PUBLIC ACT 93-0100
(Senate Bill No. 0052)

AN ACT in relation to vehicles.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Child Passenger Protection Act is amended by changing Sections 2, 4, 4a, 4b, and 5 as follows:

(625 ILCS 25/2) (from Ch. 95 1/2, par. 1102)

Sec. 2. Legislative Finding - Purpose. The General Assembly finds that a substantial number of passengers under the age of 8 years riding in motor vehicles, which are most frequently operated by a parent, annually die or sustain serious physical injury as a direct result of not being placed in an appropriate child passenger restraint system. Motor vehicle crashes are the leading cause of death for children of every age from 4 to 14 years old. The General Assembly further finds that the safety of the motoring public is seriously threatened as indicated by the significant number of traffic accidents annually caused, directly or indirectly, by driver distraction or other impairment of driving ability induced by the movement or actions of unrestrained passengers under the age of 8 years.

New matter indicated by italics - deletions by strikeout
It is the purpose of this Act to further protect the health, safety and welfare of motor vehicle passengers under the age of 8 6 years and the motoring public through the proper utilization of approved child restraint systems.
(Source: P.A. 83-8.)

(625 ILCS 25/4) (from Ch. 95 1/2, par. 1104)
Sec. 4. When any person is transporting a child in this State under the age of 8 4 years in a non-commercial motor vehicle of the first division, a motor vehicle of the second division with a gross vehicle weight rating of 9,000 pounds or less, or a recreational vehicle on the roadways, streets or highways of this State, such person shall be responsible for providing for the protection of such child by properly securing him or her in an appropriate child restraint system. The parent or legal guardian of a child under the age of 8 4 years shall provide a child restraint system to any person who transports his or her child. Any person who transports the child of another shall not be in violation of this Section unless a child restraint system was provided by the parent or legal guardian but not used to transport the child.

For purposes of this Section and Section 4b 4a, "child restraint system" means any device which meets the standards of the United States Department of Transportation designed to restrain, seat or position children, which also includes a booster seat.

A child weighing more than 40 pounds may be transported in the back seat of a motor vehicle while wearing only a lap belt if the back seat of the motor vehicle is not equipped with a combination lap and shoulder belt.

No order of complete or partial emancipation may be entered under this Act if there is any objection by the minor, his parents or guardian. No petition may be filed for the partial emancipation of a homeless minor unless appropriate attempts have been made to reunify the homeless minor with his or her family through the services of a Comprehensive Community Based Youth Services Agency. This Act does not limit or exclude any other means either in statute or case law by which a minor may become emancipated.

Sec. 9. Hearing on petition.

(a) Mature minor. Before proceeding to a hearing on the petition for emancipation of a mature minor, the court shall advise all persons present of the nature of the proceedings, and their rights and responsibilities if an order of emancipation should be entered.

If, after the hearing, the court determines that the minor is a mature minor who is of sound mind and has the capacity and maturity to manage his own affairs including his finances, and that the best interests of the minor and his family will be promoted by declaring the minor an emancipated minor, the court shall enter a finding that the minor is an emancipated minor within the meaning of this Act, or that the mature minor is partially emancipated with such limitations as the court by order deems appropriate. No order of complete or partial emancipation may be entered under this Act if there is any objection by the minor, his parents or guardian.

(b) Homeless minor. Upon the verified petition of a homeless minor, the court shall immediately grant partial emancipation for the sole purpose of allowing the homeless minor to consent to the receipt of services and shelter or housing provided by the youth transitional housing program named in the petition and to other services that the youth transitional housing program may arrange by referral. The court may require that a youth transitional housing program employee appear before the court at the time of the filing of the petition and may inquire into the facts asserted in the petition. No other hearing shall be scheduled in the case of a petition affecting a homeless minor, unless, after notice, a parent or guardian requests such a hearing. If such a hearing is requested, then the homeless minor must be present at the hearing. After the granting of partial emancipation to a homeless youth, if the youth transitional housing program determines that its facility and services are no longer appropriate for the minor or that another program is more appropriate for the minor, the program shall notify the court and the court, after a hearing, may modify its order.

(A) the child and the child's parents, or the child and at least one parent or a person acting as a parent, have a significant connection with this State other than mere physical presence; and

(B) substantial evidence is available in this State concerning the child's care, protection, training, and personal relationships;

(2) a court of this State or a court of another state determines that the child, the child's parents, and any person acting as a parent do not presently reside in this State.

(b) A court of this State which has made a child-custody determination and does not have exclusive, continuing jurisdiction under this Section may modify that determination only if it has jurisdiction to make an initial determination under Section 201.

Section 203. Jurisdiction To Modify Determination.
Except as otherwise provided in Section 204, a court of this State may not modify a child-custody determination made by a court of another state unless a court of this State has jurisdiction to make an initial determination under Section 201(a)(1) or (2) and:

(1) the court of the other state determines it no longer has exclusive, continuing jurisdiction under Section 202 or that a court of this State would be a more convenient forum under Section 207; or

(2) a court of this State or a court of the other state determines that the child, the child's parents, and any person acting as a parent do not presently reside in the other state.

Section 204. Temporary Emergency Jurisdiction.
(a) A court of this State has temporary emergency jurisdiction if the child is present in this State and the child has been abandoned or it is necessary in an emergency to protect the child because the child, or a sibling or parent of the child, is subjected to or threatened with mistreatment or abuse.

(b) If there is no previous child-custody determination that is entitled to be enforced under this Act and a child-custody proceeding has not been commenced in a court of a state having jurisdiction under Sections 201 through 203, a child-custody determination made under this Section remains in effect until an order is obtained from a court of a state having jurisdiction under Sections 201 through 203. If a child-custody proceeding has not been or is not commenced in a court of a state having jurisdiction under Sections 201 through 203, a child-custody determination made under this Section remains in effect if it so provides and this State becomes the home state of the child.

(c) If there is a previous child-custody determination that is entitled to be enforced under this Act, or a child-custody proceeding has been commenced in a court of a state having jurisdiction under Sections 201 through 203, any order issued by a court of this State under this Section must specify in the order a period that the court considers adequate to allow the person seeking an order to obtain an order from the state having jurisdiction under Sections 201 through 203. The order issued in this State remains in effect until an order is obtained from the other state within the period specified or the period expires.

(d) A court of this State which has been asked to make a child-custody determination under this Section, upon being informed that a child-custody proceeding has

been commenced in, or a child-custody determination has been made by, a court of a state having jurisdiction under Sections 201 through 203, shall immediately communicate with the other court. A court of this State which is exercising jurisdiction pursuant to Sections 201 through 203, upon being informed that a child-custody proceeding has been commenced in, or a child-custody determination has been made by, a court of another state under a statute similar to this Section shall immediately communicate with the court of that state to resolve the emergency, protect the safety of the parties and the child, and determine a period for the duration of the temporary order.

Section 205. Notice; Opportunity To Be Heard; Joinder.

(a) Before a child-custody determination is made under this Act, notice and an opportunity to be heard in accordance with the standards of Section 108 must be given to all persons entitled to notice under the law of this State as in child-custody proceedings between residents of this State, any parent whose parental rights have not been previously terminated, and any person having physical custody of the child.

(b) This Act does not govern the enforceability of a child-custody determination made without notice or an opportunity to be heard.

(c) The obligation to join a party and the right to intervene as a party in a child-custody proceeding under this Act are governed by the law of this State as in child-custody proceedings between residents of this State.

Section 206. Simultaneous Proceedings.

(a) Except as otherwise provided in Section 204, a court of this State may not exercise its jurisdiction under this Article if, at the time of the commencement of the proceeding, a proceeding concerning the custody of the child has been commenced in a court of another state having jurisdiction substantially in conformity with this Act, unless the proceeding has been terminated or is stayed by the court of the other state because a court of this State is a more convenient forum under Section 207.

(b) Except as otherwise provided in Section 204, a court of this State, before hearing a child-custody proceeding, shall examine the court documents and other information supplied by the parties pursuant to Section 209. If the court determines that a child-custody proceeding has been commenced in a court in another state having jurisdiction substantially in accordance with this Act, the court of this State shall stay its proceeding and communicate with the court of the other state. If the court of the state having jurisdiction substantially in accordance with this Act does not determine that the court of this State is a more appropriate forum, the court of this State shall dismiss the proceeding.

(c) In a proceeding to modify a child-custody determination, a court of this State shall determine whether a proceeding to enforce the determination has been commenced in another state. If a proceeding to enforce a child-custody determination has been commenced in another state, the court may:

New matter indicated by italics - deletions by strikeout
(1) stay the proceeding for modification pending the entry of an order of a court of the other state enforcing, staying, denying, or dismissing the proceeding for enforcement;
(2) enjoin the parties from continuing with the proceeding for enforcement; or
(3) proceed with the modification under conditions it considers appropriate.

Section 207. Inconvenient Forum.

(a) A court of this State which has jurisdiction under this Act to make a child-custody determination may decline to exercise its jurisdiction at any time if it determines that it is an inconvenient forum under the circumstances and that a court of another state is a more appropriate forum. The issue of inconvenient forum may be raised upon motion of a party, the court's own motion, or request of another court.

(b) Before determining whether it is an inconvenient forum, a court of this State shall consider whether it is appropriate for a court of another state to exercise jurisdiction. For this purpose, the court shall allow the parties to submit information and shall consider all relevant factors, including:

1. whether domestic violence has occurred and is likely to continue in the future and which state could best protect the parties and the child;
2. the length of time the child has resided outside this State;
3. the distance between the court in this State and the court in the state that would assume jurisdiction;
4. the relative financial circumstances of the parties;
5. any agreement of the parties as to which state should assume jurisdiction;
6. the nature and location of the evidence required to resolve the pending litigation, including testimony of the child;
7. the ability of the court of each state to decide the issue expeditiously and the procedures necessary to present the evidence; and
8. the familiarity of the court of each state with the facts and issues in the pending litigation.

(c) If a court of this State determines that it is an inconvenient forum and that a court of another state is a more appropriate forum, it shall stay the proceedings upon condition that a child-custody proceeding be promptly commenced in another designated state and may impose any other condition the court considers just and proper.

(d) A court of this State may decline to exercise its jurisdiction under this Act if a child-custody determination is incidental to an action for divorce or another proceeding while still retaining jurisdiction over the divorce or other proceeding.

Section 208. Jurisdiction Declined By Reason Of Conduct.
(a) Except as otherwise provided in Section 204 or by other law of this State, if a court of this State has jurisdiction under this Act because a person seeking to invoke its jurisdiction has engaged in unjustifiable conduct, the court shall decline to exercise its jurisdiction unless:

1. the parents and all persons acting as parents have acquiesced in the exercise of jurisdiction;
2. a court of the state otherwise having jurisdiction under Sections 201 through 203 determines that this State is a more appropriate forum under Section 207; or
3. no court of any other state would have jurisdiction under the criteria specified in Sections 201 through 203.

(b) If a court of this State declines to exercise its jurisdiction pursuant to subsection (a), it may fashion an appropriate remedy to ensure the safety of the child and prevent a repetition of the unjustifiable conduct, including staying the proceeding until a child-custody proceeding is commenced in a court having jurisdiction under Sections 201 through 203.

(c) If a court dismisses a petition or stays a proceeding because it declines to exercise its jurisdiction pursuant to subsection (a), it shall assess against the party seeking to invoke its jurisdiction necessary and reasonable expenses including costs, communication expenses, attorney's fees, investigative fees, expenses for witnesses, travel expenses, and child care during the course of the proceedings, unless the party from whom fees are sought establishes that the assessment would be clearly inappropriate. The court may not assess fees, costs, or expenses against this State unless authorized by law other than this Act.

Section 209. Information To Be Submitted To Court.

(a) Subject to any other law providing for the confidentiality of procedures, addresses, and other identifying information, in a child-custody proceeding, each party, in its first pleading or in an attached affidavit, shall give information, if reasonably ascertainable, under oath as to the child's present address or whereabouts, the places where the child has lived during the last five years, and the names and present addresses of the persons with whom the child has lived during that period. The pleading or affidavit must state whether the party:

1. has participated, as a party or witness or in any other capacity, in any other proceeding concerning the custody of or visitation with the child and, if so, identify the court, the case number, and the date of the child-custody determination, if any;
2. knows of any proceeding that could affect the current proceeding, including proceedings for enforcement and proceedings relating to domestic
violence, protective orders, termination of parental rights, and adoptions and, if so, identify the court, the case number, and the nature of the proceeding; and

(3) knows the names and addresses of any person not a party to the proceeding who has physical custody of the child or claims rights of legal custody or physical custody of, or visitation with, the child and, if so, the names and addresses of those persons.

(b) If the information required by subsection (a) is not furnished, the court, upon motion of a party or its own motion, may stay the proceeding until the information is furnished.

(c) If the declaration as to any of the items described in subsection (a)(1) through (3) is in the affirmative, the declarant shall give additional information under oath as required by the court. The court may examine the parties under oath as to details of the information furnished and other matters pertinent to the court's jurisdiction and the disposition of the case.

(d) Each party has a continuing duty to inform the court of any proceeding in this or any other state that could affect the current proceeding.

(e) (Blank).

Section 210. Appearance Of Parties And Child.

(a) In a child-custody proceeding in this State, the court may order a party to the proceeding who is in this State to appear before the court in person with or without the child. The court may order any person who is in this State and who has physical custody or control of the child to appear in person with the child.

(b) If a party to a child-custody proceeding whose presence is desired by the court is outside this State, the court may order that a notice given pursuant to Section 108 include a statement directing the party to appear in person with or without the child and informing the party that failure to appear may result in a decision adverse to the party.

(c) The court may enter any orders necessary to ensure the safety of the child and of any person ordered to appear under this Section.

(d) If a party to a child-custody proceeding who is outside this State is directed to appear under subsection (b) or desires to appear personally before the court with or without the child, the court may require another party to pay reasonable and necessary travel and other expenses of the party so appearing and of the child.

Section 302. Enforcement Under Hague Convention. Under this Article a court of this State may enforce an order for the return of the child made under the Hague Convention on the Civil Aspects of International Child Abduction as if it were a child-custody determination.

Section 303. Duty To Enforce.
(a) A court of this State shall recognize and enforce a child-custody determination of a court of another state if the latter court exercised jurisdiction in substantial conformity with this Act or the determination was made under factual circumstances meeting the jurisdictional standards of this Act and the determination has not been modified in accordance with this Act.

(b) A court of this State may utilize any remedy available under other law of this State to enforce a child-custody determination made by a court of another state. The remedies provided in this Article are cumulative and do not affect the availability of other remedies to enforce a child-custody determination.

Section 304. Temporary Visitation.
(a) A court of this State which does not have jurisdiction to modify a child-custody determination, may issue a temporary order enforcing:
   (1) a visitation schedule made by a court of another state; or
   (2) the visitation provisions of a child-custody determination of another state that does not provide for a specific visitation schedule.
(b) If a court of this State makes an order under subsection (a)(2), it shall specify in the order a period that it considers adequate to allow the petitioner to obtain an order from a court having jurisdiction under the criteria specified in Article 2. The order remains in effect until an order is obtained from the other court or the period expires.

Section 305. Registration Of Child-Custody Determination.
(a) A child-custody determination issued by a court of another state may be registered in this State, with or without a simultaneous request for enforcement, by sending to the circuit court in this State:
   (1) a letter or other document requesting registration;

(c) The notice required by subsection (b)(2) must state that:

(1) a registered determination is enforceable as of the date of the registration in the same manner as a determination issued by a court of this State;

(2) a hearing to contest the validity of the registered determination must be requested within 20 days after service of notice; and

(3) failure to contest the registration will result in confirmation of the child-custody determination and preclude further contest of that determination with respect to any matter that could have been asserted.

(d) A person seeking to contest the validity of a registered order must request a hearing within 20 days after service of the notice. At that hearing, the court shall confirm the registered order unless the person contesting registration establishes that:

(2) the child-custody determination sought to be registered has been vacated, stayed, or modified by a court having jurisdiction to do so under Article 2; or

(3) the person contesting registration was entitled to notice, but notice was not given in accordance with the standards of Section 108, in the proceedings before the court that issued the order for which registration is sought.

(e) If a timely request for a hearing to contest the validity of the registration is not made, the registration is confirmed as a matter of law and the person requesting registration and all persons served must be notified of the confirmation.

(f) Confirmation of a registered order, whether by operation of law or after notice and hearing, precludes further contest of the order with respect to any matter that could have been asserted at the time of registration.

The proceeding for enforcement continues unless the enforcing court, after consultation with the modifying court, stays or dismisses the proceeding.

Section 308. Expedited Enforcement Of Child-Custody Determination.
(a) A petition under this Article must be verified. Certified copies of all orders sought to be enforced and of any order confirming registration must be attached to the petition. A copy of a certified copy of an order may be attached instead of the original.

(c) Upon the filing of a petition, the court shall issue an order directing the respondent to appear in person with or without the child at a hearing and may enter any order necessary to ensure the safety of the parties and the child. The hearing must be held on the next judicial day after service of the order unless that date is impossible. In that event, the court shall hold the hearing on the first judicial day possible. The court may extend the date of hearing at the request of the petitioner.
(d) An order issued under subsection (c) must state the time and place of the hearing and advise the respondent that at the hearing the court will order that the petitioner may take immediate physical custody of the child and the payment of fees, costs, and expenses under Section 312, and may schedule a hearing to determine whether further relief is appropriate, unless the respondent appears and establishes that:

(1) the child-custody determination has not been registered and confirmed under Section 305 and that:

   (B) the child-custody determination for which enforcement is sought has been vacated, stayed, or modified by a court having jurisdiction to do so under Article 2;

   (A) the issuing court did not have jurisdiction under Article 2;
   (B) the child-custody determination for which enforcement is sought has been vacated, stayed, or modified by a court of a state having jurisdiction to do so under Article 2; or

   (C) the respondent was entitled to notice, but notice was not given in accordance with the standards of Section 108, in the proceedings before the court that issued the order for which enforcement is sought; or

(c) If a party called to testify refuses to answer on the ground that the testimony may be self-incriminating, the court may draw an adverse inference from the refusal.

(d) A privilege against disclosure of communications between spouses and a defense of immunity based on the relationship of husband and wife or parent and child may not be invoked in a proceeding under this Article.

Section 311. Warrant To Take Physical Custody Of Child.

The petition must be heard on the next judicial day after the warrant is executed unless that date is impossible. In that event, the court shall hold the hearing on the first judicial day possible. The application for the warrant must include the statements required by Section 308(b).

   (3) provide for the placement of the child pending final relief.

(d) The respondent must be served with the petition, warrant, and order immediately after the child is taken into physical custody.

(e) A warrant to take physical custody of a child is enforceable throughout this State. If the court finds on the basis of the testimony of the petitioner or other witness that a less intrusive remedy is not effective, it may authorize law enforcement officers to enter private property to take physical custody of the child. If required by exigent circumstances of the case, the court may authorize law enforcement officers to make a forcible entry at any hour.

(f) The court may impose conditions upon placement of a child to ensure the appearance of the child and the child's custodian.

Section 312. Costs, Fees, And Expenses.

(a) The court shall award the prevailing party, including a state, necessary and reasonable expenses incurred by or on behalf of the party, including costs, communication expenses, and the fees, costs, and expenses specified in Section 311(c), for the assistance of law enforcement officials, and may grant additional relief.

Section 313. Recognition And Enforcement. A court of this State shall accord full faith and credit to an order issued by another state and consistent with this Act which enforces a child-custody determination by a court of another state unless the order has been vacated, stayed, or modified by a court having jurisdiction to do so under Article 2.

Section 314. Appeals. An appeal may be taken from a final order in a proceeding under this Article in accordance with expedited appellate procedures which are or may be established by Supreme Court Rule. Unless the court enters a temporary emergency order under Section 204, the enforcing court may not stay an order enforcing a child-custody determination pending appeal.

Section 315. Role Of State's Attorney.

(a) In a case arising under this Act or involving the Hague Convention on the Civil Aspects of International Child Abduction, the State's Attorney or other appropriate public official may take any lawful action, including resort to a proceeding under this Article or any other available civil proceeding to locate a child, obtain the return of a child, or enforce a child-custody determination if there is:

(1) Prohibition of abuse. Prohibit respondent's harassment, interference with personal liberty, intimidation of a dependent, physical abuse or willful deprivation, as defined in this Article, if such abuse has occurred or otherwise appears likely to occur if not prohibited.

(2) Grant of exclusive possession of residence. Prohibit respondent from entering or remaining in any residence or household of the petitioner, including one owned or leased by respondent, if petitioner has a right to occupancy thereof. The grant of exclusive possession of the residence shall not affect title to real property, nor shall the court be limited by the standard set forth in Section 701 of the Illinois Marriage and Dissolution of Marriage Act.

(A) Right to occupancy. A party has a right to occupancy of a residence or household if it is solely or jointly owned or leased by that party, that party's spouse, a person with a legal duty to support that party or a minor child in that party's care, or by any person or entity other than the opposing party that authorizes that party's occupancy (e.g., a domestic violence shelter). Standards set forth in subparagraph (B) shall not preclude equitable relief.

(B) Presumption of hardships. If petitioner and respondent each has the right to occupancy of a residence or household, the court shall balance (i) the hardships to respondent and any minor child or

New matter indicated by italics - deletions by strikeout
dependent adult in respondent's care resulting from entry of this remedy with (ii) the hardships to petitioner and any minor child or dependent adult in petitioner's care resulting from continued exposure to the risk of abuse (should petitioner remain at the residence or household) or from loss of possession of the residence or household (should petitioner leave to avoid the risk of abuse). When determining the balance of hardships, the court shall also take into account the accessibility of the residence or household. Hardships need not be balanced if respondent does not have a right to occupancy.

The balance of hardships is presumed to favor possession by petitioner unless the presumption is rebutted by a preponderance of the evidence, showing that the hardships to respondent substantially outweigh the hardships to petitioner and any minor child or dependent adult in petitioner's care. The court, on the request of petitioner or on its own motion, may order respondent to provide suitable, accessible, alternate housing for petitioner instead of excluding respondent from a mutual residence or household.

(3) Stay away order and additional prohibitions. Order respondent to stay away from petitioner or any other person protected by the order of protection, or prohibit respondent from entering or remaining present at petitioner's school, place of employment, or other specified places at times when petitioner is present, or both, if reasonable, given the balance of hardships. Hardships need not be balanced for the court to enter a stay away order or prohibit entry if respondent has no right to enter the premises.

If an order of protection grants petitioner exclusive possession of the residence, or prohibits respondent from entering the residence, or orders respondent to stay away from petitioner or other protected persons, then the court may allow respondent access to the residence to remove items of clothing and personal adornment used exclusively by respondent, medications, and other items as the court directs. The right to access shall be exercised on only one occasion as the court directs and in the presence of an agreed-upon adult third party or law enforcement officer.

(4) Counseling. Require or recommend the respondent to undergo counseling for a specified duration with a social worker, psychologist, clinical psychologist, psychiatrist, family service agency, alcohol or substance abuse program, mental health center guidance counselor, agency providing services to elders, program designed for domestic violence abusers or any other guidance service the court deems appropriate.
(5) Physical care and possession of the minor child. In order to protect the minor child from abuse, neglect, or unwarranted separation from the person who has been the minor child's primary caretaker, or to otherwise protect the well-being of the minor child, the court may do either or both of the following: (i) grant petitioner physical care or possession of the minor child, or both, or (ii) order respondent to return a minor child to, or not remove a minor child from, the physical care of a parent or person in loco parentis.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 112A-3) of a minor child, there shall be a rebuttable presumption that awarding physical care to respondent would not be in the minor child's best interest.

(6) Temporary legal custody. Award temporary legal custody to petitioner in accordance with this Section, the Illinois Marriage and Dissolution of Marriage Act, the Illinois Parentage Act of 1984, and this State's Uniform Child-Custody Jurisdiction and Enforcement Act.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 112A-3) of a minor child, there shall be a rebuttable presumption that awarding temporary legal custody to respondent would not be in the child's best interest.

(7) Visitation. Determine the visitation rights, if any, of respondent in any case in which the court awards physical care or temporary legal custody of a minor child to petitioner. The court shall restrict or deny respondent's visitation with a minor child if the court finds that respondent has done or is likely to do any of the following: (i) abuse or endanger the minor child during visitation; (ii) use the visitation as an opportunity to abuse or harass petitioner or petitioner's family or household members; (iii) improperly conceal or detain the minor child; or (iv) otherwise act in a manner that is not in the best interests of the minor child. The court shall not be limited by the standards set forth in Section 607.1 of the Illinois Marriage and Dissolution of Marriage Act. If the court grants visitation, the order shall specify dates and times for the visitation to take place or other specific parameters or conditions that are appropriate. No order for visitation shall refer merely to the term "reasonable visitation".

Petitioner may deny respondent access to the minor child if, when respondent arrives for visitation, respondent is under the influence of drugs or alcohol and constitutes a threat to the safety and well-being of petitioner or petitioner's minor children or is behaving in a violent or abusive manner.

If necessary to protect any member of petitioner's family or household from future abuse, respondent shall be prohibited from coming to petitioner's residence to meet the minor child for visitation, and the parties shall submit to the
court their recommendations for reasonable alternative arrangements for visitation. A person may be approved to supervise visitation only after filing an affidavit accepting that responsibility and acknowledging accountability to the court.

(8) Removal or concealment of minor child. Prohibit respondent from removing a minor child from the State or concealing the child within the State.

(9) Order to appear. Order the respondent to appear in court, alone or with a minor child, to prevent abuse, neglect, removal or concealment of the child, to return the child to the custody or care of the petitioner or to permit any court-ordered interview or examination of the child or the respondent.

(10) Possession of personal property. Grant petitioner exclusive possession of personal property and, if respondent has possession or control, direct respondent to promptly make it available to petitioner, if:
   (i) petitioner, but not respondent, owns the property; or
   (ii) the parties own the property jointly; sharing it would risk abuse of petitioner by respondent or is impracticable; and the balance of hardships favors temporary possession by petitioner.

   If petitioner's sole claim to ownership of the property is that it is marital property, the court may award petitioner temporary possession thereof under the standards of subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

   No order under this provision shall affect title to property.

(11) Protection of property. Forbid the respondent from taking, transferring, encumbering, concealing, damaging or otherwise disposing of any real or personal property, except as explicitly authorized by the court, if:
   (i) petitioner, but not respondent, owns the property; or
   (ii) the parties own the property jointly, and the balance of hardships favors granting this remedy.

   If petitioner's sole claim to ownership of the property is that it is marital property, the court may grant petitioner relief under subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

   The court may further prohibit respondent from improperly using the financial or other resources of an aged member of the family or household for the profit or advantage of respondent or of any other person.

(12) Order for payment of support. Order respondent to pay temporary support for the petitioner or any child in the petitioner's care or custody, when the respondent has a legal obligation to support that person, in accordance with the

New matter indicated by italics - deletions by strikeout
Illinois Marriage and Dissolution of Marriage Act, which shall govern, among other matters, the amount of support, payment through the clerk and withholding of income to secure payment. An order for child support may be granted to a petitioner with lawful physical care or custody of a child, or an order or agreement for physical care or custody, prior to entry of an order for legal custody. Such a support order shall expire upon entry of a valid order granting legal custody to another, unless otherwise provided in the custody order.

(13) Order for payment of losses. Order respondent to pay petitioner for losses suffered as a direct result of the abuse. Such losses shall include, but not be limited to, medical expenses, lost earnings or other support, repair or replacement of property damaged or taken, reasonable attorney's fees, court costs and moving or other travel expenses, including additional reasonable expenses for temporary shelter and restaurant meals.

(i) Losses affecting family needs. If a party is entitled to seek maintenance, child support or property distribution from the other party under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended, the court may order respondent to reimburse petitioner's actual losses, to the extent that such reimbursement would be "appropriate temporary relief", as authorized by subsection (a)(3) of Section 501 of that Act.

(ii) Recovery of expenses. In the case of an improper concealment or removal of a minor child, the court may order respondent to pay the reasonable expenses incurred or to be incurred in the search for and recovery of the minor child, including but not limited to legal fees, court costs, private investigator fees, and travel costs.

(14) Prohibition of entry. Prohibit the respondent from entering or remaining in the residence or household while the respondent is under the influence of alcohol or drugs and constitutes a threat to the safety and well-being of the petitioner or the petitioner's children.

(14.5) Prohibition of firearm possession. (a) When a complaint is made under a request for an order of protection, that the respondent has threatened or is likely to use firearms illegally against the petitioner, and the respondent is present in court, or has failed to appear after receiving actual notice, the court shall examine on oath the petitioner, and any witnesses who may be produced. If the court is satisfied that there is any danger of the illegal use of firearms, it shall include in the order of protection the requirement that any firearms in the possession of the respondent, except as provided in subsection (b), be turned over to the local law enforcement agency for safekeeping. If the respondent fails to appear, or refuses or fails to surrender his or her firearms, the court shall issue a
warrant for seizure of any firearm in the possession of the respondent. The period of safekeeping shall be for a stated period of time not to exceed 2 years. The firearm or firearms shall be returned to the respondent at the end of the stated period or at expiration of the order of protection, whichever is sooner. (b) If the respondent is a peace officer as defined in Section 2-13 of the Criminal Code of 1961, the court shall order that any firearms used by the respondent in the performance of his or her duties as a peace officer be surrendered to the chief law enforcement executive of the agency in which the respondent is employed, who shall retain the firearms for safekeeping for the stated period not to exceed 2 years as set forth in the court order.

(15) Prohibition of access to records. If an order of protection prohibits respondent from having contact with the minor child, or if petitioner's address is omitted under subsection (b) of Section 112A-5, or if necessary to prevent abuse or wrongful removal or concealment of a minor child, the order shall deny respondent access to, and prohibit respondent from inspecting, obtaining, or attempting to inspect or obtain, school or any other records of the minor child who is in the care of petitioner.

(16) Order for payment of shelter services. Order respondent to reimburse a shelter providing temporary housing and counseling services to the petitioner for the cost of the services, as certified by the shelter and deemed reasonable by the court.

(17) Order for injunctive relief. Enter injunctive relief necessary or appropriate to prevent further abuse of a family or household member or to effectuate one of the granted remedies, if supported by the balance of hardships. If the harm to be prevented by the injunction is abuse or any other harm that one of the remedies listed in paragraphs (1) through (16) of this subsection is designed to prevent, no further evidence is necessary to establish that the harm is an irreparable injury.

(c) Relevant factors; findings.

(1) In determining whether to grant a specific remedy, other than payment of support, the court shall consider relevant factors, including but not limited to the following:

(i) the nature, frequency, severity, pattern and consequences of the respondent's past abuse of the petitioner or any family or household member, including the concealment of his or her location in order to evade service of process or notice, and the likelihood of danger of future abuse to petitioner or any member of petitioner's or respondent's family or household; and

New matter indicated by italics - deletions by strikeout
(ii) the danger that any minor child will be abused or neglected or improperly removed from the jurisdiction, improperly concealed within the State or improperly separated from the child's primary caretaker.

(2) In comparing relative hardships resulting to the parties from loss of possession of the family home, the court shall consider relevant factors, including but not limited to the following:

(i) availability, accessibility, cost, safety, adequacy, location and other characteristics of alternate housing for each party and any minor child or dependent adult in the party's care;

(ii) the effect on the party's employment; and

(iii) the effect on the relationship of the party, and any minor child or dependent adult in the party's care, to family, school, church and community.

(3) Subject to the exceptions set forth in paragraph (4) of this subsection, the court shall make its findings in an official record or in writing, and shall at a minimum set forth the following:

(i) That the court has considered the applicable relevant factors described in paragraphs (1) and (2) of this subsection.

(ii) Whether the conduct or actions of respondent, unless prohibited, will likely cause irreparable harm or continued abuse.

(iii) Whether it is necessary to grant the requested relief in order to protect petitioner or other alleged abused persons.

(4) For purposes of issuing an ex parte emergency order of protection, the court, as an alternative to or as a supplement to making the findings described in paragraphs (c)(3)(i) through (c)(3)(iii) of this subsection, may use the following procedure:

When a verified petition for an emergency order of protection in accordance with the requirements of Sections 112A-5 and 112A-17 is presented to the court, the court shall examine petitioner on oath or affirmation. An emergency order of protection shall be issued by the court if it appears from the contents of the petition and the examination of petitioner that the averments are sufficient to indicate abuse by respondent and to support the granting of relief under the issuance of the emergency order of protection.

(5) Never married parties. No rights or responsibilities for a minor child born outside of marriage attach to a putative father until a father and child relationship has been established under the Illinois Parentage Act of 1984. Absent such an adjudication, no putative father shall be granted temporary custody of the minor child, visitation with the minor child, or physical care and possession of the

minor child, nor shall an order of payment for support of the minor child be entered.

(d) Balance of hardships; findings. If the court finds that the balance of hardships does not support the granting of a remedy governed by paragraph (2), (3), (10), (11), or (16) of subsection (b) of this Section, which may require such balancing, the court's findings shall so indicate and shall include a finding as to whether granting the remedy will result in hardship to respondent that would substantially outweigh the hardship to petitioner from denial of the remedy. The findings shall be an official record or in writing.

(e) Denial of remedies. Denial of any remedy shall not be based, in whole or in part, on evidence that:

(1) Respondent has cause for any use of force, unless that cause satisfies the standards for justifiable use of force provided by Article VII of the Criminal Code of 1961;
(2) Respondent was voluntarily intoxicated;
(3) Petitioner acted in self-defense or defense of another, provided that, if petitioner utilized force, such force was justifiable under Article VII of the Criminal Code of 1961;
(4) Petitioner did not act in self-defense or defense of another;
(5) Petitioner left the residence or household to avoid further abuse by respondent;
(6) Petitioner did not leave the residence or household to avoid further abuse by respondent;
(7) Conduct by any family or household member excused the abuse by respondent, unless that same conduct would have excused such abuse if the parties had not been family or household members.

Section 402.5. The Illinois Marriage and Dissolution of Marriage Act is amended by changing Section 601 as follows:

(750 ILCS 5/601) (from Ch. 40, par. 601)
Sec. 601. Jurisdiction; Commencement of Proceeding.
(a) A court of this State competent to decide child custody matters has jurisdiction to make a child custody determination in original or modification proceedings as provided in Section 201 of the Uniform Child Custody Jurisdiction and Enforcement Act as adopted by this State.

(b) A child custody proceeding is commenced in the court:

(1) by a parent, by filing a petition:
   (i) for dissolution of marriage or legal separation or declaration of invalidity of marriage; or

New matter indicated by italics - deletions by strikeout
(ii) for custody of the child, in the county in which he is permanently resident or found;
(2) by a person other than a parent, by filing a petition for custody of the child in the county in which he is permanently resident or found, but only if he is not in the physical custody of one of his parents; or
(3) by a stepparent, by filing a petition, if all of the following circumstances are met:
   (A) the child is at least 12 years old;
   (B) the custodial parent and stepparent were married for at least 5 years during which the child resided with the parent and stepparent;
   (C) the custodial parent is deceased or is disabled and cannot perform the duties of a parent to the child;
   (D) the stepparent provided for the care, control, and welfare of the child prior to the initiation of custody proceedings;
   (E) the child wishes to live with the stepparent; and
   (F) it is alleged to be in the best interests and welfare of the child to live with the stepparent as provided in Section 602 of this Act.

(c) Notice of a child custody proceeding, including an action for modification of a previous custody order, shall be given to the child's parents, guardian and custodian, who may appear, be heard, and file a responsive pleading. The court, upon showing of good cause, may permit intervention of other interested parties.

(d) Proceedings for modification of a previous custody order commenced more than 30 days following the entry of a previous custody order must be initiated by serving a written notice and a copy of the petition for modification upon the child's parent, guardian and custodian at least 30 days prior to hearing on the petition. Nothing in this Section shall preclude a party in custody modification proceedings from moving for a temporary order under Section 603 of this Act.

(e) (Blank). In a custody proceeding involving an out-of-state party, the court, prior to granting or modifying a custody judgment, shall consult the registry of out-of-state judgments to determine whether there exists any communications or documents alleging that the child who is the subject of custody proceedings may have been improperly removed from the physical custody of the person entitled to custody or may have been improperly retained after a visit or other temporary relinquishment of physical custody. Where, on the basis of such documents or communications contained in the registry of out-of-state judgments, the court determines that the child who is the subject of custody may have been improperly removed or retained, the court shall notify the person or agency who submitted such communications as to the location of the child, as soon as is practicable.

Section 402.6. The Illinois Domestic Violence Act of 1986 is amended by changing Sections 208 and 214 as follows:

(750 ILCS 60/208) (from Ch. 40, par. 2312-8)
Sec. 208. Jurisdiction over persons. In child custody proceedings, the court's personal jurisdiction is determined by this State's Uniform Child-Custody Jurisdiction and Enforcement Act, as now or hereafter amended. (750 ILCS 60/214) (from Ch. 40, par. 2312-14)
Sec. 214. Order of protection; remedies.
(a) Issuance of order. If the court finds that petitioner has been abused by a family or household member or that petitioner is a high-risk adult who has been abused, neglected, or exploited, as defined in this Act, an order of protection prohibiting the abuse, neglect, or exploitation shall issue; provided that petitioner must also satisfy the requirements of one of the following Sections, as appropriate: Section 217 on emergency orders, Section 218 on interim orders, or Section 219 on plenary orders. Petitioner shall not be denied an order of protection because petitioner or respondent is a minor. The court, when determining whether or not to issue an order of protection, shall not require physical manifestations of abuse on the person of the victim. Modification and extension of prior orders of protection shall be in accordance with this Act.
(b) Remedies and standards. The remedies to be included in an order of protection shall be determined in accordance with this Section and one of the following Sections, as appropriate: Section 217 on emergency orders, Section 218 on interim orders, and Section 219 on plenary orders. The remedies listed in this subsection shall be in addition to other civil or criminal remedies available to petitioner.

(1) Prohibition of abuse, neglect, or exploitation. Prohibit respondent's harassment, interference with personal liberty, intimidation of a dependent, physical abuse, or willful deprivation, neglect or exploitation, as defined in this Act, or stalking of the petitioner, as defined in Section 12-7.3 of the Criminal Code of 1961, if such abuse, neglect, exploitation, or stalking has occurred or otherwise appears likely to occur if not prohibited.

(2) Grant of exclusive possession of residence. Prohibit respondent from entering or remaining in any residence or household of the petitioner, including one owned or leased by respondent, if petitioner has a right to occupancy thereof. The grant of exclusive possession of the residence shall not affect title to real property, nor shall the court be limited by the standard set forth in Section 701 of the Illinois Marriage and Dissolution of Marriage Act.

(A) Right to occupancy. A party has a right to occupancy of a residence or household if it is solely or jointly owned or leased by that party, that party's spouse, a person with a legal duty to support that party or a minor child in that party's care, or by any person or entity other than the opposing party that authorizes that party's occupancy (e.g., a domestic violence shelter). Standards set forth in subparagraph (B) shall not preclude equitable relief.

(B) Presumption of hardships. If petitioner and respondent each has the right to occupancy of a residence or household, the court shall balance (i) the hardships to respondent and any minor child or dependent adult in respondent's care resulting from entry of this remedy with (ii) the hardships to petitioner and any minor child or dependent adult in petitioner's care resulting from continued exposure to the risk of abuse (should petitioner remain at the residence or household) or from loss of possession of the residence or household (should petitioner leave to avoid the risk of abuse). When determining the balance of hardships, the court shall also take into account the accessibility of the residence or household. Hardships need not be balanced if respondent does not have a right to occupancy.

The balance of hardships is presumed to favor possession by petitioner unless the presumption is rebutted by a preponderance of the evidence, showing that the hardships to respondent substantially outweigh the hardships to petitioner and any minor child or dependent adult in petitioner's care. The court, on the request of petitioner or on its own motion, may order respondent to provide suitable, accessible, alternate housing for petitioner instead of excluding respondent from a mutual residence or household.

as the court directs. The right to access shall be exercised on only one occasion as the court directs and in the presence of an agreed-upon adult third party or law enforcement officer.

(4) Counseling. Require or recommend the respondent to undergo counseling for a specified duration with a social worker, psychologist, clinical psychologist, psychiatrist, family service agency, alcohol or substance abuse program, mental health center guidance counselor, agency providing services to elders, program designed for domestic violence abusers or any other guidance service the court deems appropriate.

(5) Physical care and possession of the minor child. In order to protect the minor child from abuse, neglect, or unwarranted separation from the person who has been the minor child's primary caretaker, or to otherwise protect the well-being of the minor child, the court may do either or both of the following: (i) grant petitioner physical care or possession of the minor child, or both, or (ii) order respondent to return a minor child to, or not remove a minor child from, the physical care of a parent or person in loco parentis.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 103) of a minor child, there shall be a rebuttable presumption that awarding physical care to respondent would not be in the minor child's best interest.

(6) Temporary legal custody. Award temporary legal custody to petitioner in accordance with this Section, the Illinois Marriage and Dissolution of Marriage Act, the Illinois Parentage Act of 1984, and this State's Uniform Child-Custody Jurisdiction and Enforcement Act.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 103) of a minor child, there shall be a rebuttable presumption that awarding temporary legal custody to respondent would not be in the child's best interest.

(7) Visitation. Determine the visitation rights, if any, of respondent in any case in which the court awards physical care or temporary legal custody of a minor child to petitioner. The court shall restrict or deny respondent's visitation with a minor child if the court finds that respondent has done or is likely to do any of the following: (i) abuse or endanger the minor child during visitation; (ii) use the visitation as an opportunity to abuse or harass petitioner or petitioner's family or household members; (iii) improperly conceal or detain the minor child; or (iv) otherwise act in a manner that is not in the best interests of the minor child. Petitioner may deny respondent access to the minor child if, when respondent arrives for visitation, respondent is under the influence of drugs or alcohol and constitutes a threat to the safety and well-being of petitioner or petitioner's minor children or is behaving in a violent or abusive manner.

If necessary to protect any member of petitioner's family or household from future abuse, respondent shall be prohibited from coming to petitioner's residence to meet the minor child for visitation, and the parties shall submit to the court their recommendations for reasonable alternative arrangements for visitation. A person may be approved to supervise visitation only after filing an affidavit accepting that responsibility and acknowledging accountability to the court.

(8) Removal or concealment of minor child. Prohibit respondent from removing a minor child from the State or concealing the child within the State.

(9) Order to appear. Order the respondent to appear in court, alone or with a minor child, to prevent abuse, neglect, removal or concealment of the child, to return the child to the custody or care of the petitioner or to permit any court-ordered interview or examination of the child or the respondent.

(10) Possession of personal property. Grant petitioner exclusive possession of personal property and, if respondent has possession or control, direct respondent to promptly make it available to petitioner, if:

(i) petitioner, but not respondent, owns the property; or

(ii) the parties own the property jointly; sharing it would risk abuse of petitioner by respondent or is impracticable; and the balance of hardships favors temporary possession by petitioner.

(ii) the parties own the property jointly, and the balance of hardships favors granting this remedy.

If the respondent has failed to appear, the court shall issue a warrant for seizure of any firearm in the possession of the respondent. The period of safekeeping shall be for a stated period of time not to exceed 2 years. The firearm or firearms shall be returned to the respondent at the end of the stated period or at expiration of the order of protection, whichever is sooner.

(b) If the respondent is a peace officer as defined in Section 2-13 of the Criminal Code of 1961, the court shall order that any firearms used by the respondent in the performance of his or her duties as a peace officer be surrendered to the chief law enforcement executive of the agency in which the respondent is employed, who shall retain the firearms for safekeeping for the stated period not to exceed 2 years as set forth in the court order.

(15) Prohibition of access to records. If an order of protection prohibits respondent from having contact with the minor child, or if petitioner's address is omitted under subsection (b) of Section 203, or if necessary to prevent abuse or wrongful removal or concealment of a minor child, the order shall deny respondent access to, and prohibit respondent from inspecting, obtaining, or attempting to inspect or obtain, school or any other records of the minor child who is in the care of petitioner.

(16) Order for payment of shelter services. Order respondent to reimburse a shelter providing temporary housing and counseling services to the petitioner for the cost of the services, as certified by the shelter and deemed reasonable by the court.

(17) Order for injunctive relief. Enter injunctive relief necessary or appropriate to prevent further abuse of a family or household member or further abuse, neglect, or exploitation of a high-risk adult with disabilities or to effectuate one of the granted remedies, if supported by the balance of hardships. If the harm to be prevented by the injunction is abuse or any other harm that one of the

New matter indicated by italics - deletions by strikeout
remedies listed in paragraphs (1) through (16) of this subsection is designed to prevent, no further evidence is necessary that the harm is an irreparable injury.

(c) Relevant factors; findings.

(1) In determining whether to grant a specific remedy, other than payment of support, the court shall consider relevant factors, including but not limited to the following:

   (i) the nature, frequency, severity, pattern and consequences of the respondent's past abuse, neglect or exploitation of the petitioner or any family or household member, including the concealment of his or her location in order to evade service of process or notice, and the likelihood of danger of future abuse, neglect, or exploitation to petitioner or any member of petitioner's or respondent's family or household; and

   (ii) the danger that any minor child will be abused or neglected or improperly removed from the jurisdiction, improperly concealed within the State or improperly separated from the child's primary caretaker.

(2) In comparing relative hardships resulting to the parties from loss of possession of the family home, the court shall consider relevant factors, including but not limited to the following:

   (i) availability, accessibility, cost, safety, adequacy, location and other characteristics of alternate housing for each party and any minor child or dependent adult in the party's care;

   (ii) the effect on the party's employment; and

   (iii) the effect on the relationship of the party, and any minor child or dependent adult in the party's care, to family, school, church and community.

(3) Subject to the exceptions set forth in paragraph (4) of this subsection, the court shall make its findings in an official record or in writing, and shall at a minimum set forth the following:

   (i) That the court has considered the applicable relevant factors described in paragraphs (1) and (2) of this subsection.

   (ii) Whether the conduct or actions of respondent, unless prohibited, will likely cause irreparable harm or continued abuse.

   (iii) Whether it is necessary to grant the requested relief in order to protect petitioner or other alleged abused persons.

(4) For purposes of issuing an ex parte emergency order of protection, the court, as an alternative to or as a supplement to making the findings described
in paragraphs (c)(3)(i) through (c)(3)(iii) of this subsection, may use the following procedure:

When a verified petition for an emergency order of protection in accordance with the requirements of Sections 203 and 217 is presented to the court, the court shall examine petitioner on oath or affirmation. An emergency order of protection shall be issued by the court if it appears from the contents of the petition and the examination of petitioner that the averments are sufficient to indicate abuse by respondent and to support the granting of relief under the issuance of the emergency order of protection.

(5) Never married parties. No rights or responsibilities for a minor child born outside of marriage attach to a putative father until a father and child relationship has been established under the Illinois Parentage Act of 1984, the Illinois Public Aid Code, Section 12 of the Vital Records Act, the Juvenile Court Act of 1987, the Probate Act of 1985, the Revised Uniform Reciprocal Enforcement of Support Act, the Uniform Interstate Family Support Act, the Expedited Child Support Act of 1990, any judicial, administrative, or other act of another state or territory, any other Illinois statute, or by any foreign nation establishing the father and child relationship, any other proceeding substantially in conformity with the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Pub. L. 104-193), or where both parties appeared in open court or at an administrative hearing acknowledging under oath or admitting by affirmation the existence of a father and child relationship. Absent such an adjudication, finding, or acknowledgement, no putative father shall be granted temporary custody of the minor child, visitation with the minor child, or physical care and possession of the minor child, nor shall an order of payment for support of the minor child be entered.

(d) Balance of hardships; findings. If the court finds that the balance of hardships does not support the granting of a remedy governed by paragraph (2), (3), (10), (11), or (16) of subsection (b) of this Section, which may require such balancing, the court's findings shall so indicate and shall include a finding as to whether granting the remedy will result in hardship to respondent that would substantially outweigh the hardship to petitioner from denial of the remedy. The findings shall be an official record or in writing.

(e) Denial of remedies. Denial of any remedy shall not be based, in whole or in part, on evidence that:

(1) Respondent has cause for any use of force, unless that cause satisfies the standards for justifiable use of force provided by Article VII of the Criminal Code of 1961;

(2) Respondent was voluntarily intoxicated;
(3) Petitioner acted in self-defense or defense of another, provided that, if petitioner utilized force, such force was justifiable under Article VII of the Criminal Code of 1961;

(4) Petitioner did not act in self-defense or defense of another;

(5) Petitioner left the residence or household to avoid further abuse, neglect, or exploitation by respondent;

(6) Petitioner did not leave the residence or household to avoid further abuse, neglect, or exploitation by respondent;

(7) Conduct by any family or household member excused the abuse, neglect, or exploitation by respondent, unless that same conduct would have excused such abuse, neglect, or exploitation if the parties had not been family or household members.

Such order must be implemented within 120 days of its issuance, and an updated medical history and oral inspection must be performed by the hygienist immediately prior to beginning the procedures to ensure that the patient's health has not changed in any manner to warrant a reexamination by the dentist.

Approved July 8, 2003.
Section 5. Purpose. The purpose of this Act is to regulate the use of credit information for personal insurance so that consumers are afforded certain protections with respect to the use of that information.

Section 10. Scope. This Act applies to personal insurance and not to commercial insurance. For purposes of this Act, "personal insurance" means private passenger automobile, homeowners, motorcycle, mobile-homeowners and non-commercial dwelling fire insurance policies, and boat, personal watercraft, snowmobile, and recreational vehicle policies. Such policies must be individually underwritten for personal, family, or household use. No other type of insurance shall be included as personal insurance for the purpose of this Act.

Section 15. Definitions. For the purposes of this Act, these defined words have the following meanings:

"Adverse Action" means a denial or cancellation of, an increase in any charge for, or a reduction or other adverse or unfavorable change in the terms of coverage or amount of, any insurance, existing or applied for, in connection with the underwriting of personal insurance.

"Affiliate" means any company that controls, is controlled by, or is under common control with another company.

"Applicant" means an individual who has applied to be covered by a personal insurance policy with an insurer.

"Consumer" means an insured or an applicant for a personal insurance policy whose credit information is used or whose insurance score is calculated in the underwriting or rating of a personal insurance policy.

"Consumer reporting agency" means any person that, for monetary fees or dues or on a cooperative nonprofit basis, regularly engages in whole or in part in the practice of assembling or evaluating consumer credit information or other information on consumers for the purpose of furnishing consumer reports to third parties.

"Credit information" means any credit-related information derived from a credit report, found on a credit report itself, or provided on an application for personal insurance. Information that is not credit-related shall not be considered "credit information," regardless of whether it is contained in a credit report or in an application or is used to calculate an insurance score.

"Credit report" means any written, oral, or other communication of information by a consumer reporting agency bearing on a consumer's credit worthiness, credit standing, or credit capacity, that is used or expected to be used or collected in whole or in part for the purpose of serving as a factor to determine personal insurance premiums, eligibility for coverage, or tier placement.

"Department" means the Department of Insurance.
"Insurance score" means a number or rating that is derived from an algorithm, computer application, model, or other process that is based in whole or in part on credit information for the purposes of predicting the future insurance loss exposure of an individual applicant or insured.

Section 20. Use of credit information. An insurer authorized to do business in this State that uses credit information to underwrite or rate risks shall not:

1. Use an insurance score that is calculated using income, gender, address, ethnic group, religion, marital status, or nationality of the consumer as a factor.

2. Deny, cancel, or nonrenew a policy of personal insurance solely on the basis of credit information, without consideration of any other applicable underwriting factor independent of credit information and not expressly prohibited by item (1). An insurer shall not be considered to have denied, cancelled, or nonrenewed a policy if coverage is available through an affiliate.

3. Base an insured's renewal rates for personal insurance solely upon credit information, without consideration of any other applicable factor independent of credit information. An insurer shall not be considered to have based rates solely on credit information if coverage is available in a different tier of the same insurer.

4. Take an adverse action against a consumer solely because he or she does not have a credit card account, without consideration of any other applicable factor independent of credit information.

5. Consider an absence of credit information or an inability to calculate an insurance score in underwriting or rating personal insurance, unless the insurer does one of the following:

   (A) Treats the consumer as otherwise approved by the Department, if the insurer presents information that such an absence or inability relates to the risk for the insurer.

   (B) Treats the consumer as if the applicant or insured had neutral credit information, as defined by the insurer.

   (C) Excludes the use of credit information as a factor and uses only other underwriting criteria.

6. Take an adverse action against a consumer based on credit information, unless an insurer obtains and uses a credit report issued or an insurance score calculated within 90 days from the date the policy is first written or renewal is issued.

7. Use credit information unless not later than every 36 months following the last time that the insurer obtained current credit information for the
insured, the insurer recalculates the insurance score or obtains an updated credit report. Regardless of the other requirements of this Section:

   (A) At annual renewal, upon the request of a consumer or the consumer's agent, the insurer shall re-underwrite and re-rate the policy based upon a current credit report or insurance score. An insurer need not recalculate the insurance score or obtain the updated credit report of a consumer more frequently than once in a 12-month period.

   (B) The insurer shall have the discretion to obtain current credit information upon any renewal before the expiration of 36 months, if consistent with its underwriting guidelines.

   (C) An insurer is not required to obtain current credit information for an insured, despite the requirements of subitem (A) of item (7) of this Section if one of the following applies:

      (a) The insurer is treating the consumer as otherwise approved by the Department.

      (b) The insured is in the most favorably-priced tier of the insurer, within a group of affiliated insurers. However, the insurer shall have the discretion to order credit information, if consistent with its underwriting guidelines.

      (c) Credit was not used for underwriting or rating the insured when the policy was initially written. However, the insurer shall have the discretion to use credit for underwriting or rating the insured upon renewal, if consistent with its underwriting guidelines.

      (d) The insurer re-evaluates the insured beginning no later than 36 months after inception and thereafter based upon other underwriting or rating factors, excluding credit information.

   (8) Use the following as a negative factor in any insurance scoring methodology or in reviewing credit information for the purpose of underwriting or rating a policy of personal insurance:

      (A) Credit inquiries not initiated by the consumer or inquiries requested by the consumer for his or her own credit information.

      (B) Inquiries relating to insurance coverage, if so identified on a consumer's credit report.

      (C) Collection accounts with a medical industry code, if so identified on the consumer's credit report.

      (D) Multiple lender inquiries, if coded by the consumer reporting agency on the consumer's credit report as being from the home

mortgage industry and made within 30 days of one another, unless only one inquiry is considered.

(E) Multiple lender inquiries, if coded by the consumer reporting agency on the consumer's credit report as being from the automobile lending industry and made within 30 days of one another, unless only one inquiry is considered.

Section 25. Dispute resolution and error correction. If it is determined through the dispute resolution process set forth in the federal Fair Credit Reporting Act, 15 U.S.C. 1681i (a)(5), that the credit information of a current insured was incorrect or incomplete and if the insurer receives notice of that determination from either the consumer reporting agency or from the insured, the insurer shall re-underwrite and re-rate the consumer within 30 days after receiving the notice. After re-underwriting or re-rating the insured, the insurer shall make any adjustments necessary, consistent with its underwriting and rating guidelines. If an insurer determines that the insured has overpaid premium, the insurer shall refund to the insured the amount of overpayment calculated back to the shorter of either the last 12 months of coverage or the actual policy period.

Section 30. Initial notification.

(a) If an insurer writing personal insurance uses credit information in underwriting or rating a consumer, the insurer or its agent shall disclose, either on the insurance application or at the time the insurance application is taken, that it may obtain credit information in connection with the application. The disclosure shall be either written or provided to an applicant in the same medium as the application for insurance. The insurer need not provide the disclosure statement required under this Section to any insured on a renewal policy, if the consumer has previously been provided a disclosure statement.

(b) Use of the following example disclosure statement constitutes compliance with this Section: "In connection with this application for insurance, we may review your credit report or obtain or use a credit-based insurance score based on the information contained in that credit report. We may use a third party in connection with the development of your insurance score."

Section 35. Adverse action notification. If an insurer takes an adverse action based upon credit information, the insurer must meet all of the notice requirements of this Section. The insurer shall:

(1) Provide notification to the consumer that an adverse action has been taken, in accordance with the requirements of the federal Fair Credit Reporting Act, 15 U.S.C. 1681m(a).

(2) Provide notification to the consumer explaining the reason for the adverse action. The reasons must be provided in sufficiently clear and specific language so that a person can identify the basis for the insurer's decision to take an adverse action. The notification shall include a description of up to 4 factors.
that were the primary influences of the adverse action. The use of generalized
terms such as "poor credit history", "poor credit rating", or "poor insurance score"
does not meet the explanation requirements of this Section. Standardized credit
explanations provided by consumer reporting agencies or other third party
vendors are deemed to comply with this Section.

Section 40. Filing.
(a) Insurers that use insurance scores to underwrite and rate risks must file their
scoring models (or other scoring processes) with the Department. A third party may file
scoring models on behalf of insurers. A filing that includes insurance scoring may include
loss experience justifying the use of credit information.
(b) Any filing relating to credit information is considered to be a trade secret
under the Illinois Trade Secrets Act.

Section 45. Enforcement; rates not regulated.
(a) The Department shall enforce the provisions of this Act pursuant to the
enforcement powers granted to it under the Illinois Insurance Code. The Department may
promulgate rules necessary to enforce and administer this Act.
(b) Nothing contained in this Act shall be construed to empower the Department
to regulate or set the rates of any insurer pursuant to this Act.

Section 50. Sale of policy term information by consumer reporting agency.
(a) No consumer reporting agency shall provide or sell data or lists that include
any information that in whole or in part was submitted in conjunction with an insurance
inquiry about a consumer's credit information or a request for a credit report or insurance
score. Such information includes, but is not limited to, the expiration dates of an insurance
policy or any other information that may identify time periods during which a consumer's
insurance may expire and the terms and conditions of the consumer's insurance coverage.
(b) The restrictions provided in subsection (a) of this Section do not apply to data
or lists the consumer reporting agency supplies to the insurance agent or producer from
whom information was received, the insurer on whose behalf the agent or producer acted,
or the insurer's affiliates or holding companies.
(c) Nothing in this Section shall be construed to restrict any insurer from being
able to obtain a claims history report or a motor vehicle report.

Section 55. Severability. If any Section, paragraph, sentence, clause, phrase, or
part of this Act is declared invalid due to an interpretation of or a future change in the
federal Fair Credit Reporting Act, the remaining Sections, paragraphs, sentences, clauses,
phrases, or parts thereof shall be in no manner affected thereby but shall remain in full
force and effect.

(215 ILCS 5/155.38 rep)
Section 95. The Illinois Insurance Code is amended by repealing Section 155.38.
Section 99. Effective date. This Act takes effect on October 1, 2003.
We must continue to do more with less in these difficult financial times. As a result, it is necessary to make further reductions in the amount allocated to the State Board of Education for their administration of grant programs and to the administrative costs of the Regional Offices of Education. These reductions are solely intended to be in the administrative costs only and not to reduce grants to schools districts, community organizations or other recipients. I remain solidly committed to providing support for our classrooms, our teachers, and our school children, as this Act demonstrates. PA 93-0014 provides $100 million dollars to elementary and secondary education. In signing this bill, I am increasing state funding for P-12 education by $284.5 million for a total increase of $384.5 million, including an increase to the Foundation Level of $250 per pupil. This veto message reduces the total appropriation in HB2663 by $20,861,350 for reductions and item vetoes for substantive programs.

Item Vetoes
I hereby veto the following appropriations items:

(625 ILCS 5/6-305) (from Ch. 95 1/2, par. 6-305)

Sec. 6-305. Renting motor vehicle to another.
(a) No person shall rent a motor vehicle to any other person unless the latter person, or a driver designated by a nondriver with disabilities and meeting any minimum age and driver's record requirements that are uniformly applied by the person renting a motor vehicle, is then duly licensed hereunder or, in the case of a nonresident, then duly licensed under the laws of the State or country of his residence unless the State or country of his residence does not require that a driver be licensed.
(b) No person shall rent a motor vehicle to another until he has inspected the drivers license of the person to whom the vehicle is to be rented, or by whom it is to be driven, and compared and verified the signature thereon with the signature of such person written in his presence unless, in the case of a nonresident, the State or country wherein the nonresident resides does not require that a driver be licensed.
(c) No person shall rent a motorcycle to another unless the latter person is then duly licensed hereunder as a motorcycle operator, and in the case of a nonresident, then duly licensed under the laws of the State or country of his residence, unless the State or country of his residence does not require that a driver be licensed.
(d) (Blank).
(e) (Blank).
(f) Any person who rents a motor vehicle to another shall only advertise, quote, and charge a rental rate that includes the entire amount except taxes and a mileage charge, if any, which a renter must pay to hire or lease the vehicle for the period of time to which the rental rate applies. The person must provide, on the request of the renter, based on the available information, an estimated total of the daily rental rate, including all applicable taxes, fees, and other charges, or an estimated total rental charge, based on the return date of the vehicle noted on the rental agreement. Further, if the rental agreement does not already provide an estimated total rental charge, the following statement must be included in the rental agreement:

INCLUDING TAXES, FEES, AND OTHER CHARGES, OR AN ESTIMATED TOTAL RENTAL CHARGE, BASED ON THE VEHICLE RETURN DATE NOTED ON THIS AGREEMENT."

Such person shall not charge in addition to the rental rate, taxes, and mileage charge, if any, any fee which must be paid by the renter as a condition of hiring or leasing the vehicle, such as, but not limited to, required fuel or airport surcharges, nor any fee for transporting the renter to the location where the rented vehicle will be delivered to the renter. In addition to the rental rate, taxes, and mileage charge, if any, such person may charge for an item or service provided in connection with a particular rental transaction if the renter can avoid incurring the charge by choosing not to obtain or utilize the optional item or service. Items and services for which such person may impose an additional charge include, but are not limited to, optional insurance and accessories requested by the renter, service charges incident to the renter's optional return of the vehicle to a location other than the location where the vehicle was hired or leased, and charges for refueling the vehicle at the conclusion of the rental transaction in the event the renter did not return the vehicle with as much fuel as was in the fuel tank at the beginning of the rental.

(g) Every person renting a motor vehicle to another shall keep a record of the registration number of the motor vehicle so rented, the name and address of the person to whom the vehicle is rented, the number of the license, if any, of said latter person, and the date and place when and where the license, if any, was issued. Such record shall be open to inspection by any police officer or designated agent of the Secretary of State.

(i) This Section, except the requirements of subsection (g), also applies to rental agreements of 30 continuous days or less involving a motor vehicle that was delivered by an out of State person or business to a renter in this State.

(j) A public airport may, if approved by its local government corporate authorities or its airport authority, impose a customer facility charge upon customers of rental car companies for the purposes of financing, designing, constructing, operating, and maintaining consolidated car rental facilities and common use transportation equipment and facilities, which are used to transport the customer, connecting consolidated car rental facilities with other airport facilities.

New matter indicated by italics - deletions by strikeout
Notwithstanding subsection (f) of this Section, the customer facility charge shall be collected by the rental car company as a separate charge, and clearly indicated as a separate charge on the rental agreement and invoice. Facility charges shall be immediately deposited into a trust account for the benefit of the airport and remitted at the direction of the airport, but not more often than once per month. The charge shall be uniformly calculated on a per-contract or per-day basis. Facility charges imposed by the airport may not exceed the reasonable costs of financing, designing, constructing, operating, and maintaining the consolidated car rental facilities and common use transportation equipment and facilities and may not be used for any other purpose.

Notwithstanding any other provision of law, the charges collected under this Section are not subject to retailer occupation, sales, use, or transaction taxes.

(k) When a rental car company states a rental rate in any of its rate advertisements, its proprietary computer reservation systems, or its in-person quotations intended to apply to an airport rental, a company that collects from its customers a customer facility charge for that rental under subsection (j) shall do all of the following:

(1) Clearly and conspicuously disclose in any radio, television, or other electronic media advertisements the existence and amount of the charge if the advertisement is intended for rentals at an airport imposing the charge or, if the advertisement covers an area with multiple airports with different charges, a range of amounts of customer facility charges if the advertisement is intended for rentals at an airport imposing the charge.

(2) Clearly and conspicuously disclose in any print rate advertising the existence and amount of the charge if the advertisement is intended for rentals at an airport imposing the charge or, if the print rate advertisement covers an area with multiple airports with different charges, a range of amounts of customer facility charges if the advertisement is intended for rentals at an airport imposing the charge.

(3) Clearly and conspicuously disclose the existence and amount of the charge in any telephonic, in-person, or computer-transmitted quotation from the rental car company's proprietary computer reservation system at the time of making an initial quotation of a rental rate if the quotation is made by a rental car company location at an airport imposing the charge and at the time of making a reservation of a rental car if the reservation is made by a rental car company location at an airport imposing the charge.

(4) Clearly and conspicuously display the charge in any proprietary computer-assisted reservation or transaction directly between the rental car company and the customer, shown or referenced on the same page on the computer screen viewed by the customer as the displayed rental rate and in a print size not smaller than the print size of the rental rate.

New matter indicated by italics - deletions by strikeout
(5) Clearly and conspicuously disclose and separately identify the existence and amount of the charge on its rental agreement.

(6) A rental car company that collects from its customers a customer facility charge under subsection (j) and engages in a practice which does not comply with subsections (f), (j), and (k) commits an unlawful practice within the meaning of the Consumer Fraud and Deceptive Business Practices Act.

12. Violation of paragraph (1) of subsection (b) of Section 6-507, or a similar law of any other state, relating to the unlawful operation of a commercial motor vehicle;

13. Violation of paragraph (a) of Section 11-502 of this Code or a similar provision of a local ordinance if the driver has been previously convicted of a violation of that Section or a similar provision of a local ordinance and the driver was less than 21 years of age at the time of the offense.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;

2. Of any person when any other law of this State requires either the revocation or suspension of a license or permit.

(c) Whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow transportation for the petitioner or a household member of the petitioner's family for the receipt of necessary medical care or, if the professional evaluation indicates, provide transportation for the petitioner for alcohol remedial or rehabilitative activity, or for the petitioner to attend classes, as a student, in an accredited educational institution; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship would result from a failure to issue the restricted driving permit.

Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination thereof, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(d) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may issue the applicant a license, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each, until the applicant attains 21 years of age.

ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The revocation periods contained in this subparagraph shall apply to similar out-of-state convictions.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by an individual who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system.

(i) The Secretary of State may not issue a restricted driving permit for a period of one year after a second or subsequent revocation of driving privileges under clause (a)(2) of this Section; however, one year after the date of a second or subsequent revocation of driving privileges under clause (a)(2) of this Section, the Secretary of State may, upon application, issue a restricted driving permit under the terms and conditions of subsection (c).

4. Has by the unlawful operation of a motor vehicle caused or contributed to an accident resulting in death or injury requiring immediate professional treatment in a medical facility or doctor's office to any person, except that any suspension or revocation imposed by the Secretary of State under the provisions of this subsection shall start no later than 6 months after being convicted of violating a law or ordinance regulating the movement of traffic, which violation is related to the accident, or shall start not more than one year after the date of the accident, whichever date occurs later;

vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 18 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.
(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

Section 5. The Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act is amended by changing Section 4 as follows:

(320 ILCS 25/4) (from Ch. 67 1/2, par. 404)

Sec. 4. Amount of Grant.

(a) In general. Any individual 65 years or older or any individual who will become 65 years old during the calendar year in which a claim is filed, and any surviving spouse of such a claimant, who at the time of death received or was entitled to receive a grant pursuant to this Section, which surviving spouse will become 65 years of age within the 24 months immediately following the death of such claimant and which surviving spouse but for his or her age is otherwise qualified to receive a grant pursuant to this Section, and any disabled person whose annual household income is less than $14,000 for grant years before the 1998 grant year, less than $16,000 for the 1998 and 1999 grant years, and less than (i) $21,218 for a household containing one person, (ii) $28,480 for a household containing 2 persons, or (iii) $35,740 for a household containing 3 or more persons for the 2000 grant year and thereafter and whose household is liable for payment of property taxes accrued or has paid rent constituting property taxes accrued and is domiciled in this State at the time he or she files his or her claim is entitled to claim a grant under this Act. With respect to claims filed by individuals who will become 65 years old during the calendar year in which a claim is filed, the amount of any grant to which that household is entitled shall be an amount equal to 1/12 of the amount to which the claimant would otherwise be entitled as provided in this Section, multiplied by the number of months in which the claimant was 65 in the calendar year in which the claim is filed.

(b) Limitation. Except as otherwise provided in subsections (a) and (f) of this Section, the maximum amount of grant which a claimant is entitled to claim is the amount by which the property taxes accrued which were paid or payable during the last preceding tax year or rent constituting property taxes accrued upon the claimant's residence for the last preceding taxable year exceeds 3 1/2% of the claimant's household income for that year but in no event is the grant to exceed (i) $700 less 4.5% of household income for that year for those with a household income of $14,000 or less or (ii) $70 if household income for that year is more than $14,000.

(c) Public aid recipients. If household income in one or more months during a year includes cash assistance in excess of $55 per month from the Department of Public Aid or the Department of Human Services (acting as successor to the Department of Public Aid under the Department of Human Services Act) which was determined under regulations of that Department on a measure of need that included an allowance for actual rent or property taxes paid by the recipient of that assistance, the amount of grant to which that household is entitled, except as otherwise provided in subsection (a), shall be the product of (1) the maximum amount computed as specified in subsection (b) of this Section

New matter indicated by italics - deletions by strikeout
and (2) the ratio of the number of months in which household income did not include such cash assistance over $55 to the number twelve. If household income did not include such cash assistance over $55 for any months during the year, the amount of the grant to which the household is entitled shall be the maximum amount computed as specified in subsection (b) of this Section. For purposes of this paragraph (c), "cash assistance" does not include any amount received under the federal Supplemental Security Income (SSI) program.

(d) Joint ownership. If title to the residence is held jointly by the claimant with a person who is not a member of his or her household, the amount of property taxes accrued used in computing the amount of grant to which he or she is entitled shall be the same percentage of property taxes accrued as is the percentage of ownership held by the claimant in the residence.

(e) More than one residence. If a claimant has occupied more than one residence in the taxable year, he or she may claim only one residence for any part of a month. In the case of property taxes accrued, he or she shall prorate 1/12 of the total property taxes accrued on his or her residence to each month that he or she owned and occupied that residence; and, in the case of rent constituting property taxes accrued, shall prorate each month's rent payments to the residence actually occupied during that month.

(f) There is hereby established a program of pharmaceutical assistance to the aged and disabled which shall be administered by the Department in accordance with this Act, to consist of payments to authorized pharmacies, on behalf of beneficiaries of the program, for the reasonable costs of covered prescription drugs. Each beneficiary who pays $5 for an identification card shall pay no additional prescription costs. Each beneficiary who pays $25 for an identification card shall pay $3 per prescription. In addition, after a beneficiary receives $2,000 in benefits during a State fiscal year, that beneficiary shall also be charged 20% of the cost of each prescription for which payments are made by the program during the remainder of the fiscal year. To become a beneficiary under this program a person must: (1) be (i) 65 years of age or older, or (ii) the surviving spouse of such a claimant, who at the time of death received or was entitled to receive benefits pursuant to this subsection, which surviving spouse will become 65 years of age within the 24 months immediately following the death of such claimant and which surviving spouse but for his or her age is otherwise qualified to receive benefits pursuant to this subsection, or (iii) disabled, and (2) be domiciled in this State at the time he or she files his or her claim, and (3) have a maximum household income of less than $14,000 for grant years before the 1998 grant year, less than $16,000 for the 1998 and 1999 grant years, and less than (i) $21,218 for a household containing one person, (ii) $28,480 for a household containing 2 persons, or (iii) $35,740 for a household containing 3 more persons for the 2000 grant year and thereafter. In addition, each eligible person must (1) obtain an identification card from the Department, (2) at the time the card is obtained, sign a statement assigning to the State
of Illinois benefits which may be otherwise claimed under any private insurance plans, and
(3) present the identification card to the dispensing pharmacist.

The Department may adopt rules specifying participation requirements for the
pharmaceutical assistance program, including copayment amounts, identification card
fees, expenditure limits, and the benefit threshold after which a 20% charge is imposed on
the cost of each prescription, to be in effect on and after July 1, 2004. Notwithstanding any
other provision of this paragraph, however, the Department may not increase the
identification card fee above the amount in effect on May 1, 2003 without the express
consent of the General Assembly. To the extent practicable, those requirements shall be
commensurate with the requirements provided in rules adopted by the Department of
Public Aid to implement the pharmacy assistance program under Section 5-5.12a of the
Illinois Public Aid Code.

Whenever a generic equivalent for a covered prescription drug is available, the
Department shall reimburse only for the reasonable costs of the generic equivalent, less the
copay established in this Section, unless (i) the covered prescription drug contains one or
more ingredients defined as a narrow therapeutic index drug at 21 CFR 320.33, (ii) the
prescriber indicates on the face of the prescription "brand medically necessary", and (iii)
the prescriber specifies that a substitution is not permitted. When issuing an oral
prescription for covered prescription medication described in item (i) of this paragraph, the
prescriber shall stipulate "brand medically necessary" and that a substitution is not permitted.
If the covered prescription drug and its authorizing prescription do not meet the
criteria listed above, the beneficiary may purchase the non-generic equivalent of the
covered prescription drug by paying the difference between the generic cost and the non-
genric cost plus the beneficiary co-pay.

Any person otherwise eligible for pharmaceutical assistance under this Act whose
covered drugs are covered by any public program for assistance in purchasing any covered
prescription drugs shall be ineligible for assistance under this Act to the extent such costs
are covered by such other plan.

The fee to be charged by the Department for the identification card shall be equal
to $5 per coverage year for persons below the official poverty line as defined by the United
States Department of Health and Human Services and $25 per coverage year for all other
persons.

In the event that 2 or more persons are eligible for any benefit under this Act, and
are members of the same household, (1) each such person shall be entitled to participate in
the pharmaceutical assistance program, provided that he or she meets all other
requirements imposed by this subsection and (2) each participating household member
contributes the fee required for that person by the preceding paragraph for the purpose of
obtaining an identification card.

(a) To assure maximum safety and security against malfunction, fraud, theft, and other accidents or abuses and to assure that all access devices will have the capability of activating all terminals established in this State, no terminal shall accept an access device that does not conform to specifications that are generally accepted. In the case of a dispute concerning the specifications, the Commissioner, in accordance with the provisions of Section 20 of this Act, shall have the authority to determine the specifications.
(b) No terminal that does not accept an access device that conforms with those specifications shall be established or operated.
(c) A terminal shall bear a logotype or other identification symbol designed to advise customers which access devices may activate the terminal.
(d) When used to perform an interchange transaction, a terminal shall not bear any form of proprietary advertising of products and services not offered at the terminal; provided, however, that a terminal screen may bear proprietary advertising of products or services offered by a financial institution when a person uses an access device issued by that financial institution.

(ii) electronically on the terminal screen. Following presentation of the electronic disclosure on the terminal screen, the consumer shall be provided an opportunity to cancel that transaction without incurring any surcharge or other obligation. If a surcharge is imposed on a consumer using an access device not issued by the person operating the terminal, that person shall disclose on the sign and on the terminal screen that the surcharge is in addition to any fee that may be assessed by the consumer's own institution. As used in this subsection, "surcharge" means any charge imposed by the person operating the terminal solely for the use of the terminal. This subsection does not apply to a point-of-sale purchase transaction at a terminal.

(f) A receipt given at a terminal to a person who initiates an electronic fund transfer shall include a number or code that identifies the consumer initiating the transfer, the consumer's account or accounts, or the access device used to initiate the transfer. The Commissioner may, however, modify or waive the requirements imposed by this subsection (f) if the Commissioner determines that the modifications or waivers are necessary to alleviate any undue compliance burden.

(g) No terminal shall operate in this State unless, with respect to each interchange transaction initiated at the terminal, the access code entered by the consumer to authorize the transaction is encrypted by the device into which the access code is manually entered by the consumer and is transmitted from the terminal only in encrypted form. Any terminal that cannot meet the foregoing encryption requirements shall immediately cease forwarding information with respect to any interchange transaction or attempted interchange transaction.

(h) No person that directly or indirectly provides data processing support to any terminal in this State shall authorize or forward for authorization any interchange transaction unless the access code intended to authorize the interchange transaction is encrypted when received by that person and is encrypted when forwarded to any other person.

(750 ILCS 45/14) (from Ch. 40, par. 2514)

(a) (1) The judgment shall contain or explicitly reserve provisions concerning any duty and amount of child support and may contain provisions concerning the custody and guardianship of the child, visitation privileges with the child, the furnishing of bond or other security for the payment of the judgment, which the court shall determine in accordance with the relevant factors set forth in the Illinois Marriage and Dissolution of Marriage Act and any other applicable law of Illinois, to guide the court in a finding in the best interests of the child. In determining custody, joint custody, removal, or visitation, the court shall apply the relevant standards of the Illinois Marriage and Dissolution of Marriage Act, including Section 609. Specifically, in determining the amount of any child support award, the court shall use the guidelines and standards set forth in subsection (a) of Section 505 and in Section 505.2 of the Illinois Marriage and Dissolution of Marriage Act. For purposes of Section 505 of the Illinois Marriage and Dissolution of Marriage Act, "net income" of the non-custodial parent shall include any benefits available to that person under the Illinois Public Aid Code or from other federal, State or local government-funded programs. The court shall, in any event and regardless of the amount of the non-custodial parent's net income, in its judgment order the non-custodial parent to pay child support to the custodial parent in a minimum amount of not less than $10 per month. In an action

brought within 2 years after a child's birth, the judgment or order may direct either parent to pay the reasonable expenses incurred by either parent related to the mother's pregnancy and the delivery of the child. The judgment or order shall contain the father's social security number, which the father shall disclose to the court; however, failure to include the father's social security number on the judgment or order does not invalidate the judgment or order.

(2) If a judgment of parentage contains no explicit award of custody, the establishment of a support obligation or of visitation rights in one parent shall be considered a judgment granting custody to the other parent. If the parentage judgment contains no such provisions, custody shall be presumed to be with the mother; however, the presumption shall not apply if the father has had physical custody for at least 6 months prior to the date that the mother seeks to enforce custodial rights.

(b) The court shall order all child support payments, determined in accordance with such guidelines, to commence with the date summons is served. The level of current periodic support payments shall not be reduced because of payments set for the period prior to the date of entry of the support order. The Court may order any child support payments to be made for a period prior to the commencement of the action. In determining whether and the extent to which the payments shall be made for any prior period, the court shall consider all relevant facts, including the factors for determining the amount of support specified in the Illinois Marriage and Dissolution of Marriage Act and other equitable factors including but not limited to:

(1) The father's prior knowledge of the fact and circumstances of the child's birth.

(2) The father's prior willingness or refusal to help raise or support the child.

(3) The extent to which the mother or the public agency bringing the action previously informed the father of the child's needs or attempted to seek or require his help in raising or supporting the child.

(4) The reasons the mother or the public agency did not file the action earlier.

(5) The extent to which the father would be prejudiced by the delay in bringing the action.

For purposes of determining the amount of child support to be paid for any period before the date the order for current child support is entered, there is a rebuttable presumption that the father's net income for the prior period was the same as his net income at the time the order for current child support is entered.

If (i) the non-custodial parent was properly served with a request for discovery of financial information relating to the non-custodial parent's ability to provide child support, (ii) the non-custodial parent failed to comply with the request, despite having been ordered to do so by the court, and (iii) the non-custodial parent is not present at the hearing to determine support despite having received proper notice, then any relevant financial

information concerning the non-custodial parent's ability to provide child support that was obtained pursuant to subpoena and proper notice shall be admitted into evidence without the need to establish any further foundation for its admission.

(c) Any new or existing support order entered by the court under this Section shall be deemed to be a series of judgments against the person obligated to pay support thereunder, each judgment to be in the amount of each payment or installment of support and each such judgment to be deemed entered as of the date the corresponding payment or installment becomes due under the terms of the support order. Each judgment shall have the full force, effect and attributes of any other judgment of this State, including the ability to be enforced. A lien arises by operation of law against the real and personal property of the noncustodial parent for each installment of overdue support owed by the noncustodial parent.

(d) If the judgment or order of the court is at variance with the child's birth certificate, the court shall order that a new birth certificate be issued under the Vital Records Act.

(e) On request of the mother and the father, the court shall order a change in the child's name. After hearing evidence the court may stay payment of support during the period of the father's minority or period of disability.

(f) If, upon a showing of proper service, the father fails to appear in court, or otherwise appear as provided by law, the court may proceed to hear the cause upon testimony of the mother or other parties taken in open court and shall enter a judgment by default. The court may reserve any order as to the amount of child support until the father has received notice, by regular mail, of a hearing on the matter.

(g) A one-time charge of 20% is imposable upon the amount of past-due child support owed on July 1, 1988 which has accrued under a support order entered by the court. The charge shall be imposed in accordance with the provisions of Section 10-21 of the Illinois Public Aid Code and shall be enforced by the court upon petition.

(h) All orders for support, when entered or modified, shall include a provision requiring the non-custodial parent to notify the court and, in cases in which party is receiving child support enforcement services under Article X of the Illinois Public Aid Code, the Illinois Department of Public Aid, within 7 days, (i) of the name and address of any new employer of the non-custodial parent, (ii) whether the non-custodial parent has access to health insurance coverage through the employer or other group coverage and, if so, the policy name and number and the names of persons covered under the policy, and (iii) of any new residential or mailing address or telephone number of the non-custodial parent. In any subsequent action to enforce a support order, upon a sufficient showing that a diligent effort has been made to ascertain the location of the non-custodial parent, service of process or provision of notice necessary in the case may be made at the last known address of the non-custodial parent in any manner expressly provided by the Code of Civil Procedure or this Act, which service shall be sufficient for purposes of due process.
(i) An order for support shall include a date on which the current support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the order will attain the age of majority or is otherwise emancipated. The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. Nothing in this subsection shall be construed to prevent the court from modifying the order.

(j) An order entered under this Section shall include a provision requiring the obligor to report to the obligee and to the clerk of court within 10 days each time the obligor obtains new employment, and each time the obligor's employment is terminated for any reason. The report shall be in writing and shall, in the case of new employment, include the name and address of the new employer. Failure to report new employment or the termination of current employment, if coupled with nonpayment of support for a period in excess of 60 days, is indirect criminal contempt. For any obligor arrested for failure to report new employment bond shall be set in the amount of the child support that should have been paid during the period of unreported employment. An order entered under this Section shall also include a provision requiring the obligor and oblige parents to advise each other of a change in residence within 5 days of the change except when the court finds that the physical, mental, or emotional health of a party or that of a minor child, or both, would be seriously endangered by disclosure of the party's address.

Sec. 16. Modification of Judgment. The court has continuing jurisdiction to modify an order for support, custody, or visitation, or removal included in a judgment entered under this Act. Any custody, or visitation, or removal judgment modification shall be in accordance with the relevant factors specified in the "Illinois Marriage and Dissolution of Marriage Act, including Section 609", approved September 22, 1977, as now or hereafter amended. Any support judgment is subject to modification or termination only in accordance with Section 510 of the Illinois Marriage and Dissolution of Marriage Act.

AN ACT concerning assisted living.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Assisted Living and Shared Housing Act is amended by changing Sections 25, 35, 75, and 150 and adding Section 32 as follows:

(210 ILCS 9/25)
Sec. 25. License requirement. No person may establish, operate, maintain, or offer an establishment as an assisted living establishment or shared housing establishment as defined by the Act within this State unless and until he or she obtains a valid license, which remains unsuspended, unrevoke, and unexpired. No public official, agent, or employee may place any person in, or recommend that any person be placed in, or directly or indirectly cause any person to be placed in any establishment that meets the definition under this Act that is being operated without a valid license. No public official, agent, or employee may place the name of an unlicensed establishment that is required to be licensed under this Act on a list of programs. An entity that operates as an assisted living or shared housing establishment as defined by this Act without a license shall be subject to the provisions, including penalties, of the Nursing Home Care Act. No entity shall use in its name or advertise "assisted living" unless licensed as an assisted living establishment under this Act or as a shelter care facility under the Nursing Home Care Act that also meets the definition of an assisted living establishment under this Act, except a shared housing establishment licensed under this Act may advertise assisted living services.

Sec. 32. Floating license. An establishment (i) in which 80% of the residents are at least 55 years of age or older, (ii) that is operated as housing for the elderly, and (iii) that meets the construction and operating standards contained in Section 20 of this Act may request a floating license for any number of individual living units within the establishment up to, but not including, total capacity. An establishment requesting a floating license must specify the number of individual living units within the establishment to be licensed. Living units designated by the establishment as a licensed living unit shall, for the purposes of this Section, be referred to as a licensed living unit. An establishment utilizing a floating license must have staff adequate to meet the scheduled and unscheduled needs of the

residents residing in licensed living units within the establishment. All staff providing services to licensed living units must meet the requirements of this Act and its rules. A living unit may only be designated as a licensed unit if the living unit and the living unit’s resident meet the requirements of this Act and its rules. All mandatory services must be made available to residents of licensed living units, and residents of licensed living units may receive any optional services permitted under the establishment’s license. Establishments may only provide services under this Act in the individual living units designated as licensed units. Designation as a licensed unit may be temporary to accommodate a resident's changing needs without requiring the resident to move.

An establishment with a floating license must keep a current written list of those units designated under the floating license. If a resident elects to receive services in a unit that is not licensed and the unit qualifies for licensure, the establishment must notify the resident that the unit must be licensed and the requirements of this Act must be met before services can be provided to residents in that unit. Upon the initiation of an initial licensing inspection, annual inspection, or complaint investigation, the establishment shall provide to the Department a list of the units designated under the floating license in which residents are receiving services subject to this Act.

(5) that the applicant is in substantial compliance with this Act and such other requirements for a license as the Department by rule may establish under this Act;
(6) that the applicant pays all required fees;
(7) that the applicant has provided to the Department an accurate disclosure document in accordance with the Alzheimer's Special Care Disclosure Act and in substantial compliance with Section 150 of this Act.

Any license issued by the Director shall state the physical location of the establishment, the date the license was issued, and the expiration date. All licenses shall be valid for one year, except as provided in Section 40. Each license shall be issued only for the premises and persons named in the application, and shall not be transferable or assignable.

(c) A person shall not be accepted for residency if:

(13) the person requires treatment of stage 3 or stage 4 decubitus ulcers or exfoliative dermatitis;

(14) the person requires 5 or more skilled nursing visits per week for conditions other than those listed in items (13) and (15) of this subsection for a period of 3 consecutive weeks or more except when the course of treatment is expected to extend beyond a 3 week period for rehabilitative purposes and is certified as temporary by a physician; or

(15) other reasons prescribed by the Department by rule.

(d) A resident with a condition listed in items (1) through (15) of subsection (c) shall have his or her residency terminated.

(e) Residency shall be terminated when services available to the resident in the establishment are no longer adequate to meet the needs of the resident. This provision shall not be interpreted as limiting the authority of the Department to require the residency termination of individuals.

(f) Subsection (d) of this Section shall not apply to terminally ill residents who receive or would qualify for hospice care and such care is coordinated by a hospice licensed under the Hospice Program Licensing Act or other licensed health care professional employed by a licensed home health agency and the establishment and all parties agree to the continued residency.

(g) Items (3), (4), (5), and (9) of subsection (c) shall not apply to a quadriplegic, paraplegic, or individual with neuro-muscular diseases, such as muscular dystrophy and multiple sclerosis, or other chronic diseases and conditions as defined by rule if the individual is able to communicate his or her needs and does not require assistance with complex medical problems, and the establishment is able to accommodate the individual's

(h) For the purposes of items (7) through (11) of subsection (c), a licensed health care professional may not be employed by the owner or operator of the establishment, its parent entity, or any other entity with ownership common to either the owner or operator of the establishment or parent entity, including but not limited to an affiliate of the owner or operator of the establishment. Nothing in this Section is meant to limit a resident's right to choose his or her health care provider.

Sec. 150. Alzheimer and dementia programs.

(a) In addition to Except as provided in this Section, Alzheimer and dementia programs shall comply with all of the other provisions of this Act.

(b) No person shall be admitted or retained if the assisted living or shared housing establishment cannot provide or secure appropriate care, if the resident requires a level of service or type of service for which the establishment is not licensed or which the establishment does not provide, or if the establishment does not have the staff appropriate in numbers and with appropriate skill to provide such services.

(c) No person shall be accepted for residency or remain in residence if the person's mental or physical condition has so deteriorated to render residency in such a program to be detrimental to the health, welfare or safety of the person or of other residents of the establishment. The Department by rule shall identify a validated dementia-specific standard with inter-rater reliability that will be used to assess individual residents. The assessment must be approved by the resident's physician and shall occur prior to acceptance for residency, annually, and at such time that a change in the resident's condition is identified by a family member, staff of the establishment, or the resident's physician.

(5) provide cognitive stimulation and activities to maximize functioning;

(6) provide an appropriate number of staff for its resident population, as established by rule;

(7) require the director or administrator and direct care staff to complete sufficient comprehensive and ongoing dementia and cognitive deficit training, the content of which shall be established by rule; and

(8) develop emergency procedures and staffing patterns to respond to the needs of residents.

PUBLIC ACT 93-0148
(House Bill No. 2863)

AN ACT concerning child support.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
   Section 5. The Illinois Marriage and Dissolution of Marriage Act is amended by changing Section 505 as follows:

   (750 ILCS 5/505) (from Ch. 40, par. 505)

   (Text of Section before amendment by P.A. 92-876)

   Sec. 505. Child support; contempt; penalties.
   (a) In a proceeding for dissolution of marriage, legal separation, declaration of invalidity of marriage, a proceeding for child support following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse, a proceeding for modification of a previous order for child support under Section 510 of this Act, or any proceeding authorized under Section 501 or 601 of this Act, the court may order either or both parents owing a duty of support to a child of the marriage to pay an amount reasonable and necessary for his support, without regard to marital misconduct. The duty of support owed to a minor child includes the obligation to provide for the reasonable and necessary physical, mental and emotional health needs of the child.

   (1) The Court shall determine the minimum amount of support by using the following guidelines:

   Number of Children   Percent of Supporting Party's Net Income
   1                    20%
   2                    28%
   3                    32%

   New matter indicated by italics - deletions by strikeout
(2) The above guidelines shall be applied in each case unless the court makes a finding that application of the guidelines would be inappropriate, after considering the best interests of the child in light of evidence including but not limited to one or more of the following relevant factors:

(a) the financial resources and needs of the child;
(b) the financial resources and needs of the custodial parent;
(c) the standard of living the child would have enjoyed had the marriage not been dissolved;
(d) the physical and emotional condition of the child, and his educational needs; and
(e) the financial resources and needs of the non-custodial parent.

If the court deviates from the guidelines, the court's finding shall state the amount of support that would have been required under the guidelines, if determinable. The court shall include the reason or reasons for the variance from the guidelines.

(3) "Net income" is defined as the total of all income from all sources, minus the following deductions:

(a) Federal income tax (properly calculated withholding or estimated payments);
(b) State income tax (properly calculated withholding or estimated payments);
(c) Social Security (FICA payments);
(d) Mandatory retirement contributions required by law or as a condition of employment;
(e) Union dues;
(f) Dependent and individual health/hospitalization insurance premiums;
(g) Prior obligations of support or maintenance actually paid pursuant to a court order;
(h) Expenditures for repayment of debts that represent reasonable and necessary expenses for the production of income, medical expenditures necessary to preserve life or health, reasonable expenditures for the benefit of the child and the other parent, exclusive of gifts. The court shall reduce net income in determining the minimum amount of support to be ordered only for the period

New matter indicated by italics - deletions by strikeout
that such payments are due and shall enter an order containing provisions for its self-executing modification upon termination of such payment period.

(4) In cases where the court order provides for health/hospitalization insurance coverage pursuant to Section 505.2 of this Act, the premiums for that insurance, or that portion of the premiums for which the supporting party is responsible in the case of insurance provided through an employer's health insurance plan where the employer pays a portion of the premiums, shall be subtracted from net income in determining the minimum amount of support to be ordered.

(4.5) In a proceeding for child support following dissolution of the marriage by a court that lacked personal jurisdiction over the absent spouse, and in which the court is requiring payment of support for the period before the date an order for current support is entered, there is a rebuttable presumption that the supporting party's net income for the prior period was the same as his or her net income at the time the order for current support is entered.

(5) If the net income cannot be determined because of default or any other reason, the court shall order support in an amount considered reasonable in the particular case. The final order in all cases shall state the support level in dollar amounts. However, if the court finds that the child support amount cannot be expressed exclusively as a dollar amount because all or a portion of the payor's net income is uncertain as to source, time of payment, or amount, the court may order a percentage amount of support in addition to a specific dollar amount and enter such other orders as may be necessary to determine and enforce, on a timely basis, the applicable support ordered.

(6) If (i) the non-custodial parent was properly served with a request for discovery of financial information relating to the non-custodial parent's ability to provide child support, (ii) the non-custodial parent failed to comply with the request, despite having been ordered to do so by the court, and (iii) the non-custodial parent is not present at the hearing to determine support despite having received proper notice, then any relevant financial information concerning the non-custodial parent's ability to provide child support that was obtained pursuant to subpoena and proper notice shall be admitted into evidence without the need to establish any further foundation for its admission.

(a-5) In an action to enforce an order for support based on the respondent's failure to make support payments as required by the order, notice of proceedings to hold the respondent in contempt for that failure may be served on the respondent by

New matter indicated by italics - deletions by strikeout
personal service or by regular mail addressed to the respondent's last known address. The respondent's last known address may be determined from records of the clerk of the court, from the Federal Case Registry of Child Support Orders, or by any other reasonable means.

(b) Failure of either parent to comply with an order to pay support shall be punishable as in other cases of contempt. In addition to other penalties provided by law the Court may, after finding the parent guilty of contempt, order that the parent be:

(1) placed on probation with such conditions of probation as the Court deems advisable;
(2) sentenced to periodic imprisonment for a period not to exceed 6 months; provided, however, that the Court may permit the parent to be released for periods of time during the day or night to:
   (A) work; or
   (B) conduct a business or other self-employed occupation.

The Court may further order any part or all of the earnings of a parent during a sentence of periodic imprisonment paid to the Clerk of the Circuit Court or to the parent having custody or to the guardian having custody of the minor children of the sentenced parent for the support of said minor children until further order of the Court.

If there is a unity of interest and ownership sufficient to render no financial separation between a non-custodial parent and another person or persons or business entity, the court may pierce the ownership veil of the person, persons, or business entity to discover assets of the non-custodial parent held in the name of that person, those persons, or that business entity. The following circumstances are sufficient to authorize a court to order discovery of the assets of a person, persons, or business entity and to compel the application of any discovered assets toward payment on the judgment for support:

(1) the non-custodial parent and the person, persons, or business entity maintain records together.
(2) the non-custodial parent and the person, persons, or business entity fail to maintain an arms length relationship between themselves with regard to any assets.
(3) the non-custodial parent transfers assets to the person, persons, or business entity with the intent to perpetrate a fraud on the custodial parent.

With respect to assets which are real property, no order entered under this paragraph shall affect the rights of bona fide purchasers, mortgagees, judgment creditors, or other lien holders who acquire their interests in the property prior to the time a notice of lis pendens pursuant to the Code of Civil Procedure or a copy of
the order is placed of record in the office of the recorder of deeds for the county in which the real property is located.

The court may also order in cases where the parent is 90 days or more delinquent in payment of support or has been adjudicated in arrears in an amount equal to 90 days obligation or more, that the parent's Illinois driving privileges be suspended until the court determines that the parent is in compliance with the order of support. The court may also order that the parent be issued a family financial responsibility driving permit that would allow limited driving privileges for employment and medical purposes in accordance with Section 7-702.1 of the Illinois Vehicle Code. The clerk of the circuit court shall certify the order suspending the driving privileges of the parent or granting the issuance of a family financial responsibility driving permit to the Secretary of State on forms prescribed by the Secretary. Upon receipt of the authenticated documents, the Secretary of State shall suspend the parent's driving privileges until further order of the court and shall, if ordered by the court, subject to the provisions of Section 7-702.1 of the Illinois Vehicle Code, issue a family financial responsibility driving permit to the parent.

In addition to the penalties or punishment that may be imposed under this Section, any person whose conduct constitutes a violation of Section 15 of the Non-Support Punishment Act may be prosecuted under that Act, and a person convicted under that Act may be sentenced in accordance with that Act. The sentence may include but need not be limited to a requirement that the person perform community service under Section 50 of that Act or participate in a work alternative program under Section 50 of that Act. A person may not be required to participate in a work alternative program under Section 50 of that Act if the person is currently participating in a work program pursuant to Section 505.1 of this Act.

A support obligation, or any portion of a support obligation, which becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum. An order for support entered or modified on or after January 1, 2002 shall contain a statement that a support obligation required under the order, or any portion of a support obligation required under the order, that becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum. Failure to include the statement in the order for support does not affect the validity of the order or the accrual of interest as provided in this Section.

(c) A one-time charge of 20% is imposable upon the amount of past-due child support owed on July 1, 1988 which has accrued under a support order entered by the court. The charge shall be imposed in accordance with the provisions of Section 10-21 of the Illinois Public Aid Code and shall be enforced by the court upon petition.
(d) Any new or existing support order entered by the court under this Section shall be deemed to be a series of judgments against the person obligated to pay support thereunder, each such judgment to be in the amount of each payment or installment of support and each such judgment to be deemed entered as of the date the corresponding payment or installment becomes due under the terms of the support order. Each such judgment shall have the full force, effect and attributes of any other judgment of this State, including the ability to be enforced. A lien arises by operation of law against the real and personal property of the noncustodial parent for each installment of overdue support owed by the noncustodial parent.

(e) When child support is to be paid through the clerk of the court in a county of 1,000,000 inhabitants or less, the order shall direct the obligor to pay to the clerk, in addition to the child support payments, all fees imposed by the county board under paragraph (3) of subsection (u) of Section 27.1 of the Clerks of Courts Act. Unless paid in cash or pursuant to an order for withholding, the payment of the fee shall be by a separate instrument from the support payment and shall be made to the order of the Clerk.

(f) All orders for support, when entered or modified, shall include a provision requiring the obligor to notify the court and, in cases in which a party is receiving child and spouse services under Article X of the Illinois Public Aid Code, the Illinois Department of Public Aid, within 7 days, (i) of the name and address of any new employer of the obligor, (ii) whether the obligor has access to health insurance coverage through the employer or other group coverage and, if so, the policy name and number and the names of persons covered under the policy, and (iii) of any new residential or mailing address or telephone number of the non-custodial parent. In any subsequent action to enforce a support order, upon a sufficient showing that a diligent effort has been made to ascertain the location of the non-custodial parent, service of process or provision of notice necessary in the case may be made at the last known address of the non-custodial parent in any manner expressly provided by the Code of Civil Procedure or this Act, which service shall be sufficient for purposes of due process.

(g) An order for support shall include a date on which the current support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the order will attain the age of majority or is otherwise emancipated. The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. Nothing in this subsection shall be construed to prevent the court from modifying the order.

(h) An order entered under this Section shall include a provision requiring the obligor to report to the obligee and to the clerk of court within 10 days each time the obligor obtains new employment, and each time the obligor's employment is terminated for any reason. The report shall be in writing and shall, in the case of
new employment, include the name and address of the new employer. Failure to
report new employment or the termination of current employment, if coupled with
nonpayment of support for a period in excess of 60 days, is indirect criminal
contempt. For any obligor arrested for failure to report new employment bond shall
be set in the amount of the child support that should have been paid during the
period of unreported employment. An order entered under this Section shall also
include a provision requiring the obligor and obligee parents to advise each other of
a change in residence within 5 days of the change except when the court finds that
the physical, mental, or emotional health of a party or that of a minor child, or both,
would be seriously endangered by disclosure of the party's address.

(i) The court does not lose the powers of contempt, driver's license
suspension, or other child support enforcement mechanisms, including, but not
limited to, criminal prosecution as set forth in this Act, upon the emancipation
of the minor child or children.

Sec. 505. Child support; contempt; penalties.

(a) In a proceeding for dissolution of marriage, legal separation, declaration
of invalidity of marriage, a proceeding for child support following dissolution of
the marriage by a court which lacked personal jurisdiction over the absent spouse, a
proceeding for modification of a previous order for child support under Section 510
of this Act, or any proceeding authorized under Section 501 or 601 of this Act, the
court may order either or both parents owing a duty of support to a child of the
marriage to pay an amount reasonable and necessary for his support, without regard
to marital misconduct. The duty of support owed to a child includes the obligation
to provide for the reasonable and necessary physical, mental and emotional health
needs of the child. For purposes of this Section, the term "child" shall include any
child under age 18 and any child under age 19 who is still attending high school.

(1) The Court shall determine the minimum amount of support by
using the following guidelines:

<table>
<thead>
<tr>
<th>Number of Children</th>
<th>Percent of Supporting Party's Net Income</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>20%</td>
</tr>
<tr>

</tr>
</tbody>
</table>

(2) The above guidelines shall be applied in each case unless the court makes a finding that application of the guidelines would be inappropriate, after considering the best interests of the child in light of evidence including but not limited to one or more of the following relevant factors:

(a) the financial resources and needs of the child;
(b) the financial resources and needs of the custodial parent;
(c) the standard of living the child would have enjoyed had the marriage not been dissolved;
(d) the physical and emotional condition of the child, and his educational needs; and
(e) the financial resources and needs of the non-custodial parent.

If the court deviates from the guidelines, the court's finding shall state the amount of support that would have been required under the guidelines, if determinable. The court shall include the reason or reasons for the variance from the guidelines.

(3) "Net income" is defined as the total of all income from all sources, minus the following deductions:

(a) Federal income tax (properly calculated withholding or estimated payments);
(b) State income tax (properly calculated withholding or estimated payments);
(c) Social Security (FICA payments);
(d) Mandatory retirement contributions required by law or as a condition of employment;
(e) Union dues;
(f) Dependent and individual health/hospitalization insurance premiums;
(g) Prior obligations of support or maintenance actually paid pursuant to a court order;
(h) Expenditures for repayment of debts that represent reasonable and necessary expenses for the production of income, medical expenditures necessary to preserve life or health, reasonable expenditures for the benefit of the child and the other parent, exclusive of gifts. The court shall reduce net income in determining the minimum amount of support to be ordered only for the period that such payments are due and shall enter an order containing provisions for its self-executing modification upon termination of such payment period.

New matter indicated by italics - deletions by strikeout
(4) In cases where the court order provides for health/hospitalization insurance coverage pursuant to Section 505.2 of this Act, the premiums for that insurance, or that portion of the premiums for which the supporting party is responsible in the case of insurance provided through an employer's health insurance plan where the employer pays a portion of the premiums, shall be subtracted from net income in determining the minimum amount of support to be ordered.

(4.5) In a proceeding for child support following dissolution of the marriage by a court that lacked personal jurisdiction over the absent spouse, and in which the court is requiring payment of support for the period before the date an order for current support is entered, there is a rebuttable presumption that the supporting party's net income for the prior period was the same as his or her net income at the time the order for current support is entered.

(5) If the net income cannot be determined because of default or any other reason, the court shall order support in an amount considered reasonable in the particular case. The final order in all cases shall state the support level in dollar amounts. However, if the court finds that the child support amount cannot be expressed exclusively as a dollar amount because all or a portion of the payor's net income is uncertain as to source, time of payment, or amount, the court may order a percentage amount of support in addition to a specific dollar amount and enter such other orders as may be necessary to determine and enforce, on a timely basis, the applicable support ordered.

(6) If (i) the non-custodial parent was properly served with a request for discovery of financial information relating to the non-custodial parent's ability to provide child support, (ii) the non-custodial parent failed to comply with the request, despite having been ordered to do so by the court, and (iii) the non-custodial parent is not present at the hearing to determine support despite having received proper notice, then any relevant financial information concerning the non-custodial parent's ability to provide child support that was obtained pursuant to subpoena and proper notice shall be admitted into evidence without the need to establish any further foundation for its admission.

(a-5) In an action to enforce an order for support based on the respondent's failure to make support payments as required by the order, notice of proceedings to hold the respondent in contempt for that failure may be served on the respondent by personal service or by regular mail addressed to the respondent's last known address. The respondent's last

known address may be determined from records of the clerk of the court, from the Federal Case Registry of Child Support Orders, or by any other reasonable means.

(b) Failure of either parent to comply with an order to pay support shall be punishable as in other cases of contempt. In addition to other penalties provided by law the Court may, after finding the parent guilty of contempt, order that the parent be:

(1) placed on probation with such conditions of probation as the Court deems advisable;

(2) sentenced to periodic imprisonment for a period not to exceed 6 months; provided, however, that the Court may permit the parent to be released for periods of time during the day or night to:

(A) work; or

(B) conduct a business or other self-employed occupation.

The Court may further order any part or all of the earnings of a parent during a sentence of periodic imprisonment paid to the Clerk of the Circuit Court or to the parent having custody or to the guardian having custody of the children of the sentenced parent for the support of said children until further order of the Court.

If there is a unity of interest and ownership sufficient to render no financial separation between a non-custodial parent and another person or persons or business entity, the court may pierce the ownership veil of the person, persons, or business entity to discover assets of the non-custodial parent held in the name of that person, those persons, or that business entity. The following circumstances are sufficient to authorize a court to order discovery of the assets of a person, persons, or business entity and to compel the application of any discovered assets toward payment on the judgment for support:

(1) the non-custodial parent and the person, persons, or business entity maintain records together.

(2) the non-custodial parent and the person, persons, or business entity fail to maintain an arms length relationship between themselves with regard to any assets.

(3) the non-custodial parent transfers assets to the person, persons, or business entity with the intent to perpetrate a fraud on the custodial parent.

With respect to assets which are real property, no order entered under this paragraph shall affect the rights of bona fide purchasers, mortgagees, judgment creditors, or other lien holders who acquire their interests in the property prior to the time a notice of lis pendens pursuant to the Code of Civil Procedure or a copy of the order is placed of record in the office of the recorder of deeds for the county in which the real property is located.

The court may also order in cases where the parent is 90 days or more delinquent in payment of support or has been adjudicated in arrears in an amount equal to 90 days obligation or more, that the parent's Illinois driving privileges be suspended until the court determines that the parent is in compliance with the order of support. The court may also order that the parent be issued a family financial responsibility driving permit that would allow limited driving privileges for employment and medical purposes in accordance with Section 7-702.1 of the Illinois Vehicle Code.

The clerk of the circuit court shall certify the order suspending the driving privileges of the parent or granting the issuance of a family financial responsibility driving permit to the Secretary of State on forms prescribed by the Secretary. Upon receipt of the authenticated documents, the Secretary of State shall suspend the parent's driving privileges until further order of the court and shall, if ordered by the court, subject to the provisions of Section 7-702.1 of the Illinois Vehicle Code, issue a family financial responsibility driving permit to the parent.

In addition to the penalties or punishment that may be imposed under this Section, any person whose conduct constitutes a violation of Section 15 of the Non-Support Punishment Act may be prosecuted under that Act, and a person convicted under that Act may be sentenced in accordance with that Act. The sentence may include but need not be limited to a requirement that the person perform community service under Section 50 of that Act or participate in a work alternative program under Section 50 of that Act. A person may not be required to participate in a work alternative program under Section 50 of that Act if the person is currently participating in a work program pursuant to Section 505.1 of this Act.

A support obligation, or any portion of a support obligation, which becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum. An order for support entered or modified on or after January 1, 2002 shall contain a statement that a support obligation required under the order, or any portion of a support obligation required under the order, that becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum. Failure to include the statement in the order for support does not affect the validity of the order or the accrual of interest as provided in this Section.

(c) A one-time charge of 20% is imposable upon the amount of past-due child support owed on July 1, 1988 which has accrued under a support order entered by the court. The charge shall be imposed in accordance with the provisions of Section 10-21 of the Illinois Public Aid Code and shall be enforced by the court upon petition.

(d) Any new or existing support order entered by the court under this Section shall be deemed to be a series of judgments against the person obligated to pay support thereunder, each such judgment to be in the amount of each payment or

installment of support and each such judgment to be deemed entered as of the date
the corresponding payment or installment becomes due under the terms of the
support order. Each such judgment shall have the full force, effect and attributes of
any other judgment of this State, including the ability to be enforced. A lien arises
by operation of law against the real and personal property of the noncustodial
parent for each installment of overdue support owed by the noncustodial parent.

(e) When child support is to be paid through the clerk of the court in a
county of 1,000,000 inhabitants or less, the order shall direct the obligor to pay to
the clerk, in addition to the child support payments, all fees imposed by the county
board under paragraph (3) of subsection (u) of Section 27.1 of the Clerks of Courts
Act. Unless paid in cash or pursuant to an order for withholding, the payment of
the fee shall be by a separate instrument from the support payment and shall be made to
the order of the Clerk.

(f) All orders for support, when entered or modified, shall include a
provision requiring the obligor to notify the court and, in cases in which a party is
receiving child and spouse services under Article X of the Illinois Public Aid Code,
the Illinois Department of Public Aid, within 7 days, (i) of the name and address of
any new employer of the obligor, (ii) whether the obligor has access to health
insurance coverage through the employer or other group coverage and, if so, the
policy name and number and the names of persons covered under the policy, and
(iii) of any new residential or mailing address or telephone number of the non-
custodial parent. In any subsequent action to enforce a support order, upon a
sufficient showing that a diligent effort has been made to ascertain the location of
the non-custodial parent, service of process or provision of notice necessary in the
case may be made at the last known address of the non-custodial parent in any
manner expressly provided by the Code of Civil Procedure or this Act, which
service shall be sufficient for purposes of due process.

(g) An order for support shall include a date on which the current support
obligation terminates. The termination date shall be no earlier than the date on
which the child covered by the order will attain the age of 18. However, if the child
will not graduate from high school until after attaining the age of 18, then the
termination date shall be no earlier than the earlier of the date on which the child's
high school graduation will occur or the date on which the child will attain the age
of 19. The order for support shall state that the termination date does not apply to
any arrearage that may remain unpaid on that date. Nothing in this subsection shall
be construed to prevent the court from modifying the order or terminating the order
in the event the child is otherwise emancipated.

(h) An order entered under this Section shall include a provision requiring
the obligor to report to the obligee and to the clerk of court within 10 days each
time the obligor obtains new employment, and each time the obligor's employment

is terminated for any reason. The report shall be in writing and shall, in the case of new employment, include the name and address of the new employer. Failure to report new employment or the termination of current employment, if coupled with nonpayment of support for a period in excess of 60 days, is indirect criminal contempt. For any obligor arrested for failure to report new employment bond shall be set in the amount of the child support that should have been paid during the period of unreported employment. (i) The court does not lose the powers of contempt, driver's license suspension, or other child support enforcement mechanisms, including, but not limited to, criminal prosecution as set forth in this Act, upon the emancipation of the minor child or children.

PUBLIC ACT 93-0149
(\House Bill No. 3047)

AN ACT concerning physician assistants.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Physician Assistant Practice Act of 1987 is amended by changing Section 7 as follows:
(225 ILCS 95/7) (from Ch. 111, par. 4607)
(Section scheduled to be repealed on January 1, 2008)
Sec. 7. Supervision requirements. No more than 2 physician assistants shall be supervised by the supervising physician, although a physician assistant shall be able to hold more than one professional position. Each supervising physician shall file a notice of supervision of such physician assistant according to the rules of the Department. However, the alternate supervising physician may supervise more than 2 physician assistants when the supervising physician is unable to provide such supervision consistent with the definition of alternate physician in Section 4.

New matter indicated by italics - deletions by strikeout
Physician assistants shall be supervised only by physicians as defined in this Act who are engaged in clinical practice, or in clinical practice in public health or other community health facilities.

Nothing in this Act shall be construed to limit the delegation of tasks or duties by a physician to a nurse or other appropriately trained personnel.

Nothing in this Act shall be construed to prohibit the employment of physician assistants by a hospital, nursing home or other health care facility where such physician assistants function under the supervision of a supervising physician.

Physician assistants may be employed by the Department of Corrections or the Department of Human Services (as successor to the Department of Mental Health and Developmental Disabilities) for service in facilities maintained by such Departments and affiliated training facilities in programs conducted under the authority of the Director of Corrections or the Secretary of Human Services. Each physician assistant employed by the Department of Corrections or the Department of Human Services (as successor to the Department of Mental Health and Developmental Disabilities) shall be under the supervision of a physician engaged in clinical practice and direct patient care. Duties of each physician assistant employed by such Departments are limited to those within the scope of practice of the supervising physician who is fully responsible for all physician assistant activities.

A physician assistant may be employed by a practice group or other entity employing multiple physicians at one or more locations. In that case, one of the physicians practicing at a location shall be designated the supervising physician. The other physicians with that practice group or other entity who practice in the same general type of practice or specialty as the supervising physician may supervise the physician assistant with respect to their patients without being deemed alternate supervising physicians for the purpose of this Act.

Section 10. The Radiation Protection Act of 1990 is amended by changing Sections 5 and 6 as follows:

(420 ILCS 40/5) (from Ch. 111 1/2, par. 210-5)

(Sec. 5. Limitations on application of radiation to human beings and requirements for radiation installation operators providing mammography services.

(a) No person shall intentionally administer radiation to a human being unless such person is licensed to practice a treatment of human ailments by virtue of the Illinois Medical, Dental or Podiatric Medical Practice Acts, or, as physician assistant, advanced practice nurse, technician, nurse, or other assistant, is acting under the supervision, prescription or direction of such licensed person. However, no such physician assistant, advanced practice nurse, technician, nurse, or other assistant acting under the supervision of a person licensed under the Medical Practice Act of 1987, shall administer radiation to

human beings unless accredited by the Department of Nuclear Safety, except that persons
enrolled in a course of education approved by the Department of Nuclear Safety may apply
ionizing radiation to human beings as required by their course of study when under the
direct supervision of a person licensed under the Medical Practice Act of 1987. No person
authorized by this Section to apply ionizing radiation shall apply such radiation except to
those parts of the human body specified in the Act under which such person or his
supervisor is licensed. No person may operate a radiation installation where ionizing
radiation is administered to human beings unless all persons who administer ionizing
radiation in that radiation installation are licensed, accredited, or exempted in accordance
with this Section. Nothing in this Section shall be deemed to relieve a person from
complying with the provisions of Section 10.

(b) In addition, no person shall provide mammography services unless all of the
following requirements are met:

(1) the mammography procedures are performed using a radiation machine
   that is specifically designed for mammography;
(2) the mammography procedures are performed using a radiation machine
   that is used solely for performing mammography procedures;
(3) the mammography procedures are performed using equipment that has
   been subjected to a quality assurance program that satisfies quality assurance
   requirements which the Department shall establish by rule;
(4) beginning one year after the effective date of this amendatory Act of
   1991, if the mammography procedure is performed by a radiologic technologist,
   that technologist, in addition to being accredited by the Department to perform
   radiography, has satisfied training requirements specific to mammography, which
   the Department shall establish by rule.

(c) Every operator of a radiation installation at which mammography services are
provided shall ensure and have confirmed by each mammography patient that the patient is
provided with a pamphlet which is orally reviewed with the patient and which contains the
following:

(1) how to perform breast self-examination;
(2) that early detection of breast cancer is maximized through a combined
   approach, using monthly breast self-examination, a thorough physical examination
   performed by a physician, and mammography performed at recommended
   intervals;
(3) that mammography is the most accurate method for making an early
detection of breast cancer, however, no diagnostic tool is 100% effective;
(4) that if the patient is self-referred and does not have a primary care
   physician, or if the patient is unfamiliar with the breast examination procedures,
   that the patient has received information regarding public health services where she
can obtain a breast examination and instructions.

Sec. 6. Accreditation of administrators of radiation; Limited scope accreditation; Rules and regulations; Education.

(a) The Department shall promulgate such rules and regulations as are necessary to establish accreditation standards and procedures, including a minimum course of education and continuing education requirements in the administration of radiation to human beings, which are appropriate to the classification of accreditation and which are to be met by all physician assistants, advanced practice nurses, nurses, technicians, or other assistants who administer radiation to human beings under the supervision of a person licensed under the Medical Practice Act of 1987. Such rules and regulations may provide for different classes of accreditation based on evidence of national certification, clinical experience or community hardship as conditions of initial and continuing accreditation. The rules and regulations of the Department shall be consistent with national standards in regard to the protection of the health and safety of the general public.

(b) The rules and regulations shall also provide that persons who have been accredited by the Department, in accordance with the Radiation Protection Act, without passing an examination, will remain accredited as provided in Section 43 of this Act and that those persons may be accredited, without passing an examination, to use other equipment, procedures, or supervision within the original category of accreditation if the Department receives written assurances from a person licensed under the Medical Practice Act of 1987, that the person accredited has the necessary skill and qualifications for such additional equipment procedures or supervision. The Department shall, in accordance with subsection (c) of this Section, provide for the accreditation of nurses, technicians, or other assistants, unless exempted elsewhere in this Act, to perform a limited scope of diagnostic radiography procedures of the chest, the extremities, skull and sinuses, or the spine, while under the supervision of a person licensed under the Medical Practice Act of 1987.

(c) The rules or regulations promulgated by the Department pursuant to subsection (a) shall establish standards and procedures for accrediting persons to perform a limited scope of diagnostic radiography procedures. The rules or regulations shall require persons seeking limited scope accreditation to register with the Department as a "student-in-training," and declare those procedures in which the student will be receiving training. The student-in-training registration shall be valid for a period of 16 months, during which the time the student may, under the supervision of a person licensed under the Medical Practice Act of 1987, perform the diagnostic radiography procedures listed on the student's registration. The student-in-training registration shall be nonrenewable.

Upon expiration of the 16 month training period, the student shall be prohibited from performing diagnostic radiography procedures unless accredited by the Department to perform such procedures. In order to be accredited to perform a limited scope of diagnostic...
radiography procedures, an individual must pass an examination offered by the Department. The examination shall be consistent with national standards in regard to protection of public health and safety. The examination shall consist of a standardized component covering general principles applicable to diagnostic radiography procedures and a clinical component specific to the types of procedures for which accreditation is being sought. The Department may assess a reasonable fee for such examinations to cover the costs incurred by the Department in conjunction with offering the examinations.

(d) The Department shall by rule or regulation exempt from accreditation physician assistants, advanced practice nurses, nurses, technicians, or other assistants who administer radiation to human beings under supervision of a person licensed to practice under the Medical Practice Act of 1987 when the services are performed on employees of a business at a medical facility owned and operated by the business. Such exemption shall only apply to the equipment, procedures and supervision specific to the medical facility owned and operated by the business.

PUBLIC ACT 93-0150
(House Bill No. 3608)

AN ACT in relation to public aid.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Public Aid Code is amended by adding Section 9A-9.5 as follows:

(305 ILCS 5/9A-9.5 new)
Sec. 9A-9.5. Health care advocates; committee. The Department of Human Services and the Department of Public Aid shall jointly establish an interagency committee to do the following:

(D) 3 cents per gallon or $6.06 per cubic yard of hazardous waste received for treatment at a hazardous waste treatment site, if the hazardous waste treatment site is located off the site where such waste was produced and if such hazardous waste treatment site is owned, controlled and operated by a person other than the generator of such waste. After treatment at such hazardous waste treatment site, the waste shall not be subject to any other fee imposed by this subsection (b). For purposes of this subsection (b), the term "treatment" is defined as in Section 3.505 but shall not include recycling, reclamation or reuse.

(2) The General Assembly shall annually appropriate to the Fund such amounts as it deems necessary to fulfill the purposes of this Act.

(3) The Agency shall have the authority to accept, receive, and administer on behalf of the State any moneys made available to the State from any source for the purposes of the Hazardous Waste Fund set forth in subsection (d) of this Section.

(4) Of the amount collected as fees provided for in this Section, the Agency shall manage the use of such funds to assure that sufficient funds are available for match towards federal expenditures for response action at sites which are listed on the National Priorities List; provided, however, that this shall not apply to additional monies appropriated to the Fund by the General Assembly, nor shall it apply in the event that the Director finds that revenues in the Hazardous Waste Fund must be used to address conditions which create or may create an immediate danger to the environment or public health or to the welfare of the people of the State of Illinois.

(6) For the purposes of this subsection (b), "monofill" means a facility, or a unit at a facility, that accepts only wastes bearing the same USEPA hazardous waste identification number, or compatible wastes as determined by the Agency.

(c) The Agency shall establish procedures, not later than January 1, 1984, relating to the collection of the fees authorized by this Section. Such procedures shall include, but not be limited to: (1) necessary records identifying the quantities of hazardous waste received or disposed; (2) the form and submission of reports to accompany the payment of fees to the Agency; and (3) the time and manner of payment of fees to the Agency, which payments shall be not more often than quarterly.

(d) Beginning July 1, 1996, the Agency shall deposit all such receipts in the State Treasury to the credit of the Hazardous Waste Fund, except as provided in subsection (e) of this Section. All monies in the Hazardous Waste Fund shall be used by the Agency for the following purposes:

(e) The Agency shall deposit 10% of all receipts collected under subsection (b) of this Section, but not to exceed $200,000 per year, in the State Treasury to the credit of the Hazardous Waste Research Fund established by this Act. Pursuant to appropriation, all monies in such Fund shall be used by the Department of Natural Resources for the purposes set forth in this subsection.

The Department of Natural Resources may enter into contracts with business, industrial, university, governmental or other qualified individuals or organizations to assist in the research and development intended to recycle, reduce the volume of, separate, detoxify or reduce the hazardous properties of hazardous wastes in Illinois. Monies in the Fund may also be used by the Department of Natural Resources for technical studies, monitoring activities, and educational and research activities which are related to the protection of underground waters. Monies in the Hazardous Waste Research Fund may be used to administer the Illinois Health and Hazardous Substances Registry Act. Monies in the Hazardous Waste Research Fund shall not be used for any sanitary landfill or the acquisition or construction of any facility. This does not preclude the purchase of equipment for the purpose of public demonstration projects. The Department of Natural Resources shall adopt guidelines for cost sharing, selecting, and administering projects under this subsection.

(f) Notwithstanding any other provision or rule of law, and subject only to the defenses set forth in subsection (j) of this Section, the following persons shall be liable for all costs of removal or remedial action incurred by the State of Illinois or any unit of local government as a result of a release or substantial threat of a release of a hazardous substance or pesticide:

(1) the owner and operator of a facility or vessel from which there is a release or substantial threat of release of a hazardous substance or pesticide;

(2) any person who at the time of disposal, transport, storage or treatment of a hazardous substance or pesticide owned or operated the facility or vessel used for such disposal, transport, treatment or storage from which there was a release or substantial threat of a release of any such hazardous substance or pesticide;

(3) any person who by contract, agreement, or otherwise has arranged with another party or entity for transport, storage, disposal or treatment of hazardous substances or pesticides owned, controlled or possessed by such person at a facility owned or operated by another party or entity from which facility there is a release or substantial threat of a release of such hazardous substances or pesticides; and

(4) any person who accepts or accepted any hazardous substances or pesticides for transport to disposal, storage or treatment facilities or sites from which there is a release or a substantial threat of a release of a hazardous substance or pesticide.

Any monies received by the State of Illinois pursuant to this subsection (f) shall be deposited in the State Treasury to the credit of the Hazardous Waste Fund.

In accordance with the other provisions of this Section, costs of removal or remedial action incurred by a unit of local government may be recovered in an action before the Board brought by the unit of local government under subsection (i) of this Section. Any monies so recovered shall be paid to the unit of local government.

(g)(1) No indemnification, hold harmless, or similar agreement or conveyance shall be effective to transfer from the owner or operator of any vessel or facility or from any person who may be liable for a release or substantial threat of a release under this Section, to any other person the liability imposed under this Section. Nothing in this Section shall bar any agreement to insure, hold harmless or indemnify a party to such agreements for any liability under this Section.

(2) Nothing in this Section, including the provisions of paragraph (g)(1) of this Section, shall bar a cause of action that an owner or operator or any other person subject to liability under this Section, or a guarantor, has or would have, by reason of subrogation or otherwise against any person.

(h) For purposes of this Section:

(1) The term "facility" means:

(A) any building, structure, installation, equipment, pipe or pipeline including but not limited to any pipe into a sewer or publicly owned treatment works, well, pit, pond, lagoon, impoundment, ditch, landfill, storage container, motor vehicle, rolling stock, or aircraft; or

(2) The term "owner or operator" means:

(A) any person owning or operating a vessel or facility;

(B) in the case of an abandoned facility, any person owning or operating the abandoned facility or any person who owned, operated, or otherwise controlled activities at the abandoned facility immediately prior to such abandonment;

security interest held by the financial institution or under the terms of an extension of credit made by the financial institution, the financial institution only if the financial institution takes possession of the vessel or facility and the financial institution exercises actual, direct, and continual or recurrent managerial control in the operation of the vessel or facility that causes a release or substantial threat of a release of a hazardous substance or pesticide resulting in removal or remedial action;

(F) In the case of an owner of residential property, the owner if the owner is a person other than an individual, or if the owner is an individual who owns more than 10 dwelling units in Illinois, or if the owner, or an agent, representative, contractor, or employee of the owner, has caused, contributed to, or allowed the release or threatened release of a hazardous substance or pesticide. The term "residential property" means single family residences of one to 4 dwelling units, including accessory land, buildings, or improvements incidental to those dwellings that are exclusively used for the residential use. For purposes of this subparagraph (F), the term "individual" means a natural person, and shall not include corporations, partnerships, trusts, or other non-natural persons.

(G) In the case of any facility, title or control of which was conveyed due to bankruptcy, foreclosure, tax delinquency, abandonment, or similar means to a unit of State or local government, any person who owned, operated, or otherwise controlled activities at the facility immediately beforehand.

(H) The term "owner or operator" does not include a unit of State or local government which acquired ownership or control through bankruptcy, tax delinquency, abandonment, or other circumstances in which the government acquires title by virtue of its function as sovereign. The exclusion provided under this paragraph shall not apply to any State or local government which has caused or contributed to the release or threatened release of a hazardous substance from the facility, and such a State or local government shall be subject to the provisions of this Act in the same manner and to the same extent, both procedurally and substantively, as any nongovernmental entity, including liability under Section 22.2(f).

(i) The costs and damages provided for in this Section may be imposed by the Board in an action brought before the Board in accordance with Title VIII of this Act, except that Section 33(c) of this Act shall not apply to any such action.

(j) (1) There shall be no liability under this Section for a person otherwise liable who can establish by a preponderance of the evidence that the release or substantial threat of release of a hazardous substance and the damages resulting therefrom were caused solely by:
(A) an act of God;
(B) an act of war;
(C) an act or omission of a third party other than an employee or agent of the defendant, or other than one whose act or omission occurs in connection with a contractual relationship, existing directly or indirectly, with the defendant (except where the sole contractual arrangement arises from a published tariff and acceptance for carriage by a common carrier by rail), if the defendant establishes by a preponderance of the evidence that (i) he exercised due care with respect to the hazardous substance concerned, taking into consideration the characteristics of such hazardous substance, in light of all relevant facts and circumstances, and (ii) he took precautions against foreseeable acts or omissions of any such third party and the consequences that could foreseeably result from such acts or omissions; or
(D) any combination of the foregoing paragraphs.

(2) There shall be no liability under this Section for any release permitted by State or federal law.

(3) There shall be no liability under this Section for damages as a result of actions taken or omitted in the course of rendering care, assistance, or advice in accordance with this Section or the National Contingency Plan pursuant to the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (P.L. 96-510) or at the direction of an on-scene coordinator appointed under such plan, with respect to an incident creating a danger to public health or welfare or the environment as a result of any release of a hazardous substance or a substantial threat thereof. This subsection shall not preclude liability for damages as the result of gross negligence or intentional misconduct on the part of such person. For the purposes of the preceding sentence, reckless, willful, or wanton misconduct shall constitute gross negligence.

(4) There shall be no liability under this Section for any person (including, but not limited to, an owner of residential property who applies a pesticide to the residential property or who has another person apply a pesticide to the residential property) for response costs or damages as the result of the storage, handling and use, or recommendation for storage, handling and use, of a pesticide consistent with:
   (A) its directions for storage, handling and use as stated in its label or labeling;

(5) Nothing in this subsection (j) shall affect or modify in any way the obligations or liability of any person under any other provision of this Act or State or federal law, including common law, for damages, injury, or loss resulting from a release or substantial threat of a release of any hazardous substance or for removal or remedial action or the costs of removal or remedial action of such hazardous substance.

(6)(A) The term "contractual relationship", for the purpose of this subsection includes, but is not limited to, land contracts, deeds or other instruments transferring title or possession, unless the real property on which the facility concerned is located was acquired by the defendant after the disposal or placement of the hazardous substance on, in, or at the facility, and one or more of the circumstances described in clause (i), (ii), or (iii) of this paragraph is also established by the defendant by a preponderance of the evidence:

(i) At the time the defendant acquired the facility the defendant did not know and had no reason to know that any hazardous substance which is the subject of the release or threatened release was disposed of on, in or at the facility.

(ii) The defendant is a government entity which acquired the facility by escheat, or through any other involuntary transfer or acquisition, or through the exercise of eminent domain authority by purchase or condemnation.

(iii) The defendant acquired the facility by inheritance or bequest.

In addition to establishing the foregoing, the defendant must establish that he has satisfied the requirements of subparagraph (C) of paragraph (l) of this subsection (j).

(B) To establish the defendant had no reason to know, as provided in clause (i) of subparagraph (A) of this paragraph, the defendant must have undertaken, at the time of acquisition, all appropriate inquiry into the previous ownership and uses of the property consistent with good commercial or customary practice in an effort to minimize liability. For purposes of the preceding sentence, the court shall take into account any specialized knowledge or experience on the part of the defendant, the relationship of the purchase price to the value of the property if uncontaminated, commonly known or reasonably ascertainable information about the property, the obviousness of the presence or likely presence of contamination at the property, and the ability to detect such contamination by appropriate inspection.

(C) Nothing in this paragraph (6) or in subparagraph (C) of paragraph (1) of this subsection shall diminish the liability of any previous owner or operator of such facility

Notwithstanding this paragraph (6), if the defendant obtained actual knowledge of the release or threatened release of a hazardous substance at such facility when the defendant owned the real property and then subsequently transferred ownership of the property to another person without disclosing such knowledge, such defendant shall be treated as liable under subsection (f) of this Section and no defense under subparagraph (C) of paragraph (1) of this subsection shall be available to such defendant.

(D) Nothing in this paragraph (6) shall affect the liability under this Act of a defendant who, by any act or omission, caused or contributed to the release or threatened release of a hazardous substance which is the subject of the action relating to the facility.

(E) (i) Except as provided in clause (ii) of this subparagraph (E), a defendant who has acquired real property shall have established a rebuttable presumption against all State claims and a conclusive presumption against all private party claims that the defendant has made all appropriate inquiry within the meaning of subdivision (6)(B) of this subsection (j) if the defendant proves that immediately prior to or at the time of the acquisition:

(I) the defendant obtained a Phase I Environmental Audit of the real property that meets or exceeds the requirements of this subparagraph (E), and the Phase I Environmental Audit did not disclose the presence or likely presence of a release or a substantial threat of a release of a hazardous substance or pesticide at, on, to, or from the real property; or

(II) the defendant obtained a Phase II Environmental Audit of the real property that meets or exceeds the requirements of this subparagraph (E), and the Phase II Environmental Audit did not disclose the presence or likely presence of a release or a substantial threat of a release of a hazardous substance or pesticide at, on, to, or from the real property.

(ii) No presumption shall be created under clause (i) of this subparagraph (E), and a defendant shall be precluded from demonstrating that the defendant has made all appropriate inquiry within the meaning of subdivision (6)(B) of this subsection (j), if:

(I) the defendant fails to obtain all Environmental Audits required under this subparagraph (E) or any such Environmental Audit fails to meet or exceed the requirements of this subparagraph (E);

(II) a Phase I Environmental Audit discloses the presence or likely presence of a release or a substantial threat of a release of a hazardous substance or pesticide at, on, to, or from real property, and the defendant fails to obtain a Phase II Environmental Audit;

(III) a Phase II Environmental Audit discloses the presence or likely presence of a release or a substantial threat of a release of a hazardous substance or pesticide at, on, to, or from the real property;
(IV) the defendant fails to maintain a written compilation and explanatory summary report of the information reviewed in the course of each Environmental Audit under this subparagraph (E); or

(V) there is any evidence of fraud, material concealment, or material misrepresentation by the defendant of environmental conditions or of related information discovered during the course of an Environmental Audit.

(iii) For purposes of this subparagraph (E), the term "environmental professional" means an individual (other than a practicing attorney) who, through academic training, occupational experience, and reputation (such as engineers, industrial hygienists, or geologists) can objectively conduct one or more aspects of an Environmental Audit and who either:

(I) maintains at the time of the Environmental Audit and for at least one year thereafter at least $500,000 of environmental consultants' professional liability insurance coverage issued by an insurance company licensed to do business in Illinois; or

(II) is an Illinois licensed professional engineer or an Illinois licensed industrial hygienist.

An environmental professional may employ persons who are not environmental professionals to assist in the preparation of an Environmental Audit if such persons are under the direct supervision and control of the environmental professional.

(iv) For purposes of this subparagraph (E), the term "real property" means any interest in any parcel of land, and includes, but is not limited to, buildings, fixtures, and improvements.

(v) For purposes of this subparagraph (E), the term "Phase I Environmental Audit" means an investigation of real property, conducted by environmental professionals, to discover the presence or likely presence of a release or a substantial threat of a release of a hazardous substance or pesticide at, on, to, or from real property, and whether a release or a substantial threat of a release of a hazardous substance or pesticide has occurred or may occur at, on, to, or from the real property. Until such time as the United States Environmental Protection Agency establishes standards for making appropriate inquiry into the previous ownership and uses of the facility pursuant to 42 U.S.C. Sec. 9601(35)(B)(ii), the investigation shall comply with the procedures of the American Society for Testing and Materials, including the document known as Standard E1527-97, entitled "Standard Procedures for Environmental Site Assessment: Phase I(Environmental Site Assessment Process". Upon their adoption, the standards promulgated by USEPA pursuant to 42 U.S.C. Sec. 9601(35)(B)(ii) shall govern the performance of Phase I Environmental Audits. In addition to the above requirements, the Phase I Environmental Audit shall include a review of recorded land title records for the purpose of determining whether the real property is subject to an environmental land use restriction such as a No Further Remediation Letter, Environmental Land Use Control, or Highway Authority Agreement.

The investigation shall include a review of at least each of the following sources of information concerning the current and previous ownership and use of the real property:

(I) Recorded chain of title documents regarding the real property, including all deeds, easements, leases, restrictions, and covenants for a period of 50 years.

(II) Aerial photographs that may reflect prior uses of the real property and that are reasonably obtainable through State, federal, or local government agencies or bodies.

(III) Recorded environmental cleanup liens, if any, against the real property that have arisen pursuant to this Act or federal statutes.

(IV) Reasonably obtainable State, federal, and local government records of sites or facilities at, on, or near the real property to discover the presence or likely presence of a hazardous substance or pesticide, and whether a release or a substantial threat of a release of a hazardous substance or pesticide has occurred or may occur at, on, to, or from the real property. Such government records shall include, but not be limited to: reasonably obtainable State, federal, and local government investigation reports for those sites or facilities; reasonably obtainable State, federal, and local government records of activities likely to cause or contribute to a release or a threatened release of a hazardous substance or pesticide at, on, to, or from the real property, including landfill and other treatment, storage, and disposal location records, underground storage tank records, hazardous waste transporter and generator records, and spill reporting records; and other reasonably obtainable State, federal, and local government environmental records that report incidents or activities that are likely to cause or contribute to a release or a threatened release of a hazardous substance or pesticide at, on, to, or from the real property. In order to be deemed "reasonably obtainable" as required herein, a copy or reasonable facsimile of the record must be obtainable from the government agency by request and upon payment of a processing fee, if any, established by the government agency. The Agency is authorized to establish a reasonable fee for processing requests received under this subparagraph (E) for records. All fees collected by the Agency under this clause (V)(IV) shall be deposited into the Environmental Protection Permit and Inspection Fund in accordance with Section 22.8.

Notwithstanding any other law, if the fee is paid, the Agency shall process a request received under this subparagraph (E) for records within 30 days of the receipt of such request.

(V) A visual site inspection of the real property and all facilities and improvements on the real property and a visual inspection of properties immediately adjacent to the real property, including an investigation of any use, storage, treatment, spills from use, or disposal of hazardous substances, hazardous wastes, solid wastes, or pesticides. If the person conducting the investigation is
denied access to any property adjacent to the real property, the person shall conduct a visual inspection of that adjacent property from the property to which the person does have access and from public rights-of-way:

(VI) A review of business records for activities at or on the real property for a period of 50 years.

(vi) For purposes of subparagraph (E), the term "Phase II Environmental Audit" means an investigation of real property, conducted by environmental professionals, subsequent to a Phase I Environmental Audit. If the Phase I Environmental Audit discloses the presence or likely presence of a hazardous substance or a pesticide or a release or a substantial threat of a release of a hazardous substance or pesticide:

(I) In or to soil, the defendant, as part of the Phase II Environmental Audit, shall perform a series of soil borings sufficient to determine whether there is a presence or likely presence of a hazardous substance or pesticide and whether there is or has been a release or a substantial threat of a release of a hazardous substance or pesticide at, on, to, or from the real property.

(II) In or to groundwater, the defendant, as part of the Phase II Environmental Audit, shall: review information regarding local geology, water well locations, and locations of waters of the State as may be obtained from State, federal, and local government records, including but not limited to the United States Geological Service, the State Geological Survey Division of the Department of Natural Resources, and the State Water Survey Division of the Department of Natural Resources; and perform groundwater monitoring sufficient to determine whether there is a presence or likely presence of a hazardous substance or pesticide, and whether there is or has been a release or a substantial threat of a release of a hazardous substance or pesticide at, on, to, or from the real property.

(III) On or to media other than soil or groundwater, the defendant, as part of the Phase II Environmental Audit, shall perform an investigation sufficient to determine whether there is a presence or likely presence of a hazardous substance or pesticide, and whether there is or has been a release or a substantial threat of a release of a hazardous substance or pesticide at, on, to, or from the real property.

(vii) The findings of each Environmental Audit prepared under this subparagraph (E) shall be set forth in a written audit report. Each audit report shall contain an affirmation by the defendant and by each environmental professional who prepared the Environmental Audit that the facts stated in the report are true and are made under a penalty of perjury as defined in Section 32-2 of the Criminal Code of 1961. It is perjury for any person to sign an audit report that contains a false material statement that the person does not believe to be true.

(viii) The Agency is not required to review, approve, or certify the results of any Environmental Audit. The performance of an Environmental Audit shall in no way entitle a
defendant to a presumption of Agency approval or certification of the results of the Environmental Audit.

The presence or absence of a disclosure document prepared under the Responsible Property Transfer Act of 1988 shall not be a defense under this Act and shall not satisfy the requirements of subdivision (6)(A) of this subsection (j).

(7) No person shall be liable under this Section for response costs or damages as the result of a pesticide release if the Agency has found that a pesticide release occurred based on a Health Advisory issued by the U.S. Environmental Protection Agency or an action level developed by the Agency, unless the Agency notified the manufacturer of the pesticide and provided an opportunity of not less than 30 days for the manufacturer to comment on the technical and scientific justification supporting the Health Advisory or action level.

(8) No person shall be liable under this Section for response costs or damages as the result of a pesticide release that occurs in the course of a farm pesticide collection program operated under Section 19.1 of the Illinois Pesticide Act, unless the release results from gross negligence or intentional misconduct.

(k) If any person who is liable for a release or substantial threat of release of a hazardous substance or pesticide fails without sufficient cause to provide removal or remedial action upon or in accordance with a notice and request by the Agency or upon or in accordance with any order of the Board or any court, such person may be liable to the State for punitive damages in an amount at least equal to, and not more than 3 times, the amount of any costs incurred by the State of Illinois as a result of such failure to take such removal or remedial action. The punitive damages imposed by the Board shall be in addition to any costs recovered from such person pursuant to this Section and in addition to any other penalty or relief provided by this Act or any other law.

Any monies received by the State pursuant to this subsection (k) shall be deposited in the Hazardous Waste Fund.

(l) Beginning January 1, 1988, the Agency shall annually collect a $250 fee for each Special Waste Hauling Permit Application and, in addition, shall collect a fee of $20 for each waste hauling vehicle identified in the annual permit application and for each vehicle which is added to the permit during the annual period. The Agency shall deposit 85% of such fees collected under this subsection in the State Treasury to the credit of the Hazardous Waste Research Fund; and shall deposit the remaining 15% of such fees collected in the State Treasury to the credit of the Environmental Protection Permit and Inspection Fund. The majority of such receipts which are deposited in the Hazardous Waste Research Fund pursuant to this subsection shall be used by the Department of Natural Resources for activities which relate to the protection of underground waters. Persons engaged in the offsite transportation of hazardous waste by highway and participating in the Uniform Program under subsection (l-5) are not required to file a Special Waste Hauling Permit Application.

(1-5) (1) As used in this subsection:
"Base state" means the state selected by a transporter according to the procedures established under the Uniform Program.
"Base state agreement" means an agreement between participating states electing to register or permit transporters.
"Participating state" means a state electing to participate in the Uniform Program by entering into a base state agreement.
"Transporter" means a person engaged in the offsite transportation of hazardous waste by highway.
"Uniform application" means the uniform registration and permit application form prescribed under the Uniform Program.

"Vehicle" means any self-propelled motor vehicle, except a truck tractor without a trailer, designed or used for the transportation of hazardous waste subject to the hazardous waste manifesting requirements of 40 U.S.C. Section 6923(a)(3).

(2) Beginning July 1, 1998, the Agency shall implement the Uniform State Hazardous Materials Transportation Registration and Permit Program. On and after that date, no person shall engage in the offsite transportation of hazardous waste by highway without registering and obtaining a permit under the Uniform Program. A transporter with its principal place of business in Illinois shall register with and obtain a permit from the Agency. A transporter that designates another participating state in the Uniform Program as its base state shall likewise register with and obtain a permit from that state before transporting hazardous waste in Illinois.

(3) Beginning July 1, 1998, the Agency shall annually collect no more than a $250 processing and audit fee from each transporter of hazardous waste who has filed a uniform application and, in addition, the Agency shall annually collect an apportioned vehicle registration fee of $20. The amount of the apportioned vehicle registration fee shall be calculated consistent with the procedures established under the Uniform Program.

All moneys received by the Agency from the collection of fees pursuant to the Uniform Program shall be deposited into the Hazardous Waste Transporter account hereby created within the Environmental Protection Permit and Inspection Fund. Moneys remaining in the account at the close of the fiscal year shall not lapse to the General Revenue Fund. The State Treasurer may receive money or other assets from any source for deposit into the account. The Agency may expend moneys from the account, upon appropriation, for the implementation of the Uniform Program, including the costs to the Agency of fee collection and

administration. In addition, funds not expended for the implementation of the Uniform Program may be utilized for emergency response and cleanup activities related to hazardous waste transportation that are initiated by the Agency.

Whenever the amount of the Hazardous Waste Transporter account exceeds by 115% the amount annually appropriated by the General Assembly, the Agency shall credit participating transporters an amount, proportionately based on the amount of the vehicle fee paid, equal to the excess in the account, and shall determine the need to reduce the amount of the fee charged transporters in the subsequent fiscal year by the amount of the credit.

(4) (A) The Agency may propose and the Board shall adopt rules as necessary to implement and enforce the Uniform Program. The Agency is authorized to enter into agreements with other agencies of this State as necessary to carry out administrative functions or enforcement of the Uniform Program.

(B) The Agency shall recognize a Uniform Program registration as valid for one year from the date a notice of registration form is issued and a permit as valid for 3 years from the date issued or until a transporter fails to renew its registration, whichever occurs first.

(C) The Agency may inspect or examine any motor vehicle or facility operated by a transporter, including papers, books, records, documents, or other materials to determine if a transporter is complying with the Uniform Program. The Agency may also conduct investigations and audits as necessary to determine if a transporter is entitled to a permit or to make suspension or revocation determinations consistent with the standards of the Uniform Program.

(5) The Agency may enter into agreements with federal agencies, national repositories, or other participating states as necessary to allow for the reciprocal registration and permitting of transporters pursuant to the Uniform Program. The agreements may include procedures for determining a base state, the collection and distribution of registration fees, dispute resolution, the exchange of information for reporting and enforcement purposes, and other provisions necessary to fully implement, administer, and enforce the Uniform Program.

Sec. 31. Notice; complaint; hearing.

(a)(1) Within 180 days of becoming aware of an alleged violation of the Act or any rule adopted under the Act or of a permit granted by the Agency or condition of the permit, the Agency shall issue and serve, by certified mail, upon the person complained against a written notice informing that person that the Agency has evidence of the alleged violation. At a minimum, the written notice shall contain:

(A) notification to the person complained against of the requirement to submit a written response addressing the violations alleged and the option to meet with appropriate agency personnel to resolve any alleged violations that could lead to the filing of a formal complaint;

(B) a detailed explanation by the Agency of the violations alleged;

(C) an explanation by the Agency of the actions that the Agency believes may resolve the alleged violations, including an estimate of a reasonable time period for the person complained against to complete the suggested resolution; and

(D) an explanation of any alleged violation that the Agency believes cannot be resolved without the involvement of the Office of the Illinois Attorney General or the State's Attorney of the county in which the alleged violation occurred and the basis for the Agency's belief.

(2) A written response to the violations alleged shall be submitted to the Agency, by certified mail, within 45 days of receipt of notice by the person.

complained against, unless the Agency agrees to an extension. The written response shall include:

(A) information in rebuttal, explanation or justification of each alleged violation;

(B) a proposed Compliance Commitment Agreement that includes specified times for achieving each commitment and which may consist of a statement indicating that the person complained against believes that compliance has been achieved; and

(C) a request for a meeting with appropriate Agency personnel if a meeting is desired by the person complained against.

(3) If the person complained against fails to respond in accordance with the requirements of subdivision (2) of this subsection (a), the failure to respond shall be considered a waiver of the requirements of this subsection (a) and nothing in this Section shall preclude the Agency from proceeding pursuant to subsection (b) of this Section.

(4) A meeting requested pursuant to subdivision (2) of this subsection (a) shall be held without a representative of the Office of the Illinois Attorney General or the State's Attorney of the county in which the alleged violation occurred, within 60 days of receipt of notice by the person complained against, unless the Agency agrees to a postponement. At the meeting, the Agency shall provide an opportunity for the person complained against to respond to each alleged violation, suggested resolution, and suggested implementation time frame, and to suggest alternate resolutions.

(5) If a meeting requested pursuant to subdivision (2) of this subsection (a) is held, the person complained against shall, within 21 days following the meeting or within an extended time period as agreed to by the Agency, submit by certified mail to the Agency a written response to the alleged violations. The written response shall include:

(A) additional information in rebuttal, explanation or justification of each alleged violation;

(B) a proposed Compliance Commitment Agreement that includes specified times for achieving each commitment and which may consist of a statement indicating that the person complained against believes that compliance has been achieved; and

(C) a statement indicating that, should the person complained against so wish, the person complained against chooses to rely upon the initial written response submitted pursuant to subdivision (2) of this subsection (a).

(6) If the person complained against fails to respond in accordance with the requirements of subdivision (5) of this subsection (a), the failure to respond shall be considered a waiver of the requirements of this subsection (a) and nothing in this
Section shall preclude the Agency from proceeding pursuant to subsection (b) of this Section.

(7) Within 30 days of the Agency's receipt of a written response submitted by the person complained against pursuant to subdivision (2) of this subsection (a), if a meeting is not requested, or subdivision (5) of this subsection (a), if a meeting is held, or within a later time period as agreed to by the Agency and the person complained against, the Agency shall issue and serve, by certified mail, upon the person complained against a written notice informing the person of its acceptance, rejection, or proposed modification to the proposed Compliance Commitment Agreement as contained within the written response.

(8) Nothing in this subsection (a) is intended to require the Agency to enter into Compliance Commitment Agreements for any alleged violation that the Agency believes cannot be resolved without the involvement of the Office of the Attorney General or the State's Attorney of the county in which the alleged violation occurred, for, among other purposes, the imposition of statutory penalties.

(9) The Agency's failure to respond to a written response submitted pursuant to subdivision (2) of this subsection (a), if a meeting is not requested, or subdivision (5) of this subsection (a), if a meeting is held, within 30 days, or within the time period otherwise agreed to in writing by the Agency and the person complained against, shall be deemed an acceptance by the Agency of the proposed Compliance Commitment Agreement for the violations alleged in the written notice issued under subdivision (1) of this subsection (a) as contained within the written response.

(10) If the person complained against complies with the terms of a Compliance Commitment Agreement accepted pursuant to this subsection (a), the Agency shall not refer the alleged violations which are the subject of the Compliance Commitment Agreement to the Office of the Illinois Attorney General or the State's Attorney of the county in which the alleged violation occurred. However, nothing in this subsection is intended to preclude the Agency from continuing negotiations with the person complained against or from proceeding pursuant to the provisions of subsection (b) of this Section for alleged violations which remain the subject of disagreement between the Agency and the person complained against following fulfillment of the requirements of this subsection (a).

(11) Nothing in this subsection (a) is intended to preclude the person complained against from submitting to the Agency, by certified mail, at any time, notification that the person complained against consents to waiver of the requirements of subsections (a) and (b) of this Section.

(b) For alleged violations that remain the subject of disagreement between the Agency and the person complained against following fulfillment of the requirements of subsection (a) of this Section, and as a precondition to the Agency's referral or request to

the Office of the Illinois Attorney General or the State's Attorney of the county in which the alleged violation occurred for legal representation regarding an alleged violation that may be addressed pursuant to subsection (c) or (d) of this Section or pursuant to Section 42 of this Act, the Agency shall issue and serve, by certified mail, upon the person complained against a written notice informing that person that the Agency intends to pursue legal action. Such notice shall notify the person complained against of the violations to be alleged and offer the person an opportunity to meet with appropriate Agency personnel in an effort to resolve any alleged violations that could lead to the filing of a formal complaint. The meeting with Agency personnel shall be held within 30 days of receipt of notice served pursuant to this subsection upon the person complained against, unless the Agency agrees to a postponement or the person notifies the Agency that he or she will not appear at a meeting within the 30 day time period. Nothing in this subsection is intended to preclude the Agency from following the provisions of subsection (c) or (d) of this Section or from requesting the legal representation of the Office of the Illinois Attorney General or the State's Attorney of the county in which the alleged violations occurred for alleged violations which remain the subject of disagreement between the Agency and the person complained against after the provisions of this subsection are fulfilled.

(c)(1) For alleged violations which remain the subject of disagreement between the Agency and the person complained against following waiver, pursuant to subdivision (10) of subsection (a) of this Section, or fulfillment of the requirements of subsections (a) and (b) of this Section, the Office of the Illinois Attorney General or the State's Attorney of the county in which the alleged violation occurred shall issue and serve upon the person complained against a written notice, together with a formal complaint, which shall specify the provision of the Act or the rule or regulation or permit or term or condition thereof under which such person is said to be in violation, and a statement of the manner in, and the extent to which such person is said to violate the Act or such rule or regulation or permit or term or condition thereof and shall require the person so complained against to answer the charges of such formal complaint at a hearing before the Board at a time not less than 21 days after the date of notice by the Board, except as provided in Section 34 of this Act. Such complaint shall be accompanied by a notification to the defendant that financing may be available, through the Illinois Environmental Facilities Financing Act, to correct such violation. A copy of such notice of such hearings shall also be sent to any person that has complained to the Agency respecting the respondent within the six months preceding the date of the complaint, and to any person in the county in which the offending activity occurred that has requested notice of enforcement proceedings; 21 days notice of such hearings shall also be published in a newspaper of general circulation in such county. The respondent may file a written answer, and at such hearing the rules prescribed in Sections 32 and 33 of this Act shall apply. In the case of actual or threatened acts outside Illinois

contributing to environmental damage in Illinois, the extraterritorial service-of-process provisions of Sections 2-208 and 2-209 of the Code of Civil Procedure shall apply.

With respect to notices served pursuant to this subsection (c)(1) which involve hazardous material or wastes in any manner, the Agency shall annually publish a list of all such notices served. The list shall include the date the investigation commenced, the date notice was sent, the date the matter was referred to the Attorney General, if applicable, and the current status of the matter.

(2) Notwithstanding the provisions of subdivision (1) of this subsection (c), whenever a complaint has been filed on behalf of the Agency or by the People of the State of Illinois, the parties may file with the Board a stipulation and proposal for settlement accompanied by a request for relief from the requirement of a hearing pursuant to subdivision (1). Unless the Board, in its discretion, concludes that a hearing will be held, the Board shall cause notice of the stipulation, proposal and request for relief to be published and sent in the same manner as is required for hearing pursuant to subdivision (1) of this subsection. The notice shall include a statement that any person may file a written demand for hearing within 21 days after receiving the notice. If any person files a timely written demand for hearing, the Board shall deny the request for relief from a hearing and shall hold a hearing in accordance with the provisions of subdivision (1).

(3) Notwithstanding the provisions of subdivision (1) of this subsection (c), if the Agency becomes aware of a violation of this Act arising from, or as a result of, voluntary pollution prevention activities, the Agency shall not proceed with the written notice required by subsection (a) of this Section unless:

(A) the person fails to take corrective action or eliminate the reported violation within a reasonable time; or

(B) the Agency believes that the violation poses a substantial and imminent danger to the public health or welfare or the environment. For the purposes of this item (B), "substantial and imminent danger" means a danger with a likelihood of serious or irreversible harm.

(d)(1) Any person may file with the Board a complaint, meeting the requirements of subsection (c) of this Section, against any person allegedly violating this Act, any rule or regulation adopted under this Act, any permit or term or condition of a permit, or any Board order, or any rule or regulation thereunder or any permit or term or condition thereof. The complainant shall immediately serve a copy of such complaint upon the person or persons named therein. Unless the Board determines that such complaint is duplicative or frivolous, it shall schedule a hearing and serve written notice thereof upon the person or persons named therein, in accord with subsection (c) of this Section.
(2) Whenever a complaint has been filed by a person other than the Attorney General or the State’s Attorney, the parties may file with the Board a stipulation and proposal for settlement accompanied by a request for relief from the hearing requirement of subdivision (c)(1) of this Section. Unless the Board, in its discretion, concludes that a hearing should be held, no hearing on the stipulation and proposal for settlement is required.

(e) In hearings before the Board under this Title the burden shall be on the Agency or other complainant to show either that the respondent has caused or threatened to cause air or water pollution or that the respondent has violated or threatens to violate any provision of this Act or any rule or regulation of the Board or permit or term or condition thereof. If such proof has been made, the burden shall be on the respondent to show that compliance with the Board's regulations would impose an arbitrary or unreasonable hardship.

(f) The provisions of this Section shall not apply to administrative citation actions commenced under Section 31.1 of this Act.

Sec. 33. Board orders.

(a) After due consideration of the written and oral statements, the testimony and arguments that shall be submitted at the hearing, or upon default in appearance of the respondent on return day specified in the notice, the Board shall issue and enter such final order, or make such final determination, as it shall deem appropriate under the circumstances. It shall not be a defense to findings of violations of the provisions of this Act, any rule or regulation adopted under this Act, any permit or term or condition of a permit, or any Board order, the Act or Board regulations or a bar to the assessment of civil penalties that the person has come into compliance subsequent to the violation, except where such action is barred by any applicable State or federal statute of limitation. In all such matters the Board shall file and publish a written opinion stating the facts and reasons leading to its decision. The Board shall immediately notify the respondent of such order in writing by registered mail.

(b) Such order may include a direction to cease and desist from violations of this Act, any rule or regulation adopted under this Act, any permit or term or condition of a permit, or any Board order, the Act or Board regulations or the imposition by the Board of civil penalties in accord with Section 42 of this Act. The Board may also revoke the permit as a penalty for violation. If such order includes a reasonable delay during which to correct a violation, the Board may require the posting of sufficient performance bond or other security to assure the correction of such violation within the time prescribed.
(c) In making its orders and determinations, the Board shall take into consideration all the facts and circumstances bearing upon the reasonableness of the emissions, discharges or deposits involved including, but not limited to:
   (i) the character and degree of injury to, or interference with the protection of the health, general welfare and physical property of the people;
   (ii) the social and economic value of the pollution source;
   (iii) the suitability or unsuitability of the pollution source to the area in which it is located, including the question of priority of location in the area involved;
   (iv) the technical practicability and economic reasonableness of reducing or eliminating the emissions, discharges or deposits resulting from such pollution source; and
   (v) any subsequent compliance.

Whenever a proceeding before the Board may affect the right of the public individually or collectively to the use of community sewer or water facilities provided by a municipally owned or publicly regulated company, the Board shall at least 30 days prior to the scheduled date of the first hearing in such proceeding, give notice of the date, time, place, and purpose of such hearing by public advertisement in a newspaper of general circulation in the area of the State concerned. The Board shall conduct a full and complete hearing into the social and economic impact which would result from restriction or denial of the right to use such facilities and allow all persons claiming an interest to intervene as parties and present evidence of such social and economic impact.

(d) All orders issued and entered by the Board pursuant to this Section shall be enforceable by injunction, mandamus, or other appropriate remedy, in accordance with Section 42 of this Act.

Sec. 35. Variances; general provisions. To the extent consistent with applicable provisions of the Federal Water Pollution Control Act, as now or hereafter amended, the Federal Safe Drinking Water Act (P.L. 93-523), as now or hereafter amended, the Clean Air Act as amended in 1977 (P.L. 95-95), and regulations pursuant thereto, and to the extent consistent with applicable provisions of the Federal Resource Conservation and Recovery Act of 1976 (P.L. 94-580), and regulations pursuant thereto:

   (a) The Board may grant individual variances beyond the limitations prescribed in this Act, whenever it is found, upon presentation of adequate proof, that compliance with any rule or regulation, requirement or order of the Board would impose an arbitrary or unreasonable hardship. However, the Board is not required to find that an arbitrary or unreasonable hardship exists exclusively because the regulatory standard is under review and the costs of compliance are substantial and certain. In granting or denying a variance

the Board shall file and publish a written opinion stating the facts and reasons leading to its decision.

(b) The Agency Board shall grant provisional variances whenever it is found, upon presentation of adequate proof, only upon notification from the Agency that compliance on a short term basis with any rule or regulation, requirement or order of the Board, or with any permit requirement, would impose an arbitrary or unreasonable hardship. Such provisional variances shall be issued within 2 working days of notification from the Agency.

Sec. 36. Variances and provisional variances.

(a) In granting a variance the Board may impose such conditions as the policies of this Act may require. If the hardship complained of consists solely of the need for a reasonable delay in which to correct a violation of this Act or of the Board regulations, the Board shall condition the grant of such variance upon the posting of sufficient performance bond or other security to assure the completion of the work covered by the variance. The Board shall have no authority to delegate to the Agency its powers to require such performance bond. The original amount of such performance bond shall not exceed the reasonable cost of the work to be completed pursuant to the variance. The obligation under such bond shall at no time exceed the reasonable cost of work remaining pursuant to the variance.

(b) Except as provided by Section 38 of this Act, any variance granted pursuant to the provisions of this Section shall be granted for such period of time, not exceeding five years, as shall be specified by the Board at the time of the grant of such variance, and upon the condition that the person who receives such variance shall make such periodic progress reports as the Board shall specify. Such variance may be extended from year to year by affirmative action of the Board, but only if satisfactory progress has been shown.

(c) Any provisional variance granted by the Agency Board pursuant to subsection (b) of Section 35 shall be for a period of time not to exceed 45 days. A provisional variance may be extended upon receipt of a recommendation from the Agency to extend this time period, the Board shall grant up to an additional 45 days by written decision of the Agency. The provisional variances granted to any one person shall not exceed a total of 90 days during any calendar year.

Sec. 37. Variances; procedures.

(a) Any person seeking a variance pursuant to subsection (a) of Section 35 shall do so by filing a petition for variance with the Board and the Agency. Any person filing such a petition shall pay a filing fee. The Agency shall promptly give written notice of such petition to any person in the county in which the installation or property for which variance
is sought is located who has in writing requested notice of variance petitions, the State's attorney of such county, the Chairman of the County Board of such county, and to each member of the General Assembly from the legislative district in which that installation or property is located, and shall publish a single notice of such petition in a newspaper of general circulation in such county. The notices required by this Section shall include the street address, and if there is no street address then the legal description or the location with reference to any well known landmark, highway, road, thoroughfare or intersection.

The Agency shall promptly investigate such petition and consider the views of persons who might be adversely affected by the grant of a variance. The Agency shall make a recommendation to the Board as to the disposition of the petition. If the Board, in its discretion, concludes that a hearing would be advisable, or if the Agency or any other person files a written objection to the grant of such variance within 21 days, together with a written request for hearing, then a hearing shall be held, under the rules prescribed in Sections 32 and 33 (a) of this Act, and the burden of proof shall be on the petitioner.

(b) Any person seeking a provisional variance pursuant to subsection (b) of Section 35 shall make a request to the Agency. The Agency shall promptly investigate and consider the merits of the request. The Agency may notify the Board of its recommendation. If the Agency fails to take final action within 30 days after receipt of the request for a provisional variance, or if the Agency denies the request, the person may initiate a proceeding with the Board under subsection (a) of Section 35.

If the Agency grants a provisional variance, the Agency must promptly file a copy of its written decision with the Board, and the Board shall give prompt notice of its action to the public by issuing a press release for distribution to newspapers of general circulation in the county. The Board must maintain for public inspection copies of all provisional variances filed with it by the Agency.

Sec. 45. Injunctive and other relief.

(a) No existing civil or criminal remedy for any wrongful action shall be excluded or impaired by this Act. Nothing in this Act shall be construed to limit or supersede the provisions of the Illinois Oil and Gas Act and the powers therein granted to prevent the intrusion of water into oil, gas or coal strata and to prevent the pollution of fresh water supplies by oil, gas or salt water or oil field wastes, except that water quality standards as set forth by the Pollution Control Board apply and are effective within the areas covered by and affected by permits issued by the Department of Natural Resources. (415 ILCS 5/Tit. VI-C heading new)

TITLE VI-C: OIL SPILL RESPONSE

(415 ILCS 5/25c-1 new)
Sec. 25c-1. Oil Spill Response Fund.
(a) There is hereby created within the State treasury an interest-bearing special fund to be known as the Oil Spill Response Fund. There shall be deposited into the Fund all monies recovered as reimbursement for response costs incurred by the Agency from parties responsible for releases or threats of release of petroleum, monies provided to the State from the federal Oil Spill Liability Trust Fund, and such other monies as may be received for this purpose through contributions, gifts, or supplemental environmental projects, pursuant to court orders or decrees, or from any other source.

(b) Pursuant to appropriation, all monies in the Oil Spill Response Fund may be used by the Agency for all of the following purposes:

(1) Responding to releases or threats of release of petroleum that may constitute a substantial danger to the environment or human health or welfare.
(2) Contractual expenses and purchases of equipment or supplies necessary to enable prompt response to releases or threats of release of petroleum and to provide effective mitigation of such releases or threats of release.

(3) Costs of investigation and assessment of the source, nature, and extent of a release or threatened release of petroleum and any resulting injuries or damages.

(4) Costs associated with planning and training for response to releases and threats of release of petroleum.

(5) Costs associated with preparing and submitting claims of the Agency to the federal Oil Spill Liability Trust Fund.

(c) For the purposes of implementing this Section, "petroleum" means crude oil, refined petroleum, intermediates, fractions or constituents of petroleum, brine or salt water from oil production, oil sheens, hydrocarbon vapors, and any other form of oil or petroleum.

(d) In addition to any other authority provided by State or federal law, the Agency shall be entitled to recovery of costs incurred by it in response to releases and threats of release of petroleum from any persons who are responsible for causing, allowing, or threatening such releases.

Section 35. The Response Action Contractor Indemnification Act is amended by changing Sections 4 and 5 as follows:

(415 ILCS 100/4) (from Ch. 111 1/2, par. 7204)

Sec. 4. (a) In the event that any civil proceeding arising out of a State response action contract is commenced against any response action contractor, the Attorney General shall, upon timely and appropriate notice to him by such contractor, appear on behalf of such contractor and defend the action. Any such notice shall be in writing, shall be mailed within 15 days after the date of receipt by the contractor of service of process, and shall authorize the Attorney General to represent and defend the contractor in the proceeding. The giving of this notice to the Attorney General shall constitute an agreement by the contractor to cooperate with the Attorney General in his defense of the action and a consent that the Attorney General shall conduct the defense as he deems advisable and in the best interests of the contractor and the State, including settlement in the Attorney General's discretion. In any such proceeding, the State shall pay the court costs and litigation expenses of defending such action, to the extent approved by the Attorney General as reasonable, as they are incurred.

In the event that the Attorney General determines either (1) that so appearing and defending a contractor involves an actual or potential conflict of interest, or (2) that the act or omission which gave rise to the claim was not within the scope of the State response action contract, or was intentional, willful or wanton misconduct, the Attorney General shall decline in writing to appear or defend or shall promptly take appropriate action to withdraw as attorney for such contractor. Upon receipt of such declination or withdrawal

by the Attorney General on the basis of an actual or potential conflict of interest, the contractor may employ his own attorney to appear and defend, in which event the State shall pay the contractor's court costs, litigation expenses and attorneys' fees to the extent approved by the Attorney General as reasonable, as they are incurred.

(b) In any civil proceeding arising out of a State response action contract in which notice was given to the Attorney General under subsection (a), if the court or jury finds that the act or omission of the response action contractor was within the scope of the State response action contract and was not intentional, willful or wanton misconduct, the court shall so state in its judgement, and the State shall indemnify the contractor for any damages awarded and court costs and attorneys' fees assessed as part of the final and unreversed judgment. In such event, if the Attorney General declined to appear or withdrew on the grounds that the act or omission was not within the scope of the State response action contract, or was intentional, willful or wanton misconduct, the State shall also pay the contractor's court costs, litigation expenses and attorneys fees to the extent approved by the Attorney General as reasonable.

(c) Unless the Attorney General determines that the conduct or inaction which gave rise to the claim or cause of action was not within the scope of the State response action contract, or was intentional, willful or wanton misconduct, any case in which notice was given pursuant to subsection (a) may be settled, in the Attorney General's discretion, and the State shall indemnify the contractor for any damages, court costs and attorneys' fees agreed to as part of the settlement. If the contractor is represented by private counsel, any settlement which obligates the State to indemnify the contractor must be approved by the Attorney General and the court having jurisdiction.

(d) Court costs and litigation expenses and other costs of providing a defense, including attorneys' fees, paid or obligated under this Section, and the costs of indemnification, including the payment of any final judgment or final settlement under this Section, shall be paid by warrant from the Response Contractors Indemnification Fund pursuant to vouchers certified by the Attorney General.

(e) Nothing contained or implied in this Section shall operate, or be construed or applied, to deprive the State, or any response action contractor, of any defense otherwise available.

(f) Any judgment subject to State indemnification under this Section shall not be enforceable against the response action contractor, but shall be paid by the State in the following manner. Upon receipt of a certified copy of the judgment, the Attorney General shall review it to determine if the judgment is (1) final, unreversed and no longer subject to appeal, and (2) subject to indemnification under this Section. If he determines that it is, he shall submit a voucher for the amount of the judgment and any interest thereon to the State Comptroller, and the amount shall be paid by warrant to the judgment creditor solely out of funds available in the Response Contractors Indemnification Fund. If the balance in such Fund is insufficient to pay any properly certified voucher for a warrant drawn thereon, the
Comptroller shall transfer the necessary amount to the Fund from the General Revenue Fund. In no event will the amount paid for a single occurrence surpass $100,000 or $2,000,000, provided that this limitation shall not render any portion of the judgment enforceable against the response action contractor.

(a) There is hereby created the Response Contractors Indemnification Fund. The State Treasurer, ex officio, shall be custodian of the Fund, and the Comptroller shall direct payments from the Fund upon vouchers properly certified by the Attorney General in accordance with Section 4. The Treasurer shall credit interest on the Fund to the Fund.

(b) Every State response action contract shall provide that 5% of each payment to be made by the State under the contract shall be paid by the State directly into the Response Contractors Indemnification Fund rather than to the contractor, except that when there is at least $100,000 more than $2,000,000 in the Fund at the beginning of a State fiscal year, State response action contracts during that fiscal year need not provide that 5% of each payment made under the contract be paid into the Fund. When only a portion of a contract relates to a remedial or response action, or to the identification, handling, storage, treatment or disposal of a pollutant, the contract shall provide that only that portion is subject to this subsection.

(d) Within 30 days after the effective date of this amendatory Act of the 91st General Assembly, the Comptroller shall order transferred and the Treasurer shall transfer $2,000,000 from the Response Contractors Indemnification Fund to the Asbestos Abatement Fund.

(e) Within 30 days after the effective date of this amendatory Act of the 93rd General Assembly, the Comptroller shall order transferred and the Treasurer shall transfer all monies in the Response Action Contractor Indemnification Fund in excess of $100,000 from the Response Action Contractor Indemnification Fund to the Brownfields Redevelopment Fund.

(c) Every person convicted of violating this Section or a similar provision of a local ordinance is guilty of a Class A misdemeanor, except as otherwise provided in this Section.

(d) Every person convicted of violating this Section is guilty of a Class 4 felony if:

A person guilty of a Class 4 felony under this paragraph 2, if sentenced to a term of imprisonment, shall be sentenced to not less than one year nor more than 12 years; or

(e-3) In addition to any other penalties and liabilities, a person who is found guilty of violating this Section, including any person placed on court supervision, shall be fined $100, payable to the circuit clerk, who shall distribute the money to the law enforcement agency that made the arrest. (625 ILCS 40/5-7.1)
Sec. 5-7.1. Implied consent.

(a) A person who operates or is in actual physical control of a snowmobile in this State is deemed to have given consent to a chemical test or tests of blood, breath, or urine for the purpose of determining the content of alcohol, or other drug or drugs, intoxicating compound or compounds, or a combination of them in content of that person's blood if arrested for a violation of Section 5-7. The chemical test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered.

(a-1) For the purposes of this Section, an Illinois law enforcement officer of this State who is investigating the person for any offense defined in Section 5-7 may travel into an adjoining state, where the person has been transported for medical care to complete an investigation and to request that the person submit to the test or tests set forth in this Section. The requirements of this Section that the person be arrested are inapplicable, but the officer shall issue the person a uniform citation for an offense as defined in Section 5-7 or a similar provision of a local ordinance prior to requesting that the person submit to the test or tests. The issuance of the uniform citation shall not constitute an arrest, but shall be for the purpose of notifying the person that he or she is subject to the provisions of this Section and of the officer's belief of the existence of probable cause to arrest. Upon returning to this State, the officer shall file the uniform citation with the circuit clerk of the county where the offense was committed and shall seek the issuance of an arrest warrant or a summons for the person.

(a-2) Notwithstanding any ability to refuse under this Act to submit to these tests or any ability to revoke the implied consent to these tests, if a law enforcement officer has probable cause to believe that a snowmobile operated by or under actual physical control of a person under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination of them has caused the death or personal injury to
another, that person shall submit, upon the request of a law enforcement officer, to a chemical test or tests of his or her blood, breath, or urine for the purpose of determining the alcohol content or the presence of any other drug or combination of both. For the purposes of this Section, a personal injury includes severe bleeding wounds, distorted extremities, and injuries that require the injured party to be carried from the scene for immediate professional attention in either a doctor's office or a medical facility.

(b) A person who is dead, unconscious, or who is otherwise in a condition rendering that person incapable of refusal, is deemed not to have withdrawn the consent provided in subsection (a), and the test or tests may be administered.

(c) A person requested to submit to a test as provided in this Section shall be verbally advised by the law enforcement officer requesting the test that a refusal to submit to the test will result in suspension of that person's privilege to operate a snowmobile for a minimum of 2 years.

(d) Following this warning, if a person under arrest refuses upon the request of a law enforcement officer to submit to a test designated by the officer, no test may be given, but the law enforcement officer shall file with the clerk of the circuit court for the county in which the arrest was made, and with the Department of Natural Resources, a sworn statement naming the person refusing to take and complete the chemical test or tests requested under the provisions of this Section. The sworn statement shall identify the arrested person, the person's current residence address and shall specify that a refusal by that person to take the chemical test or tests was made. The sworn statement shall include a statement that the officer had reasonable cause to believe the person was operating or was in actual physical control of the snowmobile within this State while under the influence of alcohol, or other drug or drugs, an intoxicating compound or compound, or a combination of them and that a chemical test or tests were requested as an incident to and following the lawful arrest for an offense as defined in Section 5-7 or a similar provision of a local ordinance, and that the person, after being arrested for an offense arising out of acts alleged to have been committed while operating a snowmobile, refused to submit to and complete a chemical test or tests as requested by the law enforcement officer.

(e) The law enforcement officer submitting the sworn statement shall serve immediate written notice upon the person refusing the chemical test or tests that the person's privilege to operate a snowmobile within this State will be suspended for a period of 2 years unless, within 28 days from the date of the notice, the person requests in writing a hearing on the suspension. The clerk shall notify the person in writing that the person's privilege to operate a snowmobile will be suspended for a minimum of 2 years unless, within 28 days from the date of mailing of the notice, that person requests a hearing in writing. If the person desires a hearing, the person shall file a complaint in the circuit court in the county where that person was arrested within 28 days from the date of mailing of the notice. The hearing shall proceed in the court in the same manner as other civil proceedings. The hearing shall cover only the following issues: (1) whether the person was
placed under arrest for an offense as defined in Section 5-7 or a similar provision of a local ordinance as evidenced by the issuance of a uniform citation; (2) whether the arresting officer had reasonable grounds to believe that the person was operating a snowmobile while under the influence of alcohol, or other drug or drugs, an intoxicating compound or compounds, or a combination of them; and (3) whether that person refused to submit to and complete the chemical test or tests upon the request of the law enforcement officer. Whether the person was informed that the person's privilege to operate a snowmobile would be suspended if that person refused to submit to the chemical test or tests may not be an issue in the hearing.

If the person fails to request a hearing in writing within 28 days of the date of the notice, or if a hearing is held and the court finds against the person on the issues before the court, the clerk shall immediately notify the Department of Natural Resources Conservation of the court's decision, and the Department shall suspend the snowmobile operation privileges of that person for at least 2 years.

(f) (Blank) If the person fails to request a hearing in writing within 28 days of the date of mailing of the notice, the clerk shall immediately notify the Department of Conservation that no request for a hearing was received within the statutory time period, and the Department shall suspend the snowmobile operation privileges of that person for at least 2 years.

(f-1) If the person submits to a test that discloses an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound in the person's breath, blood, or urine resulting from the unlawful use of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, or an intoxicating compound listed in the Use of Intoxicating Compounds Act, the law enforcement officer shall immediately submit a sworn report to the circuit clerk of venue and the Department of Natural Resources, certifying that the test or tests was or were requested under subsection (a-1) of this Section and the person submitted to testing that disclosed an alcohol concentration of 0.08 or more.

In cases where the blood alcohol concentration of 0.08 or greater or any amount of drug, substance, or compound resulting from the unlawful use of cannabis, a controlled substance, or an intoxicating compound is established by a subsequent analysis of blood or urine collected at the time of arrest, the arresting officer or arresting agency shall immediately submit a sworn report to the circuit clerk of venue and the Department of Natural Resources upon receipt of the test results.

(g) A person must submit to each chemical test offered by the law enforcement officer in order to comply with implied consent provisions of this Section.

(h) The provision of Section 11-501.2 of the Illinois Vehicle Code concerning the certification and use of chemical tests applies to the use of those tests under this Section.

Sec. 5-7.2. Chemical and other tests.

(a) Upon the trial of a civil or criminal action or proceeding arising out of acts alleged to have been committed while under the influence of alcohol, the concentration of alcohol in the person's blood or breath at the time alleged as shown by analysis of the person's blood, urine, breath, or other bodily substance gives rise to the presumptions specified in subdivisions 1, 2, and 3 of subsection (b) of Section 11-501.2 of the Illinois Vehicle Code.

(b) The provisions of subsection (a) shall not be construed as limiting the introduction of any other relevant evidence bearing upon the question whether the person was under the influence of alcohol.

(c) If a person under arrest refuses to submit to a chemical test under the provisions of Section 5-7.1, evidence of refusal is admissible in a civil or criminal action or proceeding arising out of acts alleged to have been committed while the person under the influence of alcohol, or other drug or drugs, an intoxicating compound or compounds, or a combination of them was operating a snowmobile.

(b) Whenever a person is convicted or found guilty of a violation of Section 5-7, including any person placed on court supervision, the court shall notify the Office of Law Enforcement of the Department of Natural Resources with the records essential for the performance of the Department's duties to monitor and enforce an order of suspension or revocation concerning the person's privilege to operate a snowmobile.

2. the parole or mandatory supervised release term shall be as provided in paragraph (e) of Section 5-8-1 of this Code for the most serious of the offenses involved;
3. the minimum period of imprisonment shall be the aggregate of the minimum and determinate periods of imprisonment imposed by the court, subject to paragraph (c) of this Section; and
4. the offender shall be awarded credit against the aggregate maximum term and the aggregate minimum term of imprisonment for all time served in an institution since the commission of the offense or offenses and as a consequence thereof at the rate specified in Section 3-6-3 of this Code.

(f) A sentence of an offender committed to the Department of Corrections at the time of the commission of the offense shall be served consecutive to the sentence under which he is held by the Department of Corrections. However, in case such offender shall be sentenced to punishment by death, the sentence shall be executed at such time as the court may fix without regard to the sentence under which such offender may be held by the Department.

(g) A sentence under Section 3-6-4 for escape or attempted escape shall be served consecutive to the terms under which the offender is held by the Department of Corrections.

(h) If a person charged with a felony commits a separate felony while on pre-trial release or in pretrial detention in a county jail facility or county detention facility, the sentences imposed upon conviction of these felonies shall be served consecutively regardless of the order in which the judgments of conviction are entered.

(605 ILCS 5/6-201.7) (from Ch. 121, par. 6-201.7)

Sec. 6-201.7. Construct, maintain and repair and be responsible for the construction, maintenance and repair of roads within the district, let contracts, employ labor and purchase material and machinery therefor, subject to the limitations provided in this Code. No contract shall be let for the construction or repair of any road or part thereof in excess of the amount of $10,000, nor shall any material, machinery or other appliances to be used in road construction or maintenance of roads in excess of such amount be purchased, nor shall several contracts each for an amount of $10,000 or less be let for the construction or repair of any road or part thereof when such construction or repair is in reality part of one project costing more than $10,000, nor shall any material, machinery or other appliance to be used therein be purchased under several contracts each for an amount of $10,000 or less, if such purchases are essentially one transaction amounting to more than $10,000, without the written approval of the county superintendent of highways in the case of road districts other than consolidated township road districts or without the written approval of the highway board of auditors in the case of consolidated township road districts.

Except for professional services, when the cost of construction, materials, supplies, new machinery or equipment exceeds $10,000, the contract for such construction, materials, supplies, machinery or equipment shall be let; after the above written approval is obtained; to the lowest responsible bidder after advertising for bids at least once, and at least 10 days prior to the time set for the opening of such bids, in a newspaper published within the township or road district, or, if no newspaper is published within the township or road district then in one published within the county, or, if no newspaper is published within the county then in a newspaper having general circulation within the township or road district, but, in case of an emergency, such contract may be let without advertising for bids upon the approval of the County Superintendent of Highways expressing in writing the existence of such emergency and, in the case of consolidated township road districts, upon the approval of the highway board of auditors. For purposes of this Section "new machinery or equipment" shall be defined as that which has been previously untitled or that which shows fewer than 200 hours on its operating clock and that is accompanied by a new equipment manufacturer's warranty.

(605 ILCS 5/6-508) (from Ch. 121, par. 6-508)

Sec. 6-508. (a) For the purpose of constructing or repairing bridges, culverts, drainage structures or grade separations, including approaches thereto, at the joint expense of a county and a road district and obtaining aid from the county as provided in Section 5-501 of this Code, there may be included in the annual tax levies provided for in Section 6-501 of this Code a tax of not to exceed .05% of the value of all the taxable property in the road district, as equalized or assessed by the Department of Revenue, which tax shall be in addition to and may be in excess of the maximum levy and may be extended at a rate in addition to and in excess of the tax rate for road purposes authorized under Section 6-501 of this Code.

Such tax, when collected, shall constitute and be held by the treasurer of the district as a separate fund to be expended for the construction or repair of bridges, culverts, drainage structures or grade separations, including approaches thereto, at the joint expense of the county and the road district. The highway commissioner shall separately specify in the certificate required by Section 6-501 the amount necessary to be raised by taxation for the purpose of constructing or repairing bridges, culverts, drainage structures or grade separations, including approaches thereto, at the joint expense of the county and the road district. Upon the approval by the county board of the amount so certified as provided in Section 6-501 of this Code, the county clerk shall extend the same against the taxable property of the road district, provided the amount thus approved shall not be extended at a rate in excess of .05% of value, as equalized or assessed by the Department of Revenue.

When any improvement project for which a tax may be levied under this Section has been ordered as provided in Section 5-501 and the estimated cost of such project to the road district is in excess of the amount that will be realized from the annual tax levy

New matter indicated by italics - deletions by strikeout
authorized by this Section when extended and collected, then the road district may accumulate the proceeds of such tax for such number of years as may be necessary to acquire the funds necessary to pay the district's share of the cost of such project. In counties in which a property tax extension limitation is imposed under the Property Tax Extension Limitation Law and the imposition of the property tax extension limitation prevents a road district from levying taxes for road purposes at the required rate, a road district may retain its eligibility if, at the time the property tax extension limitation was imposed, the road district was levying at the required rate and continues to levy the maximum allowable amount after the imposition of the property tax extension limitation. It shall not be a valid objection to any subsequent tax levy made under this Section that there remains unexpended money arising from a preceding levy of a prior year because of the accumulation provided for in this Section.

The rate limitation imposed by this Section may be increased for a 10 year period to up to 0.25% of the value of all the taxable property in the road district, as equalized or assessed by the Department of Revenue if the proposition for the increased tax rate is submitted under Sections 6-504 and 6-505 and receives a majority of all ballots cast on the proposition at the election held under Section 6-505.

(b) All surplus funds remaining in the hands of the treasurer of the road district after the completion of any construction or repairing of bridges, culverts, drainage structures or grade separations, including approaches thereto, under this Section, shall be turned over, at the request of the highway commissioner, with the written consent of the county superintendent, to the regular road fund of the road district. Upon such request, no further levy under this Section is to be extended by the county clerk unless the proposition authorizing such further levy is submitted under Sections 6-504 and 6-505 and receives a majority of all ballots cast on the proposition at the election held under Section 6-505.

(c) The moneys from this tax may also be used for construction and maintenance of bridges, culverts and other drainage facilities, or grade separations, including approaches thereto, on, under, or over the district roads, without joint county funds being involved and without limitation as to size of project, but only if adequate funds are available for all projects for which the road district has petitioned the county for joint participation. If the project size is over $10,000, the road district commissioner shall also obtain the permission of the county engineer.

Section 99. Effective date. This Act takes effect upon becoming law.
Passed in the General Assembly May 9, 2003.
AN ACT in relation to public health.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Mercury Fever Thermometer Prohibition Act.

Section 5. Findings.
(a) The General Assembly finds:
(1) that human exposure to mercury can result in adverse health effects, and mercury pollutants have been linked to nervous system, kidney, and liver damage and impaired childhood development;
(2) that mercury fever thermometers are easily broken, creating a potential risk of dangerous exposure to mercury vapor in indoor air and risking mercury contamination of the environment;
(3) that accidental mercury spills and thermometer breakages have proven costly to clean up;
(4) that according to the Mercury Study Report, prepared by the U.S. Environmental Protection Agency and submitted to the U.S. Congress in 1997, mercury fever thermometers contribute approximately 17 tons of mercury to solid waste each year;
(5) that according to the U.S. Environmental Protection Agency, the quantity of mercury in one mercury fever thermometer, approximately one gram, is enough to contaminate all fish in a lake with a surface area of 20 acres;
(6) that accurate and safe alternatives to mercury thermometers are readily available and comparable in cost; and
(7) that many national pharmacy and retail chains have discontinued the sale of mercury thermometers to consumers.

(b) It is the purpose of this Act to prohibit the sale, distribution, or promotional gifts of mercury fever thermometers in this State.

Section 10. Definitions. For the purposes of this Act, the words and terms defined in this Section shall have the meaning given, unless the context otherwise clearly requires.
"Mercury fever thermometer" means any device containing liquid mercury wherein the liquid mercury is used to measure the internal body temperature of a person.
"Mercury-added novelty" means a mercury-added product intended for personal or household enjoyment, including but not limited to: toys, figurines, adornments, games, cards, ornaments, yard statues and figurines, candles, jewelry, holiday decorations, and footwear and other items of apparel.
"Health care facility" means any hospital, nursing home, extended care facility, long-term facility, clinic or medical laboratory, State or private health or mental institution, clinic, physician's office, or health maintenance organization.

"Hospital" means any institution, place, building, or agency, public or private, whether organized for profit or not, devoted primarily to the maintenance and operation of facilities for the diagnosis and treatment or care of 2 or more unrelated persons admitted for overnight stay or longer in order to obtain medical, including obstetric, psychiatric, and nursing, care of illness, disease, injury, infirmity, or deformity.

"Person" means any individual, partnership, co-partnership, firm, company, limited liability company, corporation, association, joint stock company, trust, estate, political subdivision, State agency, or non-profit organization, or any other legal entity.

Section 15. Sale, distribution, or promotional gifts of mercury fever thermometers prohibited.

(a) On or after July 1, 2004, no person shall sell, distribute, or give for promotional purposes (including online retail) mercury fever thermometers in this State.

(b) On or after July 1, 2004, no hospital shall distribute mercury fever thermometers in maternity or new baby gift packs to patients.

(c) This Section does not apply to mercury fever thermometers sold or provided to be used in a health care facility.

Section 20. Manufacturing of mercury fever thermometers prohibited. On or after July 1, 2004, no person shall manufacture a mercury fever thermometer in this State.

Section 25. Sale, distribution, or promotional gifts of mercury-added novelty products prohibited. On and after July 1, 2004, no mercury-added novelty products may be offered for sale or distributed for promotional purposes in Illinois if the offeror or distributor knows or has reason to know that the product contains mercury, unless the mercury is solely within a button-cell battery or a fluorescent light bulb.

Section 30. Penalty for violation. A person who violates this Act shall be guilty of a petty offense and upon conviction shall be subject to a fine of not less than $50 and not more than $200 for each violation.

PUBLIC ACT 93-0166
(House Bill No. 2836)

AN ACT concerning schools.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The School Code is amended by changing Section 29-5 as follows:

New matter indicated by italics - deletions by strikeout
Sec. 29-5. Reimbursement by State for transportation. Any school district, maintaining a school, transporting resident pupils to another school district’s vocational program, offered through a joint agreement approved by the State Board of Education, as provided in Section 10-22.22 or transporting its resident pupils to a school which meets the standards for recognition as established by the State Board of Education which provides transportation meeting the standards of safety, comfort, convenience, efficiency and operation prescribed by the State Board of Education for resident pupils in kindergarten or any of grades 1 through 12 who: (a) reside at least 1 1/2 miles as measured by the customary route of travel, from the school attended; or (b) reside in areas where conditions are such that walking constitutes a hazard to the safety of the child when determined under Section 29-3; and (c) are transported to the school attended from pick-up points at the beginning of the school day and back again at the close of the school day or transported to and from their assigned attendance centers during the school day, shall be reimbursed by the State as hereinafter provided in this Section.

The State will pay the cost of transporting eligible pupils less the assessed valuation in a dual school district maintaining secondary grades 9 to 12 inclusive times a qualifying rate of .05%; in elementary school districts maintaining grades K to 8 times a qualifying rate of .06%; in unit districts maintaining grades K to 12 times a qualifying rate of .07%. To be eligible to receive reimbursement in excess of 4/5 of the cost to transport eligible pupils, a school district shall have a Transportation Fund tax rate of at least .12%. If a school district does not have a .12% Transportation Fund tax rate, the amount of its claim in excess of 4/5 of the cost of transporting pupils shall be reduced by the sum arrived at by subtracting the Transportation Fund tax rate from .12% and multiplying that amount by the districts equalized or assessed valuation, provided, that in no case shall said reduction result in reimbursement of less than 4/5 of the cost to transport eligible pupils.

The minimum amount to be received by a district is $16 times the number of eligible pupils transported.

Any such district transporting resident pupils during the school day to an area vocational school or another school district’s vocational program more than 1 1/2 miles from the school attended, as provided in Sections 10-22.20a and 10-22.22, shall be reimbursed by the State for 4/5 of the cost of transporting eligible pupils.

School day means that period of time which the pupil is required to be in attendance for instructional purposes.

If a pupil is at a location within the school district other than his residence for child care purposes at the time for transportation to school, that location may be considered for purposes of determining the 1 1/2 miles from the school attended.

Claims for reimbursement that include children who attend any school other than a public school shall show the number of such children transported.
Claims for reimbursement under this Section shall not be paid for the transportation of pupils for whom transportation costs are claimed for payment under other Sections of this Act.

The allowable direct cost of transporting pupils for regular, vocational, and special education pupil transportation shall be limited to the sum of the cost of physical examinations required for employment as a school bus driver; the salaries of full or part-time drivers and school bus maintenance personnel; employee benefits excluding Illinois municipal retirement payments, social security payments, unemployment insurance payments and workers' compensation insurance premiums; expenditures to independent carriers who operate school buses; payments to other school districts for pupil transportation services; pre-approved contractual expenditures for computerized bus scheduling; the cost of gasoline, oil, tires, and other supplies necessary for the operation of school buses; the cost of converting buses' gasoline engines to more fuel efficient engines or to engines which use alternative energy sources; the cost of travel to meetings and workshops conducted by the regional superintendent or the State Superintendent of Education pursuant to the standards established by the Secretary of State under Section 6-106 of the Illinois Vehicle Code to improve the driving skills of school bus drivers; the cost of maintenance of school buses including parts and materials used; expenditures for leasing transportation vehicles, except interest and service charges; the cost of insurance and licenses for transportation vehicles; expenditures for the rental of transportation equipment; plus a depreciation allowance of 20% for 5 years for school buses and vehicles approved for transporting pupils to and from school and a depreciation allowance of 10% for 10 years for other transportation equipment so used. In addition to the above allowable costs school districts shall also claim all transportation supervisory salary costs, including Illinois municipal retirement payments, and all transportation related building and building maintenance costs without limitation.

Special education allowable costs shall also include expenditures for the salaries of attendants or aides for that portion of the time they assist special education pupils while in transit and expenditures for parents and public carriers for transporting special education pupils when pre-approved by the State Superintendent of Education.

Indirect costs shall be included in the reimbursement claim for districts which own and operate their own school buses. Such indirect costs shall include administrative costs, or any costs attributable to transporting pupils from their attendance centers to another school building for instructional purposes. No school district which owns and operates its own school buses may claim reimbursement for indirect costs which exceed 5% of the total allowable direct costs for pupil transportation.

The State Board of Education shall prescribe uniform regulations for determining the above standards and shall prescribe forms of cost accounting and standards of determining reasonable depreciation. Such depreciation shall include the cost of equipping school buses with the safety features required by law or by the rules, regulations and

New matter indicated by italics - deletions by strikeout
standards promulgated by the State Board of Education, and the Department of Transportation for the safety and construction of school buses provided, however, any equipment cost reimbursed by the Department of Transportation for equipping school buses with such safety equipment shall be deducted from the allowable cost in the computation of reimbursement under this Section in the same percentage as the cost of the equipment is depreciated.

On or before July 10, annually, the chief school administrator for the district shall certify to the regional superintendent of schools upon forms prescribed by the State Superintendent of Education the district's claim for reimbursement for the school year ended on June 30 next preceding. The regional superintendent of schools shall check all transportation claims to ascertain compliance with the prescribed standards and upon his approval shall certify not later than July 25 to the State Superintendent of Education the regional report of claims for reimbursements. The State Superintendent of Education shall check and approve the claims and prepare the vouchers showing the amounts due for district reimbursement claims. Beginning with the 1977 fiscal year, the State Superintendent of Education shall prepare and transmit the first 3 vouchers to the Comptroller on the 30th day of September, December and March, respectively, and the final voucher, no later than June 15.

If the amount appropriated for transportation reimbursement is insufficient to fund total claims for any fiscal year, the State Board of Education shall reduce each school district's allowable costs and flat grant amount proportionately to make total adjusted claims equal the total amount appropriated.

For purposes of calculating claims for reimbursement under this Section for any school year beginning July 1, 1998, or thereafter, the equalized assessed valuation for a school district used to compute reimbursement shall be computed in the same manner as it is computed under paragraph (2) of subsection (G) of Section 18-8.05.

All reimbursements received from the State shall be deposited into the district's transportation fund or into the fund from which the allowable expenditures were made.

Notwithstanding any other provision of law, any school district receiving a payment under this Section or under Section 14-7.02, 14-7.02a, or 14-13.01 of this Code may classify all or a portion of the funds that it receives in a particular fiscal year or from general State aid pursuant to Section 18-8.05 of this Code as funds received in connection with any funding program for which it is entitled to receive funds from the State in that fiscal year (including, without limitation, any funding program referenced in this Section), regardless of the source or timing of the receipt. The district may not classify more funds as funds received in connection with the funding program than the district is entitled to receive in that fiscal year for that program. Any classification by a district must be made by a resolution of its board of education. The resolution must identify the amount of any payments or general State aid to be classified under this paragraph and must specify the funding program to which the funds are to be treated as received in connection therewith.
This resolution is controlling as to the classification of funds referenced therein. A certified copy of the resolution must be sent to the State Superintendent of Education. The resolution shall still take effect even though a copy of the resolution has not been sent to the State Superintendent of Education in a timely manner. No classification under this paragraph by a district shall affect the total amount or timing of money the district is entitled to receive under this Code. No classification under this paragraph by a district shall in any way relieve the district from or affect any requirements that otherwise would apply with respect to that funding program, including any accounting of funds by source, reporting expenditures by original source and purpose, reporting requirements, or requirements of providing services.

Any school district with a population of not more than 500,000 must deposit all funds received under this Article into the transportation fund and use those funds for the provision of transportation services.

Section 99. Effective date. This Act takes effect upon becoming law.

PUBLIC ACT 93-0167
(House Bill No. 2866)

AN ACT concerning coal.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Department of Commerce and Community Affairs Law of the Civil Administrative Code of Illinois is amended by changing Section 605-332 as follows:

(20 ILCS 605/605-332)
Sec. 605-332. Financial assistance to energy generation facilities.
(a) As used in this Section:
"New electric generating facility" means a newly-constructed electric generation plant or a newly constructed generation capacity expansion at an existing facility, including the transmission lines and associated equipment that transfers electricity from points of supply to points of delivery, and for which foundation construction commenced not sooner than July 1, 2001, which is designed to provide baseload electric generation operating on a continuous basis throughout the year; and which has an aggregate rated generating capacity of at least 400 megawatts for all new units at one site, uses coal or gases derived from coal as its primary fuel source, and supports the creation of at least 150 new Illinois coal mining jobs.

New matter indicated by italics - deletions by strikeout
"Eligible business" means an entity that proposes to construct a new electric generating facility and that has applied to the Department to receive financial assistance pursuant to this Section. With respect to use and occupation taxes, wherever there is a reference to taxes, that reference means only those taxes paid on Illinois-mined coal used in a new electric generating facility.

"Department" means the Illinois Department of Commerce and Community Affairs.

(b) The Department is authorized to provide financial assistance to eligible businesses for new electric generating facilities from funds appropriated by the General Assembly as further provided in this Section.

An eligible business seeking qualification for financial assistance for a new electric generating facility, for purposes of this Section only, shall apply to the Department in the manner specified by the Department. Any projections provided by an eligible business as part of the application shall be independently verified in a manner as set forth by the Department. An application shall include, but not be limited to:

1. the projected or actual completion date of the new electric generating facility for which financial assistance is sought;
2. copies of documentation deemed acceptable by the Department establishing either (i) the total State occupation and use taxes paid on Illinois-mined coal used at the new electric generating facility for a minimum of 4 preceding calendar quarters or (ii) the projected amount of State occupation and use taxes paid on Illinois-mined coal used at the new electric generating facility in 4 calendar year quarters after completion of the new electric generating facility.

Bond proceeds subject to this Section shall not be allocated to an eligible business until the eligible business has demonstrated the revenue stream sufficient to service the debt on the bonds; and

3. the actual or projected amount of capital investment by the eligible business in the new electric generating facility.

The Department shall determine the maximum amount of financial assistance for eligible businesses in accordance with this paragraph. The Department shall not provide financial assistance from general obligation bond funds to any eligible business unless it receives a written certification from the Director of the Bureau of the Budget that 80% of the State occupation and use tax receipts for a minimum of the preceding 4 calendar quarters for all eligible businesses or as included in projections on approved applications by eligible businesses equal or exceed 110% of the maximum annual debt service required with respect to general obligation bonds issued for that purpose. The Department may provide financial assistance not to exceed the amount of State general obligation debt calculated as above, the amount of actual or projected capital investment in the energy generation facility, or $100,000,000, whichever is less. Financial assistance received pursuant to this Section may be used for capital facilities consisting of buildings, structures, durable equipment, and land at the new electric generating facility. Subject to

New matter indicated by italics - deletions by strikeout
the provisions of the agreement covering the financial assistance, a portion of the financial assistance may be required to be repaid to the State if certain conditions for the governmental purpose of the assistance were not met.

An eligible business shall file a monthly report with the Illinois Department of Revenue stating the amount of Illinois-mined coal purchased during the previous month for use in the new electric generating facility, the purchase price of that coal, the amount of State occupation and use taxes paid on that purchase to the seller of the Illinois-mined coal, and such other information as that Department may reasonably require. In sales of Illinois-mined coal between related parties, the purchase price of the coal must have been determined in an arms-length transaction. The report shall be filed with the Illinois Department of Revenue on or before the 20th day of each month on a form provided by that Department. However, no report need be filed by an eligible business in a month when it made no reportable purchases of coal in the previous month. The Illinois Department of Revenue shall provide a summary of such reports to the Bureau of the Budget.

Upon granting financial assistance to an eligible business, the Department shall certify the name of the eligible business to the Illinois Department of Revenue. Beginning with the receipt of the first report of State occupation and use taxes paid by an eligible business and continuing for a 25-year period, the Illinois Department of Revenue shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business.

Section 10. The Illinois Development Finance Authority Act is amended by changing Section 7.90 as follows:

(20 ILCS 3505/7.90)

Sec. 7.90. Clean Coal and Energy Project Financing.

(a) Findings and declaration of policy. It is hereby found and declared that Illinois has abundant coal resources and, in some areas of Illinois, the demand for power exceeds the generating capacity. Incentives to encourage the construction of coal-fired electric generating plants in Illinois to ensure power-generating capacity into the future are in the best interests of all of the citizens of Illinois. The Authority is authorized to issue bonds to help finance Clean Coal and Energy projects pursuant to this Section and under this Act.

(b) Definition. "Clean Coal and Energy projects" means new electric generating facilities, as defined in Section 605-332 of the Department of Commerce and Community Affairs Law of the Civil Administrative Code of Illinois, which may include mine-mouth power plants, projects that employ the use of clean coal technology, projects to develop alternative energy sources, including renewable energy projects, projects to provide scrubber technology for existing energy generating plants, or projects to provide electric transmission facilities.
(c) Creation of reserve funds. The Authority may establish and maintain one or more reserve funds to enhance bonds issued by the Authority for Clean Coal and Energy projects under this Section. There may be one or more accounts in these reserve funds in which there may be deposited:

   (1) any proceeds of bonds issued by the Authority required to be deposited therein by the terms of any contract between the Authority and its bondholders or any resolution of the Authority;

   (2) any other moneys or funds of the Authority that it may determine to deposit therein from any other source; and

   (3) any other moneys or funds made available to the Authority.

Sec. 5-8-1.1. Impact incarceration.

(a) The Department may establish and operate an impact incarceration program for eligible offenders. If the court finds under Section 5-4-1 that an offender sentenced to a term of imprisonment for a felony may meet the eligibility requirements of the Department, the court may in its sentencing order approve the offender for placement in the impact incarceration program conditioned upon his acceptance in the program by the Department. Notwithstanding the sentencing provisions of this Code, the sentencing order also shall provide that if the Department accepts the offender in the program and determines that the offender has successfully completed the impact incarceration program, the sentence shall be reduced to time considered served upon certification to the court by the Department that the offender has successfully completed the program. In the event the offender is not accepted for placement in the impact incarceration program or the offender does not successfully complete the program, his term of imprisonment shall be as set forth by the court in its sentencing order.

(b) In order to be eligible to participate in the impact incarceration program, the committed person shall meet all of the following requirements:

(1) The person must be not less than 17 years of age nor more than 35 years of age.

(2) The person has not previously participated in the impact incarceration program and has not previously served more than one prior sentence of imprisonment for a felony in an adult correctional facility.

(3) The person has not been convicted of a Class X felony, first or second degree murder, armed violence, aggravated kidnapping, criminal sexual assault, aggravated criminal sexual abuse or a subsequent conviction for criminal sexual

abuse, forcible detention, *residential arson, place of worship arson* or arson and has not been convicted previously of any of those offenses.

(4) The person has been sentenced to a term of imprisonment of 8 years or less.

(5) The person must be physically able to participate in strenuous physical activities or labor.

(6) The person must not have any mental disorder or disability that would prevent participation in the impact incarceration program.

(7) The person has consented in writing to participation in the impact incarceration program and to the terms and conditions thereof.

(8) The person was recommended and approved for placement in the impact incarceration program in the court's sentencing order.

The Department may also consider, among other matters, whether the committed person has any outstanding detainers or warrants, whether the committed person has a history of escaping or absconding, whether participation in the impact incarceration program may pose a risk to the safety or security of any person and whether space is available.

(c) The impact incarceration program shall include, among other matters, mandatory physical training and labor, military formation and drills, regimented activities, uniformity of dress and appearance, education and counseling, including drug counseling where appropriate.

(d) Privileges including visitation, commissary, receipt and retention of property and publications and access to television, radio and a library may be suspended or restricted, notwithstanding provisions to the contrary in this Code.

(e) Committed persons participating in the impact incarceration program shall adhere to all Department rules and all requirements of the program. Committed persons shall be informed of rules of behavior and conduct. Disciplinary procedures required by this Code or by Department rule are not applicable except in those instances in which the Department seeks to revoke good time.

(f) Participation in the impact incarceration program shall be for a period of 120 to 180 days. The period of time a committed person shall serve in the impact incarceration program shall not be reduced by the accumulation of good time.

(g) The committed person shall serve a term of mandatory supervised release as set forth in subsection (d) of Section 5-8-1.

(h) A committed person may be removed from the program for a violation of the terms or conditions of the program or in the event he is for any reason unable to participate. The Department shall promulgate rules and regulations governing conduct which could result in removal from the program or in a determination that the committed person has not successfully completed the program. Committed persons shall have access to such rules, which shall provide that a committed person shall receive notice and have the opportunity
to appear before and address one or more hearing officers. A committed person may be
transferred to any of the Department's facilities prior to the hearing.

(i) The Department may terminate the impact incarceration program at any time.

(j) The Department shall report to the Governor and the General Assembly on or
before September 30th of each year on the impact incarceration program, including the
composition of the program by the offenders, by county of commitment, sentence, age,
offense and race.

(k) The Department of Corrections shall consider the affirmative action plan
approved by the Department of Human Rights in hiring staff at the impact incarceration
facilities. The Department shall report to the Director of Human Rights on or before April
1 of the year on the sex, race and national origin of persons employed at each impact
incarceration facility.

or fire protection district that suppressed or investigated the fire that was set by the

or investigated the fire, the additional fine shall be distributed equally among those
departments or districts.

(d) The moneys distributed to the fire departments or fire protection districts under
this Section may only be used to purchase fire suppression or fire investigation equipment.

AN ACT in relation to environmental protection.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Environmental Protection Act is amended by changing Sections 13 and 19.3 and adding Section 13.5 as follows:

Sec. 13. Regulations.
(a) The Board, pursuant to procedures prescribed in Title VII of this Act, may adopt regulations to promote the purposes and provisions of this Title. Without limiting the generality of this authority, such regulations may among other things prescribe:

(1) Water quality standards specifying among other things, the maximum short-term and long-term concentrations of various contaminants in the waters, the minimum permissible concentrations of dissolved oxygen and other desirable matter in the waters, and the temperature of such waters;

(2) Effluent standards specifying the maximum amounts or concentrations, and the physical, chemical, thermal, biological and radioactive nature of contaminants that may be discharged into the waters of the State, as defined herein, including, but not limited to, waters to any sewage works, or into any well, or from any source within the State;

(3) Standards for the issuance of permits for construction, installation, or operation of any equipment, facility, vessel, or aircraft capable of causing or contributing to water pollution or designed to prevent water pollution or for the construction or installation of any sewer or sewage treatment facility or any new outlet for contaminants into the waters of this State;

(4) The circumstances under which the operators of sewage works are required to obtain and maintain certification by the Agency under Section 13.5 and the types of sewage works to which those requirements apply, which may, without limitation, include wastewater treatment works, pretreatment works, and sewers and collection systems; Standards for the definition and certification of the technical competency of operation personnel for sewage works, and for ascertaining that such works shall be under the supervision of trained individuals whose qualifications shall have been approved by the Agency;

Section 99. Effective date. This Act takes effect upon becoming law.
PUBLIC ACT 93-0170

PUBLIC ACT 93-0171
(House Bill No. 3508)

AN ACT in relation to environmental matters.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Environmental Protection Act is amended by changing Sections 52.3-1, 52.3-2, and 52.3-4 as follows:
(415 ILCS 5/52.3-1)
Sec. 52.3-1. Findings; purpose.
(a) The General Assembly finds that:
(1) During the last decade, considerable expertise in pollution prevention, sophisticated emissions monitoring and tracking techniques, compliance auditing methods, stakeholder involvement, and innovative approaches to control pollution have been developed.
(2) Substantial opportunities exist to reduce the amount of or prevent adverse impacts from emissions or discharges of pollutants or wastes through the use of innovative and cost effective measures not currently recognized by or allowed under existing environmental laws, rules, and regulations.
(3) There are persons regulated under this Act who have demonstrated excellence and leadership in environmental compliance or stewardship or pollution prevention and, through the implementation of innovative measures, who can achieve further reductions in emissions or discharges of pollutants or wastes or continued environmental stewardship.
(4) Current environmental laws and regulations have, in some instances, resulted in burdensome transactional requirements that are unnecessarily costly and complex for regulated entities and have proven to be frustrating to the public that is concerned about environmental protection.
(5) The goals of environmental protection will be best served by promoting and evaluating the efforts of those persons who are ready to achieve measurable and verifiable pollution reductions in excess of the otherwise applicable statutory and regulatory requirements or who can demonstrate real environmental risk reduction, promote pollution prevention, foster superior environmental compliance by other persons regulated under this Act, and who can improve stakeholder involvement in environmental decision making.
(6) The United States Environmental Protection Agency is operating a pilot program entitled "National Environmental Performance Track" 65 Federal Register 41655 (July 6, 2000) (Federal Performance Track Program) to recognize
and reward businesses and public facilities that demonstrate strong environmental performance beyond current regulatory requirements. "Regulatory Reinvention (XL) Pilot Project," 60 Federal Register 27282 (May 23, 1995) (Federal XL Program), to allow members of the regulated community the flexibility to develop alternative strategies that will replace specific regulatory requirements on the condition that they produce greater environmental benefits, reduce administrative burdens, and enhance public participation. There should be a process that allows regulatory flexibility available to a participant in the Federal Performance Track Program a proposal accepted under the Federal XL Program to be also granted in implemented at the State level if the participant's proposal the proposal achieves one or more of the purposes of this Section and is acceptable to the Agency.

(7) A process for implementing and evaluating innovative environmental measures on a pilot project basis should be developed and implemented in this State.

(b) It is the purpose of this Section to create a voluntary pilot program by which the Agency may enter into Environmental Management System Agreements with persons regulated under this Act to implement innovative environmental measures not otherwise recognized or allowed under existing laws and regulations of this State if those measures:

(1) achieve emissions reductions or reductions in discharges or wastes beyond the otherwise applicable statutory and regulatory requirements through pollution prevention or other suitable means; or

(2) achieve real environmental risk reduction or foster environmental compliance by other persons regulated under this Act in a manner that is clearly superior to the existing regulatory system.

These Agreements may be executed with participants in the Federal Performance Track Program if the provisions include proposals accepted under the Federal XL Program; provided the proposals achieve one or more purposes of subsection (b)(1) or (2) of this Section and are acceptable to the Agency.

(c) This program is a voluntary pilot program. Participation is at the discretion of the Agency, and any decision by the Agency to reject an initial proposal under this Section is not appealable. An initial Agreement may be renewed for appropriate time periods if the Agency finds the Agreement continues to meet applicable requirements and the purposes of this Section.

(d) The Agency shall develop and make publicly available a program guidance document regarding participation in the pilot program. A draft document shall be distributed for review and comment by interested parties and a final document shall be completed by December 1, 1996. At a minimum, this document shall include the following:

(1) The approximate number of projects that the Agency envisions being part of the pilot program.
(2) The types of projects and facilities that the Agency believes would be most useful to be a part of the pilot program.

(3) A description of potentially useful environmental management systems, such as ISO 14000.

(4) A description of suitable Environmental Performance Plans, including appropriate provisions or opportunities for promoting pollution prevention and sustainable development.

(5) A description of practices and procedures to ensure that performance is measurable and verifiable.

(6) A characterization of less-preferred practices that can generate adverse consequences such as multi-media pollutant transfers.

(7) A description of suitable practices for productive stakeholder involvement in project development and implementation that may include, but need not be limited to, consensus-based decision making and appropriate technical assistance.

(e) The Agency has the authority to develop and distribute written guidance, fact sheets, or other documents that explain, summarize, or describe programs operated under this Act or regulations. The written guidance, fact sheets, or other documents shall not be considered rules and shall not be subject to the Illinois Administrative Procedure Act.

(415 ILCS 5/52.3-2)

Sec. 52.3-2. Agency authority; scope of agreement.

(a) The Agency may enter into an initial Environmental Management System Agreement with any person regulated under this Act to implement innovative environmental measures that relate to or involve provisions of this Act, even if one or more of the terms of such an Agreement would be inconsistent with an otherwise applicable statute or regulation of this State. Participation in this program is limited to those persons who have submitted an Environmental Management System Agreement that is acceptable to the Agency and who are not currently subject to enforcement action under this Act.

(b) The Agency may adopt rules to implement this Section if less than 6 Agreements are executed, but shall adopt rules to implement this Section if 6 or more Agreements are executed. Without limiting the generality of this authority, those regulations may, among other things:

(1) Specify the criteria an applicant must meet to participate in this program.

(2) Specify the minimum contents of a proposed Environmental Management System Agreement, including, without limitation, the following:

(A) requiring identification of all State and federal statutes, rules, and regulations applicable to the facility;

New matter indicated by italics - deletions by strikeout
(B) requiring identification of all statutes, rules, and regulations that are inconsistent with one or more terms of the proposed Environmental Management System Agreement;

(C) requiring a statement of how the proposed Environmental Management System Agreement will achieve one or more of the purposes of this Section;

(D) requiring identification of those members of the general public, representatives of local communities, and environmental groups who may have an interest in the Environmental Management System Agreement; and

(E) requiring identification of how a participant will demonstrate ongoing compliance with the terms of its Environmental Management System Agreement, which may include an evaluation of a participant's performance under the Environmental Management System Agreement by a third party acceptable to the Agency. Compliance with the Agreement shall be determined not less than annually.

(3) Specify the procedures for review by the Agency of Environmental Management System Agreements.

(4) Specify the procedures for public participation in, including notice of and comment on, Environmental Management System Agreements and stakeholder involvement in design and implementation of specific projects that are undertaken.

(5) Specify the procedures for voluntary termination of an Environmental Management System Agreement.

(6) Specify the type of performance guarantee to be provided by an applicant for participation in this program. The nature of the performance guarantee shall be directly related to the complexity of and environmental risk associated with the proposed Environmental Management System Agreement.

(c) The Agency shall propose by December 31, 1996, and the Board shall promulgate, criteria and procedures for involuntary termination of Environmental Management System Agreements. The Board shall complete such rulemaking no later than 180 days after receipt of the Agency’s proposal.

(d) After July 1, 2003, On or before December 31, 2001, the Agency may enter into an initial Environmental Management System Agreement with any participant in the Federal Performance Track Program Agreements prior to adopting rules under this Section, if the proposals for the Agreements have been accepted under the Federal XL Program, in accordance with the following:

1. The participant submits An applicant shall submit, in writing, a proposed Environmental Management System Agreement to the Director of the Agency.

1.5 The Agency shall provide notice to the public, including an opportunity for public comment and hearing in accordance with the procedures set
forth in 35 Ill. Adm. Code Part 164, on each proposal filed with the Agency under this subsection (d).

(2) The Agency shall have 120 days after the public comment period, unless the participant grants an extension, to execute a proposed Environmental Management System Agreement.

(3) The Agency’s Failure to execute an agreement notify an applicant in writing that it has accepted a proposal shall be deemed a rejection.

(4) A rejection of a proposed Environmental Management System Agreement by the Agency shall not be appealable.

(5) The Agency shall provide notice to the public, including an opportunity for public comment and hearing in accordance with the procedures set forth in 35 Ill. Adm. Code Part 164, on each proposal accepted by the Agency under this subsection (d). The Agency shall provide such notice, including an opportunity for public comment and hearing, prior to executing an Environmental Management System Agreement.

(6) Prior to promulgation of rules under Section 52.3-2(c), each Agreement shall specify the terms and conditions under which the Agency may terminate the Agreement.

(7) Each Agreement shall provide for appropriate stakeholder involvement in a manner that is conducive to productive participation, equitable decision making and open exchange of information in developing and implementing the Agreement.

(415 ILCS 5/52.3-4)
Sec. 52.3-4. Performance assurance.
(a) The Agency shall ensure that each Environmental Management System Agreement contains appropriate provisions for performance assurance. Those provisions may specify types of performance guarantees to be provided by the participant to assure performance of the terms and conditions of the Agreement.

(b) In the case of deficient performance of any term or condition in an Environmental Management System Agreement that prevents achievement of the stated purposes in subsection (b) of Section 52.3-1, the Agency may terminate the Agreement and the participant may be subject to enforcement in accordance with the provisions of Section 31 or 42 of this Act.

(b-5) The Agency may terminate an Agreement executed pursuant to subsection (d) of Section 52.3-1 if participation in the Federal Performance Track Program ceases.

(c) If the Agreement is terminated, the facility shall have sufficient time to apply for and receive any necessary permits to continue the operations in effect during the course of the Environmental Management Systems Agreement. Any such application shall also be deemed a timely and complete application for renewal of an existing permit under applicable law.

(d) The Agency may adopt rules that are necessary to carry out its duties under this Section including, but not limited to, rules that provide mechanisms for alternative dispute resolution and performance assurance.

(e) Nothing in this Section shall limit the authority or ability of a State's Attorney or the Attorney General to proceed pursuant to Section 43(a) of this Act, or to enforce Section 44 or 44.1 of this Act, except that for the purposes of enforcement under Section 43(a), 44, or 44.1, an Agreement shall be deemed to be a permit issued under this Act to engage in activities authorized under the Agreement.

(a) On Class II I and non-designated State and local highways, the total outside width of any vehicle or load thereon shall not exceed 8 feet.

(b) Except during those times when, due to insufficient light or unfavorable atmospheric conditions, persons and vehicles on the highway are not clearly discernible at a distance of 1000 feet, the following vehicles may exceed the 8 feet limitation during the period from a half hour before sunrise to a half hour after sunset:

(1) Loads of hay, straw or other similar farm products provided that the load is not more than 12 feet wide.

System of Interstate and Defense Highways or other highways in the system of State highways:

(A) The driver of a vehicle transporting an implement of husbandry that exceeds 8 feet 6 inches in width shall obey all traffic laws and shall check the roadways prior to making a movement in order to ensure that adequate clearance is available for the movement. It is prima facie evidence that the driver of a vehicle transporting an implement of husbandry has failed to check the roadway prior to making a movement if the vehicle is involved in a collision with a bridge, overpass, fixed structure, or properly placed traffic control device or if the vehicle blocks traffic due to its inability to proceed because of a bridge, overpass, fixed structure, or properly placed traffic control device.

(B) Flags shall be displayed so as to wave freely at the extremities of overwidth objects and at the extreme ends of all protrusions, projections, and overhangs. All flags shall be clean, bright red flags with no advertising, wording, emblem, or insignia inscribed upon them and at least 18 inches square.

(C) "OVERSIZE LOAD" signs are mandatory on the front and rear of all vehicles with loads over 10 feet wide. These signs must have 12-inch high black letters with a 2-inch stroke on a yellow sign that is 7 feet wide by 18 inches high.

(D) One civilian escort vehicle is required for a load that exceeds 14 feet 6 inches in width and 2 civilian escort vehicles are required for a load that exceeds 16 feet in width on the National System of Interstate and Defense Highways or other highways in the system of State highways.

(E) The requirements for a civilian escort vehicle and driver are as follows:

(1) The civilian escort vehicle shall be a passenger car or a second division vehicle not exceeding a gross vehicle weight of 8,000 pounds that is designed to afford clear and unobstructed vision to both front and rear.

(2) The escort vehicle driver must be properly licensed to operate the vehicle.

(3) While in use, the escort vehicle must be equipped with illuminated rotating, oscillating, or flashing amber lights or flashing amber strobe lights mounted on top that are of sufficient intensity to be visible at 500 feet in normal sunlight.
(4) "OVERSIZE LOAD" signs are mandatory on all escort vehicles. The sign on an escort vehicle shall have 8-inch high black letters on a yellow sign that is 5 feet wide by 12 inches high.

(5) When only one escort vehicle is required and it is operating on a two-lane highway, the escort vehicle shall travel approximately 300 feet ahead of the load. The rotating, oscillating, or flashing lights or flashing amber strobe lights and an "OVERSIZE LOAD" sign shall be displayed on the escort vehicle and shall be visible from the front. When only one escort vehicle is required and it is operating on a multilane divided highway, the escort vehicle shall travel approximately 300 feet behind the load and the sign and lights shall be visible from the rear.

(6) When 2 escort vehicles are required, one escort shall travel approximately 300 feet ahead of the load and the second escort shall travel approximately 300 feet behind the load. The rotating, oscillating, or flashing lights or flashing amber strobe lights and an "OVERSIZE LOAD" sign shall be displayed on the escort vehicles and shall be visible from the front on the lead escort and from the rear on the trailing escort.

(7) When traveling within the corporate limits of a municipality, the escort vehicle shall maintain a reasonable and proper distance from the oversize load, consistent with existing traffic conditions.

(8) A separate escort shall be provided for each load hauled.

(9) The driver of an escort vehicle shall obey all traffic laws.

(10) The escort vehicle must be in safe operational condition.

(11) The driver of the escort vehicle must be in radio contact with the driver of the vehicle carrying the oversize load.

(F) A transport vehicle while under load of more than 8 feet 6 inches in width must be equipped with an illuminated rotating, oscillating, or flashing amber light or lights or a flashing amber strobe light or lights mounted on the top of the cab that are of sufficient intensity to be visible at 500 feet in normal sunlight. If the load on the transport vehicle blocks the visibility of the amber lighting from the rear

of the vehicle, the vehicle must also be equipped with an illuminated rotating, oscillating, or flashing amber light or lights or a flashing amber strobe light or lights mounted on the rear of the load that are of sufficient intensity to be visible at 500 feet in normal sunlight.

(G) When a flashing amber light is required on the transport vehicle under load and it is operating on a two-lane highway, the transport vehicle shall display to the rear at least one rotating, oscillating, or flashing light or a flashing amber strobe light and an "OVERSIZE LOAD" sign. When a flashing amber light is required on the transport vehicle under load and it is operating on a multilane divided highway, the sign and light shall be visible from the rear.

(H) Maximum speed shall be 45 miles per hour on all such moves or 5 miles per hour above the posted minimum speed limit, whichever is greater, but the vehicle shall not at any time exceed the posted maximum speed limit.

(3) Portable buildings designed and used for agricultural and livestock raising operations that are not more than 14 feet wide and with not more than a 1 foot overhang along the left side of the hauling vehicle. However, the buildings shall not be transported more than 10 miles and not on any route that is part of the National System of Interstate and Defense Highways.

All buildings when being transported shall display at least 2 red cloth flags, not less than 12 inches square, mounted as high as practicable on the left and right side of the building.

A State Police escort shall be required if it is necessary for this load to use part of the left lane when crossing any 2 laned State highway bridge.

(c) Vehicles propelled by electric power obtained from overhead trolley wires operated wholly within the corporate limits of a municipality are also exempt from the width limitation.

(d) Exemptions are also granted to vehicles designed for the carrying of more than 10 persons under the following conditions:

(1) (Blank);

(2) When operated within any public transportation service with the approval of local authorities or an appropriate public body authorized by law to provide public transportation. Any vehicle so operated may be 8 feet 6 inches in width; or

(3) When a county engineer or superintendent of highways, after giving due consideration to the mass transportation needs of the area and to the width and condition of the road, has determined that the operation of buses wider than 8 feet will not pose an undue safety hazard on a particular county or township road

- with 2 axles: 40,000 pounds

(c) Cities having a population of more than 50,000 may permit by ordinance axle loads on 2 axle motor vehicles 33 1/2% above those provided for herein, but the increase shall not become effective until the city has officially notified the Department of the
passage of the ordinance and shall not apply to those vehicles when outside of the limits of the city, nor shall the gross weight of any 2 axle motor vehicle operating over any street of the city exceed 40,000 pounds.

(d) Weight limitations shall not apply to vehicles (including loads) operated by a public utility when transporting equipment required for emergency repair of public utility facilities or properties or water wells.

A combination of vehicles, including a tow truck and a disabled vehicle or disabled combination of vehicles, that exceeds the weight restriction imposed by this Code, may be operated on a public highway in this State provided that neither the disabled vehicle nor any vehicle being towed nor the tow truck itself shall exceed the weight limitations permitted under this Chapter. During the towing operation, neither the tow truck nor the vehicle combination shall exceed 24,000 pounds on a single rear axle and 44,000 pounds on a tandem rear axle, provided the towing vehicle:

(1) is specifically designed as a tow truck having a gross vehicle weight rating of at least 18,000 pounds and is equipped with air brakes, provided that air brakes are required only if the towing vehicle is towing a vehicle, semitrailer, or tractor-trailer combination that is equipped with air brakes;

(2) is equipped with flashing, rotating, or oscillating amber lights, visible for at least 500 feet in all directions;

(3) is capable of utilizing the lighting and braking systems of the disabled vehicle or combination of vehicles; and

(4) does not engage in a tow exceeding 20 miles from the initial point of wreck or disablement. Any additional movement of the vehicles may occur only upon issuance of authorization for that movement under the provisions of Sections 15-301 through 15-319 of this Code.

Gross weight limits shall not apply to the combination of the tow truck and vehicles being towed. The tow truck license plate must cover the operating empty weight of the tow truck only. The weight of each vehicle being towed shall be covered by a valid license plate issued to the owner or operator of the vehicle being towed and displayed on that vehicle. If no valid plate issued to the owner or operator of that vehicle is displayed on that vehicle, or the plate displayed on that vehicle does not cover the weight of the vehicle, the weight of the vehicle shall be covered by the third tow truck plate issued to the owner or operator of the tow truck and temporarily affixed to the vehicle being towed.

The Department may by rule or regulation prescribe additional requirements. However, nothing in this Code shall prohibit a tow truck under instructions of a police officer from legally clearing a disabled vehicle, that may be in violation of weight limitations of this Chapter, from the roadway to the berm or shoulder of the highway. If in the opinion of the police officer that location is unsafe, the officer is authorized to have the disabled vehicle towed to the nearest place of safety.
For the purpose of this subsection, gross vehicle weight rating, or GVWR, shall mean the value specified by the manufacturer as the loaded weight of the tow truck.

(e) No vehicle or combination of vehicles equipped with pneumatic tires shall be operated, unladen or with load, upon the highways of this State in violation of the provisions of any permit issued under the provisions of Sections 15-301 through 15-319 of this Chapter.

(f) On designated Class I, II, or III highways and the National System of Interstate and Defense Highways, no vehicle or combination of vehicles with pneumatic tires may be operated, unladen or with load, when the total weight on the road surface exceeds the following: 20,000 pounds on a single axle; 34,000 pounds on a tandem axle with no axle within the tandem exceeding 20,000 pounds; 80,000 pounds gross weight for vehicle combinations of 5 or more axles; or a total weight on a group of 2 or more consecutive axles in excess of that weight produced by the application of the following formula: \( W = 500 \times \left( \frac{L}{N} \right) + 12N + 36 \), where "W" equals overall total weight on any group of 2 or more consecutive axles to the nearest 500 pounds, "L" equals the distance measured to the nearest foot between extremes of any group of 2 or more consecutive axles, and "N" equals the number of axles in the group under consideration.

The above formula when expressed in tabular form results in allowable loads as follows:

| Distance measured to the nearest foot between the extremes of any group of 2 or more consecutive axles | Maximum weight in pounds of any group of 2 or more consecutive axles |
|---|---|---|---|---|---|
| feet | 2 axles | 3 axles | 4 axles | 5 axles | 6 axles |

*If the distance between 2 axles is 96 inches or less, the 2 axles are tandem axles and the maximum total weight may not exceed 34,000 pounds, notwithstanding the higher limit resulting from the application of the formula.

Vehicles not in a combination having more than 4 axles may not exceed the weight in the table in this subsection (f) for 4 axles measured between the extreme axles of the vehicle.

Vehicles in a combination having more than 6 axles may not exceed the weight in the table in this subsection (f) for 6 axles measured between the extreme axles of the combination.

Local authorities and road district highway commissioners, with respect to streets and highways under their jurisdiction, without additional fees, may also by ordinance or resolution allow the weight limitations of this subsection, provided the maximum gross weight on any one axle shall not exceed 20,000 pounds and the maximum total weight on any tandem axle shall not exceed 34,000 pounds, on designated highways when appropriate regulatory signs giving notice are erected upon the street or highway or portion of any street or highway affected by the ordinance or resolution.

The following are exceptions to the above formula:

1. Two consecutive sets of tandem axles may carry a total weight of 34,000 pounds each if the overall distance between the first and last axles of the consecutive sets of tandem axles is 36 feet or more.

2. Vehicles for which a different limit is established and posted in accordance with Section 15-316 of this Code.

3. Vehicles for which the Department of Transportation and local authorities issue overweight permits under authority of Section 15-301 of this Code. These vehicles are not subject to the bridge formula.

4. Tow trucks subject to the conditions provided in subsection (d) may not exceed 24,000 pounds on a single rear axle or 44,000 pounds on a tandem rear axle.

5. A tandem axle on a 3-axle truck registered as a Special Hauling Vehicle, manufactured prior to or in the model year of 2004, and registered in Illinois prior to January 1, 2005, with a distance between 2 axles in a series greater than 72 inches but not more than 96 inches may not exceed a total weight of 36,000 pounds and neither axle of the series may exceed 18,000 pounds.

6. A truck not in combination, equipped with a self compactor or an industrial roll-off hoist and roll-off container, used exclusively for garbage or refuse operations, may, when laden, transmit upon the road surface, except when on part of the National System of Interstate and Defense Highways, the following maximum weights: 22,000 pounds on a single axle; 40,000 pounds on a tandem

axle; 36,000 pounds gross weight on a 2-axle vehicle; 54,000 pounds gross weight on a 3-axle vehicle. This vehicle is not subject to the bridge formula.

(7) Combinations of vehicles, registered as Special Hauling Vehicles that include a semitrailer manufactured prior to or in the model year of 2004, and registered in Illinois prior to January 1, 2005, having 5 axles with a distance of 42 feet or less between extreme axles, may not exceed the following maximum weights: 18,000 pounds on a single axle; 32,000 pounds on a tandem axle; and 72,000 pounds gross weight. This combination of vehicles is not subject to the bridge formula. For all those combinations of vehicles that include a semitrailer manufactured after the effective date of this amendatory Act of the 92nd General Assembly, the overall distance between the first and last axles of the 2 sets of tandems must be 18 feet 6 inches or more. Any combination of vehicles that has had its cargo container replaced in its entirety after December 31, 2004 may not exceed the weights allowed by the bridge formula.

No vehicle or combination of vehicles equipped with other than pneumatic tires may be operated, unladen or with load, upon the highways of this State when the gross weight on the road surface through any wheel exceeds 800 pounds per inch width of tire tread or when the gross weight on the road surface through any axle exceeds 16,000 pounds.

(f-1) A vehicle and load not exceeding 73,280 pounds is allowed access as follows:

(1) From any State designated highway onto any county, township, or municipal highway for a distance of 5 highway miles for the purpose of loading and unloading, provided:
   (A) The vehicle and load does not exceed 8 feet 6 inches in width and 65 feet overall length.
   (B) There is no sign prohibiting that access.
   (C) The route is not being used as a thoroughfare between State designated highways.

(2) From any State designated highway onto any county or township highway for a distance of 5 highway miles, or any municipal highway for a distance of one highway mile for the purpose of food, fuel, repairs, and rest, provided:
   (A) The vehicle and load does not exceed 8 feet 6 inches in width and 65 feet overall length.
   (B) There is no sign prohibiting that access.
   (C) The route is not being used as a thoroughfare between State designated highways.

(f-2) A vehicle and load greater than 73,280 pounds in weight but not exceeding 80,000 pounds is allowed access as follows:

(1) From a Class I highway onto any street or highway for a distance of one highway mile for the purpose of loading, unloading, food, fuel, repairs, and rest, provided there is no sign prohibiting that access.

(2) From a Class I, II, or III highway onto any State highway or any local designated highway for a distance of 5 highway miles for the purpose of loading, unloading, food, fuel, repairs, and rest.

Section 5-35 of the Illinois Administrative Procedure Act relating to procedures for rulemaking shall not apply to the designation of highways under this subsection.

(g) No person shall operate a vehicle or combination of vehicles over a bridge or other elevated structure constituting part of a highway with a gross weight that is greater than the maximum weight permitted by the Department, when the structure is sign posted as provided in this Section.

(h) The Department upon request from any local authority shall, or upon its own initiative may, conduct an investigation of any bridge or other elevated structure constituting a part of a highway, and if it finds that the structure cannot with safety to itself withstand the weight of vehicles otherwise permissible under this Code the Department shall determine and declare the maximum weight of vehicles that the structures can withstand, and shall cause or permit suitable signs stating maximum weight to be erected and maintained before each end of the structure. No person shall operate a vehicle or combination of vehicles over any structure with a gross weight that is greater than the posted maximum weight.

(i) Upon the trial of any person charged with a violation of subsections (g) or (h) of this Section, proof of the determination of the maximum allowable weight by the Department and the existence of the signs, constitutes conclusive evidence of the maximum weight that can be maintained with safety to the bridge or structure.

PUBLIC ACT 93-0179
(Senate Bill No. 268)

AN ACT in relation to environmental matters.
Be it enacted by the People of the State of Illinois, represented in the General
Assembly:
Section 5. The Environmental Protection Act is amended by changing Sections
3.160 and 21 as follows:
(415 ILCS 5/3.160) (was 415 ILCS 5/3.78 and 3.78a)
Sec. 3.160. Construction or demolition debris.

those materials.

General construction or demolition debris does not include uncontaminated soil generated during construction, remodeling, repair, and demolition of utilities, structures, and roads provided the uncontaminated soil is not commingled with any general construction or demolition debris or other waste.

(b) "Clean construction or demolition debris" means uncontaminated broken concrete without protruding metal bars, bricks, rock, stone, reclaimed asphalt pavement, or soil generated from construction or demolition activities.

Clean construction or demolition debris does not include uncontaminated soil generated during construction, remodeling, repair, and demolition of utilities, structures, and roads provided the uncontaminated soil is not commingled with any clean construction or demolition debris or other waste.

To the extent allowed by federal law, clean construction or demolition debris shall not be considered "waste" if it is (i) used as fill material below grade outside of a setback zone if the fill is placed no higher than the highest point of elevation existing prior to the filling immediately adjacent to the fill area, and if covered by sufficient uncontaminated soil to support vegetation within 30 days of the completion of filling or if covered by a road or structure, or (ii) separated or processed and returned to the economic mainstream in the form of raw materials or products, if it is not speculatively accumulated and, if used as a fill material, it is used in accordance with item (i) within 30 days of its generation, or (iii) solely broken concrete without protruding metal bars used for erosion control, or (iv) generated from the construction or demolition of a building, road, or other structure and used to construct, on the site where the construction or demolition has taken place, an above-grade area shaped so as to blend into an extension of the surrounding topography or an above-grade manmade functional structure not to exceed 20 feet above the highest point of elevation of the property immediately adjacent to the new manmade functional structure as that elevation existed prior to the creation of that new structure in height, provided that the area or structure shall be covered with sufficient soil materials to sustain vegetation or by a road or structure, and further provided that no such area or structure shall be constructed within a home rule municipality with a population over 500,000 without the consent of the municipality.

The card shall be prepared and supplied by the Secretary of State and shall include a photograph of the applicant. The applicant, upon receipt of a card and prior to its use for any purpose, shall affix his signature thereon in the space provided therefor. The Illinois Identification Card may be used for identification purposes in any lawful situation only by the person to whom it was issued. As used in this Act, "photograph" means any color photograph or digitally produced and captured image of an applicant for an identification card. As used in this Act, "signature" means the name of a person as written by that person and captured in a manner acceptable to the Secretary of State.

Notwithstanding any other provisions of law, an Illinois Disabled Person Identification Card, or evidence that the Secretary of State has issued an Illinois Disabled Person Identification Card, shall not be used by any person other than the person named on such card to prove that the person named on such card is a disabled person or for any other purpose unless the card is used for the benefit of the person named on such card, and the person named on such card consents to such use at the time the card is so used.

When medical information is contained on an Illinois Disabled Person Identification Card, the Office of the Secretary of State shall not be liable for any actions taken based upon that medical information.

PUBLIC ACT 93-0185
(Senate Bill No. 1408)

AN ACT concerning transportation.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Interagency Coordinating Committee on Transportation Act.

Section 5. Findings; purpose. The General Assembly finds that safe, reliable, and convenient transportation to and from (i) work and related destinations such as child care and education, (ii) medical appointments and related destinations such as a pharmacy, and (iii) ancillary services necessary to the health, well-being, and independence of the family such as grocery shopping, adult day services, and pharmacy related services are extremely important in the ability to find and retain employment and insure the continued independence and well-being of all citizens of Illinois, particularly in the lower income

sectors of the economy. For many people, these transportation needs are not met by existing mass transit. In a national survey by the University of Illinois at Chicago of over 500 riders of 23 federally funded community transportation projects under the Job Access and Reverse Commute (JARC) program across the nation, 68% of riders indicated that they would not be able to reach their employment without this service. Furthermore, the national evaluation of the JARC program by the General Accounting Office illustrates that 65% of all projects have extended existing fixed routes by schedule or location as well as created connections to existing services. This creates a need for innovative transportation to work strategies that fit within local circumstances in Illinois. Many localities around Illinois do not have the resources or the expertise to develop and support innovative transportation options. Localities need access to technical assistance both in designing programs and in accessing various sources of State and federal funds. Illinois also leaves substantial federal transportation funds unclaimed because of the failure to put forward projects to use the funds. Thus, Illinois would benefit from an Interagency Coordinating Committee to set priorities for improving access to transportation for the transportation disadvantaged. The General Accounting Office has found in its evaluation that interagency collaboration has informed transit agencies of how to better serve low-income communities by knowing where jobs are located and a system of supports are found. Illinois would also benefit from a unified State process to apply for federal transportation assistance for innovative transportation to work projects and strategies and for identifying the matching funds necessary to access that federal assistance. The purpose of this Act is to establish the Interagency Coordinating Committee on Transportation.

Section 10. Definitions. As used in this Act:
(1) "Agency" means an official, commission, authority, council, department, committee, division, bureau, board, or any other unit or entity of the State, a municipality, a county, or other local governing body or a private not-for-profit transportation service providing agency. (2) "Committee" means the Illinois Coordinating Committee on Transportation. 
(3) "Coordination" means the arrangement for the provision of transportation services to the transportation disadvantaged in a manner that is cost-effective, efficient, and reduces fragmentation and duplication of services.
(4) "Transportation disadvantaged" means those persons who, because of physical or mental disability, income status, age, location of residence, or other reasons are unable to transport themselves or to purchase affordable transportation and are, therefore, dependent upon others to obtain access to health care, employment, education, shopping, social activities, or other life-sustaining activities.

Section 15. Committee. The Illinois Coordinating Committee on Transportation is created and shall consist of the following members:
(1) The Governor or his or her designee.
(2) The Secretary of Transportation or his or her designee.
(3) The Secretary of Human Services or his or her designee.
(4) The Director of Aging or his or her designee.
(5) The Director of Public Aid or his or her designee.
(6) The Director of Commerce and Community Affairs or his or her designee.
(7) A representative of the Illinois Rural Transit Assistance Center.
(8) A person who is a member of a recognized statewide organization representing older residents of Illinois.
(9) A representative of centers for independent living.
(11) A representative of an existing transportation system that coordinates and provides transit services in a multi-county area for the Department of Transportation, Department of Human Services, Department of Commerce and Community Affairs, or Department on Aging.
(12) A representative of a statewide organization of rehabilitation facilities or other providers of services for persons with one or more disabilities.
(13) A representative of a community-based organization.
(14) A representative of the Department of Public Health.
(15) A representative of the Rural Partners.
(16) The Director of Employment Security or his or her designee.
(17) A representative of a statewide business association.

The Governor shall appoint the members of the Committee other than those named in paragraphs (1) through (6) and paragraph (16) of this Section. The Governor or his or her designee shall serve as chairperson of the Committee and shall convene the meetings of the Committee. The Secretary of Transportation and a representative of a community-based organization involved in transportation or their designees, shall serve as co-vice-chairpersons and shall be responsible for staff support for the committee.

Section 20. Duties of Committee. The Committee shall encourage the coordination of public and private transportation services, with priority given to services directed toward those populations who are currently not served or who are underserved by existing public transit.

The Committee shall seek innovative approaches to providing and funding local transportation services and offer their expertise to communities statewide. Specifically, the Committee shall:

1) Coordinate a State process within federal guidelines to facilitate coordination of community-based transportation programs. This process should include: developing objectives for providing essential transportation services to the transportation disadvantaged; providing technical assistance to communities that are addressing transportation gaps that affect low-income populations; developing a process for requesting federal funds such as the Job Access and Reverse Commute (JARC) Grant program that is
based on input from communities statewide; assisting communities in identifying funds from other available sources for projects that are not an eligible use of JARC funds; and developing a plan to identify and recruit potential stakeholders in future community transportation initiatives to the Committee.

(2) Develop goals and objectives to reduce duplication of services and achieve coverage that is as complete as possible.

(3) Serve as a clearinghouse for information about funding sources and innovations in serving the transportation disadvantaged.

(4) Submit a report, not later than February 1, 2006, to the Governor and the General Assembly that outlines the progress made by the Committee in performing its duties set forth in paragraphs (1) through (4) of this Section and makes recommendations for statutory and regulatory changes to promote coordination.

Section 99. Effective date. This Act takes effect upon becoming law.

PUBLIC ACT 93-0186
(Senate Bill No. 1453)

AN ACT in relation to vehicles.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Vehicle Code is amended by changing Section 15-111 as follows:

centers are more than 96 inches apart, measured between extreme axles in the series, may not exceed those allowed in the table contained in subsection (f) of this Section. No axle or tandem axle of the series may exceed the maximum weight permitted under this Section for a single or tandem axle.

No vehicle or combination of vehicles equipped with other than pneumatic tires may be operated, unladen or with load, upon the highways of this State when the gross weight on the road surface through any wheel exceeds 800 pounds per inch width of tire tread or when the gross weight on the road surface through any axle exceeds 16,000 pounds.

(b) On non-designated highways, the gross weight of vehicles and combination of vehicles including the weight of the vehicle or combination and its maximum load shall be subject to the foregoing limitations and further shall not exceed the following gross weights dependent upon the number of axles and distance between extreme axles of the vehicle or combination measured longitudinally to the nearest foot.

- with 2 axles: 40,000 pounds

(c) Cities having a population of more than 50,000 may permit by ordinance axle loads on 2 axle motor vehicles 33 1/2% above those provided for herein, but the increase shall not become effective until the city has officially notified the Department of the passage of the ordinance and shall not apply to those vehicles when outside of the limits of...
the city, nor shall the gross weight of any 2 axle motor vehicle operating over any street of
the city exceed 40,000 pounds.

(d) Weight limitations shall not apply to vehicles (including loads) operated by a
public utility when transporting equipment required for emergency repair of public utility
facilities or properties or water wells.

A combination of vehicles, including a tow truck and a disabled vehicle or
disabled combination of vehicles, that exceeds the weight restriction imposed by this Code,
may be operated on a public highway in this State provided that neither the disabled
vehicle nor any vehicle being towed nor the tow truck itself shall exceed the weight
limitations permitted under this Chapter. During the towing operation, neither the tow truck
nor the vehicle combination shall exceed 24,000 pounds on a single rear axle and 44,000
pounds on a tandem rear axle, provided the towing vehicle:

1. is specifically designed as a tow truck having a gross vehicle weight
rating of at least 18,000 pounds and is equipped with air brakes, provided that air
brakes are required only if the towing vehicle is towing a vehicle, semitrailer, or
tractor-trailer combination that is equipped with air brakes;

2. is equipped with flashing, rotating, or oscillating amber lights,
visible for at least 500 feet in all directions;

3. is capable of utilizing the lighting and braking systems of the
disabled vehicle or combination of vehicles; and

4. does not engage in a tow exceeding 20 miles from the initial point of
wreck or disablement. Any additional movement of the vehicles may occur only
upon issuance of authorization for that movement under the provisions of
Sections 15-301 through 15-319 of this Code.

Gross weight limits shall not apply to the combination of the tow truck and
vehicles being towed. The tow truck license plate must cover the operating empty weight
of the tow truck only. The weight of each vehicle being towed shall be covered by a valid
license plate issued to the owner or operator of the vehicle being towed and displayed on
that vehicle. If no valid plate issued to the owner or operator of that vehicle is displayed on
that vehicle, or the plate displayed on that vehicle does not cover the weight of the vehicle,
the weight of the vehicle shall be covered by the third tow truck plate issued to the owner
or operator of the tow truck and temporarily affixed to the vehicle being towed.

The Department may by rule or regulation prescribe additional requirements.
However, nothing in this Code shall prohibit a tow truck under instructions of a police
officer from legally clearing a disabled vehicle, that may be in violation of weight
limitations of this Chapter, from the roadway to the berm or shoulder of the highway. If in
the opinion of the police officer that location is unsafe, the officer is authorized to have the
disabled vehicle towed to the nearest place of safety.

For the purpose of this subsection, gross vehicle weight rating, or GVWR, shall
mean the value specified by the manufacturer as the loaded weight of the tow truck.
(e) No vehicle or combination of vehicles equipped with pneumatic tires shall be operated, unladen or with load, upon the highways of this State in violation of the provisions of any permit issued under the provisions of Sections 15-301 through 15-319 of this Chapter.

(f) On designated Class I, II, or III highways and the National System of Interstate and Defense Highways, no vehicle or combination of vehicles with pneumatic tires may be operated, unladen or with load, when the total weight on the road surface exceeds the following: 20,000 pounds on a single axle; 34,000 pounds on a tandem axle with no axle within the tandem exceeding 20,000 pounds; 80,000 pounds gross weight for vehicle combinations of 5 or more axles; or a total weight on a group of 2 or more consecutive axles in excess of that weight produced by the application of the following formula: \( W = 500 \times (LN \div (N-1)) + 12N + 36 \), where "W" equals overall total weight on any group of 2 or more consecutive axles to the nearest 500 pounds, "L" equals the distance measured to the nearest foot between extremes of any group of 2 or more consecutive axles, and "N" equals the number of axles in the group under consideration.

The above formula when expressed in tabular form results in allowable loads as follows:

*If the distance between 2 axles is 96 inches or less, the 2 axles are tandem axles and the maximum total weight may not exceed 34,000 pounds, notwithstanding the higher limit resulting from the application of the formula.

Vehicles not in a combination having more than 4 axles may not exceed the weight in the table in this subsection (f) for 4 axles measured between the extreme axles of the vehicle.

Vehicles in a combination having more than 6 axles may not exceed the weight in the table in this subsection (f) for 6 axles measured between the extreme axles of the combination.

Local authorities and road district highway commissioners, with respect to streets and highways under their jurisdiction, without additional fees, may also by ordinance or resolution allow the weight limitations of this subsection, provided the maximum gross weight on any one axle shall not exceed 20,000 pounds and the maximum total weight on any tandem axle shall not exceed 34,000 pounds, on designated highways when appropriate regulatory signs giving notice are erected upon the street or highway or portion of any street or highway affected by the ordinance or resolution.

The following are exceptions to the above formula:

(1) Two consecutive sets of tandem axles may carry a total weight of 34,000 pounds each if the overall distance between the first and last axles of the consecutive sets of tandem axles is 36 feet or more.

(2) Vehicles for which a different limit is established and posted in accordance with Section 15-316 of this Code.

(3) Vehicles for which the Department of Transportation and local authorities issue overweight permits under authority of Section 15-301 of this Code. These vehicles are not subject to the bridge formula.

(4) Tow trucks subject to the conditions provided in subsection (d) may not exceed 24,000 pounds on a single rear axle or 44,000 pounds on a tandem rear axle.

(5) A tandem axle on a 3-axle truck registered as a Special Hauling Vehicle, manufactured prior to or in the model year of 2014 2004, and registered in Illinois prior to January 1, 2015 2005, with a distance between 2 axles in a series greater than 72 inches but not more than 96 inches may not exceed a total weight of 36,000 pounds and neither axle of the series may exceed 18,000 pounds.

(6) A truck not in combination, equipped with a self compactor or an industrial roll-off hoist and roll-off container, used exclusively for garbage or refuse operations, may, when laden, transmit upon the road surface, except when on part of the National System of Interstate and Defense Highways, the following maximum weights: 22,000 pounds on a single axle; 40,000 pounds on a tandem
axle; 36,000 pounds gross weight on a 2-axle vehicle; 54,000 pounds gross weight on a 3-axle vehicle. This vehicle is not subject to the bridge formula.

(7) Combinations of vehicles, registered as Special Hauling Vehicles that include a semitrailer manufactured prior to or in the model year of 2014, and registered in Illinois prior to January 1, 2015, having 5 axles with a distance of 42 feet or less between extreme axles, may not exceed the following maximum weights: 18,000 pounds on a single axle; 32,000 pounds on a tandem axle; and 72,000 pounds gross weight. This combination of vehicles is not subject to the bridge formula. For all those combinations of vehicles that include a semitrailer manufactured after the effective date of this amendatory Act of the 92nd General Assembly, the overall distance between the first and last axles of the 2 sets of tandems must be 18 feet 6 inches or more. Any combination of vehicles that has had its cargo container replaced in its entirety after December 31, 2014, may not exceed the weights allowed by the bridge formula. No vehicle or combination of vehicles equipped with other than pneumatic tires may be operated, unladen or with load, upon the highways of this State when the gross weight on the road surface through any wheel exceeds 800 pounds per inch width of tire tread or when the gross weight on the road surface through any axle exceeds 16,000 pounds.

(f-1) A vehicle and load not exceeding 73,280 pounds is allowed access as follows:

(1) From any State designated highway onto any county, township, or municipal highway for a distance of 5 highway miles for the purpose of loading and unloading, provided:

(A) The vehicle and load does not exceed 8 feet 6 inches in width and 65 feet overall length.
(B) There is no sign prohibiting that access.
(C) The route is not being used as a thoroughfare between State designated highways.

(2) From any State designated highway onto any county or township highway for a distance of 5 highway miles, or any municipal highway for a distance of one highway mile for the purpose of food, fuel, repairs, and rest, provided:

(A) The vehicle and load does not exceed 8 feet 6 inches in width and 65 feet overall length.
(B) There is no sign prohibiting that access.
(C) The route is not being used as a thoroughfare between State designated highways.

(f-2) A vehicle and load greater than 73,280 pounds in weight but not exceeding 80,000 pounds is allowed access as follows:

Sec. 18.3a. Confidential intermediary. (a) General purposes. Notwithstanding any other provision of this Act, any adopted person 21 years of age or over, any adoptive parent or legal guardian of an adopted person under the age of 21, or any birth parent of an adopted person who is 21 years of age or over may petition the court in any county in the State of Illinois for appointment of a confidential intermediary as provided in this Section for the purpose of exchanging medical information with one or more mutually consenting biological relatives, obtaining identifying information about one or more mutually consenting biological relatives, or arranging contact with one or more mutually consenting biological relatives. Additionally, in cases where an adopted or surrendered person is deceased, an adult child of the adopted or surrendered person may file a petition under this Section and in cases where the birth parent is deceased, an adult birth sibling of the adopted person or of the deceased birth parent may file a petition under this Section for the purpose of exchanging medical information with one or more mutually consenting biological relatives, obtaining identifying information about one or more mutually consenting biological relatives, or arranging contact with one or more mutually consenting biological relatives.

(b) Petition. Upon petition by an adopted person 21 years of age or over, an adoptive parent or legal guardian of an adopted person under the age of 21, or a birth parent of an adopted person who is 21 years of age or over, the court shall appoint a confidential intermediary. Upon petition by an adult child of an adopted person who is deceased or by an adult birth sibling of an adopted person whose birth parent is deceased or by an adult sibling of a birth parent who is deceased, the court may appoint a confidential intermediary if the court finds that the disclosure is of greater benefit than nondisclosure. The petition shall state which biological relative or relatives are being sought and shall indicate if the petitioner wants to do any one or more of the following: exchange medical information with the biological relative or relatives, obtain identifying information from the biological relative or relatives, or to arrange contact with the biological relative.

(c) Order. The order appointing the confidential intermediary shall allow that intermediary to conduct a search for the sought-after relative by accessing those records described in subsection (g) of this Section.

New matter indicated by italics - deletions by strikeout
(d) Fees and expenses. The court shall condition the appointment of the confidential intermediary on the petitioner's payment of the intermediary's fees and expenses in advance of the commencement of the work of the confidential intermediary.

(e) Eligibility of intermediary. The court may appoint as confidential intermediary either an employee of the Illinois Department of Children and Family Services designated by the Department to serve as such, any other person certified by the Department as qualified to serve as a confidential intermediary, or any employee of a licensed child welfare agency certified by the agency as qualified to serve as a confidential intermediary. Certification shall be dependent upon the confidential intermediary completing a course of training including, but not limited to, applicable federal and State privacy laws.

(f) Confidential Intermediary Council. There shall be established under the Department of Children and Family Services a Confidential Intermediary Advisory Council. One member shall be an attorney representing the Attorney General's Office appointed by the Attorney General. One member shall be a currently certified confidential intermediary appointed by the Director of the Department of Children and Family Services. The Director shall also appoint 5 additional members. When making those appointments, the Director shall consider advocates for adopted persons, adoptive parents, birth parents, lawyers who represent clients in private adoptions, lawyers specializing in privacy law, and representatives of agencies involved in adoptions. The Director shall appoint one of the 7 members as the chairperson. An attorney from the Department of Children and Family Services and the person directly responsible for administering the confidential intermediary program shall serve as ex-officio, non-voting advisors to the Council. Council members shall serve at the discretion of the Director and shall receive no compensation other than reasonable expenses approved by the Director. The Council shall meet no less than twice yearly, and shall make recommendations to the Director regarding the development of rules, procedures, and forms that will ensure efficient and effective operation of the confidential intermediary process, including:

(1) Standards for certification for confidential intermediaries.
(2) Oversight of methods used to verify that intermediaries are complying with the appropriate laws.
(3) Training for confidential intermediaries, including training with respect to federal and State privacy laws.
(4) The relationship between confidential intermediaries and the court system, including the development of sample orders defining the scope of the intermediaries' access to information.
(5) Any recent violations of policy or procedures by confidential intermediaries and remedial steps, including decertification, to prevent future violations.
(g) Access. Subject to the limitations of subsection (i) of this Section, the confidential intermediary shall have access to vital records maintained by the Department of Public Health and its local designees for the maintenance of vital records and all records of the court or any adoption agency, public or private, which relate to the adoption or the identity and location of an adopted person, of an adult child of a deceased adopted person, or of a birth parent, birth sibling, or the sibling of a deceased birth parent. The confidential intermediary shall not have access to any personal health information protected by the Standards for Privacy of Individually Identifiable Health Information adopted by the U.S. Department of Health and Human Services under the Health Insurance Portability and Accountability Act of 1996 unless the confidential intermediary has obtained written consent from the person whose information is being sought or, if that person is a minor child, that person’s parent or guardian. Confidential intermediaries shall be authorized to inspect confidential relinquishment and adoption records. The confidential intermediary shall not be authorized to access medical records, financial records, credit records, banking records, home studies, attorney file records, or other personal records. In cases where a birth parent is being sought, an adoption agency shall inform the confidential intermediary of any statement filed pursuant to Section 18.3 indicating a desire of the surrendering birth parent to have identifying information shared or to not have identifying information shared. If there was a clear statement of intent by the sought-after birth parent not to have identifying information shared, the confidential intermediary shall discontinue the search and inform the petitioning party of the sought-after relative's intent. Additional information provided to the confidential intermediary by an adoption agency shall be restricted to the full name, date of birth, place of birth, last known address, and last known telephone number of the sought-after relative or, if applicable, of the children or siblings of the sought-after relative.

If the petitioner is an adult child of an adopted person who is deceased, the confidential intermediary shall additionally confirm that the adopted person did not file a Denial of Information Exchange with the Illinois Adoption Registry during his or her life. If the petitioner is an adult birth sibling of an adopted person or an adult sibling of a birth parent who is deceased, the confidential intermediary shall additionally confirm that the birth parent did not file a Denial of Information Exchange with the Registry during his or her life. If the confidential intermediary learns that a sought-after birth parent signed a statement indicating his or

her intent not to have identifying information shared, and did not later file an Information Exchange Authorization with the Adoption Registry, the confidential intermediary shall discontinue the search and inform the petitioning party of the birth parent's intent.

In conducting a search under this Section, the confidential intermediary shall attempt to locate the relative or relatives from whom the petitioner has requested information. If the sought-after relative is deceased or cannot be located after a diligent search, the confidential intermediary may contact adult biological relatives of the sought-after relative.

The confidential intermediary shall contact a sought-after relative on behalf of the petitioner in a manner that respects the sought-after relative's privacy and shall inform the sought-after relative of the petitioner's request for medical information, identifying information or contact as stated in the petition. Based upon the terms of the petitioner's request, the confidential intermediary shall contact a sought-after relative on behalf of the petitioner and inform the sought-after relative of the following options:

1. The sought-after relative may totally reject one or all of the requests for medical information, identifying information or contact. The sought-after relative shall be informed that they can provide a medical questionnaire to be forwarded to the petitioner without releasing any identifying information. The confidential intermediary shall inform the petitioner of the sought-after relative's decision to reject the sharing of information or contact.

2. The sought-after relative may consent to completing a medical questionnaire only. In this case, the confidential intermediary shall provide the questionnaire and ask the sought-after relative to complete it. The confidential intermediary shall forward the completed questionnaire to the petitioner and inform the petitioner of the sought-after relative's desire to not provide any additional information.

3. The sought-after relative may communicate with the petitioner without having his or her identity disclosed. In this case, the confidential intermediary shall arrange the desired communication in a manner that protects the identity of the sought-after relative. The confidential intermediary shall inform the petitioner of the sought-after relative's decision to communicate but not disclose his or her identity.

4. The sought-after relative may consent to initiate contact with the petitioner. Any person who learns a sought-after relative's identity, directly or indirectly, through the use of procedures provided in this Section and who improperly discloses information identifying the sought-after relative shall be liable to the sought-after relative for actual damages plus minimum punitive damages of $10,000.

3. The Department shall fine any confidential intermediary who improperly discloses confidential information in violation of item (1) or (2) of this subsection (k) an amount up to $2,000 per improper disclosure. This fine does not affect civil liability under item (2) of this subsection (k). The Department shall deposit all fines and penalties collected under this Section into the Illinois Adoption Registry and Medical Information Fund.

(l) Death of person being sought. Notwithstanding any other provision of this Act, if the confidential intermediary discovers that the person being sought has died, he or she shall report this fact to the court, along with a copy of the death certificate.

(m) Any confidential information obtained by the confidential intermediary during the course of his or her search shall be kept strictly confidential and shall be used for the purpose of arranging contact between the petitioner and the sought-after birth relative. At the time the case is closed, all identifying information shall be returned to the court for inclusion in the impounded adoption file.

(n) If the petitioner is an adopted person 21 years of age or over or the adoptive parent or legal guardian of an adopted person under the age of 21, any non-identifying information, as defined in Section 18.4, that is ascertained during the course of the search may be given in writing to the petitioner before the case is closed.

(o) Except as provided in subsection (k) of this Section, no liability shall accrue to the State, any State agency, any judge, any officer or employee of the court, any certified
confidential intermediary, or any agency designated to oversee confidential intermediary services for acts, omissions, or efforts made in good faith within the scope of this Section.

(a) General purposes. Notwithstanding any other provision of this Act, any adopted person over the age of 21 or any adoptive parent or legal guardian of an adopted person under the age of 21 may petition the court for appointment of a confidential intermediary as provided in this Section for the purpose of obtaining from one or both birth parents or a sibling or siblings of the adopted person information concerning the background of a psychological or genetically-based medical problem experienced or which may be expected to be experienced in the future by the adopted person or obtaining assistance in treating such a problem.

(b) Petition. The court shall appoint a confidential intermediary for the purposes described in subsection (f) if the petitioner shows the following:

(1) the adopted person is suffering or may be expected to suffer in the future from a life-threatening or substantially incapacitating physical illness of any nature, or a psychological disturbance which is substantially incapacitating but not life-threatening, or a mental illness which, in the opinion of a physician licensed to practice medicine in all its branches, is or could be genetically based to a significant degree;

(2) the treatment of the adopted person, in the opinion of a physician licensed to practice medicine in all of its branches, would be materially assisted by information obtainable from the birth parents or might benefit from the provision of organs or other bodily tissues, materials, or fluids by the birth parents or other close biological relatives; and

(3) there is neither an Information Exchange Authorization nor a Denial of Information Exchange filed in the Registry as provided in Section 18.1.

The affidavit or testimony of the treating physician shall be conclusive on the issue of the utility of contact with the birth parents unless the court finds that the relationship between the illness to be treated and the alleged need for contact is totally without foundation.

(c) Fees and expenses. The court shall condition the appointment of the confidential intermediary on the payment of the intermediary's fees and expenses in advance, unless the intermediary waives the right to full advance payment or to any reimbursement at all.

(d) Eligibility of intermediary. The court may appoint as confidential intermediary either an employee of the Illinois Department of Children and Family Services designated by the Department to serve as such, any other person certified by the Department as qualified to serve as a confidential intermediary, or any employee of a licensed child welfare agency certified by the agency as qualified to serve as a confidential intermediary.

(1) To contact one or both birth parents, inform the parent or parents of the basic medical problem of the adopted person and the nature of the information or assistance sought from the birth parent, and inform the parent or parents of the following options:

(A) The birth parent may totally reject the request for assistance or information, or both, and no disclosure of identity or location shall be made to the petitioner.

(B) The birth parent may file an Information Exchange Authorization as provided in Section 18.1. The confidential intermediary shall explain to the birth parent the consequences of such a filing, including that the birth parent's identity will be available for discovery by the adopted person. If the birth parent agrees to this option, the confidential intermediary shall supply the parent with the appropriate forms, shall be responsible for their immediate filing with the Registry, and shall inform the petitioner of their filing.

(C) If the birth parent wishes to provide the information or assistance sought but does not wish his or her identity disclosed, the confidential intermediary shall arrange for the disclosure of the information or the provision of assistance in as confidential a manner as possible so as to protect the privacy of the birth parent and minimize the likelihood of disclosure of the birth parent's identity.

(3) If a birth parent agrees to provide the information or assistance sought but wishes to maintain his or her privacy, to arrange for the provision of the information or assistance to the physician in as confidential a manner as possible so as to protect the privacy of the birth parent and minimize the likelihood of disclosure of the birth parent's identity.

Section 5. The Criminal Code of 1961 is amended by adding Article 37.5 as follows:

(720 ILCS 5/Art. 37.5 heading new)

ARTICLE 37.5. ANIMAL FIGHTING; FORFEITURE

(720 ILCS 5/37.5-5 new)

Sec. 37.5-5. Legislative declaration. The General Assembly finds that the forfeiture of real property that is used or intended to be used in connection with any show, exhibition, program or other activity featuring or otherwise involving a fight between an animal and any other animal or human or the intentional killing of any animal for the purpose of sport, wagering or entertainment, will have a significant beneficial effect in deterring the rising incidence of those activities within this State, as well as other crimes that frequently occur in partnership with animal fighting, such as illegal gambling, possession of narcotics, and weapons violations.

(720 ILCS 5/37.5-10 new)

Sec. 37.5-10. Applicability. A person who commits a felony violation of Section 4.01 of the Humane Care for Animals Act or a felony violation of Section 26-5 of this Code shall forfeit (i) any moneys, profits, or proceeds the person acquired in whole or in part, as a result of committing the violation and (ii) any real property or interest in real property that the sentencing court determines the person acquired in whole or in part, as a result of committing the violation or the person maintained or used in whole or in part, to facilitate, directly or indirectly, the commission of the violation. The person shall forfeit any interest in, securities, or claim against, or contractual right of any kind that affords the person a source of influence over, any enterprise that the person has established, operated, controlled, conducted, or participated in conducting if the person's relations to or connection with the interest, security, or claim, or contractual right, directly or indirectly, in whole or in part, is traceable to any thing or benefit that the person has obtained or acquired as a result of a felony violation of Section 4.01 of the Humane Care for Animals Act or a felony violation of Section 26-5 of this Code.

(720 ILCS 5/37.5-15 new)
Sec. 37.5-15. Real property forfeiture.

(a) Following the arrest of a person or persons for any felony offense under Section 4.01 of the Humane Care for Animals Act or a felony offense under Section 26-5 of this Code, the State's Attorney of the county in which it occurred or the Attorney General may seek forfeiture of the real property associated with the offense, whether the real property belongs to the person organizing the show, exhibition, program, or other such activity described in subsections (a) through (g) of Section 4.01 of the Humane Care for Animals Act or Section 26-5 of this Code or to any other person participating in the activity described in subsections (a) through (g) of Section 4.01 of the Humane Care for Animals Act or Section 26-5 of this Code, who is related to the organization and operation of the activity or to any person who knowingly allowed the activities to occur on his or her premises.

(b) Real property includes any land, home, house, apartment, building, garage, site, structure, or facility, whether enclosed or not, and any part or section of any land, home, house, apartment, building, garage, site, structure, or facility and any right title, or interest in the whole of any lot or tract of land and any appurtenances or improvements on the land. (720 ILCS 5/37.5-20 new)

Sec. 37.5-20. Procedure. Proceedings instituted under this Article shall be subject to and conducted in accordance with the procedures set forth in this Section.

(a) Notice to owner or interest holder. Whenever notice of pending forfeiture or service of a lis pendens is required under the provisions of this Article, the notice or service shall be given as follows:

(1) If the owner's or interest holder's name and current address are known, then by either personal service or mailing a copy of the notice by certified mail, return receipt requested, to that address. For purposes of notice under this Section if a person has been arrested for the conduct giving rise to the forfeiture, then the address provided to the arresting agency at the time of arrest shall be deemed to be that person's known address. Provided, however, if an owner or interest holder's address changes prior to the effective date of the notice of pending forfeitures, the owner or interest holder shall promptly notify the seizing agency of the change in address or, if the owner or interest holder's address changes subsequent to the effective date of the notice of pending forfeitures, the owner or interest holder shall promptly notify the State's Attorney or Attorney General of the change in address; or

(2) If the owner's or interest holder's address is not known, and is not on record as provided in paragraph (1), then by publication for 3 successive weeks in a newspaper of general circulation in the county in which the seizure occurred; or

(3) Notice served under this Article is effective upon personal service, the last date of publication, or the mailing of written notice, whichever is earlier.

(b) Probable cause hearing. In an action brought by the People of the State of Illinois under this Section, in which a restraining order, injunction, prohibition, lis pendens, or other action in connection with any property or interest subject to forfeiture under this Article is sought, the circuit court presiding over the trial of the person charged with a felony violation of Section 4.01 of the Humane Care for Animals Act or a felony offense under Section 26-5 of this Code shall first determine whether there is probable cause to believe that the person so charged has committed a felony offense under Section 4.01 of the Humane Care for Animals Act or a felony offense under Section 26-5 of this Code and whether the property or interest, is subject to forfeiture under this Article. To make that determination before entering an order in connection with that property or interest, the court shall conduct a hearing without a jury, at which the People must establish that there is: (i) probable cause that the person charged committed a felony offense under Section 4.01 of the Humane Care for Animals Act or a felony offense under Section 26-5 of this Code and whether the property or interest may be subject to forfeiture under this Article. The hearing may be conducted simultaneously with a preliminary hearing, if the prosecution is commenced by information or complaint, or by motion of the People at any stage in the proceedings. The court may accept, at a preliminary hearing, (i) the filing of an information charging that the defendant committed a felony offense under Section 4.01 of the Humane Care for Animals Act or a felony offense under Section 26-5 of this Code or (ii) the return of an indictment by a grand jury charging that the defendant committed a felony offense under Section 4.01 of the Humane Care for Animals Act or a felony offense under Section 26-5 of this Code as sufficient evidence of probable cause that the person committed the offense.

(1) Upon making a finding of probable cause, the circuit court shall enter a restraining order, injunction, lis pendens, or prohibition or shall take other action in connection with the property or other interest subject to forfeiture under this Article as is necessary to insure that the property is not removed from the jurisdiction of the court, concealed, destroyed, or otherwise disposed of by the owner of that property or interest before a forfeiture hearing under this Article. The State’s Attorney shall file a certified copy of the restraining order, injunction, or other prohibition with the recorder or registrar of title of each county in which the property may be located. An injunction, restraining order, or other prohibition issued under this Section does not affect the rights of any bonafide purchaser, mortgagee, judgment creditor, or other lien holder that arose before the date the certified copy is filed.

(2) The court may at any time, on verified petition by the defendant, conduct a hearing to determine whether all or any portion of the property or interest, which the court previously determined to be subject to forfeiture or

subject to any restraining order, injunction, lis pendens, prohibition, or other action, should be released. The court may in its discretion release the property to the defendant for good cause shown.

(720 ILCS 5/37.5-25 new)

Sec. 37.5-25. Forfeiture hearing. If real property is subject to seizure for felony violations under Section 4.01 of the Humane Care for Animals Act or felony violations under Section 26-5 of this Code, upon conviction, the State's Attorney or Attorney General may commence an action by petition in the sentencing court anytime following sentencing of the defendant. The sentencing court shall conduct a hearing to determine whether any property or property interest of the defendant, profits, or proceeds is subject to forfeiture under this Article. At the forfeiture hearing the People have the burden of establishing, by a preponderance of the evidence, that the property or property interest is subject to forfeiture.

(1) All property declared forfeited under this Article vests in this State on the date of the commission of the conduct giving rise to forfeiture together with the proceeds of the property after that time. Any such property or proceeds subsequently transferred to any person remain subject to forfeiture and thereafter shall be ordered forfeited unless the transferee claims and establishes in a hearing under the provisions of this Article that the transferee's interest is exempt.

(2) If the State does not show by a preponderance of the evidence or a claimant has established by preponderance of evidence that the claimant has an interest that is exempt under this Article, the court shall order the interest in the property returned or conveyed to the claimant and shall order all other property forfeited to the State. If the State does show by a preponderance of the evidence that the property interest is subject to forfeiture, and the claimant does not establish by a preponderance of evidence that the claimant has an interest that is exempt under this Article, the court shall order all real property forfeited to the State.

(3) A defendant convicted in any criminal proceeding is precluded from later denying the essential allegations of the criminal offense of which the defendant was convicted in any proceeding under this Article regardless of the pendency of an appeal from that conviction. However, evidence of the pendency of an appeal is admissible.

(720 ILCS 5/37.5-30 new)

Sec. 37.5-30. Exemptions from forfeiture.

(a) A property interest is exempt from forfeiture under this Article if its owner or interest holder establishes by a preponderance of evidence that the owner or interest holder:
(1) in the case of real property is not legally accountable for the conduct giving rise to the forfeiture, or did not solicit, conspire, or attempt to commit the conduct giving rise to the forfeiture; and

(2) had not acquired and did not stand to acquire proceeds from the conduct giving rise to its forfeiture other than as an interest holder in an arms length commercial transaction; and

(3) does not hold the property for the benefit of or as a nominee for any person whose conduct gave rise to its forfeiture, and, if the owner or interest holder acquired the interest through any such person, the owner or interest holder acquired it as a bona fide purchaser for value without knowingly taking part in the conduct giving rise to the forfeiture; and

(4) that the owner or interest holder acquired the interest:

   (i) before the commencement of the conduct giving rise to its forfeiture and the person whose conduct gave rise to its forfeiture did not have the authority to convey the interest to a bona fide purchaser for value at the time of the conduct; or

   (ii) after the commencement of the conduct giving rise to its forfeiture, and the owner or interest holder acquired the interest as a mortgagee, secured creditor, lienholder, or bona fide purchaser for value without knowledge of the conduct which gave rise to the forfeiture; and

   (iii) in the case of real estate, before the filing in the office of the recorder of the county in which the real estate is located of a notice of a lis pendens notice.

(5)(A) With respect to a property interest in existence at the time the illegal conduct giving rise to the forfeiture took place,

   (i) did not know of the conduct giving rise to forfeiture; or

   (ii) upon learning of the conduct giving rise to the forfeiture, did all that reasonably could be expected under the circumstances to terminate such use of the property.

   (B)(i) For the purposes of this paragraph (5), ways in which a person may show that he or she did all that reasonably could be expected may include demonstrating that he or she, to the extent permitted by law:

       (I) gave timely notice to an appropriate law enforcement agency of information that led the person to know the conduct giving rise to a forfeiture would occur or has occurred; and

       (II) in a timely fashion revoked or made a good faith attempt to revoke permission for those engaging in such

New matter indicated by italics - deletions by strikeout
conduct to use the property or took reasonable actions in consultation with a law enforcement agency to discourage or prevent the illegal use of the property.

(ii) A person is not required by this subparagraph to take steps that the person reasonably believes would be likely to subject any person (other than the person whose conduct gave rise to the forfeiture) to physical danger.

(b) If the court determines, in accordance with this Section, that an innocent owner has a partial interest in property otherwise subject to forfeiture, or a joint tenancy or tenancy by the entirety in that property, the court may enter an appropriate order:

(1) severing the property;
(2) transferring the property to the State with a provision that the State compensate the innocent owner to the extent of his or her ownership interest once a final order of forfeiture has been entered and the property has been reduced to liquid assets; or
(3) permitting the innocent owner to retain the property subject to a lien in favor of the State to the extent of the forfeitable interest in the property.

(c) In this Section, the term "owner":

(1) means a person with an ownership interest in the specific property sought to be forfeited, including a leasehold, lien, mortgage, recorded security interest, or valid assignment of an ownership interest; and
(2) does not include:

(i) a person with only a general unsecured interest in, or claim against, the property or estate of another;
(ii) a bailee unless the bailor is identified and the bailee shows a colorable legitimate interest in the property seized; or
(iii) a nominee who exercises no dominion or control over the property.

(720 ILCS 5/37.5-35 new)

Sec. 37.5-35. Settlement of claims. Notwithstanding other provisions of this Article, the State's Attorney and a claimant of seized property may enter into an agreed upon settlement concerning the property subject to forfeiture in such an amount and upon such terms as are set out in writing in a settlement agreement.

Sec. 37.5-45. Disposal of property. Real property taken or detained under this Section is not subject to replevin, but is deemed to be in the custody of the Director of State Police subject only to the order and judgments of the circuit court having jurisdiction over the forfeiture proceedings and the decisions of the State's Attorney or Attorney General under this Article.

(1) When property is forfeited under this Article, the Director of State Police shall sell all such property and shall distribute the proceeds of the sale, together with any moneys forfeited or seized in accordance with paragraph (2).

(2) All monies and the sale proceeds of all other property forfeited and seized under this Article shall be distributed as follows:

(A) 65% shall be distributed to the local, municipal, county, or State law enforcement agency or agencies that conducted or participated in the investigation resulting in the forfeiture. The distributions shall bear a reasonable relationship to the degree of direct participation of the law enforcement agency in the effort resulting in the forfeiture, taking into account the total value of the property forfeited and the total law enforcement effort with respect to the violation of the law upon which the forfeiture is based.

(B) 12.5% shall be distributed to the Office of the State's Attorney of the county in which the prosecution resulting in the forfeiture was instituted for use in the enforcement of laws, including animal fighting.

Sec. 2P.1. Telemarketing; free trials.

(a) As used in this Section, "telemarketing" means a plan, program, or campaign which is conducted to induce the purchase of goods or services by use of one or more telephones and which involves calls to or from more than one consumer.

(b) A person or entity that, by means of a telemarketing plan, program, or campaign, offers free goods or services to an Illinois consumer on a trial basis and assesses a periodic fee or charge for the goods or services after the end of the free trial period must send to the consumer who accepts the free goods or services an invoice that the consumer may use to pay the periodic fee or charge or indicate that the consumer no longer wishes to receive the goods or services after the end of the free trial period. The invoice must contain an address and telephone number the consumer may use to cancel the goods or services if the consumer no longer wishes to receive the free goods or services after the end of the free trial period.

(c) Violation of this Section constitutes an unlawful practice within the meaning of this Act.

AN ACT in relation to identity theft.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Criminal Code of 1961 is amended by adding Section 16G-30 as follows:

(720 ILCS 5/16G-30 new)

Sec. 16G-30. Mandating law enforcement agencies to accept and provide reports; judicial factual determination.

(a) A person who has learned or reasonably suspects that his or her personal identifying information has been unlawfully used by another may initiate a law enforcement investigation by contacting the local law enforcement agency that has jurisdiction over his or her actual residence, which shall take a police report of the matter, provide the complainant with a copy of that report, and begin an investigation of the facts or, if the suspected crime was committed in a different jurisdiction, refer the matter to the law enforcement agency where the suspected crime was committed for an investigation of the facts.

(b) A person who reasonably believes that he or she is the victim of financial identity theft may petition a court, or the court, on its own motion or upon application of the prosecuting attorney, may move for an expedited judicial determination of his or her factual innocence, where the perpetrator of the financial identity theft was arrested for, cited for, or convicted of a crime under the victim's identity, or where a criminal complaint has been filed against the perpetrator in the victim's name, or where the victim's identity has been mistakenly associated with a criminal conviction. Any judicial determination of factual innocence made pursuant to this subsection (b) may be heard and determined upon declarations, affidavits, police reports, or other material, relevant, and reliable information submitted by the parties or ordered to be part of the record by the court. If the court determines that the petition or motion is meritorious and that there is no reasonable cause to believe that the victim committed the offense for which the perpetrator of the identity theft was arrested, cited, convicted, or subject to a criminal complaint in the victim's name, or that the victim's identity has been mistakenly associated with a record of criminal conviction, the court shall find the victim factually innocent of that offense. If the victim is found factually innocent, the court shall issue an order certifying this determination.

(c) After a court has issued a determination of factual innocence under this Section, the court may order the name and associated personal identifying information contained in the court records, files, and indexes accessible by the public sealed, deleted,
or labeled to show that the data is impersonated and does not reflect the defendant's identity.

(d) A court that has issued a determination of factual innocence under this Section may at any time vacate that determination if the petition, or any information submitted in support of the petition, is found to contain any material misrepresentation or fraud.

Section 10. The Consumer Fraud and Deceptive Business Practices Act is amended by adding Section 2MM as follows:

(815 ILCS 505/2MM new)
Sec. 2MM. Verification of accuracy of credit reporting information used to extend consumers credit.

(a) A credit card issuer who mails an offer or solicitation to apply for a credit card and who receives a completed application in response to the offer or solicitation which lists an address that is not substantially the same as the address on the offer or solicitation may not issue a credit card based on that application until reasonable steps have been taken to verify the applicant's change of address.

(b) Any person who uses a consumer credit report in connection with the approval of credit based on the application for an extension of credit, and who has received notification of a police report filed with a consumer reporting agency that the applicant has been a victim of financial identity theft, as defined in Section 16G-15 of the Criminal Code of 1961, may not lend money or extend credit without taking reasonable steps to verify the consumer's identity and confirm that the application for an extension of credit is not the result of financial identity theft.

(c) For purposes of this Section, "extension of credit" does not include an increase in an existing open-end credit plan, as defined in Regulation Z of the Federal Reserve System (12 C.F.R. 226.2), or any change to or review of an existing credit account.

(d) Any person who violates subsection (a) or subsection (b) commits an unlawful practice within the meaning of this Act.

Sec. 20. Additional costs allowed. In addition to and in excess of all costs otherwise permitted to be assessed under any special assessment law in any special assessment proceeding, the governing body may in the special assessment ordinance provide for the following additional amounts in the assessment:

(a) an additional reserve, not to exceed 10% of the amount of the bonds issued pursuant to this Act, as a reserve for the payment of interest on or principal of bonds when due in the event of nonpayment of any assessments; provided however, the interest earnings, if any, on the additional reserve shall be applied to the next installment as a partial reduction of payment due;

(b) an amount for the payment of interest upon bonds for a period not to exceed the greater of 2 years or a period ending 6 months after the estimated date of completion of the acquisition and construction of the local improvement that is the subject of the special assessment proceeding; and

(c) an amount for bond discount (the difference between the face amount of a bond and the price at which the bond is to be sold, exclusive of original issue discount) not to exceed 4% of the total cost of the improvement. The reserve provided for by clause (a) of this Section shall be in addition to and in excess of any other reserve otherwise permitted by special assessment law including reserves for interest deficiencies. Any additional cost or reserve to be included by authority of this Section shall be expressly provided for in the special assessment ordinance and shall further be expressly stated in any engineer's estimate of cost prepared in connection with a special assessment ordinance as provided by a special assessment law.

Sec. 45. Bonds. In lieu of the issuance of vouchers or bonds provided by a special assessment law, Supplemental Act Assessment Bonds payable from the assessments made under a special assessment proceeding may be issued under this Section. Supplemental Act Assessment Bonds shall be issued under the following terms and provisions:

(a) They shall be payable from the assessments made under a special assessment proceeding and such other income or revenues as may lawfully be pledged to the payment of such bonds by a governmental unit.

(b) They may be issued in lieu of vouchers at any time after the date of the judicial order of final confirmation of the assessment roll and report. Special Assessment Bonds may be issued prior to the expiration of the appeal period provided for in the special assessment law and the issuer and owners of such bonds may rely on any waiver of the statutory appeal period executed by a municipality, county, or other issuer of such bonds and the owners and parties interested in land taken, damaged, or assessed therein, as conclusive evidence of the non-appealability of the final judgment or order. Parties

interested in land taken, damaged, or assessed for purposes of such waiver and appeal shall include only the owners of record, mortgagees of record, lien holders of record, and contract purchasers of any land taken, damaged, or assessed on or after the time when interest begins to run on the assessments made under a special assessment proceeding.

(c) They may be issued in an amount not to exceed the amount of the assessments confirmed in a special assessment proceeding less the principal amount of any assessments previously paid and less the principal amount of any vouchers that may have previously been issued.

(d) They may bear interest at any rate or rates not to exceed the rate or rates permitted by the Bond Authorization Act; provided, however, that such rate or rates shall not exceed the rate or rates provided for the unpaid installments of the assessments made under the special assessment proceeding.

(e) They may pay interest upon such date or dates either annually, semi-annually, monthly, weekly, or otherwise.

(f) They may be subject to redemption with or without premium upon such terms and provisions as may be provided by the governing body, including, without limitation, terms as to the order of redemption (numerical, pro-rata, by series, or otherwise) and as to the timing thereof.

(g) They shall be negotiable instruments under Illinois law.

(h) They may be made payable either serially or at term, or any combination thereof, in such order of preference, priority, lien position, or rank (including, without limitation, numerical, pro-rata, by series, or otherwise) and otherwise have any attributes permitted to bonds under the Local Government Debt Reform Act, as the governing body may provide.

Sec. 55. County clerk may collect. Pursuant to the Illinois constitutional and statutory provisions relating to intergovernmental cooperation, the county clerk of any county in which property subject to a special assessment is located may, but shall not be required to, agree to mail bills for a special assessment with the regular tax bills of the county, or otherwise as may be provided by a special assessment law. If the clerk agrees to mail such bills with the regular tax bills, then the annual amount due as of January 2 shall become due instead in even installments with each tax bill made during the year in which such January 2 date occurs, thus deferring to later date in the year the obligation to pay the assessments.

In the event that the county clerk does not agree to mail such bills, or in the event that the municipality declines to request the county clerk to mail said bills, the municipality still may bill the annual amount due as of January 2 in 2 installments to become due on or about the due dates for the real estate tax bills issued by the county clerk during the year in which such January 2 date occurs.
which such January 2 date occurs, thus deferring to later dates in said year the obligation
to pay the assessment installment.

In the event that the county clerk agrees to mail such bills on behalf of a
municipality, the county may charge a fee for such services to be paid from the special
assessment. Such fee shall be considered as a cost of making, levying, and collecting the

Sec. 65. Rebates. If, after final settlement with the contractor for any
improvements, there is any surplus remaining, the Board of Local Improvements shall
declare a surplus and rebate upon each lot, block, tract, or parcel of land assessed the pro
rata proportion of that surplus. The Board of Local Improvements shall state which
specific assessment installments (including interest thereon) are being reduced. If the
Board of Local Improvements determines these excess amounts have been collected for
making, levying, and collecting or for reserves for deficiencies, the governing body can
declare a surplus and credit such amount to each lot, block, tract, or parcel of land
assessed or a pro rata proportion to the next installment as a partial reduction of the
payment due or, alternatively, may use such surplus to retire bonds in any manner so
determined.

Section 10. The Illinois Municipal Code is amended by changing Section 9-2-9 as
follows:

(65 ILCS 5/9-2-9) (from Ch. 24, par. 9-2-9)

Sec. 9-2-9. Preliminary procedure for local improvements by special assessment.
All ordinances for local improvements to be paid for wholly or in part by special
assessment or special taxation shall originate with the board of local improvements.
Petitions for any local improvement shall be addressed to that board. The board may
originate a scheme for any local improvement to be paid for by special assessment or
special tax, either with or without a petition, and in either case shall adopt a resolution
describing the proposed improvement. This resolution may provide that specifications for
the proposed improvement be made part of the resolution by reference to specifications
previously adopted by resolution by the municipality, or to specifications adopted or
published by the State of Illinois or a political subdivision thereof, provided that a copy of
the specifications so adopted by reference is on file in the office of the clerk of the
municipality. This resolution shall be at once transcribed into the records of the board.

The proposed local improvement may consist of the acquisition of the necessary
interests in real property and the construction of any public improvement or any
combination of public improvements, including, but not limited to, streets street, storm
drain sewers sewer, water mains main, or sanitary sewer improvements, sidewalks,
walkways, bicycle paths, landscaping, lighting improvements, signage improvements,
vehicular parking improvements, any additional improvements necessary to provide access

to the public improvements, and all necessary and appurtenances, or any combination thereof, in a local contiguous area pursuant to a single special assessment project, provided that in assessing each lot, block, tract, and parcel of property, the commissioner so assessing shall take into consideration whether each lot, block, tract, or parcel is benefited by all or only some of the improvements combined into the single special assessment project. For purposes hereof, a local contiguous area shall be defined as an area in which all of the lots, blocks, tracts, or parcels located within the boundaries thereof will be benefited by one or more of the proposed improvements. The fact that more than one improvement is being constructed as part of a single special assessment project shall not be grounds for an objection by an assessees to the special assessment proceeding in court.

Whenever the proposed improvement requires that private or public property be taken or damaged, the resolution shall describe the property proposed to be taken or damaged for that purpose. The board, by the same resolution, shall fix a day and hour for a public hearing thereon. The hearing shall not be less than 10 days after the adoption of the resolution. The board shall also have an estimate of the cost of the improvement (omitting land to be acquired) made in writing by the engineer of the board, (if there is an engineer, if not, then by the president) over his signature. This estimate shall be itemized to the satisfaction of the board and shall be made a part of the record of the resolution. However, such an estimate is not required in municipalities having a population of 100,000 or more when the proposed improvement consists only of taking or damaging private or public property. And in cities and villages which have adopted prior to the effective date of this Code or which after the effective date of this Code adopt the commission form of municipal government, the estimate of the cost of the improvement, (omitting land to be acquired), shall be made in writing by the public engineer if there is one, of the city or village, if not, then by the mayor or president of the city or village.

Notice of the time and place of the public hearing shall be sent by mail directed to the person who paid the general taxes for the last preceding year on each lot, block, tract, or parcel of land fronting on the proposed improvement not less than 5 days prior to the time set for the public hearing. These notices shall contain (1) the substance of the resolution adopted by the board, (2) when an estimate is required by this Division 2 the estimate of the cost of the proposed improvement, and (3) a notification that the extent, nature, kind, character, and (when an estimate is required by this article) the estimated cost of the proposed improvement may be changed by the board at the public hearing thereon. If upon the hearing the board deems the proposed improvement desirable, it shall adopt a resolution and prepare and submit an ordinance therefor. But in proceedings only for the laying, building, constructing, or renewing of any sidewalk, water service pipe, or house drain, no resolution, public hearing, or preliminary proceedings leading up to the same are necessary. In such proceedings the board may submit to the corporate authorities an ordinance, together with its recommendation and (when an estimate is required) the
estimated cost of the improvement, as made by the engineer. Such proceedings shall have the same effect as though a public hearing had been held thereon.

In the event that a local improvement is to be constructed with the assistance of any agency of the Federal government, or other governmental agency, the resolution of the board of local improvements shall set forth that fact and the estimate of cost shall set forth and indicate, in dollars and cents, the estimated amount of assistance to be so provided.

PUBLIC ACT 93-0197
(House Bill No. 2889)

AN ACT in relation to agriculture.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Agricultural Co-Operative Act is amended by changing Sections 2, 5, 8, 9, 13, 21, 25, 32, and 33 as follows:
(805 ILCS 315/2) (from Ch. 32, par. 441)
Sec. 2. Definitions and short title.
(a) As used in this Act:
The term "Director of Agriculture" means the Director of the Illinois Department of Agriculture or the Director's designee.
The term "agricultural products" shall include horticultural, viticultural, forestry, dairy, live stock, poultry, bee and any farm and aquatic products and fur bearing animals raised in captivity and their products.
The term "member" shall include actual members of associations without capital stock, and holders of common stock in associations organized with capital stock.
The term "association" means any corporation organized under this Act, or any corporation formed under any general or special act of this or any other state as a co-operative association, organized for the mutual benefit of its members, and in which the returns on the stock or membership capital is limited to an amount not to exceed 8% per annum, and in which during any fiscal year thereof the value of business done with non-members shall not exceed the business done with members during the same period, and in which substantially all of the issued and outstanding shares of capital stock or memberships are owned, held and controlled directly or indirectly, by producers of agricultural products.

New matter indicated by italics - deletions by strikeout
The term "person", except when used in reference to an officer or member of the board of directors, in which case it means an individual, shall include any individual or any entity, including but not limited to a sole proprietorship, a partnership, a corporation, a cooperative, an association, a limited liability company, an estate, or a trust individuals; firms, partnerships, corporations and associations.

(b) Associations organized hereunder shall be deemed "non-profit", inasmuch as they are not organized to make profit for themselves, as such, or for their members, as such, but only for their members as producers.

(c) This Act may be cited as the Agricultural Co-Operative Act.

(Source: P.A. 85-856; 86-1475.)

Sec. 5. Every group of persons contemplating the organization of an association under this Act is urged to communicate with the Director of Agriculture, who will share any information the Department may have regarding inform them whatever a survey of the marketing conditions affecting the commodities proposed to be handled may indicate regarding probable success.

It is here recognized that agriculture is characterized by individual production in contrast to the group or factory system that characterizes other forms of industrial production; and that the ordinary form of corporate organization permits industrial groups to combine for the purpose of group production and the ensuing group marketing and that the public has an interest in permitting farmers to bring their industry to the high degree of efficiency and merchandising skill evidenced in the manufacturing industries; and that the public interest urgently needs to prevent the migration from the farm to the city in order to keep up farm production and to preserve the agricultural supply of the nation; and that the public interest demands that the farmer be encouraged to attain a superior and more direct system of marketing in the substitution of merchandising for the blind, unscientific and speculative selling of crops; and that for this purpose, the farmers should secure special guidance and instructive data from the Director of Agriculture.

A certified copy of the articles of incorporation shall also be filed with the Director of Agriculture by the association.

(a-5) An initiator of an unsolicited electronic mail advertisement must establish a toll-free telephone number or valid sender-operated return electronic mail address that the recipient of the unsolicited electronic mail advertisement may call or electronically mail to notify the sender not to electronically mail any further unsolicited electronic mail advertisements.

For any unsolicited electronic mail advertisement that contains information regarding the lease, sale, rental, gift offer, or other disposition of any realty, goods, services, or extension of credit, that may only be viewed, purchased, rented, leased, or held in possession by an individual 18 years of age and older, the subject line of each and every message shall include "ADV:ADLT" as the first 8 characters.

(b) This Section applies when the unsolicited electronic mail advertisement is delivered to an Illinois resident via an electronic mail service provider's service or equipment located in this State.

(c) Any person, other than an electronic mail service provider, who suffers actual damages as a result of a violation of this Section committed by any individual or entity may bring an action against such individual or entity. The injured person may recover attorney's fees and costs, and may elect, in lieu of recovery of actual damages, to recover the lesser of $10 for each and every unsolicited electronic mail advertisement transmitted in violation of this Section, or $25,000 per day. The injured person shall not have a cause
of action against the electronic mail service provider that merely transmits the unsolicited electronic mail advertisement over its computer network.

(f) An electronic mail service provider may, upon its own initiative, block the receipt or transmission through its service of any unsolicited electronic mail advertisement that it reasonably believes is, or will be, sent in violation of this Section.

(4) Ask an insured or an applicant for insurance whether that individual is or has been a subject of abuse or whether that individual seeks or has sought: (i) medical or psychological treatment specifically for abuse; or (ii) protection or shelter from abuse.

(b) No company authorized to transact life, health, or disability income, or property and casualty insurance in this State may fail to maintain strict confidentiality of information, as defined in the Insurance Information and Privacy Protection Article of this Code, relating to an applicant's or insured's abuse status or to a medical or psychological condition that the company knows is abuse-related. Disclosure of such abuse-related information shall be subject to the disclosure limitations and conditions contained in Section 1014 of this Code.

(c) Nothing in this Section shall be construed to prohibit a company specified in subsection (a) from (i) refusing to insure, refusing to continue to insure, limiting the amount, extent, or kind of coverage available to an individual, or charging a different rate for the same coverage on the basis of that individual's physical or mental condition regardless of the underlying cause of such condition; (ii) declining to issue a life insurance policy insuring an individual who is or has been the subject of abuse if the perpetrator of the abuse is the applicant or would be the owner of the insurance policy; or (iii) inquiring about a physical or mental condition, even if that condition was caused by or is related in any manner to abuse.

(e) No company specified in subsection (a) above shall be held civilly or criminally liable for any cause of action that may be brought because of compliance with this Section. (215 ILCS 5/155.22b)
Sec. 155.22b. Rating, claims handling, and underwriting decisions.
(a) No company issuing a policy of property and casualty insurance may use the fact that an applicant or insured incurred bodily injury as a result of a battery or other violent act committed against him or her by a spouse or person in the same household as a sole reason for a rating, underwriting, or claims handling decision.
(b) If a policy excludes property coverage for intentional acts, the insurer may not deny payment to an innocent co-insured who did not cooperate in or contribute to the creation of the loss if the loss arose out of a pattern of criminal domestic violence and the perpetrator of the loss is criminally prosecuted for the act causing the loss. Payment to the innocent co-insured may be limited to his or her ownership interest in the property as reduced by any payments to a mortgagor or other secured interest.

(5) The Council may enter into a contract or an exclusive contract with the supplier of goods or services required by a claimant or class of claimants, in connection with an expense reimbursable from the Fund, for a specified good or service at a gross maximum price or fixed rate, and may limit reimbursement accordingly.

(7) Neither the Council nor an eligible claimant is responsible for payment for costs incurred that have not been previously approved by the Council, unless an emergency exists.

(9) If a claimant has pollution liability insurance coverage other than coverage provided by the insurance account under this Act, that coverage shall be primary. Reimbursement from the remedial account shall be limited to the deductible amounts under the primary coverage and the amount that exceeds the policy limits of the primary coverage, subject to the deductible amounts of this Act. (g) The source of funds for the remedial action account shall be moneys allocated to the account by the Council according to the Fund budget approved by the Council.

(h) A drycleaning facility will be classified as active or inactive for purposes of determining benefits under this Section based on the status of the facility on the date a claim is filed.

facility. The Council is not required to resolve whether the owner or operator, or both, are responsible for a release under the terms of an agreement between the owner and operator.

(b) The source of funds for the insurance account shall be as follows:

(1) Moneys appropriated to the Council or moneys allocated to the insurance account by the Council according to the Fund budget approved by the Council.

(2) Moneys collected as an insurance premium, including service fees, if any.

(3) Investment income attributed to the insurance account by the Council.

(c) An owner or operator may purchase coverage of up to $500,000 per drycleaning facility subject to the terms and conditions under this Section and those adopted by the Council. Coverage shall be limited to remedial action costs associated with soil and groundwater contamination resulting from a release of drycleaning solvent at an insured drycleaning facility, including third-party liability for soil and groundwater contamination. Coverage is not provided for a release that occurred before the date of coverage.

(d) An owner or operator, subject to underwriting requirements and terms and conditions deemed necessary and convenient by the Council, may purchase insurance coverage from the insurance account provided that the drycleaning facility to be insured meets the following conditions:

(1) a site investigation designed to identify soil and groundwater contamination resulting from the release of a drycleaning solvent has been completed. The Council shall determine if the site investigation is adequate. This investigation must be completed by June 30, 2004. For drycleaning facilities that apply for insurance coverage become active after June 30, 2004, the site investigation must be completed prior to issuance of insurance coverage; and

(2) the drycleaning facility is participating in and meets all requirements of a drycleaning compliance program approved by the Council.

(e) The annual premium for insurance coverage shall be:

(1) For the year July 1, 1999 through June 30, 2000, $250 per drycleaning facility.

(2) For the year July 1, 2000 through June 30, 2001, $375 per drycleaning facility.

(3) For the year July 1, 2001 through June 30, 2002, $500 per drycleaning facility.

(4) For the year July 1, 2002 through June 30, 2003, $625 per drycleaning facility.

(5) For subsequent years, an owner or operator applying for coverage shall pay an annual actuarially-sound insurance premium for coverage by the
insurance account. The Council may approve Fund coverage through the payment of a premium established on an actuarially-sound basis, taking into consideration the risk to the insurance account presented by the insured. Risk factor adjustments utilized to determine actuarially-sound insurance premiums should reflect the range of risk presented by the variety of drycleaning systems, monitoring systems, drycleaning volume, risk management practices, and other factors as determined by the Council. As used in this item, "actuarially sound" is not limited to Fund premium revenue equaling or exceeding Fund expenditures for the general drycleaning facility population. Actuarially-determined premiums shall be published at least 180 days prior to the premiums becoming effective. (f) If coverage is purchased for any part of a year, the purchaser shall pay the full annual premium. The insurance premium is fully earned upon issuance of the insurance policy.

(g) The insurance coverage shall be provided with a $10,000 deductible policy.

(h) A future repeal of this Section shall not terminate the obligations under this Section or authority necessary to administer the obligations until the obligations are satisfied, including but not limited to the payment of claims filed prior to the effective date of any future repeal against the insurance account until moneys in the account are exhausted. Upon exhaustion of the moneys in the account, any remaining claims shall be invalid. Sec. 65. Drycleaning solvent tax.

(a) On and after January 1, 1998, a tax is imposed upon the use of drycleaning solvent by a person engaged in the business of operating a drycleaning facility in this State at the rate of $3.50 per gallon of perchloroethylene or other chlorinated drycleaning solvents used in drycleaning operations, and $0.35 per gallon of petroleum-based drycleaning solvent, and $1.75 per gallon of green solvents, unless the green solvent is used at a virgin facility, in which case the rate is $0.35 per gallon. The Council shall determine by rule which products are chlorine-based solvents, and which products are petroleum-based solvents, and which products are green solvents. All drycleaning solvents shall be considered chlorinated solvents unless the Council determines that the solvents are petroleum-based drycleaning solvents or green solvents subject to the lower tax.

(b) The tax imposed by this Act shall be collected from the purchaser at the time of sale by a seller of drycleaning solvents maintaining a place of business in this State and shall be remitted to the Department of Revenue under the provisions of this Act.

(c) The tax imposed by this Act that is not collected by a seller of drycleaning solvents shall be paid directly to the Department of Revenue by the purchaser or end user who is subject to the tax imposed by this Act.

(d) No tax shall be imposed upon the use of drycleaning solvent if the drycleaning solvent will not be used in a drycleaning facility or if a floor stock tax has been imposed and paid on the drycleaning solvent. Prior to the purchase of the solvent, the purchaser shall provide a written and signed certificate to the drycleaning solvent seller stating:

(1) the name and address of the purchaser;

New matter indicated by italics - deletions by strikeout
(2) the purchaser's signature and date of signing; and
(3) one of the following:
   (A) that the drycleaning solvent will not be used in a
drycleaning facility; or

drycleaning solvent.

A person who provides a false certification under this subsection shall be liable
for a civil penalty not to exceed $500 for a first violation and a civil penalty not to exceed
$5,000 for a second or subsequent violation.

(e) On January 1, 1998, there is imposed on each operator of a drycleaning
facility a tax on drycleaning solvent held by the operator on that date for use in a
drycleaning facility. The tax imposed shall be the tax that would have been imposed under
subsection (a) if the drycleaning solvent held by the operator on that date had been
purchased by the operator during the first year of this Act.

(f) On or before the 25th day of the 1st month following the end of the calendar
quarter, a seller of drycleaning solvents who has collected a tax pursuant to this Section
during the previous calendar quarter, or a purchaser or end user of drycleaning solvents
required under subsection (c) to submit the tax directly to the Department, shall file a
return with the Department of Revenue. The return shall be filed on a form prescribed by
the Department of Revenue and shall contain information that the Department of Revenue
reasonably requires, but at a minimum will require the reporting of the volume of
drycleaning solvent sold to each licensed drycleaner. The Department of Revenue shall
report quarterly to the Council the volume of drycleaning solvent purchased for the quarter
by each licensed drycleaner. Each seller of drycleaning solvent maintaining a place of
business in this State who is required or authorized to collect the tax imposed by this Act
shall pay to the Department the amount of the tax at the time when he or she is required to
file his or her return for the period during which the tax was collected. Purchasers or end
users remitting the tax directly to the Department under subsection (c) shall file a return
with the Department of Revenue and pay the tax so incurred by the purchaser or end user
during the preceding calendar quarter.

(g) The tax on drycleaning solvents used in drycleaning facilities and the floor
stock tax shall be administered by Department of Revenue under rules adopted by that
Department.

(h) On and after January 1, 1998, no person shall knowingly sell or transfer
drycleaning solvent to an operator of a drycleaning facility that is not licensed by the
Council under Section 60. A person who violates this subsection is liable for a civil penalty
not to exceed $500 for a first violation and a civil penalty not to exceed $5,000 for a second
or subsequent violation.

(i) The Department of Revenue may adopt rules as necessary to implement this
Section.

Beginning January 1, 2000, and annually after that date, the Council shall adjust the copayment obligation of subsection (e) of Section 40, the drycleaning solvent taxes of Section 65, the license fees of Section 60, or any combination of adjustment of each, after notice and opportunity for public comment, in a manner determined necessary and appropriate to ensure viability of the Fund and to encourage the owner or operator of a drycleaning facility to use green solvents. Viability of the Fund shall consider the settlement of all current claims subject to prioritization of benefits under subsection (c) of Section 25, consistent with the purposes of this Act.

(3) The government of the United States of America and the government of Canada have identified 43 Areas of Concern, 26 of which are in waters of the United States of America and 17 of which are in the waters of Canada.

Beneficial use impairments at the Waukegan Harbor Area of Concern were identified as the restrictions on fish consumption, degradation of benthos, restrictions on dredging activities, degradation of phytoplankton and zooplankton populations, and loss of fish and wildlife habitat.

(5) The government of the United States of America and the government of Canada cooperate with the state and provincial governments to ensure that remedial action plans are developed to restore all impaired uses to the Areas of Concern.

(6) Mercury has been identified as a persistent bioaccumulative contaminant of concern throughout the Great Lakes, including Lake Michigan, resulting in health advisories and restrictions on fish consumption.

(7) The thermal treatment of sludge creates mercury emissions.

(b) The Agency shall not issue any permit to develop, construct, or operate, within one mile of any portion of Lake Michigan that has been designated an Area of Concern under the Great Lakes Water Quality Agreement as of the effective date of this Section, any site or facility for the thermal treatment of sludge, unless the applicant submits to the Agency proof that the site or facility has received local siting approval from the governing body of the municipality in which the site or facility is proposed to be located (or from the county board if located in an unincorporated area), in accordance with Section 39.2 of this Act. For the purposes of this Section, "thermal treatment" includes, without limitation, drying, incinerating, and any other processing that subjects the sludge to an elevated temperature.

(r) "Supervisor" is an employee whose principal work is substantially different from that of his or her subordinates and who has authority, in the interest of the employer, to hire, transfer, suspend, lay off, recall, promote, discharge, direct, reward, or discipline employees, to adjust their grievances, or to effectively recommend any of those actions, if the exercise of that authority is not of a merely routine or clerical nature, but requires the consistent use of independent judgment. Except with respect to police employment, the term "supervisor" includes only those individuals who devote a preponderance of their employment time to exercising that authority, State supervisors notwithstanding. In addition, in determining supervisory status in police employment, rank shall not be determinative. The Board shall consider, as evidence of bargaining unit inclusion or exclusion, the common law enforcement policies and relationships between police officer ranks and certification under applicable civil service law, ordinances, personnel codes, or Division 2.1 of Article 10 of the Illinois Municipal Code, but these factors shall not be the sole or predominant factors considered by the Board in determining police supervisory status.

Notwithstanding the provisions of the preceding paragraph, in determining supervisory status in fire fighter employment, no fire fighter shall be excluded as a supervisor who has established representation rights under Section 9 of this Act. Further, in new fire fighter units, employees shall consist of fire fighters of the rank of company officer and below. If a company officer otherwise qualifies as a supervisor under the preceding paragraph, however, he or she shall not be included in the fire fighter unit. If there is no rank between that of chief and the highest company officer, the employer may designate a position on each shift as a Shift Commander, and the persons occupying those positions shall be supervisors. All other ranks above that of company officer shall be supervisors.

(s) (1) "Unit" means a class of jobs or positions that are held by employees whose collective interests may suitably be represented by a labor organization for collective bargaining. Except with respect to non-State fire fighters and paramedics employed by fire departments and fire protection districts, non-State peace officers, and peace officers in the Department of State Police, a bargaining unit determined by the Board shall not include both employees and supervisors, or supervisors only, except as provided in paragraph

(2) of this subsection (s) and except for bargaining units in existence on July 1, 1984 (the effective date of this Act). With respect to non-State fire fighters and paramedics employed by fire departments and fire protection districts, non-State peace officers, and peace officers in the Department of State Police, a bargaining unit determined by the Board shall not include both supervisors and nonsupervisors, or supervisors only, except as provided in paragraph (2) of this subsection (s) and except for bargaining units in existence on January 1, 1986 (the effective date of this amendatory Act of 1985). A bargaining unit determined by the Board to contain peace officers shall contain no employees other than peace officers unless otherwise agreed to by the employer and the labor organization or labor organizations involved. Notwithstanding any other provision of this Act, a bargaining unit, containing sworn peace officers of the Department of Natural Resources (formerly designated the Department of Conservation) shall contain no employees other than such sworn peace officers upon the effective date of this amendatory Act of 1990 or upon the expiration date of any collective bargaining agreement in effect upon the effective date of this amendatory Act of 1990 covering both such sworn peace officers and other employees.

(2) Notwithstanding the exclusion of supervisors from bargaining units as provided in paragraph (1) of this subsection (s), a public employer may agree to permit its supervisory employees to form bargaining units and may bargain with those units. This Act shall apply if the public employer chooses to bargain under this subsection.

Sec. 7. Duty to bargain. A public employer and the exclusive representative have the authority and the duty to bargain collectively set forth in this Section.

For the purposes of this Act, "to bargain collectively" means the performance of the mutual obligation of the public employer or his designated representative and the representative of the public employees to meet at reasonable times, including meetings in advance of the budget-making process, and to negotiate in good faith with respect to wages, hours, and other conditions of employment, not excluded by Section 4 of this Act, or the negotiation of an agreement, or any question arising thereunder and the execution of a written contract incorporating any agreement reached if requested by either party, but such obligation does not compel either party to agree to a proposal or require the making of a concession.

The duty "to bargain collectively" shall also include an obligation to negotiate over any matter with respect to wages, hours and other conditions of employment, not specifically provided for in any other law or not specifically in violation of the provisions of any law. If any other law pertains, in part, to a matter affecting the wages, hours and

New matter indicated by italics - deletions by strikeout
other conditions of employment, such other law shall not be construed as limiting the duty "to bargain collectively" and to enter into collective bargaining agreements containing clauses which either supplement, implement, or relate to the effect of such provisions in other laws.

The duty "to bargain collectively" shall also include negotiations as to the terms of a collective bargaining agreement. The parties may, by mutual agreement, provide for arbitration of impasses resulting from their inability to agree upon wages, hours and terms and conditions of employment to be included in a collective bargaining agreement. Such arbitration provisions shall be subject to the Illinois "Uniform Arbitration Act" unless agreed by the parties.

The duty "to bargain collectively" shall also mean that no party to a collective bargaining contract shall terminate or modify such contract, unless the party desiring such termination or modification:

(1) serves a written notice upon the other party to the contract of the proposed termination or modification 60 days prior to the expiration date thereof, or in the event such contract contains no expiration date, 60 days prior to the time it is proposed to make such termination or modification;

(2) offers to meet and confer with the other party for the purpose of negotiating a new contract or a contract containing the proposed modifications;

(3) notifies the Board within 30 days after such notice of the existence of a dispute, provided no agreement has been reached by that time; and

(4) continues in full force and effect, without resorting to strike or lockout, all the terms and conditions of the existing contract for a period of 60 days after such notice is given to the other party or until the expiration date of such contract, whichever occurs later.

The duties imposed upon employers, employees and labor organizations by paragraphs (2), (3) and (4) shall become inapplicable upon an intervening certification of the Board, under which the labor organization, which is a party to the contract, has been superseded as or ceased to be the exclusive representative of the employees pursuant to the provisions of subsection (a) of Section 9, and the duties so imposed shall not be construed as requiring either party to discuss or agree to any modification of the terms and conditions contained in a contract for a fixed period, if such modification is to become effective before such terms and conditions can be reopened under the provisions of the contract.

Collective bargaining for personal care attendants and personal assistants under the Home Services Program shall be limited to the terms and conditions of employment under the State's control, as defined in this amendatory Act of the 93rd General Assembly.

Sec. 3. Powers and duties. The Department shall have the powers and duties enumerated herein:

(a) To co-operate with the federal government in the administration of the provisions of the federal Rehabilitation Act of 1973, as amended, of the Workforce Investment Act of 1998, and of the federal Social Security Act to the extent and in the manner provided in these Acts.

(b) To prescribe and supervise such courses of vocational training and provide such other services as may be necessary for the habilitation and rehabilitation of persons with one or more disabilities, including the administrative activities under subsection (e) of this Section, and to co-operate with State and local school authorities and other recognized agencies engaged in habilitation, rehabilitation and comprehensive rehabilitation services; and to cooperate with the Department of Children and Family Services regarding the care and education of children with one or more disabilities.

(c) (Blank).

(d) To report in writing, to the Governor, annually on or before the first day of December, and at such other times and in such manner and upon such subjects as the Governor may require. The annual report shall contain (1) a statement of the existing condition of comprehensive rehabilitation services, habilitation and rehabilitation in the State; (2) a statement of suggestions and recommendations with reference to the development of comprehensive rehabilitation services, habilitation and rehabilitation in the State; and (3) an itemized statement of the amounts of money received from federal, State and other sources, and of the objects and purposes to which the respective items of these several amounts have been devoted.

(e) (Blank).

(f) To establish a program of services to prevent unnecessary institutionalization of persons with Alzheimer's disease and related disorders or persons in need of long term care who are established as blind or disabled as defined by the Social Security Act, thereby enabling them to remain in their own homes or other living arrangements. Such preventive services may include, but are not limited to, any or all of the following:

(1) home health services;
(2) home nursing services;
(3) homemaker services;
(4) chore and housekeeping services;
(5) day care services;
(6) home-delivered meals;
(7) education in self-care;
(8) personal care services;
(9) adult day health services;
(10) habilitation services;
(11) respite care; or

(12) other nonmedical social services that may enable the person to become self-supporting.

The Department shall establish eligibility standards for such services taking into consideration the unique economic and social needs of the population for whom they are to be provided. Such eligibility standards may be based on the recipient's ability to pay for services; provided, however, that any portion of a person's income that is equal to or less than the "protected income" level shall not be considered by the Department in determining eligibility. The "protected income" level shall be determined by the Department, shall never be less than the federal poverty standard, and shall be adjusted each year to reflect changes in the Consumer Price Index For All Urban Consumers as determined by the United States Department of Labor. Additionally, in determining the amount and nature of services for which a person may qualify, consideration shall not be given to the value of cash, property or other assets held in the name of the person's spouse pursuant to a written agreement dividing marital property into equal but separate shares or pursuant to a transfer of the person's interest in a home to his spouse, provided that the spouse's share of the marital property is not made available to the person seeking such services.

The services shall be provided to eligible persons to prevent unnecessary or premature institutionalization, to the extent that the cost of the services, together with the other personal maintenance expenses of the persons, are reasonably related to the standards established for care in a group facility appropriate to their condition. These non-institutional services, pilot projects or experimental facilities may be provided as part of or in addition to those authorized by federal law or those funded and administered by the Illinois Department on Aging.

Personal care attendants shall be paid:

(i) A $5 per hour minimum rate beginning July 1, 1995.
(ii) A $5.30 per hour minimum rate beginning July 1, 1997.
(iii) A $5.40 per hour minimum rate beginning July 1, 1998.

Solely for the purposes of coverage under the Illinois Public Labor Relations Act (5 ILCS 315/), personal care attendants and personal assistants providing services under the Department's Home Services Program shall be considered to be public employees and the State of Illinois shall be considered to be their employer as of the effective date of this amendatory Act of the 93rd General Assembly, but not before. The State shall engage in collective bargaining with an exclusive representative of personal care attendants and personal assistants working under the Home Services Program concerning their terms and conditions of employment that are within the State's control. Nothing in this paragraph shall be understood to limit the right of the persons receiving services defined in this Section to hire and fire personal care attendants and personal assistants or supervise them within the limitations set by the Home Services Program. The State shall not be considered to be the employer of personal care attendants and personal assistants for any purposes not specifically provided in this amendatory Act of the 93rd General Assembly, including

but not limited to, purposes of vicarious liability in tort and purposes of statutory retirement or health insurance benefits. Personal care attendants and personal assistants shall not be covered by the State Employees Group Insurance Act of 1971 (5 ILCS 375/).

The Department shall execute, relative to the nursing home prescreening project, as authorized by Section 4.03 of the Illinois Act on the Aging, written inter-agency agreements with the Department on Aging and the Department of Public Aid, to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped. On and after July 1, 1996, all nursing home prescreenings for individuals 18 through 59 years of age shall be conducted by the Department.

The Department is authorized to establish a system of recipient cost-sharing for services provided under this Section. The cost-sharing shall be based upon the recipient's ability to pay for services, but in no case shall the recipient's share exceed the actual cost of the services provided. Protected income shall not be considered by the Department in its determination of the recipient's ability to pay a share of the cost of services. The level of cost-sharing shall be adjusted each year to reflect changes in the "protected income" level. The Department shall deduct from the recipient's share of the cost of services any money expended by the recipient for disability-related expenses.

The Department, or the Department's authorized representative, shall recover the amount of moneys expended for services provided to or in behalf of a person under this Section by a claim against the person's estate or against the estate of the person's surviving spouse, but no recovery may be had until after the death of the surviving spouse, if any, and then only at such time when there is no surviving child who is under age 21, blind, or permanently and totally disabled. This paragraph, however, shall not bar recovery, at the death of the person, of moneys for services provided to the person or in behalf of the person under this Section to which the person was not entitled; provided that such recovery shall not be enforced against any real estate while it is occupied as a homestead by the surviving spouse or other dependent, if no claims by other creditors have been filed against the estate, or, if such claims have been filed, they remain dormant for failure of prosecution or failure of the claimant to compel administration of the estate for the purpose of payment. This paragraph shall not bar recovery from the estate of a spouse, under Sections 1915 and 1924 of the Social Security Act and Section 5-4 of the Illinois Public Aid Code, who precedes a person receiving services under this Section in death. All moneys for services paid to or in behalf of the person under this Section shall be claimed for recovery from the deceased spouse's estate. "Homestead", as used in this paragraph, means the dwelling house and contiguous real estate occupied by a surviving spouse or relative, as defined by the rules and regulations of the Illinois Department of Public Aid, regardless of the value of the property.
The Department and the Department on Aging shall cooperate in the development and submission of an annual report on programs and services provided under this Section. Such joint report shall be filed with the Governor and the General Assembly on or before March 30 each year.

The requirement for reporting to the General Assembly shall be satisfied by filing copies of the report with the Speaker, the Minority Leader and the Clerk of the House of Representatives and the President, the Minority Leader and the Secretary of the Senate and the Legislative Research Unit, as required by Section 3.1 of the General Assembly Organization Act, and filing additional copies with the State Government Report Distribution Center for the General Assembly as required under paragraph (t) of Section 7 of the State Library Act.

(g) To establish such subdivisions of the Department as shall be desirable and assign to the various subdivisions the responsibilities and duties placed upon the Department by law.

(h) To cooperate and enter into any necessary agreements with the Department of Employment Security for the provision of job placement and job referral services to clients of the Department, including job service registration of such clients with Illinois Employment Security offices and making job listings maintained by the Department of Employment Security available to such clients.

(i) To possess all powers reasonable and necessary for the exercise and administration of the powers, duties and responsibilities of the Department which are provided for by law.

(j) To establish a procedure whereby new providers of personal care attendant services shall submit vouchers to the State for payment two times during their first month of employment and one time per month thereafter. In no case shall the Department pay personal care attendants an hourly wage that is less than the federal minimum wage.

(k) To provide adequate notice to providers of chore and housekeeping services informing them that they are entitled to an interest payment on bills which are not promptly paid pursuant to Section 3 of the State Prompt Payment Act.

(l) To establish, operate and maintain a Statewide Housing Clearinghouse of information on available, government subsidized housing accessible to disabled persons and available privately owned housing accessible to disabled persons. The information shall include but not be limited to the location, rental requirements, access features and proximity to public transportation of available housing. The Clearinghouse shall consist of at least a computerized database for the storage and retrieval of information and a separate or shared toll free telephone number for use by those seeking information from the Clearinghouse. Department offices and personnel throughout the State shall also assist in the operation of the Statewide Housing Clearinghouse. Cooperation with local, State and federal housing managers shall be sought and extended in order to frequently and promptly update the Clearinghouse's information.

(m) To assure that the names and case records of persons who received or are receiving services from the Department, including persons receiving vocational rehabilitation, home services, or other services, and those attending one of the Department's schools or other supervised facility shall be confidential and not be open to the general public. Those case records and reports or the information contained in those records and reports shall be disclosed by the Director only to proper law enforcement officials, individuals authorized by a court, the General Assembly or any committee or commission of the General Assembly, and other persons and for reasons as the Director designates by rule. Disclosure by the Director may be only in accordance with other applicable law.

Section 99. Effective date. This Act takes effect upon becoming law.

PUBLIC ACT 93-0205
(Senate Bill No. 1075)

AN ACT concerning finance.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

ARTICLE 801
GENERAL PROVISIONS

Section 801-1. Short Title. Articles 80 through 845 of this Act may be cited as the Illinois Finance Authority Act. References to "this Act" in Articles 801 through 845 are references to the Illinois Finance Authority Act.

Section 801-5. Findings and declaration of policy. The General Assembly hereby finds, determines and declares:
(a) that there are a number of existing State authorities authorized to issue bonds to alleviate the conditions and promote the objectives set forth below; and to provide a stronger, better coordinated development effort, it is determined to be in the interest of promoting the health, safety, morals and general welfare of all the people of the State to consolidate certain of such existing authorities into one finance authority;
(b) that involuntary unemployment affects the health, safety, morals and general welfare of the people of the State of Illinois;
(c) that the economic burdens resulting from involuntary unemployment fall in part upon the State in the form of public assistance and reduced tax revenues, and in the event the unemployed worker and his family migrate elsewhere to find work, may also fall upon the municipalities and other taxing districts within the areas of unemployment in the
form of reduced tax revenues, thereby endangering their financial ability to support necessary governmental services for their remaining inhabitants;

(d) that a vigorous growing economy is the basic source of job opportunities;

(e) that protection against involuntary unemployment, its economic burdens and the spread of economic stagnation can best be provided by promoting, attracting, stimulating and revitalizing industry, manufacturing and commerce in the State;

(f) that the State has a responsibility to help create a favorable climate for new and improved job opportunities for its citizens by encouraging the development of commercial businesses and industrial and manufacturing plants within the State;

(g) that increased availability of funds for construction of new facilities and the expansion and improvement of existing facilities for industrial, commercial and manufacturing facilities will provide for new and continued employment in the construction industry and alleviate the burden of unemployment;

(h) that in the absence of direct governmental subsidies the unaided operations of private enterprise do not provide sufficient resources for residential construction, rehabilitation, rental or purchase, and that support from housing related commercial facilities is one means of stimulating residential construction, rehabilitation, rental and purchase;

(i) that it is in the public interest and the policy of this State to foster and promote by all reasonable means the provision of adequate capital markets and facilities for borrowing money by units of local government, and for the financing of their respective public improvements and other governmental purposes within the State from proceeds of bonds or notes issued by those governmental units; and to assist local governmental units in fulfilling their needs for those purposes by use of creation of indebtedness;

(j) that it is in the public interest and the policy of this State to the extent possible, to reduce the costs of indebtedness to taxpayers and residents of this State and to encourage continued investor interest in the purchase of bonds or notes of governmental units as sound and preferred securities for investment; and to encourage governmental units to continue their independent undertakings of public improvements and other governmental purposes and the financing thereof, and to assist them in those activities by making funds available at reduced interest costs for orderly financing of those purposes, especially during periods of restricted credit or money supply, and particularly for those governmental units not otherwise able to borrow for those purposes;

(k) that in this State the following conditions exist: (i) an inadequate supply of funds at interest rates sufficiently low to enable persons engaged in agriculture in this State to pursue agricultural operations at present levels; (ii) that such inability to pursue agricultural operations lessens the supply of agricultural commodities available to fulfill the needs of the citizens of this State; (iii) that such inability to continue operations decreases available employment in the agricultural sector of the State and results in unemployment and its attendant problems; (iv) that such conditions prevent the acquisition

New matter indicated by italics - deletions by strikeout
of an adequate capital stock of farm equipment and machinery, much of which is manufactured in this State, therefore impairing the productivity of agricultural land and, further, causing unemployment or lack of appropriate increase in employment in such manufacturing; (v) that such conditions are conducive to consolidation of acreage of agricultural land with fewer individuals living and farming on the traditional family farm; (vi) that these conditions result in a loss in population, unemployment and movement of persons from rural to urban areas accompanied by added costs to communities for creation of new public facilities and services; (vii) that there have been recurrent shortages of funds for agricultural purposes from private market sources at reasonable rates of interest; (viii) that these shortages have made the sale and purchase of agricultural land to family farmers a virtual impossibility in many parts of the State; (ix) that the ordinary operations of private enterprise have not in the past corrected these conditions; and (x) that a stable supply of adequate funds for agricultural financing is required to encourage family farmers in an orderly and sustained manner and to reduce the problems described above;

(l) that for the benefit of the people of the State of Illinois, the conduct and increase of their commerce, the protection and enhancement of their welfare, the development of continued prosperity and the improvement of their health and living conditions it is essential that all the people of the State be given the fullest opportunity to learn and to develop their intellectual and mental capacities and skills; that to achieve these ends it is of the utmost importance that private institutions of higher education within the State be provided with appropriate additional means to assist the people of the State in achieving the required levels of learning and development of their intellectual and mental capacities and skills and that cultural institutions within the State be provided with appropriate additional means to expand the services and resources which they offer for the cultural, intellectual, scientific, educational and artistic enrichment of the people of the State;

(m) that in order to foster civic and neighborhood pride, citizens require access to facilities such as educational institutions, recreation, parks and open spaces, entertainment and sports, a reliable transportation network, cultural facilities and theaters and other facilities as authorized by this Act, and that it is in the best interests of the State to lower the costs of all such facilities by providing financing through the State; and

(n) that to preserve and protect the health of the citizens of the State, and lower the costs of health care, that financing for health facilities should be provided through the State; and it is hereby declared to be the policy of the State, in the interest of promoting the health, safety, morals and general welfare of all the people of the State, to address the conditions noted above, to increase job opportunities and to retain existing jobs in the State, by making available through the Illinois Finance Authority, hereinafter created, funds for the development, improvement and creation of industrial, housing, local government, educational, health, public purpose and other projects; to issue its bonds and notes to make funds at reduced rates and on more favorable terms for borrowing by local

governmental units through the purchase of the bonds or notes of the governmental units; and to make or acquire loans for the acquisition and development of agricultural facilities; to provide financing for private institutions of higher education, cultural institutions, health facilities and other facilities and projects as authorized by this Act; and to grant broad powers to the Illinois Finance Authority to accomplish and to carry out these policies of the State which are in the public interest of the State and of its taxpayers and residents.

Section 805-15. Industrial Project Insurance Fund. There is created the Industrial Project Insurance Fund, hereafter referred to in Sections 805-15 through 805-50 of this Act as the "Fund". The Treasurer shall have custody of the Fund, which shall be held outside of the State treasury, except that custody may be transferred to and held by any bank, trust company or other fiduciary with whom the Authority executes a trust agreement as authorized by paragraph (h) of Section 805-20 of this Act. Any portion of the Fund against which a charge has been made, shall be held for the benefit of the holders of the loans or bonds insured under Section 805-20 of this Act. There shall be deposited in the Fund such amounts, including but not limited to:

(a) All receipts of bond and loan insurance premiums;
(b) All proceeds of assets of whatever nature received by the Authority as a result of default or delinquency with respect to insured loans or bonds with respect to which payments from the Fund have been made, including proceeds from the sale, disposal, lease or rental of real or personal property which the Authority may receive under the provisions of this Article but excluding the proceeds of insurance hereunder;
(c) All receipts from any applicable contract or agreement entered into by the Authority under paragraph (b) of Section 805-20 of this Act;
(d) Any State appropriations, transfers of appropriations, or transfers of general obligation bond proceeds or other monies made available to the Fund. Such amounts may also be used to pay administrative costs and expenses reasonably allocable to the activities in connection with the Fund and to pay taxes, maintenance, insurance, security and any other costs and expenses of bidding for, acquiring, owning, carrying and disposing of industrial projects which were financed with the proceeds of insured bonds or loans. In the case of a default in payment with respect to any loan, mortgage or other agreement so insured, the amount of the default shall immediately, and at all times during the continuance of such default, and to the extent provided in any applicable agreement, constitute a charge on the Fund. Any

amounts in the Fund not currently needed to meet the obligations of the Fund may be invested as provided by law in obligations designated by the Authority, and all income from such investments shall become part of the Fund. In making such investments, the Authority shall act with the care, skill, diligence and prudence under the circumstances of a prudent person acting in a like capacity in the conduct of an enterprise of like character and with like aims. It shall diversify such investments of the Authority so as to minimize the risk of large losses, unless under the circumstances it is clearly not prudent to do so. Any amounts in the Fund not needed to meet the obligations of the Fund may be transferred to the Credit Enhancement Development Fund of the Authority pursuant to resolution of the members of the Authority.

Section 805-20. Powers and Duties; Industrial Project Insurance Program. The Authority has the power:

(a) To insure and make advance commitments to insure all or any part of the payments required on the bonds issued or a loan made to finance any environmental facility under the Illinois Environmental Facilities Financing Act or for any industrial project upon such terms and conditions as the Authority may prescribe in accordance with this Article. The insurance provided by the Authority shall be payable solely from the Fund created by Section 805-15 and shall not constitute a debt or pledge of the full faith and credit of the State, the Authority, or any political subdivision thereof;

(b) To enter into insurance contracts, letters of credit or any other agreements or contracts with financial institutions with respect to the Fund and any bonds or loans insured thereunder. Any such agreement or contract may contain terms and provisions necessary or desirable in connection with the program, subject to the requirements established by this Act, including without limitation terms and provisions relating to loan documentation, review and approval procedures, origination and servicing rights and responsibilities, default conditions, procedures and obligations with respect to insurance contracts made under this Act. The agreements or contracts may be executed on an individual, group or master contract basis with financial institutions;

(c) To charge reasonable fees to defray the cost of obtaining letters of credit or other similar documents, other than insurance contracts under paragraph (b). Any such fees shall be payable by such person, in such amounts and at such times as the Authority shall determine, and the amount of the fees need not be uniform among the various bonds or loans insured;

(d) To fix insurance premiums for the insurance of payments under the provisions of this Article. Such premiums shall be computed as determined by the Authority. Any premiums for the insurance of loan payments under the provisions of this Act shall be payable by such person, in such amounts and at such times as the Authority shall determine, and the amount of the premiums need not be uniform among the various bonds or loans insured;
(e) To establish application fees and prescribe application, notification, contract and insurance forms, rules and regulations it deems necessary or appropriate;

Section 805-25. Insurance Contracts; Claim Responsibility. Any contract of insurance made by the Authority with a lender or bondholder or for the benefit thereof under this Act shall provide that claims payable under such contract shall be paid from any amounts available in the Fund and from any amounts available under the terms of any applicable contract or agreement with other financial institutions, in such order of priority as the Authority shall deem appropriate. The obligation of the Authority to make payments under any such contract shall be limited solely to the amounts provided in such contract and shall not constitute a debt or liability of the State, the Authority or any subdivision thereof. Any insurance contract or other agreement with a lender or bondholder or for the benefit thereof and any rule or regulation of the Authority implementing the insurance program may contain such other terms, provisions or conditions as the Authority deems necessary or appropriate, including, without limitation, those relating to the payment of insurance premiums, the giving of notice, claim procedures, the sources of payment for claims, the priority of competing claims for payment, the release or termination of loan security and borrower liability, the timing of payment, the maintenance and disposition of industrial projects and the use of amounts received during periods of delinquency or upon default, and any other provisions concerning the rights of insured parties or conditions to the payment of insurance claims.

The credit review committee shall be of such composition, act for such time and have such powers as shall be specified in the agreement or agreements establishing its existence and, to the extent so specified, shall act for the Authority in matters concerning the insurance program authorized by Sections 805-5 through 805-45 of this Act. The Authority shall, on the basis of the application, the report of the credit review committee, the information provided by the local or regional industrial development agency, and any other appropriate information, prepare a report concerning the creditworthiness of the proposed borrower, the loan record of the participating lender, the financial commitment of the participating lender, the manner in which the proposed industrial project will advance the economy of the State and the soundness of the proposed loan. The Fund, or any portion thereof against which a charge has been made, shall be held for the benefit of the holders of the bonds or loans insured under Section 805-20 of this Act, as provided by agreement between the Authority and such holders. The Authority shall be satisfied that the Fund is protected by adequate security on all bonds or loans insured by the Authority.

Section 805-35. Loan Approval Standards. Before approving any bond or loan insurance under this Act, the Authority shall find that any loan insured by or to be made from the proceeds of bonds insured by the Authority under this Act shall:

(b) Be made to a borrower approved by the Authority as responsible and creditworthy;
(c) Be reviewed for insurance by the credit review committee established by the Authority pursuant to this Act;
(d) In the case of real property, be secured by a first mortgage on the property, or by any other security satisfactory to the Authority to secure payment of the loans, and have a maturity date not later than 25 years after the date of the loan;
(e) In the case of machinery and equipment, be secured by a first security interest in the machinery and equipment, or by any other security satisfactory to the Authority to secure payment of the loan, and have a maturity date not later than 12 years from the date of the loan;
(f) Contain complete amortization provisions satisfactory to the Authority;
(g) Be in such principal amount and form, and contain such terms and provisions with respect to property insurance, repairs, alterations, payment of taxes and assessments, delinquency charges, default remedies, additional security and other matters as the Authority shall determine;
(h) Be made only after the Authority has made a determination that, in its sole opinion, the loan has the potential to provide or retain substantial employment in relation to
the principal amount of the loan to be insured, which employment, so far as feasible, may be expected to be of residents of areas of critical labor surplus;

(i) Be made only after the Authority has made a determination that, in its sole opinion, adequate provision is being or will be made to meet any increased demand upon community public facilities that will likely result from the project; and

(j) Be made only after the Authority has made a determination that, in its sole opinion, the public interest is adequately protected by the terms of the loan and of the insurance contract or other agreements. Any contract of insurance executed by the Authority under this Act shall be conclusive evidence of eligibility for such insurance, and the validity of any contract of insurance so executed or of an advance commitment to insure shall be incontestable in the hands of a borrower or bondholder from the date of execution and delivery of the contract or commitment, except for fraud, or misrepresentation on the part of the borrower and, as to commitments to insure, noncompliance with the commitment or Authority rules or regulations in force at the time of issuance of the commitment. Nothing in this Act shall be construed as creating any rights of a competitor of an approved borrower or any applicant whose application is denied by the Authority to challenge any application which is accepted by the Authority and any loan, contract of insurance or other agreement executed in connection therewith.

Section 805-40. Investments in Insured Debts of the Authority. The State and all counties, municipalities and other public corporations, political subdivisions and public bodies, and public officers of any thereof, all banks, bankers, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business and all executors, administrators, guardians, trustees and other fiduciaries may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds, loans or extension of credit which are the subject of insurance pursuant to this Article, it being the purpose of this Section to authorize the investment of such bonds, loans or extension of credit of all sinking, insurance, retirement, compensation, pension and trust funds, whether owned or controlled by private or public persons or officers; provided, however, that nothing contained in this Section may be construed as relieving any persons from any duty of exercising reasonable care in selecting securities for purchase or investment. The bonds and any loan or extension of credit which are the subject of insurance pursuant to this Article are also hereby made securities which may properly and legally be deposited with and received by all public officers and bodies of the State or any agency or political subdivisions thereof and all municipalities and public corporations for any purpose for which the deposit of bonds is now or may hereafter be authorized by law.

Section 805-45. Cooperation with Local Industrial Development Agencies. When the Authority receives an application from a potential insured loan borrower, it shall promptly notify the local industrial development agency of that fact in writing if such an
agency exists in the municipality or county where such industrial project is proposed to be financed; or the corporate authorities in such municipality where no such agency exists. The Authority shall provide the local industrial development agency with any available information that the agency needs to prepare a recommendation concerning the advisability of the industrial project and its impact, economic and otherwise, on the community and the State. Such application shall include a written authorization by the applicant that such notification and information be made available to such agency or municipality to the extent that such information is not deemed to be confidential under Section 805-50 of this Act. The Authority shall not consider any application that does not include such written authorization. Section 805-50. Documentary material concerning trade secrets; Commercial or financial information; Confidentiality. Any documentary materials or data made or received by any member, agent, or employee of the Authority or the credit review committees, to the extent that such materials or data consist of trade secrets, commercial or financial information regarding the operation of any enterprise conducted by an applicant for, or recipient of, any form of assistance which the Authority is empowered to render under this Article, or regarding the competitive position of such enterprise in a particular field of endeavor, shall not be deemed public records.

(c) To make co-venture investments by entering into agreements with one or more professional investors or one or more seed capital investors, if any, who have formally agreed to invest at least 50% as much as the Authority invests in the enterprise, for the purpose of providing venture capital or seed capital; but no more than $1,000,000
shall be invested by the Authority in the qualified securities of a single enterprise. A total of not more than $1,500,000 may be invested in the securities of a single enterprise, if the Authority shall find, after the initial investment by the Authority, that additional investments in the enterprise are necessary to protect or enhance the initial investment of the Authority. Each co-venture investment agreement shall provide that the Authority will recover its investment before or simultaneously with any distribution to participating professional investors or seed capital investors. The Authority and participating professional investors and seed capital investors shall share ratably in the profits earned in any form on the co-venture investment, but the Authority may, at its discretion, agree to pay to a participating professional investor a percentage, not to exceed 40% (computed on an annual basis), of cash and other property payable to the Authority as its pro-rata share of distributions to investors in the pool of funds, provided that (i) no amount shall be received by the participating professional investor upon sale or other disposition of qualified investments in the enterprises until recovery by the Authority of its investment and upon liquidation or withdrawal of the Authority from the pool of funds, the participating professional investor shall be obligated to refund any amount received by it from such percentage if necessary to allow the Authority to recover its investment or (ii) the terms of payment of cash and other property to the Authority are no less favorable to the Authority than payments to other seed capital investors or professional investors (other than the professional investor) who are parties to the agreement or contract;

(a) The enterprise has a reasonable chance of success;
(b) If the application is for a direct investment, Authority participation is necessary to the success of the enterprise because conventional, private funding is unavailable in the traditional capital markets, or because funding has been offered on terms that would substantially hinder the success of the enterprise;
(c) The technology, product, process, or invention for which the investment is being made is feasible, has the potential to achieve commercial success and the enterprise has the potential to create substantial employment within the State per dollar invested and that this employment, so far as feasible, may be expected to be for residents of areas of critical labor surplus;
(d) The entrepreneur, investors, shareholders, and other founders of the enterprise have already made or are obligated to make a substantial financial and time commitment to the enterprise;
(e) The securities to be purchased are qualified securities;
(f) The Authority determines that the possible gains on the investment are at least commensurate with the risk of loss and that there is a reasonable possibility that the Authority will recoup its investment, within 10 years after the investment or such other time period as negotiated by the Authority, through the receipt of interest payments,

dividends, capital gains, or other distribution of profits, or royalties on investments made by the Authority; and

(g) Binding commitments have been made to the Authority by the enterprise for adequate reporting of financial data to the Authority and any participating professional investors or seed capital investors. The report shall include an annual audit of the books of the enterprise by an independent certified public accountant if the Authority so requires. The Authority and any participating professional investors or seed capital investors shall secure sufficient contractual rights from the enterprise as the Authority shall consider prudent to protect the investment of the Authority, including, at the discretion of the Authority and without limitation, a right of access to financial and other records of the enterprise. The Authority's interest in qualified securities from investments shall not represent more than 49% of the voting stock of any single enterprise at the time of purchase after giving effect to the conversion of all outstanding convertible securities of the enterprise. In the event of severe financial difficulty that in the judgment of the Authority threatens the investment of the Authority therein, a greater percentage of those securities may be owned or acquired by the Authority.

Section 810-30. Investment in Pools of Funds. Proposals for the establishment of pools of funds under paragraph (b) of Section 810-20 of this Act shall be submitted on a form, contain the information, and be accompanied by a fee as prescribed by the Authority. The Authority shall not enter into any agreement or contract under paragraph (b) of Section 810-20 of this Act unless the agreement or contract provides that the pool of funds will be invested in an enterprise only if the manager finds all of the following:

(a) The enterprise has a reasonable chance of success.
(b) The technology, product, process, or invention for which the investment is being made is feasible and has the potential to achieve commercial success.
(c) The enterprise has the potential to create substantial employment within the State.

(f) The enterprise shall have made binding commitments for adequate reporting of and access to financing data of the enterprise.

Any discussion or consideration of such trade secrets or commercial or financial information may be held by the Authority, in executive sessions closed to the public, notwithstanding the provisions of the Open Meetings Act; provided, however, that the purpose of any such executive session shall be set forth in the official minutes of the Authority and business which is not related to such purpose shall not be transacted, nor shall any vote be taken during such executive sessions.

Section 810-40. Tax Exemption. The Illinois Venture Investment Fund and all its proceeds shall be and are hereby declared exempt from all franchise and income taxes levied by the State, provided nothing herein shall be construed to exempt from any such taxes, or from any taxes levied in connection with the manufacture, production, use or sale of any technologies, products, processes or inventions which are the subject of any agreement earned by any enterprise in which the Authority has invested.

Section 825-20. Financially Distressed City Assistance Program; Findings and Declarations of Policy. It is hereby found and declared that there exists an urgent need to reduce involuntary unemployment and economic stagnation within financially distressed cities and to create therein a more favorable economic climate for the development of new and improved employment opportunities for the citizens of such cities; that to address such need it is necessary to promote sound financial management and fiscal integrity within such cities in order to provide a secure financial basis for their continued operation; and that implementation of a financially distressed city assistance program under the provisions of this Act is declared to be in the public interest and for the public benefit.

Section 825-25. Definition. As used in Sections 825-20 through 825-60 of this Act, the term "financially distressed city" means a unit of local government which has been certified and designated as a financially distressed city under Section 8-12-4 of the Illinois Municipal Code and to which the provisions of Division 12 of Article 8 of that Code have become applicable as provided by that Section 8-12-4.

Section 825-30. Powers and Duties; Financing.

(a) Upon application of the financial advisory authority established for a financially distressed city under Division 12 of Article 8 of the Illinois Municipal Code, the Authority shall have the power to issue its bonds, notes or other evidences of indebtedness, the proceeds of which are to be used to make loans to a financially distressed city for purposes of enabling that city to restructure its current indebtedness and to provide and pay for its essential municipal services as determined in a manner consistent with Division 12 of Article 8 of the Illinois Municipal Code by the financial advisory authority established for that city under that Division 12.

(b) Bonds authorized to be issued by the Authority under Sections 825-20 through 825-60 shall be payable from such revenues, income, funds and accounts of the financially distressed city which receives a loan of any proceeds of the bonds so issued as the Authority shall determine and prescribe in the loan agreement.

(c) The Authority may prescribe the form and contents of any application submitted under subsection (a) of this Section and may, at its discretion, accept or reject such application or require such additional information as it deems necessary to aid in its review and determination of whether it will issue its bonds and loan the proceeds thereof as authorized under Sections 825-20 through 825-60.
(d) The amount of bonds issued or proceeds thereof loaned by the Authority with respect to an application which the Authority has approved shall be determined by the Authority.

(e) The financially distressed city receiving a loan under Sections 825-20 through 825-60 shall enter into a loan agreement in the form and manner prescribed by the Authority, and shall pay back to the Authority the principal amount of the loan, plus annual interest as determined by the Authority. The Authority shall have the power, subject to appropriations by the General Assembly, to subsidize or buy down a portion of the interest on such loans, up to 4% per annum.

(f) The Authority shall create and establish a debt service reserve fund to be maintained by a trustee separate and segregated from all other funds and accounts of the Authority. This reserve fund shall be initially funded by a contribution of State monies.

The adoption of such proceedings shall constitute a directive to the State Comptroller and State Treasurer to pay to, or on behalf of, the Authority or such other entity (including, without limitation, any trustee) such portion of the pledged receipts from the Department of Revenue or Department of Transportation, as the case may be, and with the State Comptroller and the State Treasurer. (a) The State Comptroller and the State Treasurer shall withhold the payment of such funds or moneys from the financially distressed city until the amount of such principal, premium, if any, and interest then due and unpaid has been paid to the Authority or such entity acting on behalf of the Authority (including, without limitation, any trustee), or the State Comptroller or State Treasurer have been advised that arrangements, satisfactory to the Authority or such entity, have been made for the payment of such principal, premium, if any, and interest; and

(b) Within 10 days after a demand for payment by the Authority or such entity is given to the State Treasurer and the State Comptroller, the State Treasurer shall pay such funds or moneys as are legally available therefor to the Authority or such entity for the payment of principal, premium, if any, and interest on such bonds or loans. The Authority or such entity may carry out this Section and exercise all the rights, remedies and provisions provided or referred to in this Section.

Section 825-40. Additional security. In the event that the Authority determines that funds pledged, intercepted or otherwise received or to be received by the Authority under Section 825-20 of this Act will not be sufficient for the payment of the principal, premium, if any, and interest during the next State fiscal year on any bonds issued by the Authority under Sections 825-20 through 825-60, the Chairman, as soon as is practicable, shall certify to the Governor the amount required by the Authority to enable it to pay the principal, premium, if any, and interest falling due on such bonds. The Governor shall submit the amount so certified to the General Assembly as soon as practicable, but no later than the end of the current State fiscal year. This paragraph shall not apply to any bonds as to which the Authority shall have determined, in the resolution authorizing their issuance, that this paragraph shall not apply. Whenever the Authority makes such a determination, that fact shall be plainly stated on the face of such bonds and that fact shall also be reported to the Governor. In the event of a withdrawal of moneys from a debt service reserve fund established with respect to any issue or issues of bonds of the Authority to pay principal and interest on those bonds, the Chairman, as soon as practicable, shall certify to the Governor the amount required to restore such reserve funds to the level required in the resolution or indenture securing the bonds. Section 825-65. Clean Coal and Energy Project Financing.
  (a) Findings and declaration of policy. It is hereby found and declared that Illinois has abundant coal resources and, in some areas of Illinois, the demand for power exceeds the generating capacity. Incentives to encourage the construction of coal-fired electric generating plants in Illinois to ensure power generating capacity into the future are in the best interests of all of the citizens of Illinois. The Authority is authorized to issue bonds to help finance Clean Coal and Energy projects pursuant to this Section.
  (b) Definition.   (c) Creation of reserve funds. The Authority may establish and maintain one or more reserve funds to enhance bonds issued by the Authority for Clean Coal and Energy projects to develop alternative energy sources, including renewable energy projects, projects to provide scrubber technology for existing energy generating plants or projects to provide electric transmission facilities. There may be one or more accounts in these reserve funds in which there may be deposited:
  (1) any proceeds of the bonds issued by the Authority required to be deposited therein by the terms of any contract between the Authority and its bondholders or any resolution of the Authority;
  (2) any other moneys or funds of the Authority that it may determine to deposit therein from any other source; and

New matter indicated by italics - deletions by strikeout
(3) any other moneys or funds made available to the Authority. Subject to the terms of any pledge to the owners of any bonds, moneys in any reserve fund may be held and applied to the payment of principal, premium, if any, and interest of such bonds.

d) Powers and duties. The Authority has the power:

(1) To issue bonds in one or more series pursuant to one or more resolutions of the Authority for any Clean Coal and Energy projects authorized under this Section, within the authorization set forth in subsections (e) and (f).

(2) To provide for the funding of any reserves or other funds or accounts deemed necessary by the Authority in connection with any bonds issued by the Authority.

(3) To pledge any funds of the Authority or funds made available to the Authority that may be applied to such purpose as security for any bonds or any guarantees, letters of credit, insurance contracts or similar credit support or liquidity instruments securing the bonds.

(4) To enter into agreements or contracts with third parties, whether public or private, including, without limitation, the United States of America, the State or any department or agency thereof, to obtain any appropriations, grants, loans or guarantees that are deemed necessary or desirable by the Authority. Any such guarantee, agreement or contract may contain terms and provisions necessary or desirable in connection with the program, subject to the requirements established by the Act.

(5) To exercise such other powers as are necessary or incidental to the foregoing.

(e) Clean Coal and Energy bond authorization and financing limits. In addition to any other bonds authorized to be issued under Sections 801-40(w), 825-60, 830-25 and 845-5, the Authority may have outstanding, at any time, bonds for the purpose enumerated in this Section 825-65 in an aggregate principal amount that shall not exceed $2,700,000,000, of which no more than $300,000,000 may be issued to finance transmission facilities, no more than $500,000,000 may be issued to finance scrubbers at existing generating plants, no more than $500,000,000 may be issued to finance alternative energy sources, including renewable energy projects and no more than $1,400,000,000 may be issued to finance new electric generating facilities, as defined in Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois, which may include mine-mouth power plants. An application for a loan financed from bond proceeds from a borrower or its affiliates for a Clean Coal and Energy project may not be approved by the Authority for an amount in excess of $450,000,000 for any borrower or its affiliates. These bonds shall not constitute an indebtedness or obligation of the State of Illinois and it shall be plainly stated on the face of each bond that
it does not constitute an indebtedness or obligation of the State of Illinois, but is payable solely from the revenues, income or other assets of the Authority pledged therefor.

(f) Additional Clean Coal and Energy bond authorization and financing limits. In addition to any other bonds authorized to be issued under this Act, the Authority may issue bonds for the purpose enumerated in this Section 825-65 in an aggregate principal amount that shall not exceed $300,000,000.

Section 825-70. Criteria for participation in the program. Applications to the Authority for financing of any Clean Coal and Energy project shall be reviewed by the Authority. Upon submission of any such application, the Authority staff shall review the application for its completeness and may, at the discretion of the Authority staff, request such additional information as it deems necessary or advisable to aid in review. If the Authority receives applications for financing for Clean Coal and Energy projects in excess of the bond authorization available for such financing at any one time, it shall consider applications in the order of priority as it shall determine, in consultation with other State agencies.

Section 825-75. Additional Security. In the event that the Authority determines that monies of the Authority will not be sufficient for the payment of the principal of and interest on any bonds issued by the Authority under Sections 825-65 through 825-75 of this Act for energy generation projects that advance clean coal technology and the use of Illinois coal during the next State fiscal year, the Chairperson, as soon as practicable, shall certify to the Governor the amount required by the Authority to enable it to pay such principal, premium, if any, and interest on such bonds. The Governor shall submit the amount so certified to the General Assembly as soon as practicable, but no later than the end of the current State fiscal year. This subsection shall not apply to any bonds or notes as to which the Authority shall have determined, in the resolution authorizing the issuance of the bonds or notes, that this subsection shall not apply. Whenever the Authority makes such a determination, that fact shall be plainly stated on the face of the bonds or notes and that fact should also be reported to the Governor. In the event of a withdrawal of moneys from a reserve fund established with respect to any issue or issues of bonds of the Authority to pay principal, premium, if any, and interest on such bonds, the Chairman of the Authority, as soon as practicable, shall certify to the Governor the amount required to restore the reserve fund to the level required in the resolution or indenture securing those bonds. The Governor shall submit the amount so certified to the General Assembly as soon as practicable, but no later than the end of the current State fiscal year. The Authority shall obtain written approval from the Governor for any bonds and notes to be issued under this Section.

Section 830-30. State Guarantees for existing debt.
(a) The Authority is authorized to issue State Guarantees for farmers' existing debts held by a lender. For the purposes of this Section, a farmer shall be a resident of Illinois, who is a principal operator of a farm or land, at least 50% of whose annual gross income is derived from farming and whose debt to asset ratio shall not be less than 40%, except in those cases where the applicant has previously used the guarantee program there shall be no debt to asset ratio or income restriction. For the purposes of this Section, debt to asset ratio shall mean the current outstanding liabilities of the farmer divided by the current outstanding assets of the farmer. The Authority shall establish the maximum permissible debt to asset ratio based on criteria established by the Authority. Lenders shall apply for the State Guarantees on forms provided by the Authority and certify that the application and any other documents submitted are true and correct. The lender or borrower, or both in combination, shall pay an administrative fee as determined by the Authority. The applicant shall be responsible for paying any fees or charges involved in recording mortgages, releases, financing statements, insurance for secondary market issues and any other similar fees or charges as the Authority may require. The application shall at a minimum contain the farmer's name, address, present credit and financial information, including cash flow statements, financial statements, balance sheets, and any other information pertinent to the application, and the collateral to be used to secure the State Guarantee. In addition, the lender must agree to bring the farmer's debt to a current status at the time the State Guarantee is provided and must also agree to charge a fixed or adjustable interest rate which the Authority determines to be below the market rate of interest generally available to the borrower. If both the lender and applicant agree, the interest rate on the State Guarantee Loan can be converted to a fixed interest rate at any time during the term of the loan. Any State Guarantees provided under this Section (i) shall not exceed $500,000 per
farmer, (ii) shall be set up on a payment schedule not to exceed 30 years, and shall be no longer than 30 years in duration, and (iii) shall be subject to an annual review and renewal by the lender and the Authority; provided that only one such State Guarantee shall be outstanding per farmer at any one time. No State Guarantee shall be revoked by the Authority without a 90-day notice, in writing, to all parties. In those cases where the borrower has not previously used the guarantee program, the lender shall not call due any loan during the first 3 years for any reason except for lack of performance or insufficient collateral. The lender can review and withdraw or continue with the State Guarantee on an annual basis after the first 3 years of the loan, provided a 90-day notice, in writing, to all parties has been given.

(b) The Authority shall provide or renew a State Guarantee to a lender if:
   (i) A fee equal to 25 basis points on the loan is paid to the Authority on an annual basis by the lender.
   (ii) The application provides collateral acceptable to the Authority that is at least equal to the State's portion of the Guarantee to be provided.
   (iii) The lender assumes all responsibility and costs for pursuing legal action on collecting any loan that is delinquent or in default.
   (iv) The lender is responsible for the first 15% of the outstanding principal of the note for which the State Guarantee has been applied.

(c) There is hereby created outside of the State treasury a special fund to be known as the Illinois Agricultural Loan Guarantee Fund. The State Treasurer shall be custodian of this Fund. Any amounts in the Illinois Agricultural Loan Guarantee Fund not currently needed to meet the obligations of the Fund shall be invested as provided by law, and all interest earned from these investments shall be deposited into the Fund until the Fund reaches the maximum amount authorized in this Act; thereafter, interest earned shall be deposited into the General Revenue Fund. After September 1, 1989, annual investment earnings equal to 1.5% of the Fund shall remain in the Fund to be used for the purposes established in Section 830-40 of this Act. The Authority is authorized to transfer to the Fund such amounts as are necessary to satisfy claims during the duration of the State Guarantee program to secure State Guarantees issued under this Section. If for any reason the General Assembly fails to make an appropriation sufficient to meet these obligations, this Act shall constitute an irrevocable and continuing appropriation of an amount necessary to secure guarantees as defaults occur and the irrevocable and continuing authority for, and direction to, the State Treasurer and the Comptroller to make the necessary transfers to the Illinois Agricultural Loan Guarantee Fund, as directed by the Governor, out of the General Revenue Fund. Within 30 days after November 15, 1985, the Authority may transfer up to $7,000,000 from available appropriations into the Illinois Agricultural Loan Guarantee Fund for the purposes of this Act. Thereafter, the Authority may transfer additional amounts into the Illinois Agricultural Loan Guarantee Fund to secure guarantees for defaults as defaults occur. In the event of default by the farmer, the

lender shall be entitled to, and the Authority shall direct payment on, the State Guarantee after 90 days of delinquency. All payments by the Authority shall be made from the Illinois Agricultural Loan Guarantee Fund to satisfy claims against the State Guarantee. The Illinois Agricultural Loan Guarantee Fund shall guarantee receipt of payment of the 85% of the principal and interest owed on the State Guarantee Loan by the farmer to the guarantee holder. It shall be the responsibility of the lender to proceed with the collecting and disposing of collateral on the State Guarantee within 14 months of the time the State Guarantee is declared delinquent; provided, however, that the lender shall not collect or dispose of collateral on the State Guarantee without the express written prior approval of the Authority. If the lender does not dispose of the collateral within 14 months, the lender shall be liable to repay to the State interest on the State Guarantee equal to the same rate which the lender charges on the State Guarantee; provided, however, that the Authority may extend the 14-month period for a lender in the case of bankruptcy or extenuating circumstances. The Fund shall be reimbursed for any amounts paid under this Section upon liquidation of the collateral. The Authority, by resolution of the Board, may borrow sums from the Fund and provide for repayment as soon as may be practical upon receipt of payments of principal and interest by a farmer. Money may be borrowed from the Fund by the Authority for the sole purpose of paying certain interest costs for farmers associated with selling a loan subject to a State Guarantee in a secondary market as may be deemed reasonable and necessary by the Authority.

(d) Notwithstanding the provisions of this Section 830-30 with respect to the farmers and lenders who may obtain State Guarantees, the Authority may promulgate rules establishing the eligibility of farmers and lenders to participate in the State guarantee program and the terms, standards, and procedures that will apply, when the Authority finds that emergency conditions in Illinois agriculture have created the need for State Guarantees pursuant to terms, standards, and procedures other than those specified in this Section.

Section 830-35. State Guarantees for loans to farmers and agribusiness; eligibility.

(a) The Authority is authorized to issue State Guarantees to lenders for loans to eligible farmers and agribusinesses for purposes set forth in this Section. For purposes of this Section, an eligible farmer shall be a resident of Illinois (i) who is principal operator of a farm or land, at least 50% of whose annual gross income is derived from farming, (ii) whose annual total sales of agricultural products, commodities, or livestock exceeds $20,000, and (iii) whose net worth does not exceed $500,000. An eligible agribusiness shall be that as defined in Section 801-10 of this Act. The Authority may approve applications by farmers and agribusinesses that promote diversification of the farm economy of this State through the growth and development of new crops or livestock not customarily grown or produced in this State or that emphasize a vertical integration of grain or livestock produced or raised in this State into a finished agricultural product for consumption or use. "New crops or livestock not customarily grown or produced in this State through the growth and development of new crops or livestock not customarily grown or produced in this State or that emphasize a vertical integration of grain or livestock produced or raised in this State into a finished agricultural product for consumption or use."

"Vertical integration of grain or livestock produced or raised in this State" shall include any new or existing grain or livestock grown or produced in this State. Lenders shall apply for the State Guarantees on forms provided by the Authority, certify that the application and any other documents submitted are true and correct, and pay an administrative fee as determined by the Authority. The applicant shall be responsible for paying any fees or charges involved in recording mortgages, releases, financing statements, insurance for secondary market issues and any other similar fees or charges as the Authority may require. The application shall at a minimum contain the farmer's or agribusiness' name, address, present credit and financial information, including cash flow statements, financial statements, balance sheets, and any other information pertinent to the application, and the collateral to be used to secure the State Guarantee. In addition, the lender must agree to charge an interest rate, which may vary, on the loan that the Authority determines to be below the market rate of interest generally available to the borrower. If both the lender and applicant agree, the interest rate on the State Guarantee Loan can be converted to a fixed interest rate at any time during the term of the loan. Any State Guarantees provided under this Section (i) shall not exceed $500,000 per farmer or an amount as determined by the Authority on a case-by-case basis for an agribusiness, (ii) shall not exceed a term of 15 years, and (iii) shall be subject to an annual review and renewal by the lender and the Authority; provided that only one such State Guarantee shall be made per farmer or agribusiness, except that additional State Guarantees may be made for purposes of expansion of projects financed in part by a previously issued State Guarantee. No State Guarantee shall be revoked by the Authority without a 90-day notice, in writing, to all parties. The lender shall not call due any loan for any reason except for lack of performance, insufficient collateral, or maturity. A lender may review and withdraw or continue with a State Guarantee on an annual basis after the first 5 years following closing of the loan application if the loan contract provides for an interest rate that shall not vary. A lender shall not withdraw a State Guarantee if the loan contract provides for an interest rate that may vary, except for reasons set forth herein.

(b) The Authority shall provide or renew a State Guarantee to a lender if:

(i) A fee equal to 25 basis points on the loan is paid to the Authority on an annual basis by the lender.

(ii) The application provides collateral acceptable to the Authority that is at least equal to the State's portion of the Guarantee to be provided.

(iii) The lender assumes all responsibility and costs for pursuing legal action on collecting any loan that is delinquent or in default.

(iv) The lender is responsible for the first 15% of the outstanding principal of the note for which the State Guarantee has been applied.

(c) There is hereby created outside of the State treasury a special fund to be known as the Illinois Farmer and Agribusiness Loan Guarantee Fund. The State Treasurer
shall be custodian of this Fund. Any amounts in the Fund not currently needed to meet the obligations of the Fund shall be invested as provided by law, and all interest earned from these investments shall be deposited into the Fund until the Fund reaches the maximum amounts authorized in this Act; thereafter, interest earned shall be deposited into the General Revenue Fund. After September 1, 1989, annual investment earnings equal to 1.5% of the Fund shall remain in the Fund to be used for the purposes established in Section 830-40 of this Act. The Authority is authorized to transfer such amounts as are necessary to satisfy claims from available appropriations and from fund balances of the Farm Emergency Assistance Fund as of June 30 of each year to the Illinois Farmer and Agribusiness Loan Guarantee Fund to secure State Guarantees issued under this Section and Sections 830-45 and 830-50. If for any reason the General Assembly fails to make an appropriation sufficient to meet these obligations, this Act shall constitute an irrevocable and continuing appropriation of an amount necessary to secure guarantees as defaults occur and the irrevocable and continuing authority for, and direction to, the State Treasurer and the Comptroller to make the necessary transfers to the Illinois Farmer and Agribusiness Loan Guarantee Fund, as directed by the Governor, out of the General Revenue Fund. In the event of default by the borrower on State Guarantee Loans under this Section, Section 830-45 or Section 830-50, the lender shall be entitled to, and the Authority shall direct payment on, the State Guarantee after 90 days of delinquency. All payments by the Authority shall be made from the Illinois Farmer and Agribusiness Loan Guarantee Fund to satisfy claims against the State Guarantee. It shall be the responsibility of the lender to proceed with the collecting and disposing of collateral on the State Guarantee under this Section, Section 830-45 or Section 830-50 within 14 months of the time the State Guarantee is declared delinquent. If the lender does not dispose of the collateral within 14 months, the lender shall be liable to repay to the State interest on the State Guarantee equal to the same rate that the lender charges on the State Guarantee, provided that the Authority shall have the authority to extend the 14-month period for a lender in the case of bankruptcy or extenuating circumstances. The Fund shall be reimbursed for any amounts paid under this Section, Section 830-45 or Section 830-50 upon liquidation of the collateral. The Authority, by resolution of the Board, may borrow sums from the Fund and provide for repayment as soon as may be practical upon receipt of payments of principal and interest by a borrower on State Guarantee Loans under this Section, Section 830-45 or Section 830-50. Money may be borrowed from the Fund by the Authority for the sole purpose of paying certain interest costs for borrowers associated with selling a loan subject to a State Guarantee under this Section, Section 830-45 or Section 830-50 in a secondary market as may be deemed reasonable and necessary by the Authority.

(d) Notwithstanding the provisions of this Section 830-35 with respect to the farmers, agribusinesses, and lenders who may obtain State Guarantees, the Authority may promulgate rules establishing the eligibility of farmers, agribusinesses, and lenders to participate in the State Guarantee program and the terms, standards, and procedures that

In addition, the borrower must certify to the Authority that, at the time the State Guarantee is provided, the borrower will not be delinquent in the repayment of any debt. The lender must agree to charge a fixed or adjustable interest rate that the Authority determines to be below the market rate of interest generally available to the borrower. If both the lender and applicant agree, the interest rate on the State guaranteed loan can be converted to a fixed interest rate at any time during the term of the loan.

(c) State Guarantees provided under this Section (i) shall not exceed $1,000,000 per applicant, (ii) shall be no longer than 15 years in duration, and (iii) shall be subject to an annual review and renewal by the lender and the Authority. To this end, the Authority is charged with the responsibility to identify and study all projects which are determined by health planning agencies to be needed but which could not sustain a loan were such to be made to it under this Act. The Authority shall, following such study, formulate and recommend to the General Assembly, such amendments to this and other Acts, and such other specific measures as grants, loan guarantees, interest subsidies or other actions as may be provided for by the State which actions would render the construction and operation of such needed health facility feasible and in the public interest. Approved July 17, 2003.

PUBLIC ACT 93-0206
(House Bill No. 0223)

AN ACT in relation to interrogations.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Criminal Justice Information Act is amended by adding Section 7.5 as follows:
(20 ILCS 3930/7.5 new)
Sec. 7.5. Grants for electronic recording equipment.
(a) The Authority, from appropriations made to it for that purpose, shall make grants to local law enforcement agencies for the purpose of purchasing equipment for electronic recording of interrogations.
(b) The Authority shall promulgate rules to implement this Section.

Section 10. The Illinois Police Training Act is amended by adding Section 10.3 as follows:
(50 ILCS 705/10.3 new)
Sec. 10.3. Training of police officers to conduct electronic interrogations. From appropriations made to it for that purpose, the Board shall initiate, administer, and conduct training programs for permanent police officers, part-time police officers, and recruits on the methods and technical aspects of conducting electronic recordings of interrogations.

Section 15. The Juvenile Court Act of 1987 is amended by adding Section 5-401.5 as follows:
(705 ILCS 405/5-401.5 new)
Sec. 5-401.5. When statements by minor may be used.
(a) In this Section, "custodial interrogation" means any interrogation (i) during which a reasonable person in the subject's position would consider himself or herself to be

New matter indicated by italics - deletions by strikeout
in custody and (ii) during which a question is asked that is reasonably likely to elicit an incriminating response.

In this Section, "electronic recording" includes motion picture, audiotape, videotape, or digital recording.

In this Section, "place of detention" means a building or a police station that is a place of operation for a municipal police department or county sheriff department or other law enforcement agency at which persons are or may be held in detention in connection with criminal charges against those persons or allegations that those persons are delinquent minors.

(b) An oral, written, or sign language statement of a minor who, at the time of the commission of the offense was under the age of 17 years, made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of this amendatory Act of the 93rd General Assembly shall be presumed to be inadmissible as evidence against the minor in any criminal proceeding or juvenile court proceeding, for an act that if committed by an adult would be brought under Section 9-1, 9-1.2, 9-2, 9-2.1, 9-3, 9-3.2, or 9-3.3, of the Criminal Code of 1961 unless:

(1) an electronic recording is made of the custodial interrogation; and
(2) the recording is substantially accurate and not intentionally altered.

(c) Every electronic recording required under this Section must be preserved until such time as the minor's adjudication for any offense relating to the statement is final and all direct and habeas corpus appeals are exhausted, or the prosecution of such offenses is barred by law.

(d) If the court finds, by a preponderance of the evidence, that the minor was subjected to a custodial interrogation in violation of this Section, then any statements made by the minor during or following that non-recorded custodial interrogation, even if otherwise in compliance with this Section, are presumed to be inadmissible in any criminal proceeding or juvenile court proceeding against the minor except for the purposes of impeachment.

(e) Nothing in this Section precludes the admission (i) of a statement made by the minor in open court in any criminal proceeding or juvenile court proceeding, before a grand jury, or at a preliminary hearing, (ii) of a statement made during a custodial interrogation that was not recorded as required by this Section because electronic recording was not feasible, (iii) of a voluntary statement, whether or not the result of a custodial interrogation, that has a bearing on the credibility of the accused as a witness, (iv) of a spontaneous statement that is not made in response to a question, (v) of a statement made after questioning that is routinely asked during the processing of the arrest of the suspect, (vi) of a statement made during a custodial interrogation by a suspect who requests, prior to making the statement, to respond to the interrogator's questions only if an electronic recording is not made of the statement, provided that an electronic recording is made of the statement of agreeing to respond to the interrogator's question, only if a
recording is not made of the statement, (vii) of a statement made during a custodial interrogation that is conducted out-of-state, (viii) of a statement given at a time when the interrogators are unaware that a death has in fact occurred, or (ix) of any other statement that may be admissible under law. The State shall bear the burden of proving, by a preponderance of the evidence, that one of the exceptions described in this subsection (e) is applicable. Nothing in this Section precludes the admission of a statement, otherwise inadmissible under this Section, that is used only for impeachment and not as substantive evidence.

(f) The presumption of inadmissibility of a statement made by a suspect at a custodial interrogation at a police station or other place of detention may be overcome by a preponderance of the evidence that the statement was voluntarily given and is reliable, based on the totality of the circumstances.

(g) Any electronic recording of any statement made by a minor during a custodial interrogation that is compiled by any law enforcement agency as required by this Section for the purposes of fulfilling the requirements of this Section shall be confidential and exempt from public inspection and copying, as provided under Section 7 of the Freedom of Information Act, and the information shall not be transmitted to anyone except as needed to comply with this Section.

Section 20. The Criminal Code of 1961 is amended by changing Section 14-3 as follows:

(720 ILCS 5/14-3) (from Ch. 38, par. 14-3)

(c) Any broadcast by radio, television or otherwise whether it be a broadcast or recorded for the purpose of later broadcasts of any function where the public is in attendance and the conversations are overheard incidental to the main purpose for which such broadcasts are then being made;
(d) Recording or listening with the aid of any device to any emergency communication made in the normal course of operations by any federal, state or local law enforcement agency or institutions dealing in emergency services, including, but not limited to, hospitals, clinics, ambulance services, fire fighting agencies, any public utility, emergency repair facility, civilian defense establishment or military installation;
(e) Recording the proceedings of any meeting required to be open by the Open Meetings Act, as amended;
(f) Recording or listening with the aid of any device to incoming telephone calls of phone lines publicly listed or advertised as consumer "hotlines" by manufacturers or retailers of food and drug products. Such recordings must be destroyed, erased or turned over to local law enforcement authorities within 24 hours from the time of such recording and shall not be otherwise disseminated. Failure on the part of the individual or business operating any such recording or listening device to comply with the requirements of this subsection shall eliminate any civil or criminal immunity conferred upon that individual or business by the operation of this Section;

(g) With prior notification to the State's Attorney of the county in which it is to occur, recording or listening with the aid of any device to any conversation where a law enforcement officer, or any person acting at the direction of law enforcement, is a party to the conversation and has consented to it being intercepted or recorded under circumstances where the use of the device is necessary for the protection of the law enforcement officer or any person acting at the direction of law enforcement, in the course of an investigation of a forcible felony, a felony violation of the Illinois Controlled Substances Act, a felony violation of the Cannabis Control Act, or any "streetgang related" or "gang-related" felony as those terms are defined in the Illinois Streetgang Terrorism Omnibus Prevention Act. Any recording or evidence derived as the result of this exemption shall be inadmissible in any proceeding, criminal, civil or administrative, except (i) where a party to the conversation suffers great bodily injury or is killed during such conversation, or (ii) when used as direct impeachment of a witness concerning matters contained in the interception or recording. The Director of the Department of State Police shall issue regulations as are necessary concerning the use of devices, retention of tape recordings, and reports regarding their use;

(g-5) With approval of the State's Attorney of the county in which it is to occur, recording or listening with the aid of any device to any conversation where a law enforcement officer, or any person acting at the direction of law enforcement, is a party to the conversation and has consented to it being intercepted or recorded in the course of an investigation of any offense defined in Article 29D of this Code. In all such cases, an application for an order approving the previous or continuing use of an eavesdropping device must be made within 48 hours of the commencement of such use. In the absence of such an order, or upon its denial, any continuing use shall immediately terminate. The Director of State Police shall issue rules as are necessary concerning the use of devices, retention of tape recordings, and reports regarding their use.

Any recording or evidence obtained or derived in the course of an investigation of any offense defined in Article 29D of this Code shall, upon motion of the State's Attorney or Attorney General prosecuting any violation of Article 29D, be reviewed in camera with notice to all parties present by the court presiding over the criminal case, and, if ruled by the court to be relevant and otherwise admissible, it shall be admissible at the trial of the criminal case.

When recording or listening authorized by this subsection (j) on telephone lines used for marketing or opinion research or telephone solicitation purposes results in recording or listening to a conversation that does not relate to marketing or opinion research or telephone solicitation; the person recording or listening shall, immediately upon determining that the conversation does not relate to marketing or opinion research or telephone solicitation, terminate the recording or listening and destroy any such recording as soon as is practicable.

(2) the recording is substantially accurate and not intentionally altered.

(c) Every electronic recording required under this Section must be preserved until such time as the defendant's conviction for any offense relating to the statement is final and all direct and habeas corpus appeals are exhausted, or the prosecution of such offenses is barred by law.

(d) If the court finds, by a preponderance of the evidence, that the defendant was subjected to a custodial interrogation in violation of this Section, then any statements made by the defendant during or following that non-recorded custodial interrogation, even if otherwise in compliance with this Section, are presumed to be inadmissible in any criminal proceeding against the defendant except for the purposes of impeachment.

(e) Nothing in this Section precludes the admission (i) of a statement made by the accused in open court at his or her trial, before a grand jury, or at a preliminary hearing, (ii) of a statement made during a custodial interrogation that was not recorded as required by this Section, because electronic recording was not feasible, (iii) of a voluntary statement, whether or not the result of a custodial interrogation, that has a bearing on the credibility of the accused as a witness, (iv) of a spontaneous statement that is not made in response to a question, (v) of a statement made after questioning that is routinely asked during the processing of the arrest of the suspect, (vi) of a statement made during a custodial interrogation by a suspect who requests, prior to making the statement, to respond to the interrogator's questions only if an electronic recording is not made of the statement, provided that an electronic recording is made of the statement of agreeing to respond to the interrogator's question, only if a recording is not made of the statement, (vii) of a statement made during a custodial interrogation that is conducted out-of-state, (viii) of a statement given at a time when the interrogators are unaware that a death has in fact occurred, or (ix) of any other statement that may be admissible under law. Nothing in this Section precludes the admission of a statement, otherwise inadmissible under this Section, that is used only for impeachment and not as substantive evidence.

(f) The presumption of inadmissibility of a statement made by a suspect at a custodial interrogation at a police station or other place of detention may be overcome by a preponderance of the evidence that the statement was voluntarily given and is reliable, based on the totality of the circumstances.
(g) Any electronic recording of any statement made by an accused during a custodial interrogation that is compiled by any law enforcement agency as required by this Section for the purposes of fulfilling the requirements of this Section shall be confidential and exempt from public inspection and copying, as provided under Section 7 of the Freedom of Information Act, and the information shall not be transmitted to anyone except as needed to comply with this Section.

(730 ILCS 5/5-5.5-5 new)
Sec. 5-5.5-5. Definitions and rules of construction. In this Article:

"Eligible offender" means a person who has been convicted of a crime or of an offense that is not a crime of violence as defined in Section 2 of the Crime Victims Compensation Act, a Class X or a nonprobationable offense, or a violation of Article 11 or Article 12 of the Criminal Code of 1961, but who has not been convicted more than once of a felony.

"Felony" means a conviction of a felony in this State, or of an offense in any other jurisdiction for which a sentence to a term of imprisonment in excess of one year, was authorized.

For the purposes of this Article the following rules of construction apply:

(i) two or more convictions of felonies charged in separate counts of one indictment or information shall be deemed to be one conviction;

(ii) two or more convictions of felonies charged in 2 or more indictments or informations, filed in the same court prior to entry of judgment under any of them, shall be deemed to be one conviction; and

(iii) a plea or a verdict of guilty upon which a sentence of probation, conditional discharge, or supervision has been imposed shall be deemed to be a conviction.

(730 ILCS 5/5-5.5-10 new)
Sec. 5-5.5-10. Certificate of relief from disabilities.

(a) A certificate of relief from disabilities does not, however, in any way prevent any judicial proceeding, administrative, licensing, or other body, board, or authority from relying upon the conviction specified in the certificate as the basis for the exercise of its discretionary power to suspend, revoke, or refuse to issue or refuse to renew any license, permit, or other authority or privilege.

(b) A certificate of relief from disabilities shall not limit or prevent the introduction of evidence of a prior conviction for purposes of impeachment of a witness in a judicial or other proceeding where otherwise authorized by the applicable rules of evidence.

(730 ILCS 5/5-5.5-15 new)
Sec. 5-5.5-15. Certificates of relief from disabilities issued by courts.

(a) Any circuit court of this State may, in its discretion, issue a certificate of relief from disabilities to an eligible offender for a conviction that occurred in that court if the court imposed a sentence other than one executed by commitment to an institution under the Department of Corrections. The certificate may be issued (i) at the time sentence is pronounced, in which case it may grant relief from disabilities, or (ii) at any time thereafter, in which case it shall apply only to disabilities.

New matter indicated by italics - deletions by strikeout
(b) The certificate may not be issued by the court unless the court is satisfied that:

(1) the person to whom it is to be granted is an eligible offender, as defined in Section 5-5.5-5;
(2) the relief to be granted by the certificate is consistent with the rehabilitation of the eligible offender; and
(3) the relief to be granted by the certificate is consistent with the public interest.

(c) If a certificate of relief from disabilities is not issued at the time sentence is pronounced it shall only be issued thereafter upon verified application to the court. Any probation officer requested to make an investigation under this Section shall prepare and submit to the court a written report in accordance with the request.

(d) Any court that has issued a certificate of relief from disabilities may at any time issue a new certificate to enlarge the relief previously granted provided that the provisions of clauses (1) through (3) of subsection (b) of this Section apply to the issuance of any such new certificate.

(e) Any written report submitted to the court under this Section is confidential and may not be made available to any person or public or private agency except if specifically required or permitted by statute or upon specific authorization of the court. However, it shall be made available by the court for examination by the applicant's attorney, or the applicant himself or herself, if he or she has no attorney. In its discretion, the court may except from disclosure a part or parts of the report that are not relevant to the granting of a certificate, or sources of information which have been obtained on a promise of confidentiality, or any other portion of the report, disclosure of which would not be in the interest of justice. The action of the court excepting information from disclosure shall be subject to appellate review. The court, in its discretion, may hold a conference in open court or in chambers to afford an applicant an opportunity to controvert or to comment upon any portions of the report. The court may also conduct a summary hearing at the conference on any matter relevant to the granting of the application and may take testimony under oath.

Whenever an adult or minor prosecuted as an adult, not having previously been convicted of any criminal offense or municipal ordinance violation, charged with a violation of a municipal ordinance or a felony or misdemeanor, is acquitted or released without being convicted, whether the acquittal or release occurred before, on, or after the effective date of this amendatory Act of 1991, the Chief Judge of the circuit wherein the charge was brought, any judge of that circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial may upon verified petition of the defendant order the record of arrest expunged from the official records of the arresting authority and the Department and order that the records of the clerk of the circuit court be sealed until further order of the court upon good cause shown and the name of the defendant obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. The Department may charge the petitioner a fee equivalent to the cost of processing any order to expunge or seal the records, and the fee shall be deposited into the State Police Services Fund. The records of those arrests, however, that result in a disposition of supervision for any offense shall not be expunged from the records of the arresting authority or the Department nor impounded by the court until 2 years after discharge and dismissal of supervision. Those records that result from a supervision for a violation of Section 3-707, 3-708, 3-710, 5-401.3, or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, or for a violation of Section 12-3.2, 12-15 or 16A-3 of the Criminal Code of 1961, or probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as those provisions existed before their deletion by Public Act 89-313), Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act when the judgment of conviction has been vacated, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act when the judgment of conviction has been vacated, or Section 10 of the Steroid Control Act shall not be expunged from the records of the arresting authority nor impounded by the court until 5 years after termination of probation or supervision. Those records that result from a supervision for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance, shall not be expunged. All records set out above may be ordered by the court to be expunged from the records of the arresting authority and impounded by the court after 5 years, but shall not be expunged by the Department, but shall, on court order be sealed by the Department and may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual.

(a-5) Those records maintained by the Department for persons arrested prior to their 17th birthday shall be expunged as provided in Section 5-915 of the Juvenile Court Act of 1987.

(b) Whenever a person has been convicted of a crime or of the violation of a municipal ordinance, in the name of a person whose identity he has stolen or otherwise come into possession of, the aggrieved person from whom the identity was stolen or otherwise obtained without authorization, upon learning of the person having been arrested using his identity, may, upon verified petition to the chief judge of the circuit wherein the arrest was made, have a court order entered nunc pro tunc by the chief judge to correct the arrest record, conviction record, if any, and all official records of the arresting authority, the Department, other criminal justice agencies, the prosecutor, and the trial court concerning such arrest, if any, by removing his name from all such records in connection with the arrest and conviction, if any, and by inserting in the records the name of the offender, if known or ascertainable, in lieu of the aggrieved's name. The records of the clerk of the circuit court clerk shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Department of State Police or other criminal justice agencies or prosecutors from listing under an offender's name the false names he or she has used. For purposes of this Section, convictions for moving and nonmoving traffic violations other than convictions for violations of Chapter 4, Section 11-204.1 or Section 11-501 of the Illinois Vehicle Code shall not be a bar to expunging the record of arrest and court records for violation of a misdemeanor or municipal ordinance.

(c) Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, he may, upon verified petition to the chief judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial, may have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the clerk of the circuit court and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he had been pardoned but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Department may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to

all sealed records of the Department pertaining to that individual. Upon entry of the order of expungement, the clerk of the circuit court shall promptly mail a copy of the order to the person who was pardoned.

(c-5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the defendant's trial to have a court order entered to seal the records of the clerk of the circuit court in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Department of State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the clerk of the circuit court in connection with the proceedings of the trial court concerning the offense available for public inspection.

(c-6) If a conviction has been set aside on direct review or on collateral attack and the court determines by clear and convincing evidence that the defendant was factually innocent of the charge, the court shall enter an expungement order as provided in subsection (b) of Section 5-5-4 of the Unified Code of Corrections.

(d) Notice of the petition for subsections (a), (b), and (c) shall be served upon the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government affecting the arrest. Unless the State's Attorney or prosecutor, the Department of State Police, the arresting agency or such chief legal officer objects to the petition within 30 days from the date of the notice, the court shall enter an order granting or denying the petition. The clerk of the court shall promptly mail a copy of the order to the person, the arresting agency, the prosecutor, the Department of State Police and such other criminal justice agencies as may be ordered by the judge.

(e) Nothing herein shall prevent the Department of State Police from maintaining all records of any person who is admitted to probation upon terms and conditions and who fulfills those terms and conditions pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 12-4.3 of the Criminal Code of 1961, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section 10 of the Steroid Control Act.

(f) No court order issued pursuant to the expungement provisions of this Section shall become final for purposes of appeal until 30 days after notice is received by the Department. Any court order contrary to the provisions of this Section is void.

(g) Except as otherwise provided in subsection (c-5) of this Section, the court shall not order the sealing or expungement of the arrest records and records of the circuit court clerk of any person granted supervision for or convicted of any sexual offense.

If a sentence is vacated on appeal or on collateral attack due to the failure of the trier of fact at trial to determine beyond a reasonable doubt the existence of a fact (other than a prior conviction) necessary to increase the punishment for the offense beyond the statutory maximum otherwise applicable, either the defendant may be re-sentenced to a term within the range otherwise provided or, if the State files notice of its intention to again seek the extended sentence, the defendant shall be afforded a new trial.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Criminal Identification Act is amended by changing Section 5 and adding Sections 11, 12, and 13 as follows:

(20 ILCS 2630/5) (from Ch. 38, par. 206-5)
Sec. 5. Arrest reports; expungement.

(a) All policing bodies of this State shall furnish to the Department, daily, in the form and detail the Department requires, fingerprints and descriptions of all persons who are arrested on charges of violating any penal statute of this State for offenses that are classified as felonies and Class A or B misdemeanors and of all minors of the age of 10 and over who have been arrested for an offense which would be a felony if committed by an adult, and may forward such fingerprints and descriptions for minors arrested for Class A or B misdemeanors. Moving or nonmoving traffic violations under the Illinois Vehicle Code shall not be reported except for violations of Chapter 4, Section 11-204.1, or Section 11-501 of that Code. In addition, conservation offenses, as defined in the Supreme Court Rule 501(c), that are classified as Class B misdemeanors shall not be reported.

Whenever an adult or minor prosecuted as an adult, not having previously been convicted of any criminal offense or municipal ordinance violation, charged with a violation of a municipal ordinance or a felony or misdemeanor, is acquitted or released without being convicted, whether the acquittal or release occurred before, on, or after the effective date of this amendatory Act of 1991, the Chief Judge of the circuit wherein the charge was brought, any judge of that circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial may upon verified petition of the defendant order the record of arrest expunged from the official records of the arresting authority and the Department and order that the records of the clerk of the circuit court be sealed until further order of the court upon good cause shown and the name of the defendant obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. The Department may charge the petitioner a fee equivalent to the cost of processing any order to expunge or seal the records, and the fee shall be deposited into the State Police Services Fund. The records of those arrests, however, that result in a disposition of supervision for any offense shall not be expunged from the records of the arresting authority or the Department nor impounded by the court until 2 years after discharge and dismissal of supervision. Those records that result from a supervision for a violation of Section 3-707, 3-708, 3-710, 5-401.3, or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, or

Those records that result from a supervision for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance, shall not be expunged. All records set out above may be ordered by the court to be expunged from the records of the arresting authority and impounded by the court after 5 years, but shall not be expunged by the Department, but shall, on court order be sealed by the Department and may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual.

(a-5) Those records maintained by the Department for persons arrested prior to their 17th birthday shall be expunged as provided in Section 5-915 of the Juvenile Court Act of 1987.

(b) Whenever a person has been convicted of a crime or of the violation of a municipal ordinance, in the name of a person whose identity he has stolen or otherwise come into possession of, the aggrieved person from whom the identity was stolen or otherwise obtained without authorization, upon learning of the person having been arrested using his identity, may, upon verified petition to the chief judge of the circuit wherein the arrest was made, have a court order entered nunc pro tunc by the chief judge to correct the arrest record, conviction record, if any, and all official records of the arresting authority, the Department, other criminal justice agencies, the prosecutor, and the trial court concerning such arrest, if any, by removing his name from all such records in connection with the arrest and conviction, if any, and by inserting in the records the name of the offender, if known or ascertainable, in lieu of the aggrieved's name. The records of the clerk of the circuit court clerk shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Department of State Police or other criminal justice agencies or prosecutors from listing under an offender's name the false names he or she has used. nonmoving traffic violations other than convictions for violations of Chapter 4, Section 11-204.1 or Section 11-501 of the Illinois Vehicle Code shall not be a bar to expunging the record of arrest and court records for violation of a misdemeanor or municipal ordinance.

(c) Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, he may, upon verified petition to the chief judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial, may have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the clerk of the circuit court and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he had been pardoned but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Department may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual. Upon entry of the order of expungement, the clerk of the circuit court shall promptly mail a copy of the order to the person who was pardoned.

(c-5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the defendant's trial to have a court order entered to seal the records of the clerk of the circuit court in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Department of State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the clerk of the circuit court in connection with the proceedings of the trial court concerning the offense available for public inspection.

(d) Notice of the petition for subsections (a), (b), and (c) shall be served upon the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government affecting the arrest. Unless the State's Attorney or prosecutor, the Department of State Police, the arresting agency or such chief legal officer objects to the petition within 30 days from the date of the notice, the court shall enter an order granting or denying the petition. The clerk of the court shall promptly mail a copy of the order to the person who was pardoned.

(f) No court order issued pursuant to the expungement provisions of this Section shall become final for purposes of appeal until 30 days after notice is received by the Department. Any court order contrary to the provisions of this Section is void.

(g) Except as otherwise provided in subsection (c-5) of this Section, the court shall not order the sealing or expungement of the arrest records and records of the circuit court clerk of any person granted supervision for or convicted of any sexual offense committed against a minor under 18 years of age. For the purposes of this Section, "sexual offense committed against a minor" includes but is not limited to the offenses of indecent solicitation of a child or criminal sexual abuse when the victim of such offense is under 18 years of age.

This subsection (h) does not apply to persons placed on supervision for: (1) a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance; (2) a misdemeanor violation of Article 11 of the Criminal Code of 1961 or a similar provision of a local ordinance; (3) a misdemeanor violation of Section 12-15, 12-30, or 26-5 of the

Three years after the dismissal of the charge, the finding of not guilty, the reversal of conviction, or the completion of the terms and conditions of the supervision, the defendant shall provide the clerk of the court with a notice of request for sealing of records and payment of the applicable fee and a current address and shall promptly notify the clerk of the court of any change of address. The clerk shall promptly serve notice that the person's records are to be sealed on the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government effecting the arrest. Unless the State's Attorney or prosecutor, the Department of State Police, the arresting agency or such chief legal officer objects to sealing of the records 3 years after the dismissal of the charge, the finding of not guilty, the reversal of conviction, or the completion of the terms and conditions of the supervision. The clerk of the court shall promptly serve by mail or in person a copy of the order to the person, the arresting agency, the prosecutor, the Department of State Police and such other criminal justice agencies as may be ordered by the judge. If an objection is filed, the court shall set a date for hearing. At the hearing the court shall hear evidence on whether the sealing of the records should or should not be granted.

(2.1) For all offenses, other than those enumerated in subdivision (a)(2) committed on or after June 19, 1998, and other than the offense of reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, the rules and regulations shall provide that a prisoner who is serving a term of imprisonment shall receive one day of good conduct credit for each day of his or her sentence of imprisonment or recommitment under Section 3-3-9. (2.2) A prisoner serving a term of natural life imprisonment or a prisoner who has been sentenced to death shall receive no good conduct credit.

(2.3) The rules and regulations on early release shall provide that a prisoner who is serving a sentence for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(3) The rules and regulations shall also provide that the Director may award up to 180 days additional good conduct credit for meritorious service in specific instances as the Director deems proper; except that no more than 90 days of good conduct credit for meritorious service shall be awarded to any prisoner who is serving a sentence for conviction of first degree murder, reckless homicide while under the influence of alcohol or any other drug, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, aggravated kidnapping, kidnapping, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, deviate sexual assault, aggravated criminal sexual abuse, aggravated indecent liberties with a child, indecent liberties with a child, child pornography, heinous battery, aggravated battery of a spouse, aggravated battery of a spouse with a firearm, stalking, aggravated stalking, aggravated battery of a child, endangering the life or health of a child, cruelty to a child, or narcotic racketeering. Notwithstanding the foregoing, good conduct credit for meritorious service shall not be awarded on a sentence of imprisonment imposed for conviction of: (i) one of the offenses enumerated in subdivision (a)(2) when the offense is committed on or after June 19, 1998, (ii) reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 when the offense is committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, (iii) one of the offenses enumerated in subdivision (a)(2.4) when the offense is committed on or after the effective date of this amendatory Act of 1999, or (iv) aggravated arson when the offense is committed on or after the effective date of this amendatory Act of the 92nd General Assembly.

(4) The rules and regulations shall also provide that the good conduct credit accumulated and retained under paragraph (2.1) of subsection (a) of this Section by any inmate during specific periods of time in which such inmate is engaged full-time in substance abuse programs, correctional industry assignments, or educational programs provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall be multiplied by a factor of 1.25 for

program participation before August 11, 1993 and 1.50 for program participation on or after that date. However, no inmate shall be eligible for the additional good conduct credit under this paragraph (4) while assigned to a boot camp, mental health unit, or electronic detention, or if convicted of an offense enumerated in paragraph (a)(2) of this Section that is committed on or after June 19, 1998, or if convicted of reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense is committed on or after January 1, 1999, or aggravating driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, or if convicted of an offense enumerated in paragraph (a)(2.4) of this Section that is committed on or after the effective date of this amendatory Act of 1999, or first degree murder, a Class X felony, criminal sexual assault, felony criminal sexual abuse, aggravated criminal sexual abuse, aggravated battery with a firearm, or any predecessor or successor offenses with the same or substantially the same elements, or any inchoate offenses relating to the foregoing offenses. No inmate shall be eligible for the additional good conduct credit under this paragraph (4) who (i) has previously received increased good conduct credit under this paragraph (4) and has subsequently been convicted of a felony, or (ii) has previously served more than one prior sentence of imprisonment for a felony in an adult correctional facility.

Educational, vocational, substance abuse and correctional industry programs under which good conduct credit may be increased under this paragraph (4) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of good conduct credit for meritorious service given at any time during the term, the Department shall give reasonable advance
notice of the impending release to the State's Attorney of the county where the prosecution of the inmate took place.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of good time.

(c) The Department shall prescribe rules and regulations for revoking good conduct credit, or suspending or reducing the rate of accumulation of good conduct credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of good conduct credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any good conduct credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of good conduct credit. The Board may subsequently approve the revocation of additional good conduct credit, if the Department seeks to revoke good conduct credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of good conduct credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days good conduct credits which have been revoked, suspended or reduced. Any restoration of good conduct credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore good conduct credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of good conduct credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of good conduct credit by bringing charges against the prisoner sought to be deprived of the good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(8) of Section 3-3-2 of this Code. If the prisoner has

not accumulated 180 days of good conduct credit at the time of the finding, then the Prisoner Review Board may revoke all good conduct credit accumulated by the prisoner. For purposes of this subsection (d):

(1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:

(A) it lacks an arguable basis either in law or in fact;
(B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;
(C) the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;
(D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or
(E) the denials of factual contentions are not warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.
(2) "Lawsuit" means a petition for post-conviction relief under Article 122 of the Code of Criminal Procedure of 1963, a motion pursuant to Section 116-3 of the Code of Criminal Procedure of 1963, a habeas corpus action under Article X of the Code of Civil Procedure or under federal law (28 U.S.C. 2254), a petition for claim under the Court of Claims Act or an action under the federal Civil Rights Act (42 U.S.C. 1983).

Sec. 5-4-1. Sentencing Hearing.
(a) Except when the death penalty is sought under hearing procedures otherwise specified, after a determination of guilt, a hearing shall be held to impose the sentence. However, prior to the imposition of sentence on an individual being sentenced for an offense based upon a charge for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance, the individual must undergo a professional evaluation to determine if an alcohol or other drug abuse problem exists and the extent of such a problem. Department of Human Services. However, if the individual is not a resident of Illinois, the court may, in its discretion, accept an evaluation from a program in the state of such individual's residence. The court may in its sentencing order approve an eligible defendant for placement in a Department of Corrections impact incarceration program as provided in Section 5-8-1.1 or 5-8-1.3. At the hearing the court shall:

   (1) consider the evidence, if any, received upon the trial;
   (2) consider any presentence reports;
   (3) consider the financial impact of incarceration based on the financial impact statement filed with the clerk of the court by the Department of Corrections;
   (4) consider evidence and information offered by the parties in aggravation and mitigation;
   (5) hear arguments as to sentencing alternatives;
   (6) afford the defendant the opportunity to make a statement in his own behalf;
   (7) afford the victim of a violent crime or a violation of Section 11-501 of the Illinois Vehicle Code, or a similar provision of a local ordinance, or a qualified individual affected by a violation of Section 405, 405.1, 405.2, or 407 of the Illinois Controlled Substances Act, committed by the defendant the opportunity to make a statement concerning the impact on the victim and to offer evidence in aggravation or mitigation; provided that the statement and evidence offered in aggravation or mitigation must first be prepared in writing in conjunction with the State's Attorney before it may be presented orally at the hearing. Any sworn testimony offered by the victim is subject to the defendant's right to cross-examine. All statements and evidence offered under this paragraph (7) shall become part of the record of the court. For the purpose of this paragraph (7), "qualified individual" means any person who (i) lived or worked within the territorial jurisdiction where the offense took place when the offense took place; and (ii) is familiar with various public places within the territorial jurisdiction where the offense took place when the offense took place. For the purposes of this paragraph (7), "qualified individual" includes any peace officer, or any member of any duly organized State, county, or municipal peace unit assigned to the territorial jurisdiction where the offense took place when the offense took place; and
   (8) in cases of reckless homicide afford the victim's spouse, guardians, parents or other immediate family members an opportunity to make oral statements.

(b) All sentences shall be imposed by the judge based upon his independent assessment of the elements specified above and any agreement as to sentence reached by the parties. The judge who presided at the trial or the judge who accepted the plea of guilty

shall impose the sentence unless he is no longer sitting as a judge in that court. Where the judge does not impose sentence at the same time on all defendants who are convicted as a result of being involved in the same offense, the defendant or the State's Attorney may advise the sentencing court of the disposition of any other defendants who have been sentenced.

(c) In imposing a sentence for a violent crime or for an offense of operating or being in physical control of a vehicle while under the influence of alcohol, any other drug or any combination thereof, or a similar provision of a local ordinance, when such offense resulted in the personal injury to someone other than the defendant, the trial judge shall specify on the record the particular evidence, information, factors in mitigation and aggravation or other reasons that led to his sentencing determination. The full verbatim record of the sentencing hearing shall be filed with the clerk of the court and shall be a public record.

(c-1) In imposing a sentence for the offense of aggravated kidnapping for ransom, home invasion, armed robbery, aggravated vehicular hijacking, aggravated discharge of a firearm, or armed violence with a category I weapon or category II weapon, the trial judge shall make a finding as to whether the conduct leading to conviction for the offense resulted in great bodily harm to a victim, and shall enter that finding and the basis for that finding in the record.

(c-2) If the defendant is sentenced to prison, other than when a sentence of natural life imprisonment or a sentence of death is imposed, at the time the sentence is imposed the judge shall state on the record in open court the approximate period of time the defendant will serve in custody according to the then current statutory rules and regulations for early release found in Section 3-6-3 and other related provisions of this Code. This statement is intended solely to inform the public, has no legal effect on the defendant's actual release, and may not be relied on by the defendant on appeal.

The judge's statement, to be given after pronouncing the sentence, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(3) of Section 3-6-3, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her good conduct credit, the period of estimated actual custody is ... years and ... months, less up to 180 days additional good conduct credit for meritorious service. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day good conduct credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her good conduct credit, the period of estimated actual custody is ... years and ... months, less up to 90 days additional good conduct credit for meritorious service. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day good conduct credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3, other than first degree murder, and the offense was committed on or after June 19, 1998, and when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense was committed on or after January 1, 1999, and when the sentence is imposed for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, and when the sentence is imposed for aggravated arson if the offense was committed on or after the effective date of this amendatory Act of the 92nd General Assembly, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant is entitled to no more than 4 1/2 days of good conduct credit for each month of his or her sentence of imprisonment. Therefore, this defendant will serve at least 85% of his or her sentence. Assuming the defendant receives 4 1/2 days credit for each month of his or her sentence, the period of estimated actual custody is ... years and ... months. If the
defendant, because of his or her own misconduct or failure to comply with the institutional regulations receives lesser credit, the actual time served in prison will be longer."

When a sentence of imprisonment is imposed for first degree murder and the offense was committed on or after June 19, 1998, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant is not entitled to good conduct credit. Therefore, this defendant will serve 100% of his or her sentence."

(d) When the defendant is committed to the Department of Corrections, the State's Attorney shall and counsel for the defendant may file a statement with the clerk of the court to be transmitted to the department, agency or institution to which the defendant is committed to furnish such department, agency or institution with the facts and circumstances of the offense for which the person was committed together with all other factual information accessible to them in regard to the person prior to his commitment relative to his habits, associates, disposition and reputation and any other facts and circumstances which may aid such department, agency or institution during its custody of such person. The clerk shall within 10 days after receiving any such statements transmit a copy to such department, agency or institution and a copy to the other party, provided, however, that this shall not be cause for delay in conveying the person to the department, agency or institution to which he has been committed.

(e) The clerk of the court shall transmit to the department, agency or institution, if any, to which the defendant is committed, the following:

(1) the sentence imposed;
(2) any statement by the court of the basis for imposing the sentence;
(3) any presentence reports;
(4) the number of days, if any, which the defendant has been in custody and for which he is entitled to credit against the sentence, which information shall be provided to the clerk by the sheriff;
