All obligations heretofore or hereafter issued pursuant to this Act shall not be regarded as indebtedness of the municipality issuing such obligations or any other taxing district for the purpose of any limitation imposed by law.

Section 99. Effective date. This Act takes effect upon becoming law.

PUBLIC ACT 92-0408
(House Bill No. 0632)

AN ACT in relation to children.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 1. Short title. This Act may be cited as the Abandoned Newborn Infant Protection Act.

New matter indicated by italics - deletions by strikeout.
Section 5. Public policy. Illinois recognizes that newborn infants have been abandoned to the environment or to other circumstances that may be unsafe to the newborn infant. These circumstances have caused injury and death to newborn infants and give rise to potential civil or criminal liability to parents who may be under severe emotional distress. This Act is intended to provide a mechanism for a newborn infant to be relinquished to a safe environment and for the parents of the infant to remain anonymous if they choose and to avoid civil or criminal liability for the act of relinquishing the infant. It is recognized that establishing an adoption plan is preferable to relinquishing a child using the procedures outlined in this Act, but to reduce the chance of injury to a newborn infant, this Act provides a safer alternative.

A public information campaign on this delicate issue shall be implemented to encourage parents considering abandonment of their newborn child to relinquish the child under the procedures outlined in this Act, to choose a traditional adoption plan, or to parent a child themselves rather than place the newborn infant in harm's way.

Section 10. Definitions. In this Act:
"Abandon" has the same meaning as in the Abused and Neglected Child Reporting Act.
"Abused child" has the same meaning as in the Abused and Neglected Child Reporting Act.
"Child-placing agency" means a licensed public or private agency that receives a child for the purpose of placing or arranging for the placement of the child in a foster family home or other facility for child care, apart from the custody of the child's parents.
"Department" or "DCFS" means the Illinois Department of Children and Family Services.
"Emergency medical facility" means a freestanding emergency center or trauma center, as defined in the Emergency Medical Services (EMS) Systems Act.
"Emergency medical professional" includes licensed physicians, and any emergency medical technician-basic, emergency medical technician-intermediate, emergency medical technician-paramedic, trauma nurse specialist, and pre-hospital RN, as defined in the Emergency Medical Services (EMS) Systems Act.
"Fire station" means a fire station within the State that is staffed with at least one full-time emergency medical professional.
"Hospital" has the same meaning as in the Hospital Licensing Act.
"Legal custody" means the relationship created by a court order in the best interest of a newborn infant that imposes on the infant's custodian the responsibility of physical possession of the infant, the duty to protect, train, and discipline the infant, and the duty to provide the infant with food, shelter, education, and medical care, except as these are limited by parental rights and responsibilities.
"Neglected child" has the same meaning as in the Abused and Neglected Child Reporting Act.
"Newborn infant" means a child who a licensed physician reasonably believes is 72 hours old or less at the time the child is initially relinquished to a hospital, fire station, or emergency medical facility, and who is not an abused or a neglected child.
"Relinquish" means to bring a newborn infant, who a licensed physician reasonably believes is 72 hours old or less, to a hospital, fire station, or emergency medical facility and to leave the infant with personnel of the facility, if the person leaving the infant does not express an intent to return for the infant or states that he or she will not return for the infant. In the case of a mother who gives birth to an infant in a hospital, the mother's act of leaving that newborn infant at the hospital (i) without expressing an intent to return for the infant or (ii) stating that she will not return for the infant is not a "relinquishment" under this Act.
"Temporary protective custody" means the temporary placement of a newborn infant within a hospital or other medical facility out of the custody of the infant's parent.

Section 15. Presumptions.
(a) There is a presumption that by relinquishing a newborn infant in accordance with this Act, the infant's parent consents to the termination of his or her parental rights with respect to the infant.
(b) There is a presumption that a person relinquishing a newborn infant in accordance with this Act:

(1) is the newborn infant's biological parent; and
(2) either without expressing an intent to return for the infant or expressing an intent not to return for the infant, did intend to relinquish the infant to the hospital, fire station, or emergency medical facility to treat, care for, and provide for the infant in accordance with this Act.

New matter indicated by italics - deletions by strikeout.
A parent of a relinquished newborn infant may rebut the presumption set forth in either subsection (a) or subsection (b) pursuant to Section 55, at any time before the termination of the parent's parental rights.

Section 20. Procedures with respect to relinquished newborn infants.

(a) Hospitals. Every hospital must accept and provide all necessary emergency services and care to a relinquished newborn infant, in accordance with this Act. The hospital shall examine a relinquished newborn infant and perform tests that, based on reasonable medical judgment, are appropriate in evaluating whether the relinquished newborn infant was abused or neglected.

The act of relinquishing a newborn infant serves as implied consent for the hospital and its medical personnel and physicians on staff to treat and provide care for the infant.

The hospital shall be deemed to have temporary protective custody of a relinquished newborn infant until the infant is discharged to the custody of a child-placing agency or the Department.

(b) Fire stations and emergency medical facilities. Every fire station and emergency medical facility must accept and provide all necessary emergency services and care to a relinquished newborn infant, in accordance with this Act.

The act of relinquishing a newborn infant serves as implied consent for the fire station or emergency medical facility and its emergency medical professionals to treat and provide care for the infant, to the extent that those emergency medical professionals are trained to provide those services.

After the relinquishment of a newborn infant to a fire station or emergency medical facility, the fire station or emergency medical facility's personnel must arrange for the transportation of the infant to the nearest hospital as soon as transportation can be arranged.

If the parent of a newborn infant returns to reclaim the child within 72 hours after relinquishing the child to a fire station or emergency medical facility, the fire station or emergency medical facility must inform the parent of the name and location of the hospital to which the infant was transported.

Section 25. Immunity for relinquishing person.

(a) The act of relinquishing a newborn infant to a hospital, fire station, or emergency medical facility in accordance with this Act does not, by itself, constitute a basis for a finding of abuse, neglect, or abandonment of the infant pursuant to the laws of this State nor does it, by itself, constitute a violation of Section 12-21.5 or 12-21.6 of the Criminal Code of 1961.

(b) If there is suspected child abuse or neglect that is not based solely on the newborn infant's relinquishment to a hospital, fire station, or emergency medical facility, the personnel of the hospital, fire station, or emergency medical facility who are mandated reporters under the Abused and Neglected Child Reporting Act must report the abuse or neglect pursuant to that Act.

(c) Neither a child protective investigation nor a criminal investigation may be initiated solely because a newborn infant is relinquished pursuant to this Act.

Section 27. Immunity of facility and personnel. A hospital, fire station, or emergency medical facility, and any personnel of a hospital, fire station, or emergency medical facility, are immune from criminal or civil liability for acting in good faith in accordance with this Act. Nothing in this Act limits liability for negligence for care and medical treatment.

Section 30. Anonymity of relinquishing person. If there is no evidence of abuse or neglect of a relinquished newborn infant, the relinquishing person has the right to remain anonymous and to leave the hospital, fire station, or emergency medical facility at any time and not be pursued or followed. Before the relinquishing person leaves the hospital, fire station, or emergency medical facility, the hospital, fire station, or emergency medical facility personnel shall i) verbally inform the relinquishing person that by relinquishing the child anonymously, he or she will have to petition the court if he or she desires to prevent the termination of parental rights and regain custody of the child and ii) shall offer the relinquishing person the information packet described in Section 35 of this Act.

However, nothing in this Act shall be construed as precluding the relinquishing person from providing his or her identity or completing the application forms for the Illinois Adoption Registry and Medical Information Exchange and requesting that the hospital, fire station, or emergency medical facility forward those forms to the Illinois Adoption Registry and Medical Information Exchange.

Section 35. Information for relinquishing person. A hospital, fire station, or emergency medical facility that receives a newborn infant relinquished in accordance with this Act must offer an
information packet to the relinquishing person and, if possible, must clearly inform the relinquishing person that his or her acceptance of the information is completely voluntary, that registration with the Illinois Adoption Registry and Medical Information Exchange is voluntary, that the person will remain anonymous if he or she completes a Denial of Information Exchange, and that the person has the option to provide medical information only and still remain anonymous. The information packet must include all of the following:

1. All Illinois Adoption Registry and Medical Information Exchange application forms, including the Medical Information Exchange Questionnaire and the web site address and toll free phone number of the Registry.
2. Written notice of the following:
   (A) No sooner than 60 days following the date of the initial relinquishment of the infant to a hospital, fire station, or emergency medical facility, the child-placing agency or the Department will commence proceedings for the termination of parental rights and placement of the infant for adoption.
   (B) Failure of a parent of the infant to contact the Department and petition for the return of custody of the infant before termination of parental rights bars any future action asserting legal rights with respect to the infant.
3. A resource list of providers of counseling services including grief counseling, pregnancy counseling, and counseling regarding adoption and other available options for placement of the infant.

Upon request, the Department of Public Health shall provide the application forms for the Illinois Adoption Registry and Medical Information Exchange to hospitals, fire stations, and emergency medical facilities.

Section 40. Reporting requirements.
(a) Within 12 hours after accepting a newborn infant from a relinquishing person or from a fire station or emergency medical facility in accordance with this Act, a hospital must report to the Department's State Central Registry for the purpose of transferring physical custody of the infant from the hospital to either a child-placing agency or the Department.
(b) Within 24 hours after receiving a report under subsection (a), the Department must request assistance from law enforcement officials to investigate the matter using the National Crime Information Center to ensure that the relinquished newborn infant is not a missing child.
(c) Once a hospital has made a report to the Department under subsection (a), the Department must arrange for a licensed child-placing agency to accept physical custody of the relinquished newborn infant.
(d) If a relinquished child is not a newborn infant as defined in this Act, the hospital and the Department must proceed as if the child is an abused or neglected child.

Section 45. Medical assistance. Notwithstanding any other provision of law, a newborn infant relinquished in accordance with this Act shall be deemed eligible for medical assistance under the Illinois Public Aid Code, and a hospital providing medical services to such an infant shall be reimbursed for those services in accordance with the payment methodologies authorized under that Code. In addition, for any day that a hospital has custody of a newborn infant relinquished in accordance with this Act and the infant does not require medically necessary care, the hospital shall be reimbursed by the Illinois Department of Public Aid at the general acute care per diem rate, in accordance with 89 Ill. Adm. Code 148.270(c).

Section 50. Child-placing agency procedures.
(a) The Department's State Central Registry must maintain a list of licensed child-placing agencies willing to take legal custody of newborn infants relinquished in accordance with this Act. The child-placing agencies on the list must be contacted by the Department on a rotating basis upon notice from a hospital that a newborn infant has been relinquished in accordance with this Act.
(b) Upon notice from the Department that a newborn infant has been relinquished in accordance with this Act, a child-placing agency must accept the newborn infant if the agency has the accommodations to do so. The child-placing agency must seek an order for legal custody of the infant upon its acceptance of the infant.
(c) Within 3 business days after assuming physical custody of the infant, the child-placing agency shall file a petition in the division of the circuit court in which petitions for adoption would

New matter indicated by italics - deletions by strikeout.
normally be heard. The petition shall allege that the newborn infant has been relinquished in accordance with this Act and shall state that the child-placing agency intends to place the infant in an adoptive home.

(d) If no licensed child-placing agency is able to accept the relinquished newborn infant, then the Department must assume responsibility for the infant as soon as practicable.

(e) A custody order issued under subsection (b) shall remain in effect until a final adoption order based on the relinquished newborn infant's best interests is issued in accordance with this Act and the Adoption Act.

(f) When possible, the child-placing agency must place a relinquished newborn infant in a prospective adoptive home.

(g) The Department or child-placing agency must initiate proceedings to (i) terminate the parental rights of the relinquished newborn infant's known or unknown parents, (ii) appoint a guardian for the infant, and (iii) obtain consent to the infant's adoption in accordance with this Act no sooner than 60 days following the date of the initial relinquishment of the infant to the hospital, fire station, or emergency medical facility.

(h) Before filing a petition for termination of parental rights, the Department or child-placing agency must do the following:

(1) Search its Putative Father Registry for the purpose of determining the identity and location of the putative father of the relinquished newborn infant who is, or is expected to be, the subject of an adoption proceeding, in order to provide notice of the proceeding to the putative father. At least one search of the Registry must be conducted, at least 30 days after the relinquished newborn infant's estimated date of birth; earlier searches may be conducted, however. Notice to any potential putative father discovered in a search of the Registry according to the estimated age of the relinquished newborn infant must be in accordance with Section 12a of the Adoption Act.

(2) Verify with law enforcement officials, using the National Crime Information Center, that the relinquished newborn infant is not a missing child.

Section 55. Petition for return of custody.

(a) A parent of a newborn infant relinquished in accordance with this Act may petition for the return of custody of the infant before the termination of parental rights with respect to the infant.

(b) A parent of a newborn infant relinquished in accordance with this Act may petition for the return of custody of the infant by contacting the Department for the purpose of obtaining the name of the child-placing agency and then filing a petition for return of custody in the circuit court in which the proceeding for the termination of parental rights is pending.

(c) If a petition for the termination of parental rights has not been filed by the Department or the child-placing agency, the parent of the relinquished newborn infant must contact the Department, which must notify the parent of the appropriate court in which the petition for return of custody must be filed.

(d) The circuit court may hold the proceeding for the termination of parental rights in abeyance for a period not to exceed 60 days from the date that the petition for return of custody was filed without a showing of good cause. During that period:

(1) The court shall order genetic testing to establish maternity or paternity, or both.

(2) The Department shall conduct a child protective investigation and home study to develop recommendations to the court.

(3) When indicated as a result of the Department's investigation and home study, further proceedings under the Juvenile Court Act of 1987 as the court determines appropriate, may be conducted. However, relinquishment of a newborn infant in accordance with this Act does not render the infant abused, neglected, or abandoned solely because the newborn infant was relinquished to a hospital, fire station, or emergency medical facility in accordance with this Act.

(e) Failure to file a petition for the return of custody of a relinquished newborn infant before the termination of parental rights bars any future action asserting legal rights with respect to the infant unless the parent's act of relinquishment that led to the termination of parental rights involved fraud perpetrated against and not stemming from or involving the parent. No action to void or revoke the termination of parental rights of a parent of a newborn infant relinquished in accordance with this Act,
including an action based on fraud, may be commenced after 12 months after the date that the newborn infant was initially relinquished to a hospital, fire station, or emergency medical facility.

Section 60. Department's duties. The Department must implement a public information program to promote safe placement alternatives for newborn infants. The public information program must inform the public of the following:

(1) The relinquishment alternative provided for in this Act, which results in the adoption of a newborn infant under 72 hours of age and which provides for the parent's anonymity, if the parent so chooses.

(2) The alternative of adoption through a public or private agency, in which the parent's identity may or may not be known to the agency, but is kept anonymous from the adoptive parents, if the birth parent so desires, and which allows the parent to be actively involved in the child's adoption plan.

The public information program may include, but need not be limited to, the following elements:

(i) Educational and informational materials in print, audio, video, electronic or other media.

(ii) Establishment of a web site.

(iii) Public service announcements and advertisements.

(iv) Establishment of toll-free telephone hotlines to provide information.

Section 65. Evaluation.

(a) The Department shall collect and analyze information regarding the relinquishment of newborn infants and placement of children under this Act. Fire stations, emergency medical facilities, and medical professionals accepting and providing services to a newborn infant under this Act shall report to the Department data necessary for the Department to evaluate and determine the effect of this Act in the prevention of injury or death of newborn infants. Child-placing agencies shall report to the Department data necessary to evaluate and determine the effectiveness of these agencies in providing child protective and child welfare services to newborn infants relinquished under this Act.

(b) The information collected shall include, but need not be limited to: the number of newborn infants relinquished; the services provided to relinquished newborn infants; the outcome of care for the relinquished newborn infants; the number and disposition of cases of relinquished newborn infants subject to placement; the number of children accepted and served by child-placing agencies; and the services provided by child-placing agencies and the disposition of the cases of the children placed under this Act.

(c) The Department shall submit a report by January 1, 2002, and on January 1 of each year thereafter, to the Governor and General Assembly regarding the prevention of injury or death of newborn infants and the effect of placements of children under this Act. The report shall include, but need not be limited to, a summary of collected data, an analysis of the data and conclusions regarding the Act's effectiveness, a determination whether the purposes of the Act are being achieved, and recommendations for changes that may be considered necessary to improve the administration and enforcement of this Act.

Section 70. Construction of Act. Nothing in this Act shall be construed to preclude the courts of this State from exercising their discretion to protect the health and safety of children in individual cases. The best interests and welfare of a child shall be a paramount consideration in the construction and interpretation of this Act. It is in the child's best interests that this Act be construed and interpreted so as not to result in extending time limits beyond those set forth in this Act.

Section 75. Repeal. This Act is repealed on July 1, 2007.

Section 90. The Illinois Public Aid Code is amended by changing Section 4-1.2 as follows:

Sec. 4-1.2. Living Arrangements - Parents - Relatives - Foster Care.

A child so placed in foster care who was not receiving aid under this Article in or for the month in which the court proceedings leading to that placement were initiated may qualify only if he lived in the home of his parents or other relatives at the time the proceedings were initiated, or within 6 months prior to the month of initiation, and would have received aid in and for that month if application had been made therefor.

(b) The Illinois Department may, by rule, establish those persons who are living together who must be included in the same assistance unit in order to receive cash assistance under this Article and the income and assets of those persons in an assistance unit which must be considered in determining eligibility.

(c) The conditions of qualification herein specified shall not prejudice aid granted under this Code for foster care prior to the effective date of this 1969 Amendatory Act.

Sec. 2-3. Neglected or abused minor.

(1) Those who are neglected include:

(a) any minor under 18 years of age who is not receiving the proper or necessary support, education as required by law, or medical or other remedial care recognized under State law as necessary for a minor's well-being, or other care necessary for his or her well-being, including adequate food, clothing and shelter, or who is abandoned by his or her parents or other person responsible for the minor's welfare, except that a minor shall not be considered neglected for the sole reason that the minor's parent or other person responsible for the minor's welfare has left the minor in the care of an adult relative for any period of time; or

(b) any minor under 18 years of age whose environment is injurious to his or her welfare; or
(c) any newborn infant whose blood, urine, or meconium contains any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act, as now or hereafter amended, or a metabolite of a controlled substance, with the exception of controlled substances or metabolites of such substances, the presence of which in the newborn infant is the result of medical treatment administered to the mother or the newborn infant; or

(d) any minor under the age of 14 years whose parent or other person responsible for the minor's welfare leaves the minor without supervision for an unreasonable period of time without regard for the mental or physical health, safety, or welfare of that minor.

Whether the minor was left without regard for the mental or physical health, safety, or welfare of that minor or the period of time was unreasonable shall be determined by considering the following factors, including but not limited to:

1. the age of the minor;
2. the number of minors left at the location;
3. special needs of the minor, including whether the minor is physically or mentally handicapped, or otherwise in need of ongoing prescribed medical treatment such as periodic doses of insulin or other medications;
4. the duration of time in which the minor was left without supervision;
5. the condition and location of the place where the minor was left without supervision;
6. the time of day or night when the minor was left without supervision;
7. the weather conditions, including whether the minor was left in a location with adequate protection from the natural elements such as adequate heat or light;
8. the location of the parent or guardian at the time the minor was left without supervision, the physical distance the minor was from the parent or guardian at the time the minor was without supervision;
9. whether the minor's movement was restricted, or the minor was otherwise locked within a room or other structure;
10. whether the minor was given a phone number of a person or location to call in the event of an emergency and whether the minor was capable of making an emergency call;
11. whether there was food and other provision left for the minor;
12. whether any of the conduct is attributable to economic hardship or illness and the parent, guardian or other person having physical custody or control of the child made a good faith effort to provide for the health and safety of the minor;
13. the age and physical and mental capabilities of the person or persons who provided supervision for the minor;
14. whether the minor was left under the supervision of another person;
15. any other factor that would endanger the health and safety of that particular minor.

A minor shall not be considered neglected for the sole reason that the minor has been relinquished in accordance with the Abandoned Newborn Infant Protection Act.

(2) Those who are abused include any minor under 18 years of age whose parent or immediate family member, or any person responsible for the minor's welfare, or any person who is in the same family or household as the minor, or any individual residing in the same home as the minor, or a paramour of the minor's parent:

(i) inflicts, causes to be inflicted, or allows to be inflicted upon such minor physical injury, by other than accidental means, which causes death, disfigurement, impairment of physical or emotional health, or loss or impairment of any bodily function;

(ii) creates a substantial risk of physical injury to such minor by other than accidental means which would be likely to cause death, disfigurement, impairment of emotional health, or loss or impairment of any bodily function;

(iii) commits or allows to be committed any sex offense against such minor, as such sex offenses are defined in the Criminal Code of 1961, as amended, and extending those definitions of sex offenses to include minors under 18 years of age;

(iv) commits or allows to be committed an act or acts of torture upon such minor;

(v) inflicts excessive corporal punishment.

A minor shall not be considered abused for the sole reason that the minor has been
relinquished in accordance with the Abandoned Newborn Infant Protection Act.

(3) This Section does not apply to a minor who would be included herein solely for the purpose of qualifying for financial assistance for himself, his parents, guardian or custodian.

(720 ILCS 5/12-21.5)
(a) A person commits the offense of child abandonment when he or she, as a parent, guardian, or other person having physical custody or control of a child, without regard for the mental or physical health, safety, or welfare of that child, knowingly leaves that child who is under the age of 13 without supervision by a responsible person over the age of 14 for a period of 24 hours or more, except that a person does not commit the offense of child abandonment when he or she relinquishes a child in accordance with the Abandoned Newborn Infant Protection Act.

(b) For the purposes of determining whether the child was left without regard for the mental or physical health, safety, or welfare of that child, the trier of fact shall consider the following factors:

1. the age of the child;
2. the number of children left at the location;
3. special needs of the child, including whether the child is physically or mentally handicapped, or otherwise in need of ongoing prescribed medical treatment such as periodic doses of insulin or other medications;

8. the location of the parent, guardian, or other person having physical custody or control of the child at the time the child was left without supervision, the physical distance the child was from the parent, guardian, or other person having physical custody or control of the child at the time the child was without supervision;
9. whether the child's movement was restricted, or the child was otherwise locked within a room or other structure;
10. whether the child was given a phone number of a person or location to call in the event of an emergency and whether the child was capable of making an emergency call;
11. whether there was food and other provision left for the child;
12. whether any of the conduct is attributable to economic hardship or illness and the parent, guardian or other person having physical custody or control of the child made a good faith effort to provide for the health and safety of the child;
13. the age and physical and mental capabilities of the person or persons who provided supervision for the child;
14. any other factor that would endanger the health or safety of that particular child;
15. whether the child was left under the supervision of another person.

(d) Child abandonment is a Class 4 felony. A second or subsequent offense after a prior conviction is a Class 3 felony.

(Source: P.A. 88-479.)

(720 ILCS 5/12-21.6)
Sec. 12-21.6. Endangering the life or health of a child.
(a) It is unlawful for any person to willfully cause or permit the life or health of a child under the age of 18 to be endangered or to willfully cause or permit a child to be placed in circumstances that endanger the child's life or health, except that it is not unlawful for a person to relinquish a child in accordance with the Abandoned Newborn Infant Protection Act.

(b) A violation of this Section is a Class A misdemeanor. A second or subsequent violation of this Section is a Class 3 felony. A violation of this Section that is a proximate cause of the death of the child is a Class 3 felony for which a person, if sentenced to a term of imprisonment, shall be sentenced to a term of not less than 2 years and not more than 10 years.
Section 96.5. The Neglected Children Offense Act is amended by changing Section 2 as follows:

Sec. 2. Any parent, legal guardian or person having the custody of a child under the age of 18 years, who knowingly or wilfully causes, aids or encourages such person to be or to become a dependent and neglected child as defined in section 1, who knowingly or wilfully does acts which directly tend to render any such child so dependent and neglected, or who knowingly or wilfully fails to do that which will directly tend to prevent such state of dependency and neglect is guilty of the Class A misdemeanor of contributing to the dependency and neglect of children, except that a person who relinquishes a child in accordance with the Abandoned Newborn Infant Protection Act is not guilty of that misdemeanor. Instead of imposing the punishment hereinbefore provided, the court may release the defendant from custody on probation for one year upon his or her entering into recognizance with or without surety in such sum as the court directs. The conditions of the recognizance shall be such that if the defendant appears personally in court whenever ordered to do so within the year and provides and cares for such neglected and dependent child in such manner as to prevent a continuance or repetition of such state of dependency and neglect or as otherwise may be directed by the court then the recognizance shall be void, otherwise it shall be of full force and effect. If the court is satisfied by information and due proof under oath that at any time during the year the defendant has violated the terms of such order it may forthwith revoke the order and sentence him or her under the original conviction. Unless so sentenced, the defendant shall at the end of the year be discharged. In case of forfeiture on the recognizance the sum recovered thereon may in the discretion of the court be paid in whole or in part to someone designated by the court for the support of such dependent and neglected child.

Section 97. The Adoption Act is amended by changing Section 1 as follows:

Sec. 1. Definitions. When used in this Act, unless the context otherwise requires:
A. "Child" means a person under legal age subject to adoption under this Act.
B. "Related child" means a child subject to adoption where either or both of the adopting parents stands in any of the following relationships to the child by blood or marriage: parent, grand-parent, brother, sister, step-parent, step-grandparent, step-brother, step-sister, uncle, aunt, great-uncle, great-aunt, or cousin of first degree. A child whose parent has executed a final irrevocable consent to adoption or a final irrevocable surrender for purposes of adoption, or whose parent has had his or her parental rights terminated, is not a related child to that person, unless the consent is determined to be void or is void pursuant to subsection O of Section 10.
C. "Agency" for the purpose of this Act means a public child welfare agency or a licensed child welfare agency.
D. "Unfit person" means any person whom the court shall find to be unfit to have a child, without regard to the likelihood that the child will be placed for adoption. The grounds of unfitness are any one or more of the following, except that a person shall not be considered an unfit person for the sole reason that the person has relinquished a child in accordance with the Abandoned Newborn Infant Protection Act:
   (a) Abandonment of the child.
   (a-1) Abandonment of a newborn infant in a hospital.
   (a-2) Abandonment of a newborn infant in any setting where the evidence suggests that the parent intended to relinquish his or her parental rights.
   (b) Failure to maintain a reasonable degree of interest, concern or responsibility as to the child's welfare.
   (c) Desertion of the child for more than 3 months next preceding the commencement of the Adoption proceeding.
   (d) Substantial neglect of the child if continuous or repeated.
   (d-1) Substantial neglect, if continuous or repeated, of any child residing in the household which resulted in the death of that child.
   (e) Extreme or repeated cruelty to the child.
(f) Two or more findings of physical abuse to any children under Section 4-8 of the Juvenile Court Act or Section 2-21 of the Juvenile Court Act of 1987, the most recent of which was determined by the juvenile court hearing the matter to be supported by clear and convincing evidence; a criminal conviction or a finding of not guilty by reason of insanity resulting from the death of any child by physical child abuse; or a finding of physical child abuse resulting from the death of any child under Section 4-8 of the Juvenile Court Act or Section 2-21 of the Juvenile Court Act of 1987.

(g) Failure to protect the child from conditions within his environment injurious to the child's welfare.

(h) Other neglect of, or misconduct toward the child; provided that in making a finding of unfitness the court hearing the adoption proceeding shall not be bound by any previous finding, order or judgment affecting or determining the rights of the parents toward the child sought to be adopted in any other proceeding except such proceedings terminating parental rights as shall be had under either this Act, the Juvenile Court Act or the Juvenile Court Act of 1987.

(i) Depravity. Conviction of any one of the following crimes shall create a presumption that a parent is depraved which can be overcome only by clear and convincing evidence: (1) first degree murder in violation of paragraph 1 or 2 of subsection (a) of Section 9-1 of the Criminal Code of 1961 or conviction of second degree murder in violation of subsection (a) of Section 9-2 of the Criminal Code of 1961 of a parent of the child to be adopted; (2) first degree murder or second degree murder of any child in violation of the Criminal Code of 1961; (3) attempt or conspiracy to commit first degree murder or second degree murder of any child in violation of the Criminal Code of 1961; (4) solicitation to commit murder of any child, solicitation to commit murder of any child for hire, or solicitation to commit second degree murder of any child in violation of the Criminal Code of 1961; or (5) aggravated criminal sexual assault in violation of Section 12-14(b)(1) of the Criminal Code of 1961.

There is a rebuttable presumption that a parent is depraved if the parent has been criminally convicted of at least 3 felonies under the laws of this State or any other state, or under federal law, or the criminal laws of any United States territory; and at least one of these convictions took place within 5 years of the filing of the petition or motion seeking termination of parental rights.

There is a rebuttable presumption that a parent is depraved if that parent has been criminally convicted of either first or second degree murder of any person as defined in the Criminal Code of 1961 within 10 years of the filing date of the petition or motion to terminate parental rights.

(j) Open and notorious adultery or fornication.

(j-1) (Blank).

(k) Habitual drunkenness or addiction to drugs, other than those prescribed by a physician, for at least one year immediately prior to the commencement of the unfitness proceeding.

There is a rebuttable presumption that a parent is unfit under this subsection with respect to any child to which that parent gives birth where there is a confirmed test result that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act or metabolites of such substances, the presence of which in the newborn infant was not the result of medical treatment administered to the mother or the newborn infant; and the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987.

(l) Failure to demonstrate a reasonable degree of interest, concern or responsibility as to the welfare of a new born child during the first 30 days after its birth.

(m) Failure by a parent (i) to make reasonable efforts to correct the conditions that were the basis for the removal of the child from the parent, or (ii) to make reasonable progress toward the return of the child to the parent within 9 months after an adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act, or (iii) to make reasonable progress toward the return of the

child to the parent during any 9-month period after the end of the initial 9-month period following the adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act. If a service plan has been established as required under Section 8.2 of the Abused and Neglected Child Reporting Act to correct the conditions that were the basis for the removal of the child from the parent and if those services were available, then, for purposes of this Act, "failure to make reasonable progress toward the return of the child to the parent" includes (I) the parent's failure to substantially fulfill his or her obligations under the service plan and correct the conditions that brought the child into care within 9 months after the adjudication under Section 2-3 or 2-4 of the Juvenile Court Act of 1987 and (II) the parent's failure to substantially fulfill his or her obligations under the service plan and correct the conditions that brought the child into care during any 9-month period after the end of the initial 9-month period following the adjudication under Section 2-3 or 2-4 of the Juvenile Court Act of 1987.

(m-1) Pursuant to the Juvenile Court Act of 1987, a child has been in foster care for 15 months out of any 22 month period which begins on or after the effective date of this amendatory Act of 1998 unless the child's parent can prove by a preponderance of the evidence that it is more likely than not that it will be in the best interests of the child to be returned to the parent within 6 months of the date on which a petition for termination of parental rights is filed under the Juvenile Court Act of 1987. The 15 month time limit is tolled during any period for which there is a court finding that the appointed custodian or guardian failed to make reasonable efforts to reunify the child with his or her family, provided that (i) the finding of no reasonable efforts is made within 60 days of the period when reasonable efforts were not made or (ii) the parent filed a motion requesting a finding of no reasonable efforts within 60 days of the period when reasonable efforts were not made. For purposes of this subdivision (m-1), the date of entering foster care is the earlier of: (i) the date of a judicial finding at an adjudicatory hearing that the child is an abused, neglected, or dependent minor; or (ii) 60 days after the date on which the child is removed from his or her parent, guardian, or legal custodian.

(n) Evidence of intent to forgo his or her parental rights, whether or not the child is a ward of the court, (1) as manifested by his or her failure for a period of 12 months: (i) to visit the child, (ii) to communicate with the child or agency, although able to do so and not prevented from doing so by an agency or by court order, or (iii) to maintain contact with or plan for the future of the child, although physically able to do so, or (2) as manifested by the father's failure, where he and the mother of the child were unmarried to each other at the time of the child's birth, (i) to commence legal proceedings to establish his paternity under the Illinois Parentage Act of 1984 or the law of the jurisdiction of the child's birth within 30 days of being informed, pursuant to Section 12a of this Act, that he is the father or the likely father of the child or, after being so informed where the child is not yet born, within 30 days of the child's birth, or (ii) to make a good faith effort to pay a reasonable amount of the expenses related to the birth of the child and to provide a reasonable amount for the financial support of the child, the court to consider in its determination all relevant circumstances, including the financial condition of both parents; provided that the ground for termination provided in this subparagraph (n)(2)(ii) shall only be available where the petition is brought by the mother or the husband of the mother.

Contact or communication by a parent with his or her child that does not demonstrate affection and concern does not constitute reasonable contact and planning under subdivision (n). In the absence of evidence to the contrary, the ability to visit, communicate, maintain contact, pay expenses and plan for the future shall be presumed. The subjective intent of the parent, whether expressed or otherwise, unsupported by evidence of the foregoing parental acts manifesting that intent, shall not preclude a determination that the parent has intended to forgo his or her parental rights. In making this determination, the court may consider but shall not require a showing of diligent efforts by an authorized agency to encourage the parent to perform the acts specified in subdivision (n).

It shall be an affirmative defense to any allegation under paragraph (2) of this subsection that the father's failure was due to circumstances beyond his control or to impediments created

by the mother or any other person having legal custody. Proof of that fact need only be by a
preponderance of the evidence.

(o) Repeated or continuous failure by the parents, although physically and financially
able, to provide the child with adequate food, clothing, or shelter.

(p) Inability to discharge parental responsibilities supported by competent evidence from
a psychiatrist, licensed clinical social worker, or clinical psychologist of mental impairment,
mental illness or mental retardation as defined in Section 1-116 of the Mental Health and
Developmental Disabilities Code, or developmental disability as defined in Section 1-106 of
that Code, and there is sufficient justification to believe that the inability to discharge parental
responsibilities shall extend beyond a reasonable time period. However, this subdivision (p)
shall not be construed so as to permit a licensed clinical social worker to conduct any medical
diagnosis to determine mental illness or mental impairment.

(q) The parent has been criminally convicted of aggravated battery, heinous battery, or
attempted murder of any child.

(r) The child is in the temporary custody or guardianship of the Department of Children
and Family Services, the parent is incarcerated as a result of criminal conviction at the time
the petition or motion for termination of parental rights is filed, prior to incarceration the
parent had little or no contact with the child or provided little or no support for the child, and
the parent's incarceration will prevent the parent from discharging his or her parental
responsibilities for the child for a period in excess of 2 years after the filing of the petition or
motion for termination of parental rights.

(s) The child is in the temporary custody or guardianship of the Department of Children
and Family Services, the parent is incarcerated at the time the petition or motion for
termination of parental rights is filed, the parent has been repeatedly incarcerated as a result
of criminal convictions, and the parent's repeated incarceration has prevented the parent from
discharging his or her parental responsibilities for the child.

(t) A finding that at birth the child's blood, urine, or meconium contained any amount of
a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled
Substances Act, or a metabolite of a controlled substance, with the exception of controlled
substances or metabolites of such substances, the presence of which in the newborn infant was
the result of medical treatment administered to the mother or the newborn infant, and that the
biological mother of this child is the biological mother of at least one other child who was
adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act
of 1987, after which the biological mother had the opportunity to enroll in and participate in
a clinically appropriate substance abuse counseling, treatment, and rehabilitation program.

E. "Parent" means the father or mother of a legitimate or illegitimate child. For the purpose
of this Act, a person who has executed a final and irrevocable consent to adoption or a final and
irrevocable surrender for purposes of adoption, or whose parental rights have been terminated by a
court, is not a parent of the child who was the subject of the consent or surrender, unless the consent
is void pursuant to subsection O of Section 10.

F. A person is available for adoption when the person is:

(a) a child who has been surrendered for adoption to an agency and to whose adoption the
agency has thereafter consented;

(b) a child to whose adoption a person authorized by law, other than his parents, has
consented, or to whose adoption no consent is required pursuant to Section 8 of this Act;

(c) a child who is in the custody of persons who intend to adopt him through placement
made by his parents;

(c-1) a child for whom a parent has signed a specific consent pursuant to subsection O of
Section 10; or

(d) an adult who meets the conditions set forth in Section 3 of this Act; or:

(e) a child who has been relinquished as defined in Section 10 of the Abandoned Newborn
Infant Protection Act.

A person who would otherwise be available for adoption shall not be deemed unavailable for

A child shall not be considered neglected or abused for the sole reason that the child's parent or other person responsible for his or her welfare depends upon spiritual means through prayer alone for the treatment or cure of disease or remedial care as provided under Section 4 of the Abused and Neglected Child Reporting Act.

R. (8) The appropriate school official. Inspection and copying shall be limited to law enforcement records transmitted to the appropriate school official by a local law enforcement agency under a reciprocal reporting system established and maintained between the school district and the local law enforcement agency under Section 10-20.14 of the School Code concerning a minor enrolled in a school within the school district who has been arrested or taken into custody for any of the following offenses:

Nothing in this Act prohibits a law enforcement agency from fingerprinting a minor taken into custody or arrested before his or her 17th birthday for an offense other than those listed in this paragraph (2).

(C) The records of law enforcement officers concerning all minors under 17 years of age must be maintained separate from the records of arrests and may not be open to public inspection or their contents disclosed to the public except by order of the court or when the institution of criminal proceedings has been permitted or required under Section 5-805 or such a person has been convicted of a crime and is the subject of pre-sentence investigation or proceedings on an application for probation or when provided by law.

Section 15. The Sexually Violent Persons Commitment Act is amended by changing Sections
30, 35, 40, 60, and 65 as follows:

Sec. 30. Detention; probable cause hearing; transfer for examination.
(a) Upon the filing of a petition under Section 15 of this Act, the court shall review the
petition to determine whether to issue an order for detention of the person who is the subject of the
petition. The person shall be detained only if there is cause to believe that the person is eligible for
commitment under subsection (f) of Section 35 of this Act. A person detained under this Section shall
be held in a facility approved by the Department. If the person is serving a sentence of imprisonment,
is in a Department of Corrections correctional facility or juvenile correctional facility or is committed
to institutional care, and the court orders detention under this Section, the court shall order that the
person be transferred to a detention facility approved by the Department. A detention order under this
Section remains in effect until the person is discharged after a trial under Section 35 of this Act or
until the effective date of a commitment order under Section 40 of this Act, whichever is applicable.

(b) Whenever a petition is filed under Section 15 of this Act, the court shall hold a hearing
to determine whether there is probable cause to believe that the person named in the petition is a
sexually violent person. If the person named in the petition is in custody, the court shall hold the
probable cause hearing within 72 hours after the petition is filed, excluding Saturdays, Sundays and
legal holidays. The court may grant a continuance of the probable cause hearing for no more than 7
additional days upon the motion of the respondent, for good cause. If the person named in the petition
has been released, is on parole, is on mandatory supervised release, or otherwise is not in custody, the
court shall hold the probable cause hearing within a reasonable time after the filing of the petition. At
the probable cause hearing, the court shall admit and consider all relevant hearsay evidence.

(c) If the court determines after a hearing that there is probable cause to believe that the person
named in the petition is a sexually violent person, the court shall order the person to be transferred
within a reasonable time to an appropriate facility for an examination as to whether the person is a sexually violent person.

If the person who is named in the petition refuses to speak to, communicate with, or otherwise fails
to cooperate with the examining evaluator from the Department of Human Services or the Department
of Corrections, that person may only introduce evidence and testimony from any expert or
professional person who is retained or court-appointed to conduct an examination of the person that
results from a review of the records and may not introduce evidence resulting from an examination

of the person. If the person named in the petition refuses to speak to, communicate with, or otherwise fails to cooperate with the expert from the Department of Human Services who is conducting the evaluation, the person shall be prohibited from introducing testimony or evidence from any expert or professional person who is retained or court appointed to conduct an evaluation of the person. Notwithstanding the provisions of Section 10 of the Mental Health and Developmental Disabilities Confidentiality Act, all evaluations conducted pursuant to this Act and all Illinois Department of Corrections treatment records shall be admissible at all proceedings held pursuant to this Act, including the probable cause hearing and the trial.

If the court determines that probable cause does not exist to believe that the person is a sexually violent person, the court shall dismiss the petition.

(d) The Department shall promulgate rules that provide the qualifications for persons conducting evaluations under subsection (c) of this Section.

(e) If the person named in the petition claims or appears to be indigent, the court shall, prior to the probable cause hearing under subsection (b) of this Section, appoint counsel.

Sec. 35. Trial.

(a) A trial to determine whether the person who is the subject of a petition under Section 15 of this Act is a sexually violent person shall commence no later than 120 days after the date of the probable cause hearing under Section 30 of this Act. Delay is considered to be agreed to by the person unless he or she objects to the delay by making a written demand for trial or an oral demand for trial on the record. Delay occasioned by the person temporarily suspends for the time of the delay the period within which a person must be tried. If the delay occurs within 21 days after the end of the period within which a person must be tried, the court may continue the cause on application of the State for not more than an additional 21 days beyond the period prescribed. The court may grant a continuance of the trial date for good cause upon its own motion, the motion of any party or the stipulation of the parties, provided that any continuance granted shall be subject to Section 103-5 of the Code of Criminal Procedure of 1963.

(b) At the trial to determine whether the person who is the subject of a petition under Section 15 of this Act is a sexually violent person, all rules of evidence in criminal actions apply. All constitutional rights available to a defendant in a criminal proceeding are available to the person. At the trial on the petition it shall be competent to introduce evidence of the commission by the respondent of any number of crimes together with whatever punishments, if any, were imposed. The petitioner may present expert testimony from both the Illinois Department of Corrections evaluator and the Department of Human Services psychologist.

(c) The person who is the subject of the petition, the person's attorney, the Attorney General or the State's Attorney may request that a trial under this Section be by a jury. A request for a jury trial under this subsection shall be made within 10 days after the probable cause hearing under Section 30 of this Act. If no request is made, the trial shall be by the court. The person, the person's attorney or the Attorney General or State's Attorney, whichever is applicable, may withdraw his or her request for a jury trial.

(d) (1) At a trial on a petition under this Act, the petitioner has the burden of proving the allegations in the petition beyond a reasonable doubt.

(2) If the State alleges that the sexually violent offense or act that forms the basis for the petition was an act that was sexually motivated as provided in paragraph (e)(2) of Section 5 of this Act, the State is required to prove beyond a reasonable doubt that the alleged sexually violent act was sexually motivated.

(e) Evidence that the person who is the subject of a petition under Section 15 of this Act was convicted for or committed sexually violent offenses before committing the offense or act on which the petition is based is not sufficient to establish beyond a reasonable doubt that the person has a mental disorder.

(f) If the court or jury determines that the person who is the subject of a petition under Section 15 is a sexually violent person, the court shall enter a judgment on that finding and shall commit the person as provided under Section 40 of this Act. If the court or jury is not satisfied beyond a reasonable doubt that the person is a sexually violent person, the court shall dismiss the petition and
direct that the person be released unless he or she is under some other lawful restriction.

(g) A judgment entered under subsection (f) of this Section on the finding that the person who is the subject of a petition under Section 15 is a sexually violent person is interlocutory to a commitment order under Section 40 and is reviewable on appeal.

(725 ILCS 207/40)
Sec. 40. Commitment.
(a) If a court or jury determines that the person who is the subject of a petition under Section 15 of this Act is a sexually violent person, the court shall order the person to be committed to the custody of the Department for control, care and treatment until such time as the person is no longer a sexually violent person.

(b) (1) The court shall enter an initial commitment order under this Section pursuant to a hearing held as soon as practicable after the judgment is entered that the person who is the subject of a petition under Section 15 is a sexually violent person. If the court lacks sufficient information to make the determination required by paragraph (b)(2) of this Section immediately after trial, it may adjourn the hearing and order the Department to conduct a predisposition investigation or a supplementary mental examination, or both, to assist the court in framing the commitment order. A supplementary mental examination under this Section shall be conducted in accordance with Section 3-804 of the Mental Health and Developmental Disabilities Code.

(2) An order for commitment under this Section shall specify either institutional care in a secure facility, as provided under Section 50 of this Act, or conditional release. In determining whether commitment shall be for institutional care in a secure facility or for conditional release, the court shall consider the nature and circumstances of the behavior that was the basis of the allegation in the petition under paragraph (b)(1) of Section 15, the person's mental history and present mental condition, where the person will live, how the person will support himself or herself, and what arrangements are available to ensure that the person has access to and will participate in necessary treatment. The Department shall arrange for control, care and treatment of the person in the least restrictive manner consistent with the requirements of the person and in accordance with the court's commitment order.

(3) If the court finds that the person is appropriate for conditional release, the court shall notify the Department. The Department shall prepare a plan that identifies the treatment and services, if any, that the person will receive in the community. The plan shall address the person's need, if any, for supervision, counseling, medication, community support services, residential services, vocational services, and alcohol or other drug abuse treatment. The Department may contract with a county health department, with another public agency or with a private agency to provide the treatment and services identified in the plan. The plan shall specify who will be responsible for providing the treatment and services identified in the plan. The plan shall be presented to the court for its approval within 60 days after the court finding that the person is appropriate for conditional release, unless the Department and the person to be released request additional time to develop the plan. The conditional release program operated under this Section is not subject to the provisions of the Mental Health and Developmental Disabilities Confidentiality Act.

(4) An order for conditional release places the person in the custody and control of the Department. A person on conditional release is subject to the conditions set by the court and to the rules of the Department. Before a person is placed on conditional release by the court under this Section, the court shall so notify the municipal police department and county sheriff for the municipality and county in which the person will be residing. The notification requirement under this Section does not apply if a municipal police department or county sheriff submits to the court a written statement waiving the right to be notified. If the Department alleges that a released person has violated any condition or rule, or that the safety of others requires that conditional release be revoked, he or she may be taken into custody under the rules of the Department.

At any time during which the person is on conditional release, if the Department determines that the person has violated any condition or rule, or that the safety of others

requires that conditional release be revoked, the Department may request the Attorney
General or State's Attorney to request the court to issue an emergency ex parte order directing
any law enforcement officer to take the person into custody and transport the person to the
county jail. The Department may request, or the Attorney General or State's Attorney may
request independently of the Department, that a petition to revoke conditional release be filed.
When a petition is filed, the court may order the Department to issue a notice to the person
to be present at the Department or other agency designated by the court, order a summons to
the person to be present, or order a body attachment for all law enforcement officers to take
the person into custody and transport him or her to the county jail, hospital, or treatment
facility. The Department shall submit a statement showing probable cause of the detention and
a petition to revoke the order for conditional release to the committing court within 48 hours
after the detention. The court shall hear the petition within 30 days, unless the hearing or time
deadline is waived by the detained person. Pending the revocation hearing, the Department
may detain the person in a jail, in a hospital or treatment facility. The State has the burden of
proving by clear and convincing evidence that any rule or condition of release has been
violated, or that the safety of others requires that the conditional release be revoked. If the
court determines after hearing that any rule or condition of release has been violated, or that
the safety of others requires that conditional release be revoked, it may revoke the order for
conditional release and order that the released person be placed in an appropriate institution
until the person is discharged from the commitment under Section 65 of this Act or until again
placed on conditional release under Section 60 of this Act.

(5) An order for conditional release places the person in the custody, care, and control of
the Department. The court shall order the person be subject to the following rules of
conditional release, in addition to any other conditions ordered, and the person shall be given
a certificate setting forth the conditions of conditional release. These conditions shall be that
the person:

(A) not violate any criminal statute of any jurisdiction;
(B) report to or appear in person before such person or agency as directed by the
court and the Department;
(C) refrain from possession of a firearm or other dangerous weapon;
(D) not leave the State without the consent of the court or, in circumstances in which
the reason for the absence is of such an emergency nature, that prior consent by the court
is not possible without the prior notification and approval of the Department;
(E) at the direction of the Department, notify third parties of the risks that may be
occasioned by his or her criminal record or sexual offending history or characteristics,
and permit the supervising officer or agent to make the notification requirement;
(F) attend and fully participate in assessment, treatment, and behavior monitoring
including, but not limited to, medical, psychological or psychiatric treatment specific to
sexual offending, drug addiction, or alcoholism, to the extent appropriate to the person
based upon the recommendation and findings made in the Department evaluation or based
upon any subsequent recommendations by the Department;
(G) waive confidentiality allowing the court and Department access to assessment or
treatment results or both;
(H) work regularly at a Department approved occupation or pursue a course of study
or vocational training and notify the Department within 72 hours of any change in
employment, study, or training;
(I) not be employed or participate in any volunteer activity that involves contact with
children, except under circumstances approved in advance and in writing by the
Department officer;
(J) submit to the search of his or her person, residence, vehicle, or any personal or

(iii) if deemed necessary by the Department, be placed on an electronic monitoring device;

(O) refrain from having any contact, including written or oral communications, directly or indirectly, with certain specified persons including, but not limited to, the victim or the victim's family, and report any incidental contact with the victim or the victim's family to the Department within 72 hours; refrain from entering onto the premises of, traveling past, or loitering near the victim's residence, place of employment, or other places frequented by the victim;
(P) refrain from having any contact, including written or oral communications, directly or indirectly, with particular types of persons, including but not limited to members of street gangs, drug users, drug dealers, or prostitutes;
(Q) refrain from all contact, direct or indirect, personally, by telephone, letter, or through another person, with minor children without prior identification and approval of the Department;
(R) refrain from having in his or her body the presence of alcohol or any illicit drug prohibited by the Cannabis Control Act or the Illinois Controlled Substances Act, unless prescribed by a physician, and submit samples of his or her breath, saliva, blood, or urine for tests to determine the presence of alcohol or any illicit drug;

(T) neither possess or have under his or her control any material that is pornographic, sexually oriented, or sexually stimulating, or that depicts or alludes to sexual activity or depicts minors under the age of 18, including but not limited to visual, auditory, telephonic, electronic media, or any matter obtained through access to any computer or material linked to computer access use;
(U) not patronize any business providing sexually stimulating or sexually oriented entertainment nor utilize "900" or adult telephone numbers or any other sex-related telephone numbers;
(V) not reside near, visit, or be in or about parks, schools, day care centers, swimming pools, beaches, theaters, or any other places where minor children congregate without advance approval of the Department and report any incidental contact with minor children to the Department within 72 hours;

(X) not publish any materials or print any advertisements without providing a copy of the proposed publications to the Department officer and obtaining permission prior to publication;
(Y) not leave the county except with prior permission of the Department and provide the Department officer or agent with written travel routes to and from work and any other designated destinations;
(Z) not possess or have under his or her control certain specified items of contraband related to the incidence of sexually offending items including video or still camera items or children's toys;
(AA) provide a written daily log of activities as directed by the Department;
(BB) comply with all other special conditions that the Department may impose that
restrict the person from high-risk situations and limit access or potential victims.

(6) A person placed on conditional release and who during the term undergoes mandatory
drug or alcohol testing or is assigned to be placed on an approved electronic monitoring
device may be ordered to pay all costs incidental to the mandatory drug or alcohol testing and
costs incidental to the approved electronic monitoring in accordance with the person's
ability to pay those costs. The Department may establish reasonable fees for the cost of
maintenance, testing, and incidental expenses related to the mandatory drug or alcohol testing
and all costs incidental to approved electronic monitoring.

Sec. 60. Petition for conditional release.
(a) Any person who is committed for institutional care in a secure facility or other facility
under Section 40 of this Act may petition the committing court to modify its order by authorizing
conditional release if at least 6 months have elapsed since the initial commitment order was entered,
the most recent release petition was denied or the most recent order for conditional release was
revoked. The director of the facility at which the person is placed may file a petition under this Section
on the person's behalf at any time.
(b) If the person files a timely petition without counsel, the court shall serve a copy of the
petition on the Attorney General or State's Attorney, whichever is applicable and, subject to paragraph
(c)(1) of Section 25 of this Act, appoint counsel. If the person petitions through counsel, his or her
attorney shall serve the Attorney General or State's Attorney, whichever is applicable.
(c) Within 20 days after receipt of the petition, the court shall appoint one or more examiners
having the specialized knowledge determined by the court to be appropriate, who shall examine the
mental condition of the person and furnish a written report of the examination to the court within 30
days after appointment. The examiners shall have reasonable access to the person for purposes of
examination and to the person's past and present treatment records and patient health care records. If
any such examiner believes that the person is appropriate for conditional release, the examiner shall
report on the type of treatment and services that the person may need while in the community on
conditional release. The State has the right to have the person evaluated by experts chosen by the
State. The court shall set a probable cause hearing as soon as practical after the examiner's report is
filed. If the court determines at the probable cause hearing that cause exists to believe that it is not
substantially probable that the person will engage in acts of sexual violence if on release or conditional
release, the court shall set a hearing on the issue.
(d) The court, without a jury, shall hear the petition within 30 days after the report of the
court-appointed examiner is filed with the court, unless the petitioner waives this time limit. The court
shall grant the petition unless the State proves by clear and convincing evidence that the person has
not made sufficient progress to be conditionally released that the person is still a sexually violent
person and that it is still substantially probable that the person will engage in acts of sexual violence
if the person is not confined in a secure facility. In making a decision under this subsection, the court
must consider the nature and circumstances of the behavior that was the basis of the allegation
in the petition under paragraph (b)(1) of Section 15 of this Act, the person's mental history and present
mental condition, where the person will live, how the person will support himself or herself and what
arrangements are available to ensure that the person has access to and will participate in necessary
treatment.
(e) Before the court may enter an order directing conditional release to a less restrictive
alternative it must find the following: (1) the person will be treated by a Department approved
treatment provider, (2) the treatment provider has presented a specific course of treatment and has
agreed to assume responsibility for the treatment and will report progress to the Department on a
regular basis, and will report violations immediately to the Department, consistent with treatment and
supervision needs of the respondent, (3) housing exists that is sufficiently secure to protect the
community, and the person or agency providing housing to the conditionally released person has
agreed in writing to accept the person, to provide the level of security required by the court, and
immediately to report to the Department if the person leaves the housing to which he or she has been
assigned without authorization, (4) the person is willing to or has agreed to comply with the treatment provider, the Department, and the court, and (5) the person has agreed or is willing to agree to comply with the behavioral monitoring requirements imposed by the court and the Department.

(f) If the court finds that the person is appropriate for conditional release, the court shall notify the Department. The Department shall prepare a plan that identifies the treatment and services, if any, that the person will receive in the community. The plan shall address the person's need, if any, for supervision, counseling, medication, community support services, residential services, vocational services, and alcohol or other drug abuse treatment. The Department may contract with a county health department, with another public agency or with a private agency to provide the treatment and services identified in the plan. The plan shall specify who will be responsible for providing the treatment and services identified in the plan. The plan shall be presented to the court for its approval within 60 days after the court finding that the person is appropriate for conditional release, unless the Department and the person to be released request additional time to develop the plan.

(g) The provisions of paragraph (b)(4) of Section 40 of this Act apply to an order for conditional release issued under this Section.

(725 ILCS 207/65)
Sec. 65. Petition for discharge; procedure.
(a)(1) If the Secretary determines at any time that a person committed under this Act is no longer a sexually violent person, the Secretary shall authorize the person to petition the committing court for discharge. The person shall file the petition with the court and serve a copy upon the Attorney General or the State's Attorney's office that filed the petition under subsection (a) of Section 15 of this Act, whichever is applicable. The court, upon receipt of the petition for discharge, shall order a hearing to be held within 45 days after the date of receipt of the petition.

(2) At a hearing under this subsection, the Attorney General or State's Attorney, whichever filed the original petition, shall represent the State and shall have the right to have the petitioner examined by an expert or professional person of his or her choice. The committed person or the State may elect to have the hearing before a jury. The State has the burden of proving by clear and convincing evidence that the petitioner is still a sexually violent person.

(3) If the court or jury is satisfied that the State has not met its burden of proof under paragraph (a)(2) of this Section, the petitioner shall be discharged from the custody or supervision of the Department. If the court is satisfied that the State has met its burden of proof under paragraph (a)(2), the court may proceed under Section 40 of this Act to determine whether to modify the petitioner's existing commitment order.

(b)(1) A person may petition the committing court for discharge from custody or supervision without the Secretary's approval. At the time of an examination under subsection (a) of Section 55 of this Act, the Secretary shall provide the committed person with a written notice of the person's right to petition the court for discharge over the Secretary's objection. The notice shall contain a waiver of rights. The Secretary shall forward the notice and waiver form to the court with the report of the Department's examination under Section 55 of this Act. If the person does not affirmatively waive the right to petition, the court shall set a probable cause hearing to determine whether facts exist that warrant a hearing on whether the person is still a sexually violent person. If a person does not file a petition for discharge, yet fails to waive the right to petition under this Section, then the probable cause hearing consists only of a review of the reexamination reports and arguments on behalf of the parties. The committed person has a right to have an attorney represent him or her at the probable cause hearing, but the person is not entitled to be present at the probable cause hearing. The probable cause hearing under this Section must be held within 45 days of the filing of the reexamination report under Section 55 of this Act.

(2) If the court determines at the probable cause hearing under paragraph (b)(1) of this Section that probable cause exists to believe that the committed person is no longer a sexually violent person, then the court shall set a hearing on the issue. At a hearing under this Section, the committed person is entitled to be present and to the benefit of the protections afforded to the person under Section 25 of this Act. The committed person or the State may elect to have a hearing under this Section before a jury. A verdict of a jury under this Section is not valid unless it is unanimous. The Attorney General or State's Attorney, whichever filed the original petition, shall represent the State at a hearing under
this Section. The State has the right to have the committed person evaluated by experts chosen by the State. At the hearing, the State has the burden of proving by clear and convincing evidence that the committed person is still a sexually violent person.

(3) If the court or jury is satisfied that the State has not met its burden of proof under paragraph (b)(2) of this Section, the person shall be discharged from the custody or supervision of the Department. If the court or jury is satisfied that the State has met its burden of proof under paragraph (b)(2) of this Section, the court may proceed under Section 40 of this Act to determine whether to modify the person's existing commitment order.

Sec. 16-129.1. Optional increase in retirement annuity.

(a) A member of the System may qualify for the augmented rate under subdivision (a)(B)(1) of Section 16-133 for all years of creditable service earned before July 1, 1998 by making the optional contribution specified in subsection (b). A member may not elect to qualify for the augmented rate for only a portion of his or her creditable service earned before July 1, 1998.

(b) The contribution shall be an amount equal to 1.0% of the member's highest salary rate in the 4 consecutive school years immediately prior to but not including the school year in which the application occurs, multiplied by the number of years of creditable service earned by the member before July 1, 1998 or 20, whichever is less. This contribution shall be reduced by 1.0% of that salary rate for every 3 full years of creditable service earned by the member after June 30, 1998. The contribution shall be further reduced at the rate of 25% of the contribution (as reduced for service after June 30, 1998) for each year of the member's total creditable service in excess of 34 years. The contribution shall not in any event exceed 20% of that salary rate.

The member shall pay to the System the amount of the contribution as calculated at the time of application under this Section. The amount of the contribution determined under this subsection shall be recalculated at the time of retirement, and if the System determines that the amount paid by the member exceeds the recalculated amount, the System shall refund the difference to the member with regular interest from the date of payment to the date of refund.

The contribution required by this subsection shall be paid in one of the following ways or in a combination of the following ways that does not extend over more than 5 years:

(i) in a lump sum on or before the date of retirement;

(ii) in substantially equal installments over a period of time not to exceed 5 years, as a deduction from salary in accordance with subsection (b) of Section 16-154;

(iii) if the member becomes an annuitant before June 30, 2003, in substantially equal monthly installments over a 24-month period, by reducing the annuitant's monthly benefit over a 24-month period by the amount of the otherwise applicable contribution. For federal and Illinois tax purposes, the monthly amount by which the annuitant's benefit is reduced shall not be treated as a contribution by the annuitant, but rather as a reduction of the annuitant's monthly benefit.

(c) If the member fails to make the full contribution under this Section in a timely fashion, the payments made under this Section shall be refunded to the member, without interest. If the member dies before making the full contribution, the payments made under this Section, together with regular interest thereon, shall be refunded to the member's designated beneficiary for benefits under Section
16-138.

(d) For purposes of this Section and subdivision (a)(B)(1) of Section 16-133, optional creditable service established by a member shall be deemed to have been earned at the time of the employment or other qualifying event upon which the service is based, rather than at the time the credit was established in this System.

(e) The contributions required under this Section are the responsibility of the teacher and not the teacher's employer. However, an employer of teachers may, after the effective date of this amendatory Act of 1998, specifically agree, through collective bargaining or otherwise, to make the contributions required by this Section on behalf of those teachers.

(f) A person who, on or after July 1, 1998 and before June 4, 1999, began receiving a retirement annuity calculated at the augmented rate may apply in writing to have the annuity recalculated to reflect the changes to this Section and Section 16-133 that were enacted in Public Act 91-17. The amount of any resulting decrease in the optional contribution shall be refunded to the annuitant, without interest. Any resulting increase in retirement annuity shall take effect on the next annuity payment date following the date of application under this subsection.

In the case of a person who has been making contributions and otherwise participating in this Fund prior to the effective date of this amendatory Act of the 91st General Assembly, and whose right to participate in the Fund is established or confirmed by this amendatory Act, such prior participation in the Fund, including all contributions previously made and service credits previously earned by the person, are hereby validated.

Sec. 17-116.3. Early retirement incentives.

(a) A teacher who is covered by a collective bargaining agreement shall not be eligible for the early retirement incentives provided under this Section unless the collective bargaining agent and the Board of Education have entered into an agreement under which the agent agrees that any payment for accumulated unused sick days to which the employee is entitled upon withdrawal from service may be paid by the Board of Education in installments over a period of up to 5 years, and a copy of this agreement has been filed with the Board of the Fund.

To be eligible for the benefits provided in this Section, a person must:

(1) be a member of this Fund who, on or after May 1, 1993, is (i) in active payroll status as a teacher, or (ii) on layoff status from such a position with a right of re-employment or recall to service, or (iii) on leave of absence from such a position, but only if the member on leave has not been receiving a disability benefit under this Article for a continuous period of 2 years or more as of the date of application;

(2) have not previously received a retirement pension under this Article;

(3) file with the Board and the Board of Education, before August 15, 1993, a written application requesting the benefits provided in this Section and a notice of resignation from

employment, which resignation must take effect before September 1, 1993 unless the applicant's retirement is delayed under subsection (e), (f), or (f-5) of this Section;

(4) be eligible to receive a retirement pension under this Article (for which purpose any age enhancement or creditable service received under this Section may be used) and elect to receive the retirement pension beginning no earlier than June 1, 1993 and no later than September 1, 1993 or the date established under subsection (e), (f), or (f-5) of this Section, if applicable;

(5) have attained age 50 (without the use of any age enhancement or creditable service received under this Section) by the effective date of the retirement pension;

(6) have at least 5 years of creditable service under this Fund or any of the participating systems under the Retirement Systems Reciprocal Act (without the use of any creditable service received under this Section) by the effective date of the retirement pension.

(b) An eligible person may establish up to 5 years of creditable service under this Section. In addition, for each period of creditable service established under this Section, a person's age at retirement shall be deemed to be increased by an equal period.

The creditable service established under this Section may be used for all purposes under this Article and the Retirement Systems Reciprocal Act, except for the purposes of Section 17-116.1, and the determination of average salary or compensation under this or any other Article of this Code.

The age enhancement established under this Section may be used for all purposes under this Article (including calculation of a proportionate pension payable by this Fund under the Retirement Systems Reciprocal Act), except for purposes of the reversionary pension under Section 17-120, and distributions required by federal law on account of age. However, age enhancement established under this Section shall not be used in determining benefits payable under other Articles of this Code under the Retirement Systems Reciprocal Act.

(c) For all creditable service established under this Section, the employer must pay to the Fund an employer contribution consisting of 12% of the member's highest annual full-time rate of compensation for each year of creditable service granted under this Section.

The employer contribution shall be paid to the Fund in one of the following ways: (i) in a single sum at the time of the member's retirement, (ii) in equal quarterly installments over a period of 5 years from the date of retirement, or (iii) subject to the approval of the Board of the Fund, in unequal installments over a period of no more than 5 years from the date of retirement, as provided in a payment plan designed by the Fund to accommodate the needs of the employer. The employer's failure to make the required contributions in a timely manner shall not affect the payment of the retirement pension.

For all creditable service established under this Section, the employee must pay to the Fund an employee contribution consisting of 4% of the member's highest annual salary rate used in the determination of the retirement pension for each year of creditable service granted under this Section.

The employee contribution shall be deducted from the retirement annuity in 24 monthly installments.

(d) An annuitant who has received any age enhancement or creditable service under this Section and whose pension is suspended or cancelled under Section 17-149 or 17-150 shall thereby forfeit the age enhancement and creditable service. The forfeiture of creditable service under this subsection shall not entitle the employer to a refund of the employer contribution paid under this Section, nor to forgiveness of any part of that contribution that remains unpaid. The forfeiture of creditable service under this subsection shall not entitle the employee to a refund of the employee contribution paid under this Section.

(e) If the number of employees of an employer that apply for early retirement under this Section exceeds 30% of those eligible, the employer may require that, for any or all of the number of applicants in excess of that 30%, the starting date of the retirement pension enhanced under this Section be no earlier than June 1, 1994 and no later than September 1, 1994. The right to have the retirement pension begin before June 1, 1994 shall be allocated among the applicants on the basis of seniority in the service of that employer.

This delay applies only to persons who are applying for early retirement incentives under this Section, and does not prevent a person whose application for early retirement incentives has been withdrawn from beginning to receive a retirement pension on the earliest date upon which the person is otherwise eligible under this Article.
(f) For a member who is notified after July 30, 1993, but before November 29, 1993, that he or she will become a supernumerary or reserve teacher in the 1993-1994 school year: (1) the August 15, 1993 application deadline in subdivision (a)(3) of this Section is extended to December 14, 1993, (2) the September 1, 1993 deadline in subdivision (a)(4) of this Section is extended to December 14, 1993, and (3) the member shall not be included in the calculation of the 30% under subsection (e) and is not subject to delay in retirement under that subsection.

(f-5) For a member who is notified after January 1, 1994, but before March 1, 1994, that he or she will become a reserve teacher in the 1993-1994 school year: (1) the August 15, 1993 application deadline in subdivision (a)(3) of this Section is extended to April 1, 1994; (2) the September 1, 1993 deadline in subdivision (a)(4) of this Section is extended to April 1, 1994; and (3) the member shall not be included in the calculation of the 30% under subsection (e) and is not subject to delay in retirement under that subsection.

(g) A member who receives any early retirement incentive under Section 17-116.4, 17-116.5 or 17-116.6 may not receive any early retirement incentive under this Section.

(h) The version of this Section included in Public Act 88-85 is intended to and shall control over the version of this Section included in Public Act 88-89, notwithstanding Section 6 of the Statute on Statutes. All persons qualifying for early retirement incentives under this Section shall be subject to the limitations and restrictions provided in the version of this Section included in Public Act 88-85, as amended by Public Act 88-511.

(i) In addition to the benefits provided under the other provisions of this Section, every person who receives early retirement benefits under this Section is entitled to one additional year of creditable service and a corresponding year of additional age enhancement, for which no additional contribution is required. Every person who receives early retirement benefits under this Section whose retirement annuity has been calculated on the basis of a 4-year average salary is also entitled to have the annuity recalculated on the basis of the average salary for the 3 highest consecutive years within the last 10 years of service.

The additional benefits provided by this subsection (i) shall begin to accrue on the date the retirement annuity began, notwithstanding Section 17-157. The Fund shall recalculate all annuities originally calculated under this Section to reflect the additional benefits provided under this subsection and shall pay to the annuitant in a lump sum the difference between the annuity payments paid before the date of the recalculation and the recalculated amount of those payments.

Sec. 17-116.4. Early retirement incentives.

(a) A teacher who is covered by a collective bargaining agreement shall not be eligible for the early retirement incentives provided under this Section unless the collective bargaining agent and the Board of Education have entered into an agreement under which the agent agrees that any payment for accumulated unused sick days to which the employee is entitled upon withdrawal from service may be paid by the Board of Education in installments over a period of up to 5 years, and a copy of this agreement has been filed with the Board of the Fund.

To be eligible for the benefits provided in this Section, a person must:

1. be a member of this Fund who, on or after May 1, 1994, is (i) in active payroll status as a teacher, or (ii) on layoff status from such a position with a right of re-employment or recall to service, or (iii) on leave of absence from such a position, but only if the member on leave has not been receiving a disability benefit under this Article for a continuous period of 2 years or more as of the date of application;

2. have not previously received a retirement pension under this Article;

3. file with the Board and the Board of Education, before March 1, 1994, a written application requesting the benefits provided in this Section and a notice of resignation from employment, which resignation must take effect no earlier than June 1, 1994 and no later than September 1, 1994 unless the applicant's retirement is delayed under subsection (e) of this Section;

4. be eligible to receive a retirement pension under this Article (for which purpose any age enhancement or creditable service received under this Section may be used) and elect to receive the retirement pension beginning no earlier than June 1, 1994 and no later than
September 1, 1994 or the date established under subsection (e) of this Section, if applicable;
(5) have attained age 50 (without the use of any age enhancement or creditable service
received under this Section) after September 1, 1993 and no later than September 1, 1994;
(6) have at least 5 years of creditable service under this Fund or any of the participating
systems under the Retirement Systems Reciprocal Act (without the use of any creditable
service received under this Section) by the effective date of the retirement pension.
(b) An eligible person may establish up to 5 years of creditable service under this Section. In
addition, for each period of creditable service established under this Section, a person's age at
retirement shall be deemed to be increased by an equal period.

The creditable service established under this Section may be used for all purposes under this
Article and the Retirement Systems Reciprocal Act, except for the purposes of Section 17-116.1, and
the determination of average salary or compensation under this or any other Article of this Code.

The age enhancement established under this Section may be used for all purposes under this
Article (including calculation of a proportionate pension payable by this Fund under the Retirement
Systems Reciprocal Act), except for purposes of the reversionary pension under Section 17-120, and
distributions required by federal law on account of age. However, age enhancement established under
this Section shall not be used in determining benefits payable under other Articles of this Code under
the Retirement Systems Reciprocal Act.

c) For all creditable service established under this Section, the employer must pay to the Fund
an employer contribution consisting of 12% of the member's highest annual full-time rate of
compensation for each year of creditable service granted under this Section.

The employer contribution shall be paid to the Fund in one of the following ways: (i) in a
single sum at the time of the member's retirement, (ii) in equal quarterly installments over a period of
5 years from the date of retirement, or (iii) subject to the approval of the Board of the Fund, in unequal
installments over a period of no more than 5 years from the date of retirement, as provided in a
payment plan designed by the Fund to accommodate the needs of the employer. The employer's failure
to make the required contributions in a timely manner shall not affect the payment of the retirement
pension.

For all creditable service established under this Section, the employee must pay to the Fund
an employee contribution consisting of 4% of the member's highest annual salary rate used in the
determination of the retirement pension for each year of creditable service granted under this Section.

The employee contribution shall be deducted from the retirement annuity in 24 monthly installments.

d) An annuitant who has received any age enhancement or creditable service under this
Section and whose pension is suspended or cancelled under Section 17-149 or 17-150 shall thereby
forfeit the age enhancement and creditable service. The forfeiture of creditable service under this
subsection shall not entitle the employer to a refund of the employer contribution paid under this
Section, nor to forgiveness of any part of that contribution that remains unpaid. The forfeiture of
creditable service under this subsection shall not entitle the employee to a refund of the employee
contribution paid under this Section.

e) If the number of employees of an employer that apply for early retirement under this
Section exceeds 30% of those eligible, the employer may require that, for any or all of the number of
applicants in excess of that 30%, the starting date of the retirement pension enhanced under this
Section be no earlier than June 1, 1995 and no later than September 1, 1995. The right to have the
retirement pension begin before June 1, 1995 shall be allocated among the applicants on the basis of
seniority in the service of that employer.

This delay applies only to persons who are applying for early retirement incentives under this
Section, and does not prevent a person whose application for early retirement incentives has been
withdrawn from beginning to receive a retirement pension on the earliest date upon which the person
is otherwise eligible under this Article.

(f) A member who receives any early retirement incentive under Section 17-116.3 may not
receive any early retirement incentive under this Section.

(g) Notwithstanding Section 17-157, a person who is receiving early retirement benefits under
this Section may establish service credit for a period of up to 3 weeks during the month of January,
1968, during which the person was prevented from working due to civil unrest or a wildcat strike. A
person wishing to establish this credit must apply in writing to the Board within 30 days after the

effective date of this amendatory Act of the 92nd General Assembly and pay to the Fund an employee contribution calculated at the rate and salary applicable to the employee at the time for which credit is being established, without interest. When a person establishes additional service credit under this subsection, the Fund shall recalculate the annuity originally granted under this Section to reflect the additional credit and shall pay to the annuitant in a lump sum the difference between the annuity payments paid before the date of the recalculation and the recalculated amount of those payments. (40 ILCS 5/17-119.1)

Sec. 17-119.1. Optional increase in retirement annuity.
(a) A member of the Fund may qualify for the augmented rate under subdivision (b)(3) of Section 17-116 for all years of creditable service earned before July 1, 1998 by making the optional contribution specified in subsection (b); except that a member who retires on or after July 1, 1998 with at least 30 years of creditable service at retirement qualifies for the augmented rate without making any contribution under subsection (b). Any member who retires on or after July 1, 1998 and before the effective date of this amendatory Act of the 92nd General Assembly with at least 30 years of creditable service shall be paid a lump sum equal to the amount he or she would have received under the augmented rate minus the amount he or she actually received. A member may not elect to qualify for the augmented rate for only a portion of his or her creditable service earned before July 1, 1998.

(b) The contribution shall be an amount equal to 1.0% of the member's highest salary rate in the 4 consecutive school years immediately prior to but not including the school year in which the application occurs, multiplied by the number of years of creditable service earned by the member before July 1, 1998 or 20, whichever is less. This contribution shall be reduced by 1.0% of that salary rate for every 3 full years of creditable service earned by the member after June 30, 1998. The contribution shall be further reduced at the rate of 25% of the contribution (as reduced for service after June 30, 1998) for each year of the member's total creditable service in excess of 34 years. The contribution shall not in any event exceed 20% of that salary rate.

The member shall pay to the Fund the amount of the contribution as calculated at the time of application under this Section. The amount of the contribution determined under this subsection shall be recalculated at the time of retirement, and if the Fund determines that the amount paid by the member exceeds the recalculated amount, the Fund shall refund the difference to the member with regular interest from the date of payment to the date of refund.

The contribution required by this subsection shall be paid in one of the following ways or in a combination of the following ways that does not extend over more than 5 years:
(i) in a lump sum on or before the date of retirement;
(ii) in substantially equal installments over a period of time not to exceed 5 years, as a deduction from salary in accordance with Section 17-130.2;
(iii) if the member becomes an annuitant before June 30, 2003, in substantially equal monthly installments over a 24-month period, by a deduction from the annuitant's monthly benefit.

(c) If the member fails to make the full contribution under this Section in a timely fashion, the payments made under this Section shall be refunded to the member, without interest. If the member dies before making the full contribution, the payments made under this Section shall be refunded to the member's designated beneficiary.

(d) For purposes of this Section and subsection (b) of Section 17-116, optional creditable service established by a member shall be deemed to have been earned at the time of the employment or other qualifying event upon which the service is based, rather than at the time the credit was established in this Fund.

(e) The contributions required under this Section are the responsibility of the teacher and not the teacher's employer. However, an employer of teachers may, after the effective date of this amendatory Act of 1998, specifically agree, through collective bargaining or otherwise, to make the contributions required by this Section on behalf of those teachers. Sec. 17-121. Survivor's and Children's pensions - Eligibility. A surviving spouse of a teacher
shall be entitled to a survivor's pension only if he was married to the contributor for at least 1 1/2 years immediately prior to his death or retirement, whichever first occurs, and also on the date of the last termination of his service.

If the surviving spouse is under age 50 and there are no eligible minor children born to or legally adopted by the contributor and his surviving spouse, payment of the survivor's pension shall begin when the surviving spouse attains age 50.

Remarriage of the surviving spouse prior to September 1, 1983 while in receipt of a survivor's pension shall permanently terminate payment thereof, regardless of any subsequent change in marital status; however, beginning September 1, 1983, remarriage of a surviving spouse after attainment of age 55 shall not terminate the survivor's pension.

A surviving spouse whose pension was terminated on or after September 1, 1983 due to remarriage after attainment of age 55, and who applies for reinstatement of that pension before January 1, 1990, shall be entitled to have the pension reinstated effective January 1, 1990.

A surviving spouse of a member or annuitant under this Fund who is also a dependent beneficiary under the provisions of Section 16-140 is eligible for a reciprocal survivor's pension, provided that any refund of survivor's pension contributions is repaid to the Fund and application is made within 30 days after the effective date of this amendatory Act of the 92nd General Assembly.

(40 ILCS 5/17-149) (from Ch. 108 1/2, par. 17-149)

Sec. 17-149. Cancellation of pensions. If any person receiving a service or disability retirement pension from the Fund is re-employed as a teacher by an Employer, the pension shall be cancelled on the date the re-employment begins, or on the first day of a payroll period for which service credit was validated, whichever is earlier. However, beginning August 23, 1989, the pension shall not be cancelled in case of a service retirement pensioner who is temporarily re-employed for not more than 150 days during any school year or on an hourly basis, provided the pensioner does not receive salary in any school year of an amount more than that payable to a substitute teacher for 150 days' employment. A service retirement pensioner who is temporarily re-employed for not more than 150 days during any school year or on an hourly basis shall be entitled, at the end of the school year, to a refund of any contributions made to the Fund during that school year.

If the pensioner does receive salary from an Employer in any school year for more than 150 days' employment, the pensioner shall be deemed to have returned to service on the first day of employment as a pensioner-substitute. The pensioner shall reimburse the Fund for pension payments received after the return to service and shall pay to the Fund the participant's contributions prescribed in Section 17-130 of this Article.

If the date of re-employment occurs within 5 school months after the date of previous retirement, exclusive of any vacation period, the member shall be deemed to have been out of service only temporarily and not permanently retired. Such person shall be entitled to pension payments for the time he could have been employed as a teacher and received salary, but shall not be entitled to pension for or during the summer vacation prior to his return to service.

When the member again retires on pension, the time of service and the money contributed by him during re-employment shall be added to the time and money previously credited. Such person must acquire 3 consecutive years of additional contributing service before he may retire again on a pension at a rate and under conditions other than those in force or attained at the time of his previous retirement.

Notwithstanding Sections 1-103.1 and 17-157, the changes to this Section made by this amendatory Act of 1997 shall apply without regard to whether termination of service occurred before the effective date of this amendatory Act and shall apply retroactively to August 23, 1989.

Section 90. The State Mandates Act is amended by adding Section 8.25 as follows:

(30 ILCS 805/8.25 new)

Sec. 8.25. Exempt mandate. Notwithstanding Sections 6 and 8 of this Act, no reimbursement by the State is required for the implementation of any mandate created by this amendatory Act of the 92nd General Assembly.

Section 99. Effective date. This Act takes effect upon becoming law.

AN ACT in relation to motor carriers.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Vehicle Code is amended by adding Section 1-126.1 and changing Sections 15-101, 15-102, 15-103, 15-106, 15-107, 15-111, 15-112, and 15-316 as follows:

Sec. 1-126.1. Highway Designations. The Department of Transportation may designate streets or highways in the system of State highways as follows:

(a) Class I highways include interstate highways, expressways, tollways, and other highways deemed appropriate by the department.

(b) Class II highways include major arterials not built to interstate highway standards that have at least 11 feet lane widths.

(c) Class III highways include those State highways that have lane widths of less than 11 feet.

(d) Non-designated highways are highways in the system of State highways not designated as Class I, II, or III, or local highways which are part of any county, township, municipal, or district road system. Local authorities also may designate Class II or Class III highways within their systems of highways.

Sec. 15-101. Scope and effect of Chapter 15. (a) It is unlawful for any person to drive or move on, upon or across or for the owner to cause or knowingly permit to be driven or moved on, upon or across any highway any vehicle or vehicles of a size and weight exceeding the limitations stated in this Chapter or otherwise in violation of this Chapter, and the maximum size and weight of vehicles herein specified shall be lawful throughout this State, and local authorities shall have no power or authority to alter such limitations except as express authority may be granted in this Chapter.

(b) The provisions of this Chapter governing size, weight and load do not apply to fire apparatus or equipment for snow and ice removal operations owned or operated by any governmental body, or to implements of husbandry, as defined in Chapter 1 of this Code, temporarily operated or towed in a combination upon a highway provided such combination does not consist of more than 3 vehicles or, in the case of hauling fresh, perishable fruits or vegetables from farm to the point of first processing, not more than 3 wagons being towed by an implement of husbandry, or to a vehicle operated under the terms of a special permit issued hereunder.

Sec. 15-102. Width of Vehicles.

(a) On Class III and non-designated State and local highways, the total outside width of any vehicle or load thereon shall not exceed 8 feet.

(b) Except during those times when, due to insufficient light or unfavorable atmospheric conditions, persons and vehicles on the highway are not clearly discernible at a distance of 1000 feet, the following vehicles may exceed the 8 feet limitation during the period from a half hour before sunrise to a half hour after sunset:

(1) Loads of hay, straw or other similar farm products provided that the load is not more than 12 feet wide.

(2) Implements of husbandry being transported on another vehicle and the transporting vehicle while loaded.

The following requirements apply to the transportation on another vehicle of an implement of husbandry wider than 8 feet 6 inches on the National System of Interstate and Defense Highways or other highways in the system of State highways:

(A) The driver of a vehicle transporting an implement of husbandry that exceeds 8
feet 6 inches in width shall obey all traffic laws and shall check the roadways prior to making a movement in order to ensure that adequate clearance is available for the movement. It is prima facie evidence that the driver of a vehicle transporting an implement of husbandry has failed to check the roadway prior to making a movement if the vehicle is involved in a collision with a bridge, overpass, fixed structure, or properly placed traffic control device or if the vehicle blocks traffic due to its inability to proceed because of a bridge, overpass, fixed structure, or properly placed traffic control device.

(B) Flags shall be displayed so as to wave freely at the extremities of overwidth objects and at the extreme ends of all protrusions, projections, and overhangs. All flags shall be clean, bright red flags with no advertising, wording, emblem, or insignia inscribed upon them and at least 18 inches square.

(C) "OVERSIZE LOAD" signs are mandatory on the front and rear of all vehicles with loads over 10 feet wide. These signs must have 12-inch high black letters with a 2-inch stroke on a yellow sign that is 7 feet wide by 18 inches high.

(D) One civilian escort vehicle is required for a load that exceeds 14 feet 6 inches in width and 2 civilian escort vehicles are required for a load that exceeds 16 feet in width on the National System of Interstate and Defense Highways or other highways in the system of State highways.

(E) The requirements for a civilian escort vehicle and driver are as follows:
   (1) The civilian escort vehicle shall be a passenger car or a second division vehicle not exceeding a gross vehicle weight of 8,000 pounds that is designed to afford clear and unobstructed vision to both front and rear.
   (2) The escort vehicle driver must be properly licensed to operate the vehicle.
   (3) While in use, the escort vehicle must be equipped with illuminated rotating, oscillating, or flashing amber lights or flashing amber strobe lights mounted on top that are of sufficient intensity to be visible at 500 feet in normal sunlight.
   (4) "OVERSIZE LOAD" signs are mandatory on all escort vehicles. The sign on an escort vehicle shall have 8-inch high black letters on a yellow sign that is 5 feet wide by 12 inches high.
   (5) When only one escort vehicle is required and it is operating on a two-lane highway, the escort vehicle shall travel approximately 300 feet ahead of the load. The rotating, oscillating, or flashing lights or flashing amber strobe lights and an "OVERSIZE LOAD" sign shall be displayed on the escort vehicle and shall be visible from the front. When only one escort vehicle is required and it is operating on a multilane divided highway, the escort vehicle shall travel approximately 300 feet behind the load and the sign and lights shall be visible from the rear.
   (6) When 2 escort vehicles are required, one escort shall travel approximately 300 feet ahead of the load and the second escort shall travel approximately 300 feet behind the load. The rotating, oscillating, or flashing lights or flashing amber strobe lights and an "OVERSIZE LOAD" sign shall be displayed on the escort vehicles and shall be visible from the front on the lead escort and from the rear on the trailing escort.
   (7) When traveling within the corporate limits of a municipality, the escort vehicle shall maintain a reasonable and proper distance from the oversize load, consistent with existing traffic conditions.
   (8) A separate escort shall be provided for each load hauled.
   (9) The driver of an escort vehicle shall obey all traffic laws.
   (10) The escort vehicle must be in safe operational condition.
   (11) The driver of the escort vehicle must be in radio contact with the driver of the vehicle carrying the oversize load.

(F) A transport vehicle while under load of more than 8 feet 6 inches in width must be equipped with an illuminated rotating, oscillating, or flashing amber light or lights or a flashing amber strobe light or lights mounted on the top of the cab that are of sufficient intensity to be visible at 500 feet in normal sunlight. If the load on the transport vehicle blocks the visibility of the amber lighting from the rear of the vehicle, the vehicle must...
also be equipped with an illuminated rotating, oscillating, or flashing amber light or lights or a flashing amber strobe light or lights mounted on the rear of the load that are of sufficient intensity to be visible at 500 feet in normal sunlight.

(G) When a flashing amber light is required on the transport vehicle under load and it is operating on a two-lane highway, the transport vehicle shall display to the rear at least one rotating, oscillating, or flashing light or a flashing amber strobe light and an "OVERSIZE LOAD" sign. When a flashing amber light is required on the transport vehicle under load and it is operating on a multilane divided highway, the sign and light shall be visible from the rear.

(H) Maximum speed shall be 45 miles per hour on all such moves or 5 miles per hour above the posted minimum speed limit, whichever is greater, but the vehicle shall not at any time exceed the posted maximum speed limit.

(3) Portable buildings designed and used for agricultural and livestock raising operations that are not more than 14 feet wide and with not more than a 1 foot overhang along the left side of the hauling vehicle. However, the buildings shall not be transported more than 10 miles and not on any route that is part of the National System of Interstate and Defense Highways.

All buildings when being transported shall display at least 2 red cloth flags, not less than 12 inches square, mounted as high as practicable on the left and right side of the building.

A State Police escort shall be required if it is necessary for this load to use part of the left lane when crossing any 2 laned State highway bridge.

(c) Vehicles propelled by electric power obtained from overhead trolley wires operated wholly within the corporate limits of a municipality are also exempt from the width limitation.

(d) Exemptions are also granted to vehicles designed for the carrying of more than 10 persons under the following conditions:

(1) (Blank);

(2) When operated within any public transportation service with the approval of local authorities or an appropriate public body authorized by law to provide public transportation. Any vehicle so operated may be 8 feet 6 inches in width; or

prior to or in the model year of 2004 and first registered in Illinois prior to January 1, 2005, with a distance greater than 72 inches but not more than 96 inches between any series of 2 axles, is allowed a combined weight on the series not to exceed 36,000 pounds and neither axle of the series may exceed 18,000 pounds. Any vehicle of this type manufactured after the model year of 2004 or first registered in Illinois after December 31, 2004 may not exceed a combined weight of 32,000 pounds through the series of 2 axles and neither axle of the series may exceed 18,000 pounds:

(10) tandem axles on a 4-axle truck mixer, whose fourth axle is a road surface engaging mixer trailing axle, registered as a Special Hauling Vehicle, used exclusively for the mixing and transportation of concrete and manufactured prior to or in the model year of 2004 and first registered in Illinois prior to January 1, 2005, with a distance greater than 72 inches but not more than 96 inches between any series of 2 axles, is allowed a combined weight on the series not to exceed 36,000 pounds and neither axle of the series may exceed 18,000 pounds. Any vehicle of this type manufactured after the model year of 2004 or first registered in Illinois after December 31, 2004 may not exceed a combined weight of 32,000 pounds through the series of 2 axles and neither axle of the series may exceed 18,000 pounds:

(11) 4-axle vehicles or a 5 or more axle combination of vehicles: The weight transmitted upon the road surface through any series of 3 axles whose centers are more than 96 inches apart, measured between extreme axles in the series, may not exceed those allowed in the table contained in subsection (f) of this Section. No axle or tandem axle of the series may exceed the maximum weight permitted under this Section for a single or tandem axle. No vehicle or combination of vehicles equipped with other than pneumatic tires may be operated, unladen or with load, upon the highways of this State when the gross weight on the road surface through any wheel exceeds 800 pounds per inch width of tire tread or when the gross weight on the road surface through any axle exceeds 16,000 pounds. No vehicle or combination of vehicles equipped with pneumatic tires shall be operated, unladen or with load, upon the highways of this State when the gross weight on the road surface through any single axle thereof exceeds 18,000 pounds, except when a different limit is established and posted in accordance with Section 15-316 and except any single axle of a 2 axle motor vehicle weighing 36,000 pounds or less and not a part of a combination of vehicles, shall not exceed 20,000 pounds. Provided, however, that any single axle of a 2 axle motor vehicle equipped with a personnel lift or digger derrick, weighing 36,000 pounds or less, owned and operated by a public utility, shall not exceed 20,000 pounds. No vehicle or combination of vehicles equipped with other than pneumatic tires shall be operated, unladen or with load, upon the highways of this State when the gross weight on the road surface through any wheel thereof exceeds 800 pounds per inch width of tire tread or when the gross weight on the road surface through any axle thereof exceeds 16,000 pounds. The gross weight transmitted to the road surface through tandem axles shall not exceed 32,000 pounds and no axle of the series shall exceed the maximum weight permitted under this Section for a single axle. Provided that on a 4 axle vehicle or on a 5 or more axle combination of vehicles the weight on a series of 3 axles whose centers are more than 96 inches apart, measured between extreme axles in the series, shall not exceed those allowed on 3 axles in the table contained in subsection (f) of this Section and no axle or tandem axle of the series shall exceed the maximum weight permitted under this Section for a single or tandem axle. Provided also that a 3 axle vehicle or 3 axle truck mixer registered as a Special Hauling Vehicle, used exclusively for the mixing and transportation of concrete, specially equipped with a road surface engaging mixer trailing 4th axle, manufactured prior to or in the model year of 2004 and first registered in Illinois prior to January 1, 2005, with a distance greater than 72 inches but not more than 96 inches between any series of 2 axles may transmit to the road surface a maximum weight of 18,000 pounds on each of these axles with a gross weight on these 2 axles not to exceed 36,000 pounds. Any such vehicle manufactured in the model year of 2004 or thereafter or first registered in Illinois after December 31, 2004 may transmit to the road surface a maximum of 32,000 pounds through these 2 axles and none of the axles shall exceed 18,000 pounds.

A truck, not in combination and specially equipped with a selfcompactor, or an industrial roll-off hoist and roll-off container, used exclusively for garbage or refuse operations, and a truck used exclusively for the collection of rendering materials may, however, when laden, transmit upon the road surface of any highway except when part of the National System of Interstate and Defense
Highways, a gross weight upon a single axle not more than 22,000 pounds, and upon a tandem axle not more than 40,000 pounds. When unladen, however, those trucks shall comply with the axle limitations applicable to all other trucks.

A 2 axle truck specially equipped with a front loading compactor used exclusively for garbage, refuse, or recycling may transmit 20,000 pounds per axle provided that the gross weight of the vehicle does not exceed 40,000 pounds.

(b) On non-designated highways, the gross weight of vehicles and combination of vehicles including the weight of the vehicle or combination and its maximum load shall be subject to the foregoing limitations and further shall not exceed the following gross weights dependent upon the number of axles and distance between extreme axles of the vehicle or combination measured longitudinally to the nearest foot.

A vehicle not in a combination having more than 4 axles may not exceed the weight in the table in this subsection (b) for 4 axles measured between the extreme axles of the vehicle.

In applying the above table to a vehicle having more than 4 axles that is not in combination, only 4 axles shall be considered in determining the maximum gross weights.

(c) Cities having a population of more than 50,000 may permit by ordinance axle loads on 2 axle motor vehicles 33 1/2% above those provided for herein, but the increase shall not become effective until the city has officially notified the Department of the passage of the ordinance and shall not apply to those vehicles when outside of the limits of the city, nor shall the gross weight of any 2 axle motor vehicle operating over any street of the city exceed 40,000 pounds.

(d) Weight limitations shall not apply to vehicles (including loads) operated by a public utility when transporting equipment required for emergency repair of public utility facilities or properties or water wells.

A combination of vehicles, including a tow truck and a disabled vehicle or disabled combination of vehicles, that exceeds the weight restriction imposed by this Code, may be operated on a public highway in this State provided that neither the disabled vehicle nor any vehicle being towed nor the tow truck itself shall exceed the weight limitations permitted under this Chapter. During the towing operation, neither the tow truck nor the vehicle combination shall exceed 24,000 pounds on a single rear axle and 44,000 pounds on a tandem rear axle, provided the towing vehicle the following axle weight limitations:

(1) is specifically designed as a tow truck having a gross vehicle weight rating of at least 18,000 pounds and is equipped with air brakes, provided that air brakes are required only if the towing vehicle is towing a vehicle, semitrailer, or tractor-trailer combination that is equipped with air brakes;
(2) is equipped with flashing, rotating, or oscillating amber lights, visible for at least 500 feet in all directions;
(3) is capable of utilizing the lighting and braking systems of the disabled vehicle or combination of vehicles; and
(4) does not engage in a tow exceeding 20 miles from the initial point of wreck or disablement. Any additional movement of the vehicles may occur only upon issuance of authorization for that movement under the provisions of Sections 15-301 through 15-319 of this Code.

A. 24,000 pounds - Single rear axle;
B. 44,000 pounds - Tandem rear axle;

Gross weight limits shall not apply to the combination of the tow truck and vehicles being towed. The tow truck license plate must cover the operating empty weight of the tow truck only. The weight of each vehicle being towed shall be covered by a valid license plate issued to the owner or operator of the vehicle being towed and displayed on that vehicle. If no valid plate is issued to the owner or operator of that vehicle, then the plate displayed on that vehicle does not cover the weight of the vehicle, the weight of the vehicle shall be covered by the third tow truck plate issued to the owner or operator of the tow truck and temporarily affixed to the vehicle being towed. In addition, the following conditions must be met:

(1) the towing vehicle must be:
   a. specifically designed as a tow truck having a gross vehicle weight rating of at least 18,000 lbs. and equipped with air brakes provided that air brakes shall be required only

if the towing vehicle is towing a vehicle, semitrailer, or tractor-trailer combination that
is equipped with airbrakes;

b. equipped with flashing, rotating or oscillating amber lights, visible for at least 500
feet in all directions; and

c. capable of utilizing the lighting and braking systems of the disabled vehicle or
combination of vehicles.

(2) The towing of the vehicles on the highways of this State shall not exceed 20 miles
from the initial point of wreck or disablement. Any additional movement of the vehicles shall
only occur upon issuance of authorization for that movement under the provisions of Sections
15-301 through 15-319 of this Chapter.

The Department may by rule or regulation prescribe additional requirements. However,
nothing in this Code shall prohibit a tow truck under instructions of a police officer from legally
clearing a disabled vehicle, that may be in violation of weight limitations of this Chapter, from
the roadway to the berm or shoulder of the highway. If in the opinion of the police officer that location
is unsafe, the officer is authorized to have the disabled vehicle towed to the nearest place of safety.

For the purpose of this subsection, gross vehicle weight rating, or GVWR, shall mean the
value specified by the manufacturer as the loaded weight of the tow truck.

(e) No vehicle or combination of vehicles equipped with pneumatic tires shall be operated,
unladen or with load, upon the highways of this State in violation of the provisions of any permit
issued under the provisions of Sections 15-301 through 15-319 of this Chapter.

(f) On designated Class I, II, or III highways and the National System of Interstate and
Defense Highways, no vehicle or combination of vehicles with pneumatic tires may be operated,
unladen or with load, when the total weight on the road surface exceeds the following: 20,000 pounds
on a single axle; 34,000 pounds on a tandem axle with no axle within the tandem exceeding 20,000
pounds; 80,000 pounds gross weight for vehicle combinations of 5 or more axles; or a total weight
on a group of 2 or more consecutive axles in excess of that weight produced by the application of the
following formula: W = 500 times the sum of (LN divided by N-1) + 12N + 36, where "W" equals
overall total weight on any group of 2 or more consecutive axles to the nearest 500 pounds, "L" equals
the distance measured to the nearest foot between extremes of any group of 2 or more consecutive
axles, and "N" equals the number of axles in the group under consideration. Notwithstanding any
other provision in this Code, except for those provisions of subsection (d) of this Section relating to
emergency operations of public utilities and tow trucks while actually engaged in the towing of a
disabled vehicle, and those vehicles for which the Department issues overweight permits under
authority of Section 15-301 of this Code, the weight limitations contained in this subsection shall
apply to the National System of Interstate and Defense Highways and other highways in the system
of State highways that have been designated by the Department as Class I, II, or III. No vehicle shall
be operated on the highways with a weight in excess of 20,000 pounds carried on any one axle or with
a tandem axle weight in excess of 34,000 pounds, or a gross weight in excess of 80,000 pounds for
vehicle combinations of 5 axles or more, or a gross weight on a group of 2 or more consecutive axles
in excess of that weight produced by the application of the following formula:

W = 500 times the sum of (LN divided by N-1) + 12N + 36 Where "W" equals overall gross
weight on any group of 2 or more consecutive axles to the nearest 500 pounds, "L" equals the distance
measured to the nearest foot between extremes of any group of 2 or more consecutive axles; and "N"
equals the number of axles in the group under consideration, except that 2 consecutive sets of tandem
axles may carry a gross load of 34,000 pounds each, provided the overall distance between the first
and last axles of the consecutive sets of tandem axles is 36 feet or more. Provided also that a 3-axle
vehicle registered as a Special Hauling Vehicle manufactured prior to or in the model year of 2004,
and first registered in Illinois prior to January 1, 2005, with a distance greater than 72 inches but not
more than 96 inches between the 2 rear axles may transmit to the road surface a maximum weight of
48,000 pounds on each of the 2 rear axles with a gross weight on these 2 axles not to exceed 36,000
pounds. Any vehicle registered as a Special Hauling Vehicle manufactured prior to or in the model
year of 2004 or thereafter or first registered in Illinois after December 31, 2004, may transmit to the
road surface a maximum of 34,000 pounds through the 2 rear axles and neither of the rear axles shall
exceed 20,000 pounds.

The above formula when expressed in tabular form results in allowable loads as follows:

*If the distance between 2 axles is 96 inches or less, the 2 axles are tandem axles and the maximum total weight may not exceed 34,000 pounds, notwithstanding the higher limit resulting from the application of the formula.*

Vehicles not in a combination having more than 4 axles may not exceed the weight in the table in this subsection (f) for 4 axles measured between the extreme axles of the vehicle.

Vehicles in a combination having more than 6 axles may not exceed the weight in the table in this subsection (f) for 6 axles measured between the extreme axles of the combination.

In applying the above formula to a vehicle having more than 4 axles that is not a combination, only 4 axles shall be considered in determining the maximum gross weight, and for a combination of vehicles having more than 6 axles, only 6 axles shall be considered in determining the maximum gross weight.

Notwithstanding the above table, 2 consecutive sets of tandem axles may carry a gross weight of 34,000 pounds each if the overall distance between the first and last axles of the consecutive sets of tandem axles is 36 feet or more.

Local authorities and road district highway commissioners, with respect to streets and highways under their jurisdiction, without additional fees, may also by ordinance or resolution allow the weight limitations of this subsection, provided the maximum gross weight on any one axle shall not exceed 20,000 pounds and the maximum total gross weight on any tandem axle shall not exceed 34,000 pounds, on designated highways when appropriate regulatory signs giving notice are erected upon the street or highway or portion of any street or highway affected by the ordinance or resolution.

The following are exceptions to the above formula:

1. Two consecutive sets of tandem axles may carry a total weight of 34,000 pounds each if the overall distance between the first and last axles of the consecutive sets of tandem axles is 36 feet or more.

2. Vehicles for which a different limit is established and posted in accordance with Section 15-316 of this Code.

3. Vehicles for which the Department of Transportation and local authorities issue overweight permits under authority of Section 15-301 of this Code. These vehicles are not subject to the bridge formula.

4. Tow trucks subject to the conditions provided in subsection (d) may not exceed 24,000 pounds on a single rear axle or 44,000 pounds on a tandem rear axle.

5. A tandem axle on a 3-axle truck registered as a Special Hauling Vehicle, manufactured prior to or in the model year of 2004, and registered in Illinois prior to January 1, 2005, with a distance between 2 axles in a series greater than 72 inches but not more than 96 inches may not exceed a total weight of 36,000 pounds and neither axle of the series may exceed 18,000 pounds.

6. A truck not in combination, equipped with a self compactor or an industrial roll-off hoist and roll-off container, used exclusively for garbage or refuse operations, may, when laden, transmit upon the road surface, except when on part of the National System of Interstate and Defense Highways, the following maximum weights: 22,000 pounds on a single axle; 40,000 pounds on a tandem axle; 56,000 pounds gross weight on a 2-axle vehicle; 54,000 pounds gross weight on a 3-axle vehicle. This vehicle is not subject to the bridge formula.

7. (a) Any police officer having reason to believe that the weight of a vehicle and load is unlawful shall require the driver to stop and submit to a weighing of the same either by means of a portable or stationary scales that have been tested and approved at a frequency prescribed by the Illinois Department of Agriculture, or for those scales operated by the State, when such tests are requested by the Department of State Police, whichever is more frequent. If such scales are not available at the place where such vehicle is stopped, the police officer shall require that such vehicle be driven to the nearest available scale that has been tested and approved pursuant to this Section by the Illinois Department of Agriculture. Notwithstanding any provisions of the Weights and Measures Act or the United States Department of Commerce NIST handbook 44, multi or single draft weighing is an acceptable method of weighing by law enforcement for determining a violation of Chapter 3 or 15 of this Code. Law enforcement is exempt from the requirements of commercial weighing established in NIST handbook 44.

Within 18 months after the effective date of this amendatory Act of the 91st General Assembly, all municipal and county officers, technicians, and employees who set up and operate portable scales for wheel load or axle load or both and issue citations based on the use of portable scales for wheel load or axle load or both and who have not successfully completed initial classroom and field training regarding the set up and operation of portable scales, shall attend and successfully complete initial classroom and field training administered by the Illinois Law Enforcement Training Standards Board.

(b) Whenever an officer, upon weighing a vehicle and the load, determines that the weight is unlawful, such officer shall require the driver to stop the vehicle in a suitable place and remain standing until such portion of the load is removed as may be necessary to reduce the weight of the vehicle to the limit permitted under this Chapter, or to the limit permitted under the terms of a permit issued pursuant to Sections 15-301 through 15-318 and shall forthwith arrest the driver or owner. All material so unloaded shall be cared for by the owner or operator of the vehicle at the risk of such owner or operator; however, whenever a 3 or 4 axle vehicle with a tandem axle dimension greater than 72 inches, but less than 96 inches and registered as a Special Hauling Vehicle is transporting asphalt or concrete in the plastic state that exceeds axle weight or gross weight limits by less than 4,000 pounds, the owner or operator of the vehicle shall accept the arrest ticket or tickets for the alleged violations under this Section and proceed without shifting or reducing the load being transported or may shift or reduce the load under the provisions of subsection (d) or (e) of this Section, when applicable. Any fine imposed following an overweight violation by a vehicle registered as a Special Hauling Vehicle transporting asphalt or concrete in the plastic state shall be paid as provided in

subsection 4 of paragraph (a) of Section 16-105 of this Code.

(c) The Department of Transportation may, at the request of the Department of State Police, erect appropriate regulatory signs on any State highway directing second division vehicles to a scale. The Department of Transportation may also, at the direction of any State Police officer, erect portable regulating signs on any highway directing second division vehicles to a portable scale. Every such vehicle, pursuant to such sign, shall stop and be weighed.

(d) Whenever any axle load of a vehicle exceeds the axle or tandem axle weight limits permitted by paragraph (a) or (f) of Section 15-111 by 2000 pounds or less, the owner or operator of the vehicle must shift or remove the excess so as to comply with paragraph (a) or (f) of Section 15-111. No overweight arrest ticket shall be issued to the owner or operator of the vehicle by any officer if the excess gross weight is shifted or removed as required by this paragraph.

(e) Whenever the gross weight of a vehicle with a registered gross weight of 73,280 pounds or less exceeds the weight limits of paragraph (b) or (f) of Section 15-111 of this Chapter by 2000 pounds or less, the owner or operator of the vehicle must remove the excess. Whenever the gross weight of a vehicle with a registered gross weight of 73,281 pounds or more exceeds the weight limits of paragraph (b) or (f) of Section 15-111 by 1,000 pounds or less or 2,000 pounds or less if weighed on wheel load weighers, the owner or operator of the vehicle must remove the excess. In either case no arrest ticket for any overweight violation of this Code shall be issued to the owner or operator of the vehicle by any officer if the excess weight is removed as required by this paragraph. A person who has been granted a special permit under Section 15-301 of this Code shall not be granted a tolerance on wheel load weighers.

(f) Whenever an axle load of a vehicle exceeds axle weight limits allowed by the provisions of a permit an arrest ticket shall be issued, but the owner or operator of the vehicle may shift the load so as to comply with the provisions of the permit. Where such shifting of a load to comply with the permit is accomplished, the owner or operator of the vehicle may then proceed.

(g) Any driver of a vehicle who refuses to stop and submit his vehicle and load to weighing after being directed to do so by an officer or removes or causes the removal of the load or part of it prior to weighing is guilty of a business offense and shall be fined not less than $500 nor more than $2,000.

A. Exemptions and Policy. Every motor vehicle, trailer, semitrailer and pole trailer when driven or moved upon a highway shall be subject to the registration and certificate of title provisions of this Chapter except:

(1) Any such vehicle driven or moved upon a highway in conformance with the provisions of this Chapter relating to manufacturers, transporters, dealers, lienholders or nonresidents or under a temporary registration permit issued by the Secretary of State;
(2) Any implement of husbandry whether of a type otherwise subject to registration hereunder or not which is only incidentally operated or moved upon a highway, which shall include a not-for-hire movement for the purpose of delivering farm commodities to a place of first processing or sale, or to a place of storage;
(3) Any special mobile equipment as herein defined;
(4) Any vehicle which is propelled exclusively by electric power obtained from overhead trolley wires though not operated upon rails;

(6) Any vehicle which is owned and operated by the federal government and externally displays evidence of federal ownership. It is the policy of the State of Illinois to promote and encourage the fullest use of its highways and to enhance the flow of commerce thus contributing to the economic, agricultural, industrial and social growth and development of this State, by authorizing the Secretary of State to negotiate and enter into reciprocal or proportional agreements or arrangements with other States, or to issue declarations setting forth reciprocal exemptions, benefits and privileges with respect to vehicles operated interstate which are properly registered in this and other States, assuring nevertheless proper registration of vehicles in Illinois as may be required by this Code;
(7) Any converter dolly or tow dolly which merely serves as substitute wheels for another legally licensed vehicle. A title may be issued on a voluntary basis to a tow dolly upon receipt of the manufacturer's certificate of origin or the bill of sale;
(8) Any house trailer found to be an abandoned mobile home under the Abandoned Mobile Home Act;

(9) Any vehicle that is not properly registered or does not have registration plates issued to the owner or operator affixed thereto, or that does have registration plates issued to the owner or operator affixed thereto but the plates are not appropriate for the weight of the vehicle, provided that this exemption shall apply only while the vehicle is being transported or operated by a towing service and has a third tow plate affixed to it.

B. Reciprocity. Any motor vehicle, trailer, semitrailer or pole trailer need not be registered under this Code provided the same is operated interstate and in accordance with the following provisions and any rules and regulations promulgated pursuant thereto:

(1) A nonresident owner, except as otherwise provided in this Section, owning any foreign registered vehicle of a type otherwise subject to registration hereunder, may operate or permit the operation of such vehicle within this State in interstate commerce without registering such vehicle in, or paying any fees to, this State subject to the condition that such vehicle at all times when operated in this State is operated pursuant to a reciprocity agreement, arrangement or declaration by this State, and further subject to the condition that such vehicle at all times when operated in this State is duly registered in, and displays upon it, a valid registration card and registration plate or plates issued for such vehicle in the place of residence of such owner and is issued and maintains in such vehicle a valid Illinois reciprocity permit as required by the Secretary of State, and provided like privileges are afforded to residents of this State by the State of residence of such owner.

Every nonresident including any foreign corporation carrying on business within this State and owning and regularly operating in such business any motor vehicle, trailer or semitrailer within this State in intrastate commerce, shall be required to register each such vehicle and pay the same fees therefor as is required with reference to like vehicles owned by residents of this State.

(2) Any motor vehicle, trailer, semitrailer and pole trailer operated interstate need not be registered in this State, provided:

(a) same is properly registered in another State pursuant to law or to a reciprocity agreement, arrangement or declaration; or

(b) that such vehicle is part of a fleet of vehicles owned or operated by the same person who registers such fleet of vehicles pro rata among the various States in which such fleet operates; or

(c) that such vehicle is part of a fleet of vehicles, a portion of which are registered with the Secretary of State of Illinois in accordance with an agreement or arrangement concurred in by the Secretary of State of Illinois based on one or more of the following factors: ratio of miles in Illinois as against total miles in all jurisdictions; situs or base of a vehicle, or where it is principally garaged, or from whence it is principally dispatched or where the movements of such vehicle usually originate; situs of the residence of the owner or operator thereof, or of his principal office or offices, or of his places of business; the routes traversed and whether regular or irregular routes are traversed, and the jurisdictions traversed and served; and such other factors as may be deemed material by the Secretary and the motor vehicle administrators of the other jurisdictions involved in such apportionment; and

(d) that such vehicles shall maintain therein any reciprocity permit which may be required by the Secretary of State pursuant to rules and regulations which the Secretary of State may promulgate in the administration of this Code, in the public interest. (3) (a) In order to effectuate the purposes of this Code, the Secretary of State of Illinois is empowered to negotiate and execute written reciprocal agreements or arrangements with the duly authorized representatives of other jurisdictions, including States, districts, territories and possessions of the United States, and foreign states, provinces, or countries, granting to owners or operators of vehicles duly registered or licensed in such other jurisdictions and for which evidence of compliance is supplied, benefits, privileges and exemption from the payment, wholly or partially, of any taxes, fees or other charges imposed with respect to the ownership or operation of such vehicles by the laws of this
State except the tax imposed by the Motor Fuel Tax Law, approved March 25, 1929, as amended, and the tax imposed by the Use Tax Act, approved July 14, 1955, as amended.

The Secretary of State may negotiate agreements or arrangements as are in the best interests of this State and the residents of this State pursuant to the policies expressed in this Section taking into consideration the reciprocal exemptions, benefits and privileges available and accruing to residents of this State and vehicles registered in this State.

(b) Such reciprocal agreements or arrangements shall provide that vehicles duly registered or licensed in this State when operated upon the highways of such other jurisdictions, shall receive exemptions, benefits and privileges of a similar kind or to a similar degree as extended to vehicles from such jurisdictions in this State.

(c) Such agreements or arrangements may also authorize the apportionment of registration or licensing of fleets of vehicles operated interstate, based on any or all of the following factors: ratio of miles in Illinois as against total miles in all jurisdictions; situs or base of a vehicle, or where it is principally garaged or from whence it is principally dispatched or where the movements of such vehicle usually originate; situs of the residence of the owner or operator thereof, or of his principal office or offices, or of his places of business; the routes traversed and whether regular or irregular routes are traversed, and the jurisdictions traversed and served; and such other factors as may be deemed material by the Secretary and the motor vehicle administrators of the other jurisdictions involved in such apportionment, and such vehicles shall likewise be entitled to reciprocal exemptions, benefits and privileges.

(d) Such agreements or arrangements shall also provide that vehicles being operated in intrastate commerce in Illinois shall comply with the registration and licensing laws of this State, except that vehicles which are part of an apportioned fleet may conduct an intrastate operation incidental to their interstate operations. Any motor vehicle properly registered and qualified under any reciprocal agreement or arrangement under this Code and not having a situs or base within Illinois may complete the inbound movement of a trailer or semitrailer to an Illinois destination that was brought into Illinois by a motor vehicle also properly registered and qualified under this Code and not having a situs or base within Illinois, or may complete an outbound movement of a trailer or semitrailer to an out-of-state destination that was originated in Illinois by a motor vehicle also properly registered and qualified under this Code and not having a situs or base in Illinois, only if the operator thereof did not break bulk of the cargo laden in such inbound or outbound trailer or semitrailer. Adding or unloading intrastate cargo on such inbound or outbound trailer or semitrailer shall be deemed as breaking bulk.

(e) Such agreements or arrangements may also provide for the determination of the proper State in which leased vehicles shall be registered based on the factors set out in subsection (c) above and for apportionment of registration of fleets of leased vehicles by the lessee or by the lessor who leases such vehicles to persons who are not fleet operators.

(f) Such agreements or arrangements may also include reciprocal exemptions, benefits or privileges accruing under The Illinois Driver Licensing Law or The Driver License Compact.

(4) The Secretary of State is further authorized to examine the laws and requirements of other jurisdictions, and, in the absence of a written agreement or arrangement, to issue a written declaration of the extent and nature of the exemptions, benefits and privileges accorded to vehicles of this State by such other jurisdictions, and the extent and nature of reciprocal exemptions, benefits and privileges thereby accorded by this State to the vehicles of such other jurisdictions. A declaration by the Secretary of State may include any, part or all reciprocal exemptions, benefits and privileges or provisions as may be included within an agreement or arrangement.

(5) All agreements, arrangements, declarations and amendments thereto, shall be in writing and become effective when signed by the Secretary of State, and copies of all such documents shall be available to the public upon request.

(6) The Secretary of State is further authorized to require the display by foreign registered trucks, truck-tractors and buses, entitled to reciprocal benefits, exemptions or privileges.
hereunder, a reciprocity permit for external display before any such reciprocal benefits, exemptions or privileges are granted. The Secretary of State shall provide suitable application forms for such permit and shall promulgate and publish reasonable rules and regulations for the administration and enforcement of the provisions of this Code including a provision for revocation of such permit as to any vehicle operated wilfully in violation of the terms of any reciprocal agreement, arrangement or declaration or in violation of the Illinois Motor Carrier of Property Law, as amended.

7. (a) Upon the suspension, revocation or denial of one or more of all reciprocal benefits, privileges and exemptions existing pursuant to the terms and provisions of this Code or by virtue of a reciprocal agreement or arrangement or declaration thereunder; or, upon the suspension, revocation or denial of a reciprocity permit; or, upon any action or inaction of the Secretary in the administration and enforcement of the provisions of this Code, any person, resident or nonresident, so aggrieved, may serve upon the Secretary, a petition in writing and under oath, setting forth the grievance of the petitioner, the grounds and basis for the relief sought, and all necessary facts and particulars, and request an administrative hearing thereon. Within 20 days, the Secretary shall set a hearing date as early as practical. The Secretary may, in his discretion, supply forms for such a petition. The Secretary may require the payment of a fee of not more than $50 for the filing of any petition, motion, or request for hearing conducted pursuant to this Section. These fees must be deposited into the Secretary of State DUI Administration Fund, a special fund that is hereby created in the State treasury, and, subject to appropriation and as directed by the Secretary of State, shall be used to fund the operation of the hearings department of the Office of the Secretary of State and for no other purpose. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(b) The Secretary may likewise, in his discretion and upon his own petition, order a hearing, when in his best judgment, any person is not entitled to the reciprocal benefits, privileges and exemptions existing pursuant to the terms and provisions of this Code or under a reciprocal agreement or arrangement or declaration thereunder or that a vehicle owned or operated by such person is improperly registered or licensed, or that an Illinois resident has improperly registered or licensed a vehicle in another jurisdiction for the purposes of violating or avoiding the registration laws of this State.

(c) The Secretary shall notify a petitioner or any other person involved of such a hearing, by giving at least 10 days notice, in writing, by U.S. Mail, Registered or Certified, or by personal service, at the last known address of such petitioner or person, specifying the time and place of such hearing. Such hearing shall be held before the Secretary, or any person as he may designate, and unless the parties mutually agree to some other county in Illinois, the hearing shall be held in the County of Sangamon or the County of Cook. Appropriate records of the hearing shall be kept, and the Secretary shall issue or cause to be issued, his decision on the case, within 30 days after the close of such hearing or within 30 days after receipt of the transcript thereof, and a copy shall likewise be served or mailed to the petitioner or person involved.

(d) The actions or inactions or determinations, or findings and decisions upon an administrative hearing, of the Secretary, shall be subject to judicial review in the Circuit Court of the County of Sangamon or the County of Cook, and the provisions of the Administrative Review Law, and all amendments and modifications thereof and rules adopted pursuant thereto, apply to and govern all such reviewable matters.

Any reciprocal agreements or arrangements entered into by the Secretary of State or any declarations issued by the Secretary of State pursuant to any law in effect prior to the effective date of this Code are not hereby abrogated, and such shall continue in force and effect until amended pursuant to the provisions of this Code or expire pursuant to the terms or provisions thereof.

The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(d) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination thereof, until the expiration of at least one year from the date of the revocation. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(d) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may issue the applicant a license, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each, until the applicant attains 21 years of age.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

Any person under 21 years of age who has a driver's license revoked for a second or subsequent conviction for driving under the influence, prior to the age of 21, shall not be eligible to submit an application for a full reinstatement of driving privileges or a restricted driving permit until age 21 or one additional year from the date of the latest such revocation, whichever is the longer. (e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State may use ignition interlock device requirements when granting driving relief to individuals who have been arrested for a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The Secretary shall establish by rule and regulation the procedures for use of the interlock system.

The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant under the age of 18 years whose driver's license or permit has been suspended...

(b) Any person whose license, permit or privilege to drive a motor vehicle on the highways has been revoked shall not be entitled to have such license, permit or privilege renewed or restored. However, such person may, except as provided under subsection (d) of Section 6-205, make application for a license pursuant to Section 6-106 (i) if the revocation was for a cause which has been removed or (ii) as provided in the following subparagraphs:

1. Except as provided in subparagraphs 2, 3, and 4, the person may make application for a license after the expiration of one year from the effective date of the revocation or, in the case of a violation of paragraph (b) of Section 11-401 of this Code or a similar provision of a local ordinance, after the expiration of 3 years from the effective date of the revocation or, in the case of a violation of Section 9-3 of the Criminal Code of 1961 relating to the offense of reckless homicide, after the expiration of 2 years from the effective date of the revocation.

(C) Section 9-3 of the Criminal Code of 1961, as amended, relating to the offense of reckless homicide; or
(D) any combination of the above offenses committed at different instances;
then such person may not make application for a license until after the expiration of 5 years from the effective date of the most recent revocation. The 20 year period shall be computed by using the dates the offenses were committed and shall also include similar out-of-state offenses.

3. However, except as provided in subparagraph 4, if such person is convicted of committing a third, or subsequent, violation or any combination of the above offenses, including similar out-of-state offenses, contained in subparagraph 2, then such person may not make application for a license until after the expiration of 10 years from the effective date of the most recent revocation.

4. The person may not make application for a license if the person is convicted of committing a fourth or subsequent violation of Section 11-501 of this Code or a similar provision of a local ordinance, paragraph (b) of Section 11-401 of this Code, Section 9-3 of the Criminal Code of 1961, or a combination of these offenses or similar provisions of local ordinances or similar out-of-state offenses if the original revocation or suspension was for a violation of Section 11-501 or 11-501.1 of this Code or a similar provision of a local ordinance.

Notwithstanding any other provision of this Code, all persons referred to in this paragraph (b) may not have their privileges restored until the Secretary receives payment of the required reinstatement fee pursuant to subsection (b) of Section 6-118.

In no event shall the Secretary issue such license unless and until such person has had a hearing pursuant to this Code and the appropriate administrative rules and the Secretary is satisfied, after a review or investigation of such person, that to grant the privilege of driving a motor vehicle on the highways will not endanger the public safety or welfare.

(c) If a person prohibited under paragraph (2) or paragraph (3) of subsection (c-4) of Section 11-501 from driving any vehicle not equipped with an ignition interlock device nevertheless is convicted of driving a vehicle that is not equipped with the device, that person is prohibited from driving any vehicle not equipped with an ignition interlock device for an additional period of time equal to the initial time period that the person was required to use an ignition interlock device.

(a) It shall be unlawful for any seller doing business within this State to accept sales proceeds from a purchaser, either directly or indirectly by any means, unless the seller enters into a pre-need contract with the purchaser which meets the following requirements:

(1) It states the name and address of the principal office of the seller and the parent company of the seller, if any provider, or clearly discloses that the provider will be selected by the purchaser or the purchaser's survivor or legal representative at a later date, except that no contract shall contain any provision restricting the right of the contract purchaser during his or her lifetime in making his or her own selection of a provider.

(2) It clearly identifies the provider's seller's name and address, the purchaser, and the beneficiary, if other than the purchaser, and the provider, if different than the seller or discloses that the provider will be selected at a later date.

(2.5) If the provider has branch locations, the contract gives the purchaser the opportunity to identify the branch at which the funeral will be provided.

(3) It contains a complete description of the funeral merchandise and services to be provided and the price of the merchandise and services, and it clearly discloses whether the price of the merchandise and services is guaranteed or not guaranteed as to price.

(A) Each guaranteed price contract shall contain the following statement in 12 point bold type:

THIS CONTRACT GUARANTEES THE BENEFICIARY THE SPECIFIC GOODS AND SERVICES CONTRACTED FOR. NO ADDITIONAL CHARGES MAY BE REQUIRED FOR DESIGNATED GOODS AND SERVICES, ADDITIONAL CHARGES MAY BE INCURRED FOR UNEXPECTED EXPENSES INCLUDING, BUT NOT LIMITED TO, CASH ADVANCES, SHIPPING OF REMAINS FROM A DISTANT PLACE, OR DESIGNATED HONORARIA ORDERED OR DIRECTED BY SURVIVORS.
EXCEPT AS PROVIDED IN SUBPARAGRAPH (C) OF THIS PARAGRAPH (3), EACH NON-GUARANTEED PRICE CONTRACT SHALL CONTAIN THE FOLLOWING STATEMENT IN 12 POINT BOLD TYPE:

THIS CONTRACT DOES NOT GUARANTEE THE PRICE THE BENEFICIARY WILL PAY FOR ANY SPECIFIC GOODS OR SERVICES. ANY FUNDS PAID UNDER THIS CONTRACT ARE ONLY A DEPOSIT TO BE APPLIED TOWARD THE FINAL PRICE OF THE GOODS OR SERVICES CONTRACTED FOR. ADDITIONAL CHARGES MAY BE REQUIRED.

(C) IF A NON-GUARANTEED PRICE CONTRACT MAY SUBSEQUENTLY BECOME GUARANTEED, THE CONTRACT SHALL CLEARLY DISCLOSE THE NATURE OF THE GUARANTEE AND THE TIME, OCCURRENCE, OR EVENT UPON WHICH THE CONTRACT SHALL BECOME A GUARANTEED PRICE CONTRACT.

4. IT PROVIDES THAT IF THE PARTICULAR SUPPLIES AND SERVICES SPECIFIED IN THE PRE-NEXT CONTRACT ARE UNAVAILABLE AT THE TIME OF DELIVERY, THE PROVIDER SHALL BE REQUIRED TO FURNISH SUPPLIES AND SERVICES SIMILAR IN STYLE AND AT LEAST EQUAL IN QUALITY OF MATERIAL AND WORKMANSHIP.

5. IT DISCLOSES ANY PENALTIES OR RESTRICTIONS, INCLUDING BUT NOT LIMITED TO GEOGRAPHIC RESTRICTIONS OR THE INABILITY OF THE PROVIDER, IF SELECTED, TO PERFORM, ON THE DELIVERY OF MERCHANDISE, SERVICES, OR PRE-NEXT CONTRACT GUARANTEES.

6. REGARDLESS OF THE METHOD OF FUNDING THE PRE-NEXT CONTRACT, THE FOLLOWING MUST BE DISCLOSED:

(A) WHETHER THE PRE-NEXT CONTRACT IS TO BE FUNDED BY A TRUST, LIFE INSURANCE, OR AN ANNUITY;

(B) THE NATURE OF THE RELATIONSHIP AMONG THE PERSON ENTITY FUNDING THE PRE-NEXT CONTRACT, THE PROVIDER, IF SELECTED; AND THE SELLER; AND

(C) THE IMPACT ON THE PRE-NEXT CONTRACT OF (I) ANY CHANGES IN THE FUNDING ARRANGEMENT INCLUDING BUT NOT LIMITED TO CHANGES IN THE ASSIGNMENT, BENEFICIARY DESIGNATION, OR USE OF THE FUNDS; (II) ANY SPECIFIC PENALTIES TO BE INCURRED BY THE CONTRACT PURCHASER AS A RESULT OF FAILURE TO MAKE PAYMENTS; (III) PENALTIES TO BE INCURRED OR MONEYS OR REFUNDS TO BE RECEIVED AS A RESULT OF CANCELLATIONS; AND (IV) ALL RELEVANT INFORMATION CONCERNING WHAT OCCURS AND WHETHER ANY ENTITLEMENTS OR OBLIGATIONS ARISE IF THERE IS A DIFFERENCE BETWEEN THE PROCEEDS OF THE PARTICULAR FUNDING ARRANGEMENT AND THE AMOUNT ACTUALLY NEEDED TO PAY FOR THE FUNERAL AT-NEED.

(D) THE METHOD OF CHANGING OR SELECTING THE DESIGNATION OF THE PROVIDER.

(b) All pre-next contracts are subject to the Federal Trade Commission Rule concerning the Cooling-Off Period for Door-to-Door Sales (16 CFR Part 429).

(c) No pre-next contract shall be sold in this State unless there is a provider for the services and personal property being sold, or unless disclosure has been made by the seller as provided in subdivision (a)(1). If the seller is not a provider and a provider has been selected, then the seller must have a binding agreement with a provider, and the identity of the provider and the nature of the agreement between the seller and the provider shall be disclosed in the pre-next contract at the time of the sale and before the receipt of any sales proceeds. Any subsequent change made in the identity of the provider shall be approved in writing by the purchaser and beneficiary within 30 days after it occurs. The failure to disclose the identity of the provider, the nature of the agreement between the seller and the provider, or any changes thereto to the purchaser and beneficiary, or the failure to make the disclosures required in subdivision (a)(1), constitutes an intentional violation of this Act.

(d) All pre-next contracts must be in writing in at least 11 point type, numbered, and executed in duplicate and no pre-next contract form shall be used without prior filing with the Comptroller. A signed copy of the pre-next contract must be provided to the purchaser at the time of entry into the pre-next contract. The Comptroller shall review all pre-next contract forms and shall prohibit the use of contract forms which do not meet the requirements of this Act upon written notification to the seller. Any use or attempted use of any oral pre-next contract or any written pre-next contract in a form not filed with the Comptroller or in a form which does not meet the requirements of this Act shall be deemed a violation of this Act. Life insurance policies, tax-deferred annuities, endorsements, riders, or applications for life insurance or tax-deferred annuities are not subject to filing with the Comptroller. The Comptroller may by rule develop a model pre-next contract form which meets the requirements of this Act.

(e) The State Comptroller shall by rule develop a booklet for consumers in plain English...
describing the scope, application, and consumer protections of this Act. After the adoption of these rules, no pre-need contract shall be sold in this State unless (i) the seller distributes to the purchaser prior to the sale a booklet promulgated or approved for use by the State Comptroller; (ii) the seller explains to the purchaser the terms of the pre-need contract prior to the purchaser signing; and (iii) the purchaser initials a statement in the contract confirming that the seller has explained the terms of the contract prior to the purchaser signing.

(f) All sales proceeds received in connection with a pre-need contract shall be deposited into a trust account as provided in Section 1b and Section 2 of this Act, or shall be used to purchase a life insurance policy or tax-deferred annuity as provided in Section 2a of this Act.

(g) No pre-need contract shall be sold in this State unless it is accompanied by a funding mechanism permitted under this Act, and unless the seller is licensed by the Comptroller as provided in Section 3 of this Act. Nothing in this Act is intended to relieve sellers of pre-need contracts from being licensed under any other Act required for their profession or business, and being subject to the rules promulgated to regulate their profession or business, including rules on solicitation and advertisement.

(2) in a trust company authorized to do business in Illinois.

(c) Trust agreements and amendments to the trust agreements used to fund a pre-need contract shall be filed with the Comptroller.

(d) (Blank). Trust agreements shall follow the format of the standard Funeral Trust Agreements approved by the Comptroller for guaranteed or non-guaranteed price funeral plans.

(e) A seller or provider shall furnish to the trustee and depositary the name of each payor and the amount of payment on each such account for which deposit is being so made. Nothing shall prevent the trustee or a seller or provider acting as a trustee in accordance with this Act from commingling the deposits in any such trust fund for purposes of its management and the investment of its funds as provided in the Common Trust Fund Act. In addition, multiple trust funds maintained under this Act may be commingled or commingled with other funeral or burial related trust funds if all record keeping requirements imposed by law are met.

Sec. 2a. Purchase of insurance or annuity.

(a) If a purchaser selects the purchase of a life insurance policy or tax-deferred annuity contract to fund the pre-need contract, the application and collected premium shall be mailed within 30 days of signing the pre-need contract.

(b) If life insurance or an annuity is used to fund a pre-need contract, the seller or provider shall not be named as the owner or beneficiary of the policy or annuity. (c) Nothing shall prohibit the purchaser from irrevocably assigning ownership of the policy or annuity used to fund a guaranteed price pre-need contract to a person or trust for the purpose of obtaining favorable consideration for Medicaid, Supplemental Security Income, or another public assistance program, as permitted under federal law. The seller or contract provider may be named a

Sec. 3. Licensing.

(a) No person, firm, partnership, association or corporation may act as seller without first securing from the State Comptroller a license to so act. Application for such license shall be in writing, signed by the applicant and duly verified on forms furnished by the Comptroller. Each application shall contain at least the following:

(1) The full name and address (both residence and place of business) of the applicant, and every member, officer and director thereof if the applicant is a firm, partnership, association, or corporation, and of every shareholder holding more than 10% of the corporate stock if the applicant is a corporation. Any license issued pursuant to the application shall be valid only at the address stated in the application for such applicant or at such new address as may be approved by the Comptroller;

(2) A statement of the applicant's assets and liabilities approximate net worth;

(3) The name and address of the applicant's principal place of business at which the books, accounts, and records shall be available for examination by the Comptroller as required by this Act;

(4) The names and addresses of the applicant's branch locations at which pre-need sales shall be conducted and which shall operate under the same license number as the applicant's principal place of business;

(5) For each individual listed under item (1) above, a detailed statement of the individual's business experience for the 10 years immediately preceding the application; any present or prior connection between the individual and any other person engaged in pre-need sales; any felony or misdemeanor convictions for which fraud was an essential element; any charges or complaints lodged against the individual for which fraud was an essential element and which resulted in civil or criminal litigation; any failure of the individual to satisfy an enforceable judgment entered against him based upon fraud; and any other information requested by the Comptroller relating to past business practices of the individual. Since the information required by this item (5) may be confidential or contain proprietary information, this information shall not be available to other licensees or the general public and shall be used only for the lawful purposes of the Comptroller in enforcing this Act;

(6) The name of the trustee and, if applicable, the names of the advisors to the trustee, including a copy of the proposed trust agreement under which the trust funds are to be held as required by this Act; and

(7) Such other information as the Comptroller may reasonably require in order to determine the qualification of the applicant to be licensed under this Act.
(b) Applications for license shall be accompanied by a fidelity bond executed by the applicant and a surety company authorized to do business in this State or an irrevocable, unconditional letter of credit issued by a bank, credit union, or trust company authorized to do business in the State of Illinois, as approved by the State Comptroller, in such amount not exceeding $10,000 as the Comptroller may require. Individual salespersons employed by a licensee shall not be required to obtain licenses in their individual capacities. Upon receipt of such application and bond or letter of credit the Comptroller shall issue a license unless he or she shall determine that the applicant has made false statements or representations in such application, or is insolvent, or has conducted or is about to conduct his business in a fraudulent manner, or is not duly authorized to transact business in this State. Such license shall be kept conspicuously posted in the place of business of the licensee. If, after notice and an opportunity to be heard, it has been determined that a licensee has violated this Act within the past 5 calendar years, or if a licensee does not retain a corporate fiduciary, as defined in the Corporate Fiduciary Act, to manage the funds in trust pursuant to this Act, the Comptroller may require an additional bond or letter of credit from the licensee from time to time in amounts equal to one-tenth of such trust funds, which bond or letter of credit shall run to the Comptroller for the use and benefit of the beneficiaries of such trust funds.

The licensee shall keep accurate accounts, books and records in this State, at the principal place of business identified in the licensee's license application or as otherwise approved by the Comptroller in writing, of all transactions, copies of all pre-need contracts, trust agreements, and other agreements, dates and amounts of payments made and accepted thereon, the names and addresses of the contracting parties, the persons for whose benefit such funds are accepted, and the names of the depositaries of such funds. Each licensee shall maintain the documentation for a period of 3 years after the licensee has fulfilled his obligations under the pre-need contract. Additionally, for a period not to exceed 6 months after the performance of all terms in a pre-need sales contract, the licensee shall maintain copies of the contract at the licensee branch location where the contract was entered or at some other location agreed to by the Comptroller in writing. If an insurance policy or tax-deferred annuity is used to fund the pre-need contract, the licensee under this Act shall keep and maintain accurate accounts, books, and records in this State, at the principal place of business identified in the licensee's application or as otherwise approved by the Comptroller in writing, of all insurance policies and tax-deferred annuities used to fund the pre-need contract, the name and address of insured, annuitant, and initial beneficiary, and the name and address of the insurance company issuing the policy or annuity. If a life insurance policy or tax-deferred annuity is used to fund a pre-need contract, the licensee shall notify the insurance company of the name of each pre-need contract purchaser and the amount of each payment when the pre-need contract, insurance policy or annuity is purchased.

The licensee shall make reports to the Comptroller annually or at such other time as the Comptroller may require, on forms furnished by the Comptroller. The licensee shall file the annual report with the Comptroller within 75 days after the end of the licensee's fiscal year. The Comptroller shall for good cause shown grant an extension for the filing of the annual report upon the written request of the licensee. Such extension shall not exceed 60 days. If a licensee fails to submit an annual report to the Comptroller within the time specified in this Section, the Comptroller shall impose upon the licensee a penalty of $5 for each and every day the licensee remains delinquent in submitting the annual report. The Comptroller may abate all or part of the $5 daily penalty for good cause shown.

Every application shall be accompanied by a check or money order in the amount of $25 and every report shall be accompanied by a check or money order in the amount of $10 payable to: Comptroller, State of Illinois.

The licensee shall make all required books and records pertaining to trust funds, insurance policies, or tax-deferred annuities available to the Comptroller for examination. The Comptroller, or a person designated by the Comptroller who is trained to perform such examinations, may at any time investigate the books, records and accounts of the licensee with respect to trust funds, insurance policies, or tax-deferred annuities and for that purpose may require the attendance of and examine under oath all persons whose testimony he may require. The licensee shall pay a fee for such examination in accordance with a schedule established by the Comptroller. The fee shall not exceed the cost of such examination. For pre-need contracts funded by trust arrangements, the cost of an initial examination shall be borne by the licensee if it has $10,000 or more in trust funds, otherwise,
by the Comptroller. The charge made by the Comptroller for an examination shall be based upon the total amount of trust funds held by the licensee at the end of the calendar or fiscal year for which the report is required by this Act and shall be in accordance with the following schedule:

- Less than $10,000.........................no charge;
- $10,000 or more but less than $50,000...............$10;
- $50,000 or more but less than $100,000.............$40;
- $100,000 or more but less than $250,000.............$80;
- $250,000 or more..................................$100.

The Comptroller may order additional audits or examinations as he or she may deem necessary or advisable to ensure the safety and stability of the trust funds and to ensure compliance with this Act. These additional audits or examinations shall only be made after good cause is established by the Comptroller in the written order. The grounds for ordering these additional audits or examinations may include, but shall not be limited to:

1. material and unverified changes or fluctuations in trust balances or insurance or annuity policy amounts;
2. the licensee changing trustees more than twice in any 12-month period;
3. any withdrawals or attempted withdrawals from the trusts, insurance policies, or annuity contracts in violation of this Act; or
4. failure to maintain or produce documentation required by this Act for deposits into trust accounts, trust investment activities, or life insurance or annuity policies.

Prior to ordering an additional audit or examination, the Comptroller shall request the licensee to respond and comment upon the factors identified by the Comptroller as warranting the subsequent examination or audit. The licensee shall have 30 days to provide a response to the Comptroller. If the Comptroller decides to proceed with the additional examination or audit, the licensee shall bear the full cost of that examination or audit, up to a maximum of $7,500. The Comptroller may elect to pay for the examination or audit and receive reimbursement from the licensee. Payment of the costs of the examination or audit by a licensee shall be a condition of receiving, maintaining, or renewing a license under this Act. All moneys received by the Comptroller for examination or audit fees shall be maintained in a separate account to be known as the Comptroller's Administrative Fund. This Fund, subject to appropriation by the General Assembly, may be utilized by the Comptroller for enforcing this Act and other purposes that may be authorized by law.

For pre-need contracts funded by life insurance or a tax-deferred annuity, the cost of an examination shall be borne by the licensee if it has received $10,000 or more in premiums during the preceding calendar year. The fee schedule for such examination shall be established in rules promulgated by the Comptroller. In the event such investigation or other information received by the Comptroller discloses a substantial violation of the requirements of this Act, the Comptroller shall revoke the license of such person upon a hearing as provided in this Act. Such licensee may terminate all further responsibility for compliance with the requirements of this Act by voluntarily surrendering the license to the Comptroller, or in the event of its loss, furnishing the Comptroller with a sworn statement to that effect, which states the licensee's intention to discontinue acceptance of funds received under pre-need contracts. Such license or statement must be accompanied by an affidavit that said licensee has lawfully expended or refunded all funds received under pre-need contracts, and that the licensee will accept no additional sales proceeds. The Comptroller shall immediately cancel or revoke said license.

(225 ILCS 45/3a) (from Ch. 111 1/2, par. 73.103a)
Sec. 3a. Denial, suspension, or revocation of license.
(a) The Comptroller may refuse to issue or may suspend or revoke a license on any of the following grounds:

1. The applicant or licensee has made any misrepresentations or false statements or concealed any material fact.
2. The applicant or licensee is insolvent.
3. The applicant or licensee has been engaged in business practices that work a fraud.
4. The applicant or licensee has refused to give pertinent data to the Comptroller.
5. The applicant or licensee has failed to satisfy any enforceable judgment or decree.
rendered by any court of competent jurisdiction against the applicant.

(6) The applicant or licensee has conducted or is about to conduct business in a fraudulent manner.

(7) The trust agreement is not in compliance with State or federal law.

(8) The fidelity bond is not satisfactory to the Comptroller.

(9) As to any individual required to be listed in the license application, the individual has conducted or is about to conduct any business on behalf of the applicant in a fraudulent manner; has been convicted of any felony or misdemeanor, an essential element of which is fraud; has had a judgment rendered against him or her based on fraud in any civil litigation; has failed to satisfy any enforceable judgment or decree rendered against him or her by any court of competent jurisdiction; or has been convicted of any felony or any theft-related offense.

(10) The applicant or licensee, including any member, officer, or director thereof if the applicant or licensee is a firm, partnership, association or corporation and any shareholder holding more than 10% of the corporate stock, has violated any provision of this Act or any regulation, decision, order, or finding made by the Comptroller under this Act.

(11) The Comptroller finds any fact or condition existing which, if it had existed at the time of the original application for such license, would have warranted the Comptroller in refusing the issuance of the license.

(b) Before refusal to issue or renew and before suspension or revocation of a license, the Comptroller shall hold a hearing to determine whether the applicant or licensee, hereinafter referred to as the respondent, is entitled to hold such a license. At least 10 days prior to the date set for such hearing, the Comptroller shall notify the respondent in writing that on the date designated a hearing will be held to determine his eligibility for a license and that he may appear in person or by counsel. Such written notice may be served on the respondent personally, or by registered or certified mail sent to the respondent's business address as shown in his latest notification to the Comptroller. At the hearing, both the respondent and the complainant shall be accorded ample opportunity to present in person or by counsel such statements, testimony, evidence and argument as may be pertinent to the charges or to any defense thereto. The Comptroller may reasonably continue such hearing from time to time.

The Comptroller may subpoena any person or persons in this State and take testimony orally, by deposition or by exhibit, in the same manner and with the same fees and mileage allowances as prescribed in judicial proceedings in civil cases.

Any authorized agent of the Comptroller may administer oaths to witnesses at any hearing which the Comptroller is authorized to conduct.

Section 3a-5. License requirements.

(a) Every license issued by the Comptroller shall state the number of the license, the business name and address of the licensee's principal place of business, each branch location also operating under the license, and the licensee's parent company, if any. The license shall be conspicuously posted in each place of business operating under the license. The Comptroller may issue such additional licenses as may be necessary for licensee branch locations upon compliance with the provisions of this Act governing an original issuance of a license for each new license.

(b) Individual salespersons representing a licensee shall not be required to obtain licenses in their individual capacities, but must acknowledge, by affidavit, that they have been provided with a copy of and have read this Act. The licensee shall retain copies of the affidavits of its sellers for its records and shall make the affidavits available to the Comptroller for examination upon request.

(c) The licensee shall be responsible for the activities of any person representing the licensee in selling or offering a pre-need contract for sale.

(d) Any person not selling on behalf of a licensee shall obtain its own license.

(e) No license shall be transferable or assignable without the express written consent of the Comptroller. A transfer of more than 50% of the ownership of any business licensed hereunder shall be deemed to be an attempted assignment of the license originally issued to the licensee for which consent of the Comptroller shall be required.

New matter indicated by italics - deletions by strikeout.
(f) Every license issued hereunder shall remain in force until it has been suspended, surrendered, or revoked in accordance with this Act. The Comptroller, upon the request of an interested person or on his own motion, may issue new licenses to a licensee whose license or licenses have been revoked, if no factor or condition then exists which would have warranted the Comptroller to originally refuse the issuance of such license.

Sec. 3e. Upon the revocation of, suspension of, or refusal to renew any license, the licensee shall immediately surrender the license or licenses and any branch office licenses to the Comptroller. If the licensee fails to do so, the Comptroller shall have the right to seize the same.

Sec. 3f. Revocation of license.

(a) The Comptroller, upon determination that grounds exist for the revocation or suspension of a license issued under this Act, may revoke or suspend, if appropriate, the license issued to a licensee or to a particular branch office location with respect to which the grounds for revocation or suspension may occur or exist.

(b) Whenever a license is revoked by the Comptroller, he or she shall apply to the Circuit Court of the county wherein the licensee is located for a receiver to administer the trust funds of the licensee or to maintain the life insurance policies and tax-deferred annuities held by the licensee under a pre-need contract.

Sec. 4. Withdrawal of funds; revocability of contract.

(a) The amount or amounts so deposited into trust, with interest thereon, if any, shall not be withdrawn until the death of the person or persons for whose funeral or burial such funds were paid, unless sooner withdrawn and repaid to the person who originally paid the money under or in connection with the pre-need contract or to his or her legal representative. The life insurance policies or tax-deferred annuities shall not be surrendered until the death of the person or persons for whose funeral or burial the policies or annuities were purchased, unless sooner surrendered and repaid to the owner of the policy purchased under or in connection with the pre-need contract or to his or her legal representative. If, however, the agreement or series of agreements provides for forfeiture and retention of any or all payments as and for liquidated damages as provided in Section 6, then the trustee may withdraw the deposits. In addition, nothing in this Section (i) prohibits the change of depositary by the trustee and the transfer of trust funds from one depositary to another or (ii) prohibits a contract purchaser who is or may become eligible for public assistance under any applicable federal or State law or local ordinance including, but not limited to, eligibility under 24 C.F.R., Part 913 relating to family insurance under federal Housing and Urban Development Policy from irrevocably waiving, in writing, and renouncing the right to cancel a pre-need contract for funeral services in an amount prescribed by rule of the Illinois Department of Public Aid. No guaranteed price pre-need funeral contract may prohibit a purchaser from making a contract irrevocable to the extent that federal law or regulations require that such a contract be irrevocable for purposes of the purchaser's eligibility for Supplemental Security Income benefits, Medicaid, or another public assistance program, as permitted under federal law.

(b) If for any reason a seller or provider who has engaged in pre-need sales has refused, cannot, or does not comply with the terms of the pre-need contract within a reasonable time after he or she is required to do so, the purchaser or his or her heirs or assigns or duly authorized representative shall have the right to a refund of an amount equal to the sales price paid for undelivered merchandise or services plus otherwise earned undistributed interest amounts held in trust attributable to the contract, within 30 days of the filing of a sworn affidavit with the trustee setting forth the existence of the contract and the fact of breach. A copy of this affidavit shall be filed with the Comptroller and the seller. In the event a seller is prevented from performing by strike, shortage of materials, civil disorder, natural disaster, or any like occurrence beyond the control of the seller or provider, the seller or provider's time for performance shall be extended by the length of the delay. Nothing in this Section shall relieve the seller or provider from any liability for non-performance of his or her obligations under the pre-need contract.
(c) After final payment on a pre-need contract, any purchaser may, upon written demand to a seller, demand that the pre-need contract with the seller be terminated. The seller shall, within 30 days, initiate a refund to the purchaser of the entire amount held in trust attributable to undelivered merchandise and unperformed services, including otherwise earned undistributed interest earned thereon or the cash surrender value of a life insurance policy or tax-deferred annuity.

(c-5) If no funeral merchandise or services are provided or if the funeral is conducted by another person, the seller may keep no more than 10% of the payments made under the pre-need contract or $300, whichever sum is less. The remainder of the trust funds or insurance or annuity proceeds shall be forwarded to the legal heirs of the deceased or as determined by probate action.

(d) The placement and retention of all or a portion of a casket, combination casket-vault, urn, or outer burial container comprised of materials which are designed to withstand prolonged storage in the manner set forth in this paragraph without adversely affecting the structural integrity or aesthetic characteristics of such merchandise in a specific burial space in which the person or persons for whose funeral or burial the merchandise was intended has a right of interment, or the placement of the merchandise in a specific mausoleum crypt or lawn crypt in which such person has a right of entombment, or the placement of the merchandise in a specific niche in which such person has a right of inurnment, or delivery to such person and retention by such person until the time of need shall constitute actual delivery to the person who originally paid the money under or in connection with said agreement or series of agreements. Actual delivery shall eliminate, from and after the date of actual delivery, any requirement under this Act to place or retain in trust any funds received for the sale of such merchandise. The delivery, prior to the time of need, of any funeral or burial merchandise in any manner other than authorized by this Section shall not constitute actual delivery and shall not eliminate any requirement under this Act to place or retain in trust any funds received for the sale of such merchandise.

Any person who intentionally fails to deposit the required sales proceeds into a trust required under this Act, intentionally and improperly withdraws or uses trust funds for his or her own benefit, or otherwise intentionally violates any provision of this Act is guilty of a Class 4 felony.

If any person intentionally violates this Act or fails or refuses to comply with any order of the Comptroller or any part of an order that has become final to the person and is still in effect, the Comptroller may, after notice and hearing at which it is determined that a violation of this Act or the order has been committed, further order that the person shall forfeit and pay to the State of Illinois a sum not to exceed $5,000 for each violation. This liability shall be enforced in an action brought in any court of competent jurisdiction by the Comptroller in the name of the People of the State of Illinois.

Any violation of this Act for which a fine may be assessed shall be established by rules promulgated by the Comptroller.
In addition to the other penalties and remedies provided in this Act, the Comptroller may bring a civil action in the county of residence of the licensee or any person accepting trust funds to enjoin any violation or threatened violation of this Act.

Sec. 8.1. Sales; liability of purchaser for shortage. In the event of a sale or transfer of all or substantially all of the assets of the licensee, the sale or transfer of the controlling interest of the corporate stock of the licensee if the licensee is a corporation, the sale or transfer of the controlling interest of the partnership if the licensee is a partnership, or the sale of the licensee pursuant to foreclosure proceedings, the purchaser is liable for any shortages existing before or after the sale in the trust funds required to be maintained in a trust pursuant to this Act and shall honor all pre-need contracts and trusts entered into by the licensee. Any shortages existing in the trust funds constitute a prior lien in favor of the trust for the total value of the shortages, and notice of that lien shall be provided in all sales instruments.

In the event of a sale or transfer of all or substantially all of the assets of the licensee, the sale or transfer of the controlling interest of the corporate stock of the licensee if the licensee is a corporation, or the sale or transfer of the controlling interest of the partnership if the licensee is a partnership, the licensee shall, at least 21 days prior to the sale or transfer, notify the Comptroller, in writing, of the pending date of sale or transfer so as to permit the Comptroller to audit the books and records of the licensee. The audit must be commenced within 10 business days of the receipt of the notification and completed within the 21-day notification period unless the Comptroller notifies the licensee during that period that there is a basis for determining a deficiency which will require additional time to finalize. The sale or transfer may not be completed by the licensee unless and until:

(i) the Comptroller has completed the audit of the licensee's books and records;
(ii) any delinquency existing in the trust funds has been paid by the licensee, or arrangements satisfactory to the Comptroller have been made by the licensee on the sale or transfer for the payment of any delinquency; and
(iii) the Comptroller issues a license upon application of the new owner, which license must be applied for within 30 days of the anticipated date of the sale or transfer, subject to the payment of any delinquencies, if any, as stated in item (ii).

For purposes of this Section, a person, firm, corporation, partnership, or institution that acquires the licensee through a real estate foreclosure shall be subject to the provisions of this Section.

Section 25. The Illinois Public Aid Code is amended by changing Section 12-4.11 as follows:

Sec. 12-4.11. Grant amounts. The Department, with due regard for and subject to budgetary limitations, shall establish grant amounts for each of the programs, by regulation. The grant amounts may vary by program, size of assistance unit and geographic area.

Aid payments shall not be reduced except: (1) for changes in the cost of items included in the grant amounts, or (2) for changes in the expenses of the recipient, or (3) for changes in the income or resources available to the recipient, or (4) for changes in grants resulting from adoption of a consolidated grant amount.

In fixing standards to govern payments or reimbursements for funeral and burial expenses, the Department shall establish a minimum allowable amount of not less than $1,000 for Department payment of funeral services and not less than $500 for Department payment of burial or cremation services. In establishing the minimum allowable amount, the Department shall take into account the services essential to a dignified, low-cost (i) funeral and (ii) burial or cremation, including reasonable amounts that may be necessary for burial space and cemetery charges, and any applicable taxes or other required governmental fees or charges. If no person has agreed to pay the total cost of the (i) funeral and (ii) burial or cremation charges, the Department shall pay the vendor the actual costs of the (i) funeral and (ii) burial or cremation, or the minimum allowable amount for each service as established by the Department, whichever is less, provided that the Department reduces its payments by the amount available from the following sources: the decedent's assets and available resources and

The annual report shall be filed by a crematory authority on or before March 15 of each calendar year, in the Office of the Comptroller. If the fiscal year of a crematory authority is other than on a calendar year basis, then the crematory authority shall file the report required by this Section within 75 days after the end of its fiscal year. The Comptroller shall, for good cause shown, grant an extension for the filing of the annual report upon the written request of the crematory authority. An extension shall not exceed 60 days. If a crematory authority fails to submit an annual report to the Comptroller within the time specified in this Section, the Comptroller shall impose upon the crematory authority a penalty of $5 for each and every day the crematory authority remains delinquent in submitting the annual report. The Comptroller may abate all or part of the $5 daily penalty for good cause shown.

(f) All records relating to the registration and annual report of the crematory authority required to be filed under this Section shall be subject to inspection by the Comptroller upon reasonable notice. (Source: P.A. 87-1187.)

Section 30. The Cemetery Care Act is amended by changing Sections 2a, 9, 10, 11, 12, 13, 15b, and 24 and adding Section 26 as follows: (760 ILCS 100/2a) (from Ch. 21, par. 64.2a)

Sec. 2a. Powers and duties of cemetery authorities; cemetery property maintained by cemetery care funds.
(a) With respect to cemetery property maintained by cemetery care funds, a cemetery authority shall be responsible for the performance of:

(1) the care and maintenance of the cemetery property it owns; and

(2) the opening and closing of all graves, crypts, or niches for human remains in any cemetery property it owns.

(b) A cemetery authority owning, operating, controlling or managing a privately operated cemetery shall make available for inspection, and upon reasonable request provide a copy of, its rules and regulations and its current prices of interment, inurnment, or entombment rights.

(c) A cemetery authority owning, operating, controlling or managing a privately operated cemetery may, from time to time as land in its cemetery may be required for burial purposes, survey and subdivide those lands and make and file in its office a map thereof delineating the lots or plots, avenues, paths, alleys, and walks and their respective designations. The cemetery authority shall open the map to public inspection. The cemetery authority may make available a copy of the overall map upon written request and payment of reasonable photocopy fees. Any unsold lots, plots or parts thereof, in which there are not human remains, may be resurveyed and altered in shape or size, and properly designated on such map. Nothing contained in this subsection, however, shall prevent the cemetery authority from enlarging an interment right by selling to the owner thereof the excess space next to such interment right and permitting interments therein, provided reasonable access to such interment right and to adjoining interment rights is not thereby eliminated. The Comptroller may waive any or all of the requirements of this subsection (c) for good cause shown.

(d) A cemetery authority owning, operating, controlling, or managing a privately operated cemetery shall keep a record of every interment, entombment, and inurnment in the cemetery. The record shall include the deceased's name, age, and date of burial, when these particulars can be conveniently obtained, and the lot, plot, or section where the human remains are interred, entombed, or inurned. The record shall be open to public inspection consistent with State and federal law. The cemetery authority shall make available, consistent with State and federal law, a true copy of the record upon written request and payment of reasonable copy costs.

(e) A cemetery authority owning, operating, controlling, or managing a privately operated cemetery shall provide access to the cemetery under the cemetery authority's reasonable rules and regulations.

Sec. 9. Application for license.

(a) Prior to the acceptance of care funds authorized by Section 3 of this Act or the sale or transfer of the controlling interest of a licensed cemetery authority, a cemetery authority owning, operating, controlling, or managing a privately operated cemetery shall make application to the Comptroller for a license to hold the funds. Whenever a cemetery authority owning, operating, controlling or managing a privately operated cemetery is newly organized and such cemetery authority desires to be licensed to accept the care funds authorized by Section 3 of this Act, or whenever there is a sale or transfer of the controlling interest of a licensed cemetery authority, it shall make application for such license.

In the case of a sale or transfer of the controlling interest of the cemetery authority, the prior license shall remain in effect until the Comptroller issues a new license to the newly-controlled cemetery authority as provided in Section 15b. Upon issuance of the new license, the prior license shall be deemed surrendered if the licensee has agreed to the sale and transfer and has consented to the surrender of the license. A sale or transfer of the controlling interest of a cemetery authority to an immediate family member is not considered a transfer of the controlling interest for purposes of this Section.

(b) Applications for license shall be filed with the Comptroller. Applications shall be in writing under oath, signed by the applicant, and in the form furnished by the Comptroller. The form furnished by the Comptroller shall enable a cemetery authority to apply for license of multiple cemetery locations within a single license application. A check or money order in the amount of $25 per license seeking to be issued under the application, payable to: Comptroller, State of Illinois, shall be included. Each application shall contain the following:

(1) the full name and address (both of residence and of place of business) of the applicant,
if an individual; of every member, if the applicant is a partnership or association; of every officer; or director, if the applicant is a corporation; and of any party owning 10% or more of the cemetery authority, and the full name and address of the parent company, if any;

(2) a detailed statement of the applicant's assets and liabilities;

(2.1) the name, address, and legal boundaries of each cemetery for which the care funds shall be entrusted and at which books, accounts, and records shall be available for examination by the Comptroller as required by Section 13 of this Act;

(3) as to the name of each individual person listed under (1) above, a detailed statement of each person's business experience for the 10 years immediately preceding the application; the present and previous connection, if any, of each person with any other cemetery or cemetery authority; whether each person has ever been convicted of any felony or has ever been convicted of any misdemeanor of which an essential element is fraud or has been involved in any civil litigation in which a judgment has been entered against him or her based on fraud; whether each person is currently a defendant in any lawsuit in which the complaint against the person is based upon fraud; whether such person has failed to satisfy any enforceable judgment entered by a court of competent jurisdiction in any civil proceedings against such individual; and

(4) the total amount in trust and now available from sales of lots, graves, crypts or niches where part of the sale price has been placed in trust; the amount of money placed in the care funds of each applicant; the amount set aside in care funds from the sale of lots, graves, crypts and niches for the general care of the cemetery and the amount available for that purpose; the amount received in trust by special agreement for special care and the amount available for that purpose; the amount of principal applicable to trust funds received by the applicant; and

(5) any other information that the Comptroller may reasonably require in order to determine the qualifications of the applicant to be licensed under this Act.

Such information shall be furnished whether the care funds are held by the applicant as trustee or by an independent trustee. If the funds are not held by the applicant, the name of the independent trustee holding them is also to be furnished by the applicant.

(c) Applications for license shall also be accompanied by a fidelity bond issued by a bonding company or insurance company authorized to do business in this State or by an irrevocable, unconditional letter of credit issued by a bank or trust company authorized to do business in the State of Illinois, as approved by the State Comptroller, where such care funds exceed the sum of $15,000. Such bond or letter of credit shall run to the Comptroller and his or her successor for the benefit of the care funds held by such cemetery authority or by the trustee of the care funds of such cemetery authority. Such bonds or letters of credit shall be in an amount equal to 1/10 of such care funds. However, such bond or letter of credit shall not be in an amount less than $1,000; the first $15,000 of such care funds shall not be considered in computing the amount of such bond or letter of credit. No application shall be accepted by the Comptroller unless accompanied by such bond or letter of credit.

Applications for license by newly organized cemetery authorities after January 1, 1960 shall also be accompanied by evidence of a minimum care fund deposit in an amount to be determined as follows: if the number of inhabitants, either in the county in which the cemetery is to be located or in the area included within a 10 mile radius from the cemetery if the number of inhabitants therein is greater, is 25,000 or less the deposit shall be $7,500; if the number of inhabitants is 25,001 to 50,000, the deposit shall be $10,000; if the number of inhabitants is 50,001 to 125,000, the deposit shall be $15,000; if the number of inhabitants is over 125,000, the deposit shall be $25,000.

After an amount equal to and in addition to the required minimum care fund deposit has been deposited in trust, the cemetery authority may withhold 50% of all future care funds until it has recovered the amount of the minimum care fund deposit.

(d) (Blank). The applicant shall have a permanent address and any license issued pursuant to the application is valid only at the address or at any new address approved by the Comptroller.

(e) All bonds and bonding deposits made by any cemetery authority may be returned to the cemetery authority or cancelled as to care funds invested with an investment company.

Sec. 11. Issuance and display of license. A license issued under this Act authorizes the cemetery authority to accept care funds for the cemetery identified in the license. If a license application seeks licensure to accept care funds on behalf of more than one cemetery location, the Comptroller, upon approval of the license application, shall issue to the cemetery authority a separate license for each cemetery location indicated on the application. Each license issued by the Comptroller under this Act is independent of any other license that may be issued to a cemetery authority under a single license application.

Every license issued by the Comptroller shall state the number of the license and the address at which the business is to be conducted. Such license shall be kept conspicuously posted in the place of business of the licensee and shall not be transferable or assignable.

No more than one place of business shall be maintained under the same license, but the Comptroller may issue more than one license to the same licensee upon compliance with the provisions of this Act governing an original issuance of a license, for each new license.

Whenever a licensee shall wish to change the name as originally set forth in his license, he shall give written notice thereof to the Comptroller together with the reasons for the change and if the change is approved by the Comptroller he shall issue a new license.

*A license issued by the Comptroller shall remain in full force and effect until it is surrendered*
by the licensee or suspended or revoked by the Comptroller as provided in this Act.

Sec. 12. Annual reports. Every licensee shall prepare a written report as of the end of the
preceding calendar year or fiscal year, as the case may be, showing:

(a) The amount of the principal of the care funds held in trust by the trustee of the care funds
at the beginning of such year and in addition thereto all moneys or property received during such year
(1) under and by virtue of the sale of a lot, grave, crypt or niche; (2) under or by virtue of the terms
of the contract authorized by the provisions of Section 3 of this Act; (3) under or by virtue of any gift,
grant, legacy, payment or other contribution made either prior to or subsequent to the effective date
of this Act, and (4) under or by virtue of any contract or conveyance made either prior to or
subsequent to the effective date of this Act;

(b) The securities in which such care funds are invested and the cash on hand as of the date
of the report;

(c) The income received from such care funds during the preceding calendar year, or fiscal
year, as the case may be;

(d) The expenditures made from said income during the preceding calendar year, or fiscal
year, as the case may be; and

(e) The number of interments made during the preceding calendar year, or fiscal year, as the
case may be.

Where any of the care funds of a licensee are held by an independent trustee, the report filed
by the licensee shall contain a certificate signed by the trustee of the care funds of such licensee
certifying to the truthfulness of the statements in the report as to (1) the total amount of principal of
the care funds held by the trustee, (2) the securities in which such care funds are invested and the cash
on hand as of the date of the report and (3) the income received from such care funds during the
preceding calendar year, or fiscal year, as the case may be.

Such report shall be filed by such licensee on or before March 15 of each calendar year, in
the office of the Comptroller. If the fiscal year of such licensee is other than on a calendar year basis,
then such licensee shall file the report required by this Section within 2 1/2 months of the end of its
fiscal year. The Comptroller shall for good cause shown grant an extension for the filing of the annual
report upon the written request of the licensee. Such extension shall not exceed 60 days. If a licensee
fails to submit an annual report to the Comptroller within the time specified in this Section, the
Comptroller shall impose upon the licensee a penalty of $5 for each and every day the licensee
remains delinquent in submitting the annual report. The Comptroller may abate all or part of the $5
daily penalty for good cause shown.

Such report shall be made under oath and shall be in the form furnished by the Comptroller.
Each report shall be accompanied by a check or money order in the amount of $10, payable to:
Comptroller, State of Illinois.

If any annual report shows that the amount of the care funds held in trust at the end of the
preceding calendar year or fiscal year, as the case may be, has increased in amount over that shown
by the next preceding report, then the fidelity bond theretofore filed shall be increased to the amount
required by Section 9 of this Act. Such increased fidelity bond shall accompany the report and no
report shall be accepted by the Comptroller unless accompanied by such bond, except where the filing
of a bond is excused by Section 18 of this Act.

Sec. 13. Books, accounts, and records. Every licensee and the trustee of the care funds of
every licensee shall be a resident of this State and shall keep in this State and use in its business such
books, accounts and records as will enable the Comptroller to determine whether such licensee or
trustee is complying with the provisions of this Act and with the rules, regulations and directions made

Sec. 15b. Sales; liability of purchaser for shortage.

In the case of a sale of any privately operated cemetery or any part thereof or of any related personal property by a cemetery authority to a purchaser or pursuant to foreclosure proceedings, except the sale of burial rights, services, or merchandise to a person for his or her personal or family burial or interment, the purchaser is liable for any shortages existing before or after the sale in the care funds required to be maintained in a trust pursuant to this Act and shall honor all instruments issued under Section 4 for that cemetery. Any shortages existing in the care funds constitute a prior lien in favor of the trust for the total value of the shortages, and notice of such lien shall be provided in all sales instruments.

In the event of a sale or transfer of all or substantially all of the assets of the cemetery authority, the sale or transfer of the controlling interest of the corporate stock of the cemetery authority if the cemetery authority is a corporation, or the sale or transfer of the controlling of the partnership if the cemetery authority is a partnership, the cemetery authority shall, at least 21 days prior to the sale or transfer, notify the Comptroller, in writing, of the pending date of sale or transfer so as to permit the Comptroller to audit the books and records of the cemetery authority. The audit must be commenced within 10 business days of the receipt of the notification and completed within the 21 day notification period unless the Comptroller notifies the cemetery authority during that period that there is a basis for determining a deficiency which will require additional time to finalize. The sale or transfer may not be completed by the cemetery authority unless and until:

(a) The Comptroller has completed the audit of the cemetery authority's books and records;

(b) Any delinquency existing in the care funds has been paid by the cemetery authority, or arrangements satisfactory to the Comptroller have been made by the cemetery authority on the sale or transfer for the payment of any delinquency;

(c) The Comptroller issues a new cemetery care license upon application of the newly controlled corporation or partnership, which license must be applied for within 30 days of the anticipated date of the sale or transfer, subject to the payment of any delinquencies, if any, as stated in item (b) above.

For purposes of this Section, a person, firm, corporation, partnership, or institution that acquires the cemetery through a real estate foreclosure shall be subject to the provisions of this Section. The sale or transfer of the controlling interest of a cemetery authority to an immediate family member is not subject to the license application process required in item (c) of this Section.

In the event of a sale or transfer of any cemetery land, including any portion of cemetery land in which no human remains have been interred, a licensee shall, at least 21 days prior to the sale or transfer, notify the Comptroller, in writing, of the pending sale or transfer.

Sec. 24. Whoever intentionally fails to deposit the required amounts into a trust provided for in this Act, intentionally and improperly withdraws or uses trust funds for his or her own benefit, or otherwise intentionally violates any provision of this Act (other than except the provisions of Section 23 and subsections (b), (c), (d), and (e) of Section 2a) shall be guilty of a Class 4 felony, and each day such provisions are violated shall constitute a separate offense.

If any person intentionally violates this Act or fails or refuses to comply with any order of the Comptroller or any part of an order that has become final to such person and is still in effect, the Comptroller may, after notice and hearing at which it is determined that a violation of this Act or such order has been committed, further order that such person shall forfeit and pay to the State of Illinois a sum not to exceed $5,000 for each violation. Such liability shall be enforced in an action brought in any court of competent jurisdiction by the Comptroller in the name of the People of the State of Illinois.

In addition to the other penalties and remedies provided in this Act, the Comptroller may bring a civil action in the county of residence of the licensee or any person accepting care funds to enjoin any violation or threatened violation of this Act.

The powers vested in the Comptroller by this Section are additional to any and all other powers and remedies vested in the Comptroller by law.

Sec. 26. Abandoned or neglected cemeteries; clean-up. The Comptroller may administer a program for the purpose of cleaning up abandoned or neglected cemeteries located in Illinois. Administration of this program may include the Comptroller's issuance of grants for that purpose to units of local government, school districts, and not-for-profit associations.

If an abandoned or neglected cemetery has been dedicated as an Illinois nature preserve under the Illinois Natural Areas Preservation Act, any action to cause the clean up of the cemetery under the provisions of this Section shall be consistent with the rules and master plan governing the dedicated nature preserve.

(765 ILCS 835/9) (from Ch. 21, par. 21.2)
Sec. 9. When there is no memorial, monument, or marker installed on a cemetery lot; no
interment in a cemetery lot; no transfer or assignment of a cemetery lot on the cemetery authority
records; no contact by an owner recorded in the cemetery authority records; publication has been
made in a local newspaper and no response was received; and 60 years have passed since the
cemetery lot was sold, there is a presumption that the cemetery lot has been abandoned. Alternatively,
where there is an obligation to pay a cemetery authority, annually or periodically, maintenance or care
charges on a cemetery lot, or part thereof, and the owner of or claimant to a right or easement for
burial in such cemetery lot, or part thereof, has failed to pay the required annual or periodic
maintenance or care charges for a period of 30 years or more, such continuous failure to do so creates
and establishes a presumption that the cemetery lot, or part thereof, has been abandoned.

Upon a court's determination of abandonment, the ownership of a right or easement for burial
in a cemetery lot, or part thereof, shall be subject to sale in the manner hereinafter provided.
(765 ILCS 835/10) (from Ch. 21, par. 21.3)
Sec. 10. A cemetery authority may file in the office of the clerk of the circuit court of the
county in which the cemetery is located a verified petition praying for the entry of an order adjudging
a cemetery lot, or part thereof, to have been abandoned. The petition shall describe the cemetery lot,
or part thereof, alleged to have been abandoned, shall allege ownership by the petitioner of the
cemetery, and, if known, the name of the owner of the right or easement for burial in such cemetery
lot, or part thereof, as is alleged to have been abandoned, or, if the owner thereof is known to the
petitioner to be deceased, then the names, if known to petitioner, of such claimants thereto as are the
heirs-at-law and next-of-kin or the specific legatees under the will of the owner of the right or
easement for burial in such lot, or part thereof, and such other facts as the petitioner may have with
respect to ownership of the right or easement for burial in such cemetery lot, or part thereof.

The petition shall also allege the facts with respect to the abandonment of the cemetery lot or
facts about the obligation of the owner to pay annual or periodic maintenance or care charges on such
 cemetery lot, or part thereof, the amount of such charges as are due and unpaid, and shall also allege
the continuous failure by the owner or claimant to pay such charges for a period of 30 consecutive
years or more.

Irrespective of diversity of ownership of the right or easement for burial therein, a cemetery
authority may include in one petition as many cemetery lots, or parts thereof, as are alleged to have
been abandoned.

Sec. 12. In the event the owner, the claimant, or the heirs-at-law and next-of-kin or the

court shall set the matter for hearing upon the petition and such answers thereto as may be filed.

In the event the defendant or defendants fails to appear and answer the petition, or in the event that upon the hearing the court determines from the evidence presented that there has been *an abandonment of the cemetery lot for 60 years or a continuous failure to pay the annual or periodic maintenance or care charges on such lot, or part thereof, for a period of 30 years or more preceding the filing of the petition, then, in either such event, an order shall be entered adjudicating such lot, or part thereof, to have been abandoned and adjudging the right or easement for burial therein to be subject to sale by the cemetery authority at the expiration of one year from the date of the entry of such order. Upon entry of an order adjudicating abandonment of a cemetery lot, or part thereof, the court shall fix such sum as is deemed a reasonable fee for the services of petitioner's attorney.

Each completed contract shall be numbered and shall contain: (i) the name and address of the purchaser, the principal office of the licensee, and the parent company of the licensee; (ii) and the seller, the name of the person, if known, who is to receive the cemetery merchandise, cemetery services or the completed interment, entombment or inurnment spaces under the contract; and (iii) specific identification of such merchandise, services or spaces to be provided, if a specific space or spaces are contracted for, and the price of the merchandise, services, or space or spaces.

(2) In addition, such contracts must contain a provision in distinguishing typeface as follows:

"Notwithstanding anything in this contract to the contrary, you are afforded certain specific rights of cancellation and refund under Sections 18 and 19 of the Illinois Pre-Need Cemetery Sales Act, enacted by the 84th General Assembly of the State of Illinois".

(3) All pre-need sales contracts shall be sold on a guaranteed price basis. At the time of performance of the service or delivery of the merchandise, the seller shall be prohibited from assessing the purchaser or his heirs or assigns or duly authorized representative any additional charges for the specific merchandise and services listed on the pre-need sales contract.

(4) Each contract shall clearly disclose that the price of the merchandise or services is guaranteed and shall contain the following statement in 12 point bold type:

"THIS CONTRACT GUARANTEES THE BENEFICIARY THE SPECIFIC GOODS, SERVICES, INTERMENT SPACES, ENTOMBMENT SPACES, AND INURNMENT
SPACES CONTRACTED FOR. NO ADDITIONAL CHARGES MAY BE REQUIRED FOR DESIGNATED GOODS, AND SERVICES, AND SPACES. ADDITIONAL CHARGES MAY BE INCURRED FOR UNEXPECTED EXPENSES."

(5) The pre-need sales contract shall provide that if the particular cemetery services, cemetery merchandise, or spaces specified in the pre-need contract are unavailable at the time of delivery, the seller shall be required to furnish services, merchandise, and spaces similar in style and at least equal in quality of material and workmanship.

(6) The pre-need contract shall also disclose any specific penalties to be incurred by the purchaser as a result of failure to make payments; and penalties to be incurred or moneys or refunds to be received as a result of cancellation of the contract.

(7) The pre-need contract shall disclose the nature of the relationship between the provider and the seller.

(8) Each pre-need contract that authorizes the delivery of cemetery merchandise to a licensed and bonded warehouse shall provide that prior to or upon delivery of the merchandise to the warehouse the title to the merchandise and a warehouse receipt shall be delivered to the purchaser or beneficiary. The pre-need contract shall contain the following statement in 12 point bold type:

"THIS CONTRACT AUTHORIZES THE DELIVERY OF MERCHANDISE TO A LICENSED AND BONDED WAREHOUSE FOR STORAGE OF THE MERCHANDISE UNTIL THE MERCHANDISE IS NEEDED BY THE BENEFICIARY. DELIVERY OF THE MERCHANDISE IN THIS MANNER MAY PRECLUDE REFUND OF SALE PROCEEDS THAT ARE ATTRIBUTABLE TO THE DELIVERED MERCHANDISE."

The purchaser shall initial the statement at the time of entry into the pre-need contract.

(9) Each pre-need contract that authorizes the placement of cemetery merchandise at the site of its ultimate use prior to the time that the merchandise is needed by the beneficiary shall contain the following statement in 12 point bold type:

"THIS CONTRACT AUTHORIZES THE PLACEMENT OF MERCHANDISE AT THE SITE OF ITS ULTIMATE USE PRIOR TO THE TIME THAT THE MERCHANDISE IS NEEDED BY THE BENEFICIARY. DELIVERY OF THE MERCHANDISE IN THIS MANNER MAY PRECLUDE REFUND OF SALE PROCEEDS THAT ARE ATTRIBUTABLE TO THE DELIVERED MERCHANDISE."

(e) No pre-need contract may be entered into in this State unless it is accompanied by a funding mechanism permitted under this Act and unless the seller is licensed by the Comptroller as provided in this Act. Nothing in this Act is intended to relieve providers or sellers of pre-need contracts from being licensed under any other Act required for their profession or business or from...
being subject to the rules promulgated to regulate their profession or business, including rules on solicitation and advertisement.

(f) No pre-need contract may be entered into in this State unless the seller explains to the purchaser the terms of the pre-need contract prior to the purchaser signing and the purchaser initials a statement in the contract confirming that the seller has explained the terms of the contract prior to the purchaser signing.

(g) The State Comptroller shall develop a booklet for consumers in plain English describing the scope, application, and consumer protections of this Act. After the booklet is developed, no pre-need contract may be sold in this State unless the seller distributes to the purchaser prior to the sale a booklet developed or approved for use by the State Comptroller.

Sec. 16. Trust funds; disbursements.
(a) A trustee shall make no disbursements from the trust fund except as provided in this Act.
(b) A trustee shall, with respect to the investment of such trust funds, exercise the judgment and care under the circumstances then prevailing which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not in regard to speculation, but in regard to the permanent disposition of their funds, considering the probable income as well as the probable safety of their capital.

The seller shall act as trustee of all amounts received for cemetery merchandise, services, or undeveloped spaces until those amounts have been deposited into the trust fund. The seller may continue to be the trustee of up to $500,000 that has been deposited into the trust fund, but the seller must retain an independent trustee for any amount of trust funds in excess of $500,000. A seller holding trust funds in excess of $500,000 on the effective date of this amendatory Act of 1996 shall have 36 months to retain an independent trustee for the amounts over $500,000; any other seller must retain an independent trustee for its trust funds in excess of $500,000 as soon as may be practical. The Comptroller shall have the right to disqualify the trustee upon the same grounds as for refusing to grant or revoking a license hereunder. Upon notice to the Comptroller, the seller may change the trustee of the trust fund.

(c) The trustee may rely upon certifications and affidavits made to it under the provisions of this Act, and shall not be liable to any person for such reliance.
(d) A trustee shall be allowed to withdraw from the trust funds maintained pursuant to this Act, payable solely from the income earned on such trust funds, a reasonable fee for all usual and customary services for the operation of the trust fund, including, but not limited to trustee fees, investment advisor fees, allocation fees, annual audit fees and other similar fees. The maximum amount allowed to be withdrawn for these fees each year shall be the lesser of 3% of the balance of the trust calculated on an annual basis or the amount of annual income generated therefrom.
(e) The trust shall be a single-purpose trust fund. In the event of the seller's bankruptcy, insolvency or assignment for the benefit of creditors, or an adverse judgment, the trust funds shall not be available to any creditor as assets of the seller or to pay any expenses of any bankruptcy or similar proceeding, but shall be distributed to the purchasers or managed for their benefit by the trustee holding the funds. Except in an action by the Comptroller to revoke a license issued pursuant to this Act and for creation of a receivership as provided in this Act, the trust shall not be subject to judgment, execution, garnishment, attachment, or other seizure by process in bankruptcy or otherwise, nor to sale, pledge, mortgage, or other alienation, and shall not be assignable except as approved by the Comptroller. The changes made by this amendatory Act of the 91st General Assembly are intended to clarify existing law regarding the inability of licensees to pledge the trust.
(f) Because it is not known at the time of deposit or at the time that income is earned on the trust account to whom the principal and the accumulated earnings will be distributed, for purposes of determining the Illinois Income Tax due on these trust funds, the principal and any accrued earnings or losses relating to each individual account shall be held in suspense until the final determination is made as to whom the account shall be paid.

Sec. 19. Construction or development of spaces.

New matter indicated by italics - deletions by strikeout.
(a) The construction or development of undeveloped interment, entombment or inurnment spaces shall be commenced on that phase, section or sections of undeveloped ground or section of lawn crypts, mausoleums, garden crypts, columbariums or cemetery spaces in which sales are made within 3 years of the date of the first such sale. The seller shall give written notice to the Comptroller no later than 30 days after the first sale. Such notice shall include a description of the project. Once commenced, construction or development shall be pursued diligently to completion. The construction must be completed within 6 years of the first sale. If construction or development is not commenced or completed within the times specified herein, any purchaser may surrender and cancel the contract and upon cancellation shall be entitled to a refund of the actual amounts paid toward the purchase price plus interest attributable to such amount earned while in trust; provided however that any delay caused by strike, shortage of materials, civil disorder, natural disaster or any like occurrence beyond the control of the seller shall extend the time of such commencement and completion by the length of such delay.

(b) At any time within 12 months of a purchaser’s entering into a pre-need contract for undeveloped interment, entombment or inurnment spaces, a purchaser may surrender and cancel his or her contract and upon cancellation shall be entitled to a refund of the actual amounts paid toward the purchase price plus interest attributable to such amount earned while in trust. Notwithstanding the foregoing, the cancellation and refund rights specified in this paragraph shall terminate as of the date the seller commences construction or development of the phase, section or sections of undeveloped spaces in which sales are made. After the rights of cancellation and refund specified herein have terminated, if a purchaser defaults in making payments under the pre-need contract, the seller shall have the right to cancel the contract and withdraw from the trust fund the entire balance to the credit of the defaulting purchaser’s account as liquidated damages. In such event, the trustee shall deliver said balance to the seller upon its certification, and upon receiving said certification the trustee may rely thereon and shall not be liable to anyone for such reliance.

(c) During the construction or development of interment, entombment or inurnment spaces, upon the sworn certification by the seller and the contractor to the trustee; the trustee shall disburse from the trust fund the amount equivalent to the cost of performed labor or delivered materials as certified. Said certification shall be substantially in the following form:

We, the undersigned, being respectively the Seller and Contractor, do hereby certify that the Contractor has performed labor or delivered materials or both to (address of property) .........., in connection with a contract to .........., and that as of this date the value of the labor performed and materials delivered is $.......

We do further certify that in connection with such contract there remains labor to be performed, and materials to be delivered, of the value of $........

This Certificate is signed (insert date).

............             ............
Seller                  Contractor

A person who executes and delivers a completion certificate with actual knowledge of a falsity contained therein shall be considered in violation of this Act and subject to the penalties contained herein.

(d) Except as otherwise authorized by this Section, every seller of undeveloped spaces shall provide facilities for temporary interment, entombment or inurnment for purchasers or beneficiaries of contracts who die prior to completion of the space. Such temporary facilities shall be constructed of permanent materials, and, insofar as practical, be landscaped and groomed to the extent customary in the cemetery industry in that community. The heirs, assigns, or personal representative of a purchaser or beneficiary shall not be required to accept temporary underground interment spaces where the undeveloped space contracted for was an above ground entombment or inurnment space. In the event that temporary facilities as described in this paragraph are not made available, upon the death of a purchaser or beneficiary, the heirs, assigns, or personal representative is entitled to a refund of the entire sales price paid plus undistributed interest attributable to such amount while in trust.

(e) If the seller delivers a completed space acceptable to the heirs, assigns or personal representative of a purchaser or beneficiary, other than the temporary facilities specified herein, in lieu of the undeveloped space purchased, the seller shall provide the trustee with a delivery certificate and all sums deposited under the pre-need sales contract, including the undistributed income, shall be paid

to the seller.

(f) Upon completion of the phase, section or sections of the project as certified to the trustee by the seller and the contractor and delivery of the deed or certificate of ownership to the completed interment, entombment, or inurnment space to all of the purchasers entitled to receive those ownership documents, the trust fund requirements set forth herein shall terminate and all funds held in the preconstruction trust fund attributable to the completed phase, section or sections, including interest accrued thereon, shall be returned to the seller.

(g) This Section shall not apply to the sale of undeveloped spaces if there has been any such sale in the same phase, section or sections of the project prior to the effective date of this Act.

Sec. 20. Records.

(a) Each licensee must keep accurate accounts, books and records in this State at the principal place of business identified in the licensee's license application or as otherwise approved by the Comptroller in writing of all transactions, copies of agreements, dates and amounts of payments made or received, the names and addresses of the contracting parties, the names and addresses of persons for whose benefit funds are received, if known, and the names of the trust depositories. Additionally, for a period not to exceed 6 months after the performance of all terms in a pre-need sales contract, the licensee shall maintain copies of each pre-need contract at the licensee branch location where the contract was entered or at some other location agreed to by the Comptroller in writing.

(b) Each licensee must maintain such records for a period of 3 years after the licensee shall have fulfilled his or her obligation under the pre-need contract or 3 years after any stored merchandise shall have been provided to the purchaser or beneficiary, whichever is later.

(c) Each licensee shall submit reports to the Comptroller annually, under oath, on forms furnished by the Comptroller. The annual report shall contain, but shall not be limited to, the following:

(1) An accounting of the principal deposit and additions of principal during the fiscal year.

(2) An accounting of any withdrawal of principal or earnings.

(3) An accounting at the end of each fiscal year, of the total amount of principal and earnings held.

(d) The annual report shall be filed by the licensee with the Comptroller within 75 days after the end of the licensee's fiscal year. An extension of up to 60 days may be granted by the Comptroller, upon a showing of need by the licensee. Any other reports shall be in the form furnished or specified by the Comptroller. If a licensee fails to submit an annual report to the Comptroller within the time specified in this Section, the Comptroller shall impose upon the licensee a penalty of $5 for each and every day the licensee remains delinquent in submitting the annual report. The Comptroller may abate all or part of the $5 daily penalty for good cause shown. Each report shall be accompanied by a check or money order in the amount of $10 payable to: Comptroller, State of Illinois.

(e) On and after the effective date of this amendatory Act of the 91st General Assembly, a licensee may report all required information concerning the sale of outer burial containers on the licensee's annual report required to be filed under this Act and shall not be required to report that information under the Illinois Funeral or Burial Funds Act, as long as the information is reported under this Act.

Sec. 22. Cemetery Consumer Protection Fund.

(a) Every seller engaging in pre-need sales shall pay to the Comptroller $5 for each said contract entered into, to be paid into a special income earning fund hereby created in the State Treasury, known as the Cemetery Consumer Protection Fund. The above said fees shall be remitted to the Comptroller semi-annually within 30 days after the end of June and December for all contracts that have been entered in such 6 month period.

(b) All monies paid into the fund together with all accumulated undistributed income thereon shall be held as a special fund in the State Treasury. The fund shall be used solely for the purpose of providing restitution to consumers who have suffered pecuniary loss arising out of pre-need sales.

New matter indicated by italics - deletions by strikeout.
(c) The fund shall be applied only to restitution or completion of the project or delivery of the merchandise or services, where such has been ordered by the Circuit Court in a lawsuit brought under this Act by the Attorney General of the State of Illinois on behalf of the Comptroller and in which it has been determined by the Court that the obligation is non-collectible from the judgment debtor. Restitution shall not exceed the amount of the sales price paid plus interest at the statutory rate. The fund shall not be used for the payment of any attorney or other fees.

(d) Whenever restitution is paid by the fund, the fund shall be subrogated to the amount of such restitution, and the Comptroller shall request the Attorney General to engage in all reasonable post judgment collection steps to collect said restitution from the judgment debtor and reimburse the fund.

(e) The fund shall not be applied toward any restitution for losses in any lawsuit initiated by the Attorney General or Comptroller or with respect to any claim made on pre-need sales which occurred prior to the effective date of this Act.

(f) The fund may not be allocated for any purpose other than that specified in this Act.

(g) Notwithstanding any other provision of this Section, the payment of restitution from the fund shall be a matter of grace and not of right and no purchaser shall have any vested rights in the fund as a beneficiary or otherwise. Prior to seeking restitution from the fund, a purchaser or beneficiary seeking payment of restitution shall apply for restitution on a form provided by the Comptroller. The form shall include any information the Comptroller may reasonably require in order for the Court to determine that restitution or completion of the project or delivery of merchandise or service is appropriate.

(h) Annually, the status of the fund shall be reviewed by the Comptroller, and if he determines that the fund together with all accumulated income earned thereon, equals or exceeds $10,000,000 and that the total number of outstanding claims filed against the fund is less than 10% of the fund's current balance, then payments to the fund shall be suspended until such time as the fund's balance drops below $10,000,000 or the total number of outstanding claims filed against the fund is more than 10% of the fund's current balance, but on such suspension, the fund shall not be considered inactive.

Such liability shall be enforced in an action brought in any court of competent jurisdiction by the Comptroller in the name of the people of the State of Illinois.

(c) Whenever a license is revoked by the Comptroller, or the Comptroller determines that any person is engaged in pre-need sales without a license, he shall apply to the circuit court of the county where such person is located for a receiver to administer the business of such person.

(d) Whenever a licensee fails or refuses to make a required report or whenever it appears to the Comptroller from any report or examination that such licensee has committed a violation of law or that the trust funds have not been administered properly or that it is unsafe or inexpedient for such licensee or the trustee of the trust funds of such licensee to continue to administer such funds or that any officer of such licensee or of the trustee of the trust funds of such licensee has abused his trust or has been guilty of misconduct or breach of trust in his official position injurious to such licensee or that such licensee has suffered as to its trust funds a serious loss by larceny, embezzlement, burglary, repudiation or otherwise, the Comptroller shall, by order, direct the discontinuance of such illegal, unsafe or unauthorized practices and shall direct strict conformity with the requirements of the law and safety and security in its transactions and may apply to the circuit court of the county where such licensee is located to prevent any disbursements or expenditures by such licensee until the trust funds are in such condition that it would not be jeopardized thereby and the Comptroller shall communicate the facts to the Attorney General of the State of Illinois who shall thereupon institute such proceedings

A copy of such resolution or ordinance duly authenticated and certified by the clerk of the municipality or other appropriate official of its governing body shall constitute the required notice to the board of such action.
(b) A municipality that is about to begin participation shall submit to the Board an application to participate, in a form acceptable to the Board, not later than 90 days prior to the proposed effective date of participation. employee contribution rates in effect at the time of application for the creditable service and the
employee's salary rate on the effective date of participation for that employer, plus interest at the
effective rate from the date of the prior service to the date of payment. Application for this creditable
service must be made before July 1, 1998; the payment may be made at any time while the employee

The governing boards of vocational education cooperative agreements created under the Intergovernmental Cooperation Act and approved by the State Board of Education shall be included within and be subject to this Article as participating instrumentalities. If any such governing boards or boards of control are unable to pay the required employer contributions to the fund, then the school districts served by such boards shall make payment of required contributions as provided in Section 7-172. The payments shall be allocated among the several school districts in proportion to the number of students in average daily attendance for the last full school year for each district in relation to the total number of students in average attendance for such period for all districts served. Sec. 7-139. Credits and creditable service to employees.

(a) Each participating employee shall be granted credits and creditable service, for purposes of determining the amount of any annuity or benefit to which he or a beneficiary is entitled, as follows:

1. For prior service: Each participating employee who is an employee of a participating municipality or participating instrumentality on the effective date shall be granted creditable service, but no credits under paragraph 2 of this subsection (a), for periods of prior service for which credit has not been received under any other pension fund or retirement system established under this Code, as follows:

   If the effective date of participation for the participating municipality or participating instrumentality is on or before January 1, 1998, creditable service shall be granted for the entire period of prior service with that employer without any employee contribution.

   If the effective date of participation for the participating municipality or participating instrumentality is after January 1, 1998, creditable service shall be granted for the last 20% of the period of prior service with that employer, but no more than 5 years, without any employee contribution. A participating employee may establish creditable service for the remainder of the period of prior service with that employer by making an application in
writing, accompanied by payment of an employee contribution in an amount determined by the Fund, based on the employee contribution rates in effect at the time of application for the creditable service and the employee's salary rate on the effective date of participation for that employer, plus interest at the effective rate from the date of the prior service to the date of payment. Application for this creditable service may be made at any time while the employee is still in service.

Any person who has withdrawn from the service of a participating municipality or participating instrumentality prior to the effective date, who reenters the service of the same municipality or participating instrumentality after the effective date and becomes a participating employee is entitled to creditable service for prior service as otherwise provided in this subdivision (a)(1) only if he or she renders 2 years of service as a participating employee after the effective date. Application for such service must be made while in a participating status. The salary rate to be used in the calculation of the required employee contribution, if any, shall be the employee's salary rate at the time of first reentering service with the employer after the employer's effective date of participation.

2. For current service, each participating employee shall be credited with:
   a. Additional credits of amounts equal to each payment of additional contributions received from him under Section 7-173, as of the date the corresponding payment of earnings is payable to him.
   b. Normal credits of amounts equal to each payment of normal contributions received from him, as of the date the corresponding payment of earnings is payable to him, and normal contributions made for the purpose of establishing out-of-state service credits as permitted under the conditions set forth in paragraph 6 of this subsection (a).
   c. Municipality credits in an amount equal to 1.4 times the normal credits, except those established by out-of-state service credits, as of the date of computation of any benefit if these credits would increase the benefit.
   d. Survivor credits equal to each payment of survivor contributions received from the participating employee as of the date the corresponding payment of earnings is payable, and survivor contributions made for the purpose of establishing out-of-state service credits.

3. For periods of temporary and total and permanent disability benefits, each employee receiving disability benefits shall be granted creditable service for the period during which disability benefits are payable. Normal and survivor credits, based upon the rate of earnings applied for disability benefits, shall also be granted if such credits would result in a higher benefit to any such employee or his beneficiary.

4. For authorized leave of absence without pay: A participating employee shall be granted credits and creditable service for periods of authorized leave of absence without pay under the following conditions:
   a. An application for credits and creditable service is submitted to the board while the employee is in a status of active employment, and within 2 years after termination of the leave of absence period for which credits and creditable service are sought.
   b. Not more than 12 complete months of creditable service for authorized leave of absence without pay shall be counted for purposes of determining any benefits payable under this Article.
   c. Credits and creditable service shall be granted for leave of absence only if such leave is approved by the governing body of the municipality, including approval of the estimated cost thereof to the municipality as determined by the fund, and employee contributions, plus interest at the effective rate applicable for each year from the end of the period of leave to date of payment, have been paid to the fund in accordance with Section 7-173. The contributions shall be computed upon the assumption earnings continued during the period of leave at the rate in effect when the leave began.
   d. Benefits under the provisions of Sections 7-141, 7-146, 7-150 and 7-163 shall become payable to employees on authorized leave of absence, or their designated beneficiary, only if such leave of absence is creditable hereunder, and if the employee has at least one year of creditable service other than the service granted for leave of absence.
Any employee contributions due may be deducted from any benefits payable.

e. No credits or creditable service shall be allowed for leave of absence without pay during any period of prior service.

5. For military service: The governing body of a municipality or participating instrumentality may elect to allow creditable service to participating employees who leave their employment to serve in the armed forces of the United States for all periods of such service, provided that the person returns to active employment within 90 days after completion of full time active duty, but no creditable service shall be allowed such person for any period that can be used in the computation of a pension or any other pay or benefit, other than pay for active duty, for service in any branch of the armed forces of the United States. If necessary to the computation of any benefit, the board shall establish municipality credits for participating employees under this paragraph on the assumption that the employee received earnings at the rate received at the time he left the employment to enter the armed forces. A participating employee in the armed forces shall not be considered an employee during such period of service and no additional death and no disability benefits are payable for death or disability during such period.

Any participating employee who left his employment with a municipality or participating instrumentality to serve in the armed forces of the United States and who again became a participating employee within 90 days after completion of full time active duty by entering the service of a different municipality or participating instrumentality, which has elected to allow creditable service for periods of military service under the preceding paragraph, shall also be allowed creditable service for his period of military service on the same terms that would apply if he had been employed, before entering military service, by the municipality or instrumentality which employed him after he left the military service and the employer costs arising in relation to such grant of creditable service shall be charged to and paid by that municipality or instrumentality.

Notwithstanding the foregoing, any participating employee shall be entitled to creditable service as required by any federal law relating to re-employment rights of persons who served in the United States Armed Services. Such creditable service shall be granted upon payment by the member of an amount equal to the employee contributions which would have been required had the employee continued in service at the same rate of earnings during the military leave period, plus interest at the effective rate.

5.1. In addition to any creditable service established under paragraph 5 of this subsection (a), creditable service may be granted for up to 24 months of service in the armed forces of the United States.

In order to receive creditable service for military service under this paragraph 5.1, a participating employee must (1) apply to the Fund in writing and provide evidence of the military service that is satisfactory to the Board; (2) obtain the written approval of the current employer; and (3) make contributions to the Fund equal to (i) the employee contributions that would have been required had the service been rendered as a member, plus (ii) an amount determined by the board to be equal to the employer's normal cost of the benefits accrued for that military service, plus (iii) interest on items (i) and (ii) from the date of first membership in the Fund to the date of payment. If payment is made during the 6-month period that begins 3 months after the effective date of this amendatory Act of 1997, the required interest shall be at the rate of 2.5% per year, compounded annually; otherwise, the required interest shall be calculated at the regular interest rate.

6. For out-of-state service: Creditable service shall be granted for service rendered to an out-of-state local governmental body under the following conditions: The employee had participated and has irrevocably forfeited all rights to benefits in the out-of-state public employees pension system; the governing body of his participating municipality or instrumentality authorizes the employee to establish such service; the employee has 2 years current service with this municipality or participating instrumentality; the employee makes a payment of contributions, which shall be computed at 8% (normal) plus 2% (survivor) times length of service purchased times the average rate of earnings for the first 2 years of service with the municipality or participating instrumentality whose governing body authorizes the

service established plus interest at the effective rate on the date such credits are established, payable from the date the employee completes the required 2 years of current service to date of payment. In no case shall more than 120 months of creditable service be granted under this provision.

7. For retroactive service: Any employee who could have but did not elect to become a participating employee, or who should have been a participant in the Municipal Public Utilities Annuity and Benefit Fund before that fund was superseded, may receive creditable service for the period of service not to exceed 50 months; however, a current or former elected or appointed official of a participating municipality county board member may establish credit under this paragraph 7 for more than 50 months of service as an official of that municipality, a member of the county board if the excess over 50 months is approved by resolution of the governing body of the affected municipality county board filed with the fund before January 1, 2002.

Any employee who is a participating employee on or after September 24, 1981 and who was excluded from participation by the age restrictions removed by Public Act 82-596 may receive creditable service for the period, on or after January 1, 1979, excluded by the age restriction and, in addition, if the governing body of the participating municipality or participating instrumentality elects to allow creditable service for all employees excluded by the age restriction prior to January 1, 1979, for service during the period prior to that date excluded by the age restriction. Any employee who was excluded from participation by the age restriction removed by Public Act 82-596 and who is not a participating employee on or after September 24, 1981 may receive creditable service for service after January 1, 1979. Creditable service under this paragraph shall be granted upon payment of the employee contributions which would have been required had he participated, with interest at the effective rate for each year from the end of the period of service established to date of payment.

8. For accumulated unused sick leave: A participating employee who is applying for a retirement annuity shall be entitled to creditable service for that portion of the employee's accumulated unused sick leave for which payment is not received, as follows:
   a. Sick leave days shall be limited to those accumulated under a sick leave plan established by a participating municipality or participating instrumentality which is available to all employees or a class of employees.
   b. Only sick leave days accumulated with a participating municipality or participating instrumentality with which the employee was in service within 60 days of the effective date of his retirement annuity shall be credited; If the employee was in service with more than one employer during this period only the sick leave days with the employer with which the employee has the greatest number of unpaid sick leave days shall be considered.
   c. The creditable service granted shall be considered solely for the purpose of computing the amount of the retirement annuity and shall not be used to establish any minimum service period required by any provision of the Illinois Pension Code, the effective date of the retirement annuity, or the final rate of earnings.
   d. The creditable service shall be at the rate of 1/20 of a month for each full sick day, provided that no more than 12 months may be credited under this subdivision 8.
   e. Employee contributions shall not be required for creditable service under this subdivision 8.
   f. Each participating municipality and participating instrumentality with which an employee has service within 60 days of the effective date of his retirement annuity shall certify to the board the number of accumulated unpaid sick leave days credited to the employee at the time of termination of service.

9. For service transferred from another system: Credits and creditable service shall be granted for service under Article 3, 4, 5, 14 or 16 of this Act, to any active member of this Fund, and to any inactive member who has been a county sheriff, upon transfer of such credits pursuant to Section 3-110.3, 4-108.3, 5-235, 14-105.6 or 16-131.4, and payment by the member of the amount by which (1) the employer and employee contributions that would
have been required if he had participated in this Fund as a sheriff's law enforcement employee during the period for which credit is being transferred, plus interest thereon at the effective rate for each year, compounded annually, from the date of termination of the service for which credit is being transferred to the date of payment, exceeds (2) the amount actually transferred to the Fund. Such transferred service shall be deemed to be service as a sheriff's law enforcement employee for the purposes of Section 7-142.1.

(b) Creditable service - amount:

1. One month of creditable service shall be allowed for each month for which a participating employee made contributions as required under Section 7-173, or for which creditable service is otherwise granted hereunder. Not more than 1 month of service shall be credited and counted for 1 calendar month, and not more than 1 year of service shall be credited and counted for any calendar year. A calendar month means a nominal month beginning on the first day thereof, and a calendar year means a year beginning January 1 and ending December 31.

2. A seasonal employee shall be given 12 months of creditable service if he renders the number of months of service normally required by the position in a 12-month period and he remains in service for the entire 12-month period. Otherwise a fractional year of service in the number of months of service rendered shall be credited.

3. An intermittent employee shall be given creditable service for only those months in which a contribution is made under Section 7-173.

(c) No application for correction of credits or creditable service shall be considered unless the board receives an application for correction while (1) the applicant is a participating employee and in active employment with a participating municipality or instrumentality, or (2) while the applicant is actively participating in a pension fund or retirement system which is a participating system under the Retirement Systems Reciprocal Act. A participating employee or other applicant shall not be entitled to credits or creditable service unless the required employee contributions are made in a lump sum or in installments made in accordance with board rule.

(d) Upon the granting of a retirement, surviving spouse or child annuity, a death benefit or a separation benefit, on account of any employee, all individual accumulated credits shall thereupon terminate. Upon the withdrawal of additional contributions, the credits applicable thereto shall thereupon terminate. Terminated credits shall not be applied to increase the benefits any remaining employee would otherwise receive under this Article.

Sec. 7-146. Temporary disability benefits - Eligibility. Temporary disability benefits shall be payable to participating employees as hereinafter provided.

(a) The participating employee shall be considered temporarily disabled if:

1. was not paid a separation benefit; or

(iii) had qualified under clause (i) above, but had an interruption after 20 or more years of creditable service, was not paid a separation benefit, and returned to service prior to the date the disability was incurred.

Item (iii) of this subdivision shall apply to all employees whose disabilities were incurred on or after July 1, 1985, and any such employee who becomes eligible for a disability benefit under item (iii) shall be entitled to receive a lump sum payment of any accumulated disability benefits which may accrue from the date the disability was incurred until the effective date of this amendatory Act of 1987.

Periods of qualified leave granted in compliance with the federal Family and Medical Leave Act shall be ignored for purposes of determining the number of consecutive months of employment under this subdivision (b)1.

2. He has been temporarily disabled for at least 30 days, except where a former temporary or permanent and total disability has reoccurred within 6 months after the employee has returned to service.

3. He is receiving no earnings from a participating municipality or instrumentality thereof or participating instrumentality, except as allowed under subsection (f) of Section 7-152.

4. He has not refused to submit to a reasonable physical examination by a physician appointed by the Board.

5. His disability is not the result of a mental or physical condition which existed on the earliest date of service from which he has uninterrupted service, including prior service, at the date of his disability, provided that this limitation is not applicable if the date of disability is after December 31, 2001, nor is it shall not be applicable to a participating employee who: (i) on the date of disability has 5 years of creditable service, exclusive of creditable service for periods of disability; or (ii) received no medical treatment for the condition for the 3 years immediately prior to such earliest date of service.

6. He is not separated from the service of the participating municipality or instrumentality thereof or participating instrumentality which employed him on the date his temporary disability was incurred; for the purposes of payment of temporary disability benefits, a participating employee, whose employment relationship is terminated by his employing municipality, shall be deemed not to be separated from the service of his employing municipality or participating instrumentality if he continues disabled by the same condition and so long as he is otherwise entitled to such disability benefit.

(40 ILCS 5/7-151) (from Ch. 108 1/2, par. 7-151)

Sec. 7-151. Total and permanent disability benefits - Commencement and duration. Permanent disability benefits shall be payable:

(a) As of the date temporary disability benefits are exhausted;

(b) Once a month as of the end of each month;

(c) For less than a month in a fraction equal to that created by making the number of days of disability in the month the numerator and the number of the days in the month the denominator;

(d) To the beneficiary of a deceased employee for the unpaid amount accrued to the date of death;

(e) While total and permanent disability continues;

(f) For the period ending on the last day of the month which is the later of the following:

1. the month that the participating employee attains the age for a full Social Security old-age insurance benefit

2. the month which is 5 years after the month the participating employee became disabled as provided in Section 7-146.

(40 ILCS 5/7-152) (from Ch. 108 1/2, par. 7-152)

Sec. 7-152. Disability benefits - Amount. The amount of the monthly temporary and total and permanent disability benefits shall be 50% of the participating employee's final rate of earnings on the date disability was incurred, subject to the following adjustments:

(a) If the participating employee has a reduced rate of earnings at the time his employment
ceases because of disability, the rate of earnings shall be computed on the basis of his last 12 month period of full-time employment.

(b) If the participating employee is eligible for a disability benefit under the federal Social Security Act, the amount of monthly disability benefits shall be reduced, but not to less than $10 a month, by the amount he would be eligible to receive as a disability benefit under the federal Social Security Act, whether or not because of service as a covered employee under this Article. The reduction shall be effective as of the month the employee is eligible for Social Security disability benefits. The Board may make such reduction if it appears that the employee may be so eligible pending determination of eligibility and make an appropriate adjustment if necessary after such determination. If the employee, because of his refusal to accept rehabilitation services under the federal Rehabilitation Act of 1973 or the federal Social Security Act, or because he is receiving workers' compensation benefits, has his Social Security benefits reduced or terminated, the disability benefit shall be reduced as if the employee were receiving his full Social Security disability benefit.

(c) If the employee (i) is over the age for a full Social Security old-age insurance benefit age 65, (ii) was not eligible for a Social Security disability benefit immediately before reaching that age, age 65 and (iii) is eligible for a full Social Security old-age insurance benefit, then the amount of the monthly disability benefit shall be reduced, but not to less than $10 a month, by the amount of the old-age insurance benefit to which the employee is entitled, whether or not the employee applies for the Social Security old-age insurance benefit. This reduction shall be made in the month after the month in which the employee attains the age for a full Social Security old-age insurance benefit age 65. However, if the employee was receiving a Social Security disability benefit before reaching the age for a full Social Security old-age insurance benefit age 65, the disability benefits after that age age 65 shall be determined under subsection (b) of this Section.

(d) The amount of disability benefits shall not be reduced by reason of any increase, other than one resulting from a correction in the employee's wage records, in the amount of disability or old-age insurance benefits under the federal Social Security Act which takes effect after the month of the initial reduction under paragraph (b) or (c) of this Section.

(e) If the employee in any month receives compensation from gainful employment which is more than 25% of the final rate of earnings on which his disability benefits are based, the temporary disability benefit payable for that month shall be reduced by an amount equal to such excess.

(f) An employee who has been disabled for at least 30 days may return to work for the employer on a part-time basis for a trial work period of up to one year, during which the disability shall be deemed to continue. Service credit shall continue to accrue and the disability benefit shall continue to be paid during the trial work period, but the benefit shall be reduced by the amount of earnings received by the disabled employee. Return to service on a full-time basis shall terminate the trial work period. The reduction under this subsection (f) shall be in lieu of the reduction, if any, required under subsection (e).

(g) Beginning January 1, 1988, every total and permanent disability benefit shall be increased by 3% of the original amount of the benefit, not compounded, on each January 1 following the later of (1) the date the total and permanent disability benefit begins, or (2) the date the total and permanent disability benefit would have begun if the employee had been paid a temporary disability benefit for 30 months.

Sec. 7-166. Separation benefits - Eligibility. Separation benefits shall be payable as hereinafter set forth:

1. Upon separation from the service of all participating municipalities and instrumentalities thereof and participating instrumentalities, any participating employee who, on the date of application for such benefit, is not entitled to a retirement annuity shall be entitled to a separation benefit.

2. Upon separation from the service of all participating municipalities and instrumentalities thereof and participating instrumentalities, any participating employee who, on the date of application for such benefit, is entitled to a retirement annuity of less than $30 per month for life may elect to take a separation benefit in lieu of the retirement annuity.

3. Upon separation from the service of all participating municipalities and
instrumentalities thereof and participating instrumentalities, any participating employee who, on the date of application for such benefit, is entitled to a retirement annuity, but wishes instead to use the amounts to his or her credit in the Fund to purchase credit in another retirement plan, may elect to take a separation benefit in lieu of the retirement annuity.

(40 ILCS 5/7-172) (from Ch. 108 1/2, par. 7-172)

Sec. 7-172. Contributions by participating municipalities and participating instrumentalities.

(a) Each participating municipality and each participating instrumentality shall make payment to the fund as follows:

1. municipality contributions in an amount determined by applying the municipality contribution rate to each payment of earnings paid to each of its participating employees;

2. an amount equal to the employee contributions provided by paragraphs (a) and (b) of Section 7-173, whether or not the employee contributions are withheld as permitted by that Section;

3. all accounts receivable, together with interest charged thereon, as provided in Section 7-209;

4. if it has no participating employees with current earnings, an amount payable which, over a period of 20 years beginning with the year following an award of benefit, will amortize, at the effective rate for that year, any negative balance in its municipality reserve resulting from the award. This amount when established will be payable as a separate contribution whether or not it later has participating employees.

(b) A separate municipality contribution rate shall be determined for each calendar year for all participating municipalities together with all instrumentalities thereof. The municipality contribution rate shall be determined for participating instrumentalities as if they were participating municipalities. The municipality contribution rate shall be the sum of the following percentages:

1. The percentage of earnings of all the participating employees of all participating municipalities and participating instrumentalities which, if paid over the entire period of their service, will be sufficient when combined with all employee contributions available for the payment of benefits, to provide all annuities for participating employees, and the $3,000 death benefit payable under Sections 7-158 and 7-164, such percentage to be known as the normal cost rate.

2. The percentage of earnings of the participating employees of each participating municipality and participating instrumentalities necessary to adjust for the difference between the present value of all benefits, excluding temporary and total and permanent disability and death benefits, to be provided for its participating employees and the sum of its accumulated municipality contributions and the accumulated employee contributions and the present value of expected future employee and municipality contributions pursuant to subparagraph 1 of this paragraph (b). This adjustment shall be spread over the remainder of the period that is allowable under generally accepted accounting principles of 40 years from the first of the year following the date of determination.

3. The percentage of earnings of the participating employees of all municipalities and participating instrumentalities necessary to provide the present value of all temporary and total and permanent disability benefits granted during the most recent year for which information is available.

4. The percentage of earnings of the participating employees of all participating municipalities and participating instrumentalities necessary to provide the present value of the net single sum death benefits expected to become payable from the reserve established under Section 7-206 during the year for which this rate is fixed.

5. The percentage of earnings necessary to meet any deficiency arising in the Terminated Municipality Reserve.

(c) A separate municipality contribution rate shall be computed for each participating municipality or participating instrumentality for its sheriff’s law enforcement employees.

A separate municipality contribution rate shall be computed for the sheriff’s law enforcement employees of each forest preserve district that elects to have such employees. For the period from January 1, 1986 to December 31, 1986, such rate shall be the forest preserve district's regular rate plus...
In the event that the Board determines that there is an actuarial deficiency in the account of any municipality with respect to a person who has elected to participate in the Fund under Section 3-109.1 of this Code, the Board may adjust the municipality's contribution rate so as to make up that deficiency over such reasonable period of time as the Board may determine.

(d) The Board may establish a separate municipality contribution rate for all employees who are program participants employed under the federal Comprehensive Employment Training Act by all of the participating municipalities and instrumentalities. The Board may also provide that, in lieu of a separate municipality rate for these employees, a portion of the municipality contributions for such program participants shall be refunded or an extra charge assessed so that the amount of municipality contributions retained or received by the fund for all CETA program participants shall be an amount equal to that which would be provided by the separate municipality contribution rate for all such program participants. Refunds shall be made to prime sponsors of programs upon submission of a claim therefor and extra charges shall be assessed to participating municipalities and instrumentalities. In establishing the municipality contribution rate as provided in paragraph (b) of this Section, the use of a separate municipality contribution rate for program participants or the refund of a portion of the municipality contributions, as the case may be, may be considered.

(e) Computations of municipality contribution rates for the following calendar year shall be made prior to the beginning of each year, from the information available at the time the computations are made, and on the assumption that the employees in each participating municipality or participating instrumentality at such time will continue in service until the end of such calendar year at their respective rates of earnings at such time.

(f) Any municipality which is the recipient of State allocations representing that municipality's contributions for retirement annuity purposes on behalf of its employees as provided in Section 12-21.16 of the Illinois Public Aid Code shall pay the allocations so received to the Board for such purpose. Estimates of State allocations to be received during any taxable year shall be considered in the determination of the municipality's tax rate for that year under Section 7-171. If a special tax is levied under Section 7-171, none of the proceeds may be used to reimburse the municipality for the amount of State allocations received and paid to the Board. Any multiple-county or consolidated health department which receives contributions from a county under Section 11.2 of "An Act in relation to establishment and maintenance of county and multiple-county health departments", approved July 9, 1943, as amended, or distributions under Section 3 of the Department of Public Health Act, shall use these only for municipality contributions by the health department.

(g) Municipality contributions for the several purposes specified shall, for township treasurers and employees in the offices of the township treasurers who meet the qualifying conditions for coverage hereunder, be allocated among the several school districts and parts of school districts serviced by such treasurers and employees in the proportion which the amount of school funds of each district or part of a district handled by the treasurer bears to the total amount of all school funds handled by the treasurer.

From the funds subject to allocation among districts and parts of districts pursuant to the School Code, the trustees shall withhold the proportionate share of the liability for municipality contributions imposed upon such districts by this Section, in respect to such township treasurers and employees and remit the same to the Board.

The municipality contribution rate for an educational service center shall initially be the same rate for each year as the regional office of education or school district which serves as its administrative agent. When actuarial data become available, a separate rate shall be established as provided in subparagraph (i) of this Section.

The municipality contribution rate for a public agency, other than a vocational education cooperative, formed under the Intergovernmental Cooperation Act shall initially be the average rate for the municipalities which are parties to the intergovernmental agreement. When actuarial data become available, a separate rate shall be established as provided in subparagraph (i) of this Section.

(h) Each participating municipality and participating instrumentality shall make the contributions in the amounts provided in this Section in the manner prescribed from time to time by the Board and all such contributions shall be obligations of the respective participating municipalities and participating instrumentalities to this fund. The failure to deduct any employee contributions shall
not relieve the participating municipality or participating instrumentality of its obligation to this fund. Delinquent payments of contributions due under this Section may, with interest, be recovered by civil action against the participating municipalities or participating instrumentalities. Municipality contributions, other than the amount necessary for employee contributions and Social Security contributions, for periods of service by employees from whose earnings no deductions were made for employee contributions to the fund, may be charged to the municipality reserve for the municipality or participating instrumentality.

(i) Contributions by participating instrumentalities shall be determined as provided herein except that the percentage derived under subparagraph 2 of paragraph (b) of this Section, and the amount payable under subparagraph 5 of paragraph (a) of this Section, shall be based on an amortization period of 10 years.

Sec. 15-148. Survivors insurance benefits - General provisions. The survivors annuity is payable monthly. Any annuity due but unpaid upon the death of the annuitant, shall be paid to the annuitant's estate.

A person who becomes entitled to more than one survivors insurance benefit because of the death of 2 or more persons shall receive only the largest of the benefits; except that this limitation does not apply to a survivors insurance beneficiary who is entitled to a survivor’s annuity by reason of a mental or physical disability.

A survivors insurance beneficiary or the personal representative of the estate of a deceased survivors insurance beneficiary or the personal representative of a survivors insurance beneficiary who is under a legal disability may waive the right to receive survivorship benefits, provided written notice of the waiver is given by the beneficiary or representative to the board within 6 months after the death of the participant or annuitant and before any payment is made pursuant to an application filed by such person.

(40 ILCS 5/15-154) (from Ch. 108 1/2, par. 15-154)

Sec. 15-154. Refunds.

(a) A participant whose status as an employee is terminated, regardless of cause, or who has been on lay off status for more than 120 days, and who is not on leave of absence, is entitled to a refund of contributions upon application; except that not more than one such refund application may be made during any academic year.

Except as set forth in subsections (a-1) and (a-2), the refund shall be the sum of the accumulated normal, additional and survivors insurance contributions, less the amount of interest credited on these contributions each year in excess of 4 1/2% of the amount on which interest was calculated.

(a-1) A person who elects, in accordance with the requirements of Section 15-134.5, to participate in the portable benefit package and who becomes a participating employee under that retirement program upon the conclusion of the one-year waiting period applicable to the portable benefit package election shall have his or her refund calculated in accordance with the provisions of subsection (a-2).

(a-2) The refund payable to a participant described in subsection (a-1) shall be the sum of the participant's accumulated normal and additional contributions, as defined in Sections 15-116 and 15-117. If the participant terminates with 5 or more years of service for employment as defined in Section 15-113.1, he or she shall also be entitled to a distribution of employer contributions in an amount equal to the sum of the accumulated normal and additional contributions, as defined in Sections 15-116 and 15-117.

(b) Upon acceptance of a refund, the participant forfeits all accrued rights and credits in the System, and if subsequently reemployed, the participant shall be considered a new employee subject to all the qualifying conditions for participation and eligibility for benefits applicable to new employees. If such person again becomes a participating employee and continues as such for 2 years, or is employed by an employer and participates for at least 2 years in the Federal Civil Service Retirement System, all such rights, credits, and previous status as a participant shall be restored upon repayment of the amount of the refund, together with compound interest thereon from the date the
refund was received to the date of repayment at the rate of 6% per annum through August 31, 1982, and at the effective rates after that date. Notwithstanding Section 1-103.1 and the other provisions of this Section, a person who was a participant in the System from February 14, 1966 until March 13, 1981 may restore credits previously forfeited by acceptance of a refund, without returning to service, by applying in writing and repaying to the System by July 1, 2002 the amount of the refund plus interest at the effective rate calculated from the date of the refund to the date of repayment.

(c) If a participant covered under the traditional benefit package has made survivors insurance contributions, but has no survivors insurance beneficiary upon retirement, he or she shall be entitled to elect a refund of the accumulated survivors insurance contributions, or to elect an additional annuity the value of which is equal to the accumulated survivors insurance contributions. This election must be made prior to the date the person's retirement annuity is approved by the Board of Trustees.

(d) A participant, upon application, is entitled to a refund of his or her accumulated additional contributions attributable to the additional contributions described in the last sentence of subsection (c) of Section 15-157. Upon the acceptance of such a refund of accumulated additional contributions, the participant forfeits all rights and credits which may have accrued because of such contributions.

(e) A participant who terminates his or her employee status and elects to waive service credit under Section 15-154.2, is entitled to a refund of the accumulated normal, additional and survivors insurance contributions, if any, which were credited the participant for this service, or to an additional annuity the value of which is equal to the accumulated normal, additional and survivors insurance contributions, if any; except that not more than one such refund application may be made during any academic year. Upon acceptance of this refund, the participant forfeits all rights and credits accrued because of this service.

(f) If a police officer or firefighter receives a retirement annuity under Rule 1 or 3 of Section 15-136, he or she shall be entitled at retirement to a refund of the difference between his or her accumulated normal contributions and the normal contributions which would have accumulated had such person filed a waiver of the retirement formula provided by Rule 4 of Section 15-136.

(g) If, at the time of retirement, a participant would be entitled to a retirement annuity under Rule 1, 2, 3, 4, or 5 of Section 15-136, or under Section 15-136.4, that exceeds the maximum specified in clause (1) of subsection (c) of Section 15-136, he or she shall be entitled to a refund of the accumulated contributions, if any, paid under Section 15-157 after the date upon which continuance of such contributions would have otherwise caused the retirement annuity to exceed this maximum, plus compound interest at the effective rates.

The Secretary shall establish by rule and regulation the procedures for use of the interlock system.

(j) In addition to any other penalties and liabilities, a person who is found guilty of or pleads guilty to violating this Section, including any person placed on court supervision for violating this Section, shall be fined $100, payable to the circuit clerk, who shall distribute the money to the law enforcement agency that made the arrest. If the person has been previously convicted of violating this Section or a similar provision of a local ordinance, the fine shall be $200. In the event that more than

All counties shall be subject to this Section, except that counties with a population under 2,000,000 may, by ordinance, elect not to be subject to this Section. For offenses subject to this Section, judges shall impose one total sum of money payable for violations. The circuit clerk may add on no additional amounts except for amounts that are required by Sections 27.3a and 27.3c of this Act, unless those amounts are specifically waived by the judge. (b-1) In addition to any other fines and court costs assessed by the courts, any person convicted or receiving an order of supervision for driving under the influence of alcohol or drugs shall pay an additional fee of $5 to the clerk of the circuit court. Not later than March 1 of each year the Circuit Clerk shall submit a report of the amount of funds remitted to the State Treasurer under this subsection during the preceding calendar year.

(c) In addition to any other fines and court costs assessed by the courts, any person convicted for a violation of Sections 24-1.1, 24-1.2, or 24-1.5 of the Criminal Code of 1961 or a person sentenced for a violation of the Cannabis Control Act or the Controlled Substance Act shall pay an additional fee of $100 to the clerk of the circuit court. (730 ILCS 5/5-9-1) (from Ch. 38, par. 1005-9-1)
Sec. 5-9-1. Authorized fines.

where the offender is a corporation, $50,000 or the amount specified in the offense, whichever is greater;
(2) for a Class A misdemeanor, $2,500 or the amount specified in the offense, whichever is greater;
(3) for a Class B or Class C misdemeanor, $1,500;
(4) for a petty offense, $1,000 or the amount specified in the offense, whichever is less;
(5) for a business offense, the amount specified in the statute defining that offense.
(b) A fine may be imposed in addition to a sentence of conditional discharge, probation, periodic imprisonment, or imprisonment.
(c) There shall be added to every fine imposed in sentencing for a criminal or traffic offense, except an offense relating to parking or registration, or offense by a pedestrian, an additional penalty of $5 for each $40, or fraction thereof, of fine imposed. The additional penalty of $5 for each $40, or fraction thereof, of fine imposed, if not otherwise assessed, shall also be added to every fine imposed upon a plea of guilty, stipulation of facts or findings of guilty, resulting in a judgment of conviction, or order of supervision in criminal, traffic, local ordinance, county ordinance, and conservation cases (except parking, registration, or pedestrian violations), or upon a sentence of probation without entry of judgment under Section 10 of the Cannabis Control Act or Section 410 of the Controlled Substances Act.

Such additional amounts shall be assessed by the court imposing the fine and shall be collected by the Circuit Clerk in addition to the fine and costs in the case. Each such additional penalty shall be remitted by the Circuit Clerk within one month after receipt to the State Treasurer. The State Treasurer shall deposit $1 for each $40, or fraction thereof, of fine imposed into the LEADS Maintenance Fund. The remaining surcharge amount shall be deposited into the Traffic and Criminal Conviction Surcharge Fund, unless the fine, costs or additional amounts are subject to disbursement by the circuit clerk under Section 27.5 of the Clerks of Courts Act. Such additional penalty shall not be considered a part of the fine for purposes of any reduction in the fine for time served either before or after sentencing. Not later than March 1 of each year the Circuit Clerk shall submit a report of the amount of funds remitted to the State Treasurer under this subsection (c) during the preceding calendar year. Except as otherwise provided by Supreme Court Rules, if a court in imposing a fine against an offender levies a gross amount for fine, costs, fees and penalties, the amount of the additional penalty provided for herein shall be computed on the amount remaining after deducting from the gross amount levied all fees of the Circuit Clerk, the State's Attorney and the Sheriff. After deducting from the gross amount levied the fees and additional penalty provided for herein, less any other additional penalties provided by law, the clerk shall remit the net balance remaining to the entity authorized by law to receive the fine imposed in the case. For purposes of this Section "fees of the Circuit Clerk" shall include, if applicable, the fee provided for under Section 27.3a of the Clerks of Courts Act and the fee, if applicable, payable to the county in which the violation occurred pursuant to Section 5-1101 of the Counties Code.

(c-5) In addition to the fines imposed by subsection (c), any person convicted or receiving an order of supervision for driving under the influence of alcohol or drugs shall pay an additional $100 fee to the clerk. This additional fee, less 2 1/2% that shall be used to defray administrative costs incurred by the clerk, shall be remitted by the clerk to the Treasurer within 60 days after receipt for deposit into the Trauma Center Fund. This additional fee of $100 shall not be considered a part of the fine for purposes of any reduction in the fine for time served either before or after sentencing. Not later than March 1 of each year the Circuit Clerk shall submit a report of the amount of funds remitted to the State Treasurer under this subsection (c-5) during the preceding calendar year.

The Circuit Clerk may accept payment of fines and costs by credit card from an offender who has been convicted of a traffic offense, petty offense or misdemeanor and may charge the service fee permitted where fines and costs are paid by credit card provided for in Section 27.3b of the Clerks of Courts Act.

(c-7) In addition to the fines imposed by subsection (c), any person convicted or receiving an order of supervision for driving under the influence of alcohol or drugs shall pay an additional $5 fee to the clerk. This additional fee, less 2 1/2% that shall be used to defray administrative costs incurred by the clerk, shall be remitted by the clerk to the Treasurer within 60 days after receipt for deposit into the Spinal Cord Injury Paralysis Cure Research Trust Fund. This additional fee of $5 shall not be
considered a part of the fine for purposes of any reduction in the fine for time served either before or after sentencing. Not later than March 1 of each year the Circuit Clerk shall submit a report of the amount of funds remitted to the State Treasurer under this subsection (c-7) during the preceding calendar year.

(d) In determining the amount and method of payment of a fine, except for those fines established for violations of Chapter 15 of the Illinois Vehicle Code, the court shall consider:

1. the financial resources and future ability of the offender to pay the fine; and
2. whether the fine will prevent the offender from making court ordered restitution or reparation to the victim of the offense; and
3. in a case where the accused is a dissolved corporation and the court has appointed counsel to represent the corporation, the costs incurred either by the county or the State for such representation.

(e) The court may order the fine to be paid forthwith or within a specified period of time or in installments.

(f) All fines, costs and additional amounts imposed under this Section for any violation of Chapters 3, 4, 6, and 11 of the Illinois Vehicle Code, or a similar provision of a local ordinance, and any violation of the Child Passenger Protection Act, or a similar provision of a local ordinance, shall be collected and disbursed by the circuit clerk as provided under Section 27.5 of the Clerks of Courts Act.

Sec. 5-9-1.1. Drug related offenses.

(a) When a person has been adjudged guilty of a drug related offense involving possession or delivery of cannabis or possession or delivery of a controlled substance as defined in the Cannabis Control Act, as amended, or the Illinois Controlled Substances Act, as amended, in addition to any other penalty imposed, a fine shall be levied by the court at not less than the full street value of the cannabis or controlled substances seized.

"Street value" shall be determined by the court on the basis of testimony of law enforcement personnel and the defendant as to the amount seized and such testimony as may be required by the court as to the current street value of the cannabis or controlled substances seized.

(b) In addition to any penalty imposed under subsection (a) of this Section, a fine of $100 shall be levied by the court, the proceeds of which shall be collected by the Circuit Clerk and remitted to the State Treasurer under Section 27.6 of the Clerks of Courts Act for deposit into the Trauma Center Fund for distribution as provided under Section 3.225 of the Emergency Medical Services (EMS) Systems Act.

(c) In addition to any penalty imposed under subsection (a) of this Section, a fee of $5 shall be assessed by the court, the proceeds of which shall be collected by the Circuit Clerk and remitted to the State Treasurer under Section 27.6 of the Clerks of Courts Act for deposit into the Spinal Cord Injury Paralysis Cure Research Trust Fund. This additional fee of $5 shall not be considered a part of the fine for purposes of any reduction in the fine for time served either before or after sentencing.

Effective January 1, 2002.
for a newborn infant to be relinquished to a safe environment and for the parents of the infant to remain anonymous if they choose and to avoid civil or criminal liability for the act of relinquishing the infant. It is recognized that establishing an adoption plan is preferable to relinquishing a child using the procedures outlined in this Act, but to reduce the chance of injury to a newborn infant, this Act provides a safer alternative.

A public information campaign on this delicate issue shall be implemented to encourage parents considering abandonment of their newborn child to relinquish the child under the procedures outlined in this Act, to choose a traditional adoption plan, or to parent a child themselves rather than place the newborn infant in harm's way.

Section 10. Definitions. In this Act:
"Abandon" has the same meaning as in the Abused and Neglected Child Reporting Act.
"Abused child" has the same meaning as in the Abused and Neglected Child Reporting Act.
"Child-placing agency" means a licensed public or private agency that receives a child for the purpose of placing or arranging for the placement of the child in a foster family home or other facility for child care, apart from the custody of the child's parents.
"Department" or "DCFS" means the Illinois Department of Children and Family Services.
"Emergency medical facility" means a freestanding emergency center or trauma center, as defined in the Emergency Medical Services (EMS) Systems Act.
"Emergency medical professional" includes licensed physicians, and any emergency medical technician-basic, emergency medical technician-intermediate, emergency medical technician-paramedic, trauma nurse specialist, and pre-hospital RN, as defined in the Emergency Medical Services (EMS) Systems Act.
"Fire station" means a fire station within the State that is staffed with at least one full-time emergency medical professional.
"Hospital" has the same meaning as in the Hospital Licensing Act.
"Legal custody" means the relationship created by a court order in the best interest of a newborn infant that imposes on the infant's custodian the responsibility of physical possession of the infant, the duty to protect, train, and discipline the infant, and the duty to provide the infant with food, shelter, education, and medical care, except as these are limited by parental rights and responsibilities.
"Neglected child" has the same meaning as in the Abused and Neglected Child Reporting Act.
"Newborn infant" means a child who a licensed physician reasonably believes is 72 hours old or less at the time the child is initially relinquished to a hospital, fire station, or emergency medical facility, and who is not an abused or a neglected child.
"Relinquish" means to bring a newborn infant, who a licensed physician reasonably believes is 72 hours old or less, to a hospital, fire station, or emergency medical facility and to leave the infant with personnel of the facility, if the person leaving the infant does not express an intent to return for the infant or states that he or she will not return for the infant. In the case of a mother who gives birth to an infant in a hospital, the mother's act of leaving that newborn infant at the hospital (i) without expressing an intent to return for the infant or (ii) stating that she will not return for the infant is not a "relinquishment" under this Act.
"Temporary protective custody" means the temporary placement of a newborn infant within a hospital or other medical facility out of the custody of the infant's parent.

Section 15. Presumptions.
(a) There is a presumption that by relinquishing a newborn infant in accordance with this Act, the infant's parent consents to the termination of his or her parental rights with respect to the infant.
(b) There is a presumption that a person relinquishing a newborn infant in accordance with this Act:
(1) is the newborn infant's biological parent; and
(2) either without expressing an intent to return for the infant or expressing an intent not to return for the infant, did intend to relinquish the infant to the hospital, fire station, or emergency medical facility to treat, care for, and provide for the infant in accordance with this Act.
(c) A parent of a relinquished newborn infant may rebut the presumption set forth in either subsection (a) or subsection (b) pursuant to Section 55, at any time before the termination of the parent's parental rights.
Section 20. Procedures with respect to relinquished newborn infants.

(a) Hospitals. Every hospital must accept and provide all necessary emergency services and care to a relinquished newborn infant, in accordance with this Act. The hospital shall examine a relinquished newborn infant and perform tests that, based on reasonable medical judgment, are appropriate in evaluating whether the relinquished newborn infant was abused or neglected.

The act of relinquishing a newborn infant serves as implied consent for the hospital and its medical personnel and physicians on staff to treat and provide care for the infant.

The hospital shall be deemed to have temporary protective custody of a relinquished newborn infant until the infant is discharged to the custody of a child-placing agency or the Department.

(b) Fire stations and emergency medical facilities. Every fire station and emergency medical facility must accept and provide all necessary emergency services and care to a relinquished newborn infant, in accordance with this Act.

The act of relinquishing a newborn infant serves as implied consent for the fire station or emergency medical facility and its emergency medical professionals to treat and provide care for the infant, to the extent that those emergency medical professionals are trained to provide those services.

After the relinquishment of a newborn infant to a fire station or emergency medical facility, the fire station or emergency medical facility's personnel must arrange for the transportation of the infant to the nearest hospital as soon as transportation can be arranged.

If the parent of a newborn infant returns to reclaim the child within 72 hours after relinquishing the child to a fire station or emergency medical facility, the fire station or emergency medical facility must inform the parent of the name and location of the hospital to which the infant was transported.

Section 25. Immunity for relinquishing person.

(a) The act of relinquishing a newborn infant to a hospital, fire station, or emergency medical facility in accordance with this Act does not, by itself, constitute a basis for a finding of abuse, neglect, or abandonment of the infant pursuant to the laws of this State nor does it, by itself, constitute a violation of Section 12-21.5 or 12-21.6 of the Criminal Code of 1961.

(b) If there is suspected child abuse or neglect that is not based solely on the newborn infant's relinquishment to a hospital, fire station, or emergency medical facility, the personnel of the hospital, fire station, or emergency medical facility who are mandated reporters under the Abused and Neglected Child Reporting Act must report the abuse or neglect pursuant to that Act.

(c) Neither a child protective investigation nor a criminal investigation may be initiated solely because a newborn infant is relinquished pursuant to this Act.

Section 27. Immunity of facility and personnel. A hospital, fire station, or emergency medical facility, and any personnel of a hospital, fire station, or emergency medical facility, are immune from criminal or civil liability for acting in good faith in accordance with this Act. Nothing in this Act limits liability for negligence for care and medical treatment.

Section 30. Anonymity of relinquishing person. If there is no evidence of abuse or neglect of a relinquished newborn infant, the relinquishing person has the right to remain anonymous and to leave the hospital, fire station, or emergency medical facility at any time and not be pursued or followed. Before the relinquishing person leaves the hospital, fire station, or emergency medical facility, the hospital, fire station, or emergency medical facility personnel shall i) verbally inform the relinquishing person that by relinquishing the child anonymously, he or she will have to petition the court if he or she desires to prevent the termination of parental rights and regain custody of the child and ii) shall offer the relinquishing person the information packet described in Section 35 of this Act. However, nothing in this Act shall be construed as precluding the relinquishing person from providing his or her identity or completing the application forms for the Illinois Adoption Registry and Medical Information Exchange and requesting that the hospital, fire station, or emergency medical facility forward those forms to the Illinois Adoption Registry and Medical Information Exchange.

Section 35. Information for relinquishing person. A hospital, fire station, or emergency medical facility that receives a newborn infant relinquished in accordance with this Act must offer an information packet to the relinquishing person and, if possible, must clearly inform the relinquishing person that his or her acceptance of the information is completely voluntary, that registration with the Illinois Adoption Registry and Medical Information Exchange is voluntary, that the person will remain anonymous if he or she completes a Denial of Information Exchange, and that the person has the

option to provide medical information only and still remain anonymous. The information packet must include all of the following:

(1) All Illinois Adoption Registry and Medical Information Exchange application forms, including the Medical Information Exchange Questionnaire and the web site address and toll-free phone number of the Registry.

(2) Written notice of the following:
   (A) No sooner than 60 days following the date of the initial relinquishment of the infant to a hospital, fire station, or emergency medical facility, the child-placing agency or the Department will commence proceedings for the termination of parental rights and placement of the infant for adoption.
   (B) Failure of a parent of the infant to contact the Department and petition for the return of custody of the infant before termination of parental rights bars any future action asserting legal rights with respect to the infant.

(3) A resource list of providers of counseling services including grief counseling, pregnancy counseling, and counseling regarding adoption and other available options for placement of the infant.

Upon request, the Department of Public Health shall provide the application forms for the Illinois Adoption Registry and Medical Information Exchange to hospitals, fire stations, and emergency medical facilities.

Section 40. Reporting requirements.

(a) Within 12 hours after accepting a newborn infant from a relinquishing person or from a fire station or emergency medical facility in accordance with this Act, a hospital must report to the Department's State Central Registry for the purpose of transferring physical custody of the infant from the hospital to either a child-placing agency or the Department.

(b) Within 24 hours after receiving a report under subsection (a), the Department must request assistance from law enforcement officials to investigate the matter using the National Crime Information Center to ensure that the relinquished newborn infant is not a missing child.

(c) Once a hospital has made a report to the Department under subsection (a), the Department must arrange for a licensed child-placing agency to accept physical custody of the relinquished newborn infant.

(d) If a relinquished child is not a newborn infant as defined in this Act, the hospital and the Department must proceed as if the child is an abused or neglected child.

Section 45. Medical assistance. Notwithstanding any other provision of law, a newborn infant relinquished in accordance with this Act shall be deemed eligible for medical assistance under the Illinois Public Aid Code, and a hospital providing medical services to such an infant shall be reimbursed for those services in accordance with the payment methodologies authorized under that Code. In addition, for any day that a hospital has custody of a newborn infant relinquished in accordance with this Act and the infant does not require medically necessary care, the hospital shall be reimbursed by the Illinois Department of Public Aid at the general acute care per diem rate, in accordance with 89 Ill. Adm. Code 148.270(c).

Section 50. Child-placing agency procedures.

(a) The Department's State Central Registry must maintain a list of licensed child-placing agencies willing to take legal custody of newborn infants relinquished in accordance with this Act. The child-placing agencies on the list must be contacted by the Department on a rotating basis upon notice from a hospital that a newborn infant has been relinquished in accordance with this Act.

(b) Upon notice from the Department that a newborn infant has been relinquished in accordance with this Act, a child-placing agency must accept the newborn infant if the agency has the accommodations to do so. The child-placing agency must seek an order for legal custody of the infant upon its acceptance of the infant.

(c) Within 3 business days after assuming physical custody of the infant, the child-placing agency shall file a petition in the division of the circuit court in which petitions for adoption would normally be heard. The petition shall allege that the newborn infant has been relinquished in accordance with this Act and shall state that the child-placing agency intends to place the infant in an adoptive home.

(d) If no licensed child-placing agency is able to accept the relinquished newborn infant, then
the Department must assume responsibility for the infant as soon as practicable.

(e) A custody order issued under subsection (b) shall remain in effect until a final adoption order based on the relinquished newborn infant's best interests is issued in accordance with this Act and the Adoption Act.

(f) When possible, the child-placing agency must place a relinquished newborn infant in a prospective adoptive home.

(g) The Department or child-placing agency must initiate proceedings to (i) terminate the parental rights of the relinquished newborn infant's known or unknown parents, (ii) appoint a guardian for the infant, and (iii) obtain consent to the infant's adoption in accordance with this Act no sooner than 60 days following the date of the initial relinquishment of the infant to the hospital, fire station, or emergency medical facility.

(h) Before filing a petition for termination of parental rights, the Department or child-placing agency must do the following:

(1) Search its Putative Father Registry for the purpose of determining the identity and location of the putative father of the relinquished newborn infant who is, or is expected to be, the subject of an adoption proceeding, in order to provide notice of the proceeding to the putative father. At least one search of the Registry must be conducted, at least 30 days after the relinquished newborn infant's estimated date of birth; earlier searches may be conducted, however. Notice to any potential putative father discovered in a search of the Registry according to the estimated age of the relinquished newborn infant must be in accordance with Section 12a of the Adoption Act.

(2) Verify with law enforcement officials, using the National Crime Information Center, that the relinquished newborn infant is not a missing child.

Section 55. Petition for return of custody.

(a) A parent of a newborn infant relinquished in accordance with this Act may petition for the return of custody of the infant before the termination of parental rights with respect to the infant.

(b) A parent of a newborn infant relinquished in accordance with this Act may petition for the return of custody of the infant by contacting the Department for the purpose of obtaining the name of the child-placing agency and then filing a petition for return of custody in the circuit court in which the proceeding for the termination of parental rights is pending.

(c) If a petition for the termination of parental rights has not been filed by the Department or the child-placing agency, the parent of the relinquished newborn infant must contact the Department, which must notify the parent of the appropriate court in which the petition for return of custody must be filed.

(d) The circuit court may hold the proceeding for the termination of parental rights in abeyance for a period not to exceed 60 days from the date that the petition for return of custody was filed without a showing of good cause. During that period:

(1) The court shall order genetic testing to establish maternity or paternity, or both.

(2) The Department shall conduct a child protective investigation and home study to develop recommendations to the court.

(3) When indicated as a result of the Department's investigation and home study, further proceedings under the Juvenile Court Act of 1987 as the court determines appropriate, may be conducted. However, relinquishment of a newborn infant in accordance with this Act does not render the infant abused, neglected, or abandoned solely because the newborn infant was relinquished to a hospital, fire station, or emergency medical facility in accordance with this Act.

(e) Failure to file a petition for the return of custody of a relinquished newborn infant before the termination of parental rights bars any future action asserting legal rights with respect to the infant unless the parent's act of relinquishment that led to the termination of parental rights involved fraud perpetrated against and not stemming from or involving the parent. No action to void or revoke the termination of parental rights of a parent of a newborn infant relinquished in accordance with this Act, including an action based on fraud, may be commenced after 12 months after the date that the newborn infant was initially relinquished to a hospital, fire station, or emergency medical facility.

Section 60. Department's duties. The Department must implement a public information program to promote safe placement alternatives for newborn infants. The public information program...
must inform the public of the following:

(1) The relinquishment alternative provided for in this Act, which results in the adoption of a newborn infant under 72 hours of age and which provides for the parent's anonymity, if the parent so chooses.

(2) The alternative of adoption through a public or private agency, in which the parent's identity may or may not be known to the agency, but is kept anonymous from the adoptive parents, if the birth parent so desires, and which allows the parent to be actively involved in the child's adoption plan.

The public information program may include, but need not be limited to, the following elements:

(i) Educational and informational materials in print, audio, video, electronic or other media.
(ii) Establishment of a web site.
(iii) Public service announcements and advertisements.
(iv) Establishment of toll-free telephone hotlines to provide information.

Section 65. Evaluation.

(a) The Department shall collect and analyze information regarding the relinquishment of newborn infants and placement of children under this Act. Fire stations, emergency medical facilities, and medical professionals accepting and providing services to a newborn infant under this Act shall report to the Department data necessary for the Department to evaluate and determine the effect of this Act in the prevention of injury or death of newborn infants. Child-placing agencies shall report to the Department data necessary to evaluate and determine the effectiveness of these agencies in providing child protective and child welfare services to newborn infants relinquished under this Act.

(b) The information collected shall include, but need not be limited to: the number of newborn infants relinquished; the services provided to relinquished newborn infants; the outcome of care for the relinquished newborn infants; the number and disposition of cases of relinquished newborn infants subject to placement; the number of children accepted and served by child-placing agencies; and the services provided by child-placing agencies and the disposition of the cases of the children placed under this Act.

(c) The Department shall submit a report by January 1, 2002, and on January 1 of each year thereafter, to the Governor and General Assembly regarding the prevention of injury or death of newborn infants and the effect of placements of children under this Act. The report shall include, but need not be limited to, a summary of collected data, an analysis of the data and conclusions regarding the Act's effectiveness, a determination whether the purposes of the Act are being achieved, and recommendations for changes that may be considered necessary to improve the administration and enforcement of this Act.

Section 70. Construction of Act. Nothing in this Act shall be construed to preclude the courts of this State from exercising their discretion to protect the health and safety of children in individual cases. The best interests and welfare of a child shall be a paramount consideration in the construction and interpretation of this Act. It is in the child's best interests that this Act be construed and interpreted so as not to result in extending time limits beyond those set forth in this Act.

Section 75. Repeal. This Act is repealed on July 1, 2007.

Section 90. The Illinois Public Aid Code is amended by changing Section 4-1.2 as follows:

(b) The Illinois Department may, by rule, establish those persons who are living together who must be included in the same assistance unit in order to receive cash assistance under this Article and the income and assets of those persons in an assistance unit which must be considered in determining eligibility.

Sec. 2. Any parent, legal guardian or person having the custody of a child under the age of 18 years, who knowingly or wilfully causes, aids or encourages such person to be or to become a dependent and neglected child as defined in section 1, who knowingly or wilfully does acts which directly tend to render any such child so dependent and neglected, or who knowingly or wilfully fails to do that which will directly tend to prevent such state of dependency and neglect is guilty of the Class A misdemeanor of contributing to the dependency and neglect of children, except that a person who relinquishes a child in accordance with the Abandoned Newborn Infant Protection Act is not guilty of that misdemeanor. Instead of imposing the punishment hereinbefore provided, the court may release the defendant from custody on probation for one year upon his or her entering into recognizance with or without surety in such sum as the court directs. The conditions of the recognizance shall be such that if the defendant appears personally in court whenever ordered to do so within the year and provides and cares for such neglected and dependent child in such manner as to prevent a continuance or repetition of such state of dependency and neglect or as otherwise may be directed by the court then the recognizance shall be void, otherwise it shall be of full force and effect. If the court is satisfied by information and due proof under oath that at any time during the year the defendant has violated the terms of such order it may forthwith revoke the order and sentence him or her under the original conviction. Unless so sentenced, the defendant shall at the end of the year be discharged. In case of forfeiture on the recognizance the sum recovered thereon may in the discretion of the court be paid in whole or in part to someone designated by the court for the support of such dependent and neglected child.

(a) Abandonment of the child.

(a-1) Abandonment of a newborn infant in a hospital.

(a-2) Abandonment of a newborn infant in any setting where the evidence suggests that the parent intended to relinquish his or her parental rights.

(b) Failure to maintain a reasonable degree of interest, concern or responsibility as to the child's welfare.

(c) Desertion of the child for more than 3 months next preceding the commencement of the Adoption proceeding.

(d) Substantial neglect of the child if continuous or repeated.

(d-1) Substantial neglect, if continuous or repeated, of any child residing in the household which resulted in the death of that child.

(e) Extreme or repeated cruelty to the child.

(f) Two or more findings of physical abuse to any children under Section 4-8 of the Juvenile Court Act or Section 2-21 of the Juvenile Court Act of 1987, the most recent of which was determined by the juvenile court hearing the matter to be supported by clear and convincing evidence; a criminal conviction or a finding of not guilty by reason of insanity
resulting from the death of any child by physical child abuse; or a finding of physical child abuse resulting from the death of any child under Section 4-8 of the Juvenile Court Act or Section 2-21 of the Juvenile Court Act of 1987.

(g) Failure to protect the child from conditions within his environment injurious to the child's welfare.

(h) Other neglect of, or misconduct toward the child; provided that in making a finding of unfitness the court hearing the adoption proceeding shall not be bound by any previous finding, order or judgment affecting or determining the rights of the parents toward the child sought to be adopted in any other proceeding except such proceedings terminating parental rights as shall be had under either this Act, the Juvenile Court Act or the Juvenile Court Act of 1987.

(i) Depravity. Conviction of any one of the following crimes shall create a presumption that a parent is depraved which can be overcome only by clear and convincing evidence: (1) first degree murder in violation of paragraph 1 or 2 of subsection (a) of Section 9-1 of the Criminal Code of 1961 or conviction of second degree murder in violation of subsection (a) of Section 9-2 of the Criminal Code of 1961 of a parent of the child to be adopted; (2) first degree murder or second degree murder of any child in violation of the Criminal Code of 1961; (3) attempt or conspiracy to commit first degree murder or second degree murder of any child in violation of the Criminal Code of 1961; (4) solicitation to commit murder of any child, solicitation to commit murder of any child for hire, or solicitation to commit second degree murder of any child in violation of the Criminal Code of 1961; or (5) aggravated criminal sexual assault in violation of Section 12-14(b)(1) of the Criminal Code of 1961.

There is a rebuttable presumption that a parent is depraved if the parent has been criminally convicted of at least 3 felonies under the laws of this State or any other state, or under federal law, or the criminal laws of any United States territory; and at least one of these convictions took place within 5 years of the filing of the petition or motion seeking termination of parental rights.

There is a rebuttable presumption that a parent is depraved if that parent has been criminally convicted of either first or second degree murder of any person as defined in the Criminal Code of 1961 within 10 years of the filing date of the petition or motion to terminate parental rights.

(j) Open and notorious adultery or fornication.

(j-1) (Blank).

(k) Habitual drunkenness or addiction to drugs, other than those prescribed by a physician, for at least one year immediately prior to the commencement of the unfitness proceeding.

There is a rebuttable presumption that a parent is unfit under this subsection with respect to any child to which that parent gives birth where there is a confirmed test result that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act or metabolites of such substances, the presence of which in the newborn infant was not the result of medical treatment administered to the mother or the newborn infant; and the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987.

(l) Failure to demonstrate a reasonable degree of interest, concern or responsibility as to the welfare of a new born child during the first 30 days after its birth.

(m) Failure by a parent (i) to make reasonable efforts to correct the conditions that were the basis for the removal of the child from the parent, or (ii) to make reasonable progress toward the return of the child to the parent within 9 months after an adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act, or (iii) to make reasonable progress toward the return of the child to the parent during any 9-month period after the end of the initial 9-month period following the adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act. If a service plan has been established as required under Section 8.2 of the Abused and Neglected Child Reporting...
Act to correct the conditions that were the basis for the removal of the child from the parent and if those services were available, then, for purposes of this Act, "failure to make reasonable progress toward the return of the child to the parent" includes (I) the parent's failure to substantially fulfill his or her obligations under the service plan and correct the conditions that brought the child into care within 9 months after the adjudication under Section 2-3 or 2-4 of the Juvenile Court Act of 1987 and (II) the parent's failure to substantially fulfill his or her obligations under the service plan and correct the conditions that brought the child into care during any 9-month period after the end of the initial 9-month period following the adjudication under Section 2-3 or 2-4 of the Juvenile Court Act of 1987.

(m-1) Pursuant to the Juvenile Court Act of 1987, a child has been in foster care for 15 months out of any 22 month period which begins on or after the effective date of this amendatory Act of 1998 unless the child's parent can prove by a preponderance of the evidence that it is more likely than not that it will be in the best interests of the child to be returned to the parent within 6 months of the date on which a petition for termination of parental rights is filed under the Juvenile Court Act of 1987. The 15 month time limit is tolled during any period for which there is a court finding that the appointed custodian or guardian failed to make reasonable efforts to reunify the child with his or her family, provided that (i) the finding of no reasonable efforts is made within 60 days of the period when reasonable efforts were not made or (ii) the parent filed a motion requesting a finding of no reasonable efforts within 60 days of the period when reasonable efforts were not made. For purposes of this subdivision (m-1), the date of entering foster care is the earlier of: (i) the date of a judicial finding at an adjudicatory hearing that the child is an abused, neglected, or dependent minor; or (ii) 60 days after the date on which the child is removed from his or her parent, guardian, or legal custodian.

(n) Evidence of intent to forgo his or her parental rights, whether or not the child is a ward of the court, (1) as manifested by his or her failure for a period of 12 months: (i) to visit the child, (ii) to communicate with the child or agency, although able to do so and not prevented from doing so by an agency or by court order, or (iii) to maintain contact with or plan for the future of the child, although physically able to do so, or (2) as manifested by the father's failure, where he and the mother of the child were unmarried to each other at the time of the child's birth, (i) to commence legal proceedings to establish his paternity under the Illinois Parentage Act of 1984 or the law of the jurisdiction of the child's birth within 30 days of being informed, pursuant to Section 12a of this Act, that he is the father or the likely father of the child or, after being so informed where the child is not yet born, within 30 days of the child's birth, or (ii) to make a good faith effort to pay a reasonable amount of the expenses related to the birth of the child and to provide a reasonable amount for the financial support of the child, the court to consider in its determination all relevant circumstances, including the financial condition of both parents; provided that the ground for termination provided in this subparagraph (n)(2)(ii) shall only be available where the petition is brought by the mother or the husband of the mother.

Contact or communication by a parent with his or her child that does not demonstrate affection and concern does not constitute reasonable contact and planning under subdivision (n). In the absence of evidence to the contrary, the ability to visit, communicate, maintain contact, pay expenses and plan for the future shall be presumed. The subjective intent of the parent, whether expressed or otherwise, unsupported by evidence of the foregoing parental acts manifesting that intent, shall not preclude a determination that the parent has intended to forgo his or her parental rights. In making this determination, the court may consider but shall not require a showing of diligent efforts by an authorized agency to encourage the parent to perform the acts specified in subdivision (n).

It shall be an affirmative defense to any allegation under paragraph (2) of this subsection that the father's failure was due to circumstances beyond his control or to impediments created by the mother or any other person having legal custody. Proof of that fact need only be by a preponderance of the evidence.

(o) Repeated or continuous failure by the parents, although physically and financially able, to provide the child with adequate food, clothing, or shelter.
(p) Inability to discharge parental responsibilities supported by competent evidence from a psychiatrist, licensed clinical social worker, or clinical psychologist of mental impairment, mental illness or mental retardation as defined in Section 1-116 of the Mental Health and Developmental Disabilities Code, or developmental disability as defined in Section 1-106 of that Code, and there is sufficient justification to believe that the inability to discharge parental responsibilities shall extend beyond a reasonable time period. However, this subdivision (p) shall not be construed so as to permit a licensed clinical social worker to conduct any medical diagnosis to determine mental illness or mental impairment.

(q) The parent has been criminally convicted of aggravated battery, heinous battery, or attempted murder of any child.

(r) The child is in the temporary custody or guardianship of the Department of Children and Family Services, the parent is incarcerated as a result of criminal conviction at the time the petition or motion for termination of parental rights is filed, prior to incarceration the parent had little or no contact with the child or provided little or no support for the child, and the parent's incarceration will prevent the parent from discharging his or her parental responsibilities for the child for a period in excess of 2 years after the filing of the petition or motion for termination of parental rights.

(s) The child is in the temporary custody or guardianship of the Department of Children and Family Services, the parent is incarcerated at the time the petition or motion for termination of parental rights is filed, the parent has been repeatedly incarcerated as a result of criminal convictions, and the parent's repeated incarceration has prevented the parent from discharging his or her parental responsibilities for the child.

(t) A finding that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act, or a metabolite of a controlled substance, with the exception of controlled substances or metabolites of such substances, the presence of which in the newborn infant was the result of medical treatment administered to the mother or the newborn infant, and that the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987, after which the biological mother had the opportunity to enroll in and participate in a clinically appropriate substance abuse counseling, treatment, and rehabilitation program.

E. "Parent" means the father or mother of a legitimate or illegitimate child. For the purpose of this Act, a person who has executed a final and irrevocable consent to adoption or a final and irrevocable surrender for purposes of adoption, or whose parental rights have been terminated by a court, is not a parent of the child who was the subject of the consent or surrender, unless the consent is void pursuant to subsection O of Section 10.

F. A person is available for adoption when the person is:

(a) a child who has been surrendered for adoption to an agency and to whose adoption the agency has thereafter consented;

(b) a child to whose adoption a person authorized by law, other than his parents, has consented, or to whose adoption no consent is required pursuant to Section 8 of this Act;

(c) a child who is in the custody of persons who intend to adopt him through placement made by his parents;

(c-1) a child for whom a parent has signed a specific consent pursuant to subsection O of Section 10; or

(d) an adult who meets the conditions set forth in Section 3 of this Act; or

(e) a child who has been relinquished as defined in Section 10 of the Abandoned Newborn Infant Protection Act.

A person who would otherwise be available for adoption shall not be deemed unavailable for adoption solely by reason of his or her death.

outside the United States that is authorized by its country to place children for adoption either directly with families in the United States or through United States based international agencies.

(a) inflicts, causes to be inflicted, or allows to be inflicted upon the child physical injury, by other than accidental means, that causes death, disfigurement, impairment of physical or emotional health, or loss or impairment of any bodily function;

(b) creates a substantial risk of physical injury to the child by other than accidental means which would be likely to cause death, disfigurement, impairment of physical or emotional health, or loss or impairment of any bodily function;

(c) commits or allows to be committed any sex offense against the child, as sex offenses are defined in the Criminal Code of 1961 and extending those definitions of sex offenses to include children under 18 years of age;

(e) inflicts excessive corporal punishment.

Q. A child shall not be considered neglected or abused for the sole reason that the child's parent or other person responsible for his or her welfare depends upon spiritual means through prayer alone for the treatment or cure of disease or remedial care as provided under Section 4 of the Abused and Neglected Child Reporting Act.

R. "Putative father" means a man who may be a child's father, but who (1) is not married to the child's mother on or before the date that the child was or is to be born and (2) has not established paternity of the child in a court proceeding before the filing of a petition for the adoption of the child. The term includes a male who is less than 18 years of age. "Putative father" does not mean a man who is the child's father as a result of criminal sexual abuse or assault as defined under Article 12 of the Criminal Code of 1961.

S. (720 ILCS 5/10-5) (from Ch. 38, par. 10-5)
Sec. 10-5. Child Abduction.

(a) For purposes of this Section, the following terms shall have the following meanings:

(1) "Child" means a person under the age of 18 or a severely or profoundly mentally retarded person at the time the alleged violation occurred; and
(2) "Detains" means taking or retaining physical custody of a child, whether or not the child resists or objects; and
(3) "Lawful custodian" means a person or persons granted legal custody of a child or entitled to physical possession of a child pursuant to a court order. It is presumed that, when the parties have never been married to each other, the mother has legal custody of the child unless a valid court order states otherwise. If an adjudication of paternity has been completed and the father has been assigned support obligations or visitation rights, such a paternity order should, for the purposes of this Section be considered a valid court order granting custody to the mother.

(b) A person commits child abduction when he or she:

New matter indicated by italics - deletions by strikeout.
(1) Intentionally violates any terms of a valid court order granting sole or joint custody, care or possession to another, by concealing or detaining the child or removing the child from the jurisdiction of the court; or

(2) Intentionally violates a court order prohibiting the person from concealing or detaining the child or removing the child from the jurisdiction of the court; or

(3) Intentionally conceals, detains or removes the child without the consent of the mother or lawful custodian of the child if the person is a putative father and either: (A) the paternity of the child has not been legally established or (B) the paternity of the child has been legally established but no orders relating to custody have been entered. However, notwithstanding the presumption created by paragraph (3) of subsection (a), a mother commits child abduction when she intentionally conceals or removes a child, whom she has abandoned or relinquished custody of, from an unadjudicated father who has provided sole ongoing care and custody of the child in her absence; or

(4) Intentionally conceals or removes the child from a parent after filing a petition or being served with process in an action affecting marriage or paternity but prior to the issuance of a temporary or final order determining custody; or

(5) At the expiration of visitation rights outside the State, intentionally fails or refuses to return or impedes the return of the child to the lawful custodian in Illinois; or

(6) Being a parent of the child, and where the parents of such child are or have been married and there has been no court order of custody, conceals the child for 15 days, and fails to make reasonable attempts within the 15 day period to notify the other parent as to the specific whereabouts of the child, including a means by which to contact such child, or to arrange reasonable visitation or contact with the child. It is not a violation of this Section for a person fleeing domestic violence to take the child with him or her to housing provided by a domestic violence program; or

(7) Being a parent of the child, and where the parents of the child are or have been married and there has been no court order of custody, conceals, detains, or removes the child with physical force or threat of physical force; or

(8) Conceals, detains, or removes the child for payment or promise of payment at the instruction of a person who has no legal right to custody; or

(9) Retains in this State for 30 days a child removed from another state without the consent of the lawful custodian or in violation of a valid court order of custody; or

(10) Intentionally lures or attempts to lure a child under the age of 16 into a motor vehicle, building, housetrailer, or dwelling place without the consent of the parent or lawful custodian of the child for other than a lawful purpose.

For the purposes of this subsection (b), paragraph (10), the luring or attempted luring of a child under the age of 16 into a motor vehicle, building, housetrailer, or dwelling place for a lawful purpose in prosecutions under subsection (b), paragraph (10).

(c) It shall be an affirmative defense that:

(1) The person had custody of the child pursuant to a court order granting legal custody or visitation rights which existed at the time of the alleged violation; or

(2) The person had physical custody of the child pursuant to a court order granting legal custody or visitation rights and failed to return the child as a result of circumstances beyond his or her control, and the person notified and disclosed to the other parent or legal custodian the specific whereabouts of the child and a means by which such child can be contacted or made a reasonable attempt to notify the other parent or lawful custodian of the child of such circumstances and make such disclosure within 24 hours after the visitation period had expired and returned the child as soon as possible; or

(3) The person was fleeing an incidence or pattern of domestic violence; or

(4) The person lured or attempted to lure a child under the age of 16 into a motor vehicle, building, housetrailer, or dwelling place for a lawful purpose in prosecutions under subsection (b), paragraph (10).

d) A person convicted of child abduction under this Section is guilty of a Class 4 felony. A person convicted of a second or subsequent violation of paragraph (10) of subsection (b) of this
Section is guilty of a Class 3 felony. It shall be a factor in aggravation for which a court may impose a more severe sentence under Section 5-8-1 of the Unified Code of Corrections, if upon sentencing the court finds evidence of any of the following aggravating factors:

(1) that the defendant abused or neglected the child following the concealment, detention or removal of the child; or
(2) that the defendant inflicted or threatened to inflict physical harm on a parent or lawful custodian of the child or on the child with intent to cause such parent or lawful custodian to discontinue criminal prosecution of the defendant under Section 5-8-1; or
(3) that the defendant demanded payment in exchange for return of the child or demanded that he or she be relieved of the financial or legal obligation to support the child in exchange for return of the child; or
(4) that the defendant has previously been convicted of child abduction; or
(5) that the defendant committed the abduction while armed with a deadly weapon or the taking of the child resulted in serious bodily injury to another; or
(6) that the defendant committed the abduction while in a school, regardless of the time of day or time of year; in a playground; on any conveyance owned, leased, or contracted by a school to transport students to or from school or a school related activity; on the real property of a school; or on a public way within 1,000 feet of the real property comprising any school or playground. For purposes of this paragraph (6), "playground" means a piece of land owned or controlled by a unit of local government that is designated by the unit of local government for use solely or primarily for children's recreation; and "school" means a public or private elementary or secondary school, community college, college, or university.

(e) The court may order the child to be returned to the parent or lawful custodian from whom the child was concealed, detained or removed. In addition to any sentence imposed, the court may assess any reasonable expense incurred in searching for or returning the child against any person convicted of violating this Section.

(f) Nothing contained in this Section shall be construed to limit the court's contempt power.

(g) Every law enforcement officer investigating an alleged incident of child abduction shall make a written police report of any bona fide allegation and the disposition of such investigation. Every police report completed pursuant to this Section shall be compiled and recorded within the meaning of Section 5.1 of "An Act in relation to criminal identification and investigation", approved July 2, 1931, as now or hereafter amended.

(h) Whenever a law enforcement officer has reasons to believe a child abduction has occurred, he shall provide the lawful custodian a summary of her or his rights under this Act, including the procedures and relief available to her or him.

(i) If during the course of an investigation under this Section the child is found in the physical custody of the defendant or another, the law enforcement officer shall return the child to the parent or lawful custodian from whom the child was concealed, detained or removed, unless there is good cause for the law enforcement officer or the Department of Children and Family Services to retain temporary protective custody of the child pursuant to the Abused and Neglected Child Reporting Act, as now or hereafter amended.

processed by a computer either alone or in conjunction with one or more computer programs,

Section 16D-2 of this Code.

(7) "Child" includes a film, videotape, photograph, or other similar visual medium or

(g) Re-enactment; findings; purposes.

(1) The General Assembly finds and declares that:

   (iii) On September 22, 1998, the Third District Appellate Court in People v. Dainty, 701 N.E. 2d 118, ruled that Public Act 88-680 violates the single subject clause of the Illinois Constitution (Article IV, Section 8 (d)) and was unconstitutional in its entirety. As of the time this amendatory Act of 1999 was prepared, People v. Dainty was still subject to appeal.

   (iv) Child pornography is a vital concern to the people of this State and the validity of future prosecutions under the child pornography statute of the Criminal Code of 1961 is in grave doubt.

(2) It is the purpose of this amendatory Act of 1999 to prevent or minimize any problems relating to prosecutions for child pornography that may result from challenges to the constitutional validity of Public Act 88-680 by re-enacting the Section relating to child pornography that was included in Public Act 88-680.

(3) This amendatory Act of 1999 re-enacts Section 11-20.1 of the Criminal Code of 1961, as it has been amended. This re-enactment is intended to remove any question as to the validity or content of that Section; it is not intended to supersede any other Public Act that amends the text of the Section as set forth in this amendatory Act of 1999. The material is shown as existing text (i.e., without underscoring) because, as of the time this amendatory Act of 1999 was prepared, People v. Dainty was subject to appeal to the Illinois Supreme Court.

(4) The re-enactment by this amendatory Act of 1999 of Section 11-20.1 of the Criminal Code of 1961 relating to child pornography that was amended by Public Act 88-680 is not intended, and shall not be construed, to imply that Public Act 88-680 is invalid or to limit or impair any legal argument concerning whether those provisions were substantially re-enacted by other Public Acts.

(1) the testimony is taken during the proceeding; and

AN ACT concerning public utilities.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Public Utilities Act is amended by changing Section 8-403.1 as follows:
Sec. 8-403.1. Electricity purchased from qualified solid waste energy facility; tax credit; distributions for economic development.
(a) It is hereby declared to be the policy of this State to encourage the development of alternate energy production facilities in order to conserve our energy resources and to provide for their most efficient use.
(b) For the purpose of this Section and Section 9-215.1, "qualified solid waste energy facility" means a facility determined by the Illinois Commerce Commission to qualify as such under the Local
Solid Waste Disposal Act, to use methane gas generated from landfills as its primary fuel, and to possess characteristics that would enable it to qualify as a cogeneration or small power production facility under federal law.

(c) In furtherance of the policy declared in this Section, the Illinois Commerce Commission shall require electric utilities to enter into long-term contracts to purchase electricity from qualified solid waste energy facilities located in the electric utility's service area, for a period beginning on the date that the facility begins generating electricity and having a duration of not less than 10 years in the case of facilities fueled by landfill-generated methane, or 20 years in the case of facilities fueled by methane generated from a landfill owned by a forest preserve district. The purchase rate contained in such contracts shall be equal to the average amount per kilowatt-hour paid from time to time by the unit or units of local government in which the electricity generating facilities are located, excluding amounts paid for street lighting and pumping service.

(d) Whenever a public utility is required to purchase electricity pursuant to subsection (c) above, it shall be entitled to credits in respect of its obligations to remit to the State taxes it has collected under the Electricity Excise Tax Law equal to the amounts, if any, by which payments for such electricity exceed (i) the then current rate at which the utility must purchase the output of qualified facilities pursuant to the federal Public Utility Regulatory Policies Act of 1978, less (ii) any costs, expenses, losses, damages or other amounts incurred by the utility, or for which it becomes liable, arising out of its failure to obtain such electricity from such other sources. The amount of any such credit shall, in the first instance, be determined by the utility, which shall make a monthly report of such credits to the Illinois Commerce Commission and, on its monthly tax return, to the Illinois Department of Revenue. Under no circumstances shall a utility be required to purchase electricity from a qualified solid waste energy facility at the rate prescribed in subsection (c) of this Section if such purchase would result in estimated tax credits that exceed, on a monthly basis, the utility's estimated obligation to remit to the State taxes it has collected under the Electricity Excise Tax Law. The owner or operator shall negotiate facility operating conditions with the purchasing utility in accordance with that utility's posted standard terms and conditions for small power producers. If the Department of Revenue disputes the amount of any such credit, such dispute shall be decided by the Illinois Commerce Commission. Whenever a qualified solid waste energy facility has paid or otherwise satisfied in full the capital costs or indebtedness incurred in developing and implementing the qualified facility, the qualified facility shall reimburse the Public Utility Fund and the General Revenue Fund in the State treasury for the actual reduction in payments to those Funds caused by this subsection (d) in a manner to be determined by the Illinois Commerce Commission and based on the manner in which revenues for those Funds were reduced.

(e) The Illinois Commerce Commission shall not require an electric utility to purchase electricity from any qualified solid waste energy facility which is owned or operated by an entity that is primarily engaged in the business of producing or selling electricity, gas, or useful thermal energy from a source other than one or more qualified solid waste energy facilities.

(f) This Section does not require an electric utility to construct additional facilities unless those facilities are paid for by the owner or operator of the affected qualified solid waste energy facility.

(g) The Illinois Commerce Commission shall require that: (1) electric utilities use the electricity purchased from a qualified solid waste energy facility to displace electricity generated from nuclear power or coal mined and purchased outside the boundaries of the State of Illinois before displacing electricity generated from coal mined and purchased within the State of Illinois, to the extent possible, and (2) electric utilities report annually to the Commission on the extent of such displacements.

(h) Nothing in this Section is intended to cause an electric utility that is required to purchase power hereunder to incur any economic loss as a result of its purchase. All amounts paid for power which a utility is required to purchase pursuant to subparagraph (c) shall be deemed to be costs prudently incurred for purposes of computing charges under rates authorized by Section 9-220 of this Act. Tax credits provided for herein shall be reflected in charges made pursuant to rates so authorized to the extent such credits are based upon a cost which is also reflected in such charges.

(i) Beginning in February 1999 and through January 2009, each qualified solid waste energy facility that sells electricity to an electric utility at the purchase rate described in subsection (c) shall
file with the Department of Revenue on or before the 15th of each month a form, prescribed by the Department of Revenue, that states the number of kilowatt hours of electricity for which payment was received at that purchase rate from electric utilities in Illinois during the immediately preceding month. This form shall be accompanied by a payment from the qualified solid waste energy facility in an amount equal to six-tenths of a mill ($0.0006) per kilowatt hour of electricity stated on the form. Beginning on the effective date of this amendatory Act of the 92nd General Assembly, a qualified solid waste energy facility must file the form required under this subsection (i) before the 15th of each month regardless of whether the facility received any payment in the previous month. Payments received by the Department of Revenue shall be deposited into the Municipal Economic Development Fund, a trust fund created outside the State treasury. The State Treasurer may invest the moneys in the Fund in any investment authorized by the Public Funds Investment Act, and investment income shall be deposited into and become part of the Fund. Moneys in the Fund shall be used by the State Treasurer as provided in subsection (j). The obligation of a qualified solid waste energy facility to make payments into the Municipal Economic Development Fund shall terminate upon either: (1) expiration or termination of a facility's contract to sell electricity to an electric utility at the purchase rate described in subsection (c); or (2) entry of an enforceable, final, and non-appealable order by a court of competent jurisdiction that Public Act 89-448 is invalid. Payments by a qualified solid waste energy facility into the Municipal Economic Development Fund do not relieve the qualified solid waste energy facility of its obligation to reimburse the Public Utility Fund and the General Revenue Fund for the actual reduction in payments to those Funds as a result of credits received by electric utilities under subsection (d).

A qualified solid waste energy facility that fails to timely file the requisite form and payment as required by this subsection (i) shall be subject to penalties and interest in conformance with the provisions of the Illinois Uniform Penalty and Interest Act.

Every qualified solid waste energy facility subject to the provisions of this subsection (i) shall keep and maintain records and books of its sales pursuant to subsection (c), including payments received from those sales and the corresponding tax payments made in accordance with this subsection (i), and for purposes of enforcement of this subsection (i) all such books and records shall be subject to inspection by the Department of Revenue or its duly authorized agents or employees.

When a qualified solid waste energy facility fails to file the form or make the payment required under this subsection (i), the Department of Revenue, to the extent that it is practical, may enforce the payment obligation in a manner consistent with Section 5 of the Retailers' Occupation Tax Act, and if necessary may impose and enforce a tax lien in a manner consistent with Sections 5a, 5b, 5c, 5d, 5e, 5f, 5g, and 5i of the Retailers' Occupation Tax Act. No tax lien may be imposed or enforced, however, unless a qualified solid waste energy facility fails to make the payment required under this subsection (i). Only to the extent necessary and for the purpose of enforcing this subsection (i), the Department of Revenue may secure necessary information from a qualified solid waste energy facility in a manner consistent with Section 10 of the Retailers' Occupation Tax Act.

All information received by the Department of Revenue in its administration and enforcement of this subsection (i) shall be confidential in a manner consistent with Section 11 of the Retailers' Occupation Tax Act. The Department of Revenue may adopt rules to implement the provisions of this subsection (i).

For purposes of implementing the maximum aggregate distribution provisions in subsections (j) and (k), when a qualified solid waste energy facility makes a late payment to the Department of Revenue for deposit into the Municipal Economic Development Fund, that payment and deposit shall be attributed to the month and corresponding quarter in which the payment should have been made, and the Treasurer shall make retroactive distributions or refunds, as the case may be, whenever such late payments so require.

(j) The State Treasurer, without appropriation, must make distributions immediately after January 15, April 15, July 15, and October 15 of each year, up to maximum aggregate distributions of $500,000 for the distributions made in the 4 quarters beginning with the April distribution and ending with the January distribution, from the Municipal Economic Development Fund to each city, village, or incorporated town that has within its boundaries an incinerator that: (1) uses or, on the effective date of Public Act 90-813, used municipal waste as its primary fuel to generate electricity; (2) was determined by the Illinois Commerce Commission to qualify as a qualified solid waste energy
facility prior to the effective date of Public Act 89-448; and (3) commenced operation prior to January 1, 1998. Total distributions in the aggregate to all qualified cities, villages, and incorporated towns in the 4 quarters beginning with the April distribution and ending with the January distribution shall not exceed $500,000. The amount of each distribution shall be determined pro rata based on the population of the city, village, or incorporated town compared to the total population of all cities, villages, and incorporated towns eligible to receive a distribution. Distributions received by a city, village, or incorporated town must be held in a separate account and may be used only to promote and enhance industrial, commercial, residential, service, transportation, and recreational activities and facilities within its boundaries, thereby enhancing the employment opportunities, public health and general welfare, and economic development within the community, including administrative expenditures exclusively to further these activities. These funds, however, shall not be used by the city, village, or incorporated town, directly or indirectly, to purchase, lease, operate, or in any way subsidize the operation of any incinerator, and these funds shall not be paid, directly or indirectly, by the city, village, or incorporated town to the owner, operator, lessee, shareholder, or bondholder of any incinerator. Moreover, these funds shall not be used to pay attorneys fees in any litigation relating to the validity of Public Act 89-448. Nothing in this Section prevents a city, village, or incorporated town from using other corporate funds for any legitimate purpose. For purposes of this subsection, the term "municipal waste" has the meaning ascribed to it in Section 3.21 of the Environmental Protection Act.

(k) If maximum aggregate distributions of $500,000 under subsection (j) have been made after the January distribution from the Municipal Economic Development Fund, then the balance in the Fund shall be refunded to the qualified solid waste energy facilities that made payments that were deposited into the Fund during the previous 12-month period. The refunds shall be prorated based upon the facility's payments in relation to total payments for that 12-month period.

(l) Beginning January 1, 2000, and each January 1 thereafter, each city, village, or incorporated town that received distributions from the Municipal Economic Development Fund, continued to hold any of those distributions, or made expenditures from those distributions during the immediately preceding year shall submit to a financial and compliance and program audit of those distributions performed by the Auditor General at no cost to the city, village, or incorporated town that received the distributions. The audit should be completed by June 30 or as soon thereafter as possible. The audit shall be submitted to the State Treasurer and those officers enumerated in Section 3-14 of the Illinois State Auditing Act. If the Auditor General finds that distributions have been expended in violation of this Section, the Auditor General shall refer the matter to the Attorney General. The Attorney General may recover, in a civil action, 3 times the amount of any distribution illegally expended. For purposes of this subsection, the terms "financial audit," "compliance audit", and "program audit" have the meanings ascribed to them in Sections 1-13 and 1-15 of the Illinois State Auditing Act.

PUBLIC ACT 92-0439
(Senate Bill No. 0902)

AN ACT concerning finance.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The State Treasurer Act is amended by changing Section 16.5 as follows:
(15 ILCS 505/16.5)
Sec. 16.5. College Savings Pool. The State Treasurer may establish and administer a College
Savings Pool to supplement and enhance the investment opportunities otherwise available to persons
seeking to finance the costs of higher education. The State Treasurer, in administering the College
Savings Pool, may receive moneys paid into the pool by a participant and may serve as the fiscal agent
of that participant for the purpose of holding and investing those moneys.
"Participant", as used in this Section, means any person who makes investments in the
pool. "Designated beneficiary", as used in this Section, means any person on whose behalf an account
is established in the College Savings Pool by a participant. Both in-state and out-of-state persons may
be participants and designated beneficiaries in the College Savings Pool.
New accounts in the College Savings Pool shall be processed through participating financial
institutions. "Participating financial institution", as used in this Section, means any financial institution
insured by the Federal Deposit Insurance Corporation and lawfully doing business in the State of
Illinois and any credit union approved by the State Treasurer and lawfully doing business in the State
of Illinois that agrees to process new accounts in the College Savings Pool. Participating financial
institutions may charge a processing fee to participants to open an account in the pool that shall not
exceed $30 until the year 2001. Beginning in 2001 and every year thereafter, the maximum fee limit
shall be adjusted by the Treasurer based on the Consumer Price Index for the North Central Region
as published by the United States Department of Labor, Bureau of Labor Statistics for the immediately
preceding calendar year. Every contribution received by a financial institution for investment in the
College Savings Pool shall be transferred from the financial institution to a location selected by the
State Treasurer within one business day following the day that the funds must be made available in
accordance with federal law. All communications from the State Treasurer to participants shall
reference the participating financial institution at which the account was processed.
The Treasurer may invest the moneys in the College Savings Pool in the same manner, in the
same types of investments, and subject to the same limitations provided for the investment of moneys
by the Illinois State Board of Investment. To enhance the safety and liquidity of the College Savings
Pool, to ensure the diversification of the investment portfolio of the pool, and in an effort to keep
investment dollars in the State of Illinois, the State Treasurer shall make a percentage of each account
available for investment in participating financial institutions doing business in the State. The State
Treasurer shall deposit with the participating financial institution at which the account was processed
the following percentage of each account at a prevailing rate offered by the institution, provided that
the deposit is federally insured or fully collateralized and the institution accepts the deposit: 10% of
the total amount of each account for which the current age of the beneficiary is less than 7 years of
age, 20% of the total amount of each account for which the beneficiary is at least 7 years of age and
less than 12 years of age, and 50% of the total amount of each account for which the current age of
the beneficiary is at least 12 years of age. The State Treasurer shall adjust each account at least
annually to ensure compliance with this Section. The Treasurer shall develop, publish, and implement
an investment policy covering the investment of the moneys in the College Savings Pool. The policy
shall be published (i) at least once each year in at least one newspaper of general circulation in both
Springfield and Chicago and (ii) each year as part of the audit of the College Savings Pool by the
Auditor General, which shall be distributed to all participants. The Treasurer shall notify all
participants in writing, and the Treasurer shall publish in a newspaper of general circulation in both

Chicago and Springfield, any changes to the previously published investment policy at least 30 calendar days before implementing the policy. Any investment policy adopted by the Treasurer shall be reviewed and updated if necessary within 90 days following the date that the State Treasurer takes office.

Participants shall be required to use moneys distributed from the College Savings Pool for qualified expenses at eligible educational institutions. "Qualified expenses", as used in this Section, means the following: (i) tuition, fees, and the costs of books, supplies, and equipment required for enrollment or attendance at an eligible educational institution and (ii) certain room and board expenses incurred while attending an eligible educational institution at least half-time. "Eligible educational institutions", as used in this Section, means public and private colleges, junior colleges, graduate schools, and certain vocational institutions that are described in Section 481 of the Higher Education Act of 1965 (20 U.S.C. 1088) and that are eligible to participate in Department of Education student aid programs. A student shall be considered to be enrolled at least half-time if the student is enrolled for at least half the full-time academic work load for the course of study the student is pursuing as determined under the standards of the institution at which the student is enrolled. Distributions made from the pool for qualified expenses shall be made directly to the eligible educational institution, directly to a vendor, or in the form of a check payable to both the beneficiary and the institution or vendor. Any moneys that are distributed in any other manner or that are used for expenses other than qualified expenses at an eligible educational institution shall be subject to a penalty of 10% of the earnings unless the beneficiary dies, becomes disabled, or receives a scholarship that equals or exceeds the distribution. Penalties shall be withheld at the time the distribution is made.

The Treasurer shall limit the contributions that may be made on behalf of a designated beneficiary based on an actuarial estimate of what is required to pay tuition, fees, and room and board for 5 undergraduate years at the highest cost eligible educational institution. The contributions made on behalf of a beneficiary who is also a beneficiary under the Illinois Prepaid Tuition Program shall be further restricted to ensure that the contributions in both programs combined do not exceed the limit established for the College Savings Pool. The Treasurer shall provide the Illinois Student Assistance Commission each year at a time designated by the Commission, an electronic report of all participant accounts in the Treasurer's College Savings Pool, listing total contributions and disbursements from each individual account during the previous calendar year. As soon thereafter as is possible following receipt of the Treasurer's report, the Illinois Student Assistance Commission shall, in turn, provide the Treasurer with an electronic report listing those College Savings Pool participants who also participate in the State's prepaid tuition program, administered by the Commission. The Commission shall be responsible for filing any combined tax reports regarding State qualified savings programs required by the United States Internal Revenue Service. The Treasurer shall work with the Illinois Student Assistance Commission to coordinate the marketing of the College Savings Pool and the Illinois Prepaid Tuition Program when considered beneficial by the Treasurer and the Director of the Illinois Student Assistance Commission. The Treasurer's office shall not publicize or otherwise market the College Savings Pool or accept any moneys into the College Savings Pool prior to March 1, 2000. The Treasurer shall provide a separate accounting for each designated beneficiary to each participant, the Illinois Student Assistance Commission, and the participating financial institution at which the account was processed. No interest in the program may be pledged as security for a loan.

The assets of the College Savings Pool and its income and operation shall be exempt from all taxation by the State of Illinois and any of its subdivisions. The accrued earnings on investments in the Pool once disbursed on behalf of a designated beneficiary shall be similarly exempt from all taxation by the State of Illinois and its subdivisions, so long as they are used for qualified expenses. Contributions to a College Savings Pool account during the taxable year may be deducted from adjusted gross income as provided in Section 203 of the Illinois Income Tax Act. The provisions of this paragraph are exempt from Section 250 of the Illinois Income Tax Act.

The Treasurer shall adopt rules he or she considers necessary for the efficient administration of the College Savings Pool. The rules shall provide whatever additional parameters and restrictions are necessary to ensure that the College Savings Pool meets all of the requirements for a qualified state tuition program under Section 529 of the Internal Revenue Code (26 U.S.C. 529 52). The rules shall provide for the administration expenses of the pool to be paid from its earnings and for the investment earnings in excess of the expenses and all moneys collected as penalties to be credited or paid monthly
to the several participants in the pool in a manner which equitably reflects the differing amounts of their respective investments in the pool and the differing periods of time for which those amounts were in the custody of the pool. Also, the rules shall require the maintenance of records that enable the Treasurer's office to produce a report for each account in the pool at least annually that documents the account balance and investment earnings. Notice of any proposed amendments to the rules and regulations shall be provided to all participants prior to adoption. Amendments to rules and regulations shall apply only to contributions made after the adoption of the amendment.

Upon creating the College Savings Pool, the State Treasurer shall give bond with 2 or more sufficient sureties, payable to and for the benefit of the participants in the College Savings Pool, in the penal sum of $1,000,000, conditioned upon the faithful discharge of his or her duties in relation to the College Savings Pool.

Taxable income may be less than zero. However, for taxable years ending on or after December 31, 1986, net operating loss carryforwards from taxable years ending prior to December 31, 1986, may not exceed the sum of federal taxable income for the taxable year before net operating loss deduction, plus the excess of addition modifications over subtraction modifications for the taxable year. For taxable years ending prior to December 31, 1986, taxable income may never be an amount in excess of the net operating loss for the taxable year as defined in subsections (c) and (d) of Section 172 of the Internal Revenue Code, provided that when taxable income of a corporation (other than a Subchapter S corporation), trust, or estate is less than zero and addition modifications, other than those provided by subparagraph (E) of paragraph (2) of subsection (b) for corporations or subparagraph (E) of paragraph (2) of subsection (c) for trusts and estates, exceed subtraction modifications, an addition modification must be made under those subparagraphs for any other taxable year to which the taxable income less than zero (net operating loss) is applied under Section 172 of the Internal Revenue Code or under subparagraph (E) of paragraph (2) of this subsection (e) applied in conjunction with Section 172 of the Internal Revenue Code.

(2) Special rule. For purposes of paragraph (1) of this subsection, the taxable income properly reportable for federal income tax purposes shall mean:

(A) Certain life insurance companies. In the case of a life insurance company subject to the tax imposed by Section 801 of the Internal Revenue Code, life insurance company taxable income, plus the amount of distribution from pre-1984 policyholder surplus accounts as calculated under Section 815a of the Internal Revenue Code;

(B) Certain other insurance companies. In the case of mutual insurance companies subject to the tax imposed by Section 831 of the Internal Revenue Code, insurance company taxable income;

(E) Consolidated corporations. In the case of a corporation which is a member of an affiliated group of corporations filing a consolidated income tax return for the taxable year for federal income tax purposes, taxable income determined as if such corporation had filed a separate return for federal income tax purposes for the taxable year and each preceding taxable year for which it was a member of an affiliated group. For purposes of this subparagraph, the taxpayer's separate taxable income shall be determined as if the election provided by Section 243(b)(2) of the Internal Revenue Code had been in effect for all such years;

(F) Cooperatives. In the case of a cooperative corporation or association, the taxable income of such organization determined in accordance with the provisions of Section 1381 through 1388 of the Internal Revenue Code;

(H) Partnerships. In the case of a partnership, taxable income determined in accordance with Section 703 of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 703(a)(1) to be separately stated but which would be taken into account by an individual in calculating his taxable income.

(f) Valuation limitation amount.

(1) In general. The valuation limitation amount referred to in subsections (a) (2) (G), (c) (2) (I) and (d)(2) (E) is an amount equal to:

(A) The sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of gain reportable under the provisions of Section 1245 or 1250 of the Internal Revenue Code) for all property in respect of which such gain was reported for the taxable year; plus

(B) The lesser of (i) the sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of capital gain) for all property in respect of which such gain was reported for federal income tax purposes for the taxable year, or (ii) the net capital gain for the taxable year, reduced in either case by any amount of such gain included in the amount determined under subsection (a) (2) (F) or (c) (2) (H).

(2) Pre-August 1, 1969 appreciation amount.

(A) If the fair market value of property referred to in paragraph (1) was readily
ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is the lesser of (i) the excess of such fair market value over the taxpayer's basis (for determining gain) for such property on that date (determined under the Internal Revenue Code as in effect on that date), or (ii) the total gain realized and reportable for federal income tax purposes in respect of the sale, exchange or other disposition of such property.

(B) If the fair market value of property referred to in paragraph (1) was not readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is that amount which bears the same ratio to the total gain reported in respect of the property for federal income tax purposes for the taxable year, as the number of full calendar months in that part of the taxpayer's holding period for the property ending July 31, 1969 bears to the number of full calendar months in the taxpayer's entire holding period for the property.

(C) The Department shall prescribe such regulations as may be necessary to carry out the purposes of this paragraph.

(g) Double deductions. Unless specifically provided otherwise, nothing in this Section shall permit the same item to be deducted more than once.

(h) Legislative intention. Except as expressly provided by this Section there shall be no modifications or limitations on the amounts of income, gain, loss or deduction taken into account in determining gross income, adjusted gross income or taxable income for federal income tax purposes for the taxable year, or in the amount of such items entering into the computation of base income and net income under this Act for such taxable year, whether in respect of property values as of August 1, 1969 or otherwise.

(b) A registered owner or a lienholder may report the theft by conversion of a vehicle, to the State Police, or any other police department or Sheriff's office. Such report will be accepted as a report of theft and processed only if a formal complaint is on file and a warrant issued.

(c) An operator of a place of business for garaging, repairing, parking or storing vehicles for the public, in which a vehicle remains unclaimed, after being left for the purpose of garaging, repairing, parking or storage, for a period of 15 days, shall, within 5 days after the expiration of that period, report the vehicle as unclaimed to the municipal police when the vehicle is within the corporate limits of any City, Village or incorporated Town, or the County Sheriff, or State Police when the vehicle is outside the corporate limits of a City, Village or incorporated Town. Failure to comply with this Section will result in the forfeiture of storage fees for that vehicle involved.

(d) The State Police shall keep a complete record of all reports filed under this Section of the Act. Upon receipt of such report, a careful search shall be made of the records of the office of the State Police, and where it is found that a vehicle reported recovered was stolen in a County, City, Village or Town other than the County, City, Village or Town in which it is recovered, the State Police shall immediately notify the Sheriff, Superintendent of police, Chief of police, or other police officer in command of the Sheriff's office or Police department of the County, City, Village or Town in which the vehicle was originally reported stolen, giving complete data as to the time and place of recovery.

(e) Notification of the theft or conversion of a vehicle will be furnished to the Secretary of State by the State Police. The Secretary of State shall place the proper information in the license registration and title registration files to indicate the theft or conversion of a motor vehicle or other vehicle. A vehicle identification number so affixed, restored, restamped, reaffixed or replaced is not falsified, altered or forged within the meaning of this Act.

(i) If a vehicle or part of any vehicle is found to have the manufacturer's identification number removed, altered, defaced or destroyed, the vehicle or part shall be seized by any law enforcement agency having jurisdiction and held for the purpose of identification. In the event that the manufacturer's identification number of a vehicle or part cannot be identified, the vehicle or part shall

Either the seizing law enforcement agency or the State's Attorney of the county where the seizure occurred may make an application for an order of forfeiture to the circuit court in the county of seizure. The application for forfeiture shall be independent from any prosecution arising out of the seizure and is not subject to any final determination of such prosecution. The circuit court shall issue an order forfeiting the property to the seizing law enforcement agency if the court finds that the property did not at the time of seizure possess a valid manufacturer's identification number and that the original manufacturer's identification number cannot be ascertained. The seizing law enforcement agency may:

(2) sell the forfeited property and distribute the proceeds in accordance with Section 4-211 of this Code, or dispose of the forfeited property in such manner as the law enforcement agency deems appropriate.

Except as provided in subsection (i-2), a motorcycle returned to the person from whom it was seized must be returned in essentially the same condition it was in at the time of seizure.

(i-2) If any part or parts of a motorcycle seized under subsection (i) are found to be stolen and are removed, the seizing law enforcement agency is not required to replace the part or parts before returning the motorcycle to the person from whom it was seized.

(j) The State Police shall notify the Secretary of State each time a manufacturer's vehicle identification number is affixed, reaffixed, restored or restamped on any vehicle. The Secretary of State shall make the necessary changes or corrections in his records, after the proper applications and fees have been submitted, if applicable.

(3) sell the vehicle at a public sale or dispose of the vehicle in such other manner as the law enforcement agency deems appropriate.

If the vehicle is sold at public sale, the proceeds of the sale shall be paid to the law enforcement agency.

The law enforcement agency shall not retain, sell or dispose of a vehicle under paragraphs (2) or (3) of this subsection (k) except upon an order of forfeiture issued by the circuit court. The circuit court may issue such order of forfeiture upon application of the law enforcement agency or State's Attorney of the county where the law enforcement agency has jurisdiction, or in the case of the Department of State Police or the Secretary of State, upon application of the Attorney General.

The court shall issue the order if the owner of the vehicle has been convicted of transporting stolen vehicles or stolen vehicle parts and the evidence establishes that the owner's vehicle has been used in the commission of such offense.

The provisions of subsection (k) of this Section shall not apply to any vessel, vehicle or aircraft, which has been leased, rented or loaned by its owner, if the owner did not have knowledge of and consent to the use of the vessel, vehicle or aircraft in the commission of, or in an attempt to commit, an offense prohibited by Section 4-103 of this Chapter.

No more than half of the scholarships shall be awarded to graduate students seeking retraining.

(c) The Commission, in accordance with rules adopted for the program created under this Section, shall provide funding, determine the eligibility of applicants, and designate each year's new recipients from among those applicants who qualify for consideration by showing:

(e) Unless otherwise indicated, scholarships shall be good for a period of up to 4 academic years while the recipient is enrolled for full-time residence credit at a qualified institution of higher learning. Each academic year, the scholarship shall cover tuition and other necessary fees for 2 semesters plus the summer session or 4 quarters; however, the amount of a scholarship in a single academic year may not exceed $5,000. For purposes of calculating scholarship assistance for recipients attending private institutions of higher learning, tuition and other necessary fees for students at private institutions shall not exceed the average tuition and other necessary fees for students at State universities for the academic year in which the scholarship is made.

All repayments collected under this Section shall be forwarded to the State Comptroller for deposit into the General Revenue Fund.

No claim for repayment may be filed against the estate of a decedent or incompetent. Each person applying for a scholarship shall be provided with a copy of this subsection (g) at the time he or she applies for the scholarship.

(h) The Commission may prescribe, by rule, detailed provisions concerning the computation of tuition and other necessary fees, which must not be inconsistent with this Section.

The form of application and the information required to be set forth in the application shall be determined by the Commission, and the Commission shall require applicants to submit with their applications any supporting documents that the Commission deems necessary.

(o) If an appropriation to the Commission for a given fiscal year is insufficient to provide scholarships to all qualified applicants, then the Commission shall allocate the available scholarship funds for that fiscal year on the basis of the date the Commission receives a complete application form from a qualified applicant.

County school units of 2,000,000 or more inhabitants shall be known as Class II county school units and shall retain the office of township trustees unless otherwise provided in subsection (b) or (c).

Notwithstanding the foregoing provisions of this Section or any other provision of the School Code, the offices of township treasurer and trustee of schools of a township that has a population of less than 200,000 and that contains a unit school district and is located in a Class II county school unit shall also be abolished as provided in this subsection if all of the conditions set forth in paragraphs (1), (2), and (3) of this subsection are met and if the following additional condition is met:

The electors in all of the school districts subject to the jurisdiction and authority of the township treasurer and trustees of schools of the township in which those offices are sought to be abolished shall vote at the consolidated nonpartisan election on the proposition to abolish the offices of township treasurer and trustee of schools of that township. If a majority of the electors in all of the school districts combined voting on the proposition vote in favor of the proposition, then the proposition shall be deemed to have passed; but if a majority of the electors voting on the proposition in all of the school district fails to vote in favor of the proposition as submitted to them, then the proposition shall not be deemed to have passed and the offices of township treasurer and trustee of schools of the township in which those offices were sought to be abolished shall not be abolished, unless and until the proceedings detailed in paragraphs (1) through (3) of this subsection and the conditions set forth in this paragraph are met.

If the proposition to abolish the offices of township treasurer and trustee of schools of a township is deemed to have passed at the consolidated nonpartisan election as provided in this subsection, those offices shall be deemed abolished by operation of law effective on January 1 of the calendar year immediately following the calendar year in which that consolidated nonpartisan election is held, provided that if after the election, the trustees of schools by resolution elect to abolish the offices of township treasurer and trustee of schools effective on July 1 immediately following the election, then the offices shall be abolished on July 1 immediately following the election. On the date that July 1 of the calendar year in which the offices of township treasurer and trustee of schools of a township are deemed abolished by operation of law, the school board of each elementary and unit school district and the school board of each high school district that is subject to the jurisdiction and authority of the township treasurer and trustees of schools of that township at the time those offices are abolished: (i) shall appoint its own school treasurer as provided in Section 8-1; and (ii) unless the term of the contract of a township treasurer expires on the date that the office of township treasurer is abolished, shall pay to the former township treasurer its proportionate share of any aggregate compensation that, were the office of township treasurer not abolished at that time on July 1 of that calendar year, would have been payable to the former township treasurer after that date over the remainder of the term of the contract of the former township treasurer that began prior to but ends after that date. In addition, on the date that July 1 of the calendar year in which the offices of township treasurer and trustee of schools of a township are deemed abolished as provided in this subsection, the school board of each elementary school, high school and unit school district that until that date is subject to the jurisdiction and authority of the township treasurer and trustees of schools of that township shall be deemed by operation of law to have agreed and assumed to pay and, when determined, shall pay to the Illinois Municipal Retirement Fund a proportionate share of the unfunded liability existing in that Fund at the time these offices are abolished on July 1 of that calendar year for all annuities or other benefits then or thereafter to become payable from that Fund with respect to all periods of service performed prior to that date as a participating employee in that Fund by persons serving during those periods of service as a trustee of schools, township treasurer or regular employee in the office of the township treasurer of that township. That unfunded liability shall be actuarially determined by the board of trustees of the Illinois Municipal Retirement Fund, and the board of trustees shall thereupon notify each school board required to pay a proportionate share of that unfunded liability to the aggregate amount of the unfunded liability so determined. The amount so paid to the Illinois Municipal Retirement Fund by each of those school districts shall be credited to

the account of the township in that Fund. For each elementary school, high school and unit school
district under the jurisdiction and authority of a township treasurer and trustees of schools of a
township in which those offices are abolished as provided in this subsection, each such district's
proportionate share of the aggregate compensation payable to the former township treasurer as
provided in this paragraph and each such district's proportionate share of the aggregate amount of the
unfunded liability payable to the Illinois Municipal Retirement Fund as provided in this paragraph
shall be computed in accordance with the ratio that the number of pupils in average daily attendance
in each such district as reported in schedules prepared under Section 24-19 for the school year last
ending prior to the date on which the offices of township treasurer and trustee of schools of that
township are abolished bears to the aggregate number of pupils in average daily attendance in all of
those districts as so reported for that school year.

Upon abolition of the offices of township treasurer and trustee of schools of a township as
provided in this subsection: (i) the regional board of school trustees, in its corporate capacity, shall
be deemed the successor in interest to the former trustees of schools of that township with respect to
the common school lands and township loanable funds of the township; (ii) all right, title and interest
existing or vested in the former trustees of schools of that township in the common school lands and
township loanable funds of the township, and all records, moneys, securities and other assets, rights
of property and causes of action pertaining to or constituting a part of those common school lands or
township loanable funds, shall be transferred to and deemed vested by operation of law in the regional
board of school trustees, which shall hold legal title to, manage and operate all common school lands
and township loanable funds of the township, receive the rents, issues and profits therefrom, and have
and exercise with respect thereto the same powers and duties as are provided by this Code to be
exercised by regional boards of school trustees when acting as township land commissioners in
counties having at least 220,000 but fewer than 2,000,000 inhabitants; (iii) the regional board of
school trustees shall select to serve as its treasurer with respect to the common school lands and
township loanable funds of the township a person from time to time also serving as the appointed
school treasurer of any school district that was subject to the jurisdiction and authority of the township
treasurer and trustees of schools of that township at the time those offices were abolished, and the
person selected to also serve as treasurer of the regional board of school trustees shall have his
compensation for services in that capacity fixed by the regional board of school trustees, to be paid
from the township loanable funds, and shall make to the regional board of school trustees the reports
required to be made by treasurers of township land commissioners, give bond as required by treasurers
of township land commissioners, and perform the duties and exercise the powers of treasurers of
township land commissioners; (iv) the regional board of school trustees shall designate in the manner
provided by Section 8-7, insofar as applicable, a depository for its treasurer, and the proceeds of all
rents, issues and profits from the common school lands and township loanable funds of that township
shall be deposited and held in the account maintained for those purposes with that depository and shall
be expended and distributed therefrom as provided in Section 15-24 and other applicable provisions
of this Code; and (v) whenever there is vested in the trustees of schools of a township at the time that
office is abolished under this subsection the legal title to any school buildings or school sites used or
occupied for school purposes by any elementary school, high school or unit school district subject to
the jurisdiction and authority of those trustees of school at the time that office is abolished, the legal
title to those school buildings and school sites shall be deemed transferred by operation of law to and
invested in the school board of that school district, in its corporate capacity Section 7-28, the same to
be held, sold, exchanged leased or otherwise transferred in accordance with applicable provisions of
this Code.

Notwithstanding Section 2-3.25g of this Code, a waiver of a mandate established under this
Section may not be requested.

(b) Any person who has permitted a euthanasia technician certification to expire or who has a certification on inactive status may have it restored by submitting an application to the Department and filing proof of fitness, as defined by rule, to have the certification restored, including, if appropriate, evidence that is satisfactory to the Department certifying active practice in another jurisdiction and by paying the required fee.

(c) If the person has not maintained an active practice in another jurisdiction that is satisfactory to the Department, the Department shall determine the person's fitness to resume active status.

Section 50. Grandfathering provision. The Department may issue certification to a euthanasia technician who presents proof in a manner established by the Department that he or she has been licensed or certified by the American Humane Association, the National Animal Control Association, the Illinois Federation of Humane Societies, or the Humane Society of the United States, within the 5 years preceding the effective date of this Act.

Section 55. Endorsement. An applicant, who is a euthanasia technician registered or licensed under the laws of another state or territory of the United States that has requirements that are substantially similar to the requirements of this Act, may be granted certification as a euthanasia technician in this State without examination, upon presenting satisfactory proof to the Department that the applicant has been engaged in the practice of euthanasia for a period of not less than one year and upon payment of the required fee.

(b) Commercially compressed carbon monoxide may be used as a permitted method of euthanasia provided that it is performed in a commercially manufactured chamber pursuant to the guidelines set forth in the most recent report of the AVMA Panel on Euthanasia. A chamber that is designed to euthanize more than one animal at a time must be equipped with independent sections or cages to separate incompatible animals. The interior of the chamber must be well lit and equipped with view-ports, a regulator, and a flow meter. Monitoring equipment must be used at all times during the operation. Animals that are under 4 months of age, old, injured, or sick may not be euthanized by carbon monoxide. Animals shall remain in the chamber and be exposed for a minimum of 20 minutes. probation, reprimand, impose a fine not to exceed $1,000 for each violation, or take other disciplinary action as the Department may deem proper with regard to a certified euthanasia agency or a certified euthanasia technician for any one or combination of the following reasons:

Section 80. Exemption from liability. An instructor of euthanasia techniques or a veterinarian who engages in the instructing of euthanasia technicians, in a course approved by the Department, shall not incur any civil or criminal liability for any subsequent misuse or malpractice of a euthanasia technician who has attended the course. 

Any veterinarian, who in good faith administers euthanasia drugs to an animal in an animal control facility or an animal shelter, has immunity from any liability, civil, criminal, or otherwise, that may result from his or her actions. For the purposes of any proceedings, civil or criminal, the good faith of the veterinarian shall be rebuttably presumed. 

Section 85. Cease and desist order. 
(a) If an agency or person violates a provision of this Act, the Director may, in the name of the People of the State of Illinois, through the Attorney General of the State of Illinois, petition for an order enjoining the violation or for an order enforcing compliance with this Act. Upon the filing of a verified petition in court, the court may issue a temporary restraining order, without notice or bond, and may preliminarily and permanently enjoin the violation, and if it is established that the agency or person has violated or is violating the injunction, the court may punish the offender for contempt of court. Proceedings under this Section shall be in addition to, and not in lieu of, all other remedies and penalties provided by this Act. 
(b) Whenever, in the opinion of the Department, an agency violates a provision of this Act, the Department may issue a rule to show cause why an order to cease and desist should not be entered against the agency. The rule shall clearly set forth the grounds relied upon by the Department and shall provide a period of 7 days from the date of the rule to file an answer to the satisfaction of the Department. Failure to answer to the satisfaction of the Department shall cause an order to cease and desist to be issued immediately. 

Section 90. Uncertified practice; civil penalty. 
(a) A person who practices, offers to practice, attempts to practice, or holds himself or herself out as a certified euthanasia technician or a certified euthanasia agency without being certified under this Act shall, in addition to any other penalty provided by law, pay a civil penalty to the Department in an amount not to exceed $5,000 for each offense as determined by the Department. The civil penalty shall be assessed by the Department after a hearing is held in accordance with the provisions set forth in this Act regarding the provision of a hearing for the discipline of a certified euthanasia technician or a certified euthanasia agency. The civil penalty must be paid within 60 days after the effective date of the order imposing the civil penalty. The order shall constitute a judgment and may be filed and executed in the same manner as any judgment from any court of record. 
(b) The Department may investigate any uncertified activity.
(c) Instructors teaching humane euthanasia techniques are exempt from the certification process. 

Section 95. Inspections. The Department may conduct random inspections upon renewal, for cause, or as necessary to assure the integrity and effectiveness of the certification process. Upon failure to pass inspection, a euthanasia agency's certificate shall be suspended or denied, as applicable, pending review by the Department. Upon the failure of an agency to pass an inspection, animal euthanasia must be performed by a licensed veterinarian or at another certified euthanasia agency. A euthanasia agency that fails to pass an inspection is subject to penalty. Upon notice of failure to pass an inspection, a euthanasia agency shall have 30 days to appeal the inspection results. On appeal, the euthanasia agency shall have the right to an inspection review or to a new inspection in accordance with procedures adopted by the Department.
Section 100. Investigations; notice and hearing.

(a) The Department may investigate the actions of an applicant or an animal shelter or animal control facility holding or claiming to hold a certificate.

(b) Before refusing to issue or renew a certificate or disciplining a certified euthanasia agency or technician, the Department shall notify in writing the applicant, the agency, or technician of the nature of the charges and that a hearing will be held on the date designated, which shall be at least 30 days after the date of the notice. The Department shall direct the applicant, agency, or technician to file a written answer to the Department under oath within 20 days after the service of the notice and inform the applicant, agency, or technician that failure to file an answer will result in default being taken against the applicant, agency, or technician and that the certificate may be suspended, revoked, placed on probationary status, or other disciplinary action may be taken, including limiting the scope, nature, or extent of business as the Director may deem proper. Written notice may be served by personal delivery or certified or registered mail sent to the respondent at the most recent address on record with the Department.

If the applicant, agency, or technician fails to file an answer after receiving notice, the certification may, in the discretion of the Department, be suspended, revoked, or placed on probationary status, or the Department may take whatever disciplinary action it deems proper including imposing a civil penalty, without a hearing if the act or acts charged constitute sufficient ground for such action under this Act.

At the time and place fixed in the notice, the Department shall proceed to hear the charges, and the parties or their counsel shall be accorded ample opportunity to present such statements, testimony, evidence, and argument as may be pertinent to the charges or to their defense. The Department may continue a hearing from time to time.

Section 105. Stenographer; transcript. The Department, at its expense, shall preserve a record of all proceedings at the formal hearing of any case involving the refusal to issue or renew a certificate or the discipline of a certified euthanasia technician. The notice of hearing, complaint, and all other documents in the nature of pleadings, written motions filed in the proceedings, the transcript of testimony, the report of the hearing officer, and the order of the Department shall be the record of the proceeding.

Section 110. Compelling testimony. A circuit court may, upon application of the Department or its designee or of the applicant, agency, or technician against whom proceedings are pending, enter an order requiring the attendance of witnesses and their testimony and the production of documents, papers, files, books, and records in connection with any hearing or investigation. The court may compel obedience to its order by proceedings for contempt.

Section 115. Findings and recommendations. At the conclusion of the hearing, the hearing officer shall present to the Director a written report of its findings and recommendations. The report shall contain a finding of whether or not the accused applicant, agency, or technician violated this Act or failed to comply with the conditions required in this Act. The hearing officer shall specify the nature of the violation or failure to comply, and shall make its recommendations to the Director.

The report of the findings and recommendations of the hearing officer shall be the basis for the Department's order of refusal or for the granting of certification unless the Director determines that the hearing officer's report is contrary to the manifest weight of the evidence, in which case the Director may issue an order in contravention of the hearing officer's report. The finding is not admissible in evidence against the applicant, agency, or technician in a criminal prosecution brought for the violation of this Act, but the hearing and finding are not a bar to a criminal prosecution brought for the violation of this Act.

Section 120. Rehearing on motion. In a case involving the refusal to issue or renew a certificate or the discipline of a certified agency or technician, a copy of the hearing officer's report shall be served upon the respondent by the Department, either personally or as provided in this Act for the service of the notice of hearing. Within 20 days after such service, the respondent may present to the Department a motion in writing for a rehearing, which shall specify the particular grounds for rehearing. If no motion for rehearing is filed, then upon the expiration of the time specified for filing the motion, or if a motion for rehearing is denied, then upon such denial the Director may enter an order in accordance with recommendations of the hearing officer except as provided in Section 125 of this Act. If the respondent shall order from the reporting service and pay for a transcript of the
Section 125. Rehearing on order of Director. Whenever the Director is satisfied that substantial justice has not been done in the revocation or suspension of a certification or refusal to issue or renew a certificate, the Director may order a rehearing.

Section 130. Hearing Officer. The Director has the authority to appoint an attorney duly licensed to practice law in this State to serve as the hearing officer in an action for refusal to issue or renew a certificate or for the discipline of a certified euthanasia agency or technician. The hearing officer shall have full authority to conduct the hearing. The hearing officer shall report his or her findings and recommendations to the Director.

Section 135. Order or certified copy. An order or a certified copy of an order, over the seal of the Department and purporting to be signed by the Director, shall be prima facie proof that:

1. the signature is the genuine signature of the Director; and
2. the Director is duly appointed and qualified. This proof may be rebutted.

Section 140. Restoration of certificate. Any time after the suspension or revocation of a certificate, the Department may restore the certificate to the accused agency upon the written recommendation of the Department unless, after an investigation and a hearing, the Department determines that restoration is not in the public interest.

Section 145. Surrender of certificate. Upon the revocation or suspension of a certificate, the agency or technician shall immediately surrender the certificate to the Department, and if the agency or technician fails to do so, the Department shall have the right to seize the certificate.

Section 150. Temporary suspension of a certificate. The Director may temporarily suspend the certificate of a euthanasia agency or euthanasia technician without a hearing, simultaneously with the institution of proceedings for a hearing, if the Director finds that evidence in his or her possession indicates that the continued practice of the certified euthanasia agency or technician would constitute cruelty or an imminent danger to the public. If the Director temporarily suspends the certificate without a hearing, a hearing by the hearing officer must be held within 30 days of the suspension.

Section 155. Administrative Law Review. All final administrative decisions of the Department are subject to judicial review pursuant to the provisions of the Administrative Review Law, as now or hereafter amended, and all rules adopted pursuant to that Law. The term "administrative decision" is defined as in Section 3-101 of the Code of Civil Procedure.

Proceedings for judicial review shall be commenced in the circuit court of the county in which the party applying for relief resides, but if the party is not a resident of this State, the venue shall be Sangamon County.

Section 160. Certification of record; costs. The Department shall not be required to certify any record to the court or file any answer in court or otherwise appear in a court in a judicial review proceeding, unless there is filed in the court, with the complaint, a receipt from the Department acknowledging payment of the costs of furnishing and certifying the record. Failure on the part of the plaintiff to file a receipt in court shall be grounds for dismissal of the action.

Section 165. Criminal penalties. An agency or technician who is found to have violated a provision of this Act is guilty of a Class A misdemeanor. On conviction of a second or subsequent offense, the violator shall be guilty of a Class 4 felony.

Section 170. Administrative Procedure Act. The Illinois Administrative Procedure Act is hereby expressly adopted and incorporated in this Act as if all of the provisions of that Act were included in this Act, except that the provision of subsection (d) of Section 10-65 of the Illinois Administrative Procedure Act, which provides that at hearings the license holder has the right to show compliance with all lawful requirements for retention, continuation, or renewal of a license, is specifically excluded. For the purposes of this Act, the notice required under Section 10-25 of the Illinois Administrative Procedure Act is deemed sufficient when mailed to the last known address of a party.

Section 175. Home rule. The regulation and certification of euthanasia agencies and euthanasia technicians are exclusive powers and functions of the State. A home rule unit may not regulate or certify euthanasia agencies or euthanasia technicians. This Section is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

Section 180. Deposit of fees and fines. All of the fees and civil penalties collected under this Act shall be deposited into the General Professions Dedicated Fund and shall be used by the Department for the ordinary and contingent expenses of the Department.

Section 800. The Veterinary Medicine and Surgery Practice Act of 1994 is amended by changing Section 4 as follows:

(225 ILCS 115/4) (from Ch. 111, par. 7004)
Sec. 4. Exemptions. Nothing in this Act shall apply to any of the following:

(6) The dehorning, castration, emasculation or docking of cattle, horses, sheep, goats and swine in the course or exchange of work for which no monetary compensation is paid or to artificial insemination and the drawing of semen. Nor shall this Act be construed to prohibit any person from administering, in a humane manner, medicinal or surgical treatment to any animal belonging to such person, unless title has been transferred for the purpose of circumventing this Act. However, any such services shall comply with the Humane Care for Animals Act.
(7) Members of other licensed professions or any other individuals when called for consultation and assistance by a veterinarian licensed in the State of Illinois and who act under the supervision, direction, and control of the veterinarian, as further defined by rule of the Department.
(8) Certified euthanasia technicians.

Section 900. The Animal Control Act is amended by changing Section 11 as follows:

(510 ILCS 5/11) (from Ch. 8, par. 361)
Sec. 11. When not redeemed by the owner, a dog that has been impounded for failure to be inoculated and registered, if applicable, in accordance with the provisions of this Act or a cat that has been impounded shall be humanely dispatched pursuant to the Humane Euthanasia in Animal Shelters Act or offered for adoption, or otherwise disposed of by the pound as a stray dog in accordance with laws that exist or may hereafter exist. An animal pound or animal shelter shall not release any dog or cat when not redeemed by the owner unless the animal has been surgically rendered incapable of reproduction by spaying or neutering, or the person wishing to adopt an animal prior to the surgical procedures having been performed shall have executed a written agreement promising to have such service performed within a specified period of time not to exceed 60 days. Failure to fulfill the terms of the agreement shall result in seizure and impoundment of the animal by the animal pound or shelter, and any monies which have been deposited shall be forfeited. The Detection of Deception Examiners Act.
Section 15. The Detection of Deception Examiners Act is amended by changing Sections 1, 11, 17, 18, 22, 23, 24, 25, 26.1, 29, and 30 and adding Sections 7.2 and 7.3 as follows:
(225 ILCS 430/7.2 new)
Sec. 7.2. Detection of Deception Examiners Act Coordinator. The Director shall appoint a
Detection of Deception Examiners Act Coordinator to assist the Department in the administration of
this Act. The Detection of Deception Examiners Act Coordinator shall be a person licensed under this
Act and shall have no less than 10 years of experience as an Illinois licensed Detection of Deception
Examiner. The Detection of Deception Examiners Act Coordinator shall perform such administrative
functions on a full or part-time basis as may be delegated to him or her by the Director, including,
but not limited to, revision of the licensing examination and review of the training and qualifications
of applicants from a jurisdiction outside of Illinois.
Whenever the Director is satisfied that substantial justice has not been done in an
examination, he may order a re-examination by the same or other examiners.
(225 ILCS 430/7.3 new)
Sec. 7.3. Appointment of a Hearing Officer. The Director has the authority to appoint an
attorney, licensed to practice law in the State of Illinois, to serve as a Hearing Officer in any action
for refusal to issue or renew a license or to discipline a license. The Hearing Officer has full authority
to conduct the hearing. The appointed Detection of Deception Coordinator may attend hearings and
advise the Hearing Officer on technical matters involving Detection of Deception examinations.
(225 ILCS 430/11) (from Ch. 111, par. 2412)
Sec. 11. Qualifications for licensure as an examiner. A person is qualified to receive a license
as an examiner:
A. Who establishes that he is a person of good moral character; and
B. Who has passed an examination approved by the Department conducted by the Examiner
Committee, or under its supervision, to determine his competency to obtain a license to practice as an
examiner; and
C. Who has had conferred upon him an academic degree, at the baccalaureate level, from an
accredited college or university; and
D. Who has satisfactorily completed 6 months of study in detection of deception, as prescribed
by rule.
Conviction of a misdemeanor involving moral turpitude or a felony may be considered, but
shall not be determinative, in determining whether an applicant is of good moral character.
Sec. 17. Complaints; investigations. The Department may upon its own motion and shall, upon the verified complaint in writing of any person setting forth facts which if proved would constitute grounds for refusal, suspension or revocation of a license under this Act, investigate the actions of any applicant or of any person or persons holding or claiming to hold a license. The Department shall, before refusing to issue and before suspension or revocation of a license, at least 30 days prior to the date set for the hearing, notify in writing the applicant for, or holder of, a license of the nature of the charges and that a hearing will be held on the date designated. The Department shall direct the applicant or licensee to file a written answer with the Department Board under oath within 20 days after the service of the notice and inform the applicant or licensee that failure to file an answer will result in default being taken against the applicant or licensee and that the license or certificate may be suspended, revoked, placed on probationary status, or other disciplinary action may be taken, including limiting the scope, nature or extent of practice, as the Director may deem proper. In case the person fails to file an answer after receiving notice, his or her license or certificate may, in the discretion of the Department, be suspended, revoked, or placed on probationary status, or the Department may take whatever disciplinary action deemed proper, including limiting the scope, nature, or extent of the person's practice or the imposition of a fine, without a hearing, if the act or acts charged constitute sufficient grounds for such action under this Act. The hearing shall determine whether the applicant or holder, hereinafter called the respondent is privileged to hold a license, and shall afford the respondent an opportunity to be heard in person or by counsel in reference thereto. Written notice may be served by delivery of the same personally to the respondent at the address of his last notification to the Department. At the time and place fixed in the notice, the Department Committee shall proceed to hear the charges and both the respondent and Department complainant shall be accorded ample opportunity to present in person or by counsel such statements, testimony, evidence and argument as may be pertinent to the charges or to their defense. The Department Committee may continue the hearing from time to time. If the Committee shall not be sitting at the time and place fixed in the notice or at the time and place to which the hearing shall have been continued, the Director shall continue the hearing for a period not to exceed 30 days, unless extended by stipulation of both parties.

Sec. 18. Stenographer; transcript; Hearing Officer Committee report. The Department, at its expense, shall provide a stenographer to take down the testimony and preserve a record of all proceedings at the hearing of any case involving the refusal to issue or the suspension or revocation of a license. The notice of hearing, complaint and all other documents in the nature of pleadings and written motions filed in the proceedings, the transcript of testimony, the report of the Hearing Officer Committee and orders of the Department shall be the records of the proceedings. The Department shall furnish a transcript of the record to any person or persons interested in the hearing upon the payment of the fee required under Section 2105-115 of the Department of Professional Regulation Law (20 ILCS 2105/2105-115).

At the conclusion of the hearing, the Hearing Officer shall make findings of fact, conclusions of law, and recommendations, separately stated, and submit them to the Director and to all parties to the proceeding.

The Hearing Officer's findings of fact, conclusions of law, and recommendations shall be served upon the licensee in a similar fashion as service of the notice of formal charges. Within 20 days after the service, any party to the proceeding may present to the Director a motion, in writing, specifying the particular grounds for a rehearing.

The Director, following the time allowed for filing a motion for rehearing, shall review the Hearing Officer's findings of fact, conclusions of law, and recommendations and any subsequently filed motions. After review of the information, the Director may hear oral arguments and thereafter shall issue the order. The report of findings of fact, conclusions of law, and recommendations of the Hearing Officer shall be the basis for the Department's order. If the Director finds that substantial justice was not done, the Director may issue an order in contravention of the Hearing Officer's recommendations. The Director shall promptly provide a written explanation to all parties to the
proceeding of any disagreement with the Hearing Officer's recommendations. In any case involving the refusal to issue or the suspension or revocation of a license, a copy of the Committee's report shall be served upon the respondent by the Department, either personally or by registered or certified mail as provided in this Act for the service of the notice of hearing. Within 20 days after service, the respondent may present to the Department a motion in writing for a rehearing, which shall specify the particular grounds for rehearing. If no motion for rehearing is filed, then upon the expiration of the time specified for filing a motion, or if a motion for rehearing is denied, then upon denial the Director may enter an order in accordance with recommendations of the Committee. If the respondent shall order and pay for a transcript of the record within the time for filing a motion for rehearing, the 20 day period within which a motion may be filed shall commence upon the delivery of the transcript to the respondent.

control or animal shelter and the agency must retain custody of the companion animal or companion animals subject to an order of the court adjudicating the charges on the merits and before which the person complained against is required to appear for trial. The State's Attorney may, within 14 days after the seizure, file a "petition for forfeiture prior to trial" before the court having criminal jurisdiction over the alleged charges, asking for permanent forfeiture of the companion animals seized. The petition shall be filed with the court, with copies served on the impounding agency, the owner, and anyone claiming an interest in the animals. In a "petition for forfeiture prior to trial", the burden is on the prosecution to prove by a preponderance of the evidence that the person arrested violated Section 3.01, 3.02, 3.03, or 4.01.

(b) An owner whose companion animal or companion animals are removed by a law enforcement officer under this Section must be given written notice of the circumstances of the removal and of any legal remedies available to him or her. Sec. 3.05. Security for companion animals and animals used for fighting purposes.

(a) In the case of companion animals as defined in Section 2.01a or animals used for fighting purposes pursuant to Section 4.01, the animal control or animal shelter having custody of the animal or animals may file a petition with the court requesting that the person from whom the animal or animals are seized, or the owner of the animal or animals, be ordered to post security. The security must be in an amount sufficient to secure payment of all reasonable expenses expected to be incurred by the animal control or animal shelter in caring for and providing for the animal or animals pending the disposition of the charges. Reasonable expenses include, but are not limited to, estimated medical care and boarding of the animal or animals for 30 days. The amount of the security shall be determined by the court after taking into consideration all of the facts and circumstances of the case, including, but not limited to, the recommendation of the impounding organization having custody and care of the seized animal or animals and the cost of caring for the animal or animals. If security has been posted in accordance with this Section, the animal control or animal shelter may draw from the security the actual costs incurred by the agency in caring for the seized animal or animals.

(b) Upon receipt of a petition, the court must set a hearing on the petition, to be conducted within 5 business days after the petition is filed. The petitioner must serve a true copy of the petition upon the defendant and the State's Attorney for the county in which the animal or animals were seized. The petitioner must also serve a true copy of the petition on any interested person. For the purposes of this subsection, "interested person" means an individual, partnership, firm, joint stock company, corporation, association, trust, estate, or other legal entity that the court determines may have a pecuniary interest in the animal or animals that are the subject of the petition. The court must set a hearing date to determine any interested parties. The court may waive for good cause shown the posting of security.

(c) If the court orders the posting of security, the security must be posted with the clerk of the court within 5 business days after the hearing. If the person ordered to post security does not do so, the animal or animals are forfeited by operation of law and the animal control or animal shelter having control of the animal or animals must dispose of the animal or animals through adoption or must humanely euthanize the animal. In no event may the defendant or any person residing in the defendant's household adopt the animal or animals.

(d) The impounding organization may file a petition with the court upon the expiration of the 30-day period requesting the posting of additional security. The court may order the person from whom the animal or animals were seized, or the owner of the animal or animals, to post additional security with the clerk of the court to secure payment of reasonable expenses for an additional period of time pending a determination by the court of the charges against the person from whom the animal or animals were seized.

(e) In no event may the security prevent the impounding organization having custody and care of the animal or animals from disposing of the animal or animals before the expiration of the 30-day period covered by the security if the court makes a final determination of the charges against the person from whom the animal or animals were seized. Upon the adjudication of the charges, the...
person who posted the security is entitled to a refund of the security, in whole or in part, for any expenses not incurred by the impounding organization.

(f) Notwithstanding any other provision of this Section to the contrary, the court may order
a person charged with any violation of this Act to provide necessary food, water, shelter, and care for
any animal or animals that are the basis of the charge without the removal of the animal or animals
from their existing location and until the charges against the person are adjudicated. Until a final
determination of the charges is made, any law enforcement officer, animal control officer, Department
investigator, or an approved humane investigator may be authorized by an order of the court to make
regular visits to the place where the animal or animals are being kept to ascertain if the animal or
animals are receiving necessary food, water, shelter, and care. Nothing in this Section prevents any
law enforcement officer, Department investigator, or approved humane investigator from applying
for a warrant under this Section to seize any animal or animals being held by the person charged
pending the adjudication of the charges if it is determined that the animal or animals are not receiving
the necessary food, water, shelter, or care.

(g) Nothing in this Act shall be construed to prevent the voluntary, permanent relinquishment
of any animal by its owner to an animal control or animal shelter in lieu of posting security or
proceeding to a forfeiture hearing. Voluntary relinquishment shall have no effect on the criminal
charges that may be pursued by the appropriate authorities.

(h) If an owner of a companion animal is acquitted by the court of charges made pursuant to
this Act, the court shall further order that any security that has been posted for the animal shall be
returned to the owner by the impounding organization.

(i) The provisions of this Section only pertain to companion animals and animals used for
fighting purposes.

(510 ILCS 70/3.06 new)
Sec. 3.06. Disposition of seized companion animals and animals used for fighting purposes.
(a) Upon the conviction of the person charged, all animals seized, if not previously ordered
forfeited or previously forfeited by operation of law, are forfeited to the facility impounding the
animals and must be humanely euthanized or adopted. Any outstanding costs incurred by the
impounding facility for boarding and treating the animals pending the disposition of the case and any
costs incurred in disposing of the animals must be borne by the person convicted.

(b) Any person authorized by this Section to care for an animal or animals, to treat an animal
or animals, or to attempt to restore an animal or animals to good health and who is acting in good
faith is immune from any civil or criminal liability that may result from his or her actions.

(c) The provisions of this Section only pertain to companion animals and animals used for
fighting purposes.

Section 3.02 or torture under Section 3.03 of this Act must file a report with the Department and

animals and any treatment administered, and a description of the animal or animals involved,
including a microchip number if applicable. Any veterinarian who in good faith makes a report, as

Any outstanding costs incurred by the impounding facility in boarding and treating the dogs pending the disposition of the case and disposing of the dogs upon a conviction must be borne by the person convicted and shall thereupon be destroyed or otherwise disposed of as the court may order. In no event may the dogs be adopted by the defendant or anyone residing in his or her household. If the court finds that the State either failed to prove the criminal allegations or that the dogs were used in fighting, the court must direct the delivery of the dogs and the other property not previously forfeited to the owner of the dogs and property.

Sec. 12. Impounding animals; notice of impoundment.

(a) When an approved humane investigator, a Department investigator or a veterinarian finds that a violation of this Act has rendered an animal in such a condition that no remedy or corrective action by the owner is possible or the violator fails or refuses to take corrective action necessary for compliance pursuant to Section 11 of this Act, the Department may impound or order the impoundment of the animal. If the violator fails or refuses to take corrective action necessary for compliance with Section 11 of this Act, the Department may impound the animal. If the animal is ordered impounded, it shall be impounded in a facility or at another location where which will provide the elements of good care as set forth in Section 3 of this Act can be provided, and where such animals shall be examined and treated by a licensed veterinarian or, if the animal is severely injured, diseased, or suffering, humanely euthanized. Any expense incurred in the impoundment shall become a lien on the animals.

(b) Emergency impoundment may be exercised in a life-threatening situation and the subject animals shall be conveyed directly to a licensed veterinarian for medical services necessary to sustain life or to be humanely euthanized as determined by the veterinarian. If such emergency procedure is

taken by an animal control officer, the Department shall be notified.

(c) A notice of impoundment shall be given by the investigator to the violator, if known, in person or sent by certified or registered mail. If the investigator is not able to serve the violator in person or by registered or certified mail, the notice may be given by publication in a newspaper of general circulation in the county in which the violator's last known address is located. A copy of the notice shall be retained by the investigator and a copy forwarded immediately to the Department. The notice of impoundment shall include the following:

1. A number assigned by the Department which will also be given to the impounding facility accepting the responsibility of the animal or animals.
2. Listing of deficiencies noted.
3. An accurate description of the animal or animals involved.
4. Date on which the animal or animals were impounded.
5. Signature of the investigator.
6. A statement that: "The violator may request a hearing to appeal the impoundment. A person desiring a hearing shall contact the Department of Agriculture within 7 days from the date of impoundment and the Department must hold an administrative hearing within 7 business days after receiving a request to appeal the impoundment. If the hearing cannot be held prior to the expiration of the 7-day impoundment period, the Department shall notify the impounding facility that it cannot sell, offer for adoption, or dispose of the animal or animals until a final decision is rendered and all of the appeal processes have expired."

If a hearing is requested by any owner of impounded animals, the Hearing Officer shall, have the authority after hearing the testimony of all interested parties, to render a decision as to the disposition of the impounded animals. This decision by the Hearing Officer shall have no effect on the criminal charges that may be filed with the appropriate authorities.

If an owner of a companion animal or animal used for fighting purposes requests a hearing, the animal control or animal shelter having control of the animal or animals may file a petition with the court in the county where the impoundment took place requesting that the person from whom the animal or animals were seized or the owner of the animal or animals be ordered to post security pursuant to subsections (a) and (b) of Section 3.05 of this Act.

If the court orders the posting of security, the security must be posted with the clerk of the court within 5 business days after the hearing. If the person ordered to post security does not do so, the court must order the Department of Agriculture to hold a hearing on the impoundment within 5 business days. If, upon final administrative or judicial determination, it is found that it is not in the best interest of the animal or animals to be returned to the person from whom it was seized, the animal or animals are forfeited to the animal control or animal shelter having control of the animal or animals. If no petition for the posting of security is filed or a petition was filed and granted but the person failed to post security, any expense incurred in the impoundment shall remain outstanding until satisfied by the owner or the person from whom the animal or animals were impounded.

Any expense incurred in such impoundment becomes a lien on the animal impounded and must be discharged before the animal is released from the facility. When the impoundment is not appealed, the animal or animals are forfeited and the animal control or animal shelter in charge of the animal or animals may lawfully and without liability provide for adoption of the animal or animals by a person other than the person who forfeited the animal or animals, or any person or persons dwelling in the same household as the person who forfeited the animal or animals, or it may humanely euthanize the animal or animals. If the animal is not claimed by its owner and all impoundment costs satisfied within 7 days, it may be sold at public or private sale for fair consideration to a person capable of providing care consistent with this Act, with the proceeds of that sale applied first to discharge the lien and any balance to be paid over to the owner. If no purchaser is found, the animal may be offered for adoption or disposed of in a manner not inconsistent with this or any other Act.

(n) perform some reasonable public or community service;
(o) make restitution to the victim, in the same manner and under the same conditions as provided in subsection (4) of Section 5-710, except that the "sentencing hearing" referred to in that Section shall be the adjudicatory hearing for purposes of this Section;
(p) comply with curfew requirements as designated by the court;
(q) refrain from entering into a designated geographic area except upon terms as the court finds appropriate. The terms may include consideration of the purpose of the entry, the time of day, other persons accompanying the minor, and advance approval by a probation officer;
(r) refrain from having any contact, directly or indirectly, with certain specified persons or particular types of persons, including but not limited to members of street gangs and drug users or dealers;
(r-5) undergo a medical or other procedure to have a tattoo symbolizing allegiance to a street gang removed from his or her body;
(s) refrain from having in his or her body the presence of any illicit drug prohibited by the Cannabis Control Act or the Illinois Controlled Substances Act, unless prescribed by a physician, and submit samples of his or her blood or urine or both for tests to determine the presence of any illicit drug; or
(t) comply with any other conditions as may be ordered by the court.

(6) A minor whose case is continued under supervision under subsection (5) shall be given a certificate setting forth the conditions imposed by the court. Those conditions may be reduced, enlarged, or modified by the court on motion of the probation officer or on its own motion, or that of the State's Attorney, or, at the request of the minor after notice and hearing.

(7) If a petition is filed charging a violation of a condition of the continuance under supervision, the court shall conduct a hearing. If the court finds that a condition of supervision has not been fulfilled, the court may proceed to findings and adjudication and disposition. The filing of a petition for violation of a condition of the continuance under supervision shall toll the period of continuance under supervision until the final determination of the charge, and the term of the continuance under supervision shall not run until the hearing and disposition of the petition for violation; provided where the petition alleges conduct that does not constitute a criminal offense, the hearing must be held within 30 days of the filing of the petition unless a delay shall continue the tolling of the period of continuance under supervision for the period of the delay.

(8) When a hearing in which a minor is alleged to be a delinquent for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 is continued under this Section, the court shall, as a condition of the continuance under supervision, require the minor to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the alleged violation or similar damage to property located in the municipality or county in which the alleged violation occurred. The condition may be in addition to any other condition.

(8.5) When a hearing in which a minor is alleged to be a delinquent for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 is continued under this Section, the court shall, as a condition of the continuance under supervision, require the minor to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The condition may be in addition to any other condition.

(9) When a hearing in which a minor is alleged to be a delinquent is continued under this Section, the court, before continuing the case, shall make a finding whether the offense alleged to have been committed either: (i) was related to or in furtherance of the activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (ii) is a violation of

paragraph (13) of subsection (a) of Section 12-2 of the Criminal Code of 1961, a violation of any Section of Article 24 of the Criminal Code of 1961, or a violation of any statute that involved the unlawful use of a firearm. If the court determines the question in the affirmative the court shall, as a condition of the continuance under supervision and as part of or in addition to any other condition of the supervision, require the minor to perform community service for not less than 30 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by an alleged violation of Section 21-1.3 of the Criminal Code of 1961 and similar damage to property located in the municipality or county in which the alleged violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(10) The court shall impose upon a minor placed on supervision, as a condition of the supervision, a fee of $25 for each month of supervision ordered by the court, unless after determining the inability of the minor placed on supervision to pay the fee, the court assesses a lesser amount. The court may not impose the fee on a minor who is made a ward of the State under this Act while the minor is in placement. The fee shall be imposed only upon a minor who is actively supervised by the probation and court services department. A court may order the parent, guardian, or legal custodian of the minor to pay some or all of the fee on the minor's behalf.

Sec. 5-710. Kinds of sentencing orders.
(1) The following kinds of sentencing orders may be made in respect of wards of the court:
(a) Except as provided in Sections 5-805, 5-810, 5-815, a minor who is found guilty under Section 5-620 may be:
   (i) put on probation or conditional discharge and released to his or her parents, guardian or legal custodian, provided, however, that any such minor who is not committed to the Department of Corrections, Juvenile Division under this subsection and who is found to be a delinquent for an offense which is first degree murder, a Class X felony, or a forcible felony shall be placed on probation;
   (ii) placed in accordance with Section 5-740, with or without also being put on probation or conditional discharge;
   (iii) required to undergo a substance abuse assessment conducted by a licensed provider and participate in the indicated clinical level of care;
   (iv) placed in the guardianship of the Department of Children and Family Services, but only if the delinquent minor is under 13 years of age;
   (v) placed in detention for a period not to exceed 30 days, either as the exclusive order of disposition or, where appropriate, in conjunction with any other order of disposition issued under this paragraph, provided that any such detention shall be in a juvenile detention home and the minor so detained shall be 10 years of age or older. However, the 30-day limitation may be extended by further order of the court for a minor under age 13 committed to the Department of Children and Family Services if the court finds that the minor is a danger to himself or others. The minor shall be given credit on the sentencing order of detention for time spent in detention under Sections 5-501, 5-601, 5-710, or 5-720 of this Article as a result of the offense for which the sentencing order was imposed. The court may grant credit on a sentencing order of detention entered under a violation of probation or violation of conditional discharge under Section 5-720 of this Article for time spent in detention before the filing of the petition alleging the violation. A minor shall not be deprived of credit for time spent in detention before the filing of a violation of probation or conditional discharge alleging the same or related act or acts;
   (vi) ordered partially or completely emancipated in accordance with the provisions of the Emancipation of Mature Minors Act;
   (vii) subject to having his or her driver's license or driving privileges suspended for such time as determined by the court but only until he or she attains 18 years of age;
   (viii) put on probation or conditional discharge and placed in detention under Section
3-6039 of the Counties Code for a period not to exceed the period of incarceration permitted by law for adults found guilty of the same offense or offenses for which the minor was adjudicated delinquent, and in any event no longer than upon attainment of age 21; this subdivision (viii) notwithstanding any contrary provision of the law; or

(ix) ordered to undergo a medical or other procedure to have a tattoo symbolizing allegiance to a street gang removed from his or her body.

(b) A minor found to be guilty may be committed to the Department of Corrections, Juvenile Division, under Section 5-750 if the minor is 13 years of age or older, provided that the commitment to the Department of Corrections, Juvenile Division, shall be made only if a term of incarceration is permitted by law for adults found guilty of the offense for which the minor was adjudicated delinquent. The time during which a minor is in custody before being released upon the request of a parent, guardian or legal custodian shall be considered as time spent in detention.

(c) When a minor is found to be guilty for an offense which is a violation of the Illinois Controlled Substances Act or the Cannabis Control Act and made a ward of the court, the court may enter a disposition order requiring the minor to undergo assessment, counseling or treatment in a substance abuse program approved by the Department of Human Services.

(2) Any sentencing order other than commitment to the Department of Corrections, Juvenile Division, may provide for protective supervision under Section 5-725 and may include an order of protection under Section 5-730.

(3) Unless the sentencing order expressly so provides, it does not operate to close proceedings on the pending petition, but is subject to modification until final closing and discharge of the proceedings under Section 5-750.

(4) In addition to any other sentence, the court may order any minor found to be delinquent to make restitution, in monetary or non-monetary form, under the terms and conditions of Section 5-5-6 of the Unified Code of Corrections, except that the "presentencing hearing" referred to in that Section shall be the sentencing hearing for purposes of this Section. The parent, guardian or legal custodian of the minor may be ordered by the court to pay some or all of the restitution on the minor's behalf, pursuant to the Parental Responsibility Law. The State's Attorney is authorized to act on behalf of any victim in seeking restitution in proceedings under this Section, up to the maximum amount allowed in Section 5 of the Parental Responsibility Law.

(5) Any sentencing order where the minor is committed or placed in accordance with Section 5-740 shall provide for the parents or guardian of the estate of the minor to pay to the legal custodian or guardian of the person of the minor such sums as are determined by the custodian or guardian of the person of the minor as necessary for the minor's needs. The payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.

(6) Whenever the sentencing order requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code.

(7) In no event shall a guilty minor be committed to the Department of Corrections, Juvenile Division for a period of time in excess of that period for which an adult could be committed for the same act.

(8) A minor found to be guilty for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 shall be ordered to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the violation or similar damage to property located in the municipality or county in which the violation occurred. The order may be in addition to any other order authorized by this Section.

(8.5) A minor found to be guilty for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 shall be ordered to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The order may be in addition to any other order authorized by this Section.

(9) In addition to any other sentencing order, the court shall order any minor found to be guilty for an act which would constitute, predatory criminal sexual assault of a child, aggravated
criminal sexual assault, criminal sexual assault, aggravated criminal sexual abuse, or criminal sexual
abuse if committed by an adult to undergo medical testing to determine whether the defendant has any
sexually transmissible disease including a test for infection with human immunodeficiency virus
(HIV) or any other identified causative agency of acquired immunodeficiency syndrome (AIDS). Any
medical test shall be performed only by appropriately licensed medical practitioners and may include
an analysis of any bodily fluids as well as an examination of the minor's person. Except as otherwise
provided by law, the results of the test shall be kept strictly confidential by all medical personnel
involved in the testing and must be personally delivered in a sealed envelope to the judge of the court
in which the sentencing order was entered for the judge's inspection in camera. Acting in accordance
with the best interests of the victim and the public, the judge shall have the discretion to determine to
whom the results of the testing may be revealed. The court shall notify the minor of the results of the
test for infection with the human immunodeficiency virus (HIV). The court shall also notify the victim
if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's
parents or legal guardian, the court shall notify the victim's parents or the legal guardian, of the results
of the test for infection with the human immunodeficiency virus (HIV). The court shall provide
information on the availability of HIV testing and counseling at the Department of Public Health
facilities to all parties to whom the results of the testing are revealed. The court shall order that the
cost of any test shall be paid by the county and may be taxed as costs against the minor.

(10) When a court finds a minor to be guilty the court shall, before entering a sentencing order
under this Section, make a finding whether the offense committed either: (a) was related to or in
furtherance of the criminal activities of an organized gang or was motivated by the minor's
membership in or allegiance to an organized gang, or (b) involved a violation of subsection (a) of
Section 12-7.1 of the Criminal Code of 1961, a violation of any Section of Article 24 of the Criminal
Code of 1961, or a violation of any statute that involved the wrongful use of a firearm. If the court
determines the question in the affirmative, and the court does not commit the minor to the Department
of Corrections, Juvenile Division, the court shall order the minor to perform community service for
not less than 30 hours nor more than 120 hours, provided that community service is available in the
jurisdiction and is funded and approved by the county board of the county where the offense was
committed. The community service shall include, but need not be limited to, the cleanup and repair
of any damage caused by a violation of Section 21-1.3 of the Criminal Code of 1961 and similar
damage to property located in the municipality or county in which the violation occurred. When
possible and reasonable, the community service shall be performed in the minor's neighborhood. This
order shall be in addition to any other order authorized by this Section except for an order to place the
minor in the custody of the Department of Corrections, Juvenile Division. For the purposes of this
Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang
Terrorism Omnibus Prevention Act.

PUBLIC ACT 92-0455
(Senate Bill No. 0933)

AN ACT concerning health facilities.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Hospital Licensing Act is amended by adding Section 10.8 as follows:
(210 ILCS 85/10.8 new)

Sec. 10.8. Requirements for employment of physicians.

(a) Physician employment by hospitals and hospital affiliates. Employing entities may employ
physicians to practice medicine in all of its branches provided that the following requirements are
met:

(1) The employed physician is a member of the medical staff of either the hospital or
hospital affiliate. If a hospital affiliate decides to have a medical staff, its medical staff shall
be organized in accordance with written bylaws where the affiliate medical staff is
responsible for making recommendations to the governing body of the affiliate regarding all
quality assurance activities and safeguarding professional autonomy. The affiliate medical
staff bylaws may not be unilaterally changed by the governing body of the affiliate. Nothing
in this Section requires hospital affiliates to have a medical staff.

(2) Independent physicians, who are not employed by an employing entity, periodically
review the quality of the medical services provided by the employed physician to continuously
improve patient care.

(3) The employing entity and the employed physician sign a statement acknowledging that
the employer shall not unreasonably exercise control, direct, or interfere with the employed
physician's exercise and execution of his or her professional judgment in a manner that
adversely affects the employed physician's ability to provide quality care to patients. This
signed statement shall take the form of a provision in the physician's employment contract or
a separate signed document from the employing entity to the employed physician. This
statement shall state: "As the employer of a physician, (employer's name) shall not
unreasonably exercise control, direct, or interfere with the employed physician's exercise and
execution of his or her professional judgment in a manner that adversely affects the employed
physician's ability to provide quality care to patients."

(4) The employing entity shall establish a mutually agreed upon independent review
process with criteria under which an employed physician may seek review of the alleged
violation of this Section by physicians who are not employed by the employing entity. The
affiliate may arrange with the hospital medical staff to conduct these reviews. The
independent physicians shall make findings and recommendations to the employing entity and
the employed physician within 30 days of the conclusion of the gathering of the relevant
information.

(b) Definitions. For the purpose of this Section:
"Employing entity" means a hospital licensed under the Hospital Licensing Act or a hospital
"Employed physician" means a physician who receives an IRS W-2 form, or any successor federal income tax form, from an employing entity.

"Hospital" means a hospital licensed under the Hospital Licensing Act, except county hospitals as defined in subsection (c) of Section 15-1 of the Public Aid Code.

"Hospital affiliate" means a corporation, partnership, joint venture, limited liability company, or similar organization, other than a hospital, that is devoted primarily to the provision, management, or support of health care services and that directly or indirectly controls, is controlled by, or is under common control of the hospital. "Control" means having at least an equal or a majority ownership or membership interest. A hospital affiliate shall be 100% owned or controlled by any combination of hospitals, their parent corporations, or physicians licensed to practice medicine in all its branches in Illinois. "Hospital affiliate" does not include a health maintenance organization regulated under the Health Maintenance Organization Act.

"Physician" means an individual licensed to practice medicine in all its branches in Illinois. "Professional judgment" means the exercise of a physician's independent clinical judgment in providing medically appropriate diagnoses, care, and treatment to a particular patient at a particular time. Situations in which an employing entity does not interfere with an employed physician's professional judgment include, without limitation, the following:

(1) practice restrictions based upon peer review of the physician's clinical practice to assess quality of care and utilization of resources in accordance with applicable bylaws;
(2) supervision of physicians by appropriately licensed medical directors, medical school faculty, department chairpersons or directors, or supervising physicians;
(3) written statements of ethical or religious directives; and
(4) reasonable referral restrictions that do not, in the reasonable professional judgment of the physician, adversely affect the health or welfare of the patient.

(c) Private enforcement. An employed physician aggrieved by a violation of this Act may seek to obtain an injunction or reinstatement of employment with the employing entity as the court may deem appropriate. Nothing in this Section limits or abrogates any common law cause of action. Nothing in this Section shall be deemed to alter the law of negligence.

(d) Department enforcement. The Department may enforce the provisions of this Section, but nothing in this Section shall require or permit the Department to license, certify, or otherwise investigate the activities of a hospital affiliate not otherwise required to be licensed by the Department.

(e) Retaliation prohibited. No employing entity shall retaliate against any employed physician for requesting a hearing or review under this Section. No action may be taken that affects the ability of a physician to practice during this review, except in circumstances where the medical staff bylaws authorize summary suspension.

(f) Physician collaboration. No employing entity shall adopt or enforce, either formally or informally, any policy, rule, regulation, or practice inconsistent with the provision of adequate collaboration, including medical direction of licensed advanced practice nurses or supervision of licensed physician assistants and delegation to other personnel under Section 54.5 of the Medical Practice Act of 1987.

(g) Physician disciplinary actions. Nothing in this Section shall be construed to limit or prohibit the governing body of an employing entity or its medical staff, if any, from taking disciplinary actions against a physician as permitted by law.

(h) Physician review. Nothing in this Section shall be construed to prohibit a hospital or hospital affiliate from making a determination not to pay for a particular health care service or to prohibit a medical group, independent practice association, hospital medical staff, or hospital governing body from enforcing reasonable peer review or utilization review protocols or determining whether the employed physician complied with those protocols.

(i) Review. Nothing in this Section may be used or construed to establish that any activity of a hospital or hospital affiliate is subject to review under the Illinois Health Facilities Planning Act.

(j) Rules. The Department shall adopt any rules necessary to implement this Section.

Section 99. Effective date. This Act takes effect on September 30, 2001.

Sec. 2510-15. Practitioner responsibilities. Any practitioner responsible for planning,
directing, or conducting a certified audit or reporting on a participating taxpayer's tax compliance
shall be a qualified practitioner. For purposes of this Section, a practitioner is responsible for:
(1) Planning a certified audit when performing work that involves determining the
objectives, scope, and methodology of the certified audit, when establishing criteria to
evaluate matters subject to the review as part of the certified audit, when gathering
information used in planning the certified audit, or when coordinating the certified audit with
the Department.
(2) Directing a certified audit when the work involves supervising the efforts or reviewing
the work of others to determine whether it is properly accomplished and complete.
(3) Conducting a certified audit when performing tests and procedures or field audit work
necessary to accomplish the audit objectives in accordance with applicable standards.

Sec. 2510-20. Notification.
(a) A qualified practitioner shall notify the Department of an engagement to perform a
certified audit and shall provide the Department with the information the Department deems
necessary to identify the taxpayer, to confirm that the taxpayer is not already under audit by the
Department, and to establish the basic nature of the taxpayer's business and the taxpayer's potential
exposure to Illinois occupation and use tax laws. The information provided in the notification shall
include the taxpayer's name, federal employer identification number or social security number, Illinois
business tax number, mailing address, business location, and the specific occupation and use taxes
and period proposed to be covered by the engagement for the certified audit. In addition, the notice
shall include the name, address, identification number, contact person, and telephone number of the
engaged firm.
(b) If the taxpayer has not been issued a written notice of intent to conduct an audit, the
taxpayer shall be a participating taxpayer and the Department shall so advise the qualified
practitioner in writing within 10 days after receipt of the engagement notice. However, the
Department may exclude a taxpayer from a certified audit or may limit the taxes or periods subject
to the certified audit on the basis that the Department has previously conducted an audit, that it is in
the process of conducting an investigation or other examination of the taxpayer's records, or for just
cause.
(c) Notice of the qualification of a taxpayer for a certified audit shall toll the statute of
limitations provided with respect to the taxpayer for the tax and periods covered by the engagement.
(d) Within 30 days after receipt of the notice of qualification from the Department, the
qualified practitioner shall contact the Department and submit a proposed audit plan and procedures
for review and agreement by the Department. The Department may extend the time for submission of
the plan and procedures for reasonable cause. The qualified practitioner shall initiate action to advise
the Department that amendment or modification of the plan and procedures is necessary in the event
that the qualified practitioner's inspection reveals that the taxpayer's circumstances or exposure to
the revenue laws is substantially different than as described in the engagement notice.

Sec. 2510-25. Audit performance and review.
(a) Upon the Department's designation of the agreed-upon procedures to be followed by a
practitioner in a certified audit, the qualified practitioner shall perform the engagement and shall
timely submit a completed report to the Department. The report shall affirm completion of the
agreed-upon procedures and shall provide any required disclosures.
(b) The Department shall review the report of the certified audit and shall accept it when it is determined to be complete. Once the report is accepted by the Department, the Department shall issue a notice of proposed assessment reflecting the determination of any additional liability reflected in the report and shall provide the taxpayer with all the normal payment, protest, and appeal rights with respect to the liability, including the right to a review by the Informal Conference Board. In cases where the report indicates an overpayment has been made, the taxpayer shall submit a properly executed claim for refund to the Department. Otherwise, the certified audit report is a final and conclusive determination with respect to the tax and period covered. No additional assessment may be made by the Department for the specific taxes and period referenced in the report, except upon a showing of fraud or material misrepresentation. This determination shall not prevent the Department from collecting liabilities not covered by the report or from conducting an audit or investigation and making an assessment for additional tax, penalty, or interest for any tax or period not covered by the report.

(20 ILCS 2510/2510-30 new)
Sec. 2510-30. Rules. To implement the certified audit project, the Department shall have authority to adopt rules including, but not limited to:

(5) Requirements for conducting certified audits and for review of agreed-upon procedures.

Failure by a continuing education sponsor to be licensed or pay the fees prescribed in this Act, or to comply with the rules and regulations established by the Board under this Section regarding requirements for continuing education courses or sponsors, shall constitute grounds for revocation or denial of renewal.
of the sponsor's registration. All other courses or programs may qualify upon presentation by the licensee of evidence satisfactory to the Board that the course or program meets all Board rules for qualifying education programs.

Notwithstanding the preceding paragraph, the Department may accept courses and sponsors approved by other states, by the American Institute of Certified Public Accountants, by other state CPA societies, or by national accrediting organizations such as the National Association of State Boards of Accountancy; provided, however, that the sponsor must register with the Department and pay the required fee if its courses are presented in the State of Illinois.

Failure by an applicant for renewal of a license as a public accountant to furnish the evidence shall constitute grounds for disciplinary action, unless the Board in its discretion may, among other things, use and rely upon guidelines and pronouncements of recognized educational and professional associations; may prescribe rules for content, duration, and organization of courses; shall take into account the accessibility to applicants of continuing education as it may require, and any impediments to interstate practice of public accounting that may result from differences in requirements in other states; and may provide for relaxation or suspension of requirements in regard to applicants who certify that they do not intend to engage in the practice of public accounting, and for instances of individual hardship.

The Board shall establish by rule a means for the verification of completion of the continuing education required by this Section. This verification may be accomplished through audits of records maintained by registrants; by requiring the filing of continuing education certificates with the Board; or by other means established by the Board.

The Board may establish, by rule, guidelines for acceptance of continuing education on behalf of licensed certified public accountants taking continuing education courses in other jurisdictions.

Sec. 17. Fees; returned checks; fines. Each person, partnership, limited liability company, and corporation, to which a license is issued, shall pay a fee to be established by the Board which allows the Board to pay all costs and expenses incident to the administration of this Act. Interim licenses shall be at full rates.

The Board, by rule, shall establish fees to be paid for certification of records, and copies of this Act and the rules issued for administration of this Act.

Any person who delivers a check or other payment to the Board that is returned unpaid by the financial institution upon which it is drawn shall pay to the Board, in addition to the amount already owed to the Board, a fine in an amount to be established by Board rule of $50. If the check or other payment was for a renewal or issuance fee and that person practices without paying the renewal fee or issuance fee and the fine due, an additional fine in an amount to be established by Board rule of $100 shall be imposed. The fines imposed by this Section are in addition to any other discipline provided under this Act for unlicensed practice or practice on a nonrenewed license. The Board shall notify the person that payment of fees and fines shall be paid to the Board by certified check or money order within 30 calendar days of the notification. If, after the expiration of 30 days from the date of the notification, the person has failed to submit the necessary remittance, the Board shall automatically terminate the license or certificate or deny the application, without hearing. If, after termination or denial, the person seeks a license or certificate, he or she shall apply to the Board for restoration or issuance of the license or certificate and pay all fees and fines due to the Board. The Board may establish a fee for the processing of an application for restoration of a license or certificate to pay all expenses of processing this application. The Board may waive the fines due under this Section in individual cases where the Board finds that the fines would be unreasonable or unnecessarily burdensome.

Sec. 17.1. Any licensed certified public accountant who has permitted his license to expire or who has had his license on inactive status may have his license restored by making application to the Board and filing proof acceptable to the Board of his fitness to have his license restored, including sworn evidence certifying to active practice in another jurisdiction satisfactory to the Board and by paying the required restoration fee and by submitting proof of the required continuing education.

If the licensed certified public accountant has not maintained an active practice in another jurisdiction satisfactory to the Board, the Board shall determine, by an evaluation program established by rule, fitness to resume active status and may require the applicant to complete a period of supervised auditing experience.

However, any licensed certified public accountant whose license expired while he was (1) in Federal Service on active duty with the Armed Forces of the United States, or the State Militia called into service or training, or (2) in training or education under the supervision of the United States preliminary to induction into the military service, may have his license renewed reinstated or restored without paying any lapsed renewal and restoration fees if within 2 years after honorable termination of such service, training or education except under conditions other than honorable, he furnished the Board with satisfactory evidence to the effect that he has been so engaged and that his service, training or education has been so terminated.

(Source: P.A. 84-1299.)

Sec. 17.2. Any licensed certified public accountant who notifies the Board in writing on forms prescribed by the Board, may elect to place his license on an inactive status and shall, subject to rules of the Board, be excused from payment of renewal fees until he notifies the Board in writing of his desire to resume active status.

Any licensed certified public accountant requesting restoration from inactive status shall be required to pay the current renewal fee, shall be required to submit proof of the required continuing education, and shall be required to restore his license, as provided in this Act.

Any licensed certified public accountant whose license is in an inactive status shall not practice public accounting in this State of Illinois.

The Board may, in its discretion, license as a licensed certified public accountant, on payment of the required fee, an applicant who is a licensed certified public accountant licensed under the laws of another jurisdiction if the requirements for licensure of licensed certified public accountants in the jurisdiction in which the applicant was licensed were, at the date of his licensure, substantially equivalent to the requirements in force in this State on that date.

Applicants have 3 years from the date of application to complete the application process. If the process has not been completed in 3 years, the application shall be denied, the fee forfeited and the applicant must reapply and meet the requirements in effect at the time of reapplication.

Sec. 20.1. Investigations; notice; hearing. The Board Department may, upon its own motion, and shall, upon the verified complaint in writing of any person setting forth facts which, if proved, would constitute grounds for disciplinary action as set forth in Section 20.01, investigate the actions of any person or entity. The Board Department may refer complaints and investigations to a disciplinary body of the accounting profession for technical assistance. The results of an investigation and recommendations of the disciplinary body may be considered by the Board Department, but shall not be considered determinative and the Board Department shall not in any way be obligated to take any action or be bound by the results of the accounting profession's disciplinary proceedings. In case the person fails to file an answer after receiving notice, his or her license or certificate may, in the discretion of the Board Department, be suspended, revoked, or placed on probationary status, or the Board Department may take whatever disciplinary action deemed proper, including limiting the scope, nature, or extent of the person's practice or the

Following At the conclusion of the hearing the Board Committee shall issue present to the Director a written order setting forth report of its finding of facts, conclusions of law, and penalties to be imposed recommendations. The order report shall contain a finding whether or not the accused person violated this Act or failed to comply with the conditions required in this Act. The Committee shall specify the nature of the violation or failure to comply, and make its recommendations to the Director.

The report of findings of fact, conclusions of law and recommendations of the Committee shall be the basis for the Department's disciplinary action. If the Director disagrees in any regard with the report, he may issue an order in contravention of the report. The Director shall provide a written explanation to the Committee of any deviations from their report, and shall specify with particularity the reasons of that action in the final order. The finding is not admissible in evidence against the person in a criminal prosecution brought for the violation of this Act, but the hearing and findings are not a bar to a criminal prosecution brought for the violation of this Act.

Section 5. The Illinois Vehicle Code is amended by changing Sections 2-118.1, 5-103, 6-117, 6-118, 6-204, 6-206, 6-208, and 7-604 as follows:

(625 ILCS 5/2-118.1) (from Ch. 95 1/2, par. 2-118.1)
Sec. 2-118.1. Opportunity for hearing; statutory summary alcohol or other drug related suspension.

Within 30 days after receipt of the written request or the first appearance date on the Uniform Traffic Ticket issued pursuant to a violation of Section 11-501, or a similar provision of a local ordinance, the hearing shall be conducted by the circuit court having jurisdiction. This judicial hearing, request, or process shall not stay or delay the statutory summary suspension. The hearings shall proceed in the court in the same manner as in other civil proceedings. (b) If any conviction forming the basis of a suspension or revocation authorized under this Section is appealed, the Secretary of State may rescind or withhold the entry of the order of suspension or revocation, as the case may be, provided that a certified copy of a stay order of a court is filed with the Secretary of State. If the conviction is affirmed on appeal, the date of the conviction shall relate back to the time the original judgment of conviction was entered and the 6 month limitation prescribed shall not apply.

All other driving privileges shall be suspended by the Secretary of State. Any driver prior to operating a vehicle for occupational purposes only must submit the affidavit on forms to be provided by the Secretary of State setting forth the facts of the person's occupation. The affidavit shall also state the number of offenses committed while operating a vehicle in connection with the driver's regular occupation. The affidavit shall be accompanied by the driver's license. Upon receipt of a properly completed affidavit, the Secretary of State shall issue the driver a permit to operate a vehicle in connection with the driver's regular occupation only. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date of this suspension, a permit may be issued for the remainder of the suspension period.

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship, issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of his employment related duties, or to allow transportation for the petitioner, or a household member of the petitioner's family, to receive necessary medical care and if the professional evaluation indicates, provide transportation for alcohol remedial or rehabilitative activity, or for the petitioner to attend classes, as a student, in an accredited educational institution; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and the petitioner will not endanger the public safety or welfare. In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant under the age of 18 years before he or she reached the age of 18 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

Sec. 6-208. Period of Suspension - Application After Revocation.

(a) Except as otherwise provided by this Code or any other law of this State, the Secretary of State shall not suspend a driver's license, permit or privilege to drive a motor vehicle on the highways for a period of more than one year.

(b) Any person whose license, permit or privilege to drive a motor vehicle on the highways has been revoked shall not be entitled to have such license, permit or privilege renewed or restored. However, such person may, except as provided under subsection (d) of Section 6-205, make application for a license pursuant to Section 6-106 (i) if the revocation was for a cause which has been removed or (ii) as provided in the following subparagraphs:

1. Except as provided in subparagraphs 2, 3, and 4, the person may make application for a license after the expiration of one year from the effective date of the revocation or, in the case of a violation of paragraph (b) of Section 11-401 of this Code or a similar provision of a local ordinance, after the expiration of 3 years from the effective date of the revocation or, in the case of a violation of Section 9-3 of the Criminal Code of 1961 relating to the offense of reckless homicide, after the expiration of 2 years from the effective date of the revocation.

2. If such person is convicted of committing a second violation within a 20 year period of:

(A) Section 11-501 of this Code, or a similar provision of a local ordinance; or
(B) Paragraph (b) of Section 11-401 of this Code, or a similar provision of a local
ordinance; or
(C) Section 9-3 of the Criminal Code of 1961, as amended, relating to the offense of reckless homicide; or
(D) any combination of the above offenses committed at different instances;
then such person may not make application for a license until after the expiration of 5 years from the effective date of the most recent revocation. The 20 year period shall be computed by using the dates the offenses were committed and shall also include similar out-of-state offenses.

3. However, except as provided in subparagraph 4, if such person is convicted of committing a third, or subsequent, violation or any combination of the above offenses, including similar out-of-state offenses, contained in subparagraph 2, then such person may not make application for a license until after the expiration of 10 years from the effective date of the most recent revocation.

4. The person may not make application for a license if the person is convicted of committing a fourth or subsequent violation of Section 11-501 of this Code or a similar provision of a local ordinance, paragraph (b) of Section 11-401 of this Code, Section 9-3 of the Criminal Code of 1961, or a combination of these offenses or similar provisions of local ordinances or similar out-of-state offenses if the original revocation or suspension was for a violation of Section 11-501 or 11-501.1 of this Code or a similar provision of a local ordinance.

Notwithstanding any other provision of this Code, all persons referred to in this paragraph (b) may not have their privileges restored until the Secretary receives payment of the required reinstatement fee pursuant to subsection (b) of Section 6-118.

In no event shall the Secretary issue such license unless and until such person has had a hearing pursuant to this Code and the appropriate administrative rules and the Secretary is satisfied, after a review or investigation of such person, that to grant the privilege of driving a motor vehicle on the highways will not endanger the public safety or welfare.

The clerk of the circuit court shall pay all moneys collected from these fees to the county treasurer who shall use the moneys collected to defray the costs of drug testing, alcohol testing, and electronic monitoring. The county treasurer shall deposit the fees collected in the county working cash fund under Section 6-27001 or Section 6-29002 of the Counties Code, as the case may be.

The defendant placed on supervision must attend a public institution of education to obtain the educational or vocational training required by this subsection (k). The defendant placed on supervision shall be required to pay for the cost of the educational courses or GED test, if a fee is charged for those courses or test. (730 ILCS 5/3-3-9) (from Ch. 38, par. 1003-3-9)

Sec. 3-3-9. Violations; changes of conditions; preliminary hearing; revocation of parole or mandatory supervised release; revocation hearing.

(a) If prior to expiration or termination of the term of parole or mandatory supervised release, a person violates a condition set by the Prisoner Review Board or a condition of parole or mandatory supervised release under Section 3-3-7 of this Code to govern that term, the Board may:

(1) continue the existing term, with or without modifying or enlarging the conditions; or
(2) parole or release the person to a half-way house; or
(3) revoke the parole or mandatory supervised release and reconfine the person for a term computed in the following manner:

(i) (A) For those sentenced under the law in effect prior to this amendatory Act of 1977, the recommitment shall be for any portion of the imposed maximum term of imprisonment or confinement which had not been served at the time of parole and the parole term, less the time elapsed between the parole of the person and the commission of the violation for which parole was revoked;
(B) For those subject to mandatory supervised release under paragraph (d) of Section 5-8-1 of this Code, the recommitment shall be for the total mandatory supervised release term, less the time elapsed between the release of the person and the commission of the violation for which mandatory supervised release is revoked. The Board may also order that a prisoner serve up to one year of the sentence imposed by the court which was not served due to the accumulation of good conduct credit.
(ii) the person shall be given credit against the term of reimprisonment or reconfinement for time spent in custody since he was paroled or released which has not been credited against another sentence or period of confinement;
(iii) persons committed under the Juvenile Court Act or the Juvenile Court Act of 1987 shall be recommitted until the age of 21;
(iv) this Section is subject to the release under supervision and the reparole and rerelease provisions of Section 3-3-10.

(b) The Board may revoke parole or mandatory supervised release for violation of a condition for the duration of the term and for any further period which is reasonably necessary for the adjudication of matters arising before its expiration. The issuance of a warrant of arrest for an alleged violation of the conditions of parole or mandatory supervised release shall toll the running of the term until the final determination of the charge, but where parole or mandatory supervised release is not revoked that period shall be credited to the term.

(c) A person charged with violating a condition of parole or mandatory supervised release shall have a preliminary hearing before a hearing officer designated by the Board to determine if there is cause to hold the person for a revocation hearing. However, no preliminary hearing need be held when revocation is based upon new criminal charges and a court finds probable cause on the new criminal charges or when the revocation is based upon a new criminal conviction and a certified copy of that conviction is available.

(d) Parole or mandatory supervised release shall not be revoked without written notice to the offender setting forth the violation of parole or mandatory supervised release charged against him.

(e) A hearing on revocation shall be conducted before at least one member of the Prisoner Review Board. The Board may meet and order its actions in panels of 3 or more members. The action
of a majority of the panel shall be the action of the Board. In consideration of persons committed to the Juvenile Division, the member hearing the matter and at least a majority of the panel shall be experienced in juvenile matters. A record of the hearing shall be made. At the hearing the offender shall be permitted to:

(1) appear and answer the charge; and
(2) bring witnesses on his behalf.

(f) The Board shall either revoke parole or mandatory supervised release or order the person's term continued with or without modification or enlargement of the conditions.

(g) Parole or mandatory supervised release shall not be revoked for failure to make payments under the conditions of parole or release unless the Board determines that such failure is due to the offender's willful refusal to pay.

Each registration record card shall be numbered according to towns and precincts, wards, cities and villages, as the case may be, and may be serially or otherwise marked for identification in such manner as the county clerk may determine.

The registration cards shall be deemed public records and shall be open to inspection during regular business hours, except during the 28 days immediately preceding any election. The costs of furnishing updated copies of tapes or discs shall be paid at a rate of $0.00034 per name of registered voters in the election jurisdiction, but not less than $50 per tape or disc and shall be paid from appropriations made to the State Board of Elections for reimbursement to the election authority for such purpose. The Board shall furnish copies of such tapes, discs, other electronic data or compilations thereof to state political committees registered pursuant to the Illinois Campaign Finance Act or the Federal Election Campaign Act at their request and at a reasonable cost. Copies of the tapes, discs or other electronic data shall be furnished by the county clerk to local political committees at their request and at a reasonable cost. Constitution relating to retention of judges in office, the form of the proposition to be submitted for
each candidate shall be as provided in paragraph (1) or (2), as the election authority may choose.
(1) The names of all persons seeking retention in the same office shall be listed, in the
order provided in this Section, with one proposition that reads substantially as follows: "Shall
each of the persons listed be retained in office as (insert name of office and court)?". To the
right of each candidate's name must be places for the voter to mark "Yes" or "No". If the list
of candidates for retention in the same office exceeds one page of the ballot, the proposition
must appear on each page upon which the list of candidates continues.
(2) The form of the proposition for each candidate shall be substantially as follows:

<tr>
<th>Shall ...... (insert name of candidate) be retained in office as ...... (insert name of office and Court)?</th>

Constitution.

At the top of the ballot on the same side as the propositions on the candidates are listed shall
be printed an explanation to read substantially as follows: "Vote on the proposition with respect to all
or any of the judges listed on this ballot. No judge listed is running against any other judge. The sole
question is whether each judge shall be retained in his present office".

Such separate ballot shall be printed on paper of sufficient size so that when folded once it

(20 ILCS 505/5.15)

Sec. 5.15. Daycare; Department of Human Services.

The State comprehensive day-care plan shall be made available to the General Assembly following the Governor's approval of the plan.

The plan shall include methods and procedures for the development of additional day care resources for children to meet the goal of reducing short-run and long-run dependency and to provide

necessary enrichment and stimulation to the education of young children. Recommendations shall be
made for State policy on optimum use of private and public, local, State and federal resources,
including an estimate of the resources needed for the licensing and regulation of day care facilities.

A written report shall be submitted to the Governor and the General Assembly annually on
April 15. The report shall include an evaluation of developments over the preceding fiscal year,
including cost-benefit analyses of various arrangements. Beginning with the report in 1990 submitted
by the Department’s predecessor agency and every 2 years thereafter, the report shall also include the
following:

(1) An assessment of the child care services, needs and available resources throughout the
State and an assessment of the adequacy of existing child care services, including, but not
limited to, services assisted under this Act and under any other program administered by other
State agencies.

(2) A survey of day care facilities to determine the number of qualified caregivers, as
defined by rule, attracted to vacant positions and any problems encountered by facilities in
attracting and retaining capable caregivers. The report shall include an assessment, based on
the survey, of improvements in employee benefits that may attract capable caregivers.

(3) The average wages and salaries and fringe benefit packages paid to caregivers
throughout the State, computed on a regional basis, compared to similarly qualified
employees in other but related fields.

(4) The qualifications of new caregivers hired at licensed day care facilities during the
previous 2-year period.

(5) Recommendations for increasing caregiver wages and salaries to ensure quality care
for children.

(6) Evaluation of the fee structure and income eligibility for child care subsidized by the
State.

The requirement for reporting to the General Assembly shall be satisfied by filing copies of
the report with the Speaker, the Minority Leader, and the Clerk of the House of Representatives, the
President, the Minority Leader, and the Secretary of the Senate, and the Legislative Research Unit,
as required by Section 3.1 of the General Assembly Organization Act, and filing such additional
copies with the State Government Report Distribution Center for the General Assembly as is required
under paragraph (t) of Section 7 of the State Library Act.

(b) The Department of Human Services shall establish policies and procedures for developing
and implementing interagency agreements with other agencies of the State providing child care
services or reimbursement for such services. The plans shall be annually reviewed and modified for
the purpose of addressing issues of applicability and service system barriers.

(c) In cooperation with other State agencies, the Department of Human Services shall develop
and implement, or shall continue, a resource and referral system for the State of Illinois either within
the Department or by contract with local or regional agencies. Funding for implementation of this
system may be provided through Department appropriations or other inter-agency funding
arrangements. The resource and referral system shall provide at least the following services:

(1) Assembling and maintaining a data base on the supply of child care services.

(2) Providing information and referrals for parents.

(3) Coordinating the development of new child care resources.

(4) Providing technical assistance and training to child care service providers.

(5) Recording and analyzing the demand for child care services.

(d) The Department of Human Services shall conduct day care planning activities with the
following priorities:

(1) Development of voluntary day care resources wherever possible, with the provision
for grants-in-aid only where demonstrated to be useful and necessary as incentives or
supports. By January 1, 2002, the Department shall design a plan to create more child care
slots as well as goals and timetables to improve quality and accessibility of child care.

(2) Emphasis on service to children of recipients of public assistance when such service
will allow training or employment of the parent toward achieving the goal of independence.

(3) (Blank). Maximum employment of recipients of public assistance in day care centers
and day care homes, operated in conjunction with short-term work training programs.
(4) Care of children from families in stress and crises whose members potentially may become, or are in danger of becoming, non-productive and dependent.

(5) Expansion of family day care facilities wherever possible.

(6) Location of centers in economically depressed neighborhoods, preferably in multi-service centers with cooperation of other agencies. The Department shall coordinate the provision of grants, but only to the extent funds are specifically appropriated for this purpose, to encourage the creation and expansion of child care centers in high need communities to be issued by the State, business, and local governments.

(7) Use of existing facilities free of charge or for reasonable rental whenever possible in lieu of construction.

(8) Development of strategies for assuring a more complete range of day care options, including provision of day care services in homes, in schools, or in centers, which will enable a parent or parents to complete a course of education or obtain or maintain employment and the creation of more child care options for swing shift, evening, and weekend workers and for working women with sick children. The Department shall encourage companies to provide child care in their own offices or in the building in which the corporation is located so that employees of all the building's tenants can benefit from the facility.

(9) Development of strategies for subsidizing students pursuing degrees in the child care field.

(10) Continuation and expansion of service programs that assist teen parents to continue and complete their education.

Emphasis shall be given to support services that will help to ensure such parents' graduation from high school and to services for participants in any programs the Project Chance program of job training conducted by the Department.

(e) The Department of Human Services shall actively stimulate the development of public and private resources at the local level. It shall also seek the fullest utilization of federal funds directly or indirectly available to the Department. Where appropriate, existing non-governmental agencies or associations shall be involved in planning by the Department.

(f) To better accommodate the child care needs of low income working families, especially those who receive Temporary Assistance for Needy Families (TANF) or who are transitioning from TANF to work, or who are at risk of depending on TANF in the absence of child care, the Department shall complete a study using outcome-based assessment measurements to analyze the various types of child care needs, including but not limited to: child care homes; child care facilities; before and after school care; and evening and weekend care. Based upon the findings of the study, the Department shall develop a plan by April 15, 1998, that identifies the various types of child care needs within various geographic locations. The plan shall include, but not be limited to, the special needs of parents and guardians in need of non-traditional child care services such as early mornings, evenings, and weekends; the needs of very low income families and children and how they might be better served; and strategies to assist child care providers to meet the needs and schedules of low income families.

PUBLIC ACT 92-0470
(Senate Bill No. 0699)

AN ACT concerning highways.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Highway Code is amended by changing Section 9-113 as follows:

(605 ILCS 5/9-113) (from Ch. 121, par. 9-113)

Sec. 9-113. (a) No ditches, drains, track, rails, poles, wires, pipe line or other equipment of any public utility company, municipal corporation or other public or private corporation, association or person shall be located, placed or constructed upon, under or along any highway, or upon any township or district road, without first obtaining the written consent of the appropriate highway authority as hereinafter provided for in this Section.

(b) The State and county highway authorities are authorized to promulgate reasonable and necessary rules, regulations, and specifications for State highways for the administration of this Section. In addition to rules promulgated under this subsection (b), the State highway authority shall and a county highway authority may adopt coordination strategies and practices designed and intended to establish and implement effective communication respecting planned highway projects that the State or county highway authority believes may require removal, relocation, or modification in accordance with subsection (f) of this Section. The strategies and practices adopted shall include but need not be limited to the delivery of 5 year programs, annual programs, and the establishment of coordination councils in the locales and with the utility participation that will best facilitate and accomplish the requirements of the State and county highway authority acting under subsection (f) of this Section. The utility participation shall include assisting the appropriate highway authority in establishing a schedule for the removal, relocation, or modification of the owner's facilities in accordance with subsection (f) of this Section. In addition, each utility shall designate in writing to the Secretary of Transportation or his or her designee an agent for notice and the delivery of programs. The coordination councils must be established on or before January 1, 2002. The 90 day deadline for removal, relocation, or modification of the ditches, drains, track, rails, poles, wires, pipe line, or other equipment in subsection (f) of this Section shall be enforceable upon the establishment of a coordination council in the district or locale where the property in question is located. The coordination councils organized by a county highway authority shall include the county engineer, the County Board Chairman or his or her designee, and with such utility participation as will best facilitate and accomplish the requirements of a highway authority acting under subsection (f) of this Section. Should a county highway authority decide not to establish coordination councils, the 90 day deadline for removal, relocation, or modification of the ditches, drains, track, rails, poles, wires, pipe line, or other equipment in subsection (f) of this Section shall be waived for those highways.

(c) In the case of non-toll federal-aid fully access-controlled State highways, the State highway authority shall not grant consent to the location, placement or construction of ditches, drains, track, rails, poles, wires, pipe line or other equipment upon, under or along any such non-toll federal-aid fully access-controlled State highway, which:

(1) would require cutting the pavement structure portion of such highway for installation or, except in the event of an emergency, would require the use of any part of such highway right-of-way for purposes of maintenance or repair. Where, however, the State highway authority determines prior to installation that there is no other access available for

New matter indicated by italics - deletions by strikeout.
maintenance or repair purposes, use by the entity of such highway right-of-way shall be permitted for such purposes in strict accordance with the rules, regulations and specifications of the State highway authority, provided however, that except in the case of access to bridge structures, in no such case shall an entity be permitted access from the through-travel lanes, shoulders or ramps of the non-toll federal-aid fully access-controlled State highway to maintain or repair its accommodation; or

(2) would in the judgment of the State highway authority, endanger or impair any such ditches, drains, track, rails, poles, wires, pipe lines or other equipment already in place; or

(3) would, if installed longitudinally within the access control lines of such highway, be above ground after installation except that the State highway authority may consent to any above ground installation upon, under or along any bridge, interchange or grade separation within the right-of-way which installation is otherwise in compliance with this Section and any rules, regulations or specifications issued hereunder; or

(4) would be inconsistent with Federal law or with rules, regulations or directives of appropriate Federal agencies.

(d) In the case of accommodations upon, under or along non-toll federal-aid fully access-controlled State highways the State highway authority may charge an entity reasonable compensation for the right of that entity to longitudinally locate, place or construct ditches, drains, track, rails, poles, wires, pipe line or other equipment upon, under or along such highway. Such compensation may include in-kind compensation.

Where the entity applying for use of a non-toll federal-aid fully access-controlled State highway right-of-way is a public utility company, municipal corporation or other public or private corporation, association or person, such compensation shall be based upon but shall not exceed a reasonable estimate by the State highway authority of the fair market value of an easement or leasehold for such use of the highway right-of-way. Where the State highway authority determines that the applied-for use of such highway right-of-way is for private land uses by an individual and not for commercial purposes, the State highway authority may charge a lesser fee than would be charged a public utility company, municipal corporation or other public or private corporation or association as compensation for the use of the non-toll federal-aid fully access-controlled State highway right-of-way. In no case shall the written consent of the State highway authority give or be construed to give any entity any easement, leasehold or other property interest of any kind in, upon, under, above or along the non-toll federal-aid fully access-controlled State highway right-of-way.

Where the compensation from any entity is in whole or in part a fee, such fee may be reasonably set, at the election of the State highway authority, in the form of a single lump sum payment or a schedule of payments. All such fees charged as compensation may be reviewed and adjusted upward by the State highway authority once every 5 years provided that any such adjustment shall be based on changes in the fair market value of an easement or leasehold for such use of the non-toll federal-aid fully access-controlled State highway right-of-way. All such fees received as compensation by the State highway authority shall be deposited in the Road Fund.

(e) Any entity applying for consent shall submit such information in such form and detail to the appropriate highway authority as to allow the authority to evaluate the entity's application. In the case of accommodations upon, under or along non-toll federal-aid fully access-controlled State highways the entity applying for such consent shall reimburse the State highway authority for all of the authority's reasonable expenses in evaluating that entity's application, including but not limited to engineering and legal fees.

(f) Any ditches, track, rails, poles, wires, pipe line, or other equipment located, placed, or constructed upon, under, or along a State highway with the consent of the State or county highway authority under this Section shall, upon written notice by the State or county highway authority be removed, relocated, or modified by the owner, the owner's agents, contractors, or employees subject to removal, relocation or modification at no expense to the State or county highway authority when and as deemed necessary by the State or county highway authority for highway or highway safety purposes. The notice shall be properly given after the completion of engineering plans, the receipt of the necessary permits issued by the appropriate State and county highway authority to begin work, and the establishment of sufficient rights-of-way for a given utility authorized by the State or county highway authority to remain on the highway right-of-way such that the unit of local government or
other owner of any facilities receiving notice in accordance with this subsection (f) can proceed with relocating, replacing, or reconstructing the ditches, drains, track, rails, poles, wires, pipe line, or other equipment. If a permit application to relocate on a public right-of-way is not filed within 15 days of the receipt of final engineering plans, the notice precondition of a permit to begin work is waived. However, under no circumstances shall this notice provision be construed to require the State or any government department or agency to purchase additional rights-of-way to accommodate utilities. If, within 90 days after receipt of such written notice, the ditches, drains, track, rails, poles, wires, pipe line, or other equipment have not been removed, relocated, or modified to the reasonable satisfaction of the State or county highway authority, or if arrangements are not made satisfactory to the State or county highway authority for such removal, relocation, or modification, the State or county highway authority may remove, relocate, or modify such ditches, drains, track, rails, poles, wires, pipe line, or other equipment and bill the owner thereof for the total cost of such removal, relocation, or modification. The scope of the project shall be taken into consideration by the State or county highway authority in determining satisfactory arrangements. The State or county highway authority shall determine the terms of payment of those costs provided that all costs billed by the State or county highway authority shall not be made payable over more than a 5 year period from the date of billing. The State and county highway authority shall have the power to extend the time of payment in cases of demonstrated financial hardship by a unit of local government or other public owner of any facilities removed, relocated, or modified from the highway right-of-way in accordance with this subsection (f). This paragraph shall not be construed to prohibit the State or county highway authority from paying any part of the cost of removal, relocation, or modification where such payment is otherwise provided for by State or federal statute or regulation. At any time within 90 days after written notice was given, the owner of the drains, track, rails, poles, wires, pipe line, or other equipment may request the district engineer or, if appropriate, the county engineer for a waiver of the 90 day deadline. The appropriate district or county engineer shall make a decision concerning waiver within 10 days of receipt of the request and may waive the 90 day deadline if he or she makes a written finding as to the reasons for waiving the deadline. Reasons for waiving the deadline shall be limited to acts of God, war, the scope of the project, the State failing to follow the proper notice procedure, and any other cause beyond reasonable control of the owner of the facilities. Waiver must not be unreasonably withheld. If 90 days after written notice was given, the ditches, drains, track, rails, poles, wires, pipe line, or other equipment have not been removed, relocated, or modified to the satisfaction of the State or county highway authority, no waiver of deadline has been requested or issued by the appropriate district or county engineer, and no satisfactory arrangement has been made with the appropriate State or county highway authority, the State or county highway authority or the general contractor of the building project may file a complaint in the circuit court for an emergency order to direct and compel the owner to remove, relocate, or modify the drains, track, rails, poles, wires, pipe line, or other equipment to the satisfaction of the appropriate highway authority. The complaint for an order shall be brought in the circuit in which the subject matter of the complaint is situated or, if the subject matter of the complaint is situated in more than one circuit, in any one of those circuits.

(g) It shall be the sole responsibility of the entity, without expense to the State highway authority, to maintain and repair its ditches, drains, track, rails, poles, wires, pipe line or other equipment after it is located, placed or constructed upon, under or along any State highway and in no case shall the State highway authority thereafter be liable or responsible to the entity for any damages or liability of any kind whatsoever incurred by the entity or to the entity's ditches, drains, track, rails, poles, wires, pipe line or other equipment.

(h) Upon receipt of an application therefor, consent to so use a highway may be granted subject to such terms and conditions not inconsistent with this Code as the highway authority deems for the best interest of the public. The terms and conditions required by the appropriate highway authority may include but need not be limited to participation by the party granted consent in the strategies and practices adopted under subsection (b) of this Section. The petitioner shall pay to the owners of property abutting upon the affected highways established as though by common law plat all damages the owners may sustain by reason of such use of the highway, such damages to be ascertained and paid in the manner provided by law for the exercise of the right of eminent domain.

(i) Such consent shall be granted by the Department in the case of a State highway; by the
county board or its designated county superintendent of highways in the case of a county highway; by either the highway commissioner or the county superintendent of highways in the case of a township or district road, provided that if consent is granted by the highway commissioner, the petition shall be filed with the commissioner at least 30 days prior to the proposed date of the beginning of construction, and that if written consent is not given by the commissioner within 30 days after receipt of the petition, the applicant may make written application to the county superintendent of highways for consent to the construction. This Section does not vitiate, extend or otherwise affect any consent granted in accordance with law prior to the effective date of this Code to so use any highway.

(j) Nothing in this Section shall limit the right of a highway authority to permit the location, placement or construction or any ditches, drains, track, rails, poles, wires, pipe line or other equipment upon, under or along any highway or road as a part of its highway or road facilities or which the highway authority determines is necessary to service facilities required for operating the highway or road, including rest areas and weigh stations.

(k) Paragraphs (c) and (d) of this Section shall not apply to any accommodation located, placed or constructed with the consent of the State highway authority upon, under or along any non-toll federal-aid fully access-controlled State highway prior to July 1, 1984, provided that accommodation was otherwise in compliance with the rules, regulations and specifications of the State highway authority.

(l) The consent to be granted pursuant to this Section by the appropriate highway authority shall be effective only to the extent of the property interest of the State or government unit served by that highway authority. Such consent shall not be binding on any owner of the fee over or under which the highway or road is located and shall not otherwise relieve the entity granted that consent from obtaining by purchase, condemnation or otherwise the necessary approval of any owner of the fee over or under which the highway or road is located. This paragraph shall not be construed as a limitation on the use for highway or road purposes of the land or other property interests acquired by the public for highway or road purposes, including the space under or above such right-of-way.

(m) The provisions of this Section apply to all permits issued by the Department of Transportation and the appropriate State or county highway authority.

Sec. 5d. The Direct Child Welfare Service Employee License Board.

(a) For purposes of this Section:

(1) "Board" means the Direct Child Welfare Service Employee License Board.

(2) "Director" means the Director of Children and Family Services.

(b) The Direct Child Welfare Service Employee License Board is created within the Department of Children and Family Services and shall consist of 9 members appointed by the Director. The membership of the Board must be composed as follows: (i) 5 licensed professionals from the field of human services with a human services degree or equivalent course work as required by rule of the Department and who are in good standing within their profession, at least 2 of which must be employed in the private not-for-profit sector and at least one of which in the public sector; (ii) 2 faculty members of an accredited university who have child welfare experience and are in good standing within their profession and (iii) 2 members of the general public who are not licensed under this Act or a similar rule and will represent consumer interests.

In making the first appointments, the Director shall appoint 3 members to serve for a term of one year, 3 members to serve for a term of 2 years, and 3 members to serve for a term of 3 years, or until their successors are appointed and qualified. Their successors shall be appointed to serve 3-year terms, or until their successors are appointed and qualified. Appointments to fill unexpired vacancies shall be made in the same manner as original appointments. No member may be reappointed if a reappointment would cause that member to serve on the Board for longer than 6 consecutive years. Board membership must have reasonable representation from different geographic areas of Illinois, and all members must be residents of this State.

The Director may terminate the appointment of any member for good cause, including but not limited to (i) unjustified absences from Board meetings or other failure to meet Board responsibilities, (ii) failure to recuse himself or herself when required by subsection (c) of this Section or Department rule, or (iii) failure to maintain the professional position required by Department rule. No member of the Board may have a pending or indicated report of child abuse or neglect or a pending complaint or criminal conviction of any of the offenses set forth in paragraph (b) of Section 4.2 of the Child Care Act of 1969.

The members of the Board shall receive no compensation for the performance of their duties as members, but each member shall be reimbursed for his or her reasonable and necessary expenses incurred in attending the meetings of the Board.

(c) The Board shall make recommendations to the Director regarding licensure rules. Board members must recuse themselves from sitting on any matter involving an employee of a child welfare agency at which the Board member is an employee or contractual employee. The Board shall make a final determination concerning revocation, suspension, or reinstatement of an employee's direct child welfare service license after a hearing conducted under the Department's rules. Upon notification of the manner of the vote to all the members, votes on a final determination may be cast in person, by telephonic or electronic means, or by mail at the discretion of the chairperson. A simple majority of the members appointed and serving is required when Board members vote by mail or by telephonic or electronic means. A majority of the currently appointed and serving Board members constitutes a quorum. A majority of a quorum is required when a recommendation is voted on during a Board meeting. A vacancy in the membership of the Board shall not impair the right of a quorum to perform all the duties of the Board. Board members are not personally liable in any action based upon a disciplinary proceeding or otherwise for any action taken in good faith as a member of the Board.

(d) The Director may assign Department employees to provide staffing services to the Board. The Department must promulgate any rules necessary to implement and administer the requirements of this Section.

AN ACT in relation to human rights.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Human Rights Act is amended by changing Sections 8A-102 and 8B-102 as follows:
(775 ILCS 5/8A-102) (from Ch. 68, par. 8A-102)
Sec. 8A-102. Hearing on Complaint.
(A) Services. Within five days after a complaint is filed by the Department, or the aggrieved party, as the case may be, the Commission shall cause it to be served on the respondent together with a notice of hearing before a hearing officer of the Commission at a place therein fixed.
(B) Time and Location of Hearing. An initial hearing date shall be scheduled for not less than thirty nor more than ninety days after service of the complaint at a place that is within one hundred miles of the place at which the civil rights violation is alleged to have occurred. The hearing officer may, for good cause shown, extend the date of the hearing.
(C) Amendment.
(1) A complaint may be amended under oath by leave of the presiding hearing officer, for good cause shown, upon timely written motion and reasonable notice to all interested parties at any time prior to the issuance of a recommended order pursuant to Section 8A-102(I) or 8B-102(J). The amended complaint shall be served upon all parties of record and the Department of Human Rights by the complainant, or by the Department if it prepared and filed the amended complaint, within 7 days of the date of the order permitting its filing or such additional time as the hearing officer may order. Amendments to the complaint may encompass any unlawful discrimination which is like or reasonably related to the charge and growing out of the allegations in such charge, including, but not limited to, allegations of retaliation.
(2) A motion that the complaint be amended to conform to the evidence, made prior to the close of the public hearing, may be addressed orally on the record to the hearing officer, and shall be granted for good and sufficient cause.
(D) Answer.
(1) The respondent shall file an answer under oath or affirmation to the original or amended complaint within 30 days of the date of service thereof, but the hearing officer may, for good cause shown, grant further time for the filing of an answer.
(2) When the respondent files a motion to dismiss the complaint within 30 days and the motion is denied by the hearing officer, the time for filing the answer shall be within 15 days of the date of denial of the motion.
(3) Any allegation in the complaint which is not denied or admitted in the answer is deemed admitted unless the respondent states in the answer that he is without sufficient knowledge or information to form a belief with respect to such allegation.
(4) The failure to file an answer is deemed to constitute an admission of the allegations contained in the complaint.
(5) The respondent has the right to amend his answer, upon leave of the hearing officer, for good cause shown.
(E) Proceedings In Forma Pauperis.
(1) If the hearing officer is satisfied that the complainant or respondent is a poor person, and unable to prosecute or defend the complaint and pay the costs and expenses thereof, the hearing officer may permit the party to commence and prosecute or defend the action as a poor person. Such party shall have all the necessary subpoenas, appearances, and proceedings without prepayment of witness fees or charges. Witnesses shall attend as in other cases under this Act and the same remedies shall be available for failure or refusal to obey the subpoena as are provided for in Section 8-104 of this Act.
(2) A person desiring to proceed without payment of fees or charges shall file with the hearing officer an affidavit stating that he is a poor person and unable to pay costs, and that
the action is meritorious.

(F) Discovery. The procedure for obtaining discovery of information from parties and witnesses shall be specified by the Commission in rules. If no rule has been promulgated by the Commission on a particular type of discovery, the Code of Civil Procedure may be considered persuasive authority. The types of discovery shall be the same as in civil cases in the circuit courts of this State, provided, however, that a party may take discovery depositions only upon leave of the hearing officer and for good cause shown.

(G) Hearing.

(1) Both the complainant and the respondent may appear at the hearing and examine and cross-examine witnesses.

(2) The testimony taken at the hearing shall be under oath or affirmation and a transcript shall be made and filed in the office of the Commission.

(3) The testimony taken at the hearing is subject to the same rules of evidence that apply in courts of this State in civil cases.

(H) Compelling Appearance of Parties at Hearing. The appearance at the hearing of a party or a person who at the time of the hearing is an officer, director, or employee of a party may be required by serving the party with a notice designating the person who is required to appear. The notice also may require the production at the hearing of documents or tangible things. If the party or person is a nonresident of the county, the hearing officer may order any terms and conditions in connection with his appearance at the hearing that are just, including payment of his reasonable expenses. Upon a failure to comply with the notice, the hearing officer may enter any order that is just.

(I) Decision.

(1) When all the testimony has been taken, the hearing officer shall determine whether the respondent has engaged in or is engaging in the civil rights violation with respect to the person aggrieved as charged in the complaint. A determination sustaining a complaint shall be based upon a preponderance of the evidence.

(2) The hearing officer shall make findings of fact in writing and, if the finding is against the respondent, shall issue and cause to be served on the parties and the Department a recommended order for appropriate relief as provided by this Act.

(3) If, upon all the evidence, the hearing officer finds that a respondent has not engaged in the discriminatory practice charged in the complaint or that a preponderance of the evidence does not sustain the complaint, he shall state his findings of fact and shall issue and cause to be served on the parties and the Department a recommended order dismissing the complaint.

(4) The findings and recommended order of the hearing officer shall be filed with the Commission. The findings and recommended order may need not be authored by a hearing officer other than the hearing officer who presides at the public hearing if:

   (a) the hearing officer who presides at the public hearing is unable to author the findings and recommended order by reason of death, disability, or separation from employment; and

   (b) all parties to a complaint file a joint motion agreeing agree to have the findings and recommended order decision written by a hearing officer who did not preside at the public hearing:

      (b) the presiding hearing officer transmits his or her impression of witness credibility to the hearing officer who authors the findings and recommended order; and

      (c) there are no questions of witness credibility presented by the record as found by the presiding officer.

(5) A recommended order dismissing a complaint may include an award of reasonable attorneys fees in favor of the respondent against the complainant or the complainant's attorney, or both, if the hearing officer concludes that the complaint was frivolous, unreasonable or groundless or that the complainant continued to litigate after it became clearly so.

(6) The hearing officer may issue a recommended order of dismissal with prejudice or a recommended order of default as a sanction for the failure of a party to prosecute his or her case, file a required pleading, appear at a hearing, or otherwise comply with this Act, the rules

The election must be made not later than 20 days after the receipt by the electing person of service of the complaint by the Commission. The person making such election shall file it with the Commission and shall give notice of doing so to the Department and to all other complainants and respondents to whom the charge relates. (H) Hearing.

(1) The Department and the respondent shall be parties in hearings under this Article. The Department shall seek appropriate relief for the complainant and vindication of the public interest. AN ACT in relation to health care.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Mental Health and Developmental Disabilities Administrative Act is amended by adding Section 7.3 as follows:

Sec. 7.3. Nurse aide registry; finding of abuse or neglect. The Department shall require that no facility, service agency, or support agency providing mental health or developmental disability services that is licensed, certified, operated, or funded by the Department shall employ a person, in any capacity, who is identified by the nurse aide registry as having been subject of a substantiated finding of abuse or neglect of a service recipient. The Department shall establish and maintain the rules that are necessary or appropriate to effectuate the intent of this Section. The provisions of this Section shall not apply to any facility, service agency, or support agency licensed or certified by a State agency other than the Department, unless operated by the Department of Human Services.

Section 10. The Abused and Neglected Long Term Care Facility Residents Reporting Act is amended by changing Section 6.2 as follows:

Sec. 6.2. Inspector General.
(a) The Governor shall appoint, and the Senate shall confirm, an Inspector General who shall function within the Department of Human Services and report to the Secretary of Human Services and the Governor. The Inspector General shall investigate reports of suspected abuse or neglect (as those terms are defined in Section 3 of this Act) of patients or residents in any mental health or developmental disabilities facility operated by the Department of Human Services and shall have authority to investigate and take immediate action on reports of abuse or neglect of recipients, whether patients or residents, in any mental health or developmental disabilities facility or program that is licensed or certified by the Department of Human Services (as successor to the Department of Mental Health and Developmental Disabilities) or that is funded by the Department of Human Services (as successor to the Department of Mental Health and Developmental Disabilities) and is not licensed or certified by any agency of the State. At the specific, written request of an agency of the State other than the Department of Human Services (as successor to the Department of Mental Health and Developmental Disabilities), the Inspector General may cooperate in investigating reports of abuse and neglect of persons with mental illness or persons with developmental disabilities. The Inspector General shall have no supervision over or involvement in routine, programmatic, licensure, or certification operations of the Department of Human Services or any of its funded agencies.

The Inspector General shall promulgate rules establishing minimum requirements for reporting allegations of abuse and neglect and initiating, conducting, and completing investigations. The promulgated rules shall clearly set forth that in instances where 2 or more State agencies could investigate an allegation of abuse or neglect, the Inspector General shall not conduct an investigation that is redundant to an investigation conducted by another State agency. The rules shall establish criteria for determining, based upon the nature of the allegation, the appropriate method of investigation, which may include, but need not be limited to, site visits, telephone contacts, or requests for written responses from agencies. The rules shall also clarify how the Office of the Inspector General shall interact with the licensing unit of the Department of Human Services in investigations.
of allegations of abuse or neglect. Any allegations or investigations of reports made pursuant to this Act shall remain confidential until a final report is completed. The resident or patient who allegedly was abused or neglected and his or her legal guardian shall be informed by the facility or agency of the report of alleged abuse or neglect. Final reports regarding unsubstantiated or unfounded allegations shall remain confidential, except that final reports may be disclosed pursuant to Section 6 of this Act.

The Inspector General shall be appointed for a term of 4 years.

When the Office of the Inspector General has substantiated a case of abuse or neglect, the Inspector General shall include in the final report any mitigating or aggravating circumstances that were identified during the investigation. Upon determination that a report of neglect is substantiated, the Inspector General shall then determine whether such neglect rises to the level of egregious neglect.

(b) The Inspector General shall within 24 hours after receiving a report of suspected abuse or neglect determine whether the evidence indicates that any possible criminal act has been committed. If he determines that a possible criminal act has been committed, or that special expertise is required in the investigation, he shall immediately notify the Department of State Police. The Department of State Police shall investigate any report indicating a possible murder, rape, or other felony. All investigations conducted by the Inspector General shall be conducted in a manner designed to ensure the preservation of evidence for possible use in a criminal prosecution.

(b-5) The Inspector General shall make a determination to accept or reject a preliminary report of the investigation of alleged abuse or neglect based on established investigative procedures. Notice of the Inspector General’s determination must be given to the person who claims to be the victim of the abuse or neglect, the person or persons alleged to have been responsible for abuse or neglect, and to the facility or agency. The facility or agency or the person or persons alleged to have been responsible for the abuse or neglect and the person who claims to be the victim of the abuse or neglect may request clarification or reconsideration based on additional information. For cases where the allegation of abuse or neglect is substantiated, the Inspector General shall require the facility or agency to submit a written response. The written response from a facility or agency shall address in a concise and reasoned manner the actions that the agency or facility will take or has taken to protect the resident or patient from abuse or neglect, prevent reoccurrences, and eliminate problems identified and shall include implementation and completion dates for all such action.

(c) The Inspector General shall, within 10 calendar days after the transmittal date of a completed investigation where abuse or neglect is substantiated or administrative action is recommended, provide a complete report on the case to the Secretary of Human Services and to the agency in which the abuse or neglect is alleged to have happened. The complete report shall include a written response from the agency or facility operated by the State to the Inspector General that addresses in a concise and reasoned manner the actions that the agency or facility will take or has taken to protect the resident or patient from abuse or neglect, prevent reoccurrences, and eliminate problems identified and shall include implementation and completion dates for all such action. The Secretary of Human Services shall accept or reject the response and establish how the Department will determine whether the facility or program followed the approved response. The Secretary may require Department personnel to visit the facility or agency for training, technical assistance, programmatic, licensure, or certification purposes. Administrative action, including sanctions, may be applied should the Secretary reject the response or should the facility or agency fail to follow the approved response. The facility or agency shall inform the resident or patient and the legal guardian whether the reported allegation was substantiated, unsubstantiated, or unfounded. There shall be an appeals process for any person or agency that is subject to any action based on a recommendation or recommendations.

(d) The Inspector General may recommend to the Departments of Public Health and Human Services sanctions to be imposed against mental health and developmental disabilities facilities under the jurisdiction of the Department of Human Services for the protection of residents, including appointment of on-site monitors or receivers, transfer or relocation of residents, and closure of units. The Inspector General may seek the assistance of the Attorney General or any of the several State’s attorneys in imposing such sanctions.

(e) The Inspector General shall establish and conduct periodic training programs for Department employees concerning the prevention and reporting of neglect and abuse.

(f) The Inspector General shall at all times be granted access to any mental health or
developmental disabilities facility operated by the Department, shall establish and conduct unannounced site visits to those facilities at least once annually, and shall be granted access, for the purpose of investigating a report of abuse or neglect, to any facility or program funded by the Department that is subject under the provisions of this Section to investigation by the Inspector General for a report of abuse or neglect.

(g) Nothing in this Section shall limit investigations by the Department of Human Services that may otherwise be required by law or that may be necessary in that Department's capacity as the central administrative authority responsible for the operation of State mental health and developmental disability facilities.

(g-5) After notice and an opportunity for a hearing that is separate and distinct from the Office of the Inspector General's appeals process as implemented under subsection (c) of this Section, the Inspector General shall report to the Department of Public Health's nurse aide registry under Section 3-206.01 of the Nursing Home Care Act the identity of individuals against whom there has been a substantiated finding of physical or sexual abuse or egregious neglect of a service recipient.

Nothing in this subsection shall diminish or impair the rights of a person who is a member of a collective bargaining unit pursuant to the Illinois Public Labor Relations Act or pursuant to any federal labor statute. An individual who is a member of a collective bargaining unit as described above shall not be reported to the Department of Public Health's nurse aide registry until the exhaustion of that individual's grievance and arbitration rights, or until 3 months after the initiation of the grievance process, whichever occurs first, provided that the Department of Human Services' hearing under subsection (c), that is separate and distinct from the Office of the Inspector General's appeals process, has concluded. Notwithstanding anything hereinafter or previously provided, if an action taken by an employer against an individual as a result of the circumstances that led to a finding of physical or sexual abuse or egregious neglect is later overturned under a grievance or arbitration procedure provided for in Section 8 of the Illinois Public Labor Relations Act or under a collective bargaining agreement, the report must be removed from the registry.

The Department of Human Services shall promulgate or amend rules as necessary or appropriate to establish procedures for reporting to the registry, including the definition of egregious neglect, procedures for notice to the individual and victim, appeal and hearing procedures, and petition for removal of the report from the registry. The portion of the rules pertaining to hearings shall provide that, at the hearing, both parties may present written and oral evidence. The Department shall be required to establish by a preponderance of the evidence that the Office of the Inspector General's finding of physical or sexual abuse or egregious neglect warrants reporting to the Department of Public Health's nurse aide registry under Section 3-206.01 of the Nursing Home Care Act.

Notice to the individual shall include a clear and concise statement of the grounds on which the report to the registry is based and notice of the opportunity for a hearing to contest the report. The Department of Human Services shall provide the notice by certified mail to the last known address of the individual. The notice shall give the individual an opportunity to contest the report in a hearing before the Department of Human Services or to submit a written response to the findings instead of requesting a hearing. If the individual does not request a hearing or if after notice and a hearing the Department of Human Services finds that the report is valid, the finding shall be included as part of the registry, as well as a brief statement from the reported individual if he or she chooses to make a statement. The Department of Public Health shall make available to the public information reported to the registry. In a case of inquiries concerning an individual listed in the registry, any information disclosed concerning a finding of abuse or neglect shall also include disclosure of the individual's brief statement in the registry relating to the reported finding or include a clear and accurate summary of the statement.

At any time after the report of the registry, an individual may petition the Department of Human Services for removal from the registry of the finding against him or her. Upon receipt of such a petition, the Department of Human Services shall conduct an investigation and hearing on the petition. Upon completion of the investigation and hearing, the Department of Human Services shall report the removal of the finding to the registry unless the Department of Human Services determines that removal is not in the public interest.

Section 15. The Nursing Home Care Act is amended by changing Section 3-206.1 as follows:

Sec. 3-206.01. Nurse aide registry.

(a) The Department shall establish and maintain a registry of all individuals who have satisfactorily completed the training required by Section 3-206. The registry shall include the name of the nursing assistant, habilitation aide, or child care aide, his or her current address, Social Security number, and the date and location of the training course completed by the individual, and the date of the individual's last criminal records check. Any individual placed on the registry is required to inform the Department of any change of address within 30 days. A facility shall not employ an individual as a nursing assistant, habilitation aide, or child care aide unless the facility has inquired of the Department as to information in the registry concerning the individual and shall not employ anyone not on the registry unless the individual is enrolled in a training program under paragraph (5) of subsection (a) of Section 3-206 of this Act.

If the Department finds that a nursing assistant, habilitation aide, or child care aide has abused a resident, neglected a resident, or misappropriated resident property in a facility, the Department shall notify the individual of this finding by certified mail sent to the address contained in the registry. The notice shall give the individual an opportunity to contest the finding in a hearing before the Department or to submit a written response to the findings in lieu of requesting a hearing. If, after a hearing or if the individual does not request a hearing, the Department finds that the individual abused a resident, neglected a resident, or misappropriated resident property in a facility, the finding shall be included as part of the registry as well as a brief statement from the individual, if he or she chooses to make such a statement. The Department shall make information in the registry available to the public. In the case of inquiries to the registry concerning an individual listed in the registry, any information disclosed concerning such a finding shall also include disclosure of any statement in the registry relating to the finding or a clear and accurate summary of the statement.

(b) The Department shall add to the nurse aide registry records of findings as reported by the Inspector General or remove from the nurse aide registry records of findings as reported by the Department of Human Services, under Section 6.2 of the Abuse and Neglected Long Term Care Facility Residents Reporting Act.

Section 99. Effective date. This Act takes effect on January 1, 2002.
Effective January 1, 2002.

PUBLIC ACT 92-0474
(House Bill No. 0843)

AN ACT concerning telecommunications.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Mobile Telecommunications Sourcing Conformity Act.

Section 5. Legislative intent. The General Assembly recognizes that the Mobile Telecommunications Sourcing Act, Public Law 106-252, codified at 4 U.S.C Sections 116 through 126, was passed by the United States Congress to establish sourcing requirements for state and local taxation of mobile telecommunication services. In general, the rules provide that taxes on mobile telecommunications services shall be collected and remitted to the jurisdiction where the customer's primary use of the services occurs, irrespective of where the mobile telecommunications services originate, terminate, or pass through. By passing this legislation in the State of Illinois, the General Assembly desires to implement that Act in this State by establishing the Mobile Telecommunications Sourcing Conformity Act and to inform State and local government officials of its provisions as it applies to the taxes of this State.

Section 10. Definitions. As used in this Act:

"Charges for mobile telecommunications services" means any charge for, or associated with,
the provision of commercial mobile radio service, as defined in Section 20.3 of Title 47 of the Code of Federal Regulations as in effect on June 1, 1999, or any charge for, or associated with, a service provided as an adjunct to a commercial mobile radio service, that is billed to the customer by or for the customer's home service provider regardless of whether individual transmissions originate or terminate within the licensed service area of the home service provider.

"Customer" means (i) the person or entity that contracts with the home service provider for mobile telecommunications services or (ii) if the end user of mobile telecommunications services is not the contracting party, the end user of the mobile telecommunications services, but this clause (ii) applies only for the purpose of determining the place of primary use. "Customer" does not include (i) a reseller of mobile telecommunications service or (ii) a serving carrier under an arrangement to serve the customer outside the home service provider's licensed service area.

"Designated database provider" means a corporation, association, or other entity representing all the political subdivisions of a State that is:

(i) responsible for providing an electronic database prescribed in Section 25 if the State has not provided such electronic database; and

(ii) approved by municipal and county associations or leagues of the State whose responsibility it would otherwise be to provide such database prescribed by Sections 116 through 126 of Title 4 of the United States Code.

"Enhanced zip code" means a United States postal zip code of 9 or more digits.

"Home service provider" means the facilities-based carrier or reseller with which the customer contracts for the provision of mobile telecommunications services.

"Licensed service area" means the geographic area in which the home service provider is authorized by law or contract to provide commercial mobile radio service to the customer.

"Mobile telecommunications service" means commercial mobile radio service, as defined in Section 20.3 of Title 47 of the Code of Federal Regulations as in effect on June 1, 1999.

"Place of primary use" means the street address representative of where the customer's use of the mobile telecommunications service primarily occurs, which must be:

(i) the residential street address or the primary business street address of the customer; and

(ii) within the licensed service area of the home service provider.

"Prepaid telephone calling services" means the right to purchase exclusively telecommunications services that must be paid for in advance that enables the origination of calls using an access number, authorization code, or both, whether manually or electronically dialed, if the remaining amount of units of service that have been prepaid is known by the provider of the prepaid service on a continuous basis.

"Reseller" means a provider who purchases telecommunications services from another telecommunications service provider and then resells, uses as a component part of, or integrates the purchased services into a mobile telecommunications service. "Reseller" does not include a serving carrier with which a home service provider arranges for the services to its customers outside the home service provider's licensed service area.

"Serving carrier" means a facilities-based carrier providing mobile telecommunications service to a customer outside a home service provider's or reseller's licensed service area.

"Taxing jurisdiction" means any of the several states, the District of Columbia, or any territory or possession of the United States, any municipality, city, county, township, parish, transportation district, or assessment jurisdiction, or any other political subdivision within the territorial limits of the United States with the authority to impose a tax, charge, or fee.

Section 15. Application of this Act. The provisions of this Act shall apply as follows:

(a) General provisions. This Act shall apply to any tax, charge, or fee levied by the State or a taxing jurisdiction within this State as a fixed charge for each customer or measured by gross amounts charged to customers for mobile telecommunications services, regardless of whether the tax, charge, or fee is imposed on the vendor or customer of the service and regardless of the terminology used to describe the tax, charge, or fee.

(b) General exceptions. This Act does not apply to:

(1) any tax, charge, or fee levied upon or measured by the net income, capital stock, net worth, or property value of the provider of mobile telecommunications service;

(2) any tax, charge, or fee that is applied to an equitably apportioned amount that is not
determined on a transactional basis;

(3) any tax, charge, or fee that represents compensation for a mobile telecommunications service provider's use of public rights of way or other public property, provided that such tax, charge, or fee is not levied by the taxing jurisdiction as a fixed charge for each customer or measured by gross amounts charged to customers for mobile telecommunications services;

(4) any generally applicable business and occupation tax that is imposed by a State, is applied to gross receipts or gross proceeds, is the legal liability of the home service provider, and that statutorily allows the home service provider to elect to use the sourcing method required in this Act;

(5) any fee related to obligations under Section 254 of the federal Communications Act of 1934; or

(6) any tax, charge, or fee imposed by the Federal Communications Commission.

(c) Specific exceptions. The provisions of this Act:

(1) do not apply to the determination of the taxing situs of prepaid telephone calling services;

(2) do not affect the taxability of either the initial sale of mobile telecommunications services or subsequent resale of such services, whether as sales of such services alone or as a part of a bundled product, if the federal Internet Tax Freedom Act would preclude a taxing jurisdiction from subjecting the charges of the sale of such services to a tax, charge, or fee, but this Section provides no evidence of the intent of the General Assembly with respect to the applicability of the federal Internet Tax Freedom Act to such charges; and

(3) do not apply to the determination of the taxing situs of air-ground radiotelephone service as defined in Section 22.99 of Title 47 of the Code of Federal Regulations as in effect on June 1, 1999.

(d) Date of applicability. The provisions of this Act apply to customer bills issued on or after August 1, 2002.

Section 20. Sourcing rules for mobile telecommunications services.

(a) Notwithstanding the law of this State or any political subdivision of this State, mobile telecommunications services provided in a taxing jurisdiction to a customer, the charges for which are billed by or for the customer's home service provider, shall be deemed to be provided by the customer's home service provider.

(b) All charges for mobile telecommunications services that are deemed to be provided by the customer's home service provider under this Act are authorized to be subjected to tax, charge, or fee by the taxing jurisdictions whose territorial limits encompass the customer's place of primary use, regardless of where the mobile telecommunications services originate, terminate, or pass through, and no other taxing jurisdiction may impose taxes, charges, or fees on charges for such mobile telecommunications services.

(a) The State may provide an electronic database to a home service provider or, if the State does not provide such an electronic database to home service providers, then the designated database provider may provide an electronic database to a home service provider.

(b) The electronic database, whether provided by the State or the designated database provider, shall:

(1) be provided in a format approved by the American National Standards Institute's Accredited Standards Committee X12, that, allowing for de minimis deviations, designates for each street address in the State, including to the extent practical, any multiple postal street addresses applicable to one street location, the appropriate taxing jurisdictions, and the appropriate code for each taxing jurisdiction, for each level of taxing jurisdiction, identified by one nationwide standard numeric code described in subsection (c); and

(2) also provide the appropriate code for each street address with respect to political subdivisions that are not taxing jurisdictions when reasonably needed to determine the proper taxing jurisdiction.

(c) The nationwide standard numeric codes shall contain the same number of numeric digits with each digit or combination of digits referring to the same level of taxing jurisdiction throughout the United States using a format similar to FIPS 55-3 or other appropriate standard approved by the
Federation of Tax Administrators and the Multistate Tax Commission, or their successors. Each address shall be provided in standard postal format.

Section 30. Notice; updates. If the State or a designated database provider provides or maintains an electronic database described in Section 25, then the State or the electronic database provider shall provide notice of the availability of the then current electronic database, and any subsequent revisions thereof, by publication in the manner normally employed for the publication of informational tax, charge, or fee notices to taxpayers in the State.

Section 35. User held harmless. A home service provider using the data contained in an electronic database described in Section 25 shall be held harmless from any tax, charge, or fee liability that otherwise would be due solely as a result of any error or omission in the database provided by the State or designated database provider. The home service provider shall reflect changes made to the database during a calendar quarter not later than 30 days after the end of the calendar quarter if the State or an electronic database provider issues notice of the availability of an electronic database reflecting the changes under Section 30.

Section 40. Safe harbor.

(a) If neither the State nor a designated database provider provides an electronic database under Section 25, a home service provider shall be held harmless from any tax, charge, or fee liability that otherwise would be due solely as a result of an assignment of a street address to an incorrect taxing jurisdiction if, subject to Section 60, the home service provider employs an enhanced zip code to assign each street address to a specific taxing jurisdiction for each level of taxing jurisdiction and exercises due diligence at each level of taxing jurisdiction to ensure that each such street address is assigned to the correct taxing jurisdiction. If an enhanced zip code overlaps boundaries of taxing jurisdictions of the same level, the home service provider must designate one specific jurisdiction within the enhanced zip code for use in taxing the activity for the enhanced zip code for each level of taxing jurisdiction. Any enhanced zip code assignment changed in accordance with Section 60 is deemed to be in compliance with this Section.

(b) For purposes of this Section, there is a rebuttable presumption that a home service provider has exercised due diligence if the home service provider demonstrates that it has:

(1) expended reasonable resources to implement and maintain an appropriately detailed electronic database of street address assignments to taxing jurisdictions;
(2) implemented and maintained reasonable internal controls to promptly correct misassignments of street addresses to taxing jurisdictions; and
(3) used all reasonably obtainable and usable data pertaining to municipal annexations, incorporations, reorganizations, and any other changes in jurisdictional boundaries that materially affect the accuracy of the database.

Section 45. Termination of safe harbor. Section 40 applies to a home service provider that is in compliance with the requirements of Section 40 until the later of:

(1) Eighteen months after the nationwide standard numeric code described in Section 25 has been approved by the Federation of Tax Administrators and the Multistate Tax Commission; or
(2) Six months after the State or a designated database provider in the State provides such database as prescribed in Section 25.

Section 50. Home service provider required to obtain and maintain customer's place of primary use. A home service provider shall be responsible for obtaining and maintaining the customer's place of primary use, as defined in this Act. Subject to Section 60, and if the home service provider's reliance on information provided by its customer is in good faith, a taxing jurisdiction shall:

(1) allow a home service provider to rely on the applicable residential or business street address supplied by the home service provider's customer; and
(2) not hold a home service provider liable for any additional taxes, charges, or fees based on a different determination of the place of primary use for taxes, charges, or fees that are customarily passed on to the customer as a separate itemized charge.

Section 55. Primary place of use for service contracts in effect on or before July 28, 2002. Except as provided in Section 60, a taxing jurisdiction shall allow a home service provider to treat the address used by the home service provider for tax purposes for any customer under a service contract or agreement in effect on or before July 28, 2002 as that customer's place of primary use for the remaining term of the service contract or agreement, excluding any extension or renewal of the service...
contract or agreement, for purposes of determining the taxing jurisdictions to which taxes, charges, or fees on charges for mobile telecommunications services are remitted.

Section 60. Determination by taxing jurisdiction or State concerning place of primary use; notice to home service provider. A taxing jurisdiction or the State, on behalf of any taxing jurisdiction or taxing jurisdictions within this State, may:

(a) determine that the address used for purposes of determining the taxing jurisdictions to which taxes, charges, or fees for mobile telecommunications services are remitted does not meet the definition of place of primary use in this Act and give binding notice to the home service provider to change the place of primary use on a prospective basis from the date of notice of determination if:

(1) the taxing jurisdiction obtains the consent of all affected taxing jurisdictions within the State before giving the notice of determination (if the taxing jurisdiction making the determination is not the State); and

(2) before the taxing jurisdiction gives the notice of determination, the customer is given an opportunity to demonstrate in accordance with applicable State or local tax, charge, or fee administrative procedures that the address is the customer's place of primary use.

(b) determine that the assignment of a taxing jurisdiction by a home service provider under Section 40 does not reflect the correct taxing jurisdiction and give binding notice to the home service provider to change the assignment on a prospective basis from the date of notice of determination if:

(1) the taxing jurisdiction obtains the consent of all affected taxing jurisdictions within the State before giving the notice of determination (if the taxing jurisdiction making the determination is not the State); and

(2) the home service provider is given an opportunity to demonstrate in accordance with applicable State or local tax, charge, or fee administrative procedures that the assignment reflects the correct taxing jurisdiction.

Section 65. No change to authority of taxing jurisdiction to collect tax if customer fails to provide place of primary use. Nothing in this Act modifies, impairs, supersedes, or authorizes the modification, impairment, or supersession of, any law allowing a taxing jurisdiction to collect a tax, charge, or fee from a customer that has failed to provide its place of primary use.

Section 70. Tax may be imposed on items not subject to taxation if those items not separately stated. If a taxing jurisdiction does not otherwise subject charges for mobile telecommunications services to taxation and if these charges are aggregated with and not separately stated from charges that are subject to taxation, then the charges for nontaxable mobile telecommunications services may be subject to taxation unless the home service provider can reasonably identify charges not subject to such tax, charge, or fee from its books and records that are kept in the regular course of business.

Section 75. Customers and otherwise nontaxable charges. If a taxing jurisdiction does not subject charges for mobile telecommunications services to taxation, a customer may not rely upon the nontaxability of charges for mobile telecommunications services unless the customer's home service provider separately states the charges for nontaxable mobile telecommunications services from taxable charges or the home service provider elects, after receiving a written request from the customer in the form required by the provider, to provide verifiable data based upon the home service provider's books and records that are kept in the regular course of business that reasonably identifies the nontaxable charges.

Section 80. Customers' procedures and remedies for correcting taxes and fees.

(a) If a customer believes that an amount of tax or assignment of place of primary use or taxing jurisdiction included on a billing is erroneous, the customer shall notify the home service provider in writing. The customer shall include in this written notification the street address for her or his place of primary use, the account name and number for which the customer seeks a correction of the tax assignment, a description of the error asserted by the customer, and any other information that the home service provider reasonably requires to process the request. Within 60 days after receiving a notice under this subsection (a), the home service provider shall review its records and the electronic database or enhanced zip code used pursuant to Section 25 or 40 to determine the customer's taxing jurisdiction. If this review shows that the amount of tax, assignment of place of primary use, or taxing jurisdiction is in error, the home service provider shall correct the error and refund or credit the amount of tax erroneously collected from the customer for a period of up to 2 years. If this review shows that the amount of tax, assignment of place of primary use, or taxing jurisdiction is correct, the

home service provider shall provide a written explanation to the customer.

(b) If the customer is dissatisfied with the response of the home service provider under this Section, the customer may seek a correction or refund or both from the taxing jurisdiction affected.

(c) The procedures in this Section shall be the first course of remedy available to customers seeking correction of assignment of place of primary use or taxing jurisdiction or a refund of or other compensation for taxes, charges, and fees erroneously collected by the home service provider, and no cause of action based upon a dispute arising from these taxes, charges, or fees shall accrue until a customer has reasonably exercised the rights and procedures set forth in this Section.

Section 85. Inseverability clause. If a court of competent jurisdiction enters a final judgment on the merits that (i) is based on federal law, (ii) is no longer subject to appeal, and (iii) substantially limits or impairs the essential elements of Sections 116 through 126 of Title 4 of the United States Code, then the provisions of this Act are invalid and have no legal effect as of the date of entry of such judgment.

Section 905. The Telecommunications Excise Tax Act is amended by changing Section 2 as follows:

(35 ILCS 630/2) (from Ch. 120, par. 2002)

Sec. 2. As used in this Article, unless the context clearly requires otherwise:

(a) "Gross charge" means the amount paid for the act or privilege of originating or receiving telecommunications in this State and for all services and equipment provided in connection therewith by a retailer, valued in money whether paid in money or otherwise, including cash, credits, services and property of every kind or nature, and shall be determined without any deduction on account of the cost of such telecommunications, the cost of materials used, labor or service costs or any other expense whatsoever. In case credit is extended, the amount thereof shall be included only as and when paid. "Gross charges" for private line service shall include charges imposed at each channel point within this State, charges for the channel mileage between each channel point within this State, and charges for that portion of the interstate inter-office channel provided within Illinois. However, "gross charges" shall not include:

(1) any amounts added to a purchaser's bill because of a charge made pursuant to (i) the tax imposed by this Article; (ii) charges added to customers' bills pursuant to the provisions of Sections 9-221 or 9-222 of the Public Utilities Act, as amended, or any similar charges added to customers' bills by retailers who are not subject to rate regulation by the Illinois Commerce Commission for the purpose of recovering any of the tax liabilities or other amounts specified in such provisions of such Act; or (iii) the tax imposed by Section 4251 of the Internal Revenue Code;

(2) charges for a sent collect telecommunication received outside of the State;

(3) charges for leased time on equipment or charges for the storage of data or information for subsequent retrieval or the processing of data or information intended to change its form or content. Such equipment includes, but is not limited to, the use of calculators, computers, data processing equipment, tabulating equipment or accounting equipment and also includes the usage of computers under a time-sharing agreement;

(4) charges for customer equipment, including such equipment that is leased or rented by the customer from any source, wherein such charges are disaggregated and separately identified from other charges;

(5) charges to business enterprises certified under Section 9-222.1 of the Public Utilities Act, as amended, to the extent of such exemption and during the period of time specified by the Department of Commerce and Community Affairs;

(6) charges for telecommunications and all services and equipment provided in connection therewith between a parent corporation and its wholly owned subsidiaries or between wholly owned subsidiaries when the tax imposed under this Article has already been paid to a retailer and only to the extent that the charges between the parent corporation and wholly owned subsidiaries or between wholly owned subsidiaries represent expense allocation between the corporations and not the generation of profit for the corporation rendering such service;

(7) bad debts. Bad debt means any portion of a debt that is related to a sale at retail for which gross charges are not otherwise deductible or excludable that has become worthless or
uncollectable, as determined under applicable federal income tax standards. If the portion of the debt deemed to be bad is subsequently paid, the retailer shall report and pay the tax on that portion during the reporting period in which the payment is made;

(8) charges paid by inserting coins in coin-operated telecommunication devices;

(9) amounts paid by telecommunications retailers under the Telecommunications Municipal Infrastructure Maintenance Fee Act.

(b) "Amount paid" means the amount charged to the taxpayer's service address in this State regardless of where such amount is billed or paid.

(c) "Telecommunications", in addition to the meaning ordinarily and popularly ascribed to it, includes, without limitation, messages or information transmitted through use of local, toll and wide area telephone service; private line services; channel services; telegraph services; teletypewriter; computer exchange services; cellular mobile telecommunications service; specialized mobile radio; stationary two way radio; paging service; or any other form of mobile and portable one-way or two-way communications; or any other transmission of messages or information by electronic or similar means, between or among points by wire, cable, fiber-optics, laser, microwave, radio, satellite or similar facilities. As used in this Act, "private line" means a dedicated non-traffic sensitive service for a single customer, that entitles the customer to exclusive or priority use of a communications channel or group of channels, from one or more specified locations to one or more other specified locations. The definition of "telecommunications" shall not include value added services in which computer processing applications are used to act on the form, content and protocol of the information for purposes other than transmission. "Telecommunications" shall not include purchases of telecommunications by a telecommunications service provider for use as a component part of the service provided by him to the ultimate retail consumer who originates or terminates the taxable end-to-end communications. Carrier access charges, right of access charges, charges for use of inter-company facilities, and all telecommunications resold in the subsequent provision of, used as a component of, or integrated into end-to-end telecommunications service shall be non-taxable as sales for resale.

(d) "Interstate telecommunications" means all telecommunications that either originate or terminate outside this State.

(e) "Intrastate telecommunications" means all telecommunications that originate and terminate within this State.

(f) "Department" means the Department of Revenue of the State of Illinois.

(h) "Taxpayer" means a person who individually or through his agents, employees or permittees engages in the act or privilege of originating or receiving telecommunications in this State and who incurs a tax liability under this Article.

(i) "Person" means any natural individual, firm, trust, estate, partnership, association, joint stock company, joint venture, corporation, limited liability company, or a receiver, trustee, guardian or other representative appointed by order of any court, the Federal and State governments, including State universities created by statute or any city, town, county or other political subdivision of this State.

(j) "Purchase at retail" means the acquisition, consumption or use of telecommunication through a sale at retail.

(k) "Sale at retail" means the transmitting, supplying or furnishing of telecommunications and all services and equipment provided in connection therewith for a consideration to persons other than the Federal and State governments, and State universities created by statute and other than between a parent corporation and its wholly owned subsidiaries or between wholly owned subsidiaries for their use or consumption and not for resale.

(l) "Retailer" means and includes every person engaged in the business of making sales at retail as defined in this Article. The Department may, in its discretion, upon application, authorize the collection of the tax hereby imposed by any retailer not maintaining a place of business within this State, who, to the satisfaction of the Department, furnishes adequate security to insure collection and payment of the tax. Such retailer shall be issued, without charge, a permit to collect such tax. When so authorized, it shall be the duty of such retailer to collect the tax upon all of the gross charges for

New matter indicated by italics - deletions by strikeout.
telecommunications in this State in the same manner and subject to the same requirements as a retailer maintaining a place of business within this State. The permit may be revoked by the Department at its discretion.

(m) "Retailer maintaining a place of business in this State", or any like term, means and includes any retailer having or maintaining within this State, directly or by a subsidiary, an office, distribution facilities, transmission facilities, sales office, warehouse or other place of business, or any agent or other representative operating within this State under the authority of the retailer or its subsidiary, irrespective of whether such place of business or agent or other representative is located here permanently or temporarily, or whether such retailer or subsidiary is licensed to do business in this State.

(n) "Service address" means the location of telecommunications equipment from which the telecommunications services are originated or at which telecommunications services are received by a taxpayer. In the event this may not be a defined location, as in the case of mobile phones, paging systems, maritime systems, service address means the customer's place of primary use as defined in the Mobile Telecommunications Sourcing Conformity Act. For air-to-ground systems and the like, service address shall mean the location of a taxpayer's primary use of the telecommunications equipment as defined by telephone number, authorization code, or location in Illinois where bills are sent.

(o) "Prepaid telephone calling arrangements" mean the right to exclusively purchase telephone or telecommunications services that must be paid for in advance and enable the origination of one or more intrastate, interstate, or international telephone calls or other telecommunications services using an access number, an authorization code, or both, whether manually or electronically dialed, for which payment to a retailer must be made in advance, provided that, unless recharged, no further service is provided once that prepaid amount of service has been consumed. Prepaid telephone calling arrangements include the recharge of a prepaid calling arrangement. For purposes of this subsection, "recharge" means the purchase of additional prepaid telephone or telecommunications services whether or not the purchaser acquires a different access number or authorization code. "Prepaid telephone calling arrangement" does not include an arrangement whereby a customer purchases a payment card and pursuant to which the service provider reflects the amount of such purchase as a credit on an invoice issued to that customer under an existing subscription plan.

Section 910. The Telecommunications Municipal Infrastructure Maintenance Fee Act is amended by changing Section 10 as follows:

(35 ILCS 635/10)
Sec. 10. Definitions.
(a) "Gross charges" means the amount paid to a telecommunications retailer for the act or privilege of originating or receiving telecommunications in this State or the municipality imposing the fee under this Act, as the context requires, and for all services rendered in connection therewith, valued in money whether paid in money or otherwise, including cash, credits, services, and property of every kind or nature, and shall be determined without any deduction on account of the cost of such telecommunications, the cost of the materials used, labor or service costs, or any other expense whatsoever. In case credit is extended, the amount thereof shall be included only as and when paid. "Gross charges" for private line service shall include charges imposed at each channel point within this State or the municipality imposing the fee under this Act, charges for the channel mileage between each channel point within this State or the municipality imposing the fee under this Act, and charges for that portion of the interstate inter-office channel provided within Illinois or the municipality imposing the fee under this Act. However, "gross charges" shall not include:

(1) any amounts added to a purchaser's bill because of a charge made under: (i) the fee imposed by this Section, (ii) additional charges added to a purchaser's bill under Section 9-221 or 9-222 of the Public Utilities Act, (iii) amounts collected under Section 8-11-17 of the Illinois Municipal Code, (iv) the tax imposed by the Telecommunications Excise Tax Act, (v) 911 surcharges, or (vi) the tax imposed by Section 4251 of the Internal Revenue Code;

or subsequent retrieval or the processing of data or information intended to change its form or content. Such equipment includes, but is not limited to, the use of calculators, computers, data processing equipment, tabulating equipment, or accounting equipment and also includes the usage of computers under a time-sharing agreement;

(4) charges for customer equipment, including such equipment that is leased or rented by the customer from any source, wherein such charges are disaggregated and separately identified from other charges;

(5) charges to business enterprises certified under Section 9-222.1 of the Public Utilities Act to the extent of such exemption and during the period of time specified by the Department of Commerce and Community Affairs or by the municipality imposing the fee under the Act, as the context requires;

(6) charges for telecommunications and all services and equipment provided in connection therewith between a parent corporation and its wholly owned subsidiaries or between wholly owned subsidiaries, and only to the extent that the charges between the parent corporation and wholly owned subsidiaries or between wholly owned subsidiaries represent expense allocation between the corporations and not the generation of profit other than a regulatory required profit for the corporation rendering such services;

(7) bad debts ("bad debt" means any portion of a debt that is related to a sale at retail for which gross charges are not otherwise deductible or excludable that has become worthless or uncollectible, as determined under applicable federal income tax standards; if the portion of the debt deemed to be bad is subsequently paid, the retailer shall report and pay the tax on that portion during the reporting period in which the payment is made);

(8) charges paid by inserting coins in coin-operated telecommunication devices; or

(9) charges for telecommunications and all services and equipment provided to a municipality imposing the infrastructure maintenance fee.

(a-5) "Department" means the Illinois Department of Revenue.

(b) "Telecommunications" includes, but is not limited to, messages or information transmitted through use of local, toll, and wide area telephone service, channel services, telegraph services, teletypewriter service, computer exchange services, private line services, specialized mobile radio services, or any other transmission of messages or information by electronic or similar means, between or among points by wire, cable, fiber optics, laser, microwave, radio, satellite, or similar facilities. Unless the context clearly requires otherwise, "telecommunications" shall also include wireless telecommunications as hereinafter defined. "Telecommunications" shall not include value added services in which computer processing applications are used to act on the form, content, code, and protocol of the information for purposes other than transmission. "Telecommunications" shall not include purchase of telecommunications by a telecommunications service provider for use as a component part of the service provided by him or her to the ultimate retail consumer who originates or terminates the end-to-end communications. Retailer access charges, right of access charges, charges for use of intercompany facilities, and all telecommunications resold in the subsequent provision and used as a component of, or integrated into, end-to-end telecommunications service shall not be included in gross charges as sales for resale. "Telecommunications" shall not include the provision of cable services through a cable system as defined in the Cable Communications Act of 1984 (47 U.S.C. Sections 521 and following) as now or hereafter amended or through an open video system as defined in the Rules of the Federal Communications Commission (47 C.D.F. 76.1550 and following) as now or hereafter amended. Beginning January 1, 2001, prepaid telephone calling arrangements shall not be considered "telecommunications" subject to the tax imposed under this Act. For purposes of this Section, "prepaid telephone calling arrangements" means that term as defined in Section 2-27 of the Retailers' Occupation Tax Act.

(c) "Wireless telecommunications" includes cellular mobile telephone services, personal wireless services as defined in Section 704(C) of the Telecommunications Act of 1996 (Public Law No. 104-104) as now or hereafter amended, including all commercial mobile radio services, and paging services.

(d) "Telecommunications retailer" or "retailer" or "carrier" means and includes every person engaged in the business of making sales of telecommunications at retail as defined in this Section. The Illinois Department of Revenue or the municipality imposing the fee, as the case may be, may, in its
discretion, upon applications, authorize the collection of the fee hereby imposed by any retailer not maintaining a place of business within this State, who, to the satisfaction of the Department or municipality, furnishes adequate security to insure collection and payment of the fee. When so authorized, it shall be the duty of such retailer to pay the fee upon all of the gross charges for telecommunications in the same manner and subject to the same requirements as a retailer maintaining a place of business within the State or municipality imposing the fee.

(e) "Retailer maintaining a place of business in this State", or any like term, means and includes any retailer having or maintaining within this State, directly or by a subsidiary, an office, distribution facilities, transmission facilities, sales office, warehouse, or other place of business, or any agent or other representative operating within this State under the authority of the retailer or its subsidiary, irrespective of whether such place of business or agent or other representative is located here permanently or temporarily, or whether such retailer or subsidiary is licensed to do business in this State.

(f) "Sale of telecommunications at retail" means the transmitting, supplying, or furnishing of telecommunications and all services rendered in connection therewith for a consideration, other than between a parent corporation and its wholly owned subsidiaries or between wholly owned subsidiaries, when the gross charge made by one such corporation to another such corporation is not greater than the gross charge paid to the retailer for their use or consumption and not for sale.

(g) "Service address" means the location of telecommunications equipment from which telecommunications services are originated or at which telecommunications services are received. If this is not a defined location, as in the case of wireless telecommunications, paging systems, maritime systems, service address means the customer's place of primary use as defined in the Mobile Telecommunications Sourcing Conformity Act. For air-to-ground systems, and the like, "service address" shall mean the location of the customer's primary use of the telecommunications equipment as defined by the location in Illinois where bills are sent.

Section 915. The Emergency Telephone System Act is amended by changing Section 15.3 as follows:

(50 ILCS 750/15.3) (from Ch. 134, par. 45.3)

Sec. 15.3. (a) The corporate authorities of any municipality or any county may, subject to the limitations of subsections (c), (d), and (h), and in addition to any tax levied pursuant to Section 8-11-2 of the Illinois Municipal Code, impose a monthly surcharge on billed subscribers of network connection provided by telecommunication carriers engaged in the business of transmitting messages by means of electricity originating within the corporate limits of the municipality or county imposing the surcharge at a rate per network connection determined in accordance with subsection (c).

For mobile telecommunications services, if a surcharge is imposed it shall be imposed based upon the municipality or county that encompasses the customer's place of primary use as defined in the Mobile Telecommunications Sourcing Conformity Act. A municipality may enter into an intergovernmental agreement with any county in which it is partially located, when the county has adopted an ordinance imposing a surcharge on telecommunications carriers.

(b) For purposes of computing the surcharge imposed by subsection (a), the network connections to which the surcharge shall apply shall be those in-service network connections, other than those network connections assigned to the municipality or county, where the service address for each such network connection or connections is located within the corporate limits of the municipality or county levying the surcharge. Except for mobile telecommunication services, the "service address" shall mean the location of the primary use of the network connection or connections. For mobile telecommunication services, "service address" means the customer's place of primary use as defined in the Mobile Telecommunications Sourcing Conformity Act. With respect to network connections provided for use with pay telephone services for which there is no billed subscriber, the telecommunications carrier providing the network connection shall be deemed to be its own billed subscriber for purposes of applying the surcharge.
(c) Upon the passage of an ordinance to impose a surcharge under this Section the clerk of the municipality or county shall certify the question of whether the surcharge may be imposed to the proper election authority who shall submit the public question to the electors of the municipality or county in accordance with the general election law; provided that such question shall not be submitted at a consolidated primary election. The public question shall be in substantially the following form:

Shall the county (or city, village or incorporated town) of....impose a surcharge of up to...¢ per month per network connection, which surcharge will be added to the monthly bill you receive for telephone or telecommunications charges, for the purpose of installing (or improving) a 9-1-1 Emergency Telephone System? YES NO

If a majority of the votes cast upon the public question are in favor thereof, the surcharge shall be imposed.

However, if a Joint Emergency Telephone System Board is to be created pursuant to an intergovernmental agreement under Section 15.4, the ordinance to impose the surcharge shall be subject to the approval of a majority of the total number of votes cast upon the public question by the electors of all of the municipalities or counties, or combination thereof, that are parties to the intergovernmental agreement.

The referendum requirement of this subsection (c) shall not apply to any municipality with a population over 500,000 or to any county in which a proposition as to whether a sophisticated 9-1-1 Emergency Telephone System should be installed in the county, at a cost not to exceed a specified monthly amount per network connection, has previously been approved by a majority of the electors of the county voting on the proposition at an election conducted before the effective date of this amendatory Act of 1987.

(d) A county may not impose a surcharge, unless requested by a municipality, in any incorporated area which has previously approved a surcharge as provided in subsection (c) or in any incorporated area where the corporate authorities of the municipality have previously entered into a binding contract or letter of intent with a telecommunications carrier to provide sophisticated 9-1-1 service through municipal funds.

(e) A municipality or county may at any time by ordinance change the rate of the surcharge imposed under this Section if the new rate does not exceed the rate specified in the referendum held pursuant to subsection (c).

(f) The surcharge authorized by this Section shall be collected from the subscriber by the telecommunications carrier providing the subscriber the network connection as a separately stated item on the subscriber's bill.

(g) The amount of surcharge collected by the telecommunications carrier shall be paid to the particular municipality or county or Joint Emergency Telephone System Board not later than 30 days after the surcharge is collected, net of any network or other 9-1-1 or sophisticated 9-1-1 system charges then due the particular telecommunications carrier, as shown on an itemized bill. The telecommunications carrier collecting the surcharge shall also be entitled to deduct 3% of the gross amount of surcharge collected to reimburse the telecommunications carrier for the expense of accounting and collecting the surcharge.

(h) A municipality with a population over 500,000 may not impose a monthly surcharge in excess of $1.25 per network connection.

(i) Any municipality or county or joint emergency telephone system board that has imposed a surcharge pursuant to this Section prior to the effective date of this amendatory Act of 1990 shall hereafter impose the surcharge in accordance with subsection (b) of this Section.

(j) The corporate authorities of any municipality or county may issue, in accordance with Illinois law, bonds, notes or other obligations secured in whole or in part by the proceeds of the surcharge described in this Section. Notwithstanding any change in law subsequent to the issuance of these obligations, the proceeds of these obligations shall be credited and used only for the purpose of paying the surcharge described in this Section.
of any bonds, notes or other obligations secured by the surcharge, every municipality or county issuing such bonds, notes or other obligations shall be authorized to impose the surcharge as though the laws relating to the imposition of the surcharge in effect at the time of issuance of the bonds, notes or other obligations were in full force and effect until the bonds, notes or other obligations are paid in full. The State of Illinois pledges and agrees that it will not limit or alter the rights and powers vested in municipalities and counties by this Section to impose the surcharge so as to impair the terms of or affect the security for bonds, notes or other obligations secured in whole or in part with the proceeds of the surcharge described in this Section.

(k) Any surcharge collected by or imposed on a telecommunications carrier pursuant to this Section shall be held to be a special fund in trust for the municipality, county or Joint Emergency Telephone Board imposing the surcharge. Except for the 3% deduction provided in subsection (g) above, the special fund shall not be subject to the claims of creditors of the telecommunication carrier.

Section 920. The Illinois Municipal Code is amended by changing Section 8-11-2 as follows:
(65 ILCS 5/8-11-2) (from Ch. 24, par. 8-11-2)
Sec. 8-11-2. The corporate authorities of any municipality may tax any or all of the following occupations or privileges:

1. Persons engaged in the business of transmitting messages by means of electricity or radio magnetic waves, or fiber optics, at a rate not to exceed 5% of the gross receipts from that business originating within the corporate limits of the municipality. Beginning January 1, 2001, prepaid telephone calling arrangements shall not be subject to the tax imposed under this Section. For purposes of this Section, "prepaid telephone calling arrangements" means that term as defined in Section 2-27 of the Retailers' Occupation Tax Act.

2. Persons engaged in the business of distributing, supplying, furnishing, or selling gas for use or consumption within the corporate limits of a municipality of 500,000 or fewer population, and not for resale, at a rate not to exceed 5% of the gross receipts therefrom.

2a. Persons engaged in the business of distributing, supplying, furnishing, or selling gas for use or consumption within the corporate limits of a municipality of over 500,000 population, and not for resale, at a rate not to exceed 8% of the gross receipts therefrom. If imposed, this tax shall be paid in monthly payments.

3. The privilege of using or consuming electricity acquired in a purchase at retail and used or consumed within the corporate limits of the municipality at rates not to exceed the following maximum rates, calculated on a monthly basis for each purchaser:

   (i) For the first 2,000 kilowatt-hours used or consumed in a month; 0.61 cents per kilowatt-hour;
   (ii) For the next 48,000 kilowatt-hours used or consumed in a month; 0.40 cents per kilowatt-hour;
   (iii) For the next 50,000 kilowatt-hours used or consumed in a month; 0.36 cents per kilowatt-hour;
   (iv) For the next 400,000 kilowatt-hours used or consumed in a month; 0.35 cents per kilowatt-hour;
   (v) For the next 500,000 kilowatt-hours used or consumed in a month; 0.34 cents per kilowatt-hour;
   (vi) For the next 2,000,000 kilowatt-hours used or consumed in a month; 0.32 cents per kilowatt-hour;
   (vii) For the next 5,000,000 kilowatt-hours used or consumed in a month; 0.31 cents per kilowatt-hour;
   (viii) For the next 10,000,000 kilowatt-hours used or consumed in a month; 0.305 cents per kilowatt-hour; and
   (x) For all electricity used or consumed in excess of 20,000,000 kilowatt-hours in a month, 0.30 cents per kilowatt-hour.

   If a municipality imposes a tax at rates lower than either the maximum rates specified in this Section or the alternative maximum rates promulgated by the Illinois Commerce Commission, the tax shall be paid in monthly payments.

New matter indicated by italics - deletions by strikeout.
Commission, as provided below, the tax rates shall be imposed upon the kilowatt hour categories set forth above with the same proportional relationship as that which exists among such maximum rates. Notwithstanding the foregoing, until December 31, 2008, no municipality shall establish rates that are in excess of rates reasonably calculated to produce revenues that equal the maximum total revenues such municipality could have received under the tax authorized by this subparagraph in the last full calendar year prior to the effective date of Section 65 of this amendatory Act of 1997; provided that this shall not be a limitation on the amount of tax revenues actually collected by such municipality.

Upon the request of the corporate authorities of a municipality, the Illinois Commerce Commission shall, within 90 days after receipt of such request, promulgate alternative rates for each of these kilowatt-hour categories that will reflect, as closely as reasonably practical for that municipality, the distribution of the tax among classes of purchasers as if the tax were based on a uniform percentage of the purchase price of electricity. A municipality that has adopted an ordinance imposing a tax pursuant to subparagraph 3 as it existed prior to the effective date of Section 65 of this amendatory Act of 1997 may, rather than imposing the tax permitted by this amendatory Act of 1997, continue to impose the tax pursuant to that ordinance with respect to gross receipts received from residential customers through July 31, 1999, and with respect to gross receipts from any non-residential customer until the first bill issued to such customer for delivery services in accordance with Section 16-104 of the Public Utilities Act but in no case later than the last bill issued to such customer before December 31, 2000. No ordinance imposing the tax permitted by this amendatory Act of 1997 shall be applicable to any non-residential customer until the first bill issued to such customer for delivery services in accordance with Section 16-104 of the Public Utilities Act but in no case later than the last bill issued to such non-residential customer before December 31, 2000.

4. Persons engaged in the business of distributing, supplying, furnishing, or selling water for use or consumption within the corporate limits of the municipality, and not for resale, at a rate not to exceed 5% of the gross receipts therefrom.

None of the taxes authorized by this Section may be imposed with respect to any transaction in interstate commerce or otherwise to the extent to which the business or privilege may not, under the constitution and statutes of the United States, be made the subject of taxation by this State or any political sub-division thereof; nor shall any persons engaged in the business of distributing, supplying, furnishing, selling or transmitting gas, water, or electricity, or engaged in the business of transmitting messages, or using or consuming electricity acquired in a purchase at retail, be subject to taxation under the provisions of this Section for those transactions that are or may become subject to taxation under the provisions of the "Municipal Retailers' Occupation Tax Act" authorized by Section 8-11-1; nor shall any tax authorized by this Section be imposed upon any person engaged in a business or on any privilege unless the tax is imposed in like manner and at the same rate upon all persons engaged in businesses of the same class in the municipality, whether privately or municipally owned or operated, or exercising the same privilege within the municipality.

Any of the taxes enumerated in this Section may be in addition to the payment of money, or value of products or services furnished to the municipality by the taxpayer as compensation for the use of its streets, alleys, or other public places, or installation and maintenance therein, thereon or thereunder of poles, wires, pipes or other equipment used in the operation of the taxpayer's business.

(a) If the corporate authorities of any home rule municipality have adopted an ordinance that imposed a tax on public utility customers, between July 1, 1971, and October 1, 1981, on the good faith belief that they were exercising authority pursuant to Section 6 of Article VII of the 1970 Illinois Constitution, that action of the corporate authorities shall be declared legal and valid, notwithstanding a later decision of a judicial tribunal declaring the ordinance invalid. No municipality shall be required to rebate, refund, or issue credits for any taxes described in this paragraph, and those taxes shall be deemed to have been levied and collected in accordance with the Constitution and laws of this State.

(b) In any case in which (i) prior to October 19, 1979, the corporate authorities of any municipality have adopted an ordinance imposing a tax authorized by this Section (or by the predecessor provision of the "Revised Cities and Villages Act") and have explicitly or in practice interpreted gross receipts to include either charges added to customers' bills pursuant to the provision of paragraph (a) of Section 36 of the Public Utilities Act or charges added to customers' bills by
taxpayers who are not subject to rate regulation by the Illinois Commerce Commission for the purpose of recovering any of the tax liabilities or other amounts specified in such paragraph (a) of Section 36 of that Act, and (ii) on or after October 19, 1979, a judicial tribunal has construed gross receipts to exclude all or part of those charges, then neither those municipality nor any taxpayer who paid the tax shall be required to rebate, refund, or issue credits for any tax imposed or charge collected from customers pursuant to the municipality's interpretation prior to October 19, 1979. This paragraph reflects a legislative finding that it would be contrary to the public interest to require a municipality or its taxpayers to refund taxes or charges attributable to the municipality's more inclusive interpretation of gross receipts prior to October 19, 1979, and is not intended to prescribe or limit judicial construction of this Section. The legislative finding set forth in this subsection does not apply to taxes imposed after the effective date of this amendatory Act of 1995.

(c) The tax authorized by subparagraph 3 shall be collected from the purchaser by the person maintaining a place of business in this State who delivers the electricity to the purchaser. This tax shall constitute a debt of the purchaser to the person who delivers the electricity to the purchaser and if unpaid, is recoverable in the same manner as the original charge for delivering the electricity. Any tax required to be collected pursuant to an ordinance authorized by subparagraph 3 and any such tax collected by a person delivering electricity shall constitute a debt owed to the municipality by such person delivering the electricity, provided, that the person delivering electricity shall be allowed credit for such tax related to deliveries of electricity the charges for which are written off as uncollectible, and provided further, that if such charges are thereafter collected, the delivering supplier shall be obligated to remit such tax. For purposes of this subsection (c), any partial payment not specifically identified by the purchaser shall be deemed to be for the delivery of electricity. Persons delivering electricity shall collect the tax from the purchaser by adding such tax to the gross charge for delivering the electricity, in the manner prescribed by the municipality. Persons delivering electricity shall also be authorized to add to such gross charge an amount equal to 3% of the tax to reimburse the person delivering electricity for the expenses incurred in keeping records, billing customers, preparing and filing returns, remitting the tax and supplying data to the municipality upon request. If the person delivering electricity fails to collect the tax from the purchaser, then the purchaser shall be required to pay the tax directly to the municipality in the manner prescribed by the municipality. Persons delivering electricity who file returns pursuant to this paragraph (c) shall, at the time of filing such return, pay the municipality the amount of the tax collected pursuant to subparagraph 3.

(d) For the purpose of the taxes enumerated in this Section:

"Gross receipts" means the consideration received for the transmission of messages, the consideration received for distributing, supplying, furnishing or selling gas for use or consumption and not for resale, and the consideration received for distributing, supplying, furnishing or selling water for use or consumption and not for resale, and for all services rendered in connection therewith valued in money, whether received in money or otherwise, including cash, credit, services and property of every kind and material and for all services rendered therewith, and shall be determined without any deduction on account of the cost of transmitting such messages, without any deduction on account of the cost of the service, product or commodity supplied, the cost of materials used, labor or service cost, or any other expenses whatsoever. "Gross receipts" shall not include that portion of the consideration received for distributing, supplying, furnishing, or selling gas or water to, or for the transmission of messages for, business enterprises described in paragraph (e) of this Section to the extent and during the period in which the exemption authorized by paragraph (e) is in effect or for school districts or units of local government described in paragraph (f) during the period in which the exemption authorized in paragraph (f) is in effect. "Gross receipts" shall not include amounts paid by telecommunications retailers under the Telecommunications Municipal Infrastructure Maintenance Fee Act.

For utility bills issued on or after May 1, 1996, but before May 1, 1997, and for receipts from those utility bills, "gross receipts" does not include one-third of (i) amounts added to customers' bills under Section 9-222 of the Public Utilities Act, or (ii) amounts added to customers' bills by taxpayers who are not subject to rate regulation by the Illinois Commerce Commission for the purpose of recovering any of the tax liabilities described in Section 9-222 of the Public Utilities Act. For utility bills issued on or after May 1, 1997, but before May 1, 1998, and for receipts from those utility bills, "gross receipts" does not include two-thirds of (i) amounts added to customers' bills under Section
9-222 of the Public Utilities Act, or (ii) amount added to customers' bills by taxpayers who are not subject to rate regulation by the Illinois Commerce Commission for the purpose of recovering any of the tax liabilities described in Section 9-222 of the Public Utilities Act. For utility bills issued on or after May 1, 1998, and for receipts from those utility bills, "gross receipts" does not include (i) amounts added to customers' bills under Section 9-222 of the Public Utilities Act, or (ii) amounts added to customers' bills by taxpayers who are not subject to rate regulation by the Illinois Commerce Commission for the purpose of recovering any of the tax liabilities described in Section 9-222 of the Public Utilities Act.

For purposes of this Section "gross receipts" shall not include (i) amounts added to customers' bills under Section 9-221 of the Public Utilities Act, or (ii) charges added to customers' bills to recover the surcharge imposed under the Emergency Telephone System Act. This paragraph is not intended to nor does it make any change in the meaning of "gross receipts" for the purposes of this Section, but is intended to remove possible ambiguities, thereby confirming the existing meaning of "gross receipts" prior to the effective date of this amendatory Act of 1995.

The words "transmitting messages", in addition to the usual and popular meaning of person to person communication, shall include the furnishing, for a consideration, of services or facilities (whether owned or leased), or both, to persons in connection with the transmission of messages where those persons do not, in turn, receive any consideration in connection therewith, but shall not include such furnishing of services or facilities to persons for the transmission of messages to the extent that any such services or facilities for the transmission of messages are furnished for a consideration, by those persons to other persons, for the transmission of messages.

"Person" as used in this Section means any natural individual, firm, trust, estate, partnership, association, joint stock company, joint adventure, corporation, limited liability company, municipal corporation, the State or any of its political subdivisions, any State university created by statute, or a receiver, trustee, guardian or other representative appointed by order of any court.

"Person maintaining a place of business in this State" shall mean any person having or maintaining within this State, directly or by a subsidiary or other affiliate, an office, generation facility, distribution facility, transmission facility, sales office or other place of business, or any employee, agent, or other representative operating within this State under the authority of the person or its subsidiary or other affiliate, irrespective of whether such place of business or agent or other representative is located in this State permanently or temporarily, or whether such person, subsidiary or other affiliate is licensed or qualified to do business in this State.

"Public utility" shall have the meaning ascribed to it in Section 3-105 of the Public Utilities Act and shall include telecommunications carriers as defined in Section 13-202 of that Act and alternative retail electric suppliers as defined in Section 16-102 of that Act.

"Purchase at retail" shall mean any acquisition of electricity by a purchaser for purposes of use or consumption, and not for resale, but shall not include the use of electricity by a public utility directly in the generation, production, transmission, delivery or sale of electricity.

"Purchaser" shall mean any person who uses or consumes, within the corporate limits of the municipality, electricity acquired in a purchase at retail.

In the case of persons engaged in the business of transmitting messages through the use of mobile equipment, such as cellular phones and paging systems, the gross receipts from the business shall be deemed to originate within the corporate limits of a municipality only if the customer's place of primary use as defined in the Mobile Telecommunications Sourcing Conformity Act address to which the bills for the service are sent is within those corporate limits. If, however, that address is not located within a municipality that imposes a tax under this Section, then (i) if the party responsible for the bill is not an individual, the gross receipts from the business shall be deemed to originate within the corporate limits of the municipality where that party's principal place of business in Illinois is located, and (ii) if the party responsible for the bill is an individual, the gross receipts from the business shall be deemed to originate within the corporate limits of the municipality where that party's principal residence in Illinois is located.

(e) Any municipality that imposes taxes upon public utilities or upon the privilege of using or consuming electricity pursuant to this Section whose territory includes any part of an enterprise zone or federally designated Foreign Trade Zone or Sub-Zone may, by a majority vote of its corporate authorities, exempt from those taxes for a period not exceeding 20 years any specified percentage of
gross receipts of public utilities received from, or electricity used or consumed by, business enterprises that:

1. either (i) make investments that cause the creation of a minimum of 200 full-time equivalent jobs in Illinois, (ii) make investments of at least $175,000,000 that cause the creation of a minimum of 150 full-time equivalent jobs in Illinois, or (iii) make investments that cause the retention of a minimum of 1,000 full-time jobs in Illinois; and

2. are either (i) located in an Enterprise Zone established pursuant to the Illinois Enterprise Zone Act or (ii) Department of Commerce and Community Affairs designated High Impact Businesses located in a federally designated Foreign Trade Zone or Sub-Zone; and

3. are certified by the Department of Commerce and Community Affairs as complying with the requirements specified in clauses (1) and (2) of this paragraph (e).

Upon adoption of the ordinance authorizing the exemption, the municipal clerk shall transmit a copy of that ordinance to the Department of Commerce and Community Affairs. The Department of Commerce and Community Affairs shall determine whether the business enterprises located in the municipality meet the criteria prescribed in this paragraph. If the Department of Commerce and Community Affairs determines that the business enterprises meet the criteria, it shall grant certification. The Department of Commerce and Community Affairs shall act upon certification requests within 30 days after receipt of the ordinance.

Upon certification of the business enterprise by the Department of Commerce and Community Affairs, the Department of Commerce and Community Affairs shall notify the Department of Revenue of the certification. The Department of Revenue shall notify the public utilities of the exemption status of the gross receipts received from, and the electricity used or consumed by, the certified business enterprises. Such exemption status shall be effective within 3 months after certification.

(f) A municipality that imposes taxes upon public utilities or upon the privilege of using or consuming electricity under this Section and whose territory includes part of another unit of local government or a school district may by ordinance exempt the other unit of local government or school district from those taxes.

(g) The amendment of this Section by Public Act 84-127 shall take precedence over any other amendment of this Section by any other amendatory Act passed by the 84th General Assembly before the effective date of Public Act 84-127.

(h) In any case in which, before July 1, 1992, a person engaged in the business of transmitting messages through the use of mobile equipment, such as cellular phones and paging systems, has determined the municipality within which the gross receipts from the business originated by reference to the location of its transmitting or switching equipment, then (i) neither the municipality to which tax was paid on that basis nor the taxpayer that paid tax on that basis shall be required to rebate, refund, or issue credits for any such tax or charge collected from customers to reimburse the taxpayer for the tax and (ii) no municipality to which tax would have been paid with respect to those gross receipts if the provisions of this amendatory Act of 1991 had been in effect before July 1, 1992, shall have any claim against the taxpayer for any amount of the tax.

(35 ILCS 200/18-101.25)

New matter indicated by italics - deletions by strikeout.
Sec. 18-101.25. Intent to adopt an aggregate levy; hearing required. Upon making the estimate as provided in Section 18-101.15, the corporate authority shall hold a hearing on its intent to adopt an aggregate levy. Except as otherwise provided in this Section, hearings shall be held at the first regularly scheduled meeting of the taxing district in the month of December or according to the following schedule:

1. First Monday in December: Park districts and municipalities.
2. First Tuesday in December: Townships, road districts, and all school districts except high school districts.
3. First Wednesday in December: High school districts and libraries.
4. First Thursday in December: Counties and forest preserve districts.
5. First Friday in December: All other taxing districts.

All hearings shall be open to the public. The corporate authority of the taxing district shall explain the reasons for the levy and any proposed increase and shall permit persons desiring to be heard an opportunity to present testimony within such reasonable time limits as it shall determine. The hearing shall not coincide with the hearing on the proposed budget. The corporate authority may, however, conduct any other business of the taxing district on the same day. Failure of a taxing district to convene or complete a public hearing on the day prescribed in this Section due to good cause unrelated to inadvertence, including, but not limited to, physical perils such as natural disasters or acts of God, shall not constitute a failure to hold a public hearing under this Division 2.1. In this event, a taxing district may either hold a separate public hearing on its proposed tax levy, or place the hearing on its proposed tax levy on the agenda of the taxing district's next scheduled meeting. In either case, a taxing district shall give notice of the hearing pursuant to Sections 2.02, 2.03, and 2.04 of the Open Meetings Act.

For the purpose of permitting the issuance of warrants or notes in anticipation of the taxes to be levied, a taxing district may hold (on any date prior to the first week in December) a hearing on its intent to adopt an aggregate levy. If the estimate of the aggregate levy is more than the amount extended or estimated to be extended, plus any amount abated by the corporate authority prior to the extension, upon the final aggregate levy of the preceding year, exclusive of election costs, notice of this hearing shall be given in the same manner as provided in this Division 2.1. This earlier hearing shall be in addition to, and not instead of, the mandatory December hearing, but may be conducted in conjunction with a regular meeting of the taxing district.

Any taxing district with a fiscal year beginning on December 1 or any taxing district that is required to adopt a levy ordinance by the first Tuesday in December, for which the hearing day requirement of this Section would conflict with the adoption of its tax levy or annual appropriation ordinance, or both, may hold a public hearing on its proposed tax levy prior to and instead of the day prescribed in this Section. This public hearing shall be restricted to the proposed tax levy, and no other business of the taxing district shall be discussed or transacted. Notice of the hearing shall be given as provided in Section 18-101.35 of this Division 2.1.

The first installment of taxes on the estimated tax bills shall be computed at 50% of the total of each tax bill for the preceding year. If, prior to the preparation of the estimated tax bills, a certificate of error has been either approved by a court on or before November 30 of the preceding year or certified pursuant to Section 14-15 on or before November 30 of the preceding year, then the first installment of taxes on the estimated tax bills shall be computed at 50% of the total taxes for the preceding year as corrected by the certificate of error. By June 30 annually, actual tax bills shall be prepared and mailed. These bills shall set out total taxes due and the amount of estimated taxes billed in the first installment, and shall state the balance of taxes due for that year as represented by the sum derived from subtracting the amount of the first installment from the total taxes due for that year.

The county board may provide by ordinance, in counties with 3,000,000 or more inhabitants, for taxes to be paid in 4 installments. For the levy year for which the ordinance is first effective and

each subsequent year, estimated tax bills setting out the first, second, and third installment of taxes for the preceding year, payable in that year, shall be prepared and mailed not later than the date specified by ordinance. Each installment on estimated tax bills shall be computed at 25% of the total of each tax bill for the preceding year. By the date specified in the ordinance, actual tax bills shall be prepared and mailed. These bills shall set out total taxes due and the amount of estimated taxes billed in the first, second, and third installments and shall state the balance of taxes due for that year as represented by the sum derived from subtracting the amount of the estimated installments from the total taxes due for that year.

The county board of any county with less than 3,000,000 inhabitants may, by ordinance or resolution, adopt an accelerated method of tax billing. The county board may subsequently rescind the ordinance or resolution and revert to the method otherwise provided for in this Code.

Section 99. Effective date. This Act takes effect upon becoming law.

PUBLIC ACT 92-0476
(House Bill No. 1030)

AN ACT concerning banking.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Banking Act is amended by changing Sections 16 and 46 as follows:
(205 ILCS 5/16) (from Ch. 17, par. 323)
Sec. 16. Directors. The business and affairs of a State bank shall be managed by its board of directors that shall exercise its powers as follows:
(1) Directors shall be elected as provided in this Act. Any omission to elect a director or directors shall not impair any of the rights and privileges of the bank or of any person in any way interested. The existing directors shall hold office until their successors are elected and qualify.

(2) (a) Notwithstanding the provisions of any charter heretofore or hereafter issued, the number of directors, not fewer than 5 nor more than 25, may be fixed from time to time by the stockholders at any meeting of the stockholders called for the purpose of electing directors or changing the number thereof by the affirmative vote of at least two-thirds of the outstanding stock entitled to vote at the meeting, and the number so fixed shall be the board regardless of vacancies until the number of directors is thereafter changed by similar action.

(b) Notwithstanding the minimum number of directors specified in paragraph (a) of this subsection, a State bank that has been in existence for 10 years or more and has less than $20,000,000 in assets, as of the December 31 immediately preceding the annual meeting of shareholders at which directors are elected, may, subject to the approval of the Commissioner, have a minimum of 3 directors; provided that if a State bank has fewer than 5 directors, at least one director shall not be an officer or employee of the bank. The Commissioner shall annually review the appropriateness of the grant of authority to have a reduced minimum number of directors pursuant to this paragraph (b).

(3) Except as otherwise provided in this paragraph (3), directors shall hold office until the next annual meeting of the stockholders succeeding their election or until their successors are elected and qualify. If the board of directors consists of 6 or more members, in lieu of electing the membership of the whole board of directors annually, the charter or by-laws of a State bank may provide that the directors shall be divided into either 2 or 3 classes, each class to be as nearly equal in number as is possible. The term of office of directors of the first class shall expire at the first annual meeting of the stockholders after their election, that of the second class shall expire at the second annual meeting after
their election, and that of the third class, if any, shall expire at the third annual meeting after their election. At each annual meeting after classification, the number of directors equal to the number of the class whose terms expire at the time of the meeting shall be elected to hold office until the second succeeding annual meeting, if there be 2 classes, or until the third succeeding annual meeting, if there be 3 classes. Vacancies may be filled by stockholders at a special meeting called for the purpose. If authorized by the bank's by-laws or an amendment thereto, the directors of a State bank may properly fill a vacancy or vacancies arising between shareholders' meetings, but at no time may the number of directors selected to fill a vacancy in this manner during any interim period between shareholders' meetings exceed 33 1/3% of the total membership of the board of directors.

(4) The board of directors shall hold regular meetings at least once each month, provided that, upon prior written approval by the Commissioner, the board of directors may hold regular meetings less frequently than once each month but at least once each calendar quarter. A special meeting of the board of directors may be held as provided by the by-laws. A special meeting of the board of directors may also be held upon call by the Commissioner or a bank examiner appointed under the provisions of this Act upon not less than 12 hours notice of the meeting by personal service of the notice or by mailing the notice to each of the directors at his residence as shown by the books of the bank. A majority of the board of directors shall constitute a quorum for the transaction of business unless a greater number is required by the charter or the by-laws. The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the board of directors unless the act of a greater number is required by the charter or by the by-laws.

(5) A member of the board of directors shall be elected president. The board of directors may appoint other officers, as the by-laws may provide, and fix their salaries to carry on the business of the bank. The board of directors may make and amend by-laws (not inconsistent with this Act) for the government of the bank and may, by the affirmative vote of a majority of the board of directors, establish reasonable compensation of all directors for services to the corporation as directors, officers, or otherwise. An officer, whether elected or appointed by the board of directors or appointed pursuant to the by-laws, may be removed by the board of directors at any time.

(6) The board of directors shall cause suitable books and records of all the bank's transactions to be kept.

(7) (a) In discharging the duties of their respective positions, the board of directors, committees of the board, and individual directors may, in considering the best long term and short term interests of the bank, consider the effects of any action (including, without limitation, action that may involve or relate to a merger or potential merger or to a change or potential change in control of the bank) upon employees, depositors, suppliers, and customers of the corporation or its subsidiaries, communities in which the main banking premises, branches, offices, or other establishments of the bank or its subsidiaries are located, and all pertinent factors.

(b) In discharging the duties of their respective positions, the board of directors, committees of the board, and individual directors shall be entitled to rely on advice, information, opinions, reports or statements, including financial statements and financial data, prepared or presented by: (i) one or more officers or employees of the bank whom the director believes to be reliable and competent in the matter presented; (ii) one or more counsels, accountants, or other consultants as to matters that the director believes to be within that person's professional or expert competence; or (iii) a committee of the board upon which the director does not serve, as to matters within that committee's designated authority; provided that the director's reliance under this paragraph (b) is placed in good faith, after reasonable inquiry if the need for such inquiry is apparent under the circumstances and without knowledge that would cause such reliance to be unreasonable.

Sec. 46. Misleading practices and names prohibited; penalty. (a) No person, firm, partnership, or corporation that is not a bank shall transact business in this State in a manner which has a substantial likelihood of misleading the public by implying that the business is a bank, or shall use the word "bank", "banker", or "banking" in connection with the business. Any person, firm, partnership or corporation violating this Section shall be deemed guilty
(b) If the Commissioner is of the opinion and finds that a person, firm, partnership, or corporation that is not a bank has transacted or intends to transact business in this State in a manner which has a substantial likelihood of misleading the public by implying that the business is a bank, or has used or intends to use the word "bank", "banker", or "banking" in connection with the business, then the Commissioner may direct that person, firm, partnership, or corporation to cease and desist from transacting the business or using the word "bank", "banker", or "banking". If that person, firm, partnership, or corporation persists in transacting the business or using the word "bank", "banker", or "banking", then the Commissioner may impose a civil penalty of up to $10,000 for each violation. Each day that the person, firm, partnership, or corporation continues transacting the business or using the word "bank", "banker", or "banking" in connection with the business shall constitute a separate violation of these provisions.

(c) A person, firm, partnership, or corporation that is not a bank, and is not transacting or intending to transact business in this State in a manner that has a substantial likelihood of misleading the public by implying that such business is a bank, may apply to the Commissioner for permission to use the word "bank", "banker", or "banking" in connection with the business. If the Commissioner determines that there is no substantial likelihood of misleading the public, and upon such conditions as the Commissioner may impose to prevent the person, firm, partnership, or corporation from holding itself out in a misleading manner, then such person, firm, partnership, or corporation may use the word "bank", "banker", or "banking".

(d) (1) No person, firm, partnership, or corporation may use the name of an existing bank, or a name deceptively similar to that of an existing bank, when marketing to or soliciting business from customers or prospective customers if the reference to the existing bank is made (i) without the consent of the existing bank and (ii) in a manner that could cause a reasonable person to believe that the marketing material or solicitation originated from or is endorsed by the existing bank or that the existing bank is in any other way responsible for the marketing material or solicitation.

(2) An existing bank may, in addition to any other remedies available under the law, report an alleged violation of this subsection (d) to the Commissioner. If the Commissioner finds the marketing material or solicitation in question to be in violation of this subsection, the Commissioner may direct the person, firm, partnership, or corporation to cease and desist from using that marketing material or solicitation in Illinois. If that person, firm, partnership, or corporation persists in the use of the marketing material or solicitation, then the Commissioner may impose a civil penalty of up to $10,000 for each violation. Each instance in which the marketing material or solicitation is sent to a customer or prospective customer shall constitute a separate violation of these provisions.

(3) Nothing in this subsection (d) prohibits the use of or reference to the name of an existing bank in marketing materials or solicitations, provided that the use or reference would not deceive or confuse a reasonable person regarding whether the marketing material or solicitation originated from or was endorsed by the existing bank or whether the existing bank was in any other way responsible for the marketing material or solicitation. The Commissioner is authorized to promulgate rules to administer these provisions.

Section 99. Effective date. This Act takes effect upon becoming law.  
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Public Construction Bond Act is amended by changing Section 3 as follows:

(30 ILCS 550/3)
Sec. 3. Builder or developer cash bond or other surety.
(a) A county or municipality may not require a cash bond, irrevocable letter of credit, surety bond, or letter of commitment issued by a bank, savings and loan association, surety, or insurance company from a builder or developer to guarantee completion of a project improvement when the builder or developer has filed with the county or municipal clerk a current, irrevocable letter of credit, surety bond, or letter of commitment issued by a bank, savings and loan association, surety, or insurance company, deemed good and sufficient by the county or municipality accepting such security, in an amount equal to or greater than 110% of the amount of the bid on each project improvement. A builder or developer has the option to utilize a cash bond, an irrevocable letter of credit, surety bond, or letter of commitment, issued by a bank, savings and loan association, surety, or insurance company, deemed good and sufficient by the county or municipality, to satisfy any cash bond requirement established by a county or municipality. Except for a municipality or county with a population of 1,000,000 or more, the county or municipality must approve and deem a surety or insurance company good and sufficient for the purposes set forth in this Section if the surety or insurance company is authorized by the Illinois Department of Insurance to sell and issue sureties in the State of Illinois.

(b) If a county or municipality receives a cash bond, irrevocable letter of credit, or surety bond from a builder or developer to guarantee completion of a project improvement, the county or municipality shall (i) register the bond under the address of the project and the construction permit number and (ii) give the builder or developer a receipt for the bond. The county or municipality shall establish and maintain a separate account for all cash bonds received from builders and developers to guarantee completion of a project improvement.

(c) The county or municipality shall refund a cash bond to a builder or developer, or release the irrevocable letter of credit or surety bond, within 60 days after the builder or developer notifies the county or municipality in writing of the completion of the project improvement for which the bond was required. For these purposes, "completion" means that the county or municipality has determined that the project improvement for which the bond was required is complete or a licensed engineer or licensed architect has certified to the builder or developer and the county or municipality that the project improvement has been completed to the applicable codes and ordinances. The county or municipality shall pay interest to the builder or developer, beginning 60 days after the builder or developer notifies the county or municipality in writing of the completion of the project improvement, on any bond not refunded to a builder or developer, at the rate of 1% per month.

(d) A home rule county or municipality may not require or maintain cash bonds, irrevocable letters of credit, surety bonds, or letters of commitment issued by a bank, savings and loan association, surety, or insurance company from builders or developers in a manner inconsistent with this Section. This Section supercedes and controls over other provisions of the Counties Code or Illinois Municipal Code as they apply to and guarantee completion of a project improvement that is required by the county or municipality, regardless of whether the project improvement is a condition of annexation agreements. This Section is a denial and limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by a home rule county or municipality of powers and functions exercised by the State.

Section 10. The Counties Code is amended by changing Sections 5-1041 and 5-1123 as follows:

(55 ILCS 5/5-1041) (from Ch. 34, par. 5-1041)
Sec. 5-1041. Maps, plats and subdivisions. A county board may prescribe, by resolution or ordinance, reasonable rules and regulations governing the location, width and course of streets and highways and of floodplain, stormwater and floodwater runoff channels and basins, and the provision of necessary public grounds for schools, public libraries, parks or playgrounds, in any map, plat or subdivision of any block, lot or sub-lot or any part thereof or any piece or parcel of land, not being within any city, village or incorporated town. The rules and regulations may include such reasonable requirements with respect to water supply and sewage collection and treatment as may be established

by the Environmental Protection Agency, and such reasonable requirements with respect to floodplain
and stormwater management as may be established by the County Stormwater Management
Committee established under Section 5-1062 of this Code, and such reasonable requirements with
respect to street drainage and surfacing as may be established by the county engineer or superintendent
of highways and which by resolution shall be deemed to be the minimum requirements in the interest
of the health, safety, education and convenience of the public of the county; and may provide by
resolution that the map, plat or subdivision shall be submitted to the county board or to some officer
to be designated by the county board for their or his approval. The county board shall have a qualified
engineer make an estimate of the probable expenditures necessary to enable any person to conform
with the standards of construction established by the board pursuant to the provisions of this Section.
Except as provided in Section 3 of the Public Construction Bond Act, each person who seeks the
county board's approval of a map, plat or subdivision shall post a good and sufficient *cash* bond,
*irrevocable letter of credit*, *surety bond*, or other adequate security with the county clerk, in a penal
sum sufficient to cover the estimate of expenditures made by the estimating engineer. The *cash* bond,
*irrevocable letter of credit*, *surety bond*, or other adequate security shall be conditioned upon faithful
adherence to the rules and regulations of the county board promulgated pursuant to the authorization
granted to it by this Section or by Section 5-1062 of this Code, and in such cases no such map, plat
or subdivision shall be entitled to record in the proper county or have any validity until it has been so
approved. *If the county board requires a cash bond, letter of credit, surety, or any other method to
cover the costs and expenses and to insure completion of the requirements, the requirements shall be
subject to the provisions of Section 5-1123 of this Code.* This Section is subject to the provisions of
Section 5-1123.

The county board may, by resolution, provide a schedule of fees sufficient to reimburse the
county for the costs incurred in reviewing such maps, plats and subdivisions submitted for approval
to the county board. The fees authorized by this Section are to be paid into the general corporate fund
of the county by the party desiring to have the plat approved.

No officer designated by a county board for the approval of plats shall engage in the business
of surveying, and no map, plat or subdivision shall be received for record or have any validity which
has been prepared by or under the direction of such plat officer.

It is the intention of this amendatory Act of 1990 to repeal the language added to Section
25.09 of "An Act to revise the law in relation to counties", approved March 31, 1874, by P.A. 86-614,
Section 25.09 of that Act being the predecessor of this Section.

Section 15. The Illinois Municipal Code is amended by changing Sections 11-12-8 and 11-39-3 as follows:

(65 ILCS 5/11-12-8) (from Ch. 24, par. 11-12-8)

Sec. 11-12-8. Compliance of plat with map; designation of public lands; approval; bond; order; failure to act upon plat. The corporate authorities of the municipality shall determine whether a proposed plat of subdivision or resubdivision complies with the official map. To secure such determination, the person requesting the subdivision or resubdivision shall file four copies of a plat thereof with the clerk of the municipality, and shall furnish therewith four copies of all data necessary to show compliance with all applicable municipal regulations and shall make application for preliminary or final approval of the proposed plat.

Whenever the reasonable requirements provided by the ordinance including the official map shall indicate the necessity for providing for a school site, park site, or other public lands within any proposed subdivision for which approval has been requested, and no such provision has been made therefor, the municipal authority may require that lands be designated for such public purpose before approving such plat. Whenever a final plat of subdivision, or part thereof, has been approved by the corporate authorities as complying with the official map and there is designated therein a school site, park site or other public land, the corporate authorities having jurisdiction of such use, be it a school board, park board or other authority, such authority shall acquire the land so designated by purchase or commence proceedings to acquire such land by condemnation within one year from the date of approval of such plat; and if it does not do so within such period of one year, the land so designated may then be used by the owners thereof in any other manner consistent with the ordinance including the official map and the zoning ordinance of the municipality.

The corporate authorities may by ordinance provide that a plat of subdivision may be submitted initially to the plan commission for preliminary approval. The application for preliminary approval shall show location and width of proposed streets and public ways, shall indicate proposed location of sewers and storm drains, proposed dedication of public grounds, if any, lot sizes, proposed easements for public utilities, and proposed method of sewage and waste disposal, but need not contain specifications for proposed improvements.

The plan Commission shall approve or disapprove the application for preliminary approval within 90 days from the date of the application or the filing by the applicant of the last item of required supporting data, whichever date is later, unless such time is extended by mutual consent. If such plat is disapproved, then within said 90 days the plan commission shall furnish to applicant in writing a statement setting forth the reason for disapproval and specifying with particularity the aspects in which the proposed plat fails to conform to the ordinances including official map. If such plat is approved the corporate authority shall accept or reject said plat within 30 days after its next regular stated meeting following the action of the plan commission. Preliminary approval shall not qualify a plat for recording.

Application for final approval of a plat shall be made not later than one year after preliminary approval has been granted. This application must be supported by such drawings, specifications and bond as may be necessary to demonstrate compliance with all requirements of this statute and such regulations as the corporate authorities may provide by ordinance under authority of this statute. This
Section is subject to the provisions of Section 11-39-3 of this Code.

The applicant may elect to have final approval of a geographic part or parts of the plat that received preliminary approval, and may delay application for approval of other parts until a later date or dates beyond one year with the approval of the municipal authorities; provided, all facilities required to serve the part or parts for which final approval is sought have been provided. In such case only such part or parts of the plat as have received final approval shall be recorded.

When a person submitting a plat of subdivision or resubdivision for final approval has supplied all drawings, maps and other documents required by the municipal ordinances to be furnished in support thereof, and if all such material meets all municipal requirements, the corporate authorities shall approve the proposed plat within 60 days from the date of filing the last required document or other paper or within 60 days from the date of filing application for final approval of the plat, whichever date is later. The applicant and the corporate authorities may mutually agree to extend the 60 day period.

Except as provided in Section 3 of the Public Construction Bond Act, the corporate authorities may provide that any person, firm or corporation seeking approval of a subdivision or resubdivision map or plat shall post a good and sufficient cash bond, irrevocable letter of credit, or surety bond with the municipal clerk in a penal sum sufficient to cover the estimate made by the municipal engineer, or other authorized person, of expenditures, including but not limited to reasonable inspection fees to be borne by the applicant, necessary to conform to the requirements established and conditioned upon completion of said requirements in a reasonable time. The corporate authorities may, by ordinance, prescribe the form of the cash bond, irrevocable letter of credit, or surety bond and may require surety to be approved by the corporate authorities; provided, that a municipality may permit the depositing of cash or other security acceptable to the corporate authorities, to complete the improvements required in lieu of a bond if it shall so provide by ordinance; and further provided, that no bond or security shall be required to be filed until the corporate authorities have approved the plat in all other respects and have notified the applicant of such approval. If the corporate authorities require a cash bond, letter of credit, surety, or any other method to cover the costs and expenses and to insure completion of the requirements the requirements shall be subject to the provisions of Section 11-39-3 of this Code.

If the preliminary or final plat is approved, the municipal clerk shall attach a certified copy of the order or resolution of approval to a copy of the plat. If the proposed plat is disapproved, the order or resolution shall state the reasons for the disapproval, specifying with particularity the aspects in which the proposed plat fails to conform to the official map. A copy of the order or resolution shall be filed in the office of the municipal clerk.

If the corporate authorities fail to act upon the final plat within the time prescribed the applicant may, after giving 5 days written notice to the corporate authorities, file a complaint for summary judgment in the circuit court and upon showing that the corporate authorities have failed to act within the time prescribed the court shall enter an order authorizing the recorder to record the plat as finally submitted without the approval of the corporate authorities. A plat so recorded shall have the same force and effect as though that plat had been approved by the corporate authorities. If the corporate authorities refuse to act upon the final plat within the time prescribed and if their failure to act thereon is wilful, upon such showing and upon proof of damages the municipality shall be liable therefor.

Sec. 11-39-3. Builder or developer cash bond or other surety.

(a) A municipality may not require a cash bond, irrevocable letter of credit, surety bond, or letter of commitment issued by a bank, savings and loan association, surety, or insurance company from a builder or developer to guarantee completion of a project improvement when the builder or developer has filed with the municipal clerk a current, irrevocable letter of credit, surety bond, or letter of commitment issued by a bank, savings and loan association, surety, or insurance company, deemed good and sufficient by the municipality accepting such security, in an amount equal to or greater than 110% of the amount of the bid on each project improvement. A builder or developer has the option may elect to utilize a cash bond, an irrevocable letter of credit, surety bond, or letter of commitment, issued by a bank, savings and loan association, surety, or insurance company, deemed good and
sufficient by the municipality, to satisfy any cash bond requirement established by a municipality. Except for a municipality or county with a population of 1,000,000 or more, the municipality must approve and deem a surety or insurance company good and sufficient for the purposes set forth in this Section if the surety or insurance company is authorized by the Illinois Department of Insurance to sell and issue sureties in the State of Illinois.

(b) If a municipality receives a cash bond, irrevocable letter of credit, or surety bond from a builder or developer to guarantee completion of a project improvement, the municipality shall (i) register the bond under the address of the project and the construction permit number and (ii) give the builder or developer a receipt for the bond. The municipality shall establish and maintain a separate account for all cash bonds received from builders and developers to guarantee completion of a project improvement.

(c) The municipality shall refund a cash bond to a builder or developer, or release the irrevocable letter of credit or surety bond within 60 days after the builder or developer notifies the municipality in writing of the completion of the project improvement for which the bond was required. For these purposes, "completion" means that the municipality has determined that the project improvement for which the bond was required is complete or a licensed engineer or licensed architect has certified to the builder or developer and the municipality that the project improvement has been completed to the applicable codes and ordinances. The municipality shall pay interest to the builder or developer, beginning 60 days after builder or developer notifies the municipality in writing of the completion of the project improvement, on any bond not refunded to a builder or developer, at the rate of 1% per month.

(d) A home rule municipality may not require or maintain cash bonds, irrevocable letters of credit, surety bonds, or letters of commitment issued by a bank, savings and loan association, surety, or insurance company from builders or developers in a manner inconsistent with this Section. This Section supercedes and controls over other provisions of this Code as they apply to and guarantee completion of a project improvement that is required by the municipality, regardless of whether the project improvement is a condition of annexation agreements. This Section is a denial and limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by a home rule municipality of powers and functions exercised by the State.

(215 ILCS 5/155.37 new)

Sec. 155.37. Use of credit reports in connection with certain policies.

(a) This Section applies to policies of insurance defined in subsections (a), (b), and (c) of Section 143.13, except that this Section does not apply to those personal lines policies defined in subsection (c) of Section 143.13 that could be classified under clause (g) or (i) of Class 2 of Section 4 or to policies of insurance subject to Article IX 1/2.

(b) An insurance company authorized to do business in this State may not refuse to issue or renew a policy of insurance solely on the basis of a credit report. An offer by an insurance company to write a policy through an insurer that is an affiliate, as defined in Section 131.1 of this Code, with continuous coverage does not constitute a refusal to issue a policy or a nonrenewal within the meaning of this Section. "Credit report" means a collection of data regarding a consumer's credit history, credit capacity, or credit worthiness that has been assembled or evaluated by a consumer reporting agency as defined in 15 USC 1681a(f).

(c) If a credit report is used in conjunction with other criteria to underwrite an application or renewal of a policy of insurance, it may not include or be based upon the race, income, gender,
(d) If a credit report is used in conjunction with other criteria to refuse to issue or renew a policy of insurance, the insurer shall provide the applicant or policyholder with a notice of the underwriting action taken. For purposes of this Section, compliance with the notification requirements of the federal Fair Credit Reporting Act, 15 U.S.C. 1681 et seq., shall be considered to be in compliance with this Section.

Section 99. Effective date. This Act takes effect on October 1, 2001.
Effective October 1, 2001.

AN ACT in relation to housing.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Housing Authorities Act is amended by adding Section 8.4a and changing Sections 11, 17, and 21 as follows:

(310 ILCS 10/8.4a new)
Sec. 8.4a. Additional powers. In addition to powers conferred by this Act and other laws concerning housing authorities, generally, an Authority for a municipality having a population in excess of 1,000,000 may do any of the following:
(a) Issue revenue bonds for the purpose of financing the construction, equipping, or rehabilitation or refinancing of multifamily rental housing and for the provision of capital improvements in connection with and determined necessary to the multifamily rental housing located within the municipality having a population in excess of 1,000,000.
(b) Make or undertake commitments to make loans to finance the construction, equipping, or rehabilitation or refinancing of multifamily rental housing located within the municipality having a population in excess of 1,000,000.
(c) Purchase or undertake, directly or indirectly through lending institutions, commitments to purchase, construction loans, and mortgage loans originated in accordance with a financing agreement with the Authority to finance the construction, equipping, or rehabilitation or refinancing of multifamily rental housing located within the municipality having a population in excess of 1,000,000, or make loans to lending institutions under terms and conditions which, in addition to other provisions determined by the Authority, shall require the lending institutions to use the net proceeds of the loans for the making, directly or indirectly, of construction loans or mortgage loans to finance the construction, equipping, rehabilitation or refinancing of multifamily rental housing located within the municipality having a population in excess of 1,000,000.

(310 ILCS 10/11) (from Ch. 67 1/2, par. 11)
Sec. 11. An Authority shall have power to issue bonds from time to time in its discretion to finance in whole or in part the cost of acquisition, purchase, construction, reconstruction, improvement, alteration, extension or repair of any project or undertaking hereunder. An Authority shall also have power to issue refunding bonds for the purpose of paying or retiring bonds previously issued by it. An Authority may issue such types of bonds as it may determine by resolution, including bonds on which the principal and interest are payable: (a) exclusively from the income and revenues of the housing project financed with the proceeds of such bonds (including, without limitation, income and revenues derived from a loan agreement with respect to a project located within the municipality having a population in excess of 1,000,000), or with such proceeds together with a grant from the Federal Government or any political subdivision of the State in aid of such project; (b) exclusively from the income and revenues of certain designated housing projects of such Authority whether or not they were financed in whole or in part with the proceeds of such bonds; or (c) from its revenues generally. Any of such bonds may be additionally secured by a pledge of any revenues of any housing project, projects or other property of the Authority.

In addition to powers conferred by this Act and other laws concerning housing authorities in general, an Authority for a municipality having a population in excess of 1,000,000 may grant a specific pledge or assignment of, and lien on or security interest in, the income and revenues of the

Authority derived from the loan agreement with respect to the project or projects, as well as in any reserves, funds, or accounts established in the resolution authorizing the bonds or the indenture or other instrument under which the bonds are issued. As evidence of such pledge, assignment, lien, and security interest, the Authority may execute and deliver a mortgage, trust agreement, indenture, security agreement, or an assignment thereof. The provisions of this amendatory Act of the 92nd General Assembly create additional powers for housing authorities having a population in excess of 1,000,000; these provisions do not limit the powers conferred on housing authorities in general.

Neither the commissioners of an Authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds and other obligations of an Authority (and such bonds and obligations shall so state on their face) shall not be a debt of any city, village, incorporated town, county, the State or any political subdivision thereof and neither the city, village, incorporated town or the county, nor the State or any political subdivision thereof shall be liable thereon, nor in any event shall such bonds or obligations be payable out of any funds or properties other than those of said Authority. The bonds shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

(310 ILCS 10/17) (from Ch. 67 1/2, par. 17)

When an authority is created for a county subsequent to the creation of an authority for a city, village or incorporated town within the same county, the area of operation of the authority for such city, village or incorporated town shall thereafter be limited to the territory of such city, village or incorporated town, but the authority for such city, village or incorporated town may continue to operate any project developed in whole or in part in an area previously a part of its area of operation, or may contract with the county housing authority with respect to the sale, lease, development or administration of such project. When an authority is created for a city, village or incorporated town subsequent to the creation of a county housing authority which previously included such city, village or incorporated town within its area of operation, such county housing authority shall have no power to create any additional project within the city, village or incorporated town, but any existing project in the city, village or incorporated town currently owned and operated by the county housing authority shall remain in the ownership, operation, custody and control of the county housing authority.

As provided in Sections 8.14 to 8.18, inclusive, "project" also means, for Housing Authorities for municipalities of less than 500,000 population and for counties, the conservation of urban areas in accordance with an approved conservation plan. If in any city, village or incorporated town there exists a land clearance commission created under the "Blighted Areas Redevelopment Act of 1947" having the same area of operation as a housing authority created in and for any such municipality such housing authority shall have no power to acquire land of the character described in subparagraph (iii), (iv) or (v) of paragraph 1 of the definition of "project" for the purpose of development or redevelopment by private enterprise.

Section 99. Effective date. This Act takes effect upon becoming law.

PUBLIC ACT 92-0482
(House Bill No. 2439)

AN ACT concerning the use of State funds.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Deposit of State Moneys Act is amended by changing Section 7 as follows:
(15 ILCS 520/7) (from Ch. 130, par. 26)
Sec. 7. (a) Proposals made may either be approved or rejected by the State Treasurer. A bank or savings and loan association whose proposal is approved shall be eligible to become a State depositary for the class or classes of funds covered by its proposal. A bank or savings and loan association whose proposal is rejected shall not be so eligible. The State Treasurer shall seek to have at all times a total of not less than 20 banks or savings and loan associations which are approved as State depositaries for time deposits.

(b) The State Treasurer may, in his discretion, accept a proposal from an eligible institution which provides for a reduced rate of interest provided that such institution documents the use of deposited funds for community development projects.

(c) The State Treasurer may, in his or her discretion, accept a proposal from an eligible institution that provides for interest earnings on deposits of State moneys to be held by the institution in a separate account that the State Treasurer may use to secure up to 10% of any (i) home loans to Illinois citizens purchasing a home in Illinois in situations where the institution would not offer the borrower a home loan under the institution's prevailing credit standards without the incentive of a reduced rate of interest on deposits of State moneys and (ii) existing home loans of Illinois citizens who have failed to make payments on the home loan as a result of a temporary layoff or disability, but who have resumed making payments on the home loan and have made at least 2 consecutive payments, when under the institution's prevailing policies it would commence or pursue foreclosure proceedings if it were not for the incentive of a reduced rate of interest on deposits of State moneys.

For the purposes of this Section, "home loan" means a loan, other than an open-end credit plan or a reverse mortgage transaction, for which (i) the principal amount of the loan does not exceed 50% of the conforming loan size limit for a single-family dwelling as established from time to time by the Federal National Mortgage Association, (ii) the borrower is a natural person, (iii) the debt is incurred by the borrower primarily for personal, family, or household purposes, and (iv) the loan is secured by a mortgage or deed of trust on real estate upon which there is located or there is to be located a structure designed principally for the occupancy of one family and that is or will be occupied by the borrower as the borrower's principal dwelling.

(d) If there is an agreement between the State Treasurer and an eligible institution that details the use of deposited funds, the agreement may not require the gift of money, goods, or services to a third party; this provision does not restrict the eligible institution from contracting with third parties in order to carry out the intent of the agreement or restrict the State Treasurer from placing requirements upon third-party contracts entered into by the eligible institution.

AN ACT concerning certain financial institutions.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Office of Banks and Real Estate Act is amended by changing Sections 5 and 6 as follows:

(20 ILCS 3205/5) (from Ch. 17, par. 455)

Sec. 5. Powers. In addition to all the other powers and duties provided by law, the Commissioner shall have the following powers:

(a) To exercise the rights, powers and duties formerly vested by law in the Director of Financial Institutions under the Illinois Banking Act.

(b) To exercise the rights, powers and duties formerly vested by law in the Department of Financial Institutions under "An act to provide for and regulate the administration of trusts by trust companies", approved June 15, 1887, as amended.

(c) To exercise the rights, powers and duties formerly vested by law in the Director of Financial Institutions under "An act authorizing foreign corporations, including banks and national banking associations domiciled in other states, to act in a fiduciary capacity in this state upon certain conditions herein set forth", approved July 13, 1953, as amended.

(d) Whenever the Commissioner is authorized or required by law to consider or to make findings regarding the character of incorporators, directors, management personnel, or other relevant individuals under the Illinois Banking Act, the Corporate Fiduciary Act, the Pawnbroker Regulation Act, or at other times as the Commissioner deems necessary for the purpose of carrying out the Commissioner's statutory powers and responsibilities, the Commissioner shall consider criminal history record information, including nonconviction information, pursuant to the Criminal Identification Act. The Commissioner shall, in the form and manner required by the Department of State Police and the Federal Bureau of Investigation, cause to be conducted a criminal history record investigation to obtain information currently contained in the files of the Department of State Police or the Federal Bureau of Investigation, provided that the Commissioner need not cause additional criminal history record investigations to be conducted on individuals for whom the Commissioner, a federal bank regulatory agency, or any other government agency has caused such investigations to have been conducted previously unless such additional investigations are otherwise required by law or unless the Commissioner deems such additional investigations to be necessary for the purposes of carrying out the Commissioner's statutory powers and responsibilities. The Department of State Police shall provide, on the Commissioner's request, information concerning criminal charges and their disposition currently on file with respect to a relevant individual. Information obtained as a result of an investigation under this Section shall be used in determining eligibility to be an incorporator, director, management personnel, or other relevant individual in relation to a financial institution or other entity supervised by the Commissioner. Upon request and payment of fees in conformance with the requirements of Section 2605-400 of the Department of State Police Law (20 ILCS 2605/2605-400), the Department of State Police is authorized to furnish, pursuant to positive identification, such information contained in State files as is necessary to fulfill the request.

(e) When issuing charters, permits, licenses, or other authorizations, the Commissioner may impose such terms and conditions on the issuance as he deems necessary or appropriate. Failure to abide by those terms and conditions may result in the revocation of the issuance, the imposition of corrective orders, or the imposition of civil money penalties.

(f) If the Commissioner has reasonable cause to believe that any entity that has not submitted an application for authorization or licensure is conducting any activity that would otherwise require authorization or licensure by the Commissioner, the Commissioner shall have the power to subpoena...
witnesses, to compel their attendance, and to require the production of any relevant books, papers, accounts, and documents in order to determine whether the entity is subject to authorization or licensure by the Commissioner or the Office of Banks and Real Estate.

(g) The Commissioner may, through the Attorney General, request the circuit court of any county to issue an injunction to restrain any person from violating the provisions of any Act administered by the Commissioner.

Sec. 10. Permit to organize.

(a) Upon the filing of an application for a permit to organize, the Commissioner shall investigate the truth of the statements therein and shall consider the proposed bank's capital structure, its future earnings prospects, the general character, experience, and qualifications of its proposed management, its proposed plan of operation, and the convenience and needs of the area sought to be served, and notwithstanding the provisions of Section 7 of this Act, the Commissioner shall not approve the application and issue a permit to organize unless he shall be of the opinion and finds:

(1) that the proposed capital at least meets the minimum requirements of this Act determined by the Commissioner pursuant to Section 7 of this Act including additional capital necessitated by the circumstances of the proposed bank including its size, scope of operations and market in which it proposes to operate;

(2) that the future earnings prospects are favorable;

(3) that the general character, experience, and qualifications of its proposed management and its proposed plan of operation are such as to assure reasonable promise of successful, safe and sound operation;

(4) that the name of the proposed bank is not the same as or deceptively similar to a name reserved with the Commissioner's office under Section 9.5 or to the name of any other bank then operating in this State; and

(5) that the convenience and needs of the area sought to be served by the proposed bank will be promoted.

(b) The Commissioner shall revoke the permit to organize and order liquidation of any funds collected in the event that the organizers do not obtain a charter from the Commissioner authorizing the bank to commence business within 6 months from the date of the issuance of the permit, unless a request has been submitted, in writing, to the Commissioner for an extension and the request has been approved.

(c) The Commissioner may impose such terms and conditions, if any, on the issuance of the permit to organize as the Commissioner deems appropriate and necessary for the organization of the bank.

Sec. 12. Organization.

(a) The directors so elected shall may proceed to organize in conformity with this Act and as follows:

(1) To qualify themselves as directors.

(2) To elect one of their number as president.

(3) To make and adopt by-laws not inconsistent with its charter or with law for the administration of the affairs of the bank.

(4) To appoint such officers as the by-laws may provide, and fix the salaries of all officers.

plan of operation or proposed business activities submitted with the application for a permit to organize.

(7) To report the organization to the Commissioner.

(b) Subscriptions to the capital stock and to the preferred stock, if any, collected pursuant to item (6) of subsection (a) of this Section must be placed in escrow.

Sec. 13. Issuance of charter.

(a) When the directors have organized as provided in Section 12 of this Act, and the capital stock and the preferred stock, if any, together with a surplus of not less than 50% of the capital, has been all fully paid in and a record of the same filed with the Commissioner, the Commissioner or some competent person of the Commissioner's appointment shall make a thorough examination into the affairs of the proposed bank, and if satisfied (i) that all the requirements of this Act have been complied with, (ii) that no intervening circumstance has occurred to change the Commissioner's findings made pursuant to Section 10 of this Act, and (iii) that the prior involvement by any stockholder who will own a sufficient amount of stock to have control, as defined in Section 18 of this Act, of the proposed bank with any other financial institution, whether as stockholder, director, officer, or customer, was conducted in a safe and sound manner, upon payment into the Commissioner's office of the reasonable expenses of the examination, as determined by the Commissioner, the Commissioner shall issue a charter authorizing the bank to commence business as authorized in this Act. All charters issued by the Commissioner or any predecessor agency which chartered State banks, including any charter outstanding as of September 1, 1989, shall be perpetual. For the 2 years after the Commissioner has issued a charter to a bank, the bank shall request and obtain from the Commissioner prior written approval before it may change senior management personnel or directors.

The original charter, duly certified by the Commissioner, or a certified copy shall be evidence in all courts and places of the existence and authority of the bank to do business. Upon the issuance of the charter by the Commissioner, the bank shall be deemed fully organized and may proceed to do business. The Commissioner may, in the Commissioner's discretion, withhold the issuing of the charter when the Commissioner has reason to believe that the bank is organized for any purpose other than that contemplated by this Act or that a commission or fee has been paid in connection with the sale of the stock of the bank. The Commissioner shall revoke the charter and order liquidation in the event that the bank does not commence a general banking business within one year from the date of the issuance of the charter, unless a request has been submitted, in writing, to the Commissioner for an extension and the request has been approved. After commencing a general banking business, a bank may change its name by filing written notice with the Commissioner at least 30 days prior to the effective date of such change. A bank chartered under this Act may change its main banking premises by filing written application with the Commissioner, on forms prescribed by the Commissioner, provided (i) the change shall not be a removal to a new location without complying with the capital requirements of Section 7 and of subsection (1) of Section 10 of this Act; (ii) the Commissioner approves the relocation or change; and (iii) the bank complies with any applicable federal law or regulation. The application shall be deemed to be approved if the Commissioner has not acted on the application within 30 days after receipt of the application, unless within the 30-day time frame the Commissioner informs the bank that an extension of time is necessary prior to the Commissioner's action on the application.

(b) (1) The Commissioner may also issue a charter to a bank that is owned exclusively by other depository institutions or depository institution holding companies and is organized to engage exclusively in providing services to or for other depository institutions, their holding companies, and the officers, directors, and employees of such institutions and companies, and in providing correspondent banking services at the request of other depository institutions or their holding companies (also referred to as a "bankers' bank").

(2) A bank chartered pursuant to paragraph (1) shall, except as otherwise specifically determined or limited by the Commissioner in an order or pursuant to a rule, be vested with the same rights and privileges and subject to the same duties, restrictions, penalties, and liabilities now or hereafter imposed under this Act.

(c) A bank chartered under this Act after November 1, 1985, and an out-of-state bank that
merges with a State bank and establishes or maintains a branch in this State after May 31, 1997, shall
obtain from and, at all times while it accepts or retains deposits, maintain with the Federal Deposit
Insurance Corporation, or such other instrumentality of or corporation chartered by the United States,
deposit insurance as authorized under federal law.

(d) (i) A bank that has a banking charter issued by the Commissioner under this Act may,
pursuant to a written purchase and assumption agreement, transfer substantially all of its assets to
another State bank or national bank in consideration, in whole or in part, for the transferee banks'
asumption of any part or all of its liabilities. Such a transfer shall in no way be deemed to impair the
charter of the transferor bank or cause the transferor bank to forfeit any of its rights, powers, interests,
franchises, or privileges as a State bank, nor shall any voluntary reduction in the transferor bank's
activities resulting from the transfer have any such effect; provided, however, that a State bank that
transfers substantially all of its assets pursuant to this subsection (d) and following the transfer does
not accept deposits and make loans, shall not have any rights, powers, interests, franchises, or
privileges under subsection (15) of Section 5 of this Act until the bank has resumed accepting deposits
and making loans.

(ii) The fact that a State bank does not resume accepting deposits and making loans for a
period of 24 months commencing on September 11, 1989 or on a date of the transfer of substantially
all of a State bank's assets, whichever is later, or such longer period as the Commissioner may allow
in writing, may be the basis for a finding by the Commissioner under Section 51 of this Act that the
bank is unable to continue operations.

(iii) The authority provided by subdivision (i) of this subsection (d) shall terminate on May
31, 1997, and no bank that has transferred substantially all of its assets pursuant to this subsection (d)
shall continue in existence after May 31, 1997.

Sec. 13.5. Formation and merger of interim banks.

(a) An interim bank may be chartered as a State bank for the exclusive purpose of
accomplishing a corporate restructuring through merger with an existing State bank, national bank,
trust company, or an insured savings association. An interim bank shall be chartered and merged
pursuant to the provisions of this Section. The interim bank shall not accept deposits, make loans, pay
checks, or engage in the general banking business or any part thereof, and shall not be subject to the
provisions of this Act other than those set forth in this Section; provided, however, that if the interim
bank becomes the resulting bank in a merger, such resulting bank shall have all of the powers, rights,
and duties of a State bank and must comply with all applicable provisions of this Act.

(b) An interim State bank may be organized upon application by 5 or more incorporators or
by a bank holding company. The application shall be made on forms prescribed by the Commissioner
which shall request, at a minimum, the following information:

(1) the names and addresses of the incorporators;
(2) the proposed name and address of the interim bank;
(3) the name and address of all banks with which the interim bank will be merging;
(4) a copy of the merger agreement by which the interim bank will be merged with the
banks identified in item (3) containing the same information required in merger agreements
pursuant to subsection (1) of Section 22 of this Act; and
(5) an acknowledgement that the interim bank shall not engage in the general banking
business or any part thereof unless and until the interim bank becomes the resulting bank in
a merger.

(c) The merger agreement must be approved by all of the incorporators of the interim bank
and must be approved by the existing State bank with which the interim bank will merge, as required
by Section 22 of this Act.

(d) Upon receipt of the application to organize the interim bank and the merger agreement
submitted pursuant to this Section and Section 22 of this Act, the Commissioner may issue a charter
to the interim bank and approve the merger agreement if the Commissioner makes the findings set
forth in subsection (3) of Section 22 of this Act. The interim bank's charter shall not take effect until,
and shall only be effective for purposes of, the merger.

(e) Nothing in this Section affects the obligations of an existing State bank with which the
interim bank will merge, or the rights of minority or dissenting shareholders of the existing State bank,
in connection with the approval, execution, and accomplishment of a merger agreement as provided
elsewhere in this Act.

Sec. 14. Stock. Unless otherwise provided for in this Act provisions of general application to
stock of a state bank shall be as follows:
(1) All banks shall have their capital divided into shares of a par value of not less than $1 one
dollar each and not more than $100 one hundred dollars each, however, the par value of shares of a
bank effecting a reverse stock split pursuant to item (8) of subsection (a) of Section 17 may
temporarily exceed this limit provided it conforms to the limits immediately after the reverse stock split
is completed. No issue of capital stock or preferred stock shall be valid until not less than the par value
of all such stock so issued shall be paid in and notice thereof by the president, a vice-president or
cashier of the bank has been transmitted to the Commissioner. In the case of an increase in capital
stock by the declaration of a stock dividend, the capitalization of retained earnings effected by such
stock dividend shall constitute the payment for such shares required by the preceding sentence,
provided that the surplus of said bank after such stock dividend shall be at least equal to fifty per cent
of the capital as increased. The charter shall not limit or deny the voting power of the shares of any
class of stock except as provided in Section 15(3) of this Act.
(2) Pursuant to action taken in accordance with the requirements of Section 17, a bank may
issue preferred stock of one or more classes as shall be approved by the Commissioner as hereinafter
provided, and make such amendment to its charter as may be necessary for this purpose; but in the
case of any newly organized bank which has not yet issued capital stock the requirements of Section
17 shall not apply.
(3) Without limiting the authority herein contained a bank, when so provided in its charter and
when approved by the Commissioner, may issue shares of preferred stock:
(a) Subject to the right of the bank to redeem any of such shares at not exceeding the price
fixed by the charter for the redemption thereof;
(b) Subject to the provisions of subsection (8) of this Section 14 entitling the holders
thereof to cumulative or noncumulative dividends;
(c) Having preference over any other class or classes of shares as to the payment of
 dividends;
(d) Having preference as to the assets of the bank over any other class or classes of shares
upon the voluntary or involuntary liquidation of the bank;
(e) Convertible into shares of any other class of stock, provided that preferred shares shall
not be converted into shares of a different par value unless that part of the capital of the bank
represented by such preferred shares is at the time of the conversion equal to the aggregate
par value of the shares into which the preferred shares are to be converted.
(4) If any part of the capital of a bank consists of preferred stock, the determination of whether
or not the capital of such bank is impaired and the amount of such impairment shall be based upon the
par value of its stock even though the amount which the holders of such preferred stock shall be
entitled to receive in the event of retirement or liquidation shall be in excess of the par value of such
preferred stock.
(5) Pursuant to action taken in accordance with the requirements of Section 17 of this Act, a
state bank may provide for a specified number of authorized but unissued shares of capital stock for
one or more of the following purposes:
(a) Reserved for issuance under stock option plan or plans to directors, officers or
employees;
(b) Reserved for issuance upon conversion of convertible preferred stock issued pursuant
to and in compliance with the provisions of subsections (2) and (3) of this Section 14.
(c) Reserved for issuance upon conversion of convertible debentures or other convertible
evidences of indebtedness issued by a state bank, provided always that the terms of such
conversion have been approved by the Commissioner;
(d) Reserved for issuance by the declaration of a stock dividend. If and when any shares
of stock capital are proposed to be authorized and reserved for any of the purposes set forth.
in subparagraphs (a), (b) or (c) above, the notice of the meeting, whether special or annual, of stockholders at which such proposition is to be considered shall be accompanied by a statement setting forth or summarizing the terms upon which the shares of capital stock so reserved are to be issued, and the extent to which any preemptive rights of stockholders are inapplicable to the issuance of the shares so reserved or to the convertible preferred stock or convertible debentures or other convertible evidences of indebtedness, and the approving vote of the holders of at least two-thirds of the outstanding shares of stock entitled to vote at such meeting of the terms of such issuance shall be requisite for the adoption of any amendment providing for the reservation of authorized but unissued shares for any of said purposes. Nothing in this subsection (5) contained shall be deemed to authorize the issuance of any capital stock for a consideration less than the par value thereof.

(6) Upon written application to the Commissioner 60 days prior to the proposed purchase and receipt of the written approval of the Commissioner, a state bank may purchase and hold as treasury stock such amounts of the total number of issued and outstanding shares of its capital and preferred stock outstanding as the Commissioner determines is consistent with safety and soundness of the bank. The Commissioner may specify the manner of accounting for the treasury stock and the form of notice prior to ultimate disposition of the shares. Except as authorized in this subsection, it shall not be lawful for a state bank to purchase or hold any additional such shares or securities described in subsection (2) of Section 37 unless necessary to prevent loss upon a debt previously contracted in good faith, in which event such shares or securities so purchased or acquired shall, within 6 months from the time of purchase or acquisition, be sold or disposed of at public or private sale. Any state bank which intends to purchase and hold treasury stock as authorized in this subsection (6) shall file a written application with the Commissioner 60 days prior to any such proposed purchase. The application shall state the number of shares to be purchased, the consideration for the shares, the name and address of the person from whom the shares are to be purchased, if known, and the total percentage of its issued and outstanding shares to be held by the bank after the purchase. The total consideration paid by a state bank for treasury stock shall reduce capital and surplus of the bank for purposes of Sections of this Act relating to lending and investment limits which require computation of capital and surplus. After considering and approving an application to purchase and hold treasury stock under this subsection, the Commissioner may waive or reduce the balance of the 60 day application period. The Commissioner may specify the form of the application for approval to acquire treasury stock and promulgate rules and regulations for the administration of this subsection (6). A state bank may, acquire or resell its own shares as treasury stock pursuant to this subsection (6) without a change in its charter pursuant to Section 17. Such stock may be held for any purpose permitted in subsection (5) of this Section 14 or may be resold upon such reasonable terms as the board of directors may determine provided notice is given to the Commissioner prior to the resale of such stock.

(7) During the time that a state bank shall continue its banking business, it shall not withdraw or permit to be withdrawn, either in the form of dividends or otherwise, any portion of its capital, but nothing in this subsection shall prevent a reduction or change of the capital stock or the preferred stock under the provisions of Sections 17 through 30 of this Act, a purchase of treasury stock under the provisions of subsection (6) of this Section 14 or a redemption of preferred stock pursuant to charter provisions therefor.

(8) (a) Subject to the provisions of this Act, the board of directors of a state bank from time to time may declare a dividend of so much of the net profits of such bank as it shall judge expedient, but each bank before the declaration of a dividend shall carry at least one-tenth of its net profits since the date of the declaration of the last preceding dividend, or since the issuance of its charter in the case of its first dividend, to its surplus until the same shall be equal to its capital.

(b) No dividends shall be paid by a state bank while it continues its banking business to an amount greater than its net profits then on hand, deducting first therefrom its losses and bad debts. All debts due to a state bank on which interest is past due and unpaid for a period of 6 months or more, unless the same are well secured and in the process of collection, shall be considered bad debts.

(9) A State bank may, but shall not be obliged to, issue a certificate for a fractional share, and, by action of its board of directors, may in lieu thereof, pay cash equal to the value of the fractional

share. A certificate for a fractional share shall entitle the holder to exercise fractional voting rights, to receive dividends, and to participate in any of the assets of the bank in the event of liquidation. (Source: P.A. 90-160, eff. 7-23-97; 90-301, eff. 8-1-97; 90-655, eff. 7-30-98.)

Sec. 15. Stock and stockholders. Unless otherwise provided for in this Act, provisions of general application to capital stock, preferred stock, and stockholders of a State bank shall be as follows:

(1) There shall be an annual meeting of the stockholders for the election of directors each year on the first business day in January, unless some other date shall be fixed by the by-laws. A special meeting of the stockholders may be called at any time by the board of directors, and otherwise as may be provided in the bylaws.

(2) Written or printed notice stating the place, day, and hour of the meeting, and in case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered not less than 10 nor more than 40 days before the date of the meeting either personally or by mail, by or at the direction of the president, or the secretary, or the officer or persons calling the meeting, to each stockholder of record entitled to vote at the meeting. If mailed, the notice shall be deemed to be delivered when deposited in the United States mail with postage thereon prepaid addressed to the stockholder at his address as it appears on the records of the bank.

(3) Except as provided below in this paragraph (3), each outstanding share shall be entitled to one vote on each matter submitted to a vote at a meeting of stockholders. Shares of its own stock belonging to a bank shall not be voted, directly or indirectly, at any meeting and shall not be counted in determining the total number of outstanding shares at any given time, but shares of its own stock held by it in a fiduciary capacity may be voted and shall be counted in determining the total number of outstanding shares at any given time. A stockholder may vote either in person or by proxy executed in writing by the stockholder or by his duly authorized attorney-in-fact. No proxy shall be valid after 11 months from the date of its execution, unless otherwise provided in the proxy. Except as provided below in this paragraph (3), in all elections for directors every stockholder (or subscriber to the stock prior to the issuance of a charter) shall have the right to vote, in person or by proxy, for the number of shares of stock owned by him, for as many persons as there are directors to be elected, or to cumulate the shares and give one candidate as many votes as the number of directors multiplied by the number of his or her shares of stock shall equal, or to distribute them on the same principle among as many candidates as he or she shall think fit. The bank charter of any bank organized on or after January 1, 1984 may limit or eliminate cumulative voting rights in all or specified circumstances, or may eliminate voting rights entirely, as to any class or classes or series of stock of the bank; provided that one class of shares or series thereof shall always have voting rights in respect of all matters in the bank. A bank organized prior to January 1, 1984 may amend its charter to eliminate cumulative voting rights under all or specified circumstances, or to eliminate voting rights entirely, as to any class or classes or series of stock of the bank; provided that one class of shares or series thereof shall always have voting rights in respect of all matters in the bank, and provided further that the proposal to eliminate the voting rights receives the approval of the holders of 70% of the outstanding shares of stock entitled to vote as provided in paragraph (b) (7) of Section 17. A majority of the outstanding shares represented in person or by proxy shall constitute a quorum at a meeting of stockholders. In the absence of a quorum a meeting may be adjourned from time to time without notice to the stockholders.

(4) Whenever additional stock of a class is offered for sale, stockholders of record of the same class on the date of the offer shall have the right to subscribe to the proportion of the shares as the stock of the class held by them bears to the total of the outstanding stock of the class, and the price thereof may be in excess of par value. This right shall be transferable but shall terminate if not exercised within 60 days of the offer, unless the Commissioner shall authorize a shorter time. If the right is not exercised, the stock shall not be re-offered for sale to others at a lower price without the stockholders of the same class again being accorded a preemptive right to subscribe at the lower price. Notwithstanding any of the provisions of this paragraph (4) or any other provision of law, stockholders shall not have any preemptive or other right to subscribe for or to purchase or acquire shares of capital stock issued or to be issued under a stock-option plan or upon conversion of preferred stock or convertible debentures or other convertible indebtedness that has been approved by stockholders in the manner required by the provisions of subsection (5) of Section 14 hereof or to
Public Act 92-0483

For the purpose of determining stockholders entitled to notice of or to vote at any meeting of stockholders, or stockholders entitled to receive payment of any dividend, or in order to make a determination of stockholders for any other proper purpose, the board of directors of a bank may provide that the stock transfer books shall be closed for a stated period not to exceed, in any case, 40 days. In lieu of closing the stock transfer books, the board of directors may fix in advance a date as the record date for any determination of stockholders, the date in any case to be not more than 40 days, and in case of a meeting of stockholders, not less than 10 days prior to the date on which the particular action, requiring the determination of stockholders, is to be taken. If the stock transfer books are not closed and no record date is fixed for the determination of stockholders entitled to notice of or to vote at a meeting of stockholders, or stockholders entitled to receive payment of a dividend, the date on which notice of a meeting is mailed or the date on which the resolution of the board of directors declaring the dividend is adopted, as the case may be, shall be the record date for the determination of stockholders.

Stock standing in the name of another corporation, domestic or foreign, may be voted by the officer, agent, or proxy as the by-laws of the corporation may prescribe, or, in the absence of such provision, as the board of directors of the corporation may determine. Stock standing in the name of a deceased person may be voted by the administrator or executor, either in person or by proxy. Stock standing in the name of a guardian or trustee may be voted by that fiduciary either in person or by proxy. Shares standing in the name of a receiver may be voted by the receiver, and shares held by or under control of a receiver may be voted by the receiver without the transfer thereof into his or her name, if authority so to do be contained in an appropriate order of the court by which the receiver was appointed. A stockholder whose shares of stock are pledged shall be entitled to vote those shares until the shares have been transferred into the name of the pledgee, and thereafter the pledgee shall be entitled to vote the shares so transferred.

Shares of stock shall be transferable in accordance with the general laws of this State governing the transfer of corporate shares.

The president and cashier of every State bank shall cause to be kept at all times a full and correct list of the names and residences of all the shareholders in the State bank and the number of shares held by each in the office where its business is transacted. The list shall be subject to the inspection of all the shareholders of the State bank and the officers authorized to assess taxes under State authority during business hours of each day in which business may be legally transacted. A copy of the list, verified by the oath of the president or cashier, shall be transmitted to the Commissioner of Banks and Real Estate within 10 days of any demand therefor made by the Commissioner.

Any number of shareholders of a bank may create a voting trust for the purpose of conferring upon a trustee or trustees the right to vote or otherwise represent their shares for a period of not to exceed 10 years by entering into a written voting trust agreement specifying the terms and conditions of the voting trust and by transferring their shares to the trustee or trustees for the purposes of the agreement. The trust agreement shall not become effective until a counterpart of the agreement is deposited with the bank at its main banking premises registered office. The counterpart of the voting trust agreement so deposited with the bank shall be subject to the same right of examination by a shareholder of the bank, in person or by agent or attorney, as is the record of shareholders of the bank and shall be subject to examination by any holder of a beneficial interest in the voting trust, either in person or by agent or attorney, at any reasonable time for any proper purpose.

Voting agreements. Shareholders may provide for the voting of their shares by signing an agreement for that purpose. A voting agreement created under this paragraph is not subject to the provisions of paragraph (9).

A voting agreement created under this paragraph is specifically enforceable in accordance with the principles of equity.

Sec. 16.1. One or more of the directors may be removed, with or without cause, at a meeting of shareholders by the affirmative vote of the holders of a majority of the outstanding shares then entitled to vote at an election of directors, except as follows:

(1) No director shall be removed at a meeting of shareholders unless the notice of the meeting

shall state that a purpose of the meeting is to vote upon the removal of one or more directors named in the notice. Only the named director or directors may be removed at that meeting.

(2) In the case of a bank having cumulative voting, if less than the entire board is to be removed, no director may be removed if the votes cast against his or her removal would be sufficient to elect him or her if then cumulatively voted at an election of the entire board of directors.

(3) If a director is elected by a class or series of shares, he or she may be removed only by the shareholders of that class or series.

(4) In the case of a State bank whose board is classified as provided in paragraph (3) of Section 16 of this Act, the charter or the by-laws may provide that directors may be removed only for cause.

Sec. 17. Changes in charter.

(a) By compliance with the provisions of this Act a State bank may:

(1) (blank);

(2) increase, decrease or change its capital stock, whether issued or unissued, provided that in no case shall the capital be diminished to the prejudice of its creditors;

(3) provide for authorized but unissued capital stock reserved for issuance for one or more of the purposes provided for in subsection (5) of Section 14 hereof;

(4) authorize preferred stock, or increase, decrease or change the preferences, qualifications, limitations, restrictions or special or relative rights of its preferred stock, whether issued or unissued, provided that in no case shall the capital be diminished to the prejudice of its creditors;

(5) increase, decrease or change the par value of its shares of its capital stock or preferred stock, whether issued or unissued;

(6) (blank) extend the duration of its charter;

(7) eliminate cumulative voting rights under all or specified circumstances, or eliminate voting rights entirely, as to any class or classes or series of stock of the bank pursuant to paragraph (3) of Section 15, provided that one class of shares or series thereof shall always have voting in respect to all matters in the bank, and provided further that the proposal to eliminate such voting rights receives the approval of the holders of 70% of the outstanding shares of stock entitled to vote as provided in paragraph (7) of subsection (b) of this Section 17;

(8) increase, decrease, or change its capital stock or preferred stock, whether issued or unissued, for the purpose of eliminating fractional shares or avoiding the issuance of fractional shares, provided that in no case shall the capital be diminished to the prejudice of its creditors; or

(9) make such other change in its charter as may be authorized in this Act.

(b) To effect a change or changes in a State bank's charter as provided for in this Section 17:

(1) The board of directors shall adopt a resolution setting forth the proposed amendment and directing that it be submitted to a vote at a meeting of stockholders, which may be either an annual or special meeting.

(2) If the meeting is a special meeting, written or printed notice setting forth the proposed amendment or summary thereof shall be given to each stockholder of record entitled to vote at such meeting at least 30 days before such meeting and in the manner provided in this Act for the giving of notice of meetings of stockholders.

(3) At such special meeting, a vote of the stockholders entitled to vote shall be taken on the proposed amendment. Except as provided in paragraph (7) of this subsection (b), the proposed amendment shall be adopted upon receiving the affirmative vote of the holders of at least two-thirds of the outstanding shares of stock entitled to vote at such meeting, unless holders of preferred stock are entitled to vote as a class in respect thereof, in which event the proposed amendment shall be adopted upon receiving the affirmative vote of the holders of at least two-thirds of the outstanding shares of each class of shares entitled to vote as a class in respect thereof and of the total outstanding shares entitled to vote at such meeting. Any number of amendments may be submitted to the stockholders and voted upon by them at one
meeting. A certificate of the amendment, or amendments, verified by the president, or a vice-president, or the cashier, shall be filed immediately in the office of the Commissioner.

(4) At any annual meeting without a resolution of the board of directors and without a notice and prior publication, as hereinabove provided, a proposition for a change in the bank's charter as provided for in this Section 17 may be submitted to a vote of the stockholders entitled to vote at the annual meeting, except that no proposition for authorized but unissued capital stock reserved for issuance for one or more of the purposes provided for in subsection (5) of Section 14 hereof shall be submitted without complying with the provisions of said subsection. The proposed amendment shall be adopted upon receiving the affirmative vote of the holders of at least two-thirds of the outstanding shares of stock entitled to vote at such meeting, unless holders of preferred stock are entitled to vote as a class in respect thereof, in which event the proposed amendment shall be adopted upon receiving the affirmative vote of the holders of at least two-thirds of the outstanding shares of each class of shares entitled to vote as a class in respect thereof and the total outstanding shares entitled to vote at such meeting. A certificate of the amendment, or amendments, verified by the president, or a vice-president or cashier, shall be filed immediately in the office of the Commissioner.

(5) If an amendment or amendments shall be approved in writing by the Commissioner, the amendment or amendments so adopted and so approved shall be accomplished in accordance with the vote of the stockholders. The Commissioner may impose such terms and conditions on the approval of the amendment or amendments as he deems necessary or appropriate. The Commissioner shall revoke such approval in the event such amendment or amendments are not effected within one year from the date of the issuance of the Commissioner's certificate and written approval except for transactions permitted under subsection (5) of Section 14 of this Act.

(6) No amendment or amendments shall affect suits in which the bank is a party, nor affect causes of action, nor affect rights of persons in any particular, nor shall actions brought against such bank by its former name be abated by a change of name.

(7) A proposal to amend the charter to eliminate cumulative voting rights under all or specified circumstances, or to eliminate voting rights entirely, as to any class or classes or series or stock of a bank, pursuant to paragraph (3) of Section 15 and paragraph (7) of subsection (a) of this Section 17, shall be adopted only upon such proposal receiving the approval of the holders of 70% of the outstanding shares of stock entitled to vote at the meeting where the proposal is presented for approval, unless holders of preferred stock are entitled to vote as a class in respect thereof, in which event the proposed amendment shall be adopted upon receiving the approval of the holders of 70% of the outstanding shares of each class of shares entitled to vote as a class in respect thereof and of the total outstanding shares entitled to vote at the meeting where the proposal is presented for approval. The proposal to amend the charter pursuant to this paragraph (7) may be voted upon at the annual meeting or a special meeting.

(8) Written or printed notice of a stockholders' meeting to vote on a proposal to increase, decrease or change the capital stock or preferred stock pursuant to paragraph (8) of subsection (a) of this Section 17 and to eliminate fractional shares or avoid the issuance of fractional shares shall be given to each stockholder of record entitled to vote at the meeting at least 30 days before the meeting and in the manner provided in this Act for the giving of notice of meetings of stockholders, and shall include all of the following information:

(A) A statement of the purpose of the proposed reverse stock split.
(B) A statement of the amount of consideration being offered for the bank's stock.
(C) A statement that the bank considers the transaction fair to the stockholders, and a statement of the material facts upon which this belief is based.
(D) A statement that the bank has secured an opinion from a third party with respect to the fairness, from a financial point of view, of the consideration to be paid, the identity and qualifications of the third party, how the third party was selected, and any material relationship between the third party and the bank.
(E) A summary of the opinion including the basis for and the methods of arriving at the findings and any limitation imposed by the bank in arriving at fair value and a
statement making the opinion available for reviewing or copying by any stockholder.  

(F) A statement that objecting stockholders will be entitled to the fair value of those shares that are voted against the charter amendment, if a proper demand is made on the bank and the requirements are satisfied as specified in this Section.

If a stockholder shall file with the bank, prior to or at the meeting of stockholders at which the proposed charter amendment is submitted to a vote, a written objection to the proposed charter amendment and shall not vote in favor thereof, and if the stockholder, within 20 days after receiving written notice of the date the charter amendment was accomplished pursuant to paragraph (5) of subsection (a) of this Section 17, shall make written demand on the bank for payment of the fair value of the stockholder's shares as of the day prior to the date on which the vote was taken approving the charter amendment, the bank shall pay to the stockholder, upon surrender of the certificate or certificates representing the stock, the fair value thereof. The demand shall state the number of shares owned by the objecting stockholder. The bank shall provide written notice of the date on which the charter amendment was accomplished to all stockholders who have filed written objections in order that the objecting stockholders may know when they must file written demand if they choose to do so. Any stockholder failing to make demand within the 20-day period shall be conclusively presumed to have consented to the charter amendment and shall be bound by the terms thereof. If within 30 days after the date on which a charter amendment was accomplished the value of the shares is agreed upon between the objecting stockholders and the bank, payment therefor shall be made within 90 days after the date on which the charter amendment was accomplished, upon the surrender of the stockholder's certificate or certificates representing the shares. Upon payment of the agreed value the objecting stockholder shall cease to have any interest in the shares or in the bank. If within such period of 30 days the stockholder and the bank do not so agree, then the objecting stockholder may, within 60 days after the expiration of the 30-day period, file a complaint in the circuit court asking for a finding and determination of the fair value of the shares, and shall be entitled to judgment against the bank for the amount of the fair value as of the day prior to the date on which the vote was taken approving the charter amendment with interest thereon to the date of the judgment. The practice, procedure and judgment shall be governed by the Civil Practice Law. The judgment shall be payable only upon and simultaneously with the surrender to the bank of the certificate or certificates representing the shares. Upon payment of the judgment, the objecting stockholder shall cease to have any interest in the shares or the bank. The shares may be held and disposed of by the bank. Unless the objecting stockholder shall file such complaint within the time herein limited, the stockholder and all persons claiming under the stockholder shall be conclusively presumed to have approved and ratified the charter amendment, and shall be bound by the terms thereof. The right of an objecting stockholder to be paid the fair value of the stockholder's shares of stock as herein provided shall cease if and when the bank shall abandon the charter amendment.

(c) The purchase and holding and later resale of treasury stock of a state bank pursuant to the provisions of subsection (6) of Section 14 may be accomplished without a change in its charter reflecting any decrease or increase in capital stock.

Sec. 18. Change in control.

(a) Before a change may occur in the ownership of outstanding stock of any State bank, whether by sale and purchase, gift, bequest or inheritance, or any other means, including the acquisition of stock of the State bank by any bank holding company, which will result in control or a change in the control of the bank or before a change in the control of a holding company having control of the outstanding stock of a State bank whether by sale and purchase, gift, bequest or inheritance, or any other means, including the acquisition of stock of such holding company by any other bank holding company, which will result in control or a change in control of the bank or holding company, or before a transfer of substantially all the assets or liabilities of the State bank, the Commissioner shall be of the opinion and find:

(1) that the general character of the proposed management or of the person desiring to purchase substantially all the assets or to assume substantially all the liabilities of the State bank, after the change in control, is such as to assure reasonable promise of successful, safe and sound operation;

New matter indicated by italics - deletions by strikeout.
(1.1) that depositors' interests will not be jeopardized by the purchase or assumption and that adequate provision has been made for all liabilities as required for a voluntary liquidation under Section 68 of this Act;

(2) that the future earnings prospects of the person desiring to purchase substantially all assets or to assume substantially all the liabilities of the State bank, after the proposed change in control, are favorable;

(3) that any prior involvement by the persons proposing to obtain control, to purchase substantially all the assets, or to assume substantially all the liabilities of the State bank or by the proposed management personnel with any other financial institution, whether as stockholder, director, officer or customer, was conducted in a safe and sound manner; and

(4) that if the acquisition is being made by a bank holding company, the acquisition is authorized under the Illinois Bank Holding Company Act of 1957.

(b) Persons desiring to purchase control of an existing state bank, to purchase substantially all the assets, or to assume substantially all the liabilities of the State bank shall, prior to that purchase, submit to the Commissioner:

(1) a statement of financial worth;

(2) satisfactory evidence that any prior involvement by the persons and the proposed management personnel with any other financial institution, whether as stockholder, director, officer or customer, was conducted in a safe and sound manner; and

(3) such other relevant information as the Commissioner may request to substantiate the findings under subsection (a) of this Section.

A person who has submitted information to the Commissioner pursuant to this subsection (b) is under a continuing obligation until the Commissioner takes action on the application to immediately supplement that information if there are any material changes in the information previously furnished or if there are any material changes in any circumstances that may affect the Commissioner's opinion and findings. In addition, a person submitting information under this subsection shall notify the Commissioner of the date when the change in control is finally effected. The Commissioner may impose such terms and conditions on the approval of the change in control application as he deems necessary or appropriate.

If an applicant, whose application for a change in control has been approved pursuant to subsection (a) of this Section, fails to effect the change in control within 180 days after the date of the Commissioner's approval, the Commissioner shall revoke that approval unless a request has been submitted, in writing, to the Commissioner for an extension and the request has been approved.

As used in this Section, the term "control" means the ownership of such amount of stock or ability to direct the voting of such stock as to give power to, directly or indirectly, direct or cause the direction of the management or policies of the bank. A change in ownership of stock which would result in direct or indirect ownership by a stockholder, an affiliated group of stockholders or a holding company of less than 10 percent of the outstanding stock shall not be considered a change of control. A change in ownership of stock which would result in direct or indirect ownership by a stockholder, an affiliated group of stockholders or a holding company of 20 percent or such lesser amount which would entitle the holder by applying cumulative voting to elect one director shall be presumed to constitute a change of control for purposes of this Section. If there is any doubt as to whether a change in the ownership or control of the outstanding stock is sufficient to result in obtaining control thereof or to effect a change in the control thereof, such doubt shall be resolved in favor of reporting the facts to the Commissioner.

As used in this Section, "substantially all" the assets or liabilities of a State bank means that portion of the assets or liabilities of a State bank such that their purchase or transfer will materially impair the ability of the State bank to continue successful, safe, and sound operations or to continue as a going concern or would cause the bank to lose its federal deposit insurance.

(b) Any person who obtains ownership of stock of an existing State bank or stock of a holding company that controls the State bank by gift, bequest, or inheritance such that ownership of the stock would constitute control of the State bank or holding company may obtain title and ownership of the stock, but may not exercise management or control of the business and affairs of the bank or vote his or her shares so as to exercise management or control unless and until the Commissioner approves an application for the change of control as provided in subsection (b) of this

Section.

(c) Whenever a state bank makes a loan or loans, secured, or to be secured, by 25% or more of the outstanding stock of a state bank, the president or other chief executive officer of the lending bank shall promptly report such fact to the Commissioner upon obtaining knowledge of such loan or loans, except that no report need be made in those cases where the borrower has been the owner of record of the stock for a period of one year or more, or the stock is that of a newly organized bank prior to its opening.

(d) The reports required by subsections (b) and (c) of this Section 18, other than those relating to a transfer of assets or assumption of liabilities, shall contain the following information to the extent that it is known by the person making the report: (1) the number of shares involved; (2) the names of the sellers (or transferors); (3) the names of the purchasers (or transferees); (4) the names of the beneficial owners if the shares are registered in another name; (5) the purchase price, if applicable; (6) the total number of shares owned by the sellers (or transferors), the purchasers (or transferees) and the beneficial owners both immediately before and after the transaction; and, (7) in the case of a loan, the name of the borrower, the amount of the loan, the name of the bank issuing the stock securing the loan and the number of shares securing the loan. In addition to the foregoing, such reports shall contain such other information which is requested by the Commissioner to inform the Commissioner of the effect of the transaction upon control of the bank whose stock is involved.

(d-1) The reports required by subsection (b) of this Section 18 that relate to purchase of assets and assumption of liabilities shall contain the following information to the extent that it is known by the person making the report: (1) the value, amount, and description of the assets transferred; (2) the amount, type, and to whom each type of liabilities are owed; (3) the names of the purchasers (or transferees); (4) the names of the beneficial owners if the shares of a purchaser or transferee are registered in another name; (5) the purchase price, if applicable; and, (6) in the case of a loan obtained to effect a purchase, the name of the borrower, the amount and terms of the loan, and the description of the assets securing the loan. In addition to the foregoing, these reports shall contain any other information that is requested by the Commissioner to inform the Commissioner of the effect of the transaction upon the bank from which assets are purchased or liabilities are transferred.

(e) Whenever such a change as described in subsection (a) of this Section 18 occurs, each state bank shall report promptly to the Commissioner any changes or replacement of its chief executive officer or of any director occurring in the next 12 month period, including in its report a statement of the past and current business and professional affiliations of the new chief executive officer or directors.

(Blank).

(g) (1) Except as otherwise expressly provided in this subsection (g), the Commissioners shall not approve an application for a change in control if upon consummation of the change in control the persons applying for the change in control, including any affiliates of the persons applying, would control 30% or more of the total amount of deposits which are located in this State at insured depository institutions. For purposes of this subsection (g), the words "insured depository institution" shall mean State banks, national banks, and insured savings associations. For purposes of this subsection (g), the word "deposits" shall have the meaning ascribed to that word in Section 3(1) of the Federal Deposit Insurance Act. For purposes of this subsection (g), the total amount of deposits which are considered to be located in this State at insured depository institutions shall equal the sum of all deposits held at the main banking premises and branches in the State of Illinois of State banks, national banks, or insured savings associations. For purposes of this subsection (g), the word "affiliates" shall have the meaning ascribed to that word in Section 35.2 of this Act.

(2) Notwithstanding the provisions of subsection (g)(1) of this Section, the Commissioner may approve an application for a change in control for a bank that is in default or in danger of default. Except in those instances in which an application for a change in control is for a bank that is in default or in danger of default, the Commissioner may not approve a change in control which does not meet the requirements of subsection (g)(1) of this Section. The Commissioner may not waive the provisions of subsection (g)(1) of this Section, whether pursuant to Section 3(d) of the federal Bank Holding Company Act of 1956 or Section 44(d) of the Federal Deposit Insurance Act, except as expressly provided in this subsection (g)(2).
(h) As used in this Section, the term "control" means the ownership of such amount of stock or ability to direct the voting of such stock as to, directly or indirectly, give power to direct or cause the direction of the management or policies of the bank. A change in ownership of stock that would result in direct or indirect ownership by a stockholder, an affiliated group of stockholders, or a holding company of less than 10% of the outstanding stock shall not be considered a change in control. A change in ownership of stock that would result in direct or indirect ownership by a stockholder, an affiliated group of stockholders, or a holding company of 20% or such lesser amount that would entitle the holder by applying cumulative voting to elect one director shall be presumed to constitute a change of control for purposes of this Section 18. If there is any question as to whether a change in the ownership or control of the outstanding stock is sufficient to result in obtaining control thereof or to effect a change in the control thereof, the question shall be resolved in favor of reporting the facts to the Commissioner.

As used in this Section, "substantially all" the assets or liabilities of a State bank means that portion of the assets or liabilities of a State bank such that their purchase or transfer will materially impair the ability of the State bank to continue successful, safe, and sound operations or to continue as a going concern or would cause the bank to lose its federal deposit insurance.

As used in this Section, "purchase" includes a transfer by gift, bequest, inheritance, or any other means.

Upon approval by the Commissioner, a mid-tier bank holding company having power so to do under the law under which it is organized may merge into its subsidiary State bank as prescribed by this Act; except that the action by the mid-tier bank holding company shall be taken in the manner prescribed by and shall be subject to limitations and requirements imposed by the law under which it is organized. (3) (a) For purposes of this Section, "control" means (i) ownership, control, or power to vote 25% or more of the outstanding shares of any class of voting security of the corporation or firm, directly or indirectly, or acting through or in concert with one or more other persons; (ii) control in any manner over the election of a majority of the directors of the corporation or firm; or (iii) the power to exercise a controlling influence over the management or policies of the corporation or firm, directly or indirectly, or acting through or in concert with one or more persons.

Sec. 47. Reports to Commissioner.

(a) All State banks shall make a full and accurate statement of their affairs at least 1 time during each calendar quarter which shall be certified to, under oath by the president, a vice-president or the cashier of such bank. If the statement is submitted in electronic form, the Commissioner may, in the call for the report, specify the manner in which the appropriate officer of the bank shall certify the statement of affairs. The statement shall be according to the form which may be prescribed by the Commissioner and shall exhibit in detail information concerning such bank at the close of business of any day the Commissioner may choose and designate in a call for such report. Each bank shall deliver its quarterly statement to the location specified by the Commissioner within 30 calendar days of the date of the call for such reports. If the quarterly statement is mailed, it must be postmarked within the period prescribed for delivery, and if the quarterly statement is delivered in electronic form, the bank shall generate and retain satisfactory proof that it has caused the report to be delivered within the period prescribed for delivery. Within 60 calendar days after the Commissioner's call for the fourth calendar quarter statement of affairs, a State bank shall publish an annual disclosure statement setting forth the information required by rule of the Commissioner. The disclosure statement shall contain the required information as of the close of the business day designated by the Commissioner for the fourth quarter statement of affairs. Any bank failing to make and deliver such statement or to comply with any provisions of this Section may be subject to a penalty payable to the Commissioner of $100 for each day of noncompliance.

Compliance with the time frames prescribed by the

Neither the bank, its directors, officers, employees or its agents, in the preparation or filing of the reports required by subsection (b) of this Section, shall be subject to any liability for libel, slander, or other charges resulting from information supplied in such reports, except when the supplying of such information is done in a corrupt or malicious manner or otherwise not in good faith.

(205 ILCS 5/48) (from Ch. 17, par. 359)

Sec. 48. Commissioner's powers; duties. The Commissioner shall have the powers and authority, and is charged with the duties and responsibilities designated in this Act, and a State bank shall not be subject to any other visitorial power other than as authorized by this Act, except those vested in the courts, or upon prior consultation with the Commissioner, a foreign bank regulator with an appropriate supervisory interest in the parent or affiliate of a state bank. In the performance of the Commissioner's duties:

(1) The Commissioner shall call for statements from all State banks as provided in Section 47 at least one time during each calendar quarter.

(2) (a) The Commissioner, as often as the Commissioner shall deem necessary or proper, and no less frequently than 18 months following the preceding examination, shall appoint a suitable person or persons to make an examination of the affairs of every State bank, except that for every eligible State bank, as defined by regulation, the Commissioner in lieu of the examination may accept on an alternating basis the examination made by the eligible State bank's appropriate federal banking agency pursuant to Section 111 of the Federal Deposit Insurance Corporation Improvement Act of 1991, provided the appropriate federal banking agency has made such an examination. A person so appointed shall not be a stockholder or officer or employee of any bank which that person may be directed to examine, and shall have powers to make a thorough examination into all the affairs of the bank and in so doing to examine any of the officers or agents or employees thereof on oath and shall make a full and detailed report of the condition of the bank to the Commissioner. In making the examination the examiners shall include an examination of the affairs of all the affiliates of the bank, as defined in subsection (b) of Section 35.2 of this Act, or subsidiaries of the bank as shall be necessary to disclose fully the conditions of the subsidiaries or affiliates, the relations between the bank and the subsidiaries or affiliates and the effect of those relations upon the affairs of the bank, and in connection therewith shall have power to examine any of the officers, directors, agents, or employees of the subsidiaries or affiliates on oath. After May 31, 1997, the Commissioner may enter into cooperative agreements with state regulatory authorities of other states to provide for examination of State bank branches in those states, and the Commissioner may accept reports of examinations of State bank branches from those state regulatory authorities. These cooperative agreements may set forth the manner in which the other state regulatory authorities may be compensated for examinations prepared for and submitted to the Commissioner.

(b) After May 31, 1997, the Commissioner is authorized to examine, as often as the Commissioner shall deem necessary or proper, branches of out-of-state banks. The Commissioner may establish and may assess fees to be paid to the Commissioner for examinations under this subsection (b). The fees shall be borne by the out-of-state bank, unless the fees are borne by the state regulatory authority that chartered the out-of-state bank, as determined by a cooperative agreement between the Commissioner and the state regulatory authority that chartered the out-of-state bank.

(2.5) Whenever any State bank, any subsidiary or affiliate of a State bank, or after May 31, 1997, any branch of an out-of-state bank causes to be performed, by contract or otherwise, any bank services for itself, whether on or off its premises:

(a) that performance shall be subject to examination by the Commissioner to the same extent as if services were being performed by the bank or, after May 31, 1997, branch of the out-of-state bank itself on its own premises; and

(b) the bank or, after May 31, 1997, branch of the out-of-state bank shall notify the Commissioner of the existence of a service relationship. The notification shall be submitted with the first statement of condition (as required by Section 47 of this Act) due after the making of the service contract or the performance of the service, whichever occurs first. The Commissioner shall be notified of each subsequent contract in the same manner.

New matter indicated by italics - deletions by strikeout.
For purposes of this subsection (2.5), the term "bank services" means services such as sorting and posting of checks and deposits, computation and posting of interest and other credits and charges, preparation and mailing of checks, statements, notices, and similar items, or any other clerical, bookkeeping, accounting, statistical, or similar functions performed for a State bank, including but not limited to electronic data processing related to those bank services.

(3) The expense of administering this Act, including the expense of the examinations of State banks as provided in this Act, shall to the extent of the amounts resulting from the fees provided for in paragraphs (a), (a-2), and (b) of this subsection (3) be assessed against and borne by the State banks:

(a) Each bank shall pay to the Commissioner a Call Report Fee which shall be paid in quarterly installments equal to one-fourth of the sum of the annual fixed fee of $800, plus a variable fee based on the assets shown on the quarterly statement of condition delivered to the Commissioner in accordance with Section 47 for the preceding quarter according to the following schedule: 16¢ per $1,000 of the first $5,000,000 of total assets, 15¢ per $1,000 of the next $20,000,000 of total assets, 13¢ per $1,000 of the next $75,000,000 of total assets, 9¢ per $1,000 of the next $400,000,000 of total assets, 7¢ per $1,000 of the next $500,000,000 of total assets, and 5¢ per $1,000 of all assets in excess of $1,000,000,000, of the State bank. The Call Report Fee shall be calculated by the Commissioner and billed to the banks for remittance at the time of the quarterly statements of condition provided for in Section 47. The Commissioner may require payment of the fees provided in this Section by an electronic transfer of funds or an automatic debit of an account of each of the State banks. In case more than one examination of any bank is deemed by the Commissioner to be necessary in any examination frequency cycle specified in subsection 2(a) of this Section, and is performed at his direction, the Commissioner may assess a reasonable additional fee to recover the cost of the additional examination; provided, however, that an examination conducted at the request of the State Treasurer pursuant to the Uniform Disposition of Unclaimed Property Act shall not be deemed to be an additional examination under this Section. In lieu of the method and amounts set forth in this paragraph (a) for the calculation of the Call Report Fee, the Commissioner may specify by rule that the Call Report Fees provided by this Section may be assessed semiannually or some other period and may provide in the rule the formula to be used for calculating and assessing the periodic Call Report Fees to be paid by State banks.

(a-1) If in the opinion of the Commissioner an emergency exists or appears likely, the Commissioner may assign an examiner or examiners to monitor the affairs of a State bank with whatever frequency he deems appropriate, including but not limited to a daily basis. The reasonable and necessary expenses of the Commissioner during the period of the monitoring shall be borne by the subject bank. The Commissioner shall furnish the State bank a statement of time and expenses if requested to do so within 30 days of the conclusion of the monitoring period.

(a-2) On and after January 1, 1990, the reasonable and necessary expenses of the Commissioner during examination of the performance of electronic data processing services under subsection (2.5) shall be borne by the banks for which the services are provided. An amount, based upon a fee structure prescribed by the Commissioner, shall be paid by the banks or, after May 31, 1997, branches of out-of-state banks receiving the electronic data processing services along with the Call Report Fee assessed under paragraph (a) of this subsection (3).

(a-3) After May 31, 1997, the reasonable and necessary expenses of the Commissioner during examination of the performance of electronic data processing services under subsection (2.5) at or on behalf of branches of out-of-state banks shall be borne by the out-of-state banks, unless those expenses are borne by the state regulatory authorities that chartered the out-of-state banks, as determined by cooperative agreements between the Commissioner and the state regulatory authorities that chartered the out-of-state banks.

(b) "Fiscal year" for purposes of this Section 48 is defined as a period beginning July 1 of any year and ending June 30 of the next year. The Commissioner shall receive for each fiscal year, commencing with the fiscal year ending June 30, 1987, a contingent fee equal to the lesser of the aggregate of the fees paid by all State banks under paragraph (a) of
subsection (3) for that year, or the amount, if any, whereby the aggregate of the administration expenses, as defined in paragraph (c), for that fiscal year exceeds the sum of the aggregate of the fees payable by all State banks for that year under paragraph (a) of subsection (3), plus any amounts transferred into the Bank and Trust Company Fund from the State Pensions Fund for that year, plus all other amounts collected by the Commissioner for that year under any other provision of this Act, plus the aggregate of all fees collected for that year by the Commissioner under the Corporate Fiduciary Act, excluding the receivership fees provided for in Section 5-10 of the Corporate Fiduciary Act, and the Foreign Banking Office Act. The aggregate amount of the contingent fee thus arrived at for any fiscal year shall be apportioned amongst, assessed upon, and paid by the State banks and foreign banking corporations, respectively, in the same proportion that the fee of each under paragraph (a) of subsection (3), respectively, for that year bears to the aggregate for that year of the fees collected under paragraph (a) of subsection (3). The aggregate amount of the contingent fee, and the portion thereof to be assessed upon each State bank and foreign banking corporation, respectively, shall be determined by the Commissioner and shall be paid by each, respectively, within 120 days of the close of the period for which the contingent fee is computed and is payable, and the Commissioner shall give 20 days advance notice of the amount of the contingent fee payable by the State bank and of the date fixed by the Commissioner for payment of the fee.

(c) The "administration expenses" for any fiscal year shall mean the ordinary and contingent expenses for that year incident to making the examinations provided for by, and for otherwise administering, this Act, the Corporate Fiduciary Act, excluding the expenses paid from the Corporate Fiduciary Receivership account in the Bank and Trust Company Fund, the Foreign Banking Office Act, the Electronic Fund Transfer Act, and the Illinois Bank Examiners' Education Foundation Act, including all salaries and other compensation paid for personal services rendered for the State by officers or employees of the State, including the Commissioner and the Deputy Commissioners, all expenditures for telephone and telegraph charges, postage and postal charges, office stationery, supplies and services, and office furniture and equipment, including typewriters and copying and duplicating machines and filing equipment, surety bond premiums, and travel expenses of those officers and employees, employees, expenditures or charges for the acquisition, enlargement or improvement of, or for the use of, any office space, building, or structure, or expenditures for the maintenance thereof or for furnishing heat, light, or power with respect thereto, all to the extent that those expenditures are directly incidental to such examinations or administration. The Commissioner shall not be required by paragraphs (c) or (d-1) of this subsection (3) to maintain in any fiscal year's budget appropriated reserves for accrued vacation and accrued sick leave that is required to be paid to employees of the Commissioner upon termination of their service with the Commissioner in an amount that is more than is reasonably anticipated to be necessary for any anticipated turnover in employees, whether due to normal attrition or due to layoffs, terminations, or resignations.

(d) The aggregate of all fees collected by the Commissioner under this Act, the Corporate Fiduciary Act, or the Foreign Banking Office Act on and after July 1, 1979, shall be paid promptly after receipt of the same, accompanied by a detailed statement thereof, into the State treasury and shall be set apart in a special fund to be known as the "Bank and Trust Company Fund", except as provided in paragraph (c) of subsection (11) of this Section. The amount from time to time deposited into the Bank and Trust Company Fund shall be used to offset the ordinary administrative expenses of the Commissioner of Banks and Real Estate as defined in this Section. Nothing in this amendatory Act of 1979 shall prevent continuing the practice of paying expenses involving salaries, retirement, social security, and State-paid insurance premiums of State officers by appropriations from the General Revenue Fund. However, the General Revenue Fund shall be reimbursed for those payments made on and after July 1, 1979, by an annual transfer of funds from the Bank and Trust Company Fund.

(d-1) Adequate funds shall be available in the Bank and Trust Company Fund to permit the timely payment of administration expenses. In each fiscal year the total administration expenses shall be deducted from the total fees collected by the Commissioner and the remainder transferred into the Cash Flow Reserve Account, unless the balance of the Cash
Flow Reserve Account prior to the transfer equals or exceeds one-fourth of the total initial appropriations from the Bank and Trust Company Fund for the subsequent year, in which case the remainder shall be credited to State banks and foreign banking corporations and applied against their fees for the subsequent year. The amount credited to each State bank and foreign banking corporation shall be in the same proportion as the Call Report Fees paid by each for the year bear to the total Call Report Fees collected for the year. If, after a transfer to the Cash Flow Reserve Account is made or if no remainder is available for transfer, the balance of the Cash Flow Reserve Account is less than one-fourth of the total initial appropriations for the subsequent year and the amount transferred is less than 5% of the total Call Report Fees for the year, additional amounts needed to make the transfer equal to 5% of the total Call Report Fees for each, respectively, for the year bear to the total Call Report Fees collected for the year. The additional amounts assessed shall be transferred into the Cash Flow Reserve Account. For purposes of this paragraph (d-1), the calculation of the fees collected by the Commissioner shall exclude the receivership fees provided for in Section 5-10 of the Corporate Fiduciary Act.

(e) The Commissioner may upon request certify to any public record in his keeping and shall have authority to levy a reasonable charge for issuing certifications of any public record in his keeping.

(f) In addition to fees authorized elsewhere in this Act, the Commissioner may, in connection with a review, approval, or provision of a service, levy a reasonable charge to recover the cost of the review, approval, or service.

(4) Nothing contained in this Act shall be construed to limit the obligation relative to examinations and reports of any State bank, deposits in which are to any extent insured by the United States or any agency thereof, nor to limit in any way the powers of the Commissioner with reference to examinations and reports of that bank.

(5) The nature and condition of the assets in or investment of any bonus, pension, or profit sharing plan for officers or employees of every State bank or, after May 31, 1997, branch of an out-of-state bank shall be deemed to be included in the affairs of that State bank or branch of an out-of-state bank subject to examination by the Commissioner under the provisions of subsection (2) of this Section, and if the Commissioner shall find from an examination that the condition of or operation of the investments or assets of the plan is unlawful, fraudulent, or unsafe, or that any trustee has abused his trust, the Commissioner shall, if the situation so found by the Commissioner shall not be corrected to his satisfaction within 60 days after the Commissioner has given notice to the board of directors of the State bank or out-of-state bank of his findings, report the facts to the Attorney General who shall thereupon institute proceedings against the State bank or out-of-state bank, the board of directors thereof, or the trustees under such plan as the nature of the case may require.

(6) The Commissioner shall have the power:

(a) To promulgate reasonable rules for the purpose of administering the provisions of this Act.

(a-5) To impose conditions on any approval issued by the Commissioner if he determines that the conditions are necessary or appropriate. These conditions shall be imposed in writing and shall continue in effect for the period prescribed by the Commissioner.

(b) To issue orders against any person, if the Commissioner has reasonable cause to believe that an unsafe or unsound banking practice has occurred, is occurring, or is about to occur, if any person has violated, is violating, or is about to violate any law, rule, or written agreement with the Commissioner, or for the purpose of administering the provisions of this Act, and any rule promulgated in accordance with this Act.

(b-1) To enter into agreements with a bank establishing a program to correct the condition of the bank or its practices.

(c) To appoint hearing officers to execute any of the powers granted to the Commissioner under this Section for the purpose of administering this Act and any rule promulgated in accordance with this Act and otherwise to authorize, in writing, an officer or employee of the Office of Banks and Real Estate to exercise his powers under this Act.

(7) Whenever, in the opinion of the Commissioner, any director, officer, employee, or agent of a State bank or any subsidiary or bank holding company of the bank or, after May 31, 1997, of any branch of an out-of-state bank or any subsidiary or bank holding company of the bank shall have violated any law, rule, or order relating to that bank or any subsidiary or bank holding company of the bank, shall have obstructed or impeded any examination or investigation by the Commissioner, or shall have engaged in an unsafe or unsound practice in conducting the business of that bank or any subsidiary or bank holding company of the bank, or shall have violated any law or engaged or participated in any unsafe or unsound practice in connection with any financial institution or other business entity such that the character and fitness of the director, officer, employee, or agent does not assure reasonable promise of safe and sound operation of the State bank, the Commissioner may issue an order of removal. If, in the opinion of the Commissioner, any former director, officer, employee, or agent of a State bank or any subsidiary or bank holding company of the bank, prior to the termination of his or her service with that bank or any subsidiary or bank holding company of the bank, violated any law, rule, or order relating to that State bank or any subsidiary or bank holding company of the bank, obstructed or impeded any examination or investigation by the Commissioner, or engaged in an unsafe or unsound practice in conducting the business of that bank or any subsidiary or bank holding company of the bank, or violated any law or engaged or participated in any unsafe or unsound practice in connection with any financial institution or other business entity such that the character and fitness of the director, officer, employee, or agent would not have assured reasonable promise of safe and sound operation of the State bank, the Commissioner may issue an order prohibiting that person from further service with a bank or any subsidiary or bank holding company of the bank as a director, officer, employee, or agent. An order issued pursuant to this subsection shall be served upon the director, officer, employee, or agent. A copy of the order shall be sent to each director of the bank affected by registered mail. The person affected by the action may request a hearing before the State Banking Board within 10 days after receipt of the order of removal. The hearing shall be held by the Board within 30 days after the request has been received by the Board. The Board shall make a determination approving, modifying, or disapproving the order of the Commissioner as its final administrative decision. If a hearing is held by the Board, the Board shall make its determination within 60 days from the conclusion of the hearing. Any person affected by a decision of the Board under this subsection (7) of Section 48 of this Act may have the decision reviewed only under and in accordance with the Administrative Review Law and the rules adopted pursuant thereto. A copy of the order shall also be served upon the bank of which he is a director, officer, employee, or agent. Whereupon he shall cease to be a director, officer, employee, or agent of that bank. The Commissioner may institute a civil action against the director, officer, or agent of the State bank or, after May 31, 1997, of the branch of the out-of-state bank against whom any order provided for by this subsection (7) of this Section 48 has been issued, and against the State bank or, after May 31, 1997, out-of-state bank, to enforce compliance with or to enjoin any violation of the terms of the order. Any person who has been the subject of an order of removal or an order of prohibition issued by the Commissioner under this subsection or Section 5-6 of the Corporate Fiduciary Act may not thereafter serve as director, officer, employee, or agent of any State bank or of any branch of any out-of-state bank, or of any corporate fiduciary, as defined in Section 1-5.05 of the Corporate Fiduciary Act, or of any other entity that is subject to licensure or regulation by the Commissioner or the Office of Banks and Real Estate unless the Commissioner has granted prior approval in writing.

For purposes of this paragraph (7), "bank holding company" has the meaning prescribed in Section 2 of the Illinois Bank Holding Company Act of 1957.

(8) The Commissioner may impose civil penalties of up to $10,000 against any person for each violation of any provision of this Act, any rule promulgated in accordance with this Act, any
order of the Commissioner, or any other action which in the Commissioner's discretion is an unsafe or unsound banking practice.

(9) The Commissioner may impose civil penalties of up to $100 against any person for the first failure to comply with reporting requirements set forth in the report of examination of the bank and up to $200 for the second and subsequent failures to comply with those reporting requirements.

(10) All final administrative decisions of the Commissioner hereunder shall be subject to judicial review pursuant to the provisions of the Administrative Review Law. For matters involving administrative review, venue shall be in either Sangamon County or Cook County.

(11) The endowment fund for the Illinois Bank Examiners' Education Foundation shall be administered as follows:

(a) (Blank).

(b) The Foundation is empowered to receive voluntary contributions, gifts, grants, bequests, and donations on behalf of the Illinois Bank Examiners' Education Foundation from national banks and other persons for the purpose of funding the endowment of the Illinois Bank Examiners' Education Foundation.

The Commissioner may take possession and control of a state bank and its assets, by posting upon the premises a notice reciting that he is assuming possession pursuant to this Act, and the time when his possession shall be deemed to commence, which time shall not pre-date the posting of the notice. Promptly after taking possession and control of a bank, if the Federal Deposit Insurance Corporation is not appointed as receiver, the Commissioner shall file a copy of the notice posted upon the premises in the circuit court in the county in which the bank is located, and thereupon the clerk of such court shall note the filing thereof upon the records of the court, and shall enter such cause as a court action upon the dockets of such court under the name and style of "In the matter of the possession and control of the Commissioner of Banks and Real Estate of ...." Sec. 10. Credit union records; member financial records.

(1) A credit union shall establish and maintain books, records, accounting systems and procedures which accurately reflect its operations and which enable the Department to readily ascertain the true financial condition of the credit union and whether it is complying with this Act.

(2) A photostatic or photographic reproduction of any credit union records shall be admissible as evidence of transactions with the credit union.

(3) (a) For the purpose of this Section, the term "financial records" means any original, any copy, or any summary of (1) a document granting signature authority over an account, (2) a statement, ledger card or other record on any account which shows each transaction in or with respect to that account, (3) a check, draft or money order drawn on a financial institution or other entity or issued and payable by or through a financial institution or other entity, or (4) any other item containing information pertaining to any relationship established in the ordinary course of business between a credit union and its member, including financial statements or other financial information provided by the member.

(b) This Section does not prohibit:

Any credit union governed by this Act shall enter into an agreement for data exchanges with a State agency provided the State agency pays to the credit union a reasonable fee not to exceed its actual cost incurred. A credit union providing information in accordance with this item shall not be liable to any account holder or other person for any disclosure of information to a State agency, for encumbering or surrendering any assets held by the credit union in response to a lien or order to withhold and deliver issued by a State agency, or for any other action taken pursuant to this item, including individual or mechanical errors, provided the action does not constitute gross negligence or willful misconduct. Section 30. The Interest Act is amended by changing Sections 4 and 4a as follows:

(815 ILCS 205/4) (from Ch. 17, par. 6404)

Sec. 4. General interest rate.

(1) In all written contracts it shall be lawful for the parties to stipulate or agree that 9% per
annum, or any less sum of interest, shall be taken and paid upon every $100 of money loaned or in
any manner due and owing from any person to any other person or corporation in this state, and after
that rate for a greater or less sum, or for a longer or shorter time, except as herein provided.

The maximum rate of interest that may lawfully be contracted for is determined by the law
applicable thereto at the time the contract is made. Any provision in any contract, whether made
before or after July 1, 1969, which provides for or purports to authorize, contingent upon a change in
the Illinois law after the contract is made, any rate of interest greater than the maximum lawful rate
at the time the contract is made, is void.

It is lawful for a state bank or a branch of an out-of-state bank, as those terms are defined in
Section 2 of the Illinois Banking Act, to receive or to contract to receive and collect interest and
charges at any rate or rates agreed upon by the bank or branch and the borrower. It is lawful for a
savings bank chartered under the Savings Bank Act or a savings association chartered under the
Illinois Savings and Loan Act of 1985 to receive or contract to receive and collect interest and
charges at any rate agreed upon by the savings bank or savings association and the borrower.

It is lawful to receive or to contract to receive and collect interest and charges as authorized
by this Act and as authorized by the Consumer Installment Loan Act and by the "Consumer Finance
Act", approved July 10, 1935, as now or hereafter amended. It is lawful to charge, contract for, and
receive any rate or amount of interest or compensation with respect to the following transactions:

(a) Any loan made to a corporation;

(b) Advances of money, repayable on demand, to an amount not less than $5,000, which
are made upon warehouse receipts, bills of lading, certificates of stock, certificates of deposit,
bills of exchange, bonds or other negotiable instruments pledged as collateral security for
such repayment, if evidenced by a writing;

(c) Any credit transaction between a merchandise wholesaler and retailer; any business
loan to a business association or copartnership or to a person owning and operating a business
as sole proprietor or to any persons owning and operating a business as joint venturers, joint
tenants or tenants in common, or to any limited partnership, or to any trustee owning and
operating a business or whose beneficiaries own and operate a business, except that any loan
which is secured (1) by an assignment of an individual obligor's salary, wages, commissions
or other compensation for services, or (2) by his household furniture or other goods used for

his personal, family or household purposes shall be deemed not to be a loan within the meaning of this subsection; and provided further that a loan which otherwise qualifies as a business loan within the meaning of this subsection shall not be deemed as not so qualifying because of the inclusion, with other security consisting of business assets of any such obligor, of real estate occupied by an individual obligor solely as his residence. The term "business" shall be deemed to mean a commercial, agricultural or industrial enterprise which is carried on for the purpose of investment or profit, but shall not be deemed to mean the ownership or maintenance of real estate occupied by an individual obligor solely as his residence;

(d) Any loan made in accordance with the provisions of Subchapter I of Chapter 13 of Title 12 of the United States Code, which is designated as "Housing Renovation and Modernization";

(e) Any mortgage loan insured or upon which a commitment to insure has been issued under the provisions of the National Housing Act, Chapter 13 of Title 12 of the United States Code;

(f) Any mortgage loan guaranteed or upon which a commitment to guaranty has been issued under the provisions of the Veterans' Benefits Act, Subchapter II of Chapter 37 of Title 38 of the United States Code;

(g) Interest charged by a broker or dealer registered under the Securities Exchange Act of 1934, as amended, or registered under the Illinois Securities Law of 1953, approved July 13, 1953, as now or hereafter amended, on a debit balance in an account for a customer if such debit balance is payable at will without penalty and is secured by securities as defined in Uniform Commercial Code-Investment Securities;

(h) Any loan made by a participating bank as part of any loan guarantee program which provides for loans and for the refinancing of such loans to medical students, interns and residents which are guaranteed by the American Medical Association Education and Research Foundation;

(i) Any loan made, guaranteed, or insured in accordance with the provisions of the Housing Act of 1949, Subchapter III of Chapter 8A of Title 42 of the United States Code and the Consolidated Farm and Rural Development Act, Subchapters I, II, and III of Chapter 50 of Title 7 of the United States Code;

(j) Any loan by an employee pension benefit plan, as defined in Section 3 (2) of the Employee Retirement Income Security Act of 1974 (29 U.S.C.A. Sec. 1002), to an individual participating in such plan, provided that such loan satisfies the prohibited transaction exemption requirements of Section 408 (b) (1) (29 U.S.C.A. Sec. 1108 (b) (1)) or Section 2003 (a) (26 U.S.C.A. Sec. 4975 (d) (1)) of the Employee Retirement Income Security Act of 1974;

(k) Written contracts, agreements or bonds for deed providing for installment purchase of real estate;

(l) Loans secured by a mortgage on real estate;

(m) Loans made by a sole proprietorship, partnership, or corporation to an employee or to a person who has been offered employment by such sole proprietorship, partnership, or corporation made for the sole purpose of transferring an employee or person who has been offered employment to another office maintained and operated by the same sole proprietorship, partnership, or corporation;

(n) Loans to or for the benefit of students made by an institution of higher education.

(2) Except for loans described in subparagraphs (a), (c), (d), (e), (f) or (i) of subsection (1) of this Section, and except to the extent permitted by the applicable statute for loans made pursuant to Section 4a or pursuant to the Consumer Installment Loan Act:

(a) Whenever the rate of interest exceeds 8% per annum on any written contract, agreement or bond for deed providing for the installment purchase of residential real estate, or on any loan secured by a mortgage on residential real estate, it shall be unlawful to provide for a prepayment penalty or other charge for prepayment.

(b) No agreement, note or other instrument evidencing a loan secured by a mortgage on residential real estate, or written contract, agreement or bond for deed providing for the installment purchase of residential real estate, may provide for any change in the contract rate...
of interest during the term thereof. However, if the Congress of the United States or any federal agency authorizes any class of lender to enter, within limitations, into mortgage contracts or written contracts, agreements or bonds for deed in which the rate of interest may be changed during the term of the contract, any person, firm, corporation or other entity not otherwise prohibited from entering into mortgage contracts or written contracts, agreements or bonds for deed in Illinois may enter into mortgage contracts or written contracts, agreements or bonds for deed in which the rate of interest may be changed during the term of the contract, within the same limitations.

(3) In any contract or loan which is secured by a mortgage, deed of trust, or conveyance in the nature of a mortgage, on residential real estate, the interest which is computed, calculated, charged, or collected pursuant to such contract or loan, or pursuant to any regulation or rule promulgated pursuant to this Act, may not be computed, calculated, charged or collected for any period of time occurring after the date on which the total indebtedness, with the exception of late payment penalties, is paid in full.

For purposes of this Section, a prepayment shall mean the payment of the total indebtedness, with the exception of late payment penalties if incurred or charged, on any date before the date specified in the contract or loan agreement on which the total indebtedness shall be paid in full, or before the date on which all payments, if timely made, shall have been made. In the event of a prepayment of the indebtedness which is made on a date after the date on which interest on the indebtedness was last computed, calculated, charged, or collected but before the next date on which interest on the indebtedness was to be calculated, computed, charged, or collected, the lender may calculate, charge and collect interest on the indebtedness for the period which elapsed between the date on which the prepayment is made and the date on which interest on the indebtedness was last computed, calculated, charged or collected at a rate equal to 1/360 of the annual rate for each day which so elapsed, which rate shall be applied to the indebtedness outstanding as of the date of prepayment. The lender shall refund to the borrower any interest charged or collected which exceeds that which the lender may charge or collect pursuant to the preceding sentence. The provisions of this amendatory Act of 1985 shall apply only to contracts or loans entered into on or after the effective date of this amendatory Act, but shall not apply to contracts or loans entered into on or after that date that are subject to Section 4a of this Act, the Consumer Installment Loan Act, or the Retail Installment Sales Act, or that provide for the refund of precomputed interest on prepayment in the manner provided by such Act.

(815 ILCS 205/4a) (from Ch. 17, par. 6410)

Sec. 4a. Installment loan rate.

(a) On money loaned to or in any manner owing from any person, whether secured or unsecured, except where the money loaned or in any manner owing is directly or indirectly for the purchase price of real estate or an interest therein and is secured by a lien on or retention of title to that real estate or interest therein, to an amount not more than $25,000 (excluding interest) which is evidenced by a written instrument providing for the payment thereof in 2 or more periodic installments over a period of not more than 181 months from the date of the execution of the written instrument, it is lawful to receive or to contract to receive and collect either:

(i) interest in an amount equivalent to interest computed at a rate not exceeding 9% per year on the entire principal amount of the money loaned or in any manner owing for the period from the date of the making of the loan or the incurring of the obligation for the amount owing evidenced by the written instrument until the date of the maturity of the last installment thereof, and to add that amount to the principal, except that there shall be no limit on the rate of interest which may be received or contracted to be received and collected by (1) any bank that has its main office or, after May 31, 1997, a branch in this State; (2) a savings and loan association chartered under the Illinois Savings and Loan Act of 1985, a savings bank chartered under the Savings Bank Act, or a federal savings and loan association established under the laws of the United States and having its main office in this State; or (3) any lender licensed under either the Consumer Finance Act or the Consumer Installment Loan Act, but in any case in which interest is received, contracted for or collected on the basis of this clause (i), the debtor may satisfy in full at any time before maturity the debt evidenced
by the written instrument, and in so satisfying must receive a refund credit against the total
amount of interest added to the principal computed in the manner provided under Section
15(f)(3) of the Consumer Installment Loan Act for refunds or credits of applicable interest on
payment in full of precomputed loans before the final installment due date; or

(ii) interest accrued on the principal balance from time to time remaining unpaid, from
the date of making of the loan or the incurring of the obligation to the date of the payment of
the debt in full, at a rate not exceeding the annual percentage rate equivalent of the rate
permitted to be charged under clause (i) above, but in any such case the debtor may, provided
that the debtor shall have paid in full all interest and other charges accrued to the date of such
prepayment, prepay the principal balance in full or in part at any time, and interest shall, upon
any such prepayment, cease to accrue on the principal amount which has been prepaid.

(b) Whenever the principal amount of an installment loan is $300 or more and the repayment
period is 6 months or more, a minimum charge of $15 may be collected instead of interest, but only
one minimum charge may be collected from the same person during one year. When the principal
amount of the loan (excluding interest) is $800 or less, the lender or creditor may contract for and
receive a service charge not to exceed $5 in addition to interest; and that service charge may be
collected when the loan is made, but only one service charge may be contracted for, received, or
collected from the same person during one year.

(c) Credit life insurance and credit accident and health insurance, and any charge therefor
which is deducted from the loan or paid by the obligor, must comply with Article IX 1/2 of the Illinois
Insurance Code and all lawful requirements of the Director of Insurance related thereto. When there
are 2 or more obligors on the loan contract, only one charge for credit life insurance and credit
accident and health insurance may be made and only one of the obligors may be required to be
insured. Insurance obtained from, by or through the lender or creditor must be in effect when the loan
is transacted. The purchase of that insurance from an agent, broker or insurer specified by the lender
or creditor may not be a condition precedent to the granting of the loan.

d) The lender or creditor may require the obligor to provide property insurance on security
other than household goods, furniture and personal effects. The amount and term of the insurance must
be reasonable in relation to the amount and term of the loan contract and the type and value of the
security, and the insurance must be procured in accordance with the insurance laws of this State. The
purchase of that insurance from an agent, broker or insurer specified by the lender or creditor may not
be a condition precedent to the granting of the loan.

(e) The lender or creditor may, if the contract provides, collect a delinquency and collection
charge on each installment in default for a period of not less than 10 days in an amount not exceeding
5% of the installment on installments in excess of $200 or $10 on installments of $200 or less, but
only one delinquency and collection charge may be collected on any installment regardless of the
period during which it remains in default. In addition, the contract may provide for the payment by
the borrower or debtor of attorney's fees incurred by the lender or creditor. The lender or creditor may
enforce such a provision to the extent of the reasonable attorney's fees incurred by him in the
collection or enforcement of the contract or obligation. Whenever interest is contracted for or received
under this Section, no amount in addition to the charges authorized by this Section may be directly
or indirectly charged, contracted for or received, except lawful fees paid to a public officer or agency
to record, file or release security, and except costs and disbursements including reasonable attorney's
fees, incurred in legal proceedings to collect a loan or to realize on a security after default. This
Section does not prohibit the receipt of any commission, dividend or other benefit by the creditor or
an employee, affiliate or associate of the creditor from the insurance authorized by this Section.

(f) When interest is contracted for or received under this Section, the lender must disclose the
following items to the obligor in a written statement before the loan is consummated:

(1) the amount and date of the loan contract;
(2) the amount of loan credit using the term "amount financed";
(3) every deduction from the amount financed or payment made by the obligor for
insurance and the type of insurance for which each deduction or payment was made;
(4) every other deduction from the loan or payment made by the obligor in connection
with obtaining the loan;
(5) the date on which the finance charge begins to accrue if different from the date of the

transaction;

(6) the total amount of the loan charge for the scheduled term of the loan contract with a description of each amount included using the term "finance charge";

(7) the finance charge expressed as an annual percentage rate using the term "annual percentage rate". "Annual percentage rate" means the nominal annual percentage rate of finance charge determined in accordance with the actuarial method of computation with an accuracy at least to the nearest 1/4 of 1%; or at the option of the lender by application of the United States rule so that it may be disclosed with an accuracy at least to the nearest 1/4 of 1%;

(8) the number, amount and due dates or periods of payments scheduled to repay the loan and the sum of such payments using the term "total of payments";

(9) the amount, or method of computing the amount of any default, delinquency or similar charges payable in the event of late payments;

(10) the right of the obligor to prepay the loan and the fact that such prepayment will reduce the charge for the loan;

(11) a description or identification of the type of any security interest held or to be retained or acquired by the lender in connection with the loan and a clear identification of the property to which the security interest relates. If after-acquired property will be subject to the security interest, or if other or future indebtedness is or may be secured by any such property, this fact shall be clearly set forth in conjunction with the description or identification of the type of security interest held, retained or acquired;

(12) a description of any penalty charge that may be imposed by the lender for prepayment of the principal of the obligation with an explanation of the method of computation of such penalty and the conditions under which it may be imposed;

(13) unless the contract provides for the accrual and payment of the finance charge on the balance of the amount financed from time to time remaining unpaid, an identification of the method of computing any unearned portion of the finance charge in the event of prepayment of the loan.

The terms "finance charge" and "annual percentage rate" shall be printed more conspicuously than other terminology required by this Section.

(g) At the time disclosures are made, the lender shall deliver to the obligor a duplicate of the instrument or statement by which the required disclosures are made and on which the lender and obligor are identified and their addresses stated. All of the disclosures shall be made clearly, conspicuously and in meaningful sequence and made together on either:

(i) the note or other instrument evidencing the obligation on the same side of the page and above or adjacent to the place for the obligor's signature; however, where a creditor elects to combine disclosures with the contract, security agreement, and evidence of a transaction in a single document, the disclosures required under this Section shall be made on the face of the document, on the reverse side, or on both sides, provided that the amount of the finance charge and the annual percentage rate shall appear on the face of the document, and, if the reverse side is used, the printing on both sides of the document shall be equally clear and conspicuous, both sides shall contain the statement, "NOTICE: See other side for important information", and the place for the customer's signature shall be provided following the full content of the document; or

(ii) one side of a separate statement which identifies the transaction.

The amount of the finance charge shall be determined as the sum of all charges, payable directly or indirectly by the obligor and imposed directly or indirectly by the lender as an incident to or as a condition to the extension of credit, whether paid or payable by the obligor, any other person on behalf of the obligor, to the lender or to a third party, including any of the following types of charges:

(1) Interest, time price differential, and any amount payable under a discount or other system of additional charges.

(2) Service, transaction, activity, or carrying charge.

(3) Loan fee, points, finder's fee, or similar charge.

(4) Fee for an appraisal, investigation, or credit report.

New matter indicated by italics - deletions by strikeout.
(5) Charges or premiums for credit life, accident, health, or loss of income insurance, written in connection with any credit transaction unless (a) the insurance coverage is not required by the lender and this fact is clearly and conspicuously disclosed in writing to the obligor; and (b) any obligor desiring such insurance coverage gives specific dated and separately signed affirmative written indication of such desire after receiving written disclosure to him of the cost of such insurance.

(6) Charges or premiums for insurance, written in connection with any credit transaction, against loss of or damage to property or against liability arising out of the ownership or use of property, unless a clear, conspicuous, and specific statement in writing is furnished by the lender to the obligor setting forth the cost of the insurance if obtained from or through the lender and stating that the obligor may choose the person through which the insurance is to be obtained.

(7) Premium or other charges for any other guarantee or insurance protecting the lender against the obligor's default or other credit loss.

(8) Any charge imposed by a lender upon another lender for purchasing or accepting an obligation of an obligor if the obligor is required to pay any part of that charge in cash, as an addition to the obligation, or as a deduction from the proceeds of the obligation.

A late payment, delinquency, default, reinstatement or other such charge is not a finance charge if imposed for actual unanticipated late payment, delinquency, default or other occurrence.

(h) Advertising for loans transacted under this Section may not be false, misleading, or deceptive. That advertising, if it states a rate or amount of interest, must state that rate as an annual percentage rate of interest charged. In addition, if charges other than for interest are made in connection with those loans, those charges must be separately stated. No advertising may indicate or imply that the rates or charges for loans are in any way "recommended", "approved", "set" or "established" by the State government or by this Act.

(i) A lender or creditor who complies with the federal Truth in Lending Act, amendments thereto, and any regulations issued or which may be issued thereunder, shall be deemed to be in compliance with the provisions of subsections (f), (g) and (h) of this Section.

Sec. 3-2. Change in control.

(a) Before a change may occur in the ownership of outstanding stock or membership interests of any trust company whether by sale and purchase, gift, bequest or inheritance, or any other means, which will result in control or a change in the control of the trust company or before a change in the control of a holding company having control of the outstanding stock or membership interests of a trust company whether by sale and purchase, gift, bequest or inheritance, or any other means, which will result in control or a change in control of the trust company or holding company, the Commissioner shall be of the opinion and find:

(1) that the general character of its proposed management, after the change in control, is such as to assure reasonable promise of competent, successful, safe and sound operation;

(2) that the future earnings prospects, after the proposed change in control, are favorable; and

(3) that the prior business affairs of the persons proposing to obtain control or by the proposed management personnel, whether as stockholder, director, member, officer, or customer, were conducted in a safe, sound, and lawful manner.

(b) Persons desiring to purchase control of an existing trust company and persons obtaining control by gift, bequest or inheritance, or any other means shall submit to the Commissioner:

(1) A statement of financial worth; and

(2) Satisfactory evidence that the prior business affairs of the persons and the proposed management personnel, whether as stockholder, director, officer, or customer, were conducted in a safe, sound, and lawful manner.

As used in this Section, the term "control" means the ownership of such amount of stock or membership interests or ability to direct the voting of such stock or membership interests as to give power to, directly or indirectly, direct or cause the direction of the management or policies of the trust company. A change in ownership of stock which would result in direct or indirect ownership by a stockholder or member, an affiliated group of stockholders or members, or a holding company of less than 10% of the outstanding stock or membership interests shall not be considered a change of control. A change in ownership of stock or membership interests which would result in direct or indirect ownership by a stockholder or member, an affiliated group of stockholders or members, or a holding company of 20% or such lesser amount which would entitle the holder by applying cumulative voting to elect one director shall be presumed to constitute a change of control for purposes of this Section. If there is any doubt as to whether a change in the ownership or control of the outstanding stock or membership interests is sufficient to result in obtaining control thereof or to effect a change in the control thereof, such doubt shall be resolved in favor of reporting the facts to the Commissioner.

(c) Whenever a bank makes a loan or loans, secured, or to be secured, by 25% or more of the outstanding stock of a trust company, the president or other chief executive officer of the lending bank shall promptly report such fact to the Commissioner upon obtaining knowledge of such loan or loans, except that no report need be made in those cases where the borrower has been the owner of record of the stock for a period of one year or more, or the stock is that of a newly-organized trust company.
(d) (1) Before a purchase of substantially all the assets and an assumption of substantially all the liabilities of a trust company or before a purchase of substantially all the trust assets and an assumption of substantially all the trust liabilities of a trust company, the Commissioner shall be of the opinion and find:

(i) that the general character of the acquirer's proposed management, after the transfer, is such as to assure reasonable promise of competent, successful, safe, and sound operation;
(ii) that the acquirer's future earnings prospects, after the proposed transfer, are favorable;
(iii) that any prior involvement by the acquirer or by the proposed management personnel, whether as stockholder, director, officer, agent, or customer, was conducted in a safe, sound, and lawful manner;
(iv) that customers' interests will not be jeopardized by the purchase and assumption; and
(v) that adequate provision has been made for all obligations and trusts as required under Section 7-1 of this Act.

(2) Persons desiring to purchase substantially all the assets and assume substantially all the liabilities of a trust company or to purchase substantially all the trust assets and assume substantially all the trust liabilities of a trust company shall submit to the Commissioner:

(i) a statement of financial worth; and
(ii) satisfactory evidence that the prior business affairs of the persons and the proposed management personnel, whether as stockholder, director, officer, or customer, were conducted in a safe, sound, and lawful manner.

As used in this Section, "substantially all" the assets or liabilities of a trust company means that portion such that their transfer will materially impair the ability of the trust company to continue successful, safe, and sound operations or to continue as a going concern.

(e) The reports required by subsections (a), (b), (c), and (d) of this Section 3-2 shall contain the following information to the extent that it is known by the person making the report: (1) the number of shares involved; (2) the names of the sellers (or transferors); (3) the names of the purchasers (or transferees); (4) the names of the beneficial owners if the shares are registered in another name; (5) the purchase price; (6) the total number of shares owned by the sellers (or transferors), the purchasers (or transferees) and the beneficial owners both immediately before and after the transaction; and, (7) in the case of a loan, the name of the borrower, the amount of the loan, and the name of the trust company issuing the stock securing the loan and the number of shares securing the loan. In addition to the foregoing, such reports shall contain such other information as may be available and which is requested by the Commissioner to inform the Commissioner of the effect of the transaction upon the trust company or trust companies whose stock or assets and liabilities are involved.

(f) Whenever such a change as described in subsection (a) of this Section 3-2 occurs, each trust company shall report promptly to the Commissioner any changes or replacement of its chief executive officer or of any director occurring in the next 12 month period, including in its report a statement of the past and current business and professional affiliations of the new chief executive officer or directors.

(g) The provisions of this Section do not apply when the change in control is the result of organizational restructuring under a holding company.

(h) As used in this Section, the term "control" means the ownership of such amount of stock or membership interests or ability to direct the voting of such stock or membership interests as to, directly or indirectly, give power to direct or cause the direction of the management or policies of the trust company. A change in ownership of stock that would result in direct or indirect ownership by a stockholder or member, an affiliated group of stockholders or members, or a holding company of less than 10% of the outstanding stock or membership interests shall not be considered a change of control. A change in ownership of stock or membership interests that would result in direct or indirect ownership by a stockholder or member, an affiliated group of stockholders or members, or a holding company of 20% or such lesser amount which would entitle the holder by applying cumulative voting to elect one director shall be presumed to constitute a change of control for purposes of this Section. If there is any question as to whether a change in the ownership or control of the outstanding stock

New matter indicated by italics - deletions by strikeout.
or membership interests is sufficient to result in obtaining control thereof or to effect a change in the
control thereof, the question shall be resolved in favor of reporting the facts to the Commissioner.

As used in this Section, "substantially all" the assets or liabilities or the trust assets or trust
liabilities of a trust company means that portion such that their transfer will materially impair the
ability of the trust company to continue successful, safe, and sound operations or to continue as a
going concern.

Sec. 4A-1. Corporate fiduciaries establishing offices in other states.

(a) A corporate fiduciary may act as a fiduciary or otherwise engage in fiduciary activities in this or any other state or foreign country, subject to complying with applicable laws of that state or foreign country, at an office established and maintained pursuant to this Act, at a branch, or at any location other than an office or branch. A corporate fiduciary seeking to establish or acquire a branch in another state or foreign country must comply with the notice provisions in Section 1-7 of this Act.

(b) A corporate fiduciary may also conduct any activities at any office outside Illinois that are permissible for a trust institution chartered by the state where the office is located, except to the extent those activities are expressly prohibited by the laws of Illinois or by any regulation or order of the Commissioner. However, the Commissioner may waive any such prohibition if he determines, by order or regulation, that the involvement of out-of-state offices of state corporate fiduciaries in particular activities would not threaten the safety or soundness of those state corporate fiduciaries.

(205 ILCS 620/4A-5 new)

Sec. 4A-5. Foreign corporations establishing places of business to conduct fiduciary activities in Illinois.

(a) A foreign corporation may establish or acquire and maintain a place of business for the conduct of business as a fiduciary in this State provided that a corporate fiduciary that has its principal place of business in Illinois is permitted to establish or acquire and maintain a similar place of business that may engage in activities substantially similar to those permitted to foreign corporations under this Act in the state where the foreign corporation has its principal place of business.

(b) A foreign corporation desiring to establish or acquire and maintain a place of business to conduct business as a fiduciary in Illinois under this Section shall provide, or cause its home state regulator to provide, written notice of the proposed transaction to the Commissioner on or after the date on which the foreign corporation applies to its home state regulator for approval to establish or acquire and maintain a place of business in Illinois. The filing of the notice shall be preceded or
accompanied by a copy of the resolution adopted by the board authorizing the additional place of business and the filing fee required by the Commissioner. The Commissioner may prescribe the form of the notice required under this Section. In the Commissioner's discretion, the application or notice submitted to the foreign corporation's home state regulator may be sufficient notice under this Section.

(c) A foreign corporation desiring to establish or acquire a place of business to conduct business as a fiduciary shall (i) confirm in writing to the Commissioner that for as long as it maintains a place of business in Illinois, it will comply with the laws of this State and (ii) provide satisfactory evidence to the Commissioner of compliance with any applicable requirements of state foreign corporation qualification laws and applicable requirements of its home state regulator for acquiring or establishing and maintaining the office.

(d) A foreign corporation submitting a notice to the Commissioner in accordance with subsection (b) may commence fiduciary business at the place of business listed in its notice on the 61st day after the date the Commissioner receives the notice unless the Commissioner specifies an earlier or later date. However, if the foreign corporation is not a depository institution and the Commissioner approves the foreign corporation to conduct a fiduciary business in Illinois subject to specific conditions, the foreign corporation shall not commence a fiduciary business in Illinois until it has satisfied those conditions and provided evidence satisfactory to the Commissioner that it has done so. The Commissioner may extend the 60-day review period if additional time or information is needed for approval of the notice. The Commissioner may deny approval of the notice if he finds that the foreign corporation lacks sufficient financial resources to undertake the proposed expansion without adversely affecting its safety or soundness or that the place of business is contrary to the public interest.

Sec. 4A-10. Additional places of business for foreign corporations. A foreign corporation that establishes or acquires and maintains a place of business to conduct business as a fiduciary in Illinois pursuant to Section 4A-5 may establish or acquire additional trust offices or representative offices in this State to the same extent that a corporate fiduciary may establish or acquire additional offices in Illinois under Section 1-7 of this Act.

(205 ILCS 620/4A-20 new)
Sec. 4A-20. Examination of foreign corporations.
(a) To the extent consistent with subsection (c) of this Section, the Commissioner may make such examinations of any place of business established or maintained under Section 4A-5 by a foreign corporation as the Commissioner may deem necessary to determine whether the place of business is being operated in compliance with the laws of this State and in accordance with safe and sound banking practices. The provisions of Section 5-2 of this Act shall apply to the examinations.

(b) The Commissioner may require periodic reports regarding any foreign corporation that has maintained a place of business in this State under Section 4A-5. The required reports shall be provided by the foreign corporation or by the home state regulator. Any reporting requirements prescribed by the Commissioner under this Section shall be consistent with Section 5-9 of this Act.

(c) The Commissioner may enter into cooperative, coordinating, and information-sharing agreements with any other bank supervisory agencies or any organization affiliated with or representing one or more bank supervisory agencies with respect to the periodic examination or other supervision of any office in this State of a foreign corporation or any office of a corporate fiduciary in a host state. The Commissioner may accept a report of examination or report of investigation in lieu of the Commissioner conducting an examination or investigation.

(d) The Commissioner may enter into contracts with any bank supervisory agency that has concurrent jurisdiction over a corporate fiduciary or foreign corporation maintaining a place of business under Section 4A-5 of this Act to engage the services of that agency's examiners at a reasonable rate of compensation or to provide the services of the Commissioner's examiners to that
agency at a reasonable rate of compensation.

(e) The Commissioner may enter joint examinations or joint enforcement actions with other bank supervisory agencies having concurrent jurisdiction over any place of business established under Section 4A-5 or any office of a corporate fiduciary in any host state. The Commissioner may at any time take such actions independently if the Commissioner deems such actions to be necessary or appropriate to ensure compliance with the laws of this State. However, in the case of a foreign corporation, the Commissioner shall recognize the exclusive authority of the home state regulator over corporate governance matters and the primary responsibility of the home state regulator over safety and soundness matters.

(f) A foreign corporation that maintains one or more offices pursuant to Section 4A-5 may be assessed, and if assessed, shall pay supervisory and examination fees in accordance with Section 5-10 of this Act. The fees may be shared with other bank supervisory agencies or any organization affiliated with or representing one or more bank supervisory agencies in accordance with agreements between such parties and the Commissioner.

Sec. 4A-25. Notice to Commissioner. A corporate fiduciary that maintains a place of business in this State under Section 4A-5, or the home state regulator of such foreign corporation, shall give at least 30 days prior written notice or, in the case of an emergency transaction, such shorter notice as is consistent with applicable state or federal law, to the Commissioner of:

(1) any merger, consolidation, or other transaction that would cause a change in control with respect to the foreign corporation or any bank holding company that controls the corporation;

(2) any transfer of all or substantially all of the trust accounts or trust assets of the foreign corporation to another person; or

(3) the closing or disposition of any place of business in this State.
