(2) The board of trustees of a pension fund established under Article 5, 6, 8, 9, 10, 11, 12 or 17 of this Code may not transfer its investment authority, nor transfer the assets of the fund to any other person or entity for the purpose of consolidating or merging its assets and management with any other pension fund or public investment authority, unless the board resolution authorizing such transfer is submitted for approval to the contributors and pensioners of the fund at elections held not less than 30 days after the adoption of such resolution by the board, and such resolution is approved by a majority of the votes cast on the question in both the contributors election and the pensioners election. The election procedures and qualifications governing the election of trustees shall govern the submission of resolutions for approval under this paragraph, insofar as they may be made applicable.  
(3) Pursuant to subsections (h) and (i) of Section 6 of Article VII of the Illinois Constitution, the investment authority of boards of trustees of retirement systems and pension funds established under this Code is declared to be a subject of exclusive State jurisdiction, and the concurrent exercise by a home rule unit of any power affecting such investment authority is hereby specifically denied and preempted.

PUBLIC ACT 94-0472
(Senate Bill No 0274)

AN ACT concerning government.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Public Labor Relations Act is amended by changing Section 6 as follows:
(5 ILCS 315/6) (from Ch. 48, par. 1606)
Sec. 6. Right to organize and bargain collectively; exclusive representation; and fair share arrangements.

New matter indicated by italics - deletions by strikeout
(a) Employees of the State and any political subdivision of the State, excluding employees of the General Assembly of the State of Illinois, have, and are protected in the exercise of, the right of self-organization, and may form, join or assist any labor organization, to bargain collectively through representatives of their own choosing on questions of wages, hours and other conditions of employment, not excluded by Section 4 of this Act, and to engage in other concerted activities not otherwise prohibited by law for the purposes of collective bargaining or other mutual aid or protection, free from interference, restraint or coercion. Employees also have, and are protected in the exercise of, the right to refrain from participating in any such concerted activities. Employees may be required, pursuant to the terms of a lawful fair share agreement, to pay a fee which shall be their proportionate share of the costs of the collective bargaining process, contract administration and pursuing matters affecting wages, hours and other conditions of employment as defined in Section 3(g).

(b) Nothing in this Act prevents an employee from presenting a grievance to the employer and having the grievance heard and settled without the intervention of an employee organization; provided that the exclusive bargaining representative is afforded the opportunity to be present at such conference and that any settlement made shall not be inconsistent with the terms of any agreement in effect between the employer and the exclusive bargaining representative.

(c) A labor organization designated by the Board as the representative of the majority of public employees in an appropriate unit in accordance with the procedures herein or recognized by a public employer as the representative of the majority of public employees in an appropriate unit is the exclusive representative for the employees of such unit for the purpose of collective bargaining with respect to rates of pay, wages, hours and other conditions of employment not excluded by Section 4 of this Act. A public employer is required upon request to furnish the exclusive bargaining representative with a complete list of the names and addresses of the public employees in the bargaining unit, provided that a public employer shall not be required to furnish such a list more than once per payroll period. The exclusive bargaining representative shall use the list exclusively for bargaining representation purposes and shall not disclose any information contained in the list for any other purpose. Nothing in this Section, however, shall prohibit a bargaining representative from disseminating a list of its union members.

(d) Labor organizations recognized by a public employer as the
exclusive representative or so designated in accordance with the provisions of this Act are responsible for representing the interests of all public employees in the unit. Nothing herein shall be construed to limit an exclusive representative's right to exercise its discretion to refuse to process grievances of employees that are unmeritorious.

(e) When a collective bargaining agreement is entered into with an exclusive representative, it may include in the agreement a provision requiring employees covered by the agreement who are not members of the organization to pay their proportionate share of the costs of the collective bargaining process, contract administration and pursuing matters affecting wages, hours and conditions of employment, as defined in Section 3 (g), but not to exceed the amount of dues uniformly required of members. The organization shall certify to the employer the amount constituting each nonmember employee's proportionate share which shall not exceed dues uniformly required of members. In such case, the proportionate share payment in this Section shall be deducted by the employer from the earnings of the nonmember employees and paid to the employee organization.

(f) Only the exclusive representative may negotiate provisions in a collective bargaining agreement providing for the payroll deduction of labor organization dues, fair share payment, initiation fees and assessments. Except as provided in subsection (e) of this Section, any such deductions shall only be made upon an employee's written authorization, and continued until revoked in writing in the same manner or until the termination date of an applicable collective bargaining agreement. Such payments shall be paid to the exclusive representative.

Where a collective bargaining agreement is terminated, or continues in effect beyond its scheduled expiration date pending the negotiation of a successor agreement or the resolution of an impasse under Section 14, the employer shall continue to honor and abide by any dues deduction or fair share clause contained therein until a new agreement is reached including dues deduction or a fair share clause. For the benefit of any successor exclusive representative certified under this Act, this provision shall be applicable, provided the successor exclusive representative:

(i) certifies to the employer the amount constituting each non-member's proportionate share under subsection (e); or
(ii) presents the employer with employee written authorizations for the deduction of dues, assessments, and fees under this subsection.

Failure to so honor and abide by dues deduction or fair share clauses
for the benefit of any exclusive representative, including a successor, shall be a violation of the duty to bargain and an unfair labor practice.

(g) Agreements containing a fair share agreement must safeguard the right of nonassociation of employees based upon bona fide religious tenets or teachings of a church or religious body of which such employees are members. Such employees may be required to pay an amount equal to their fair share, determined under a lawful fair share agreement, to a nonreligious charitable organization mutually agreed upon by the employees affected and the exclusive bargaining representative to which such employees would otherwise pay such service fee. If the affected employees and the bargaining representative are unable to reach an agreement on the matter, the Board may establish an approved list of charitable organizations to which such payments may be made.

Sec. 9e. Stormwater working cash fund. The corporate authorities of any such sanitary district may by ordinance establish a fund to be known as the "stormwater working cash fund", which shall be maintained and administered in the manner provided by this Act for the purpose of enabling the corporate authorities to have in the treasury at all times sufficient money to meet demands for ordinary and necessary expenditures for stormwater management purposes as defined in Section 7h of this Act.

To create the stormwater working cash fund, the corporate authorities may transfer funds allowed to be transferred under this Act into the stormwater working cash fund, in an amount not to exceed 100% of the amount produced by multiplying the maximum tax rate permitted under this Act for stormwater purposes by the last known assessed valuation of all taxable property within the territorial boundaries of the sanitary district, as equalized and determined for State and local taxes. All such moneys, when received by the treasurer of the district, shall be set apart in the stormwater working cash fund.

The moneys in the stormwater working cash fund shall not be regarded as current assets available for appropriation and shall not be appropriated by the corporate authorities in the annual sanitary district budget.

In order to provide moneys with which to meet ordinary and necessary disbursements for salaries and other stormwater purposes, moneys in the stormwater working cash fund may be transferred, in whole or in part, to the stormwater fund of the sanitary district and so disbursed therefrom in anticipation of the collection of any taxes lawfully levied for stormwater purposes. Moneys shall be transferred from the stormwater working cash fund to the stormwater fund only upon the authority of the corporate authorities, which shall by resolution direct the treasurer of the sanitary

district to make transfers. The resolution shall set forth (1) the entire amount of real estate taxes extended or estimated to be extended from which the stormwater working cash fund will be reimbursed, and (2) the aggregate amount of moneys theretofore transferred from the stormwater working cash fund to the stormwater fund in anticipation of the collection of such taxes. The amount that the resolution directs the treasurer of the sanitary district to transfer in anticipation of the collection of taxes levied, when added to the aggregate amount of any such transfers theretofore made, shall not exceed the aggregate of 100% of the actual or estimated amount of such taxes extended or to be extended.

Upon the receipt by the treasurer of the sanitary district of any taxes in anticipation of the collection of which moneys of the stormwater working cash fund have been so transferred for disbursement, that fund shall immediately be reimbursed from those taxes until the full amount so transferred has been retransferred to the fund. If the taxes in anticipation of the collection of which such a transfer was made are not collected in sufficient amounts to effect a complete reimbursement of the stormwater working cash fund within the second budget year following the year in which the transfer was made, the deficiencies between the amounts so transferred and the amounts repaid shall be general obligations of the stormwater fund until repaid from taxes in anticipation of which such transfers were made or from appropriations which may be made in annual sanitary district budgets of sums of money to apply on such general obligations.

Any member of the board of commissioners of the sanitary district, any officer thereof, and any other person holding any other position of trust or employment under that board who is guilty of the willful violation of any of the provisions of this Section commits a business offense and shall be fined an amount not exceeding $10,000 and shall forfeit the right to his or her office, trust, or employment and be removed therefrom. Any such member, officer, or person shall be liable for any sum that he or she may cause to be unlawfully diverted from the stormwater working cash fund or otherwise improperly used, to be recovered by the corporate authorities of the sanitary district or by any taxpayer in the name and for the benefit of the board of commissioners in an appropriate civil action. A taxpayer so suing shall file a bond for, and shall be liable for, all costs taxed against the board of commissioners in the suit. Nothing herein shall bar any other remedies.

Sec. 4.1. Adoption of federal safety and health standards as rules.
(a) (d) All federal occupational safety and health standards which the United States Secretary of Labor has heretofore promulgated, modified or revoked in accordance with the Federal Occupational Safety and Health Act of 1970, shall be and are hereby made rules of the Director unless the Director shall make, promulgate, and publish an alternate rule at least as effective in providing safe and healthful employment and places of employment as a federal standard. Prior to the development and promulgation of alternate standards or the modification or revocation of existing standards, the Director must consider factual information including:

(1) Expert technical knowledge.
(2) Input from interested persons including employers, employees, recognized standards-producing organizations, and the public.

(b) All federal occupational safety and health standards which the United States Secretary of Labor shall hereafter promulgate, modify or revoke in accordance with the Federal Occupational Safety and Health Act of 1970 shall become the rules of the Department 6 months 60 days after their federal effective date, unless there shall have been in effect in this State at the time of the promulgation, modification or revocation of such rule an alternate State rule at least as effective in providing safe and healthful employment and places of employment as a federal standard. However, such rule shall not become effective until the following requirements have been met:

(1) The Department shall within 45 days after the federal effective date of such rule, publish in the "Illinois Occupational

Safety and Health Bulletin" the provisions of such rule and in addition thereto shall file with the office of the Secretary of State in Springfield, Illinois, a certified copy of such rule as provided in "The Illinois Administrative Procedure Act", approved August 22, 1975, as amended; or

(2) In the event of the Department's failure to publish or file a certified copy with the Secretary of State, any resident of the State of Illinois may upon 5 days written notice to the Director publish such rule in one or more newspapers of general circulation and file a certified copy thereof with the office of the Secretary of State in Springfield, Illinois, whereupon such rule shall become effective provided that in no event shall such effective date be less than 60 days after the federal effective date.

(c) The Director of Labor may promulgate emergency temporary standards or rules to take effect immediately by filing such rule or rules with the Illinois Secretary of State providing that the Director of Labor shall first expressly determine:

(1) that the employees are exposed to grave danger from exposure to substances or agents determined to be toxic or physically harmful or from new hazards; and

(2) that such emergency standard is necessary to protect employees from such danger.

The Director of Labor shall adopt emergency temporary standards promulgated by the federal Occupational Safety and Health Administration within 30 days of federal notice. Such temporary emergency standards shall be effective until superseded by a permanent standard but in no event for more than 6 months from the date of its publication. The publication of such temporary emergency standards shall be deemed to be a petition to the Director of Labor for the promulgation of a permanent standard and shall be deemed to be filed with the Director of Labor on the date of its publication and the proceeding for the permanent promulgation of the rule shall be pursued in accordance with the provisions of this Act.

(d)(1) Any standard promulgated under this Act shall prescribe the use of labels or other appropriate forms of warning as are necessary to ensure that employees are apprised of all hazards to which they are exposed, relevant symptoms and appropriate emergency treatment, and proper conditions and precautions of safe use or exposure.

(2) Where appropriate, such standard shall also prescribe suitable protective equipment and control or technological procedures to be used in

connection with such hazards and shall provide for monitoring or measuring employee exposure at such locations and intervals, and in such manner as may be necessary for the protection of employees.

(3) In addition, where appropriate, any such standard shall prescribe the type and frequency of medical examinations or other tests which shall be made available, by the employer or at the employer's cost, to employees exposed to such hazards in order to most effectively determine whether the health of such employees is adversely affected by such exposure. The results of such examinations or tests shall be furnished by the employer only to the Department of Labor, or at the direction of the Department to authorized medical personnel and at the request of the employee to the employee's physician.

(4) The Director of Labor, in promulgating standards dealing with toxic materials or harmful physical agents under this subsection, shall set the standard which most adequately ensures, to the extent feasible, on the basis of the best available evidence, that no employee will suffer material impairment of health or functional capacity even if such employee has regular exposure to the hazard dealt with by such standard for the period of the employee's working life.

(5) Development of standards under this subsection shall be based upon research, demonstrations, experiments, and such other information as may be appropriate. In addition to the attainment of the highest degree of health and safety protection for the employee, other considerations shall be the latest available scientific data in the field, the feasibility of the standards, and experience gained under this and other health and safety laws. Whenever practicable, the standard promulgated shall be expressed in terms of objective criteria and of the performance desired.

Sec. 4.2. Variances.
(a) The Director of Labor has the authority to grant either temporary or permanent variances from any of the State standards upon application by a public employer. Any variance from a State health and safety standard may have only future effect.
(b) Any public employer may apply to the Director of Labor for a temporary order granting a variance from a standard or any provision thereof promulgated under this Act.
(1) Such temporary order shall be granted only if the employer files an application which meets the requirements of paragraph (1) of

New matter indicated by italics - deletions by strikeout
this subsection (b) (e) and establishes:

(A) that he is unable to comply with a standard by its effective date because of unavailability of professional or technical personnel or of materials and equipment needed to come into compliance with the standard or because necessary construction or alteration of facilities cannot be completed by the effective date;

(B) that he is taking all available steps to safeguard his employees against the hazards covered by the standard; and

(C) that he has an effective program for coming into compliance with a standard as quickly as practicable.

Any temporary or der issued under this Section shall prescribe the practices, means, methods, operations and processes which the employer must adopt and use while the order is in effect and state in detail his program for coming into compliance with the standard.

(2) Such a temporary order may be granted only after notice to employees and an opportunity for a hearing. However, in cases involving only documentary evidence in support of the application for a temporary variance and in which no objection is made or hearing requested by the employees or their representative, the Director of Labor may issue a temporary variance in accordance with this Act.

(3) In the event the application is contested or a hearing requested, the application shall be heard and determined by the Director.

(4) No order for a temporary variance may be in effect for longer than the period needed by the employer to achieve compliance with the standard or one year, whichever is shorter, except that such an order may be renewed not more than twice, so long as the requirements of this paragraph are met and if an application for renewal is filed at least 90 days prior to the expiration date of the order. No interim renewal of an order may remain in effect for longer than 180 days.

(5) An application for a temporary order as herein provided shall contain:

(A) a specification of the standard or portion thereof from which the employer seeks a variance;

(B) a representation by the employer, supported by representations from qualified persons having first-hand knowledge of the facts represented, that he is unable to
comply with a standard or portion thereof and a detailed statement of the reasons therefor;

(C) a statement of the steps he has taken and will take (with specific dates) to protect employees against a hazard covered by the standard;

(D) a statement of when the date by which he expects to be able to comply with the standard and what steps he has taken and will take (with dates specified) to comply with the standard; and

(E) a certification that he has informed his employees of the application by giving a copy thereof to their authorized representatives, posting a statement summarizing the application and specifying where employees may examine a copy of such application.

A description of how employees have been informed shall be contained in the certification. The information to employees shall also inform them of their right to petition the Director for a hearing.

(6) (2) The Director of Labor is authorized to grant a variance from any standard or portion thereof whenever the Director of Labor determines that such variance is necessary to permit an employer to participate in an experiment approved by the Director of Labor designed to demonstrate or validate new and improved techniques to safeguard the health or safety of workers.

(c) (4) Any affected employer may apply to the Director of Labor for a rule or order for a permanent variance other than a temporary variance from a standard promulgated under this Act. Affected employees shall be given notice of each such application and an opportunity to participate in a hearing. The Director of Labor shall issue such rule or order if he determines on the record, after opportunity for an inspection where appropriate and a hearing, that the proponent of the variance has demonstrated by a preponderance of the evidence that the conditions, practices, means, methods, operations or processes used or proposed to be used by an employer will provide employment and places of employment to his employees which are as safe and healthful as those which would prevail if he complied with the standard. The rule or order so issued shall prescribe the conditions the employer must maintain, and the practices, means, methods, operations, and processes which he must adopt and utilize to the extent they differ from the standard in question. Such a rule or order may be modified or revoked upon application by an employer, or employees, or by the Director of Labor on his own

motion, in the manner prescribed for its issuance under this Section at any time after 6 months from its issuance.

(g) The Director of Labor may promulgate emergency temporary standards or rules to take effect immediately by filing such rule or rules with the Illinois Secretary of State and publishing them in the "Illinois Occupational Safety and Health Bulletin" or if that is not available, in one or more newspapers of general circulation providing that the Director of Labor shall first expressly determine (1) that the employees are exposed to grave danger from exposure to substances or agents determined to be toxic or physically harmful or from new hazards, and (2) that such emergency standard is necessary to protect employees from such danger.

Such emergency standard shall be effective until superseded by a permanent standard but in no event for more than 6 months from the date of its publication.

The publication of such emergency standard shall be deemed to be a petition to the Director of Labor for the promulgation of a permanent standard and shall be deemed to be filed with the Director of Labor on the date of its publication and the proceeding for the permanent promulgation of the rule shall be pursued in accordance with the provisions of Section 7 of this Act.

(h) Any standard promulgated under this Act shall prescribe the use of labels or other appropriate forms of warning as are necessary to insure that employees are apprised of all hazards to which they are exposed, relevant symptoms and appropriate emergency treatment, and proper conditions and precautions of safe use or exposure. Where appropriate, such standard shall also prescribe suitable protective equipment and control or technological procedures to be used in connection with such hazards and shall provide for a monitoring or measuring employee exposure at such locations and intervals, and in such manner as may be necessary for the protection of employees. In addition, where appropriate, any such standard shall prescribe the type and frequency of medical examinations or other tests which shall be made available, by the employer or at his cost, to employees exposed to such hazards in order to most effectively determine whether the health of such employees is adversely affected by such exposure. The results of such examinations or tests shall be furnished by the employer only to the Department of Labor, or at the direction of the Department to authorized medical personnel and at the request of the employee to his physician. The Director of Labor, in promulgating standards dealing with toxic materials or harmful physical agents under this subsection, shall set the standard which

most adequately assures, to the extent feasible, on the basis of the best available evidence, that no employee will suffer material impairment of health or functional capacity even if such employee has regular exposure to the hazard dealt with by such standard for the period of his working life. In addition to the attainment of the highest degree of health and safety protection for the employee, other considerations shall be the latest available scientific data in the field, the feasibility of the standards, and experience gained under this and other health and safety laws. Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 27-20.3 as follows:

(105 ILCS 5/27-20.3) (from Ch. 122, par. 27-20.3)

Sec. 27-20.3. Holocaust and Genocide Study. Every public elementary school and high school shall include in its curriculum a unit of instruction studying the events of the Nazi atrocities of 1933 to 1945. This period in world history is known as the Holocaust, during which 6,000,000 Jews and millions of non-Jews were exterminated. One of the universal lessons of the Holocaust is that national, ethnic, racial, or religious hatred can overtake any nation or society, leading to calamitous consequences. To reinforce that lesson, such curriculum shall include an additional unit of instruction studying other acts of genocide across the globe. This unit shall include, but not be limited to, the Armenian Genocide, the Famine-Genocide in Ukraine, and more recent atrocities in Cambodia, Bosnia, Rwanda, and Sudan. The studying of this material is a reaffirmation of the commitment of free peoples from all nations to never again permit the occurrence of another
Holocaust and a recognition that crimes of genocide continue to be perpetrated across the globe as they have been in the past and to deter indifference to crimes against humanity and human suffering wherever they may occur.

The State Superintendent of Education may prepare and make available to all school boards instructional materials which may be used as guidelines for development of a unit of instruction under this Section; provided, however, that each school board shall itself determine the minimum amount of instruction time which shall qualify as a unit of instruction satisfying the requirements of this Section.

DIVISION 117.1. TERRORISM PREVENTION

(65 ILCS 5/11-117.1-1 new)

Sec. 11-117.1-1. Terrorism prevention measures. A municipality that owns or operates a municipal utility may promulgate rules for the exclusion of any person, based upon criminal conviction information received about that person under the Criminal Identification Act, from all or a portion of any water treatment facility, water pumping station, electrical transfer station, electrical generation facility, natural gas facility, or any other utility facility owned or operated by the municipality. respect to the adequacy, security and accommodation afforded by their service but also with respect to their compliance with this Act and any other law, with the orders of the Commission and with the charter and franchise requirements.

Whenever the Commission is authorized or required by law to consider some aspect of criminal history record information for the purpose of carrying out its statutory powers and responsibilities, then, upon request and payment of fees in conformance with the requirements of Section 2605-400 of the Department of State Police Law (20 ILCS 2605/2605-400), the Department of State Police is authorized to furnish, pursuant to positive identification, such information contained in State files as is necessary to fulfill the request.

pursuant to the terms of the contract. The contractor is limited to a claim for amounts actually paid for labor and materials supplied to the public body. Where objections to a determination of the prevailing rate of wages or a court action relative thereto is pending, the public body shall not continue work on the project unless sufficient funds are available to pay increased wages if such are finally determined or unless the Department of Labor certifies such determination of the prevailing rate of wages as correct.

Any laborer, worker or mechanic employed by the contractor or by any sub-contractor under him who is paid for his services in a sum less than the stipulated rates for work done under such contract, shall have a right of action for whatever difference there may be between the amount so paid, and the rates provided by the contract together with costs and such reasonable attorney's fees as shall be allowed by the court. Such contractor or subcontractor shall also be liable to the Department of Labor for 20% of such underpayments and shall be additionally liable to the laborer, worker or mechanic for punitive damages in the amount of 2% of the amount of any such penalty to the State for underpayments for each month following the date of payment during which such underpayments remain unpaid. Where a second or subsequent action to recover underpayments is brought against a contractor or subcontractor and the contractor or subcontractor is found liable for underpayments to any laborer, worker, or mechanic, the contractor or subcontractor shall also be liable to the Department of Labor for 50% of the underpayments payable as a result of the second or subsequent action, and shall be additionally liable for 5% of the amount of any such penalty to the State for underpayments for each month following the date of payment during which the underpayments remain unpaid. The Department shall also have a right of action on behalf of any individual who has a right of action under this Section. An action brought to recover same shall be deemed to be a suit for wages, and any and all judgments entered therein shall have the same force and effect as other judgments for wages. At the request of any laborer, workman or mechanic employed by the contractor or by any subcontractor under him who is paid less than the prevailing wage rate required by this Act, the Department of Labor may take an assignment of such wage claim in trust for the assigning laborer, workman or mechanic and may bring any legal action necessary to collect such claim, and the contractor or subcontractor shall be required to pay the costs incurred in collecting such claim.

(4) The rules and regulations shall also provide that the good conduct credit accumulated and retained under paragraph (2.1) of subsection (a) of this Section by any inmate during specific periods of time in which such inmate is engaged full-time in substance abuse programs, correctional industry assignments, or educational programs provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall be multiplied by a factor of 1.25 for program participation before August 11, 1993 and 1.50 for program participation on or after that date. However, no inmate shall be eligible for the additional good conduct credit under this paragraph (4) while assigned to a boot camp, mental health unit, or electronic detention, or if convicted of an offense enumerated in paragraph (a)(2) of this Section that is committed on or after June 19, 1998, or if convicted of reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense is committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, or if convicted of an offense enumerated in paragraph (a)(2.4) of this Section that is committed on or after July 15, 1999 (the effective date of Public Act 91-121) this amendatory Act of 1999, or first degree murder, a Class X felony, criminal sexual assault, felony criminal sexual abuse, aggravated criminal sexual abuse, aggravated battery with a firearm, or any predecessor or successor offenses with the same or substantially the same elements, or any inchoate offenses relating to the foregoing offenses. No inmate shall be eligible for the additional good conduct credit under this paragraph (4) who (i) has previously received increased good conduct credit under this paragraph (4) and has subsequently been convicted of a felony, or (ii) has previously served more than one prior sentence of imprisonment for a felony in an adult correctional facility.

Educational, vocational, substance abuse and correctional industry programs under which good conduct credit may be increased under this paragraph (4) shall be evaluated by the Department on the basis of documented standards. The Department shall report the
results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate.

(4.5) The rules and regulations on early release shall also provide that a prisoner who is serving a sentence for a crime committed as a result of the use of, abuse of, or addiction to alcohol or a controlled substance and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354) this Amendatory Act of the 93rd General Assembly shall receive no good conduct credit until he or she participates in and completes a substance abuse treatment program. Good conduct credit awarded under clauses (2), (3), and (4) of this subsection (a) for crimes committed on or after September 1, 2003 the effective date of this amendatory Act of the 93rd General Assembly is subject to the provisions of this clause (4.5). If the prisoner completes a substance abuse treatment program, the Department may award good conduct credit for the time spent in treatment. Availability of substance abuse treatment shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. If treatment is not available, the prisoner shall be placed on a waiting list under criteria established by the Department. The Department may require a prisoner placed on a waiting list to attend a substance abuse education class or attend substance abuse self-help meetings. A prisoner may not lose good conduct credit as a result of being placed on a waiting list. A prisoner placed on a waiting list remains eligible for increased good conduct credit for participation in an educational, vocational, or correctional industry program under clause (4) of subsection (a) of this Section.

(5) Whenever the Department is to release any inmate earlier
than it otherwise would because of a grant of good conduct credit for meritorious service given at any time during the term, the Department shall give reasonable advance notice of the impending release to the State's Attorney of the county where the prosecution of the inmate took place.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of good time.

(c) The Department shall prescribe rules and regulations for revoking good conduct credit, or suspending or reducing the rate of accumulation of good conduct credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of good conduct credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any good conduct credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of good conduct credit. The Board may subsequently approve the revocation of additional good conduct credit, if the Department seeks to revoke good conduct credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of good conduct credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days good conduct credits which have been revoked, suspended or reduced. Any restoration of good conduct credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore good conduct credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of good conduct credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court...
against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of good conduct credit by bringing charges against the prisoner sought to be deprived of the good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of good conduct credit at the time of the finding, then the Prisoner Review Board may revoke all good conduct credit accumulated by the prisoner.

For purposes of this subsection (d):

1. "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:
   A. it lacks an arguable basis either in law or in fact;
   B. it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;
   C. the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;
   D. the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or
   E. the denials of factual contentions are not warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.

Section 5. The Department of Transportation Law of the Civil
Administrative Code is amended by adding Section 2705-317 as follows:
(20 ILCS 2705/2705-317 new)
Sec. 2705-317. Safe Routes to School Construction Program.

(a) Upon enactment of a federal transportation bill with a dedicated
fund available to states for safe routes to schools, the Department, in
cooperation with the State Board of Education and the Department of State
Police, shall establish and administer a Safe Routes to School Construction
Program for the construction of bicycle and pedestrian safety and traffic-
calming projects using the federal Safe Routes to Schools Program funds.

(b) The Department shall make construction grants available to local
governmental agencies under the Safe Routes to School Construction
Program based on the results of a statewide competition that requires
submission of Safe Routes to School proposals for funding and that rates those proposals on all of the following factors:

1. Demonstrated needs of the grant applicant.
2. Potential of the proposal for reducing child injuries and fatalities.
3. Potential of the proposal for encouraging increased walking and bicycling among students.
4. Identification of safety hazards.
5. Identification of current and potential walking and bicycling routes to school.
6. Consultation and support for projects by school-based associations, local traffic engineers, local elected officials, law enforcement agencies, and school officials.
7. Proximity to parks and other recreational facilities.

With respect to the use of federal Safe Routes to Schools Program funds, prior to the award of a construction grant or the use of those funds for a Safe Routes to School project encompassing a highway, the Department shall consult with and obtain approval from the Department of State Police and the highway authority with jurisdiction to ensure that the Safe Routes to School proposal is consistent with a statewide pedestrian safety statistical analysis.

(c) On March 30, 2006 and each March 30th thereafter, the Department shall submit a report to the General Assembly listing and describing the projects funded under the Safe Routes to School Construction Program.

(d) The Department shall study the effectiveness of the Safe Routes to School Construction Program, with particular emphasis on the Program’s effectiveness in reducing traffic accidents and its contribution to improving safety and reducing the number of child injuries and fatalities in the vicinity of a Safe Routes to School project. The Department shall submit a report to the General Assembly on or before December 31, 2006 regarding the results of the study.

(e) The Department, the State Board of Education, and the Department of State Police may adopt any rules necessary to implement this Section.

Approved August 8, 2005.
Effective August 8, 2005.
AN ACT concerning criminal law.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The County Jail Act is amended by changing Section 17 as follows:
(730 ILCS 125/17) (from Ch. 75, par. 117)
Sec. 17. Bedding, clothing, fuel, and medical aid; reimbursement for medical or hospital expenses. The Warden of the jail shall furnish necessary bedding, clothing, fuel and medical aid for all prisoners under his charge, and keep an accurate account of the same. When medical or hospital services are required by any person held in custody, the county, private hospital, physician or any public agency which provides such services shall be entitled to obtain reimbursement from the county or from the Arrestee's Medical Costs Fund to the extent that moneys in the Fund are available for the cost of such services. The county board of a county may adopt an ordinance or resolution providing for reimbursement for the cost of those services at the Department of Public Aid's rates for medical assistance. To the extent that such person is reasonably able to pay for such care, including reimbursement from any insurance program or from other medical benefit programs available to such person, he or she shall reimburse the county or arresting authority. If such person has already been determined eligible for medical assistance under The Illinois Public Aid Code at the time the person is initially detained pending trial, the cost of such services, to the extent such cost exceeds $500, shall be reimbursed by the Department of Public Aid under that Code. A reimbursement under any public or private program authorized by this Section shall be paid to the county or arresting authority to the same extent as would have been obtained had the services been rendered in a non-custodial environment.
An arresting authority shall be responsible for any incurred medical expenses relating to the arrestee until such time as the arrestee is placed in the custody of the sheriff. However, the arresting authority shall not be so responsible if the arrest was made pursuant to a request by the sheriff. When medical or hospital services are required by any person held in custody, the county or arresting authority shall be entitled to obtain reimbursement from the Arrestee's Medical Costs Fund to the extent moneys are available from the Fund. To the extent that the person is reasonably able to pay for that care,
including reimbursement from any insurance program or from other medical benefit programs available to the person, he or she shall reimburse the county.

The county shall be entitled to a $10 fee for each conviction or order of supervision for a criminal violation, other than a petty offense or business offense. The fee shall be taxed as costs to be collected from the defendant, if possible, upon conviction or entry of an order of supervision. The fee shall not be considered a part of the fine for purposes of any reduction in the fine.

All such fees collected shall be deposited by the county in a fund to be established and known as the Arrestee's Medical Costs Fund. Moneys in the Fund shall be used solely for reimbursement of costs for medical expenses relating to the arrestee while he or she is in the custody of the sheriff and administration of the Fund.

For the purposes of this Section, "arresting authority" means a unit of local government, other than a county, which employs peace officers and whose peace officers have made the arrest of a person. For the purposes of this Section, "medical expenses relating to the arrestee" means only those expenses incurred for medical care or treatment provided to an arrestee on account of an injury suffered by the arrestee during the course of his arrest; the term does not include any expenses incurred for medical care or treatment provided to an arrestee on account of a health condition of the arrestee which existed prior to the time of his arrest.

PUBLIC ACT 94-0498
(House Bill No 1345)

AN ACT in relation to health.
Be it enacted by the People of the State of Illinois, represented in the
General Assembly:
Section 5. The Community Services Act is amended by adding
Sections 4.4 and 4.5 as follows:
(405 ILCS 30/4.4 new)
Sec. 4.4. Funding reinvestment.
(a) The purposes of this Section are as follows:
   (1) The General Assembly recognizes that the United States
       Supreme Court in Olmstead v. L.C. ex Rel. Zimring, 119 S. Ct. 2176
       (1999), affirmed that the unjustifiable institutionalization of a person
       with a disability who could live in the community with proper
       support, and wishes to do so, is unlawful discrimination in violation
       of the Americans with Disabilities Act (ADA). The State of Illinois,
       along with all other states, is required to provide appropriate
       residential and community-based support services to persons with
       disabilities who wish to live in a less restrictive setting.
   (2) It is the purpose of this Section to help fulfill the State's
       obligations under the Olmstead decision by maximizing the level of
       funds for both developmental disability and mental health services
       and supports in order to maintain and create an array of residential
       and supportive services for people with mental health needs and
       developmental disabilities whenever they are transferred into another
       facility or a community-based setting.
   (b) In this Section:
      "Office of Developmental Disabilities" means the Office of

Developmental Disabilities within the Department of Human Services.

"Office of Mental Health" means the Office of Mental Health within the Department of Human Services.

(c) On and after the effective date of this amendatory Act of the 94th General Assembly, every appropriation of State moneys relating to funding for the Office of Developmental Disabilities or the Office of Mental Health must comply with this Section.

(d) Whenever any appropriation, or any portion of an appropriation, for any fiscal year relating to the funding of any State-operated facility operated by the Office of Developmental Disabilities or any mental health facility operated by the Office of Mental Health is reduced because of any of the reasons set forth in the following items (1) through (3), to the extent that savings are realized from these items, those moneys must be directed toward providing other services and supports for persons with developmental disabilities or mental health needs:

(1) The closing of any such State-operated facility for the developmentally disabled or mental health facility.

(2) Reduction in the number of units or available beds in any such State-operated facility for the developmentally disabled or mental health facility.

(3) Reduction in the number of staff employed in any such State-operated facility for the developmentally disabled or mental health facility.

In determining whether any savings are realized from items (1) through (3), sufficient moneys shall be made available to ensure that there is an appropriate level of staffing and that life, safety, and care concerns are addressed so as to provide for the remaining persons with developmental disabilities or mental illness at any facility in the case of item (2) or (3) or, in the case of item (1), such remaining persons at the remaining State-operated facilities that will be expected to handle the individuals previously served at the closed facility.

(e) The purposes of redirecting this funding shall include, but not be limited to, providing the following services and supports for individuals with developmental disabilities and mental health needs:

(1) Residence in the most integrated setting possible, whether independent living in a private residence, a Community Integrated Living Arrangement (CILA), a supported residential program, an Intermediate Care Facility for persons with Developmental Disabilities (ICFDD), a supervised residential program, or

supportive housing, as appropriate.

(2) Residence in another State-operated facility.

(3) Rehabilitation and support services, including assertive community treatment, case management, supportive and supervised day treatment, and psychosocial rehabilitation.

(4) Vocational or developmental training, as appropriate, that contributes to the person’s independence and employment potential.

(5) Employment or supported employment, as appropriate, free from discrimination pursuant to the Constitution and laws of this State.

(6) In-home family supports, such as respite services and client and family supports.

(7) Periodic reevaluation, as needed.

(f) An appropriation may not circumvent the purposes of this Section by transferring moneys within the funding system for services and supports for the developmentally disabled and mentally ill and then compensating for this transfer by redirecting other moneys away from these services to provide funding for some other governmental purpose or to relieve other State funding expenditures.

(405 ILCS 30/4.5 new)
Sec. 4.5. Consultation with advisory and advocacy groups. Whenever any appropriation, or any part of an appropriation, for any fiscal year relating to the funding of (i) a State-operated facility operated by the Office of Developmental Disabilities within the Department of Human Services or (ii) a mental health facility operated by the Office of Mental Health within the Department of Human Services is reduced because of any of the reasons set forth in items (1) through (3) of subsection (d) of Section 4.4, the plan for using any savings realized from those items (1) through (3) shall be shared and discussed with advocates, advocacy organizations, and advisory groups whose mission includes advocacy for persons with developmental disabilities or persons with mental illness.

(A) In general. Except as provided in this Section, a health insurance issuer that provides individual health insurance coverage to an individual shall renew or continue in force such coverage at the option of the individual.

(2) Fraud. The individual has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage.

(3) Termination of plan. The issuer is ceasing to offer coverage in the individual market in accordance with subsection (C) of this Section and applicable Illinois law.

(c) If an issuer elects to discontinue offering all health insurance coverage in the individual market under subparagraph (a), its affiliates that offer health insurance coverage in the individual market in Illinois shall offer individual health insurance coverage to all individuals who were covered by the discontinued health insurance coverage on the date of the notice provided to affected individuals under subdivision (iii) of subparagraph (a) of this item (2) if the individual applies for coverage no later than 63 days after the discontinuation of coverage.

(d) Subject to subparagraph (e) of this item (2), an affiliate that issues coverage under subparagraph (c) shall waive the preexisting condition exclusion period to the extent that the individual has satisfied the preexisting condition exclusion period under the individual’s prior contract or policy.

(e) An affiliate that issues coverage under subparagraph (c) may require the individual to satisfy the remaining part of the preexisting condition exclusion period, if any, under the individual’s prior contract or policy that has not been satisfied, unless the coverage has a shorter preexisting condition exclusion period, and may include in any coverage issued under subparagraph (c) any waivers or limitations of coverage that were included in the individual’s prior contract or policy.

(D) Exception for uniform modification of coverage. At the time of
coverage renewal, a health insurance issuer may modify the health insurance coverage for a policy form offered to individuals in the individual market so long as the modification is consistent with Illinois law and effective on a uniform basis among all individuals with that policy form.

In applying this Section in the case of health insurance coverage that is made available by a health insurance issuer in the individual market to individuals only through one or more associations, a reference to an "individual" is deemed to include a reference to such an association (of which the individual is a member).

Notwithstanding any provision of the law to the contrary, the General Assembly hereby authorizes the use of such funds for the purposes set forth in this Section.

These provisions do not apply to funds classified by the Comptroller as federal trust funds or State trust funds. The Audit Expense Fund may receive transfers from those trust funds only as directed herein, except where prohibited by the terms of the trust fund agreement. The Auditor General shall notify the trustees of those funds of the estimated cost of the audit to be incurred under the Illinois State Auditing Act for the fund. The trustees of those funds shall direct the State Comptroller and Treasurer to transfer the estimated amount to the Audit Expense Fund.

The Auditor General may bill entities that are not subject to the above transfer provisions, including private entities, related organizations and entities whose funds are locally-held, for the cost of audits, studies, and investigations incurred on their behalf. Any revenues received under this provision shall be deposited into the Audit Expense Fund.

In the event that moneys on deposit in any fund are unavailable, by reason of deficiency or any other reason preventing their lawful transfer, the State Comptroller shall order transferred and the State Treasurer shall transfer the amount deficient or otherwise unavailable from the General Revenue Fund for deposit into the Audit Expense Fund.

On or before December 1, 1992, and each December 1 thereafter, the Auditor General shall notify the Governor's Office of Management and Budget (formerly Bureau of the Budget) of the amount estimated to be necessary to pay for audits, studies, and investigations in accordance with the Illinois State Auditing Act during the next succeeding fiscal year for each State fund for which a transfer or reimbursement is anticipated.

Beginning with fiscal year 1994 and during each fiscal year thereafter, the Auditor General may direct the State Comptroller and Treasurer to
transfer moneys from funds authorized by the General Assembly for that fund. In the event funds, including federal and State trust funds but excluding the General Revenue Fund, are transferred, during fiscal year 1994 and during each fiscal year thereafter, in excess of the amount to pay actual costs attributable to audits, studies, and investigations as permitted or required by the Illinois State Auditing Act or specific action of the General Assembly, the Auditor General shall, on September 30, or as soon thereafter as is practicable, direct the State Comptroller and Treasurer to transfer the excess amount back to the fund from which it was originally transferred.

The State Board of Education shall by rule establish criteria for the content, objectives and manner of implementing model programs which may qualify for grant awards under this subsection. Such criteria may include considerations of the ability of a proposed model program to serve children from preschool and early childhood age groupings, including children therefrom who are or may not be at risk, and of the ability of the proposed model program to incorporate program site student teaching, for early childhood certification purposes, of the children actually served by the model program. The State Board of Education shall establish standards within its rules for the form of grant applications submitted under this subsection and for evaluating those applications against the qualifying criteria established as provided in this subsection for model program content, objectives and implementation:

Section 5. The State Finance Act is amended by adding Section 5.640 as follows:

(30 ILCS 105/5.640 new)

Sec. 5.640. The Parental Participation Pilot Project Fund.
This Section is repealed on December 31, 2010.

Section 10. The School Code is amended by adding Section 2-3.137 as follows:

(105 ILCS 5/2-3.137 new)

(b) The pilot project shall be for a period of at least 4 school years. The State Board shall establish a procedure and develop criteria for the administration of the pilot project. In administering the pilot project, the State Board shall do the following:

(1) select participating school districts or schools;

(2) define the conditions for the distribution and use of grant funds;

New matter indicated by italics - deletions by strikeout
(3) enter into contracts as necessary to implement the pilot project; and
(4) monitor local pilot project implementation.

(c) The Parental Participation Pilot Project Fund is created as a special fund in the State treasury. All money in the Parental Participation Pilot Project Fund shall be used, subject to appropriation, by the State Board for the pilot project. To implement the pilot project, the State Board may use any funds appropriated by the General Assembly for the purposes of the pilot project as well as any gift, grant, or donation given for the pilot project. The State Board may solicit and accept a gift, grant, or donation of any kind from any source, including from a foundation, private entity, governmental entity, or institution of higher education, for the implementation of the pilot project.

The State Board shall use pilot project funds for grants to low-performing school districts to encourage parental participation.

The State Board may not allocate more than $250,000 annually for the pilot project. The pilot project may be implemented only if sufficient funds are available under this Section for that purpose.

(d) A school district may apply to the State Board for the establishment of a parental participation pilot project for the entire district or for a particular school or group of schools in the district.

The State Board shall select 4 school districts to participate in the pilot project. One school district shall be located in the City of Chicago, one school district shall be located in that portion of Cook County that is located outside of the City of Chicago, one school district shall be located in the area that makes up the counties of DuPage, Kane, Lake, McHenry, and Will, and one school district shall be located in the remainder of the State.

The State Board shall select the participating districts and schools for the pilot project based on each district's or school's need for the pilot project. In selecting participants, the State Board shall consider the following criteria:

(1) whether the district or school has any of the following problems and whether those problems can be mitigated or addressed through enhanced parental participation:
   (A) low rates of satisfactory performance on assessment instruments under Section 2-3.64 of this Code;
   (B) high rates of low-income students, limited English proficient students, dropouts, chronically truant students, and student mobility; or
   (C) low student attendance rates; and

New matter indicated by italics - deletions by strikeout
(2) the methods the district or school will use to measure the progress of the pilot project in the district or school in accordance with subsection (f) of this Section.

(e) Each participating school district or school shall establish a parental participation committee to assist in developing and implementing the parental participation pilot project.

The school board of a participating district or of a district in which a participating school is located shall appoint individuals to the committee. The committee may be composed of any of the following:

(1) educators;
(2) district-level administrators;
(3) community leaders;
(4) parents of students who attend a participating school; or
(5) any other individual the school board finds appropriate.

The committee shall develop an academic improvement plan that details how the pilot project should be implemented in the participating district or school. In developing the academic improvement plan, the committee shall consider the educational problems in the district or school that could be mitigated through the implementation of the pilot project.

The committee shall recommend to the school board how the pilot project funds should be used to implement the academic improvement plan. The committee may recommend annually any necessary changes in the academic improvement plan to the school board. The State Board must approve the academic improvement plan or any changes in the academic improvement plan before disbursing pilot project funds to the school board.

(f) The school board of each school district participating in the pilot project shall send an annual progress report to the State Board no later than August 1 of each year that the district is participating in the pilot project. The report must state in detail the type of plan being used in the district or school and the effect of the pilot project on the district or school, including the following:

Section 99. Effective date. This Act takes effect upon becoming law. Passed in the General Assembly May 27, 2005.
AN ACT concerning employment.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The State Finance Act is amended by changing Section 8h as follows:

(30 ILCS 105/8h)
Sec. 8h. Transfers to General Revenue Fund.

(a) Except as provided in subsection (b), notwithstanding any other State law to the contrary, the Governor may, through June 30, 2007, from time to time direct the State Treasurer and Comptroller to transfer a specified sum from any fund held by the State Treasurer to the General Revenue Fund in order to help defray the State's operating costs for the fiscal year. The total transfer under this Section from any fund in any fiscal year shall not exceed the lesser of (i) 8% of the revenues to be deposited into the fund during that fiscal year or (ii) an amount that leaves a remaining fund balance of 25% of the July 1 fund balance of that fiscal year. In fiscal year 2005 only, prior to calculating the July 1, 2004 final balances, the Governor may calculate and direct the State Treasurer with the Comptroller to transfer additional amounts determined by applying the formula authorized in Public Act 93-839 to the funds balances on July 1, 2003. No transfer may be made from a fund under this Section that would have the effect of reducing the available balance in the fund to an amount less than the amount remaining unexpended and unreserved from the total appropriation from that fund estimated to be expended for that fiscal year. This Section does not apply to any funds that are restricted by federal law to a specific use, to any funds in the Motor Fuel Tax Fund, the Hospital Provider Fund, the Medicaid Provider Relief Fund, or the Reviewing Court Alternative Dispute Resolution Fund, or to any funds to which subsection (f) of Section 20-40 of the Nursing and Advanced Practice Nursing Act applies. Notwithstanding any other provision of this Section, for fiscal year 2004, the total transfer under this Section from the Road Fund or the State Construction Account Fund shall not exceed the lesser of (i) 5% of the revenues to be deposited into the fund during that fiscal year or (ii) 25% of the beginning balance in the fund. For fiscal year 2005

through fiscal year 2007, no amounts may be transferred under this Section from the Road Fund, the State Construction Account Fund, the Criminal Justice Information Systems Trust Fund, the Wireless Service Emergency Fund, or the Mandatory Arbitration Fund.

In determining the available balance in a fund, the Governor may include receipts, transfers into the fund, and other resources anticipated to be available in the fund in that fiscal year.

The State Treasurer and Comptroller shall transfer the amounts designated under this Section as soon as may be practicable after receiving the direction to transfer from the Governor.

(b) This Section does not apply to: (i) any fund established under the Community Senior Services and Resources Act; or (ii) on or after the effective date of this amendatory Act of the 94th General Assembly, the Child Labor and Day and Temporary Labor Enforcement Fund.

Sec. 2. Legislative Findings. The General Assembly finds as follows:

Over 300,000 workers work as day or temporary laborers in Illinois. Approximately 150 day labor and temporary labor service agencies with nearly 600 branch offices are licensed throughout Illinois. In addition, there is a large, though unknown, number of unlicensed day labor and temporary labor service agencies that operate outside the radar of law enforcement.

Recent studies and a survey of low-wage day or temporary laborers themselves finds that as a group, they are particularly vulnerable to abuse of their labor rights, including unpaid wages, failure to pay for all hours worked, minimum wage and overtime violations, and unlawful deduction from pay for meals, transportation, equipment and other items.

Current law is inadequate to protect the labor and employment rights of these workers.

At the same time, in Illinois and in other states, democratically run nonprofit day labor centers, which charge no fee for their services, have been established to provide an alternative for day or temporary laborers to solicit work on street corners. These centers are not subject to this Act.

If any day and temporary labor service agency provides transportation to a day or temporary laborer or refers a day or temporary laborer as provided in subsection (c), the day and temporary labor service agency may not allow a motor vehicle to be used for the transporting of day or temporary laborers if the agency knows or should know that the motor vehicle used for the transportation of day or temporary laborers is unsafe or not equipped as required by this Act or by any rule adopted under this Act, unless the vehicle is: (1) the property of a public mass transportation system as defined in Section 2 of the Local Mass Transit District Act; (2) the property of a common carrier; (3) the day or temporary laborer's personal vehicle; or (4) a vehicle of a day or temporary laborer used to carpool other day or temporary laborers and which is selected exclusively by and at the sole choice of the day or temporary laborer for transportation.

(d) However, the total cost to each day or temporary laborer shall not exceed 3% of the day or temporary laborer's daily wages. Any motor vehicle that is owned or operated by the day and temporary labor service agency or a third party client employer, or a contractor or agent of either, or to which a day and temporary labor service agency refers a day or temporary laborer, which is used for the transportation of day or temporary laborers shall have proof of financial responsibility as provided for in Chapter 8 of the Illinois Vehicle Code or as required by Department rules. Sec. 30. Wage Payment and Notice.

(a) At the time of the payment of wages, a day and temporary labor service agency shall provide each day or temporary laborer with an itemized statement, on the day or temporary laborer's paycheck stub or on a form approved by the Department, listing the following:

1. the name, address, and telephone number of each third party client at which the day or temporary laborer worked. If this information is provided on the day or temporary laborer's paycheck stub, a code for each third party client may be used so long as the required information for each coded third party client is made available to the day or temporary laborer;

2. the number of hours worked by the day or temporary laborer at each third party client each day during the pay period;

3. the rate of payment for each hour worked, including any premium rate or bonus;

4. the total pay period earnings;

6. any additional information required by rules issued by the Department showing in detail each deduction made from the wages.

(a-1) For each day or temporary laborer who is contracted to work a single day, the third party client shall, at the end of the work day, provide such day or temporary laborer with a Work Verification Form, approved by the Department, which shall contain the date, the day or temporary laborer's name, the work location, and the hours worked on that day. Any third party client who violates this subsection (a-1) may be subject to a civil penalty not to exceed $500 for each violation found by the Department. Such civil penalty may increase to $2,500 for a second or subsequent violation. For purposes of this subsection (a-1), each violation of this subsection (a-1) for each day or temporary laborer and for each day the violation continues shall constitute a separate and distinct violation.

(b) A day and temporary labor service agency shall provide each worker an annual earnings summary within a reasonable time after the
preceding calendar year, but in no case later than February 1. A day and temporary labor service agency shall, at the time of each wage payment, give notice to day or temporary laborers of the availability of the annual earnings summary or post such a notice in a conspicuous place in the public reception area.

(c) At the request of a day or temporary laborer, a day and temporary labor service agency shall hold the daily wages of the day or temporary laborer and make either weekly, bi-weekly, or semi-monthly payments. The wages shall be paid in a single check, or, at the day or temporary laborer's sole option, by direct deposit or other manner approved by the Department, representing the wages earned during the period, either weekly, bi-weekly, or semi-monthly, designated by the day or temporary laborer in accord with the Illinois Wage Payment and Collection Act. Vouchers or any other method of payment which is not generally negotiable shall be prohibited as a method of payment of wages. Day and temporary labor service agencies that make daily wage payments shall provide written notification to all day or temporary laborers of the right to request weekly, bi-weekly, or semi-monthly payments. The day and temporary labor service agency may provide this notice by conspicuously posting the notice at the location where the wages are received by the day or temporary laborers.

(d) No day and temporary labor service agency shall charge any day or temporary laborer for cashing a check issued by the agency for wages earned by a day or temporary laborer who performed work through that agency.

(e) Day or temporary laborers shall be paid no less than the wage rate stated in the notice as provided in Section 10 of this Act for all the work performed on behalf of the third party client employer in addition to the work listed in the written description.

(f) The total amount deducted for meals, equipment, and transportation may not cause a day or temporary laborer's hourly wage to fall below the State or federal minimum wage. However, a day and temporary labor service agency may deduct the actual market value of reusable equipment provided to the day or temporary laborer by the day and temporary labor service agency which the day or temporary laborer fails to return, if the day or temporary laborer provides a written authorization for such deduction at the time the deduction is made.

No day and temporary labor service agency shall restrict the right of a day or temporary laborer to accept a permanent position with a third party client employer to whom the day or temporary laborer has been referred for work or restrict the right of such third party client employer to offer such employment to a day or temporary laborer. A day and temporary labor service agency may charge a placement fee to a third party client for employing a day or temporary laborer for whom a contract for work was effected by the day and temporary labor service agency not to exceed the equivalent of the total daily commission rate the day and temporary labor service agency would have received over a 60-day period, reduced by the equivalent of the daily commission rate the day and temporary labor service agency would have received for each day the day or temporary laborer has performed work for the day and temporary labor service agency in the preceding 12 months. Section 5. The Mental Health and Developmental Disabilities Code is amended by changing Section 3-801 and adding Section 3-801.5 as follows:

(405 ILCS 5/3-801) (from Ch. 91 1/2, par. 3-801)

Sec. 3-801. A respondent may request admission as an informal or voluntary recipient at any time prior to an adjudication that he is subject to involuntary admission. The facility director shall approve such a request unless the facility director determines that the respondent lacks the capacity to consent to informal or voluntary admission or that informal or voluntary admission is clinically inappropriate. The director shall not find that voluntary admission is clinically inappropriate in the absence of a documented history of the respondent's illness and treatment demonstrating that the respondent is unlikely to continue to receive needed treatment following release from informal or voluntary admission and that an order for alternative treatment or for care and custody is necessary in order to ensure continuity of treatment outside a mental health facility.

If the facility director approves such a request, the court may dismiss the pending proceedings but may require proof that such dismissal is in the best interest of the respondent and of the public.

(Source: P.A. 88-380.)

(1) The court and the parties have been presented with a written report pursuant to Section 3-810 of this Code containing a recommendation for alternative treatment or care and custody and setting forth in detail the conditions for such an order, and the court is satisfied that the proposal for alternative treatment or care and custody is in the best interest of the respondent and of the public.

(4) No such order may require the respondent to be hospitalized except as provided in subsection (b) of this Section.

(5) No order may include as one of its conditions the administration of psychotropic medication, unless the court determines, based on the documented history of the respondent's treatment and illness, that the respondent is unlikely to continue to receive needed psychotropic medication in the absence of such an order.

(b) An agreed order of care and custody entered pursuant to this Section may grant the custodian the authority to admit a respondent to a hospital if the respondent fails to comply with the conditions of the agreed order. If necessary in order to obtain the hospitalization of the respondent, the custodian may apply to the court for an order authorizing an officer of the peace to take the respondent into custody and transport the respondent to the hospital specified in the agreed order. The provisions of Section 3-605 of this Code shall govern the transportation of the respondent to a mental health facility, except to the extent that those provisions are inconsistent with this Section. Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 27-24.4 as follows:

(105 ILCS 5/27-24.4) (from Ch. 122, par. 27-24.4)
Sec. 27-24.4. Reimbursement amount. Each school district shall be entitled to reimbursement, for each pupil, excluding each resident of the district over age 55, who finishes either the classroom instruction part or the practice driving part of a driver education course that meets the minimum requirements of this Act. However, if a school district has adopted a policy to permit proficiency examinations for the practice driving part of the driver education course as provided under Section 27-24.3, then the school district is entitled to only one-half of the reimbursement amount for the practice driving part for each pupil who has passed the proficiency examination, and the State Board of Education shall adjust the reimbursement formula accordingly. Reimbursement under this Act is payable from the Drivers Education Fund in the State treasury.

Each year all funds appropriated from the Driver Education Fund to the State Board of Education, with the exception of those funds necessary for administrative purposes of the State Board of Education, shall be distributed to school districts by the State Board of Education for reimbursement of claims from the previous school year.

The base reimbursement amount shall be calculated by the State Board by dividing the total amount appropriated for distribution by the total of: (a) the number of students, excluding residents of the district over age 55, who have completed the classroom instruction part for whom valid claims
have been made times 0.2; plus (b) the number of students, excluding residents of the district over age 55, who have completed the practice driving instruction part for whom valid claims have been made times 0.8.

The amount of reimbursement to be distributed on each claim shall be 0.2 times the base reimbursement amount for each validly claimed student, excluding residents of the district over age 55, who has completed the classroom instruction part, plus 0.8 times the base reimbursement amount for each validly claimed student, excluding residents of the district over age 55, who has completed the practice driving instruction part. In no case, however, shall the amount of reimbursement made on account of any student exceed the per pupil cost to the district of the classroom instruction part and the practice driving instruction part combined. The school district which is the residence of a pupil who attends a nonpublic school in another district that has furnished the driver education course shall reimburse the district offering the course, the difference between the actual per capita cost of giving the course the previous school year and the amount reimbursed by the State.

By April 1 the nonpublic school shall notify the district offering the course of the names and district numbers of the nonresident students desiring to take such course the next school year. The district offering such course shall notify the district of residence of those students affected by April 15. The school district furnishing the course may claim the nonresident pupil for the purpose of making a claim for State reimbursement under this Act.

Sec. 13C-10. Program.

(a) The Agency shall establish a program to begin February 1, 2007, to reduce the emission of pollutants by motor vehicles. This program shall be a replacement for and continuation of the program established under the Vehicle Emissions Inspection Law of 1995, Chapter 13B of this Code. At a minimum, this program shall provide for all of the following:

(1) The inspection of certain motor vehicles every 2 years, as required under Section 13C-15.

(2) The establishment and operation of official inspection stations.

(3) The designation of official test equipment and testing procedures.

(4) The training and supervision of inspectors and other personnel.

(5) Procedures to assure the correct operation, maintenance, and calibration of test equipment.

(6) Procedures for certifying test results and for reporting and maintaining relevant data and records.

(b) The Agency shall provide for the operation of a sufficient number of official inspection stations to prevent undue difficulty for motorists to obtain the inspections required under this Chapter. In the event that the Agency operates inspection stations or contracts with one or more parties to operate inspection stations on its behalf, the Agency shall endeavor to: (i) locate the stations so that the owners of vehicles subject to inspection reside within 12 miles of an official inspection station; and (ii) have sufficient inspection capacity at the stations so that the usual wait before the start of an inspection does not exceed 15 minutes.

(625 ILCS 5/13C-15 new)

Sec. 13C-15. Inspections.

New matter indicated by italics - deletions by strikeout
(a) Beginning with the implementation of the program required by this Chapter, every motor vehicle that is owned by a resident of an affected county, other than a vehicle that is exempt under subsection (f) or (g), is subject to inspection under the program.

The Agency shall send notice of the assigned inspection month, at least 15 days before the beginning of the assigned month, to the owner of each vehicle subject to the program. An initial emission inspection sticker or initial inspection certificate, as the case may be, expires on the last day of the third month following the month assigned by the Agency for the first inspection of the vehicle. A renewal inspection sticker or certificate expires on the last day of the third month following the month assigned for inspection in the year in which the vehicle’s next inspection is required.

The Agency or its agent may issue an interim emission inspection sticker or certificate for any vehicle subject to inspection that does not have a currently valid emission inspection sticker or certificate at the time the Agency is notified by the Secretary of State of its registration by a new owner, and for which an initial emission inspection sticker or certificate has already been issued. An interim emission inspection sticker or certificate expires no later than the last day of the sixth complete calendar month after the date the Agency issued the interim emission inspection sticker or certificate.

The owner of each vehicle subject to inspection shall obtain an emission inspection sticker or certificate for the vehicle in accordance with this subsection. Before the expiration of the emission inspection sticker or certificate, the owner shall have the vehicle inspected and, upon demonstration of compliance, obtain a renewal emission inspection sticker or certificate. A renewal emission inspection sticker or certificate shall not be issued more than 5 months before the expiration date of the previous inspection sticker or certificate.

(b) Except as provided in subsection (c), vehicles shall be inspected every 2 years on a schedule that begins either in the second, fourth, or later calendar year after the vehicle model year. The beginning test schedule shall be set by the Agency and shall be consistent with the State’s requirements for emission reductions as determined by the applicable United States Environmental Protection Agency vehicle emissions estimation model and applicable guidance and rules.

(c) A vehicle may be inspected at a time outside of its normal 2-year inspection schedule, if (i) the vehicle was acquired by a new owner and (ii) the vehicle was required to be in compliance with this Act at the time the vehicle was acquired by the new owner.

New matter indicated by italics - deletions by strikeout
vehicle was acquired by the new owner, but it was not then in compliance.

(d) The owner of a vehicle subject to inspection shall have the vehicle inspected and shall obtain and display on the vehicle or carry within the vehicle, in a manner specified by the Agency, a valid unexpired emission inspection sticker or certificate in the manner specified by the Agency. A person who violates this subsection (d) is guilty of a petty offense, except that a third or subsequent violation within one year of the first violation is a Class C misdemeanor. The fine imposed for a violation of this subsection shall be not less than $50 if the violation occurred within 60 days following the date by which a new or renewal emission inspection sticker or certificate was required to be obtained for the vehicle, and not less than $300 if the violation occurred more than 60 days after that date.

(e) For a $20 fee, to be paid into the Vehicle Inspection Fund, the Agency may inspect:

(1) A vehicle registered in and subject to the emission inspections requirements of another state.

(2) A vehicle presented for inspection on a voluntary basis. Any fees collected under this subsection shall not offset Motor Fuel Tax Funds normally appropriated for the program.

(f) The following vehicles are not subject to inspection:

(1) Vehicles not subject to registration under Article IV of Chapter 3 of this Code, other than vehicles owned by the federal government.

(2) Motorcycles, motor driven cycles, and motorized pedalcycles.

(7) Vehicles for which the Secretary of State, under Section 3-117 of this Code, has issued a Junking Certificate.

(8) Diesel powered vehicles and vehicles that are powered exclusively by electricity.

(9) Vehicles operated exclusively in organized amateur or professional sporting activities, as defined in Section 3.310 of the

Environmental Protection Act.

(10) Vehicles registered in, subject to, and in compliance with the emission inspection requirements of another state.

(11) Vehicles participating in an OBD continuous monitoring program operated in accordance with procedures adopted by the Agency.

(12) Vehicles of model year 1995 or earlier that do not have an expired emissions test sticker or certificate on February 1, 2007. The Agency may issue temporary or permanent exemption stickers or certificates for vehicles temporarily or permanently exempt from inspection under this subsection (f). An exemption sticker or certificate does not need to be displayed.

(g) According to criteria that the Agency may adopt, a motor vehicle may be exempted from the inspection requirements of this Section by the Agency on the basis of an Agency determination that the vehicle is located and primarily used outside of the affected counties or in other jurisdictions where vehicle emission inspections are not required. The Agency may issue an annual exemption sticker or certificate without inspection for any vehicle exempted from inspection under this subsection.

(h) Any owner or lessee of a fleet of 15 or more motor vehicles that are subject to inspection under this Section may apply to the Agency for a permit to establish and operate a private official inspection station in accordance with rules adopted by the Agency.

(i) Pursuant to Title 40, Section 51.371 of the Code of Federal Regulations, the Agency may establish a program of on-road testing of in-use vehicles through the use of remote sensing devices. In any such program, the Agency shall evaluate the emission performance of 0.5% of the subject fleet or 20,000 vehicles, whichever is less. Under no circumstances shall on-road testing include any sort of roadblock or roadside pullover or cause any type of traffic delay. If, during the course of an on-road inspection, a vehicle is found to exceed the on-road emissions standards established for the model year and type of vehicle, the Agency shall send a notice to the vehicle owner. The notice shall document the occurrence and the results of the on-road exceedance. The notice of a second on-road exceedance shall indicate that the vehicle has been reassigned and is subject to an out-of-cycle follow-up inspection at an official inspection station. In no case shall the Agency send a notice of an on-road exceedance to the owner of a vehicle that was found to exceed the on-road emission standards established for the model year and type of vehicle, if the vehicle is registered outside of the affected counties.

(a) The rules and emission standards adopted under subsection (a) of Section 13B-20 of this Code shall apply to the program established under this Chapter and continue in effect until amended or repealed by the Board under this subsection.

The Agency shall propose any other standards necessary to achieve reductions in the emission of hydrocarbons, carbon monoxide, and oxides of nitrogen from motor vehicles subject to inspection under this Chapter. Within 120 days after the Agency proposes those standards, the Board shall adopt any necessary rules establishing standards for the emission of hydrocarbons, carbon monoxide, and oxides of nitrogen from motor vehicles subject to inspection under this Chapter. The rules may be amended from time to time pursuant to Agency proposals. The Board shall set standards necessary to achieve the reductions in vehicle hydrocarbons, carbon monoxide, and oxides of nitrogen emissions, as determined by the applicable vehicle emission estimation model and rules developed by the United States Environmental Protection Agency, that are required by the federal Clean Air Act. A predetermined rate of failure shall not be used in determining standards necessary to achieve the reductions in vehicle hydrocarbons, carbon monoxide, and oxides of nitrogen emissions. The emission standards established by the Board for vehicles of model year 1981 or later shall be identical in substance, as defined in Section 7.2(a) of the Environmental Protection Act, to the emission standards promulgated by the United States Environmental Protection Agency.

Except as otherwise provided in this subsection, subsection (b) of Section 27 of the Environmental Protection Act and the rulemaking provisions of the Illinois Administrative Procedure Act do not apply to rules adopted by the Board under this subsection. Challenges to the validity of rules adopted by the Board under this subsection or subsection (a) of Section 13B-20 may be brought only by filing a petition for review in the Appellate Court under Section 29 of the Environmental Protection Act within 35 days after the rule is filed with the Secretary of State.

(b) The procedures established by the Agency under subsection (b) of Section 13B-20 of this Code shall apply to the program established under this Chapter and remain in effect until amended or repealed under this subsection. The Agency may at any time amend or repeal those procedures and may establish additional procedures designed to implement this Chapter.

Sec. 13C-25. Performance of inspections.

(a) Except as provided in subsection (b), the inspection of vehicles required under this Chapter shall be performed only: (i) by inspectors who have been certified by the Agency after successfully completing a course of training and successfully passing a written test; (ii) at official inspection stations, including on-road inspection sites established under this Chapter; and (iii) with equipment that has been approved by the Agency for these inspections.

(b) The requirements of subdivisions (a)(i) and (a)(ii) of this Section do not preclude the performance of inspections (1) at self-service official inspection stations, (2) using Agency-approved wireless communication interfaces, and (3) using systems designed to perform remote on-board diagnostic inspections.

(c) Except as provided in subsection (d), the inspection shall consist of an on-board diagnostic system test. The owner of the vehicle or the owner's agent shall be entitled to an emission inspection certificate issued by the Agency only if all required tests are passed at the time of the inspection.

(d) A steady-state idle exhaust gas analysis and the evaporative system integrity test may be substituted for the on-board diagnostic system test in the following cases:

(1) On any heavy duty vehicle with a manufacturer gross vehicle weight rating in excess of 8,500 pounds not equipped at the time of manufacture with an on-board diagnostic system meeting federal OBD-II specifications.

(2) On any vehicle for which on-board diagnostic testing is not possible due to the vehicle's originally certified design or its design as modified in accordance with federal law and regulations, and on any vehicle with known on-board diagnostic communications or software problems, as determined by the Agency.

(e) The exhaust gas analysis shall consist of a test of an exhaust gas sample to determine whether the quantities of exhaust gas pollutants emitted by the vehicle meet the standards set for vehicles of that type under Section 13C-20. A vehicle shall be deemed to have passed this portion of the inspection if the evaluation of the exhaust gas sample indicates that the quantities of exhaust gas pollutants emitted by the vehicle do not exceed the standards set for vehicles of that type under Section 13C-20 or an inspector certifies that the vehicle qualifies for a waiver of the exhaust gas pollutant standards under Section 13C-30.

(f) The evaporative system integrity test shall consist of a procedure
to determine if leaks exist in all or a portion of the vehicle fuel evaporation emission control system. A vehicle shall be deemed to have passed this test if it meets the criteria that the Board may adopt for an evaporative system integrity test.

(g) The on-board diagnostic system test shall consist of accessing the vehicle’s on-board computer system, determining the vehicle’s readiness status and malfunction indicator lamp status, and retrieving any stored diagnostic codes that may be present. The vehicle shall be deemed to have passed this test if the vehicle readiness status indicates that the vehicle’s OBD system has completed all required system and component checks, the malfunction indicator lamp status is appropriate, and the diagnostic codes retrieved do not exceed standards set for vehicles of that type under Section 13C-20.

(625 ILCS 5/13C-30 new)
Sec. 13C-30. Waivers.
(a) The Agency shall certify that a vehicle that has failed a vehicle emission retest qualifies for a waiver of the emission inspection standards if all of the following criteria are met:

(1) The vehicle has received all repairs and adjustments for which it is eligible under any emission performance warranty provided under Section 207 of the federal Clean Air Act.

(2) The Agency determines by normal inspection procedures that the vehicle’s emission control devices are present and appear to be properly connected and operating.

(3) Consistent with Title 40, Section 51.360 of the Code of Federal Regulations, for vehicles required to be tested under this Chapter, an expenditure of at least $450 in emission-related repairs (but exclusive of any repairs related to tampering) has been made.

(4) For a vehicle of model year 1981 or later, the repairs were performed by a recognized repair technician.

(5) Evidence of repair is presented, consisting of either (i) signed and dated receipts identifying the vehicle and describing the work performed and the amount charged for the eligible emission-related repairs or (ii) an affidavit executed by the person performing the eligible emission-related repairs.

(b) The Agency may issue an emission inspection certificate to a vehicle failing a retest if a complete documented physical and functional diagnosis and inspection shows that no additional emission-related repairs are needed. This diagnostic inspection must be performed by the Agency or
its designated agent and shall be available only to a vehicle owner whose vehicle was repaired by a recognized repair technician.

(c) The Agency may extend the emission inspection certificate expiration date by one year upon receipt of a petition by the vehicle owner that needed repairs cannot be made due to economic hardship. Consistent with Title 40, Section 51.360 of the Code of Federal Regulations, this extension may be granted more than once during the life of the vehicle.

(d) The Agency may issue an emission inspection certificate for a vehicle subject to inspection under this Chapter that is located and primarily used in an area subject to the vehicle inspection requirements of another state. An emission inspection certificate shall be issued under this subsection only upon receipt by the Agency of evidence that the vehicle has been inspected and is in compliance with the emission inspection requirements and standards applicable in the state or local jurisdiction where the vehicle is being used.

(625 ILCS 5/13C-35 new)
Sec. 13C-35. Inquiries. The Agency shall develop a means of responding to inquiries from inspectors and members of the public concerning the program, including (i) when inspections are required, (ii) what kind of inspections are required, (iii) whether emission inspection stickers or certificates previously required for a vehicle have been obtained, and (iv) the procedures for resolving disputes concerning inspections.

(625 ILCS 5/13C-40 new)
Sec. 13C-40. Grievance and damage claim requirements and procedures.

(a) Emissions inspection and waiver denial grievance procedures.

(1) Any person aggrieved by a decision regarding the failure of an emissions test or the denial of a waiver may file a petition with the Agency within 30 days after the decision was made, and the Agency shall thereupon investigate the matter. Within 45 days after its receipt of the petition, the Agency shall submit to the petitioner and any affected inspector or station its written determination of the correctness or incorrectness of the decision being grieved. The written determination shall include a statement of the facts relied upon and the legal and technical issues decided by the Agency in making its determination, and may also include an order directing the inspector (i) to issue an emission inspection certificate for the vehicle effective on such date as the Agency may specify, (ii) to reinspect the vehicle, (iii) to apply the standards that the Agency has
determined to be applicable, or (iv) to take any other action that the Agency deems to be appropriate. In conducting the investigation, the Agency may require the petitioner to present the vehicle for inspection by the Agency or its designated agent.

(2) The written determination of the Agency shall be subject to review in circuit court in accordance with the provisions of the Administrative Review Law, except that no challenge to the validity of a rule adopted or continued under subsection (a) of Section 13C-20 shall be heard by the circuit court if the challenge could have been raised in a timely petition for review as provided in Section 13C-20.

(b) Vehicle damage claim requirements and procedures.

(1) The contractor shall make vehicle damage claim forms authorized by the Agency available for vehicle owners in sufficient quantities at all official inspection stations.

(2) Notice of the vehicle damage claim procedures and the vehicle owner's rights in relation to a vehicle damage claim shall be conspicuously posted at all official inspection stations.

(3) If a vehicle owner believes that his or her vehicle was damaged by an act or omission of the contractor during or as a result of an emissions inspection performed on or after August 1, 2002, the owner may initiate resolution of the damage claim under this subsection by complying with the following:

(A) Within 30 days of the date of the vehicle emissions inspection that allegedly caused the vehicle damage, the vehicle owner shall submit a vehicle damage claim to the contractor at the official inspection station at which the vehicle damage allegedly occurred.

(B) Within 30 days of filing the claim, the owner shall submit to the contractor any relevant information relating to the owner's claim for vehicle damage, including but not limited to evaluations conducted by a claims evaluation center or automotive repair shop meeting standards prescribed by the Agency.

(4) The contractor shall promptly notify the Agency of each vehicle damage claim received by the contractor under subdivision (b)(3) and shall forward to the Agency any additional information provided by the owner.

(5) Within 60 days after the filing of a vehicle damage claim, the contractor shall notify the vehicle owner of its proposed
resolution of the damage claim.

(6) Within 30 days after receiving the contractor's proposed resolution of the damage claim, the owner may petition the Agency for a review of the adequacy and completeness of the contractor's proposed resolution. The petition shall be in a form specified by the Agency.

(7) Upon receiving a petition for review, the Agency shall request the contractor to deliver to the Agency a copy of the contractor's proposed resolution of the damage claim, together with all documents, videotapes, and information relevant to the damage claim and the proposed resolution. The contractor shall provide the requested materials to the Agency within 15 days of receiving the Agency's request.

(8) Within 30 days after receiving the relevant materials from the contractor, the Agency shall review the materials and determine whether the contractor's proposed resolution of the damage claim is adequate and complete. The Agency may deem the proposed resolution of the damage claim to be adequate and complete. If the Agency does not deem the proposed resolution of the damage claim to be adequate and complete, it may request the contractor to further investigate and evaluate the damage claim and resubmit its proposed resolution of the claim. The contractor shall then have 30 days to respond in writing to the Agency with the results of its further evaluation of the damage claim and its proposed resolution.

(9) The Agency shall notify the vehicle owner in writing of the result of its review of the adequacy and completeness of the contractor's proposed resolution of the damage claim. Copies of all correspondence between the Agency and the contractor relating to the damage claim shall also be sent to the vehicle owner.

(10) If, after the Agency's review, the vehicle owner still does not agree with all or a portion of the proposed resolution of the damage claim by the contractor, the vehicle owner may further pursue the damage claim through the binding arbitration process established by the contractor and accepted by the Agency, or in circuit court.

(11) The Agency's review of the adequacy and completeness of the contractor's proposed resolution of a damage claim is not binding upon the vehicle owner or the contractor and does not affect the rights of the vehicle owner or the contractor under law. The
Agency's review of the adequacy and completeness of the contractor's proposed resolution of a damage claim is not a final action subject to administrative review and is not subject to review by the Pollution Control Board or otherwise appealable.

(625 ILCS 5/13C-45 new)
Sec. 13C-45. Contracts.
(a) The Agency may enter into contracts with one or more responsible parties to construct and operate official inspection stations, provide and maintain approved test equipment, administer tests, certify results, issue emission inspection stickers or certificates, maintain records, train personnel, provide information to the public concerning the program, or to otherwise further the goals of this Chapter.

(b) In preparing its proposals for bidding by potential contractors, the Agency shall endeavor to include provisions relating to the following factors:

(1) The demonstrated financial responsibility of the potential contractor.

(2) The specialized experience and technical competence of the potential contractor in connection with the type of services required and the complexity of the project.

(3) The potential contractor's past record of performance on contracts with the Agency, with other government agencies or public bodies, and with private industry, including such items as cost, quality of work, and ability to meet schedules.

(4) The capacity of the potential contractor to perform the work within the time limitations.

(5) The familiarity of the potential contractor with the types of problems applicable to the project.

(6) The potential contractor's proposed method to accomplish the work required, including where appropriate any demonstrated capability of exploring and developing innovative or advanced techniques and methods.

(7) Avoidance of personal and organizational conflicts of interest prohibited under federal, State, or local law.

(8) The potential contractor's present and prior involvement in the community and in the State of Illinois.

Sec. 13C-50. Costs.
(a) Except as otherwise provided in subsection (e) of Section 13C-15,
no fee shall be charged to motor vehicle owners for obtaining inspections required under this Chapter. The Vehicle Inspection Fund, which is a fund created in the State treasury for the purpose of receiving moneys from the Motor Fuel Tax Fund and other sources, shall be used, subject to appropriation, for the payment of the costs of the program, including reimbursement of those agencies of the State that incur expenses in the administration or enforcement of the program. (4) His or her ceasing to be an inhabitant of the State; or if the office is local, his or her ceasing to be an inhabitant of the district, county, town, or precinct for which he or she was elected; provided, that the provisions of this paragraph shall not apply to township officers whose township boundaries are changed in accordance with Section 10-20 of the Township Code, to a township officer after disconnection as set forth in Section 15-17 of the Township Code, nor to township or multi-township assessors elected under Sections 2-5 through 2-15 of the Property Tax Code.

Such resignation shall create a vacancy in office for the purpose of determining the time period which would require an election. The resigning office holder may continue to hold such office until the date or event specified in such resignation, but no later than the date at which his or her successor is elected and qualified.

An admission of guilt of a criminal offense that would, upon conviction, disqualify the holder of an elective office from holding that office, in the form of a written agreement with State or federal prosecutors to plead guilty to a felony, bribery, perjury, or other infamous crime under State or federal law, shall constitute a resignation from that office, effective at the time the plea agreement is made.

For purposes of this Section, a conviction for an offense that
disqualifies the holder of an elective office from holding that office shall occur on the date of the return of a guilty verdict or, in the case of a trial by the court, the entry of a finding of guilt.

A local governmental unit which administers aid under this Article shall maintain a roster of the persons who have registered for work in such local governmental unit, and shall assure that such roster is available for the inspection of the governing authorities of all taxing districts or private not-for-profit organizations, or the duly authorized agents thereof, for the selection of possible workers. Each such local governmental unit shall cause persons, who are selected by a taxing district or private not-for-profit organization to perform work, to be notified at least 24 hours in advance of the time the work is to begin.

Each such local governmental unit shall assure that the following additional requirements are complied with:

(a) The taxing district or private not-for-profit organization may not use a person selected to work under this Section to replace a regular employee.

(b) The work to be performed for the taxing district or private not-for-profit organization must be reasonably related to the skills or interests of the recipient.

However, a taxing district or private not-for-profit organization using the services of such recipient must pay the recipient at least the State or federal minimum wage, whichever is higher, after such recipient has received credit by the Illinois Department equal to the amount of financial aid received under this Article, or the recipient shall be discharged. Moneys made available for public aid purposes under this Article may be expended to purchase worker's compensation insurance or to pay worker's compensation claims.

For the purposes of this Section, "taxing district" means any unit of local government, as defined in Section 1 of Article VII of the Constitution, with the power to tax, and any school district or community college district.

(305 ILCS 5/9A-15 new)

Sec. 9A-15. Work activity; applicable minimum wage. The State or federal minimum wage, whichever is higher, shall be used to calculate the required number of hours of participation in any earnfare or pay-after-performance activity under Section 9A-9 or any other Section of this Code in which a recipient of public assistance performs work as a condition of receiving the public assistance and the recipient is not paid wages for the work.

The Illinois Department of Human Services shall operate a Food Stamp Employment and Training (FSE&T) program in compliance with federal law. The FSE&T program will have an Earnfare component. The Earnfare component shall be available in selected geographic areas based on criteria established by the Illinois Department of Human Services by rule. Participants in Earnfare will, to the extent resources allow, earn their assistance. Participation in the Earnfare program is voluntary, except when ordered by a court of competent jurisdiction. Eligibility for Earnfare may be limited to only 6 months out of any 12 consecutive month period. Clients are not entitled to be placed in an Earnfare slot. Earnfare slots shall be made available only as resources permit. Earnfare shall be available to persons

New matter indicated by italics - deletions by strikeout
receiving food stamps who meet eligibility criteria established by the Illinois Department of Human Services by rule. The Illinois Department may, by rule, extend the Earnfare Program to clients who do not receive food stamps. Receipt of food stamps is not an eligibility requirement of Earnfare when a court of competent jurisdiction orders an individual to participate in the Earnfare Program. To the extent resources permit, the Earnfare program will allow participants to engage in work-related activities to earn monthly financial assistance payments and to improve participants’ employability in order for them to succeed in obtaining employment. The Illinois Department of Human Services may enter into contracts with other public agencies including State agencies, with local governmental units, and with not-for-profit community based organizations to carry out the elements of the Program that the Department of Human Services deems appropriate.

The Earnfare Program shall contain the following elements:

(1) To the extent resources allow and slots exist, the Illinois Department of Human Services shall refer recipients of food stamp assistance who meet eligibility criteria, as established by rule. Receipt of food stamps is not an eligibility requirement of Earnfare when a court of competent jurisdiction orders an individual to participate in the Earnfare Program.

(2) Persons participating in Earnfare shall engage in employment assigned activities equal to the amount of the food stamp benefits divided by the State or federal minimum wage, whichever is higher, and subsequently shall earn minimum wage assistance for each additional hour of performance in Earnfare activity. Earnfare participants shall be offered the opportunity to earn up to $154. The Department of Human Services may establish a higher amount by rule provided resources permit. If a court of competent jurisdiction orders an individual to participate in the Earnfare program, hours engaged in employment assigned activities shall first be applied for a $50 payment made to the custodial parent as a support obligation. If the individual receives food stamps, the individual shall engage in employment assigned activities equal to the amount of the food stamp benefits divided by the State or federal minimum wage, whichever is higher, and subsequently shall earn State or federal minimum wage assistance, whichever is higher, for each additional hour of performance in Earnfare activity.

(3) To the extent appropriate slots are available, the Illinois Department of Human Services shall assign Earnfare participants to
Earnfare activities based on an assessment of the person's age, literacy, education, educational achievement, job training, work experience, and recent institutionalization, whenever these factors are known to the Department of Human Services or to the contractor and are relevant to the individual's success in carrying out the assigned activities and in ultimately obtaining employment.

(4) The Department of Human Services shall consider the participant's preferences and personal employment goals in making assignments to the extent administratively possible and to the extent that resources allow.

(5) The Department of Human Services may enter into cooperative agreements with local governmental units (which may, in turn, enter into agreements with not-for-profit community based organizations): with other public, including State, agencies; directly with not-for-profit community based organizations, and with private employers to create Earnfare activities for program participants.

(6) To the extent resources permit, the Department of Human Services shall provide the Earnfare participants with the costs of transportation in looking for work and in getting to and from the assigned Earnfare job site and initial expenses of employment.

(7) All income and asset limitations of the Federal Food Stamp Program will govern continued Earnfare participation, except that court ordered participants shall participate for 6 months unless the court orders otherwise.

(8) Earnfare participants shall not displace or substitute for regular, full time or part time employees, regardless of whether or not the employee is currently working, on a leave of absence or in a position or similar position where a layoff has taken place or the employer has terminated the employment of any regular employee or otherwise reduced its workforce with the effect of filling the vacancy so created with a participant subsidized under this program, or is or has been involved in a labor dispute between a labor organization and the sponsor.

(9) Persons who fail to cooperate with the FSE&T program shall become ineligible for food stamp assistance according to Food Stamp regulations, and for Earnfare participation. Failure to participate in Earnfare for all of the hours assigned is not a failure to cooperate unless so established by the employer pursuant to Department of Human Services rules. If a person who is ordered by

New matter indicated by italics - deletions by strikeout
a court of competent jurisdiction to participate in the Earnfare Program fails to cooperate with the Program, the person shall be referred to the court for failure to comply with the court order.

PUBLIC ACT 94-0535
(Senate Bill No. 0635)

AN ACT concerning State government.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The State Finance Act is amended by changing Section 8h and by adding Sections 5.640 and 6z-68 as follows:

New matter indicated by italics - deletions by strikeout
Sec. 5.640. The Intercity Passenger Rail Fund.

(a) The Intercity Passenger Rail Fund is created as a special fund in the State treasury. Moneys in the Fund may be used by the Department of Transportation, subject to appropriation, for the operation of intercity passenger rail services in the State through Amtrak or its successor.

Moneys received for the purposes of this Section, including, without limitation, income tax checkoff receipts and gifts, grants, and awards from any public or private entity, must be deposited into the Fund. Any interest earned on moneys in the Fund must be deposited into the Fund.

(b) At least one month before the beginning of each fiscal year, the chief operating officer of Amtrak or its successor must certify to the State Treasurer the number of Amtrak tickets sold at the State rate during that current fiscal year.

On the first day of that next fiscal year, or as soon thereafter as practical, the State Treasurer must transfer, from the General Revenue Fund to the Intercity Passenger Rail Fund, an amount equal to the tickets certified by the chief operating officer of Amtrak multiplied by $50.

Sec. 8h. Transfers to General Revenue Fund.

(a) Except as provided in subsection (b), notwithstanding any other State law to the contrary, the Governor may, through June 30, 2007, from time to time direct the State Treasurer and Comptroller to transfer a specified sum from any fund held by the State Treasurer to the General Revenue Fund in order to help defray the State's operating costs for the fiscal year. The total transfer under this Section from any fund in any fiscal year shall not exceed the lesser of (i) 8% of the revenues to be deposited into the fund during that fiscal year or (ii) an amount that leaves a remaining fund balance of 25% of the July 1 fund balance of that fiscal year. In fiscal year 2005 only, prior to calculating the July 1, 2004 final balances, the Governor may calculate and direct the State Treasurer with the Comptroller to transfer additional amounts determined by applying the formula authorized in Public Act 93-839 to the funds balances on July 1, 2003. No transfer may be made from a fund under this Section that would have the effect of reducing the available balance in the fund to an amount less than the amount remaining unexpended and unreserved from the total appropriation from that fund estimated to be expended for that fiscal year. This Section does not apply to any funds that
are restricted by federal law to a specific use, to any funds in the Motor Fuel Tax Fund, the "Intercity Passenger Rail Fund," the Hospital Provider Fund, the Medicaid Provider Relief Fund, or the Reviewing Court Alternative Dispute Resolution Fund, or to any funds to which subsection (f) of Section 20-40 of the Nursing and Advanced Practice Nursing Act applies. Notwithstanding any other provision of this Section, for fiscal year 2004, the total transfer under this Section from the Road Fund or the State Construction Account Fund shall not exceed the lesser of (i) 5% of the revenues to be deposited into the fund during that fiscal year or (ii) 25% of the beginning balance in the fund. For fiscal year 2005 through fiscal year 2007, no amounts may be transferred under this Section from the Road Fund, the State Construction Account Fund, the Criminal Justice Information Systems Trust Fund, the Wireless Service Emergency Fund, or the Mandatory Arbitration Fund.

AN ACT concerning regulation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Currency Exchange Act is amended by changing Section 6 as follows:
(205 ILCS 405/6) (from Ch. 17, par. 4813)
Sec. 6. Insurance against loss.

(a) Every applicant for a license hereunder shall, after his application for a license has been approved, file with and have approved by the Secretary of Financial and Professional Regulation Director, a policy or policies of insurance issued by an insurance company or indemnity company authorized to do business under the law of this State, which shall insure the applicant against loss by theft, burglary, robbery or forgery in a principal sum as hereinafter provided; if the average amount of cash and liquid funds to be kept on hand in the office of the community currency exchange during the year will not be in excess of $10,000 the policy or policies shall be in the principal sum of $10,000. $10,000. From time to time, the Secretary Director may determine the amount of cash and liquid funds on hand in the office of any community currency exchange and shall require the licensee to submit additional policies if the same are determined to be necessary in accordance with the requirements of this Section.

However, any community currency exchange licensed under this Act may meet the bonding requirements of this subsection (a) by submitting evidence satisfactory to the Secretary that the licensee is covered by a blanket bond that covers multiple licensees. The blanket bond: (i) shall insure the licensee against loss by theft, robbery, or forgery; (ii) shall be issued by a bonding company authorized to do business in this State; and (iii) shall be in the principal sum of an amount equal to the maximum amount required under this Section for any one licensee covered by the bond.

Any such policy or policies, with respect to forgery, may carry a condition that the community currency exchange assumes the first $1,000 of each claim thereunder.

(b) Before an ambulatory currency exchange shall sell or issue money orders, it shall file with and have approved by the Secretary Director, a policy or policies of insurance issued by an insurance company or indemnity company authorized to do business under the laws of this State, which shall insure such ambulatory currency exchange against loss by theft, burglary, robbery, forgery or embezzlement in the principal sum of not less than $500,000. If the average amount of cash and liquid funds to be kept on hand during the year will exceed $500,000, the policy or policies shall be for an additional principal sum of $500 for each $1,000 or fraction thereof in excess of $500,000. From time to time the Secretary Director may determine the amount of cash and liquid funds kept on hand by an ambulatory currency exchange and shall require it to submit such additional policies as are determined to be required within the limits of this Section. No ambulatory currency exchange subject to this Section shall be required to furnish more than one policy of insurance if the policy furnished insures it against the foregoing losses at all locations served by it.

Any such policy may contain a condition that the insured assumes a portion of the loss, provided the insured shall file with such policy a sworn financial statement indicating its ability to act as self-insurer in the amount of such deductible portion of the policy without prejudice to the safety of any funds belonging to its customers. If the Secretary Director is not satisfied as to the financial ability of the ambulatory currency exchange, he may require it to deposit cash or United States Government Bonds in the amount of part
or all of the deductible portion of the policy.

PUBLIC ACT 94-0539
(Senate Bill No. 1660)

AN ACT in relation to public employee benefits.
Be it enacted by the People of the State of Illinois, represented in the
General Assembly:
Section 5. The Illinois Pension Code is amended by changing Sections
16-149, 16-149.1, and 16-149.2 and adding Section 16-149.6 as follows:
(40 ILCS 5/16-149) (from Ch. 108 1/2, par. 16-149)
Sec. 16-149. Disability benefit.
(a) A disability benefit is payable to a member who was in active
service on or after June 30, 1977 and has at least 3 years of creditable service.
Part-time and substitute teachers who are in active service on or after July 1,
1990 must have worked as a teacher for at least 340 hours in either the school
year in which the disability occurs or in the preceding school year.

The benefit is payable upon application of a member who is not
receiving a benefit under either Section 16-133, Section 16-149.1 or Section
16-149.2. The benefit shall be granted only if the member is found by
medical examination to be incapacitated to perform the duties of his or her
position as a teacher and only if the commencement of the incapacity
occurred while the member was employed as a teacher or within 90 days of
such employment.

A member shall be considered disabled only when the System has
received (1) a written certificate by at least 2 licensed and practicing
physicians designated by the System, certifying that the member is disabled
and unable to properly perform the duties of his or her position at the time of
disability, except in the case of disability due to pregnancy where a written
certificate from only one licensed and practicing physician is required; (2) a
written statement from the employer certifying that the member is not eligible
to receive a salary; and (3) a certification from the member that he or she is
not and has not been engaged in gainful employment during the period of
disability.

The benefit shall begin to accrue on the 31st day of absence from

New matter indicated by italics - deletions by strikeout
service on account of disability, except that when an application is made more than 90 days subsequent to the later of the commencement of disability or the date eligibility for salary ceases, it shall begin to accrue from the date of application, and shall be payable during the time the member does not receive a retirement annuity. The benefit is not payable to a member who is receiving or has a right to receive any salary as a teacher, or is employed in any capacity as a teacher by the employers included under this System or in an equivalent capacity in any other public or private school, college or university, except as provided in Section 16-149.6.

Service credits under the State Employees' Retirement System of Illinois, the State Universities Retirement System and the Illinois Municipal Retirement Fund shall be considered in determining the member's eligibility for a disability benefit and the total period during which the disability benefit is payable.

(b) The disability benefit shall be 40% of the greater of the member's most recent annual contract salary rate at the time the disability benefit becomes payable or the member's annual contract rate on the date the disability commenced. Prior to July 1, 1990, if the most recent period of service of any member was rendered on a less than full-time but not less than half-time basis, the amount of the disability benefit payable to such member shall be computed on the basis of the salary received by such member for the member's last year of service on a full-time basis if such salary was greater than the member's most recent salary. For part-time and substitute members after June 30, 1990, the disability benefit shall be 40% of the greater of the member's most recent annualized salary rate at the time the disability benefit becomes payable or the annualized salary rate or contract salary rate at the time the disability commenced.

In addition to the above benefit, the member shall receive creditable service and credit for contributions that the member would have made in active employment during any period of disability for which benefits are paid by the System on the basis of the annual salary rate used in computing the benefit, except as provided in Section 16-149.6.

(c) Effective January 1, 1988, the disability benefit shall continue until the time one of the following events first occurs: (1) disability ceases; (2) the member requests termination of the benefit; (3) the aggregate period for which disability payments made during the member's entire period of service equals 1/4 of the total period of creditable service, not including the time he or she has received the disability payments; or (4) the member is engaged or found to be able to engage in gainful employment, other than

limited employment under Section 16-149.6. If the disability benefit is discontinued under item (4) but the member is subsequently found to be unable to be gainfully employed due to the disability which was the cause for his or her most recent incapacity to perform the duties of a teacher, the disability benefit will be resumed, upon notification of the System, as soon as the member is not eligible to receive salary.

A disabled member who receives disability benefits for the maximum period specified above or who requests that the disability benefits be terminated may be retired on a disability retirement annuity.

(d) The board shall prescribe rules governing the filing, investigation, control, and supervision of disability claims. The rules shall include specific standards to be used when requesting additional medical examinations, hospital records or other data necessary for determining the employment capacity and condition of the member. Costs incurred by a claimant in connection with completing a claim for disability benefits shall be paid by the claimant.

(40 ILCS 5/16-149.1) (from Ch. 108 1/2, par. 16-149.1)

Sec. 16-149.1. Occupational disability benefit.

(a) A member who becomes totally and immediately incapacitated for duty as the proximate result of bodily injuries sustained or a hazard undergone while in the performance and within the scope of his or her duties, if such injuries or hazard were not the consequence of the member's willful negligence, shall receive an occupational disability benefit upon making proper application. If application is made more than 90 days subsequent to the later of the commencement of disability or the date eligibility for salary ceases, benefits shall begin to accrue from the date of application, but service credit and credit for contributions will be earned from the date of disability. The benefit is not payable to, and credit for service and contributions may not be earned under this Section by, a member who is receiving a benefit under Section 16-133, 16-149, or 16-149.2, or who is receiving salary as a teacher, or is employed in any capacity as a teacher by the employers included under this System or in an equivalent capacity in any other public or private school, college or university, except as provided in Section 16-149.6.

Proper proof of disability shall consist of: (1) a written certificate by at least 2 licensed and practicing physicians designated by the System, certifying that member is disabled and unable to perform assigned duties; (2) a written statement from the employer certifying that the member is disabled and not receiving a salary, and related information as to the cause and
commencement of disability; and (3) a written statement from the member certifying that the member is not and has not been engaged in gainful employment.

Occupational disability benefits under this Section shall be payable only if (1) on the basis of a claim filed by the applicant with the Illinois Workers' Compensation Commission, it is determined by the Commission that the disability was incurred while in the performance and within the scope of assigned duties, under the terms of the Illinois Workers' Compensation or Occupational Diseases Act, whichever applies, and the claim is adjudicated as compensable by the Commission under either of the aforesaid Acts; or (2) on the basis of a claim filed by the applicant with an insurance carrier with which the employer of the applicant has a workers' compensation insurance policy, it is determined under the terms of the aforesaid policy that the disability was incurred while in the performance and within the scope of the member's assigned duties and the claim is approved as compensable.

(b) The occupational disability benefit shall be the greater of 60% of the member's contract salary rate at the time the disability benefit becomes payable or the member's annual contract rate on the date the disability commenced, and shall be payable monthly in equal installments. For part-time and substitute teachers after June 30, 1990, the benefit shall be the greater of the member's most recent annualized salary rate at the time the disability benefit becomes payable or the annualized salary rate or annual contract rate at the time the disability commenced.

Any amounts provided for a member or a member's dependents under the Illinois Workers' Compensation Act, the Illinois Occupational Diseases Act or a workers' compensation insurance policy provided by the employer shall be applied as an offset to any occupational benefit provided under this Section in such manner as may be prescribed by the board.

In addition to the above benefit, the member shall receive creditable service and credit for contributions that the member would have made in active employment during the period of disability, except as provided in Section 16-149.6. Creditable service and credit for contributions shall be calculated on the basis of the annual salary rate used in computing the benefit; however, such credit shall not be used in the determination of the period for which disability benefits are payable. A member who remains disabled after the termination of benefits due to age or the expiration of the maximum period for which benefits are payable shall be entitled to the retirement annuity provided under Section 16-133, notwithstanding that the member may not have the required minimum period of creditable service.
prescribed for such annuity.

(c) Effective January 1, 1988, the occupational disability benefit shall continue until the time one of the following first occurs: (1) disability ceases; (2) the member requests termination of the benefit; or (3) the member is engaged or found to be able to engage in gainful employment, other than limited employment under Section 16-149.6. If the disability benefit is discontinued under item (3) but the member is subsequently found to be unable to be gainfully employed due to the disability which was the cause for his or her most recent incapacity to perform the duties of a teacher, the disability benefit will be resumed, upon notification of the System, as soon as the member is not eligible to receive salary.

(d) The board shall prescribe rules governing the filing, investigation, control, and supervision of disability claims. Costs incurred by a claimant in connection with completing a claim for disability benefits shall be paid by the claimant.

(40 ILCS 5/16-149.2) (from Ch. 108 1/2, par. 16-149.2)
Sec. 16-149.2. Disability retirement annuity.

(a) A member whose disability benefit has been terminated under the provisions of Section 16-149 may be retired on a disability retirement annuity payable effective the day following such termination provided the member remains disabled under the standard of disability provided in Section 16-149. The disability retirement annuity shall be payable upon receipt of written certificates from at least 2 licensed physicians designated by the System verifying the continuation of the disability condition. A disability retirement annuity shall not be paid during any period for which the member receives benefits under Section 16-133, Section 16-149, or Section 16-149.1 or has a right to receive a salary as a teacher, or is employed in any capacity as a teacher by the employers included under this System or in an equivalent capacity in any other public or private school, college or university, except as provided in Section 16-149.6.

(b) The disability retirement annuity shall be equal to the larger of: (1) 35% of the most recent annual contract salary rate or for part-time and substitute members after June 30, 1990, the most recent annualized salary rate; or (2) if disability commences prior to the member's attainment of age 55, the amount computed in accordance with Section 16-133, provided the amount computed under paragraph (B) of Section 16-133 shall be reduced by 1/2 of 1% for each month that the member is less than age 55; or (3) if disability commences after the member's attainment of age 55, and the

New matter indicated by italics - deletions by strikeout
member is not receiving a retirement annuity under Section 16-133, the amount computed in accordance with Section 16-133.

Prior to July 1, 1990, if the most recent period of service of any member eligible to receive a disability retirement annuity was rendered on a less than full-time but not less than half-time basis, the amount of the disability retirement annuity payable shall be computed on the basis of the salary received by such member for the member's last year of service on a full-time basis if such salary was greater than the member's most recent salary.

(c) If an annuitant receiving a disability retirement annuity under this Section is engaged in or able to engage in gainful employment (including limited employment under Section 16-149.6) paying more than the difference between the disability retirement annuity and the salary rate upon which the disability benefit is based, with no salary to be considered less than the minimum prescribed in Section 24-8 of the School Code, the disability retirement annuity shall be reduced to an amount which together with the amount earned by the annuitant, equals the salary rate upon which the disability benefit is based. However, for the purposes of this subsection (c) only, the salary rate upon which the benefit is based shall be deemed to increase by 15% on the tenth anniversary of the commencement of the annuity.

Once each year during the first 5 years following retirement on a disability retirement annuity, and once in every 3-year period thereafter, the System may require an annuitant to undergo a medical examination, by a physician or physicians designated by the System. If the annuitant refuses to submit to such medical examination, the annuity shall be discontinued until such time as the annuitant consents to the examination, and if refusal continues for one year, all the rights to the annuity shall be revoked.

(d) If an annuitant in receipt of a disability retirement annuity returns to active service as a teacher (other than limited employment under Section 16-149.6) or is no longer disabled, such annuity shall cease and the annuitant shall again become a member of the Retirement System and, if in active service as a teacher, shall make regular contributions. All service for which the annuitant had credit on the date of disability shall be properly reestablished.

An annuitant in receipt of a disability retirement annuity who returns to active service as a teacher and who again becomes disabled shall not be entitled to a recomputation of the disability retirement annuity based on amendments enacted while the annuitant was in receipt of the annuity unless

at least one year of creditable service is rendered after the latest re-entry into service.

(e) An annuitant in receipt of a disability retirement annuity may, upon reaching retirement age as specified in Section 16-132, apply for a retirement annuity which is to be calculated as specified in Section 16-133. The disability retirement annuity shall be discontinued upon commencement of the retirement annuity.

(f) The board shall prescribe rules governing the filing, investigation, control, and supervision of disability retirement claims. The rules shall include specific standards to be used when requesting additional medical examinations, hospital records or other data necessary for determining the employment capacity and condition of the annuitant. Costs incurred by a claimant in connection with completing a claim for disability benefits shall be paid by the claimant.

The changes to this Section made by this amendatory Act of 1991 shall apply not only to persons who on or after its effective date are in service as a teacher under the System, but also to persons whose status as a teacher terminated prior to that date, whether or not the person is an annuitant on that date.

public inspection within 7 days of the approval of such minutes by the public body.

(c) The verbatim record may be destroyed without notification to or the approval of a records commission or the State Archivist under the Local Records Act or the State Records Act no less than 18 months after the completion of the meeting recorded but only after:

(1) the public body approves the destruction of a particular recording; and
(2) the public body approves minutes of the closed meeting that meet the written minutes requirements of subsection (a) of this Section.

(d) Each public body shall periodically, but no less than semi-annually, meet to review minutes of all closed meetings. At such meetings a determination shall be made, and reported in an open session that (1) the need for confidentiality still exists as to all or part of those minutes or (2) that the minutes or portions thereof no longer require confidential treatment and are available for public inspection. The failure of a public body to strictly comply with the semi-annual review of closed session written minutes, whether before or after the effective date of this amendatory Act of the 94th General Assembly, shall not cause the written minutes or related verbatim record to become public or available for inspection in any judicial proceeding, other than a proceeding involving an alleged violation of this Act, if the public body, within 60 days of discovering its failure to strictly comply with the technical requirements of this subsection, reviews the closed session minutes and determines and thereafter reports in open session that either (1) the need for confidentiality still exists as to all or part of the minutes or verbatim record, or (2) that the minutes or recordings or portions thereof no longer require confidential treatment and are available for public inspection.

In the case of a civil action brought to enforce this Act, the court, if the judge believes such an examination is necessary, must conduct such in camera examination of the verbatim record as it finds appropriate in order to determine whether there has been a violation of this Act. In the case of a criminal proceeding, the court may conduct an examination in order to determine what portions, if any, must be made available to the parties for use as evidence in the

determines that a complaint or suit brought for noncompliance under this Act

attorney-client privilege. The provisions of this subsection do not supersede
the privacy or confidentiality provisions of State or federal law.

The examining physicians shall be those specifically designated by the Department Board. Any person whose license was granted, continued, reinstated, renewed, disciplined, or supervised subject to such terms, conditions, or restrictions and who fails to comply with such terms, conditions, or restrictions shall be referred to the Director for a determination as to whether the person shall have his or her license suspended immediately, pending a hearing by the Board.

(b) The determination by a circuit court that a licensee is subject to involuntary admission or judicial admission, as provided in the Mental Health and Developmental Disabilities Code, operates as an automatic suspension. Such suspension will end only upon a finding by a court that the patient is no longer subject to involuntary admission or judicial admission, the issuance of an order so finding and discharging the patient, and the recommendation of the Board to the Director that the licensee be allowed to resume practice.

The Department may refuse to issue or may suspend the license of any person who fails to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of tax, penalty or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are satisfied.

Persons who assist the Department as consultants or expert witnesses in the investigation or prosecution of alleged violations of the Act, licensure matters, restoration proceedings, or criminal prosecutions, shall not be liable for damages in any civil action or proceeding as a result of such assistance, except upon proof of actual malice. The attorney general shall defend such persons in any such action or proceeding.

AN ACT concerning methamphetamine.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Methamphetamine Control and Community Protection Act.

Section 5. Purpose. The purpose of this Act is to reduce the damage that the manufacture, distribution, and use of methamphetamine are inflicting on children, families, communities, businesses, the economy, and the environment in Illinois. The General Assembly recognizes that methamphetamine is fundamentally different from other drugs regulated by the Illinois Controlled Substances Act because the harms relating to methamphetamine stem not only from the distribution and use of the drug, but also from the manufacture of the drug in this State. Because methamphetamine is not only distributed and used but also manufactured here, and because the manufacture of methamphetamine is extremely and uniquely harmful, the General Assembly finds that a separate Act is needed to address the manufacture, distribution, and use of methamphetamine in Illinois.

Section 10. Definitions. As used in this Act:

"Anhydrous ammonia" has the meaning provided in subsection (d) of Section 3 of the Illinois Fertilizer Act of 1961.

"Anhydrous ammonia equipment" means all items used to store, hold, contain, handle, transfer, transport, or apply anhydrous ammonia for lawful purposes.

"Booby trap" means any device designed to cause physical injury when triggered by an act of a person approaching, entering, or moving through a structure, a vehicle, or any location where methamphetamine has been manufactured, is being manufactured, or is intended to be manufactured.

"Deliver" or "delivery" has the meaning provided in subsection (h) of Section 102 of the Illinois Controlled Substances Act.

"Director" means the Director of State Police or the Director's designated agents.

"Dispose" or "disposal" means to abandon, discharge, release, deposit, inject, dump, spill, leak, or place methamphetamine waste onto or into any land, water, or well of any type so that the waste has the potential to enter the environment, be emitted into the air, or be discharged into the soil or any waters, including groundwater.
"Emergency response" means the act of collecting evidence, securing a methamphetamine laboratory site, methamphetamine waste site or other methamphetamine-related site and cleaning up the site, whether these actions are performed by public entities or private contractors paid by public entities. "Emergency service provider" means a local, State, or federal peace officer, firefighter, emergency medical technician-ambulance, emergency medical technician-intermediate, emergency medical technician-paramedic, ambulance driver, or other medical or first aid personnel rendering aid, or any agent or designee of the foregoing. "Finished methamphetamine" means methamphetamine in a form commonly used for personal consumption. "Firearm" has the meaning provided in Section 1.1 of the Firearm Owners Identification Card Act. "Manufacture" means to produce, prepare, compound, convert, process, synthesize, concentrate, purify, separate, extract, or package any methamphetamine, methamphetamine precursor, methamphetamine manufacturing catalyst, methamphetamine manufacturing reagent, methamphetamine manufacturing solvent, or any substance containing any of the foregoing. "Methamphetamine" means the chemical methamphetamine (a Schedule II controlled substance under the Illinois Controlled Substances Act) or any salt, optical isomer, salt of optical isomer, or analog thereof, with the exception of 3,4-Methylenedioxymethamphetamine (MDMA) or any other scheduled substance with a separate listing under the Illinois Controlled Substances Act. "Methamphetamine manufacturing catalyst" means any substance that has been used, is being used, or is intended to be used to activate, accelerate, extend, or improve a chemical reaction involved in the manufacture of methamphetamine. "Methamphetamine manufacturing environment" means a structure or vehicle in which:

(1) methamphetamine is being or has been manufactured;
(2) chemicals that are being used, have been used, or are intended to be used to manufacture methamphetamine are stored;
(3) methamphetamine manufacturing materials that have been used to manufacture methamphetamine are stored; or
(4) methamphetamine manufacturing waste is stored.
"Methamphetamine manufacturing material" means any methamphetamine precursor, substance containing any methamphetamine...

(b) The assessment under this Section is in addition to and not in lieu of any fines, restitution, costs, forfeitures, or other assessments authorized or required by law.

(c) As a condition of the assessment, the court may require that payment be made in specified installments or within a specified period of time. If the assessment is not paid within the period of probation, conditional discharge, or supervision to which the defendant was originally sentenced, the court may extend the period of probation, conditional discharge, or supervision pursuant to Section 5-6-2 or 5-6-3.1 of the Unified Code of Corrections, as applicable, until the assessment is paid or until successful completion of public or community service set forth in subsection (e) or the successful completion of the substance abuse intervention or treatment program set forth in subsection (f). If a term of probation, conditional discharge, or supervision is not imposed, the assessment shall be payable upon judgment or as directed by the court.

(d) If an assessment for a violation of this Act is imposed on an organization, it is the duty of each individual authorized to make disbursements of the assets of the organization to pay the assessment from assets of the organization.

(e) A defendant who has been ordered to pay an assessment may petition the court to convert all or part of the assessment into court-approved public or community service. One hour of public or community service shall be equivalent to $4 of assessment. (f) The court may suspend the collection of the assessment imposed under this Section if the defendant agrees to enter a substance abuse intervention or treatment program approved by the court and the defendant agrees to pay for all or some portion of the costs associated with the intervention or treatment program. In this case, the collection of the assessment imposed under this Section shall be suspended during the defendant's participation in the approved intervention or treatment program.
Upon successful completion of the program, the defendant may apply to the court to reduce the assessment imposed under this Section by any amount actually paid by the defendant for his or her participation in the program. The court shall not reduce the penalty under this subsection unless the defendant establishes to the satisfaction of the court that he or she has successfully completed the intervention or treatment program. If the defendant's participation is for any reason terminated before his or her successful completion of the intervention or treatment program, collection of the entire assessment imposed under this Section shall be enforced. Nothing in this Section shall be deemed to affect or suspend any other fines, restitution costs, forfeitures, or assessments imposed under this or any other Act.

(g) The court shall not impose more than one assessment per complaint, indictment, or information. If the person is convicted of more than one offense in a complaint, indictment, or information, the assessment shall be based on the highest class offense for which the person is convicted.

(h) In counties with a population under 3,000,000, all moneys collected under this Section shall be forwarded by the clerk of the circuit court to the State Treasurer for deposit in the Drug Treatment Fund. The Department of Human Services may make grants to persons licensed under Section 15-10 of the Alcoholism and Other Drug Abuse and Dependency Act or to municipalities or counties from funds appropriated to the Department from the Drug Treatment Fund for the treatment of pregnant women who are addicted to alcohol, cannabis or controlled substances and for the needed care of minor, unemancipated children of women undergoing residential drug treatment. If the Department of Human Services grants funds to a municipality or a county that the Department determines is not experiencing a problem with pregnant women addicted to alcohol, cannabis or controlled substances, or with care for minor, unemancipated children of women undergoing residential drug treatment, or intervention, the funds shall be used for the treatment of any person addicted to alcohol, cannabis, or controlled substances. The Department may adopt such rules as it deems appropriate for the administration of such grants.

(i) In counties with a population of 3,000,000 or more, all moneys collected under this Section shall be forwarded to the County Treasurer for deposit into the County Health Fund. The County Treasurer shall, no later than the 15th day of each month, forward to the State Treasurer 30 percent of all moneys collected under this Act and received into the County Health Fund since the prior remittance to the State Treasurer. Funds retained by the County shall be used for community-based treatment of pregnant women who

If the Department of Human Services grants funds to a municipality or county that the Department determines is not experiencing a problem with pregnant women addicted to alcohol, cannabis or controlled substances, or with care for minor, unemancipated children or women undergoing residential drug treatment, the funds shall be used for the treatment of any person addicted to alcohol, cannabis or controlled substances. arrested for an offense which would be a felony if committed by an adult, and may forward such fingerprints and descriptions for minors arrested for Class A or B misdemeanors. Moving or nonmoving traffic violations under the Illinois Vehicle Code shall not be reported except for violations of Chapter 4, Section 11-204.1, or Section 11-501 of that Code. In addition, conservation offenses, as defined in the Supreme Court Rule 501(c), that are classified as Class B misdemeanors shall not be reported.

Whenever an adult or minor prosecuted as an adult, not having previously been convicted of any criminal offense or municipal ordinance violation, charged with a violation of a municipal ordinance or a felony or misdemeanor, is acquitted or released without being convicted, whether the acquittal or release occurred before, on, or after the effective date of this amendatory Act of 1991, the Chief Judge of the circuit wherein the charge was brought, any judge of that circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial may upon verified petition of the defendant order the record of arrest expunged from the official records of the arresting authority and the Department and order that the records of the clerk of the circuit court be sealed until further order of the court upon good cause shown and the name of the defendant obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. The Department may charge the petitioner a fee equivalent to the cost of processing any order to expunge or seal the records, and the fee shall be deposited into the State Police Services Fund. The records of those arrests, however, that result in a disposition of supervision for any offense shall not be expunged from the records of the arresting authority or the Department nor impounded by the court until 2 years after discharge and dismissal of supervision. Those records that result from a supervision for a violation of Section 3-707, 3-708, 3-710, 5-401.3, or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, or for a violation of Section 12-3.2, 12-15 or 16A-3 of the Criminal Code of 1961, or probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as those provisions existed before their deletion by Public Act 89-313), Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act when the judgment of conviction has been vacated, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act when the judgment of conviction

has been vacated, or Section 10 of the Steroid Control Act shall not be expunged from the records of the arresting authority nor impounded by the court until 5 years after termination of probation or supervision. Those records that result from a supervision for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance, shall not be expunged. All records set out above may be ordered by the court to be expunged from the records of the arresting authority and impounded by the court after 5 years, but shall not be expunged by the Department, but shall, on court order be sealed by the Department and may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual.

(a-5) Those records maintained by the Department for persons arrested prior to their 17th birthday shall be expunged as provided in Section 5-915 of the Juvenile Court Act of 1987.

(b) Whenever a person has been convicted of a crime or of the violation of a municipal ordinance, in the name of a person whose identity he has stolen or otherwise come into possession of, the aggrieved person from whom the identity was stolen or otherwise obtained without authorization, upon learning of the person having been arrested using his identity, may, upon verified petition to the chief judge of the circuit wherein the arrest was made, have a court order entered nunc pro tunc by the chief judge to correct the arrest record, conviction record, if any, and all official records of the arresting authority, the Department, other criminal justice agencies, the prosecutor, and the trial court concerning such arrest, if any, by removing his name from all such records in connection with the arrest and conviction, if any, and by inserting in the records the name of the offender, if known or ascertainable, in lieu of the aggrieved's name. The records of the clerk of the circuit court clerk shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Department of State Police or other criminal justice agencies or prosecutors from listing under an offender's name the false names he or she has used. For purposes of this Section, convictions for moving and nonmoving traffic violations other than convictions for violations of Chapter

(c) Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, he may, upon verified petition to the chief judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial, may have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the clerk of the circuit court and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he had been pardoned but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Department may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual. Upon entry of the order of expungement, the clerk of the circuit court shall promptly mail a copy of the order to the person who was pardoned.

(c-5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the defendant's trial to have a court order entered to seal the records of the clerk of the circuit court in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Department of State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the clerk of the circuit court in connection with the proceedings of the trial court concerning the offense available for public inspection.

(d) Notice of the petition for subsections (a), (b), and (c) shall be served upon the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government affecting the arrest. Unless the State's Attorney or prosecutor, the Department of State Police, the arresting agency or such chief legal officer objects to the petition within 30 days from the date of the notice, the court shall enter an order granting or denying the petition. The clerk of the court shall promptly mail a copy of the order to the person, the arresting agency, the prosecutor, the Department of State Police and such other criminal justice agencies as may be ordered by the judge.

(e) Nothing herein shall prevent the Department of State Police from maintaining all records of any person who is admitted to probation upon terms and conditions and who fulfills those terms and conditions pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 12-4.3 of the Criminal Code of 1961, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section 10 of the Steroid Control Act.

(f) No court order issued under the expungement provisions of this Section shall become final for purposes of appeal until 30 days after notice is received by the Department. Any court order contrary to the provisions of this Section is void.

(g) Except as otherwise provided in subsection (c-5) of this Section, the court shall not order the sealing or expungement of the arrest records and records of the circuit court clerk of any person granted supervision for or convicted of any sexual offense committed against a minor under 18 years of age. For the purposes of this Section, "sexual offense committed against a minor" includes but is not limited to the offenses of indecent solicitation of a child or criminal sexual abuse when the victim of such offense is under 18 years of age.

(h)(1) Applicability. Notwithstanding any other provision of this Act to the contrary and cumulative with any rights to expungement of criminal records, this subsection authorizes the sealing of criminal records of adults and of minors prosecuted as adults.

Sec. 34-18.5. Criminal history records checks.

(a) Certified and noncertified applicants for employment with the school district are required as a condition of employment to authorize a fingerprint-based criminal history records check to determine if such applicants have been convicted of any of the enumerated criminal or drug offenses in subsection (c) of this Section or have been convicted, within 7 years of the application for employment with the school district, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State. to the Department. The regional superintendent submitting the requisite information to the Department of State Police shall promptly notify the school districts in which the applicant is seeking employment as a substitute or concurrent part-time teacher or concurrent educational support personnel employee that the check of the applicant has been requested. The Department of State Police and the Federal Bureau of Investigation shall furnish, pursuant to a fingerprint-based criminal history records check, records of convictions, until expunged, to the president of the school board for the school district that requested the check, or to the regional superintendent who requested the check. The Department shall charge the school district or the appropriate regional superintendent a fee for conducting such check, which fee shall be deposited in the State Police Services Fund and shall not exceed the cost of the inquiry; and the applicant shall not be charged a fee for such check by the school district or by the regional superintendent. Subject to appropriations for these purposes, the State Superintendent of Education shall reimburse the school district and regional superintendent for fees paid to obtain criminal history records checks under this Section.

The school board of any school district located in the educational service region served by the regional superintendent who issues such a certificate to an applicant for employment as a substitute or concurrent part-time teacher or concurrent educational support personnel employee in more than one such district may rely on the certificate issued by the regional superintendent to that applicant, or may initiate its own criminal history records check of the applicant through the Department of State Police as provided in subsection (a). Any person who releases any confidential information concerning any criminal convictions of an applicant for employment shall be guilty of a Class A misdemeanor, unless the release of such information is authorized by this Section.

All proceedings to suspend, revoke, place on probationary status, or take any other disciplinary action as the Department may deem proper, with regard to a license on any of the foregoing grounds, must be commenced within 3 years next after receipt by the Department of a complaint alleging the commission of or notice of the conviction order for any of the acts described herein. Except for the grounds numbered (8), (9) and (29), no action shall be commenced more than 5 years after the date of the incident or act alleged to have violated this Section. In the event of the settlement of any claim or cause of action in favor of the claimant or the reduction to final judgment of any civil action in favor of the plaintiff, such claim, cause of action or civil action being grounded on the allegation that a person licensed under this Act was negligent in providing care, the Department shall have an additional period of one year from the date of notification to the Department under Section 23 of this Act of such settlement or final judgment in which to investigate and commence formal disciplinary proceedings under Section 36 of this Act, except as otherwise provided by law. The time during which the holder of the license was outside the State of Illinois shall not be included within any period of time limiting the commencement of disciplinary action by the Department.

The entry of an order or judgment by any circuit court establishing that any person holding a license under this Act is a person in need of mental treatment operates as a suspension of that license. That person may resume their practice only upon the entry of a Departmental order based upon a finding by the Medical Disciplinary Board that they have been determined to be recovered from mental illness by the court and upon the Disciplinary Board's recommendation that they be permitted to resume their practice.

The Department may refuse to issue or take disciplinary action concerning the license of any person who fails to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of tax, penalty or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are satisfied as determined by the Illinois Department of Revenue.

The Department, upon the recommendation of the Disciplinary Board, shall adopt rules which set forth standards to be used in determining:

(a) when a person will be deemed sufficiently rehabilitated to warrant the public trust;

(b) what constitutes dishonorable, unethical or unprofessional

New matter indicated by italics - deletions by strikeout
conduct of a character likely to deceive, defraud, or harm the public;
(c) what constitutes immoral conduct in the commission of any act, including, but not limited to, commission of an act of sexual misconduct related to the licensee's practice; and
(d) what constitutes gross negligence in the practice of medicine.
However, no such rule shall be admissible into evidence in any civil action except for review of a licensing or other disciplinary action under this Act.

In enforcing this Section, the Medical Disciplinary Board, upon a showing of a possible violation, may compel any individual licensed to practice under this Act, or who has applied for licensure or a permit pursuant to this Act, to submit to a mental or physical examination, or both, as required by and at the expense of the Department. The examining physician or physicians shall be those specifically designated by the Disciplinary Board. The Medical Disciplinary Board or the Department may order the examining physician to present testimony concerning this mental or physical examination of the licensee or applicant. No information shall be excluded by reason of any common law or statutory privilege relating to communication between the licensee or applicant and the examining physician. The individual to be examined may have, at his or her own expense, another physician of his or her choice present during all aspects of the examination. Failure of any individual to submit to mental or physical examination, when directed, shall be grounds for suspension of his or her license until such time as the individual submits to the examination if the Disciplinary Board finds, after notice and hearing, that the refusal to submit to the examination was without reasonable cause. If the Disciplinary Board finds a physician unable to practice because of the reasons set forth in this Section, the Disciplinary Board shall require such physician to submit to care, counseling, or treatment by physicians approved or designated by the Disciplinary Board, as a condition for continued, reinstated, or renewed licensure to practice. Any physician, whose license was granted pursuant to Sections 9, 17, or 19 of this Act, or, continued, reinstated, renewed, disciplined or supervised, subject to such terms, conditions or restrictions who shall fail to comply with such terms, conditions or restrictions, or to complete a required program of care, counseling, or treatment, as determined by the Chief Medical Coordinator or Deputy Medical Coordinators, shall be referred to the Director for a determination as to whether the licensee shall have their license suspended immediately, pending a hearing by the

Disciplinary Board. In instances in which the Director immediately suspends a license under this Section, a hearing upon such person's license must be convened by the Disciplinary Board within 15 days after such suspension and completed without appreciable delay. The Disciplinary Board shall have the authority to review the subject physician's record of treatment and counseling regarding the impairment, to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

An individual licensed under this Act, affected under this Section, shall be afforded an opportunity to demonstrate to the Disciplinary Board that they can resume practice in compliance with acceptable and prevailing standards under the provisions of their license.

The Department may promulgate rules for the imposition of fines in disciplinary cases, not to exceed $5,000 for each violation of this Act. Fines may be imposed in conjunction with other forms of disciplinary action, but shall not be the exclusive disposition of any disciplinary action arising out of conduct resulting in death or injury to a patient. Any funds collected from such fines shall be deposited in the Medical Disciplinary Fund.

(B) The Department shall revoke the license or visiting permit of any person issued under this Act to practice medicine or to treat human ailments without the use of drugs and without operative surgery, who has been convicted a second time of committing any felony under the Illinois Controlled Substances Act or the Methamphetamine Control and Community Protection Act, or who has been convicted a second time of committing a Class 1 felony under Sections 8A-3 and 8A-6 of the Illinois Public Aid Code. A person whose license or visiting permit is revoked under this subsection B of Section 22 of this Act shall be prohibited from practicing medicine or treating human ailments without the use of drugs and without operative surgery.

(C) The Medical Disciplinary Board shall recommend to the Department civil penalties and any other appropriate discipline in disciplinary cases when the Board finds that a physician willfully performed an abortion with actual knowledge that the person upon whom the abortion has been performed is a minor or an incompetent person without notice as required under the Parental Notice of Abortion Act of 1995. Upon the Board's recommendation, the Department shall impose, for the first violation, a civil penalty of $1,000 and for a second or subsequent violation, a civil penalty of $5,000.

At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship,
issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of his employment related duties, or to allow transportation for the petitioner, or a household member of the petitioner's family, to receive necessary medical care and if the professional evaluation indicates, provide transportation for alcohol remedial or rehabilitative activity, or for the petitioner to attend classes, as a student, in an accredited educational institution; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and the petitioner will not endanger the public safety or welfare.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section

11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 18 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

"School related activity" means any sporting, social, academic or other activity for which students' attendance or participation is sponsored, organized, or funded in whole or in part by a school or school district.

(b) (i) If before trial or plea an information or indictment is filed that does not charge an offense specified in paragraph (a) of this subsection (1) the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the Criminal Code of 1961 on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes one or more charges specified in paragraph (a) of this subsection (1) and additional charges that are not specified in that paragraph, all of the charges arising out of the same incident shall be prosecuted under the Criminal Code of 1961.

(c) (i) If after trial or plea the minor is convicted of any offense covered by paragraph (a) of this subsection (1), then, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If after trial or plea the court finds that the minor committed an offense not covered by paragraph (a) of this subsection (1), that finding shall not invalidate the verdict or the prosecution of the minor under the criminal laws of the State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To
request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine if the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Corrections, Juvenile Division, for the treatment and rehabilitation of the minor; (e) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.

the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine if whether the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous delinquent history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Corrections, Juvenile Division, for the treatment and rehabilitation of the minor; (e) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. (6) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who, pursuant to subsection (1), (2), or (3) of Section 5-805, or 5-810, has previously been placed under the jurisdiction of the criminal court and has been convicted of a crime under an
adult criminal or penal statute. Such a minor shall be subject to prosecution under the criminal laws of this State.

(7) The procedures set out in this Article for the investigation, arrest and prosecution of juvenile offenders shall not apply to minors who are excluded from jurisdiction of the Juvenile Court, except that minors under 17 years of age shall be kept separate from confined adults.

(8) Nothing in this Act prohibits or limits the prosecution of any minor for an offense committed on or after his or her 17th birthday even though he or she is at the time of the offense a ward of the court.

(9) If an original petition for adjudication of wardship alleges the commission by a minor 13 years of age or over of an act that constitutes a crime under the laws of this State, the minor, with the consent of his or her counsel, may, at any time before commencement of the adjudicatory hearing, file with the court a motion that criminal prosecution be ordered and that the petition be dismissed insofar as the act or acts involved in the criminal proceedings are concerned. If such a motion is filed as herein provided, the court shall enter its order accordingly.

(10) If a minor is subject to the provisions of subsection (2) of this Section, other than a minor charged with a Class X felony violation of the Illinois Controlled Substances Act or the Methamphetamine Control and Community Protection Act, any party including the minor or the court sua sponte may, before trial, move for a hearing for the purpose of trying and sentencing the minor as a delinquent minor. To request a hearing, the party must file a motion prior to trial. Reasonable notice of the motion shall be given to all parties. On its own motion or upon the filing of a motion by one of the parties including the minor, the court shall conduct a hearing to determine whether the minor should be tried and sentenced as a delinquent minor under this Article. In making its determination, the court shall consider among other matters:

(a) The age of the minor;
(b) Any previous delinquent or criminal history of the minor;
(c) Any previous abuse or neglect history of the minor;
(d) Any mental health or educational history of the minor, or both;
and
(e) Whether there is probable cause to support the charge, whether the minor is charged through accountability, and whether there is evidence the minor possessed a deadly weapon or caused serious bodily harm during the offense.

Any material that is relevant and reliable shall be admissible at the
hearing. In all cases, the judge shall enter an order permitting prosecution under the criminal laws of Illinois unless the judge makes a finding based on a preponderance of the evidence that the minor would be amenable to the care, treatment, and training programs available through the facilities of the juvenile court based on an evaluation of the factors listed in this subsection (10).

Sec. 5-601. Trial.
(1) When a petition has been filed alleging that the minor is a delinquent, a trial must be held within 120 days of a written demand for such hearing made by any party, except that when the State, without success, has exercised due diligence to obtain evidence material to the case and there are reasonable grounds to believe that the evidence may be obtained at a later date, the court may, upon motion by the State, continue the trial for not more than 30 additional days.

(2) If a minor respondent has multiple delinquency petitions pending against him or her in the same county and simultaneously demands a trial upon more than one delinquency petition pending against him or her in the same county, he or she shall receive a trial or have a finding, after waiver of trial, upon at least one such petition before expiration relative to any of the pending petitions of the period described by this Section. All remaining petitions thus pending against the minor respondent shall be adjudicated within 160 days from the date on which a finding relative to the first petition prosecuted is rendered under Section 5-620 of this Article, or, if the trial upon the first petition is terminated without a finding and there is no subsequent trial, or adjudication after waiver of trial, on the first petition within a reasonable time, the minor shall receive a trial upon all of the remaining petitions within 160 days from the date on which the trial, or finding after waiver of trial, on the first petition is concluded. If either such period of 160 days expires without the commencement of trial, or adjudication after waiver of trial, of any of the remaining pending petitions, the petition or petitions shall be dismissed and barred for want of prosecution unless the delay is occasioned by any of the reasons described in this Section.

(3) When no such trial is held within the time required by subsections (1) and (2) of this Section, the court shall, upon motion by any party, dismiss the petition with prejudice.

(4) Without affecting the applicability of the tolling and multiple

prosecution provisions of subsections (8) and (2) of this Section when a petition has been filed alleging that the minor is a delinquent and the minor is in detention or shelter care, the trial shall be held within 30 calendar days after the date of the order directing detention or shelter care, or the earliest possible date in compliance with the provisions of Section 5-525 as to the custodial parent, guardian or legal custodian, but no later than 45 calendar days from the date of the order of the court directing detention or shelter care. When the petition alleges the minor has committed an offense involving a controlled substance as defined in the Illinois Controlled Substances Act or methamphetamine as defined in the Methamphetamine Control and Community Protection Act, the court may, upon motion of the State, continue the trial for receipt of a confirmatory laboratory report for up to 45 days after the date of the order directing detention or shelter care. When the petition alleges the minor committed an offense that involves the death of, great bodily harm to or sexual assault or aggravated criminal sexual abuse on a victim, the court may, upon motion of the State, continue the trial for not more than 70 calendar days after the date of the order directing detention or shelter care.

Any failure to comply with the time limits of this Section shall require the immediate release of the minor from detention, and the time limits set forth in subsections (1) and (2) shall apply.

(5) If the court determines that the State, without success, has exercised due diligence to obtain the results of DNA testing that is material to the case, and that there are reasonable grounds to believe that the results may be obtained at a later date, the court may continue the cause on application of the State for not more than 120 additional days. The court may also extend the period of detention of the minor for not more than 120 additional days.

(6) If the State's Attorney makes a written request that a proceeding be designated an extended juvenile jurisdiction prosecution, and the minor is in detention, the period the minor can be held in detention pursuant to subsection (4), shall be extended an additional 30 days after the court determines whether the proceeding will be designated an extended juvenile jurisdiction prosecution or the State's Attorney withdraws the request for extended juvenile jurisdiction prosecution.

(7) When the State's Attorney files a motion for waiver of jurisdiction pursuant to Section 5-805, and the minor is in detention, the period the minor can be held in detention pursuant to subsection (4), shall be extended an additional 30 days if the court denies motion for waiver of jurisdiction or the

(8) The period in which a trial shall be held as prescribed by subsections (1), (2), (3), (4), (5), (6), or (7) of this Section is tolled by: (i) delay occasioned by the minor; (ii) a continuance allowed pursuant to Section 114-4 of the Code of Criminal Procedure of 1963 after the court's determination of the minor's incapacity for trial; (iii) an interlocutory appeal; (iv) an examination of fitness ordered pursuant to Section 104-13 of the Code of Criminal Procedure of 1963; (v) a fitness hearing; or (vi) an adjudication of unfitness for trial. Any such delay shall temporarily suspend, for the time of the delay, the period within which a trial must be held as prescribed by subsections (1), (2), (4), (5), and (6) of this Section. On the day of expiration of the delays the period shall continue at the point at which the time was suspended.

(9) Nothing in this Section prevents the minor or the minor's parents, guardian or legal custodian from exercising their respective rights to waive the time limits set forth in this Section.

(2) If the minor, his or her parent, guardian, or legal custodian, the minor's attorney or State's Attorney objects in open court to any continuance and insists upon proceeding to findings and adjudication, the court shall so proceed.

(3) Nothing in this Section limits the power of the court to order a continuance of the hearing for the production of additional evidence or for any other proper reason.

(4) When a hearing where a minor is alleged to be a delinquent is continued pursuant to this Section, the period of continuance under supervision may not exceed 24 months. The court may terminate a continuance under supervision at any time if warranted by the conduct of the minor and the ends of justice.

   (p) comply with curfew requirements as designated by the court;

(q) refrain from entering into a designated geographic area except upon terms as the court finds appropriate. The terms may include consideration of the purpose of the entry, the time of day, other persons accompanying the minor, and advance approval by a probation officer;

(r) refrain from having any contact, directly or indirectly, with certain specified persons or particular types of persons, including but not limited to members of street gangs and drug users or dealers;

(r-5) undergo a medical or other procedure to have a tattoo symbolizing allegiance to a street gang removed from his or her body;

(s) refrain from having in his or her body the presence of any illicit drug prohibited by the Cannabis Control Act, or the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act, unless prescribed by a physician, and submit samples of his or her blood or urine or both for tests to determine the presence of any illicit drug; or

(t) comply with any other conditions as may be ordered by the court.

(6) A minor whose case is continued under supervision under subsection (5) shall be given a certificate setting forth the conditions imposed by the court. Those conditions may be reduced, enlarged, or modified by the court on motion of the probation officer or on its own motion, or that of the State's Attorney, or, at the request of the minor after notice and hearing.

(7) If a petition is filed charging a violation of a condition of the continuance under supervision, the court shall conduct a hearing. If the court finds that a condition of supervision has not been fulfilled, the court may proceed to findings and adjudication and disposition. The filing of a petition for violation of a condition of the continuance under supervision shall toll the period of continuance under supervision until the final determination of the charge, and the term of the continuance under supervision shall not run until the hearing and disposition of the petition for violation; provided where the petition alleges conduct that does not constitute a criminal offense, the hearing must be held within 30 days of the filing of the petition unless a delay shall continue the tolling of the period of continuance under supervision for the period of the delay.

(8) When a hearing in which a minor is alleged to be a delinquent for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 is continued under this Section, the court shall, as a condition of the continuance under supervision, require the minor to perform community
service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the alleged violation or similar damage to property located in the municipality or county in which the alleged violation occurred. The condition may be in addition to any other condition.

(8.5) When a hearing in which a minor is alleged to be a delinquent for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 is continued under this Section, the court shall, as a condition of the continuance under supervision, require the minor to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The condition may be in addition to any other condition.

(9) When a hearing in which a minor is alleged to be a delinquent is continued under this Section, the court, before continuing the case, shall make a finding whether the offense alleged to have been committed either: (i) was related to or in furtherance of the activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (ii) is a violation of paragraph (13) of subsection (a) of Section 12-2 of the Criminal Code of 1961, a violation of any Section of Article 24 of the Criminal Code of 1961, or a violation of any statute that involved the unlawful use of a firearm. If the court determines the question in the affirmative the court shall, as a condition of the continuance under supervision and as part of or in addition to any other condition of the supervision, require the minor to perform community service for not less than 30 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by an alleged violation of Section 21-1.3 of the Criminal Code of 1961 and similar damage to property located in the municipality or county in which the alleged violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(10) The court shall impose upon a minor placed on supervision, as a condition of the supervision, a fee of $25 for each month of supervision ordered by the court, unless after determining the inability of the minor

placed on supervision to pay the fee, the court assesses a lesser amount. The
court may not impose the fee on a minor who is made a ward of the State
under this Act while the minor is in placement. The fee shall be imposed only
upon a minor who is actively supervised by the probation and court services
department. A court may order the parent, guardian, or legal custodian of the
minor to pay some or all of the fee on the minor's behalf.

forcible felony shall be placed on probation;
(ii) placed in accordance with Section 5-740, with or
without also being put on probation or conditional discharge;
(iii) required to undergo a substance abuse assessment
conducted by a licensed provider and participate in the
indicated clinical level of care;
(iv) placed in the guardianship of the Department of
Children and Family Services, but only if the delinquent
minor is under 13 years of age;
(v) placed in detention for a period not to exceed 30

detained shall be 10 years of age or older. However, the 30-
day limitation may be extended by further order of the court
for a minor under age 13 committed to the Department of
Children and Family Services if the court finds that the minor
is a danger to himself or others. The minor shall be given

credit on the sentencing order of detention for time spent in detention under Sections 5-501, 5-601, 5-710, or 5-720 of this Article as a result of the offense for which the sentencing order was imposed. The court may grant credit on a sentencing order of detention entered under a violation of probation or violation of conditional discharge under Section 5-720 of this Article for time spent in detention before the filing of the petition alleging the violation. A minor shall not be deprived of credit for time spent in detention before the filing of a violation of probation or conditional discharge alleging the same or related act or acts;

(vi) ordered partially or completely emancipated in accordance with the provisions of the Emancipation of Mature Minors Act;

(ix) ordered to undergo a medical or other procedure to have a tattoo symbolizing allegiance to a street gang removed from his or her body.

(b) A minor found to be guilty may be committed to the Department of Corrections, Juvenile Division, under Section 5-750 if the minor is 13 years of age or older, provided that the commitment to the Department of Corrections, Juvenile Division, shall be made only if a term of incarceration is permitted by law for adults found guilty of the offense for which the minor was adjudicated delinquent. The time during which a minor is in custody before being released upon the request of a parent, guardian or legal custodian shall be considered as time spent in detention.

(c) When a minor is found to be guilty for an offense which is a violation of the Illinois Controlled Substances Act, or the

New matter indicated by italics - deletions by strikeout
Cannabis Control Act, or the Methamphetamine Control and Community Protection Act and made a ward of the court, the court may enter a disposition order requiring the minor to undergo assessment, counseling or treatment in a substance abuse program approved by the Department of Human Services.

(2) Any sentencing order other than commitment to the Department of Corrections, Juvenile Division, may provide for protective supervision under Section 5-725 and may include an order of protection under Section 5-730.

(3) Unless the sentencing order expressly so provides, it does not operate to close proceedings on the pending petition, but is subject to modification until final closing and discharge of the proceedings under Section 5-750.

(4) In addition to any other sentence, the court may order any minor found to be delinquent to make restitution, in monetary or non-monetary form, under the terms and conditions of Section 5-5-6 of the Unified Code of Corrections, except that the "presentencing hearing" referred to in that Section shall be the sentencing hearing for purposes of this Section. The parent, guardian or legal custodian of the minor may be ordered by the court to pay some or all of the restitution on the minor's behalf, pursuant to the Parental Responsibility Law. The State's Attorney is authorized to act on behalf of any victim in seeking restitution in proceedings under this Section, up to the maximum amount allowed in Section 5 of the Parental Responsibility Law.

(5) Any sentencing order where the minor is committed or placed in accordance with Section 5-740 shall provide for the parents or guardian of the estate of the minor to pay to the legal custodian or guardian of the person of the minor such sums as are determined by the custodian or guardian of the person of the minor as necessary for the minor's needs. The payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.

(6) Whenever the sentencing order requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code.

(7) In no event shall a guilty minor be committed to the Department of Corrections, Juvenile Division for a period of time in excess of that period for which an adult could be committed for the same act.

(8) A minor found to be guilty for reasons that include a violation of

The order may be in addition to any other order authorized by this Section.

(9) In addition to any other sentencing order, the court shall order any minor found to be guilty for an act which would constitute, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, aggravated criminal sexual abuse, or criminal sexual abuse if committed by an adult to undergo medical testing to determine whether the defendant has any sexually transmissible disease including a test for infection with human immunodeficiency virus (HIV) or any other identified causative agency of acquired immunodeficiency syndrome (AIDS). Any medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the minor's person. Except as otherwise provided by law, the results of the test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the sentencing order was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom the results of the testing may be revealed. The court shall notify the minor of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or the legal guardian, of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at the Department of Public Health facilities to all parties to whom the results of the testing are revealed. The court shall order that the cost of any test shall be paid by the county and may be taxed as costs against
(10) When a court finds a minor to be guilty the court shall, before entering a sentencing order under this Section, make a finding whether the offense committed either: (a) was related to or in furtherance of the criminal activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (b) involved a violation of subsection (a) of Section 12-7.1 of the Criminal Code of 1961, a violation of any Section of Article 24 of the Criminal Code of 1961, or a violation of any statute that involved the wrongful use of a firearm. If the court determines the question in the affirmative, and the court does not commit the minor to the Department of Corrections, Juvenile Division, the court shall order the minor to perform community service for not less than 30 hours nor more than 120 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by a violation of Section 21-1.3 of the Criminal Code of 1961 and similar damage to property located in the municipality or county in which the violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. This order shall be in addition to any other order authorized by this Section except for an order to place the minor in the custody of the Department of Corrections, Juvenile Division. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

The juvenile court may terminate probation or conditional discharge and discharge the minor at any time if warranted by the conduct of the minor and the ends of justice; provided, however, that the period of probation for a minor who is found to be guilty for an offense which is first degree murder, a Class X felony, or a forcible felony shall be at least 5 years.

(ii) admit any person or agent designated by the court into the minor's place of confinement at any time for purposes of verifying the minor's compliance with the conditions of his or her confinement; and

(iii) use an approved electronic monitoring device if ordered by the court subject to Article 8A of Chapter V of the Unified Code of Corrections;

(3.10) The court shall order that a minor placed on probation or conditional discharge for a sex offense as defined in the Sex Offender Management Board Act undergo and successfully complete sex offender treatment. (5) The court shall impose upon a minor placed on probation or conditional discharge, as a condition of the probation or conditional discharge, a fee of $25 for each month of probation or conditional discharge supervision ordered by the court, unless after determining the inability of the minor placed on probation or conditional discharge to pay the fee, the court assesses a lesser amount. The court may not impose the fee on a minor who is made a ward of the State under this Act while the minor is in placement. Sec. 5-805. Transfer of jurisdiction.

(1) Mandatory transfers.

(a) If a petition alleges commission by a minor 15 years of age or older of an act that constitutes a forcible felony under the laws of this State, and if a motion by the State's Attorney to prosecute the minor under the criminal laws of Illinois for the alleged forcible felony alleges that (i) the minor has previously been adjudicated delinquent or found guilty for commission of an act that constitutes a felony under the laws of this State or any other state and (ii) the act that constitutes the offense was committed in furtherance of criminal activity by an organized gang, the Juvenile Judge assigned to hear and determine those motions shall, upon determining that there is probable cause that both allegations are true, enter an order permitting prosecution under the criminal laws of Illinois.

(b) If a petition alleges commission by a minor 15 years of age or older of an act that constitutes a felony under the laws of this State, and if a motion by a State's Attorney to prosecute the minor under the criminal laws of Illinois for the alleged felony alleges that (i) the minor has previously been adjudicated delinquent or found guilty for commission of an act that constitutes a forcible felony under the laws of this State or any other state and (ii) the act that constitutes the offense was committed in furtherance of criminal activities by an organized gang, the Juvenile Judge assigned to hear and determine those motions shall, upon determining that there is probable cause that both allegations are true, enter an order permitting prosecution under the criminal laws of Illinois.

(c) If a petition alleges commission by a minor 15 years of age or older of: (i) an act that constitutes an offense enumerated in the presumptive transfer provisions of subsection (2); and (ii) the minor has previously been adjudicated delinquent or found guilty of a forcible felony, the Juvenile Judge designated to hear and determine those motions shall, upon determining that there is probable cause that both allegations are true, enter an order permitting prosecution under the criminal laws of Illinois.

(d) If a petition alleges commission by a minor 15 years of age or older of an act that constitutes the offense of aggravated discharge of a firearm committed in a school, on the real property comprising a school, within 1,000 feet of the real property comprising a school,
at a school related activity, or on, boarding, or departing from any conveyance owned, leased, or contracted by a school or school district to transport students to or from school or a school related activity, regardless of the time of day or the time of year, the juvenile judge designated to hear and determine those motions shall, upon determining that there is probable cause that the allegations are true, enter an order permitting prosecution under the criminal laws of Illinois.

For purposes of this paragraph (d) of subsection (1):

"School" means a public or private elementary or secondary school, community college, college, or university.

"School related activity" means any sporting, social, academic, or other activity for which students' attendance or participation is sponsored, organized, or funded in whole or in part by a school or school district. (2) Presumptive transfer.

(a) If the State's Attorney files a petition, at any time prior to commencement of the minor's trial, to permit prosecution under the criminal laws and the petition alleges the commission by a minor 15 years of age or older of: (i) a Class X felony other than armed violence; (ii) aggravated discharge of a firearm; (iii) armed violence with a firearm when the predicate offense is a Class 1 or Class 2 felony and the State's Attorney's motion to transfer the case alleges that the offense committed is in furtherance of the criminal activities of an organized gang; (iv) armed violence with a firearm when the predicate offense is a violation of the Illinois Controlled Substances Act, or a violation of the Cannabis Control Act, or a violation of the Methamphetamine Control and Community Protection Act; (v) armed violence when the weapon involved was a machine gun or other weapon described in subsection (a)(7) of Section 24-1 of the Criminal Code of 1961, and, if the juvenile judge assigned to hear and determine motions to transfer a case for prosecution in the criminal court determines that there is probable cause to believe that the allegations in the petition and motion are true, there is a rebuttable presumption that the minor is not a fit and proper subject to be dealt with under the Juvenile Justice Reform Provisions of 1998 (Public Act 90-590), and that, except as provided in paragraph (b), the case should be transferred to the criminal court.

(b) The judge shall enter an order permitting prosecution under the criminal laws of Illinois unless the judge makes a finding
based on clear and convincing evidence that the minor would be amenable to the care, treatment, and training programs available through the facilities of the juvenile court based on an evaluation of the following:

(i) The seriousness of the alleged offense;
(ii) The minor's history of delinquency;
(iii) The age of the minor;
(iv) The culpability of the minor in committing the alleged offense;
(v) Whether the offense was committed in an aggressive or premeditated manner;
(vi) Whether the minor used or possessed a deadly weapon when committing the alleged offense;
(vii) The minor's history of services, including the minor's willingness to participate meaningfully in available services;
(viii) Whether there is a reasonable likelihood that the minor can be rehabilitated before the expiration of the juvenile court's jurisdiction;
(ix) The adequacy of the punishment or services available in the juvenile justice system.

In considering these factors, the court shall give greater weight to the seriousness of the alleged offense and the minor's prior record of delinquency than to the other factors listed in this subsection.

(3) Discretionary transfer.

(a) If a petition alleges commission by a minor 13 years of age or over of an act that constitutes a crime under the laws of this State and, on motion of the State's Attorney to permit prosecution of the minor under the criminal laws, a Juvenile Judge assigned by the Chief Judge of the Circuit to hear and determine those motions, after hearing but before commencement of the trial, finds that there is probable cause to believe that the allegations in the motion are true and that it is not in the best interests of the public to proceed under this Act, the court may enter an order permitting prosecution under the criminal laws.

(b) In making its determination on the motion to permit prosecution under the criminal laws, the court shall consider among other matters:

(i) The seriousness of the alleged offense;
(ii) The minor's history of delinquency;

New matter indicated by italics - deletions by strikeout
(iii) The age of the minor;
(iv) The culpability of the minor in committing the alleged offense;
(v) Whether the offense was committed in an aggressive or premeditated manner;
(vi) Whether the minor used or possessed a deadly weapon when committing the alleged offense;
(vii) The minor's history of services, including the minor's willingness to participate meaningfully in available services;
(viii) The adequacy of the punishment or services available in the juvenile justice system.
In considering these factors, the court shall give greater weight to the seriousness of the alleged offense and the minor's prior record of delinquency than to the other factors listed in this subsection.

(4) The rules of evidence for this hearing shall be the same as under Section 5-705 of this Act. A minor must be represented in court by counsel before the hearing may be commenced.

(5) If criminal proceedings are instituted, the petition for adjudication of wardship shall be dismissed insofar as the act or acts involved in the criminal proceedings. Taking of evidence in a trial on petition for adjudication of wardship is a bar to criminal proceedings based upon the conduct alleged in the petition.

(iii) The Secretary of State to whom the Clerk of the Court shall report the disposition of all cases, as required in Section 6-204 or Section 6-205.1 of the Illinois Vehicle Code. However, information reported relative to these offenses shall be privileged and available only to the Secretary of State, courts, and police officers;

Any telecommunications device possessed by a person on the real property of any elementary or secondary school without the authority of the school principal, or used in the commission of an offense prohibited by this Code, the Illinois Controlled Substances Act, or the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act or which constitutes evidence of the commission of such offenses may be seized and delivered forthwith to the investigating law enforcement agency. A person who is not a student of the particular elementary or secondary school, who is on school property as an invitee of the school, and who has possession of a telecommunication device for lawful and legitimate purposes, shall not need to obtain authority from the school principal to possess the telecommunication device on school property. Such telecommunication device shall not be seized unless it was used in the commission of an offense specified above, or constitutes evidence of such an offense. Within 15 days after such delivery the investigating law enforcement agency shall give notice of seizure to any known owners, lienholders and secured parties of such property. Within that 15 day period the investigating law enforcement agency shall also notify the State's Attorney of the county of seizure about the seizure.

(b) Rights of lienholders and secured parties.
The State's Attorney shall promptly release a telecommunications device seized under the provisions of this Article to any lienholder or secured party if such lienholder or secured party shows to the State's Attorney that his lien or security interest is bona fide and was created without actual knowledge that such telecommunications device was or possessed in violation of this Section or used or to be used in the commission of the offense charged.

(c) Action for forfeiture. (1) The State's Attorney in the county in which such seizure occurs if he finds that such forfeiture was incurred without willful negligence or without any intention on the part of the owner of the telecommunications device or a lienholder or secured party to violate the law, or finds the existence of such mitigating circumstances as to justify remission of the forfeiture, may cause the investigating law enforcement agency to remit the same upon such terms and conditions as the State's Attorney deems reasonable and just. The State's Attorney shall exercise his discretion under the foregoing provision of this Section promptly after notice is given in accordance with subsection (a). If the State's Attorney does not cause the forfeiture to be remitted he shall forthwith bring an action for forfeiture in the circuit court within whose jurisdiction the seizure and confiscation has taken place. The State's Attorney shall give notice of the forfeiture proceeding by mailing a copy of the complaint in the forfeiture proceeding to the persons and in the manner set forth in subsection (a). The owner of the device or any person with any right, title, or interest in the device may within 20 days after the mailing of such notice file a verified answer to the complaint and may appear at the hearing on the action for forfeiture. The State shall show at such hearing by a preponderance of the evidence that the device was used in the commission of an offense described in subsection (a). The owner of the device or any person with any right, title, or interest in the device may show by a preponderance of the evidence that he did not know, and did not have reason to know, that the device was possessed in violation of this Section or to be used in the commission of such an offense or that any of the exceptions set forth in subsection (d) are applicable. Unless the State shall make such showing, the Court shall order the device released to the owner. Where the State has made such showing, the Court may order the device destroyed; may upon the request of the investigating law enforcement agency, order it delivered to any local, municipal or county law enforcement agency, or the Department of State Police or the Department of Revenue of the State of Illinois; or may order it sold at public auction.

(2) A copy of the order shall be filed with the investigating law enforcement agency of the county in which the seizure occurs. The investigating law enforcement agency shall comply promptly with instructions to remit received from the State's Attorney or Attorney General in accordance with paragraph (1) of this subsection or subsection (d).

(3) The proceeds of any sale at public auction pursuant to this subsection, after payment of all liens and deduction of the reasonable charges and expenses incurred by the investigating law enforcement agency in storing and selling the device, shall be paid into the general fund of the level of government responsible for the operation of the investigating law enforcement agency.

(d) Exceptions to forfeiture. (b) No device shall be forfeited under the provisions of subsection (c) by reason of any act or omission established by the owner thereof to have been committed or omitted by any person other than the owner while the device was unlawfully in the possession of a person who acquired possession thereof in violation of the criminal laws of the United States, or of any state.

(e) Remission by Attorney General. Whenever any owner of, or other person interested in, a device seized under the provisions of this Section files with the Attorney General before the sale or destruction of the device a petition for the remission of such forfeiture the Attorney General if he finds that such forfeiture was incurred without willful negligence or without any intention on the part of the owner or any person with any right, title or interest in the device to violate the law, or finds the existence of such mitigating circumstances as to justify the remission of forfeiture, may cause the same to be remitted upon such terms and conditions as he deems reasonable and just, or order discontinuance of any forfeiture proceeding relating thereto.

(b-1) Subsection (b) is inoperative on and after January 1, 2005.

(b-2) No conversations recorded or monitored pursuant to subsection (b) shall be made inadmissible in a court of law by virtue of subsection (b-1).

Sec. 110-5. Determining the amount of bail and conditions of release.

(a) In determining the amount of monetary bail or conditions of release, if any, which will reasonably assure the appearance of a defendant as required or the safety of any other person or the community and the likelihood of compliance by the defendant with all the conditions of bail, the court shall, on the basis of available information, take into account such matters as the nature and circumstances of the offense charged, whether the evidence shows that as part of the offense there was a use of violence or threatened use of violence, whether the offense involved corruption of public officials or employees, whether there was physical harm or threats of physical harm to any public official, public employee, judge, prosecutor, juror or witness, senior citizen, child or handicapped person, whether evidence shows that during the offense or during the arrest the defendant possessed or used a firearm, machine gun, explosive or metal piercing ammunition or explosive bomb device or any military or paramilitary armament, whether the evidence shows that the offense committed was related to or in furtherance of the
criminal activities of an organized gang or was motivated by the defendant's membership in or allegiance to an organized gang, the condition of the victim, any written statement submitted by the victim or proffer or representation by the State regarding the impact which the alleged criminal conduct has had on the victim and the victim's concern, if any, with further contact with the defendant if released on bail, whether the offense was based on racial, religious, sexual orientation or ethnic hatred, the likelihood of the filing of a greater charge, the likelihood of conviction, the sentence applicable upon conviction, the weight of the evidence against such defendant, whether there exists motivation or ability to flee, whether there is any verification as to prior residence, education, or family ties in the local jurisdiction, in another county, state or foreign country, the defendant's employment, financial resources, character and mental condition, past conduct, prior use of alias names or dates of birth, and length of residence in the community, the consent of the defendant to periodic drug testing in accordance with Section 110-6.5, whether a foreign national defendant is lawfully admitted in the United States of America, whether the government of the foreign national maintains an extradition treaty with the United States by which the foreign government will extradite to the United States its national for a trial for a crime allegedly committed in the United States, whether the defendant is currently subject to deportation or exclusion under the immigration laws of the United States, whether the defendant, although a United States citizen, is considered under the law of any foreign state a national of that state for the purposes of extradition or non-extradition to the United States, the amount of unrecovered proceeds lost as a result of the alleged offense, the source of bail funds tendered or sought to be tendered for bail, whether from the totality of the court's consideration, the loss of funds posted or sought to be posted for bail will not deter the defendant from flight, whether the evidence shows that the defendant is engaged in significant possession, manufacture, or delivery of a controlled substance or cannabis, either individually or in consort with others, whether at the time of the offense charged he was on bond or pre-trial release pending trial, probation, periodic imprisonment or conditional discharge pursuant to this Code or the comparable Code of any other state or federal jurisdiction, whether the defendant is on bond or pre-trial release pending the imposition or execution of sentence or appeal of sentence for any offense under the laws of Illinois or any other state or federal jurisdiction, whether the defendant is under parole or mandatory supervised release or work release from the Illinois Department of Corrections or any penal institution or corrections department of any state or federal jurisdiction,

the defendant's record of convictions, whether the defendant has been convicted of a misdemeanor or ordinance offense in Illinois or similar offense in other state or federal jurisdiction within the 10 years preceding the current charge or convicted of a felony in Illinois, whether the defendant was convicted of an offense in another state or federal jurisdiction that would be a felony if committed in Illinois within the 20 years preceding the current charge or has been convicted of such felony and released from the penitentiary within 20 years preceding the current charge if a penitentiary sentence was imposed in Illinois or other state or federal jurisdiction, the defendant's records of juvenile adjudication of delinquency in any jurisdiction, any record of appearance or failure to appear by the defendant at court proceedings, whether there was flight to avoid arrest or prosecution, whether the defendant escaped or attempted to escape to avoid arrest, whether the defendant refused to identify himself, or whether there was a refusal by the defendant to be fingerprinted as required by law. Information used by the court in its findings or stated in or offered in connection with this Section may be by way of proffer based upon reliable information offered by the State or defendant. All evidence shall be admissible if it is relevant and reliable regardless of whether it would be admissible under the rules of evidence applicable at criminal trials. If the State presents evidence that the offense committed by the defendant was related to or in furtherance of the criminal activities of an organized gang or was motivated by the defendant's membership in or allegiance to an organized gang, and if the court determines that the evidence may be substantiated, the court shall prohibit the defendant from associating with other members of the organized gang as a condition of bail or release. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(b) The amount of bail shall be:

(1) Sufficient to assure compliance with the conditions set forth in the bail bond, which shall include the defendant's current address with a written admonishment to the defendant that he or she must comply with the provisions of Section 110-12 regarding any change in his or her address. The defendant's address shall at all times remain a matter of public record with the clerk of the court.

(2) Not oppressive.

(3) Considerate of the financial ability of the accused.

(4) When a person is charged with a drug related offense involving possession or delivery of cannabis or possession or delivery...
of a controlled substance as defined in the Cannabis Control Act, as amended, or the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act as amended, the full street value of the drugs seized shall be considered. "Street value" shall be determined by the court on the basis of a proffer by the State based upon reliable information of a law enforcement official contained in a written report as to the amount seized and such proffer may be used by the court as to the current street value of the smallest unit of the drug seized.

(b-5) Upon the filing of a written request demonstrating reasonable cause, the State's Attorney may request a source of bail hearing either before or after the posting of any funds. If the hearing is granted, before the posting of any bail, the accused must file a written notice requesting that the court conduct a source of bail hearing. The notice must be accompanied by justifying affidavits stating the legitimate and lawful source of funds for bail. At the hearing, the court shall inquire into any matters stated in any justifying affidavits, and may also inquire into matters appropriate to the determination which shall include, but are not limited to, the following:

1. the background, character, reputation, and relationship to the accused of any surety; and
2. the source of any money or property deposited by any surety, and whether any such money or property constitutes the fruits of criminal or unlawful conduct; and
3. the source of any money posted as cash bail, and whether any such money constitutes the fruits of criminal or unlawful conduct; and
4. the background, character, reputation, and relationship to the accused of the person posting cash bail.

Upon setting the hearing, the court shall examine, under oath, any persons who may possess material information.

The State's Attorney has a right to attend the hearing, to call witnesses and to examine any witness in the proceeding. The court shall, upon request of the State's Attorney, continue the proceedings for a reasonable period to allow the State's Attorney to investigate the matter raised in any testimony or affidavit. If the hearing is granted after the accused has posted bail, the court shall conduct a hearing consistent with this subsection (b-5). At the conclusion of the hearing, the court must issue an order either approving of disapproving the bail.

(c) When a person is charged with an offense punishable by fine only
the amount of the bail shall not exceed double the amount of the maximum penalty.

(d) When a person has been convicted of an offense and only a fine has been imposed the amount of the bail shall not exceed double the amount of the fine.

(e) The State may appeal any order granting bail or setting a given amount for bail.

(725 ILCS 5/110-6) (from Ch. 38, par. 110-6)
Sec. 110-6. (a) Upon verified application by the State or the defendant or on its own motion the court before which the proceeding is pending may increase or reduce the amount of bail or may alter the conditions of the bail bond or grant bail where it has been previously revoked or denied. If bail has been previously revoked pursuant to subsection (f) of this Section or if bail has been denied to the defendant pursuant to subsection (e) of Section 110-6.1 or subsection (e) of Section 110-6.3, the defendant shall be required to present a verified application setting forth in detail any new facts not known or obtainable at the time of the previous revocation or denial of bail proceedings. If the court grants bail where it has been previously revoked or denied, the court shall state on the record of the proceedings the findings of facts and conclusion of law upon which such order is based.

(b) Violation of the conditions of Section 110-10 of this Code or any special conditions of bail as ordered by the court shall constitute grounds for the court to increase the amount of bail, or otherwise alter the conditions of bail, or, where the alleged offense committed on bail is a forcible felony in Illinois or a Class 2 or greater offense under the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act, revoke bail pursuant to the appropriate provisions of subsection (e) of this Section.

(c) Reasonable notice of such application by the defendant shall be given to the State.

(d) Reasonable notice of such application by the State shall be given to the defendant, except as provided in subsection (e).

(e) Upon verified application by the State stating facts or circumstances constituting a violation or a threatened violation of any of the conditions of the bail bond the court may issue a warrant commanding any peace officer to bring the defendant without unnecessary delay before the court for a hearing on the matters set forth in the application. If the actual court before which the proceeding is pending is absent or otherwise
unavailable another court may issue a warrant pursuant to this Section. When
the defendant is charged with a felony offense and while free on bail is
charged with a subsequent felony offense and is the subject of a proceeding
set forth in Section 109-1 or 109-3 of this Code, upon the filing of a verified
petition by the State alleging a violation of Section 110-10 (a) (4) of this
Code, the court shall without prior notice to the defendant, grant leave to file
such application and shall order the transfer of the defendant and the
application without unnecessary delay to the court before which the previous
felony matter is pending for a hearing as provided in subsection (b) or this
subsection of this Section. The defendant shall be held without bond pending
transfer to and a hearing before such court. At the conclusion of the hearing
based on a violation of the conditions of Section 110-10 of this Code or any
special conditions of bail as ordered by the court the court may enter an order
increasing the amount of bail or alter the conditions of bail as deemed
appropriate.

(f) Where the alleged violation consists of the violation of one or
more felony statutes of any jurisdiction which would be a forcible felony in
Illinois or a Class 2 or greater offense under the Illinois Controlled
Substances Act, the Cannabis Control Act, or the Methamphetamine
Control and Community Protection Act and the defendant is on bail for the
alleged commission of a felony, or where the defendant is on bail for a felony
domestic battery (enhanced pursuant to subsection (b) of Section 12-3.2 of
the Criminal Code of 1961), aggravated domestic battery, aggravated battery,
unlawful restraint, aggravated unlawful restraint or domestic battery in
violation of item (1) of subsection (a) of Section 12-3.2 of the Criminal Code
of 1961 against a family or household member as defined in Section 112A-3
of this Code and the violation is an offense of domestic battery against the
same victim the court shall, on the motion of the State or its own motion,
revoke bail in accordance with the following provisions:

(1) The court shall hold the defendant without bail pending
the hearing on the alleged breach; however, if the defendant is not
admitted to bail the hearing shall be commenced within 10 days from
the date the defendant is taken into custody or the defendant may not
be held any longer without bail, unless delay is occasioned by the
defendant. Where defendant occasions the delay, the running of the
10 day period is temporarily suspended and resumes at the
termination of the period of delay. Where defendant occasions the
delay with 5 or fewer days remaining in the 10 day period, the court
may grant a period of up to 5 additional days to the State for good

cause shown. The State, however, shall retain the right to proceed to hearing on the alleged violation at any time, upon reasonable notice to the defendant and the court.

(2) At a hearing on the alleged violation the State has the burden of going forward and proving the violation by clear and convincing evidence. The evidence shall be presented in open court with the opportunity to testify, to present witnesses in his behalf, and to cross-examine witnesses if any are called by the State, and representation by counsel and if the defendant is indigent to have counsel appointed for him. The rules of evidence applicable in criminal trials in this State shall not govern the admissibility of evidence at such hearing. Information used by the court in its findings or stated in or offered in connection with hearings for increase or revocation of bail may be by way of proffer based upon reliable information offered by the State or defendant. All evidence shall be admissible if it is relevant and reliable regardless of whether it would be admissible under the rules of evidence applicable at criminal trials. A motion by the defendant to suppress evidence or to suppress a confession shall not be entertained at such a hearing. Evidence that proof may have been obtained as a result of an unlawful search and seizure or through improper interrogation is not relevant to this hearing.

(3) Upon a finding by the court that the State has established by clear and convincing evidence that the defendant has committed a forcible felony or a Class 2 or greater offense under the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act while admitted to bail, or where the defendant is on bail for a felony domestic battery (enhanced pursuant to subsection (b) of Section 12-3.2 of the Criminal Code of 1961), aggravated domestic battery, aggravated battery, unlawful restraint, aggravated unlawful restraint or domestic battery in violation of item (1) of subsection (a) of Section 12-3.2 of the Criminal Code of 1961 against a family or household member as defined in Section 112A-3 of this Code and the violation is an offense of domestic battery, against the same victim, the court shall revoke the bail of the defendant and hold the defendant for trial without bail. Neither the finding of the court nor any transcript or other record of the hearing shall be admissible in the State's case in chief, but shall be admissible for impeachment, or as

provided in Section 115-10.1 of this Code or in a perjury proceeding.

(4) If the bail of any defendant is revoked pursuant to paragraph (f) (3) of this Section, the defendant may demand and shall be entitled to be brought to trial on the offense with respect to which he was formerly released on bail within 90 days after the date on which his bail was revoked. If the defendant is not brought to trial within the 90 day period required by the preceding sentence, he shall not be held longer without bail. In computing the 90 day period, the court shall omit any period of delay resulting from a continuance granted at the request of the defendant.

(5) If the defendant either is arrested on a warrant issued pursuant to this Code or is arrested for an unrelated offense and it is subsequently discovered that the defendant is a subject of another warrant or warrants issued pursuant to this Code, the defendant shall be transferred promptly to the court which issued such warrant. If, however, the defendant appears initially before a court other than the court which issued such warrant, the non-issuing court shall not alter the amount of bail heretofore set on such warrant unless the court sets forth on the record of proceedings the conclusions of law and facts which are the basis for such altering of another court's bond. The non-issuing court shall not alter another court's bail set on a warrant unless the interests of justice and public safety are served by such action.

(g) The State may appeal any order where the court has increased or reduced the amount of bail or altered the conditions of the bail bond or granted bail where it has previously been revoked.

(725 ILCS 5/110-6.1) (from Ch. 38, par. 110-6.1)

Sec. 110-6.1. Denial of bail in non-probationable felony offenses.

(a) Upon verified petition by the State, the court shall hold a hearing to determine whether bail should be denied to a defendant who is charged with a felony offense for which a sentence of imprisonment, without probation, periodic imprisonment or conditional discharge, is required by law upon conviction, when it is alleged that the defendant's admission to bail poses a real and present threat to the physical safety of any person or persons.

(1) A petition may be filed without prior notice to the defendant at the first appearance before a judge, or within the 21 calendar days, except as provided in Section 110-6, after arrest and release of the defendant upon reasonable notice to defendant; provided that while such petition is pending before the court, the

defendant if previously released shall not be detained.

(2) The hearing shall be held immediately upon the defendant's appearance before the court, unless for good cause shown the defendant or the State seeks a continuance. A continuance on motion of the defendant may not exceed 5 calendar days, and a continuance on the motion of the State may not exceed 3 calendar days. The defendant may be held in custody during such continuance.

(b) The court may deny bail to the defendant where, after the hearing, it is determined that:

(1) the proof is evident or the presumption great that the defendant has committed an offense for which a sentence of imprisonment, without probation, periodic imprisonment or conditional discharge, must be imposed by law as a consequence of conviction, and

(2) the defendant poses a real and present threat to the physical safety of any person or persons, by conduct which may include, but is not limited to, a forcible felony, the obstruction of justice, intimidation, injury, physical harm, or an offense under the Illinois Controlled Substances Act which is a Class X felony, or an offense under the Methamphetamine Control and Community Protection Act which is a Class X felony, and

(3) the court finds that no condition or combination of conditions set forth in subsection (b) of Section 110-10 of this Article, can reasonably assure the physical safety of any other person or persons.

(c) Conduct of the hearings.

(1) The hearing on the defendant's culpability and dangerousness shall be conducted in accordance with the following provisions:

(A) Information used by the court in its findings or stated in or offered at such hearing may be by way of proffer based upon reliable information offered by the State or by defendant. Defendant has the right to be represented by counsel, and if he is indigent, to have counsel appointed for him. Defendant shall have the opportunity to testify, to present witnesses in his own behalf, and to cross-examine witnesses if any are called by the State. The defendant has the right to present witnesses in his favor. When the ends of justice so require, the court may exercises its discretion and

compel the appearance of a complaining witness. The court shall state on the record reasons for granting a defense request to compel the presence of a complaining witness. Cross-examination of a complaining witness at the pretrial detention hearing for the purpose of impeaching the witness' credibility is insufficient reason to compel the presence of the witness. In deciding whether to compel the appearance of a complaining witness, the court shall be considerate of the emotional and physical well-being of the witness. The pretrial detention hearing is not to be used for purposes of discovery, and the post arraignment rules of discovery do not apply. The State shall tender to the defendant, prior to the hearing, copies of defendant's criminal history, if any, if available, and any written or recorded statements and the substance of any oral statements made by any person, if relied upon by the State in its petition. The rules concerning the admissibility of evidence in criminal trials do not apply to the presentation and consideration of information at the hearing. At the trial concerning the offense for which the hearing was conducted neither the finding of the court nor any transcript or other record of the hearing shall be admissible in the State's case in chief, but shall be admissible for impeachment, or as provided in Section 115-10.1 of this Code, or in a perjury proceeding.

(B) A motion by the defendant to suppress evidence or to suppress a confession shall not be entertained. Evidence that proof may have been obtained as the result of an unlawful search and seizure or through improper interrogation is not relevant to this state of the prosecution.

(2) The facts relied upon by the court to support a finding that the defendant poses a real and present threat to the physical safety of any person or persons shall be supported by clear and convincing evidence presented by the State.

(d) Factors to be considered in making a determination of dangerousness. The court may, in determining whether the defendant poses a real and present threat to the physical safety of any person or persons, consider but shall not be limited to evidence or testimony concerning:

(1) The nature and circumstances of any offense charged, including whether the offense is a crime of violence, involving a

weapon.

(2) The history and characteristics of the defendant including:
   (A) Any evidence of the defendant's prior criminal history indicative of violent, abusive or assaultive behavior, or lack of such behavior. Such evidence may include testimony or documents received in juvenile proceedings, criminal, quasi-criminal, civil commitment, domestic relations or other proceedings.
   (B) Any evidence of the defendant's psychological, psychiatric or other similar social history which tends to indicate a violent, abusive, or assaultive nature, or lack of any such history.

(3) The identity of any person or persons to whose safety the defendant is believed to pose a threat, and the nature of the threat;

(4) Any statements made by, or attributed to the defendant, together with the circumstances surrounding them;

(5) The age and physical condition of any person assaulted by the defendant;

(6) Whether the defendant is known to possess or have access to any weapon or weapons;

(7) Whether, at the time of the current offense or any other offense or arrest, the defendant was on probation, parole, mandatory supervised release or other release from custody pending trial, sentencing, appeal or completion of sentence for an offense under federal or state law;

(8) Any other factors, including those listed in Section 110-5 of this Article deemed by the court to have a reasonable bearing upon the defendant's propensity or reputation for violent, abusive or assaultive behavior, or lack of such behavior.

(e) Detention order. The court shall, in any order for detention:
   (1) briefly summarize the evidence of the defendant's culpability and its reasons for concluding that the defendant should be held without bail;
   (2) direct that the defendant be committed to the custody of the sheriff for confinement in the county jail pending trial;
   (3) direct that the defendant be given a reasonable opportunity for private consultation with counsel, and for communication with others of his choice by visitation, mail and telephone; and
   (4) direct that the sheriff deliver the defendant as required for
appearances in connection with court proceedings.

(f) If the court enters an order for the detention of the defendant pursuant to subsection (e) of this Section, the defendant shall be brought to trial on the offense for which he is detained within 90 days after the date on which the order for detention was entered. If the defendant is not brought to trial within the 90 day period required by the preceding sentence, he shall not be held longer without bail. In computing the 90 day period, the court shall omit any period of delay resulting from a continuance granted at the request of the defendant.

(g) Rights of the defendant. Any person shall be entitled to appeal any order entered under this Section denying bail to the defendant.

(h) The State may appeal any order entered under this Section denying any motion for denial of bail.

(i) Nothing in this Section shall be construed as modifying or limiting in any way the defendant's presumption of innocence in further criminal proceedings.

(a) The person for whom bail has been set shall execute the bail bond and deposit with the clerk of the court before which the proceeding is pending a sum of money equal to 10% of the bail, but in no event shall such deposit be less than $25. The clerk of the court shall provide a space on each form for a person other than the accused who has provided the money for the posting of bail to so indicate and a space signed by an accused who has executed the bail bond indicating whether a person other than the accused has provided the money for the posting of bail. The form shall also include a written notice to such person who has provided the defendant with the money for the posting of bail indicating that the bail may be used to pay costs, attorney's fees, fines, or other purposes authorized by the court and if the defendant fails to comply with the conditions of the bail bond, the court shall enter an order declaring the bail to be forfeited. The written notice must be: (1) distinguishable from the surrounding text; (2) in bold type or underscored; and (3) in a type size at least 2 points larger than the surrounding type. When a person for whom bail has been set is charged with an offense under the "Illinois Controlled Substances Act or the Methamphetamine Control and Community Protection Act" which is a Class X felony, the court may require the defendant to deposit a sum equal to 100% of the bail. Section 109-3 of this Code the judge conducting the preliminary examination may also conduct a hearing upon the application of the State pursuant to the provisions of Section 110-6 of this Code to increase or revoke the bail for that person's prior alleged offense.

(b) Upon depositing this sum and any bond fee authorized by law, the person shall be released from custody subject to the conditions of the bail bond.

(c) Once bail has been given and a charge is pending or is thereafter filed in or transferred to a court of competent jurisdiction the latter court shall continue the original bail in that court subject to the provisions of Section 110-6 of this Code.

(d) After conviction the court may order that the original bail stand as bail pending appeal or deny, increase or reduce bail subject to the provisions of Section 110-6.2.

(e) After the entry of an order by the trial court allowing or denying bail pending appeal either party may apply to the reviewing court having jurisdiction or to a justice thereof sitting in vacation for an order increasing or decreasing the amount of bail or allowing or denying bail pending appeal subject to the provisions of Section 110-6.2.

(f) When the conditions of the bail bond have been performed and the accused has been discharged from all obligations in the cause the clerk of the court shall return to the accused or to the defendant's designee by an assignment executed at the time the bail amount is deposited, unless the court orders otherwise, 90% of the sum which had been deposited and shall retain as bail bond costs 10% of the amount deposited. However, in no event shall the amount retained by the clerk as bail bond costs be less than $5. Bail bond deposited by or on behalf of a defendant in one case may be used, in the court's discretion, to satisfy financial obligations of that same defendant incurred in a different case due to a fine, court costs, restitution or fees of the defendant's attorney of record. In counties with a population of 3,000,000 or more, the court shall not order bail bond deposited by or on behalf of a defendant in one case to be used to satisfy financial obligations of that same defendant in a different case until the bail bond is first used to satisfy court costs and attorney's fees in the case in which the bail bond has been deposited and any other unpaid child support obligations are satisfied. In counties with a population of less than 3,000,000, the court shall not order bail bond deposited by or on behalf of a defendant in one case to be used to satisfy financial obligations of that same defendant in a different case until the bail bond is first used to satisfy court costs in the case in which the bail bond has

At the request of the defendant the court may order such 90% of defendant's bail deposit, or whatever amount is repayable to defendant from such deposit, to be paid to defendant's attorney of record.

(g) If the accused does not comply with the conditions of the bail bond the court having jurisdiction shall enter an order declaring the bail to be forfeited. Notice of such order of forfeiture shall be mailed forthwith to the accused at his last known address. If the accused does not appear and surrender to the court having jurisdiction within 30 days from the date of the forfeiture or within such period satisfy the court that appearance and surrender by the accused is impossible and without his fault the court shall enter judgment for the State if the charge for which the bond was given was a felony or misdemeanor, or if the charge was quasi-criminal or traffic, judgment for the political subdivision of the State which prosecuted the case, against the accused for the amount of the bail and costs of the court proceedings; however, in counties with a population of less than 3,000,000, instead of the court entering a judgment for the full amount of the bond the court may, in its discretion, enter judgment for the cash deposit on the bond, less costs, retain the deposit for further disposition or, if a cash bond was posted for failure to appear in a matter involving enforcement of child support or maintenance, the amount of the cash deposit on the bond, less outstanding costs, may be awarded to the person or entity to whom the child support or maintenance is due. The deposit made in accordance with paragraph (a) shall be applied to the payment of costs. If judgment is entered and any amount of such deposit remains after the payment of costs it shall be applied to payment of the judgment and transferred to the treasury of the municipal corporation wherein the bond was taken if the offense was a violation of any penal ordinance of a political subdivision of this State, or to the treasury of the county wherein the bond was taken if the offense was a violation of any penal statute of this State. The balance of the judgment may be enforced and collected in the same manner as a judgment entered in a civil action.

(h) After a judgment for a fine and court costs or either is entered in the prosecution of a cause in which a deposit had been made in accordance with paragraph (a) the balance of such deposit, after deduction of bail bond costs, shall be applied to the payment of the judgment.

Section 1085. The Drug Asset Forfeiture Procedure Act is amended by changing Sections 2, 3, 5, 6, 7, and 9 as follows:

New matter indicated by italics - deletions by strikeout
Sec. 2. Legislative Declaration. The General Assembly finds that the civil forfeiture of property which is used or intended to be used in, is attributable to or facilitates the manufacture, sale, transportation, distribution, possession or use of substances in certain violations of the Illinois Controlled Substances Act, or the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act will have a significant beneficial effect in deterring the rising incidence of the abuse and trafficking of such substances within this State. While forfeiture may secure for State and local units of government some resources for deterring drug abuse and drug trafficking, forfeiture is not intended to be an alternative means of funding the administration of criminal justice. The General Assembly further finds that the federal narcotics civil forfeiture statute upon which this Act is based has been very successful in deterring the use and distribution of controlled substances within this State and throughout the country. It is therefore the intent of the General Assembly that the forfeiture provisions of this Act be construed in light of the federal forfeiture provisions contained in 21 U.S.C. 881 as interpreted by the federal courts, except to the extent that the provisions of this Act expressly differ therefrom.

(Source: P.A. 86-1382; 87-614.)

Sec. 3. Applicability. The provisions of this Act are applicable to all property forfeitable under the Illinois Controlled Substances Act, or the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act.

(Source: P.A. 86-1382.)

Sec. 5. Notice to State's Attorney. The law enforcement agency seizing property for forfeiture under the Illinois Controlled Substances Act, or the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act shall, within 52 days of seizure, notify the State's Attorney for the county in which an act or omission giving rise to the forfeiture occurred or in which the property was seized of the seizure of the property and the facts and circumstances giving rise to the seizure and shall provide the State's Attorney with the inventory of the property and its estimated value. When the property seized for forfeiture is a vehicle, the law enforcement agency seizing the property shall immediately notify the Secretary of State that forfeiture proceedings are pending regarding such vehicle.

Sec. 6. Non-Judicial Forfeiture. If non-real property that exceeds $20,000 in value excluding the value of any conveyance, or if real property is seized under the provisions of the Illinois Controlled Substances Act, or the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act, the State's Attorney shall institute judicial in rem forfeiture proceedings as described in Section 9 of this Act within 45 days from receipt of notice of seizure from the seizing agency under Section 5 of this Act. However, if non-real property that does not exceed $20,000 in value excluding the value of any conveyance is seized, the following procedure shall be used:

(A) If, after review of the facts surrounding the seizure, the State's Attorney is of the opinion that the seized property is subject to forfeiture, then within 45 days of the receipt of notice of seizure from the seizing agency, the State's Attorney shall cause notice of pending forfeiture to be given to the owner of the property and all known interest holders of the property in accordance with Section 4 of this Act.

(B) The notice of pending forfeiture must include a description of the property, the estimated value of the property, the date and place of seizure, the conduct giving rise to forfeiture or the violation of law alleged, and a summary of procedures and procedural rights applicable to the forfeiture action.

(C) (1) Any person claiming an interest in property which is the subject of notice under subsection (A) of Section 6 of this Act, may, within 45 days after the effective date of notice as described in Section 4 of this Act, file a verified claim with the State's Attorney expressing his or her interest in the property. The claim must set forth:

(i) the caption of the proceedings as set forth on the notice of pending forfeiture and the name of the claimant;
(ii) the address at which the claimant will accept mail;
(iii) the nature and extent of the claimant's interest in the property;
(iv) the date, identity of the transferor, and circumstances of the claimant's acquisition of the interest in the property;

(vi) the specific provision of law relied on in asserting

the property is not subject to forfeiture;

(vii) all essential facts supporting each assertion; and
(viii) the relief sought.

(2) If a claimant files the claim and deposits with the State's Attorney a cost bond, in the form of a cashier's check payable to the clerk of the court, in the sum of 10 percent of the reasonable value of the property as alleged by the State's Attorney or the sum of $100, whichever is greater, upon condition that, in the case of forfeiture, the claimant must pay all costs and expenses of forfeiture proceedings, then the State's Attorney shall institute judicial in rem forfeiture proceedings and deposit the cost bond with the clerk of the court as described in Section 9 of this Act within 45 days after receipt of the claim and cost bond. In lieu of a cost bond, a person claiming interest in the seized property may file, under penalty of perjury, an indigency affidavit.

(3) If none of the seized property is forfeited in the judicial in rem proceeding, the clerk of the court shall return to the claimant, unless the court orders otherwise, 90% of the sum which has been deposited and shall retain as costs 10% of the money deposited. If any of the seized property is forfeited under the judicial forfeiture proceeding, the clerk of the court shall transfer 90% of the sum which has been deposited to the State's Attorney prosecuting the civil forfeiture to be applied to the costs of prosecution and the clerk shall retain as costs 10% of the sum deposited.

(D) If no claim is filed or bond given within the 45 day period as described in subsection (C) of Section 6 of this Act, the State's Attorney shall declare the property forfeited and shall promptly notify the owner and all known interest holders of the property and the Director of the Illinois Department of State Police of the declaration of forfeiture and the Director shall dispose of the property in accordance with law.

The following situations shall give rise to a presumption that the property described therein was furnished or intended to be furnished in exchange for a substance in violation of the Illinois Controlled Substances Act, or the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act, or is the proceeds of such an exchange, and therefore forfeitable under this Act, such presumptions being rebuttable by a preponderance of the evidence:

(a) At least one of the above acts was committed after the effective date of this Act; and

(b) At least one of the acts is or was punishable as a Class X, Class 1, or Class 2 felony; and

Sec. 9. Judicial in rem procedures. If property seized under the provisions of the Illinois Controlled Substances Act, or the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act is non-real property that exceeds $20,000 in value excluding the value of any conveyance, or is real property, or a claimant has filed a claim and a cost bond under subsection (C) of Section 6 of this Act, the following judicial in rem procedures shall apply:

(A) If, after a review of the facts surrounding the seizure, the State's Attorney is of the opinion that the seized property is subject to forfeiture, then within 45 days of the receipt of notice of seizure by the seizing agency or the filing of the claim and cost bond, whichever is later, the State's Attorney shall institute judicial forfeiture proceedings by filing a verified complaint for forfeiture and, if the claimant has filed a claim and cost bond, by depositing the cost bond with the clerk of the court. When authorized by law, a forfeiture must be ordered by a court on an action in rem brought by a State's Attorney under a verified complaint for forfeiture.

(B) During the probable cause portion of the judicial in rem
proceeding wherein the State presents its case-in-chief, the court must receive and consider, among other things, all relevant hearsay evidence and information. The laws of evidence relating to civil actions shall apply to all other portions of the judicial in rem proceeding.

(C) Only an owner of or interest holder in the property may file an answer asserting a claim against the property in the action in rem. For purposes of this Section, the owner or interest holder shall be referred to as claimant.

(D) The answer must be signed by the owner or interest holder under penalty of perjury and must set forth:
   (i) the caption of the proceedings as set forth on the notice of pending forfeiture and the name of the claimant;
   (ii) the address at which the claimant will accept mail;
   (iii) the nature and extent of the claimant's interest in the property;

   (v) the name and address of all other persons known to have an interest in the property;
   (vi) the specific provisions of Section 8 of this Act relied on in asserting it is not subject to forfeiture;
   (vii) all essential facts supporting each assertion; and
   (viii) the precise relief sought.

(E) The answer must be filed with the court within 45 days after service of the civil in rem complaint.

(F) The hearing must be held within 60 days after filing of the answer unless continued for good cause.

(G) The State shall show the existence of probable cause for forfeiture of the property. If the State shows probable cause, the claimant has the burden of showing by a preponderance of the evidence that the claimant's interest in the property is not subject to forfeiture.

(H) If the State does not show existence of probable cause or a claimant has established by a preponderance of evidence that the claimant has an interest that is exempt under Section 8 of this Act, the court shall order the interest in the property returned or conveyed to the claimant and shall order all other property forfeited to the State. If the State does show existence of probable cause and the claimant does not establish by a preponderance of evidence that the claimant has an interest that is exempt under Section 8 of this Act, the court shall order all property forfeited to the State.

(I) A defendant convicted in any criminal proceeding is precluded from later denying the essential allegations of the criminal offense of which the defendant was convicted in any proceeding under this Act regardless of the pendency of an appeal from that conviction. However, evidence of the pendency of an appeal is admissible.

(J) An acquittal or dismissal in a criminal proceeding shall not preclude civil proceedings under this Act; however, for good cause shown, on a motion by the State's Attorney, the court may stay civil forfeiture proceedings during the criminal trial for a related criminal indictment or information alleging a violation of the Illinois Controlled Substances Act, or the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act. Such a stay shall not be available pending an appeal. Property subject to forfeiture under the Illinois Controlled Substances Act, or the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act shall not be subject to return or release by a court exercising jurisdiction over a criminal case involving the seizure of such property unless such return or release is consented to by the State's Attorney.

(K) All property declared forfeited under this Act vests in this State on the commission of the conduct giving rise to forfeiture together with the proceeds of the property after that time. Any such property or proceeds subsequently transferred to any person remain subject to forfeiture and thereafter shall be ordered forfeited unless the transferee claims and establishes in a hearing under the provisions of this Act that the transferee's interest is exempt under Section 8 of this Act.

(L) A civil action under this Act must be commenced within 5 years after the last conduct giving rise to forfeiture became known or should have become known or 5 years after the forfeitable property is discovered, whichever is later, excluding any time during which either the property or claimant is out of the State or in confinement or during which criminal proceedings relating to the same conduct are in progress.

(340x650)Section 1095. The Sexually Violent Persons Commitment Act is amended by changing Section 40 as follows:

(725 ILCS 207/40)

Sec. 40. Commitment.

(a) If a court or jury determines that the person who is the subject of a petition under Section 15 of this Act is a sexually violent person, the court shall order the person to be committed to the custody of the Department for control, care and treatment until such time as the person is no longer a sexually violent person.

(b) (1) The court shall enter an initial commitment order under this Section pursuant to a hearing held as soon as practicable after the judgment is entered that the person who is the subject of a petition under Section 15 is a sexually violent person. If the court lacks sufficient information to make the determination required by paragraph (b)(2) of this Section immediately after trial, it may adjourn the hearing and order the Department to conduct a predisposition investigation or a supplementary mental examination, or both, to assist the court in framing the commitment order. A supplementary mental examination under this Section shall be conducted in accordance with Section 3-804 of the Mental Health and Developmental Disabilities Code.

(2) An order for commitment under this Section shall specify either institutional care in a secure facility, as provided under Section 50 of this Act, or conditional release. In determining whether
commitment shall be for institutional care in a secure facility or for conditional release, the court shall consider the nature and circumstances of the behavior that was the basis of the allegation in the petition under paragraph (b)(1) of Section 15, the person's mental history and present mental condition, where the person will live, how the person will support himself or herself, and what arrangements are available to ensure that the person has access to and will participate in necessary treatment. All treatment, whether in institutional care, in a secure facility, or while on conditional release, shall be conducted in conformance with the standards developed under the Sex Offender Management Board Act and conducted by a treatment provider approved by the Board. The Department shall arrange for control, care and treatment of the person in the least restrictive manner consistent with the requirements of the person and in accordance with the court's commitment order.

(3) If the court finds that the person is appropriate for conditional release, the court shall notify the Department. The Department shall prepare a plan that identifies the treatment and services, if any, that the person will receive in the community. The plan shall address the person's need, if any, for supervision, counseling, medication, community support services, residential services, vocational services, and alcohol or other drug abuse treatment. The Department may contract with a county health department, with another public agency or with a private agency to provide the treatment and services identified in the plan. The plan shall specify who will be responsible for providing the treatment and services identified in the plan. The plan shall be presented to the court for its approval within 60 days after the court finding that the person is appropriate for conditional release, unless the Department and the person to be released request additional time to develop the plan. The conditional release program operated under this Section is not subject to the provisions of the Mental Health and Developmental Disabilities Confidentiality Act.

(4) An order for conditional release places the person in the custody and control of the Department. A person on conditional release is subject to the conditions set by the court and to the rules of the Department. Before a person is placed on conditional release by the court under this Section, the court shall so notify the municipal police department and county sheriff for the municipality and county

in which the person will be residing. The notification requirement under this Section does not apply if a municipal police department or county sheriff submits to the court a written statement waiving the right to be notified. If the Department alleges that a released person has violated any condition or rule, or that the safety of others requires that conditional release be revoked, he or she may be taken into custody under the rules of the Department.

At any time during which the person is on conditional release, if the Department determines that the person has violated any condition or rule, or that the safety of others requires that conditional release be revoked, the Department may request the Attorney General or State's Attorney to request the court to issue an emergency ex parte order directing any law enforcement officer to take the person into custody and transport the person to the county jail. The Department may request, or the Attorney General or State's Attorney may request independently of the Department, that a petition to revoke conditional release be filed. When a petition is filed, the court may order the Department to issue a notice to the person to be present at the Department or other agency designated by the court, order a summons to the person to be present, or order a body attachment for all law enforcement officers to take the person into custody and transport him or her to the county jail, hospital, or treatment facility. The Department shall submit a statement showing probable cause of the detention and a petition to revoke the order for conditional release to the committing court within 48 hours after the detention. The court shall hear the petition within 30 days, unless the hearing or time deadline is waived by the detained person. Pending the revocation hearing, the Department may detain the person in a jail, in a hospital or treatment facility. The State has the burden of proving by clear and convincing evidence that any rule or condition of release has been violated, or that the safety of others requires that the conditional release be revoked. If the court determines after hearing that any rule or condition of release has been violated, or that the safety of others requires that conditional release be revoked, it may revoke the order for conditional release and order that the released person be placed in an appropriate institution until the person is discharged from the commitment under Section 65 of this Act or until again placed on conditional release under Section 60 of this Act.

(5) An order for conditional release places the person in the
custody, care, and control of the Department. The court shall order the person be subject to the following rules of conditional release, in addition to any other conditions ordered, and the person shall be given a certificate setting forth the conditions of conditional release. These conditions shall be that the person:

(A) not violate any criminal statute of any jurisdiction;
(B) report to or appear in person before such person or agency as directed by the court and the Department;
(C) refrain from possession of a firearm or other dangerous weapon;
(D) not leave the State without the consent of the court or, in circumstances in which the reason for the absence is of such an emergency nature, that prior consent by the court is not possible without the prior notification and approval of the Department;
(E) at the direction of the Department, notify third parties of the risks that may be occasioned by his or her criminal record or sexual offending history or characteristics, and permit the supervising officer or agent to make the notification requirement;
(F) attend and fully participate in assessment, treatment, and behavior monitoring including, but not limited to, medical, psychological or psychiatric treatment specific to sexual offending, drug addiction, or alcoholism, to the extent appropriate to the person based upon the recommendation and findings made in the Department evaluation or based upon any subsequent recommendations by the Department;
(G) waive confidentiality allowing the court and Department access to assessment or treatment results or both;
(H) work regularly at a Department approved occupation or pursue a course of study or vocational training and notify the Department within 72 hours of any change in employment, study, or training;
(I) not be employed or participate in any volunteer activity that involves contact with children, except under circumstances approved in advance and in writing by the Department officer;
(J) submit to the search of his or her person, residence, vehicle, or any personal or real property under his or her
control at any time by the Department;

(K) financially support his or her dependents and
provide the Department access to any requested financial
information;

(L) serve a term of home confinement, the conditions
of which shall be that the person:

(i) remain within the interior premises of the
place designated for his or her confinement during the
hours designated by the Department;

(ii) admit any person or agent designated by
the Department into the offender's place of
confinement at any time for purposes of verifying the
person's compliance with the condition of his or her
confinement;

(iii) if deemed necessary by the Department,
be placed on an electronic monitoring device;

(M) comply with the terms and conditions of an order
of protection issued by the court pursuant to the Illinois
Domestic Violence Act of 1986. A copy of the order of
protection shall be transmitted to the Department by the clerk
of the court;

area except upon terms the Department finds appropriate. The
terms may include consideration of the purpose of the entry,
the time of day, others accompanying the person, and advance
approval by the Department;

(O) refrain from having any contact, including written
or oral communications, directly or indirectly, with certain
specified persons including, but not limited to, the victim or
the victim's family, and report any incidental contact with the
victim or the victim's family to the Department within 72
hours; refrain from entering onto the premises of, traveling
past, or loitering near the victim's residence, place of
employment, or other places frequented by the victim;

(P) refrain from having any contact, including written
or oral communications, directly or indirectly, with particular
types of persons, including but not limited to members of

personally, by telephone, letter, or through another person, with minor children without prior identification and approval of the Department;

(S) not establish a dating, intimate, or sexual relationship with a person without prior written notification to the Department;

(6) A person placed on conditional release and who during the term undergoes mandatory drug or alcohol testing or is assigned to be placed on an approved electronic monitoring device may be ordered to pay all costs incidental to the mandatory drug or alcohol testing and all costs incidental to the approved electronic monitoring in accordance with the person's ability to pay those costs. The Department may establish reasonable fees for the cost of maintenance, testing, and incidental expenses related to the mandatory drug or alcohol testing and all costs incidental to approved electronic monitoring.

Upon such written application, the Chief Justice of the Supreme Court shall appoint a Circuit Judge from the circuit where the Statewide Grand Jury is being sought to be convened, who shall make a determination that the convening of a Statewide Grand Jury is necessary.

In such application the Attorney General shall state that the convening of a Statewide Grand Jury is necessary because of an alleged offense or offenses set forth in this Section involving more than one county of the State and identifying any such offense alleged; and

Section 1110. The Unified Code of Corrections is amended by changing Sections 3-7-2.5, 5-4-1, 5-5-3, 5-5-3.2, 5-6-2, 5-6-3, 5-6-3.1, 5-8-4, 5-9-1, 5-9-1.1, 5-9-1.2, and 5-9-1.4 as follows:

(730 ILCS 5/3-7-2.5)
Sec. 3-7-2.5. Zero tolerance drug policy.

(a) Any person employed by the Department of Corrections who tests positive in accordance with established Departmental drug testing procedures for any substance prohibited by the Cannabis Control Act, or the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act shall be discharged from employment. Refusal to submit to a drug test, ordered in accordance with Departmental procedures, by any person employed by the Department shall be construed as a positive test, and the person shall be discharged from employment.

Testing of employees shall be conducted in accordance with established Departmental drug testing procedures. Changes to established drug testing procedures that are inconsistent with the federal guidelines specified in the Mandatory Guidelines for Federal Workplace Drug Testing Program, 59 FR 29908, or that affect terms and conditions of employment, shall be negotiated with an exclusive bargaining representative in accordance with the Illinois Public Labor Relations Act.

(1) All samples used for the purpose of drug testing shall be collected by persons who have at least 40 hours of initial training in the proper collection procedures and at least 8 hours of annual follow-up training. Proof of this training shall be available upon request. In order to ensure that these persons possess the necessary knowledge, skills, and experience to carry out their duties, their training must include guidelines and procedures used for the collection process and must also incorporate training on the appropriate interpersonal skills required during the collection process.

(2) With respect to any bargaining unit employee, the Department shall not initiate discipline of any employee who authorizes the testing of a split urine sample in accordance with established Departmental drug testing procedures until receipt by the Department of the test results from the split urine sample evidencing a positive test for any substance prohibited by the Cannabis Control Act, or the Illinois Controlled Substances Act, or the
Methamphetamine Control and Community Protection Act.

(b) Any employee discharged in accordance with the provisions of subsection (a) shall not be eligible for rehire by the Department.

(730 ILCS 5/5-4-1) (from Ch. 38, par. 1005-4-1)
Sec. 5-4-1. Sentencing Hearing.

(a) Except when the death penalty is sought under hearing procedures otherwise specified, after a determination of guilt, a hearing shall be held to impose the sentence. However, prior to the imposition of sentence on an individual being sentenced for an offense based upon charges with a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance, the individual must undergo a professional evaluation to determine if an alcohol or other drug abuse problem exists and the extent of such a problem. Programs conducting these evaluations shall be licensed by the Department of Human Services. However, if the individual is not a resident of Illinois, the court may, in its discretion, accept an evaluation from a program in the state of such individual's residence. The court may in its sentencing order approve an eligible defendant for placement in a Department of Corrections impact incarceration program as provided in Section 5-8-1.1 or 5-8-1.3. At the hearing the court shall:

(1) consider the evidence, if any, received upon the trial;
(2) consider any presentence reports;
(3) consider the financial impact of incarceration based on the financial impact statement filed with the clerk of the court by the Department of Corrections;
(4) consider evidence and information offered by the parties in aggravation and mitigation;
(5) hear arguments as to sentencing alternatives;
(6) afford the defendant the opportunity to make a statement in his own behalf;
(7) afford the victim of a violent crime or a violation of Section 11-501 of the Illinois Vehicle Code, or a similar provision of a local ordinance, or a qualified individual affected by: (i) a violation of Section 405, 405.1, 405.2, or 407 of the Illinois Controlled Substances Act or a violation of Section 55 or Section 65 of the Methamphetamine Control and Community Protection Act, or (ii) a Class 4 felony violation of Section 11-14, 11-15, 11-17, 11-18, 11-18.1, or 11-19 of the Criminal Code of 1961, committed by the defendant the opportunity to make a statement concerning the impact
on the victim and to offer evidence in aggravation or mitigation; provided that the statement and evidence offered in aggravation or mitigation must first be prepared in writing in conjunction with the State's Attorney before it may be presented orally at the hearing. Any sworn testimony offered by the victim is subject to the defendant's right to cross-examine. All statements and evidence offered under this paragraph (7) shall become part of the record of the court. For the purpose of this paragraph (7), "qualified individual" means any person who (i) lived or worked within the territorial jurisdiction where the offense took place when the offense took place; and (ii) is familiar with various public places within the territorial jurisdiction where the offense took place when the offense took place. For the purposes of this paragraph (7), "qualified individual" includes any peace officer, or any member of any duly organized State, county, or municipal peace unit assigned to the territorial jurisdiction where the offense took place when the offense took place;

(8) in cases of reckless homicide afford the victim's spouse, guardians, parents or other immediate family members an opportunity to make oral statements; and

(9) in cases involving a felony sex offense as defined under the Sex Offender Management Board Act, consider the results of the sex offender evaluation conducted pursuant to Section 5-3-2 of this Act.

(b) All sentences shall be imposed by the judge based upon his independent assessment of the elements specified above and any agreement as to sentence reached by the parties. The judge who presided at the trial or the judge who accepted the plea of guilty shall impose the sentence unless he is no longer sitting as a judge in that court. Where the judge does not impose sentence at the same time on all defendants who are convicted as a result of being involved in the same offense, the defendant or the State's Attorney may advise the sentencing court of the disposition of any other defendants who have been sentenced.

(c) In imposing a sentence for a violent crime or for an offense of operating or being in physical control of a vehicle while under the influence of alcohol, any other drug or any combination thereof, or a similar provision of a local ordinance, when such offense resulted in the personal injury to someone other than the defendant, the trial judge shall specify on the record the particular evidence, information, factors in mitigation and aggravation or other reasons that led to his sentencing determination. The full verbatim

record of the sentencing hearing shall be filed with the clerk of the court and shall be a public record.

(c-1) In imposing a sentence for the offense of aggravated kidnapping for ransom, home invasion, armed robbery, aggravated vehicular hijacking, aggravated discharge of a firearm, or armed violence with a category I weapon or category II weapon, the trial judge shall make a finding as to whether the conduct leading to conviction for the offense resulted in great bodily harm to a victim, and shall enter that finding and the basis for that finding in the record.

(c-2) If the defendant is sentenced to prison, other than when a sentence of natural life imprisonment or a sentence of death is imposed, at the time the sentence is imposed the judge shall state on the record in open court the approximate period of time the defendant will serve in custody according to the then current statutory rules and regulations for early release found in Section 3-6-3 and other related provisions of this Code. This statement is intended solely to inform the public, has no legal effect on the defendant's actual release, and may not be relied on by the defendant on appeal.

The judge's statement, to be given after pronouncing the sentence, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(3) of Section 3-6-3, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her good conduct credit, the period of estimated actual custody is ... years and ... months, less up to 180 days additional good conduct credit for meritorious service. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day good conduct credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(3) of Section 3-6-3, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3 committed on or after June 19, 1998, and other than when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of
the Criminal Code of 1961 if the offense was committed on or after January 1, 1999, and other than when the sentence is imposed for aggravated arson if the offense was committed on or after July 27, 2001 (the effective date of Public Act 92-176) this amendatory Act of the 92nd 93rd General Assembly, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her good conduct credit, the period of estimated actual custody is ... years and ... months, less up to 90 days additional good conduct credit for meritorious service. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day good conduct credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3, other than first degree murder, and the offense was committed on or after June 19, 1998, and when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense was committed on or after January 1, 1999, and when the sentence is imposed for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, and when the sentence is imposed for aggravated arson if the offense was committed on or after July 27, 2001 (the effective date of Public Act 92-176) this amendatory Act of the 92nd 93rd General Assembly, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the
defendant is entitled to no more than 4 1/2 days of good conduct credit for each month of his or her sentence of imprisonment. Therefore, this defendant will serve at least 85% of his or her sentence. Assuming the defendant receives 4 1/2 days credit for each month of his or her sentence, the period of estimated actual custody is ... years and ... months. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations receives lesser credit, the actual time served in prison will be longer."

When a sentence of imprisonment is imposed for first degree murder and the offense was committed on or after June 19, 1998, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant is not entitled to good conduct credit. Therefore, this defendant will serve 100% of his or her sentence."

When the sentence is imposed for any offense that results in incarceration in a Department of Corrections facility committed as a result of the use of, abuse of, or addiction to alcohol or a controlled substance and the crime was committed on or after September 1, 2003 (the effective date of this amendatory Act of the 93rd General Assembly), the judge's statement, in addition to any other judge's statement required under this Section, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant shall receive no good conduct credit until he or she participates in and completes a substance abuse treatment program."

(d) When the defendant is committed to the Department of Corrections, the State's Attorney shall and counsel for the defendant may file a statement with the clerk of the court to be transmitted to the department, agency or institution to which the defendant is committed to furnish such department, agency or institution with the facts and circumstances of the

offense for which the person was committed together with all other factual information accessible to them in regard to the person prior to his commitment relative to his habits, associates, disposition and reputation and any other facts and circumstances which may aid such department, agency or institution during its custody of such person. The clerk shall within 10 days after receiving any such statements transmit a copy to such department, agency or institution and a copy to the other party, provided, however, that this shall not be cause for delay in conveying the person to the department, agency or institution to which he has been committed.

(e) The clerk of the court shall transmit to the department, agency or institution, if any, to which the defendant is committed, the following:

(1) the sentence imposed;
(2) any statement by the court of the basis for imposing the sentence;
(3) any presentence reports;
(3.5) any sex offender evaluations;
(4) the number of days, if any, which the defendant has been in custody and for which he is entitled to credit against the sentence, which information shall be provided to the clerk by the sheriff;

(5) all statements filed under subsection (d) of this Section;
(6) any medical or mental health records or summaries of the defendant;
(7) the municipality where the arrest of the offender or the commission of the offense has occurred, where such municipality has a population of more than 25,000 persons;
(8) all statements made and evidence offered under paragraph (7) of subsection (a) of this Section; and
(9) all additional matters which the court directs the clerk to transmit.

The court shall require a defendant placed on supervision for possession of a substance prohibited by the Cannabis Control Act, the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act after a previous conviction or disposition of supervision for possession of a substance prohibited by the Cannabis Control Act, the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act or a sentence of probation under Section 10 of the Cannabis Control Act or Section 410 of the Illinois Controlled Substances Act and after a finding by the court that the person is addicted, to undergo treatment at a substance abuse program approved by the court.

The Secretary of State shall require anyone placed on court supervision for a violation of Section 3-707 of the Illinois Vehicle Code or a similar provision of a local ordinance to give proof of his or her financial responsibility as defined in Section 7-315 of the Illinois Vehicle Code. The proof shall be maintained by the individual in a manner satisfactory to the Secretary of State for a minimum period of one year after the date the proof is first filed. The proof shall be limited to a single action per arrest and may not be affected by any post-sentence disposition. The Secretary of State shall suspend the driver's license of any person determined by the Secretary to be in violation of this subsection.

Any offender placed on supervision for any offense that the court or probation department has determined to be sexually motivated as defined in the Sex Offender Management Board Act shall be required to refrain from any contact, directly or indirectly, with any persons specified by the court and shall be available for all evaluations and treatment programs required by the court or the probation department.

(a) When multiple sentences of imprisonment are imposed on a defendant at the same time, or when a term of imprisonment is imposed on a defendant who is already subject to sentence in this State or in another state, or for a sentence imposed by any district court of the United States, the sentences shall run concurrently or consecutively as determined by the court. by another state or by a district court of the United States, the Illinois circuit court which imposed the sentence may order that the Illinois sentence be made concurrent with the sentence imposed by the other state or district court of the United States. The defendant must apply to the circuit court within 30 days after the defendant's sentence imposed by the other state or district of the United States is finalized. The court shall impose consecutive sentences if:

(i) one of the offenses for which defendant was convicted was first degree murder or a Class X or Class 1 felony and the defendant inflicted severe bodily injury, or

(ii) the defendant was convicted of a violation of Section 12-13, 12-14, or 12-14.1 of the Criminal Code of 1961, or

(iii) the defendant was convicted of armed violence based upon the predicate offense of solicitation of murder, solicitation of murder for hire, heinous battery, aggravated battery of a senior citizen, criminal sexual assault, a violation of subsection (g) of Section 5 of the Cannabis Control Act, cannabis trafficking, a violation of subsection (a) of Section 401 of the Illinois Controlled Substances Act, controlled substance trafficking involving a Class X felony amount of controlled substance under Section 401 of the Illinois Controlled Substances Act, a violation of the Methamphetamine Control and Community Protection Act, calculated criminal drug conspiracy, or streetgang criminal drug conspiracy, or

(iv) the defendant was convicted of the offense of leaving the scene of a motor vehicle accident involving death or personal injuries under Section 11-401 and either: (A) aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof under Section 11-501 of the Illinois Vehicle Code, or (B) reckless homicide under Section 9-3 of the Criminal Code of 1961, or both an offense described in subdivision (A) and an offense described in subdivision (B), or

(v) the defendant was convicted of a violation of Section 9-3.1 (concealment of homicidal death) or Section 12-20.5 (dismembering a human body) of the Criminal Code of 1961, in which event the court shall enter sentences to run consecutively. Sentences shall run concurrently unless otherwise specified by the court.

(b) Except in cases where consecutive sentences are mandated, the court shall impose concurrent sentences unless, having regard to the nature and circumstances of the offense and the history and character of the defendant, it is of the opinion that consecutive sentences are required to
protect the public from further criminal conduct by the defendant, the basis for which the court shall set forth in the record.

(c) (1) For sentences imposed under law in effect prior to February 1, 1978 the aggregate maximum of consecutive sentences shall not exceed the maximum term authorized under Section 5-8-1 for the 2 most serious felonies involved. The aggregate minimum period of consecutive sentences shall not exceed the highest minimum term authorized under Section 5-8-1 for the 2 most serious felonies involved. When sentenced only for misdemeanors, a defendant shall not be consecutively sentenced to more than the maximum for one Class A misdemeanor.

(2) For sentences imposed under the law in effect on or after February 1, 1978, the aggregate of consecutive sentences for offenses that were committed as part of a single course of conduct during which there was no substantial change in the nature of the criminal objective shall not exceed the sum of the maximum terms authorized under Section 5-8-2 for the 2 most serious felonies involved, but no such limitation shall apply for offenses that were not committed as part of a single course of conduct during which there was no substantial change in the nature of the criminal objective. When sentenced only for misdemeanors, a defendant shall not be consecutively sentenced to more than the maximum for one Class A misdemeanor.

(d) An offender serving a sentence for a misdemeanor who is convicted of a felony and sentenced to imprisonment shall be transferred to the Department of Corrections, and the misdemeanor sentence shall be merged in and run concurrently with the felony sentence.

(e) In determining the manner in which consecutive sentences of imprisonment, one or more of which is for a felony, will be served, the Department of Corrections shall treat the offender as though he had been committed for a single term with the following incidents:

(1) the maximum period of a term of imprisonment shall consist of the aggregate of the maximums of the imposed indeterminate terms, if any, plus the aggregate of the imposed determinate sentences for felonies plus the aggregate of the imposed determinate sentences for misdemeanors subject to paragraph (c) of this Section;

(2) the parole or mandatory supervised release term shall be as provided in paragraph (e) of Section 5-8-1 of this Code for the

most serious of the offenses involved;
(3) the minimum period of imprisonment shall be the aggregate of the minimum and determinate periods of imprisonment imposed by the court, subject to paragraph (c) of this Section; and
(4) the offender shall be awarded credit against the aggregate maximum term and the aggregate minimum term of imprisonment for all time served in an institution since the commission of the offense or offenses and as a consequence thereof at the rate specified in Section 3-6-3 of this Code.
(f) A sentence of an offender committed to the Department of Corrections at the time of the commission of the offense shall be served consecutive to the sentence under which he is held by the Department of Corrections. However, in case such offender shall be sentenced to punishment by death, the sentence shall be executed at such time as the court may fix without regard to the sentence under which such offender may be held by the Department.
(g) A sentence under Section 3-6-4 for escape or attempted escape shall be served consecutive to the terms under which the offender is held by the Department of Corrections.
(h) If a person charged with a felony commits a separate felony while on pre-trial release or in pretrial detention in a county jail facility or county detention facility, the sentences imposed upon conviction of these felonies shall be served consecutively regardless of the order in which the judgments of conviction are entered.
(i) If a person admitted to bail following conviction of a felony commits a separate felony while free on bond or if a person detained in a county jail facility or county detention facility following conviction of a felony commits a separate felony while in detention, any sentence following conviction of the separate felony shall be consecutive to that of the original sentence for which the defendant was on bond or detained.

(a) An offender may be sentenced to pay a fine which shall not exceed for each offense:
(1) for a felony, $25,000 or the amount specified in the offense, whichever is greater, or where the offender is a corporation, $50,000 or the amount specified in the offense, whichever is greater;
(2) for a Class A misdemeanor, $2,500 or the amount specified in the offense, whichever is greater;
(3) for a Class B or Class C misdemeanor, $1,500;
(4) for a petty offense, $1,000 or the amount specified in the offense, whichever is less;
(5) for a business offense, the amount specified in the statute defining that offense.

(b) A fine may be imposed in addition to a sentence of conditional discharge, probation, periodic imprisonment, or imprisonment.

(c) There shall be added to every fine imposed in sentencing for a criminal or traffic offense, except an offense relating to parking or registration, or offense by a pedestrian, an additional penalty of $5 for each $40, or fraction thereof, of fine imposed. The additional penalty of $5 for each $40, or fraction thereof, of fine imposed, if not otherwise assessed, shall also be added to every fine imposed upon a plea of guilty, stipulation of facts or findings of guilty, resulting in a judgment of conviction, or order of supervision in criminal, traffic, local ordinance, county ordinance, and conservation cases (except parking, registration, or pedestrian violations), or upon a sentence of probation without entry of judgment under Section 10 of the Cannabis Control Act, or Section 410 of the Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act.

Such additional amounts shall be assessed by the court imposing the fine and shall be collected by the Circuit Clerk in addition to the fine and costs in the case. Each such additional penalty shall be remitted by the Circuit Clerk within one month after receipt to the State Treasurer. The State Treasurer shall deposit $1 for each $40, or fraction thereof, of fine imposed into the LEADS Maintenance Fund. The remaining surcharge amount shall be deposited into the Traffic and Criminal Conviction Surcharge Fund, unless the fine, costs or additional amounts are subject to disbursement by the circuit clerk under Section 27.5 of the Clerks of Courts Act. Such additional penalty shall not be considered a part of the fine for purposes of any reduction in the fine for time served either before or after sentencing. Not later than March 1 of each year the Circuit Clerk shall submit a report of the amount of funds remitted to the State Treasurer under this subsection (c) during the preceding calendar year. Except as otherwise provided by Supreme Court Rules, if a court in imposing a fine against an offender levies a gross amount for fine, costs, fees and penalties, the amount of the additional penalty provided for herein shall be computed on the amount remaining after deducting from the

gross amount levied all fees of the Circuit Clerk, the State's Attorney and the Sheriff. After deducting from the gross amount levied the fees and additional penalty provided for herein, less any other additional penalties provided by law, the clerk shall remit the net balance remaining to the entity authorized by law to receive the fine imposed in the case. For purposes of this Section "fees of the Circuit Clerk" shall include, if applicable, the fee provided for under Section 27.3a of the Clerks of Courts Act and the fee, if applicable, payable to the county in which the violation occurred pursuant to Section 5-1101 of the Counties Code.

(c-5) In addition to the fines imposed by subsection (c), any person convicted or receiving an order of supervision for driving under the influence of alcohol or drugs shall pay an additional $100 fee to the clerk. This additional fee, less 2 1/2% that shall be used to defray administrative costs incurred by the clerk, shall be remitted by the clerk to the Treasurer within 60 days after receipt for deposit into the Trauma Center Fund. This additional fee of $100 shall not be considered a part of the fine for purposes of any reduction in the fine for time served either before or after sentencing. Not later than March 1 of each year the Circuit Clerk shall submit a report of the amount of funds remitted to the State Treasurer under this subsection (c-5) during the preceding calendar year.

The Circuit Clerk may accept payment of fines and costs by credit card from an offender who has been convicted of a traffic offense, petty offense or misdemeanor and may charge the service fee permitted where fines and costs are paid by credit card provided for in Section 27.3b of the Clerks of Courts Act.

(c-7) In addition to the fines imposed by subsection (c), any person convicted or receiving an order of supervision for driving under the influence of alcohol or drugs shall pay an additional $5 fee to the clerk. This additional fee, less 2 1/2% that shall be used to defray administrative costs incurred by the clerk, shall be remitted by the clerk to the Treasurer within 60 days after receipt for deposit into the Spinal Cord Injury Paralysis Cure Research Trust Fund. This additional fee of $5 shall not be considered a part of the fine for purposes of any reduction in the fine for time served either before or after sentencing. Not later than March 1 of each year the Circuit Clerk shall submit a report of the amount of funds remitted to the State Treasurer under this subsection (c-7) during the preceding calendar year.

(c-9) There shall be added to every fine imposed in sentencing for a criminal or traffic offense, except an offense relating to parking or registration, or offense by a pedestrian, an additional penalty of $4 imposed.
The additional penalty of $4 shall also be added to every fine imposed upon a plea of guilty, stipulation of facts or findings of guilty, resulting in a judgment of conviction, or order of supervision in criminal, traffic, local ordinance, county ordinance, or conservation cases (except parking, registration, or pedestrian violations), or upon a sentence of probation without entry of judgment under Section 10 of the Cannabis Control Act, or Section 410 of the Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act. Such additional penalty of $4 shall be assessed by the court imposing the fine and shall be collected by the circuit clerk in addition to any other fine, costs, fees, and penalties in the case. Each such additional penalty of $4 shall be remitted to the State Treasurer by the circuit clerk within one month after receipt. The State Treasurer shall deposit the additional penalty of $4 into the Traffic and Criminal Conviction Surcharge Fund. The additional penalty of $4 shall be in addition to any other fine, costs, fees, and penalties and shall not reduce or affect the distribution of any other fine, costs, fees, and penalties.

(d) In determining the amount and method of payment of a fine, except for those fines established for violations of Chapter 15 of the Illinois Vehicle Code, the court shall consider:

(1) the financial resources and future ability of the offender to pay the fine; and
(2) whether the fine will prevent the offender from making court ordered restitution or reparation to the victim of the offense; and
(3) in a case where the accused is a dissolved corporation and the court has appointed counsel to represent the corporation, the costs incurred either by the county or the State for such representation.

(e) The court may order the fine to be paid forthwith or within a specified period of time or in installments.

(f) All fines, costs and additional amounts imposed under this Section for any violation of Chapters 3, 4, 6, and 11 of the Illinois Vehicle Code, or a similar provision of a local ordinance, and any violation of the Child Passenger Protection Act, or a similar provision of a local ordinance, shall be collected and disbursed by the circuit clerk as provided under Section 27.5 of the Clerks of Courts Act.

In the event that the seizure was made by law enforcement personnel representing a unit
of local government from a municipality where the number of inhabitants exceeds 2 million in population, the court levying the fine shall allocate 87 1/2% of the fine to that unit of local government. If the seizure was made by a combination of law enforcement personnel representing differing units of local government, and at least one of those units represents a municipality where the number of inhabitants exceeds 2 million in population, the court shall equitably allocate 87 1/2% of the proceeds of the fines received among the differing units of local government.

The proceeds of fines awarded to the State treasury shall be deposited in a special fund known as the Drug Traffic Prevention Fund. Monies from this fund may be used by the Department of State Police for use in the enforcement of laws regulating controlled substances and cannabis; to satisfy funding provisions of the Intergovernmental Drug Laws Enforcement Act; and to defray costs and expenses associated with returning violators of the Cannabis Control Act, the Illinois Controlled Substances Act, and the Methamphetamine Control and Community Protection Act only, as provided in those Acts, when punishment of the crime shall be confinement of the criminal in the penitentiary. Moneys in the Drug Traffic Prevention Fund deposited from fines awarded as a direct result of enforcement efforts of the Illinois Conservation Police may be used by the Department of Natural Resources Office of Law Enforcement for use in enforcing laws regulating controlled substances and cannabis on Department of Natural Resources regulated lands and waterways. (b) When a person has been adjudged guilty of an offense in violation of the Cannabis Control Act, the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Steroid Control Act, in addition to any other disposition, penalty or fine imposed, a criminal laboratory analysis fee of $100 for each offense for which he was convicted shall be levied by the court. Any person placed on probation pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, or Section 10 of the Steroid Control Act shall be assessed a criminal laboratory analysis fee of $100 for each offense for which he was charged. Upon verified petition of the person, the court may suspend payment of all or part of the fee if it finds that the person does not have the ability to pay the fee.

(c) In addition to any other disposition made pursuant to the provisions of the Juvenile Court Act of 1987, any minor adjudicated delinquent for an offense which if committed by an adult would constitute a violation of the Cannabis Control Act, the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Steroid Control Act shall be assessed a criminal laboratory analysis fee of $100 for each adjudication. Upon verified petition of the minor, the court may suspend payment of all or part of the fee if it finds that the minor does not have the ability to pay the fee. The parent, guardian or legal custodian of the minor may pay some or all of such fee on the minor's behalf.

(d) All criminal laboratory analysis fees provided for by this Section shall be collected by the clerk of the court and forwarded to the appropriate crime laboratory fund as provided in subsection (f).

If the analysis was performed by a crime laboratory funded by a combination of units of local government, the analysis fee shall be forwarded to the treasurer of the county where the crime laboratory is situated if a crime laboratory fund has been established in that county. If the unit of local government or combination of units of local government has not established a crime laboratory fund, then the analysis fee shall be forwarded to the State Crime Laboratory Fund. The clerk of the circuit court may retain the amount of $10 from each collected analysis fee to offset administrative costs incurred in carrying out the clerk's responsibilities under this Section.

"Cannabis" has the meaning ascribed to that term in the Cannabis Control Act.
"Narcotics" and "controlled substance" have the meanings ascribed to those terms in the Illinois Controlled Substances Act.
(b) This Section applies only if all of the following conditions are met:

(1) The complaint seeks possession of premises that are owned or managed by a housing authority established under the Housing Authorities Act or privately owned and managed.

(2) The verified complaint alleges that there is direct evidence of any of the following:

(A) unlawful possessing, serving, storing, manufacturing, cultivating, delivering, using, selling, giving away, or trafficking in cannabis, methamphetamine, narcotics, or controlled substances within or upon the premises by or with the knowledge and consent of, or in concert with, the person or persons named in the complaint; or

(B) the possession, use, sale, or delivery of a firearm which is otherwise prohibited by State law within or upon the premises by or with the knowledge and consent of, or in concert with, the person or persons named in the complaint; or

(C) murder, attempted murder, kidnapping, attempted kidnapping, arson, attempted arson, aggravated battery, criminal sexual assault, attempted criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, or criminal sexual abuse within or upon the premises by or with the knowledge and consent of, or in concert with, the person or persons named in the complaint.

The summons shall advise the defendant that a hearing on the complaint shall be held at the specified date and time, and that the defendant should be prepared to present any evidence on his or her behalf at that time.

If a plaintiff which is a public housing authority accepts rent from the defendant after an action is initiated under this Section, the acceptance of rent shall not be a cause for dismissal of the complaint.

(d) If the defendant does not appear at the hearing, judgment for possession of the premises in favor of the plaintiff shall be entered by default. If the defendant appears, a trial shall be held immediately as is prescribed in other proceedings for possession. The matter shall not be continued beyond 7 days from the date set for the first hearing on the complaint except by agreement of both the plaintiff and the defendant. After a trial, if the court finds, by a preponderance of the evidence, that the allegations in the complaint have been proven, the court shall enter judgment for possession of the premises in favor of the plaintiff and the court shall order that the plaintiff shall be entitled to re-enter the premises immediately.

(d-5) If cannabis, methamphetamine, narcotics, or controlled substances are found or used anywhere in the premises, there is a rebuttable presumption either (1) that the cannabis, methamphetamine, narcotics, or controlled substances were used or possessed by a tenant or occupant or (2) that a tenant or occupant permitted the premises to be used for that use or possession, and knew or should have reasonably known that the substance was used or possessed.

(e) A judgment for possession entered under this Section may not be stayed for any period in excess of 7 days by the court. Thereafter the plaintiff shall be entitled to re-enter the premises immediately. so injurious to the property interests and the well-being of that person that the
violation gives rise to a cause of action sounding in tort. The General
Assembly also finds that the delivery of a controlled substance or cannabis
in violation of the Illinois Controlled Substances Act, the Methamphetamine
Control and Community Protection Act, or the Cannabis Control Act to an
unemancipated minor under the age of 18 is so injurious to the rights and
duties of parents and legal guardians relating to the physical, mental, and
emotional well-being of that minor that the violation also gives rise to a cause
of action sounding in tort. The General Assembly further finds that although
the damage a person suffers through the nonconsensual use of his property to
facilitate such a violation or the damage a parent or legal guardian suffers as
the result of the delivery to the minor of cannabis or a substance in violation
of the Cannabis Control Act, the Methamphetamine Control and Community
Protection Act, or the Illinois Controlled Substances Act is often subtle and
incapable of precise articulation, that damage is nonetheless real and

A written instrument is legally sufficient under Section 5 if the wording of the instrument complies substantially with Section 10, the instrument is properly completed, the instrument is signed by the decedent, the agent, and each successor agent, and the signature of the decedent is notarized. The written instrument may be modified or revoked only by a subsequent written instrument that complies with this Section.

Section 20. Duties of authorized agent.

(b) If any person who would otherwise have the right to control disposition pursuant to Section 5 has been charged with first or second degree murder or voluntary manslaughter in connection with the decedent's death and those charges are known to the funeral director or cemetery authority, that person's right to control is relinquished and passed on to the next listed person or group of persons in accordance with Section 5.

Section 25. Body parts. In the case of body parts, a representative of the institution that has arranged with a funeral home, cemetery, or crematory authority to cremate or make other appropriate disposition of the body parts may serve as the authorizing agent.

Section 35. Misrepresentation; liability. A person who represents that he or she knows the identity of a decedent and, in order to procure the disposition, including cremation, of the decedent's remains, signs an order or statement, other than a death certificate, warrants the identity of the decedent and is liable for all damages that result, directly or indirectly, from that warrant.

Section 40. Directions by decedent.
(a) A person may provide written directions for the disposition,
including cremation, of the person's remains in a will, a prepaid funeral or burial contract, a cremation authorization form that complies with the Crematory Regulation Act, or in a written instrument that satisfies the provisions of Sections 10 and 15 and that is signed by the person and notarized. The directions may be modified or revoked only by a subsequent writing signed by the person and notarized. (b) If the directions are in a will, they shall be carried out immediately without the necessity of probate. If the will is not probated or is declared invalid for testamentary purposes, the directions are valid to the extent to which they have been acted on in good faith.

Section 45. Liability. There shall be no liability for a cemetery organization, a business operating a crematory or columbarium or both, a funeral director or an embalmer, or a funeral establishment that carries out the written directions of a decedent or the directions of any person who represents that the person is entitled to control the disposition of the decedent's remains. The actions of such a designated survivor, however, shall not prevent another individual, who has a priority right superior to that of the designated survivor according to this Section, from authorizing the cremation of the decedent by executing a new cremation authorization form.

(3) Any person serving as executor or legal representative of a decedent's estate and acting according to the decedent's written instructions:

If there is more than one adult child, any adult child, who confirms in writing the notification of all other adult children, may serve as the authorizing agent, unless the crematory authority receives a written objection to the cremation from another adult child.

(5) The decedent's surviving parent. If the decedent is survived by 2 parents, either parent may serve as the authorizing agent unless the crematory authority receives a written objection to the cremation from the other parent.

(6) The person in the next degree of kinship under the laws of descent and distribution to inherit the estate of the decedent. If there is more than one person of the same degree, any person of that degree may serve as the authorizing agent.

A child whose parent has executed a final irrevocable consent to adoption or a final irrevocable surrender for purposes of adoption, or whose parent has had his or her parental rights terminated, is not a related child to that person, unless the consent is determined to be void or is void pursuant to subsection O of Section 10.

sole reason that the person has relinquished a child in accordance with the Abandoned Newborn Infant Protection Act:

(a) Abandonment of the child.
(a-1) Abandonment of a newborn infant in a hospital.
(a-2) Abandonment of a newborn infant in any setting where the evidence suggests that the parent intended to relinquish his or her parental rights.
(b) Failure to maintain a reasonable degree of interest, concern or responsibility as to the child's welfare.

(f) Two or more findings of physical abuse to any children under Section 4-8 of the Juvenile Court Act or Section 2-21 of the Juvenile Court Act of 1987, the most recent of which was determined by the juvenile court hearing the matter to be supported by clear and convincing evidence; a criminal conviction or a finding of not guilty by reason of insanity resulting from the death of any child by physical child abuse; or a finding of physical child abuse resulting from the death of any child under Section 4-8 of the Juvenile Court Act or Section 2-21 of the Juvenile Court Act of 1987.
(g) Failure to protect the child from conditions within his environment injurious to the child's welfare.
(h) Other neglect of, or misconduct toward the child; provided that in making a finding of unfitness the court hearing the adoption proceeding shall not be bound by any previous finding, order or judgment affecting or determining the rights of the parents toward the child sought to be adopted in any other proceeding except such proceedings terminating parental rights as shall be had under either this Act, the Juvenile Court Act or the Juvenile Court Act of 1987.
(i) Depravity. Conviction of any one of the following crimes shall create a presumption that a parent is depraved which can be overcome only by clear and convincing evidence: (1) first degree murder in violation of paragraph 1 or 2 of subsection (a) of Section 9-1 of the Criminal Code of 1961 or conviction of second degree

New matter indicated by italics - deletions by strikeout
murder in violation of subsection (a) of Section 9-2 of the Criminal Code of 1961 of a parent of the child to be adopted; (2) first degree murder or second degree murder of any child in violation of the Criminal Code of 1961; (3) attempt or conspiracy to commit first degree murder or second degree murder of any child in violation of the Criminal Code of 1961; (4) solicitation to commit murder of any child, solicitation to commit murder of any child for hire, or solicitation to commit second degree murder of any child in violation of the Criminal Code of 1961; or (5) aggravated criminal sexual assault in violation of Section 12-14(b)(1) of the Criminal Code of 1961.

There is a rebuttable presumption that a parent is depraved if the parent has been criminally convicted of at least 3 felonies under the laws of this State or any other state, or under federal law, or the criminal laws of any United States territory; and at least one of these convictions took place within 5 years of the filing of the petition or motion seeking termination of parental rights.

There is a rebuttable presumption that a parent is depraved if that parent has been criminally convicted of either first or second degree murder of any person as defined in the Criminal Code of 1961 within 10 years of the filing date of the petition or motion to terminate parental rights.

(j) Open and notorious adultery or fornication.
(j-1) (Blank).
(k) Habitual drunkenness or addiction to drugs, other than those prescribed by a physician, for at least one year immediately prior to the commencement of the unfitness proceeding.

There is a rebuttable presumption that a parent is unfit under this subsection with respect to any child to which that parent gives birth where there is a confirmed test result that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act or metabolites of such substances, the presence of which in the newborn infant was not the result of medical treatment administered to the mother or the newborn infant; and the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987.

(l) Failure to demonstrate a reasonable degree of interest,

New matter indicated by italics - deletions by strikeout
concern or responsibility as to the welfare of a new born child during the first 30 days after its birth.

(m) Failure by a parent (i) to make reasonable efforts to correct the conditions that were the basis for the removal of the child from the parent, or (ii) to make reasonable progress toward the return of the child to the parent within 9 months after an adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act, or (iii) to make reasonable progress toward the return of the child to the parent during any 9-month period after the end of the initial 9-month period following the adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act. If a service plan has been established as required under Section 8.2 of the Abused and Neglected Child Reporting Act to correct the conditions that were the basis for the removal of the child from the parent and if those services were available, then, for purposes of this Act, "failure to make reasonable progress toward the return of the child to the parent" includes (I) the parent's failure to substantially fulfill his or her obligations under the service plan and correct the conditions that brought the child into care within 9 months after the adjudication under Section 2-3 or 2-4 of the Juvenile Court Act of 1987 and (II) the parent's failure to substantially fulfill his or her obligations under the service plan and correct the conditions that brought the child into care during any 9-month period after the end of the initial 9-month period following the adjudication under Section 2-3 or 2-4 of the Juvenile Court Act of 1987.

Notwithstanding any other provision, when a petition or motion seeks to terminate parental rights on the basis of item (iii) of this subsection (m), the petitioner shall file with the court and serve on the parties a pleading that specifies the 9-month period or periods relied on. The pleading shall be filed and served on the parties no later than 3 weeks before the date set by the court for closure of discovery, and the allegations in the pleading shall be treated as incorporated into the petition or motion. Failure of a respondent to file a written denial of the allegations in the pleading shall not be treated as an admission that the allegations are true.

(m-1) Pursuant to the Juvenile Court Act of 1987, a child has been in foster care for 15 months out of any 22 month period which begins on or after the effective date of this amendatory Act of 1998.
unless the child's parent can prove by a preponderance of the evidence that it is more likely than not that it will be in the best interests of the child to be returned to the parent within 6 months of the date on which a petition for termination of parental rights is filed under the Juvenile Court Act of 1987. The 15 month time limit is tolled during any period for which there is a court finding that the appointed custodian or guardian failed to make reasonable efforts to reunify the child with his or her family, provided that (i) the finding of no reasonable efforts is made within 60 days of the period when reasonable efforts were not made or (ii) the parent filed a motion requesting a finding of no reasonable efforts within 60 days of the period when reasonable efforts were not made. For purposes of this subdivision (m-1), the date of entering foster care is the earlier of: (i) the date of a judicial finding at an adjudicatory hearing that the child is an abused, neglected, or dependent minor; or (ii) 60 days after the date on which the child is removed from his or her parent, guardian, or legal custodian.

(n) Evidence of intent to forgo his or her parental rights, whether or not the child is a ward of the court, (1) as manifested by his or her failure for a period of 12 months: (i) to visit the child, (ii) to communicate with the child or agency, although able to do so and not prevented from doing so by an agency or by court order, or (iii) to maintain contact with or plan for the future of the child, although physically able to do so, or (2) as manifested by the father's failure, where he and the mother of the child were unmarried to each other at the time of the child's birth, (i) to commence legal proceedings to establish his paternity under the Illinois Parentage Act of 1984 or the law of the jurisdiction of the child's birth within 30 days of being informed, pursuant to Section 12a of this Act, that he is the father or the likely father of the child or, after being so informed where the child is not yet born, within 30 days of the child's birth, or (ii) to make a good faith effort to pay a reasonable amount of the expenses related to the birth of the child and to provide a reasonable amount for the financial support of the child, the court to consider in its determination all relevant circumstances, including the financial condition of both parents; provided that the ground for termination provided in this subparagraph (n)(2)(ii) shall only be available where the petition is brought by the mother or the husband of the mother.

Contact or communication by a parent with his or her child

New matter indicated by italics - deletions by strikeout
that does not demonstrate affection and concern does not constitute reasonable contact and planning under subdivision (n). In the absence of evidence to the contrary, the ability to visit, communicate, maintain contact, pay expenses and plan for the future shall be presumed. The subjective intent of the parent, whether expressed or otherwise, unsupported by evidence of the foregoing parental acts manifesting that intent, shall not preclude a determination that the parent has intended to forgo his or her parental rights. In making this determination, the court may consider but shall not require a showing of diligent efforts by an authorized agency to encourage the parent to perform the acts specified in subdivision (n).

It shall be an affirmative defense to any allegation under paragraph (2) of this subsection that the father's failure was due to circumstances beyond his control or to impediments created by the mother or any other person having legal custody. Proof of that fact need only be by a preponderance of the evidence.

(o) Repeated or continuous failure by the parents, although physically and financially able, to provide the child with adequate food, clothing, or shelter.

(p) Inability to discharge parental responsibilities supported by competent evidence from a psychiatrist, licensed clinical social worker, or clinical psychologist of mental impairment, mental illness or mental retardation as defined in Section 1-116 of the Mental Health and Developmental Disabilities Code, or developmental disability as defined in Section 1-106 of that Code, and there is sufficient justification to believe that the inability to discharge parental responsibilities shall extend beyond a reasonable time period. However, this subdivision (p) shall not be construed so as to permit a licensed clinical social worker to conduct any medical diagnosis to determine mental illness or mental impairment.

(q) The parent has been criminally convicted of aggravated battery, heinous battery, or attempted murder of any child.

(r) The child is in the temporary custody or guardianship of the Department of Children and Family Services, the parent is incarcerated as a result of criminal conviction at the time the petition or motion for termination of parental rights is filed, prior to incarceration the parent had little or no contact with the child or provided little or no support for the child, and the parent's incarceration will prevent the parent from discharging his or her

parental responsibilities for the child for a period in excess of 2 years after the filing of the petition or motion for termination of parental rights.

(s) The child is in the temporary custody or guardianship of the Department of Children and Family Services, the parent is incarcerated at the time the petition or motion for termination of parental rights is filed, the parent has been repeatedly incarcerated as a result of criminal convictions, and the parent's repeated incarceration has prevented the parent from discharging his or her parental responsibilities for the child.

(t) A finding that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act, or a metabolite of a controlled substance, with the exception of controlled substances or metabolites of such substances, the presence of which in the newborn infant was the result of medical treatment administered to the mother or the newborn infant, and that the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987, after which the biological mother had the opportunity to enroll in and participate in a clinically appropriate substance abuse counseling, treatment, and rehabilitation program.

E. "Parent" means the father or mother of a legitimate or illegitimate child. For the purpose of this Act, a person who has executed a final and irrevocable consent to adoption or a final and irrevocable surrender for purposes of adoption, or whose parental rights have been terminated by a court, is not a parent of the child who was the subject of the consent or surrender, unless the consent is void pursuant to subsection O of Section 10.

F. A person is available for adoption when the person is:

(a) a child who has been surrendered for adoption to an agency and to whose adoption the agency has thereafter consented;

(b) a child to whose adoption a person authorized by law, other than his parents, has consented, or to whose adoption no consent is required pursuant to Section 8 of this Act;

(c) a child who is in the custody of persons who intend to adopt him through placement made by his parents;

(d) an adult who meets the conditions set forth in Section 3 of this Act; or
(e) a child who has been relinquished as defined in Section 10 of the Abandoned Newborn Infant Protection Act.

G. The singular includes the plural and the plural includes the singular and the "male" includes the "female", as the context of this Act may require.

H. "Adoption disruption" occurs when an adoptive placement does not prove successful and it becomes necessary for the child to be removed from placement before the adoption is finalized.

(a) inflicts, causes to be inflicted, or allows to be inflicted upon the child physical injury, by other than accidental means, that causes death, disfigurement, impairment of physical or emotional health, or loss or impairment of any bodily function;

(e) inflicts excessive corporal punishment.

Q. "Neglected child" means any child whose parent or other person responsible for the child's welfare withholds or denies nourishment or medically indicated treatment including food or care denied solely on the basis of the present or anticipated mental or physical impairment as determined by a physician acting alone or in consultation with other physicians or otherwise does not provide the proper or necessary support, education as required by law, or medical or other remedial care recognized under State law as necessary for a child's well-being, or other care necessary for his or her well-being, including adequate food, clothing and shelter; or who is abandoned by his or her parents or other person responsible for the child's welfare.

A child shall not be considered neglected or abused for the sole reason that the child's parent or other person responsible for his or her welfare depends upon spiritual means through prayer alone for the treatment or cure of disease or remedial care as provided under Section 4 of the Abused and Neglected Child Reporting Act. A child shall not be considered neglected or abused for the sole reason that the child's parent or other person responsible for the child's welfare failed to vaccinate, delayed vaccination, or refused vaccination for the child due to a waiver on religious or medical grounds as permitted by law.

The term includes a male who is less than 18 years of age. "Putative father" does not mean a man who is the child's father as a result of criminal sexual abuse or assault as defined under Article 12 of the Criminal Code of 1961.

Every registration sticker issued as evidence of current registration shall designate the year number for which it is issued and such other letters or numbers as the Secretary may prescribe and shall be of a contrasting color with the registration plates and registration stickers of the previous year.

(c) Each registration plate and the required letters and numerals thereon, except the year number for which issued, shall be of sufficient size to be plainly readable from a distance of 100 feet during daylight, and shall be coated with reflectorizing material. The dimensions of the plate issued to vehicles of the first division shall be 6 by 12 inches.

(b) Only adults may be accepted for residency.

(c) A person shall not be accepted for residency if:

(1) the person poses a serious threat to himself or herself or to others;

The hospice program must make nursing services, medical social work services, volunteer services, and bereavement services available on a 24-hour basis to the extent necessary to meet the needs of individuals for care that is reasonable and necessary for the palliation and management of terminal illness and related conditions. The hospice program must provide these services in a manner consistent with the standards for certification under the Medicare program set forth in the Conditions of Participation in 42 CFR Part 418. waives, in writing, his or her right to have the matter proceed in Juvenile
Court.

(ii) If before trial or plea an information or indictment is filed that
includes first degree murder committed during the course of aggravated
criminal sexual assault, criminal sexual assault, or aggravated kidnaping, and
additional charges that are not specified in paragraph (a) of this subsection,
all of the charges arising out of the same incident shall be prosecuted under
the criminal laws of this State.

(c) (i) If after trial or plea the minor is convicted of first degree
murder committed during the course of aggravated criminal sexual assault,
criminal sexual assault, or aggravated kidnaping, in sentencing the minor, the
court shall have available any or all dispositions prescribed for that offense
under Chapter V of the Unified Code of Corrections.

(ii) If the minor was not yet 15 years of age at the time of the offense,
and if after trial or plea the court finds that the minor committed an offense other than first degree murder committed during the course of either aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnapping, the finding shall not invalidate the verdict or the prosecution of the minor under the criminal laws of the State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine whether the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous delinquent history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Corrections, Juvenile Division, for the treatment and rehabilitation of the minor; (e) whether the best interest of the minor and the security of the public require sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.

(5) (a) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who is charged with a violation of subsection (a) of Section 31-6 or Section 32-10 of the Criminal Code of 1961 when the minor is subject to prosecution under the criminal laws of this State as a result of the application of the provisions of Section 5-125, or subsection (1) or (2) of this Section. These charges and all other charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(b) (i) If before trial or plea an information or indictment is filed that does not charge an offense specified in paragraph (a) of this subsection (5), the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the criminal laws of this State on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing,
his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes one or more charges specified in paragraph (a) of this subsection (5) and additional charges that are not specified in that paragraph, all of the charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(c) (i) If after trial or plea the minor is convicted of any offense covered by paragraph (a) of this subsection (5), then, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If after trial or plea the court finds that the minor committed an offense not covered by paragraph (a) of this subsection (5), the conviction shall not invalidate the verdict or the prosecution of the minor under the criminal laws of this State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine if whether the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous delinquent history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Corrections, Juvenile Division, for the treatment and rehabilitation of the minor; (e) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.

(6) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who, pursuant to subsection (1), (2), or (3) or Section 5-805, or 5-810, has previously been placed under the jurisdiction of the criminal court and has been convicted of a crime under an adult criminal or penal statute. Such a minor shall be subject to prosecution

under the criminal laws of this State.

(7) The procedures set out in this Article for the investigation, arrest and prosecution of juvenile offenders shall not apply to minors who are excluded from jurisdiction of the Juvenile Court, except that minors under 17 years of age shall be kept separate from confined adults.

(8) Nothing in this Act prohibits or limits the prosecution of any minor for an offense committed on or after his or her 17th birthday even though he or she is at the time of the offense a ward of the court.

(9) If an original petition for adjudication of wardship alleges the commission by a minor 13 years of age or over of an act that constitutes a crime under the laws of this State, the minor, with the consent of his or her counsel, may, at any time before commencement of the adjudicatory hearing, file with the court a motion that criminal prosecution be ordered and that the petition be dismissed insofar as the act or acts involved in the criminal proceedings are concerned. If such a motion is filed as herein provided, the court shall enter its order accordingly.

(10) If prior to the effective date of this amendatory Act of the 94th General Assembly, a minor is charged with a violation of Section 401 of the Illinois Controlled Substances Act under the criminal laws of this State subject to the provisions of subsection (2) of this Section, other than a minor charged with a Class X felony violation of the Illinois Controlled Substances Act, any party including the minor or the court sua sponte may, before trial, move for a hearing for the purpose of trying and sentencing the minor as a delinquent minor. To request a hearing, the party must file a motion prior to trial. Reasonable notice of the motion shall be given to all parties. On its own motion or upon the filing of a motion by one of the parties including the minor, the court shall conduct a hearing to determine whether the minor should be tried and sentenced as a delinquent minor under this Article. In making its determination, the court shall consider among other matters:

(a) The age of the minor;
(b) Any previous delinquent or criminal history of the minor;
(c) Any previous abuse or neglect history of the minor;
(d) Any mental health or educational history of the minor, or both;
and
(e) Whether there is probable cause to support the charge, whether the minor is charged through accountability, and whether there is evidence the minor possessed a deadly weapon or caused serious bodily harm during the offense.

Any material that is relevant and reliable shall be admissible at the
hearing. In all cases, the judge shall enter an order permitting prosecution under the criminal laws of Illinois unless the judge makes a finding based on a preponderance of the evidence that the minor would be amenable to the care, treatment, and training programs available through the facilities of the juvenile court based on an evaluation of the factors listed in this subsection (10).

(705 ILCS 405/5-805)
Sec. 5-805. Transfer of jurisdiction.
(1) Mandatory transfers.

(a) If a petition alleges commission by a minor 15 years of age or older of an act that constitutes a forcible felony under the laws of this State, and if a motion by the State's Attorney to prosecute the minor under the criminal laws of Illinois for the alleged forcible felony alleges that (i) the minor has previously been adjudicated delinquent or found guilty for commission of an act that constitutes a felony under the laws of this State or any other state and (ii) the act that constitutes the offense was committed in furtherance of criminal activity by an organized gang, the Juvenile Judge assigned to hear and determine those motions shall, upon determining that there is probable cause that both allegations are true, enter an order permitting prosecution under the criminal laws of Illinois.

(b) If a petition alleges commission by a minor 15 years of age or older of an act that constitutes a felony under the laws of this State, and if a motion by a State's Attorney to prosecute the minor under the criminal laws of Illinois for the alleged felony alleges that (i) the minor has previously been adjudicated delinquent or found guilty for commission of an act that constitutes a forcible felony under the laws of this State or any other state and (ii) the act that constitutes the offense was committed in furtherance of criminal activities by an organized gang, the Juvenile Judge assigned to hear and determine those motions shall, upon determining that there is probable cause that both allegations are true, enter an order permitting prosecution under the criminal laws of Illinois.

(c) If a petition alleges commission by a minor 15 years of age or older of: (i) an act that constitutes an offense enumerated in the presumptive transfer provisions of subsection (2); and (ii) the minor has previously been adjudicated delinquent or found guilty of a

forcible felony, the Juvenile Judge designated to hear and determine those motions shall, upon determining that there is probable cause that both allegations are true, enter an order permitting prosecution under the criminal laws of Illinois.

(d) If a petition alleges commission by a minor 15 years of age or older of an act that constitutes the offense of aggravated discharge of a firearm committed in a school, on the real property comprising a school, within 1,000 feet of the real property comprising a school, at a school related activity, or on, boarding, or departing from any conveyance owned, leased, or contracted by a school or school district to transport students to or from school or a school related activity, regardless of the time of day or the time of year, the juvenile judge designated to hear and determine those motions shall, upon determining that there is probable cause that the allegations are true, enter an order permitting prosecution under the criminal laws of Illinois.

For purposes of this paragraph (d) of subsection (1):

"School" means a public or private elementary or secondary school, community college, college, or university.

"School related activity" means any sporting, social, academic, or other activity for which students' attendance or participation is sponsored, organized, or funded in whole or in part by a school or school district. (2) Presumptive transfer.

(a) If the State's Attorney files a petition, at any time prior to commencement of the minor's trial, to permit prosecution under the criminal laws and the petition alleges the commission by a minor 15 years of age or older of: (i) a Class X felony other than armed violence; (ii) aggravated discharge of a firearm; (iii) armed violence with a firearm when the predicate offense is a Class 1 or Class 2 felony and the State's Attorney's motion to transfer the case alleges that the offense committed is in furtherance of the criminal activities of an organized gang; (iv) armed violence with a firearm when the predicate offense is a violation of the Illinois Controlled Substances Act or a violation of the Cannabis Control Act; (v) armed violence when the weapon involved was a machine gun or other weapon described in subsection (a)(7) of Section 24-1 of the Criminal Code of 1961; (vi) an act in violation of Section 401 of the Illinois Controlled Substances Act which is a Class X felony, while in a school, regardless of the time of day or the time of year, or on any

conveyance owned, leased, or contracted by a school to transport students to or from school or a school related activity, or on residential property owned, operated, or managed by a public housing agency or leased by a public housing agency as part of a scattered site or mixed-income development; or (vii) an act in violation of Section 401 of the Illinois Controlled Substances Act and the offense is alleged to have occurred while in a school or on a public way within 1,000 feet of the real property comprising any school, regardless of the time of day or the time of year when the delivery or intended delivery of any amount of the controlled substance is to a person under 17 years of age, (to qualify for a presumptive transfer under paragraph (vi) or (vii) of this clause (2) (a), the violation cannot be based upon subsection (b) of Section 407 of the Illinois Controlled Substances Act) ; and, if the juvenile judge assigned to hear and determine motions to transfer a case for prosecution in the criminal court determines that there is probable cause to believe that the allegations in the petition and motion are true, there is a rebuttable presumption that the minor is not a fit and proper subject to be dealt with under the Juvenile Justice Reform Provisions of 1998 (Public Act 90-590), and that, except as provided in paragraph (b), the case should be transferred to the criminal court.

(b) The judge shall enter an order permitting prosecution under the criminal laws of Illinois unless the judge makes a finding based on clear and convincing evidence that the minor would be amenable to the care, treatment, and training programs available through the facilities of the juvenile court based on an evaluation of the following:

(i) the age of the minor;
(ii) the history of the minor, including:
   (a) any previous delinquent or criminal history of the minor,
   (b) any previous abuse or neglect history of the minor, and
   (c) any mental health, physical or educational history of the minor or combination of these factors;
(iii) the circumstances of the offense, including:
   (a) the seriousness of the offense,
   (b) whether the minor is charged through accountability,

New matter indicated by italics - deletions by strikeout
(c) whether there is evidence the offense was committed in an aggressive and premeditated manner,

(d) whether there is evidence the offense caused serious bodily harm,

(e) whether there is evidence the minor possessed a deadly weapon;

(iv) the advantages of treatment within the juvenile justice system including whether there are facilities or programs, or both, particularly available in the juvenile system;

(v) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections:

(a) the minor's history of services, including the minor's willingness to participate meaningfully in available services;

(b) whether there is a reasonable likelihood that the minor can be rehabilitated before the expiration of the juvenile court's jurisdiction;

(c) the adequacy of the punishment or services.

(i) The seriousness of the alleged offense;

(ii) The minor's history of delinquency;

(iii) The age of the minor;

(iv) The culpability of the minor in committing the alleged offense;

(v) Whether the offense was committed in an aggressive or premeditated manner;

(vi) Whether the minor used or possessed a deadly weapon when committing the alleged offense;

(vii) The minor's history of services, including the minor's willingness to participate meaningfully in available services;

(viii) Whether there is a reasonable likelihood that the minor can be rehabilitated before the expiration of the juvenile court's jurisdiction;

(ix) The adequacy of the punishment or services available in the juvenile justice system:

In considering these factors, the court shall give greater weight to the seriousness of the alleged offense and the minor's prior record of delinquency than to the other factors listed in this subsection.

For purposes of clauses (2)(a) (vi) and (vii):

"School" means a public or private elementary or
secondary school, community college, college, or university.

"School related activity" means any sporting, social, academic, or other activity for which students' attendance or participation is sponsored, organized, or funded in whole or in part by a school or school district.

(3) Discretionary transfer.

(a) If a petition alleges commission by a minor 13 years of age or over of an act that constitutes a crime under the laws of this State and, on motion of the State's Attorney to permit prosecution of the minor under the criminal laws, a Juvenile Judge assigned by the Chief Judge of the Circuit to hear and determine those motions, after hearing but before commencement of the trial, finds that there is probable cause to believe that the allegations in the motion are true and that it is not in the best interests of the public to proceed under this Act, the court may enter an order permitting prosecution under the criminal laws.

(b) In making its determination on the motion to permit prosecution under the criminal laws, the court shall consider among other matters:

(i) the age of the minor;
(ii) the history of the minor, including:
(a) any previous delinquent or criminal history of the minor,
(b) any previous abuse or neglect history of the minor,
and
(c) any mental health, physical, or educational history of the minor or combination of these factors;
(iii) the circumstances of the offense, including:
(a) the seriousness of the offense,
(b) whether the minor is charged through accountability,
(c) whether there is evidence the offense was committed in an aggressive and premeditated manner,
(d) whether there is evidence the offense caused serious bodily harm,
(e) whether there is evidence the minor possessed a deadly weapon;
(iv) the advantages of treatment within the juvenile justice system including whether there are facilities or programs, or both,

particularly available in the juvenile system;

(v) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections:

(a) the minor's history of services, including the minor's willingness to participate meaningfully in available services;

(b) whether there is a reasonable likelihood that the minor can be rehabilitated before the expiration of the juvenile court's jurisdiction;

(c) the adequacy of the punishment or services.

(i) The seriousness of the alleged offense;
(ii) The minor's history of delinquency;
(iii) The age of the minor;
(iv) The culpability of the minor in committing the alleged offense;
(v) Whether the offense was committed in an aggressive or premeditated manner;
(vi) Whether the minor used or possessed a deadly weapon when committing the alleged offense;
(vii) The minor's history of services, including the minor's willingness to participate meaningfully in available services;
(viii) The adequacy of the punishment or services available in the juvenile justice system.

In considering these factors, the court shall give greater weight to the seriousness of the alleged offense and the minor's prior record of delinquency than to the other factors listed in this subsection.

(4) The rules of evidence for this hearing shall be the same as under Section 5-705 of this Act. A minor must be represented in court by counsel before the hearing may be commenced.

(5) If criminal proceedings are instituted, the petition for adjudication of wardship shall be dismissed insofar as the act or acts involved in the criminal proceedings. Taking of evidence in a trial on petition for adjudication of wardship is a bar to criminal proceedings based upon the conduct alleged in the petition.

Sec. 5-810. Extended jurisdiction juvenile prosecutions.

(1) If the State's Attorney files a petition, at any time prior to commencement of the minor's trial, to designate the proceeding as an

extended jurisdiction juvenile prosecution and the petition alleges the commission by a minor 13 years of age or older of any offense which would be a felony if committed by an adult, and, if the juvenile judge assigned to hear and determine petitions to designate the proceeding as an extended jurisdiction juvenile prosecution determines that there is probable cause to believe that the allegations in the petition and motion are true, there is a rebuttable presumption that the proceeding shall be designated as an extended jurisdiction juvenile proceeding.

(b) The judge shall enter an order designating the proceeding as an extended jurisdiction juvenile proceeding unless the judge makes a finding based on clear and convincing evidence that sentencing under the Chapter V of the Unified Code of Corrections would not be appropriate for the minor based on an evaluation of the following factors:

(i) the age of the minor;
(ii) the history of the minor, including:
   (a) any previous delinquent or criminal history of the minor,
   (b) any previous abuse or neglect history of the minor, and
   (c) any mental health, physical and/or educational history of the minor;
(iii) the circumstances of the offense, including:
   (a) the seriousness of the offense,
   (b) whether the minor is charged through accountability,
   (c) whether there is evidence the offense was committed in an aggressive and premeditated manner,
   (d) whether there is evidence the offense caused serious bodily harm,
   (e) whether there is evidence the minor possessed a deadly weapon;
(iv) the advantages of treatment within the juvenile justice system including whether there are facilities or programs, or both, particularly available in the juvenile system;
(v) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections:
   (a) the minor's history of services, including the minor's willingness to participate meaningfully in available services;

(b) whether there is a reasonable likelihood that the minor can be rehabilitated before the expiration of the juvenile court's jurisdiction;
(c) the adequacy of the punishment or services.

(i) The seriousness of the alleged offense;
(ii) The minor's history of delinquency;
(iii) The age of the minor;
(iv) The culpability of the minor in committing the alleged offense;
(v) Whether the offense was committed in an aggressive or premeditated manner;
(vi) Whether the minor used or possessed a deadly weapon when committing the alleged offense.

In considering these factors, the court shall give greater weight to the seriousness of the alleged offense and the minor's prior record of delinquency than to other factors listed in this subsection.

(2) Procedures for extended jurisdiction juvenile prosecutions.

(a) The State's Attorney may file a written motion for a proceeding to be designated as an extended juvenile jurisdiction prior to commencement of trial. Notice of the motion shall be in compliance with Section 5-530. When the State's Attorney files a written motion that a proceeding be designated an extended jurisdiction juvenile prosecution, the court shall commence a hearing within 30 days of the filing of the motion for designation, unless good cause is shown by the prosecution or the minor as to why the hearing could not be held within this time period. If the court finds good cause has been demonstrated, then the hearing shall be held within 60 days of the filing of the motion. The hearings shall be open to the public unless the judge finds that the hearing should be closed for the protection of any party, victim or witness. If the Juvenile Judge assigned to hear and determine a motion to designate an extended jurisdiction juvenile prosecution determines that there is probable cause to believe that the allegations in the petition and motion are true the court shall grant the motion for designation. Information used by the court in its findings or stated in or offered in connection with this Section may be by way of proffer based on reliable information offered by the State or the minor. All evidence shall be admissible if it is relevant and reliable regardless of whether it would be admissible under the rules of evidence.

(3) Trial. A minor who is subject of an extended jurisdiction juvenile prosecution has the right to trial by jury. Any trial under this Section shall be open to the public.

(4) Sentencing. If an extended jurisdiction juvenile prosecution under subsections (1) results in a guilty plea, a verdict of guilty, or a finding of guilt, the court shall impose the following:
   (i) one or more juvenile sentences under Section 5-710; and
   (ii) an adult criminal sentence in accordance with the provisions of Chapter V of the Unified Code of Corrections, the execution of which shall be stayed on the condition that the offender not violate the provisions of the juvenile sentence.

Any sentencing hearing under this Section shall be open to the public.

(5) If, after an extended jurisdiction juvenile prosecution trial, a minor is convicted of a lesser-included offense or of an offense that the State's Attorney did not designate as an extended jurisdiction juvenile prosecution, the State's Attorney may file a written motion, within 10 days of the finding of guilt, that the minor be sentenced as an extended jurisdiction juvenile prosecution offender. The court shall rule on this motion using the factors found in paragraph (1) (b) of Section 5-805. If the court denies the State's Attorney's motion for sentencing under the extended jurisdiction juvenile prosecution provision, the court shall proceed to sentence the minor under Section 5-710.

(6) When it appears that a minor convicted in an extended jurisdiction juvenile prosecution under subsection (1) has violated the conditions of his or her sentence, or is alleged to have committed a new offense upon the filing of a petition to revoke the stay, the court may, without notice, issue a warrant for the arrest of the minor. After a hearing, if the court finds by a preponderance of the evidence that the minor committed a new offense, the court shall order execution of the previously imposed adult criminal sentence. After a hearing, if the court finds by a preponderance of the evidence that the minor committed a violation of his or her sentence other than by a new offense, the court may order execution of the previously imposed adult criminal sentence or may continue him or her on the existing juvenile sentence with or without modifying or enlarging the conditions. Upon revocation of the stay of the adult criminal sentence and imposition of that sentence, the minor's extended jurisdiction juvenile status shall be terminated. The on-going jurisdiction over the minor's case shall be assumed by the adult criminal court and juvenile court jurisdiction shall be terminated and a report of the imposition of the adult sentence shall be sent to the Department of

State Police.

(7) Upon successful completion of the juvenile sentence the court shall vacate the adult criminal sentence.

(8) Nothing in this Section precludes the State from filing a motion for transfer under Section 5-805.

Approved August 12, 2005.
Effective August 12, 2005.

PUBLIC ACT 94-0575
(Senate Bill No. 0417)

AN ACT concerning finance.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Tobacco Products Manufacturers' Escrow Enforcement Act of 2003 is amended by changing Sections 15, 20, 25, 30, and 35 as follows:

(30 ILCS 167/15)
Sec. 15. Certifications; directory; tax stamps.
(a) Every tobacco product manufacturer whose cigarettes are sold in this State whether directly or through a distributor, retailer, or similar intermediary or intermediaries shall execute and deliver on a form prescribed by the Attorney General a certification to the Attorney General, no later than

New matter indicated by italics - deletions by strikeout
the thirtieth day of April each year, certifying under penalty of perjury that, as of the date of the certification, the tobacco product manufacturer either: (i) is a participating manufacturer and has generally performed its financial obligations under the Master Settlement Agreement; or (ii) is in full compliance with the Escrow Act, including all quarterly installment payments.

(1) A participating manufacturer shall include in its certification a list of its brand families. The participating manufacturer shall update the list 30 days prior to any addition to or modification of its brand families by executing and delivering a supplemental certification to the Attorney General.

(2) A non-participating manufacturer shall include in its certification a complete list of all of its brand families: (i) separately listing brand families of cigarettes and the number of units sold for each brand family that were sold in the State during the preceding calendar year; (ii) listing all of its brand families that have been sold in the State at any time during the current calendar year; (iii) indicating by an asterisk, any brand family sold in the State during the preceding calendar year that is no longer being sold in the State as of the date of the certification; and (iv) identifying by name and address any other manufacturer of the brand families in the preceding calendar year. The non-participating manufacturer shall update the list 30 days prior to any addition to or modification of its brand families by executing and delivering a supplemental certification to the Attorney General.

(3) In the case of a non-participating manufacturer, the certification shall further certify:

   (A) that the non-participating manufacturer is registered to do business in this State or has appointed a resident agent for service of process and provided notice thereof as required by Section 20 item 4 of subsection (a) of this Section;

   (B) that the non-participating manufacturer has (i) established and continues to maintain a qualified escrow fund as that term is defined in Section 10 of the Escrow Act, and (ii) executed a qualified escrow agreement that has been reviewed and approved by the Attorney General and that governs the qualified escrow fund;

   (C) that the non-participating manufacturer is in full compliance with the Escrow Act.
(4) A tobacco product manufacturer may not include a brand family in its certification unless: (i) in the case of a participating manufacturer, the participating manufacturer affirms that the brand family is to be deemed to be its cigarettes for purposes of calculating its payments under the master settlement agreement for the relevant year, in the volume and shares determined pursuant to the master settlement agreement; and (ii) in the case of a non-participating manufacturer, the non-participating manufacturer affirms that the brand family is to be deemed to be its cigarettes for purposes of Section 15 of the Escrow Act.

Nothing in this Section shall be construed as limiting or otherwise affecting the State's right to maintain that a brand family constitutes cigarettes of a different tobacco product manufacturer for purposes of calculating payments under the master settlement agreement or for purposes of Section 15 of the Escrow Act.

(5) The tobacco product manufacturers shall maintain all invoices and documentation of sales and other information relied upon for certification for a period of 5 years, unless otherwise
required by law to maintain them for a greater period of time.

(b) Not later than 6 months after the effective date of this Act, the Attorney General shall develop and make available for public inspection, through publishing on its website, a directory listing all tobacco product manufacturers that have provided current and accurate certifications conforming to the requirements of subsection (a) of Section 15 and all brand families that are listed in the certifications, except for the following:

(1) The Attorney General shall not include or retain in the directory the name or brand families of any non-participating manufacturer that fails to provide the required certification or whose certification the Attorney General determines is not in compliance with subsections (a)(2) or (a)(3) of Section 15, unless the Attorney General has determined that the violation has been cured to the satisfaction of the Attorney General.

(2) Neither a tobacco product manufacturer nor brand family shall be included or retained in the directory if the Attorney General concludes that: (i) in the case of a non-participating manufacturer all escrow payments required pursuant to Section 15 of the Escrow Act for any period for any brand family, whether or not listed by the non-participating manufacturer, have not been fully paid into a qualified escrow fund governed by a qualified escrow agreement that has been approved by the Attorney General; or (ii) all outstanding final judgments, including interest thereon, for violations of Section 15 of the Escrow Act have not been fully satisfied for that brand family and manufacturer.

(c) The Attorney General shall update the directory as necessary in order to correct mistakes and to add or remove a tobacco product manufacturer or brand families to keep the directory in conformity with the requirements of this Act.

(d) Every distributor shall provide and update as necessary an electronic mail address to the Attorney General for the purpose of receiving any notifications as may be required by this Act.

submitted, and must so specify if the statute authorizing the public question requires submission at a particular election. However, no petition, resolution or ordinance initiating the submission of a public question, other than a legislative resolution initiating an amendment to the Constitution, may specify such submission at an election more than one year, or 15 months in the case of a back door referendum as defined in subsection (f), after the date on which it is filed or adopted, as the case may be. A petition, resolution or ordinance initiating a public question which specifies a particular election at which the question is to be submitted shall be so limited, and shall not be valid as to any other election, other than an emergency referendum ordered pursuant to Section 2A-1.4.

(e) If a petition initiating a public question does not specify a regularly scheduled election, the public question shall be submitted to referendum at the next regular election occurring not less than 78 days after the filing of the petition, or not less than 108 days after the filing of a petition for referendum to create a political subdivision. If a resolution or ordinance initiating a public question does not specify a regularly scheduled election, the public question shall be submitted to referendum at the next regular election occurring not less than 65 days after the adoption of the resolution or ordinance.

(f) In the case of back door referenda, any limitations in another statute authorizing such a referendum which restrict the time in which the initiating petition may be validly filed shall apply to such petition, in addition to the filing deadlines specified in this Section for submission at a particular election. In the case of any back door referendum, the publication of the ordinance or resolution of the political subdivision shall include a notice of (1) the specific number of voters required to sign a petition requesting that a public question be submitted to the voters of the subdivision; (2) the time within which the petition must be filed; and (3) the date of the prospective referendum. The secretary or clerk of the political subdivision shall provide a petition form to any individual requesting one. As used herein, a "back door referendum" is the submission of a public question to the voters of a political subdivision, initiated by a petition of voters or residents of such political subdivision, to determine whether an action by the governing body of such subdivision shall be adopted or rejected.

(g) A petition for the incorporation or formation of a new political subdivision whose officers are to be elected rather than appointed must have attached to it an affidavit attesting that at least 108 days and no more than 138 days prior to such election notice of intention to file such petition was published in a newspaper published within the proposed political subdivision,

The territory proposed to comprise the new........is described as follows:

(description of territory included in petition)

the new political subdivision.

* Where applicable.

Failure to file such affidavit, or failure to publish the required notice with the correct information contained therein shall render the petition, and any referendum held pursuant to such petition, null and void.

Notwithstanding the foregoing provisions of this subsection (g) or any other provisions of this Code, the publication of notice and affidavit requirements of this subsection (g) shall not apply to any petition filed under Article 7, 7A, 11A, 11B, or 11D of the School Code nor to any referendum held pursuant to any such petition, and neither any petition filed under any of those Articles nor any referendum held pursuant to any such petition shall be rendered null and void because of the failure to file an affidavit or publish a notice with respect to the petition or referendum as required under this subsection (g) for petitions that are not filed under any of those Articles of the School Code.

1.1. Exclusion From the CAAPP.
   a. An owner or operator of a source which determines that the source could be excluded from the CAAPP may seek such exclusion prior to the date that the CAAPP application for the source is due but in no case later than 9 months after the effective date of the CAAPP through the imposition of federally enforceable conditions limiting the "potential to emit" of the source to a level below the major source threshold for that source as described in paragraph 2(c) of this Section, within a State operating permit issued pursuant to Section 39(a) of this Act. After such date, an exclusion from the CAAPP may be sought under paragraph 3(c) of this Section.
   b. An owner or operator of a source seeking exclusion from the CAAPP pursuant to paragraph (a) of this subsection must submit a permit application consistent with the existing State permit program which specifically requests such exclusion through the imposition of such federally enforceable conditions.
   c. Upon such request, if the Agency determines that the owner
or operator of a source has met the requirements for exclusion pursuant to paragraph (a) of this subsection and other applicable requirements for permit issuance under Section 39(a) of this Act, the Agency shall issue a State operating permit for such source under Section 39(a) of this Act, as amended, and regulations promulgated thereunder with federally enforceable conditions limiting the "potential to emit" of the source to a level below the major source threshold for that source as described in paragraph 2(c) of this Section.

d. The Agency shall provide an owner or operator of a source which may be excluded from the CAAPP pursuant to this subsection with reasonable notice that the owner or operator may seek such exclusion.

e. The Agency shall provide such sources with the necessary permit application forms.

2. Applicability.

   a. Sources subject to this Section shall include:

      i. Any major source as defined in paragraph (c) of this subsection.

      ii. Any source subject to a standard or other requirements promulgated under Section 111 (New Source Performance Standards) or Section 112 (Hazardous Air Pollutants) of the Clean Air Act, except that a source is not required to obtain a permit solely because it is subject to regulations or requirements under Section 112(r) of the Clean Air Act.

      iii. Any affected source for acid deposition, as defined in subsection 1 of this Section.

      iv. Any other source subject to this Section under the Clean Air Act or regulations promulgated thereunder, or applicable Board regulations.

   b. Sources exempted from this Section shall include:

i. A major source under Section 112 of the Clean Air Act, which is defined as:

   A. For pollutants other than radionuclides, any stationary source or group of stationary sources located within a contiguous area and under common control that emits or has the potential to emit, in the aggregate, 10 tons per year (tpy) or more of any hazardous air pollutant which has been listed pursuant to Section 112(b) of the Clean Air Act, 25 tpy or more of any combination of such hazardous air pollutants, or such lesser quantity as USEPA may establish by rule. Notwithstanding the preceding sentence, emissions from any oil or gas exploration or production well (with its associated equipment) and emissions from any pipeline compressor or pump station shall not be aggregated with emissions from other similar units, whether or not such units are in a contiguous area or under common control, to determine whether such stations are major sources.

   B. For radionuclides, "major source" shall have the meaning specified by the USEPA by rule.

ii. A major stationary source of air pollutants, as
defined in Section 302 of the Clean Air Act, that directly emits or has the potential to emit, 100 tpy or more of any air pollutant (including any major source of fugitive emissions of any such pollutant, as determined by rule by USEPA). For purposes of this subsection, "fugitive emissions" means those emissions which could not reasonably pass through a stack, chimney, vent, or other functionally-equivalent opening. The fugitive emissions of a stationary source shall not be considered in determining whether it is a major stationary source for the purposes of Section 302(j) of the Clean Air Act, unless the source belongs to one of the following categories of stationary source:

BB. Any other stationary source category designated by USEPA by rule.

iii. A major stationary source as defined in part D of Title I of the Clean Air Act including:

A. For ozone nonattainment areas, sources with the potential to emit 100 tons or more per year of volatile organic compounds or oxides of nitrogen in areas classified as "marginal" or "moderate", 50 tons or more per year in areas classified as "serious", 25 tons or more per year in areas classified as "severe", and 10 tons or more per year in areas classified as "extreme"; except that the references in this clause to 100, 50, 25, and 10 tons per year of nitrogen oxides shall not apply with respect to any source for which USEPA has made a finding, under Section 182(f)(1) or (2) of the Clean Air Act, that requirements otherwise applicable to such source under Section 182(f) of the Clean Air Act do not apply. Such sources shall remain subject to the major source criteria of paragraph 2(c)(ii) of this subsection.

B. For ozone transport regions established pursuant to Section 184 of the Clean Air Act, sources with the potential to emit 50 tons or more per year of volatile organic compounds (VOCs).

3. Agency Authority To Issue CAAPP Permits and Federally Enforceable State Operating Permits.

   a. The Agency shall issue CAAPP permits under this Section consistent with the Clean Air Act and regulations promulgated thereunder and this Act and regulations promulgated thereunder.

   b. The Agency shall issue CAAPP permits for fixed terms of 5 years, except CAAPP permits issued for solid waste incineration units combusting municipal waste which shall be issued for fixed terms of 12 years and except CAAPP permits for affected sources for acid deposition which shall be issued for initial terms to expire on December 31, 1999, and for fixed terms of 5 years thereafter.

   c. The Agency shall have the authority to issue a State operating permit for a source under Section 39(a) of this Act, as amended, and regulations promulgated thereunder, which includes federally enforceable conditions limiting the "potential to emit" of the source to a level below the major source threshold for that source as described in paragraph 2(c) of this Section, thereby excluding the source from the CAAPP, when requested by the applicant pursuant to paragraph 5(u) of this Section. The public notice requirements of this Section applicable to CAAPP permits shall also apply to the initial issuance of permits under this paragraph.

   d. For purposes of this Act, a permit issued by USEPA under Section 505 of the Clean Air Act, as now and hereafter amended, shall be deemed to be a permit issued by the Agency pursuant to Section 39.5 of this Act.

4. Transition.

   a. An owner or operator of a CAAPP source shall not be required to renew an existing State operating permit for any emission unit at such CAAPP source once a CAAPP application timely submitted prior to expiration of the State operating permit has been deemed complete. For purposes other than permit renewal, the obligation upon the owner or operator of a CAAPP source to obtain a State operating permit is not removed upon submittal of the complete CAAPP permit application. An owner or operator of a
CAAPP source seeking to make a modification to a source prior to the issuance of its CAAPP permit shall be required to obtain a construction and/or operating permit as required for such modification in accordance with the State permit program under Section 39(a) of this Act, as amended, and regulations promulgated thereunder. The application for such construction and/or operating permit shall be considered an amendment to the CAAPP application submitted for such source.

b. An owner or operator of a CAAPP source shall continue to operate in accordance with the terms and conditions of its applicable State operating permit notwithstanding the expiration of the State operating permit until the source's CAAPP permit has been issued.

c. An owner or operator of a CAAPP source shall submit its initial CAAPP application to the Agency no later than 12 months after the effective date of the CAAPP. The Agency may request submittal of initial CAAPP applications during this 12 month period according to a schedule set forth within Agency procedures, however, in no event shall the Agency require such submittal earlier than 3 months after such effective date of the CAAPP. An owner or operator may voluntarily submit its initial CAAPP application prior to the date required within this paragraph or applicable procedures, if any, subsequent to the date the Agency submits the CAAPP to USEPA for approval.

d. The Agency shall act on initial CAAPP applications in accordance with subsection 5(j) of this Section.

e. For purposes of this Section, the term "initial CAAPP application" shall mean the first CAAPP application submitted for a source existing as of the effective date of the CAAPP.

f. The Agency shall provide owners or operators of CAAPP sources with at least three months advance notice of the date on which their applications are required to be submitted. In determining which sources shall be subject to early submittal, the Agency shall include among its considerations the complexity of the permit application, and the burden that such early submittal will have on the source.

g. The CAAPP permit shall upon becoming effective supersede the State operating permit.

h. The Agency shall have the authority to adopt procedural rules, in accordance with the Illinois Administrative Procedure Act,
as the Agency deems necessary, to implement this subsection.

5. Applications and Completeness.
   a. An owner or operator of a CAAPP source shall submit its complete CAAPP application consistent with the Act and applicable regulations.
   b. An owner or operator of a CAAPP source shall submit a single complete CAAPP application covering all emission units at that source.
   c. To be deemed complete, a CAAPP application must provide all information, as requested in Agency application forms, sufficient to evaluate the subject source and its application and to determine all applicable requirements, pursuant to the Clean Air Act, and regulations thereunder, this Act and regulations thereunder. Such Agency application forms shall be finalized and made available prior to the date on which any CAAPP application is required.
   d. An owner or operator of a CAAPP source shall submit, as part of its complete CAAPP application, a compliance plan, including a schedule of compliance, describing how each emission unit will comply with all applicable requirements. Any such schedule of compliance shall be supplemental to, and shall not sanction noncompliance with, the applicable requirements on which it is based.
   e. Each submitted CAAPP application shall be certified for truth, accuracy, and completeness by a responsible official in accordance with applicable regulations.
   f. The Agency shall provide notice to a CAAPP applicant as to whether a submitted CAAPP application is complete. Unless the Agency notifies the applicant of incompleteness, within 60 days of receipt of the CAAPP application, the application shall be deemed complete. The Agency may request additional information as needed to make the completeness determination. The Agency may to the extent practicable provide the applicant with a reasonable opportunity to correct deficiencies prior to a final determination of completeness.
   g. If after the determination of completeness the Agency finds that additional information is necessary to evaluate or take final action on the CAAPP application, the Agency may request in writing such information from the source with a reasonable deadline for response.
   h. If the owner or operator of a CAAPP source submits a
timely and complete CAAPP application, the source's failure to have a CAAPP permit shall not be a violation of this Section until the Agency takes final action on the submitted CAAPP application, provided, however, where the applicant fails to submit the requested information under paragraph 5(g) within the time frame specified by the Agency, this protection shall cease to apply.

i. Any applicant who fails to submit any relevant facts necessary to evaluate the subject source and its CAAPP application or who has submitted incorrect information in a CAAPP application shall, upon becoming aware of such failure or incorrect submittal, submit supplementary facts or correct information to the Agency. In addition, an applicant shall provide to the Agency additional information as necessary to address any requirements which become applicable to the source subsequent to the date the applicant submitted its complete CAAPP application but prior to release of the draft CAAPP permit.

j. The Agency shall issue or deny the CAAPP permit within 18 months after the date of receipt of the complete CAAPP application, with the following exceptions: (i) permits for affected sources for acid deposition shall be issued or denied within 6 months after receipt of a complete application in accordance with subsection 17 of this Section; (ii) the Agency shall act on initial CAAPP applications within 24 months after the date of receipt of the complete CAAPP application; (iii) the Agency shall act on complete applications containing early reduction demonstrations under Section 112(i)(5) of the Clean Air Act within 9 months of receipt of the complete CAAPP application.

Where the Agency does not take final action on the permit within the required time period, the permit shall not be deemed issued; rather, the failure to act shall be treated as a final permit action for purposes of judicial review pursuant to Sections 40.2 and 41 of this Act.

k. The submittal of a complete CAAPP application shall not affect the requirement that any source have a preconstruction permit under Title I of the Clean Air Act.

l. Unless a timely and complete renewal application has been submitted consistent with this subsection, a CAAPP source operating upon the expiration of its CAAPP permit shall be deemed to be operating without a CAAPP permit. Such operation is prohibited

under this Act.

m. Permits being renewed shall be subject to the same procedural requirements, including those for public participation and federal review and objection, that apply to original permit issuance.

n. For purposes of permit renewal, a timely application is one that is submitted no less than 9 months prior to the date of permit expiration.

o. The terms and conditions of a CAAPP permit shall remain in effect until the issuance of a CAAPP renewal permit provided a timely and complete CAAPP application has been submitted.

p. The owner or operator of a CAAPP source seeking a permit shield pursuant to paragraph 7(j) of this Section shall request such permit shield in the CAAPP application regarding that source.

q. The Agency shall make available to the public all documents submitted by the applicant to the Agency, including each CAAPP application, compliance plan (including the schedule of compliance), and emissions or compliance monitoring report, with the exception of information entitled to confidential treatment pursuant to Section 7 of this Act.

r. The Agency shall use the standardized forms required under Title IV of the Clean Air Act and regulations promulgated thereunder for affected sources for acid deposition.

s. An owner or operator of a CAAPP source may include within its CAAPP application a request for permission to operate during a startup, malfunction, or breakdown consistent with applicable Board regulations.

t. An owner or operator of a CAAPP source, in order to utilize the operational flexibility provided under paragraph 7(l) of this Section, must request such use and provide the necessary information within its CAAPP application.

u. An owner or operator of a CAAPP source which seeks exclusion from the CAAPP through the imposition of federally enforceable conditions, pursuant to paragraph 3(c) of this Section, must request such exclusion within a CAAPP application submitted consistent with this subsection on or after the date that the CAAPP application for the source is due. Prior to such date, but in no case later than 9 months after the effective date of the CAAPP, such owner or operator may request the imposition of federally enforceable conditions pursuant to paragraph 1.1(b) of this Section.

v. CAAPP applications shall contain accurate information on allowable emissions to implement the fee provisions of subsection 18 of this Section.

w. An owner or operator of a CAAPP source shall submit within its CAAPP application emissions information regarding all regulated air pollutants emitted at that source consistent with applicable Agency procedures. Emissions information regarding insignificant activities or emission levels, as determined by the Agency pursuant to Board regulations, may be submitted as a list within the CAAPP application. The Agency shall propose regulations to the Board defining insignificant activities or emission levels, consistent with federal regulations, if any, no later than 18 months after the effective date of this amendatory Act of 1992, consistent with Section 112(n)(1) of the Clean Air Act. The Board shall adopt final regulations defining insignificant activities or emission levels no later than 9 months after the date of the Agency's proposal.

x. The owner or operator of a new CAAPP source shall submit its complete CAAPP application consistent with this subsection within 12 months after commencing operation of such source. The owner or operator of an existing source that has been excluded from the provisions of this Section under subsection 1.1 or subsection 3(c) of this Section and that becomes subject to the CAAPP solely due to a change in operation at the source shall submit its complete CAAPP application consistent with this subsection at least 180 days before commencing operation in accordance with the change in operation.

y. The Agency shall have the authority to adopt procedural rules, in accordance with the Illinois Administrative Procedure Act, as the Agency deems necessary to implement this subsection.

6. Prohibitions.

a. It shall be unlawful for any person to violate any terms or conditions of a permit issued under this Section, to operate any CAAPP source except in compliance with a permit issued by the Agency under this Section or to violate any other applicable requirements. All terms and conditions of a permit issued under this Section are enforceable by USEPA and citizens under the Clean Air Act, except those, if any, that are specifically designated as not being federally enforceable in the permit pursuant to paragraph 7(m) of this Section.
b. After the applicable CAAPP permit or renewal application submittal date, as specified in subsection 5 of this Section, no person shall operate a CAAPP source without a CAAPP permit unless the complete CAAPP permit or renewal application for such source has been timely submitted to the Agency.

c. No owner or operator of a CAAPP source shall cause or threaten or allow the continued operation of an emission source during malfunction or breakdown of the emission source or related air pollution control equipment if such operation would cause a violation of the standards or limitations applicable to the source, unless the CAAPP permit granted to the source provides for such operation consistent with this Act and applicable Board regulations.

7. Permit Content.

a. All CAAPP permits shall contain emission limitations and standards and other enforceable terms and conditions, including but not limited to operational requirements, and schedules for achieving compliance at the earliest reasonable date, which are or will be required to accomplish the purposes and provisions of this Act and to assure compliance with all applicable requirements.

b. The Agency shall include among such conditions applicable monitoring, reporting, record keeping and compliance certification requirements, as authorized by paragraphs d, e, and f of this subsection, that the Agency deems necessary to assure compliance with the Clean Air Act, the regulations promulgated thereunder, this Act, and applicable Board regulations. When monitoring, reporting, record keeping, and compliance certification requirements are specified within the Clean Air Act, regulations promulgated thereunder, this Act, or applicable regulations, such requirements shall be included within the CAAPP permit. The Board shall have authority to promulgate additional regulations where necessary to accomplish the purposes of the Clean Air Act, this Act, and regulations promulgated thereunder.

c. The Agency shall assure, within such conditions, the use of terms, test methods, units, averaging periods, and other statistical conventions consistent with the applicable emission limitations, standards, and other requirements contained in the permit.

d. To meet the requirements of this subsection with respect to monitoring, the permit shall:

i. Incorporate and identify all applicable emissions
monitoring and analysis procedures or test methods required under the Clean Air Act, regulations promulgated thereunder, this Act, and applicable Board regulations, including any procedures and methods promulgated by USEPA pursuant to Section 504(b) or Section 114(a)(3) of the Clean Air Act.

ii. Where the applicable requirement does not require periodic testing or instrumental or noninstrumental monitoring (which may consist of recordkeeping designed to serve as monitoring), require periodic monitoring sufficient to yield reliable data from the relevant time period that is representative of the source's compliance with the permit, as reported pursuant to paragraph (f) of this subsection. The Agency may determine that recordkeeping requirements are sufficient to meet the requirements of this subparagraph.

iii. As necessary, specify requirements concerning the use, maintenance, and when appropriate, installation of monitoring equipment or methods.

e. To meet the requirements of this subsection with respect to record keeping, the permit shall incorporate and identify all applicable recordkeeping requirements and require, where applicable, the following:

i. Records of required monitoring information that include the following:
   A. The date, place and time of sampling or measurements.
   B. The date(s) analyses were performed.
   C. The company or entity that performed the analyses.
   D. The analytical techniques or methods used.
   E. The results of such analyses.
   F. The operating conditions as existing at the time of sampling or measurement.

ii. Retention of records of all monitoring data and support information for a period of at least 5 years from the date of the monitoring sample, measurement, report, or application. Support information includes all calibration and maintenance records, original strip-chart recordings for continuous monitoring instrumentation, and copies of all reports required by the permit.
f. To meet the requirements of this subsection with respect to reporting, the permit shall incorporate and identify all applicable reporting requirements and require the following:
   i. Submittal of reports of any required monitoring every 6 months. More frequent submittals may be requested by the Agency if such submittals are necessary to assure compliance with this Act or regulations promulgated by the Board thereunder. All instances of deviations from permit requirements must be clearly identified in such reports. All required reports must be certified by a responsible official consistent with subsection 5 of this Section.
   ii. Prompt reporting of deviations from permit requirements, including those attributable to upset conditions as defined in the permit, the probable cause of such deviations, and any corrective actions or preventive measures taken.

g. Each CAAPP permit issued under subsection 10 of this Section shall include a condition prohibiting emissions exceeding any allowances that the source lawfully holds under Title IV of the Clean Air Act or the regulations promulgated thereunder, consistent with subsection 17 of this Section and applicable regulations, if any.

h. All CAAPP permits shall state that, where another applicable requirement of the Clean Air Act is more stringent than any applicable requirement of regulations promulgated under Title IV of the Clean Air Act, both provisions shall be incorporated into the permit and shall be State and federally enforceable.

i. Each CAAPP permit issued under subsection 10 of this Section shall include a severability clause to ensure the continued validity of the various permit requirements in the event of a challenge to any portions of the permit.

j. The following shall apply with respect to owners or operators requesting a permit shield:
   i. The Agency shall include in a CAAPP permit, when requested by an applicant pursuant to paragraph 5(p) of this Section, a provision stating that compliance with the conditions of the permit shall be deemed compliance with applicable requirements which are applicable as of the date of release of the proposed permit, provided that:
      A. The applicable requirement is specifically

New matter indicated by italics - deletions by strikeout
B. The Agency in acting on the CAAPP application or revision determines in writing that other requirements specifically identified are not applicable to the source, and the permit includes that determination or a concise summary thereof.

ii. The permit shall identify the requirements for which the source is shielded. The shield shall not extend to applicable requirements which are promulgated after the date of release of the proposed permit unless the permit has been modified to reflect such new requirements.

iii. A CAAPP permit which does not expressly indicate the existence of a permit shield shall not provide such a shield.

iv. Nothing in this paragraph or in a CAAPP permit shall alter or affect the following:

A. The provisions of Section 303 (emergency powers) of the Clean Air Act, including USEPA's authority under that section.

B. The liability of an owner or operator of a source for any violation of applicable requirements prior to or at the time of permit issuance.

C. The applicable requirements of the acid rain program consistent with Section 408(a) of the Clean Air Act.

D. The ability of USEPA to obtain information from a source pursuant to Section 114 (inspections, monitoring, and entry) of the Clean Air Act.

k. Each CAAPP permit shall include an emergency provision providing an affirmative defense of emergency to an action brought for noncompliance with technology-based emission limitations under a CAAPP permit if the following conditions are met through properly signed, contemporaneous operating logs, or other relevant evidence:

i. An emergency occurred and the permittee can identify the cause(s) of the emergency.

ii. The permitted facility was at the time being properly operated.

iii. The permittee submitted notice of the emergency to the Agency within 2 working days of the time when

New matter indicated by italics - deletions by strikeout
emission limitations were exceeded due to the emergency. This notice must contain a detailed description of the emergency, any steps taken to mitigate emissions, and corrective actions taken.

iv. During the period of the emergency the permittee took all reasonable steps to minimize levels of emissions that exceeded the emission limitations, standards, or requirements in the permit.

For purposes of this subsection, "emergency" means any situation arising from sudden and reasonably unforeseeable events beyond the control of the source, such as an act of God, that requires immediate corrective action to restore normal operation, and that causes the source to exceed a technology-based emission limitation under the permit, due to unavoidable increases in emissions attributable to the emergency. An emergency shall not include noncompliance to the extent caused by improperly designed equipment, lack of preventative maintenance, careless or improper operation, or operation error.

In any enforcement proceeding, the permittee seeking to establish the occurrence of an emergency has the burden of proof. This provision is in addition to any emergency or upset provision contained in any applicable requirement. This provision does not relieve a permittee of any reporting obligations under existing federal or state laws or regulations.

I. The Agency shall include in each permit issued under subsection 10 of this Section:

i. Terms and conditions for reasonably anticipated operating scenarios identified by the source in its application. The permit terms and conditions for each such operating scenario shall meet all applicable requirements and the requirements of this Section.

A. Under this subparagraph, the source must record in a log at the permitted facility a record of the scenario under which it is operating contemporaneously with making a change from one operating scenario to another.

B. The permit shield described in paragraph 7(j) of this Section shall extend to all terms and conditions under each such operating scenario.

New matter indicated by italics - deletions by strikeout
ii. Where requested by an applicant, all terms and conditions allowing for trading of emissions increases and decreases between different emission units at the CAAPP source, to the extent that the applicable requirements provide for trading of such emissions increases and decreases without a case-by-case approval of each emissions trade. Such terms and conditions:

A. Shall include all terms required under this subsection to determine compliance;
B. Must meet all applicable requirements;
C. Shall extend the permit shield described in paragraph 7(j) of this Section to all terms and conditions that allow such increases and decreases in emissions.

m. The Agency shall specifically designate as not being federally enforceable under the Clean Air Act any terms and conditions included in the permit that are not specifically required under the Clean Air Act or federal regulations promulgated thereunder. Terms or conditions so designated shall be subject to all applicable state requirements, except the requirements of subsection 7 (other than this paragraph, paragraph q of subsection 7, subsections 8 through 11, and subsections 13 through 16 of this Section. The Agency shall, however, include such terms and conditions in the CAAPP permit issued to the source.

n. Each CAAPP permit issued under subsection 10 of this Section shall specify and reference the origin of and authority for each term or condition, and identify any difference in form as compared to the applicable requirement upon which the term or condition is based.

o. Each CAAPP permit issued under subsection 10 of this Section shall include provisions stating the following:

i. Duty to comply. The permittee must comply with all terms and conditions of the CAAPP permit. Any permit noncompliance constitutes a violation of the Clean Air Act and the Act, and is grounds for any or all of the following: enforcement action; permit termination, revocation and reissuance, or modification; or denial of a permit renewal application.

ii. Need to halt or reduce activity not a defense. It shall not be a defense for a permittee in an enforcement action that

New matter indicated by italics - deletions by strikeout
it would have been necessary to halt or reduce the permitted activity in order to maintain compliance with the conditions of this permit.

iii. Permit actions. The permit may be modified, revoked, reopened, and reissued, or terminated for cause in accordance with the applicable subsections of Section 39.5 of this Act. The filing of a request by the permittee for a permit modification, revocation and reissuance, or termination, or of a notification of planned changes or anticipated noncompliance does not stay any permit condition.

iv. Property rights. The permit does not convey any property rights of any sort, or any exclusive privilege.

v. Duty to provide information. The permittee shall furnish to the Agency within a reasonable time specified by the Agency any information that the Agency may request in writing to determine whether cause exists for modifying, revoking and reissuing, or terminating the permit or to determine compliance with the permit. Upon request, the permittee shall also furnish to the Agency copies of records required to be kept by the permit or, for information claimed to be confidential, the permittee may furnish such records directly to USEPA along with a claim of confidentiality.

vi. Duty to pay fees. The permittee must pay fees to the Agency consistent with the fee schedule approved pursuant to subsection 18 of this Section, and submit any information relevant thereto.

vii. Emissions trading. No permit revision shall be required for increases in emissions allowed under any approved economic incentives, marketable permits, emissions trading, and other similar programs or processes for changes that are provided for in the permit and that are authorized by the applicable requirement.

p. Each CAAPP permit issued under subsection 10 of this Section shall contain the following elements with respect to compliance:

i. Compliance certification, testing, monitoring, reporting, and record keeping requirements sufficient to assure compliance with the terms and conditions of the permit. Any document (including reports) required by a
CAAPP permit shall contain a certification by a responsible official that meets the requirements of subsection 5 of this Section and applicable regulations.

ii. Inspection and entry requirements that necessitate that, upon presentation of credentials and other documents as may be required by law and in accordance with constitutional limitations, the permittee shall allow the Agency, or an authorized representative to perform the following:

A. Enter upon the permittee's premises where a CAAPP source is located or emissions-related activity is conducted, or where records must be kept under the conditions of the permit.

B. Have access to and copy, at reasonable times, any records that must be kept under the conditions of the permit.

C. Inspect at reasonable times any facilities, equipment (including monitoring and air pollution control equipment), practices, or operations regulated or required under the permit.

D. Sample or monitor any substances or parameters at any location:

1. As authorized by the Clean Air Act, at reasonable times, for the purposes of assuring compliance with the CAAPP permit or applicable requirements; or

2. As otherwise authorized by this Act.

iii. A schedule of compliance consistent with subsection 5 of this Section and applicable regulations.

iv. Progress reports consistent with an applicable schedule of compliance pursuant to paragraph 5(d) of this Section and applicable regulations to be submitted semiannually, or more frequently if the Agency determines that such more frequent submittals are necessary for compliance with the Act or regulations promulgated by the Board thereunder. Such progress reports shall contain the following:

A. Required dates for achieving the activities, milestones, or compliance required by the schedule of compliance and dates when such activities, milestones

New matter indicated by italics - deletions by strikeout
or compliance were achieved.

B. An explanation of why any dates in the schedule of compliance were not or will not be met, and any preventive or corrective measures adopted.

v. Requirements for compliance certification with terms and conditions contained in the permit, including emission limitations, standards, or work practices. Permits shall include each of the following:

A. The frequency (annually or more frequently as specified in any applicable requirement or by the Agency pursuant to written procedures) of submissions of compliance certifications.

B. A means for assessing or monitoring the compliance of the source with its emissions limitations, standards, and work practices.

C. A requirement that the compliance certification include the following:

1. The identification of each term or condition contained in the permit that is the basis of the certification.
2. The compliance status.
3. Whether compliance was continuous or intermittent.
4. The method(s) used for determining the compliance status of the source, both currently and over the reporting period consistent with subsection 7 of Section 39.5 of the Act.

D. A requirement that all compliance certifications be submitted to USEPA as well as to the Agency.

E. Additional requirements as may be specified pursuant to Sections 114(a)(3) and 504(b) of the Clean Air Act.

F. Other provisions as the Agency may require.

q. If the owner or operator of CAAPP source can demonstrate in its CAAPP application, including an application for a significant modification, that an alternative emission limit would be equivalent
to that contained in the applicable Board regulations, the Agency shall include the alternative emission limit in the CAAPP permit, which shall supersede the emission limit set forth in the applicable Board regulations, and shall include conditions that insure that the resulting emission limit is quantifiable, accountable, enforceable, and based on replicable procedures.

8. Public Notice; Affected State Review.
   a. The Agency shall provide notice to the public, including an opportunity for public comment and a hearing, on each draft CAAPP permit for issuance, renewal or significant modification, subject to Sections 7(a) and 7.1 of this Act.
   b. The Agency shall prepare a draft CAAPP permit and a statement that sets forth the legal and factual basis for the draft CAAPP permit conditions, including references to the applicable statutory or regulatory provisions. The Agency shall provide this statement to any person who requests it.
   c. The Agency shall give notice of each draft CAAPP permit to the applicant and to any affected State on or before the time that the Agency has provided notice to the public, except as otherwise provided in this Act.
   d. The Agency, as part of its submittal of a proposed permit to USEPA (or as soon as possible after the submittal for minor permit modification procedures allowed under subsection 14 of this Section), shall notify USEPA and any affected State in writing of any refusal of the Agency to accept all of the recommendations for the proposed permit that an affected State submitted during the public or affected State review period. The notice shall include the Agency's reasons for not accepting the recommendations. The Agency is not required to accept recommendations that are not based on applicable requirements or the requirements of this Section.
   e. The Agency shall make available to the public any CAAPP permit application, compliance plan (including the schedule of compliance), CAAPP permit, and emissions or compliance monitoring report. If an owner or operator of a CAAPP source is required to submit information entitled to protection from disclosure under Section 7(a) or Section 7.1 of this Act, the owner or operator shall submit such information separately. The requirements of Section 7(a) or Section 7.1 of this Act shall apply to such information, which shall not be included in a CAAPP permit unless required by law.

New matter indicated by italics - deletions by strikeout
contents of a CAAPP permit shall not be entitled to protection under Section 7(a) or Section 7.1 of this Act.

f. The Agency shall have the authority to adopt procedural rules, in accordance with the Illinois Administrative Procedure Act, as the Agency deems necessary, to implement this subsection.

9. USEPA Notice and Objection.

a. The Agency shall provide to USEPA for its review a copy of each CAAPP application (including any application for permit modification), statement of basis as provided in paragraph 8(b) of this Section, proposed CAAPP permit, CAAPP permit, and, if the Agency does not incorporate any affected State's recommendations on a proposed CAAPP permit, a written statement of this decision and its reasons for not accepting the recommendations, except as otherwise provided in this Act or by agreement with USEPA. To the extent practicable, the preceding information shall be provided in computer readable format compatible with USEPA's national database management system.

b. The Agency shall not issue the proposed CAAPP permit if USEPA objects in writing within 45 days of receipt of the proposed CAAPP permit and all necessary supporting information.

c. If USEPA objects in writing to the issuance of the proposed CAAPP permit within the 45-day period, the Agency shall respond in writing and may revise and resubmit the proposed CAAPP permit in response to the stated objection, to the extent supported by the record, within 90 days after the date of the objection. Prior to submitting a revised permit to USEPA, the Agency shall provide the applicant and any person who participated in the public comment process, pursuant to subsection 8 of this Section, with a 10-day period to comment on any revision which the Agency is proposing to make to the permit in response to USEPA's objection in accordance with Agency procedures.

d. Any USEPA objection under this subsection, according to the Clean Air Act, will include a statement of reasons for the objection and a description of the terms and conditions that must be in the permit, in order to adequately respond to the objections. Grounds for a USEPA objection include the failure of the Agency to:

(1) submit the items and notices required under this subsection;
(2) submit any other information necessary to adequately review the proposed CAAPP permit; or (3) process the permit under subsection

New matter indicated by italics - deletions by strikeout
8 of this Section except for minor permit modifications.

e. If USEPA does not object in writing to issuance of a permit under this subsection, any person may petition USEPA within 60 days after expiration of the 45-day review period to make such objection.

f. If the permit has not yet been issued and USEPA objects to the permit as a result of a petition, the Agency shall not issue the permit until USEPA's objection has been resolved. The Agency shall provide a 10-day comment period in accordance with paragraph c of this subsection. A petition does not, however, stay the effectiveness of a permit or its requirements if the permit was issued after expiration of the 45-day review period and prior to a USEPA objection.

g. If the Agency has issued a permit after expiration of the 45-day review period and prior to receipt of a USEPA objection under this subsection in response to a petition submitted pursuant to paragraph e of this subsection, the Agency may, upon receipt of an objection from USEPA, revise and resubmit the permit to USEPA pursuant to this subsection after providing a 10-day comment period in accordance with paragraph c of this subsection. If the Agency fails to submit a revised permit in response to the objection, USEPA shall modify, terminate or revoke the permit. In any case, the source will not be in violation of the requirement to have submitted a timely and complete application.

h. The Agency shall have the authority to adopt procedural rules, in accordance with the Illinois Administrative Procedure Act, as the Agency deems necessary, to implement this subsection.

a. The Agency shall issue a CAAPP permit, permit modification, or permit renewal if all of the following conditions are met:

i. The applicant has submitted a complete and certified application for a permit, permit modification, or permit renewal consistent with subsections 5 and 14 of this Section, as applicable, and applicable regulations.

ii. The applicant has submitted with its complete application an approvable compliance plan, including a schedule for achieving compliance, consistent with subsection 5 of this Section and applicable regulations.
iii. The applicant has timely paid the fees required pursuant to subsection 18 of this Section and applicable regulations.

iv. The Agency has received a complete CAAPP application and, if necessary, has requested and received additional information from the applicant consistent with subsection 5 of this Section and applicable regulations.

v. The Agency has complied with all applicable provisions regarding public notice and affected State review consistent with subsection 8 of this Section and applicable regulations.

vi. The Agency has provided a copy of each CAAPP application, or summary thereof, pursuant to agreement with USEPA and proposed CAAPP permit required under subsection 9 of this Section to USEPA, and USEPA has not objected to the issuance of the permit in accordance with the Clean Air Act and 40 CFR Part 70.

b. The Agency shall have the authority to deny a CAAPP permit, permit modification, or permit renewal if the applicant has not complied with the requirements of paragraphs (a)(i)-(a)(iv) of this subsection or if USEPA objects to its issuance.

c. i. Prior to denial of a CAAPP permit, permit modification, or permit renewal under this Section, the Agency shall notify the applicant of the possible denial and the reasons for the denial.

ii. Within such notice, the Agency shall specify an appropriate date by which the applicant shall adequately respond to the Agency's notice. Such date shall not exceed 15 days from the date the notification is received by the applicant. The Agency may grant a reasonable extension for good cause shown.

iii. Failure by the applicant to adequately respond by the date specified in the notification or by any granted extension date shall be grounds for denial of the permit.

For purposes of obtaining judicial review under Sections 40.2 and 41 of this Act, the Agency shall provide to USEPA and each applicant, and, upon request, to affected States, any person who participated in the public comment process, and any other person who could obtain judicial

New matter indicated by italics - deletions by strikeout
review under Sections 40.2 and 41 of this Act, a copy of each CAAPP permit or notification of denial pertaining to that party.
d. The Agency shall have the authority to adopt procedural rules, in accordance with the Illinois Administrative Procedure Act, as the Agency deems necessary, to implement this subsection.

11. General Permits.
   a. The Agency may issue a general permit covering numerous similar sources, except for affected sources for acid deposition unless otherwise provided in regulations promulgated under Title IV of the Clean Air Act.
   b. The Agency shall identify, in any general permit, criteria by which sources may qualify for the general permit.
   c. CAAPP sources that would qualify for a general permit must apply for coverage under the terms of the general permit or must apply for a CAAPP permit consistent with subsection 5 of this Section and applicable regulations.
   d. The Agency shall comply with the public comment and hearing provisions of this Section as well as the USEPA and affected State review procedures prior to issuance of a general permit.
   e. When granting a subsequent request by a qualifying CAAPP source for coverage under the terms of a general permit, the Agency shall not be required to repeat the public notice and comment procedures. The granting of such request shall not be considered a final permit action for purposes of judicial review.
   f. The Agency may not issue a general permit to cover any discrete emission unit at a CAAPP source if another CAAPP permit covers emission units at the source.
   g. The Agency shall have the authority to adopt procedural rules, in accordance with the Illinois Administrative Procedure Act, as the Agency deems necessary, to implement this subsection.

12. Operational Flexibility.
   a. An owner or operator of a CAAPP source may make changes at the CAAPP source without requiring a prior permit revision, consistent with subparagraphs (a)(i) through (a)(iii) of this subsection, so long as the changes are not modifications under any provision of Title I of the Clean Air Act and they do not exceed the emissions allowable under the permit (whether expressed therein as a rate of emissions or in terms of total emissions), provided that the
owner or operator of the CAAPP source provides USEPA and the Agency with written notification as required below in advance of the proposed changes, which shall be a minimum of 7 days, unless otherwise provided by the Agency in applicable regulations regarding emergencies. The owner or operator of a CAAPP source and the Agency shall each attach such notice to their copy of the relevant permit.

i. An owner or operator of a CAAPP source may make Section 502 (b) (10) changes without a permit revision, if the changes are not modifications under any provision of Title I of the Clean Air Act and the changes do not exceed the emissions allowable under the permit (whether expressed therein as a rate of emissions or in terms of total emissions).

A. For each such change, the written notification required above shall include a brief description of the change within the source, the date on which the change will occur, any change in emissions, and any permit term or condition that is no longer applicable as a result of the change.

B. The permit shield described in paragraph 7(j) of this Section shall not apply to any change made pursuant to this subparagraph.

ii. An owner or operator of a CAAPP source may trade increases and decreases in emissions in the CAAPP source, where the applicable implementation plan provides for such emission trades without requiring a permit revision. This provision is available in those cases where the permit does not already provide for such emissions trading.

A. Under this subparagraph (a)(ii), the written notification required above shall include such information as may be required by the provision in the applicable implementation plan authorizing the emissions trade, including at a minimum, when the proposed changes will occur, a description of each such change, any change in emissions, the permit requirements with which the source will comply using the emissions trading provisions of the applicable implementation plan, and the pollutants emitted subject to the emissions trade. The notice shall also
refer to the provisions in the applicable implementation plan with which the source will comply and provide for the emissions trade.

B. The permit shield described in paragraph 7(j) of this Section shall not apply to any change made pursuant to this subparagraph (a) (ii). Compliance with the permit requirements that the source will meet using the emissions trade shall be determined according to the requirements of the applicable implementation plan authorizing the emissions trade. iii. If requested within a CAAPP application, the Agency shall issue a CAAPP permit which contains terms and conditions, including all terms required under subsection 7 of this Section to determine compliance, allowing for the trading of emissions increases and decreases at the CAAPP source solely for the purpose of complying with a federally-enforceable emissions cap that is established in the permit independent of otherwise applicable requirements. The owner or operator of a CAAPP source shall include in its CAAPP application proposed replicable procedures and permit terms that ensure the emissions trades are quantifiable and enforceable. The permit shall also require compliance with all applicable requirements.

A. Under this subparagraph (a)(iii), the written notification required above shall state when the change will occur and shall describe the changes in emissions that will result and how these increases and decreases in emissions will comply with the terms and conditions of the permit.

B. The permit shield described in paragraph 7(j) of this Section shall extend to terms and conditions that allow such increases and decreases in emissions.

b. An owner or operator of a CAAPP source may make changes that are not addressed or prohibited by the permit, other than those which are subject to any requirements under Title IV of the Clean Air Act or are modifications under any provisions of Title I of the Clean Air Act, without a permit revision, in accordance with the following requirements:

New matter indicated by italics - deletions by strikeout
(i) Each such change shall meet all applicable requirements and shall not violate any existing permit term or condition;

(ii) Sources must provide contemporaneous written notice to the Agency and USEPA of each such change, except for changes that qualify as insignificant under provisions adopted by the Agency or the Board. Such written notice shall describe each such change, including the date, any change in emissions, pollutants emitted, and any applicable requirement that would apply as a result of the change;

(iii) The change shall not qualify for the shield described in paragraph 7(j) of this Section; and

(iv) The permittee shall keep a record describing changes made at the source that result in emissions of a regulated air pollutant subject to an applicable Clean Air Act requirement, but not otherwise regulated under the permit, and the emissions resulting from those changes.

c. The Agency shall have the authority to adopt procedural rules, in accordance with the Illinois Administrative Procedure Act, as the Agency deems necessary to implement this subsection.

13. Administrative Permit Amendments.

a. The Agency shall take final action on a request for an administrative permit amendment within 60 days of receipt of the request. Neither notice nor an opportunity for public and affected State comment shall be required for the Agency to incorporate such revisions, provided it designates the permit revisions as having been made pursuant to this subsection.

b. The Agency shall submit a copy of the revised permit to USEPA.

c. For purposes of this Section the term "administrative permit amendment" shall be defined as a permit revision that can accomplish one or more of the changes described below:

i. Corrects typographical errors;

ii. Identifies a change in the name, address, or phone number of any person identified in the permit, or provides a similar minor administrative change at the source;

iii. Requires more frequent monitoring or reporting by the permittee;

iv. Allows for a change in ownership or operational...
control of a source where the Agency determines that no other change in the permit is necessary, provided that a written agreement containing a specific date for transfer of permit responsibility, coverage, and liability between the current and new permittees has been submitted to the Agency;

v. Incorporates into the CAAPP permit the requirements from preconstruction review permits authorized under a USEPA-approved program, provided the program meets procedural and compliance requirements substantially equivalent to those contained in this Section;

vi. (Blank); or

vii. Any other type of change which USEPA has determined as part of the approved CAAPP permit program to be similar to those included in this subsection.

d. The Agency shall, upon taking final action granting a request for an administrative permit amendment, allow coverage by the permit shield in paragraph 7(j) of this Section for administrative permit amendments made pursuant to subparagraph (c)(v) of this subsection which meet the relevant requirements for significant permit modifications.

e. Permit revisions and modifications, including administrative amendments and automatic amendments (pursuant to Sections 408(b) and 403(d) of the Clean Air Act or regulations promulgated thereunder), for purposes of the acid rain portion of the permit shall be governed by the regulations promulgated under Title IV of the Clean Air Act. Owners or operators of affected sources for acid deposition shall have the flexibility to amend their compliance plans as provided in the regulations promulgated under Title IV of the Clean Air Act.

f. The CAAPP source may implement the changes addressed in the request for an administrative permit amendment immediately upon submittal of the request.

g. The Agency shall have the authority to adopt procedural rules, in accordance with the Illinois Administrative Procedure Act, as the Agency deems necessary, to implement this subsection.

14. Permit Modifications.

a. Minor permit modification procedures.

i. The Agency shall review a permit modification using the "minor permit" modification procedures only for
those permit modifications that:

A. Do not violate any applicable requirement;
B. Do not involve significant changes to existing monitoring, reporting, or recordkeeping requirements in the permit;
C. Do not require a case-by-case determination of an emission limitation or other standard, or a source-specific determination of ambient impacts, or a visibility or increment analysis;
D. Do not seek to establish or change a permit term or condition for which there is no corresponding underlying requirement and which avoids an applicable requirement to which the source would otherwise be subject. Such terms and conditions include:

1. A federally enforceable emissions cap assumed to avoid classification as a modification under any provision of Title I of the Clean Air Act; and
2. An alternative emissions limit approved pursuant to regulations promulgated under Section 112(i)(5) of the Clean Air Act;
E. Are not modifications under any provision of Title I of the Clean Air Act; and
F. Are not required to be processed as a significant modification.

ii. Notwithstanding subparagraphs (a)(i) and (b)(ii) of this subsection, minor permit modification procedures may be used for permit modifications involving the use of economic incentives, marketable permits, emissions trading, and other similar approaches, to the extent that such minor permit modification procedures are explicitly provided for in an applicable implementation plan or in applicable requirements promulgated by USEPA.

iii. An applicant requesting the use of minor permit modification procedures shall meet the requirements of subsection 5 of this Section and shall include the following in its application:

A. A description of the change, the emissions

resulting from the change, and any new applicable requirements that will apply if the change occurs;

B. The source's suggested draft permit;

C. Certification by a responsible official, consistent with paragraph 5(e) of this Section and applicable regulations, that the proposed modification meets the criteria for use of minor permit modification procedures and a request that such procedures be used; and

D. Completed forms for the Agency to use to notify USEPA and affected States as required under subsections 8 and 9 of this Section.

iv. Within 5 working days of receipt of a complete permit modification application, the Agency shall notify USEPA and affected States of the requested permit modification in accordance with subsections 8 and 9 of this Section. The Agency promptly shall send any notice required under paragraph 8(d) of this Section to USEPA.

v. The Agency may not issue a final permit modification until after the 45-day review period for USEPA or until USEPA has notified the Agency that USEPA will not object to the issuance of the permit modification, whichever comes first, although the Agency can approve the permit modification prior to that time. Within 90 days of the Agency's receipt of an application under the minor permit modification procedures or 15 days after the end of USEPA's 45-day review period under subsection 9 of this Section, whichever is later, the Agency shall:

A. Issue the permit modification as proposed;
B. Deny the permit modification application;
C. Determine that the requested modification does not meet the minor permit modification criteria and should be reviewed under the significant modification procedures; or
D. Revise the draft permit modification and transmit to USEPA the new proposed permit modification as required by subsection 9 of this Section.

vi. Any CAAPP source may make the change

New matter indicated by italics - deletions by strikeout
proposed in its minor permit modification application immediately after it files such application. After the CAAPP source makes the change allowed by the preceding sentence, and until the Agency takes any of the actions specified in subparagraphs (a)(v)(A) through (a)(v)(C) of this subsection, the source must comply with both the applicable requirements governing the change and the proposed permit terms and conditions. During this time period, the source need not comply with the existing permit terms and conditions it seeks to modify. If the source fails to comply with its proposed permit terms and conditions during this time period, the existing permit terms and conditions which it seeks to modify may be enforced against it.

vii. The permit shield under subparagraph 7(j) of this Section may not extend to minor permit modifications.

viii. If a construction permit is required, pursuant to Section 39(a) of this Act and regulations thereunder, for a change for which the minor permit modification procedures are applicable, the source may request that the processing of the construction permit application be consolidated with the processing of the application for the minor permit modification. In such cases, the provisions of this Section, including those within subsections 5, 8, and 9, shall apply and the Agency shall act on such applications pursuant to subparagraph 14(a)(v). The source may make the proposed change immediately after filing its application for the minor permit modification. Nothing in this subparagraph shall otherwise affect the requirements and procedures applicable to construction permits.

b. Group Processing of Minor Permit Modifications.

i. Where requested by an applicant within its application, the Agency shall process groups of a source's applications for certain modifications eligible for minor permit modification processing in accordance with the provisions of this paragraph (b).

ii. Permit modifications may be processed in accordance with the procedures for group processing, for those modifications:

A. Which meet the criteria for minor permit
modification procedures under subparagraph 14(a)(i) of this Section; and

B. That collectively are below 10 percent of the emissions allowed by the permit for the emissions unit for which change is requested, 20 percent of the applicable definition of major source set forth in subsection 2 of this Section, or 5 tons per year, whichever is least.

iii. An applicant requesting the use of group processing procedures shall meet the requirements of subsection 5 of this Section and shall include the following in its application:

A. A description of the change, the emissions resulting from the change, and any new applicable requirements that will apply if the change occurs.

B. The source's suggested draft permit.

C. Certification by a responsible official consistent with paragraph 5(e) of this Section, that the proposed modification meets the criteria for use of group processing procedures and a request that such procedures be used.

D. A list of the source's other pending applications awaiting group processing, and a determination of whether the requested modification, aggregated with these other applications, equals or exceeds the threshold set under subparagraph (b)(ii)(B) of this subsection.

E. Certification, consistent with paragraph 5(e), that the source has notified USEPA of the proposed modification. Such notification need only contain a brief description of the requested modification.

F. Completed forms for the Agency to use to notify USEPA and affected states as required under subsections 8 and 9 of this Section.

iv. On a quarterly basis or within 5 business days of receipt of an application demonstrating that the aggregate of a source's pending applications equals or exceeds the threshold level set forth within subparagraph (b)(ii)(B) of this subsection.

New matter indicated by italics - deletions by strikeout
subsection, whichever is earlier, the Agency shall promptly notify USEPA and affected States of the requested permit modifications in accordance with subsections 8 and 9 of this Section. The Agency shall send any notice required under paragraph 8(d) of this Section to USEPA.

v. The provisions of subparagraph (a)(v) of this subsection shall apply to modifications eligible for group processing, except that the Agency shall take one of the actions specified in subparagraphs (a)(v)(A) through (a)(v)(D) of this subsection within 180 days of receipt of the application or 15 days after the end of USEPA's 45-day review period under subsection 9 of this Section, whichever is later.

vi. The provisions of subparagraph (a)(vi) of this subsection shall apply to modifications for group processing.

vii. The provisions of paragraph 7(j) of this Section shall not apply to modifications eligible for group processing.

c. Significant Permit Modifications.

i. Significant modification procedures shall be used for applications requesting significant permit modifications and for those applications that do not qualify as either minor permit modifications or as administrative permit amendments.

ii. Every significant change in existing monitoring permit terms or conditions and every relaxation of reporting or recordkeeping requirements shall be considered significant. A modification shall also be considered significant if in the judgment of the Agency action on an application for modification would require decisions to be made on technically complex issues. Nothing herein shall be construed to preclude the permittee from making changes consistent with this Section that would render existing permit compliance terms and conditions irrelevant.

iii. Significant permit modifications must meet all the requirements of this Section, including those for applications (including completeness review), public participation, review by affected States, and review by USEPA applicable to initial permit issuance and permit renewal. The Agency shall take final action on significant permit modifications within 9 months after receipt of a complete application.

d. The Agency shall have the authority to adopt procedural
rules, in accordance with the Illinois Administrative Procedure Act, as the Agency deems necessary, to implement this subsection.

15. Reopenings for Cause by the Agency.

a. Each issued CAAPP permit shall include provisions specifying the conditions under which the permit will be reopened prior to the expiration of the permit. Such revisions shall be made as expeditiously as practicable. A CAAPP permit shall be reopened and revised under any of the following circumstances, in accordance with procedures adopted by the Agency:

i. Additional requirements under the Clean Air Act become applicable to a major CAAPP source for which 3 or more years remain on the original term of the permit. Such a reopening shall be completed not later than 18 months after the promulgation of the applicable requirement. No such revision is required if the effective date of the requirement is later than the date on which the permit is due to expire.

ii. Additional requirements (including excess emissions requirements) become applicable to an affected source for acid deposition under the acid rain program. Excess emissions offset plans shall be deemed to be incorporated into the permit upon approval by USEPA.

iii. The Agency or USEPA determines that the permit contains a material mistake or that inaccurate statements were made in establishing the emissions standards, limitations, or other terms or conditions of the permit.

iv. The Agency or USEPA determines that the permit must be revised or revoked to assure compliance with the applicable requirements.

b. In the event that the Agency determines that there are grounds for revoking a CAAPP permit, for cause, consistent with paragraph a of this subsection, it shall file a petition before the Board setting forth the basis for such revocation. In any such proceeding, the Agency shall have the burden of establishing that the permit should be revoked under the standards set forth in this Act and the Clean Air Act. Any such proceeding shall be conducted pursuant to the Board's procedures for adjudicatory hearings and the Board shall render its decision within 120 days of the filing of the petition. The Agency shall take final action to revoke and reissue a CAAPP permit consistent with the Board's order.

New matter indicated by italics - deletions by strikeout
c. Proceedings regarding a reopened CAAPP permit shall follow the same procedures as apply to initial permit issuance and shall affect only those parts of the permit for which cause to reopen exists.

d. Reopenings under paragraph (a) of this subsection shall not be initiated before a notice of such intent is provided to the CAAPP source by the Agency at least 30 days in advance of the date that the permit is to be reopened, except that the Agency may provide a shorter time period in the case of an emergency.

e. The Agency shall have the authority to adopt procedural rules, in accordance with the Illinois Administrative Procedure Act, as the Agency deems necessary, to implement this subsection.

16. Reopenings for Cause by USEPA.

a. When USEPA finds that cause exists to terminate, modify, or revoke and reissue a CAAPP permit pursuant to subsection 15 of this Section, and thereafter notifies the Agency and the permittee of such finding in writing, the Agency shall forward to USEPA and the permittee a proposed determination of termination, modification, or revocation and reissuance as appropriate, in accordance with paragraph b of this subsection. The Agency's proposed determination shall be in accordance with the record, the Clean Air Act, regulations promulgated thereunder, this Act and regulations promulgated thereunder. Such proposed determination shall not affect the permit or constitute a final permit action for purposes of this Act or the Administrative Review Law. The Agency shall forward to USEPA such proposed determination within 90 days after receipt of the notification from USEPA. If additional time is necessary to submit the proposed determination, the Agency shall request a 90-day extension from USEPA and shall submit the proposed determination within 180 days of receipt of notification from USEPA.

b. i. Prior to the Agency's submittal to USEPA of a proposed determination to terminate or revoke and reissue the permit, the Agency shall file a petition before the Board setting forth USEPA's objection, the permit record, the Agency's proposed determination, and the justification for its proposed determination. The Board shall conduct a hearing pursuant to the rules prescribed by Section 32 of this Act, and the burden of proof shall be on the Agency.

ii. After due consideration of the written and oral
statements, the testimony and arguments that shall be submitted at hearing, the Board shall issue and enter an interim order for the proposed determination, which shall set forth all changes, if any, required in the Agency's proposed determination. The interim order shall comply with the requirements for final orders as set forth in Section 33 of this Act. Issuance of an interim order by the Board under this paragraph, however, shall not affect the permit status and does not constitute a final action for purposes of this Act or the Administrative Review Law.

iii. The Board shall cause a copy of its interim order to be served upon all parties to the proceeding as well as upon USEPA. The Agency shall submit the proposed determination to USEPA in accordance with the Board's Interim Order within 180 days after receipt of the notification from USEPA.

c. USEPA shall review the proposed determination to terminate, modify, or revoke and reissue the permit within 90 days of receipt.

i. When USEPA reviews the proposed determination to terminate or revoke and reissue and does not object, the Board shall, within 7 days of receipt of USEPA's final approval, enter the interim order as a final order. The final order may be appealed as provided by Title XI of this Act. The Agency shall take final action in accordance with the Board's final order.

ii. When USEPA reviews such proposed determination to terminate or revoke and reissue and objects, the Agency shall submit USEPA's objection and the Agency's comments and recommendation on the objection to the Board and permittee. The Board shall review its interim order in response to USEPA's objection and the Agency's comments and recommendation and issue a final order in accordance with Sections 32 and 33 of this Act. The Agency shall, within 90 days after receipt of such objection, respond to USEPA's objection in accordance with the Board's final order.

iii. When USEPA reviews such proposed determination to modify and objects, the Agency shall, within 90 days after receipt of the objection, resolve the objection and modify the permit in accordance with USEPA's objection,
based upon the record, the Clean Air Act, regulations promulgated thereunder, this Act, and regulations promulgated thereunder.

d. If the Agency fails to submit the proposed determination pursuant to paragraph a of this subsection or fails to resolve any USEPA objection pursuant to paragraph c of this subsection, USEPA will terminate, modify, or revoke and reissue the permit.

e. The Agency shall have the authority to adopt procedural rules, in accordance with the Illinois Administrative Procedure Act, as the Agency deems necessary, to implement this subsection.

17. Title IV; Acid Rain Provisions.

a. The Agency shall act on initial CAAPP applications for affected sources for acid deposition in accordance with this Section and Title V of the Clean Air Act and regulations promulgated thereunder, except as modified by Title IV of the Clean Air Act and regulations promulgated thereunder. The Agency shall issue initial CAAPP permits to the affected sources for acid deposition which shall become effective no earlier than January 1, 1995, and which shall terminate on December 31, 1999, in accordance with this Section. Subsequent CAAPP permits issued to affected sources for acid deposition shall be issued for a fixed term of 5 years. Title IV of the Clean Air Act and regulations promulgated thereunder, including but not limited to 40 C.F.R. Part 72, as now or hereafter amended, are applicable to and enforceable under this Act.

b. A designated representative of an affected source for acid deposition shall submit a timely and complete Phase II acid rain permit application and compliance plan to the Agency, not later than January 1, 1996, that meets the requirements of Titles IV and V of the Clean Air Act and regulations. The Agency shall act on the Phase II acid rain permit application and compliance plan in accordance with this Section and Title V of the Clean Air Act and regulations promulgated thereunder, except as modified by Title IV of the Clean Air Act and regulations promulgated thereunder. The Agency shall issue the Phase II acid rain permit to an affected source for acid deposition no later than December 31, 1997, which shall become effective on January 1, 2000, in accordance with this Section, except as modified by Title IV and regulations promulgated thereunder; provided that the designated representative of the source submitted a timely and complete Phase II permit application and compliance plan

to the Agency that meets the requirements of Title IV and V of the Clean Air Act and regulations.

c. Each Phase II acid rain permit issued in accordance with this subsection shall have a fixed term of 5 years. Except as provided in paragraph b above, the Agency shall issue or deny a Phase II acid rain permit within 18 months of receiving a complete Phase II permit application and compliance plan.

d. A designated representative of a new unit, as defined in Section 402 of the Clean Air Act, shall submit a timely and complete Phase II acid rain permit application and compliance plan that meets the requirements of Titles IV and V of the Clean Air Act and its regulations. The Agency shall act on the new unit's Phase II acid rain permit application and compliance plan in accordance with this Section and Title V of the Clean Air Act and its regulations, except as modified by Title IV of the Clean Air Act and its regulations. The Agency shall reopen the new unit's CAAPP permit for cause to incorporate the approved Phase II acid rain permit in accordance with this Section. The Phase II acid rain permit for the new unit shall become effective no later than the date required under Title IV of the Clean Air Act and its regulations.

e. A designated representative of an affected source for acid deposition shall submit a timely and complete Title IV NOx permit application to the Agency, not later than January 1, 1998, that meets the requirements of Titles IV and V of the Clean Air Act and its regulations. The Agency shall reopen the Phase II acid rain permit for cause and incorporate the approved NOx provisions into the Phase II acid rain permit not later than January 1, 1999, in accordance with this Section, except as modified by Title IV of the Clean Air Act and regulations promulgated thereunder. Such reopening shall not affect the term of the Phase II acid rain permit.

f. The designated representative of the affected source for acid deposition shall renew the initial CAAPP permit and Phase II acid rain permit in accordance with this Section and Title V of the Clean Air Act and regulations promulgated thereunder, except as modified by Title IV of the Clean Air Act and regulations promulgated thereunder.

g. In the case of an affected source for acid deposition for which a complete Phase II acid rain permit application and compliance plan are timely received under this subsection, the

complete permit application and compliance plan, including amendments thereto, shall be binding on the owner, operator and designated representative, all affected units for acid deposition at the affected source, and any other unit, as defined in Section 402 of the Clean Air Act, governed by the Phase II acid rain permit application and shall be enforceable as an acid rain permit for purposes of Titles IV and V of the Clean Air Act, from the date of submission of the acid rain permit application until a Phase II acid rain permit is issued or denied by the Agency.

h. The Agency shall not include or implement any measure which would interfere with or modify the requirements of Title IV of the Clean Air Act or regulations promulgated thereunder.

i. Nothing in this Section shall be construed as affecting allowances or USEPA's decision regarding an excess emissions offset plan, as set forth in Title IV of the Clean Air Act or regulations promulgated thereunder.

i. No permit revision shall be required for increases in emissions that are authorized by allowances acquired pursuant to the acid rain program, provided that such increases do not require a permit revision under any other applicable requirement.

ii. No limit shall be placed on the number of allowances held by the source. The source may not, however, use allowances as a defense to noncompliance with any other applicable requirement.

iii. Any such allowance shall be accounted for according to the procedures established in regulations promulgated under Title IV of the Clean Air Act.

j. To the extent that the federal regulations promulgated under Title IV, including but not limited to 40 C.F.R. Part 72, as now or hereafter amended, are inconsistent with the federal regulations promulgated under Title V, the federal regulations promulgated under Title IV shall take precedence.

k. The USEPA may intervene as a matter of right in any permit appeal involving a Phase II acid rain permit provision or denial of a Phase II acid rain permit.

l. It is unlawful for any owner or operator to violate any terms or conditions of a Phase II acid rain permit issued under this subsection, to operate any affected source for acid deposition except

New matter indicated by italics - deletions by strikeout
in compliance with a Phase II acid rain permit issued by the Agency under this subsection, or to violate any other applicable requirements.

m. The designated representative of an affected source for acid deposition shall submit to the Agency the data and information submitted quarterly to USEPA, pursuant to 40 CFR 75.64, concurrently with the submission to USEPA. The submission shall be in the same electronic format as specified by USEPA.

n. The Agency shall act on any petition for exemption of a new unit or retired unit, as those terms are defined in Section 402 of the Clean Air Act, from the requirements of the acid rain program in accordance with Title IV of the Clean Air Act and its regulations.

o. The Agency shall have the authority to adopt procedural rules, in accordance with the Illinois Administrative Procedure Act, as the Agency deems necessary to implement this subsection.

a. For each 12 month period after the date on which the USEPA approves or conditionally approves the CAAPP, but in no event prior to January 1, 1994, a source subject to this Section or excluded under subsection 1.1 or paragraph 3(c) of this Section, shall pay a fee as provided in this part (a) of this subsection 18. However, a source that has been excluded from the provisions of this Section under subsection 1.1 or paragraph 3(c) of this Section because the source emits less than 25 tons per year of any combination of regulated air pollutants shall pay fees in accordance with paragraph (1) of subsection (b) of Section 9.6.

i. The fee for a source allowed to emit less than 100 tons per year of any combination of regulated air pollutants shall be $1,800 per year.

ii. The fee for a source allowed to emit 100 tons or more per year of any combination of regulated air pollutants, except for those regulated air pollutants excluded in paragraph 18(f) of this subsection, shall be as follows:

A. The Agency shall assess an annual fee of $18.00 per ton for the allowable emissions of all regulated air pollutants at that source during the term of the permit. These fees shall be used by the Agency and the Board to fund the activities required by Title V of the Clean Air Act including such activities as may be carried out by other State or local agencies.

New matter indicated by italics - deletions by strikeout
pursuant to paragraph (d) of this subsection. The amount of such fee shall be based on the information supplied by the applicant in its complete CAAPP permit application or in the CAAPP permit if the permit has been granted and shall be determined by the amount of emissions that the source is allowed to emit annually, provided however, that no source shall be required to pay an annual fee in excess of $250,000. The Agency shall provide as part of the permit application form required under subsection 5 of this Section a separate fee calculation form which will allow the applicant to identify the allowable emissions and calculate the fee for the term of the permit. In no event shall the Agency raise the amount of allowable emissions requested by the applicant unless such increases are required to demonstrate compliance with terms of a CAAPP permit.

Notwithstanding the above, any applicant may seek a change in its permit which would result in increases in allowable emissions due to an increase in the hours of operation or production rates of an emission unit or units and such a change shall be consistent with the construction permit requirements of the existing State permit program, under Section 39(a) of this Act and applicable provisions of this Section. Where a construction permit is required, the Agency shall expeditiously grant such construction permit and shall, if necessary, modify the CAAPP permit based on the same application.

B. The applicant or permittee may pay the fee annually or semiannually for those fees greater than $5,000. However, any applicant paying a fee equal to or greater than $100,000 shall pay the full amount on July 1, for the subsequent fiscal year, or pay 50% of the fee on July 1 and the remaining 50% by the next January 1. The Agency may change any annual billing date upon reasonable notice, but shall prorate the new bill so that the permittee or applicant does not pay more than its required fees for the fee period for
which payment is made.

b. (Blank).

c. (Blank).

d. There is hereby created in the State Treasury a special fund to be known as the "CAA Permit Fund". All Funds collected by the Agency pursuant to this subsection shall be deposited into the Fund. The General Assembly shall appropriate monies from this Fund to the Agency and to the Board to carry out their obligations under this Section. The General Assembly may also authorize monies to be granted by the Agency from this Fund to other State and local agencies which perform duties related to the CAAPP. Interest generated on the monies deposited in this Fund shall be returned to the Fund.

e. The Agency shall have the authority to adopt procedural rules, in accordance with the Illinois Administrative Procedure Act, as the Agency deems necessary to implement this subsection.

f. For purposes of this subsection, the term "regulated air pollutant" shall have the meaning given to it under subsection 1 of this Section but shall exclude the following:

i. carbon monoxide;

ii. any Class I or II substance which is a regulated air pollutant solely because it is listed pursuant to Section 602 of the Clean Air Act; and

iii. any pollutant that is a regulated air pollutant solely because it is subject to a standard or regulation under Section 112(r) of the Clean Air Act based on the emissions allowed in the permit effective in that calendar year, at the time the applicable bill is generated.

a. In the event that the USEPA fails to promulgate in a timely manner a standard pursuant to Section 112(d) of the Clean Air Act, the Agency shall have the authority to issue permits, pursuant to Section 112(j) of the Clean Air Act and regulations promulgated thereunder, which contain emission limitations which are equivalent to the emission limitations that would apply to a source if an emission standard had been promulgated in a timely manner by USEPA pursuant to Section 112(d). Provided, however, that the owner or operator of a source shall have the opportunity to submit to the Agency a proposed emission limitation which it determines to be

New matter indicated by italics - deletions by strikeout
equivalent to the emission limitations that would apply to such source if an emission standard had been promulgated in a timely manner by USEPA. If the Agency refuses to include the emission limitation proposed by the owner or operator in a CAAPP permit, the owner or operator may petition the Board to establish whether the emission limitation proposal submitted by the owner or operator provides for emission limitations which are equivalent to the emission limitations that would apply to the source if the emission standard had been promulgated by USEPA in a timely manner. The Board shall determine whether the emission limitation proposed by the owner or operator or an alternative emission limitation proposed by the Agency provides for the level of control required under Section 112 of the Clean Air Act, or shall otherwise establish an appropriate emission limitation, pursuant to Section 112 of the Clean Air Act.

b. Any Board proceeding brought under paragraph (a) or (e) of this subsection shall be conducted according to the Board's procedures for adjudicatory hearings and the Board shall render its decision within 120 days of the filing of the petition. Any such decision shall be subject to review pursuant to Section 41 of this Act. Where USEPA promulgates an applicable emission standard prior to the issuance of the CAAPP permit, the Agency shall include in the permit the promulgated standard, provided that the source shall have the compliance period provided under Section 112(i) of the Clean Air Act. Where USEPA promulgates an applicable standard subsequent to the issuance of the CAAPP permit, the Agency shall revise such permit upon the next renewal to reflect the promulgated standard, providing a reasonable time for the applicable source to comply with the standard, but no longer than 8 years after the date on which the source is first required to comply with the emissions limitation established under this subsection.

c. The Agency shall have the authority to implement and enforce complete or partial emission standards promulgated by USEPA pursuant to Section 112(d), and standards promulgated by USEPA pursuant to Sections 112(f), 112(h), 112(m), and 112(n), and may accept delegation of authority from USEPA to implement and enforce Section 112(l) and requirements for the prevention and detection of accidental releases pursuant to Section 112(r) of the Clean Air Act.

d. The Agency shall have the authority to issue permits

New matter indicated by italics - deletions by strikeout
pursuant to Section 112(i)(5) of the Clean Air Act.

  e. The Agency has the authority to implement Section 112(g) of the Clean Air Act consistent with the Clean Air Act and federal regulations promulgated thereunder. If the Agency refuses to include the emission limitations proposed in an application submitted by an owner or operator for a case-by-case maximum achievable control technology (MACT) determination, the owner or operator may petition the Board to determine whether the emission limitation proposed by the owner or operator or an alternative emission limitation proposed by the Agency provides for a level of control required by Section 112 of the Clean Air Act, or to otherwise establish an appropriate emission limitation under Section 112 of the Clean Air Act.

  a. For purposes of this subsection:

"Program" is the Small Business Stationary Source Technical and Environmental Compliance Assistance Program created within this State pursuant to Section 507 of the Clean Air Act and guidance promulgated thereunder, to provide technical assistance and compliance information to small business stationary sources;

"Small Business Assistance Program" is a component of the Program responsible for providing sufficient communications with small businesses through the collection and dissemination of information to small business stationary sources; and

"Small Business Stationary Source" means a stationary source that:

1. is owned or operated by a person that employs 100 or fewer individuals;
2. is a small business concern as defined in the "Small Business Act";
3. is not a major source as that term is defined in subsection 2 of this Section;
4. does not emit 50 tons or more per year of any regulated air pollutant; and
5. emits less than 75 tons per year of all regulated pollutants.

  b. The Agency shall adopt and submit to USEPA, after reasonable notice and opportunity for public comment, as a revision to the Illinois state implementation plan, plans for establishing the

New matter indicated by italics - deletions by strikeout
Program.

c. The Agency shall have the authority to enter into such contracts and agreements as the Agency deems necessary to carry out the purposes of this subsection.

d. The Agency may establish such procedures as it may deem necessary for the purposes of implementing and executing its responsibilities under this subsection.

e. There shall be appointed a Small Business Ombudsman (hereinafter in this subsection referred to as "Ombudsman") to monitor the Small Business Assistance Program. The Ombudsman shall be a nonpartisan designated official, with the ability to independently assess whether the goals of the Program are being met.

f. The State Ombudsman Office shall be located in an existing Ombudsman office within the State or in any State Department.

g. There is hereby created a State Compliance Advisory Panel (hereinafter in this subsection referred to as "Panel") for determining the overall effectiveness of the Small Business Assistance Program within this State.

h. The selection of Panel members shall be by the following method:

1. The Governor shall select two members who are not owners or representatives of owners of small business stationary sources to represent the general public;

2. The Director of the Agency shall select one member to represent the Agency; and

3. The State Legislature shall select four members who are owners or representatives of owners of small business stationary sources. Both the majority and minority leadership in both Houses of the Legislature shall appoint one member of the panel.

i. Panel members should serve without compensation but will receive full reimbursement for expenses including travel and per diem as authorized within this State.

j. The Panel shall select its own Chair by a majority vote. The Chair may meet and consult with the Ombudsman and the head of the Small Business Assistance Program in planning the activities for the Panel.

21. Temporary Sources.

a. The Agency may issue a single permit authorizing
emissions from similar operations by the same source owner or operator at multiple temporary locations, except for sources which are affected sources for acid deposition under Title IV of the Clean Air Act.

b. The applicant must demonstrate that the operation is temporary and will involve at least one change of location during the term of the permit.

c. Any such permit shall meet all applicable requirements of this Section and applicable regulations, and include conditions assuring compliance with all applicable requirements at all authorized locations and requirements that the owner or operator notify the Agency at least 10 days in advance of each change in location.

22. Solid Waste Incineration Units.

a. A CAAPP permit for a solid waste incineration unit combusting municipal waste subject to standards promulgated under Section 129(e) of the Clean Air Act shall be issued for a period of 12 years and shall be reviewed every 5 years, unless the Agency requires more frequent review through Agency procedures.

b. During the review in paragraph (a) of this subsection, the Agency shall fully review the previously submitted CAAPP permit application and corresponding reports subsequently submitted to determine whether the source is in compliance with all applicable requirements.

c. If the Agency determines that the source is not in compliance with all applicable requirements it shall revise the CAAPP permit as appropriate.

d. The Agency shall have the authority to adopt procedural rules, in accordance with the Illinois Administrative Procedure Act, as the Agency deems necessary, to implement this subsection.

a permit, or any Board order.

(f) The State's Attorney of the county in which the violation occurred, or the Attorney General, shall bring such actions in the name of the people of the State of Illinois. Without limiting any other authority which may exist for the awarding of attorney's fees and costs, the Board or a court of competent jurisdiction may award costs and reasonable attorney's fees, including the reasonable costs of expert witnesses and consultants, to the State's Attorney or the Attorney General in a case where he has prevailed against a person who has committed a willful, knowing or repeated violation of this Act, any rule or regulation adopted under this Act, any permit or term or condition of a permit, or any Board order.

Any funds collected under this subsection (f) in which the Attorney General has prevailed shall be deposited in the Hazardous Waste Fund created in Section 22.2 of this Act. (g) All final orders imposing civil penalties pursuant to this Section shall prescribe the time for payment of such penalties. If any such penalty is not paid within the time prescribed, interest on such penalty at the rate set forth in subsection (a) of Section 1003 of the Illinois Income Tax Act, shall be paid for the period from the date payment is due until the date payment is received. However, if the time for payment is stayed during the pendency of an appeal, interest shall not accrue during such stay.

(h) In determining the appropriate civil penalty to be imposed under subdivisions (a), (b)(1), (b)(2), (b)(3), or (b)(5) of this Section, the Board is authorized to consider any matters of record in mitigation or aggravation of penalty, including but not limited to the following factors:

(1) the duration and gravity of the violation;

(2) the presence or absence of due diligence on the part of the respondent in attempting to comply with requirements of this Act and regulations thereunder or to secure relief therefrom as provided by this Act;

(3) any economic benefits accrued by the respondent because of delay in compliance with requirements, in which case the economic benefits shall be determined by the lowest cost alternative for achieving compliance;

(4) the amount of monetary penalty which will serve to deter further violations by the respondent and to otherwise aid in enhancing voluntary compliance with this Act by the respondent and other

persons similarly subject to the Act;

(5) the number, proximity in time, and gravity of previously adjudicated violations of this Act by the respondent;

(6) whether the respondent voluntarily self-disclosed, in accordance with subsection (i) of this Section, the non-compliance to the Agency; and

(7) whether the respondent has agreed to undertake a "supplemental environmental project," which means an environmentally beneficial project that a respondent agrees to undertake in settlement of an enforcement action brought under this Act, but which the respondent is not otherwise legally required to perform.

In determining the appropriate civil penalty to be imposed under subsection (a) or paragraph (1), (2), (3), or (5) of subsection (b) of this Section, the Board shall ensure, in all cases, that the penalty is at least as great as the economic benefits, if any, accrued by the respondent as a result of the violation, unless the Board finds that imposition of such penalty would result in an arbitrary or unreasonable financial hardship. However, such civil penalty may be off-set in whole or in part pursuant to a supplemental environmental project agreed to by the complainant and the respondent.

(i) A person who voluntarily self-discloses non-compliance to the Agency, of which the Agency had been unaware, is entitled to a 100% reduction in the portion of the penalty that is not based on the economic benefit of non-compliance if the person can establish the following:

(1) that the non-compliance was discovered through an environmental audit or a compliance management system documented by the regulated entity as reflecting the regulated entity's due diligence in preventing, detecting, and correcting violations, as defined in Section 52.2 of this Act, and the person waives the environmental audit privileges as provided in that Section with respect to that non-compliance;

(2) that the non-compliance was disclosed in writing within 30 days of the date on which the person discovered it;

(3) that the non-compliance was discovered and disclosed prior to:

(i) the commencement of an Agency inspection, investigation, or request for information;

(ii) notice of a citizen suit;

(iii) the filing of a complaint by a citizen, the Illinois

New matter indicated by italics - deletions by strikeout
Attorney General, or the State's Attorney of the county in which the violation occurred;

(iv) the reporting of the non-compliance by an employee of the person without that person's knowledge; or

(v) imminent discovery of the non-compliance by the Agency;

(4) that the non-compliance is being corrected and any environmental harm is being remediated in a timely fashion;

(5) that the person agrees to prevent a recurrence of the non-compliance;

(6) that no related non-compliance events have occurred in the past 3 years at the same facility or in the past 5 years as part of a pattern at multiple facilities owned or operated by the person;

(7) that the non-compliance did not result in serious actual harm or present an imminent and substantial endangerment to human health or the environment or violate the specific terms of any judicial or administrative order or consent agreement;

(8) that the person cooperates as reasonably requested by the Agency after the disclosure; and

(9) that the non-compliance was identified voluntarily and not through a monitoring, sampling, or auditing procedure that is required by statute, rule, permit, judicial or administrative order, or consent agreement.

If a person can establish all of the elements under this subsection except the element set forth in paragraph (1) of this subsection, the person is entitled to a 75% reduction in the portion of the penalty that is not based upon the economic benefit of non-compliance.

(3) Insofar as this Section applies solely to licensed clinical social workers and licensed clinical professional counselors, those persons who may provide services to individuals shall do so after the licensed clinical social worker or licensed clinical professional counselor has informed the patient of the desirability of the patient conferring with the patient's primary care physician and the licensed clinical social worker or licensed clinical professional counselor has provided written notification to the patient's primary care physician, if any, that services are being provided to the patient. That notification may, however, be waived by the patient on a written form. Those forms shall be retained by the licensed clinical social worker or licensed clinical professional counselor for a period of not less than 5 years.

(b) (1) An insurer that provides coverage for hospital or medical expenses under a group policy of accident and health insurance or health care plan amended, delivered, issued, or renewed after the effective date of this amendatory Act of the 92nd General Assembly shall provide coverage under the policy for treatment of serious mental illness under the same terms and conditions as coverage for hospital or medical expenses related to other illnesses and diseases. The coverage required under this Section must provide for same durational limits, amount limits, deductibles, and co-insurance requirements for serious mental illness as are provided for other illnesses and diseases. This subsection does not apply to coverage provided to employees by employers who have 50 or fewer employees.

(2) "Serious mental illness" means the following psychiatric illnesses as defined in the most current edition of the Diagnostic and Statistical Manual (DSM) published by the American Psychiatric Association:

(A) schizophrenia;

(B) paranoid and other psychotic disorders;

(C) bipolar disorders (hypomanic, manic, depressive, and
mixed);
(D) major depressive disorders (single episode or recurrent);
(E) schizoaffective disorders (bipolar or depressive);
(F) pervasive developmental disorders;
(G) obsessive-compulsive disorders;
(H) depression in childhood and adolescence; and
(I) panic disorder; and
(J) post-traumatic stress disorders (acute, chronic, or with delayed onset).

(3) Upon request of the reimbursing insurer, a provider of treatment of serious mental illness shall furnish medical records or other necessary data that substantiate that initial or continued treatment is at all times medically necessary. An insurer shall provide a mechanism for the timely review by a provider holding the same license and practicing in the same specialty as the patient's provider, who is unaffiliated with the insurer, jointly selected by the patient (or the patient's next of kin or legal representative if the patient is unable to act for himself or herself), the patient's provider, and the insurer in the event of a dispute between the insurer and patient's provider regarding the medical necessity of a treatment proposed by a patient's provider. If the reviewing provider determines the treatment to be medically necessary, the insurer shall provide reimbursement for the treatment. Future contractual or employment actions by the insurer regarding the patient's provider may not be based on the provider's participation in this procedure. Nothing prevents the insured from agreeing in writing to continue treatment at his or her expense. When making a determination of the medical necessity for a treatment modality for serious mental illness, an insurer must make the determination in a manner that is consistent with the manner used to make that determination with respect to other diseases or illnesses covered under the policy, including an appeals process.

(4) A group health benefit plan:
(A) shall provide coverage based upon medical necessity for the following treatment of mental illness in each calendar year;
   (i) 45 days of inpatient treatment; and
   (ii) 35 visits for outpatient treatment including group and individual outpatient treatment;
(B) may not include a lifetime limit on the number of days of inpatient treatment or the number of outpatient visits covered under the plan; and
   (C) shall include the same amount limits, deductibles,
copayments, and coinsurance factors for serious mental illness as for physical illness.

(5) An issuer of a group health benefit plan may not count toward the number of outpatient visits required to be covered under this Section an outpatient visit for the purpose of medication management and shall cover the outpatient visits under the same terms and conditions as it covers outpatient visits for the treatment of physical illness.

(6) An issuer of a group health benefit plan may provide or offer coverage required under this Section through a managed care plan.

(7) This Section shall not be interpreted to require a group health benefit plan to provide coverage for treatment of:

   (A) an addiction to a controlled substance or cannabis that is used in violation of law; or
   (B) mental illness resulting from the use of a controlled substance or cannabis in violation of law.

(8) This subsection (b) is inoperative after December 31, 2005.

New matter indicated by italics - deletions by strikeout
(a) The Department shall revoke or refuse to renew the license of any child welfare agency providing adoption services that is not (i) officially recognized by the United States Internal Revenue Service as a tax-exempt organization described in Section 501(c)(3) of the Internal Revenue Code of 1986 (or any successor provision of federal tax law) and (ii) in compliance with all of the standards necessary to maintain its status as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986 (or any successor provision of federal tax law).

(b) The Department shall grant a grace period of 24 months from the effective date of this amendatory Act of the 94th General Assembly for existing child welfare agencies providing adoption services to obtain 501(c)(3) status. The Department shall permit an existing child welfare agency that converts from its current structure in order to be recognized as a 501(c)(3) organization as required by this Section to either retain its current license or transfer its current license to a newly formed entity, if the creation of a new entity is required in order to comply with this Section, provided that the child welfare agency demonstrates that it continues to meet all other licensing requirements and that the principal officers and directors and programs of the converted child welfare agency or newly organized child welfare agency are substantially the same as the original. The Department shall have the sole discretion to grant a one year extension to any agency unable to obtain 501(c)(3) status within the timeframe specified in this Section, provided that such agency has filed an application for 501(c)(3) status with the Internal Revenue Service within the 2-year timeframe specified in this Section.

(c) Nothing in this Section shall prohibit a licensed child welfare agency from using the services of any person, group of persons, agency, association, organization, corporation, institution, center, or group as an independent contractor to perform services on behalf of the licensed agency, provided that the licensed agency has a written agreement with the independent contractor specifying the terms of remuneration, the services to be performed, the personnel performing those services, and the qualifications of the personnel, in addition to any other information or requirements the Department may specify by rule. The licensed agency is not exempt, by reason of the use of the contractor, from compliance with all of the provisions of this Act. The Department has the authority to disapprove the use of any contractor if the Department is not satisfied with the agency’s agreement with the contractor, the personnel of the contractor who are performing the services, or the qualifications of the personnel or if the

(a) The Department shall establish a complaint registry to assist in the monitoring of licensed child welfare agencies providing adoption services, which shall record and track the resolution and disposition of substantiated licensing violations.
(b) The Department shall establish and maintain a statewide toll-free telephone number and post information on its website where the public can access information contained in the complaint registry, as it pertains to the past history and record of any licensed child welfare agency providing adoption services. These complaint procedures must be filed with the Department within 6 months after the effective date of this amendatory Act of the 94th General Assembly. Failure to comply with this Section may result in the suspension of licensure for a period of 90 days. Subsequent violations

These rules shall include without limitation prompt complaint response time, recording of the complaints, prohibition of agency retaliation against the person making the complaint, and agency reporting of all complaints to the Department in a timely manner. Any agency that maintains a website shall post the prescribed complaint procedures and its license number, as well as the statewide toll-free complaint registry telephone number, on its website.

Sec. 11. Whenever the Department is advised, or has reason to believe, that any person, group of persons or corporation is operating a child welfare agency or a child care facility without a license or permit, it shall make an investigation to ascertain the facts. If the Department is denied access, it shall request intervention of local, county or State law enforcement agencies to seek an appropriate court order or warrant to examine the premises. A person or entity preventing the Department from carrying out its duties under this Section shall be guilty of a violation of this Act and shall be subject to such penalties related thereto. If it finds that the child welfare agency or child care facility is being, or has been operated without a license or permit, it shall report the results of its investigation to the Attorney General, and to the appropriate State's Attorney for investigation and, if appropriate, prosecution.

Operating a child welfare agency or child care facility without a license constitutes a Class A misdemeanor, followed by a business offense, if the operator continues to operate the facility and no effort is made to obtain a license. (b) A child care facility or child welfare agency licensed or operating under a permit issued by the Department may publish advertisements for the services that the facility is specifically licensed or issued a permit under this Act to provide. A person, group of persons, agency, association, organization, corporation, institution, center, or group who advertises or causes to be published any advertisement offering, soliciting, or promising to perform adoption services as defined in Section 2.24 of this Act is guilty of a Class A misdemeanor and shall be subject to a fine not to exceed $10,000 or 9 months imprisonment for each advertisement, unless that person, group of persons, agency, association, organization, corporation, institution, center, or group is (i) licensed or operating under a permit issued by the Department as a child care facility or child welfare agency, (ii) a biological parent or a prospective adoptive parent acting on his or her own behalf, or (iii) a licensed attorney advertising his or her availability to provide legal services relating to adoption, as permitted by law.

(c) Every advertisement published after the effective date of this amendatory Act of the 94th General Assembly shall include the Department-issued license number of the facility or agency.
(d) Any licensed child welfare agency providing adoption services that, after the effective date of this amendatory Act of the 94th General Assembly, causes to be published an advertisement containing reckless or intentional misrepresentations concerning adoption services or circumstances material to the placement of a child for adoption is guilty of a Class A misdemeanor and is subject to a fine not to exceed $10,000 or 9 months imprisonment for each advertisement.

Sec. 14.6. Agency payment of salaries or other compensation.

(a) A licensed child welfare agency may pay salaries or other compensation to its officers, employees, agents, contractors, or any other persons acting on its behalf for providing adoption services, provided that all of the following limitations apply:

(1) The fees, wages, salaries, or other compensation of any description paid to the officers, employees, contractors, or any other person acting on behalf of a child welfare agency providing adoption services shall not be unreasonably high in relation to the services actually rendered. Every form of compensation shall be taken into account in determining whether fees, wages, salaries, or compensation are unreasonably high, including, but not limited to, salary, bonuses, deferred and non-cash compensation, retirement funds, medical and liability insurance, loans, and other benefits such as the use, purchase, or lease of vehicles, expense accounts, and food, housing, and clothing allowances.

(2) Any earnings, if applicable, or compensation paid to the child welfare agency's directors, stockholders, or members of its governing body shall not be unreasonably high in relation to the services rendered.

(3) Persons providing adoption services for a child welfare agency may be compensated only for services actually rendered and only on a fee-for-service, hourly wage, or salary basis.

(b) The Department may adopt rules setting forth the criteria to determine what constitutes unreasonably high fees and compensation as those terms are used in this Section. In determining the reasonableness of fees, wages, salaries, and compensation under paragraphs (1) and (2) of subsection (a) of this Section, the Department shall take into account the location, number, and qualifications of staff, workload requirements, budget, and size of the agency or person and available norms for compensation within the adoption community. Every licensed child welfare agency

providing adoption services shall provide the Department and the Attorney General with a report, on an annual basis, providing a description of the fees, wages, salaries and other compensation described in paragraphs (1), (2), and (3) of this Section. Nothing in the Adoption Compensation Prohibition Act shall be construed to prevent a child welfare agency from charging fees or the payment of salaries and compensation as limited in this Section and any applicable Section of this Act or the Adoption Act.

(c) This Section does not apply to international adoption services performed by those child welfare agencies governed by the 1993 Hague Convention on Protection of Children and Cooperation in Respect of Intercountry Adoption and the Intercountry Adoption Act of 2000.

(d) Eligible agencies may be deemed compliant with this Section.

Sec. 14.7. Payments to biological parents.

(a) Payment of reasonable living expenses by a child welfare agency shall not obligate the biological parents to place the child for adoption. In the event that the biological parents choose not to place the child for adoption, the child welfare agency shall have no right to seek reimbursement from the biological parents, or from any relative of the biological parents, of moneys paid to, or on behalf of, the biological parents, except as provided in subsection (b) of this Section.

(b) Notwithstanding subsection (a) of this Section, a child welfare agency may seek reimbursement of reasonable living expenses from a person who receives such payments only if the person who accepts payment of reasonable living expenses before the child’s birth, as described in subsection (a) of this Section, knows that the person on whose behalf they are accepting payment is not pregnant at the time of the receipt of such payments or the person receives reimbursement for reasonable living expenses simultaneously from more than one child welfare agency without the agencies’ knowledge.

Sec. 1. No person and no agency, association, corporation, institution, society, or other organization, except a child welfare agency as defined by the Child Care Act of 1969, as now or hereafter amended, shall request, receive or accept any compensation or thing of value, directly or indirectly, for providing adoption services, as defined in Section 2.24 of the Child Care Act of 1969 placing out of a child.

Sec. 2. No person shall pay or give any compensation or thing of value, directly or indirectly, for providing adoption services, as defined in Section 2.24 of the Child Care Act of 1969, including placing out of a child to any person or to any agency, association, corporation, institution, society, or other organization except a child welfare agency as defined by the Child Care Act of 1969, as now or hereafter amended.

Sec. 3. Definitions. As used in this Act: the term "Placing placing out" means to arrange for the free care or placement of a child in a family other than that of the child's parent, stepparent, grandparent, brother, sister, uncle or aunt or legal guardian, for the purpose of adoption or for the purpose of providing care.

"Adoption services" has the meaning given that term in the Child Care Act of 1969.

(720 ILCS 525/4) (from Ch. 40, par. 1704)

Sec. 4. The provisions of this Act shall not be construed to prevent the payment of salaries or other compensation by a licensed child welfare agency providing adoption services, as that term is defined by the Child Care Act of 1969, as now or hereafter amended, to the officers, employees, agents, contractors, or any other persons acting on behalf of the child welfare agency, provided that such salaries and compensation are consistent with subsection (a) of Section 14.5 of the Child Care Act of 1969.

The provisions of this Act shall not thereof, nor shall it be construed to prevent the payment by a person with whom a child has been placed for adoption out of reasonable and actual medical fees or hospital charges for services rendered in connection with the birth of such child, if such payment is made to the physician or hospital who or which rendered the services or to the biological natural mother of the child or to prevent the receipt of such payment by such physician, hospital, or mother.

Sec. 4.1. Payment of certain expenses.

(a) A person or persons who have filed or intend to file a petition to adopt a child under the Adoption Act shall be permitted to pay the reasonable living expenses of the biological parents of the child sought to be adopted, in
Public Act 94-0586

(addition to those expenses set forth in Section 4, only in accordance with the provisions of this Section.

"Reasonable living expenses" means those expenses related to activities of daily living and meeting basic needs, including, but not limited to, the reasonable costs of lodging, food, and clothing for the biological parents during the period of the biological mother's pregnancy and for no more than 120 days prior to the biological mother's expected date of delivery and for no more than 60 days after the birth of the child. The term does not include expenses for lost wages, gifts, educational expenses, or other similar expenses of the biological parents.

(b) The petitioners may seek leave of the court to pay the reasonable living expenses of the biological parents. They shall be permitted to pay the reasonable living expenses of the biological parents only upon prior order of the circuit court where the petition for adoption will be filed, or if the petition for adoption has been filed in the circuit court where the petition is pending.

(c) Payments under this Section shall be permitted only in those circumstances where there is a demonstrated need for the payment of such expenses to protect the health of the biological parents or the health of the child sought to be adopted.

(d) Payment of their reasonable living expenses, as provided in this Section, shall not obligate the biological parents to place the child for adoption. In the event the biological parents choose not to place the child for adoption, the petitioners shall have no right to seek reimbursement from the biological parents, or from any relative or associate of the biological parents, of moneys paid to, or on behalf of, the biological parents pursuant to a court order under this Section.

(d-5) No person or entity shall offer, provide, or co-sign a loan or any other credit accommodation, directly or indirectly, with a biological parent or a relative or associate of a biological parent based on the contingency of a surrender or placement of a child for adoption.

(e) Within 14 days after the completion of all payments for reasonable living expenses of the biological parents under this Section, the petitioners shall present a final accounting of all those expenses to the court. The accounting shall include vouchers for all moneys expended, copies of all checks written, and receipts for all cash payments. The accounting shall also include the verified statements of the petitioners, each attorney of record, and the biological parents or parents to whom or on whose behalf the payments were made attesting to the accuracy of the accounting.

(f) If the placement of a child for adoption is made in accordance with
the Interstate Compact on the Placement of Children, and if the sending state permits the payment of any expenses of biological parents that are not permitted under this Act, then the payment of those expenses shall not be a violation of this Act. In that event, the petitioners shall file an accounting of all payments of the expenses of the biological parent or parents with the court in which the petition for adoption is filed or is to be filed. The accounting shall include a copy of the statutory provisions of the sending state that permit payments in addition to those permitted by this Act and a copy of all orders entered in the sending state that relate to expenses of the biological parents paid by the petitioners in the sending state.

(g) The petitioners shall be permitted to pay the reasonable attorney's fees of the biological parents' attorney in connection with proceedings under this Act or in connection with proceedings for the adoption of the child. The attorney's fees shall be paid only after a petition seeking leave to pay those fees is filed with the court in which the adoption proceeding is filed or to be filed. The court shall review the petition for leave to pay attorney's fees, and if the court determines that the fees requested are reasonable, the court shall permit the petitioners to pay them. If the court determines that the fees requested are not reasonable, the court shall determine and set the reasonable attorney's fees of the biological parents' attorney which may be paid by the petitioners.

(h) The court may appoint a guardian ad litem for an unborn child to represent the interests of the child in proceedings under this Section.

(i) The provisions of this Section apply to a person who has filed or intends to file a petition to adopt a child under the Adoption Act. This Section does not apply to a licensed child welfare agency, as that term is defined in the Child Care Act of 1969, whose payments are governed by the Child Care Act of 1969 and the Department rules adopted thereunder.

Section 15. The Adoption Act is amended by changing Sections 4.1 and 21 as follows:

(750 ILCS 50/4.1) (from Ch. 40, par. 1506)

Sec. 4.1. Except for children placed with relatives by the Department of Children and Family Services pursuant to subsection (b) of Section 7 of the Children and Family Services Act, placements under this Act shall comply with the Child Care Act of 1969 and the Interstate Compact on the Placement of Children. Placements of children born outside the United States or a territory thereof shall comply with rules promulgated by the United States Department of Immigration and Naturalization.

Rules promulgated by the Department of Children and Family Services shall include but not be limited to the following:

(a) Any agency providing adoption services as defined in Section 2.24 of the Child Care Act of 1969 which places such children for adoption in this State:

(i) Shall be licensed in this State as a child welfare agency as defined in Section 2.08 of the Child Care Act of 1969; or

(ii) Shall be licensed as a child placement agency in a state which is a party to the Interstate Compact on the Placement of Children and shall be approved by the Department to place children into Illinois in accordance with subsection (a-5) of this Section; or

(iii) Shall be licensed as a child placement agency in a country other than the United States or, if located in such a country but not so licensed, shall provide information such as a license or court document which authorizes that agency to place children for adoption and to establish that such agency has legal authority to place children for adoption; or

New matter indicated by italics - deletions by strikeout
(iv) Shall be a child placement agency which is so licensed in a non-compact state and shall be approved by the Department to place children into Illinois in accordance with subsection (a-5) of this Section, if such agency first files with the Department of Children and Family Services a bond with surety in the amount of $5,000 for each such child to ensure that such child shall not become a public charge upon this State. Such bond shall remain in effect until a judgment for adoption is entered with respect to such child pursuant to this Act. The Department of Children and Family Services may accept, in lieu of such bond, a written agreement with such agency which provides that such agency shall be liable for all costs associated with the placement of such child in the event a judgment of adoption is not entered, upon such terms and conditions as the Department deems appropriate.

The rules shall also provide that any agency that places children for adoption in this State may not, in any policy or practice relating to the placement of children for adoption, discriminate against any child or prospective adoptive parent on the basis of race.

(a-5) Out-of-state private placing agencies that seek to place children into Illinois for the purpose of foster care or adoption shall provide all of the following to the Department:

(i) A copy of the agency's current license or other form of authorization from the approving authority in the agency's state. If no such license or authorization is issued, the agency must provide a reference statement from the approving authority stating the agency is authorized to place children in foster care or adoption or both in its jurisdiction.

(ii) A description of the program, including home studies, placements, and supervisions that the child placing agency conducts within its geographical area, and, if applicable, adoptive placements and the finalization of adoptions. The child placing agency must accept continued responsibility for placement planning and replacement if the placement fails.

(iii) Notification to the Department of any significant child placing agency changes after approval.

(iv) Any other information the Department may require.

If the adoption is finalized prior to bringing or sending the child to Illinois, Department approval of the out-of-state child placing agency involved is not required under this Section, nor is compliance with the
Interstate Compact on the Placement of Children.

(b) As an alternative to requiring the bond provided for in paragraph (a)(iv) of this Section, the Department of Children and Family Services may require the filing of such a bond by the individual or individuals seeking to adopt such a child through placement of such child by a child placement agency located in a state which is not a party to the Interstate Compact on the Placement of Children.

(c) In the case of any foreign-born child brought to the United States for adoption in this State, the following preadoption requirements shall be met:

   (1) Documentation that the child is legally free for adoption prior to entry into the United States shall be submitted.
   (2) A medical report on the child, by authorized medical personnel in the country of the child's origin, shall be provided when such personnel are available.
   (3) Verification that the adoptive family has been licensed as a foster family home pursuant to the Child Care Act of 1969, as now or hereafter amended, shall be provided.
   (4) A valid home study conducted by a licensed child welfare agency that complies with guidelines established by the United States Immigration and Naturalization Service at 8 CFR 204.4(d)(2)(i), as now or hereafter amended, shall be submitted. A home study is considered valid if it contains:
       (i) A factual evaluation of the financial, physical, mental and moral capabilities of the prospective parent or parents to rear and educate the child properly.
       (ii) A detailed description of the living accommodations where the prospective parent or parents currently reside.
       (iii) A detailed description of the living accommodations in the United States where the child will reside, if known.
       (iv) A statement or attachment recommending the proposed adoption signed by an official of the child welfare agency which has conducted the home study.
   (5) The placing agency located in a non-compact state or a family desiring to adopt through an authorized placement party in a non-compact state or a foreign country shall file with the Department of Children and Family Services a bond with surety in the amount of

New matter indicated by italics - deletions by strikeout
$5,000 as protection that a foreign-born child accepted for care or
supervision not become a public charge upon the State of Illinois.

(6) In lieu of the $5,000 bond, the placement agency may sign
a binding agreement with the Department of Children and Family
Services to assume full liability for all placements should, for any
reason, the adoption be disrupted or not be completed, including
financial and planning responsibility until the child is either returned
to the country of its origin or placed with a new adoptive family in the
United States and that adoption is finalized.

(7) Compliance with the requirements of the Interstate
Compact on the Placement of Children, when applicable, shall be
demonstrated.

(8) When a child is adopted in a foreign country and a final,
complete and valid Order of Adoption is issued in that country, as
determined by both the United States Department of State and the
United States Department of Justice, this State shall not impose any
additional preadoption requirements. The adoptive family, however,
must comply with applicable requirements of the United States
Department of Immigration and Naturalization as provided in 8 CFR
204.4 (d)(2)(ii), as now or hereafter amended.

d) The Department of Children and Family Services shall
maintain the office of Intercountry Adoption Coordinator, shall maintain and protect
the rights of families and children participating in adoption of foreign born
children, and shall develop ongoing programs of support and services to such
families and children. The Intercountry Adoption Coordinator shall determine
that all preadoption requirements have been met and report such information
to the Department of Immigration and Naturalization.

"Employee" does include an independent contractor. "Employee" includes an employee of a covered employer who has been employed by the same employer for at least 12 months, and has been employed for at least 1,250 hours of service during the 12-month period immediately preceding the commencement of the leave.

"Employee benefits" means all benefits, other than salary and wages, provided or made available to employees by an employer and includes group life insurance, health insurance, disability insurance and pensions, regardless of whether benefits are provided by a policy or practice of an employer.

"Employer" means (1) any person, partnership, corporation, association, or other business entity; and (2) the State of Illinois, municipalities and other units of local government.

"Family military leave" means leave requested by an employee who is the spouse or parent of a person called to military service lasting longer than 30 days with the State or United States pursuant to the orders of the Governor or the President of the United States.

Section 10. Family Military Leave Requirement.
(a) Any employer, as defined in Section 5 of this Act, that employs between 15 and 50 employees shall provide up to 15 days of unpaid family military leave to an employee during the time federal or State deployment orders are in effect, subject to the conditions set forth in this Section. Family military leave granted under this Act may consist of unpaid leave.

(b) Nothing in this Act shall be construed to affect an employer's obligation to comply with any collective bargaining agreement or employee benefit plan that provides greater leave rights to employees than the rights provided under this Act.

(c) The family military leave rights provided under this Act shall not be diminished by any collective bargaining agreement or employee benefit
plan.

(d) Nothing in this Act shall be construed to affect or diminish the contract rights or seniority status of any other employee of any employer covered under this Act.
