for that individual day or temporary laborer's hours of work available for review or copying during normal business hours within 5 days following a written request. The day and temporary labor service agency shall make forms, in duplicate, for such requests available to day or temporary laborers at the dispatch office. The day or temporary laborer shall be given a copy of the request form. It is a violation of this Section to make any false, inaccurate or incomplete entry into any record required by this Section, or to delete required information from any such record. Failure by the third party client to remit time records to the day and temporary labor service agency as provided in paragraph (a)(2) shall constitute a notice violation by a third party client under Section 95 of this Act unless the third party client has been precluded from submitting such time records for reasons beyond its control. A failure by the third party client to provide time records in accordance with this subsection (b) shall not be a notice violation and shall not be the basis for a suit or other action under Section 95 of this Act against the day and temporary labor service agency.

Sec. 30. Wage Payment and Notice.

(a) At the time of payment of wages, a day and temporary labor service agency shall provide each day or temporary laborer with a detailed itemized statement, on the day or temporary laborer's paycheck stub or on a form approved by the Department, listing the following:

(1) the name, address, and telephone number of each third party client at which the day or temporary laborer worked. If this information is provided on the day or temporary laborer's paycheck stub, a code for each third party client may be used so long as the required information for each coded third party client is made available to the day or temporary laborer;

(2) the number of hours worked by the day or temporary laborer at each third party client each day during the pay period. If the day or temporary laborer is assigned to work at the same work site of the same third party client for multiple days in the same

work week, the day and temporary labor service agency may record a summary of hours worked at that third party client's worksite so long as the first and last day of that work week are identified as well. The term "hours worked" has the meaning ascribed to that term in 56 Ill. Adm. Code 210.110 and in accordance with all applicable rules or court interpretations under 56 Ill. Adm. Code 210.110;

(3) the rate of payment for each hour worked, including any premium rate or bonus;

(4) the total pay period earnings;

(5) all deductions made from the day or temporary laborer's compensation made either by the third party client or by the day and temporary labor service agency, and the purpose for which deductions were made, including for the day or temporary laborer's transportation, food, equipment, withheld income tax, withheld social security payments, and every other deduction; and

(6) any additional information required by rules issued by the Department.

(a-1) For each day or temporary laborer who is contracted to work a single day, the third party client shall, at the end of the work day, provide such day or temporary laborer with a Work Verification Form, approved by the Department, which shall contain the date, the day or temporary laborer's name, the work location, and the hours worked on that day. Any third party client who violates this subsection (a-1) may be subject to a civil penalty not to exceed $500 for each violation found by the Department. Such civil penalty may increase to $2,500 for a second or subsequent violation. For purposes of this subsection (a-1), each violation of this subsection (a-1) for each day or temporary laborer and for each day the violation continues shall constitute a separate and distinct violation.

(b) A day and temporary labor service agency shall provide each worker an annual earnings summary within a reasonable time after the preceding calendar year, but in no case later than February 1. A day and temporary labor service agency shall, at the time of each wage payment, give notice to day or temporary laborers of the availability of the annual earnings summary.
earnings summary or post such a notice in a conspicuous place in the public reception area.

(c) At the request of a day or temporary laborer, a day and temporary labor service agency shall hold the daily wages of the day or temporary laborer and make either weekly, bi-weekly, or semi-monthly payments. The wages shall be paid in a single check, or, at the day or temporary laborer's sole option, by direct deposit or other manner approved by the Department, representing the wages earned during the period, either weekly, bi-weekly, or semi-monthly, designated by the day or temporary laborer in accordance with the Illinois Wage Payment and Collection Act. Vouchers or any other method of payment which is not generally negotiable shall be prohibited as a method of payment of wages. Day and temporary labor service agencies that make daily wage payments shall provide written notification to all day or temporary laborers of the right to request weekly, bi-weekly, or semi-monthly checks. The day and temporary labor service agency may provide this notice by conspicuously posting the notice at the location where the wages are received by the day or temporary laborers.

(d) No day and temporary labor service agency shall charge any day or temporary laborer for cashing a check issued by the agency for wages earned by a day or temporary laborer who performed work through that agency.

(e) Day or temporary laborers shall be paid no less than the wage rate stated in the notice as provided in Section 10 of this Act for all the work performed on behalf of the third party client in addition to the work listed in the written description.

(f) The total amount deducted for meals, equipment, and transportation may not cause a day or temporary laborer's hourly wage to fall below the State or federal minimum wage. However, a day and temporary labor service agency may deduct the actual market value of reusable equipment provided to the day or temporary laborer by the day and temporary labor service agency which the day or temporary laborer fails to return, if the day or temporary laborer provides a written authorization for such deduction at the time the deduction is made.

(g) A day or temporary laborer who is contracted by a day and temporary labor service agency to work at a third party client's worksite but is not utilized by the third party client shall be paid by the day and temporary labor service agency for a minimum of 4 hours of pay at the agreed upon rate of pay. However, in the event the day and temporary labor service agency contracts the day or temporary laborer to work at another location during the same shift, the day or temporary laborer shall be paid by the day and temporary labor service agency for a minimum of 2 hours of pay at the agreed upon rate of pay.

PUBLIC ACT 95-0501
(Senate Bill No. 1350)

AN ACT concerning public aid.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Public Aid Code is amended by changing Section 5-4.2 as follows:

(305 ILCS 5/5-4.2) (from Ch. 23, par. 5-4.2)

Sec. 5-4.2. Ambulance services payments. For ambulance services provided to a recipient of aid under this Article on or after January 1, 1993, the Illinois Department shall reimburse ambulance service providers at rates calculated in accordance with this Section. It is the intent of the General Assembly to provide adequate reimbursement for ambulance services so as to ensure adequate access to services for recipients of aid under this Article and to provide appropriate incentives to ambulance service providers to provide services in an efficient and cost-effective manner. Thus, it is the intent of the General Assembly that the Illinois Department implement a reimbursement system for ambulance services that, to the extent practicable and subject to the availability of funds appropriated by the General Assembly for this purpose, is consistent with the payment principles of Medicare. To ensure uniformity between the payment principles of Medicare and Medicaid, the Illinois Department shall follow, to the extent necessary and practicable and subject to the availability of funds appropriated by the General Assembly for this purpose, the statutes, laws, regulations, policies, procedures, principles, definitions, guidelines, and manuals used to determine the amounts paid to

ambulance service providers under Title XVIII of the Social Security Act (Medicare).

For ambulance services provided to a recipient of aid under this Article on or after January 1, 1996, the Illinois Department shall reimburse ambulance service providers based upon the actual distance traveled if a natural disaster, weather conditions, road repairs, or traffic congestion necessitates the use of a route other than the most direct route.

For purposes of this Section, "ambulance services" includes medical transportation services provided by means of an ambulance, medi-car, service car, or taxi.

This Section does not prohibit separate billing by ambulance service providers for oxygen furnished while providing advanced life support services.

Beginning with services rendered on or after July 1, 2008, all providers of non-emergency medi-car and service car transportation must certify that the driver and employee attendant, as applicable, have completed a safety program approved by the Department to protect both the patient and the driver, prior to transporting a patient. The provider must maintain this certification in its records. The provider shall produce such documentation upon demand by the Department or its representative. Failure to produce documentation of such training shall result in recovery of any payments made by the Department for services rendered by a non-certified driver or employee attendant. Medi-car and service car providers must maintain legible documentation in their records of the driver and, as applicable, employee attendant that actually transported the patient. Providers must recertify all drivers and employee attendants every 3 years.

Notwithstanding the requirements above, any public transportation provider of medi-car and service car transportation that receives federal funding under 49 U.S.C. 5307 and 5311 need not certify its drivers and employee attendants under this Section, since safety training is already federally mandated.

(a) Any person who is a sworn member of any organized and paid fire department of a political subdivision of this State and is authorized to

investigate fires or explosions for such political subdivision and who is employed by the Office of the State Fire Marshal to determine the cause, origin and circumstances of such fires or explosions that are suspected to be arson or arson-related crimes, may be classified as a peace officer by the political subdivision or agency employing such person. A person so classified shall possess the same powers of arrest, search and seizure and the securing and service of warrants as sheriffs of counties, and police officers within the jurisdiction of their political subdivision. While in the actual investigation and matters incident thereto, such person may carry weapons as may be necessary, but only if that person has satisfactorily completed (1) a training program offered or approved by the Illinois Law Enforcement Training Standards Board which substantially conforms to standards promulgated pursuant to the Illinois Police Training Act and the Peace Officer Firearm Training Act "An Act in relation to firearms training for peace officers", approved August 29, 1975, as amended; or in the case of employees of the Office of the State Fire Marshal, a training course approved by the Department of State Police which also substantially conforms to standards promulgated pursuant to "An Act in relation to firearms training for peace officers", approved August 29, 1975, as amended; and (2) a course in fire and arson investigation approved by the Office of the State Fire Marshal pursuant to the Illinois Fire Protection Training Act. Such training need not include exposure to vehicle and traffic law, traffic control and accident investigation, or first aid, but shall include training in the law relating to the rights of persons suspected of involvement in criminal activities.

Any person granted the powers enumerated in this subsection (a) may exercise such powers only during the actual investigation of the cause, origin and circumstances of such fires or explosions that are suspected to be arson or arson-related crimes.

(b) Persons employed by the Office of the State Fire Marshal to conduct arson investigations shall be designated State Fire Marshal Arson Investigator Special Agents and shall be peace officers with all of the powers of peace officers in cities and sheriffs in counties, except that they may exercise those powers throughout the State. These Special Agents may
exercise these powers only when engaging in official duties during the actual investigation of the cause, origin, and circumstances of such fires or explosions that are suspected to be arson or arson-related crimes and may carry weapons at all times, but only if they have satisfactorily completed (1) a training course approved by the Illinois Law Enforcement Training Standards Board that substantially conforms to the standards promulgated pursuant to the Peace Officer Firearm Training Act and (2) a course in fire and arson investigation approved by the Office of the State Fire Marshal pursuant to the Illinois Fire Protection Training Act. Such training need not include exposure to vehicle and traffic law, traffic control and accident investigation, or first aid, but shall include training in the law relating to the rights of persons suspected of involvement in criminal activities.

For purposes of this subsection (b), a "State Fire Marshal Arson Investigator Special Agent" does not include any fire investigator, fireman, police officer, or other employee of the federal government; any fire investigator, fireman, police officer, or other employee of any unit of local government; or any fire investigator, fireman, police officer, or other employee of the State of Illinois other than an employee of the Office of the State Fire Marshal assigned to investigate arson.

The State Fire Marshal must authorize to each employee of the Office of the State Fire Marshal who is exercising the powers of a peace officer a distinct badge that, on its face, (i) clearly states that the badge is authorized by the Office of the State Fire Marshal and (ii) contains a unique identifying number. No other badge shall be authorized by the Office of the State Fire Marshal, except that a badge, different from the badge issued to peace officers, may be authorized by the Office of the State Fire Marshal for the use of fire prevention inspectors employed by that Office. Nothing in this subsection prohibits the State Fire Marshal from issuing shields or other distinctive identification to employees not exercising the powers of a peace officer if the State Fire Marshal determines that a shield or distinctive identification is needed by the employee to carry out his or her responsibilities.

Section 5. The Controlled Substance and Cannabis Nuisance Act is amended by changing Section 3 as follows:

(740 ILCS 40/3) (from Ch. 100 1/2, par. 16)

Sec. 3. (a) The Department or the State's Attorney or any citizen of the county in which a nuisance exists may file a complaint in the name of the People of the State of Illinois, to enjoin all persons from maintaining or permitting such nuisance, to abate the same and to enjoin the use of any such place for the period of one year.

(b) Upon the filing of a complaint by the State's Attorney or the Department in which the complaint states that irreparable injury, loss or damage will result to the People of the State of Illinois, the court shall enter a temporary restraining order without notice enjoining the maintenance of such nuisance, upon testimony under oath, affidavit, or verified complaint containing facts sufficient, if sustained, to justify the court in entering a preliminary injunction upon a hearing after notice. Every such temporary restraining order entered without notice shall be endorsed with the date and hour of entry of the order, shall be filed of record, and shall expire by its terms within such time after entry, not to exceed 10 days as fixed by the court, unless the temporary restraining order, for good cause is extended for a like period or unless the party against whom the order is directed consents that it may be extended for a longer period. The reason for extension shall be shown in the order. In

case a temporary restraining order is entered without notice, the motion for a permanent injunction shall be set down for hearing at the earliest possible time and takes precedence over all matters except older matters of the same character, and when the motion comes on for hearing, the Department or State's Attorney, as the case may be, shall proceed with the application for a permanent injunction, and, if he does not do so, the court shall dissolve the temporary restraining order. On 2 days notice to the Department or State's Attorney, as the case may be, the defendant may appear and move the dissolution or modification of such temporary restraining order and in that event the court shall proceed to hear and determine such motion as expeditiously as the ends of justice require.

(c) Upon the filing of the complaint by a citizen or the Department or the State's Attorney (in cases in which the Department or State's Attorney do not request injunctive relief without notice) in the circuit court, the court, if satisfied that the nuisance complained of exists, shall allow a temporary restraining order, with bond unless the application is filed by the Department or State's Attorney, in such amount as the court may determine, enjoining the defendant from maintaining any such nuisance within the jurisdiction of the court granting the injunctive relief. However, no such injunctive relief shall be granted, except on behalf of an owner or agent, unless it be made to appear to the satisfaction of the court that the owner or agent of such place, knew or had been personally served with a notice signed by the plaintiff and, that such notice has been served upon such owner or such agent of such place at least 5 days prior thereto, that such place, specifically describing the same, was being so used, naming the date or dates of its being so used, and that such owner or agent had failed to abate such nuisance, or that upon diligent inquiry such owner or agent could not be found within Illinois for the service of such preliminary notice. The lessee, if any, of such place shall be made a party defendant to such petition. If the property owner is a corporation and the Department or the State's Attorney sends the preliminary notice to the corporate address registered with the Secretary of State, such action shall create a rebuttable presumption that the parties have acted with due diligence and the court may grant injunctive relief.

(a) A wife or widow, married subsequent to the effective date, of a policeman who dies in service, if the marriage occurred less than one year prior to the policeman's death, except with respect to a policeman who dies in the performance of an act of duty, as provided in Section 5-147 in cases where a widow entitled to an annuity remarries after age 60, or when a widow entitled to an annuity remarries prior to attaining age 60 and the marriage is terminated, at any time thereafter, by dissolution of marriage, declaration of invalidity of marriage or the death of the husband; if after an evidentiary hearing, however, the Board, at its sole discretion determines that special circumstances exist warranting payment of a widow's annuity, then and only then shall the Board have authority to grant and award the annuity that would have been otherwise available;

(b) A wife or widow of a policeman who withdraws, whether or not he enters upon annuity, and dies out of service, if the marriage occurred after the effective date and less than one year prior to the policeman's death, and the widow was not his wife while he was in service; if after an evidentiary hearing, however, the Board, at its sole discretion determines that special circumstances exist warranting payment of a widow's annuity, then and only then shall the Board have authority to grant and award the annuity that would have been otherwise available;

(c) A wife or widow of a policeman who (1) has served 10 or more years, (2) dies out of service after he has withdrawn, and (3) has received a refund of the sums to his credit for annuity, and such refund has not been repaid in accordance with the other provisions of this Article;

(40 ILCS 5/5-147) (from Ch. 105 1/2, par. 5-147)

Sec. 5-147. Widow's marriage to terminate annuity.

(a) Beginning on the effective date of this amendatory Act of the 95th General Assembly, a widow's annuity shall no longer be subject to termination or suspension under this Section due to remarriage. Any widow's annuity that was previously terminated or suspended under this Section by reason of remarriage shall, upon application, be resumed as of the date of the application, but in no event sooner than the effective date of this amendatory Act. The resumption shall not be retroactive. This subsection (a) applies regardless of whether or not the deceased policeman was in service on or after the effective date of this amendatory Act of the 95th General Assembly.

(b) This subsection (b) does not apply on or after the effective date of this amendatory Act of the 95th General Assembly.
Any annuity granted to a widow shall be suspended when she remarries, unless she remarries after attaining age 60 or the annuity was granted under Section 5-144 and the remarriage takes place after October 31, 1989. Except as otherwise provided by this Section, if a widow remarries before reaching age 60, annuity payment shall be suspended, but the widow's annuity payments shall be resumed if the subsequent marriage ends either by dissolution of marriage, declaration of invalidity of marriage or the death of the husband. If a widow remarries after attaining age 60, or the annuity was granted under Section 5-144 and the remarriage takes place after June 1, 1990, regardless of whether or not the deceased policeman was in service on or after the effective date of this amendatory Act of 1991, the widow's annuity shall continue without interruption.

If when a widow dies she has not received, in form of annuity, an amount equal to the accumulated employee contributions for widow's annuity, the difference between such accumulated contributions and the sum received by her, along with any part of the accumulated contributions for age and service annuity remaining in the fund at her death shall be refunded to the policemen's children, in equal parts to each; provided, if any child is less than age 18, such part of any such amount required to pay annuities to such children shall be transferred to the child's annuity reserve. If no children or descendants thereof survive the policeman, such refund shall be paid to the estate of the policeman. In making refunds under this Section, no interest shall be considered upon either the total of annuity payments made or the amounts subject to refund.

(40 ILCS 5/5-152) (from Ch. 108 1/2, par. 5-152)

Sec. 5-152. Child's annuity - Conditions - Amount. A child's annuity shall be payable in the following cases of policemen who die on or after the effective date: (a) A policeman whose death results from injury incurred in the performance of an act or acts of duty; (b) a policeman who dies in service from any cause; (c) a policeman who withdraws upon or after attainment of age 50 and who enters upon or is eligible for annuity; (d) a present employee with at least 20 years of service who dies after withdrawal, whether or not he has entered upon annuity.

New matter indicated by italics - deletions by strikeout
A child to be eligible must have been born or legally adopted before the policeman has withdrawn from service. In the case of an adopted child, the policeman shall be married and living with his wife at the time of the adoption, and the proceedings for adoption must have been initiated at least 6 months prior to the policeman's death. The requirement that the proceedings for adoption be initiated at least 6 months prior to the policeman's death does not apply where death occurs as a result of an act of duty.

Only one annuity shall be granted and paid for the benefit of any child if both parents have been policemen.

The annuity shall be paid, without regard to the fact that the death of the deceased policeman parent may have occurred prior to the effective date of this amendatory Act of 1975, in an amount equal to 10% of the annual maximum salary attached to the classified civil service position of a first class patrolman on July 1, 1975, or the date of the policeman's death, whichever is later, for each child while a widow or widower of the deceased policeman survives and in an amount equal to 15% of the annual maximum salary attached to the classified civil service position of a first class patrolman on July 1, 1975, or the date of the policeman's death, whichever is later, while no widow or widower shall survive, provided that if the combined annuities for the widow and children of a policeman who dies on or after September 26, 1969, as the result of an act of duty, or for the children of such policeman in any case wherein a widow or widower does not exist, exceed the salary that would ordinarily have been paid to him if he had been in the active discharge of his duties, all such annuities shall be reduced pro rata so that the combined annuities for the family shall not exceed such limitation. The compensation portion of the annuity of the widow shall not be considered in making such reduction. *No age limitation in this Section or Section 5-151 shall apply to a child who is so physically or mentally handicapped as to be unable to support himself or herself.* Benefits payable under this Section shall not be reduced or terminated by reason of any child's attainment of age 18 if he is then dependent by reason of a physical or mental disability but shall continue to be paid as long as such dependency continues. For the purposes of this

New matter indicated by italics - deletions by strikeout
subsection, "disability" means inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months.

In the case of a family of a policeman who dies on or after September 26, 1969, as the result of any cause other than the performance of an act of duty, in which annuities for such family exceed an amount equal to 60% of the salary that would ordinarily have been paid to him if he had been in the active discharge of his duties, all such annuities shall be reduced pro rata so that the combined annuities shall not exceed such limitation.

Child's annuity shall be paid to the parent providing for the child, unless another person is appointed by a court of law as the child's guardian.

(40 ILCS 5/7-139) (from Ch. 108 1/2, par. 7-139)
Sec. 7-139. Credits and creditable service to employees.
(a) Each participating employee shall be granted credits and creditable service, for purposes of determining the amount of any annuity or benefit to which he or a beneficiary is entitled, as follows:

1. For prior service: Each participating employee who is an employee of a participating municipality or participating instrumentality on the effective date shall be granted creditable service, but no credits under paragraph 2 of this subsection (a), for periods of prior service for which credit has not been received under any other pension fund or retirement system established under this Code, as follows:

If the effective date of participation for the participating municipality or participating instrumentality is on or before January 1, 1998, creditable service shall be granted for the entire period of prior service with that employer without any employee contribution.

If the effective date of participation for the participating municipality or participating instrumentality is after January 1,
1998, creditable service shall be granted for the last 20% of the period of prior service with that employer, but no more than 5 years, without any employee contribution. A participating employee may establish creditable service for the remainder of the period of prior service with that employer by making an application in writing, accompanied by payment of an employee contribution in an amount determined by the Fund, based on the employee contribution rates in effect at the time of application for the creditable service and the employee's salary rate on the effective date of participation for that employer, plus interest at the effective rate from the date of the prior service to the date of payment. Application for this creditable service may be made at any time while the employee is still in service.

A municipality that (i) has at least 35 employees; (ii) is located in a county with at least 2,000,000 inhabitants; and (iii) maintains an independent defined benefit pension plan for the benefit of its eligible employees may restrict creditable service in whole or in part for periods of prior service with the employer if the governing body of the municipality adopts an irrevocable resolution to restrict that creditable service and files the resolution with the board before the municipality's effective date of participation.

Any person who has withdrawn from the service of a participating municipality or participating instrumentality prior to the effective date, who reenters the service of the same municipality or participating instrumentality after the effective date and becomes a participating employee is entitled to creditable service for prior service as otherwise provided in this subdivision (a)(1) only if he or she renders 2 years of service as a participating employee after the effective date. Application for such service must be made while in a participating status. The salary rate to be used in the calculation of the required employee contribution, if any, shall be the employee's salary rate at the time of first

reentering service with the employer after the employer's effective date of participation.

2. For current service, each participating employee shall be credited with:

   a. Additional credits of amounts equal to each payment of additional contributions received from him under Section 7-173, as of the date the corresponding payment of earnings is payable to him.

   b. Normal credits of amounts equal to each payment of normal contributions received from him, as of the date the corresponding payment of earnings is payable to him, and normal contributions made for the purpose of establishing out-of-state service credits as permitted under the conditions set forth in paragraph 6 of this subsection (a).

   c. Municipality credits in an amount equal to 1.4 times the normal credits, except those established by out-of-state service credits, as of the date of computation of any benefit if these credits would increase the benefit.

   d. Survivor credits equal to each payment of survivor contributions received from the participating employee as of the date the corresponding payment of earnings is payable, and survivor contributions made for the purpose of establishing out-of-state service credits.

3. For periods of temporary and total and permanent disability benefits, each employee receiving disability benefits shall be granted creditable service for the period during which disability benefits are payable. Normal and survivor credits, based upon the rate of earnings applied for disability benefits, shall also be granted if such credits would result in a higher benefit to any such employee or his beneficiary.

4. For authorized leave of absence without pay: A participating employee shall be granted credits and creditable

service for periods of authorized leave of absence without pay under the following conditions:

a. An application for credits and creditable service is submitted to the board while the employee is in a status of active employment, and within 2 years after termination of the leave of absence period for which credits and creditable service are sought.

b. Not more than 12 complete months of creditable service for authorized leave of absence without pay shall be counted for purposes of determining any benefits payable under this Article.

c. Credits and creditable service shall be granted for leave of absence only if such leave is approved by the governing body of the municipality, including approval of the estimated cost thereof to the municipality as determined by the fund, and employee contributions, plus interest at the effective rate applicable for each year from the end of the period of leave to date of payment, have been paid to the fund in accordance with Section 7-173. The contributions shall be computed upon the assumption earnings continued during the period of leave at the rate in effect when the leave began.

d. Benefits under the provisions of Sections 7-141, 7-146, 7-150 and 7-163 shall become payable to employees on authorized leave of absence, or their designated beneficiary, only if such leave of absence is creditable hereunder, and if the employee has at least one year of creditable service other than the service granted for leave of absence. Any employee contributions due may be deducted from any benefits payable.

e. No credits or creditable service shall be allowed for leave of absence without pay during any period of prior service.

5. For military service: The governing body of a municipality or participating instrumentality may elect to allow creditable service to participating employees who leave their employment to serve in the armed forces of the United States for all periods of such service, provided that the person returns to active employment within 90 days after completion of full time active duty, but no creditable service shall be allowed such person for any period that can be used in the computation of a pension or any other pay or benefit, other than pay for active duty, for service in any branch of the armed forces of the United States. If necessary to the computation of any benefit, the board shall establish municipality credits for participating employees under this paragraph on the assumption that the employee received earnings at the rate received at the time he left the employment to enter the armed forces. A participating employee in the armed forces shall not be considered an employee during such period of service and no additional death and no disability benefits are payable for death or disability during such period.

Any participating employee who left his employment with a municipality or participating instrumentality to serve in the armed forces of the United States and who again became a participating employee within 90 days after completion of full time active duty by entering the service of a different municipality or participating instrumentality, which has elected to allow creditable service for periods of military service under the preceding paragraph, shall also be allowed creditable service for his period of military service on the same terms that would apply if he had been employed, before entering military service, by the municipality or instrumentality which employed him after he left the military service and the employer costs arising in relation to such grant of creditable service shall be charged to and paid by that municipality or instrumentality.

Notwithstanding the foregoing, any participating employee shall be entitled to creditable service as required by any federal law

relating to re-employment rights of persons who served in the United States Armed Services. Such creditable service shall be granted upon payment by the member of an amount equal to the employee contributions which would have been required had the employee continued in service at the same rate of earnings during the military leave period, plus interest at the effective rate.

5.1. In addition to any creditable service established under paragraph 5 of this subsection (a), creditable service may be granted for up to 24 months of service in the armed forces of the United States.

In order to receive creditable service for military service under this paragraph 5.1, a participating employee must (1) apply to the Fund in writing and provide evidence of the military service that is satisfactory to the Board; (2) obtain the written approval of the current employer; and (3) make contributions to the Fund equal to (i) the employee contributions that would have been required had the service been rendered as a member, plus (ii) an amount determined by the board to be equal to the employer's normal cost of the benefits accrued for that military service, plus (iii) interest on items (i) and (ii) from the date of first membership in the Fund to the date of payment. If payment is made during the 6-month period that begins 3 months after the effective date of this amendatory Act of 1997, the required interest shall be at the rate of 2.5% per year, compounded annually; otherwise, the required interest shall be calculated at the regular interest rate.

6. For out-of-state service: Creditable service shall be granted for service rendered to an out-of-state local governmental body under the following conditions: The employee had participated and has irrevocably forfeited all rights to benefits in the out-of-state public employees pension system; the governing body of his participating municipality or instrumentality authorizes the employee to establish such service; the employee has 2 years current service with this municipality or participating instrumentality; the employee makes a payment of contributions,
which shall be computed at 8% (normal) plus 2% (survivor) times length of service purchased times the average rate of earnings for the first 2 years of service with the municipality or participating instrumentality whose governing body authorizes the service established plus interest at the effective rate on the date such credits are established, payable from the date the employee completes the required 2 years of current service to date of payment. In no case shall more than 120 months of creditable service be granted under this provision.

7. For retroactive service: Any employee who could have but did not elect to become a participating employee, or who should have been a participant in the Municipal Public Utilities Annuity and Benefit Fund before that fund was superseded, may receive creditable service for the period of service not to exceed 50 months; however, a current or former elected or appointed official of a participating municipality may establish credit under this paragraph 7 for more than 50 months of service as an official of that municipality, if the excess over 50 months is approved by resolution of the governing body of the affected municipality filed with the Fund before January 1, 2002.

Any employee who is a participating employee on or after September 24, 1981 and who was excluded from participation by the age restrictions removed by Public Act 82-596 may receive creditable service for the period, on or after January 1, 1979, excluded by the age restriction and, in addition, if the governing body of the participating municipality or participating instrumentality elects to allow creditable service for all employees excluded by the age restriction prior to January 1, 1979, for service during the period prior to that date excluded by the age restriction. Any employee who was excluded from participation by the age restriction removed by Public Act 82-596 and who is not a participating employee on or after September 24, 1981 may receive creditable service for service after January 1, 1979. Creditable service under this paragraph shall be granted upon payment of the

employee contributions which would have been required had he participated, with interest at the effective rate for each year from the end of the period of service established to date of payment.

8. For accumulated unused sick leave: A participating employee who is applying for a retirement annuity shall be entitled to creditable service for that portion of the employee's accumulated unused sick leave for which payment is not received, as follows:

   a. Sick leave days shall be limited to those accumulated under a sick leave plan established by a participating municipality or participating instrumentality which is available to all employees or a class of employees.

   b. Only sick leave days accumulated with a participating municipality or participating instrumentality with which the employee was in service within 60 days of the effective date of his retirement annuity shall be credited; if the employee was in service with more than one employer during this period only the sick leave days with the employer with which the employee has the greatest number of unpaid sick leave days shall be considered.

   c. The creditable service granted shall be considered solely for the purpose of computing the amount of the retirement annuity and shall not be used to establish any minimum service period required by any provision of the Illinois Pension Code, the effective date of the retirement annuity, or the final rate of earnings.

   d. The creditable service shall be at the rate of 1/20 of a month for each full sick day, provided that no more than 12 months may be credited under this subdivision 8.

   e. Employee contributions shall not be required for creditable service under this subdivision 8.

   f. Each participating municipality and participating instrumentality with which an employee has service within 60 days of the effective date of his retirement annuity shall certify to the board the number of accumulated unpaid sick leave days.

leave days credited to the employee at the time of termination of service.

9. For service transferred from another system: Credits and creditable service shall be granted for service under Article 3, 4, 5, 8, 14, or 16 of this Act, to any active member of this Fund, and to any inactive member who has been a county sheriff, upon transfer of such credits pursuant to Section 3-110.3, 4-108.3, 5-235, 8-226.7, 14-105.6, or 16-131.4, and payment by the member of the amount by which (1) the employer and employee contributions that would have been required if he had participated in this Fund as a sheriff's law enforcement employee during the period for which credit is being transferred, plus interest thereon at the effective rate for each year, compounded annually, from the date of termination of the service for which credit is being transferred to the date of payment, exceeds (2) the amount actually transferred to the Fund. Such transferred service shall be deemed to be service as a sheriff's law enforcement employee for the purposes of Section 7-142.1.

10. For service transferred from an Article 3 system under Section 3-110.8: Credits and creditable service shall be granted for service under Article 3 of this Act as provided in Section 3-110.8, to any active member of this Fund upon transfer of such credits pursuant to Section 3-110.8. If the amount by which (1) the employer and employee contributions that would have been required if he had participated in this Fund during the period for which credit is being transferred, plus interest thereon at the effective rate for each year, compounded annually, from the date of termination of the service for which credit is being transferred to the date of payment, exceeds (2) the amount actually transferred to the Fund, then the amount of creditable service established under this paragraph 10 shall be reduced by a corresponding amount in accordance with the rules and procedures established under this paragraph 10.

The board shall establish by rule the manner of making the calculation required under this paragraph 10, taking into account

the appropriate actuarial assumptions; the member's service, age, and salary history; the level of funding of the employer; and any other factors that the board determines to be relevant.

(b) Creditable service - amount:

1. One month of creditable service shall be allowed for each month for which a participating employee made contributions as required under Section 7-173, or for which creditable service is otherwise granted hereunder. Not more than 1 month of service shall be credited and counted for 1 calendar month, and not more than 1 year of service shall be credited and counted for any calendar year. A calendar month means a nominal month beginning on the first day thereof, and a calendar year means a year beginning January 1 and ending December 31.

2. A seasonal employee shall be given 12 months of creditable service if he renders the number of months of service normally required by the position in a 12-month period and he remains in service for the entire 12-month period. Otherwise a fractional year of service in the number of months of service rendered shall be credited.

3. An intermittent employee shall be given creditable service for only those months in which a contribution is made under Section 7-173.

(c) No application for correction of credits or creditable service shall be considered unless the board receives an application for correction while (1) the applicant is a participating employee and in active employment with a participating municipality or instrumentality, or (2) while the applicant is actively participating in a pension fund or retirement system which is a participating system under the Retirement Systems Reciprocal Act. A participating employee or other applicant shall not be entitled to credits or creditable service unless the required employee contributions are made in a lump sum or in installments made in accordance with board rule.

(d) Upon the granting of a retirement, surviving spouse or child annuity, a death benefit or a separation benefit, on account of any
employee, all individual accumulated credits shall thereupon terminate. Upon the withdrawal of additional contributions, the credits applicable thereto shall thereupon terminate. Terminated credits shall not be applied to increase the benefits any remaining employee would otherwise receive under this Article.

Notwithstanding any provision of the law to the contrary, the General Assembly hereby authorizes the use of such funds for the purposes set forth in this Section.

These provisions do not apply to funds classified by the Comptroller as federal trust funds or State trust funds. The Audit Expense Fund may receive transfers from those trust funds only as directed herein, except where prohibited by the terms of the trust fund agreement. The Auditor General shall notify the trustees of those funds of the estimated cost of the audit to be incurred under the Illinois State Auditing Act for the fund. The trustees of those funds shall direct the State Comptroller and Treasurer to transfer the estimated amount to the Audit Expense Fund.

The Auditor General may bill entities that are not subject to the above transfer provisions, including private entities, related organizations and entities whose funds are locally-held, for the cost of audits, studies, and investigations incurred on their behalf. Any revenues received under this provision shall be deposited into the Audit Expense Fund.

In the event that moneys on deposit in any fund are unavailable, by reason of deficiency or any other reason preventing their lawful transfer, the State Comptroller shall order transferred and the State Treasurer shall transfer the amount deficient or otherwise unavailable from the General Revenue Fund for deposit into the Audit Expense Fund.

On or before December 1, 1992, and each December 1 thereafter, the Auditor General shall notify the Governor's Office of Management and
Budget (formerly Bureau of the Budget) of the amount estimated to be necessary to pay for audits, studies, and investigations in accordance with the Illinois State Auditing Act during the next succeeding fiscal year for each State fund for which a transfer or reimbursement is anticipated.

Beginning with fiscal year 1994 and during each fiscal year thereafter, the Auditor General may direct the State Comptroller and Treasurer to transfer moneys from funds authorized by the General Assembly for that fund. In the event funds, including federal and State trust funds but excluding the General Revenue Fund, are transferred, during fiscal year 1994 and during each fiscal year thereafter, in excess of the amount to pay actual costs attributable to audits, studies, and investigations as permitted or required by the Illinois State Auditing Act or specific action of the General Assembly, the Auditor General shall, on September 30, or as soon thereafter as is practicable, direct the State Comptroller and Treasurer to transfer the excess amount back to the fund from which it was originally transferred.

PUBLIC ACT 95-0506
(Senate Bill No. 1434)

AN ACT concerning citizen participation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Citizen Participation Act.

Section 5. Public policy. Pursuant to the fundamental philosophy of the American constitutional form of government, it is declared to be the

New matter indicated by italics - deletions by strikeout
public policy of the State of Illinois that the constitutional rights of citizens and organizations to be involved and participate freely in the process of government must be encouraged and safeguarded with great diligence. The information, reports, opinions, claims, arguments, and other expressions provided by citizens are vital to effective law enforcement, the operation of government, the making of public policy and decisions, and the continuation of representative democracy. The laws, courts, and other agencies of this State must provide the utmost protection for the free exercise of these rights of petition, speech, association, and government participation.

Civil actions for money damages have been filed against citizens and organizations of this State as a result of their valid exercise of their constitutional rights to petition, speak freely, associate freely, and otherwise participate in and communicate with government. There has been a disturbing increase in lawsuits termed "Strategic Lawsuits Against Public Participation" in government or "SLAPPs" as they are popularly called.

The threat of SLAPPs significantly chills and diminishes citizen participation in government, voluntary public service, and the exercise of these important constitutional rights. This abuse of the judicial process can and has been used as a means of intimidating, harassing, or punishing citizens and organizations for involving themselves in public affairs.

It is in the public interest and it is the purpose of this Act to strike a balance between the rights of persons to file lawsuits for injury and the constitutional rights of persons to petition, speak freely, associate freely, and otherwise participate in government; to protect and encourage public participation in government to the maximum extent permitted by law; to establish an efficient process for identification and adjudication of SLAPPs; and to provide for attorney's fees and costs to prevailing movants.

Section 10. Definitions. In this Act:
"Government" includes a branch, department, agency, instrumentality, official, employee, agent, or other person acting under
color of law of the United States, a state, a subdivision of a state, or another public authority including the electorate.

"Person" includes any individual, corporation, association, organization, partnership, 2 or more persons having a joint or common interest, or other legal entity.

"Judicial claim" or "claim" include any lawsuit, cause of action, claim, cross-claim, counterclaim, or other judicial pleading or filing alleging injury.

"Motion" includes any motion to dismiss, for summary judgment, or to strike, or any other judicial pleading filed to dispose of a judicial claim.

"Moving party" means any person on whose behalf a motion described in subsection (a) of Section 20 is filed seeking dismissal of a judicial claim.

"Responding party" means any person against whom a motion described in subsection (a) of Section 20 is filed.

Section 15. Applicability. This Act applies to any motion to dispose of a claim in a judicial proceeding on the grounds that the claim is based on, relates to, or is in response to any act or acts of the moving party in furtherance of the moving party's rights of petition, speech, association, or to otherwise participate in government.

Acts in furtherance of the constitutional rights to petition, speech, association, and participation in government are immune from liability, regardless of intent or purpose, except when not genuinely aimed at procuring favorable government action, result, or outcome.

Section 20. Motion procedure and standards.

(a) On the filing of any motion as described in Section 15, a hearing and decision on the motion must occur within 90 days after notice of the motion is given to the respondent. An appellate court shall expedite any appeal or other writ, whether interlocutory or not, from a trial court order denying that motion or from a trial court's failure to rule on that motion within 90 days after that trial court order or failure to rule.

(b) Discovery shall be suspended pending a decision on the motion. However, discovery may be taken, upon leave of court for good reason.
cause shown, on the issue of whether the movants acts are not immunized from, or are not in furtherance of acts immunized from, liability by this Act.

(c) The court shall grant the motion and dismiss the judicial claim unless the court finds that the responding party has produced clear and convincing evidence that the acts of the moving party are not immunized from, or are not in furtherance of acts immunized from, liability by this Act.

Section 25. Attorney's fees and costs. The court shall award a moving party who prevails in a motion under this Act reasonable attorney's fees and costs incurred in connection with the motion.

(a) Nothing in this Act shall limit or preclude any rights the moving party may have under any other constitutional, statutory, case or common law, or rule provisions.
(b) This Act shall be construed liberally to effectuate its purposes and intent fully.

Section 35. Severability. The provisions of this Act are severable under Section 1.31 of the Statute on Statutes.

Section 99. Effective date. This Act takes effect upon becoming law.

bargaining representatives of its teachers, an evaluation plan for all teachers in contractual continued service. The district shall, no later than October 1, 1986, submit a copy of its evaluation plan to the State Board of Education, which shall review the plan and make public its comments thereon, and the district shall at the same time provide a copy to the exclusive bargaining representatives. Whenever any substantive change is made in a district's evaluation plan, the new plan shall be submitted to the State Board of Education for review and comment, and the district shall at the same time provide a copy of any such new plan to the exclusive bargaining representatives. The board of a school district operating under Article 34 of this Code and the exclusive representative of the district's teachers shall submit a certified copy of an agreement entered into under Section 34-85c of this Code to the State Board of Education, and that agreement shall constitute the teacher evaluation plan for teachers assigned to schools identified in that agreement. Sec. 24A-5. Content of evaluation plans. This Section does not apply to teachers assigned to schools identified in an agreement entered into between the board of a school district operating under Article 34 of this Code and the exclusive representative of the district's teachers in accordance with Section 34-85c of this Code. Each school district to which this Article applies shall establish a teacher evaluation plan which ensures that each teacher in contractual continued service is evaluated at least once in the course of every 2 school years, beginning with the 1986-87 school year.

The evaluation plan shall comply with the requirements of this Section and of any rules adopted by the State Board of Education pursuant to this Section.

New matter indicated by italics - deletions by strikeout
The plan shall include a description of each teacher's duties and responsibilities and of the standards to which that teacher is expected to conform.

The plan may provide for evaluation of personnel whose positions require administrative certification by independent evaluators not employed by or affiliated with the school district. The results of the school district administrators' evaluations shall be reported to the employing school board, together with such recommendations for remediation as the evaluator or evaluators may deem appropriate.

Evaluation of teachers whose positions do not require administrative certification shall be conducted by an administrator qualified under Section 24A-3, or -- in school districts having a population exceeding 500,000 -- by either an administrator qualified under Section 24A-3 or an assistant principal under the supervision of an administrator qualified under Section 24A-3, and shall include at least the following components:

(a) personal observation of the teacher in the classroom (on at least 2 different school days in school districts having a population exceeding 500,000) by a district administrator qualified under Section 24A-3, or -- in school districts having a population exceeding 500,000 -- by either an administrator qualified under Section 24A-3 or an assistant principal under the supervision of an administrator qualified under Section 24A-3, unless the teacher has no classroom duties.

(b) consideration of the teacher's attendance, planning, and instructional methods, classroom management, where relevant, and competency in the subject matter taught, where relevant.

(c) rating of the teacher's performance as "excellent", "satisfactory" or "unsatisfactory".

(d) specification as to the teacher's strengths and weaknesses, with supporting reasons for the comments made.

(e) inclusion of a copy of the evaluation in the teacher's personnel file and provision of a copy to the teacher.

New matter indicated by italics - deletions by strikeout
(f) within 30 days after completion of an evaluation rating a teacher as "unsatisfactory", development and commencement by the district, or by an administrator qualified under Section 24A-3 or an assistant principal under the supervision of an administrator qualified under Section 24A-3 in school districts having a population exceeding 500,000, of a remediation plan designed to correct deficiencies cited, provided the deficiencies are deemed remediable. In all school districts the remediation plan for unsatisfactory, tenured teachers shall provide for 90 school days of remediation within the classroom. In all school districts evaluations issued pursuant to this Section shall be issued within 10 days after the conclusion of the respective remediation plan. However, the school board or other governing authority of the district shall not lose jurisdiction to discharge a teacher in the event the evaluation is not issued within 10 days after the conclusion of the respective remediation plan.

(g) participation in the remediation plan by the teacher rated "unsatisfactory", a district administrator qualified under Section 24A-3 (or -- in a school district having a population exceeding 500,000 -- an administrator qualified under Section 24A-3 or an assistant principal under the supervision of an administrator qualified under Section 24A-3), and a consulting teacher, selected by the participating administrator or by the principal, or -- in school districts having a population exceeding 500,000 -- by an administrator qualified under Section 24A-3 or by an assistant principal under the supervision of an administrator qualified under Section 24A-3, of the teacher who was rated "unsatisfactory", which consulting teacher is an educational employee as defined in the Educational Labor Relations Act, has at least 5 years' teaching experience and a reasonable familiarity with the assignment of the teacher being evaluated, and who received an "excellent" rating on his or her most recent evaluation. Where no teachers who meet these criteria are available within the district, the district shall request and the State Board of Education shall supply, to

participate in the remediation process, an individual who meets these criteria.

In a district having a population of less than 500,000 with an exclusive bargaining agent, the bargaining agent may, if it so chooses, supply a roster of qualified teachers from whom the consulting teacher is to be selected. That roster shall, however, contain the names of at least 5 teachers, each of whom meets the criteria for consulting teacher with regard to the teacher being evaluated, or the names of all teachers so qualified if that number is less than 5. In the event of a dispute as to qualification, the State Board shall determine qualification.

(h) evaluations and ratings once every 30 school days for the 90 school day remediation period immediately following receipt of a remediation plan provided for under subsections (f) and (g) of this Section; provided that in school districts having a population exceeding 500,000 there shall be monthly evaluations and ratings for the first 6 months and quarterly evaluations and ratings for the next 6 months immediately following completion of the remediation program of a teacher for whom a remediation plan has been developed. These subsequent evaluations shall be conducted by the participating administrator, or in school districts having a population exceeding 500,000 -- by either the principal or by an assistant principal under the supervision of an administrator qualified under Section 24A-3. The consulting teacher shall provide advice to the teacher rated "unsatisfactory" on how to improve teaching skills and to successfully complete the remediation plan. The consulting teacher shall participate in developing the remediation plan, but the final decision as to the evaluation shall be done solely by the administrator, or in school districts having a population exceeding 500,000 -- by either the principal or by an assistant principal under the supervision of an administrator qualified under Section 24A-3, unless an applicable collective bargaining agreement provides to the contrary. Teachers in the remediation process in a school district having a population

New matter indicated by italics - deletions by strikeout
exceeding 500,000 are not subject to the annual evaluations described in paragraphs (a) through (e) of this Section. Evaluations at the conclusion of the remediation process shall be separate and distinct from the required annual evaluations of teachers and shall not be subject to the guidelines and procedures relating to those annual evaluations. The evaluator may but is not required to use the forms provided for the annual evaluation of teachers in the district's evaluation plan.

(i) in school districts having a population of less than 500,000, reinstatement to a schedule of biennial evaluation for any teacher who completes the 90 school day remediation plan with a "satisfactory" or better rating, unless the district's plan regularly requires more frequent evaluations; and in school districts having a population exceeding 500,000, reinstatement to a schedule of biennial evaluation for any teacher who completes the 90 school day remediation plan with a "satisfactory" or better rating and the one year intensive review schedule as provided in paragraph (h) of this Section with a "satisfactory" or better rating, unless such district's plan regularly requires more frequent evaluations.

(j) dismissal in accordance with Section 24-12 or 34-85 of The School Code of any teacher who fails to complete any applicable remediation plan with a "satisfactory" or better rating. Districts and teachers subject to dismissal hearings are precluded from compelling the testimony of consulting teachers at such hearings under Section 24-12 or 34-85, either as to the rating process or for opinions of performances by teachers under remediation.

In a district subject to a collective bargaining agreement as of the effective date of this amendatory Act of 1997, any changes made by this amendatory Act to the provisions of this Section that are contrary to the express terms and provisions of that agreement shall go into effect in that district only upon expiration of that agreement. Thereafter, collectively bargained evaluation plans shall at a minimum meet the standards of this Article. If such a district has an evaluation plan, however, whether
pursuant to the collective bargaining agreement or otherwise, a copy of that plan shall be submitted to the State Board of Education for review and comment, in accordance with Section 24A-4.

Nothing in this Section shall be construed as preventing immediate dismissal of a teacher for deficiencies which are deemed irremediable or for actions which are injurious to or endanger the health or person of students in the classroom or school. Failure to strictly comply with the time requirements contained in Section 24A-5 shall not invalidate the results of the remediation plan.

The State Board of Education is authorized to adopt such rules as are deemed necessary to implement and accomplish the purposes and provisions of this Article, except that these rules shall not apply to teachers assigned to schools identified in an agreement entered into between the board of a school district operating under Article 34 of this Code and the exclusive representative of the district's teachers in accordance with Section 34-85c of this Code.

(105 ILCS 5/34-8.1) (from Ch. 122, par. 34-8.1)

Sec. 34-8.1. Principals. Principals shall be employed to supervise the operation of each attendance center. Their powers and duties shall include but not be limited to the authority (i) to direct, supervise, evaluate, and suspend with or without pay or otherwise discipline all teachers, assistant principals, and other employees assigned to the attendance center in accordance with board rules and policies and (ii) to direct all other persons assigned to the attendance center pursuant to a contract with a third party to provide services to the school system. The right to employ, discharge, and layoff shall be vested solely with the board, provided that decisions to discharge or suspend non-certified employees, including disciplinary layoffs, and the termination of certified employees from employment pursuant to a layoff or reassignment policy are subject to review under the grievance resolution procedure adopted pursuant to
subsection (c) of Section 10 of the Illinois Educational Labor Relations Act. The grievance resolution procedure adopted by the board shall provide for final and binding arbitration, and, notwithstanding any other provision of law to the contrary, the arbitrator's decision may include all make-whole relief, including without limitation reinstatement. The principal shall fill positions by appointment as provided in this Section and may make recommendations to the board regarding the employment, discharge, or layoff of any individual. The authority of the principal shall include the authority to direct the hours during which the attendance center shall be open and available for use provided the use complies with board rules and policies, to determine when and what operations shall be conducted within those hours, and to schedule staff within those hours. Under the direction of, and subject to the authority of the principal, the Engineer In Charge shall be accountable for the safe, economical operation of the plant and grounds and shall also be responsible for orientation, training, and supervising the work of Engineers, Trainees, school maintenance assistants, custodial workers and other plant operation employees under his or her direction.

There shall be established by the board a system of semi-annual evaluations conducted by the principal as to performance of the engineer in charge. Nothing in this Section shall prevent the principal from conducting additional evaluations. An overall numerical rating shall be given by the principal based on the evaluation conducted by the principal. An unsatisfactory numerical rating shall result in disciplinary action, which may include, without limitation and in the judgment of the principal, loss of promotion or bidding procedure, reprimand, suspension with or without pay, or recommended dismissal. The board shall establish procedures for conducting the evaluation and reporting the results to the engineer in charge.

Under the direction of, and subject to the authority of, the principal, the Food Service Manager is responsible at all times for the proper operation and maintenance of the lunch room to which he is assigned and shall also be responsible for the orientation, training, and
supervising the work of cooks, bakers, porters, and lunchroom attendants under his or her direction.

There shall be established by the Board a system of semi-annual evaluations conducted by the principal as to the performance of the food service manager. Nothing in this Section shall prevent the principal from conducting additional evaluations. An overall numerical rating shall be given by the principal based on the evaluation conducted by the principal. An unsatisfactory numerical rating shall result in disciplinary action which may include, without limitation and in the judgment of the principal, loss of promotion or bidding procedure, reprimand, suspension with or without pay, or recommended dismissal. The board shall establish rules for conducting the evaluation and reporting the results to the food service manager.

Nothing in this Section shall be interpreted to require the employment or assignment of an Engineer-In-Charge or a Food Service Manager for each attendance center.

Principals shall be employed to supervise the educational operation of each attendance center. If a principal is absent due to extended illness or leave or absence, an assistant principal may be assigned as acting principal for a period not to exceed 100 school days. Each principal shall assume administrative responsibility and instructional leadership, in accordance with reasonable rules and regulations of the board, for the planning, operation and evaluation of the educational program of the attendance center to which he is assigned. The principal shall submit recommendations to the general superintendent concerning the appointment, dismissal, retention, promotion, and assignment of all personnel assigned to the attendance center; provided, that from and after September 1, 1989: (i) if any vacancy occurs in a position at the attendance center or if an additional or new position is created at the attendance center, that position shall be filled by appointment made by the principal in accordance with procedures established and provided by the Board whenever the majority of the duties included in that position are to be performed at the attendance center which is under the principal's supervision, and each such appointment so made by the principal shall be

New matter indicated by italics - deletions by strikeout
made and based upon merit and ability to perform in that position without regard to seniority or length of service, provided, that such appointments shall be subject to the Board's desegregation obligations, including but not limited to the Consent Decree and Desegregation Plan in U.S. v. Chicago Board of Education; (ii) the principal shall submit recommendations based upon merit and ability to perform in the particular position, without regard to seniority or length of service, to the general superintendent concerning the appointment of any teacher, teacher aide, counselor, clerk, hall guard, security guard and any other personnel which is to be made by the general superintendent whenever less than a majority of the duties of that teacher, teacher aide, counselor, clerk, hall guard, and security guard and any other personnel are to be performed at the attendance center which is under the principal's supervision; and (iii) subject to law and the applicable collective bargaining agreements, the authority and responsibilities of a principal with respect to the evaluation of all teachers and other personnel assigned to an attendance center shall commence immediately upon his or her appointment as principal of the attendance center, without regard to the length of time that he or she has been the principal of that attendance center.

Notwithstanding the existence of any other law of this State, nothing in this Act shall prevent the board from entering into a contract with a third party for services currently performed by any employee or bargaining unit member.

Notwithstanding any other provision of this Article, each principal may approve contracts, binding on the board, in the amount of no more than $10,000, if the contract is endorsed by the Local School Council.

Unless otherwise prohibited by law or by rule of the board, the principal shall provide to local school council members copies of all internal audits and any other pertinent information generated by any audits or reviews of the programs and operation of the attendance center.

Each principal shall hold a valid administrative certificate issued or exchanged in accordance with Article 21 and endorsed as required by that Article for the position of principal. The board may establish or impose academic, educational, examination, and experience requirements and

criteria that are in addition to those established and required by Article 21 for issuance of a valid certificate endorsed for the position of principal as a condition of the nomination, selection, appointment, employment, or continued employment of a person as principal of any attendance center, or as a condition of the renewal of any principal's performance contract.

The board shall specify in its formal job description for principals, and from and after July 1, 1990 shall specify in the 4 year performance contracts for use with respect to all principals, that his or her primary responsibility is in the improvement of instruction. A majority of the time spent by a principal shall be spent on curriculum and staff development through both formal and informal activities, establishing clear lines of communication regarding school goals, accomplishments, practices and policies with parents and teachers. The principal, with the assistance of the local school council, shall develop a school improvement plan as provided in Section 34-2.4 and, upon approval of the plan by the local school council, shall be responsible for directing implementation of the plan. The principal, with the assistance of the professional personnel leadership committee, shall develop the specific methods and contents of the school's curriculum within the board's system-wide curriculum standards and objectives and the requirements of the school improvement plan. The board shall ensure that all principals are evaluated on their instructional leadership ability and their ability to maintain a positive education and learning climate. It shall also be the responsibility of the principal to utilize resources of proper law enforcement agencies when the safety and welfare of students and teachers are threatened by illegal use of drugs and alcohol, by illegal use or possession of weapons, or by illegal gang activity.

Nothing in this Section shall prohibit the board and the exclusive representative of the district's teachers from entering into an agreement under Section 34-85c of this Code to establish alternative procedures for teacher evaluation, remediation, and removal for cause after remediation, including an alternative system for peer evaluation and recommendations, for teachers assigned to schools identified in that agreement.
On or before October 1, 1989, the Board of Education, in consultation with any professional organization representing principals in the district, shall promulgate rules and implement a lottery for the purpose of determining whether a principal's existing performance contract (including the performance contract applicable to any principal's position in which a vacancy then exists) expires on June 30, 1990 or on June 30, 1991, and whether the ensuing 4 year performance contract begins on July 1, 1990 or July 1, 1991. The Board of Education shall establish and conduct the lottery in such manner that of all the performance contracts of principals (including the performance contracts applicable to all principal positions in which a vacancy then exists), 50% of such contracts shall expire on June 30, 1990, and 50% shall expire on June 30, 1991. All persons serving as principal on May 1, 1989, and all persons appointed as principal after May 1, 1989 and prior to July 1, 1990 or July 1, 1991, in a manner other than as provided by Section 34-2.3, shall be deemed by operation of law to be serving under a performance contract which expires on June 30, 1990 or June 30, 1991; and unless such performance contract of any such principal is renewed (or such person is again appointed to serve as principal) in the manner provided by Section 34-2.2 or 34-2.3, the employment of such person as principal shall terminate on June 30, 1990 or June 30, 1991.

Commencing on July 1, 1990, or on July 1, 1991, and thereafter, the principal of each attendance center shall be the person selected in the manner provided by Section 34-2.3 to serve as principal of that attendance center under a 4 year performance contract. All performance contracts of principals expiring after July 1, 1990, or July 1, 1991, shall commence on the date specified in the contract, and the renewal of their performance contracts and the appointment of principals when their performance contracts are not renewed shall be governed by Sections 34-2.2 and 34-2.3. Whenever a vacancy in the office of a principal occurs for any reason, the vacancy shall be filled by the selection of a new principal to serve under a 4 year performance contract in the manner provided by Section 34-2.3.

The board of education shall develop and prepare, in consultation with the organization representing principals, a performance contract for

use at all attendance centers, and shall furnish the same to each local school council. The term of the performance contract shall be 4 years, unless the principal is retained by the decision of a hearing officer pursuant to subdivision 1.5 of Section 34-2.3, in which case the contract shall be extended for 2 years. The performance contract of each principal shall consist of the uniform performance contract, as developed or from time to time modified by the board, and such additional criteria as are established by a local school council pursuant to Section 34-2.3 for the performance contract of its principal.

During the term of his or her performance contract, a principal may be removed only as provided for in the performance contract except for cause. He or she shall also be obliged to follow the rules of the board of education concerning conduct and efficiency.

In the event the performance contract of a principal is not renewed or a principal is not reappointed as principal under a new performance contract, or in the event a principal is appointed to any position of superintendent or higher position, or voluntarily resigns his position of principal, his or her employment as a principal shall terminate and such former principal shall not be reinstated to the position from which he or she was promoted to principal, except that he or she, if otherwise qualified and certified in accordance with Article 21, shall be placed by the board on appropriate eligibility lists which it prepares for use in the filling of vacant or additional or newly created positions for teachers. The principal's total years of service to the board as both a teacher and a principal, or in other professional capacities, shall be used in calculating years of experience for purposes of being selected as a teacher into new, additional or vacant positions.

In the event the performance contract of a principal is not renewed or a principal is not reappointed as principal under a new performance contract, such principal shall be eligible to continue to receive his or her previously provided level of health insurance benefits for a period of 90 days following the non-renewal of the contract at no expense to the principal, provided that such principal has not retired.

Sec. 34-85. Removal for cause; Notice and hearing; Suspension.

No teacher employed by the board of education shall (after serving the probationary period specified in Section 34-84) be removed except for cause. Teachers (who have completed the probationary period specified in Section 34-84 of this Code) shall be removed for cause in accordance with the procedures set forth in this Section or such other procedures established in an agreement entered into between the board and the exclusive representative of the district's teachers under Section 34-85c of this Code for teachers (who have completed the probationary period specified in Section 34-84 of this Code) assigned to schools identified in that agreement. No principal employed by the board of education shall be removed during the term of his or her performance contract except for cause, which may include but is not limited to the principal's repeated failure to implement the school improvement plan or to comply with the provisions of the Uniform Performance Contract, including additional criteria established by the Council for inclusion in the performance contract pursuant to Section 34-2.3.

The general superintendent must first approve written charges and specifications against the teacher or principal. A local school council may direct the general superintendent to approve written charges against its principal on behalf of the Council upon the vote of 7 members of the Council. The general superintendent must approve those charges within 45 days or provide a written reason for not approving those charges. A written notice of those charges shall be served upon the teacher or principal within 10 days of the approval of the charges. If the teacher or principal cannot be found upon diligent inquiry, such charges may be served upon him by mailing a copy thereof in a sealed envelope by prepaid certified mail, return receipt requested, to the teacher's or principal's last known address. A return receipt showing delivery to such address within 20 days after the date of the approval of the charges shall constitute proof of service.

No hearing upon the charges is required unless the teacher or principal within 10 days after receiving notice requests in writing of the general superintendent that a hearing be scheduled, in which case the

general superintendent shall schedule a hearing on those charges before a disinterested hearing officer on a date no less than 15 nor more than 30 days after the approval of the charges. The general superintendent shall forward a copy of the notice to the State Board of Education within 5 days from the date of the approval of the charges. Within 10 days after receiving the notice of hearing, the State Board of Education shall provide the teacher or principal and the general superintendent with a list of 5 prospective, impartial hearing officers. Each person on the list must be accredited by a national arbitration organization and have had a minimum of 5 years of experience as an arbitrator in cases involving labor and employment relations matters between educational employers and educational employees or their exclusive bargaining representatives.

The general superintendent and the teacher or principal or their legal representatives within 3 days from receipt of the list shall alternately strike one name from the list until only one name remains. Unless waived by the teacher, the teacher or principal shall have the right to proceed first with the striking. Within 3 days of receipt of the first list provided by the State Board of Education, the general superintendent and the teacher or principal or their legal representatives shall each have the right to reject all prospective hearing officers named on the first list and to require the State Board of Education to provide a second list of 5 prospective, impartial hearing officers, none of whom were named on the first list. Within 5 days after receiving this request for a second list, the State Board of Education shall provide the second list of 5 prospective, impartial hearing officers. The procedure for selecting a hearing officer from the second list shall be the same as the procedure for the first list. Each party shall promptly serve written notice on the other of any name stricken from the list. If the teacher or principal fails to do so, the general superintendent may select the hearing officer from any name remaining on the list. The teacher or principal may waive the hearing at any time prior to the appointment of the hearing officer. Notice of the selection of the hearing officer shall be given to the State Board of Education. The hearing officer shall be notified of his selection by the State Board of Education. A signed acceptance shall be filed with the State Board of Education within 5 days of receipt of notice.

of the selection. The State Board of Education shall notify the teacher or principal and the board of its appointment of the hearing officer. In the alternative to selecting a hearing officer from the first or second list received from the State Board of Education, the general superintendent and the teacher or principal or their legal representatives may mutually agree to select an impartial hearing officer who is not on a list received from the State Board of Education, either by direct appointment by the parties or by using procedures for the appointment of an arbitrator established by the Federal Mediation and Conciliation Service or the American Arbitration Association. The parties shall notify the State Board of Education of their intent to select a hearing officer using an alternative procedure within 3 days of receipt of a list of prospective hearing officers provided by the State Board of Education. Any person selected by the parties under this alternative procedure for the selection of a hearing officer shall have the same qualifications and authority as a hearing officer selected from a list provided by the State Board of Education. The teacher or principal may waive the hearing at any time prior to the appointment of the hearing officer. The State Board of Education shall promulgate uniform standards and rules of procedure for such hearings, including reasonable rules of discovery.

The per diem allowance for the hearing officer shall be paid by the State Board of Education. The hearing officer shall hold a hearing and render findings of fact and a recommendation to the general superintendent. The teacher or principal has the privilege of being present at the hearing with counsel and of cross-examining witnesses and may offer evidence and witnesses and present defenses to the charges. The hearing officer may issue subpoenas requiring the attendance of witnesses and, at the request of the teacher or principal against whom a charge is made or the general superintendent, shall issue such subpoenas, but the hearing officer may limit the number of witnesses to be subpoenaed in behalf of the teacher or principal or the general superintendent to not more than 10 each. All testimony at the hearing shall be taken under oath administered by the hearing officer. The hearing officer shall cause a record of the proceedings to be kept and shall employ a competent reporter.
to take stenographic or stenotype notes of all the testimony. The costs of
the reporter's attendance and services at the hearing shall be paid by the
State Board of Education. Either party desiring a transcript of the hearing
shall pay for the cost thereof.

Pending the hearing of the charges, the person charged may be
suspended in accordance with rules prescribed by the board but such
person, if acquitted, shall not suffer any loss of salary by reason of the
suspension.

Before service of notice of charges on account of causes that may
be deemed to be remediable, the teacher or principal shall be given
reasonable warning in writing, stating specifically the causes which, if not
removed, may result in charges; however, no such written warning shall be
required if the causes have been the subject of a remediation plan pursuant
to Article 24A or where the board of education and the exclusive
representative of the district's teachers have entered into an agreement
pursuant to Section 34-85c of this Code, pursuant to an alternative system
of remediation. No written warning shall be required for conduct on the
part of a teacher or principal which is cruel, immoral, negligent, or
criminal or which in any way causes psychological or physical harm or
injury to a student as that conduct is deemed to be irremediable. No
written warning shall be required for a material breach of the uniform
principal performance contract as that conduct is deemed to be
irremediable; provided however, that not less than 30 days before the vote
of the local school council to seek the dismissal of a principal for a
material breach of a uniform principal performance contract, the local
school council shall specify the nature of the alleged breach in writing and
provide a copy of it to the principal.

The hearing officer shall consider and give weight to all of the
teacher's evaluations written pursuant to Article 24A.

The hearing officer shall within 45 days from the conclusion of the
hearing report to the general superintendent findings of fact and a
recommendation as to whether or not the teacher or principal shall be
dismissed and shall give a copy of the report to both the teacher or
principal and the general superintendent. The board, within 45 days of

receipt of the hearing officer's findings of fact and recommendation, shall make a decision as to whether the teacher or principal shall be dismissed from its employ. The failure of the board to strictly adhere to the timeliness contained herein shall not render it without jurisdiction to dismiss the teacher or principal. If the hearing officer fails to render a decision within 45 days, the State Board of Education shall communicate with the hearing officer to determine the date that the parties can reasonably expect to receive the decision. The State Board of Education shall provide copies of all such communications to the parties. In the event the hearing officer fails without good cause to make a decision within the 45 day period, the name of such hearing officer shall be struck for a period not less than 24 months from the master list of hearing officers maintained by the State Board of Education. The board shall not lose jurisdiction to discharge the teacher or principal if the hearing officer fails to render a decision within the time specified in this Section. If a hearing officer fails to render a decision within 3 months after the hearing is declared closed, the State Board of Education shall provide the parties with a new list of prospective, impartial hearing officers, with the same qualifications provided herein, one of whom shall be selected, as provided in this Section, to rehear the charges heard by the hearing officer who failed to render a decision. The parties may also select a hearing officer pursuant to the alternative procedure, as provided in this Section, to rehear the charges heard by the hearing officer who failed to render a decision. A violation of the professional standards set forth in "The Code of Professional Responsibility for Arbitrators of Labor-Management Disputes", of the National Academy of Arbitrators, the American Arbitration Association, and the Federal Mediation and Conciliation Service, or the failure of a hearing officer to render a decision within 3 months after the hearing is declared closed shall be grounds for removal of the hearing officer from the master list of hearing officers maintained by the State Board of Education. The decision of the board is final unless reviewed as provided in Section 34-85b of this Act.

In the event judicial review is instituted, any costs of preparing and filing the record of proceedings shall be paid by the party instituting the

review. If a decision of the board hearing officer is adjudicated upon review or appeal in favor of the teacher or principal, then the trial court shall order reinstatement and shall determine the amount for which the board is liable including but not limited to loss of income and costs incurred therein. Nothing in this Section affects the validity of removal for cause hearings commenced prior to the effective date of this amendatory Act of 1978.

Pursuant exclusively to that agreement, teachers assigned to schools identified in that agreement shall be subject to an alternative performance evaluation plan and remediation procedures in lieu of the plan and procedures set forth in Article 24A of this Code and alternative removal for cause standards and procedures in lieu of the removal standards and procedures set forth in Sections 34-85 and 34-85b of this Code. Sec. 31. Rulemaking; exemptions.
(a) The provisions of the Illinois Administrative Procedure Act are hereby expressly adopted and shall apply to all administrative rules and procedures of the Agency under this Act, except that in case of conflict between the Illinois Administrative Procedure Act and this Act the provisions of this Act shall control, and except that Section 5-35 of the Illinois Administrative Procedure Act relating to procedures for rule-making does not apply to the adoption of any rule required by federal law in connection with which the Agency is precluded by law from exercising any discretion.

(b) The Agency is exempt from rulemaking procedures in the Illinois Administrative Procedure Act when regulations that are identical in substance are necessary to implement, secure, or maintain federal authorization for a program. (a) An offender who defaults in the payment of a fine or any installment of that fine may be held in contempt and imprisoned for nonpayment. The court may issue a summons for his appearance or a warrant of arrest.
(b) Unless the offender shows that his default was not due to his intentional refusal to pay, or not due to a failure on his part to make a good faith effort to pay, the court may order the offender imprisoned for a term not to exceed 6 months if the fine was for a felony, or 30 days if the fine

was for a misdemeanor, a petty offense or a business offense. Payment of
the fine at any time will entitle the offender to be released, but
imprisonment under this Section shall not satisfy the payment of the fine.

(c) If it appears that the default in the payment of a fine is not
intentional under paragraph (b) of this Section, the court may enter an
order allowing the offender additional time for payment, reducing the
amount of the fine or of each installment, or revoking the fine or the
unpaid portion.

(d) When a fine is imposed on a corporation or unincorporated
organization or association, it is the duty of the person or persons
authorized to make disbursement of assets, and their superiors, to pay the
fine from assets of the corporation or unincorporated organization or
association. The failure of such persons to do so shall render them subject
to proceedings under paragraphs (a) and (b) of this Section.

(e) A default in the payment of a fine, judgment order of forfeiture,
order of restitution, or any installment thereof may be collected by any and
all means authorized for the collection of money judgments. The State's
Attorney of the county in which the fine, judgment order of forfeiture, or
order of restitution was imposed may retain attorneys and private
collection agents for the purpose of collecting any default in payment of

thereof of that fine. The fees and costs incurred by the State's Attorney in
any such collection and the fees and charges of attorneys and private
collection agents retained by the State's Attorney for those purposes shall
be charged to the offender.

PUBLIC ACT 95-0516
(Senate Bill No. 1663)

AN ACT concerning safety.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Environmental Protection Act is amended by changing Sections 12.5 and 12.6 as follows:

(415 ILCS 5/12.5)
Sec. 12.5. NPDES discharge fees; sludge permit fees.

(a) Beginning July 1, 2003, the Agency shall assess and collect annual fees (i) in the amounts set forth in subsection (e) for all discharges that require an NPDES permit under subsection (f) of Section 12, from each person holding an NPDES permit authorizing those discharges (including a person who continues to discharge under an expired permit pending renewal), and (ii) in the amounts set forth in subsection (f) of this Section for all activities that require a permit under subsection (b) of Section 12, from each person holding a domestic sewage sludge generator or user permit.

New matter indicated by italics - deletions by strikeout
Each person subject to this Section must remit the applicable annual fee to the Agency in accordance with the requirements set forth in this Section and any rules adopted pursuant to this Section.

(b) Within 30 days after the effective date of this Section, and each year thereafter, the Agency shall send a fee notice by mail to each existing permittee subject to a fee under this Section at his or her address of record. The notice shall state the amount of the applicable annual fee and the date by which payment is required.

Except as provided in subsection (c) with respect to initial fees under new permits and certain modifications of existing permits, fees payable under this Section are due by the date specified in the fee notice, which shall be no less than 30 days after the date the fee notice is mailed by the Agency.

(c) The initial annual fee for discharges under a new individual NPDES permit or for activity under a new individual sludge generator or sludge user permit must be remitted to the Agency prior to the issuance of the permit. The Agency shall provide notice of the amount of the fee to the applicant during its review of the application. In the case of a new individual NPDES or sludge permit issued during the months of January through June, the Agency may prorate the initial annual fee payable under this Section.

The initial annual fee for discharges or other activity under a general NPDES permit must be remitted to the Agency as part of the application for coverage under that general permit.

In the case of construction site stormwater discharges for which a new NPDES permit is issued during the months of January through June, no annual fee shall be due for the 12 months beginning July 1 that immediately follow the period for which the initial annual fee was due.

If a requested modification to an existing NPDES permit causes a change in the applicable fee categories under subsection (e) that results in an increase in the required fee, the permittee must pay to the Agency the amount of the increase, prorated for the number of months remaining before the next July 1, before the modification is granted.
(d) Failure to submit the fee required under this Section by the due date constitutes a violation of this Section. Late payments shall incur an interest penalty, calculated at the rate in effect from time to time for tax delinquencies under subsection (a) of Section 1003 of the Illinois Income Tax Act, from the date the fee is due until the date the fee payment is received by the Agency.

(e) The annual fees applicable to discharges under NPDES permits are as follows:

(1) For NPDES permits for publicly owned treatment works, other facilities for which the wastewater being treated and discharged is primarily domestic sewage, and wastewater discharges from the operation of public water supply treatment facilities, the fee is:

   (i) $1,500 for the 12 months beginning July 1, 2003 and $500 for each subsequent year, for facilities with a Design Average Flow rate of less than 100,000 gallons per day;

(2) For NPDES permits for treatment works or sewer collection systems that include combined sewer overflow outfalls, the fee is:

   (i) $1,000 for systems serving a tributary population of 10,000 or less;
   (ii) $5,000 for systems serving a tributary population that is greater than 10,000 but not more than 25,000; and
   (iii) $20,000 for systems serving a tributary population that is greater than 25,000.

   The fee amounts in this subdivision (e)(2) are in addition to the fees stated in subdivision (e)(1) when the combined sewer overflow outfall is contained within a permit subject to subsection (e)(1) fees.

(3) For NPDES permits for mines producing coal, the fee is $5,000.

(4) For NPDES permits for mines other than mines producing coal, the fee is $5,000.

(8) For NPDES permits for municipal separate storm sewer systems, the fee is $1,000.

(9) For NPDES permits for construction site or industrial storm water, the fee is $500.

(f) The annual fee for activities under a permit that authorizes applying sludge on land is $2,500 for a sludge generator permit and $5,000 for a sludge user permit.

(g) More than one of the annual fees specified in subsections (e) and (f) may be applicable to a permit holder. These fees are in addition to any other fees required under this Act.

(h) The fees imposed under this Section do not apply to the State or any department or agency of the State, nor to any school district, or to any private sewage disposal system as defined in the Private Sewage Disposal Licensing Act (225 ILCS 225/).

(i) The Agency may adopt rules to administer the fee program established in this Section. The Agency may include provisions pertaining to invoices, notice of late payment, refunds, and disputes concerning the amount or timeliness of payment. The Agency may set forth procedures and criteria for the acceptance of payments. The absence of such rules does not affect the duty of the Agency to immediately begin the assessment and collection of fees under this Section.

(j) All fees and interest penalties collected by the Agency under this Section shall be deposited into the Illinois Clean Water Fund, which is hereby created as a special fund in the State treasury. Gifts, supplemental environmental project funds, and grants may be deposited into the Fund.

The Illinois Department, by rule, shall prohibit any physician from

however, impose other appropriate requirements regarding laboratory test

The Department of Healthcare and Family Services Public Aid shall assure
coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

Neither the Illinois Department of Healthcare and Family Services Public Aid nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of
Partnerships. Nothing in this Section shall be construed to require that the
sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical
providers for physician services, inpatient and outpatient hospital care,
home health services, treatment for alcoholism and substance abuse, and
other services determined necessary by the Illinois Department by rule for
delivery by Partnerships. Physician services must include prenatal and
obstetrical care. The Illinois Department shall reimburse medical services
delivered by Partnership providers to clients in target areas according to
provisions of this Article and the Illinois Health Finance Reform Act,
except that:

1. Physicians participating in a Partnership and providing
certain services, which shall be determined by the Illinois
Department, to persons in areas covered by the Partnership may
receive an additional surcharge for such services.

2. The Department may elect to consider and negotiate
financial incentives to encourage the development of Partnerships
and the efficient delivery of medical care.

3. Persons receiving medical services through Partnerships
may receive medical and case management services above the level
usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications
to participate in Partnerships to ensure the delivery of high quality medical

Department and may be higher than qualifications for participation in the
medical assistance program. Partnership sponsors may prescribe
reasonable additional qualifications for participation by medical providers,
only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners,
hospitals, and other providers of medical services by clients. In order to
ensure patient freedom of choice, the Illinois Department shall
immediately promulgate all rules and take all other necessary actions so
that provided services may be accessed from therapeutically certified

All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after the effective date of this amendatory Act of 1984, the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program established under this Article disclose, under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys regarding medical bills paid by the Illinois Department, which inquiries could indicate potential existence of claims or liens for the Illinois Department.

Enrollment of a vendor that provides non-emergency medical transportation, defined by the Department by rule, shall be conditional for 180 days. During that time, the Department of Healthcare and Family Services Public Aid may terminate the vendor's eligibility to participate in the medical assistance program without cause. That termination of eligibility is not subject to the Department's hearing process.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or replacement of such devices by recipients without medical authorization; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and

Section 10. The State Treasurer Act is amended by changing Section 16.5 as follows:

(15 ILCS 505/16.5)

Sec. 16.5. College Savings Pool. The State Treasurer may establish and administer a College Savings Pool to supplement and enhance the investment opportunities otherwise available to persons seeking to finance the costs of higher education. The State Treasurer, in administering the College Savings Pool, may receive moneys paid into the pool by a participant and may serve as the fiscal agent of that participant for the purpose of holding and investing those moneys.

"Participant", as used in this Section, means any person who makes investments in the pool. "Designated beneficiary", as used in this Section, means any person on whose behalf an account is established in the College Savings Pool by a participant. Both in-state and out-of-state persons may be participants and designated beneficiaries in the College Savings Pool.

New accounts in the College Savings Pool shall be processed through participating financial institutions. "Participating financial institution", as used in this Section, means any financial institution insured by the Federal Deposit Insurance Corporation and lawfully doing business in the State of Illinois and any credit union approved by the State Treasurer and lawfully doing business in the State of Illinois that agrees to process new accounts in the College Savings Pool. Participating financial institutions may charge a processing fee to participants to open an account in the pool that shall not exceed $30 until the year 2001. Beginning in 2001 and every year thereafter, the maximum fee limit shall be adjusted by the Treasurer based on the Consumer Price Index for the North Central Region as published by the United States Department of Labor, Bureau of Labor Statistics for the immediately preceding calendar year. Every contribution received by a financial institution for investment in the College Savings Pool shall be transferred from the financial institution to a location selected by the State Treasurer within one business day following the day that the funds must be made available in accordance with federal

law. All communications from the State Treasurer to participants shall reference the participating financial institution at which the account was processed.

The Treasurer may invest the moneys in the College Savings Pool in the same manner, in the same types of investments, and subject to the same limitations provided for the investment of moneys by the Illinois State Board of Investment. To enhance the safety and liquidity of the College Savings Pool, to ensure the diversification of the investment portfolio of the pool, and in an effort to keep investment dollars in the State of Illinois, the State Treasurer shall make a percentage of each account available for investment in participating financial institutions doing business in the State. The State Treasurer shall deposit with the participating financial institution at which the account was processed the following percentage of each account at a prevailing rate offered by the institution, provided that the deposit is federally insured or fully collateralized and the institution accepts the deposit: 10% of the total amount of each account for which the current age of the beneficiary is less than 7 years of age, 20% of the total amount of each account for which the beneficiary is at least 7 years of age and less than 12 years of age, and 50% of the total amount of each account for which the current age of the beneficiary is at least 12 years of age. The State Treasurer shall adjust each account at least annually to ensure compliance with this Section. The Treasurer shall develop, publish, and implement an investment policy covering the investment of the moneys in the College Savings Pool. The policy shall be published (i) at least once each year in at least one newspaper of general circulation in both Springfield and Chicago and (ii) each year as part of the audit of the College Savings Pool by the Auditor General, which shall be distributed to all participants. The Treasurer shall notify all participants in writing, and the Treasurer shall publish in a newspaper of general circulation in both Chicago and Springfield, any changes to the previously published investment policy at least 30 calendar days before implementing the policy. Any investment policy adopted by the Treasurer shall be reviewed and updated if necessary within 90 days following the date that the State Treasurer takes office.

Participants shall be required to use moneys distributed from the College Savings Pool for qualified expenses at eligible educational institutions. "Qualified expenses", as used in this Section, means the following: (i) tuition, fees, and the costs of books, supplies, and equipment required for enrollment or attendance at an eligible educational institution and (ii) certain room and board expenses incurred while attending an eligible educational institution at least half-time. "Eligible educational institutions", as used in this Section, means public and private colleges, junior colleges, graduate schools, and certain vocational institutions that are described in Section 481 of the Higher Education Act of 1965 (20 U.S.C. 1088) and that are eligible to participate in Department of Education student aid programs. A student shall be considered to be enrolled at least half-time if the student is enrolled for at least half the full-time academic work load for the course of study the student is pursuing as determined under the standards of the institution at which the student is enrolled. Distributions made from the pool for qualified expenses shall be made directly to the eligible educational institution, directly to a vendor, or in the form of a check payable to both the beneficiary and the institution or vendor. Any moneys that are distributed in any other manner or that are used for expenses other than qualified expenses at an eligible educational institution shall be subject to a penalty of 10% of the earnings unless the beneficiary dies, becomes disabled, or receives a scholarship that equals or exceeds the distribution. Penalties shall be withheld at the time the distribution is made.

The Treasurer shall limit the contributions that may be made on behalf of a designated beneficiary based on an actuarial estimate of what is required to pay tuition, fees, and room and board for 5 undergraduate years at the highest cost eligible educational institution. The contributions made on behalf of a beneficiary who is also a beneficiary under the Illinois Prepaid Tuition Program shall be further restricted to ensure that the contributions in both programs combined do not exceed the limit established for the College Savings Pool. The Treasurer shall provide the Illinois Student Assistance Commission each year at a time designated by the Commission, an electronic report of all participant accounts in the

Treasurer's College Savings Pool, listing total contributions and disbursements from each individual account during the previous calendar year. As soon thereafter as is possible following receipt of the Treasurer's report, the Illinois Student Assistance Commission shall, in turn, provide the Treasurer with an electronic report listing those College Savings Pool participants who also participate in the State's prepaid tuition program, administered by the Commission. The Commission shall be responsible for filing any combined tax reports regarding State qualified savings programs required by the United States Internal Revenue Service. The Treasurer shall work with the Illinois Student Assistance Commission to coordinate the marketing of the College Savings Pool and the Illinois Prepaid Tuition Program when considered beneficial by the Treasurer and the Director of the Illinois Student Assistance Commission. The Treasurer's office shall not publicize or otherwise market the College Savings Pool or accept any moneys into the College Savings Pool prior to March 1, 2000. The Treasurer shall provide a separate accounting for each designated beneficiary to each participant, the Illinois Student Assistance Commission, and the participating financial institution at which the account was processed. No interest in the program may be pledged as security for a loan.

The assets of the College Savings Pool and its income and operation shall be exempt from all taxation by the State of Illinois and any of its subdivisions. The accrued earnings on investments in the Pool once disbursed on behalf of a designated beneficiary shall be similarly exempt from all taxation by the State of Illinois and its subdivisions, so long as they are used for qualified expenses. Contributions to a College Savings Pool account during the taxable year may be deducted from adjusted gross income as provided in Section 203 of the Illinois Income Tax Act. The provisions of this paragraph are exempt from Section 250 of the Illinois Income Tax Act.

The Treasurer shall adopt rules he or she considers necessary for the efficient administration of the College Savings Pool. The rules shall provide whatever additional parameters and restrictions are necessary to ensure that the College Savings Pool meets all of the requirements for a
qualified state tuition program under Section 529 of the Internal Revenue Code (26 U.S.C. 529). The rules shall provide for the administration expenses of the pool to be paid from its earnings and for the investment earnings in excess of the expenses and all moneys collected as penalties to be credited or paid monthly to the several participants in the pool in a manner which equitably reflects the differing amounts of their respective investments in the pool and the differing periods of time for which those amounts were in the custody of the pool. Also, the rules shall require the maintenance of records that enable the Treasurer's office to produce a report for each account in the pool at least annually that documents the account balance and investment earnings. Notice of any proposed amendments to the rules and regulations shall be provided to all participants prior to adoption. Amendments to rules and regulations shall apply only to contributions made after the adoption of the amendment.

Upon creating the College Savings Pool, the State Treasurer shall give bond with 2 or more sufficient sureties, payable to and for the benefit of the participants in the College Savings Pool, in the penal sum of $1,000,000, conditioned upon the faithful discharge of his or her duties in relation to the College Savings Pool.

(40 ILCS 5/1-110.6 new)

Sec. 1-110.6. Transactions prohibited by retirement systems; Republic of the Sudan.

(a) The Government of the United States has determined that Sudan is a nation that sponsors terrorism and genocide. The General Assembly finds that acts of terrorism have caused injury and death to Illinois and United States residents who serve in the United States military, and pose a significant threat to safety and health in Illinois. The General Assembly finds that public employees and their families, including police officers and firefighters, are more likely than others to be affected by acts of terrorism. The General Assembly finds that Sudan
continues to solicit investment and commercial activities by forbidden entities, including private market funds. The General Assembly finds that investments in forbidden entities are inherently and unduly risky, not in the interests of public pensioners and Illinois taxpayers, and against public policy. The General Assembly finds that Sudan's capacity to sponsor terrorism and genocide depends on or is supported by the activities of forbidden entities. The General Assembly further finds and re-affirms that the people of the State, acting through their representatives, do not want to be associated with forbidden entities, genocide, and terrorism.

(5) Any publicly traded company that is individually identified by an independent researching firm that specializes in global security risk and that has been retained by a certifying company as provided in subsection (c) of this Section as being a company that owns or controls property or assets located in, has employees or facilities located in, provides goods or services to, obtains goods or services from, has distribution agreements with, issues credits or loans to, purchases bonds or commercial paper issued by, or invests in (A) the Republic of the Sudan; or (B) any company domiciled in the Republic of the Sudan; and

(d) With respect to a commitment or investment made pursuant to a written agreement executed prior to the effective date of this Section, each private market fund shall submit to the appropriate certifying company, at no additional cost to the retirement system:

(1) an affidavit sworn under oath in which an expressly authorized officer of the private market fund avers that the private market fund (A) does not own or control any property or asset located in the Republic of the Sudan and (B) does not conduct business operations in the Republic of the Sudan; or

(2) a certificate in which an expressly authorized officer of the private market fund certifies that the private market fund, based on reasonable due diligence, has determined that, other than direct or indirect investments in companies certified as Non-Government Organizations by the United Nations, the private market fund has no direct or indirect investment in any company (A) organized under the laws of the Republic of the Sudan; (B) whose principal place of business is in the Republic of the Sudan; or (C) that conducts business operations in the Republic of the Sudan. Such certificate shall be based upon the periodic reports received by the private market fund, and the private market fund shall agree that the certifying company, directly or through an agent, or the retirement system, as the case may be, may from time to time review the private market fund’s certification process.

(e) With respect to a commitment or investment made pursuant to a written agreement executed after the effective date of this Section, each private market fund shall, at no additional cost to the retirement system:

(1) submit to the appropriate certifying company an affidavit or certificate consistent with the requirements pursuant to subsection (d) of this Section; or

(f) In addition to any other penalties and remedies available under the law of Illinois and the United States, any transaction, other than a transaction with a private market fund that is governed by subsections (g) and (h) of this Section, that violates the provisions of this Act shall be against public policy and voidable, at the sole discretion of the retirement system.

(g) If a private market fund fails to provide the affidavit or certification required in subsections (d) and (e) of this Section, then the retirement system shall, within 90 days, divest, or attempt in good faith to divest, the retirement system's interest in the private market fund, provided that the Board of the retirement system confirms through resolution that the divestment does not have a material and adverse impact on the retirement system. The retirement system shall immediately notify the Department, and the Department shall notify all other retirement systems, as soon as practicable, by posting the name of the private market fund on the Department's Internet website or through e-mail communications. No other retirement system may enter into any agreement under which the retirement system directly or indirectly invests in the private market fund unless the private market fund provides that retirement system with the affidavit or certification required in subsections (d) and (e) of this Section and complies with all other provisions of this Section.

(h) If a private market fund fails to fulfill its obligations under any agreement provided for in paragraph (2) of subsection (e) of this Section, the retirement system shall immediately take legal and other action to obtain satisfaction through all remedies and penalties available under the law and the agreement itself. The retirement system shall immediately notify the Department, and the Department shall notify all other retirement systems, as soon as practicable, by posting the name of the private market fund on the Department's Internet website or through e-mail communications, and no other retirement system may enter into any
agreement under which the retirement system directly or indirectly invests in the private market fund.

(a) Through June 30, 2003, "use as rolling stock moving in interstate commerce" in subsections (b) and (c) of Section 3-55 means for

motor vehicles, as defined in Section 1-146 of the Illinois Vehicle Code, and trailers, as defined in Section 1-209 of the Illinois Vehicle Code, when on 15 or more occasions in a 12-month period the motor vehicle and trailer has carried persons or property for hire in interstate commerce, even just between points in Illinois, if the motor vehicle and trailer transports persons whose journeys or property whose shipments originate or terminate outside Illinois. This definition applies to all property purchased for the purpose of being attached to those motor vehicles or trailers as a part thereof.

(b) On and after July 1, 2003 and through June 30, 2004, "use as rolling stock moving in interstate commerce" in paragraphs (b) and (c) of Section 3-55 occurs for motor vehicles, as defined in Section 1-146 of the Illinois Vehicle Code, when during a 12-month period the rolling stock has carried persons or property for hire in interstate commerce for 51% of its total trips and transports persons whose journeys or property whose shipments originate or terminate outside Illinois. Trips that are only between points in Illinois shall not be counted as interstate trips when calculating whether the tangible personal property qualifies for the exemption but such trips shall be included in total trips taken.

(c) Beginning July 1, 2004, "use as rolling stock moving in interstate commerce" in paragraphs (b) and (c) of Section 3-55 occurs for motor vehicles, as defined in Section 1-146 of the Illinois Vehicle Code, when during a 12-month period the rolling stock has carried persons or property for hire in interstate commerce for greater than 50% of its total trips for that period or for greater than 50% of its total miles for that period. The person claiming the exemption shall make an election at the time of purchase to use either the trips or mileage method. Persons who purchased motor vehicles prior to July 1, 2004 shall make an election to use either the trips or mileage method and document that election in their books and records. If no election is made under this subsection to use the trips or mileage method, the person shall be deemed to have chosen the mileage method. Any election to use either the trips or mileage method will remain in effect for that motor vehicle for any period for which the Department may issue a notice of tax liability under this Act.

New matter indicated by italics - deletions by strikeout
For purposes of determining qualifying trips or miles, motor vehicles that carry persons or property for hire, even just between points in Illinois, will be considered used for hire in interstate commerce if the motor vehicle transports persons whose journeys or property whose shipments originate or terminate outside Illinois. The exemption for motor vehicles used as rolling stock moving in interstate commerce may be claimed only for the following vehicles: (i) motor vehicles whose gross vehicle weight rating exceeds 16,000 pounds; and (ii) limousines, as defined in Section 1-139.1 of the Illinois Vehicle Code. This definition applies to all property purchased for the purpose of being attached to those motor vehicles as a part thereof.

(d) Beginning July 1, 2004, "use as rolling stock moving in interstate commerce" in paragraphs (b) and (c) of Section 3-55 occurs for trailers, as defined in Section 1-209 of the Illinois Vehicle Code, semitrailers as defined in Section 1-187 of the Illinois Vehicle Code, and pole trailers as defined in Section 1-161 of the Illinois Vehicle Code, when during a 12-month period the rolling stock has carried persons or property for hire in interstate commerce for greater than 50% of its total trips for that period or for greater than 50% of its total miles for that period. The person claiming the exemption for a trailer or trailers that will not be dedicated to a motor vehicle or group of motor vehicles shall make an election at the time of purchase to use either the trips or mileage method. Persons who purchased trailers prior to July 1, 2004 that are not dedicated to a motor vehicle or group of motor vehicles shall make an election to use either the trips or mileage method and document that election in their books and records. If no election is made under this subsection to use the trips or mileage method, the person shall be deemed to have chosen the mileage method. Any election to use either the trips or mileage method will remain in effect for that trailer for any period for which the Department may issue a notice of tax liability under this Act.

For purposes of determining qualifying trips or miles, trailers, semitrailers, or pole trailers that carry property for hire, even just between points in Illinois, will be considered used for hire in interstate commerce if the trailers, semitrailers, or pole trailers transport property whose

shipments originate or terminate outside Illinois. This definition applies to all property purchased for the purpose of being attached to those trailers, semitrailers, or pole trailers as a part thereof. In lieu of a person providing documentation regarding the qualifying use of each individual trailer, semitrailer, or pole trailer, that person may document such qualifying use by providing documentation of the following:

(1) If a trailer, semitrailer, or pole trailer is dedicated to a motor vehicle that qualifies as rolling stock moving in interstate commerce under subsection (c) of this Section, then that trailer, semitrailer, or pole trailer qualifies as rolling stock moving in interstate commerce under this subsection.

(2) If a trailer, semitrailer, or pole trailer is dedicated to a group of motor vehicles that all qualify as rolling stock moving in interstate commerce under subsection (c) of this Section, then that trailer, semitrailer, or pole trailer qualifies as rolling stock moving in interstate commerce under this subsection.

(3) If one or more trailers, semitrailers, or pole trailers are dedicated to a group of motor vehicles and not all of those motor vehicles in that group qualify as rolling stock moving in interstate commerce under subsection (c) of this Section, then the percentage of those trailers, semitrailers, or pole trailers that qualifies as rolling stock moving in interstate commerce under this subsection is equal to the percentage of those motor vehicles in that group that qualify as rolling stock moving in interstate commerce under subsection (c) of this Section to which those trailers, semitrailers, or pole trailers are dedicated. However, to determine the qualification for the exemption provided under this item (3), the mathematical application of the qualifying percentage to one or more trailers, semitrailers, or pole trailers under this subpart shall not be allowed as to any fraction of a trailer, semitrailer, or pole trailer.

The exemption for motor vehicles used as rolling stock moving in interstate commerce may be claimed only for the following vehicles: (i) motor vehicles whose gross vehicle weight rating exceeds 16,000 pounds; and (ii) limousines, as defined in Section 1-139.1 of the Illinois Vehicle Code. This definition applies to all property purchased for the purpose of being attached to those motor vehicles as a part thereof.

(d) Beginning July 1, 2004, "use as rolling stock moving in interstate commerce" in paragraphs (4) and (4a) of the definition of "sale of service" in Section 2 and subsection (b) of Section 3-45 occurs for trailers, as defined in Section 1-209 of the Illinois Vehicle Code, semitrailers as defined in Section 1-187 of the Illinois Vehicle Code, and pole trailers as defined in Section 1-161 of the Illinois Vehicle Code, when during a 12-month period the rolling stock has carried persons or property for hire in interstate commerce for greater than 50% of its total trips for that period or for greater than 50% of its total miles for that period. The person claiming the exemption for a trailer or trailers that will not be dedicated to a motor vehicle or group of motor vehicles shall make an election at the time of purchase to use either the trips or mileage method. Persons who purchased trailers prior to July 1, 2004 that are not dedicated to a motor vehicle or group of motor vehicles shall make an election to use either the trips or mileage method and document that election in their books and records. If no election is made under this subsection to use the trips or mileage method, the person shall be deemed to have chosen the
mileage method. Any election to use either the trips or mileage method will remain in effect for that trailer for any period for which the Department may issue a notice of tax liability under this Act.

For purposes of determining qualifying trips or miles, trailers, semitrailers, or pole trailers that carry property for hire, even just between points in Illinois, will be considered used for hire in interstate commerce if the trailers, semitrailers, or pole trailers transport property whose shipments originate or terminate outside Illinois. This definition applies to all property purchased for the purpose of being attached to those trailers, semitrailers, or pole trailers as a part thereof. In lieu of a person providing documentation regarding the qualifying use of each individual trailer, semitrailer, or pole trailer, that person may document such qualifying use by providing documentation of the following:

(1) If a trailer, semitrailer, or pole trailer is dedicated to a motor vehicle that qualifies as rolling stock moving in interstate commerce under subsection (c) of this Section, then that trailer, semitrailer, or pole trailer qualifies as rolling stock moving in interstate commerce under this subsection.

(2) If a trailer, semitrailer, or pole trailer is dedicated to a group of motor vehicles that all qualify as rolling stock moving in interstate commerce under subsection (c) of this Section, then that trailer, semitrailer, or pole trailer qualifies as rolling stock moving in interstate commerce under this subsection.

(3) If one or more trailers, semitrailers, or pole trailers are dedicated to a group of motor vehicles and not all of those motor vehicles in that group qualify as rolling stock moving in interstate commerce under subsection (c) of this Section, then the percentage of those trailers, semitrailers, or pole trailers that qualifies as rolling stock moving in interstate commerce under this subsection is equal to the percentage of those motor vehicles in that group that qualify as rolling stock moving in interstate commerce under subsection (c) of this Section to which those trailers, semitrailers, or pole trailers are dedicated. However, to determine the qualification for the exemption provided under this item (3), the
mathematical application of the qualifying percentage to one or more trailers, semitrailers, or pole trailers under this subpart shall not be allowed as to any fraction of a trailer, semitrailer, or pole trailer.

Trips that are only between points in Illinois will not be counted as interstate trips when calculating whether the tangible personal property qualifies for the exemption but such trips will be included in total trips taken.

renewal or anniversary date, the company may extend the current policy at the current terms and conditions for the period of time needed to equal the 60 day time period required to provide notice of intention to renew by this subsection (b). The increase in premium shall be the renewal premium based on the known exposure as of the date of the quotation compared to the premium as of the last day of coverage for the current year's policy, annualized. The premium on the renewal policy may be subsequently amended to reflect any change in exposure or reinsurance costs not considered in the quotation. b. This Section does not apply if the company has manifested its willingness to renew directly to the named insured.

Provided, however, that no company may increase the renewal premium on any policy of insurance to which Section 143.11 applies, except for those defined in subsections (a), (b), (c), and (h) of Section 143.13, by 30% or more, nor impose changes in deductibles or coverage that materially alter the policy, unless the company shall have mailed or delivered to the named insured written notice of such increase or change in deductible or coverage at least 60 days prior to the renewal or anniversary date. The increase in premium shall be the renewal premium based on the known exposure as of the date of the quotation compared to the premium as of the last day of coverage for the current year's policy, annualized. The premium on the renewal policy may be subsequently amended to reflect any change in exposure or reinsurance costs not considered in the quotation. An exact and unaltered copy of such notice shall also be sent to the insured's broker, if known, or the agent of record. If an insurer fails to provide the notice required by this subsection, then the company must extend the current policy under the same terms, conditions, and premium to allow 60 days notice of renewal and provide the actual renewal premium quotation and any change in coverage or deductible on the policy. Proof of mailing or proof of receipt may be proven by a sworn affidavit by the insurer as to the usual and customary business practices of mailing notice pursuant to this Section or may be proven consistent with Illinois Supreme Court Rule 236:

(c) A company that has failed to provide notice of intention to nonrenew under subsection (a) of this Section and has failed to provide
notice of intention to renew as prescribed under subsection (b) of this Section must renew the expiring policy under the same terms and conditions for an additional year or until the effective date of any similar insurance is procured by the insured, whichever is earlier. The company may increase the renewal premium. However, such increase must be less than 30% of the expiring term’s premium and notice of such increase must be delivered to the named insured on or before the date of expiration of the current policy period.

e. Should a company fail to comply with the non-renewal notice requirements of subsection a., the policy shall be extended for an additional year or until the effective date of any similar insurance procured by the insured; whichever is less, on the same terms and conditions as the policy sought to be terminated, unless the insurer has manifested its intention to renew at a different premium that represents an increase not exceeding 30%.

(d) Under subsection (a), the company shall maintain proof of mailing of the notice of intention not to renew to the named insured on one of the following forms: a recognized U.S. Post Office form or a form acceptable to the U.S. Post Office or other commercial mail delivery service. Under subsections (b) and (c), proof of mailing or proof of receipt of the notice of intention to renew to the named insured may be proven by a sworn affidavit by the company as to the usual and customary business practices of mailing notice pursuant to this Section or may be proven consistent with Illinois Supreme Court Rule 236. For all notice requirements under this Section, an exact and unaltered copy of the notice to the named insured shall also be sent to the named insured’s producer, if known, or the producer of record. For notices of intention to not renew, an exact and unaltered copy of the notice to the named insured shall also be sent to the mortgagee or lien holder at the last mailing address known by the company. d. Renewal of a policy does not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of such renewal.

(e) Renewal of a policy does not constitute a waiver or estoppel with respect to grounds for cancellation that existed before the effective date of such renewal. e. In all notices of intention not to renew any policy
of insurance, as defined in Section 143.11 the company shall provide a specific explanation of the reasons for nonrenewal.

(f) For purposes of this Section, the named insured's producer, if known, or the producer of record and the mortgagee or lien holder may opt to accept notification electronically. f. For purposes of this Section, the insured's broker, if known, or the agent of record and the mortgagee or lien holder may opt to accept notification electronically.

Section 5. The Department of Human Services Act is amended by
adding Section 1-17 as follows:
(20 ILCS 1305/1-17 new)
Sec. 1-17. Inspector General.
(a) Appointment; powers and duties. The Governor shall appoint,
and the Senate shall confirm, an Inspector General. The Inspector
General shall be appointed for a term of 4 years and shall function
within the Department of Human Services and report to the Secretary of Human
Services and the Governor. The Inspector General shall function
independently within the Department of Human Services with respect to
the operations of the office, including the performance of investigations
and issuance of findings and recommendations. The appropriation for the
Office of Inspector General shall be separate from the overall
appropriation for the Department of Human Services. The Inspector
General shall investigate reports of suspected abuse or neglect (as those

Health and Developmental Disabilities) and is not licensed or certified by
any agency of the State. The Inspector General shall also have the

At the specific, written request of an agency of the State other than the Department of Human Services (as successor to the Department of Mental Health and Developmental Disabilities), the Inspector General may cooperate in investigating reports of abuse and neglect of persons with mental illness or persons with developmental disabilities. The Inspector General shall have no supervision over or involvement in routine, programmatic, licensure, or certification operations of the Department of Human Services or any of its funded agencies.

The Inspector General shall promulgate rules establishing minimum requirements for reporting allegations of abuse and neglect and initiating, conducting, and completing investigations. The promulgated rules shall clearly set forth that in instances where 2 or more State agencies could investigate an allegation of abuse or neglect, the Inspector General shall not conduct an investigation that is redundant to an investigation conducted by another State agency. The rules shall establish criteria for determining, based upon the nature of the allegation, the appropriate method of investigation, which may include, but need not be limited to, site visits, telephone contacts, or requests for written responses from agencies. The rules shall also clarify how the Office of the Inspector General shall interact with the licensing unit of the Department of Human Services in investigations of allegations of abuse or neglect. Any allegations or investigations of reports made pursuant to this Act shall remain confidential until a final report is completed. The resident or patient who allegedly was abused or neglected and his or her legal guardian shall be informed by the facility or agency of the report of alleged abuse or neglect. Final reports regarding unsubstantiated or unfounded allegations shall remain confidential, except that final reports may be disclosed pursuant to Section 6 of the Abused and Neglected Long Term Care Facility Residents Reporting Act.

A required reporter shall report the allegation of abuse or neglect, or cause a report to be made, to the Office of the Inspector General (OIG) Hotline no later than 4 hours after the initial discovery of the incident of alleged abuse or neglect. A required reporter as defined in this paragraph who willfully fails to comply with the reporting requirement is guilty of a Class A misdemeanor.

For purposes of this Section, "State-operated facility" means a mental health facility or a developmental disability facility as defined in Sections 1-114 and 1-107 of the Mental Health and Developmental Disabilities Code.

For purposes of this Section, "community agency" or "agency" means any community entity or program providing mental health or developmental disabilities services that is licensed, certified, or funded by the Department of Human Services and is not licensed or certified by an other human services agency of the State (for example, the Department of Public Health, the Department of Children and Family Services, or the Department of Healthcare and Family Services).

When the Office of the Inspector General has substantiated a case of abuse or neglect, the Inspector General shall include in the final report any mitigating or aggravating circumstances that were identified during the investigation. Upon determination that a report of neglect is substantiated, the Inspector General shall then determine whether such neglect rises to the level of egregious neglect.

The Department of State Police shall investigate any report from a State-operated facility indicating a possible murder, rape, or other felony. The Inspector General shall make a determination to accept or reject a preliminary report of the investigation of alleged abuse or neglect based on established investigative procedures. Notice of the Inspector General's determination must be given to the person who claims to be the victim of the abuse or neglect, to the person or persons alleged to have been responsible for abuse or neglect, and to the facility or agency. The facility or agency or the person or persons alleged to have been responsible for the abuse or neglect and the person who claims to be the victim of the abuse or neglect may request clarification or reconsideration based on additional information. For cases where the allegation of abuse or neglect is substantiated, the Inspector General shall require the facility or agency to submit a written response. The written response from a facility or agency shall address in a concise and reasoned manner the actions that the agency or facility will take or has taken to protect the resident or patient from abuse or neglect, prevent reoccurrences, and eliminate problems identified and shall include implementation and completion dates for all such action.

(c) Inspector General's report; facility's or agency's implementation reports. The Inspector General shall, within 10 calendar days after the transmittal date of a completed investigation where abuse or neglect is substantiated or administrative action is recommended, provide a complete report on the case to the Secretary of Human Services and to the agency in which the abuse or neglect is alleged to have happened. The complete report shall include a written response from the agency or facility operated by the State to the Inspector General that addresses in a concise and reasoned manner the actions that the agency or facility will take or has taken to protect the resident or patient from

abuse or neglect, prevent reoccurrences, and eliminate problems identified and shall include implementation and completion dates for all such action. The Secretary of Human Services shall accept or reject the response and establish how the Department will determine whether the facility or program followed the approved response. The Secretary may require Department personnel to visit the facility or agency for training, technical assistance, programmatic, licensure, or certification purposes. Administrative action, including sanctions, may be applied should the Secretary reject the response or should the facility or agency fail to follow the approved response. Within 30 days after the Secretary has approved a response, the facility or agency making the response shall provide an implementation report to the Inspector General on the status of the corrective action implemented. Within 60 days after the Secretary has approved the response, the facility or agency shall send notice of the completion of the corrective action or shall send an updated implementation report. The facility or agency shall continue sending updated implementation reports every 60 days until the facility or agency sends a notice of the completion of the corrective action. The Inspector General shall review any implementation plan that takes more than 120 days. The Inspector General shall monitor compliance through a random review of completed corrective actions. This monitoring may include, but need not be limited to, site visits, telephone contacts, or requests for written documentation from the facility or agency to determine whether the facility or agency is in compliance with the approved response. The facility or agency shall inform the resident or patient and the legal guardian whether the reported allegation was substantiated, unsubstantiated, or unfounded. There shall be an appeals process for any person or agency that is subject to any action based on a recommendation or recommendations.

(d) Sanctions. The Inspector General may recommend to the Departments of Public Health and Human Services sanctions to be imposed against mental health and developmental disabilities facilities under the jurisdiction of the Department of Human Services for the protection of residents, including appointment of on-site monitors or

receivers, transfer or relocation of residents, and closure of units. The Inspector General may seek the assistance of the Attorney General or any of the several State's Attorneys in imposing such sanctions. Whenever the Inspector General issues any recommendations to the Secretary of Human Services, the Secretary shall provide a written response.

(e) Training programs. The Inspector General shall establish and conduct periodic training programs for Department of Human Services employees and community agency employees concerning the prevention and reporting of neglect and abuse.

(f) Access to facilities. The Inspector General shall at all times be granted access to any mental health or developmental disabilities facility operated by the Department of Human Services, shall establish and conduct unannounced site visits to those facilities at least once annually, and shall be granted access, for the purpose of investigating a report of abuse or neglect, to the records of the Department of Human Services and to any facility or program funded by the Department of Human Services that is subject under the provisions of this Section to investigation by the Inspector General for a report of abuse or neglect.

(g) Other investigations. Nothing in this Section shall limit investigations by the Department of Human Services that may otherwise be required by law or that may be necessary in that Department's capacity as the central administrative authority responsible for the operation of State mental health and developmental disability facilities.

(g-5) Health care worker registry. After notice and an opportunity for a hearing that is separate and distinct from the Office of the Inspector General's appeals process as implemented under subsection (c) of this Section, the Inspector General shall report to the Department of Public Health's health care worker registry under Section 3-206.01 of the Nursing Home Care Act the identity of individuals against whom there has been a substantiated finding of physical or sexual abuse or egregious neglect of a service recipient.

Nothing in this subsection shall diminish or impair the rights of a person who is a member of a collective bargaining unit pursuant to the Illinois Public Labor Relations Act or pursuant to any federal labor

statute. An individual who is a member of a collective bargaining unit as described above shall not be reported to the Department of Public Health’s health care worker registry until the exhaustion of that individual's grievance and arbitration rights, or until 3 months after the initiation of the grievance process, whichever occurs first, provided that the Department of Human Services’ hearing under this subsection regarding the reporting of an individual to the Department of Public Health’s health care worker registry has concluded. Notwithstanding anything hereinafter or previously provided, if an action taken by an employer against an individual as a result of the circumstances that led to a finding of physical or sexual abuse or egregious neglect is later overturned under a grievance or arbitration procedure provided for in Section 8 of the Illinois Public Labor Relations Act or under a collective bargaining agreement, the report must be removed from the registry.

The Department of Human Services shall promulgate or amend rules as necessary or appropriate to establish procedures for reporting to the registry, including the definition of egregious neglect, procedures for notice to the individual and victim, appeal and hearing procedures, and petition for removal of the report from the registry. The portion of the rules pertaining to hearings shall provide that, at the hearing, both parties may present written and oral evidence. The Department shall be required to establish by a preponderance of the evidence that the Office of the Inspector General's finding of physical or sexual abuse or egregious neglect warrants reporting to the Department of Public Health’s health care worker registry under Section 3-206.01 of the Nursing Home Care Act.

Notice to the individual shall include a clear and concise statement of the grounds on which the report to the registry is based and notice of the opportunity for a hearing to contest the report. The Department of Human Services shall provide the notice by certified mail to the last known address of the individual. The notice shall give the individual an opportunity to contest the report in a hearing before the Department of Human Services or to submit a written response to the findings instead of requesting a hearing. If the individual does not request a hearing or if
after notice and a hearing the Department of Human Services finds that the report is valid, the finding shall be included as part of the registry, as well as a brief statement from the reported individual if he or she chooses to make a statement. The Department of Public Health shall make available to the public information reported to the registry. In a case of inquiries concerning an individual listed in the registry, any information disclosed concerning a finding of abuse or neglect shall also include disclosure of the individual’s brief statement in the registry relating to the reported finding or include a clear and accurate summary of the statement.

At any time after the report of the registry, an individual may petition the Department of Human Services for removal from the registry of the finding against him or her. Upon receipt of such a petition, the Department of Human Services shall conduct an investigation and hearing on the petition. Upon completion of the investigation and hearing, the Department of Human Services shall report the removal of the finding to the registry unless the Department of Human Services determines that removal is not in the public interest.

(h) Quality Care Board. There is created, within the Office of the Inspector General, a Quality Care Board to be composed of 7 members appointed by the Governor with the advice and consent of the Senate. One of the members shall be designated as chairman by the Governor. Of the initial appointments made by the Governor, 4 Board members shall each be appointed for a term of 4 years and 3 members shall each be appointed for a term of 2 years. Upon the expiration of each member's term, a successor shall be appointed for a term of 4 years. In the case of a vacancy in the office of any member, the Governor shall appoint a successor for the remainder of the unexpired term.

Members appointed by the Governor shall be qualified by professional knowledge or experience in the area of law, investigatory techniques, or in the area of care of the mentally ill or developmentally disabled. Two members appointed by the Governor shall be persons with a disability or a parent of a person with a disability. Members shall serve

without compensation, but shall be reimbursed for expenses incurred in connection with the performance of their duties as members.

The Board shall meet quarterly, and may hold other meetings on the call of the chairman. Four members shall constitute a quorum. The Board may adopt rules and regulations it deems necessary to govern its own procedures.

(i) Scope and function of the Quality Care Board. The Board shall monitor and oversee the operations, policies, and procedures of the Inspector General to assure the prompt and thorough investigation of allegations of neglect and abuse. In fulfilling these responsibilities, the Board may do the following:

(1) Provide independent, expert consultation to the Inspector General on policies and protocols for investigations of alleged neglect and abuse.

(2) Review existing regulations relating to the operation of facilities under the control of the Department of Human Services.

(3) Advise the Inspector General as to the content of training activities authorized under this Section.

(4) Recommend policies concerning methods for improving the intergovernmental relationships between the Office of the Inspector General and other State or federal agencies.

(j) Investigators. The Inspector General shall establish a comprehensive program to ensure that every person employed or newly hired to conduct investigations shall receive training on an on-going basis concerning investigative techniques, communication skills, and the appropriate means of contact with persons admitted or committed to the mental health or developmental disabilities facilities under the jurisdiction of the Department of Human Services.

(k) Subpoenas; testimony; penalty. The Inspector General shall have the power to subpoena witnesses and compel the production of books and papers pertinent to an investigation authorized by this Act, provided that the power to subpoena or to compel the production of books and papers shall not extend to the person or documents of a labor organization or its representatives insofar as the person or documents of a labor
organization relate to the function of representing an employee subject to investigation under this Act. Mental health records of patients shall be confidential as provided under the Mental Health and Developmental Disabilities Confidentiality Act. Any person who fails to appear in response to a subpoena or to answer any question or produce any books or papers pertinent to an investigation under this Act, except as otherwise provided in this Section, or who knowingly gives false testimony in relation to an investigation under this Act is guilty of a Class A misdemeanor.

(l) Annual report. The Inspector General shall provide to the General Assembly and the Governor, no later than January 1 of each year, a summary of reports and investigations made under this Act for the prior fiscal year with respect to residents of institutions under the jurisdiction of the Department of Human Services. The report shall detail the imposition of sanctions and the final disposition of those recommendations. The summaries shall not contain any confidential or identifying information concerning the subjects of the reports and investigations. The report shall also include a trend analysis of the number of reported allegations and their disposition, for each facility and Department-wide, for the most recent 3-year time period and a statement, for each facility, of the staffing-to-patient ratios. The ratios shall include only the number of direct care staff. The report shall also include detailed recommended administrative actions and matters for consideration by the General Assembly.

(m) Program audit. The Auditor General shall conduct a biennial program audit of the Office of the Inspector General in relation to the Inspector General's compliance with this Act. The audit shall specifically include the Inspector General's effectiveness in investigating reports of alleged neglect or abuse of residents in any facility operated by the Department of Human Services and in making recommendations for sanctions to the Departments of Human Services and Public Health. The Auditor General shall conduct the program audit according to the provisions of the Illinois State Auditing Act and shall report its findings to the General Assembly no later than January 1 of each odd-numbered year.
Section 7. The Mental Health and Developmental Disabilities Administrative Act is amended by changing Section 7.3 as follows:

(20 ILCS 1705/7.3)
Sec. 7.3. Health care worker Nurse aide registry; finding of abuse or neglect. The Department shall require that no facility, service agency, or support agency providing mental health or developmental disability services that is licensed, certified, operated, or funded by the Department shall employ a person, in any capacity, who is identified by the health care worker nurse aide registry as having been subject of a substantiated finding of abuse or neglect of a service recipient. Any owner or operator of a community agency who is identified by the health care worker nurse aide registry as having been the subject of a substantiated finding of abuse or neglect of a service recipient is prohibited from any involvement in any capacity with the provision of Department funded mental health or developmental disability services. The Department shall establish and maintain the rules that are necessary or appropriate to effectuate the intent of this Section. The provisions of this Section shall not apply to any facility, service agency, or support agency licensed or certified by a State agency other than the Department, unless operated by the Department of Human Services.

No long term care facility administrator, agent or employee, or any other person, shall screen reports or otherwise withhold any reports from the Department, and no long term care facility, department of State government, or other agency shall establish any rules, criteria, standards or guidelines to the contrary. Every long term care facility, department of State government and other

agency whose employees are required to make or cause to be made reports under Section 4 shall notify its employees of the provisions of that Section and of this Section, and provide to the Department documentation that such notification has been given. The Department of Human Services shall train all of its mental health and developmental disabilities employees in the detection and reporting of suspected abuse and neglect of residents. Reports made to the central register through the State-wide, toll-free telephone number shall be transmitted to appropriate Department offices and municipal health departments that have responsibility for licensing long term care facilities under the Nursing Home Care Act. All reports received through offices of the Department shall be forwarded to the central register, in a manner and form described by the Department. The Department shall be capable of receiving reports of suspected abuse and neglect 24 hours a day, 7 days a week. Reports shall also be made in writing deposited in the U.S. mail, postage prepaid, within 24 hours after having reasonable cause to believe that the condition of the resident resulted from abuse or neglect. Such reports may in addition be made to the local law enforcement agency in the same manner. However, in the event a report is made to the local law enforcement agency, the reporter also shall immediately so inform the Department. The Department shall initiate an investigation of each report of resident abuse and neglect under this Act, whether oral or written, as provided for in Section 3-702 of the Nursing Home Care Act, except that reports of abuse which indicate that a resident's life or safety is in imminent danger shall be investigated within 24 hours of such report. The Department may delegate to law enforcement officials or other public agencies the duty to perform such investigation.

With respect to investigations of reports of suspected abuse or neglect of residents of mental health and developmental disabilities institutions under the jurisdiction of the Department of Human Services, the Department shall transmit copies of such reports to the Department of State Police, the Department of Human Services, and the Inspector General appointed under Section 1-17 of the Department of Human Services Act 6-2. If the Department receives a report of suspected abuse or neglect of a recipient of services as defined in Section 1-123 of the Mental

Health and Developmental Disabilities Code, the Department shall transmit copies of such report to the Inspector General and the Directors of the Guardianship and Advocacy Commission and the agency designated by the Governor pursuant to the Protection and Advocacy for Developmentally Disabled Persons Act. When requested by the Director of the Guardianship and Advocacy Commission, the agency designated by the Governor pursuant to the Protection and Advocacy for Developmentally Disabled Persons Act, or the Department of Financial and Professional Regulation, the Department, the Department of Human Services and the Department of State Police shall make available a copy of the final investigative report regarding investigations conducted by their respective agencies on incidents of suspected abuse or neglect of residents of mental health and developmental disabilities institutions or individuals receiving services at community agencies under the jurisdiction of the Department of Human Services. Such final investigative report shall not contain witness statements, investigation notes, draft summaries, results of lie detector tests, investigative files or other raw data which was used to compile the final investigative report. Specifically, the final investigative report of the Department of State Police shall mean the Director's final transmittal letter. The Department of Human Services shall also make available a copy of the results of disciplinary proceedings of employees involved in incidents of abuse or neglect to the Directors. All identifiable information in reports provided shall not be further disclosed except as provided by the Mental Health and Developmental Disabilities Confidentiality Act. Nothing in this Section is intended to limit or construe the power or authority granted to the agency designated by the Governor pursuant to the Protection and Advocacy for Developmentally Disabled Persons Act, pursuant to any other State or federal statute.

With respect to investigations of reported resident abuse or neglect, the Department shall effect with appropriate law enforcement agencies formal agreements concerning methods and procedures for the conduct of investigations into the criminal histories of any administrator, staff assistant or employee of the nursing home or other person responsible for the residents care, as well as for other residents in the nursing home who

may be in a position to abuse, neglect or exploit the patient. Pursuant to
the formal agreements entered into with appropriate law enforcement
agencies, the Department may request information with respect to whether
the person or persons set forth in this paragraph have ever been charged
with a crime and if so, the disposition of those charges. Unless the
criminal histories of the subjects involved crimes of violence or resident
abuse or neglect, the Department shall be entitled only to information
limited in scope to charges and their dispositions. In cases where prior
crimes of violence or resident abuse or neglect are involved, a more
detailed report can be made available to authorized representatives of the
Department, pursuant to the agreements entered into with appropriate law
enforcement agencies. Any criminal charges and their disposition
information obtained by the Department shall be confidential and may not
be transmitted outside the Department, except as required herein, to
authorized representatives or delegates of the Department, and may not be
transmitted to anyone within the Department who is not duly authorized to
handle resident abuse or neglect investigations.

The Department shall effect formal agreements with appropriate
law enforcement agencies in the various counties and communities to
courage cooperation and coordination in the handling of resident abuse
or neglect cases pursuant to this Act. The Department shall adopt and
implement methods and procedures to promote statewide uniformity in the
handling of reports of abuse and neglect under this Act, and those methods
and procedures shall be adhered to by personnel of the Department
involved in such investigations and reporting. The Department shall also
make information required by this Act available to authorized personnel
within the Department, as well as its authorized representatives.

The Department shall keep a continuing record of all reports made
pursuant to this Act, including indications of the final determination of any
investigation and the final disposition of all reports.

The Department shall report annually to the General Assembly on
the incidence of abuse and neglect of long term care facility residents, with
special attention to residents who are mentally disabled. The report shall
include but not be limited to data on the number and source of reports of

suspected abuse or neglect filed under this Act, the nature of any injuries to residents, the final determination of investigations, the type and number of cases where abuse or neglect is determined to exist, and the final disposition of cases.

If the Department finds that a nursing assistant, habilitation aide, or child care aide has abused a resident, neglected a resident, or misappropriated resident property in a facility, the Department shall notify the individual of this finding by certified mail sent to the address contained in the registry. The notice shall give the individual an opportunity to contest the finding in a hearing before the Department or to submit a written response to the findings in lieu of requesting a hearing. If, after a hearing or if the individual does not request a hearing, the Department finds that the individual abused a resident, neglected a resident, or misappropriated resident property in a facility, the finding shall be included as part of the registry as well as a brief statement from the individual, if he or she chooses to make such a statement. (225 ILCS 46/30)
Sec. 30. Non-fingerprint based UCIA criminal records check.
(a) Beginning on January 1, 1997, an educational entity, other than a secondary school, conducting a nurse aide training program must initiate a UCIA criminal history records check prior to entry of an individual into the training program. Health or its designee that tests nurse aides or the health care employer or its designee to request a criminal history record check pursuant to the Uniform Conviction Information Act (UCIA) for each nurse aide applying for inclusion on the State health care worker nurse aide registry. Any nurse aide not submitting the required authorization and information for the record check will not be added to the State health care worker nurse aide registry. A nurse aide will not be entered on the State health care worker nurse aide registry if the report from the Department of State Police indicates that the nurse aide has a record of conviction of any of the criminal offenses enumerated in Section 25 unless the nurse aide's identity is validated and it is determined that the nurse aide does not have a disqualifying criminal history record based upon a fingerprint-based records check pursuant to Section 35 or the nurse aide receives a waiver pursuant to Section 40.

(b) The Department of Public Health shall notify each health care employer inquiring as to the information on the State health care worker nurse aide registry of the date of the nurse aide's last UCIA criminal history record check. If it has been more than one year since the records check, the health care employer must initiate or have initiated on his or her behalf a UCIA criminal history record check for the nurse aide pursuant to this Section. The health care employer must send a copy of the results of the record check to the State health care worker nurse aide registry for an individual employed as a nurse aide.

(c) Beginning January 1, 1996, a health care employer who makes a conditional offer of employment to an applicant other than a nurse aide for position with duties that involve direct care for clients, patients, or residents must initiate or have initiated on his or her behalf a UCIA criminal history record check for that applicant.

(d) No later than January 1, 1997, a health care employer must initiate or have initiated on his or her behalf a UCIA criminal history record check for all employees other than those enumerated in subsections (a), (b), and (c) of this Section with duties that involve direct care for clients, patients, or residents. A health care employer having actual knowledge from a source other than a non-fingerprint check that an

employee has been convicted of committing or attempting to commit one of the offenses enumerated in Section 25 of this Act must initiate a fingerprint-based background check within 10 working days of acquiring that knowledge. The employer may continue to employ that individual in a direct care position, may reassign that individual to a non-direct care position, or may suspend the individual until the results of the fingerprint-based background check are received.

(d-5) Beginning January 1, 2006, each long-term care facility operating in the State must initiate, or have initiated on its behalf, a criminal history record check for all employees hired on or after January 1, 2006 with duties that involve or may involve contact with residents or access to the living quarters or the financial, medical, or personal records of residents.

(e) The request for a UCIA criminal history record check must be in the form prescribed by the Department of State Police.

(f) The applicant or employee must be notified of the following whenever a non-fingerprint check is made:

(i) that the health care employer shall request or have requested on his or her behalf a UCIA criminal history record check pursuant to this Act;

(ii) that the applicant or employee has a right to obtain a copy of the criminal records report from the health care employer, challenge the accuracy and completeness of the report, and request a waiver under Section 40 of this Act;

(iii) that the applicant, if hired conditionally, may be terminated if the criminal records report indicates that the applicant has a record of conviction of any of the criminal offenses enumerated in Section 25 unless the applicant's identity is validated and it is determined that the applicant does not have a disqualifying criminal history record based on a fingerprint-based records check pursuant to Section 35.

enumerated in Section 25 unless the applicant's record is cleared based on a fingerprint-based records check pursuant to Section 35.

(v) that the employee may be terminated if the criminal records report indicates that the employee has a record of conviction of any of the criminal offenses enumerated in Section 25 unless the employee's record is cleared based on a fingerprint-based records check pursuant to Section 35.

(g) A health care employer may conditionally employ an applicant for up to 3 months pending the results of a UCIA criminal history record check.

Sec. 40. Waiver.

(1) Information necessary to initiate a fingerprint-based UCIA criminal records check in a form and manner prescribed by the Department of State Police; and

(2) The fee for a fingerprint-based UCIA criminal records check, which shall not exceed the actual cost of the record check.

(a-5) The entity responsible for inspecting, licensing, certifying, or registering the health care employer may accept the results of the fingerprint-based UCIA criminal records check instead of the items required by paragraphs (1) and (2) of subsection (a).

(b) The entity responsible for inspecting, licensing, certifying, or registering the health care employer may grant a waiver based upon any mitigating circumstances, which may include, but need not be limited to:

(8) Health care worker Nurse aide registry records; and

(9) Other evidence demonstrating the ability of the applicant or employee to perform the employment responsibilities competently and evidence that the applicant or employee does not pose a threat to the health or safety of residents, patients, or clients.

(c) The entity responsible for inspecting, licensing, certifying, or registering a health care employer must inform the health care employer if a waiver is being sought and must act upon the waiver request within 30 days of receipt of all necessary information, as defined by rule.

(d) An individual shall not be employed from the time that the employer receives the results of a non-fingerprint check containing disqualifying conditions until the time that the individual receives a waiver from the Department. If the individual challenges the results of the non-fingerprint check, the employer may continue to employ the individual if the individual presents convincing evidence to the employer that the non-fingerprint check is invalid. If the individual challenges the results of the non-fingerprint check, his or her identity shall be validated by a fingerprint-based records check in accordance with Section 35.

(e) The entity responsible for inspecting, licensing, certifying, or registering the health care employer shall be immune from liability for any waivers granted under this Section.

(f) A health care employer is not obligated to employ or offer permanent employment to an applicant, or to retain an employee who is granted a waiver under this Section.

Persons who can demonstrate the existence or history of any medical or health conditions on the list promulgated by the board shall not be required to provide the evidence specified in subsection a. of this Section. The list shall be effective on the first day of the operation of the Plan and may be amended from time to time as appropriate.

The board shall not limit or close enrollment for federally eligible individuals.

(9) Within the 5 years prior to the date a person's Plan application is received by the Board, the person's coverage under any health care benefit program as defined in 18 U.S.C. 24, including any public or private plan or contract under which any medical benefit, item, or service is provided, was terminated as a result of any act or practice that constitutes fraud under State or federal law or as a result of an intentional misrepresentation of material fact; or if that person knowingly and willfully obtained or attempted to obtain, or fraudulently aided or attempted to aid any other person in obtaining, any coverage or benefits under the Plan to which that person was not entitled.

g. Other sources primary; nonduplication of benefits.

(1) The Plan shall be the last payor of benefits whenever any other benefit or source of third party payment is available. Subject to the provisions of subsection e of Section 7, benefits otherwise payable under Plan coverage shall be reduced by all amounts paid or payable by Medicare or any other government program or through any health insurance coverage or group health plan, whether by insurance, reimbursement, or otherwise, or through any third party liability, settlement, judgment, or award, regardless of the date of the settlement, judgment, or award, whether the settlement, judgment, or award is in the form of a contract, agreement, or trust on behalf of a minor or otherwise and whether the settlement, judgment, or award is payable to the covered person, his or her dependent, estate, personal representative, or guardian in a lump sum or over time, and by all hospital or medical expense benefits paid or payable under any worker's compensation coverage, automobile medical payment, or liability insurance, whether provided on the basis of fault or nonfault, and by any hospital or medical benefits paid or payable under or provided pursuant to any State or federal law or program.

(2) The Plan shall have a cause of action against any covered person or any other person or entity for the recovery of any amount paid to the extent the amount was for treatment, services, or supplies not covered in this Section or in excess of benefits as set forth in this Section.
(3) Whenever benefits are due from the Plan because of sickness or an injury to a covered person resulting from a third party's wrongful act or negligence and the covered person has recovered or may recover damages from a third party or its insurer, the Plan shall have the right to reduce benefits or to refuse to pay benefits that otherwise may be payable by the amount of damages that the covered person has recovered or may recover regardless of the date of the sickness or injury or the date of any settlement, judgment, or award resulting from that sickness or injury.

During the pendency of any action or claim that is brought by or on behalf of a covered person against a third party or its insurer, any benefits that would otherwise be payable except for the provisions of this paragraph (3) shall be paid if payment by or for the third party has not yet been made and the covered person or, if incapable, that person's legal representative agrees in writing to pay back promptly the benefits paid as a result of the sickness or injury to the extent of any future payments made by or for the third party for the sickness or injury. This agreement is to apply whether or not liability for the payments is established or admitted by the third party or whether those payments are itemized.

Any amounts due the plan to repay benefits may be deducted from other benefits payable by the Plan after payments by or for the third party are made.

(4) Benefits due from the Plan may be reduced or refused as an offset against any amount otherwise recoverable under this Section.

h. Right of subrogation; recoveries.

(1) Whenever the Plan has paid benefits because of sickness or an injury to any covered person resulting from a third party's wrongful act or negligence, or for which an insurer is liable in accordance with the provisions of any policy of insurance, and the covered person has recovered or may recover damages from a third party that is liable for the damages, the Plan shall have the right to recover the benefits it paid from any amounts that the

New matter indicated by italics - deletions by strikeout
covered person has received or may receive regardless of the date of the sickness or injury or the date of any settlement, judgment, or award resulting from that sickness or injury. The Plan shall be subrogated to any right of recovery the covered person may have under the terms of any private or public health care coverage or liability coverage, including coverage under the Workers' Compensation Act or the Workers' Occupational Diseases Act, without the necessity of assignment of claim or other authorization to secure the right of recovery. To enforce its subrogation right, the Plan may (i) intervene or join in an action or proceeding brought by the covered person or his personal representative, including his guardian, conservator, estate, dependents, or survivors, against any third party or the third party's insurer that may be liable or (ii) institute and prosecute legal proceedings against any third party or the third party's insurer that may be liable for the sickness or injury in an appropriate court either in the name of the Plan or in the name of the covered person or his personal representative, including his guardian, conservator, estate, dependents, or survivors.

(2) If any action or claim is brought by or on behalf of a covered person against a third party or the third party's insurer, the covered person or his personal representative, including his guardian, conservator, estate, dependents, or survivors, shall notify the Plan by personal service or registered mail of the action or claim and of the name of the court in which the action or claim is brought, filing proof thereof in the action or claim. The Plan may, at any time thereafter, join in the action or claim upon its motion so that all orders of court after hearing and judgment shall be made for its protection. No release or settlement of a claim for damages and no satisfaction of judgment in the action shall be valid without the written consent of the Plan to the extent of its interest in the settlement or judgment and of the covered person or his personal representative.

(3) In the event that the covered person or his personal representative fails to institute a proceeding against any appropriate third party before the fifth month before the action would be barred, the Plan may, in its own name or in the name of the covered person or personal representative, commence a proceeding against any appropriate third party for the recovery of damages on account of any sickness, injury, or death to the covered person. The covered person shall cooperate in doing what is reasonably necessary to assist the Plan in any recovery and shall not take any action that would prejudice the Plan's right to recovery. The Plan shall pay to the covered person or his personal representative all sums collected from any third party by judgment or otherwise in excess of amounts paid in benefits under the Plan and amounts paid or to be paid as costs, attorneys fees, and reasonable expenses incurred by the Plan in making the collection or enforcing the judgment.

(4) In the event that a covered person or his personal representative, including his guardian, conservator, estate, dependents, or survivors, recovers damages from a third party for sickness or injury caused to the covered person, the covered person or the personal representative shall pay to the Plan from the damages recovered the amount of benefits paid or to be paid on behalf of the covered person.

(5) When the action or claim is brought by the covered person alone and the covered person incurs a personal liability to pay attorney's fees and costs of litigation, the Plan's claim for reimbursement of the benefits provided to the covered person shall be the full amount of benefits paid to or on behalf of the covered person under this Act less a pro rata share that represents the Plan's reasonable share of attorney's fees paid by the covered person and that portion of the cost of litigation expenses determined by multiplying by the ratio of the full amount of the expenditures to the full amount of the judgement, award, or settlement.

New matter indicated by italics - deletions by strikeout
(6) In the event of judgment or award in a suit or claim against a third party or insurer, the court shall first order paid from any judgment or award the reasonable litigation expenses incurred in preparation and prosecution of the action or claim, together with reasonable attorney's fees. After payment of those expenses and attorney's fees, the court shall apply out of the balance of the judgment or award an amount sufficient to reimburse the Plan the full amount of benefits paid on behalf of the covered person under this Act, provided the court may reduce and apportion the Plan's portion of the judgement proportionate to the recovery of the covered person. The burden of producing evidence sufficient to support the exercise by the court of its discretion to reduce the amount of a proven charge sought to be enforced against the recovery shall rest with the party seeking the reduction. The court may consider the nature and extent of the injury, economic and non-economic loss, settlement offers, comparative negligence as it applies to the case at hand, hospital costs, physician costs, and all other appropriate costs. The Plan shall pay its pro rata share of the attorney fees based on the Plan's recovery as it compares to the total judgment. Any reimbursement rights of the Plan shall take priority over all other liens and charges existing under the laws of this State with the exception of any attorney liens filed under the Attorneys Lien Act.

(7) The Plan may compromise or settle and release any claim for benefits provided under this Act or waive any claims for benefits, in whole or in part, for the convenience of the Plan or if the Plan determines that collection would result in undue hardship upon the covered person.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Meat and Poultry Inspection Act is amended by changing Section 5.2 as follows:

(2) Be permitted to receive live animals and poultry presented by the owner to be slaughtered and processed for the owner's own personal use or for use by his or her household.

(3) Be permitted to receive, for processing, inspected meat products and inspected poultry products for the owner's own personal use or for use by his or her household.

(4) Stamp the words "NOT FOR SALE-NOT INSPECTED" in letters at least 3/8 inches in height on all carcasses of animals and immediate poultry product containers for

New matter indicated by italics - deletions by strikeout
poultry slaughtered in such establishment and on all meat products and immediate poultry product containers for poultry products processed in that establishment.

(5) Conspicuously display a license issued by the Department and bearing the words "NO SALES PERMITTED".

(6) Keep a record of the name and address of the owner of each carcass or portion thereof received in such licensed establishment, the date received, and the dressed weight. Such records shall be maintained for at least one year and shall be available, during reasonable hours, for inspection by Department personnel.

(b) No custom slaughterer or custom processor shall engage in the business of buying or selling any poultry or meat products capable of use as human food, or slaughter of any animals or poultry intended for sale.

(c) Each Type II licensee shall develop, implement, and maintain written standard operating procedures for sanitation, which shall be known as Sanitation SOPs, in accordance with all of the following requirements:

(1) The Sanitation SOPs must describe all procedures that a Type II licensee shall conduct daily, before and during operations, sufficient to prevent direct contamination or adulteration of products.

(2) The Sanitation SOPs must be signed and dated by the individual with overall authority on-site or a higher level official of the establishment. This signature shall signify that the establishment shall implement the Sanitation SOPs as specified and maintain the Sanitation SOPs in accordance with the requirements of this subsection (c). The Sanitation SOPs must be signed and dated upon the initial implementation of the Sanitation SOPs and upon any modification to the Sanitation SOPs.

(3) Procedures set forth in the Sanitation SOPs that are to be conducted prior to operations must be identified as such and must address, at a minimum, the cleaning of food contact surfaces of facilities, equipment, and utensils.
(4) The Sanitation SOPs must specify the frequency with which each procedure in the Sanitation SOPs shall be conducted and identify the establishment employees responsible for the implementation and maintenance of the procedures.

(5) Prior to the start of operations, each licensee must conduct the pre-operational procedures in the Sanitation SOPs. All other procedures set forth in the Sanitation SOPs must be conducted at the frequencies specified.

(6) The implementation of the procedures set forth in the Sanitation SOPs must be monitored daily by the licensee.

(7) A licensee must routinely evaluate the effectiveness of the Sanitation SOPs and the procedures set forth therein in preventing direct contamination or adulteration of products and shall revise both as necessary to keep the Sanitation SOPs and the procedures set forth therein effective and current with respect to changes in facilities, equipment, utensils, operations, or personnel.

(8) A licensee must take appropriate corrective action when either the establishment itself or the Department determines that the Sanitation SOPs or the procedures specified therein or the implementation or maintenance of the Sanitation SOPs may have failed to prevent direct contamination or adulteration of products. Corrective actions include procedures to ensure appropriate disposition of products that may be contaminated, restore sanitary conditions, and prevent the recurrence of direct contamination or adulteration of products, such as appropriate reevaluation and modification of the Sanitation SOPs and the procedures specified therein or appropriate improvements in the execution of the Sanitation SOPs or the procedures specified therein.

(9) A licensee must maintain daily records sufficient to document the implementation and monitoring of the Sanitation SOPs and any corrective actions taken. The establishment employees specified in the Sanitation SOPs as being responsible for the implementation and monitoring of the procedures set forth in the Sanitation SOPs must authenticate these records with their
initials and the date. The records required to be maintained under this item (9) may be maintained on computers, provided that the establishment implements appropriate controls to ensure the integrity of the electronic data. Records must be maintained for at least 6 months and made available to the Department upon request. All records must be maintained at the licensed establishment for 48 hours following completion, after which the records may be maintained off-site, provided that the records may be made available to the Department within 24 hours of request.

(10) The Department shall verify the adequacy and effectiveness of the Sanitation SOPs and the procedures specified therein by determining that they meet the requirements of this subsection (c). This verification may include the following:

(A) reviewing the Sanitation SOPs;
(B) reviewing the daily records documenting the implementation of the Sanitation SOPs and the procedures set forth therein and any corrective actions taken or required to be taken;
(C) direct observation of the implementation of the Sanitation SOPs and the procedures specified therein and any corrective actions taken or required to be taken; and
(D) direct observation or testing to assess the sanitary conditions within the establishment.

(d) Each Type II licensee that slaughters livestock must test for Escherichia coli Biotype 1 (E. coli). Licensees that slaughter more than one type of livestock or both livestock and poultry must test the type of livestock or poultry slaughtered in the greatest number. The testing required under this subsection (d) must meet all of the following requirements:

(1) A licensee must prepare written specimen collection procedures that identify the employees designated to collect samples and must address (i) locations of sampling, (ii) the ways in which sampling randomness is achieved, and (iii) the handling of
samples to ensure sample integrity. This written procedure must be made available to the Department upon request.

(2) Livestock samples must be collected from all chilled livestock carcasses, except those boned before chilling (hot-boned), which must be sampled after the final wash. Samples must be collected in the following manner:

(A) for cattle, establishments must sponge or excise tissue from the flank, brisket, and rump, except for hide-on calves, in which case establishments must take samples by sponging from inside the flank, inside the brisket, and inside the rump;

(B) for sheep and goats, establishments must sponge from the flank, brisket, and rump, except for hide-on carcasses, in which case establishments must take samples by sponging from inside the flank, inside the brisket, and inside the rump;

(C) for swine carcasses, establishments must sponge or excise tissue from the ham, belly, and jowl areas.

(3) A licensee must collect at least one sample per week, starting the first full week of operation after June 1 of each year, and continue sampling at a minimum of once each week in which the establishment operates until June 1 of the following year or until 13 samples have been collected, whichever is sooner.

(4) Upon a licensee’s meeting the requirements of item (3) of this subsection (d), weekly sampling and testing shall be optional, unless changes are made in establishment facilities, equipment, personnel, or procedures that may affect the adequacy of existing process control measures, as determined by the licensee or the Department. Determinations made by the Department that changes have been made requiring the resumption of weekly testing must be provided to the licensee in writing.

(5) Laboratories may use any quantitative method for the analysis of E. coli that is approved as an AOAC Official Method of the AOAC International (formerly the Association of Official

Analytical Chemists) or approved and published by a scientific body and based on the results of a collaborative trial conducted in accordance with an internationally recognized protocol on collaborative trials and compared against the 3 tube Most Probable Number (MPN) method and agreeing with the 95% upper and lower confidence limit of the appropriate MPN index.

(6) A licensee must maintain accurate records of all test results, in terms of CFU/cm$^2$ of surface area sponged or excised. Results must be recorded onto a process control chart or table showing at least the most recent 13 test results, by type of livestock slaughtered. Records shall be retained at the establishment for a period of 12 months and made available to the Department upon request.

(7) Licensees must meet the following criteria for the evaluation of test results:

(A) A licensee excising samples from carcasses shall be deemed as operating within the criteria of this item (7) when the most recent E. coli test result does not exceed the upper limit (M), and the number of samples, if any, testing positive at levels above (m) is 3 or fewer out of the most recent 13 samples (n) taken, as follows:

a Negative is defined by the sensitivity of the method used in the baseline study with a limit of sensitivity of at least 5 CFU/cm$^2$ carcass surface area.

(B) A licensee sponging carcasses shall evaluate E. coli test results using statistical process control techniques.

(8) Test results that do not meet the criteria set forth in item (7) of this subsection (d) are an indication that the establishment may not be maintaining process controls sufficient to prevent fecal contamination. The Department shall take further action as appropriate to ensure that all applicable provisions of this Section are being met.

(e) Each Type II licensee that slaughters poultry shall test for Escherichia coli Biotype 1 (E. coli). Licensees that slaughter more than one type of poultry or poultry and livestock, shall test the type of poultry or livestock slaughtered in the greatest number. The testing required under this subsection (e) must meet all of the following requirements:

(1) A licensee must prepare written specimen collection procedures that identify the employees designated to collect samples and must address (i) locations of sampling, (ii) the ways in which sampling randomness is achieved, and (iii) the handling of samples to ensure sample integrity. This written procedure must be made available to the Department upon request.

(2) When collecting poultry samples, a whole bird must be taken from the end of the slaughter line. Samples must be collected by rinsing the whole carcass in an amount of buffer appropriate for that type of bird. Samples from turkeys or ratites also may be collected by sponging the carcass on the back and thigh.

(3) Licensees that slaughter turkeys, ducks, geese, guineas, squabs, or ratites in the largest number must collect at least one sample during each week of operation after June 1 of each year, and continue sampling at a minimum of once each week that the establishment operates until June 1 of the following year or until 13 samples have been collected, whichever is sooner.

(4) Upon a licensee’s meeting the requirements of item (3) of this subsection (e), weekly sampling and testing shall be optional, unless changes are made in establishment facilities, equipment, personnel, or procedures that may affect the adequacy of existing process control measures, as determined by the licensee or by the Department. Determinations by the Department that

changes have been made requiring the resumption of weekly
testing must be provided to the licensee in writing.

(5) Laboratories may use any quantitative method for the
analysis of E. coli that is approved as an AOAC Official Method of
the AOAC International (formerly the Association of Official
Analytical Chemists) or approved and published by a scientific
body and based on the results of a collaborative trial conducted in
accordance with an internationally recognized protocol on
collaborative trials and compared against the 3 tube Most
Probable Number (MPN) method and agreeing with the 95%
upper and lower confidence limit of the appropriate MPN index.

(6) A licensee must maintain accurate records of all test
results, in terms of CFU/ml of rinse fluid. Results must be recorded
onto a process control chart or table showing the most recent 13
test results, by type of poultry slaughtered. Records must be
retained at the establishment for a period of 12 months and made
available to the Department upon request.

(7) A licensee excising samples under this subsection (e)
shall be deemed as operating within the criteria of this item (7)
when the most recent E. coli test result does not exceed the upper
limit (M), and the number of samples, if any, testing positive at
levels above (m) is 3 or fewer out of the most recent 13 samples (n)
taken, as follows:

(8) Test results that do not meet the criteria set forth in item
(7) of this subsection (e) are an indication that the establishment
may not be maintaining process controls sufficient to prevent fecal
contamination. The Department shall take further action as

Animals originating from a herd where Johne's disease has been diagnosed will be considered no longer "exposed to" with a negative test. The negative test must have been conducted within 30 days prior to the sale or movement.

   (3) With adequate support and assistance from the State and other resources, each community can participate in and shepherd its own economic renewal.
   (4) Successful redevelopment plans are based on policy that is responsive to the existing composition and character of the economically distressed community and that allows and compels the community to participate in the redevelopment planning process.
   (5) A successful redevelopment initiative creates and maintains a capable and adaptable workforce, has access to capital, has a sound fiscal base, has adequate infrastructure, has well-managed natural resources, and has an attractive quality of life.
(b) It is the purpose of this legislation to provide a mechanism for an economically distressed community to use in its efforts to revitalize the community.

Section 10. Definitions. As used in this Section:

"Community" means a municipality or a county with respect to the unincorporated areas of a county.

"Department" means the Department of Commerce and Economic Opportunity.

"Economically distressed community" means (i) in the case of a municipality with a population of 25,000 or more, the municipality is certified by the Department as being in the highest 10% of all municipalities of 25,000 or more in the State in its average annual total unemployment rate for the last completed calendar year and its poverty rate, pursuant to the most recent U.S. census data available or (ii) in the case of a municipality with a population of less than 25,000 or an unincorporated area, a municipality or unincorporated area that is located at least partly in a county that is certified by the Department as being in the highest 10% of all counties in its average annual total unemployment rate for the last completed calendar year and its poverty rate, pursuant to the most recent U.S. census data available.

Section 15. Certification; Board of Economic Advisors.

(a) In order to receive the assistance as provided in this Act, a community shall first, by ordinance passed by its corporate authorities, request that the Department certify that it is an economically distressed community. The community must submit a certified copy of the ordinance to the Department. After review of the ordinance, if the Department determines that the community meets the requirements for certification, the Department may certify the community as an economically distressed community.

(b) A community that is certified by the Department as an economically distressed community may appoint a Board of Economic Advisors to create and implement a revitalization plan for the community. The Board shall consist of 18 members of the community, appointed by the mayor or the presiding officer of the county or jointly by the presiding
officers of each municipality and county that have joined to form a community for the purposes of this Act. Up to 18 Board members may be appointed from the following vital sectors:

The Board shall meet initially within 30 days of its appointment, shall select one member as chairperson at its initial meeting, and shall thereafter meet at the call of the chairperson. Members of the Board shall serve without compensation.

(c) One third of the initial appointees shall serve for 2 years, one third shall serve for 3 years, and one third shall serve for 4 years, as determined by lot. Subsequent appointees shall serve terms of 5 years.

(d) The Board shall create a 3-year to 5-year revitalization plan for the community. The plan shall contain distinct, measurable objectives for revitalization. The objectives shall be used to guide ongoing implementation of the plan and to measure progress during the 3-year to 5-year period. The Board shall work in a dynamic manner defining goals for the community based on the strengths and weaknesses of the individual sectors of the community as presented by each member of the Board. The Board shall meet periodically and revise the plan in light of the input from each member of the Board concerning his or her respective sector of expertise. The process shall be a community driven revitalization process, with community-specific data determining the direction and scope of the revitalization.

Section 20. Action by the Board.

(a) Organize. The Board shall first assess the needs and the resources of the community operating from the basic premise that the family unit is the primary unit of community and that the demand for goods and services from this residential sector is the main source of recovery and growth for the redevelopment of a community. The Board shall inventory community assets, including the condition of the family with respect to the role of the family as workers, consumers, and investors. The Board shall inventory the type and viability of businesses and industries currently in the community. In compiling the inventory, the Board shall rely on the input of each Board member with respect to his or her expertise in a given sector of the revitalization plan.

(b) Revitalize. In implementing the revitalization plan, the Board shall focus on and build from existing resources in the community, growing existing businesses rather than luring business into the community from the outside. The Board shall also focus on the residents themselves rather than jobs. The Board shall promote investment in training residents in areas that will lead to employment and in turn will bring revenue into the community.

(c) Mobilize. The Board shall engage in the dynamic process of community self-revitalization through a continuous reassessment of the needs of the community in the revitalization process. As each goal of the 3-year to 5-year plan is achieved, the Board shall draw from the resources of its members to establish new goals and implement new strategies employing the lessons learned in the earlier stages of revitalization.

(d) Advise. The Board shall act as the liaison between the community and the local, county, and State Government. The Board shall make use of the resources of these governmental entities and shall provide counsel to each of these bodies with respect to economic development.

The Board shall also act as a liaison between private business entities located in the community and the community itself. The Board shall offer advice and assistance to these entities when requested and provide incentives and support, both economic and otherwise, to facilitate expansion and further investment in the community by the businesses.

The Board shall annually submit a report to the General Assembly and the Governor summarizing the accomplishments of the community concerning revitalization and the goals of the community for future revitalization.

Section 25. Funding sources. Subject to appropriation, the Department may make grants to communities that are certified as economically distressed communities under this Act and that create a Board of Economic Advisors under this Act for the operational expenses of the Board. The procedures for grant application shall be established by the Department by rule.

(e) Whenever a peace officer reasonably believes that a person under arrest for a violation of Section 11-501 of this Code or a similar provision of a local ordinance is likely, upon release, to commit a subsequent violation of Section 11-501, or a similar provision of a local ordinance, the arresting officer shall have the vehicle which the person was operating at the time of the arrest impounded for a period of not more than 12 hours after the time of arrest. However, such vehicle may be released by the arresting law enforcement agency prior to the end of the impoundment period if:

   (1) the vehicle was not owned by the person under arrest, and the lawful owner requesting such release possesses a valid operator's license, proof of ownership, and would not, as determined by the arresting law enforcement agency, indicate a lack of ability to operate a motor vehicle in a safe manner, or who would otherwise, by operating such motor vehicle, be in violation of this Code; or

operate a motor vehicle in a safe manner or who would otherwise, by operating such motor vehicle, be in violation of this Code.

(e-5) Whenever a registered owner of a vehicle is taken into custody for operating the vehicle in violation of Section 11-501 of this Code or a similar provision of a local ordinance or Section 6-303 of this Code, a law enforcement officer may have the vehicle immediately impounded for a period not less than:

The vehicle may be released sooner if the vehicle is owned by the person under arrest and the person under arrest gives permission to another person to operate the vehicle and that other person possesses a valid operator's license and would not, as determined by the arresting law enforcement agency, indicate a lack of ability to operate a motor vehicle in a safe manner or would otherwise, by operating the motor vehicle, be in violation of this Code.

(f) Except as provided in Chapter 18a of this Code, the owner or lessor of privately owned real property within this State, or any person authorized by such owner or lessor, or any law enforcement agency in the case of publicly owned real property may cause any motor vehicle abandoned or left unattended upon such property without permission to be removed by a towing service without liability for the costs of removal, transportation or storage or damage caused by such removal, transportation or storage. The towing or removal of any vehicle from private property without the consent of the registered owner or other legally authorized person in control of the vehicle is subject to compliance with the following conditions and restrictions:

1. Any towed or removed vehicle must be stored at the site of the towing service's place of business. The site must be open during business hours, and for the purpose of redemption of
vehicles, during the time that the person or firm towing such vehicle is open for towing purposes.

2. The towing service shall within 30 minutes of completion of such towing or removal, notify the law enforcement agency having jurisdiction of such towing or removal, and the make, model, color and license plate number of the vehicle, and shall obtain and record the name of the person at the law enforcement agency to whom such information was reported.

3. If the registered owner or legally authorized person entitled to possession of the vehicle shall arrive at the scene prior to actual removal or towing of the vehicle, the vehicle shall be disconnected from the tow truck and that person shall be allowed to remove the vehicle without interference, upon the payment of a reasonable service fee of not more than one half the posted rate of the towing service as provided in paragraph 6 of this subsection, for which a receipt shall be given.

4. The rebate or payment of money or any other valuable consideration from the towing service or its owners, managers or employees to the owners or operators of the premises from which the vehicles are towed or removed, for the privilege of removing or towing those vehicles, is prohibited. Any individual who violates this paragraph shall be guilty of a Class A misdemeanor.

5. Except for property appurtenant to and obviously a part of a single family residence, and except for instances where notice is personally given to the owner or other legally authorized person in control of the vehicle that the area in which that vehicle is parked is reserved or otherwise unavailable to unauthorized vehicles and they are subject to being removed at the owner or operator's expense, any property owner or lessor, prior to towing or removing any vehicle from private property without the consent of the owner or other legally authorized person in control of that vehicle, must post a notice meeting the following requirements:

a.1. In a municipality with a population of less than 250,000, as an alternative to the requirement of subparagraph a of this subdivision (f)5, the notice for a parking lot contained within property used solely for a 2-family, 3-family, or 4-family residence may be prominently placed at the perimeter of the parking lot, in a position where the notice is visible to the occupants of vehicles entering the lot.

b. The notice must indicate clearly, in not less than 2 inch high light-reflective letters on a contrasting background, that unauthorized vehicles will be towed away at the owner's expense.

c. The notice must also provide the name and current telephone number of the towing service towing or removing the vehicle.

d. The sign structure containing the required notices must be permanently installed with the bottom of the sign not less than 4 feet above ground level, and must be continuously maintained on the property for not less than 24 hours prior to the towing or removing of any vehicle.

storage charges, however, shall not exceed the maximum allowed by the Illinois Commerce Commission under Section 18a-200.

7. No person shall engage in the removal of vehicles from private property as described in this Section without filing a notice of intent in each community where he intends to do such removal, and such notice shall be filed at least 7 days before commencing such towing.

8. No removal of a vehicle from private property shall be done except upon express written instructions of the owners or persons in charge of the private property upon which the vehicle is said to be trespassing.

9. Vehicle entry for the purpose of removal shall be allowed with reasonable care on the part of the person or firm towing the vehicle. Such person or firm shall be liable for any damages occasioned to the vehicle if such entry is not in accordance with the standards of reasonable care.

10. When a vehicle has been towed or removed pursuant to this Section, it must be released to its owner or custodian within one half hour after requested, if such request is made during business hours. Any vehicle owner or custodian or agent shall have the right to inspect the vehicle before accepting its return, and no release or waiver of any kind which would release the towing service from liability for damages incurred during the towing and storage may be required from any vehicle owner or other legally authorized person as a condition of release of the vehicle. A detailed, signed receipt showing the legal name of the towing service must be given to the person paying towing or storage charges at the time of payment, whether requested or not.

This Section shall not apply to law enforcement, firefighting, rescue, ambulance, or other emergency vehicles which are marked as such or to property owned by any governmental entity.

When an authorized person improperly causes a motor vehicle to be removed, such person shall be liable to the owner or lessee of the vehicle for the cost or removal, transportation and storage, any damages
resulting from the removal, transportation and storage, attorney's fee and court costs.

Any towing or storage charges accrued shall be payable by the use of any major credit card, in addition to being payable in cash.

11. Towing companies shall also provide insurance coverage for areas where vehicles towed under the provisions of this Chapter will be impounded or otherwise stored, and shall adequately cover loss by fire, theft or other risks.

Any person who fails to comply with the conditions and restrictions of this subsection shall be guilty of a Class C misdemeanor and shall be fined not less than $100 nor more than $500.

(g) When a vehicle is determined to be a hazardous dilapidated motor vehicle pursuant to Section 11-40-3.1 of the Illinois Municipal Code, its removal and impoundment by a towing service may be authorized by a law enforcement agency with appropriate jurisdiction.

When a vehicle removal from either public or private property is authorized by a law enforcement agency, the owner of the vehicle shall be responsible for all towing and storage charges.

Vehicles removed from public or private property and stored by a commercial vehicle relocator or any other towing service in compliance with this Section and Sections 4-201 and 4-202 of this Code, or at the request of the vehicle owner or operator, shall be subject to a possessor lien for services pursuant to the Labor and Storage Lien (Small Amount) Act. The provisions of Section 1 of that Act relating to notice and implied consent shall be deemed satisfied by compliance with Section 18a-302 and subsection (6) of Section 18a-300. In no event shall such lien be greater than the rate or rates established in accordance with subsection (6) of Section 18a-200 of this Code. In no event shall such lien be increased or altered to reflect any charge for services or materials rendered in addition to those authorized by this Act. Every such lien shall be payable by use of any major credit card, in addition to being payable in cash.

Any personal property belonging to the vehicle owner in a vehicle subject to a lien under this subsection (g) shall likewise be subject to that lien, excepting only: food; medicine; perishable property; any operator's
licenses; any cash, credit cards, or checks or checkbooks; and any wallet, purse, or other property containing any operator's license or other identifying documents or materials, cash, credit cards, checks, or checkbooks.

At no time while delivering alcoholic beverages within this State may any representative, agent, or employee of an express company, common carrier, or contract carrier that carries or transports alcoholic liquor for delivery within this State deliver the alcoholic liquor to a residential address without the acknowledgment of the consignee and without first obtaining a signature at the time of the delivery by an adult who is at least 21 years of age. A signature of a person on file with the express company, common carrier, or contract carrier does not constitute acknowledgement of the consignee. Any express company, common carrier, or contract carrier that transports alcoholic liquor for delivery within this State that violates this item (ii) of this subsection (a) by delivering alcoholic liquor without the acknowledgement of the consignee and without first obtaining a signature at the time of the delivery by an adult who is at least 21 years of age is guilty of a business offense for which the express company, common carrier, or contract carrier that transports alcoholic liquor within this State shall be fined not more than $1,001 for a first offense, not more than $5,000 for a second offense, and not more than $10,000 for a third or subsequent offense. An express company, common carrier, or contract carrier shall be held vicariously liable for the actions of its representatives, agents, or employees. For purposes of this Act, in addition to other methods authorized by law, an express company, common carrier, or contract carrier shall be considered served with process when a representative, agent, or employee alleged to have violated this Act is personally served. Each shipment of alcoholic liquor delivered in violation of this item (ii) of this subsection (a) constitutes a separate offense. (iii) No person, after purchasing or otherwise obtaining alcoholic liquor, shall sell, give, or deliver such alcoholic liquor to another person under the age of 21 years, except in the performance of a religious ceremony or service. Except as otherwise provided in item (ii), any express company, common carrier, or contract carrier that transports alcoholic liquor within this State that violates the provisions of item (i), (ii), or (iii) of this paragraph of this subsection (a) is guilty of a Class A misdemeanor and the sentence shall include, but shall not be limited to, a fine of not less than $500. Any person who violates the

provisions of item (iii) of this paragraph of this subsection (a) is guilty of a Class A misdemeanor and the sentence shall include, but shall not be limited to a fine of not less than $500 for a first offense and not less than $2,000 for a second or subsequent offense. Any person who knowingly violates the provisions of item (iii) of this paragraph of this subsection (a) is guilty of a Class 4 felony if a death occurs as the result of the violation.

If a licensee or officer, associate, member, representative, agent, or employee of the licensee, or a representative, agent, or employee of an express company, common carrier, or contract carrier that carries or transports alcoholic liquor for delivery within this State, is prosecuted under this paragraph of this subsection (a) for selling, giving, or delivering alcoholic liquor to a person under the age of 21 years, the person under 21 years of age who attempted to buy or receive the alcoholic liquor may be prosecuted pursuant to Section 6-20 of this Act, unless the person under 21 years of age was acting under the authority of a law enforcement agency, the Illinois Liquor Control Commission, or a local liquor control commissioner pursuant to a plan or action to investigate, patrol, or conduct any similar enforcement action.

For the purpose of preventing the violation of this Section, any licensee, or his agent or employee, or a representative, agent, or employee of an express company, common carrier, or contract carrier that carries or transports alcoholic liquor for delivery within this State, shall refuse to sell, deliver, or serve alcoholic beverages to any person who is unable to produce adequate written evidence of identity and of the fact that he or she is over the age of 21 years, if requested by the licensee, agent, employee, or representative.

Adequate written evidence of age and identity of the person is a document issued by a federal, state, county, or municipal government, or subdivision or agency thereof, including, but not limited to, a motor vehicle operator's license, a registration certificate issued under the Federal Selective Service Act, or an identification card issued to a member of the Armed Forces. Proof that the defendant-licensee, or his employee or agent, or the representative, agent, or employee of the express company, common carrier, or contract carrier that carries or transports alcoholic liquor for

delivery within this State demanded, was shown and reasonably relied upon such written evidence in any transaction forbidden by this Section is an affirmative defense in any criminal prosecution therefor or to any proceedings for the suspension or revocation of any license based thereon. It shall not, however, be an affirmative defense if the agent or employee accepted the written evidence knowing it to be false or fraudulent. If a false or fraudulent Illinois driver's license or Illinois identification card is presented by a person less than 21 years of age to a licensee or the licensee's agent or employee for the purpose of ordering, purchasing, attempting to purchase, or otherwise obtaining or attempting to obtain the serving of any alcoholic beverage, the law enforcement officer or agency investigating the incident shall, upon the conviction of the person who presented the fraudulent license or identification, make a report of the matter to the Secretary of State on a form provided by the Secretary of State.

However, no agent or employee of the licensee or employee of an express company, common carrier, or contract carrier that carries or transports alcoholic liquor for delivery within this State shall be disciplined or discharged for selling or furnishing liquor to a person under 21 years of age if the agent or employee demanded and was shown, before furnishing liquor to a person under 21 years of age, adequate written evidence of age and identity of the person issued by a federal, state, county or municipal government, or subdivision or agency thereof, including but not limited to a motor vehicle operator's license, a registration certificate issued under the Federal Selective Service Act, or an identification card issued to a member of the Armed Forces. This paragraph, however, shall not apply if the agent or employee accepted the written evidence knowing it to be false or fraudulent.

Any person who sells, gives, or furnishes to any person under the age of 21 years any false or fraudulent written, printed, or photostatic evidence of the age and identity of such person or who sells, gives or furnishes to any person under the age of 21 years evidence of age and identification of any other person is guilty of a Class A misdemeanor and
the person's sentence shall include, but shall not be limited to, a fine of not less than $500.

Any person under the age of 21 years who presents or offers to any licensee, his agent or employee, any written, printed or photostatic evidence of age and identity that is false, fraudulent, or not actually his or her own for the purpose of ordering, purchasing, attempting to purchase or otherwise procuring or attempting to procure, the serving of any alcoholic beverage, who falsely states in writing that he or she is at least 21 years of age when receiving alcoholic liquor from a representative, agent, or employee of an express company, common carrier, or contract carrier, or who has in his or her possession any false or fraudulent written, printed, or photostatic evidence of age and identity, is guilty of a Class A misdemeanor and the person's sentence shall include, but shall not be limited to, the following: a fine of not less than $500 and at least 25 hours of community service. If possible, any community service shall be performed for an alcohol abuse prevention program.

Any person under the age of 21 years who has any alcoholic beverage in his or her possession on any street or highway or in any public place or in any place open to the public is guilty of a Class A misdemeanor. This Section does not apply to possession by a person under the age of 21 years making a delivery of an alcoholic beverage in pursuance of the order of his or her parent or in pursuance of his or her employment.

(a-1) It is unlawful for any parent or guardian to knowingly permit his or her residence to be used by an invitee of the parent's child or the guardian's ward, if the invitee is under the age of 21, in a manner that constitutes a violation of this Section. A parent or guardian is deemed to have knowingly permitted his or her residence to be used in violation of this Section if he or she knowingly authorizes, enables, or permits consumption of alcoholic liquor by underage invitees. Such use to occur by failing to control access to either the residence or the alcoholic liquor maintained in the residence. Any person who violates this subsection (a-1) is guilty of a Class A misdemeanor and the person's sentence shall include, but shall not be limited to, a fine of not less than $500. Where a violation

of this subsection (a-1) directly or indirectly results in great bodily harm
or death to any person, the person violating this subsection shall be guilty
of a Class 4 felony. Nothing in this subsection (a-1) shall be construed to
prohibit the giving of alcoholic liquor to a person under the age of 21 years
in the performance of a religious ceremony or service in observation of a
religious holiday.

(b) Except as otherwise provided in this Section whoever violates
this Section shall, in addition to other penalties provided for in this Act, be
guilty of a Class A misdemeanor.

(c) Any person shall be guilty of a Class A misdemeanor where he
or she knowingly permits a gathering at a residence which he or she
occupies of two or more persons where any one or more of the persons is
under 21 years of age and the following factors also apply:
   (1) the person occupying the residence knows that any such
       person under the age of 21 is in possession of or is consuming any
       alcoholic beverage; and
   (2) the possession or consumption of the alcohol by the
       person under 21 is not otherwise permitted by this Act; and
   (3) the person occupying the residence knows that the
       person under the age of 21 leaves the residence in an intoxicated
       condition.

   For the purposes of this subsection (c) where the residence has an
owner and a tenant or lessee, there is a rebuttable presumption that the
residence is occupied only by the tenant or lessee.

(d) Any person who rents a hotel or motel room from the proprietor
or agent thereof for the purpose of or with the knowledge that such room
shall be used for the consumption of alcoholic liquor by persons under the
age of 21 years shall be guilty of a Class A misdemeanor.

(e) Except as otherwise provided in this Act, any person who has
alcoholic liquor in his or her possession on public school district property
on school days or at events on public school district property when
children are present is guilty of a petty offense, unless the alcoholic liquor

possession of a person who is not otherwise legally prohibited from

Section 5. The Illinois Act on the Aging is amended by changing Section 4.02 as follows:

(20 ILCS 105/4.02) (from Ch. 23, par. 6104.02)

Such preventive services, which may be coordinated with other programs for the aged and monitored by area agencies on aging in cooperation with the Department, may include, but are not limited to, any or all of the following:

(k-8) emergency home response;
(l) other nonmedical social services that may enable the person to become self-supporting; or
(m) clearinghouse for information provided by senior citizen home owners who want to rent rooms to or share living space with other senior citizens.

The Department shall establish eligibility standards for such services taking into consideration the unique economic and social needs of the target population for whom they are to be provided. Such eligibility standards shall be based on the recipient's ability to pay for services; provided, however, that in determining the amount and nature of services for which a person may qualify, consideration shall not be given to the value of cash, property or other assets held in the name of the person's spouse pursuant to a written agreement dividing marital property into equal but separate shares or pursuant to a transfer of the person's interest in a home to his spouse, provided that the spouse's share of the marital property is not made available to the person seeking such services.

Beginning July 1, 2002, the Department shall require as a condition of eligibility that all financially eligible applicants and recipients apply for medical assistance under Article V of the Illinois Public Aid Code in accordance with rules promulgated by the Department.

Beginning January 1, 2008, the Department shall require as a condition of eligibility that all new financially eligible applicants apply for and enroll in medical assistance under Article V of the Illinois Public Aid Code in accordance with rules promulgated by the Department.

The Department shall, in conjunction with the Department of Public Aid (now Department of Healthcare and Family Services), seek appropriate amendments under Sections 1915 and 1924 of the Social Security Act. The purpose of the amendments shall be to extend eligibility for home and community based services under Sections 1915 and 1924 of the Social Security Act to persons who transfer to or for the benefit of a spouse those amounts of income and resources allowed under Section 1924 of the Social Security Act. Subject to the approval of such amendments, the Department shall extend the provisions of Section 5-4 of
the Illinois Public Aid Code to persons who, but for the provision of home or community-based services, would require the level of care provided in an institution, as is provided for in federal law. Those persons no longer found to be eligible for receiving noninstitutional services due to changes in the eligibility criteria shall be given 60 days notice prior to actual termination. Those persons receiving notice of termination may contact the Department and request the determination be appealed at any time during the 60 day notice period. With the exception of the lengthened notice and time frame for the appeal request, the appeal process shall follow the normal procedure. In addition, each person affected regardless of the circumstances for discontinued eligibility shall be given notice and the opportunity to purchase the necessary services through the Community Care Program. If the individual does not elect to purchase services, the Department shall advise the individual of alternative services. The target population identified for the purposes of this Section are persons age 60 and older with an identified service need. Priority shall be given to those who are at imminent risk of institutionalization. The services shall be provided to eligible persons age 60 and older to the extent that the cost of the services together with the other personal maintenance expenses of the persons are reasonably related to the standards established for care in a group facility appropriate to the person's condition. These non-institutional services, pilot projects or experimental facilities may be provided as part of or in addition to those authorized by federal law or those funded and administered by the Department of Human Services. The Departments of Human Services, Healthcare and Family Services, Public Health, Veterans' Affairs, and Commerce and Economic Opportunity and other appropriate agencies of State, federal and local governments shall cooperate with the Department on Aging in the establishment and development of the non-institutional services. The Department shall require an annual audit from all chore/housekeeping and homemaker vendors contracting with the Department under this Section. The annual audit shall assure that each audited vendor's procedures are in compliance with Department's financial reporting guidelines requiring an administrative and employee wage and benefits cost split as defined in administrative rules. The audit is a public

record under the Freedom of Information Act. The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department of Healthcare and Family Services, to effect the following: (1) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (2) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped. On and after July 1, 1996, all nursing home prescreenings for individuals 60 years of age or older shall be conducted by the Department.

As part of the Department on Aging's routine training of case managers and case manager supervisors, the Department may include information on family futures planning for persons who are age 60 or older and who are caregivers of their adult children with developmental disabilities. The content of the training shall be at the Department's discretion.

The Department is authorized to establish a system of recipient copayment for services provided under this Section, such copayment to be based upon the recipient's ability to pay but in no case to exceed the actual cost of the services provided. Additionally, any portion of a person's income which is equal to or less than the federal poverty standard shall not be considered by the Department in determining the copayment. The level of such copayment shall be adjusted whenever necessary to reflect any change in the officially designated federal poverty standard.

The Department, or the Department's authorized representative, shall recover the amount of moneys expended for services provided to or in behalf of a person under this Section by a claim against the person's estate or against the estate of the person's surviving spouse, but no recovery may be had until after the death of the surviving spouse, if any, and then only at such time when there is no surviving child who is under age 21, blind, or permanently and totally disabled. This paragraph, however, shall not bar recovery, at the death of the person, of moneys for services provided to the person or in behalf of the person under this Section to which the person was not entitled; provided that such recovery
shall not be enforced against any real estate while it is occupied as a homestead by the surviving spouse or other dependent, if no claims by other creditors have been filed against the estate, or, if such claims have been filed, they remain dormant for failure of prosecution or failure of the claimant to compel administration of the estate for the purpose of payment. This paragraph shall not bar recovery from the estate of a spouse, under Sections 1915 and 1924 of the Social Security Act and Section 5-4 of the Illinois Public Aid Code, who precedes a person receiving services under this Section in death. All moneys for services paid to or in behalf of the person under this Section shall be claimed for recovery from the deceased spouse's estate. "Homestead", as used in this paragraph, means the dwelling house and contiguous real estate occupied by a surviving spouse or relative, as defined by the rules and regulations of the Department of Healthcare and Family Services, regardless of the value of the property.

The Department shall increase the effectiveness of the existing Community Care Program by:

(1) ensuring that in-home services included in the care plan are available on evenings and weekends;

(2) ensuring that care plans contain the services that eligible participants' need based on the number of days in a month, not limited to specific blocks of time, as identified by the comprehensive assessment tool selected by the Department for use statewide, not to exceed the total monthly service cost maximum allowed for each service. The Department shall develop administrative rules to implement this item (2);

(3) ensuring that the participants have the right to choose the services contained in their care plan and to direct how those services are provided, based on administrative rules established by the Department;

(4) ensuring that the determination of need tool is accurate in determining the participants' level of need; to achieve this, the Department, in conjunction with the Older Adult Services Advisory Committee, shall institute a study of the relationship between the

Determination of Need scores, level of need, Service Cost Maximums and the development and utilization of service plans no later than May 1, 2008; findings and recommendations shall be presented to the Governor and the General Assembly no later than January 1, 2009; recommendations shall include all needed changes to the service cost maximums schedule and additional covered services;

(5) ensuring that homemakers can provide personal care services that may or may not involve contact with clients, including but not limited to:
   (A) bathing;
   (B) grooming;
   (C) toileting;
   (D) nail care;
   (E) transferring;
   (F) respiratory services;
   (G) exercise; or
   (H) positioning;

(6) ensuring that homemaker program vendors are not restricted from hiring homemakers who are family members of clients or recommended by clients; the Department may not, by rule or policy, require homemakers who are family members of clients or recommended by clients to accept assignments in homes other than the client; and

(7) ensuring that the State may access maximum federal matching funds by seeking approval for the Centers for Medicare and Medicaid Services for modifications to the State's home and community based services waiver and additional waiver opportunities in order to maximize federal matching funds; this shall include, but not be limited to, modification that reflects all changes in the Community Care Program services and all increases in the Services Cost Maximum.

By January 1, 2009 or as soon after the end of the Cash and Counseling Demonstration Project as is practicable, the Department may,
based on its evaluation of the demonstration project, promulgate rules concerning personal assistant services to include, but need not be limited to, qualifications, employment screening, rights under fair labor standards, training, fiduciary agent, and supervision requirements. All applicants shall be subject to the provisions of the Health Care Worker Background Check Act.

The Department shall develop procedures to enhance availability of services on evenings, weekends, and on an emergency basis to meet the respite needs of caregivers. Procedures shall be developed to permit the utilization of services in successive blocks of 24 hours up to the monthly maximum established by the Department. Workers providing these services shall be appropriately trained.

Beginning on the effective date of this Amendatory Act of 1991, no person may perform chore/housekeeping and homemaker services under a program authorized by this Section unless that person has been issued a certificate of pre-service to do so by his or her employing agency. Information gathered to effect such certification shall include (i) the person's name, (ii) the date the person was hired by his or her current employer, and (iii) the training, including dates and levels. Persons engaged in the program authorized by this Section before the effective date of this amendatory Act of 1991 shall be issued a certificate of all pre- and in-service training from his or her employer upon submitting the necessary information. The employing agency shall be required to retain records of all staff pre- and in-service training, and shall provide such records to the Department upon request and upon termination of the employer's contract with the Department. In addition, the employing agency is responsible for the issuance of certifications of in-service training completed to their employees.

The Department is required to develop a system to ensure that persons working as homemakers and chore housekeepers receive increases in their wages when the federal minimum wage is increased by requiring vendors to certify that they are meeting the federal minimum wage statute for homemakers and chore housekeepers. An employer that cannot ensure

that the minimum wage increase is being given to homemakers and chore housekeepers shall be denied any increase in reimbursement costs.

The Community Care Program Advisory Committee is created in the Department on Aging. The Director shall appoint individuals to serve in the Committee, who shall serve at their own expense. Members of the Committee must abide by all applicable ethics laws. The Committee shall advise the Department on issues related to the Department's program of services to prevent unnecessary institutionalization. The Committee shall meet on a bi-monthly basis and shall serve to identify and advise the Department on present and potential issues affecting the service delivery network, the program's clients, and the Department and to recommend solution strategies. Persons appointed to the Committee shall be appointed on, but not limited to, their own and their agency's experience with the program, geographic representation, and willingness to serve. The Committee shall include, but not be limited to, representatives from the following agencies and organizations:

(a) at least 4 adult day service representatives;

AN ACT concerning construction contracts.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Contractor Prompt Payment Act.

Section 5. Definitions. In this Act:

(a) "Payment application" means, in accordance with the terms and definitions of the applicable contract, any invoice, bill or other request for periodic payment, final payment, payment of change order or request for release of retainage from the contractor to the owner.

(b) "Construction contract" means a contract or subcontract, entered into after the effective date of this Act, for the design, construction, alteration, improvement, or repair of Illinois real property, except for contracts that require the expenditure of public funds and contracts for the design, construction, alteration, improvement, or repair of single family residences or multiple family residences with 12 or fewer units in a single building.

(c) "Contractor" and "subcontractor" shall have the meanings ascribed to them by the Illinois Mechanics Lien Act and cases decided under that Act.

Section 10. Construction contracts. All construction contracts shall be deemed to provide the following:

(1) If a contractor has performed in accordance with the provisions of a construction contract and the payment application has been approved by the owner or the owner's agent, the owner shall pay the amount due to the contractor pursuant to the payment application not more than 15 calendar days after the approval. The payment application shall be deemed approved 25 days after the owner receives it unless the owner provides, before the end of the 25-day period, a written statement of the amount withheld and the reason for withholding payment. If the owner finds that a portion of the work not in accordance with the contract, payment may be

withheld for the reasonable value of that portion only. Payment shall be made for any portion of the contract for which the work has been performed in accordance with the provisions of the contract. Instructions or notification from an owner to his or her lender or architect to process or pay a payment application does not constitute approval of the payment application under this Act.

(2) If a subcontractor has performed in accordance with the provisions of his or her contract with the contractor or subcontractor and the work has been accepted by the owner, the owner's agent, or the contractor, the contractor shall pay to his or her subcontractor and the subcontractor shall pay to his or her subcontractor, within 15 calendar days of the contractor's receipt from the owner or the subcontractor's receipt from the contractor of each periodic payment, final payment, or receipt of retainage monies, the full amount received for the work of the subcontractor based on the work completed or the services rendered under the construction contract.

Section 15. Interest; suspension of performance.

(a) If a payment due pursuant to the provisions of this Act is not made in a timely manner, the delinquent party shall be liable for the amount of that payment, plus interest at a rate equal to 10% per annum.

(b) A contractor or subcontractor who is not paid as required by this Act may, after providing 7 calendar days' written notice to the party failing to make the required payment, suspend performance of a construction contract without penalty for breach of contract, until the payment required pursuant to this Act is made.

(c) The interest imposed by this Act shall not be duplicative of the interest charged under the Mechanics Lien Act.

Section 99. Effective date. This Act shall take effect upon becoming law.

(755 ILCS 5/11-5.4)

Sec. 11-5.4. Short-term guardian.

(a) A parent, adoptive parent, or adjudicated parent whose parental rights have not been terminated, or the guardian of the person of a minor may appoint in writing, without court approval, a short-term guardian of an unmarried minor or a child likely to be born. The written instrument appointing a short-term guardian shall be dated and shall identify the appointing parent or guardian, the minor, and the person appointed to be the short-term guardian. The written instrument shall be signed by, or at the direction of, the appointing parent in the presence of at least 2 credible witnesses at least 18 years of age, neither of whom is the person appointed as the short-term guardian. The person appointed as the short-term guardian shall also sign the written instrument, but need not sign at the same time as the appointing parent.

(b) A parent or guardian shall not appoint a short-term guardian of a minor if the minor has another living parent, adoptive parent or adjudicated parent, whose parental rights have not been terminated, whose whereabouts are known, and who is willing and able to make and carry out day-to-day child care decisions concerning the minor, unless the nonappointing parent consents to the appointment by signing the written instrument of appointment.

(c) The appointment of the short-term guardian is effective immediately upon the date the written instrument is executed, unless the written instrument provides for the appointment to become effective upon a later specified date or event. The short-term guardian shall have authority to act as guardian of the minor as provided in Section 11-13.2 for a period
of 365 60 days from the date the appointment is effective, unless the
written instrument provides for the appointment to terminate upon an
earlier specified date or event. Only one written instrument appointing a
short-term guardian may be in force at any given time.

(d) Every appointment of a short-term guardian may be amended or
revoked by the appointing parent or by the appointing guardian of the
person of the minor at any time and in any manner communicated to the
short-term guardian or to any other person. Any person other than the
short-term guardian to whom a revocation or amendment is communicated
or delivered shall make all reasonable efforts to inform the short-term
 guardian of that fact as promptly as possible.

(e) The appointment of a short-term guardian or successor short-
term guardian does not affect the rights of the other parent in the minor.

(f) The written instrument appointing a short-term guardian may, but need not, be in the following form:

[IT IS IMPORTANT TO READ THE FOLLOWING INSTRUCTIONS:

By properly completing this form, a parent or the guardian of the
person of the child is appointing a guardian of a child of the parent (or a

Sec. 10-30. Expiration, renewal, and continuing education.

(a) License expiration dates, renewal periods, renewal fees, and procedures for renewal of licenses issued under this Act shall be set by
rule of the Department. An entity may renew its license by paying the required fee and by meeting the renewal requirements adopted by the Department under this Section. A license issued under this Act shall expire every 2 years beginning on September 30, 2001. The OBRE shall issue a renewal license without examination to an applicant upon submission of a completed renewal application and payment of the required fee:

(b) All renewal applicants must provide proof as determined by the Department of having met the continuing education requirements set forth by the Department by rule. At a minimum, the rules shall require an applicant for renewal licensure as an auctioneer or associate auctioneer to provide proof of the completion of at least 12 hours of continuing education during the pre-renewal period preceding the expiration date of the license from schools approved by the Department, as established by rule. The OBRE shall develop a program for continuing education as established in Article 25 of this Act. No auctioneer or associate auctioneer shall receive a renewal license without completing 12 hours of approved continuing education course work during the pre-renewal period prior to the expiration date of the license from continuing education schools that are approved by the OBRE, as established in Article 25 of this Act. The applicant shall verify on the application that he or she:

(c) The Department, in its discretion, may waive enforcement of the continuing education requirements of this Section and shall adopt rules defining the standards and criteria for such waiver. A renewal applicant may request a waiver of the continuing education requirements under subsection (d) of this Section, but shall not practice as an auctioneer or associate auctioneer until such waiver is granted and a renewal license is issued.

The terminating sponsoring auctioneer or sponsoring auction firm shall send a copy of the terminated license within 5 days after the termination to the Department of Business Regulation or shall notify the Department of Business Regulation in writing of the termination and explain why a copy of the terminated license was not surrendered.

An inoperative licensee under this Act shall not conduct an auction or provide auction services while the license is in inoperative status.

PUBLIC ACT 95-0574
(House Bill No. 1491)

AN ACT concerning transportation.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Vehicle Code is amended by changing Section 11-604 as follows:

(a) Subject to the limitations set forth in this Section, the county board of a county may establish absolute maximum speed limits on all county highways, township roads and district roads as defined in the Illinois Highway Code, except those under the jurisdiction of the Department or of the Illinois State Toll Highway Authority, as described in Sections 11-602 and 11-603 of this Chapter; and any park district, city, village, or incorporated town may establish absolute maximum speed limits on all streets which are within its corporate limits and which are not under the jurisdiction of the Department or of such Authority, and for which the county or a highway commissioner of such county does not have maintenance responsibility.

(b) Whenever any such park district, city, village, or incorporated town determines, upon the basis of an engineering or traffic investigation concerning a highway or street on which it is authorized by this Section to establish speed limits, that a maximum speed limit prescribed in Section

New matter indicated by italics - deletions by strikeout
11-601 of this Chapter is greater or less than is reasonable or safe with respect to the conditions found to exist at any place or along any part or zone of such highway or street, the local authority or park district shall determine and declare by ordinance a reasonable and safe absolute maximum speed limit at such place or along such part or zone, which:

(1) Decreases the limit within an urban district, but not to less than 20 miles per hour; or
(2) Increases the limit within an urban district, but not to more than 55 miles per hour; or
(3) Decreases the limit outside of an urban district, but not to less than 35 miles per hour, except as otherwise provided in subparagraph 4 of this paragraph; or
(4) Decreases the limit within a residence district, but not to less than 25 miles per hour, except as otherwise provided in subparagraph 1 of this paragraph.

The park district, city, village, or incorporated town may make such limit applicable at all times or only during certain specified times. Not more than 6 such alterations shall be made per mile along a highway or street; and the difference in limit between adjacent altered speed zones shall not be more than 10 miles per hour.

A limit so determined and declared by a park district, city, village, or incorporated town becomes effective, and suspends the application of the limit prescribed in Section 11-601 of this Chapter, when appropriate signs giving notice of the limit are erected at the proper place or along the proper part or zone of the highway or street. Electronic speed-detecting devices shall not be used within 500 feet beyond any such sign in the direction of travel; if so used in violation of this Section evidence obtained thereby shall be inadmissible in any prosecution for speeding. However, nothing in this Section prohibits the use of such electronic speed-detecting devices within 500 feet of a sign within a special school speed zone indicating such zone, conforming to the requirements of Section 11-605 of this Act, nor shall evidence obtained thereby be inadmissible in any prosecution for speeding provided the use of such device shall apply only to the enforcement of the speed limit in such special school speed zone.

New matter indicated by italics - deletions by strikeout
(c) A county engineer or superintendent of highways may submit to the Department for approval, a county policy for establishing altered speed zones on township and county highways based upon engineering and traffic investigations.

(d) Whenever the county board of a county determines that a maximum speed limit is greater or less than is reasonable or safe with respect to the conditions found to exist at any place or along any part or zone of the highway or road, the county board shall determine and declare by ordinance a reasonable and safe absolute maximum speed limit at that place or along that part or zone. However, the maximum speed limit shall not exceed 55 miles per hour. Upon receipt of an engineering study for the part or zone of highway in question from the county engineer, and notwithstanding any other provision of law, the county board of a county may determine and declare by ordinance a reduction in the maximum speed limit at any place or along any part or zone of a county highway whenever the county board, in its sole discretion, determines that the reduction in the maximum speed limit is reasonable and safe. The limit becomes effective, and suspends the application of the limit prescribed in Section 11-601 of this Chapter, when appropriate signs giving notice of the limit are erected at the proper place or along the proper part of the zone of the highway. Electronic speed-detecting devices shall not be used within 500 feet beyond any such sign in the direction of travel; if so used in violation of this Section, evidence obtained thereby shall be inadmissible in any prosecution for speeding. However, nothing in this Section prohibits the use of such electronic speed-detecting devices within 500 feet of a sign within a special school speed zone indicating such zone, conforming to the requirements of Section 11-605 of this Act, nor shall evidence obtained thereby be inadmissible in any prosecution for speeding provided the use of such device shall apply only to the enforcement of the speed limit in such special school speed zone.

Upon
determining that neighborhood electric vehicles may safely operate on a roadway and the adoption of an ordinance or resolution by a municipality, township, county, or other unit of local government, or authorization by the Department, appropriate signs shall be posted.

Section 10. If and only if Senate Bill 300 of the 95th General Assembly becomes law and the changes to Section 6-206.1 of the Illinois Vehicle Code in that bill become law in the form in which they appear in House Amendment No. 1 to that bill, the Illinois Vehicle Code is amended by changing Section 6-206.1 as follows:

(625 ILCS 5/6-206.1) (from Ch. 95 1/2, par. 6-206.1)

Sec. 6-206.1. Monitoring Device Driving Permit. Declaration of Policy. It is hereby declared a policy of the State of Illinois that the driver who is impaired by alcohol, other drug or drugs, or intoxicating compound or compounds is a threat to the public safety and welfare. Therefore, to provide a deterrent to such practice and to remove problem drivers from the highway, a statutory summary driver's license suspension is appropriate. It is also recognized that driving is a privilege and therefore, that the granting of driving privileges, in a manner consistent with public safety, is warranted during the period of suspension in the form of a monitoring device driving permit. A person who drives and fails to comply with the requirements of the monitoring device driving permit commits a violation of Section 6-303 of this Code.

The following procedures shall apply whenever a first offender is arrested for any offense as defined in Section 11-501 or a similar provision of a local ordinance:

(a) Subsequent to a notification of a statutory summary suspension of driving privileges as provided in Section 11-501.1, the court, after informing the first offender, as defined in Section 11-500, of his or her right to a monitoring device driving permit, hereinafter referred to as a

MDDP, and of the obligations of the MDDP, shall enter an order directing
the Secretary of State to issue a MDDP to the offender, unless the offender
has opted, in writing, not to have a MDDP issued. However, the court
shall not enter the order directing the Secretary of State to issue the
MDDP, if the court finds:

(1) The offender's driver's license is otherwise invalid;
(2) Death or no death or great bodily harm resulted from the
arrest for Section 11-501;
(3) That the offender has not been previously convicted of
reckless homicide; or
(4) That the offender is not less than 18 years of age.

Any court order for a MDDP shall order the person to pay the Secretary of
State a MDDP Administration Fee an amount not to exceed $30 per
month. The Secretary shall establish by rule the amount and the
procedures, terms, and conditions relating to these fees. The order shall
further specify that the offender must have an ignition interlock device
installed within 14 days of the date the Secretary issues the MDDP, and
shall specify the vehicle in which the device is to be installed. The ignition
interlock device provider must notify the Secretary, in a manner and form
prescribed by the Secretary, of the installation. If the Secretary does not
receive notice of installation, the Secretary shall cancel the MDDP.
A MDDP shall not become effective prior to the 31st day of the original
statutory summary suspension.

(a-1) A person issued a MDDP may drive for any purpose and at
any time, subject to the rules adopted by the Secretary of State under
subsection (g). The person must, at his or her own expense, drive only
vehicles equipped with an ignition interlock device as defined in Section
1-129.1, but in no event shall such person drive a commercial motor
vehicle.

(a-2) Persons who are issued a MDDP and must drive employer-
owned vehicles in the course of their employment duties may seek
permission from the court to drive an employer-owned vehicle that does
not have an ignition interlock device. The employee shall provide to the
court a form, prescribed by the Secretary of State, completed by the

employer verifying that the employee must drive an employer-owned vehicle in the course of employment. If approved by the court, the form must be file stamped and must be in the driver's possession while operating an employer-owned vehicle not equipped with an ignition interlock device. No person may use this exemption to drive a school bus, school vehicle, or a vehicle designed to transport more than 15 passengers. No person may use this exemption to drive an employer-owned motor vehicle that is owned by an entity that is wholly or partially owned by the person holding the MDDP, or by a family member of the person holding the MDDP. No person may use this exemption to drive an employer-owned vehicle that is made available to the employee for personal use. No person may drive the exempted vehicle more than 12 hours per day, 6 days per week.

(c-1)

If the person is issued a citation for a violation of Section 6-303 or a violation of Section 11-501 or a similar provision of a local ordinance or a similar out of state offense during the term of the MDDP, the officer issuing the citation, or the law enforcement agency employing that officer, shall confiscate the MDDP and immediately send the MDDP and notice of the citation to the court that ordered the issuance of the MDDP. Within 10 days of receipt, the issuing court, upon notice to the person, shall conduct a hearing to consider cancellation of the MDDP. If the court enters an order of cancellation, the court shall forward the order to the Secretary of State, and the Secretary shall cancel the MDDP and notify the person of the cancellation. If, however, the person is convicted of the offense before the MDDP has been cancelled, the court of venue shall send notice of conviction to the court that ordered issuance of the MDDP. The court receiving the notice shall immediately enter an order of cancellation and forward the order to the Secretary of State. The Secretary shall cancel the MDDP and notify the person of the cancellation.

If the person is issued a citation for any other traffic related offense during the term of the MDDP, the officer issuing the citation, or the law enforcement agency shall:

enforcement agency employing that officer, shall send notice of the
citation to the court that ordered issuance of the MDDP. Upon receipt and
notice to the person and an opportunity for a hearing, the court shall
determine whether the violation constitutes grounds for cancellation of the
MDDP. If the court enters an order of cancellation, the court shall forward
the order to the Secretary of State, and the Secretary shall cancel the
MDDP and shall notify the person of the cancellation.

(c-5) If the court determines that the person seeking the MDDP is
indigent, the court shall provide the person with a written document, in a
form prescribed by the Secretary of State, as evidence of that
determination, and the person shall provide that written document to an
ignition interlock device provider. The provider shall install an ignition
interlock device on that person's vehicle without charge to the person, and
seek reimbursement from the Indigent BAIID Fund.

(d) The Secretary of State shall, upon receiving a court order from
the court of venue, issue a MDDP to a person who applies under this
Section. Such court order form shall also contain a notification, which
shall be sent to the Secretary of State, providing the name, driver's license
number and legal address of the applicant. This information shall be
available only to the courts, police officers, and the Secretary of State,
except during the actual period the MDDP is valid, during which time it
shall be a public record. The Secretary of State shall design and furnish to
the courts an official court order form to be used by the courts when
directing the Secretary of State to issue a MDDP.

Any submitted court order that contains insufficient data or fails to
comply with this Code shall not be utilized for MDDP issuance or entered
to the driver record but shall be returned to the issuing court indicating
why the MDDP cannot be so entered. A notice of this action shall also be
sent to the MDDP applicant by the Secretary of State.

(e) (Blank).

(f) (Blank).

(g) The Secretary of State shall adopt rules for implementing this
Section. The rules adopted shall address issues including, but not limited
to: compliance with the requirements of the MDDP; methods for

determining compliance with those requirements; the consequences of noncompliance with those requirements; what constitutes a violation of the MDDP; and the duties of a person or entity that supplies the ignition interlock device.

(h) The rules adopted under subsection (g) shall provide, at a minimum, that the person is not in compliance with the requirements of the MDDP if he or she:

(1) tampers or attempts to tamper with or circumvent the proper operation of the ignition interlock device;

(2) provides valid breath samples that register blood alcohol levels in excess of the number of times allowed under the rules;

(3) fails to provide evidence sufficient to satisfy the Secretary that the ignition interlock device has been installed in the designated vehicle or vehicles; or

(4) fails to follow any other applicable rules adopted by the Secretary.

(i) Any person or entity that supplies an ignition interlock device as provided under this Section shall, in addition to supplying only those devices which fully comply with all the rules adopted under subsection (g), provide the Secretary, within 7 days of inspection, all monitoring reports of each person who has had an ignition interlock device installed. These reports shall be furnished in a manner or form as prescribed by the Secretary.

(j) Upon making a determination that a violation of the requirements of the MDDP has occurred, the Secretary shall extend the summary suspension period for an additional 3 months beyond the originally imposed summary suspension period, during which time the person shall only be allowed to drive vehicles equipped with an ignition interlock device; provided further there are no limitations on the number of times the summary suspension may be extended. Any person whose summary suspension is extended pursuant to this Section shall have the right to contest the extension through an administrative hearing with the Secretary. If the summary suspension has already terminated prior to the
Secretary receiving the monitoring report that shows a violation, the Secretary shall be authorized to suspend the person's driving privileges for 3 months. The only permit the person shall be eligible for during this new suspension period is a MDDP.

(k) A person who has had his or her summary suspension extended for the third time shall have his or her vehicle impounded for a period of 30 days, at the person's own expense. A person who has his or her summary suspension extended for the fourth time shall have his or her vehicle subject to seizure and forfeiture. The Secretary shall notify the prosecuting authority of any third or fourth extensions. Upon receipt of the notification, the prosecuting authority shall impound or forfeit the vehicle.

(l) A person whose driving privileges have been suspended under Section 11-501.1 of this Code and who had a MDDP that was cancelled pursuant to subsection (c-1) of this Section, shall not be eligible for reinstatement when the summary suspension is scheduled to terminate, but instead shall be eligible only to apply for a restricted driving permit. If a restricted driving permit is granted, the offender may only operate vehicles equipped with an ignition interlock device, for a period of not less than twice the original summary suspension period.

(m) Any person or entity that supplies an ignition interlock device under this Section shall, for each ignition interlock device installed, pay 5% of the total gross revenue received for the device into the Indigent BAIID Fund. This 5% shall be clearly indicated as a separate surcharge on each invoice that is issued. The Secretary shall conduct an annual review of the fund to determine whether the surcharge is sufficient to provide for indigent users. The Secretary may increase of decrease this surcharge requirement as needed.

(n) Any person or entity that supplies an ignition interlock device under this Section that is requested to provide an ignition interlock device to a person who presents written documentation of indigency from the court, as provided in subsection (c-5) of this Section, shall install the device on the person's vehicle without charge to the person and shall seek reimbursement from the Indigent BAIID Fund.
(o) The Indigent BAIID Fund is created as a special fund in the State treasury. The Secretary of State shall, subject to appropriation by the General Assembly, use all money in the Indigent BAIID Fund to reimburse ignition interlock device providers who have installed devices in vehicles of indigent persons pursuant to court orders issued under this Section. The Secretary shall make payments to such providers every 3 months. If the amount of money in the fund at the time payments are made is not sufficient to pay all requests for reimbursement submitted during that 3 month period, the Secretary shall make payments on a pro-rata basis, and those payments shall be considered payment in full for the requests submitted.

(p) The Monitoring Device Driving Permit Administration Fee Fund is created as a special fund in the State treasury. The Secretary of State shall, subject to appropriation by the General Assembly, use the money paid into this fund to offset its administrative costs for administering MDDPs.

AN ACT concerning criminal law.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Criminal Code of 1961 is amended by changing Section 11-20.1A and by adding Section 11-20.3 as follows:

(720 ILCS 5/11-20.1A) (from Ch. 38, par. 11-20.1A)

Sec. 11-20.1A. Forfeitures.

(a) A person who commits the offense of keeping a place of juvenile prostitution, exploitation of a child, or child pornography under Section 11-17.1, 11-19.2, or 11-20.1, or 11-20.3 of this Code shall forfeit to the State of Illinois:

(1) Any profits or proceeds and any interest or property he or she has acquired or maintained in violation of Section 11-17.1, 11-19.2, or 11-20.1, or 11-20.3 of this Code that the sentencing court determines, after a forfeiture hearing, to have been acquired or maintained as a result of keeping a place of juvenile prostitution, exploitation of a child, or child pornography, or aggravated child pornography.

(2) Any interest in, security of, claim against, or property or contractual right of any kind affording a source of influence over any enterprise that he or she has established, operated, controlled, or conducted in violation of Section 11-17.1, 11-19.2, or 11-20.1, or 11-20.3 of this Code that the sentencing court determines, after a forfeiture hearing, to have been acquired or maintained as a result of keeping a place of juvenile prostitution, exploitation of a child, or child pornography, or aggravated child pornography.

(3) Any computer that contains a depiction of child pornography in any encoded or decoded format in violation of Section 11-20.1 of this Code. For purposes of this paragraph (3), "computer" has the meaning ascribed to it in Section 16D-2 of this Code.

(b) (1) The court shall, upon petition by the Attorney General or State's Attorney at any time following sentencing, conduct a hearing to determine whether any property or property interest is subject to forfeiture under this Section. At the forfeiture hearing the people shall have the burden of establishing, by a preponderance of the evidence, that property or property interests are subject to forfeiture under this Section.

(2) In any action brought by the People of the State of Illinois under this Section, wherein any restraining order, injunction or prohibition or any other action in connection with any property or interest subject to forfeiture under this Section is sought, the circuit court presiding over the trial of the person or persons charged with keeping a place of juvenile prostitution, exploitation of a child or child pornography shall first determine whether there is probable cause to believe that the person or persons so charged have committed the offense of keeping a place of juvenile prostitution, exploitation of a child or child pornography and whether the property or interest is subject to forfeiture pursuant to this Section. In order to make such a determination, prior to entering any such order, the court shall conduct a hearing without a jury, wherein the People shall establish that there is: (i) probable cause that the person or persons so charged have committed the offense of keeping a place of juvenile prostitution, exploitation of a child or child pornography and (ii) probable cause that any property or interest may be subject to forfeiture pursuant to this Section. Such hearing may be conducted simultaneously with a preliminary hearing, if the prosecution is commenced by information or complaint, or by motion of the People, at any stage in the proceedings. The court may accept a finding of probable cause at a preliminary hearing following the filing of an information charging the offense of keeping a place of juvenile prostitution, exploitation of a child or child pornography or the return of an indictment by a grand jury charging the offense of keeping a place of juvenile prostitution, exploitation of a child

or child pornography as sufficient evidence of probable cause as provided in item (i) above. Upon such a finding, the circuit court shall enter such restraining order, injunction or prohibition, or shall take such other action in connection with any such property or other interest subject to forfeiture, as is necessary to insure that such property is not removed from the jurisdiction of the court, concealed, destroyed or otherwise disposed of by the owner of that property or interest prior to a forfeiture hearing under this Section. The Attorney General or State's Attorney shall file a certified copy of such restraining order, injunction or other prohibition with the recorder of deeds or registrar of titles of each county where any such property of the defendant may be located. No such injunction, restraining order or other prohibition shall affect the rights of any bona fide purchaser, mortgagee, judgment creditor or other lienholder arising prior to the date of such filing. The court may, at any time, upon verified petition by the defendant or an innocent owner or innocent bona fide third party lienholder who neither had knowledge of, nor consented to, the illegal act or omission, conduct a hearing to release all or portions of any such property or interest which the court previously determined to be subject to forfeiture or subject to any restraining order, injunction, or prohibition or other action. The court may release such property to the defendant or innocent owner or innocent bona fide third party lienholder who neither had knowledge of, nor consented to, the illegal act or omission for good cause shown and within the sound discretion of the court.

A forfeiture under this Section may be commenced by the Attorney General or a State's Attorney.

(3) Upon conviction of a person of keeping a place of juvenile prostitution, exploitation of a child or child pornography, the court shall authorize the Attorney General to seize all property or other interest declared forfeited under this Section upon such terms and conditions as the court shall deem proper.
(4) The Attorney General is authorized to sell all property forfeited and seized pursuant to this Section, unless such property is required by law to be destroyed or is harmful to the public, and, after the deduction of all requisite expenses of administration and sale, shall distribute the proceeds of such sale, along with any moneys forfeited or seized, in accordance with subsection (c) of this Section.

(c) All monies forfeited and the sale proceeds of all other property forfeited and seized under this Section shall be distributed as follows:

(1) One-half shall be divided equally among all State agencies and units of local government whose officers or employees conducted the investigation which resulted in the forfeiture; and

(2) One-half shall be deposited in the Violent Crime Victims Assistance Fund.

Acting in accordance with the best interests of the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of a positive test showing an infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. New matter indicated by italics - deletions by strikeout
(b) One hospital in each System program plan must be designated as the Resource Hospital. All other hospitals which are located within the geographic boundaries of a System and which have standby, basic or comprehensive level emergency departments must function in that EMS System as either an Associate Hospital or Participating Hospital and follow all System policies specified in the System Program Plan, including but not limited to the replacement of drugs and equipment used by providers who have delivered patients to their emergency departments. All hospitals and vehicle service providers participating in an EMS System must specify their level of participation in the System Program Plan.

(c) The Department shall have the authority and responsibility to:

(1) Approve BLS, ILS and ALS level EMS Systems which meet minimum standards and criteria established in rules adopted by the Department pursuant to this Act, including the submission of a Program Plan for Department approval. Beginning September 1, 1997, the Department shall approve the development of a new EMS System only when a local or regional need for establishing such System has been identified. This shall not be construed as a needs assessment for health planning or other purposes outside of this Act. Following Department approval, EMS Systems must be fully operational within one year from the date of approval.

(2) Monitor EMS Systems, based on minimum standards for continuing operation as prescribed in rules adopted by the Department pursuant to this Act, which shall include requirements for submitting Program Plan amendments to the Department for approval.

(3) Renew EMS System approvals every 4 years, after an inspection, based on compliance with the standards for continuing operation prescribed in rules adopted by the Department pursuant to this Act.

(4) Suspend, revoke, or refuse to renew approval of any EMS System, after providing an opportunity for a hearing, when findings show that it does not meet the minimum standards for
continuing operation as prescribed by the Department, or is found to be in violation of its previously approved Program Plan.

(5) Require each EMS System to adopt written protocols for the bypassing of or diversion to any hospital, trauma center or regional trauma center, which provide that a person shall not be transported to a facility other than the nearest hospital, regional trauma center or trauma center unless the medical benefits to the patient reasonably expected from the provision of appropriate medical treatment at a more distant facility outweigh the increased risks to the patient from transport to the more distant facility, or the transport is in accordance with the System's protocols for patient choice or refusal.

(6) Require that the EMS Medical Director of an ILS or ALS level EMS System be a physician licensed to practice medicine in all of its branches in Illinois, and certified by the American Board of Emergency Medicine or the American Board of Osteopathic Emergency Medicine, and that the EMS Medical Director of a BLS level EMS System be a physician licensed to practice medicine in all of its branches in Illinois, with regular and frequent involvement in pre-hospital emergency medical services. In addition, all EMS Medical Directors shall:

(B) Be thoroughly knowledgeable of all skills included in the scope of practices of all levels of EMS personnel within the System;

(C) Have or make provision to gain experience instructing students at a level similar to that of the levels of EMS personnel within the System; and
(D) For ILS and ALS EMS Medical Directors, successfully complete a Department-approved EMS Medical Director's Course.

(7) Prescribe statewide EMS data elements to be collected and documented by providers in all EMS Systems for all emergency and non-emergency medical services, with a one-year phase-in for commencing collection of such data elements.

(8) Define, through rules adopted pursuant to this Act, the terms "Resource Hospital", "Associate Hospital", "Participating Hospital", "Basic Emergency Department", "Standby Emergency Department", "Comprehensive Emergency Department", "EMS Medical Director", "EMS Administrative Director", and "EMS System Coordinator".

(A) Upon the effective date of this amendatory Act of 1995, all existing Project Medical Directors shall be considered EMS Medical Directors, and all persons serving in such capacities on the effective date of this amendatory Act of 1995 shall be exempt from the requirements of paragraph (7) of this subsection;

(B) Upon the effective date of this amendatory Act of 1995, all existing EMS System Project Directors shall be considered EMS Administrative Directors.

(9) Investigate the circumstances that caused a hospital in an EMS system to go on bypass status to determine whether that hospital's decision to go on bypass status was reasonable. The Department may impose sanctions, as set forth in Section 3.140 of the Act, upon a Department determination that the hospital unreasonably went on bypass status in violation of the Act.

(10) Evaluate the capacity and performance of any freestanding emergency center established under Section 32.5 of this Act in meeting emergency medical service needs of the public, including compliance with applicable emergency medical standards and assurance of the availability of and immediate access to the highest quality of medical care possible.

(4.5) The rules and regulations on early release shall also provide that when the court's sentencing order recommends a prisoner for substance abuse treatment and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the prisoner shall receive no good conduct credit awarded under clause (3) of this subsection (a) unless he or she participates in and completes a substance abuse treatment program. The Director may waive the requirement to participate in or complete a substance abuse treatment program and award the good conduct credit in specific instances if the prisoner is not a good candidate for a substance abuse treatment program for medical, programming, or operational reasons. Availability of substance abuse treatment shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. If treatment is not available and the requirement to participate and complete the treatment has not been waived by the Director, the prisoner shall be placed on a waiting list under criteria established by the Department. The Director may allow a prisoner placed on a waiting list to participate in and complete a substance abuse education class or attend substance abuse self-help meetings in lieu of a substance abuse treatment program. A prisoner on a waiting list who is not placed in a substance abuse program prior to release may be eligible for a waiver and receive good conduct credit under clause (3) of this subsection (a) at the discretion of the Director.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of good conduct credit for meritorious service given at any time during the term, the Department shall give reasonable advance notice of the impending release to the State's Attorney of the county where the prosecution of the inmate took place.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of good time.

(c) The Department shall prescribe rules and regulations for revoking good conduct credit, or suspending or reducing the rate of accumulation of good conduct credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of good conduct credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any good conduct credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of good conduct credit. The Board may subsequently approve the revocation of additional good conduct credit, if the Department seeks to revoke good conduct credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of good conduct credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days good conduct credits which have been revoked, suspended or reduced. Any restoration of good conduct credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore good conduct credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of good conduct credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board.
Board, or against any of their officers or employees, and the court makes a
specific finding that a pleading, motion, or other paper filed by the
prisoner is frivolous, the Department of Corrections shall conduct a
hearing to revoke up to 180 days of good conduct credit by bringing
charges against the prisoner sought to be deprived of the good conduct
credits before the Prisoner Review Board as provided in subparagraph
(a)(8) of Section 3-3-2 of this Code. If the prisoner has not accumulated
180 days of good conduct credit at the time of the finding, then the
Prisoner Review Board may revoke all good conduct credit accumulated
by the prisoner.

For purposes of this subsection (d):

(1) "Frivolous" means that a pleading, motion, or other
filing which purports to be a legal document filed by a prisoner in
his or her lawsuit meets any or all of the following criteria:

(A) it lacks an arguable basis either in law or in fact;
(B) it is being presented for any improper purpose,
such as to harass or to cause unnecessary delay or needless
increase in the cost of litigation;
(C) the claims, defenses, and other legal contentions
therein are not warranted by existing law or by a
nonfrivolous argument for the extension, modification, or
reversal of existing law or the establishment of new law;
(D) the allegations and other factual contentions do
not have evidentiary support or, if specifically so identified,
are not likely to have evidentiary support after a reasona-
ble opportunity for further investigation or discovery; or
(E) the denials of factual contentions are not
warranted on the evidence, or if specifically so identified,
are not reasonably based on a lack of information or belief.

(2) "Lawsuit" means a petition for post-conviction relief
under Article 122 of the Code of Criminal Procedure of 1963, a
motion pursuant to Section 116-3 of the Code of Criminal
Procedure of 1963, a habeas corpus action under Article X of the
Code of Civil Procedure or under federal law (28 U.S.C. 2254), a

(40 ILCS 5/13-309) (from Ch. 108 1/2, par. 13-309)
Sec. 13-309. Duty disability benefit.
(a) Any employee who becomes disabled, which disability is the result of an injury or illness compensable under the Illinois Workers' Compensation Act or the Illinois Workers' Occupational Diseases Act, is entitled to a duty disability benefit during the period of disability for which the employee does not receive any part of salary, or any part of a retirement annuity under this Article; except that in the case of an employee who first enters service on or after June 13, 1997 and becomes disabled before the effective date of this amendatory Act of the 94th General Assembly, a duty disability benefit is not payable for the first 3 days of disability that would otherwise be payable under this Section if the disability does not continue for at least 11 additional days. The changes

made to this Section by this amendatory Act of the 94th General Assembly are prospective only and do not entitle an employee to a duty disability benefit for the first 3 days of any disability that occurred before that effective date and did not continue for at least 11 additional days. This benefit shall be 75% of salary at the date disability begins. However, if the disability in any measure resulted from any physical defect or disease which existed at the time such injury was sustained or such illness commenced, the duty disability benefit shall be 50% of salary.

Unless the employer acknowledges that the disability is a result of injury or illness compensable under the Workers' Compensation Act or the Workers' Occupational Diseases Act, the duty disability benefit shall not be payable until the issue of compensability under those Acts is finally adjudicated. The period of disability shall be as determined by the Illinois Workers' Compensation Commission or acknowledged by the employer.

An employee in service before June 13, 1997 shall also receive a child's disability benefit during the period of disability of $10 per month for each unmarried natural or adopted child of the employee under 18 years of age.

The first payment shall be made not later than one month after the benefit is granted, and subsequent payments shall be made at least monthly. The Board shall by rule prescribe for the payment of such benefits on the basis of the amount of salary lost during the period of disability.

(b) The benefit shall be allowed only if the following requirements are met by the employee:

1. Application is made to the Board within 90 days from the date disability begins;
2. A medical report is submitted by at least one licensed and practicing physician as part of the employee's application; and
3. The employee is examined by at least one licensed and practicing physician appointed by the Board and found to be in a disabled physical condition, and shall be re-examined at least annually thereafter during the continuance of disability. The employee need not be re-examined by a licensed and practicing physician.

physician if the attorney for the district certifies in writing that the employee is entitled to receive compensation under the Workers' Compensation Act or the Workers' Occupational Diseases Act.  

(c) The benefit shall terminate when:  

(1) The employee returns to work or receives a retirement annuity paid wholly or in part under this Article;  

(2) The disability ceases;  

(3) The employee attains age 65, but if the employee becomes disabled at age 60 or later, benefits may be extended for a period of no more than 5 years after disablement;  

(4) The employee (i) refuses to submit to reasonable examinations by physicians or other health professionals appointed by the Board, (ii) fails or refuses to consent to and sign an authorization allowing the Board to receive copies of or to examine the employee's medical and hospital records, or (iii) fails or refuses to provide complete information regarding any other employment for compensation he or she has received since becoming disabled; or  

(5) The employee willfully and continuously refuses to follow medical advice and treatment to enable the employee to return to work. However this provision does not apply to an employee who relies in good faith on treatment by prayer through spiritual means alone in accordance with the tenets and practice of a recognized church or religious denomination, by a duly accredited practitioner thereof.

In the case of a duty disability recipient who returns to work, the employee must make application to the Retirement Board within 2 years from the date the employee last received duty disability benefits in order to become again entitled to duty disability benefits based on the injury for which a duty disability benefit was theretofore paid.

Sec. 13-502. Employee contributions; deductions from salary.

New matter indicated by italics - deletions by strikeout
(a) Retirement annuity and child's annuity. There shall be deducted from each payment of salary an amount equal to 7% of salary as the employee's contribution for the retirement annuity, including annual increases therefore and child's annuity, and 0.5% of salary as the employee's contribution for annual increases to the retirement annuity.

(b) Surviving spouse's annuity. There shall be deducted from each payment of salary an amount equal to 1 1/2% of salary as the employee's contribution for the surviving spouse's annuity and annual increases therefor.

(c) Pickup of employee contributions. The Employer may pick up employee contributions required under subsections (a) and (b) of this Section. If contributions are picked up they shall be treated as Employer contributions in determining tax treatment under the United States Internal Revenue Code, and shall not be included as gross income of the employee until such time as they are distributed. The Employer shall pay these employee contributions from the same source of funds used in paying salary to the employee. The Employer may pick up these contributions by a reduction in the cash salary of the employee or by an offset against a future salary increase or by a combination of a reduction in salary and offset against a future salary increase. If employee contributions are picked up they shall be treated for all purposes of this Article 13, including Sections 13-503 and 13-601, in the same manner and to the same extent as employee contributions made prior to the date picked up.

(d) Subject to the requirements of federal law, the Employer shall pick up optional contributions that the employee has elected to pay to the Fund under Section 13-304.1, and the contributions so picked up shall be treated as employer contributions for the purposes of determining federal tax treatment. The Employer shall pick up the contributions by a reduction in the cash salary of the employee and shall pay the contributions from the same fund that is used to pay earnings to the employee. The Employer shall, however, continue to withhold federal and State income taxes based upon contributions made under Section 13-304.1 until the Internal Revenue Service or the federal courts rule that pursuant to Section 414(h) of the U.S. Internal Revenue Code of 1986, as amended, these

contributions shall not be included as gross income of the employee until such time as they are distributed or made available.

(e) Each employee is deemed to consent and agree to the deductions from compensation provided for in this Article.

(f) Subject to the requirements of federal law, the Employer shall pick up contributions that a commissioner has elected to pay to the Fund under Section 13-314, and the contributions so picked up shall be treated as Employer contributions for the purposes of determining federal tax treatment. The Employer shall pick up the contributions by a reduction in the cash salary of the commissioner and shall pay the contributions from the same fund as is used to pay earnings to the commissioner. The Employer shall, however, continue to withhold federal and State income taxes based upon contributions made under Section 13-314 until the U.S. Internal Revenue Service or the federal courts rule that pursuant to Section 414(h) of the Internal Revenue Code of 1986, as amended, these contributions shall not be included as gross income of the employee until such time as they are distributed or made available.

(40 ILCS 5/13-601) (from Ch. 108 1/2, par. 13-601)
Sec. 13-601. Refunds.

(a) Withdrawal from service. Upon withdrawal from service, an employee under age 55 (age 50 if the employee first entered service before June 13, 1997), or an employee age 55 (age 50 if the employee first entered service before June 13, 1997) or over but less than 60 having less than 20 years of service, or an employee age 60 or over having less than 5 years of service shall be entitled, upon application, to a refund of total contributions from salary deductions or amounts otherwise paid under this Article by the employee. The refund shall not include interest credited to the contributions. The Board may, in its discretion, withhold payment of a refund for a period not to exceed one year from the date of filing an application for refund.

(b) Surviving spouse's annuity contributions. A refund of all amounts deducted from salary or otherwise contributed by an employee for the surviving spouse's annuity shall be paid upon retirement to any

New matter indicated by italics - deletions by strikeout
employee who on the date of retirement is either not married or is married but whose spouse is not eligible for a surviving spouse's annuity paid wholly or in part under this Article. The refund shall include interest on each contribution at the rate of 3% per annum compounded annually from the date of the contribution to the date of the refund.

(c) Payment of Refunds After Death. Whenever any refund is payable after the death of the annuitant as provided for in this Article, the refund shall be paid as follows: to the employee's surviving spouse, but if there is no surviving spouse then in accordance with the employee's written designation of beneficiary filed with the Board on the prescribed form before the employee's death. If there is no such designation of beneficiary, then to the employee's surviving children in equal parts to each. If there are no such children, the refund shall be paid to the heirs of the employee according to the law of descent and distribution of the State of Illinois. When paid to children, estate or beneficiary. Whenever the total accumulations, to the account of an employee from employee contributions, including interest to the employee's date of withdrawal, have not been paid to the employee and surviving spouse as a retirement or spouse's annuity before the death of the survivor of the employee and spouse, a refund shall be paid as follows: an amount equal to the excess of such amounts over the amounts paid on such annuities without interest on either such amount, shall be paid to the children of the employee, in equal parts to each, unless the employee has directed in writing, signed by him before an officer authorized to administer oaths, and filed with the Board before the employee's death, that any such amount shall be refunded and paid to any one or more of such children; and if there are not children, such other beneficiary or beneficiaries as might be designated by the employee. If there are no such children or designation of beneficiary, the refund shall be paid to the personal representative of the employee's estate:

If a personal representative of the estate has not been appointed within 90 days from the date on which a refund became payable, the refund may be applied, in the discretion of the Board, toward the payment of the employee's or the surviving spouse's burial expenses. Any remaining
balance shall be paid to the heirs of the employee according to the law of
descent and distribution of the State of Illinois.

Whenever the total accumulations to the account of an employee
from employee contributions other than the contribution for the cost of
living increase, including interest to the employee's date of withdrawal,
have not been paid to the employee and surviving spouse as a retirement
or spouse's annuity before the death of the employee and spouse, a refund
shall be paid as follows: an amount equal to the excess of such amounts
over the amounts paid on such annuities without interest on either such
amount.

If a reversionary annuity becomes payable under Section 13-303,
the refund provided in this section shall not be paid until the death of the
reversionary annuitant and the refund otherwise payable under this section
shall be then further reduced by the amount of the reversionary annuity
paid.

(d) In lieu of annuity. Notwithstanding the provisions set forth in
subsection (a) of this section, whenever an employee's or surviving
spouse's annuity will be less than $200 per month, the employee or
surviving spouse, as the case may be, may elect to receive a refund of
accumulated employee contributions; provided, however, that if the
election is made by a surviving spouse the refund shall be reduced by any
amounts theretofore paid to the employee in the form of an annuity.

(e) Forfeiture of rights. An employee or surviving spouse who
receives a refund forfeits the right to receive an annuity or any other
benefit payable under this Article except that if the refund is to a surviving
spouse, any child or children of the employee shall not be deprived of the
right to receive a child's annuity as provided in Section 13-308 of this
Article, and the payment of a child's annuity shall not reduce the amount
refundable to the surviving spouse.

increase, reduce, or suspend any such annuity or benefit whenever the
annuity or benefit, or any part thereof, was secured or granted, or the
amount thereof fixed, as the result of misrepresentation, fraud, or error. No
such annuity or benefit shall be permanently reduced or suspended until
the affected annuitant or beneficiary is first notified of the proposed action
and given an opportunity to be heard. No trustee of the Board shall vote
upon that trustee's own personal claim for annuity, benefit or refund, or
participate in the deliberations of the Board as to the validity of any such
claim. The Board shall have exclusive original jurisdiction in all matters of
claims for annuities, benefits and refunds.

(3) The ability of the design-build entity to define and provide comprehensive scope and performance criteria for the project.

No design-build proposal shall be considered that does not include an entity's plan to comply with the requirements established in the minority and women business enterprises and economically disadvantaged firms established by the corporate authorities of the Commission and with Section 2-105 of the Illinois Human Rights Act.

(3) "Child welfare services" means public social services which are directed toward the accomplishment of the following purposes:

(A) protecting and promoting the health, safety and welfare of children, including homeless, dependent or neglected children;

(B) remedying, or assisting in the solution of problems which may result in, the neglect, abuse, exploitation or delinquency of children;

(G) (blank);

(H) (blank); and

(I) placing and maintaining children in facilities that provide separate living quarters for children under the age of 18 and for children 18 years of age and older, unless a child 18 years of age is in the last year of high school education or vocational training, in an approved individual or group treatment program, in a licensed shelter facility, or secure child care facility. The Department is not required to place or maintain children:

(b) Nothing in this Section shall be construed to authorize the expenditure of public funds for the purpose of performing abortions.

(c) The Department shall establish and maintain tax-supported child welfare services and extend and seek to improve voluntary services throughout the State, to the end that services and care shall be available on an equal basis throughout the State to children requiring such services.

(d) The Director may authorize advance disbursements for any new program initiative to any agency contracting with the Department. As a prerequisite for an advance disbursement, the contractor must post a surety
bond in the amount of the advance disbursement and have a purchase of service contract approved by the Department. The Department may pay up to 2 months operational expenses in advance. The amount of the advance disbursement shall be prorated over the life of the contract or the remaining months of the fiscal year, whichever is less, and the installment amount shall then be deducted from future bills. Advance disbursement authorizations for new initiatives shall not be made to any agency after that agency has operated during 2 consecutive fiscal years. The requirements of this Section concerning advance disbursements shall not apply with respect to the following: payments to local public agencies for child day care services as authorized by Section 5a of this Act; and youth service programs receiving grant funds under Section 17a-4.

(e) (Blank).

(f) (Blank).

(g) The Department shall establish rules and regulations concerning its operation of programs designed to meet the goals of child safety and protection, family preservation, family reunification, and adoption, including but not limited to:

10. interstate services.

Rules and regulations established by the Department shall include provisions for training Department staff and the staff of Department grantees, through contracts with other agencies or resources, in alcohol

and drug abuse screening techniques approved by the Department of Human Services, as a successor to the Department of Alcoholism and Substance Abuse, for the purpose of identifying children and adults who should be referred to an alcohol and drug abuse treatment program for professional evaluation.

(h) If the Department finds that there is no appropriate program or facility within or available to the Department for a ward and that no licensed private facility has an adequate and appropriate program or none agrees to accept the ward, the Department shall create an appropriate individualized, program-oriented plan for such ward. The plan may be developed within the Department or through purchase of services by the Department to the extent that it is within its statutory authority to do.

(i) Service programs shall be available throughout the State and shall include but not be limited to the following services:

1. case management;
2. homemakers;
3. counseling;
4. parent education;
5. day care; and
6. emergency assistance and advocacy.

In addition, the following services may be made available to assess and meet the needs of children and families:

1. comprehensive family-based services;

New matter indicated by italics - deletions by strikeout
(ii) were determined eligible for financial assistance with respect to a prior adoption and who become available for adoption because the prior adoption has been dissolved and the parental rights of the adoptive parents have been terminated or because the child's adoptive parents have died. The Department may, subject to federal financial participation in the cost, continue to provide financial assistance and education assistance grants for a child who was determined eligible for financial assistance under this subsection (j) in the interim period beginning when the child's adoptive parents died and ending with the finalization of the new adoption of the child by another adoptive parent or parents. The Department may also provide categories of financial assistance and education assistance grants, and shall establish rules and regulations for the assistance and grants, to persons appointed guardian of the person under Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28, 4-25 or 5-740 of the Juvenile Court Act of 1987 for children who were wards of the Department for 12 months immediately prior to the appointment of the guardian.

The amount of assistance may vary, depending upon the needs of the child and the adoptive parents, as set forth in the annual assistance agreement. Special purpose grants are allowed where the child requires special service but such costs may not exceed the amounts which similar services would cost the Department if it were to provide or secure them as guardian of the child.

Any financial assistance provided under this subsection is inalienable by assignment, sale, execution, attachment, garnishment, or any other remedy for recovery or collection of a judgment or debt.

(j-5) The Department shall not deny or delay the placement of a child for adoption if an approved family is available either outside of the Department region handling the case, or outside of the State of Illinois.

(k) The Department shall accept for care and training any child who has been adjudicated neglected or abused, or dependent committed to it pursuant to the Juvenile Court Act or the Juvenile Court Act of 1987.

(l) Before July 1, 2000, the Department may provide, and beginning July 1, 2000, the Department shall offer family preservation

New matter indicated by italics - deletions by strikeout
services, as defined in Section 8.2 of the Abused and Neglected Child Reporting Act, to help families, including adoptive and extended families. Family preservation services shall be offered (i) to prevent the placement of children in substitute care when the children can be cared for at home or in the custody of the person responsible for the children's welfare, (ii) to reunite children with their families, or (iii) to maintain an adoptive placement. Family preservation services shall only be offered when doing so will not endanger the children's health or safety. With respect to children who are in substitute care pursuant to the Juvenile Court Act of 1987, family preservation services shall not be offered if a goal other than those of subdivisions (A), (B), or (B-1) of subsection (2) of Section 2-28 of that Act has been set. Nothing in this paragraph shall be construed to create a private right of action or claim on the part of any individual or child welfare agency.

The Department shall notify the child and his family of the Department's responsibility to offer and provide family preservation services as identified in the service plan. The child and his family shall be eligible for services as soon as the report is determined to be "indicated". The Department may offer services to any child or family with respect to whom a report of suspected child abuse or neglect has been filed, prior to concluding its investigation under Section 7.12 of the Abused and Neglected Child Reporting Act. However, the child's or family's willingness to accept services shall not be considered in the investigation. The Department may also provide services to any child or family who is the subject of any report of suspected child abuse or neglect or may refer such child or family to services available from other agencies in the community, even if the report is determined to be unfounded, if the conditions in the child's or family's home are reasonably likely to subject the child or family to future reports of suspected child abuse or neglect. Acceptance of such services shall be voluntary.

The Department may, at its discretion except for those children also adjudicated neglected or dependent, accept for care and training any child who has been adjudicated addicted, as a truant minor in need of supervision or as a minor requiring authoritative intervention, under the
Juvenile Court Act or the Juvenile Court Act of 1987, but no such child shall be committed to the Department by any court without the approval of the Department. A minor charged with a criminal offense under the Criminal Code of 1961 or adjudicated delinquent shall not be placed in the custody of or committed to the Department by any court, except a minor less than 13 years of age committed to the Department under Section 5-710 of the Juvenile Court Act of 1987.

(l-1) The legislature recognizes that the best interests of the child require that the child be placed in the most permanent living arrangement as soon as is practically possible. To achieve this goal, the legislature directs the Department of Children and Family Services to conduct concurrent planning so that permanency may occur at the earliest opportunity. Permanent living arrangements may include prevention of placement of a child outside the home of the family when the child can be cared for at home without endangering the child's health or safety; reunification with the family, when safe and appropriate, if temporary placement is necessary; or movement of the child toward the most permanent living arrangement and permanent legal status.

When determining reasonable efforts to be made with respect to a child, as described in this subsection, and in making such reasonable efforts, the child's health and safety shall be the paramount concern.

When a child is placed in foster care, the Department shall ensure and document that reasonable efforts were made to prevent or eliminate the need to remove the child from the child's home. The Department must make reasonable efforts to reunify the family when temporary placement of the child occurs unless otherwise required, pursuant to the Juvenile Court Act of 1987. At any time after the dispositional hearing where the Department believes that further reunification services would be ineffective, it may request a finding from the court that reasonable efforts are no longer appropriate. The Department is not required to provide further reunification services after such a finding.

A decision to place a child in substitute care shall be made with considerations of the child's health, safety, and best interests. At the time of placement, consideration should also be given so that if reunification
fails or is delayed, the placement made is the best available placement to provide permanency for the child.

The Department shall adopt rules addressing concurrent planning for reunification and permanency. The Department shall consider the following factors when determining appropriateness of concurrent planning:

1. the likelihood of prompt reunification;
2. the past history of the family;
3. the barriers to reunification being addressed by the family;
4. the level of cooperation of the family;
5. the foster parents' willingness to work with the family to reunite;
6. the willingness and ability of the foster family to provide an adoptive home or long-term placement;
7. the age of the child;
8. placement of siblings.

The Department may assume temporary custody of any child if:

1. it has received a written consent to such temporary custody signed by the parents of the child or by the parent having custody of the child if the parents are not living together or by the guardian or custodian of the child if the child is not in the custody of either parent, or
2. the child is found in the State and neither a parent, guardian nor custodian of the child can be located.

If the child is found in his or her residence without a parent, guardian, custodian or responsible caretaker, the Department may, instead of removing the child and assuming temporary custody, place an authorized representative of the Department in that residence until such time as a parent, guardian or custodian enters the home and expresses a willingness and apparent ability to ensure the child's health and safety and resume permanent charge of the child, or until a relative enters the home and is willing and able to ensure the child's health and safety and assume charge.
of the child until a parent, guardian or custodian enters the home and expresses such willingness and ability to ensure the child's safety and resume permanent charge. After a caretaker has remained in the home for a period not to exceed 12 hours, the Department must follow those procedures outlined in Section 2-9, 3-11, 4-8, or 5-415 of the Juvenile Court Act of 1987.

The Department shall have the authority, responsibilities and duties that a legal custodian of the child would have pursuant to subsection (9) of Section 1-3 of the Juvenile Court Act of 1987. Whenever a child is taken into temporary custody pursuant to an investigation under the Abused and Neglected Child Reporting Act, or pursuant to a referral and acceptance under the Juvenile Court Act of 1987 of a minor in limited custody, the Department, during the period of temporary custody and before the child is brought before a judicial officer as required by Section 2-9, 3-11, 4-8, or 5-415 of the Juvenile Court Act of 1987, shall have the authority, responsibilities and duties that a legal custodian of the child would have under subsection (9) of Section 1-3 of the Juvenile Court Act of 1987.

The Department shall ensure that any child taken into custody is scheduled for an appointment for a medical examination.

A parent, guardian or custodian of a child in the temporary custody of the Department who would have custody of the child if he were not in the temporary custody of the Department may deliver to the Department a signed request that the Department surrender the temporary custody of the child. The Department may retain temporary custody of the child for 10 days after the receipt of the request, during which period the Department may cause to be filed a petition pursuant to the Juvenile Court Act of 1987. If a petition is so filed, the Department shall retain temporary custody of the child until the court orders otherwise. If a petition is not filed within the 10 day period, the child shall be surrendered to the custody of the requesting parent, guardian or custodian not later than the expiration of the 10 day period, at which time the authority and duties of the Department with respect to the temporary custody of the child shall terminate.

(m-1) The Department may place children under 18 years of age in a secure child care facility licensed by the Department that cares for children who are in need of secure living arrangements for their health, safety, and well-being after a determination is made by the facility director and the Director or the Director's designee prior to admission to the facility subject to Section 2-27.1 of the Juvenile Court Act of 1987. This subsection (m-1) does not apply to a child who is subject to placement in a correctional facility operated pursuant to Section 3-15-2 of the Unified Code of Corrections, unless the child is a ward who was placed under the care of the Department before being subject to placement in a correctional facility and a court of competent jurisdiction has ordered placement of the child in a secure care facility.

(n) The Department may place children under 18 years of age in licensed child care facilities when in the opinion of the Department, appropriate services aimed at family preservation have been unsuccessful and cannot ensure the child's health and safety or are unavailable and such placement would be for their best interest. Payment for board, clothing, care, training and supervision of any child placed in a licensed child care facility may be made by the Department, by the parents or guardians of the estates of those children, or by both the Department and the parents or guardians, except that no payments shall be made by the Department for any child placed in a licensed child care facility for board, clothing, care, training and supervision of such a child that exceed the average per capita cost of maintaining and of caring for a child in institutions for dependent or neglected children operated by the Department. However, such restriction on payments does not apply in cases where children require specialized care and treatment for problems of severe emotional disturbance, physical disability, social adjustment, or any combination thereof and suitable facilities for the placement of such children are not available at payment rates within the limitations set forth in this Section. All reimbursements for services delivered shall be absolutely inalienable by assignment, sale, attachment, garnishment or otherwise.

Children who are wards of the Department and are placed by private child welfare agencies, and foster families with whom those children are placed, shall be afforded the same procedural and appeal rights as children and families in the case of placement by the Department, including the right to an initial review of a private agency decision by that agency. The Department shall insure that any private child welfare agency, which accepts wards of the Department for placement, affords those rights to children and foster families. The Department shall accept for administrative review and an appeal hearing a complaint made by (i) a child or foster family concerning a decision following an initial review by a private child welfare agency or (ii) a prospective adoptive parent who alleges a violation of subsection (j-5) of this Section. An appeal of a decision concerning a change in the placement of a child shall be conducted in an expedited manner.

The Department shall establish administrative rules specifying the criteria for determining eligibility for and the amount and nature of assistance to be provided. The Department may also enter into written agreements with private and public social service agencies to provide emergency financial services to families referred by the Department. Special financial assistance payments shall be available to a family no more than once during each fiscal year and the total payments to a family may not exceed $500 during a fiscal year.

That part of said main channel right-of-way lying south of Ninth Street in Lockport, Illinois.

Notwithstanding any other law, if any surplus real estate is located in an unincorporated territory and if that real estate is contiguous to only one municipality, 60 days before the sale of that real estate, the sanitary district shall notify in writing the contiguous municipality of the proposed sale. Prior to the sale of the real estate, the municipality shall notify in writing the sanitary district that the municipality will or will not annex the surplus real estate. If the contiguous municipality will annex such surplus real estate, then coincident with the completion of the sale of that real estate by the sanitary district, that real estate shall be automatically annexed to the contiguous municipality.

All sales of real estate by the sanitary district must be for cash, to the highest bidder upon open competitive bids, and the proceeds of the sales may be used only for the construction and equipment of sewage disposal plants, pumping stations and intercepting sewers and appurtenances thereto, the acquisition of sites and easements therefor, and the financing of the Local Government Assistance Program established under Section 9.6c.

However, the sanitary district may:

Whatever land acquired by the sanitary district may thereafter be determined by the Board of Trustees upon recommendation of the general superintendent as not being needed by the United States for the purposes of constructing and maintaining the Calumet-Sag Navigation Project as above described, shall be retained by the sanitary district for its corporate purposes, or be sold, with all convenient speed, vacated or released (but not leased) as its Board of Trustees upon recommendation of the general superintendent may determine: All sales of such real estate must be for cash, to the highest bidder upon open, competitive bids, and the proceeds of the sales may be used only for the purpose of paying principal and interest upon the bonds authorized by this Act, and if no bonds are then outstanding, for the purpose of paying principal and interest upon any general obligation bonds of the sanitary district, and for corporate purposes of the sanitary district. When the proceeds are used to pay bonds and interest, proper abatement shall be made in the taxes next extended for such bonds and interest.

(70 ILCS 2605/8c) (from Ch. 42, par. 327c)

Sec. 8c. Every lease of property no longer or not immediately required for corporate purposes of a sanitary district, from such district to others for a term not to exceed 99 years, in accordance with Section 8 of this Act, shall be negotiated, created and executed in the following manner:

(1) Notice of such proposed leasing shall be published for 3 consecutive weeks in a newspaper of general circulation published in such sanitary district, if any, and otherwise in the county containing such district.

(2) Prior to receipt of bids for the lease under this Section, the fair market value of every parcel of real property to be leased must be
determined by 2 professional appraisers who are members of the American Institute of Real Estate Appraisers or a similar, equivalently recognized professional organization. The sanitary district acting through the general superintendent may select and engage an additional appraiser for such determination of fair market value. Every appraisal report must contain an affidavit certifying the absence of any collusion involving the appraiser and relating to the lease of such property.

(3) No lease must be awarded to the highest responsible bidder (including established commercial or industrial concerns and financially responsible individuals) upon free and open competitive bids, except that no lease may be awarded unless the bid of such highest responsible bidder provides for an annual rental payment to the sanitary district of at least 6% of the parcel's fair market value determined under this Section, provided however, if the sanitary district determines that a parcel contains a special development impediment, defined as any condition that constitutes a material impediment to the development or lease of a parcel, and includes, but is not limited to: environmental contamination, obsolescence, or advanced disrepair of improvements or structures, or accumulation of large quantities of non-indigenous materials, the sanitary district may establish a minimum acceptable initial annual rental of less than 6% of the parcel's fair market value for the initial 10 years of the lease. In no event will the annual rental payment for each 10-year period after the initial 10 years of the lease be less than the 6% of the parcel's fair market value determined under this Section. Every lease must be awarded to the highest responsible bidder (including established commercial or industrial concerns and financially responsible individuals) upon free and open competitive bids. In determining the responsibility of any bidder, the sanitary district may consider, in addition to financial responsibility, any past records of transactions with the bidder and any other pertinent factors, including but not limited to, the bidder's performance or past record with respect to any lease, use, occupancy, or trespass of sanitary district or other lands.

(4) Prior to acceptance of the bid of the highest responsible bidder and before execution of the lease the bidder shall submit to the board of

commissioners and general superintendent, for incorporation in the lease, a
detailed plan and description of improvements to be constructed upon the
leased property, the time within which the improvements will be
completed, and the intended uses of the leased property. If there is more
than one responsible bid, the board of commissioners may authorize and
direct the general superintendent to solicit from the 2 highest responsible
bidders written amendments to their prior bids, increasing their rental bid
proposal by at least 5% in excess of their prior written bid, or otherwise
amending the financial terms of their bid so as to maximize the financial
return to the sanitary district during the term of the proposed lease. Upon
the general superintendent's tentative agreement with one or more
amended bids, the bids may be submitted to the board of commissioners
with the recommendation of the general superintendent for acceptance of
one or rejection of all. The amendments may not result in a diminution of
the terms of the transaction and must result in an agreement that is equal to
or greater in value than the highest responsible bid initially received.
(5) The execution of such lease must be contemporaneous to the
execution by the lessee, each member of the board of commissioners and
the general superintendent of an affidavit certifying the absence of any
collusion involving the lessee, the members and the general superintendent
and relating to such lease.
(6) No later than 30 days after the effective date of the lease, the
lessee must deliver to the sanitary district a certified statement of the
County Assessor, Township Assessor or the county clerk of the county
wherein the property is situated that such property is presently contained in
the official list of lands and lots to be assessed for taxes for the several
towns or taxing districts in his county.
(7) Such lease shall provide for a fixed annual rental payment for
the first year not less than 6% of the fair market value as determined under
this Section and may be subject to annual adjustments based on changes in
the Consumer Price Index published by the United States Department of
Labor, Bureau of Labor Statistics, or some other well known economic
governmental activity index. Any lease, the term of which will extend for
15 years or more, shall provide for a redetermination of the fair market

New matter indicated by italics - deletions by strikeout
value (independent of improvements to the property subsequent to the effective date of the lease) after the initial 10 years and every 10 years thereafter, in the manner set forth in paragraph (2) of this Section, which redetermination shall be referred to as the decennial adjustment. Where the property rental is less than 6% of fair market value due to the existence of a special development impediment, the first decennial adjustment shall not occur until the twentieth year of the lease. Such said redetermination shall be as of the first day of each succeeding 10 year period, and annual rental payments shall be adjusted so that the ratio of annual rental to fair market value shall be the same as that ratio for the first year of the preceding 10 year period. The decennial adjustment shall not exceed 100% of the rental in effect on the last day of the preceding 10-year period, except when the property rental is less than 6% of fair market value due to the existence of a special development impediment, in which case, the decennial adjustment shall not be so limited until the twentieth year of the lease. The rental payment for the first year of the new 10 year period may be subject to Consumer Price Index or other allowable index adjustments for each of the next 9 years, or until the end of the lease term if there are less than 9 years remaining.

(8) A sanitary district may require compensation to be paid in addition to rent, based on a reasonable percentage of revenues derived from a lessee's business operations on the leasehold premises or subleases, or may require additional compensation from the lessee or any sublessee in the form of services, including but not limited to solid waste disposal; provided, however, that such additional compensation shall not be considered in determining the highest responsible bid, said highest responsible bid to be determined only on the initial annual rental payment as set forth in paragraph (3) of this Section.

(9) No assignment of such lease or sublease of such property is effective unless approved in writing by the general superintendent and the board of commissioners of the sanitary district. The district may consider, for any assignment or sublease, all pertinent factors including the assignee's or sublessee's responsibility in accordance with subparagraph (3) of this Section. The sanitary district may also condition its consent

upon the redetermination of the annual rental required to be paid under any lease initially executed on or before January 1, 1983, for which the annual rent being paid thereunder is less than 6% of the current appraised fair market value of the leased property. The redetermination of any annual rental under this Section shall be consistent with the requirements of subparagraphs (2) and (3) of this Section. No assignment or sublease is effective if the assignee or sublessee is a trust constituted by real property of which the trustee has title but no power of management or control, unless the identity of the beneficiaries of the trust is revealed, upon demand, to the general superintendent and the board of commissioners of the sanitary district.

(10) Failure by the lessee to comply with a provision in the lease relating to improvements upon the leased property or any other provision constitutes grounds for forfeiture of the lease, and upon such failure the sanitary district acting through the general superintendent shall serve the lessee with a notice to terminate the lease and deliver possession of the property to the sanitary district within a particular period.

(11) If the general superintendent and the board of commissioners conclude that it would be in the public interest, said sanitary district may lease without complying with the prior provisions of this Section, in accordance with an Act concerning “Transfer of Real Estate between Municipal Corporations”, approved July 2, 1925, as amended, to the following, upon such terms as may be mutually agreeable: (a) the United States of America and the State of Illinois, County of Cook, any municipal corporation, with provisions that the property is to be applied exclusively for public recreational purposes or other public purposes; (b) or any academic institution of learning which has been in existence for 5 years prior to said lease, provided that such lease limit the institution's use of the leased land to only those purposes relating to the operation of such institution's academic or physical educational programs; or (c) any lease involving land located in a county with a population of 100,000 or less and which is leased solely for agricultural or commercial recreational uses. Any lease issued in accordance with this paragraph shall contain the provisions without complying with the prior provisions of this section,
upon such terms as may be mutually agreed upon, in accordance with an act concerning "Transfer of Real Estate between Municipal Corporations", approved July 2, 1925, as amended, with provisions that such property is to be applied exclusively to public recreational purposes or other public purposes and that such lease is terminable in accordance with service of a one-year notice to terminate after determination by the board of commissioners and the general superintendent that such property (or part thereof) has become essential to the corporate purposes of the sanitary district.

trust is less than $100,000 and that the costs of continuing the trust will substantially impair accomplishment of the purpose of the trust.

Distribution shall be made to the persons then entitled to receive or eligible to have the benefit of the income from the trust in the proportions in which they are entitled thereto, or if their interests are indefinite, to those persons per stirpes if they have a common ancestor, or if not, then in equal shares. (Senate Bill No. 0677)

AN ACT concerning criminal law.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Mental Health Court Treatment Act.

Section 5. Purposes. The General Assembly recognizes that a large percentage of criminal defendants have a diagnosable mental illness and that mental illnesses have a dramatic effect on the criminal justice system

New matter indicated by italics - deletions by strikeout
in the State of Illinois. The General Assembly also recognizes that mental illness and substance abuse problems co-occur in a substantial percentage of criminal defendants. There is a critical need for a criminal justice system program that will reduce the number of persons with mental illnesses and with co-occurring mental illness and substance abuse problems in the criminal justice system, reduce recidivism among persons with mental illness and with co-occurring mental illness and substance abuse problems, provide appropriate treatment to persons with mental illnesses and co-occurring mental illness and substance abuse problems and reduce the incidence of crimes committed as a result of mental illnesses or co-occurring mental illness and substance abuse problems. It is the intent of the General Assembly to create specialized mental health courts with the necessary flexibility to meet the problems of criminal defendants with mental illnesses and co-occurring mental illness and substance abuse problems in the State of Illinois.

Section 10. Definitions. As used in this Act:

"Mental health court", "mental health court program", or "program" means a structured judicial intervention process for mental health treatment of eligible defendants that brings together mental health professionals, local social programs, and intensive judicial monitoring.

"Mental health court professional" means a judge, prosecutor, defense attorney, probation officer, or treatment provider involved with the mental health court program.

"Pre-adjudicatory mental health court program" means a program that allows the defendant, with the consent of the prosecution, to expedite the defendant's criminal case before conviction or before filing of a criminal case and requires successful completion of the mental health court program as part of the agreement.

"Post-adjudicatory mental health court program" means a program in which the defendant has admitted guilt or has been found guilty and agrees, along with the prosecution, to enter a mental health court program as part of the defendant's sentence.
"Combination mental health court program" means a mental health court program that includes a pre-adjudicatory mental health court program and a post-adjudicatory mental health court program.

"Co-occurring mental health and substance abuse court program" means a program that includes persons with co-occurring mental illness and substance abuse problems. Such programs shall include professionals with training and experience in treating persons with substance abuse problems and mental illness.

Section 15. Authorization. The Chief Judge of each judicial circuit may establish a mental health court program, including the format under which it operates under this Act.

Section 20. Eligibility.

(a) A defendant may be admitted into a mental health court program only upon the agreement of the prosecutor and the defendant and with the approval of the court.

(b) A defendant shall be excluded from a mental health court program if any one of the following applies:

   (1) The crime is a crime of violence as set forth in clause (3) of this subsection (b).

   (2) The defendant does not demonstrate a willingness to participate in a treatment program.

   (3) The defendant has been convicted of a crime of violence within the past 10 years excluding incarceration time, specifically first degree murder, second degree murder, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, armed robbery, aggravated arson, arson, aggravated kidnapping, kidnapping, stalking, aggravated stalking, or any offense involving the discharge of a firearm.

   (4) The defendant has previously completed or has been discharged from a mental health court program within 3 years of completion or discharge.

Section 25. Procedure.

(a) The court shall require an eligibility screening and an assessment of the defendant. An assessment need not be ordered if the
court finds a valid assessment related to the present charge pending against
the defendant has been completed within the previous 60 days.

(b) The judge shall inform the defendant that if the defendant fails
to meet the requirements of the mental health court program, eligibility to
participate in the program may be revoked and the defendant may be
sentenced or the prosecution continued, as provided in the Unified Code of
Corrections, for the crime charged.

(c) The defendant shall execute a written agreement as to his or her
participation in the program and shall agree to all of the terms and
conditions of the program, including but not limited to the possibility of
sanctions or incarceration for failing to abide or comply with the terms of
the program.

(d) In addition to any conditions authorized under the Pretrial
Services Act and Section 5-6-3 of the Unified Code of Corrections, the
court may order the defendant to complete mental health or substance
abuse treatment in an outpatient, inpatient, residential, or jail-based
custodial treatment program. Any period of time a defendant shall serve in
a jail-based treatment program may not be reduced by the accumulation of
good time or other credits and may be for a period of up to 120 days.

(e) The mental health court program may include a regimen of
graduated requirements and rewards and sanctions, including but not
limited to: fines, fees, costs, restitution, incarceration of up to 180 days,
individual and group therapy, medication, drug analysis testing, close
monitoring by the court and supervision of progress, educational or
vocational counseling as appropriate and other requirements necessary to
fulfill the mental health court program.

(a) The mental health court program may maintain or collaborate
with a network of mental health treatment programs and, if it is a co-
occurring mental health and substance abuse court program, a network of
substance abuse treatment programs representing a continuum of treatment
options commensurate with the needs of defendants and available
resources.

New matter indicated by italics - deletions by strikeout
(b) Any substance abuse treatment program to which defendants are referred must meet all of the rules and governing programs in Parts 2030 and 2060 of Title 77 of the Illinois Administrative Code.

(c) The mental health court program may, at its discretion, employ additional services or interventions, as it deems necessary on a case by case basis.

Section 35. Violation; termination; discharge.
(a) If the court finds from the evidence presented, including but not limited to the reports or proffers of proof from the mental health court professionals that:

(1) the defendant is not performing satisfactorily in the assigned program;
(2) the defendant is not benefiting from education, treatment, or rehabilitation;
(3) the defendant has engaged in criminal conduct rendering him or her unsuitable for the program; or
(4) the defendant has otherwise violated the terms and conditions of the program or his or her sentence or is for any reason unable to participate;

the court may impose reasonable sanctions under prior written agreement of the defendant, including but not limited to imprisonment or dismissal of the defendant from the program; and the court may reinstate criminal proceedings against him or her or proceed under Section 5-6-4 of the Unified Code of Corrections for a violation of probation, conditional discharge, or supervision hearing. No defendant may be dismissed from the program unless, prior to such dismissal, the defendant is informed in writing: (i) of the reason or reasons for the dismissal; (ii) the evidentiary basis supporting the reason or reasons for the dismissal; (iii) that the defendant has a right to a hearing at which he or she may present evidence supporting his or her continuation in the program. Based upon the evidence presented, the court shall determine whether the defendant has violated the conditions of the program and whether the defendant should be dismissed from the program or whether some other alternative may be appropriate in the interests of the defendant and the public.

New matter indicated by italics - deletions by strikeout
(b) Upon successful completion of the terms and conditions of the program, the court may dismiss the original charges against the defendant or successfully terminate the defendant's sentence or otherwise discharge him or her from the program or from any further proceedings against him or her in the original prosecution.

Section 105. The Unified Code of Corrections is amended by changing Section 5-9-3 as follows:

(730 ILCS 5/5-9-3) (from Ch. 38, par. 1005-9-3)

Sec. 5-9-3. Default.

(a) An offender who defaults in the payment of a fine or any installment of that fine may be held in contempt and imprisoned for nonpayment. The court may issue a summons for his appearance or a warrant of arrest.

(b) Unless the offender shows that his default was not due to his intentional refusal to pay, or not due to a failure on his part to make a good faith effort to pay, the court may order the offender imprisoned for a term not to exceed 6 months if the fine was for a felony, or 30 days if the fine was for a misdemeanor, a petty offense or a business offense. Payment of the fine at any time will entitle the offender to be released, but imprisonment under this Section shall not satisfy the payment of the fine.

(c) If it appears that the default in the payment of a fine is not intentional under paragraph (b) of this Section, the court may enter an order allowing the offender additional time for payment, reducing the amount of the fine or of each installment, or revoking the fine or the unpaid portion.

(d) When a fine is imposed on a corporation or unincorporated organization or association, it is the duty of the person or persons authorized to make disbursement of assets, and their superiors, to pay the fine from assets of the corporation or unincorporated organization or association. The failure of such persons to do so shall render them subject to proceedings under paragraphs (a) and (b) of this Section.

(e) A default in the payment of a fine, fee, cost, restitution, or judgment of bond forfeiture or any installment may be collected by any and all means authorized for the collection of money judgments. The

State's Attorney of the county in which the fine, fee, cost, restitution, or judgment of bond forfeiture was imposed may retain attorneys and private collection agents for the purpose of collecting any default in payment of any fine, fee, cost, restitution, or judgment of bond forfeiture or installment of that fine, fee, cost, restitution, or judgment of bond forfeiture. An additional fee of 30% of the delinquent amount is to be charged to the offender for any amount of the fine, fee, cost, restitution, or judgment of bond forfeiture or installment of the fine, fee, cost, restitution, or judgment of bond forfeiture that remains unpaid after the time fixed for payment of the fine, fee, cost, restitution, or judgment of bond forfeiture by the court. The additional fee shall be payable to the State's Attorney in order to compensate the State's Attorney for costs incurred in collecting the delinquent amount. The State's Attorney may enter into agreements assigning any portion of the fee to the retained attorneys or the private collection agent retained by the State's Attorney. Any agreement between the State's Attorney and the retained attorneys or collection agents shall require the approval of the Circuit Clerk of that county. A default in payment of a fine, fee, cost, restitution, or judgment of bond forfeiture shall draw interest at the rate of 9% per annum. The fees and costs incurred by the State's Attorney in any such collection and the fees and charges of attorneys and private collection agents retained by the State's Attorney for those purposes shall be charged to the offender.

Section 5. The North Shore Sanitary District Act is amended by changing Sections 3, 4, 5, 8.1, and 11 as follows:

(70 ILCS 2305/3) (from Ch. 42, par. 279)

Sec. 3. The corporate authority of the North Shore Sanitary District shall consist of 5 trustees.

Within 20 days after the adoption of the Act, as provided in Section 1, the county governing body shall proceed to divide the sanitary district into 5 wards for the purpose of electing trustees. One trustee shall be elected for each ward on the date of the next regular county election. In each sanitary district organized pursuant to the provisions of this Act prior to the effective date of this amendatory Act of 1975, one trustee shall be elected for each ward on the date of the regular county election in the year 1976. However, the population in no one ward shall be less than 1/6 of the population of the whole district and the territory in each of the wards shall be composed of contiguous territory in as compact form as practicable. A portion of each ward shall abut the west shore of Lake Michigan and the boundaries of the respective wards shall coincide with precinct boundaries and the boundaries of existing municipalities as nearly as practicable. In the year 1981, and every 10 years thereafter, the sanitary district board of trustees shall reapportion the district, so that the respective wards shall conform as nearly as practicable with the above requirements as to population, shape and territory.

The trustees shall hold office respectively for 4 years from the first Monday of May after their election and until their successors are appointed and qualified, except that the term of office of 2 of the trustees first elected shall be for 2 years. Which of the trustees first elected shall serve a term of 2 years shall be determined by lot at their first meeting. Notwithstanding the foregoing provisions, all trustees elected in 1994 or thereafter shall assume office on the first Monday in December following the general election instead of the first Monday in May of the following year.

In the year 1982, and every 10 years thereafter, following each decennial Federal census, all 5 trustees shall be elected. Immediately following each decennial redistricting, the sanitary district board of trustees shall divide the wards into 2 groups, one of which shall consist of
3 wards and the other shall consist of 2 wards. Trustees from one group shall serve terms of 4 years, 4 years and 2 years; and trustees from the other group shall serve terms of 2 years, 4 years and 4 years.

Each of the trustees, upon entering the duties of their respective offices, shall execute a bond with security, in the amount and form to be approved by the corporate authorities, payable to the district, in the penal sum of not less than $10,000.00, as directed by resolution or ordinance, conditioned upon the faithful performance of the duties of the office. Each bond shall be filed with and preserved by the board secretary. shall enter

into bond, in a sum determined by the circuit court, with security to be approved by the circuit court.

When a vacancy exists in the office of trustees of any sanitary district organized under the provisions of this Act, the vacancy shall be filled by appointment by the president of the sanitary district board of trustees, with the advice and consent of the sanitary district board of trustees, until the next regular election at which trustees of the sanitary district are elected, and shall be made a matter of record in the office of the county clerk in the county in which the district is located.

A majority of the board of trustees shall constitute a quorum, but a smaller number may adjourn from day to day. No trustee or employee of the district shall be directly or indirectly interested in any contract, work or business of the district, or the sale of any article, the expense, price or consideration of which is paid by the district; nor in the purchase of any real estate or other property belonging to the district, or which shall be sold for taxes or assessments, or by virtue of legal process at the suit of the district. The trustees have the power to provide and adopt a corporate seal for the district.

(Source: P.A. 87-937.)

(70 ILCS 2305/4) (from Ch. 42, par. 280)

Sec. 4. Board of trustees; powers; compensation. The trustees shall constitute a board of trustees for the district. The board of trustees is the corporate authority of the district, and shall exercise all the powers and manage and control all the affairs and property of the district. The board shall elect a president and vice-president from among their own number.

New matter indicated by italics - deletions by strikeout
In case of the death, resignation, absence from the state, or other disability of the president, the powers, duties and emoluments of the office of the president shall devolve upon the vice-president, until the disability is removed or until a successor to the president is appointed and chosen in the manner provided in this Act. The board may select a secretary, treasurer, chief engineer, superintendent and attorney, and may provide by ordinance for the employment of such clerks and other employees as the board may deem necessary for the municipality. The board may appoint such other officers and hire such employees to manage and control the operations of the district as it deems necessary; provided, however, that the board shall not employ an individual as a wastewater operator whose Certificate of Technical Competency is suspended or revoked under rules adopted by the Pollution Control Board under item (4) of subsection (a) of Section 13 of the Environmental Protection Act. All employees selected by the board shall hold their respective offices during the pleasure of the board, and give such bond as may be required by the board. The board may prescribe the duties and fix the compensation of all the officers and employees of the sanitary district. However, the president of the board of trustees shall not receive more than $10,000 per year and the other members of the board shall not receive more than $7,000 per year. However, beginning with the commencement of the new term of each board member in 1993, the president shall not receive more than $11,000 per year and each other member of the board shall not receive more than $8,000 per year. Beginning with the commencement of the first new term after the effective date of this amendatory Act of the 95th General Assembly, the president of the board shall not receive more than $14,000 per year, and each other member of the board shall not receive more than $11,000 per year. The board of trustees has full power to pass all necessary ordinances, rules and regulations for the proper management and conduct of the business of the board and of the corporation, and for carrying into effect the objects for which the sanitary district was formed. The ordinances may provide for a fine for each offense of not less than $100 or more than $1,000. Each day's continuance of a violation shall be a separate offense. Fines under this Section are recoverable by the sanitary
district in a civil action. The sanitary district is authorized to apply to the
circuit court for injunctive relief or mandamus when, in the opinion of the
chief administrative officer, the relief is necessary to protect the sewerage
system of the sanitary district.

The board of trustees shall have the authority to change the name
of the District, by ordinance, to the North Shore Water Reclamation
District. If an ordinance is passed pursuant to this paragraph, all
provisions of this Act shall apply to the newly renamed district.

Sec. 5. Ordinance enactment and rulemaking procedures.
(a) No ordinance or rule imposing a penalty, or assessing a charge
under Section 7.1, shall take effect until the board of trustees has complied
with the requirements of this Section. As used in this Section, "rule"
means a rule, regulation, order, or resolution.

(1) Not less than 30 days before the effective date of a
proposed ordinance or rule imposing a penalty or assessing a
charge under Section 7.1, the board of trustees shall publish a
general notice of the proposed ordinance or rule imposing a penalty
or assessing a charge under Section 7.1 in a newspaper of general
circulation in the district or, if no such newspaper exists, shall post
copies of the notice in 3 public places in the district, unless persons
subject to the proposed ordinance or rule are named and either
personally served or otherwise have actual notice in accordance
with the law. The notice shall include the following:

(A) A statement of the time, place, and nature of
public proceedings to consider or adopt the proposed
ordinance or rule.

(B) Reference to the legal authority under which the
ordinance or rule is proposed.

(C) Either the terms or substance of the proposed
ordinance or rule or a description of the subjects and issues
involved.
(2) After publication or service of the notice of the proposed ordinance or rule *imposing a penalty or assessing a charge under Section 7.1.* required by this Section, the board of trustees shall give interested persons a meaningful opportunity to participate in the process through submission of written data, views, or arguments with or without the opportunity for oral presentation. After consideration of the relevant matter presented, the board of trustees shall incorporate in the adopted ordinance or rule a concise general statement of its basis and purpose and in an accompanying explanatory notice shall specifically address each comment received by the board.

(3) The board of trustees shall make the required publication or service of notice of a final ordinance or rule *imposing a penalty or assessing a charge under Section 7.1;* not less than 30 days before its effective date.

(b) Except as otherwise provided in this Section, no other ordinance or rule shall take effect until 10 days after it is published. However, notwithstanding the provisions of this Section, any ordinance or rule which contains a statement of its urgency in the preamble or body thereof, may take effect immediately upon its passage provided that the corporate authorities, by a vote of two-thirds of all the members then holding office, so direct. The decision of the corporate authorities as to the urgency of any ordinance shall not be subject to judicial review except for an abuse of discretion. Within 30 days after the adoption by the board of trustees of all other ordinances and rules, the board of trustees shall publish at least once in a newspaper of general circulation in the district or, if no such newspaper exists, shall post copies of the notice in 3 public places in the district, and no ordinance or rule shall take effect until 10 days after it is published.

(c) Except as otherwise provided in this Section, all ordinances, rules, or resolutions shall be (1) printed or published in book or pamphlet form, published by authority of the corporate authorities, or (2) published at least once, within 30 days after passage, in one or more newspapers published in the district, or, if no newspaper is published therein, then in

one or more newspapers with a general circulation within the district. Publication shall be satisfied by either subsection (1) or (2) notwithstanding any other provision in this Act. If there is an error in printing, the publishing requirement of this Act shall be satisfied if those portions of the ordinance or rule that were erroneously printed are republished, correctly, within 30 days after the original publication that contained the error. The fact that an error occurred in publication shall not affect the effective date of the ordinance or rule so published. If the error in printing is not corrected within 30 days after the date of the original publication that contained the error, as provided in the preceding sentence, the corporate authorities may, by ordinance, declare the ordinance or rule that was erroneously published to be nevertheless valid and in effect no sooner than 10 days after the date of the original publication, notwithstanding the error in publication, and shall order the original ordinance or rule to be published once more within 30 days after the passage of the validating ordinance.

(d) The board of trustees shall give an interested person the right to petition for the issuance, amendment, or repeal of an ordinance or a rule.

Sec. 11. Except as otherwise provided in this Section, all contracts for purchases or sales by the municipality, the expense of which will exceed the mandatory competitive bid threshold, shall be let to the lowest responsible bidder therefor upon not less than 14 days' public notice of the terms and conditions upon which the contract is to be let, having been given by publication in a newspaper of general circulation published in the district, and the board may reject any and all bids and readvertise. In determining the lowest responsible bidder, the board shall take into consideration the qualities and serviceability of the articles supplied, their conformity with specifications, their suitability to the requirements of the district, the availability of support services, the uniqueness of the service, materials, equipment, or supplies as it applies to network integrated computer systems, the compatibility of the service, materials, equipment or supplies with existing equipment, and the delivery terms. Contracts for services in excess of the mandatory competitive bid threshold may, subject to the provisions of this Section, be let by competitive bidding at the discretion of the district board of trustees. All contracts for purchases or sales that will not exceed the mandatory competitive bid threshold may be made in the open market without publication in a newspaper as above provided, but whenever practical shall be based on at least 3 competitive bids. For purposes of this Section, the "mandatory competitive bid threshold" is a dollar amount equal to 0.1% of the total general fixed assets of the district as reported in the most recent required audit report. In no event, however, shall the mandatory competitive bid threshold dollar amount be less than $10,000, nor more than $40,000.

Cash, a cashier's check, a certified check, or a bid bond with adequate surety approved by the board of trustees as a deposit of good faith, in a reasonable amount, but not in excess of 10% of the contract amount, may be required of each bidder by the district on all bids

involving amounts in excess of the mandatory competitive bid threshold and, if so required, the advertisement for bids shall so specify.

Contracts which by their nature are not adapted to award by competitive bidding, including, without limitation, contracts for the services of individuals, groups or firms possessing a high degree of professional skill where the ability or fitness of the individual or organization plays an important part, contracts for financial management services undertaken pursuant to "An Act relating to certain investments of public funds by public agencies", approved July 23, 1943, as now or hereafter amended, contracts for the purchase or sale of utilities, contracts for materials economically procurable only from a single source of supply, contracts for the use, purchase, delivery, movement, or installation of data processing equipment, software, or services and telecommunications and interconnect equipment, software, or services, contracts for duplicating machines and supplies, contracts for goods or services procured from another governmental agency, purchases of equipment previously owned by an entity other than the district itself, and leases of real property where the sanitary district is the lessee shall not be subject to the competitive bidding requirements of this Section.

In the case of an emergency affecting the public health or safety so declared by the Board of Trustees of the municipality at a meeting thereof duly convened, which declaration shall require the affirmative vote of four of the five Trustees elected, and shall set forth the nature of the danger to the public health or safety, contracts totaling not more than the emergency contract cap may be let to the extent necessary to resolve such emergency without public advertisement or competitive bidding. For purposes of this Section, the "emergency contract cap" is a dollar amount equal to 0.4% of the total general fixed assets of the district as reported in the most recent required audit report. In no event, however, shall the emergency contract cap dollar amount be less than $40,000, nor more than $250,000. The Resolution or Ordinance in which such declaration is embodied shall fix the date upon which such emergency shall terminate which date may be extended or abridged by the Board of Trustees as in their judgment the circumstances require. A full written account of any such emergency,
together with a requisition for the materials, supplies, labor or equipment required therefor shall be submitted immediately upon completion and shall be open to public inspection for a period of at least one year subsequent to the date of such emergency purchase. Within 30 days after the passage of the resolution or ordinance declaring an emergency affecting the public health or safety, the municipality shall submit to the Illinois Environmental Protection Agency the full written account of any such emergency along with a copy of the resolution or ordinance declaring the emergency, in accordance with requirements as may be provided by rule.

To address operating emergencies not affecting the public health or safety, the Board of Trustees shall authorize, in writing, officials or employees of the sanitary district to purchase in the open market and without advertisement any supplies, materials, equipment, or services for immediate delivery to meet the bona fide operating emergency, without filing a requisition or estimate therefor, in an amount not in excess of $100,000; provided that the Board of Trustees must be notified of the operating emergency. A full, written account of each operating emergency and a requisition for the materials, supplies, equipment, and services required to meet the operating emergency must be immediately submitted by the officials or employees authorized to make purchases to the Board of Trustees. The account must be available for public inspection for a period of at least one year after the date of the operating emergency purchase. The exercise of authority with respect to purchases for a bona fide operating emergency is not dependent on a declaration of an operating emergency by the Board of Trustees.

No Trustee shall be interested, directly or indirectly, in any contract, work or business of the municipality, or in the sale of any article, whenever the expense, price or consideration of the contract work, business or sale is paid either from the treasury or by any assessment levied by any Statute or Ordinance. No Trustee shall be interested, directly or indirectly, in the purchase of any property which (1) belongs to the municipality, or (2) is sold for taxes or assessments of the municipality, or (3) is sold by virtue of legal process in the suit of the municipality.

A contract for any work or other public improvement, to be paid for in whole or in part by special assessment or special taxation, shall be entered into and the performance thereof controlled by the provisions of Division 2 of Article 9 of the "Illinois Municipal Code", approved May 29, 1961, as heretofore or hereafter amended, as near as may be. However, contracts may be let for making proper and suitable connections between the mains and outlets of the respective sanitary sewers in the district with any conduit, conduits, main pipe or pipes that may be constructed by such sanitary district.

Section 99. Effective date. This Act takes effect upon becoming law.

PUBLIC ACT 095-0608
(Senate Bill No. 0833)

AN ACT concerning local government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Sanitary District Act of 1917 is amended by changing Section 3 as follows:

(70 ILCS 2405/3) (from Ch. 42, par. 301)

Sec. 3. A board of trustees shall be created, consisting of 5 members in any sanitary district which includes one or more municipalities with a population of over 90,000 but less than 500,000 according to the most recent Federal census, and consisting of 3 members in any other district. However, the board of trustees for the Fox River Water Reclamation District and for the Northern Moraine Wastewater Reclamation District shall each consist of 5 members. Each board of trustees shall be created for the government,
control and management of the affairs and business of each sanitary district organized under this Act shall be created in the following manner:

(1) If the district is located wholly within a single county, the presiding officer of the county board, with the advice and consent of the county board, shall appoint the trustees for the district;

(2) If the district is located in more than one county, the members of the General Assembly whose legislative districts encompass any portion of the district shall appoint the trustees for the district.

In any sanitary district which shall have a 3 member board of trustees, within 60 days after the adoption of such act, the appropriate appointing authority shall appoint three trustees not more than 2 of whom shall be from one incorporated city, town or village in districts in which are included 2 or more incorporated cities, towns or villages, or parts of 2 or more incorporated cities, towns or villages, who shall hold their office respectively for 1, 2 and 3 years, from the first Monday of May next after their appointment and until their successors are appointed and have qualified, and thereafter on or before the second Monday in April of each year the appropriate appointing authority shall appoint one trustee whose term shall be for 3 years commencing the first Monday in May of the year in which he is appointed. The length of the term of the first trustees shall be determined by lot at their first meeting.

In the case of any sanitary district created after January 1, 1978 in which a 5 member board of trustees is required, the appropriate appointing authority shall appoint 5 trustees, one of whom shall hold office for one year, two of whom shall hold office for 2 years, and 2 of whom shall hold office for 3 years from the first Monday of May next after their respective appointments and until their successors are appointed and have qualified. Thereafter, on or before the second Monday in April of each year the appropriate appointing authority shall appoint one trustee or 2 trustees, as shall be necessary to maintain a 5 member board of trustees, whose terms shall be for 3 years commencing the first Monday in May of the year in
which they are respectively appointed. The length of the terms of the first
trustees shall be determined by lot at their first meeting.

In any sanitary district created prior to January 1, 1978 in which a 5
member board of trustees is required as of January 1, 1978, the two
trustees already serving terms which do not expire on May 1, 1978 shall
continue to hold office for the remainders of their respective terms, and 3
trustees shall be appointed by the appropriate appointing authority by April
10, 1978 and shall hold office for terms beginning May 1, 1978. Of the
three new trustees, one shall hold office for 2 years and 2 shall hold office
for 3 years from May 1, 1978 and until their successors are appointed and
have qualified. Thereafter, on or before the second Monday in April of
each year the appropriate appointing authority shall appoint one trustee or
2 trustees, as shall be necessary to maintain a 5 member board of trustees,
whose terms shall be for 3 years commencing the first Monday in May of
the year in which they are respectively appointed. The lengths of the terms
of the trustees who are to hold office beginning May 1, 1978 shall be
determined by lot at their first meeting after May 1, 1978.

No more than 3 members of a 5 member board of trustees may be
of the same political party; except that in any sanitary district which
otherwise meets the requirements of this Section and which lies within 4
counties of the State of Illinois or, prior to April 30, 2008, in the Fox
River Water Reclamation District; the appointments of the 5 members of
the board of trustees shall be made without regard to political party.
Beginning with the appointments made on April 30, 2008, all
appointments to the board of trustees of the Fox River Water Reclamation
District shall be made so that no more than 3 of the 5 members are from
the same political party.

Within 60 days after the release of Federal census statistics
showing that a sanitary district having a 3 member board of trustees
contains one or more municipalities with a population over 90,000 but less
than 500,000, or, for the Northern Moraine Wastewater Reclamation
District, within 60 days after the effective date of this amendatory Act of
the 95th General Assembly, the appropriate appointing authority shall
appoint 2 additional trustees to the board of trustees, one to hold office for

2 years and one to hold office for 3 years from the first Monday of May next after their appointment and until their successors are appointed and have qualified. The lengths of the terms of these two additional members shall be determined by lot at the first meeting of the board of trustees held after the additional members take office. The three trustees already holding office in the sanitary district shall continue to hold office for the remainders of their respective terms. Thereafter, on or before the second Monday in April of each year the appropriate appointing authority shall appoint one trustee or 2 trustees, as shall be necessary to maintain a 5 member board of trustees, whose terms shall be for 3 years commencing the first Monday in May of the year in which they are respectively appointed.

If any sanitary district having a 5 member board of trustees shall cease to contain one or more municipalities with a population over 90,000 but less than 500,000 according to the most recent Federal census, then, for so long as that sanitary district does not contain one or more such municipalities, on or before the second Monday in April of each year the appropriate appointing authority shall appoint one trustee whose term shall be for 3 years commencing the first Monday in May of the year in which he is appointed. In districts which include 2 or more incorporated cities, towns, or villages, or parts of 2 or more incorporated cities, towns, or villages, all of the trustees shall not be from one incorporated city, town or village.

If a vacancy occurs on any board of trustees, the appropriate appointing authority shall within 60 days appoint a trustee who shall hold office for the remainder of the vacated term.

The appointing authority shall require each of the trustees to enter into bond, with security to be approved by the appointing authority, in such sum as the appointing authority may determine.

A majority of the board of trustees shall constitute a quorum but a smaller number may adjourn from day to day. No trustee or employee of such district shall be directly or indirectly interested in any contract, work or business of the district, or the sale of any article, the expense, price or consideration of which is paid by such district; nor in the purchase of any

real estate or property belonging to the district, or which shall be sold for
taxes or assessments, or by virtue of legal process at the suit of the district.
Provided, that nothing herein shall be construed as prohibiting the
appointment or selection of any person as trustee or employee whose only
interest in the district is as owner of real estate in the district or of
contributing to the payment of taxes levied by the district. The trustees
shall have the power to provide and adopt a corporate seal for the district.

Notwithstanding any other provision in this Section, in any sanitary
district created prior to the effective date of this amendatory Act of 1985,
in which a five member board of trustees has been appointed and which
currently includes one or more municipalities with a population of over
90,000 but less than 500,000, the board of trustees shall consist of five
members.

(b) The 165 resident judges to be elected from the Circuit of Cook County shall be determined under paragraph (4) of subsection (a) of Section 2 of the Judicial Vacancies Act.

(c) The Supreme Court shall allot (i) the additional resident judgeships provided by paragraph (4) of subsection (a) of Section 2 of the Judicial Vacancies Act and (ii) all vacancies in resident judgeships existing on or occurring on or after the effective date of this amendatory Act of 1990, with respect to the other resident judgeships of the Circuit of Cook County, for election from the various subcircuits until there are 11 resident judges to be elected from each of the 15 subcircuits (for a total of 165). A resident judgeship authorized before the effective date of this amendatory Act of 1990 that became vacant and was filled by appointment by the Supreme Court before that effective date shall be filled by election at the general election in November of 1992 from the unit of the Circuit of Cook County within Chicago or the unit of that Circuit outside Chicago, as the case may be, in which the vacancy occurred.

(d) As soon as practicable after the subcircuits are created by law, the Supreme Court shall determine by lot a numerical order for the 15 subcircuits. of the 19th judicial circuit.

(c) The Supreme Court shall allot (i) all vacancies in resident

Sec. 2f-4. 12th circuit; subcircuits; additional judges.

(a) The 12th circuit shall be divided into 5 subcircuits. The
subcircuits shall be compact, contiguous, and substantially equal in
population. The General Assembly by law shall create the subcircuits, using population data as determined by the 2000 federal census, and shall determine a numerical order for the 5 subcircuits. That numerical order shall be the basis for the order in which resident judgeships are assigned to the subcircuits. Once a resident judgeship is assigned to a subcircuit, it shall continue to be assigned to that subcircuit for all purposes.

(a-10) The first vacancy in the 12th judicial circuit's 10 existing circuit judgeships (8 at large and 2 resident), but not in the additional judgeships described in subsections (b) and (b-5), that exists on or after the effective date of this amendatory Act of the 94th General Assembly shall not be filled, by appointment or election, and that judgeship is eliminated. Of the 12th judicial circuit's 10 existing circuit judgeships (8 at large and 2 resident), but not the additional judgeships described in subsections (b) and (b-5), the second to be vacant or become vacant on or after the effective date of this amendatory Act of the 94th General Assembly shall be allotted as a 12th circuit resident judgeship under subsection (c). As used in this subsection, a vacancy does not include the expiration of a term of an at large or resident judge who seeks retention in that office at the next term.

(b) The 12th circuit shall have 3 additional resident judgeships, as well as its existing resident judgeship or judgeships, and existing at large judgeships, for a total of 12 judgeships available to be allotted under subsection (c) to the 5 subcircuit resident judgeships. The additional resident judgeship created by Public Act 93-541 shall be filled by election beginning at the general election in 2006. The 2 additional resident judgeships created by this amendatory Act of 2004 shall be filled by election beginning at the general election in 2008. After the subcircuits are created by law, the Supreme Court may fill by appointment the additional resident judgeships created by Public Act 93-541 and this amendatory Act of 2004 until the 2006 or 2008 general election, as the case may be.

(b-5) In addition to the number of circuit judges and resident judges otherwise authorized by law, and notwithstanding any other provision of law, beginning on April 1, 2006 there shall be one additional resident judge who is a resident of and elected from the fourth judicial

subcircuit of the 12th judicial circuit. That additional resident judgeship may be filled by appointment by the Supreme Court until filled by election at the general election in 2008, regardless of whether the judgeships for subcircuits 1, 2, and 3 have been filled.

(c) The Supreme Court shall allot (i) the additional resident judgeships of the 12th circuit created by Public Act 93-541 and this amendatory Act of 2004, and (ii) the second vacancy in the at large and resident judgeships of the 12th circuit as provided in subsection (a-10), for election from the various subcircuits until, with the additional judge of the fourth subcircuit described in subsection (b-5), there is one resident judge to be elected from each subcircuit. No at large or resident judge of the 12th circuit serving on August 18, 2003 shall be required to change his or her residency in order to continue serving in office or to seek retention in office as at large or resident judgeships are allotted by the Supreme Court in accordance with this Section.

(d) A resident judge elected from a subcircuit shall continue to reside in that subcircuit as long as he or she holds that office. A resident judge elected from a subcircuit after January 1, 2008, must retain residency as a registered voter in the subcircuit to run for retention from the circuit at large thereafter.

(e) Vacancies in resident judgeships of the 12th circuit shall be filled in the manner provided in Article VI of the Illinois Constitution.

Sec. 2f-5. 22nd circuit; subcircuits; additional resident judgeship.
(a) The 22nd circuit shall be divided into 4 subcircuits. The subcircuits shall be compact, contiguous, and substantially equal in population. The General Assembly by law shall create the subcircuits, using population data as determined by the 2000 federal census, and shall determine a numerical order for the 4 subcircuits. That numerical order shall be the basis for the order in which resident judgeships are assigned to the subcircuits. Once a resident judgeship is assigned to a subcircuit, it shall continue to be assigned to that subcircuit for all purposes.

The additional resident judgeship created by this amendatory Act of the 93rd General Assembly shall be filled by election beginning at the general election in 2006 and shall not be filled by appointment before the general election in 2006. The number of resident judgeships allotted to subcircuits of the 22nd judicial circuit pursuant to this Section shall constitute all the resident judgeships of the 22nd judicial circuit.

(c) The Supreme Court shall allot (i) all vacancies in resident judgeships of the 22nd circuit existing on or occurring on or after August 18, 2003 and not filled at the 2004 general election, (ii) the resident judgeships of the 22nd circuit filled at the 2004 general election as those judgeships thereafter become vacant, and (iii) the additional resident judgeship of the 22nd circuit created by this amendatory Act of the 93rd General Assembly, for election from the various subcircuits until there is one resident judge to be elected from each subcircuit. Sec. 2f-6. 17th judicial circuit; subcircuits.

(a) The 17th circuit shall be divided into 4 subcircuits. The subcircuits shall be compact, contiguous, and substantially equal in
population. The General Assembly by law shall create the subcircuits, using population data as determined by the 2000 federal census, and shall determine a numerical order for the 4 subcircuits. That numerical order shall be the basis for the order in which resident judgeships are assigned to the subcircuits. Once a resident judgeship is assigned to a subcircuit, it shall continue to be assigned to that subcircuit for all purposes.

(a-10) Of the 17th circuit's 9 existing circuit judgeships (6 at large and 3 resident), the 3 resident judgeships shall be allotted as 17th circuit resident judgeships under subsection (c) as those resident judgeships are or become vacant on or after the effective date of this amendatory Act of the 93rd General Assembly. Of the 17th circuit's associate judgeships, the first associate judgeship that is or becomes vacant on or after the effective date of this amendatory Act of the 93rd General Assembly shall become a resident judgeship of the 17th circuit to be allotted by the Supreme Court under subsection (c) as a resident subcircuit judgeship. These resident judgeships shall constitute all of the resident judgeships of the 17th circuit. As used in this subsection, a vacancy does not include the expiration of a term of a resident judge who seeks retention in that office at the next term. A vacancy does not exist or occur at the expiration of an associate judge's term if the associate judge is reappointed.

(b) The 17th circuit shall have a total of 4 judgeships (3 resident and one associate) available to be allotted to the 4 subcircuit resident judgeships.

(c) The Supreme Court shall allot (i) the 3 resident judgeships of the 17th circuit as they are or become vacant as provided in subsection (a-10) and (ii) the one associate judgeship converted into a resident judgeship of the 17th circuit as it is or becomes vacant as provided in subsection (a-10), for election from the various subcircuits until there is one resident judge to be elected from each subcircuit. No resident or associate judge of the 17th circuit serving on the effective date of this amendatory Act of the 93rd General Assembly shall be required to change his or her residency in order to continue serving in office or to seek retention or reappointment in office as resident judgeships are allotted by the Supreme Court in accordance with this Section.

The General Assembly by law shall create the subcircuits, using population data as determined by the 2000 federal census, and shall determine a numerical order for the 5 subcircuits. That numerical order shall be the basis for the order in which resident judgeships are assigned to the subcircuits. Once a resident judgeship is assigned to a subcircuit, it shall continue to be assigned to that subcircuit for all purposes.

(b) Of the 16th circuit's 16 existing circuit judgeships (7 at large and 9 resident), 5 of the 9 resident judgeships shall be allotted as 16th circuit resident judgeships under subsection (c) as (i) the first resident judgeship of DeKalb County, (ii) the first resident judgeship of Kendall County, and (iii) the first 2 resident judgeships of Kane County are or become vacant on or after the effective date of this amendatory Act of the 93rd General Assembly, and (iv) the first resident judgeship of Kane County (in addition to the 2 vacancies under item (iii)) is or becomes vacant after the effective date of this amendatory Act of the 94th General Assembly. These 5 resident subcircuit judgeships and the remaining 4 resident judgeships shall constitute all of the resident judgeships of the 16th circuit. As used in this subsection, a vacancy does not include the expiration of a term of a resident judge who seeks retention in that office at the next term.

(c) The Supreme Court shall allot the first DeKalb County vacancy, the first Kendall County vacancy, and the first 3 Kane County vacancies in
resident judgeships of the 16th circuit as provided in subsection (b), for election from the various subcircuits. The judgeships shall be assigned to the subcircuits based upon the numerical order of the 5 subcircuits. The Department of State Police shall furnish, pursuant to positive identification, records of Illinois convictions to the Department. (e) Each employer shall maintain a record of each employee that is accessible to the duly authorized representatives of the Department. The record shall contain the following information:

Armed employee files shall contain a copy of an active firearm owner's identification card and a copy of an active firearm control authorization card. Each employer shall maintain a record for each armed employee of each instance in which the employee's weapon was discharged during the course of his or her professional duties or activities. The record shall be maintained on forms provided by the Department, a copy of which must be filed with the Department within 15 days of an instance. The record shall include the date and time of the occurrence, the circumstances involved in the occurrence, and any other information as the Department may require. Failure to provide this information to the Department or failure to maintain the record as a part of each armed employee's permanent file is grounds for disciplinary action. The Department, upon receipt of a report, shall have the authority to make any investigation it considers appropriate into any occurrence in which an employee's

(g) No employer may issue an employee identification card to any person who is not employed by the employer in accordance with this Section or falsely state or represent that a person is or has been in his or her employ. It is unlawful for an applicant for registered employment to file with the Department the fingerprints of a person other than himself or herself.

(h) Every employer shall obtain the identification card of every employee who terminates employment with him or her.

(i) Every employer shall maintain a separate roster of the names of all employees currently working in an armed capacity and submit the roster to the Department on request.

(j) No agency may employ any person to perform a licensed activity under this Act unless the person possesses a valid permanent employee registration card or a valid license under this Act, or is exempt pursuant to subsection (n).

(k) Notwithstanding the provisions of subsection (j), an agency may employ a person in a temporary capacity if all of the following conditions are met:

Police. The agency shall maintain the verification of the results of the Department of State Police criminal history check as part of the employee record as required under subsection (e) of this Section.

(3) The agency exercises due diligence to ensure that the person is qualified under the requirements of the Act to be issued a permanent employee registration card.

(4) The agency maintains a separate roster of the names of all employees whose applications are currently pending with the Department and submits the roster to the Department on a monthly basis. Rosters are to be maintained by the agency for a period of at least 24 months.

An agency may employ only a permanent employee applicant for which it either submitted a permanent employee application and all required forms and fees or it confirms with the Department that a permanent employee application and all required forms and fees have been submitted by another agency, licensee or the permanent employee and all other requirements of this Section are met.

The Department shall have the authority to revoke, without a hearing, the temporary authority of an individual to work upon receipt of Federal Bureau of Investigation fingerprint data or a report of another official authority indicating a criminal conviction. If the Department has not received a temporary employee's Federal Bureau of Investigation fingerprint data within 120 days of the date the Department received the Department of State Police fingerprint data, the Department may, at its discretion, revoke the employee's temporary authority to work with 15 days written notice to the individual and the employing agency.

An agency may not employ a person in a temporary capacity if it knows or reasonably should have known that the person has been convicted of a crime under the laws of this State, has been convicted in another state of any crime that is a crime under the laws of this State, has been convicted of any crime in a federal court, or has been posted as an unapproved applicant by the Department. Notice by the Department to the agency, via certified mail, personal delivery, electronic mail, or posting on the Department's Internet site accessible to the agency that the person has

been convicted of a crime shall be deemed constructive knowledge of the conviction on the part of the agency. The Department may adopt rules to implement this subsection (k).

(l) No person may be employed under this Section in any capacity if:

(1) the person, while so employed, is being paid by the United States or any political subdivision for the time so employed in addition to any payments he or she may receive from the employer; or

(2) the person wears any portion of his or her official uniform, emblem of authority, or equipment while so employed.

(m) If information is discovered affecting the registration of a person whose fingerprints were submitted under this Section, the Department shall so notify the agency that submitted the fingerprints on behalf of that person.

(n) Peace officers shall be exempt from the requirements of this Section relating to permanent employee registration cards. The agency shall remain responsible for any peace officer employed under this exemption, regardless of whether the peace officer is compensated as an employee or as an independent contractor and as further defined by rule.

(o) Persons who have no access to confidential or security information and who otherwise do not provide traditional security services are exempt from employee registration. Examples of exempt employees include, but are not limited to, employees working in the capacity of ushers, directors, ticket takers, cashiers, drivers, and reception personnel. Confidential or security information is that which pertains to employee files, scheduling, client contracts, or technical security and alarm data.

Section 50. The Code of Civil Procedure is amended by changing Section 2-202 as follows:

(735 ILCS 5/2-202) (from Ch. 110, par. 2-202)

Sec. 2-202. Persons authorized to serve process; Place of service; Failure to make return.

(a) Process shall be served by a sheriff, or if the sheriff is disqualified, by a coroner of some county of the State. A sheriff of a county with a population of less than 1,000,000 may employ civilian personnel to serve process. In counties with a population of less than 1,000,000, process may be served, without special appointment, by a person who is licensed or registered as a private detective under the Private Detective, Private Alarm, Private Security, Fingerprint Vendor, and Locksmith Act of 2004 or by a registered employee of a private detective agency certified under that Act. A private detective or licensed
employee must supply the sheriff of any county in which he serves process with a copy of his license or certificate; however, the failure of a person to supply the copy shall not in any way impair the validity of process served by the person. The court may, in its discretion upon motion, order service to be made by a private person over 18 years of age and not a party to the action. It is not necessary that service be made by a sheriff or coroner of the county in which service is made. If served or sought to be served by a sheriff or coroner, he or she shall endorse his or her return thereon, and if by a private person the return shall be by affidavit.

(a-5) Upon motion and in its discretion, the court may appoint as a special process server a private detective agency certified under the Private Detective, Private Alarm, Private Security, Fingerprint Vendor, and Locksmith Act of 2004. Under the appointment, any employee of the private detective agency who is registered under that Act may serve the process. The motion and the order of appointment must contain the number of the certificate issued to the private detective agency by the Department of Professional Regulation under the Private Detective, Private Alarm, Private Security, Fingerprint Vendor, and Locksmith Act of 2004.

(b) Summons may be served upon the defendants wherever they may be found in the State, by any person authorized to serve process. An officer may serve summons in his or her official capacity outside his or her county, but fees for mileage outside the county of the officer cannot be taxed as costs. The person serving the process in a foreign county may make return by mail.

(c) If any sheriff, coroner, or other person to whom any process is delivered, neglects or refuses to make return of the same, the plaintiff may petition the court to enter a rule requiring the sheriff, coroner, or other person, to make return of the process on a day to be fixed by the court, or to show cause on that day why that person should not be attached for contempt of the court. The plaintiff shall then cause a written notice of the rule to be served on the sheriff, coroner, or other person. If good and sufficient cause be not shown to excuse the officer or other person, the

court shall adjudge him or her guilty of a contempt, and shall impose punishment as in other cases of contempt.

(d) If process is served by a sheriff or coroner, the court may tax the fee of the sheriff or coroner as costs in the proceeding. If process is served by a private person or entity, the court may establish a fee therefor and tax such fee as costs in the proceedings.

(e) In addition to the powers stated in Section 8.1a of the Housing Authorities Act, in counties with a population of 3,000,000 or more inhabitants, members of a housing authority police force may serve process for forcible entry and detainer actions commenced by that housing authority and may execute orders of possession for that housing authority.

(f) In counties with a population of 3,000,000 or more, process may be served, with special appointment by the court, by a private process server or a law enforcement agency other than the county sheriff in proceedings instituted under the Forcible Entry and Detainer Article of this Code as a result of a lessor or lessor's assignee declaring a lease void pursuant to Section 11 of the Controlled Substance and Cannabis Nuisance Act.

company shall be entitled to a fee for discovering presumptively
abandoned property until it has been in the custody of the Unclaimed
Property Division of the Office of the State Treasurer for at least 24
months. Fees for discovering property that has been in the custody of that

the amount collected.

PUBLIC ACT 95-0614
(Senate Bill No. 1453)

AN ACT concerning local government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Public Building Commission Act is amended by changing Sections 14, 14.2, and 20 as follows:

(50 ILCS 20/14) (from Ch. 85, par. 1044)

Sec. 14. A Public Building Commission is a municipal corporation and constitutes a body both corporate and politic separate and apart from any other municipal corporation or any other public or governmental agency. It may sue and be sued, plead and be impleaded, and have a seal and alter such at pleasure, have perpetual succession, make and execute contracts, leases, deeds and other instruments necessary or convenient to the exercise of its powers, and make and from time to time amend and repeal its by-laws, rules and regulations not inconsistent with this Act. In addition, it has and shall exercise the following public and essential governmental powers and functions and all other powers incidental or necessary, to carry out and effectuate such express powers:

(a) To select, locate and designate, at any time and from time to time, one or more areas lying wholly within the territorial limits of the municipality or of the county seat of the county in which the Commission is organized, or within the territorial limits of the county if the site is to be used for county purposes, or (in the case of a county having a population of at least 20,000 but not more than 21,000 as determined by the 1980 federal census) within the territorial limits of the county if the site is to be used for municipal purposes, as the site or sites to be acquired for the erection, alteration or improvement of a building or buildings, public improvement or other facilities for the purposes set forth in this Section. The site or sites selected shall be conveniently located within such county, municipality or county seat and of an area in size sufficiently large to accomplish and effectuate the purpose of this Act and sufficient to provide for proper architectural setting and adequate landscaping for such building or buildings, public improvement or other facilities.

(1) Where the governing body of the county seat or the governing body of any municipality with 3,000 or more inhabitants has adopted the original resolution for the creation of the Commission, the site or sites
selected, and in the case of a project for an Airport Authority, the site or sites selected, the project and any lease agreements, are subject to approval by a majority of the members of the governing body of the county seat or by a majority of the members of the governing body of the municipality. However, where the site is for a county project and is outside the limits of a municipality, the approval of the site shall be by the county board.

(2) Where the original resolution for the creation of the Commission has been adopted by the governing body of the county, the site or sites selected, and in the case of a project for an Airport Authority, the site or sites selected, the project and any lease agreements, are subject to approval by a majority of the members of the governing body of the county and to approval by 3/4 of the members of the governing body of the county seat, except that approval of 3/4 of the members of the governing body of the county seat is not required where the site is for a county or (in the case of a county having a population of at least 20,000 but not more than 21,000 as determined by the 1980 federal census) a municipal project and is outside the limits of the county seat, in which case approval by 3/4 of the members of the governing body of any municipality where the site or sites will be located is required; and, if such site or sites so selected, and in the case of a project for an Airport Authority, the site or sites selected, the project and any lease agreements, are not approved by 3/4 of the members of the governing body of the county seat the Commission may by resolution request that the approval of the site or sites so selected, and in the case of a project for an Airport Authority, the site or sites selected, the project and any lease agreements, be submitted to a referendum at the next general election in accordance with the general election law, and shall present such resolution to the county clerk. Upon receipt of such resolution the county clerk shall immediately notify the board of election commissioners, if any; however, referenda pursuant to such resolution shall not be called more frequently than once in 4 years. The proposition shall be in substantially the following form:

If a majority of the electors voting on the proposition vote in favor
of the proposition, the site or sites so selected, and in the case of a project
for an Airport Authority, the site or sites selected, the project and any lease

(i) To rent such space in such building or buildings as from time to time may not be needed by any governmental agency for such other purposes as the Board of Commissioners may determine will best serve the comfort and convenience of the occupants of such building or buildings, and upon such terms and in such manner as the Board of Commissioners may determine.

(50 ILCS 20/14.2) (from Ch. 85, par. 1044.2)

Sec. 14.2. Relocation assistance payment. In addition to all other powers authorized under this Act, a public building commission shall have the power to make the following relocation assistance payments where such relocation assistance payments are not available from Federal funds or otherwise:

(a) A public building commission is authorized to pay, as part of the cost of acquisition of any site, to a person displaced by a public building commission project, the actual reasonable expenses in moving said person, his family, his business, or his farm operation, including the moving of personal property. The allowable expenses for transportation shall not exceed the cost of moving 50 miles from the point from which such person, family, business or farm is being displaced.

New matter indicated by italics - deletions by strikeout
A public building commission is authorized to adopt rules and regulations as may be determined necessary to implement the payments as authorized by this section.

(b) In lieu of the actual moving expenses heretofore authorized to be paid, a public building commission may pay any person displaced from a dwelling, who elects to accept such payment, a moving expense allowance determined according to a schedule to be established by a public building commission, not to exceed $1,000, and a further dislocation allowance of $500.

(c) In lieu of the actual moving expenses heretofore authorized to be paid, a public building commission may pay any person who moves or discontinues his business or farm operation, who elects to accept such payment, a fixed relocation payment in an amount equal to the average annual net earnings of the business or the farm operation, or $10,000, whichever is the lesser. In the case of a business, no payment shall be made unless the public building commission is satisfied that the business (1) cannot be relocated without a substantial loss of its existing patronage, and (2) is not part of a commercial enterprise having at least one other establishment not being acquired for a project by a public building commission which is engaged in the same or similar business. The term "average annual net earnings" means one-half of any net earnings of the business or farm operation before Federal, State and local income taxes, during the two taxable years immediately preceding the taxable year in which such business or farm operation moves from the real property being acquired for such project, and includes any compensation paid by the business or farm operation to the owner, his spouse or his dependents during such two-year period.

(d) In addition to the amounts heretofore authorized to be paid by a public building commission, a public building commission may, as part of the cost of acquisition of any site, make a payment to the owner of real property acquired for a public building commission project which is improved by a single, two or three-family dwelling actually owned and occupied by the owner for not less than one year prior to the initiation of negotiations for the acquisition of such property, an amount which, when

added to the acquisition payment, equals the average price required for a comparable dwelling determined in accordance with standards established by the city, village or town in which the dwelling is located, to be a decent, safe and sanitary dwelling adequate to accommodate the displaced owner, reasonably accessible to public services and places of employment and available on the private market. Such payment shall not exceed the sum of $25,000 $5,000, and shall be made only to a displaced owner who purchases and occupies a dwelling that meets the standards established by the city, village or town in which the dwelling is located, within one year subsequent to the date on which he is required to move from the dwelling acquired for the public building commission project. Any individual or family not eligible to receive such payment, who is displaced from any dwelling, which dwelling was actually and lawfully occupied by such individual and family for not less than ninety days prior to the initiation of negotiations for acquisition of such property, may be paid by a public building commission an amount necessary to enable such individual or family to lease or rent for a period not to exceed two years, or to make the down payment on the purchase of a decent, safe and sanitary dwelling of standards adequate to accommodate such individual or family in areas not generally less desirable in regard to public utilities and public and commercial facilities. Such payment shall not exceed the sum of $2,000 $1,500.

(e) In addition to the amounts heretofore authorized to be paid, a public building commission may reimburse the owner of real property acquired for a public building commission project the reasonable and necessary expenses incurred for (1) recording fees, transfer taxes, and similar expenses incidental to conveying such property; and (2) penalty costs for prepayment of any mortgages entered into in good faith encumbering such real property, if such mortgage is on record or has been filed for record under applicable State law on the date of the selection, location and designation of the site by a public building commission for such project.

(f) Nothing contained in this amendatory Act creates in any proceedings brought under the power of eminent domain any element of
Sec. 20. All contracts to be let for the construction, alteration, improvement, repair, enlargement, demolition or removal of any buildings or other facilities, or for materials or supplies to be furnished, where the amount thereof is in excess of $20,000, shall be let to the lowest responsible bidder, or bidders, on open competitive bidding after public advertisement published at least once in each week for three consecutive weeks prior to the opening of bids, in a daily newspaper of general circulation in the county where the commission is located, except in the case of an emergency situation, as determined by the chief executive officer. If a contract is awarded in an emergency situation, (i) the contract accepted must be based on the lowest responsible proposal after the commission has made a diligent effort to solicit multiple proposals by telephone, facsimile, or other efficient means and (ii) the chief executive officer must submit a report at the next regular meeting of the Board, to be ratified by the Board and entered into the official record, that states the chief executive officer's reason for declaring an emergency situation, the names of all parties solicited for proposals, and their proposals and that includes a copy of the contract awarded. Nothing contained in this Section shall be construed to prohibit the Board of Commissioners from placing additional advertisements in recognized trade journals. Advertisements for bids shall describe the character of the proposed contract in sufficient detail to enable the bidders thereon to know what their obligation will be, either in the advertisement itself, or by reference to detailed plans and specifications on file in the office of the Public Building Commission at the time of the publication of the first announcement. Such advertisement shall also state the date, time, and place assigned for the opening of bids and no bids shall be received at any time subsequent to the time indicated in said advertisement. The Board of Commissioners may reject any and all bids received and readvertise for bids. All bids shall be open to public inspection in the office of the Public Building Commission after an award.

The successful bidder for such work shall enter into contracts furnished and prescribed by the Board of Commissioners and in addition to any other bonds required under this Act the successful bidder shall execute and give bond, payable to and to be approved by the Commission, with a corporate surety authorized to do business under the laws of the State of Illinois, in an amount to be determined by the Board of Commissioners, conditioned upon the payment of all labor furnished and materials supplied in the prosecution of the contracted work. If the bidder whose bid has been accepted shall neglect or refuse to accept the contract within five (5) days after written notice that the same has been awarded to him, or if he accepts but does not execute the contract and give the proper security, the Commission may accept the next lowest bidder, or readvertise and relet in manner above provided. (2) For each company identified in item (1) of this subsection (c) that has only inactive business operations, the retirement system shall send a written notice informing the company of this Section and encouraging it to continue to refrain from initiating active business operations in Iran until it is able to avoid scrutinized business operations. The retirement system shall continue such correspondence semiannually.

(3) For each company newly identified in item (1) of this subsection (c) that has active business operations, the retirement system shall send a written notice informing the company of its scrutinized company status and that it may become subject to divestment by the retirement system. The notice must inform the company of the opportunity to clarify its Iran-related activities and encourage the company, within 90 days, to cease its scrutinized business operations or convert such operations to inactive business operations in order to avoid qualifying for divestment by the retirement system.

(4) If, within 90 days after the retirement system's first engagement with a company pursuant to this subsection (c), that company ceases scrutinized business operations, the company shall be removed from the scrutinized companies list and the provisions of this Section shall cease to apply to it unless it resumes scrutinized business operations. If, within 90 days after the retirement system's first engagement, the company converts its scrutinized active business operations to inactive business operations, the company is subject to all provisions relating thereto.

(d) If, after 90 days following the retirement system's first engagement with a company pursuant to subsection (c), the company...
continues to have scrutinized active business operations, and only while such company continues to have scrutinized active business operations, the retirement system shall sell, redeem, divest, or withdraw all publicly traded securities of the company, except as provided in paragraph (f), from the retirement system's assets under management within 12 months after the company's most recent appearance on the scrutinized companies list.

If a company that ceased scrutinized active business operations following engagement pursuant to subsection (c) resumes such operations, this subsection (d) immediately applies, and the retirement system shall send a written notice to the company. The company shall also be immediately reintroduced onto the scrutinized companies list.

(e) The retirement system may not acquire securities of companies on the scrutinized companies list that have active business operations, except as provided in subsection (f).

(f) A company that the United States Government affirmatively declares to be excluded from its present or any future federal sanctions regime relating to Iran is not subject to divestment or the investment prohibition pursuant to subsections (d) and (e).

(g) Notwithstanding the provisions of this Section, paragraphs (d) and (e) do not apply to indirect holdings in a private market fund. However, the retirement system shall submit letters to the managers of those investment funds containing companies that have scrutinized active business operations requesting that they consider removing the companies from the fund or create a similar actively managed fund having indirect holdings devoid of the companies. If the manager creates a similar fund, the retirement system shall replace all applicable investments with investments in the similar fund in an expedited timeframe consistent with prudent investing standards.

(h) The retirement system shall file a report with the Public Pension Division of the Department of Financial and Professional Regulation that includes the scrutinized companies list within 30 days after the list is created. This report shall be made available to the public.

New matter indicated by italics - deletions by strikeout
The retirement system shall file an annual report with the Public Pension Division, which shall be made available to the public, that includes all of the following:

(1) A summary of correspondence with companies engaged by the retirement system under items (2) and (3) of subsection (c).
(2) All investments sold, redeemed, divested, or withdrawn in compliance with subsection (d).
(3) All prohibited investments under subsection (e).
(4) A summary of correspondence with private market funds notified under subsection (g).
(i) This Section expires upon the occurrence of any of the following:
(1) The United States revokes all sanctions imposed against the Government of Iran.
(2) The Congress or President of the United States declares that the Government of Iran has ceased to acquire weapons of mass destruction and to support international terrorism.
(3) The Congress or President of the United States, through legislation or executive order, declares that mandatory divestment of the type provided for in this Section interferes with the conduct of United States foreign policy.
(j) With respect to actions taken in compliance with this Act, including all good-faith determinations regarding companies as required by this Act, the retirement system is exempt from any conflicting statutory or common law obligations, including any fiduciary duties under this Article and any obligations with respect to choice of asset managers, investment funds, or investments for the retirement system's securities portfolios.
(k) Notwithstanding any other provision of this Section to the contrary, the retirement system may cease divesting from scrutinized companies pursuant to subsection (d) or reinvest in scrutinized companies from which it divested pursuant to subsection (d) if clear and convincing evidence shows that the value of investments in scrutinized companies with active scrutinized business operations becomes equal to or less than 0.5%
of the market value of all assets under management by the retirement system. Cessation of divestment, reinvestment, or any subsequent ongoing investment authorized by this Section is limited to the minimum steps necessary to avoid the contingency set forth in this subsection (k). For any cessation of divestment, reinvestment, or subsequent ongoing investment authorized by this Section, the retirement system shall provide a written report to the Public Pension Division in advance of initial reinvestment, updated semiannually thereafter as applicable, setting forth the reasons and justification, supported by clear and convincing evidence, for its decisions to cease divestment, reinvest, or remain invested in companies having scrutinized active business operations. This Section does not apply to reinvestment in companies on the grounds that they have ceased to have scrutinized active business operations.

(l) If any provision of this Section or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Section are severable.

(c) The Board shall meet no less than 2 times per year and may hold additional meetings as required in the performance of its duties.

(k) Members of the Board shall be reimbursed for all authorized legitimate and necessary expenses incurred in attending the meetings of the Board.

(m) Except in cases of willful and wanton misconduct, members shall be immune from suit in any action based upon any disciplinary proceedings or other acts performed in good faith as members of the Board.

Section 70. Privileged communications. Interpreters for the deaf licensed under this Act shall be subject to the provisions concerning privileged communications between interpreters for the deaf and hard of hearing and consumers set forth in Section 8-912 of the Code of Civil Procedure.

Section 75. Provisional licensure. The Commission may, at its discretion, issue a provisional license to an applicant who has not met all of the requirements for full licensure under this Act, but has met the requirements for provisional licensure, as established by the Commission.

Provisional licenses must be renewed as set by rule and shall not be renewed for a period exceeding 2 years. If, at the end of 2 years, a provisional licensee still does not meet the requirements for full licensure under this Act, he or she shall be unable to practice interpreting under this Act until granted a license by the Commission.

Section 80. Expiration, renewal, and restoration of license.

(a) The expiration date and renewal period for each license issued under this Act shall be determined by the Commission and set by rule. (b) Any person who has practiced in another jurisdiction and has permitted his or her license to expire or had his or her license placed on inactive status may have his or her license restored by making application to the Commission and filing proof acceptable to the Commission, as defined by the Commission by rule, of his or her fitness to have the license restored, including evidence attesting to active practice in another jurisdiction satisfactory to the Commission and by paying the required restoration fee.

(c) If a person has not maintained an active practice in another jurisdiction satisfactory to the Commission and has permitted his or her license to expire or has had his or her license placed on inactive status, the Commission shall determine his or her fitness to resume active status and may require satisfactory evaluation of his or her skills.

(d) Any person whose license expires while he or she is (i) in federal service on active duty with the Armed Forces of the United States, or the State Militia called into service or training, or (ii) in training or education under the supervision of the United States preliminary to induction into the military service, may have his or her license renewed or restored without paying any lapsed renewal fees, provided that he or she furnishes the Commission with satisfactory evidence to the effect that he or she has been so engaged.

(e) Any person whose license is expired or on inactive status and who practices interpreting without being exempt under this Act shall be considered to be practicing without a license, which constitutes grounds for discipline under this Act.

Section 85. Inactive status. Any interpreter for the deaf requesting restoration from inactive status must pay the current renewal fee and restore his or her license as provided in Section 80 of this Act.

Section 90. Continuing education. The Commission may adopt rules of continuing education for persons licensed under this Act. These rules shall be consistent with the requirements of relevant professional associations and training programs and address variances for illness or hardship. In establishing these rules, the Commission may consider continuing education requirements as a condition of membership in organizations in order to assure that licensees are given the opportunity to participate in those programs sponsored by or through the professional associations or interpreter training programs that are relevant to their practice.

The Commission shall establish by rule a means for verifying the completion of the continuing education required by this Section. This verification may be accomplished through audits of records maintained by licensees, the filing of continuing education certificates with the Commission, or any other means established by the Commission.

Section 95. Roster. The Commission shall maintain a list of licensed interpreters for the deaf authorized to practice in the State. The list shall show the name of every licensee, type of certification, county, and a form of contact. This list shall be posted for public review on the Internet website of the Commission.

The Commission shall maintain rosters of the names of all persons whose licenses have been suspended, revoked, or denied renewal for cause, as provided by the Department within the previous calendar year. This list shall be posted for review on the Internet website of the Commission.

Section 100. Fees. The Commission may charge fees for the administration and enforcement of this Act, including, but not limited to, application, administration of an examination or evaluation, licensure renewal and restoration, and provision of duplicate licenses. The fees shall be in an amount sufficient to cover the cost of the licensure program and set by rule and shall be nonrefundable.

Section 105. Checks or order dishonored. Any person who delivers a check or other payment to the Commission that is returned to the Commission unpaid by the financial institution upon which it is drawn shall pay to the Commission, in addition to the amount already owed, a fine of $50. If the check or other payment was for a renewal or issuance fee and that person practices without paying the renewal fee or issuance fee and the fine due, an additional fine of $100 shall be imposed. The fines imposed by this Section are in addition to any other discipline provided under this Act for unlicensed practice or practice on a nonrenewed license. The Commission shall notify the person that payment of fees and fines shall be paid to the Commission by certified check or money order within 30 calendar days after the notification. If, after the expiration of 30 days after the date of the notification, the person has failed to submit the necessary remittance, the Commission shall automatically terminate the license or deny the application, without hearing. If, after termination or denial, the person seeks a license, he or she shall apply to the Commission for restoration or issuance of the license and pay all fees and fines due to the Commission. The Commission may establish a fee for the processing of an application for restoration of a license to pay all expenses of processing the application. The Director may waive the fines due under this Section in individual cases where the Commission finds that the fines would be unreasonable or unnecessarily burdensome.

Section 110. Interpreters for the Deaf Fund. The moneys received as fees and fines by the Commission under this Act shall be deposited in the Interpreters for the Deaf Fund, which is hereby created as a special fund in the State treasury, and shall be used only for the administration and enforcement of this Act, including (i) for costs directly related to the regulating of persons under this Act, (ii) by the Board and Commission in the exercise of its powers and performance of its duties, and (iii) for direct and allocable indirect cost related to the public purposes of the Commission. All moneys deposited in the Fund shall be appropriated to the Commission for expenses of the Commission and the Board in the administration and enforcement of this Act. Moneys in the Fund may be invested and reinvested, with all earnings deposited in the Fund and used

Section 115. Grounds for disciplinary action.
(a) The Commission may refuse to issue or renew any license and the Department may suspend or revoke any license or may place on probation, censure, reprimand, or take other disciplinary action deemed appropriate by the Department, including the imposition of fines not to exceed $2,500 for each violation, with regard to any license issued under this Act for any one or more of the following reasons:

(1) Material deception in furnishing information to the Commission or the Department.
(2) Violations or negligent or intentional disregard of any provision of this Act or its rules.
(3) Conviction of any crime under the laws of any jurisdiction of the United States that is a felony or a misdemeanor, an essential element of which is dishonesty, or that is directly related to the practice of interpreting.
(4) A pattern of practice or other behavior that demonstrates incapacity or incompetence to practice under this Act.
(5) Knowingly aiding or assisting another person in violating any provision of this Act or rules adopted thereunder.
(6) Failing, within 60 days, to provide a response to a request for information in response to a written request made by the Commission or the Department by certified mail.
(7) Engaging in dishonorable, unethical, or unprofessional conduct of a character likely to deceive, defraud, or harm the public.
(8) Habitual use of or addiction to alcohol, narcotics, stimulants, or any other chemical agent or drug that results in a licensee's inability to practice with reasonable judgment, skill, or safety.
(9) Discipline by another jurisdiction or foreign nation, if at least one of the grounds for the discipline is the same or substantially equivalent to those set forth in this Section.

(10) A finding that the licensee, after having his or her license placed on probationary status, has violated the terms of probation.

(11) Being named as a perpetrator in an indicated report by the Department of Children and Family Services under the Abused and Neglected Child Reporting Act and upon proof by clear and convincing evidence that the licensee has caused a child to be an abused child or a neglected child, as defined in the Abused and Neglected Child Reporting Act.

(12) Gross negligence in the practice of interpreting.

(13) Holding oneself out to be a practicing interpreter for the deaf under any name other than one's own.

(14) Knowingly allowing another person or organization to use the licensee's license to deceive the public.

(15) Attempting to subvert or cheat on an interpreter-related examination or evaluation.

(16) Immoral conduct in the commission of an act, such as sexual abuse, sexual misconduct, or sexual exploitation, related to the licensee's practice.

(17) Willfully violating State or federal confidentiality laws or the confidentiality between an interpreter and client, except as required by State or federal law.

(18) Practicing or attempting to practice interpreting under a name other than one's own.

(19) The use of any false, fraudulent, or deceptive statement in any document connected with the licensee's practice.

hearing interpreting liability claim related to acts or conduct similar to acts or conduct that would constitute grounds for action as provided in this Section.

(21) Failure of a licensee to report to the Commission surrender by the licensee of his or her license or authorization to practice interpreting in another state or jurisdiction or current surrender by the licensee of membership in any deaf or hard of hearing interpreting association or society while under disciplinary investigation by any of those authorities or bodies for acts or conduct similar to acts or conduct that would constitute grounds for action as provided by this Section.

(22) Physical illness or injury including, but not limited to, deterioration through the aging process or loss of motor skill, mental illness, or disability that results in the inability to practice the profession with reasonable judgment, skill, or safety.

(23) Gross and willful overcharging for interpreter services, including filing false statements for collection of fees for which services have not been rendered.

(b) The Commission may refuse to issue or the Department may suspend the license of any person who fails to file a return, to pay the tax, penalty, or interest shown in a filed return, or to pay any final assessment of the tax, penalty, or interest as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are satisfied.

(c) In enforcing this Section, the Commission, upon a showing of a possible violation, may compel an individual licensed under this Act, or who has applied for licensure under this Act, to submit to a mental or physical examination, or both, as required by and at the expense of the Commission. The Commission may order the examining physician to present testimony concerning the mental or physical examination of the licensee or applicant. No information shall be excluded by reason of any common law or statutory privilege relating to communications between the licensee or applicant and the examining physician. The Commission shall specifically designate the examining physicians. The individual to be

examined may have, at his or her own expense, another physician of his or her choice present during all aspects of this examination. Failure of an individual to submit to a mental or physical examination, when directed, shall be grounds for suspension of his or her license until the individual submits to the examination if the Commission finds, after notice and hearing, that the refusal to submit to the examination was without reasonable cause.

If the Commission finds an individual unable to practice because of the reasons set forth in this subsection (c), the Commission may require that individual to submit to care, counseling, or treatment by physicians approved or designated by the Commission as a condition, term, or restriction for continued, reinstated, or renewed licensure to practice or, in lieu of care, counseling, or treatment, the Commission may file a complaint to immediately suspend, revoke, or otherwise discipline the license of the individual. An individual whose license was granted, continued, reinstated, renewed, disciplined, or supervised subject to such terms, conditions, or restrictions and who fails to comply with such terms, conditions, or restrictions, shall be referred to the Director for a determination as to whether the individual shall have his or her license suspended immediately, pending a hearing by the Department.

In instances in which the Director immediately suspends a person's license under this subsection (c), a hearing on that person's license must be convened by the Department within 15 days after the suspension and completed without appreciable delay. The Commission or the Department shall have the authority to review the subject individual's record of treatment and counseling regarding the impairment to the extent permitted by applicable State and federal statutes and regulations safeguarding the confidentiality of medical records.

An individual licensed under this Act and affected under this subsection (c) shall be afforded an opportunity to demonstrate to the Commission that he or she can resume practice in compliance with acceptable and prevailing standards under the provisions of his or her license.

Section 120. Violations; injunction; cease and desist order.

New matter indicated by italics - deletions by strikeout
(a) If any person violates the provisions of this Act, the Attorney General may petition for an order enjoining the violation or for an order enforcing compliance with this Act. Upon the filing of a verified petition, the court with appropriate jurisdiction may issue a temporary restraining order without notice or bond, and may preliminarily and permanently enjoin the violation. If it is established that the person has violated or is violating the injunction, the court may punish the offender for contempt of court. Proceedings under this Section are in addition to all other remedies and penalties provided by this Act.

(b) If any person holds himself or herself out as being a licensed interpreter for the deaf under this Act and is not licensed to do so, then any licensed interpreter for the deaf, interested party, or any person injured thereby may petition for relief as provided in subsection (a) of this Section.

(c) Whenever, in the opinion of the Commission, a person violates any provision of this Act, the Commission may issue an order to show cause why an order to cease and desist should not be entered against that person. The order shall clearly set forth the grounds relied upon by the Commission and shall allow at least 7 days from the date of the order to file an answer satisfactory to the Commission. Failure to answer to the satisfaction of the Commission shall cause an order to cease and desist to be issued.

Section 125. Investigations; notice and hearing. The Commission may investigate the actions of any applicant or any person holding or claiming to hold a license under this Act. Before revoking, suspending, placing on probation, reprimanding, or taking any other disciplinary action under Section 115 of this Act, the Commission shall refer the findings of its investigation to the Department. The Department shall, at least 30 days prior to the date set for the hearing, (i) notify the accused, in writing, of any charges made and the time and place for the hearing, (ii) direct him or her to file a written answer to the charges with the Department under oath within 20 days after the service on him or her of the notice, and (iii) inform the accused that, if he or she fails to answer, default will be taken against him or her or that his or her license may be suspended, revoked, placed on probationary status, or other disciplinary action taken with

regard to the license, including limiting the scope, nature, or extent of his or her practice, as the Department may deem proper. In case the person, after receiving notice, fails to file an answer, his or her license may, in the discretion of the Department, be suspended, revoked, placed on probationary status, or the Department may take whatever disciplinary action deemed proper, including limiting the scope, nature, or extent of the person's practice or the imposition of a fine, without a hearing, if the act or acts charged constitute sufficient grounds for such action under this Act. At the time and place fixed in the notice, the Department shall proceed to hear the charges and the parties or their counsel shall be accorded ample opportunity to represent such statements, testimony, evidence, and argument as may be pertinent to the charges or to their defense. The Secretary may continue the hearing if the Board is unavailable or for another just cause.

Section 130. Disposition by consent order or settlement agreement. Disposition may be made of any charge by consent order or settlement agreement between the Commission and the licensee. Disposition may include restrictions upon the interpreter's ability to practice and monetary penalties not to exceed the maximum disciplinary fines allowed under this Act. The Board shall be apprised of the consent order or settlement agreement at its next meeting.

Section 135. Record of proceedings; transcript. The Commission, at its expense, shall preserve a record of all proceedings at any formal hearing of any case. The notice of hearing, complaint, and all other documents in the nature of pleadings and written motions filed in the proceedings, the transcript of testimony, the report of the Board, the report of the hearing officer, and the orders of the Commission shall be the record of the proceedings.

Section 140. Subpoenas; depositions; oaths. The Department shall have power to subpoena and bring before it any person and to take testimony either orally or by deposition, or both, with the same fees and mileage and in the same manner as prescribed by law in judicial proceedings in civil cases in courts in this State. The Secretary, the designated hearing officer, and any member of the Board shall each have
power to administer oaths to witnesses at any hearings which the Department is authorized to conduct and any other oaths authorized in the Act.

Section 145. Compelling testimony. Any circuit court, upon the application of the Department, designated hearing officer, applicant, or licensee against whom proceedings under Section 115 of the Act are pending, may enter an order requiring the attendance of witnesses and their testimony and the production of documents, papers, files, books, and records in connection with any hearing or investigation. The court may compel obedience to its order by proceedings for contempt.

Section 150. Findings and recommendations. At the conclusion of the hearing, the Board shall present to the Secretary a written report of its findings of fact, conclusions of law, and recommendations. The report shall contain a finding of whether the licensee violated this Act or failed to comply with the conditions required in this Act. The Board shall specify the nature of the violation or failure to comply, and shall make its recommendations to the Director of the Department. The report of findings of fact, conclusions of law, and recommendation of the Board shall be the basis for the Department's order for discipline, refusal or for the granting of the license. If the Secretary disagrees with the recommendations of the Board, the Secretary may issue an order in contravention of the Board recommendations. The Secretary shall provide a written report to the Board on any disagreement and shall specify the reasons for the action in the final order. The finding is not admissible in evidence against the person in a criminal prosecution brought for the violation of this Act, but the hearing and findings is not a bar to a criminal prosecution brought for the violation of this Act.

Section 155. Appointment of hearing officer. The Secretary shall have the authority to appoint any attorney duly licensed to practice law in the State of Illinois to serve as the hearing officer in any action for discipline of a license. The hearing officer shall have full authority to conduct the hearing. The hearing officer shall report his or her findings of fact, conclusions of law, and recommendations to the Board and the Secretary. The Board shall have 60 days after receipt of the report to

review the report of the hearing officer and to present its findings of fact, conclusions of law and recommendations to the Secretary. If the Board fails to present its report within the 60-day period, the Secretary may issue an order based on the report of the hearing officer.
