(105 ILCS 5/27-23.7)
Sec. 27-23.7. Bullying prevention education.
(a) The General Assembly finds that bullying has a negative effect on the social environment of schools, creates a climate of fear among students, inhibits their ability to learn, and leads to other antisocial behavior. Bullying behavior has been linked to other forms of antisocial behavior, such as vandalism, shoplifting, skipping and dropping out of school, fighting, using drugs and alcohol, sexual harassment, and sexual violence.

(b) In this Section, "bullying prevention" means and includes instruction in all of the following:

(5) Strategies for student-centered problem solving regarding bullying.

(c) Each school district may make suitable provisions for instruction in bullying prevention in all grades and include such instruction in the courses of study regularly taught therein. A school board may collaborate with a community-based agency providing specialized curricula in bullying prevention whose ultimate outcome is to prevent sexual violence. The State Board of Education may assist in the development of instructional materials and teacher training in relation to bullying prevention.

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 2-3.25o as follows:

(105 ILCS 5/2-3.25o)

Sec. 2-3.25o. Registration and recognition of non-public elementary and secondary schools.

(a) Findings. The General Assembly finds and declares (i) that the Constitution of the State of Illinois provides that a "fundamental goal of the People of the State is the educational development of all persons to the limits of their capacities" and (ii) that the educational development of every school student serves the public purposes of the State. In order to ensure that all Illinois students and teachers have the opportunity to enroll and work in State-approved educational institutions and programs, the State Board of Education shall provide for the voluntary registration and recognition of non-public elementary and secondary schools.

(b) Registration. All non-public elementary and secondary schools in the State of Illinois may voluntarily register with the State Board of Education on an annual basis. Registration shall be completed in conformance with procedures prescribed by the State Board of Education. Information required for registration shall include assurances of compliance (i) with federal and State laws regarding health examination and immunization, attendance, length of term, and nondiscrimination and (ii) with applicable fire and health safety requirements.

(c) Recognition. All non-public elementary and secondary schools in the State of Illinois may voluntarily seek the status of "Non-public School Recognition" from the State Board of Education. This status may be obtained by compliance with administrative guidelines and review procedures as prescribed by the State Board of Education. The guidelines and procedures must recognize that some of the aims and the financial

bases of non-public schools are different from public schools and will not be identical to those for public schools, nor will they be more burdensome. The guidelines and procedures must also recognize the diversity of non-public schools and shall not impinge upon the noneducational relationships between those schools and their clientele.

(c-5) Prohibition against recognition. A non-public elementary or secondary school may not obtain "Non-public School Recognition" status unless the school requires all certified and non-certified applicants for employment with the school, after July 1, 2007, to authorize a fingerprint-based criminal history records check as a condition of employment to determine if such applicants have been convicted of any of the enumerated criminal or drug offenses set forth in this subsection (c-5) or have been convicted, within 7 years of the application for employment, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State.

Authorization for the check shall be furnished by the applicant to the school, except that if the applicant is a substitute teacher seeking employment in more than one non-public school, a teacher seeking concurrent part-time employment positions with more than one non-public school (as a reading specialist, special education teacher, or otherwise), or an educational support personnel employee seeking employment positions with more than one non-public school, then only one of the non-public schools employing the individual shall request the authorization. Upon receipt of this authorization, the non-public school shall submit the applicant's name, sex, race, date of birth, social security number, fingerprint images, and other identifiers, as prescribed by the Department of State Police, to the Department of State Police.

The Department of State Police and Federal Bureau of Investigation shall furnish, pursuant to a fingerprint-based criminal history records check, records of convictions, forever and hereafter, until expunged, to the president or principal of the non-public school that requested the check. The Department of State Police shall charge that
school a fee for conducting such check, which fee must be deposited into the State Police Services Fund and must not exceed the cost of the inquiry. Subject to appropriations for these purposes, the State Superintendent of Education shall reimburse non-public schools for fees paid to obtain criminal history records checks under this Section.

A non-public school may not obtain recognition status unless the school also performs a check of the Statewide Sex Offender Database, as authorized by the Sex Offender Community Notification Law, for each applicant for employment, after July 1, 2007, to determine whether the applicant has been adjudicated a sex offender.

Any information concerning the record of convictions obtained by a non-public school's president or principal under this Section is confidential and may be disseminated only to the governing body of the non-public school or any other person necessary to the decision of hiring the applicant for employment. A copy of the record of convictions obtained from the Department of State Police shall be provided to the applicant for employment. Upon a check of the Statewide Sex Offender Database, the non-public school shall notify the applicant as to whether or not the applicant has been identified in the Sex Offender Database as a sex offender. Any information concerning the records of conviction obtained by the non-public school's president or principal under this Section for a substitute teacher seeking employment in more than one non-public school, a teacher seeking concurrent part-time employment positions with more than one non-public school (as a reading specialist, special education teacher, or otherwise), or an educational support personnel employee seeking employment positions with more than one non-public school may be shared with another non-public school's principal or president to which the applicant seeks employment. Any person who releases any criminal history record information concerning an applicant for employment is guilty of a Class A misdemeanor and may be subject to prosecution under federal law, unless the release of such information is authorized by this Section.

No non-public school may obtain recognition status that knowingly employs a person, hired after July 1, 2007, for whom a Department of

State Police and Federal Bureau of Investigation fingerprint-based criminal history records check and a Statewide Sex Offender Database check has not been initiated or who has been convicted for committing attempted first degree murder or for committing or attempting to commit first degree murder or a Class X felony or any one or more of the following offenses: (i) those defined in Sections 11-6, 11-9, 11-14, 11-15, 11-15.1, 11-16, 11-17, 11-18, 11-19, 11-19.1, 11-19.2, 11-20, 11-20.1, 11-21, 12-13, 12-14, 12-14.1, 12-15, and 12-16 of the Criminal Code of 1961; (ii) those defined in the Cannabis Control Act, except those defined in Sections 4(a), 4(b), and 5(a) of that Act; (iii) those defined in the Illinois Controlled Substances Act; and (iv) any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as one or more of the foregoing offenses. No non-public school may obtain recognition status under this Section that knowingly employs a person who has been found to be the perpetrator of sexual or physical abuse of a minor under 18 years of age pursuant to proceedings under Article II of the Juvenile Court Act of 1987.

In order to obtain recognition status under this Section, a non-public school must require compliance with the provisions of this subsection (c-5) from all employees of persons or firms holding contracts with the school, including, but not limited to, food service workers, school bus drivers, and other transportation employees, who have direct, daily contact with pupils. Any information concerning the records of conviction or identification as a sex offender of any such employee obtained by the non-public school principal or president must be promptly reported to the school's governing body.

(d) Public purposes. The provisions of this Section are in the public interest, for the public benefit, and serve secular public purposes.

(e) Definition. For purposes of this Section, a non-public school means any non-profit, non-home-based, and non-public elementary or secondary school that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of this Code.

PUBLIC ACT 95-0358
(House Bill No. 1662)

AN ACT concerning children.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Illinois Children's Savings Accounts Act.

Section 5. Findings. The General Assembly finds that investments in children's education, homeownership, and small business development and entrepreneurship are made possible by family savings, but the family savings rate is at the lowest level since the Great Depression. Illinois has the lowest homeownership rate in the Midwest. Fewer than a third of Illinois households have a checking account, and fewer than 60% have a savings account. The rising cost of post-secondary education decreases access to higher education for low-income and moderate-income Illinoisans, and post-secondary education is beyond the reach of many Illinois families. Increasing the number of Illinois families saving for post-secondary education for their children will increase the number of children who will attain higher education, and increased educational attainment.

New matter indicated by italics - deletions by strikeout
levels will generate a more competitive workforce, more jobs and
innovation, more savings and investment, stronger communities, and a
thriving State economy. The General Assembly also finds that a savings
program tied to financial education can improve family financial
responsibility and encourage saving for education, homeownership, small
business, and entrepreneurship.

Section 10. Public policy. It is the policy of the State to encourage
families' savings, to increase families' financial knowledge, to promote
higher educational aspiration and attainment, to encourage home
ownership, to assist small business development, to promote job creation,
to strengthen communities, and to increase asset building opportunities for
all residents.

Section 15. Children's Savings Account Task Force. There is
hereby created a Children's Savings Account Task Force. The purpose of
the task force shall be to review and make recommendations about
children's savings account program options and to create a strategic
implementation plan to create a savings account at birth for every child
born in Illinois to Illinois residents. The task force shall consist of a
maximum of 30 members, to be appointed within 60 days after the
effective date of this Act. One member shall be appointed by the President
of the Senate, one member appointed by the Senate Minority Leader, one
member appointed by the Speaker of the House, one member appointed by
the House Minority Leader, and one member representing the Office of the
State Treasurer appointed by the State Treasurer. All other members shall
be appointed by the Governor as follows:

(1) A member of the Governor's leadership staff.
(2) Public members with an interest in asset building in
Illinois, including a representative from each of the following types
of organizations or entities:
(A) an operator of an individual development

In addition, the following officials shall serve as ex-officio members of the task force: (i) the State Treasurer or his or her designee; (ii) the State Superintendent of Education or his or her designee; (iii) the Secretary of Financial and Professional Regulation or his or her designee; (iv) the Director of Commerce and Economic Opportunity or his or her designee; (v) the Secretary of Human Services or his or her designee; (vi) the Director of Healthcare and Family Services or his or her designee; (vii) the Executive Director of the Board of Higher Education or his or her designee; (viii) the Executive Director of the Illinois Community College Board or his or her designee; and (ix) the Director of Children and Family Services or his or her designee. Representatives of the Office of the Governor and the Office of the State Treasurer shall serve as co-chairpersons of the task force. The Governor shall designate one of the public members to serve as a third co-chairperson.

The Office of the State Treasurer shall be responsible for administrative and logistical support of the task force, including coordination of task force member appointments, distribution of meeting notices and minutes, coordination of meeting logistics, providing a staff liaison to the task force, facilitation of public meetings, and drafting and filing of the final report. Goals of the program shall include increasing the levels of financial literacy and savings in the State, increasing the number of children in Illinois who own assets and who attend post-secondary education or training, purchase a home, or open a small business. The task force shall consider the following factors in its recommendations for the design of the program:

(1) return on investment, safety of the investment and insurance for the account, ease of managing the account, and ease of making various forms of deposits;

On or before November 1, 2008, the Office of the State Treasurer shall present all reports issued by the task force to the Governor and members of the General Assembly. The reports shall be made available to the public.

(805 ILCS 180/37-40)

Sec. 37-40. Series of members, managers or limited liability company interests.

(a) An operating agreement may establish or provide for the establishment of designated series of members, managers or limited liability company interests having separate rights, powers or duties with respect to specified property or obligations of the limited liability company or profits and losses associated with specified property or obligations, and to the extent provided in the operating agreement, any such series may have a separate business purpose or investment objective.

New matter indicated by italics - deletions by strikeout
(b) Notwithstanding anything to the contrary set forth in this Section or under other applicable law, in the event that an operating agreement creates one or more series, and if separate and distinct records are maintained for any such series and the assets associated with any such series are held (directly or indirectly, including through a nominee or otherwise) and accounted for separately from the other assets of the limited liability company, or any other series thereof, and if the operating agreement so provides, and notice of the limitation on liabilities of a series as referenced in this subsection is set forth in the articles of organization of the limited liability company and if the limited liability company has filed a certificate of designation for each series which is to have limited liability under this Section, then the debts, liabilities and obligations incurred, contracted for or otherwise existing with respect to a particular series shall be enforceable against the assets of such series only, and not against the assets of the limited liability company generally or any other series thereof, and unless otherwise provided in the operating agreement, none of the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to the limited liability company generally or any other series thereof shall be enforceable against the assets of such series. The fact that the articles of organization contain the foregoing notice of the limitation on liabilities of a series and a certificate of designation for a series is on file in the Office of the Secretary of State shall constitute notice of such limitation on liabilities of a series. A series with limited liability shall be treated as a separate entity to the extent set forth in the articles of organization. Each series with limited liability may, in its own name, contract, hold title to assets, grant security interests, sue and be sued and otherwise conduct business and exercise the powers of a limited liability company under this Act. The limited liability company and any of its series may elect to consolidate their operations as a single taxpayer to the extent permitted under applicable law, elect to work cooperatively, elect to contract jointly or elect to be treated as a single business for purposes of qualification to do business in this or any other state. Such elections shall not affect the limitation of liability set forth in
this Section except to the extent that the series have specifically accepted joint liability by contract.

(c) Except in the case of a foreign limited liability company that has adopted an assumed name pursuant to Section 45-15, the name of the series with limited liability must contain the entire name of the limited liability company and be distinguishable from the names of the other series set forth in the articles of organization. In the case of a foreign limited liability company that has adopted an assumed name pursuant to Section 45-15, the name of the series with limited liability must contain the entire name under which the foreign limited liability company has been admitted to transact business in this State.

(d) Upon the filing of the certificate of designation with the Secretary of State setting forth the name of each series with limited liability, the series' existence shall begin, and each of the duplicate copies stamped "Filed" and marked with the filing date shall be conclusive evidence, except as against the State, that all conditions precedent required to be performed have been complied with and that the series has been or shall be, on a later date if so specified in the articles of organization or certificate of designation, legally organized and formed under this Act. If different from the limited liability company, the certificate of designation for each series shall list the names of the members if the series is member managed or the names of the managers if the series is manager managed.

The name of a series with limited liability under subsection (b) of this Section may be changed by filing with the Secretary of State a certificate of designation identifying the series whose name is being changed and the new name of such series. If not the same as the limited liability company, the names of the members of a member managed series or of the managers of a manager managed series may be changed by filing a new certificate of designation with the Secretary of State. A series with limited liability under subsection (b) of this Section may be dissolved by filing with the Secretary of State a certificate of designation identifying the series being dissolved or by the dissolution of the limited liability company as provided in subsection (m) of this Section. Certificates of designation may be executed filed by the limited liability company or any manager, person or

entity designated in the operating agreement for the limited liability company.

(e) A series of a limited liability company will be deemed to be in good standing as long as the limited liability company is in good standing.

(f) The registered agent and registered office for the limited liability company in Illinois shall serve as the agent and office for service of process in Illinois for each series.

(g) An operating agreement may provide for classes or groups of members or managers associated with a series having such relative rights, powers and duties as the operating agreement may provide, and may make provision for the future creation of additional classes or groups of members or managers associated with the series having such relative rights, powers and duties as may from time to time be established, including rights, powers and duties senior to existing classes and groups of members or managers associated with the series.

(h) A series may be managed by either the member or members associated with the series or by a manager or managers chosen by the members of such series, as provided in the operating agreement. Unless otherwise provided in an operating agreement, the management of a series shall be vested in the members associated with such series.

(i) An operating agreement may grant to all or certain identified members or managers or a specified class or group of the members or managers associated with a series the right to vote separately or with all or any class or group of the members or managers associated with the series, on any matter. An operating agreement may provide that any member or class or group of members associated with a series shall have no voting rights.

(j) Except to the extent modified in this Section, the provisions of this Act which are generally applicable to limited liability companies, their managers, members and transferees shall be applicable to each particular series with respect to the operation of such series.

(k) Except as otherwise provided in an operating agreement, any event under this Act or in an operating agreement that causes a manager to cease to be a manager with respect to a series shall not, in itself, cause

New matter indicated by italics - deletions by strikeout
such manager to cease to be a manager of the limited liability company or with respect to any other series thereof.

(l) Except as otherwise provided in an operating agreement, any event under this Act or an operating agreement that causes a member to cease to be associated with a series shall not, in itself, cause such member to cease to be associated with any other series or terminate the continued membership of a member in the limited liability company or cause the termination of the series, regardless of whether such member was the last remaining member associated with such series.

(m) Except to the extent otherwise provided in the operating agreement, a series may be dissolved and its affairs wound up without causing the dissolution of the limited liability company. The dissolution of a series established in accordance with subsection (b) of this Section shall not affect the limitation on liabilities of such series provided by subsection (b) of this Section. A series is terminated and its affairs shall be wound up upon the dissolution of the limited liability company under Article Section 35 of this Act.

(n) If a limited liability company with the ability to establish a series does not register to do business in a foreign jurisdiction for itself and certain of its series, a series of a limited liability company may itself register to do business as a limited liability company in the foreign jurisdiction in accordance with the laws of the foreign jurisdiction.

(o) If a foreign limited liability company, as permitted in the jurisdiction of its organization, has established a series having separate rights, powers or duties and has limited the liabilities of such series so that the debts, liabilities and obligations incurred, contracted for or otherwise existing with respect to a particular series are enforceable against the assets of such series only, and not against the assets of the limited liability company generally or any other series thereof, or so that the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to the limited liability company generally or any other series thereof are not enforceable against the assets of such series, then the limited liability company, on behalf of itself or any of its series, or any of its series on their own behalf may register to do business in the

State in accordance with Section 45-5 of this Act. The limitation of liability shall be so stated on the application for admission as a foreign limited liability company and a certificate of designation shall be filed for each series being registered to do business in the State by the limited liability company. Unless otherwise provided in the operating agreement, the debts, liabilities and obligations incurred, contracted for or otherwise existing with respect to a particular series of such a foreign limited liability company shall be enforceable against the assets of such series only, and not against the assets of the foreign limited liability company generally or any other series thereof and none of the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to such a foreign limited liability company generally or any other series thereof shall be enforceable against the assets of such series.

Sec. 9-121.6. Alternative annuity for county officers. (a) Any county officer elected by vote of the people may elect to establish alternative credits for an alternative annuity by electing in writing to make additional optional contributions in accordance with this Section and procedures established by the board. Such elected county officer may discontinue making the additional optional contributions by notifying the Fund in writing in accordance with this Section and procedures established by the board.

Additional optional contributions for the alternative annuity shall be as follows:

(1) For service after the option is elected, an additional contribution of 3% of salary shall be contributed to the Fund on the same basis and under the same conditions as contributions required under Sections 9-170 and 9-176.

(2) For service before the option is elected, an additional contribution of 3% of the salary for the applicable period of service, plus interest at the effective rate from the date of service to the date of payment. All payments for past service must be paid in full before credit is given. No additional optional contributions may be made for any period of service for which credit has been previously forfeited by acceptance of a refund, unless the refund is repaid in full with interest at the effective rate from the date of refund to the date of repayment.

(b) In lieu of the retirement annuity otherwise payable under this Article, any county officer elected by vote of the people who (1) has elected to participate in the Fund and make additional optional contributions in accordance with this Section, and (2) has attained age 60 with at least 10 years of service credit, or has attained age 65 with at least 8 years of service credit, may elect to have his retirement annuity computed as follows: 3% of the participant's salary at the time of termination of service for each of the first 8 years of service credit, plus 4% of such salary for each of the next 4 years of service credit, plus 5% of such salary for each year of service credit in excess of 12 years, subject to a maximum of 80% of such salary. To the extent such elected county officer has made additional optional contributions with respect to only a
portion of his years of service credit, his retirement annuity will first be
determined in accordance with this Section to the extent such additional
optional contributions were made, and then in accordance with the
remaining Sections of this Article to the extent of years of service credit
with respect to which additional optional contributions were not made.

(c) In lieu of the disability benefits otherwise payable under this
Article, any county officer elected by vote of the people who (1) has
elected to participate in the Fund, and (2) has become permanently
disabled and as a consequence is unable to perform the duties of his office,
and (3) was making optional contributions in accordance with this Section
at the time the disability was incurred, may elect to receive a disability
annuity calculated in accordance with the formula in subsection (b). For
the purposes of this subsection, such elected county officer shall be

service as an elected county officer and is of such a nature as to prevent
him from reasonably performing the duties of his office at the time; and
(ii) the board has received a written certification by at least 2 licensed
physicians appointed by it stating that such officer is disabled and that the
disability is likely to be permanent.

(d) Refunds of additional optional contributions shall be made on
the same basis and under the same conditions as provided under Section 9-
164, 9-166 and 9-167. Interest shall be credited at the effective rate on the
same basis and under the same conditions as for other contributions.
Optional contributions shall be accounted for in a separate Elected County
Officer Optional Contribution Reserve. Optional contributions under this
Section shall be included in the amount of employee contributions used to
compute the tax levy under Section 9-169.

(e) The effective date of this plan of optional alternative benefits

(at the 1/2 of 1% rate as provided in this Section) for this additional annuity for not less than the equivalent of one full year. Such employee, however, shall make arrangement to pay to the fund a balance of such contributions, based on his final salary, as will bring such 1/2 of 1% contributions, computed without interest, to the equivalent of one year's contributions.

Beginning with the month of January, 1960, each employee shall contribute by means of salary deductions 1/2 of 1% of each salary payment, concurrently with and in addition to the employee contributions otherwise provided for annuity purposes.

Each such additional contribution shall be credited to an account in the prior service annuity reserve, to be used, together with county contributions, to defray the cost of the specified annuity increments. Any balance in such account as of the beginning of each calendar year shall be credited with interest at the rate of 3% per annum.

Such additional employee contributions are not refundable, except to an employee who withdraws and applies for refund under this Article, or applies for annuity, and also in cases where a term annuity becomes payable. In such cases his contributions shall be refunded, without interest, and charged to the prior service annuity reserve.

A retired employee retired at age 55 or over and who (a) is receiving annuity based on a service credit of 20 or more years, and (b) does not qualify for the automatic increases in annuity provided for in Sec. 9-133 of this Article, and (c) elects to make a contribution to the Fund at a time and manner prescribed by the Retirement Board, of a sum equal to 1% of the final average monthly salary forming the basis of the calculation of their annuity multiplied by years of credited service, or 1% of their final monthly salary multiplied by years of credited service in any case where the final average salary is not used in the calculation, shall have his original fixed and payable monthly amount of annuity increased in January of the year following the year in which he attains the age of 65

years, if such age of 65 years is attained in the year 1969 or later, by an amount equal to 1 1/2%, and by an equal additional 1 1/2% in January of each year thereafter. Beginning with January of the year 1972, such increases shall be at the rate of 2% in lieu of the aforesaid specified 1 1/2%. Beginning with January of the year 1982, such increases shall be at the rate of 3% in lieu of the aforesaid specified 2%. Beginning January 1, 1998, these increases shall be at the rate of 3% of the current amount of the annuity, including any previous increases received under this Article, without regard to whether the annuitant is in service on or after the effective date of this amendatory Act of 1997.

In those cases in which the retired employee receiving annuity has attained the age of 66 or more years in the year 1969, he shall have such annuity increased in January of the year 1970 by an amount equal to 1 1/2% multiplied by the number equal to the number of months of January elapsing from and including January of the year immediately following the year he attained the age of 65 years if retired at or prior to age 65, or from and including January of the year immediately following the year of retirement if retired at an age greater than 65 years, to and including January of the year 1970, and by an equal additional 1 1/2% in January of each year thereafter. Beginning with January of the year 1972, such increases shall be at the rate of 2% in lieu of the aforesaid specified 1 1/2%. To defray the annual cost of such increases, the annual interest income of the Fund, accruing from investments held by the Fund, exclusive of gains or losses on sales or exchanges of assets during the year, over and above 4% a year, shall be used to the extent necessary and available to finance the cost of such increases for the following year, and such amount shall be transferred as of the end of each year, beginning with the year 1969, to a Fund account designated as the Supplementary

The sums contributed by annuitants as provided for in this Section shall also be placed in the aforesaid Supplementary Payment Reserve and shall be applied for and used for the purposes of such Fund account, together with the aforesaid interest.

In the event the monies in the Supplementary Payment Reserve in any year arising from: (1) the available interest income as defined hereinbefore and accruing in the preceding year above 4% a year and (2) the contributions by retired persons, as set forth hereinbefore, are insufficient to make the total payments to all persons estimated to be entitled to the annuity increases specified hereinbefore, then (3) any interest earnings over 4% a year beginning with the year 1969 which were not previously used to finance such increases and which were transferred to the Prior Service Annuity Reserve may be used to the extent necessary and available to provide sufficient funds to finance such increases for the current year, and such sums shall be transferred from the Prior Service Annuity Reserve.

In the event the total monies available in the Supplementary Payment Reserve from the preceding indicated sources are insufficient to make the total payments to all persons entitled to such increases for the year, a proportionate amount computed as the ratio of the monies available to the total of the total payments for that year shall be paid to each person for that year.

The Fund shall be obligated for the payment of the increases in annuity as provided for in this Section only to the extent that the assets for such purpose, as specified herein, are available.

Sec. 9-134.5. Alternative retirement cancellation payment.

(a) To be eligible for the alternative retirement cancellation payment provided in this Section, a person must:

(1) be a member of this Fund who, on December 31, 2006, was (i) in active payroll status as an employee and continuously employed in a position on and after the effective date of this

Section and (ii) an active contributor to this Fund with respect to that employment;

(2) have not previously received any retirement annuity under this Article;

(3) file with the Board on or before 45 days after the effective date of this Section, a written application requesting the alternative retirement cancellation payment provided in this Section; (4) terminate employment under this Article no later than 60 days after the effective date of this Section.

(4) if there is a QILDRO in effect against the person, file with the Board the written consent of all alternate payees under the QILDRO to the election of an alternative retirement cancellation payment under this Section; and

(b) In lieu of any retirement annuity or other benefit provided under this Article, a person who qualifies for and elects to receive the alternative retirement cancellation payment under this Section shall be entitled to receive a one-time lump sum retirement cancellation payment equal to the amount of his or her contributions to the Fund (including any employee contributions for optional service credit and including any employee contributions paid by the employer or credited to the employee during disability) on the date of termination, with regular interest, multiplied by 1.5.

(c) Notwithstanding any other provision of this Article, a person who receives an alternative retirement cancellation payment under this Section thereby forfeits the right to any other retirement or disability benefit or refund under this Article, and no widow's, survivor's, or death benefit deriving from that person shall be payable under this Article. Upon accepting an alternative retirement cancellation payment under this Section, the person's creditable service and all other rights in the Fund are terminated for all purposes.

(d) To the extent permitted by federal law, a person who receives an alternative retirement cancellation payment under this Section may direct the Fund to pay all or a portion of that payment as a rollover into
another retirement plan or account qualified under the Internal Revenue Code of 1986, as amended.

(e) Notwithstanding any other provision of this Article, a person who has received an alternative retirement cancellation payment under this Section and who reenters service under this Article must first repay to the Fund the amount by which that alternative retirement cancellation payment exceeded the amount of his or her refundable employee contributions with interest at 6% per annum. For the purposes of re-establishing creditable service that was terminated upon election of the alternative retirement cancellation payment, the portion of the alternative retirement cancellation payment representing refundable employee contributions shall be deemed a refund repayable in accordance with Section 9-163.

(f) No individual who receives an alternative retirement cancellation payment under this Section may return to active payroll status within 365 days after separation from service to the employer.

Sec. 9-166. Refunds - When paid to beneficiary, children or estate. Whenever the total amount accumulated to the account of a deceased employee from employee contributions for annuity purposes, and from employee contributions applied to any county pension fund superseded by this fund, have not been paid to him, and in the case of a married male employee to the employee and his widow together, in form of annuity or refund before the death of the last of such persons, a refund shall be payable as follows:

An amount equal to the excess of such amounts over the amounts paid on any annuity or annuities or refund, without interest upon either of such amounts, shall be refunded to a beneficiary theretofore designated by the employee in writing, signed by him before an officer authorized to administer oaths, and filed with the board before the employee's death.

If there is no designated beneficiary or the beneficiary does not survive the employee, the amount shall be refunded to the employee's children, in equal parts with the children of a deceased child taking the share of their parent. If there is no designated beneficiary or children, the

refund shall be paid to the administrator or executor of the employee's estate.

If an administrator or executor of the estate has not been appointed within 90 days from the date the refund became payable the refund may be applied in the discretion of the board toward the payment of the employee's burial expenses. Any remaining balance shall be paid to the heirs of the employee according to the law of descent and distribution of this state but assuming for the purpose of such payment of refund and determination of heirs that the deceased male employee left no widow surviving in those cases where a widow eligible for widow's annuity as his widow survived him and subsequently died; provided,

(a) that if any child or children of the employee are less than age 18, such part or all of any such amount necessary to pay annuities to them shall not be refunded as hereinbefore stated but shall be transferred to the child's annuity reserve and used therein for the payment of such annuities; and provided further,

(b) that if a reversionary annuity becomes payable as provided in Section 9-135 such refund shall not be paid until the death of the reversionary annuitant, and the refund otherwise payable under this section shall then first further be reduced by the total amount of the reversionary annuity paid.

Sec. 9-169. Financing - Tax levy. (a) The county board shall levy a tax annually upon all taxable property in the county at the rate that will produce a sum which, when added to the amounts deducted from the salaries of the employees or otherwise contributed by them is sufficient for the requirements of this Article.

For the years before 1962 the tax rate shall be as provided in "The 1925 Act". For the years 1962 and 1963 the tax rate shall be not more than .0200 per cent; for the years 1964 and 1965 the tax rate shall be not more than .0202 per cent; for the years 1966 and 1967 the tax rate shall be not more than .0207 per cent; for the year 1968 the tax rate shall be not more than .0220 per cent; for the year 1969 the tax rate shall be not more than

.0233 per cent; for the year 1970 the tax rate shall be not more than .0255 per cent; for the year 1971 the tax rate shall be not more than .0268 per cent of the value, as equalized or assessed by the Department of Revenue upon all taxable property in the county. Beginning with the year 1972 and for each year thereafter the county shall levy a tax annually at a rate on the dollar of the value, as equalized or assessed by the Department of Revenue of all taxable property within the county that will produce, when extended, not to exceed an amount equal to the total amount of contributions made by the employees to the fund in the calendar year 2 years prior to the year for which the annual applicable tax is levied multiplied by .8 for the years 1972 through 1976; by .8 for the year 1977; by .87 for the year 1978; by .94 for the year 1979; by 1.02 for the year 1980 and by 1.10 for the year 1981 and by 1.18 for the year 1982 and by 1.36 for the year 1983 and by 1.54 for the year 1984 and for each year thereafter.

This tax shall be levied and collected in like manner with the general taxes of the county, and shall be in addition to all other taxes which the county is authorized to levy upon the aggregate valuation of all taxable property within the county and shall be exclusive of and in addition to the amount of tax the county is authorized to levy for general purposes under any laws which may limit the amount of tax which the county may levy for general purposes. The county clerk, in reducing tax levies under any Act concerning the levy and extension of taxes, shall not consider this tax as a part of the general tax levy for county purposes, and shall not include it within any limitation of the per cent of the assessed valuation upon which taxes are required to be extended for the county. It is lawful to extend this tax in addition to the general county rate fixed by statute, without being authorized as additional by a vote of the people of the county.

Revenues derived from this tax shall be paid to the treasurer of the county and held by him for the benefit of the fund.

If the payments on account of taxes are insufficient during any year to meet the requirements of this Article, the county may issue tax anticipation warrants against the current tax levy.

(b) By January 10, annually, the board shall notify the county board of the requirement of this Article that this tax shall be levied. The board shall compute the amounts necessary for the purposes of the fund for that current year to be credited to the reserves established and maintained as provided in this Act, shall make an annual determination of the required county contributions, and shall certify the results thereof to the county board.

(c) The various sums to be contributed by the county board and allocated for the purposes of this Article and any interest to be contributed by the county shall be taken from the revenue derived from this tax and no money of the county derived from any source other than the levy and collection of this tax or the sale of tax anticipation warrants, except state or federal funds contributed for annuity and benefit purposes for employees of a county department of public aid under "The Illinois Public Aid Code", approved April 11, 1967, as now or hereafter amended, may be used to provide revenue for the fund.

If it is not possible or practicable for the county to make contributions for age and service annuity and widow's annuity concurrently with the employee contributions made for such purposes, such county shall make such contributions as soon as possible and practicable thereafter with interest thereon at the effective rate until the time it shall be made.

(d) With respect to employees whose wages are funded as participants under the Comprehensive Employment and Training Act of 1973, as amended (P.L. 93-203, 87 Stat. 839, P.L. 93-567, 88 Stat. 1845), hereinafter referred to as CETA, subsequent to October 1, 1978, and in instances where the board has elected to establish a manpower program reserve, the board shall compute the amounts necessary to be credited to the manpower program reserves established and maintained as herein provided, and shall make a periodic determination of the amount of required contributions from the County to the reserve to be reimbursed by the federal government in accordance with rules and regulations established by the Secretary of the United States Department of Labor or his designee, and certify the results thereof to the County Board. Any such amounts shall become a credit to the County and will be used to reduce the

amount which the County would otherwise contribute during succeeding years for all employees.

(e) In lieu of establishing a manpower program reserve with respect to employees whose wages are funded as participants under the Comprehensive Employment and Training Act of 1973, as authorized by subsection (d), the board may elect to establish a special County contribution rate for all such employees. If this option is elected, the County shall contribute to the Fund from federal funds provided under the Comprehensive Employment and Training Act program at the special rate so established and such contributions shall become a credit to the County and be used to reduce the amount which the County would otherwise contribute during succeeding years for all employees.

Sec. 9-179.3. Optional plan of additional benefits and contributions.

(a) While this plan is in effect, an employee may establish additional optional credit for additional optional benefits by electing in writing at any time to make additional optional contributions. The employee may discontinue making the additional optional contributions at any time by notifying the fund in writing.

(b) Additional optional contributions for the additional optional benefits shall be as follows:

(1) For service after the option is elected, an additional contribution of 3% of salary shall be contributed to the fund on the same basis and under the same conditions as contributions required under Sections 9-170 and 9-176.

(2) For service before the option is elected, an additional contribution of 3% of the salary for the applicable period of service, plus interest at the effective rate from the date of service to the date of payment. All payments for past service must be paid in full before credit is given. No additional optional contributions may be made for any period of service for which credit has been previously forfeited by acceptance of a refund, unless the refund is
repaid in full with interest at the effective rate from the date of refund to the date of repayment.

(c) Additional optional benefits shall accrue for all periods of eligible service for which additional contributions are paid in full. The additional benefit shall consist of an additional 1% for each year of service for which optional contributions have been paid, based on the highest average annual salary for any 4 consecutive years within the last 10 years of service immediately preceding the date of withdrawal, to be added to the employee retirement annuity benefits as otherwise computed under this Article. The calculation of these additional benefits shall be subject to the same terms and conditions as are used in the calculation of retirement annuity under Section 9-134. The additional benefit shall be included in the calculation of the automatic annual increase in annuity, and in the calculation of widow's annuity, where applicable. However no additional benefits will be granted which produce a total annuity greater than the applicable maximum established for that type of annuity in this Article, and additional benefits shall not apply to any benefit computed under Section 9-128.1.

(d) Refunds of additional optional contributions shall be made on the same basis and under the same conditions as provided under Sections 9-164, 9-166 and 9-167. Interest shall be credited at the effective rate on the same basis and under the same conditions as for other contributions.

(e) Optional contributions shall be accounted for in a separate Optional Contribution Reserve.

(f) The tax levy, computed under Section 9-169, shall be based on employee contributions including the amount of optional additional employee contributions.

(g) Service eligible under this Section may include only service as an employee of the County as defined in Section 9-108, and subject to Sections 9-219 and 9-220. No service granted under Section 9-121.1, 9-121.4 or 9-179.2 shall be eligible for optional service credit. No optional service credit may be established for any military service, or for any service under any other Article of this Code. Optional service credit may be established for any period of disability paid from this fund, if the

employee makes additional optional contributions for such periods of disability.

(h) This plan of optional benefits and contributions shall not apply to any former county employee receiving an annuity from the fund, who re-enters service as a County employee, unless he renders at least 3 years of additional service after the date of re-entry.

(i) The effective date of the optional plan of additional benefits and contributions shall be July 1, 1985, or the date upon which approval is received from the Internal Revenue Service, whichever is later.

(j) This plan of additional benefits and contributions shall expire July 1, 2005. No additional contributions may be made after that date, and no additional benefits will accrue after that date.

(b) (Blank) All such contributions shall be credited to the prior service annuity reserve. When the balance of this reserve equals its liabilities (including in addition to all other liabilities, the present values of all annuities, present or prospective, according to the applicable mortality tables and rates of interest), the county shall cease to contribute the sum stated in this Section. Whenever the balance of the investment and interest reserve is not sufficient to permit a transfer from that reserve to any other reserve, the county shall contribute sums sufficient to make possible such transfer; provided, that if annexation of territory and the employment by the county of any county employee of any such territory at the time of annexation, after the county has ceased to contribute as herein provided results in additional liabilities for prior service annuity and widow's prior service annuity for any such employee, contributions by the county for such purposes shall be resumed.

who receives an alternative retirement cancellation payment under this
Section thereby forfeits the right to any other retirement or disability
benefit or refund under this Article, and no widow's, survivor's, or death
benefit deriving from that person shall be payable under this Article. Upon
accepting an alternative retirement cancellation payment under this
Section, the person's creditable service and all other rights in the Fund
are terminated for all purposes.

(d) To the extent permitted by federal law, a person who receives

the effective rate from the application date of such refund to the date of
repayment.

Section 5. The Probate Act of 1975 is amended by changing
Section 11a-10 as follows:
(755 ILCS 5/11a-10) (from Ch. 110 1/2, par. 11a-10)
Sec. 11a-10. Procedures preliminary to hearing.
(a) Upon the filing of a petition pursuant to Section 11a-8, the
court shall set a date and place for hearing to take place within 30 days.
The court shall appoint a guardian ad litem to report to the court
concerning the respondent's best interests consistent with the provisions of
this Section, except that the appointment of a guardian ad litem shall not
be required when the court determines that such appointment is not
necessary for the protection of the respondent or a reasonably informed
decision on the petition. If the guardian ad litem is not a licensed attorney,
he or she shall be qualified, by training or experience, to work with or
advocate for the developmentally disabled, mentally ill, physically
disabled, the elderly, or persons disabled because of mental deterioration,
depending on the type of disability that is alleged in the petition. The court
may allow the guardian ad litem reasonable compensation. The guardian
ad litem may consult with a person who by training or experience is
qualified to work with persons with a developmental disability, persons
with mental illness, or physically disabled persons, or persons disabled
because of mental deterioration, depending on the type of disability that is
alleged. The guardian ad litem shall personally observe the respondent
prior to the hearing and shall inform him orally and in writing of the
contents of the petition and of his rights under Section 11a-11. The
guardian ad litem shall also attempt to elicit the respondent's position
concerning the adjudication of disability, the proposed guardian, a
proposed change in residential placement, changes in care that might result
from the guardianship, and other areas of inquiry deemed appropriate by
the court. At or before the hearing, the guardian ad litem shall file a
written report detailing his or her observations of the respondent, the
responses of the respondent to any of the inquires detailed in this Section,
the opinion of the guardian ad litem or other professionals with whom the

guardian ad litem consulted concerning the appropriateness of guardianship, and any other material issue discovered by the guardian ad litem. The guardian ad litem shall appear at the hearing and testify as to any issues presented in his or her report.

(b) The court (1) may appoint counsel for the respondent, if the court finds that the interests of the respondent will be best served by the appointment, and (2) shall appoint counsel upon respondent's request or if the respondent takes a position adverse to that of the guardian ad litem. The respondent shall be permitted to obtain the appointment of counsel either at the hearing or by any written or oral request communicated to the court prior to the hearing. The summons shall inform the respondent of this right to obtain appointed counsel. The court may allow counsel for the respondent reasonable compensation.

(c) If the respondent is unable to pay the fee of the guardian ad litem or appointed counsel, or both, the court may enter an order for the petitioner to pay all such fees or such amounts as the respondent or the respondent's estate may be unable to pay. However, in cases where the Office of State Guardian is the petitioner, consistent with Section 30 of the Guardianship and Advocacy Act, or where an elder abuse provider agency is the petitioner, pursuant to Section 9 of the Elder Abuse and Neglect Act, or where the Department of Human Services Office of Inspector General is the petitioner, consistent with Section 45(b) of the Abuse of Adults with Disabilities Intervention Act, no guardian ad litem or legal fees shall be assessed against the Office of State Guardian, or the elder abuse provider agency, or the Department of Human Services Office of Inspector General.

(d) The hearing may be held at such convenient place as the court directs, including at a facility in which the respondent resides.

(e) Unless he is the petitioner, the respondent shall be personally served with a copy of the petition and a summons not less than 14 days before the hearing. The summons shall be printed in large, bold type and shall include the following notice:

PUBLIC ACT 95-0374
(Senate Bill No. 0454)

AN ACT concerning civil law.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Marriage and Dissolution of Marriage Act is amended by changing Section 503 as follows:

(750 ILCS 5/503) (from Ch. 40, par. 503)
Sec. 503. Disposition of property.
(a) For purposes of this Act, "marital property" means all property acquired by either spouse subsequent to the marriage, except the following, which is known as "non-marital property":

1. property acquired by gift, legacy or descent;
2. property acquired in exchange for property acquired before the marriage or in exchange for property acquired by gift, legacy or descent;

New matter indicated by italics - deletions by strikeout
(3) property acquired by a spouse after a judgment of legal separation;
(4) property excluded by valid agreement of the parties;
(5) any judgment or property obtained by judgment awarded to a spouse from the other spouse;
(6) property acquired before the marriage;
(7) the increase in value of property acquired by a method listed in paragraphs (1) through (6) of this subsection, irrespective of whether the increase results from a contribution of marital property, non-marital property, the personal effort of a spouse, or otherwise, subject to the right of reimbursement provided in subsection (c) of this Section; and
(8) income from property acquired by a method listed in paragraphs (1) through (7) of this subsection if the income is not attributable to the personal effort of a spouse.

(b)(1) For purposes of distribution of property pursuant to this Section, all property acquired by either spouse after the marriage and before a judgment of dissolution of marriage or declaration of invalidity of marriage, including non-marital property transferred into some form of co-ownership between the spouses, is presumed to be marital property, regardless of whether title is held individually or by the spouses in some form of co-ownership such as joint tenancy, tenancy in common, tenancy by the entirety, or community property. The presumption of marital property is overcome by a showing that the property was acquired by a method listed in subsection (a) of this Section.

(2) For purposes of distribution of property pursuant to this Section, all pension benefits (including pension benefits under the Illinois Pension Code) acquired by either spouse after the marriage and before a judgment of dissolution of marriage or declaration of invalidity of the marriage are presumed to be marital property, regardless of which spouse participates in the pension plan. The presumption that these pension benefits are marital property is overcome by a showing that the pension benefits were acquired by a method listed in subsection (a) of this Section.

New matter indicated by italics - deletions by strikeout
The right to a division of pension benefits in just proportions under this Section is enforceable under Section 1-119 of the Illinois Pension Code.

The value of pension benefits in a retirement system subject to the Illinois Pension Code shall be determined in accordance with the valuation procedures established by the retirement system.

The recognition of pension benefits as marital property and the division of those benefits pursuant to a Qualified Illinois Domestic Relations Order shall not be deemed to be a diminishment, alienation, or impairment of those benefits. The division of pension benefits is an allocation of property in which each spouse has a species of common ownership.

(3) For purposes of distribution of property under this Section, all stock options granted to either spouse after the marriage and before a judgment of dissolution of marriage or declaration of invalidity of marriage, whether vested or non-vested or whether their value is ascertainable, are presumed to be marital property. This presumption of marital property is overcome by a showing that the stock options were acquired by a method listed in subsection (a) of this Section. The court shall allocate stock options between the parties at the time of the judgment of dissolution of marriage or declaration of invalidity of marriage recognizing that the value of the stock options may not be then determinable and that the actual division of the options may not occur until a future date. In making the allocation between the parties, the court shall consider, in addition to the factors set forth in subsection (d) of this Section, the following:

(i) All circumstances underlying the grant of the stock option including but not limited to whether the grant was for past, present, or future efforts, or any combination thereof.
(ii) The length of time from the grant of the option to the time the option is exercisable.

(c) Commingled marital and non-marital property shall be treated in the following manner, unless otherwise agreed by the spouses:

(1) When marital and non-marital property are commingled by contributing one estate of property into another resulting in a
loss of identity of the contributed property, the classification of the contributed property is transmuted to the estate receiving the contribution, subject to the provisions of paragraph (2) of this subsection; provided that if marital and non-marital property are commingled into newly acquired property resulting in a loss of identity of the contributing estates, the commingled property shall be deemed transmuted to marital property, subject to the provisions of paragraph (2) of this subsection.

(2) When one estate of property makes a contribution to another estate of property, or when a spouse contributes personal effort to non-marital property, the contributing estate shall be reimbursed from the estate receiving the contribution notwithstanding any transmutation; provided, that no such reimbursement shall be made with respect to a contribution which is not retraceable by clear and convincing evidence, or was a gift, or, in the case of a contribution of personal effort of a spouse to non-marital property, unless the effort is significant and results in substantial appreciation of the non-marital property. Personal effort of a spouse shall be deemed a contribution by the marital estate. The court may provide for reimbursement out of the marital property to be divided or by imposing a lien against the non-marital property which received the contribution.

(d) In a proceeding for dissolution of marriage or declaration of invalidity of marriage, or in a proceeding for disposition of property following dissolution of marriage by a court which lacked personal jurisdiction over the absent spouse or lacked jurisdiction to dispose of the property, the court shall assign each spouse's non-marital property to that spouse. It also shall divide the marital property without regard to marital misconduct in just proportions considering all relevant factors, including:

(1) the contribution of each party to the acquisition, preservation, or increase or decrease in value of the marital or non-marital property, including the contribution of a spouse as a homemaker or to the family unit;

New matter indicated by italics - deletions by strikeout
(2) the dissipation by each party of the marital or non-marital property;
(3) the value of the property assigned to each spouse;
(4) the duration of the marriage;
(5) the relevant economic circumstances of each spouse when the division of property is to become effective, including the desirability of awarding the family home, or the right to live therein for reasonable periods, to the spouse having custody of the children;
(6) any obligations and rights arising from a prior marriage of either party;
(7) any antenuptial agreement of the parties;
(8) the age, health, station, occupation, amount and sources of income, vocational skills, employability, estate, liabilities, and needs of each of the parties;
(9) the custodial provisions for any children;
(10) whether the apportionment is in lieu of or in addition to maintenance;
(11) the reasonable opportunity of each spouse for future acquisition of capital assets and income; and
(12) the tax consequences of the property division upon the respective economic circumstances of the parties.

(e) Each spouse has a species of common ownership in the marital property which vests at the time dissolution proceedings are commenced and continues only during the pendency of the action. Any such interest in marital property shall not encumber that property so as to restrict its transfer, assignment or conveyance by the title holder unless such title holder is specifically enjoined from making such transfer, assignment or conveyance.

(f) In a proceeding for dissolution of marriage or declaration of invalidity of marriage or in a proceeding for disposition of property following dissolution of marriage by a court that lacked personal jurisdiction over the absent spouse or lacked jurisdiction to dispose of the property, the court, in determining the value of the marital and non-marital

New matter indicated by italics - deletions by strikeout
property for purposes of dividing the property, shall value the property as of the date of trial or some other date as close to the date of trial as is practicable.

(g) The court if necessary to protect and promote the best interests of the children may set aside a portion of the jointly or separately held estates of the parties in a separate fund or trust for the support, maintenance, education, *physical and mental health*, and general welfare of any minor, dependent, or incompetent child of the parties. In making a determination under this subsection, the court may consider, among other things, the conviction of a party of any of the offenses set forth in Section 12-3.3, 12-4, 12-4.1, 12-4.2, 12-4.3, 12-13, 12-14, 12-14.1, 12-15, or 12-16 of the Criminal Code of 1961 if the victim is a child of one or both of the parties, and there is a need for, and cost of, care, healing and counseling for the child who is the victim of the crime.

(h) Unless specifically directed by a reviewing court, or upon good cause shown, the court shall not on remand consider any increase or decrease in the value of any "marital" or "non-marital" property occurring since the assessment of such property at the original trial or hearing, but shall use only that assessment made at the original trial or hearing.

(i) The court may make such judgments affecting the marital property as may be just and may enforce such judgments by ordering a sale of marital property, with proceeds therefrom to be applied as determined by the court.

(j) After proofs have closed in the final hearing on all other issues between the parties (or in conjunction with the final hearing, if all parties so stipulate) and before judgment is entered, a party's petition for contribution to fees and costs incurred in the proceeding shall be heard and decided, in accordance with the following provisions:

(1) A petition for contribution, if not filed before the final hearing on other issues between the parties, shall be filed no later than 30 days after the closing of proofs in the final hearing or within such other period as the court orders.

(2) Any award of contribution to one party from the other party shall be based on the criteria for division of marital property

under this Section 503 and, if maintenance has been awarded, on
the criteria for an award of maintenance under Section 504.

(3) The filing of a petition for contribution shall not be
deemed to constitute a waiver of the attorney-client privilege
between the petitioning party and current or former counsel; and
such a waiver shall not constitute a prerequisite to a hearing for
contribution. If either party's presentation on contribution,
however, includes evidence within the scope of the attorney-client
privilege, the disclosure or disclosures shall be narrowly construed
and shall not be deemed by the court to constitute a general waiver
of the privilege as to matters beyond the scope of the presentation.

(4) No finding on which a contribution award is based or
denied shall be asserted against counsel or former counsel for
purposes of any hearing under subsection (c) or (e) of Section 508.

(5) A contribution award (payable to either the petitioning
party or the party's counsel, or jointly, as the court determines) may
be in the form of either a set dollar amount or a percentage of fees
and costs (or a portion of fees and costs) to be subsequently agreed
upon by the petitioning party and counsel or, alternatively,
thereafter determined in a hearing pursuant to subsection (c) of
Section 508 or previously or thereafter determined in an
independent proceeding under subsection (e) of Section 508.

(6) The changes to this Section 503 made by this
amendatory Act of 1996 apply to cases pending on or after June 1,
1997, except as otherwise provided in Section 508.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The revocation periods contained in this subparagraph shall apply to similar out-of-state convictions.

The Secretary may not, at any time, issue a license or permit to that person.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

Sec. 5-6-1. Sentences of Probation and of Conditional Discharge and Disposition of Supervision. The General Assembly finds that in order to protect the public, the criminal justice system must compel compliance with the conditions of probation by responding to violations with swift, certain and fair punishments and intermediate sanctions. The Chief Judge of each circuit shall adopt a system of structured, intermediate sanctions for violations of the terms and conditions of a sentence of probation, conditional discharge or disposition of supervision.

(a) Except where specifically prohibited by other provisions of this Code, the court shall impose a sentence of probation or conditional discharge upon an offender unless, having regard to the nature and circumstance of the offense, and to the history, character and condition of the offender, the court is of the opinion that:

(1) his imprisonment or periodic imprisonment is necessary for the protection of the public; or

(2) probation or conditional discharge would deprecate the seriousness of the offender's conduct and would be inconsistent with the ends of justice; or

(3) a combination of imprisonment with concurrent or consecutive probation when an offender has been admitted into a drug court program under Section 20 of the Drug Court Treatment Act is necessary for the protection of the public and for the rehabilitation of the offender.

The court shall impose as a condition of a sentence of probation, conditional discharge, or supervision, that the probation agency may invoke any sanction from the list of intermediate sanctions adopted by the chief judge of the circuit court for violations of the terms and conditions of the sentence of probation, conditional discharge, or supervision, subject to the provisions of Section 5-6-4 of this Act.
(b) The court may impose a sentence of conditional discharge for an offense if the court is of the opinion that neither a sentence of imprisonment nor of periodic imprisonment nor of probation supervision is appropriate.

(b-1) Subsections (a) and (b) of this Section do not apply to a defendant charged with a misdemeanor or felony under the Illinois Vehicle Code or reckless homicide under Section 9-3 of the Criminal Code of 1961 if the defendant within the past 12 months has been convicted of or pleaded guilty to a misdemeanor or felony under the Illinois Vehicle Code or reckless homicide under Section 9-3 of the Criminal Code of 1961.

(c) The court may, upon a plea of guilty or a stipulation by the defendant of the facts supporting the charge or a finding of guilt, defer further proceedings and the imposition of a sentence, and enter an order for supervision of the defendant, if the defendant is not charged with: (i) a Class A misdemeanor, as defined by the following provisions of the Criminal Code of 1961: Sections 11-9.1; 12-3.2; 12-15; 26-5; 31-1; 31-6; 31-7; subsections (b) and (c) of Section 21-1; paragraph (1) through (5), (8), (10), and (11) of subsection (a) of Section 24-1; (ii) a Class A misdemeanor violation of Section 3.01, 3.03-1, or 4.01 of the Humane Care for Animals Act; or (iii) felony. If the defendant is not barred from receiving an order for supervision as provided in this subsection, the court may enter an order for supervision after considering the circumstances of the offense, and the history, character and condition of the offender, if the court is of the opinion that:

(1) the offender is not likely to commit further crimes;
(2) the defendant and the public would be best served if the defendant were not to receive a criminal record; and
(3) in the best interests of justice an order of supervision is more appropriate than a sentence otherwise permitted under this Code.

(c-5) Subsections (a), (b), and (c) of this Section do not apply to a defendant charged with a second or subsequent violation of Section 6-303 of the Illinois Vehicle Code committed while his or her driver's license, permit or privileges were revoked because of a violation of Section 9-3 of...
the Criminal Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state.

(d) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance when the defendant has previously been:

(1) convicted for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance or any similar law or ordinance of another state; or

(2) assigned supervision for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance or any similar law or ordinance of another state; or

(3) pleaded guilty to or stipulated to the facts supporting a charge or a finding of guilty to a violation of Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance or any similar law or ordinance of another state, and the plea or stipulation was the result of a plea agreement.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth in this Section.

(e) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 16A-3 of the Criminal Code of 1961 if said defendant has within the last 5 years been:

(1) convicted for a violation of Section 16A-3 of the Criminal Code of 1961; or

(2) assigned supervision for a violation of Section 16A-3 of the Criminal Code of 1961.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth in this Section.

(f) The provisions of paragraph (c) shall not apply to a defendant charged with violating Sections 15-111, 15-112, 15-301, paragraph (b) of Section 6-104, Section 11-605, or Section 11-1414 of the Illinois Vehicle Code or a similar provision of a local ordinance.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth in this Section.

(h) The provisions of paragraph (c) shall not apply to a defendant under the age of 21 years charged with violating a serious traffic offense as defined in Section 1-187.001 of the Illinois Vehicle Code:

(1) unless the defendant, upon payment of the fines, penalties, and costs provided by law, agrees to attend and successfully complete a traffic safety program approved by the court under standards set by the Conference of Chief Circuit Judges. The accused shall be responsible for payment of any traffic safety program fees. If the accused fails to file a certificate of successful completion on or before the termination date of the supervision order, the supervision shall be summarily revoked and conviction entered. The provisions of Supreme Court Rule 402 relating to pleas of guilty do not apply in cases when a defendant enters a guilty plea under this provision; or

Section 5. The Safe Homes Act is amended by changing Sections 20 and 25 as follows:

(765 ILCS 750/20)

Sec. 20. Change of locks.

(a) (1) Written leases. Upon written notice from all tenants who have signed as lessees under a written lease, the tenants may request that a landlord change the locks of the dwelling unit in which they live if one or more of the tenants reasonably believes that one of the tenants or a member of tenant's household is under a credible imminent threat of domestic or sexual violence at the premises from a person who is not a lessee under the lease. If the threat of violence is from a person who is not a lessee under the written lease, notice to the landlord requesting a change of locks shall be accompanied by at least one form of the following types of evidence to support a claim of domestic or sexual violence: medical, court or police evidence of domestic or sexual violence; or a statement from an employee of a victim services, domestic violence, or rape crisis organization from which the tenant or a member of the tenant's household sought services. If the threat of violence is from a person who is a lessee under a written lease, notice to the landlord requesting a change of locks shall be accompanied by a plenary order of protection pursuant to Section 219 of the Illinois Domestic Violence Act of 1986 or Section 112A-19 of the Code of Criminal Procedure of 1963, or a plenary civil no contact order pursuant to Section 215 of the Civil No Contact Order Act, granting the tenant exclusive possession of the premises. (2) Oral leases. Upon written notice from all tenants who are lessees under an oral lease, the tenants may request that a landlord change the locks of the dwelling unit in which they live if one or more of the tenants reasonably believes that one of the tenants or a member of tenant's household is under a credible imminent threat of domestic or sexual violence at the premises. Notice to the landlord requesting a change of locks shall be accompanied by a plenary order of protection pursuant to Section 219 of the Illinois Domestic Violence Act of 1986 or Section 112A-19 of the Code of Criminal Procedure of 1963, or a plenary civil no contact order pursuant to Section 215 of the Civil No Contact Order Act, granting the tenant exclusive possession of the premises. (b) Once a landlord has received notice of a request for change of locks and has received one form of evidence referred to in Section (a) above, the landlord shall, within 48 hours, change the locks or give the tenant the permission to change the locks. If the landlord changes the locks, the landlord shall make a good faith effort to give a key to the new locks to the tenant as soon as possible or not more than 48 hours of the locks being changed.

(1) The landlord may charge a fee for the expense of changing the locks. That fee must not exceed the reasonable price customarily charged for changing a lock.

(2) If a landlord fails to change the locks within 48 hours after being provided with the notice and evidence referred to in (a) above, the tenant may change the locks without the landlord's permission. If the tenant changes the locks, the tenant shall make a

In the case where a tenant changes the locks without the landlord's permission, the tenant shall do so in a workmanlike manner with locks of similar or better quality than the original lock.

(a) If a landlord takes action to prevent the tenant who has complied with Section 20 of this Act from changing his or her locks, the tenant may seek a temporary restraining order, preliminary injunction, or permanent injunction ordering the landlord to refrain from preventing the tenant from changing the locks. A tenant who successfully brings an action pursuant to this Section may be awarded reasonable attorney's fees and costs.

(b) A tenant who changes locks and does not make a good faith effort to provide a copy of a key to the landlord within 48 hours of the tenant changing the locks, shall be liable for any damages to the dwelling or the building in which the dwelling is located that could have been prevented had landlord been able to access the dwelling unit in the event of an emergency.

Section 5. The Unified Code of Corrections is amended by changing Section 5-8-4 as follows:

Sec. 5-8-4. Concurrent and Consecutive Terms of Imprisonment.

(a) When multiple sentences of imprisonment are imposed on a defendant at the same time, or when a term of imprisonment is imposed on a defendant who is already subject to sentence in this State or in another state, or for a sentence imposed by any district court of the United States, the sentences shall run concurrently or consecutively as determined by the court. When one of the offenses for which a defendant was convicted was a violation of Section 32-5.2 of the Criminal Code of 1961 and the offense was committed in attempting or committing a forcible felony, the court may impose consecutive sentences. When a term of imprisonment is imposed on a defendant by an Illinois circuit court and the defendant is subsequently sentenced to a term of imprisonment by another state or by a district court of the United States, the Illinois circuit court which imposed the sentence may order that the Illinois sentence be made concurrent with the sentence imposed by the other state or district court of the United States. The defendant must apply to the circuit court within 30 days after the defendant's sentence imposed by the other state or district of the United States is finalized. The court shall impose consecutive sentences if:

(b) Except in cases where consecutive sentences are mandated, the court shall impose concurrent sentences unless, having regard to the nature and circumstances of the offense and the history and character of the defendant, it is of the opinion that consecutive sentences are required to protect the public from further criminal conduct by the defendant, the basis for which the court shall set forth in the record.

Sec. 6-113. Restricted licenses and permits.

which the licensee may operate or such other restrictions applicable to the
licensee as the Secretary of State may determine to be appropriate to

conditions and criteria for the issuance and cancellation of probationary
licenses.

(d) The Secretary of State may upon receiving satisfactory
evidence of any violation of the restrictions of such license or permit

   The police officer issuing the citation shall confiscate the restricted driving permit and forward it, along with the citation, to the Clerk of the Circuit Court of the county in which the citation was issued.

   (g) The Secretary of State may issue a special restricted license for a period of 12 months to individuals using vision aid arrangements other than standard eyeglasses or contact lenses, allowing the operation of a motor vehicle during nighttime hours. The Secretary of State shall adopt rules defining the terms and conditions by which the individual may obtain and renew this special restricted license. At a minimum, all drivers must meet the following requirements:

   1. Possess a valid driver's license and have operated a motor vehicle during daylight hours for a period of 12 months using vision aid arrangements other than standard eyeglasses or contact lenses.

   2. Have a driving record that does not include any traffic accidents that occurred during nighttime hours, for which the driver has been found to be at fault, during the 12 months before he or she applied for the special restricted license.

   3. Successfully complete a road test administered during nighttime hours.

   At a minimum, all drivers renewing this license must meet the following requirements:

   1. Successfully complete a road test administered during nighttime hours.

   2. Have a driving record that does not include any traffic accidents that occurred during nighttime hours, for which the driver has been found to be at fault, during the 12 months before he or she applied for the special restricted license.

   (h) Any driver issued a special restricted license as defined in subsection (g) whose privilege to drive during nighttime hours has been suspended due to an accident occurring during nighttime hours may request a hearing as provided in Section 2-118 of this Code to contest that
suspension. If it is determined that the accident for which the driver was at fault was not influenced by the driver's use of vision aid arrangements other than standard eyeglasses or contact lenses, the Secretary may reinstate that driver's privilege to drive during nighttime hours.

(625 ILCS 5/6-117) (from Ch. 95 1/2, par. 6-117)
Sec. 6-117. Records to be kept by the Secretary of State.
(a) The Secretary of State shall file every application for a license or permit accepted under this Chapter, and shall maintain suitable indexes thereof. The records of the Secretary of State shall indicate the action taken with respect to such applications.
(b) The Secretary of State shall maintain appropriate records of all licenses and permits refused, cancelled, disqualified, revoked, or suspended and of the revocation, and suspension, and disqualification of driving privileges of persons not licensed under this Chapter, and such records shall note the reasons for such action.
(c) The Secretary of State shall maintain appropriate records of convictions reported under this Chapter. Records of conviction may be maintained in a computer processible medium.
(d) The Secretary of State may also maintain appropriate records of any accident reports received.
(e) The Secretary of State shall also maintain appropriate records of any disposition of supervision or records relative to a driver's referral to a driver remedial or rehabilitative program, as required by the Secretary of State or the courts. Such records shall only be available for use by the Secretary, the driver licensing administrator of any other state, law enforcement agencies, the courts, and the affected driver or, upon proper verification, such affected driver's attorney.
(f) The Secretary of State shall also maintain or contract to maintain appropriate records of all photographs and signatures obtained in the process of issuing any driver's license, permit, or identification card. The record shall be confidential and shall not be disclosed except to those entities listed under Section 6-110.1 of this Code.
(g) The Secretary of State may establish a First Person Consent organ and tissue donor registry in compliance with subsection (b-1) of Section 5-20 of the Illinois Anatomical Gift Act, as follows:

(1) The Secretary shall offer, to each applicant for issuance or renewal of a driver's license or identification card who is 18 years of age or older, the opportunity to have his or her name included in the First Person Consent organ and tissue donor registry. The Secretary must advise the applicant or licensee that he or she is under no compulsion to have his or her name included in the registry. An individual who agrees to having his or her name included in the First Person Consent organ and tissue donor registry has given full legal consent to the donation of any of his or her organs or tissue upon his or her death. A brochure explaining this method of executing an anatomical gift must be given to each applicant for issuance or renewal of a driver's license or identification card. The brochure must advise the applicant or licensee (i) that he or she is under no compulsion to have his or her name included in this registry and (ii) that he or she may wish to consult with family, friends, or clergy before doing so.

(2) The Secretary of State may establish additional methods by which an individual may have his or her name included in the First Person Consent organ and tissue donor registry.

(3) When an individual has agreed to have his or her name included in the First Person Consent organ and tissue donor registry, the Secretary of State shall note that agreement in the First Person consent organ and tissue donor registry. Representatives of federally designated organ procurement agencies and tissue banks may inquire of the Secretary of State whether a potential organ donor's name is included in the First Person Consent organ and tissue donor registry, and the Secretary of State may provide that information to the representative.

(4) An individual may withdraw his or her consent to be listed in the First Person Consent organ and tissue donor registry maintained by the Secretary of State by notifying the Secretary of State.
State in writing, or by any other means approved by the Secretary, of the individual's decision to have his or her name removed from the registry.

(5) The Secretary of State may undertake additional efforts, including education and awareness activities, to promote organ and tissue donation.

(6) In the absence of gross negligence or willful misconduct, the Secretary of State and his or her employees are immune from any civil or criminal liability in connection with an individual's consent to be listed in the organ and tissue donor registry.

(a) The Secretary of State is authorized to cancel any license or permit upon determining that the holder thereof:

1. was not entitled to the issuance thereof hereunder; or
2. failed to give the required or correct information in his application; or
3. failed to pay any fees, civil penalties owed to the Illinois Commerce Commission, or taxes due under this Act and upon reasonable notice and demand; or
4. committed any fraud in the making of such application; or
5. is ineligible therefor under the provisions of Section 6-103 of this Act, as amended; or
6. has refused or neglected to submit an alcohol, drug, and intoxicating compound evaluation or to submit to examination or re-examination as required under this Act; or
7. has been convicted of violating the Cannabis Control Act, the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Use of Intoxicating Compounds Act while that individual was in actual physical control of a motor vehicle. For purposes of this Section, any person

placed on probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act shall not be considered convicted. Any person found guilty of this offense, while in actual physical control of a motor vehicle, shall have an entry made in the court record by the judge that this offense did occur while the person was in actual physical control of a motor vehicle and order the clerk of the court to report the violation to the Secretary of State as such. After the cancellation, the Secretary of State shall not issue a new license or permit for a period of one year after the date of cancellation. However, upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety, or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle between the person's residence and person's place of employment or within the scope of the person's employment related duties, or to allow transportation for the person or a household member of the person's family for the receipt of necessary medical care or, if the professional evaluation indicates, provide transportation for the petitioner for alcohol remedial or rehabilitative activity, or for the person to attend classes, as a student, in an accredited educational institution; if the person is able to demonstrate that no alternative means of transportation is reasonably available; provided that the Secretary's discretion shall be limited to cases where undue hardship would result from a failure to issue such restricted driving permit. In each case the Secretary of State may issue such restricted driving permit for such period as he deems appropriate, except that such permit shall expire within one year from the date of issuance. A restricted driving permit issued hereunder shall be subject to cancellation, revocation and suspension by the Secretary of State in like manner and for like cause as a driver's license issued hereunder may be cancelled, revoked or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the

movement of traffic shall be deemed sufficient cause for the
revocation, suspension or cancellation of a restricted driving
permit. The Secretary of State may, as a condition to the issuance
of a restricted driving permit, require the applicant to participate in
a driver remedial or rehabilitative program. In accordance with 49
C.F.R. 384, the Secretary of State may not issue a restricted
driving permit for the operation of a commercial motor vehicle to
ea person holding a CDL whose driving privileges have been
revoked, suspended, cancelled, or disqualified under this Code; or

8. failed to submit a report as required by Section 6-116.5
of this Code; or

9. has been convicted of a sex offense as defined in the Sex
Offender Registration Act. The driver's license shall remain
cancelled until the driver registers as a sex offender as required by
the Sex Offender Registration Act, proof of the registration is
furnished to the Secretary of State and the sex offender provides
proof of current address to the Secretary; or

10. is ineligible for a license or permit under Section 6-
107, 6-107.1, or 6-108 of this Code; or

11. refused or neglected to appear at a Driver Services
facility to have the license or permit corrected and a new license
or permit issued.

(b) Upon such cancellation the licensee or permittee must
surrender the license or permit so cancelled to the Secretary of State.

(c) Except as provided in Sections 6-206.1 and 7-702.1, the
Secretary of State shall have exclusive authority to grant, issue, deny,
cancel, suspend and revoke driving privileges, drivers' licenses and
restricted driving permits.

(d) The Secretary of State may adopt rules to implement this
Section.

In counties with a population over 300,000, instead of forwarding reports to the Supreme Court, reports of conviction under this Code and sentencing hearings under the Juvenile Court Act of 1987 in an electronic format or a computer processible medium may be forwarded to the Secretary of State by the Circuit Court Clerk in a form and format required by the Secretary of State and established by written agreement between the Circuit Court Clerk and the Secretary of State. These reports shall be sent within 5 days after disposition, or, if the driver is referred to a driver remedial or rehabilitative program, within 5 days of the driver's referral to that program. These reports received by the Secretary of State, including those required to be forwarded under paragraph (a)(4), shall be privileged information, available only (i) to the affected driver and (ii) for use by the courts, police officers, prosecuting authorities, and the Secretary of State, and the driver licensing administrator of any other state. In accordance with 49 C.F.R. Part 384, all reports of court supervision, except violations related to parking, shall be forwarded to the Secretary of State for all holders of a CDL or any driver who commits an offense while driving a commercial motor vehicle. (b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

provided that the Secretary's discretion shall be limited to cases where undue hardship would result from a failure to issue the restricted driving permit.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination thereof, until the expiration of at least one year from the date of the

revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(d) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may issue the applicant a license, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each, until the applicant attains 21 years of age.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted

driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The revocation periods contained in this subparagraph shall apply to similar out-of-state convictions.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.
(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by an individual who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system.

(i) (Blank). The Secretary of State may not issue a restricted driving permit for a period of one year after a second or subsequent revocation of driving privileges under clause (a)(2) of this Section; however, one year after the date of a second or subsequent revocation of driving privileges under clause (a)(2) of this Section, the Secretary of State may, upon application, issue a restricted driving permit under the terms and conditions of subsection (c).

(j) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked, suspended, cancelled, or disqualified under any provisions of this Code.

The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the revocation. the program.

(c-5) The Secretary of State may, as a condition of the reissuance
of a driver's license or permit to an applicant whose driver's license or

participate in a driver remedial education course and be retested under
Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Drivers License
