(F) Instead of the eligible costs provided by subparagraphs (B) and (D) of paragraph (11), as modified by this subparagraph, and notwithstanding any other provisions of this Act to the contrary, the municipality may pay from tax increment revenues up to 50% of the cost of construction of new housing units to be occupied by low-income households and very low-income households as defined in Section 3 of the Illinois Affordable Housing Act. The cost of construction of those units may be derived from the proceeds of bonds issued by the municipality under this Act or other constitutional or statutory authority or from other sources of municipal revenue that may be reimbursed from tax increment revenues or the proceeds of bonds issued to finance the construction of that housing.

The eligible costs provided under this subparagraph (F) of paragraph (11) shall be an eligible cost for the construction, renovation, and rehabilitation of all low and very low-income housing units, as defined in Section 3 of the Illinois Affordable Housing Act, within the redevelopment project area. If the low and very low-income units are part of a residential redevelopment project that includes units not affordable to low and very low-income households, only the low and very low-income units shall be eligible for benefits under subparagraph (F) of paragraph (11). The standards for maintaining the occupancy by low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act, of those units constructed with eligible costs made available under the provisions of this subparagraph (F) of paragraph (11) shall be established by guidelines adopted by the municipality. The responsibility for annually documenting the initial occupancy of the units by low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act, shall be that of the then current owner of the property. For ownership units, the guidelines will provide, at a minimum, for a reasonable recapture of funds, or other appropriate methods designed to preserve the original affordability of the ownership units. For rental units, the guidelines will provide, at a minimum, for the affordability of rent to low and very low-income households. As units become available, they shall be rented to income-eligible tenants. The municipality may modify these guidelines from time to time; the guidelines, however, shall be in effect for as long as tax increment revenue is being used to pay for costs associated with the units or for the retirement of bonds issued to finance the units or for the life of the redevelopment project area, whichever is later.

employees from low-income families working for businesses located within the redevelopment project area and all or a portion of the cost of operation of day care centers established by redevelopment project area businesses to serve employees from low-income families working in businesses located in the redevelopment project area. For the purposes of this paragraph, "low-income families" means families whose annual income does not exceed 80% of the municipal, county, or regional median income, adjusted for family size, as the annual income and municipal, county, or regional median income are determined from time to time by the United States Department of Housing and Urban Development.

(12) Unless explicitly stated herein the cost of construction of new privately-owned buildings shall not be an eligible redevelopment project cost.

(13) After November 1, 1999 (the effective date of Public Act 91-478), none of the redevelopment project costs enumerated in this subsection shall be eligible redevelopment project costs if those costs would provide direct financial support to a retail entity initiating operations in the redevelopment project area while terminating operations at another Illinois location within 10 miles of the redevelopment project area but outside the boundaries of the redevelopment project area municipality. For purposes of this paragraph, termination means a closing of a retail operation that is directly related to the opening of the same operation or like retail entity owned or operated by more than 50% of the original ownership in a redevelopment project area, but it does not mean closing an operation for reasons beyond the control of the retail entity, as documented by the retail entity, subject to a reasonable finding by the municipality that the current location contained inadequate space, had become economically obsolete, or was no longer a viable location for the retailer or serviceman.

If a special service area has been established pursuant to the Special Service Area Tax Act or Special Service Area Tax Law, then any tax increment revenues derived from the tax imposed pursuant to the Special Service Area Tax Act or Special Service Area Tax Law may be used within the redevelopment project area for the purposes permitted by that Act or Law as well as the purposes permitted by this Act.

(r) "State Sales Tax Boundary" means the redevelopment project area or the amended redevelopment project area boundaries which are determined pursuant to subsection (9) of Section 11-74.4-8a of this Act. The Department of Revenue shall certify pursuant to subsection (9) of Section 11-74.4-8a the appropriate boundaries eligible for the determination of State Sales Tax Increment.

(s) "State Sales Tax Increment" means an amount equal to the increase in the aggregate amount of taxes paid by retailers and servicemen, other than retailers and servicemen subject to the Public Utilities Act, on transactions at places of business located within a State Sales Tax Boundary pursuant to the Retailers’ Occupation Tax Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act, except such portion of such increase that is paid into the State and Local Sales Tax Reform Fund, the Local Government Distributive Fund, the Local Government Tax Fund and the County and Mass

Transit District Fund, for as long as State participation exists, over and above the Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts for such taxes as certified by the Department of Revenue and paid under those Acts by retailers and servicemen on transactions at places of business located within the State Sales Tax Boundary during the base year which shall be the calendar year immediately prior to the year in which the municipality adopted tax increment allocation financing, less 3.0% of such amounts generated under the Retailers' Occupation Tax Act, Use Tax Act and Service Use Tax Act and the Service Occupation Tax Act, which sum shall be appropriated to the Department of Revenue to cover its costs of administering and enforcing this Section. For purposes of computing the aggregate amount of such taxes for base years occurring prior to 1985, the Department of Revenue shall compute the Initial Sales Tax Amount for such taxes and deduct therefrom an amount equal to 4% of the aggregate amount of taxes per year for each year the base year is prior to 1985, but not to exceed a total deduction of 12%. The amount so determined shall be known as the "Adjusted Initial Sales Tax Amount". For purposes of determining the State Sales Tax Increment the Department of Revenue shall for each period subtract from the tax amounts received from retailers and servicemen on transactions located in the State Sales Tax Boundary, the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or Revised Initial Sales Tax Amounts for the Retailers' Occupation Tax Act, the Use Tax Act, the Service Use Tax Act and the Service Occupation Tax Act. For the State Fiscal Year 1989 this calculation shall be made by utilizing the calendar year 1987 to determine the tax amounts received. For the State Fiscal Year 1990, this calculation shall be made by utilizing the period from January 1, 1988, until September 30, 1988, to determine the tax amounts received from retailers and servicemen, which shall have deducted therefrom nine-twelfths of the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For the State Fiscal Year 1991, this calculation shall be made by utilizing the period from October 1, 1988, until June 30, 1989, to determine the tax amounts received from retailers and servicemen, which shall have deducted therefrom nine-twelfths of the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For every State Fiscal Year thereafter, the applicable period shall be the 12 months beginning July 1 and ending on June 30, to determine the tax amounts received which shall have deducted therefrom the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts. Municipalities intending to receive a distribution of State Sales Tax Increment must report a list of retailers to the Department of Revenue by October 31, 1988 and by July 31, of each year thereafter.

(t) "Taxing districts" means counties, townships, cities and incorporated towns and villages, school, road, park, sanitary, mosquito abatement, forest preserve, public health, fire protection, river conservancy, tuberculosis sanitarium and any other municipal corporations or districts with the power to levy taxes.

(u) "Taxing districts' capital costs" means those costs of taxing districts for capital improvements that are found by the municipal corporate authorities to be necessary and directly result from the redevelopment project.

(v) As used in subsection (a) of Section 11-74.4-3 of this Act, "vacant land" means any parcel or combination of parcels of real property without industrial, commercial, and residential buildings which has not been used for commercial agricultural purposes within 5 years prior to the designation of the redevelopment project area, unless the parcel is included in an industrial park conservation area or the parcel has been subdivided; provided that if the parcel was part of a larger tract that has been divided into 3 or more smaller tracts that were accepted for recording during the period from 1950 to 1990, then the parcel shall be deemed to have been subdivided, and all proceedings and actions of the municipality taken in that connection with respect to any previously approved or designated redevelopment project area or amended redevelopment project area are hereby validated and hereby declared to be legally sufficient for all purposes of this Act. For purposes of this Section and only for land subject to the subdivision requirements of the Plat Act, land is subdivided when the original plat of the proposed Redevelopment Project Area or relevant portion thereof has been properly certified, acknowledged, approved, and recorded or filed in accordance with the Plat Act and a preliminary plat, if any, for any subsequent phases of the proposed Redevelopment Project Area or relevant portion thereof has been properly approved and filed in accordance with the applicable ordinance of the municipality.

(w) "Annual Total Increment" means the sum of each municipality's annual Net Sales Tax Increment and each municipality's annual Net Utility Tax Increment. The ratio of the Annual Total Increment of each municipality to the Annual Total Increment for all municipalities, as most recently calculated by the Department, shall determine the proportional shares of the Illinois Tax Increment Fund to be distributed to each municipality. Sec. 11-74.4-4.1. Feasibility study.
(a) If a municipality by its corporate authorities, or as it may determine by any commission designated under subsection (k) of Section 11-74.4-4, adopts an ordinance or resolution providing for a feasibility study on the designation of an area as a redevelopment project area, a copy of the ordinance or resolution shall immediately be sent to all taxing districts that would be affected by the designation.

On and after the effective date of this amendatory Act of the 91st General Assembly, the ordinance or resolution shall include:

1. The boundaries of the area to be studied for possible designation as a redevelopment project area.
2. The purpose or purposes of the proposed redevelopment plan and project.
3. A general description of tax increment allocation financing under this Act.
4. The name, phone number, and address of the municipal officer who can be contacted for additional information about the proposed redevelopment project area and who should receive all comments and suggestions regarding the redevelopment of the area to be studied.

(b) If one of the purposes of the planned redevelopment project area should
reasonably be expected to result in the displacement of residents from 10 or more inhabited residential units, the municipality shall adopt a resolution or ordinance providing for the feasibility study described in subsection (a). The ordinance or resolution shall also require that the feasibility study include the preparation of the housing impact study set forth in paragraph (5) of subsection (n) of Section 11-74.4-3. If the redevelopment plan will not result in displacement of 10 or more residents from 10 or more inhabited residential units, and the municipality certifies in the plan that such displacement will not result from the plan, then a resolution or ordinance need not be adopted.

Sec. 11-74.4-5. (a) The changes made by this amendatory Act of the 91st General Assembly do not apply to a municipality that, (i) before the effective date of this amendatory Act of the 91st General Assembly, has adopted an ordinance or resolution fixing a time and place for a public hearing under this Section or (ii) before July 1, 1999, has adopted an ordinance or resolution providing for a feasibility study under Section 11-74.4-4.1, but has not yet adopted an ordinance approving redevelopment plans and redevelopment projects or designating redevelopment project areas under Section 11-74.4-4, until after that municipality adopts an ordinance approving redevelopment plans and redevelopment projects or designating redevelopment project areas under Section 11-74.4-4; thereafter the changes made by this amendatory Act of the 91st General Assembly apply to the same extent that they apply to redevelopment plans and redevelopment projects that were approved and redevelopment projects that were designated before the effective date of this amendatory Act of the 91st General Assembly.

Prior to the adoption of an ordinance proposing the designation of a redevelopment project area, or approving a redevelopment plan or redevelopment project, the municipality by its corporate authorities, or as it may determine by any commission designated under subsection (k) of Section 11-74.4-4 shall adopt an ordinance or resolution fixing a time and place for public hearing. At least 10 days prior to the adoption of the ordinance or resolution establishing the time and place for the public hearing, the municipality shall make available for public inspection a redevelopment plan or a separate report that provides in reasonable detail the basis for the eligibility of the redevelopment project area. The report along with the name of a person to contact for further information shall be sent within a reasonable time after the adoption of such ordinance or resolution to the affected taxing districts by certified mail. On and after the effective date of this amendatory Act of the 91st General Assembly, the municipality shall print in a newspaper of general circulation within the municipality a notice that interested persons may register with the municipality in order to receive information on the proposed designation of a redevelopment project area or the approval of a redevelopment plan. The notice shall state the place of registration and the operating hours of that place. The municipality shall have adopted reasonable rules to implement this registration process under Section 11-74.4-4.2. The municipality shall provide notice of the availability of the redevelopment plan and eligibility report, including how to obtain this information, by mail within a reasonable time after the adoption of the ordinance or

resolution, to all residential addresses that, after a good faith effort, the municipality
determines are located outside the proposed redevelopment project area and within 750 feet
of the boundaries of the proposed redevelopment project area. This requirement is subject
to the limitation that in a municipality with a population of over 100,000, if the total number
of residential addresses outside the proposed redevelopment project area and within 750 feet
of the boundaries of the proposed redevelopment project area exceeds 750, the municipality
shall be required to provide the notice to only the 750 residential addresses that, after a good
faith effort, the municipality determines are outside the proposed redevelopment project area
and closest to the boundaries of the proposed redevelopment project area. Notwithstanding
the foregoing, notice given after August 7, 2001 (the effective date of Public Act 92-263) and
before the effective date of this amendatory Act of the 92nd General Assembly to residential
addresses within 750 feet of the boundaries of a proposed redevelopment project area shall
be deemed to have been sufficiently given in compliance with this Act if given only to
residents outside the boundaries of the proposed redevelopment project area. The notice
shall also be provided by the municipality, regardless of its population, to those organizations
and residents that have registered with the municipality for that information in accordance
with the registration guidelines established by the municipality under Section 11-74.4-4.2.

At the public hearing any interested person or affected taxing district may file with
the municipal clerk written objections to and may be heard orally in respect to any issues
embodied in the notice. The municipality shall hear all protests and objections at the hearing
and the hearing may be adjourned to another date without further notice other than a motion
to be entered upon the minutes fixing the time and place of the subsequent hearing. At the
public hearing or at any time prior to the adoption by the municipality of an ordinance
approving a redevelopment plan, the municipality may make changes in the redevelopment
plan. Changes which (1) add additional parcels of property to the proposed redevelopment
project area, (2) substantially affect the general land uses proposed in the redevelopment
plan, (3) substantially change the nature of or extend the life of the redevelopment project,
or (4) increase the number of inhabited residential units low or very low income households
to be displaced from the redevelopment project area, as provided that measured from the
time of creation of the redevelopment project area, to a the total of more than displacement
of the households will exceed 10, shall be made only after the municipality gives notice,
convenes a joint review board, and conducts a public hearing pursuant to the procedures set
forth in this Section and in Section 11-74.4-6 of this Act. Changes which do not (1) add
additional parcels of property to the proposed redevelopment project area, (2) substantially
affect the general land uses proposed in the redevelopment plan, (3) substantially change the
nature of or extend the life of the redevelopment project, or (4) increase the number of inhabited residential units low or very low income households
to be displaced from the redevelopment project area, as provided that measured from the time of creation of the redevelopment project area, to a the total of more than displacement of the households will exceed 10, may be made without further hearing, provided that the municipality shall give
notice of any such changes by mail to each affected taxing district and registrant on the
interested parties registry, provided for under Section 11-74.4-4.2, and by publication in a

newspaper of general circulation within the affected taxing district. Such notice by mail and by publication shall each occur not later than 10 days following the adoption by ordinance of such changes. Hearings with regard to a redevelopment project area, project or plan may be held simultaneously.

(b) Prior to holding a public hearing to approve or amend a redevelopment plan or to designate or add additional parcels of property to a redevelopment project area, the municipality shall convene a joint review board. The board shall consist of a representative selected by each community college district, local elementary school district and high school district or each local community unit school district, park district, library district, township, fire protection district, and county that will have the authority to directly levy taxes on the property within the proposed redevelopment project area at the time that the proposed redevelopment project area is approved, a representative selected by the municipality and a public member. The public member shall first be selected and then the board's chairperson shall be selected by a majority of the board members present and voting.

For redevelopment project areas with redevelopment plans or proposed redevelopment plans that would result in the displacement of residents from 10 or more inhabited residential units or that include 75 or more inhabited residential units, the public member shall be a person who resides in the redevelopment project area. If, as determined by the housing impact study provided for in paragraph (5) of subsection (n) of Section 11-74.4-3, or if no housing impact study is required then based on other reasonable data, the majority of residential units are occupied by very low, low, or moderate income households, as defined in Section 3 of the Illinois Affordable Housing Act, the public member shall be a person who resides in very low, low, or moderate income housing within the redevelopment project area. Municipalities with fewer than 15,000 residents shall not be required to select a person who lives in very low, low, or moderate income housing within the redevelopment project area, provided that the redevelopment plan or project will not result in displacement of residents from 10 or more inhabited units, and the municipality so certifies in the plan. If no person satisfying these requirements is available or if no qualified person will serve as the public member, then the joint review board is relieved of this paragraph's selection requirements for the public member.

Within 90 days of the effective date of this amendatory Act of the 91st General Assembly, each municipality that designated a redevelopment project area for which it was not required to convene a joint review board under this Section shall convene a joint review board to perform the duties specified under paragraph (e) of this Section.

All board members shall be appointed and the first board meeting shall be held at least 14 days but not more than 28 days after the mailing of notice by the municipality to the taxing districts as required by Section 11-74.4-6(c). Notwithstanding the preceding sentence, a municipality that adopted either a public hearing resolution or a feasibility resolution between July 1, 1999 and July 1, 2000 that called for the meeting of the joint review board within 14 days of notice of public hearing to affected taxing districts is deemed to be in compliance with the notice, meeting, and public hearing provisions of the Act. Such notice shall also advise the taxing bodies represented on the joint review board of the time and place...
of the first meeting of the board. Additional meetings of the board shall be held upon the call of any member. The municipality seeking designation of the redevelopment project area shall provide administrative support to the board.

The board shall review (i) the public record, planning documents and proposed ordinances approving the redevelopment plan and project and (ii) proposed amendments to the redevelopment plan or additions of parcels of property to the redevelopment project area to be adopted by the municipality. As part of its deliberations, the board may hold additional hearings on the proposal. A board's recommendation shall be an advisory, non-binding recommendation. The recommendation shall be adopted by a majority of those members present and voting. The recommendations shall be submitted to the municipality within 30 days after convening of the board. Failure of the board to submit its report on a timely basis shall not be cause to delay the public hearing or any other step in the process of designating or amending the redevelopment project area but shall be deemed to constitute approval by the joint review board of the matters before it.

The board shall base its recommendation to approve or disapprove the redevelopment plan and the designation of the redevelopment project area or the amendment of the redevelopment plan or addition of parcels of property to the redevelopment project area on the basis of the redevelopment project area and redevelopment plan satisfying the plan requirements, the eligibility criteria defined in Section 11-74.4-3, and the objectives of this Act.

The board shall issue a written report describing why the redevelopment plan and project area or the amendment thereof meets or fails to meet one or more of the objectives of this Act and both the plan requirements and the eligibility criteria defined in Section 11-74.4-3. In the event the Board does not file a report it shall be presumed that these taxing bodies find the redevelopment project area and redevelopment plan satisfy the objectives of this Act and the plan requirements and eligibility criteria.

If the board recommends rejection of the matters before it, the municipality will have 30 days within which to resubmit the plan or amendment. During this period, the municipality will meet and confer with the board and attempt to resolve those issues set forth in the board’s written report that led to the rejection of the plan or amendment.

Notwithstanding the resubmission set forth above, the municipality may commence the scheduled public hearing and either adjourn the public hearing or continue the public hearing until a date certain. Prior to continuing any public hearing to a date certain, the municipality shall announce during the public hearing the time, date, and location for the reconvening of the public hearing. Any changes to the redevelopment plan necessary to satisfy the issues set forth in the joint review board report shall be the subject of a public hearing before the hearing is adjourned if the changes would (1) substantially affect the general land uses proposed in the redevelopment plan, (2) substantially change the nature of or extend the life of the redevelopment project, or (3) increase the number of inhabited residential units to be displaced from the redevelopment project area, as provided that measured from the time of creation of the redevelopment project area, to a total of more than 10. The

Changes to the redevelopment plan necessary to satisfy the issues set forth in the joint review board report shall not require any further notice or convening of a joint review board meeting, except that any changes to the redevelopment plan that would add additional parcels of property to the proposed redevelopment project area shall be subject to the notice, public hearing, and joint review board meeting requirements established for such changes by subsection (a) of Section 11-74.4-5.

In the event that the municipality and the board are unable to resolve these differences, or in the event that the resubmitted plan or amendment is rejected by the board, the municipality may proceed with the plan or amendment, but only upon a three-fifths vote of the corporate authority responsible for approval of the plan or amendment, excluding positions of members that are vacant and those members that are ineligible to vote because of conflicts of interest.

(c) After a municipality has by ordinance approved a redevelopment plan and designated a redevelopment project area, the plan may be amended and additional properties may be added to the redevelopment project area only as herein provided. Amendments which (1) add additional parcels of property to the proposed redevelopment project area, (2) substantially affect the general land uses proposed in the redevelopment plan, (3) substantially change the nature of the redevelopment project, (4) increase the total estimated redevelopment project costs set out in the redevelopment plan by more than 5% after adjustment for inflation from the date the plan was adopted, (5) add additional redevelopment project costs to the itemized list of redevelopment project costs set out in the redevelopment plan, or (6) increase the number of inhabited residential units low or very low income households to be displaced from the redevelopment project area, as provided that measured from the time of creation of the redevelopment project area, to a the total of more than displacement of the households will exceed 10, shall be made only after the municipality gives notice, convenes a joint review board, and conducts a public hearing pursuant to the procedures set forth in this Section and in Section 11-74.4-6 of this Act. Changes which do not (1) add additional parcels of property to the proposed redevelopment project area, (2) substantially affect the general land uses proposed in the redevelopment plan, (3) substantially change the nature of the redevelopment project, (4) increase the total estimated redevelopment project cost set out in the redevelopment plan by more than 5% after adjustment for inflation from the date the plan was adopted, (5) add additional redevelopment project costs to the itemized list of redevelopment project costs set out in the redevelopment plan, or (6) increase the number of inhabited residential units low or very low income households to be displaced from the redevelopment project area, as provided that measured from the time of creation of the redevelopment project area, to a the total of more than displacement of the households will exceed 10, may be made without further public hearing and related notices and procedures including the convening of a joint review board as set forth in Section 11-74.4-6 of this Act, provided that the municipality shall give notice of any such changes by mail to each affected taxing district and registrant on the interested parties registry, provided for under Section 11-74.4-4.2, and by publication in a newspaper of general circulation within the affected taxing district. Such notice by mail and by
publication shall each occur not later than 10 days following the adoption by ordinance of such changes.

(d) After the effective date of this amendatory Act of the 91st General Assembly, a municipality shall submit the following information for each redevelopment project area (i) to the State Comptroller under Section 8-8-3.5 of the Illinois Municipal Code and (ii) to all taxing districts overlapping the redevelopment project area no later than 180 days after the close of each municipal fiscal year or as soon thereafter as the audited financial statements become available and, in any case, shall be submitted before the annual meeting of the Joint Review Board to each of the taxing districts that overlap the redevelopment project area:

(1.5) A list of the redevelopment project areas administered by the municipality and, if applicable, the date each redevelopment project area was designated or terminated by the municipality.

(2) Audited financial statements of the special tax allocation fund once a cumulative total of $100,000 has been deposited in the fund.

(3) Certification of the Chief Executive Officer of the municipality that the municipality has complied with all of the requirements of this Act during the preceding fiscal year.

(4) An opinion of legal counsel that the municipality is in compliance with this Act.

(5) An analysis of the special tax allocation fund which sets forth:

   (A) the balance in the special tax allocation fund at the beginning of the fiscal year;

   (B) all amounts deposited in the special tax allocation fund by source;

   (C) an itemized list of all expenditures from the special tax allocation fund by category of permissible redevelopment project cost; and

   (D) the balance in the special tax allocation fund at the end of the fiscal year including a breakdown of that balance by source and a breakdown of that balance identifying any portion of the balance that is required, pledged, earmarked, or otherwise designated for payment of or securing of obligations and anticipated redevelopment project costs. Any portion of such ending balance that has not been identified or is not identified as being required, pledged, earmarked, or otherwise designated for payment of or securing of obligations or anticipated redevelopment projects costs shall be designated as surplus as set forth in Section 11-74.4-7 hereof.

(6) A description of all property purchased by the municipality within the redevelopment project area including:

   (A) Street address.

   (B) Approximate size or description of property.

(9) For special tax allocation funds that have experienced cumulative deposits of incremental tax revenues of $100,000 or more, a certified audit report reviewing compliance with this Act performed by an independent public accountant certified and licensed by the authority of the State of Illinois. The financial portion of the audit must be conducted in accordance with Standards for Audits of Governmental Organizations, Programs, Activities, and Functions adopted by the Comptroller General of the United States (1981), as amended, or the standards specified by Section 8-8-5 of the Illinois Municipal Auditing Law of the Illinois Municipal Code. (65 ILCS 5/11-74.4-7) (from Ch. 24, par. 11-74.4-7)

Sec. 11-74.4-7. Obligations secured by the special tax allocation fund set forth in Section 11-74.4-8 for the redevelopment project area may be issued to provide for redevelopment project costs. Such obligations, when so issued, shall be retired in the manner provided in the ordinance authorizing the issuance of such obligations by the receipts of taxes levied as specified in Section 11-74.4-9 against the taxable property included in the area, by revenues as specified by Section 11-74.4-8a and other revenue designated by the municipality. A municipality may in the ordinance pledge all or any part of the funds in and to be deposited in the special tax allocation fund created pursuant to Section 11-74.4-8 to the payment of the redevelopment project costs and obligations. Any pledge of funds in the special tax allocation fund shall provide for distribution to the taxing districts and to the Illinois Department of Revenue of moneys not required, pledged, earmarked, or otherwise designated for payment and securing of the obligations and anticipated redevelopment project costs and such excess funds shall be calculated annually and deemed to be "surplus" funds.

New matter indicated by italics - deletions by strikeout.
In the event a municipality only applies or pledges a portion of the funds in the special tax allocation fund for the payment or securing of anticipated redevelopment project costs or of obligations, any such funds remaining in the special tax allocation fund after complying with the requirements of the application or pledge, shall also be calculated annually and deemed "surplus" funds. All surplus funds in the special tax allocation fund shall be distributed annually within 180 days after the close of the municipality's fiscal year by being paid by the municipal treasurer to the County Collector, to the Department of Revenue and to the municipality in direct proportion to the tax incremental revenue received as a result of an increase in the equalized assessed value of property in the redevelopment project area, tax incremental revenue received from the State and tax incremental revenue received from the municipality, but not to exceed as to each such source the total incremental revenue received from that source. The County Collector shall thereafter make distribution to the respective taxing districts in the same manner and proportion as the most recent distribution by the county collector to the affected districts of real property taxes from real property in the redevelopment project area.

Without limiting the foregoing in this Section, the municipality may in addition to obligations secured by the special tax allocation fund pledge for a period not greater than the term of the obligations towards payment of such obligations any part or any combination of the following: (a) net revenues of all or part of any redevelopment project; (b) taxes levied and collected on any or all property in the municipality; (c) the full faith and credit of the municipality; (d) a mortgage on part or all of the redevelopment project; or (e) any other taxes or anticipated receipts that the municipality may lawfully pledge.

Such obligations may be issued in one or more series bearing interest at such rate or rates as the corporate authorities of the municipality shall determine by ordinance. Such obligations shall bear such date or dates, mature at such time or times not exceeding 20 years from their respective dates, be in such denomination, carry such registration privileges, be executed in such manner, be payable in such medium of payment at such place or places, contain such covenants, terms and conditions, and be subject to redemption as such ordinance shall provide. Obligations issued pursuant to this Act may be sold at public or private sale at such price as shall be determined by the corporate authorities of the municipalities. No referendum approval of the electors shall be required as a condition to the issuance of obligations pursuant to this Division except as provided in this Section.

In the event the municipality authorizes issuance of obligations pursuant to the authority of this Division secured by the full faith and credit of the municipality, which obligations are other than obligations which may be issued under home rule powers provided by Article VII, Section 6 of the Illinois Constitution, or pledges taxes pursuant to (b) or (c) of the second paragraph of this section, the ordinance authorizing the issuance of such obligations or pledging such taxes shall be published within 10 days after such ordinance has been passed in one or more newspapers, with general circulation within such municipality. The publication of the ordinance shall be accompanied by a notice of (1) the specific number of voters required to sign a petition requesting the question of the issuance of such obligations or pledging taxes to be submitted to the electors; (2) the time in which such
petition must be filed; and (3) the date of the prospective referendum. The municipal clerk shall provide a petition form to any individual requesting one.

If no petition is filed with the municipal clerk, as hereinafter provided in this Section, within 30 days after the publication of the ordinance, the ordinance shall be in effect. But, if within that 30 day period a petition is filed with the municipal clerk, signed by electors in the municipality numbering 10% or more of the number of registered voters in the municipality, asking that the question of issuing obligations using full faith and credit of the municipality as security for the cost of paying for redevelopment project costs, or of pledging taxes for the payment of such obligations, or both, be submitted to the electors of the municipality, the corporate authorities of the municipality shall call a special election in the manner provided by law to vote upon that question, or, if a general, State or municipal election is to be held within a period of not less than 30 or more than 90 days from the date such petition is filed, shall submit the question at the next general, State or municipal election. If it appears upon the canvass of the election by the corporate authorities that a majority of electors voting upon the question voted in favor thereof, the ordinance shall be in effect, but if a majority of the electors voting upon the question are not in favor thereof, the ordinance shall not take effect.

The ordinance authorizing the obligations may provide that the obligations shall contain a recital that they are issued pursuant to this Division, which recital shall be conclusive evidence of their validity and of the regularity of their issuance.

In the event the municipality authorizes issuance of obligations pursuant to this Section secured by the full faith and credit of the municipality, the ordinance authorizing the obligations may provide for the levy and collection of a direct annual tax upon all taxable property within the municipality sufficient to pay the principal thereof and interest thereon as it matures, which levy may be in addition to and exclusive of the maximum of all other taxes authorized to be levied by the municipality, which levy, however, shall be abated to the extent that monies from other sources are available for payment of the obligations and the municipality certifies the amount of said monies available to the county clerk.

A certified copy of such ordinance shall be filed with the county clerk of each county in which any portion of the municipality is situated, and shall constitute the authority for the extension and collection of the taxes to be deposited in the special tax allocation fund.

A municipality may also issue its obligations to refund in whole or in part, obligations theretofore issued by such municipality under the authority of this Act, whether at or prior to maturity, provided however, that the last maturity of the refunding obligations shall not be expressed to mature later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the twenty-third calendar year after the year in which the ordinance approving the redevelopment project area is adopted if the ordinance was adopted on or after January 15, 1981, and not later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the thirty-fifth calendar year after the year in which the ordinance approving the redevelopment project area

is adopted (A) if the ordinance was adopted before January 15, 1981, or (B) if the ordinance was adopted in December 1983, April 1984, July 1985, or December 1989, or (C) if the ordinance was adopted in December, 1987 and the redevelopment project is located within one mile of Midway Airport, or (D) if the ordinance was adopted before January 1, 1987 by a municipality in Mason County, or (E) if the municipality is subject to the Local Government Financial Planning and Supervision Act or the Financially Distressed City Law, or (F) if the ordinance was adopted in December 1984 by the Village of Rosemont, or (G) if the ordinance was adopted on December 31, 1986 by a municipality located in Clinton County for which at least $250,000 of tax increment bonds were authorized on June 17, 1997, or if the ordinance was adopted on December 31, 1986 by a municipality with a population in 1990 of less than 3,600 that is located in a county with a population in 1990 of less than 34,000 and for which at least $250,000 of tax increment bonds were authorized on June 17, 1997, or (H) if the ordinance was adopted on October 5, 1982 by the City of Kankakee, or (I) if the ordinance was adopted on December 29, 1986 by East St. Louis, or if the ordinance was adopted on November 12, 1991 by the Village of Sauget, or (J) if the ordinance was adopted on February 11, 1985 by the City of Rock Island, or (K) if the ordinance was adopted before December 18, 1986 by the City of Moline, or (L) if the ordinance was adopted in September 1988 by Sauk Village, or (M) if the ordinance was adopted in October 1993 by Sauk Village, or (N) if the ordinance was adopted on December 29, 1986 by the City of Galva, or (O) if the ordinance was adopted in March 1991 by the City of Centreville, or (P) if the ordinance was adopted on January 23, 1991 by the City of East St. Louis, or (Q) if the ordinance was adopted on December 22, 1986 by the City of Aledo, or (R) if the ordinance was adopted on February 5, 1990 by the City of Clinton, or (S) if the ordinance was adopted on September 6, 1994 by the City of Freeport, or (T) if the ordinance was adopted on December 22, 1986 by the City of Tuscola, or (U) if the ordinance was adopted on December 23, 1986 by the City of Sparta, or (V) if the ordinance was adopted on December 23, 1986 by the City of Beardstown, or (W) if the ordinance was adopted on April 27, 1981, October 21, 1985, or December 30, 1986 by the City of Belleville and, for redevelopment project areas for which bonds were issued before July 29, 1991, in connection with a redevelopment project in the area within the State Sales Tax Boundary and which were extended by municipal ordinance under subsection (n) of Section 11-74.4-3, the last maturity of the refunding obligations shall not be expressed to mature later than the date on which the redevelopment project area is terminated or December 31, 2013, whichever date occurs first.

In the event a municipality issues obligations under home rule powers or other legislative authority the proceeds of which are pledged to pay for redevelopment project costs, the municipality may, if it has followed the procedures in conformance with this division, retire said obligations from funds in the special tax allocation fund in amounts and in such manner as if such obligations had been issued pursuant to the provisions of this division.

All obligations heretofore or hereafter issued pursuant to this Act shall not be regarded as indebtedness of the municipality issuing such obligations or any other taxing

(House Bill No. 4066)

AN ACT concerning the State Treasurer.
Be it enacted by the People of the State of Illinois, represented in the General
Assembly:
Section 5. The Deposit of State Moneys Act is amended by changing Section 7 as
follows:
(15 ILCS 520/7) (from Ch. 130, par. 26)
Sec. 7. (a) Proposals made may either be approved or rejected by the State Treasurer.
A bank or savings and loan association whose proposal is approved shall be eligible to
become a State depository for the class or classes of funds covered by its proposal. A bank
or savings and loan association whose proposal is rejected shall not be so eligible. The State
Treasurer shall seek to have at all times a total of not less than 20 banks or savings and loan
associations which are approved as State depositaries for time deposits.
(b) The State Treasurer may, in his discretion, accept a proposal from an eligible
institution which provides for a reduced rate of interest provided that such institution
documents the use of deposited funds for community development projects.
(b-5) The State Treasurer may, in his or her discretion, accept a proposal from an
eligible institution that provides for a reduced rate of interest, provided that such institution
agrees to expend an amount of money equal to the amount of the reduction for the
preservation of Cahokia Mounds.
(c) The State Treasurer may, in his or her discretion, accept a proposal from an
eligible institution that provides for interest earnings on deposits of State moneys to be held
by the institution in a separate account that the State Treasurer may use to secure up to 10%
of any (i) home loans to Illinois citizens purchasing a home in Illinois in situations where the
institution would not offer the borrower a home loan under the institution's prevailing credit
standards without the incentive of a reduced rate of interest on deposits of State moneys and
(ii) existing home loans of Illinois citizens who have failed to make payments on the home
loan as a result of a temporary layoff or disability, but who have resumed making payments
on the home loan and have made at least 2 consecutive payments, when under the
institution's prevailing policies it would commence or pursue foreclosure proceedings if it
were not for the incentive of a reduced rate of interest on deposits of State moneys.
For the purposes of this Section, "home loan" means a loan, other than an open-end

credit plan or a reverse mortgage transaction, for which (i) the principal amount of the loan does not exceed 50% of the conforming loan size limit for a single-family dwelling as established from time to time by the Federal National Mortgage Association, (ii) the borrower is a natural person, (iii) the debt is incurred by the borrower primarily for personal, family, or household purposes, and (iv) the loan is secured by a mortgage or deed of trust on real estate upon which there is located or there is to be located a structure designed principally for the occupancy of one family and that is or will be occupied by the borrower as the borrower's principal dwelling.

(d) If there is an agreement between the State Treasurer and an eligible institution that details the use of deposited funds, the agreement may not require the gift of money, goods, or services to a third party; this provision does not restrict the eligible institution from contracting with third parties in order to carry out the intent of the agreement or restrict the State Treasurer from placing requirements upon third-party contracts entered into by the eligible institution.

(House Bill No. 4187)

AN ACT concerning college savings.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The State Treasurer Act is amended by changing Section 16.5 as follows:
(15 ILCS 505/16.5)

Sec. 16.5. College Savings Pool. The State Treasurer may establish and administer a College Savings Pool to supplement and enhance the investment opportunities otherwise available to persons seeking to finance the costs of higher education. The State Treasurer, in administering the College Savings Pool, may receive moneys paid into the pool by a participant and may serve as the fiscal agent of that participant for the purpose of holding and investing those moneys.

"Participant", as used in this Section, means any person who makes investments in the pool. "Designated beneficiary", as used in this Section, means any person on whose behalf an account is established in the College Savings Pool by a participant. Both in-state and out-of-state persons may be participants and designated beneficiaries in the College Savings Pool.

New accounts in the College Savings Pool shall be processed through participating financial institutions. "Participating financial institution", as used in this Section, means any financial institution insured by the Federal Deposit Insurance Corporation and lawfully doing

business in the State of Illinois and any credit union approved by the State Treasurer and lawfully doing business in the State of Illinois that agrees to process new accounts in the College Savings Pool. Participating financial institutions may charge a processing fee to participants to open an account in the pool that shall not exceed $30 until the year 2001. Beginning in 2001 and every year thereafter, the maximum fee limit shall be adjusted by the Treasurer based on the Consumer Price Index for the North Central Region as published by the United States Department of Labor, Bureau of Labor Statistics for the immediately preceding calendar year. Every contribution received by a financial institution for investment in the College Savings Pool shall be transferred from the financial institution to a location selected by the State Treasurer within one business day following the day that the funds must be made available in accordance with federal law. All communications from the State Treasurer to participants shall reference the participating financial institution at which the account was processed.

The Treasurer may invest the moneys in the College Savings Pool in the same manner, in the same types of investments, and subject to the same limitations provided for the investment of moneys by the Illinois State Board of Investment. To enhance the safety and liquidity of the College Savings Pool, to ensure the diversification of the investment portfolio of the pool, and in an effort to keep investment dollars in the State of Illinois, the State Treasurer shall make a percentage of each account available for investment in participating financial institutions doing business in the State. The State Treasurer shall deposit with the participating financial institution at which the account was processed the following percentage of each account at a prevailing rate offered by the institution, provided that the deposit is federally insured or fully collateralized and the institution accepts the deposit: 10% of the total amount of each account for which the current age of the beneficiary is less than 7 years of age, 20% of the total amount of each account for which the beneficiary is at least 7 years of age and less than 12 years of age, and 50% of the total amount of each account for which the current age of the beneficiary is at least 12 years of age. The State Treasurer shall adjust each account at least annually to ensure compliance with this Section. The Treasurer shall develop, publish, and implement an investment policy covering the investment of the moneys in the College Savings Pool. The policy shall be published (i) at least once each year in at least one newspaper of general circulation in both Springfield and Chicago and (ii) each year as part of the audit of the College Savings Pool by the Auditor General, which shall be distributed to all participants. The Treasurer shall notify all participants in writing, and the Treasurer shall publish in a newspaper of general circulation in both Chicago and Springfield, any changes to the previously published investment policy at least 30 calendar days before implementing the policy. Any investment policy adopted by the Treasurer shall be reviewed and updated if necessary within 90 days following the date that the State Treasurer takes office.

Participants shall be required to use moneys distributed from the College Savings Pool for qualified expenses at eligible educational institutions. "Qualified expenses", as used in this Section, means the following: (i) tuition, fees, and the costs of books, supplies, and equipment required for enrollment or attendance at an eligible educational institution and (ii)
certain room and board expenses incurred while attending an eligible educational institution at least half-time. "Eligible educational institutions", as used in this Section, means public and private colleges, junior colleges, graduate schools, and certain vocational institutions that are described in Section 481 of the Higher Education Act of 1965 (20 U.S.C. 1088) and that are eligible to participate in Department of Education student aid programs. A student shall be considered to be enrolled at least half-time if the student is enrolled for at least half the full-time academic work load for the course of study the student is pursuing as determined under the standards of the institution at which the student is enrolled. Distributions made from the pool for qualified expenses shall be made directly to the eligible educational institution, directly to a vendor, or in the form of a check payable to both the beneficiary and the institution or vendor. Any moneys that are distributed in any other manner or that are used for expenses other than qualified expenses at an eligible educational institution shall be subject to a penalty of 10% of the earnings unless the beneficiary dies, becomes disabled, or receives a scholarship that equals or exceeds the distribution. Penalties shall be withheld at the time the distribution is made.

The Treasurer shall limit the contributions that may be made on behalf of a designated beneficiary based on an actuarial estimate of what is required to pay tuition, fees, and room and board for 5 undergraduate years at the highest cost eligible educational institution. The contributions made on behalf of a beneficiary who is also a beneficiary under the Illinois Prepaid Tuition Program shall be further restricted to ensure that the contributions in both programs combined do not exceed the limit established for the College Savings Pool. The Treasurer shall provide the Illinois Student Assistance Commission each year at a time designated by the Commission, an electronic report of all participant accounts in the Treasurer's College Savings Pool, listing total contributions and disbursements from each individual account during the previous calendar year. As soon thereafter as is possible following receipt of the Treasurer's report, the Illinois Student Assistance Commission shall, in turn, provide the Treasurer with an electronic report listing those College Savings Pool participants who also participate in the State's prepaid tuition program, administered by the Commission. The Commission shall be responsible for filing any combined tax reports regarding State qualified savings programs required by the United States Internal Revenue Service. The Treasurer shall work with the Illinois Student Assistance Commission to coordinate the marketing of the College Savings Pool and the Illinois Prepaid Tuition Program when considered beneficial by the Treasurer and the Director of the Illinois Student Assistance Commission. The Treasurer's office shall not publicize or otherwise market the College Savings Pool or accept any moneys into the College Savings Pool prior to March 1, 2000. The Treasurer shall provide a separate accounting for each designated beneficiary to each participant, the Illinois Student Assistance Commission, and the participating financial institution at which the account was processed. No interest in the program may be pledged as security for a loan.

The assets of the College Savings Pool and its income and operation shall be exempt from all taxation by the State of Illinois and any of its subdivisions. The accrued earnings on investments in the Pool once disbursed on behalf of a designated beneficiary shall be

similarly exempt from all taxation by the State of Illinois and its subdivisions, so long as they are used for qualified expenses. Contributions to a College Savings Pool account during the taxable year may be deducted from adjusted gross income as provided in Section 203 of the Illinois Income Tax Act. The provisions of this paragraph are exempt from Section 250 of the Illinois Income Tax Act.

The Treasurer shall adopt rules he or she considers necessary for the efficient administration of the College Savings Pool. The rules shall provide whatever additional parameters and restrictions are necessary to ensure that the College Savings Pool meets all of the requirements for a qualified state tuition program under Section 529 of the Internal Revenue Code (26 U.S.C. 529). The rules shall provide for the administration expenses of the pool to be paid from its earnings and for the investment earnings in excess of the expenses and all moneys collected as penalties to be credited or paid monthly to the several participants in the pool in a manner which equitably reflects the differing amounts of their respective investments in the pool and the differing periods of time for which those amounts were in the custody of the pool. Also, the rules shall require the maintenance of records that enable the Treasurer's office to produce a report for each account in the pool at least annually that documents the account balance and investment earnings. Notice of any proposed amendments to the rules and regulations shall be provided to all participants prior to adoption. Amendments to rules and regulations shall apply only to contributions made after the adoption of the amendment.

Upon creating the College Savings Pool, the State Treasurer shall give bond with 2 or more sufficient sureties, payable to and for the benefit of the participants in the College Savings Pool, in the penal sum of $1,000,000, conditioned upon the faithful discharge of his or her duties in relation to the College Savings Pool.

No contributions to the College Savings Pool authorized by this Section shall be considered in evaluating the financial situation of the designated beneficiary or be deemed a financial resource of or a form of financial aid or assistance to the designated beneficiary, for purposes of determining eligibility for any scholarship, grant, or monetary assistance awarded by the Illinois Student Assistance Commission, the State, or any agency thereof; nor shall contributions to the College Savings Pool reduce the amount of any scholarship, grant, or monetary assistance that the designated beneficiary is eligible to be awarded by the Illinois Student Assistance Commission, the State, or any agency thereof in accordance with the provisions of any State law.

(F) Cooperatives. In the case of a cooperative corporation or association, the taxable income of such organization determined in accordance with the provisions of Section 1381 through 1388 of the Internal Revenue Code;

(G) Subchapter S corporations. In the case of: (i) a Subchapter S corporation for which there is in effect an election for the taxable year under Section 1362 of the Internal Revenue Code, the taxable income of such corporation determined in accordance with Section 1363(b) of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 1363(b)(1) of the Internal Revenue Code to be separately stated; and (ii) a Subchapter S corporation for which there is in effect a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982, the taxable income of such corporation determined in accordance with the federal Subchapter S rules as in effect on July 1, 1982; and

(H) Partnerships. In the case of a partnership, taxable income determined in accordance with Section 703 of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 703(a)(1) to be separately stated but which would be taken into account by an individual in calculating his taxable income.

(f) Valuation limitation amount.

(1) In general. The valuation limitation amount referred to in subsections (a)(2)(G), (c)(2)(I) and (d)(2)(E) is an amount equal to:

(A) The sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of gain reportable under the provisions of Section 1245 or 1250 of the Internal Revenue Code) for all property in respect of which such gain was reported for the taxable year; plus

(B) The lesser of (i) the sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of capital gain) for all property in respect of which such gain was reported for federal income tax purposes for the
taxable year, or (ii) the net capital gain for the taxable year, reduced in either case by any amount of such gain included in the amount determined under subsection (a) (2) (F) or (c) (2) (H).

(2) Pre-August 1, 1969 appreciation amount.

(A) If the fair market value of property referred to in paragraph (1) was readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is the lesser of (i) the excess of such fair market value over the taxpayer's basis (for determining gain) for such property on that date (determined under the Internal Revenue Code as in effect on that date), or (ii) the total gain realized and reportable for federal income tax purposes in respect of the sale, exchange or other disposition of such property.

(B) If the fair market value of property referred to in paragraph (1) was not readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is that amount which bears the same ratio to the total gain reported in respect of the property for federal income tax purposes for the taxable year, as the number of full calendar months in that part of the taxpayer's holding period for the property ending July 31, 1969 bears to the number of full calendar months in the taxpayer's entire holding period for the property.

(C) The Department shall prescribe such regulations as may be necessary to carry out the purposes of this paragraph.

(g) Double deductions. Unless specifically provided otherwise, nothing in this Section shall permit the same item to be deducted more than once.

(h) Legislative intention. Except as expressly provided by this Section there shall be no modifications or limitations on the amounts of income, gain, loss or deduction taken into account in determining gross income, adjusted gross income or taxable income for federal income tax purposes for the taxable year, or in the amount of such items entering into the computation of base income and net income under this Act for such taxable year, whether in respect of property values as of August 1, 1969 or otherwise.

Section 5. The Illinois Vehicle Code is amended by changing Sections 3-412 and 3-414 and adding Sections 3-405.3, 3-405.4, and 3-814.4 as follows:

New matter indicated by italics - deletions by strikeout.
Sec. 3-405.3. Application for fleet vehicles.

(a) An owner engaged in operating a fleet of motor vehicles of the first division in this State or a fleet of second division vehicles operated intrastate may register and license the fleet for operations in this State by filing an application statement with the Secretary of State, signed under penalties of perjury, which shall be in the form and contain the information required by the Secretary of State. First division vehicles registered under this Section must be registered in accordance with the fees prescribed in Section 3-806 of this Code. Second division vehicles registered under this Section must be registered in accordance with the fees prescribed in Section 3-815 of this Code.

(b) Participation in the fleet registration plan may be accomplished only by entering into a contractual agreement with the Secretary. (a) The Secretary of State upon registering a vehicle subject to annual registration for the first time shall issue or shall cause to be issued to the owner one registration plate for a motorcycle, trailer, semitrailer, motorized pedalcycle or truck-tractor, 2 registration plates for other motor vehicles and, where applicable, current registration stickers for motor vehicles of the first division. However, the issuance of annual registration stickers to vehicles registered under the provisions of Sections 3-402.1 and 3-405.3 of this Code may not be required if the Secretary deems the issuance unnecessary.

(b) Every registration plate shall have displayed upon it the registration number assigned to the vehicle for which it is issued, the name of this State, which may be abbreviated, the year number for which it was issued, which may be abbreviated, the phrase "Land of Lincoln"; (except as otherwise provided in this Code) Sections 3-626, 3-629, 3-633, 3-634, 3-637, 3-638, and 3-642, and such other letters or numbers as the Secretary may prescribe. Every registration sticker issued as evidence of current registration shall designate the year number for which it is issued and such other letters or numbers as the Secretary may prescribe and shall be of a contrasting color with the registration plates and registration stickers of the previous year.

(c) Each registration plate and the required letters and numerals thereon, except the year number for which issued, shall be of sufficient size to be plainly readable from a distance of 100 feet during daylight, and shall be coated with reflectorizing material. Motor vehicles registered under the provisions of Sections Section 3-402.1 and 3-405.3 shall be issued multi-year registration plates with a new registration card issued annually upon payment of the appropriate fees. Apportionable trailers and apportionable semitrailers registered under the provisions of Section 3-402.1 shall be issued multi-year registration plates and cards that will be subject to revocation for failure to pay annual fees required by Section 3-814.1. The Secretary shall determine when these vehicles shall be issued new registration plates.

(c) Every vehicle registration specified in Section 3-810 and every registration card and registration plate or registration sticker issued thereunder shall expire on the 31st day of December of each year or at such other date as may be selected in the discretion of the Secretary of State.

New matter indicated by italics - deletions by strikeout.
(d) Every vehicle registration for a vehicle of the second division weighing over 8,000 pounds, except as provided in paragraph (g) of this Section, and every registration card and registration plate or registration sticker, where applicable, issued hereunder to such vehicles shall be issued for a fiscal year commencing on July 1st of each registration year. However, the Secretary of State may, pursuant to an agreement or arrangement or declaration providing for apportionment of a fleet of vehicles with other jurisdictions, provide for registration of such vehicles under apportionment or for all of the vehicles registered in Illinois by an applicant who registers some of his vehicles under apportionment on a calendar year basis instead, and the fees or taxes to be paid on a calendar year basis shall be identical to those specified in this Act for a fiscal year registration. Provision for installment payment may also be made.

(f) The Secretary of State may convert annual registration plates or 2-year registration plates, whether registered on a calendar year or fiscal year basis, to multi-year plates. The determination of which plate categories and when to convert to multi-year plates is solely within the discretion of the Secretary of State.

(g) After January 1, 1975, each registration, registration card and registration plate or registration sticker, where applicable, issued for a recreational vehicle or recreational or camping trailer, except a house trailer, used exclusively by the owner for recreational purposes, and not used commercially nor as a truck or bus, nor for hire, shall be on a calendar year basis; except that the Secretary of State shall provide for registration and the issuance of registration cards and plates or registration stickers, where applicable, for one 6-month period in order to accomplish an orderly transition from a fiscal year to a calendar year basis. Fees and taxes due under this Act for a registration year shall be appropriately reduced for such 6-month transitional registration period.

(h) The Secretary of State may, in order to accomplish an orderly transition for vehicles registered under Section 3-402.1 of this Code from a calendar year registration to a March 31st expiration, require applicants to pay fees and taxes due under this Code on a 15 month registration basis. However, if in the discretion of the Secretary of State this creates an undue hardship on any applicant the Secretary may allow the applicant to pay 3 month fees and taxes at the time of registration and the additional 12 month fees and taxes to be payable no later than March 31 of the year after this amendatory Act of 1991 takes effect.

(i) The Secretary of State may stagger registrations, of vehicles for which multi-year plates are issued pursuant to Section 3-414.1, as necessary for the convenience of the public and the efficiency of his Office. A mandatory coinsurance requirement shall be imposed at the rate authorized by the Board in excess of the mandatory deductible, the coinsurance in the aggregate not to exceed such amounts as are authorized by the Board per annum. At its discretion the Board may, however, offer catastrophic coverages or other policies that provide for larger deductibles with or without coinsurance requirements. The deductibles and coinsurance factors may be adjusted annually according to the Medical Component of the Consumer Price Index.

e. Scope of coverage.

(1) In approving any of the benefit plans to be offered by the Plan, the Board shall establish such benefit levels, deductibles, coinsurance factors, exclusions, and limitations as it may deem appropriate and that it believes to be generally reflective of and commensurate with health insurance coverage that is provided in the individual market in this State.

(2) The benefit plans approved by the Board may also provide for and employ various cost containment measures and other requirements including, but not limited to, preadmission certification, prior approval, second surgical opinions, concurrent utilization review programs, individual case management, preferred provider organizations, health maintenance organizations, and other cost effective arrangements for paying for covered expenses.

f. Preexisting conditions.

(1) Except for federally eligible individuals qualifying for Plan coverage under Section 15 of this Act or eligible persons who qualify for the waiver authorized in paragraph (3) of this subsection, plan coverage shall exclude charges or expenses incurred during the first 6 months following the effective date of coverage as to any condition for which medical advice, care or treatment was recommended or received during the 6 month period immediately preceding the effective date of coverage.

(2) (Blank).

(3) Waiver: The preexisting condition exclusions as set forth in paragraph (1) of this subsection shall be waived to the extent to which the eligible person (a) has satisfied similar exclusions under any prior individual health insurance policy that was involuntarily terminated because of the insolvency of the issuer of the policy and (b) has applied for Plan coverage within 90 days following the involuntary termination of that individual health insurance coverage.

g. Other sources primary; nonduplication of benefits.

(1) The Plan shall be the last payor of benefits whenever any other benefit or source of third party payment is available. Subject to the provisions of subsection e of Section 7, benefits otherwise payable under Plan coverage shall be reduced by all amounts paid or payable by Medicare or any other government program or through any health insurance coverage or group health plan, whether by insurance, reimbursement, or otherwise, or through any third party liability, settlement, judgment, or award, regardless of the date of the settlement, judgment, or award, whether the settlement, judgment, or award is in the form of a contract, agreement, or trust on behalf of a minor or otherwise and whether the settlement, judgment, or

award is payable to the covered person, his or her dependent, estate, personal representative, or guardian in a lump sum or over time, and by all hospital or medical expense benefits paid or payable under any worker’s compensation coverage, automobile medical payment, or liability insurance, whether provided on the basis of fault or nonfault, and by any hospital or medical benefits paid or payable under or provided pursuant to any State or federal law or program.

(2) The Plan shall have a cause of action against any covered person or any other person or entity for the recovery of any amount paid to the extent the amount was for treatment, services, or supplies not covered in this Section or in excess of benefits as set forth in this Section.

(3) Whenever benefits are due from the Plan because of sickness or an injury to a covered person resulting from a third party’s wrongful act or negligence and the covered person has recovered or may recover damages from a third party or its insurer, the Plan shall have the right to reduce benefits or to refuse to pay benefits that otherwise may be payable by the amount of damages that the covered person has recovered or may recover regardless of the date of the sickness or injury or the date of any settlement, judgment, or award resulting from that sickness or injury.

During the pendency of any action or claim that is brought by or on behalf of a covered person against a third party or its insurer, any benefits that would otherwise be payable except for the provisions of this paragraph (3) shall be paid if payment by or for the third party has not yet been made and the covered person or, if incapable, that person’s legal representative agrees in writing to pay back promptly the benefits paid as a result of the sickness or injury to the extent of any future payments made by or for the third party for the sickness or injury. This agreement is to apply whether or not liability for the payments is established or admitted by the third party or whether those payments are itemized.

Any amounts due the plan to repay benefits may be deducted from other benefits payable by the Plan after payments by or for the third party are made.

(4) Benefits due from the Plan may be reduced or refused as an offset against any amount otherwise recoverable under this Section.

h. Right of subrogation; recoveries.

(1) Whenever the Plan has paid benefits because of sickness or an injury to any covered person resulting from a third party’s wrongful act or negligence, or for which an insurer is liable in accordance with the provisions of any policy of insurance, and the covered person has recovered or may recover damages from a third party that is liable for the damages, the Plan shall have the right to recover the benefits it paid from any amounts that the covered person has received or may receive regardless of the date of the sickness or injury or the date of any settlement, judgment, or award resulting from that sickness or injury. The Plan shall be subrogated to any right of recovery the covered person may have under the terms of any private or public health care coverage or liability coverage, including coverage under the Workers' Compensation Act or the Workers' Occupational Diseases Act,

without the necessity of assignment of claim or other authorization to secure the right of recovery. To enforce its subrogation right, the Plan may (i) intervene or join in an action or proceeding brought by the covered person or his personal representative, including his guardian, conservator, estate, dependents, or survivors, against any third party or the third party's insurer that may be liable or (ii) institute and prosecute legal proceedings against any third party or the third party's insurer that may be liable for the sickness or injury in an appropriate court either in the name of the Plan or in the name of the covered person or his personal representative, including his guardian, conservator, estate, dependents, or survivors.

(2) If any action or claim is brought by or on behalf of a covered person against a third party or the third party's insurer, the covered person or his personal representative, including his guardian, conservator, estate, dependents, or survivors, shall notify the Plan by personal service or registered mail of the action or claim and of the name of the court in which the action or claim is brought, filing proof thereof in the action or claim. The Plan may, at any time thereafter, join in the action or claim upon its motion so that all orders of court after hearing and judgment shall be made for its protection. No release or settlement of a claim for damages and no satisfaction of judgment in the action shall be valid without the written consent of the Plan to the extent of its interest in the settlement or judgment and of the covered person or his personal representative.

(3) In the event that the covered person or his personal representative fails to institute a proceeding against any appropriate third party before the fifth month before the action would be barred, the Plan may, in its own name or in the name of the covered person or personal representative, commence a proceeding against any appropriate third party for the recovery of damages on account of any sickness, injury, or death to the covered person. The covered person shall cooperate in doing what is reasonably necessary to assist the Plan in any recovery and shall not take any action that would prejudice the Plan's right to recovery. The Plan shall pay to the covered person or his personal representative all sums collected from any third party by judgment or otherwise in excess of amounts paid in benefits under the Plan and amounts paid or to be paid as costs, attorneys fees, and reasonable expenses incurred by the Plan in making the collection or enforcing the judgment.

(4) In the event that a covered person or his personal representative, including his guardian, conservator, estate, dependents, or survivors, recovers damages from a third party for sickness or injury caused to the covered person, the covered person or the personal representative shall pay to the Plan from the damages recovered the amount of benefits paid or to be paid on behalf of the covered person.

(5) When the action or claim is brought by the covered person alone and the covered person incurs a personal liability to pay attorney's fees and costs of litigation, the Plan's claim for reimbursement of the benefits provided to the covered person shall be the full amount of benefits paid to or on behalf of the covered person under this Act less a pro rata share that represents the Plan's reasonable share of attorney's

fees paid by the covered person and that portion of the cost of litigation expenses
determined by multiplying by the ratio of the full amount of the expenditures to the
full amount of the judgement, award, or settlement.

(6) In the event of judgment or award in a suit or claim against a third party
or insurer, the court shall first order paid from any judgement or award the reasonable
litigation expenses incurred in preparation and prosecution of the action or claim, 
together with reasonable attorney's fees. After payment of those expenses and
attorney's fees, the court shall apply out of the balance of the judgment or award an
amount sufficient to reimburse the Plan the full amount of benefits paid on behalf of
the covered person under this Act, provided the court may reduce and apportion the
Plan's portion of the judgement proportionate to the recovery of the covered person.
The burden of producing evidence sufficient to support the exercise by the court of
its discretion to reduce the amount of a proven charge sought to be enforced against
the recovery shall rest with the party seeking the reduction. The court may consider
the nature and extent of the injury, economic and non-economic loss, settlement
offers, comparative negligence as it applies to the case at hand, hospital costs,
physician costs, and all other appropriate costs. The Plan shall pay its pro rata share
of the attorney fees based on the Plan's recovery as it compares to the total judgment.
Any reimbursement rights of the Plan shall take priority over all other liens and
charges existing under the laws of this State with the exception of any attorney liens
filed under the Attorneys Lien Act.

(7) The Plan may compromise or settle and release any claim for benefits
provided under this Act or waive any claims for benefits, in whole or in part, for the
convenience of the Plan or if the Plan determines that collection would result in
undue hardship upon the covered person.

Where the certifications described in paragraphs (2), (3), (4), (5), (6), (7), (8), (9), and (10) above are made by an organization representing more than one benefiting agency they shall be based upon the knowledge and belief of such qualified organization. A qualified organization representing more than one benefiting agency shall thereafter withhold and refrain from distributing to such benefiting agency those funds received pursuant to this Act until the benefiting agency is again in compliance with the qualified organization's certification. The qualified organization shall immediately notify the State Comptroller of the benefiting agency's resumed compliance with the certification, based upon the qualified organization's knowledge and belief, and shall pay over to the benefiting agency those funds previously withheld.

The Comptroller shall, by February 1st of each year, so notify any qualified organization that failed to receive at least 500 payroll deduction pledges during each immediately preceding solicitation period as set forth in Section 6. The notification shall give such qualified organization until March 1st to provide the Comptroller with documentation that the 500 deduction requirement has been met. On the basis of all the documentation, the Comptroller shall, by March 15th of each year, submit to the Governor or his or her designee, or such other agency as may be determined by the Governor, a list of all organizations which have met the 500 payroll deduction requirement. Only those organizations which have met such requirements, as well as the other requirements of this Section, shall be permitted to solicit State employees or State annuitants for voluntary contributions, and the Comptroller shall discontinue withholding for any such organization which fails to meet these requirements.

In order for a United Fund to participate in the State and Universities Employees Combined Appeal, it shall comply with the provisions of paragraph (9) of subsection (b).

PUBLIC ACT 92-0636
(Senate Bill No. 1524)

AN ACT concerning average daily attendance.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 18-8.05 as follows:
(105 ILCS 5/18-8.05)
Sec. 18-8.05. Basis for apportionment of general State financial aid and supplemental general State aid to the common schools for the 1998-1999 and subsequent school years.
(A) General Provisions.

(1) The provisions of this Section apply to the 1998-1999 and subsequent school years. The system of general State financial aid provided for in this Section is designed to assure that, through a combination of State financial aid and required local resources, the financial support provided each pupil in Average Daily Attendance equals or exceeds a prescribed per pupil Foundation Level. This formula approach imputes a level of per pupil Available Local Resources and provides for the basis to calculate a per pupil level of general State financial aid that, when added to Available Local Resources, equals or exceeds the Foundation Level. The amount of per pupil general State financial aid for school districts, in general, varies in inverse relation to Available Local Resources. Per pupil amounts are based upon each school district's Average Daily Attendance as that term is defined in this Section.

(2) In addition to general State financial aid, school districts with specified levels or concentrations of pupils from low income households are eligible to receive supplemental general State financial aid grants as provided pursuant to subsection (H). The supplemental State aid grants provided for school districts under subsection (H) shall be appropriated for distribution to school districts as part of the same line item in which the general State financial aid of school districts is appropriated under this Section.

(3) To receive financial assistance under this Section, school districts are required to file claims with the State Board of Education, subject to the following requirements:

(a) Any school district which fails for any given school year to maintain
school as required by law, or to maintain a recognized school is not eligible to file for such school year any claim upon the Common School Fund. In case of nonrecognition of one or more attendance centers in a school district otherwise operating recognized schools, the claim of the district shall be reduced in the proportion which the Average Daily Attendance in the attendance center or centers bear to the Average Daily Attendance in the school district. A "recognized school" means any public school which meets the standards as established for recognition by the State Board of Education. A school district or attendance center not having recognition status at the end of a school term is entitled to receive State aid payments due upon a legal claim which was filed while it was recognized.

(b) School district claims filed under this Section are subject to Sections 18-9, 18-10, and 18-12, except as otherwise provided in this Section.

(c) If a school district operates a full year school under Section 10-19.1, the general State aid to the school district shall be determined by the State Board of Education in accordance with this Section as near as may be applicable.

(d) (Blank).

(4) Except as provided in subsections (H) and (L), the board of any district receiving any of the grants provided for in this Section may apply those funds to any fund so received for which that board is authorized to make expenditures by law. School districts are not required to exert a minimum Operating Tax Rate in order to qualify for assistance under this Section.

(5) As used in this Section the following terms, when capitalized, shall have the meaning ascribed herein:

(a) "Average Daily Attendance": A count of pupil attendance in school, averaged as provided for in subsection (C) and utilized in deriving per pupil financial support levels.

(b) "Available Local Resources": A computation of local financial support, calculated on the basis of Average Daily Attendance and derived as provided pursuant to subsection (D).

(c) "Corporate Personal Property Replacement Taxes": Funds paid to local school districts pursuant to "An Act in relation to the abolition of ad valorem personal property tax and the replacement of revenues lost thereby, and amending and repealing certain Acts and parts of Acts in connection therewith", certified August 14, 1979, as amended (Public Act 81-1st S.S.-1).

(d) "Foundation Level": A prescribed level of per pupil financial support as provided for in subsection (B).

(e) "Operating Tax Rate": All school district property taxes extended for all purposes, except Bond and Interest, Summer School, Rent, Capital Improvement, and Vocational Education Building purposes.

(B) Foundation Level.

(1) The Foundation Level is a figure established by the State representing the minimum level of per pupil financial support that should be available to provide for the basic
education of each pupil in Average Daily Attendance. As set forth in this Section, each school district is assumed to exert a sufficient local taxing effort such that, in combination with the aggregate of general State financial aid provided the district, an aggregate of State and local resources are available to meet the basic education needs of pupils in the district.

(2) For the 1998-1999 school year, the Foundation Level of support is $4,225. For the 1999-2000 school year, the Foundation Level of support is $4,325. For the 2000-2001 school year, the Foundation Level of support is $4,425.

(3) For the 2001-2002 school year and each school year thereafter, the Foundation Level of support is $4,560 or such greater amount as may be established by law by the General Assembly.

(C) Average Daily Attendance.

(1) For purposes of calculating general State aid pursuant to subsection (E), an Average Daily Attendance figure shall be utilized. The Average Daily Attendance figure for formula calculation purposes shall be the monthly average of the actual number of pupils in attendance of each school district, as further averaged for the best 3 months of pupil attendance for each school district. In compiling the figures for the number of pupils in attendance, school districts and the State Board of Education shall, for purposes of general State aid funding, conform attendance figures to the requirements of subsection (F).

(2) The Average Daily Attendance figures utilized in subsection (E) shall be the requisite attendance data for the school year immediately preceding the school year for which general State aid is being calculated or the average of the attendance data for the 3 preceding school years, whichever is greater. The Average Daily Attendance figures utilized in subsection (H) shall be the requisite attendance data for the school year immediately preceding the school year for which general State aid is being calculated.

(D) Available Local Resources.

(1) For purposes of calculating general State aid pursuant to subsection (E), a representation of Available Local Resources per pupil, as that term is defined and determined in this subsection, shall be utilized. Available Local Resources per pupil shall include a calculated dollar amount representing local school district revenues from local property taxes and from Corporate Personal Property Replacement Taxes, expressed on the basis of pupils in Average Daily Attendance.

(2) In determining a school district's revenue from local property taxes, the State Board of Education shall utilize the equalized assessed valuation of all taxable property of each school district as of September 30 of the previous year. The equalized assessed valuation utilized shall be obtained and determined as provided in subsection (G).

(3) For school districts maintaining grades kindergarten through 12, local property tax revenues per pupil shall be calculated as the product of the applicable equalized assessed valuation for the district multiplied by 3.00%, and divided by the district's Average Daily Attendance figure. For school districts maintaining grades kindergarten through 8, local property tax revenues per pupil shall be calculated as the product of the applicable equalized assessed valuation for the district multiplied by 2.30%, and divided by the district's Average Daily Attendance figure. For school districts maintaining grades 9 through 12, local property tax revenues per pupil shall be calculated as the product of the applicable equalized assessed valuation for the district multiplied by 3.00%, and divided by the district's Average Daily Attendance figure.
tax revenues per pupil shall be the applicable equalized assessed valuation of the district multiplied by 1.05%, and divided by the district's Average Daily Attendance figure.

(4) The Corporate Personal Property Replacement Taxes paid to each school district during the calendar year 2 years before the calendar year in which a school year begins, divided by the Average Daily Attendance figure for that district, shall be added to the local property tax revenues per pupil as derived by the application of the immediately preceding paragraph (3). The sum of these per pupil figures for each school district shall constitute Available Local Resources as that term is utilized in subsection (E) in the calculation of general State aid.

(E) Computation of General State Aid.

(1) For each school year, the amount of general State aid allotted to a school district shall be computed by the State Board of Education as provided in this subsection.

(2) For any school district for which Available Local Resources per pupil is less than the product of 0.93 times the Foundation Level, general State aid for that district shall be calculated as an amount equal to the Foundation Level minus Available Local Resources, multiplied by the Average Daily Attendance of the school district.

(3) For any school district for which Available Local Resources per pupil is equal to or greater than the product of 0.93 times the Foundation Level and less than the product of 1.75 times the Foundation Level, the general State aid per pupil shall be a decimal proportion of the Foundation Level derived using a linear algorithm. Under this linear algorithm, the calculated general State aid per pupil shall decline in direct linear fashion from 0.07 times the Foundation Level for a school district with Available Local Resources equal to the product of 0.93 times the Foundation Level, to 0.05 times the Foundation Level for a school district with Available Local Resources equal to the product of 1.75 times the Foundation Level. The allocation of general State aid for school districts subject to this paragraph 3 shall be the calculated general State aid per pupil figure multiplied by the Average Daily Attendance of the school district.

(4) For any school district for which Available Local Resources per pupil equals or exceeds the product of 1.75 times the Foundation Level, the general State aid for the school district shall be calculated as the product of $218 multiplied by the Average Daily Attendance of the school district.

(5) The amount of general State aid allocated to a school district for the 1999-2000 school year meeting the requirements set forth in paragraph (4) of subsection (G) shall be increased by an amount equal to the general State aid that would have been received by the district for the 1998-1999 school year by utilizing the Extension Limitation Equalized Assessed Valuation as calculated in paragraph (4) of subsection (G) less the general State aid allotted for the 1998-1999 school year. This amount shall be deemed a one time increase, and shall not affect any future general State aid allocations.

(F) Compilation of Average Daily Attendance.

(1) Each school district shall, by July 1 of each year, submit to the State Board of Education, on forms prescribed by the State Board of Education, attendance figures for the school year that began in the preceding calendar year. The attendance information so
transmitted shall identify the average daily attendance figures for each month of the school year. Beginning with the general State aid claim form for the 2002-2003 school year, districts shall calculate Average Daily Attendance as provided in subdivisions (a), (b), and (c) of this paragraph (1).

(a) In districts that do not hold year-round classes, except that any days of attendance in August shall be added to the month of September and any days of attendance in June shall be added to the month of May.

(b) In districts in which all buildings hold year-round classes, days of attendance in July and August shall be added to the month of September and any days of attendance in June shall be added to the month of May.

(c) In districts in which some buildings, but not all, hold year-round classes, for the non-year-round buildings, days of attendance in August shall be added to the month of September and any days of attendance in June shall be added to the month of May. The average daily attendance for the year-round buildings shall be computed as provided in subdivision (b) of this paragraph (1). To calculate the Average Daily Attendance for the district, the average daily attendance for the year-round buildings shall be multiplied by the days in session for the non-year-round buildings for each month and added to the monthly attendance of the non-year-round buildings.

Except as otherwise provided in this Section, days of attendance by pupils shall be counted only for sessions of not less than 5 clock hours of school work per day under direct supervision of: (i) teachers, or (ii) non-teaching personnel or volunteer personnel when engaging in non-teaching duties and supervising in those instances specified in subsection (a) of Section 10-22.34 and paragraph 10 of Section 34-18, with pupils of legal school age and in kindergarten and grades 1 through 12.

Days of attendance by tuition pupils shall be accredited only to the districts that pay the tuition to a recognized school.

(2) Days of attendance by pupils of less than 5 clock hours of school shall be subject to the following provisions in the compilation of Average Daily Attendance.

(a) Pupils regularly enrolled in a public school for only a part of the school day may be counted on the basis of 1/6 day for every class hour of instruction of 40 minutes or more attended pursuant to such enrollment, unless a pupil is enrolled in a block-schedule format of 80 minutes or more of instruction, in which case the pupil may be counted on the basis of the proportion of minutes of school work completed each day to the minimum number of minutes that school work is required to be held that day.

(b) Days of attendance may be less than 5 clock hours on the opening and closing of the school term, and upon the first day of pupil attendance, if preceded by a day or days utilized as an institute or teachers' workshop.

(c) A session of 4 or more clock hours may be counted as a day of attendance upon certification by the regional superintendent, and approved by the State Superintendent of Education to the extent that the district has been forced to use daily multiple sessions.

New matter indicated by italics - deletions by strikeout.
(d) A session of 3 or more clock hours may be counted as a day of attendance. (1) when the remainder of the school day or at least 2 hours in the evening of that day is utilized for an in-service training program for teachers, up to a maximum of 5 days per school year of which a maximum of 4 days of such 5 days may be used for parent-teacher conferences, provided a district conducts an in-service training program for teachers which has been approved by the State Superintendent of Education; or, in lieu of 4 such days, 2 full days may be used, in which event each such day may be counted as a day of attendance; and (2) when days in addition to those provided in item (1) are scheduled by a school pursuant to its school improvement plan adopted under Article 34 or its revised or amended school improvement plan adopted under Article 2, provided that (i) such sessions of 3 or more clock hours are scheduled to occur at regular intervals, (ii) the remainder of the school days in which such sessions occur are utilized for in-service training programs or other staff development activities for teachers, and (iii) a sufficient number of minutes of school work under the direct supervision of teachers are added to the school days between such regularly scheduled sessions to accumulate not less than the number of minutes by which such sessions of 3 or more clock hours fall short of 5 clock hours. Any full days used for the purposes of this paragraph shall not be considered for computing average daily attendance. Days scheduled for in-service training programs, staff development activities, or parent-teacher conferences may be scheduled separately for different grade levels and different attendance centers of the district.

(e) A session of not less than one clock hour of teaching hospitalized or homebound pupils on-site or by telephone to the classroom may be counted as 1/2 day of attendance, however these pupils must receive 4 or more clock hours of instruction to be counted for a full day of attendance.

(f) A session of at least 4 clock hours may be counted as a day of attendance for first grade pupils, and pupils in full day kindergartens, and a session of 2 or more hours may be counted as 1/2 day of attendance by pupils in kindergartens which provide only 1/2 day of attendance.

(g) For children with disabilities who are below the age of 6 years and who cannot attend 2 or more clock hours because of their disability or immaturity, a session of not less than one clock hour may be counted as 1/2 day of attendance; however for such children whose educational needs so require a session of 4 or more clock hours may be counted as a full day of attendance.

(h) A recognized kindergarten which provides for only 1/2 day of attendance by each pupil shall not have more than 1/2 day of attendance counted in any one day. However, kindergartens may count 2 1/2 days of attendance in any 5 consecutive school days. When a pupil attends such a kindergarten for 2 half days on any one school day, the pupil shall have the following day as a day absent from school, unless the school district obtains permission in writing from the State Superintendent of Education. Attendance at kindergartens which provide for a full day of attendance by

each pupil shall be counted the same as attendance by first grade pupils. Only the first
year of attendance in one kindergarten shall be counted, except in case of children
who entered the kindergarten in their fifth year whose educational development
requires a second year of kindergarten as determined under the rules and regulations
of the State Board of Education.

(G) Equalized Assessed Valuation Data.

(1) For purposes of the calculation of Available Local Resources required pursuant
to subsection (D), the State Board of Education shall secure from the Department of Revenue
the value as equalized or assessed by the Department of Revenue of all taxable property of
every school district, together with (i) the applicable tax rate used in extending taxes for the
funds of the district as of September 30 of the previous year and (ii) the limiting rate for all
school districts subject to property tax extension limitations as imposed under the Property
Tax Extension Limitation Law.

This equalized assessed valuation, as adjusted further by the requirements of this
subsection, shall be utilized in the calculation of Available Local Resources.

(2) The equalized assessed valuation in paragraph (1) shall be adjusted, as applicable,
in the following manner:

(a) For the purposes of calculating State aid under this Section, with respect
to any part of a school district within a redevelopment project area in respect to
which a municipality has adopted tax increment allocation financing pursuant to the
Tax Increment Allocation Redevelopment Act, Sections 11-74.4-1 through
11-74.4-11 of the Illinois Municipal Code or the Industrial Jobs Recovery Law,
Sections 11-74.6-1 through 11-74.6-50 of the Illinois Municipal Code, no part of the
current equalized assessed valuation of real property located in any such project area
which is attributable to an increase above the total initial equalized assessed
valuation of such property shall be used as part of the equalized assessed valuation
of the district, until such time as all redevelopment project costs have been paid, as
provided in Section 11-74.4-8 of the Tax Increment Allocation Redevelopment Act
or in Section 11-74.6-35 of the Industrial Jobs Recovery Law. For the purpose of the
equalized assessed valuation of the district, the total initial equalized assessed
valuation or the current equalized assessed valuation, whichever is lower, shall be
used until such time as all redevelopment project costs have been paid.

(b) The real property equalized assessed valuation for a school district shall
be adjusted by subtracting from the real property value as equalized or assessed by
the Department of Revenue for the district an amount computed by dividing the
amount of any abatement of taxes under Section 18-170 of the Property Tax Code by
3.00% for a district maintaining grades kindergarten through 12, by 2.30% for a
district maintaining grades kindergarten through 8, or by 1.05% for a district
maintaining grades 9 through 12 and adjusted by an amount computed by dividing
the amount of any abatement of taxes under subsection (a) of Section 18-165 of the
Property Tax Code by the same percentage rates for district type as specified in this
subparagraph (b).

New matter indicated by italics - deletions by strikeout.
(3) For the 1999-2000 school year and each school year thereafter, if a school district meets all of the criteria of this subsection (G)(3), the school district's Available Local Resources shall be calculated under subsection (D) using the district's Extension Limitation Equalized Assessed Valuation as calculated under this subsection (G)(3).

For purposes of this subsection (G)(3) the following terms shall have the following meanings:

"Budget Year": The school year for which general State aid is calculated and awarded under subsection (E).

"Base Tax Year": The property tax levy year used to calculate the Budget Year allocation of general State aid.

"Preceding Tax Year": The property tax levy year immediately preceding the Base Tax Year.

"Base Tax Year's Tax Extension": The product of the equalized assessed valuation utilized by the County Clerk in the Base Tax Year multiplied by the limiting rate as calculated by the County Clerk and defined in the Property Tax Extension Limitation Law.

"Preceding Tax Year's Tax Extension": The product of the equalized assessed valuation utilized by the County Clerk in the Preceding Tax Year multiplied by the Operating Tax Rate as defined in subsection (A).

"Extension Limitation Ratio": A numerical ratio, certified by the County Clerk, in which the numerator is the Base Tax Year's Tax Extension and the denominator is the Preceding Tax Year's Tax Extension.

"Operating Tax Rate": The operating tax rate as defined in subsection (A).

If a school district is subject to property tax extension limitations as imposed under the Property Tax Extension Limitation Law, the State Board of Education shall calculate the Extension Limitation Equalized Assessed Valuation of that district. For the 1999-2000 school year, the Extension Limitation Equalized Assessed Valuation of a school district as calculated by the State Board of Education shall be equal to the product of the district's 1996 Equalized Assessed Valuation and the district's Extension Limitation Ratio. For the 2000-2001 school year and each school year thereafter, the Extension Limitation Equalized Assessed Valuation of a school district as calculated by the State Board of Education shall be equal to the product of the Equalized Assessed Valuation last used in the calculation of general State aid and the district's Extension Limitation Ratio. If the Extension Limitation Equalized Assessed Valuation of a school district as calculated under this subsection (G)(3) is less than the district's equalized assessed valuation as calculated pursuant to subsections (G)(1) and (G)(2), then for purposes of calculating the district's general State aid for the Budget Year pursuant to subsection (E), that Extension Limitation Equalized Assessed Valuation shall be utilized to calculate the district's Available Local Resources under subsection (D).

(4) For the purposes of calculating general State aid for the 1999-2000 school year only, if a school district experienced a triennial reassessment on the equalized assessed valuation used in calculating its general State financial aid apportionment for the 1998-1999

New matter indicated by italics - deletions by strikeout.
school year, the State Board of Education shall calculate the Extension Limitation Equalized Assessed Valuation that would have been used to calculate the district's 1998-1999 general State aid. This amount shall equal the product of the equalized assessed valuation used to calculate general State aid for the 1997-1998 school year and the district's Extension Limitation Ratio. If the Extension Limitation Equalized Assessed Valuation of the school district as calculated under this paragraph (4) is less than the district's equalized assessed valuation utilized in calculating the district's 1998-1999 general State aid allocation, then for purposes of calculating the district's general State aid pursuant to paragraph (5) of subsection (E), that Extension Limitation Equalized Assessed Valuation shall be utilized to calculate the district's Available Local Resources.

(5) For school districts having a majority of their equalized assessed valuation in any county except Cook, DuPage, Kane, Lake, McHenry, or Will, if the amount of general State aid allocated to the school district for the 1999-2000 school year under the provisions of subsection (E), (H), and (J) of this Section is less than the amount of general State aid allocated to the district for the 1998-1999 school year under these subsections, then the general State aid of the district for the 1999-2000 school year only shall be increased by the difference between these amounts. The total payments made under this paragraph (5) shall not exceed $14,000,000. Claims shall be prorated if they exceed $14,000,000.

(H) Supplemental General State Aid.

(1) In addition to the general State aid a school district is allotted pursuant to subsection (E), qualifying school districts shall receive a grant, paid in conjunction with a district's payments of general State aid, for supplemental general State aid based upon the concentration level of children from low-income households within the school district. Supplemental State aid grants provided for school districts under this subsection shall be appropriated for distribution to school districts as part of the same line item in which the general State financial aid of school districts is appropriated under this Section. For purposes of this subsection, the term "Low-Income Concentration Level" shall be the low-income eligible pupil count from the most recently available federal census divided by the Average Daily Attendance of the school district. If, however, (i) the percentage decrease from the 2 most recent federal censuses in the low-income eligible pupil count of a high school district with fewer than 400 students exceeds by 75% or more the percentage change in the total low-income eligible pupil count of contiguous elementary school districts, whose boundaries are coterminous with the high school district, or (ii) a high school district within 2 counties and serving 5 elementary school districts, whose boundaries are coterminous with the high school district, has a percentage decrease from the 2 most recent federal censuses in the low-income eligible pupil count and there is a percentage increase in the total low-income eligible pupil count of a majority of the elementary school districts in excess of 50% from the 2 most recent federal censuses, then the high school district's low-income eligible pupil count from the earlier federal census shall be the number used as the low-income eligible pupil count for the high school district, for purposes of this subsection (H). The changes made to this paragraph (1) by Public Act 92-28 in this amendatory Act of the 92nd General Assembly shall apply to supplemental general State aid grants paid in fiscal year 1999 and

New matter indicated by italics - deletions by strikeout.
in each fiscal year thereafter and to any State aid payments made in fiscal year 1994 through fiscal year 1998 pursuant to subsection 1(n) of Section 18-8 of this Code (which was repealed on July 1, 1998), and any high school district that is affected by Public Act 92-28 this amendatory Act of the 92nd General Assembly is entitled to a recomputation of its supplemental general State aid grant or State aid paid in any of those fiscal years. This recomputation shall not be affected by any other funding.

(2) Supplemental general State aid pursuant to this subsection (H) shall be provided as follows for the 1998-1999, 1999-2000, and 2000-2001 school years only:

   (a) For any school district with a Low Income Concentration Level of at least 20% and less than 35%, the grant for any school year shall be $800 multiplied by the low income eligible pupil count.

   (b) For any school district with a Low Income Concentration Level of at least 35% and less than 50%, the grant for the 1998-1999 school year shall be $1,100 multiplied by the low income eligible pupil count.

   (c) For any school district with a Low Income Concentration Level of at least 50% and less than 60%, the grant for the 1998-99 school year shall be $1,500 multiplied by the low income eligible pupil count.

   (d) For any school district with a Low Income Concentration Level of 60% or more, the grant for the 1998-99 school year shall be $1,900 multiplied by the low income eligible pupil count.

   (e) For the 1999-2000 school year, the per pupil amount specified in subparagraphs (b), (c), and (d) immediately above shall be increased to $1,243, $1,600, and $2,000, respectively.

   (f) For the 2000-2001 school year, the per pupil amounts specified in subparagraphs (b), (c), and (d) immediately above shall be $1,273, $1,640, and $2,050, respectively.

(2.5) Supplemental general State aid pursuant to this subsection (H) shall be provided as follows for the 2001-2002 school year and each school year thereafter:

   (a) For any school district with a Low Income Concentration Level of less than 10%, the grant for each school year shall be $355 multiplied by the low income eligible pupil count.

   (b) For any school district with a Low Income Concentration Level of at least 10% and less than 20%, the grant for each school year shall be $675 multiplied by the low income eligible pupil count.

(3) School districts with an Average Daily Attendance of more than 1,000 and less than 50,000 that qualify for supplemental general State aid pursuant to this subsection shall submit a plan to the State Board of Education prior to October 30 of each year for the use of the funds resulting from this grant of supplemental general State aid for the improvement of instruction in which priority is given to meeting the education needs of disadvantaged children. Such plan shall be submitted in accordance with rules and regulations promulgated by the State Board of Education.

(4) School districts with an Average Daily Attendance of 50,000 or more that qualify for supplemental general State aid pursuant to this subsection shall be required to distribute from funds available pursuant to this Section, no less than $261,000,000 in accordance with the following requirements:

(a) The required amounts shall be distributed to the attendance centers within the district in proportion to the number of pupils enrolled at each attendance center who are eligible to receive free or reduced-price lunches or breakfasts under the federal Child Nutrition Act of 1966 and under the National School Lunch Act during the immediately preceding school year.

(b) The distribution of these portions of supplemental and general State aid among attendance centers according to these requirements shall not be compensated for or contravened by adjustments of the total of other funds appropriated to any attendance centers, and the Board of Education shall utilize funding from one or several sources in order to fully implement this provision annually prior to the opening of school.

(c) Each attendance center shall be provided by the school district a distribution of noncategorical funds and other categorical funds to which an attendance center is entitled under law in order that the general State aid and supplemental general State aid provided by application of this subsection supplements rather than supplants the noncategorical funds and other categorical funds provided by the school district to the attendance centers.

(d) Any funds made available under this subsection that by reason of the provisions of this subsection are not required to be allocated and provided to attendance centers may be used and appropriated by the board of the district for any lawful school purpose.

(e) Funds received by an attendance center pursuant to this subsection shall be used by the attendance center at the discretion of the principal and local school council for programs to improve educational opportunities at qualifying schools through the following programs and services: early childhood education, reduced class size or improved adult to student classroom ratio, enrichment programs, remedial assistance, attendance improvement, and other educationally beneficial

expenditures which supplement the regular and basic programs as determined by the State Board of Education. Funds provided shall not be expended for any political or lobbying purposes as defined by board rule.

(f) Each district subject to the provisions of this subdivision (H)(4) shall submit an acceptable plan to meet the educational needs of disadvantaged children, in compliance with the requirements of this paragraph, to the State Board of Education prior to July 15 of each year. This plan shall be consistent with the decisions of local school councils concerning the school expenditure plans developed in accordance with part 4 of Section 34-2.3. The State Board shall approve or reject the plan within 60 days after its submission. If the plan is rejected, the district shall give written notice of intent to modify the plan within 15 days of the notification of rejection and then submit a modified plan within 30 days after the date of the written notice of intent to modify. Districts may amend approved plans pursuant to rules promulgated by the State Board of Education.

Upon notification by the State Board of Education that the district has not submitted a plan prior to July 15 or a modified plan within the time period specified herein, the State aid funds affected by that plan or modified plan shall be withheld by the State Board of Education until a plan or modified plan is submitted.

If the district fails to distribute State aid to attendance centers in accordance with an approved plan, the plan for the following year shall allocate funds, in addition to the funds otherwise required by this subsection, to those attendance centers which were underfunded during the previous year in amounts equal to such underfunding.

For purposes of determining compliance with this subsection in relation to the requirements of attendance center funding, each district subject to the provisions of this subsection shall submit as a separate document by December 1 of each year a report of expenditure data for the prior year in addition to any modification of its current plan. If it is determined that there has been a failure to comply with the expenditure provisions of this subsection regarding contravention or supplanting, the State Superintendent of Education shall, within 60 days of receipt of the report, notify the district and any affected local school council. The district shall within 45 days of receipt of that notification inform the State Superintendent of Education of the remedial or corrective action to be taken, whether by amendment of the current plan, if feasible, or by adjustment in the plan for the following year. Failure to provide the expenditure report or the notification of remedial or corrective action in a timely manner shall result in a withholding of the affected funds.

The State Board of Education shall promulgate rules and regulations to implement the provisions of this subsection. No funds shall be released under this subdivision (H)(4) to any district that has not submitted a plan that has been approved by the State Board of Education.

(I) General State Aid for Newly Configured School Districts.

(1) For a new school district formed by combining property included totally within
2 or more previously existing school districts, for its first year of existence the general State aid and supplemental general State aid calculated under this Section shall be computed for the new district and for the previously existing districts for which property is totally included within the new district. If the computation on the basis of the previously existing districts is greater, a supplementary payment equal to the difference shall be made for the first 4 years of existence of the new district.

(2) For a school district which annexes all of the territory of one or more entire other school districts, for the first year during which the change of boundaries attributable to such annexation becomes effective for all purposes as determined under Section 7-9 or 7A-8, the general State aid and supplemental general State aid calculated under this Section shall be computed for the annexing district as constituted after the annexation and for the annexing and each annexed district as constituted prior to the annexation; and if the computation on the basis of the annexing and annexed districts as constituted prior to the annexation is greater, a supplementary payment equal to the difference shall be made for the first 4 years of existence of the annexing school district as constituted upon such annexation.

(3) For 2 or more school districts which annex all of the territory of one or more entire other school districts, and for 2 or more community unit districts which result upon the division (pursuant to petition under Section 11A-2) of one or more other unit school districts into 2 or more parts and which together include all of the parts into which such other unit school district or districts are so divided, for the first year during which the change of boundaries attributable to such annexation or division becomes effective for all purposes as determined under Section 7-9 or 11A-10, as the case may be, the general State aid and supplemental general State aid calculated under this Section shall be computed for each annexing or resulting district as constituted after the annexation or division and for each annexing and annexed district, or for each resulting and divided district, as constituted prior to the annexation or division; and if the aggregate of the general State aid and supplemental general State aid as so computed for the annexing or resulting districts as constituted after the annexation or division is less than the aggregate of the general State aid and supplemental general State aid as so computed for the annexing and annexed districts, or for the resulting and divided districts, as constituted prior to the annexation or division, then a supplementary payment equal to the difference shall be made and allocated between or among the annexing or resulting districts, or for each resulting or divided district, as constituted upon such annexation or division, for the first 4 years of their existence. The total difference payment shall be allocated between or among the annexing or resulting districts in the same ratio as the pupil enrollment from that portion of the annexed or divided district or districts which is annexed to or included in each such annexing or resulting district bears to the total pupil enrollment from the entire annexed or divided district or districts, as such pupil enrollment is determined for the school year last ending prior to the date when the change of boundaries attributable to the annexation or division becomes effective for all purposes. The amount of the total difference payment and the amount thereof to be allocated to the annexing or resulting districts shall be computed by the State Board of Education on the basis of pupil enrollment and other data which shall be certified to the State Board of Education, on forms which it shall provide for that purpose,

by the regional superintendent of schools for each educational service region in which the annexing and annexed districts, or resulting and divided districts are located.

(3.5) Claims for financial assistance under this subsection (I) shall not be recomputed except as expressly provided under this Section.

(4) Any supplementary payment made under this subsection (I) shall be treated as separate from all other payments made pursuant to this Section.

(J) Supplementary Grants in Aid.

(1) Notwithstanding any other provisions of this Section, the amount of the aggregate general State aid in combination with supplemental general State aid under this Section for which each school district is eligible shall be no less than the amount of the aggregate general State aid entitlement that was received by the district under Section 18-8 (exclusive of amounts received under subsections 5(p) and 5(p-5) of that Section) for the 1997-98 school year, pursuant to the provisions of that Section as it was then in effect. If a school district qualifies to receive a supplementary payment made under this subsection (J), the amount of the aggregate general State aid in combination with supplemental general State aid under this Section which that district is eligible to receive for each school year shall be no less than the amount of the aggregate general State aid entitlement that was received by the district under Section 18-8 (exclusive of amounts received under subsections 5(p) and 5(p-5) of that Section) for the 1997-1998 school year, pursuant to the provisions of that Section as it was then in effect.

(2) If, as provided in paragraph (1) of this subsection (J), a school district is to receive aggregate general State aid in combination with supplemental general State aid under this Section for the 1998-99 school year and any subsequent school year that in any such school year is less than the amount of the aggregate general State aid entitlement that the district received for the 1997-98 school year, the school district shall also receive, from a separate appropriation made for purposes of this subsection (J), a supplementary payment that is equal to the amount of the difference in the aggregate State aid figures as described in paragraph (1).

(K) Grants to Laboratory and Alternative Schools.

In calculating the amount to be paid to the governing board of a public university that operates a laboratory school under this Section or to any alternative school that is operated by a regional superintendent of schools, the State Board of Education shall require by rule such reporting requirements as it deems necessary.

As used in this Section, "laboratory school" means a public school which is created and operated by a public university and approved by the State Board of Education. The governing board of a public university which receives funds from the State Board under this subsection (K) may not increase the number of students enrolled in its laboratory school from a single district, if that district is already sending 50 or more students, except under a mutual agreement between the school board of a student's district of residence and the university which operates the laboratory school. A laboratory school may not have more than 1,000 students, excluding students with disabilities in a special education program.

Such alternative schools may offer courses of instruction for which credit is given in regular school programs, courses to prepare students for the high school equivalency testing program or vocational and occupational training. A regional superintendent of schools may contract with a school district or a public community college district to operate an alternative school. An alternative school serving more than one educational service region may be established by the regional superintendents of schools of the affected educational service regions. An alternative school serving more than one educational service region may be operated under such terms as the regional superintendents of schools of those educational service regions may agree.

Each laboratory and alternative school shall file, on forms provided by the State Superintendent of Education, an annual State aid claim which states the Average Daily Attendance of the school's students by month. The best 3 months’ Average Daily Attendance shall be computed for each school. The general State aid entitlement shall be computed by multiplying the applicable Average Daily Attendance by the Foundation Level as determined under this Section.

(L) Payments, Additional Grants in Aid and Other Requirements.

(1) For a school district operating under the financial supervision of an Authority created under Article 34A, the general State aid otherwise payable to that district under this Section, but not the supplemental general State aid, shall be reduced by an amount equal to the budget for the operations of the Authority as certified by the Authority to the State Board of Education, and an amount equal to such reduction shall be paid to the Authority created for such district for its operating expenses in the manner provided in Section 18-11. The remainder of general State school aid for any such district shall be paid in accordance with Article 34A when that Article provides for a disposition other than that provided by this Article.

provided in this subsection (M) to the General Assembly for the foundation level under
subsection (B)(3) of this Section and for the supplemental general State aid grant level
under subsection (H) of this Section for districts with high concentrations of children from
poverty. The recommended foundation level shall be determined based on a methodology

Sec. 11-1301.3. Unauthorized use of parking places reserved for persons with disabilities.

(a) It shall be prohibited to park any motor vehicle which is not properly displaying bearing registration plates or decals issued to a person with disabilities, as defined by Section 1-159.1, pursuant to Sections 3-616, 11-1301.1 or 11-1301.2, or to a disabled veteran pursuant to Section 3-609 of this Act, as evidence that the vehicle is operated by or for a person with disabilities or disabled veteran, in any parking place, including any private or public offstreet parking facility, specifically reserved, by the posting of an official sign as designated under Section 11-301, for motor vehicles displaying bearing such registration plates. It shall be prohibited to park any motor vehicle in a designated access aisle adjacent to any parking place specifically reserved for persons with disabilities, by the posting of an official sign as designated under Section 11-301, for motor vehicles displaying bearing such registration plates. When using the parking privileges for persons with disabilities, the parking decal or device must be displayed properly in the vehicle where it is clearly visible to law enforcement personnel, either hanging from the rearview mirror or placed on the dashboard of the vehicle in clear view. An individual with a vehicle properly displaying bearing a person with disabilities license plate or parking decal or device issued to a disabled person under Sections 3-616, 11-1301.1, or 11-1301.2 is in violation of this Section if the person is not the authorized holder of a person with disabilities license plate or parking decal or device and is not transporting the authorized holder of a person with disabilities license plate or parking decal or device to or from the parking location and the person uses the person with disabilities license plate or parking decal or device to exercise any privileges granted through the person with disabilities license plates or parking decals or devices under this Code. Any motor vehicle properly displaying bearing a person with disabilities license plate or a person with disabilities parking decal or device containing the International symbol of access issued to persons with disabilities by any local authority, state, district, territory or foreign country shall be recognized by State and local authorities as a valid license plate or
device and receive the same parking privileges as residents of this State.

(b) Any person or local authority owning or operating any public or private offstreet parking facility may, after notifying the police or sheriff’s department, remove or cause to be removed to the nearest garage or other place of safety any vehicle parked within a stall or space reserved for use by a person with disabilities which does not display person with disabilities registration plates or a special decal or device as required under this Section.

(c) Any person found guilty of violating the provisions of this Section shall be fined $100 in addition to any costs or charges connected with the removal or storage of any motor vehicle authorized under this Section; but municipalities by ordinance may impose a fine up to $200 and shall display signs indicating the fine imposed. If the amount of the fine is subsequently changed, the municipality shall change the sign to indicate the current amount of the fine. It shall not be a defense to a charge under this Section that the sign posted pursuant to this Section does not comply with the technical requirements of Section 11-301, Department regulations, or local ordinance if a reasonable person would be made aware by the sign or notice on or near the parking place that the place is reserved for a person with disabilities.

(d) Local authorities shall impose fines as established in subsection (c) for violations of this Section.

(e) As used in this Section, "authorized holder" means an individual issued a person with disabilities license plate under Section 3-616 of this Code or an individual issued a person with disabilities parking decal or device under Section 11-1301.2 of this Code.

The Funeral Directors and Embalmers Licensing Code.
Section 10. The Funeral Directors and Embalmers Licensing Code is amended by changing Section 5-15 as follows:
(225 ILCS 41/5-15)
(Sec. 5-15. Expiration and renewal; inactive status; continuing education. The expiration date and renewal period for each license issued under this Article shall be set by rule. The holder of a license as a licensed funeral director may renew the license during the month preceding the expiration date of the license by paying the required fee. A licensed funeral director whose license has expired may have the license reinstated within 5 years from the date of expiration upon payment of the required reinstatement fee. The reinstatement shall be effective as of the date of reissuance of the license.

Any licensed funeral director whose license has been expired for more than 5 years may have the license restored only by fulfilling the requirements of the Department’s rules and by paying the required restoration fee. However, any licensed funeral director whose license has expired while he or she has been engaged (1) in federal service on active duty

In addition to any other requirement for renewal of a license or reinstatement of an expired license, beginning with licenses renewed or reinstated in 1993, as a condition for the renewal or reinstatement of a license as a licensed funeral director, each licensee shall provide evidence to the Department of completion of at least 12 hours of continuing education during the 24 months preceding the expiration date of the license, or in the case of reinstatement, during the 24 months preceding application for reinstatement. The continuing education sponsors shall be approved by the Board. The Department shall establish by rule a means for verification of completion of the continuing education required by this Section. This verification may be accomplished through audits of records maintained by licensees, by requiring the filing of continued education certificates with the Department or a qualified organization selected by the Department to maintain these records, or by other means established by the Department.

A person who is licensed as a funeral director under this Act and who has engaged in the practice of funeral directing for at least 40 years shall be exempt from the continuing education requirements of this Section. In addition, the Department shall establish by rule an exemption or exception for funeral directors who, by reason of advanced age, health or other extreme condition should reasonably be excused from the continuing education requirement upon explanation to the Board, the approval of the Director, or both. Those persons, identified above, who cannot attend on-site classes, shall have the opportunity to comply by completing home study courses designed for them by sponsors.

Any funeral director who notifies the Department in writing on forms prescribed by the Department may elect to place his or her license on an inactive status and shall be excused from completion of continuing education requirements until he or she notifies the Department in writing of an intent to restore the license to active status. While on inactive status, the licensee shall only be required to pay a single fee, established by the Department, to have his or her license placed on inactive status. Any licensee requesting restoration from inactive status shall notify the Department as provided by rule of the Department and pay the New matter indicated by italics - deletions by strikeout.

In lieu of care, counseling, or treatment, the Board may recommend that the Department file a complaint to immediately suspend or revoke the license of the individual or otherwise discipline him or her. Any individual whose license was granted, continued, reinstated, or renewed subject to conditions, terms, or restrictions, as provided for in this Section, or any individual who was disciplined or placed on supervision pursuant to this Section must be referred to the Director for a determination as to whether the individual shall have his or her license suspended immediately, pending a hearing by the Board.

The Department shall deny any license or renewal under this Act to any person who has defaulted on an educational loan guaranteed by the Illinois Student Assistance Commission; however, the Department may issue a license or renewal if the person in default has established a satisfactory repayment record as determined by the Illinois Student Assistance Commission.

The determination by a circuit court that a registrant is subject to involuntary admission or judicial admission as provided in the Mental Health and Developmental Disabilities Code operates as an automatic suspension. This suspension will end only upon a finding by a court that the patient is no longer subject to involuntary admission or judicial admission, the issuance of an order so finding and discharging the patient, and the recommendation of the Board to the Director that the registrant be allowed to resume practice.

PUBLIC ACT 92-0646
(Senate Bill No. 1713)

AN ACT in relation to criminal law.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Criminal Code of 1961 is amended by changing Section 17-1 as follows:
(720 ILCS 5/17-1) (from Ch. 38, par. 17-1)

(iii) To act with the "intent to defraud" means to act wilfully, and with the specific intent to deceive or cheat, for the purpose of causing financial loss to another, or to bring some financial gain to oneself. It is not necessary to establish that any person was actually defrauded or deceived.

(B) General Deception
A person commits a deceptive practice when, with intent to defraud:
(a) He causes another, by deception or threat to execute a document disposing of property or a document by which a pecuniary obligation is incurred, or

Failure to have sufficient funds or credit with the depository when the check or other order is issued or delivered, or when such check or other order is presented for payment and dishonored on each of 2 occasions at least 7 days apart, is prima facie evidence that the offender knows that it will not be paid by the depository, and that he has the intent to defraud.

(e) He issues or delivers a check or other order upon a real or fictitious depository in an amount exceeding $150 in payment of an amount owed on any credit transaction for property, labor or services, or in payment of the entire amount owed on any credit transaction for property, labor or services, knowing that it will not be paid by the depository, and thereafter fails to provide funds or credit with the depository in the face amount of the check or order within seven days of receiving actual notice from the depository or payee of the dishonor of the check or order.

Sentence.

A person convicted of deceptive practice under paragraphs (a) through (e) of this subsection (B), except as otherwise provided by this Section, is guilty of a Class A misdemeanor.

A person shall be deemed to have been authorized to possess, transfer, negotiate, or present for payment such item if the person was otherwise entitled by law to withdraw or recover funds from the account in question and followed the requisite procedures under the law. In the event that the account holder, upon discovery of the withdrawal or payment, claims that the withdrawal or payment was not authorized, the financial institution may require the account holder to submit an affidavit to that effect on a form satisfactory to the financial institution before the financial institution may be required to credit the account in an amount equal to the amount or amounts that were withdrawn or paid without authorization. the companion animal or companion animals taken to the court of competent jurisdiction. The officer must place the companion animal or companion animals in the custody of an animal control or animal shelter and the agency must retain custody of the companion animal or companion animals subject to an order of the court adjudicating the charges on the merits and before which the person complained against is required to appear for trial. The petition shall be filed with the court, with copies served on the impounding agency, the owner, and anyone claiming an interest in the animals. Sec. 3.05. Security for companion animals and animals used for fighting purposes.

(a) In the case of companion animals as defined in Section 2.01a or animals used for fighting purposes in violation of pursuant to Section 4.01 of this Act or Section 26-5 of the Criminal Code of 1961, the animal control or animal shelter having custody of the animal or animals may file a petition with the court requesting that the person from whom the animal or animals are seized, or the owner of the animal or animals, be ordered to post security. The security must be in an amount sufficient to secure payment of all reasonable expenses expected to be incurred by the animal control or animal shelter in caring for and providing for the animal or animals pending the disposition of the charges. Reasonable expenses include, but are not limited to, estimated medical care and boarding of the animal or animals for 30 days. The amount of the security shall be determined by the court after taking into consideration all of the facts and circumstances of the case, including, but not limited to, the recommendation of the impounding organization having custody and care of the seized animal or animals and the cost of caring for the animal or animals. If security has been posted in accordance with this Section, the animal control or animal shelter may draw from the security the actual costs incurred by the agency in caring for the seized animal or animals.

(b) Upon receipt of a petition, the court must set a hearing on the petition, to be conducted within 5 business days after the petition is filed. The petitioner must serve a true copy of the petition upon the defendant and the State's Attorney for the county in which the animal or animals were seized. any interested person. For the purposes of this subsection, "interested person" means an individual, partnership, firm, joint stock company, corporation, association, trust, estate, or other legal entity that the court determines may have a pecuniary interest in the animal or animals that are the subject of the petition. The court must set a hearing date to determine any interested parties. The court may waive for good cause shown the posting of security.

(c) If the court orders the posting of security, the security must be posted with the clerk of the court within 5 business days after the hearing. If the person ordered to post security does not do so, the animal or animals are forfeited by operation of law and the animal control or animal shelter having control of the animal or animals must dispose of the animal or animals through adoption or must humanely euthanize the animal. In no event may the defendant or any person residing in the defendant's household adopt the animal or animals.

(d) The impounding organization may file a petition with the court upon the expiration of the 30-day period requesting the posting of additional security. The court may order the person from whom the animal or animals were seized, or the owner of the animal or animals, to post additional security with the clerk of the court to secure payment of reasonable expenses for an additional period of time pending a determination by the court of the charges against the person from whom the animal or animals were seized.

(e) In no event may the security prevent the impounding organization having custody and care of the animal or animals from disposing of the animal or animals before the expiration of the 30-day period covered by the security if the court makes a final determination of the charges against the person from whom the animal or animals were seized. Upon the adjudication of the charges, the person who posted the security is entitled to a refund of the security, in whole or in part, for any expenses not incurred by the impounding organization.

(f) Notwithstanding any other provision of this Section to the contrary, the court may order a person charged with any violation of this Act to provide necessary food, water, shelter, and care for any animal or animals that are the basis of the charge without the removal of the animal or animals from their existing location and until the charges against the person are adjudicated. Until a final determination of the charges is made, any law enforcement officer, animal control officer, Department investigator, or an approved humane investigator may be authorized by an order of the court to make regular visits to the place where the animal or animals are being kept to ascertain if the animal or animals are receiving necessary food, water, shelter, and care. Nothing in this Section prevents any law enforcement officer, Department investigator, or approved humane investigator from applying for a warrant under this Section to seize any animal or animals being held by the person charged pending the adjudication of the charges if it is determined that the animal or animals are not receiving the necessary food, water, shelter, or care.

(g) Nothing in this Act shall be construed to prevent the voluntary, permanent relinquishment of any animal by its owner to an animal control or animal shelter in lieu of posting security or proceeding to a forfeiture hearing. Voluntary relinquishment shall have no effect on the criminal charges that may be pursued by the appropriate authorities.
(h) If an owner of a companion animal is acquitted by the court of charges made pursuant to this Act, the court shall further order that any security that has been posted for the animal shall be returned to the owner by the impounding organization.

(i) The provisions of this Section only pertain to companion animals and animals used for fighting purposes.

In addition, conservation offenses, as defined in the Supreme Court Rule 501(c), that are classified as Class B misdemeanors shall not be reported.

The Department may charge the petitioner a fee equivalent to the cost of processing any order to expunge or seal the records, and the fee shall be deposited into the State Police Services Fund. The records of those arrests, however, that result in a disposition of supervision for any offense shall not be expunged from the records of the arresting authority or the Department nor impounded by the court until 2 years after discharge and dismissal of supervision. Those records that result from a supervision for a violation of Section 3-707, 3-708, 3-710, 5-401.3, or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, or for a violation of Section 12-3.2, 12-15 or 16A-3 of the Criminal Code of 1961, or probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as those provisions existed before their deletion by Public Act 89-313), Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act when the judgment of conviction has been vacated, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act when the judgment of conviction has been vacated, or Section 10 of the Steroid Control Act shall not be expunged from the records of the arresting authority nor impounded by the court until 5 years after termination of probation or supervision. Those records that result from a supervision for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance, shall not be expunged. All records set out above may be ordered by the court to be expunged from the records of the arresting authority and impounded by the court after 5 years, but shall not be expunged by the Department, but shall, on court order be sealed by the Department and may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony. pertaining to that individual.

The records of the clerk of the circuit court clerk shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Department of State Police or other criminal justice agencies or prosecutors from listing under an offender's name the false names he or she has used. For purposes of this Section, convictions for moving and nonmoving traffic violations other than convictions for violations of Chapter 4, Section 11-204.1 or Section 11-501 of the Illinois Vehicle Code shall not be a bar to expunging the record of arrest and court records for violation of a misdemeanor or municipal ordinance.

(c) Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, he may, upon verified petition to the chief judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial, may have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the clerk of the circuit court and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he had been pardoned but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual. Upon entry of the order of expungement, the clerk of the circuit court shall
promptly mail a copy of the order to the person who was pardoned.

(c-5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the defendant's trial to have a court order entered to seal the records of the clerk of the circuit court in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Department of State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the clerk of the circuit court in connection with the proceedings of the trial court concerning the offense available for public inspection.

(d) Notice of the petition for subsections (a), (b), and (c) shall be served upon the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government affecting the arrest. Unless the State's Attorney or prosecutor, the Department of State Police, the arresting agency or such chief legal officer objects to the petition within 30 days from the date of the notice, the court shall enter an order granting or denying the petition. The clerk of the court shall promptly mail a copy of the order to the person, the arresting agency, the prosecutor, the Department of State Police and such other criminal justice agencies as may be ordered by the judge.

(e) Nothing herein shall prevent the Department of State Police from maintaining all records of any person who is admitted to probation upon terms and conditions and who fulfills those terms and conditions pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 12-4.3 of the Criminal Code of 1961, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section 10 of the Steroid Control Act.

(f) No court order issued pursuant to the expungement provisions of this Section shall become final for purposes of appeal until 30 days after notice is received by the Department. Any court order contrary to the provisions of this Section is void.

(g) Except as otherwise provided in subsection (c-5) of this Section, the court shall not order the sealing or expungement of the arrest records and records of the circuit court clerk of any person granted supervision for or convicted of any sexual offense committed against a minor under 18 years of age. For the purposes of this Section, "sexual offense committed against a minor" includes but is not limited to the offenses of indecent solicitation of a child or criminal sexual abuse when the victim of such offense is under 18 years of age.

With respect to all participants other than any Metro-East Transit District participant, the maximum eligible operating expenses for any such participant in any fiscal year after Fiscal Year 1985 shall be the amount appropriated for such participant for the fiscal year ending June 30, 1985, plus in each year a 10% increase over the maximum established for the preceding year. For State fiscal year 2003, the
maximum eligible operating expenses for any such participant shall be the amount of projected operating expenses upon which the appropriation for that participant for State fiscal year 2003 is based.

Section 23. The Illinois Income Tax Act is amended by changing Sections 201, 203, 509, and 510 and setting forth and renumbering multiple versions of Section 507V as follows:

(35 ILCS 5/201) (from Ch. 120, par. 2-201)

Sec. 201. Tax Imposed.

(a) In general. A tax measured by net income is hereby imposed on every individual, corporation, trust and estate for each taxable year ending after July 31, 1969 on the privilege of earning or receiving income in or as a resident of this State. Such tax shall be in addition to all other occupation or privilege taxes imposed by this State or by any municipal corporation or political subdivision thereof.

(b) Rates. The tax imposed by subsection (a) of this Section shall be determined as follows, except as adjusted by subsection (d-1):

(1) In the case of an individual, trust or estate, for taxable years ending prior to July 1, 1989, an amount equal to 2 1/2% of the taxpayer's net income for the taxable year.

(2) In the case of an individual, trust or estate, for taxable years beginning prior to July 1, 1989 and ending after June 30, 1989, an amount equal to the sum of (i) 2 1/2% of the taxpayer's net income for the period prior to July 1, 1989, as calculated under Section 202.3, and (ii) 3% of the taxpayer's net income for the period after June 30, 1989, as calculated under Section 202.3.

New matter indicated by italics - deletions by strikeout.
(3) In the case of an individual, trust or estate, for taxable years beginning after June 30, 1989, an amount equal to 3% of the taxpayer's net income for the taxable year.

(4) (Blank).

(5) (Blank).

(6) In the case of a corporation, for taxable years ending prior to July 1, 1989, an amount equal to 4% of the taxpayer's net income for the taxable year.

(7) In the case of a corporation, for taxable years beginning prior to July 1, 1989 and ending after June 30, 1989, an amount equal to the sum of (i) 4% of the taxpayer's net income for the period prior to July 1, 1989, as calculated under Section 202.3, and (ii) 4.8% of the taxpayer's net income for the period after June 30, 1989, as calculated under Section 202.3.

(8) In the case of a corporation, for taxable years beginning after June 30, 1989, an amount equal to 4.8% of the taxpayer's net income for the taxable year.

(c) Personal Property Tax Replacement Income Tax. Beginning on July 1, 1979 and thereafter, in addition to such income tax, there is also hereby imposed the Personal Property Tax Replacement Income Tax measured by net income on every corporation (including Subchapter S corporations), partnership and trust, for each taxable year ending after June 30, 1979. Such taxes are imposed on the privilege of earning or receiving income in or as a resident of this State. The Personal Property Tax Replacement Income Tax shall be in addition to the income tax imposed by subsections (a) and (b) of this Section and in addition to all other occupation or privilege taxes imposed by this State or by any municipal corporation or political subdivision thereof.

(d) Additional Personal Property Tax Replacement Income Tax Rates. The personal property tax replacement income tax imposed by this subsection and subsection (c) of this Section in the case of a corporation, other than a Subchapter S corporation and except as adjusted by subsection (d-1), shall be an additional amount equal to 2.85% of such taxpayer's net income for the taxable year, except that beginning on January 1, 1981, and thereafter, the rate of 2.85% specified in this subsection shall be reduced to 2.5%, and in the case of a partnership, trust or a Subchapter S corporation shall be an additional amount equal to 1.5% of such taxpayer's net income for the taxable year.

(d-1) Rate reduction for certain foreign insurers. In the case of a foreign insurer, as defined by Section 35A-5 of the Illinois Insurance Code, whose state or country of domicile imposes on insurers domiciled in Illinois a retaliatory tax (excluding any insurer whose premiums from reinsurance assumed are 50% or more of its total insurance premiums as determined under paragraph (2) of subsection (b) of Section 304, except that for purposes of this determination premiums from reinsurance do not include premiums from inter-affiliate reinsurance arrangements), beginning with taxable years ending on or after December 31, 1999, the sum of the rates of tax imposed by subsections (b) and (d) shall be reduced (but not increased) to the rate at which the total amount of tax imposed under this Act, net of all credits allowed under this Act, shall equal (i) the total amount of tax that would be imposed on the foreign insurer's net income allocable to Illinois for the taxable year by such foreign

New matter indicated by italics - deletions by strikeout.
insurer's state or country of domicile if that net income were subject to all income taxes and taxes measured by net income imposed by such foreign insurer's state or country of domicile, net of all credits allowed or (ii) a rate of zero if no such tax is imposed on such income by the foreign insurer's state of domicile. For the purposes of this subsection (d-1), an inter-affiliate includes a mutual insurer under common management.

(1) For the purposes of subsection (d-1), in no event shall the sum of the rates of tax imposed by subsections (b) and (d) be reduced below the rate at which the sum of:

(A) the total amount of tax imposed on such foreign insurer under this Act for a taxable year, net of all credits allowed under this Act, plus

(B) the privilege tax imposed by Section 409 of the Illinois Insurance Code, the fire insurance company tax imposed by Section 12 of the Fire Investigation Act, and the fire department taxes imposed under Section 11-10-1 of the Illinois Municipal Code,

equals 1.25% of the net taxable premiums written for the taxable year, as described by subsection (1) of Section 409 of the Illinois Insurance Code. This paragraph will in no event increase the rates imposed under subsections (b) and (d).

(2) Any reduction in the rates of tax imposed by this subsection shall be applied first against the rates imposed by subsection (b) and only after the tax imposed by subsection (a) net of all credits allowed under this Section other than the credit allowed under subsection (i) has been reduced to zero, against the rates imposed by subsection (d).

This subsection (d-1) is exempt from the provisions of Section 250.

(e) Investment credit. A taxpayer shall be allowed a credit against the Personal Property Tax Replacement Income Tax for investment in qualified property.

(1) A taxpayer shall be allowed a credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1984. There shall be allowed an additional credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1986, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200 (and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor
may any credit for qualified property be allowed for any year other than the year in which the property was placed in service in Illinois. For tax years ending on or after December 31, 1987, and on or before December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years if the taxpayer (i) makes investments which cause the creation of a minimum of 2,000 full-time equivalent jobs in Illinois, (ii) is located in an enterprise zone established pursuant to the Illinois Enterprise Zone Act and (iii) is certified by the Department of Commerce and Community Affairs as complying with the requirements specified in clause (i) and (ii) by July 1, 1986. The Department of Commerce and Community Affairs shall notify the Department of Revenue of all such certifications immediately. For tax years ending after December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(2) The term "qualified property" means property which:
   (A) is tangible, whether new or used, including buildings and structural components of buildings and signs that are real property, but not including land or improvements to real property that are not a structural component of a building such as landscaping, sewer lines, local access roads, fencing, parking lots, and other appurtenances;
   (B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (e);
   (C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;
   (D) is used in Illinois by a taxpayer who is primarily engaged in manufacturing, or in mining coal or fluorite, or in retailing; and
   (E) has not previously been used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (e) or subsection (f).

(3) For purposes of this subsection (e), "manufacturing" means the material staging and production of tangible personal property by procedures commonly regarded as manufacturing, processing, fabrication, or assembling which changes some existing material into new shapes, new qualities, or new combinations. For purposes of this subsection (e) the term "mining" shall have the same meaning as the term "mining" in Section 613(c) of the Internal Revenue Code. For purposes of this

subsection (e), the term "retailing" means the sale of tangible personal property or services rendered in conjunction with the sale of tangible consumer goods or commodities.

(4) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(5) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(6) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the Personal Property Tax Replacement Income Tax for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation and, (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (7), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(8) Unless the investment credit is extended by law, the basis of qualified property shall not include costs incurred after December 31, 2003, except for costs incurred pursuant to a binding contract entered into on or before December 31, 2003.

(9) Each taxable year ending before December 31, 2000, a partnership may elect to pass through to its partners the credits to which the partnership is entitled under this subsection (e) for the taxable year. A partner may use the credit allocated to him or her under this paragraph only against the tax imposed in subsections (c) and (d) of this Section. If the partnership makes that election, those credits shall be allocated among the partners in the partnership in accordance with the rules set forth in Section 704(b) of the Internal Revenue Code, and the rules promulgated under that Section, and the allocated amount of the credits shall be allowed to the partners for that taxable year. The partnership shall make this election on its Personal Property Tax Replacement Income Tax return for that taxable year. The election to pass through the credits shall be irrevocable.

For taxable years ending on or after December 31, 2000, a partner that qualifies its partnership for a subtraction under subparagraph (I) of paragraph (2) of subsection (d) of Section 203 or a shareholder that qualifies a Subchapter S corporation for a subtraction under subparagraph (S) of paragraph (2) of subsection (b) of Section 203 shall be allowed a credit under this subsection (e) equal to its share of the credit earned under this subsection (e) during the taxable year by the
partnership or Subchapter S corporation, determined in accordance with the
determination of income and distributive share of income under Sections 702 and
704 and Subchapter S of the Internal Revenue Code. This paragraph is exempt from
the provisions of Section 250.

(f) Investment credit; Enterprise Zone.

(1) A taxpayer shall be allowed a credit against the tax imposed by
 subsections (a) and (b) of this Section for investment in qualified property which is
placed in service in an Enterprise Zone created pursuant to the Illinois Enterprise
Zone Act. For partners, shareholders of Subchapter S corporations, and owners of
limited liability companies, if the liability company is treated as a partnership for
purposes of federal and State income taxation, there shall be allowed a credit under
this subsection (f) to be determined in accordance with the determination of income
and distributive share of income under Sections 702 and 704 and Subchapter S of the
Internal Revenue Code. The credit shall be .5% of the basis for such property. The
credit shall be available only in the taxable year in which the property is placed in
service in the Enterprise Zone and shall not be allowed to the extent that it would
reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this
Section to below zero. For tax years ending on or after December 31, 1985, the credit
shall be allowed for the tax year in which the property is placed in service, or, if the
amount of the credit exceeds the tax liability for that year, whether it exceeds the
original liability or the liability as later amended, such excess may be carried forward
and applied to the tax liability of the 5 taxable years following the excess credit year.
The credit shall be applied to the earliest year for which there is a liability. If there
is credit from more than one tax year that is available to offset a liability, the credit
accruing first in time shall be applied first.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and
 structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue
 Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that
 Code is not eligible for the credit provided by this subsection (f);

(C) is acquired by purchase as defined in Section 179(d) of the
 Internal Revenue Code;

(D) is used in the Enterprise Zone by the taxpayer; and

(E) has not been previously used in Illinois in such a manner and by
 such a person as would qualify for the credit provided by this subsection (f)
or subsection (e).

(3) The basis of qualified property shall be the basis used to compute the
depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes
is increased after it has been placed in service in the Enterprise Zone by the taxpayer,
the amount of such increase shall be deemed property placed in service on the date

New matter indicated by italics - deletions by strikeout.
(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside the Enterprise Zone within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(g) Jobs Tax Credit; Enterprise Zone and Foreign Trade Zone or Sub-Zone.

(1) A taxpayer conducting a trade or business in an enterprise zone or a High Impact Business designated by the Department of Commerce and Community Affairs conducting a trade or business in a federally designated Foreign Trade Zone or Sub-Zone shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section in the amount of $500 per eligible employee hired to work in the zone during the taxable year.

(2) To qualify for the credit:
   (A) the taxpayer must hire 5 or more eligible employees to work in an enterprise zone or federally designated Foreign Trade Zone or Sub-Zone during the taxable year;
   (B) the taxpayer's total employment within the enterprise zone or federally designated Foreign Trade Zone or Sub-Zone must increase by 5 or more full-time employees beyond the total employed in that zone at the end of the previous tax year for which a jobs tax credit under this Section was taken, or beyond the total employed by the taxpayer as of December 31, 1985, whichever is later; and
   (C) the eligible employees must be employed 180 consecutive days in order to be deemed hired for purposes of this subsection.

(3) An "eligible employee" means an employee who is:
   (A) Certified by the Department of Commerce and Community Affairs as "eligible for services" pursuant to regulations promulgated in accordance with Title II of the Job Training Partnership Act, Training Services for the Disadvantaged or Title III of the Job Training Partnership Act, Employment and Training Assistance for Dislocated Workers Program.
   (B) Hired after the enterprise zone or federally designated Foreign Trade Zone or Sub-Zone was designated or the trade or business was located in that zone, whichever is later.
(C) Employed in the enterprise zone or Foreign Trade Zone or Sub-Zone. An employee is employed in an enterprise zone or federally designated Foreign Trade Zone or Sub-Zone if his services are rendered there or it is the base of operations for the services performed.

(D) A full-time employee working 30 or more hours per week.

(4) For tax years ending on or after December 31, 1985 and prior to December 31, 1988, the credit shall be allowed for the tax year in which the eligible employees are hired. For tax years ending on or after December 31, 1988, the credit shall be allowed for the tax year immediately following the tax year in which the eligible employees are hired. If the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(5) The Department of Revenue shall promulgate such rules and regulations as may be deemed necessary to carry out the purposes of this subsection (g).

(6) The credit shall be available for eligible employees hired on or after January 1, 1986.

(h) Investment credit; High Impact Business.

(1) Subject to subsections (b) and (b-5) of Section 5.5 of the Illinois Enterprise Zone Act, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service by a Department of Commerce and Community Affairs designated High Impact Business. The credit shall be .5% of the basis for such property. The credit shall not be available (i) until the minimum investments in qualified property set forth in subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act have been satisfied or (ii) until the time authorized in subsection (b-5) of the Illinois Enterprise Zone Act for entities designated as High Impact Businesses under subdivisions (a)(3)(B), (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois Enterprise Zone Act, and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act shall be available only in the taxable year in which the property is placed in service and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1987, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the
liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

Changes made in this subdivision (h)(1) by Public Act 88-670 restore changes made by Public Act 85-1182 and reflect existing law.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (h);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code; and

(D) is not eligible for the Enterprise Zone Investment Credit provided by subsection (f) of this Section.

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in a federally designated Foreign Trade Zone or Sub-Zone located in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) Beginning with tax years ending after December 31, 1996, if a taxpayer qualifies for the credit under this subsection (h) and thereby is granted a tax abatement and the taxpayer relocates its entire facility in violation of the explicit terms and length of the contract under Section 18-183 of the Property Tax Code, the tax imposed under subsections (a) and (b) of this Section shall be increased for the
taxable year in which the taxpayer relocated its facility by an amount equal to the amount of credit received by the taxpayer under this subsection (h).

(i) Credit for Personal Property Tax Replacement Income Tax. A credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income allocable to Illinois and the denominator of which is Illinois base income, and further multiplying the product by the tax rate imposed by subsections (a) and (b) of this Section.

Any credit earned on or after December 31, 1986 under this subsection which is unused in the year the credit is computed because it exceeds the tax liability imposed by subsections (a) and (b) for that year (whether it exceeds the original liability or the liability as later amended) may be carried forward and applied to the tax liability imposed by subsections (a) and (b) of the 5 taxable years following the excess credit year. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.

If, during any taxable year ending on or after December 31, 1986, the tax imposed by subsections (c) and (d) of this Section for which a taxpayer has claimed a credit under this subsection (i) is reduced, the amount of credit for such tax shall also be reduced. Such reduction shall be determined by recomputing the credit to take into account the reduced tax imposed by subsections (c) and (d). If any portion of the reduced amount of credit has been carried to a different taxable year, an amended return shall be filed for such taxable year to reduce the amount of credit claimed.

(j) Training expense credit. Beginning with tax years ending on or after December 31, 1986, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all amounts paid or accrued, on behalf of all persons employed by the taxpayer in Illinois or Illinois residents employed outside of Illinois by a taxpayer, for educational or vocational training in semi-technical or technical fields or semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.
be applied first.

(k) Research and development credit.

Beginning with tax years ending after July 1, 1990, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for increasing research activities in this State. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 6 1/2% of the qualifying expenditures for increasing research activities in this State. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

For purposes of this subsection, "qualifying expenditures" means the qualifying expenditures as defined for the federal credit for increasing research activities which would be allowable under Section 41 of the Internal Revenue Code and which are conducted in this State, "qualifying expenditures for increasing research activities in this State" means the excess of qualifying expenditures for the taxable year in which incurred over qualifying expenditures for the base period, "qualifying expenditures for the base period" means the average of the qualifying expenditures for each year in the base period, and "base period" means the 3 taxable years immediately preceding the taxable year for which the determination is being made.

Any credit in excess of the tax liability for the taxable year may be carried forward. A taxpayer may elect to have the unused credit shown on its final completed return carried over as a credit against the tax liability for the following 5 taxable years or until it has been fully used, whichever occurs first.

If an unused credit is carried forward to a given year from 2 or more earlier years, that credit arising in the earliest year will be applied first against the tax liability for the given year. If a tax liability for the given year still remains, the credit from the next earliest year will then be applied, and so on, until all credits have been used or no tax liability for the given year remains. Any remaining unused credit or credits then will be carried forward to the next following year in which a tax liability is incurred, except that no credit can be carried forward to a year which is more than 5 years after the year in which the expense for which the credit is given was incurred.

Unless extended by law, the credit shall not include costs incurred after December 31, 2004, except for costs incurred pursuant to a binding contract entered into on or before December 31, 2004.

No inference shall be drawn from this amendatory Act of the 91st General Assembly in construing this Section for taxable years beginning before January 1, 1999.

(l) Environmental Remediation Tax Credit.

(i) For tax years ending after December 31, 1997 and on or before December 31, 2001, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section,
"unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14 of the Environmental Protection Act that were paid in performing environmental remediation at a site for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. After the Pollution Control Board rules are adopted pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act, determinations as to credit availability for purposes of this Section shall be made consistent with those rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site, except that the $100,000 threshold shall not apply to any site contained in an enterprise zone as determined by the Department of Commerce and Community Affairs. The total credit allowed shall not exceed $40,000 per year with a maximum total of $150,000 per site. For partners and shareholders of subchapter S corporations, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the
amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

   (iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

   (m) Education expense credit.

   Beginning with tax years ending after December 31, 1999, a taxpayer who is the custodian of one or more qualifying pupils shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for qualified education expenses incurred on behalf of the qualifying pupils. The credit shall be equal to 25% of qualified education expenses, but in no event may the total credit under this Section claimed by a family that is the custodian of qualifying pupils exceed $500. In no event shall a credit under this subsection reduce the taxpayer's liability under this Act to less than zero. This subsection is exempt from the provisions of Section 250 of this Act.

   For purposes of this subsection:

   "Qualifying pupils" means individuals who (i) are residents of the State of Illinois, (ii) are under the age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through twelfth grade education program at any school, as defined in this subsection.

   "Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of $250 for tuition, book fees, and lab fees at the school in which the pupil is enrolled during the regular school year.

   "School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of the School Code, except that nothing shall be construed to require a child to attend any particular public or nonpublic school to qualify for the credit under this Section.

   "Custodian" means, with respect to qualifying pupils, an Illinois resident who is a parent, the parents, a legal guardian, or the legal guardians of the qualifying pupils.

(e) Gross income; adjusted gross income; taxable income.

(1) In general. Subject to the provisions of paragraph (2) and subsection (b)(3), for purposes of this Section and Section 803(e), a taxpayer's gross income,
adjusted gross income, or taxable income for the taxable year shall mean the amount of gross income, adjusted gross income or taxable income properly reportable for federal income tax purposes for the taxable year under the provisions of the Internal Revenue Code. Taxable income may be less than zero. However, for taxable years ending on or after December 31, 1986, net operating loss carryforwards from taxable years ending prior to December 31, 1986, may not exceed the sum of federal taxable income for the taxable year before net operating loss deduction, plus the excess of addition modifications over subtraction modifications for the taxable year. For taxable years ending prior to December 31, 1986, taxable income may never be an amount in excess of the net operating loss for the taxable year as defined in subsections (c) and (d) of Section 172 of the Internal Revenue Code, provided that when taxable income of a corporation (other than a Subchapter S corporation), trust, or estate is less than zero and addition modifications, other than those provided by subparagraph (E) of paragraph (2) of subsection (b) for corporations or subparagraph (E) of paragraph (2) of subsection (c) for trusts and estates, exceed subtraction modifications, an addition modification must be made under those subparagraphs for any other taxable year to which the taxable income less than zero (net operating loss) is applied under Section 172 of the Internal Revenue Code or under subparagraph (E) of paragraph (2) of this subsection (e) applied in conjunction with Section 172 of the Internal Revenue Code.

(2) Special rule. For purposes of paragraph (1) of this subsection, the taxable income properly reportable for federal income tax purposes shall mean:

(A) Certain life insurance companies. In the case of a life insurance company subject to the tax imposed by Section 801 of the Internal Revenue Code, life insurance company taxable income, plus the amount of distribution from pre-1984 policyholder surplus accounts as calculated under Section 815a of the Internal Revenue Code;

(B) Certain other insurance companies. In the case of mutual insurance companies subject to the tax imposed by Section 831 of the Internal Revenue Code, insurance company taxable income;

(C) Regulated investment companies. In the case of a regulated investment company subject to the tax imposed by Section 852 of the Internal Revenue Code, investment company taxable income;

(D) Real estate investment trusts. In the case of a real estate investment trust subject to the tax imposed by Section 857 of the Internal Revenue Code, real estate investment trust taxable income;

(E) Consolidated corporations. In the case of a corporation which is a member of an affiliated group of corporations filing a consolidated income tax return for the taxable year for federal income tax purposes, taxable income determined as if such corporation had filed a separate return for federal income tax purposes for the taxable year and each preceding taxable year for which it was a member of an affiliated group. For purposes of this

subparagraph, the taxpayer's separate taxable income shall be determined as if the election provided by Section 243(b) (2) of the Internal Revenue Code had been in effect for all such years;

(F) Cooperatives. In the case of a cooperative corporation or association, the taxable income of such organization determined in accordance with the provisions of Section 1381 through 1388 of the Internal Revenue Code;

(G) Subchapter S corporations. In the case of: (i) a Subchapter S corporation for which there is in effect an election for the taxable year under Section 1362 of the Internal Revenue Code, the taxable income of such corporation determined in accordance with Section 1363(b) of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 1363(b)(1) of the Internal Revenue Code to be separately stated; and (ii) a Subchapter S corporation for which there is in effect a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982, the taxable income of such corporation determined in accordance with the federal Subchapter S rules as in effect on July 1, 1982; and

(H) Partnerships. In the case of a partnership, taxable income determined in accordance with Section 703 of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 703(a)(1) to be separately stated but which would be taken into account by an individual in calculating his taxable income.

(f) Valuation limitation amount.

(1) In general. The valuation limitation amount referred to in subsections (a) (2) (G), (c) (2) (I) and (d)(2) (E) is an amount equal to:

(A) The sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of gain reportable under the provisions of Section 1245 or 1250 of the Internal Revenue Code) for all property in respect of which such gain was reported for the taxable year; plus

(B) The lesser of (i) the sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of capital gain) for all property in respect of which such gain was reported for federal income tax purposes for the taxable year, or (ii) the net capital gain for the taxable year, reduced in either case by any amount of such gain included in the amount determined under subsection (a) (2) (F) or (c) (2) (H).

(2) Pre-August 1, 1969 appreciation amount.

(A) If the fair market value of property referred to in paragraph (1) was readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is the lesser of (i) the excess of such fair market value over the taxpayer's basis (for determining gain) for such

New matter indicated by italics - deletions by strikeout.
property on that date (determined under the Internal Revenue Code as in effect on that date), or (ii) the total gain realized and reportable for federal income tax purposes in respect of the sale, exchange or other disposition of such property.

(B) If the fair market value of property referred to in paragraph (1) was not readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is that amount which bears the same ratio to the total gain reported in respect of the property for federal income tax purposes for the taxable year, as the number of full calendar months in that part of the taxpayer's holding period for the property ending July 31, 1969 bears to the number of full calendar months in the taxpayer's entire holding period for the property.

(C) The Department shall prescribe such regulations as may be necessary to carry out the purposes of this paragraph.

(g) Double deductions. Unless specifically provided otherwise, nothing in this Section shall permit the same item to be deducted more than once.

(h) Legislative intention. Except as expressly provided by this Section there shall be no modifications or limitations on the amounts of income, gain, loss or deduction taken into account in determining gross income, adjusted gross income or taxable income for federal income tax purposes for the taxable year, or in the amount of such items entering into the computation of base income and net income under this Act for such taxable year, whether in respect of property values as of August 1, 1969 or otherwise.

Section 24. The Economic Development for a Growing Economy Tax Credit Act is amended by changing Section 5-5 as follows:

(35 ILCS 10/5-5)
Sec. 5-5. Definitions. As used in this Act:
"Agreement" means the Agreement between a Taxpayer and the Department under the provisions of Section 5-50 of this Act.
"Applicant" means a Taxpayer that is operating a business located or that the Taxpayer plans to locate within the State of Illinois and that is engaged in interstate or intrastate commerce for the purpose of manufacturing, processing, assembling, warehousing, or distributing products, conducting research and development, providing tourism services, or providing services in interstate commerce, office industries, or agricultural processing, but excluding retail, retail food, health, or professional services. "Applicant" does not include a Taxpayer who closes or substantially reduces an operation at one location in the State and relocates substantially the same operation to another location in the State. This does not prohibit a Taxpayer from expanding its operations at another location in the State, provided that existing operations of a similar nature located within the State are not closed or substantially reduced. This also does not prohibit a Taxpayer from moving its operations from one location in the State to another location in the State for the purpose of expanding the operation provided that the Department determines that expansion cannot reasonably be accommodated within the municipality in which the business is located, or in the case of a business located in an incorporated area of the county, within the county in which the business is located, after conferring with the chief elected official of the municipality or county and taking into consideration any evidence offered by the municipality or county regarding the ability to accommodate expansion within the municipality or county.
"Committee" means the Illinois Business Investment Committee created under Section 5-25 of this Act within the Illinois Economic Development Board.
"Credit" means the amount agreed to between the Department and Applicant under this Act, but not to exceed the Incremental Income Tax attributable to the Applicant's project.
"Department" means the Department of Commerce and Community Affairs.
"Director" means the Director of Commerce and Community Affairs.
"Full-time Employee" means an individual who is employed for consideration for at least 35 hours each week or who renders any other standard of service generally accepted by industry custom or practice as full-time employment.
"Incremental Income Tax" means the total amount withheld during the taxable year from the compensation of New Employees under Article 7 of the Illinois Income Tax Act arising from employment at a project that is the subject of an Agreement.
"New Employee" means:
(a) A Full-time Employee first employed by a Taxpayer in the project that is the subject of an Agreement and who is hired after the Taxpayer enters into the tax

credit Agreement.

(b) The term "New Employee" does not include:

1. an employee of the Taxpayer who performs a job that was previously performed by another employee, if that job existed for at least 6 months before hiring the employee;
2. an employee of the Taxpayer who was previously employed in Illinois by a Related Member of the Taxpayer and whose employment was shifted to the Taxpayer after the Taxpayer entered into the tax credit Agreement; or
3. a child, grandchild, parent, or spouse, other than a spouse who is legally separated from the individual, of any individual who has a direct or an indirect ownership interest of at least 5% in the profits, capital, or value of the Taxpayer.

(c) Notwithstanding paragraph (1) of subsection (b), an employee may be considered a New Employee under the Agreement if the employee performs a job that was previously performed by an employee who was:

1. treated under the Agreement as a New Employee; and
2. promoted by the Taxpayer to another job.

(d) Notwithstanding subsection (a), the Department may award Credit to an Applicant with respect to an employee hired prior to the date of the Agreement if:

1. the Applicant is in receipt of a letter from the Department stating an intent to enter into a credit Agreement;
2. the letter described in paragraph (1) is issued by the Department not later than 15 days after the effective date of this Act; and
3. the employee was hired after the date the letter described in paragraph (1) was issued.

"Noncompliance Date" means, in the case of a Taxpayer that is not complying with the requirements of the Agreement or the provisions of this Act, the day following the last date upon which the Taxpayer was in compliance with the requirements of the Agreement and the provisions of this Act, as determined by the Director, pursuant to Section 5-65.

"Pass Through Entity" means an entity that is exempt from the tax under subsection (b) or (c) of Section 205 of the Illinois Income Tax Act.

"Related Member" means a person that, with respect to the Taxpayer during any portion of the taxable year, is any one of the following:

1. An individual stockholder, if the stockholder and the members of the stockholder’s family (as defined in Section 318 of the Internal Revenue Code) own directly, indirectly, beneficially, or constructively, in the aggregate, at least 50% of the value of the Taxpayer's outstanding stock.

Sec. 9. Except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, each retailer required or authorized to collect the tax imposed by this Act shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. A retailer need not remit that part of any tax collected by him to the extent that he is required to remit and does remit the tax imposed by the Retailers' Occupation Tax Act, with respect to the sale of the same property.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the retailer, in collecting the tax (except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State), may collect for each tax return period, only the tax applicable to that part of the selling price actually received during such tax return period.

Except as provided in this Section, on or before the twentieth day of each calendar month, such retailer shall file a return for the preceding calendar month. Such return shall be filed on forms prescribed by the Department and shall furnish such information as the Department may reasonably require.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due;  
5-5. The signature of the taxpayer; and  
6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Service Use Tax Act was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service

Occupation Tax Act, and the Service Use Tax Act was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985, and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987, and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the
Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

If any such payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown by an original monthly return, the Department shall issue to the taxpayer a credit memorandum no later than 30 days after the date of payment, which memorandum may be submitted by the taxpayer to the Department in payment of tax liability subsequently to be remitted by the taxpayer to the Department or be assigned by the taxpayer to a similar taxpayer under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department, except that if such excess payment is shown on an original monthly return and is made after December 31, 1986, no credit memorandum shall be issued, unless requested by the taxpayer. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted by the taxpayer to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% or 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and the taxpayer shall be liable for penalties and interest on such difference.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarterly basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability to the Department does not exceed $50, the
Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 3-55 of this Act, then that seller may report the transfer of all the aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form.

For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

The transaction reporting return in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft and aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the
extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the date of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the tax that is imposed by this Act may be transmitted to the Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer, and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Where a retailer collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the retailer refunds the selling price thereof to the purchaser, such retailer shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the retailer may deduct the amount of the tax so refunded by him to the purchaser from any other use tax which such retailer may be required to pay or remit to the Department, as shown by such return, if the amount of the tax to be deducted was previously remitted to the Department by such retailer. If the retailer has not previously remitted the amount of such tax to the Department, he is entitled to no deduction under this Act upon refunding such tax to the purchaser.

Any retailer filing a return under this Section shall also include (for the purpose of paying tax thereon) the total tax covered by such return upon the selling price of tangible personal property purchased by him at retail from a retailer, but as to which the tax imposed by this Act was not collected from the retailer filing such return, and such retailer shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable retailers, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the retailer has more than one business registered with the Department under separate registration under this Act, such retailer may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State Treasury, 50% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property, other than tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendment thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Community Affairs Law of the Civil Administrative Code of Illinois.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Section 1g of the Retailers' Occupation Tax Act. If the equipment is leased in a manner that
does not qualify for this exemption or is used in any other non-exempt manner, the lessor
shall be liable for the tax imposed under this Act or the Use Tax Act, as the case may be,
based on the fair market value of the property at the time the non-qualifying use occurs. No
lessor shall collect or attempt to collect an amount (however designated) that purports to
reimburse that lessor for the tax imposed by this Act or the Use Tax Act, as the case may be,
if the tax has not been paid by the lessor. If a lessor improperly collects any such amount
from the lessee, the lessee shall have a legal right to claim a refund of that amount from the
lessor. If, however, that amount is not refunded to the lessee for any reason, the lessor is liable to pay that amount to the Department.

If the property is leased in a manner that does not qualify for this exemption or is used in any other non-exempt manner, the lessor shall be liable for the tax imposed under this Act or the Use Tax Act, as the case may be, based on the fair market value of the property at the time the non-qualifying use occurs. For purposes of this exemption, "a corporation, limited liability company, society, association, foundation, or institution organized and operated exclusively for educational purposes" means all tax-supported public schools, private schools that offer systematic instruction in useful branches of learning by methods common to public

This paragraph does not apply to fundraising events (i) for the benefit of private home instruction or (ii) for which the fundraising entity purchases the personal property sold at the events from another individual or entity that sold the property for the purpose of resale by the fundraising entity and that profits from the sale to the fundraising entity. This paragraph is exempt from the provisions of Section 3-75.

If, however, that amount is not refunded to the lessee for any reason, the lessor is liable to pay that amount to the Department. This paragraph is exempt from the provisions of Section 3-75.

(35 ILCS 110/9) (from Ch. 120, par. 439.39)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. A serviceman need not remit that part of any tax collected by him to the extent that he is required to pay and does pay the tax imposed by the Service Occupation Tax Act with respect to his sale of service involving the incidental transfer by him of the same property.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable Rules and Regulations to be promulgated by the Department. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

If the serviceman is otherwise required to file a monthly return and if the serviceman's
average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the serviceman is otherwise required to file a monthly or quarterly return and if the serviceman's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Where a serviceman collects the tax with respect to the selling price of property which he sells and the purchaser thereafter returns such property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Use Tax, Service Occupation Tax, retailers' occupation tax or use tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

Any serviceman filing a return hereunder shall also include the total tax upon the selling price of tangible personal property purchased for use by him as an incident to a sale of service, and such serviceman shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Service Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registration hereunder, such serviceman shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property, other than tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and

interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget. If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers’ Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

but not after fiscal year 2042.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth
of the amount requested in the certificate of the Chairman of the Metropolitan Pier and
Exposition Authority for that fiscal year, less the amount deposited into the McCormick
Place Expansion Project Fund by the State Treasurer in the respective month under
subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus
cumulative deficiencies in the deposits required under this Section for previous months and
years, shall be deposited into the McCormick Place Expansion Project Fund, until the full
amount requested for the fiscal year, but not in excess of the amount specified above as
"Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place
Expansion Project Fund pursuant to the preceding paragraphs or in any amendment thereto
hereafter enacted, each month the Department shall pay into the Local Government
Distributive Fund 0.4% of the net revenue realized for the preceding month from the 5%
general rate or 0.4% of 80% of the net revenue realized for the preceding month from the
6.25% general rate, as the case may be, on the selling price of tangible personal property
which amount shall, subject to appropriation, be distributed as provided in Section 2 of the
State Revenue Sharing Act. No payments or distributions pursuant to this paragraph shall be
made if the tax imposed by this Act on photo processing products is declared
unconstitutional, or if the proceeds from such tax are unavailable for distribution because of
litigation.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place
Expansion Project Fund, and the Local Government Distributive Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, and the Local Government Distributive Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Community Affairs Law of the Civil Administrative Code of Illinois.

All remaining moneys received by the Department pursuant to this Act shall be paid into the General Revenue Fund of the State Treasury.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. This paragraph does not apply to fundraising events (i) for the benefit of private home instruction or (ii) for which the fundraising entity purchases the personal property sold at the events from another individual or entity that sold the property for the purpose of resale by the fundraising entity and that profits from the sale to the fundraising entity. This paragraph is exempt from the provisions of Section 3-55.
(23) Beginning January 1, 2000 and through December 31, 2001, new or used automatic vending machines that prepare and serve hot food and beverages, including coffee, soup, and other items, and replacement parts for these machines. This paragraph is exempt from the provisions of Section 3-55.

(25) Beginning on the effective date of this amendatory Act of the 92nd General Assembly, personal property sold to a lessor who leases the property, under a lease of one year or longer executed or in effect at the time of the purchase, to a governmental body that has been issued an active tax exemption identification number by the Department under Section 1g of the Retailers’ Occupation Tax Act. Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the serviceman, in collecting the tax may collect, for each tax return period, only the tax applicable to the part of the selling price actually received during such tax return period.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable rules and regulations to be promulgated by the Department of Revenue. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

A serviceman may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Service Use Tax as provided in Section 3-70 of the Service Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-70 of the Service Use Tax Act. Where a serviceman collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Occupation Tax, Service Use Tax, Retailers' Occupation Tax or Use Tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, the Use Tax Act or the Service Use Tax Act, to furnish all the return information required by all said Acts on the one form.

Section 13.2 of the Metropolitan Pier and Exposition Authority Act, but not after fiscal year 2042.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendment thereto hereafter enacted, each month the Department shall pay into the Local Government Distributive Fund 0.4% of the net revenue realized for the preceding month from the 5% general rate or 0.4% of 80% of the net revenue realized for the preceding month from the 6.25% general rate, as the case may be, on the selling price of tangible personal property which amount shall, subject to appropriation, be distributed as provided in Section 2 of the State Revenue Sharing Act. No payments or distributions pursuant to this paragraph shall be made if the tax imposed by this Act on photoprocessing products is declared unconstitutional, or if the proceeds from such tax are unavailable for distribution because of litigation.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, and the Local Government Distributive Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, and the Local Government Distributive Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Community Affairs Law of the Civil Administrative Code of Illinois.

Remaining moneys received by the Department pursuant to this Act shall be paid into the General Revenue Fund of the State Treasury.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the taxpayer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the taxpayer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The taxpayer's annual return to the Department shall also disclose the cost of goods sold by the taxpayer during the year covered by such return, opening and closing inventories of such goods for such year, cost of goods used from stock or taken from stock and given away by the taxpayer during such year, payroll information of the taxpayer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such taxpayer as hereinbefore provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The foregoing portion of this Section concerning the filing of an annual information return shall not apply to a serviceman who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, it shall be permissible for manufacturers,
importers and wholesalers whose products are sold by numerous servicemen in Illinois, and who wish to do so, to assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the servicemen who are affected do not make written objection to the Department to this arrangement.

3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year.

The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of The Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the

amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of The Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer,

such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the
preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1996, and prior to January 1, 1998, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year.

The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly

liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of $25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to the effective date of this amendatory Act of 1985, each payment shall be in an amount not less than 22.5% of the taxpayer’s actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer’s actual liability for the month or 27.5% of the taxpayer’s liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer’s actual liability for the month or 26.25% of the taxpayer’s liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has
collected prepaid taxes that average in excess of $20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than $20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Expansion Project Fund pursuant to the preceding paragraphs or in any amendment thereto hereafter enacted, each month the Department shall pay into the Local Government Distributive Fund 0.4% of the net revenue realized for the preceding month from the 5% general rate or 0.4% of 80% of the net revenue realized for the preceding month from the 6.25% general rate, as the case may be, on the selling price of tangible personal property which amount shall, subject to appropriation, be distributed as provided in Section 2 of the State Revenue Sharing Act. No payments or distributions pursuant to this paragraph shall be made if the tax imposed by this Act on photoprocessing products is declared unconstitutional, or if the proceeds from such tax are unavailable for distribution because of litigation.

Subject to payment of amounts into the Build Illinois Fund, and the McCormick Place Expansion Project Fund, and the Local Government Distributive Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, and the Local Government Distributive Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Community Affairs Law of the Civil Administrative Code of Illinois.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business

during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. Sec. 14-114. Automatic increase in retirement annuity.

(a) Any person receiving a retirement annuity under this Article who retires having attained age 60, or who retires before age 60 having at least 35 years of creditable service, or who retires on or after January 1, 2001 at an age which, when added to the number of years of his or her creditable service, equals at least 85, shall, on January 1 next following the first full year of retirement, have the amount of the then fixed and payable monthly retirement annuity increased 3%. Any person receiving a retirement annuity under this Article who retires before attainment of age 60 and with less than (i) 35 years of creditable service if retirement is before January 1, 2001, or (ii) the number of years of creditable service which, when added to the member's age, would equal 85, if retirement is on or after January 1, 2001, shall have the amount of the fixed and payable retirement annuity increased by 3% on the January 1 occurring on or next following (1) attainment of age 60, or (2) the first anniversary of retirement, whichever occurs later. However, for persons who receive the alternative retirement annuity under Section 14-110, references in this subsection (a) to attainment of age 60 shall be deemed to refer to attainment of age 55. For a person receiving early retirement incentives under Section 14-108.3 whose retirement annuity began after January 1, 1992 pursuant to an extension granted under subsection (e) of that Section, the first anniversary of retirement shall be deemed to be January 1, 1993. For a person who retires on or after June 28, 2001 the effective date of this amendatory Act of the 92nd General Assembly and on or before October 1, 2001 the first day of the fourth calendar year occurring after June 27, 2001, the amount of the then fixed and payable retirement annuity shall, on the first anniversary of retirement, be increased by an amount equal to 3% of the amount of the fixed and payable retirement annuity, on the first anniversary of retirement, which is less than the amount of the fixed and payable retirement annuity as increased by the amounts determined under this subsection (a).

month following the month in which this amendatory Act takes effect, and whose retirement annuity is calculated, in whole or in part, under Section 14-110 or subsection (g) or (h) of Section 14-108, the first anniversary of retirement shall be deemed to be January 1, 2002.

On each January 1 following the date of the initial increase under this subsection, the employee's monthly retirement annuity shall be increased by an additional 3%.

Beginning January 1, 1990, all automatic annual increases payable under this Section shall be calculated as a percentage of the total annuity payable at the time of the increase, including previous increases granted under this Article.

(b) The provisions of subsection (a) of this Section shall be applicable to an employee only if the employee makes the additional contributions required after December 31, 1969 for the purpose of the automatic increases for not less than the equivalent of one full year. If an employee becomes an annuitant before his additional contributions equal one full year's contributions based on his salary at the date of retirement, the employee may pay the necessary balance of the contributions to the system, without interest, and be eligible for the increasing annuity authorized by this Section.

(c) The provisions of subsection (a) of this Section shall not be applicable to any annuitant who is on retirement on December 31, 1969, and thereafter returns to State service, unless the member has established at least one year of additional creditable service following reentry into service.

(d) In addition to other increases which may be provided by this Section, on January 1, 1981 any annuitant who was receiving a retirement annuity on or before January 1, 1971 shall have his retirement annuity then being paid increased $1 per month for each year of creditable service. On January 1, 1982, any annuitant who began receiving a retirement annuity on or before January 1, 1977, shall have his retirement annuity then being paid increased $1 per month for each year of creditable service.

On January 1, 1987, any annuitant who began receiving a retirement annuity on or before January 1, 1977, shall have the monthly retirement annuity increased by an amount equal to $8 per year of creditable service times the number of years that have elapsed since the annuity began.

(e) Every person who receives the alternative retirement annuity under Section 14-110 and who is eligible to receive the 3% increase under subsection (a) on January 1, 1986, shall also receive on that date a one-time increase in retirement annuity equal to the difference between (1) his actual retirement annuity on that date, including any increases received under subsection (a), and (2) the amount of retirement annuity he would have received on that date if the amendments to subsection (a) made by Public Act 84-162 had been in effect since the date of his retirement.

Sec. 17-119.1. Optional increase in retirement annuity.

(a) A member of the Fund may qualify for the augmented rate under subdivision (b)(3) of Section 17-116 for all years of creditable service earned before July 1, 1998 by making the optional contribution specified in subsection (b); except that a member who retires on or after July 1, 1998 with at least 30 years of creditable service at retirement qualifies for the augmented rate without making any contribution under subsection (b). Any member who retires on or after July 1, 1998 and before the effective date of this amendatory Act of the 92nd General Assembly with at least 30 years of creditable service shall be paid a lump sum equal to the amount he or she would have received under the augmented rate minus the amount he or she actually received. A member may not elect to qualify for the augmented rate for only a portion of his or her creditable service earned before July 1, 1998.

(b) The contribution shall be an amount equal to 1.0% of the member's highest salary rate in the 4 consecutive school years immediately prior to but not including the school year in which the application occurs, multiplied by the number of years of creditable service earned by the member before July 1, 1998 or 20, whichever is less. This contribution shall be reduced by 1.0% of that salary rate for every 3 full years of creditable service earned by the member after June 30, 1998. The contribution shall be further reduced at the rate of 25% of the contribution (as reduced for service after June 30, 1998) for each year of the member's total creditable service in excess of 34 years. The contribution shall not in any event exceed 20% of that salary rate.

The member shall pay to the Fund the amount of the contribution as calculated at the time of application under this Section. The amount of the contribution determined under this subsection shall be recalculated at the time of retirement, and if the Fund determines that the amount paid by the member exceeds the recalculated amount, the Fund shall refund the difference to the member with regular interest from the date of payment to the date of refund.

The contribution required by this subsection shall be paid in one of the following ways or in a combination of the following ways that does not extend over more than 5 years:

(i) in a lump sum on or before the date of retirement;

(ii) in substantially equal installments over a period of time not to exceed 5

years, as a deduction from salary in accordance with Section 17-130.2;
  (iii) if the member becomes an annuitant before June 30, 2003, in substantially equal monthly installments over a 24-month period, by a deduction from the annuitant’s monthly benefit.

(c) If the member fails to make the full contribution under this Section in a timely fashion, the payments made under this Section shall be refunded to the member, without interest. If the member dies before making the full contribution, the payments made under this Section shall be refunded to the member's designated beneficiary.

(d) For purposes of this Section and subsection (b) of Section 17-116, optional creditable service established by a member shall be deemed to have been earned at the time of the employment or other qualifying event upon which the service is based, rather than at the time the credit was established in this Fund.

(e) The contributions required under this Section are the responsibility of the teacher and not the teacher's employer. However, an employer of teachers may, after the effective date of this amendatory Act of 1998, specifically agree, through collective bargaining or otherwise, to make the contributions required by this Section on behalf of those teachers. If the board desires to levy the tax, it shall order a referendum on the proposition to be held at an election in accordance with the general election law. The board shall certify the proposition to the proper election officials, who shall submit the proposition to the voters at an election in accordance with the general election law. If a majority of the votes cast on the proposition is in favor of the proposition, the board may annually levy the tax.

(b) If the township board of any township authorized to levy a tax under this Section pursuant to a referendum held before January 1, 1987, desires to increase the maximum rate of the tax to 0.15% of the value, as equalized and assessed by the Department of Revenue, of all taxable property in the township, it shall order a referendum on that proposition to be held at an election in accordance with the general election law. Sec. 3.1-55-10. Interests in contracts.

(a) A municipal officer shall not be financially interested directly in the officer's own name or indirectly in the name of any other person, association, trust, or corporation, in any contract, work, or business of the municipality or in the sale of any article whenever the expense, price, or consideration of the contract, work, business, or sale is paid either from the treasury or by an assessment levied by statute or ordinance. A municipal officer shall not be interested, directly or indirectly, in the purchase of any property that (i) belongs to the municipality, (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the municipality. For the purposes of this Section only, however, a municipal officer shall not be deemed interested if the officer is an employee of a company or owns or holds an interest of 1% or less in the municipal officer's individual name in a company, or both, that company is involved in the transaction of business with the municipality, and that company's stock is traded on a nationally recognized securities market, provided the interested member (i) publicly discloses the fact that he or she is an employee or holds an interest of 1% or less in a company before deliberation of the proposed award of the contract; (ii) refrains from evaluating, recommending, approving, deliberating, or otherwise participating in the negotiation, approval, or both, of the contract, work, or business; (iii) abstains from voting on the award of the contract though he or she shall be considered present for purposes of establishing a quorum; and (iv) the contract is approved by a majority vote of those members currently holding office.

A municipal officer shall not be deemed interested if the officer owns or holds an interest of 1% or less, not in the officer's individual name but through a mutual fund, in a company, that company is involved in the transaction of business with the municipality, and that company's stock is traded on a nationally recognized securities market.

This Section does not prohibit any person serving on a municipal advisory panel or commission or nongoverning board or commission from having an interest in a contract, work, or business of the municipality unless the municipal officer's duties include evaluating, recommending, approving, or voting to recommend or approve the contract, work, or business.

(b) Any elected or appointed member of the governing body may, however, provide materials, merchandise, property, services, or labor, subject to the following provisions under either (1) or (2):

(E) the contract is awarded after sealed bids to the lowest responsible bidder if the amount of the contract exceeds $1,500 (but the contract may be awarded without bidding if the amount is less than $1,500); and

(F) the award of the contract would not cause the aggregate amount of all contracts so awarded to the same person, firm, association, partnership, corporation, or cooperative association in the same fiscal year to exceed $25,000.

(2) If:

(A) the award of the contract is approved by a majority vote of the governing body of the municipality (provided that the interested member shall abstain from voting);

(B) the amount of the contract does not exceed $2,000;

(C) the award of the contract would not cause the aggregate amount of all contracts so awarded to the same person, firm, association, partnership, corporation, or cooperative association in the same fiscal year to exceed $4,000;

(D) the interested member publicly discloses the nature and extent of his interest before or during deliberations concerning the proposed award of the contract; and

(E) the interested member abstains from voting on the award of the contract (though the member shall be considered present for the purposes of establishing a quorum).

(b-5) In addition to the above exemptions, any elected or appointed member of the governing body may provide materials, merchandise, property, services, or labor if:

(1) the contract is with a person, firm, partnership, association, corporation, or cooperative association in which the interested member of the governing body of the municipality, advisory panel, or commission has less than a 1% share in the ownership; and

(2) the award of the contract is approved by a majority vote of the governing body of the municipality provided that any such interested member shall abstain from voting; and

(d) An officer who violates this Section is guilty of a Class 4 felony. In addition, any office held by an officer so convicted shall become vacant and shall be so declared as part of the judgment of the court.

(e) Nothing contained in this Section, including the restrictions set forth in subsections (b) and (c), shall preclude a contract of deposit of moneys, loans, or other financial services by a municipality with a local bank or local savings and loan association, regardless of whether a member of the governing body of the municipality is interested in the bank or savings and loan association as an officer or employee or as a holder of less than 7 1/2% of the total ownership interest. A member holding an interest described in this subsection (e) in a contract does not hold a prohibited interest for purposes of this Act. The interested member of the governing body must publicly state the nature and extent of the interest during deliberations concerning the proposed award of the contract but shall not participate in any further deliberations concerning the proposed award. The interested member shall not vote on the proposed award. A member abstaining from participation in deliberations and voting under this Section may be considered present for purposes of establishing a quorum. Award of the contract shall require approval by a majority vote of those members presently holding office. Consideration and award of a contract in which a member is interested may only be made at a regularly scheduled public meeting of the governing body of the municipality.

Sec. 11-21.5-5. Local emergency energy plans.

(a) Any municipality, including a home rule municipality, may, by ordinance, require any electric utility (i) that serves more than 1,000,000 customers in Illinois and (ii) that is operating within the corporate limits of the municipality to adopt and to provide the municipality with a local emergency energy plan. For the purposes of this Section, (i) "local emergency energy plan" or "plan" means a planned course of action developed by the electric utility that is implemented when the demand for electricity exceeds, or is at significant risk of exceeding, the supply of electricity available to the electric utility and (ii) "local emergency energy plan ordinance" means an ordinance adopted by the corporate authorities of the municipality under this Section that requires local emergency energy plans.

(b) A local emergency energy plan must include the following information:

(1) the circumstances that would require the implementation of the plan;

New matter indicated by italics - deletions by strikeout.
(2) the levels or stages of the plan;
(3) the approximate geographic limits of each outage area provided for in the plan;
(4) the approximate number of customers within each outage area provided for in the plan;
(5) any police facilities, fire stations, hospitals, nursing homes, schools, day care centers, senior citizens centers, community health centers, dialysis centers, community mental health centers, correctional facilities, stormwater and wastewater treatment or pumping facilities, water-pumping stations, buildings in excess of 80 feet in height that have been identified by the municipality, and persons on life support systems that are known to the electric utility that could be affected by controlled rotating interruptions of electric service under the plan; and
(6) the anticipated sequence and duration of intentional interruptions of electric service to each outage area under the plan.

(c) A local emergency energy plan ordinance may require that, when an electric utility determines it is necessary to implement a controlled rotating interruption of electric service because the demand for electricity exceeds, or is at significant risk of exceeding, the supply of electricity available to the electric utility, the electric utility notify a designated municipal officer that the electric utility will be implementing its local emergency energy plan. The notification shall be made pursuant to a procedure approved by the municipality after consultation with the electric utility.

(d) After providing the notice required in subsection (c), an electric utility shall reasonably and separately advise designated municipal officials before it implements each level or stage of the plan, which shall include (i) a request for emergency help from neighboring utilities, (ii) a declaration of a control area emergency, and (iii) a public appeal for voluntary curtailment of electricity use.

(e) The electric utility must give a separate notice to a designated municipal official immediately after it determines that there will be a controlled rotating interruption of electric service under the local emergency energy plan. The notification must include (i) the areas in which service will be interrupted, (ii) the sequence and estimated duration of the service outage for each area, (iii) the affected feeders, and (iv) the number of affected customers in each area. Whenever practical, the notification shall be made at least 2 hours before the time of the outages. If the electric utility is aware that controlled rotating interruptions may be required, the notification may not be made less than 30 minutes before the outages.

(f) A local emergency energy plan ordinance may provide civil penalties for violations of its provisions. The penalties must be permitted under the Illinois Municipal Code.

(g) The notifications required by this Section are in addition to the notification requirements of any applicable franchise agreement or ordinance and to the notification requirements of any applicable federal or State law, rule, and regulation.

(h) Except for any penalties or remedies that may be provided in a local emergency energy plan ordinance, in this Act, or in rules adopted by the Illinois Commerce Commission

Commission, nothing in this Section shall be construed to impose liability for or prevent a utility from taking any actions that are necessary at any time, in any order, and with or without notice that are required to preserve the integrity of the electric utility's electrical system and interconnected network.

(i) Nothing in this Section, a local emergency energy plan ordinance, or a local emergency energy plan creates any duty of a municipality to any person or entity. No municipality may be subject to any claim or cause of action arising, directly or indirectly, from its decision to adopt or to refrain from adopting a local emergency energy plan ordinance. No municipality may be subject to any claim or cause of action arising, directly or indirectly, from any act or omission under the terms of or information provided in a local emergency energy plan filed under a local emergency energy plan ordinance.

Sec. 11-74.4-3. Definitions. The following terms, wherever used or referred to in this Division 74.4 shall have the following respective meanings, unless in any case a different meaning clearly appears from the context.

(a) For any redevelopment project area that has been designated pursuant to this Section by an ordinance adopted prior to November 1, 1999 (the effective date of Public Act 91-478), "blighted area" shall have the meaning set forth in this Section prior to that date.

within the boundaries of a redevelopment project area located within the territorial limits of the municipality where:

(1) If improved, industrial, commercial, and residential buildings or improvements are detrimental to the public safety, health, or welfare because of a combination of 5 or more of the following factors, each of which is (i) present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) reasonably distributed throughout the improved part of the redevelopment project area:

(A) Dilapidation. An advanced state of disrepair or neglect of necessary repairs to the primary structural components of buildings or improvements in such a combination that a documented building condition analysis determines that major repair is required or the defects are so serious and so extensive that the buildings must be removed.

(B) Obsolescence. The condition or process of falling into disuse. Structures have become ill-suited for the original use.

(C) Deterioration. With respect to buildings, defects including, but not limited to, major defects in the secondary building components such as doors, windows, porches, gutters and downspouts, and fascia. With respect to surface improvements, that the condition of roadways, alleys, curbs, gutters, sidewalks, off-street parking, and surface storage areas evidence deterioration, including, but not limited to, surface cracking, crumbling, potholes, depressions, loose paving material, and weeds protruding through paved surfaces.

(D) Presence of structures below minimum code standards. All structures that do not meet the standards of zoning, subdivision, building, fire, and other governmental codes applicable to property, but not including housing and property maintenance codes.

(E) Illegal use of individual structures. The use of structures in violation of applicable federal, State, or local laws, exclusive of those applicable to the presence of structures below minimum code standards.

(F) Excessive vacancies. The presence of buildings that are unoccupied or under-utilized and that represent an adverse influence on the area because of the frequency, extent, or duration of the vacancies.

(G) Lack of ventilation, light, or sanitary facilities. The absence of adequate ventilation for light or air circulation in spaces or rooms without windows, or that require the removal of dust, odor, gas, smoke, or other noxious airborne materials. Inadequate natural light and ventilation means the absence of skylights or windows for interior spaces or rooms and improper window sizes and amounts by room area to window area ratios. Inadequate sanitary facilities refers to the absence or inadequacy of garbage storage and enclosure, bathroom facilities, hot water and kitchens, and structural

inadequacies preventing ingress and egress to and from all rooms and units within a building.

(H) Inadequate utilities. Underground and overhead utilities such as storm sewers and storm drainage, sanitary sewers, water lines, and gas, telephone, and electrical services that are shown to be inadequate. Inadequate utilities are those that are: (i) of insufficient capacity to serve the uses in the redevelopment project area, (ii) deteriorated, antiquated, obsolete, or in disrepair, or (iii) lacking within the redevelopment project area.

(I) Excessive land coverage and overcrowding of structures and community facilities. The over-intensive use of property and the crowding of buildings and accessory facilities onto a site. Examples of problem conditions warranting the designation of an area as one exhibiting excessive land coverage are: (i) the presence of buildings either improperly situated on parcels or located on parcels of inadequate size and shape in relation to present-day standards of development for health and safety and (ii) the presence of multiple buildings on a single parcel. For there to be a finding of excessive land coverage, these parcels must exhibit one or more of the following conditions: insufficient provision for light and air within or around buildings, increased threat of spread of fire due to the close proximity of buildings, lack of adequate or proper access to a public right-of-way, lack of reasonably required off-street parking, or inadequate provision for loading and service.

(J) Deleterious land use or layout. The existence of incompatible land-use relationships, buildings occupied by inappropriate mixed-uses, or uses considered to be noxious, offensive, or unsuitable for the surrounding area.

(K) Environmental clean-up. The proposed redevelopment project area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

(L) Lack of community planning. The proposed redevelopment project area was developed prior to or without the benefit or guidance of a community plan. This means that the development occurred prior to the adoption by the municipality of a comprehensive or other community plan or that the plan was not followed at the time of the area's development. This factor must be documented by evidence of adverse or incompatible land-use relationships, inadequate street layout, improper subdivision, parcels of
inadequate shape and size to meet contemporary development standards, or other evidence demonstrating an absence of effective community planning.

(M) The total equalized assessed value of the proposed redevelopment project area has declined for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated or is increasing at an annual rate that is less than the balance of the municipality for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated.

(2) If vacant, the sound growth of the redevelopment project area is impaired by a combination of 2 or more of the following factors, each of which is (i) present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) reasonably distributed throughout the vacant part of the redevelopment project area to which it pertains:

(A) Obsolete platting of vacant land that results in parcels of limited or narrow size or configurations of parcels of irregular size or shape that would be difficult to develop on a planned basis and in a manner compatible with contemporary standards and requirements, or platting that failed to create rights-of-ways for streets or alleys or that created inadequate right-of-way widths for streets, alleys, or other public rights-of-way or that omitted easements for public utilities.

(B) Diversity of ownership of parcels of vacant land sufficient in number to retard or impede the ability to assemble the land for development.

(C) Tax and special assessment delinquencies exist or the property has been the subject of tax sales under the Property Tax Code within the last 5 years.

(D) Deterioration of structures or site improvements in neighboring areas adjacent to the vacant land.

(E) The area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

(F) The total equalized assessed value of the proposed redevelopment project area has declined for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers.
annual rate that is less than the balance of the municipality for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated.

(3) If vacant, the sound growth of the redevelopment project area is impaired by one of the following factors that (i) is present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) is reasonably distributed throughout the vacant part of the redevelopment project area to which it pertains:

(A) The area consists of one or more unused quarries, mines, or strip mine ponds.

(B) The area consists of unused railyards, rail tracks, or railroad rights-of-way.

(C) The area, prior to its designation, is subject to chronic flooding that adversely impacts on real property in the area as certified by a registered professional engineer or appropriate regulatory agency.

(D) The area consists of an unused or illegal disposal site containing earth, stone, building debris, or similar materials that were removed from construction, demolition, excavation, or dredge sites.

(E) Prior to November 1, 1999, the area is not less than 50 nor more than 100 acres and 75% of which is vacant (notwithstanding that the area has been used for commercial agricultural purposes within 5 years prior to the designation of the redevelopment project area), and the area meets at least one of the factors itemized in paragraph (1) of this subsection, the area has been designated as a town or village center by ordinance or comprehensive plan adopted prior to January 1, 1982, and the area has not been developed for that designated purpose.

(F) The area qualified as a blighted improved area immediately prior to becoming vacant, unless there has been substantial private investment in the immediately surrounding area.

(b) For any redevelopment project area that has been designated pursuant to this Section by an ordinance adopted prior to November 1, 1999 (the effective date of Public Act 91-478), "conservation area" shall have the meaning set forth in this Section prior to that date.

On and after November 1, 1999, "conservation area" means any improved area within the boundaries of a redevelopment project area located within the territorial limits of the municipality in which 50% or more of the structures in the area have an age of 35 years or more. Such an area is not yet a blighted area but because of a combination of 3 or more of the following factors is detrimental to the public safety, health, morals or welfare and such an area may become a blighted area:

(10) Deleterious land use or layout. The existence of incompatible land-use relationships, buildings occupied by inappropriate mixed-uses, or uses considered to be noxious, offensive, or unsuitable for the surrounding area.

(11) Lack of community planning. The proposed redevelopment project area was developed prior to or without the benefit or guidance of a community plan. This factor must be documented by evidence of adverse or incompatible land-use relationships, inadequate street layout, improper subdivision, parcels of inadequate shape and size to meet contemporary development standards, or other evidence demonstrating an absence of effective community planning.

(12) The area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

(c) "Industrial park" means an area in a blighted or conservation area suitable for use by any manufacturing, industrial, research or transportation enterprise, of facilities to include but not be limited to factories, mills, processing plants, assembly plants, packing plants, fabricating plants, industrial distribution centers, warehouses, repair overhaul or service facilities, freight terminals, research facilities, test facilities or railroad facilities.

(d) "Industrial park conservation area" means an area within the boundaries of a redevelopment project area located within the territorial limits of a municipality that is a
labor surplus municipality or within 1 1/2 miles of the territorial limits of a municipality that is a labor surplus municipality if the area is annexed to the municipality; which area is zoned as industrial no later than at the time the municipality by ordinance designates the redevelopment project area, and which area includes both vacant land suitable for use as an industrial park and a blighted area or conservation area contiguous to such vacant land.

(e) "Labor surplus municipality" means a municipality in which, at any time during the 6 months before the municipality by ordinance designates an industrial park conservation area, the unemployment rate was over 6% and was also 100% or more of the national average unemployment rate for that same time as published in the United States Department of Labor Bureau of Labor Statistics publication entitled "The Employment Situation" or its successor publication. For the purpose of this subsection, if unemployment rate statistics for the municipality are not available, the unemployment rate in the municipality shall be deemed to be the same as the unemployment rate in the principal county in which the municipality is located.

(f) "Municipality" shall mean a city, village or incorporated town.

(g) "Initial Sales Tax Amounts" means the amount of taxes paid under the Retailers' Occupation Tax Act, Use Tax Act, Service Use Tax Act, the Service Occupation Tax Act, the Municipal Retailers' Occupation Tax Act, and the Municipal Service Occupation Tax Act by retailers and servicemen on transactions at places located in a State Sales Tax Boundary during the calendar year 1985.

(g-1) "Revised Initial Sales Tax Amounts" means the amount of taxes paid under the Retailers' Occupation Tax Act, Use Tax Act, Service Use Tax Act, the Service Occupation Tax Act, the Municipal Retailers' Occupation Tax Act, and the Municipal Service Occupation Tax Act by retailers and servicemen on transactions at places located within the State Sales Tax Boundary revised pursuant to Section 11-74.4-8a(9) of this Act.

For purposes of computing the aggregate amount of such taxes for base years occurring prior to 1985, the Department of Revenue shall determine the Initial Sales Tax Amounts for such taxes and deduct therefrom an amount equal to 4% of the aggregate amount of taxes per year for each year the base year is prior to 1985, but not to exceed a total deduction of 12%. municipality from the Local Government Tax Fund arising from sales by retailers and servicemen on transactions located in the redevelopment project area or the State Sales Tax Boundary, as the case may be, the certified Initial Sales Tax Amounts, the Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts for the Municipal Retailers' Occupation Tax Act and the Municipal Service Occupation Tax Act. For the State Fiscal Year 1989, this calculation shall be made by utilizing the calendar year 1987 to determine the tax amounts received. For the State Fiscal Year 1990, this calculation shall be made by utilizing the period from January 1, 1988, until September 30, 1988, to determine the tax amounts received from retailers and servicemen pursuant to the Municipal Retailers' Occupation Tax and the Municipal Service Occupation Tax Act, which shall have deducted therefrom nine-twelfths of the certified Initial Sales Tax Amounts, the Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For the State Fiscal Year 1991, this calculation shall be made by utilizing the period from October 1, 1988, to June 30, 1989, to determine the tax amounts received from retailers and servicemen pursuant to the Municipal Retailers' Occupation Tax and the Municipal Service Occupation Tax Act which shall have deducted therefrom nine-twelfths of the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For every State Fiscal Year thereafter, the applicable period shall be the 12 months beginning July 1 and ending June 30 to determine the tax amounts received which shall have deducted therefrom the certified Initial Sales Tax Amounts, the Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts, as the case may be.

(i) "Net State Sales Tax Increment" means the sum of the following: (a) 80% of the first $100,000 of State Sales Tax Increment annually generated within a State Sales Tax Boundary; (b) 60% of the amount in excess of $100,000 but not exceeding $500,000 of State Sales Tax Increment annually generated within a State Sales Tax Boundary; and (c) 40% of all amounts in excess of $500,000 of State Sales Tax Increment annually generated within a State Sales Tax Boundary. If, however, a municipality established a tax increment financing district in a county with a population in excess of 3,000,000 before January 1, 1986, and the municipality entered into a contract or issued bonds after January 1, 1986, but before December 31, 1986, to finance redevelopment project costs within a State Sales Tax Boundary, then the Net State Sales Tax Increment means, for the fiscal years beginning July 1, 1990, and July 1, 1991, 100% of the State Sales Tax Increment annually generated within a State Sales Tax Boundary; and notwithstanding any other provision of this Act, for those fiscal years the Department of Revenue shall distribute to those municipalities 100% of their Net State Sales Tax Increment before any distribution to any other municipality and regardless of whether or not those other municipalities will receive 100% of their Net State Sales Tax Increment. For Fiscal Year 1999, and every year thereafter until the year 2007, for any municipality that has not entered into a contract or has not issued bonds prior to June 1, 1988 to finance redevelopment project costs within a State Sales Tax Boundary, the Net State Sales Tax Increment shall be calculated as follows: By multiplying the Net State Sales Tax Increment by 90% in the State Fiscal Year 1999; 80% in the State Fiscal Year 2000; 70% in the State Fiscal Year 2001; 60% in the State Fiscal Year 2002; 50% in the State Fiscal Year

2003; 40% in the State Fiscal Year 2004; 30% in the State Fiscal Year 2005; 20% in the State Fiscal Year 2006; and 10% in the State Fiscal Year 2007. No payment shall be made for State Fiscal Year 2008 and thereafter.

Municipalities that issued bonds in connection with a redevelopment project in a redevelopment project area within the State Sales Tax Boundary prior to July 29, 1991, or that entered into contracts in connection with a redevelopment project in a redevelopment project area before June 1, 1988, shall continue to receive their proportional share of the Illinois Tax Increment Fund distribution until the date on which the redevelopment project is completed or terminated. If, however, a municipality that issued bonds in connection with a redevelopment project in a redevelopment project area within the State Sales Tax Boundary prior to July 29, 1991 retires the bonds prior to June 30, 2007 or a municipality that entered into contracts in connection with a redevelopment project in a redevelopment project area before June 1, 1988 completes the contracts prior to June 30, 2007, then so long as the redevelopment project is not completed or is not terminated, the Net State Sales Tax Increment shall be calculated, beginning on the date on which the bonds are retired or the contracts are completed, as follows: By multiplying the Net State Sales Tax Increment by 60% in the State Fiscal Year 2002; 50% in the State Fiscal Year 2003; 40% in the State Fiscal Year 2004; 30% in the State Fiscal Year 2005; 20% in the State Fiscal Year 2006; and 10% in the State Fiscal Year 2007. (j) "State Utility Tax Increment Amount" means an amount equal to the aggregate increase in State electric and gas tax charges imposed on owners and tenants, other than residential customers, of properties located within the redevelopment project area under Section 9-222 of the Public Utilities Act, over and above the aggregate of such charges as certified by the Department of Revenue and paid by owners and tenants, other than residential customers, of properties within the redevelopment project area during the base year, which shall be the calendar year immediately prior to the year of the adoption of the ordinance authorizing tax increment allocation financing.

(k) "Net State Utility Tax Increment" means the sum of the following: (a) 80% of the first $100,000 of State Utility Tax Increment annually generated by a redevelopment project area; (b) 60% of the amount in excess of $100,000 but not exceeding $500,000 of the State Utility Tax Increment annually generated by a redevelopment project area; and (c) 40% of all amounts in excess of $500,000 of State Utility Tax Increment annually generated by a redevelopment project area. For the State Fiscal Year 1999, and every year thereafter until the year 2007, for any municipality that has not entered into a contract or has not issued bonds prior to June 1, 1988 to finance redevelopment project costs within a redevelopment project area, the Net State Utility Tax Increment shall be calculated as follows: By multiplying the Net State Utility Tax Increment by 90% in the State Fiscal Year 1999; 80% in the State Fiscal Year 2000; 70% in the State Fiscal Year 2001; 60% in the State Fiscal Year 2002; 50% in the State Fiscal Year 2003; 40% in the State Fiscal Year 2004; 30% in the State Fiscal Year 2005; 20% in the State Fiscal Year 2006; and 10% in the State Fiscal Year 2007; 30% in the State Fiscal Year 2005; 20% in the State Fiscal Year 2006; and 10% in the State Fiscal Year 2007.
Year 2007. No payment shall be made for the State Fiscal Year 2008 and thereafter.

Municipalities that issue bonds in connection with the redevelopment project during the period from June 1, 1988 until 3 years after the effective date of this Amendatory Act of 1988 shall receive the Net State Utility Tax Increment, subject to appropriation, for 15 State Fiscal Years after the issuance of such bonds. For the 16th through the 20th State Fiscal Years after issuance of the bonds, the Net State Utility Tax Increment shall be calculated as follows: By multiplying the Net State Utility Tax Increment by 90% in year 16; 80% in year 17; 70% in year 18; 60% in year 19; and 50% in year 20. Refunding of any bonds issued prior to June 1, 1988, shall not alter the revised Net State Utility Tax Increment payments set forth above.

(l) "Obligations" mean bonds, loans, debentures, notes, special certificates or other evidence of indebtedness issued by the municipality to carry out a redevelopment project or to refund outstanding obligations.

(m) "Payment in lieu of taxes" means those estimated tax revenues from real property in a redevelopment project area derived from real property that has been acquired by a municipality which according to the redevelopment project or plan is to be used for a private use which taxing districts would have received had a municipality not acquired the real property and adopted tax increment allocation financing and which would result from levies made after the time of the adoption of tax increment allocation financing to the time the current equalized value of real property in the redevelopment project area exceeds the total initial equalized value of real property in said area.

(n) "Redevelopment plan" means the comprehensive program of the municipality for development or redevelopment intended by the payment of redevelopment project costs to reduce or eliminate those conditions the existence of which qualified the redevelopment project area as a "blighted area" or "conservation area" or combination thereof or "industrial park conservation area," and thereby to enhance the tax bases of the taxing districts which extend into the redevelopment project area. On and after November 1, 1999 (the effective date of Public Act 91-478), no redevelopment plan may be approved or amended that includes the development of vacant land (i) with a golf course and related clubhouse and other facilities or (ii) designated by federal, State, county, or municipal government as public land for outdoor recreational activities or for nature preserves and used for that purpose within 5 years prior to the adoption of the redevelopment plan. For the purpose of this subsection, "recreational activities" is limited to mean camping and hunting. Each redevelopment plan shall set forth in writing the program to be undertaken to accomplish the objectives and shall include but not be limited to:

(A) an itemized list of estimated redevelopment project costs;

(B) evidence indicating that the redevelopment project area on the whole has not been subject to growth and development through investment by private enterprise;

(C) an assessment of any financial impact of the redevelopment project area on or any increased demand for services from any taxing district affected by the plan and any program to address such financial impact or increased demand;

(G) an estimate as to the equalized assessed valuation after redevelopment and the general land uses to apply in the redevelopment project area;
(H) a commitment to fair employment practices and an affirmative action plan;
(I) if it concerns an industrial park conservation area, the plan shall also include a general description of any proposed developer, user and tenant of any property, a description of the type, structure and general character of the facilities to be developed, a description of the type, class and number of new employees to be employed in the operation of the facilities to be developed; and
(J) if property is to be annexed to the municipality, the plan shall include the terms of the annexation agreement.

The provisions of items (B) and (C) of this subsection (n) shall not apply to a municipality that before March 14, 1994 (the effective date of Public Act 88-537) had fixed, either by its corporate authorities or by a commission designated under subsection (k) of Section 11-74.4-4, a time and place for a public hearing as required by subsection (a) of Section 11-74.4-5. No redevelopment plan shall be adopted unless a municipality complies with all of the following requirements:

(1) The municipality finds that the redevelopment project area on the whole has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of the redevelopment plan.

(2) The municipality finds that the redevelopment plan and project conform to the comprehensive plan for the development of the municipality as a whole, or, for municipalities with a population of 100,000 or more, regardless of when the redevelopment plan and project was adopted, the redevelopment plan and project either: (i) conforms to the strategic economic development or redevelopment plan issued by the designated planning authority of the municipality, or (ii) includes land uses that have been approved by the planning commission of the municipality.

(3) The redevelopment plan establishes the estimated dates of completion of the redevelopment project and retirement of obligations issued to finance redevelopment project costs. Those dates shall not be later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the twenty-third calendar year after the year in which the ordinance approving the redevelopment project area is adopted if the ordinance was adopted on or after January 15, 1981, and not later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the thirty-fifth calendar

Boundary, the estimated dates of completion of the redevelopment project and retirement of obligations to finance redevelopment project costs may be extended by municipal ordinance to December 31, 2013. The extension allowed by this amendatory Act of 1993 shall not apply to real property tax increment allocation financing under Section 11-74.4-8.

A municipality may by municipal ordinance amend an existing redevelopment plan to conform to this paragraph (3) as amended by Public Act 91-478, which municipal ordinance may be adopted without further hearing or notice and without complying with the procedures provided in this Act pertaining to an amendment to or the initial approval of a redevelopment plan and project and designation of a redevelopment project area.

Those dates, for purposes of real property tax increment allocation financing pursuant to Section 11-74.4-8 only, shall be not more than 35 years for redevelopment project areas that were adopted on or after December 16, 1986 and for which at least $8 million worth of municipal bonds were authorized on or after December 19, 1989 but before January 1, 1990; provided that the municipality elects to extend the life of the redevelopment project area to 35 years by the adoption of an ordinance after at least 14 but not more than 30 days' written notice to the taxing bodies, that would otherwise constitute the joint review board for the redevelopment project area, before the adoption of the ordinance.

Those dates, for purposes of real property tax increment allocation financing pursuant to Section 11-74.4-8 only, shall be not more than 35 years for redevelopment project areas that were established on or after December 1, 1981 but before January 1, 1982 and for which at least $1,500,000 worth of tax increment revenue bonds were authorized on or after September 30, 1990 but before July 1, 1991; provided that the municipality elects to extend the life of the redevelopment project area to 35 years by the adoption of an ordinance after at least 14 but not more than 30 days' written notice to the taxing bodies, that would otherwise constitute the joint review board for the redevelopment project area, before the adoption of the ordinance.

(3.5) The municipality finds, in the case of an industrial park conservation area, also that the municipality is a labor surplus municipality and that the implementation of the redevelopment plan will reduce unemployment, create new jobs and by the provision of new facilities enhance the tax base of the taxing districts that extend into the redevelopment project area.

(4) If any incremental revenues are being utilized under Section 8(a)(1) or 8(a)(2) of this Act in redevelopment project areas approved by ordinance after January 1, 1986, the municipality finds: (a) that the redevelopment project area would not reasonably be developed without the use of such incremental revenues, and (b) that such incremental revenues will be exclusively utilized for the development of the redevelopment project area.

(5) On and after November 1, 1999, if the redevelopment plan will not result
in displacement of 10 or more residents from inhabited units, and the municipality certifies in the plan that such displacement will not result from the plan, a housing impact study need not be performed. If, however, the redevelopment plan would result in the displacement of residents from 10 or more inhabited residential units, or if the redevelopment project area contains 75 or more inhabited residential units and no certification is made, then the municipality shall prepare, as part of the separate feasibility report required by subsection (a) of Section 11-74.4-5, a housing impact study.

Part I of the housing impact study shall include (i) data as to whether the residential units are single family or multi-family units, (ii) the number and type of rooms within the units, if that information is available, (iii) whether the units are inhabited or uninhabited, as determined not less than 45 days before the date that the ordinance or resolution required by subsection (a) of Section 11-74.4-5 is passed, and (iv) data as to the racial and ethnic composition of the residents in the inhabited residential units. The data requirement as to the racial and ethnic composition of the residents in the inhabited residential units shall be deemed to be fully satisfied by data from the most recent federal census.

Part II of the housing impact study shall identify the inhabited residential units in the proposed redevelopment project area that are to be or may be removed. If inhabited residential units are to be removed, then the housing impact study shall identify (i) the number and location of those units that will or may be removed, (ii) the municipality’s plans for relocation assistance for those residents in the proposed redevelopment project area whose residences are to be removed, (iii) the availability of replacement housing for those residents whose residences are to be removed, and shall identify the type, location, and cost of the housing, and (iv) the type and extent of relocation assistance to be provided.

(6) On and after November 1, 1999, the housing impact study required by paragraph (5) shall be incorporated in the redevelopment plan for the redevelopment project area.

(7) On and after November 1, 1999, no redevelopment plan shall be adopted, nor an existing plan amended, nor shall residential housing that is occupied by households of low-income and very low-income persons in currently existing redevelopment project areas be removed after November 1, 1999 unless the redevelopment plan provides, with respect to inhabited housing units that are to be removed for households of low-income and very low-income persons, affordable housing and relocation assistance not less than that which would be provided under the federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and the regulations under that Act, including the eligibility criteria. Affordable housing may be either existing or newly constructed housing. For purposes of this paragraph (7), "low-income households", "very low-income households", and "affordable housing" have the meanings set forth in the Illinois Affordable Housing Act. The municipality shall make a good faith effort to ensure

that this affordable housing is located in or near the redevelopment project area within the municipality.

(8) On and after November 1, 1999, if, after the adoption of the redevelopment plan for the redevelopment project area, any municipality desires to amend its redevelopment plan to remove more inhabited residential units than specified in its original redevelopment plan, that increase in the number of units to be removed shall be deemed to be a change in the nature of the redevelopment plan as to require compliance with the procedures in this Act pertaining to the initial approval of a redevelopment plan.

(9) For redevelopment project areas designated prior to November 1, 1999, the redevelopment plan may be amended without further joint review board meeting or hearing, provided that the municipality shall give notice of any such changes by mail to each affected taxing district and registrant on the interested party registry, to authorize the municipality to expend tax increment revenues for redevelopment project costs defined by paragraphs (5) and (7.5), subparagraphs (E) and (F) of paragraph (11), and paragraph (11.5) of subsection (q) of Section 11-74.4-3, so long as the changes do not increase the total estimated redevelopment project costs set out in the redevelopment plan by more than 5% after adjustment for inflation from the date the plan was adopted.

(o) "Redevelopment project" means any public and private development project in furtherance of the objectives of a redevelopment plan. On and after November 1, 1999 (the effective date of Public Act 91-478), no redevelopment plan may be approved or amended that includes the development of vacant land (i) with a golf course and related clubhouse and other facilities or (ii) designated by federal, State, county, or municipal government as public land for outdoor recreational activities or for nature preserves and used for that purpose within 5 years prior to the adoption of the redevelopment plan. For the purpose of this subsection, "recreational activities" is limited to mean camping and hunting.

(p) "Redevelopment project area" means an area designated by the municipality, which is not less in the aggregate than 1 1/2 acres and in respect to which the municipality has made a finding that there exist conditions which cause the area to be classified as an industrial park conservation area or a blighted area or a conservation area, or a combination of both blighted areas and conservation areas.

(q) "Redevelopment project costs" mean and include the sum total of all reasonable or necessary costs incurred or estimated to be incurred, and any such costs incidental to a redevelopment plan and a redevelopment project. Such costs include, without limitation, the following:

1. Costs of studies, surveys, development of plans, and specifications, implementation and administration of the redevelopment plan including but not limited to staff and professional service costs for architectural, engineering, financial, planning or other services, provided however that no charges for professional services may be based on a percentage of the tax increment collected; except that on and after November 1, 1999 (the effective date of Public Act 91-478),
no contracts for professional services, excluding architectural and engineering services, may be entered into if the terms of the contract extend beyond a period of 3 years. In addition, "redevelopment project costs" shall not include lobbying expenses. After consultation with the municipality, each tax increment consultant or advisor to a municipality that plans to designate or has designated a redevelopment project area shall inform the municipality in writing of any contracts that the consultant or advisor has entered into with entities or individuals that have received, or are receiving, payments financed by tax increment revenues produced by the redevelopment project area with respect to which the consultant or advisor has performed, or will be performing, service for the municipality. This requirement shall be satisfied by the consultant or advisor before the commencement of services for the municipality and thereafter whenever any other contracts with those individuals or entities are executed by the consultant or advisor;

(1.5) After July 1, 1999, annual administrative costs shall not include general overhead or administrative costs of the municipality that would still have been incurred by the municipality if the municipality had not designated a redevelopment project area or approved a redevelopment plan;

(1.6) The cost of marketing sites within the redevelopment project area to prospective businesses, developers, and investors;

(2) Property assembly costs, including but not limited to acquisition of land and other property, real or personal, or rights or interests therein, demolition of buildings, site preparation, site improvements that serve as an engineered barrier addressing ground level or below ground environmental contamination, including, but not limited to parking lots and other concrete or asphalt barriers, and the clearing and grading of land;

(3) Costs of rehabilitation, reconstruction or repair or remodeling of existing public or private buildings, fixtures, and leasehold improvements; and the cost of replacing an existing public building if pursuant to the implementation of a redevelopment project the existing public building is to be demolished to use the site for private investment or devoted to a different use requiring private investment;

(4) Costs of the construction of public works or improvements, except that on and after November 1, 1999, redevelopment project costs shall not include the cost of constructing a new municipal public building principally used to provide offices, storage space, or conference facilities or vehicle storage, maintenance, or repair for administrative, public safety, or public works personnel and that is not intended to replace an existing public building as provided under paragraph (3) of subsection (q) of Section 11-74.4-3 unless either (i) the construction of the new municipal building implements a redevelopment project that was included in a redevelopment plan that was adopted by the municipality prior to November 1, 1999 or (ii) the municipality makes a reasonable determination in the redevelopment plan, supported by information that provides the basis for that determination, that the new municipal building is required to meet an increase in the need for public safety
purposes anticipated to result from the implementation of the redevelopment plan;

(5) Costs of job training and retraining projects, including the cost of "welfare to work" programs implemented by businesses located within the redevelopment project area;

(6) Financing costs, including but not limited to all necessary and incidental expenses related to the issuance of obligations and which may include payment of interest on any obligations issued hereunder including interest accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and for not exceeding 36 months thereafter and including reasonable reserves related thereto;

(7) To the extent the municipality by written agreement accepts and approves the same, all or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred within a taxing district in furtherance of the objectives of the redevelopment plan and project.

(7.5) For redevelopment project areas designated (or redevelopment project areas amended to add or increase the number of tax-increment-financing assisted housing units) on or after November 1, 1999, an elementary, secondary, or unit school district's increased costs attributable to assisted housing units located within the redevelopment project area for which the developer or redeveloper receives financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the assisted housing sites necessary for the completion of that housing as authorized by this Act, and which costs shall be paid by the municipality from the Special Tax Allocation Fund when the tax increment revenue is received as a result of the assisted housing units and shall be calculated annually as follows:

(A) for foundation districts, excluding any school district in a municipality with a population in excess of 1,000,000, by multiplying the district's increase in attendance resulting from the net increase in new students enrolled in that school district who reside in housing units within the redevelopment project area that have received financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the housing sites necessary for the completion of that housing as authorized by this Act since the designation of the redevelopment project area by the most recently available per capita tuition cost as defined in Section 10-20.12a of the School Code less any increase in general State aid as defined in Section 18-8.05 of the School Code attributable to these added new students subject to the following annual limitations:

(i) for unit school districts with a district average 1995-96 Per Capita Tuition Charge of less than $5,900, no more than 25% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance

under this Act;
  (ii) for elementary school districts with a district average 1995-96 Per Capita Tuition Charge of less than $5,900, no more than 17% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance under this Act; and
  (iii) for secondary school districts with a district average 1995-96 Per Capita Tuition Charge of less than $5,900, no more than 8% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance under this Act.

(B) For alternate method districts, flat grant districts, and foundation districts with a district average 1995-96 Per Capita Tuition Charge equal to or more than $5,900, excluding any school district with a population in excess of 1,000,000, by multiplying the district's increase in attendance resulting from the net increase in new students enrolled in that school district who reside in housing units within the redevelopment project area that have received financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the housing sites necessary for the completion of that housing as authorized by this Act since the designation of the redevelopment project area by the most recently available per capita tuition cost as defined in Section 10-20.12a of the School Code less any increase in general state aid as defined in Section 18-8.05 of the School Code attributable to these added new students subject to the following annual limitations:

  (i) for unit school districts, no more than 40% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance under this Act;
  (ii) for elementary school districts, no more than 27% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance under this Act; and
  (iii) for secondary school districts, no more than 13% of the total amount of property tax increment revenue produced by those housing units that have received tax increment finance assistance under this Act.

(C) For any school district in a municipality with a population in excess of 1,000,000, the following restrictions shall apply to the reimbursement of increased costs under this paragraph (7.5):

  (i) no increased costs shall be reimbursed unless the school
district certifies that each of the schools affected by the assisted housing project is at or over its student capacity;

(ii) the amount reimbursable shall be reduced by the value of any land donated to the school district by the municipality or developer, and by the value of any physical improvements made to the schools by the municipality or developer; and

(iii) the amount reimbursed may not affect amounts otherwise obligated by the terms of any bonds, notes, or other funding instruments, or the terms of any redevelopment agreement.

Any school district seeking payment under this paragraph (7.5) shall, after July 1 and before September 30 of each year, provide the municipality with reasonable evidence to support its claim for reimbursement before the municipality shall be required to approve or make the payment to the school district. If the school district fails to provide the information during this period in any year, it shall forfeit any claim to reimbursement for that year.

School districts may adopt a resolution waiving the right to all or a portion of the reimbursement otherwise required by this paragraph (7.5). By acceptance of this reimbursement the school district waives the right to directly or indirectly set aside, modify, or contest in any manner the establishment of the redevelopment project area or projects;

(8) Relocation costs to the extent that a municipality determines that relocation costs shall be paid or is required to make payment of relocation costs by federal or State law or in order to satisfy subparagraph (7) of subsection (n);

(9) Payment in lieu of taxes;

(10) Costs of job training, retraining, advanced vocational education or career education, including but not limited to courses in occupational, semi-technical or technical fields leading directly to employment, incurred by one or more taxing districts, provided that such costs (i) are related to the establishment and maintenance of additional job training, advanced vocational education or career education programs for persons employed or to be employed by employers located in a redevelopment project area; and (ii) when incurred by a taxing district or taxing districts other than the municipality, are set forth in a written agreement by or among the municipality and the taxing district or taxing districts, which agreement describes the program to be undertaken, including but not limited to the number of employees to be trained, a description of the training and services to be provided, the number and type of positions available or to be available, itemized costs of the program and sources of funds to pay for the same, and the term of the agreement. Such costs include, specifically, the payment by community college districts of costs pursuant to Sections 3-37, 3-38, 3-40 and 3-40.1 of the Public Community College Act and by school districts of costs pursuant to Sections 10-22.20a and 10-23.3a of The School Code;

(11) Interest cost incurred by a redeveloper related to the construction,
renovation or rehabilitation of a redevelopment project provided that:

(A) such costs are to be paid directly from the special tax allocation fund established pursuant to this Act;

(B) such payments in any one year may not exceed 30% of the annual interest costs incurred by the redeveloper with regard to the redevelopment project during that year;

(C) if there are not sufficient funds available in the special tax allocation fund to make the payment pursuant to this paragraph (11) then the amounts so due shall accrue and be payable when sufficient funds are available in the special tax allocation fund;

(D) the total of such interest payments paid pursuant to this Act may not exceed 30% of the total (i) cost paid or incurred by the redeveloper for the redevelopment project plus (ii) redevelopment project costs excluding any property assembly costs and any relocation costs incurred by a municipality pursuant to this Act; and

(E) the cost limits set forth in subparagraphs (B) and (D) of paragraph (11) shall be modified for the financing of rehabilitated or new housing units for low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act. The percentage of 75% shall be substituted for 30% in subparagraphs (B) and (D) of paragraph (11).

(F) Instead of the eligible costs provided by subparagraphs (B) and (D) of paragraph (11), as modified by this subparagraph, and notwithstanding any other provisions of this Act to the contrary, the municipality may pay from tax increment revenues up to 50% of the cost of construction of new housing units to be occupied by low-income households and very low-income households as defined in Section 3 of the Illinois Affordable Housing Act. The cost of construction of those units may be derived from the proceeds of bonds issued by the municipality under this Act or other constitutional or statutory authority or from other sources of municipal revenue that may be reimbursed from tax increment revenues or the proceeds of bonds issued to finance the construction of that housing.

The eligible costs provided under this subparagraph (F) of paragraph (11) shall be an eligible cost for the construction, renovation, and rehabilitation of all low and very low-income housing units, as defined in Section 3 of the Illinois Affordable Housing Act, within the redevelopment project area. If the low and very low-income units are part of a residential redevelopment project that includes units not affordable to low and very low-income households, only the low and very low-income units shall be eligible for benefits under subparagraph (F) of paragraph (11). The standards for maintaining the occupancy by low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act, of those units constructed with eligible costs made available

under the provisions of this subparagraph (F) of paragraph (11) shall be established by guidelines adopted by the municipality. The responsibility for annually documenting the initial occupancy of the units by low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act, shall be that of the then current owner of the property. For ownership units, the guidelines will provide, at a minimum, for a reasonable recapture of funds, or other appropriate methods designed to preserve the original affordability of the ownership units. For rental units, the guidelines will provide, at a minimum, for the affordability of rent to low and very low-income households. As units become available, they shall be rented to income-eligible tenants. The municipality may modify these guidelines from time to time; the guidelines, however, shall be in effect for as long as tax increment revenue is being used to pay for costs associated with the units or for the retirement of bonds issued to finance the units or for the life of the redevelopment project area, whichever is later.

(11.5) If the redevelopment project area is located within a municipality with a population of more than 100,000, the cost of day care services for children of employees from low-income families working for businesses located within the redevelopment project area and all or a portion of the cost of operation of day care centers established by redevelopment project area businesses to serve employees from low-income families working in businesses located in the redevelopment project area. For the purposes of this paragraph, "low-income families" means families whose annual income does not exceed 80% of the municipal, county, or regional median income, adjusted for family size, as the annual income and municipal, county, or regional median income are determined from time to time by the United States Department of Housing and Urban Development.

(12) Unless explicitly stated herein the cost of construction of new privately-owned buildings shall not be an eligible redevelopment project cost.

(13) After November 1, 1999 (the effective date of Public Act 91-478), none of the redevelopment project costs enumerated in this subsection shall be eligible redevelopment project costs if those costs would provide direct financial support to a retail entity initiating operations in the redevelopment project area while terminating operations at another Illinois location within 10 miles of the redevelopment project area but outside the boundaries of the redevelopment project area municipality. For purposes of this paragraph, termination means a closing of a retail operation that is directly related to the opening of the same operation or like retail entity owned or operated by more than 50% of the original ownership in a redevelopment project area, but it does not mean closing an operation for reasons beyond the control of the retail entity, as documented by the retail entity, subject to a reasonable finding by the municipality that the current location contained inadequate space, had become economically obsolete, or was no longer a viable location for the retailer or serviceman.

If a special service area has been established pursuant to the Special Service Area Tax Act or Special Service Area Tax Law, then any tax increment revenues derived from the tax imposed pursuant to the Special Service Area Tax Act or Special Service Area Tax Law may be used within the redevelopment project area for the purposes permitted by that Act or Law as well as the purposes permitted by this Act.

(r) "State Sales Tax Boundary" means the redevelopment project area or the amended redevelopment project area boundaries which are determined pursuant to subsection (9) of Section 11-74.4-8a of this Act. The Department of Revenue shall certify pursuant to subsection (9) of Section 11-74.4-8a the appropriate boundaries eligible for the determination of State Sales Tax Increment.

(s) "State Sales Tax Increment" means an amount equal to the increase in the aggregate amount of taxes paid by retailers and servicemen, other than retailers and servicemen subject to the Public Utilities Act, on transactions at places of business located within a State Sales Tax Boundary pursuant to the Retailers' Occupation Tax Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act, except such portion of such increase that is paid into the State and Local Sales Tax Reform Fund, the Local Government Distributive Fund, the Local Government Tax Fund and the County and Mass Transit District Fund, for as long as State participation exists, over and above the Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts for such taxes as certified by the Department of Revenue and paid under those Acts by retailers and servicemen on transactions at places of business located within the State Sales Tax Boundary during the base year which shall be the calendar year immediately prior to the year in which the municipality adopted tax increment allocation financing, less 3.0% of such amounts generated under the Retailers' Occupation Tax Act, Use Tax Act and Service Use Tax Act and the Service Occupation Tax Act, which sum shall be appropriated to the Department of Revenue to cover its costs of administering and enforcing this Section. For purposes of computing the aggregate amount of such taxes for base years occurring prior to 1985, the Department of Revenue shall compute the Initial Sales Tax Amount for such taxes and deduct therefrom an amount equal to 4% of the aggregate amount of taxes per year for each year the base year is prior to 1985, but not to exceed a total deduction of 12%. The amount so determined shall be known as the "Adjusted Initial Sales Tax Amount". For purposes of determining the State Sales Tax Increment the Department of Revenue shall for each period subtract from the tax amounts received from retailers and servicemen on transactions located in the State Sales Tax Boundary, the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or Revised Initial Sales Tax Amounts for the Retailers' Occupation Tax Act, the Use Tax Act, the Service Use Tax Act and the Service Occupation Tax Act. For the State Fiscal Year 1989 this calculation shall be made by utilizing the calendar year 1987 to determine the tax amounts received. For the State Fiscal Year 1990, this calculation shall be made by utilizing the period from January 1, 1988, until September 30, 1988, to determine the tax amounts received from retailers and servicemen, which shall have deducted therefrom nine-twelfths of the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For the

State Fiscal Year 1991, this calculation shall be made by utilizing the period from October 1, 1988, until June 30, 1989, to determine the tax amounts received from retailers and servicemen, which shall have deducted therefrom nine-twelfths of the certified Initial State Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts as appropriate. For every State Fiscal Year thereafter, the applicable period shall be the 12 months beginning July 1 and ending on June 30, to determine the tax amounts received which shall have deducted therefrom the certified Initial Sales Tax Amounts, Adjusted Initial Sales Tax Amounts or the Revised Initial Sales Tax Amounts. Municipalities intending to receive a distribution of State Sales Tax Increment must report a list of retailers to the Department of Revenue by October 31, 1988 and by July 31, of each year thereafter.

(t) "Taxing districts" means counties, townships, cities and incorporated towns and villages, school, road, park, sanitary, mosquito abatement, forest preserve, public health, fire protection, river conservancy, tuberculosis sanitarium and any other municipal corporations or districts with the power to levy taxes.

(u) "Taxing districts' capital costs" means those costs of taxing districts for capital improvements that are found by the municipal corporate authorities to be necessary and directly result from the redevelopment project.

(v) As used in subsection (a) of Section 11-74.4-3 of this Act, "vacant land" means any parcel or combination of parcels of real property without industrial, commercial, and residential buildings which has not been used for commercial agricultural purposes within 5 years prior to the designation of the redevelopment project area, unless the parcel is included in an industrial park conservation area or the parcel has been subdivided; provided that if the parcel was part of a larger tract that has been divided into 3 or more smaller tracts that were accepted for recording during the period from 1950 to 1990, then the parcel shall be deemed to have been subdivided, and all proceedings and actions of the municipality taken in that connection with respect to any previously approved or designated redevelopment project area or amended redevelopment project area are hereby validated and hereby declared to be legally sufficient for all purposes of this Act. For purposes of this Section and only for land subject to the subdivision requirements of the Plat Act, land is subdivided when the original plat of the proposed Redevelopment Project Area or relevant portion thereof has been properly certified, acknowledged, approved, and recorded or filed in accordance with the Plat Act and a preliminary plat, if any, for any subsequent phases of the proposed Redevelopment Project Area or relevant portion thereof has been properly approved and filed in accordance with the applicable ordinance of the municipality.

(w) "Annual Total Increment" means the sum of each municipality's annual Net Sales Tax Increment and each municipality's annual Net Utility Tax Increment. The ratio of the Annual Total Increment of each municipality to the Annual Total Increment for all municipalities, as most recently calculated by the Department, shall determine the proportional shares of the Illinois Tax Increment Fund to be distributed to each municipality. Sec. 11-74.4-7. Obligations secured by the special tax allocation fund set forth in Section 11-74.4-8 for the redevelopment project area may be issued to provide for redevelopment project costs. Such obligations, when so issued, shall be retired in the manner provided in the ordinance authorizing the issuance of such obligations by the receipts of taxes levied as specified in Section 11-74.4-9 against the taxable property included in the area, by revenues as specified by Section 11-74.4-8a and other revenue designated by the municipality. A municipality may in the ordinance pledge all or any part of the funds in and to be deposited in the special tax allocation fund created pursuant to Section 11-74.4-8 to the payment of the redevelopment project costs and obligations. Any pledge of funds in the special tax allocation fund shall provide for distribution to the taxing districts and to the Illinois Department of Revenue of moneys not required, pledged, earmarked, or otherwise designated for payment and securing of the obligations and anticipated redevelopment project costs and such excess funds shall be calculated annually and deemed to be "surplus" funds. In the event a municipality only applies or pledges a portion of the funds in the special tax allocation fund for the payment or securing of anticipated redevelopment project costs or of obligations, any such funds remaining in the special tax allocation fund after complying with the requirements of the application or pledge, shall also be calculated annually and deemed "surplus" funds. All surplus funds in the special tax allocation fund shall be distributed annually within 180 days after the close of the municipality's fiscal year by being paid by the municipal treasurer to the County Collector, to the Department of Revenue and to the municipality in direct proportion to the tax incremental revenue received as a result of an increase in the equalized assessed value of property in the redevelopment project area, tax incremental revenue received from the State and tax incremental revenue received from the municipality, but not to exceed as to each such source the total incremental revenue received from that source. The County Collector shall thereafter make distribution to the respective taxing districts in the same manner and proportion as the most recent distribution by the county collector to the affected districts of real property taxes from real property in the redevelopment project area.

Without limiting the foregoing in this Section, the municipality may in addition to obligations secured by the special tax allocation fund pledge for a period not greater than the term of the obligations towards payment of such obligations any part or any combination of the following: (a) net revenues of all or part of any redevelopment project; (b) taxes levied and collected on any or all property in the municipality; (c) the full faith and credit of the municipality; (d) a mortgage on part or all of the redevelopment project; or (e) any other taxes or anticipated receipts that the municipality may lawfully pledge.

Such obligations may be issued in one or more series bearing interest at such rate or rates as the corporate authorities of the municipality shall determine by ordinance. Such obligations shall bear such date or dates, mature at such time or times not exceeding 20 years from their respective dates, be in such denomination, carry such registration privileges, be executed in such manner, be payable in such medium of payment at such place or places, contain such covenants, terms and conditions, and be subject to redemption as such ordinance shall provide. Obligations issued pursuant to this Act may be sold at public or
private sale at such price as shall be determined by the corporate authorities of the municipalities. No referendum approval of the electors shall be required as a condition to the issuance of obligations pursuant to this Division except as provided in this Section.

In the event the municipality authorizes issuance of obligations pursuant to the authority of this Division secured by the full faith and credit of the municipality, which obligations are other than obligations which may be issued under home rule powers provided by Article VII, Section 6 of the Illinois Constitution, or pledges taxes pursuant to (b) or (c) of the second paragraph of this section, the ordinance authorizing the issuance of such obligations or pledging such taxes shall be published within 10 days after such ordinance has been passed in one or more newspapers, with general circulation within such municipality. The publication of the ordinance shall be accompanied by a notice of (1) the specific number of voters required to sign a petition requesting the question of the issuance of such obligations or pledging taxes to be submitted to the electors; (2) the time in which such petition must be filed; and (3) the date of the prospective referendum. The municipal clerk shall provide a petition form to any individual requesting one.

If no petition is filed with the municipal clerk, as hereinafter provided in this Section, within 30 days after the publication of the ordinance, the ordinance shall be in effect. But, if within that 30 day period a petition is filed with the municipal clerk, signed by electors in the municipality numbering 10% or more of the number of registered voters in the municipality, asking that the question of issuing obligations using full faith and credit of the municipality as security for the cost of paying for redevelopment project costs, or of pledging taxes for the payment of such obligations, or both, be submitted to the electors of the municipality, the corporate authorities of the municipality shall call a special election in the manner provided by law to vote upon that question, or, if a general, State or municipal election is to be held within a period of not less than 30 or more than 90 days from the date such petition is filed, shall submit the question at the next general, State or municipal election. If it appears upon the canvass of the election by the corporate authorities that a majority of electors voting upon the question voted in favor thereof, the ordinance shall be in effect, but if a majority of the electors voting upon the question are not in favor thereof, the ordinance shall not take effect.

The ordinance authorizing the obligations may provide that the obligations shall contain a recital that they are issued pursuant to this Division, which recital shall be conclusive evidence of their validity and of the regularity of their issuance.

In the event the municipality authorizes issuance of obligations pursuant to this Section secured by the full faith and credit of the municipality, the ordinance authorizing the obligations may provide for the levy and collection of a direct annual tax upon all taxable property within the municipality sufficient to pay the principal thereof and interest thereon as it matures, which levy may be in addition to and exclusive of the maximum of all other taxes authorized to be levied by the municipality, which levy, however, shall be abated to the extent that monies from other sources are available for payment of the obligations and the municipality certifies the amount of said monies available to the county clerk.

A certified copy of such ordinance shall be filed with the county clerk of each county

in which any portion of the municipality is situated, and shall constitute the authority for the extension and collection of the taxes to be deposited in the special tax allocation fund.

A municipality may also issue its obligations to refund in whole or in part, obligations theretofore issued by such municipality under the authority of this Act, whether at or prior to maturity, provided however, that the last maturity of the refunding obligations shall not be expressed to mature later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the twenty-third calendar year after the year in which the ordinance approving the redevelopment project area is adopted if the ordinance was adopted on or after January 15, 1981, and not later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of this Act is to be made with respect to ad valorem taxes levied in the thirty-fifth calendar year after the year in which the ordinance approving the redevelopment project area is adopted if the ordinance was adopted before January 1, 1987 by a municipality in Mason County, or (E) if the municipality is subject to the Local Government Financial Planning and Supervision Act or the Financially Distressed City Law, or (F) if the ordinance was adopted in December 1984 by the Village of Rosemont, or (G) if the ordinance was adopted on December 31, 1986 by a municipality located in Clinton County for which at least $250,000 of tax increment bonds were authorized on June 17, 1997, or if the ordinance was adopted on December 31, 1986 by a municipality with a population in 1990 of less than 3,600 that is located in a county with a population in 1990 of less than 34,000 and for which at least $250,000 of tax increment bonds were authorized on June 17, 1997, or (H) if the ordinance was adopted on October 5, 1982 by the City of Kankakee, or (I) if the ordinance was adopted on December 29, 1986 by East St. Louis, or if the ordinance was adopted on November 12, 1991 by the Village of Sauget, or (J) if the ordinance was adopted on February 11, 1985 by the City of Rock Island, or (K) if the ordinance was adopted before December 18, 1986 by the City of Moline, or (L) if the ordinance was adopted in September 1988 by Sauk Village, or (M) if the ordinance was adopted in October 1993 by Sauk Village, or (N) if the ordinance was adopted on December 29, 1986 by the City of Galva, or (O) if the ordinance was adopted in March 1991 by the City of Centreville, or (P) if the ordinance was adopted on January 23, 1991 by the City of East St. Louis and, for redevelopment project areas for which bonds were issued before July 29, 1991, in connection with a redevelopment project in the area within the State Sales Tax Boundary and which were extended by municipal ordinance under subsection (n) of Section 11-74.4-3, the last maturity of the refunding obligations shall not be expressed to mature later than the date on which the redevelopment project area is terminated or December 31, 2013, whichever date occurs first.

In the event a municipality issues obligations under home rule powers or other legislative authority the proceeds of which are pledged to pay for redevelopment project
costs, the municipality may, if it has followed the procedures in conformance with this division, retire said obligations from funds in the special tax allocation fund in amounts and in such manner as if such obligations had been issued pursuant to the provisions of this division.

All obligations heretofore or hereafter issued pursuant to this Act shall not be regarded as indebtedness of the municipality issuing such obligations or any other taxing district for the purpose of any limitation imposed by law.

Sec. 11-95-7. Whenever a petition signed by at least 10% of the electors of a municipality with a population of less than 500,000 is filed with the municipal clerk the municipal clerk shall certify the question of the establishment, maintenance, and conduct of a recreation system for submission to the electors at an election in accordance with the general election law. The petition shall request the corporate authorities of the municipality to establish, maintain, and conduct a supervised recreation system and to levy an annual tax for the establishment, conduct, and maintenance thereof. The petition shall designate the minimum tax to be levied except that in no case shall the tax be more than 0.09% of the value, as equalized or assessed by the Department of Revenue, of all taxable property within the corporate limits of the municipality.

The corporate authorities may accumulate funds from the proceeds of such tax for the purpose of building, repairs and improvements for recreation purposes in excess of current requirements for such purposes but subject to the limitation set herein.

Section 36. The Regional Transportation Authority Act is amended by changing Section 4.03 as follows:

(70 ILCS 3615/4.03) (from Ch. 111 2/3, par. 704.03)

Sec. 4.03. Taxes.

(a) In order to carry out any of the powers or purposes of the Authority, the Board may by ordinance adopted with the concurrence of 9 of the then Directors, impose throughout the metropolitan region any or all of the taxes provided in this Section. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes.

(b) The Board may impose a public transportation tax upon all persons engaged in the metropolitan region in the business of selling at retail motor fuel for operation of motor vehicles upon public highways. The tax shall be at a rate not to exceed 5% of the gross receipts from the sales of motor fuel in the course of the business. As used in this Act, the term "motor fuel" shall have the same meaning as in the Motor Fuel Tax Law Act. The Board may provide for details of the tax. The provisions of any tax shall conform, as closely as may be practicable, to the provisions of the Municipal Retailers Occupation Tax Act, including without limitation, conformity to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed, except that reference in the Act to any municipality shall refer to the Authority and the tax shall be imposed only with regard to receipts from sales of motor fuel in the metropolitan region, at rates as limited by this Section.

(c) In connection with the tax imposed under paragraph (b) of this Section the Board may impose a tax upon the privilege of using in the metropolitan region motor fuel for the operation of a motor vehicle upon public highways, the tax to be at a rate not in excess of the rate of tax imposed under paragraph (b) of this Section. The Board may provide for details of the tax.

(d) The Board may impose a motor vehicle parking tax upon the privilege of parking motor vehicles at off-street parking facilities in the metropolitan region at which a fee is charged, and may provide for reasonable classifications in and exemptions to the tax, for administration and enforcement thereof and for civil penalties and refunds thereunder and may provide criminal penalties thereunder, the maximum penalties not to exceed the maximum criminal penalties provided in the Retailers' Occupation Tax Act. The Authority may collect and enforce the tax itself or by contract with any unit of local government. The State Department of Revenue shall have no responsibility for the collection and enforcement

unless the Department agrees with the Authority to undertake the collection and enforcement. As used in this paragraph, the term "parking facility" means a parking area or structure having parking spaces for more than 2 vehicles at which motor vehicles are permitted to park in return for an hourly, daily, or other periodic fee, whether publicly or privately owned, but does not include parking spaces on a public street, the use of which is regulated by parking meters.

(e) The Board may impose a Regional Transportation Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan region. In Cook County the tax rate shall be 1% of the gross receipts from sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics, and 3/4% of the gross receipts from other taxable sales made in the course of that business. In DuPage, Kane, Lake, McHenry, and Will Counties, the tax rate shall be 1/4% of the gross receipts from all taxable sales made in the course of that business. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

If a tax is imposed under this subsection (e), a tax shall also be imposed under

subsections (f) and (g) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize the Regional Transportation Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) If a tax has been imposed under paragraph (e), a Regional Transportation Authority Service Occupation Tax shall also be imposed upon all persons engaged, in the metropolitan region in the business of making sales of service, who as an incident to making the sales of service, transfer tangible personal property within the metropolitan region, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. In Cook County, the tax rate shall be: (1) 1% of the serviceman's cost price of food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity licensed under the Hospital Licensing Act or the Nursing Home Care Act that is located in the metropolitan region; (2) 1% of the selling price of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics; and (3) 3/4% of the selling price from other taxable sales of tangible personal property transferred. In DuPage, Kane, Lake, McHenry and Will Counties the rate shall be 1/4% of the selling price of all tangible personal property transferred.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, that charge may be stated in combination in a single amount with State tax that servicemen are authorized to collect under the Service Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

Nothing in this paragraph shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(g) If a tax has been imposed under paragraph (e), a tax also be imposed upon the privilege of using in the metropolitan region, any item of tangible personal property that is purchased outside the metropolitan region at retail from a retailer, and that is titled or registered with an agency of this State's government. In Cook County the tax rate shall be 3/4% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. In DuPage, Kane, Lake, McHenry and Will counties the tax rate shall be 1/4% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan region. The tax shall be collected by the Department of Revenue for the Regional Transportation Authority. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer

maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act, and are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

(h) The Authority may impose a replacement vehicle tax of $50 on any passenger car as defined in Section 1-157 of the Illinois Vehicle Code purchased within the metropolitan region by or on behalf of an insurance company to replace a passenger car of an insured person in settlement of a total loss claim. The tax imposed may not become effective before the first day of the month following the passage of the ordinance imposing the tax and receipt of a certified copy of the ordinance by the Department of Revenue. The Department of Revenue shall collect the tax for the Authority in accordance with Sections 3-2002 and 3-2003 of the Illinois Vehicle Code.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes collected hereunder. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the Authority. The amount to be paid to the Authority shall be the amount collected hereunder during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for the payment of refunds. Within 10 days after receipt by the Comptroller of the disbursement certification to the Authority provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for that amount in accordance with the directions contained in the certification.

(i) The Board may not impose any other taxes except as it may from time to time be authorized by law to impose.

(j) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (e), (f) or (g) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(k) The provisions of any tax imposed under paragraph (c) of this Section shall conform as closely as may be practicable to the provisions of the Use Tax Act, including without limitation conformity as to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed. The
taxes shall be imposed only on use within the metropolitan region and at rates as provided in the paragraph.

(l) The Board in imposing any tax as provided in paragraphs (b) and (c) of this Section, shall, after seeking the advice of the State Department of Revenue, provide means for retailers, users or purchasers of motor fuel for purposes other than those with regard to which the taxes may be imposed as provided in those paragraphs to receive refunds of taxes improperly paid, which provisions may be at variance with the refund provisions as applicable under the Municipal Retailers Occupation Tax Act. The State Department of Revenue may provide for certificates of registration for users or purchasers of motor fuel for purposes other than those with regard to which taxes may be imposed as provided in paragraphs (b) and (c) of this Section to facilitate the reporting and nontaxability of the exempt sales or uses.

(m) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Regional Transportation Authority as of September 1 next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing.

(n) The State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the Authority. The taxes shall be held in a trust fund outside the State Treasury. On or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the Authority, which shall be the then balance in the fund, less any amount determined by the Department to be necessary for the payment of refunds. The State Department of Revenue shall also certify to the Authority the amount of taxes collected in each County other than Cook County in the metropolitan region less the amount necessary for the payment of refunds to taxpayers in the County. With regard to the County of Cook, the certification shall specify the amount of taxes collected within the City of Chicago less the amount necessary for the payment of refunds to taxpayers in the City of Chicago and the amount collected in that portion of Cook County outside of Chicago less the amount necessary for the payment of refunds to taxpayers in that portion of Cook County outside of Chicago. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the Authority, the Comptroller shall cause an order to be drawn for the payment for the amount in accordance with the direction in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in July 1991 and each year thereafter to the Regional Transportation Authority. The allocation shall be made in an amount equal to the average monthly distribution during the preceding calendar year (excluding the 2 months of lowest receipts) and the allocation shall include the amount of average monthly distribution from the Regional Transportation Authority Occupation and Use Tax Replacement Fund. The distribution made in July 1992 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department of Revenue shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(o) Failure to adopt a budget ordinance or otherwise to comply with Section 4.01 of this Act or to adopt a Five-year Program or otherwise to comply with paragraph (b) of Section 2.01 of this Act shall not affect the validity of any tax imposed by the Authority otherwise in conformity with law.

(p) At no time shall a public transportation tax or motor vehicle parking tax authorized under paragraphs (b), (c) and (d) of this Section be in effect at the same time as any retailers' occupation, use or service occupation tax authorized under paragraphs (e), (f) and (g) of this Section is in effect.

Any taxes imposed under the authority provided in paragraphs (b), (c) and (d) shall remain in effect only until the time as any tax authorized by paragraphs (e), (f) or (g) of this Section are imposed and becomes effective. Once any tax authorized by paragraphs (e), (f) or (g) is imposed the Board may not reimpose taxes as authorized in paragraphs (b), (c) and (d) of the Section unless any tax authorized by paragraphs (e), (f) or (g) of this Section becomes ineffective by means other than an ordinance of the Board.

(q) Any existing rights, remedies and obligations (including enforcement by the Regional Transportation Authority) arising under any tax imposed under paragraphs (b), (c) or (d) of this Section shall not be affected by the imposition of a tax under paragraphs (e), (f) or (g) of this Section.

Section 37. The School Code is amended by changing Sections 1D-1, 2-3.35, 14-9.01, 18-8.05, 22-27, and 34A-403.1 and renumbering Section 14-1.09.02 as follows:

(105 ILCS 5/1D-1)

Sec. 1D-1. Block grant funding.

(a) For fiscal year 1996 and each fiscal year thereafter, the State Board of Education shall award to a school district having a population exceeding 500,000 inhabitants a general education block grant and an educational services block grant, determined as provided in this Section, in lieu of distributing to the district separate State funding for the programs described in subsections (b) and (c). The provisions of this Section, however, do not apply to any federal funds that the district is entitled to receive. In accordance with Section 2-3.32, all block grants are subject to an audit. Therefore, block grant receipts and block grant expenditures shall be recorded to the appropriate fund code for the designated block grant.

(b) The general education block grant shall include the following programs: REI
Initiative, Summer Bridges, Preschool At Risk, K-6 Comprehensive Arts, School Improvement Support, Urban Education, Scientific Literacy, Substance Abuse Prevention, Second Language Planning, Staff Development, Outcomes and Assessment, K-6 Reading Improvement, Truants' Optional Education, Hispanic Programs, Agriculture Education, Gifted Education, Parental Education, Prevention Initiative, Report Cards, and Criminal Background Investigations. Notwithstanding any other provision of law, all amounts paid under the general education block grant from State appropriations to a school district in a city having a population exceeding 500,000 inhabitants shall be appropriated and expended by the board of that district for any of the programs included in the block grant or any of the board's lawful purposes.

(c) The educational services block grant shall include the following programs: Bilingual, Regular and Vocational Transportation, State Lunch and Free Breakfast Program, Special Education (Personnel, Extraordinary, Transportation, Orphanage, Private Tuition), Summer School, Educational Service Centers, and Administrator's Academy. This subsection (c) does not relieve the district of its obligation to provide the services required under a program that is included within the educational services block grant. It is the intention of the General Assembly in enacting the provisions of this subsection (c) to relieve the district of the administrative burdens that impede efficiency and accompany single-program funding. The General Assembly encourages the board to pursue mandate waivers pursuant to Section 2-3.25g.

(d) For fiscal year 1996 and each fiscal year thereafter, the amount of the district's block grants shall be determined as follows: (i) with respect to each program that is included within each block grant, the district shall receive an amount equal to the same percentage of the current fiscal year appropriation made for that program as the percentage of the appropriation received by the district from the 1995 fiscal year appropriation made for that program, and (ii) the total amount that is due the district under the block grant shall be the aggregate of the amounts that the district is entitled to receive for the fiscal year with respect to each program that is included within the block grant that the State Board of Education shall award the district under this Section for that fiscal year. In the case of the Summer Bridges program, the amount of the district's block grant shall be equal to 44% of the amount of the current fiscal year appropriation made for that program.

(e) The district is not required to file any application or other claim in order to receive the block grants to which it is entitled under this Section. The State Board of Education shall make payments to the district of amounts due under the district's block grants on a schedule determined by the State Board of Education.

(f) A school district to which this Section applies shall report to the State Board of Education on its use of the block grants in such form and detail as the State Board of Education may specify.

(g) This paragraph provides for the treatment of block grants under Article 1C for purposes of calculating the amount of block grants for a district under this Section. Those block grants under Article 1C are, for this purpose, treated as included in the amount of appropriation for the various programs set forth in paragraph (b) above. The appropriation...
in each current fiscal year for each block grant under Article 1C shall be treated for these purposes as appropriations for the individual program included in that block grant. The proportion of each block grant so allocated to each such program included in it shall be the proportion which the appropriation for that program was of all appropriations for such purposes now in that block grant, in fiscal 1995.

Sec. 2-3.35. Department of School District Organization. To establish a Department of School District Organization to assist local school districts in studying school district organization problems so as to improve educational opportunities for the students and:

(1) To provide consultant service to local school districts to help them determine and understand the necessary quality educational program needed for the youth of today, and the necessary services and resources to develop and support it.

(2) To provide consultant service to school districts that need to reorganize through consolidation, joint agreements, etc., in order to provide for a quality educational program.

(3) To provide consultant service to school districts needing help to solve internal organizational problems that must be solved to provide a quality educational program.

(4) To provide information annually to the School Problems Commission regarding progress made in improving school district organization as well as school district reorganization. Such factual information should provide a basis for legislation to solve organizational problems for school districts when they cannot or will not be solved at the local school district level.

(5) May make area surveys of strengths and weaknesses of local school districts and recommend, where necessary, a course of action to meet adequate standards.

Sec. 14-9.01. Qualifications of teachers, other professional personnel and necessary workers. No person shall be employed to teach any class or program authorized by this Article who does not hold a valid teacher's certificate as provided by law and unless he has had such special training as the State Board of Education may require. No special certificate or endorsement to a special certificate issued under Section 21-4 on or after July 1, 1994, shall be valid for teaching students with visual disabilities unless the person to whom the certificate or endorsement is issued has attained satisfactory performance on an examination that is designed to assess competency in Braille reading and writing skills according to standards that the State Board of Education may adopt. Evidence of successfully completing the examination of Braille reading and writing skills must be submitted to the State Board of Education prior to an applicant's examination of the subject matter knowledge test required under Section 21-1a. Beginning July 1, 1995, in addition to other requirements, a candidate for a teaching certification in the area of the deaf and hard of hearing granted by the Illinois State Board of Education for teaching deaf and hard of hearing students in grades pre-school through grade 12 must demonstrate a minimum proficiency in sign language as determined by the Illinois State Board of Education. All other professional personnel employed in any class, service, or program authorized by this Article shall hold such certificates and shall have had such special training as the State Board of Education may require; provided that in a school district organized under Article 34, the school district may employ speech and language pathologists who are licensed under the Illinois Speech-Language Pathology and Audiology Practice Act but who do not hold a certificate issued under the School Code if the district certifies that a chronic shortage of certified personnel exists. Nothing contained in this Act prohibits the school board from employing

necessary workers to assist the teacher with the special educational facilities, except that all such necessary workers must have had such training as the State Board of Education may require.

No later than January 1, 1993, the State Board of Education shall develop, in consultation with the Advisory Council on the Education of Children with Disabilities and the Advisory Council on Bilingual Education, rules governing the qualifications for certification of teachers and school service personnel providing services to limited English proficient students receiving special education and related services.

The employment of any teacher in a special education program provided for in Sections 14-1.01 to 14-14.01, inclusive, shall be subject to the provisions of Sections 24-11 to 24-16, inclusive. Any teacher employed in a special education program, prior to the effective date of this amendatory Act of 1987, in which 2 or more districts participate shall enter upon contractual continued service in each of the participating districts subject to the provisions of Sections 24-11 to 24-16, inclusive.

(105 ILCS 5/18-8.05)
Sec. 18-8.05. Basis for apportionment of general State financial aid and supplemental general State aid to the common schools for the 1998-1999 and subsequent school years. (A) General Provisions.

(1) The provisions of this Section apply to the 1998-1999 and subsequent school years. The system of general State financial aid provided for in this Section is designed to assure that, through a combination of State financial aid and required local resources, the financial support provided each pupil in Average Daily Attendance equals or exceeds a prescribed per pupil Foundation Level. This formula approach imputes a level of per pupil Available Local Resources and provides for the basis to calculate a per pupil level of general State financial aid that, when added to Available Local Resources, equals or exceeds the Foundation Level. The amount of per pupil general State financial aid for school districts, in general, varies in inverse relation to Available Local Resources. Per pupil amounts are based upon each school district's Average Daily Attendance as that term is defined in this Section.

(2) In addition to general State financial aid, school districts with specified levels or concentrations of pupils from low income households are eligible to receive supplemental general State financial aid grants as provided pursuant to subsection (H). The supplemental State aid grants provided for school districts under subsection (H) shall be appropriated for distribution to school districts as part of the same line item in which the general State financial aid of school districts is appropriated under this Section.

(3) To receive financial assistance under this Section, school districts are required to file claims with the State Board of Education, subject to the following requirements:

(a) Any school district which fails for any given school year to maintain school as required by law, or to maintain a recognized school is not eligible to file for such school year any claim upon the Common School Fund. In case of

New matter indicated by italics - deletions by strikeout.
nonrecognition of one or more attendance centers in a school district otherwise operating recognized schools, the claim of the district shall be reduced in the proportion which the Average Daily Attendance in the attendance center or centers bear to the Average Daily Attendance in the school district. A "recognized school" means any public school which meets the standards as established for recognition by the State Board of Education. A school district or attendance center not having recognition status at the end of a school term is entitled to receive State aid payments due upon a legal claim which was filed while it was recognized.

(b) School district claims filed under this Section are subject to Sections 18-9, 18-10, and 18-12, except as otherwise provided in this Section.

(c) If a school district operates a full year school under Section 10-19.1, the general State aid to the school district shall be determined by the State Board of Education in accordance with this Section as near as may be applicable.

(d) (Blank).

(4) Except as provided in subsections (H) and (L), the board of any district receiving any of the grants provided for in this Section may apply those funds to any fund so received for which that board is authorized to make expenditures by law.

School districts are not required to exert a minimum Operating Tax Rate in order to qualify for assistance under this Section.

(5) As used in this Section the following terms, when capitalized, shall have the meaning ascribed herein:

(a) "Average Daily Attendance": A count of pupil attendance in school, averaged as provided for in subsection (C) and utilized in deriving per pupil financial support levels.

(b) "Available Local Resources": A computation of local financial support, calculated on the basis of Average Daily Attendance and derived as provided pursuant to subsection (D).

(c) "Corporate Personal Property Replacement Taxes": Funds paid to local school districts pursuant to "An Act in relation to the abolition of ad valorem personal property tax and the replacement of revenues lost thereby, and amending and repealing certain Acts and parts of Acts in connection therewith", certified August 14, 1979, as amended (Public Act 81-1st S.S.-1).

(d) "Foundation Level": A prescribed level of per pupil financial support as provided for in subsection (B).

(e) "Operating Tax Rate": All school district property taxes extended for all purposes, except Bond and Interest, Summer School, Rent, Capital Improvement, and Vocational Education Building purposes.

(B) Foundation Level.

(1) The Foundation Level is a figure established by the State representing the minimum level of per pupil financial support that should be available to provide for the basic education of each pupil in Average Daily Attendance. As set forth in this Section, each school district is assumed to exert a sufficient local taxing effort such that, in combination

New matter indicated by italics - deletions by strikeout.
with the aggregate of general State financial aid provided the district, an aggregate of State and local resources are available to meet the basic education needs of pupils in the district.

(2) For the 1998-1999 school year, the Foundation Level of support is $4,225. For the 1999-2000 school year, the Foundation Level of support is $4,325. For the 2000-2001 school year, the Foundation Level of support is $4,425.

(3) For the 2001-2002 school year and each school year thereafter, the Foundation Level of support is $4,560 or such greater amount as may be established by law by the General Assembly.

(C) Average Daily Attendance.

(1) For purposes of calculating general State aid pursuant to subsection (E), an Average Daily Attendance figure shall be utilized. The Average Daily Attendance figure for formula calculation purposes shall be the monthly average of the actual number of pupils in attendance of each school district, as further averaged for the best 3 months of pupil attendance for each school district. In compiling the figures for the number of pupils in attendance, school districts and the State Board of Education shall, for purposes of general State aid funding, conform attendance figures to the requirements of subsection (F).

(2) The Average Daily Attendance figures utilized in subsection (E) shall be the requisite attendance data for the school year immediately preceding the school year for which general State aid is being calculated or the average of the attendance data for the 3 preceding school years, whichever is greater. The Average Daily Attendance figures utilized in subsection (H) shall be the requisite attendance data for the school year immediately preceding the school year for which general State aid is being calculated.

(D) Available Local Resources.

(1) For purposes of calculating general State aid pursuant to subsection (E), a representation of Available Local Resources per pupil, as that term is defined and determined in this subsection, shall be utilized. Available Local Resources per pupil shall include a calculated dollar amount representing local school district revenues from local property taxes and from Corporate Personal Property Replacement Taxes, expressed on the basis of pupils in Average Daily Attendance.

(2) In determining a school district's revenue from local property taxes, the State Board of Education shall utilize the equalized assessed valuation of all taxable property of each school district as of September 30 of the previous year. The equalized assessed valuation utilized shall be obtained and determined as provided in subsection (G).

(3) For school districts maintaining grades kindergarten through 12, local property tax revenues per pupil shall be calculated as the product of the applicable equalized assessed valuation for the district multiplied by 3.00%, and divided by the district's Average Daily Attendance figure. For school districts maintaining grades kindergarten through 8, local property tax revenues per pupil shall be calculated as the product of the applicable equalized assessed valuation for the district multiplied by 2.30%, and divided by the district's Average Daily Attendance figure. For school districts maintaining grades 9 through 12, local property tax revenues per pupil shall be the applicable equalized assessed valuation of the district multiplied by 1.05%, and divided by the district's Average Daily Attendance figure.
(4) The Corporate Personal Property Replacement Taxes paid to each school district during the calendar year 2 years before the calendar year in which a school year begins, divided by the Average Daily Attendance figure for that district, shall be added to the local property tax revenues per pupil as derived by the application of the immediately preceding paragraph (3). The sum of these per pupil figures for each school district shall constitute Available Local Resources as that term is utilized in subsection (E) in the calculation of general State aid.

(E) Computation of General State Aid.

(1) For each school year, the amount of general State aid allotted to a school district shall be computed by the State Board of Education as provided in this subsection.

(2) For any school district for which Available Local Resources per pupil is less than the product of 0.93 times the Foundation Level, general State aid for that district shall be calculated as an amount equal to the Foundation Level minus Available Local Resources, multiplied by the Average Daily Attendance of the school district.

(3) For any school district for which Available Local Resources per pupil is equal to or greater than the product of 0.93 times the Foundation Level and less than the product of 1.75 times the Foundation Level, the general State aid per pupil shall be a decimal proportion of the Foundation Level derived using a linear algorithm. Under this linear algorithm, the calculated general State aid per pupil shall decline in direct linear fashion from 0.07 times the Foundation Level for a school district with Available Local Resources equal to the product of 0.93 times the Foundation Level, to 0.05 times the Foundation Level for a school district with Available Local Resources equal to the product of 1.75 times the Foundation Level. The allocation of general State aid for school districts subject to this paragraph 3 shall be the calculated general State aid per pupil figure multiplied by the Average Daily Attendance of the school district.

(4) For any school district for which Available Local Resources per pupil equals or exceeds the product of 1.75 times the Foundation Level, the general State aid for the school district shall be calculated as the product of $218 multiplied by the Average Daily Attendance of the school district.

(5) The amount of general State aid allocated to a school district for the 1999-2000 school year meeting the requirements set forth in paragraph (4) of subsection (G) shall be increased by an amount equal to the general State aid that would have been received by the district for the 1998-1999 school year by utilizing the Extension Limitation Equalized Assessed Valuation as calculated in paragraph (4) of subsection (G) less the general State aid allotted for the 1998-1999 school year. This amount shall be deemed a one time increase, and shall not affect any future general State aid allocations.

(F) Compilation of Average Daily Attendance.

(1) Each school district shall, by July 1 of each year, submit to the State Board of Education, on forms prescribed by the State Board of Education, attendance figures for the school year that began in the preceding calendar year. The attendance information so transmitted shall identify the average daily attendance figures for each month of the school year, except that any days of attendance in August shall be added to the month of September.
and any days of attendance in June shall be added to the month of May.

Except as otherwise provided in this Section, days of attendance by pupils shall be counted only for sessions of not less than 5 clock hours of school work per day under direct supervision of: (i) teachers, or (ii) non-teaching personnel or volunteer personnel when engaging in non-teaching duties and supervising in those instances specified in subsection (a) of Section 10-22.34 and paragraph 10 of Section 34-18, with pupils of legal school age and in kindergarten and grades 1 through 12.

Days of attendance by tuition pupils shall be accredited only to the districts that pay

(2) Days of attendance by pupils of less than 5 clock hours of school shall be subject to the following provisions in the compilation of Average Daily Attendance.

(a) Pupils regularly enrolled in a public school for only a part of the school day may be counted on the basis of 1/6 day for every class hour of instruction of 40 minutes or more attended pursuant to such enrollment, unless a pupil is enrolled in a block-schedule format of 80 minutes or more of instruction, in which case the pupil may be counted on the basis of the proportion of minutes of school work completed each day to the minimum number of minutes that school work is required to be held that day.

(b) Days of attendance may be less than 5 clock hours on the opening and closing of the school term, and upon the first day of pupil attendance, if preceded by a day or days utilized as an institute or teachers’ workshop.

(c) A session of 4 or more clock hours may be counted as a day of attendance upon certification by the regional superintendent, and approved by the State Superintendent of Education to the extent that the district has been forced to use daily multiple sessions.

(d) A session of 3 or more clock hours may be counted as a day of attendance

(1) when the remainder of the school day or at least 2 hours in the evening of that day is utilized for an in-service training program for teachers, up to a maximum of 5 days per school year of which a maximum of 4 days of such 5 days may be used for parent-teacher conferences, provided a district conducts an in-service training program for teachers which has been approved by the State Superintendent of Education; or, in lieu of 4 such days, 2 full days may be used, in which event each such day may be counted as a day of attendance; and (2) when days in addition to those provided in item (1) are scheduled by a school pursuant to its school improvement plan adopted under Article 34 or its revised or amended school improvement plan adopted under Article 2, provided that (i) such sessions of 3 or more clock hours are scheduled to occur at regular intervals, (ii) the remainder of the school days in which such sessions occur are utilized for in-service training programs or other staff development activities for teachers, and (iii) a sufficient number of minutes of school work under the direct supervision of teachers are added to the school days between such regularly scheduled sessions to accumulate not less than the number of minutes by which such sessions of 3 or more clock hours fall short of
5 clock hours. Any full days used for the purposes of this paragraph shall not be considered for computing average daily attendance. Days scheduled for in-service training programs, staff development activities, or parent-teacher conferences may be scheduled separately for different grade levels and different attendance centers of the district.

(e) A session of not less than one clock hour of teaching hospitalized or homebound pupils on-site or by telephone to the classroom may be counted as 1/2 day of attendance, however these pupils must receive 4 or more clock hours of instruction to be counted for a full day of attendance.

(f) A session of at least 4 clock hours may be counted as a day of attendance for first grade pupils, and pupils in full day kindergartens, and a session of 2 or more hours may be counted as 1/2 day of attendance by pupils in kindergartens which provide only 1/2 day of attendance.

(g) For children with disabilities who are below the age of 6 years and who cannot attend 2 or more clock hours because of their disability or immaturity, a session of not less than one clock hour may be counted as 1/2 day of attendance; however for such children whose educational needs so require a session of 4 or more clock hours may be counted as a full day of attendance.

(h) A recognized kindergarten which provides for only 1/2 day of attendance by each pupil shall not have more than 1/2 day of attendance counted in any one day. However, kindergartens may count 2 1/2 days of attendance in any 5 consecutive school days. When a pupil attends such a kindergarten for 2 half days on any one school day, the pupil shall have the following day as a day absent from school, unless the school district obtains permission in writing from the State Superintendent of Education. Attendance at kindergartens which provide for a full day of attendance by each pupil shall be counted the same as attendance by first grade pupils. Only the first year of attendance in one kindergarten shall be counted, except in case of children who entered the kindergarten in their fifth year whose educational development requires a second year of kindergarten as determined under the rules and regulations of the State Board of Education.

(G) Equalized Assessed Valuation Data.

(1) For purposes of the calculation of Available Local Resources required pursuant to subsection (D), the State Board of Education shall secure from the Department of Revenue the value as equalized or assessed by the Department of Revenue of all taxable property of every school district, together with (i) the applicable tax rate used in extending taxes for the funds of the district as of September 30 of the previous year and (ii) the limiting rate for all school districts subject to property tax extension limitations as imposed under the Property Tax Extension Limitation Law.

This equalized assessed valuation, as adjusted further by the requirements of this subsection, shall be utilized in the calculation of Available Local Resources.

(2) The equalized assessed valuation in paragraph (1) shall be adjusted, as applicable, in the following manner:

New matter indicated by italics - deletions by strikeout.
(a) For the purposes of calculating State aid under this Section, with respect to any part of a school district within a redevelopment project area in respect to which a municipality has adopted tax increment allocation financing pursuant to the Tax Increment Allocation Redevelopment Act, Sections 11-74.4-1 through 11-74.4-11 of the Illinois Municipal Code or the Industrial Jobs Recovery Law, Sections 11-74.6-1 through 11-74.6-50 of the Illinois Municipal Code, no part of the current equalized assessed valuation of real property located in any such project area which is attributable to an increase above the total initial equalized assessed valuation of such property shall be used as part of the equalized assessed valuation of the district, until such time as all redevelopment project costs have been paid, as provided in Section 11-74.4-8 of the Tax Increment Allocation Redevelopment Act or in Section 11-74.6-35 of the Industrial Jobs Recovery Law. For the purpose of the equalized assessed valuation of the district, the total initial equalized assessed valuation or the current equalized assessed valuation, whichever is lower, shall be used until such time as all redevelopment project costs have been paid.

(b) The real property equalized assessed valuation for a school district shall be adjusted by subtracting from the real property value as equalized or assessed by the Department of Revenue for the district an amount computed by dividing the amount of any abatement of taxes under Section 18-170 of the Property Tax Code by 3.00% for a district maintaining grades kindergarten through 12, by 2.30% for a district maintaining grades kindergarten through 8, or by 1.05% for a district maintaining grades 9 through 12 and adjusted by an amount computed by dividing the amount of any abatement of taxes under subsection (a) of Section 18-165 of the Property Tax Code by the same percentage rates for district type as specified in this subparagraph (b).

(3) For the 1999-2000 school year and each school year thereafter, if a school district meets all of the criteria of this subsection (G)(3), the school district's Available Local Resources shall be calculated under subsection (D) using the district's Extension Limitation Equalized Assessed Valuation as calculated under this subsection (G)(3).

For purposes of this subsection (G)(3) the following terms shall have the following meanings:

"Budget Year": The school year for which general State aid is calculated and awarded under subsection (E).

"Base Tax Year": The property tax levy year used to calculate the Budget Year allocation of general State aid.

"Preceding Tax Year": The property tax levy year immediately preceding the Base Tax Year.

"Base Tax Year's Tax Extension": The product of the equalized assessed valuation utilized by the County Clerk in the Base Tax Year multiplied by the limiting rate as calculated by the County Clerk and defined in the Property Tax Extension Limitation Law.

"Preceding Tax Year's Tax Extension": The product of the equalized assessed valuation...
valuation utilized by the County Clerk in the Preceding Tax Year multiplied by the Operating Tax Rate as defined in subsection (A).

"Extension Limitation Ratio": A numerical ratio, certified by the County Clerk, in which the numerator is the Base Tax Year's Tax Extension and the denominator is the Preceding Tax Year's Tax Extension.

"Operating Tax Rate": The operating tax rate as defined in subsection (A).

If a school district is subject to property tax extension limitations as imposed under the Property Tax Extension Limitation Law, the State Board of Education shall calculate the Extension Limitation Equalized Assessed Valuation of that district. For the 1999-2000 school year, the Extension Limitation Equalized Assessed Valuation of a school district as calculated by the State Board of Education shall be equal to the product of the district's 1996 Equalized Assessed Valuation and the district's Extension Limitation Ratio. For the 2000-2001 school year and each school year thereafter, the Extension Limitation Equalized Assessed Valuation of a school district as calculated by the State Board of Education shall be equal to the product of the Equalized Assessed Valuation last used in the calculation of general State aid and the district's Extension Limitation Ratio. If the Extension Limitation Equalized Assessed Valuation of a school district as calculated under this subsection (G)(3) is less than the district's equalized assessed valuation as calculated pursuant to subsections (G)(1) and (G)(2), then for purposes of calculating the district's general State aid for the Budget Year pursuant to subsection (E), that Extension Limitation Equalized Assessed Valuation shall be utilized to calculate the district's Available Local Resources under subsection (D).

(4) For the purposes of calculating general State aid for the 1999-2000 school year only, if a school district experienced a triennial reassessment on the equalized assessed valuation used in calculating its general State financial aid apportionment for the 1998-1999 school year, the State Board of Education shall calculate the Extension Limitation Equalized Assessed Valuation that would have been used to calculate the district's 1998-1999 general State aid. This amount shall equal the product of the equalized assessed valuation used to calculate general State aid for the 1997-1998 school year and the district's Extension Limitation Ratio. If the Extension Limitation Equalized Assessed Valuation of the school district as calculated under this paragraph (4) is less than the district's equalized assessed valuation utilized in calculating the district's 1998-1999 general State aid allocation, then for purposes of calculating the district's general State aid pursuant to paragraph (5) of subsection (E), that Extension Limitation Equalized Assessed Valuation shall be utilized to calculate the district's Available Local Resources.

(5) For school districts having a majority of their equalized assessed valuation in any county except Cook, DuPage, Kane, Lake, McHenry, or Will, if the amount of general State aid allocated to the school district for the 1999-2000 school year under the provisions of subsection (E), (H), and (J) of this Section is less than the amount of general State aid allocated to the district for the 1998-1999 school year under these subsections, then the general State aid of the district for the 1999-2000 school year only shall be increased by the difference between these amounts. The total payments made under this paragraph (5) shall

(H) Supplemental General State Aid.

(1) In addition to the general State aid a school district is allotted pursuant to subsection (E), qualifying school districts shall receive a grant, paid in conjunction with a district's payments of general State aid, for supplemental general State aid based upon the concentration level of children from low-income households within the school district. Supplemental State aid grants provided for school districts under this subsection shall be appropriated for distribution to school districts as part of the same line item in which the general State financial aid of school districts is appropriated under this Section. For purposes of this subsection, the term "Low-Income Concentration Level" shall be the low-income eligible pupil count from the most recently available federal census divided by the Average Daily Attendance of the school district. If, however, (i) the percentage decrease from the 2 most recent federal censuses in the low-income eligible pupil count of a high school district with fewer than 400 students exceeds by 75% or more the percentage change in the total low-income eligible pupil count of contiguous elementary school districts, whose boundaries are coterminous with the high school district, or (ii) a high school district within 2 counties and serving 5 elementary school districts, whose boundaries are coterminous with the high school district, has a percentage decrease from the 2 most recent federal censuses in the low-income eligible pupil count and there is a percentage increase in the total low-income eligible pupil count of the elementary school districts in excess of 50% from the 2 most recent federal censuses, then the high school district's low-income eligible pupil count from the earlier federal census shall be the number used as the low-income eligible pupil count for the high school district, for purposes of this subsection (H). The changes made to this paragraph (1) by Public Act 92-28 this amending Act of the 92nd General Assembly shall apply to supplemental general State aid grants paid in fiscal year 1999 and in each fiscal year thereafter and to any State aid payments made in fiscal year 1994 through fiscal year 1998 pursuant to subsection 1(n) of Section 18-8 of this Code (which was repealed on July 1, 1998), and any high school district that is affected by Public Act 92-28 this amending Act of the 92nd General Assembly is entitled to a recomputation of its supplemental general State aid grant or State aid paid in any of those fiscal years. This recomputation shall not be affected by any other funding.

(2) Supplemental general State aid pursuant to this subsection (H) shall be provided as follows for the 1998-1999, 1999-2000, and 2000-2001 school years only:

   (a) For any school district with a Low Income Concentration Level of at least 20% and less than 35%, the grant for any school year shall be $800 multiplied by the low income eligible pupil count.

   (b) For any school district with a Low Income Concentration Level of at least 35% and less than 50%, the grant for the 1998-1999 school year shall be $1,100 multiplied by the low income eligible pupil count.

   (c) For any school district with a Low Income Concentration Level of at least 50% and less than 60%, the grant for the 1998-99 school year shall be $1,500 multiplied by the low income eligible pupil count.

(d) For any school district with a Low Income Concentration Level of 60% or more, the grant for the 1998-99 school year shall be $1,900 multiplied by the low income eligible pupil count.

(e) For the 1999-2000 school year, the per pupil amount specified in subparagraphs (b), (c), and (d) immediately above shall be increased to $1,243, $1,600, and $2,000, respectively.

(f) For the 2000-2001 school year, the per pupil amounts specified in subparagraphs (b), (c), and (d) immediately above shall be $1,273, $1,640, and $2,050, respectively.

(2.5) Supplemental general State aid pursuant to this subsection (H) shall be provided as follows for the 2001-2002 school year and each school year thereafter:

(a) For any school district with a Low Income Concentration Level of less than 10%, the grant for each school year shall be $355 multiplied by the low income eligible pupil count.

(b) For any school district with a Low Income Concentration Level of at least 10% and less than 20%, the grant for each school year shall be $675 multiplied by the low income eligible pupil count.

(c) For any school district with a Low Income Concentration Level of at least 20% and less than 35%, the grant for each school year shall be $1,190 multiplied by the low income eligible pupil count.

(d) For any school district with a Low Income Concentration Level of at least 35% and less than 50%, the grant for each school year shall be $1,333 multiplied by the low income eligible pupil count.

(e) For any school district with a Low Income Concentration Level of at least 50% and less than 60%, the grant for each school year shall be $1,680 multiplied by the low income eligible pupil count.

(f) For any school district with a Low Income Concentration Level of 60% or more, the grant for each school year shall be $2,080 multiplied by the low income eligible pupil count.

(3) School districts with an Average Daily Attendance of more than 1,000 and less than 50,000 that qualify for supplemental general State aid pursuant to this subsection shall submit a plan to the State Board of Education prior to October 30 of each year for the use of the funds resulting from this grant of supplemental general State aid for the improvement of instruction in which priority is given to meeting the education needs of disadvantaged children. Such plan shall be submitted in accordance with rules and regulations promulgated by the State Board of Education.

(4) School districts with an Average Daily Attendance of 50,000 or more that qualify for supplemental general State aid pursuant to this subsection shall be required to distribute from funds available pursuant to this Section, no less than $261,000,000 in accordance with the following requirements:

(a) The required amounts shall be distributed to the attendance centers within the district in proportion to the number of pupils enrolled at each attendance center.
who are eligible to receive free or reduced-price lunches or breakfasts under the federal Child Nutrition Act of 1966 and under the National School Lunch Act during the immediately preceding school year.

(b) The distribution of these portions of supplemental and general State aid among attendance centers according to these requirements shall not be compensated for or contravened by adjustments of the total of other funds appropriated to any attendance centers, and the Board of Education shall utilize funding from one or several sources in order to fully implement this provision annually prior to the opening of school.

(c) Each attendance center shall be provided by the school district a distribution of noncategorical funds and other categorical funds to which an attendance center is entitled under law in order that the general State aid and supplemental general State aid provided by application of this subsection supplements rather than supplants the noncategorical funds and other categorical funds provided by the school district to the attendance centers.

(d) Any funds made available under this subsection that by reason of the provisions of this subsection are not required to be allocated and provided to attendance centers may be used and appropriated by the board of the district for any lawful school purpose.

(e) Funds received by an attendance center pursuant to this subsection shall be used by the attendance center at the discretion of the principal and local school council for programs to improve educational opportunities at qualifying schools through the following programs and services: early childhood education, reduced class size or improved adult to student classroom ratio, enrichment programs, remedial assistance, attendance improvement, and other educationally beneficial expenditures which supplement the regular and basic programs as determined by the State Board of Education. Funds provided shall not be expended for any political or lobbying purposes as defined by board rule.

(f) Each district subject to the provisions of this subdivision (H)(4) shall submit an acceptable plan to meet the educational needs of disadvantaged children, in compliance with the requirements of this paragraph, to the State Board of Education prior to July 15 of each year. This plan shall be consistent with the decisions of local school councils concerning the school expenditure plans developed in accordance with part 4 of Section 34-2.3. The State Board shall approve or reject the plan within 60 days after its submission. If the plan is rejected, the district shall give written notice of intent to modify the plan within 15 days of the notification of rejection and then submit a modified plan within 30 days after the date of the written notice of intent to modify. Districts may amend approved plans pursuant to rules promulgated by the State Board of Education.

Upon notification by the State Board of Education that the district has not submitted a plan prior to July 15 or a modified plan within the time period specified herein, the State aid funds affected by that plan or modified plan shall be withheld.

by the State Board of Education until a plan or modified plan is submitted.

If the district fails to distribute State aid to attendance centers in accordance with an approved plan, the plan for the following year shall allocate funds, in addition to the funds otherwise required by this subsection, to those attendance centers which were underfunded during the previous year in amounts equal to such underfunding.

For purposes of determining compliance with this subsection in relation to the requirements of attendance center funding, each district subject to the provisions of this subsection shall submit as a separate document by December 1 of each year a report of expenditure data for the prior year in addition to any modification of its current plan. If it is determined that there has been a failure to comply with the expenditure provisions of this subsection regarding contravention or supplanting, the State Superintendent of Education shall, within 60 days of receipt of the report, notify the district and any affected local school council. The district shall within 45 days of receipt of that notification inform the State Superintendent of Education of the remedial or corrective action to be taken, whether by amendment of the current plan, if feasible, or by adjustment in the plan for the following year. Failure to provide the expenditure report or the notification of remedial or corrective action in a timely manner shall result in a withholding of the affected funds.

The State Board of Education shall promulgate rules and regulations to implement the provisions of this subsection. No funds shall be released under this subdivision (H)(4) to any district that has not submitted a plan that has been approved by the State Board of Education.

(I) General State Aid for Newly Configured School Districts.

(1) For a new school district formed by combining property included totally within 2 or more previously existing school districts, for its first year of existence the general State aid and supplemental general State aid calculated under this Section shall be computed for the new district and for the previously existing districts for which property is totally included within the new district. If the computation on the basis of the previously existing districts is greater, a supplementary payment equal to the difference shall be made for the first 4 years of existence of the new district.

(2) For a school district which annexes all of the territory of one or more entire other school districts, for the first year during which the change of boundaries attributable to such annexation becomes effective for all purposes as determined under Section 7-9 or 7A-8, the general State aid and supplemental general State aid calculated under this Section shall be computed for the annexing district as constituted after the annexation and for the annexing and each annexed district as constituted prior to the annexation; and if the computation on the basis of the annexing and annexed districts as constituted prior to the annexation is greater, a supplementary payment equal to the difference shall be made for the first 4 years of existence of the annexing school district as constituted upon such annexation.

(3) For 2 or more school districts which annex all of the territory of one or more entire other school districts, and for 2 or more community unit districts which result upon the

division (pursuant to petition under Section 11A-2) of one or more other unit school districts into 2 or more parts and which together include all of the parts into which such other unit school district or districts are so divided, for the first year during which the change of boundaries attributable to such annexation or division becomes effective for all purposes as determined under Section 7-9 or 11A-10, as the case may be, the general State aid and supplemental general State aid calculated under this Section shall be computed for each annexing or resulting district as constituted after the annexation or division and for each annexing and annexed district, or for each resulting and divided district, as constituted prior to the annexation or division; and if the aggregate of the general State aid and supplemental general State aid as so computed for the annexing or resulting districts as constituted after the annexation or division is less than the aggregate of the general State aid and supplemental general State aid as so computed for the annexing and annexed districts, or for the resulting and divided districts, as constituted prior to the annexation or division, then a supplementary payment equal to the difference shall be made and allocated between or among the annexing or resulting districts, as constituted upon such annexation or division, for the first 4 years of their existence. The total difference payment shall be allocated between or among the annexing or resulting districts in the same ratio as the pupil enrollment from that portion of the annexed or divided district or districts which is annexed to or included in each such annexing or resulting district bears to the total pupil enrollment from the entire annexed or divided district or districts, as such pupil enrollment is determined for the school year last ending prior to the date when the change of boundaries attributable to the annexation or division becomes effective for all purposes. The amount of the total difference payment and the amount thereof to be allocated to the annexing or resulting districts shall be computed by the State Board of Education on the basis of pupil enrollment and other data which shall be certified to the State Board of Education, on forms which it shall provide for that purpose, by the regional superintendent of schools for each educational service region in which the annexing and annexed districts, or resulting and divided districts are located.

(3.5) Claims for financial assistance under this subsection (I) shall not be recomputed except as expressly provided under this Section.

(4) Any supplementary payment made under this subsection (I) shall be treated as separate from all other payments made pursuant to this Section.

(J) Supplementary Grants in Aid.

(1) Notwithstanding any other provisions of this Section, the amount of the aggregate general State aid in combination with supplemental general State aid under this Section for which each school district is eligible shall be no less than the amount of the aggregate general State aid entitlement that was received by the district under Section 18-8 (exclusive of amounts received under subsections 5(p) and 5(p-5) of that Section) for the 1997-98 school year, pursuant to the provisions of that Section as it was then in effect. If a school district qualifies to receive a supplementary payment made under this subsection (J), the amount of the aggregate general State aid in combination with supplemental general State aid under this Section which that district is eligible to receive for each school year shall be no less than the amount of the aggregate general State aid entitlement that was received by the district under

Section 18-8 (exclusive of amounts received under subsections 5(p) and 5(p-5) of that Section) for the 1997-1998 school year, pursuant to the provisions of that Section as it was then in effect.

(2) If, as provided in paragraph (1) of this subsection (J), a school district is to receive aggregate general State aid in combination with supplemental general State aid under this Section for the 1998-99 school year and any subsequent school year that in any such school year is less than the amount of the aggregate general State aid entitlement that the district received for the 1997-98 school year, the school district shall also receive, from a separate appropriation made for purposes of this subsection (J), a supplementary payment that is equal to the amount of the difference in the aggregate State aid figures as described in paragraph (1).

(K) Grants to Laboratory and Alternative Schools.

In calculating the amount to be paid to the governing board of a public university that operates a laboratory school under this Section or to any alternative school that is operated by a regional superintendent of schools, the State Board of Education shall require by rule such reporting requirements as it deems necessary.

As used in this Section, "laboratory school" means a public school which is created and operated by a public university and approved by the State Board of Education. The governing board of a public university which receives funds from the State Board under this subsection (K) may not increase the number of students enrolled in its laboratory school from a single district, if that district is already sending 50 or more students, except under a mutual agreement between the school board of a student's district of residence and the university which operates the laboratory school. A laboratory school may not have more than 1,000 students, excluding students with disabilities in a special education program.

As used in this Section, "alternative school" means a public school which is created and operated by a Regional Superintendent of Schools and approved by the State Board of Education. Such alternative schools may offer courses of instruction for which credit is given in regular school programs, courses to prepare students for the high school equivalency testing program or vocational and occupational training. A regional superintendent of schools may contract with a school district or a public community college district to operate an alternative school. An alternative school serving more than one educational service region may be established by the regional superintendents of schools of the affected educational service regions. An alternative school serving more than one educational service region may be operated under such terms as the regional superintendents of schools of those educational service regions may agree.

Each laboratory and alternative school shall file, on forms provided by the State Superintendent of Education, an annual State aid claim which states the Average Daily Attendance of the school's students by month. The best 3 months' Average Daily Attendance shall be computed for each school. The general State aid entitlement shall be computed by multiplying the applicable Average Daily Attendance by the Foundation Level as determined under this Section.

(1) For a school district operating under the financial supervision of an Authority created under Article 34A, the general State aid otherwise payable to that district under this Section, but not the supplemental general State aid, shall be reduced by an amount equal to the budget for the operations of the Authority as certified by the Authority to the State Board of Education, and an amount equal to such reduction shall be paid to the Authority created for such district for its operating expenses in the manner provided in Section 18-11. The remainder of general State school aid for any such district shall be paid in accordance with Article 34A when that Article provides for a disposition other than that provided by this Article.

Section 40. The Illinois Banking Act is amended by changing Sections 14 and 48 as follows:

New matter indicated by italics - deletions by strikeout.
Sec. 14. Stock. Unless otherwise provided for in this Act provisions of general application to stock of a state bank shall be as follows:

(1) All banks shall have their capital divided into shares of a par value of not less than $1 each and not more than $100 each, however, the par value of shares of a bank effecting a reverse stock split pursuant to item (8) of subsection (a) of Section 17 may temporarily exceed this limit provided it conforms to the limits immediately after the reverse stock split is completed. No issue of capital stock or preferred stock shall be valid until not less than the par value of all such stock so issued shall be paid in and notice thereof by the president, a vice-president or cashier of the bank has been transmitted to the Commissioner. In the case of an increase in capital stock by the declaration of a stock dividend, the capitalization of retained earnings effected by such stock dividend shall constitute the payment for such shares required by the preceding sentence, provided that the surplus of said bank after such stock dividend shall be at least equal to fifty per cent of the capital as increased. The charter shall not limit or deny the voting power of the shares of any class of stock except as provided in Section 15(3) of this Act.

(2) Pursuant to action taken in accordance with the requirements of Section 17, a bank may issue preferred stock of one or more classes as shall be approved by the Commissioner as hereinafter provided, and make such amendment to its charter as may be necessary for this purpose; but in the case of any newly organized bank which has not yet issued capital stock the requirements of Section 17 shall not apply.

(3) Without limiting the authority herein contained a bank, when so provided in its charter and when approved by the Commissioner, may issue shares of preferred stock:

(a) Subject to the right of the bank to redeem any of such shares at not exceeding the price fixed by the charter for the redemption thereof;

(b) Subject to the provisions of subsection (8) of this Section 14 entitling the holders thereof to cumulative or noncumulative dividends;

(c) Having preference over any other class or classes of shares as to the payment of dividends;

(d) Having preference as to the assets of the bank over any other class or classes of shares upon the voluntary or involuntary liquidation of the bank;

(e) Convertible into shares of any other class of stock, provided that preferred shares shall not be converted into shares of a different par value unless that part of the capital of the bank represented by such preferred shares is at the time of the conversion equal to the aggregate par value of the shares into which the preferred shares are to be converted.

(4) If any part of the capital of a bank consists of preferred stock, the determination of whether or not the capital of such bank is impaired and the amount of such impairment shall be based upon the par value of its stock even though the amount which the holders of such preferred stock shall be entitled to receive in the event of retirement or liquidation shall be in excess of the par value of such preferred stock.

Act, a state bank may provide for a specified number of authorized but unissued shares of capital stock for one or more of the following purposes:

(a) Reserved for issuance under stock option plan or plans to directors, officers or employees;

(b) Reserved for issuance upon conversion of convertible preferred stock issued pursuant to and in compliance with the provisions of subsections (2) and (3) of this Section 14.

(c) Reserved for issuance upon conversion of convertible debentures or other convertible evidences of indebtedness issued by a state bank, provided always that the terms of such conversion have been approved by the Commissioner;

(d) Reserved for issuance by the declaration of a stock dividend. If and when any shares of capital stock are proposed to be authorized and reserved for any of the purposes set forth in subparagraphs (a), (b) or (c) above, the notice of the meeting, whether special or annual, of stockholders at which such proposition is to be considered shall be accompanied by a statement setting forth or summarizing the terms upon which the shares of capital stock so reserved are to be issued, and the extent to which any preemptive rights of stockholders are inapplicable to the issuance of the shares so reserved or to the convertible preferred stock or convertible debentures or other convertible evidences of indebtedness, and the approving vote of the holders of at least two-thirds of the outstanding shares of stock entitled to vote at such meeting of the terms of such issuance shall be requisite for the adoption of any amendment providing for the reservation of authorized but unissued shares for any of said purposes. Nothing in this subsection (5) contained shall be deemed to authorize the issuance of any capital stock for a consideration less than the par value thereof.

(6) Upon written application to the Commissioner 60 days prior to the proposed purchase and receipt of the written approval of the Commissioner, a state bank may purchase and hold as treasury stock such amounts of the total number of issued and outstanding shares of its capital and preferred stock outstanding as the Commissioner determines is consistent with safety and soundness of the bank. The Commissioner may specify the manner of accounting for the treasury stock and the form of notice prior to ultimate disposition of the shares. Except as authorized in this subsection, it shall not be lawful for a state bank to purchase or hold any additional such shares or securities described in subsection (2) of Section 37 unless necessary to prevent loss upon a debt previously contracted in good faith, in which event such shares or securities so purchased or acquired shall, within 6 months from the time of purchase or acquisition, be sold or disposed of at public or private sale. Any state bank which intends to purchase and hold treasury stock as authorized in this subsection (6) shall file a written application with the Commissioner 60 days prior to any such proposed purchase. The application shall state the number of shares to be purchased, the consideration for the shares, the name and address of the person from whom the shares are to be purchased, if known, and the total percentage of its issued and outstanding shares to be held by the bank after the purchase. The total consideration paid by a state bank for treasury stock shall reduce
capital and surplus of the bank for purposes of Sections of this Act relating to lending and investment limits which require computation of capital and surplus. After considering and approving an application to purchase and hold treasury stock under this subsection, the Commissioner may waive or reduce the balance of the 60 day application period. The Commissioner may specify the form of the application for approval to acquire treasury stock and promulgate rules and regulations for the administration of this subsection (6). A state bank may acquire or resell its own shares as treasury stock pursuant to this subsection (6) without a change in its charter pursuant to Section 17. Such stock may be held for any purpose permitted in subsection (5) of this Section or may be resold upon such reasonable terms as the board of directors may determine provided notice is given to the Commissioner prior to the resale of such stock.

(7) During the time that a state bank shall continue its banking business, it shall not withdraw or permit to be withdrawn, either in the form of dividends or otherwise, any portion of its capital, but nothing in this subsection shall prevent a reduction or change of the capital stock or the preferred stock under the provisions of Sections 17 through 30 of this Act, a purchase of treasury stock under the provisions of subsection (6) of this Section 14 or a redemption of preferred stock pursuant to charter provisions therefor.

(8) (a) Subject to the provisions of this Act, the board of directors of a state bank from time to time may declare a dividend of so much of the net profits of such bank as it shall judge expedient, but each bank before the declaration of a dividend shall carry at least one-tenth of its net profits since the date of the declaration of the last preceding dividend, or since the issuance of its charter in the case of its first dividend, to its surplus until the same shall be equal to its capital.

(b) No dividends shall be paid by a state bank while it continues its banking business to an amount greater than its net profits then on hand, deducting first therefrom its losses and bad debts. All debts due to a state bank on which interest is past due and unpaid for a period of 6 months or more, unless the same are well secured and in the process of collection, shall be considered bad debts.

(9) A State bank may, but shall not be obliged to, issue a certificate for a fractional share, and, by action of its board of directors, may in lieu thereof, pay cash equal to the value of the fractional share. A certificate for a fractional share shall entitle the holder to exercise fractional voting rights, to receive dividends, and to participate in any of the assets of the bank in the event of liquidation.

(205 ILCS 5/48) (from Ch. 17, par. 359)

Sec. 48. Commissioner's powers; duties. The Commissioner shall have the powers and authority, and is charged with the duties and responsibilities designated in this Act, and a State bank shall not be subject to any other visitorial power other than as authorized by this Act, except those vested in the courts, or upon prior consultation with the Commissioner, a foreign bank regulator with an appropriate supervisory interest in the parent or affiliate of a state bank. In the performance of the Commissioner's duties:

(1) The Commissioner shall call for statements from all State banks as provided in
Section 47 at least one time during each calendar quarter.

(2) (a) The Commissioner, as often as the Commissioner shall deem necessary or proper, and no less frequently than 18 months following the preceding examination, shall appoint a suitable person or persons to make an examination of the affairs of every State bank, except that for every eligible State bank, as defined by regulation, the Commissioner in lieu of the examination may accept on an alternating basis the examination made by the eligible State bank’s appropriate federal banking agency pursuant to Section 111 of the Federal Deposit Insurance Corporation Improvement Act of 1991, provided the appropriate federal banking agency has made such an examination. A person so appointed shall not be a stockholder or officer or employee of any bank which that person may be directed to examine, and shall have powers to make a thorough examination into all the affairs of the bank and in so doing to examine any of the officers or agents or employees thereof on oath and shall make a full and detailed report of the condition of the bank to the Commissioner. In making the examination the examiners shall include an examination of the affairs of all the affiliates of the bank, as defined in subsection (b) of Section 35.2 of this Act, or subsidiaries of the bank as shall be necessary to disclose fully the conditions of the subsidiaries or affiliates, the relations between the bank and the subsidiaries or affiliates and the effect of those relations upon the affairs of the bank, and in connection therewith shall have power to examine any of the officers, directors, agents, or employees of the subsidiaries or affiliates on oath. After May 31, 1997, the Commissioner may enter into cooperative agreements with state regulatory authorities of other states to provide for examination of State bank branches in those states, and the Commissioner may accept reports of examinations of State bank branches from those state regulatory authorities. These cooperative agreements may set forth the manner in which the other state regulatory authorities may be compensated for examinations prepared for and submitted to the Commissioner.

(b) After May 31, 1997, the Commissioner is authorized to examine, as often as the Commissioner shall deem necessary or proper, branches of out-of-state banks. The Commissioner may establish and may assess fees to be paid to the Commissioner for examinations under this subsection (b). The fees shall be borne by the out-of-state bank, unless the fees are borne by the state regulatory authority that chartered the out-of-state bank, as determined by a cooperative agreement between the Commissioner and the state regulatory authority that chartered the out-of-state bank.

(2.5) Whenever any State bank, any subsidiary or affiliate of a State bank, or after May 31, 1997, any branch of an out-of-state bank causes to be performed, by contract or otherwise, any bank services for itself, whether on or off its premises:

(a) that performance shall be subject to examination by the Commissioner to the same extent as if services were being performed by the bank or, after May 31, 1997, branch of the out-of-state bank itself on its own premises; and

(b) the bank or, after May 31, 1997, branch of the out-of-state bank shall notify the Commissioner of the existence of a service relationship. The notification shall be submitted with the first statement of condition (as required by Section 47 of
this Act) due after the making of the service contract or the performance of the service, whichever occurs first. The Commissioner shall be notified of each subsequent contract in the same manner.

For purposes of this subsection (2.5), the term "bank services" means services such as sorting and posting of checks and deposits, computation and posting of interest and other credits and charges, preparation and mailing of checks, statements, notices, and similar items, or any other clerical, bookkeeping, accounting, statistical, or similar functions performed for a State bank, including but not limited to electronic data processing related to those bank services.

(3) The expense of administering this Act, including the expense of the examinations of State banks as provided in this Act, shall to the extent of the amounts resulting from the fees provided for in paragraphs (a), (a-2), and (b) of this subsection (3) be assessed against and borne by the State banks:

(a) Each bank shall pay to the Commissioner a Call Report Fee which shall be paid in quarterly installments equal to one-fourth of the sum of the annual fixed fee of $800, plus a variable fee based on the assets shown on the quarterly statement of condition delivered to the Commissioner in accordance with Section 47 for the preceding quarter according to the following schedule: 16¢ per $1,000 of the first $5,000,000 of total assets, 15¢ per $1,000 of the next $20,000,000 of total assets, 13¢ per $1,000 of the next $75,000,000 of total assets, 9¢ per $1,000 of the next $400,000,000 of total assets, 7¢ per $1,000 of the next $500,000,000 of total assets, and 5¢ per $1,000 of all assets in excess of $1,000,000,000, of the State bank. The Call Report Fee shall be calculated by the Commissioner and billed to the banks for remittance at the time of the quarterly statements of condition provided for in Section 47. The Commissioner may require payment of the fees provided in this Section by an electronic transfer of funds or an automatic debit of an account of each of the State banks. In case more than one examination of any bank is deemed by the Commissioner to be necessary in any examination frequency cycle specified in subsection 2(a) of this Section, and is performed at his direction, the Commissioner may assess a reasonable additional fee to recover the cost of the additional examination; provided, however, that an examination conducted at the request of the State Treasurer pursuant to the Uniform Disposition of Unclaimed Property Act shall not be deemed to be an additional examination under this Section. In lieu of the method and amounts set forth in this paragraph (a) for the calculation of the Call Report Fee, the Commissioner may specify by rule that the Call Report Fees provided by this Section may be assessed semiannually or some other period and may provide in the rule the formula to be used for calculating and assessing the periodic Call Report Fees to be paid by State banks.

(a-1) If in the opinion of the Commissioner an emergency exists or appears likely, the Commissioner may assign an examiner or examiners to monitor the affairs of a State bank with whatever frequency he deems appropriate, including but not limited to a daily basis. The reasonable and necessary expenses of the Commissioner
during the period of the monitoring shall be borne by the subject bank. The Commissioner shall furnish the State bank a statement of time and expenses if requested to do so within 30 days of the conclusion of the monitoring period.

(a-2) On and after January 1, 1990, the reasonable and necessary expenses of the Commissioner during examination of the performance of electronic data processing services under subsection (2.5) shall be borne by the banks for which the services are provided. An amount, based upon a fee structure prescribed by the Commissioner, shall be paid by the banks or, after May 31, 1997, branches of out-of-state banks receiving the electronic data processing services along with the Call Report Fee assessed under paragraph (a) of this subsection (3).

(a-3) After May 31, 1997, the reasonable and necessary expenses of the Commissioner during examination of the performance of electronic data processing services under subsection (2.5) at or on behalf of branches of out-of-state banks shall be borne by the out-of-state banks, unless those expenses are borne by the state regulatory authorities that chartered the out-of-state banks, as determined by cooperative agreements between the Commissioner and the state regulatory authorities that chartered the out-of-state banks.

(b) "Fiscal year" for purposes of this Section 48 is defined as a period beginning July 1 of any year and ending June 30 of the next year. The Commissioner shall receive for each fiscal year, commencing with the fiscal year ending June 30, 1987, a contingent fee equal to the lesser of the aggregate of the fees paid by all State banks under paragraph (a) of subsection (3) for that year, or the amount, if any, whereby the aggregate of the administration expenses, as defined in paragraph (c), for that fiscal year exceeds the sum of the aggregate of the fees payable by all State banks for that year under paragraph (a) of subsection (3), plus any amounts transferred into the Bank and Trust Company Fund from the State Pensions Fund for that year, plus all other amounts collected by the Commissioner for that year under any other provision of this Act, plus the aggregate of all fees collected for that year by the Commissioner under the Corporate Fiduciary Act, excluding the receivership fees provided for in Section 5-10 of the Corporate Fiduciary Act, and the Foreign Banking Office Act. The aggregate amount of the contingent fee thus arrived at for any fiscal year shall be apportioned amongst, assessed upon, and paid by the State banks and foreign banking corporations, respectively, in the same proportion that the fee of each under paragraph (a) of subsection (3), respectively, for that year bears to the aggregate for that year of the fees collected under paragraph (a) of subsection (3). The aggregate amount of the contingent fee, and the portion thereof to be assessed upon each State bank and foreign banking corporation, respectively, shall be determined by the Commissioner and shall be paid by each, respectively, within 120 days of the close of the period for which the contingent fee is computed and is payable, and the Commissioner shall give 20 days advance notice of the amount of the contingent fee payable by the State bank and of the date fixed by the Commissioner for payment of the fee.

(c) The "administration expenses" for any fiscal year shall mean the ordinary and contingent expenses for that year incident to making the examinations provided for by, and for otherwise administering, this Act, the Corporate Fiduciary Act, excluding the expenses paid from the Corporate Fiduciary Receivership account in the Bank and Trust Company Fund, the Foreign Banking Office Act, the Electronic Fund Transfer Act, and the Illinois Bank Examiners' Education Foundation Act, including all salaries and other compensation paid for personal services rendered for the State by officers or employees of the State, including the Commissioner and the Deputy Commissioners, all expenditures for telephone and telegraph charges, postage and postal charges, office stationery, supplies and services, and office furniture and equipment, including typewriters and copying and duplicating machines and filing equipment, surety bond premiums, and travel expenses of those officers and employees, expenditures or charges for the acquisition, enlargement or improvement of, or for the use of, any office space, building, or structure, or expenditures for the maintenance thereof or for furnishing heat, light, or power with respect thereto, all to the extent that those expenditures are directly incidental to such examinations or administration. The Commissioner shall not be required by paragraphs (c) or (d-1) of this subsection (3) to maintain in any fiscal year's budget appropriated reserves for accrued vacation and accrued sick leave that is required to be paid to employees of the Commissioner upon termination of their service with the Commissioner in an amount that is more than is reasonably anticipated to be necessary for any anticipated turnover in employees, whether due to normal attrition or due to layoffs, terminations, or resignations.

(d) The aggregate of all fees collected by the Commissioner under this Act, the Corporate Fiduciary Act, or the Foreign Banking Office Act on and after July 1, 1979, shall be paid promptly after receipt of the same, accompanied by a detailed statement thereof, into the State treasury and shall be set apart in a special fund to be known as the "Bank and Trust Company Fund", except as provided in paragraph (c) of subsection (11) of this Section. All earnings received from investments of funds in the Bank and Trust Company Fund shall be deposited in the Bank and Trust Company Fund and may be used for the same purposes as fees deposited in that Fund. The amount from time to time deposited into the Bank and Trust Company Fund shall be used to offset the ordinary administrative expenses of the Commissioner of Banks and Real Estate as defined in this Section. Nothing in this amendatory Act of 1979 shall prevent continuing the practice of paying expenses involving salaries, retirement, social security, and State-paid insurance premiums of State officers by appropriations from the General Revenue Fund. However, the General Revenue Fund shall be reimbursed for those payments made on and after July 1, 1979, by an annual transfer of funds from the Bank and Trust Company Fund.

(d-1) Adequate funds shall be available in the Bank and Trust Company Fund to permit the timely payment of administration expenses. In each fiscal year the total administration expenses shall be deducted from the total fees collected by the

Commissioner and the remainder transferred into the Cash Flow Reserve Account, unless the balance of the Cash Flow Reserve Account prior to the transfer equals or exceeds one-fourth of the total initial appropriations from the Bank and Trust Company Fund for the subsequent year, in which case the remainder shall be credited to State banks and foreign banking corporations and applied against their fees for the subsequent year. The amount credited to each State bank and foreign banking corporation shall be in the same proportion as the Call Report Fees paid by each for the year bear to the total Call Report Fees collected for the year. If, after a transfer to the Cash Flow Reserve Account is made or if no remainder is available for transfer, the balance of the Cash Flow Reserve Account is less than one-fourth of the total initial appropriations for the subsequent year and the amount transferred is less than 5% of the total Call Report Fees for the year, additional amounts needed to make the transfer equal to 5% of the total Call Report Fees for the year shall be apportioned amongst, assessed upon, and paid by the State banks and foreign banking corporations in the same proportion that the Call Report Fees of each, respectively, for the year bear to the total Call Report Fees collected for the year. The additional amounts assessed shall be transferred into the Cash Flow Reserve Account. For purposes of this paragraph (d-1), the calculation of the fees collected by the Commissioner shall exclude the receivership fees provided for in Section 5-10 of the Corporate Fiduciary Act.

(e) The Commissioner may upon request certify to any public record in his keeping and shall have authority to levy a reasonable charge for issuing certifications of any public record in his keeping.

(f) In addition to fees authorized elsewhere in this Act, the Commissioner may, in connection with a review, approval, or provision of a service, levy a reasonable charge to recover the cost of the review, approval, or service.

(4) Nothing contained in this Act shall be construed to limit the obligation relative to examinations and reports of any State bank, deposits in which are to any extent insured by the United States or any agency thereof, nor to limit in any way the powers of the Commissioner with reference to examinations and reports of that bank.

(5) The nature and condition of the assets in or investment of any bonus, pension, or profit sharing plan for officers or employees of every State bank or, after May 31, 1997, branch of an out-of-state bank shall be deemed to be included in the affairs of that State bank or branch of an out-of-state bank subject to examination by the Commissioner under the provisions of subsection (2) of this Section, and if the Commissioner shall find from an examination that the condition of or operation of the investments or assets of the plan is unlawful, fraudulent, or unsafe, or that any trustee has abused his trust, the Commissioner shall, if the situation so found by the Commissioner shall not be corrected to his satisfaction within 60 days after the Commissioner has given notice to the board of directors of the State bank or out-of-state bank of his findings, report the facts to the Attorney General who shall thereupon institute proceedings against the State bank or out-of-state bank, the board of directors thereof, or the trustees under such plan as the nature of the case may require.
(6) The Commissioner shall have the power:

(a) To promulgate reasonable rules for the purpose of administering the provisions of this Act.

(a-5) To impose conditions on any approval issued by the Commissioner if he determines that the conditions are necessary or appropriate. These conditions shall be imposed in writing and shall continue in effect for the period prescribed by the Commissioner.

(b) To issue orders against any person, if the Commissioner has reasonable cause to believe that an unsafe or unsound banking practice has occurred, is occurring, or is about to occur, if any person has violated, is violating, or is about to violate any law, rule, or written agreement with the Commissioner, or for the purpose of administering the provisions of this Act; and any rule promulgated in accordance with this Act.

(b-1) To enter into agreements with a bank establishing a program to correct the condition of the bank or its practices.

(c) To appoint hearing officers to execute any of the powers granted to the Commissioner under this Section for the purpose of administering this Act and any rule promulgated in accordance with this Act and otherwise to authorize, in writing, an officer or employee of the Office of Banks and Real Estate to exercise his powers under this Act.

(d) To subpoena witnesses, to compel their attendance, to administer an oath, to examine any person under oath, and to require the production of any relevant books, papers, accounts, and documents in the course of and pursuant to any investigation being conducted, or any action being taken, by the Commissioner in respect of any matter relating to the duties imposed upon, or the powers vested in, the Commissioner under the provisions of this Act or any rule promulgated in accordance with this Act.

(e) To conduct hearings.

(7) Whenever, in the opinion of the Commissioner, any director, officer, employee, or agent of a State bank or any subsidiary or bank holding company of the bank or, after May 31, 1997, of any branch of an out-of-state bank or any subsidiary or bank holding company of the bank shall have violated any law, rule, or order relating to that bank or any subsidiary or bank holding company of the bank, shall have obstructed or impeded any examination or investigation by the Commissioner, shall have engaged in an unsafe or unsound practice in conducting the business of that bank or any subsidiary or bank holding company of the bank, or shall have violated any law or engaged or participated in any unsafe or unsound practice in connection with any financial institution or other business entity such that the character and fitness of the director, officer, employee, or agent does not assure reasonable promise of safe and sound operation of the State bank, the Commissioner may issue an order of removal. If, in the opinion of the Commissioner, any former director, officer, employee, or agent of a State bank or any subsidiary or bank holding company of the bank, prior to the termination of his or her service with that bank or any subsidiary or bank holding company

of the bank, violated any law, rule, or order relating to that State bank or any subsidiary or bank holding company of the bank, obstructed or impeded any examination or investigation by the Commissioner, engaged in an unsafe or unsound practice in conducting the business of that bank or any subsidiary or bank holding company of the bank, or violated any law or engaged or participated in any unsafe or unsound practice in connection with any financial institution or other business entity such that the character and fitness of the director, officer, employee, or agent would not have assured reasonable promise of safe and sound operation of the State bank, the Commissioner may issue an order prohibiting that person from further service with a bank or any subsidiary or bank holding company of the bank as a director, officer, employee, or agent. An order issued pursuant to this subsection shall be served upon the director, officer, employee, or agent. A copy of the order shall be sent to each director of the bank affected by registered mail. The person affected by the action may request a hearing before the State Banking Board within 10 days after receipt of the order. The hearing shall be held by the Board within 30 days after the request has been received by the Board. The Board shall make a determination approving, modifying, or disapproving the order of the Commissioner as its final administrative decision. If a hearing is held by the Board, the Board shall make its determination within 60 days from the conclusion of the hearing. Any person affected by a decision of the Board under this subsection (7) of Section 48 of this Act may have the decision reviewed only under and in accordance with the Administrative Review Law and the rules adopted pursuant thereto. A copy of the order shall also be served upon the bank of which he is a director, officer, employee, or agent, whereupon he shall cease to be a director, officer, employee, or agent of that bank. The Commissioner may institute a civil action against the director, officer, or agent of the State bank or, after May 31, 1997, of the branch of the out-of-state bank against whom any order provided for by this subsection (7) of this Section 48 has been issued, and against the State bank or, after May 31, 1997, out-of-state bank, to enforce compliance with or to enjoin any violation of the terms of the order. Any person who has been the subject of an order of removal or an order of prohibition issued by the Commissioner under this subsection or Section 5-6 of the Corporate Fiduciary Act may not thereafter serve as director, officer, employee, or agent of any State bank or of any branch of any out-of-state bank, or of any corporate fiduciary, as defined in Section 1-5.05 of the Corporate Fiduciary Act, or of any other entity that is subject to licensure or regulation by the Commissioner or the Office of Banks and Real Estate unless the Commissioner has granted prior approval in writing.

For purposes of this paragraph (7), "bank holding company" has the meaning prescribed in Section 2 of the Illinois Bank Holding Company Act of 1957.

(8) The Commissioner may impose civil penalties of up to $10,000 against any person for each violation of any provision of this Act, any rule promulgated in accordance with this Act, any order of the Commissioner, or any other action which in the Commissioner's discretion is an unsafe or unsound banking practice.

(9) The Commissioner may impose civil penalties of up to $100 against any person for the first failure to comply with reporting requirements set forth in the report of examination of the bank and up to $200 for the second and subsequent failures to comply
with those reporting requirements.

(10) All final administrative decisions of the Commissioner hereunder shall be subject to judicial review pursuant to the provisions of the Administrative Review Law. For matters involving administrative review, venue shall be in either Sangamon County or Cook County.

(11) The endowment fund for the Illinois Bank Examiners' Education Foundation shall be administered as follows:

(a) (Blank).

(b) The Foundation is empowered to receive voluntary contributions, gifts, grants, bequests, and donations on behalf of the Illinois Bank Examiners' Education Foundation from national banks and other persons for the purpose of funding the endowment of the Illinois Bank Examiners' Education Foundation.

(c) The aggregate of all special educational fees collected by the Commissioner and property received by the Commissioner on behalf of the Illinois Bank Examiners' Education Foundation under this subsection (11) on or after June 30, 1986, shall be either (i) promptly paid after receipt of the same, accompanied by a detailed statement thereof, into the State Treasury and shall be set apart in a special fund to be known as "The Illinois Bank Examiners' Education Fund" to be invested by either the Treasurer of the State of Illinois in the Public Treasurers' Investment Pool or in any other investment he is authorized to make or by the Illinois State Board of Investment as the board of trustees of the Illinois Bank Examiners' Education Foundation may direct or (ii) deposited into an account maintained in a commercial bank or corporate fiduciary in the name of the Illinois Bank Examiners' Education Foundation pursuant to the order and direction of the Board of Trustees of the Illinois Bank Examiners' Education Foundation.

licensee. The Director may require the receiver to provide security in an amount the Director deems proper. Upon appointment of the receiver, the Director shall have published, once each week for 4 consecutive weeks in a newspaper having a general circulation in the community, a notice informing all persons who have claims against the licensee to present them to the receiver. Within 10 days after the receiver takes possession, the licensee may apply to the Circuit Court of Sangamon County to enjoin further proceedings. The receiver may operate the business until the Director determines that possession should be restored to the licensee or that the business should be liquidated.

(b) If the Director determines that a business in receivership should be liquidated, he or she shall direct the Attorney General to file a complaint in the Circuit Court of the county in which the business is located, in the name of the People of the State of Illinois, for the orderly liquidation and dissolution of the business and for an injunction restraining the licensee and its officers and directors from continuing the operation of the business. Within 30 days after the day the Director determines that the business should be liquidated, the receiver shall file with the Director and with the clerk of the court that has charge of the liquidation a correct list of all creditors, as shown by the licensee’s books and records, who have not presented their claims. The list shall state the amount of the claim after allowing all just credits, deductions, and set-offs as shown by the licensee's books. These claims shall be deemed proven unless some interested party files an objection within the time fixed by the Director or court that has charge of the liquidation.

(c) The General Assembly finds and declares that transmitters of money debt management services provide important and vital services to Illinois citizens. It is therefore declared to be the policy of this State that customers who receive these services must be protected from interruptions of services. To carry out this policy and to insure that customers of a licensee are protected if it is determined that a business in receivership should be liquidated, the Director shall make a distribution of moneys collected by the receiver in the following order of priority:

1. Allowed claims for the actual necessary expenses of the receivership of the business being liquidated, including:
   
   (A) reasonable receiver's fees and receiver's attorney's fees approved by the Director;
   
   (B) all expenses of any preliminary or other examinations into the condition of the receivership;
   
   (C) all expenses incurred by the Director that are incident to possession and control of any property or records of the licensee's business; and
   
   (D) reasonable expenses incurred by the Director as the result of business agreements or contractual arrangements necessary to insure that the services of the licensee are delivered to the community without interruption. These business agreements or contractual arrangements may include, but are not limited to, agreements made by the Director, or by the receiver with the approval of the Director, with banks, bonding companies, and other types of

financial institutions.

(2) Allowed unsecured claims for wages or salaries, excluding vacation, severance, and sick leave pay earned by employees within 90 days before the appointment of a receiver.

(3) Allowed unsecured claims of any tax, and interest and penalty on the tax.

(4) Allowed unsecured claims, other than a kind specified in items (1), (2), and (3) of this subsection, filed with the Director within the time the Director fixes for filing claims.

(5) Allowed unsecured claims, other than a kind specified in items (1), (2), and (3) of this subsection, filed with the Director after the time fixed for filing claims by the Director.

(6) Allowed creditor claims asserted by an owner, member, or stockholder of the business in liquidation.

(7) After one year from the final dissolution of the licensee's business, all assets not used to satisfy allowed claims shall be distributed pro rata to the owner, owners, members, or stockholders of the business.

The Director shall pay all claims of equal priority according to the schedule established in this subsection and shall not pay claims of lower priority until all higher priority claims are satisfied. If insufficient assets are available to meet all claims of equal priority, those assets shall be distributed pro rata among those claims. All unclaimed assets of a licensee and the licensee's business shall be deposited with the Director to be paid out when proper claims are presented to the Director.

(d) Upon the order of the circuit court of the county in which the business being liquidated is located, the receiver may sell or compound any bad or doubtful debt, and on like order may sell the personal property of the business on such terms as the court approves. The receiver shall succeed to whatever rights or remedies the unsecured creditors of the business may have against the owner or owners, operators, stockholders, directors, members, managers, or officers, arising out of their claims against the licensee's business, but nothing contained in this Section shall prevent those creditors from filing their claims in the liquidation proceeding. The receiver may enforce those rights or remedies in any court of competent jurisdiction.

(e) At the close of a receivership, the receiver shall turn over to the Director all books of account and ledgers of the business for preservation. The Director shall hold all records of receiverships received at any time for a period of 2 years after the close of the receivership. The records may be destroyed at the termination of the 2-year period. All expenses of the receivership including, but not limited to, reasonable receiver's and attorney's fees approved by the Director, all expenses of any preliminary or other examinations into the condition of the licensee's business or the receivership, and all expenses incident to the possession and control of any property or records of the business incurred by the Director shall be paid out of the assets of the licensee's business. These expenses shall be paid before all other claims.

and dissolution of a licensee's business, as provided in this Act, all pending suits and actions upon unsecured claims against the business shall abate. Nothing contained in this Act, however, prevents these claimants from filing their claims in the liquidation proceeding. If a suit or an action is instituted or maintained by the receiver on any bond or policy of insurance issued pursuant to the requirements of this Act, the bonding or insurance company sued shall not have the right to interpose or maintain any counterclaim based upon subrogation, upon any express or implied agreement of, or right to, indemnity or exoneration, or upon any other express or implied agreement with, or right against, the licensee's business. Nothing contained in this Act prevents the bonding or insurance company from filing this type of claim in the liquidation proceeding.

(g) A licensee may not terminate its affairs and close up its business unless it has first deposited with the Director an amount of money equal to all of its debts, liabilities, and lawful demands against it including the costs and expenses of a proceeding under this Section, surrendered to the Director its license, and filed with the Director a statement of termination signed by the licensee containing a pronouncement of intent to close up its business and liquidate its liabilities and containing a sworn list itemizing in full all of its debts, liabilities, and lawful demands against it. Corporate licensees must attach to, and make a part of the statement of termination, a copy of a resolution providing for the termination and closing up of the licensee's affairs, certified by the secretary of the licensee and duly adopted at a shareholders' meeting by the holders of at least two-thirds of the outstanding shares entitled to vote at the meeting. Upon the filing with the Director of a statement of termination, the Director shall cause notice of that action to be published once each week for 3 consecutive weeks in a public newspaper of general circulation published in the city or village where the business is located, and if no newspaper is published in that place, then in a public newspaper of general circulation nearest to that city or village. The publication shall give notice that the debts, liabilities, and lawful demands against the business will be redeemed by the Director upon demand in writing made by the owner thereof, at any time within 3 years after the date of first publication. After the expiration of the 3-year period, the Director shall return to the person or persons designated in the statement of termination to receive repayment, and in the proportion specified in that statement, any balance of money remaining in his or her possession after first deducting all unpaid costs and expenses incurred in connection with a proceeding under this Section. The Director shall receive for his or her services, exclusive of costs and expenses, 2% of any amount up to $5,000 and 1% of any amount in excess of $5,000 deposited with him or her under this Section by any business. Nothing contained in this Section shall affect or impair the liability of any bonding or insurance company on any bond or insurance policy issued under this Act relating to the business.

(Section scheduled to be repealed on January 1, 2004)

Sec. 6.2. Inspector General.
(a) The Governor shall appoint, and the Senate shall confirm, an Inspector General who shall function within the Department of Human Services and report to the Secretary of Human Services and the Governor. The Inspector General shall investigate reports of suspected abuse or neglect (as those terms are defined in Section 3 of this Act) of patients or residents in any mental health or developmental disabilities facility operated by the Department of Human Services and shall have authority to investigate and take immediate action on reports of abuse or neglect of recipients, whether patients or residents, in any mental health or developmental disabilities facility or program that is licensed or certified by the Department of Human Services (as successor to the Department of Mental Health and Developmental Disabilities) or that is funded by the Department of Human Services (as successor to the Department of Mental Health and Developmental Disabilities) and is not licensed or certified by any agency of the State. At the specific, written request of an agency of the State other than the Department of Human Services (as successor to the Department of Mental Health and Developmental Disabilities), the Inspector General may cooperate in investigating reports of abuse and neglect of persons with mental illness or persons with developmental disabilities. The Inspector General shall have no supervision over or involvement in routine, programmatic, licensure, or certification operations of the Department of Human Services or any of its funded agencies.

The Inspector General shall promulgate rules establishing minimum requirements for reporting allegations of abuse and neglect and initiating, conducting, and completing investigations. The promulgated rules shall clearly set forth that in instances where 2 or more State agencies could investigate an allegation of abuse or neglect, the Inspector General shall not conduct an investigation that is redundant to an investigation conducted by another State agency. The rules shall establish criteria for determining, based upon the nature of the allegation, the appropriate method of investigation, which may include, but need not be limited to, site visits, telephone contacts, or requests for written responses from agencies. The rules shall also clarify how the Office of the Inspector General shall interact with the licensing unit of the Department of Human Services in investigations of allegations of abuse or neglect. Any allegations or investigations of reports made pursuant to this Act shall remain confidential until a final report is completed. The resident or patient who allegedly was abused or neglected and his or her legal guardian shall be informed by the facility or agency of the report of alleged abuse or neglect. Final reports regarding unsubstantiated or unfounded allegations shall remain confidential, except that final reports may be disclosed pursuant to Section 6 of this Act.

The Inspector General shall be appointed for a term of 4 years.

When the Office of the Inspector General has substantiated a case of abuse or neglect, the Inspector General shall include in the final report any mitigating or aggravating circumstances that were identified during the investigation. Upon determination that a report of neglect is substantiated, the Inspector General shall then determine whether such neglect rises to the level of egregious neglect.

(b) The Inspector General shall within 24 hours after receiving a report of suspected
abuse or neglect determine whether the evidence indicates that any possible criminal act has been committed. If he determines that a possible criminal act has been committed, or that special expertise is required in the investigation, he shall immediately notify the Department of State Police. The Department of State Police shall investigate any report indicating a possible murder, rape, or other felony. All investigations conducted by the Inspector General shall be conducted in a manner designed to ensure the preservation of evidence for possible use in a criminal prosecution.

(b-5) The Inspector General shall make a determination to accept or reject a preliminary report of the investigation of alleged abuse or neglect based on established investigative procedures. Notice of the Inspector General’s determination must be given to the person who claims to be the victim of the abuse or neglect, to the person or persons alleged to have been responsible for abuse or neglect, and to the facility or agency. The facility or agency or the person or persons alleged to have been responsible for the abuse or neglect and the person who claims to be the victim of the abuse or neglect may request clarification or reconsideration based on additional information. For cases where the allegation of abuse or neglect is substantiated, the Inspector General shall require the facility or agency to submit a written response. The written response from a facility or agency shall address in a concise and reasoned manner the actions that the agency or facility will take or has taken to protect the resident or patient from abuse or neglect, prevent reoccurrences, and eliminate problems identified and shall include implementation and completion dates for all such action.

(c) The Inspector General shall, within 10 calendar days after the transmittal date of a completed investigation where abuse or neglect is substantiated or administrative action is recommended, provide a complete report on the case to the Secretary of Human Services and to the agency in which the abuse or neglect is alleged to have happened. The complete report shall include a written response from the agency or facility operated by the State to the Inspector General that addresses in a concise and reasoned manner the actions that the agency or facility will take or has taken to protect the resident or patient from abuse or neglect, prevent reoccurrences, and eliminate problems identified and shall include implementation and completion dates for all such action. The Secretary of Human Services shall accept or reject the response and establish how the Department will determine whether the facility or program followed the approved response. The Secretary may require Department personnel to visit the facility or agency for training, technical assistance, programmatic, licensure, or certification purposes. Administrative action, including sanctions, may be applied should the Secretary reject the response or should the facility or agency fail to follow the approved response. The facility or agency shall inform the resident or patient and the legal guardian whether the reported allegation was substantiated, unsubstantiated, or unfounded. There shall be an appeals process for any person or agency that is subject to any action based on a recommendation or recommendations.

(d) The Inspector General may recommend to the Departments of Public Health and Human Services sanctions to be imposed against mental health and developmental disabilities facilities under the jurisdiction of the Department of Human Services for the
protection of residents, including appointment of on-site monitors or receivers, transfer or relocation of residents, and closure of units. The Inspector General may seek the assistance of the Attorney General or any of the several State's attorneys in imposing such sanctions.

(e) The Inspector General shall establish and conduct periodic training programs for Department employees concerning the prevention and reporting of neglect and abuse.

(f) The Inspector General shall at all times be granted access to any mental health or developmental disabilities facility operated by the Department, shall establish and conduct unannounced site visits to those facilities at least once annually, and shall be granted access, for the purpose of investigating a report of abuse or neglect, to any facility or program funded by the Department that is subject under the provisions of this Section to investigation by the Inspector General for a report of abuse or neglect.

(g) Nothing in this Section shall limit investigations by the Department of Human Services that may otherwise be required by law or that may be necessary in that Department's capacity as the central administrative authority responsible for the operation of State mental health and developmental disability facilities.

(g-5) After notice and an opportunity for a hearing that is separate and distinct from the Office of the Inspector General's appeals process as implemented under subsection (c) of this Section, the Inspector General shall report to the Department of Public Health's nurse aide registry under Section 3-206.01 of the Nursing Home Care Act the identity of individuals against whom there has been a substantiated finding of physical or sexual abuse or egregious neglect of a service recipient.

Nothing in this subsection shall diminish or impair the rights of a person who is a member of a collective bargaining unit pursuant to the Illinois Public Labor Relations Act or pursuant to any federal labor statute. An individual who is a member of a collective bargaining unit as described above shall not be reported to the Department of Public Health's nurse aide registry until the exhaustion of that individual's grievance and arbitration rights, or until 3 months after the initiation of the grievance process, whichever occurs first, provided that the Department of Human Services' hearing under subsection (c), that is separate and distinct from the Office of the Inspector General's appeals process, has concluded. Notwithstanding anything hereinafter or previously provided, if an action taken by an employer against an individual as a result of the circumstances that led to a finding of physical or sexual abuse or egregious neglect is later overturned under a grievance or arbitration procedure provided for in Section 8 of the Illinois Public Labor Relations Act or under a collective bargaining agreement, the report must be removed from the registry.

The Department of Human Services shall promulgate or amend rules as necessary or appropriate to establish procedures for reporting to the registry, including the definition of egregious neglect, procedures for notice to the individual and victim, appeal and hearing procedures, and petition for removal of the report from the registry. The portion of the rules pertaining to hearings shall provide that, at the hearing, both parties may present written and oral evidence. The Department shall be required to establish by a preponderance of the evidence that the Office of the Inspector General's finding of physical or sexual abuse or egregious neglect warrants reporting to the Department of Public Health's nurse aide registry.

under Section 3-206.01 of the Nursing Home Care Act.

Notice to the individual shall include a clear and concise statement of the grounds on which the report to the registry is based and notice of the opportunity for a hearing to contest the report. The Department of Human Services shall provide the notice by certified mail to the last known address of the individual. The notice shall give the individual an opportunity to contest the report in a hearing before the Department of Human Services or to submit a written response to the findings instead of requesting a hearing. If the individual does not request a hearing or if after notice and a hearing the Department of Human Services finds that the report is valid, the finding shall be included as part of the registry, as well as a brief statement from the reported individual if he or she chooses to make a statement. The Department of Public Health shall make available to the public information reported to the registry. In a case of inquiries concerning an individual listed in the registry, any information disclosed concerning a finding of abuse or neglect shall also include disclosure of the individual's brief statement in the registry relating to the reported finding or include a clear and accurate summary of the statement.

At any time after the report of the registry, an individual may petition the Department of Human Services for removal from the registry of the finding against him or her. Upon receipt of such a petition, the Department of Human Services shall conduct an investigation and hearing on the petition. Upon completion of the investigation and hearing, the Department of Human Services shall report the removal of the finding to the registry unless the Department of Human Services determines that removal is not in the public interest.

(h) This Section is repealed on January 1, 2004.

Any individual placed on the registry is required to inform the Department of any change of address within 30 days. A facility shall not employ an individual as a nursing assistant, habilitation aide, or child care aide unless the facility has inquired of the Department as to information in the registry concerning the individual and shall not employ anyone not on the registry unless the individual is enrolled in a training program under paragraph (5) of subsection (a) of Section 3-206 of this Act.

If the Department finds that a nursing assistant, habilitation aide, or child care aide has abused a resident, neglected a resident, or misappropriated resident property in a facility, the Department shall notify the individual of this finding by certified mail sent to the address

The notice shall give the individual an opportunity to contest the finding in a hearing before the Department or to submit a written response to the findings in lieu of requesting a hearing. If, after a hearing or if the individual does not request a hearing, the Department finds that the individual abused a resident, neglected a resident, or misappropriated resident property in a facility, the finding shall be included as part of the registry as well as a brief statement from the individual, if he or she chooses to make such a statement. The Department shall make information in the registry available to the public. In the case of inquiries to the registry concerning an individual listed in the registry, any information disclosed concerning such a finding shall also include disclosure of any statement in the registry relating to the finding or a clear and accurate summary of the statement.

(b) The Department shall add to the nurse aide registry records of findings as reported by the Inspector General or remove from the nurse aide registry records of findings as reported by the Department of Human Services, under Section 6.2 of the Abused and Neglected Long Term Care Facility Residents Reporting Act.

(215 ILCS 5/155.38)
Sec. 155.38. Use of credit reports in connection with certain policies.
(a) This Section applies to policies of insurance defined in subsections (a), (b), and (c) of Section 143.13, except that this Section does not apply to those personal lines policies defined in subsection (c) of Section 143.13 that could be classified under clause (g) or (i) of Class 2 of Section 4 or to policies of insurance subject to Article IX 1/2.

(b) An insurance company authorized to do business in this State may not refuse to issue or renew a policy of insurance solely on the basis of a credit report. (215 ILCS 5/370c) (from Ch. 73, par. 982c)

Sec. 370c. Mental and emotional disorders.

(a) (1) On and after the effective date of this Section, every insurer which delivers, issues for delivery or renews or modifies group A&H policies providing coverage for hospital or medical treatment or services for illness on an expense-incurred basis shall offer to the applicant or group policyholder subject to the insurers standards of insurability, coverage for reasonable and necessary treatment and services for mental, emotional or nervous disorders or conditions, other than serious mental illnesses as defined in item (2) of subsection (b), up to the limits provided in the policy for other disorders or conditions, except (i) the insured may be required to pay up to 50% of expenses incurred as a result of the treatment or services, and (ii) the annual benefit limit may be limited to the lesser of $10,000 or 25% of the lifetime policy limit.

(2) Each insured that is covered for mental, emotional or nervous disorders or conditions shall be free to select the physician licensed to practice medicine in all its branches, licensed clinical psychologist, licensed clinical social worker, or licensed clinical professional counselor of his choice to treat such disorders, and the insurer shall pay the covered charges of such physician licensed to practice medicine in all its branches, licensed clinical psychologist, licensed clinical social worker, or licensed clinical professional counselor up to the limits of coverage, provided (i) the disorder or condition treated is covered by the policy, and (ii) the physician, licensed psychologist, licensed clinical social worker, or licensed clinical professional counselor is authorized to provide said services under the statutes of this State and in accordance with accepted principles of his profession.

(3) Insofar as this Section applies solely to licensed clinical social workers and licensed clinical professional counselors, those persons who may provide services to individuals shall do so after the licensed clinical social worker or licensed clinical professional counselor has informed the patient of the desirability of the patient conferring with the patient's primary care physician and the licensed clinical social worker or licensed clinical professional counselor has provided written notification to the patient's primary care physician, if any, that services are being provided to the patient. That notification may,
however, be waived by the patient on a written form. Those forms shall be retained by the licensed clinical social worker or licensed clinical professional counselor for a period of not less than 5 years.

(b) (1) An insurer that provides coverage for hospital or medical expenses under a group policy of accident and health insurance or health care plan amended, delivered, issued, or renewed after the effective date of this amendatory Act of the 92nd General Assembly shall provide coverage under the policy for treatment of serious mental illness under the same terms and conditions as coverage for hospital or medical expenses related to other illnesses and diseases. The coverage required under this Section must provide for same durational limits, amount limits, deductibles, and co-insurance requirements for serious mental illness as are provided for other illnesses and diseases. This subsection does not apply to coverage provided to employees by employers who have 50 or fewer employees.

(2) "Serious mental illness" means the following psychiatric illnesses as defined in the most current edition of the Diagnostic and Statistical Manual (DSM) published by the American Psychiatric Association:

(A) schizophrenia;
(B) paranoid and other psychotic disorders;

(E) schizoaffective disorders (bipolar or depressive);
(F) pervasive developmental disorders;
(G) obsessive-compulsive disorders;
(H) depression in childhood and adolescence; and
(I) panic disorder.

(3) Upon request of the reimbursing insurer, a provider of treatment of serious mental illness shall furnish medical records or other necessary data that substantiate that initial or continued treatment is at all times medically necessary. An insurer shall provide a mechanism for the timely review by a provider holding the same license and practicing in the same specialty as the patient's provider, who is unaffiliated with the insurer, jointly selected by the patient (or the patient's next of kin or legal representative if the patient is unable to act for himself or herself), the patient's provider, and the insurer in the event of a dispute between the insurer and patient's provider regarding the medical necessity of a treatment proposed by a patient's provider. If the reviewing provider determines the treatment to be medically necessary, the insurer shall provide reimbursement for the treatment. Future contractual or employment actions by the insurer regarding the patient's provider may not be based on the provider's participation in this procedure. Nothing prevents the insured from agreeing in writing to continue treatment at his or her expense. When making a determination of the medical necessity for a treatment modality for serious mental illness, an insurer must make the determination in a manner that is consistent with the manner used to make that determination with respect to other diseases or illnesses covered under the policy, including an appeals process.

(4) A group health benefit plan:

New matter indicated by italics - deletions by strikeout.
(A) shall provide coverage based upon medical necessity for the following treatment of mental illness in each calendar year;

(i) 45 days of inpatient treatment; and

(ii) 35 visits for outpatient treatment including group and individual outpatient treatment;

(B) may not include a lifetime limit on the number of days of inpatient treatment or the number of outpatient visits covered under the plan; and

(C) shall include the same amount limits, deductibles, copayments, and coinsurance factors for serious mental illness as for physical illness.

(5) An issuer of a group health benefit plan may not count toward the number of outpatient visits required to be covered under this Section an outpatient visit for the purpose of medication management and shall cover the outpatient visits under the same terms and conditions as it covers outpatient visits for the treatment of physical illness.

(6) An issuer of a group health benefit plan may provide or offer coverage required under this Section through a managed care plan.

(7) This Section shall not be interpreted to require a group health benefit plan to provide coverage for treatment of:

(A) an addiction to a controlled substance or cannabis that is used in violation of law; or

(B) mental illness resulting from the use of a controlled substance or cannabis in violation of law.

(8) This subsection (b) is inoperative after December 31, 2005.

(c) Except as otherwise provided in this Section, for purposes of soliciting, selling, or negotiating the renewal or sale of insurance coverage, insurance products, or insurance services or for any other marketing purpose, a registered firm shall own and have the exclusive use of expirations, records, and other written or electronically stored information directly related to an insurance application submitted by, or an insurance policy written through, the registered firm. No insurance company, managing general agent, surplus lines insurance broker, wholesale broker, group self-insurance fund, third-party administrator, or any other entity, other than a financial institution as defined in Section 1402 of this Code, shall use such expirations, records, or other written or electronically stored information to solicit, sell, or negotiate the renewal or sale of insurance coverage, insurance products, or insurance services to the insured or for any other marketing purposes, either directly or by providing such information to others, without, separate from the general agency contract, the written consent of the registered firm. However, such expirations, records, or other written or electronically stored information may be used for any purpose necessary for placing such business through the insurance producer including reviewing an application and issuing or renewing a policy and for loss control services.

(7) to any insurer that, separate from a producer or registered firm, creates, develops, compiles, and assembles its own, identifiable expirations as defined in subsection (a).

For purposes of this Section, an insurance producer shall be deemed to have agreed to act primarily for one company or a group of affiliated insurance companies if the producer (i) receives 75% or more of his or her insurance related commissions from one company or a group of affiliated companies or (ii) places 75% or more of his or her policies with one company or a group of affiliated companies.

Nothing in this Section prohibits an insurance company, with respect to any items herein, from conveying to the insured or the registered firm any additional benefits or ownership rights including, but not limited to, the ownership of expirations on any policy issued or the imposition of further restrictions on the insurance company's use of the insured's personal information.

(e) Nothing in this Section prevents a financial institution, as defined in Section 1402 of this Code, from obtaining from the insured, the insurer, or the registered firm the expiration dates of an insurance policy placed on collateral or otherwise used as security in connection with a loan made or serviced by the financial institution when the financial institution requires the expiration dates for evidence of insurance.

(f) For purposes of this Section, "financial institution" does not include an insurance company, registered firm, managing general agent, surplus lines broker, wholesale broker, group self-funded insurance fund, or third-party administrator.

as a proper use of highways, along, upon, under and across any highway, street, alley, public right-of-way dedicated or commonly used for utility purposes, or water in this State, but so as not to incommode the public in the use thereof: Provided, that nothing in this act shall interfere with the control now vested in cities, incorporated towns and villages in relation to the regulation of the poles, wires, cables and other appliances, and provided, that before any such lines shall be constructed along any such highway, street, alley, public right-of-way dedicated or commonly used for utility purposes, or water it shall be the duty of the telecommunications carrier proposing to construct any such line, to give (in the case of cities, villages, and incorporated towns) to the corporate authorities of the municipality or their designees (hereinafter, municipal corporate authorities) or (in other cases) to the highway commissioners having jurisdiction and control over the road or part thereof along and over which such line is proposed to be constructed, notice in writing in the form of plans, specifications, and documentation of the purpose and intention of the company to construct such line over and along the highway, street, alley, public right-of-way dedicated or commonly used for utility purposes, or water, which notice shall be served at least 10 days before the line shall be placed or constructed over and along the highway, street, alley, public right-of-way dedicated or commonly used for utility purposes, or water (30 days in the case of any notice providing for excavation relating to new construction in a public highway, street, alley, public right-of-way dedicated or commonly used for utility purposes, or water); and upon the giving of the notice it shall be the duty of the municipal corporate authorities or the highway commissioners to specify the portion of such highway, street, alley, public right-of-way dedicated or commonly used for utility purposes, or water upon which the line may be placed, used, and constructed, and it shall thereupon be the duty of the telecommunications retailer to provide the municipal authorities or highway commissioners with any and all plans, specifications, and documentation available and to construct its line in accordance with such specifications; but in the event that the municipal corporate authorities or the highway commissioners fail to provide such specification within 10 days after the service of such notice, (25 days in the case of excavation relating to new construction) then the telecommunications retailer, without such specification having been made, may proceed to place and erect its line along the highway, street, alley, public right-of-way dedicated or commonly used for utility purposes, or water by placing its posts, poles and abutments so as not to interfere with other proper uses of the highway, street, alley, public right-of-way dedicated or commonly used for utility purposes, or water. The telecommunications carrier proposing to construct any such line shall comply with the provisions of Section 9-113 of the Illinois Highway Code. Provided, that the telecommunications carrier shall not have the right to condemn any portion of the right-of-way of any railroad company except as much thereof as is necessary to cross the same.

concerning the project and the right-of-way easements sought in connection therewith.

Such rules may be made applicable to interstate, competitive intrastate and noncompetitive intrastate facilities, without regard to whether such facilities or the telecommunications carrier proposing to construct and operate them would otherwise be subject to the Illinois Commerce Commission's jurisdiction under the Public Utilities Act, as now or hereafter amended. However, as to facilities used to provide exclusively interstate services or competitive intrastate services or both, nothing in this Section confers any power upon the Commission (i) to require the disclosure of proprietary, competitively sensitive, or cost information or information not known to the telecommunications carrier, (ii) to determine whether, or conduct hearings regarding whether, any proposed fiber optic or other facilities should or should not be constructed and operated, or (iii) to determine or specify, or conduct hearings concerning, the price or other terms or conditions of the purchase of the right-of-way easements sought. With respect to facilities used to provide any intrastate services classified in the condemnor's tariff as noncompetitive under Section 13-502 of the Public Utilities Act, the rulemaking powers conferred upon the Commission under this Section are in addition to any rulemaking powers arising under the Public Utilities Act.

No telecommunications carrier shall exercise the power to condemn private property until it has first substantially complied with such rules with respect to the property sought to be condemned. If such rules call for providing notice or information before or during negotiations, a failure to provide such notice or information shall not constitute a waiver of the rights granted in this Section, but the telecommunications carrier shall be liable for all reasonable attorney's fees of that landowner resulting from such failure.

Sec. 6-16. Prohibited sales and possession.

(a) (i) No licensee nor any officer, associate, member, representative, agent, or employee of such licensee shall sell, give, or deliver alcoholic liquor to any person under the age of 21 years or to any intoxicated person, except as provided in Section 6-16.1. (ii) No express company, common carrier, or contract carrier nor any representative, agent, or employee on behalf of an express company, common carrier, or contract carrier that carries or transports alcoholic liquor for delivery within this State shall knowingly give or knowingly deliver to a residential address any shipping container clearly labeled as containing alcoholic liquor and labeled as requiring signature of an adult of at least 21 years of age to any person in this State under the age of 21 years. An express company, common carrier, or contract carrier that carries or transports such alcoholic liquor for delivery within this State shall obtain a signature at the time of delivery acknowledging receipt of the alcoholic liquor by an adult who is at least 21 years of age. At no time while delivering alcoholic beverages within this State may any representative, agent, or employee of an express company, common carrier, or contract carrier that carries or transports alcoholic liquor for delivery within this State deliver the alcoholic liquor to a residential address without the acknowledgment of the consignee and without first obtaining a signature at the time of the delivery by an adult who is at least 21 years of age. A signature of a person on file with the express company, common carrier, or contract carrier does not constitute acknowledgment of the consignee. Any express company, common carrier, or contract carrier that transports alcoholic liquor for delivery within this State that violates this item (ii) of this subsection (a) by delivering alcoholic liquor without the acknowledgement of the consignee and without first obtaining a signature at the time of the delivery by an adult who is at least 21 years of age is guilty of a business offense for which the express company, common carrier, or contract carrier that transports alcoholic liquor within this State shall be fined not more than $1,001 for a first offense, not more than $5,000 for a second offense, and not more than $10,000 for a third or subsequent offense. An express company, common carrier, or contract carrier shall be held vicariously liable for the actions of its representatives, agents, or employees. For purposes of this Act, in addition to other methods authorized by law, an express company, common carrier, or contract carrier shall be considered served with process when a representative, agent, or employee alleged to have violated this Act is personally served. Each shipment of alcoholic liquor delivered in violation of this item (ii) of this subsection (a) constitutes a separate offense. (iii) No person, after purchasing or otherwise obtaining alcoholic liquor, shall sell, give, or deliver such alcoholic liquor to another person under the age of 21 years, except in the performance of a religious ceremony or service. Except as otherwise provided in item (ii), any express company, common carrier, or contract carrier that transports alcoholic liquor within this State that violates the provisions of item (i), (ii), or (iii) of this paragraph of this subsection (a) is guilty of a Class A misdemeanor and the sentence shall include, but shall not be limited to, a fine of not less than $500.

licensee, or a representative, agent, or employee of an express company, common carrier, or contract carrier that carries or transports alcoholic liquor for delivery within this State, is prosecuted under this paragraph of this subsection (a) for selling, giving, or delivering alcoholic liquor to a person under the age of 21 years, the person under 21 years of age who attempted to buy or receive the alcoholic liquor may be prosecuted pursuant to Section 6-20 of this Act, unless the person under 21 years of age was acting under the authority of a law enforcement agency, the Illinois Liquor Control Commission, or a local liquor control commissioner pursuant to a plan or action to investigate, patrol, or conduct any similar enforcement action.

For the purpose of preventing the violation of this Section, any licensee, or his agent or employee, or a representative, agent, or employee of an express company, common carrier, or contract carrier that carries or transports alcoholic liquor for delivery within this State, shall refuse to sell, deliver, or serve alcoholic beverages to any person who is unable to produce adequate written evidence of identity and of the fact that he or she is over the age of 21 years, if requested by the licensee, agent, employee, or representative.

Adequate written evidence of age and identity of the person is a document issued by a federal, state, county, or municipal government, or subdivision or agency thereof, including, but not limited to, a motor vehicle operator's license, a registration certificate issued under the Federal Selective Service Act, or an identification card issued to a member of the Armed Forces. Proof that the defendant-licensee, or his employee or agent, or the representative, agent, or employee of the express company, common carrier, or contract carrier that carries or transports alcoholic liquor for delivery within this State demanded, was shown and reasonably relied upon such written evidence in any transaction forbidden by this Section is an affirmative defense in any criminal prosecution therefor or to any proceedings for the suspension or revocation of any license based thereon. It shall not, however, be an affirmative defense if the agent or employee accepted the written evidence knowing it to be false or fraudulent. If a false or fraudulent Illinois driver's license or Illinois identification card is presented by a person less than 21 years of age to a licensee or the licensee's agent or employee for the purpose of ordering, purchasing, attempting to purchase, or otherwise obtaining or attempting to obtain the serving of any alcoholic beverage, the law enforcement officer or agency investigating the incident shall, upon the conviction of the person who presented the fraudulent license or identification, make a report of the matter to the Secretary of State on a form provided by the Secretary of State.

However, no agent or employee of the licensee or employee of an express company, common carrier, or contract carrier that carries or transports alcoholic liquor for delivery within this State shall be disciplined or discharged for selling or furnishing liquor to a person under 21 years of age if the agent or employee demanded and was shown, before furnishing liquor to a person under 21 years of age, adequate written evidence of age and identity of the person issued by a federal, state, county or municipal government, subdivision or agency thereof, including but not limited to a motor vehicle operator's license, a registration certificate issued under the Federal Selective Service Act, or an identification card issued to a member of the Armed Forces. This paragraph, however, shall not apply if the agent or
employee accepted the written evidence knowing it to be false or fraudulent.

Any person who sells, gives, or furnishes to any person under the age of 21 years any false or fraudulent written, printed, or photostatic evidence of the age and identity of such person or who sells, gives or furnishes to any person under the age of 21 years evidence of age and identification of any other person is guilty of a Class A misdemeanor and the person's sentence shall include, but shall not be limited to, a fine of not less than $500.

Any person under the age of 21 years who presents or offers to any licensee, his agent or employee, any written, printed or photostatic evidence of age and identity that is false, fraudulent, or not actually his or her own for the purpose of ordering, purchasing, attempting to purchase or otherwise procuring or attempting to procure, the serving of any alcoholic beverage, who falsely states in writing that he or she is at least 21 years of age when receiving alcoholic liquor from a representative, agent, or employee of an express company, common carrier, or contract carrier, or who has in his or her possession any false or fraudulent written, printed, or photostatic evidence of age and identity, is guilty of a Class A misdemeanor and the person's sentence shall include, but shall not be limited to, the following: a fine of not less than $500 and at least 25 hours of community service. If possible, any community service shall be performed for an alcohol abuse prevention program.

Any person under the age of 21 years who has any alcoholic beverage in his or her possession on any street or highway or in any public place or in any place open to the public is guilty of a Class A misdemeanor. This Section does not apply to possession by a person under the age of 21 years making a delivery of an alcoholic beverage in pursuance of the order of his or her parent or in pursuance of his or her employment.

(a-1) It is unlawful for any parent or guardian to permit his or her residence to be used by an invitee of the parent's child or the guardian's ward, if the invitee is under the age of 21, in a manner that constitutes a violation of this Section. A parent or guardian is deemed to have permitted his or her residence to be used in violation of this Section if he or she knowingly authorizes, enables, or permits such use to occur by failing to control access to either the residence or the alcoholic liquor maintained in the residence. Any person who violates this subsection (a-1) is guilty of a Class A misdemeanor and the person's sentence shall include, but shall not be limited to, a fine of not less than $500. Nothing in this subsection (a-1) shall be construed to prohibit the giving of alcoholic liquor to a person under the age of 21 years in the performance of a religious ceremony or service.

(b) Except as otherwise provided in this Section whoever violates this Section shall, in addition to other penalties provided for in this Act, be guilty of a Class A misdemeanor.

(c) Any person shall be guilty of a Class A misdemeanor where he or she knowingly permits a gathering at a residence which he or she occupies of two or more persons where any one or more of the persons is under 21 years of age and the following factors also apply:

(1) the person occupying the residence knows that any such person under the age of 21 is in possession of or is consuming any alcoholic beverage; and

(2) the possession or consumption of the alcohol by the person under 21 is not otherwise permitted by this Act; and

(3) the person occupying the residence knows that the person under the age of 21 leaves the residence in an intoxicated condition.

For the purposes of this subsection (c) where the residence has an owner and a tenant or lessee, there is a rebuttable presumption that the residence is occupied only by the tenant or lessee.

(d) Any person who rents a hotel or motel room from the proprietor or agent thereof for the purpose of or with the knowledge that such room shall be used for the consumption of alcoholic liquor by persons under the age of 21 years shall be guilty of a Class A misdemeanor.

(e) Except as otherwise provided in this Act, any person who has alcoholic liquor in his or her possession on public school district property on school days or at events on public school district property when children are present is guilty of a petty offense, unless the alcoholic liquor (i) is in the original container with the seal unbroken and is in the possession of a person who is not otherwise legally prohibited from possessing the alcoholic liquor or (ii) is in the possession of a person in or for the performance of a religious service or ceremony authorized by the school board.

(305 ILCS 5/4-1.7) (from Ch. 23, par. 4-1.7)

Sec. 4-1.7. Enforcement of Parental Child Support Obligation. If the parent or parents of the child are failing to meet or are delinquent in their legal obligation to support the child, the parent or other person having custody of the child or the Illinois Department of Public Aid may request the law enforcement officer authorized or directed by law to so act to file action for the enforcement of such remedies as the law provides for the fulfillment of the child support obligation.

If a parent has a judicial remedy against the other parent to compel child support, or if, as the result of an action initiated by or in behalf of one parent against the other, a child support order has been entered in respect to which there is noncompliance or delinquency, or where the order so entered may be changed upon petition to the court to provide additional support, the parent or other person having custody of the child or the Illinois Department of Public Aid may request the appropriate law enforcement officer to seek enforcement of the remedy, or of the support order, or a change therein to provide additional support. If the law enforcement officer is not authorized by law to so act in these instances, the parent, or if so authorized by law the other person having custody of the child, or the Illinois Department of Public Aid may initiate an action to enforce these remedies.

A parent or other person having custody of the child must comply with the requirements of Title IV of the federal Social Security Act, and the regulations duly promulgated thereunder, and any rules promulgated by the Illinois Department regarding enforcement of the child support obligation. the person for a temporary period if he or she accepts counseling or other services designed to increase his or her motivation to seek enforcement of the child support obligation.

In addition to any other definition of failure or refusal to comply with the requirements of Title IV of the federal Social Security Act, or Illinois Department rule, in the case of failure to attend court hearings, the parent or other person can show cooperation by attending a court hearing or, if a court hearing cannot be scheduled within 14 days following the court hearing that was missed, by signing a statement that the parent or other person is now willing to cooperate in the child support enforcement process and will appear at any later scheduled court date. The parent or other person can show cooperation by signing such a statement only once. If failure to attend the court hearing or other failure to cooperate results in the case being dismissed, such a statement may be signed after 2 months.

No denial or termination of medical assistance pursuant to this Section shall commence during pregnancy of the parent or other person having custody of the child or for 30 days after the termination of such pregnancy. The termination of medical assistance may commence thereafter if the Illinois Department of Public Aid determines that the failure or refusal to comply with this Section persists. Postponement of denial or termination of medical assistance during pregnancy under this paragraph shall be effective only to the extent it does not conflict with federal law or regulation.

Any evidence a parent or other person having custody of the child gives in order to comply with the requirements of this Section shall not render him or her liable to prosecution under Sections 11-7 or 11-8 of the "Criminal Code of 1961", approved July 28, 1961, as amended.

When so requested, the Illinois Department of Public Aid and the Department of Human Services shall provide such services and assistance as the law enforcement officer may require in connection with the filing of any action hereunder.

The Illinois Department of Public Aid and the Department of Human Services, and as an expense of administration, may also provide applicants for and recipients of aid with such services and assistance, including assumption of the reasonable costs of prosecuting any action or proceeding, as may be necessary to enable them to enforce the child support liability required hereunder.

Nothing in this Section shall be construed as a requirement that an applicant or recipient file an action for dissolution of marriage against his or her spouse.

through a public awareness campaign, may provide information concerning treatment for
alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs
directed at reducing the number of drug-affected infants born to recipients of medical

(3) Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.

Within 90 days after the effective date of this amendatory Act of 1984, the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

The rules and regulations of the Illinois Department shall require that a written statement including the required opinion of a physician shall accompany any claim for reimbursement for abortions, or induced miscarriages or premature births. This statement shall indicate what procedures were used in providing such medical services.

The Illinois Department shall require that all dispensers of medical services, other than an individual practitioner or group of practitioners, desiring to participate in the Medical Assistance program established under this Article to disclose all financial, beneficial, ownership, equity, surety or other interests in any and all firms, corporations, partnerships, associations, business enterprises, joint ventures, agencies, institutions or other legal entities providing any form of health care services in this State under this Article.

Such rules shall provide, but not be limited to, the following services: (1) immediate repair or replacement of such devices by recipients without medical authorization; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Such rules shall enable a recipient to temporarily acquire and use alternative or substitute devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department. Rules under clause (2) above shall not provide for purchase or lease-purchase of durable medical equipment or supplies used for the purpose of oxygen delivery and respiratory care.

(c) current rate structures and proposed changes in those rate structures for the various medical vendors; and
(d) efforts at utilization review and control by the Illinois Department.

The period covered by each report shall be the 3 years ending on the June 30 prior to the report. The report shall include suggested legislation for consideration by the General Assembly. The filing of one copy of the report with the Speaker, one copy with the Minority Leader and one copy with the Clerk of the House of Representatives, one copy with the President, one copy with the Minority Leader and one copy with the Secretary of the Senate, one copy with the Legislative Research Unit, such additional copies with the State Government Report Distribution Center for the General Assembly as is required under paragraph (t) of Section 7 of the State Library Act and one copy with the Citizens Assembly/Council on Public Aid or its successor shall be deemed sufficient to comply with this Section.

Rates established effective each July 1 shall govern payment for services rendered throughout that fiscal year, except that rates established on July 1, 1996 shall be increased by 6.8% for services provided on or after January 1, 1997. Such rates will be based upon the rates calculated for the year beginning July 1, 1990, and for subsequent years thereafter until June 30, 2001 shall be based on the facility cost reports for the facility fiscal year ending at any point in time during the previous calendar year, updated to the midpoint of the rate year. Should the cost report not be on file by April 1, the Department shall base the rate on the latest cost report filed by each skilled care facility and intermediate care facility, updated to the midpoint of the current rate year. In determining rates for services rendered on and after July 1, 1985, fixed time shall not be computed at less than zero. The Department shall not make any alterations of regulations which would reduce any component of the Medicaid rate to a level below what that component would have been utilizing in the rate effective on July 1, 1984.

(2) "Beneficiary" means any person or their dependents who has received benefits or will be provided benefits under this Code because of an injury for which another person may be liable. It includes such beneficiary's guardian, conservator or other personal representative, his estate or survivors.

(b) (1) When benefits are provided or will be provided to a beneficiary under this Code because of an injury for which another person is liable, or for which a carrier is liable in accordance with the provisions of any policy of insurance issued pursuant to the Illinois Insurance Code, the Illinois Department shall have a right to recover from such person or carrier the reasonable value of benefits so provided. The Attorney General may, to enforce such right, institute and prosecute legal proceedings against the third person or carrier who may be liable for the injury in an appropriate court, either in the name of the Illinois Department or in the name of the injured person, his guardian, personal representative, estate, or survivors.

(2) The Department may:
   (A) compromise or settle and release any such claim for benefits provided under this Code, or

(3) No action taken on behalf of the Department pursuant to this Section or any judgment rendered in such action shall be a bar to any action upon the claim or cause of action of the beneficiary, his guardian, conservator, personal representative, estate, dependents or survivors against the third person who may be liable for the injury, or shall operate to deny to the beneficiary the recovery for that portion of any damages not covered hereunder.

(c) (1) When an action is brought by the Department pursuant to subsection (b), it shall be commenced within the period prescribed by Article XIII of the Code of Civil Procedure.

Thirty days prior to commencing an action, the Department shall notify the beneficiary of the Department's intent to commence such an action.

   (2) The death of the beneficiary does not abate any right of action established by subsection (b).

   (3) When an action or claim is brought by persons entitled to bring such actions or assert such claims against a third person who may be liable for causing the death of a beneficiary, any settlement, judgment or award obtained is subject to the Department's claim for reimbursement of the benefits provided to the beneficiary under this Code.

(d) (1) If either the beneficiary or the Department brings an action or claim against such third party or carrier, the beneficiary or the Department shall within 30 days of filing the action give to the other written notice by personal service or registered mail of the action or claim and of the name of the court in which the action or claim is brought. Proof of such notice shall be filed in such action or claim. If an action or claim is brought by either the Department or the beneficiary, the other may, at any time before trial on the facts, become a party to such action or claim or shall consolidate his action or claim with the other if brought independently.

(2) If an action or claim is brought by the Department pursuant to subsection (b)(1), written notice to the beneficiary, guardian, personal representative, estate or survivor given pursuant to this Section shall advise him of his right to intervene in the proceeding, his right to obtain a private attorney of his choice and the Department's right to recover the reasonable value of the benefits provided.

(e) In the event of judgment or award in a suit or claim against such third person or carrier:

(1) If the action or claim is prosecuted by the beneficiary alone, the court shall first order paid from any judgment or award the reasonable litigation expenses incurred in preparation and prosecution of such action or claim, together with reasonable attorney's fees, when an attorney has been retained. After payment of such expenses and attorney's fees the court shall, on the application of the Department, allow as a first lien against the amount of such judgment or award the amount of the Department's expenditures for the benefit of the beneficiary under this Code, as provided in subsection (c)(4).

(2) If the action or claim is prosecuted both by the beneficiary and the Department, the court shall first order paid from any judgment or award the reasonable litigation expenses incurred in preparation and prosecution of such action or claim, together with reasonable attorney's fees for plaintiffs attorneys based solely on the services rendered for the benefit of the beneficiary. After payment of such expenses and attorney's fees, the court shall apply out of the balance of such judgment or award an amount sufficient to reimburse the Department the full amount of benefits paid on behalf of the beneficiary under this Code.

(f) The court shall, upon further application at any time before the judgment or award is satisfied, allow as a further lien the amount of any expenditures of the Department in payment of additional benefits arising out of the same cause of action or claim provided on behalf of the beneficiary under this Code, when such benefits were provided or became payable subsequent to the original order.

(g) No judgment, award, or settlement in any action or claim by a beneficiary to recover damages for injuries, when the Department has an interest, shall be satisfied without

first giving the Department notice and a reasonable opportunity to perfect and satisfy its lien.

(h) When the Department has perfected a lien upon a judgment or award in favor of a beneficiary against any third party for an injury for which the beneficiary has received benefits under this Code, the Department shall be entitled to a writ of execution as lien claimant to enforce payment of said lien against such third party with interest and other accruing costs as in the case of other executions. In the event the amount of such judgment or award so recovered has been paid to the beneficiary, the Department shall be entitled to a writ of execution against such beneficiary to the extent of the Department's lien, with interest and other accruing costs as in the case of other executions.

(i) Except as otherwise provided in this Section, notwithstanding any other provision of law, the entire amount of any settlement of the injured beneficiary's action or claim, with or without suit, is subject to the Department's claim for reimbursement of the benefits provided and any lien filed pursuant thereto to the same extent and subject to the same limitations as in Section 11-22 of this Code.

indirectly, 5% or more of the shares of stock or other evidences of ownership in the vendor during the time of any conduct which served as the basis for that vendor's termination are barred from participation in the medical assistance program. A person who owns, directly or indirectly, 5% or more of the shares of stock or other evidences of ownership in a terminated corporate vendor may not transfer his or her ownership interest in that vendor to his or her spouse, child, brother, sister, parent, grandparent, grandchild, uncle, aunt, niece, nephew, cousin, or relative by marriage.

Rules adopted by the Illinois Department to implement these provisions shall specifically include a definition of the term "management responsibility" as used in this Section. Such definition shall include, but not be limited to, typical job titles, and duties and descriptions which will be considered as within the definition of individuals with management responsibility for a provider.

(D) If a vendor has been suspended from the medical assistance program under Article V of the Code, the Director may require that such vendor correct any deficiencies which served as the basis for the suspension. The Director shall specify in the suspension order a specific period of time, which shall not exceed one year from the date of the order, during which a suspended vendor shall not be eligible to participate. At the conclusion of the period of suspension the Director shall reinstate such vendor, unless he finds that such vendor has not corrected deficiencies upon which the suspension was based.

If a vendor has been terminated from the medical assistance program under Article V, such vendor shall be barred from participation for at least one year. At the end of one year a vendor who has been terminated may apply for reinstatement to the program. Upon proper application to be reinstated such vendor may be deemed eligible by the Director providing that such vendor meets the requirements for eligibility under this Code. If such vendor is deemed not eligible for reinstatement, he shall be barred from again applying for reinstatement for one year from the date his application for reinstatement is denied.

A vendor whose termination from participation in the Illinois medical assistance program under Article V was based solely on an action by a governmental entity other than the Illinois Department may, upon reinstatement by that governmental entity or upon reversal of the termination, apply for rescission of the termination from participation in the Illinois medical assistance program. Upon proper application for rescission, the vendor may be deemed eligible by the Director if the vendor meets the requirements for eligibility under this Code.

If a vendor has been terminated and reinstated to the medical assistance program under Article V and the vendor is terminated a second or subsequent time from the medical
assistance program, the vendor shall be barred from participation for at least 2 years. At the end of 2 years, a vendor who has been terminated may apply for reinstatement to the program. Upon application to be reinstated, the vendor may be deemed eligible if the vendor meets the requirements for eligibility under this Code. If the vendor is deemed not eligible for reinstatement, the vendor shall be barred from again applying for reinstatement for 2 years from the date the vendor's application for reinstatement is denied.

(E) The Illinois Department may recover money improperly or erroneously paid, or overpayments, either by setoff, crediting against future billings or by requiring direct repayment to the Illinois Department.

(F) The Illinois Department may withhold payments to any vendor during the pendency of any proceeding under this Section except that if a final administrative decision has not been issued within 120 days of the initiation of such proceedings, unless delay has been caused by the vendor, payments can no longer be withheld, provided, however, that the 120 day limit may be extended if said extension is mutually agreed to by the Illinois Department and the vendor. The Illinois Department shall state by rule with as much specificity as practicable the conditions under which payments will not be withheld during the pendency of any proceeding under this Section. Payments may be denied for bills submitted with service dates occurring during the pendency of a proceeding where the final administrative decision is to terminate eligibility to participate in the medical assistance program. The Illinois Department shall state by rule with as much specificity as practicable the conditions under which payments will not be denied for such bills.

(F-5) The Illinois Department may temporarily withhold payments to a vendor if any of the following individuals have been indicted or otherwise charged under a law of the United States or this or any other state with a felony offense that is based on alleged fraud or willful misrepresentation on the part of the individual related to (i) the medical assistance program under Article V of this Code, (ii) a medical assistance program provided in another state which is of the kind provided under Article V of this Code, (iii) the Medicare program under Title XVIII of the Social Security Act, or (iv) the provision of health care services:

(1) If the vendor is a corporation: an officer of the corporation or an individual who owns, either directly or indirectly, 5% or more of the shares of stock or other evidence of ownership of the corporation.

(2) If the vendor is a sole proprietorship: the owner of the sole proprietorship.

(3) If the vendor is a partnership: a partner in the partnership.

(4) If the vendor is any other business entity authorized by law to transact business in this State: an officer of the entity or an individual who owns, either directly or indirectly, 5% or more of the evidences of ownership of the entity.

If the Illinois Department withholds payments to a vendor under this subsection, the Department shall not release those payments to the vendor while any criminal proceeding related to the indictment or charge is pending unless the Department determines that there is good cause to release the payments before completion of the proceeding. If the indictment or charge results in the individual's conviction, the Illinois Department shall retain all withheld payments, which shall be considered forfeited to the Department. If the indictment
or charge does not result in the individual's conviction, the Illinois Department shall release to the vendor all withheld payments.

(G) The provisions of the Administrative Review Law, as now or hereafter amended, and the rules adopted pursuant thereto, shall apply to and govern all proceedings for the judicial review of final administrative decisions of the Illinois Department under this Section. The term "administrative decision" is defined as in Section 3-101 of the Code of Civil Procedure.

(H) Nothing contained in this Code shall in any way limit or otherwise impair the authority or power of any State agency responsible for licensing of vendors.

(I) Based on a finding of noncompliance on the part of a nursing home with any requirement for certification under Title XVIII or XIX of the Social Security Act (42 U.S.C. Sec. 1395 et seq. or 42 U.S.C. Sec. 1396 et seq.), the Illinois Department may impose one or more of the following remedies after notice to the facility:

1. Termination of the provider agreement.
2. Temporary management.
3. Denial of payment for new admissions.
4. Civil money penalties.
5. Closure of the facility in emergency situations or transfer of residents, or both.
7. Denial of all payments when the Health Care Finance Administration has imposed this sanction.

The Illinois Department shall by rule establish criteria governing continued payments to a nursing facility subsequent to termination of the facility's provider agreement if, in the sole discretion of the Illinois Department, circumstances affecting the health, safety, and welfare of the facility's residents require those continued payments. The Illinois Department may condition those continued payments on the appointment of temporary management, sale of the facility to new owners or operators, or other arrangements that the Illinois Department determines best serve the needs of the facility's residents.

Except in the case of a facility that has a right to a hearing on the finding of noncompliance before an agency of the federal government, a facility may request a hearing before a State agency on any finding of noncompliance within 60 days after the notice of the intent to impose a remedy. Except in the case of civil money penalties, a request for a hearing shall not delay imposition of the penalty. The choice of remedies is not appealable at a hearing. The level of noncompliance may be challenged only in the case of a civil money penalty. The Illinois Department shall provide by rule for the State agency that will conduct the evidentiary hearings.

The Illinois Department may collect interest on unpaid civil money penalties.

The Illinois Department may adopt all rules necessary to implement this subsection (I).

Section 65. The Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act is amended by changing Sections 4 and 6 as follows:

(320 ILCS 25/4) (from Ch. 67 1/2, par. 404)

Sec. 4. Amount of Grant.

(a) In general. Any individual 65 years or older or any individual who will become 65 years old during the calendar year in which a claim is filed, and any surviving spouse of such a claimant, who at the time of death received or was entitled to receive a grant pursuant to this Section, which surviving spouse will become 65 years of age within the 24 months immediately following the death of such claimant and which surviving spouse but for his or her age is otherwise qualified to receive a grant pursuant to this Section, and any disabled person whose annual household income is less than $14,000 for grant years before the 1998 grant year, less than $16,000 for the 1998 and 1999 grant years, and less than (i) $21,218 for a household containing one person, (ii) $28,480 for a household containing 2 persons, or (iii) $35,740 for a household containing 3 or more persons for the 2000 grant year and thereafter and whose household is liable for payment of property taxes accrued or has paid rent constituting property taxes accrued and is domiciled in this State at the time he or she files his or her claim is entitled to claim a grant under this Act. With respect to claims filed by individuals who will become 65 years old during the calendar year in which a claim is filed, the amount of any grant to which that household is entitled shall be an amount equal to 1/12 of the amount to which the claimant would otherwise be entitled as provided in this Section, multiplied by the number of months in which the claimant was 65 in the calendar year in which the claim is filed.

(b) Limitation. Except as otherwise provided in subsections (a) and (f) of this Section, the maximum amount of grant which a claimant is entitled to claim is the amount by which
the property taxes accrued which were paid or payable during the last preceding tax year or rent constituting property taxes accrued upon the claimant's residence for the last preceding taxable year exceeds 3 1/2% of the claimant's household income for that year but in no event is the grant to exceed (i) $700 less 4.5% of household income for that year for those with a household income of $14,000 or less or (ii) $70 if household income for that year is more than $14,000.

(c) Public aid recipients. If household income in one or more months during a year includes cash assistance in excess of $55 per month from the Department of Public Aid or the Department of Human Services (acting as successor to the Department of Public Aid under the Department of Human Services Act) which was determined under regulations of that Department on a measure of need that included an allowance for actual rent or property taxes paid by the recipient of that assistance, the amount of grant to which that household is entitled, except as otherwise provided in subsection (a), shall be the product of (1) the maximum amount computed as specified in subsection (b) of this Section and (2) the ratio of the number of months in which household income did not include such cash assistance over $55 to the number twelve. If household income did not include such cash assistance over $55 for any months during the year, the amount of the grant to which the household is entitled shall be the maximum amount computed as specified in subsection (b) of this Section. For purposes of this paragraph (c), "cash assistance" does not include any amount received under the federal Supplemental Security Income (SSI) program.

(d) Joint ownership. If title to the residence is held jointly by the claimant with a person who is not a member of his or her household, the amount of property taxes accrued used in computing the amount of grant to which he or she is entitled shall be the same percentage of property taxes accrued as is the percentage of ownership held by the claimant in the residence.

(e) More than one residence. If a claimant has occupied more than one residence in the taxable year, he or she may claim only one residence for any part of a month. In the case of property taxes accrued, he or she shall prorate 1/12 of the total property taxes accrued on his or her residence to each month that he or she owned and occupied that residence; and, in the case of rent constituting property taxes accrued, shall prorate each month's rent payments to the residence actually occupied during that month.

(f) There is hereby established a program of pharmaceutical assistance to the aged and disabled which shall be administered by the Department in accordance with this Act, to consist of payments to authorized pharmacies, on behalf of beneficiaries of the program, for the reasonable costs of covered prescription drugs. Each beneficiary who pays $5 for an identification card shall pay no additional prescription costs. Each beneficiary who pays $25 for an identification card shall pay $3 per prescription. In addition, after a beneficiary receives $2,000 in benefits during a State fiscal year, that beneficiary shall also be charged 20% of the cost of each prescription for which payments are made by the program during the remainder of the fiscal year. To become a beneficiary under this program a person must be:

(1) be (i) 65 years of age or older, or (ii) the surviving spouse of such a claimant, who at the time of death received or was entitled to receive benefits pursuant to this subsection, which

New matter indicated by italics - deletions by strikeout.
surviving spouse will become 65 years of age within the 24 months immediately following the death of such claimant and which surviving spouse but for his or her age is otherwise qualified to receive benefits pursuant to this subsection, or (iii) disabled, and (2) be is domiciled in this State at the time he or she files his or her claim, and (3) have has a maximum household income of less than $14,000 for grant years before the 1998 grant year, less than $16,000 for the 1998 and 1999 grant years, and less than (i) $21,218 for a household containing one person, (ii) $28,480 for a household containing 2 persons, or (iii) $35,740 for a household containing 3 more persons for the 2000 grant year and thereafter.

In addition, each eligible person must (1) obtain an identification card from the Department, (2) at the time the card is obtained, sign a statement assigning to the State of Illinois benefits which may be otherwise claimed under any private insurance plans, and (3) present the identification card to the dispensing pharmacist.

Whenever a generic equivalent for a covered prescription drug is available, the Department shall reimburse only for the reasonable costs of the generic equivalent, less the co-pay established in this Section, unless (i) the covered prescription drug contains one or more ingredients defined as a narrow therapeutic index drug at 21 CFR 320.33, (ii) the prescriber indicates on the face of the prescription "brand medically necessary", and (iii) the prescriber specifies that a substitution is not permitted. When issuing an oral prescription for covered prescription medication described in item (i) of this paragraph, the prescriber shall stipulate "brand medically necessary" and that a substitution is not permitted. If the covered prescription drug and its authorizing prescription do not meet the criteria listed above, the beneficiary may purchase the non-generic equivalent of the covered prescription drug by paying the difference between the generic cost and the non-generic cost plus the beneficiary co-pay.

Any person otherwise eligible for pharmaceutical assistance under this Act whose covered drugs are covered by any public program for assistance in purchasing any covered prescription drugs shall be ineligible for assistance under this Act to the extent such costs are covered by such other plan.

The fee to be charged by the Department for the identification card shall be equal to $5 per coverage year for persons below the official poverty line as defined by the United States Department of Health and Human Services and $25 per coverage year for all other persons.

In the event that 2 or more persons are eligible for any benefit under this Act, and are members of the same household, (1) each such person shall be entitled to participate in the pharmaceutical assistance program, provided that he or she meets all other requirements imposed by this subsection and (2) each participating household member contributes the fee required for that person by the preceding paragraph for the purpose of obtaining an identification card.

New matter indicated by italics - deletions by strikeout.
(a) In general. Upon receipt of a timely filed claim, the Department shall determine whether the claimant is a person entitled to a grant under this Act and the amount of grant to which he is entitled under this Act. The Department may require the claimant to furnish reasonable proof of the statements of domicile, household income, rent paid, property taxes accrued and other matters on which entitlement is based, and may withhold payment of a grant until such additional proof is furnished.

(b) Rental determination. If the Department finds that the gross rent used in the computation by a claimant of rent constituting property taxes accrued exceeds the fair rental value for the right to occupy that residence, the Department may determine the fair rental value for that residence and recompute rent constituting property taxes accrued accordingly.

(c) Fraudulent claims. The Department shall deny claims which have been fraudulently prepared or when it finds that the claimant has acquired title to his residence or has paid rent for his residence primarily for the purpose of receiving a grant under this Act.

(d) Pharmaceutical Assistance. The Department shall allow all pharmacies licensed under the Pharmacy Practice Act of 1987 to participate as authorized pharmacies unless they have been removed from that status for cause pursuant to the terms of this Section. The Director of the Department may enter into a written contract with any State agency, instrumentality or political subdivision, or a fiscal intermediary for the purpose of making payments to authorized pharmacies for covered prescription drugs and coordinating the program of pharmaceutical assistance established by this Act with other programs that provide payment for covered prescription drugs. Such agreement shall establish procedures for properly contracting for pharmacy services, validating reimbursement claims, validating compliance of dispensing pharmacists with the contracts for participation required under this Section, validating the reasonable costs of covered prescription drugs, and otherwise providing for the effective administration of this Act.

The Department shall promulgate rules and regulations to implement and administer the program of pharmaceutical assistance required by this Act, which shall include the following:

1. Execution of contracts with pharmacies to dispense covered prescription drugs. Such contracts shall stipulate terms and conditions for authorized pharmacies participation and the rights of the State to terminate such participation for breach of such contract or for violation of this Act or related rules and regulations of the Department;

2. Establishment of maximum limits on the size of prescriptions, new or refilled, which shall be in amounts sufficient for 34 days, except as otherwise specified by rule for medical or utilization control reasons;

3. Establishment of liens upon any and all causes of action which accrue to a beneficiary as a result of injuries for which covered prescription drugs are directly or indirectly required and for which the Director made payment or became liable for under this Act;

4. Charge or collection of payments from third parties or private plans of assistance, or from other programs of public assistance for any claim that is properly
chargeable under the assignment of benefits executed by beneficiaries as a requirement of eligibility for the pharmaceutical assistance identification card under this Act;

(5) Inspection of appropriate records and audit of participating authorized pharmacies to ensure contract compliance, and to determine any fraudulent transactions or practices under this Act;

(6) Annual determination of the reasonable costs of covered prescription drugs for which payments are made under this Act, as provided in Section 3.16;

(7) Payment to pharmacies under this Act in accordance with the State Prompt Payment Act.

The Department shall annually report to the Governor and the General Assembly by March 1st of each year on the administration of pharmaceutical assistance under this Act. By the effective date of this Act the Department shall determine the reasonable costs of covered prescription drugs in accordance with Section 3.16 of this Act.

Section 67. The Early Intervention Services System Act is amended by changing Sections 11 and 13 as follows:

(325 ILCS 20/11) (from Ch. 23, par. 4161)

Sec. 11. Individualized Family Service Plans.

(a) Each eligible infant or toddler and that infant's or toddler's family shall receive:

(1) timely, comprehensive, multidisciplinary assessment of the unique needs of each eligible infant and toddler, and assessment of the concerns and priorities of

New matter indicated by italics - deletions by strikeout.
the families to appropriately assist them in meeting their needs and identify services to meet those needs; and

(2) a written Individualized Family Service Plan developed by a multidisciplinary team which includes the parent or guardian. The individualized family service plan shall be based on the multidisciplinary team's assessment of the resources, priorities, and concerns of the family and its identification of the supports and services necessary to enhance the family's capacity to meet the developmental needs of the infant or toddler, and shall include the identification of services appropriate to meet those needs, including the frequency, intensity, and method of delivering services. During and as part of the initial development of the individualized family services plan, and any periodic reviews of the plan, the multidisciplinary team shall consult the lead agency's therapy guidelines and its designated experts, if any, to help determine appropriate services and the frequency and intensity of those services. All services in the individualized family services plan must be justified by the multidisciplinary assessment of the unique strengths and needs of the infant or toddler and must be appropriate to meet those needs. At the periodic reviews, the team shall determine whether modification or revision of the outcomes or services is necessary.

(b) The Individualized Family Service Plan shall be evaluated once a year and the family shall be provided a review of the Plan at 6 month intervals or more often where appropriate based on infant or toddler and family needs. The lead agency shall create a quality review process regarding Individualized Family Service Plan development and changes thereto, to monitor and help assure that resources are being used to provide appropriate early intervention services.

(c) The evaluation and initial assessment and initial Plan meeting must be held within 45 days after the initial contact with the early intervention services system. With parental consent, early intervention services may commence before the completion of the comprehensive assessment and development of the Plan.

(d) Parents must be informed that, at their discretion, early intervention services shall be provided to each eligible infant and toddler in the natural environment, which may include the home or other community settings. Parents shall make the final decision to accept or decline early intervention services. A decision to decline such services shall not be a basis for administrative determination of parental fitness, or other findings or sanctions against the parents. Parameters of the Plan shall be set forth in rules.

(e) The regional intake offices shall explain to each family, orally and in writing, all of the following:

(1) That the early intervention program will pay for all early intervention services set forth in the individualized family service plan that are not covered or paid under the family's public or private insurance plan or policy and not eligible for payment through any other third party payor.

(2) That services will not be delayed due to any rules or restrictions under the family's insurance plan or policy.

New matter indicated by italics - deletions by strikeout.
(3) That the family may request, with appropriate documentation supporting the request, a determination of an exemption from private insurance use under Section 13.25.

(4) That responsibility for co-payments or co-insurance under a family's private insurance plan or policy will be transferred to the lead agency's central billing office.

(5) That families will be responsible for payments of family fees, which will be based on a sliding scale according to income, and that these fees are payable to the central billing office, and that if the family encounters a catastrophic circumstance, as defined under subsection (f) of Section 13 of this Act, making it unable to pay the fees, the lead agency may, upon proof of inability to pay, waive the fees.

(f) The individualized family service plan must state whether the family has private insurance coverage and, if the family has such coverage, must have attached to it a copy of the family's insurance identification card or otherwise include all of the following information:

1. The name, address, and telephone number of the insurance carrier.
2. The contract number and policy number of the insurance plan.
3. The name, address, and social security number of the primary insured.
4. The beginning date of the insurance benefit year.

(g) A copy of the individualized family service plan must be provided to each enrolled provider who is providing early intervention services to the child who is the subject of that plan.

Sec. 13. Funding and Fiscal Responsibility.

(a) The lead agency and every other participating State agency may receive and expend funds appropriated by the General Assembly to implement the early intervention services system as required by this Act.

(b) The lead agency and each participating State agency shall identify and report on an annual basis to the Council the State agency funds utilized for the provision of early intervention services to eligible infants and toddlers.

(c) Funds provided under Section 633 of the Individuals with Disabilities Education Act (20 United States Code 1433) and State funds designated or appropriated for early intervention services or programs may not be used to satisfy a financial commitment for services which would have been paid for from another public or private source but for the enactment of this Act, except whenever considered necessary to prevent delay in receiving appropriate early intervention services by the eligible infant or toddler or family in a timely manner. "Public or private source" includes public and private insurance coverage.

Funds provided under Section 633 of the Individuals with Disabilities Education Act and State funds designated or appropriated for early intervention services or programs may be used by the lead agency to pay the provider of services (A) pending reimbursement from

the appropriate State agency or (B) if (i) the claim for payment is denied in whole or in part by a public or private source, or would be denied under the written terms of the public program or plan or private plan, or (ii) use of private insurance for the service has been exempted under Section 13.25. Payment under item (B)(i) may be made based on a pre-determination telephone inquiry supported by written documentation of the denial supplied thereafter by the insurance carrier.

(d) Nothing in this Act shall be construed to permit the State to reduce medical or other assistance available or to alter eligibility under Title V and Title XIX of the Social Security Act relating to the Maternal Child Health Program and Medicaid for eligible infants and toddlers in this State.

(e) The lead agency shall create a central billing office to receive and dispense all relevant State and federal resources, as well as local government or independent resources available, for early intervention services. This office shall assure that maximum federal resources are utilized and that providers receive funds with minimal duplications or interagency reporting and with consolidated audit procedures.

(f) The lead agency shall, by rule, create a system of payments by families, including a schedule of fees. No fees, however, may be charged for: implementing child find, evaluation and assessment, service coordination, administrative and coordination activities related to the development, review, and evaluation of Individualized Family Service Plans, or the implementation of procedural safeguards and other administrative components of the statewide early intervention system.

The system of payments, called family fees, shall be structured on a sliding scale based on family income. The family's coverage or lack of coverage under a public or private insurance plan or policy shall not be a factor in determining the amount of the family fees.

Each family's fee obligation shall be established annually, and shall be paid by families to the central billing office in installments. At the written request of the family, the fee obligation shall be adjusted prospectively at any point during the year upon proof of a change in family income or family size. The inability of the parents of an eligible child to pay family fees due to catastrophic circumstances or extraordinary expenses shall not result in the denial of services to the child or the child's family. A family must document its extraordinary expenses or other catastrophic circumstances by showing one of the following: (i) out-of-pocket medical expenses in excess of 15% of gross income; (ii) a fire, flood, or other disaster causing a direct out-of-pocket loss in excess of 15% of gross income; or (iii) other catastrophic circumstances causing out-of-pocket losses in excess of 15% of gross income. The family must present proof of loss to its service coordinator, who shall document it, and the lead agency shall determine whether the fees shall be reduced, forgiven, or suspended within 10 business days after the family's request.

(g) To ensure that early intervention funds are used as the payor of last resort for early intervention services, the lead agency shall determine at the point of early intervention intake, and again at any periodic review of eligibility thereafter or upon a change in family circumstances, whether the family is eligible for or enrolled in any program for which payment is made directly or through public or private insurance for any or all of the early

intervention services made available under this Act. The lead agency shall establish procedures to ensure that payments are made either directly from these public and private sources instead of from State or federal early intervention funds, or as reimbursement for payments previously made from State or federal early intervention funds.

Section 68. The Mental Health and Developmental Disabilities Code is amended by changing Sections 2-108 and 3-601 as follows:

(405 ILCS 5/2-108) (from Ch. 91 1/2, par. 2-108)

Sec. 2-108. Use of restraint. Restraint may be used only as a therapeutic measure to prevent a recipient from causing physical harm to himself or physical abuse to others. Restraint may only be applied by a person who has been trained in the application of the particular type of restraint to be utilized. In no event shall restraint be utilized to punish or discipline a recipient, nor is restraint to be used as a convenience for the staff.

(a) Except as provided in this Section, restraint shall be employed only upon the written order of a physician, clinical psychologist, clinical social worker, or registered nurse with supervisory responsibilities. No restraint shall be ordered unless the physician, clinical psychologist, clinical social worker, or registered nurse with supervisory responsibilities, after personally observing and examining the recipient, is clinically satisfied that the use of restraint is justified to prevent the recipient from causing physical harm to himself or others. In no event may restraint continue for longer than 2 hours unless within that time period a nurse with supervisory responsibilities or a physician confirms, in writing, following a personal examination of the recipient, that the restraint does not pose an undue risk to the recipient's health in light of the recipient's physical or medical condition. The order shall state the events leading up to the need for restraint and the purposes for which restraint is employed. The order shall also state the length of time restraint is to be employed and the clinical justification for that length of time. No order for restraint shall be valid for more than 16 hours. If further restraint is required, a new order must be issued pursuant to the requirements provided in this Section.

(b) In the event there is an emergency requiring the immediate use of restraint, it may be ordered temporarily by a qualified person only where a physician, clinical psychologist, clinical social worker, or registered nurse with supervisory responsibilities is not immediately available. In that event, an order by a nurse, clinical psychologist, clinical social worker, or physician shall be obtained pursuant to the requirements of this Section as quickly as possible, and the recipient shall be examined by a physician or supervisory nurse within 2 hours after the initial employment of the emergency restraint. Whoever orders restraint in emergency situations shall document its necessity and place that documentation in the recipient's record.

(c) The person who orders restraint shall inform the facility director or his designee in writing of the use of restraint within 24 hours.

(d) The facility director shall review all restraint orders daily and shall inquire into the reasons for the orders for restraint by any person who routinely orders them.

New matter indicated by italics - deletions by strikeout.
(e) Restraint may be employed during all or part of one 24 hour period, the period commencing with the initial application of the restraint. However, once restraint has been employed during one 24 hour period, it shall not be used again on the same recipient during the next 48 hours without the prior written authorization of the facility director.

(f) Restraint shall be employed in a humane and therapeutic manner and the person being restrained shall be observed by a qualified person as often as is clinically appropriate but in no event less than once every 15 minutes. The qualified person shall maintain a record of the observations. Specifically, unless there is an immediate danger that the recipient will physically harm himself or others, restraint shall be loosely applied to permit freedom of movement. Further, the recipient shall be permitted to have regular meals and toilet privileges free from the restraint, except when freedom of action may result in physical harm to the recipient or others.

(g) Every facility that employs restraint shall provide training in the safe and humane application of each type of restraint employed. The facility shall not authorize the use of any type of restraint by an employee who has not received training in the safe and humane application of that type of restraint. Each facility in which restraint is used shall maintain records detailing which employees have been trained and are authorized to apply restraint, the date of the training and the type of restraint that the employee was trained to use.

(h) Whenever restraint is imposed upon any recipient whose primary mode of communication is sign language, the recipient shall be permitted to have his hands free from restraint for brief periods each hour, except when freedom of action may result in physical harm to the recipient or others.

(i) A recipient who is restrained may only be secluded at the same time pursuant to an explicit written authorization as provided in Section 2-109 of this Code. Whenever a recipient is restrained, a member of the facility staff shall remain with the recipient at all times unless the recipient has been secluded. A recipient who is restrained and secluded shall be observed by a qualified person as often as is clinically appropriate but in no event less than every 15 minutes.

(j) Whenever restraint is used, the recipient shall be advised of his right, pursuant to Sections 2-200 and 2-201 of this Code, to have any person of his choosing, including the Guardianship and Advocacy Commission or the agency designated pursuant to the Protection and Advocacy for Developmentally Disabled Persons Act notified of the restraint. A recipient who is under guardianship may request that any person of his choosing be notified of the restraint whether or not the guardian approves of the notice. Whenever the Guardianship and Advocacy Commission is notified that a recipient has been restrained, it shall contact that recipient to determine the circumstances of the restraint and whether further action is warranted.

   4. The names, addresses and phone numbers of the witnesses by which the facts asserted may be proved.

(A) The site does not meet any of the criteria for classification as a High Priority Site.

(ii) a site evaluation under the direction of a Licensed Professional Engineer verifies the physical soil classification conditions are consistent with those indicated on the Illinois Geological Survey Circular (1984) entitled "Potential for Contamination of Shallow Aquifers in Illinois," by Berg, Richard C., et al.; and

(iii) the results of the physical soil classification and groundwater investigation do not indicate an applicable indicator contaminant groundwater quality standard or groundwater objective has been exceeded at the property boundary line or 200 feet from the underground storage tank, whichever is less.

groundwater investigation reveal that the actual site geologic characteristics are different than those indicated by the Illinois Geological Survey Circular (1984) titled "Potential for Contamination of Shallow Aquifers in Illinois" by Berg, Richard C., et al., classification of the site shall be determined using the actual site geologic characteristics.

(c) Corrective Action.

(1) High Priority Site.

(A) Prior to performance of any corrective action, beyond that required by Section 57.6 and subsection (a) of Section 57.7 of this Act, the owner or operator shall prepare and submit to the Agency for the Agency's approval or modification a corrective action plan designed to mitigate any threat to human health, human safety or the environment resulting from the underground storage tank release.

(B) If the owner or operator intends to seek payment from the Fund, prior to performance of any corrective action beyond that required by Section 57.6 and subsection (a) of Section 57.7, the owner or operator shall submit to the Agency for the Agency's approval or modification a corrective action plan budget which includes, but is not limited to, an accounting of all costs associated with the implementation and completion of the corrective action plan.

(C) The corrective action plan shall do all of the following:

(i) Provide that applicable indicator contaminant groundwater quality standards or groundwater objectives will not be exceeded in groundwater at the property boundary line or 200 feet from the excavation, whichever is less, or other level if approved by the Agency, for any contaminant identified in the groundwater investigation after complete performance of the corrective action plan.

(ii) Provide that Class III special resource groundwater quality standards for Class III special resource groundwater within 200 feet of the excavation will not be exceeded as a result of the underground storage tank release for any indicator contaminant identified in the groundwater investigation after complete performance of the corrective action plan.

(iii) Remediate threats due to the presence or migration, through natural or manmade pathways, of petroleum in concentrations sufficient to harm human health or human safety or to cause explosions in basements, crawl spaces, utility conduits, storm or

sanitary sewers, vaults or other confined spaces.  
(iv) Remediate threats to a potable water supply.  
(v) Remediate threats to a surface water body.  

(D) Within 30 days of completion of the corrective action, the owner or operator shall submit to the Agency such a completion report that includes a description of the corrective action plan and a description of the corrective action work performed and all analytical or sampling results derived from performance of the corrective action plan.  

(E) The Agency shall issue to the owner or operator a no further remediation letter in accordance with Section 57.10 if all of the following are met:  

(i) The corrective action completion report demonstrates that:  
(a) applicable indicator contaminant groundwater quality standards or groundwater objectives are not exceeded at the property boundary line or 200 feet from the excavation, whichever is less, as a result of the underground storage tank release for any indicator contaminant identified in the groundwater investigation; (b) Class III special use resource groundwater quality standards, for Class III special use resource groundwater within 200 feet of the underground storage tank, are not exceeded as a result of the underground storage tank release for any contaminant identified in the groundwater investigation; (c) the underground storage tank release does not threaten human health or human safety due to the presence or migration, through natural or manmade pathways, of petroleum or hazardous substances in concentrations sufficient to harm human health or human safety or to cause explosions in basements, crawl spaces, utility conduits, storm or sanitary sewers, vaults or other confined spaces; (d) the underground storage tank release does not threaten any surface water body; and (e) the underground storage tank release does not threaten any potable water supply.  

(ii) The owner or operator submits to the Agency a certification from a Licensed Professional Engineer that the work described in the approved corrective action plan has been completed and that the information presented in the corrective action completion report is accurate and complete.  

(2) Low Priority Site.  

(A) Corrective action at a low priority site must include groundwater monitoring consistent with part (B) of this paragraph (2).  

(B) Prior to implementation of groundwater monitoring, the owner or operator shall prepare and submit to the Agency a groundwater monitoring plan and, if the owner or operator intends to seek payment under this Title, an associated budget which includes, at a minimum, all of the following:  

New matter indicated by italics - deletions by strikeout.
(i) Placement of groundwater monitoring wells at the property line, or at 200 feet from the excavation which ever is closer, designed to provide the greatest likelihood of detecting migration of groundwater contamination.

(ii) Quarterly groundwater sampling for a period of one year, semi-annual sampling for the second year and annual groundwater sampling for one subsequent year for all indicator contaminants identified during the groundwater investigation.

(iii) The annual submittal to the Agency of a summary of groundwater sampling results.

(C) If at any time groundwater sampling results indicate a confirmed exceedence of applicable indicator contaminant groundwater quality standards or groundwater objectives as a result of the underground storage tank release, the site may be reclassified as a High Priority Site by the Agency at any time before the Agency's final approval of a Low Priority groundwater monitoring completion report. Agency review and approval shall be in accordance with paragraph (4) of subsection (c) of this Section. If the owner or operator elects to appeal an Agency action to disapprove, modify, or reject by operation of law a Low Priority groundwater monitoring completion report, the Agency shall indicate to the Board in conjunction with such appeal whether it intends to reclassify the site as High Priority. If a site is reclassified as a High Priority Site, the owner or operator shall submit a corrective action plan and budget to the Agency within 120 days of the confirmed exceedence and shall initiate compliance with all corrective action requirements for a High Priority Site.

(D) If, throughout the implementation of the groundwater monitoring plan, the groundwater sampling results do not confirm an exceedence of applicable indicator contaminant groundwater quality standards or groundwater objectives as a result of the underground storage tank release, the owner or operator shall submit to the Agency a certification of a Licensed Professional Engineer so stating.

(E) Unless the Agency takes action under subsection (b)(2)(C) to reclassify a site as high priority, upon receipt of a certification by a Licensed Professional Engineer submitted pursuant to paragraph (2) of subsection (c) of this Section, the Agency shall issue to the owner or operator a no further remediation letter in accordance with Section 57.10.

(3) No Further Action Site.

(A) No Further Action sites require no remediation beyond that required in Section 57.6 and subsection (a) of this Section if the owner or operator has submitted to the Agency a certification by a Licensed Professional Engineer that the site meets all of the criteria for classification as No Further Action in subsection (b) of this Section.
(B) Unless the Agency takes action to reject or modify a site classification under subsection (b) of this Section or the site classification is rejected by operation of law under item (4)(B) of subsection (c) of this Section, upon receipt of a certification by a Licensed Professional Engineer submitted pursuant to part (A) of paragraph (3) of subsection (c) of this Section, the Agency shall issue to the owner or operator a no further remediation letter in accordance with Section 57.10.

(4) Agency review and approval.

(A) Agency approval of any plan and associated budget, as described in this item (4), shall be considered final approval for purposes of seeking and obtaining payment from the Underground Storage Tank Fund if the costs associated with the completion of any such plan are less than or equal to the amounts approved in such budget.

(B) In the event the Agency fails to approve, disapprove, or modify any plan or report submitted pursuant to this Title in writing within 120 days of the receipt by the Agency, the plan or report shall be considered to be rejected by operation of law for purposes of this Title and rejected for purposes of payment from the Leaking Underground Storage Tank Fund.

(i) For purposes of those plans as identified in subparagraph (E) of this subsection (c)(4), the Agency's review may be an audit procedure. Such review or audit shall be consistent with the procedure for such review or audit as promulgated by the Board under item (7) of subsection (b) of Section 57.14. The Agency has the authority to establish an auditing program to verify compliance of such plans with the provisions of this Title.

(ii) For purposes of those plans submitted pursuant to Part (E) (iii) of this paragraph (4) for which payment from the Fund is not being sought, the Agency need not take action on such plan until 120 days after it receives the corrective action completion report required under Section 57(c)(1)(D). In the event the Agency approved the plan, it shall proceed under the provisions of Section 57(c)(4).

(C) In approving any plan submitted pursuant to Part (E) of this paragraph (4), the Agency shall determine, by a procedure promulgated by the Board under item (7) of subsection (b) of Section 57.14, that the costs associated with the plan are reasonable, will be incurred in the performance of corrective action, and will not be used for corrective action activities in excess of those required to meet the minimum requirements of this title.

(D) For any plan or report received after the effective date of this amendatory Act of 1993, any action by the Agency to disapprove or modify a plan submitted pursuant to this Title shall be provided to the owner or operator in writing within 120 days of the receipt by the Agency or, in the case of a corrective action plan for which payment is not being sought, within
120 days of receipt of the corrective action completion report, and shall be accompanied by:

(i) an explanation of the Sections of this Act which may be violated if the plans were approved;
(ii) an explanation of the provisions of the regulations, promulgated under this Act, which may be violated if the plan were approved;
(iii) an explanation of the specific type of information, if any, which the Agency deems the applicant did not provide the Agency; and
(iv) a statement of specific reasons why the Act and the regulations might not be met if the plan were approved.

Any action by the Agency to disapprove or modify a plan or report or the rejection of any plan or report by operation of law shall be subject to appeal to the Board in accordance with the procedures of Section 40. If the owner or operator elects to incorporate modifications required by the Agency rather than appeal, an amended plan shall be submitted to the Agency within 35 days of receipt of the Agency's written notification.

(E) For purposes of this Title, the term "plan" shall include:

(i) Any physical soil classification and groundwater investigation plan submitted pursuant to item (1)(A) of subsection (a) of this Section, or budget under item (2) of subsection (a) of this Section;
(ii) Any groundwater monitoring plan or budget submitted pursuant to subsection (c)(2)(B) of this Section;
(iii) Any corrective action plan submitted pursuant to subsection (c)(1)(A) of this Section; or
(iv) Any corrective action plan budget submitted pursuant to subsection (c)(1)(B) of this Section.

(d) For purposes of this Title, the term "indicator contaminant" shall mean, unless and until the Board promulgates regulations to the contrary, the following: (i) if an underground storage tank contains gasoline, the indicator parameter shall be BTEX and Benzene; (ii) if the tank contained petroleum products consisting of middle distillate or heavy ends, then the indicator parameter shall be determined by a scan of PNA's taken from the location where contamination is most likely to be present; and (iii) if the tank contained used oil, then the indicator contaminant shall be those chemical constituents which indicate the type of petroleum stored in an underground storage tank. All references in this Title to groundwater objectives shall mean Class I groundwater standards or objectives as applicable.

(e) (1) Notwithstanding the provisions of this Section, an owner or operator may proceed to conduct physical soil classification, groundwater investigation, site classification or other corrective action prior to the submittal or approval of an otherwise required plan. If the owner or operator elects to so proceed, an applicable

plan shall be filed with the Agency at any time. Such plan shall detail the steps taken to determine the type of corrective action which was necessary at the site along with the corrective action taken or to be taken, in addition to costs associated with activities to date and anticipated costs.

(2) Upon receipt of a plan submitted after activities have commenced at a site, the Agency shall proceed to review in the same manner as required under this Title. In the event the Agency disapproves all or part of the costs, the owner or operator may appeal such decision to the Board. The owner or operator shall not be eligible to be reimbursed for such disapproved costs unless and until the Board determines that such costs were eligible for payment.

delivered to the transferee or to the Secretary of State.

If the vehicle is subject to a tax under the Mobile Home Local Services Tax Act in a county with a population of less than 3,000,000, the owner shall also provide to the transferee a certification by the treasurer of the county in which the vehicle is situated that all taxes imposed upon the vehicle for the years the owner was the actual titleholder of the vehicle have been paid. The transferee shall be liable only for the taxes he or she incurred while he or she was the actual titleholder of the mobile home. The county treasurer shall refund any amount of taxes paid by the transferee that were imposed in years when the transferee was not the actual titleholder. The provisions of this amendatory Act of 1997 (P.A. 90-542) apply retroactively to January 1, 1996. In no event may the county treasurer refund amounts paid by the transferee during any year except the 10 years immediately preceding the year in which the refund is made. If the owner is a licensed dealer who has purchased the vehicle and is holding it for resale, in lieu of acquiring a certification from the county treasurer he shall forward the certification received from the previous owner to the next buyer of the vehicle. The owner shall cause the certification to be mailed or delivered to the Secretary of State with the certificate of title and assignment.

(b) Except as provided in Section 3-113, the transferee shall, promptly and within 20 days after delivery to him of the vehicle and the assigned title, execute the application for a new certificate of title in the space provided therefor on the certificate or as the Secretary of State prescribes, and cause the certificate and application to be mailed or delivered to the Secretary of State.

(c) Upon request of the owner or transferee, a lienholder in possession of the certificate of title shall, unless the transfer was a breach of his security agreement, either deliver the certificate to the transferee for delivery to the Secretary of State or, upon receipt from the transferee of the owner's assignment, the transferee's application for a new certificate and the required fee, mail or deliver them to the Secretary of State. The delivery of the certificate does not affect the rights of the lienholder under his security agreement.

(d) If a security interest is reserved or created at the time of the transfer, the certificate of title shall be retained by or delivered to the person who becomes the lienholder, and the parties shall comply with the provisions of Section 3-203.

(e) Except as provided in Section 3-113 and as between the parties, a transfer by an owner is not effective until the provisions of this Section and Section 3-115 have been complied with; however, an owner who has delivered possession of the vehicle to the transferee and has complied with the provisions of this Section and Section 3-115 requiring action by him as not liable as owner for any damages thereafter resulting from operation of the vehicle.

(f) The Secretary of State shall not process any application for a transfer of an interest in a vehicle if any fees or taxes due under this Act from the transferor or the transferee have not been paid upon reasonable notice and demand.

( ) 1. The mileage stated is in excess of its mechanical limits.

( ) 2. The odometer reading is not the actual mileage. Warning - Odometer Discrepancy."

(b) When executing any transfer of title which contains the odometer certification as described in paragraph (a) above, each transferor of a motor vehicle must supply on the title form the following information:

An inaccurate or untruthful statement with intent to defraud subjects the transferor to liability for damages to the transferee pursuant to the federal Motor Vehicle Information and Cost Act of 1972, P.L. 92-513 as amended by P.L. 94-364. No transferor shall be liable for damages as provided under this Section who transfers title to a motor vehicle which has an odometer reading that has been altered or tampered with by a previous owner, unless that transferor knew or had reason to know of such alteration or tampering and sold such vehicle with an intent to defraud. A cause of action is hereby created by which any person who, with intent to defraud, violates any

It is the policy of the State of Illinois to promote and encourage the fullest use of its highways and to enhance the flow of commerce thus contributing to the economic, agricultural, industrial and social growth and development of this State, by authorizing the Secretary of State to negotiate and enter into reciprocal or proportional agreements or arrangements with other States, or to issue declarations setting forth reciprocal exemptions, benefits and privileges with respect to vehicles operated interstate which are properly registered in this and other States, assuring nevertheless proper registration of vehicles in Illinois as may be required by this Code;

in this State is duly registered in, and displays upon it, a valid registration card and registration plate or plates issued for such vehicle in the place of residence of such owner and is issued and maintains in such vehicle a valid Illinois reciprocity permit as required by the Secretary of State, and provided like privileges are afforded to residents of this State by the State of residence of such owner.

Every nonresident including any foreign corporation carrying on business within this State and owning and regularly operating in such business any motor vehicle, trailer or semitrailer within this State in intrastate commerce, shall be required to register each such vehicle and pay the same fees therefor as is required with reference to like vehicles owned by residents of this State.

(2) Any motor vehicle, trailer, semitrailer and pole trailer operated interstate need not be registered in this State, provided:

(a) that the vehicle same is properly registered in another State pursuant to law or to a reciprocity agreement, arrangement or declaration; or
(b) that such vehicle is part of a fleet of vehicles owned or operated by the same person who registers such fleet of vehicles pro rata among the various States in which such fleet operates; or
(c) that such vehicle is part of a fleet of vehicles, a portion of which are registered with the Secretary of State of Illinois in accordance with an agreement or arrangement concurred in by the Secretary of State of Illinois based on one or more of the following factors: ratio of miles in Illinois as against total miles in all jurisdictions; situs or base of a vehicle, or where it is principally garaged, or from whence it is principally dispatched or where the movements of such vehicle usually originate; situs of the residence of the owner or operator thereof, or of his principal office or offices, or of his places of business; the routes traversed and whether regular or irregular routes are traversed, and the jurisdictions traversed and served; and such other factors as may be deemed material by the Secretary and the motor vehicle administrators of the other jurisdictions involved in such apportionment; and
(d) that Such vehicles shall maintain therein any reciprocity permit which may be required by the Secretary of State pursuant to rules and regulations which the Secretary of State may promulgate in the administration of this Code, in the public interest.

(3) (a) In order to effectuate the purposes of this Code, the Secretary of State of Illinois is empowered to negotiate and execute written reciprocal agreements or arrangements with the duly authorized representatives of other jurisdictions, including States, districts, territories and possessions of the United States, and foreign states, provinces, or countries, granting to owners or operators of vehicles duly registered or licensed in such other jurisdictions and for which evidence of compliance is supplied, benefits, privileges and exemption from the payment, wholly or partially, of any taxes, fees or other charges imposed with respect to the ownership or operation of such vehicles.
by the laws of this State except the tax imposed by the Motor Fuel Tax Law, approved March 25, 1929, as amended, and the tax imposed by the Use Tax Act, approved July 14, 1955, as amended.

The Secretary of State may negotiate agreements or arrangements as are in the best interests of this State and the residents of this State pursuant to the policies expressed in this Section taking into consideration the reciprocal exemptions, benefits and privileges available and accruing to residents of this State and vehicles registered in this State.

(b) Such reciprocal agreements or arrangements shall provide that vehicles duly registered or licensed in this State when operated upon the highways of such other jurisdictions, shall receive exemptions, benefits and privileges of a similar kind or to a similar degree as extended to vehicles from such jurisdictions in this State.

(c) Such agreements or arrangements may also authorize the apportionment of registration or licensing of fleets of vehicles operated interstate, based on any or all of the following factors: ratio of miles in Illinois as against total miles in all jurisdictions; situs or base of a vehicle, or where it is principally garaged or from whence it is principally dispatched or where the movements of such vehicle usually originate; situs of the residence of the owner or operator thereof, or of his principal office or offices, or of his places of business; the routes traversed and whether regular or irregular routes are traversed, and the jurisdictions traversed and served; and such other factors as may be deemed material by the Secretary and the motor vehicle administrators of the other jurisdictions involved in such apportionment, and such vehicles shall likewise be entitled to reciprocal exemptions, benefits and privileges.

(d) Such agreements or arrangements shall also provide that vehicles being operated in intrastate commerce in Illinois shall comply with the registration and licensing laws of this State, except that vehicles which are part of an apportioned fleet may conduct an intrastate operation incidental to their interstate operations. Any motor vehicle properly registered and qualified under any reciprocal agreement or arrangement under this Code and not having a situs or base within Illinois may complete the inbound movement of a trailer or semitrailer to an Illinois destination that was brought into Illinois by a motor vehicle also properly registered and qualified under this Code and not having a situs or base within Illinois, or may complete an outbound movement of a trailer or semitrailer to an out-of-state destination that was originated in Illinois by a motor vehicle also properly registered and qualified under this Code and not having a situs or base in Illinois, only if the operator thereof did not break bulk of the cargo laden in such inbound or outbound trailer or semitrailer. Adding or unloading intrastate cargo on such inbound or outbound trailer or semitrailer shall be deemed as breaking bulk.

(e) Such agreements or arrangements may also provide for the
determination of the proper State in which leased vehicles shall be registered
based on the factors set out in subsection (c) above and for apportionment of
registration of fleets of leased vehicles by the lessee or by the lessor who
leases such vehicles to persons who are not fleet operators.

(f) Such agreements or arrangements may also include reciprocal
exemptions, benefits or privileges accruing under The Illinois Driver
Licensing Law or The Driver License Compact.

(4) The Secretary of State is further authorized to examine the laws and
requirements of other jurisdictions, and, in the absence of a written agreement or
arrangement, to issue a written declaration of the extent and nature of the
exemptions, benefits and privileges accorded to vehicles of this State by such other
jurisdictions, and the extent and nature of reciprocal exemptions, benefits and
privileges thereby accorded by this State to the vehicles of such other jurisdictions.
A declaration by the Secretary of State may include any, part or all reciprocal
exemptions, benefits and privileges or provisions as may be included within an
agreement or arrangement.

(5) All agreements, arrangements, declarations and amendments thereto, shall
be in writing and become effective when signed by the Secretary of State, and copies
of all such documents shall be available to the public upon request.

(6) The Secretary of State is further authorized to require the display by
foreign registered trucks, truck-tractors and buses, entitled to reciprocal benefits,
exemptions or privileges hereunder, a reciprocity permit for external display before
any such reciprocal benefits, exemptions or privileges are granted. The Secretary of
State shall provide suitable application forms for such permit and shall promulgate
and publish reasonable rules and regulations for the administration and enforcement
of the provisions of this Code including a provision for revocation of such permit as
to any vehicle operated wilfully in violation of the terms of any reciprocal agreement,
arrangement or declaration or in violation of the Illinois Motor Carrier of Property
Law, as amended.

(7) (a) Upon the suspension, revocation or denial of one or more of
all reciprocal benefits, privileges and exemptions existing pursuant to the
terms and provisions of this Code or by virtue of a reciprocal agreement or
arrangement or declaration thereunder; or, upon the suspension, revocation
or denial of a reciprocity permit; or, upon any action or inaction of the
Secretary in the administration and enforcement of the provisions of this
Code, any person, resident or nonresident, so aggrieved, may serve upon the
Secretary, a petition in writing and under oath, setting forth the grievance of

The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(b) The Secretary may likewise, in his discretion and upon his own petition, order a hearing, when in his best judgment, any person is not entitled to the reciprocal benefits, privileges and exemptions existing pursuant to the terms and provisions of this Code or under a reciprocal agreement or arrangement or declaration thereunder or that a vehicle owned or operated by such person is improperly registered or licensed, or that an Illinois resident has improperly registered or licensed a vehicle in another jurisdiction for the purposes of violating or avoiding the registration laws of this State.

(c) The Secretary shall notify a petitioner or any other person involved of such a hearing, by giving at least 10 days notice, in writing, by U.S. Mail, Registered or Certified, or by personal service, at the last known address of such petitioner or person, specifying the time and place of such hearing. Any reciprocal agreements or arrangements entered into by the Secretary of State or any declarations issued by the Secretary of State pursuant to any law in effect prior to the effective date of this Code are not hereby abrogated, and such shall continue in force and effect until amended pursuant to the provisions of this Code or expire pursuant to the terms or provisions thereof.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;
2. Of any person when any other law of this State requires either the revocation or suspension of a license or permit.

(c) Whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow transportation for the petitioner or a household member of the petitioner's family for the receipt of necessary medical care or, if the professional evaluation indicates, provide transportation for the petitioner for alcohol remedial or rehabilitative activity, or for the petitioner to attend classes, as a student, in an accredited educational institution; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship would result from a failure to issue the restricted driving permit.

if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination thereof, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(d) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under
paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may issue the applicant a license, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each, until the applicant attains 21 years of age.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The revocation periods contained in this subparagraph shall apply to similar out-of-state convictions.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by an individual who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system.

(i) The Secretary of State may not issue a restricted driving permit for a period of one year after a second or subsequent revocation of driving privileges under clause (a)(2) of this
Section; however, one year after the date of a second or subsequent revocation of driving privileges under clause (a)(2) of this Section, the Secretary of State may, upon application, issue a restricted driving permit under the terms and conditions of subsection (c).

A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

Sec. 11-1201. Obedience to signal indicating approach of train.

(a) Whenever any person driving a vehicle approaches a railroad grade crossing such person must exercise due care and caution as the existence of a railroad track across a highway is a warning of danger, and under any of the circumstances stated in this Section, the driver shall stop within 50 feet but not less than 15 feet from the nearest rail of the railroad and shall not proceed until he can do so safely. The foregoing requirements shall apply when:

2. A crossing gate is lowered or a human flagman gives or continues to give a signal of the approach or passage of a railroad train;
3. A railroad train approaching a highway crossing emits a warning signal and such railroad train, by reason of its speed or nearness to such crossing, is an

immediate hazard;

4. An approaching railroad train is plainly visible and is in hazardous proximity to such crossing;:

5. A railroad train is approaching so closely that an immediate hazard is created.

(b) No person shall drive any vehicle through, around or under any crossing gate or barrier at a railroad crossing while such gate or barrier is closed or is being opened or closed.

(c) The Department, and local authorities with the approval of the Department, are hereby authorized to designate particularly dangerous highway grade crossings of railroads and to erect stop signs thereat. When such stop signs are erected the driver of any vehicle shall stop within 50 feet but not less than 15 feet from the nearest rail of such railroad and shall proceed only upon exercising due care.

(d) At any railroad grade crossing provided with railroad crossbuck signs, without automatic, electric, or mechanical signal devices, crossing gates, or a human flagman giving a signal of the approach or passage of a train, the driver of a vehicle shall in obedience to the railroad crossbuck sign, yield the right-of-way and slow down to a speed reasonable for the existing conditions and shall stop, if required for safety, at a clearly marked stopped line, or if no stop line, within 50 feet but not less than 15 feet from the nearest rail of the railroad and shall not proceed until he or she can do so safely. (d-5) No person may drive any vehicle through a railroad crossing if there is insufficient space to drive completely through the crossing without stopping.

(e) It is unlawful to violate any part of this Section. A first conviction of a person for a violation of any part of this Section shall result in a mandatory fine of $250; all subsequent convictions of that person for any violation of any part of this Section shall each result in a mandatory fine of $500.

Sec. 11-1201.1. Automated Railroad Crossing Enforcement System.

(a) For the purposes of this Section, an automated railroad grade crossing enforcement system is a system operated by a law enforcement agency that records a driver's response to automatic, electrical or mechanical signal devices and crossing gates. The system shall be designed to obtain a clear photograph or other recorded image of the vehicle, vehicle operator and the vehicle registration plate of a vehicle in violation of Section 11-1201. The photograph or other recorded image shall also display the time, date and location of the violation.

(b) Commencing on January 1, 1996, the Illinois Commerce Commission and the
Commuter Rail Board of the Regional Transportation Authority shall, in cooperation with local law enforcement agencies, establish a 5 year pilot program within a county with a population of between 750,000 and 1,000,000 using an automated railroad grade crossing enforcement system. The Commission shall determine the 3 railroad grade crossings within that county that pose the greatest threat to human life based upon the number of accidents and fatalities at the crossings during the past 5 years and with approval of the local law enforcement agency equip the crossings with an automated railroad grade crossing enforcement system.

(b-1) Commencing on July 20, 2001 (the effective date of Public Act 92-98) this amendatory Act of the 92nd General Assembly, the Illinois Commerce Commission and the Commuter Rail Board may, in cooperation with the local law enforcement agency, establish in a county with a population of between 750,000 and 1,000,000 a 2 year pilot program using an automated railroad grade crossing enforcement system. This pilot program may be established at a railroad grade crossing designated by local authorities. No State moneys may be expended on the automated railroad grade crossing enforcement system established under this pilot program.

(c) For each violation of Section 11-1201 recorded by an automatic railroad grade crossing system, the local law enforcement agency having jurisdiction shall issue a written Uniform Traffic Citation of the violation to the registered owner of the vehicle as the alleged violator. The Uniform Traffic Citation shall be delivered to the registered owner of the vehicle, by mail, within 30 days of the violation. The Uniform Traffic Citation shall include the name and address of vehicle owner, the vehicle registration number, the offense charged, the time, date, and location of the violation, the first available court date and that the basis of the citation is the photograph or other recorded image from the automated railroad grade crossing enforcement system.

(d) The Uniform Traffic Citation issued to the registered owner of the vehicle shall be accompanied by a written notice, the contents of which is set forth in subsection (d-1) of this Section, explaining how the registered owner of the vehicle can elect to proceed by either paying the fine or challenging the issuance of the Uniform Traffic Citation.

(d-1) The written notice explaining the alleged violator's rights and obligations must include the following text:

"You have been served with the accompanying Uniform Traffic Citation and cited with having violated Section 11-1201 of the Illinois Vehicle Code. You can elect to proceed by:

1. Paying the fine; or
2. Challenging the issuance of the Uniform Traffic Citation in court; or
3. If you were not the operator of the vehicle at the time of the alleged offense, notifying in writing the local law enforcement agency that issued the Uniform Traffic Citation of the number of the Uniform Traffic Citation received and the name and address of the person operating the vehicle at the time of the alleged offense. If you fail to so notify in writing the local law enforcement agency of the name and address of the operator of the vehicle at the time of the alleged offense, you may be presumed
to have been the operator of the vehicle at the time of the alleged offense."

(d-2) If the registered owner of the vehicle was not the operator of the vehicle at the time of the alleged offense, and if the registered owner notifies the local law enforcement agency having jurisdiction of the name and address of the operator of the vehicle at the time of the alleged offense, the local law enforcement agency having jurisdiction shall then issue a written Uniform Traffic Citation to the person alleged by the registered owner to have been the operator of the vehicle at the time of the alleged offense. If the registered owner fails to notify in writing the local law enforcement agency having jurisdiction of the name and address of the operator of the vehicle at the time of the alleged offense, the registered owner may be presumed to have been the operator of the vehicle at the time of the alleged offense.

(e) Evidence.

(i) A certificate alleging that a violation of Section 11-1201 occurred, sworn to or affirmed by a duly authorized agency, based on inspection of recorded images produced by an automated railroad crossing enforcement system are evidence of the facts contained in the certificate and are admissible in any proceeding alleging a violation under this Section.

(ii) Photographs or recorded images made by an automatic railroad grade crossing enforcement system are confidential and shall be made available only to the alleged violator and governmental and law enforcement agencies for purposes of adjudicating a violation of Section 11-1201 of the Illinois Vehicle Code. However, any photograph or other recorded image evidencing a violation of Section 11-1201 shall be admissible in any proceeding resulting from the issuance of the Uniform Traffic Citation when there is reasonable and sufficient proof of the accuracy of the camera or electronic instrument recording the image. There is a rebuttable presumption that the photograph or recorded image is accurate if the camera or electronic recording instrument was in good working order at the beginning and the end of the day of the alleged offense.

(f) Rail crossings equipped with an automatic railroad grade crossing enforcement system shall be posted with a sign visible to approaching traffic stating that the railroad grade crossing is being monitored, that citations will be issued, and the amount of the fine for violation.

(g) Except as provided in subsection (b-1), the cost of the installation and maintenance of each automatic railroad grade crossing enforcement system shall be paid from the Grade Crossing Protection Fund if the rail line is not owned by Commuter Rail Board of the Regional Transportation Authority. Except as provided in subsection (b-1), if the rail line is owned by the Commuter Rail Board of the Regional Transportation Authority, the costs of the installation and maintenance shall be paid from the Regional Transportation Authority’s portion of the Public Transportation Fund.

(h) The Illinois Commerce Commission shall issue a report to the General Assembly at the conclusion of the 5 year pilot program established under subsection (b) on the effectiveness of the automatic railroad grade crossing enforcement system.

(i) If any part or parts of this Section are held by a court of competent jurisdiction to

be unconstitutional, the unconstitutionality shall not affect the validity of the remaining parts of this Section. The General Assembly hereby declares that it would have passed the remaining parts of this Section if it had known that the other part or parts of this Section would be declared unconstitutional.

(j) Penalty.

(i) A violation of this Section is a petty offense for which a fine of $250 shall be imposed for a first violation, and a fine of $500 shall be imposed for a second or subsequent violation.

(ii) For a second or subsequent violation, the Secretary of State may suspend the registration of the motor vehicle for a period of at least 6 months.

New matter indicated by italics - deletions by strikeout.
Sec. 5-615. Continuance under supervision.

(1) The court may enter an order of continuance under supervision for an offense other than first degree murder, a Class X felony or a forcible felony (a) upon an admission or stipulation by the appropriate respondent or minor respondent of the facts supporting the petition and before proceeding to adjudication, or after hearing the evidence at the trial, and (b) in the absence of objection made in open court by the minor, his or her parent, guardian, or legal custodian, the minor's attorney or the State's Attorney.

(2) If the minor, his or her parent, guardian, or legal custodian, the minor's attorney or State's Attorney objects in open court to any continuance and insists upon proceeding to findings and adjudication, the court shall so proceed.

(3) Nothing in this Section limits the power of the court to order a continuance of the hearing for the production of additional evidence or for any other proper reason.

(4) When a hearing where a minor is alleged to be a delinquent is continued pursuant to this Section, the period of continuance under supervision may not exceed 24 months. The court may terminate a continuance under supervision at any time if warranted by the conduct of the minor and the ends of justice.

(5) When a hearing where a minor is alleged to be delinquent is continued pursuant to this Section, the court may, as conditions of the continuance under supervision, require the minor to do any of the following:

(a) not violate any criminal statute of any jurisdiction;
(b) make a report to and appear in person before any person or agency as directed by the court;
(c) work or pursue a course of study or vocational training;
(d) undergo medical or psychotherapeutic treatment rendered by a therapist licensed under the provisions of the Medical Practice Act of 1987, the Clinical Psychologist Licensing Act, or the Clinical Social Work and Social Work Practice Act, or an entity licensed by the Department of Human Services as a successor to the Department of Alcoholism and Substance Abuse, for the provision of drug addiction and alcoholism treatment;

(n) perform some reasonable public or community service;

(p) comply with curfew requirements as designated by the court;
(q) refrain from entering into a designated geographic area except upon terms as the court finds appropriate. The terms may include consideration of the purpose of the entry, the time of day, other persons accompanying the minor, and advance approval by a probation officer;

(6) A minor whose case is continued under supervision under subsection (5) shall be given a certificate setting forth the conditions imposed by the court. Those conditions may be reduced, enlarged, or modified by the court on motion of the probation officer or on its own motion, or that of the State's Attorney, or, at the request of the minor after notice and hearing.

(7) If a petition is filed charging a violation of a condition of the continuance under supervision, the court shall conduct a hearing. If the court finds that a condition of supervision has not been fulfilled, the court may proceed to findings and adjudication and disposition. The filing of a petition for violation of a condition of the continuance under supervision shall toll the period of continuance under supervision until the final determination of the charge, and the term of the continuance under supervision shall not run until the hearing and disposition of the petition for violation; provided where the petition alleges conduct that does not constitute a criminal offense, the hearing must be held within 30 days of the filing of the petition unless a delay shall continue the tolling of the period of continuance under supervision for the period of the delay.

(8) When a hearing in which a minor is alleged to be a delinquent for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 is continued under this Section, the court shall, as a condition of the continuance under supervision, require the

minor to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the alleged violation or similar damage to property located in the municipality or county in which the alleged violation occurred. The condition may be in addition to any other condition.

(8.5) When a hearing in which a minor is alleged to be a delinquent for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 is continued under this Section, the court shall, as a condition of the continuance under supervision, require the minor to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The condition may be in addition to any other condition.

(9) When a hearing in which a minor is alleged to be a delinquent is continued under this Section, the court, before continuing the case, shall make a finding whether the offense alleged to have been committed either: (i) was related to or in furtherance of the activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (ii) is a violation of paragraph (13) of subsection (a) of Section 12-2 of the Criminal Code of 1961, a violation of any Section of Article 24 of the Criminal Code of 1961, or a violation of any statute that involved the unlawful use of a firearm. If the court determines the question in the affirmative the court shall, as a condition of the continuance under supervision and as part of or in addition to any other condition of the supervision, require the minor to perform community service for not less than 30 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by an alleged violation of Section 21-1.3 of the Criminal Code of 1961 and similar damage to property located in the municipality or county in which the alleged violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(10) The court shall impose upon a minor placed on supervision, as a condition of the supervision, a fee of $25 for each month of supervision ordered by the court, unless after determining the inability of the minor placed on supervision to pay the fee, the court assesses a lesser amount. The court may not impose the fee on a minor who is made a ward of the State under this Act while the minor is in placement. The fee shall be imposed only upon a minor who is actively supervised by the probation and court services department. A court may order the parent, guardian, or legal custodian of the minor to pay some or all of the fee on the minor's behalf.

Section 84. The Code of Civil Procedure is amended by changing Sections 3-101 and 8-402 as follows:

(735 ILCS 5/3-101) (from Ch. 110, par. 3-101)
Sec. 3-101. Definitions. For the purpose of this Act:
"Administrative agency" means a person, body of persons, group, officer, board,
bureau, commission or department (other than a court or judge) of the State, or of any political subdivision of the State or municipal corporation in the State, having power under law to make administrative decisions.

"Administrative decision" or "decision" means any decision, order or determination of any administrative agency rendered in a particular case, which affects the legal rights, duties or privileges of parties and which terminates the proceedings before the administrative agency. In all cases in which a statute or a rule of the administrative agency requires or permits an application for a rehearing or other method of administrative review to be filed within a specified time (as distinguished from a statute which permits the application for rehearing or administrative review to be filed at any time before judgment by the administrative agency against the applicant or within a specified time after the entry of such judgment), and an application for such rehearing or review is made, no administrative decision of such agency shall be final as to the party applying therefor until such rehearing or review is had or denied. However, if the particular statute permits an application for rehearing or other method of administrative review to be filed with the administrative agency for an indefinite period of time after the administrative decision has been rendered (such as permitting such application to be filed at any time before judgment by the administrative agency against the applicant or within a specified time after the entry of such judgment), then the authorization for the filing of such application for rehearing or review shall not postpone the time when the administrative decision as to which such application shall be filed would otherwise become final, but the filing of the application for rehearing or review with the administrative agency in this type of case shall constitute the commencement of a new proceeding before such agency, and the decision rendered in order to dispose of such rehearing or other review proceeding shall constitute a new and independent administrative decision. If such new and independent decision consists merely of the denial of the application for rehearing or other method of administrative review, the record upon judicial review of such decision shall be limited to the application for rehearing or other review and the order or decision denying such application and shall not include the record of proceedings had before the rendering of the administrative decision as to which the application for rehearing or other administrative review shall have been filed unless the suit for judicial review is commenced within the time in which it would be authorized by this Act to have been commenced if no application for rehearing or other method of administrative review had been filed. On the other hand, if the rehearing or other administrative review is granted by the administrative agency, then the record on judicial review of the resulting administrative decision rendered pursuant to the rehearing or other administrative review may consist not only of the record of proceedings had before the administrative agency in such rehearing or other administrative review proceeding, but also of the record of proceedings had before such administrative agency prior to its rendering of the administrative decision as to which the rehearing or other administrative review shall have been granted. The term "administrative decision" or "decision" does not mean or include rules, regulations, standards, or statements of policy of general application issued by an administrative agency to implement, interpret, or make specific the legislation enforced or administered by it unless

such a rule, regulation, standard or statement of policy is involved in a proceeding before the agency and its applicability or validity is in issue in such proceeding, nor does it mean or include regulations concerning the internal management of the agency not affecting private rights or interests.

Section 86. The Whistleblower Reward and Protection Act is amended by changing Section 6 as follows:

(740 ILCS 175/6) (from Ch. 127, par. 4106)
Sec. 6. Civil investigative demands.
(a) In general.
(1) Issuance and service. Whenever the Attorney General has reason to believe that any person may be in possession, custody, or control of any documentary material or information relevant to an investigation, the Attorney General may, before commencing a civil proceeding under this Act, issue in writing and cause to be served upon such person, a civil investigative demand requiring such person:

(A) to produce such documentary material for inspection and copying,
(B) to answer, in writing, written interrogatories with respect to such documentary material or information,
(C) to give oral testimony concerning such documentary material or information, or
(D) to furnish any combination of such material, answers, or testimony.

The Attorney General shall delegate the authority to issue civil investigative demands under this subsection (a) to the Department of State Police. Whenever a civil investigative demand is an express demand for any product of discovery, the Attorney General, an Assistant Attorney General or the delegate of the Department of State Police shall cause to be served, in any manner authorized by this Section, a copy of such demand upon the person from whom the discovery was obtained and shall notify the person to whom such demand is issued of the date on which such copy was served.

(2) Contents and deadlines.

(A) Each civil investigative demand issued under paragraph (1) shall state the nature of the conduct constituting and alleged violation which is under investigation, and the applicable provision of law alleged to be violated.

(B) If such demand is for the production of documentary material, the demand shall:

(i) describe each class of documentary material to be produced with such definiteness and certainty as to permit such material to be fairly identified;

New matter indicated by italics - deletions by strikeout.
(ii) prescribe a return date for each such class which will provide a reasonable period of time within which the material so demanded may be assembled and made available for inspection and copying; and

(iii) identify the investigator to whom such material shall be made available.

(C) If such demand is for answers to written interrogatories, the demand shall:

(i) set forth with specificity the written interrogatories to be answered;

(ii) prescribe dates at which time answers to written interrogatories shall be submitted; and

(iii) identify the investigator to whom such answers shall be submitted.

(D) If such demand is for the giving of oral testimony, the demand shall:

(i) prescribe a date, time, and place at which oral testimony shall be commenced;

(ii) identify an investigator who shall conduct the examination and the custodian to whom the transcript of such examination shall be submitted;

(iii) specify that such attendance and testimony are necessary to the conduct of the investigation;

(iv) notify the person receiving the demand of the right to be accompanied by an attorney and any other representative; and

(v) describe the general purpose for which the demand is being issued and the general nature of the testimony, including the primary areas of inquiry, which will be taken pursuant to the demand.

(E) Any civil investigative demand issued under this Section which is an express demand for any product of discovery shall not be returned or returnable until 20 days after a copy of such demand has been served upon the person from whom the discovery was obtained.

(F) The date prescribed for the commencement of oral testimony pursuant to a civil investigative demand issued under this Section shall be a date which is not less than 7 days after the date on which demand is received, unless the Attorney General or an Assistant Attorney General designated by the Attorney General or the delegate of the Department of State Police determines that exceptional circumstances are present which warrant the commencement of such testimony within a lesser period of time.

(G) The Attorney General or the delegate of the Department of State Police shall not authorize the issuance under this Section of more than one civil investigative demand for oral testimony by the same person unless the

New matter indicated by italics - deletions by strikeout.
person requests otherwise or unless the Attorney General or the delegate of
the Department of State Police, after investigation, notifies that person in
writing that an additional demand for oral testimony is necessary. The
Attorney General shall authorize the performance by the delegate of the
Department of State Police of any function vested in the Attorney General
under this subparagraph (G).

(b) Protected material or information.
(1) In general. A civil investigative demand issued under subsection (a) may
not require the production of any documentary material, the submission of any
answers to written interrogatories, or the giving of any oral testimony if such
material, answers, or testimony would be protected from disclosure under:
(A) the standards applicable to subpoenas or subpoenas duces tecum
issued by a court of this State to aid in a grand jury investigation; or
(B) the standards applicable to discovery requests under the Code of
Civil Procedure, to the extent that the application of such standards to any
such demand is appropriate and consistent with the provisions and purposes
of this Section.
(2) Effect on other orders, rules, and laws. Any such demand which is an
express demand for any product of discovery supersedes any inconsistent order,
rule, or provision of law (other than this Section) preventing or restraining disclosure of
such product of discovery to any person. Disclosure of any product of discovery
pursuant to any such express demand does not constitute a waiver of any right or
privilege which the person making such disclosure may be entitled to
invoke to resist discovery of trial preparation materials.

(c) Service; jurisdiction.
(1) By whom served. Any civil investigative demand issued under subsection
(a) may be served by an investigator, or by any person authorized to serve process on
individuals within Illinois.
(2) Service in foreign countries. Any such demand or any petition filed under
subsection (j) may be served upon any person who is not found within Illinois in such
manner as the Code of Civil Procedure prescribes for service of process outside
Illinois. To the extent that the courts of this State can assert jurisdiction over any such
person consistent with due process, the courts of this State shall have the same
jurisdiction to take any action respecting compliance with this Section by any such
person that such court would have if such person were personally within the
jurisdiction of such court.

(d) Service upon legal entities and natural persons.
(1) Legal entities. Service of any
civil investigative demand issued under subsection (a) or of any petition filed under
subsection (j) may be made upon a partnership, corporation, association, or other legal entity
by:
(A) delivering an executed copy of such demand or petition to any
partner, executive officer, managing agent, general agent, or registered agent

New matter indicated by italics - deletions by strikeout.
of the partnership, corporation, association or entity;

(B) delivering an executed copy of such demand or petition to the principal office or place of business of the partnership, corporation, association, or entity; or

(C) depositing an executed copy of such demand or petition in the United States mails by registered or certified mail, with a return receipt requested, addressed to such partnership, corporation, association, or entity as its principal office or place of business.

(2) Natural person. Service of any such demand or petition may be made upon any natural person by:

(A) delivering an executed copy of such demand or petition to the person; or

(B) depositing an executed copy of such demand or petition in the United States mails by registered or certified mail, with a return receipt requested, addressed to the person at the person’s residence or principal office or place of business.

(e) Proof of service. A verified return by the individual serving any civil investigative demand issued under subsection (a) or any petition filed under subsection (j) setting forth the manner of such service shall be proof of such service. In the case of service by registered or certified mail, such return shall be accompanied by the return post office receipt of delivery of such demand.

(f) Documentary material. (1) Sworn certificates. The production of documentary material in response to a civil investigative demand served under this Section shall be made under a sworn certificate, in such form as the demand designates, by:

(A) in the case of a natural person, the person to whom the demand is directed, or

(B) in the case of a person other than a natural person, a person having knowledge of the facts and circumstances relating to such production and authorized to act on behalf of such person.

The certificate shall state that all of the documentary material required by the demand and in the possession, custody, or control of the person to whom the demand is directed has been produced and made available to the investigator identified in the demand.

(2) Production of materials. Any person upon whom any civil investigative demand for the production of documentary material has been served under this Section shall make such material available for inspection and copying to the investigator identified in such demand at the principal place of business of such person, or at such other place as the investigator and the person thereafter may agree and prescribe in writing, or as the court may direct under subsection (j)(1). Such material shall be made so available on the return date specified in such demand, or on such later date as the investigator may prescribe in writing. Such person may, upon written agreement between the person and the investigator, substitute copies for originals of all or any part of such material.

New matter indicated by italics - deletions by strikeout.
(g) Interrogatories. Each interrogatory in a civil investigative demand served under this Section shall be answered separately and fully in writing under oath and shall be submitted under a sworn certificate, in such form as the demand designates by:

(1) in the case of a natural person, the person to whom the demand is directed, or

(2) in the case of a person other than a natural person, the person or persons responsible for answering each interrogatory.

If any interrogatory is objected to, the reasons for the objection shall be stated in the certificate instead of an answer. The certificate shall state that all information required by the demand and in the possession, custody, control, or knowledge of the person to whom the demand is directed has been submitted. To the extent that any information is not furnished, the information shall be identified and reasons set forth with particularity regarding the reasons why the information was not furnished.

(h) Oral examinations.

(1) Procedures. The examination of any person pursuant to a civil investigative demand for oral testimony served under this Section shall be taken before an officer authorized to administer oaths and affirmations by the laws of this State or of the place where the examination is held. The officer before whom the testimony is to be taken shall put the witness on oath or affirmation and shall, personally or by someone acting under the direction of the officer and in the officer's presence, record the testimony of the witness. The testimony shall be taken stenographically and shall be transcribed. When the testimony is fully transcribed, the officer before whom the testimony is taken shall promptly transmit a copy of the transcript of the testimony to the custodian. This subsection shall not preclude the taking of testimony by any means authorized by, and in a manner consistent with, the Code of Civil Procedure.

(2) Persons present. The investigator conducting the examination shall exclude from the place where the examination is held all persons except the person giving the testimony, the attorney for and any other representative of the person giving the testimony, the attorney for the State, any person who may be agreed upon by the attorney for the State and the person giving the testimony, the officer before whom the testimony is to be taken, and any stenographer taking such testimony.

(3) Where testimony taken. The oral testimony of any person taken pursuant to a civil investigative demand served under this Section shall be taken in the county within which such person resides, is found, or transacts business, or in such other place as may be agreed upon by the investigator conducting the examination and such person.

(4) Transcript of testimony. When the testimony is fully transcribed, the investigator or the officer before whom the testimony is taken shall afford the witness, who may be accompanied by counsel, a reasonable opportunity to examine and read the transcript, unless such examination and reading are waived by the witness. Any changes in form or substance which the witness desires to make shall

New matter indicated by italics - deletions by strikeout.
be entered and identified upon the transcript by the officer or the investigator, with a statement of the reasons given by the witness for making such changes. The transcript shall then be signed by the witness, unless the witness in writing waives the signing, is ill, cannot be found, or refuses to sign. If the transcript is not signed by the witness within 30 days after being afforded a reasonable opportunity to examine it, the officer of investigator shall sign it and state on the record the fact of the waiver, illness, absence of the witness, or the refusal to sign, together with the reasons, if any, given therefor.

(5) Certification and delivery to custodian. The officer before whom the testimony is taken shall certify on the transcript that the witness was sworn by the officer and that the transcript is a true record of the testimony given by the witness, and the officer or investigator shall promptly deliver the transcript, or send the transcript by registered or certified mail, to the custodian.

(6) Furnishing or inspection of transcript by witness. Upon payment of reasonable charges therefor, the investigator shall furnish a copy of the transcript to the witness only, except that the Attorney General, an Assistant Attorney General or employee of the Department of State Police may, for good cause, limit such witness to inspection of the official transcript of the witness' testimony.

(7) Conduct of oral testimony.

(A) Any person compelled to appear for oral testimony under a civil investigative demand issued under subsection (a) may be accompanied, represented, and advised by counsel. Counsel may advise such person, in confidence, with respect to any question asked of such person. Such person or counsel may object on the record to any question, in whole or in part, and shall briefly state for the record the reason for the objection. An objection may be made, received, and entered upon the record when it is claimed that such person is entitled to refuse to answer the question on the grounds of any constitutional or other legal right or privilege, including the privilege against self-incrimination. If such person refuses to answer any question, a petition may be filed in circuit court under subsection (j)(1) for an order compelling such person to answer such question.

(B) If such person refuses any question on the grounds of the privilege against self-incrimination, the testimony of such person may be compelled in accordance with Article 106 of the Code of Criminal Procedure of 1963.

(8) Witness fees and allowances. Any person appearing for oral testimony under a civil investigative demand issued under subsection (a) shall be entitled to the same fees and allowances which are paid to witnesses in the circuit court.

(i) Custodians of documents, answers, and transcripts.

(1) Designation. The Attorney General shall designate the Department of State Police to serve as custodian of documentary material, answers to interrogatories, and transcripts of oral testimony received under this Section and shall designate additional employees of the Department of State Police as the Attorney

General determines from time to time to be necessary to serve as deputies to the custodian.

(2) Responsibility for materials; disclosure.

(A) An investigator who receives any documentary material, answers to interrogatories, or transcripts of oral testimony under this Section shall transmit them to the custodian. The custodian shall take physical possession of such material, answers, or transcripts and shall be responsible for the use made of them and for the return of documentary material under paragraph (4).

(B) The custodian may cause the preparation of such copies of such documentary material, answers to interrogatories, or transcripts of oral testimony as may be required for official use by any investigator, or other officer or employee of the Attorney General or employee of the Department of State Police who is authorized for such use under regulations which the Attorney General shall issue. Such material, answers, and transcripts may be used by any such authorized investigator or other officer or employee in connection with the taking of oral testimony under this Section.

(C) Except as otherwise provided in this subsection (i), no documentary material, answers to interrogatories, or transcripts of oral testimony, or copies thereof, while in the possession of the custodian, shall be available for examination by any individual other than an investigator or other officer or employee of the Attorney General or employee of the Department of State Police authorized under subparagraph (B). The prohibition in the preceding sentence on the availability of material, answers, or transcripts shall not apply if consent is given by the person who produced such material, answers, or transcripts, or, in the case of any product of discovery produced pursuant to an express demand for such material, consent is given by the person from whom the discovery was obtained. Nothing in this subparagraph is intended to prevent disclosure to the General Assembly, including any committee or subcommittee of the General Assembly, or to any other State agency for use by such agency in furtherance of its statutory responsibilities. Disclosure of information to any such other agency shall be allowed only upon application, made by the Attorney General to a circuit court, showing substantial need for the use of the information by such agency in furtherance of its statutory responsibilities.

(D) While in the possession of the custodian and under such reasonable terms and conditions as the Attorney General shall prescribe:

(i) documentary material and answers to interrogatories shall be available for examination by the person who produced such material or answers, or by a representative for that person authorized by that person to examine such material and answers; and

(ii) transcripts of oral testimony shall be available for examination by the person who produced such testimony, or by a representative of that person authorized

by that person to examine such transcripts.

(3) Use of material, answers, or transcripts in other proceedings. Whenever any attorney of the office of the Attorney General, or State's Attorney upon a referral, has been designated to appear before any court, grand jury, or State agency in any case or proceeding, the custodian of any documentary material, answers to interrogatories, or transcripts of oral testimony received under this Section may deliver to such attorney such material, answers, or transcripts for official use in connection with any such case or proceeding as such attorney determines to be required. Upon the completion of any such case or proceeding, such attorney shall return to the custodian any such material, answers, or transcripts so delivered which have not passed into the control of such court, grand jury, or agency through introduction into the record of such case or proceeding.

(4) Conditions for return of material. If any documentary material has been produced by any person in the course of any investigation pursuant to a civil investigative demand under this Section and:

(A) any case or proceeding before the court or grand jury arising out of such investigation, or any proceeding before any State agency involving such material, has been completed, or

(B) no case or proceeding in which such material may be used has been commenced within a reasonable time after completion of the examination and analysis of all documentary material and other information assembled in the course of such investigation, the custodian shall, upon written request of the person who produced such material, return to such person any such material (other than copies furnished to the investigator under subsection (f)(2) or made for the Attorney General or employee of the Department of State Police under paragraph (2)(B)) which has not passed into the control of any court, grand jury, or agency through introduction into the record of such case or proceeding.

(5) Appointment of successor custodians. In the event of the death, disability, or separation from service in the Department of State Police of the custodian of any documentary material, answers to interrogatories, or transcripts of oral testimony produced pursuant to a civil investigative demand under this Section, or in the event of the official relief of such custodian from responsibility for the custody and control of such material, answers, or transcripts, the Attorney General shall promptly:

(A) designate another employee of the Department of State Police to serve as custodian of such material, answers, or transcripts, and

(B) transmit in writing to the person who produced such material, answers, or testimony notice of the identity and address of the successor so designated.

Any person who is designated to be a successor under this paragraph (5) shall have, with regard to such material, answers, or transcripts, the same duties and responsibilities as were imposed by this Section upon that person's predecessor in office, except that the successor

shall not be held responsible for any default or dereliction which occurred before that designation.

(J) Judicial proceedings. (1) Petition for enforcement. Whenever any person fails to comply with any civil investigative demand issued under subsection (a), or whenever satisfactory copying or reproduction of any material requested in such demand cannot be done and such person refuses to surrender such material, the Attorney General may file, in the circuit court of any county in which such person resides, is found, or transacts business, and serve upon such person a petition for an order of such court for the enforcement of the civil investigative demand.

(2) Petition to modify or set aside demand. (A) Any person who has received a civil investigative demand issued under subsection (a) may file, in the circuit court of any county within which such person resides, is found, or transacts business, and serve upon the investigator identified in such demand a petition for an order of the court to modify or set aside such demand. In the case of a petition addressed to an express demand for any product of discovery, a petition to modify or set aside such demand may be brought only in the circuit court of the county in which the proceeding in which such discovery was obtained is or was last pending. Any petition under this subparagraph (A) must be filed:

(i) within 20 days after the date of service of the civil investigative demand, or at any time before the return date specified in the demand, whichever date is earlier, or

(ii) within such longer period as may be prescribed in writing by any investigator identified in the demand.

(B) The petition shall specify each ground upon which the petitioner relies in seeking relief under subparagraph (A), and may be based upon any failure of the demand to comply with the provisions of this Section or upon any constitutional or other legal right or privilege of such person. During the pendency of the petition in the court, the court may stay, as it deems proper, the running of the time allowed for compliance with the demand, in whole or in part, except that the person filing the petition shall comply with any portion of the demand not sought to be modified or set aside.

(3) Petition to modify or set aside demand for product of discovery. (A) In the case of any civil investigative demand issued under subsection (a) which is an express demand for any product of discovery, the person from whom such discovery was obtained may file, in the circuit court of the county in which the proceeding in which such discovery was obtained is or was last pending, and serve upon any investigator identified in the demand and upon the recipient of the demand, a petition for an order of such court to modify or set aside those portions of the demand requiring production of any such product of discovery. Any petition under this subparagraph (A) must be filed:

(i) within 20 days after the date of service of the civil

investigative demand, or at any time before the return date specified in the demand, whichever date is earlier, or

(ii) within such longer period as may be prescribed in writing by any investigator identified in the demand.

(B) The petition shall specify each ground upon which the petitioner relies in seeking relief under subparagraph (A), and may be based upon any failure of the portions of the demand from which relief is sought to comply with the provisions of this Section, or upon any constitutional or other legal right or privilege of the petitioner. During the pendency of the petition, the court may stay, as it deems proper, compliance with the demand and the running of the time allowed from compliance with the demand.

(4) Petition to require performance by custodian of duties. At any time during which any custodian is in custody or control of any documentary material or answers to interrogatories produced, or transcripts of oral testimony given, by any person in compliance with any civil investigative demand issued under subsection (a), such person, and in the case of an express demand for any product of discovery, the person from whom such discovery was obtained, may file, in the circuit court of the county within which the office of such custodian is situated, and serve upon such custodian, a petition for an order of such court to require the performance by the custodian of any duty imposed upon the custodian by this Section.

(5) Jurisdiction. Whenever any petition is filed in any circuit court under this subsection (j), such court shall have jurisdiction to hear and determine the matter so presented, and to enter such orders as may be required to carry out the provisions of this Section. Any final order so entered shall be subject to appeal in the same manner as appeals of other final orders in civil matters. Any disobedience of any final order entered under this Section by any court shall be punished as a contempt of the court.

(k) Disclosure exemption. Any documentary material, answers to written interrogatories, or oral testimony provided under any civil investigative demand issued under subsection (a) shall be exempt from disclosure under the Illinois Administrative Procedure Act.

Section 87. The Illinois Marriage and Dissolution of Marriage Act is amended by changing Sections 505, 505.3, and 510 as follows:

(750 ILCS 5/505) (from Ch. 40, par. 505)
Sec. 505. Child support; contempt; penalties.

(a) In a proceeding for dissolution of marriage, legal separation, declaration of invalidity of marriage, a proceeding for child support following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse, a proceeding for modification of a previous order for child support under Section 510 of this Act, or any proceeding authorized under Section 501 or 601 of this Act, the court may order either or both parents owing a duty of support to a child of the marriage to pay an amount reasonable

New matter indicated by italics - deletions by strikeout.
and necessary for his support, without regard to marital misconduct. The duty of support owed to a minor child includes the obligation to provide for the reasonable and necessary physical, mental and emotional health needs of the child.

(1) The Court shall determine the minimum amount of support by using the following guidelines:

<table>
<thead>
<tr>
<th>Number of Children</th>
<th>Percent of Supporting Party's Net Income</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>20%</td>
</tr>
<tr>
<td>2</td>
<td>25%</td>
</tr>
<tr>
<td>3</td>
<td>32%</td>
</tr>
<tr>
<td>4</td>
<td>40%</td>
</tr>
<tr>
<td>5</td>
<td>45%</td>
</tr>
<tr>
<td>6 or more</td>
<td>50%</td>
</tr>
</tbody>
</table>

(2) The above guidelines shall be applied in each case unless the court makes a finding that application of the guidelines would be inappropriate, after considering the best interests of the child in light of evidence including but not limited to one or more of the following relevant factors:

(a) the financial resources and needs of the child;
(b) the financial resources and needs of the custodial parent;
(c) the standard of living the child would have enjoyed had the marriage not been dissolved;
(d) the physical and emotional condition of the child, and his educational needs; and
(e) the financial resources and needs of the non-custodial parent.

If the court deviates from the guidelines, the court's finding shall state the amount of support that would have been required under the guidelines, if determinable. The court shall include the reason or reasons for the variance from the guidelines.

(3) "Net income" is defined as the total of all income from all sources, minus the following deductions:

(a) Federal income tax (properly calculated withholding or estimated payments);
(b) State income tax (properly calculated withholding or estimated payments);
(c) Social Security (FICA payments);
(d) Mandatory retirement contributions required by law or as a condition of employment;
(e) Union dues;
(f) Dependent and individual health/hospitalization insurance premiums;
(g) Prior obligations of support or maintenance actually paid pursuant to a court order;

New matter indicated by italics - deletions by strikeout.
(h) Expenditures for repayment of debts that represent reasonable and necessary expenses for the production of income, medical expenditures necessary to preserve life or health, reasonable expenditures for the benefit of the child and the other parent, exclusive of gifts. The court shall reduce net income in determining the minimum amount of support to be ordered only for the period that such payments are due and shall enter an order containing provisions for its self-executing modification upon termination of such payment period.

(4) In cases where the court order provides for health/hospitalization insurance coverage pursuant to Section 505.2 of this Act, the premiums for that insurance, or that portion of the premiums for which the supporting party is responsible in the case of insurance provided through an employer’s health insurance plan where the employer pays a portion of the premiums, shall be subtracted from net income in determining the minimum amount of support to be ordered.

(4.5) In a proceeding for child support following dissolution of the marriage by a court that lacked personal jurisdiction over the absent spouse, and in which the court is requiring payment of support for the period before the date an order for current support is entered, there is a rebuttable presumption that the supporting party's net income for the prior period was the same as his or her net income at the time the order for current support is entered.

(5) If the net income cannot be determined because of default or any other reason, the court shall order support in an amount considered reasonable in the particular case. The final order in all cases shall state the support level in dollar amounts. However, if the court finds that the child support amount cannot be expressed exclusively as a dollar amount because all or a portion of the payor's net income is uncertain as to source, time of payment, or amount, the court may order a percentage amount of support in addition to a specific dollar amount and enter such other orders as may be necessary to determine and enforce, on a timely basis, the applicable support ordered.

(6) If (i) the non-custodial parent was properly served with a request for discovery of financial information relating to the non-custodial parent's ability to provide child support, (ii) the non-custodial parent failed to comply with the request, despite having been ordered to do so by the court, and (iii) the non-custodial parent is not present at the hearing to determine support despite having received proper notice, then any relevant financial information concerning the non-custodial parent's ability to provide child support that was obtained pursuant to subpoena and proper notice shall be admitted into evidence without the need to establish any further foundation for its admission.

(a-5) In an action to enforce an order for support based on the respondent's failure to make support payments as required by the order, notice of proceedings to hold the respondent in contempt for that failure may be served on the respondent by personal service or by regular mail addressed to the respondent's last known address. The respondent's last known address

may be determined from records of the clerk of the court, from the Federal Case Registry of Child Support Orders, or by any other reasonable means.

(b) Failure of either parent to comply with an order to pay support shall be punishable as in other cases of contempt. In addition to other penalties provided by law the Court may, after finding the parent guilty of contempt, order that the parent be:

(1) placed on probation with such conditions of probation as the Court deems advisable;
(2) sentenced to periodic imprisonment for a period not to exceed 6 months; provided, however, that the Court may permit the parent to be released for periods of time during the day or night to:
(A) work; or
(B) conduct a business or other self-employed occupation.

The Court may further order any part or all of the earnings of a parent during a sentence of periodic imprisonment paid to the Clerk of the Circuit Court or to the parent having custody or to the guardian having custody of the minor children of the sentenced parent for the support of said minor children until further order of the Court.

If there is a unity of interest and ownership sufficient to render no financial separation between a non-custodial parent and another person or persons or business entity, the court may pierce the ownership veil of the person, persons, or business entity to discover assets of the non-custodial parent held in the name of that person, those persons, or that business entity. The following circumstances are sufficient to authorize a court to order discovery of the assets of a person, persons, or business entity and to compel the application of any discovered assets toward payment on the judgment for support:

(1) the non-custodial parent and the person, persons, or business entity maintain records together.
(2) the non-custodial parent and the person, persons, or business entity fail to maintain an arms length relationship between themselves with regard to any assets.
(3) the non-custodial parent transfers assets to the person, persons, or business entity with the intent to perpetrate a fraud on the custodial parent.

With respect to assets which are real property, no order entered under this paragraph shall affect the rights of bona fide purchasers, mortgagees, judgment creditors, or other lien holders who acquire their interests in the property prior to the time a notice of lis pendens pursuant to the Code of Civil Procedure or a copy of the order is placed of record in the office of the recorder of deeds for the county in which the real property is located.

The court may also order in cases where the parent is 90 days or more delinquent in payment of support or has been adjudicated in arrears in an amount equal to 90 days obligation or more, that the parent's Illinois driving privileges be suspended until the court determines that the parent is in compliance with the order of support. The court may also order that the parent be issued a family financial responsibility driving permit that would allow limited driving privileges for employment and medical purposes in accordance with Section 7-702.1 of the Illinois Vehicle Code. The clerk of the circuit court shall certify the order suspending the driving privileges of the parent or granting the issuance of a family driving permit.
financial responsibility driving permit to the Secretary of State on forms prescribed by the Secretary. Upon receipt of the authenticated documents, the Secretary of State shall suspend the parent’s driving privileges until further order of the court and shall, if ordered by the court, subject to the provisions of Section 7-702.1 of the Illinois Vehicle Code, issue a family financial responsibility driving permit to the parent.

In addition to the penalties or punishment that may be imposed under this Section, any person whose conduct constitutes a violation of Section 15 of the Non-Support Punishment Act may be prosecuted under that Act, and a person convicted under that Act may be sentenced in accordance with that Act. The sentence may include but need not be limited to a requirement that the person perform community service under Section 50 of that Act or participate in a work alternative program under Section 50 of that Act. A person may not be required to participate in a work alternative program under Section 50 of that Act if the person is currently participating in a work program pursuant to Section 505.1 of this Act.

A support obligation, or any portion of a support obligation, which becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum. An order for support entered or modified on or after January 1, 2002 shall contain a statement that a support obligation required under the order, or any portion of a support obligation required under the order, that becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum. Failure to include the statement in the order for support does not affect the validity of the order or the accrual of interest as provided in this Section.

(c) A one-time charge of 20% is imposable upon the amount of past-due child support owed on July 1, 1988 which has accrued under a support order entered by the court. The charge shall be imposed in accordance with the provisions of Section 10-21 of the Illinois Public Aid Code and shall be enforced by the court upon petition.

(d) Any new or existing support order entered by the court under this Section shall be deemed to be a series of judgments against the person obligated to pay support thereunder, each such judgment to be in the amount of each payment or installment of support and each such judgment to be deemed entered as of the date the corresponding payment or installment becomes due under the terms of the support order. Each such judgment shall have the full force, effect and attributes of any other judgment of this State, including the ability to be enforced. A lien arises by operation of law against the real and personal property of the noncustodial parent for each installment of overdue support owed by the noncustodial parent.

(e) When child support is to be paid through the clerk of the court in a county of 1,000,000 inhabitants or less, the order shall direct the obligor to pay to the clerk, in addition to the child support payments, all fees imposed by the county board under paragraph (3) of subsection (u) of Section 27.1 of the Clerks of Courts Act. Unless paid in cash or pursuant to an order for withholding, the payment of the fee shall be by a separate instrument from the support payment and shall be made to the order of the Clerk.

(f) All orders for support, when entered or modified, shall include a provision requiring the obligor to notify the court and, in cases in which a party is receiving child and spouse services under Article X of the Illinois Public Aid Code, the Illinois Department of

Public Aid, within 7 days, (i) of the name and address of any new employer of the obligor, (ii) whether the obligor has access to health insurance coverage through the employer or other group coverage and, if so, the policy name and number and the names of persons covered under the policy, and (iii) of any new residential or mailing address or telephone number of the non-custodial parent. In any subsequent action to enforce a support order, upon a sufficient showing that a diligent effort has been made to ascertain the location of the non-custodial parent, service of process or provision of notice necessary in the case may be made at the last known address of the non-custodial parent in any manner expressly provided by the Code of Civil Procedure or this Act, which service shall be sufficient for purposes of due process.

(g) An order for support shall include a date on which the current support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the order will attain the age of majority or is otherwise emancipated. The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. Nothing in this subsection shall be construed to prevent the court from modifying the order.

(h) An order entered under this Section shall include a provision requiring the obligor to report to the obligee and to the clerk of court within 10 days each time the obligor obtains new employment, and each time the obligor's employment is terminated for any reason. The report shall be in writing and shall, in the case of new employment, include the name and address of the new employer. Failure to report new employment or the termination of current employment, if coupled with nonpayment of support for a period in excess of 60 days, is indirect criminal contempt. For any obligor arrested for failure to report new employment bond shall be set in the amount of the child support that should have been paid during the period of unreported employment. An order entered under this Section shall also include a provision requiring the obligor and obligee parents to advise each other of a change in residence within 5 days of the change except when the court finds that the physical, mental, or emotional health of a party or that of a minor child, or both, would be seriously endangered by disclosure of the party's address.

(i) The court does not lose the powers of contempt, driver's license suspension, or other child support enforcement mechanisms, including, but not limited to, criminal prosecution as set forth in this Act, upon the emancipation of the minor child or children.

Sec. 505.3. Information to State Case Registry.
(a) In this Section:
"Order for support", "obligor", "obligee", and "business day" are defined as set forth in the Income Withholding for Support Act.
"State Case Registry" means the State Case Registry established under Section 10-27 of the Illinois Public Aid Code.

(b) Each order for support entered or modified by the circuit court under this Act shall

require that the obligor and obligee (i) file with the clerk of the circuit court the information required by this Section (and any other information required under Title IV, Part D of the Social Security Act or by the federal Department of Health and Human Services) at the time of entry or modification of the order for support and (ii) file updated information with the clerk within 5 business days of any change. Failure of the obligor or obligee to file or update the required information shall be punishable as in cases of contempt. The failure shall not prevent the court from entering or modifying the order for support, however.

(c) The obligor shall file the following information: the obligor's name, date of birth, social security number, and mailing address.

If either the obligor or the obligee receives child support enforcement services from the Illinois Department of Public Aid under Article X of the Illinois Public Aid Code, the obligor shall also file the following information: the obligor's telephone number, driver's license number, and residential address (if different from the obligor's mailing address), and the name, address, and telephone number of the obligor's employer or employers.

(d) The obligee shall file the following information:

(1) The names of the obligee and the child or children covered by the order for support.
(2) The dates of birth of the obligee and the child or children covered by the order for support.
(3) The social security numbers of the obligee and the child or children covered by the order for support.
(4) The obligee's mailing address.

(e) In cases in which the obligee receives child support enforcement services from the Illinois Department of Public Aid under Article X of the Illinois Public Aid Code, the order for support shall (i) require that the obligee file the information required under subsection (d) with the Illinois Department of Public Aid for inclusion in the State Case Registry, rather than file the information with the clerk, and (ii) require that the obligee include the following additional information:

(1) The obligee's telephone and driver's license numbers.
(2) The obligee's residential address, if different from the obligee's mailing address.
(3) The name, address, and telephone number of the obligee's employer or employers.

The order for support shall also require that the obligee update the information filed with the Illinois Department of Public Aid within 5 business days after receipt of the information.

(f) The clerk shall provide the information filed under this Section, together with the court docket number and county in which the order for support was entered, to the State Case Registry within 5 business days after receipt of the information.

(g) In a case in which a party is receiving child support enforcement services under Article X of the Illinois Public Aid Code, the clerk shall provide the following additional information to the State Case Registry within 5 business days after entry or modification of an order for support or request from the Illinois Department of Public Aid:

The amount of monthly or other periodic support owed under the order for support and other amounts, including arrearage, interest, or late payment penalties and fees, due or overdue under the order.

(2) Any such amounts that have been received by the clerk, and the distribution of those amounts by the clerk.

(h) Information filed by the obligor and obligee under this Section that is not specifically required to be included in the body of an order for support under other laws is not a public record and shall be treated as confidential and subject to disclosure only in accordance with the provisions of this Section, Section 10-27 of the Illinois Public Aid Code, and Title IV, Part D of the Social Security Act.

Sec. 510. Modification and termination of provisions for maintenance, support, educational expenses, and property disposition.

(a) Except as otherwise provided in paragraph (f) of Section 502 and in subsection (b) (d), clause (3) of Section 505.2, the provisions of any judgment respecting maintenance or support may be modified only as to installments accruing subsequent to due notice by the moving party of the filing of the motion for modification and, with respect to maintenance, only upon a showing of a substantial change in circumstances. An order for child support may be modified as follows:

(1) upon a showing of a substantial change in circumstances; and

(2) without the necessity of showing a substantial change in circumstances, as follows:

(A) upon a showing of an inconsistency of at least 20%, but no less than $10 per month, between the amount of the existing order and the amount of child support that results from application of the guidelines specified in Section 505 of this Act unless the inconsistency is due to the fact that the amount of the existing order resulted from a deviation from the guideline amount and there has not been a change in the circumstances that resulted in that deviation; or

(B) Upon a showing of a need to provide for the health care needs of the child under the order through health insurance or other means. In no event shall the eligibility for or receipt of medical assistance be considered to meet the need to provide for the child's health care needs.

The provisions of subparagraph (a)(2)(A) shall apply only in cases in which a party is receiving child and spouse support services from the Illinois Department of Public Aid under Article X of the Illinois Public Aid Code, and only when at least 36 months have elapsed since the order for child support was entered or last modified.

(b) The provisions as to property disposition may not be revoked or modified, unless the court finds the existence of conditions that justify the reopening of a judgment under the laws of this State.

New matter indicated by italics - deletions by strikeout.
(c) Unless otherwise agreed by the parties in a written agreement set forth in the judgment or otherwise approved by the court, the obligation to pay future maintenance is terminated upon the death of either party, or the remarriage of the party receiving maintenance, or if the party receiving maintenance cohabits with another person on a resident, continuing conjugal basis.

(d) Unless otherwise agreed in writing or expressly provided in a judgment, provisions for the support of a child are terminated by emancipation of the child, except as otherwise provided herein, but not by the death of a parent obligated to support or educate the child. An existing obligation to pay for support or educational expenses, or both, is not terminated by the death of a parent. When a parent obligated to pay support or educational expenses, or both, dies, the amount of support or educational expenses, or both, may be enforced, modified, revoked or commuted to a lump sum payment, as equity may require, and that determination may be provided for at the time of the dissolution of the marriage or thereafter.

(e) The right to petition for support or educational expenses, or both, under Sections 505 and 513 is not extinguished by the death of a parent. Upon a petition filed before or after a parent’s death, the court may award sums of money out of the decedent’s estate for the child’s support or educational expenses, or both, as equity may require. The time within which a claim may be filed against the estate of a decedent under Sections 505 and 513 and subsection (d) and this subsection shall be governed by the provisions of the Probate Act of 1975, as a barrable, noncontingent claim.

(f) A petition to modify or terminate child support, custody, or visitation shall not delay any child support enforcement litigation or supplementary proceeding on behalf of the obligee, including, but not limited to, a petition for a rule to show cause, for non-wage garnishment, or for a restraining order.

Section 88. The Non-Support Punishment Act is amended by changing Section 50 as follows:

(750 ILCS 16/50)
Sec. 50. Community service; work alternative program.
(a) In addition to any other penalties imposed against an offender under this Act, the court may order the offender to perform community service for not less than 30 and not more than 120 hours per month, if community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. In addition, whenever any person is placed on supervision for committing an offense under this Act, the supervision shall be conditioned on the performance of the community service.

(b) In addition to any other penalties imposed against an offender under this Act, the court may sentence the offender to service in a work alternative program administered by the sheriff. The conditions of the program are that the offender obtain or retain employment and participate in a work alternative program administered by the sheriff during non-working hours. A person may not be required to participate in a work alternative program under this subsection if the person is currently participating in a work program pursuant to another

(c) In addition to any other penalties imposed against an offender under this Act, the court may order, in cases where the offender has been in violation of this Act for 90 days or more, that the offender's Illinois driving privileges be suspended until the court determines that the offender is in compliance with this Act.

The court may determine that the offender is in compliance with this Act if the offender has agreed (i) to pay all required amounts of support and maintenance as determined by the court or (ii) to the garnishment of his or her income for the purpose of paying those amounts.

The court may also order that the offender be issued a family financial responsibility driving permit that would allow limited driving privileges for employment and medical purposes in accordance with Section 7-702.1 of the Illinois Vehicle Code. The clerk of the circuit court shall certify the order suspending the driving privileges of the offender or granting the issuance of a family financial responsibility driving permit to the Secretary of State on forms prescribed by the Secretary. Upon receipt of the authenticated documents, the Secretary of State shall suspend the offender's driving privileges until further order of the court and shall, if ordered by the court, subject to the provisions of Section 7-702.1 of the Illinois Vehicle Code, issue a family financial responsibility driving permit to the offender.

(d) If the court determines that the offender has been in violation of this Act for more than 60 days, the court may determine whether the offender has applied for or been issued a professional license by the Department of Professional Regulation or another licensing agency. If the court determines that the offender has applied for or been issued such a license, the court may certify to the Department of Professional Regulation or other licensing agency that the offender has been in violation of this Act for more than 60 days so that the Department or other agency may take appropriate steps with respect to the license or application as provided in Section 10-65 of the Illinois Administrative Procedure Act and Section 2105-15 of the Department of Professional Regulation Law 60 of the Civil Administrative Code of Illinois. The court may take the actions required under this subsection in addition to imposing any other penalty authorized under this Act.

Section 89. The Adoption Act is amended by changing Section 1 as follows:

(750 ILCS 50/1) (from Ch. 40, par. 1501)

Sec. 1. Definitions. When used in this Act, unless the context otherwise requires:

A. "Child" means a person under legal age subject to adoption under this Act.

B. "Related child" means a child subject to adoption where either or both of the adopting parents stands in any of the following relationships to the child by blood or marriage: parent, grand-parent, brother, sister, step-parent, step-grandparent, step-brother, step-sister, uncle, aunt, great-uncle, great-aunt, or cousin of first degree. A child whose parent has executed a final irrevocable consent to adoption or a final irrevocable surrender for purposes of adoption, or whose parent has had his or her parental rights terminated, is not

a related child to that person, unless the consent is determined to be void or is void pursuant to subsection O of Section 10.

C. "Agency" for the purpose of this Act means a public child welfare agency or a licensed child welfare agency.

D. "Unfit person" means any person whom the court shall find to be unfit to have a child, without regard to the likelihood that the child will be placed for adoption. The grounds of unfitness are any one or more of the following, except that a person shall not be considered an unfit person for the sole reason that the person has relinquished a child in accordance with the Abandoned Newborn Infant Protection Act:

- Abandonment of the child.
- Abandonment of a newborn infant in a hospital.
- Abandonment of a newborn infant in any setting where the evidence suggests that the parent intended to relinquish his or her parental rights.
- Failure to maintain a reasonable degree of interest, concern or responsibility as to the child's welfare.
- Desertion of the child for more than 3 months next preceding the commencement of the Adoption proceeding.
- Substantial neglect of the child if continuous or repeated.
- Substantial neglect, if continuous or repeated, of any child residing in the household which resulted in the death of that child.
- Extreme or repeated cruelty to the child.
- Failure to protect the child from conditions within his environment injurious to the child's welfare.
- Other neglect of, or misconduct toward the child; provided that in making a finding of unfitness the court hearing the adoption proceeding shall not be bound by any previous finding, order or judgment affecting or determining the rights of the parents toward the child sought to be adopted in any other proceeding except such proceedings terminating parental rights as shall be had under either this Act, the Juvenile Court Act or the Juvenile Court Act of 1987.
- Depravity. Conviction of any one of the following crimes shall create a presumption that a parent is depraved which can be overcome only by clear and convincing evidence: (1) first degree murder in violation of paragraph 1 or 2 of subsection (a) of Section 9-1 of the Criminal Code of 1961 or conviction of second degree murder in violation of subsection (a) of Section 9-2 of the Criminal Code of

New matter indicated by italics - deletions by strikeout.
1961 of a parent of the child to be adopted; (2) first degree murder or second degree murder of any child in violation of the Criminal Code of 1961; (3) attempt or conspiracy to commit first degree murder or second degree murder of any child in violation of the Criminal Code of 1961; (4) solicitation to commit murder of any child, solicitation to commit murder of any child for hire, or solicitation to commit second degree murder of any child in violation of the Criminal Code of 1961; or (5) aggravated criminal sexual assault in violation of Section 12-14(b)(1) of the Criminal Code of 1961.

There is a rebuttable presumption that a parent is depraved if the parent has been criminally convicted of at least 3 felonies under the laws of this State or any other state, or under federal law, or the criminal laws of any United States territory; and at least one of these convictions took place within 5 years of the filing of the petition or motion seeking termination of parental rights.

There is a rebuttable presumption that a parent is depraved if that parent has been criminally convicted of either first or second degree murder of any person as defined in the Criminal Code of 1961 within 10 years of the filing date of the petition or motion to terminate parental rights.

(j) Open and notorious adultery or fornication.

(j-1) (Blank).

(k) Habitual drunkenness or addiction to drugs, other than those prescribed by a physician, for at least one year immediately prior to the commencement of the unfitness proceeding.

There is a rebuttable presumption that a parent is unfit under this subsection with respect to any child to which that parent gives birth where there is a confirmed test result that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act or metabolites of such substances, the presence of which in the newborn infant was not the result of medical treatment administered to the mother or the newborn infant; and the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987.

(l) Failure to demonstrate a reasonable degree of interest, concern or responsibility as to the welfare of a new born child during the first 30 days after its birth.

(m) Failure by a parent (i) to make reasonable efforts to correct the conditions that were the basis for the removal of the child from the parent, or (ii) to make reasonable progress toward the return of the child to the parent within 9 months after an adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act, or (iii) to make reasonable progress toward the return of the child to the parent during any 9-month period after the end of the initial 9-month period following the adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or

New matter indicated by italics - deletions by strikeout.
dependent minor under Section 2-4 of that Act. If a service plan has been established as required under Section 8.2 of the Abused and Neglected Child Reporting Act to correct the conditions that were the basis for the removal of the child from the parent and if those services were available, then, for purposes of this Act, "failure to make reasonable progress toward the return of the child to the parent" includes (I) the parent's failure to substantially fulfill his or her obligations under the service plan and correct the conditions that brought the child into care within 9 months after the adjudication under Section 2-3 or 2-4 of the Juvenile Court Act of 1987 and (II) the parent's failure to substantially fulfill his or her obligations under the service plan and correct the conditions that brought the child into care during any 9-month period after the end of the initial 9-month period following the adjudication under Section 2-3 or 2-4 of the Juvenile Court Act of 1987.

(m-1) Pursuant to the Juvenile Court Act of 1987, a child has been in foster care for 15 months out of any 22 month period which begins on or after the effective date of this amendatory Act of 1998 unless the child's parent can prove by a preponderance of the evidence that it is more likely than not that it will be in the best interests of the child to be returned to the parent within 6 months of the date on which a petition for termination of parental rights is filed under the Juvenile Court Act of 1987. The 15 month time limit is tolled during any period for which there is a court finding that the appointed custodian or guardian failed to make reasonable efforts to reunify the child with his or her family, provided that (i) the finding of no reasonable efforts is made within 60 days of the period when reasonable efforts were not made or (ii) the parent filed a motion requesting a finding of no reasonable efforts within 60 days of the period when reasonable efforts were not made. For purposes of this subdivision (m-1), the date of entering foster care is the earlier of: (i) the date of a judicial finding at an adjudicatory hearing that the child is an abused, neglected, or dependent minor; or (ii) 60 days after the date on which the child is removed from his or her parent, guardian, or legal custodian.

(n) Evidence of intent to forgo his or her parental rights, whether or not the child is a ward of the court, (1) as manifested by his or her failure for a period of 12 months: (i) to visit the child, (ii) to communicate with the child or agency, although able to do so and not prevented from doing so by an agency or by court order, or (iii) to maintain contact with or plan for the future of the child, although physically able to do so, or (2) as manifested by the father's failure, where he and the mother of the child were unmarried to each other at the time of the child's birth, (i) to commence legal proceedings to establish his paternity under the Illinois Parentage Act of 1984 or the law of the jurisdiction of the child's birth within 30 days of being informed, pursuant to Section 12a of this Act, that he is the father or the likely father of the child or, after being so informed where the child is not yet born, within 30 days of the child's birth, or (ii) to make a good faith effort to pay a reasonable amount of the expenses related to the birth of the child and to provide a reasonable amount for the financial support of the child, the court to consider in its determination all relevant
circumstances, including the financial condition of both parents; provided that the
ground for termination provided in this subparagraph (n)(2)(ii) shall only be available
where the petition is brought by the mother or the husband of the mother.

Contact or communication by a parent with his or her child that does not
demonstrate affection and concern does not constitute reasonable contact and
planning under subdivision (n). In the absence of evidence to the contrary, the ability
to visit, communicate, maintain contact, pay expenses and plan for the future shall
be presumed. The subjective intent of the parent, whether expressed or otherwise,
unsupported by evidence of the foregoing parental acts manifesting that intent, shall
not preclude a determination that the parent has intended to forgo his or her parental
rights. In making this determination, the court may consider but shall not require a
showing of diligent efforts by an authorized agency to encourage the parent to
perform the acts specified in subdivision (n).

It shall be an affirmative defense to any allegation under paragraph (2) of this
subsection that the father's failure was due to circumstances beyond his control or to
impediments created by the mother or any other person having legal custody. Proof
of that fact need only be by a preponderance of the evidence.

(o) Repeated or continuous failure by the parents, although physically and
financially able, to provide the child with adequate food, clothing, or shelter.

(p) Inability to discharge parental responsibilities supported by competent
evidence from a psychiatrist, licensed clinical social worker, or clinical psychologist
of mental impairment, mental illness or mental retardation as defined in Section
1-116 of the Mental Health and Developmental Disabilities Code, or developmental
disability as defined in Section 1-106 of that Code, and there is sufficient justification
to believe that the inability to discharge parental responsibilities shall extend beyond
a reasonable time period. However, this subdivision (p) shall not be construed so as
to permit a licensed clinical social worker to conduct any medical diagnosis to
determine mental illness or mental impairment.

(q) The parent has been criminally convicted of aggravated battery, heinous
battery, or attempted murder of any child.

(r) The child is in the temporary custody or guardianship of the Department
of Children and Family Services, the parent is incarcerated as a result of criminal
conviction at the time the petition or motion for termination of parental rights is filed,
prior to incarceration the parent had little or no contact with the child or provided
little or no support for the child, and the parent's incarceration will prevent the parent
from discharging his or her parental responsibilities for the child for a period in
excess of 2 years after the filing of the petition or motion for termination of parental
rights.

(s) The child is in the temporary custody or guardianship of the Department
of Children and Family Services, the parent is incarcerated at the time the petition or
motion for termination of parental rights is filed, the parent has been repeatedly
incarcerated as a result of criminal convictions, and the parent's repeated
incarceration has prevented the parent from discharging his or her parental responsibilities for the child.

(t) A finding that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act, or a metabolite of a controlled substance, with the exception of controlled substances or metabolites of such substances, the presence of which in the newborn infant was the result of medical treatment administered to the mother or the newborn infant, and that the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987, after which the biological mother had the opportunity to enroll in and participate in a clinically appropriate substance abuse counseling, treatment, and rehabilitation program.

E. "Parent" means the father or mother of a legitimate or illegitimate child. For the purpose of this Act, a person who has executed a final and irrevocable consent to adoption or a final and irrevocable surrender for purposes of adoption, or whose parental rights have been terminated by a court, is not a parent of the child who was the subject of the consent or surrender, unless the consent is void pursuant to subsection O of Section 10.

F. A person is available for adoption when the person is:

(a) a child who has been surrendered for adoption to an agency and to whose adoption the agency has thereafter consented;
(b) a child to whose adoption a person authorized by law, other than his parents, has consented, or to whose adoption no consent is required pursuant to Section 8 of this Act;
(c) a child who is in the custody of persons who intend to adopt him through placement made by his parents;
(c-1) a child for whom a parent has signed a specific consent pursuant to subsection O of Section 10;

(b) For the purpose of any investigation or proceeding under this Law, the Secretary of State or his or her designee may administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence and require, by subpoena or other lawful means provided by this Act or the rules adopted by the Secretary of State, the production of any books, papers, correspondence, memoranda, agreements, or other documents or records which the Secretary of State deems relevant or material to the inquiry.

Section 96. The Motor Vehicle Franchise Act is amended by changing Section 6 as follows:

(815 ILCS 710/6) (from Ch. 121 1/2, par. 756)

Sec. 6. Warranty agreements; claims; approval; payment; written disapproval.

(a) Every manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, or wholesale branch or division shall properly fulfill any warranty agreement and adequately and fairly compensate each of its motor vehicle dealers for labor and parts.

(b) In no event shall such compensation fail to include reasonable compensation for diagnostic work, as well as repair service, labor, and parts. Time allowances for the diagnosis and performance of warranty work and service shall be reasonable and adequate for the work to be performed. In the determination of what constitutes reasonable compensation under this Section, the principal factor to be given consideration shall be the prevailing wage rates being paid by the dealer in the relevant market area in which the motor vehicle dealer is doing business, and in no event shall such compensation of a motor vehicle dealer for warranty service be less than the rates charged by such dealer for like service to retail customers for nonwarranty service and repairs. The franchiser shall reimburse the franchisee for any parts provided in satisfaction of a warranty at the prevailing retail price charged by that dealer for the same parts when not provided in satisfaction of a warranty; provided that such motor vehicle franchisee's prevailing retail price is not unreasonable when compared with that of the holders of motor vehicle franchises from the same motor vehicle franchiser for identical merchandise in the geographic area in which the motor vehicle franchisee is

engaged in business. All claims, either original or resubmitted, made by motor vehicle dealers hereunder and under Section 5 for such labor and parts shall be either approved or disapproved within 30 days following their submission. All approved claims shall be paid within 30 days following their approval. The motor vehicle dealer who submits a claim which is disapproved shall be notified in writing of the disapproval within the same period, and each such notice shall state the specific grounds upon which the disapproval is based. The motor vehicle dealer shall be permitted to correct and resubmit such disapproved claims within 30 days of receipt of disapproval. Any claims not specifically disapproved in writing within 30 days from their submission shall be deemed approved and payment shall follow within 30 days. The manufacturer or franchiser shall have the right to require reasonable documentation for claims and to audit such claims within a one year period from the date the claim was paid or credit issued by the manufacturer or franchiser, and to charge back any false or unsubstantiated claims. The audit and charge back provisions of this Section also apply to all other incentive and reimbursement programs for a period of 18 months after the date of the transactions that are subject to audit by the franchiser. However, the manufacturer retains the right to charge back any fraudulent claim if the manufacturer establishes in a court of competent jurisdiction in this State that the claim is fraudulent.

(c) The motor vehicle franchiser shall not, by agreement, by restrictions upon reimbursement, or otherwise, restrict the nature and extent of services to be rendered or parts to be provided so that such restriction prevents the motor vehicle franchisee from satisfying the warranty by rendering services in a good and workmanlike manner and providing parts which are required in accordance with generally accepted standards. Any such restriction shall constitute a prohibited practice.

(d) For the purposes of this Section, the "prevailing retail price charged by that dealer for the same parts" means the price paid by the motor vehicle franchisee for parts, including all shipping and other charges, multiplied by the sum of 1.0 and the franchisee’s average percentage markup over the price paid by the motor vehicle franchisee for parts purchased by the motor vehicle franchisee from the motor vehicle franchiser and sold at retail. The motor vehicle franchisee may establish average percentage markup under this Section by submitting to the motor vehicle franchiser 100 sequential customer paid service repair orders or 90 days of customer paid service repair orders, whichever is less, covering repairs made no more than 180 days before the submission, and declaring what the average percentage markup is. The average percentage markup so declared shall go into effect 30 days following the declaration, subject to audit of the submitted repair orders by the motor vehicle franchiser and adjustment of the average percentage markup based on that audit. Any audit must be conducted within 30 days following the declaration. Only retail sales not involving warranty repairs, parts covered by subsection (e) of this Section, or parts supplied for routine vehicle maintenance, shall be considered in calculating average percentage markup. No motor vehicle franchiser shall require a motor vehicle franchisee to establish average percentage markup by a methodology, or by requiring information, that is unduly burdensome or time consuming to provide, including, but not limited to, part by part or transaction by transaction calculations. A motor vehicle franchisee shall not request a change in the average percentage
markup more than twice in one calendar year.

(e) If a motor vehicle franchiser supplies a part or parts for use in a repair rendered under a warranty other than by sale of that part or parts to the motor vehicle franchisee, the motor vehicle franchisee shall be entitled to compensation equivalent to the motor vehicle franchisee's average percentage markup on the part or parts, as if the part or parts had been sold to the motor vehicle franchisee by the motor vehicle franchiser. The requirements of this subsection (e) shall not apply to entire engine assemblies and entire transmission assemblies. In the case of those assemblies, the motor vehicle franchiser shall reimburse the motor vehicle franchisee in the amount of 30% of what the motor vehicle franchisee would have paid the motor vehicle franchiser for the assembly if the assembly had not been supplied by the franchiser other than by the sale of that assembly to the motor vehicle franchisee.

(f) The obligations imposed on motor vehicle franchisers by this Section shall apply to any parent, subsidiary, affiliate, or agent of the motor vehicle franchiser, any person under common ownership or control, any employee of the motor vehicle franchiser, and any person holding 1% or more of the shares of any class of securities or other ownership interest in the motor vehicle franchiser, if a warranty or service or repair plan is issued by that person instead of or in addition to one issued by the motor vehicle franchiser.

(g) (1) Any motor vehicle franchiser and at least a majority of its Illinois franchisees of the same line make may agree in an express written contract citing this Section upon a uniform warranty reimbursement policy used by contracting franchisees to perform warranty repairs. The policy shall only involve either reimbursement for parts used in warranty repairs or the use of a Uniform Time Standards Manual, or both. Reimbursement for parts under the agreement shall be used instead of the franchisees' "prevailing retail price charged by that dealer for the same parts" as defined in this Section to calculate compensation due from the franchiser for parts used in warranty repairs. This Section does not authorize a franchiser and its Illinois franchisees to establish a uniform hourly labor reimbursement.

Each franchiser shall only have one such agreement with each line make. Any such agreement shall:

(A) Establish a uniform parts reimbursement rate. The uniform parts reimbursement rate shall be greater than the franchiser's nationally established parts reimbursement rate in effect at the time the first such agreement becomes effective; however, any subsequent agreement shall result in a uniform reimbursement rate that is greater or equal to the rate set forth in the immediately prior agreement.

(B) Apply to all warranty repair orders written during the period that the agreement is effective.

(C) Be available, during the period it is effective, to any motor vehicle franchisee of the same line make at any time and on the same terms.

(D) Be for a term not to exceed 3 years so long as any party to the agreement may terminate the agreement upon the annual anniversary of the agreement and with 30 days' prior written notice; however, the agreement shall remain in effect for the term of the agreement regardless of the number of dealers of the same line make that may terminate the agreement.

(2) A franchiser that enters into an agreement with its franchisees pursuant to paragraph (1) of this subsection (g) may seek to recover its costs from only those franchisees that are receiving their "prevailing retail price charged by that dealer" under subsections (a) through (f) of this Section, subject to the following requirements:

(A) "costs" means the difference between the uniform reimbursement rate set forth in an agreement entered into pursuant to paragraph (1) of this subsection (g) and the "prevailing retail price charged by that dealer" received by those franchisees of the same line make;

(B) the costs shall be recovered only by increasing the invoice price on new vehicles received by those franchisees; and

(C) price increases imposed for the purpose of recovering costs imposed by this Section may vary from time to time and from model to model, but shall apply uniformly to all franchisees of the same line make in the State of Illinois that have requested reimbursement for warranty repairs at their "prevailing retail price charged by that dealer", except that a franchiser may make an exception for vehicles that are titled in the name of a consumer in another state.

(3) If a franchiser contracts with its Illinois dealers pursuant to paragraph (1) of this subsection (g), the franchiser shall certify under oath to the Motor Vehicle Review Board that a majority of the franchisees of that line make did agree to such an agreement and file a sample copy of the agreement. On an annual basis, each franchiser shall certify under oath to the Motor Vehicle Review Board that the reimbursement costs it recovers under paragraph (2) of this subsection (g) do not exceed the amounts authorized by paragraph (2) of this subsection (g). The franchiser shall maintain for a period of 3 years a file that contains the information upon which its certification is based.

(4) If a franchiser and its franchisees do not enter into an agreement pursuant to paragraph (1) of this subsection (g), and for any matter that is not the subject of an agreement, this subsection (g) shall have no effect whatsoever.

(5) For purposes of this subsection (g), a Uniform Time Standard Manual is a document created by a franchiser that establishes the time allowances for the diagnosis and performance of warranty work and service. The allowances shall be reasonable and adequate for the work and service to be performed. Each franchiser shall have a reasonable and fair process that allows a franchisee to request a modification or adjustment of a standard or standards included in such a manual.

Section 97. The Public Safety Employee Benefits Act is amended by changing Section 15 as follows:

Sec. 15. Required educational benefits. If a firefighter, law enforcement, or correctional or correctional probation officer is accidentally or unlawfully and intentionally killed as specified in subsection (b) of Section 10 on or after July 1, 1980, the State shall waive certain educational expenses which children of the deceased incur while obtaining a vocational-technical certificate or an undergraduate education at a State

supported institution. The amount waived by the State shall be an amount equal to the cost of tuition and matriculation and registration fees for a total of 120 credit hours. The child may attend a State vocational-technical school, a public community college, or a State university. The child may attend any or all of the institutions specified in this Section, on either a full-time or part-time basis. The benefits provided under this Section shall continue to the child until the child's 25th birthday.

(1) Upon failure of any child benefited by the provisions of this Section to comply with the ordinary and minimum requirements of the institution attended, both as to discipline and scholarship, the benefits shall be withdrawn as to the child and no further moneys may be expended for the child's benefits so long as the failure or delinquency continues.

(2) Only a student in good standing in his or her respective institution may receive the benefits under this Section.

(3) A child receiving benefits under this Section must be enrolled according to the customary rules and requirements of the institution attended.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Groundwater Protection Act is amended by changing Section 9 and by adding Section 9.1 as follows:

(415 ILCS 55/9) (from Ch. 111 1/2, par. 7459)
Sec. 9. (a) As used in this Section, unless the context clearly requires otherwise:

(b) No non-community water system may be constructed, altered, or extended until plans, specifications, and other information relative to such system are submitted to and reviewed by the Department for conformance with the rules promulgated under this Section, and until a permit for such activity is issued by the Department. As part of the permit application, all new non-transient, non-community water systems must demonstrate technical, financial, and managerial capacity consistent with the federal Safe Drinking Water Act.

(c) All private and semi-private water systems shall be constructed in accordance with the rules promulgated by the Department under this Section.

In such case, the Department, in its discretion, may require a deposit to cover the cost of such
service and witness fees. A subpoena or subpoena duces tecum so issued shall be served in
the same manner as a subpoena issued by a circuit court.

(r) Any circuit court of this State, upon the application of the Director or upon the
application of any other party to the proceeding, may, in its discretion, compel the attendance
of witnesses, the production of books, papers, records or memoranda and the giving of

Assembly:
Section 5. The Township Code is amended by changing Section 235-5 as follows:
(60 ILCS 1/235-5)
Sec. 235-5. Township taxes for various purposes. The township board may raise money, by taxation not exceeding the rates established in Section 235-10, for the following purposes:

(1) Prosecuting or defending suits by or against the township or in which the township is interested.
(2) Maintaining cemeteries under the control, management, and ownership of the township and controlling, managing, and maintaining public cemeteries not operated for profit, notwithstanding the provisions of Section 1c of the Public Graveyards Act.
(3) Maintaining and operating a public nonsectarian hospital under Article 175. This authorization does not apply to any township that avails itself of the provisions of Article 170.
(4) Maintaining and operating a township committee on youth under Section 215-5.
(5) Providing mental health services under Section 190-10.
(6) Providing services in cooperation with another governmental entity, not-for-profit corporation, or nonprofit community service association under Section 85-13.
(7) Maintaining and operating a township committee for senior citizens' services under Section 220-10.
(8) Maintaining and operating a township health service that may provide, but is not required to provide or limited to providing, examination, diagnosis, testing, and inoculation and all necessary and appurtenant personnel, equipment, and insurance.
(9) Accumulating moneys in a dedicated fund for a specific capital construction or maintenance project or a major equipment purchase. The annual budget and appropriation ordinance for the township shall state the amount, purpose, and duration of any accumulation of funds authorized under this Section, with specific reference to each project to be constructed or equipment to be purchased. Nothing in this item precludes a township from accumulating moneys as provided in Section 6-501 of the Illinois Highway Code.
(10) Any other purpose authorized by law. (Source: P.A. 91-357, eff. 7-29-99.)

Section 10. The Illinois Highway Code is amended by changing Section 6-501 as follows:
(605 ILCS 5/6-501) (from Ch. 121, par. 6-501)
Sec. 6-501. (a) Findings and purpose. The General Assembly finds:
(1) That the financial conditions of the Township and District road systems of the State of Illinois have suffered adversely as a result of changes in law concerning assessed valuation of property for tax purposes. That as a result of the

New matter indicated by italics - deletions by strikeout.
changes beginning in 1945, the rates of permissible levy were first halved to accommodate full fair value, but never restored when subsequent law change established the legal assessed valuation at 50% of fair market value as equalized by the Department of Revenue.

(2) Townships and district road systems, as a result of the decreased financial support, have suffered a decline in ability to maintain or improve roads and bridges in a safe condition to permit the normal and ordinary use of its highway system. In many instances bridges have been closed and detours required because of impossible road conditions resulting in hardships for school districts in transporting pupils and for farms in moving products to market.

(3) Further, cost for maintenance and improvements have risen faster than the valuations of property, the base of financial support.

(4) To solve these problems, this Act makes changes in rates of taxation -- returning Townships and District road systems to their approximate financial viability prior to 1945.

(b) The highway commissioner for each road district in each county not under township organization shall on or before the third Tuesday in December of each year determine and certify to the county board the amount necessary to be raised by taxation for road purposes and for the salaries of elected road district officials in the road district. Should any highway commissioner during the last year of his term of office for any reason not file the certificate in the office of the county clerk, as required by this Section, in time for presentation to the regular September meeting of the county board, the clerk shall present in lieu thereof a certificate equal in amount to that presented for the preceding year. In every such county the certificate shall be filed in the office of the county clerk and by that official presented to the county board at the regular September meeting for the consideration of the board. The amount so certified if approved by the county board, or the part thereof as the county board does approve, shall be extended by the county clerk as road taxes against the taxable property of the district.

(c) The highway commissioner in each road district in each county having adopted township organization shall in accordance with the Illinois Municipal Budget Law at least 30 days prior to the public meeting required by this paragraph, each year prepare or cause to be prepared a tentative budget and appropriation ordinance and file the same with the clerk of the township or consolidated township road district, as the case may be, who shall make the tentative budget and appropriation ordinance conveniently available to the public inspection for at least 30 days prior to final action. One public hearing shall be held. This public hearing shall be held on or before the last day of the first quarter of the fiscal year before the township board of trustees or the highway board of trustees, as the case may be. Notice of the hearing shall be given by publication in a newspaper published in the road district at least 30 days prior to the time of the hearing. If there is no newspaper published in the road district, notice of the public hearing shall be given by posting notices in 5 of the most public places in the district. It shall be the duty of the clerk of the road district to arrange for the public hearing. The township board of trustees or highway board of trustees,

as the case may be, at the public hearing shall adopt the tentative budget and appropriation ordinance, or any part as the board of trustees deem necessary.

On or before the last Tuesday in December the township board of trustees or highway board of trustees or road district commissioner, as the case may be, shall levy and certify to the county clerk the amount necessary to be raised by taxation for road purposes and the road district commissioner shall levy and certify to the county clerk the amount necessary to be raised by taxation for the salaries of elected road district officials in the road district, as determined by the highway commissioner.

The amount so certified shall be extended by the county clerk as road taxes against the taxable property of the district.

On or after October 10, 1991, a road district commissioner whose district is located in a county not under township organization may not levy separately a tax for salaries of elected road district officials unless the tax has been first approved by a majority of the electors voting on the question at a referendum conducted in accordance with the general election law. The question submitted to the electors at the referendum shall be in substantially the following form: "Shall the road district commissioner be authorized to levy an annual tax for the salaries of elected road district officials under Section 6-501 of the Illinois Highway Code?"

Except as is otherwise permitted by this Code and when the road district commissioner establishes the tax rate for the salaries of elected road district officials, the county clerk shall not extend taxes for road purposes against the taxable property in any road district at rates in excess of the following:

(1) in a road district comprised of a single township in a county having township organization, at a rate in excess of .125% of the value, as equalized or assessed by the Department of Revenue; unless before the last Tuesday in December annually the highway commissioner of the township road district shall have secured the consent in writing of a majority of the members of the township board of trustees to the extension of a greater rate, in which case the rate shall not exceed that approved by a majority of the members of the township board of trustees, but in no case shall it exceed .165% of the value, as equalized or assessed by the Department. Once approved by the township board of trustees, the rate shall remain in effect until changed by the township board of trustees;

(2) in a consolidated township road district, at a rate in excess of .175% of the value, as equalized or assessed by the Department of Revenue;

(3) in a road district in a county not having township organization, at a rate in excess of .165% of the value, as equalized or assessed by the Department of Revenue.

However, road districts that have higher tax rate limitations on a permanent basis for road purposes on July 1, 1967, than the limitations herein provided, may continue to levy the road taxes at the higher limitations, and the county clerk shall extend the taxes at not to exceed the higher limitations.

If the amount of taxes levied by the township board of trustees or the highway board

New matter indicated by italics - deletions by strikeout.
of trustees or approved by the county board in any case is in excess of the amount that may be extended the county clerk shall reduce the amount so that the rate extended shall be no greater than authorized by law. However, the tax shall not be reduced or scaled in any manner whatever by reason of the levy and extension by the county clerk of any tax to pay the principal or interest, or both, of any bonds issued by a road district.

The taxes, when collected, shall be held by the treasurer of the district as the regular road fund of the district.

Notwithstanding any other provision of law, for a period of time ending 18 years after the effective date of this amendatory Act of 1994, a road district or consolidated road district may accumulate up to 50% of the taxes collected from a subdivision under this Section for improvements of nondedicated roads within the subdivision from which and for which the taxes were collected. These nondedicated roads will become a part of the township and district road system if the roads meet the criteria established by the counties in which the roads are located. The total accumulations under this provision may not exceed 10% of the total funds held by the district for road purposes. This provision applies only to townships within counties adjacent to a county with a population of 3,000,000 or more and only with respect to subdivisions whose plats were filed or recorded before July 23, 1959.

Any road district may accumulate funds for the purpose of acquiring, constructing, repairing and improving buildings and procuring land in relation to the building and for the purpose of procuring road maintenance apparatus and equipment, and for the construction of roads, and may annually levy taxes for the purposes in excess of its current requirements for other purposes, subject to the tax rate limitations provided in this Section, provided a proposition to accumulate funds for the purposes is first submitted to and approved by the electors of the district. The proposition shall be certified to the proper election officials by the district clerk upon the direction of the highway commissioner, and the election officials shall submit the proposition at a regular election. Notice and conduct of the referendum shall be in accordance with the general election law. The proposition shall be in substantially the following form:

-------------------------------------------------------------
Shall .......... road district accumulate funds in the amount of $......... for ....... years YES for the purpose of acquiring, constructing, repairing and improving buildings and procuring land therefor, and for procuring road maintenance apparatus and equipment and for the construction of roads? ---------------
NO

-------------------------------------------------------------

If a majority of the electors voting on the proposition vote in favor of it, the road district may use a portion of the funds levied, subject to the tax rate limitations provided in this Section, for the purposes for which accumulation was authorized. It shall not be a valid
objection to any subsequent tax levy made under this Section, that there remains unexpended
money arising from the levy of a prior year because of an accumulation permitted by this
Section and provided for in the budget for that prior year.

(d) Any road district may accumulate moneys in a dedicated fund for a specific
capital construction or maintenance project or a major equipment purchase without
submitting a proposition to the electors of the district if the annual budget and appropriation
ordinance for the road district states the amount, purpose, and duration of any accumulation
of funds authorized under this Section, with specific reference to each project to be
constructed or equipment to be purchased. Nothing in this subsection precludes a road
district from accumulating moneys for non-specific purposes as provided in this Section.

PUBLIC ACT 92-0661
(House Bill No. 3673)

AN ACT in relation to schools.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Sections 18-9 and 18-12 as follows:

(105 ILCS 5/18-9) (from Ch. 122, par. 18-9)
Sec. 18-9. Requirement for special equalization and supplementary State aid.
(a) Any school district claiming an equalization quota may not increase its annual net cash balance in the educational fund for the fiscal school year by failing to expend for educational purposes the total of (1) the general grant, (2) the equalization quota, and (3) the amount determined by applying the qualifying rate to the equalized assessed valuation of the district. Any district which increases such annual net cash balance by failing to expend the amount received from the sum of (1) the general grant, (2) the equalization quota, and (3) the amount determined by applying the qualifying rate to the equalized assessed valuation of the district, shall have its next claim for an equalization quota reduced in an amount equal to the difference between its expenditures for educational purposes and that sum.

Current expenditures made in any district receiving a special equalization quota and governed by a board of directors must be approved in advance by the regional superintendent.

If, as a result of tax objections based on inequities of assessment, a final decision of any court, entered not more than one year before or 3 years after August 26, 1963, reduces the taxes received by the educational fund of a school district, for any given year, in an amount equal to or more than 3% of the total amount of taxes extended for educational purposes of the district, that district may amend its claim for equalization aid for that year by adding thereto an amount determined by multiplying the deficiency in tax receipts by a percentage computed by dividing the tax rate required in Section 18-8 to receive an equalization quota by the tax rate originally extended for educational purposes. The amended claim including any additional monies to which the district may be entitled shall be filed within three years of the date of such decision and the additional amount paid as supplementary state equalization aid.

New matter indicated by italics - deletions by strikeout.
(b) Any elementary, high school or unit district which for the year 1971, as compared to the year 1970, has a decrease of more than 40% in the value of all its taxable property as equalized or assessed by the Department of Revenue, shall be entitled to file a claim for supplementary State aid with the Office of the State Superintendent of Education. The amount of such aid shall be determined by multiplying the amount of the decrease in the value of the district's taxable property times the total of the 1972 tax rates for school purposes less the sum of the district's qualifying tax rates for educational and transportation purposes extended by such district. Such claims shall be filed on forms prescribed by the Superintendent, and the Superintendent upon receipt of such claims shall adjust the claim of each such district in accordance with the provisions of this Section.

(c) Where property comprising an aggregate assessed valuation equal to 3% or more of the total assessed valuation of all taxable property in the district is owned by a person or corporation who is the subject of bankruptcy proceedings or has been adjudged bankrupt and, as a result thereof, has not paid taxes on that property for 2 or more years, that district may amend its claim back to the inception of such bankruptcy, not to exceed 6 years, in which time such taxes were not paid and for each succeeding year that such taxes remain unpaid by adding to that claim an amount determined by multiplying the assessed valuation of the property on which taxes have not been paid due to bankruptcy by the tax rate required in Section 18-8 to receive an equalization quota or after July 1, 1973, by the district's operating tax rate for general state aid purposes. If at any time a district which receives additional State aid under the provisions of this paragraph receives tax revenue from such property for the years that taxes were not paid, its next claim for State aid shall be reduced in an amount equal to the taxes paid on such property, not to exceed the additional State aid received under the provisions of this subsection (c) paragraph. Such claims shall be filed on forms prescribed by the Superintendent, and the Superintendent upon receipt of such claims shall adjust the claim of each such district in accordance with the provisions of this subsection (c) paragraph.

(d) If property comprising an aggregate assessed valuation equal to 6% or more of the total assessed valuation of all taxable property in a school district is owned by a person or corporation that is the subject of bankruptcy proceedings or that has been adjudged bankrupt and, as a result thereof, has not paid taxes on the property, then the district may amend its general State aid claim (i) back to the inception of the bankruptcy, not to exceed 6 years, in which time those taxes were not paid and (ii) for each succeeding year that those taxes remain unpaid, by adding to the claim an amount determined by multiplying the assessed valuation of the property on which taxes have not been paid due to the bankruptcy by the lesser of the total tax rate for the district for the tax year for which the taxes are unpaid or the applicable rate used in calculating the district's general State aid under paragraph (3) of subsection (D) of Section 18-8.05 of this Code. If at any time a district that receives additional State aid under this subsection (d) receives tax revenue from the property for the years that taxes were not paid, the district's next claim for State aid shall be reduced in an amount equal to the taxes paid on the property, not to exceed the additional State aid received under this subsection (d). Claims under this subsection (d) shall be filed on forms
prescribed by the State Superintendent of Education, and the State Superintendent of Education, upon receipt of a claim, shall adjust the claim in accordance with the provisions of this subsection (d). Supplementary State aid for each succeeding year under this subsection (d) shall be paid beginning with the first general State aid claim paid after the district has filed a completed claim in accordance with this subsection (d).

(105 ILCS 5/18-12) (from Ch. 122, par. 18-12)

Sec. 18-12. Dates for filing State aid claims. The school board of each school district shall require teachers, principals, or superintendents to furnish from records kept by them such data as it needs in preparing and certifying under oath or affirmation to the regional superintendent its school district report of claims provided in Sections 18-8 through 18-10 on blanks to be provided by the State Superintendent of Education. The district claim shall be based on the latest available equalized assessed valuation and tax rates, as provided in Section 18-8.05 18-8 and shall use the average daily attendance as determined by the method outlined in Section 18-8.05 18-8 and shall be certified and filed with the regional superintendent by July 1. Failure to so file by July 1 constitutes a forfeiture of the right to receive payment by the State until such claim is filed and vouchered for payment. The regional superintendent of schools shall certify the county report of claims by July 15; and the State Superintendent of Education shall voucher for payment those claims to the State Comptroller as provided in Section 18-11.

Except as otherwise provided in this Section, if any school district fails to provide the minimum school term specified in Section 10-19, the State aid claim for that year shall be reduced by the State Superintendent of Education in an amount equivalent to .56818% for each day less than the number of days required by this Code Act. However:

If the State Superintendent of Education determines that the such failure to provide the minimum school term was occasioned by an act or acts of God, or was occasioned by conditions beyond the control of the school district which posed a hazardous threat to the health and safety of pupils, the State aid claim need not be reduced.

If the State Superintendent of Education determines that the failure to provide the minimum school term was due to a school being closed on or after September 11, 2001 for more than one-half day of attendance due to a bioterrorism or terrorism threat that was investigated by a law enforcement agency, the State aid claim shall not be reduced.

If, during any school day, (i) a school district has provided at least one clock hour of instruction but must close the schools due to adverse weather conditions or due to a condition beyond the control of the school district that poses a hazardous threat to the health and safety of pupils prior to providing the minimum hours of instruction required for a full day of attendance, or (ii) the school district must delay the start of the school day due to adverse weather conditions and this delay prevents the district from providing the minimum hours of instruction required for a full day of attendance, the partial day of attendance may be counted as a full day of attendance. The partial day of attendance and the reasons therefor shall be certified in writing within a month of the closing or delayed start by the local school district superintendent to the Regional Superintendent of Schools for forwarding to the State

Superintendent of Education for approval.

If a school building is ordered to be closed by the school board, in consultation with a local emergency response agency, due to a condition that poses a hazardous threat to the health and safety of pupils, then the school district shall have a grace period of 4 days in which the general State aid claim shall not be reduced so that alternative housing of the pupils may be located.

No exception to the requirement of providing a minimum school term may be approved by the State Superintendent of Education pursuant to this Section unless a school district has first used all emergency days provided for in its regular calendar.

If the State Superintendent of Education declares that an energy shortage exists during any part of the school year for the State or a designated portion of the State, a district may operate the school attendance centers within the district 4 days of the week during the time of the shortage by extending each existing school day by one clock hour of school work, and the State aid claim shall not be reduced, nor shall the employees of that district suffer any reduction in salary or benefits as a result thereof. A district may operate all attendance centers on this revised schedule, or may apply the schedule to selected attendance centers, taking into consideration such factors as pupil transportation schedules and patterns and sources of energy for individual attendance centers.

No State aid claim may be filed for any district unless the clerk or secretary of the school board executes and files with the State Superintendent of Education, on forms prescribed by the Superintendent, a sworn statement that the district has complied with the requirements of Section 10-22.5 in regard to the nonsegregation of pupils on account of color, creed, race, sex or nationality.

No State aid claim may be filed for any district unless the clerk or secretary of the school board executes and files with the State Superintendent of Education, on forms prescribed by the Superintendent, a sworn statement that to the best of his or her knowledge or belief the employing or assigning personnel have complied with Section 24-4 in all respects.

AN ACT in relation to minors
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Juvenile Court Act of 1987 is amended by changing Section 5-130 as follows:
(705 ILCS 405/5-130)
Sec. 5-130. Excluded jurisdiction.
(1) (a) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who at the time of an offense was at least 15 years of age and who is charged with first degree murder, aggravated criminal sexual assault, aggravated battery with a firearm committed in a school, on the real property comprising a school, within 1,000 feet of the real property comprising a school, at a school related activity, or on, boarding, or departing from any conveyance owned, leased, or contracted by a school or school district to transport students to or from school or a school related activity regardless of the time of day or time of year that the offense was committed, armed robbery when the armed robbery was committed with a firearm, or aggravated vehicular hijacking when the hijacking was committed with a firearm.

These charges and all other charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

For purposes of this paragraph (a) of subsection (l):
"School" means a public or private elementary or secondary school, community college, college, or university.
"School related activity" means any sporting, social, academic or other activity for which students' attendance or participation is sponsored, organized, or funded in whole or in part by a school or school district.

an offense specified in paragraph (a) of this subsection (1) the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the Criminal Code of 1961 on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes one or more charges specified in paragraph (a) of this subsection (1) and additional charges that are not specified in that paragraph, all of the charges arising out of the same incident shall be prosecuted under the Criminal Code of 1961.

(c) (i) If after trial or plea the minor is convicted of any offense covered by paragraph (a) of this subsection (1), then, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If after trial or plea the court finds that the minor committed an offense not covered by paragraph (a) of this subsection (1), that finding shall not invalidate the verdict or the prosecution of the minor under the criminal laws of the State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine if the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Corrections, Juvenile Division, for the treatment and rehabilitation of the minor; (e) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.

(2) (a) The definition of a delinquent minor under Section 5-120 of this Article shall not apply to any minor who at the time of the offense was at least 15 years of age and who is charged with an offense under Section 401 of the Illinois Controlled Substances Act, while in a school, regardless of the time of day or the time of year, or any conveyance owned, leased or contracted by a school to transport students to or from school or a school related activity, or residential property owned, operated or managed by a public housing agency or leased by a public housing agency as part of a scattered site or mixed-income development, on the real property comprising any school, regardless of the time of day or the time of year, or residential property owned, operated or managed by a public housing agency or leased by
a public housing agency as part of a scattered site or mixed-income development, or on a public way within 1,000 feet of the real property comprising any school, regardless of the time of day or the time of year, or residential property owned, operated or managed by a public housing agency or leased by a public housing agency as part of a scattered site or mixed-income development. School is defined, for the purposes of this Section, as any public or private elementary or secondary school, community college, college, or university. These charges and all other charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(b) (i) If before trial or plea an information or indictment is filed that does not charge an offense specified in paragraph (a) of this subsection (2) the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the criminal laws of this State on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes one or more charges specified in paragraph (a) of this subsection (2) and additional charges that are not specified in that paragraph, all of the charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(c) (i) If after trial or plea the minor is convicted of any offense covered by paragraph (a) of this subsection (2), then, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If after trial or plea the court finds that the minor committed an offense not covered by paragraph (a) of this subsection (2), that finding shall not invalidate the verdict or the prosecution of the minor under the criminal laws of the State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine if the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Corrections, Juvenile Division, for the treatment and rehabilitation of the minor; (e) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.
(3) (a) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who at the time of the offense was at least 15 years of age and who is charged with a violation of the provisions of paragraph (1), (3), (4), or (10) of subsection (a) of Section 24-1 of the Criminal Code of 1961 while in school, regardless of the time of day or the time of year, or on the real property comprising any school, regardless of the time of day or the time of year. School is defined, for purposes of this Section as any public or private elementary or secondary school, community college, college, or university. These charges and all other charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(b) (i) If before trial or plea an information or indictment is filed that does not charge an offense specified in paragraph (a) of this subsection (3) the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the criminal laws of this State on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes one or more charges specified in paragraph (a) of this subsection (3) and additional charges that are not specified in that paragraph, all of the charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(c) (i) If after trial or plea the minor is convicted of any offense covered by paragraph (a) of this subsection (3), then, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If after trial or plea the court finds that the minor committed an offense not covered by paragraph (a) of this subsection (3), that finding shall not invalidate the verdict or the prosecution of the minor under the criminal laws of the State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any
or all dispositions so prescribed.

(4) (a) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who at the time of an offense was at least 13 years of age and who is charged with first degree murder committed during the course of either aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnaping. However, this subsection (4) does not include a minor charged with first degree murder based exclusively upon the accountability provisions of the Criminal Code of 1961.

(b) (i) If before trial or plea an information or indictment is filed that does not charge first degree murder committed during the course of aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnaping, the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the criminal laws of this State on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes first degree murder committed during the course of aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnaping, and additional charges that are not specified in paragraph (a) of this subsection, all of the charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(c) (i) If after trial or plea the minor is convicted of first degree murder committed during the course of either aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnaping, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If the minor was not yet 15 years of age at the time of the offense, and if after trial or plea the court finds that the minor committed an offense other than first degree murder committed during the course of either aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnapning, the finding shall not invalidate the verdict or the prosecution of the minor under the criminal laws of the State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine whether the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous delinquent history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Corrections, Juvenile Division, for the treatment and rehabilitation of the minor; (e) whether the best interest of the minor and the security of the public require sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the
same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.

(5) (a) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who is charged with a violation of subsection (a) of Section 31-6 or Section 32-10 of the Criminal Code of 1961 when the minor is subject to prosecution under the criminal laws of this State as a result of the application of the provisions of Section 5-125, or subsection (1) or (2) of this Section. These charges and all other charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(b) (i) If before trial or plea an information or indictment is filed that does not charge an offense specified in paragraph (a) of this subsection (5), the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the criminal laws of this State on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes one or more charges specified in paragraph (a) of this subsection (5) and additional charges that are not specified in that paragraph, all of the charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(c) (i) If after trial or plea the minor is convicted of any offense covered by paragraph (a) of this subsection (5), then, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If after trial or plea the court finds that the minor committed an offense not covered by paragraph (a) of this subsection (5), the conviction shall not invalidate the verdict or the prosecution of the minor under the criminal laws of this State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine if whether the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous delinquent history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Corrections, Juvenile Division, for the treatment and rehabilitation of the minor; (e) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial.

If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.

available to it any or all dispositions so prescribed.

(6) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who, pursuant to subsection (1), (2), or (3) or Section 5-805, or 5-810, has previously been placed under the jurisdiction of the criminal court and has been convicted of a crime under an adult criminal or penal statute. Such a minor shall be subject to prosecution under the criminal laws of this State.

(7) The procedures set out in this Article for the investigation, arrest and prosecution of juvenile offenders shall not apply to minors who are excluded from jurisdiction of the Juvenile Court, except that minors under 17 years of age shall be kept separate from confined adults.

(8) Nothing in this Act prohibits or limits the prosecution of any minor for an offense committed on or after his or her 17th birthday even though he or she is at the time of the offense a ward of the court.

(9) If an original petition for adjudication of wardship alleges the commission by a minor 13 years of age or over of an act that constitutes a crime under the laws of this State, the minor, with the consent of his or her counsel, may, at any time before commencement of the adjudicatory hearing, file with the court a motion that criminal prosecution be ordered and that the petition be dismissed insofar as the act or acts involved in the criminal proceedings are concerned. If such a motion is filed as herein provided, the court shall enter its order accordingly.

(10) If a minor is subject to the provisions of subsection (2) of this Section, other than a minor charged with a Class X felony violation of the Illinois Controlled Substances Act, any party including the minor or the court sua sponte may, before trial, move for a hearing for the purpose of trying and sentencing the minor as a delinquent minor. To request a hearing, the party must file a motion prior to trial. Reasonable notice of the motion shall be given to all parties. On its own motion or upon the filing of a motion by one of the parties including the minor, the court shall conduct a hearing to determine whether the minor should be tried and sentenced as a delinquent minor under this Article. In making its determination, the court shall consider among other matters:

(a) The age of the minor;
(b) Any previous delinquent or criminal history of the minor;
(c) Any previous abuse or neglect history of the minor;
(d) Any mental health or educational history of the minor, or both; and
(e) Whether there is probable cause to support the charge, whether the minor is charged through accountability, and whether there is evidence the minor possessed a deadly weapon or caused serious bodily harm during the offense.

Any material that is relevant and reliable shall be admissible at the hearing. In all cases, the judge shall enter an order permitting prosecution under the criminal laws of Illinois unless the judge makes a finding based on a preponderance of the evidence that the minor would be amenable to the care, treatment, and training programs available through the facilities of the juvenile court based on an evaluation of the factors listed in this subsection (10).

Renewal inspection stickers shall expire on the last day of the third month following the month assigned for inspection in the year in which the vehicle's next inspection is required in accordance with the schedule in subsection (b).
