Sec. 3-11. Exception from numbering provisions of this Act.) A snowmobile shall not be required to be numbered under this Act if it is:

D. Used only on international or national competition circuits in events for which written permission has been obtained by the sponsoring or sanctioning body from the governmental unit having jurisdiction over the location of any event held in this State.

E. Owned by persons domiciled in Illinois but used entirely in another jurisdiction when such owner has complied with the provisions of Section 3-2 of this Act.

F. Designed for use by small children primarily as a toy and used only on private property and not on any public use trail.

(See: P.A. 81-702.)

Sec. 5-3. Youthful Operators.

A. No person under 10 years of age may operate a snowmobile, other than machines designed for use by small children primarily as a toy and used only on private property and not on any public use trail.

B. Persons at least 10 and less than 12 years of age may operate a snowmobile only if they are either accompanied on the snowmobile by a parent or guardian or a person at least 18 years of age designated by a parent or guardian.

C. Persons at least 12 and less than 16 years of age may operate a snowmobile only if they are either accompanied on the snowmobile by a parent or guardian or a person at least 16 years of age designated by a parent or guardian, or such operator is in possession of a certificate issued by the Department authorizing the holder to operate snowmobiles.

D. Any person who operates a snowmobile on a highway as provided in Section 5-2 shall (1) possess a valid motor vehicle driver's license; or (2) possess a safety certificate as provided for in this Section. Any such person less than 16 years of age shall also be under the immediate supervision of a parent or guardian or a person at least 18 years of age designated by the parent or guardian.

E. Violations of this Section done with the knowledge of a parent or guardian shall be deemed
a violation by the parent or guardian and punishable under Article X of this Act.

F. The department shall establish a program of instruction on snowmobile laws, regulations, safety and related subjects. It is unlawful for any person under 16 years of age to operate a snowmobile on a public highway in this State. The program shall be conducted by instructors certified by the department. The department may procure liability insurance coverage for certified instructors for work within the scope of their duties under this section. Persons satisfactorily completing this program shall receive certification from the department. The department may charge each person who enrolls in the course an instruction fee of $2.50. If a fee is authorized by the department, the department shall authorize instructors conducting such courses meeting standards established by it to retain $1 of the fee to defray expenses incurred locally to operate the program. The remaining $1.50 of the fee shall be retained by the department to defray a part of its expenses incurred to operate the safety and accident reporting program. A person over the age of 12 years but under the age of 16 years who holds a valid certificate issued by another state or province of the Dominion of Canada need not obtain a certificate from the department if the course content of the program in such other state or province substantially meets that established by the department under this section. A certificate issued by the Department, or by another State or a province of the Dominion of Canada, shall not constitute a valid motor vehicle operator's license for the purpose of this Section.

No such report may be used as evidence in any trial, civil or criminal, arising out of an accident, except that the Department must furnish upon demand of any person who has or claims to have made such a report, or upon demand of any court, a certificate showing that a specified accident report has or has not been made to the Department, solely to prove a compliance or a failure to comply with the requirements that such a report be made to the Department.

Section 99. Effective date. This Act takes effect upon becoming law.  
Passed in the General Assembly May 1, 2001.  

AN ACT in relation to criminal law.  
Be it enacted by the People of the State of Illinois, represented in the General Assembly:  
Section 5. The Criminal Code of 1961 is amended by changing Section 11-20.1A as follows:
(720 ILCS 5/11-20.1A) (from Ch. 38, par. 11-20.1A)
Sec. 11-20.1A. Forfeitures.  
(a) A person who commits the offense of keeping a place of juvenile prostitution, exploitation of a child, or child pornography under Section Sections 11-17.1, 11-19.2, or 11-20.1 of this Code; shall forfeit to the State of Illinois:

(1) Any profits or proceeds and any interest or property he or she has acquired or maintained in violation of Section Sections 11-17.1, 11-19.2, or 11-20.1 of this Code that the sentencing court determines, after a forfeiture hearing, to have been acquired or maintained as a result of keeping a place of juvenile prostitution, exploitation of a child, or child pornography; and

(2) Any interest in, security of, claim against, or property or contractual right of any kind affording a source of influence over, any enterprise that which he or she has established, operated, controlled, or conducted in violation of Section Sections 11-17.1, 11-19.2, or 11-20.1 of this Code that the sentencing court determines, after a forfeiture hearing, to have been acquired or maintained as a result of keeping a place of juvenile prostitution, exploitation of a child, or child pornography.

(3) Any computer that contains a depiction of child pornography in any encoded or decoded format in violation of Section 11-20.1 of this Code. For purposes of this paragraph
(3), "computer" has the meaning ascribed to it in Section 16D-2 of this Code.

(b) (1) The court shall, upon petition by the Attorney General or State's Attorney at any time following sentencing, conduct a hearing to determine whether any property or property interest is subject to forfeiture under this Section. At the forfeiture hearing the people shall have the burden of establishing, by a preponderance of the evidence, that property or property interests are subject to forfeiture under this Section.

(2) In any action brought by the People of the State of Illinois under this Section, wherein any restraining order, injunction or prohibition or any other action in connection with any property or interest subject to forfeiture under this Section is sought, the circuit court presiding over the trial of the person or persons charged with keeping a place of juvenile prostitution, exploitation of a child or child pornography shall first determine whether there is probable cause to believe that the person or persons so charged have committed the offense of keeping a place of juvenile prostitution, exploitation of a child or child pornography and whether the property or interest is subject to forfeiture pursuant to this Section. In order to make such a determination, prior to entering any such order, the court shall conduct a hearing without a jury, wherein the People shall establish that there is: (i) probable cause that the person or persons so charged have committed the offense of keeping a place of juvenile prostitution, exploitation of a child or child pornography and (ii) probable cause that any property or interest may be subject to forfeiture pursuant to this Section. Such hearing may be conducted simultaneously with a preliminary hearing, if the prosecution is commenced by information or complaint, or by motion of the People, at any stage in the proceedings. The court may accept a finding of probable cause at a preliminary hearing following the filing of an information charging the offense of keeping a place of juvenile prostitution, exploitation of a child or child pornography or the return of an indictment by a grand jury charging the
offense of keeping a place of juvenile prostitution, exploitation of a child or child pornography as sufficient evidence of probable cause as provided in item (i) above. Upon such a finding, the circuit court shall enter such restraining order, injunction or prohibition, or shall take such other action in connection with any such property or other interest subject to forfeiture, as is necessary to insure that such property is not removed from the jurisdiction of the court, concealed, destroyed or otherwise disposed of by the owner of that property or interest prior to a forfeiture hearing under this Section. The Attorney General or State's Attorney shall file a certified copy of such restraining order, injunction or other prohibition with the recorder of deeds or registrar of titles of each county where any such property of the defendant may be located. No such injunction, restraining order or other prohibition shall affect the rights of any bona fide purchaser, mortgagee, judgment creditor or other lienholder arising prior to the date of such filing. The court may, at any time, upon verified petition by the defendant or an innocent owner or innocent bona fide third party lienholder who neither had knowledge of, nor consented to, the illegal act or omission, conduct a hearing to release all or portions of any such property or interest which the court previously determined to be subject to forfeiture or subject to any restraining order, injunction, or prohibition or other action. The court may release such property to the defendant or innocent owner or innocent bona fide third party lienholder who neither had knowledge of, nor consented to, the illegal act or omission for good cause shown and within the sound discretion of the court.

A forfeiture under this Section may be commenced by the Attorney General or a State's Attorney.

(3) Upon conviction of a person of keeping a place of juvenile prostitution, exploitation of a child or child pornography, the court shall authorize the Attorney General to seize all property or other interest declared forfeited under this Section upon such terms and conditions as the court shall deem proper.

(4) The Attorney General is authorized to sell all property forfeited and seized pursuant to this Section, unless such property is required by law to be destroyed or is harmful to the public, and, after the deduction of all requisite expenses of administration and sale, shall distribute the proceeds of such sale, along with any moneys forfeited or seized, in accordance with subsection (c) of this Section.

(c) All monies forfeited and the sale proceeds of all other property forfeited and seized under this Section shall be distributed as follows:

(1) One-half shall be divided equally among all State agencies and units of local government whose officers or employees conducted the investigation which resulted in the forfeiture; and

(2) One-half shall be deposited in the Violent Crime Victims Assistance Fund.

(iii) that a prisoner serving a sentence for home invasion, armed robbery, aggravated vehicular hijacking, aggravated discharge of a firearm, or armed violence with a category I weapon or category II weapon, when the court has made and entered a finding, pursuant to subsection (c-1) of Section 5-4-1 of this Code, that the conduct leading to conviction for the enumerated offense resulted in great bodily harm to a victim, shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(2.1) For all offenses, other than those enumerated in subdivision (a)(2) committed on or after June 19, 1998, and other than the offense of reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 committed on or after January 1, 1999, the rules and regulations shall provide that a prisoner who is serving a term of imprisonment shall receive one day of good conduct credit for each day of his or her sentence of imprisonment or recommitment under Section 3-3-9. Each day of good conduct credit shall reduce by one day the prisoner's period of imprisonment or recommitment under Section 3-3-9.

(2.2) A prisoner serving a term of natural life imprisonment or a prisoner who has been sentenced to death shall receive no good conduct credit.

(2.3) The rules and regulations on early release shall provide that a prisoner who is serving a sentence for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 committed on or after January 1, 1999 shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(2.4) The rules and regulations on early release shall provide with respect to the offenses of aggravated battery with a machine gun or a firearm equipped with any device or attachment designed or used for silencing the report of a firearm or aggravated discharge of a machine gun or a firearm equipped with any device or attachment designed or used for silencing the report of a firearm, committed on or after the effective date of this amendatory Act of 1999, that a prisoner serving a sentence for any of these offenses shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(2.5) The rules and regulations on early release shall provide that a prisoner who is serving a sentence for aggravated arson committed on or after the effective date of this amendatory Act of the 92nd General Assembly shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(3) The rules and regulations shall also provide that the Director may award up to 180 days additional good conduct credit for meritorious service in specific instances as the Director deems proper; except that no more than 90 days of good conduct credit for meritorious service shall be awarded to any prisoner who is serving a sentence for conviction of first degree murder, reckless homicide while under the influence of alcohol or any other drug, aggravated kidnapping, kidnapping, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, deviate sexual assault, aggravated indecent liberties with a child, indecent liberties with a child, child pornography, heinous battery, aggravated battery of a spouse, aggravated battery of a spouse with a firearm, aggravated battery of a child, endangering the life or health of a child, cruelty to a child, or narcotic racketeering. Notwithstanding the foregoing, good conduct credit for meritorious service shall not be awarded on a sentence of imprisonment imposed for conviction of: (i) one of the offenses enumerated in subdivision (a)(2) when the offense is committed on or after June 19, 1998, (ii) reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961.
when the offense is committed on or after January 1, 1999, or (iii) for conviction of one of the offenses enumerated in subdivision (a)(2.4) when the offense is committed on or after the effective date of this amendatory Act of 1999, or (iv) aggravated arson when the offense is committed on or after the effective date of this amendatory Act of the 92nd General Assembly.

(4) The rules and regulations shall also provide that the good conduct credit accumulated and retained under paragraph (2.1) of subsection (a) of this Section by any inmate during specific periods of time in which such inmate is engaged full-time in substance abuse programs, correctional industry assignments, or educational programs provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall be multiplied by a factor of 1.25 for program participation before August 11, 1993 and 1.50 for program participation on or after that date. However, no inmate shall be eligible for the additional good conduct credit under this paragraph (4) while assigned to a boot camp, mental health unit, or electronic detention, or if convicted of an offense enumerated in paragraph (a)(2) of this Section that is committed on or after June 19, 1998, or if convicted of reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense is committed on or after January 1, 1999, or if convicted of an offense enumerated in paragraph (a)(2.4) of this Section that is committed on or after the effective date of this amendatory Act of 1999, or first degree murder, a Class X felony, criminal sexual assault, felony criminal sexual abuse, aggravated criminal sexual abuse, aggravated battery with a firearm, or any predecessor or successor offenses with the same or substantially the same elements, or any inchoate offenses relating to the foregoing offenses. No inmate shall be eligible for the additional good conduct credit under this paragraph (4) who (i) has previously received increased good conduct credit under this paragraph (4) and has subsequently been convicted of a felony, or (ii) has previously served more than one prior sentence of imprisonment for a felony in an adult correctional facility.

Educational, vocational, substance abuse and correctional industry programs under which good conduct credit may be increased under this paragraph (4) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of good conduct credit for meritorious service given at any time during the term, the Department shall give reasonable advance notice of the impending release to the State's Attorney of the county where the prosecution of the inmate took place.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of good time.

(c) The Department shall prescribe rules and regulations for revoking good conduct credit, or suspending or reducing the rate of accumulation of good conduct credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of good conduct credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any good conduct credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except

where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of good conduct credit. The Board may subsequently approve the revocation of additional good conduct credit, if the Department seeks to revoke good conduct credit in excess of 30 days. However, the Board shall not be empowered to review the Department’s decision with respect to the loss of 30 days of good conduct credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days good conduct credits which have been revoked, suspended or reduced. Any restoration of good conduct credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore good conduct credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of good conduct credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of good conduct credit by bringing charges against the prisoner sought to be deprived of the good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of good conduct credit at the time of the finding, then the Prisoner Review Board may revoke all good conduct credit accumulated by the prisoner.

For purposes of this subsection (d):

1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:
   (A) it lacks an arguable basis either in law or in fact;
   (B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;
   (C) the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;
   (D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or
   (E) the denials of factual contentions are not warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.

Sec. 5-4-1. Sentencing Hearing.

(a) Except when the death penalty is sought under hearing procedures otherwise specified, after a determination of guilt, a hearing shall be held to impose the sentence. However, prior to the imposition of sentence on an individual being sentenced for an offense based upon a charge for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance, the individual must undergo a professional evaluation to determine if an alcohol or other drug abuse problem exists and the extent of such a problem. Programs conducting these evaluations shall be licensed by the Department of Human Services. However, if the individual is not a resident of Illinois,
the court may, in its discretion, accept an evaluation from a program in the state of such individual's residence. The court may in its sentencing order approve an eligible defendant for placement in a Department of Corrections impact incarceration program as provided in Section 5-8-1.1. At the hearing the court shall:

(1) consider the evidence, if any, received upon the trial;
(2) consider any presentence reports;
(3) consider the financial impact of incarceration based on the financial impact statement filed with the clerk of the court by the Department of Corrections;
(4) consider evidence and information offered by the parties in aggravation and mitigation;
(5) hear arguments as to sentencing alternatives;
(6) afford the defendant the opportunity to make a statement in his own behalf;
(7) afford the victim of a violent crime or a violation of Section 11-501 of the Illinois Vehicle Code, or a similar provision of a local ordinance, or a qualified individual affected by a violation of Section 405, 405.1, 405.2, or 407 of the Illinois Controlled Substances Act, committed by the defendant the opportunity to make a statement concerning the impact on the victim and to offer evidence in aggravation or mitigation; provided that the statement and evidence offered in aggravation or mitigation must first be prepared in writing in conjunction with the State's Attorney before it may be presented orally at the hearing. Any sworn testimony offered by the victim is subject to the defendant's right to cross-examine. All statements and evidence offered under this paragraph (7) shall become part of the record of the court. For the purpose of this paragraph (7), "qualified individual" means any person who (i) lived or worked within the territorial jurisdiction where the offense took place when the offense took place; and (ii) is familiar with various public places within the territorial jurisdiction where the offense took place when the offense took place. For the purposes of this paragraph (7), "qualified individual" includes any peace officer, or any member of any duly organized State, county, or municipal peace unit assigned to the territorial jurisdiction where the offense took place when the offense took place; and
(8) in cases of reckless homicide afford the victim's spouse, guardians, parents or other immediate family members an opportunity to make oral statements.

(b) All sentences shall be imposed by the judge based upon his independent assessment of the elements specified above and any agreement as to sentence reached by the parties. The judge who presided at the trial or the judge who accepted the plea of guilty shall impose the sentence unless he is no longer sitting as a judge in that court. Where the judge does not impose sentence at the same time on all defendants who are convicted as a result of being involved in the same offense, the defendant or the State's Attorney may advise the sentencing court of the disposition of any other defendants who have been sentenced.

(c) In imposing a sentence for a violent crime or for an offense of operating or being in physical control of a vehicle while under the influence of alcohol, any other drug or any combination thereof, or a similar provision of a local ordinance, when such offense resulted in the personal injury to someone other than the defendant, the trial judge shall specify on the record the particular evidence, information, factors in mitigation and aggravation or other reasons that led to his sentencing determination. The full verbatim record of the sentencing hearing shall be filed with the clerk of the court and shall be a public record.

(c-1) In imposing a sentence for the offense of aggravated kidnapping for ransom, home invasion, armed robbery, aggravated vehicular hijacking, aggravated discharge of a firearm, or armed violence with a category I weapon or category II weapon, the trial judge shall make a finding as to whether the conduct leading to conviction for the offense resulted in great bodily harm to a victim, and shall enter that finding and the basis for that finding in the record.

(c-2) If the defendant is sentenced to prison, other than when a sentence of natural life imprisonment or a sentence of death is imposed, at the time the sentence is imposed the judge shall state on the record in open court the approximate period of time the defendant will serve in custody according to the then current statutory rules and regulations for early release found in Section 3-6-3 and other related provisions of this Code. This statement is intended solely to inform the public, has no legal effect on the defendant's actual release, and may not be relied on by the defendant on appeal.

New matter indicated by italics - deletions by strikeout.
The judge's statement, to be given after pronouncing the sentence, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(3) of Section 3-6-3, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her good conduct credit, the period of estimated actual custody is ... years and ... months, less up to 180 days additional good conduct credit for meritorious service. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day good conduct credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3 committed on or after June 19, 1998, and other than when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense was committed on or after January 1, 1999, and other than when the sentence is imposed for aggravated arson if the offense was committed on or after the effective date of this amendatory Act of the 92nd General Assembly, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her good conduct credit, the period of estimated actual custody is ... years and ... months, less up to 90 days additional good conduct credit for meritorious service. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day good conduct credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3, other than first degree murder, and the offense was committed on or after June 19, 1998, and when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense was committed on or after January 1, 1999, and when the sentence is imposed for aggravated arson if the offense was committed on or after the effective date of this amendatory Act of the 92nd General Assembly, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. Therefore, this defendant will serve at least 85% of his or her sentence. Assuming the defendant receives 4 1/2 days credit for each month of his or her sentence, the period of estimated actual custody is ... years and ... months. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations receives lesser credit, the actual time served in prison will be longer."
(d) When the defendant is committed to the Department of Corrections, the State's Attorney shall and counsel for the defendant may file a statement with the clerk of the court to be transmitted to the department, agency or institution to which the defendant is committed to furnish such department, agency or institution with the facts and circumstances of the offense for which the person was committed together with all other factual information accessible to them in regard to the person prior to his commitment relative to his habits, associates, disposition and reputation and any other facts and circumstances which may aid such department, agency or institution during its custody of such person. The clerk shall within 10 days after receiving any such statements transmit a copy to such department, agency or institution and a copy to the other party, provided, however, that this shall not be cause for delay in conveying the person to the department, agency or institution to which he has been committed.

(e) The clerk of the court shall transmit to the department, agency or institution, if any, to which the defendant is committed, the following:

1. the sentence imposed;
2. any statement by the court of the basis for imposing the sentence;
3. any presentence reports;
4. the number of days, if any, which the defendant has been in custody and for which he is entitled to credit against the sentence, which information shall be provided to the clerk by the sheriff;
4.1 any finding of great bodily harm made by the court with respect to an offense enumerated in subsection (c-1);
5. all statements filed under subsection (d) of this Section;
6. any medical or mental health records or summaries of the defendant;
7. the municipality where the arrest of the offender or the commission of the offense has occurred, where such municipality has a population of more than 25,000 persons;
8. all statements made and evidence offered under paragraph (7) of subsection (a) of this Section; and
9. all additional matters which the court directs the clerk to transmit.

(House Bill No. 1914)

AN ACT concerning elections.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Election Code is amended by changing Sections 16-3 and 16-6.1 as follows:
(10 ILCS 5/16-3) (from Ch. 46, par. 16-3)
Sec. 16-3. The names of all candidates to be voted for in each election district or precinct shall be printed on one ballot, except as is provided in Sections 16-6.1 and 21-1.01 of this Act and except as otherwise provided in this Act with respect to the odd year regular elections and the emergency referenda; all nominations of any political party being placed under the party appellation or title of such party as designated in the certificates of nomination or petitions. The names of all independent candidates shall be printed upon the ballot in a column or columns under the heading "independent" arranged under the names or titles of the respective offices for which such independent candidates shall have been nominated and so far as practicable, the name or names of any independent candidate or candidates for any office shall be printed upon the ballot opposite the name or names of any candidate or candidates for the same office contained in any party column or columns upon said ballot. The ballot shall contain no other names, except that in cases of electors for President and Vice-President of the United States, the names of the candidates for President and Vice-President may be added to the party designation and words calculated to aid the voter in his choice of candidates may be added, such as "Vote for one," "Vote for three." When an electronic voting system is used which utilizes a ballot label booklet, the candidates and questions shall appear on the pages of such booklet in the order provided by this Code; and, in any case where candidates for an office appear on a page which does not contain the name of any candidate for another office, and where less than 50% of the page is utilized, the name of no candidate shall be printed on the lowest 25% of such page. On the back or outside of the ballot, so as to appear when folded, shall be printed the words "Official Ballot", followed by the designation of the polling place for which the ballot is prepared, the date of the election and a facsimile of the signature of the election authority who has caused the ballots to be printed. The ballots shall be of plain white paper, through which the printing or writing cannot be read. However, ballots for use at the nonpartisan and consolidated elections may be printed on different color paper, except blue paper, whenever necessary or desirable to facilitate distinguishing between ballots for different political subdivisions. In the case of nonpartisan elections for officers of a political subdivision, unless the statute or an ordinance adopted pursuant to Article VII of the Constitution providing the form of government therefor requires otherwise, the column listing such nonpartisan candidates shall be printed with no appellation or circle at its head. The party appellation or title, or the word "independent" at the head of any column provided for independent candidates, shall be printed in capital letters not less than one-fourth of an inch in height and a circle one-half inch in diameter shall be printed at the beginning of the line in which such appellation or title is printed, provided, however, that no such circle shall be printed at the head of any column or columns provided for such independent candidates. The names of candidates shall be printed in capital letters not less than one-eighth nor more than one-fourth of an inch in height, and at the beginning of each line in which a name of a candidate is printed a square shall be printed, the sides of which shall be not less than one-fourth of an inch in length. However, the names of the candidates for Governor and Lieutenant Governor on the same ticket shall be printed within a bracket and a single square shall be printed in front of the bracket. The list of candidates of the several parties and any such list of independent candidates shall be placed in separate columns on the ballot in such order as the election authorities charged with the printing of the ballots shall decide; provided, that the names of the candidates of the several political parties, certified by the State Board of Elections to the several

county clerks shall be printed by the county clerk of the proper county on the official ballot in the order certified by the State Board of Elections. Any county clerk refusing, neglecting or failing to print on the official ballot the names of candidates of the several political parties in the order certified by the State Board of Elections, and any county clerk who prints or causes to be printed upon the official ballot the name of a candidate, for an office to be filled by the Electors of the entire State, whose name has not been duly certified to him upon a certificate signed by the State Board of Elections shall be guilty of a Class C misdemeanor.

When an electronic voting system is used which utilizes a ballot card, on the inside flap of each ballot card envelope there shall be printed a form for write-in voting which shall be substantially as follows:

WRITE-IN VOTES

(See card of instructions for specific information. Duplicate form below by hand for additional write-in votes.)

Title of Office ____________________________

( ) Name of Candidate ____________________________

When an electronic voting system is used which uses a ballot sheet, the instructions to voters on the ballot sheet shall refer the voter to the card of instructions for specific information on write-in voting. Below each office appearing on such ballot sheet there shall be a provision for the casting of a write-in vote.

When such electronic system is used, there shall be printed on the back of each ballot card, each ballot card envelope, and the first page of the ballot label when a ballot label is used, the words "Official Ballot," followed by the number of the precinct or other precinct identification, which may be stamped, in lieu thereof and, as applicable, the number and name of the township, ward or other election district for which the ballot card, ballot card envelope, and ballot label are prepared, the date of the election and a facsimile of the signature of the election authority who has caused the ballots to be printed. The back of the ballot card shall also include a method of identifying the ballot configuration such as a listing of the political subdivisions and districts for which votes may be cast on that ballot, or a number code identifying the ballot configuration or color coded ballots, except that where there is only one ballot configuration in a precinct, the precinct identification, and any applicable ward identification, shall be sufficient. Ballot card envelopes used in punch card systems shall be of paper through which no writing or punches may be discerned and shall be of sufficient length to enclose all voting positions. However, the election authority may provide ballot card envelopes on which no precinct number or township, ward or other election district designation, or election date are preprinted, if space and a preprinted form are provided below the space provided for the names of write-in candidates where such information may be entered by the judges of election. Whenever an election authority utilizes ballot card envelopes on which the election date and precinct is not preprinted, a judge of election shall mark such information for the particular precinct and election on the envelope in ink before tallying and counting any write-in vote written thereon. If some method of insuring ballot secrecy other than an envelope is used, such information must be provided on the ballot itself.

In the designation of the name of a candidate on the ballot, the candidate's given name or names, initial or initials, a nickname by which the candidate is commonly known, or a combination thereof, may be used in addition to the candidate's surname. No other designation such as a title or degree or nickname suggesting or implying possession of a title, degree or professional status, or similar information may be used in connection with the candidate's surname, except that the title "Mrs." may be used in the case of a married woman.

Where voting machines or electronic voting systems are used, the provisions of this Section may be modified as required or authorized by Article 24 or Article 24A, whichever is applicable.

Nothing in this Section shall prohibit election authorities from using or reusing ballot card envelopes which were printed before the effective date of this amendatory Act of 1985.

Constitution relating to retention of judges in office, the form of the proposition to be submitted for each candidate shall be as provided in paragraph (1) or (2), as the election authority may choose.

(1) The names of all persons seeking retention in the same office shall be listed, in the order provided in this Section, with one proposition that reads substantially as follows: "Shall each of the persons listed be retained in office as (insert name of office and court)?". To the right of each candidate's name must be places for the voter to mark "Yes" or "No". If the list of candidates for retention in the same office exceeds one page of the ballot, the proposition must appear on each page upon which the list of candidates continues.

(2) The form of the proposition for each candidate shall be substantially as follows:

Shall ........ (insert name of candidate) be retained in office as ..... (insert name of office and Court)? YES NO

The names of all candidates thus submitting their names for retention in office in any particular judicial district or circuit shall appear on the same ballot which shall be separate from all other ballots voted on at the general election.

Propositions on Supreme Court judges, if any are seeking retention, shall appear on the ballot in the first group, for judges of the Appellate Court in the second group immediately under the first, and for circuit judges in the last group. The grouping of candidates for the same office shall be preceded by a heading describing the office and the court. If there are two or more candidates for each office, the names of such candidates in each group shall be listed in the order determined as follows: The name of the person with the greatest length of time served in the specified office of the specified court shall be listed first in each group. The rest of the names shall be listed in the appropriate order based on the same seniority standard. If two or more candidates for each office have served identical periods of time in the specified office, such candidates shall be listed alphabetically at the appropriate place in the order of names based on seniority in the office as described. Circuit judges shall be credited for the purposes of this section with service as associate judges prior to July 1, 1971 and with service on any court the judges of which were made associate judges on January 1, 1964 by virtue of Paragraph 4, subparagraphs (c) and (d) of the Schedule to Article VI of the former Illinois Constitution.

At the top of the ballot on the same side as the propositions on the candidates are listed shall be printed an explanation to read substantially as follows: "Vote on the proposition with respect to all or any of the judges listed on this ballot. No judge listed is running against any other judge. The sole question is whether each judge shall be retained in his present office". Such separate ballot shall be printed on paper of sufficient size so that when folded once it shall be large enough to contain the following words, which shall be printed on the back, "Ballot for judicial candidates seeking retention in office". Such ballot shall be handed to the elector at the same time as the ballot containing the names of other candidates for the general election and shall be returned therewith by the elector to the proper officer in the manner designated by this Act. All provisions of this Act relating to ballots shall apply to such separate ballot, except as otherwise specifically provided in this section. Such separate ballot shall be printed upon paper of a green color. No other ballot at the same election shall be green in color.

In precincts in which voting machines are used, the special ballot containing the propositions on the retention of judges may be placed on the voting machines if such voting machines permit the casting of votes on such propositions.

An electronic voting system authorized by Article 24A may be used in voting and tabulating the judicial retention ballots. When an electronic voting system is used which utilizes a ballot label booklet and ballot card, there shall be used in the label booklet a separate ballot label page or pages as required for such proposition, which page or pages for such proposition shall be of a green color separate and distinct from the ballot label page or pages used for any other proposition or candidates. notice and shall mark, within 48 hours (excluding Saturdays, Sundays and holidays) of receipt of notice, the approximate locations of such facilities so as to enable the person excavating or demolishing to establish the location of the underground utility facilities or CATS facilities.

All persons subject to the requirements of this Act shall plan and conduct their work consistent with reasonable business practices. Conditions may exist making it unreasonable to request that locations be marked within 48 hours. It is unreasonable to request owners and operators of underground utility facilities and CATS facilities to locate all of their facilities in an affected area upon short notice in advance of a large or extensive nonemergency project, or to request extensive locates in excess of a reasonable excavation or demolition work schedule, or to request locates under conditions where a repeat request is likely to be made because of the passage of time or adverse job conditions. Owners and operators of underground utility facilities and CATS facilities must reasonably anticipate seasonal fluctuations in the number of locate requests and staff accordingly.

Marking need not be accomplished more than 48 hours in advance of the time excavation or demolition of daily segments of the excavation or demolition are scheduled to begin.

If a person owning or operating underground utility facilities or CATS facilities receives a notice under this Section but does not own or operate any underground utility facilities or CATS facilities within the proposed excavation or demolition area described in the notice, that person, within 48 hours (excluding Saturdays, Sundays, and holidays) after receipt of the notice, shall so notify the person engaged in excavation or demolition who initiated the notice, unless the person who initiated the notice expressly waives the right to be notified that no facilities are located within the excavation or demolition area. The notification by the owner or operator of underground utility facilities or CATS facilities to the person engaged in excavation or demolition may be provided in any reasonable manner including, but not limited to, notification in any one of the following ways: by face-to-face communication; by phone or phone message; by facsimile; by posting in the excavation or demolition area; or by marking the excavation or demolition area. The owner or operator of those facilities has discharged the owner's or operator's obligation to provide notice under this Section if the owner or operator attempts to provide notice by telephone or by facsimile, if the person has supplied a facsimile number, but is unable to do so because the person engaged in the excavation or demolition does not answer his or her telephone or does not have an answering machine or answering service to receive the telephone call or does not have a facsimile machine in operation to receive the facsimile transmission. If the owner or operator attempts to provide notice by telephone or by facsimile but receives a busy signal, that attempt shall not serve to discharge the owner or operator of the obligation to provide notice under this Section.

A person engaged in excavation or demolition may expressly waive the right to notification from the owner or operator of underground utility facilities or CATS facilities that the owner or operator has no facilities located in the proposed excavation or demolition area. Waiver of notice is only permissible in the case of regular or nonemergency locate requests. The waiver must be made at the time of the notice to the State-Wide One-Call Notice System. A waiver made under this Section is not admissible as evidence in any criminal or civil action that may arise out of, or is in any way related to, the excavation or demolition that is the subject of the waiver.

For the purposes of this Act, underground facility operators may utilize a combination of flags, stakes, and paint when possible on non-paved surfaces and when dig site and seasonal conditions warrant. The "approximate location" of underground utility facilities or CATS facilities is defined as a strip of land at least 3 feet wide but not wider than the width of the underground facility or CATS facility plus 1 1/2 feet on either side of such facility. If the approximate location of an underground utility facility or CATS facility is marked with stakes or other physical means, the following color coding shall be employed:

Upon the filing of a verified petition in a circuit court, the court, if satisfied by affidavit or otherwise that a person has been engaged in the practice of real estate appraisal without a valid license, may enter a temporary restraining order without notice or bond enjoining the defendant from further practice. In all proceedings under this Section, the court, in its discretion, may apportion the costs among the parties interested in the action, including the cost of filing the complaint, service of process, witness fees and expenses, court reporter charges, and reasonable attorneys' fees. These injunction proceedings shall be in addition to, and not in lieu of, all penalties and other remedies provided in this Act.

This order shall not be reported or considered by OBRE to be a discipline of the licensee. The records regarding an investigation and a Consent to Administrative Supervision order shall be considered confidential and shall not be released by OBRE except as mandated by law. A complainant shall be notified if his or her complaint has been resolved by a Consent to Administrative Supervision order.
Section 15-15. Investigation; notice; hearing.

(a) Upon the motion of the Office of Banks and Real Estate or the Board or upon a complaint in writing of a person setting forth facts that, if proven, would constitute grounds for suspension, revocation, or other disciplinary action against a licensee or applicant for licensure, the Office of Banks and Real Estate shall investigate the actions of the licensee or applicant.

(b) Formal disciplinary proceedings shall commence upon the issuance of a written complaint describing the charges that are the basis of the disciplinary action and delivery of the detailed complaint to the address of record of the licensee or applicant. OBRE shall notify the licensee or applicant to file a verified written answer within 20 days after the service of the notice and complaint. The notification shall inform the licensee or applicant of his or her right to be heard in person or by legal counsel; that the hearing will be afforded not sooner than 30 days after receipt of the answer to the specific charges; that failure to file an answer will result in a default being entered against the licensee or applicant; that the license may be suspended, revoked, or placed on probationary status; and that other disciplinary action may be taken pursuant to this Act, including limiting the scope, nature, or extent of the licensee's practice. If the licensee or applicant fails to file an answer after service of notice, his or her license may, at the discretion of the Office of Banks and Real Estate, be suspended, revoked, or placed on probationary status and the Office of Banks and Real Estate may take whatever disciplinary action it deems proper, including limiting the scope, nature, or extent of the person's practice, without a hearing.

(c) At the time and place fixed in the notice, the Board shall conduct hearing of the charges, providing both the accused person and the complainant ample opportunity to present in person or by counsel such statements, testimony, evidence, and argument as may be pertinent to the charges or to a defense thereto.

(d) The Board shall present to the Commissioner a written report of its findings and recommendations. A copy of the report shall be served upon the licensee or applicant, either personally or by certified mail. Within 20 days after the service, the licensee or applicant may present the Commissioner with a motion in writing for either a rehearing, a proposed finding of fact, a conclusion of law, or an alternative sanction, and shall specify the particular grounds for the request. If the accused orders a transcript of the record as provided in this Act, the time elapsing thereafter and before the transcript is ready for delivery to the accused shall not be counted as part of the 20 days. In all instances under this Act in which the Board has rendered a recommendation to the Commissioner with respect to a particular licensee or applicant, the Commissioner, if he or she disagrees with the recommendation of the Board, shall file with the Board and provide to the licensee or applicant a copy of the Commissioner's specific written reasons for disagreement with the Board. The reasons shall be filed within 60 days of the Board's recommendation to the Commissioner and prior to any contrary action. In a case of refusal of a witness to attend, testify, or to produce books or papers concerning a matter upon which he or she might be lawfully examined, the circuit court of the county where the hearing is held, upon application of the Office of Banks and Real Estate or any party to the proceeding, may compel obedience by proceedings as for contempt.

(i) OBRE, at its expense, shall preserve a record of all formal hearings of any contested case involving the discipline of a license. At all hearings or pre-hearing conferences, OBRE and the licensee shall be entitled to have the proceedings transcribed by a certified shorthand reporter. A copy of the transcribed proceedings shall be made available to the licensee by the certified shorthand reporter upon payment of the prevailing contract copy rate.

Section 15-20. Administrative Review Law; certification fees; Administrative Procedure Act.

(a) All final administrative decisions of the Commissioner under this Act are subject to judicial review pursuant to the provisions of the Administrative Review Law and the rules adopted pursuant thereto. The term "administrative decision" has the meaning ascribed to it in Section 3-101 of the Administrative Review Law.

(b) OBRE shall not be required to certify any record, file any answer or otherwise appear unless the party filing the administrative review complaint pays the certification fee to OBRE as provided by rule. Failure on the part of the plaintiff to make such a deposit shall be grounds for dismissal of the action.

(c) The Administrative Procedures Act is hereby expressly adopted and incorporated herein. In the event of a conflict between this Act and the Administrative Procedures Act, this Act shall control.

Section 15-30. Statute of limitations. No action may be taken under this Act against a person licensed under this Act unless the action is commenced within 5 years after the occurrence of the alleged violation. Section 15-35. Signature of the Commissioner. An order of revocation or suspension or a certified copy of the order, bearing the seal of OBRE and purporting to be signed by the Commissioner, shall be prima facie proof that:

1) the signature is the genuine signature of the Commissioner;
2) the Commissioner is duly appointed and qualified; and
3) the Board and the members thereof are qualified.

This proof may be rebutted.

Section 15-40. Violation of tax Acts. OBRE may refuse to issue or renew or may suspend the license of any person who fails to file a return, pay the tax, penalty, or interest shown in a filed return, or pay any final assessment of tax, penalty, or interest, as required by any tax Act administered by the Department of Revenue, until such time as the requirements of that tax Act are satisfied.

Section 15-45. Disciplinary action for educational loan defaults. OBRE shall deny a license or renewal authorized by this Act to a person who has defaulted on an educational loan or scholarship provided or guaranteed by the Illinois Student Assistance Commission or any governmental agency of this State; however, OBRE may issue a license or renewal if the person has established a satisfactory repayment record as determined by the Illinois Student Assistance Commission or other appropriate governmental agency of this State. Additionally, a license issued by OBRE may be suspended or revoked if the Commissioner, after the opportunity for a hearing under this Act, finds that the licensee has failed to make satisfactory repayment to the Illinois Student Assistance Commission for a delinquent or defaulted loan.

In cases where the Department of Public Aid has previously determined that a licensee or a potential licensee is more than 30 days delinquent in the payment of child support and has subsequently certified the delinquency to OBRE, OBRE may refuse to issue or renew or may revoke or suspend that person's license or may take other disciplinary action against that person based solely upon the certification of delinquency made by the Department of Public Aid. Redetermination of the delinquency by OBRE shall not be required. In cases regarding the renewal of a license, OBRE shall not renew any license if the Department of Public Aid has certified the licensee to be more than 30 days delinquent in the payment of child support, unless the licensee has arranged for payment of past and current child support obligations in a manner

drawn shall pay to OBRE, in addition to the amount already owed, a penalty of $50. OBRE shall
notify the person, by certified mail return receipt requested, that his or her check or payment was
returned and that the person shall pay to OBRE by certified check or money order the amount of the
returned check plus a $50 penalty within 30 calendar days after the date of the notification. If, after
the expiration of 30 calendar days of the notification, the person has failed to remit the necessary funds
and penalty, OBRE shall automatically terminate the license or deny the application without hearing.
If the returned check or other payment was for issuance of a license under this Act and that person
practices as an appraiser, that person may be subject to discipline for unlicensed practice as provided
in this Act. If, after termination or denial, the person seeks a license, he or she shall petition OBRE
for restoration and he or she may be subject to additional discipline or fines. The Commissioner may
waive the penalties or fines due under this Section in individual cases where the Commissioner finds
that the penalties or fines would be unreasonable or unnecessarily burdensome.

If a defendant fails to complete the educational training required by his or her sentence during the term of incarceration, the Prisoner Review Board shall, as a condition of mandatory supervised release, require the defendant, at his or her own expense, to pursue a course of study toward a high school diploma or passage of the GED test. The Prisoner Review Board shall revoke the mandatory supervised release of a defendant who wilfully fails to comply with this subsection (j-5) upon his or her release from confinement in a penal institution while serving a mandatory supervised release term; however, the inability of the defendant after making a good faith effort to obtain financial aid or pay for the educational training shall not be deemed a wilful failure to comply. The Prisoner Review Board shall recommit the defendant whose mandatory supervised release term has been revoked under this subsection (j-5) as provided in Section 3-3-9. This subsection (j-5) does not apply to a defendant who has a high school diploma or has successfully passed the GED test. This subsection (j-5) does not apply to a defendant who is determined by the court to be developmentally disabled or otherwise mentally incapable of completing the educational or vocational program.

(k) A court may not impose a sentence or disposition for a felony or misdemeanor that requires the defendant to be implanted or injected with or to use any form of birth control.

(1) a final order of deportation has been issued against the defendant pursuant to proceedings under the Immigration and Nationality Act, and

(2) the deportation of the defendant would not deprecate the seriousness of the defendant's conduct and would not be inconsistent with the ends of justice.

Otherwise, the defendant shall be sentenced as provided in this Chapter V.

(B) If the defendant has already been sentenced for a felony or misdemeanor offense, or has been placed on probation under Section 10 of the Cannabis Control Act or Section 410 of the Illinois Controlled Substances Act, the court may, upon motion of the State's Attorney to suspend the sentence imposed, commit the defendant to the custody of the Attorney General of the United States or his or her designated agent when:

(1) a final order of deportation has been issued against the defendant pursuant to proceedings under the Immigration and Nationality Act, and

(2) the deportation of the defendant would not deprecate the seriousness of the defendant's conduct and would not be inconsistent with the ends of justice.

(C) This subsection (l) does not apply to offenders who are subject to the provisions of paragraph (2) of subsection (a) of Section 3-6-3.

(D) Upon motion of the State's Attorney, if a defendant sentenced under this Section returns to the jurisdiction of the United States, the defendant shall be recommitted to the custody of the county from which he or she was sentenced. Thereafter, the defendant shall be brought before the sentencing court, which may impose any sentence that was available under Section 5-5-3 at the time of initial sentencing. Sec. 370c. Mental and emotional disorders.
(a) (1) On and after the effective date of this Section, every insurer which delivers, issues for delivery or renews or modifies group A&H policies providing coverage for hospital or medical treatment or services for illness on an expense-incurred basis shall offer to the applicant or group policyholder subject to the insurers standards of insurability, coverage for reasonable and necessary treatment and services for mental, emotional or nervous disorders or conditions, other than serious mental illnesses as defined in item (2) of subsection (b), up to the limits provided in the policy for other disorders or conditions, except (i) the insured may be required to pay up to 50% of expenses incurred as a result of the treatment or services, and (ii) the annual benefit limit may be limited to the lesser of $10,000 or 25% of the lifetime policy limit.

(2) Each insured that is covered for mental, emotional or nervous disorders or conditions shall be free to select the physician licensed to practice medicine in all its branches, licensed clinical psychologist, or licensed clinical social worker of his choice to treat such disorders, and the insurer shall pay the covered charges of such physician licensed to practice medicine in all its branches,
licensed clinical psychologist, or licensed clinical social worker up to the limits of coverage, provided
(i) the disorder or condition treated is covered by the policy, and (ii) the physician, licensed
psychologist, or licensed clinical social worker is authorized to provide said services under the statutes
of this State and in accordance with accepted principles of his profession.

(3) Insofar as this Section applies solely to licensed clinical social workers, those persons who
may provide services to individuals shall do so after the licensed clinical social worker has informed
the patient of the desirability of the patient conferring with the patient's primary care physician and
the licensed clinical social worker has provided written notification to the patient's primary care
physician, if any, that services are being provided to the patient. That notification may, however, be
waived by the patient on a written form. Those forms shall be retained by the licensed clinical social
worker for a period of not less than 5 years.

(b) (1) An insurer that provides coverage for hospital or medical expenses under a group
policy of accident and health insurance or health care plan amended, delivered, issued, or renewed
after the effective date of this amendatory Act of the 92nd General Assembly shall provide coverage
under the policy for treatment of serious mental illness under the same terms and conditions as
coverage for hospital or medical expenses related to other illnesses and diseases. The coverage
required under this Section must provide for same durational limits, amount limits, deductibles, and
co-insurance requirements for serious mental illness as are provided for other illnesses and diseases.
This subsection does not apply to coverage provided to employees by employers who have 50 or fewer
employees.

(2) "Serious mental illness" means the following psychiatric illnesses as defined in the most
current edition of the Diagnostic and Statistical Manual (DSM) published by the American Psychiatric
Association:

(A) schizophrenia;
(B) paranoid and other psychotic disorders;

(D) major depressive disorders (single episode or recurrent);
(E) schizoaffective disorders (bipolar or depressive);
(F) pervasive developmental disorders;
(G) obsessive-compulsive disorders;
(H) depression in childhood and adolescence; and
(I) panic disorder.

(3) Upon request of the reimbursing insurer, a provider of treatment of serious mental illness
shall furnish medical records or other necessary data that substantiate that initial or continued
treatment is at all times medically necessary. An insurer shall provide a mechanism for the timely
review by a provider holding the same license and practicing in the same specialty as the patient's
provider, who is unaffiliated with the insurer, jointly selected by the patient (or the patient's next of
kin or legal representative if the patient is unable to act for himself or herself), the patient's provider,
and the insurer in the event of a dispute between the insurer and patient's provider regarding the
medical necessity of a treatment proposed by a patient's provider. If the reviewing provider determines
the treatment to be medically necessary, the insurer shall provide reimbursement for the treatment.
Future contractual or employment actions by the insurer regarding the patient's provider may not be
based on the provider's participation in this procedure. Nothing prevents the insured from agreeing
in writing to continue treatment at his or her expense. When making a determination of the medical
necessity for a treatment modality for serious mental illness, an insurer must make the determination
in a manner that is consistent with the manner used to make that determination with respect to other
diseases or illnesses covered under the policy, including an appeals process.

(4) A group health benefit plan:

(A) shall provide coverage based upon medical necessity for the following treatment of
mental illness in each calendar year;
(i) 45 days of inpatient treatment; and
(ii) 35 visits for outpatient treatment including group and individual outpatient
treatment;

number of outpatient visits covered under the plan; and

New matter indicated by italics - deletions by strikeout.
(C) shall include the same amount limits, deductibles, copayments, and coinsurance factors for serious mental illness as for physical illness.

(5) An issuer of a group health benefit plan may not count toward the number of outpatient visits required to be covered under this Section an outpatient visit for the purpose of medication management and shall cover the outpatient visits under the same terms and conditions as it covers outpatient visits for the treatment of physical illness.

(6) An issuer of a group health benefit plan may provide or offer coverage required under this Section through a managed care plan.

(7) This Section shall not be interpreted to require a group health benefit plan to provide coverage for treatment of:

(A) an addiction to a controlled substance or cannabis that is used in violation of law;

or

(B) mental illness resulting from the use of a controlled substance or cannabis in violation of law.

(8) This subsection (b) is inoperative after December 31, 2005.

If a county commissioner ceases to reside in the district that he or she represents, a vacancy in that office exists.

Except as otherwise provided by county ordinance or by law, in any county which is a home rule unit, vacancies in elective county offices, other than the office of chief executive officer, and vacancies in the office of clerk of the circuit court in a county of less than 3,000,000 population, shall be filled by the county board or board of county commissioners.

Sec. 2-4006.5. Commissioners in certain counties.

(a) If a county elects 3 commissioners at large under Section 2-4006, registered voters of such county may, by a vote of a majority of those voting on such proposition, determine to change the method of electing the board of county commissioners by electing either 3 or 5 members from single member districts. In order for such question to be placed upon the ballot, such petition must contain the signatures of not fewer than 10% of the registered voters of such county.

Commissioners may not be elected from single member districts until the question of electing either 3 or 5 commissioners from single member districts has been submitted to the electors of the county at a regular election and approved by a majority of the electors voting on the question. Of those commissioners, the commissioner whose term expires in 2002 shall be assigned to district 1; the commissioner whose term expires in 2004 shall be assigned to district 2; and the commissioner whose term expires in 2006 shall be assigned to district 3.

(d) If the voters of the county decide to elect 5 commissioners from single member districts, at the general election in 2002, one commissioner from and residing in each of districts 1, 4, and 5 shall be elected. At the general election in 2004, one commissioner from and residing in each of districts 1, 2, and 5 shall be elected. At the general election in 2006, one commissioner from and residing in each of districts 2, 3, and 4 shall be elected. At the general election in 2008, one commissioner from and residing in each of districts 1, 3, and 5 shall be elected. At the general election in 2010, one commissioner from each of districts 2 and 4 shall be elected. At the general election in

(c) The Department, in consultation with the council, shall establish by rule a date after which an electronic format may be required by a health care entity, a health care plan, or a hospital, and a health care professional may require acceptance of an electronic format by a health care entity, a health care plan, or a hospital.

New matter indicated by italics - deletions by strikeout.
(d) Beginning January 1, 2002, each health care entity or health care plan that employs, contracts with, or allows health care professionals to provide medical or health care services and requires health care professionals to be credentialled or recredentialled shall for purposes of collecting credentials data only require:

1. the uniform health care credentials form;
2. the uniform health care recredentials form;
3. the uniform updating forms; and
4. any additional credentials data requested.

(e) Beginning January 1, 2002, each hospital that employs, contracts with, or allows health care professionals to provide medical or health care services and requires health care professionals to be credentialled or recredentialled shall for purposes of collecting credentials data only require:

1. the uniform hospital credentials form;
2. the uniform hospital recredentials form;
3. the uniform updating forms; and
4. any additional credentials data requested.

(f) Each health care entity and health care plan shall complete the process of verifying a health care professional's credentials data in a timely fashion and shall complete the process of credentialling or recredentialling of the health care professional within 60 days after submission of all credentials data and completion of verification of the credentials data.

(g) Each health care professional shall provide any corrections, updates, and modifications to his or her credentials data to ensure that all credentials data on the health care professional remains current. Such corrections, updates, and modifications shall be provided within 5 business days for State health care professional license revocation, federal Drug Enforcement Agency license revocation, Medicare or Medicaid sanctions, revocation of hospital privileges, any lapse in professional liability coverage required by a health care entity, health care plan, or hospital, or conviction of a felony, and within 45 days for any other change in the information from the date the health care professional knew of the change. All updates shall be made on the uniform updating forms developed by the Department.

(h) Any credentials data collected or obtained by the health care entity, health care plan, or hospital shall be confidential, as provided by law, and otherwise may not be redisclosed without written consent of the health care professional, except that in any proceeding to challenge credentialling or recredentialling or in any judicial review, the claim of confidentiality shall not be invoked to deny a health care professional, health care entity, health care plan, or hospital access to or use of credentials data. Nothing in this Section prevents a health care entity, health care plan, or hospital from disclosing any credentials data to its officers, directors, employees, agents, subcontractors, medical staff members, any committee of the health care entity, health care plan, or hospital involved in the credentialling process, or accreditation bodies or licensing agencies. However, any redisclosure of credentials data contrary to this Section is prohibited.

(i) Nothing in this Act shall be construed to restrict the right of any health care entity, health care plan or hospital to request additional information necessary for credentialling or recredentialling.

(j) Nothing in this Act shall be construed to restrict in any way the authority of any health care entity, health care plan or hospital to approve, suspend or deny an application for hospital staff membership, clinical privileges, or managed care network participation.

(k) Nothing in this Act shall be construed to prohibit delegation of credentialling and recredentialling activities as long as the delegated entity follows the requirements set forth in this Act.

(l) Nothing in this Act shall be construed to require any health care entity or health care plan to credential or survey any health care professional.

(a) The Department, in consultation with the council, shall by rule establish a single credentialling cycle. The single credentialling cycle shall be based on a specific variable or variables. To the extent possible the single credentialling cycle shall be established to ensure that the credentials data of all health care professionals in a group or at a single site are collected during the same time.
period. However, nothing in this Act shall be construed to require the single credentialing cycle to be established to ensure that the credentials data of all health care professionals in a group or at a single site are collected during the same time period.

(b) Beginning July 1, 2002, all health care entities and health care plans shall obtain credentials data on all health care professionals according to the established single credentialing cycle.

(c) The Department, in consultation with the council, shall by rule establish a process to exempt a small or unique health care entity or small or unique health care plan from the single credentialing cycle if the health care entity or health care plan demonstrates to the Department that adherence to the single credentialing cycle would be an undue hardship for the health care entity or health care plan.

(d) The requirements of this Section shall not apply when a health care professional submits initial credentials data to a health care entity or health care plan outside of the established single credentialing cycle, when a health care professional's credentials data change substantively, or when a health care entity or health care plan requires recredentialing as a result of patient or quality assurance issues.

The uniform site survey instrument shall include all the site survey data requested by health care entities and health care plans.

(b) No later than July 1, 2002, the Department, in consultation with the council, shall publish, in rule, the variable or variables for completing the single site survey. (c) Beginning January 1, 2003, health care entities and health care plans shall implement the single site survey, if a site survey is required by any of the health care professional's health care entities or health care plans. The site survey shall be completed using the uniform site survey instrument.

(d) The uniform site survey instrument shall be used when a health care professional seeks initial credentialing by a health care entity or health care plan, when a health care professional's credentials data change substantively, or when a health care plan or health care entity requires a site survey as a result of patient or quality assurance issues, if a site survey is required by the health care entity or health care plan.

(e) Nothing in this Section prohibits health care entities and health care plans from choosing the independent party to conduct the single site survey.

AN ACT concerning sanitary districts.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The North Shore Sanitary District Act is amended by changing Section 11 as follows:

(70 ILCS 2305/11) (from Ch. 42, par. 287)

Sec. 11. Except as otherwise provided in this Section, all contracts for purchases or sales by the municipality, the expense of which will exceed the mandatory competitive bid threshold, $10,000, shall be let to the lowest responsible bidder therefor upon not less than 14 days' public notice of the terms and conditions upon which the contract is to be let, having been given by publication in a newspaper of general circulation published in the district, and the board may reject any and all bids and readvertise. In determining the lowest responsible bidder, the board shall take into consideration the qualities and serviceability of the articles supplied, their conformity with specifications, their suitability to the requirements of the district, the availability of support services, the uniqueness of the service, materials, equipment, or supplies as it applies to network integrated computer systems, the compatibility of the service, materials, equipment or supplies with existing equipment, and the delivery terms. Contracts for services in excess of the mandatory competitive bid threshold $10,000 may, subject to the provisions of this Section, be let by competitive bidding at the discretion of the district board of trustees. All contracts for purchases or sales that will not exceed the mandatory competitive bid threshold of $10,000 or less may be made in the open market without publication in a newspaper as above provided, but whenever practical shall be based on at least 3 competitive bids. For purposes of this Section, the "mandatory competitive bid threshold" is a dollar amount equal to 0.1% of the total general fixed assets of the district as reported in the most recent required audit report. In no event, however, shall the mandatory competitive bid threshold dollar amount be less than $10,000, nor more than $40,000.

Cash, a cashier's check, a certified check, or a bid bond with adequate surety approved by the board of trustees as a deposit of good faith, in a reasonable amount, but not in excess of 10% of the contract amount, may be required of each bidder by the district on all bids involving amounts in excess of the mandatory competitive bid threshold and, if so required, the advertisement for bids shall so specify.

Contracts which by their nature are not adapted to award by competitive bidding, including, without limitation, contracts for the services of individuals, groups or firms possessing a high degree of professional skill where the ability or fitness of the individual or organization plays an important part, contracts for financial management services undertaken pursuant to "An Act relating to certain investments of public funds by public agencies", approved July 23, 1943, as now or hereafter amended, contracts for the purchase or sale of utilities, contracts for materials economically procurable only from a single source of supply, contracts for the use, purchase, delivery, movement, or installation of data processing equipment, software, or services and telecommunications and interconnect equipment, software, or services, contracts for duplicating machines and supplies, contracts for goods or services procured from another governmental agency, purchases of equipment previously owned by an entity other than the district itself, and leases of real property where the sanitary district is the lessee shall not be subject to the competitive bidding requirements of this Section.

In the case of an emergency affecting the public health or safety so declared by the Board of Trustees of the municipality at a meeting thereof duly convened, which declaration shall require the affirmative vote of four of the five Trustees elected, and shall set forth the nature of the danger to the
public health or safety, contracts totaling not more than the emergency contract cap $75,000 may be let to the extent necessary to resolve such emergency without public advertisement or competitive bidding. For purposes of this Section, the "emergency contract cap" is a dollar amount equal to 0.4% of the total general fixed assets of the district as reported in the most recent required audit report. In no event, however, shall the emergency contract cap dollar amount be less than $40,000, nor more than $100,000. The Resolution or Ordinance in which such declaration is embodied shall fix the date upon which such emergency shall terminate which date may be extended or abridged by the Board of Trustees as in their judgment the circumstances require. A full written account of any such emergency, together with a requisition for the materials, supplies, labor or equipment required therefor shall be submitted immediately upon completion and shall be open to public inspection for a period of at least one year subsequent to the date of such emergency purchase. Within 30 days after the passage of the resolution or ordinance declaring an emergency affecting the public health or safety, the municipality shall submit to the Illinois Environmental Protection Agency the full written account of any such emergency along with a copy of the resolution or ordinance declaring the emergency, in accordance with requirements as may be provided by rule.

To address operating emergencies not affecting the public health or safety, the Board of Trustees shall authorize, in writing, officials or employees of the sanitary district to purchase in the open market and without advertisement any supplies, materials, equipment, or services for immediate delivery to meet the bona fide operating emergency, without filing a requisition or estimate therefor, in an amount not in excess of $40,000; provided that the Board of Trustees must be notified of the operating emergency. A full, written account of each operating emergency and a requisition for the materials, supplies, equipment, and services required to meet the operating emergency must be immediately submitted by the officials or employees authorized to make purchases to the Board of Trustees. The account must be available for public inspection for a period of at least one year after the date of the operating emergency purchase. The exercise of authority with respect to purchases for a bona fide operating emergency is not dependent on a declaration of an operating emergency by the Board of Trustees.

No Trustee shall be interested, directly or indirectly, in any contract, work or business of the municipality, or in the sale of any article, whenever the expense, price or consideration of the contract work, business or sale is paid either from the treasury or by any assessment levied by any Statute or Ordinance. No Trustee shall be interested, directly or indirectly, in the purchase of any property which (1) belongs to the municipality, or (2) is sold for taxes or assessments of the municipality, or (3) is sold by virtue of legal process in the suit of the municipality.

A contract for any work or other public improvement, to be paid for in whole or in part by special assessment or special taxation, in all other respects such contracts shall be entered into and the performance thereof controlled by the provisions of Division 2 of Article 9 of the "Illinois Municipal Code", approved May 29, 1961, as heretofore or hereafter amended, as near as may be. However, contracts may be let for making proper and suitable connections between the mains and outlets of the respective sanitary sewers in the district with any conduit, conduits, main pipe or pipes that may be constructed by such sanitary district.

Section 10. The Sanitary District Act of 1917 is amended by changing Section 11 as follows:

Sec. 11. Except as otherwise hereinafter provided, all contracts for purchases or sales by a sanitary district organized under this Act, the expense of which will exceed the mandatory competitive bid threshold, $10,000, shall be let to the lowest responsible bidder therefore upon not less than 14 days' public notice of the terms and conditions upon which the contract is to be let, having been given by publication in a newspaper of general circulation published in the district, and the board may reject any and all bids, and readvertise. In determining the lowest responsible bidder, the board shall take into consideration the qualities and serviceability of the articles supplied, their conformity with specifications, their suitability to the requirements of the district, the availability of support services, the uniqueness of the service, materials, equipment, or supplies as it applies to network integrated computer systems, the compatibility of the service, materials, equipment or supplies with existing equipment, and the delivery terms. Contracts for services in excess of the mandatory competitive bid threshold $10,000 may, subject to the provisions of this Section, be let by competitive bidding at the
discretion of the district board of trustees.

Cash, a cashier’s check, a certified check, or a bid bond with adequate surety approved by the board of trustees as a deposit of good faith, in a reasonable amount, but not in excess of 10% of the contract amount, may be required of each bidder by the district on all bids involving amounts in excess of the mandatory competitive bid threshold and, if so required, the advertisement for bids shall so specify.

All contracts for purchases or sales that will not exceed the mandatory competitive bid threshold of $10,000 or less may be made in the open market without publication in a newspaper as above provided, but whenever practical shall be based on at least 3 competitive bids. For purposes of this Section, the "mandatory competitive bid threshold" is a dollar amount equal to 0.1% of the total general fixed assets of the district as reported in the most recent required audit report. In no event, however, shall the mandatory competitive bid threshold dollar amount be less than $10,000, nor more than $40,000.

Contracts which by their nature are not adapted to award by competitive bidding, including, without limitation, contracts for the services of individuals, groups or firms possessing a high degree of professional skill where the ability or fitness of the individual or organization plays an important part, contracts for financial management services undertaken pursuant to "An Act relating to certain investments of public funds by public agencies", approved July 23, 1943, as now or hereafter amended, contracts for the purchase or sale of utilities, contracts for materials economically procurable only from a single source of supply, contracts for the use, purchase, delivery, movement, or installation of data processing equipment, software, or services and telecommunications and interconnect equipment, software, or services, contracts for duplicating machines and supplies, contracts for goods or services procured from another governmental agency, purchases of equipment previously owned by an entity other than the district itself, and leases of real property where the sanitary district is the lessee shall not be subject to the competitive bidding requirements of this Section.

The competitive bidding requirements of this Section do not apply to contracts for construction of a facility or structure for the sanitary district when the facility or structure will be designed, built, and tested before being conveyed to the sanitary district.

The competitive bidding requirements of this Section do not apply to contracts, including contracts for both materials and services incidental thereto, for the repair or replacement of a sanitary district's treatment plant, sewers, equipment, or facilities damaged or destroyed as the result of a sudden or unexpected occurrence, including, but not limited to, a flood, fire, tornado, earthquake, storm, or other natural or man-made disaster, if the board of trustees determines in writing that the awarding of those contracts without competitive bidding is reasonably necessary for the sanitary district to maintain compliance with a permit issued under the National Pollution Discharge Elimination System (NPDES) or any successor system or with any outstanding order relating to that compliance issued by the United States Environmental Protection Agency, the Illinois Environmental Protection Agency, or the Illinois Pollution Control Board. The authority to issue contracts without competitive bidding pursuant to this paragraph expires 6 months after the date of the writing determining that the awarding of contracts without competitive bidding is reasonably necessary.

Where the board of trustees declares, by a 2/3 vote of all members of the board, that there exists an emergency affecting the public health or safety, contracts totaling not more than the emergency contract cap $40,000 may be let to the extent necessary to resolve such emergency without public advertisement or competitive bidding. For purposes of this Section, the "emergency contract cap" is a dollar amount equal to 0.4% of the total general fixed assets of the district as reported in the most recent required audit report. In no event, however, shall the emergency contract cap dollar amount be less than $40,000, nor more than $100,000. The ordinance or resolution embodying the emergency declaration shall contain the date upon which such emergency will terminate. The board of trustees may extend the termination date if in its judgment the circumstances so require. A full written account of the emergency, together with a requisition for the materials, supplies, labor or equipment required therefor shall be submitted immediately upon completion and shall be open to public inspection for a period of at least one year subsequent to the date of such emergency purchase. Within 30 days after the passage of the resolution or ordinance declaring an emergency affecting the public health or safety, the District shall submit to the Illinois Environmental Protection Agency the
full written account of any such emergency along with a copy of the resolution or ordinance declaring
the emergency, in accordance with requirements as may be provided by rule.

A contract for any work or other public improvement, to be paid for in whole or in part by
special assessment or special taxation, shall be entered into and the performance thereof controlled by Division 2 of Article 9 of the "Illinois Municipal Code", approved May 29, 1961, as heretofore and hereafter amended, as near as may be. The contracts may be let for the making proper and suitable connections between the mains and outlets of the respective sewers in the district with any conduit, conduits, main pipe or pipes that may be constructed by such sanitary district.

Section 15. The Sanitary District Act of 1936 is amended by changing Section 14 as follows:

(70 ILCS 2805/14) (from Ch. 42, par. 425)

Sec. 14. Except as otherwise provided in this Section, all contracts for purchases or sales by
the sanitary district, the expense of which will exceed the mandatory competitive bid threshold,
$10,000, shall be let to the lowest responsible bidder therefor upon not less than 14 days' public notice
of the terms and conditions upon which the contract is to be let, having been given by publication in
a daily or weekly newspaper published in the district or, if there is no newspaper published in the
district, in a newspaper published in the county and having general circulation in the district, and the
board may reject any and all bids, and readvertise. Contracts for services in excess of the mandatory
competitive bid threshold $10,000 may, subject to the provisions of this Section, be let by competitive
bidding at the discretion of the district board of trustees. All contracts for purchases or sales that will
not exceed the mandatory competitive bid threshold of $10,000 or less may be made in the open
market without publication in a newspaper as above provided, but whenever practical shall be based
on at least 3 competitive bids. For purposes of this Section, the "mandatory competitive bid threshold"
is a dollar amount equal to 0.1% of the total general fixed assets of the district as reported in the most
recent required audit report. In no event, however, shall the mandatory competitive bid threshold
dollar amount be less than $10,000, nor more than $40,000.

Cash, a cashier's check, a certified check, or a bid bond with adequate surety approved by
the board of trustees as a deposit of good faith, in a reasonable amount, but not in excess of 10% of
the contract amount, may be required of each bidder by the district on all bids involving amounts in
excess of the mandatory competitive bid threshold and, if so required, the advertisement for bids shall
so specify.

Contracts which by their nature are not adapted to award by competitive bidding, including,
without limitation, contracts for the services of individuals, groups or firms possessing a high degree
of professional skill where the ability or fitness of the individual or organization plays an important
part, contracts for financial management services undertaken pursuant to the Public Funds Investment
Act, contracts for the purchase or sale of utilities, contracts for materials economically procurable only
from a single source of supply and leases of real property where the sanitary district is the lessee shall
not be subject to the competitive bidding requirements of this Section.

Where the board of trustees declares, by a 2/3 vote of all members of the board, that there
exists an emergency affecting the public health or safety, contracts totaling not more than the
emergency contract cap $40,000 may be let to the extent necessary to resolve such emergency without
public advertisement or competitive bidding. For purposes of this Section, the "emergency contract
cap" is a dollar amount equal to 0.4% of the total general fixed assets of the district as reported in
the most recent required audit report. In no event, however, shall the emergency contract cap dollar
amount be less than $40,000, nor more than $100,000. The ordinance or resolution embodying the
emergency declaration shall contain the date upon which such emergency will terminate. The board
of trustees may extend the termination date if in its judgment the circumstances so require. A full
written account of the emergency, together with a requisition for the materials, supplies, labor or
equipment required therefor shall be submitted immediately upon completion and shall be open to
public inspection for a period of at least one year subsequent to the date of such emergency purchase.
Within 30 days after the passage of the resolution or ordinance declaring an emergency affecting the
public health or safety, the District shall submit to the Illinois Environmental Protection Agency the
full written account of any such emergency along with a copy of the resolution or ordinance declaring
the emergency, in accordance with requirements as may be provided by rule.

Section 20. The Metropolitan Water Reclamation District Act is amended by changing Sections 11.3, 11.6, 11.7, 11.10, and 11.13 as follows:

Sec. 11.3. Except as provided in Sections 11.4 and 11.5, all purchase orders or contracts involving amounts in excess of the mandatory competitive bid threshold $10,000 and made by or on behalf of the sanitary district for labor, services or work, the purchase, lease or sale of personal property, materials, equipment or supplies, or the granting of any concession, shall be let by free and open competitive bidding after advertisement, to the lowest responsible bidder or to the highest responsible bidder, as the case may be, depending upon whether the sanitary district is to expend or receive money.

All such purchase orders or contracts which shall involve amounts that will not exceed the mandatory competitive bid threshold of $10,000 or less, shall also be let in the manner prescribed above whenever practicable, except that after solicitation of bids, such purchase orders or contracts may be let in the open market, in a manner calculated to insure the best interests of the public. The provisions of this section are subject to any contrary provisions contained in "An Act concerning the use of Illinois mined coal in certain plants and institutions", filed July 13, 1937, as heretofore and hereafter amended. For purposes of this Section, the "mandatory competitive bid threshold" is a dollar amount equal to 0.1% of the total general fixed assets of the district as reported in the most recent required audit report. In no event, however, shall the mandatory competitive bid threshold dollar amount be less than $10,000 or more than $40,000.

Notwithstanding the provisions of this Section, the sanitary district is expressly authorized to establish such procedures as it deems appropriate to comply with state or federal regulations as to affirmative action and the utilization of small and minority businesses in construction and procurement contracts.

Sec. 11.6. The head of each department shall notify the purchasing agent of those officers and employees authorized to sign requests for purchases. Requests for purchases shall be void unless executed by an authorized officer or employee and approved by the purchasing agent. Requests for purchases may be executed, approved and signed manually or electronically.

Officials and employees making requests for purchases shall not split or otherwise partition for the purpose of evading the competitive bidding requirements of this Act, any undertaking involving amounts in excess of the mandatory competitive bid threshold of $10,000.

Sec. 11.7. All proposals to award purchase orders or contracts involving amounts in excess of the mandatory competitive bid threshold $10,000 shall be published at least 12 calendar days in advance of the date announced for the receiving of bids, in a secular English language newspaper of general circulation in said sanitary district and shall be posted simultaneously on readily accessible bulletin boards in the principal office of the sanitary district. Nothing contained in this section shall be construed to prohibit the placing of additional advertisements in recognized trade journals. Advertisements for bids shall describe the character of the proposed contract or agreement in sufficient detail either in the advertisement itself or by reference to plans, specifications or other detail on file at the time of publication of the first announcement, to enable the bidders to know what their obligation will be. The advertisement shall also state the date, time and place assigned for the opening of bids. No bids shall be received at any time subsequent to the time indicated in the announcement; however, an extension of time may be granted for the opening of such bids upon publication in the same newspaper of general circulation in said sanitary district stating the date to which bid opening has been extended. The time of the extended bid opening shall not be less than 5 days after publication, Sundays and legal holidays excluded.

Cash, cashier's check or a certified check payable to the clerk and drawn upon a bank, as a deposit of good faith, in a reasonable amount not in excess of 10% of the contract amount, may be required of each bidder by the purchasing agent on all bids involving amounts in excess of the mandatory competitive bid threshold $10,000. If a deposit is required, the advertisement for bids shall...
so specify. Instead of a deposit, the purchasing agent may allow the use of a bid bond if the bond is issued by a surety company that is listed in the Federal Register and is authorized to do business in the State of Illinois.

(70 ILCS 2605/11.10) (from Ch. 42, par. 331.10)

Sec. 11.10. Every contract or purchase order involving amounts in excess of the mandatory competitive bid threshold $10,000 shall be signed by the president or other duly authorized officer of the board of commissioners, by the general superintendent, by the clerk and by the purchasing agent. Each bid with the name of the bidder shall be entered upon a record which shall be open to public inspection in the office of the purchasing agent. After the award is made, the bids shall be entered in the official records of the board of commissioners.

All purchase orders or contracts involving amounts that will not exceed the mandatory competitive bid threshold of $10,000 or less shall be let by the purchasing agent. They shall be signed by the purchasing agent and the clerk. All records pertaining to such awards shall be open to public inspection for a period of at least one year subsequent to the date of the award.

An official copy of each awarded purchase order or contract together with all necessary attachments thereto, including assignments and written consent of the purchasing agent shall be retained by the purchasing agent in an appropriate file open to the public for such period of time after termination of contract during which action against the municipality might ensue under applicable laws of limitation. Certified copies of all completed contracts and purchase orders shall be filed with the clerk. After the appropriate period, purchase orders, contracts and attachments in the clerk's possession may be destroyed by direction of the purchasing agent.

The provisions of this Act are not applicable to joint purchases of personal property, supplies and services made by governmental units in accordance with Sections 1 through 5 of "An Act authorizing certain governmental units to purchase personal property, supplies and services jointly," approved August 15, 1961.

(70 ILCS 2605/11.13) (from Ch. 42, par. 331.13)

Sec. 11.13. Bond, with sufficient sureties, in such amount as shall be deemed adequate by the purchasing agent not only to insure performance of the contract in the time and manner specified in said contract but also to save, indemnify and keep harmless the sanitary district against all liabilities, judgments, costs and expenses which may in anywise accrue against said sanitary district in consequence of the granting of the contract or execution thereof shall be required for all contracts relative to construction, rehabilitation or repair of any of the works of the sanitary district and may be required of each bidder upon all other contracts in excess of the mandatory competitive bid threshold $10,000 when, in the opinion of the purchasing agent, the public interest will be better served thereby.

In accordance with the provisions of "An Act in relation to bonds of contractors entering into contracts for public construction", approved June 20, 1931, as amended, all contracts for construction work, to which the sanitary district is a party, shall require that the contractor furnish bond guaranteeing payment for materials and labor utilized in the contract.

set forth below from the property's value, as equalized or assessed by the Department, is granted for property that is occupied as a residence by a person 65 years of age or older who is liable for paying real estate taxes on the property and is an owner of record of the property or has a legal or equitable interest therein as evidenced by a written instrument, except for a leasehold interest, other than a leasehold interest of land on which a single family residence is located, which is occupied as a residence by a person 65 years or older who has an ownership interest therein, legal, equitable or as a lessee, and on which he or she is liable for the payment of property taxes. The maximum reduction shall be $2,500 in counties with 3,000,000 or more inhabitants and $2,000 in all other counties. For land improved with an apartment building owned and operated as a cooperative or a building which is a life care facility which shall be considered to be a cooperative, the maximum reduction from the value of the property, as equalized by the Department, shall be multiplied by the number of apartments or units occupied by a person 65 years of age or older who is liable, by contract with the owner or owners of record, for paying property taxes on the property and is an owner of record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. For land improved with a life care facility, the maximum reduction from the value of the property, as equalized by the Department, shall be multiplied by the number of apartments or units occupied by persons 65 years of age or older, irrespective of any legal, equitable, or leasehold interest in the facility, who are liable, under a contract with the owner or owners of record of the facility, for paying property taxes on the property. In a cooperative or a life care facility where a homestead exemption has been granted, the cooperative association or the its management firm of the cooperative or facility shall credit the savings resulting from that exemption only to the apportioned tax liability of the owner or resident who qualified for the exemption. Any person who willfully refuses to so credit the savings shall be guilty of a Class B misdemeanor. Under this Section and Section 15-175, "life care facility" means a facility as defined in Section 2 of the Life Care Facilities Act, with which the applicant for the homestead exemption has a life care contract as defined in that Act, which requires the applicant to pay property taxes.

When a homestead exemption has been granted under this Section and the person qualifying subsequently becomes a resident of a facility licensed under the Nursing Home Care Act, the exemption shall continue so long as the residence continues to be occupied by the qualifying person's spouse if the spouse is 65 years of age or older, or if the residence remains unoccupied but is still owned by the person qualified for the homestead exemption.

A person who will be 65 years of age during the current assessment year shall be eligible to apply for the homestead exemption during that assessment year. Application shall be made during the application period in effect for the county of his residence.

The assessor or chief county assessment officer may determine the eligibility of a life care facility to receive the benefits provided by this Section, by affidavit, application, visual inspection, questionnaire or other reasonable methods in order to insure that the tax savings resulting from the exemption are credited by the management firm to the apportioned tax liability of each qualifying resident. The assessor may request reasonable proof that the management firm has so credited the exemption.

The chief county assessment officer of each county with less than 3,000,000 inhabitants shall provide to each person allowed a homestead exemption under this Section a form to designate any other person to receive a duplicate of any notice of delinquency in the payment of taxes assessed and levied under this Code on the property of the person receiving the exemption. The duplicate notice shall be in addition to the notice required to be provided to the person receiving the exemption, and shall be given in the manner required by this Code. The person filing the request for the duplicate notice shall pay a fee of $5 to cover administrative costs to the supervisor of assessments, who shall then file the executed designation with the county collector. Notwithstanding any other provision of this Code to the contrary, the filing of such an executed designation requires the county collector to provide duplicate notices as indicated by the designation. A designation may be rescinded by the person who executed such designation at any time, in the manner and form required by the chief county assessment officer.

The assessor or chief county assessment officer may determine the eligibility of residential property to receive the homestead exemption provided by this Section by application, visual inspection, questionnaire or other reasonable methods. The determination shall be made in accordance
with guidelines established by the Department.

In counties with less than 3,000,000 inhabitants, the county board may by resolution provide that if a person has been granted a homestead exemption under this Section, the person qualifying need not reapply for the exemption.

In counties with less than 3,000,000 inhabitants, if the assessor or chief county assessment officer requires annual application for verification of eligibility for an exemption once granted under this Section, the application shall be mailed to the taxpayer.

The assessor or chief county assessment officer shall notify each person who qualifies for an exemption under this Section that the person may also qualify for deferral of real estate taxes under the Senior Citizens Real Estate Tax Deferral Act. The notice shall set forth the qualifications needed for deferral of real estate taxes, the address and telephone number of county collector, and a statement that applications for deferral of real estate taxes may be obtained from the county collector.

The list shall include only those taxpayers with total final liabilities for all taxes collected by the Department (including penalties and interest) in an amount greater than $1,000 (or a greater amount as established by the Department by rule) for a period of 6 months (or a longer period as established by the Department by rule) from the time that the taxes were assessed or became final, as provided in the statute imposing the tax. If the delinquent tax has not been paid 60 days after the notice was delivered or the Department has been notified that delivery was refused or unclaimed, and the taxpayer has not, since the mailing of the notice, either entered into a written agreement with the Department for payment of the delinquency or corrected a default in an existing agreement to the satisfaction of the Director, the Director may disclose the tax in the list of delinquent taxpayers.

(c) Unpaid taxes shall not be deemed to be delinquent and subject to disclosure if (i) a written agreement for payment exists without default between the taxpayer and the Department or (ii) the tax liability is the subject of an administrative hearing, administrative review, or judicial review.

(d) The list shall be available for public inspection at the Department or by other means of publication, including the Internet.

(e) The Department shall prescribe reasonable rules for the administration and implementation of this Section.

(f) Any disclosure made by the Director in a good faith effort to comply with this Section shall not be considered a violation of any statute prohibiting disclosure of taxpayer information.

(a) The corporate authorities of any county or municipality that imposes a surcharge under Section 15.3 shall establish an Emergency Telephone System Board. The corporate authorities shall provide for the manner of appointment and the number of members of the Board, provided that the board shall consist of not fewer than 5 members, one of whom must be a public member who is a resident of the local exchange service territory included in the 9-1-1 coverage area, one of whom (in counties with a population less than 100,000) may be a member of the county board, and at least 3 of whom shall be representative of the 9-1-1 public safety agencies, including but not limited to police departments, fire departments, emergency medical services providers, and emergency services and disaster agencies, and appointed on the basis of their ability or experience. Elected officials are also eligible to serve on the board. Members of the board shall serve without compensation but shall be reimbursed for their actual and necessary expenses. (3) The repayment of any monies advanced for the implementation of the system.

PUBLIC ACT 92-0203
(Senate Bill No. 0661)

AN ACT in relation to families.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Marriage and Dissolution of Marriage Act is amended by changing Section 505 as follows:
(750 ILCS 5/505) (from Ch. 40, par. 505)
Sec. 505. Child support; contempt; penalties.
(a) In a proceeding for dissolution of marriage, legal separation, declaration of invalidity of
marriage, a proceeding for child support following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse, a proceeding for modification of a previous order for child support under Section 510 of this Act, or any proceeding authorized under Section 501 or 601 of this Act, the court may order either or both parents owing a duty of support to a child of the marriage to pay an amount reasonable and necessary for his support, without regard to marital misconduct. The duty of support owed to a minor child includes the obligation to provide for the reasonable and necessary physical, mental and emotional health needs of the child.

(1) The Court shall determine the minimum amount of support by using the following guidelines:

<table>
<thead>
<tr>
<th>Number of Children</th>
<th>Percent of Supporting Party's Net Income</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>20%</td>
</tr>
<tr>
<td>2</td>
<td>25%</td>
</tr>
<tr>
<td>3</td>
<td>32%</td>
</tr>
<tr>
<td>4</td>
<td>40%</td>
</tr>
<tr>
<td>5</td>
<td>45%</td>
</tr>
<tr>
<td>6 or more</td>
<td>50%</td>
</tr>
</tbody>
</table>

(2) The above guidelines shall be applied in each case unless the court makes a finding that application of the guidelines would be inappropriate, after considering the best interests of the child in light of evidence including but not limited to one or more of the following relevant factors:

(a) the financial resources and needs of the child;
(b) the financial resources and needs of the custodial parent;
(c) the standard of living the child would have enjoyed had the marriage not been dissolved;
(d) the physical and emotional condition of the child, and his educational needs; and
(e) the financial resources and needs of the non-custodial parent.

If the court deviates from the guidelines, the court's finding shall state the amount of support that would have been required under the guidelines, if determinable. The court shall include the reason or reasons for the variance from the guidelines.

(3) "Net income" is defined as the total of all income from all sources, minus the following deductions:

(a) Federal income tax (properly calculated withholding or estimated payments);
(b) State income tax (properly calculated withholding or estimated payments);
(c) Social Security (FICA payments);
(d) Mandatory retirement contributions required by law or as a condition of employment;
(e) Union dues;
(f) Dependent and individual health/hospitalization insurance premiums;
(g) Prior obligations of support or maintenance actually paid pursuant to a court order;
(h) Expenditures for repayment of debts that represent reasonable and necessary expenses for the production of income, medical expenditures necessary to preserve life or health, reasonable expenditures for the benefit of the child and the other parent, exclusive of gifts. The court shall reduce net income in determining the minimum amount of support to be ordered only for the period that such payments are due and shall enter an order containing provisions for its self-executing modification upon termination of such payment period.

(4) In cases where the court order provides for health/hospitalization insurance coverage pursuant to Section 505.2 of this Act, the premiums for that insurance, or that portion of the premiums for which the supporting party is responsible in the case of insurance provided through an employer's health insurance plan where the employer pays a portion of the premiums, shall be subtracted from net income in determining the minimum amount of support to be ordered.

(4.5) In a proceeding for child support following dissolution of the marriage by a court

that lacked personal jurisdiction over the absent spouse, and in which the court is requiring payment of support for the period before the date an order for current support is entered, there is a rebuttable presumption that the supporting party's net income for the prior period was the same as his or her net income at the time the order for current support is entered.

(5) If the net income cannot be determined because of default or any other reason, the court shall order support in an amount considered reasonable in the particular case. The final order in all cases shall state the support level in dollar amounts. However, if the court finds that the child support amount cannot be expressed exclusively as a dollar amount because all or a portion of the payor's net income is uncertain as to source, time of payment, or amount, the court may order a percentage amount of support in addition to a specific dollar amount and enter such other orders as may be necessary to determine and enforce, on a timely basis, the applicable support ordered.

(6) If (i) the non-custodial parent was properly served with a request for discovery of financial information relating to the non-custodial parent's ability to provide child support, (ii) the non-custodial parent failed to comply with the request, despite having been ordered to do so by the court, and (iii) the non-custodial parent is not present at the hearing to determine support despite having received proper notice, then any relevant financial information concerning the non-custodial parent's ability to provide child support that was obtained pursuant to subpoena and proper notice shall be admitted into evidence without the need to establish any further foundation for its admission.

(a-5) In an action to enforce an order for support based on the respondent's failure to make support payments as required by the order, notice of proceedings to hold the respondent in contempt for that failure may be served on the respondent by personal service or by regular mail addressed to the respondent's last known address. The respondent's last known address may be determined from records of the clerk of the court, from the Federal Case Registry of Child Support Orders, or by any other reasonable means.

(b) Failure of either parent to comply with an order to pay support shall be punishable as in other cases of contempt. In addition to other penalties provided by law the Court may, after finding the parent guilty of contempt, order that the parent be:

(1) placed on probation with such conditions of probation as the Court deems advisable;
(2) sentenced to periodic imprisonment for a period not to exceed 6 months; provided, however, that the Court may permit the parent to be released for periods of time during the day or night to:
(A) work; or
(B) conduct a business or other self-employed occupation.

The Court may further order any part or all of the earnings of a parent during a sentence of periodic imprisonment paid to the Clerk of the Circuit Court or to the parent having custody or to the guardian having custody of the minor children of the sentenced parent for the support of said minor children until further order of the Court.

If there is a unity of interest and ownership sufficient to render no financial separation between a non-custodial parent and another person or persons or business entity, the court may pierce the ownership veil of the person, persons, or business entity to discover assets of the non-custodial parent held in the name of that person, those persons, or that business entity. The following circumstances are sufficient to authorize a court to order discovery of the assets of a person, persons, or business entity and to compel the application of any discovered assets toward payment on the judgment for support:

(1) the non-custodial parent and the person, persons, or business entity maintain records together.
(2) the non-custodial parent and the person, persons, or business entity fail to maintain an arms length relationship between themselves with regard to any assets.
(3) the non-custodial parent transfers assets to the person, persons, or business entity with the intent to perpetrate a fraud on the custodial parent.

With respect to assets which are real property, no order entered under this paragraph shall affect the rights of bona fide purchasers, mortgagees, judgment creditors, or other lien holders who acquire their interests in the property prior to the time a notice of lis pendens pursuant to the Code of

New matter indicated by italics - deletions by strikeout.
Civil Procedure or a copy of the order is placed of record in the office of the recorder of deeds for the county in which the real property is located.

The court may also order in cases where the parent is 90 days or more delinquent in payment of support or has been adjudicated in arrears in an amount equal to 90 days obligation or more, that the parent's Illinois driving privileges be suspended until the court determines that the parent is in compliance with the order of support. The court may also order that the parent be issued a family financial responsibility driving permit that would allow limited driving privileges for employment and medical purposes in accordance with Section 7-702.1 of the Illinois Vehicle Code. The clerk of the circuit court shall certify the order suspending the driving privileges of the parent or granting the issuance of a family financial responsibility driving permit to the Secretary of State on forms prescribed by the Secretary. Upon receipt of the authenticated documents, the Secretary of State shall suspend the parent's driving privileges until further order of the court and shall, if ordered by the court, subject to the provisions of Section 7-702.1 of the Illinois Vehicle Code, issue a family financial responsibility driving permit to the parent.

In addition to the penalties or punishment that may be imposed under this Section, any person whose conduct constitutes a violation of Section 15 of the Non-Support Punishment Act may be prosecuted under that Act, and a person convicted under that Act may be sentenced in accordance with that Act. The sentence may include but need not be limited to a requirement that the person perform community service under Section 50 of that Act or participate in a work alternative program under Section 50 of that Act. A person may not be required to participate in a work alternative program under Section 50 of that Act if the person is currently participating in a work program pursuant to Section 505.1 of this Act.

A support obligation, or any portion of a support obligation, which becomes due and remains unpaid for 30 days or more shall accrue interest at the rate of 9% per annum.

(c) A one-time charge of 20% is imposable upon the amount of past-due child support owed on July 1, 1988 which has accrued under a support order entered by the court. The charge shall be imposed in accordance with the provisions of Section 10-21 of the Illinois Public Aid Code and shall be enforced by the court upon petition.

(d) Any new or existing support order entered by the court under this Section shall be deemed to be a series of judgments against the person obligated to pay support thereunder, each such judgment to be in the amount of each payment or installment of support and each such judgment to be deemed entered as of the date the corresponding payment or installment becomes due under the terms of the support order. Each such judgment shall have the full force, effect and attributes of any other judgment of this State, including the ability to be enforced. A lien arises by operation of law against the real and personal property of the noncustodial parent for each installment of overdue support owed by the noncustodial parent.

(e) When child support is to be paid through the clerk of the court in a county of 1,000,000 inhabitants or less, the order shall direct the obligor to pay to the clerk, in addition to the child support payments, all fees imposed by the county board under paragraph (3) of subsection (u) of Section 27.1 of the Clerks of Courts Act. Unless paid in cash or pursuant to an order for withholding, the payment of the fee shall be by a separate instrument from the support payment and shall be made to the order of the Clerk.

(f) All orders for support, when entered or modified, shall include a provision requiring the obligor to notify the court and, in cases in which a party is receiving child and spouse services under Article X of the Illinois Public Aid Code, the Illinois Department of Public Aid, within 7 days, (i) of the name and address of any new employer of the obligor, (ii) whether the obligor has access to health insurance coverage through the employer or other group coverage and, if so, the policy name and number and the names of persons covered under the policy, and (iii) of any new residential or mailing address or telephone number of the non-custodial parent. In any subsequent action to enforce a support order, upon a sufficient showing that a diligent effort has been made to ascertain the location of the non-custodial parent, service of process or provision of notice necessary in the case may be made at the last known address of the non-custodial parent in any manner expressly provided by the Code of Civil Procedure or this Act, which service shall be sufficient for purposes of due process.

(g) An order for support shall include a date on which the current support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the
order will attain the age of majority or is otherwise emancipated. The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. Nothing in this subsection shall be construed to prevent the court from modifying the order.

(h) An order entered under this Section shall include a provision requiring the obligor to report to the obligee and to the clerk of court within 10 days each time the obligor obtains new employment, and each time the obligor's employment is terminated for any reason. The report shall be in writing and shall, in the case of new employment, include the name and address of the new employer. Failure to report new employment or the termination of current employment, if coupled with nonpayment of support for a period in excess of 60 days, is indirect criminal contempt. For any obligor arrested for failure to report new employment bond shall be set in the amount of the child support that should have been paid during the period of unreported employment. An order entered under this Section shall also include a provision requiring the obligor and obligee parents to advise each other of a change in residence within 5 days of the change except when the court finds that the physical, mental, or emotional health of a party or that of a minor child, or both, would be seriously endangered by disclosure of the party's address.

(i) The court does not lose the powers of contempt, driver's license suspension, or other child support enforcement mechanisms, including, but not limited to, criminal prosecution as set forth in this Act, upon the emancipation of the minor child or children.

PUBLIC ACT 92-0206
(Senate Bill No. 1241)

AN ACT in relation to education.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Educational Labor Relations Act is amended by changing Section 8 as follows:
(115 ILCS 5/8) (from Ch. 48, par. 1708)
Sec. 8. Election - certification. Elections shall be by secret ballot, and conducted in accordance
with rules and regulations established by the Illinois Educational Labor Relations Board. An
incumbent exclusive bargaining representative shall automatically be placed on any ballot with the
petitioner's labor organization. An intervening labor organization may be placed on the ballot when
supported by 15% or more of the employees in the bargaining unit. The Board shall give at least 30
days notice of the time and place of the election to the parties and, upon request, shall provide the
parties with a list of names and addresses of persons eligible to vote in the election at least 15 days
before the election. The ballot must include, as one of the alternatives, the choice of "no
representative". No mail ballots are permitted except where a specific individual would otherwise be
unable to cast a ballot.
The labor organization receiving a majority of the ballots cast shall be certified by the Board
as the exclusive bargaining representative. If the choice of "no representative" receives a majority, the
employer shall not recognize any exclusive bargaining representative for at least 12 months. If none
of the choices on the ballot receives a majority, a run-off shall be conducted between the 2 choices
receiving the largest number of valid votes cast in the election. The Board shall certifi the results of
the election within 6 5 working days after the final tally of votes unless a charge is filed by a party
alleging that improper conduct occurred which affected the outcome of the election. The Board shall
promptly investigate the allegations, and if it finds probable cause that improper conduct occurred and
could have affected the outcome of the election, it shall set a hearing on the matter on a date falling
within 2 weeks of when it received the charge. If it determines, after hearing, that the outcome of the
election was affected by improper conduct, it shall order a new election and shall order corrective
action which it considers necessary to insure the fairness of the new election. If it determines upon
investigation or after hearing that the alleged improper conduct did not take place or that it did not
affect the results of the election, it shall immediately certify the election results.
Any labor organization that is the exclusive bargaining representative in an appropriate unit
on the effective date of this Act shall continue as such until a new one is selected under this Act.

AN ACT concerning economic development.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Corporate Headquarters Relocation Act.

Section 5. Purpose. The General Assembly has determined that the relocation of the international headquarters of large, multinational corporations from outside of Illinois to a location within Illinois creates a substantial public benefit and will foster economic growth and development within the State. Specifically, these relocations will foster a positive image of the State of Illinois and its human and natural resources throughout the United States and the world; contribute to a strong residential housing market; directly and indirectly create jobs and additional taxes within the State; encourage the relocation of other similar businesses to the State; and otherwise foster the development of commerce and industry within the State of Illinois. These relocations should be encouraged through the use of incentives that encourage long-term commitments by business and industry to Illinois and that would otherwise not be available through existing incentives programs.

Section 10. Definitions. As used in this Act:

"Corporate headquarters" means the building or buildings that the principal executive officers of an eligible business have designated as their principal offices and that has at least 250 employees who are principally located in that building or those buildings. The principal executive officers may include, by way of example and not of limitation, the chief executive officer, the chief operating officer, and other senior officer-level employees of the eligible business. "Corporate headquarters" may also include ancillary transportation facilities owned or leased by the eligible business whether or not physically adjacent to the principal office building or buildings used by the principal executive officers. The ancillary transportation facilities may include, but are not limited to, airplane hangars, helipads or heliports, fixed base operations, maintenance facilities, and other aviation-related facilities. All employees of the eligible business may count toward the satisfaction of the numeric requirement of this definition, including but not limited to support staff and other personnel who work in or from the office building or buildings or transportation facilities.

"Department" means the Department of Commerce and Community Affairs.

"Director" means the Director of Commerce and Community Affairs.

"Eligible business" means a business that: (i) is engaged in interstate or intrastate commerce; (ii) maintains its corporate headquarters in a state other than Illinois as of the effective date of this Act; (iii) had annual worldwide revenues of at least $25,000,000,000 for the year immediately preceding its application to the Department for the benefits authorized by this Act; and (iv) is prepared to commit contractually to relocating its corporate headquarters to the State of Illinois in consideration of the benefits authorized by this Act.

"Fund" means the Corporate Headquarters Relocation Assistance Fund.

"Qualifying project" means the relocation of the corporate headquarters of an eligible business from a location outside of Illinois to a location within Illinois, whether to an existing structure or otherwise. When the relocation involves an initial interim facility within Illinois and a subsequent further relocation within 5 years after the effective date of this Act to a permanent facility also within Illinois, all those activities collectively constitute a "qualifying project" under this Act.

"Relocation costs" means the expenses incurred by an eligible business for a qualifying project, including, but not limited to, the following: moving costs and related expenses; purchase of new or replacement equipment; outside professional fees and commissions; premiums for property and casualty insurance coverage; capital investment costs; financing costs; property assembly and development costs, including, but not limited to, the purchase, lease, and construction of equipment, buildings, and land, infrastructure improvements and site development costs, leasehold improvements costs, rehabilitation costs, and costs of studies, surveys, development of plans, and professional services costs such as architectural, engineering, legal, financial, planning, or other related services; "relocation costs", however, does not include moving costs associated with the relocation of the personal residences of the employees of the eligible business and does not include any costs that do not directly result from the relocation of the business to a location within Illinois. In determining
whether costs directly result from the relocation of the business, the Department shall consider whether the costs would likely have been incurred by the business if it had not relocated from its original location.

Section 15. Powers of the Department. The Department, in addition to the powers granted under the Civil Administrative Code of Illinois, has all the powers necessary and convenient to carry out and effectuate the purposes and provisions of this Act, including, but not limited to, the power to:

1. promulgate rules and establish procedures deemed necessary and appropriate for the administration of this Act;
2. negotiate and execute any term, agreement, or other document with any person, entity, or body politic necessary or appropriate to accomplish the purposes of this Act;
3. fix, determine, charge, and collect premiums, fees, charges, costs, and expenses from eligible businesses, including, without limitation, application fees, commitment fees, program fees, financing charges, or publication fees as deemed appropriate to pay expenses necessary or incident to the administration of the Department's activities and duties under this Act, including the preparation and enforcement of any agreement, or for consultation services, legal services, or other costs;
4. require eligible businesses, upon written request, to issue any necessary authorization to the appropriate federal, state, or local authority for the release of information concerning a qualifying project; and
5. take whatever actions are necessary or appropriate to protect the State's interest in the event of bankruptcy, default, foreclosure, or noncompliance with the terms and conditions of any agreement entered into pursuant to this Act, including the power to sell, dispose, lease, or rent, upon terms and conditions determined by the Director to be appropriate, real or personal property that the Department may receive as a result of these actions.

Section 20. Reimbursement for relocation costs.

(a) The initial application of an eligible business proposing a qualifying project must be filed with the Department no later than July 1, 2004.

(b) Upon receipt and approval of an application from an eligible business proposing a qualifying project, the Department may enter into an agreement with the eligible business wherein the Department agrees to reimburse the eligible business for its relocation costs subject to the following terms, conditions, and limitations:

1. The eligible business must apply to the Department for reimbursement of its relocation costs.
2. The application submitted by the eligible business must identify with specificity the relocation costs for which reimbursement is sought, and the eligible business must provide the Department with all supporting documentation as requested by the Department. The eligible business may amend its application for reimbursement from time to time in order to cover additional relocation costs incurred after the submission of an initial application.
3. The Department reserves the right to approve or disapprove specific items and categories of relocation costs.
4. The eligible business must in fact relocate its corporate headquarters to the State of Illinois within a time frame specified by the Department.
5. The eligible business may receive reimbursement for not greater than 50% of its documented relocation costs.
6. The agreement between the Department and the eligible business must provide that reimbursement will be provided by means of one or more grants that shall be issued annually by the Department for a period not to exceed 10 years or until 50% of the eligible business' relocation costs are reimbursed, whichever occurs first.
7. The amount of the annual grant that may be issued to the eligible business by the Department may not exceed 50% of the total amount withheld from employees of the eligible business employed at the corporate headquarters during the preceding calendar year under Article 7 of the Illinois Income Tax Act.
8. In applying to the Department for reimbursement, the eligible business must certify the total amount withheld during the preceding calendar year under Article 7 of the Illinois Income Tax Act from its employees employed at the corporate headquarters.

New matter indicated by italics - deletions by strikeout.
(9) The Department may issue grants from the Corporate Headquarters Relocation Assistance Fund to eligible businesses for reimbursement of relocation costs as provided by this Act.

Section 25. Review of application for reimbursement. No eligible business is eligible for reimbursement of relocation costs under this Act unless the Department determines at the time of the eligible business' initial application that, if not for that reimbursement, the eligible business would not have determined to relocate its corporate headquarters to Illinois. The eligible business may satisfy this requirement by, among other means, presenting evidence to the Department that the eligible business has or had multi-state location options and could reasonably and efficiently have located its corporate headquarters to a state other than Illinois; by a demonstration that at least one other state is or was being considered for the relocation of its corporate headquarters; or through evidence that receipt of the benefits authorized by this Act is an important factor in the eligible business' decision to locate its corporate headquarters to Illinois, and that without that assistance, the eligible business likely would not establish its corporate headquarters in Illinois.

Section 30. Transfers to Corporate Headquarters Relocation Assistance Fund. Upon receipt of a certification by the eligible business of the aggregate amount withheld from its employees employed at the corporate headquarters during the preceding calendar year under Article 7 of the Illinois Income Tax Act, the Department shall then certify to the State Treasurer that 50% of that amount is eligible to be transferred from the General Revenue Fund to the Corporate Headquarters Relocation Assistance Fund. This amount shall be referred to as the "certified transfer amount". Upon receipt of the certification from the Department, the Treasurer shall transfer the certified transfer amount within 30 days from the General Revenue Fund to the Corporate Headquarters Relocation Assistance Fund.

Section 35. Corporate Headquarters Relocation Assistance Fund; creation. The Corporate Headquarters Relocation Assistance Fund is created as a separate fund within the State treasury. From the Fund and pursuant to the provisions of this Act, the Department may issue grants to reimburse eligible businesses for relocation costs incurred in connection with the relocation of a corporate headquarters to the State of Illinois.

Section 40. Other incentives. Nothing in this Act precludes an eligible business with respect to a qualifying project from applying for or receiving any other federal, State, or local assistance or incentives in connection with the relocation of its corporate headquarters to the State of Illinois.

Section 905. The State Finance Act is amended by adding Section 5.545 as follows:

Sec. 5.545. The Corporate Headquarters Relocation Assistance Fund.

Section 910. The Illinois Income Tax Act is amended by changing Section 211 as follows:

Sec. 211. Economic Development for a Growing Economy Tax Credit. For tax years beginning on or after January 1, 1999, a Taxpayer who has entered into an Agreement under the Economic Development for a Growing Economy Tax Credit Act is entitled to a credit against the taxes imposed under subsections (a) and (b) of Section 201 of this Act in an amount to be determined in the Agreement. If the Taxpayer is a partnership or Subchapter S corporation, the credit shall be allowed to the partners or shareholders in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code. The Department, in cooperation with the Department of Commerce and Community Affairs, shall prescribe rules to enforce and administer the provisions of this Section. This Section is exempt from the provisions of Section 250 of this Act.

The credit shall be subject to the conditions set forth in the Agreement and the following limitations:

(1) The tax credit shall not exceed the Incremental Income Tax (as defined in Section 5-5 of the Economic Development for a Growing Economy Tax Credit Act) with respect to the project.

(2) The amount of the credit allowed during the tax year plus the sum of all amounts allowed in prior years shall not exceed 100% of the aggregate amount expended by the Taxpayer during all prior tax years on approved costs defined by Agreement.

(3) The amount of the credit shall be determined on an annual basis. Except as applied
in a carryover year pursuant to Section 211(4) of this Act; however, the credit may not be applied against any State income tax liability in more than 10 taxable years; provided, however, that (i) an eligible business certified by the Department of Commerce and Community Affairs under the Corporate Headquarters Relocation Act may not apply the credit against any of its State income tax liability in more than 15 taxable years and (ii) credits allowed to that eligible business are subject to the conditions and requirements set forth in Sections 5-35 and 5-45 of the Economic Development for a Growing Economy Tax Credit Act after the project is first approved and may not extend beyond the expiration of the Agreement.

(4) The credit may not exceed the amount of taxes imposed pursuant to subsections (a) and (b) of Section 201 of this Act. Any credit that is unused in the year the credit is computed may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one tax year that are available to offset a liability, the earlier credit shall be applied first.

(5) No credit shall be allowed with respect to any Agreement for any taxable year ending after the Noncompliance Date. Upon receiving notification by the Department of Commerce and Community Affairs of the noncompliance of a Taxpayer with an Agreement, the Department shall notify the Taxpayer that no credit is allowed with respect to that Agreement for any taxable year ending after the Noncompliance Date, as stated in such notification. If any credit has been allowed with respect to an Agreement for a taxable year ending after the Noncompliance Date for that Agreement, any refund paid to the Taxpayer for that taxable year shall, to the extent of that credit allowed, be an erroneous refund within the meaning of Section 912 of this Act.

(6) For purposes of this Section, the terms "Agreement", "Incremental Income Tax", and "Noncompliance Date" have the same meaning as when used in the Economic Development for a Growing Economy Tax Credit Act.

Section 915. The Economic Development for a Growing Economy Tax Credit Act is amended by changing Sections 5-35 and 5-45 as follows:

(35 ILCS 10/5-35)

Sec. 5-35. Relocation of jobs in Illinois. A taxpayer is not entitled to claim the credit provided by this Act with respect to any jobs that the taxpayer relocates from one site in Illinois to another site in Illinois. A taxpayer with respect to a qualifying project certified under the Corporate Headquarters Relocation Act, however, is not subject to the requirements of this Section but is nevertheless considered an applicant for purposes of this Act. Moreover, any full-time employee of an eligible business relocated to Illinois in connection with that qualifying project is deemed to be a new employee for purposes of this Act. Determinations under this Section shall be made by the Department.

(35 ILCS 10/5-45)

Sec. 5-45. Amount and duration of the credit.

(a) The Department shall determine the amount and duration of the credit awarded under this Act. The duration of the credit may not exceed 10 taxable years. The credit may be stated as a percentage of the Incremental Income Tax attributable to the applicant's project and may include a fixed dollar limitation.

(b) Notwithstanding subsection (a), and except as the credit may be applied in a carryover year pursuant to Section 211(4) of the Illinois Income Tax Act, the credit may be applied against the State income tax liability in more than 10 taxable years but not in more than 15 taxable years for an eligible business that (i) qualifies under this Act and the Corporate Headquarters Relocation Act and has in fact undertaken a qualifying project within the time frame specified by the Department of Commerce and Community Affairs under that Act, and (ii) applies against its State income tax liability, during the entire 15-year period, no more than 60% of the maximum credit per year that would otherwise be available under this Act.

No school district, however, may enter into an agreement with, or abate taxes for, an eligible business unless the municipality in which the corporate headquarters is located agrees to provide funding to the school district in an amount equal to the amount abated or paid by the school district as provided in this paragraph (8). Any abatement ordered or agreement entered into under this paragraph (8) may be effective for the entire term specified by the taxing district, except the term of the abatement or annual payments may not exceed 20 years.

Each fiscal year thereafter that bonds are outstanding under Section 13.2 of the Metropolitan Pier and Exposition Authority Act, but not after fiscal year 2029.

Section 15. The Use Tax Act is amended by changing Section 9 as follows:

(35 ILCS 105/9) (from Ch. 120, par. 439.9)

Sec. 9. Except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, each retailer required or authorized to collect the tax imposed by this Act shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for expenses incurred in

collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. A retailer need not remit that part of any tax collected by him to the extent that he is required to remit and does remit the tax imposed by the Retailers' Occupation Tax Act, with respect to the sale of the same property.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the retailer, in collecting the tax (except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State), may collect for each tax return period, only the tax applicable to that part of the selling price actually received during such tax return period.

Except as provided in this Section, on or before the twentieth day of each calendar month, such retailer shall file a return for the preceding calendar month. Such return shall be filed on forms prescribed by the Department and shall furnish such information as the Department may reasonably require.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in
the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Service Use Tax Act was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985, and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987, and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest

New matter indicated by italics - deletions by strikeout.
on the difference between the minimum amount due and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

If any such payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown by an original monthly return, the Department shall issue to the taxpayer a credit memorandum no later than 30 days after the date of payment, which memorandum may be submitted by the taxpayer to the Department in payment of tax liability subsequently to be remitted by the taxpayer to the Department or be assigned by the taxpayer to a similar taxpayer under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department, except that if such excess payment is shown on an original monthly return and is made after December 31, 1986, no credit memorandum shall be issued, unless requested by the taxpayer. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted by the taxpayer to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% or 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and the taxpayer shall be liable for penalties and interest on such difference.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 3-55 of this Act, then that seller may report the transfer of all the aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

The transaction reporting return in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred
to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft and aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the date of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the tax that is imposed by this Act may be transmitted to the Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer, and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Where a retailer collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the retailer refunds the selling price thereof to the purchaser, such retailer shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax
to the purchaser, the retailer may deduct the amount of the tax so refunded by him to the purchaser
from any other use tax which such retailer may be required to pay or remit to the Department, as
shown by such return, if the amount of the tax to be deducted was previously remitted to the
Department by such retailer. If the retailer has not previously remitted the amount of such tax to the
Department, he is entitled to no deduction under this Act upon refunding such tax to the purchaser.

Any retailer filing a return under this Section shall also include (for the purpose of paying tax
thereon) the total tax covered by such return upon the selling price of tangible personal property
purchased by him at retail from a retailer, but as to which the tax imposed by this Act was not
collected from the retailer filing such return, and such retailer shall remit the amount of such tax to
the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and
furnish a combination or joint return which will enable retailers, who are required to file returns
hereunder and also under the Retailers' Occupation Tax Act, to furnish all the return information
required by both Acts on the one form.

Where the retailer has more than one business registered with the Department under separate
registration under this Act, such retailer may not file each return that is due as a single return covering
all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local
Sales Tax Reform Fund, a special fund in the State Treasury which is hereby created, the net revenue
realized for the preceding month from the 1% tax on sales of food for human consumption which is
to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food
which has been prepared for immediate consumption) and prescription and nonprescription medicines,
drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass
Transit District Fund 4% of the net revenue realized for the preceding month from the 6.25% general
rate on the selling price of tangible personal property which is purchased outside Illinois at retail from
a retailer and which is titled or registered by an agency of this State's government.

Beginning January 1, 1990, each month the Department shall pay into the State and Local
Sales Tax Reform Fund, a special fund in the State Treasury, 20% of the net revenue realized for the
preceding month from the 6.25% general rate on the selling price of tangible personal property, other
than tangible personal property which is purchased outside Illinois at retail from a retailer and which
is titled or registered by an agency of this State's government.

Beginning August 1, 2000, each month the Department shall pay into the State and Local
Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate
on the selling price of motor fuel and gasohol.

Beginning January 1, 1990, each month the Department shall pay into the Local Government
Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the
selling price of tangible personal property which is purchased outside Illinois at retail from a retailer
and which is titled or registered by an agency of this State's government.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75%
thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after
July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any
fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received
by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the
Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act,
and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts"
and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax
Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales
Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the
Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the
Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and
further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount
required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such
month and (2) the amount transferred during such month to the Build Illinois Fund from the State and
Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an

amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget. If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers’ Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

each fiscal year thereafter that bonds are outstanding under Section 13.2 of the Metropolitan Pier and Exposition Authority Act, but not after fiscal year 2042.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendment thereto hereafter enacted, each month the Department shall pay into the Local Government Distributive Fund .4% of the net revenue realized for the preceding month from the 5% general rate, or .4% of 80% of the net revenue realized for the preceding month from the 6.25% general rate, as the case may be, on the selling price of tangible personal property which amount shall, subject to appropriation, be distributed as provided in Section 2 of the State Revenue Sharing Act. No payments or distributions pursuant to this paragraph shall be made if the tax imposed by this Act on photoprocessing products is declared unconstitutional, or if the proceeds from such tax are unavailable for distribution because of litigation.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, and the Local Government Distributive Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Section 20. The Service Use Tax Act is amended by changing Section 9 as follows:

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. A serviceman need not remit that part of any tax collected by him to the extent that he is required to pay and does pay the tax imposed by the Service Occupation Tax Act with respect to his sale of service involving the incidental transfer by him of the same property.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable Rules and Regulations to be promulgated by the Department. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in
the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

If the serviceman is otherwise required to file a monthly return and if the serviceman's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarterly annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May, and June of a given year being due by July 20 of such year; with the return for July, August, and September of a given year being due by October 20 of such year, and with the return for October, November, and December of a given year being due by January 20 of the following year.

If the serviceman is otherwise required to file a monthly or quarterly return and if the serviceman's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Where a serviceman collects the tax with respect to the selling price of property which he sells and the purchaser thereafter returns such property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Use Tax, Service Occupation Tax, retailers' occupation tax or use tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

Any serviceman filing a return hereunder shall also include the total tax upon the selling price of tangible personal property purchased for use by him as an incident to a sale of service, and such serviceman shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Service Occupation Tax Act, to furnish all the return information required by both Acts on one form.

Where the serviceman has more than one business registered with the Department under separate registration hereunder, such serviceman shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Tax Reform Fund, a special fund in the State Treasury, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property, other than tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers’ Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

Section 25. The Service Occupation Tax Act is amended by changing Section 9 as follows:

(35 ILCS 115/9) (from Ch. 120, par. 439.109)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax at the time when he is required to file his return for the period during which such tax was collectible, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the serviceman, in collecting the tax may collect, for each tax return period, only the tax applicable to the part of the selling price actually received during such tax return period.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable rules and regulations to be promulgated by the Department of Revenue. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

A serviceman may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Service Use Tax as provided in Section 3-70 of the Service Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-70 of the Service Use Tax Act. A Manufacturer's Purchase Credit certification, accepted by a serviceman as provided in Section 3-70 of the Service Use Tax Act, may be used by that serviceman to satisfy Service Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase.

If the serviceman's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May

and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the serviceman's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Where a serviceman collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12.

"Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place
Expansion Project Fund pursuant to the preceding paragraphs or in any amendment thereto hereafter
enacted, each month the Department shall pay into the Local Government Distributive Fund 0.4% of
the net revenue realized for the preceding month from the 5% general rate or 0.4% of 80% of the net
revenue realized for the preceding month from the 6.25% general rate, as the case may be, on the
selling price of tangible personal property which amount shall, subject to appropriation, be distributed

this paragraph shall be made if the tax imposed by this Act on photoprocessing products is declared
unconstitutional, or if the proceeds from such tax are unavailable for distribution because of litigation.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion
Project Fund, and the Local Government Distributive Fund pursuant to the preceding paragraphs or
in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each
month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the

The Department may, upon separate written notice to a taxpayer, require the taxpayer to
prepare and file with the Department on a form prescribed by the Department within not less than 60
days after receipt of the notice an annual information return for the tax year specified in the notice.
Such annual return to the Department shall include a statement of gross receipts as shown by the
taxpayer's last Federal income tax return. If the total receipts of the business as reported in the Federal
income tax return do not agree with the gross receipts reported to the Department of Revenue for the
same period, the taxpayer shall attach to his annual return a schedule showing a reconciliation of the
2 amounts and the reasons for the difference. The taxpayer's annual return to the Department shall also
disclose the cost of goods sold by the taxpayer during the year covered by such return, opening and
closing inventories of such goods for such year, cost of goods used from stock or taken from stock and
given away by the taxpayer during such year, payroll information of the taxpayer's business during
such year and any additional reasonable information which the Department deems would be helpful
in determining the accuracy of the monthly, quarterly or annual returns filed by such taxpayer as
hereinbefore provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the
taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of
the tax due from such taxpayer under this Act during the period to be covered by the annual
return for each month or fraction of a month until such return is filed as required, the penalty
to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described
in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the
annual return to certify the accuracy of the information contained therein. Any person who willfully
signs the annual return containing false or inaccurate information shall be guilty of perjury and
punished accordingly. The annual return form prescribed by the Department shall include a warning
that the person signing the return may be liable for perjury.

The foregoing portion of this Section concerning the filing of an annual information return

Government.

As soon as possible after the first day of each month, upon certification of the Department of

For greater simplicity of administration, it shall be permissible for manufacturers, importers and wholesalers whose products are sold by numerous servicemen in Illinois, and who wish to do so, to assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the servicemen who are affected do not make written objection to the Department to this arrangement.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.

A retailer may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-85 of the Use Tax Act. If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred began on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of $25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to the effective date of this amendatory Act of 1985, each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred began on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid

tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference. If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund, a special fund in the State treasury which is hereby created, 4% of the net revenue realized for the preceding month from the 6.25% general rate.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to this Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as hereinafter defined), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; the "Annual Specified Amount" means the amounts specified below for fiscal years 1986 through 1993:

and means the Certified Annual Debt Service Requirement (as defined in Section 13 of the Build Illinois Bond Act) or the Tax Act Amount, whichever is greater, for fiscal year 1994 and each fiscal year thereafter; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year. The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget. If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the first sentence of this paragraph and shall reduce the amount otherwise payable for such fiscal year pursuant to that clause (b). The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

Each fiscal year thereafter that bonds are outstanding under Section 13.2 of the Metropolitan Pier and Exposition Authority Act, but not after fiscal year 2042.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendment thereto hereafter enacted, each month the Department shall pay into the Local Government Distributive Fund 0.4% of the net revenue realized for the preceding month from the 5% general rate or 0.4% of 80% of the net revenue realized for the preceding month from the 6.25% general rate, as the case may be, on the selling price of tangible personal property which amount shall, subject to appropriation, be distributed as provided in Section 2 of the State Revenue Sharing Act. No payments or distributions pursuant to this paragraph shall be made if the tax imposed by this Act on photoprocessing products is declared unconstitutional, or if the proceeds from such tax are unavailable for distribution because of litigation.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to

prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose
this requirement when it finds that there is a significant risk of loss of revenue to the State at such an
exhibition or event. Such a finding shall be based on evidence that a substantial number of
concessionaires or other sellers who are not residents of Illinois will be engaging in the business of
selling tangible personal property at retail at the exhibition or event, or other evidence of a significant
risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers
affected by the imposition of this requirement. In the absence of notification by the Department, the
concessionaires and other sellers shall file their returns as otherwise required in this Section.

The Authority has the right and power hereafter to receive sums as may be distributed to it

Just compensation for property taken or acquired under this paragraph shall be paid in money or, notwithstanding any other provision of this Act and with the agreement of the owner of the property to be taken or acquired, the Authority may convey substitute property or interests in property or enter into agreements with the property owner, including leases, licenses, or concessions, with respect to any property owned by the Authority, or may provide for other lawful forms of just compensation to the owner. Any property acquired in condemnation proceedings shall be used only as provided in this Act. Except as otherwise provided by law, the City of Chicago shall have a right of first refusal prior to any sale of any such property by the Authority to a third party other than substitute property. The Authority shall develop and implement a relocation plan for businesses displaced as a result of the Authority's acquisition of property. The relocation plan shall be substantially similar to provisions of the Uniform Relocation Assistance and Real Property Acquisition Act and regulations promulgated under that Act relating to assistance to displaced businesses. To implement the relocation plan the Authority may acquire property by purchase or gift or may exercise the powers authorized in this subsection (f), except the immediate vesting of title under Sections 7-103 through 7-112 of the Code of Civil Procedure, to acquire substitute private property within one mile of Site B for the benefit of displaced businesses located on property being acquired by the Authority. However, no such substitute property may be acquired by the Authority unless the mayor of the municipality in which the property is located certifies in writing that the acquisition is consistent with the municipality's land use and economic development policies and goals. The acquisition of substitute property is declared to be for public use. In exercising the powers authorized in this subsection (f), the Authority shall use its best efforts to relocate businesses within the area of McCormick Place or, failing that, within the City of Chicago.

(j) After conducting the procurement process provided for in Section 25.1, to enter into
one or more contracts to provide for the design and construction of all or part of the
Authority's Expansion Project grounds, buildings, and facilities. Any contract for design and
construction of the Expansion Project shall be in the form authorized by subsection (g), shall

(k) To enter into agreements, including project agreements with labor unions, that the
Authority deems necessary to complete the Expansion Project or any other construction or

or other actions that might cause disruption or delay and thereby add to the cost of the project.

Sec. 10. The Authority shall have the continuing power to borrow money for the purpose of
carrying out and performing its duties and exercising its powers under this Act.

For the purpose of evidencing the obligation of the Authority to repay any money borrowed
as aforesaid, the Authority may, pursuant to ordinance adopted by the Board, from time to time issue
and dispose of its revenue bonds and notes (herein collectively referred to as bonds), and may also
from time to time issue and dispose of its revenue bonds to refund any bonds at maturity or pursuant
to redemption provisions or at any time before maturity as provided for in Section 10.1. All such
bonds shall be payable solely from any one or more of the following sources: the revenues or income
to be derived from the fairs, expositions, meetings, and conventions and other authorized activities
of the Authority; funds, if any, received and to be received by the Authority from the Fair and
Exposition Fund, as allocated by the Department of Agriculture of this State; from the Metropolitan
Fair and Exposition Authority Reconstruction Fund; from the Metropolitan Fair and Exposition
Authority Improvement Bond Fund pursuant to appropriation by the General Assembly; from the
McCormick Place Expansion Project Fund pursuant to appropriation by the General Assembly; from
any revenues or funds pledged or provided for such purposes by any governmental agency; from any
revenues of the Authority from taxes it is authorized to impose; from the proceeds of refunding bonds
issued for that purpose; or from any other lawful source derived. Such bonds may bear such date or
dates, may mature at such time or times not exceeding 35 years from their respective dates, may
bear interest at such rate or rates payable at such times, may be in such form, may carry such
registration privileges, may be executed in such manner, may be payable at such place or places, may
be made subject to redemption in such manner and upon such terms, with or without premium as is
stated on the face thereof, may be executed in such manner and may contain such terms and covenants,
all as may be provided in the ordinance adopted by the Board providing for such bonds. In case any
officer whose signature appears on any bond ceases (after attaching his signature) to hold office, his
signature shall nevertheless be valid and effective for all purposes. The holder or holders of any bonds
or interest coupons appertaining thereto issued by the Authority or any trustee on behalf of the holders
may bring civil actions to compel the performance and observance by the Authority or any of its
officers, agents or employees of any contract or covenant made by the Authority with the holders of
such bonds or interest coupons and to compel the Authority and any of its officers, agents or
employees to perform any duties required to be performed for the benefit of the holders of such
bonds or interest coupons by the provisions of the ordinance authorizing their issuance and to enjoin
the Authority and any of its officers, agents or employees from taking any action in conflict with any
such contract or covenant.

Notwithstanding the form and tenor of any such bonds and in the absence of any express
recital on the face thereof that it is non-negotiable, all such bonds shall be negotiable instruments
under the Uniform Commercial Code.

New matter indicated by italics - deletions by strikeout.
The bonds shall be sold by the corporate authorities of the Authority in such manner as the corporate authorities shall determine.

From and after the issuance of any bonds as herein provided it shall be the duty of the corporate authorities of the Authority to fix and establish rates, charges, rents and fees for the use of its grounds, buildings, and facilities that will be sufficient at all times, together with other revenues of the Authority available for that purpose, to pay:

(a) The cost of maintaining, repairing, regulating and operating the grounds, buildings, and facilities; and

(b) The bonds and interest thereon as they shall become due, and all sinking fund requirements and other requirements provided by the ordinance authorizing the issuance of the bonds or as provided by any trust agreement executed to secure payment thereof.

The Authority may provide that bonds issued under this Act shall be payable from and secured by an assignment and pledge of and grant of a lien on and a security interest in unexpended bond proceeds, the proceeds of any refunding bonds, reserves or sinking funds and earnings thereon, or all or any part of the moneys, funds, income and revenues of the Authority from any source derived, including, without limitation, any revenues of the Authority from taxes it is authorized to impose, the net revenues of the Authority from its operations, payments from the Metropolitan Fair and Exposition Authority Improvement Bond Fund or from the McCormick Place Expansion Project Fund to the Authority or upon its direction to any trustee or trustees under any trust agreement securing such bonds, payments from any governmental agency, or any combination of the foregoing. In no event shall a lien or security interest upon the physical facilities of the Authority be created by any such lien, pledge or security interest. The Authority may execute and deliver a trust agreement or agreements to secure the payment of such bonds and for the purpose of setting forth covenants and undertakings of the Authority in connection with issuance thereof. Such pledge, assignment and grant of a lien and security interest shall be effective immediately without any further filing or action and shall be effective with respect to all persons regardless of whether any such person shall have notice of such pledge, assignment, lien or security interest.

In connection with the issuance of its bonds, the Authority may enter into arrangements to provide additional security and liquidity for the bonds. These may include, without limitation, municipal bond insurance, letters of credit, lines of credit by which the Authority may borrow funds to pay or redeem its bonds and purchase or remarketing arrangements for assuring the ability of owners of the Authority's bonds to sell or to have redeemed their bonds. The Authority may enter into contracts and may agree to pay fees to persons providing such arrangements, including from bond proceeds. No such arrangement or contract shall be considered a bond or note for purposes of any limitation on the issuance of bonds or notes by the Authority.

The ordinance of the Board authorizing the issuance of its bonds may provide that interest rates may vary from time to time depending upon criteria established by the Board, which may include, without limitation, a variation in interest rates as may be necessary to cause bonds to be remarketable from time to time at a price equal to their principal amount, and may provide for appointment of a national banking association, bank, trust company, investment banker or other financial institution to serve as a remarketing agent in that connection. The ordinance of the board authorizing the issuance of its bonds may provide that alternative interest rates or provisions will apply during such times as the bonds are held by a person providing a letter of credit or other credit enhancement arrangement for those bonds.

To secure the payment of any or all of such bonds and for the purpose of setting forth the covenants and undertakings of the Authority in connection with the issuance thereof and the issuance of any additional bonds payable from moneys, funds, revenue and income of the Authority to be derived from any source, the Authority may execute and deliver a trust agreement or agreements; provided that no lien upon any real property of the Authority shall be created thereby.

A remedy for any breach or default of the terms of any such trust agreement by the Authority may be by mandamus proceedings in the circuit court to compel performance and compliance therewith, but the trust agreement may prescribe by whom or on whose behalf such action may be instituted.

In connection with the issuance of its bonds under this Act, the Authority may enter into contracts that it determines necessary or appropriate to permit it to manage payment or interest rate
risk. These contracts may include, but are not limited to, interest rate exchange agreements; contracts providing for payment or receipt of funds based on levels of or changes in interest rates; contracts to exchange cash flows or series of payments; and contracts incorporating interest rate caps, collars, floors, or locks.

Sec. 13.2. The McCormick Place Expansion Project Fund is created in the State Treasury. All moneys in the McCormick Place Expansion Project Fund are allocated to and shall be appropriated and used only for the purposes authorized by and subject to the limitations and conditions of this Section. Those amounts may be appropriated by law to the Authority for the purposes of paying the debt service requirements on all bonds and notes, including bonds and notes issued to refund or advance refund bonds and notes otherwise issued under this Act, (collectively referred to as "bonds") to be issued by the Authority under this Section in an aggregate original principal amount (excluding the amount of any bonds and notes issued to refund or advance refund bonds or notes issued under this Section) not to exceed $2,107,000,000 for the purposes of carrying out and performing its duties and exercising its powers under this Act. No bonds issued to refund or advance refund bonds issued under this Section may mature later than the longest maturity date of the series of bonds being refunded. After the aggregate original principal amount of bonds authorized in this Section has been issued, the payment of any principal amount of such bonds does not authorize the issuance of additional bonds (except refunding bonds).

On the first day of each month commencing after July 1, 1993, amounts, if any, on deposit in the McCormick Place Expansion Project Fund shall, subject to appropriation, be paid in full to the Authority or, upon its direction, to the trustee or trustees for bondholders of bonds that by their terms are payable from the moneys received from the McCormick Place Expansion Project Fund, until an amount equal to 100% of the aggregate amount of the principal and interest in the fiscal year, including that pursuant to sinking fund requirements, has been so paid and deficiencies in reserves shall have been remedied.

The State of Illinois pledges to and agrees with the holders of the bonds of the Metropolitan Pier and Exposition Authority issued under this Section that the State will not limit or alter the rights and powers vested in the Authority by this Act so as to impair the terms of any contract made by the Authority with those holders or in any way impair the rights and remedies of those holders until the bonds, together with interest thereon, interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of those holders are fully met and discharged; provided that any increase in the Tax Act Amounts specified in Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund pursuant to any law hereafter enacted shall not be deemed to impair the rights of such holders so long as the increase does not result in the aggregate debt service payable in the current or any future fiscal year of the State on all bonds issued pursuant to the Build Illinois Bond Act and the Metropolitan Pier and Exposition Authority Act and payable from tax revenues specified in Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act exceeding 33 1/3% of such tax revenues for the most recently completed fiscal year of the State at the time of such increase. In addition, the State pledges to and agrees with the holders of the bonds of the Authority issued under this Section that the State will not limit or alter the basis on which State funds are to be paid to the Authority as provided in this Act or the use of those funds so as to impair the terms of any such contract; provided that any increase in the Tax Act Amounts specified in Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund pursuant to any law hereafter enacted shall not be deemed to impair the terms of any such contract so long as the increase does not result in the aggregate debt service payable in the current or any future fiscal year of the State on all bonds issued pursuant to the Build Illinois Bond Act and the Metropolitan Pier and Exposition Authority Act and payable from tax revenues specified in Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9
of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act exceeding 33 1/3\% of such tax revenues for the most recently completed fiscal year of the State at the time of such increase. The Authority is authorized to include these pledges and agreements with the State in any contract with the holders of bonds issued under this Section.

The State shall not be liable on bonds of the Authority issued under this Section those bonds shall not be a debt of the State, and this Act shall not be construed as a guarantee by the State of the debts of the Authority. The bonds shall contain a statement to this effect on the face of the bonds.

(70 ILCS 210/23.1) (from Ch. 85, par. 1243.1)

Sec. 23.1. Affirmative action.

(a) The Authority shall, within 90 days after the effective date of this amendatory Act of 1984, establish and maintain an affirmative action program designed to promote equal employment opportunity and eliminate the effects of past discrimination. Such program shall include a plan, including timetables where appropriate, which shall specify goals and methods for increasing participation by women and minorities in employment by the Authority and by parties which contract with the Authority. The Authority shall submit a detailed plan with the General Assembly prior to September 1 of each year. Such program shall also establish procedures and sanctions (including debarment), which the Authority shall enforce to ensure compliance with the plan established pursuant to this Section and with State and federal laws and regulations relating to the employment of women and minorities. A determination by the Authority as to whether a party to a contract with the Authority has achieved the goals or employed the methods for increasing participation by women and minorities shall be determined in accordance with the terms of such contracts or the applicable provisions of rules and regulations of the Authority existing at the time such contract was executed, including any provisions for consideration of good faith efforts at compliance which the Authority may reasonably adopt.

(b) The Authority shall adopt and maintain minority and female owned business enterprise procurement programs under the affirmative action program described in subsection (a) for any and all work undertaken by the Authority. That work shall include, but is not limited to, the purchase of professional services, construction services, supplies, materials, and equipment. The programs shall establish goals of awarding not less than 25\% of the annual dollar value of all contracts, purchase orders, or other agreements (collectively referred to as "contracts") to minority owned businesses and 5\% of the annual dollar value of all contracts to female owned businesses. Without limiting the generality of the foregoing, the programs shall require in connection with the prequalification or consideration of vendors for professional service contracts, construction contracts, and contracts for supplies, materials, equipment, and services that each proposer or bidder submit as part of his or her proposal or bid a commitment detailing how he or she will expend 25\% or more of the dollar value of his or her contracts with one or more minority owned businesses and 5\% or more of the dollar value with one or more female owned businesses. Bids or proposals that do not include such detailed commitments are not responsive and shall be rejected unless the Authority deems it appropriate to grant a waiver of these requirements. In addition the Authority may, in connection with the selection of providers of professional services, reserve the right to select a minority or female owned business or businesses to fulfill the commitment to minority and female business participation. The commitment to minority and female business participation may be met by the contractor or professional service provider's status as a minority or female owned business, by joint venture or by subcontracting a portion of the work with or purchasing materials for the work from one or more such businesses, or by any combination thereof. Each contract shall require the contractor or provider to submit a certified monthly report detailing the status of that contractor or provider's compliance with the Authority's minority and female owned business enterprise procurement program. The Authority, after reviewing the monthly reports of the contractors and providers, shall compile a comprehensive report regarding compliance with this procurement program and file it quarterly with the General Assembly. If, in connection with a particular contract, the Authority determines that it is impracticable or excessively costly to obtain minority or female owned businesses to perform sufficient work to fulfill the commitment required by this subsection, the Authority shall reduce or waive the commitment in the contract, as may be appropriate. The Authority shall establish rules and regulations setting forth the standards to be used in determining whether or not a reduction or waiver is
appropriate. The terms "minority owned business" and "female owned business" have the meanings given to those terms in the Minority and Female Business Enterprise for Minorities, Females, and Persons with Disabilities Act.

(c) The Authority shall adopt and maintain an affirmative action program in connection with the hiring of minorities and women on the Expansion Project and on any and all construction projects undertaken by the Authority. The program shall be designed to promote equal employment opportunity and shall specify the goals and methods for increasing the participation of minorities and women in a representative mix of job classifications required to perform the respective contracts awarded by the Authority.

(d) In connection with the Expansion Project, the Authority shall incorporate the following elements into its minority and female owned business procurement programs to the extent feasible: (1) a major contractors program that permits minority owned businesses and female owned businesses to bear significant responsibility and risk for a portion of the project; (2) a mentor/protege program that provides financial, technical, managerial, equipment, and personnel support to minority owned businesses and female owned businesses; (3) an emerging firms program that includes minority owned businesses and female owned businesses that would not otherwise qualify for the project due to inexperience or limited resources; (4) a small projects program that includes participation by smaller minority owned businesses and female owned businesses on jobs where the total dollar value is $5,000,000 or less; and (5) a set-aside program that will identify contracts requiring the expenditure of funds less than $50,000 for bids to be submitted solely by minority owned businesses and female owned businesses.

(e) The Authority is authorized to enter into agreements with contractors' associations, labor unions, and the contractors working on the Expansion Project to establish an Apprenticeship Preparedness Training Program to provide for an increase in the number of minority and female journeymen and apprentices in the building trades and to enter into agreements with Community College District 508 to provide readiness training. The Authority is further authorized to enter into contracts with public and private educational institutions and persons in the hospitality industry to provide training for employment in the hospitality industry.

(f) McCormick Place Advisory Board. There is created a McCormick Place Advisory Board composed as follows: 2 members shall be appointed by the Mayor of Chicago; 2 members shall be appointed by the Governor; 2 members shall be State Senators appointed by the President of the Senate; 2 members shall be State Senators appointed by the Minority Leader of the Senate; 2 members shall be State Representatives appointed by the Speaker of the House of Representatives; and 2 members shall be State Representatives appointed by the Minority Leader of the House of Representatives. 7 members shall be named by the Authority who are residents of the area surrounding the McCormick Place Expansion Project and are either minorities, as defined in this subsection, or women; 7 members shall be State Senators named by the President of the Senate who are residents of the City of Chicago and are either members of minority groups or women; and 7 members shall be State Representatives named by the Speaker of the House who are residents of the City of Chicago and are either members of minority groups or women. The terms of all previously appointed members of the Advisory Board expire on the effective date of this amendatory Act of the 92nd General Assembly. A State Senator or State Representative member may appoint a designee to serve on the McCormick Place Advisory Board in his or her absence.

A "member of a minority group" shall mean a person who is a citizen or lawful permanent resident of the United States and who is

(1) Black (a person having origins in any of the black racial groups in Africa);
(2) Hispanic (a person of Spanish or Portuguese culture with origins in Mexico, South or Central America, or the Caribbean Islands, regardless of race);
(3) Asian American (a person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); or
(4) American Indian or Alaskan Native (a person having origins in any of the original peoples of North America).

Members of the McCormick Place Advisory Board shall serve 2-year terms and until their successors are appointed, except members who serve as a result of their elected position whose terms shall continue as long as they hold their designated elected positions. Vacancies shall be filled by

appointment for the unexpired term in the same manner as original appointments are made. The McCormick Place Advisory Board shall elect its own chairperson.

Members of the McCormick Place Advisory Board shall serve without compensation but, at the Authority's discretion, shall be reimbursed for necessary expenses in connection with the performance of their duties.

The McCormick Place Advisory Board shall meet quarterly, or as needed, shall produce any reports it deems necessary, and shall:

(1) Work with the Authority on ways to improve the area physically and economically;
(2) Work with the Authority regarding potential means for providing increased economic opportunities to minorities and women produced indirectly or directly from the construction and operation of the Expansion Project;
(3) Work with the Authority to minimize any potential impact on the area surrounding the McCormick Place Expansion Project, including any impact on minority or female owned businesses, resulting from the construction and operation of the Expansion Project;
(4) Work with the Authority to find candidates for building trades apprenticeships, for employment in the hospitality industry, and to identify job training programs;
(5) Work with the Authority to implement the provisions of subsections (a) through (e) of this Section in the construction of the Expansion Project, including the Authority's goal of awarding not less than 25% and 5% of the annual dollar value of contracts to minority and female owned businesses, the outreach program for minorities and women, and the mentor/protege program for providing assistance to minority and female owned businesses.

PUBLIC ACT 92-0209
(House Bill No. 0313)

AN ACT concerning health care facilities.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Nursing Home Care Act is amended by changing Section 3-212 as follows:
(210 ILCS 45/3-212) (from Ch. 111 1/2, par. 4153-212)
Sec. 3-212. Inspection.
(a) The Department, whenever it deems necessary in accordance with subsection (b), shall inspect, survey, and evaluate every facility to determine compliance with applicable licensure requirements and standards. An inspection should occur within 120 days prior to license renewal. The Department may periodically visit a facility for the purpose of consultation. An inspection, survey, or evaluation, other than an inspection of financial records, shall be conducted without prior notice to the facility. A visit for the sole purpose of consultation may be announced. The Department shall provide training to surveyors about the appropriate assessment, care planning, and care of persons with mental illness (other than Alzheimer's disease or related disorders) to enable its surveyors to determine whether a facility is complying with State and federal requirements about the assessment, care planning, and care of those persons.

(a-1) An employee of a State or unit of local government agency charged with inspecting, surveying, and evaluating facilities who directly or indirectly gives prior notice of an inspection, survey, or evaluation, other than an inspection of financial records, to a facility or to an employee of a facility is guilty of a Class A misdemeanor.

An inspector or an employee of the Department who intentionally prenotifies a facility, orally or in writing, of a pending complaint investigation or inspection shall be guilty of a Class A misdemeanor. Superiors of persons who have prenotified a facility shall be subject to the same

penalties, if they have knowingly allowed the prenotification. A person found guilty of prenotifying a facility shall be subject to disciplinary action by his or her employer.

If the Department has a good faith belief, based upon information that comes to its attention, that a violation of this subsection has occurred, it must file a complaint with the Attorney General or the State's Attorney in the county where the violation took place within 30 days after discovery of the information.

(a-2) An employee of a State or unit of local government agency charged with inspecting, surveying, or evaluating facilities who willfully profits from violating the confidentiality of the inspection, survey, or evaluation process shall be guilty of a Class 4 felony and that conduct shall be deemed unprofessional conduct that may subject a person to loss of his or her professional license. An action to prosecute a person for violating this subsection (a-2) may be brought by either the Attorney General or the State's Attorney in the county where the violation took place.

(b) In determining whether to make more than the required number of unannounced inspections, surveys and evaluations of a facility the Department shall consider one or more of the following: previous inspection reports; the facility's history of compliance with standards, rules and regulations promulgated under this Act and correction of violations, penalties or other enforcement actions; the number and severity of complaints received about the facility; any allegations of resident abuse or neglect; weather conditions; health emergencies; other reasonable belief that deficiencies exist.

(b-1) The Department shall not be required to determine whether a facility certified to participate in the Medicare program under Title XVIII of the Social Security Act, or the Medicaid program under Title XIX of the Social Security Act, and which the Department determines by inspection under this Section or under Section 3-702 of this Act to be in compliance with the certification requirements of Title XVIII or XIX, is in compliance with any requirement of this Act that is less stringent than or duplicates a federal certification requirement. In accordance with subsection (a) of this Section or subsection (d) of Section 3-702, the Department shall determine whether a certified facility is in compliance with requirements of this Act that exceed federal certification requirements. If a certified facility is found to be out of compliance with federal certification requirements, the results of an inspection conducted pursuant to Title XVIII or XIX of the Social Security Act may be used as the basis for enforcement remedies authorized and commenced under this Act. Enforcement of this Act against a certified facility shall be commenced pursuant to the requirements of this Act, unless enforcement remedies sought pursuant to Title XVIII or XIX of the Social Security Act exceed those authorized by this Act. As used in this subsection, "enforcement remedy" means a sanction for violating a federal certification requirement or this Act.

(c) Upon completion of each inspection, survey and evaluation, the appropriate Department personnel who conducted the inspection, survey or evaluation shall submit a copy of their report to the licensee upon exiting the facility, and shall submit the actual report to the appropriate regional office of the Department. Such report and any recommendations for action by the Department under this Act shall be transmitted to the appropriate offices of the associate director of the Department, together with related comments or documentation provided by the licensee which may refute findings in the report, which explain extenuating circumstances that the facility could not reasonably have prevented, or which indicate methods and timetables for correction of deficiencies described in the report. Without affecting the application of subsection (a) of Section 3-303, any documentation or comments of the licensee shall be provided within 10 days of receipt of the copy of the report. Such report shall recommend to the Director appropriate action under this Act with respect to findings against a facility. The Director shall then determine whether the report's findings constitute a violation or violations of which the facility must be given notice. Such determination shall be based upon the severity of the finding, the danger posed to resident health and safety, the comments and documentation provided by the facility, the diligence and efforts to correct deficiencies, correction of the reported deficiencies, the frequency and duration of similar findings in previous reports and the facility's general inspection history. Violations shall be determined under this subsection no later than 60 days after completion of each inspection, survey and evaluation.

(d) The Department shall maintain all inspection, survey and evaluation reports for at least 5 years in a manner accessible to and understandable by the public.

Passed in the General Assembly May 9, 2001.

AN ACT in relation to gambling.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Horse Racing Act of 1975 is amended by changing Section 26 as follows:
(230 ILCS 5/26) (from Ch. 8, par. 37-26)
Sec. 26. Wagering.
(a) Any licensee may conduct and supervise the pari-mutuel system of wagering, as defined in Section 3.12 of this Act, on horse races conducted by an Illinois organization licensee or conducted at a racetrack located in another state or country and televised in Illinois in accordance with subsection (g) of Section 26 of this Act. Subject to the prior consent of the Board, licensees may supplement any pari-mutuel pool in order to guarantee a minimum distribution. Such pari-mutuel method of wagering shall not, under any circumstances if conducted under the provisions of this Act, be held or construed to be unlawful, other statutes of this State to the contrary notwithstanding. Subject to rules for advance wagering promulgated by the Board, any licensee may accept wagers in advance of the day of the race wagered upon occurs.
(b) No other method of betting, pool making, wagering or gambling shall be used or permitted by the licensee. Each licensee may retain, subject to the payment of all applicable taxes and purses, an amount not to exceed 17% of all money wagered under subsection (a) of this Section, except as may otherwise be permitted under this Act.
(b-5) An individual may place a wager under the pari-mutuel system from any licensed location authorized under this Act provided that wager is electronically recorded in the manner described in Section 3.12 of this Act. Any wager made electronically by an individual while physically on the premises of a licensee shall be deemed to have been made at the premises of that licensee.
(c) Until January 1, 2000, the sum held by any licensee for payment of outstanding pari-mutuel tickets, if unclaimed prior to December 31 of the next year, shall be retained by the licensee for payment of such tickets until that date. Within 10 days thereafter, the balance of such sum remaining unclaimed, less any uncashed supplements contributed by such licensee for the purpose of guaranteeing minimum distributions of any pari-mutuel pool, shall be paid to the Illinois Veterans' Rehabilitation Fund of the State treasury, except as provided in subsection (g) of Section 27 of this Act.
(c-5) Beginning January 1, 2000, the sum held by any licensee for payment of outstanding pari-mutuel tickets, if unclaimed prior to December 31 of the next year, shall be retained by the licensee for payment of such tickets until that date. Within 10 days thereafter, the balance of such sum remaining unclaimed, less any uncashed supplements contributed by such licensee for the purpose of guaranteeing minimum distributions of any pari-mutuel pool, shall be paid to the Illinois Veterans' Rehabilitation Fund of the State treasury, except as provided in subsection (g) of Section 27 of this Act.

guaranteeing minimum distributions of any pari-mutuel pool, shall be evenly distributed to the purse account of the organization licensee and the organization licensee.

(d) A pari-mutuel ticket shall be honored until December 31 of the next calendar year, and the licensee shall pay the same and may charge the amount thereof against unpaid money similarly accumulated on account of pari-mutuel tickets not presented for payment.

(e) No licensee shall knowingly permit any minor, other than an employee of such licensee or an owner, trainer, jockey, driver, or employee thereof, to be admitted during a racing program unless accompanied by a parent or guardian, or any minor to be a patron of the pari-mutuel system of wagering conducted or supervised by it. The admission of any unaccompanied minor, other than an employee of the licensee or an owner, trainer, jockey, driver, or employee thereof at a race track is a Class C misdemeanor.

(f) Notwithstanding the other provisions of this Act, an organization licensee may contract with an entity in another state or country to permit any legal wagering entity in another state or country to accept wagers solely within such other state or country on races conducted by the organization licensee in this State. Beginning January 1, 2000, these wagers shall not be subject to State taxation. Until January 1, 2000, when the out-of-State entity conducts a pari-mutuel pool separate from the organization licensee, a privilege tax equal to 7 1/2% of all monies received by the organization licensee from entities in other states or countries pursuant to such contracts is imposed on the organization licensee, and such privilege tax shall be remitted to the Department of Revenue within 48 hours of receipt of the monies from the simulcast. When the out-of-State entity conducts a combined pari-mutuel pool with the organization licensee, the tax shall be 10% of all monies received by the organization licensee with 25% of the receipts from this 10% tax to be distributed to the county in which the race was conducted.

An organization licensee may permit one or more of its races to be utilized for pari-mutuel wagering at one or more locations in other states and may transmit audio and visual signals of races the organization licensee conducts to one or more locations outside the State or country and may also permit pari-mutuel pools in other states or countries to be combined with its gross or net wagering pools or with wagering pools established by other states.

(g) A host track may accept interstate simulcast wagers on horse races conducted in other states or countries and shall control the number of signals and types of breeds of racing in its simulcast program, subject to the disapproval of the Board. The Board may prohibit a simulcast program only if it finds that the simulcast program is clearly adverse to the integrity of racing. The host track simulcast program shall include the signal of live racing of all organization licensees. All non-host licensees shall carry the host track simulcast program and accept wagers on all races included as part of the simulcast program upon which wagering is permitted. The costs and expenses of the host track and non-host licensees associated with interstate simulcast wagering, other than the interstate commission fee, shall be borne by the host track and all non-host licensees incurring these costs. The interstate commission fee shall not exceed 5% of Illinois handle on the interstate simulcast race or races without prior approval of the Board. The Board shall promulgate rules under which it may permit interstate commission fees in excess of 5%. The interstate commission fee and other fees charged by the sending racetrack, including, but not limited to, satellite decoder fees, shall be uniformly applied to the host track and all non-host licensees.

(1) Between the hours of 6:30 a.m. and 6:30 p.m. an intertrack wagering licensee other than the host track may supplement the host track simulcast program with additional simulcast races or race programs, provided that between January 1 and the third Friday in February of any year, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, only thoroughbred races may be used for supplemental interstate simulcast purposes. The Board shall withhold approval for a supplemental interstate simulcast only if it finds that the simulcast is clearly adverse to the integrity of racing. A supplemental interstate simulcast may be transmitted from an intertrack wagering licensee to its affiliated non-host licensees. The interstate commission fee for a supplemental interstate simulcast shall be paid by the non-host licensee and its affiliated non-host licensees receiving the simulcast.

(2) Between the hours of 6:30 p.m. and 6:30 a.m. an intertrack wagering licensee other than the host track may receive supplemental interstate simulcasts only with the consent of the host track, except when the Board finds that the simulcast is clearly adverse to the
integrity of racing. Consent granted under this paragraph (2) to any intertrack wagering licensee shall be deemed consent to all non-host licensees. The interstate commission fee for the supplemental interstate simulcast shall be paid by all participating non-host licensees.

(3) Each licensee conducting interstate simulcast wagering may retain, subject to the payment of all applicable taxes and the purses, an amount not to exceed 17% of all money wagered. If any licensee conducts the pari-mutuel system wagering on races conducted at racetracks in another state or country, each such race or race program shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege tax of that daily handle as provided in subsection (a) of Section 27. Until January 1, 2000, from the sums permitted to be retained pursuant to this subsection, each intertrack wagering location licensee shall pay 1% of the pari-mutuel handle wagered on simulcast wagering to the Horse Racing Tax Allocation Fund, subject to the provisions of subparagraph (B) of paragraph (11) of subsection (h) of Section 26 of this Act.

(4) A licensee who receives an interstate simulcast may combine its gross or net pools with pools at the sending racetracks pursuant to rules established by the Board. All licensees combining their gross pools at a sending racetrack shall adopt the take-out percentages of the sending racetrack. A licensee may also establish a separate pool and takeout structure for wagering purposes on races conducted at race tracks outside of the State of Illinois. The licensee may permit pari-mutuel wagers placed in other states or countries to be combined with its gross or net wagering pools or other wagering pools.

(5) After the payment of the interstate commission fee (except for the interstate commission fee on a supplemental interstate simulcast, which shall be paid by the host track and by each non-host licensee through the host-track) and all applicable State and local taxes, except as provided in subsection (g) of Section 27 of this Act, the remainder of moneys retained from simulcast wagering pursuant to this subsection (g), and Section 26.2 shall be divided as follows:

(A) For interstate simulcast wagers made at a host track, 50% to the host track and 50% to purses at the host track.

(B) For wagers placed on interstate simulcast races, supplemental simulcasts as defined in subparagraphs (1) and (2), and separately pooled races conducted outside of the State of Illinois made at a non-host licensee, 25% to the host track, 25% to the non-host licensee, and 50% to the purses at the host track.

(6) Notwithstanding any provision in this Act to the contrary, non-host licensees who derive their licenses from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River may receive supplemental interstate simulcast races at all times subject to Board approval, which shall be withheld only upon a finding that a supplemental interstate simulcast is clearly adverse to the integrity of racing.

(7) Notwithstanding any provision of this Act to the contrary, after payment of all applicable State and local taxes and interstate commission fees, non-host licensees who derive their licenses from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall retain 50% of the retention from interstate simulcast wagers and shall pay 50% to purses at the track from which the non-host licensee derives its license as follows:

(A) Between January 1 and the third Friday in February, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, when the interstate simulcast is a standardbred race, the purse share to its standardbred purse account;

(B) Between January 1 and the third Friday in February, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, and the interstate simulcast is a thoroughbred race, the purse share to its interstate simulcast purse pool to be distributed under paragraph (10) of this subsection (g);

(C) Between January 1 and the third Friday in February, inclusive, if live thoroughbred racing is occurring in Illinois, between 6:30 a.m. and 6:30 p.m. the purse share from wagers made during this time period to its thoroughbred purse account and between 6:30 p.m. and 6:30 a.m. the purse share from wagers made during this time period to its standardbred purse accounts;
(D) Between the third Saturday in February and December 31, when the interstate simulcast occurs between the hours of 6:30 a.m. and 6:30 p.m., the purse share to its thoroughbred purse account;

(E) Between the third Saturday in February and December 31, when the interstate simulcast occurs between the hours of 6:30 p.m. and 6:30 a.m., the purse share to its standardbred purse account.

(7.1) Notwithstanding any other provision of this Act to the contrary, if no standardbred racing is conducted at a racetrack located in Madison County during any calendar year beginning on or after January 1, 2002, all moneys derived by that racetrack from simulcast wagering and inter-track wagering that (1) are to be used for purses and (2) are generated between the hours of 6:30 p.m. and 6:30 a.m. during that calendar year shall be paid as follows:

(A) If the licensee that conducts horse racing at that racetrack requests from the Board at least as many racing dates as were conducted in calendar year 2000, 80% shall be paid to its thoroughbred purse account; and

(B) Twenty percent shall be deposited into the Illinois Colt Stakes Purse Distribution Fund and shall be paid to purses for standardbred races for Illinois conceived and foaled horses conducted at any county fairgrounds. The moneys deposited into the Fund pursuant to this subparagraph (B) shall be deposited within 2 weeks after the day they were generated, shall be in addition to and not in lieu of any other moneys paid to standardbred purses under this Act, and shall not be commingled with other moneys paid into that Fund. The moneys deposited pursuant to this subparagraph (B) shall be allocated as provided by the Department of Agriculture, with the advice and assistance of the Illinois Standardbred Breeders Fund Advisory Board.

(7.2) Notwithstanding any other provision of this Act to the contrary, if no thoroughbred racing is conducted at a racetrack located in Madison County during any calendar year beginning on or after January 1, 2002, all moneys derived by that racetrack from simulcast wagering and inter-track wagering that (1) are to be used for purses and (2) are generated between the hours of 6:30 a.m. and 6:30 p.m. during that calendar year shall be deposited as follows:

(A) If the licensee that conducts horse racing at that racetrack requests from the Board at least as many racing dates as were conducted in calendar year 2000, 80% shall be deposited into its standardbred purse account; and

(B) Twenty percent shall be deposited into the Illinois Colt Stakes Purse Distribution Fund. Moneys deposited into the Illinois Colt Stakes Purse Distribution Fund pursuant to this subparagraph (B) shall be paid to Illinois conceived and foaled thoroughbred breeders' programs and to thoroughbred purses for races conducted at any county fairgrounds for Illinois conceived and foaled horses at the discretion of the Department of Agriculture, with the advice and assistance of the Illinois Thoroughbred Breeders Fund Advisory Board. The moneys deposited into the Illinois Colt Stakes Purse Distribution Fund pursuant to this subparagraph (B) shall be deposited within 2 weeks after the day they were generated, shall be in addition to and not in lieu of any other moneys paid to thoroughbred purses under this Act, and shall not be commingled with other moneys deposited into that Fund.

(7.3) If no live standardbred racing is conducted at a racetrack located in Madison County in calendar year 2000 or 2001, an organization licensee who is licensed to conduct horse racing at that racetrack shall, before January 1, 2002, pay all moneys derived from simulcast wagering and inter-track wagering in calendar years 2000 and 2001 and paid into the licensee's standardbred purse account as follows:

(A) Eighty percent to that licensee's thoroughbred purse account to be used for thoroughbred purses; and

(B) Twenty percent to the Illinois Colt Stakes Purse Distribution Fund.

Failure to make the payment to the Illinois Colt Stakes Purse Distribution Fund before January 1, 2002 shall result in the immediate revocation of the licensee's organization license, inter-track wagering license, and inter-track wagering location license.

Moneys paid into the Illinois Colt Stakes Purse Distribution Fund pursuant to this paragraph (7.3) shall be paid to purses for standardbred races for Illinois conceived and foaled horses conducted at any county fairgrounds. Moneys paid into the Illinois Colt Stakes Purse Distribution Fund pursuant to this paragraph (7.3) shall be used as determined by the Department of Agriculture, with the advice and assistance of the Illinois Standardbred Breeders Fund Advisory Board, shall be in addition to and not in lieu of any other moneys paid to standardbred purses under this Act, and shall not be commingled with any other moneys paid into that Fund.

(7.4) If live standardbred racing is conducted at a racetrack located in Madison County at any time in calendar year 2001 before the payment required under paragraph (7.3) has been made, the organization licensee who is licensed to conduct racing at that racetrack shall pay all moneys derived by that racetrack from simulcast wagering and inter-track wagering during calendar years 2000 and 2001 that (1) are to be used for purses and (2) are generated between the hours of 6:30 p.m. and 6:30 a.m. during 2000 or 2001 to the standardbred purse account at that racetrack to be used for standardbred purses.

(8) Notwithstanding any provision in this Act to the contrary, an organization licensee from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River and its affiliated non-host licensees shall not be entitled to share in any retention generated on racing, inter-track wagering, or simulcast wagering at any other Illinois wagering facility.

(8.1) Notwithstanding any provisions in this Act to the contrary, if 2 organization licensees are conducting standardbred race meetings concurrently between the hours of 6:30 p.m. and 6:30 a.m., after payment of all applicable State and local taxes and interstate commission fees, the remainder of the amount retained from simulcast wagering otherwise attributable to the host track and to host track purses shall be split daily between the 2 organization licensees and the purses at the tracks of the 2 organization licensees, respectively, based on each organization licensee's share of the total live handle for that day, provided that this provision shall not apply to any non-host licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River.

(11) (Blank).

(12) The Board shall have authority to compel all host tracks to receive the simulcast of any or all races conducted at the Springfield or DuQuoin State fairgrounds and include all such races as part of their simulcast programs.

(13) Notwithstanding any other provision of this Act, in the event that the total Illinois pari-mutuel handle on Illinois horse races at all wagering facilities in any calendar year is less than 75% of the total Illinois pari-mutuel handle on Illinois horse races at all such wagering facilities for calendar year 1994, then each wagering facility that has an annual total Illinois pari-mutuel handle on Illinois horse races that is less than 75% of the total Illinois pari-mutuel handle on Illinois horse races at such wagering facility for calendar year 1994, shall be permitted to receive, from any amount otherwise payable to the purse account at the race track with which the wagering facility is affiliated in the succeeding calendar year, an amount equal to 2% of the differential in total Illinois pari-mutuel handle on Illinois horse races at the wagering facility between that calendar year in question and 1994 provided, however, that a wagering facility shall not be entitled to any such payment until the Board certifies in writing to the wagering facility the amount to which the wagering facility is entitled and a schedule for payment of the amount to the wagering facility, based on: (i) the racing dates awarded to the race track affiliated with the wagering facility during the succeeding year; (ii) the sums available or anticipated to be available in the purse account of the race track affiliated with the wagering facility for purses during the succeeding year; and (iii) the need to ensure reasonable purse levels during the payment period. The Board's certification shall be provided no later than January 31 of the succeeding year. In the event a wagering facility entitled to a payment under this paragraph (13) is affiliated with a race track that maintains purse accounts
for both standardbred and thoroughbred racing, the amount to be paid to the wagering facility shall be divided between each purse account pro rata, based on the amount of Illinois handle on Illinois standardbred and thoroughbred racing respectively at the wagering facility during the previous calendar year. Annually, the General Assembly shall appropriate sufficient funds from the General Revenue Fund to the Department of Agriculture for payment into the thoroughbred and standardbred horse racing purse accounts at Illinois pari-mutuel tracks. The amount paid to each purse account shall be the amount certified by the Illinois Racing Board in January to be transferred from each account to each eligible racing facility in accordance with the provisions of this Section.

(h) The Board may approve and license the conduct of inter-track wagering and simulcast wagering by inter-track wagering licensees and inter-track wagering location licensees subject to the following terms and conditions:

(1) Any person licensed to conduct a race meeting (i) at a track where 60 or more days of racing were conducted during the immediately preceding calendar year or where over the 5 immediately preceding calendar years an average of 30 or more days of racing were conducted annually may be issued an inter-track wagering license; (ii) or at a track located in a county that is bounded by the Mississippi River, which has a population of less than 150,000 according to the 1990 decennial census, and an average of at least 60 days of racing per year between 1985 and 1993 may be issued an inter-track wagering license; or (iii) at a track located in Madison County that conducted at least 100 days of live racing during the immediately preceding calendar year may be issued an inter-track wagering license, unless a lesser schedule of live racing is the result of (A) weather, unsafe track conditions, or other acts of God; (B) an agreement between the organization licensee and the associations representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting; or (C) a finding by the Board of extraordinary circumstances and that it was in the best interest of the public and the sport to conduct fewer than 100 days of live racing. Any such person having operating control of the racing facility may also receive up to 6 inter-track wagering location licenses. In no event shall more than 6 inter-track wagering locations be established for each eligible race track, except that an eligible race track located in a county that has a population of more than 230,000 and that is bounded by the Mississippi River may establish up to 7 inter-track wagering locations. An application for said license shall be filed with the Board prior to such dates as may be fixed by the Board. With an application for an inter-track wagering location license there shall be delivered to the Board a certified check or bank draft payable to the order of the Board for an amount equal to $500. The application shall be on forms prescribed and furnished by the Board. The application shall comply with all other rules, regulations and conditions imposed by the Board in connection therewith.

(2) The Board shall examine the applications with respect to their conformity with this Act and the rules and regulations imposed by the Board. If found to be in compliance with the Act and rules and regulations of the Board, the Board may then issue a license to conduct inter-track wagering and simulcast wagering to such applicant. All such applications shall be acted upon by the Board at a meeting to be held on such date as may be fixed by the Board.

(3) In granting licenses to conduct inter-track wagering and simulcast wagering, the Board shall give due consideration to the best interests of the public, of horse racing, and of maximizing revenue to the State.

(4) Prior to the issuance of a license to conduct inter-track wagering and simulcast wagering, the applicant shall file with the Board a bond payable to the State of Illinois in the sum of $50,000, executed by the applicant and a surety company or companies authorized to do business in this State, and conditioned upon (i) the payment by the licensee of all taxes due under Section 27 or 27.1 and any other monies due and payable under this Act, and (ii) distribution by the licensee, upon presentation of the winning ticket or tickets, of all sums payable to the patrons of pari-mutuel pools.

(5) Each license to conduct inter-track wagering and simulcast wagering shall specify the person to whom it is issued, the dates on which such wagering is permitted, and the track or location where the wagering is to be conducted.

New matter indicated by italics - deletions by strikeout.
(6) All wagering under such license is subject to this Act and to the rules and regulations from time to time prescribed by the Board, and every such license issued by the Board shall contain a recital to that effect.

(7) An inter-track wagering licensee or inter-track wagering location licensee may accept wagers at the track or location where it is licensed, or as otherwise provided under this Act.

(8) Inter-track wagering or simulcast wagering shall not be conducted at any track less than 5 miles from a track at which a racing meeting is in progress.

(8.1) Inter-track wagering location licensees who derive their licenses from a particular organization licensee shall conduct inter-track wagering and simulcast wagering only at locations which are either within 90 miles of that race track where the particular organization licensee is licensed to conduct racing, or within 135 miles of that race track where the particular organization licensee is licensed to conduct racing in the case of race tracks in counties of less than 400,000 that were operating on or before June 1, 1986. However, inter-track wagering and simulcast wagering shall not be conducted by those licensees at any location within 5 miles of any race track at which a horse race meeting has been licensed in the current year, unless the person having operating control of such race track has given its written consent to such inter-track wagering location licensees, which consent must be filed with the Board at or prior to the time application is made.

(8.2) Inter-track wagering or simulcast wagering shall not be conducted by an inter-track wagering location licensee at any location within 500 feet of an existing church or existing school, nor within 500 feet of the residences of more than 50 registered voters without receiving written permission from a majority of the registered voters at such residences. Such written permission statements shall be filed with the Board. The distance of 500 feet shall be measured to the nearest part of any building used for worship services, education programs, residential purposes, or conducting inter-track wagering by an inter-track wagering location licensee, and not to property boundaries. However, inter-track wagering or simulcast wagering may be conducted at a site within 500 feet of a church, school or residences of 50 or more registered voters if such church, school or residences have been erected or established, or such voters have been registered, after the Board issues the original inter-track wagering location license at the site in question. Inter-track wagering location licensees may conduct inter-track wagering and simulcast wagering only in areas that are zoned for commercial or manufacturing purposes or in areas for which a special use has been approved by the local zoning authority. However, no license to conduct inter-track wagering and simulcast wagering shall be granted by the Board with respect to any inter-track wagering location within the jurisdiction of any local zoning authority which has, by ordinance or by resolution, prohibited the establishment of an inter-track wagering location within its jurisdiction. However, inter-track wagering and simulcast wagering may be conducted at a site if such ordinance or resolution is enacted after the Board licenses the original inter-track wagering location licensee for the site in question.

(9) (Blank).

(10) An inter-track wagering licensee or an inter-track wagering location licensee may retain, subject to the payment of the privilege taxes and the purses, an amount not to exceed 17% of all money wagered. Each program of racing conducted by each inter-track wagering licensee or inter-track wagering location licensee shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege tax or pari-mutuel tax on such daily handle as provided in Section 27.

(10.1) Except as provided in subsection (g) of Section 27 of this Act, inter-track wagering location licensees shall pay 1% of the pari-mutuel handle at each location to the municipality in which such location is situated and 1% of the pari-mutuel handle at each location to the county in which such location is situated. In the event that an inter-track wagering location licensee is situated in an unincorporated area of a county, such licensee shall pay 2% of the pari-mutuel handle from such location to such county.

(10.2) Notwithstanding any other provision of this Act, with respect to intertrack wagering at a race track located in a county that has a population of more than 230,000 and that is bounded by the Mississippi River ("the first race track"), or at a facility operated by an

inter-track wagering licensee or inter-track wagering location licensee that derives its license from the organization licensee that operates the first race track, on races conducted at the first race track or on races conducted at another Illinois race track and simultaneously televised to the first race track or to a facility operated by an inter-track wagering licensee or inter-track wagering location licensee that derives its license from the organization licensee that operates the first race track, those moneys shall be allocated as follows:

(A) That portion of all moneys wagered on standardbred racing that is required under this Act to be paid to purses shall be paid to purses for standardbred races.

(B) That portion of all moneys wagered on thoroughbred racing that is required under this Act to be paid to purses shall be paid to purses for thoroughbred races.

(11) (A) After payment of the privilege or pari-mutuel tax, any other applicable taxes, and the costs and expenses in connection with the gathering, transmission, and dissemination of all data necessary to the conduct of inter-track wagering, the remainder of the moneys retained under either Section 26 or Section 26.2 of this Act by the inter-track wagering licensee on inter-track wagering shall be allocated with 50% to be split between the 2 participating licensees and 50% to purses, except that an intertrack wagering licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the Illinois organization licensee that provides the race or races, and an intertrack wagering licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with that organization licensee.

(B) From the sums permitted to be retained pursuant to this Act each inter-track wagering location licensee shall pay (i) the privilege or pari-mutuel tax to the State; (ii) 4.75% of the pari-mutuel handle on intertrack wagering at such location on races as purses, except that an intertrack wagering location licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall retain all purse moneys for its own purse account consistent with distribution set forth in this subsection (h), and intertrack wagering location licensees that accept wagers on races conducted by an organization licensee located in a county with a population in excess of 230,000 and that borders the Mississippi River shall distribute all purse moneys to purses at the operating host track; (iii) until January 1, 2000, except as provided in subsection (g) of Section 27 of this Act, 1% of the pari-mutuel handle wagered on inter-track wagering and simulcast wagering at each inter-track wagering location licensee facility to the Horse Racing Tax Allocation Fund, provided that, to the extent the total amount collected and distributed to the Horse Racing Tax Allocation Fund under this subsection (h) during any calendar year exceeds the amount collected and distributed to the Horse Racing Tax Allocation Fund during calendar year 1994, that excess amount shall be redistributed (I) to all inter-track wagering location licensees, based on each licensee's pro-rata share of the total handle from inter-track wagering and simulcast wagering for all inter-track wagering location licensees during the calendar year in which this provision is applicable; then (II) the amounts redistributed to each inter-track wagering location licensee as described in subpart (I) shall be further redistributed as provided in subparagraph (B) of paragraph (5) of subsection (g) of this Section 26 provided first, that the shares of those amounts, which are to be redistributed to the host track or to purses at the host track under subparagraph (B) of paragraph (5) of subsection (g) of this Section 26 shall be redistributed based on each host track's pro rata share of the total inter-track wagering and simulcast wagering handle at all host tracks during the calendar year in question, and second, that any amounts redistributed as described in part (I) to an inter-track wagering location licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall be further redistributed as provided in subparagraphs (D) and (E) of paragraph (7) of subsection (g) of this Section 26, with the portion of that further redistribution allocated to purses at that organization licensee to be divided between standardbred purses and thoroughbred purses based on the amounts otherwise allocated to purses at that organization licensee during the calendar year in question; and (iv) 8% of the pari-mutuel handle on

(D) Except as provided in paragraph (11) of this subsection (h), with respect to purse allocation from intertrack wagering, the monies so retained shall be divided as follows:

(i) If the inter-track wagering licensee, except an intertrack wagering licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, is not conducting its own race meeting during the same dates, then the entire purse allocation shall be to purses at the track where the races wagered on are being conducted.

(ii) If the inter-track wagering licensee, except an intertrack wagering licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, is also conducting its own race meeting during the same dates, then the purse allocation shall be as follows: 50% to purses at the track where the races wagered on are being conducted; 50% to purses at the track where the inter-track wagering licensee is accepting such wagers.

(iii) If the inter-track wagering is being conducted by an inter-track wagering location licensee, except an intertrack wagering location licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, the entire purse allocation for Illinois races shall be to purses at the track where the race meeting being wagered on is being held.

(12) The Board shall have all powers necessary and proper to fully supervise and control the conduct of inter-track wagering and simulcast wagering by inter-track wagering licensees and inter-track wagering location licensees, including, but not limited to the following:

(A) The Board is vested with power to promulgate reasonable rules and regulations for the purpose of administering the conduct of this wagering and to prescribe reasonable rules, regulations and conditions under which such wagering shall be held and conducted. Such rules and regulations are to provide for the prevention of practices detrimental to the public interest and for the best interests of said wagering and to impose penalties for violations thereof.

(E) The Board is vested with the power to appoint delegates to execute any of the powers granted to it under this Section for the purpose of administering this wagering and any rules and regulations promulgated in accordance with this Act.

(F) The Board shall name and appoint a State director of this wagering who shall be a representative of the Board and whose duty it shall be to supervise the conduct of inter-track wagering as may be provided for by the rules and regulations of the Board; such rules and regulation shall specify the method of appointment and the Director's powers, authority and duties.

(G) The Board is vested with the power to impose civil penalties of up to $5,000 against individuals and up to $10,000 against licensees for each violation of any provision of this Act relating to the conduct of this wagering, any rules adopted by the Board, any order of the Board or any other action which in the Board's discretion, is a detriment or impediment to such wagering.

(13) The Department of Agriculture may enter into agreements with licensees authorizing such licensees to conduct inter-track wagering on races to be held at the licensed race meetings conducted by the Department of Agriculture. Such agreement shall specify the races of the Department of Agriculture's licensed race meeting upon which the licensees will conduct wagering. In the event that a licensee conducts inter-track pari-mutuel wagering on races from the Illinois State Fair or DuQuoin State Fair which are in addition to the licensee's previously approved racing program, those races shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege or pari-mutuel tax on that daily handle as provided in Sections 27 and 27.1. Such agreements shall be approved by the Board before such wagering may be conducted. In determining whether to grant approval, the Board shall give due consideration to the best interests of the public and of horse racing. Sec. 5. All official acts of the Authority shall require the approval of at least 9 members. It shall be the duty of the Authority to promote employment within those areas of the State duly certified from time to time by the Department of Commerce and Community Affairs as areas of critical labor surplus. To this end the Authority shall utilize the powers herein conferred upon it to assist in the development and construction or acquisition of industrial projects within such areas of the State.

The Authority is hereby authorized to utilize its powers with respect to prospective industrial
projects to be located at any given time within any general areas then currently certified by the Department of Commerce and Community Affairs as areas of critical labor surplus. In addition, upon being requested to utilize its powers with respect to a prospective industrial project to be located outside of any areas then currently certified as areas of critical labor surplus, the Authority may refer such request to the Department of Commerce and Community Affairs for its determination as to whether the proposed location is within any specific area of critical labor surplus not hitherto generally certified. If the proposed location is certified by the Department as being within an area of critical labor surplus, the Authority may similarly utilize its powers with respect to such prospective industrial project.

In evaluating the eligibility of any prospective industrial project to be located within any area of critical labor surplus, the Authority shall consider, (1) the financial responsibility of the prospective applicant and user, and (2) the relationship between the amount of funds to be provided by exercise of powers of the Authority and the degree to which the project (A) will contribute to creation or retention of employment, including employment in the construction industry, (B) will contribute to the economic development of the area in which the industrial project is located and (C) will produce goods or services for which there is a need or demand.

Section 99. Effective date. This Act take effect upon becoming law.

PUBLIC ACT 92-0213
(House Bill No. 1700)

AN ACT in relation to taxes, amending named Acts.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Use Tax Act is amended by changing Section 2 as follows:
(35 ILCS 105/2) (from Ch. 120, par. 439.2)
Sec. 2. "Use" means the exercise by any person of any right or power over tangible personal property incident to the ownership of that property, except that it does not include the sale of such property in any form as tangible personal property in the regular course of business to the extent that such property is not first subjected to a use for which it was purchased, and does not include the use of such property by its owner for demonstration purposes: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing. "Use" does not mean the demonstration use or interim use of tangible personal property by a retailer before he sells that tangible personal property. For watercraft or aircraft, if the period of demonstration use or interim use by the retailer exceeds 18 months, the retailer shall pay on the retailers' original cost price the tax imposed by this Act, and no credit for that tax is permitted if the watercraft or aircraft is subsequently sold by the retailer. "Use" does not mean the physical incorporation of tangible personal property, to the extent not first subjected to a use for which it was purchased, as an ingredient or constituent, into other tangible personal property (a) which is sold in the regular course of business or (b) which the person incorporating such ingredient or constituent therein has undertaken at the time of such purchase to cause to be transported in interstate commerce to destinations outside the State of Illinois: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing.
"Watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.
"Purchase at retail" means the acquisition of the ownership of or title to tangible personal property through a sale at retail.
"Purchaser" means anyone who, through a sale at retail, acquires the ownership of tangible personal property for a valuable consideration.
"Sale at retail" means any transfer of the ownership of or title to tangible personal property

to a purchaser, for the purpose of use, and not for the purpose of resale in any form as tangible personal property to the extent not first subjected to a use for which it was purchased, for a valuable consideration: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing. For this purpose, slag produced as an incident to manufacturing pig iron or steel and sold is considered to be an intentionally produced by-product of manufacturing. "Sale at retail" includes any such transfer made for resale unless made in compliance with Section 2c of the Retailers' Occupation Tax Act, as incorporated by reference into Section 12 of this Act. Transactions whereby the possession of the property is transferred but the seller retains the title as security for payment of the selling price are sales.

"Sale at retail" shall also be construed to include any Illinois florist's sales transaction in which the purchase order is received in Illinois by a florist and the sale is for use or consumption, but the Illinois florist has a florist in another state deliver the property to the purchaser or the purchaser's donee in such other state.

Nonreusable tangible personal property that is used by persons engaged in the business of operating a restaurant, cafeteria, or drive-in is a sale for resale when it is transferred to customers in the ordinary course of business as part of the sale of food or beverages and is used to deliver, package, or consume food or beverages, regardless of where consumption of the food or beverages occurs. Examples of those items include, but are not limited to nonreusable, paper and plastic cups, plates, baskets, boxes, sleeves, buckets or other containers, utensils, straws, placemats, napkins, doggie bags, and wrapping or packaging materials that are transferred to customers as part of the sale of food or beverages in the ordinary course of business.

The purchase, employment and transfer of such tangible personal property as newsprint and ink for the primary purpose of conveying news (with or without other information) is not a purchase, use or sale of tangible personal property.

"Selling price" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits, property other than as hereinafter provided, and services, but not including the value of or credit given for traded-in tangible personal property where the item that is traded-in is of like kind and character as that which is being sold, and shall be determined without any deduction on account of the cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include interest or finance charges which appear as separate items on the bill of sale or sales contract nor charges that are added to prices by sellers on account of the seller's tax liability under the "Retailers' Occupation Tax Act", or on account of the seller's duty to collect, from the purchaser, the tax that is imposed by this Act, or on account of the seller's tax liability under Section 8-11-1 of the Illinois Municipal Code, as heretofore and hereafter amended, or on account of the seller's tax liability under the "County Retailers' Occupation Tax Act". Effective December 1, 1985, "selling price" shall include charges that are added to prices by sellers on account of the seller's tax liability under the Cigarette Tax Act, on account of the seller's duty to collect, from the purchaser, the tax imposed under the Cigarette Use Tax Act, and on account of the seller's duty to collect, from the purchaser, any cigarette tax imposed by a home rule unit.

The phrase "like kind and character" shall be liberally construed (including but not limited to any form of motor vehicle for any form of motor vehicle, or any kind of farm or agricultural implement for any other kind of farm or agricultural implement), while not including a kind of item which, if sold at retail by that retailer, would be exempt from retailers' occupation tax and use tax as an isolated or occasional sale.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint adventure, public or private corporation, limited liability company, or a receiver, executor, trustee, guardian or other representative appointed by order of any court.

"Retailer" means and includes every person engaged in the business of making sales at retail as defined in this Section.

A person who holds himself or herself out as being engaged (or who habitually engages) in selling tangible personal property at retail is a retailer hereunder with respect to such sales (and not primarily in a service occupation) notwithstanding the fact that such person designs and produces such tangible personal property on special order for the purchaser and in such a way as to render the

New matter indicated by italics - deletions by strikeout.
property of value only to such purchaser, if such tangible personal property so produced on special
order serves substantially the same function as stock or standard items of tangible personal property
that are sold at retail.

A person whose activities are organized and conducted primarily as a not-for-profit service
enterprise, and who engages in selling tangible personal property at retail (whether to the public or
merely to members and their guests) is a retailer with respect to such transactions, excepting only a
person organized and operated exclusively for charitable, religious or educational purposes either (1),
to the extent of sales by such person to its members, students, patients or inmates of tangible personal
property to be used primarily for the purposes of such person, or (2), to the extent of sales by such
person of tangible personal property which is not sold or offered for sale by persons organized for
profit. The selling of school books and school supplies by schools at retail to students is not "primarily
for the purposes of" the school which does such selling. This paragraph does not apply to nor subject
to taxation occasional dinners, social or similar activities of a person organized and operated
exclusively for charitable, religious or educational purposes, whether or not such activities are open
to the public.

A person who is the recipient of a grant or contract under Title VII of the Older Americans
Act of 1965 (P.L. 92-258) and serves meals to participants in the federal Nutrition Program for the
Elderly in return for contributions established in amount by the individual participant pursuant to a
schedule of suggested fees as provided for in the federal Act is not a retailer under this Act with
respect to such transactions.

Persons who engage in the business of transferring tangible personal property upon the
redemption of trading stamps are retailers hereunder when engaged in such business.

The isolated or occasional sale of tangible personal property at retail by a person who does
not hold himself out as being engaged (or who does not habitually engage) in selling such tangible
personal property at retail or a sale through a bulk vending machine does not make such person a
retailer hereunder. However, any person who is engaged in a business which is not subject to the tax
imposed by the "Retailers' Occupation Tax Act" because of involving the sale of or a contract to sell
real estate or a construction contract to improve real estate, but who, in the course of conducting such
business, transfers tangible personal property to users or consumers in the finished form in which it
was purchased, and which does not become real estate, under any provision of a construction contract
or real estate sale or real estate sales agreement entered into with some other person arising out of or
because of such nontaxable business, is a retailer to the extent of the value of the tangible personal
property so transferred. If, in such transaction, a separate charge is made for the tangible personal
property so transferred, the value of such property, for the purposes of this Act, is the amount so
separately charged, but not less than the cost of such property to the transferor; if no separate charge
is made, the value of such property, for the purposes of this Act, is the cost to the transferor of such
tangible personal property.

"Retailer maintaining a place of business in this State", or any like term, means and includes
any of the following retailers:

1. A retailer having or maintaining within this State, directly or by a subsidiary, an office,
distribution house, sales house, warehouse or other place of business, or any agent or other
representative operating within this State under the authority of the retailer or its subsidiary,
is irrespective of whether such place of business or agent or other representative is located here
permanently or temporarily, or whether such retailer or subsidiary is licensed to do business
in this State. However, the ownership of property that is located at the premises of a printer
with which the retailer has contracted for printing and that consists of the final printed
product, property that becomes a part of the final printed product, or copy from which the
printed product is produced shall not result in the retailer being deemed to have or maintain
an office, distribution house, sales house, warehouse, or other place of business within this
State.

2. A retailer soliciting orders for tangible personal property by means of a
telecommunication or television shopping system (which utilizes toll free numbers) which is
intended by the retailer to be broadcast by cable television or other means of broadcasting,
to consumers located in this State.

3. A retailer, pursuant to a contract with a broadcaster or publisher located in this State,
soliciting orders for tangible personal property by means of advertising which is disseminated primarily to consumers located in this State and only secondarily to bordering jurisdictions.

4. A retailer soliciting orders for tangible personal property by mail if the solicitations are substantial and recurring and if the retailer benefits from any banking, financing, debt collection, telecommunication, or marketing activities occurring in this State or benefits from the location in this State of authorized installation, servicing, or repair facilities.

5. A retailer that is owned or controlled by the same interests that own or control any retailer engaging in business in the same or similar line of business in this State.

6. A retailer having a franchisee or licensee operating under its trade name if the franchisee or licensee is required to collect the tax under this Section.

7. A retailer, pursuant to a contract with a cable television operator located in this State, soliciting orders for tangible personal property by means of advertising which is transmitted or distributed over a cable television system in this State.

8. A retailer engaging in activities in Illinois, which activities in the state in which the retail business engaging in such activities is located would constitute maintaining a place of business in that state.

"Bulk vending machine" means a nonelectrically operated vending machine, containing unsorted confections, nuts, toys, or other items designed primarily to be used or played with by children or other merchandise which, when a coin or coins of a denomination not larger than $0.50 are one cent is inserted, are dispensed in equal portions, at random and without selection by the customer.

Section 10. The Retailers' Occupation Tax Act is amended by changing Section 1 as follows:

(35 ILCS 120/1) (from Ch. 120, par. 440)

Sec. 1. Definitions. "Sale at retail" means any transfer of the ownership of or title to tangible personal property to a purchaser, for the purpose of use or consumption, and not for the purpose of resale in any form as tangible personal property to the extent not first subjected to a use for which it was purchased, for a valuable consideration: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or byproduct of manufacturing. For this purpose, slag produced as an incident to manufacturing pig iron or steel and sold is considered to be an intentionally produced byproduct of manufacturing. Transactions whereby the possession of the property is transferred but the seller retains the title as security for payment of the selling price shall be deemed to be sales.

"Sale at retail" shall be construed to include any transfer of the ownership of or title to tangible personal property to a purchaser, for use or consumption by any other person to whom such purchaser may transfer the tangible personal property without a valuable consideration, and to include any transfer, whether made for or without a valuable consideration, for resale in any form as tangible personal property unless made in compliance with Section 2c of this Act.

Sales of tangible personal property, which property, to the extent not first subjected to a use for which it was purchased, as an ingredient or constituent, goes into and forms a part of tangible personal property subsequently the subject of a "Sale at retail", are not sales at retail as defined in this Act: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or byproduct of manufacturing.

"Sale at retail" shall be construed to include any Illinois florist's sales transaction in which the purchase order is received in Illinois by a florist and the sale is for use or consumption, but the Illinois florist has a florist in another state deliver the property to the purchaser or the purchaser's donee in such other state.

Nonreusable tangible personal property that is used by persons engaged in the business of operating a restaurant, cafeteria, or drive-in is a sale for resale when it is transferred to customers in the ordinary course of business as part of the sale of food or beverages and is used to deliver, package, or consume food or beverages, regardless of where consumption of the food or beverages occurs. Examples of those items include, but are not limited to nonreusable, paper and plastic cups, plates, baskets, boxes, sleeves, buckets or other containers, utensils, straws, placemats, napkins, doggie bags,
and wrapping or packaging materials that are transferred to customers as part of the sale of food or beverages in the ordinary course of business.

The purchase, employment and transfer of such tangible personal property as newsprint and ink for the primary purpose of conveying news (with or without other information) is not a purchase, use or sale of tangible personal property.

A person whose activities are organized and conducted primarily as a not-for-profit service enterprise, and who engages in selling tangible personal property at retail (whether to the public or merely to members and their guests) is engaged in the business of selling tangible personal property at retail with respect to such transactions, excepting only a person organized and operated exclusively for charitable, religious or educational purposes either (1), to the extent of sales by such person to its members, students, patients or inmates of tangible personal property to be used primarily for the purposes of such person, or (2), to the extent of sales by such person of tangible personal property which is not sold or offered for sale by persons organized for profit. The selling of school books and school supplies by schools at retail to students is not "primarily for the purposes of" the school which does such selling. The provisions of this paragraph shall not apply to nor subject to taxation occasional dinners, socials or similar activities of a person organized and operated exclusively for charitable, religious or educational purposes, whether or not such activities are open to the public.

A person who is the recipient of a grant or contract under Title VII of the Older Americans Act of 1965 (P.L. 92-258) and serves meals to participants in the federal Nutrition Program for the Elderly in return for contributions established in amount by the individual participant pursuant to a schedule of suggested fees as provided for in the federal Act is not engaged in the business of selling tangible personal property at retail with respect to such transactions.

"Purchaser" means anyone who, through a sale at retail, acquires the ownership of or title to tangible personal property for a valuable consideration.

"Reseller of motor fuel" means any person engaged in the business of selling or delivering or transferring title of motor fuel to another person other than for use or consumption. No person shall act as a reseller of motor fuel within this State without first being registered as a reseller pursuant to Section 2c or a retailer pursuant to Section 2a.

Persons who engage in the business of transferring tangible personal property upon the redemption of trading stamps are engaged in the business of selling such property at retail and shall be liable for and shall pay the tax imposed by this Act on the basis of the retail value of the property transferred upon redemption of such stamps.

When there is a dispute regarding (i) the accuracy of the specification, (ii) whether there is a conflict with the standards established by this Section, or (iii) any aspect of the bid or proposal process, the Illinois Commerce Commission shall hear and resolve the disputed matter or matters, with the electric public utility having the burden of proof. (e) At the time and place fixed in the notice, the Board shall proceed to hearing of the charges and both the accused person and the complainant shall be accorded ample opportunity to present in person or by counsel such statements, testimony, evidence and argument as may be pertinent to the charges or to any defense thereto. Section 3. Legislative finding. The General Assembly finds that a simplified sales tax and use tax system will reduce and over time eliminate the burden and cost for all vendors to collect this State's sales and use tax. The General Assembly further finds that this State should participate in multistate discussions to review or amend or both review and amend the terms of the Agreement to simplify and modernize sales tax and use tax administration in order to substantially reduce the burden of tax compliance for all sellers and for all types of commerce.

Section 4. Authority to participate in multistate negotiations. For purposes of such discussions, the State shall be represented by 4 delegates. Section 5. Authority to enter agreement. The Department of Revenue is further authorized to take other actions reasonably required to implement the provisions set forth in this Act. Other actions authorized by this Section include, but are not limited to, the adoption of rules and regulations and the joint procurement, with other member states, of goods and services in furtherance of the cooperative agreement.

The Director of Revenue or the Director's designee is authorized to represent this State before the other states that are signatories to the Agreement.

Section 6. Relationship to State law. No provision of the Agreement authorized by this Act in whole or part invalidates or amends any provision of the law of this State. Adoption of the Agreement by this State does not amend or modify any law of this State. Implementation of any condition of the Agreement in this State, whether adopted before, at, or after membership of this State in the Agreement, must be by the action of this State.

Section 7. Agreement requirements. The Department of Revenue shall not enter into the Streamlined Sales and Use Tax Agreement unless the Agreement requires each state to abide by the following requirements:

(a) Simplified state rate. The Agreement must set restrictions to limit over time the number of state rates.

(b) Uniform standards. The Agreement must establish uniform standards for the following:

1. The sourcing of transactions to taxing jurisdictions.
2. The administration of exempt sales.
3. Sales and use tax returns and remittances.

(c) Central registration. The Agreement must provide a central, electronic registration system that allows a seller to register to collect and remit sales and use taxes for all signatory states.

(d) No nexus attribution. The Agreement must provide that registration with the central registration system and the collection of sales and use taxes in the signatory states will not be used as a factor in determining whether the seller has nexus with a state for any tax.

(e) Local sales and use taxes. The Agreement must provide for reduction of the burdens of complying with local sales and use taxes, as those terms are defined by each signatory state in the Act by which the state authorizes its entry into the Agreement, through the following:

1. Restricting variances between the State and local tax bases.
(2) Requiring states to administer any sales and use taxes levied by local jurisdictions within the state so that sellers collecting and remitting these taxes will not have to register or file returns with, remit funds to, or be subject to independent audits from local taxing jurisdictions with regard to these taxes.

(3) Restricting the frequency of changes in the local sales and use tax rates and setting effective dates for the application of local jurisdictional boundary changes to local sales and use taxes.

(4) Providing notice of changes in local sales and use tax rates and of changes in the boundaries of local taxing jurisdictions.

(f) Monetary allowances. The Agreement must outline any monetary allowances that are to be provided by the states to sellers or certified service providers. The Agreement must allow for a joint public and private sector study of the compliance cost on sellers and certified service providers to collect sales and use taxes for state and local governments under various levels of complexity to be completed by July 1, 2002.

(g) State compliance. The Agreement must require each state to certify compliance with the terms of the Agreement prior to joining and to maintain compliance, under the laws of the member state, with all provisions of the Agreement while a member.

(h) Consumer privacy. The Agreement must require each state to adopt a uniform policy for certified service providers that protects the privacy of consumers and maintains the confidentiality of tax information.

(i) Advisory councils. The Agreement must provide for the appointment of an advisory council of private sector representatives and an advisory council of non-member state representatives to consult with in the administration of the Agreement.

(j) Nothing in the Agreement shall require a signatory state to administer a tax levied by a local jurisdiction unless the tax is a sales tax or use tax as defined by the signatory state in the Act by which the state authorizes its entry into the Agreement.

Section 8. Cooperating sovereigns. The Agreement authorized by this Act is an accord among individual cooperating sovereigns in furtherance of their governmental functions. The Agreement provides a mechanism among the member states to establish and maintain a cooperative, simplified system for the application and administration of sales and use taxes under the duly adopted law of each member state.

Section 9. Limited binding and beneficial effect.

(a) The Agreement authorized by this Act binds and inures only to the benefit of this State and the other member states. No person, other than a member state, is an intended beneficiary of the Agreement. Any benefit to a person other than a state is established by the law of this State and the other member states and not by the terms of the Agreement.

(b) Consistent with subsection (a), no person shall have any cause of action or defense under the Agreement or by virtue of this State's approval of the Agreement. No person may challenge, in any action brought under any provision of law, any action or inaction by any department, agency, or other instrumentality of this State, or any political subdivision of this State on the ground that the action or inaction is inconsistent with the Agreement.

(c) No law of this State, or the application thereof, may be declared invalid as to any person or circumstance on the ground that the provision or application is inconsistent with the Agreement.

Section 10. Seller and third party liability.

(a) A certified service provider is the agent of a seller, with whom the certified service provider has contracted, for the collection and remittance of sales and use taxes. As the seller's agent, the certified service provider is liable for sales and use tax due each member state on all sales transactions it processes for the seller except as set out in this Section.

A seller that contracts with a certified service provider is not liable to the State for sales or use tax due on transactions processed by the certified service provider unless the seller misrepresented the type of items it sells or committed fraud. In the absence of probable cause to believe that the seller has committed fraud or made a material misrepresentation, the seller is not subject to audit on the transactions processed by the certified service provider. A seller is subject to audit for transactions not processed by the certified service provider. The member states acting jointly may perform a system check of the seller and review the seller's procedures to determine if the certified service provider's
system is functioning properly and the extent to which the seller's transactions are being processed by the certified service provider.

(b) A person that provides a certified automated system is responsible for the proper functioning of that system and is liable to the State for underpayments of tax attributable to errors in the functioning of the certified automated system. A seller that uses a certified automated system remains responsible and is liable to the State for reporting and remitting tax.

(c) A seller that has a proprietary system for determining the amount of tax due on transactions and has signed an agreement establishing a performance standard for that system is liable for the failure of the system to meet the performance standard.

Section 905. The Illinois Municipal Code is amended by changing Section 8-11-6 as follows:

(65 ILCS 5/8-11-6) (from Ch. 24, par. 8-11-6)
(a) The corporate authorities of a home rule municipality may impose a tax upon the privilege of using, in such municipality, any item of tangible personal property which is purchased at retail from a retailer, and which is titled or registered at a location within the corporate limits of such home rule municipality with an agency of this State's government, at a rate which is an increment of 1/4% and based on the selling price of such tangible personal property, as "selling price" is defined in the Use Tax Act. In home rule municipalities with less than 2,000,000 inhabitants, the tax shall be collected by the municipality imposing the tax from persons whose Illinois address for titling or registration purposes is given as being in such municipality.

(b) In home rule municipalities with 2,000,000 or more inhabitants, the corporate authorities of the municipality may additionally impose a tax beginning July 1, 1991 upon the privilege of using in the municipality, any item of tangible personal property, other than tangible personal property titled or registered with an agency of the State's government, that is purchased at retail from a retailer located outside the corporate limits of the municipality, at a rate that is an increment of 1/4% not to exceed 1% and based on the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. Such tax shall be collected from the purchaser or the retailer either by the municipality imposing such tax or by the Department of Revenue pursuant to an agreement between the Department and the municipality.

To prevent multiple home rule taxation, the use in a home rule municipality of tangible personal property that is acquired outside the municipality and caused to be brought into the municipality by a person who has already paid a home rule municipal tax in another municipality in respect to the sale, purchase, or use of that property, shall be exempt to the extent of the amount of the tax properly due and paid in the other home rule municipality.

(c) If a municipality having 2,000,000 or more inhabitants imposes the tax authorized by subsection (a), then the tax shall be collected by the Illinois Department of Revenue when the property is purchased at retail from a retailer in the county in which the home rule municipality imposing the tax is located, and in all contiguous counties. The tax shall be remitted to the State, or an exemption determination must be obtained from the Department before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered if the Department and that agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this Section to collect all taxes, penalties and interest due hereunder, to dispose of taxes, penalties and interest so collected in the manner hereinafter provided, and determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of and compliance with this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19, 20, 21 and 22 of the Use Tax Act, which are not inconsistent with this Section, as fully as if provisions contained in those Sections of the Use Tax Act were set forth herein.
Whenever the Department determines that a refund shall be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the home rule municipal retailers’ occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties and interest collected hereunder. On or before the 25th day of each calendar month, the Department shall prepare and certify to the State Comptroller the disbursement of stated sums of money to named municipalities, the municipality in each instance to be that municipality from which the Department during the second preceding calendar month, collected municipal use tax from any person whose Illinois address for titling or registration purposes is given as being in such municipality. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, less the amount expended during the second preceding month by the Department to be paid from the appropriation to the Department from the Home Rule Municipal Retailers' Occupation Tax Trust Fund. The appropriation to cover the costs incurred by the Department in administering and enforcing this Section shall not exceed 2% of the amount estimated to be deposited into the Home Rule Municipal Retailers' Occupation Tax Trust Fund during the fiscal year for which the appropriation is made. Within 10 days after receipt by the State Comptroller of the disbursement certification to the municipalities provided for in this Section to be given to the State Comptroller by the Department, the State Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in that certification.

Any ordinance imposing or discontinuing any tax to be collected and enforced by the Department under this Section shall be adopted and a certified copy thereof filed with the Department on or before October 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the municipalities as of January 1 next following such adoption and filing. Beginning April 1, 1998, any ordinance imposing or discontinuing any tax to be collected and enforced by the Department under this Section shall either (i) be adopted and a certified copy thereof filed with the Department on or before April 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the municipalities as of July 1 next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before October 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the municipalities as of January 1 next following the adoption and filing.

Nothing in this subsection (c) shall prevent a home rule municipality from collecting the tax pursuant to subsection (a) in any situation where such tax is not collected by the Department of Revenue under this subsection (c).

(d) Any unobligated balance remaining in the Municipal Retailers' Occupation Tax Fund on December 31, 1989, which fund was abolished by Public Act 85-1135, and all receipts of municipal tax as a result of audits of liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund, for distribution as provided by this Section prior to the enactment of Public Act 85-1135. All receipts of municipal tax as a result of an assessment not arising from an audit, for liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution before July 1, 1990, as provided by this Section prior to the enactment of Public Act 85-1135, and on and after July 1, 1990, all such receipts shall be distributed as provided in Section 6z-18 of the State Finance Act.

(e) As used in this Section, "Municipal" and "Municipality" means a city, village or incorporated town, including an incorporated town which has superseded a civil township.

(f) This Section shall be known and may be cited as the Home Rule Municipal Use Tax Act.

Section 910. The Regional Transportation Authority Act is amended by changing Section 4.03 as follows:

(70 ILCS 3615/4.03) (from Ch. 111 2/3, par. 704.03)
Sec. 4.03. Taxes.
(a) In order to carry out any of the powers or purposes of the Authority, the Board may by
ordinance adopted with the concurrence of 9 of the then Directors, impose throughout the metropolitan region any or all of the taxes provided in this Section. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes.

(b) The Board may impose a public transportation tax upon all persons engaged in the metropolitan region in the business of selling at retail motor fuel for operation of motor vehicles upon public highways. The tax shall be at a rate not to exceed 5% of the gross receipts from the sales of motor fuel in the course of the business. As used in this Act, the term "motor fuel" shall have the same meaning as in the Motor Fuel Tax Act. The Board may provide for details of the tax. The provisions of any tax shall conform, as closely as may be practicable, to the provisions of the Municipal Retailers Occupation Tax Act, including without limitation, conformity to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed, except that reference in the Act to any municipality shall refer to the Authority and the tax shall be imposed only with regard to receipts from sales of motor fuel in the metropolitan region, at rates as limited by this Section.

(c) In connection with the tax imposed under paragraph (b) of this Section the Board may impose a tax upon the privilege of using in the metropolitan region motor fuel for the operation of a motor vehicle upon public highways, the tax to be at a rate not in excess of the rate of tax imposed under paragraph (b) of this Section. The Board may provide for details of the tax.

(d) The Board may impose a motor vehicle parking tax upon the privilege of parking motor vehicles at off-street parking facilities in the metropolitan region at which a fee is charged, and may provide for reasonable classifications in and exemptions to the tax, for administration and enforcement thereof and for civil penalties and refunds thereunder and may provide criminal penalties thereunder, the maximum penalties not to exceed the maximum criminal penalties provided in the Retailers' Occupation Tax Act. The Authority may collect and enforce the tax itself or by contract with any unit of local government. The State Department of Revenue shall have no responsibility for the collection and enforcement unless the Department agrees with the Authority to undertake the collection and enforcement. As used in this paragraph, the term "parking facility" means a parking area or structure having parking spaces for more than 2 vehicles at which motor vehicles are permitted to park in return for an hourly, daily, or other periodic fee, whether publicly or privately owned, but does not include parking spaces on a public street, the use of which is regulated by parking meters.

(e) The Board may impose a Regional Transportation Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan region. In Cook County the tax rate shall be 1% of the gross receipts from sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics, and 3/4% of the gross receipts from other taxable sales made in the course of that business. In DuPage, Kane, Lake, McHenry, and Will Counties, the tax rate shall be 1/4% of the gross receipts from all taxable sales made in the course of that business. The tax imposed under this Section and civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

New matter indicated by italics - deletions by strikeout.
Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

If a tax is imposed under this subsection (e), a tax shall also be imposed under subsections (f) and (g) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize the Regional Transportation Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) If a tax has been imposed under paragraph (e), a Regional Transportation Authority Service Occupation Tax shall also be imposed upon all persons engaged, in the metropolitan region in the business of making sales of service, who as an incident to making the sales of service, transfer tangible personal property within the metropolitan region, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. In Cook County, the tax rate shall be: (1) 1% of the serviceman's cost price of food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity licensed under the Hospital Licensing Act or the Nursing Home Care Act that is located in the metropolitan region; (2) 1% of the selling price of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics; and (3) 3/4% of the selling price from other taxable sales of tangible personal property transferred. In DuPage, Kane, Lake, McHenry and Will Counties the rate shall be 1/4% of the selling price of all tangible personal property transferred.

The tax imposed under this paragraph shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the Authority), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, that charge may be stated in combination in a single amount with State tax that
servicemen are authorized to collect under the Service Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

Nothing in this paragraph shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(g) If a tax has been imposed under paragraph (e), a tax shall also be imposed upon the privilege of using in the metropolitan region, any item of tangible personal property that is purchased outside the metropolitan region at retail from a retailer, and that is titled or registered with an agency of this State's government. In Cook County the tax rate shall be 3/4% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. In DuPage, Kane, Lake, McHenry and Will counties the tax rate shall be 1/4% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan region. The tax shall be collected by the Department of Revenue for the Regional Transportation Authority. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act, and are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

(h) The Authority may impose a replacement vehicle tax of $50 on any passenger car as defined in Section 1-157 of the Illinois Vehicle Code purchased within the metropolitan region by or on behalf of an insurance company to replace a passenger car of an insured person in settlement of a total loss claim. The tax imposed may not become effective before the first day of the month following the passage of the ordinance imposing the tax and receipt of a certified copy of the ordinance by the Department of Revenue. The Department of Revenue shall collect the tax for the Authority in accordance with Sections 3-2002 and 3-2003 of the Illinois Vehicle Code.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes collected hereunder. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the Authority. The amount to be paid to the Authority shall be the amount collected hereunder during the second preceding calendar month by the Department, less any amount determined by the Department to be
necessary for the payment of refunds. Within 10 days after receipt by the Comptroller of the disbursement certification to the Authority provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for that amount in accordance with the directions contained in the certification.

(i) The Board may not impose any other taxes except as it may from time to time be authorized by law to impose.

(j) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers’ Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (e), (f) or (g) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(k) The provisions of any tax imposed under paragraph (c) of this Section shall conform as closely as may be practicable to the provisions of the Use Tax Act, including without limitation conformity as to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed. The taxes shall be imposed only on use within the metropolitan region and at rates as provided in the paragraph.

(l) The Board in imposing any tax as provided in paragraphs (b) and (c) of this Section, shall, after seeking the advice of the State Department of Revenue, provide means for retailers, users or purchasers of motor fuel for purposes other than those with regard to which the taxes may be imposed as provided in those paragraphs to receive refunds of taxes improperly paid, which provisions may be at variance with the refund provisions as applicable under the Municipal Retailers Occupation Tax Act. The State Department of Revenue may provide for certificates of registration for users or purchasers of motor fuel for purposes other than those with regard to which taxes may be imposed as provided in paragraphs (b) and (c) of this Section to facilitate the reporting and nontaxability of the exempt sales or uses.

(m) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Regional Transportation Authority as of September 1 next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing.

(n) The State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the Authority. The taxes shall be held in a trust fund outside the State Treasury. On or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the Authority, which shall be the then balance in the fund, less any amount determined by the Department to be necessary for the payment of refunds. The State Department of Revenue shall also certify to the Authority the amount of taxes collected in each County other than Cook County in the metropolitan region less the amount necessary for the payment of refunds to taxpayers in the County. With regard to the County of Cook, the certification shall specify the amount of taxes collected within the City of Chicago less the amount necessary for the payment of refunds to taxpayers in the City of Chicago and the amount collected in that portion of Cook County outside of Chicago less the amount necessary for the payment of refunds to taxpayers in that portion of Cook County outside of Chicago. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the Authority, the Comptroller shall cause an order to be drawn for the payment for the amount in accordance with the direction in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in July 1991 and each year thereafter to the Regional Transportation Authority. The allocation...
shall be made in an amount equal to the average monthly distribution during the preceding calendar
year (excluding the 2 months of lowest receipts) and the allocation shall include the amount of average
monthly distribution from the Regional Transportation Authority Occupation and Use Tax
Replacement Fund. The distribution made in July 1992 and each year thereafter under this paragraph
and the preceding paragraph shall be reduced by the amount allocated and disbursed under this
paragraph in the preceding calendar year. The Department of Revenue shall prepare and certify to the
Comptroller the allocations made in accordance with this paragraph.

(o) Failure to adopt a budget ordinance or otherwise to comply with Section 4.01 of this Act
or to adopt a Five-year Program or otherwise to comply with paragraph (b) of Section 2.01 of this Act
shall not affect the validity of any tax imposed by the Authority otherwise in conformity with law.

(p) At no time shall a public transportation tax or motor vehicle parking tax authorized under
paragraphs (b), (c) and (d) of this Section be in effect at the same time as any retailers' occupation, use
or service occupation tax authorized under paragraphs (e), (f) and (g) of this Section is in effect.

Any taxes imposed under the authority provided in paragraphs (b), (c) and (d) shall remain
in effect only until the time as any tax authorized by paragraphs (e), (f) or (g) of this Section are
imposed and becomes effective. Once any tax authorized by paragraphs (e), (f) or (g) is imposed the
Board may not reimpose taxes as authorized in paragraphs (b), (c) and (d) of the Section unless any
tax authorized by paragraphs (e), (f) or (g) of this Section becomes ineffective by means other than
an ordinance of the Board.

(q) Any existing rights, remedies and obligations (including enforcement by the Regional
Transportation Authority) arising under any tax imposed under paragraphs (b), (c) or (d) of this
Section shall not be affected by the imposition of a tax under paragraphs (e), (f) or (g) of this Section.

in no other cases; The court which orders a sale in error under Section 21-310, 22-35, or 22-50 shall
also award a refund of interest on the refund of the amount paid for the certificate of purchase,
together with all costs paid by the owner of the certificate of purchase or his or her assignor which

rate of 1% per month from the date of sale to the date of payment to the tax purchaser, or in an amount equivalent to the penalty interest which would be recovered on a redemption at the time of payment pursuant to the order for sale in error, whichever is less.

(b) In those cases which arise solely under grounds set forth in Section 21-310, the court shall also award interest on the refund of the amount paid for the certificate of purchase, except as otherwise provided in this Section. Interest shall be awarded and paid to the tax purchaser at the rate of 1% per month from the date of sale to the date of payment, or in an amount equivalent to the penalty interest which would be recovered on a redemption at the time of payment pursuant to the order for sale in error, whichever is less. Interest on the refund to the owner of the certificate of purchase shall not be paid (i) in any case in which the improvements upon the property sold have been substantially destroyed or rendered uninhabitable or otherwise unfit for occupancy, (ii) when the sale in error is made pursuant to paragraph (2) or (4) of subsection (b) of Section 21-310, Section 22-35, Section 22-50, any ground not enumerated in Section 21-310, or (iii) in any case, after January 1, 1990, in which the real estate contains a hazardous substance, hazardous waste, or underground storage tank that would require a cleanup or other removal under any federal, State, or local law, ordinance or regulation, only if the tax purchaser purchased the property without actual knowledge of the hazardous substance, hazardous waste or underground storage tank, or (iv) in any other case where the court determines that the tax purchaser had actual knowledge prior to the sale of the grounds on which the sale is declared to be erroneous.

Notices under this subsection may be mailed to the original owner of the certificate of purchase, or to the latest assignee, if known. When the owner of the certificate of purchase contests the collector's petition solely to determine whether the grounds for sale in error are such as to support a claim for interest, the court may direct that the principal amount of the refund be paid to the owner of the certificate of purchase forthwith. If the court thereafter determines that a claim for interest lies under this Section, it shall award such interest from the date of sale to the date the principal amount was paid.

Sec. 21-335. Claims for interest and costs. Any person claiming interest or costs under Sections 21-315 through 21-330 shall include the claim in his or her petition for sale in error under Section 21-310, 22-35, or 22-50. Any claim for interest or costs which is not included in the petition is waived, except interest or costs may be awarded to the extent permitted by this Section upon a sale in error petition filed by the county collector, without requiring a separate filing by the claimant. Sec. 22-45. Tax deed incontestable unless order appealed or relief petitioned. Tax deeds issued under Section 22-40 are incontestable except by appeal from the order of the court directing the county clerk to issue the tax deed. However, relief from such order may be had under Section 2-1401 of the Code of Civil Procedure in the same manner and to the same extent as may be had under that Section with respect to final orders and judgments in other proceedings.

The grounds for relief under Section 2-1401 shall be limited to:

(1) proof that the taxes were paid prior to sale;
(2) proof that the property was exempt from taxation;
(3) proof by clear and convincing evidence that the tax deed had been procured by fraud or deception by the tax purchaser or his or her assignee; or
(4) proof by a person or party holding a recorded ownership or other recorded interest in the property that he or she was not named as a party in the publication notice as set forth in Section 22-20, and that the tax purchaser or his or her assignee did not make a diligent inquiry and effort to serve that person or party with the notices required by Sections 22-10 through 22-30.

In cases of the sale of homestead property in counties with 3,000,000 or more inhabitants, a tax deed may also be voided by the court upon petition, filed not more than 3 months after an order for tax deed was entered, if the court finds that the property was owner occupied on the expiration date of the period of redemption and that the order for deed was effectuated pursuant to a negligent or willful error made by an employee of the county clerk or county collector during the period of redemption from the sale that was reasonably relied upon to the detriment of any person having a redeemable interest. In such a case, the tax purchaser shall be entitled to the original amount required to redeem the property plus interest from the sale as of the last date of redemption together with costs actually expended subsequent to the expiration of the period of redemption and reasonable attorney's fees, all of which shall be dispensed from the fund created by Section 21-295. In those cases of error where the court vacates the tax deed, it may award the petitioner reasonable attorney's fees and court costs actually expended, payable from that fund. The court hearing a petition filed under this Section or Section 2-1401 of the Code of Civil Procedure may concurrently hear a petition filed under Section 21-295 and may grant relief under either Section.

Sec. 22-50. Denial of deed. If the court refuses to enter an order directing the county clerk to execute and deliver the tax deed, because of the failure of the purchaser to fulfill any of the above provisions, and if the purchaser, or his or her assignee has made a bona fide attempt to comply with the statutory requirements for the issuance of the tax deed, then upon application of the owner of the
certificate of purchase the court shall declare the sale to be a sale in error it shall order the return of the purchase price forthwith, as in case of sales in error, except that no interest shall be paid on the purchase price.

(35 ILCS 143/10-10)
Sec. 10-10. Tax imposed. On the first day of the third month after the month in which this Act becomes law, a tax is imposed on any person engaged in business as a distributor of tobacco products, as defined in Section 10-5, at the rate of 18% of the wholesale price of tobacco products sold or otherwise disposed of to retailers or consumers located in this State. The tax is in addition to all other occupation or privilege taxes imposed by the State of Illinois, by any political subdivision thereof, or by any municipal corporation. However, the tax is not imposed upon any activity in that business in interstate commerce or otherwise, to the extent to which that activity may not, under the Constitution and Statutes of the United States, be made the subject of taxation by this State. The tax is also not imposed on sales made to the United States or any entity thereof.

All moneys received by the Department under this Act shall be paid into the Long-Term Care Provider Fund of the State Treasury.

(35 ILCS 143/10-20)
Sec. 10-20. Licenses. It shall be unlawful for any person to engage in business as a distributor of tobacco products within the meaning of this Act without first having obtained a license to do so from the Department. Application for that license shall be made to the Department in a form prescribed and furnished by the Department. Each applicant for a license shall furnish to the Department on a form, signed and verified by the applicant, the following information:

(1) The name of the applicant.

(2) The address of the location at which the applicant proposes to engage in business as a distributor of tobacco products in this State.

(3) Other information the Department may reasonably require.

Except as otherwise provided in this Section, every applicant who is required to procure a distributor's license shall file with his or her application a joint and several bond. The bond shall be executed to the Department of Revenue, with good and sufficient surety or sureties residing or licensed to do business within the State of Illinois, conditioned upon the true and faithful compliance by the licensee with all of the provisions of this Act. The Department shall fix the amount of the bond for each applicant, taking into consideration the amount of money expected to become due from the applicant under this Act. The amount of bond required by the Department shall be an amount that, in its opinion, will protect the State of Illinois against failure to pay the amount that may become due

from the applicant under this Act, but the amount of the security required by the Department shall not exceed 3 times the amount of the applicant's average monthly tax liability, or $50,000, whichever amount is lower. The bond, a reissue, or a substitute shall be kept in full force and effect during the entire period covered by the license. A separate application for license shall be made, and bond filed, for each place of business at which a person who is required to procure a distributor's license proposes to engage in business as a distributor in Illinois under this Act.

The Department, upon receipt of an application and bond in proper form, shall issue to the applicant a license, in a form prescribed by the Department, which shall permit the applicant to whom it is issued to engage in business as a distributor at the place shown on his or her application. The license shall be issued by the Department without charge or cost to the applicant. No license issued under this Act is transferable or assignable. The license shall be conspicuously displayed in the place of business conducted by the licensee in Illinois under the license.

The bonding requirement in this Section does not apply to an applicant for a distributor's license who is already bonded under the Cigarette Tax Act or the Cigarette Use Tax Act. Licenses issued by the Department under this Act shall be valid for a period not to exceed one year after issuance unless sooner revoked, canceled, or suspended as provided in this Act.

No license shall be issued to any person who is in default to the State of Illinois for moneys due under this Act or any other tax Act administered by the Department.

The Department may, in its discretion, upon application, authorize the payment of the tax imposed under Section 10-10 by any distributor or manufacturer not otherwise subject to the tax imposed under this Act who, to the satisfaction of the Department, furnishes adequate security to ensure payment of the tax. The distributor or manufacturer shall be issued, without charge, a license to remit the tax. When so authorized, it shall be the duty of the distributor or manufacturer to remit the tax imposed upon the wholesale price of tobacco products sold or otherwise disposed of to retailers or consumers located in this State, in the same manner and subject to the same requirements as any other distributor or manufacturer licensed under this Act operating within this State.

Any person aggrieved by any decision of the Department under this Section may, within 20 days after notice of that decision, protest and request a hearing, whereupon the Department must give notice to that person of the time and place fixed for the hearing and must hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to that person. In the absence of such a protest within 20 days, the Department's decision becomes final without any further determination being made or notice given.

(35 ILCS 143/10-50)

Sec. 10-50. Violations and penalties. When the amount due is under $300, any distributor who fails to file a return, wilfully fails or refuses to make any payment to the Department of the tax imposed by this Act, or files a fraudulent return, or any officer or agent of a corporation engaged in the business of distributing tobacco products to retailers or consumers located in this State who signs a fraudulent return filed on behalf of the corporation, or any accountant or other agent who knowingly enters false information on the return of any taxpayer under this Act is guilty of a Class 4 felony.

Any person who violates any provision of Section 10-20 of this Act, fails to keep books and records as required under this Act, or wilfully violates a rule or regulation of the Department for the administration and enforcement of this Act is guilty of a Class 4 felony. A person commits a separate offense on each day that he or she engages in business in violation of Section 10-20 of this Act.

When the amount due is under $300, any person who accepts money that is due to the Department under this Act from a taxpayer for the purpose of acting as the taxpayer's agent to make the payment to the Department, but who fails to remit the payment to the Department when due, is guilty of a Class 4 felony.

When the amount due is $300 or more, any distributor who files, or causes to be filed, a fraudulent return, or any officer or agent of a corporation engaged in the business of distributing tobacco products to retailers and consumers located in this State who files or causes to be filed or signs or causes to be signed a fraudulent return filed on behalf of the corporation, or any accountant or other agent who knowingly enters false information on the return of any taxpayer under this Act is guilty of a Class 3 felony.
When the amount due is $300 or more, any person engaged in the business of distributing tobacco products to retailers and consumers located in this State who fails to file a return, willfully fails or refuses to make any payment to the Department of the tax imposed by this Act, or accepts money that is due to the Department under this Act from a taxpayer for the purpose of acting as the taxpayer's agent to make payment to the Department but fails to remit such payment to the Department when due is guilty of a Class 3 felony.

Any person whose principal place of business is in this State and who is charged with a violation under this Section shall be tried in the county where his or her principal place of business is located unless he or she asserts a right to be tried in another venue. If the taxpayer does not have his or her principal place of business in this State, however, the hearing must be held in Sangamon County unless the taxpayer asserts a right to be tried in another venue.

Any taxpayer or agent of a taxpayer who with the intent to defraud purports to make a payment due to the Department by issuing or delivering a check or other order upon a real or fictitious depository for the payment of money, knowing that it will not be paid by the depository, is guilty of a deceptive practice in violation of Section 17-1 of the Criminal Code of 1961.

A prosecution for a violation described in this Section may be commenced within 3 years after the commission of the act constituting the violation.

In addition, no such tax shall be imposed upon the importation or receipt of diesel fuel sold to or used by a rail carrier; registered pursuant to Section 18c-7201 of the Illinois Vehicle Code or otherwise recognized by the Illinois Commerce Commission as a rail carrier, to the extent and used directly in railroad operations. In addition, no such tax shall be imposed when the sale is made with delivery to a purchaser outside this State or when the sale is made to a person holding a valid license as a receiver. In addition, no tax shall be imposed upon diesel fuel consumed or used in the operation of ships, barges, or vessels, that are used primarily in or for the transportation of property in interstate commerce for hire on rivers bordering on this State, if the diesel fuel is delivered by a licensed receiver to the purchaser's barge, ship, or vessel while it is afloat upon that bordering river. A specific notation thereof shall be made on the invoices or sales slips.

Section 10. The Environmental Impact Fee Law is amended by changing Section 310 as follows:

(415 ILCS 125/310)

(Section scheduled to be repealed on January 1, 2003)

Sec. 310. Environmental impact fee; imposition. Beginning January 1, 1996, all receivers of fuel are subject to an environmental impact fee of $60 per 7,500 gallons of fuel, or an equivalent amount per fraction thereof, that is sold or used in Illinois. The fee shall be paid by the receiver in this State who first sells or uses the fuel. The environmental impact fee imposed by this Law replaces the fee imposed under the corresponding provisions of Article 3 of Public Act 89-428. Environmental impact fees paid under that Article 3 shall satisfy the receiver's corresponding liability under this Law.

A receiver of fuels is subject to the fee without regard to whether the fuel is intended to be used for operation of motor vehicles on the public highways and waters. However, no fee shall be imposed upon the importation or receipt of aviation fuels and kerosene at airports with over 170,000 operations per year, located in a city of more than 1,000,000 inhabitants, for sale to or use by holders of certificates of public convenience and necessity or foreign air carrier permits, issued by the United States Department of Transportation.
States Department of Transportation, and their air carrier affiliates, or upon the importation or receipt of aviation fuels and kerosene at facilities owned or leased by those certificate or permit holders and used in their activities at an airport described above. In addition, no fee may be imposed upon the importation or receipt of diesel fuel sold to or used by a rail carrier registered under Section 18c-7201 of the Illinois Vehicle Code or otherwise recognized by the Illinois Commerce Commission as a rail carrier, to the extent and used directly in railroad operations. In addition, no fee may be imposed when the sale is made with delivery to a purchaser outside this State or when the sale is made to a person holding a valid license as a receiver. In addition, no fee shall be imposed upon diesel fuel consumed or used in the operation of ships, barges, or vessels, that are used primarily in or for the transportation of property in interstate commerce for hire on rivers bordering on this State, if the diesel fuel is delivered by a licensed receiver to the purchaser's barge, ship, or vessel while it is afloat upon that bordering river. A specific notation thereof shall be made on the invoices or sales slips covering each sale.

Section 99. Effective date. This Act takes effect upon becoming law.
Passed in the General Assembly May 9, 2001.

PUBLIC ACT 92-0233
(Senate Bill No. 0879)

AN ACT concerning insurance.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 1. Short title. This Act may be cited as the Insurance Claims Fraud Prevention Act.
Section 5. Patient and client procurement.
(a) Except as otherwise permitted or authorized by law, it is unlawful to knowingly offer or pay any remuneration directly or indirectly, in cash or in kind, to induce any person to procure clients or patients to obtain services or benefits under a contract of insurance or that will be the basis for a claim against an insured person or the person's insurer. Nothing in this Act shall be construed to affect any contracts or arrangements between or among insuring entities including health maintenance organizations, health care professionals, or health care facilities which are hereby excluded.
(b) A person who violates any provision of this Act or Article 46 of the Criminal Code of 1961 shall be subject, in addition to any other penalties that may be prescribed by law, to a civil penalty of not less than $5,000 nor more than $10,000, plus an assessment of not more than 3 times the amount of each claim for compensation under a contract of insurance. The court shall have the power to grant other equitable relief, including temporary injunctive relief, as is necessary to prevent the transfer, concealment, or dissipation of illegal proceeds, or to protect the public. The penalty prescribed in this subsection shall be assessed for each fraudulent claim upon a person in which the defendant participated.
(c) The penalties set forth in subsection (b) are intended to be remedial rather than punitive, and shall not preclude, nor be precluded by, a criminal prosecution for the same conduct. If the court finds, after considering the goals of disgorging unlawful profit, restitution, compensating the State for the costs of investigation and prosecution, and alleviating the social costs of increased insurance rates due to fraud, that such a penalty would be punitive and would preclude, or be precluded by, a criminal prosecution, the court shall reduce that penalty appropriately.
Section 10. Action by State's Attorney or Attorney General. The State's Attorney of the county in which the conduct occurred or Attorney General may bring a civil action under this Act. Before the Attorney General may bring the action, the Attorney General shall present the evidence obtained to the appropriate State's Attorney for possible criminal or civil filing. If the State's Attorney elects not to pursue the matter, then the Attorney General may proceed with the action.
Section 15. Action by interested person.
(a) An interested person, including an insurer, may bring a civil action for a violation of this Act for the person and for the State of Illinois. The action shall be brought in the name of the State. The action may be dismissed only if the court and the State's Attorney or the Attorney General,
whichever is participating, gives written consent to the dismissal stating their reasons for consenting.

(b) A copy of the complaint and a written disclosure of substantially all material evidence and information the person possesses shall be served on the State's Attorney and Attorney General. The complaint shall be filed in camera, shall remain under seal for at least 60 days, and shall not be served on the defendant until the court so orders. The State's Attorney or Attorney General may elect to intervene and proceed with the action within 60 days after he or she receives both the complaint and the material evidence and information. If more than one governmental entity elects to intervene, the State's Attorney shall have precedence.

(c) The State's Attorney or Attorney General may, for good cause shown, move the court for extensions of the time during which the complaint shall remain under seal under subsection (b). The motions may be supported by affidavits or other submissions in camera. The defendant shall not be required to respond to any complaint filed under this Section until 20 days after the complaint is unsealed and served upon the defendant.

(d) Before the expiration of the 60-day period or any extensions obtained under subsection (c), the State's Attorney or Attorney General shall either:

(1) proceed with the action, in which case the action shall be conducted by the State's Attorney or Attorney General; or

(2) notify the court that it declines to take over the action, in which case the person bringing the action shall have the right to conduct the action.

(e) When a person or governmental agency brings an action under this Act, no person other than the State's Attorney or Attorney General may intervene or bring a related action based on the facts underlying the pending action unless another statute or common law authorizes that action.

Section 20. Role of State's Attorney or Attorney General.

(a) If the State's Attorney or Attorney General proceeds with the action, he or she shall have the primary responsibility for prosecuting the action, and shall not be bound by an act of the person bringing the action. That person shall have the right to continue as a party to the action, subject to the limitations set forth in subsection (b).

(b) The State's Attorney or Attorney General may dismiss the action notwithstanding the objections of the person initiating the action if the person has been notified by the State's Attorney or Attorney General of the filing of the motion, and the court has provided the person with an opportunity for a hearing on the motion.

The State's Attorney or Attorney General may settle the action with the defendant notwithstanding the objections of the person initiating the action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, the hearing may be held in camera.

Upon a showing by the State's Attorney or Attorney General that unrestricted participation during the course of the litigation by the person initiating the action would interfere with or unduly delay the State's Attorney's or Attorney General's prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the person's participation, including, but not limited to, the following:

(1) limiting the number of witnesses the person may call;

(2) limiting the length of the testimony of those witnesses;

(3) limiting the person's cross-examination of witnesses; and

(4) otherwise limiting the participation by the person in the litigation.

Upon a showing by the defendant that unrestricted participation during the course of the litigation by the person initiating the action would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the person in the litigation.

(c) If the State's Attorney or Attorney General elects not to proceed with the action, the person who initiated the action shall have the right to conduct the action. If the State's Attorney or Attorney General so requests, he or she shall be served with copies of all pleadings filed in the action and shall be supplied with copies of all deposition transcripts, at the State's Attorney's or Attorney General's expense. When a person proceeds with the action, the court, without limiting the status and rights of the person initiating the action, may nevertheless permit the State's Attorney or Attorney General to intervene at a later date upon a showing of good cause.

New matter indicated by italics - deletions by strikeout.
(d) If at any time both a civil action for penalties and equitable relief pursuant to this Act and a criminal action are pending against a defendant for substantially the same conduct, whether brought by the government or a private party, the civil action shall be stayed until the criminal action has been concluded at the trial court level. The stay shall not preclude the court from granting or enforcing temporary equitable relief while the actions are pending. Whether or not the State's Attorney or Attorney General proceeds with the action, upon a showing by the State's Attorney or Attorney General that certain actions of discovery by the person initiating the action would interfere with a law enforcement or governmental agency investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay discovery for a period of not more than 180 days. A hearing on a request for the stay shall be conducted in camera. The court may extend the 180-day period upon a further showing in camera that the agency has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

(e) Notwithstanding Section 15, the State's Attorney or Attorney General may elect to pursue its claim through any alternate remedy available to the State's Attorney or Attorney General.

Section 25. Costs and proceeds of action.

(a) If the State's Attorney or Attorney General proceeds with an action brought by a person under Section 15, that person is entitled to receive an amount that the court determines is reasonable based upon the extent to which the person contributed to the prosecution of the action. Subject to subsection (d), the amount awarded to the person who brought the action shall not be less than 30% of the proceeds of the action or settlement of the claim, and shall be paid from the proceeds.

(b) If the State's Attorney or Attorney General does not proceed with an action brought by a person under Section 15, that person shall receive an amount that the court decides is reasonable for collecting the civil penalty and damages. Subject to subsection (d), the amount shall not be less than 40% of the proceeds of the action or settlement, and shall be paid from the proceeds.

(c) If the person bringing the action as a result of a violation of this Act has paid money to the defendant or to an attorney acting on behalf of the defendant in the underlying claim, then he or she shall be entitled to up to double the amount paid to the defendant or the attorney if that amount is greater than 50% of the proceeds.

(d) Where the action is one that the court finds to be based primarily on disclosures of specific information, other than information provided by the person bringing the action under Section 15, relating to allegations or transactions in a criminal, civil, or administrative hearing, in a legislative or administrative report, hearing, audit, or investigation, or from the news media, the court may award those sums that it considers appropriate, but in no case more than 10% of the proceeds, taking into account the significance of the information and the role of the person bringing the action in advancing the case to litigation.

(e) Any payment to a person under subsection (a), (b), (c), or (d) shall be made from the proceeds. The person shall also receive an amount for reasonable expenses that the court finds to have been necessarily incurred, plus reasonable attorney's fees and costs. All of those expenses, fees, and costs shall be awarded against the defendant.

(j) If the State's Attorney or Attorney General does not proceed with the action, and the person bringing the action conducts the action, the court may award to the defendant its reasonable attorney's fees and expenses if the defendant prevails in the action and the court finds that the claim of the person bringing the action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

New matter indicated by italics - deletions by strikeout.

(6) For the purposes of subsection (5) a date of filing or perfection as to collateral is also a date of filing or perfection as to proceeds.

(7) If future advances are made while a security interest is perfected by filing, the taking of possession or under Section 9-115 or 9-116 on investment property, the security interest has the same priority for the purposes of subsection (5) with respect to the future advances as it does with respect to the first advance. The consent shall stipulate and agree that service of the summons, process, or other pleading upon the Commissioner shall be taken and held in all courts to be valid and binding as if actual service had been made upon the nonresident licensee in Illinois. If a summons, process, or other pleading is served upon the Commissioner, it shall be by duplicate copies, one of which shall be retained by OBRE and the other shall be immediately forwarded by certified or registered mail to the last known address of the nonresident licensee against whom the summons, process, or other pleading is directed.

Section 15-5. Unlicensed practice; civil penalty; injunctive relief.

(a) Any person who violates Section 5-5 of this Act shall, in addition to any other penalty provided by law, pay a civil penalty to OBRE in an amount not to exceed $10,000 for each violation as determined by the Commissioner. The civil penalty shall be assessed by the Commissioner after a hearing in accordance with the provisions of this Act.

(b) OBRE has the authority to investigate any activity that may violate this Act or the rules adopted under this Act.

(c) A civil penalty shall be paid within 60 days after the effective date of the order imposing
the civil penalty. The OBRE may petition the circuit court for a judgment to enforce the collection of the penalty. Any civil penalties collected under this Act shall be made payable to the Office of Banks and Real Estate and deposited into the Home Inspector Administration Fund. In addition to or in lieu of the imposition of a civil penalty, OBRE may report a violation of this Act or the failure or refusal to comply with an order of OBRE to the Attorney General or the appropriate State's Attorney.

(d) Practicing as a home inspector without holding a valid license as required under this Act is declared to be adverse to the public welfare, to constitute a public nuisance, and to cause irreparable harm to the public welfare. The Commissioner, the Attorney General, or the State's Attorney of any county in the State may maintain an action for injunctive relief in the name of the People of the State of Illinois in any circuit court to enjoin any person from engaging in such practice.

Upon the filing of a verified petition in a circuit court, the court, if satisfied by affidavit or otherwise that a person has been engaged in the practice of home inspections without a valid license, may enter a temporary restraining order without notice or bond enjoining the defendant from further practice. The showing of non-licensure, by affidavit or otherwise, is sufficient for the issuance of a temporary injunction. A copy of the verified complaint shall be served upon the defendant and the proceeding shall be conducted as in other civil cases except as modified by this Section. If it is established that the defendant has been or is engaged in unlawful practice, the court may enter an order or judgment perpetually enjoining the defendant from further unlawful practice. In all proceedings under this Section, the court, in its discretion, may apportion the costs among the parties interested in the action, including the cost of filing the complaint, service of process, witness fees and expenses, court reporter charges, and reasonable attorneys' fees. These injunction proceedings shall be in addition to, and not in lieu of, all penalties and other remedies provided in this Act.

Section 15-10. Grounds for disciplinary action.

(a) The Office of Banks and Real Estate may suspend, revoke, or refuse to issue or renew a license, and may reprimand, place on probation or administrative supervision, or otherwise discipline a licensee, including imposing conditions limiting the scope, nature, or extent of the home inspection practice of a licensee and may impose a civil penalty not to exceed $10,000 upon a licensee, for one or any combination of the following:

(3) Paying money, other than for the fees provided for by this Act, or anything of value to a member of the Board or an employee of the Office of Banks and Real Estate to procure licensure under this Act.

(4) Being convicted of a felony in any state or federal court; of any crime, an essential element of which is dishonesty, fraud, theft, or embezzlement; of obtaining money, property, or credit by false pretenses; or of any other crime that is reasonably related to the practice of home inspection.

(5) Committing an act or omission involving dishonesty, fraud, or misrepresentation with the intent to substantially benefit the licensee or another person or with the intent to substantially injure another person.

(10) Engaging in dishonorable, unethical, or unprofessional conduct of a character likely to deceive, defraud, or harm the public.
(11) Accepting an inspection assignment when the employment itself is contingent upon the home inspector reporting a predetermined analysis or opinion, or when the fee to be paid is contingent upon the analysis, opinion, or conclusion reached or upon the consequences resulting from the home inspection assignment.

(12) Developing home inspection opinions or conclusions based on the race, color, religion, sex, national origin, ancestry, age, marital status, family status, physical or mental handicap, or unfavorable military discharge, as defined under the Illinois Human Rights Act, of the prospective or present owners or occupants of the area or property under home inspection.

(13) Being adjudicated liable in a civil proceeding on grounds of fraud, misrepresentation, or deceit. (17) Failing to include within the home inspection report the home inspector's license number and the date of expiration of the license. All home inspectors providing significant contribution to the development and reporting of a home inspection must be disclosed in the home inspection report. (18) Advising a client as to whether the client should or should not engage in a transaction regarding the residential real property that is the subject of the home inspection.

(19) Performing a home inspection in a manner that damages or alters the residential real property that is the subject of the home inspection without the consent of the owner.

(20) Performing a home inspection when the home inspector is providing or may also provide other services in connection with the residential real property or transaction, or has an interest in the residential real property, without providing prior written notice of the potential or actual conflict and obtaining the prior consent of the client as provided by rule.

(b) The Office of Banks and Real Estate may suspend, revoke, or refuse to issue or renew an education provider's license, may reprimand, place on probation, or otherwise discipline an education provider licensee, and may suspend or revoke the course approval of any course offered by an education provider, for any of the following:

(6) Failing to meet the topic or time requirements for course approval as the provider of a pre-license curriculum course or a continuing education course.

(7) Failing to administer an approved course using the course materials, syllabus, and examinations submitted as the basis of the course approval.

(8) Failing to provide an appropriate classroom environment for presentation of courses,
with consideration for student comfort, acoustics, lighting, seating, workspace, and visual aid material.

(9) Failing to maintain student records in compliance with the rules adopted under this Act.

(10) Failing to provide a certificate, transcript, or other student record to OBRE or to a student as may be required by rule.

(11) Failing to fully cooperate with an OBRE investigation by knowingly making a false statement, submitting false or misleading information, or refusing to provide complete information in response to written interrogatories or a written request for documentation within 30 days of the request.

(c) In appropriate cases, OBRE may resolve a complaint against a licensee through the issuance of a Consent to Administrative Supervision order. A licensee subject to a Consent to Administrative Supervision order shall be considered by OBRE as an active licensee in good standing. This order shall not be reported as or considered by OBRE to be a discipline of the licensee. The records regarding an investigation and a Consent to Administrative Supervision order shall be considered confidential and shall not be released by OBRE except as mandated by law. The complainant shall be notified that his or her complaint has been resolved by a Consent to Administrative Supervision order.

Section 15-15. Investigation; notice; hearing.

(a) Upon the request of the Office of Banks and Real Estate or the Board, or upon a complaint in writing of a person setting forth facts that, if proven, would constitute grounds for suspension, revocation, or other disciplinary action against a licensee or applicant for licensure, the Office of Banks and Real Estate shall investigate the actions of the licensee or applicant so accused.

(b) Formal disciplinary proceedings shall commence upon the issuance of a written complaint detailing the charges that are the basis of the disciplinary action and delivery of the detailed complaint to the address of record of the licensee or applicant. OBRE shall notify the licensee or applicant to file a verified written answer within 20 days after the service of the notice and complaint. The notification shall inform the licensee or applicant that he or she has a right to be heard in person or by legal counsel; that the hearing will be afforded not sooner than 30 days after receipt of the answer to the specific charges; that failure to file an answer will result in a default being entered against the licensee or applicant; and that the license may be suspended, revoked, or placed on probationary status and other disciplinary action may be taken pursuant to this Act, including limiting the scope, nature, or extent of the licensee's practice. If the licensee or applicant fails to file an answer after receiving notice, his or her license may, at the discretion of the Office of Banks and Real Estate, be suspended, revoked, or placed on probationary status and the Office of Banks and Real Estate may take whatever disciplinary action it deems proper, including limiting the scope, nature, or extent of the person's practice, without a hearing.

(c) At the time and place fixed in the notice, the Board shall conduct a hearing of the charges, providing both the accused person and the complainant ample opportunity to present in person or by counsel such statements, testimony, evidence, and arguments as may be pertinent to the charges or to any defense thereto.

(d) The Board shall present to the Commissioner a written report of its findings and recommendations. A copy of the report shall be served upon the licensee or applicant, either personally or by certified mail. Within 20 days after the service, the licensee or applicant may present the Commissioner with a motion in writing for either a rehearing, a proposed finding of fact, a conclusion of law, or an alternative sanction, and shall specify the particular grounds for the request. If the accused shall order and pay for a transcript of the record as provided in this Act, the time elapsing thereafter and before the transcript is ready for delivery to the accused shall not be counted as part of the 20 days. If the Commissioner is not satisfied that substantial justice has been done, the Commissioner may order a rehearing by the Board or other special committee appointed by the Commissioner, may remand the matter to the Board for their reconsideration of the matter based on the pleadings and evidence presented to the Board, or may enter a final order in contravention of the Board's recommendation. In all instances, under this Act, in which the Board has rendered a recommendation to the Commissioner with respect to a particular licensee or applicant, the Commissioner, if he or she disagrees with the recommendation of the Board, shall file with the Board
and provide to the licensee or applicant the Commissioner's specific written reasons for disagreement with the Board. The reasons shall be filed within 60 days of the Board's recommendation to the Commissioner and prior to any contrary action. At the expiration of the time specified for filing a motion for a rehearing, the Commissioner shall have the right to take any of the actions specified in this paragraph. Upon the suspension or revocation of a license, the licensee shall be required to surrender his or her license to OBRE, and upon failure or refusal to do so, OBRE shall have the right to seize the license.

(e) The Office of Banks and Real Estate has the power to issue subpoenas and subpoenas duces tecum to bring before it any person in this State, to take testimony, or to require production of any records relevant to an inquiry or hearing by the Board in the same manner as prescribed by law in judicial proceedings in the courts of this State. In a case of refusal of a witness to attend, testify, or to produce books or papers concerning a matter upon which he or she might be lawfully examined, the circuit court of the county where the hearing is held, upon application of the Office of Banks and Real Estate or any party to the proceeding, may compel obedience by proceedings as for contempt of court.

(f) Any license that is suspended indefinitely or revoked may not be restored for a minimum period of 2 years. After the 2 year period, OBRE may restore the license without examination, upon the written recommendation of the Board.

Section 15-20. Administrative Review Law; certification fees; Administrative Procedure Act.

(a) All final administrative decisions of the Commissioner under this Act are subject to judicial review pursuant to the provisions of the Administrative Review Law and the rules adopted pursuant thereto. The term "administrative decision" has the meaning ascribed to it in Section 3-101 of the Administrative Review Law.

(b) OBRE shall not be required to certify any record, file any answer, or otherwise appear unless the party filing the administrative review complaint pays the certification fee to OBRE as provided by rule. Failure on the part of the plaintiff to make such a deposit shall be grounds for dismissal of the action.

(c) The Administrative Procedure Act is hereby expressly adopted and incorporated herein. In the event of a conflict between this Act and the Administrative Procedure Act, this Act shall control.

Section 15-25. Temporary suspension. The Commissioner may temporarily suspend the license of a licensee without a hearing, while instituting a proceeding for a hearing as provided for in Section 15-15 of this Act, if the Commissioner finds that the evidence indicates that the public interest, safety, or welfare imperatively requires emergency action. In the event that the Commissioner temporarily suspends the license without a hearing before the Board, a hearing shall be held within 30 days after the suspension has occurred. The suspended licensee may seek a continuance of the hearing during which the suspension shall remain in effect. The proceeding shall be concluded without appreciable delay.

Section 15-30. Statute of limitations. No action may be taken under this Act against a person licensed under this Act unless the action is commenced within 5 years after the occurrence of the alleged violation. A continuing violation is deemed to have occurred on the date when the circumstances last existed that gave rise to the alleged continuing violation.

Section 15-35. Signature of the Commissioner. An order of revocation or suspension or a certified copy of the order, bearing the seal of OBRE and purporting to be signed by the Commissioner, shall be prima facie proof that:

(1) the signature is the genuine signature of the Commissioner;
(2) the Commissioner is duly appointed and qualified; and
(3) the Board and its members are qualified.

This proof may be rebutted.

Section 15-40. Violation of tax Acts. OBRE may refuse to issue or renew or may suspend the license of any person who fails to file a return, pay the tax, penalty, or interest shown in a filed return, or pay any final assessment of tax, penalty, or interest, as required by any tax Act administered by the Department of Revenue, until such time as the requirements of that tax Act are satisfied.

Section 15-45. Disciplinary action for educational loan defaults. OBRE shall deny a license or renewal authorized by this Act to a person who has defaulted on an educational loan or scholarship.
provided or guaranteed by the Illinois Student Assistance Commission or any governmental agency of this State. OBRE may issue a license or renewal if the person has established a satisfactory repayment record as determined by the Illinois Student Assistance Commission or other appropriate governmental agency of this State. Additionally, a license issued by OBRE may be suspended or revoked if the Commissioner, after the opportunity for a hearing under this Act, finds that the licensee has failed to make satisfactory repayment to the Illinois Student Assistance Commission for a delinquent or defaulted loan.

Section 15-50. Nonpayment of child support. In cases where the Department of Public Aid has previously determined that a licensee or a potential licensee is more than 30 days delinquent in the payment of child support and has subsequently certified the delinquency to OBRE, OBRE may refuse to issue or renew or may revoke or suspend that person's license or may take other disciplinary action against that person based solely upon the certification of delinquency made by the Department of Public Aid. Redetermination of the delinquency by OBRE shall not be required. In cases regarding the renewal of a license, OBRE shall not renew any license if the Department of Public Aid has certified the licensee to be more than 30 days delinquent in the payment of child support unless the licensee has arranged for payment of past and current child support obligations in a manner satisfactory to the Department of Public Aid. OBRE may impose conditions, restrictions, or disciplinary action upon that renewal.

Section 15-55. Returned checks; penalty fee; termination. A person who delivers a check or other payment to OBRE that is returned to OBRE unpaid by the financial institution upon which it was drawn shall pay to OBRE, in addition to the amount already owed, a penalty fee of $50. OBRE shall notify the person, by certified mail return receipt requested, that his or her check or payment was returned and that the person shall pay to OBRE by certified check or money order the amount of the returned check plus a $50 penalty fee within 30 calendar days after the date of the notification. If, after the expiration of 30 calendar days of the notification, the person has failed to remit the necessary funds and penalty, OBRE shall automatically terminate the license or deny the application without hearing. If the returned check or other payment was for issuance of a license under this Act and that person practices as a home inspector, that person may be subject to discipline for unlicensed practice as provided in this Act. If, after termination or denial, the person seeks a license, he or she shall petition OBRE for restoration and he or she may be subject to additional discipline or fines. The Commissioner may waive the penalties or fines due under this Section in individual cases where the Commissioner finds that the penalties or fines would be unreasonable or unnecessarily burdensome.

Section 15-60. Cease and desist orders. OBRE may issue, cease and desist orders to persons who engage in activities prohibited by this Act. Any person in violation of a cease and desist order issued by OBRE is subject to all of the penalties provided by law.

The Department, in consultation with the Office of the Secretary of State, shall prescribe the form of the identification card, which may be similar to the form of the standard Illinois Identification Card. The Department shall inform the committed person that he or she may present the identification card to the Office of the Secretary of State upon application for a standard Illinois Identification Card in accordance with the Illinois Identification Card Act. The Department shall require the committed person to pay a $1 fee for the identification card.

For purposes of a committed person receiving an identification card issued by the Department under this subsection, the Department shall establish criteria that the committed person must meet before the card is issued. (f) Valuation limitation amount.
   (1) In general. The valuation limitation amount referred to in subsections (a) (2) (G), (c) (2) (I) and (d)(2) (E) is an amount equal to:

      (B) If the fair market value of property referred to in paragraph (1) was not readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is that amount which bears the same ratio to the total gain reported in respect of the property for federal income tax purposes for the taxable year, as the number of full calendar months in that part of the taxpayer's holding period for the property ending July 31, 1969 bears to the number of full calendar months in the taxpayer's entire holding period for the property.
      (C) The Department shall prescribe such regulations as may be necessary to carry out the purposes of this paragraph.
   (g) Double deductions. Unless specifically provided otherwise, nothing in this Section shall permit the same item to be deducted more than once.
   (h) Legislative intention. Except as expressly provided by this Section there shall be no modifications or limitations on the amounts of income, gain, loss or deduction taken into account in determining gross income, adjusted gross income or taxable income for federal income tax purposes for the taxable year, or in the amount of such items entering into the computation of base income and net income under this Act for such taxable year, whether in respect of property values as of August 1, 1969 or otherwise.

The foregoing requirements shall apply when:

1. A clearly visible electric or mechanical signal device gives warning of the immediate approach of a railroad train;
2. A crossing gate is lowered or a human flagman gives or continues to give a signal of the approach or passage of a railroad train;

The photograph or other recorded image shall also display the time, date and location of the violation.

(b) Commencing on January 1, 1996, the Illinois Commerce Commission and the Commuter Rail Board of the Regional Transportation Authority shall, in cooperation with local law enforcement agencies, establish a 5 year pilot program within a county with a population of between 750,000 and 1,000,000 using an automated railroad grade crossing enforcement system. The Commission shall determine the 3 railroad grade crossings within that county that pose the greatest threat to human life based upon the number of accidents and fatalities at the crossings during the past 5 years and with approval of the local law enforcement agency equip the crossings with an automated railroad grade crossing enforcement system.

New matter indicated by italics - deletions by strikeout.
(c) For each violation of Section 11-1201 recorded by an automatic railroad grade crossing system, the local law enforcement agency having jurisdiction shall issue a written Uniform Traffic Citation of the violation to the registered owner of the vehicle as the alleged violator. The Uniform Traffic Citation shall include the name and address of vehicle owner, the vehicle registration number, the offense charged, the time, date, and location of the violation, the first available court date and that the basis of the citation is the photograph or other recorded image from the automated railroad grade crossing enforcement system.

3. If you were not the operator of the vehicle at the time of the alleged offense, notifying in writing the local law enforcement agency that issued the Uniform Traffic Citation of the name and address of the person operating the vehicle at the time of the alleged offense. If you fail to so notify in writing the local law enforcement agency of the name and address of the operator of the vehicle at the time of the alleged offense, you may be presumed to have been the operator of the vehicle at the time of the alleged offense."

(d-2) If the registered owner of the vehicle was not the operator of the vehicle at the time of the alleged offense, and if the registered owner notifies the local law enforcement agency having jurisdiction of the name and address of the operator of the vehicle at the time of the alleged offense, the local law enforcement agency having jurisdiction shall then issue a written Uniform Traffic Citation to the person alleged by the registered owner to have been the operator of the vehicle at the time of the alleged offense. If the registered owner fails to notify in writing the local law enforcement agency having jurisdiction of the name and address of the operator of the vehicle at the time of the alleged offense, the registered owner may be presumed to have been the operator of the vehicle at the time of the alleged offense.

(ii) Photographs or recorded images made by an automatic railroad grade crossing enforcement system are confidential and shall be made available only to the alleged violator and governmental and law enforcement agencies for purposes of adjudicating a violation of Section 11-1201 of the Illinois Vehicle Code. However, any photograph or other recorded image evidencing a violation of Section 11-1201 shall be admissible in any proceeding resulting from the issuance of the Uniform Traffic Citation when there is reasonable and sufficient proof of the accuracy of the camera or electronic instrument recording the image. There is a rebuttable presumption that the photograph or recorded image is accurate if the camera or electronic recording instrument was in good working order at the beginning and the end of the day of the alleged offense. Photographs or recorded images made by an automatic railroad grade crossing enforcement system shall be confidential, and shall be made available only to the defendant, governmental and law enforcement agencies for the purposes of adjudicating a violation of Section 11-1201 of the Illinois Vehicle Code.

(f) Rail crossings equipped with an automatic railroad grade crossing enforcement system shall be posted with a sign visible to approaching traffic stating that the railroad grade crossing is being monitored, that citations will be issued, and the amount of the fine for violation.

New matter indicated by italics - deletions by strikeout.
(g) The cost of the installation and maintenance of each automatic railroad grade crossing enforcement system shall be paid from the Grade Crossing Protection Fund if the rail line is not owned by Commuter Rail Board of the Regional Transportation Authority. If the rail line is owned by the Commuter Rail Board of the Regional Transportation Authority, the costs of the installation and maintenance shall be paid from the Regional Transportation Authority's portion of the Public Transportation Fund.

(h) The Illinois Commerce Commission shall issue a report to the General Assembly at the conclusion of the two year pilot program on the effectiveness of the automatic railroad grade crossing enforcement system.

(i) If any part or parts of this Section are held by a court of competent jurisdiction to be unconstitutional, the unconstitutionality shall not affect the validity of the remaining parts of this Section. The General Assembly hereby declares that it would have passed the remaining parts of this Section if it had known that the other part or parts of this Section would be declared unconstitutional.

(j) Penalty.

(i) A violation of this Section is a petty offense for which a fine of $250 shall be imposed for a first violation, and a fine of $500 shall be imposed for a second or subsequent violation.

(ii) For a second or subsequent violation, the Secretary of State may suspend the registration of the motor vehicle for a period of at least 6 months.

A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. Any person under 21 years of age who has a driver's license revoked for a second or subsequent conviction for driving under the influence, prior to the age of 21, shall not be eligible to submit an application for a full reinstatement of driving privileges or a restricted driving permit until age 21 or one additional year from the date of the latest such revocation, whichever is the longer. Except as otherwise provided by law, the
results of such test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the conviction was entered for the judge’s inspection in camera. Acting in accordance with the best interests of the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State’s Attorney to provide the information to the victim when possible. A State’s Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State’s Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-16.2 of the Criminal Code of 1961 against the defendant. The court shall order that the cost of any such test shall be paid by the county and may be taxed as costs against the convicted defendant.

If a defendant fails to complete the educational training required by his or her sentence during the term of incarceration, the Prisoner Review Board shall, as a condition of mandatory supervised release, require the defendant, at his or her own expense, to pursue a course of study toward a high school diploma or passage of the GED test. The Prisoner Review Board shall revoke the mandatory supervised release of a defendant who wilfully fails to comply with this subsection (j-5) upon his or her release from confinement in a penal institution while serving a mandatory supervised release term; however, the inability of the defendant after making a good faith effort to obtain financial aid or pay for the educational training shall not be deemed a wilful failure to comply. The Prisoner Review Board shall recommit the defendant whose mandatory supervised release term has been revoked under this subsection (j-5) as provided in Section 3-3-9. This subsection (j-5) does not apply to a defendant who has a high school diploma or has successfully passed the GED test. (1) a final order of deportation has been issued against the defendant pursuant to
proceedings under the Immigration and Nationality Act, and
(2) the deportation of the defendant would not deprecate the seriousness of the
defendant's conduct and would not be inconsistent with the ends of justice.
Otherwise, the defendant shall be sentenced as provided in this Chapter V.
(B) If the defendant has already been sentenced for a felony or misdemeanor offense, or
has been placed on probation under Section 10 of the Cannabis Control Act or Section 410
of the Illinois Controlled Substances Act, the court may, upon motion of the State's Attorney
to suspend the sentence imposed, commit the defendant to the custody of the Attorney
General of the United States or his or her designated agent when:
(1) a final order of deportation has been issued against the defendant pursuant to
proceedings under the Immigration and Nationality Act, and
(2) the deportation of the defendant would not deprecate the seriousness of the
defendant's conduct and would not be inconsistent with the ends of justice.
(C) This subsection (l) does not apply to offenders who are subject to the provisions of
paragraph (2) of subsection (a) of Section 3-6-3.
(D) Upon motion of the State's Attorney, if a defendant sentenced under this Section
returns to the jurisdiction of the United States, the defendant shall be recommitted to the
custody of the county from which he or she was sentenced. Thereafter, the defendant shall be
brought before the sentencing court, which may impose any sentence that was available under
Section 5-5-3 at the time of initial sentencing. In addition, the defendant shall not be eligible
for additional good conduct credit for meritorious service as provided under Section 3-6-6.
(m) A person convicted of criminal defacement of property under Section 21-1.3 of the

Sec. 11-1201. Obedience to signal indicating approach of train.

(a) Whenever any person driving a vehicle approaches a railroad grade crossing such person must exercise due care and caution as the existence of a railroad track across a highway is a warning of danger, and under any of the circumstances stated in this Section, the driver shall stop within 50 feet but not less than 15 feet from the nearest rail of the railroad and shall not proceed until he can do so safely. The foregoing requirements shall apply when:

1. A clearly visible electric or mechanical signal device gives warning of the immediate approach of a railroad train;

2. A crossing gate is lowered or a human flagman gives or continues to give a signal of the approach or passage of a railroad train;

3. A railroad train approaching a highway crossing emits a warning signal and such railroad train, by reason of its speed or nearness to such crossing, is an immediate hazard;

(e) A violation of any part of this Section shall result in a mandatory fine of $500 or 50 hours of community service.

(a) It shall be unlawful for any person to construct or install any sewerage system that discharges sewage, industrial wastes, or other wastes, directly or indirectly, into the sewerage system of the sanitary district, unless a written permit for the sewerage system has been granted by the sanitary district acting through the general superintendent. The sanitary district shall specify by ordinance the changes, additions, or extensions to an existing sewerage system that will require a permit. No changes, additions, or extensions to any existing sewerage systems discharging sewage, industrial wastes, or other wastes into the sewerage system of the sanitary district, that requires a permit, may be made until plans for the changes, additions, or extensions have been submitted to and a written permit obtained from the sanitary district acting through the general superintendent; provided, however, that this Section is not applicable in any municipality having a population of more than 500,000.

(b) Sewerage systems shall be operated in accordance with the ordinances of the sanitary district. The Board of Commissioners of any sanitary district is authorized to regulate, limit, extend, deny, or otherwise control any new or existing connection, addition, or extension to any sewer or sewerage system which directly or indirectly discharges into the sanitary district sewerage system. The Board shall adopt standards and specifications for construction, operation, and maintenance. This Section shall not apply to sewerage systems under the jurisdiction of any city, village, or incorporated town having a population of 500,000 or more.

(c) The Board of Commissioners of any sanitary district is hereby authorized to pass all necessary ordinances to carry out the aforementioned powers. The ordinances may provide for a civil penalty for each offense of not less than $100 nor more than $1,000. Each day's continuance of the violation shall be a separate offense. Hearings for violations of the ordinances adopted by the Board of Commissioners may be conducted by the Board of Commissioners or its designee.

(d) Plans and specifications for any sewerage system covered by this Act must be submitted to the sanitary district before a written permit may be issued and the construction of any sewerage system must be in accordance with the plans and specifications. In case it is necessary or desirable to make material changes in the plans or specifications, the revised plans or specifications, together with the reasons for the proposed changes, must be submitted to the sanitary district for a supplemental written permit.

(e) The sanitary district, acting through the general superintendent, may require any owner of a sewerage system discharging into the sewerage system of the sanitary district, to file with it complete plans of the whole or of any part of the system and any other information and records concerning the installation and operation of the system.

(f) The sanitary district, acting through the general superintendent, may establish procedures for the review of any plans, specifications, or other data relative to any sewerage system, written permits for which are required by this Act.

(g) The sanitary district, acting through the general superintendent, may adopt and enforce rules and regulations governing the issuance of permits and the method and manner under which plans, specifications, or other data relative thereto must be submitted for the sewerage systems or for additions or changes to or extensions of the systems.

(h) After a hearing on an alleged violation of any such ordinance, the Board may, in addition
to any civil penalty imposed, order any person found to have committed a violation to reimburse the sanitary district for the costs of the hearing, including any expenses incurred for inspection, sampling, analysis, administrative costs, and court reporter's and attorney's fees. The Board of Commissioners may also require a person to achieve compliance with the ordinance within a specified period of time. The Administrative Review Law, and the rules adopted under that Law, shall govern proceedings for the judicial review of final orders of the Board of Commissioners issued under this subsection.

(i) Civil penalties and costs imposed pursuant to this Section are recoverable by the sanitary district in a civil action. The sanitary district is authorized to apply to the circuit court for injunctive relief or mandamus when, in the opinion of the general superintendent, the person has failed to comply with an order of the Board of Commissioners or the relief is necessary to protect the sewerage system of the sanitary district.

(j) The operation and maintenance of any existing sanitary sewerage system serving territory that is annexed by a municipality located in a county with a population of 3,000,000 or more after the effective date of this amendatory Act of the 92nd General Assembly is the responsibility of the municipality to which the territory is annexed, unless the sanitary sewerage system is under the jurisdiction of another unit of local government other than the District.

(65 ILCS 5/11-74.4-3) (from Ch. 24, par. 11-74.4-3)
Sec. 11-74.4-3. Definitions. The following terms, wherever used or referred to in this Division shall have the following respective meanings, unless in any case a different meaning clearly appears from the context.

(a) For any redevelopment project area that has been designated pursuant to this Section by an ordinance adopted prior to November 1, 1999 (the effective date of Public Act 91-478), "blighted area" shall have the meaning set forth in this Section prior to that date.

On and after November 1, 1999, "blighted area" means any improved or vacant area within the boundaries of a redevelopment project area located within the territorial limits of the municipality where:

(1) If improved, industrial, commercial, and residential buildings or improvements are detrimental to the public safety, health, or welfare because of a combination of 5 or more of the following factors, each of which is (i) present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) reasonably distributed throughout the improved part of the redevelopment project area:
   (A) Dilapidation. An advanced state of disrepair or neglect of necessary repairs to the primary structural components of buildings or improvements in such a combination that a documented building condition analysis determines that major repair is required or the defects are so serious and so extensive that the buildings must be removed.
   (B) Obsolescence. The condition or process of falling into disuse. Structures have become ill-suited for the original use.
   (C) Deterioration. With respect to buildings, defects including, but not limited to, major defects in the secondary building components such as doors, windows, porches, gutters and downspouts, and fascia. With respect to surface improvements, that the condition of roadways, alleys, curbs, gutters, sidewalks, off-street parking, and surface storage areas evidence deterioration, including, but not limited to, surface cracking,
crumbling, potholes, depressions, loose paving material, and weeds protruding through paved surfaces.

(D) Presence of structures below minimum code standards. All structures that do not meet the standards of zoning, subdivision, building, fire, and other governmental codes applicable to property, but not including housing and property maintenance codes.

(E) Illegal use of individual structures. The use of structures in violation of applicable federal, State, or local laws, exclusive of those applicable to the presence of structures below minimum code standards.

(F) Excessive vacancies. The presence of buildings that are unoccupied or under-utilized and that represent an adverse influence on the area because of the frequency, extent, or duration of the vacancies.

(G) Lack of ventilation, light, or sanitary facilities. The absence of adequate ventilation for light or air circulation in spaces or rooms without windows, or that require the removal of dust, odor, gas, smoke, or other noxious airborne materials. Inadequate natural light and ventilation means the absence of skylights or windows for interior spaces or rooms and improper window sizes and amounts by room area to window area ratios. Inadequate sanitary facilities refers to the absence or inadequacy of garbage storage and enclosure, bathroom facilities, hot water and kitchens, and structural inadequacies preventing ingress and egress to and from all rooms and units within a building.

(H) Inadequate utilities. Underground and overhead utilities such as storm sewers and storm drainage, sanitary sewers, water lines, and gas, telephone, and electrical services that are shown to be inadequate. Inadequate utilities are those that are: (i) of insufficient capacity to serve the uses in the redevelopment project area, (ii) deteriorated, antiquated, obsolete, or in disrepair, or (iii) lacking within the redevelopment project area.

(I) Excessive land coverage and overcrowding of structures and community facilities. The over-intensive use of property and the crowding of buildings and accessory facilities onto a site. Examples of problem conditions warranting the designation of an area as one exhibiting excessive land coverage are: (i) the presence of buildings either improperly situated on parcels or located on parcels of inadequate size and shape in relation to present-day standards of development for health and safety and (ii) the presence of multiple buildings on a single parcel. For there to be a finding of excessive land coverage, these parcels must exhibit one or more of the following conditions: insufficient provision for light and air within or around buildings, increased threat of spread of fire due to the close proximity of buildings, lack of adequate or proper access to a public right-of-way, lack of reasonably required off-street parking, or inadequate provision for loading and service.

(J) Deleterious land use or layout. The existence of incompatible land-use relationships, buildings occupied by inappropriate mixed-uses, or uses considered to be noxious, offensive, or unsuitable for the surrounding area.

(K) Environmental clean-up. The proposed redevelopment project area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

(L) Lack of community planning. The proposed redevelopment project area was developed prior to or without the benefit or guidance of a community plan. This means that the development occurred prior to the adoption by the municipality of a comprehensive or other community plan or that the plan was not followed at the time of the area's development. This factor must be documented by evidence of adverse or incompatible land-use relationships, inadequate street layout, improper subdivision, parcels of inadequate shape and size to meet contemporary development standards, or other evidence demonstrating an absence of effective community planning.

New matter indicated by italics - deletions by strikeout.
(M) The total equalized assessed value of the proposed redevelopment project area has declined for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated or is increasing at an annual rate that is less than the balance of the municipality for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated.

(2) If vacant, the sound growth of the redevelopment project area is impaired by a combination of 2 or more of the following factors, each of which is (i) present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) reasonably distributed throughout the vacant part of the redevelopment project area to which it pertains:

(A) Obsolete platting of vacant land that results in parcels of limited or narrow size or configurations of parcels of irregular size or shape that would be difficult to develop on a planned basis and in a manner compatible with contemporary standards and requirements, or platting that failed to create rights-of-ways for streets or alleys or that created inadequate right-of-way widths for streets, alleys, or other public rights-of-way or that omitted easements for public utilities.

(B) Diversity of ownership of parcels of vacant land sufficient in number to retard or impede the ability to assemble the land for development.

(C) Tax and special assessment delinquencies exist or the property has been the subject of tax sales under the Property Tax Code within the last 5 years.

(D) Deterioration of structures or site improvements in neighboring areas adjacent to the vacant land.

(E) The area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

(F) The total equalized assessed value of the proposed redevelopment project area has declined for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated or is increasing at an annual rate that is less than the balance of the municipality for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated.

(3) If vacant, the sound growth of the redevelopment project area is impaired by one of the following factors that (i) is present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) is reasonably distributed throughout the vacant part of the redevelopment project area to which it pertains:

(A) The area consists of one or more unused quarries, mines, or strip mine ponds.

(B) The area consists of unused railyards, rail tracks, or railroad rights-of-way.

(C) The area, prior to its designation, is subject to chronic flooding that adversely impacts on real property in the area as certified by a registered professional engineer or appropriate regulatory agency.

(D) The area consists of an unused or illegal disposal site containing earth, stone, building debris, or similar materials that were removed from construction, demolition, excavation, or dredge sites.

(E) Prior to November 1, 1999, the area is not less than 50 nor more than 100 acres and 75% of which is vacant (notwithstanding that the area has been used for commercial
agricultural purposes within 5 years prior to the designation of the redevelopment project area, and the area meets at least one of the factors itemized in paragraph (1) of this subsection, the area has been designated as a town or village center by ordinance or comprehensive plan adopted prior to January 1, 1982, and the area has not been developed for that designated purpose.

(F) The area qualified as a blighted improved area immediately prior to becoming vacant, unless there has been substantial private investment in the immediately surrounding area.

(b) For any redevelopment project area that has been designated pursuant to this Section by an ordinance adopted prior to November 1, 1999 (the effective date of Public Act 91-478), "conservation area" shall have the meaning set forth in this Section prior to that date.

On and after November 1, 1999, "conservation area" means any improved area within the boundaries of a redevelopment project area located within the territorial limits of the municipality in which 50% or more of the structures in the area have an age of 35 years or more. Such an area is not yet a blighted area but because of a combination of 3 or more of the following factors is detrimental to the public safety, health, morals or welfare and such an area may become a blighted area:

1. Dilapidation. An advanced state of disrepair or neglect of necessary repairs to the primary structural components of buildings or improvements in such a combination that a documented building condition analysis determines that major repair is required or the defects are so serious and so extensive that the buildings must be removed.

2. Obsolescence. The condition or process of falling into disuse. Structures have become ill-suited for the original use.

3. Deterioration. With respect to buildings, defects including, but not limited to, major defects in the secondary building components such as doors, windows, porches, gutters and downspouts, and fascia. With respect to surface improvements, that the condition of roadways, alleys, curbs, gutters, sidewalks, off-street parking, and surface storage areas evidence deterioration, including, but not limited to, surface cracking, crumbling, potholes, depressions, loose paving material, and weeds protruding through paved surfaces.

4. Presence of structures below minimum code standards. All structures that do not meet the standards of zoning, subdivision, building, fire, and other governmental codes applicable to property, but not including housing and property maintenance codes.

5. Illegal use of individual structures. The use of structures in violation of applicable federal, State, or local laws, exclusive of those applicable to the presence of structures below minimum code standards.

6. Excessive vacancies. The presence of buildings that are unoccupied or under-utilized and that represent an adverse influence on the area because of the frequency, extent, or duration of the vacancies.

7. Lack of ventilation, light, or sanitary facilities. The absence of adequate ventilation for light or air circulation in spaces or rooms without windows, or that require the removal of dust, odor, gas, smoke, or other noxious airborne materials. Inadequate natural light and ventilation means the absence or inadequacy of skylights or windows for interior spaces or rooms and improper window sizes and amounts by room area to window area ratios. Inadequate sanitary facilities refers to the absence or inadequacy of garbage storage and enclosure, bathroom facilities, hot water and kitchens, and structural inadequacies preventing ingress and egress to and from all rooms and units within a building.

8. Inadequate utilities. Underground and overhead utilities such as storm sewers and storm drainage, sanitary sewers, water lines, and gas, telephone, and electrical services that are shown to be inadequate. Inadequate utilities are those that are: (i) of insufficient capacity to serve the uses in the redevelopment project area, (ii) deteriorated, antiquated, obsolete, or in disrepair, or (iii) lacking within the redevelopment project area.

9. Excessive land coverage and overcrowding of structures and community facilities. The over-intensive use of property and the crowding of buildings and accessory facilities onto a site. Examples of problem conditions warranting the designation of an area as one exhibiting excessive land coverage are: the presence of buildings either improperly situated on parcels or located on parcels of inadequate size and shape in relation to present-day standards of
development for health and safety and the presence of multiple buildings on a single parcel. For there to be a finding of excessive land coverage, these parcels must exhibit one or more of the following conditions: insufficient provision for light and air within or around buildings, increased threat of spread of fire due to the close proximity of buildings, lack of adequate or proper access to a public right-of-way, lack of reasonably required off-street parking, or inadequate provision for loading and service.

(10) Deleterious land use or layout. The existence of incompatible land-use relationships, buildings occupied by inappropriate mixed-uses, or uses considered to be noxious, offensive, or unsuitable for the surrounding area.

(11) Lack of community planning. The proposed redevelopment project area was developed prior to or without the benefit or guidance of a community plan. This means that the development occurred prior to the adoption by the municipality of a comprehensive or other community plan or that the plan was not followed at the time of the area's development. This factor must be documented by evidence of adverse or incompatible land-use relationships, inadequate street layout, improper subdivision, parcels of inadequate shape and size to meet contemporary development standards, or other evidence demonstrating an absence of effective community planning.

(12) The area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

(13) The total equalized assessed value of the proposed redevelopment project area has declined for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the balance of the municipality for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for 3 of the last 5 calendar years for which information is available.

(c) "Industrial park" means an area in a blighted or conservation area suitable for use by any manufacturing, industrial, research or transportation enterprise, of facilities to include but not be limited to factories, mills, processing plants, assembly plants, packing plants, fabricating plants, industrial distribution centers, warehouses, repair overhaul or service facilities, freight terminals, research facilities, test facilities or railroad facilities.

(d) "Industrial park conservation area" means an area within the boundaries of a redevelopment project area located within the territorial limits of a municipality that is a labor surplus municipality or within 1 1/2 miles of the territorial limits of a municipality that is a labor surplus municipality if the area is annexed to the municipality; which area is zoned as industrial no later than at the time the municipality by ordinance designates the redevelopment project area, and which area includes both vacant land suitable for use as an industrial park and a blighted area or conservation area contiguous to such vacant land.

(e) "Labor surplus municipality" means a municipality in which, at any time during the 6 months before the municipality by ordinance designates an industrial park conservation area, the unemployment rate was over 6% and was also 100% or more of the national average unemployment rate for that same time as published in the United States Department of Labor Bureau of Labor Statistics publication entitled "The Employment Situation" or its successor publication. For the purpose of this subsection, if unemployment rate statistics for the municipality are not available, the unemployment rate in the municipality shall be deemed to be the same as the unemployment rate in the principal county in which the municipality is located.

(f) "Municipality" shall mean a city, village or incorporated town.

(g) "Initial Sales Tax Amounts" means the amount of taxes paid under the Retailers' Occupation Tax Act, Use Tax Act, Service Use Tax Act, the Service Occupation Tax Act, the Municipal Retailers' Occupation Tax Act, and the Municipal Service Occupation Tax Act by retailers

and servicemen on transactions at places located in a State Sales Tax Boundary during the calendar year 1985.

(g-1) "Revised Initial Sales Tax Amounts" means the amount of taxes paid under the Retailers' Occupation Tax Act, Use Tax Act, Service Use Tax Act, the Service Occupation Tax Act, the Municipal Retailers' Occupation Tax Act, and the Municipal Service Occupation Tax Act by retailers and servicemen on transactions at places located within the State Sales Tax Boundary revised pursuant to Section 11-74.4-8a(9) of this Act.

(h) "Municipal Sales Tax Increment" means an amount equal to the increase in the aggregate amount of taxes paid to a municipality from the Local Government Tax Fund arising from sales by retailers and servicemen within the redevelopment project area or State Sales Tax Boundary, as the case may be, for as long as the redevelopment project area or State Sales Tax Boundary, as the case may be, exist over and above the aggregate amount of taxes as certified by the Illinois Department of Revenue and paid under the Municipal Retailers' Occupation Tax Act and the Municipal Service Occupation Tax Act by retailers and servicemen, on transactions at places of business located in the redevelopment project area or State Sales Tax Boundary, as the case may be, during the base year which shall be the calendar year immediately prior to the year in which the municipality adopted tax increment allocation financing. For purposes of computing the aggregate amount of such taxes for base years occurring prior to 1985, the Department of Revenue shall determine the Initial Sales Tax Amounts for such taxes and deduct therefrom an amount equal to 4% of the aggregate amount of taxes per year for each year the base year is prior to 1985, but not to exceed a total deduction of 12%. The amount so determined shall be known as the "Adjusted Initial Sales Tax Amounts". For purposes of determining the Municipal Sales Tax Increment, the Department of Revenue shall for each period subtract from the amount paid to the municipality from the Local Government Tax Fund arising from sales by retailers and servicemen on transactions located in the redevelopment project area or the State Sales Tax Boundary, as the case may be, the certified Initial Sales Tax Amounts, the Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts for the Municipal Retailers' Occupation Tax Act and the Municipal Service Occupation Tax Act. For the State Fiscal Year 1989, this calculation shall be made by utilizing the calendar year 1987 to determine the tax amounts received. For the State Fiscal Year 1990, this calculation shall be made by utilizing the period from January 1, 1988, until September 30, 1988, to determine the tax amounts received from retailers and servicemen pursuant to the Municipal Retailers' Occupation Tax and the Municipal Service Occupation Tax Act, which shall have deducted therefrom nine-twelfths of the certified Initial Sales Tax Amounts, the Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For the State Fiscal Year 1991, this calculation shall be made by utilizing the period from October 1, 1988, to June 30, 1989, to determine the tax amounts received from retailers and servicemen pursuant to the Municipal Retailers' Occupation Tax and the Municipal Service Occupation Tax Act which shall have deducted therefrom nine-twelfths of the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For every State Fiscal Year thereafter, the applicable period shall be the 12 months beginning July 1 and ending June 30 to determine the tax amounts received which shall have deducted therefrom the certified Initial Sales Tax Amounts, the Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts, as the case may be.

(i) "Net State Sales Tax Increment" means the sum of the following: (a) 80% of the first $100,000 of State Sales Tax Increment annually generated within a State Sales Tax Boundary; (b) 60% of the amount in excess of $100,000 but not exceeding $500,000 of State Sales Tax Increment annually generated within a State Sales Tax Boundary; and (c) 40% of all amounts in excess of $500,000 of State Sales Tax Increment annually generated within a State Sales Tax Boundary. If, however, a municipality established a tax increment financing district in a county with a population in excess of 3,000,000 before January 1, 1986, and the municipality entered into a contract or issued bonds after January 1, 1986, but before December 31, 1986, to finance redevelopment project costs within a State Sales Tax Boundary, then the Net State Sales Tax Increment means, for the fiscal years beginning July 1, 1990, and July 1, 1991, 100% of the State Sales Tax Increment annually generated within a State Sales Tax Boundary; and notwithstanding any other provision of this Act, for those fiscal years the Department of Revenue shall distribute to those municipalities 100% of their Net State Sales Tax Increment before any distribution to any other municipality and regardless of whether or not any of their Net State Sales Tax Increment was generated within the State Sales Tax Boundary.
not those other municipalities will receive 100% of their Net State Sales Tax Increment. For Fiscal Year 1999, and every year thereafter until the year 2007, for any municipality that has not entered into a contract or has not issued bonds prior to June 1, 1988 to finance redevelopment project costs within a State Sales Tax Boundary, the Net State Sales Tax Increment shall be calculated as follows: By multiplying the Net State Sales Tax Increment by 90% in the State Fiscal Year 1999; 80% in the State Fiscal Year 2000; 70% in the State Fiscal Year 2001; 60% in the State Fiscal Year 2002; 50% in the State Fiscal Year 2003; 40% in the State Fiscal Year 2004; 30% in the State Fiscal Year 2005; 20% in the State Fiscal Year 2006; and 10% in the State Fiscal Year 2007. No payment shall be made for State Fiscal Year 2008 and thereafter.

Municipalities that issued bonds in connection with a redevelopment project in a redevelopment project area within the State Sales Tax Boundary prior to July 29, 1991, or that entered into contracts in connection with a redevelopment project in a redevelopment project area before June 1, 1988, shall continue to receive their proportional share of the Illinois Tax Increment Fund distribution until the date on which the redevelopment project is completed or terminated, or the date on which the bonds are retired or the contracts are completed, whichever date occurs first. If, however, a municipality that issued bonds in connection with a redevelopment project in a redevelopment project area within the State Sales Tax Boundary prior to July 29, 1991 retires the bonds prior to June 30, 2007, then so long as the redevelopment project is not completed or is not terminated, the Net State Sales Tax Increment shall be calculated, beginning on the date on which the bonds are retired or the contracts are completed, as follows: By multiplying the Net State Sales Tax Increment by 60% in the State Fiscal Year 2002; 50% in the State Fiscal Year 2003; 40% in the State Fiscal Year 2004; 30% in the State Fiscal Year 2005; 20% in the State Fiscal Year 2006; and 10% in the State Fiscal Year 2007. No payment shall be made for State Fiscal Year 2008 and thereafter.

Refunding of any bonds issued prior to July 29, 1991, shall not alter the Net State Sales Tax Increment.

(j) "State Utility Tax Increment Amount" means an amount equal to the aggregate increase in State electric and gas tax charges imposed on owners and tenants, other than residential customers, of properties located within the redevelopment project area under Section 9-222 of the Public Utilities Act, over and above the aggregate of such charges as certified by the Department of Revenue and paid by owners and tenants, other than residential customers, of properties within the redevelopment project area during the base year, which shall be the calendar year immediately prior to the year of the adoption of the ordinance authorizing tax increment allocation financing.

(k) "Net State Utility Tax Increment" means the sum of the following: (a) 80% of the first $100,000 of State Utility Tax Increment annually generated by a redevelopment project area; (b) 60% of the amount in excess of $100,000 but not exceeding $500,000 of the State Utility Tax Increment annually generated by a redevelopment project area; and (c) 40% of all amounts in excess of $500,000 of State Utility Tax Increment annually generated by a redevelopment project area. For the State Fiscal Year 1999, and every year thereafter until the year 2007, for any municipality that has not entered into a contract or has not issued bonds prior to June 1, 1988 to finance redevelopment project costs within a redevelopment project area, the Net State Utility Tax Increment shall be calculated as follows: By multiplying the Net State Utility Tax Increment by 90% in the State Fiscal Year 1999; 80% in the State Fiscal Year 2000; 70% in the State Fiscal Year 2001; 60% in the State Fiscal Year 2002; 50% in the State Fiscal Year 2003; 40% in the State Fiscal Year 2004; 30% in the State Fiscal Year 2005; 20% in the State Fiscal Year 2006; and 10% in the State Fiscal Year 2007. No payment shall be made for the State Fiscal Year 2008 and thereafter.

Municipalities that issue bonds in connection with the redevelopment project during the period from June 1, 1988 until 3 years after the effective date of this Amendatory Act of 1988 shall receive the Net State Utility Tax Increment, subject to appropriation, for 15 State Fiscal Years after the issuance of such bonds. For the 16th through the 20th State Fiscal Years after issuance of the bonds, the Net State Utility Tax Increment shall be calculated as follows: By multiplying the Net State Utility Tax Increment by 90% in year 16; 80% in year 17; 70% in year 18; 60% in year 19; and 50% in year 20. Refunding of any bonds issued prior to June 1, 1988, shall not alter the revised Net State Utility Tax Increment payments set forth above.

(l) "Obligations" mean bonds, loans, debentures, notes, special certificates or other evidence

of indebtedness issued by the municipality to carry out a redevelopment project or to refund outstanding obligations.

(m) "Payment in lieu of taxes" means those estimated tax revenues from real property in a redevelopment project area derived from real property that has been acquired by a municipality which according to the redevelopment project or plan is to be used for a private use which taxing districts would have received had a municipality not acquired the real property and adopted tax increment allocation financing and which would result from levies made after the time of the adoption of tax increment allocation financing to the time the current equalized value of real property in the redevelopment project area exceeds the total initial equalized value of real property in said area.

(n) "Redevelopment plan" means the comprehensive program of the municipality for development or redevelopment intended by the payment of redevelopment project costs to reduce or eliminate those conditions the existence of which qualified the redevelopment project area as a "blighted area" or "conservation area" or combination thereof or "industrial park conservation area," and thereby to enhance the tax bases of the taxing districts which extend into the redevelopment project area. On and after November 1, 1999 (the effective date of Public Act 91-478), no redevelopment plan may be approved or amended that includes the development of vacant land (i) with a golf course and related clubhouse and other facilities or (ii) designated by federal, State, county, or municipal government as public land for outdoor recreational activities or for nature preserves and used for that purpose within 5 years prior to the adoption of the redevelopment plan. For the purpose of this subsection, "recreational activities" is limited to mean camping and hunting. Each redevelopment plan shall set forth in writing the program to be undertaken to accomplish the objectives and shall include but not be limited to:

(A) an itemized list of estimated redevelopment project costs;
(B) evidence indicating that the redevelopment project area on the whole has not been subject to growth and development through investment by private enterprise;
(C) an assessment of any financial impact of the redevelopment project area on or any increased demand for services from any taxing district affected by the plan and any program to address such financial impact or increased demand;
(D) the sources of funds to pay costs;
(E) the nature and term of the obligations to be issued;
(F) the most recent equalized assessed valuation of the redevelopment project area;
(G) an estimate as to the equalized assessed valuation after redevelopment and the general land uses to apply in the redevelopment project area;
(H) a commitment to fair employment practices and an affirmative action plan;
(I) if it concerns an industrial park conservation area, the plan shall also include a general description of any proposed developer, user and tenant of any property, a description of the type, structure and general character of the facilities to be developed, a description of the type, class and number of new employees to be employed in the operation of the facilities to be developed; and
(J) if property is to be annexed to the municipality, the plan shall include the terms of the annexation agreement.

The provisions of items (B) and (C) of this subsection (n) shall not apply to a municipality that before March 14, 1994 (the effective date of Public Act 88-537) had fixed, either by its corporate authorities or by a commission designated under subsection (k) of Section 11-74.4-4, a time and place for a public hearing as required by subsection (a) of Section 11-74.4-5. No redevelopment plan shall be adopted unless a municipality complies with all of the following requirements:

(1) The municipality finds that the redevelopment project area on the whole has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of the redevelopment plan.
(2) The municipality finds that the redevelopment plan and project conform to the comprehensive plan for the development of the municipality as a whole, or, for municipalities with a population of 100,000 or more, regardless of when the redevelopment plan and project was adopted, the redevelopment plan and project either: (i) conforms to the strategic economic development or redevelopment plan issued by the designated planning authority of the municipality, or (ii) includes land uses that have been approved by the planning
commission of the municipality.

(3) The redevelopment plan establishes the estimated dates of completion of the redevelopment project and retirement of obligations issued to finance redevelopment project costs. Those dates shall not be later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the twenty-third calendar year after the year in which the ordinance approving the redevelopment project area is adopted if the ordinance was adopted on or after January 15, 1981, and not later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the thirty-fifth calendar year after the year in which the ordinance approving the redevelopment project area is adopted:

(A) if the ordinance was adopted before January 15, 1981, or
(B) if the ordinance was adopted in December 1983, April 1984, July 1985, or December 1989, or
(C) if the ordinance was adopted in December 1987 and the redevelopment project is located within one mile of Midway Airport, or
(D) if the ordinance was adopted before January 1, 1987 by a municipality in Mason County, or
(E) if the municipality is subject to the Local Government Financial Planning and Supervision Act or the Financially Distressed City Law, or
(F) if the ordinance was adopted in December 1984 by the Village of Rosemont, or
(G) if the ordinance was adopted on December 31, 1986 by a municipality located in Clinton County for which at least $250,000 of tax increment bonds were authorized on June 17, 1997, or if the ordinance was adopted on December 31, 1986 by a municipality with a population in 1990 of less than 3,600 that is located in a county with a population in 1990 of less than 34,000 and for which at least $250,000 of tax increment bonds were authorized on June 17, 1997, or
(H) if the ordinance was adopted on October 5, 1982 by the City of Kankakee, or if the ordinance was adopted on December 29, 1986 by East St. Louis, or
(I) if the ordinance was adopted on November 12, 1991 by the Village of Sauget, or
(J) if the ordinance was adopted on February 11, 1985 by the City of Rock Island, or
(K) if the ordinance was adopted before December 18, 1986 by the City of Moline,

or

(L) if the ordinance was adopted in September 1988 by Sauk Village, or
(M) if the ordinance was adopted in October 1993 by Sauk Village, or
(N) if the ordinance was adopted on December 29, 1986 by the City of Galva, or
(O) if the ordinance was adopted in March 1991 by the City of Centreville.

However, for redevelopment project areas for which bonds were issued before July 29, 1991, or for which contracts were entered into before June 1, 1988, in connection with a redevelopment project in the area within the State Sales Tax Boundary, the estimated dates of completion of the redevelopment project and retirement of obligations to finance redevelopment project costs may be extended by municipal ordinance to December 31, 2013. The extension allowed by this amendatory Act of 1993 shall not apply to real property tax increment allocation financing under Section 11-74.4-8.

A municipality may by municipal ordinance amend an existing redevelopment plan to conform to this paragraph (3) as amended by Public Act 91-478, which municipal ordinance may be adopted without further hearing or notice and without complying with the procedures provided in this Act pertaining to an amendment to or the initial approval of a redevelopment plan and project and designation of a redevelopment project area.

Those dates, for purposes of real property tax increment allocation financing pursuant to Section 11-74.4-8 only, shall be not more than 35 years for redevelopment project areas that were adopted on or after December 16, 1986 and for which at least $8 million worth of municipal bonds were authorized on or after December 19, 1989 but before January 1, 1990; provided that the municipality elects to extend the life of the redevelopment project area to
35 years by the adoption of an ordinance after at least 14 but not more than 30 days' written notice to the taxing bodies, that would otherwise constitute the joint review board for the redevelopment project area, before the adoption of the ordinance.

Those dates, for purposes of real property tax increment allocation financing pursuant to Section 11-74.4-8 only, shall be not more than 35 years for redevelopment project areas that were established on or after December 1, 1981 but before January 1, 1982 and for which at least $1,500,000 worth of tax increment revenue bonds were authorized on or after September 30, 1990 but before July 1, 1991; provided that the municipality elects to extend the life of the redevelopment project area to 35 years by the adoption of an ordinance after at least 14 but not more than 30 days' written notice to the taxing bodies, that would otherwise constitute the joint review board for the redevelopment project area, before the adoption of the ordinance.

(3.5) The municipality finds, in the case of an industrial park conservation area, also that the municipality is a labor surplus municipality and that the implementation of the redevelopment plan will reduce unemployment, create new jobs and by the provision of new facilities enhance the tax base of the taxing districts that extend into the redevelopment project area.

(4) If any incremental revenues are being utilized under Section 8(a)(1) or 8(a)(2) of this Act in redevelopment project areas approved by ordinance after January 1, 1986, the municipality finds: (a) that the redevelopment project area would not reasonably be developed without the use of such incremental revenues, and (b) that such incremental revenues will be exclusively utilized for the development of the redevelopment project area.

(5) On and after November 1, 1999, if the redevelopment plan will not result in displacement of 10 or more residents from inhabited units, and the municipality certifies in the plan that such displacement will not result from the plan, a housing impact study need not be performed. If, however, the redevelopment plan would result in the displacement of residents from 10 or more inhabited residential units, or if the redevelopment project area contains 75 or more inhabited residential units and no certification is made, then the municipality shall prepare, as part of the separate feasibility report required by subsection (a) of Section 11-74.4-5, a housing impact study.

Part I of the housing impact study shall include (i) data as to whether the residential units are single family or multi-family units, (ii) the number and type of rooms within the units, if that information is available, (iii) whether the units are inhabited or uninhabited, as determined not less than 45 days before the date that the ordinance or resolution required by subsection (a) of Section 11-74.4-5 is passed, and (iv) data as to the racial and ethnic composition of the residents in the inhabited residential units. The data requirement as to the racial and ethnic composition of the residents in the inhabited residential units shall be deemed to be fully satisfied by data from the most recent federal census.

Part II of the housing impact study shall identify the inhabited residential units in the proposed redevelopment project area that are to be or may be removed. If inhabited residential units are to be removed, then the housing impact study shall identify (i) the number and location of those units that will or may be removed, (ii) the municipality's plans for relocation assistance for those residents in the proposed redevelopment project area whose residences are to be removed, (iii) the availability of replacement housing for those residents whose residences are to be removed, and shall identify the type, location, and cost of the housing, and (iv) the type and extent of relocation assistance to be provided.

(6) On and after November 1, 1999, the housing impact study required by paragraph (5) shall be incorporated in the redevelopment plan for the redevelopment project area.

(7) On and after November 1, 1999, no redevelopment plan shall be adopted, nor an existing plan amended, nor shall residential housing that is occupied by households of low-income and very low-income persons in currently existing redevelopment project areas be removed after November 1, 1999 unless the redevelopment plan provides, with respect to inhabited housing units that are to be removed for households of low-income and very low-income persons, affordable housing and relocation assistance not less than that which would be provided under the federal Uniform Relocation Assistance and Real Property
Acquisition Policies Act of 1970 and the regulations under that Act, including the eligibility criteria. Affordable housing may be either existing or newly constructed housing. For purposes of this paragraph (7), "low-income households", "very low-income households", and "affordable housing" have the meanings set forth in the Illinois Affordable Housing Act. The municipality shall make a good faith effort to ensure that this affordable housing is located in or near the redevelopment project area within the municipality.

(8) On and after November 1, 1999, if, after the adoption of the redevelopment plan for the redevelopment project area, any municipality desires to amend its redevelopment plan to remove more inhabited residential units than specified in its original redevelopment plan, that increase in the number of units to be removed shall be deemed to be a change in the nature of the redevelopment plan as to require compliance with the procedures in this Act pertaining to the initial approval of a redevelopment plan.

(9) For redevelopment project areas designated prior to November 1, 1999, the redevelopment plan may be amended without further joint review board meeting or hearing, provided that the municipality shall give notice of any such changes by mail to each affected taxing district and registrant on the interested party registry, to authorize the municipality to expend tax increment revenues for redevelopment project costs defined by paragraphs (5) and (7.5), subparagraphs (E) and (F) of paragraph (11), and paragraph (11.5) of subsection (q) of Section 11-74.4-3, so long as the changes do not increase the total estimated redevelopment project costs set out in the redevelopment plan by more than 5% after adjustment for inflation from the date the plan was adopted.

(o) "Redevelopment project" means any public and private development project in furtherance of the objectives of a redevelopment plan. On and after November 1, 1999 (the effective date of Public Act 91-478), no redevelopment plan may be approved or amended that includes the development of vacant land (i) with a golf course and related clubhouse and other facilities or (ii) designated by federal, State, county, or municipal government as public land for outdoor recreational activities or for nature preserves and used for that purpose within 5 years prior to the adoption of the redevelopment plan. For the purpose of this subsection, "recreational activities" is limited to mean camping and hunting.

(p) "Redevelopment project area" means an area designated by the municipality, which is not less in the aggregate than 1 1/2 acres and in respect to which the municipality has made a finding that there exist conditions which cause the area to be classified as an industrial park conservation area or a blighted area or a conservation area, or a combination of both blighted areas and conservation areas.

(q) "Redevelopment project costs" mean and include the sum total of all reasonable or necessary costs incurred or estimated to be incurred, and any such costs incidental to a redevelopment plan and a redevelopment project. Such costs include, without limitation, the following:

(1) Costs of studies, surveys, development of plans, and specifications, implementation and administration of the redevelopment plan including but not limited to staff and professional service costs for architectural, engineering, legal, financial, planning or other services, provided however that no charges for professional services may be based on a percentage of the tax increment collected; except that on and after November 1, 1999 (the effective date of Public Act 91-478), no contracts for professional services, excluding architectural and engineering services, may be entered into if the terms of the contract extend beyond a period of 3 years. In addition, "redevelopment project costs" shall not include lobbying expenses. After consultation with the municipality, each tax increment consultant or advisor to a municipality that plans to designate or has designated a redevelopment project area shall inform the municipality in writing of any contracts that the consultant or advisor has entered into with entities or individuals that have received, or are receiving, payments financed by tax increment revenues produced by the redevelopment project area with respect to which the consultant or advisor has performed, or will be performing, service for the municipality. This requirement shall be satisfied by the consultant or advisor before the commencement of services for the municipality and thereafter whenever any other contracts with those individuals or entities are executed by the consultant or advisor;

(1.5) After July 1, 1999, annual administrative costs shall not include general overhead or administrative costs of the municipality that would still have been incurred by the
municipality if the municipality had not designated a redevelopment project area or approved a redevelopment plan;

(1.6) The cost of marketing sites within the redevelopment project area to prospective businesses, developers, and investors;

(2) Property assembly costs, including but not limited to acquisition of land and other property, real or personal, or rights or interests therein, demolition of buildings, site preparation, site improvements that serve as an engineered barrier addressing ground level or below ground environmental contamination, including, but not limited to parking lots and other concrete or asphalt barriers, and the clearing and grading of land;

(3) Costs of rehabilitation, reconstruction or repair or remodeling of existing public or private buildings, fixtures, and leasehold improvements; and the cost of replacing an existing public building if pursuant to the implementation of a redevelopment project the existing public building is to be demolished to use the site for private investment or devoted to a different use requiring private investment;

(4) Costs of the construction of public works or improvements, except that on and after November 1, 1999, redevelopment project costs shall not include the cost of constructing a new municipal public building principally used to provide offices, storage space, or conference facilities or vehicle storage, maintenance, or repair for administrative, public safety, or public works personnel and that is not intended to replace an existing public building as provided under paragraph (3) of subsection (q) of Section 11-74.4-3 unless either (i) the construction of the new municipal building implements a redevelopment project that was included in a redevelopment plan that was adopted by the municipality prior to November 1, 1999 or (ii) the municipality makes a reasonable determination in the redevelopment plan, supported by information that provides the basis for that determination, that the new municipal building is required to meet an increase in the need for public safety purposes anticipated to result from the implementation of the redevelopment plan;

(5) Costs of job training and retraining projects, including the cost of "welfare to work" programs implemented by businesses located within the redevelopment project area;

(6) Financing costs, including but not limited to all necessary and incidental expenses related to the issuance of obligations and which may include payment of interest on any obligations issued hereunder including interest accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and for not exceeding 36 months thereafter and including reasonable reserves related thereto;

(7) To the extent the municipality by written agreement accepts and approves the same, all or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred within a taxing district in furtherance of the objectives of the redevelopment plan and project.

(7.5) For redevelopment project areas designated (or redevelopment project areas amended to add or increase the number of tax-increment-financing assisted housing units) on or after November 1, 1999, an elementary, secondary, or unit school district's increased costs attributable to assisted housing units located within the redevelopment project area for which the developer or redeveloper receives financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the assisted housing sites necessary for the completion of that housing as authorized by this Act, and which costs shall be paid by the municipality from the Special Tax Allocation Fund when the tax increment revenue is received as a result of the assisted housing units and shall be calculated annually as follows:

(A) for foundation districts, excluding any school district in a municipality with a population in excess of 1,000,000, by multiplying the district's increase in attendance resulting from the net increase in new students enrolled in that school district who reside in housing units within the redevelopment project area that have received financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the housing sites necessary for the completion of that housing as authorized by this Act since the designation of the redevelopment project area by the most recently available per capita
tuition cost as defined in Section 10-20.12a of the School Code less any increase in
general State aid as defined in Section 18-8.05 of the School Code attributable to these
added new students subject to the following annual limitations:
   (i) for unit school districts with a district average 1995-96 Per Capita Tuition
       Charge of less than $5,900, no more than 25% of the total amount of property tax
       increment revenue produced by those housing units that have received tax increment
       finance assistance under this Act;
   (ii) for elementary school districts with a district average 1995-96 Per Capita
       Tuition Charge of less than $5,900, no more than 17% of the total amount of property
       tax increment revenue produced by those housing units that have received tax
       increment finance assistance under this Act; and
   (iii) for secondary school districts with a district average 1995-96 Per Capita
       Tuition Charge of less than $5,900, no more than 8% of the total amount of property
       tax increment revenue produced by those housing units that have received tax
       increment finance assistance under this Act.

(B) For alternate method districts, flat grant districts, and foundation districts with a
district average 1995-96 Per Capita Tuition Charge equal to or more than $5,900,
excluding any school district with a population in excess of 1,000,000, by multiplying the
district's increase in attendance resulting from the net increase in new students enrolled
in that school district who reside in housing units within the redevelopment project area
that have received financial assistance through an agreement with the municipality or
because the municipality incurs the cost of necessary infrastructure improvements within
the boundaries of the housing sites necessary for the completion of that housing as
authorized by this Act since the designation of the redevelopment project area by the most
recently available per capita tuition cost as defined in Section 10-20.12a of the School
Code less any increase in general state aid as defined in Section 18-8.05 of the School
Code attributable to these added new students subject to the following annual limitations:
   (i) for unit school districts, no more than 40% of the total amount of property
       tax increment revenue produced by those housing units that have received tax
       increment finance assistance under this Act;
   (ii) for elementary school districts, no more than 27% of the total amount of
       property tax increment revenue produced by those housing units that have received
       tax increment finance assistance under this Act; and
   (iii) for secondary school districts, no more than 13% of the total amount of
       property tax increment revenue produced by those housing units that have received
       tax increment finance assistance under this Act.

(C) For any school district in a municipality with a population in excess of 1,000,000,
the following restrictions shall apply to the reimbursement of increased costs under this
paragraph (7.5):
   (i) no increased costs shall be reimbursed unless the school district certifies
       that each of the schools affected by the assisted housing project is at or over its
       student capacity;
   (ii) the amount reimbursable shall be reduced by the value of any land
       donated to the school district by the municipality or developer, and by the value of
       any physical improvements made to the schools by the municipality or developer;
       and
   (iii) the amount reimbursed may not affect amounts otherwise obligated by
       the terms of any bonds, notes, or other funding instruments, or the terms of any
       redevelopment agreement.

Any school district seeking payment under this paragraph (7.5) shall, after July 1 and
before September 30 of each year, provide the municipality with reasonable evidence to
support its claim for reimbursement before the municipality shall be required to approve or
make the payment to the school district. If the school district fails to provide the information
during this period in any year, it shall forfeit any claim to reimbursement for that year. School
districts may adopt a resolution waiving the right to all or a portion of the reimbursement

otherwise required by this paragraph (7.5). By acceptance of this reimbursement the school district waives the right to directly or indirectly set aside, modify, or contest in any manner the establishment of the redevelopment project area or projects;

(8) Relocation costs to the extent that a municipality determines that relocation costs shall be paid or is required to make payment of relocation costs by federal or State law or in order to satisfy subparagraph (7) of subsection (n);

(9) Payment in lieu of taxes;

(10) Costs of job training, retraining, advanced vocational education or career education, including but not limited to courses in occupational, semi-technical or technical fields leading directly to employment, incurred by one or more taxing districts, provided that such costs (i) are related to the establishment and maintenance of additional job training, advanced vocational education or career education programs for persons employed or to be employed by employers located in a redevelopment project area; and (ii) when incurred by a taxing district or taxing districts other than the municipality, are set forth in a written agreement by or among the municipality and the taxing district or taxing districts, which agreement describes the program to be undertaken, including but not limited to the number of employees to be trained, a description of the training and services to be provided, the number and type of positions available or to be available, itemized costs of the program and sources of funds to pay for the same, and the term of the agreement. Such costs include, specifically, the payment by community college districts of costs pursuant to Sections 3-37, 3-38, 3-40 and 3-40.1 of the Public Community College Act and by school districts of costs pursuant to Sections 10-22.20a and 10-23.3a of The School Code;

(11) Interest cost incurred by a redeveloper related to the construction, renovation or rehabilitation of a redevelopment project provided that:

(A) such costs are to be paid directly from the special tax allocation fund established pursuant to this Act;

(B) such payments in any one year may not exceed 30% of the annual interest costs incurred by the redeveloper with regard to the redevelopment project during that year;

(C) if there are not sufficient funds available in the special tax allocation fund to make the payment pursuant to this paragraph (11) then the amounts so due shall accrue and be payable when sufficient funds are available in the special tax allocation fund;

(D) the total of such interest payments paid pursuant to this Act may not exceed 30% of the total (i) cost paid or incurred by the redeveloper for the redevelopment project plus (ii) redevelopment project costs excluding any property assembly costs and any relocation costs incurred by a municipality pursuant to this Act; and

(E) the cost limits set forth in subparagraphs (B) and (D) of paragraph (11) shall be modified for the financing of rehabilitated or new housing units for low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act. The percentage of 75% shall be substituted for 30% in subparagraphs (B) and (D) of paragraph (11).

(F) Instead of the eligible costs provided by subparagraphs (B) and (D) of paragraph (11), as modified by this subparagraph, and notwithstanding any other provisions of this Act to the contrary, the municipality may pay from tax increment revenues up to 50% of the cost of construction of new housing units to be occupied by low-income households and very low-income households as defined in Section 3 of the Illinois Affordable Housing Act. The cost of construction of those units may be derived from the proceeds of bonds issued by the municipality under this Act or other constitutional or statutory authority or from other sources of municipal revenue that may be reimbursed from tax increment revenues or the proceeds of bonds issued to finance the construction of that housing.

The eligible costs provided under this subparagraph (F) of paragraph (11) shall be an eligible cost for the construction, renovation, and rehabilitation of all low and very low-income housing units, as defined in Section 3 of the Illinois Affordable Housing Act, within the redevelopment project area. If the low and very low-income units are part of a residential redevelopment project that includes units not affordable to low and very
low-income households, only the low and very low-income units shall be eligible for benefits under subparagraph (F) of paragraph (11). The standards for maintaining the occupancy by low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act, of those units constructed with eligible costs made available under the provisions of this subparagraph (F) of paragraph (11) shall be established by guidelines adopted by the municipality. The responsibility for annually documenting the initial occupancy of the units by low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act, shall be that of the then current owner of the property. For ownership units, the guidelines will provide, at a minimum, for a reasonable recapture of funds, or other appropriate methods designed to preserve the original affordability of the ownership units. For rental units, the guidelines will provide, at a minimum, for the affordability of rent to low and very low-income households. As units become available, they shall be rented to income-eligible tenants. The municipality may modify these guidelines from time to time; the guidelines, however, shall be in effect for as long as tax increment revenue is being used to pay for costs associated with the units or for the retirement of bonds issued to finance the units or for the life of the redevelopment project area, whichever is later.

(11.5) If the redevelopment project area is located within a municipality with a population of more than 100,000, the cost of day care services for children of employees from low-income families working for businesses located within the redevelopment project area and all or a portion of the cost of operation of day care centers established by redevelopment project area businesses to serve employees from low-income families working in businesses located in the redevelopment project area. For the purposes of this paragraph, "low-income families" means families whose annual income does not exceed 80% of the municipal, county, or regional median income, adjusted for family size, as the annual income and municipal, county, or regional median income are determined from time to time by the United States Department of Housing and Urban Development.

(12) Unless explicitly stated herein the cost of construction of new privately-owned buildings shall not be an eligible redevelopment project cost.

(13) After November 1, 1999 (the effective date of Public Act 91-478), none of the redevelopment project costs enumerated in this subsection shall be eligible redevelopment project costs if those costs would provide direct financial support to a retail entity initiating operations in the redevelopment project area while terminating operations at another Illinois location within 10 miles of the redevelopment project area but outside the boundaries of the redevelopment project area municipality. For purposes of this paragraph, termination means a closing of a retail operation that is directly related to the opening of the same operation or like retail entity owned or operated by more than 50% of the original ownership in a redevelopment project area, but it does not mean closing an operation for reasons beyond the control of the retail entity, as documented by the retail entity, subject to a reasonable finding by the municipality that the current location contained inadequate space, had become economically obsolete, or was no longer a viable location for the retailer or serviceman.

If a special service area has been established pursuant to the Special Service Area Tax Act or Special Service Area Tax Law, then any tax increment revenues derived from the tax imposed pursuant to the Special Service Area Tax Act or Special Service Area Tax Law may be used within the redevelopment project area for the purposes permitted by that Act or Law as well as the purposes permitted by this Act.

(r) "State Sales Tax Boundary" means the redevelopment project area or the amended redevelopment project area boundaries which are determined pursuant to subsection (9) of Section 11-74.4-8a of this Act. The Department of Revenue shall certify pursuant to subsection (9) of Section 11-74.4-8a the appropriate boundaries eligible for the determination of State Sales Tax Increment.

(s) "State Sales Tax Increment" means an amount equal to the increase in the aggregate amount of taxes paid by retailers and servicemen, other than retailers and servicemen subject to the Public Utilities Act, on transactions at places of business located within a State Sales Tax Boundary pursuant to the Retailers' Occupation Tax Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act, except such portion of such increase that is paid into the State and Local
Sales Tax Reform Fund, the Local Government Distributive Fund, the Local Government Tax Fund and the County and Mass Transit District Fund, for as long as State participation exists, over and above the Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts for such taxes as certified by the Department of Revenue and paid under those Acts by retailers and servicemen on transactions at places of business located within the State Sales Tax Boundary during the base year which shall be the calendar year immediately prior to the year in which the municipality adopted tax increment allocation financing, less 3.0% of such amounts generated under the Retailers' Occupation Tax Act, Use Tax Act and Service Use Tax Act and the Service Occupation Tax Act, which sum shall be appropriated to the Department of Revenue to cover its costs of administering and enforcing this Section. For purposes of computing the aggregate amount of such taxes for base years occurring prior to 1985, the Department of Revenue shall compute the Initial Sales Tax Amount for such taxes and deduct therefrom an amount equal to 4% of the aggregate amount of taxes per year for each year the base year is prior to 1985, but not to exceed a total deduction of 12%. The amount so determined shall be known as the "Adjusted Initial Sales Tax Amount". For purposes of determining the State Sales Tax Increment the Department of Revenue shall for each period subtract from the tax amounts received from retailers and servicemen on transactions located in the State Sales Tax Boundary, the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or Revised Initial Sales Tax Amounts for the Retailers' Occupation Tax Act, the Use Tax Act, the Service Use Tax Act and the Service Occupation Tax Act. For the State Fiscal Year 1989 this calculation shall be made by utilizing the calendar year 1987 to determine the tax amounts received. For the State Fiscal Year 1990, this calculation shall be made by utilizing the period from January 1, 1988, until September 30, 1988, to determine the tax amounts received from retailers and servicemen, which shall have deducted therefrom nine-twelfths of the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For the State Fiscal Year 1991, this calculation shall be made by utilizing the period from October 1, 1988, until June 30, 1989, to determine the tax amounts received from retailers and servicemen, which shall have deducted therefrom nine-twelfths of the certified Initial State Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For every State Fiscal Year thereafter, the applicable period shall be the 12 months beginning July 1 and ending on June 30, to determine the tax amounts received which shall have deducted therefrom the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts. Municipalities intending to receive a distribution of State Sales Tax Increment must report a list of retailers to the Department of Revenue by October 31, 1988 and by July 31, of each year thereafter.

(t) "Taxing districts" means counties, townships, cities and incorporated towns and villages, school, road, park, sanitary, mosquito abatement, forest preserve, public health, fire protection, river conservancy, tuberculosis sanitarium and any other municipal corporations or districts with the power to levy taxes.

(u) "Taxing districts' capital costs" means those costs of taxing districts for capital improvements that are found by the municipal corporate authorities to be necessary and directly result from the redevelopment project.

(v) As used in subsection (a) of Section 11-74.4-3 of this Act, "vacant land" means any parcel or combination of parcels of real property without industrial, commercial, and residential buildings which has not been used for commercial agricultural purposes within 5 years prior to the designation of the redevelopment project area, unless the parcel is included in an industrial park conservation area or the parcel has been subdivided; provided that if the parcel was part of a larger tract that has been divided into 3 or more smaller tracts that were accepted for recording during the period from 1950 to 1990, then the parcel shall be deemed to have been subdivided, and all proceedings and actions of the municipality taken in that connection with respect to any previously approved or designated redevelopment project area or amended redevelopment project area are hereby validated and hereby declared to be legally sufficient for all purposes of this Act. For purposes of this Section and only for land subject to the subdivision requirements of the Plat Act, land is subdivided when the original plat of the proposed Redevelopment Project Area or relevant portion thereof has been properly certified, acknowledged, approved, and recorded or filed in accordance with the Plat Act and a preliminary plat, if any, for any subsequent phases of the proposed Redevelopment Project Area or relevant portion.
thereof has been properly approved and filed in accordance with the applicable ordinance of the municipality.

(w) "Annual Total Increment" means the sum of each municipality's annual Net Sales Tax Increment and each municipality's annual Net Utility Tax Increment. The ratio of the Annual Total Increment of each municipality to the Annual Total Increment for all municipalities, as most recently calculated by the Department, shall determine the proportional shares of the Illinois Tax Increment Fund to be distributed to each municipality.

Sec. 11-74.4-4.1. Feasibility study.
(a) If a municipality by its corporate authorities, or as it may determine by any commission designated under subsection (k) of Section 11-74.4-4, adopts an ordinance or resolution providing for a feasibility study on the designation of an area as a redevelopment project area, a copy of the ordinance or resolution shall immediately be sent to all taxing districts that would be affected by the designation.

On and after the effective date of this amendatory Act of the 91st General Assembly, the ordinance or resolution shall include:

(1) The boundaries of the area to be studied for possible designation as a redevelopment project area.
(2) The purpose or purposes of the proposed redevelopment plan and project.
(3) A general description of tax increment allocation financing under this Act.
(4) The name, phone number, and address of the municipal officer who can be contacted for additional information about the proposed redevelopment project area and who should receive all comments and suggestions regarding the redevelopment of the area to be studied.

(b) If one of the purposes of the planned redevelopment project area should reasonably be expected to result in the displacement of residents from 10 or more inhabited residential units, the municipality shall adopt a resolution or ordinance providing for the feasibility study described in subsection (a). The ordinance or resolution shall also require that the feasibility study include the preparation of the housing impact study set forth in paragraph (5) of subsection (n) of Section 11-74.4-3. If the redevelopment plan will not result in displacement of 10 or more residents from inhabited units, and the municipality certifies in the plan that such displacement will not result from the plan, then a resolution or ordinance need not be adopted.

Sec. 11-74.4-5. (a) The changes made by this amendatory Act of the 91st General Assembly do not apply to a municipality that, (i) before the effective date of this amendatory Act of the 91st General Assembly, has adopted an ordinance or resolution fixing a time and place for a public hearing under this Section or (ii) before July 1, 1999, has adopted an ordinance or resolution providing for a feasibility study under Section 11-74.4-4.1, but has not yet adopted an ordinance approving redevelopment plans and redevelopment projects or designating redevelopment project areas under Section 11-74.4-4, until after that municipality adopts an ordinance approving redevelopment plans and redevelopment projects or designating redevelopment project areas under Section 11-74.4-4; thereafter the changes made by this amendatory Act of the 91st General Assembly apply to the same extent that they apply to redevelopment plans and redevelopment projects that were approved and redevelopment projects that were designated before the effective date of this amendatory Act of the 91st General Assembly.

Prior to the adoption of an ordinance proposing the designation of a redevelopment project area, or approving a redevelopment plan or redevelopment project, the municipality by its corporate authorities, or as it may determine by any commission designated under subsection (k) of Section 11-74.4-4 shall adopt an ordinance or resolution fixing a time and place for public hearing. At least 10 days prior to the adoption of the ordinance or resolution establishing the time and place for the public hearing, the municipality shall make available for public inspection a redevelopment plan or a separate report that provides in reasonable detail the basis for the eligibility of the redevelopment project area. The report along with the name of a person to contact for further information shall be sent
within a reasonable time after the adoption of such ordinance or resolution to the affected taxing districts by certified mail. On and after the effective date of this amendatory Act of the 91st General Assembly, the municipality shall print in a newspaper of general circulation within the municipality a notice that interested persons may register with the municipality in order to receive information on the proposed designation of a redevelopment project area or the approval of a redevelopment plan. The notice shall state the place of registration and the operating hours of that place. The municipality shall have adopted reasonable rules to implement this registration process under Section 11-74.4-4.2. The municipality shall provide notice of the availability of the redevelopment plan and eligibility report, including how to obtain this information, by mail within a reasonable time after the adoption of the ordinance or resolution, to all residential addresses that, after a good faith effort, the municipality determines are located within 750 feet of the boundaries of the proposed redevelopment project area. This requirement is subject to the limitation that in a municipality with a population of over 100,000, if the total number of residential addresses within 750 feet of the boundaries of the proposed redevelopment project area exceeds 750, the municipality shall be required to provide the notice to only the 750 residential addresses that, after a good faith effort, the municipality determines are closest to the boundaries of the proposed redevelopment project area. The notice shall also be provided by the municipality, regardless of its population, to those organizations and residents that have registered with the municipality for that information in accordance with the registration guidelines established by the municipality under Section 11-74.4-4.2. Notice of the availability of the redevelopment plan and eligibility report, including how to obtain this information, shall also be sent by mail within a reasonable time after the adoption of the ordinance or resolution to all residents within the postal zip code area or areas contained in whole or in part within the proposed redevelopment project area or organizations that operate in the municipality that have registered with the municipality for that information in accordance with the registration guidelines established by the municipality under Section 11-74.4-4.2.

At the public hearing any interested person or affected taxing district may file with the municipal clerk written objections to and may be heard orally in respect to any issues embodied in the notice. The municipality shall hear and determine all protests and objections at the hearing and the hearing may be adjourned to another date without further notice other than a motion to be entered upon the minutes fixing the time and place of the subsequent hearing. At the public hearing or at any time prior to the adoption by the municipality of an ordinance approving a redevelopment plan, the municipality may make changes in the redevelopment plan. Changes which (1) add additional parcels of property to the proposed redevelopment project area, (2) substantially affect the general land uses proposed in the redevelopment plan, (3) substantially change the nature of or extend the life of the redevelopment project, or (4) increase the number of low or very low income households to be displaced from the redevelopment project area, provided that measured from the time of creation of the redevelopment project area the total displacement of the households will exceed 10, shall be made only after the municipality gives notice, convenes a joint review board, and conducts a public hearing pursuant to the procedures set forth in this Section and in Section 11-74.4-6 of this Act. Changes which do not (1) add additional parcels of property to the proposed redevelopment project area, (2) substantially affect the general land uses proposed in the redevelopment plan, (3) substantially change the nature of or extend the life of the redevelopment project, or (4) increase the number of low or very low income households to be displaced from the redevelopment project area, provided that measured from the time of creation of the redevelopment project area the total displacement of the households will exceed 10, may be made without further hearing, provided that the municipality shall give notice of any such changes by mail to each affected taxing district and registrant on the interested parties registry, provided for under Section 11-74.4-4.2, and by publication in a newspaper of general circulation within the affected taxing district. Such notice by mail and by publication shall each occur not later than 10 days following the adoption by ordinance of such changes. Hearings with regard to a redevelopment project area, project or plan may be held simultaneously.

(b) Prior to holding a public hearing to approve or amend a redevelopment plan or to designate or add additional parcels of property to a redevelopment project area, the municipality shall convene a joint review board. The board shall consist of a representative selected by each community college district, local elementary school district and high school district or each local community unit school district, park district, library district, township, fire protection district, and county that will have the

authority to directly levy taxes on the property within the proposed redevelopment project area at the
time that the proposed redevelopment project area is approved, a representative selected by the
municipality and a public member. The public member shall first be selected and then the board's
chairperson shall be selected by a majority of the board members present and voting.

For redevelopment project areas with redevelopment plans or proposed redevelopment plans
that would result in the displacement of residents from 10 or more inhabited residential units or that
include 75 or more inhabited residential units, the public member shall be a person who resides in the
redevelopment project area. If, as determined by the housing impact study provided for in paragraph
(5) of subsection (n) of Section 11-74.4-3, or if no housing impact study is required then based on
other reasonable data, the majority of residential units are occupied by very low, low, or moderate
income households, as defined in Section 3 of the Illinois Affordable Housing Act, the public member
shall be a person who resides in very low, low, or moderate income housing within the redevelopment
project area. Municipalities with fewer than 15,000 residents shall not be required to select a person
who lives in very low, low, or moderate income housing within the redevelopment project area,
provided that the redevelopment plan or project will not result in displacement of residents from 10
or more inhabited units, and the municipality so certifies in the plan. If no person satisfying these
requirements is available or if no qualified person will serve as the public member, then the joint
review board is relieved of this paragraph's selection requirements for the public member.

Within 90 days of the effective date of this amendatory Act of the 91st General Assembly,
each municipality that designated a redevelopment project area for which it was not required to
convene a joint review board under this Section shall convene a joint review board to perform the
duties specified under paragraph (c) of this Section.

All board members shall be appointed and the first board meeting shall be held following at
least 14 days but not more than 28 days after the mailing of notice by the municipality to all the taxing
districts as required by Section 11-74.4-6(c). Notwithstanding the preceding sentence, a municipality
that adopted either a public hearing resolution or a feasibility resolution between July 1, 1999 and
July 1, 2000 that called for the meeting of the joint review board within 14 days of notice of public
hearing to affected taxing districts is deemed to be in compliance with the notice, meeting, and public
hearing provisions of the Act. Such notice shall also advise the taxing bodies represented on the joint
review board of the time and place of the first meeting of the board. Additional meetings of the board
shall be held upon the call of any member. The municipality seeking designation of the redevelopment
project area shall provide administrative support to the board.

The board shall review (i) the public record, planning documents and proposed ordinances
approving the redevelopment plan and project and (ii) proposed amendments to the redevelopment
plan or additions of parcels of property to the redevelopment project area to be adopted by the
municipality. As part of its deliberations, the board may hold additional hearings on the proposal. A
board's recommendation shall be an advisory, non-binding recommendation. The recommendation
shall be adopted by a majority of those members present and voting. The recommendations shall be
submitted to the municipality within 30 days after convening of the board. Failure of the board to
submit its report on a timely basis shall not be cause to delay the public hearing or any other step in
the process of designating or amending the redevelopment project area but shall be deemed to
constitute approval by the joint review board of the matters before it.

The board shall base its recommendation to approve or disapprove the redevelopment plan
and the designation of the redevelopment project area or the amendment of the redevelopment plan
or addition of parcels of property to the redevelopment project area to be adopted by the municipality
on the basis of the redevelopment project area and redevelopment plan satisfying the plan requirements,
the eligibility criteria defined in Section 11-74.4-3, and the objectives of this Act.

The board shall issue a written report describing why the redevelopment plan and project area
or the amendment thereof meets or fails to meet one or more of the objectives of this Act and both the
plan requirements and the eligibility criteria defined in Section 11-74.4-3. In the event the Board does
not file a report it shall be presumed that these taxing bodies find the redevelopment project area
and redevelopment plan satisfy the objectives of this Act and the plan requirements and eligibility criteria.

If the board recommends rejection of the matters before it, the municipality will have 30 days
within which to resubmit the plan or amendment. During this period, the municipality will meet and
confer with the board and attempt to resolve those issues set forth in the board's written report that led
lead to the rejection of the plan or amendment.

Notwithstanding the resubmission set forth above, the municipality may commence the scheduled public hearing and either adjourn the public hearing or continue the public hearing until a date certain. Prior to continuing any public hearing to a date certain, the municipality shall announce during the public hearing the time, date, and location for the reconvening of the public hearing. Any changes to the redevelopment plan necessary to satisfy the issues set forth in the joint review board report shall be the subject of a public hearing before the hearing is adjourned if the changes would (1) substantially affect the general land uses proposed in the redevelopment plan, (2) substantially change the nature of or extend the life of the redevelopment project, or (3) increase the number of low or very low income households to be displaced from the redevelopment project area, provided that measured from the time of creation of the redevelopment project area the total displacement of the households will exceed 10. Changes to the redevelopment plan necessary to satisfy the issues set forth in the joint review board report shall not require any further notice or convening of a joint review board meeting, except that any changes to the redevelopment plan that would add additional parcels of property to the proposed redevelopment project area shall be subject to the notice, public hearing, and joint review board meeting requirements established for such changes by subsection (a) of Section 11-74.4-5.

In the event that the municipality and the board are unable to resolve these differences, or in the event that the resubmitted plan or amendment is rejected by the board, the municipality may proceed with the plan or amendment, but only upon a three-fifths vote of the corporate authority responsible for approval of the plan or amendment, excluding positions of members that are vacant and those members that are ineligible to vote because of conflicts of interest.

(c) After a municipality has by ordinance approved a redevelopment plan and designated a redevelopment project area, the plan may be amended and additional properties may be added to the redevelopment project area only as herein provided. (65 ILCS 5/11-74.4-7) (from Ch. 24, par. 11-74.4-7)

Sec. 11-74.4-7. Obligations secured by the special tax allocation fund set forth in Section 11-74.4-8 for the redevelopment project area may be issued to provide for redevelopment project costs. Such obligations, when so issued, shall be retired in the manner provided in the ordinance authorizing the issuance of such obligations by the receipts of taxes levied as specified in Section 11-74.4-9 against the taxable property included in the area, by revenues as specified by Section 11-74.4-8a and other revenue designated by the municipality. A municipality may in the ordinance pledge all or any part of the funds in and to be deposited in the special tax allocation fund created pursuant to Section 11-74.4-8 to the payment of the redevelopment project costs and obligations. Any pledge of funds in the special tax allocation fund shall provide for distribution to the taxing districts and to the Illinois Department of Revenue of moneys not required, pledged, earmarked, or otherwise designated for payment and securing of the obligations and anticipated redevelopment project costs and such excess funds shall be calculated annually and deemed to be "surplus" funds. In the event a municipality only applies or pledges a portion of the funds in the special tax allocation fund for the payment or securing of anticipated redevelopment project costs or of obligations, any such funds remaining in the special tax allocation fund after complying with the requirements of the application or pledge, shall also be calculated annually and deemed "surplus" funds. All surplus funds in the special tax allocation fund shall be distributed annually within 180 days after the close of the municipality's fiscal year by being paid by the municipal treasurer to the County Collector, to the

The County Collector shall thereafter make distribution to the respective taxing districts in the same manner and proportion as the most recent distribution by the county collector to the affected districts of real property taxes from real property in the redevelopment project area.

Without limiting the foregoing in this Section, the municipality may in addition to obligations secured by the special tax allocation fund pledge for a period not greater than the term of the obligations towards payment of such obligations any part or any combination of the following: (a) net revenues of all or part of any redevelopment project; (b) taxes levied and collected on any or all property in the municipality; (c) the full faith and credit of the municipality; (d) a mortgage on part or all of the redevelopment project; or (e) any other taxes or anticipated receipts that the municipality may lawfully pledge.
