(2) Each certificate holder shall have the right to appeal his or her local professional development committee's recommendation of nonrenewal to the regional professional development review committee, within 14 days of receipt of notice that the recommendation has been sent to the regional superintendent of schools. Each regional superintendent of schools shall establish a regional professional development review committee or committees for the purpose of advising the regional superintendent of schools, upon request, and handling certificate holder appeals. This committee shall consist of at least 4 classroom teachers, one non-administrative certificated educational employee, 2 administrators, and one at-large member who shall be either (i) a parent, (ii) a member of the business community, (iii) a community member, or (iv) an administrator, with preference given to an individual chosen from among those persons listed in items (i), (ii), and (iii) in order to secure representation of an interest not already represented on the committee. The teacher and non-administrative certificated educational employee members of the review committee shall be selected by their exclusive representative, if any, and the administrators and at-large member shall be selected by the regional superintendent of schools. A regional

Any additional teacher and non-administrative certificated educational employee members shall be selected by their exclusive representative, if any. Vacancies in positions on a regional professional development review committee shall be filled in the same manner as the original selections. Committee members shall serve staggered 3-year terms. All individuals selected to serve on regional professional development review committees must be known to demonstrate the best practices in teaching or their respective field of practice.

Regional professional development review committee meetings shall be scheduled so as not to interfere with the committee members' regularly scheduled teaching duties, except when otherwise permitted by the policies of or agreed to or approved by the school district, charter school, or governing body or board of control of a cooperative or joint agreement, or its designee, provided that the school district, charter school, or governing body or board of control shall not unreasonably withhold permission for a committee member to attend regional professional development review committee meetings.

In a city having a population exceeding 500,000 that does not have a regional office of education, one or more separate regional professional development review committees shall be established as mutually agreed upon by the board of education of the school district organized under Article 34 of this Code and the exclusive representative. The composition of each committee shall be the same as for a regional professional development review committee, except that members of the committee shall be jointly appointed by the board of education and the exclusive representative. All other provisions of this Section concerning regional professional development review committees shall apply to these committees.

The regional professional development review committee may require information in addition to that received from a certificate holder's local professional development committee or request that the certificate holder appear before it, shall either concur or nonconcur with a local professional development committee's recommendation of nonrenewal, and shall forward to the regional superintendent of schools its recommendation of renewal or nonrenewal. All actions taken by the regional professional development review committee shall require a quorum and be by a simple majority of those present and voting. A record of all votes shall be maintained. The committee shall have 45 days from receipt of a certificate holder's appeal to make its recommendation to the regional superintendent of schools.

The State Board of Education and the State Teacher Certification Board shall jointly provide regional professional development review committee members with a training manual, and the members shall be required to attend one training seminar sponsored jointly by the State Board of Education and the State Teacher Certification Board.

When such an appeal is taken, the certificate holder's Standard Teaching Certificate shall continue to be valid until the appeal is finally determined. The State Teacher Certification Board shall review the regional superintendent of school's recommendation, the regional professional development review committee's recommendation, if any, and the local professional development committee's recommendation and all relevant documentation to verify whether the certificate holder has met the renewal criteria set forth in paragraph (1) of subsection (g) of this Section. The State Teacher Certification Board may request that the certificate holder appear before it. All actions taken by the State Teacher Certification Board shall require a quorum and be by a simple majority of those present and voting. A record of all votes shall be maintained. Section 5. The Illinois Highway Code is amended by changing Sections 6-130, 6-508, and 6-701.8 as follows:

(605 ILCS 5/6-130) (from Ch. 121, par. 6-130)

Sec. 6-130. Notwithstanding any other provision of this Act to the contrary, no township road district may continue in existence if the roads forming a part of the district do not exceed a total of 4 miles in length. On the first Tuesday in April of 1975, or of any subsequent year next succeeding the reduction of a township road system to a total mileage of 4 miles or less, each such township road district shall, by operation of law, be abolished. road district abolished under this Section.
(Source: P.A. 83-605.)

Sec. 6-508. (a) For the purpose of constructing or repairing bridges, culverts, drainage structures or grade separations, including approaches thereto, at the joint expense of a county and a road district and obtaining aid from the county as provided in Section 5-501 of this Code, there may be included in the annual tax levies provided for in Section 6-501 of this Code a tax of not to exceed .05% of the value of all the taxable property in the road district, as equalized or assessed by the Department of Revenue, which tax shall be in addition to and may be in excess of the maximum levy and may be extended at a rate in addition to and in excess of the tax rate for road purposes authorized under Section 6-501 of this Code.

Such tax, when collected, shall constitute and be held by the treasurer of the district as a separate fund to be expended for the construction or repair of bridges, culverts, drainage structures or grade separations, including approaches thereto, at the joint expense of the county and the road district. The highway commissioner shall separately specify in the certificate required by Section 6-501 the amount necessary to be raised by taxation for the purpose of constructing or repairing bridges, culverts, drainage structures or grade separations, including approaches thereto, at the joint expense of the county and the road district. Upon the approval by the county board of the amount so certified as provided in Section 6-501 of this Code, the county clerk shall extend the same against the taxable property of the road district, provided the amount thus approved shall not be extended at a rate in excess of .05% of value, as equalized or assessed by the Department of Revenue.

When any improvement project for which a tax may be levied under this Section has been ordered as provided in Section 5-501 and the estimated cost of such project to the road district is in excess of the amount that will be realized from the annual tax levy authorized by this Section when extended and collected, then the road district may accumulate the proceeds of such tax for such number of years as may be necessary to acquire the funds necessary to pay the district's share of the cost of such project. In counties in which a property tax extension limitation is imposed under the Property Tax Extension Limitation Law and the imposition of the property tax extension limitation prevents a road district from levying taxes for road purposes at the required rate, a road district may retain its eligibility if, at the time the property tax extension limitation was imposed, the road district was levying at the required rate and continues to levy the maximum allowable amount after the imposition of the property tax extension limitation. It shall not be a valid objection to any subsequent tax levy made under this Section that there remains unexpended money arising from a preceding levy of a prior year because of the accumulation provided for in this Section.

The rate limitation imposed by this Section may be increased for a 10 year period to up to 0.25% of the value of all the taxable property in the road district, as equalized or assessed by the Department of Revenue if the proposition for the increased tax rate is submitted under Sections 6-504 and 6-505 and receives a majority of all ballots cast on the proposition at the election held under Section 6-505.

(b) All surplus funds remaining in the hands of the treasurer of the road district after the completion of any construction or repairing of bridges, culverts, drainage structures or grade separations, including approaches thereto, under this Section, shall be turned over at the request of the highway commissioner, with the written consent of the county superintendent, to the regular road fund of the road district. Upon such request, no further levy under this Section is to be extended by the county clerk unless the proposition authorizing such further levy is submitted under Sections 6-504 and 6-505 and receives a majority of all ballots cast on the proposition at the election held under Section 6-505.

(c) The moneys from this tax may also be used for construction and maintenance of bridges, culverts and other drainage facilities, or grade separations, including approaches thereto, on, under, or over the district roads, without joint county funds being involved and without limitation as to size of project, but only if adequate funds are available for all projects for which the road district has petitioned the county for joint participation. If the project size is over $10,000, the road district commissioner shall also obtain the permission of the county engineer.

Sec. 6-701.8. The formula allocation for township and road districts for the distribution of motor fuel tax funds, provided for in Section 8 in the "Motor Fuel Tax Law", may be used by the highway commissioner, subject to the conditions set out in Sections 6-301, 6-701.1 and 6-701.2 as respects the methods, equipment and materials appropriate for such maintenance or improvement, and, in township counties, with the approval of the board of town trustees, for the maintenance or improvement of nondedicated subdivision roads established prior to July 23, 1959. Any such road improved becomes, by operation of law, a part of the township and district road system providing such road meets standards as established by the county. In township counties, the board of town trustees shall condition its approval, as required by this Section, upon proportional matching contributions, whether in cash, kind, services or otherwise, by property owners in the subdivision where such a road is situated. No more than the amount of the increase in allocation attributable to this amendatory Act of 1979 and any subsequent amendatory Act plus 50% of such funds otherwise allocated under the formula as provided in Section 8 in the "Motor Fuel Tax Law" and subsequently approved as provided in this Section, may be expended on eligible nondedicated subdivision roads.

AN ACT in relation to criminal law.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Abused and Neglected Child Reporting Act is amended by changing Sections 2, 3, 4, 4.02, 7, 7.1, 7.4, and 7.14 as follows:

(325 ILCS 5/2) (from Ch. 23, par. 2052)
Sec. 2. The Illinois Department of Children and Family Services shall, upon receiving reports made under this Act, protect the health, safety, and best interests of the child in all situations in which the child is vulnerable to child abuse or neglect, offer protective services in order to prevent any further harm to the child and to other children in the same environment or family, stabilize the home environment, and preserve family life whenever possible. Recognizing that children also can be abused and neglected while living in public or private residential agencies or institutions meant to serve them, while attending day care centers, or schools, or religious activities, or when in contact with adults who are responsible for the welfare of the child at that time, this Act also provides for the reporting and investigation of child abuse and neglect in such instances. In performing any of these duties, the Department may utilize such protective services of voluntary agencies as are available.

Sec. 8. Facility plan review; fees.

(a) Before commencing construction of new facilities or specified types of alteration or additions to an existing hospital involving major construction, as defined by rule by the Department, with an estimated cost greater than $100,000, architectural plans and specifications therefor shall be submitted by the licensee to the Department for review and approval. A hospital may submit architectural drawings and specifications for other construction projects for Department review according to subsection (b) that shall not be subject to fees under subsection (d). Review of drawings and specifications shall be conducted by an employee of the Department meeting the qualifications established by the Department of Central Management Services class specifications for such an individual's position or by a person contracting with the Department who meets those class specifications. Final approval of the plans and specifications for compliance with design and construction standards shall be obtained from the Department before the alteration, addition, or new construction is begun.

(b) The Department shall inform an applicant in writing within 10 working days after receiving drawings and specifications and the required fee, if any, from the applicant whether the applicant's submission is complete or incomplete. Failure to provide the applicant with this notice within 10 working days shall result in the submission being deemed complete for purposes of initiating the 60-day review period under this Section. If the submission is incomplete, the Department shall inform the applicant of the deficiencies with the submission in writing. If the submission is complete and the required fee, if any, has been paid, the Department shall approve or disapprove drawings and specifications submitted to the Department no later than 60 days following receipt by the Department. The drawings and specifications shall be of sufficient detail, as provided by Department rule, to enable the Department to render a determination of compliance with design and construction standards under this Act. If a submission of drawings and specifications is incomplete, the applicant may submit additional information. The 60-day review period shall not commence until the Department determines that a submission of drawings and specifications is complete or the submission is deemed complete. The entity submitting the drawings and specifications may submit additional information in response to the written comments from the Department or request a reconsideration of the disapproval. A final decision of approval or disapproval shall be made within 45 days of the receipt of the additional information or reconsideration request. If denied, the Department shall state the specific reasons for the denial and the applicant may elect to seek dispute resolution pursuant to Section 25 of the Illinois Building Commission Act, which the Department must participate in.

(c) The Department shall provide written approval for occupancy pursuant to subsection (g) and shall not issue a violation to a facility as a result of a licensure or complaint survey based upon the facility's physical structure if:

1. the Department reviewed and approved or deemed approved the drawing and specifications for compliance with design and construction standards;
2. the construction, major alteration, or addition was built as submitted;
3. the law or rules have not been amended since the original approval; and
4. the conditions at the facility indicate that there is a reasonable degree of safety provided for the patients.

(d) The Department shall charge the following fees in connection with its reviews conducted before June 30, 2004 under this Section:

1. (Blank).
2. (Blank).
3. If the estimated dollar value of the alteration, addition, or new construction is $100,000 or more but less than $500,000, the fee shall be the greater of $2,400 or 1.2% of that value.
4. If the estimated dollar value of the alteration, addition, or new construction is $500,000 or more but less than $1,000,000, the fee shall be the greater of $6,000 or 0.96% of that value.
5. If the estimated dollar value of the alteration, addition, or new construction is $1,000,000 or more but less than $5,000,000, the fee shall be the greater of $9,600 or 0.22% of that value.
6. If the estimated dollar value of the alteration, addition, or new construction is $5,000,000 or more, the fee shall be the greater of $11,000 or 0.11% of that value, but shall not exceed $40,000.

The fees provided in this subsection (d) shall not apply to major construction projects involving facility changes that are required by Department rule amendments or to projects related to homeland security.

The fees provided in this subsection (d) shall also not apply to major construction projects if 51% or more of the estimated cost of the project is attributed to capital equipment. For major construction projects where 51% or more of the estimated cost of the project is attributed to capital equipment, the Department shall by rule establish a fee that is reasonably related to the cost of reviewing the project.

Disproportionate share hospitals and rural hospitals shall only pay one-half of the fees required in this subsection (d). For the purposes of this subsection (d), (i)
"disproportionate share hospital" means a hospital described in items (1) through (5) of subsection (b) of Section 5-5.02 of the Illinois Public Aid Code and (ii) "rural hospital" means a hospital that is (A) located outside a metropolitan statistical area or (B) located 15 miles or less from a county that is outside a metropolitan statistical area and is licensed to perform medical/surgical or obstetrical services and has a combined total bed capacity of 75 or fewer beds in these 2 service categories as of July 14, 1993, as determined by the Department.

The Department shall not commence the facility plan review process under this Section until the applicable fee has been paid.

(e) All fees received by the Department under this Section shall be deposited into the Health Facility Plan Review Fund, a special fund created in the State treasury. All fees paid by hospitals under subsection (d) shall be used only to cover the costs relating to the Department's review of hospital projects under this Section. Moneys shall be appropriated from that Fund to the Department only to pay the costs of conducting reviews under this Section. None of the moneys in the Health Facility Plan Review Fund shall be used to reduce the amount of General Revenue Fund moneys appropriated to the Department for facility plan reviews conducted pursuant to this Section.

(f) (1) The provisions of this amendatory Act of 1997 concerning drawings and specifications shall apply only to drawings and specifications submitted to the Department on or after October 1, 1997.

(2) On and after the effective date of this amendatory Act of 1997 and before October 1, 1997, an applicant may submit or resubmit drawings and specifications to the Department and pay the fees provided in subsection (d). If an applicant pays the fees provided in subsection (d) under this paragraph (2), the provisions of subsection (b) shall apply with regard to those drawings and specifications.

(g) The Department shall conduct an on-site inspection of the completed project no later than 30 days after notification from the applicant that the project has been completed and all certifications required by the Department have been received and accepted by the Department. The Department shall provide written approval for occupancy to the applicant within 5 working days of the Department's final inspection, provided the applicant has demonstrated substantial compliance as defined by Department rule. Occupancy of new major construction is prohibited until Department approval is received, unless the Department has not acted within the time frames provided in this subsection (g), in which case the construction shall be deemed approved. Occupancy shall be authorized after any required health inspection by the Department has been conducted.

(h) The Department shall establish, by rule, a procedure to conduct interim on-site review of large or complex construction projects.

(i) The Department shall establish, by rule, an expedited process for emergency repairs or replacement of like equipment.

(j) Nothing in this Section shall be construed to apply to maintenance, upkeep, or renovation that does not affect the structural integrity of the building, does not add beds or services over the number for which the facility is licensed, and provides a reasonable degree

Sec. 8.5. Waiver of compliance with rules or standards for construction or physical plant. Upon application by a hospital, the Department may grant or renew the waiver of the hospital's compliance with a construction or physical plant rule or standard, including without limitation rules and standards for (i) design and construction, (ii) engineering and maintenance of the physical plant, site, equipment, and systems (heating, cooling, electrical, ventilation, plumbing, water, sewer, and solid waste disposal), and (iii) fire and safety, for a period not to exceed the duration of the current license or, in the case of an application for license renewal, the duration of the renewal period. The waiver may be conditioned upon the hospital taking action prescribed by the Department as a measure equivalent to compliance. In determining whether to grant or renew a waiver, the Department shall consider the duration and basis for any current waiver with respect to the same rule or standard and the validity and effect upon patient health and safety of extending it on the same basis, the effect upon the health and safety of patients, the quality of patient care, the hospital's history of compliance with the rules and standards of this Act, and the hospital's attempts to comply with the particular rule or standard in question. The Department may provide, by rule, for the automatic renewal of waivers concerning construction or physical plant requirements upon the renewal of a license. The Department shall renew waivers relating to construction or physical plant standards issued pursuant to this Section at the time of the indicated reviews, unless it can show why such waivers should not be extended for the following reasons:

(1) the condition of the physical plant has deteriorated or its use substantially changed so that the basis upon which the waiver was issued is materially different; or

(2) the hospital is renovated or substantially remodeled in such a way as to permit compliance with the applicable rules and standards without substantial increase in cost.

A copy of each waiver application and each waiver granted or renewed shall be on file with the Department and available for public inspection.

The Department shall advise hospitals of any applicable federal waivers about which it is aware and for which the hospital may apply.

In the event that the Department does not grant or renew a waiver of a rule or standard, the Department must notify the hospital in writing detailing the specific reasons for not granting or renewing the waiver and must discuss possible options, if any, the hospital could take to have the waiver approved.

This Section shall apply to both new and existing construction.

Sec. 9.2. Disclosure. Prior to conducting a survey of a hospital operating under an approved waiver, equivalency, or other approval, a surveyor must be made aware of the waiver, equivalency, or other approval prior to entering the hospital. Prior to commencing
an inspection, the Department must provide the hospital with documentation that the survey is being conducted, with consideration of the relevant waiver, equivalency, or approval. After conducting the survey, the Department must conduct a comprehensive exit interview with designated hospital representatives at which the hospital may present additional information regarding findings.

(210 ILCS 85/9.3 new)

Sec. 9.3. Informal dispute resolution. The Department must offer an opportunity for informal dispute resolution concerning the application of building codes for new and existing construction and related Department rules and standards before the advisory committee under subsection (b) of Section 2310-560 of the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Participants in this process must include representatives from the Department, representatives of the hospital, and additional representatives deemed appropriate by both parties with expertise regarding the contested deficiencies and the management of health care facilities.

34. Has committed a violation of Section 11-1301.5 of this Code;

35. Has committed a violation of Section 11-1301.6 of this Code; or

37. Has committed a violation of subsection (c) of Section 11-907 of this Code; or:

38. Has been convicted of a violation of Section 6-20 of the Liquor Control Act of 1934 or a similar provision of a local ordinance.

(b) If any conviction forming the basis of a suspension or revocation authorized under this Section is appealed, the Secretary of State may rescind or withhold the entry of the order of suspension or revocation, as the case may be, provided that a certified copy of a stay order of a court is filed with the Secretary of State. If the conviction is affirmed on appeal, the date of the conviction shall relate back to the time the original judgment of conviction was entered and the 6 month limitation prescribed shall not apply.

(c) 1. Upon suspending or revoking the driver's license or permit of any person as authorized in this Section, the Secretary of State shall immediately notify the person in writing of the revocation or suspension. The notice to be deposited in the United States mail, postage prepaid, to the last known address of the person.

2. If the Secretary of State suspends the driver's license of a person under subsection 2 of paragraph (a) of this Section, a person's privilege to operate a vehicle as an occupation shall not be suspended, provided an affidavit is properly completed, the appropriate fee received, and a permit issued prior to the effective date of the
suspension, unless 5 offenses were committed, at least 2 of which occurred while operating a commercial vehicle in connection with the driver's regular occupation. All other driving privileges shall be suspended by the Secretary of State. Any driver prior to operating a vehicle for occupational purposes only must submit the affidavit on forms to be provided by the Secretary of State setting forth the facts of the person's occupation. The affidavit shall also state the number of offenses committed while operating a vehicle in connection with the driver's regular occupation. The affidavit shall be accompanied by the driver's license. Upon receipt of a properly completed affidavit, the Secretary of State shall issue the driver a permit to operate a vehicle in connection with the driver's regular occupation only. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date of this suspension, a permit may be issued for the remainder of the suspension period.

The provisions of this subparagraph shall not apply to any driver required to obtain a commercial driver's license under Section 6-507 during the period of a disqualification of commercial driving privileges under Section 6-514.

Any person who falsely states any fact in the affidavit required herein shall be guilty of perjury under Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship, issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of his employment related duties, or to allow transportation for the petitioner, or a household member of the petitioner's family, to receive necessary medical care and if the professional evaluation indicates, provide transportation for alcohol remedial or rehabilitative activity, or for the petitioner to attend classes, as a student, in an accredited educational institution; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and the petitioner will not endanger the public safety or welfare.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and
a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 18 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

AN ACT in relation to timber.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Timber Buyers Licensing Act is amended by changing Sections 4, 7, 11, and 13 as follows:

(225 ILCS 735/4) (from Ch. 111, par. 704)

Sec. 4. Bond. Every person licensed as a timber buyer shall have on file with the Department, on a form prescribed and furnished by the Department, a performance surety bond payable to the State of Illinois by and through the Department and conditioned on the faithful performance of and compliance with all requirements of the license and this Act. The bond shall be a surety bond signed by the person to be licensed as principal and by a good and sufficient corporate surety authorized to engage in the business of executing surety bonds within the State of Illinois as surety thereon. In lieu of a corporate surety bond an applicant for a timber buyers license may, with the approval of the Department, deposit with the Department as security a file a bond signed by the applicant as principal and accompanied by a bank or savings and loan association certificate of deposit or irrevocable letter of credit of any bank organized or transacting business in the United States in a form approved by the Department, showing to the satisfaction of the Department that funds in an amount equal to or greater than the amount of the required bond are on deposit in a bank or savings and loan association to be held by the bank or savings and loan association for the period covered by the license. Such deposits shall be made, held, and disposed of as provided in this Act and by the Department by rule. A bond or certificate of deposit The funds shall be made payable upon demand to the Director, subject to the provisions of this Act, and any rules adopted under this Act, and shall be for the use and benefit of the people of the State of Illinois, and for the use and benefit of any timber grower from whom the applicant purchased timber and who is not paid by the applicant or for the use and benefit of any timber grower whose timber has been cut by the applicant or licensee or his or her agents; and who has not been paid therefor; and for the use and benefit of any person aggrieved by the actions of the timber buyer. the Department may, in its discretion, continue the existing bond of any applicant who has previously been licensed and posted a good and sufficient bond.

Except as otherwise provided, in this Section, such bond shall be in the principal amount of $500 for an applicant who paid timber growers $5,000 or less for timber during the immediate preceding year, and an additional $100 for each additional $1,000 or fraction thereof paid to timber growers for timber purchased during the preceding year, but shall not be more than $10,000. In the case of an applicant not previously engaged in business as a timber buyer, the amount of such bond shall be based on the estimated dollar amount to be paid by such timber buyer to timber growers for timber purchased during the next succeeding
year, as set forth in the application; such bond shall, in no event, be in the principal amount of less than $500. In the case of a timber buyer whose bond has previously been forfeited in Illinois or in any other state, the Department shall double the applicable minimum bond amounts under this Section.

A bond filed in accordance with this Act shall not be cancelled or altered during the period for which the timber buyer remains licensed by the Department except upon at least 60 days notice in writing to the Department; in the event that the applicant has deposited certificates of deposit in lieu of a corporate surety the Department may retain possession of such certificates of deposit for a period of 60 days following the expiration or revocation of his or her license.

At any such time as a licensee fails to have the necessary surety bonds, certificates of deposit, or irrevocable letters of credit on deposit with the Department as required herein, the Department may immediately, and without notice, suspend the privileges or revoke the license of such licensee. In the event of such suspension or revocation, the Department shall give immediate notice of the same to the licensee and shall further reinstate such license upon the posting of the required surety bond, or certificates of deposit, or irrevocable letters of credit.

Bonds shall be in such form and contain such terms and conditions as may be approved from time to time by the Director, be conditioned to secure an honest cutting and accounting for timber purchased by the licensee, secure payment to the timber growers and to insure the timber growers against all fraudulent acts of the licensee in the purchase and cutting of the timber of this State.

In the event the timber buyer fails to pay when owing due any amount due a timber grower for timber purchased, or fails to pay judicially determined damages for timber wrongfully cut by a timber buyer or his agent, whether such wrongful cutting has occurred on or adjacent to the land which was the subject of timber purchase from a timber grower, or commits any violation of this Act, then an action on the bond or deposit for forfeiture may be commenced. Such action is not exclusive and is in addition to any other judicial remedies available.

In the event that the timber grower or owner of timber cut considers himself or herself aggrieved by a timber buyer, he or she shall notify the Department in writing of such grievance and thereafter the Department shall within 10 days give written notice to the timber buyer of the alleged violation of this Act or of any violation or noncompliance with the regulations hereunder of which the timber grower or owner of timber complains. The written notice to the timber buyer shall be from the Department by registered or certified mail to the licensee and his or her sureties stating in general terms the nature of the violation and that an action seeking forfeiture of the bond may be commenced at any time after the 10 days from the date of said notice if at the end of that period the violation still remains. In the event the Department shall fail to give notice to the timber buyer as provided herein, the timber grower or owner of timber cut may commence his or her own action for forfeiture of the licensee's bond.

The timber buyer, after receiving notice from the Department as provided herein, may

within 10 days from the date of such notice, request in writing to appear and be heard regarding the alleged violation.

Upon such request from the timber buyer, the Department shall schedule a hearing, designating the time and place thereof. At such hearing the timber buyer may present for consideration of the Department any evidence, statements, documents or other information relevant to the alleged violation. The hearing shall be presided over by the Director or by any hearing officer he or she may designate. The hearing officer shall take evidence offered by the timber buyer or the Department and shall, if requested by the Department, submit his or her conclusions and findings which shall be advisory to the Director. Any hearings provided for in this Section shall be commenced within 30 days from the request therefor.

Should the timber buyer fail to make timely request for a hearing after receipt of the notice from the Department as provided herein, or after a hearing is concluded, the Department may either withdraw the notice of violation or request the Attorney General to institute proceedings to have the bond of the timber buyer forfeited. The Attorney General, upon such request from the Department, shall institute proceedings to have the bond of the timber buyer forfeited for violation of any of the provisions of this Act or for noncompliance with any Department regulation.

In the event that the licensee's bond is forfeited, the proceeds thereof shall first be applied to any sums determined to be owed to the timber grower or owner of timber cut and then to the Department to defray expenses incurred by the Department in converting the security into money. Thereafter, the Department shall pay such excess to the timber buyer who furnished such security.

In the event the Department realizes less than the amount of liability from the security, after deducting expenses incurred by the Department in converting the security into money, it shall be grounds for the revocation of the timber buyer's license.

(225 ILCS 735/7) (from Ch. 111, par. 707)

Sec. 7. License; issuance, validity, and renewal; certificate. If the Department is satisfied that the applicant has fulfilled the requirements and if the bond and sureties or bank certificate of deposit filed by the applicant is approved, the Department may shall issue a license to the applicant. The licenses issued shall be valid for a calendar year and may be renewed annually. A copy of the license certificate issued by the Department shall be posted in the principal office of the licensee in this State. The timber buyer identification card issued by the Department shall be carried upon the person of the timber buyer when conducting activities covered under this Act for immediate presentation for inspection to the officers and authorized employees of the Department, any sheriff, deputy sheriff, or any other peace officer making demand for it. No person charged with violating this Section, however, shall be convicted if he or she produces in court satisfactory evidence that a timber buyer identification card that was valid at the time of the offense had been issued to the timber buyer.

Upon request for a license and payment of the fee, the Department shall issue to the licensee a certificate that a license has been granted and a bond filed as required by this Act.

At the hearing the court shall:

(b) All sentences shall be imposed by the judge based upon his independent assessment of the elements specified above and any agreement as to sentence reached by the parties. The judge who presided at the trial or the judge who accepted the plea of guilty shall impose the sentence unless he is no longer sitting as a judge in that court. Where the judge does not impose sentence at the same time on all defendants who are convicted as a result of being involved in the same offense, the defendant or the State's Attorney may advise the sentencing court of the disposition of any other defendants who have been sentenced.

(c) In imposing a sentence for a violent crime or for an offense of operating or being in physical control of a vehicle while under the influence of alcohol, any other drug or any

combination thereof, or a similar provision of a local ordinance, when such offense resulted in the personal injury to someone other than the defendant, the trial judge shall specify on the record the particular evidence, information, factors in mitigation and aggravation or other reasons that led to his sentencing determination. The full verbatim record of the sentencing hearing shall be filed with the clerk of the court and shall be a public record.

(c-1) In imposing a sentence for the offense of aggravated kidnap ping for ransom, home invasion, armed robbery, aggravated vehicular hijacking, aggravated discharge of a firearm, or armed violence with a category I weapon or category II weapon, the trial judge shall make a finding as to whether the conduct leading to conviction for the offense resulted in great bodily harm to a victim, and shall enter that finding and the basis for that finding in the record.

(c-2) If the defendant is sentenced to prison, other than when a sentence of natural life imprisonment or a sentence of death is imposed, at the time the sentence is imposed the judge shall state on the record in open court the approximate period of time the defendant will serve in custody according to the then current statutory rules and regulations for early release found in Section 3-6-3 and other related provisions of this Code. This statement is intended solely to inform the public, has no legal effect on the defendant’s actual release, and may not be relied on by the defendant on appeal.

The judge's statement, to be given after pronouncing the sentence, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(3) of Section 3-6-3, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her good conduct credit, the period of estimated actual custody is ... years and ... months, less up to 180 days additional good conduct credit for meritorious service. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day good conduct credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(3) of Section 3-6-3, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3 committed on or after June 19, 1998, and other than when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense was committed on or after January 1, 1999, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the
defendant receives all of his or her good conduct credit, the period of estimated actual custody is ... years and ... months, less up to 90 days additional good conduct credit for meritorious service. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day good conduct credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3, other than first degree murder, and the offense was committed on or after June 19, 1998, and when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense was committed on or after January 1, 1999, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant is entitled to no more than 4 1/2 days of good conduct credit for each month of his or her sentence of imprisonment. Therefore, this defendant will serve at least 85% of his or her sentence. Assuming the defendant receives 4 1/2 days credit for each month of his or her sentence, the period of estimated actual custody is ... years and ... months. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations receives lesser credit, the actual time served in prison will be longer."

When a sentence of imprisonment is imposed for first degree murder and the offense was committed on or after June 19, 1998, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant is not entitled to good conduct credit. Therefore, this defendant will serve 100% of his or her sentence."

(d) When the defendant is committed to the Department of Corrections, the State's Attorney shall and counsel for the defendant may file a statement with the clerk of the court to be transmitted to the department, agency or institution to which the defendant is committed to furnish such department, agency or institution with the facts and circumstances of the offense for which the person was committed together with all other factual information accessible to them in regard to the person prior to his commitment relative to his habits, associates, disposition and reputation and any other facts and circumstances which may aid such department, agency or institution during its custody of such person. The clerk shall within 10 days after receiving any such statements transmit a copy to such department, agency or institution and a copy to the other party, provided, however, that this shall not be
cause for delay in conveying the person to the department, agency or institution to which he has been committed.

(e) The clerk of the court shall transmit to the department, agency or institution, if any, to which the defendant is committed, the following:

1. the sentence imposed;
2. any statement by the court of the basis for imposing the sentence;
3. any presentence reports;
4. the number of days, if any, which the defendant has been in custody and for which he is entitled to credit against the sentence, which information shall be provided to the clerk by the sheriff;
4.1 any finding of great bodily harm made by the court with respect to an offense enumerated in subsection (c-1);
5. all statements filed under subsection (d) of this Section;
6. any medical or mental health records or summaries of the defendant;
7. the municipality where the arrest of the offender or the commission of the offense has occurred, where such municipality has a population of more than 25,000 persons;
8. all statements made and evidence offered under paragraph (7) of subsection (a) of this Section; and
9. all additional matters which the court directs the clerk to transmit.

Sec. 5-8-1.3. Pilot residential and transition treatment program for women.
(a) The General Assembly recognizes:
1. that drug-offending women with children who have been in and out of the criminal justice system for years are a serious problem;
2. that the intergenerational cycle of women continuously being part of the criminal justice system needs to be broken;
3. that the effects of drug offending women with children disrupts family harmony and creates an atmosphere that is not conducive to healthy childhood development;
4. that there is a need for an effective residential community supervision model to provide help to women to become drug free, recover from trauma, focus on healthy mother-child relationships, and establish economic independence and long-term support;
5. that certain non-violent women offenders with children eligible for sentences of incarceration, may benefit from the rehabilitative aspects of gender responsive treatment programs and services. This Section shall not be construed to allow violent offenders to participate in a treatment program.

(b) Under the direction of the sheriff and with the approval of the county board of commissioners, the sheriff, in any county with more than 3,000,000 inhabitants, may operate
a residential and transition treatment program for women established by the Illinois Department of Corrections if funding has been provided by federal, local or private entities. If the court finds during the sentencing hearing conducted under Section 5-4-1 that a woman convicted of a felony meets the eligibility requirements of the sheriff's residential and transition treatment program for women, the court may refer the offender to the sheriff's residential and transition treatment program for women for consideration as an participant as an alternative to incarceration in the penitentiary. The sheriff shall be responsible for supervising all women who are placed in the residential and transition treatment program for women for the 12-month period. In the event that the woman is not accepted for placement in the sheriff's residential and transition treatment program for women, the court shall proceed to sentence the woman to any other disposition authorized by this Code. If the woman does not successfully complete the residential and transition treatment program for women, the woman's failure to do so shall constitute a violation of the sentence to the residential and transition treatment program for women.

(c) In order to be eligible to be a participant in the pilot residential and transition treatment program for women, the participant shall meet all of the following conditions:

(1) The woman has not been convicted of a violent crime as defined in subsection (c) of Section 3 of the Rights of Crime Victims and Witnesses Act, a Class X felony, first or second degree murder, armed violence, aggravated kidnapping, criminal sexual assault, aggravated criminal sexual abuse or a subsequent conviction for criminal sexual abuse, forcible detention, or arson and has not been previously convicted of any of those offenses.

(2) The woman must undergo an initial assessment evaluation to determine the treatment and program plan.

(3) The woman was recommended and accepted for placement in the pilot residential and transition treatment program for women by the Department of Corrections and has consented in writing to participation in the program under the terms and conditions of the program. The Department of Corrections may consider whether space is available.

(d) The program may include a substance abuse treatment program designed for women offenders, mental health, trauma, and medical treatment; parenting skills and family relationship counseling, preparation for a GED or vocational certificate; life skills program; job readiness and job skill training, and a community transition development plan.

(e) With the approval of the Department of Corrections, the sheriff shall issue requirements for the program and inform the participants who shall sign an agreement to adhere to all rules and all requirements for the pilot residential and transition treatment program.

(f) Participation in the pilot residential and transition treatment program for women shall be for a period not to exceed 12 months. The period may not be reduced by accumulation of good time.

(g) If the woman successfully completes the pilot residential and transition treatment program for women, the sheriff shall notify the Department of Corrections, the court, and

the State's Attorney of the county of the woman's successful completion.

(h) A woman may be removed from the pilot residential and transition treatment program for women for violation of the terms and conditions of the program or in the event she is unable to participate. The failure to complete the program shall be deemed a violation of the conditions of the program. The sheriff shall give notice to the Department of Corrections, the court, and the State's Attorney of the woman's failure to complete the program. The Department of Corrections or its designee shall file a petition alleging that the woman has violated the conditions of the program with the court. The State's Attorney may proceed on the petition under Section 5-4-1 of this Code.

(i) The conditions of the pilot residential and transition treatment program for women shall include that the woman while in the program:

(1) Not violate any criminal statute of any jurisdiction;
(2) Report or appear in person before any person or agency as directed by the court, the sheriff, or Department of Corrections;
(3) Refrain from possessing a firearm or other dangerous weapon;
(4) Consent to drug testing;
(5) Not leave the State without the consent of the court or, in circumstances in which reason for the absence is of such an emergency nature that prior consent by the court is not possible, without prior notification and approval of the Department of Corrections;
(6) Upon placement in the program, must agree to follow all requirements of the program;

(j) The Department of Corrections or the sheriff may terminate the program at any time by mutual agreement or with 30 days prior written notice by either the Department of Corrections or the sheriff.

(k) The Department of Corrections may enter into a joint contract with a county with more than 3,000,000 inhabitants to establish and operate a pilot residential and treatment program for women.

(l) The Director of the Department of Corrections shall have the authority to develop rules to establish and operate a pilot residential and treatment program for women that shall include criteria for selection of the participants of the program in conjunction and approval by the sentencing court. Violent crime offenders are not eligible to participate in the program.

(m) The Department shall report to the Governor and the General Assembly before September 30th of each year on the pilot residential and treatment program for women, including the composition of the program by offenders, sentence, age, offense, and race.

(n) The Department of Corrections or the sheriff may terminate the program with 30 days prior written notice.

(o) A county with more than 3,000,000 inhabitants is authorized to apply for funding from federal, local or private entities to create a Residential and Treatment Program for Women. This sentencing option may not go into effect until the funding is secured for the program and the program has been established.

AN ACT concerning taxes.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Division 1. General provisions

Section 1. Short title. This Act may be cited as the Mobile Home Local Services Tax Enforcement Act.

Section 5. Definitions. As used in this Act:
"Mobile home" means that term as defined in the Mobile Home Local Services Tax Act.

Section 10. Application. This Act applies to delinquencies in payment of the tax imposed by the Mobile Home Local Services Tax Act.

Division 2. Enforcement actions

Section 15. Lien; payments by representative or agent. When a mobile home is taxed to any person as agent for another, or in a representative capacity, the agent or representative shall have a lien on the mobile home, or any mobile home of his or her principal in the agent's possession, until he or she is indemnified against the payment thereof, or, if he or she has paid the tax, until he or she is reimbursed for the payment.

Section 20. Lien for taxes. The taxes upon a mobile home, together with all penalties, interests, and costs that may accrue thereon, shall be a prior and first lien on the mobile home, superior to all other liens and encumbrances, from and including the first day of January in the year in which the taxes are imposed until the taxes are paid or until a court order transfers ownership of the mobile home.

(a) Foreclosure; mobile home forfeited for 2 or more years. A lien may be foreclosed, in the circuit court in the name of the People of the State of Illinois, whenever the taxes for 2 or more years on the same mobile home have been forfeited to the State and there is not an open scavenger buy. The mobile home may be sold under the order of the court by the person having authority to receive County taxes, with notice to interested parties and right of redemption from the sale, (except that the interest or any other amount to be paid upon redemption in addition to the amount for which the mobile home was sold shall be as provided herein), as provided in Sections 290 through 310 and 325.

In any action to foreclose the lien for delinquent taxes brought by the People of the State of Illinois when the taxes for 2 or more years on the same mobile home have been forfeited to the State, service of process shall be made in the manner now prescribed by law. All owners, parties interested, and occupants of any mobile home against which tax liens are sought to be foreclosed shall be named as parties defendant, and shall be served in the

manner and form as provided by law for the service of defendants in foreclosures of lien or encumbrances upon real estate. In case there are other parties with ownership interests in the mobile home, they shall be named in the notice under the designation "unknown owners".

(b) Redemption interest. The interest to be paid upon redemption from all tax foreclosure sales held under this Section shall be:

1. If redeemed within 2 months from the date of the sale, 3% per month upon the amount for which the mobile home was sold for each of the first 2 months, or fraction thereof;
2. If redeemed between 2 and 6 months from the date of the sale, 12% of the amount of sale;
3. If redeemed between 6 and 12 months from the date of the sale, 24% of the amount of sale;
4. If redeemed between 12 and 18 months from the date of the sale, 36% of the amount of sale;
5. If redeemed between 18 and 24 months from the date of the sale, 48% of the amount of sale;
6. If redeemed after 24 months from the date of sale, the 48% for the 24 months plus interest at 6% per year thereafter.

(c) Enforcement of lien from rents and profits. A lien under this Section may be enforced at any time after 6 months from the day the tax becomes delinquent out of the rents and profits of the mobile home accruing, or accrued and under the control or jurisdiction of a court. This process may be initiated by the county board of the county or by the corporate authorities of any taxing body entitled to receive any part of the delinquent tax, by petition in any pending suit having jurisdiction of the mobile home, or in any application for judgment and order of sale of mobile homes for delinquent taxes in which the mobile home is included, in the name of the People of the State of Illinois.

The process, practice, and procedure under this subsection shall be the same as provided in the Civil Practice Law and the Supreme Court Rules adopted in relation to that Law, except that receivers may be appointed on not less than 3 days’ written notice to holders of certificate of title or persons in possession. In all petitions the court shall have power to appoint the county collector to take possession of the mobile home only for the purpose of collecting the rents, issues and profits therefrom, and to apply them in satisfaction of the tax lien. When the taxes set forth in the petition are paid in full, the receiver shall be discharged. If the taxes described in the petition are reduced by the final judgment of a court, the county collector shall immediately refund all moneys collected by him or her as receiver over and above the taxes as reduced, and shall deduct that amount from the moneys thereafter distributed to the taxing bodies which received the tax revenue.

In proceedings to foreclose the tax lien, or in petitions to enforce the lien, the amount due on the collector's books against the mobile home shall be prima facie evidence of the amount of taxes against the mobile home. When any taxes are collected, they shall be paid to the county collector, to be distributed by him or her to the authorities entitled to them. All sales made under this Section shall be conducted under the order and supervision of the court.

by the county collector.

An action to foreclose the lien for delinquent taxes under this Act is an action in rem.

Section 25. Preventing waste to mobile homes; receiver. During the pendency of any tax foreclosure proceeding and until the time to redeem the mobile home sold expires, or redemption is made, from any sale made under any judgment foreclosing the lien of taxes, no waste shall be committed or suffered on any of the mobile homes involved. The mobile home shall be maintained in good condition and repair. When violations of local building, health, or safety codes or violations of mobile home park rules and regulations make the mobile home dangerous or hazardous, when taxes on the mobile home are delinquent for 2 years or more, or when in the judgment of the court it is to the best interest of the parties, the court may, upon the verified petition of any party to the proceeding, or the holder of the certificate of purchase, appoint a receiver for the mobile home with like powers and duties of receivers as in cases of foreclosure of mortgages or trust deeds. The court, in its discretion, may take any other action as may be necessary or desirable to prevent waste and maintain the mobile home in good condition and repair.

Section 30. No receiver for homestead dwelling. No receiver shall be appointed under the provisions of Section 25 for mobile homes used as a family dwelling and occupied by the owner as a residence at the time the unpaid taxes became a lien and continuously thereafter.

Section 35. Purchase and sale by county; distribution of proceeds. When any mobile home is delinquent, or is forfeited for each of 2 or more years, and is offered for sale under any of the provisions of this Act, the county board of the county in which the mobile home is located, in its discretion, if there are no other bids, may bid, or, in the case of a forfeited mobile home, may apply to purchase it, in the name of the county as trustee for all taxing districts having an interest in the mobile home's taxes for the nonpayment of which the mobile home is sold. The presiding officer of the county board, with the advice and consent of the board, may appoint on its behalf some officer or person to attend such sales and bid or, in the case of a forfeited mobile home, to apply to the county clerk to purchase. The county shall apply on the bid or purchase the unpaid taxes due upon the mobile home. No cash need be paid. The county shall take all steps necessary to acquire certificate of title to the mobile home and upon acquisition of the certificate of title may manage and operate the mobile home. When a county, or other taxing district within the county, is a petitioner for a tax certificate of title, no filing fee shall be required. When a county or other taxing district within the county is the petitioner for a tax certificate of title, one petition may be filed including all mobile homes that are tax delinquent within the county or taxing district, and any publication made under Section 380 of this Act may combine all such mobile homes within a single notice. The notice shall list the street or common address, and the mobile home park where the mobile home is sited, if known, of the mobile homes for informational purposes. The county, as tax creditor and as trustee for other tax creditors, or other taxing districts within the county, shall not be required to allege and prove that all taxes that become due and payable after the sale to the county have been paid nor shall the county be required to pay the subsequently accruing taxes at any time, except when subsequent taxes are sold to another buyer. The county board or its designee may prohibit the county collector from

including the mobile home in the tax sale of one or more subsequent years. The lien of taxes that become due and payable after a sale to a county shall merge in the certificate of title of the county, or other taxing district within the county, on the issuance of a certificate of title.

The County may sell or assign the mobile home so acquired, or the certificate of purchase to it, to any party, including taxing districts. The proceeds of that sale or assignment, less all costs of the county incurred in the acquisition and sale or assignment of the mobile home, shall be distributed to the taxing districts in proportion to their respective interests therein.

Under Sections 55 and 60, a County may bid or purchase only in the absence of other bidders.

Section 40. Tax abatement after acquisition by a governmental unit. When any county or municipality acquires a mobile home through the foreclosure of a lien, through a judicial order, through the foreclosure of receivership certificate lien, or by acceptance of a certificate of title in lieu of foreclosing any lien against the mobile home, or when any county or other taxing district acquires a certificate of title for a mobile home under Section 35 or Sections 90 and 200, all due or unpaid mobile home taxes and existing liens for unpaid mobile home taxes imposed or pending under any law or ordinance of this State or any of its political subdivisions shall become null and void.

Section 45. Notice to county officials; voiding of tax bills. The county board or corporate authorities of the county, or other taxing district acquiring a mobile home under Section 35 shall give written notice of the acquisition to the chief county assessment officer and the county collector and the county clerk of the county in which the mobile home is located, and request the voiding of the tax liens as provided in this Section. The notice shall describe the acquired mobile home by the vehicle identification number of the mobile home, if there is one.

Upon receipt of the notice, the county collector and county clerk or county assessor, as appropriate shall void the current and all prior unpaid taxes on the records in their respective offices by entering the following statement upon their records for the mobile home: "Acquired by ... (name of county or municipality acquiring the mobile home under Section 35). Taxes due and unpaid on this mobile home ... (give vehicle identification number, if any, and location of the mobile home) ... are waived and null and void under Section 45 of the Mobile Home Local Services Tax Enforcement Act. The tax bills of this mobile home are hereby voided and liens for the taxes are extinguished."

Section 50. Liability of owner; rights of tax purchaser. Nothing in Sections 40 and 45 shall relieve any owner liable for delinquent mobile home taxes under the Mobile Home Local Services Tax Act from the payment of any delinquent taxes or liens which have become null and void under those Sections.

Sections 45 and 50 shall not adversely affect the rights or interests of the holder of any bona fide certificate of purchase of the mobile home for delinquent taxes. However, upon acquisition of a mobile home by a governmental unit as set forth in Section 40, the rights and interests of the holder of any bona fide certificate of purchase of the mobile home for delinquent taxes shall be limited to a sale in error and a refund as provided under Section

New matter indicated by italics - deletions by strikeout.
Section 55. Published notice of annual application for judgment and sale; delinquent taxes. At any time after all taxes have become delinquent in any year, the Collector shall publish an advertisement, giving notice of the intended application for judgment and sale of the delinquent mobile homes. Except as provided below, the advertisement shall be in a newspaper published in the township or road district in which the mobile homes are located. If there is no newspaper published in the township or road district, then the notice shall be published in some newspaper in the same county as the township or road district, to be selected by the county collector. When the mobile home is in an incorporated town which has superseded a civil township, the advertisement shall be in a newspaper published in the incorporated town or if there is no such newspaper, then in a newspaper published in the county.

Section 60. Times of publication of notice. The advertisement shall be published once at least 10 days before the day on which judgment is to be applied for, and shall contain a list of the delinquent mobile homes upon which the taxes or any part thereof remain due and unpaid, the names of owners, and the street, common address, and mobile home park where the mobile home is sited, if known, the vehicle identification number, the model year of the home, the square footage of the home, the total amount due, and the year or years for which they are due. In counties of less than 3,000,000 inhabitants, advertisement shall include notice of the registration requirement for persons bidding at the sale. The collector shall give notice that he or she will apply to the circuit court on a specified day for judgment against the mobile homes for the taxes, and costs, and for an order to sell the mobile homes for the satisfaction of the amount due.

The collector shall also give notice of a date within the next 5 business days after the date of application on which all the mobile homes for the sale of which an order is made will be exposed to public sale at a location within the county designated by the county collector, for the amount of taxes and cost due. The advertisement published according to the provisions of this Section shall be deemed to be sufficient notice of the intended application for judgment and of the sale of mobile homes under the order of the court.

Section 65. Costs of publishing delinquent list. A county shall pay for the printer for advertising delinquent lists for mobile homes, $0.40 per column line, to be taxed and collected as costs.

The printer shall receive for printing the preamble, the descriptive headings, the affidavit, and any other matter accompanying the delinquent list, the sum of $0.40 per line, to be paid by the county.

No costs except printer’s fee shall be charged on any mobile homes forfeited to the State.

Section 70. Sale of mobile homes previously ordered sold. A mobile home ordered sold by unexecuted judgments and orders of sale, previously entered, shall be included in the advertisement for sale only under the previous orders, and shall be sold in the order in which they appear in the delinquent list contained in the advertisement. At any time between annual sales the county collector also may advertise for sale any mobile homes subject to sale under

New matter indicated by italics - deletions by strikeout.
orders previously entered and not executed for any reason. The advertisement and sale shall be regulated by the provisions regulating the annual advertisement and sale of delinquent mobile homes, as far as applicable.

Section 75. Use of figures and letters in advertisement and other lists. In all advertisements for the sale of mobile homes for taxes, and in entries required to be made by the clerk of the court or other officer, letters, figures, or characters may be used to denote the year or the years for which the taxes were due and the amount of taxes, interest, and costs. The county collector may subsequently advertise and obtain judgment on mobile homes that have been omitted, or that have been erroneously advertised or described in the first advertisement.

Division 3. Notice and publication provisions

Section 80. Mailed notice of application for judgment and sale. Not less than 15 days before the date of application for judgment and sale of delinquent mobile homes, the county collector shall mail, by registered or certified mail, a notice of the forthcoming application for judgment and sale to the person shown by the current collector's warrant book to be the party in whose name the taxes were last computed. The notice shall include the intended dates of application for judgment and sale and commencement of the sale, and a description of the mobile homes. The county collector must present proof of the mailing to the court along with the application for judgement.

In counties with less than 3,000,000 inhabitants, a copy of this notice shall also be mailed by the county collector by registered or certified mail to any lienholder of record who annually requests a copy of the notice. The failure of the county collector to mail a notice or its non-delivery to the lienholder shall not affect the validity of the judgment.

The collector shall collect $10 from the proceeds of each sale to cover the costs of registered or certified mailing and the costs of advertisement and publication. If a taxpayer pays the taxes on the mobile home after the notice of the forthcoming application for judgment and sale is mailed but before the sale is made, then the collector shall collect $10 from the taxpayer to cover the costs of registered or certified mailing and the costs of advertisement and publication.

Section 85. Printer's error in advertisement. In all cases where there is a printer's error in the advertised list which prevents judgment from being obtained against any mobile home, or against all of the delinquent list, at the time stated in the advertisement, the printer shall lose the compensation allowed by this Act for those mobile homes containing errors, or for the entire list, as the case may be.

Section 90. Scavenger sale. At the same time the county collector annually publishes the collector's annual sale advertisement under Sections 55 and 60, the collector, if the county board so orders by resolution, must publish an advertisement giving notice of the intended application for judgment and sale of all mobile homes upon which all or a part of the taxes for each of 2 or more years, including the current tax year, are delinquent as of the date of the advertisement. In no event may there be more than 2 consecutive years without a sale under this Section. The term delinquent also includes forfeitures. The county collector shall include in the advertisement and in the application for judgment and sale under this...
Section and Section 200 the total amount of all taxes upon those mobile homes which are delinquent as of the date of the advertisement. In lieu of a single annual advertisement and application for judgment and sale under this Section and Section 200, the county collector may, from time to time, beginning on the date of the publication of the annual sale advertisement and before August 1 of the next year, publish separate advertisements and make separate applications on eligible mobile homes described in one or more volumes of the delinquent list. The separate advertisements and applications shall, in the aggregate, include all the mobile homes which otherwise would have been included in the single annual advertisement and application for judgment and sale under this Section. The advertisement and application for judgment and sale shall be in the manner prescribed by this Act relating to the annual advertisement and application for judgment and sale of delinquent mobile homes.

Division 3.5. Judgments and Sales
Section 95. Time of applying for judgment. Except as otherwise provided in this Section, all applications for judgment and order of sale for taxes on delinquent mobile homes shall be made during the month of October.

Within 30 days after the day specified for the application for judgment the court shall hear and determine the matter. If judgment is rendered, the sale shall begin on the date within 5 business days specified in the notice as provided in Section 60. If the collector is prevented from advertising and obtaining judgment during the month of October, the collector may obtain judgment at any time thereafter; but if the failure arises by the county collector's not complying with any of the requirements of this Act, he or she shall be held on his or her official bond for the full amount of all taxes charged against him or her. Any failure on the part of the county collector shall not be allowed as a valid objection to the collection of any tax, or to entry of a judgment against any delinquent mobile homes included in the application of the county collector.

Section 100. Annual tax judgment, sale, redemption, and forfeiture record. The collector shall transcribe into a record prepared for that purpose, and known as the annual tax judgment, sale, redemption, and forfeiture record, the list of delinquent mobile homes. The record shall contain all the information necessary to be recorded, at least 5 days before the day on which application for judgment is to be made.

The record shall set forth the name of the owner and the street, common address, and mobile home park where the mobile home is sited, if known; a description of the mobile home, including the vehicle identification number, model year, and square footage; the year or years for which the tax is due; the valuation on which the tax is extended; the amount of the consolidated and other taxes; the costs; and the total amount of charges against the mobile home.

The record shall also be ruled in columns to show the amount paid before entry of judgment; the amount of judgment and a column for remarks; the amount paid before sale and after entry of judgment; the amount of the sale; amount of interest or penalty; amount of cost; amount forfeited to the State; date of sale; name of purchaser; amount of sale and penalty; taxes of succeeding years; interest and when paid, interest and cost; total amount of

redemption; date of redemption; when certificate of title executed; by whom redeemed; and a column for remarks or receipt of redemption money.

The record shall be kept in the office of the county clerk.

Section 105. Payment of delinquent tax before sale. Any person owning or claiming mobile homes upon which application for judgment is applied for may, in person or by agent, pay the taxes, and costs due to the county collector at any time before sale.

Section 110. Report of payments and corrections. On the day on which application for judgment on a delinquent mobile home is applied for, the collector, assisted by the county clerk, shall post all payments, compare and correct the list, and shall make and subscribe an affidavit, which shall be substantially in the following form:

State of Illinois

ss.

County of........................

I ...., collector of the county of ...., do solemnly swear (or affirm, as the case may be), that the foregoing is a true and correct list of the delinquent mobile homes within the county of ...., upon which I have been unable to collect the taxes (and interest and printer's fees, if any), charged thereon, as required by law, for the year or years therein set forth; and that the taxes, now remain due and unpaid, to the best of my knowledge and belief.

Dated ......................

The affidavit shall be entered at the end of the list, and signed by the collector.

Section 115. Proceedings by court. Defenses to the entry of judgment against mobile homes included in the delinquent list shall be entertained by the court only when the defense includes a writing specifying the particular grounds for the objection.

If any party objecting is entitled to a refund of all or any part of a tax paid, the court shall enter judgment accordingly, and also shall enter judgment for the taxes, in interest, and penalties as appear to be due. The judgment shall be considered as a several judgment against each mobile home, for each kind of tax included therein. The court shall direct the clerk to prepare and enter an order for the sale of the mobile home against which judgment is entered.

Section 120. Form of court order. A judgment and order of sale shall be substantially in the following form:

Whereas, due notice has been given of the intended application for a judgment against mobile homes, and no sufficient defense having been made or cause shown why judgment should not be entered against the mobile homes, for taxes, interest, penalties, and costs due and unpaid therefor for the year or years herein set forth, therefore the court hereby enters judgment against the above stated mobile homes, in favor of the People of the State of Illinois, for the amount of taxes, interest, penalties and costs due thereon. It is ordered by the court that the mobile homes be sold as the law directs.

The order shall be signed by the judge. In all judicial proceedings of any kind, for the collection of taxes, all amendments may be made which, by law, could be made in any personal action pending in that court.

Section 125. Cure of error or informality in computation of tax or collection of the taxes. No computation of the tax on a mobile home or charge for any of the taxes shall be
considered illegal on account of any irregularity in the computation, or on account of the computation not having been made within the time required by law, or on account of the mobile home having been charged without name, or in any other name than that of the rightful owner. No error or informality in the proceedings of any of the officers connected with the computation or collection of the taxes, not affecting the substantial justice of the tax itself, shall vitiate or in any manner affect the tax or the computation thereof. Any irregularity or informality in the computation of the tax, or in any of the proceedings connected with the computation of the taxes, or any omission or defective act of any other officer or officers connected with the computation of the taxes, may be, in the discretion of the court, corrected, supplied and made to conform to law by the court, or by the person (in the presence of the court) from whose neglect or default it was occasioned.

Division 4. Annual tax sale procedure

Section 130. Entry of judgment for sale. If judgment is rendered against any mobile home for any tax, the county collector shall, after publishing a notice for sale in compliance with the requirements of Sections 55 or 60, proceed to offer the mobile home for sale pursuant to the judgment. However, in the case of an appeal from the judgment, if the party, when filing notice of appeal deposits with the county collector the amount of the judgment and costs, the collector shall not sell the mobile home until the appeal is disposed of.

Section 135. Examination of record; certificate of correctness. On the day advertised for sale, the county clerk, assisted by the collector, shall examine the list upon which judgment has been entered and ascertain that all payments have been properly noted thereon. The county clerk shall make a certificate to be entered on the record, following the order of court that the record is correct, and that judgment was entered upon the mobile home therein mentioned for the taxes, interest, and costs due thereon. The certificate shall be attested by the circuit court clerk under seal of the court and shall be the process on which the mobile home or any interest therein shall be sold for taxes, interest, and costs due thereon, and may be substantially in the following form:

State of Illinois County of ...

I, ..., clerk of the circuit court, in and for the county of ..., do hereby certify that the foregoing is a true and correct record of the delinquent mobile home in the county, against which judgment and order of sale was duly entered in the circuit court for the county, on (insert date), for the amount of the taxes, interest, and costs due severally thereon as therein set forth, and that the judgment and order of court in relation thereto fully appears on the record.

Dated (insert date).

Section 140. County clerk assistance at sale. The county clerk, in person or by deputy, shall attend all sales for taxes, made by the collector, and shall assist at the sales.

Section 145. Tax sale procedures. The collector, in person or by deputy, shall attend, on the day and in the place specified in the notice for the sale of mobile homes for taxes, and shall, between 9:00 a.m. and 4:00 p.m., or later at the collector's discretion, proceed to offer for sale, separately and in consecutive order, all mobile homes in the list on which the taxes, interest, or costs have not been paid. The collector's office shall be kept open during all hours

in which the sale is in progress. The sale shall be continued from day to day, until all mobile homes in the delinquent list have been offered for sale.

Section 150. Penalty bids. The person at the sale offering to pay the amount due on each mobile home for the least penalty percentage shall be the purchaser of that mobile home. No bid shall be accepted for a penalty exceeding 18% of the amount of the tax on a mobile home.

Section 155. Registration. In counties with less than 3,000,000 inhabitants, unless the county board provides otherwise, no person shall be eligible to bid who did not register with the county collector at least 10 business days prior to the first day of sale authorized under Section 60.

Section 160. Forfeited mobile home. Every mobile home offered at public sale, and not sold for want of bidders, shall be forfeited to the State of Illinois. However, when the court, county clerk, and county treasurer certify that the taxes on a forfeited mobile home equal or exceed the actual value of the mobile home, the county collector shall, on the receipt of such certificate, offer the mobile home for sale to the highest bidder, after first giving 10 days' notice, in the manner described in Sections 55 and 60, of the time and place of sale, together with a description of the mobile home to be offered. A certificate of purchase shall be issued to the purchaser at the sale as in other cases provided in this Act. The county collector shall receive credit in the settlement with the taxing bodies for which the tax was levied for the amount not realized by the sale. The amount received from the sale shall be paid by the collector, pro rata, to the taxing bodies entitled to it.

Section 165. Record of sales and redemptions. When any mobile home is sold, the county clerk shall enter on the Tax Judgment, Sale, Redemption and Forfeiture Record, in the blank columns provided for that purpose, the name of the purchaser and the final bid. When any mobile home is redeemed from sale, the county clerk shall enter the name of the person redeeming, the redemption date, and the amount of redemption, in the proper column.

Section 170. Record of forfeitures. All mobile homes forfeited to the State at the sale shall be noted on the Tax Judgment, Sale, Redemption and Forfeiture Record.

Section 175. Payment for mobile homes purchased at tax sale; reoffering for sale. Except as otherwise provided below, the person purchasing any mobile home shall be liable to the county for the amount due and shall forthwith pay to the county collector the amount charged on the mobile home. Upon failure to do so, the amount due shall be recoverable in a civil action brought in the name of the People of the State of Illinois in any court of competent jurisdiction. The person so purchasing shall be relieved of liability only by payment of the amount due together with interest and costs thereon, or if the mobile home is reoffered at the sale, purchased, and paid for. Reoffering of the mobile home for sale shall be at the discretion of the collector. The sale shall not be closed until payment is made or the mobile home again offered for sale. The purchaser then shall be entitled to a certificate of purchase. If a purchaser fails to complete his or her purchase as provided in this Section, the purchase shall become void, and be of no effect, but the collector shall not refund the amount paid in cash at the time of the sale, except in cases of sale in error. That amount shall be treated as a payment and distributed to the taxing bodies as other collections are distributed.
The lien for taxes for the amount paid shall remain on the mobile home, in favor of the purchaser, his or her heirs or assigns, until paid with 5% interest per year on that amount from the date the purchaser paid it. The amount and fact of such ineffective purchase shall be entered in the tax judgment, sale, redemption and forfeiture record opposite the mobile home upon which the lien remains. No redemption shall be made without payment of this amount for the benefit of the purchaser, and no future sale of the mobile home shall be made except subject to the lien of such purchaser.

Section 180. Automation fee. The county collector may assess to the purchaser of a mobile home for delinquent taxes an automation fee of not more than $10 per mobile home. In counties with less than 3,000,000 inhabitants:

(a) The fee shall be paid at the time of the purchase if the record keeping system used for processing the delinquent mobile home tax sales is automated or has been approved for automation by the county board. The fee shall be collected in the same manner as other fees or costs.

(b) Fees collected under this Section shall be retained by the county treasurer in a fund designated as the Tax Sale Automation Fund. The fund shall be audited by the county auditor. The county board shall make expenditures from the fund to pay any costs related to the automation of mobile home tax collections and delinquent mobile home tax sales, including the cost of hardware, software, research and development, and personnel.

Section 185. Certificate of purchase. The county clerk shall make out and deliver to the purchaser of any mobile home sold under Section 145, a certificate of purchase countersigned by the collector, describing the mobile home sold, including the vehicle identification number, the model year, and the square footage, the date of sale, the amount of taxes, interest, and cost for which it was sold, and that payment of the sale price has been made. If any person becomes the purchaser of more than one mobile home owned by one party or person, the purchaser may have the whole or one or more of them included in one certificate, but separate certificates shall be issued in all other cases. A certificate of purchase shall be assignable by endorsement. An assignment shall vest in the assignee or his or her legal representatives, all the right and title of the original purchaser.

If the tax certificate is lost or destroyed, the county clerk shall issue a duplicate certificate upon written request and a sworn affidavit by the tax sale purchaser, or his or her assignee, that the tax certificate is lost or destroyed. The county clerk shall cause a notation to be made in the tax sale and judgment book that a duplicate certificate has been issued, and redemption payments shall be made only to the holder of the duplicate certificate.

Section 190. Index of tax sale records. The county clerk may make an index of tax-sale records. The index shall be kept in the county clerk’s office as a public record, open to inspection during office hours.

Section 195. County clerk's books and records; prima facie evidence. The books and records of the county clerk, or copies thereof, certified by the clerk, shall be prima facie evidence to prove the sale of any mobile home for taxes, the redemption of the mobile home, or payment of taxes thereon.

Division 5. Scavenger sales; procedures
Section 200. Collector's scavenger sale. Upon the county collector's application under Section 90, to be known as the Scavenger Sale Application, the Court shall enter judgment for the taxes, interest, penalties, and costs as are included in the advertisement and appear to be due thereon after allowing an opportunity to object and a hearing upon the objections as provided in Section 115, and order those mobile homes sold by the county collector at public sale to the highest bidder for cash, notwithstanding the bid may be less than the full amount of taxes, interest, penalties, and costs for which judgment has been entered.

(a) Conducting the sale; bidding. All mobile homes shall be offered for sale in consecutive order as they appear in the delinquent list. The minimum bid for any mobile home shall be $250 or one-half of the tax if the total liability is less than $500. The successful bidder shall immediately pay the amount of minimum bid to the County Collector in cash, by certified or cashier's check, by money order, or, if the successful bidder is a governmental unit, by a check issued by that governmental unit. If the bid exceeds the minimum bid, the successful bidder shall pay the balance of the bid to the county collector in cash, by certified or cashier's check, by money order, or, if the successful bidder is a governmental unit, by a check issued by that governmental unit by the close of the next business day. If the minimum bid is not paid at the time of sale or if the balance is not paid by the close of the next business day, then the sale is void and the minimum bid, if paid, is forfeited to the county general fund. In that event, the mobile home shall be reoffered for sale within 30 days of the last offering of mobile homes in regular order. The collector shall make available to the public a list of all mobile homes to be included in any reoffering due to the voiding of the original sale. The collector is not required to serve or publish any other notice of the reoffering of those mobile homes. In the event that any of the mobile homes are not sold upon reoffering, or are sold for less than the amount of the original voided sale, the original bidder who failed to pay the bid amount shall remain liable for the unpaid balance of the bid in an action under Section 175. Liability shall not be reduced where the bidder upon reoffering also fails to pay the bid amount, and in that event both bidders shall remain liable for the unpaid balance of their respective bids. A sale of mobile homes under this Section shall not be final until confirmed by the court.

(b) Confirmation of sales. The county collector shall file his or her report of sale in the court within 30 days after the date of sale of each mobile home. No notice of the county collector's application to confirm the sales shall be required except as prescribed by rule of the court. Upon confirmation, except in cases where the sale becomes void under Section 430, or in cases where the order of confirmation is vacated by the court, a sale under this Section shall extinguish the in rem lien of the taxes, for which judgment has been entered and a redemption shall not revive the lien. Confirmation of the sale shall in no event affect the owner's personal liability to pay the taxes, interest, and penalties as provided in this Act or prevent institution of a proceeding under Section 355 to collect any amount that may remain due after the sale.

(c) Issuance of tax sale certificates. Upon confirmation of the sale, the county clerk and the county collector shall issue to the purchaser a certificate of purchase in the form prescribed by Section 185 as near as may be. A certificate of purchase shall not be issued to

any person who is ineligible to bid at the sale or to receive a certificate of purchase under Section 205.

(d) Scavenger Tax Judgment, Sale and Redemption Record; sale of parcels not sold. The county collector shall prepare a Scavenger Tax Judgment, Sale and Redemption Record. The county clerk shall write or stamp on the scavenger tax judgment, sale, forfeiture and redemption record opposite the description of any mobile home offered for sale and not sold, or not confirmed for any reason, the words "offered but not sold". The mobile homes that are offered for sale under this Section and not sold or not confirmed shall be offered for sale annually thereafter in the manner provided in this Section until sold. At any time between annual sales the county collector may advertise for sale any mobile homes subject to sale under judgments for sale previously entered under this Section and not executed for any reason. The advertisement and sale shall be regulated by the provisions of this Act as far as applicable.

(e) Proceeding to tax certificate of title. The owner of the certificate of purchase shall give notice as required by Sections 365 through 390, and may extend the period of redemption as provided by Section 330. At any time within 5 months prior to expiration of the period of redemption from a sale under this Act, the owner of a certificate of purchase may file a petition and may obtain a tax certificate of title under Sections 390 through 410. All proceedings for the issuance of a tax certificate of title and all tax certificates of title for mobile homes sold under this Section shall be subject to Sections 390 through 410. This Section shall be liberally construed so that the certificates of title provided for in this Section convey merchantable title.

(f) Redemptions from scavenger sales. Redemptions may be made from sales under this Section in the same manner and upon the same terms and conditions as redemptions from sales made under the county collector's annual application for judgment and order of sale, except that in lieu of penalty the person redeeming shall pay interest on that part of the amount for which the mobile home was sold equal to or less than the full amount of delinquent taxes, penalties, interest, and costs, included in the judgment and order of sale as follows:

1. If redeemed within the first 2 months from the date of the sale, 3% per month upon the amount of taxes, penalties, interest, and costs due for each of the first 2 months, or fraction thereof.
2. If redeemed at any time between 2 and 6 months from the date of the sale, 12% of the amount of taxes, penalties, interest, and costs due.
3. If redeemed at any time between 6 and 12 months from the date of the sale, 24% of the amount of taxes, penalties, interest, and costs due.
4. If redeemed at any time between 12 and 18 months from the date of the sale, 36% of the amount of taxes, penalties, interest, and costs due.
5. If redeemed at any time between 18 and 24 months from the date of the sale, 48% of the amount of taxes, penalties, interest, and costs due.
6. If redeemed after 24 months from the date of sale, the 48% provided for the 24 months together with interest at 6% per annum thereafter on the amount of

taxes, penalties, interest, and costs due.

The person redeeming shall not be required to pay any interest on any part of the amount for which the mobile home was sold that exceeds the full amount of delinquent taxes, penalties, interest, and costs included in the judgment and order of sale.

Notwithstanding any other provision of this Section, the amount required to be paid for redemption shall also include an amount equal to all delinquent taxes on the mobile home which taxes were delinquent at the time of sale. The delinquent taxes shall be apportioned by the county collector among the taxing districts in which the mobile home is situated in accordance with law. In the event that all moneys received from any sale held under this Section exceed an amount equal to all delinquent taxes on the mobile home sold, which taxes were delinquent at the time of sale, together with all publication and other costs associated with the sale, then, upon redemption, the county collector and the county clerk shall apply the excess amount to the cost of redemption.

(g) Bidding by county or other taxing districts. Any taxing district may bid at a scavenger sale. The county board of the county in which mobile homes offered for sale under this Section are located may bid as trustee for all taxing districts having an interest in the taxes for the nonpayment of which the mobile homes are offered. The county shall apply on the bid the unpaid taxes due upon the mobile home and no cash need be paid. The county or other taxing district acquiring a tax sale certificate shall take all steps necessary to acquire certificate of title to the mobile home and may manage and operate the mobile home so acquired.

When a county, or other taxing district within the county, is a petitioner for a tax certificate of title, no filing fee shall be required on the petition. The county as a tax creditor and as trustee for other tax creditors, or other taxing district within the county shall not be required to allege and prove that all taxes that become due and payable after the sale to the county have been paid. The county shall not be required to pay the subsequently accruing taxes at any time. Upon the written request of the county board or its designee, the county collector shall not offer the mobile home for sale at any tax sale subsequent to the sale of the mobile home to the county under this Section. The lien of taxes that become due and payable after a sale to a county shall merge in the certificate title of the county, or other taxing district, on the issuance of a certificate of title. The County may sell the mobile homes so acquired, or the certificate of purchase thereto, and the proceeds of the sale shall be distributed to the taxing districts in proportion to their respective interests therein. The presiding officer of the county board, with the advice and consent of the county board, may appoint some officer or person to attend scavenger sales and bid on its behalf.

(h) Miscellaneous provisions. In the event that a mobile home sold at any such sale is not redeemed within the time permitted by law and a tax certificate of title is issued, all moneys that may be received from the sale of mobile homes in excess of the delinquent taxes, together with all publication and other costs associated with the sale, shall, upon petition of any interested party to the court that issued the tax certificate of title, be distributed by the county collector pursuant to order of the court among the persons having legal or equitable interests in the mobile home according to the fair value of their interests

in the mobile home. Appeals may be taken from the orders and judgments entered under this Section as in other civil cases. The remedy herein provided is in addition to other remedies for the collection of delinquent taxes.

Section 205. Scavenger sale; persons ineligible to bid or purchase.

(a) No person, except a unit of local government, shall be eligible to bid or receive a certificate of purchase at any sale under Section 200 unless that person has completed and delivered to the county clerk a true, accurate, and complete application for certificate of purchase which shall affirm that:

(1) the person has not bid upon or applied to purchase any mobile home at the sale for a person who is the party or agent of the party who owns the mobile home or is responsible for the payment of the delinquent taxes;

(2) the person is not, nor is he or she the agent for, the owner or party responsible for payment of the taxes on any mobile home which is located in the same county in which the sale is held and which is tax delinquent or forfeited for all or any part of each of 2 or more years; and

(3) the person, although otherwise eligible to bid, has not either directly or through an agent twice during the same sale failed to complete a purchase by the immediate payment of the minimum bid or the payment of the balance of a bid within the time provided by Section 200.

Section 210. Scavenger sale registration. No person, except a unit of local government, shall be eligible to bid or to receive a certificate of purchase who did not register with the county collector at least 5 business days in advance of the first day of the sale under Section 200. The collector may charge, for each registration, a fee of not more than $50 in counties with less than 3,000,000 inhabitants. Registration shall be made upon such forms and according to such regulations as the county collector deems necessary in order to effect complete and accurate disclosure of the identity of all persons beneficially interested, directly or indirectly, in each sale under Section 200. The information to be disclosed shall include, but not be limited to, the name, address, and telephone number of the purchaser to whom the clerk and collector will be requested to issue a certificate of purchase; if the purchaser is a corporation, the place of incorporation and the names and addresses of its shareholders unless the corporation is publicly held; if the purchaser is a partnership, the names and addresses of all general and limited partners; if the purchaser is doing business under an assumed business name, the county where such name is registered and the names, addresses, and telephone numbers of all persons having an ownership interest in the business; and the identity and location of any other tax delinquent mobile home owned by the bidder and purchaser.

Every application for certificate of purchase and form for registration authorized and required by this Section and Section 215 shall be executed under penalty of perjury as though under oath or affirmation, but no acknowledgement is required.

Section 215. Scavenger sale; application for certificate of purchase. The application for certificate of purchase shall be executed by the purchaser and by any individual bidder acting in the purchaser's behalf. The application shall be initially executed and delivered to
the county clerk at the time of registration for the sale as provided in this Section. Before receiving any certificate of purchase, each purchaser and individual bidder acting in the purchaser's behalf shall sign and deliver to the county clerk a schedule or schedules of the mobile homes for which that purchaser has successfully bid and is applying to purchase, which schedule or schedules shall be attached to and incorporated within the application. The schedule or schedules shall be accompanied by a fee, for each mobile home listed, of $10 in counties with less than 3,000,000 inhabitants. (a) enters a bid or authorizes or procures the entry of a bid on any mobile home offered for sale under Section 200, when the person in whose behalf the bid is made or authorized or procured has an ownership interest or nonownership interest in the mobile home, or where that person had such an interest on January 1 of any year for which delinquent taxes were included within the judgment for sale under Section 200;

(b) acquires, or attempts to acquire, ownership of any certificate of purchase for a mobile home sold under Section 200, when the person in whose behalf such certificate of purchase is or would be acquired has an ownership interest or nonownership interest in the mobile home, or where that person had that interest on January 1 of any year for which delinquent taxes were included within the judgment for sale under Section 200;

(e) forfeits 2 or more bids at any one sale under Section 200 by failing to pay the minimum cash bid timely or by failing to pay the balance of the bid timely as required by Section 200.

Section 235. Creation of indemnity fund.

(a) Each person purchasing any mobile home at a sale under this Act shall pay to the county collector, prior to the issuance of any certificate of purchase, a fee of $20 for each item purchased. A like sum shall be paid for each year that all or a portion of subsequent taxes are paid by the tax purchaser and posted to the tax judgment, sale, redemption and forfeiture record where the underlying certificate of purchase is recorded.

(b) The amount paid prior to issuance of the certificate of purchase pursuant to subsection (a) shall be included in the purchase price of the mobile home in the certificate

of purchase and all amounts paid under this Section shall be included in the amount required
to redeem under Section 300. Except as otherwise provided in subsection (b) of Section 240,
all money received under subsection (a) shall be paid by the collector to the county treasurer
of the county in which the mobile home is situated, for the purpose of an indemnity fund.
The county treasurer, as trustee of that fund, shall invest all of that fund, principal and
income, in his or her hands from time to time, if not immediately required for payments of
indemnities under subsection (a) of Section 245, in investments permitted by the Illinois
State Board of Investment under Article 22A of the Illinois Pension Act. The county collector
shall report annually to the circuit court on the condition and income of the fund. The
indemnity fund shall be held to satisfy judgments obtained against the county treasurer, as
trustee of the fund. No payment shall be made from the fund, except upon a judgment of the
court which ordered the issuance of a tax certificate of title.

Section 240. Amount to be retained in indemnity fund.
(a) The county board in each county shall determine the amount of the fund to be
maintained in that county, which amount shall not be less than $50,000 and shall not be
greater than $1,000,000 in counties with less than 3,000,000 inhabitants. Any moneys
accumulated by the county treasurer in excess of the amount so established, as trustee of the
fund, shall be paid by him or her annually to the general fund of the county.
(b) In counties in which a Tort Liability Fund is established, all sums of money
received under subsection (a) of Section 235 may be deposited in the general fund of the
county for general county governmental purposes, if the county board provides by ordinance
that the indemnity required by this Section shall be provided by the Tort Liability Fund.

Section 245. Payments from Indemnity Fund.
(a) Any owner of a mobile home sold under any provision of this Act who sustains
loss or damage by reason of the issuance of a tax certificate of title under Section 360 or 400
and who is barred or is in any way precluded from bringing an action for the recovery of the
mobile home shall have the right to indemnity for the loss or damage sustained, limited as
follows:

1. An owner who resided in a mobile home on the last day of the period of
redemption and who is equitably entitled to compensation for the loss or damage
sustained has the right to indemnity. An equitable indemnity award shall be limited
to the fair cash value of the mobile home as of the date the tax certificate of title was
issued less any liens on the mobile home, and the award will not exceed $99,000. The
court shall liberally construe this equitable entitlement standard to provide
compensation wherever, in the discretion of the court, the equities warrant the action.

An owner of a mobile home who requests an award in excess of $99,000 must
prove that the loss of his or her mobile home was not attributable to his or her own
fault or negligence before an award in excess of $99,000 will be granted.

2. An owner who sustains the loss or damage of any mobile home
occasioned by reason of the issuance of a tax certificate of title, without fault or
negligence of his or her own, has the right to indemnity limited to the fair cash value
of the mobile home less any liens on the mobile home. In determining the existence

of fault or negligence, the court shall consider whether the owner exercised ordinary reasonable diligence under all of the relevant circumstances.

(3) In determining the fair cash value of a mobile home less any liens on the mobile home, the fair cash value shall be reduced by the principal amount of all taxes paid by the tax purchaser or his or her assignee before the issuance of the tax certificate of title.

(4) If an award made under paragraph (1) or (2) is subject to a reduction by the amount of an outstanding lien on the mobile home, other than the principal amount of all taxes paid by the tax purchaser or his or her assignee before the issuance of the tax certificate of title and the petitioner would be personally liable to the lienholder for all or part of that reduction amount, the court shall order an additional indemnity award to be paid directly to the lienholder sufficient to discharge the petitioner's personal liability. The court, in its discretion, may order the joinder of the lienholder as an additional party to the indemnity action.

(b) Indemnity fund; subrogation.

(1) Any person claiming indemnity hereunder shall petition the court which ordered the tax certificate of title to issue, shall name the county treasurer, as trustee of the indemnity fund, as defendant to the petition, and shall ask that judgment be entered against the county treasurer, as trustee, in the amount of the indemnity sought. The provisions of the Civil Practice Law shall apply to proceedings under the petition, except that neither the petitioner nor county treasurer shall be entitled to trial by jury on the issues presented in the petition. The court shall liberally construe this Section to provide compensation wherever in the discretion of the Court the equities warrant such action.

(2) The county treasurer, as trustee of the indemnity fund, shall be subrogated to all parties in whose favor judgment may be rendered against him or her, and by third party complaint may bring in as a defendant any person, other than the tax certificate of title grantee and its successors in title, not a party to the action who is or may be liable to him or her, as subrogee, for all or part of the petitioner's claim against him or her.

(c) Any contract involving the proceeds of a judgment for indemnity under this Section, between the tax certificate of title grantee or its successors in title and the indemnity petitioner or his or her successors, shall be in writing. In any action brought under this Section, the Collector shall be entitled to discovery regarding, but not limited to, the following:

(1) the identity of all persons beneficially interested in the contract, directly or indirectly, including at least the following information: the names and addresses of any natural persons; the place of incorporation of any corporation and the names and addresses of its shareholders unless it is publicly held; the names and addresses of all general and limited partners of any partnership; the names and addresses of all persons having an ownership interest in any entity doing business under an assumed name, and the county in which the assumed business name is registered; and the

nature and extent of the interest in the contract of each person identified;

(2) the time period during which the contract was negotiated and agreed upon, from the date of the first direct or indirect contact between any of the contracting parties to the date of its execution;

(3) the name and address of each natural person who took part in negotiating the contract, and the identity and relationship of the party that the person represented in the negotiations; and

(4) the existence of an agreement for payment of attorney's fees by or on behalf of each party.

Any information disclosed during discovery may be subject to protective order as deemed appropriate by the court. The terms of the contract shall not be used as evidence of value. Section 250. Indemnity fund fraud.

(a) A person commits the offense of indemnity fund fraud when that person knowingly:

(1) offers or agrees to become a party to, or to acquire an interest in, a contract involving the proceeds of a judgment for indemnity under Section 245 before the end of the period of redemption from the tax sale to which the judgment relates;

(2) fraudulently induces a party to forego bringing an action for the recovery of the mobile home;

(3) makes a deceptive misrepresentation during the course of negotiating an agreement under subsection (c) of Section 245; or

(4) conspires to violate any of the provisions of this subsection.

(b) Commission of any one act described in subsection (a) is a Class A misdemeanor. Commission of more than one act described in subsection (a) during a single course of conduct is a Class 4 felony. A second or subsequent conviction for violation of any portion of this Section is a Class 4 felony.

(c) The State's Attorney of the county in which a judgment for indemnity under Section 245 is entered may bring a civil action in the name of the People of the State of Illinois against a person who violates paragraph (1), (2), or (3) of subsection (a). Upon a finding of liability in the action the court shall enter judgment in favor of the People in a sum equal to 3 times the amount of the judgment for indemnity, together with costs of the action and reasonable attorney's fees. The proceeds of any judgment under this subsection shall be paid into the general fund of the county.

Section 255. Sales in error.

(a) When, upon application of the county collector, the owner of the certificate of purchase, or a municipality that owns or has owned the mobile home ordered sold, it appears to the satisfaction of the court that ordered the mobile home sold that any of the following subsections are applicable, the court shall declare the sale to be a sale in error:

(1) the mobile home was not subject to taxation,

(1.5) the mobile home has been moved to a different location,

(2) the taxes had been paid prior to the sale of the mobile home,

New matter indicated by italics - deletions by strikeout.
(3) there is a double computation of the tax,
(4) the description is void for uncertainty,
(5) the assessor, chief county assessment officer, board of review, board of appeals, or other county official has made an error (other than an error of judgment as to the value of any mobile home),
(5.5) the owner of the mobile home had tendered timely and full payment to the county collector that the owner reasonably believed was due and owing on the mobile home, and the county collector did not apply the payment to the mobile home; provided that this provision applies only to mobile home owners, not their agents or third-party payors, or
(6) prior to the tax sale a voluntary or involuntary petition has been filed by or against the legal or beneficial owner of the mobile home requesting relief under the provisions of 11 U.S.C. Chapter 7, 11, 12, or 13.

(b) When, upon application of the owner of the certificate of purchase only, it appears to the satisfaction of the court that ordered the mobile home sold that any of the following subsections are applicable, the court shall declare the sale to be a sale in error:

(1) A voluntary or involuntary petition under the provisions of 11 U.S.C. Chapter 7, 11, 12, or 13 has been filed subsequent to the tax sale and prior to the issuance of the tax certificate of title.

(2) The mobile home sold has been substantially destroyed or rendered uninhabitable or otherwise unfit for occupancy subsequent to the tax sale and prior to the issuance of the tax certificate of title.

If a sale is declared to be a sale in error, the county clerk shall make entry in the tax judgment, sale, redemption and forfeiture record, that the mobile home was erroneously sold, and the county collector shall, on demand of the owner of the certificate of purchase, refund the amount paid, pay any interest and costs as may be ordered under Sections 260 through 280, and cancel the certificate so far as it relates to the mobile home. The county collector shall deduct from the accounts of the appropriate taxing bodies their pro rata amounts paid.

Section 260. Interest on refund.

(a) In those cases which arise solely under grounds set forth in Section 255 or 395, and in no other cases, the court which orders a sale in error shall also award interest on the refund of the amount paid for the certificate of purchase, together with all costs paid by the owner of the certificate of purchase or his or her assignor which were posted to the tax judgment, sale, redemption and forfeiture record, except as otherwise provided in this Section. Except as otherwise provided in this Section, interest shall be awarded and paid at the rate of 1% per month from the date of sale to the date of payment to the tax purchaser, or in an amount equivalent to the penalty interest which would be recovered on a redemption at the time of payment pursuant to the order for sale in error, whichever is less.

(b) Interest on the refund to the owner of the certificate of purchase shall not be paid (i) in any case in which the mobile home sold has been substantially destroyed or rendered uninhabitable or otherwise unfit for occupancy, (ii) when the sale in error is made pursuant to Section 395, or (iii) in any other case where the court determines that the tax purchaser had

actual knowledge prior to the sale of the grounds on which the sale is declared to be erroneous.

(c) When the county collector files a petition for sale in error under Section 255 and mails a notice thereof by certified or registered mail to the tax purcaher, any interest otherwise payable under this Section shall cease to accrue as of the date the petition is filed, unless the tax purchaser agrees to an order for sale in error upon the presentation of the petition to the court. Notices under this subsection may be mailed to the original owner of the certificate of purchase, or to the latest assignee, if known. When the owner of the certificate of purchase contests the collector's petition solely to determine whether the grounds for sale in error are such as to support a claim for interest, the court may direct that the principal amount of the refund be paid to the owner of the certificate of purchase forthwith. If the court thereafter determines that a claim for interest lies under this Section, it shall award such interest from the date of sale to the date the principal amount was paid.

Section 265. Refund of other taxes paid by holder of certificate of purchase. The court which orders a sale in error shall order the refund of all other taxes paid by the owner of the certificate of purchase or his or her assignor which were validly posted to the tax judgment, sale redemption and forfeiture record subsequent to the tax sale, together with interest on the other taxes under the same terms as interest is otherwise payable under Section 260. The interest under this Section shall be calculated at the rate of 1% per month from the date the other taxes were paid and not from the date of sale. The collector shall take credit in settlement of his or her accounts for the refund of the other taxes as in other cases of sale in error under Section 255.

Section 270. Orders for payment of interest. The county treasurer may determine in his or her discretion whether payment of interest and costs shall be made as provided in Section 275, 280, or 285. If the treasurer determines not to make payment as provided in those Sections, the treasurer shall pay any interest or costs awarded under this Section pro rata from those accounts where the principal refund of the tax sale purchase price under Section 275 is taken.

Section 275. Fund for payment of interest. In counties of under 3,000,000 inhabitants, the county board may impose a fee of up to $10, which shall be paid to the county collector, upon each person purchasing any mobile home at a sale held under this Act, prior to the issuance of any certificate of purchase. That amount shall be included in the price paid for the certificate of purchase and the amount required to redeem under Section 300.

All sums of money received under this Section shall be paid by the collector to the county treasurer of the county in which the mobile home is situated for deposit into a special fund. It shall be the duty of the county treasurer, as trustee of the fund, to invest the principal and income of the fund from time to time, if not immediately required for payments under this Section, in investments as are authorized by Sections 3-10009 and 3-11002 of the Counties Code. The fund shall be held to satisfy orders for payment of interest and costs obtained against the county treasurer as trustee of the fund. No payment shall be made from the fund except by order of the court declaring a sale in error under Section 255. Any moneys accumulated in the fund by the county treasurer in excess of $500,000 shall be paid each year

prior to the commencement of the annual tax sale, first to satisfy any existing unpaid judgments entered pursuant to Section 235, and any funds remaining thereafter shall be paid to the general fund of the county.

Section 280. Claims for interest and costs. Any person claiming interest or costs under Sections 260 through 275 shall include the claim in his or her petition for sale in error under Section 255. Any claim for interest or costs which is not included in the petition is waived, except interest or costs may be awarded to the extent permitted by this Section upon a sale in error petition filed by the county collector, without requiring a separate filing by the claimant. Any order for interest or costs upon the petition for sale in error shall be deemed to be entered against the county treasurer as trustee of the fund created by Section 275. The fund shall be the sole source for payment and satisfaction of orders for interest or costs, except as otherwise provided in this Section. If the court determines that the fund has been depleted and will not be restored in time to pay an award with reasonable promptness, the court may authorize the collector to pay the interest portion of the award pro rata from those accounts where the principal refund of the tax sale purchase price under Section 255 is taken.

Section 285. Recovery of amount of tax paid by purchaser at erroneous sale. In addition to all other remedies, when the purchaser or assignee of a certificate of purchase that has been declared an erroneous sale, has paid any tax upon the mobile home sold, which was not paid by the owner of the mobile home and was not refunded to the tax purchaser or assignee by the county, the purchaser or assignee may recover from the owner the amount he or she paid, with 10% interest, as money paid for the owner's use.

Notice of the hearing on a petition to declare the mobile home abandoned shall be given to the owner or owners of the mobile home and to the person in whose name the taxes were last

The person redeeming shall also pay the amount of interest charged on the subsequent tax and paid as a penalty by the tax certificate holder.

(d) Any amount paid to redeem a forfeiture occurring subsequent to the tax sale together with 12% penalty thereon for each year or portion thereof intervening between the date of the forfeiture redemption and the date of redemption from the sale.

Upon presentation of the order from the county clerk, and receipt of the addendum if the books are in the collector's possession, the collector shall receive the sum tendered on account of the taxes for the year or years designated, and make out duplicate receipts therefor. The receipts shall set forth a description of the mobile home, the year or years paid, and the total amount received. One copy of the receipt shall be given the person making payment and, when countersigned by the county clerk, shall be evidence of the payment therein set forth. The second copy shall be filed by the county clerk in his or her office.

If the collector's books are in the collector's possession, he or she shall enter the payment on the current collector's books or addendum, and he or she shall also enter any unpaid balance on the Tax Judgment, Sale, Redemption and Forfeiture record at the proper time.

The county clerk shall also enter any unpaid balance on the county collector's books at the proper time.

The county collector shall distribute all sums received as required by law.

The redemption money so deposited shall not be distributed to the holder of the certificate of purchase but shall be retained by the county clerk pending disposition of the petition filed under Section 390.

Redemption under protest constitutes the appearance of the person protesting in the proceedings under Sections 390 through 412 and that person shall present a defense to the petition for tax certificate of title at the time which the court directs. Failure to appear and defend shall constitute a waiver of the protest and the court shall order the redemption money distributed to the holder of the certificate of purchase upon surrender of that certificate and shall dismiss the proceedings.

When the party redeeming appears and presents a defense, the court shall hear and determine the matter. If the defense is not sustained, the court shall order the protest stricken and direct the county clerk to distribute the redemption money upon surrender of the certificate of purchase and shall order the party redeeming to pay the petitioner reasonable expenses, actually incurred, including the cost of withheld redemption money, together with a reasonable attorney's fee. Upon a finding sustaining the protest in whole or in part, the court may declare the sale to be a sale in error under Section 255 or Section 405, and shall direct the county clerk to return all or part of the redemption money or deposit to the party redeeming.

Section 330. Extension of period of redemption. The purchaser or his or her assignee of a mobile home sold for nonpayment of taxes may extend the period of redemption at any time before the expiration of the original period of redemption, or thereafter prior to the expiration of any extended period of redemption, for a period which will expire not later than 3 years from the date of sale, by filing with the county clerk of the county in which the mobile home is located a written notice to that effect describing the mobile home, stating the date of the sale and specifying the extended period of redemption. If prior to the expiration of the period of redemption or extended period of redemption a petition for tax certificate of title has been filed under Section 390, upon application of the petitioner, the court shall allow the purchaser or his or her assignee to extend the period of redemption after expiration of the original period or any extended period of redemption, provided that any extension allowed will expire not later than 3 years from the date of sale. If the period of redemption is extended, the purchaser or his or her assignee must give the notices provided for in Section 370 at the specified times prior to the expiration of the extended period of redemption by causing a sheriff (or if he or she is disqualified, a coroner) of the county in which the mobile

home, or any part thereof, is located to serve the notices as provided in Sections 375 and 380. The notices may also be served as provided in Sections 375 and 380 by a special process server.

Section 335. Effect of receipt of redemption money, forfeiture, withdrawal, or return of certificate. The receipt of the redemption money on any mobile home by any purchaser or assignee, on account of any forfeiture or withdrawal, or the return of the certificate of purchase, withdrawal or forfeiture for cancellation, shall operate as a release of the claim to the mobile home under, or by virtue of, the purchase, withdrawal, or forfeiture.

Section 340. County clerk to pay successor redemption money collected. At the expiration of his or her term of office, the county clerk shall pay over to the successor in office all moneys in his or her hands received for redemption from sale for taxes on a mobile home.

Section 345. Notice of order setting aside redemption. The order shall provide that any person who was entitled to redeem may pay to the county clerk within 30 days after the entry of the order the amount necessary to redeem the mobile home from the sale as of the last day of the period of redemption. The county clerk shall make an entry in the annual tax judgment, sale, redemption, and forfeiture record reflecting the entry of the order and shall immediately upon request provide an estimate of the amount required to effect a redemption as of the last date of the period of redemption. If the amount is paid within 30 days after entry of the order, then the court shall enter an order declaring the taxes to be paid as if the mobile home had been redeemed within the time required by law and dismissing the petition for tax certificate of title. A tax certificate of title shall not be issued within the 30-day period. Upon surrender of the certificate of purchase, the county clerk shall distribute the funds deposited as if a timely redemption had been made.

Division 8. Other procedures

Section 350. Waste; appointment of receiver. After any sale of mobile homes under this Act and until a tax certificate of title has been issued or until redemption has been made, no waste shall be committed on any of the mobile homes involved. The court which ordered the mobile home to be sold may, upon verified petition of the holder of the certificate of purchase, take such action as the court deems necessary and desirable to prevent the commission of waste.

If the mobile home sold is abandoned or if any mobile home park owner, municipality or other local governmental body has legal action pending because the mobile home violates local building, housing, or fire ordinances, or mobile home park rules and regulations, or because the taxes on the mobile home are delinquent for 2 or more years, the court which ordered the mobile home to be sold may, upon verified petition of the holder of the certificate of purchase, enter an order for appointment of a receiver. Notice of the hearing for appointment of the receiver shall be given to the owner or owners of the mobile home and to the person in whose name the taxes were last assessed, by certified or registered mail sent to their last known addresses, at least 5 days prior to the date of the hearing.

The receiver may take only that action, subject to court approval, as is necessary for the preservation of the mobile home or is necessary to correct conditions at the mobile home

that fail to conform to minimum standards of health and safety, as set forth in local ordinances or mobile home park rules and regulations. If a receiver is appointed, all costs and expenses advanced by the receiver shall be repaid as provided for in Section 300 before any redemption is considered complete. The receiver shall be discharged upon redemption from the tax sale or upon entry of an order directing issuance of a tax certificate of title. Nothing herein contained is intended to prevent a court from appointing the holder of the certificate of purchase as receiver. The holder of the certificate of purchase shall be made a party to any action or proceeding to demolish or destroy a mobile home where the mobile home has been sold for failure to pay taxes and the period of redemption has not expired.

Section 355. Action for collection of taxes. The county board may, at any time after final judgment and order of sale against a delinquent mobile home under Section 120, institute a civil action in the name of the People of the State of Illinois in the circuit court for the whole amount due for taxes on the delinquent or forfeited mobile home. Any county, city, village, incorporated town, school district or other municipal corporation to which any tax is due, may, at any time after final judgment under Section 120, institute a civil action in its own name, in the circuit court, for the amount of the tax due to it on the delinquent or forfeited mobile home, and prosecute the same to final judgment. On the sale of any mobile home following judgment in the civil action, the county, city, village, incorporated town, school district or other municipal corporation, interested in the collection of the tax, may become purchaser at the sale. If the mobile home so sold is not redeemed the purchaser may acquire, hold, sell or dispose of the title thereto, the same as individuals may do under the laws of this State. In any action for delinquent or forfeited taxes, the fact that the mobile home was assessed to a person shall be prima facie evidence that the person was the owner thereof, and was liable for the taxes for the year or years for which the assessment was made. That fact may be proved by the introduction in evidence of the proper assessment book or roll, or other competent proof. Any judgment rendered for delinquent or forfeited taxes under this Section shall include the costs of the action and reasonable attorney's fees.

Section 360. Tax foreclosure proceedings. In tax foreclosure proceedings, the purchaser or assignee shall file a petition for a certificate of title in the proceeding in which the foreclosure order was entered. Notice of the filing of the petition and of the hearing on the petition shall be given in conformity with rule or practice of court in regard to motions as in other civil actions.

Section 375. Service of notice. The purchaser or his or her assignee shall give the notice required by Section 370 by causing it to be published in a newspaper as set forth in Section 380. In addition, the notice shall be served by a process server or sheriff (or if he or she is disqualified, by a coroner) of the county in which the mobile home is located upon owners who reside in the mobile home sold by leaving a copy of the notice with those owners personally.

The same form of notice shall also be served upon all other owners and parties interested in the mobile home, if upon diligent inquiry they can be found in the county, and upon the occupants of the mobile home in the following manner:

(a) as to individuals, by (1) leaving a copy of the notice with the person personally or (2) by leaving a copy at his or her usual place of residence with a

person of the family, of the age of 13 years or more, and informing that person of its contents. The person making the service shall cause a copy of the notice to be sent by registered or certified mail, return receipt requested, to that party at his or her usual place of residence;

(b) as to public and private corporations, municipal, governmental and quasi-municipal corporations, partnerships, receivers and trustees of corporations, by leaving a copy of the notice with the person designated by the Civil Practice Law. When a party interested in the mobile home is a trustee, notice served upon the trustee shall be deemed to have been served upon any beneficiary or note holder thereunder unless the holder of the note is disclosed of record.

When a judgment is a lien upon the mobile home sold, the holder of the lien shall be served with notice if the name of the judgment debtor as shown in the transcript, certified copy or memorandum of judgment filed of record is identical, as to given name and surname, with the name of the party interested as it appears of record.

If any owner or party interested, upon diligent inquiry and effort, cannot be found or served with notice in the county as provided in this Section, and the person in actual occupancy and possession is tenant to, or in possession under the owners or the parties interested in the mobile home, then service of notice upon the tenant, occupant or person in possession shall be deemed service upon the owners or parties interested.

If any owner or party interested, upon diligent inquiry and effort cannot be found or served with notice in the county, then the person making the service shall cause a copy of the notice to be sent by registered or certified mail, return receipt requested, to that party at his or her residence, if ascertainable.

Section 380. Proof of service of notice; publication of notice. The sheriff or coroner serving notice under Section 375 shall endorse his or her return thereon and file it with the clerk of the circuit court and it shall be a part of the court record. A special process server appointed under Section 375 shall make his or her return by affidavit and shall file it with the clerk of the circuit court, where it shall be a part of the court record. If a sheriff, special process server, or coroner to whom any notice is delivered for service, neglects or refuses to make the return, the purchaser or his or her assignee may petition the court to enter a rule requiring the sheriff, special process server, or coroner to make return of the notice on a day to be fixed by the court, or to show cause on that day why he or she should not be attached for contempt of the court. The purchaser or assignee shall cause a written notice of the rule to be served upon the sheriff, special process server, or coroner. If good and sufficient cause to excuse the sheriff, special process server, or coroner is not shown, the court shall adjudge him or her guilty of contempt, and shall proceed to punish him as in other cases of contempt.

If the mobile home is located in a municipality in a county with less than 3,000,000 inhabitants, the purchaser or his or her assignee shall also publish a notice as to the owner or party interested, in some newspaper published in the municipality. If the mobile home is not in a municipality in a county with less than 3,000,000 inhabitants, or if no newspaper is published therein, the notice shall be published in some newspaper in the county. If no newspaper is published in the county, then the notice shall be published in the newspaper that

is published nearest the county seat of the county in which the mobile home is located. If the owners and parties interested in the mobile home upon diligent inquiry are unknown to the purchaser or his or her assignee, the publication as to such owner or party interested, may be made to unknown owners or parties interested. Any notice by publication given under this Section shall be given 3 times at any time after filing a petition for tax certificate of title, but not less than 3 months nor more than 5 months prior to the expiration of the period of redemption. The publication shall contain (a) notice of the filing of the petition for tax certificate of title, (b) the date on which the petitioner intends to make application for an order on the petition that a tax certificate of title issue, (c) a description of the mobile home, (d) the date upon which the mobile home was sold, (e) the taxes for which it was sold and (f) the date on which the period of redemption will expire. The publication shall not include more than one mobile home listed and sold in one description, except as provided in Section 35, and except that when more than one mobile home is owned by one person, all of the mobile homes owned by that person may be included in one notice.

Section 385. Mailed notice. In addition to the notice required to be served not less than 3 months nor more than 5 months prior to the expiration of the period of redemption, the purchaser or his or her assignee shall prepare and deliver to the clerk of the circuit court of the county in which the mobile home is located, the notice provided for in this Section, together with the statutory costs for mailing the notice by certified mail, return receipt requested. The form of notice to be mailed by the clerk shall be identical in form to that provided by Section 370 for service upon owners residing in the mobile home sold, except that it shall bear the signature of the clerk and shall designate the parties to whom it is to be mailed. The clerk may furnish the form. The clerk shall promptly mail the notices delivered to him or her by certified mail, return receipt requested. The certificate of the clerk that he or she has mailed the notices, together with the return receipts, shall be filed in and made a part of the court record. The notices shall be mailed to the owners of the mobile home at their last known addresses, and to those persons who are entitled to service of notice as occupants.

Section 390. Petition for certificate of title. At any time within 5 months but not less than 3 months prior to the expiration of the redemption period for a mobile home sold pursuant to judgment and order of sale under Sections 55 through 65 or 200, the purchaser or his or her assignee may file a petition in the circuit court in the same proceeding in which the judgment and order of sale were entered, asking that the court direct the county clerk to issue a tax certificate of title if the mobile home is not redeemed from the sale. The petition shall be accompanied by the statutory filing fee.

Notice of filing the petition and the date on which the petitioner intends to apply for an order on the petition that a certificate of title be issued if the mobile home is not redeemed shall be given to occupants, owners, and persons interested in the mobile home as part of the notice provided in Sections 370 through 385, except that only one publication is required. The county clerk shall be notified of the filing of the petition and any person owning or interested in the mobile home may, if he or she desires, appear in the proceeding.

Section 395. Reimbursement of municipality before issuance of tax certificate of title. An order for the issuance of a tax certificate of title under this Act shall not be entered
affecting the title to or interest in any mobile home in which a city, village, or incorporated town has an interest under the police and welfare power by advancements made from public funds, until the purchaser or assignee makes reimbursement to the city, village, or incorporated town of the money so advanced or the city, village, or town waives its lien on the mobile home for the money so advanced. However, in lieu of reimbursement or waiver, the purchaser or his or her assignee may make application for and the court shall order that the tax purchase be set aside as a sale in error. A filing or appearance fee shall not be required of a city, village, or incorporated town seeking to enforce its claim under this Section in a tax certificate of title proceeding.

Section 400. Issuance of certificate of title; possession.

(a) If the redemption period expires and the mobile home has not been redeemed and all taxes which became due and payable subsequent to the sale have been paid and all forfeitures and sales which occur subsequent to the sale have been redeemed and the notices required by law have been given and all advancements of public funds under the police power made by a city, village, or town under Section 395 have been paid and the petitioner has complied with all the provisions of law entitling him or her to a certificate of title, the court shall so find and shall enter an order directing the Secretary of State on the production of the certificate of purchase and a certified copy of the order, to issue to the purchaser or his or her assignee a tax certificate of title. The court shall insist on strict compliance with Sections 370 through 385. Prior to the entry of an order directing the issuance of a tax certificate of title, the petitioner shall furnish the court with a report of proceedings of the evidence received on the application for tax certificate of title and the report of proceedings shall be filed and made a part of the court record.

(b) If taxes for years prior to the year sold remain delinquent at the time of the tax certificate of title hearing, those delinquent taxes may be merged into the tax certificate of title if the court determines that all other requirements for receiving an order directing the issuance of the tax certificate of title are fulfilled and makes a further determination under either paragraph (1) or (2).

(1) Incomplete estimate.

(A) The mobile home in question was purchased at an annual sale; and

(B) the statement and estimate of forfeited taxes furnished by the county clerk pursuant to Section 175 failed to include all delinquent taxes as of the date of that estimate's issuance. (2) Vacating order.

(A) The petitioner furnishes the court with a certified copy of an order vacating a prior sale for the subject mobile home;

(B) the order vacating the sale was entered after the date of purchase for the subject taxes;

(C) the sale in error was granted pursuant to paragraphs (1), (2), or (4) of subsection (b) of Section 255 or Section 395; and

(D) the tax purchaser who received the sale in error has no affiliation, direct or indirect, with the petitioner in the present proceeding and that

petitioner has signed an affidavit attesting to the lack of affiliation.
If delinquent taxes are merged into the tax certificate of title pursuant to this subsection, a
declaration to that effect shall be included in the order directing issuance of the tax certificate
of title. Nothing contained in this Section shall relieve any owner liable for delinquent mobile
home taxes under the Mobile Home Local Services Tax Act from the payment of the taxes
that have been merged into the title upon issuance of the tax certificate of title.

(c) Upon application the court shall enter an order to place the tax certificate of title grantee
in possession of the mobile home and may enter orders and grant relief as may be
necessary or desirable to maintain the grantee in possession.

Section 402. Mobile homes located in manufactured home community; requirements.
The person who has a certificate of purchase and obtains a court order directing the issuance
of a tax certificate of title under Section 400 for a mobile home located on a lot in a
manufactured home community is liable for lot rent (at the prevailing rate) beginning on the
date of the entry of the court order and shall either (i) qualify for tenancy in the manufactured
home community in accordance with the community's normal tenant qualification and
screening procedures or (ii) remove the mobile home from the lot no later than 30 days after
the date of the entry of the court order.

Section 405. Tax certificate of title incontestable unless order appealed or relief
petitioned. Tax certificates of title issued under Section 395 are incontestable except by
appeal from the order of the court directing the county clerk to issue the tax certificate of
title. However, relief from such order may be had under Section 2-1401 of the Code of Civil
Procedure in the same manner and to the same extent as may be had under that Section with
respect to final orders and judgments in other proceedings. The grounds for relief under
Section 2-1401 shall be limited to:

(1) proof that the taxes were paid prior to sale;
(2) proof that the mobile home was exempt from taxation;
(3) proof by clear and convincing evidence that the tax certificate of title had been
procured by fraud or deception by the tax purchaser or his or her assignee; or
(4) proof by a person or party holding a recorded ownership or other recorded interest in the
mobile home that he or she was not named as a party in the publication notice as set forth in
Section 380, and that the tax purchaser or his or her assignee did not make a diligent inquiry
and effort to serve that person or party with the notices required by Sections 370 through 390.

The court hearing a petition filed under this Section or Section 2-1401 of the Code of Civil
Procedure may concurrently hear a petition filed under Section 235 and may grant
relief under either Section.

Section 410. Denial of certificate of title. If the court refuses to enter an order
directing the Secretary of State to execute and deliver the tax certificate of title, because of
the failure of the purchaser to fulfill any of the above provisions, and if the purchaser, or his
or her assignee has made a bona fide attempt to comply with the statutory requirements for
the issuance of the tax certificate of title, it shall order the return of the purchase price, and
subsequent taxes and posted costs forthwith, as in case of sales in error, except that no
interest shall be paid.

Section 412. Tax certificate of titles to convey merchantable title. This Section shall be liberally construed so that tax certificate of titles shall convey merchantable title.

Section 415. Form of certificate of title. A tax certificate of title executed by the Secretary of State vests in the grantee the certificate of title of the mobile home therein described without further acknowledgment or evidence of the conveyance. The conveyance shall be substantially in the following form:

At a public sale of mobile homes for the nonpayment of taxes, held in the .... County, on (insert date), the following described mobile home was sold: (here place description of mobile home conveyed). The mobile home not having been redeemed from the sale, and it appearing that the holder of the certificate of purchase of the mobile home has complied with the laws of the State of Illinois necessary to entitle (insert him, her or them) to a certificate of title of the mobile home: I ...., (Secretary of State official) ...., in consideration of the mobile home and by virtue of the statutes of the State of Illinois in such cases provided, issue a certificate of title to .... for the mobile home described above.

Signature of ....................

(Secretary of State)

Section 420. Certificate of title; prima facie evidence of regularity of sale.

(a) As to the mobile home conveyed therein, tax certificates of title executed by the Secretary of State are prima facie evidence of the following facts in all controversies and suits in relation to the rights of the tax certificate of title grantee and his or her heirs or assigns:

(1) the mobile home conveyed was subject to taxation at the time the tax was charged and was listed and charged in the time and manner required by law;
(2) the taxes were not paid at any time before the sale;
(3) the mobile home was advertised for sale in the manner and for the length of time required by law;
(4) the mobile home was sold for taxes as stated in the certificate of title;
(5) the sale was conducted in the manner required by law;
(6) the mobile home conveyed was not redeemed from the sale within the time permitted by law;
(7) the grantee in the certificate of title was the purchaser or assignee of the purchaser.

(b) Any order for the sale of a mobile home for delinquent taxes, except as otherwise provided in this Section, shall estop all parties from raising any objections to the order or to a tax certificate of title based thereon, which existed at or before the rendition of the order, and which could have been presented as a defense to the application for the order. The order itself is conclusive evidence of its regularity and validity in all collateral proceedings, except in cases where the tax was paid prior to the sale or the mobile home was exempt from taxes.

Section 425. Order of court setting aside tax certificate of title; payments to holder of certificate of title.

certificate of title based upon a finding that the mobile home was not subject to taxation, or that the taxes had been paid prior to the sale of the mobile home, or that the tax sale was otherwise void, shall declare the tax sale to be a sale in error pursuant to Section 255 of this Act. The order shall direct the county collector to refund to the tax certificate of title grantee or his or her successors and assigns (or, if a tax certificate of title has not yet issued, the holder of the certificate of purchase) the following amounts:

1. all taxes purchased, paid, or redeemed by the tax purchaser or his or her assignee, or by the tax certificate of title grantee or his or her successors and assigns, whether before or after entry of the order for tax certificate of title, with interest at the rate of 1% per month from the date each amount was paid until the date of payment pursuant to this Section;
2. all costs paid and posted to the judgment record and not included in paragraph (1) of this subsection (a); and
3. court reporter fees for the hearing on the application for tax certificate of title and transcript thereof, cost of certification of tax certificate of title order, cost of issuance of tax certificate of title, and cost of transferring certificate of title to the tax purchaser.

(b) Except in those cases described in subsection (a) of this Section, and unless the court on motion of the tax certificate of title petitioner extends the redemption period to a date not later than 3 years from the date of sale, any order of court finding that an order directing the Secretary of State to issue a tax certificate of title should be vacated shall direct the party who successfully contested the entry of the order to pay to the tax certificate of title grantee or his or her successors and assigns (or, if a tax certificate of title has not yet issued, the holder of the certificate) within 90 days after the date of the finding:

1. the amount necessary to redeem the mobile home from the sale as of the last day of the period of redemption, except that, if the sale is a scavenger sale pursuant to Section 200 of this Act, the redemption amount shall not include an amount equal to all delinquent taxes on such mobile home which taxes were delinquent at the time of sale; and
2. amounts in satisfaction of municipal liens paid by the tax purchaser or his or her assignee, and the amounts specified in paragraphs (1) and (3) of subsection (a) of this Section, to the extent the amounts are not included in paragraph (1) of this subsection (b).

If the payment is not made within the 90-day period, the petition to vacate the order directing the Secretary of State to issue a tax certificate of title shall be denied with prejudice, and the order directing the Secretary of State to issue a tax certificate of title shall remain in full force and effect. No final order vacating any order directing the Secretary of State to issue a tax certificate of title shall be entered pursuant to this subsection (b) until the payment has been made.

Section 430. Failure to timely transfer certificate of title; tax certificate of title is void. Unless the holder of the certificate purchased at any tax sale under this Act transfers the certificate of title within one year from and after the time for redemption expires, the

certificate of purchase or order for tax certificate of title, and the sale on which it is based, shall, after the expiration of the one year period, be absolutely void with no right to reimbursement. If the holder of the certificate of purchase is prevented from obtaining a certificate of title by injunction or order of any court, or by the refusal or inability of any court to act upon the application for a tax certificate of title, or by the refusal of the Secretary of State to execute the same certificate of title, the time he or she is so prevented shall be excluded from computation of the one year period. Certificates of purchase and orders for tax certificates of title executed by the court shall recite the qualifications required in this Section.

Division 900. Amendatory provisions
Section 905. The Mobile Home Local Services Tax Act is amended by changing Sections 6, 8, 9, and 10.1 as follows:

(35 ILCS 515/6) (from Ch. 120, par. 1206)

Sec. 6. Computation, certification, and distribution of tax. Except as otherwise provided in this Section, within 60 days of receipt of each registration form, the county clerk or, in counties in which a county assessor is elected pursuant to Section 3-45 of the Property Tax Code, the county assessor shall compute the tax due, as provided in Section 3, and certify the tax to the county treasurer who shall mail the tax bill to the owner of such mobile home at the time he receives the certification or on the annual billing date, whichever occurs later. If the registration form is accompanied by a receipt for privilege taxes paid in Illinois for the current tax year, no further privilege tax shall be imposed for the remainder of the current tax year. If the mobile home is initially harbored after the annual liability date, as provided in Section 3 of this Act, the county clerk or county assessor shall reduce such tax 1/12 for each month that has passed since such annual liability date. A mobile home harbored after the first day of such month shall be considered to have been harbored for the entire month for the purposes of this Section. Thereafter, for taxable years prior to taxable year 2003, except for the year 1976, the county clerk or county assessor shall compute such tax as of the first day of June of each year and certify the tax to the county treasurer. For taxable year 2003 and thereafter, the county clerk or county assessor shall compute the tax as of the first day of March of each year and certify the tax to the county treasurer. Such tax shall be due and payable to the county treasurer within 60 days after the treasurer mails the tax bill to the address of record. The first tax bill mailed for taxable year 2003 shall include the following notice: "The manner in which delinquent taxes on mobile homes are collected has been changed by the enactment of the Mobile Home Local Services Tax Enforcement Act. Failure to pay this tax can result in a penalty of $25 per month." The county treasurer shall distribute such taxes to the local taxing districts within the boundaries of which such mobile homes are located, in the same proportion as the property taxes collectible for each such taxing district in the prior year.

In order to effect the change of the annual billing date and the date of liability, provided for by this amendatory Act of 1975, the county clerk shall compute such tax as of July 1, 1976, for the 1/2 year period from July 1, 1976, through December 31, 1976, at 1/2 the amount of the annual tax. The tax for such period shall be certified, billed, collected and

distributed in the same manner as is provided in this Section as taxes for a full year, and shall be subject to a proportionate reduction if the mobile home is initially harbored after July 1, 1976 and before January 1, 1977. (Source: P.A. 88-670, eff. 12-2-94.)

Sec. 8. Failure to pay tax; lien. If any local services tax imposed by this Act is not paid when due, the county treasurer of the county in which the mobile home is located shall have a lien on the mobile home for the amount of the tax, addition to the tax, penalty and interest due. The treasurer shall notify the taxpayer in writing of the existence of the lien. Such lien shall terminate (i) unless the county treasurer files with the county recorder of the county in which the mobile home is located a notice of lien; within one year of such tax due date or (ii) if the county treasurer applies for judgment and order of sale for delinquent taxes on mobile homes pursuant to the provisions of the Mobile Home Local Services Tax Enforcement Act and the taxes are sold. From the time of the filing, the amount set forth in the certificate also constitutes a lien upon all property of the taxpayer then owned by him or thereafter acquired by him in the period before the expiration of the lien. Such liens have the same force, effect and priority as a judgment lien and continue for 10 years from the date of the recording unless sooner released or otherwise discharged. The county treasurer may, at any time, release all or any portion of the property subject to any lien provided for in this Act or subordinate the lien to other liens if he determines that the taxes are sufficiently secured by a lien or other property of the taxpayer or that the release or subordination of the lien will not endanger or jeopardize the collection of the taxes.

If the owner of a mobile home upon which the tax has not been paid does not make payment within 6 months after a lien has been filed, civil action may be instituted by the collector for the amount of the tax, plus interest, penalties and costs. If sale of the property is ordered, the court may direct the sale to be made in cash or on such terms as it may deem in the best interests of all parties. The court may direct that such sale be held by the sheriff or in open court. (Source: P.A. 83-871.)

Sec. 9. Additional charge for delinquent taxes; penalty for fraud. For taxable years prior to 2003, if any local services tax, or part thereof, imposed by this Act is not paid on or before the due date for such tax, interest on such amount at the rate of 1 1/2% per month shall be paid for the period from such due date to the date of payment of such amount. For taxable year 2003 and thereafter, if any local services tax, or part thereof, imposed by this Act is not paid on or before the due date for such tax, the taxpayer shall be required to pay a penalty of $25 per month, or any portion thereof, not to exceed $100. If such failure to pay such tax is the result of fraud, there shall be added to the tax as a penalty an amount equal to 50% of the deficiency. (Source: P.A. 83-546.)

Section 910. The Illinois Vehicle Code is amended by changing Section 3-114 as follows:

(625 ILCS 5/3-114) (from Ch. 95 1/2, par. 3-114)
(Text of Section before amendment by P.A. 91-893)
Sec. 3-114. Transfer by operation of law.

(a) If the interest of an owner in a vehicle passes to another other than by voluntary transfer, the transferee shall, except as provided in paragraph (b), promptly mail or deliver within 20 days to the Secretary of State the last certificate of title, if available, proof of the transfer, and his application for a new certificate in the form the Secretary of State prescribes. It shall be unlawful for any person having possession of a certificate of title for a motor vehicle, semi-trailer, or house car by reason of his having a lien or encumbrance on such vehicle, to fail or refuse to deliver such certificate to the owner, upon the satisfaction or discharge of the lien or encumbrance, indicated upon such certificate of title.

(b) If the interest of an owner in a vehicle passes to another under the provisions of the Small Estates provisions of the Probate Act of 1975 the transferee shall promptly mail or deliver to the Secretary of State, within 120 days, the last certificate of title, if available, the documentation required under the provisions of the Probate Act of 1975, and an application for certificate of title. The Small Estate Affidavit form shall be furnished by the Secretary of State. The transfer may be to the transferee or to the nominee of the transferee.

(c) If the interest of an owner in a vehicle passes to another under other provisions of the Probate Act of 1975, as amended, and the transfer is made by a representative or guardian, such transferee shall promptly mail or deliver to the Secretary of State, the last certificate of title, if available, and a certified copy of the letters of office or guardianship, and an application for certificate of title. Such application shall be made before the estate is closed. The transfer may be to the transferee or to the nominee of the transferee.

(d) If the interest of an owner in joint tenancy passes to the other joint tenant with survivorship rights as provided by law, the transferee shall promptly mail or deliver to the Secretary of State, the last certificate of title, if available, proof of death of the one joint tenant and survivorship of the surviving joint tenant, and an application for certificate of title. (e) The Secretary of State shall transfer a decedent's vehicle title to any legatee, representative or heir of the decedent who submits to the Secretary a death certificate and an affidavit by an attorney at law on the letterhead stationery of the attorney at law stating the facts of the transfer.

(f) Repossession with assignment of title. In all cases wherein a lienholder has repossessed a vehicle by other than judicial process and holds it for resale under a security agreement, and the owner of record has executed an assignment of the existing certificate of title after default, the lienholder may proceed to sell or otherwise dispose of the vehicle as authorized under the Uniform Commercial Code. Upon selling the vehicle to another person, the lienholder need not send the certificate of title to the Secretary of State, but shall promptly and within 20 days mail or deliver to the purchaser as transferee the existing certificate of title for the repossessed vehicle, reflecting the release of the lienholder's security interest in the vehicle. The application for a certificate of title made by the purchaser shall comply with subsection (a) of Section 3-104 and be accompanied by the existing certificate of title for the repossessed vehicle. The lienholder shall execute the assignment and warranty of title showing the name and address of the purchaser in the spaces provided therefor on the certificate of title or as the Secretary of State prescribes. The lienholder shall complete the assignment of title in the certificate of title to reflect the transfer of the vehicle to the lienholder and also a reassignment to reflect the transfer from the lienholder to the purchaser. For this purpose, the lienholder is specifically authorized to complete and execute the space reserved in the certificate of title for a dealer reassignment, notwithstanding that the lienholder is not a licensed dealer. Nothing herein shall be construed to mean that the lienholder is taking title to the repossessed vehicle for purposes of liability for retailer occupation, vehicle use, or other tax with respect to the proceeds from the repossession sale. Delivery of the existing certificate of title to the purchaser shall be deemed disclosure to the purchaser of the owner of the vehicle.

(f-5) Repossession without assignment of title. In all cases wherein a lienholder has repossessed a vehicle by other than judicial process and holds it for resale under a security agreement, and the owner of record has not executed an assignment of the existing certificate of title, the lienholder shall comply with the following provisions:

(1) Prior to sale, the lienholder shall deliver or mail to the owner at the owner's last known address and to any other lienholder of record, a notice of redemption setting forth the following information: (i) the name of the owner of record and in bold type at or near the top of the notice a statement that the owner's vehicle was repossessed on a specified date for failure to make payments on the loan (or other reason), (ii) a description of the vehicle subject to the lien sufficient to identify it, (iii) the right of the owner to redeem the vehicle, (iv) the lienholder's intent to sell or otherwise dispose of the vehicle after the expiration of 21 days from the date of mailing or delivery of the notice, and (v) the name, address, and telephone number of the lienholder from whom information may be obtained concerning the amount due to redeem the vehicle and from whom the vehicle may be redeemed under Section 9-506 of the Uniform Commercial Code. At the lienholder's option,
the information required to be set forth in this notice of redemption may be made a part of or accompany the notification of sale or other disposition required under subsection (3) of Section 9-504 of the Uniform Commercial Code, but none of the information required by this notice shall be construed to impose any requirement under Article 9 of the Uniform Commercial Code.

(2) With respect to the repossession of a vehicle used primarily for personal, family, or household purposes, the lienholder shall also deliver or mail to the owner at the owner's last known address an affidavit of defense. The affidavit of defense shall accompany the notice of redemption required in subdivision (f-5)(1) of this Section. The affidavit of defense shall (i) identify the lienholder, owner, and the vehicle; (ii) provide space for the owner to state the defense claimed by the owner; and (iii) include an acknowledgment by the owner that the owner may be liable to the lienholder for fees, charges, and costs incurred by the lienholder in establishing the insufficiency or invalidity of the owner's defense. To stop the transfer of title, the affidavit of defense must be received by the lienholder no later than 21 days after the date of mailing or delivery of the notice required in subdivision (f-5)(1) of this Section. If the lienholder receives the affidavit from the owner in a timely manner, the lienholder must apply to a court of competent jurisdiction to determine if the lienholder is entitled to possession of the vehicle.

(3) Upon selling the vehicle to another person, the lienholder need not send the certificate of title to the Secretary of State, but shall promptly and within 20 days mail or deliver to the purchaser as transferee (i) the existing certificate of title for the repossessed vehicle, reflecting the release of the lienholder's security interest in the vehicle; and (ii) an affidavit of repossession made by or on behalf of the lienholder which provides the following information: that the vehicle was repossessed, a description of the vehicle sufficient to identify it, whether the vehicle has been damaged in excess of 33 1/3% of its fair market value as required under subdivision (b)(3) of Section 3-117.1, that the owner and any other lienholder of record were given the notice required in subdivision (f-5)(1) of this Section, that the owner of record was given the affidavit of defense required in subdivision (f-5)(2) of this Section, that the interest of the owner was lawfully terminated or sold pursuant to the terms of the security agreement, and the purchaser's name and address. If the vehicle is damaged in excess of 33 1/3% of its fair market value, the lienholder shall make application for a salvage certificate under Section 3-117.1 and transfer the vehicle to a person eligible to receive assignments of salvage certificates identified in Section 3-118.

(4) The application for a certificate of title made by the purchaser shall comply with subsection (a) of Section 3-104 and be accompanied by the affidavit of repossession furnished by the lienholder and the existing certificate of title for the repossessed vehicle. The lienholder shall execute the assignment and warranty of title showing the name and address of the purchaser in the spaces provided therefor on the certificate of title or as the Secretary of State prescribes. The lienholder shall
complete the assignment of title in the certificate of title to reflect the transfer of the vehicle to the lienholder and also a reassignment to reflect the transfer from the lienholder to the purchaser. For this purpose, the lienholder is specifically authorized to execute the assignment on behalf of the owner as seller if the owner has not done so and to complete and execute the space reserved in the certificate of title for a dealer reassignment, notwithstanding that the lienholder is not a licensed dealer. Nothing herein shall be construed to mean that the lienholder is taking title to the repossessed vehicle for purposes of liability for retailer occupation, vehicle use, or other tax with respect to the proceeds from the repossession sale. Delivery of the existing certificate of title to the purchaser shall be deemed disclosure to the purchaser of the owner of the vehicle. In the event the lienholder does not hold the certificate of title for the repossessed vehicle, the lienholder shall make application for and may obtain a new certificate of title in the name of the lienholder upon furnishing information satisfactory to the Secretary of State. Upon receiving the new certificate of title, the lienholder may proceed with the sale described in subdivision (f-5)(3), except that upon selling the vehicle the lienholder shall promptly and within 20 days mail or deliver to the purchaser the new certificate of title reflecting the assignment and transfer of title to the purchaser.

(5) Neither the lienholder nor the owner shall file with the Office of the Secretary of State the notice of redemption or affidavit of defense described in subdivisions (f-5)(1) and (f-5)(2) of this Section. The Office of the Secretary of State shall not determine the merits of an owner's affidavit of defense, nor consider any allegations or assertions regarding the validity or invalidity of a lienholder's claim to the vehicle or an owner's asserted defenses to the repossession action. (f-7) Notice of reinstatement in certain cases.

(1) If, at the time of repossession by a lienholder that is seeking to transfer title pursuant to subsection (f-5), the owner has paid an amount equal to 30% or more of the deferred payment price or total of payments due, the owner may, within 21 days of the date of repossession, reinstate the contract or loan agreement and recover the vehicle from the lienholder by tendering in a lump sum (i) the total of all unpaid amounts, including any unpaid delinquency or deferral charges due at the date of reinstatement, without acceleration; and (ii) performance necessary to cure any default other than nonpayment of the amounts due; and (iii) all reasonable costs and fees incurred by the lienholder in retaking, holding, and preparing the vehicle for disposition and in arranging for the sale of the vehicle. Reasonable costs and fees incurred by the lienholder include without limitation repossession and storage expenses and, if authorized by the contract or loan agreement, reasonable attorneys' fees and collection agency charges.

(2) Tender of payment and performance pursuant to this limited right of reinstatement restores to the owner his rights under the contract or loan agreement as though no default had occurred. The owner has the right to reinstate the contract or loan agreement and recover the vehicle from the lienholder only once under this

subsection. The lienholder may, in the lienholder's sole discretion, extend the period during which the owner may reinstate the contract or loan agreement and recover the vehicle beyond the 21 days allowed under this subsection, and the extension shall not subject the lienholder to liability to the owner under the laws of this State.

(3) The lienholder shall deliver or mail written notice to the owner at the owner's last known address, within 3 business days of the date of repossession, of the owner's right to reinstate the contract or loan agreement and recover the vehicle pursuant to the limited right of reinstatement described in this subsection. At the lienholder's option, the information required to be set forth in this notice of reinstatement may be made part of or accompany the notice of redemption required in subdivision (f-5)(1) of this Section and the notification of sale or other disposition required under subsection (3) of Section 9-504 of the Uniform Commercial Code, but none of the information required by this notice of reinstatement shall be construed to impose any requirement under Article 9 of the Uniform Commercial Code.

(4) The reinstatement period, if applicable, and the redemption period described in subdivision (f-5)(1) of this Section, shall run concurrently if the information required to be set forth in the notice of reinstatement is part of or accompanies the notice of redemption. In any event, the 21 day redemption period described in subdivision (f-5)(1) of this Section shall commence on the date of mailing or delivery to the owner of the information required to be set forth in the notice of redemption, and the 21 day reinstatement period described in this subdivision, if applicable, shall commence on the date of mailing or delivery to the owner of the information required to be set forth in the notice of reinstatement.

(5) The Office of the Secretary of State shall not determine the merits of an owner's claim of right to reinstatement, nor consider any allegations or assertions regarding the validity or invalidity of a lienholder's claim to the vehicle or an owner's asserted right to reinstatement. Where a lienholder is subject to licensing and regulatory supervision by the State of Illinois, the lienholder shall be subject to all of the powers and authority of the lienholder's primary State regulator to enforce compliance with the procedures set forth in this subsection (f-7).

(f-10) Repossession by judicial process. In all cases wherein a lienholder has repossessed a vehicle by judicial process and holds it for resale under a security agreement, order for replevin, or other court order establishing the lienholder's right to possession of the vehicle, the lienholder may proceed to sell or otherwise dispose of the vehicle as authorized under the Uniform Commercial Code or the court order. Upon selling the vehicle to another person, the lienholder need not send the certificate of title to the Secretary of State, but shall promptly and within 20 days mail or deliver to the purchaser as transferee (i) the existing certificate of title for the repossessed vehicle reflecting the release of the lienholder's security interest in the vehicle; (ii) a certified copy of the court order; and (iii) a bill of sale identifying the new owner's name and address and the year, make, model, and vehicle identification number of the vehicle. The application for a certificate of title made by the purchaser shall comply with subsection (a) of Section 3-104 and be accompanied by the

certified copy of the court order furnished by the lienholder and the existing certificate of title for the repossessed vehicle. The lienholder shall execute the assignment and warranty of title showing the name and address of the purchaser in the spaces provided therefor on the certificate of title or as the Secretary of State prescribes. The lienholder shall complete the assignment of title in the certificate of title to reflect the transfer of the vehicle to the lienholder and also a reassignment to reflect the transfer from the lienholder to the purchaser. For this purpose, the lienholder is specifically authorized to execute the assignment on behalf of the owner as seller if the owner has not done so and to complete and execute the space reserved in the certificate of title for a dealer reassignment, notwithstanding that the lienholder is not a licensed dealer. Nothing herein shall be construed to mean that the lienholder is taking title to the repossessed vehicle for purposes of liability for retailer occupation, vehicle use, or other tax with respect to the proceeds from the repossession sale. Delivery of the existing certificate of title to the purchaser shall be deemed disclosure to the purchaser of the owner of the vehicle. In the event the lienholder does not hold the certificate of title for the repossessed vehicle, the lienholder shall make application for and may obtain a new certificate of title in the name of the lienholder upon furnishing information satisfactory to the Secretary of State. Upon receiving the new certificate of title, the lienholder may proceed with the sale described in this subsection, except that upon selling the vehicle the lienholder shall promptly and within 20 days mail or deliver to the purchaser the new certificate of title reflecting the assignment and transfer of title to the purchaser.

(f-15) The Secretary of State shall not issue a certificate of title to a purchaser under subsection (f), (f-5), or (f-10) of this Section, unless the person from whom the vehicle has been repossessed by the lienholder is shown to be the last registered owner of the motor vehicle. The Secretary of State may provide by rule for the standards to be followed by a lienholder in assigning and transferring certificates of title with respect to repossessed vehicles.

(f-20) If applying for a salvage certificate or a junking certificate, the lienholder shall within 20 days make an application to the Secretary of State for a salvage certificate or a junking certificate, as set forth in this Code. The Secretary of State shall not issue a salvage certificate or a junking certificate to such lienholder unless the person from whom such vehicle has been repossessed is shown to be the last registered owner of such motor vehicle and such lienholder establishes to the satisfaction of the Secretary of State that he is entitled to such salvage certificate or junking certificate. The Secretary of State may provide by rule for the standards to be followed by a lienholder in order to obtain a salvage certificate or junking certificate for a repossessed vehicle.

(g) A person holding a certificate of title whose interest in the vehicle has been extinguished or transferred other than by voluntary transfer shall mail or deliver the certificate, within 20 days upon request of the Secretary of State. The delivery of the certificate pursuant to the request of the Secretary of State does not affect the rights of the person surrendering the certificate, and the action of the Secretary of State in issuing a new certificate of title as provided herein is not conclusive upon the rights of an owner or lienholder named in the old certificate.

(h) The Secretary of State may decline to process any application for a transfer of an interest in a vehicle hereunder if any fees or taxes due under this Act from the transferor or the transferee have not been paid upon reasonable notice and demand.

(i) The Secretary of State shall not be held civilly or criminally liable to any person because any purported transferor may not have had the power or authority to make a transfer of any interest in any vehicle or because a certificate of title issued in error is subsequently used to commit a fraudulent act.

It shall be unlawful for any person having possession of a certificate of title for a motor vehicle, semi-trailer, or house car by reason of his having a lien or encumbrance on such vehicle, to fail or refuse to deliver such certificate to the owner, upon the satisfaction or discharge of the lien or encumbrance, indicated upon such certificate of title.

agreement, and the owner of record has executed an assignment of the existing certificate of title after default, the lienholder may proceed to sell or otherwise dispose of the vehicle as authorized under the Uniform Commercial Code. Upon selling the vehicle to another person, the lienholder need not send the certificate of title to the Secretary of State, but shall promptly and within 20 days mail or deliver to the purchaser as transferee the existing certificate of title for the repossessed vehicle, reflecting the release of the lienholder's security interest in the vehicle. The application for a certificate of title made by the purchaser shall comply with subsection (a) of Section 3-104 and be accompanied by the existing certificate of title for the repossessed vehicle. The lienholder shall execute the assignment and warranty of title showing the name and address of the purchaser in the spaces provided therefor on the certificate of title or as the Secretary of State prescribes. The lienholder shall complete the assignment of title in the certificate of title to reflect the transfer of the vehicle to the lienholder and also a reassignment to reflect the transfer from the lienholder to the purchaser. For this purpose, the lienholder is specifically authorized to complete and execute the space reserved in the certificate of title for a dealer reassignment, notwithstanding that the lienholder is not a licensed dealer. Nothing herein shall be construed to mean that the lienholder is taking title to the repossessed vehicle for purposes of liability for retailer occupation, vehicle use, or other tax with respect to the proceeds from the repossession sale. Delivery of the existing certificate of title to the purchaser shall be deemed disclosure to the purchaser of the owner of the vehicle.

(f-5) Repossession without assignment of title. In all cases wherein a lienholder has repossessed a vehicle by other than judicial process and holds it for resale under a security agreement, and the owner of record has not executed an assignment of the existing certificate of title, the lienholder shall comply with the following provisions:

(1) Prior to sale, the lienholder shall deliver or mail to the owner at the owner's last known address and to any other lienholder of record, a notice of redemption setting forth the following information: (i) the name of the owner of record and in bold type at or near the top of the notice a statement that the owner's vehicle was repossessed on a specified date for failure to make payments on the loan (or other reason), (ii) a description of the vehicle subject to the lien sufficient to identify it, (iii) the right of the owner to redeem the vehicle, (iv) the lienholder's intent to sell or otherwise dispose of the vehicle after the expiration of 21 days from the date of mailing or delivery of the notice, and (v) the name, address, and telephone number of the lienholder from whom information may be obtained concerning the amount due to redeem the vehicle and from whom the vehicle may be redeemed under Section 9-623 of the Uniform Commercial Code. At the lienholder's option, the information required to be set forth in this notice of redemption may be made a part of or accompany the notification of sale or other disposition required under Section 9-611 of the Uniform Commercial Code, but none of the information required by this notice shall be construed to impose any requirement under Article 9 of the Uniform Commercial Code.

(2) With respect to the repossession of a vehicle used primarily for personal,
family, or household purposes, the lienholder shall also deliver or mail to the owner at the owner's last known address an affidavit of defense. The affidavit of defense shall accompany the notice of redemption required in subdivision (f-5)(1) of this Section. The affidavit of defense shall (i) identify the lienholder, owner, and the vehicle; (ii) provide space for the owner to state the defense claimed by the owner; and (iii) include an acknowledgment by the owner that the owner may be liable to the lienholder for fees, charges, and costs incurred by the lienholder in establishing the insufficiency or invalidity of the owner's defense. To stop the transfer of title, the affidavit of defense must be received by the lienholder no later than 21 days after the date of mailing or delivery of the notice required in subdivision (f-5)(1) of this Section. If the lienholder receives the affidavit from the owner in a timely manner, the lienholder must apply to a court of competent jurisdiction to determine if the lienholder is entitled to possession of the vehicle.

(3) Upon selling the vehicle to another person, the lienholder need not send the certificate of title to the Secretary of State, but shall promptly and within 20 days mail or deliver to the purchaser as transferee (i) the existing certificate of title for the repossessed vehicle, reflecting the release of the lienholder's security interest in the vehicle; and (ii) an affidavit of repossession made by or on behalf of the lienholder which provides the following information: that the vehicle was repossessed, a description of the vehicle sufficient to identify it, whether the vehicle has been damaged in excess of 33 1/3% of its fair market value as required under subdivision (b)(3) of Section 3-117.1, that the owner and any other lienholder of record were given the notice required in subdivision (f-5)(1) of this Section, that the owner of record was given the affidavit of defense required in subdivision (f-5)(2) of this Section, that the interest of the owner was lawfully terminated or sold pursuant to the terms of the security agreement, and the purchaser's name and address. If the vehicle is damaged in excess of 33 1/3% of its fair market value, the lienholder shall make application for a salvage certificate under Section 3-117.1 and transfer the vehicle to a person eligible to receive assignments of salvage certificates identified in Section 3-118.

(4) The application for a certificate of title made by the purchaser shall comply with subsection (a) of Section 3-104 and be accompanied by the affidavit of repossession furnished by the lienholder and the existing certificate of title for the repossessed vehicle. The lienholder shall execute the assignment and warranty of title showing the name and address of the purchaser in the spaces provided therefor on the certificate of title or as the Secretary of State prescribes. The lienholder shall complete the assignment of title in the certificate of title to reflect the transfer of the vehicle to the lienholder and also a reassignment to reflect the transfer from the lienholder to the purchaser. For this purpose, the lienholder is specifically authorized to execute the assignment on behalf of the owner as seller if the owner has not done so and to complete and execute the space reserved in the certificate of title for a dealer reassignment, notwithstanding that the lienholder is not a licensed dealer.

New matter indicated by italics - deletions by strikeout.
Nothing herein shall be construed to mean that the lienholder is taking title to the repossessed vehicle for purposes of liability for retailer occupation, vehicle use, or other tax with respect to the proceeds from the repossession sale. Delivery of the existing certificate of title to the purchaser shall be deemed disclosure to the purchaser of the owner of the vehicle. In the event the lienholder does not hold the certificate of title for the repossessed vehicle, the lienholder shall make application for and may obtain a new certificate of title in the name of the lienholder upon furnishing information satisfactory to the Secretary of State. Upon receiving the new certificate of title, the lienholder may proceed with the sale described in subdivision (f-5)(3), except that upon selling the vehicle the lienholder shall promptly and within 20 days mail or deliver to the purchaser the new certificate of title reflecting the assignment and transfer of title to the purchaser.

(5) Neither the lienholder nor the owner shall file with the Office of the Secretary of State the notice of redemption or affidavit of defense described in subdivisions (f-5)(1) and (f-5)(2) of this Section. The Office of the Secretary of State shall not determine the merits of an owner's affidavit of defense, nor consider any allegations or assertions regarding the validity or invalidity of a lienholder's claim to the vehicle or an owner's asserted defenses to the repossession action. (f-7) Notice of reinstatement in certain cases.

(1) If, at the time of repossession by a lienholder that is seeking to transfer title pursuant to subsection (f-5), the owner has paid an amount equal to 30% or more of the deferred payment price or total of payments due, the owner may, within 21 days of the date of repossession, reinstate the contract or loan agreement and recover the vehicle from the lienholder by tendering in a lump sum (i) the total of all unpaid amounts, including any unpaid delinquency or deferral charges due at the date of reinstatement, without acceleration; and (ii) performance necessary to cure any default other than nonpayment of the amounts due; and (iii) all reasonable costs and fees incurred by the lienholder in retaking, holding, and preparing the vehicle for disposition and in arranging for the sale of the vehicle. Reasonable costs and fees incurred by the lienholder include without limitation repossession and storage expenses and, if authorized by the contract or loan agreement, reasonable attorneys' fees and collection agency charges.

(2) Tender of payment and performance pursuant to this limited right of reinstatement restores to the owner his rights under the contract or loan agreement as though no default had occurred. The owner has the right to reinstate the contract or loan agreement and recover the vehicle from the lienholder only once under this subsection. The lienholder may, in the lienholder's sole discretion, extend the period during which the owner may reinstate the contract or loan agreement and recover the vehicle beyond the 21 days allowed under this subsection, and the extension shall not subject the lienholder to liability to the owner under the laws of this State.

(3) The lienholder shall deliver or mail written notice to the owner at the owner's last known address, within 3 business days of the date of repossession, of the
owner's right to reinstate the contract or loan agreement and recover the vehicle pursuant to the limited right of reinstatement described in this subsection. At the lienholder's option, the information required to be set forth in this notice of reinstatement may be made part of or accompany the notice of redemption required in subdivision (f-5)(1) of this Section and the notification of sale or other disposition required under Section 9-611 of the Uniform Commercial Code, but none of the information required by this notice of reinstatement shall be construed to impose any requirement under Article 9 of the Uniform Commercial Code.

(4) The reinstatement period, if applicable, and the redemption period described in subdivision (f-5)(1) of this Section, shall run concurrently if the information required to be set forth in the notice of reinstatement is part of or accompanies the notice of redemption. In any event, the 21 day redemption period described in subdivision (f-5)(1) of this Section shall commence on the date of mailing or delivery to the owner of the information required to be set forth in the notice of redemption, and the 21 day reinstatement period described in this subdivision, if applicable, shall commence on the date of mailing or delivery to the owner of the information required to be set forth in the notice of reinstatement.

(5) The Office of the Secretary of State shall not determine the merits of an owner's claim of right to reinstatement, nor consider any allegations or assertions regarding the validity or invalidity of a lienholder's claim to the vehicle or an owner's asserted right to reinstatement. Where a lienholder is subject to licensing and regulatory supervision by the State of Illinois, the lienholder shall be subject to all of the powers and authority of the lienholder's primary State regulator to enforce compliance with the procedures set forth in this subsection (f-7).

(f-10) Repossession by judicial process. In all cases wherein a lienholder has repossessed a vehicle by judicial process and holds it for resale under a security agreement, order for replevin, or other court order establishing the lienholder's right to possession of the vehicle, the lienholder may proceed to sell or otherwise dispose of the vehicle as authorized under the Uniform Commercial Code or the court order. Upon selling the vehicle to another person, the lienholder need not send the certificate of title to the Secretary of State, but shall promptly and within 20 days mail or deliver to the purchaser as transferee (i) the existing certificate of title for the repossessed vehicle reflecting the release of the lienholder's security interest in the vehicle; (ii) a certified copy of the court order; and (iii) a bill of sale identifying the new owner's name and address and the year, make, model, and vehicle identification number of the vehicle. The application for a certificate of title made by the purchaser shall comply with subsection (a) of Section 3-104 and be accompanied by the certified copy of the court order furnished by the lienholder and the existing certificate of title for the repossessed vehicle. The lienholder shall execute the assignment and warranty of title showing the name and address of the purchaser in the spaces provided therefor on the certificate of title or as the Secretary of State prescribes. The lienholder shall complete the assignment of title in the certificate of title to reflect the transfer of the vehicle to the lienholder and also a reassignment to reflect the transfer from the lienholder to the purchaser.
For this purpose, the lienholder is specifically authorized to execute the assignment on behalf of the owner as seller if the owner has not done so and to complete and execute the space reserved in the certificate of title for a dealer reassignment, notwithstanding that the lienholder is not a licensed dealer. Nothing herein shall be construed to mean that the lienholder is taking title to the repossessed vehicle for purposes of liability for retailer occupation, vehicle use, or other tax with respect to the proceeds from the repossession sale. Delivery of the existing certificate of title to the purchaser shall be deemed disclosure to the purchaser of the owner of the vehicle. In the event the lienholder does not hold the certificate of title for the repossessed vehicle, the lienholder shall make application for and may obtain a new certificate of title in the name of the lienholder upon furnishing information satisfactory to the Secretary of State. Upon receiving the new certificate of title, the lienholder may proceed with the sale described in this subsection, except that upon selling the vehicle the lienholder shall promptly and within 20 days mail or deliver to the purchaser the new certificate of title reflecting the assignment and transfer of title to the purchaser.

(f-15) The Secretary of State shall not issue a certificate of title to a purchaser under subsection (f), (f-5), or (f-10) of this Section, unless the person from whom the vehicle has been repossessed by the lienholder is shown to be the last registered owner of the motor vehicle. The Secretary of State may provide by rule for the standards to be followed by a lienholder in assigning and transferring certificates of title with respect to repossessed vehicles.

(f-20) If applying for a salvage certificate or a junking certificate, the lienholder shall within 20 days make an application to the Secretary of State for a salvage certificate or a junking certificate, as set forth in this Code. The Secretary of State shall not issue a salvage certificate or a junking certificate to such lienholder unless the person from whom such vehicle has been repossessed is shown to be the last registered owner of such motor vehicle and such lienholder establishes to the satisfaction of the Secretary of State that he is entitled to such salvage certificate or junking certificate. The Secretary of State may provide by rule for the standards to be followed by a lienholder in order to obtain a salvage certificate or junking certificate for a repossessed vehicle.

(f-25) If the interest of an owner in a mobile home, as defined in the Mobile Home Local Services Tax Act, passes to another under the provisions of the Mobile Home Local Services Tax Enforcement Act, the transferee shall promptly mail or deliver to the Secretary of State (i) the last certificate of title, if available, (ii) a certified copy of the court order ordering the transfer of title, and (iii) an application for certificate of title.

(g) A person holding a certificate of title whose interest in the vehicle has been extinguished or transferred other than by voluntary transfer shall mail or deliver the certificate, within 20 days upon request of the Secretary of State. The delivery of the certificate pursuant to the request of the Secretary of State does not affect the rights of the person surrendering the certificate, and the action of the Secretary of State in issuing a new certificate of title as provided herein is not conclusive upon the rights of an owner or lienholder named in the old certificate.

(h) The Secretary of State may decline to process any application for a transfer of an

interest in a vehicle hereunder if any fees or taxes due under this Act from the transferor or
the transferee have not been paid upon reasonable notice and demand.

   (i) The Secretary of State shall not be held civilly or criminally liable to any person
because any purported transferor may not have had the power or authority to make a transfer
of any interest in any vehicle or because a certificate of title issued in error is subsequently
used to commit a fraudulent act.

Section 10. The Illinois Municipal Code is amended by changing Section 1-4-6 as
follows:

(65 ILCS 5/1-4-6) (from Ch. 24, par. 1-4-6)
Sec. 1-4-6. In case any injury to the person or property of another is caused by a
member of the police department of a municipality having a population of less than 500,000
while the member is engaged in the performance of his or her duties as a police officer, and
without the contributory negligence of the injured person or the owner of the injured
property, or the agent or servant of the injured person or owner, the municipality in whose
behalf the member of the municipal police department is performing his or her duties as
police officer shall indemnify the police officer for any judgment recovered against him or
her as the result of such injury, except where the injury results from the wilful misconduct
of the police officer, to the extent of not to exceed $1,000,000 $500,000 including costs of

action in the manner and form hereinabove described.

For the purposes of this Section, no civilian defense worker, nor any member of any agency engaged in any civilian defense activity, performing services as a part of any civilian defense program, shall be considered to be a member of a municipal police department.

If any person in obeying the command of any such policeman to assist in arresting or securing an offender is killed or injured, or his or her property or that of his or her employer is damaged, and such death, injury or damage arises out of and in the course of aiding such policeman in arresting, or endeavoring to arrest, a person or retaking or endeavoring to re-take a person who has escaped from legal custody, the person or employer so injured, or whose property is so damaged, or the personal representatives of the person so killed, shall have a cause of action to recover the amount of such damage or injury against the municipal corporation by which such police officer is employed at the time such command is obeyed.

If a police officer is acting within a municipality other than his or her employing municipality under an agreement pursuant to Section 11-1-2.1, the liability or obligation to indemnify imposed by this Section does not extend to both municipalities. Only that municipality designated by the agreement is subject to such liability or obligation to indemnify, but, if the agreement is silent as to such liability or obligation, then the municipality by which the police officer is employed is subject to such liability or obligation.

If a police officer is acting within a municipality other than his or her employing municipality under the provisions of Section 1-4-8, the liability or obligation to indemnify imposed by this Section shall be the liability or obligation of the requesting municipality only. The notice required in this Section 1-4-6 shall be given to the municipality in which he was acting if other than his employing municipality.

All other provisions of this Article, including but not limited to the payment of judgments and settlements in installments, the issuance of bonds, the maintenance of rates and charges, and the levy of taxes shall be equally applicable to judgments or settlements relating to both a local public entity or an employee and those undertakings assumed by a local public entity in intergovernmental joint self-insurance contracts. Sec. 18. Change in control.

(a) Before a change may occur in the ownership of outstanding stock of any State bank, whether by sale and purchase, gift, bequest or inheritance, or any other means, including the acquisition of stock of the State bank by any bank holding company, which will result in control or a change in the control of the bank or before a change in the control of a holding company having control of the outstanding stock of a State bank whether by sale and purchase, gift, bequest or inheritance, or any other means, including the acquisition of stock of such holding company by any other bank holding company, which will result in control or a change in control of the bank or holding company, or before a transfer of substantially all the assets or liabilities of the State bank, the Commissioner shall be of the opinion and find:

1. that the general character of proposed management or of the person desiring to purchase substantially all the assets or to assume substantially all the liabilities of the State bank, after the change in control, is such as to assure reasonable promise of successful, safe and sound operation;

1.1. that depositors’ interests will not be jeopardized by the purchase or assumption and that adequate provision has been made for all liabilities as required for a voluntary liquidation under Section 68 of this Act;

2. that the future earnings prospects of the person desiring to purchase substantially all assets or to assume substantially all the liabilities of the State bank, after the proposed change in control, are favorable;

3. that any prior involvement by the persons proposing to obtain control, to purchase substantially all the assets, or to assume substantially all the liabilities of the State bank or by the proposed management personnel with any other financial institution, whether as stockholder, director, officer or customer, was conducted in a safe and sound manner; and

4. that if the acquisition is being made by a bank holding company, the

acquisition is authorized under the Illinois Bank Holding Company Act of 1957. (b) Persons desiring to purchase control of an existing state bank, to purchase substantially all the assets, or to assume substantially all the liabilities of the State bank shall, prior to that purchase, submit to the Commissioner:

(1) a statement of financial worth;
(2) satisfactory evidence that any prior involvement by the persons and the proposed management personnel with any other financial institution, whether as stockholder, director, officer or customer, was conducted in a safe and sound manner; and

(3) such other relevant information as the Commissioner may request to substantiate the findings under subsection (a) of this Section.

A person who has submitted information to the Commissioner pursuant to this subsection (b) is under a continuing obligation until the Commissioner takes action on the application to immediately supplement that information if there are any material changes in the information previously furnished or if there are any material changes in any circumstances that may affect the Commissioner's opinion and findings. In addition, a person submitting information under this subsection shall notify the Commissioner of the date when the change in control is finally effected.

The Commissioner may impose such terms and conditions on the approval of the change in control application as he deems necessary or appropriate.

If an applicant, whose application for a change in control has been approved pursuant to subsection (a) of this Section, fails to effect the change in control within 180 days after the date of the Commissioner's approval, the Commissioner shall revoke that approval unless a request has been submitted, in writing, to the Commissioner for an extension and the request has been approved.

(b-1) Any person who obtains ownership of stock of an existing State bank or stock of a holding company that controls the State bank by gift, bequest, or inheritance such that ownership of the stock would constitute control of the State bank or holding company may obtain title and ownership of the stock, but may not exercise management or control of the business and affairs of the bank or vote his or her shares so as to exercise management or control unless and until the Commissioner approves an application for the change of control as provided in subsection (b) of this Section.

(c) Whenever a state bank makes a loan or loans, secured, or to be secured, by 25% or more of the outstanding stock of a state bank, the president or other chief executive officer of the lending bank shall promptly report such fact to the Commissioner upon obtaining knowledge of such loan or loans, except that no report need be made in those cases where the borrower has been the owner of record of the stock for a period of one year or more, or the stock is that of a newly organized bank prior to its opening.

(d) The reports required by subsections (b) and (c) of this Section 18, other than those relating to a transfer of assets or assumption of liabilities, shall contain the following information to the extent that it is known by the person making the report: (1) the number of shares involved; (2) the names of the sellers (or transferors); (3) the names of the
purchasers (or transferees); (4) the names of the beneficial owners if the shares are registered in another name; (5) the purchase price, if applicable; (6) the total number of shares owned by the sellers (or transferors), the purchasers (or transferees) and the beneficial owners both immediately before and after the transaction; and, (7) in the case of a loan, the name of the borrower, the amount of the loan, the name of the bank issuing the stock securing the loan and the number of shares securing the loan. In addition to the foregoing, such reports shall contain such other information which is requested by the Commissioner to inform the Commissioner of the effect of the transaction upon control of the bank whose stock is involved.

(d-1) The reports required by subsection (b) of this Section 18 that relate to purchase of assets and assumption of liabilities shall contain the following information to the extent that it is known by the person making the report: (1) the value, amount, and description of the assets transferred; (2) the amount, type, and to whom each type of liabilities are owed; (3) the names of the purchasers (or transferees); (4) the names of the beneficial owners if the shares of a purchaser or transferee are registered in another name; (5) the purchase price, if applicable; and, (6) in the case of a loan obtained to effect a purchase, the name of the borrower, the amount and terms of the loan, and the description of the assets securing the loan. In addition to the foregoing, these reports shall contain any other information that is requested by the Commissioner to inform the Commissioner of the effect of the transaction upon the bank from which assets are purchased or liabilities are transferred.

(e) Whenever such a change as described in subsection (a) of this Section 18 occurs, each state bank shall report promptly to the Commissioner any changes or replacement of its chief executive officer or of any director occurring in the next 12 month period, including in its report a statement of the past and current business and professional affiliations of the new chief executive officer or directors.

(f) (Blank).

(g) (1) Except as otherwise expressly provided in this subsection (g), the Commissioners shall not approve an application for a change in control if upon consummation of the change in control the persons applying for the change in control, including any affiliates of the persons applying, would control 30% or more of the total amount of deposits which are located in this State at insured depository institutions. For purposes of this subsection (g), the words "insured depository institution" shall mean State banks, national banks, and insured savings associations. For purposes of this subsection (g), the word "deposits" shall have the meaning ascribed to that word in Section 3(1) of the Federal Deposit Insurance Act. For purposes of this subsection (g), the total amount of deposits which are considered to be located in this State at insured depository institutions shall equal the sum of all deposits held at the main banking premises and branches in the State of Illinois of State banks, national banks, or insured savings associations. For purposes of this subsection (g), the word "affiliates" shall have the meaning ascribed to that word in Section 35.2 of this Act.

(2) Notwithstanding the provisions of subsection (g)(1) of this Section, the Commissioner may approve an application for a change in control for a bank that is

in default or in danger of default. Except in those instances in which an application for a change in control is for a bank that is in default or in danger of default, the Commissioner may not approve a change in control which does not meet the requirements of subsection (g)(1) of this Section. The Commissioner may not waive the provisions of subsection (g)(1) of this Section, whether pursuant to Section 3(d) of the federal Bank Holding Company Act of 1956 or Section 44(d) of the Federal Deposit Insurance Act, except as expressly provided in this subsection (g)(2).

(h) As used in this Section, the term "control" means the power, directly or indirectly, to direct the management or policies of the bank or to vote 25% or more of the outstanding stock of the bank. The ownership of such amount of stock or ability to direct the voting of such stock as to, directly or indirectly, give power to direct or cause the direction of the management or policies of the bank. A change in ownership of stock that would result in direct or indirect ownership by a stockholder, an affiliated group of stockholders, or a holding company of less than 10% of the outstanding stock shall not be considered a change in control. A change in ownership of stock that would result in direct or indirect ownership by a stockholder, an affiliated group of stockholders, or a holding company of 20% or such lesser amount that would entitle the holder by applying cumulative voting to elect one director shall be presumed to constitute a change of control for purposes of this Section 18. If there is any question as to whether a change in control is sufficient to result in obtaining control thereof or to effect a change in control thereof, the question shall be resolved in favor of filing the application and reporting the facts to the Commissioner.

As used in this Section, "substantially all" the assets or liabilities of a State bank means that portion of the assets or liabilities of a State bank such that their purchase or transfer will materially impair the ability of the State bank to continue successful, safe, and sound operations or to continue as a going concern or would cause the bank to lose its federal deposit insurance.

As used in this Section, "purchase" includes a transfer by gift, bequest, inheritance, or any other means.

(205 ILCS 5/46) (from Ch. 17, par. 357)

Sec. 46. Misleading practices and names prohibited; penalty.

(a) No person, firm, partnership, or corporation that is not a bank shall transact business in this State in a manner which has a substantial likelihood of misleading the public by implying that the business is a bank, or shall use the word "bank", "banker", or "banking" in connection with the business. Any person, firm, partnership or corporation violating this Section shall be deemed guilty of a Class A misdemeanor, and the Attorney General or State's Attorney of the county in which any such violation occurs may restrain such violation by a complaint for injunctive relief.

(b) If the Commissioner is of the opinion and finds that a person, firm, partnership, or corporation that is not a bank has transacted or intends to transact business in this State in a manner which has a substantial likelihood of misleading the public by implying that the
business is a bank, or has used or intends to use the word "bank", "banker", or "banking" in connection with the business, then the Commissioner may direct that person, firm, partnership, or corporation to cease and desist from transacting the business or using the word "bank", "banker", or "banking". If that person, firm, partnership, or corporation persists in transacting the business or using the word "bank", "banker", or "banking", then the Commissioner may impose a civil penalty of up to $10,000 for each violation. Each day that the person, firm, partnership, or corporation continues transacting the business or using the word "bank", "banker", or "banking" in connection with the business shall constitute a separate violation of these provisions.

(c) A person, firm, partnership, or corporation that is not a bank, and is not transacting or intending to transact business in this State in a manner that has a substantial likelihood of misleading the public by implying that such business is a bank, may apply to the Commissioner for permission to use the word "bank", "banker", or "banking" in connection with the business. If the Commissioner determines that there is no substantial likelihood of misleading the public, and upon such conditions as the Commissioner may impose to prevent the person, firm, partnership, or corporation from holding itself out in a misleading manner, then such person, firm, partnership, or corporation may use the word "bank", "banker", or "banking".

(d) (1) Unless otherwise expressly permitted by law, no person, firm, partnership, or corporation may use the name of an existing bank, or a name deceptively similar to that of an existing bank, when marketing to or soliciting business from customers or prospective customers if the reference to the existing bank is made (i) without the consent of the existing bank and (ii) in a manner that could cause a reasonable person to believe that the marketing material or solicitation originated from or is endorsed by the existing bank or that the existing bank is in any other way responsible for the marketing material or solicitation.

(1.5) Unless otherwise expressly permitted by law, no person, firm, partnership, or corporation may use a name similar to that of an existing bank when marketing to or soliciting business from customers or prospective customers if the similar name is used in a manner that could cause a reasonable person to believe that the marketing material or solicitation originated from or is endorsed by the existing bank or that the existing bank is in any other way responsible for the marketing material or solicitation.

(2) An existing bank may, in addition to any other remedies available under the law, report an alleged violation of this subsection (d) to the Commissioner. If the Commissioner finds the marketing material or solicitation in question to be in violation of this subsection, the Commissioner may direct the person, firm, partnership, or corporation to cease and desist from using that marketing material or solicitation in Illinois. If that person, firm, partnership, or corporation persists in the use of the marketing material or solicitation, then the Commissioner may impose a civil penalty of up to $10,000 for each violation. Each instance in which the marketing material or solicitation is sent to a customer or prospective customer shall
constitute a separate violation of these provisions. The Commissioner is authorized
to promulgate rules to administer these provisions.

(3) (Blank) Nothing in this subsection (d) prohibits the use of or reference to
the name of an existing bank in marketing materials or solicitations, provided that the
use or reference would not deceive or confuse a reasonable person regarding whether
the marketing material or solicitation originated from or was endorsed by the existing
bank or whether the existing bank was in any other way responsible for the marketing
material or solicitation. The Commissioner is authorized to promulgate rules to
administer these provisions.

(2) that the future earnings prospects, after the proposed change in control, are favorable; and

(3) that the prior business affairs of the persons proposing to obtain control or by the proposed management personnel, whether as stockholder, director, member, officer, or customer, were conducted in a safe, sound, and lawful manner.

(b) Persons desiring to purchase control of an existing trust company and persons obtaining control by gift, bequest or inheritance, or any other means shall submit to the Commissioner:

(1) a statement of financial worth; and

(d) (1) Before a purchase of substantially all the assets and an assumption of substantially all the liabilities of a trust company or before a purchase of substantially all the trust assets and an assumption of substantially all the trust liabilities of a trust company, the Commissioner shall be of the opinion and find:

(h) As used in this Section, the term "control" means the power, directly or indirectly, to direct the management or policies of the trust company or to vote 25% or more of the outstanding stock of the trust company. Ownership of such amount of stock or membership interests or ability to direct the voting of such stock or membership interests as to, directly or indirectly, give power to direct or cause the direction of the management or policies of the trust company. A change in ownership of stock that would result in direct or indirect ownership by a stockholder or member, an affiliated group of stockholders or members, or a holding company of less than 10% of the outstanding stock or membership interests shall not be considered a change of control. A change in ownership of stock or membership interests that would result in direct or indirect ownership by a stockholder or member, an affiliated group of stockholders or members, or a holding company of 20% or such lesser amount which would entitle the holder by applying cumulative voting to elect one director shall be presumed to constitute a change of control for purposes of this Section. If there is any question as to whether a change in the ownership or control of the outstanding stock or membership interests is sufficient to result in obtaining control thereof or to effect a change in the control, application should be filed thereof, the question shall be resolved in favor of filing the application with reporting the facts to the Commissioner.

(2) the corporate fiduciary shall notify the Commissioner of the existence of the service relationship. Such notification shall be submitted within 30 days after the making of such service contract, or the performance of the service, whichever occurs first. The Commissioner shall be notified of each subsequent contract in the same manner.

For purposes of this subsection (e), the term "fiduciary services" shall include such services as the computation and posting of interest and other credits and charges; preparation and mailing of checks, statements, notices and similar items; clerical, bookkeeping, accounting, statistical or similar functions; and any other function which the corporate fiduciary, in the ordinary course of its business, could have performed itself.

The affidavit shall be accompanied by the driver's license. Upon receipt of a properly completed affidavit, the Secretary of State shall issue the driver a permit to operate a vehicle in connection with the driver's regular occupation only. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date of this suspension, a permit may be issued for the remainder of the suspension period.

New matter indicated by italics - deletions by strikeout.
The provisions of this subparagraph shall not apply to any driver required to obtain a commercial driver's license under Section 6-507 during the period of a disqualification of commercial driving privileges under Section 6-514.

Any person who falsely states any fact in the affidavit required herein shall be guilty of perjury under Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship, issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of his employment related duties, or to allow transportation for the petitioner, or a household member of the petitioner's family, to receive necessary medical care and if the professional evaluation indicates, provide transportation for alcohol remedial or rehabilitative activity, or for the petitioner to attend classes, as a student, in an accredited educational institution; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and the petitioner will not endanger the public safety or welfare.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation.
of Section 11-501 of this Code or a similar provision of a local ordinance relating to
the offense of operating or being in physical control of a motor vehicle while under
the influence of alcohol, other drug or drugs, intoxicating compound or compounds,
or any similar out-of-state offense, or any combination of those offenses, until the
expiration of at least one year from the date of the revocation. A restricted driving
permit issued under this Section shall be subject to cancellation, revocation, and
suspension by the Secretary of State in like manner and for like cause as a driver's
license issued under this Code may be cancelled, revoked, or suspended; except that
a conviction upon one or more offenses against laws or ordinances regulating the
movement of traffic shall be deemed sufficient cause for the revocation, suspension,
or cancellation of a restricted driving permit. The Secretary of State may, as a
condition to the issuance of a restricted driving permit, require the applicant to
participate in a designated driver remedial or rehabilitative program. The Secretary
of State is authorized to cancel a restricted driving permit if the permit holder does
not successfully complete the program.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license
or permit to an applicant whose driver's license or permit has been suspended before he or
she reached the age of 18 years pursuant to any of the provisions of this Section, require the
applicant to participate in a driver remedial education course and be retested under Section
6-109 of this Code.

(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under
the age of 16 years whose driving privileges have been suspended or revoked under any
provisions of this Code.

Sec. 11-1201. Obedience to signal indicating approach of train.
(a) Whenever any person driving a vehicle approaches a railroad grade crossing such person must exercise due care and caution as the existence of a railroad track across a highway is a warning of danger, and under any of the circumstances stated in this Section, the driver shall stop within 50 feet but not less than 15 feet from the nearest rail of the railroad and shall not proceed until he can do so safely. The foregoing requirements shall apply when:

1. A clearly visible electric or mechanical signal device gives warning of the immediate approach of a railroad train;
2. A crossing gate is lowered or a human flagman gives or continues to give a signal of the approach or passage of a railroad train;
3. A railroad train approaching a highway crossing emits a warning signal and such railroad train, by reason of its speed or nearness to such crossing, is an immediate hazard;
4. An approaching railroad train is plainly visible and is in hazardous proximity to such crossing;
5. A railroad train is approaching so closely that an immediate hazard is created.

(b) No person shall drive any vehicle through, around or under any crossing gate or barrier at a railroad crossing while such gate or barrier is closed or is being opened or closed.

(c) The Department, and local authorities with the approval of the Department, are hereby authorized to designate particularly dangerous highway grade crossings of railroads and to erect stop signs thereat. When such stop signs are erected the driver of any vehicle shall stop within 50 feet but not less than 15 feet from the nearest rail of such railroad and shall proceed only upon exercising due care.

(d) At any railroad grade crossing provided with railroad crossbuck signs, without automatic, electric, or mechanical signal devices, crossing gates, or a human flagman giving a signal of the approach or passage of a train, the driver of a vehicle shall in obedience to the railroad crossbuck sign, yield the right-of-way and slow down to a speed reasonable for the existing conditions and shall stop, if required for safety, at a clearly marked stopped line, or if no stop line, within 50 feet but not less than 15 feet from the nearest rail of the railroad and shall not proceed until he or she can do so safely. If a driver is involved in a collision at a railroad crossing or interferes with the movement of a train after driving past the railroad crossbuck sign, the collision or interference is prima facie evidence of the driver's failure to yield right-of-way.

(d-5) No person may drive any vehicle through a railroad crossing if there is insufficient space to drive completely through the crossing without stopping.

(e) It is unlawful to violate any part of this Section.

(2) For a second or subsequent violation, the Secretary of State may suspend the driving privileges of the offender for a minimum of 6 months.

(625 ILCS 5/11-1201.1)

Sec. 11-1201.1. Automated Railroad Crossing Enforcement System.

(a) For the purposes of this Section, an automated railroad grade crossing enforcement system is a system operated by a law enforcement agency that records a driver's response to automatic, electrical or mechanical signal devices and crossing gates. The system shall be designed to obtain a clear photograph or other recorded image of the vehicle, vehicle operator and the vehicle registration plate of a vehicle in violation of Section 11-1201. The photograph or other recorded image shall also display the time, date and location of the violation.

(b) Commencing on January 1, 1996, the Illinois Commerce Commission and the Commuter Rail Board of the Regional Transportation Authority shall, in cooperation with local law enforcement agencies, establish a 5 year pilot program within a county with a population of between 750,000 and 1,000,000 using an automated railroad grade crossing enforcement system. The Commission shall determine the 3 railroad grade crossings within that county that pose the greatest threat to human life based upon the number of accidents and fatalities at the crossings during the past 5 years and with approval of the local law enforcement agency equip the crossings with an automated railroad grade crossing enforcement system.

(b-1) Commencing on July 20, 2001 (the effective date of Public Act 92-98) this amendatory Act of the 92nd General Assembly, the Illinois Commerce Commission and the Commuter Rail Board may, in cooperation with the local law enforcement agency, establish in a county with a population of between 750,000 and 1,000,000 a 2 year pilot program using an automated railroad grade crossing enforcement system. This pilot program may be established at a railroad grade crossing designated by local authorities. No State moneys may be expended on the automated railroad grade crossing enforcement system established under this pilot program.

(c) For each violation of Section 11-1201 recorded by an automatic railroad grade crossing system, the local law enforcement agency having jurisdiction shall issue a written Uniform Traffic Citation of the violation to the registered owner of the vehicle as the alleged
violator. The Uniform Traffic Citation shall be delivered to the registered owner of the vehicle, by mail, within 30 days of the violation. The Uniform Traffic Citation shall include the name and address of vehicle owner, the vehicle registration number, the offense charged, the time, date, and location of the violation, the first available court date and that the basis of the citation is the photograph or other recorded image from the automated railroad grade crossing enforcement system.

(d) The Uniform Traffic Citation issued to the registered owner of the vehicle shall be accompanied by a written notice, the contents of which is set forth in subsection (d-1) of this Section, explaining how the registered owner of the vehicle can elect to proceed by either paying the fine or challenging the issuance of the Uniform Traffic Citation.

(d-1) The written notice explaining the alleged violator's rights and obligations must include the following text:

"You have been served with the accompanying Uniform Traffic Citation and cited with having violated Section 11-1201 of the Illinois Vehicle Code. You can elect to proceed by:

1. Paying the fine; or
2. Challenging the issuance of the Uniform Traffic Citation in court; or
3. If you were not the operator of the vehicle at the time of the alleged offense, notifying in writing the local law enforcement agency that issued the Uniform Traffic Citation of the number of the Uniform Traffic Citation received and the name and address of the person operating the vehicle at the time of the alleged offense. If you fail to so notify in writing the local law enforcement agency of the name and address of the operator of the vehicle at the time of the alleged offense, you may be presumed to have been the operator of the vehicle at the time of the alleged offense."

(d-2) If the registered owner of the vehicle was not the operator of the vehicle at the time of the alleged offense, and if the registered owner notifies the local law enforcement agency having jurisdiction of the name and address of the operator of the vehicle at the time of the alleged offense, the local law enforcement agency having jurisdiction shall then issue a written Uniform Traffic Citation to the person alleged by the registered owner to have been the operator of the vehicle at the time of the alleged offense. If the registered owner fails to notify in writing the local law enforcement agency having jurisdiction of the name and address of the operator of the vehicle at the time of the alleged offense, the registered owner may be presumed to have been the operator of the vehicle at the time of the alleged offense.

(e) Evidence.

(i) A certificate alleging that a violation of Section 11-1201 occurred, sworn to or affirmed by a duly authorized agency, based on inspection of recorded images produced by an automated railroad crossing enforcement system are evidence of the facts contained in the certificate and are admissible in any proceeding alleging a violation under this Section.

(ii) Photographs or recorded images made by an automatic railroad grade crossing enforcement system are confidential and shall be made available only to the alleged violator and governmental and law enforcement agencies for purposes of
adjudicating a violation of Section 11-1201 of the Illinois Vehicle Code. However, any photograph or other recorded image evidencing a violation of Section 11-1201 shall be admissible in any proceeding resulting from the issuance of the Uniform Traffic Citation when there is reasonable and sufficient proof of the accuracy of the camera or electronic instrument recording the image. There is a rebuttable presumption that the photograph or recorded image is accurate if the camera or electronic recording instrument was in good working order at the beginning and the end of the day of the alleged offense.

(f) Rail crossings equipped with an automatic railroad grade crossing enforcement system shall be posted with a sign visible to approaching traffic stating that the railroad grade crossing is being monitored, that citations will be issued, and the amount of the fine for violation.

(g) Except as provided in subsection (b-1), the cost of the installation and maintenance of each automatic railroad grade crossing enforcement system shall be paid from the Grade Crossing Protection Fund if the rail line is not owned by Commuter Rail Board of the Regional Transportation Authority. Except as provided in subsection (b-1), if the rail line is owned by the Commuter Rail Board of the Regional Transportation Authority, the costs of the installation and maintenance shall be paid from the Regional Transportation Authority’s portion of the Public Transportation Fund.

(h) The Illinois Commerce Commission shall issue a report to the General Assembly at the conclusion of the 5 year pilot program established under subsection (b) on the effectiveness of the automatic railroad grade crossing enforcement system.

(i) If any part or parts of this Section are held by a court of competent jurisdiction to be unconstitutional, the unconstitutionality shall not affect the validity of the remaining parts of this Section. The General Assembly hereby declares that it would have passed the remaining parts of this Section if it had known that the other part or parts of this Section would be declared unconstitutional.

(j) Penalty.

(i) A violation of this Section is a petty offense for which a fine of $250 shall be imposed for a first violation, and a fine of $500 shall be imposed for a second or subsequent violation. The court may impose 25 hours of community service in place of the $250 fine for the first violation.

(ii) For a second or subsequent violation, the Secretary of State may suspend the registration of the motor vehicle for a period of at least 6 months.

Space shall be provided upon the face of each registration record card for the notation of the voting record of the person registered thereon.

Each registration record card shall be numbered according to precincts, and may be serially or otherwise marked for identification in such manner as the county clerk may determine.

The registration cards shall be deemed public records and shall be open to inspection during regular business hours, except during the 27-28 days immediately preceding any election. On written request of any candidate or objector or any person intending to object to a petition, the election authority shall extend its hours for inspection of registration cards and other records of the election authority during the period beginning with the filing of petitions under Sections 7-10, 8-8, 10-6 or 28-3 and continuing through the termination of electoral board hearings on any objections to petitions containing signatures of registered voters in the jurisdiction of the election authority. Updated copies of computer tapes or computer discs or other electronic data processing information containing voter registration information shall be furnished by the county clerk within 10 days after December 15 and May 15 each year and within 10 days after each registration period is closed to the State Board of Elections in a form prescribed by the Board. For the purposes of this Section, a registration period is closed 27 to 28 days before the date of any regular or special election. Registration information shall include, but not be limited to, the following information: name, sex, residence, telephone number, if any, age, party affiliation, if applicable, precinct, ward, township, county, and representative, legislative and congressional districts. In the event of noncompliance, the State Board of Elections is directed to obtain compliance forthwith with this nondiscretionary duty of the election authority by instituting legal proceedings in the circuit court of the county in which the election authority maintains the registration information. The costs of furnishing updated copies of tapes or discs shall be paid at a rate of $.00034 per name of registered voters in the election jurisdiction, but not less than $50 per tape or disc and shall be paid from appropriations made to the State Board of Elections for reimbursement to the election authority for such purpose. The Board shall furnish copies of such tapes, discs, other electronic data or compilations thereof to state political committees registered pursuant to the Illinois Campaign Finance Act or the Federal Election Campaign Act at their request and at a reasonable cost. Copies of the tapes, discs or other electronic data shall be furnished by the county clerk to local political committees at their request and at a reasonable cost.

Reasonable cost of the tapes, discs, et cetera for this purpose would be the cost of duplication plus 15% for administration. The individual representing a political committee requesting copies of such tapes shall make a sworn affidavit that the information shall be used only for bona fide political purposes, including by or for candidates for office or incumbent office holders. Such tapes, discs or other electronic data shall not be used under any circumstances by any political committee or individuals for purposes of commercial solicitation or other business purposes. If such tapes contain information on county residents related to the operations of county government in addition to registration information, that information shall not be used under any circumstances for commercial solicitation or other business purposes. The prohibition in this Section against using the computer tapes or computer discs or other electronic data processing information containing voter registration information for purposes of commercial solicitation or other business purposes shall be prospective only from the effective date of this amended Act of 1979. Any person who violates this provision shall be guilty of a Class 4 felony.

The State Board of Elections shall promulgate, by October 1, 1987, such regulations as may be necessary to ensure uniformity throughout the State in electronic data processing of voter registration information. Sec. 4-8.03. The State Board of Elections shall design a registration record card which, except as otherwise provided in this Section, shall be used in triplicate by all election authorities in the State, except those election authorities adopting a computer-based voter registration file authorized under Section 4-33. Such cards shall contain boxes or spaces for the information required under Sections 4-8 and 4-21 of this Code; provided, that such cards shall also contain a box or space for the applicant's social security number, which shall be required to the extent allowed by law but in no case shall the applicant provide fewer than the last 4 digits of the social security number, and a box for the applicant's telephone number, if available.

Except for those election authorities adopting a computer-based voter registration file authorized under Section 4-33, the original and duplicate cards shall respectively constitute the master file and precinct binder registration records of the voter. A copy shall be given to the applicant upon completion of his or her registration or completed transfer of registration.

Whenever a voter moves to another precinct within the same election jurisdiction or to another election jurisdiction in the State, such voter may transfer his or her registration by presenting his or her copy to the election authority or a deputy registrar. If such voter is not in possession of or has lost his or her copy, he or she may effect a transfer of registration by executing an Affidavit of Cancellation of Previous Registration.

In the case of a transfer of registration to a new election jurisdiction, the election authority shall transmit the voter's copy or such affidavit to the election authority of the voter's former election jurisdiction, which shall immediately cause the transmission of the voter's previous registration card to the voter's new election authority. Deputy registrars shall return all copies of registration record cards or Affidavits of Cancellation of Previous Registration to the election authority within 7 working days after the receipt thereof, except that such copies or Affidavits of Cancellation of Previous Registration received by the deputy registrars between the 35th and 29th day preceding an election shall be returned by the deputy registrars to the election authority within 48 hours after receipt. Except as herein provided, no person shall be registered, unless he applies in person to a registration officer, answers such relevant questions as may be asked of him by the registration officer, and executes the affidavit of registration. The registration officer shall require the applicant to furnish two forms of identification, and except in the case of a homeless individual, one of which must include his or her residence address. These forms of identification shall include, but not be limited to, any of the following: driver's license, social security card, public aid identification card, utility bill, employee or student identification card, credit card, or a civic, union or professional association membership card. The registration officer shall require a homeless individual to furnish evidence of his or her use of the mailing address stated. This use may be demonstrated by a piece of mail addressed to that individual and received at that address or by a statement from a person authorizing use of the mailing address. The registration officer shall require each applicant for registration to read or have read to him the affidavit of registration before permitting him to execute the affidavit.

One of the registration officers or a deputy registration officer, county clerk, or clerk in the office of the county clerk, shall administer to all persons who shall personally apply to register the following oath or affirmation:

The registration officer shall satisfy himself that each applicant for registration is qualified to register before registering him. If the registration officer has reason to believe that the applicant is a resident of a Soldiers' and Sailors' Home or any facility which is licensed or certified pursuant to the Nursing Home Care Act, the following question shall be put, "When you entered the home which is your present address, was it your bona fide intention to become a resident thereof?" Any voter of a township, city, village or incorporated town in which such applicant resides, shall be permitted to be present at the place of any precinct registration and shall have the right to challenge any applicant who applies to be registered.

In case the officer is not satisfied that the applicant is qualified he shall forthwith notify such applicant in writing to appear before the county clerk to complete his registration. Upon the card of such applicant shall be written the word "incomplete" and no such applicant shall be permitted to vote unless such registration is satisfactorily completed as hereinafter provided. No registration shall be taken and marked as incomplete if information to complete it can be furnished on the date of the original application.

Any person claiming to be an elector in any election precinct and whose registration card is marked "Incomplete" may make and sign an application in writing, under oath, to the county clerk in substance in the following form:

"I do solemnly swear that I, ...., did on (insert date) make application to the board of registry of the .... precinct of the township of .... All such applications shall be presented to the county clerk or to his duly authorized representative by the applicant, in person between the hours of 9:00 a.m. and 5:00 p.m. on any day after the days on which the 1969 and 1970 precinct re-registrations are held but not on any day within 27 days preceding the ensuing general election and thereafter for the registration provided in Section 4-7 all such applications shall be presented to the county clerk or his duly authorized representative by the applicant in person between the hours of 9:00 a.m. and 5:00 p.m. on any day prior to 27 days preceding the ensuing general election. If the applicant for registration has registered with the county clerk, such application may be presented to and heard by the county clerk or by his duly authorized representative upon the dates specified above or at any time prior thereto designated by the county clerk.

Any otherwise qualified person who is absent from his county of residence either due to business of the United States or because he is temporarily outside the territorial limits of the United States may become registered by mailing an application to the county clerk within the periods of registration provided for in this Article, or by simultaneous application for absentee registration and absentee ballot as provided in Article 20 of this Code.

Sec. 4-16. Any registered voter who changes his residence from one address to another within the same county wherein this Article is in effect, may have his registration transferred to his new address by making and signing an application for change of residence address upon a form to be provided by the county clerk. if it appears that the applicant is the same person as the person previously registered under that name the transfer shall be made.

No transfers of registration under the provisions of this Section shall be made during the 27 days preceding any election at which such voter would be entitled to vote. The county clerk may obtain information from utility companies, city, village, incorporated town and township records, the post office, or from other sources, regarding the removal of registered voters, and may treat such information, and information procured from his death and marriage records on file in his office, as an application to erase from the register any name concerning which he may so have information that the voter is no longer qualified to vote under the name, or from the address from which registered, and give notice thereof in the manner provided by Section 4--12 of this Article, and notify voters who have changed their address that a transfer of registration may be made in the manner provided in this Section enclosing a form therefor.

Where a revision or rearrangement of precincts is made by the county board, the county clerk shall immediately transfer to the proper precinct the registration of any voter affected by such revision or rearrangement of the precinct; make the proper notations on the registration cards of a voter affected by the revision or rearrangement and shall issue revised certificates to each registrant of such change.

Any registered voter who changes his or her name by marriage or otherwise shall be required to register anew and authorize the cancellation of the previous registration; but if the voter still resides in the same precinct and if the change of name takes place within a period during which a transfer of registration cannot be made, preceding any election or primary, the elector may, if otherwise qualified, vote upon making an affidavit substantially in the form prescribed in Section 17-10 of this Act.

The precinct election officials shall report to the county clerk the names and addresses of all persons who have changed their addresses and voted, which shall be treated as an application to change address accordingly, and the names and addresses of all persons otherwise voting by affidavit as in this Section provided, which shall be treated as an application to erase under Section 4--12 hereof.

A copy shall be given to the applicant upon completion of his or her registration or completed transfer of registration.

Whenever a voter moves to another precinct within the same election jurisdiction or to another election jurisdiction in the State, such voter may transfer his or her registration by presenting his or her copy to the election authority or a deputy registrar. If such voter is not in possession of or has lost his or her copy, he or she may effect a transfer of registration by executing an Affidavit of Cancellation of Previous Registration. In the case of a transfer of registration to a new election jurisdiction, the election authority shall transmit the voter's copy or such affidavit to the election authority of the voter's former election jurisdiction, which shall immediately cause the transmission of the voter's previous registration card to the voter's new election authority. Sec. 5-16.2. (a) The county clerk shall appoint all municipal and township clerks or their duly authorized deputies as deputy registrars who may accept the registration of all qualified residents of their respective counties. A deputy registrar serving as such by virtue of his status as a municipal clerk, or a duly authorized deputy of a municipal clerk, of a municipality the territory of which lies in more than one county may accept the registration of any qualified resident of any county in which the municipality is located, regardless of which county the resident, municipal clerk or the duly authorized deputy of the municipal

Provided that if, on order of the Board of Election Commissioners a corrected or revised precinct register of voters in a precinct or precincts is printed, such list or lists shall have printed thereon the day and month of such revision and shall be designated "Revised Precinct Register of Voters."

Any elector whose name does not appear as a registered voter on such printed precinct register, supplemental list or any list provided for in this Article and whose name has not been erased or withdrawn shall be entitled to vote as hereinafter in this Article provided if his registration card is in the master file. Such elector shall within 7 days after the publication of such printed precinct register, file with the Board of Election Commissioners an application stating that he is a duly registered voter and that his registration card is in the master file. (b) A petition to revive a judgment shall be filed in the original case in which the judgment was entered. The petition shall include a statement as to the original date and amount of the judgment, court costs expended, accrued interest, and credits to the judgment, if any.

(c) Service of notice of the petition to revive a judgment shall be made in accordance with Supreme Court Rule 106.

(g) This Section does not apply to a child support judgment or to a judgment recovered in an action for damages for an injury described in Section 13-214.1, which need not be revived as provided in this Section and which may be enforced at any time as provided in Section 12-108.

(735 ILCS 5/12-101) (from Ch. 110, par. 12-101)

Sec. 12-101. Lien of judgment. With respect to the creation of liens on real estate by judgments, all real estate in the State of Illinois is divided into 2 classes.

The first class consists of all real property, the title to which is registered under "An Act concerning land titles", approved May 1, 1897, as amended.

The second class consists of all real property not registered under "An Act concerning land titles".

As to real estate in class one, a judgment is a lien on the real estate of the person against whom it is entered for the same period as in class two, when Section 85 of "An Act

concerning land titles", has been complied with.

As to real estate included within class two, a judgment is a lien on the real estate of the person against whom it is entered in any county in this State, including the county in which it is entered, only from the time a transcript, certified copy or memorandum of the judgment is filed in the office of the recorder in the county in which the real estate is located. The lien may be foreclosed by an action brought in the name of the judgment creditor or its assignee of record under Article XV in the same manner as a mortgage of real property, except that the redemption period shall be 6 months from the date of sale and the real estate homestead exemption under Section 12-901 shall apply. A judgment resulting from the entry of an order requiring child support payments shall be a lien upon the real estate of the person obligated to make the child support payments, but shall not be enforceable in any county of this State until a transcript, certified copy, or memorandum of the lien is filed in the office of the recorder in the county in which the real estate is located. Any lien hereunder arising out of an order for support shall be a lien only as to and from the time that an installment or payment is due under the terms of the order. Further, the order for support shall not be a lien on real estate to the extent of payments made as evidenced by the records of the Clerk of the Circuit Court or State agency receiving payments pursuant to the order. In the event payments made pursuant to that order are not paid to the Clerk of the Circuit Court or a State agency, then each lien imposed by this Section may be released in the following manner:

(a) A Notice of Filing and an affidavit stating that all installments of child support required to be paid pursuant to the order under which the lien or liens were imposed have been paid shall be filed with the office of recorder in each county in which each such lien appears of record, together with proof of service of such notice and affidavit upon the recipient of such payments.

(b) Service of such affidavit shall be by any means authorized under Sections 2-203 and 2-208 of the Code of Civil Procedure or under Supreme Court Rules 11 or 105(b).

(c) The Notice of Filing shall set forth the name and address of the judgment debtor and the judgment creditor, the court file number of the order giving rise to the judgment and, in capital letters, the following statement:

YOU ARE HEREBY NOTIFIED THAT ON (insert date) THE ATTACHED AFFIDAVIT WAS FILED IN THE OFFICE OF THE RECORDER OF .... COUNTY, ILLINOIS, WHOSE ADDRESS IS .........., ILLINOIS. IF, WITHIN 28 DAYS OF THE DATE OF THIS NOTICE, YOU FAIL TO FILE AN AFFIDAVIT OBJECTING TO THE RELEASE OF THE STATED JUDGMENT LIEN OR LIENS, IN THE ABOVE OFFICE, SUCH JUDGMENT LIEN WILL BE DEEMED TO BE RELEASED AND NO LONGER SUBJECT TO FORECLOSURE. THIS RELEASE OF LIEN WILL NOT ACT AS A SATISFACTION OF SUCH JUDGMENT.

(d) If no affidavit objecting to the release of the lien or liens is filed within 28 days of the Notice described in paragraph (c) of this Section such lien or liens shall be deemed to be released and no longer subject to foreclosure.

A judgment is not a lien on real estate for longer than 7 years from the time it is

entered or revived, unless the judgment is revived within 7 years after its entry or last revival and a memorandum of judgment is filed before the expiration of the prior memorandum of judgment.

When a judgment is revived it is a lien on the real estate of the person against whom it was entered in any county in this State from the time a transcript, certified copy or memorandum of the order of revival is filed in the office of the recorder in the county in which the real estate is located.

A foreign judgment registered pursuant to Sections 12-601 through 12-618 of this Act is a lien upon the real estate of the person against whom it was entered in any county in this State from the time a transcript, certified copy or memorandum of the final judgment of the court of this State entered on that foreign judgment is filed in the office of the recorder in the county in which the real estate is located. However, no such judgment shall be a lien on any real estate registered under "An Act concerning land titles", as amended, until Section 85 of that Act has been complied with.

The release of any transcript, certified copy or memorandum of judgment or order of revival which has been recorded shall be filed by the person receiving the release in the office of the recorder in which such judgment or order has been recorded. Such release shall contain in legible letters a statement as follows:

FOR THE PROTECTION OF THE OWNER, THIS RELEASE SHALL BE FILED WITH THE RECORDER OR THE REGISTRAR OF TITLES IN WHOSE OFFICE THE LIEN WAS FILED.

The term "memorandum" as used in this Section means a memorandum or copy of the judgment signed by a judge or a copy attested by the clerk of the court entering it and showing the court in which entered, date, amount, number of the case in which it was entered, name of the party in whose favor and name and last known address of the party against whom entered. If the address of the party against whom the judgment was entered is not known, the memorandum or copy of judgment shall so state.

The term "memorandum" as used in this Section also means a memorandum or copy of a child support order signed by a judge or a copy attested by the clerk of the court entering it or a copy attested by the administrative body entering it.

This Section shall not be construed as showing an intention of the legislature to create a new classification of real estate, but shall be construed as showing an intention of the legislature to continue a classification already existing.

Within 45 days after its receipt of the petition, the Agency shall submit to the petitioner and any affected inspector or station its written determination of the correctness or incorrectness of the decision complained of. The written determination shall include a statement of the facts relied upon and the legal and technical issues decided by the Agency in making its determination, and may also include an order directing the inspector (i) to issue an emission inspection certificate for the vehicle effective on such date as the Agency may specify, (ii) to reinspect the vehicle, (iii) to apply the standards that the Agency has determined to be applicable, or (iv) to take any other action that the Agency deems to be appropriate. In conducting the investigation, the Agency may require the petitioner to present the vehicle for inspection by the Agency or its designated agent. The written determination of the Agency shall be subject to review in circuit court in accordance with the provisions of the Administrative Review Law, except that no challenge to the validity of a rule adopted by the Board under subsection (a) of Section 13B-20 shall be heard by the circuit court if the challenge could have been raised in a timely petition for review under Section 13B-20.

(A) Within 30 days of the date of the vehicle emissions inspection that allegedly caused the vehicle damage, the vehicle owner shall submit a vehicle damage claim to the contractor at the Official Inspection Station at which the vehicle damage allegedly occurred.

(B) Within 30 days of filing the claim, the owner shall submit to the contractor any relevant information relating to the owner's claim for vehicle damage, including but not limited to evaluations conducted by a claims evaluation center or automotive repair shop meeting standards prescribed by the Agency.

The Agency may deem the proposed resolution of the damage claim to be adequate and complete. If the Agency does not deem the proposed resolution of the damage claim to be adequate and complete, it may request the contractor to further investigate and evaluate the damage claim and resubmit its proposed resolution of the claim. The contractor shall then have 30 days to respond in writing to the Agency with the results of its further evaluation of the damage claim and its proposed resolution.

(9) The Agency shall notify the vehicle owner in writing of the result of its review of the adequacy and completeness of the contractor’s proposed resolution of the damage claim. process established by the contractor and accepted by the Agency, or in circuit court.

(11) The Agency's review of the adequacy and completeness of the
contractor's proposed resolution of a damage claim is not binding upon the vehicle
owner or the contractor and does not affect the rights of the vehicle owner or the
contractor under law. The Agency's review of the adequacy and completeness of the

Section 99. Effective date. This Act takes effect upon becoming law.
Approved August 21, 2002.
Effective August 21, 2002.

PUBLIC ACT 92-0822
(Senate Bill No. 1917)

AN ACT in relation to minors.
Be it enacted by the People of the State of Illinois, represented in the General
Assembly:

Section 1. Findings; validation; application.
(a) Public Act 90-456, effective January 1, 1998, was entitled "An Act in relation to
criminal law.". It contained provisions amending the Criminal Code of 1961, the Code of
Criminal Procedure of 1963, and the Emergency Telephone System Act, all pertaining to the
subject of criminal law. It also contained a provision amending subsection (b) of Section
2-14 of the Juvenile Court Act of 1987, relating to the commencement of civil adjudicatory
hearings in abuse, neglect, and dependency cases.

(b) The Illinois Supreme Court, in People v. Sypien, Docket No. 89265, has ruled that
the inclusion of the amendment to the Juvenile Court Act of 1987 violated the single subject
clause of the Illinois Constitution (Article IV, Section 8(d)), and that Public Act
90-456 is therefore unconstitutional in its entirety.

(c) This Act re-enacts Section 2-14 of the Juvenile Court Act of 1987. The text of that
Section includes both the changes made by Public Act 90-456 and changes made by
subsequent amendments. In order to avoid confusion with the changes made by subsequent
amendments, the Section that is re-enacted in this Act is shown as existing text (i.e., without
striking and underscoring). This Act is not intended to supersede any other Public Act that
amends the text of the re-enacted Section as set forth in this Act. This Act also amends
Section 2-22 of the Juvenile Court Act of 1987.

(d) All otherwise lawful actions taken before the effective date of this Act in reliance
on or pursuant to Section 2-14 of the Juvenile Court Act of 1987, as set forth in Public Act
90-456 or as subsequently amended, by any officer, employee, or agency of State government or by any other person or entity, are hereby validated.

(e) This Act applies to actions or proceedings pending on or after the effective date of Public Act 90-456 (January 1, 1998), as well as to actions or proceedings pending on or after the effective date of this Act.

Section 5. The Juvenile Court Act of 1987 is amended by re-enacting Section 2-14 and by changing Section 2-22 as follows:

(705 ILCS 405/2-14) (from Ch. 37, par. 802-14)
Sec. 2-14. Date for Adjudicatory Hearing.
(a) Purpose and policy. The legislature recognizes that serious delay in the adjudication of abuse, neglect, or dependency cases can cause grave harm to the minor and the family and that it frustrates the health, safety and best interests of the minor and the effort to establish permanent homes for children in need. The purpose of this Section is to insure that, consistent with the federal Adoption Assistance and Child Welfare Act of 1980, Public Law 96-272, as amended, and the intent of this Act, the State of Illinois will act in a just and speedy manner to determine the best interests of the minor, including providing for the safety of the minor, identifying families in need, reunifying families where the minor can be cared for at home without endangering the minor's health or safety and it is in the best interests of the minor, and, if reunification is not consistent with the health, safety and best interests of the minor, finding another permanent home for the minor.

(b) When a petition is filed alleging that the minor is abused, neglected or dependent, an adjudicatory hearing shall be commenced within 90 days of the date of service of process upon the minor, parents, any guardian and any legal custodian, unless an earlier date is required pursuant to Section 2-13.1. Once commenced, subsequent delay in the proceedings may be allowed by the court when necessary to ensure a fair hearing.

(c) Upon written motion of a party filed no later than 10 days prior to hearing, or upon the court's own motion and only for good cause shown, the Court may continue the hearing for a period not to exceed 30 days, and only if the continuance is consistent with the health, safety and best interests of the minor. When the court grants a continuance, it shall enter specific factual findings to support its order, including factual findings supporting the court's determination that the continuance is in the best interests of the minor. Only one such continuance shall be granted. A period of continuance for good cause as described in this Section shall temporarily suspend as to all parties, for the time of the delay, the period within which a hearing must be held. On the day of the expiration of the delay, the period shall continue at the point at which it was suspended.

The term "good cause" as applied in this Section shall be strictly construed and be in accordance with Supreme Court Rule 231 (a) through (f). Neither stipulation by counsel nor the convenience of any party constitutes good cause. If the adjudicatory hearing is not heard within the time limits required by subsection (b) or (c) of this Section, upon motion by any party the petition shall be dismissed without prejudice.

(d) The time limits of this Section may be waived only by consent of all parties and approval by the court.

New matter indicated by italics - deletions by strikeout.
(e) For all cases filed before July 1, 1991, an adjudicatory hearing must be held within 180 days of July 1, 1991.

(705 ILCS 405/2-22) (from Ch. 37, par. 802-22)
Sec. 2-22. Dispositional hearing; evidence; continuance.

(1) At the dispositional hearing, the court shall determine whether it is in the best interests of the minor and the public that he be made a ward of the court, and, if he is to be made a ward of the court, the court shall determine the proper disposition best serving the health, safety and interests of the minor and the public. The court also shall consider the permanency goal set for the minor, the nature of the service plan for the minor and the services delivered and to be delivered under the plan. All evidence helpful in determining these questions, including oral and written reports, may be admitted and may be relied upon to the extent of its probative value, even though not competent for the purposes of the adjudicatory hearing.

(2) Once all parties respondent have been served in compliance with Sections 2-15 and 2-16, no further service or notice must be given to a party prior to proceeding to a dispositional hearing. Notice in compliance with Supreme Court Rule 11 must be given to all parties respondent prior to proceeding to a dispositional hearing. Before making an order of disposition the court shall advise the State's Attorney, the parents, guardian, custodian or responsible relative or their counsel of the factual contents and the conclusions of the reports prepared for the use of the court and considered by it, and afford fair opportunity, if requested, to controvert them. The court may order, however, that the documents containing such reports need not be submitted to inspection, or that sources of confidential information need not be disclosed except to the attorneys for the parties. Factual contents, conclusions, documents and sources disclosed by the court under this paragraph shall not be further disclosed without the express approval of the court pursuant to an in camera hearing.

(3) A record of a prior continuance under supervision under Section 2-20, whether successfully completed with regard to the child's health, safety and best interest, or not, is admissible at the dispositional hearing.

(4) On its own motion or that of the State's Attorney, a parent, guardian, custodian, responsible relative or counsel, the court may adjourn the hearing for a reasonable period to receive reports or other evidence, if the adjournment is consistent with the health, safety and best interests of the minor, but in no event shall continuances be granted so that the dispositional hearing occurs more than 6 months after the initial removal of a minor from his or her home. In scheduling investigations and hearings, the court shall give priority to proceedings in which a minor has been removed from his or her home before an order of disposition has been made.

(5) Unless already set by the court, at the conclusion of the dispositional hearing, the court shall set the date for the first permanency hearing, to be conducted under subsection (2) of Section 2-28, which shall be held: (a) within 12 months from the date temporary custody was taken, (b) if the parental rights of both parents have been terminated in

accordance with the procedure described in subsection (5) of Section 2-21, within 30 days of the termination of parental rights and appointment of a guardian with power to consent to adoption, or (c) in accordance with subsection (2) of Section 2-13.1.

(6) When the court declares a child to be a ward of the court and awards guardianship to the Department of Children and Family Services, (a) the court shall admonish the parents, guardian, custodian or responsible relative that the parents must cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions which require the child to be in care, or risk termination of their parental rights; and (b) the court shall inquire of the parties of any intent to proceed with termination of parental rights of a parent:
   (A) whose identity still remains unknown;
   (B) whose whereabouts remain unknown; or
   (C) who was found in default at the adjudicatory hearing and has not obtained an order setting aside the default in accordance with Section 2-1301 of the Code of Civil Procedure.

AN ACT regarding taxes.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Department of Revenue Law of the Civil Administrative Code of Illinois is amended by changing Section 2505-275 as follows:

(20 ILCS 2505/2505-275) (was 20 ILCS 2505/39e)

Sec. 2505-275. Tax overpayments. In the case of overpayment of any tax liability arising from an Act administered by the Department, the Department may credit the amount of the overpayment and any interest thereon against any final tax liability arising under that or any other Act administered by the Department. The Department may enter into agreements with the Secretary of the Treasury of the United States (or his or her delegate) to offset all or part of an overpayment of such a tax liability against any liability arising from a tax imposed under Title 26 of the United States Code. The Department may collect a fee from the Secretary of the Treasury of the United States (or his or her delegate) to cover the full cost of offsets taken, to the extent allowed by federal law, or, if not allowed by federal law, from the taxpayer by offset of the overpayment.

Section 10. The Illinois Income Tax Act is amended by changing Sections 601, 911.2, 1102, 1103, and 1105 and by adding Section 911.3 as follows:

(35 ILCS 5/601) (from Ch. 120, par. 6-601)

Sec. 601. Payment on Due Date of Return.

(a) In general. Every taxpayer required to file a return under this Act shall, without assessment, notice or demand, pay any tax due thereon to the Department, at the place fixed for filing, on or before the date fixed for filing such return (determined without regard to any extension of time for filing the return) pursuant to regulations prescribed by the Department. If, however, the due date for payment of a taxpayer's federal income tax liability for a tax year (as provided in the Internal Revenue Code or by Treasury regulation, or as extended by the Internal Revenue Service) is later than the date fixed for filing the taxpayer's Illinois income tax return for that tax year, the Department may, by rule, prescribe a due date for payment that is not later than the due date for payment of the taxpayer's federal income tax liability. For purposes of the Illinois Administrative Procedure Act, the adoption of rules to prescribe a later due date for payment shall be deemed an emergency and necessary for the public interest, safety, and welfare.

(b) Amount payable. In making payment as provided in this section there shall remain payable only the balance of such tax remaining due after giving effect to the following:

(1) Withheld tax. Any amount withheld during any calendar year pursuant to Article 7 from compensation paid to a taxpayer shall be deemed to have been paid on account of any tax imposed by subsections 201(a) and (b) of this Act on such taxpayer for his taxable year beginning in such calendar year. If more than one taxable year begins in a calendar year, such

amount shall be deemed to have been paid on account of such tax for the last taxable year so beginning.

(2) Estimated and tentative tax payments. Any amount of estimated tax paid by a taxpayer pursuant to Article 8 for a taxable year shall be deemed to have been paid on account of the tax imposed by this Act for such taxable year.

(3) Foreign tax. The aggregate amount of tax which is imposed upon or measured by income and which is paid by a resident for a taxable year to another state or states on income which is also subject to the tax imposed by subsections 201(a) and (b) of this Act shall be credited against the tax imposed by subsections 201(a) and (b) otherwise due under this Act for such taxable year. The aggregate credit provided under this paragraph shall not exceed that amount which bears the same ratio to the tax imposed by subsections 201(a) and (b) otherwise due under this Act as the amount of the taxpayer's base income subject to tax both by such other state or states and by this State bears to his total base income subject to tax by this State for the taxable year. For purposes of this subsection, no compensation received by a resident which qualifies as compensation paid in this State as determined under Section 304(a)(2)(B) shall be considered income subject to tax by another state or states. The credit provided by this paragraph shall not be allowed if any creditable tax was deducted in determining base income for the taxable year. Any person claiming such credit shall attach a statement in support thereof and shall notify the Director of any refund or reductions in the amount of tax claimed as a credit hereunder all in such manner and at such time as the Department shall by regulations prescribe.

(4) Accumulation and capital gain distributions. If the net income of a taxpayer includes amounts included in his base income by reason of Section 668 or 669 of the Internal Revenue Code (relating to accumulation and capital gain distributions by a trust, respectively), the tax imposed on such taxpayer by this Act shall be credited with his pro rata portion of the taxes imposed by this Act on such trust for preceding taxable years which would not have been payable for such preceding years if the trust had in fact made distributions to its beneficiaries at the times and in the amounts specified in Sections 666 and 669 of the Internal Revenue Code. The credit provided by this paragraph shall not reduce the tax otherwise due from the taxpayer to an amount less than that which would be due if the amounts included by reason of Sections 668 and 669 of the Internal Revenue Code were excluded from his base income.

(c) Cross reference. For application against tax due of overpayments of tax for a prior year, see Section 909.

"Income tax" means any amount of income tax imposed on taxpayers under the laws

of the State of Illinois or the claimant state, including additions to tax for penalties and interest.

"Refund" means a refund of overpaid income taxes imposed by the State of Illinois or the claimant state.

"Tax officer" means a unit or official of the claimant state, or the duly authorized agent of that unit or official, charged with the imposition, assessment, or collection of state income taxes.

"Taxpayer" means any individual person identified by a claimant state under this Section as owing taxes to that claimant state, and in the case of a refund arising from the filing of a joint return, the taxpayer's spouse.

(b) In general. Except as provided in subsection (c) of this Section, a tax officer may:
   (1) certify to the Director the existence of a taxpayer's delinquent income tax liability; and
   (2) request the Director to withhold any refund to which the taxpayer is entitled.

(c) Comity. A tax officer may not certify or request the Director to withhold a refund unless the laws of the claimant state:
   (1) allow the Director to certify an income tax liability;
   (2) allow the Director to request the tax officer to withhold the taxpayer's tax refund; and
   (3) provide for the payment of the refund to the State of Illinois.

(d) Certification. A certification by a tax officer to the Director shall include:
   (1) the full name and address of the taxpayer and any other names known to be used by the taxpayer;
   (2) the social security number or federal tax identification number of the taxpayer;
   (3) the amount of the income tax liability; and
   (4) a statement that all administrative and judicial remedies and appeals have been exhausted or have lapsed and that the assessment of tax, interest, and penalty has become final.

(e) Notification. As to any taxpayer due a refund, the Director shall:
   (1) notify the taxpayer that a claimant state has provided certification of the existence of an income tax liability;
   (2) inform the taxpayer of the tax liability certified, including a detailed statement for each taxable year showing tax, interest, and penalty;
   (3) inform the taxpayer that failure to file a protest in accordance with subsection (f) of this Section shall constitute a waiver of any demand against this State for the amount certified;
   (3.5) inform the taxpayer that the refund has been withheld and that the tax liability has been paid to the claimant state as provided in subsection (i) of this Section and will result in payment to the claimant state as provided in subsection (i) of this Section;

New matter indicated by italics - deletions by strikeout.
(4) provide the taxpayer with notice of an opportunity to request a hearing to challenge the certification; and

(5) inform the taxpayer that the hearing may be requested (i) pursuant to Section 910 of this Act, or (ii) with the tax officer, in accordance with the laws of the claimant state.

(f) Protest of withholding. A taxpayer may protest the withholding of a refund pursuant to Section 910 of this Act (except that the protest shall be filed within 30 days after the date of the Director's notice of certification pursuant to subsection (e) of this Section). If a taxpayer files a timely protest, the Director shall:

(1) suspend the proposed withholding and impound the claimed amount of the refund;

(2) pay to the taxpayer the unclaimed amount of the refund, if any;

(3) send a copy of the protest to the claimant state for determination of the protest on its merits in accordance with the laws of that state; and

(4) pay over to the taxpayer the impounded amount if the claimant state shall fail, within 45 days after the date of the protest, to re-certify to the Director (i) that the claimant state has reviewed the issues raised by taxpayer, (ii) that all administrative and judicial remedies provided under the laws of that state have been exhausted, and (iii) the amount of the income tax liability finally determined to be due.

(g) Certification as prima facie evidence. If the taxpayer requests a hearing pursuant to Section 910 of this Act, the certification of the tax officer shall be prima facie evidence of the correctness of the taxpayer's delinquent income tax liability to the certifying state.

(h) Rights of spouses to refunds from joint returns. If a certification is based upon the tax debt of only one taxpayer and if the refund is based upon a joint personal income tax return, the nondebtor spouse shall have the right to:

(1) notification, as provided in subsection (e) of this Section;

(2) protest, as to the withholding of such spouse's share of the refund, as provided in subsection (f) of this Section; and

(3) payment of his or her share of the refund, provided the amount of the overpayment refunded to the spouse shall not exceed the amount of the joint overpayment.

(i) Withholding and payment of refund. Subject to the taxpayer's rights of notice and protest. Upon receipt of a request for withholding in accordance with subsection (b) of this Section, the Director shall:

(1) withhold any refund that is certified by the tax officer;

(2) pay to the claimant state the entire refund or the amount certified, whichever is less;

(3) pay any refund in excess of the amount certified to the taxpayer; and

(4) if a refund is less than the amount certified, withhold amounts from subsequent refunds due the taxpayer, if the laws of the claimant state provide that the claimant state shall withhold subsequent refunds of taxpayers certified to that state.

by the Director.

(j) Determination that withholding cannot be made. After receiving a certification from a tax officer, the Director shall notify the claimant state if the Director determines that a withholding cannot be made.

(k) Director's authority. The Director shall have the authority to enter into agreements with the tax officers of claimant state relating to:

1. procedures and methods to be employed by a claimant state with respect to the operation of this Section;
2. safeguards against the disclosure or inappropriate use of any information obtained or maintained pursuant to this Section that identifies, directly or indirectly, a particular taxpayer;
3. a minimum tax debt, amounts below which, in light of administrative expenses and efficiency, shall, in the Director's discretion, not be subject to the withholding procedures set forth in this Section.

(l) Remedy not exclusive. The collection procedures prescribed by this Section are in addition to, and not in substitution for, any other remedy available by law.

(35 ILCS 5/1102) (from Ch. 120, par. 11-1102)
Sec. 1102. Jeopardy Assessments.
(a) Jeopardy assessment and lien.

1. Assessment. If the Department finds that a taxpayer is about to depart from the State, or to conceal himself or his property, or to do any other act tending to prejudice or to render wholly or partly ineffectual proceedings to collect any amount of tax or penalties imposed under this Act unless court proceedings are brought without delay, or if the Department finds that the collection of such amount will be jeopardized by delay, the Department shall give the taxpayer notice of such findings and shall make demand for immediate return and payment of such amount, whereupon such amount shall be deemed assessed and shall become immediately due and payable.

2. Filing of lien. If the taxpayer, within 5 days after such notice (or within
such extension of time as the Department may grant), does not comply with such notice or show to the Department that the findings in such notice are erroneous, the Department may file a notice of jeopardy assessment lien in the office of the recorder of the county in which any property of the taxpayer may be located and shall notify the taxpayer of such filing. Such jeopardy assessment lien shall have the same scope and effect as a statutory lien under this Act. The taxpayer is liable for the filing fee incurred by the Department for filing the lien and the filing fee incurred by the Department to file the release of that lien. The filing fees shall be paid to the Department in addition to payment of the tax, penalty, and interest included in the amount of the lien.

(b) Termination of taxable year. In the case of a tax for a current taxable year, the Director shall declare the taxable period of the taxpayer immediately terminated and his notice and demand for a return and immediate payment of the tax shall relate to the period declared terminated, including therein income accrued and deductions incurred up to the date of termination if not otherwise properly includible or deductible in respect of such taxable year.

(c) Protest. If the taxpayer believes that he does not owe some or all of the amount for which the jeopardy assessment lien against him has been filed, or that no jeopardy to the revenue in fact exists, he may protest within 20 days after being notified by the Department of the filing of such jeopardy assessment lien and request a hearing, whereupon the Department shall hold a hearing in conformity with the provisions of section 908 and, pursuant thereto, shall notify the taxpayer of its decision as to whether or not such jeopardy assessment lien will be released.

(35 ILCS 5/1103) (from Ch. 120, par. 11-1103)

Sec. 1103. Filing and Priority of Liens. (a) Filing with Recorder. Nothing in this Article shall be construed to give the Department a preference over the rights of any bona fide purchaser, holder of a security interest, mechanics lienor, mortgagee, or judgment lien creditor arising prior to the filing of a regular notice of lien or a notice of jeopardy assessment lien in the office of the recorder in the county in which the property subject to the lien is located. For purposes of this section, the term "bona fide," shall not include any mortgage of real or personal property or any other credit transaction that results in the mortgagee or the holder of the security acting as trustee for unsecured creditors of the taxpayer mentioned in the notice of lien who executed such chattel or real property mortgage or the document evidencing such credit transaction. Such lien shall be inferior to the lien of general taxes, special assessments and special taxes heretofore or hereafter levied by any political subdivision of this State.

(b) Filing with Registrar. In case title to land to be affected by the notice of lien or notice of jeopardy assessment lien is registered under the provisions of "An Act concerning land titles," approved May 1, 1897, as amended, such notice shall be filed in the office of the Registrar of Titles of the county within which the property subject to the lien is situated and shall be entered upon the register of titles as a memorial of charge upon each folium of the
register of titles affected by such notice, and the Department shall not have a preference over the rights of any bona fide purchaser, mortgagee, judgment creditor or other lien holder arising prior to the registration of such notice.

(c) Index. The recorder of each county shall procure a file labeled "State Tax Lien Notices" and an index book labeled "State Tax Lien Index." When notice of any lien or jeopardy assessment lien is presented to him for filing, he shall file it in numerical order in the file and shall enter it alphabetically in the index. The entry shall show the name and last known address of the person named in the notice, the serial number of the notice, the date and hour of filing, whether it is a regular lien or a jeopardy assessment lien, and the amount of tax and penalty due and unpaid, plus the amount of interest due at the time when the notice of lien or jeopardy assessment is filed.

(d) No recorder or registrar of titles of any county shall require that the Department pay any costs or fees in connection with recordation of any notice or other document filed by the Department under this Act at the time such notice or other document is presented for recordation. The recorder or registrar of each county, in order to receive payment for fees or costs incurred by the Department, shall present the Department with monthly statements indicating the amount of fees and costs incurred by the Department and for which no payment has been received. This amendatory Act of 1987 applies to all liens heretofore or hereafter filed.

(e) The taxpayer is liable for the filing fee incurred by the Department for filing the lien and the filing fee incurred by the Department to file the release of that lien. The filing fees shall be paid to the Department in addition to payment of the tax, penalty, and interest included in the amount of the lien.

(35 ILCS 5/1105) (from Ch. 120, par. 11-1105)
Sec. 1105. Release of Liens.

(a) In general. Upon payment by the taxpayer to the Department in cash or by guaranteed remittance of an amount representing the filing fees and charges for the lien and the filing fees and charges for the release of that lien, the Department shall release all or any portion of the property subject to any lien provided for in this Act and file that complete or partial release of lien with the recorder of the county where that lien was filed if it determines that the release will not endanger or jeopardize the collection of the amount secured thereby.

(b) Judicial determination. If on judicial review the final judgment of the court is that the taxpayer does not owe some or all of the amount secured by the lien against him, or that no jeopardy to the revenue exists, the Department shall release its lien to the extent of such finding of nonliability, or to the extent of such finding of no jeopardy to the revenue. The taxpayer shall, however, be liable for the filing fee paid by the Department to file the lien and the filing fee required to file a release of the lien. The filing fees shall be paid to the Department.

(c) Payment. The Department shall also release its jeopardy assessment lien against the taxpayer whenever the tax and penalty covered by such lien, plus any interest which may

be due and an amount representing the filing fee to file the lien and the filing fee required
to file a release of that lien, are paid by the taxpayer to the Department in cash or by
 guaranteed remittance.

(d) Certificate of release. The Department shall issue a certificate of complete or
partial release of the lien upon payment by the taxpayer to the Department in cash or by
 guaranteed remittance of an amount representing the filing fee paid by the Department to
file the lien and the filing fee required to file the release of that lien:

(1) To the extent that the fair market value of any property subject to the lien exceeds
the amount of the lien plus the amount of all prior liens upon such property;

(2) To the extent that such lien shall become unenforceable;

(3) To the extent that the amount of such lien is paid by the person whose property
is subject to such lien, together with any interest and penalty which may become due under
this Act between the date when the notice of lien is filed and the date when the amount of
such lien is paid;

(4) To the extent that there is furnished to the Department on a form to be approved
and with a surety or sureties satisfactory to the Department a bond that is conditioned upon
the payment of the amount of such lien, together with any interest which may become due
under this Act after the notice of lien is filed, but before the amount thereof is fully paid;

(5) To the extent and under the circumstances specified in this section. A certificate
of complete or partial release of any lien shall be held conclusive that the lien upon the
property covered by the certificate is extinguished to the extent indicated by such certificate.
Such release of lien shall be issued to the person, or his agent, against whom the lien
was obtained and shall contain in legible letters a statement as follows:

FOR THE PROTECTION OF THE OWNER, THIS RELEASE SHALL
BE FILED WITH THE RECORDER OR THE REGISTRAR
OF TITLES, IN WHOSE OFFICE, THE LIEN WAS FILED.

(e) Filing. When a certificate of complete or partial release of lien issued by the
Department is presented for filing in the office of the recorder or Registrar of Titles where
a notice of lien or notice of jeopardy assessment lien was filed:

(1) The recorder, in the case of nonregistered property, shall permanently attach the
certificate of release to the notice of lien or notice of jeopardy assessment lien and shall enter
the certificate of release and the date in the "State Tax Lien Index" on the line where the
notice of lien or notice of jeopardy assessment lien is entered; and

(2) In the case of registered property, the Registrar of Titles shall file and enter upon
each folium of the register of titles affected thereby a memorial of the certificate of release
which memorial when so entered shall act as a release pro tanto of any memorial of such
notice of lien or notice of jeopardy assessment lien previously filed and registered.

Section 15. The Retailers' Occupation Tax Act is amended by changing Sections 5a,
5b, and 5c as follows:

(35 ILCS 120/5a) (from Ch. 120, par. 444a)
Sec. 5a. The Department shall have a lien for the tax herein imposed or any portion

thereof, or for any penalty provided for in this Act, or for any amount of interest which may be due as provided for in Section 5 of this Act, upon all the real and personal property of any person to whom a final assessment or revised final assessment has been issued as provided in this Act, or whenever a return is filed without payment of the tax or penalty shown therein to be due, including all such property of such persons acquired after receipt of such assessment or filing of such return. The taxpayer is liable for the filing fee incurred by the Department for filing the lien and the filing fee incurred by the Department to file the release of that lien. The filing fees shall be paid to the Department in addition to payment of the tax, penalty, and interest included in the amount of the lien.

However, where the lien arises because of the issuance of a final assessment or revised final assessment by the Department, such lien shall not attach and the notice hereinafter referred to in this Section shall not be filed until all proceedings in court for review of such final assessment or revised final assessment have terminated or the time for the taking thereof has expired without such proceedings being instituted.

Upon the granting of a rehearing or departmental review pursuant to Section 4 or Section 5 of this Act after a lien has attached, such lien shall remain in full force except to the extent to which the final assessment may be reduced by a revised final assessment following such rehearing or review.

The lien created by the issuance of a final assessment shall terminate unless a notice of lien is filed, as provided in Section 5b hereof, within 3 years from the date all proceedings in court for the review of such final assessment have terminated or the time for the taking thereof has expired without such proceedings being instituted, or (in the case of a revised final assessment issued pursuant to a rehearing or departmental review) within 3 years from the date all proceedings in court for the review of such revised final assessment have terminated or the time for the taking thereof has expired without such proceedings being instituted; and where the lien results from the filing of a return without payment of the tax or penalty shown therein to be due, the lien shall terminate unless a notice of lien is filed, as provided in Section 5b hereof, within 3 years from the date when such return is filed with the Department: Provided that the time limitation period on the Department's right to file a notice of lien shall not run during any period of time in which the order of any court has the effect of enjoining or restraining the Department from filing such notice of lien.

If the Department finds that a taxpayer is about to depart from the State, or to conceal himself or his property, or to do any other act tending to prejudice or to render wholly or partly ineffectual proceedings to collect such tax unless such proceedings are brought without delay, or if the Department finds that the collection of the amount due from any taxpayer will be jeopardized by delay, the Department shall give the taxpayer notice of such findings and shall make demand for immediate return and payment of such tax, whereupon such tax shall become immediately due and payable. If the taxpayer, within 5 days after such notice (or within such extension of time as the Department may grant), does not comply with such notice or show to the Department that the findings in such notice are erroneous, the Department may file a notice of jeopardy assessment lien in the office of the recorder of the county in which any property of the taxpayer may be located and shall notify the taxpayer of

such filing. Such jeopardy assessment lien shall have the same scope and effect as the statutory lien hereinbefore provided for in this Section.

If the taxpayer believes that he does not owe some or all of the tax for which the jeopardy assessment lien against him has been filed, or that no jeopardy to the revenue in fact exists, he may protest within 20 days after being notified by the Department of the filing of such jeopardy assessment lien and request a hearing, whereupon the Department shall hold a hearing in conformity with the provisions of this Act and, pursuant thereto, shall notify the taxpayer of its findings as to whether or not such jeopardy assessment lien will be released. If not, and if the taxpayer is aggrieved by this decision, he may file an action for judicial review of such final determination of the Department in accordance with Section 12 of this Act and the Administrative Review Law.

If, pursuant to such hearing (or after an independent determination of the facts by the Department without a hearing), the Department determines that some or all of the tax covered by the jeopardy assessment lien is not owed by the taxpayer, or that no jeopardy to the revenue exists, or if on judicial review the final judgment of the court is that the taxpayer does not owe some or all of the tax covered by the jeopardy assessment lien against him, or that no jeopardy to the revenue exists, the Department shall release its jeopardy assessment lien to the extent of such finding of nonliability for the tax, or to the extent of such finding of no jeopardy to the revenue.

The Department shall also release its jeopardy assessment lien against the taxpayer whenever the tax and penalty covered by such lien, plus any interest which may be due, are paid and the taxpayer has paid the Department in cash or by guaranteed remittance an amount representing the filing fee for the lien and the filing fee for the release of that lien. The Department shall file that release of lien with the recorder of the county where that lien was filed.

Nothing in this Section shall be construed to give the Department a preference over the rights of any bona fide purchaser, holder of a security interest, mechanics lienholder, mortgagee, or judgment lien creditor arising prior to the filing of a regular notice of lien or a notice of jeopardy assessment lien in the office of the recorder in the county in which the property subject to the lien is located: Provided, however, that the word "bona fide", as used in this Section shall not include any mortgage of real or personal property or any other credit transaction that results in the mortgagee or the holder of the security acting as trustee for unsecured creditors of the taxpayer mentioned in the notice of lien who executed such chattel or real property mortgage or the document evidencing such credit transaction. Such lien shall be inferior to the lien of general taxes, special assessments and special taxes heretofore or hereafter levied by any political subdivision of this State.

In case title to land to be affected by the notice of lien or notice of jeopardy assessment lien is registered under the provisions of "An Act concerning land titles", approved May 1, 1897, as amended, such notice shall be filed in the office of the Registrar of Titles of the county within which the property subject to the lien is situated and shall be entered upon the register of titles as a memorial or charge upon each folium of the register of titles affected by such notice, and the Department shall not have a preference over the

rights of any bona fide purchaser, mortgagee, judgment creditor or other lien holder arising prior to the registration of such notice: Provided, however, that the word "bona fide" shall not include any mortgage of real or personal property or any other credit transaction that results in the mortgagee or the holder of the security acting as trustee for unsecured creditors of the taxpayer mentioned in the notice of lien who executed such chattel or real property mortgage or the document evidencing such credit transaction.

Such regular lien or jeopardy assessment lien shall not be effective against any purchaser with respect to any item in a retailer's stock in trade purchased from the retailer in the usual course of such retailer's business.

Sec. 5b. The recorder of each county shall procure a file labeled "State Tax Lien Notices" and an index book labeled "State Tax Lien Index". When notice of any lien or jeopardy assessment lien is presented to him for filing, he shall file it in numerical order in the file and shall enter it alphabetically in the index. The entry shall show the name and last known business address of the person named in the notice, the serial number of the notice, the date and hour of filing, whether it is a regular lien or a jeopardy assessment lien, and the amount of tax and penalty due and unpaid, plus the amount of interest due under Section 5 of this Act at the time when the notice of lien or jeopardy assessment lien is filed.

No recorder or registrar of titles of any county shall require that the Department pay any costs or fees in connection with recordation of any notice or other document filed by the Department under this Act at the time such notice or other document is presented for recordation. The recorder or registrar of each county, in order to receive payment for fees or costs incurred by the Department, shall present the Department with monthly statements indicating the amount of fees and costs incurred by the Department and for which no payment has been received.

A notice of lien may be filed after the issuance of a revised final assessment pursuant to a rehearing or departmental review under Section 4 or Section 5 of this Act.

When the lien obtained pursuant to this Act has been satisfied and the taxpayer has paid the Department in cash or by guaranteed remittance an amount representing the filing fee for the lien and the filing fee for the release of that lien, the Department shall issue a release of lien and file that release of lien with the recorder of the county where that lien was filed. The to the person, or his agent, against whom the lien was obtained and such release of lien shall contain in legible letters a statement as follows:

When a certificate of complete or partial release of lien issued by the Department is presented for filing in the office of the recorder or Registrar of Titles where a notice of lien or notice of jeopardy assessment lien was filed, the recorder, in the case of nonregistered property, shall permanently attach the certificate of release to the notice of lien or notice of jeopardy assessment lien and shall enter the certificate of release and the date in the "State

In the case of registered property, the Registrar of Titles shall file and enter upon each folium of the register of titles affected thereby a memorial of the certificate of release which memorial when so entered shall act as a release pro tanto of any memorial of such notice of lien or notice of jeopardy assessment lien previously filed and registered.

Sec. 5c. Upon payment by the taxpayer to the Department in cash or by guaranteed remittance of an amount representing the filing fee for the lien and the filing fee for the release of that lien, the Department shall issue a certificate of complete or partial release of the lien and file that complete or partial release of lien with the recorder of the county where the lien was filed:

(a) To the extent that the fair market value of any property subject to the lien exceeds the amount of the lien plus the amount of all prior liens upon such property;

(2) "Produce" means to direct, promote, advertise, publish, manufacture, issue, present or show.

(3) "Reproduce" means to make a duplication or copy.

(4) "Depict by computer" means to generate or create, or cause to be created or generated, a computer program or data that, after being processed by a computer either alone or in conjunction with one or more computer programs, results in a visual depiction on a computer monitor, screen, or display.

(5) "Depiction by computer" means a computer program or data that, after being processed by a computer either alone or in conjunction with one or more computer programs, results in a visual depiction on a computer monitor, screen, or display.

(6) "Computer", "computer program", and "data" have the meanings ascribed to them in Section 16D-2 of this Code.

(7) "Child" includes a film, videotape, photograph, or other similar visual medium or reproduction or depiction by computer that is, or appears to be, that of a person, either in part, or in total, under the age of 18, regardless of the method by which the film, videotape, photograph, or other similar visual medium or reproduction or depiction by computer is created, adopted, or modified to appear as such. "Child" also includes a film, videotape, photograph, or other similar visual medium or reproduction or depiction by computer that is advertised, promoted, presented, described, or distributed in such a manner that conveys the impression that the film, videotape, photograph, or other similar visual medium or reproduction or depiction by computer is of a person under the age of 18.

(8) "Sexual penetration" and "sexual conduct" have the meanings ascribed to them in Section 12-12 of this Code.

(g) Re-enactment; findings; purposes.

(1) The General Assembly finds and declares that:

(ii) In addition, Public Act 88-680 was entitled "AN ACT to create a Safe Neighborhoods Law". (A) Article 5 was entitled JUVENILE JUSTICE and amended the Juvenile Court Act of 1987. (B) Article 15 was entitled GANGS and amended various provisions of the Criminal Code of 1961 and the Unified Code of Corrections. (C) Article 20 was entitled ALCOHOL ABUSE and amended various provisions of the Illinois Vehicle Code. (D)

(iii) On September 22, 1998, the Third District Appellate Court in People v. Dainty, 701 N.E. 2d 118, ruled that Public Act 88-680 violates the single subject clause of the Illinois Constitution (Article IV, Section 8 (d)) and was unconstitutional in its entirety. As of the time this amendatory Act of 1999 was prepared, People v. Dainty was still subject to appeal.

(iv) Child pornography is a vital concern to the people of this State and the validity of future prosecutions under the child pornography statute of the Criminal Code of 1961 is in grave doubt.

(2) It is the purpose of this amendatory Act of 1999 to prevent or minimize any problems relating to prosecutions for child pornography that may result from challenges to the constitutional validity of Public Act 88-680 by re-enacting the Section relating to child pornography that was included in Public Act 88-680.

(3) This amendatory Act of 1999 re-enacts Section 11-20.1 of the Criminal Code of 1961, as it has been amended. This re-enactment is intended to remove any question as to the validity or content of that Section; it is not intended to supersede any other Public Act that amends the text of the Section as set forth in this amendatory Act of 1999. The material is shown as existing text (i.e., without underscoring) because, as of the time this amendatory Act of 1999 was prepared, People v. Dainty was subject to appeal to the Illinois Supreme Court.

(4) The re-enactment by this amendatory Act of 1999 of Section 11-20.1 of the Criminal Code of 1961 relating to child pornography that was amended by Public Act 88-680 is not intended, and shall not be construed, to imply that Public Act 88-680 is invalid or to limit or impair any legal argument concerning whether those provisions were substantially re-enacted by other Public Acts.

The defendant shall further be liable for the cost of any counseling required for the child at the discretion of the court in accordance with subsection (b) of Section 5-5-6 of the Unified Code of Corrections. (c) Exemption. This Section does not apply to picketing occurring at the workplace that is otherwise lawful and arises out of a bona fide labor dispute, or any exercise of the right of free speech or assembly that is otherwise lawful.

(d) For the purpose of this Section, a defendant "places a person under surveillance" by remaining present outside the person's school, place of employment, vehicle, other place occupied by the person, or residence other than the residence of the defendant.

(e) For the purpose of this Section, "follows another person" means (i) to move in relative proximity to a person as that person moves from place to place or (ii) to remain in relative proximity to a person who is stationary or whose movements are confined to a small area. (i) a remedy in a valid order of protection authorized under paragraphs (1), (2), (3), (14), or (14.5) of subsection (b) of Section 214 of the Illinois Domestic Violence Act of 1986,

(ii) a remedy, which is substantially similar to the remedies authorized under paragraphs (1), (2), (3), (14) or (14.5) of subsection (b) of Section 214 of the Illinois Domestic Violence Act of 1986, in a valid order of protection, which is authorized under the laws of another state, tribe or United States territory,

(iii) any other remedy when the act constitutes a crime against the protected parties as the term protected parties is defined in Section 112A-4 of the Code of Criminal Procedure of 1963; and

(2) Such violation occurs after the offender has been served notice of the contents of the order, pursuant to the Illinois Domestic Violence Act of 1986 or any substantially similar statute of another state, tribe or United States territory, or otherwise has acquired actual knowledge of the contents of the order.

An order of protection issued by a state, tribal or territorial court related to domestic or family violence shall be deemed valid if the issuing court had jurisdiction over the parties and matter under the law of the state, tribe or territory. There shall be a presumption of validity where an order is certified and appears authentic on its face.

(a-5) Failure to provide reasonable notice and opportunity to be heard shall be an affirmative defense to any charge or process filed seeking enforcement of a foreign order of protection.

(b) For purposes of this Section, an "order of protection" may have been issued in a criminal or civil proceeding.

(c) Nothing in this Section shall be construed to diminish the inherent authority of the courts to enforce their lawful orders through civil or criminal contempt proceedings.
(d) Violation of an order of protection under subsection (a) of this Section is a Class A misdemeanor. The court shall impose a minimum penalty of 24 hours imprisonment for defendant's second or subsequent violation of any order of protection; unless the court explicitly finds that an increased penalty or such period of imprisonment would be manifestly unjust. In addition to any other penalties, the court may order the defendant to pay a fine as authorized under Section 5-9-1 of the Unified Code of Corrections or to make restitution to the victim under Section 5-5-6 of the Unified Code of Corrections. In addition to any other penalties, including those imposed by Section 5-9-1.5 of the Unified Code of Corrections, the court shall impose an additional fine of $20 as authorized by Section 5-9-1.11 of the Unified Code of Corrections upon any person convicted of or placed on supervision for a violation of this Section. (b) In this Section:
"Child" means a minor under the age of 17 years.

New matter indicated by italics - deletions by strikeout.
"Person responsible for the child's welfare" means the child's parent, step-parent, legal guardian, or other person having custody of a child, who is responsible for the child's care at the time of the alleged sexual abuse.

"Sexual abuse" includes criminal sexual abuse or criminal sexual assault as defined in Section 12-13, 12-14, 12-14.1, 12-15, or 12-16 of the Criminal Code of 1961.

"Prostitution" means prostitution as defined in Section 11-14 of the Criminal Code of 1961.

"Actual knowledge" includes credible allegations made by the child.

(c) This Section does not apply to a person responsible for the child's welfare who, having reason to believe that sexual abuse has occurred, makes timely and reasonable efforts to stop the sexual abuse by reporting the sexual abuse in conformance with the Abused and Neglected Child Reporting Act or by reporting the sexual abuse, or causing a report to be made, to medical or law enforcement authorities or anyone who is a mandated reporter under Section 4 of the Abused and Neglected Child Reporting Act.

(d) Whenever a law enforcement officer has reason to believe that the child or the person responsible for the child's welfare has been abused by a family or household member as defined by the Illinois Domestic Violence Act of 1986, the officer shall immediately use all reasonable means to prevent further abuse under Section 112A-30 of the Code of Criminal Procedure of 1963.

(e) An order of protection under Section 111-8 of the Code of Criminal Procedure of 1963 shall be sought in all cases where there is reason to believe that a child has been sexually abused by a family or household member. In considering appropriate available remedies, it shall be presumed that awarding physical care or custody to the abuser is not in the child's best interest.

(f) A person may not be charged with the offense of permitting sexual abuse of a child under this Section until the person who committed the offense is charged with criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, aggravated criminal sexual abuse, or prostitution.

(g) A person convicted of permitting the sexual abuse of a child is guilty of a Class 1 felony. As a condition of any sentence of supervision, probation, conditional discharge, or mandatory supervised release, any person convicted under this Section shall be ordered to undergo child sexual abuse, domestic violence, or other appropriate counseling for a specified duration with a qualified social or mental health worker.

(h) It is an affirmative defense to a charge of permitting sexual abuse of a child under this Section that the person responsible for the child's welfare had a reasonable apprehension that timely action to stop the abuse or prostitution would result in the imminent infliction of death, great bodily harm, permanent disfigurement, or permanent disability to that person or another in retaliation for reporting. A. A parent, step-parent, legal guardian, or other person having custody of a child who knowingly allows or permits an act of criminal sexual abuse or criminal sexual assault as defined in Section 12-13, 12-14, 12-14.1, 12-15 or 12-16 of the Criminal Code of 1961, upon his or her child, or knowingly permits, induces, promotes, or arranges for the child to engage in prostitution as defined in

AN ACT in relation to sex offenders.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 2. The Criminal Code of 1961 is amended by changing Section 11-9.4 as follows:

(720 ILCS 5/11-9.4)

These fingerprints shall be checked against the Department of State Police and Federal Bureau of Investigation criminal history record databases now and hereafter filed. The Department of State Police shall charge applicants a fee for conducting the criminal history records check, which shall be deposited in the State Police Services Fund and shall not exceed the actual cost of the records check. The Department of State Police shall furnish, pursuant to positive identification, records of Illinois convictions to the Department. The Department may require applicants to pay a separate fingerprinting fee, either to the Department or directly to the vendor. The Department, in its discretion, may allow an applicant who does not have reasonable access to a designated vendor to provide his or her fingerprints in an alternative manner. signed by one's employer, of his or her full-time employment as a peace officer. (d) Upon receipt of the verified fingerprint cards, the Department shall cause the fingerprints to be compared with fingerprints of criminals now or hereafter filed with the Illinois Department of State Police. The Department shall issue a permanent employee registration card, in a form the Department prescribes, to all qualified applicants. The Department shall notify the submitting licensed agency within 10 days upon the issuance of or intent to deny the permanent employee registration card. The holder of a permanent employee registration card shall carry the card at all times while actually engaged in the performance of the duties of his or her employment. Expiration and requirements for renewal of permanent employee registration cards shall be established by rule of the Department. Possession of a permanent employee registration card does not in any way imply that the holder of the card is employed by an agency unless the permanent employee registration card is accompanied by the employee identification card required by subsection (g) of this Section.

(e) (Blank). Within 5 days of the receipt of the application materials, the Department shall institute an investigation for a criminal record by checking the applicant's name with immediately available criminal history information systems.

copy of which must be filed with the Department within 15 days of an instance. The record shall include the date and time of the occurrence, the circumstances involved in the occurrence, and any other information as the Department may require. Failure to provide this information to the Department or failure to maintain the record as a part of each armed employee's permanent file is grounds for disciplinary action. The Department, upon receipt of a report, shall have the authority to make any investigation it considers appropriate into any occurrence in which an employee's weapon was discharged and to take disciplinary action as may be appropriate.

The Department may, by rule, prescribe further record requirements.

(g) Every employer shall furnish an employee identification card to each of his or her employees. This employee identification card shall contain a recent photograph of the employee, the employee's name, the name and agency certification number of the employer, the employee's personal description, the signature of the employer, the signature of that employee, the date of issuance, and an employee identification card number.

(h) No employer may issue an employee identification card to any person who is not employed by the employer in accordance with this Section or falsely state or represent that a person is or has been in his or her employ. It is unlawful for an applicant for registered employment to file with the Department the fingerprints of a person other than himself or herself, or to fail to exercise due diligence in resubmitting replacement fingerprints for those employees who have had original fingerprint submissions returned as unclassifiable.

(i) Every employer shall obtain the identification card of every employee who terminates employment with him or her.

(j) Every employer shall maintain a separate roster of the names of all employees currently working in an armed capacity and submit the roster to the Department on request.

The agency shall maintain the verification of the results of the Department of State Police criminal history check as part of the employee record as required under subsection (f) of this Section;

(3) The agency exercises due diligence to ensure that the person is qualified under the requirements of the Act to be issued a permanent employee registration card; and

(4) The agency maintains a separate roster of the names of all employees whose applications are currently pending with the Department and submits the
roster to the Department on a monthly basis. Rosters are to be maintained by the agency for a period of at least 24 months.

An agency may employ only a permanent employee applicant for which it either submitted a permanent employee application and all required forms and fees or it confirms with the Department that a permanent employee application and all required forms and fees have been submitted by another agency and all other requirements of this Section are met.

The Department shall have the authority to revoke, without a hearing, the temporary authority of an individual to work upon receipt of Federal Bureau of Investigation fingerprint data or a report of another official authority indicating a criminal conviction. If the Department has not received a temporary employee's Federal Bureau of Investigation fingerprint data within 120 days of the date the Department received the Department of State Police fingerprint data, the Department may, at its discretion, revoke the employee's temporary authority to work with 15 days written notice to the individual and the employing agency.

An agency may not employ a person in a temporary capacity if it knows or reasonably should have known that the person has been convicted of a crime under the laws of this State, who has been convicted in another state of any crime that is a crime under the laws of this State, who has been convicted of any crime in a federal court, or who has been posted as an unapproved applicant by the Department. Notice by the Department to the agency, via certified mail, personal delivery, electronic mail, or posting on an internet site accessible to the agency that the person has been convicted of a crime shall be deemed constructive knowledge of the conviction on the part of the agency.

The Department may adopt rules to implement this subsection (k-5).

(2) The agency:

(i) on behalf of each person completes in its entirety and submits to the Department an application for a permanent employee registration card, including the required fingerprint card and fees;

(ii) exercises due diligence to ensure that the person is qualified under the requirements of the Act to be issued a permanent employee registration card; and

(iii) maintains a separate roster of the names of all employees whose applications are currently pending with the Department and submits the roster to the Department on a monthly basis. Rosters are to be maintained by the agency for a period of at least 24 months.

(1) (Blank). Failure by an agency to submit the application, fees, and fingerprints specified in this Section before scheduling the person for work shall result in a fine, in an amount up to $1,000, or other disciplinary action being imposed against the agency. Failure to maintain and submit the specified rosters is grounds for discipline under this Act.

(m) No person may be employed under this Section in any capacity if:

(i) The person while so employed is being paid by the United States or any political subdivision for the time so employed in addition to any payments he or she may receive from the employer.

(ii) The person wears any portion of his or her official uniform, emblem of
authority, or equipment while so employed except as provided in Section 30.

(n) If information is discovered affecting the registration of a person whose fingerprints were submitted under this Section, the Department shall so notify the agency that submitted the fingerprints on behalf of that person.

(o) Peace officers, as defined in subsection (c), shall be exempt from the requirements of this Section relating to permanent employee registration cards. The agency shall remain responsible for any peace officer employed under this exemption, regardless of whether the peace officer is compensated as an employee or an independent contractor and as further defined by rule.

The Director shall summarily suspend a firearm authorization card if the Director finds that continued use of the card would constitute an immediate danger to the public health, safety, or welfare. A prompt hearing on the charges shall be held before the Board if the Director summarily suspends a Firearm Authorization Card.

9. Violation of Chapters 8 and 9 of this Code;

10. Violation of Section 12-5 of the Criminal Code of 1961 arising from the use of a motor vehicle;

11. Violation of Section 11-204.1 of this Code relating to aggravated fleeing or attempting to elude a police officer;

12. Violation of paragraph (1) of subsection (b) of Section 6-507, or a similar law of any other state, relating to the unlawful operation of a commercial motor vehicle;

13. Violation of paragraph (a) of Section 11-502 of this Code or a similar provision of a local ordinance if the driver has been previously convicted of a violation of that Section or a similar provision of a local ordinance and the driver was less than 21 years of age at the time of the offense.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;

2. Of any person when any other law of this State requires either the revocation or suspension of a license or permit.

(c) Whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow transportation for the petitioner or a household member of the petitioner's family for the receipt of necessary medical care or, if the professional evaluation indicates, provide transportation for the petitioner for alcohol remedial or rehabilitative activity, or for the petitioner to attend classes, as a student, in an accredited educational institution; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and the petitioner will not endanger the

public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship would result from a failure to issue the restricted driving permit.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination thereof, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(d) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application,
the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may issue the applicant a license, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each, until the applicant attains 21 years of age.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The revocation periods contained in this subparagraph shall apply to similar out-of-state convictions.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by an individual who has been convicted of a second or subsequent offense

under Section 11-501 of this Code or a similar provision of a local ordinance. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system.

(i) The Secretary of State may not issue a restricted driving permit for a period of one year after a second or subsequent revocation of driving privileges under clause (a)(2) of this Section; however, one year after the date of a second or subsequent revocation of driving privileges under clause (a)(2) of this Section, the Secretary of State may, upon application, issue a restricted driving permit under the terms and conditions of subsection (c).

4. An approaching railroad train is plainly visible and is in hazardous proximity to such crossing;
5. A railroad train is approaching so closely that an immediate hazard is created.

(a-5) Whenever a person driving a vehicle approaches a railroad grade crossing where the driver is not always required to stop but must slow down, the person must exercise due care and caution as the existence of a railroad track across a highway is a warning of danger, and under any of the circumstances stated in this Section, the driver shall slow down within 50 feet but not less than 15 feet from the nearest rail of the railroad and shall not proceed until he or she checks that the tracks are clear of an approaching train.

(625 ILCS 5/5-101) (from Ch. 95 1/2, par. 5-101)

Sec. 5-101. New vehicle dealers must be licensed.

(a) No person shall engage in this State in the business of selling or dealing in, on consignment or otherwise, new vehicles of any make, or act as an intermediary or agent or broker for any licensed dealer or vehicle purchaser other than as a salesperson, or represent or advertise that he is so engaged or intends to so engage in such business unless licensed to do so in writing by the Secretary of State under the provisions of this Section.

(b) An application for a new vehicle dealer's license shall be filed with the Secretary of State, duly verified by oath, on such form as the Secretary of State may by rule or regulation prescribe and shall contain:

1. The name and type of business organization of the applicant and his established and additional places of business, if any, in this State.

2. If the applicant is a corporation, a list of its officers, directors, and shareholders having a ten percent or greater ownership interest in the corporation, setting forth the residence address of each; if the applicant is a sole proprietorship,
a partnership, an unincorporated association, a trust, or any similar form of business organization, the name and residence address of the proprietor or of each partner, member, officer, director, trustee, or manager.

3. The make or makes of new vehicles which the applicant will offer for sale at retail in this State.

4. The name of each manufacturer or franchised distributor, if any, of new vehicles with whom the applicant has contracted for the sale of such new vehicles. As evidence of this fact, the application shall be accompanied by a signed statement from each such manufacturer or franchised distributor. If the applicant is in the business of offering for sale new conversion vehicles, trucks or vans, except for trucks modified to serve a special purpose which includes but is not limited to the following vehicles: street sweepers, fertilizer spreaders, emergency vehicles, implements of husbandry or maintenance type vehicles, he must furnish evidence of a sales and service agreement from both the chassis manufacturer and second stage manufacturer.

5. A statement that the applicant has been approved for registration under the Retailers' Occupation Tax Act by the Department of Revenue: Provided that this requirement does not apply to a dealer who is already licensed hereunder with the Secretary of State, and who is merely applying for a renewal of his license. As evidence of this fact, the application shall be accompanied by a certification from the Department of Revenue showing that that Department has approved the applicant for registration under the Retailers' Occupation Tax Act.

6. A statement that the applicant has complied with the appropriate liability insurance requirement. A Certificate of Insurance in a solvent company authorized to do business in the State of Illinois shall be included with each application covering each location at which he proposes to act as a new vehicle dealer. The policy must provide liability coverage in the minimum amounts of $100,000 for bodily injury to, or death of, any person, $300,000 for bodily injury to, or death of, two or more persons in any one accident, and $50,000 for damage to property. Such policy shall expire not sooner than December 31 of the year for which the license was issued or renewed. The expiration of the insurance policy shall not terminate the liability under the policy arising during the period for which the policy was filed. Trailer and mobile home dealers are exempt from this requirement.

If the permitted user has a liability insurance policy that provides automobile liability insurance coverage of at least $100,000 for bodily injury to or the death of any person, $300,000 for bodily injury to or the death of any 2 or more persons in any one accident, and $50,000 for damage to property, then the permitted user's insurer shall be the primary insurer and the dealer's insurer shall be the secondary insurer. If the permitted user does not have a liability insurance policy that provides automobile liability insurance coverage of at least $100,000 for bodily injury to or the death of any person, $300,000 for bodily injury to or the death of any 2 or more persons in any one accident, and $50,000 for damage to property, or does not have

any insurance at all, then the dealer's insurer shall be the primary insurer and the permitted user's insurer shall be the secondary insurer.

When a permitted user is "test driving" a new vehicle dealer's automobile, the new vehicle dealer's insurance shall be primary and the permitted user's insurance shall be secondary.

As used in this paragraph 6, a "permitted user" is a person who, with the permission of the new vehicle dealer or an employee of the new vehicle dealer, drives a vehicle owned and held for sale or lease by the new vehicle dealer which the person is considering to purchase or lease, in order to evaluate the performance, reliability, or condition of the vehicle. The term "permitted user" also includes a person who, with the permission of the new vehicle dealer, drives a vehicle owned or held for sale or lease by the new vehicle dealer for loaner purposes while the user's vehicle is being repaired or evaluated.

As used in this paragraph 6, "test driving" occurs when a permitted user who, with the permission of the new vehicle dealer or an employee of the new vehicle dealer, drives a vehicle owned and held for sale or lease by a new vehicle dealer that the person is considering to purchase or lease, in order to evaluate the performance, reliability, or condition of the vehicle.

As used in this paragraph 6, "loaner purposes" means when a person who, with the permission of the new vehicle dealer, drives a vehicle owned or held for sale or lease by the new vehicle dealer while the user's vehicle is being repaired or evaluated.

7. (A) An application for a new motor vehicle dealer's license shall be accompanied by the following license fees:

$100 for applicant's established place of business, and $50 for each additional place of business, if any, to which the application pertains; but if the application is made after June 15 of any year, the license fee shall be $50 for applicant's established place of business plus $25 for each additional place of business, if any, to which the application pertains. License fees shall be returnable only in the event that the application is denied by the Secretary of State. All moneys received by the Secretary of State as license fees under this Section shall be deposited into the Motor Vehicle Review Board Fund and shall be used to administer the Motor Vehicle Review Board under the Motor Vehicle Franchise Act.

(B) An application for a new vehicle dealer's license, other than for a new motor vehicle dealer's license, shall be accompanied by the following license fees:

$50 for applicant's established place of business, and $25 for each additional place of business, if any, to which the application pertains; but if the application is made after June 15 of any year, the license fee shall be $25 for applicant's established place of business plus $12.50 for each additional place of business, if any, to which the application pertains.    (G) Part 8 of Article XII of the Code of Civil Procedure; or
   (H) The Consumer Fraud Act.

10. A bond or certificate of deposit in the amount of $20,000 for each location at which the applicant intends to act as a new vehicle dealer. The bond shall be for the term of the license, or its renewal, for which application is made, and shall expire not sooner than December 31 of the year for which the license was issued or renewed. The bond shall run to the People of the State of Illinois, with surety by a bonding or insurance company authorized to do business in this State. It shall be conditioned upon the proper transmittal of all title and registration fees and taxes (excluding taxes under the Retailers’ Occupation Tax Act) accepted by the applicant as a new vehicle dealer.

1. He is authorized by contract in writing between himself and the manufacturer or franchised distributor of such make of vehicle to so sell the same in this State, and

2. Such person shall maintain an established place of business as defined in this Act.

(10) Discipline by another U.S. jurisdiction or foreign nation, if at least one of the grounds for a discipline is the same or substantially equivalent to those set forth in this Act.

(11) A finding by the Department that the registrant, after having his or her license placed on probationary status, has violated the terms of probation.

(12) Willfully making or filing false records or reports in his or her practice,

The suspension may end only upon a finding by a court that the licensee is no longer subject to involuntary admission or judicial admission, the issuance of an order so finding and discharging the patient, and the recommendation of the Board to the Director that the licensee be allowed to resume practice.

(d) In enforcing this Section, the Department, upon a showing of a possible violation, may compel any person licensed to practice under this Act or who has applied for licensure or certification pursuant to this Act to submit to a mental or physical examination, or both, as required by and at the expense of the Department. The examining physicians shall be those specifically designated by the Department. The Department may order the examining physician to present testimony concerning this mental or physical examination of the licensee or applicant. If the Department finds an individual unable to practice because of the reasons set forth in this Section, the Department may require that individual to submit to care, counseling, or treatment by physicians approved or designated by the Department, as a condition, term, or restriction for continued, reinstated, or renewed licensure to practice or, in lieu of care, counseling, or treatment, the Department may file a complaint to immediately suspend, revoke, or otherwise discipline the license of the individual.

Any person whose license was granted, continued, reinstated, renewed, disciplined, or supervised subject to such terms, conditions, or restrictions and who fails to comply with such terms, conditions, or restrictions shall be referred to the Director for a determination as to whether the person shall have his or her license suspended immediately, pending a hearing by the Department.

In instances in which the Director immediately suspends a person's license under this Section, a hearing on that person's license must be convened by the Department within 15 days after the suspension and completed without appreciable delay. The Department shall have the authority to review the subject person's record of treatment and counseling regarding the impairment, to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

PUBLIC ACT 92-0838
(Senate Bill No. 1697)

AN ACT in relation to trusts.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Trusts and Trustees Act is amended by adding Section 5.3 as follows:
(760 ILCS 5/5.3 new)

Sec. 5.3. Total return trusts.
(a) Conversion by trustee. A trustee may convert a trust to a total return trust as described in this Section if all of the following apply:

(1) The trust describes the amount that may or must be distributed to a beneficiary by referring to the trust's income, and the trustee determines that conversion to a total return trust will enable the trustee to better carry out the purposes of the trust and the conversion is in the best interests of the beneficiaries;

(2) conversion to a total return trust means the trustee will invest and manage trust assets seeking a total return without regard to whether that return is from income or appreciation of principal, and will make distributions in accordance with this Section (such a trust is called a "total return trust" in this Section);

(3) the trustee sends a written notice of the trustee's decision to convert the trust to a total return trust, specifying a prospective effective date for the conversion and including a copy of this Section, to the following beneficiaries, determined as of the date the notice is sent and assuming nonexercise of all powers of appointment:

(A) all of the legally competent beneficiaries who are currently receiving or eligible to receive income from the trust; and

(B) all of the legally competent beneficiaries who would receive or be eligible to receive a distribution of principal or income if the current interests

of beneficiaries currently receiving or eligible to receive income ended;

(4) there are one or more legally competent income beneficiaries under subdivision (3)(A) of this subsection (a) and one or more legally competent remainder beneficiaries under subdivision (3)(B) of this subsection (a), determined as of the date of sending the notice;

(5) no beneficiary objects to the conversion to a total return trust in a writing delivered to the trustee within 60 days after the notice is sent; and

(6) the trustee has signed acknowledgments of receipt confirming that notice was received by each beneficiary required to be sent notice under subdivision (3) of this subsection (a).

(b) Conversion by agreement. Conversion to a total return trust may be made by agreement between a trustee and all the primary beneficiaries of the trust under the virtual representation provisions of Section 16.1 of this Act if those provisions otherwise apply. The agreement may include any actions a court could properly order under subsection (g) of this Section; however, any distribution percentage determined by the agreement may not be less than 3% nor greater than 5%.

(c) Conversion or reconversion by court.

(1) The trustee may for any reason elect to petition the court to order conversion to a total return trust, including without limitation the reason that conversion under subsection (a) is unavailable because:

(A) a beneficiary timely objects to the conversion to a total return trust;

(B) there are no legally competent beneficiaries described in subdivision (3)(A) of subsection (a); or

(C) there are no legally competent beneficiaries described in subdivision (3)(B) of subsection (a).

(2) A beneficiary may request the trustee to convert to a total return trust or adjust the distribution percentage. If the trustee declines or fails to act within 6 months after receiving a written request to do so, the beneficiary may petition the court to order the conversion or adjustment.

(3) The trustee may petition the court prospectively to reconvert from a total return trust or adjust the distribution percentage if the trustee determines that the reconversion or adjustment will enable the trustee to better carry out the purposes of the trust. A beneficiary may request the trustee to petition the court prospectively to reconvert from a total return trust or adjust the distribution percentage. If the trustee declines or fails to act within 6 months after receiving a written request to do so, the beneficiary may petition the court to order the reconversion or adjustment.

(4) In a judicial proceeding under this subsection (c), the trustee may, but need not, present the trustee’s opinions and reasons (A) for supporting or opposing conversion to (or reconversion from or adjustment of the distribution percentage of) a total return trust, including whether the trustee believes conversion (or reconversion or adjustment of the distribution percentage) would enable the trustee

New matter indicated by italics - deletions by strikeout.
to better carry out the purposes of the trust, and (B) about any other matters relevant to the proposed conversion (or reconversion or adjustment of the distribution percentage). A trustee's actions in accordance with this subsection (c) shall not be deemed improper or inconsistent with the trustee's duty of impartiality unless the court finds from all the evidence that the trustee acted in bad faith.

(5) The court shall order conversion to (or reconversion prospectively from or adjustment of the distribution percentage of) a total return trust if the court determines that the conversion (or reconversion or adjustment of the distribution percentage) will enable the trustee to better carry out the purposes of the trust and the conversion (or reconversion or adjustment of the distribution percentage) is in the best interests of the beneficiaries.

(6) Notwithstanding any other provision of this Section, a trustee has no duty to inform beneficiaries about the availability of this Section and has no duty to review the trust to determine whether any action should be taken under this Section unless requested to do so in writing by a beneficiary described in subdivision (3) of subsection (a).

(d) Post conversion. While a trust is a total return trust, all of the following shall apply to the trust:

(1) the trustee shall make income distributions in accordance with the governing instrument subject to the provisions of this Section;

(2) the term "income" in the governing instrument means an annual amount (the "distribution amount") equal to a percentage (the "distribution percentage") of the net fair market value of the trust's assets, whether the assets are considered income or principal under the Principal and Income Act, averaged over the lesser of:

   (i) the 3 preceding years; or

   (ii) the period during which the trust has been in existence;

(3) the distribution percentage for any trust converted to a total return trust by a trustee in accordance with subsection (a) shall be 4%; and

(4) the trustee shall pay to a beneficiary (in the case of an underpayment) and shall recover from a beneficiary (in the case of an overpayment) an amount equal to the difference between the amount properly payable and the amount actually paid, plus interest compounded annually at a rate per annum equal to the distribution percentage in the year or years while the underpayment or overpayment exists.

(e) Administration. The trustee, in the trustee's discretion, may determine any of the following matters in administering a total return trust as the trustee from time to time determines necessary or helpful for the proper functioning of the trust:

(1) the effective date of a conversion to a total return trust;

(2) the manner of prorating the distribution amount for a short year in which a beneficiary's interest commences or ceases;

(3) whether distributions are made in cash or in kind;

(4) the manner of adjusting valuations and calculations of the distribution

amount to account for other payments from or contributions to the trust;
(5) whether to value the trust’s assets annually or more frequently;
(6) what valuation dates and how many valuation dates to use;
(7) valuation decisions about any asset for which there is no readily available
market value, including:
   (A) how frequently to value such an asset;
   (B) whether and how often to engage a professional appraiser to
value such an asset; and
   (C) whether to exclude the value of such an asset from the net fair
market value of the trust’s assets under subdivision (d)(2) for purposes of
determining the distribution amount. Any such asset so referred to as an "excluded asset" in this subsection (e), and the trustee shall
distribute any net income received from the excluded asset as provided for
in the governing instrument subject to the following principles:
   (i) unless the trustee determines there are compelling reasons
to the contrary considering all relevant factors including the best
interests of the beneficiaries, the trustee shall treat each asset for
which there is no readily available market value as an excluded
asset;
   (ii) if tangible personal property or real property is possessed
or occupied by a beneficiary, the trustee shall not limit or restrict any
right of the beneficiary to use the property in accordance with the
governing instrument whether or not the trustee treats the property
as an excluded asset;
   (iii) examples of assets for which there is a readily available
market value include: cash and cash equivalents; stocks, bonds, and
other securities and instruments for which there is an established
market on a stock exchange, in an over-the-counter market, or
otherwise; and any other property that can reasonably be expected
to be sold within one week of the decision to sell without
extraordinary efforts by the seller;
   (iv) examples of assets for which there is no readily available
market value include: stocks, bonds, and other securities and instruments for which there is no established market on a stock
exchange, in an over-the-counter market, or otherwise; real property;
tangible personal property; and artwork and other collectibles; and
(8) any other administrative matters as the trustee determines necessary or
helpful for the proper functioning of the total return trust.

(f) Allocations.
   (1) Expenses, taxes, and other charges that would be deducted from income
if the trust were not a total return trust shall not be deducted from the distribution
amount.

New matter indicated by italics - deletions by strikeout.
(2) Unless otherwise provided by the governing instrument, the trustee shall fund the distribution amount each year from the following sources for that year in the order listed: first from net income (as the term would be determined if the trust were not a total return trust), then from other ordinary income as determined for federal income tax purposes, then from net realized short-term capital gains as determined for federal income tax purposes, then from net realized long-term capital gains as determined for federal income tax purposes, then from trust principal comprised of assets for which there is a readily available market value, and then from other trust principal.

(g) Court orders. The court may order any of the following actions in a proceeding brought by a trustee or a beneficiary in accordance with subdivision (c)(1), (c)(2), or (c)(3):
   (1) select a distribution percentage other than 4%;
   (2) average the valuation of the trust's net assets over a period other than 3 years;
   (3) reconvert prospectively from or adjust the distribution percentage of a total return trust;
   (4) direct the distribution of net income (determined as if the trust were not a total return trust) in excess of the distribution amount as to any or all trust assets if the distribution is necessary to preserve a tax benefit; or
   (5) change or direct any administrative procedure as the court determines necessary or helpful for the proper functioning of the total return trust.

Nothing in this subsection (g) limits the equitable powers of the court to grant other relief.

(h) Restrictions. The distribution amount may not be less than the net income of the trust, determined without regard to the provisions of this Section, for either a trust for which an estate tax or a gift tax marital deduction was or may be claimed in whole or in part (but only during the lifetime of the spouse for whom the trust was created), or a trust that was exempt in whole or in part from generation-skipping transfer tax on the effective date of this amendatory Act of the 92nd General Assembly by reason of any effective date or transition rule. Conversion to a total return trust does not affect any provision in the governing instrument:
   (1) directing or authorizing the trustee to distribute principal;
   (2) directing or authorizing the trustee to distribute a fixed annuity or a fixed fraction of the value of trust assets;
   (3) authorizing a beneficiary to withdraw a portion or all of the principal; or
   (4) in any manner that would diminish an amount permanently set aside for charitable purposes under the governing instrument unless both income and principal are so set aside.

(i) Tax limitations. If a particular trustee is a beneficiary of the trust and conversion or failure to convert would enhance or diminish the beneficial interest of the trustee, or if possession or exercise of the conversion power by a particular trustee would alone cause any individual to be treated as owner of a part of the trust for income tax purposes or cause
a part of the trust to be included in the gross estate of any individual for estate tax purposes, then that particular trustee may not participate as a trustee in the exercise of the conversion power; however:

(1) the trustee may petition the court under subdivision (c)(1) to order conversion in accordance with this Section; and

(2) if the trustee has one or more co-trustees to whom this subsection (i) does not apply, the co-trustee or co-trustees may convert the trust to a total return trust in accordance with this Section.

(j) Releases. A trustee may irrevocably release the power granted by this Section if the trustee reasonably believes the release is in the best interests of the trust and its beneficiaries. The release may be personal to the releasing trustee or may apply generally to some or all subsequent trustees, and the release may be for any specified period, including a period measured by the life of an individual.

(k) Remedies. A trustee who reasonably and in good faith takes or omits to take any action under this Section is not liable to any person interested in the trust. If a trustee reasonably and in good faith takes or omits to take any action under this Section and a person interested in the trust opposes the act or omission, the person's exclusive remedy is to obtain an order of the court directing the trustee to convert the trust to a total return trust, to reconvert from a total return trust, to change the distribution percentage, or to order any administrative procedures the court determines necessary or helpful for the proper functioning of the trust. An act or omission by a trustee under this Section is presumed taken or omitted reasonably and in good faith unless it is determined by the court to have been an abuse of discretion. Any claim by any person interested in the trust that an act or omission by a trustee under this Section was an abuse of discretion is barred if not asserted in a proceeding commenced by or on behalf of the person within 2 years after the trustee has sent to the person or the person's personal representative a notice or report in writing sufficiently disclosing facts fundamental to the claim such that the person knew or reasonably should have known of the claim. The preceding sentence shall not apply to a person who was under a legal disability at the time the notice or report was sent and who then had no personal representative. For purposes of this subsection (k), a personal representative refers to a court appointed guardian or conservator of the estate of a person.

(l) Application. This Section is available to trusts in existence on the effective date of this amendatory Act of the 92nd General Assembly or created after that date. This Section shall be construed as pertaining to the administration of a trust and shall be available to any trust that is administered in Illinois under Illinois law or that is governed by Illinois law with respect to the meaning and effect of its terms unless:

(1) the trust is a trust described in Internal Revenue Code Section 170(f)(2)(B), 664(d), 1361(d), 2702(a)(3), or 2702(b); or

(2) the governing instrument expressly prohibits use of this Section by specific reference to this Section. A provision in the governing instrument in the form: "Neither the provisions of Section 5.3 of the Trusts and Trustees Act nor any corresponding provision of future law may be used in the administration of this

trust" or a similar provision demonstrating that intent is sufficient to preclude the use of this Section.

and the leasing of which does not make the property taxable, the leasehold estate and the appurtenances shall be listed as the property of the lessee thereof, or his or her assignee. Taxes on that property shall be collected in the same manner as on property that is not exempt, and the lessee shall be liable for those taxes. However, no tax lien shall attach to the exempt real estate. The changes made by this amendatory Act of 1997 and by this amendatory Act of the 91st General Assembly are declaratory of existing law and shall not be construed as a new enactment. The changes made by Public Acts 88-221 and 88-420 that are incorporated into this Section by this amendatory Act of 1993 are declarative of existing law and are not a new enactment.

(b) The provisions of this Section regarding taxation of leasehold interests in exempt property do not apply to any leasehold interest created pursuant to any transaction described in subsection (e) of Section 15-35, subsection (c-5) of Section 15-60, subsection (b) of Section 15-100, or Section 15-103.

35 ILCS 200/15-60

Sec. 15-60. Taxing district property. All property belonging to any county or municipality used exclusively for the maintenance of the poor is exempt, as is all property owned by a taxing district that is being held for future expansion or development, except if leased by the taxing district to lessees for use for other than public purposes.

Also exempt are:

(a) all swamp or overflowed lands belonging to any county;
(b) all public buildings belonging to any county, township, or municipality, with the ground on which the buildings are erected;
(c) all property owned by any municipality located within its incorporated limits. Any such property leased by a municipality shall remain exempt, and the leasehold interest of the lessee shall be assessed under Section 9-195 of this Act, (i) for a lease entered into on or after January 1, 1994, unless the lease expressly provides that this exemption shall not apply; (ii) for a lease entered into on or after the effective date of Public Act 87-1280 and before January 1, 1994, unless the lease expressly provides that this exemption shall not apply or unless evidence other than the lease itself substantiates the intent of the parties to the lease that this exemption shall not apply; and (iii) for a lease entered into before the effective date of Public Act 87-1280, if the terms of the lease do not bind the lessee to pay the taxes on the leased property or if, notwithstanding the terms of the lease, the municipality has filed or hereafter files a timely exemption petition or complaint with respect to property consisting of or including the leased property for an assessment year which includes part or all of the first 12 months of the lease period. The foregoing clause (iii) added by Public Act 87-1280 shall not operate to exempt property for any assessment year as to which no timely exemption petition or complaint has been filed by the municipality or as to which an administrative or court decision denying exemption has become final and nonappealable. For each assessment year or portion thereof that property is made exempt by operation of the foregoing clause (iii), whether such year or portion is before or after the effective date of Public Act 87-1280, the leasehold interest of the lessee shall, if necessary, be considered
omitted property for purposes of this Act;

(c-5) Notwithstanding clause (i) of subsection (c), all property owned by a municipality with a population of over 500,000 that is used for toll road or toll bridge purposes and that is leased for those purposes to another entity whose property is not exempt shall remain exempt, and any leasehold interest in the property shall not be subject to taxation under Section 9-195 of this Act;

(d) all property owned by any municipality located outside its incorporated limits but within the same county when used as a tuberculosis sanitarium, farm colony in connection with a house of correction, or nursery, garden, or farm, or for the growing of shrubs, trees, flowers, vegetables, and plants for use in beautifying, maintaining, and operating playgrounds, parks, parkways, public grounds, buildings, and institutions owned or controlled by the municipality; and

(e) all property owned by a township and operated as senior citizen housing under Sections 35-50 through 35-50.6 of the Township Code.

All property owned by any municipality outside of its corporate limits is exempt if used exclusively for municipal or public purposes.

For purposes of this Section, "municipality" means a municipality, as defined in Section 1-1-2 of the Illinois Municipal Code.

Section 10. The Illinois Municipal Code is amended by changing Section 8-11-6 as follows:

(65 ILCS 5/8-11-6) (from Ch. 24, par. 8-11-6)

(a) The corporate authorities of a home rule municipality may impose a tax upon the privilege of using, in such municipality, any item of tangible personal property which is purchased at retail from a retailer, and which is titled or registered at a location within the corporate limits of such home rule municipality with an agency of this State's government, at a rate which is an increment of 1/4% and based on the selling price of such tangible personal property, as "selling price" is defined in the Use Tax Act. In home rule municipalities with less than 2,000,000 inhabitants, the tax shall be collected by the municipality imposing the tax from persons whose Illinois address for titling or registration purposes is given as being in such municipality.

(b) In home rule municipalities with 2,000,000 or more inhabitants, the corporate authorities of the municipality may additionally impose a tax beginning July 1, 1991 upon the privilege of using in the municipality, any item of tangible personal property, other than tangible personal property titled or registered with an agency of the State's government, that is purchased at retail from a retailer located outside the corporate limits of the municipality, at a rate that is an increment of 1/4% not to exceed 1% and based on the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. Such tax shall be collected from the purchaser or the retailer either by the municipality imposing such tax or by the Department of Revenue pursuant to an agreement between the Department and the municipality.

New matter indicated by italics - deletions by strikeout.
To prevent multiple home rule taxation, the use in a home rule municipality of tangible personal property that is acquired outside the municipality and caused to be brought into the municipality by a person who has already paid a home rule municipal tax in another municipality in respect to the sale, purchase, or use of that property, shall be exempt to the extent of the amount of the tax properly due and paid in the other home rule municipality.

(c) If a municipality having 2,000,000 or more inhabitants imposes the tax authorized by subsection (a), then the tax shall be collected by the Illinois Department of Revenue when the property is purchased at retail from a retailer in the county in which the home rule municipality imposing the tax is located, and in all contiguous counties. The tax shall be remitted to the State, or an exemption determination must be obtained from the Department before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered if the Department and that agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this Section to collect all taxes, penalties and interest due hereunder, to dispose of taxes, penalties and interest so collected in the manner hereinafter provided, and determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of and compliance with this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure as are prescribed in Sections 2 (except the definition of “retailer maintaining a place of business in this State”), 3 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19, 20, 21 and 22 of the Use Tax Act, which are not inconsistent with this Section, as fully as if provisions contained in those Sections of the Use Tax Act were set forth herein.

Whenever the Department determines that a refund shall be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the home rule municipal retailers’ occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties and interest collected hereunder. On or before the 25th day of each calendar month, the Department shall prepare and certify to the State Comptroller the disbursement of stated sums of money to named municipalities, the municipality in each instance to be that municipality from which the Department during the second preceding calendar month, collected municipal use tax from any person whose Illinois address for titling or registration purposes is given as being in such municipality. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department, and not including
an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, less the amount expended during the second preceding month by the Department to be paid from the appropriation to the Department from the Home Rule Municipal Retailers' Occupation Tax Trust Fund. The appropriation to cover the costs incurred by the Department in administering and enforcing this Section shall not exceed 2% of the amount estimated to be deposited into the Home Rule Municipal Retailers' Occupation Tax Trust Fund during the fiscal year for which the appropriation is made. Within 10 days after receipt by the State Comptroller of the disbursement certification to the municipalities provided for in this Section to be given to the State Comptroller by the Department, the State Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in that certification.

Any ordinance imposing or discontinuing any tax to be collected and enforced by the Department under this Section shall be adopted and a certified copy thereof filed with the Department on or before October 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the municipalities as of January 1 next following such adoption and filing. Beginning April 1, 1998, any ordinance imposing or discontinuing any tax to be collected and enforced by the Department under this Section shall either (i) be adopted and a certified copy thereof filed with the Department on or before April 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the municipalities as of July 1 next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before October 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the municipalities as of January 1 next following the adoption and filing.

Nothing in this subsection (c) shall prevent a home rule municipality from collecting the tax pursuant to subsection (a) in any situation where such tax is not collected by the Department of Revenue under this subsection (c).

(d) Any unobligated balance remaining in the Municipal Retailers’ Occupation Tax Fund on December 31, 1989, which fund was abolished by Public Act 85-1135, and all receipts of municipal tax as a result of audits of liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund, for distribution as provided by this Section prior to the enactment of Public Act 85-1135. All receipts of municipal tax as a result of an assessment not arising from an audit, for liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution before July 1, 1990, as provided by this Section prior to the enactment of Public Act 85-1135, and on and after July 1, 1990, all such receipts shall be distributed as provided in Section 6z-18 of the State Finance Act.

(e) As used in this Section, "Municipal" and "Municipality" means a city, village or incorporated town, including an incorporated town which has superseded a civil township.

(f) This Section shall be known and may be cited as the Home Rule Municipal Use Tax Act.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Higher Education Student Assistance Act is amended by changing Sections 50, 52, and 65.15 as follows:

Sec. 50. Minority Teachers of Illinois scholarship program.
(a) As used in this Section:
"Eligible applicant" means a minority student who has graduated from high school or has received a General Educational Development Certification and has maintained a cumulative grade point average at the postsecondary level of no less than 2.5 on a 4.0 scale, and who by reason thereof is entitled to apply for scholarships to be awarded under this Section.
"Minority student" means a student who is either (i) Black (a person having origins in any of the black racial groups in Africa); (ii) Hispanic (a person of Spanish or Portuguese culture with origins in Mexico, South or Central America, or the Caribbean islands, regardless of race); (iii) Asian American (a person with origins in any of the original peoples of the Far East, Southeast Asia, the Indian subcontinent, including Pakistan, and the Pacific Islands, including, among others, Hawaii, Melanesia, Micronesia and Polynesia); or (iv) Native American (a person who is a member of a federally or state recognized Indian tribe, or whose parents or grandparents have such membership) and to include the native people of Alaska.
"Qualified student" means a person (i) who is a resident of this State and a citizen or permanent resident of the United States; (ii) who is a minority student, as defined in this Section; (iii) who, as an eligible applicant, has made a timely application for a minority teaching scholarship under this Section; (iv) who is enrolled on at least a half-time full time basis at the sophomore level or above until his or her last semester at a qualified Illinois institution of higher learning as an undergraduate student and has not received a baccalaureate degree, except that last semester seniors must enroll only for a minimum of 6 credit hours in order to retain...
minority scholarship eligibility under this Section; (v) who is enrolled in a course of study leading to teacher certification, including alternative teacher certification; (vi) who maintains a grade point average of no less than 2.5 on a 4.0 scale while enrolled at the postsecondary level; and (vii) who continues to advance satisfactorily toward the attainment of a degree.

(b) In order to encourage academically talented Illinois minority students to pursue teaching careers at the preschool or elementary or secondary school level, each qualified student shall be awarded a minority teacher scholarship to any qualified Illinois institution of higher learning. However, preference may be given to qualified applicants enrolled at or above the junior level.

(c) Each minority teacher scholarship awarded under this Section shall be in an amount sufficient to pay the tuition and fees and room and board costs of the qualified Illinois institution of higher learning at which the recipient is enrolled, up to an annual maximum of $5,000; except that in the case of a recipient who does not reside on-campus at the institution at which he or she is enrolled, the amount of the scholarship shall be sufficient to pay tuition and fee expenses and a commuter allowance, up to an annual maximum of $5,000.

(d) The total amount of minority teacher scholarship assistance awarded by the Commission under this Section to an individual in any given fiscal year, when added to other financial assistance awarded to that individual for that year, shall not exceed the cost of attendance at the institution at which the student is enrolled. If the amount of minority teacher scholarship to be awarded to a qualified student as provided in subsection (c) of this Section exceeds the cost of attendance at the institution at which the student is enrolled, the minority teacher scholarship shall be reduced by an amount equal to the amount by which the combined financial assistance available to the student exceeds the cost of attendance.

(e) The maximum number of academic terms for which a qualified student can receive minority teacher scholarship assistance shall be 8 semesters or 12 quarters of undergraduate study.

(f) In any academic year for which an eligible applicant under this Section accepts financial assistance through the Paul Douglas Teacher Scholarship Program, as authorized by Section 551 et seq. of the Higher Education Act of 1965, the applicant shall not be eligible for scholarship assistance awarded under this Section.

(g) All applications for minority teacher scholarships to be awarded under this Section shall be made to the Commission on forms which the Commission shall provide for eligible applicants. The form of applications and the information required to be set forth therein shall be determined by the Commission, and the Commission shall require eligible applicants to submit with their applications such supporting documents or recommendations as the Commission deems necessary.

(h) Subject to a separate appropriation for such purposes, payment of any minority teacher scholarship awarded under this Section shall be determined by the Commission. All scholarship funds distributed in accordance with this subsection shall be paid to the institution and used only for payment of the tuition and fee and room and board expenses

Any minority teacher scholarship awarded under this Section shall be applicable to 2 semesters or 3 quarters of enrollment. If a qualified student withdraws from enrollment prior to completion of the first semester or quarter for which the minority teacher scholarship is applicable, the school shall refund to the Commission the full amount of the minority teacher scholarship.

(i) The Commission shall administer the minority teacher scholarship aid program established by this Section and shall make all necessary and proper rules not inconsistent with this Section for its effective implementation.

(j) When an appropriation to the Commission for a given fiscal year is insufficient to provide scholarships to all qualified students, the Commission shall allocate the appropriation in accordance with this subsection. If funds are insufficient to provide all qualified students with a scholarship as authorized by this Section, the Commission shall allocate the available scholarship funds for that fiscal year on the basis of the date the Commission receives a complete application form.

(k) Notwithstanding the provisions of subsection (j) or any other provision of this Section, at least 30% of the funds appropriated for scholarships awarded under this Section in each fiscal year shall be reserved for qualified male minority applicants. If the Commission does not receive enough applications from qualified male minorities on or before January 1 of each fiscal year to award 30% of the funds appropriated for these scholarships to qualified male minority applicants, then the Commission may award a portion of the reserved funds to qualified female minority applicants.

(l) Prior to receiving scholarship assistance for any academic year, each recipient of a minority teacher scholarship awarded under this Section shall be required by the Commission to sign an agreement under which the recipient pledges that, within the one-year period following the termination of the undergraduate program for which the recipient was awarded a minority teacher scholarship, the recipient (i) shall begin teaching for a period of not less than one year for each year of scholarship assistance he or she was awarded under this Section; and (ii) shall fulfill this teaching obligation at a nonprofit Illinois public, private, or parochial preschool, elementary school, or secondary school at which no less than 30% of the enrolled students are minority students in the year during which the recipient begins teaching at the school; and (iii) shall, upon request by the Commission, provide the Commission with evidence that he or she is fulfilling or has fulfilled the terms of the teaching agreement provided for in this subsection.

(m) If a recipient of a minority teacher scholarship awarded under this Section fails to fulfill the teaching obligation set forth in subsection (l) of this Section, the Commission shall require the recipient to repay the amount of the scholarships received, prorated according to the fraction of the teaching obligation not completed, at a rate of interest equal to 5%, and, if applicable, reasonable collection fees. The Commission is authorized to establish rules relating to its collection activities for repayment of scholarships under this Section. All repayments collected under this Section shall be forwarded to the State Comptroller for deposit into the State's General Revenue Fund.

New matter indicated by italics - deletions by strikeout.
(n) A recipient of minority teacher scholarship shall not be considered in violation of the agreement entered into pursuant to subsection (l) if the recipient (i) enrolls on a full time basis as a graduate student in a course of study related to the field of teaching at a qualified Illinois institution of higher learning; (ii) is serving, not in excess of 3 years, as a member of the armed services of the United States; (iii) is temporarily totally disabled for a period of time not to exceed 3 years as established by sworn affidavit of a qualified physician; (iv) is seeking and unable to find full time employment as a teacher at an Illinois public, private, or parochial preschool or elementary or secondary school that satisfies the criteria set forth in subsection (l) of this Section and is able to provide evidence of that fact; or, (v) becomes permanently totally disabled as established by sworn affidavit of a qualified physician.

Sec. 65.15. Special education teacher scholarships.

(a) There shall be awarded annually 250 scholarships to persons qualifying as members of either of the following groups:

(1) Students who are otherwise qualified to receive a scholarship as provided in subsections (b) and (c) of this Section and who make application to the Commission for such scholarship and agree to take courses that will prepare the student for the teaching of children described in Section 14-1 of the School Code.

(2) Persons holding a valid certificate issued under the laws relating to the certification of teachers and who make application to the Commission for such scholarship and agree to take courses that will prepare them for the teaching of children described in Section 14-1 of the School Code.

Scholarships awarded under this Section shall be issued pursuant to regulations promulgated by the Commission; provided that no rule or regulation promulgated by the State Board of Education prior to the effective date of this amendatory Act of 1993 pursuant to the exercise of any right, power, duty, responsibility or matter of pending business transferred from the State Board of Education to the Commission under this Section shall be affected thereby, and all such rules and regulations shall become the rules and regulations of the Commission until modified or changed by the Commission in accordance with law.

For the purposes of this Section scholarships awarded each school year shall be deemed to be issued on July 1 of the year prior to the start of the postsecondary school term and all calculations for use of the scholarship shall be based on such date. Each scholarship shall entitle its holder to exemption from fees as provided in subsection (a) of Section 65.40 while enrolled in a special education program of teacher education, for a period of not more than 4 calendar years and shall be available for use at any time during such period of study except as provided in subsection (b) of Section 65.40.

Scholarships issued to holders of a valid certificate issued under the laws relating to the certification of teachers as provided in paragraph (2) of this subsection may also entitle the holder thereof to a program of teacher education that will prepare the student for the teaching of children described in Section 14-1 of the School Code at the graduate level.

New matter indicated by italics - deletions by strikeout.
(b) Each year, the principal, or his or her designee, of each recognized public, private and parochial high school maintaining the twelfth grade shall certify to the Commission the names and addresses of students who are completing an application with the intent to prepare to teach in any recognized public, private, or parochial school of Illinois and ranked scholastically in the upper one-half of their graduating class or, for those not yet graduated, whose scholastic rank in the 4-year high school course of study at the end of the sixth seventh semester is in the upper one-half of their class.

(c) Each holder of a scholarship must furnish proof to the Commission, in such form and at such intervals as the Commission prescribes, of the holder's continued enrollment in a teacher education program qualifying the holder for the scholarship. Any holder of a scholarship who fails to register in a special education program of teacher education at the university within 10 days after the commencement of the term, quarter or semester immediately following the receipt of the scholarship or who, having registered, withdraws from the university or transfers out of teacher education, shall thereupon forfeit the right to use it and it may be granted to the person having the next highest rank as shown on the list held by the Commission. If the person having the next highest rank, within 10 days after notification thereof by the Commission, fails to register at any such university in a special education program of teacher education, or who, having registered, withdraws from the university or transfers out of teacher education, the scholarship may then be granted to the person shown on the list as having the rank next below such person.

(d) Any person who has accepted a scholarship under the preceding subsections of this Section must, within one year after graduation from or termination of enrollment in a teacher education program, begin teaching at a nonprofit Illinois public, private, or parochial preschool or elementary or secondary school in this State for a period of at least 2 of the 5 years immediately following that graduation or termination, excluding, however, from the computation of that 5 year period (i) any time up to 3 years spent in the military service, whether such service occurs before or after the person graduates; (ii) any time that person is enrolled full-time in an academic program related to the field of teaching leading to a graduate or postgraduate degree; (iii) the time that person is temporarily totally disabled for a period of time not to exceed 3 years, as established by the sworn affidavit of a qualified physician; (iv) the time that person is seeking and unable to find full time employment as a teacher at an Illinois public, private, or parochial school; or (v) the time that person is taking additional courses, on at least a half-time basis, needed to obtain certification as a teacher in Illinois.

A person who has accepted a scholarship under the preceding subsections of this Section and who has been unable to fulfill the teaching requirements of this Section may receive a deferment from the obligation of repayment under this subsection (d) under guidelines established by the Commission; provided that no guideline established for any such purpose by the State Board of Education prior to the effective date of this amendatory Act of 1993 shall be affected by the transfer to the Commission of the responsibility for administering and implementing the provisions of this Section, and all guidelines so established shall become the guidelines of the Commission until modified or changed by the Commission.

Commission.

Any such person who fails to fulfill this teaching requirement shall pay to the Commission the amount of tuition waived by virtue of his or her acceptance of the scholarship, together with interest at 5% per year on that amount. However, this obligation to repay the amount of tuition waived plus interest does not apply when the failure to fulfill the teaching requirement results from the death or adjudication as a person under legal disability of the person holding the scholarship, and no claim for repayment may be filed against the estate of such a decedent or person under legal disability. Payments received by the Commission under this subsection (d) shall be remitted to the State Treasurer for deposit in the general revenue fund. Each person receiving a scholarship shall be provided with a description of the provisions of this subsection (d) at the time he or she qualifies for the benefits of such a scholarship.

(e) This Section is basically the same as Sections 30-1, 30-2, 30-3, and 30-4a of the School Code, which are repealed by this amendatory Act of 1993, and shall be construed as a continuation of the teacher scholarship program established by that prior law, and not as a new or different teacher scholarship program. The State Board of Education shall transfer to the Commission, as the successor to the State Board of Education for all purposes of administering and implementing the provisions of this Section, all books, accounts, records, papers, documents, contracts, agreements, and pending business in any way relating to the teacher scholarship program continued under this Section; and all scholarships at any time awarded under that program by, and all applications for any such scholarships at any time made to, the State Board of Education shall be unaffected by the transfer to the Commission of all responsibility for the administration and implementation of the teacher scholarship program continued under this Section. The State Board of Education shall furnish to the Commission such other information as the Commission may request to assist it in administering this Section.

Of this $40 additional renewal fee, $2 shall be deposited into the Secretary of State Special License Plate Fund and $38 shall be deposited into the Illinois Future Teacher Corps Scholarship Fund. Each fiscal year, once deposits from the additional original issuance and renewal fees into the Secretary of State Special License Plate Fund have reached $500,000, all the amounts received for the additional fees for the balance of the fiscal year shall be deposited into the Illinois Future Teacher Corps Scholarship Fund.

(d) The Illinois Future Teacher Corps Scholarship Fund is created as a special fund in the State treasury. Ninety-five percent of the moneys in the Illinois Future Teacher Corps Scholarship Fund shall be appropriated to the Illinois Student Assistance Commission for scholarships under Section 52 or 65.65 of the Higher Education Student Assistance Act, and 5% of the moneys in the Illinois Future Teacher Corps Scholarship Fund shall be appropriated to the State Board of Education for grants to the Golden Apple Foundation for Excellence in Teaching, a recognized charitable organization that meets the requirements of Title 26, Section 501(c)(3) of the United States Code.

partnership, trust or a Subchapter S corporation shall be an additional amount equal to 1.5% of such taxpayer's net income for the taxable year.

(d-1) Rate reduction for certain foreign insurers. In the case of a foreign insurer, as defined by Section 35A-5 of the Illinois Insurance Code, whose state or country of domicile imposes on insurers domiciled in Illinois a retaliatory tax (excluding any insurer whose premiums from reinsurance assumed are 50% or more of its total insurance premiums as determined under paragraph (2) of subsection (b) of Section 304, except that for purposes of this determination premiums from reinsurance do not include premiums from inter-affiliate reinsurance arrangements), beginning with taxable years ending on or after December 31, 1999, the sum of the rates of tax imposed by subsections (b) and (d) shall be reduced (but not increased) to the rate at which the total amount of tax imposed under this Act, net of all credits allowed under this Act, shall equal (i) the total amount of tax that would be imposed on the foreign insurer's net income allocable to Illinois for the taxable year by such foreign insurer's state or country of domicile if that net income were subject to all income taxes and taxes measured by net income imposed by such foreign insurer's state or country of domicile, net of all credits allowed or (ii) a rate of zero if no such tax is imposed on such income by the foreign insurer's state of domicile. For the purposes of this subsection (d-1), an inter-affiliate includes a mutual insurer under common management.

(1) For the purposes of subsection (d-1), in no event shall the sum of the rates of tax imposed by subsections (b) and (d) be reduced below the rate at which the sum of:

(A) the total amount of tax imposed on such foreign insurer under this Act for a taxable year, net of all credits allowed under this Act, plus

(B) the privilege tax imposed by Section 409 of the Illinois Insurance Code, the fire insurance company tax imposed by Section 12 of the Fire Investigation Act, and the fire department taxes imposed under Section 11-10-1 of the Illinois Municipal Code,

equals 1.25% of the net taxable premiums written for the taxable year, as described by subsection (1) of Section 409 of the Illinois Insurance Code. This paragraph will in no event increase the rates imposed under subsections (b) and (d).

(2) Any reduction in the rates of tax imposed by this subsection shall be applied first against the rates imposed by subsection (b) and only after the tax imposed by subsection (a) net of all credits allowed under this Section other than the credit allowed under subsection (i) has been reduced to zero, against the rates imposed by subsection (d).

This subsection (d-1) is exempt from the provisions of Section 250.

(e) Investment credit. A taxpayer shall be allowed a credit against the Personal Property Tax Replacement Income Tax for investment in qualified property.

(1) A taxpayer shall be allowed a credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1984. There shall be allowed an additional credit equal to .5% of the basis of qualified property placed in service during the taxable year,

provided such property is placed in service on or after July 1, 1986, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200 (and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor may any credit for qualified property be allowed for any year other than the year in which the property was placed in service in Illinois. For tax years ending on or after December 31, 1987, and on or before December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years if the taxpayer (i) makes investments which cause the creation of a minimum of 2,000 full-time equivalent jobs in Illinois, (ii) is located in an enterprise zone established pursuant to the Illinois Enterprise Zone Act and (iii) is certified by the Department of Commerce and Community Affairs as complying with the requirements specified in clause (i) and (ii) by July 1, 1986. The Department of Commerce and Community Affairs shall notify the Department of Revenue of all such certifications immediately. For tax years ending after December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(2) The term "qualified property" means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings and signs that are real property, but not including land or improvements to real property that are not a structural component of a building such as landscaping, sewer lines, local access roads, fencing, parking lots, and other appurtenances;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (e);

New matter indicated by italics - deletions by strikeout.
(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in Illinois by a taxpayer who is primarily engaged in manufacturing, or in mining coal or fluorite, or in retailing; and

(E) has not previously been used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (e) or subsection (f).

(3) For purposes of this subsection (e), "manufacturing" means the material staging and production of tangible personal property by procedures commonly regarded as manufacturing, processing, fabrication, or assembling which changes some existing material into new shapes, new qualities, or new combinations. For purposes of this subsection (e) the term "mining" shall have the same meaning as the term "mining" in Section 613(c) of the Internal Revenue Code. For purposes of this subsection (e), the term "retailing" means the sale of tangible personal property or services rendered in conjunction with the sale of tangible consumer goods or commodities.

(4) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(5) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(6) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the Personal Property Tax Replacement Income Tax for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation and, (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (7), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(8) Unless the investment credit is extended by law, the basis of qualified property shall not include costs incurred after December 31, 2003, except for costs incurred pursuant to a binding contract entered into on or before December 31, 2003.

(9) Each taxable year ending before December 31, 2000, a partnership may elect to pass through to its partners the credits to which the partnership is entitled under this subsection (e) for the taxable year. A partner may use the credit allocated to him or her under this paragraph only against the tax imposed in subsections (c) and

New matter indicated by italics - deletions by strikeout.
(d) of this Section. If the partnership makes that election, those credits shall be allocated among the partners in the partnership in accordance with the rules set forth in Section 704(b) of the Internal Revenue Code, and the rules promulgated under that Section, and the allocated amount of the credits shall be allowed to the partners for that taxable year. The partnership shall make this election on its Personal Property Tax Replacement Income Tax return for that taxable year. The election to pass through the credits shall be irrevocable.

For taxable years ending on or after December 31, 2000, a partner that qualifies its partnership for a subtraction under subparagraph (I) of paragraph (2) of subsection (d) of Section 203 or a shareholder that qualifies a Subchapter S corporation for a subtraction under subparagraph (S) of paragraph (2) of subsection (b) of Section 203 shall be allowed a credit under this subsection (e) equal to its share of the credit earned under this subsection (e) during the taxable year by the partnership or Subchapter S corporation, determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. This paragraph is exempt from the provisions of Section 250.

(f) Investment credit; Enterprise Zone.

(1) A taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service in an Enterprise Zone created pursuant to the Illinois Enterprise Zone Act. For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (f) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. The credit shall be .5% of the basis for such property. The credit shall be available only in the taxable year in which the property is placed in service in the Enterprise Zone and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1985, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code.
Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (f);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in the Enterprise Zone by the taxpayer; and

(E) has not been previously used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (f) or subsection (e).

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in the Enterprise Zone by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside the Enterprise Zone within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(g) Jobs Tax Credit; Enterprise Zone and Foreign Trade Zone or Sub-Zone.

(1) A taxpayer conducting a trade or business in an enterprise zone or a High Impact Business designated by the Department of Commerce and Community Affairs conducting a trade or business in a federally designated Foreign Trade Zone or Sub-Zone shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section in the amount of $500 per eligible employee hired to work in the zone during the taxable year.

(2) To qualify for the credit:

(A) the taxpayer must hire 5 or more eligible employees to work in an enterprise zone or federally designated Foreign Trade Zone or Sub-Zone during the taxable year;

(B) the taxpayer's total employment within the enterprise zone or federally designated Foreign Trade Zone or Sub-Zone must increase by 5 or more full-time employees beyond the total employed in that zone at the end of the previous tax year for which a jobs tax credit under this Section was
taken, or beyond the total employed by the taxpayer as of December 31, 1985, whichever is later; and

(C) the eligible employees must be employed 180 consecutive days in order to be deemed hired for purposes of this subsection.

(3) An "eligible employee" means an employee who is:

(A) Certified by the Department of Commerce and Community Affairs as "eligible for services" pursuant to regulations promulgated in accordance with Title II of the Job Training Partnership Act, Training Services for the Disadvantaged or Title III of the Job Training Partnership Act, Employment and Training Assistance for Dislocated Workers Program.

(B) Hired after the enterprise zone or federally designated Foreign Trade Zone or Sub-Zone was designated or the trade or business was located in that zone, whichever is later.

(C) Employed in the enterprise zone or Foreign Trade Zone or Sub-Zone. An employee is employed in an enterprise zone or federally designated Foreign Trade Zone or Sub-Zone if his services are rendered there or it is the base of operations for the services performed.

(D) A full-time employee working 30 or more hours per week.

(4) For tax years ending on or after December 31, 1985 and prior to December 31, 1988, the credit shall be allowed for the tax year in which the eligible employees are hired. For tax years ending on or after December 31, 1988, the credit shall be allowed for the tax year immediately following the tax year in which the eligible employees are hired. If the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(5) The Department of Revenue shall promulgate such rules and regulations as may be deemed necessary to carry out the purposes of this subsection (g).

(6) The credit shall be available for eligible employees hired on or after January 1, 1986.

(h) Investment credit; High Impact Business.

(1) Subject to subsections (b) and (b-5) of Section 5.5 of the Illinois Enterprise Zone Act, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service by a Department of Commerce and Community Affairs designated High Impact Business. The credit shall be .5% of the basis for such property. The credit shall not be available (i) until the minimum investments in qualified property set forth in subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act have been satisfied or (ii) until the time authorized in subsection (b-5) of the Illinois Enterprise Zone Act for entities designated as High Impact Businesses under

subdivisions (a)(3)(B), (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois Enterprise Zone Act, and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act shall be available only in the taxable year in which the property is placed in service and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1987, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

Changes made in this subdivision (h)(1) by Public Act 88-670 restore changes made by Public Act 85-1182 and reflect existing law.

(2) The term qualified property means property which:
    (A) is tangible, whether new or used, including buildings and structural components of buildings;
    (B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (h);
    (C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code; and
    (D) is not eligible for the Enterprise Zone Investment Credit provided by subsection (f) of this Section.

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in a federally designated Foreign Trade Zone or Sub-Zone located in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under

subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) Beginning with tax years ending after December 31, 1996, if a taxpayer qualifies for the credit under this subsection (h) and thereby is granted a tax abatement and the taxpayer relocates its entire facility in violation of the explicit terms and length of the contract under Section 18-183 of the Property Tax Code, the tax imposed under subsections (a) and (b) of this Section shall be increased for the taxable year in which the taxpayer relocated its facility by an amount equal to the amount of credit received by the taxpayer under this subsection (h).

(i) Credit for Personal Property Tax Replacement Income Tax. A credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income allocable to Illinois and the denominator of which is Illinois base income, and further multiplying the product by the tax rate imposed by subsections (a) and (b) of this Section.

Any credit earned on or after December 31, 1986 under this subsection which is unused in the year the credit is computed because it exceeds the tax liability imposed by subsections (a) and (b) for that year (whether it exceeds the original liability or the liability as later amended) may be carried forward and applied to the tax liability imposed by subsections (a) and (b) of the 5 taxable years following the excess credit year. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.

If, during any taxable year ending on or after December 31, 1986, the tax imposed by subsections (c) and (d) of this Section for which a taxpayer has claimed a credit under this subsection (i) is reduced, the amount of credit for such tax shall also be reduced. Such reduction shall be determined by recomputing the credit to take into account the reduced tax imposed by subsections (c) and (d). If any portion of the reduced amount of credit has been carried to a different taxable year, an amended return shall be filed for such taxable year to reduce the amount of credit claimed.

(j) Training expense credit. Beginning with tax years ending on or after December 31, 1986, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all amounts paid or accrued, on behalf of all persons employed by the taxpayer in Illinois or Illinois residents employed outside of Illinois by a taxpayer, for educational or vocational training in semi-technical or technical fields or
semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.

(k) Research and development credit.

Beginning with tax years ending after July 1, 1990, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for increasing research activities in this State. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 6 1/2% of the qualifying expenditures for increasing research activities in this State. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

For purposes of this subsection, "qualifying expenditures" means the qualifying expenditures as defined for the federal credit for increasing research activities which would be allowable under Section 41 of the Internal Revenue Code and which are conducted in this State, "qualifying expenditures for increasing research activities in this State" means the excess of qualifying expenditures for the taxable year in which incurred over qualifying expenditures for the base period, "qualifying expenditures for the base period" means the average of the qualifying expenditures for each year in the base period, and "base period" means the 3 taxable years immediately preceding the taxable year for which the determination is being made.

Any credit in excess of the tax liability for the taxable year may be carried forward. A taxpayer may elect to have the unused credit shown on its final completed return carried over as a credit against the tax liability for the following 5 taxable years or until it has been fully used, whichever occurs first.

If an unused credit is carried forward to a given year from 2 or more earlier years, that credit arising in the earliest year will be applied first against the tax liability for the given year. If a tax liability for the given year still remains, the credit from the next earliest year will then be applied, and so on, until all credits have been used or no tax liability for the given year remains. Any remaining unused credit or credits then will be carried forward to
the next following year in which a tax liability is incurred, except that no credit can be
carried forward to a year which is more than 5 years after the year in which the expense for
which the credit is given was incurred.

 Unless extended by law, the credit shall not include costs incurred after December
31, 2004, except for costs incurred pursuant to a binding contract entered into on or before

 No inference shall be drawn from this amendatory Act of the 91st General Assembly
in construing this Section for taxable years beginning before January 1, 1999.

 (l) Environmental Remediation Tax Credit.

  (i) For tax years ending after December 31, 1997 and on or before December
31, 2001, a taxpayer shall be allowed a credit against the tax imposed by subsections
(a) and (b) of this Section for certain amounts paid for unreimbursed eligible
remediation costs, as specified in this subsection. For purposes of this Section,
"unreimbursed eligible remediation costs" means costs approved by the Illinois
Environmental Protection Agency ("Agency") under Section 58.14 of the
Environmental Protection Act that were paid in performing environmental
remediation at a site for which a No Further Remediation Letter was issued by the
Agency and recorded under Section 58.10 of the Environmental Protection Act. The
credit must be claimed for the taxable year in which Agency approval of the eligible
remediation costs is granted. The credit is not available to any taxpayer if the
taxpayer or any related party caused or contributed to, in any material respect, a
release of regulated substances on, in, or under the site that was identified and
addressed by the remedial action pursuant to the Site Remediation Program of the
Environmental Protection Act. After the Pollution Control Board rules are adopted
pursuant to the Illinois Administrative Procedure Act for the administration and
enforcement of Section 58.9 of the Environmental Protection Act, determinations as
to credit availability for purposes of this Section shall be made consistent with those
rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes
the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and
"related party" includes the persons disallowed a deduction for losses by paragraphs
(b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a
related taxpayer, as well as any of its partners. The credit allowed against the tax
imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed
eligible remediation costs in excess of $100,000 per site, except that the $100,000
threshold shall not apply to any site contained in an enterprise zone as determined
by the Department of Commerce and Community Affairs. The total credit allowed shall
not exceed $40,000 per year with a maximum total of $150,000 per site. For partners
and shareholders of subchapter S corporations, there shall be allowed a credit under
this subsection to be determined in accordance with the determination of income and
distributive share of income under Sections 702 and 704 and subchapter S of the
Internal Revenue Code.

  (ii) A credit allowed under this subsection that is unused in the year the credit

is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(m) Education expense credit.

Beginning with tax years ending after December 31, 1999, a taxpayer who is the custodian of one or more qualifying pupils shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for qualified education expenses incurred on behalf of the qualifying pupils. The credit shall be equal to 25% of qualified education expenses, but in no event may the total credit under this subsection claimed by a family that is the custodian of qualifying pupils exceed $500. In no event shall a credit under this subsection reduce the taxpayer's liability under this Act to less than zero. This subsection is exempt from the provisions of Section 250 of this Act.

For purposes of this subsection:

"Qualifying pupils" means individuals who (i) are residents of the State of Illinois, (ii) are under the age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through twelfth grade education program at any school, as defined in this subsection.

"Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of $250 for tuition, book fees, and lab fees at the school in which the pupil is enrolled during the regular school year.

"School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of the School Code, except that nothing shall be construed to require a child to attend any particular public or nonpublic school to qualify for the credit under this Section.

"Custodian" means, with respect to qualifying pupils, an Illinois resident who is a...
parent, the parents, a legal guardian, or the legal guardians of the qualifying pupils. (Source: P.A. 91-9, eff. 1-1-00; 91-357, eff. 7-29-99; 91-643, eff. 8-20-99; 91-644, eff. 8-20-99; 91-860, eff. 6-22-00; 91-913, eff. 1-1-01; 92-12, eff. 7-1-01; 92-16, eff. 6-28-01; revised 12-3-01.)

taken into account by an individual in calculating his taxable income.

(f) Valuation limitation amount.
   (1) In general. The valuation limitation amount referred to in subsections (a)
   (2) (G), (c) (2) (I) and (d)(2) (E) is an amount equal to:
   
   (A) The sum of the pre-August 1, 1969 appreciation amounts (to the
   extent consisting of gain reportable under the provisions of Section 1245 or
   1250 of the Internal Revenue Code) for all property in respect of which such
   gain was reported for the taxable year; plus
   
   (B) The lesser of (i) the sum of the pre-August 1, 1969 appreciation
   amounts (to the extent consisting of capital gain) for all property in respect
   of which such gain was reported for federal income tax purposes for the
   taxable year, or (ii) the net capital gain for the taxable year, reduced in either
   case by any amount of such gain included in the amount determined under
   subsection (a) (2) (F) or (c) (2) (H).
   
   (2) Pre-August 1, 1969 appreciation amount.
   
   (A) If the fair market value of property referred to in paragraph (1)
   was readily ascertainable on August 1, 1969, the pre-August 1, 1969
   appreciation amount for such property is the lesser of (i) the excess of such
   fair market value over the taxpayer's basis (for determining gain) for such
   property on that date (determined under the Internal Revenue Code as in
   effect on that date), or (ii) the total gain realized and reportable for federal
   income tax purposes in respect of the sale, exchange or other disposition of
   such property.
   
   (B) If the fair market value of property referred to in paragraph (1)
   was not readily ascertainable on August 1, 1969, the pre-August 1, 1969
   appreciation amount for such property is that amount which bears the same
   ratio to the total gain reported in respect of the property for federal income
   tax purposes for the taxable year, as the number of full calendar months in
   that part of the taxpayer's holding period for the property ending July 31,
   1969 bears to the number of full calendar months in the taxpayer's entire
   holding period for the property.
   
   (C) The Department shall prescribe such regulations as may be
   necessary to carry out the purposes of this paragraph.
   
   (g) Double deductions. Unless specifically provided otherwise, nothing in this
   Section shall permit the same item to be deducted more than once.
   
   (h) Legislative intention. Except as expressly provided by this Section there shall be
   no modifications or limitations on the amounts of income, gain, loss or deduction taken into
   account in determining gross income, adjusted gross income or taxable income for federal
   income tax purposes for the taxable year, or in the amount of such items entering into the
   computation of base income and net income under this Act for such taxable year, whether
   in respect of property values as of August 1, 1969 or otherwise.

Sec. 209. Tax Credit for "TECH-PREP" youth vocational programs.

(a) Beginning with tax years ending on or after June 30, 1995, every taxpayer who is primarily engaged in manufacturing is allowed a credit against the tax imposed by subsections (a) and (b) of Section 201 in an amount equal to 20% of the taxpayer's direct payroll expenditures for which a credit has not already been claimed under subsection (j) of Section 201 of this Act, in the tax year for which the credit is claimed, for cooperative secondary school youth vocational programs in Illinois which are certified as qualifying TECH-PREP programs by the State Board of Education and the Department of Revenue because the programs prepare students to be technically skilled workers and meet the performance standards of business and industry and the admission standards of higher education. The credit may also be claimed for personal services rendered to the taxpayer by a TECH-PREP student or instructor (i) which would be subject to the provisions of Article 7 of this Act if the student or instructor was an employee of the taxpayer and (ii) for which no credit under this Section is claimed by another taxpayer.

(b) If the amount of the credit exceeds the tax liability for the year, the excess may be carried forward and applied to the tax liability of the 2 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one tax year that are available to offset a liability, the earlier credit shall be applied first.

(c) A taxpayer claiming the credit provided by this Section shall maintain and record such information regarding its participation in a qualifying TECH-PREP program as the Department may require by regulation. When claiming the credit provided by this Section, the taxpayer shall provide such information regarding the taxpayer's participation in a qualifying TECH-PREP program as the Department of Revenue may require by regulation.

(d) This Section does not apply to those programs with national standards that have been or in the future are approved by the U.S. Department of Labor, Bureau of Apprenticeship Training or any federal agency succeeding to the responsibilities of that Bureau.

Sec. 502. Returns and notices.
(a) In general. A return with respect to the taxes imposed by this Act shall be made by every person for any taxable year:

(1) For which such person is liable for a tax imposed by this Act, or
(2) In the case of a resident or in the case of a corporation which is qualified to do business in this State, for which such person is required to make a federal income tax return, regardless of whether such person is liable for a tax imposed by this Act. However, this paragraph shall not require a resident to make a return if such person has an Illinois base income of the basic amount in Section 204(b) or less and

is either claimed as a dependent on another person's tax return under the Internal Revenue Code of 1986, or is claimed as a dependent on another person's tax return under this Act.

(b) Fiduciaries and receivers.

(1) Decedents. If an individual is deceased, any return or notice required of such individual under this Act shall be made by his executor, administrator, or other person charged with the property of such decedent.

(2) Individuals under a disability. If an individual is unable to make a return or notice required under this Act, the return or notice required of such individual shall be made by his duly authorized agent, guardian, fiduciary or other person charged with the care of the person or property of such individual.

(3) Estates and trusts. Returns or notices required of an estate or a trust shall be made by the fiduciary thereof.

(4) Receivers, trustees and assignees for corporations. In a case where a receiver, trustee in bankruptcy, or assignee, by order of a court of competent jurisdiction, by operation of law, or otherwise, has possession of or holds title to all or substantially all the property or business of a corporation, whether or not such property or business is being operated, such receiver, trustee, or assignee shall make the returns and notices required of such corporation in the same manner and form as corporations are required to make such returns and notices.

(c) Joint returns by husband and wife.

(1) Except as provided in paragraph (3), if a husband and wife file a joint federal income tax return for a taxable year they shall file a joint return under this Act for such taxable year and their liabilities shall be joint and several, but if the federal income tax liability of either spouse is determined on a separate federal income tax return, they shall file separate returns under this Act.

(2) If neither spouse is required to file a federal income tax return and either or both are required to file a return under this Act, they may elect to file separate or joint returns and pursuant to such election their liabilities shall be separate or joint and several.

(3) If either husband or wife is a resident and the other is a nonresident, they shall file separate returns in this State on such forms as may be required by the Department in which event their tax liabilities shall be separate; but they may elect to determine their joint net income and file a joint return as if both were residents and in such case, their liabilities shall be joint and several.

(4) Innocent spouses.

(A) However, for tax liabilities arising and paid prior to August 13, 1999, the effective date of this amendatory Act of the 91st General Assembly, an innocent spouse shall be relieved of liability for tax (including interest and penalties) for any taxable year for which a joint return has been made, upon submission of proof that the Internal Revenue Service has made a determination under Section 6013(e) of the Internal Revenue Code, for the

same taxable year, which determination relieved the spouse from liability for federal income taxes. If there is no federal income tax liability at issue for the same taxable year, the Department shall rely on the provisions of Section 6013(e) to determine whether the person requesting innocent spouse abatement of tax, penalty, and interest is entitled to that relief.

(B) For tax liabilities arising on and after August 13, 1999 the effective date of this amendatory Act of the 91st General Assembly or which arose prior to that effective date, but remain unpaid as of that effective date, if an individual who filed a joint return for any taxable year has made an election under this paragraph, the individual's liability for any tax shown on the joint return shall not exceed the individual's separate return amount and the individual's liability for any deficiency assessed for that taxable year shall not exceed the portion of the deficiency properly allocable to the individual. For purposes of this paragraph:

(i) An election properly made pursuant to Section 6015 of the Internal Revenue Code shall constitute an election under this paragraph, provided that the election shall not be effective until the individual has notified the Department of the election in the form and manner prescribed by the Department.

(ii) If no election has been made under Section 6015, the individual may make an election under this paragraph in the form and manner prescribed by the Department, provided that no election may be made if the Department finds that assets were transferred between individuals filing a joint return as part of a scheme by such individuals to avoid payment of Illinois income tax and the election shall not eliminate the individual's liability for any portion of a deficiency attributable to an error on the return of which the individual had actual knowledge as of the date of filing.

(iii) In determining the separate return amount or portion of any deficiency attributable to an individual, the Department shall follow the provisions in subsections (c) and (d) of Section 6015(b) and (c) of the Internal Revenue Code.

(iv) In determining the validity of an individual's election under subparagraph (ii) and in determining an electing individual's separate return amount or portion of any deficiency under subparagraph (iii), any determination made by the Secretary of the Treasury, by the United States Tax Court on petition for review of a determination by the Secretary of the Treasury, or on appeal from the United States Tax Court under Section 6015(a) of the Internal Revenue Code regarding criteria for eligibility or under subsection (d) of Section 6015(b) or (c) of the Internal Revenue Code regarding the allocation of any item of income, deduction, payment,
or credit between an individual making the federal election and that individual's spouse shall be conclusively presumed to be correct. With respect to any item that is not the subject of a determination by the Secretary of the Treasury or the federal courts, in any proceeding involving this subsection, the individual making the election shall have the burden of proof with respect to any item except that the Department shall have the burden of proof with respect to items in subdivision(ii).

(v) Any election made by an individual under this subsection shall apply to all years for which that individual and the spouse named in the election have filed a joint return.

(vi) After receiving a notice that the federal election has been made or after receiving an election under subdivision (ii), the Department shall take no collection action against the electing individual for any liability arising from a joint return covered by the election until the Department has notified the electing individual in writing that the election is invalid or of the portion of the liability the Department has allocated to the electing individual. Within 60 days (150 days if the individual is outside the United States) after the issuance of such notification, the individual may file a written protest of the denial of the election or of the Department's determination of the liability allocated to him or her and shall be granted a hearing within the Department under the provisions of Section 908. If a protest is filed, the Department shall take no collection action against the electing individual until the decision regarding the protest has become final under subsection (d) of Section 908 or, if administrative review of the Department's decision is requested under Section 1201, until the decision of the court becomes final.

(d) Partnerships. Every partnership having any base income allocable to this State in accordance with section 305(c) shall retain information concerning all items of income, gain, loss and deduction; the names and addresses of all of the partners, or names and addresses of members of a limited liability company, or other persons who would be entitled to share in the base income of the partnership if distributed; the amount of the distributive share of each; and such other pertinent information as the Department may by forms or regulations prescribe. The partnership shall make that information available to the Department when requested by the Department.

(e) For taxable years ending on or after December 31, 1985, and before December 31, 1993, taxpayers that are corporations (other than Subchapter S corporations) having the same taxable year and that are members of the same unitary business group may elect to be treated as one taxpayer for purposes of any original return, amended return which includes the same taxpayers of the unitary group which joined in the election to file the original return, extension, claim for refund, assessment, collection and payment and determination of the

group’s tax liability under this Act. This subsection (e) does not permit the election to be made for some, but not all, of the purposes enumerated above. For taxable years ending on or after December 31, 1987, corporate members (other than Subchapter S corporations) of the same unitary business group making this subsection (e) election are not required to have the same taxable year.

For taxable years ending on or after December 31, 1993, taxpayers that are corporations (other than Subchapter S corporations) and that are members of the same unitary business group shall be treated as one taxpayer for purposes of any original return, amended return which includes the same taxpayers of the unitary group which joined in filing the original return, extension, claim for refund, assessment, collection and payment and determination of the group’s tax liability under this Act.

(f) The Department may promulgate regulations to permit nonresident individual partners of the same partnership, nonresident Subchapter S corporation shareholders of the same Subchapter S corporation, and nonresident individuals transacting an insurance business in Illinois under a Lloyds plan of operation, and nonresident individual members of the same limited liability company that is treated as a partnership under Section 1501 (a)(16) of this Act, to file composite individual income tax returns reflecting the composite income of such individuals allocable to Illinois and to make composite individual income tax payments. The Department may by regulation also permit such composite returns to include the income tax owed by Illinois residents attributable to their income from partnerships, Subchapter S corporations, insurance businesses organized under a Lloyds plan of operation, or limited liability companies that are treated as partnership under Section 1501 (a)(16) of this Act, in which case such Illinois residents will be permitted to claim credits on their individual returns for their shares of the composite tax payments. This paragraph of subsection (f) applies to taxable years ending on or after December 31, 1987.

For taxable years ending on or after December 31, 1999, the Department may, by regulation, also permit any persons transacting an insurance business organized under a Lloyds plan of operation to file composite returns reflecting the income of such persons allocable to Illinois and the tax rates applicable to such persons under Section 201 and to make composite tax payments and shall, by regulation, also provide that the income and apportionment factors attributable to the transaction of an insurance business organized under a Lloyds plan of operation by any person joining in the filing of a composite return shall, for purposes of allocating and apportioning income under Article 3 of this Act and computing net income under Section 202 of this Act, be excluded from any other income and apportionment factors of that person or of any unitary business group, as defined in subdivision (a)(27) of Section 1501, to which that person may belong.

(g) The Department may adopt rules to authorize the electronic filing of any return required to be filed under this Section.

the return was filed. For purposes of this paragraph, there shall not be taken into account any amount which is omitted in the return if such amount is disclosed in the return, or in a statement attached to the return, in a manner adequate to apprise the Department of the nature and the amount of such item.

(c) No return or fraudulent return. If no return is filed or a false and fraudulent return is filed with intent to evade the tax imposed by this Act, a notice of deficiency may be issued at any time.

(d) Failure to report federal change. If a taxpayer fails to notify the Department in any case where notification is required by Section 304(c) or 506(b), or fails to report a change or correction which is treated in the same manner as if it were a deficiency for federal income tax purposes, a notice of deficiency may be issued (i) at any time or (ii) on or after August 13, 1999 the effective date of this amendatory Act of the 91st General Assembly, at any time for the taxable year for which the notification is required or for any taxable year to which the taxpayer may carry an Article 2 credit, or a Section 207 loss, earned, incurred, or used in the year for which the notification is required; provided, however, that the amount of any proposed assessment set forth in the notice shall be limited to the amount of any deficiency resulting under this Act from recomputation of the taxpayer's net income, Article 2 credits, or Section 207 loss earned, incurred, or used in the taxable year for which the notification is required after giving effect to the item or items required to be reported.

(e) Report of federal change.

(1) Before August 13, 1999 the effective date of this amendatory Act of the 91st General Assembly, in any case where notification of an alteration is given as required by Section 506(b), a notice of deficiency may be issued at any time within 2 years after the date such notification is given, provided, however, that the amount of any proposed assessment set forth in such notice shall be limited to the amount of any deficiency resulting under this Act from recomputation of the taxpayer's net income, net loss, or Article 2 credits for the taxable year after giving effect to the item or items reflected in the reported alteration.

(2) On and after August 13, 1999 the effective date of this amendatory Act of the 91st General Assembly, in any case where notification of an alteration is given as required by Section 506(b), a notice of deficiency may be issued at any time within 2 years after the date such notification is given for the taxable year for which the notification is given or for any taxable year to which the taxpayer may carry an Article 2 credit, or a Section 207 loss, earned, incurred, or used in the year for which the notification is given, provided, however, that the amount of any proposed assessment set forth in such notice shall be limited to the amount of any deficiency resulting under this Act from recomputation of the taxpayer's net income, Article 2 credits, or Section 207 loss earned, incurred, or used in the taxable year for which the notification is given after giving effect to the item or items reflected in the reported alteration.

(f) Extension by agreement. Where, before the expiration of the time prescribed in this section for the issuance of a notice of deficiency, both the Department and the taxpayer
shall have consented in writing to its issuance after such time, such notice may be issued at any time prior to the expiration of the period agreed upon. In the case of a taxpayer who is a partnership, Subchapter S corporation, or trust and who enters into an agreement with the Department pursuant to this subsection on or after January 1, 2003, a notice of deficiency may be issued to the partners, shareholders, or beneficiaries of the taxpayer at any time prior to the expiration of the period agreed upon. Any proposed assessment set forth in the notice, however, shall be limited to the amount of any deficiency resulting under this Act from recomputation of items of income, deduction, credits, or other amounts of the taxpayer that are taken into account by the partner, shareholder, or beneficiary in computing its liability under this Act. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon.

(g) Erroneous refunds. In any case in which there has been an erroneous refund of tax payable under this Act, a notice of deficiency may be issued at any time within 2 years from the making of such refund, or within 5 years from the making of such refund if it appears that any part of the refund was induced by fraud or the misrepresentation of a material fact, provided, however, that the amount of any proposed assessment set forth in such notice shall be limited to the amount of such erroneous refund.

Beginning July 1, 1993, in any case in which there has been a refund of tax payable under this Act attributable to a net loss carryback as provided for in Section 207, and that refund is subsequently determined to be an erroneous refund due to a reduction in the amount of the net loss which was originally carried back, a notice of deficiency for the erroneous refund amount may be issued at any time during the same time period in which a notice of deficiency can be issued on the loss year creating the carryback amount and subsequent erroneous refund. The amount of any proposed assessment set forth in the notice shall be limited to the amount of such erroneous refund.

(h) Time return deemed filed. For purposes of this Section a tax return filed before the last day prescribed by law (including any extension thereof) shall be deemed to have been filed on such last day.

(i) Request for prompt determination of liability. For purposes of Subsection (a)(1), in the case of a tax return required under this Act in respect of a decedent, or by his estate during the period of administration, or by a corporation, the period referred to in such Subsection shall be 18 months after a written request for prompt determination of liability is filed with the Department (at such time and in such form and manner as the Department shall by regulations prescribe) by the executor, administrator, or other fiduciary representing the estate of such decedent, or by such corporation, but not more than 3 years after the date the return was filed. This Subsection shall not apply in the case of a corporation unless:

(1) (A) Such written request notifies the Department that the corporation contemplates dissolution at or before the expiration of such 18-month period, (B) the dissolution is begun in good faith before the expiration of such 18-month period, and (C) the dissolution is completed;

(2) (A) Such written request notifies the Department that a dissolution has in good faith been begun, and (B) the dissolution is completed; or

New matter indicated by italics - deletions by strikeout.
(3) A dissolution has been completed at the time such written request is made.

(j) Withholding tax. In the case of returns required under Article 7 of this Act (with respect to any amounts withheld as tax or any amounts required to have been withheld as tax) a notice of deficiency shall be issued not later than 3 years after the 15th day of the 4th month following the close of the calendar year in which such withholding was required.

(k) Penalties for failure to make information reports. A notice of deficiency for the penalties provided by Subsection 1405.1(c) of this Act may not be issued more than 3 years after the due date of the reports with respect to which the penalties are asserted.

(l) Penalty for failure to file withholding returns. A notice of deficiency for penalties provided by Section 1004 of this Act for taxpayer's failure to file withholding returns may not be issued more than three years after the 15th day of the 4th month following the close of the calendar year in which the withholding giving rise to taxpayer's obligation to file those returns occurred.

(m) Transferee liability. A notice of deficiency may be issued to a transferee relative to a liability asserted under Section 1405 during time periods defined as follows:

1) Initial Transferee. In the case of the liability of an initial transferee, up to 2 years after the expiration of the period of limitation for assessment against the transferor, except that if a court proceeding for review of the assessment against the transferor has begun, then up to 2 years after the return of the certified copy of the judgment in the court proceeding.

2) Transferee of Transferee. In the case of the liability of a transferee, up to 2 years after the expiration of the period of limitation for assessment against the preceding transferee, but not more than 3 years after the expiration of the period of limitation for assessment against the initial transferor; except that if, before the expiration of the period of limitation for the assessment of the liability of the transferee, a court proceeding for the collection of the tax or liability in respect thereof has been begun against the initial transferor or the last preceding transferee, as the case may be, then the period of limitation for assessment of the liability of the transferee shall expire 2 years after the return of the certified copy of the judgment in the court proceeding.

(n) Notice of decrease in net loss. On and after the effective date of this amendatory Act of the 92nd General Assembly, no notice of deficiency shall be issued as the result of a decrease determined by the Department in the net loss incurred by a taxpayer under Section 207 of this Act unless the Department has notified the taxpayer of the proposed decrease within 3 years after the return reporting the loss was filed or within one year after an amended return reporting an increase in the loss was filed, provided that in the case of an amended return, a decrease proposed by the Department more than 3 years after the original return was filed may not exceed the increase claimed by the taxpayer on the original return.

Sec. 911. Limitations on Claims for Refund.
(a) In general. Except as otherwise provided in this Act:

New matter indicated by italics - deletions by strikeout.
(1) A claim for refund shall be filed not later than 3 years after the date the return was filed (in the case of returns required under Article 7 of this Act respecting any amounts withheld as tax, not later than 3 years after the 15th day of the 4th month following the close of the calendar year in which such withholding was made), or one year after the date the tax was paid, whichever is the later; and

(2) No credit or refund shall be allowed or made with respect to the year for which the claim was filed unless such claim is filed within such period.

(b) Federal changes.

(1) In general. In any case where notification of an alteration is required by Section 506 (b), a claim for refund may be filed within 2 years after the date on which such notification was due (regardless of whether such notice was given), but the amount recoverable pursuant to a claim filed under this Section shall be limited to the amount of any overpayment resulting under this Act from recomputation of the taxpayer's net income, net loss, or Article 2 credits for the taxable year after giving effect to the item or items reflected in the alteration required to be reported.

(2) Tentative carryback adjustments paid before January 1, 1974. If, as the result of the payment before January 1, 1974 of a federal tentative carryback adjustment, a notification of an alteration is required under Section 506 (b), a claim for refund may be filed at any time before January 1, 1976, but the amount recoverable pursuant to a claim filed under this Section shall be limited to the amount of any overpayment resulting under this Act from recomputation of the taxpayer's base income for the taxable year after giving effect to the federal alteration resulting from the tentative carryback adjustment irrespective of any limitation imposed in paragraph (l) of this subsection.

(c) Extension by agreement. Where, before the expiration of the time prescribed in this section for the filing of a claim for refund, both the Department and the claimant shall have consented in writing to its filing after such time, such claim may be filed at any time prior to the expiration of the period agreed upon. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. In the case of a taxpayer who is a partnership, Subchapter S corporation, or trust and who enters into an agreement with the Department pursuant to this subsection on or after January 1, 2003, a claim for refund may be issued to the partners, shareholders, or beneficiaries of the taxpayer at any time prior to the expiration of the period agreed upon. Any refund allowed pursuant to the claim, however, shall be limited to the amount of any overpayment of tax due under this Act that results from recomputation of items of income, deduction, credits, or other amounts of the taxpayer that are taken into account by the partner, shareholder, or beneficiary in computing its liability under this Act.

(d) Limit on amount of credit or refund.

(1) Limit where claim filed within 3-year period. If the claim was filed by the claimant during the 3-year period prescribed in subsection (a), the amount of the credit or refund shall not exceed the portion of the tax paid within the period, immediately preceding the filing of the claim, equal to 3 years plus the period of any
extension of time for filing the return.

(2) Limit where claim not filed within 3-year period. If the claim was not filed within such 3-year period, the amount of the credit or refund shall not exceed the portion of the tax paid during the one year immediately preceding the filing of the claim.

(e) Time return deemed filed. For purposes of this section a tax return filed before the last day prescribed by law for the filing of such return (including any extensions thereof) shall be deemed to have been filed on such last day.

(f) No claim for refund based on the taxpayer's taking a credit for estimated tax payments as provided by Section 601 (b) (2) or for any amount paid by a taxpayer pursuant to Section 602(a) or for any amount of credit for tax withheld pursuant to Section 701 may be filed more than 3 years after the due date, as provided by Section 505, of the return which was required to be filed relative to the taxable year for which the payments were made or for which the tax was withheld. The changes in this subsection (f) made by this amendatory Act of 1987 shall apply to all taxable years ending on or after December 31, 1969.

(g) Special Period of Limitation with Respect to Net Loss Carrybacks. If the claim for refund relates to an overpayment attributable to a net loss carryback as provided by Section 207, in lieu of the 3 year period of limitation prescribed in subsection (a), the period shall be that period which ends 3 years after the time prescribed by law for filing the return (including extensions thereof) for the taxable year of the net loss which results in such carryback (or, on and after August 13, 1999, the effective date of this amendatory Act of the 91st General Assembly, with respect to a change in the carryover of an Article 2 credit to a taxable year resulting from the carryback of a Section 207 loss incurred in a taxable year beginning on or after January 1, 2000, the period shall be that period that ends 3 years after the time prescribed by law for filing the return (including extensions of that time) for that subsequent taxable year), or the period prescribed in subsection (c) in respect of such taxable year, whichever expires later. In the case of such a claim, the amount of the refund may exceed the portion of the tax paid within the period provided in subsection (d) to the extent of the amount of the overpayment attributable to such carryback. On and after August 13, 1999, the effective date of this amendatory Act of the 91st General Assembly, if the claim for refund relates to an overpayment attributable to the carryover of an Article 2 credit, or of a Section 207 loss, earned, incurred (in a taxable year beginning on or after January 1, 2000), or used in a year for which a notification of a change affecting federal taxable income must be filed under subsection (b) of Section 506, the claim may be filed within the period prescribed in paragraph (1) of subsection (b) in respect of the year for which the notification is required. In the case of such a claim, the amount of the refund may exceed the portion of the tax paid within the period provided in subsection (d) to the extent of the amount of the overpayment attributable to the recomputation of the taxpayer's Article 2 credits, or Section 207 loss, earned, incurred, or used in the taxable year for which the notification is given.

(h) Claim for refund based on net loss. On and after the effective date of this amendatory Act of the 92nd General Assembly, no claim for refund shall be allowed to the extent the refund is the result of an amount of net loss incurred under Section 207 of this Act.

(35 ILCS 5/1501) (from Ch. 120, par. 15-1501)

Sec. 1501. Definitions.

(a) In general. When used in this Act, where not otherwise distinctly expressed or manifestly incompatible with the intent thereof:

(1) Business income. The term "business income" means income arising from transactions and activity in the regular course of the taxpayer's trade or business, net of the deductions allocable thereto, and includes income from tangible and intangible property if the acquisition, management, and disposition of the property constitute integral parts of the taxpayer's regular trade or business operations. Such term does not include compensation or the deductions allocable thereto. For each taxable year beginning on or after January 1, 2003, a taxpayer may elect to treat all income other than compensation as business income. This election shall be made in accordance with rules adopted by the Department and, once made, shall be irrevocable.

(2) Commercial domicile. The term "commercial domicile" means the principal place from which the trade or business of the taxpayer is directed or managed.

(3) Compensation. The term "compensation" means wages, salaries, commissions and any other form of remuneration paid to employees for personal services.

(4) Corporation. The term "corporation" includes associations, joint-stock companies, insurance companies and cooperatives. Any entity, including a limited liability company formed under the Illinois Limited Liability Company Act, shall be treated as a corporation if it is so classified for federal income tax purposes.

(5) Department. The term "Department" means the Department of Revenue of this State.

(6) Director. The term "Director" means the Director of Revenue of this State.

For the purpose of this Section a "person" will include only those persons which a bank holding company may acquire and hold an interest in, directly or indirectly, under the provisions of the Bank Holding Company Act of 1956 (12 U.S.C. 1841, et

(C) For purposes of subparagraph (A) of this paragraph, the term "sales finance company" has the meaning provided in the following item (i) or (ii):

(c) the outstanding balance of a contract or agreement described in provisions (a) or (b) of this item (i).

A customer receivable need not provide for payment of interest on deferred payments. The "limitation amount" for a corporation is the average outstanding balances during the taxable year of customer receivables (within the meaning of item (i)) originated by all members of the affiliated group. If the average outstanding balances of the loans made by a corporation to members of its affiliated group exceed the limitation amount, the interest income of that corporation from qualifying loans shall be equal to its interest income from loans to members of its affiliated groups times a fraction equal to the limitation amount divided by the average outstanding balances of the loans made by that corporation to members of its affiliated group;

(c) the total of all shareholder's equity (including, without limitation, paid-in capital on common and preferred stock and retained earnings) of the corporation plus the total of all of its loans, advances, and other obligations payable or owed to members of its affiliated group may not exceed 20% of the total assets of the corporation at any time during the tax year; and

(d) more than 50% of all interest-bearing obligations of the affiliated group payable to persons outside the group determined in accordance with generally accepted accounting principles must be obligations of the corporation.

This amendatory Act of the 91st General Assembly is declaratory of existing law.

(D) Subparagraphs (B) and (C) of this paragraph are declaratory of existing law and apply retroactively, for all tax years beginning on or before December 31, 1996, to all original returns, to all amended returns filed no later than 30 days after the effective date of this amendatory Act of 1996, and to all notices issued on or before the effective date of this amendatory Act of 1996 under subsection (a) of Section 903, subsection (a) of Section 904, subsection (e) of Section 909, or Section 912. A taxpayer that is a "financial organization" that engages in any transaction with an affiliate shall be a "financial organization" for all purposes of this Act.

those years. For purposes of applying subparagraphs (B) or (C) of this paragraph to all of those years, the election allowed by this subparagraph applies only to the taxpayer making the election and to those members of the taxpayer's unitary business group who are ordinarily required to apportion business income under the same subsection of Section 304 of this Act as the taxpayer making the election. No election allowed by this subparagraph shall be made under a claim filed under subsection (d) of Section 909 more than 30 days after the effective date of this amendatory Act of 1996.

more of any such member's total business activity; for purposes of this paragraph and
clause (a) (3) (B) (ii) of Section 304, business activity within the United States shall
be measured by means of the factors ordinarily applicable under subsections (a), (b),
(c), (d), or (h) of Section 304 except that, in the case of members ordinarily required
to apportion business income by means of the 3 factor formula of property, payroll
and sales specified in subsection (a) of Section 304, including the formula as
weighted in subsection (h) of Section 304, such members shall not use the sales
factor in the computation and the results of the property and payroll factor
computations of subsection (a) of Section 304 shall be divided by 2 (by one if either
the property or payroll factor has a denominator of zero). The computation required
by the preceding sentence shall, in each case, involve the division of the member's
property, payroll, or revenue miles in the United States, insurance premiums on
property or risk in the United States, or financial organization business income from
sources within the United States, as the case may be, by the respective worldwide
figures for such items. Common ownership in the case of corporations is the direct
or indirect control or ownership of more than 50% of the outstanding voting stock of
the persons carrying on unitary business activity. Unitary business activity can
ordinarily be illustrated where the activities of the members are: (1) in the same
general line (such as manufacturing, wholesaling, retailing of tangible personal
property, insurance, transportation or finance); or (2) are steps in a vertically
structured enterprise or process (such as the steps involved in the production of
natural resources, which might include exploration, mining, refining, and marketing);
and, in either instance, the members are functionally integrated through the exercise
of strong centralized management (where, for example, authority over such matters
as purchasing, financing, tax compliance, product line, personnel, marketing and
capital investment is not left to each member). In no event, however, will any unitary
business group include members which are ordinarily required to apportion business
income under different subsections of Section 304 except that for tax years ending
on or after December 31, 1987 this prohibition shall not apply to a unitary business
group composed of one or more taxpayers all of which apportion business income
pursuant to subsection (b) of Section 304, or all of which apportion business income
pursuant to subsection (d) of Section 304, and a holding company of such
single-factor taxpayers (see definition of "financial organization" for rule regarding
holding companies of financial organizations). If a unitary business group would, but
for the preceding sentence, include members that are ordinarily required to apportion
business income under different subsections of Section 304, then for each subsection

of Section 304 for which there are two or more members, there shall be a separate unitary business group composed of such members. For purposes of the preceding two sentences, a member is "ordinarily required to apportion business income" under a particular subsection of Section 304 if it would be required to use the apportionment method prescribed by such subsection except for the fact that it derives business income solely from Illinois. If the unitary business group members' accounting periods differ, the common parent's accounting period or, if there is no common parent, the accounting period of the member that is expected to have, on a recurring basis, the greatest Illinois income tax liability must be used to determine whether to use the apportionment method provided in subsection (a) or subsection (h) of Section 304. The prohibition against membership in a unitary business group for taxpayers ordinarily required to apportion income under different subsections of Section 304 does not apply to taxpayers required to apportion income under subsection (a) and subsection (h) of Section 304. The provisions of this amendatory Act of 1998 apply to tax years ending on or after December 31, 1998.

(28) Subchapter S corporation. The term "Subchapter S corporation" means a corporation for which there is in effect an election under Section 1362 of the Internal Revenue Code, or for which there is a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982.

(b) Other definitions.

(1) Words denoting number, gender, and so forth, when used in this Act, where not otherwise distinctly expressed or manifestly incompatible with the intent thereof:

(A) Words importing the singular include and apply to several persons, parties or things;
(B) Words importing the plural include the singular; and
(C) Words importing the masculine gender include the feminine as well.

(2) "Company" or "association" as including successors and assigns. The word "company" or "association", when used in reference to a corporation, shall be deemed to embrace the words "successors and assigns of such company or association", and in like manner as if these last-named words, or words of similar import, were expressed.

(3) Other terms. Any term used in any Section of this Act with respect to the application of, or in connection with, the provisions of any other Section of this Act shall have the same meaning as in such other Section.

Section 7. The Property Tax Code is amended by changing Sections 9-195 and 15-60 as follows:

(35 ILCS 200/9-195)
Sec. 9-195. Leasing of exempt property.

New matter indicated by italics - deletions by strikeout.
(a) Except as provided in Sections 15-35, 15-55, 15-60, 15-100, and 15-103, when property which is exempt from taxation is leased to another whose property is not exempt, and the leasing of which does not make the property taxable, the leasehold estate and the appurtenances shall be listed as the property of the lessee thereof, or his or her assignee. Taxes on that property shall be collected in the same manner as on property that is not exempt, and the lessee shall be liable for those taxes. However, no tax lien shall attach to the exempt real estate. The changes made by this amendatory Act of 1997 and by this amendatory Act of the 91st General Assembly are declaratory of existing law and shall not be construed as a new enactment. The changes made by Public Acts 88-221 and 88-420 that are incorporated into this Section by this amendatory Act of 1993 are declarative of existing law and are not a new enactment.

(b) The provisions of this Section regarding taxation of leasehold interests in exempt property do not apply to any leasehold interest created pursuant to any transaction described in subsection (e) of Section 15-35, subsection (c-5) of Section 15-60, subsection (b) of Section 15-100, or Section 15-103.

(35 ILCS 200/15-60)

Sec. 15-60. Taxing district property. All property belonging to any county or municipality used exclusively for the maintenance of the poor is exempt, as is all property owned by a taxing district that is being held for future expansion or development, except if leased by the taxing district to lessees for use for other than public purposes.

Also exempt are:

(a) all swamp or overflowed lands belonging to any county;

(b) all public buildings belonging to any county, township, or municipality, with the ground on which the buildings are erected;

(c) all property owned by any municipality located within its incorporated limits. Any such property leased by a municipality shall remain exempt, and the leasehold interest of the lessee shall be assessed under Section 9-195 of this Act, (i) for a lease entered into on or after January 1, 1994, unless the lease expressly provides that this exemption shall not apply; (ii) for a lease entered into on or after the effective date of Public Act 87-1280 and before January 1, 1994, unless the lease expressly provides that this exemption shall not apply or unless evidence other than the lease itself substantiates the intent of the parties to the lease that this exemption shall not apply; and (iii) for a lease entered into before the effective date of Public Act 87-1280, if the terms of the lease do not bind the lessee to pay the taxes on the leased property or if, notwithstanding the terms of the lease, the municipality has filed or hereafter files a timely exemption petition or complaint with respect to property consisting of or including the leased property for an assessment year which includes part or all of the first 12 months of the lease period. The foregoing clause (iii) added by Public Act 87-1280 shall not operate to exempt property for any assessment year as to which no timely exemption petition or complaint has been filed by the municipality or as to which an administrative or court decision denying exemption has become final and nonappealable. For each assessment year or portion thereof that property is made exempt by operation of the
foregoing clause (iii), whether such year or portion is before or after the effective date of Public Act 87-1280, the leasehold interest of the lessee shall, if necessary, be considered omitted property for purposes of this Act;

(c-5) Notwithstanding clause (i) of subsection (c), all property owned by a municipality with a population over 500,000 that is used for toll road or toll bridge purposes and that is leased for those purposes to another entity whose property is not exempt shall remain exempt, and any leasehold interest in the property shall not be subject to taxation under Section 9-195 of this Act;

(d) all property owned by any municipality located outside its incorporated limits but within the same county when used as a tuberculosis sanitarium, farm colony in connection with a house of correction, or nursery, garden, or farm, or for the growing of shrubs, trees, flowers, vegetables, and plants for use in beautifying, maintaining, and operating playgrounds, parks, parkways, public grounds, buildings, and institutions owned or controlled by the municipality; and

(e) all property owned by a township and operated as senior citizen housing under Sections 35-50 through 35-50.6 of the Township Code.

All property owned by any municipality outside of its corporate limits is exempt if used exclusively for municipal or public purposes.

For purposes of this Section, "municipality" means a municipality, as defined in Section 1-1-2 of the Illinois Municipal Code.

(Source: P.A. 89-165, eff. 1-1-96; 90-176, eff. 1-1-98.)

Section 10. The Illinois Municipal Code is amended by changing Section 8-11-6 as follows:

(65 ILCS 5/8-11-6) (from Ch. 24, par. 8-11-6)

(a) The corporate authorities of a home rule municipality may impose a tax upon the privilege of using, in such municipality, any item of tangible personal property which is purchased at retail from a retailer, and which is titled or registered at a location within the corporate limits of such home rule municipality with an agency of this State's government, at a rate which is an increment of 1/4% and based on the selling price of such tangible personal property, as "selling price" is defined in the Use Tax Act. In home rule municipalities with less than 2,000,000 inhabitants, the tax shall be collected by the municipality imposing the tax from persons whose Illinois address for titling or registration purposes is given as being in such municipality.

(b) In home rule municipalities with 2,000,000 or more inhabitants, the corporate authorities of the municipality may additionally impose a tax beginning July 1, 1991 upon the privilege of using in the municipality, any item of tangible personal property, other than tangible personal property titled or registered with an agency of the State's government, that is purchased at retail from a retailer located outside the corporate limits of the municipality, at a rate that is an increment of 1/4% not to exceed 1% and based on the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. Such tax shall be collected from the purchaser or the retailer either by the municipality imposing such tax.
or by the Department of Revenue pursuant to an agreement between the Department and the municipality.

To prevent multiple home rule taxation, the use in a home rule municipality of tangible personal property that is acquired outside the municipality and caused to be brought into the municipality by a person who has already paid a home rule municipal tax in another municipality in respect to the sale, purchase, or use of that property, shall be exempt to the extent of the amount of the tax properly due and paid in the other home rule municipality.

(c) If a municipality having 2,000,000 or more inhabitants imposes the tax authorized by subsection (a), then the tax shall be collected by the Illinois Department of Revenue when the property is purchased at retail from a retailer in the county in which the home rule municipality imposing the tax is located, and in all contiguous counties. The tax shall be remitted to the State, or an exemption determination must be obtained from the Department before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered if the Department and that agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this Section to collect all taxes, penalties and interest due hereunder, to dispose of taxes, penalties and interest so collected in the manner hereinafter provided, and determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of and compliance with this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19, 20, 21 and 22 of the Use Tax Act, which are not inconsistent with this Section, as fully as if provisions contained in those Sections of the Use Tax Act were set forth herein.

Whenever the Department determines that a refund shall be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the home rule municipal retailers’ occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties and interest collected hereunder. On or before the 25th day of each calendar month, the Department shall prepare and certify to the State Comptroller the disbursement of stated sums of money to named municipalities, the municipality in each instance to be that municipality from which the Department during the second preceding calendar month, collected municipal use tax from any person whose Illinois address for titling or registration purposes is given as being in such municipality. The amount to be paid

to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, less the amount expended during the second preceding month by the Department to be paid from the appropriation to the Department from the Home Rule Municipal Retailers' Occupation Tax Trust Fund. The appropriation to cover the costs incurred by the Department in administering and enforcing this Section shall not exceed 2% of the amount estimated to be deposited into the Home Rule Municipal Retailers' Occupation Tax Trust Fund during the fiscal year for which the appropriation is made. Within 10 days after receipt by the State Comptroller of the disbursement certification to the municipalities provided for in this Section to be given to the State Comptroller by the Department, the State Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in that certification.

Any ordinance imposing or discontinuing any tax to be collected and enforced by the Department under this Section shall be adopted and a certified copy thereof filed with the Department on or before October 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the municipalities as of January 1 next following such adoption and filing. Beginning April 1, 1998, any ordinance imposing or discontinuing any tax to be collected and enforced by the Department under this Section shall either (i) be adopted and a certified copy thereof filed with the Department on or before April 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the municipalities as of July 1 next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before October 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the municipalities as of January 1 next following the adoption and filing.

Nothing in this subsection (c) shall prevent a home rule municipality from collecting the tax pursuant to subsection (a) in any situation where such tax is not collected by the Department of Revenue under this subsection (c).

(d) Any unobligated balance remaining in the Municipal Retailers' Occupation Tax Fund on December 31, 1989, which fund was abolished by Public Act 85-1135, and all receipts of municipal tax as a result of audits of liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund, for distribution as provided by this Section prior to the enactment of Public Act 85-1135. All receipts of municipal tax as a result of an assessment not arising from an audit, for liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution before July 1, 1990, as provided by this Section prior to the enactment of Public Act 85-1135, and on and after July 1, 1990, all such receipts shall be distributed as provided in Section 6z-18 of the State Finance Act.

(e) As used in this Section, "Municipal" and "Municipality" means a city, village or incorporated town, including an incorporated town which has superseded a civil township.

(f) This Section shall be known and may be cited as the Home Rule Municipal Use Tax Act.

(House Bill No. 4720)

AN ACT in relation to business transactions.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Equipment Fair Dealership Law is amended by adding Section 4.5 as follows:

Sec. 4.5. Warranty work. Retailers who do warranty repair work for a consumer under the provisions of a manufacturer's express warranty shall be reimbursed by the manufacturer for warranty work at an hourly rate that is the same as or greater than the hourly labor rate that the retailer charges consumers for non-warranty repair work.

The provisions of this Section shall not apply to a supplier or dealer where a written dealer agreement provides for compensation to a dealer for warranty labor costs either as part of the pricing of the equipment to the dealer or in the form of a lump sum payment, provided the payment is not less than 5% of the suggested retail price of the equipment.

AN ACT in relation to public aid.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Public Aid Code is amended by changing Section 5-5.4 as follows:

(305 ILCS 5/5-5.4) (from Ch. 23, par. 5-5.4)

Sec. 5-5.4. Standards of Payment - Department of Public Aid. The Department of Public Aid shall develop standards of payment of skilled nursing and intermediate care services in facilities providing such services under this Article which:

1) Provide for the determination of a facility's payment for skilled nursing and intermediate care services on a prospective basis. The amount of the payment rate for all nursing facilities certified under the medical assistance program shall be prospectively established annually on the basis of historical, financial, and statistical data reflecting actual costs from prior years, which shall be applied to the current rate year and updated for inflation, except that the capital cost element for newly constructed facilities shall be based upon projected budgets. The annually established payment rate shall take effect on July 1 in 1984 and subsequent years. Rate increases shall be provided annually thereafter on July 1 in 1984 and on each subsequent July 1 in the following years, except that No rate increase and no update for inflation shall be provided on or after July 1, 1994 and before July 1, 2002, unless specifically provided for in this Section.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on July 1, 1998 shall include an increase of 3%. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Skilled Nursing facilities or Intermediate Care facilities, the rates taking effect on July 1, 1998 shall include an increase of 3% plus $1.10 per resident-day, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on July 1, 1999 shall include an increase of 1.6% plus $3.00 per resident-day, as defined by the Department. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Skilled Nursing facilities or Intermediate Care facilities, the rates taking effect on July 1, 1999 shall include an increase of 1.6% and, for services provided on or after October 1, 1999, shall be increased by $4.00 per resident-day, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on July 1, 1999 shall include an increase of 1.6% and, for services provided on or after October 1, 1999, shall be increased by $4.00 per resident-day, as defined by the Department.

Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on July 1, 2000 shall include an increase of 2.5% per resident-day, as defined by the Department. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Skilled Nursing facilities or Intermediate Care facilities, the rates taking effect on July 1, 2000 shall include an increase of 2.5% per resident-day, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, a new payment methodology must be implemented for the nursing component of the rate effective July 1, 2003. The Department of Public Aid shall develop the new payment methodology using the Minimum Data Set (MDS) as the instrument to collect information concerning nursing home resident condition necessary to compute the rate. The Department of Public Aid shall develop the new payment methodology to meet the unique needs of Illinois nursing home residents while remaining subject to the appropriations provided by the General Assembly. A transition period from the payment methodology in effect on June 30, 2003 to the payment methodology in effect on July 1, 2003 shall be provided for a period not exceeding 2 years after implementation of the new payment methodology as follows:

(A) For a facility that would receive a lower nursing component rate per patient day under the new system than the facility received effective on the date immediately preceding the date that the Department implements the new payment methodology, the nursing component rate per patient day for the facility shall be held at the level in effect on the date immediately preceding the date that the Department implements the new payment methodology until a higher nursing component rate of reimbursement is achieved by that facility.

(B) For a facility that would receive a higher nursing component rate per patient day under the payment methodology in effect on July 1, 2003 than the facility received effective on the date immediately preceding the date that the Department implements the new payment methodology, the nursing component rate per patient day for the facility shall be adjusted.

(C) Notwithstanding paragraphs (A) and (B), the nursing component rate per patient day for the facility shall be adjusted subject to appropriations provided by the General Assembly.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on March 1, 2001 shall include a statewide increase of 7.85%, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on April 1, 2002 shall include a statewide increase of 2.0%, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the rates taking effect on
July 1, 2001, and each subsequent year thereafter, shall be computed using the most recent cost reports on file with the Department of Public Aid no later than April 1, 2000 updated for inflation to January 1, 2001. For rates effective July 1, 2001 only, rates shall be the greater of the rate computed for July 1, 2001 or the rate effective on June 30, 2001.

Rates established effective each July 1 shall govern payment for services rendered throughout that fiscal year, except that rates established on July 1, 1996 shall be increased by 6.8% for services provided on or after January 1, 1997. Such rates will be based upon the rates calculated for the year beginning July 1, 1990, and for subsequent years thereafter until June 30, 2001 shall be based on the facility cost reports for the facility fiscal year ending at any point in time during the previous calendar year, updated to the midpoint of the rate year. The cost report shall be on file with the Department no later than April 1 of the current rate year. Should the cost report not be on file by April 1, the Department shall base the rate on the latest cost report filed by each skilled care facility and intermediate care facility, updated to the midpoint of the current rate year. In determining rates for services rendered on and after July 1, 1985, fixed time shall not be computed at less than zero. The Department shall not make any alterations of regulations which would reduce any component of the Medicaid rate to a level below what that component would have been utilizing in the rate effective on July 1, 1984.

(2) Shall take into account the actual costs incurred by facilities in providing services for recipients of skilled nursing and intermediate care services under the medical assistance program.

(3) Shall take into account the medical and psycho-social characteristics and needs of the patients.

(4) Shall take into account the actual costs incurred by facilities in meeting licensing and certification standards imposed and prescribed by the State of Illinois, any of its political subdivisions or municipalities and by the U.S. Department of Health and Human Services pursuant to Title XIX of the Social Security Act.

The Department of Public Aid shall develop precise standards for payments to reimburse nursing facilities for any utilization of appropriate rehabilitative personnel for the provision of rehabilitative services which is authorized by federal regulations, including reimbursement for services provided by qualified therapists or qualified assistants, and which is in accordance with accepted professional practices. Reimbursement also may be made for utilization of other supportive personnel under appropriate supervision.

Sec. 6-104. Classification of Driver - Special Restrictions.

(a) A driver's license issued under the authority of this Act shall indicate the classification for which the applicant therefor has qualified by examination or by such other means that the Secretary of State shall prescribe. Section 5. Policy. The Illinois General Assembly finds that it is important for the State to encourage technology development in the State. Section 10. Technology Development Account.
(a) The State Treasurer may segregate a portion of the Treasurer's investment portfolio, that at no time shall be greater than 1% of the portfolio, in the Technology Development Account, an account that shall be maintained separately and apart from other moneys invested by the Treasurer. The Treasurer may make investments from the Account that help attract, assist, and retain quality technology businesses in Illinois. The earnings on the Account shall be accounted for separately from other investments made by the Treasurer.

(b) Moneys in the Account may be invested by the State Treasurer to provide venture capital to technology businesses seeking to locate, expand, or remain in Illinois by placing money with Illinois venture capital firms for investment by the venture capital firms in technology businesses. "Venture capital", as used in this Act, means equity financing that is provided for starting up, expanding, or relocating a company, or related purposes such as financing for seed capital, research and development, introduction of a product or process into the marketplace, or similar needs requiring risk capital. "Illinois venture capital firms", as used in this Act, means an entity that has a majority of its employees in Illinois or that has at least one managing partner domiciled in Illinois that has made significant capital investments in Illinois companies and that provides equity financing for starting up or expanding a company, or related purposes such as financing for seed capital, research and development, introduction of a product or process into the marketplace, or similar needs requiring risk capital.

(c) Any fund created by an Illinois venture capital firm in which the State Treasurer places money pursuant to this Act shall be required by the State Treasurer to seek investments in technology businesses seeking to locate, expand, or remain in Illinois.

(d) The investment of the State Treasurer in any fund created by an Illinois venture
capital firm in which the State Treasurer places money pursuant to this Act shall not exceed 10% of the total investments in the fund.

(e) The State Treasurer shall not invest more than one-third of the Technology Development Account in any given calendar year.

A prosecution for any offense in this Article may be commenced at any time.

Sec. 29D-65. Asset freeze, seizure, and forfeiture.

(a) Asset freeze, seizure, and forfeiture in connection with a violation of this Article.

(1) Whenever it appears that there is probable cause to believe that any person used, is using, is about to use, or is intending to use property in any way that constitutes or would constitute a violation of this Article, the Attorney General or any State's Attorney may make an ex parte application to the circuit court to freeze or seize all the assets of that person and, upon a showing of probable cause in the ex parte hearing, the circuit court shall issue an order to freeze or seize all assets of that person. A copy of the freeze or seize order shall be served upon the person whose assets have been frozen or seized and that person or any person claiming an interest in the property may, at any time within 30 days of service, file a motion to release his or her assets. Within 10 days that person is entitled to a hearing. In any proceeding to release assets, the burden of proof shall be by a preponderance of evidence and shall be on the State to show that the person used, was using, is about to use, or is intending to use any property in any way that constitutes or would
constitute a violation of this Article. If the court finds that any property was being used, is about to be used, or is intended to be used in violation of or in any way that would constitute a violation of this Article, the court shall order such property frozen or held until further order of the court. Any property so ordered held or frozen shall be subject to forfeiture under the following procedure. Upon the request of the defendant, the court may release frozen or seized assets sufficient to pay attorney’s fees for representation of the defendant at a hearing conducted under this Section.

(2) If, within 60 days after any seizure or asset freeze under subparagraph (1) of this Section, a person having any property interest in the seized or frozen property is charged with an offense, the court which renders judgment upon the charge shall, within 30 days after the judgment, conduct a forfeiture hearing to determine whether the property was used, about to be used, or intended to be used in violation of this Article or in connection with any violation of this Article, or was integrally related to any violation or intended violation of this Article. The hearing shall be commenced by a written petition by the State, including material allegations of fact, the name and address of every person determined by the State to have any property interest in the seized or frozen property, a representation that written notice of the date, time, and place of the hearing has been mailed to every such person by certified mail at least 10 days before the date, and a request for forfeiture. Every such person may appear as a party and present evidence at the hearing. The quantum of proof required shall be preponderance of the evidence, and the burden of proof shall be on the State. If the court determines that the seized or frozen property was used, about to be used, or intended to be used in violation of this Article or in connection with any violation of this Article, or was integrally related to any violation or intended violation of this Article, an order of forfeiture and disposition of the seized or frozen money and property shall be entered. All property forfeited may be liquidated and the resultant money together with any money forfeited shall be allocated among the participating law enforcement agencies in such proportions as may be determined to be equitable by the court entering the forfeiture order, any such property so forfeited shall be received by the State’s Attorney or Attorney General and upon liquidation shall be allocated among the participating law enforcement agencies in such proportions as may be determined equitable by the court entering the forfeiture order.

(3) If a seizure or asset freeze under subparagraph (1) of this subsection (a) is not followed by a charge under this Article within 60 days, or if the prosecution of the charge is permanently terminated or indefinitely discontinued without any judgment of conviction or a judgment of acquittal is entered, the State’s Attorney or Attorney General shall immediately commence an in rem proceeding for the forfeiture of any seized money or other things of value, or both, in the circuit court and any person having any property interest in the money or property may commence separate civil proceedings in the manner provided by law. Any property so forfeited shall be allocated among the participating law enforcement agencies in

such proportions as may be determined to be equitable by the court entering the forfeiture order.

(b) Forfeiture of property acquired in connection with a violation of this Article.

(1) Any person who commits any offense under this Article shall forfeit, according to the provisions of this Section, any moneys, profits, or proceeds, and any interest or property in which the sentencing court determines he or she has acquired or maintained, directly or indirectly, in whole or in part, as a result of, or used, was about to be used, or was intended to be used in connection with the offense. The person shall also forfeit any interest in, security, claim against, or contractual right of any kind which affords the person a source of influence over any enterprise which he or she has established, operated, controlled, conducted, or participated in conducting, where his or her relationship to or connection with any such thing or activity directly or indirectly, in whole or in part, is traceable to any item or benefit which he or she has obtained or acquired through an offense under this Article or which he or she used, about to use, or intended to use in connection with any offense under this Article. Forfeiture under this Section may be pursued in addition to or in lieu of proceeding under subsection (a) of this Section.

(2) Proceedings instituted under this subsection shall be subject to and conducted in accordance with the following procedures:

(A) The sentencing court shall, upon petition by the prosecuting agency, whether it is the Attorney General or the State’s Attorney, at any time following sentencing, conduct a hearing to determine whether any property or property interest is subject to forfeiture under this subsection. At the forfeiture hearing the People of the State of Illinois shall have the burden of establishing, by a preponderance of the evidence, that the property or property interests are subject to forfeiture.

(B) In any action brought by the People of the State of Illinois under this Section, the court shall have jurisdiction to enter such restraining orders, injunctions, or prohibitions, or to take such other action in connection with any real, personal, or mixed property, or other interest, subject to forfeiture, as it shall consider proper.

(C) In any action brought by the People of the State of Illinois under this subsection in which any restraining order, injunction, or prohibition or any other action in connection with any property or interest subject to forfeiture under this subsection is sought, the circuit court presiding over the trial of the person or persons charged with a violation under this Article shall first determine whether there is probable cause to believe that the person or persons so charged have committed an offense under this Article and whether the property or interest is subject to forfeiture under this subsection. In order to make this determination, prior to entering any such order, the court shall conduct a hearing without a jury in which the People shall establish: (i) probable cause that the person or persons so charged

have committed an offense under this Article; and (ii) probable cause that any property or interest may be subject to forfeiture under this subsection. The hearing may be conducted simultaneously with a preliminary hearing if the prosecution is commenced by information, or by motion of the People at any stage in the proceedings. The court may enter a finding of probable cause at a preliminary hearing following the filing of information charging a violation of this Article or the return of an indictment by a grand jury charging an offense under this Article as sufficient probable cause for purposes of this subsection. Upon such a finding, the circuit court shall enter such restraining order, injunction, or prohibition or shall take such other action in connection with any such property or other interest subject to forfeiture under this subsection as is necessary to ensure that the property is not removed from the jurisdiction of the court, concealed, destroyed, or otherwise disposed of by the owner or holder of that property or interest prior to a forfeiture hearing under this subsection. The Attorney General or State's Attorney shall file a certified copy of the restraining order, injunction, or other prohibition with the recorder of deeds or registrar of titles of each county where any such property of the defendant may be located. No such injunction, restraining order, or other prohibition shall affect the rights of any bona fide purchaser, mortgagee, judgment creditor, or other lien holder arising prior to the date of such filing. The court may, at any time, upon verified petition by the defendant, conduct a hearing to release all or portions of any such property or interest which the court previously determined to be subject to forfeiture or subject to any restraining order, injunction, prohibition, or other action. The court may release the property to the defendant for good cause shown and within the sound discretion of the court.

(D) Upon a conviction of a person under this Article, the court shall authorize the Attorney General or State's Attorney to seize and sell all property or other interest declared forfeited under this Article, unless the property is required by law to be destroyed or is harmful to the public. The court may order the Attorney General or State's Attorney to segregate funds from the proceeds of the sale sufficient: (1) to satisfy any order of restitution, as the court may deem appropriate; (2) to satisfy any legal right, title, or interest which the court deems superior to any right, title, or interest of the defendant at the time of the commission of the acts which gave rise to forfeiture under this subsection; or (3) to satisfy any bona-fide purchaser for value of the right, title, or interest in the property who was without reasonable notice that the property was subject to forfeiture. Following the entry of an order of forfeiture, the Attorney General or State's Attorney shall publish notice of the order and his or her intent to dispose of the property. Within 30 days following the publication, any person may petition the court

to adjudicate the validity of his or her alleged interest in the property. After
the deduction of all requisite expenses of administration and sale, the
Attorney General or State’s Attorney shall distribute the proceeds of the sale,
along with any moneys forfeited or seized, among participating law
enforcement agencies in such equitable portions as the court shall determine.

(E) No judge shall release any property or money seized under
subdivision (A) or (B) for the payment of attorney’s fees of any person
claiming an interest in such money or property.

(c) Exemptions from forfeiture. A property interest is exempt from forfeiture under
this Section if its owner or interest holder establishes by a preponderance of evidence that
the owner or interest holder:

(A)(i) in the case of personal property, is not legally accountable for the
conduct giving rise to the forfeiture, did not acquiesce in it, and did not know and
could not reasonably have known of the conduct or that the conduct was likely to
occur, or

(ii) in the case of real property, is not legally accountable for the conduct
giving rise to the forfeiture, or did not solicit, conspire, or attempt to commit the
conduct giving rise to the forfeiture; and

(B) had not acquired and did not stand to acquire substantial proceeds from
the conduct giving rise to its forfeiture other than as an interest holder in an arms
length commercial transaction; and

(C) with respect to conveyances, did not hold the property jointly or in
common with a person whose conduct gave rise to the forfeiture; and

(D) does not hold the property for the benefit of or as nominee for any person
whose conduct gave rise to its forfeiture, and, if the owner or interest holder
acquired the interest through any such person, the owner or interest holder acquired
it as a bona fide purchaser for value without knowingly taking part in the conduct
giving rise to the forfeiture; and

(E) that the owner or interest holder acquired the interest:

(i) before the commencement of the conduct giving rise to its
forfeiture and the person whose conduct gave rise to its forfeiture did not
have the authority to convey the interest to a bona fide purchaser for value
at the time of the conduct; or

(ii) after the commencement of the conduct giving rise to its forfeiture,
and the owner or interest holder acquired the interest as a mortgagee,
secured creditor, lien holder, or bona fide purchaser for value without
knowledge of the conduct which gave rise to the forfeiture; and

(a) in the case of personal property, without knowledge of the
seizure of the property for forfeiture; or

(b) in the case of real estate, before the filing in the office of
the Recorder of Deeds of the county in which the real estate is located
of a notice of seizure for forfeiture or a lis pendens notice.

Section 17. The Boarding Aircraft With Weapon Act is amended by changing Section 7 as follows:

(720 ILCS 545/7) (from Ch. 38, par. 84-7)
Sec. 7. Sentence. Violation of this Act is a Class 4 felony. A misdemeanor.
(Source: P.A. 82-662.)

(725 ILCS 5/108-4) (from Ch. 38, par. 108-4)
Sec. 108-4. Issuance of search warrant. (a) All warrants upon written complaint shall state the time and date of issuance and be the warrants of the judge issuing the same and not the warrants of the court in which he is then sitting and such warrants need not bear the seal of the court or clerk thereof. The complaint on which the warrant is issued need not be filed with the clerk of the court nor with the court if there is no clerk until the warrant has been executed or has been returned "not executed".

The search warrant upon written complaint may be issued electronically or electromagnetically by use of a facsimile transmission machine and any such warrant shall have the same validity as a written search warrant.

(b) Warrant upon oral testimony.

(1) General rule. When the offense in connection with which a search warrant is sought constitutes terrorism or any related offense as defined in Article 29D of the Criminal Code of 1961, and if the circumstances make it reasonable to dispense, in whole or in part, with a written affidavit, a judge may issue a warrant based upon sworn testimony communicated by telephone or other appropriate means, including facsimile transmission.

(2) Application. The person who is requesting the warrant shall prepare a document to be known as a duplicate original warrant and shall read such duplicate original warrant, verbatim, to the judge. The judge shall enter, verbatim, what is so read to the judge on a document to be known as the original warrant. The judge may direct that the warrant be modified.

(3) Issuance. If the judge is satisfied that the offense in connection with which the search warrant is sought constitutes terrorism or any related offense as defined in Article 29D of the Criminal Code of 1961, that the circumstances are such as to make it reasonable to dispense with a written affidavit, and that grounds for the application exist or that there is probable cause to believe that they exist, the judge shall order the issuance of a warrant by directing the person requesting the warrant to sign the judge’s name on the duplicate original warrant. The judge shall
immediately sign the original warrant and enter on the face of the original warrant the exact time when the warrant was ordered to be issued. The finding of probable cause for a warrant upon oral testimony may be based on the same kind of evidence as is sufficient for a warrant upon affidavit.

(4) Recording and certification of testimony. When a caller informs the judge that the purpose of the call is to request a warrant, the judge shall immediately place under oath each person whose testimony forms a basis of the application and each person applying for that warrant. If a voice recording device is available, the judge shall record by means of the device all of the call after the caller informs the judge that the purpose of the call is to request a warrant, otherwise a stenographic or longhand verbatim record shall be made. If a voice recording device is used or a stenographic record made, the judge shall have the record transcribed, shall certify the accuracy of the transcription, and shall file a copy of the original record and the transcription with the court. If a longhand verbatim record is made, the judge shall file a signed copy with the court.

(5) Contents. The contents of a warrant upon oral testimony shall be the same as the contents of a warrant upon affidavit.

(6) Additional rule for execution. The person who executes the warrant shall enter the exact time of execution on the face of the duplicate original warrant.

(7) Motion to suppress based on failure to obtain a written affidavit. Evidence obtained pursuant to a warrant issued under this subsection (b) is not subject to a motion to suppress on the ground that the circumstances were not such as to make it reasonable to dispense with a written affidavit, absent a finding of bad faith. All other grounds to move to suppress are preserved.

(8) This subsection (b) is inoperative on and after January 1, 2005.

(9) No evidence obtained pursuant to this subsection (b) shall be inadmissible in a court of law by virtue of subdivision (8).

(a) Notwithstanding any other provisions of this Article, any investigative or law enforcement officer, upon approval of a State's Attorney, or without it if a reasonable effort has been made to contact the appropriate State's Attorney, may use an eavesdropping device in an emergency situation as defined in this Section. Such use must be in accordance with the provisions of this Section and may be allowed only where the officer reasonably believes that an order permitting the use of the device would issue were there a prior hearing.

An emergency situation exists when, without previous notice to the law enforcement officer sufficient to obtain prior judicial approval, the conversation to be overheard or recorded will occur within a short period of time, the use of the device is necessary for the protection of the law enforcement officer or it will occur in a situation involving a clear and present danger of imminent death or great bodily harm to persons resulting from: (1) a kidnapping or the holding of a hostage by force or the threat of the imminent use of force;

New matter indicated by italics - deletions by strikeout.
or (2) the occupation by force or the threat of the imminent use of force of any premises, place, vehicle, vessel or aircraft; or (3) any violation of Article 29D.

(b) In all such cases, an application for an order approving the previous or continuing use of an eavesdropping device must be made within 48 hours of the commencement of such use. In the absence of such an order, or upon its denial, any continuing use shall immediately terminate.

In order to approve such emergency use, the judge must make a determination (1) that he would have granted an order had the information been before the court prior to the use of the device and (2) that there was an emergency situation as defined in this Section.

(c) In the event that an application for approval under this Section is denied the contents of the conversations overheard or recorded shall be treated as having been obtained in violation of this Article.

Sec. 108B-5. Requirements for order of interception. Upon consideration of an application, the chief judge may enter an ex parte order, as requested or as modified, authorizing the interception of a private oral communication, if the chief judge determines on the basis of the application submitted by the applicant, that:

(1) There is probable cause for belief that (a) the person whose private communication is to be intercepted is committing, has committed, or is about to commit an offense enumerated in Section 108B-3, or (b) the facilities from which, or the place where, the private oral communication is to be intercepted, is, has been, or is about to be used in connection with the commission of the offense, or is leased to, listed in the name of, or commonly used by, the person; and

(2) There is probable cause for belief that a particular private communication concerning such offense may be obtained through the interception; and

(3) Normal investigative procedures with respect to the offense have been tried and have failed or reasonably appear to be unlikely to succeed if tried or too dangerous to employ; and

(4) The electronic criminal surveillance officers to be authorized to supervise the interception of the private oral communication have been certified by the Department.

(b) In the case of an application, other than for an extension, for an order to intercept a communication of a person or on a wire communication facility that was the subject of a previous order authorizing interception, the application shall be based upon new evidence or information different from and in addition to the evidence or information offered to support the prior order, regardless of whether the evidence was derived from prior interceptions or from other sources.

(c) The chief judge may authorize interception of a private oral communication anywhere in the judicial circuit. If the court authorizes the use of an eavesdropping device with respect to a vehicle, watercraft, or aircraft that is within the judicial circuit at the time the order is issued, the order may provide that the interception may continue anywhere within the State if the vehicle, watercraft, or aircraft leaves the judicial circuit.

2. The identity of, or a particular description of, the person, if known, whose private communications are to be intercepted;
3. The character and location of the particular wire communication facilities as to which, or the particular place of the communications as to which, authority to intercept is granted;
4. A particular description of the type of private communication to be intercepted and a statement of the particular offense to which it relates;
5. The identity and certification of the electronic criminal surveillance officers to whom the authority to intercept a private oral communication is given and the identity of the person who authorized the application; and
6. The period of time during which the interception is authorized, including a statement as to whether or not the interception shall automatically terminate when the described communication has been first obtained.

(b) No order entered under this Section shall authorize the interception of private oral communications for a period of time in excess of that necessary to achieve the objective of the authorization. Every order entered under this Section shall require that the interception begin and terminate as soon as practicable and be conducted in such a manner as to minimize the interception of communications not otherwise subject to interception. No order, other than for an extension, entered under this Section may authorize the interception of private oral communications for any period exceeding 30 days. Extensions of an order may be granted for periods of not more than 30 days. No extension shall be granted unless an application for it is made in accordance with Section 108B-4 and the judge makes the findings required by Section 108B-5 and, where necessary, Section 108B-6.

(c) Whenever an order authorizing an interception is entered, the order shall require

reports to be made to the chief judge who issued the order showing what progress has been made toward achievement of the authorized objective and the need for continued interception. The reports shall be made at such intervals as the judge may require.

(d) An order authorizing the interception of a private oral communication shall, upon request of the applicant, direct that a communications common carrier, landlord, owner, building operator, custodian, or other person furnish the applicant forthwith all information, facilities and technical assistance necessary to accomplish the interception unobtrusively and with a minimum of interference with the services that the carrier, owner, building operator, landlord, custodian, or person is affording the person whose communication is to be intercepted. The obligation of a communications common carrier under the order may include conducting an in-progress trace during an interception. Any communications common carrier, landlord, owner, building operator, custodian, or person furnishing the facilities or technical assistance shall be compensated by the applicant at the prevailing rates.

(e) A communications common carrier, landlord, owner, building operator, custodian, or other person who has been provided with an order issued under this Article shall not disclose the existence of the order of interception, or of a device used to accomplish the interception unless:
   (1) He is required to do so by legal process; and
   (2) He has given prior notification to the State's Attorney, who has authorized the application for the order.

(f) An order authorizing the interception of a private oral communication shall, upon the request of the applicant, authorize the entry into the place or facilities by electronic criminal surveillance officers as often as necessary for the purpose of installing, maintaining or removing an intercepting device where the entry is necessary to conduct or complete the interception. The chief judge who issues the order shall be notified of the fact of each entry prior to entry, if practicable, and, in any case, within 48 hours of entry.

(g) (1) Notwithstanding any provision of this Article, any chief judge of a court of competent jurisdiction to which any application is made under this Article may take any evidence, make any finding, or issue any order to conform the proceedings or the issuance of any order to the Constitution of the United States, or of any law of the United States or to the Constitution of the State of Illinois or to the laws of Illinois.

(2) When the language of this Article is the same or similar to the language of Title III of P.L. 90-351 (82 Stat. 211 et seq., codified at, 18 U.S.C. 2510 et seq.), the courts of this State in construing this Article shall follow the construction given to Federal law by the United States Supreme Court or United States Court of Appeals for the Seventh Circuit.

Sec. 108B-12. Approval, notice, suppression.

(a) If an electronic criminal surveillance officer, while intercepting a private oral communication in accordance with the provision of this Article, intercepts a private oral communication that relates to an offense other than an offense enumerated in Section 108B-3 of the Act, or relates to an offense enumerated in Section 108B-3 but not specified in the order of authorization, the State's Attorney, or a person designated in writing or by law to act for him, may, in order to permit the disclosure or use of the information under Section 108B-2a of this Act, make a motion for an order approving the interception. The chief judge of a court of competent jurisdiction shall enter an order approving the interception if he finds that at the time of the application, there existed probable cause to believe that a person whose private oral communication was intercepted was committing or had committed an offense and the content of the communication relates to that offense, and that the communication was otherwise intercepted in accordance with the provisions of this Article.

(b) An intercepted private oral communication, or evidence derived from it, may not be received in evidence or otherwise disclosed in an official proceeding unless each aggrieved person who is a party in the official proceeding, including any proceeding before a legislative, judicial, administrative or other governmental agency or official authorized to hear evidence under oath or other person taking testimony or depositions in any such proceeding, other than a grand jury, has, not less than 10 days before the official proceeding, been furnished with a copy of the court order, and the accompanying application, under which the interception was authorized or approved. The 10 day period may be waived by the presiding official if he finds that it was not practicable to furnish the person with the information 10 days before the proceeding, and that the person will not be or has not been prejudiced by delay in receiving the information.

(c) An aggrieved person in an official proceeding may make a motion under this Section to suppress the contents of an intercepted private oral communication, or evidence derived from it, on the grounds that:

1. The communication was unlawfully intercepted;
2. The order of authorization or approval under which it was intercepted is insufficient on its face; or
3. The interception was not made in conformity with the order of authorization or approval or at the time of the application there was not probable cause to believe that the

aggrieved person was committing or had committed the offense to which the content of the private communication relates.

(d) If a motion under this Section duly alleges that the evidence sought to be suppressed in an official proceeding, including a grand jury, has been derived from an unlawfully intercepted private oral communication, and if the aggrieved person who is a party has not been served with notice of the interception under this Section, the opponent of the allegation shall, after conducting a thorough search of its files, affirm or deny the occurrence of the alleged unlawful interception, but no motion shall be considered if the alleged unlawful interception took place more than 5 years before the event to which the evidence relates.

(e) Where a motion is duly made under this Section prior to the appearance of a witness before a grand jury, the opponent of the motion may make such applications and orders as it has available to the chief judge of a court of competent jurisdiction in camera, and if the judge determines that there is no defect in them sufficient on its face to render them invalid, the judge shall inform the witness that he has not been the subject of an unlawful interception. If the judge determines that there is a defect in them sufficient on its face to render them invalid, he shall enter an order prohibiting any question being put to the witness based on the unlawful interception.

(f) Motions under this Section shall be made prior to the official proceeding unless there was no opportunity to make the motion or unless the aggrieved person who is a party was not aware of the grounds for the motion. Motions by co-indictees shall, on motion of the People, be heard in a single consolidated hearing.

(g) A chief judge of a court of competent jurisdiction, upon the filing of a motion by an aggrieved person who is a party under this Section, except before a grand jury, may make available for inspection by the aggrieved person or his attorney such portions of the intercepted private communications, applications and orders or the evidence derived from them as the judge determines to be in the interest of justice.

(h) If a motion under this Section is granted, the intercepted private oral communication, and evidence derived from it, may not be received in evidence in an official proceeding, including a grand jury.

(i) In addition to any other right of appeal, the People shall have the right to appeal from an order granting a motion to suppress if the official to whom the order authorizing the interception was granted certifies to the court that the appeal is not taken for purposes of delay. The appeal shall otherwise be taken in accordance with the law.

Section 21. The Statewide Grand Jury Act is amended by changing Sections 2, 3, 4, and 10 as follows:

(725 ILCS 215/2) (from Ch. 38, par. 1702)

Sec. 2. (a) County grand juries and State's Attorneys have always had and shall continue to have primary responsibility for investigating, indicting, and prosecuting persons who violate the criminal laws of the State of Illinois. However, in recent years organized terrorist activity directed against innocent civilians and certain criminal enterprises have developed that require investigation, indictment, and prosecution on a statewide or multicounty level. The criminal enterprises exist as a result of the allure of profitability present in narcotic activity, the unlawful sale and transfer of firearms, and streetgang related felonies and organized terrorist activity is supported by the contribution of money and expert assistance from geographically diverse sources. In order to shut off the life blood of terrorism and weaken or eliminate the criminal enterprises, assets, and property used to further these offenses must be frozen, and any the profit must be removed. State statutes exist that can accomplish that goal. Among them are the offense of money laundering, the Cannabis and Controlled Substances Tax Act, violations of Article 29D of the Criminal Code of 1961, the Narcotics Profit Forfeiture Act, and gunrunning. Local prosecutors need investigative personnel and specialized training to attack and eliminate these profits. In light of the transitory and complex nature of conduct that constitutes these criminal activities, the

many diverse property interests that may be used, acquired directly or indirectly as a result of these criminal activities, and the many places that illegally obtained property may be located, it is the purpose of this Act to create a limited, multicounty Statewide Grand Jury with authority to investigate, indict, and prosecute: narcotic activity, including cannabis and controlled substance trafficking, narcotics racketeering, money laundering, and violations of the Cannabis and Controlled Substances Tax Act, and violations of Article 29D of the Criminal Code of 1961; the unlawful sale and transfer of firearms; gunrunning; and streetgang related felonies.

(b) A Statewide Grand Jury may also investigate, indict, and prosecute violations facilitated by the use of a computer of any of the following offenses: indecent solicitation of a child, sexual exploitation of a child, soliciting for a juvenile prostitute, keeping a place of juvenile prostitution, juvenile pimping, or child pornography.

Upon such written application, the Chief Justice of the Supreme Court shall appoint a Circuit Judge from the circuit where the Statewide Grand Jury is being sought to be convened, who shall make a determination that the convening of a Statewide Grand Jury is necessary.

In such application the Attorney General shall state that the convening of a Statewide Grand Jury is necessary because of an alleged offense or offenses set forth in this Section involving more than one county of the State and identifying any such offense alleged; and

(a) that he or she believes that the grand jury function for the investigation and indictment of the offense or offenses cannot effectively be performed by a county grand jury together with the reasons for such belief, and

(b)(1) that each State's Attorney with jurisdiction over an offense or offenses to be investigated has consented to the impaneling of the Statewide Grand Jury, or

(2) if one or more of the State's Attorneys having jurisdiction over an offense or offenses to be investigated fails to consent to the impaneling of the Statewide Grand Jury, the Attorney General shall set forth good cause for impaneling the Statewide Grand Jury.

If the Circuit Judge determines that the convening of a Statewide Grand Jury is necessary, he or she shall convene and impanel the Statewide Grand Jury with jurisdiction extending throughout the State to investigate and return indictments:

(a) For violations of any of the following or for any other criminal offense committed in the course of violating any of the following: Article 29D of the Criminal Code of 1961, the Illinois Controlled Substances Act, the Narcotics Profit Forfeiture Act, or the Cannabis and Controlled Substances Tax Act; a streetgang related felony offense; Section 24-2.1, 24-2.2, 24-3, 24-3A, 24-3.1, 24-3.3, 24-3.4, 24-4, or 24-5 or subsection 24-1(a)(4), 24-1(a)(6), 24-1(a)(7), 24-1(a)(9), 24-1(a)(10), or 24-1(c) of the Criminal Code of 1961; or a money
laundring offense; provided that the violation or offense involves acts occurring in
more than one county of this State; and

the Internet, the World Wide Web, electronic mail, message board, newsgroup, or
any other commercial or noncommercial on-line service, of any of the following
offenses: indecent solicitation of a child, sexual exploitation of a child, soliciting for

child pornography; and

(b) For the offenses of perjury, subornation of perjury, communicating with
jurors and witnesses, and harassment of jurors and witnesses, as they relate to matters
before the Statewide Grand Jury.

"Streetgang related" has the meaning ascribed to it in Section 10 of the Illinois
Streetgang Terrorism Omnibus Prevention Act.

Upon written application by the Attorney General for the convening of an additional
Statewide Grand Jury, the Chief Justice of the Supreme Court shall appoint a Circuit Judge
from the circuit for which the additional Statewide Grand Jury is sought. The Circuit Judge
shall determine the necessity for an additional Statewide Grand Jury in accordance with the
provisions of this Section. No more than 2 Statewide Grand Juries may be empaneled at any
time.

(i) has previously received increased good conduct credit under this paragraph (4) and has subsequently been convicted of a felony, or (ii) has previously served more than one prior sentence of imprisonment for a felony in an adult correctional facility.

Educational, vocational, substance abuse and correctional industry programs under which good conduct credit may be increased under this paragraph (4) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of good conduct credit for meritorious service given at any time during the term, the Department shall give reasonable advance notice of the impending release to the State's Attorney of the county where the prosecution of the inmate took place. (b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of good time.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any good conduct credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of good conduct credit. The Board may subsequently approve the revocation of additional good conduct credit, if the Department seeks to revoke good conduct credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of good conduct credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up

However, the Board may not restore good conduct credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of good conduct credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of good conduct credit by bringing charges against the prisoner sought to be deprived of the good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of good conduct credit at the time of the finding, then the Prisoner Review Board may revoke all good conduct credit accumulated by the prisoner.

The appropriation may be allocated and expended by the State Board as grants or loans to school districts which are the subject of an approved petition for emergency financial assistance under Section 1B-4. From the amount allocated to each such school district the State Board shall identify a sum sufficient to cover all approved costs of the Financial Oversight Panel established for the respective school district. If the State Board and State Superintendent of Education have not approved emergency financial assistance in conjunction with the appointment of a Financial Oversight Panel, the Panel's approved costs shall be paid from deductions from the district's general State aid.

The Financial Oversight Panel may prepare and file with the State Superintendent a proposal for emergency financial assistance for the school district and for the operations budget of the Panel. No expenditures shall be authorized by the State Superintendent until he has approved the proposal of the Panel, either as submitted or in such lesser amount determined by the State Superintendent.

The maximum amount of an emergency financial assistance loan which may be allocated to any school district under this Article, including moneys necessary for the operations of the Panel, shall not exceed $1000 times the number of pupils enrolled in the school district during the school year ending June 30 prior to the date of approval by the State Board of petition for emergency financial assistance, as certified to the local board and the Panel by the State Superintendent. An emergency financial assistance grant shall not exceed $250 times the number of such pupils. A district may receive both a loan and a grant.

The payment of an emergency State financial assistance grant or loan shall be subject to appropriation by the General Assembly. Emergency State financial assistance allocated and paid to a school district under this Article may be applied to any fund or funds from

which the local board of education of that district is authorized to make expenditures by law.

Any emergency financial assistance proposed by the Financial Oversight Panel and approved by the State Superintendent may be paid in its entirety during the initial year of the Panel's existence or spread in equal or declining amounts over a period of years not to exceed the period of the Panel's existence. All loan payments made from the School District Emergency Financial Assistance Fund for a school district shall be required to be repaid, with simple interest over the term of the loan at a rate equal to 50% of the one-year Constant Maturity Treasury (CMT) yield as last published by the Board of Governors of the Federal Reserve System before the Panel's existence or spread in equal or declining amounts over a period of years not to exceed the period of the Panel's existence. All loan payments made from the School District Emergency Financial Assistance Fund for a school district shall be required to be repaid, with simple interest over the term of the loan at a rate equal to 50% of the one-year Constant Maturity Treasury (CMT) yield as last published by the Board of Governors of the Federal Reserve System before the last auction of those one-year bills that precede the date on which the district's loan is approved by the State Board of Education, not later than the date the Financial Oversight Panel ceases to exist. The Panel shall establish and the State Superintendent shall approve the terms and conditions, including the schedule, of repayments. The schedule shall provide for repayments commencing July 1 of each year. Repayment shall be incorporated into the annual budget of the school district and may be made from any fund or funds of the district in which there are moneys available. When moneys are repaid as provided herein they shall not be made available to the local board for further use as emergency financial assistance under this Article at any time thereafter. All repayments required to be made by a school district shall be received by the State Board and deposited in the School District Emergency Financial Assistance Fund.

In establishing the terms and conditions for the repayment obligation of the school district the Panel shall annually determine whether a separate local property tax levy is required. The board of any school district with a tax rate for educational purposes for the prior year of less than 120% of the maximum rate for educational purposes authorized by Section 17-2 shall provide for a separate tax levy for emergency financial assistance repayment purposes. Such tax levy shall not be subject to referendum approval. The amount of the levy shall be equal to the amount necessary to meet the annual repayment obligations of the district as established by the Panel, or 20% of the amount levied for educational purposes for the prior year, whichever is less. However, no district shall be required to levy the tax if the district's operating tax rate as determined under Section 18-8 or 18-8.05 exceeds 200% of the district's tax rate for educational purposes for the prior year.

(ARTICLE 1F. DOWNSTATE SCHOOL FINANCE AUTHORITY FOR ELEMENTARY DISTRICTS)

Sec. 1F-1. Short title. This Article may be cited as the Downstate School Finance Authority for Elementary Districts Law.

Sec. 1F-5. Findings; purpose; intent.
(a) The General Assembly finds all of the following:
   (1) A fundamental goal of the people of this State, as expressed in Section 1
of Article X of the Illinois Constitution, is the educational development of all persons to the limits of their capacities. When a board of education faces financial difficulties, continued operation of the public school system is threatened.

(2) A sound financial structure is essential to the continued operation of any school system. It is vital to commercial, educational, and cultural interests that public schools remain in operation. To achieve that goal, public school systems must have effective access to the private market to borrow short and long term funds.

(3) To promote the financial integrity of districts, as defined in this Article, it is necessary to provide for the creation of school finance authorities with the powers necessary to promote sound financial management and to ensure the continued operation of the public schools.

(b) It is the purpose of this Article to provide a secure financial basis for the continued operation of public schools. The intention of the General Assembly, in creating this Article, is to establish procedures, provide powers, and impose restrictions to ensure the financial and educational integrity of the public schools, while leaving principal responsibility for the educational policies of public schools to the boards of education within the State, consistent with the requirements for satisfying the public policy and purpose set forth in this Article.

(415 ILCS 120/30)

Sec. 30. Rebate program. Beginning January 1, 1997, and as long as funds are available, each owner of an alternate fuel vehicle shall be eligible to apply for a rebate. The Agency shall cause rebates to be issued under the provisions of this Act. The Alternate Fuels Advisory Board shall develop and recommend to the Agency rules that provide incentives
or other measures to ensure that small fleet operators and owners participate in, and benefit from, the rebate program. Such rules shall define and identify small fleet operators and owners in the covered area and make provisions for the establishment of criteria to ensure that funds from the Alternate Fuels Fund specified in this Act are made readily available to these entities. The Advisory Board shall, in the development of its rebate application review criteria, make provisions for preference to be given to applications proposing a partnership between the fleet operator or owner and a fueling service station to make alternate fuels available to the public. An owner may apply for only one of 3 types of rebates with regard to an individual alternate fuel vehicle: (i) a conversion cost rebate, (ii) an OEM differential cost rebate, or (iii) a fuel cost differential rebate. Only one rebate may be issued with regard to a particular alternate fuel vehicle during the life of that vehicle. A rebate shall not exceed $4,000 per vehicle. Over the life of this rebate program, an owner of an alternate fuel vehicle may not receive rebates for more than 150 vehicles per location or for 300 vehicles in total.

(a) A conversion cost rebate may be issued to an owner or his or her designee in order to reduce the cost of converting of a conventional vehicle to an alternate fuel vehicle. Conversion of a conventional vehicle to alternate fuel capability must take place in Illinois for the owner to be eligible for the conversion cost rebate. Amounts spent by applicants within a calendar year may be claimed on a rebate application submitted during that calendar year. Approved conversion cost rebates applied for during or after calendar year years 1997, 1998, 1999, 2000, 2001, and 2002 shall be 80% of all approved conversion costs claimed and documented. Approval of conversion cost rebates may continue after calendar year 2002, if funds are still available. An applicant may include on an application submitted in 1997 all amounts spent within that calendar year on the conversion, even if the expenditure occurred before promulgation of the Agency rules.

(b) An OEM differential cost rebate may be issued to an owner or his or her designee in order to reduce the cost differential between a conventional vehicle or engine and the same vehicle or engine, produced by an original equipment manufacturer, that has the capability to use alternate fuels. A new OEM vehicle or engine must be purchased in Illinois and must either be an alternate fuel vehicle or used in an alternate fuel vehicle, respectively, for the owner to be eligible for an OEM differential cost rebate. Amounts spent by applicants within a calendar year may be claimed on a rebate application submitted during that calendar year. Approved OEM differential cost rebates applied for during or after calendar year years 1997, 1998, 1999, 2000, 2001, and 2002 shall be 80% of all approved cost differential claimed and documented. Approval of OEM differential cost rebates may continue after calendar year 2002, if funds are still available. An applicant may include on an application submitted in 1997 all amounts spent within that calendar year on OEM equipment, even if the expenditure occurred before promulgation of the Agency rules.

(c) A fuel cost differential rebate may be issued to an owner or his or her designee in order to reduce the cost differential between conventional fuels and domestic renewable fuels purchased to operate an alternate fuel vehicle that runs on domestic renewable fuel. The fuel cost differential shall be based on a 3-year life cycle cost analysis developed by the

New matter indicated by italics - deletions by strikeout.
Agency by rulemaking. The rebate shall apply to and be payable during a consecutive 3-year period commencing on the date the application is approved by the Agency. Approved fuel cost differential rebates may be applied for during or after calendar years 1997, 1998, 1999, 2000, and 2001 and approved rebates shall be 80% of the cost differential for a consecutive 3-year period. Approval of fuel cost differential rebates may continue after calendar year 2002 if funds are still available. Twenty-five percent of the amount appropriated under Section 40 to be used to fund the programs authorized by this Section during calendar year 1998 shall be designated to fund fuel cost differential rebates. If the total dollar amount of approved fuel cost differential rebate applications as of October 1, 1998 is less than the amount designated for that calendar year, the balance of designated funds shall be immediately available to fund any rebate authorized by this Section and approved in the calendar year. An applicant may include on an application submitted in 1997 all amounts spent within that calendar year on fuel cost differential, even if the expenditure occurred before the promulgation of the Agency rules.

Twenty-five percent of the amount appropriated under Section 40 to be used to fund the programs authorized by this Section during calendar year 1999 shall be designated to fund fuel cost differential rebates. If the total dollar amount of approved fuel cost differential rebate applications as of July 1, 1999 is less than the amount designated for that calendar year, the balance of designated funds shall be immediately available to fund any rebate authorized by this Section and approved in the calendar year.

Twenty-five percent of the amount appropriated under Section 40 to be used to fund programs authorized by this Section during calendar year 2000 shall be designated to fund fuel cost differential rebates. If the total dollar amount of approved fuel cost differential rebate applications as of July 1, 2000 is less than the amount designated for that calendar year, the balance of designated funds shall be immediately available to fund any rebate authorized by this Section and approved in the calendar year.

Twenty-five percent of the amount that is appropriated under Section 40 to be used to fund programs authorized by this Section during calendar year 2001 shall be designated to fund fuel cost differential rebates. If the total dollar amount of approved fuel cost differential rebate applications as of July 1, 2001 is less than the amount designated for that calendar year, the balance of designated funds shall be immediately available to fund any rebate authorized by this Section and approved in the calendar year.

An approved fuel cost differential rebate shall be paid to an owner in 3 annual installments on or about the anniversary date of the approval of the application. Owners receiving a fuel cost differential rebate shall be required to demonstrate, through recordkeeping, the use of domestic renewable fuels during the 3-year period commencing on the date the application is approved by the Agency. If the alternate fuel vehicle ceases to be registered to the original applicant owner, a prorated installment shall be paid to that owner or the owner's designee and the remainder of the rebate shall be canceled.

(d) Vehicles owned by the federal government or vehicles registered in a state outside Illinois are not eligible for rebates.

(Source: P.A. 89-410; 90-726, eff. 8-7-98.)
Sec. 31. Alternate Fuel Infrastructure Program. Subject to appropriation, the Department of Commerce and Community Affairs shall establish a grant program to provide funding for the building of E85 blend, propane, and compressed natural gas (CNG) fueling facilities, including private on-site fueling facilities, to be built within the covered area or in Illinois metropolitan areas over 100,000 in population. The Department of Commerce and Community Affairs shall be responsible for reviewing the proposals and awarding the grants.

Sec. 32. Clean Fuel Education Program. Subject to appropriation, the Department of Commerce and Community Affairs, in cooperation with the Agency and Chicago Area Clean Cities, shall administer the Clean Fuel Education Program, the purpose of which is to educate fleet administrators and Illinois' citizens about the benefits of using alternate fuels. The program shall include a media campaign.

Sec. 35. User fees.

(a) During fiscal years 1999, 2000, 2001, and 2002 the Office of the Secretary of State shall collect annual user fees from any individual, partnership, association, corporation, or agency of the United States government that registers any combination of 10 or more of the following types of motor vehicles in the Covered Area: (1) Vehicles of the First Division, as defined in the Illinois Vehicle Code; (2) Vehicles of the Second Division registered under the B, D, F, H, MD, MF, MG, MH and MJ plate categories, as defined in the Illinois Vehicle Code; and (3) Commuter vans and livery vehicles as defined in the Illinois Vehicle Code. This Section does not apply to vehicles registered under the International Registration Plan under Section 3-402.1 of the Illinois Vehicle Code. The user fee shall be $20 for each vehicle registered in the Covered Area for each fiscal year. The Office of the Secretary of State shall collect the $20 when a vehicle's registration fee is paid.

(b) Owners of State, county, and local government vehicles, rental vehicles, antique vehicles, electric vehicles, and motorcycles are exempt from paying the user fees on such vehicles.

(c) The Office of the Secretary of State shall deposit the user fees collected into the Alternate Fuels Fund.

Sec. 40. Appropriations from the Alternate Fuels Fund.

(a) User Fees Funds. The Agency shall estimate the amount of user fees expected to be collected under Section 35 of this Act for fiscal years 1999, 2000, 2001, and 2002. User fee funds shall be deposited into and distributed from the Alternate Fuels Fund in the following manner:

(3) Additional appropriations to the Agency from the Alternate Fuels Fund to pay its costs of administering the programs authorized by Section 30 of this Act may be made in fiscal years following 2002, not to exceed the amount of $200,000 in any fiscal year, if funds are still available and program costs are still being incurred.

In determining good moral character, the Department may take into consideration conviction of any crime under the laws of the United States or any state or territory thereof that is a felony or a misdemeanor or any crime that is directly related to the practice of the profession. Such a conviction shall not operate automatically as a complete bar to a license, except in the case of any conviction for prostitution, rape, or sexual misconduct, or where the applicant is a registered sex offender.

Nothing shall limit the ability of the Board to provide recommendations to the Director in regard to any matter affecting the administration of this Act. The Director shall give due consideration to all recommendations of the Board. If the Director takes action contrary to a recommendation of the Board, the Director shall provide a written explanation of that action.

(f) The Director may terminate the appointment of any member for cause which, in the opinion of the Director reasonably justifies termination, which may include, but is not limited to, a Board member who does not attend 2 consecutive meetings. Section 40. Duties of the Department. Subject to provisions of this Act, the Department shall:

(1) Formulate rules required for the administration of this Act. Notice of proposed rule making shall be transmitted to the Board and the Department shall review the Board’s response and any recommendations made in the response.

(2) Determine the qualifications of an applicant for licensure by endorsement.

(3) Conduct hearings or proceedings to refuse to issue or renew or to revoke a license or to suspend, place on probation, reprimand, or otherwise discipline a person licensed under this Act.

(4) Solicit the advice and expert knowledge of the Board on any matter relating to the administration and enforcement of this Act.

(5) Maintain a roster of the names and addresses of all licensees and all persons whose licenses have been suspended, revoked, or denied renewal for cause within the previous calendar year. The roster shall be available upon written request and payment of the required fee.

Section 45. Grounds for discipline.

(a) The Department may refuse to issue or renew, or may revoke, suspend, place on probation, reprimand, or take other disciplinary action, as the Department considers appropriate, including the imposition of fines not to exceed $1,000 for each violation, with regard to any license or licensee for any one or more of the following:

(1) being convicted of any crime under the laws of the United States or any state or territory thereof that is a felony or a misdemeanor, an essential element of which is dishonesty, or any that is directly related to the practice of massage. (5) engaging in dishonorable, unethical, or unprofessional conduct of a character likely to deceive, defraud, or harm the public;
(6) practicing or offering to practice beyond the scope permitted by law or accepting and performing professional responsibilities which the licensee knows or has reason to know that he or she is not competent to perform;
(7) knowingly delegating professional responsibilities to a person unqualified by training, experience, or licensure to perform;
(8) failing to provide information in response to a written request made by the Department within 60 days;
(9) having a habitual or excessive use of or addiction to alcohol, narcotics, stimulants, or any other chemical agent or drug which results in the inability to practice with reasonable judgment, skill, or safety;
(10) having a pattern of practice or other behavior that demonstrates incapacity or incompetence to practice under this Act;
(11) making a material misstatement in furnishing information to the Department or otherwise making misleading, deceptive, untrue, or fraudulent representations in violation of this Act or otherwise in the practice of the profession;

(13) having a physical illness, including but not limited to deterioration through the aging process or loss of motor skills, that results in the inability to practice the profession with reasonable judgment, skill, or safety.

(b) The Department may refuse to issue or may suspend the license of any person who fails to file a tax return, to pay the tax, penalty, or interest shown in a filed tax return, or to pay any final assessment of tax, penalty, or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of the tax Act are satisfied.

(c) The determination by a circuit court that a licensee is subject to involuntary admission or judicial admission, as provided in the Mental Health and Developmental Disabilities Code, operates as an automatic suspension. The suspension will end only upon (i) a finding by a court that the patient is no longer subject to involuntary admission or judicial admission and the issuance of a court order so finding and discharging the patient and (ii) the recommendation of the Board to the Director that the licensee be allowed to resume his or her practice.

(d) In enforcing this Section, the Department or Board upon a showing of a possible violation may compel an individual licensed to practice under this Act, or who has applied for licensure under this Act, to submit to a mental or physical examination, or both, as required by and at the expense of the Department. The Department or Board may order the

examining physician to present testimony concerning the mental or physical examination of the licensee or applicant. No information shall be excluded by reason of any common law or statutory privilege relating to communications between the licensee or applicant and the examining physician. The examining physicians shall be specifically designated by the Board or Department. The individual to be examined may have, at his or her own expense, another physician of his or her choice present during all aspects of this examination. The examination shall be performed by a physician licensed to practice medicine in all its branches. Failure of an individual to submit to a mental or physical examination, when directed, shall be grounds for suspension of his or her license until the individual submits to the examination if the Department finds, after notice and hearing, that the refusal to submit to the examination was without reasonable cause.

If the Department or Board finds an individual unable to practice because of the reasons set forth in this Section, the Department or Board may require that individual to submit to care, counseling, or treatment by physicians approved or designated by the Department or Board, as a condition, term, or restriction for continued, reinstated, or renewed licensure to practice; or, in lieu of care, counseling, or treatment, the Department may file, or the Board may recommend to the Department to file, a complaint to immediately suspend, revoke, or otherwise discipline the license of the individual. An individual whose license was granted, continued, reinstated, renewed, disciplined or supervised subject to such terms, conditions, or restrictions, and who fails to comply with such terms, conditions, or restrictions, shall be referred to the Director for a determination as to whether the individual shall have his or her license suspended immediately, pending a hearing by the Department.

In instances in which the Director immediately suspends a person's license under this Section, a hearing on that person's license must be convened by the Department within 15 days after the suspension and completed without appreciable delay. The Department and Board shall have the authority to review the subject individual's record of treatment and counseling regarding the impairment to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

An individual licensed under this Act and affected under this Section shall be afforded an opportunity to demonstrate to the Department or Board that he or she can resume practice in compliance with acceptable and prevailing standards under the provisions of his or her license.

Section 50. Advertising. It is a misdemeanor for any person, organization, or corporation to advertise massage services unless the person providing the service holds a valid license under this Act, except for those excluded licensed professionals who are allowed to include massage in their scope of practice. A massage therapist may not advertise unless he or she has a current license issued by this State. "Advertise" as used in this Section includes, but is not limited to, the issuance of any card, sign, or device to any person; the causing, permitting, or allowing of any sign or marking on or in any building, vehicle, or structure; advertising in any newspaper or magazine; any listing or advertising in any directory under a classification or heading that includes the words "massage", "massage therapist", "therapeutic massage", or "massage therapeutic"; or commercials broadcast by any

means.

Section 55. Exclusive jurisdiction. Beginning January 1, 2004, the regulation and licensing of massage therapy is an exclusive power and function of the State. Beginning January 1, 2004, a home rule unit may not regulate or license massage therapists. This Section is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

Section 60. Administrative Procedure Act. The Illinois Administrative Procedure Act is hereby expressly adopted and incorporated herein as if all of the provisions of that Act were included in this Act, except that the provision of subsection (d) of Section 10-65 of the Illinois Administrative Procedure Act that provides that at hearings the licensee has the right to show compliance with all lawful requirements for retention, continuation, or renewal of the license is specifically excluded. For the purposes of this Act the notice required under Section 10-25 of the Administrative Procedure Act is deemed sufficient when mailed to the last known address of a party.

Section 65. Renewal of licenses. The expiration date and renewal period for each license issued under this Act shall be set by rule.

Section 67. Continuing education. The Department shall adopt rules for continuing education for persons licensed under this Act that require a completion of 24 hours of approved continuing education per license renewal period. The Department shall establish by rule a means for the verification of completion of the continuing education required by this Section. This verification may be accomplished through audits of records maintained by the licensee, by requiring the filing of continuing education certificates with the Department, or by other means established by the Department.

Section 70. Restoration of expired licenses. A massage therapist who has permitted his or her license to expire or who has had his or her license on inactive status may have his or her license restored by making application to the Department and filing proof acceptable to the Department of his or her fitness to have his or her license restored, including sworn evidence certifying to active practice in another jurisdiction satisfactory to the Department, and by paying the required restoration fee and showing proof of completion of required continuing education. Licensees must provide proof of completion of 24 hours approved continuing education to renew their license.

If the massage therapist has not maintained an active practice in another jurisdiction satisfactory to the Department, the Board shall determine, by an evaluation program established by rule his or her fitness to resume active status and may require the massage therapist to complete a period of evaluated clinical experience and may require successful completion of an examination.

A massage therapist whose license has been expired or placed on inactive status for more than 5 years may have his or her license restored by making application to the Department and filing proof acceptable to the Department of his or her fitness to have his or her license restored, including sworn evidence certifying to active practice in another jurisdiction, by paying the required restoration fee, and by showing proof of the completion of 24 hours of continuing education.
However, a massage therapist whose license has expired while he or she has been engaged (i) in active duty with the Army of the United States, the United States Navy, the Marine Corps, the Air Force, the Coast Guard, or the State Militia called into the service or training of the United States of America, or (ii) in training or education under the supervision of the United States preliminary to induction into the military service, may have his or her license restored without paying any lapsed renewal fees or restoration fee if, within 2 years after termination of the service, training, or education, other than by dishonorable discharge, he or she furnishes the Department with an affidavit to the effect that he or she has been so engaged and that his or her service, training, or education has been terminated.

Section 75. Inactive licenses. Any massage therapist who notifies the Department in writing on forms prescribed by the Department may elect to place his or her license on inactive status and shall, subject to rules of the Department, be excused from payment of renewal fees until he or she notifies the Department in writing of his or her desire to resume active status.

A massage therapist requesting restoration from inactive status shall be required to pay the current renewal fee and shall be required to restore his or her license as provided in Section 70 of this Act.

Any massage therapist whose license is on inactive status shall not practice massage therapy in the State, and any practice conducted shall be deemed unlicensed practice. Section 80. Fees. The fees assessed under this Act shall be set by rule.

Section 85. Deposit of fees and fines; appropriations. All fees and fines collected under this Act shall be deposited into the General Professions Dedicated Fund. All moneys in the Fund shall be used by the Department of Professional Regulation, as appropriated, for the ordinary and contingent expenses of the Department.

Section 90. Violations; injunction; cease and desist order.

(a) If any person violates a provision of this Act, the Director may, in the name of the People of the State of Illinois, through the Attorney General of the State of Illinois or the State's Attorney in the county in which the offense occurs, petition for an order enjoining the violation or for an order enforcing compliance with this Act. Upon the filing of a verified petition in court, the court may issue a temporary restraining order, without notice or bond, and may preliminarily and permanently enjoin the violation. If it is established that the person has violated or is violating the injunction, the court may punish the offender for contempt of court. Proceedings under this Section shall be in addition to, and not in lieu of, all other remedies and penalties provided by this Act.

(b) If, after January 1, 2004, any person practices as a massage therapist or holds himself or herself out as a massage therapist without being licensed under the provisions of this Act, then the Director, any licensed massage therapist, any interested party, or any person injured thereby may petition for relief as provided in subsection (a) of this Section or may apply to the circuit court of the county in which the violation or some part thereof occurred, or in which the person complained of has his or her principal place of business or resides, to prevent the violation. The court has jurisdiction to enforce obedience by injunction or by other process restricting the person complained of from further violation and enjoining upon

him or her obedience.

(c) Whenever, in the opinion of the Department, a person violates any provision of this Act, the Department may issue a rule to show cause why an order to cease and desist should not be entered against him. The rule shall clearly set forth the grounds relied upon by the Department and shall provide a period of 7 days from the date of the rule to file an answer to the satisfaction of the Department. Failure to answer to the satisfaction of the Department shall cause an order to cease and desist to be issued immediately.

Section 95. Investigations; notice and hearing. The Department may investigate the actions of any applicant or of any person holding or claiming to hold a license. The Department shall, before refusing to issue or renew a license or to discipline a licensee pursuant to Section 45, notify the applicant or holder of a license in writing, at least 30 days prior to the date set for the hearing, of the nature of the charges and that a hearing will be held on the date designated. The notice shall direct the applicant or licensee to file an answer to the Board under oath within 20 days after the service of the notice, and shall inform the applicant or licensee that failure to file an answer will result in a default judgment being entered against the applicant or licensee. A default judgment may result in the license being suspended, revoked, or placed on probationary status, or other disciplinary action may be taken, including limiting the scope, nature, or extent of practice, as the Director may deem proper. Written notice may be served by personal delivery or certified or registered mail to the respondent at the address of his or her last notification to the Department. In case the person fails to file an answer after receiving notice, his or her license or certificate may, in the discretion of the Department, be suspended, revoked, or placed on probationary status and the Department may take whatever disciplinary action it deems proper, including limiting the scope, nature, or extent of the person's practice or the imposition of a fine, without a hearing, if the act or acts charged constitute sufficient grounds for that action under this Act. At the time and place fixed in the notice, the Board shall proceed to hear the charges and the parties or their counsel shall be accorded ample opportunity to present statements, testimony, evidence and argument that may be pertinent to the charges or to the licensee's defense. The Board may continue a hearing from time to time.

Section 100. Stenographer; transcript. The Department, at its expense, shall preserve a record of all proceedings at the formal hearing of any case involving the refusal to issue or renew a license or the discipline of a licensee. The notice of hearing, complaint and all other documents in the nature of pleadings and written motions filed in the proceedings, the transcript of testimony, the report of the Board, and the order of the Department shall be the record of the proceeding.

Section 105. Compelling testimony. Any circuit court, upon application of the Department or its designee or of the applicant or licensee against whom proceedings pursuant to Section 95 of this Act are pending, may enter an order requiring the attendance of witnesses and their testimony and the production of documents, papers, files, books, and records in connection with any hearing or investigation. The court may compel obedience to its order by proceedings for contempt.

Section 110. Findings and recommendations. At the conclusion of the hearing, the

Board shall present to the Director a written report of its findings and recommendations. The report shall contain a finding of whether or not the accused person violated this Act or failed to comply with the conditions required in this Act. The Board shall specify the nature of the violation or failure to comply and shall make its recommendations to the Director.

The report of findings and recommendations of the Board shall be the basis for the Department's order or refusal or for the granting of a license unless the Director shall determine that the Board's report is contrary to the manifest weight of the evidence, in which case the Director may issue an order in contravention of the Board's report. The finding is not admissible in evidence against the person in a criminal prosecution brought for the violation of this Act, but the hearing and finding are not a bar to a criminal prosecution brought for the violation of this Act.

Section 115. Rehearing. In any case involving the refusal to issue or renew a license or discipline of a licensee, a copy of the Board's report shall be served upon the respondent by the Department, either personally or as provided in this Act for the service of the notice of hearing. Within 20 days after service, the respondent may present to the Department a motion, in writing and specifying particular grounds, for a rehearing. If no motion for rehearing is filed, then upon the expiration of the time specified for filing the motion, or if a motion for rehearing is denied, then upon the denial, the Director may enter an order in accordance with recommendations of the Board, except as provided in Section 110 of this Act. If the respondent shall order from the reporting service and pay for a transcript of the record within the time for filing a motion for rehearing, the 20 day period within which the motion may be filed shall commence upon the delivery of the transcript to the respondent.

Section 120. Director; rehearing. Whenever the Director is satisfied that substantial justice has not been done in the revocation, suspension, or refusal to issue or renew a license, the Director may order a rehearing by the same or other examiners.

Section 125. Appointment of a hearing officer. The Director shall have the authority to appoint any attorney duly licensed to practice law in this State to serve as the hearing officer in any action for refusal to issue or renew a license or permit or for the discipline of a licensee. The hearing officer shall have full authority to conduct the hearing. At least one member of the Board shall attend each hearing. The hearing officer shall report his or her findings and recommendations to the Board and the Director. The Board shall have 60 days after receipt of the report to review the report of the hearing officer and present its findings of fact, conclusions of law, and recommendations to the Director. If the Board fails to present its report within the 60-day period, the Director shall issue an order based on the report of the hearing officer. If the Director determines that the Board's report is contrary to the manifest weight of the evidence, he or she may issue an order in contravention of the Board's report.

Section 130. Order or certified copy; prima facie proof. An order or a certified copy thereof, over the seal of the Department and purporting to be signed by the Director, shall be prima facie proof that:

(1) the signature is the genuine signature of the Director;
(2) the Director is duly appointed and qualified; and

New matter indicated by italics - deletions by strikeout.
(3) the Board and the members of the Board are qualified to act.

Section 135. Restoration of suspended or revoked license. At any time after the suspension or revocation of a license, the Department may restore it to the accused person upon the written recommendation of the Board, unless after an investigation and a hearing, the Board determines that restoration is not in the public interest.

Section 140. Surrender of license. Upon the revocation or suspension of any license, the licensee shall surrender the license to the Department and, if the licensee fails to do so, the Department shall have the right to seize the license.

Section 145. Temporary suspension of a license. The Director may temporarily suspend the license of a massage therapist without a hearing, simultaneously with the institution of proceedings for a hearing provided for in Section 95 of this Act, if the Director finds that the evidence in his or her possession indicates that continuation in practice would constitute an imminent danger to the public. In the event that the Director temporarily suspends the license of a massage therapist without a hearing, a hearing by the Board must be held within 30 calendar days after the suspension has occurred.

Section 150. Administrative review; venue. All final administrative decisions of the Department are subject to judicial review pursuant to the Administrative Review Law and its rules. The term "administrative decision" is defined as in Section 3-101 of the Code of Civil Procedure.

Proceedings for judicial review shall be commenced in the circuit court of the county in which the party applying for relief resides; but if the party is not a resident of this State, the venue shall be in Sangamon County.

The Department shall not be required to certify any record to the court or file any answer in court or otherwise appear in any court in a judicial review proceeding, unless there is filed in the court, with the complaint, a receipt from the Department acknowledging payment of the costs of furnishing and certifying the record. Failure on the part of the plaintiff to file a receipt in court shall be grounds for dismissal of the action.

Section 155. Violations. A person who is found to have violated any provision of this Act is guilty of a Class A misdemeanor for the first offense and a Class 4 felony for the second and any subsequent offense.

Section 160. Returned checks; fines. Any person who delivers a check or other payment to the Department that is returned to the Department unpaid by the financial institution upon which it is drawn shall pay to the Department, in addition to the amount already owed to the Department, a fine of $50. If the check or other payment was for a renewal or issuance fee and that person practices without paying the renewal fee or issuance fee and the fine due, an additional fine of $100 shall be imposed. The fines imposed by this Section are in addition to any other discipline provided under this Act for unlicensed practice or practice on a nonrenewed license. The Department shall notify the person that payment of fees and fines shall be paid to the Department by certified check or money order within 30 calendar days of the notification. If, after the expiration of 30 days from the date of the notification, the person has failed to submit the necessary remittance, the Department shall automatically terminate the license or deny the application, without hearing. If, after
termination or denial, the person seeks a license, he or she shall apply to the Department for restoration or issuance of the license and pay all fees and fines due to the Department. The Department may establish a fee for the processing of an application for restoration of a license to pay all expenses of processing this application. The Director may waive the fines due under this Section in individual cases where the Director finds that the fines would be unreasonable or unnecessarily burdensome.

Section 165. Unlicensed practice; violation; civil penalty.
(a) Any person who practices, offers to practice, attempts to practice, or holds himself or herself out to practice massage therapy or as a massage therapist without being licensed under this Act shall, in addition to any other penalty provided by law, pay a civil penalty to the Department in an amount not to exceed $5,000 for each offense as determined by the Department. The civil penalty shall be assessed by the Department after a hearing is held in accordance with the provisions set forth in this Act regarding the provision of a hearing for the discipline of a licensee.

(b) The Department has the authority and power to investigate any unlicensed activity.
(c) The civil penalty shall be paid within 60 days after the effective date of the order imposing the civil penalty. The order shall constitute a judgment and may be filed and execution had thereon in the same manner as any judgment from any court of record.

Section 170. Severability. If any provision of this Act or the application of any provision of this Act to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the Act that can be given effect without the invalid provision or application, and for this purpose the provisions of this Act are severable.

(5 ILCS 375/6.5)

Sec. 6.5. Health benefits for TRS benefit recipients and TRS dependent beneficiaries.

(a) Purpose. It is the purpose of this amendatory Act of 1995 to transfer the administration of the program of health benefits established for benefit recipients and their dependent beneficiaries under Article 16 of the Illinois Pension Code to the Department of Central Management Services.

(b) Transition provisions. The Board of Trustees of the Teachers' Retirement System shall continue to administer the health benefit program established under Article 16 of the Illinois Pension Code through December 31, 1995. Beginning January 1, 1996, the Department of Central Management Services shall be responsible for administering a program of health benefits for TRS benefit recipients and TRS dependent beneficiaries under this Section. The Department of Central Management Services and the Teachers' Retirement System shall cooperate in this endeavor and shall coordinate their activities so as to ensure a smooth transition and uninterrupted health benefit coverage.

(c) Eligibility. All persons who were enrolled in the Article 16 program at the time of the transfer shall be eligible to participate in the program established under this Section without any interruption or delay in coverage or limitation as to pre-existing medical conditions. Eligibility to participate shall be determined by the Teachers' Retirement System. Eligibility information shall be communicated to the Department of Central Management Services in a format acceptable to the Department.

becoming ineligible to be claimed as a dependent for Illinois or federal income tax purposes or (ii) receiving earned income, so long as those earnings are insufficient for the child to be fully self-sufficient.

(d) Coverage. The level of health benefits provided under this Section shall be similar to the level of benefits provided by the program previously established under Article 16 of the Illinois Pension Code.

Group life insurance benefits are not included in the benefits to be provided to TRS benefit recipients and TRS dependent beneficiaries under this Act.

The program of health benefits under this Section may include any or all of the benefit limitations, including but not limited to a reduction in benefits based on eligibility for federal medicare benefits, that are provided under subsection (a) of Section 6 of this Act for other health benefit programs under this Act.

(e) Insurance rates and premiums. The Director shall determine the insurance rates and premiums for TRS benefit recipients and TRS dependent beneficiaries. For Fiscal Year 1996, the premium shall be equal to the premium actually charged in Fiscal Year 1995. In subsequent years, the premium shall never be lower than the premium charged in Fiscal Year 1995.

Rates and premiums may be based in part on age and eligibility for federal medicare coverage. However, the cost of participation for a TRS dependent beneficiary who is an unmarried child age 19 or over and mentally or physically handicapped shall not exceed the cost for a TRS dependent beneficiary who is an unmarried child under age 19 and participates in the same major medical or managed care program.

The cost of health benefits under the program shall be paid as follows:

(1) For a TRS benefit recipient selecting a managed care program, up to 75% of the total insurance rate shall be paid from the Teacher Health Insurance Security Fund.

(2) For a TRS benefit recipient selecting the major medical coverage program, up to 50% of the total insurance rate shall be paid from the Teacher Health Insurance Security Fund if a managed care program is accessible, as determined by the Teachers' Retirement System.

(3) For a TRS benefit recipient selecting the major medical coverage program, up to 75% of the total insurance rate shall be paid from the Teacher Health Insurance Security Fund if a managed care program is not accessible, as determined by the Teachers' Retirement System.

(4) The balance of the rate of insurance, including the entire premium of any coverage for TRS dependent beneficiaries that has been elected, shall be paid by deductions authorized by the TRS benefit recipient to be withheld from his or her monthly annuity or benefit payment from the Teachers' Retirement System; except that (i) if the balance of the cost of coverage exceeds the amount of the monthly annuity or benefit payment, the difference shall be paid directly to the Teachers' Retirement System by the TRS benefit recipient, and (ii) all or part of the balance of the cost of coverage may, at the school board's option, be paid to the Teachers' Retirement System.
Retirement System by the school board of the school district from which the TRS benefit recipient retired, in accordance with Section 10-22.3b of the School Code. The Teachers' Retirement System shall promptly deposit all moneys withheld by or paid to it under this subdivision (e)(4) into the Teacher Health Insurance Security Fund. These moneys shall not be considered assets of the Retirement System.

(f) Financing. Beginning July 1, 1995, all revenues arising from the administration of the health benefit programs established under Article 16 of the Illinois Pension Code or this Section shall be deposited into the Teacher Health Insurance Security Fund, which is hereby created as a nonappropriated trust fund to be held outside the State Treasury, with the State Treasurer as custodian. Any interest earned on moneys in the Teacher Health Insurance Security Fund shall be deposited into the Fund.

Moneys in the Teacher Health Insurance Security Fund shall be used only to pay the costs of the health benefit program established under this Section, including associated administrative costs, and the costs associated with the health benefit program established under Article 16 of the Illinois Pension Code, as authorized in this Section. Beginning July 1, 1995, the Department of Central Management Services may make expenditures from the Teacher Health Insurance Security Fund for those costs.

After other funds authorized for the payment of the costs of the health benefit program established under Article 16 of the Illinois Pension Code are exhausted and until January 1, 1996 (or such later date as may be agreed upon by the Director of Central Management Services and the Secretary of the Teachers' Retirement System), the Secretary of the Teachers' Retirement System may make expenditures from the Teacher Health Insurance Security Fund as necessary to pay up to 75% of the cost of providing health coverage to eligible benefit recipients (as defined in Sections 16-153.1 and 16-153.3 of the Illinois Pension Code) who are enrolled in the Article 16 health benefit program and to facilitate the transfer of administration of the health benefit program to the Department of Central Management Services.

(g) Contract for benefits. The Director shall by contract, self-insurance, or otherwise make available the program of health benefits for TRS benefit recipients and their TRS dependent beneficiaries that is provided for in this Section. The contract or other arrangement for the provision of these health benefits shall be on terms deemed by the Director to be in the best interest of the State of Illinois and the TRS benefit recipients based on, but not limited to, such criteria as administrative cost, service capabilities of the carrier or other contractor, and the costs of the benefits.

(h) Continuation of program. It is the intention of the General Assembly that the program of health benefits provided under this Section be maintained on an ongoing, affordable basis. The program of health benefits provided under this Section may be amended by the State and is not intended to be a pension or retirement benefit subject to protection under Article XIII, Section 5 of the Illinois Constitution.

(d) Moneys appropriated by the General Assembly to the Authority shall be held in the State treasury unless the Act making the appropriation specifically states that the moneys are appropriated to the Authority's treasury. Such funds as are authorized to be held in the Authority's treasury, deposited in any bank or savings and loan association, and placed in the name of the Authority shall be withdrawn or paid out only by check or draft upon the bank or savings and loan association, signed by the treasurer and countersigned by the Chairperson of the Authority. The Authority may designate any of its members or any officer or employee of the Authority to affix the signature of the Chairperson and may designate another to affix the signature of the treasurer to any check or draft for payment of salaries or wages and for payment of any other obligations of not more than $2,500. A bank or savings and loan association may not receive public funds as permitted by this Section unless it has complied with the requirements established pursuant to Section 6 of the Public Funds Investment Act.

Section 40. Conflict of interest.

(a) No member, officer, agent, or employee of the Authority shall, in his or her own name or in the name of a nominee, be an officer or director or hold an ownership interest of more than 7.5% in any person, association, trust, corporation, partnership, or other entity that is, in its own name or in the name of a nominee, a party to a contract or agreement upon which the member, officer, agent, or employee may be called upon to act or vote. The prohibition of this subsection (a) does not apply, however, to contracts or agreements between the Authority and entities qualified under Section 501 of the Internal Revenue Code of 1986 due to a member of the Authority serving as an officer or director of that entity.

(b) With respect to any direct or indirect interest, other than an interest prohibited in subsection (a) of this Section, in a contract or agreement upon which the member, officer, agent, or employee may be called upon to act or vote, a member, officer, agent, or employee of the Authority shall disclose the interest to the secretary of the Authority before the taking of final action by the Authority concerning the contract or agreement and shall so disclose the nature and extent of the interest and his or her acquisition of it, and those disclosures shall be publicly acknowledged by the Authority and entered upon the minutes of the Authority. If a member, officer, agent, or employee of the Authority holds such an interest, then he or she shall refrain (i) from any further official involvement in regard to the contract or agreement, (ii) from voting on any matter pertaining to the contract or agreement, and (iii) from communicating with members of the Authority or its officers, agents, and employees concerning the contract or agreement. Notwithstanding any other provision of law, any contract or agreement entered into in conformity with this subsection (b) shall not be void or invalid by reason of the interest described in this subsection (b), nor shall any person so disclosing the interest and refraining from further official involvement as provided in this subsection (b) be guilty of an offense, be removed from office, or be subject to any other penalty on account of that interest.

(c) Any contract or agreement made in violation of subsection (a) or (b) of this Section shall be null and void, but shall not give rise to any action against the Authority.

Section 45. Audit; fiscal year; report. The accounts and books of the Authority, including its receipts, disbursements, contracts, and other matters relating to its finances, operation, and affairs shall be examined and audited at least once within each 2-year period by a firm of certified public accountants, who shall certify its audit to the State Comptroller. The fiscal year for the Authority shall commence on July 1. As soon after the end of each fiscal year as may be expedient, the Authority shall cause to be prepared and printed a complete report and financial statement of its operations and of its assets and liabilities. Section 50. Accreditation.
(a) A CDFI must be accredited by the Authority in order to receive assistance from the Authority, unless otherwise specified in this Act. The Authority may revoke accreditation from a CDFI that no longer meets the Authority's accreditation criteria. Accreditation of a CDFI under this Act does not, in and of itself, qualify the CDFI to participate in a financing program administered by the Authority.
(b) Authority criteria for accreditation must include certification under the federal Community Development Banking and Financial Institutions Act of 1994 (Public Law 103-325) and any other criteria that the Authority deems appropriate.
(c) The Authority shall accredit CDFIs in a manner to ensure the use of CDFIs in all geographic regions of this State to the greatest extent possible.

Section 55. Authority's responsibilities.
(a) The Authority shall make grants and low-rate loans to CDFIs so that CDFIs may fill a credit gap by engaging in below market rate financing in economically disadvantaged communities and to low income people. As part of a grant or loan agreement, a CDFI may request and the Authority may consent to having the grant or loan proceeds paid directly to a CDFI's creditor. As part of a loan agreement, the Authority may require additional security from the CDFI, including without limitation a pledge of a certain percentage of the CDFI's assets or future earnings.
(b) The Authority shall provide technical assistance to CDFIs to (i) expand the financial services the CDFI sector offers, such as micro-business lending, facilities financing, low income housing financing, and personal financial services for low income persons, (ii) encourage the establishment of downstate CDFIs, and (iii) provide technical assistance and training to CDFIs' borrowers.

Section 60. Authority grants. The Authority may issue grants to CDFIs or to nonprofit organizations that are attempting to obtain federal certification or Authority accreditation as a CDFI. The Authority may issue, in a manner consistent with subsection (c) of Section 50 of this Act, grants for the purpose of developing or enhancing the ability of the CDFI or nonprofit organization to be accredited as a CDFI under Section 50 of this Act and to receive loans from the Authority under Section 65 of this Act. The Authority may also issue grants or loans to nonprofit organizations that have entered into a written contract with a CDFI or a nonprofit organization receiving grants from the Authority to obtain federal certification or Authority accreditation as a CDFI.

In areas of this State where no CDFI exists and no nonprofit organization is working to obtain certification or accreditation as a CDFI, the Authority may issue grants to a nonprofit organization deemed by the Authority to be performing activities consistent with the goals of the federal Community Development Banking and Financial Institutions Act of 1994 (Public Law 103-325). The grants shall be used by the nonprofit organization to provide technical assistance, training, or other support to small businesses or other for-profit or not-for-profit organizations.

Section 65. Authority loans. The Authority may make loans to CDFIs, from moneys appropriated for this purpose, on such terms and conditions as the Authority may determine. Loans shall be made and used in a manner consistent with the requirements of the federal Community Development Banking and Financial Institutions Act of 1994 (Public Law 103-325). Loans to CDFIs may be made by the Authority as the sole lender or in cooperation with participating investors pursuant to agreements entered into in accordance with this Act. Loan repayments shall be used by the Authority to make new loans to CDFIs.

Section 70. Community development loans. 
(a) CDFIs that receive loans from the Authority under Section 65 of this Act shall make and use community development loans pursuant to guidelines established by the Authority and in a manner consistent with the federal Community Development Banking and Financial Institutions Act of 1994 (Public Law 103-325). The guidelines shall include criteria for the approval of a portfolio of loans submitted by CDFIs.

(b) In connection with community development loans under this Section, the recipient of a loan must provide certification to the Authority that the recipient does not have any outstanding debts in the form of delinquent real estate taxes or utility bills that are more than one year outstanding.

Section 75. Report to General Assembly. Within 90 days after the end of each fiscal year, the Authority shall prepare a report for that fiscal year and file it with the General Assembly as provided in Section 3.1 of the General Assembly Organization Act. The report shall include the amount of funds appropriated to the Authority that were deposited by the Authority in special accounts in banks or trust companies, the amount of disbursements made from the special accounts, the number, name, and location of CDFIs accredited by the Authority, and the number and amount of grants to CDFIs or nonprofit organizations.

AN ACT in relation to public employee benefits.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Pension Code is amended by changing Sections 16-127 and 16-128 as follows:
(40 ILCS 5/16-127) (from Ch. 108 1/2, par. 16-127)
Sec. 16-127. Computation of creditable service.
(a) Each member shall receive regular credit for all service as a teacher from the date membership begins, for which satisfactory evidence is supplied and all contributions have been paid.
(b) The following periods of service shall earn optional credit and each member shall receive credit for all such service for which satisfactory evidence is supplied and all contributions have been paid as of the date specified:
   (1) Prior service as a teacher.
   (2) Service in a capacity essentially similar or equivalent to that of a teacher, in the public common schools in school districts in this State not included within the provisions of this System, or of any other State, territory, dependency or possession of the United States, or in schools operated by or under the auspices of the United States, or under the auspices of any agency or department of any other State, and service during any period of professional speech correction or special education experience for a public agency within this State or any other State, territory, dependency or possession of the United States, and service prior to February 1, 1951 as a recreation worker for the Illinois Department of Public Safety, for a period not exceeding the lesser of 2/5 of the total creditable service of the member or 10 years. The maximum service of 10 years which is allowable under this paragraph shall be
reduced by the service credit which is validated by other retirement systems under paragraph (i) of Section 15-113 and paragraph 1 of Section 17-133. Credit granted under this paragraph may not be used in determination of a retirement annuity or disability benefits unless the member has at least 5 years of creditable service earned subsequent to this employment with one or more of the following systems: Teachers' Retirement System of the State of Illinois, State Universities Retirement System, and the Public School Teachers' Pension and Retirement Fund of Chicago. Whenever such service credit exceeds the maximum allowed for all purposes of this Article, the first service rendered in point of time shall be considered. The changes to this subdivision (b)(2) made by Public Act 86-272 shall apply not only to persons who on or after its effective date (August 23, 1989) are in service as a teacher under the System, but also to persons whose status as such a teacher terminated prior to such effective date, whether or not such person is an annuitant on that date.

(3) Any periods immediately following teaching service, under this System or under Article 17, (or immediately following service prior to February 1, 1951 as a recreation worker for the Illinois Department of Public Safety) spent in active service with the military forces of the United States; periods spent in educational programs that prepare for return to teaching sponsored by the federal government following such active military service; if a teacher returns to teaching service within one calendar year after discharge or after the completion of the educational program, a further period, not exceeding one calendar year, between time spent in military service or in such educational programs and the return to employment as a teacher under this System; and a period of up to 2 years of active military service not immediately following employment as a teacher.

The changes to this Section and Section 16-128 relating to military service made by P.A. 87-794 shall apply not only to persons who on or after its effective date are in service as a teacher under the System, but also to persons whose status as a teacher terminated prior to that date, whether or not the person is an annuitant on that date. In the case of an annuitant who applies for credit allowable under this Section for a period of military service that did not immediately follow employment, and who has made the required contributions for such credit, the annuity shall be recalculated to include the additional service credit, with the increase taking effect on the date the System received written notification of the annuitant's intent to purchase the credit, if payment of all the required contributions is made within 60 days of such notice, or else on the first annuity payment date following the date of payment of the required contributions. In calculating the automatic annual increase for an annuity that has been recalculated under this Section, the increase attributable to the additional service allowable under P.A. 87-794 shall be included in the calculation of automatic annual increases accruing after the effective date of the recalculation.

Credit for military service shall be determined as follows: if entry occurs during the months of July, August, or September and the member was a teacher at the end of the immediately preceding school term, credit shall be granted from July 1 of

New matter indicated by italics - deletions by strikeout.
the year in which he or she entered service; if entry occurs during the school term and
the teacher was in teaching service at the beginning of the school term, credit shall
be granted from July 1 of such year. In all other cases where credit for military
service is allowed, credit shall be granted from the date of entry into the service.

The total period of military service for which credit is granted shall not exceed 5 years for any member unless the service: (A) is validated before July 1, 1964, and (B) does not extend beyond July 1, 1963. Credit for military service shall be granted under this Section only if not more than 5 years of the military service for which credit is granted under this Section is used by the member to qualify for a military retirement allotment from any branch of the armed forces of the United States. The changes to this subdivision (b)(3) made by Public Act 86-272 shall apply not only to persons who on or after its effective date (August 23, 1989) are in service as a teacher under the System, but also to persons whose status as such a teacher terminated prior to such effective date, whether or not such person is an annuitant on that date.

(4) Any periods served as a member of the General Assembly.

(5)(i) Any periods for which a teacher, as defined in Section 16-106, is granted a leave of absence, provided he or she returns to teaching service creditable under this System or the State Universities Retirement System following the leave;
(ii) periods during which a teacher is involuntarily laid off from teaching, provided he or she returns to teaching following the lay-off; (iii) periods prior to July 1, 1983 during which a teacher ceased covered employment due to pregnancy, provided that the teacher returned to teaching service creditable under this System or the State Universities Retirement System following the pregnancy and submits evidence satisfactory to the Board documenting that the employment ceased due to pregnancy; and (iv) periods prior to July 1, 1983 during which a teacher ceased covered employment for the purpose of adopting an infant under 3 years of age or caring for a newly adopted infant under 3 years of age, provided that the teacher returned to teaching service creditable under this System or the State Universities Retirement System following the adoption and submits evidence satisfactory to the Board documenting that the employment ceased for the purpose of adopting an infant under 3 years of age or caring for a newly adopted infant under 3 years of age. However, total credit under this paragraph (5) may not exceed 3 years.

Any qualified member or annuitant may apply for credit under item (iii) or (iv) of this paragraph (5) without regard to whether service was terminated before the effective date of this amendatory Act of 1997. In the case of an annuitant who establishes credit under item (iii) or (iv), the annuity shall be recalculated to include the additional service credit. The increase in annuity shall take effect on the date the System receives written notification of the annuitant’s intent to purchase the credit, if the required evidence is submitted and the required contribution paid within 60 days of that notification, otherwise on the first annuity payment date following the System’s receipt of the required evidence and contribution. The increase in an annuity

recalculated under this provision shall be included in the calculation of automatic annual increases in the annuity accruing after the effective date of the recalculation.

Optional credit may be purchased under this subsection (b)(5) for periods during which a teacher has been granted a leave of absence pursuant to Section 24-13 of the School Code. A teacher whose service under this Article terminated prior to the effective date of P.A. 86-1488 shall be eligible to purchase such optional credit. If a teacher who purchases this optional credit is already receiving a retirement annuity under this Article, the annuity shall be recalculated as if the annuitant had applied for the leave of absence credit at the time of retirement. The difference between the entitled annuity and the actual annuity shall be credited to the purchase of the optional credit. The remainder of the purchase cost of the optional credit shall be paid on or before April 1, 1992.

The change in this paragraph made by Public Act 86-273 shall be applicable to teachers who retire after June 1, 1989, as well as to teachers who are in service on that date.

(6) Any days of unused and uncompensated accumulated sick leave earned by a teacher. The service credit granted under this paragraph shall be the ratio of the number of unused and uncompensated accumulated sick leave days to 170 days, subject to a maximum of 2 years one year of service credit. Prior to the member's retirement, each former employer shall certify to the System the number of unused and uncompensated accumulated sick leave days credited to the member at the time of termination of service. The period of unused sick leave shall not be considered in determining the effective date of retirement. A member is not required to make contributions in order to obtain service credit for unused sick leave.

Credit for sick leave shall, at retirement, be granted by the System for any retiring regional or assistant regional superintendent of schools at the rate of 6 days per year of creditable service or portion thereof established while serving as such superintendent or assistant superintendent.

(7) Periods prior to February 1, 1987 served as an employee of the Illinois Mathematics and Science Academy for which credit has not been terminated under Section 15-113.9 of this Code.

(8) Service as a substitute teacher for work performed prior to July 1, 1990.

(9) Service as a part-time teacher for work performed prior to July 1, 1990.

(10) Up to 2 years of employment with Southern Illinois University - Carbondale from September 1, 1959 to August 31, 1961, or with Governors State University from September 1, 1972 to August 31, 1974, for which the teacher has no credit under Article 15. To receive credit under this item (10), a teacher must apply in writing to the Board and pay the required contributions before May 1, 1993 and have at least 12 years of service credit under this Article.

(b-1) A member may establish optional credit for up to 2 years of service as a teacher or administrator employed by a private school recognized by the Illinois State Board of Education, provided that the teacher (i) was certified under the law governing the
certification of teachers at the time the service was rendered, (ii) applies in writing on or after June 1, 2002 and on or before June 1, 2005, (iii) supplies satisfactory evidence of the employment, (iv) completes at least 10 years of contributing service as a teacher as defined in Section 16-106, and (v) pays the contribution required in subsection (d-5) of Section 16-128. The member may apply for credit under this subsection and pay the required contribution before completing the 10 years of contributing service required under item (iv), but the credit may not be used until the item (iv) contributing service requirement has been met.

(c) The service credits specified in this Section shall be granted only if: (1) such service credits are not used for credit in any other statutory tax-supported public employee retirement system other than the federal Social Security program; and (2) the member makes the required contributions as specified in Section 16-128. Except as provided in subsection (b-1) of this Section, the service credit shall be effective as of the date the required contributions are completed.

Any service credits granted under this Section shall terminate upon cessation of membership for any cause.

Credit may not be granted under this Section covering any period for which an age retirement or disability retirement allowance has been paid.

(c) In determining the contribution required in order to receive creditable service under paragraph (3) of subsection (b) of Section 16-127, the salary rate for the remainder of the school term in which a member enters military service shall be assumed to be equal to the member's salary rate at the time of entering military service. However, for military

Section 30. Relocation assistance. The Commission shall provide relocation assistance to persons and entities displaced by the Commission's acquisition of property and improvement of the District. Relocation assistance shall not be less than provided under the federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and the regulations under that Act, including the eligibility criteria. Relocation assistance may include assistance with the moving of a residential unit to a new location. The Commission shall establish a single point of contact for all relocation assistance under this Section.

Section 35. Bonds. To obtain the funds necessary for financing the acquisition of land, for the acquisition, construction, maintenance, and rehabilitation of facilities and equipment within the District, and for the operation of the District as set forth in this Act, the Commission may borrow money from any public or private agency, department, corporation, or person. In evidence of and as security for funds borrowed, the Commission may issue revenue bonds in its corporate capacity to be payable from the revenues derived from the operation of the institutions or buildings owned, leased, or operated by or on behalf of the Commission, but the bonds shall in no event constitute an indebtedness of the Commission or a claim against the property of the Commission. The bonds may be issued in such denominations as may be expedient, in such amounts, and at such rates of interest as the Commission shall deem necessary to provide sufficient funds to pay all the costs authorized under this Section. The bonds shall be executed by the President of the Commission, attested by the Secretary, and sealed with the Commission's corporate seal. If either of those officers of the Commission who shall have signed or attested any of the bonds shall have ceased to be such officer before delivery of the bonds, the signature of the officer shall be valid and sufficient to the same effect as if the officer had remained in office at the time of delivery. The Commission shall furnish the State Comptroller with a record of all bonds issued under this Act.

Section 40. Power to sell or lease. The Commission may sell, convey, transfer, or lease, all at fair market value, any title or interest in real property owned by it to any person or persons, to be used, subject to the restrictions of this Act, for the purposes stated in Section 25, or for the purpose of serving persons using the facilities offered within the District or for carrying out of any aspect of the Commission's purposes as set forth in Section 10 of this Act, subject to such restrictions as to the use of the real property as the Commission shall determine will carry out the purpose of this Act. To assure that the use of the real property so sold or leased is in accordance with the provisions of this Act, the
Commission shall inquire into and satisfy itself concerning the financial ability of the purchaser to complete the project for which the real property is sold or leased in accordance with a plan to be presented by the purchaser or lessee, which plan shall be submitted, in writing, to the Commission. Under the plan, the purchaser or lessee shall undertake (1) to use the land for the purposes designated in the plan so presented; (2) to commence and complete the construction of the buildings or other structures to be included in the project within such periods of time as the Commission fixes as reasonable; and (3) to comply with such other conditions as the Commission shall determine are necessary to carry out the project. All conveyances and leases authorized in this Section shall be on condition that, in the event of use for other than the purposes prescribed in this Act, or of nonuse for a period of one year, title to the property shall revert to the Commission. All conveyances and leases made by the Commission to any corporation or person for the use of serving the residents or any person using the facilities offered within the District shall be on condition that in the event of violation of any of the restrictions as to the use of the property as the Commission shall have determined will carry out the purposes of this Act, that title to the property shall revert to the Commission. If, however, the Commission finds that financing necessary for the acquisition or lease of any real estate or for the construction of any building or improvement to be used for purposes prescribed in this Act cannot be obtained if title to the land or building or improvement is subject to such a reverter provision, which finding shall be made by the Commission after public hearing held pursuant to a single publication notice given in a secular newspaper of general circulation in the City of Springfield at least 10 days before the date of the hearing, the notice to specify the time, place, and purpose for the hearing, and upon that finding being made, the Commission may cause the real property to be conveyed free of a reverter provision, provided that at least 7 members of the Commission vote in favor thereof. The Commission may also provide in the conveyances, leases, or other documentation provisions for notice of such violations or default and the cure thereof for the benefit of any lender or mortgagee as the Commission shall determine are appropriate. If, at a regularly scheduled meeting, the Commission resolves that a parcel of real estate leased by it, or in which it has sold the fee simple title or any lesser estate, is not being used for the purposes prescribed in this Act or has been in nonuse for a period of one year, the Commission may file a law suit in the circuit court of Sangamon County to enforce the terms of the sale or lease. If a reverter of title to any property is ordered by the court under the terms of this Act, the interest of the Commission shall be subject to any then existing valid mortgage or trust deed in the nature of a mortgage, but if the title is acquired through foreclosure of that mortgage or trust deed or by deed in lieu of foreclosure of that mortgage or trust deed, then the title to the property shall not revert, but shall be subject to the restrictions as to use, but not any penalty for nonuse, contained in this Act with respect to any mortgagee in possession or its successor or assigns.

No conveyance of real property shall be executed by the Commission without the prior written approval of the Governor. The Commission may not sell, convey, transfer, or lease any property pursuant to this Section before a comprehensive master plan has been approved under Section 70.

Before holding any public hearing prescribed in Section 40 of this Act, or any meeting regarding the passage of any resolution to file a law suit, the Commission shall give notice to the grantee or lessee, or his or her legal representatives, successors, or assigns, of the time and place of the proceeding. The notice shall be accompanied by a statement signed by the Secretary of the Commission, or by any person authorized by the Commission to sign the same, setting forth any act or things done or omitted to be done in violation, or claimed to be in violation, of any restriction as to the use of the property, whether the restriction be prescribed in any of the terms of this Act or by any restriction as to the use of the property determined by the Commission under the terms of this Act. The notice of the time and place fixed for the proceeding shall also be given to such person or persons as the Commission shall deem necessary. The notice may be given by registered mail, addressed to the grantee, lessee, or legal representatives, successors, or assigns, at the last known address of the grantee, lessee, or legal representatives, successors, or assigns.

Section 50. Rules. The Commission may adopt reasonable and proper rules, in accordance with the Illinois Administrative Procedure Act, relative to the exercise of its powers, and proper rules to govern its proceedings, to regulate the mode and manner of all hearings held by it or at its direction, and to alter and amend those rules.

Section 55. Official documents. Copies of all official documents, findings, and orders of the Commission, certified by a Commissioner or by the Secretary of the Commission to be true copies of the originals, under the official seal of the Commission, shall be evidence in like manner as the originals.

Section 60. Judicial review. Any party may obtain a judicial review of a final order or decision of the Commission in the circuit court of Sangamon County only under and in accordance with the provisions of the Administrative Review Law and the rules adopted under that Law. The circuit court shall take judicial notice of all the rules of practice and procedure of the Commission.

Section 65. Parks. The Commission may set apart any part of the District as a park, except those areas owned, operated, or used for purposes authorized under this Act by organizations or institutions engaged in the delivery or conduct of health care services, education, or research, and may construct, control, and maintain the same or may provide by contract with the Springfield Park District or the City of Springfield for the construction, control, and maintenance of any area within the District set apart as a park.

Section 70. Master plan; improvement and management of District. The Commission shall prepare and approve a comprehensive master plan for the orderly development and management of all property within the District. The master plan, and any amendment to the master plan, shall not take effect, however, until it has been approved by the advisory council and the Springfield city council. The Commission shall take the actions permitted to be taken by it under this Act as it may determine are appropriate to provide conditions most favorable for the special care and treatment of the sick and injured and for the study of disease and for any other purpose in Section 25 of this Act. In the master plan, the Commission may provide for shared services and facilities within the District for the accredited schools of medicine.

There is no limit on the number of terms to which a person may be appointed as a member. The advisory council shall review and make recommendations to the Commission with respect to the comprehensive master plan to be adopted by the Commission. The advisory council may fulfill such other responsibilities as the Commission may request in furtherance of the purposes of this Act. The advisory council shall meet at the call of the President of the Commission and shall conduct its affairs in accordance with the rules that the Commission may adopt from time to time for the governance and operation of the advisory council.

In the absence of any law, or of any procedures in any law, mandating the holding of a public hearing, the Commission may authorize a Commissioner or other person of legal age to conduct a hearing. The Commissioner or other authorized person has the power to administer oaths and affirmations, take the testimony of witnesses, take and receive the production of papers, books, records, accounts, and documents, receive pertinent evidence, and certify the record of the hearing. The record of the hearing shall become part of the Commission's record. Notice of the time, place, and purpose of the hearing shall be given by a single publication notice in a secular newspaper of general circulation in the City of Springfield at least 10 days before the date of the hearing.

(305 ILCS 5/10-2) (from Ch. 23, par. 10-2)
Sec. 10-2. Extent of Liability. A husband is liable for the support of his wife and a wife for the support of her husband. Unless the child is otherwise emancipated, the parents are severally liable for the support of any child under age 18, and for any child aged 18 who is attending high school, until that child graduates from high school, or attains the age of 19, whichever is earlier 21, except that a parent is not liable for a child age 18 or over if such child is not living with the parent or parents, and a parent is not liable for a child of any age if the child has married and is not living with the parent or parents. A child shall be considered to be living with the parent or parents if such child is absent from the parent's or parents' home only in order to regularly attend a school, college or university or to receive technical training designed for preparation for gainful employment. The term "child" includes a child born out of wedlock, or legally adopted child.

In addition to the primary obligation of support imposed upon responsible relatives, such relatives, if individually or together in any combination they have sufficient income or other resources to support a needy person, in whole or in part, shall be liable for any financial aid extended under this Code to a person for whose support they are responsible, including amounts expended for funeral and burial costs. contrary, pending the outcome of an administrative determination of parentage, the Illinois Department shall issue a temporary order for child support, upon motion by a party and a showing of clear and convincing evidence of paternity. In determining the amount of the temporary child support award, the Illinois Department shall use the guidelines and standards set forth in subsection (a) of Section 505 and in Section 505.2 of the Illinois Marriage and Dissolution of Marriage Act.

Any new or existing support order entered by the Illinois Department under this Section shall be deemed to be a series of judgments against the person obligated to pay support thereunder, each such judgment to be in the amount of each payment or installment of support and each judgment to be deemed entered as of the date the corresponding payment or installment becomes due under the terms of the support order. Each such judgment shall have the full force, effect, and attributes of any other judgment of this State, including the ability to be enforced. Any such judgment is subject to modification or termination only in accordance with Section 510 of the Illinois Marriage and Dissolution of Marriage Act. A lien arises by operation of law against the real and personal property of the noncustodial parent for each installment of overdue support owed by the noncustodial parent.

All orders for support entered or modified in a case in which a party is receiving child and spouse support services under this Article X shall include a provision requiring the non-custodial parent to notify the Illinois Department, within 7 days, (i) of the name, address, and telephone number of any new employer of the non-custodial parent, (ii) whether the non-custodial parent has access to health insurance coverage through the employer or other group coverage, and, if so, the policy name and number and the names of persons covered under the policy, and (iii) of any new residential or mailing address or telephone number of the non-custodial parent.

In any subsequent action to enforce a support order, upon sufficient showing that diligent effort has been made to ascertain the location of the non-custodial parent, service of process or provision of notice necessary in that action may be made at the last known address of the non-custodial parent, in any manner expressly provided by the Code of Civil Procedure or this Act, which service shall be sufficient for purposes of due process.

An order for support shall include a date on which the current support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the order will attain the age of 18. However, if the child will not graduate from high school until after attaining the age of 18, then the termination date shall be no earlier than the earlier of the date on which the child’s high school graduation will occur or the date on which the child will attain the age of 19 majority or is otherwise emancipated. The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. Nothing in this paragraph shall be construed to prevent the Illinois Department from modifying the order or terminating the order in the event the child is otherwise emancipated. to report to the obligee and to the clerk of court within 10 days each time the obligor obtains new employment, and each time the obligor's employment is terminated for any reason. The report shall be in writing and shall, in the case of new employment, include the name and address of the new employer. Failure to report new employment or the termination of current employment, if coupled with nonpayment of support for a period in excess of 60 days, is indirect criminal contempt. For any obligor arrested for failure to report new employment bond shall be set in the amount of the child support that should have been paid during the period of unreported employment. An order entered under this Section shall also include a provision requiring the obligor and obligee parents to advise each other of a change in residence within 5 days of the change except when the court finds that the physical, mental, or emotional health of a party or that of a minor child, or both, would be seriously endangered by disclosure of the party's address.

The Court shall determine the amount of maintenance using the standards set forth in Section 504 of the Illinois Marriage and Dissolution of Marriage Act.

Any new or existing support order entered by the court under this Section shall be deemed to be a series of judgments against the person obligated to pay support thereunder, each such judgment to be in the amount of each payment or installment of support and each such judgment to be deemed entered as of the date the corresponding payment or installment becomes due under the terms of the support order. Each such judgment shall have the full force, effect and attributes of any other judgment of this State, including the ability to be enforced. Any such judgment is subject to modification or termination only in accordance with Section 510 of the Illinois Marriage and Dissolution of Marriage Act. A lien arises by operation of law against the real and personal property of the noncustodial parent for each installment of overdue support owed by the noncustodial parent.

When an order is entered for the support of a minor, the court may provide therein for reasonable visitation of the minor by the person or persons who provided support pursuant to the order. Whoever willfully refuses to comply with such visitation order or willfully interferes with its enforcement may be declared in contempt of court and punished therefor.

Except where the local governmental unit has entered into an agreement with the Illinois Department for the Child and Spouse Support Unit to act for it, as provided in Section 10-3.1, support orders entered by the court in cases involving applicants or recipients under Article VI shall provide that payments thereunder be made directly to the local governmental unit. Orders for the support of all other applicants or recipients shall provide that payments thereunder be made directly to the Illinois Department. In accordance with federal law and regulations, the Illinois Department may continue to collect current maintenance payments or child support payments, or both, after those persons cease to receive public assistance and until termination of services under Article X. The Illinois Department shall pay the net amount collected to those persons after deducting any costs incurred in making the collection or any collection fee from the amount of any recovery made. In both cases the order shall permit the local governmental unit or the Illinois Department, as the case may be, to direct the responsible relative or relatives to make support
payments directly to the needy person, or to some person or agency in his behalf, upon removal of the person from the public aid rolls or upon termination of services under Article X.

If the notice of support due issued pursuant to Section 10-7 directs that support payments be made directly to the needy person, or to some person or agency in his behalf, and the recipient is removed from the public aid rolls, court action may be taken against the responsible relative hereunder if he fails to furnish support in accordance with the terms of such notice.

Actions may also be brought under this Section in behalf of any person who is in need of support from responsible relatives, as defined in Section 2-11 of Article II who is not an applicant for or recipient of financial aid under this Code. In such instances, the State’s Attorney of the county in which such person resides shall bring action against the responsible relatives hereunder. If the Illinois Department, as authorized by Section 10-1, extends the support services provided by this Article to spouses and dependent children who are not applicants or recipients under this Code, the Child and Spouse Support Unit established by Section 10-3.1 shall bring action against the responsible relatives hereunder and any support orders entered by the court in such cases shall provide that payments thereunder be made directly to the Illinois Department.

Whenever it is determined in a proceeding to establish or enforce a child support or maintenance obligation that the person owing a duty of support is unemployed, the court may order the person to seek employment and report periodically to the court with a diary, listing or other memorandum of his or her efforts in accordance with such order. Additionally, the court may order the unemployed person to report to the Department of Employment Security for job search services or to make application with the local Job Training Partnership Act provider for participation in job search, training or work programs and where the duty of support is owed to a child receiving support services under this Article X, the court may order the unemployed person to report to the Illinois Department for participation in job search, training or work programs established under Section 9-6 and Article IXA of this Code.

Whenever it is determined that a person owes past-due support for a child receiving assistance under this Code, the court shall order at the request of the Illinois Department:

1. that the person pay the past-due support in accordance with a plan approved by the court; or

2. if the person owing past-due support is unemployed, is subject to such a plan, and is not incapacitated, that the person participate in such job search, training, or work programs established under Section 9-6 and Article IXA of this Code as the court deems appropriate.

A determination under this Section shall not be administratively reviewable by the procedures specified in Sections 10-12, and 10-13 to 10-13.10. Any determination under these Sections, if made the basis of court action under this Section, shall not affect the de novo judicial determination required under this Section.

owed on July 1, 1988 which has accrued under a support order entered by the court. The charge shall be imposed in accordance with the provisions of Section 10-21 of this Code and shall be enforced by the court upon petition.

All orders for support, when entered or modified, shall include a provision requiring the non-custodial parent to notify the court and, in cases in which a party is receiving child and spouse support services under this Article X, the Illinois Department, within 7 days, (i) of the name, address, and telephone number of any new employer of the non-custodial parent, (ii) whether the non-custodial parent has access to health insurance coverage through the employer or other group coverage and, if so, the policy name and number and the names of persons covered under the policy, and (iii) of any new residential or mailing address or telephone number of the non-custodial parent. In any subsequent action to enforce a support order, upon a sufficient showing that a diligent effort has been made to ascertain the location of the non-custodial parent, service of process or provision of notice necessary in the case may be made at the last known address of the non-custodial parent in any manner expressly provided by the Code of Civil Procedure or this Code, which service shall be sufficient for purposes of due process.

An order for support shall include a date on which the current support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the order will attain the age of 18. However, if the child will not graduate from high school until after attaining the age of 18, then the termination date shall be no earlier than the earlier of the date on which the child's high school graduation will occur or the date on which the child will attain the age of 19 majority or is otherwise emancipated. The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. Nothing in this paragraph shall be construed to prevent the court from modifying the order or terminating the order in the event the child is otherwise emancipated.

Upon notification in writing or by electronic transmission from the Illinois Department to the clerk of the court that a person who is receiving support payments under this Section is receiving services under the Child Support Enforcement Program established by Title IV-D of the Social Security Act, any support payments subsequently received by the clerk of the court shall be transmitted in accordance with the instructions of the Illinois Department until the Illinois Department gives notice to the clerk of the court to cease the transmittal. After providing the notification authorized under this paragraph, the Illinois Department shall be entitled as a party to notice of any further proceedings in the case. The clerk of the court shall file a copy of the Illinois Department's notification in the court file. The clerk's failure to file a copy of the notification in the court file shall not, however, affect the Illinois Department's right to receive notice of further proceedings.

Payments under this Section to the Illinois Department pursuant to the Child Support Enforcement Program established by Title IV-D of the Social Security Act shall be paid into the Child Support Enforcement Trust Fund. All payments under this Section to the Illinois Department of Human Services shall be deposited in the DHS Recoveries Trust Fund. Disbursements from these funds shall be as provided in Sections 12-9.1 and 12-10.2 of this Code. Payments received by a local governmental unit shall be deposited in that unit's

General Assistance Fund.

To the extent the provisions of this Section are inconsistent with the requirements pertaining to the State Disbursement Unit under Sections 10-10.4 and 10-26 of this Code, the requirements pertaining to the State Disbursement Unit shall apply.

Sec. 10-11. Administrative Orders. In lieu of actions for court enforcement of support under Section 10-10, the Child and Spouse Support Unit of the Illinois Department, in accordance with the rules of the Illinois Department, may issue an administrative order requiring the responsible relative to comply with the terms of the determination and notice of support due, determined and issued under Sections 10-6 and 10-7. The Unit may also enter an administrative order under subsection (b) of Section 10-7. The administrative order shall be served upon the responsible relative by United States registered or certified mail. In cases in which the responsible relative appeared at the office of the Child and Spouse Support Unit in response to the notice of support obligation issued under Section 10-4, however, or in cases of default in which the notice was served on the responsible relative by certified mail, return receipt requested, or by any method provided by law for service of summons, the administrative determination of paternity or administrative support order may be sent to the responsible relative by ordinary mail addressed to the responsible relative's last known address.

If a responsible relative or a person receiving child and spouse support services under this Article fails to petition the Illinois Department for release from or modification of the administrative order, as provided in Section 10-12 or Section 10-12.1, the order shall become final and there shall be no further administrative or judicial remedy. Likewise a decision by the Illinois Department as a result of an administrative hearing, as provided in Sections 10-13 to 10-13.10, shall become final and enforceable if not judicially reviewed under the Administrative Review Law, as provided in Section 10-14.

Any new or existing support order entered by the Illinois Department under this Section shall be deemed to be a series of judgments against the person obligated to pay support thereunder, each such judgment to be in the amount of each payment or installment of support and each such judgment to be deemed entered as of the date the corresponding payment or installment becomes due under the terms of the support order. Each such judgment shall have the full force, effect and attributes of any other judgment of this State, including the ability to be enforced. Any such judgment is subject to modification or termination only in accordance with Section 510 of the Illinois Marriage and Dissolution of Marriage Act. A lien arises by operation of law against the real and personal property of the noncustodial parent for each installment of overdue support owed by the noncustodial parent.

An order entered under this Section shall include a provision requiring the obligor to report to the obligee and to the clerk of court within 10 days each time the obligor obtains new employment, and each time the obligor's employment is terminated for any reason. The report shall be in writing and shall, in the case of new employment, include the name and

address of the new employer. Failure to report new employment or the termination of current employment, if coupled with nonpayment of support for a period in excess of 60 days, is indirect criminal contempt. For any obligor arrested for failure to report new employment bond shall be set in the amount of the child support that should have been paid during the period of unreported employment. An order entered under this Section shall also include a provision requiring the obligor and obligee parents to advise each other of a change in residence within 5 days of the change except when the court finds that the physical, mental, or emotional health of a party or that of a minor child, or both, would be seriously endangered by disclosure of the party's address.

A one-time charge of 20% is imposable upon the amount of past-due child support owed on July 1, 1988, which has accrued under a support order entered by the Illinois Department under this Section. The charge shall be imposed in accordance with the provisions of Section 10-21 and shall be enforced by the court in a suit filed under Section 10-15.

An order for support shall include a date on which the support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the order will attain the age of 18. However, if the child will not graduate from high school until after attaining the age of 18, then the termination date shall be no earlier than the earlier of the date that the child's graduation will occur or the date on which the child will attain the age of 19. The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. Nothing in this paragraph shall be construed to prevent the Illinois Department from modifying the order or terminating the order in the event the child is otherwise emancipated.

Section 910. The Illinois Marriage and Dissolution of Marriage Act is amended by changing Sections 505, 505.2, 510, and 513 as follows:

(750 ILCS 5/505) (from Ch. 40, par. 505)

Sec. 505. Child support; contempt; penalties.

(a) In a proceeding for dissolution of marriage, legal separation, declaration of invalidity of marriage, a proceeding for child support following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse, a proceeding for modification of a previous order for child support under Section 510 of this Act, or any proceeding authorized under Section 501 or 601 of this Act, the court may order either or both parents owing a duty of support to a child of the marriage to pay an amount reasonable and necessary for his support, without regard to marital misconduct. The duty of support owed to a minor child includes the obligation to provide for the reasonable and necessary physical, mental and emotional health needs of the child. For purposes of this Section, the term "child" shall include any child under age 18 and any child under age 19 who is still attending high school.

(1) The Court shall determine the minimum amount of support by using the following guidelines:

<table>
<thead>
<tr>
<th>Number of Children</th>
<th>Percent of Supporting Party's</th>
</tr>
</thead>
<tbody>
<tr>
<td>New matter indicated by italics - deletions by strikeout.</td>
<td></td>

</table>
Net Income
1  20%
2  25%
3  32%
4  40%
5  45%
6 or more  50%

(2) The above guidelines shall be applied in each case unless the court makes a finding that application of the guidelines would be inappropriate, after considering the best interests of the child in light of evidence including but not limited to one or more of the following relevant factors:

(a) the financial resources and needs of the child;
(b) the financial resources and needs of the custodial parent;
(c) the standard of living the child would have enjoyed had the marriage not been dissolved;
(d) the physical and emotional condition of the child, and his educational needs; and
(e) the financial resources and needs of the non-custodial parent.

If the court deviates from the guidelines, the court's finding shall state the amount of support that would have been required under the guidelines, if determinable. The court shall include the reason or reasons for the variance from the guidelines.

(3) "Net income" is defined as the total of all income from all sources, minus the following deductions:

(a) Federal income tax (properly calculated withholding or estimated payments);
(b) State income tax (properly calculated withholding or estimated payments);
(c) Social Security (FICA payments);
(d) Mandatory retirement contributions required by law or as a condition of employment;
(e) Union dues;
(f) Dependent and individual health/hospitalization insurance premiums;
(g) Prior obligations of support or maintenance actually paid pursuant to a court order;
(h) Expenditures for repayment of debts that represent reasonable and necessary expenses for the production of income, medical expenditures necessary to preserve life or health, reasonable expenditures for the benefit of the child and the other parent, exclusive of gifts. The court shall reduce net income in determining the minimum amount of support to be ordered only for the period that such payments are due and shall enter an order containing

provisions for its self-executing modification upon termination of such payment period.

(4) In cases where the court order provides for health/hospitalization insurance coverage pursuant to Section 505.2 of this Act, the premiums for that insurance, or that portion of the premiums for which the supporting party is responsible in the case of insurance provided through an employer's health insurance plan where the employer pays a portion of the premiums, shall be subtracted from net income in determining the minimum amount of support to be ordered.

(4.5) In a proceeding for child support following dissolution of the marriage by a court that lacked personal jurisdiction over the absent spouse, and in which the court is requiring payment of support for the period before the date an order for current support is entered, there is a rebuttable presumption that the supporting party's net income for the prior period was the same as his or her net income at the time the order for current support is entered.

(5) If the net income cannot be determined because of default or any other reason, the court shall order support in an amount considered reasonable in the particular case. The final order in all cases shall state the support level in dollar amounts. However, if the court finds that the child support amount cannot be expressed exclusively as a dollar amount because all or a portion of the payor's net income is uncertain as to source, time of payment, or amount, the court may order a percentage amount of support in addition to a specific dollar amount and enter such other orders as may be necessary to determine and enforce, on a timely basis, the applicable support ordered.

(6) If (i) the non-custodial parent was properly served with a request for discovery of financial information relating to the non-custodial parent's ability to provide child support, (ii) the non-custodial parent failed to comply with the request, despite having been ordered to do so by the court, and (iii) the non-custodial parent is not present at the hearing to determine support despite having received proper notice, then any relevant financial information concerning the non-custodial parent's ability to provide child support that was obtained pursuant to subpoena and proper notice shall be admitted into evidence without the need to establish any further foundation for its admission.

(a-5) In an action to enforce an order for support based on the respondent's failure to make support payments as required by the order, notice of proceedings to hold the respondent in contempt for that failure may be served on the respondent by personal service or by regular mail addressed to the respondent’s last known address. The respondent’s last known address may be determined from records of the clerk of the court, from the Federal Case Registry of Child Support Orders, or by any other reasonable means.

(b) Failure of either parent to comply with an order to pay support shall be punishable as in other cases of contempt. In addition to other penalties provided by law the Court may, after finding the parent guilty of contempt, order that the parent be:

(1) placed on probation with such conditions of probation as the Court deems

advisable;

(2) sentenced to periodic imprisonment for a period not to exceed 6 months;

provided, however, that the Court may permit the parent to be released for periods of time during the day or night to:

(A) work; or

(B) conduct a business or other self-employed occupation.

The Court may further order any part or all of the earnings of a parent during a sentence of periodic imprisonment paid to the Clerk of the Circuit Court or to the parent having custody or to the guardian having custody of the minor children of the sentenced parent for the support of said minor children until further order of the Court.

If there is a unity of interest and ownership sufficient to render no financial separation between a non-custodial parent and another person or persons or business entity, the court may pierce the ownership veil of the person, persons, or business entity to discover assets of the non-custodial parent held in the name of that person, those persons, or that business entity. The following circumstances are sufficient to authorize a court to order discovery of the assets of a person, persons, or business entity and to compel the application of any discovered assets toward payment on the judgment for support:

(1) the non-custodial parent and the person, persons, or business entity maintain records together.

(2) the non-custodial parent and the person, persons, or business entity fail to maintain an arms length relationship between themselves with regard to any assets.

(3) the non-custodial parent transfers assets to the person, persons, or business entity with the intent to perpetrate a fraud on the custodial parent.

With respect to assets which are real property, no order entered under this paragraph shall affect the rights of bona fide purchasers, mortgagees, judgment creditors, or other lien holders who acquire their interests in the property prior to the time a notice of lis pendens pursuant to the Code of Civil Procedure or a copy of the order is placed of record in the office of the recorder of deeds for the county in which the real property is located.

The court may also order in cases where the parent is 90 days or more delinquent in payment of support or has been adjudicated in arrears in an amount equal to 90 days obligation or more, that the parent's Illinois driving privileges be suspended until the court determines that the parent is in compliance with the order of support. The court may also order that the parent be issued a family financial responsibility driving permit that would allow limited driving privileges for employment and medical purposes in accordance with Section 7-702.1 of the Illinois Vehicle Code. The clerk of the circuit court shall certify the order suspending the driving privileges of the parent or granting the issuance of a family financial responsibility driving permit to the Secretary of State on forms prescribed by the Secretary. Upon receipt of the authenticated documents, the Secretary of State shall suspend the parent's driving privileges until further order of the court and shall, if ordered by the court, subject to the provisions of Section 7-702.1 of the Illinois Vehicle Code, issue a family financial responsibility driving permit to the parent.

In addition to the penalties or punishment that may be imposed under this Section,
any person whose conduct constitutes a violation of Section 15 of the Non-Support Punishment Act may be prosecuted under that Act, and a person convicted under that Act may be sentenced in accordance with that Act. The sentence may include but need not be limited to a requirement that the person perform community service under Section 50 of that Act or participate in a work alternative program under Section 50 of that Act. A person may not be required to participate in a work alternative program under Section 50 of that Act if the person is currently participating in a work program pursuant to Section 505.1 of this Act.

A support obligation, or any portion of a support obligation, which becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum. An order for support entered or modified on or after January 1, 2002 shall contain a statement that a support obligation required under the order, or any portion of a support obligation required under the order, that becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum. Failure to include the statement in the order for support does not affect the validity of the order or the accrual of interest as provided in this Section.

(c) A one-time charge of 20% is imposable upon the amount of past-due child support owed on July 1, 1988 which has accrued under a support order entered by the court. The charge shall be imposed in accordance with the provisions of Section 10-21 of the Illinois Public Aid Code and shall be enforced by the court upon petition.

(d) Any new or existing support order entered by the court under this Section shall be deemed to be a series of judgments against the person obligated to pay support thereunder, each such judgment to be in the amount of each payment or installment of support and each such judgment to be deemed entered as of the date the corresponding payment or installment becomes due under the terms of the support order. Each such judgment shall have the full force, effect and attributes of any other judgment of this State, including the ability to be enforced. A lien arises by operation of law against the real and personal property of the noncustodial parent for each installment of overdue support owed by the noncustodial parent.

(e) When child support is to be paid through the clerk of the court in a county of 1,000,000 inhabitants or less, the order shall direct the obligor to pay to the clerk, in addition to the child support payments, all fees imposed by the county board under paragraph (3) of subsection (u) of Section 27.1 of the Clerks of Courts Act. Unless paid in cash or pursuant to an order for withholding, the payment of the fee shall be by a separate instrument from the support payment and shall be made to the order of the Clerk.

(f) All orders for support, when entered or modified, shall include a provision requiring the obligor to notify the court and, in cases in which a party is receiving child and spouse services under Article X of the Illinois Public Aid Code, the Illinois Department of Public Aid, within 7 days, (i) of the name and address of any new employer of the obligor, (ii) whether the obligor has access to health insurance coverage through the employer or other group coverage and, if so, the policy name and number and the names of persons covered under the policy, and (iii) of any new residential or mailing address or telephone number of the non-custodial parent. In any subsequent action to enforce a support order, upon a sufficient showing that a diligent effort has been made to ascertain the location of the non-custodial parent, a court shall have the power to enter an order directing the obligor to pay the amount of support due from the obligor to the person entitled to receive the support and all fees imposed by paragraph (3) of subsection (u) of Section 27.1 of the Clerks of Courts Act shall be payable as provided in that section.
non-custodial parent, service of process or provision of notice necessary in the case may be made at the last known address of the non-custodial parent in any manner expressly provided by the Code of Civil Procedure or this Act, which service shall be sufficient for purposes of due process.

(g) An order for support shall include a date on which the current support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the order will attain the age of 18. However, if the child will not graduate from high school until after attaining the age of 18, then the termination date shall be no earlier than the earlier of the date on which the child's high school graduation will occur or the date on which the child will attain the age of 19 majority or is otherwise emancipated. The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. Nothing in this subsection shall be construed to prevent the court from modifying the order or terminating the order in the event the child is otherwise emancipated.

(h) An order entered under this Section shall include a provision requiring the obligor to report to the obligee and to the clerk of court within 10 days each time the obligor obtains new employment, and each time the obligor's employment is terminated for any reason. The report shall be in writing and shall, in the case of new employment, include the name and address of the new employer. Failure to report new employment or the termination of current employment, if coupled with nonpayment of support for a period in excess of 60 days, is indirect criminal contempt. For any obligor arrested for failure to report new employment bond shall be set in the amount of the child support that should have been paid during the period of unreported employment. An order entered under this Section shall also include a provision requiring the obligor and obligee parents to advise each other of a change in residence within 5 days of the change except when the court finds that the physical, mental, or emotional health of a party or that of a minor child, or both, would be seriously endangered by disclosure of the party's address.

(i) The court does not lose the powers of contempt, driver's license suspension, or other child support enforcement mechanisms, including, but not limited to, criminal prosecution as set forth in this Act, upon the emancipation of the minor child or children.

Sec. 505.2. Health insurance.
(a) Definitions. As used in this Section:

(1) "Obligee" means the individual to whom the duty of support is owed or the individual's legal representative.

(2) "Obligor" means the individual who owes a duty of support pursuant to an order for support.

(3) "Public office" means any elected official or any State or local agency which is or may become responsible by law for enforcement of, or which is or may become authorized to enforce, an order for support, including, but not limited to: the Attorney General, the Illinois Department of Public Aid, the Illinois Department of

Human Services, the Illinois Department of Children and Family Services, and the various State's Attorneys, Clerks of the Circuit Court and supervisors of general assistance.

(4) "Child" shall have the meaning ascribed to it in Section 505.

(b) Order.

(1) Whenever the court establishes, modifies or enforces an order for child support or for child support and maintenance the court shall include in the order a provision for the health care coverage of the child which shall, upon request of the obligee or Public Office, require that any child covered by the order be named as a beneficiary of any health insurance plan that is available to the obligor through an employer or labor union or trade union. If the court finds that such a plan is not available to the obligor, or that the plan is not accessible to the obligee, the court may, upon request of the obligee or Public Office, order the obligor to name the child covered by the order as a beneficiary of any health insurance plan that is available to the obligor on a group basis, or as a beneficiary of an independent health insurance plan to be obtained by the obligor, after considering the following factors:

(A) the medical needs of the child;
(B) the availability of a plan to meet those needs; and
(C) the cost of such a plan to the obligor.

(2) If the employer or labor union or trade union offers more than one plan, the order shall require the obligor to name the child as a beneficiary of the plan in which the obligor is enrolled.

(3) Nothing in this Section shall be construed to limit the authority of the court to establish or modify a support order to provide for payment of expenses, including deductibles, copayments and any other health expenses, which are in addition to expenses covered by an insurance plan of which a child is ordered to be named a beneficiary pursuant to this Section.

(c) Implementation and enforcement.

(1) When the court order requires that a minor child be named as a beneficiary of a health insurance plan, other than a health insurance plan available through an employer or labor union or trade union, the obligor shall provide written proof to the obligee or Public Office that the required insurance has been obtained, or that application for insurability has been made, within 30 days of receiving notice of the court order. Unless the obligor was present in court when the order was issued, notice of the order shall be given pursuant to Illinois Supreme Court Rules. If an obligor fails to provide the required proof, he may be held in contempt of court.

(2) When the court requires that a minor child be named as a beneficiary of a health insurance plan available through an employer or labor union or trade union, the court's order shall be implemented in accordance with the Income Withholding for Support Act.

(d) Failure to maintain insurance. The dollar amount of the premiums for court-ordered health insurance, or that portion of the premiums for which the obligor is
responsible in the case of insurance provided under a group health insurance plan through an employer or labor union or trade union where the employer or labor union or trade union pays a portion of the premiums, shall be considered an additional child support obligation owed by the obligor. Whenever the obligor fails to provide or maintain health insurance pursuant to an order for support, the obligor shall be liable to the obligee for the dollar amount of the premiums which were not paid, and shall also be liable for all medical expenses incurred by the minor child which would have been paid or reimbursed by the health insurance which the obligor was ordered to provide or maintain. In addition, the obligee may petition the court to modify the order based solely on the obligor's failure to pay the premiums for court-ordered health insurance.

(e) Authorization for payment. The signature of the obligee is a valid authorization to the insurer to process a claim for payment under the insurance plan to the provider of the health care services or to the obligee.

(f) Disclosure of information. The obligor's employer or labor union or trade union shall disclose to the obligee or Public Office, upon request, information concerning any dependent coverage plans which would be made available to a new employee or labor union member or trade union member. The employer or labor union or trade union shall disclose such information whether or not a court order for medical support has been entered.

(g) Employer obligations. If a parent is required by an order for support to provide coverage for a child's health care expenses and if that coverage is available to the parent through an employer who does business in this State, the employer must do all of the following upon receipt of a copy of the order of support or order for withholding:

(1) The employer shall, upon the parent's request, permit the parent to include in that coverage a child who is otherwise eligible for that coverage, without regard to any enrollment season restrictions that might otherwise be applicable as to the time period within which the child may be added to that coverage.

(2) If the parent has health care coverage through the employer but fails to apply for coverage of the child, the employer shall include the child in the parent's coverage upon application by the child's other parent or the Illinois Department of Public Aid.

(3) The employer may not eliminate any child from the parent's health care coverage unless the employee is no longer employed by the employer and no longer covered under the employer's group health plan or unless the employer is provided with satisfactory written evidence of either of the following:

(A) The order for support is no longer in effect.

(B) The child is or will be included in a comparable health care plan obtained by the parent under such order that is currently in effect or will take effect no later than the date the prior coverage is terminated.

The employer may eliminate a child from a parent's health care plan obtained by the parent under such order if the employer has eliminated dependent health care coverage for all of its employees.

Sec. 510. Modification and termination of provisions for maintenance, support, educational expenses, and property disposition.

(a) Except as otherwise provided in paragraph (f) of Section 502 and in subsection (b) (d), clause (3) of Section 505.2, the provisions of any judgment respecting maintenance or support may be modified only as to installments accruing subsequent to due notice by the moving party of the filing of the motion for modification and, with respect to maintenance, only upon a showing of a substantial change in circumstances. An order for child support may be modified as follows:

(1) upon a showing of a substantial change in circumstances; and

(2) without the necessity of showing a substantial change in circumstances, as follows:

(A) upon a showing of an inconsistency of at least 20%, but no less than $10 per month, between the amount of the existing order and the amount of child support that results from application of the guidelines specified in Section 505 of this Act unless the inconsistency is due to the fact that the amount of the existing order resulted from a deviation from the guideline amount and there has not been a change in the circumstances that resulted in that deviation; or

(B) Upon a showing of a need to provide for the health care needs of the child under the order through health insurance or other means. In no event shall the eligibility for or receipt of medical assistance be considered to meet the need to provide for the child's health care needs.

The provisions of subparagraph (a)(2)(A) shall apply only in cases in which a party is receiving child and spouse support services from the Illinois Department of Public Aid under Article X of the Illinois Public Aid Code, and only when at least 36 months have elapsed since the order for child support was entered or last modified.

(b) The provisions as to property disposition may not be revoked or modified, unless the court finds the existence of conditions that justify the reopening of a judgment under the laws of this State.

(c) Unless otherwise agreed by the parties in a written agreement set forth in the judgment or otherwise approved by the court, the obligation to pay future maintenance is terminated upon the death of either party, or the remarriage of the party receiving maintenance, or if the party receiving maintenance cohabits with another person on a resident, continuing conjugal basis.

(d) Unless otherwise provided in this Act, or as agreed in writing or expressly provided in the judgment, provisions for the support of a child are terminated by emancipation of the child, or if the child has attained the age of 18 and is still attending high school, provisions for the support of the child are terminated upon the date that the child graduates from high school or the date the child attains the age of 19, whichever is earlier, but not by the death of a parent obligated to support or educate the child. Unless otherwise agreed in writing or expressly provided in a judgment, provisions for the support of a child...
are terminated by emancipation of the child, except as otherwise provided herein, but not by the death of a parent obligated to support or educate the child. An existing obligation to pay for support or educational expenses, or both, is not terminated by the death of a parent. When a parent obligated to pay support or educational expenses, or both, dies, the amount of support or educational expenses, or both, may be enforced, modified, revoked or commuted to a lump sum payment, as equity may require, and that determination may be provided for at the time of the dissolution of the marriage or thereafter.

(e) The right to petition for support or educational expenses, or both, under Sections 505 and 513 is not extinguished by the death of a parent. Upon a petition filed before or after a parent’s death, the court may award sums of money out of the decedent's estate for the child's support or educational expenses, or both, as equity may require. The time within which a claim may be filed against the estate of a decedent under Sections 505 and 513 and subsection (d) and this subsection shall be governed by the provisions of the Probate Act of 1975, as a barrable, noncontingent claim.

(f) A petition to modify or terminate child support, custody, or visitation shall not delay any child support enforcement litigation or supplementary proceeding on behalf of the obligee, including, but not limited to, a petition for a rule to show cause, for non-wage garnishment, or for a restraining order. (Source: P.A. 92-289, eff. 8-9-01; revised 12-07-01.)

Sec. 513. Support for Non-minor Children and Educational Expenses.

(a) The court may award sums of money out of the property and income of either or both parties or the estate of a deceased parent, as equity may require, for the support of the child or children of the parties who have attained majority in the following instances:

(1) When the child is mentally or physically disabled and not otherwise emancipated, an application for support may be made before or after the child has attained majority.

(2) The court may also make provision for the educational expenses of the child or children of the parties, whether of minor or majority age, and an application for educational expenses may be made before or after the child has attained majority, or after the death of either parent. The authority under this Section to make provision for educational expenses extends not only to periods of college education or professional or other training after graduation from high school, but also to any period during which the child of the parties is still attending high school, even though he or she attained the age of 19 or even 18. The educational expenses may include, but shall not be limited to, room, board, dues, tuition, transportation, books, fees, registration and application costs, medical expenses including medical insurance, dental expenses, and living expenses during the school year and periods of recess, which sums may be ordered payable to the child, to either parent, or to the educational institution, directly or through a special account or trust created for that purpose, as the court sees fit.

If educational expenses are ordered payable, each parent and the child shall sign any consents necessary for the educational institution to provide the supporting
parent with access to the child's academic transcripts, records, and grade reports. The consents shall not apply to any non-academic records. Failure to execute the required consent may be a basis for a modification or termination of any order entered under this Section.

The authority under this Section to make provision for educational expenses, except where the child is mentally or physically disabled and not otherwise emancipated, terminates when the child receives a baccalaureate degree.

(b) In making awards under paragraph (1) or (2) of subsection (a), or pursuant to a petition or motion to decrease, modify, or terminate any such award, the court shall consider all relevant factors that appear reasonable and necessary, including:

1. The financial resources of both parents.
2. The standard of living the child would have enjoyed had the marriage not been dissolved.
3. The financial resources of the child.
4. The child's academic performance. (Source: P.A. 91-204, eff. 1-1-00.)

Section 915. The Non-Support Punishment Act is amended by changing Sections 15 and 20 as follows:

(750 ILCS 16/15)
Sec. 15. Failure to support.
(a) A person commits the offense of failure to support when he or she:
1. Willfully, without any lawful excuse, refuses to provide for the support or maintenance of his or her spouse, with the knowledge that the spouse is in need of such support or maintenance, or, without lawful excuse, deserts or willfully refuses to provide for the support or maintenance of his or her child or children under the age of 18 years, in need of support or maintenance and the person has the ability to provide the support; or
2. Willfully fails to pay a support obligation required under a court or administrative order for support, if the obligation has remained unpaid for a period longer than 6 months, or is in arrears in an amount greater than $5,000, and the person has the ability to provide the support; or
3. Leaves the State with the intent to evade a support obligation required under a court or administrative order for support, if the obligation, regardless of when it accrued, has remained unpaid for a period longer than 6 months, or is in arrears in an amount greater than $10,000; or
4. Willfully fails to pay a support obligation required under a court or administrative order for support, if the obligation has remained unpaid for a period longer than one year, or is in arrears in an amount greater than $20,000, and the person has the ability to provide the support.
(a-5) Presumption of ability to pay support. The existence of a court or administrative order of support that was not based on a default judgment and was in effect for the time period charged in the indictment or information creates a rebuttable presumption that the obligor has the ability to pay the support obligation for that time period.

(b) Sentence. A person convicted of a first offense under subdivision (a)(1) or (a)(2) is guilty of a Class A misdemeanor. A person convicted of an offense under subdivision (a)(3) or (a)(4) or a second or subsequent offense under subdivision (a)(1) or (a)(2) is guilty of a Class 4 felony.

(c) Expungement. A person convicted of a first offense under subdivision (a)(1) or (a)(2) who is eligible for the Earnfare program, shall, in lieu of the sentence prescribed in subsection (b), be referred to the Earnfare program. Upon certification of completion of the Earnfare program, the conviction shall be expunged. If the person fails to successfully complete the Earnfare program, he or she shall be sentenced in accordance with subsection (b).

(d) Fine. Sentences of imprisonment and fines for offenses committed under this Act shall be as provided under Articles 8 and 9 of Chapter V of the Unified Code of Corrections, except that the court shall order restitution of all unpaid support payments and may impose the following fines, alone, or in addition to a sentence of imprisonment under the following circumstances:

(1) from $1,000 to $5,000 if the support obligation has remained unpaid for a period longer than 2 years, or is in arrears in an amount greater than $1,000 and not exceeding $10,000;

(2) from $5,000 to $10,000 if the support obligation has remained unpaid for a period longer than 5 years, or is in arrears in an amount greater than $10,000 and not exceeding $20,000; or

(3) from $10,000 to $25,000 if the support obligation has remained unpaid for a period longer than 8 years, or is in arrears in an amount greater than $20,000.

(e) Restitution shall be ordered in an amount equal to the total unpaid support obligation as it existed at the time of sentencing. Any amounts paid by the obligor shall be allocated first to current support and then to restitution ordered and then to fines imposed under this Section.

(f) For purposes of this Act, the term "child" shall have the meaning ascribed to it in Section 505 of the Illinois Marriage and Dissolution of Marriage Act. (Source: P.A. 91-613, eff. 10-1-99.)

Sec. 20. Entry of order for support; income withholding.

(a) In a case in which no court or administrative order for support is in effect against the defendant:

(1) at any time before the trial, upon motion of the State's Attorney, or of the Attorney General if the action has been instituted by his office, and upon notice to the defendant, or at the time of arraignment or as a condition of postponement of arraignment, the court may enter such temporary order for support as may seem just, providing for the support or maintenance of the spouse or child or children of the defendant, or both, pendente lite; or

(2) before trial with the consent of the defendant, or at the trial on entry of a plea of guilty, or after conviction, instead of imposing the penalty provided in this

Act, or in addition thereto, the court may enter an order for support, subject to modification by the court from time to time as circumstances may require, directing the defendant to pay a certain sum for maintenance of the spouse, or for support of the child or children, or both.

(b) The court shall determine the amount of child support by using the guidelines and standards set forth in subsection (a) of Section 505 and in Section 505.2 of the Illinois Marriage and Dissolution of Marriage Act.

If (i) the non-custodial parent was properly served with a request for discovery of financial information relating to the non-custodial parent's ability to provide child support, (ii) the non-custodial parent failed to comply with the request, despite having been ordered to do so by the court, and (iii) the non-custodial parent is not present at the hearing to determine support despite having received proper notice, then any relevant financial information concerning the non-custodial parent's ability to provide support that was obtained pursuant to subpoena and proper notice shall be admitted into evidence without the need to establish any further foundation for its admission.

(c) The court shall determine the amount of maintenance using the standards set forth in Section 504 of the Illinois Marriage and Dissolution of Marriage Act.

(d) The court may, for violation of any order under this Section, punish the offender as for a contempt of court, but no pendente lite order shall remain in effect longer than 4 months, or after the discharge of any panel of jurors summoned for service thereafter in such court, whichever is sooner.

(e) Any order for support entered by the court under this Section shall be deemed to be a series of judgments against the person obligated to pay support under the judgments, each such judgment to be in the amount of each payment or installment of support and each judgment to be deemed entered as of the date the corresponding payment or installment becomes due under the terms of the support order. Each judgment shall have the full force, effect, and attributes of any other judgment of this State, including the ability to be enforced. Each judgment is subject to modification or termination only in accordance with Section 510 of the Illinois Marriage and Dissolution of Marriage Act. A lien arises by operation of law against the real and personal property of the noncustodial parent for each installment of overdue support owed by the noncustodial parent.

(f) An order for support entered under this Section shall include a provision requiring the obligor to report to the obligee and to the clerk of the court within 10 days each time the obligor obtains new employment, and each time the obligor's employment is terminated for any reason. The report shall be in writing and shall, in the case of new employment, include the name and address of the new employer.

Failure to report new employment or the termination of current employment, if coupled with nonpayment of support for a period in excess of 60 days, is indirect criminal contempt. For any obligor arrested for failure to report new employment, bond shall be set in the amount of the child support that should have been paid during the period of unreported employment.

An order for support entered under this Section shall also include a provision

requiring the obligor and obligee parents to advise each other of a change in residence within 5 days of the change except when the court finds that the physical, mental, or emotional health of a party or of a minor child, or both, would be seriously endangered by disclosure of the party's address.

(g) An order for support entered or modified in a case in which a party is receiving child and spouse support services under Article X of the Illinois Public Aid Code shall include a provision requiring the noncustodial parent to notify the Illinois Department of Public Aid, within 7 days, of the name and address of any new employer of the noncustodial parent, whether the noncustodial parent has access to health insurance coverage through the employer or other group coverage and, if so, the policy name and number and the names of persons covered under the policy.

(h) In any subsequent action to enforce an order for support entered under this Act, upon sufficient showing that diligent effort has been made to ascertain the location of the noncustodial parent, service of process or provision of notice necessary in that action may be made at the last known address of the noncustodial parent, in any manner expressly provided by the Code of Civil Procedure or in this Act, which service shall be sufficient for purposes of due process.

(i) An order for support shall include a date on which the current support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the order will attain the age of 18. However, if the child will not graduate from high school until after attaining the age of 18, then the termination date shall be no earlier than the earlier of the date on which the child's high school graduation will occur or the date on which the child will attain the age of 19 majority or is otherwise emancipated. The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. Nothing in this subsection shall be construed to prevent the court from modifying the order or terminating the order in the event the child is otherwise emancipated.

(j) A support obligation, or any portion of a support obligation, which becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum. An order for support entered or modified on or after January 1, 2002 shall contain a statement that a support obligation required under the order, or any portion of a support obligation required under the order, that becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum. Failure to include the statement in the order for support does not affect the validity of the order or the accrual of interest as provided in this Section.

Section 920. The Illinois Parentage Act of 1984 is amended by changing Section 14 as follows:

(750 ILCS 45/14) (from Ch. 40, par. 2514)
(a) (1) The judgment shall contain or explicitly reserve provisions concerning any duty and amount of child support and may contain provisions concerning the custody and guardianship of the child, visitation privileges with the child, the furnishing of bond or other

security for the payment of the judgment, which the court shall determine in accordance with the relevant factors set forth in the Illinois Marriage and Dissolution of Marriage Act and any other applicable law of Illinois, to guide the court in a finding in the best interests of the child. In determining custody, joint custody, or visitation, the court shall apply the relevant standards of the Illinois Marriage and Dissolution of Marriage Act. Specifically, in determining the amount of any child support award, the court shall use the guidelines and standards set forth in subsection (a) of Section 505 and in Section 505.2 of the Illinois Marriage and Dissolution of Marriage Act. For purposes of Section 505 of the Illinois Marriage and Dissolution of Marriage Act, "net income" of the non-custodial parent shall include any benefits available to that person under the Illinois Public Aid Code or from other federal, State or local government-funded programs. The court shall, in any event and regardless of the amount of the non-custodial parent's net income, in its judgment order the non-custodial parent to pay child support to the custodial parent in a minimum amount of not less than $10 per month. In an action brought within 2 years after a child's birth, the judgment or order may direct either parent to pay the reasonable expenses incurred by either parent related to the mother's pregnancy and the delivery of the child. The judgment or order shall contain the father's social security number, which the father shall disclose to the court; however, failure to include the father's social security number on the judgment or order does not invalidate the judgment or order.

(2) If a judgment of parentage contains no explicit award of custody, the establishment of a support obligation or of visitation rights in one parent shall be considered a judgment granting custody to the other parent. If the parentage judgment contains no such provisions, custody shall be presumed to be with the mother; however, the presumption shall not apply if the father has had physical custody for at least 6 months prior to the date that the mother seeks to enforce custodial rights.

(b) The court shall order all child support payments, determined in accordance with such guidelines, to commence with the date summons is served. The level of current periodic support payments shall not be reduced because of payments set for the period prior to the date of entry of the support order. The Court may order any child support payments to be made for a period prior to the commencement of the action. In determining whether and the extent to which the payments shall be made for any prior period, the court shall consider all relevant facts, including the factors for determining the amount of support specified in the Illinois Marriage and Dissolution of Marriage Act and other equitable factors including but not limited to:

(1) The father's prior knowledge of the fact and circumstances of the child's birth.
(2) The father's prior willingness or refusal to help raise or support the child.
(3) The extent to which the mother or the public agency bringing the action previously informed the father of the child's needs or attempted to seek or require his help in raising or supporting the child.
(4) The reasons the mother or the public agency did not file the action earlier.
(5) The extent to which the father would be prejudiced by the delay in

New matter indicated by italics - deletions by strikeout.
For purposes of determining the amount of child support to be paid for any period before the date the order for current child support is entered, there is a rebuttable presumption that the father's net income for the prior period was the same as his net income at the time the order for current child support is entered.

If (i) the non-custodial parent was properly served with a request for discovery of financial information relating to the non-custodial parent's ability to provide child support, (ii) the non-custodial parent failed to comply with the request, despite having been ordered to do so by the court, and (iii) the non-custodial parent is not present at the hearing to determine support despite having received proper notice, then any relevant financial information concerning the non-custodial parent's ability to provide child support that was obtained pursuant to subpoena and proper notice shall be admitted into evidence without the need to establish any further foundation for its admission.

(c) Any new or existing support order entered by the court under this Section shall be deemed to be a series of judgments against the person obligated to pay support thereunder, each judgment to be in the amount of each payment or installment of support and each such judgment to be deemed entered as of the date the corresponding payment or installment becomes due under the terms of the support order. Each judgment shall have the full force, effect and attributes of any other judgment of this State, including the ability to be enforced. A lien arises by operation of law against the real and personal property of the noncustodial parent for each installment of overdue support owed by the noncustodial parent.

(d) If the judgment or order of the court is at variance with the child's birth certificate, the court shall order that a new birth certificate be issued under the Vital Records Act.

(e) On request of the mother and the father, the court shall order a change in the child's name. After hearing evidence the court may stay payment of support during the period of the father's minority or period of disability.

(f) If, upon a showing of proper service, the father fails to appear in court, or otherwise appear as provided by law, the court may proceed to hear the cause upon testimony of the mother or other parties taken in open court and shall enter a judgment by default. The court may reserve any order as to the amount of child support until the father has received notice, by regular mail, of a hearing on the matter.

(g) A one-time charge of 20% is imposable upon the amount of past-due child support owed on July 1, 1988 which has accrued under a support order entered by the court. The charge shall be imposed in accordance with the provisions of Section 10-21 of the Illinois Public Aid Code and shall be enforced by the court upon petition.

(h) All orders for support, when entered or modified, shall include a provision requiring the non-custodial parent to notify the court and, in cases in which party is receiving child and spouse support services under Article X of the Illinois Public Aid Code, the Illinois Department of Public Aid, within 7 days, (i) of the name and address of any new employer of the non-custodial parent, (ii) whether the non-custodial parent has access to health insurance coverage through the employer or other group coverage and, if so, the policy name and number and the names of persons covered under the policy, and (iii) of any new

residential or mailing address or telephone number of the non-custodial parent. In any subsequent action to enforce a support order, upon a sufficient showing that a diligent effort has been made to ascertain the location of the non-custodial parent, service of process or provision of notice necessary in the case may be made at the last known address of the non-custodial parent in any manner expressly provided by the Code of Civil Procedure or this Act, which service shall be sufficient for purposes of due process.

(i) An order for support shall include a date on which the current support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the order will attain the age of 18. **However, if the child will not graduate from high school until after attaining the age of 18, then the termination date shall be no earlier than the earlier of the date on which the child's high school graduation will occur or the date on which the child will attain the age of 19 majority or is otherwise emancipated.** The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. Nothing in this subsection shall be construed to prevent the court from modifying the order or terminating the order in the event the child is otherwise emancipated.

(j) An order entered under this Section shall include a provision requiring the obligor to report to the obligee and to the clerk of court within 10 days each time the obligor obtains new employment, and each time the obligor's employment is terminated for any reason. The report shall be in writing and shall, in the case of new employment, include the name and address of the new employer. Failure to report new employment or the termination of current employment, if coupled with nonpayment of support for a period in excess of 60 days, is indirect criminal contempt. For any obligor arrested for failure to report new employment bond shall be set in the amount of the child support that should have been paid during the period of unreported employment. An order entered under this Section shall also include a provision requiring the obligor and obligee parents to advise each other of a change in residence within 5 days of the change except when the court finds that the physical, mental, or emotional health of a party or that of a minor child, or both, would be seriously endangered by disclosure of the party's address.

PUBLIC ACT 92-0877
(House Bill No. 1445)

AN ACT relating to education.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The School Code is amended by changing Section 14-7.03 as follows:
(105 ILCS 5/14-7.03) (from Ch. 122, par. 14-7.03)

New matter indicated by italics - deletions by strikeout.
Sec. 14-7.03. Special Education Classes for Children from Orphanages, Foster Family Homes, Children's Homes, or in State Housing Units. If a school district maintains special education classes on the site of orphanages and children's homes, or if children from the orphanages, children's homes, foster family homes, other State agencies, or State residential units for children attend classes for children with disabilities in which the school district is a participating member of a joint agreement, or if the children from the orphanages, children's homes, foster family homes, other State agencies, or State residential units attend classes for the children with disabilities maintained by the school district, then reimbursement shall be paid to eligible districts in accordance with the provisions of this Section by the Comptroller as directed by the State Superintendent of Education.

The amount of tuition for such children shall be determined by the actual cost of maintaining such classes, using the per capita cost formula set forth in Section 14-7.01, such program and cost to be pre-approved by the State Superintendent of Education.

On forms prepared by the State Superintendent of Education, the district shall certify to the regional superintendent the following:

(1) The name of the home or State residential unit with the name of the owner or proprietor and address of those maintaining it;

(2) That no service charges or other payments authorized by law were collected in lieu of taxes therefrom or on account thereof during either of the calendar years included in the school year for which claim is being made;

(3) The number of children qualifying under this Act in special education classes for instruction on the site of the orphanages and children's homes;

(4) The number of children attending special education classes for children with disabilities in which the district is a participating member of a special education joint agreement;

(5) The number of children attending special education classes for children with disabilities maintained by the district;

(6) The computed amount of tuition payment claimed as due, as approved by the State Superintendent of Education, for maintaining these classes.

If a school district makes a claim for reimbursement under Section 18-3 or 18-4 of this Act it shall not include in any claim filed under this Section a claim for such children. Payments authorized by law, including State or federal grants for education of children included in this Section, shall be deducted in determining the tuition amount.

Nothing in this Act shall be construed so as to prohibit reimbursement for the tuition of children placed in for profit facilities. Private facilities shall provide adequate space at the facility for special education classes provided by a school district or joint agreement for children with disabilities who are residents of the facility at no cost to the school district or joint agreement upon request of the school district or joint agreement. If such a private facility provides space at no cost to the district or joint agreement for special education classes provided to children with disabilities who are residents of the facility, the district or joint agreement shall not include any costs for the use of those facilities in its claim for reimbursement.

Reimbursement for tuition may include the cost of providing summer school programs for children with severe and profound disabilities served under this Section. Claims for that reimbursement shall be filed by November 1 and shall be paid on or before December 15 from appropriations made for the purposes of this Section.

The State Board of Education shall establish such rules and regulations as may be necessary to implement the provisions of this Section.

Claims filed on behalf of programs operated under this Section housed in a jail, or detention center, or county-owned shelter care facility shall be on an individual student basis only for eligible students with disabilities. These claims shall be in accordance with applicable rules.

Each district claiming reimbursement for a program operated as a group program shall have an approved budget on file with the State Board of Education prior to the initiation of the program's operation. On September 30, December 31, and March 31, the State Board of Education shall voucher payments to group programs based upon the approved budget during the year of operation. Final claims for group payments shall be filed on or before July 15. Final claims for group programs received at the State Board of Education on or before June 15 shall be vouchered by June 30. Final claims received at the State Board of Education between June 16 and July 15 shall be vouchered by August 30. Claims for group programs received after July 15 shall not be honored.

Each district claiming reimbursement for individual students shall have the eligibility of those students verified by the State Board of Education. On September 30, December 31, and March 31, the State Board of Education shall voucher payments for individual students based upon an estimated cost calculated from the prior year's claim. Final claims for individual students for the regular school term must be received at the State Board of Education by July 15. Claims for individual students received after July 15 shall not be honored. Final claims for individual students shall be vouchered by August 30.

Reimbursement shall be made based upon approved group programs or individual students. The State Superintendent of Education shall direct the Comptroller to pay a specified amount to the district by the 30th day of September, December, March, June, or August, respectively. However, notwithstanding any other provisions of this Section or the School Code, beginning with fiscal year 1994 and each fiscal year thereafter through fiscal year 2002, if the amount appropriated for any fiscal year is less than the amount required for purposes of this Section, the amount required to eliminate any insufficient reimbursement for each district claim under this Section shall be reimbursed on August 30 of the next fiscal year, and the payments required to eliminate any insufficiency for prior fiscal year claims shall be made before any claims are paid for the current fiscal year. Notwithstanding any other provision of this Section or this Code, beginning with fiscal year 2003, total reimbursement under this Section in any fiscal year is limited to the amount appropriated for that purpose for that fiscal year, and if the amount appropriated for any fiscal year is less than the amount required for purposes of this Section, the insufficiency shall be apportioned pro rata among the school districts seeking reimbursement.

Section 14-12.01 for the 1976-77 school year but for this amendatory Act of 1977 shall not be paid unless the district ceases to maintain such classes for one entire school year.

If a school district's current reimbursement payment for the 1977-78 school year only is less than the prior year's reimbursement payment owed, the district shall be paid the amount of the difference between the payments in addition to the current reimbursement payment, and the amount so paid shall be subtracted from the amount of prior year's reimbursement payment owed to the district.

Regional superintendents may operate special education classes for children from orphanages, foster family homes, children's homes or State housing units located within the educational services region upon consent of the school board otherwise so obligated. In electing to assume the powers and duties of a school district in providing and maintaining such a special education program, the regional superintendent may enter into joint agreements with other districts and may contract with public or private schools or the orphanage, foster family home, children's home or State housing unit for provision of the special education program. The regional superintendent exercising the powers granted under this Section shall claim the reimbursement authorized by this Section directly from the State Board of Education.

Any child who is not a resident of Illinois who is placed in a child welfare institution, private facility, foster family home, State operated program, orphanage or children's home shall have the payment for his educational tuition and any related services assured by the placing agent.

Commencing July 1, 1992, for each disabled student who is placed residually by a State agency or the courts for care or custody or both care and custody, welfare, medical or mental health treatment or both medical and mental health treatment, rehabilitation, and protection, whether placed there on, before, or after July 1, 1992, the costs for educating the student are eligible for reimbursement under this Section providing the placing agency or court has notified the appropriate school district authorities of the status of student residency where applicable prior to or upon placement.

The district of residence of the parent, guardian, or disabled student as defined in Sections 14-1.11 and 14-1.11a is responsible for the actual costs of the student's special education program and is eligible for reimbursement under this Section when placement is made by a State agency or the courts. Payments shall be made by the resident district to the district wherein the facility is located no less than once per quarter unless otherwise agreed to in writing by the parties.

When a dispute arises over the determination of the district of residence, the district or districts may appeal the decision in writing to the State Superintendent of Education. The decision of the State Superintendent of Education shall be final.

In the event a district does not make a tuition payment to another district that is providing the special education program and services, the State Board of Education shall immediately withhold 125% of the then remaining annual tuition cost from the State aid or categorical aid payment due to the school district that is determined to be the resident school district. All funds withheld by the State Board of Education shall immediately be forwarded.

PUBLIC ACT 92-0878
(House Bill No. 1273)

AN ACT in relation to taxes.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Telecommunications Excise Tax Act is amended by changing Section 2 as follows:

(35 ILCS 630/2) (from Ch. 120, par. 2002)

Sec. 2. As used in this Article, unless the context clearly requires otherwise:

(a) "Gross charge" means the amount paid for the act or privilege of originating or receiving telecommunications in this State and for all services and equipment provided in connection therewith by a retailer, valued in money whether paid in money or otherwise, including cash, credits, services and property of every kind or nature, and shall be determined without any deduction on account of the cost of such telecommunications, the cost of materials used, labor or service costs or any other expense whatsoever. In case credit is extended, the amount thereof shall be included only as and when paid. "Gross charges" for private line service shall include charges imposed at each channel point within this State, charges for the channel mileage between each channel point within this State, and charges for that portion of the interstate inter-office channel provided within Illinois. Charges for that portion of the interstate inter-office channel provided in Illinois shall be determined by the retailer as follows: (i) for interstate inter-office channels having 2 channel termination points, only one of which is in Illinois, 50% of the total charge imposed; (ii) for interstate inter-office channels having more than 2 channel termination points, one or more of which are in Illinois, an amount equal to the total charge multiplied by a fraction, the numerator of which is the number of channel termination points within Illinois and the denominator of which is the total number of channel termination points; or (iii) any other method that reasonably apportions the total charges for interstate inter-office channels among the states in which channel termination points are located. Prior to June 1, 2003, any apportionment method consistent with this paragraph shall be accepted as a reasonable method to determine the charges for that portion of the interstate inter-office channel provided within

Illinois for that period. However, "gross charges" shall not include any of the following:

(1) Any amounts added to a purchaser's bill because of a charge made pursuant to (i) the tax imposed by this Article; (ii) charges added to customers' bills pursuant to the provisions of Sections 9-221 or 9-222 of the Public Utilities Act, as amended, or any similar charges added to customers' bills by retailers who are not subject to rate regulation by the Illinois Commerce Commission for the purpose of recovering any of the tax liabilities or other amounts specified in such provisions of such Act; (iii) the tax imposed by Section 4251 of the Internal Revenue Code; (iv) 911 surcharges; or (v) the tax imposed by the Simplified Municipal Telecommunications Tax Act; 

(2) Charges for a sent collect telecommunication received outside of the State; 

(3) Charges for leased time on equipment or charges for the storage of data or information for subsequent retrieval or the processing of data or information intended to change its form or content. Such equipment includes, but is not limited to, the use of calculators, computers, data processing equipment, tabulating equipment or accounting equipment and also includes the usage of computers under a time-sharing agreement; 

(4) Charges for customer equipment, including such equipment that is leased or rented by the customer from any source, wherein such charges are disaggregated and separately identified from other charges; 

(5) Charges to business enterprises certified under Section 9-222.1 of the Public Utilities Act, as amended, to the extent of such exemption and during the period of time specified by the Department of Commerce and Community Affairs; 

(6) Charges for telecommunications and all services and equipment provided in connection therewith between a parent corporation and its wholly owned subsidiaries or between wholly owned subsidiaries when the tax imposed under this Article has already been paid to a retailer and only to the extent that the charges between the parent corporation and wholly owned subsidiaries or between wholly owned subsidiaries represent expense allocation between the corporations and not the generation of profit for the corporation rendering such service; 

(7) Bad debts. Bad debt means any portion of a debt that is related to a sale at retail for which gross charges are not otherwise deductible or excludable that has become worthless or uncollectable, as determined under applicable federal income tax standards. If the portion of the debt deemed to be bad is subsequently paid, the retailer shall report and pay the tax on that portion during the reporting period in which the payment is made; 

(8) Charges paid by inserting coins in coin-operated telecommunication devices; 

(9) Amounts paid by telecommunications retailers under the Telecommunications Municipal Infrastructure Maintenance Fee Act. 

(10) Charges for nontaxable services or telecommunications if (i) those
charges are aggregated with other charges for telecommunications that are taxable, (ii) those charges are not separately stated on the customer bill or invoice, and (iii) the retailer can reasonably identify the nontaxable charges on the retailer's books and records kept in the regular course of business. If the nontaxable charges cannot reasonably be identified, the gross charge from the sale of both taxable and nontaxable services or telecommunications billed on a combined basis shall be attributed to the taxable services or telecommunications. The burden of proving nontaxable charges shall be on the retailer of the telecommunications.

(b) "Amount paid" means the amount charged to the taxpayer's service address in this State regardless of where such amount is billed or paid.

(c) "Telecommunications", in addition to the meaning ordinarily and popularly ascribed to it, includes, without limitation, messages or information transmitted through use of local, toll and wide area telephone service; private line services; channel services; telegraph services; teletypewriter; computer exchange services; cellular mobile telecommunications service; specialized mobile radio; stationary two way radio; paging service; or any other form of mobile and portable one-way or two-way communications; or any other transmission of messages or information by electronic or similar means, between or among points by wire, cable, fiber-optics, laser, microwave, radio, satellite or similar facilities. As used in this Act, "private line" means a dedicated non-traffic sensitive service for a single customer, that entitles the customer to exclusive or priority use of a communications channel or group of channels, from one or more specified locations to one or more other specified locations. The definition of "telecommunications" shall not include value added services in which computer processing applications are used to act on the form, content, code and protocol of the information for purposes other than transmission. "Telecommunications" shall not include purchases of telecommunications by a telecommunications service provider for use as a component part of the service provided by him to the ultimate retail consumer who originates or terminates the taxable end-to-end communications. Carrier access charges, right of access charges, charges for use of inter-company facilities, and all telecommunications resold in the subsequent provision of, used as a component of, or integrated into end-to-end telecommunications service shall be non-taxable as sales for resale.

(d) "Interstate telecommunications" means all telecommunications that either originate or terminate outside this State.

(j) "Purchase at retail" means the acquisition, consumption or use of telecommunication through a sale at retail.

(k) "Sale at retail" means the transmitting, supplying or furnishing of telecommunications and all services and equipment provided in connection therewith for a consideration to persons other than the Federal and State governments, and State universities created by statute and other than between a parent corporation and its wholly owned subsidiaries or between wholly owned subsidiaries for their use or consumption and not for resale.

(l) "Retailer" means and includes every person engaged in the business of making sales at retail as defined in this Article. The Department may, in its discretion, upon application, authorize the collection of the tax hereby imposed by any retailer not maintaining a place of business within this State, who, to the satisfaction of the Department, furnishes adequate security to insure collection and payment of the tax. Such retailer shall be issued, without charge, a permit to collect such tax. When so authorized, it shall be the duty of such retailer to collect the tax upon all of the gross charges for telecommunications in this State in the same manner and subject to the same requirements as a retailer maintaining a place of business within this State. The permit may be revoked by the Department at its discretion.

(m) "Retailer maintaining a place of business in this State", or any like term, means and includes any retailer having or maintaining within this State, directly or by a subsidiary, an office, distribution facilities, transmission facilities, sales office, warehouse or other place of business, or any agent or other representative operating within this State under the authority of the retailer or its subsidiary, irrespective of whether such place of business or agent or other representative is located here permanently or temporarily, or whether such retailer or subsidiary is licensed to do business in this State.

(n) "Service address" means the location of telecommunications equipment from which the telecommunications services are originated or at which telecommunications services are received by a taxpayer. For air-to-ground systems and the like, service address shall mean the location of a taxpayer's primary use of the telecommunications equipment as defined by telephone number, authorization code, or location in Illinois where bills are sent.

(o) "Prepaid telephone calling arrangements" mean the right to exclusively purchase telephone or telecommunications services that must be paid for in advance and enable the origination of one or more intrastate, interstate, or international telephone calls or other telecommunications using an access number, an authorization code, or both, whether manually or electronically dialed, for which payment to a retailer must be made in advance,

provided that, unless recharged, no further service is provided once that prepaid amount of service has been consumed. Prepaid telephone calling arrangements include the recharge of a prepaid calling arrangement. For purposes of this subsection, "recharge" means the purchase of additional prepaid telephone or telecommunications services whether or not the purchaser acquires a different access number or authorization code. "Prepaid telephone calling arrangement" does not include an arrangement whereby a customer purchases a payment card and pursuant to which the service provider reflects the amount of such purchase as a credit on an invoice issued to that customer under an existing subscription plan.
