Sec. 8-2. It is the duty of each manufacturer with respect to alcoholic liquor produced or imported by such manufacturer, or purchased tax-free by such manufacturer from another manufacturer or importing distributor, and of each importing distributor as to alcoholic liquor purchased by such importing distributor from foreign importers or from anyone from any point in the United States outside of this State or purchased tax-free from another manufacturer or importing distributor, to pay the tax imposed by Section 8-1 to the Department of Revenue on or before the 15th day of the calendar month following the calendar month in which such alcoholic liquor is sold or used by such manufacturer or by such importing distributor other than in an authorized tax-free manner or to pay that tax electronically as provided in this Section.

Each manufacturer and each importing distributor shall make payment under one of the following methods: (1) on or before the 15th day of each calendar month, file in person or by United States first-class mail, postage pre-paid, with the Department of Revenue, on forms prescribed and furnished by the Department, a report in writing in such form as may be required by the Department in order to compute, and assure the accuracy of, the tax due on all taxable sales and uses of alcoholic liquor occurring during the preceding month. Payment of the tax in the amount disclosed by the report shall accompany the report or, (2) on or before the 15th day of each calendar month, electronically file with the Department of Revenue, on forms prescribed and furnished by the Department, an electronic report in such form as may be required by the Department in order to compute, and assure the accuracy of, the tax due on all taxable sales and uses of alcoholic liquor occurring during the preceding month. An electronic payment of the tax in the amount disclosed by the report shall accompany the report. A manufacturer or distributor who files an electronic report and electronically pays the tax imposed pursuant to Section 8-1 to the Department of Revenue on or before the 15th day of the calendar month following the calendar month in which such alcoholic liquor is sold or used by that manufacturer or importing distributor other than in an authorized tax-free manner shall pay to the Department the amount of the tax imposed pursuant to Section 8-1, less a discount which is allowed to reimburse the manufacturer or importing distributor for the expenses incurred in keeping and maintaining records, preparing and filing the electronic returns, remitting the tax, and supplying data to the Department upon request.

The discount shall be in an amount as follows:

New matter indicated by italics - deletions by strikeout.
(1) For original returns due on or after January 1, 2003 through September 30, 2003, the discount shall be 1.75% or $1,250 per return, whichever is less;

(2) For original returns due on or after October 1, 2003 through September 30, 2004, the discount shall be 2% or $3,000 per return, whichever is less; and

(3) For original returns due on or after October 1, 2004, the discount shall be 2% or $2,000 per return, whichever is less.

The Department may, if it deems it necessary in order to insure the payment of the tax imposed by this Article, require returns to be made more frequently than and covering periods of less than a month. Such return shall contain such further information as the Department may reasonably require.

It shall be presumed that all alcoholic liquors acquired or made by any importing distributor or manufacturer have been sold or used by him in this State and are the basis for the tax imposed by this Article unless proven, to the satisfaction of the Department, that such alcoholic liquors are (1) still in the possession of such importing distributor or manufacturer, or (2) prior to the termination of possession have been lost by theft or through unintentional destruction, or (3) that such alcoholic liquors are otherwise exempt from taxation under this Act.

The Department may require any foreign importer to file monthly information returns, by the 15th day of the month following the month which any such return covers, if the Department determines this to be necessary to the proper performance of the Department's functions and duties under this Act. Such return shall contain such information as the Department may reasonably require.

Every manufacturer and importing distributor shall also file, with the Department, a bond in an amount not less than $1,000 and not to exceed $100,000 on a form to be approved by, and with a surety or sureties satisfactory to, the Department. Such bond shall be conditioned upon the manufacturer or importing distributor paying to the Department all monies becoming due from such manufacturer or importing distributor under this Article. The Department shall fix the penalty of such bond in each case, taking into consideration the amount of alcoholic liquor expected to be sold and used by such manufacturer or importing distributor, and the penalty fixed by the Department shall be sufficient, in the Department's opinion, to protect the State of Illinois against failure to pay any amount due under this Article, but the amount of the penalty fixed by the Department may reasonably require.
Department shall not exceed twice the amount of tax liability of a monthly return, nor shall the amount of such penalty be less than $1,000. The Department shall notify the Commission of the Department's approval or disapproval of any such manufacturer's or importing distributor's bond, or of the termination or cancellation of any such bond, or of the Department's direction to a manufacturer or importing distributor that he must file additional bond in order to comply with this Section. The Commission shall not issue a license to any applicant for a manufacturer's or importing distributor's license unless the Commission has received a notification from the Department showing that such applicant has filed a satisfactory bond with the Department hereunder and that such bond has been approved by the Department. Failure by any licensed manufacturer or importing distributor to keep a satisfactory bond in effect with the Department or to furnish additional bond to the Department, when required hereunder by the Department to do so, shall be grounds for the revocation or suspension of such manufacturer's or importing distributor's license by the Commission. If a manufacturer or importing distributor fails to pay any amount due under this Article, his bond with the Department shall be deemed forfeited, and the Department may institute a suit in its own name on such bond.

After notice and opportunity for a hearing the State Commission may revoke or suspend the license of any manufacturer or importing distributor who fails to comply with the provisions of this Section. Notice of such hearing and the time and place thereof shall be in writing and shall contain a statement of the charges against the licensee. Such notice may be given by United States registered or certified mail with return receipt requested, addressed to the person concerned at his last known address and shall be given not less than 7 days prior to the date fixed for the hearing. An order revoking or suspending a license under the provisions of this Section may be reviewed in the manner provided in Section 7-10 of this Act. No new license shall be granted to a person whose license has been revoked for a violation of this Section or, in case of suspension, shall such suspension be terminated until he has paid to the Department all taxes and penalties which he owes the State under the provisions of this Act.

Every manufacturer or importing distributor who has, as verified by the Department, continuously complied with the conditions of the bond under this Act for a period of 2 years shall be considered to be a prior continuous compliance taxpayer. In determining the consecutive period of time for qualification as a prior continuous compliance taxpayer, any

consecutive period of time of qualifying compliance immediately prior to
the effective date of this amendatory Act of 1987 shall be credited to any
manufacturer or importing distributor.

A manufacturer or importing distributor that is a prior continuous
compliance taxpayer under this Section and becomes a successor as the
result of an acquisition, merger, or consolidation of a manufacturer or
importing distributor shall be deemed to be a prior continuous compliance
taxpayer with respect to the acquired, merged, or consolidated entity.

Every prior continuous compliance taxpayer shall be exempt from
the bond requirements of this Act until the Department has determined the
taxpayer to be delinquent in the filing of any return or deficient in the
payment of any tax under this Act. Any taxpayer who fails to pay an
admitted or established liability under this Act may also be required to
post bond or other acceptable security with the Department guaranteeing
the payment of such admitted or established liability.

The Department shall discharge any surety and shall release and
return any bond or security deposit assigned, pledged or otherwise
provided to it by a taxpayer under this Section within 30 days after: (1)
such taxpayer becomes a prior continuous compliance taxpayer; or (2)
such taxpayer has ceased to collect receipts on which he is required to
remit tax to the Department, has filed a final tax return, and has paid to the
Department an amount sufficient to discharge his remaining tax liability as
determined by the Department under this Act.

Sec. 6-305. Renting motor vehicle to another.
(a) No person shall rent a motor vehicle to any other person unless the latter person, or a driver designated by a nondriver with disabilities and meeting any minimum age and driver's record requirements that are uniformly applied by the person renting a motor vehicle, is then duly licensed hereunder or, in the case of a nonresident, then duly licensed under the laws of the State or country of his residence unless the State or country of his residence does not require that a driver be licensed.

(b) No person shall rent a motor vehicle to another until he has inspected the drivers license of the person to whom the vehicle is to be rented, or by whom it is to be driven, and compared and verified the signature thereon with the signature of such person written in his presence unless, in the case of a nonresident, the State or country wherein the nonresident resides does not require that a driver be licensed.

(c) No person shall rent a motorcycle to another unless the latter person is then duly licensed hereunder as a motorcycle operator, and in the case of a nonresident, then duly licensed under the laws of the State or country of his residence, unless the State or country of his residence does not require that a driver be licensed.

(d) (Blank).
(e) (Blank).
(f) Subject to subsection (l), any person who rents a motor vehicle to another shall only advertise, quote, and charge a rental rate that includes the entire amount except taxes and a mileage charge, if any, which a renter must pay to hire or lease the vehicle for the period of time to which the rental rate applies. The person must provide, on the request of the renter, based on the available information, an estimated total of the daily rental rate, including all applicable taxes, fees, and other charges, or an estimated total rental charge, based on the return date of the vehicle noted on the rental agreement. Further, if the rental agreement does not already provide an estimated total rental charge, the following statement must be included in the rental agreement:

"NOTICE: UNDER ILLINOIS LAW, YOU MAY REQUEST, BASED ON AVAILABLE INFORMATION, AN ESTIMATED TOTAL DAILY RENTAL RATE, INCLUDING TAXES, FEES, AND OTHER CHARGES, OR AN ESTIMATED TOTAL RENTAL CHARGE, BASED ON THE VEHICLE RETURN DATE NOTED ON THIS AGREEMENT."

Such person shall not charge in addition to the rental rate, taxes, and mileage charge, if any, any fee which must be paid by the renter as a condition of hiring or leasing the vehicle, such as, but not limited to, required fuel or airport surcharges, nor any fee for transporting the renter to the location where the rented vehicle will be delivered to the renter. In addition to the rental rate, taxes, and mileage charge, if any, such person may charge for an item or service provided in connection with a particular rental transaction if the renter can avoid incurring the charge by choosing not to obtain or utilize the optional item or service. Items and services for which such person may impose an additional charge include, but are not limited to, optional insurance and accessories requested by the renter, service charges incident to the renter's optional return of the vehicle to a location other than the location where the vehicle was hired or leased, and charges for refueling the vehicle at the conclusion of the rental transaction in the event the renter did not return the vehicle with as much fuel as was in the fuel tank at the beginning of the rental.

(g) Every person renting a motor vehicle to another shall keep a record of the registration number of the motor vehicle so rented, the name and address of the person to whom the vehicle is rented, the number of the license, if any, of said latter person, and the date and place when and
where the license, if any, was issued. Such record shall be open to inspection by any police officer or designated agent of the Secretary of State.

(h) A person licensed as a new car dealer under Section 5-101 of this Code shall not be subject to the provisions of this Section regarding the rental of private passenger motor vehicles when providing, free of charge, temporary substitute vehicles for customers to operate during a period when a customer's vehicle, which is either leased or owned by that customer, is being repaired, serviced, replaced or otherwise made unavailable to the customer in accordance with an agreement with the licensed new car dealer or vehicle manufacturer, so long as the customer orally or in writing is made aware that the temporary substitute vehicle will be covered by his or her insurance policy and the customer shall only be liable to the extent of any amount deductible from such insurance coverage in accordance with the terms of the policy.

(i) This Section, except the requirements of subsection (g), also applies to rental agreements of 30 continuous days or less involving a motor vehicle that was delivered by an out of State person or business to a renter in this State.

Notwithstanding subsection (f) of this Section, the customer facility charge shall be collected by the rental car company as a separate charge, and clearly indicated as a separate charge on the rental agreement and invoice. Facility charges shall be immediately deposited into a trust account for the benefit of the airport and remitted at the direction of the airport, but not more often than once per month. The charge shall be uniformly calculated on a per-contract or per-day basis. Facility charges imposed by the airport may not exceed the reasonable costs of financing, designing, constructing, operating, and maintaining the consolidated car rental facilities and common use transportation equipment and facilities and may not be used for any other purpose.

New matter indicated by italics - deletions by strikeout.
Notwithstanding any other provision of law, the charges collected under this Section are not subject to retailer occupation, sales, use, or transaction taxes.

(1) Clearly and conspicuously disclose in any radio, television, or other electronic media advertisements the existence and amount of the charge if the advertisement is intended for rentals at an airport imposing the charge or, if the advertisement covers an area with multiple airports with different charges, a range of amounts of customer facility charges if the advertisement is intended for rentals at an airport imposing the charge.

(2) Clearly and conspicuously disclose in any print rate advertising the existence and amount of the charge if the advertisement is intended for rentals at an airport imposing the charge or, if the print rate advertisement covers an area with multiple airports with different charges, a range of amounts of customer facility charges if the advertisement is intended for rentals at an airport imposing the charge.

(3) Clearly and conspicuously disclose the existence and amount of the charge in any telephonic, in-person, or computer-transmitted quotation from the rental car company's proprietary computer reservation system at the time of making an initial quotation of a rental rate if the quotation is made by a rental car company location at an airport imposing the charge and at the time of making a reservation of a rental car if the reservation is made by a rental car company location at an airport imposing the charge.

(4) Clearly and conspicuously display the charge in any proprietary computer-assisted reservation or transaction directly between the rental car company and the customer, shown or referenced on the same page on the computer screen viewed by the customer as the displayed rental rate and in a print size not smaller than the print size of the rental rate.

(5) Clearly and conspicuously disclose and separately identify the existence and amount of the charge on its rental agreement.

PUBLIC ACT 95-0771
(House Bill No. 5017)

AN ACT concerning State government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Health Facilities Planning Act is amended by changing Sections 15.5 and 19.6 as follows:

(20 ILCS 3960/15.5)
(Section scheduled to be repealed on August 31, 2008)
Sec. 15.5. Task Force on Health Planning Reform.
(a) The Task Force on Health Planning Reform is created.
(b) The Task Force shall consist of 19 voting members, as follows:
6 persons, who are not currently employed by a State agency, appointed by the Director of Public Health, 3 of whom shall be persons with knowledge and experience in the delivery of health care services, including at least one person representing organized health service workers, 2 of whom shall be persons with professional experience in the administration or management of health care facilities, and one of whom shall be a person with experience in health planning; 2 members of the Illinois Senate appointed by the President of the Senate, one of whom shall be a co-chair to the Task Force; 2 members of the Illinois Senate appointed by the

Senate Minority Leader; 2 members of the Illinois House of Representatives appointed by the Speaker of the House of Representatives, one of whom shall be a co-chair to the Task Force; 2 members of the Illinois House of Representatives appointed by the House Minority Leader; the Attorney General, or his or her designee; and 4 members of the general public, representing health care consumers, appointed by the Attorney General of Illinois.

The following persons, or their designees, shall serve, ex officio, as nonvoting members of the Task Force: the Director of Public Health, the Secretary of the Illinois Health Facilities Planning Board, the Director of Healthcare and Family Services, the Secretary of Human Services, and the Director of the Governor's Office of Management and Budget.

Members shall serve without compensation, but may be reimbursed for their expenses in relation to duties on the Task Force.

A vote of 12 members appointed to the Task Force is required with respect to the adoption of recommendations to the Governor and General Assembly and the final report required by this Section.

(c) The Task Force shall gather information and make recommendations relating to at least the following topics in relation to the Illinois Health Facilities Planning Act:

(1) The impact of health planning on the provision of essential and accessible health care services; prevention of unnecessary duplication of facilities and services; improvement in the efficiency of the health care system; maintenance of an environment in the health care system that supports quality care; the most economic use of available resources; and the effect of repealing this Act.

(2) Reform of the Illinois Health Facilities Planning Board to enable it to undertake a more active role in health planning to provide guidance in the development of services to meet the health care needs of Illinois, including identifying and recommending initiatives to meet special needs.

(3) Reforms to ensure that health planning under the Illinois Health Facilities Planning Act is coordinated with other health planning laws and activities of the State.

(4) Reforms that will enable the Illinois Health Facilities Planning Board to focus most of its project review efforts on "Certificate-of-Need" applications involving new facilities, discontinuation of services, major expansions, and volume-

sensitive services, and to expedite review of other projects to the maximum extent possible.

(5) Reforms that will enable the Illinois Health Facilities Planning Board to determine how criteria, standards, and procedures for evaluating project applications involving specialty providers, ambulatory surgical facilities, and other alternative health care models should be amended to give special attention to the impact of those projects on traditional community hospitals to assure the availability and access to essential quality medical care in those communities.

(6) Implementation of policies and procedures necessary for the Illinois Health Facilities Planning Board to give special consideration to the impact of the projects it reviews on access to "safety net" services.

(7) Changes in policies and procedures to make the Illinois health facilities planning process predictable, transparent, and as efficient as possible; requiring the State Agency (the Illinois Department of Public Health) and the Illinois Health Facilities Planning Board to provide timely and appropriate explanations of its decisions and establish more effective procedures to enable public review and comment on facts set forth in State Agency staff analyses of project applications prior to the issuance of final decisions on each project.

(8) Reforms to ensure that patient access to new and modernized services will not be delayed during a transition period under any proposed system reform; and that the transition should minimize disruption of the process for current applicants.

(9) Identification of the resources necessary to support the work of the Agency and the Board.

(d) The Task Force shall recommend reforms regarding the following:

(1) The size and membership of current Illinois Health Facilities Planning Board. Review and make recommendations on the reorganization of the structure and function of the Illinois Health Facilities Planning Board and the State Agency responsible for health planning (the Illinois Department of Public Health), giving consideration to various options for reassigning the primary responsibility for the review, approval, and denial of project applications between the Board and the State Agency, so that the

New matter indicated by italics - deletions by strikeout.
"Certificate-of-Need" process is administered in the most effective, efficient, and consistent manner possible in accordance with the objectives referenced in subsection (c) of this Section.

(2) Changes in policies and procedures that will charge the Illinois Health Facilities Planning Board with developing a long-range health facilities plan (10 years) to be updated at least every 2 years, so that it is a rolling 10-year plan based upon data no older than 2 years. The plan should incorporate an inventory of the State's health facilities infrastructure including both facilities and services regulated under this Act, as well as facilities and services that are not currently regulated under this Act, as determined by the Board. The planning criteria and standards should be adjusted to take into consideration services that are regulated under the Act, but are also offered by non-regulated providers. The Illinois Department of Public Health bed inventory should be updated each year using the most recent utilization data for both hospitals and long-term care facilities including 2003, 2004, 2005 and subsequent-year inpatient discharges and days. This revised bed supply should be used as the bed supply input for all Planning Area bed-need calculations. Ten-year population projection data should be incorporated into the plan. Plan updates may include redrawing planning area boundaries to reflect population changes. The Task Force shall consider whether the inventory formula should use migration factors for the medical/surgical, pediatrics, obstetrics, and other categories of service, and if so, what those migration factors should be. The Board should hold public hearings on the plan and its updates. There should be a mechanism for the public to request that the plan be updated more frequently to address emerging population and demographic trends. In developing the plan, the Board should consider health plans and other related publications that have been developed both in Illinois and nationally. In developing the plan, the need to ensure access to care, especially for "safety net" services, including rural and medically underserved communities, should be included.

(3) Changes in regulations that establish separate criteria, standards, and procedures when necessary to adjust for structural, functional, and operational differences between long-term care facilities and acute care facilities and that allow routine changes of ownership, facility sales, and closure requests to be processed on a

New matter indicated by italics - deletions by strikeout.
timely basis. Consider rules to allow flexibility for facilities to modernize, expand, or convert to alternative uses that are in accord with health planning standards.

(4) Changes in policies and procedures so that the Illinois Health Facilities Planning Board updates the standards and criteria on a regular basis and proposes new standards to keep pace with the evolving health care delivery system. Proton Therapy and Treatment is an example of a new, cutting-edge procedure that may require the Board to immediately develop criteria, standards, and procedures for that type of facility. Temporary advisory committees may be appointed to assist in the development of revisions to the Board's standards and criteria, including experts with professional competence in the subject matter of the proposed standards or criteria that are to be developed.

(5) Changes in policies and procedures to expedite project approval, particularly for less complex projects, including standards for determining whether a project is in "substantial compliance" with the Board's review standards. The review standards must include a requirement for applicants to include a "Safety Net" Impact Statement. This Statement shall describe the project's impact on safety net services in the community. The State Agency Report shall include an assessment of the Statement.

(6) Changes to enforcement processes and compliance standards to ensure they are fair and consistent with the severity of the violation.

(7) Revisions in policies and procedures to prevent conflicts of interest by members of the Illinois Health Facilities Planning Board and State Agency staff, including increasing the penalties for violations.

(8) Other changes determined necessary to improve the administration of this Act.

(e) The State Agency, at the direction of the Task Force, may hire any necessary staff or consultants, enter into contracts, and make any expenditures necessary for carrying out the duties of the Task Force, all out of moneys appropriated for that purpose. Staff support services shall be provided to the Task Force by the State Agency from such appropriations.

(f) The Task Force may establish any advisory committee to ensure maximum public participation in the Task Force's planning, organization,
and implementation review process. If established, advisory committees shall (i) advise and assist the Task Force in its duties and (ii) help the Task Force to identify issues of public concern.

(g) The Task Force shall submit findings and recommendations to the Governor and the General Assembly as may be necessary at any time and shall submit a final report by November 3, 2008, including any necessary implementing legislation, and recommendations for changes to policies, rules, or procedures that are not incorporated in the implementing legislation.

(h) The Task Force is abolished on December 31, 2008.

Sec. 110-5. Determining the amount of bail and conditions of release.

(a) In determining the amount of monetary bail or conditions of release, if any, which will reasonably assure the appearance of a defendant as required or the safety of any other person or the community and the likelihood of compliance by the defendant with all the conditions of bail, the court shall, on the basis of available information, take into account such matters as the nature and circumstances of the offense charged, whether the evidence shows that as part of the offense there was a use of violence or threatened use of violence, whether the offense involved corruption of public officials or employees, whether there was physical harm or threats of physical harm to any public official, public employee, judge, prosecutor, juror or witness, senior citizen, child or handicapped person, whether evidence shows that during the offense or during the arrest the defendant possessed or used a firearm, machine gun, explosive or metal piercing ammunition or explosive bomb device or any military or paramilitary armament, whether the evidence shows that the offense committed was related to or in furtherance of the criminal activities of an organized gang or was motivated by the defendant's membership in or allegiance to an organized gang, the condition of the victim, any written statement submitted by the victim or proffer or representation by the State regarding the impact which the alleged criminal conduct has had on the victim and the victim's concern, if any, with further contact with the defendant if released on bail, whether the offense was based on racial, religious, sexual orientation or ethnic hatred, the likelihood of the filing of a greater charge, the likelihood of conviction, the sentence applicable upon conviction, the weight of the evidence against such defendant, whether there exists motivation or ability to flee, whether there is any verification as to prior residence, education, or family ties in the local jurisdiction, in another county, state or foreign country, the defendant's employment, financial resources, character and mental condition, past conduct, prior use of alias names or dates of birth, and length of residence in the community, the consent of the defendant to periodic drug testing in accordance with Section 110-6.5, whether a foreign national defendant is lawfully admitted in the United States of America, whether the government of the foreign national maintains an extradition treaty with the United States by which the foreign government will extradite to the United States its national for a trial for a crime allegedly committed in the United States, whether the defendant is currently subject to deportation or exclusion under the

immigration laws of the United States, whether the defendant, although a United States citizen, is considered under the law of any foreign state a national of that state for the purposes of extradition or non-extradition to the United States, the amount of unrecovered proceeds lost as a result of the alleged offense, the source of bail funds tendered or sought to be tendered for bail, whether from the totality of the court's consideration, the loss of funds posted or sought to be posted for bail will not deter the defendant from flight, whether the evidence shows that the defendant is engaged in significant possession, manufacture, or delivery of a controlled substance or cannabis, either individually or in consort with others, whether at the time of the offense charged he was on bond or pre-trial release pending trial, probation, periodic imprisonment or conditional discharge pursuant to this Code or the comparable Code of any other state or federal jurisdiction, whether the defendant is on bond or pre-trial release pending the imposition or execution of sentence or appeal of sentence for any offense under the laws of Illinois or any other state or federal jurisdiction, whether the defendant is under parole or mandatory supervised release or work release from the Illinois Department of Corrections or any penal institution or corrections department of any state or federal jurisdiction, the defendant's record of convictions, whether the defendant has been convicted of a misdemeanor or ordinance offense in Illinois or similar offense in other state or federal jurisdiction within the 10 years preceding the current charge or convicted of a felony in Illinois, whether the defendant was convicted of an offense in another state or federal jurisdiction that would be a felony if committed in Illinois within the 20 years preceding the current charge or has been convicted of such felony and released from the penitentiary within 20 years preceding the current charge if a penitentiary sentence was imposed in Illinois or other state or federal jurisdiction, the defendant's records of juvenile adjudication of delinquency in any jurisdiction, any record of appearance or failure to appear by the defendant at court proceedings, whether there was flight to avoid arrest or prosecution, whether the defendant escaped or attempted to escape to avoid arrest, whether the defendant refused to identify himself, or whether there was a refusal by the defendant to be fingerprinted as required by law. Information used by the court in its findings or stated in or offered in connection with this Section may be by way of proffer based upon reliable information offered by the State or defendant. All evidence shall be admissible if it is relevant and reliable regardless of whether it would be admissible under the rules of evidence.

New matter indicated by italics - deletions by strikeout.
applicable at criminal trials. If the State presents evidence that the offense committed by the defendant was related to or in furtherance of the criminal activities of an organized gang or was motivated by the defendant's membership in or allegiance to an organized gang, and if the court determines that the evidence may be substantiated, the court shall prohibit the defendant from associating with other members of the organized gang as a condition of bail or release. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(b) The amount of bail shall be:

(1) Sufficient to assure compliance with the conditions set forth in the bail bond, which shall include the defendant's current address with a written admonishment to the defendant that he or she must comply with the provisions of Section 110-12 regarding any change in his or her address. The defendant's address shall at all times remain a matter of public record with the clerk of the court.

(2) Not oppressive.

(3) Considerate of the financial ability of the accused.

(4) When a person is charged with a drug related offense involving possession or delivery of cannabis or possession or delivery of a controlled substance as defined in the Cannabis Control Act, the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act, the full street value of the drugs seized shall be considered. "Street value" shall be determined by the court on the basis of a proffer by the State based upon reliable information of a law enforcement official contained in a written report as to the amount seized and such proffer may be used by the court as to the current street value of the smallest unit of the drug seized.

(b-5) Upon the filing of a written request demonstrating reasonable cause, the State's Attorney may request a source of bail hearing either before or after the posting of any funds. If the hearing is granted, before the posting of any bail, the accused must file a written notice requesting that the court conduct a source of bail hearing. The notice must be accompanied by justifying affidavits stating the legitimate and lawful source of funds for bail. At the hearing, the court shall inquire into any matters stated in any justifying affidavits, and may also inquire into
matters appropriate to the determination which shall include, but are not limited to, the following:

(1) the background, character, reputation, and relationship to the accused of any surety; and
(2) the source of any money or property deposited by any surety, and whether any such money or property constitutes the fruits of criminal or unlawful conduct; and
(3) the source of any money posted as cash bail, and whether any such money constitutes the fruits of criminal or unlawful conduct; and
(4) the background, character, reputation, and relationship to the accused of the person posting cash bail.

Upon setting the hearing, the court shall examine, under oath, any persons who may possess material information.

The State's Attorney has a right to attend the hearing, to call witnesses and to examine any witness in the proceeding. The court shall, upon request of the State's Attorney, continue the proceedings for a reasonable period to allow the State's Attorney to investigate the matter raised in any testimony or affidavit. If the hearing is granted after the accused has posted bail, the court shall conduct a hearing consistent with this subsection (b-5). At the conclusion of the hearing, the court must issue an order either approving of disapproving the bail.

(c) When a person is charged with an offense punishable by fine only the amount of the bail shall not exceed double the amount of the maximum penalty.

(d) When a person has been convicted of an offense and only a fine has been imposed the amount of the bail shall not exceed double the amount of the fine.

(e) The State may appeal any order granting bail or setting a given amount for bail.

(f) When a person is charged with a violation of an order of protection under Section 12-30 of the Criminal Code of 1961, the court shall order the respondent to undergo a risk assessment evaluation at an Illinois Department of Human Services protocol approved partner abuse intervention program. Based on the results of the risk assessment and the other circumstances of the violation, the court may order that the person, as a condition of bail, be placed under electronic surveillance as provided in Section 5-8A-7 of the Unified Code of Corrections.
Sec. 112A-14. Order of protection; remedies.

(a) Issuance of order. If the court finds that petitioner has been abused by a family or household member, as defined in this Article, an order of protection prohibiting such abuse shall issue; provided that petitioner must also satisfy the requirements of one of the following Sections, as appropriate: Section 112A-17 on emergency orders, Section 112A-18 on interim orders, or Section 112A-19 on plenary orders. Petitioner shall not be denied an order of protection because petitioner or respondent is a minor. The court, when determining whether or not to issue an order of protection, shall not require physical manifestations of abuse on the person of the victim. Modification and extension of prior orders of protection shall be in accordance with this Article.

(b) Remedies and standards. The remedies to be included in an order of protection shall be determined in accordance with this Section and one of the following Sections, as appropriate: Section 112A-17 on emergency orders, Section 112A-18 on interim orders, and Section 112A-19 on plenary orders. The remedies listed in this subsection shall be in addition to other civil or criminal remedies available to petitioner.

(1) Prohibition of abuse. Prohibit respondent's harassment, interference with personal liberty, intimidation of a dependent, physical abuse or willful deprivation, as defined in this Article, if such abuse has occurred or otherwise appears likely to occur if not prohibited.

(2) Grant of exclusive possession of residence. Prohibit respondent from entering or remaining in any residence or household of the petitioner, including one owned or leased by respondent, if petitioner has a right to occupancy thereof. The grant of exclusive possession of the residence shall not affect title to real property, nor shall the court be limited by the standard set forth in Section 701 of the Illinois Marriage and Dissolution of Marriage Act.

(A) Right to occupancy. A party has a right to occupancy of a residence or household if it is solely or jointly owned or leased by that party, that party's spouse, a person with a legal duty to support that party or a minor child in that party's care, or by any person or entity other

New matter indicated by italics - deletions by strikeout.
than the opposing party that authorizes that party's occupancy (e.g., a domestic violence shelter). Standards set forth in subparagraph (B) shall not preclude equitable relief.

(B) Presumption of hardships. If petitioner and respondent each has the right to occupancy of a residence or household, the court shall balance (i) the hardships to respondent and any minor child or dependent adult in respondent's care resulting from entry of this remedy with (ii) the hardships to petitioner and any minor child or dependent adult in petitioner's care resulting from continued exposure to the risk of abuse (should petitioner remain at the residence or household) or from loss of possession of the residence or household (should petitioner leave to avoid the risk of abuse). When determining the balance of hardships, the court shall also take into account the accessibility of the residence or household. Hardships need not be balanced if respondent does not have a right to occupancy.

The balance of hardships is presumed to favor possession by petitioner unless the presumption is rebutted by a preponderance of the evidence, showing that the hardships to respondent substantially outweigh the hardships to petitioner and any minor child or dependent adult in petitioner's care. The court, on the request of petitioner or on its own motion, may order respondent to provide suitable, accessible, alternate housing for petitioner instead of excluding respondent from a mutual residence or household.

(3) Stay away order and additional prohibitions. Order respondent to stay away from petitioner or any other person protected by the order of protection, or prohibit respondent from entering or remaining present at petitioner's school, place of employment, or other specified places at times when petitioner is present, or both, if reasonable, given the balance of hardships. Hardships need not be balanced for the court to enter a stay away order or prohibit entry if respondent has no right to enter the premises.

New matter indicated by italics - deletions by strikeout.
If an order of protection grants petitioner exclusive possession of the residence, or prohibits respondent from entering the residence, or orders respondent to stay away from petitioner or other protected persons, then the court may allow respondent access to the residence to remove items of clothing and personal adornment used exclusively by respondent, medications, and other items as the court directs. The right to access shall be exercised on only one occasion as the court directs and in the presence of an agreed-upon adult third party or law enforcement officer.

(4) Counseling. Require or recommend the respondent to undergo counseling for a specified duration with a social worker, psychologist, clinical psychologist, psychiatrist, family service agency, alcohol or substance abuse program, mental health center guidance counselor, agency providing services to elders, program designed for domestic violence abusers or any other guidance service the court deems appropriate. The court may order the respondent in any intimate partner relationship to report to an Illinois Department of Human Services protocol approved partner abuse intervention program for an assessment and to follow all recommended treatment.

(5) Physical care and possession of the minor child. In order to protect the minor child from abuse, neglect, or unwarranted separation from the person who has been the minor child's primary caretaker, or to otherwise protect the well-being of the minor child, the court may do either or both of the following: (i) grant petitioner physical care or possession of the minor child, or both, or (ii) order respondent to return a minor child to, or not remove a minor child from, the physical care of a parent or person in loco parentis.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 112A-3) of a minor child, there shall be a rebuttable presumption that awarding physical care to respondent would not be in the minor child's best interest.

(6) Temporary legal custody. Award temporary legal custody to petitioner in accordance with this Section, the Illinois Marriage and Dissolution of Marriage Act, the Illinois Parentage Act of 1984, and this State's Uniform Child-Custody Jurisdiction and Enforcement Act.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 112A-3) of a minor child,

New matter indicated by italics - deletions by strikeout.
there shall be a rebuttable presumption that awarding temporary legal custody to respondent would not be in the child's best interest.

(7) Visitation. Determine the visitation rights, if any, of respondent in any case in which the court awards physical care or temporary legal custody of a minor child to petitioner. The court shall restrict or deny respondent's visitation with a minor child if the court finds that respondent has done or is likely to do any of the following: (i) abuse or endanger the minor child during visitation; (ii) use the visitation as an opportunity to abuse or harass petitioner or petitioner's family or household members; (iii) improperly conceal or detain the minor child; or (iv) otherwise act in a manner that is not in the best interests of the minor child. The court shall not be limited by the standards set forth in Section 607.1 of the Illinois Marriage and Dissolution of Marriage Act. If the court grants visitation, the order shall specify dates and times for the visitation to take place or other specific parameters or conditions that are appropriate. No order for visitation shall refer merely to the term "reasonable visitation".

Petitioner may deny respondent access to the minor child if, when respondent arrives for visitation, respondent is under the influence of drugs or alcohol and constitutes a threat to the safety and well-being of petitioner or petitioner's minor children or is behaving in a violent or abusive manner.

If necessary to protect any member of petitioner's family or household from future abuse, respondent shall be prohibited from coming to petitioner's residence to meet the minor child for visitation, and the parties shall submit to the court their recommendations for reasonable alternative arrangements for visitation. A person may be approved to supervise visitation only after filing an affidavit accepting that responsibility and acknowledging accountability to the court.

(8) Removal or concealment of minor child. Prohibit respondent from removing a minor child from the State or concealing the child within the State.

(9) Order to appear. Order the respondent to appear in court, alone or with a minor child, to prevent abuse, neglect, removal or concealment of the child, to return the child to the custody or care of the petitioner or to permit any court-ordered interview or examination of the child or the respondent.

New matter indicated by italics - deletions by strikeout.
(10) Possession of personal property. Grant petitioner exclusive possession of personal property and, if respondent has possession or control, direct respondent to promptly make it available to petitioner, if:

   (i) petitioner, but not respondent, owns the property; or

   (ii) the parties own the property jointly; sharing it would risk abuse of petitioner by respondent or is impracticable; and the balance of hardships favors temporary possession by petitioner.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may award petitioner temporary possession thereof under the standards of subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

No order under this provision shall affect title to property.

(11) Protection of property. Forbid the respondent from taking, transferring, encumbering, concealing, damaging or otherwise disposing of any real or personal property, except as explicitly authorized by the court, if:

   (i) petitioner, but not respondent, owns the property; or

   (ii) the parties own the property jointly, and the balance of hardships favors granting this remedy.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may grant petitioner relief under subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

The court may further prohibit respondent from improperly using the financial or other resources of an aged member of the family or household for the profit or advantage of respondent or of any other person.

(11.5) Protection of animals. Grant the petitioner the exclusive care, custody, or control of any animal owned, possessed, leased, kept, or held by either the petitioner or the respondent or a minor child residing in the residence or household of either the petitioner or the respondent and order the respondent to stay away

New matter indicated by italics - deletions by strikeout.
from the animal and forbid the respondent from taking, transferring, encumbering, concealing, harming, or otherwise disposing of the animal.

(12) Order for payment of support. Order respondent to pay temporary support for the petitioner or any child in the petitioner's care or custody, when the respondent has a legal obligation to support that person, in accordance with the Illinois Marriage and Dissolution of Marriage Act, which shall govern, among other matters, the amount of support, payment through the clerk and withholding of income to secure payment. An order for child support may be granted to a petitioner with lawful physical care or custody of a child, or an order or agreement for physical care or custody, prior to entry of an order for legal custody. Such a support order shall expire upon entry of a valid order granting legal custody to another, unless otherwise provided in the custody order.

(13) Order for payment of losses. Order respondent to pay petitioner for losses suffered as a direct result of the abuse. Such losses shall include, but not be limited to, medical expenses, lost earnings or other support, repair or replacement of property damaged or taken, reasonable attorney's fees, court costs and moving or other travel expenses, including additional reasonable expenses for temporary shelter and restaurant meals.

(i) Losses affecting family needs. If a party is entitled to seek maintenance, child support or property distribution from the other party under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended, the court may order respondent to reimburse petitioner's actual losses, to the extent that such reimbursement would be "appropriate temporary relief", as authorized by subsection (a)(3) of Section 501 of that Act.

(ii) Recovery of expenses. In the case of an improper concealment or removal of a minor child, the court may order respondent to pay the reasonable expenses incurred or to be incurred in the search for and recovery of the minor child, including but not limited to legal fees, court costs, private investigator fees, and travel costs.

(14) Prohibition of entry. Prohibit the respondent from entering or remaining in the residence or household while the respondent is under the influence of alcohol or drugs and

constitutes a threat to the safety and well-being of the petitioner or the petitioner's children.

(14.5) Prohibition of firearm possession.

(a) When a complaint is made under a request for an order of protection, that the respondent has threatened or is likely to use firearms illegally against the petitioner, and the respondent is present in court, or has failed to appear after receiving actual notice, the court shall examine on oath the petitioner, and any witnesses who may be produced. If the court is satisfied that there is any danger of the illegal use of firearms, it shall include in the order of protection the requirement that any firearms in the possession of the respondent, except as provided in subsection (b), be turned over to the local law enforcement agency for safekeeping. If the respondent fails to appear, or refuses or fails to surrender his or her firearms, the court shall issue a warrant for seizure of any firearm in the possession of the respondent. The period of safekeeping shall be for a stated period of time not to exceed 2 years. The firearm or firearms shall be returned to the respondent at the end of the stated period or at expiration of the order of protection, whichever is sooner.

(b) If the respondent is a peace officer as defined in Section 2-13 of the Criminal Code of 1961, the court shall order that any firearms used by the respondent in the performance of his or her duties as a peace officer be surrendered to the chief law enforcement executive of the agency in which the respondent is employed, who shall retain the firearms for safekeeping for the stated period not to exceed 2 years as set forth in the court order.

(15) Prohibition of access to records. If an order of protection prohibits respondent from having contact with the minor child, or if petitioner's address is omitted under subsection (b) of Section 112A-5, or if necessary to prevent abuse or wrongful removal or concealment of a minor child, the order shall deny respondent access to, and prohibit respondent from inspecting, obtaining, or attempting to inspect or obtain, school or any other records of the minor child who is in the care of petitioner.
(16) Order for payment of shelter services. Order respondent to reimburse a shelter providing temporary housing and counseling services to the petitioner for the cost of the services, as certified by the shelter and deemed reasonable by the court.

(17) Order for injunctive relief. Enter injunctive relief necessary or appropriate to prevent further abuse of a family or household member or to effectuate one of the granted remedies, if supported by the balance of hardships. If the harm to be prevented by the injunction is abuse or any other harm that one of the remedies listed in paragraphs (1) through (16) of this subsection is designed to prevent, no further evidence is necessary to establish that the harm is an irreparable injury.

(c) Relevant factors; findings.

(1) In determining whether to grant a specific remedy, other than payment of support, the court shall consider relevant factors, including but not limited to the following:

   (i) the nature, frequency, severity, pattern and consequences of the respondent's past abuse of the petitioner or any family or household member, including the concealment of his or her location in order to evade service of process or notice, and the likelihood of danger of future abuse to petitioner or any member of petitioner's or respondent's family or household; and

   (ii) the danger that any minor child will be abused or neglected or improperly removed from the jurisdiction, improperly concealed within the State or improperly separated from the child's primary caretaker.

(2) In comparing relative hardships resulting to the parties from loss of possession of the family home, the court shall consider relevant factors, including but not limited to the following:

   (i) availability, accessibility, cost, safety, adequacy, location and other characteristics of alternate housing for each party and any minor child or dependent adult in the party's care;

   (ii) the effect on the party's employment; and

   (iii) the effect on the relationship of the party, and any minor child or dependent adult in the party's care, to family, school, church and community.

(3) Subject to the exceptions set forth in paragraph (4) of this subsection, the court shall make its findings in an official record or in writing, and shall at a minimum set forth the following:

   (i) That the court has considered the applicable relevant factors described in paragraphs (1) and (2) of this subsection.

   (ii) Whether the conduct or actions of respondent, unless prohibited, will likely cause irreparable harm or continued abuse.

   (iii) Whether it is necessary to grant the requested relief in order to protect petitioner or other alleged abused persons.

(4) For purposes of issuing an ex parte emergency order of protection, the court, as an alternative to or as a supplement to making the findings described in paragraphs (c)(3)(i) through (c)(3)(iii) of this subsection, may use the following procedure:

   When a verified petition for an emergency order of protection in accordance with the requirements of Sections 112A-5 and 112A-17 is presented to the court, the court shall examine petitioner on oath or affirmation. An emergency order of protection shall be issued by the court if it appears from the contents of the petition and the examination of petitioner that the averments are sufficient to indicate abuse by respondent and to support the granting of relief under the issuance of the emergency order of protection.

(5) Never married parties. No rights or responsibilities for a minor child born outside of marriage attach to a putative father until a father and child relationship has been established under the Illinois Parentage Act of 1984. Absent such an adjudication, no putative father shall be granted temporary custody of the minor child, visitation with the minor child, or physical care and possession of the minor child, nor shall an order of payment for support of the minor child be entered.

(d) Balance of hardships; findings. If the court finds that the balance of hardships does not support the granting of a remedy governed by paragraph (2), (3), (10), (11), or (16) of subsection (b) of this Section, which may require such balancing, the court's findings shall so indicate and shall include a finding as to whether granting the remedy will result in

hardship to respondent that would substantially outweigh the hardship to petitioner from denial of the remedy. The findings shall be an official record or in writing.

(e) Denial of remedies. Denial of any remedy shall not be based, in whole or in part, on evidence that:

(1) Respondent has cause for any use of force, unless that cause satisfies the standards for justifiable use of force provided by Article VII of the Criminal Code of 1961;

(2) Respondent was voluntarily intoxicated;

(3) Petitioner acted in self-defense or defense of another, provided that, if petitioner utilized force, such force was justifiable under Article VII of the Criminal Code of 1961;

(4) Petitioner did not act in self-defense or defense of another;

(5) Petitioner left the residence or household to avoid further abuse by respondent;

(6) Petitioner did not leave the residence or household to avoid further abuse by respondent;

(7) Conduct by any family or household member excused the abuse by respondent, unless that same conduct would have excused such abuse if the parties had not been family or household members.

(1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, or if convicted of an offense enumerated in paragraph (a)(2.4) of this Section that is committed on or after July 15, 1999 (the effective date of Public Act 91-121), or first degree murder, a Class X felony, criminal sexual assault, felony criminal sexual abuse, aggravated criminal sexual abuse, aggravated battery with a firearm, or any predecessor or successor offenses with the same or substantially the same elements, or any inchoate offenses relating to the foregoing offenses. No inmate shall be eligible for the additional good conduct credit under this paragraph (4) who (i) has previously received increased good conduct credit under this paragraph (4) and has subsequently been convicted of a felony, or (ii) has previously served more than one prior sentence of imprisonment for a felony in an adult correctional facility.

Educational, vocational, substance abuse and correctional industry programs under which good conduct credit may be increased under this paragraph (4) and paragraph (4.1) of this subsection (a) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate.

(4.1) The rules and regulations shall also provide that an additional 60 days of good conduct credit shall be awarded to any prisoner who passes the high school level Test of General Educational Development (GED) while the prisoner is incarcerated. The good conduct credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of good conduct under any other paragraph of this Section,

but shall also be pursuant to the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section. The good conduct credit provided for in this paragraph shall be available only to those prisoners who have not previously earned a high school diploma or a GED. If, after an award of the GED good conduct credit has been made and the Department determines that the prisoner was not eligible, then the award shall be revoked.

(4.5) The rules and regulations on early release shall also provide that when the court's sentencing order recommends a prisoner for substance abuse treatment and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the prisoner shall receive no good conduct credit awarded under clause (3) of this subsection (a) unless he or she participates in and completes a substance abuse treatment program. The Director may waive the requirement to participate in or complete a substance abuse treatment program and award the good conduct credit in specific instances if the prisoner is not a good candidate for a substance abuse treatment program for medical, programming, or operational reasons. Availability of substance abuse treatment shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. If treatment is not available and the requirement to participate and complete the treatment has not been waived by the Director, the prisoner shall be placed on a waiting list under criteria established by the Department. The Director may allow a prisoner placed on a waiting list to participate in and complete a substance abuse education class or attend substance abuse self-help meetings in lieu of a substance abuse treatment program. A prisoner on a waiting list who is not placed in a substance abuse program prior to release may be eligible for a waiver and receive good conduct credit under clause (3) of this subsection (a) at the discretion of the Director.

(4.6) The rules and regulations on early release shall also provide that a prisoner who has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act shall receive no good conduct credit unless he or she either has successfully completed or is participating in sex offender treatment as defined by the Sex Offender Management Board. However, prisoners who are waiting to receive such treatment, but who are

unable to do so due solely to the lack of resources on the part of the Department, may, at the Director's sole discretion, be awarded good conduct credit at such rate as the Director shall determine.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of good conduct credit for meritorious service given at any time during the term, the Department shall give reasonable advance notice of the impending release to the State's Attorney of the county where the prosecution of the inmate took place.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of good time.

(c) The Department shall prescribe rules and regulations for revoking good conduct credit, or suspending or reducing the rate of accumulation of good conduct credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of good conduct credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any good conduct credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of good conduct credit. The Board may subsequently approve the revocation of additional good conduct credit, if the Department seeks to revoke good conduct credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of good conduct credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days good conduct credits which have been revoked, suspended or reduced. Any restoration of good conduct credits in excess of 30 days shall be subject to review by the Prisoner Review Board.

However, the Board may not restore good conduct credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of good conduct credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of good conduct credit by bringing charges against the prisoner sought to be deprived of the good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of good conduct credit at the time of the finding, then the Prisoner Review Board may revoke all good conduct credit accumulated by the prisoner.

For purposes of this subsection (d):

(1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:

   (A) it lacks an arguable basis either in law or in fact;
   (B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;
   (C) the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;
   (D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or
   (E) the denials of factual contentions are not warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.

(2) "Lawsuit" means a motion pursuant to Section 116-3 of the Code of Criminal Procedure of 1963, a habeas corpus action.

The Circuit Clerk shall retain 10% of such penalty and deposit that percentage into the Circuit Court Clerk Operation and Administrative Fund to cover the costs incurred in administering and enforcing this Section. Such additional penalty shall not be considered a part of the fine for purposes of any reduction in the fine for time served either before or after sentencing.

(c) Not later than March 1 of each year the Clerk of the Circuit Court shall submit to the State Comptroller a report of the amount of funds remitted by him or her to the State Treasurer under this Section during the preceding calendar year.

(d) Moneys in the Domestic Violence Surveillance Fund shall be used by the supervising authority of a respondent ordered to carry or wear a global positioning system device for a violation of an order of protection under Section 12-30 of the Criminal Code of 1961 to offset the costs of such surveillance of the respondent.

(e) For purposes of this Section "fees of the Circuit Clerk" shall include, if applicable, the fee provided for under Section 27.3a of the Clerks of Courts Act and the fee, if applicable, payable to the county in which the violation occurred under Section 5-1101 of the Counties Code.

(c) establish a means of verifying the conditions for reimbursement under this Act and develop criteria for approved costs for reimbursement.

(d) develop standards and approve employee compensation schedules for probation and court services departments.

(e) employ sufficient personnel in the Division to carry out the functions of the Division.

(f) establish a system of training and establish standards for personnel orientation and training.

(g) develop standards for a system of record keeping for cases and programs, gather statistics, establish a system of uniform forms, and develop research for planning of Probation Services.

(h) develop standards to assure adequate support personnel, office space, equipment and supplies, travel expenses, and other essential items necessary for Probation and Court Services Departments to carry out their duties.

(i) review and approve annual plans submitted by Probation and Court Services Departments.

(j) monitor and evaluate all programs operated by Probation and Court Services Departments, and may include in the program evaluation criteria such factors as the percentage of Probation sentences for felons convicted of Probationable offenses.

(k) seek the cooperation of local and State government and private agencies to improve the quality of probation and court services.

(l) where appropriate, establish programs and corresponding standards designed to generally improve the quality of probation and court services and reduce the rate of adult or juvenile offenders committed to the Department of Corrections.

(m) establish such other standards and regulations and do all acts necessary to carry out the intent and purposes of this Act.

(n) develop standards to implement the Domestic Violence Surveillance Program established under Section 5-8A-7 of the Unified Code of Corrections including (i) procurement of equipment and other services necessary to implement the program

New matter indicated by italics - deletions by strikeout.
and (ii) development of uniform standards for the delivery of the program through county probation departments.

The Division shall establish a model list of structured intermediate sanctions that may be imposed by a probation agency for violations of terms and conditions of a sentence of probation, conditional discharge, or supervision.

The State of Illinois shall provide for the costs of personnel, travel, equipment, telecommunications, postage, commodities, printing, space, contractual services and other related costs necessary to carry out the intent of this Act.

(2) (a) The chief judge of each circuit shall provide full-time probation services for all counties within the circuit, in a manner consistent with the annual probation plan, the standards, policies, and regulations established by the Supreme Court. A probation district of two or more counties within a circuit may be created for the purposes of providing full-time probation services. Every county or group of counties within a circuit shall maintain a probation department which shall be under the authority of the Chief Judge of the circuit or some other judge designated by the Chief Judge. The Chief Judge, through the Probation and Court Services Department shall submit annual plans to the Division for probation and related services.

(b) The Chief Judge of each circuit shall appoint the Chief Probation Officer and all other probation officers for his or her circuit from lists of qualified applicants supplied by the Supreme Court. Candidates for chief managing officer and other probation officer positions must apply with both the Chief Judge of the circuit and the Supreme Court.

(3) A Probation and Court Service Department shall apply to the Supreme Court for funds for basic services, and may apply for funds for new and expanded programs or Individualized Services and Programs. Costs shall be reimbursed monthly based on a plan and budget approved by the Supreme Court. No Department may be reimbursed for costs which exceed or are not provided for in the approved annual plan and budget. After the effective date of this amendatory Act of 1985, each county must provide basic services in accordance with the annual plan and standards created by the division. No department may receive funds for new or expanded programs or individualized services and programs unless they are in compliance with standards as enumerated in paragraph (h) of
subsection (1) of this Section, the annual plan, and standards for basic services.

(4) The Division shall reimburse the county or counties for probation services as follows:

(a) 100% of the salary of all chief managing officers designated as such by the Chief Judge and the division.

(b) 100% of the salary for all probation officer and supervisor positions approved for reimbursement by the division after April 1, 1984, to meet workload standards and to implement intensive sanction and probation supervision programs and other basic services as defined in this Act.

(c) 100% of the salary for all secure detention personnel and non-secure group home personnel approved for reimbursement after December 1, 1990. For all such positions approved for reimbursement before December 1, 1990, the counties shall be reimbursed $1,250 per month beginning July 1, 1995, and an additional $250 per month beginning each July 1st thereafter until the positions receive 100% salary reimbursement. Allocation of such positions will be based on comparative need considering capacity, staff/resident ratio, physical plant and program.

(d) $1,000 per month for salaries for the remaining probation officer positions engaged in basic services and new or expanded services. All such positions shall be approved by the division in accordance with this Act and division standards.

(e) 100% of the travel expenses in accordance with Division standards for all Probation positions approved under paragraph (b) of subsection 4 of this Section.

(f) If the amount of funds reimbursed to the county under paragraphs (a) through (e) of subsection 4 of this Section on an annual basis is less than the amount the county had received during the 12 month period immediately prior to the effective date of this amendatory Act of 1985, then the Division shall reimburse the amount of the difference to the county. The effect of paragraph (b) of subsection 7 of this Section shall be considered in implementing this supplemental reimbursement provision.

(5) The Division shall provide funds beginning on April 1, 1987 for the counties to provide Individualized Services and Programs as provided in Section 16 of this Act.

New matter indicated by italics - deletions by strikeout.
(6) A Probation and Court Services Department in order to be eligible for the reimbursement must submit to the Supreme Court an application containing such information and in such a form and by such dates as the Supreme Court may require. Departments to be eligible for funding must satisfy the following conditions:

(a) The Department shall have on file with the Supreme Court an annual Probation plan for continuing, improved, and new Probation and Court Services Programs approved by the Supreme Court or its designee. This plan shall indicate the manner in which Probation and Court Services will be delivered and improved, consistent with the minimum standards and regulations for Probation and Court Services, as established by the Supreme Court. In counties with more than one Probation and Court Services Department eligible to receive funds, all Departments within that county must submit plans which are approved by the Supreme Court.

(b) The annual probation plan shall seek to generally improve the quality of probation services and to reduce the commitment of adult offenders to the Department of Corrections and to reduce the commitment of juvenile offenders to the Department of Juvenile Justice and shall require, when appropriate, coordination with the Department of Corrections, the Department of Juvenile Justice, and the Department of Children and Family Services in the development and use of community resources, information systems, case review and permanency planning systems to avoid the duplication of services.

(c) The Department shall be in compliance with standards developed by the Supreme Court for basic, new and expanded services, training, personnel hiring and promotion.

(d) The Department shall in its annual plan indicate the manner in which it will support the rights of crime victims and in which manner it will implement Article I, Section 8.1 of the Illinois Constitution and in what manner it will coordinate crime victims’ support services with other criminal justice agencies within its jurisdiction, including but not limited to, the State's Attorney, the Sheriff and any municipal police department.

(7) No statement shall be verified by the Supreme Court or its designee or vouchered by the Comptroller unless each of the following conditions have been met:

New matter indicated by italics - deletions by strikeout.
(a) The probation officer is a full-time employee appointed by the Chief Judge to provide probation services.
(b) The probation officer, in order to be eligible for State reimbursement, is receiving a salary of at least $17,000 per year.
(c) The probation officer is appointed or was reappointed in accordance with minimum qualifications or criteria established by the Supreme Court; however, all probation officers appointed prior to January 1, 1978, shall be exempted from the minimum requirements established by the Supreme Court. Payments shall be made to counties employing these exempted probation officers as long as they are employed in the position held on the effective date of this amendatory Act of 1985. Promotions shall be governed by minimum qualifications established by the Supreme Court.
(d) The Department has an established compensation schedule approved by the Supreme Court. The compensation schedule shall include salary ranges with necessary increments to compensate each employee. The increments shall, within the salary ranges, be based on such factors as bona fide occupational qualifications, performance, and length of service. Each position in the Department shall be placed on the compensation schedule according to job duties and responsibilities of such position. The policy and procedures of the compensation schedule shall be made available to each employee.

(8) In order to obtain full reimbursement of all approved costs, each Department must continue to employ at least the same number of probation officers and probation managers as were authorized for employment for the fiscal year which includes January 1, 1985. This number shall be designated as the base amount of the Department. No positions approved by the Division under paragraph (b) of subsection 4 will be included in the base amount. In the event that the Department employs fewer Probation officers and Probation managers than the base amount for a period of 90 days, funding received by the Department under subsection 4 of this Section may be reduced on a monthly basis by the amount of the current salaries of any positions below the base amount.

(9) Before the 15th day of each month, the treasurer of any county which has a Probation and Court Services Department, or the treasurer of the most populous county, in the case of a Probation or Court Services Department funded by more than one county, shall submit an itemized statement of all approved costs incurred in the delivery of Basic Probation

New matter indicated by italics - deletions by strikeout.
and Court Services under this Act to the Supreme Court. The treasurer may also submit an itemized statement of all approved costs incurred in the delivery of new and expanded Probation and Court Services as well as Individualized Services and Programs. The Supreme Court or its designee shall verify compliance with this Section and shall examine and audit the monthly statement and, upon finding them to be correct, shall forward them to the Comptroller for payment to the county treasurer. In the case of payment to a treasurer of a county which is the most populous of counties sharing the salary and expenses of a Probation and Court Services Department, the treasurer shall divide the money between the counties in a manner that reflects each county's share of the cost incurred by the Department.

(10) The county treasurer must certify that funds received under this Section shall be used solely to maintain and improve Probation and Court Services. The county or circuit shall remain in compliance with all standards, policies and regulations established by the Supreme Court. If at any time the Supreme Court determines that a county or circuit is not in compliance, the Supreme Court shall immediately notify the Chief Judge, county board chairman and the Director of Court Services Chief Probation Officer. If after 90 days of written notice the noncompliance still exists, the Supreme Court shall be required to reduce the amount of monthly reimbursement by 10%. An additional 10% reduction of monthly reimbursement shall occur for each consecutive month of noncompliance. Except as provided in subsection 5 of Section 15, funding to counties shall commence on April 1, 1986. Funds received under this Act shall be used to provide for Probation Department expenses including those required under Section 13 of this Act. The Mandatory Arbitration Fund may be used to provide for Probation Department expenses, including those required under Section 13 of this Act.

(11) The respective counties shall be responsible for capital and space costs, fringe benefits, clerical costs, equipment, telecommunications, postage, commodities and printing.

(12) For purposes of this Act only, probation officers shall be considered peace officers. In the exercise of their official duties, probation officers, sheriffs, and police officers may, anywhere within the State, arrest any probationer who is in violation of any of the conditions of his or her probation, conditional discharge, or supervision, and it shall be the duty of the officer making the arrest to take the probationer before the Court having jurisdiction over the probationer for further order.

Section 30. The Illinois Domestic Violence Act of 1986 is amended by changing Section 214 as follows:

(a) Issuance of order. If the court finds that petitioner has been abused by a family or household member or that petitioner is a high-risk adult who has been abused, neglected, or exploited, as defined in this Act, an order of protection prohibiting the abuse, neglect, or exploitation shall issue; provided that petitioner must also satisfy the requirements of one of the following Sections, as appropriate: Section 217 on emergency orders, Section 218 on interim orders, or Section 219 on plenary orders. Petitioner shall not be denied an order of protection because petitioner or respondent is a minor. The court, when determining whether or not to issue an order of protection, shall not require physical manifestations of abuse on the person of the victim. Modification and extension of prior orders of protection shall be in accordance with this Act.

(b) Remedies and standards. The remedies to be included in an order of protection shall be determined in accordance with this Section and one of the following Sections, as appropriate: Section 217 on emergency orders, Section 218 on interim orders, and Section 219 on plenary orders. The remedies listed in this subsection shall be in addition to other civil or criminal remedies available to petitioner.

1) Prohibition of abuse, neglect, or exploitation. Prohibit respondent's harassment, interference with personal liberty, intimidation of a dependent, physical abuse, or willful deprivation, neglect or exploitation, as defined in this Act, or stalking of the petitioner, as defined in Section 12-7.3 of the Criminal Code of 1961, if such abuse, neglect, exploitation, or stalking has occurred or otherwise appears likely to occur if not prohibited.

2) Grant of exclusive possession of residence. Prohibit respondent from entering or remaining in any residence or household of the petitioner, including one owned or leased by respondent, if petitioner has a right to occupancy thereof. The grant of exclusive possession of the residence shall not affect title to real property, nor shall the court be limited by the standard set forth in Section 701 of the Illinois Marriage and Dissolution of Marriage Act.
(A) Right to occupancy. A party has a right to occupancy of a residence or household if it is solely or jointly owned or leased by that party, that party's spouse, a person with a legal duty to support that party or a minor child in that party's care, or by any person or entity other than the opposing party that authorizes that party's occupancy (e.g., a domestic violence shelter). Standards set forth in subparagraph (B) shall not preclude equitable relief.

(B) Presumption of hardships. If petitioner and respondent each has the right to occupancy of a residence or household, the court shall balance (i) the hardships to respondent and any minor child or dependent adult in respondent's care resulting from entry of this remedy with (ii) the hardships to petitioner and any minor child or dependent adult in petitioner's care resulting from continued exposure to the risk of abuse (should petitioner remain at the residence or household) or from loss of possession of the residence or household (should petitioner leave to avoid the risk of abuse). When determining the balance of hardships, the court shall also take into account the accessibility of the residence or household. Hardships need not be balanced if respondent does not have a right to occupancy.

The balance of hardships is presumed to favor possession by petitioner unless the presumption is rebutted by a preponderance of the evidence, showing that the hardships to respondent substantially outweigh the hardships to petitioner and any minor child or dependent adult in petitioner's care. The court, on the request of petitioner or on its own motion, may order respondent to provide suitable, accessible, alternate housing for petitioner instead of excluding respondent from a mutual residence or household.

(3) Stay away order and additional prohibitions. Order respondent to stay away from petitioner or any other person protected by the order of protection, or prohibit respondent from entering or remaining present at petitioner's school, place of employment, or other specified places at times when petitioner is

New matter indicated by italics - deletions by strikeout.
present, or both, if reasonable, given the balance of hardships. Hardships need not be balanced for the court to enter a stay away order or prohibit entry if respondent has no right to enter the premises.

If an order of protection grants petitioner exclusive possession of the residence, or prohibits respondent from entering the residence, or orders respondent to stay away from petitioner or other protected persons, then the court may allow respondent access to the residence to remove items of clothing and personal adornment used exclusively by respondent, medications, and other items as the court directs. The right to access shall be exercised on only one occasion as the court directs and in the presence of an agreed-upon adult third party or law enforcement officer.

(4) Counseling. Require or recommend the respondent to undergo counseling for a specified duration with a social worker, psychologist, clinical psychologist, psychiatrist, family service agency, alcohol or substance abuse program, mental health center guidance counselor, agency providing services to elders, program designed for domestic violence abusers or any other guidance service the court deems appropriate. The Court may order the respondent in any intimate partner relationship to report to an Illinois Department of Human Services protocol approved partner abuse intervention program for an assessment and to follow all recommended treatment.

(5) Physical care and possession of the minor child. In order to protect the minor child from abuse, neglect, or unwarranted separation from the person who has been the minor child's primary caretaker, or to otherwise protect the well-being of the minor child, the court may do either or both of the following: (i) grant petitioner physical care or possession of the minor child, or both, or (ii) order respondent to return a minor child to, or not remove a minor child from, the physical care of a parent or person in loco parentis.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 103) of a minor child, there shall be a rebuttable presumption that awarding physical care to respondent would not be in the minor child's best interest.

(6) Temporary legal custody. Award temporary legal custody to petitioner in accordance with this Section, the Illinois Marriage and Dissolution of Marriage Act, the Illinois Parentage Act,

New matter indicated by italics - deletions by strikeout.
Act of 1984, and this State's Uniform Child-Custody Jurisdiction and Enforcement Act.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 103) of a minor child, there shall be a rebuttable presumption that awarding temporary legal custody to respondent would not be in the child's best interest.

(7) Visitation. Determine the visitation rights, if any, of respondent in any case in which the court awards physical care or temporary legal custody of a minor child to petitioner. The court shall restrict or deny respondent's visitation with a minor child if the court finds that respondent has done or is likely to do any of the following: (i) abuse or endanger the minor child during visitation; (ii) use the visitation as an opportunity to abuse or harass petitioner or petitioner's family or household members; (iii) improperly conceal or detain the minor child; or (iv) otherwise act in a manner that is not in the best interests of the minor child. The court shall not be limited by the standards set forth in Section 607.1 of the Illinois Marriage and Dissolution of Marriage Act. If the court grants visitation, the order shall specify dates and times for the visitation to take place or other specific parameters or conditions that are appropriate. No order for visitation shall refer merely to the term "reasonable visitation".

Petitioner may deny respondent access to the minor child if, when respondent arrives for visitation, respondent is under the influence of drugs or alcohol and constitutes a threat to the safety and well-being of petitioner or petitioner's minor children or is behaving in a violent or abusive manner.

If necessary to protect any member of petitioner's family or household from future abuse, respondent shall be prohibited from coming to petitioner's residence to meet the minor child for visitation, and the parties shall submit to the court their recommendations for reasonable alternative arrangements for visitation. A person may be approved to supervise visitation only after filing an affidavit accepting that responsibility and acknowledging accountability to the court.

(8) Removal or concealment of minor child. Prohibit respondent from removing a minor child from the State or concealing the child within the State.

New matter indicated by italics - deletions by strikeout.
(9) Order to appear. Order the respondent to appear in court, alone or with a minor child, to prevent abuse, neglect, removal or concealment of the child, to return the child to the custody or care of the petitioner or to permit any court-ordered interview or examination of the child or the respondent.

(10) Possession of personal property. Grant petitioner exclusive possession of personal property and, if respondent has possession or control, direct respondent to promptly make it available to petitioner, if:

(i) petitioner, but not respondent, owns the property; or

(ii) the parties own the property jointly; sharing it would risk abuse of petitioner by respondent or is impracticable; and the balance of hardships favors temporary possession by petitioner.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may award petitioner temporary possession thereof under the standards of subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

No order under this provision shall affect title to property.

(11) Protection of property. Forbid the respondent from taking, transferring, encumbering, concealing, damaging or otherwise disposing of any real or personal property, except as explicitly authorized by the court, if:

(i) petitioner, but not respondent, owns the property; or

(ii) the parties own the property jointly, and the balance of hardships favors granting this remedy.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may grant petitioner relief under subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

The court may further prohibit respondent from improperly using the financial or other resources of an aged member of the family or household for the profit or advantage of respondent or of any other person.

New matter indicated by italics - deletions by strikeout.
(11.5) Protection of animals. Grant the petitioner the exclusive care, custody, or control of any animal owned, possessed, leased, kept, or held by either the petitioner or the respondent or a minor child residing in the residence or household of either the petitioner or the respondent and order the respondent to stay away from the animal and forbid the respondent from taking, transferring, encumbering, concealing, harming, or otherwise disposing of the animal.

(12) Order for payment of support. Order respondent to pay temporary support for the petitioner or any child in the petitioner’s care or custody, when the respondent has a legal obligation to support that person, in accordance with the Illinois Marriage and Dissolution of Marriage Act, which shall govern, among other matters, the amount of support, payment through the clerk and withholding of income to secure payment. An order for child support may be granted to a petitioner with lawful physical care or custody of a child, or an order or agreement for physical care or custody, prior to entry of an order for legal custody. Such a support order shall expire upon entry of a valid order granting legal custody to another, unless otherwise provided in the custody order.

(13) Order for payment of losses. Order respondent to pay petitioner for losses suffered as a direct result of the abuse, neglect, or exploitation. Such losses shall include, but not be limited to, medical expenses, lost earnings or other support, repair or replacement of property damaged or taken, reasonable attorney’s fees, court costs and moving or other travel expenses, including additional reasonable expenses for temporary shelter and restaurant meals.

(i) Losses affecting family needs. If a party is entitled to seek maintenance, child support or property distribution from the other party under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended, the court may order respondent to reimburse petitioner’s actual losses, to the extent that such reimbursement would be “appropriate temporary relief”, as authorized by subsection (a)(3) of Section 501 of that Act.

(ii) Recovery of expenses. In the case of an improper concealment or removal of a minor child, the court may order respondent to pay the reasonable expenses
incurred or to be incurred in the search for and recovery of the minor child, including but not limited to legal fees, court costs, private investigator fees, and travel costs.

(14) Prohibition of entry. Prohibit the respondent from entering or remaining in the residence or household while the respondent is under the influence of alcohol or drugs and constitutes a threat to the safety and well-being of the petitioner or the petitioner's children.

(14.5) Prohibition of firearm possession.

(a) When a complaint is made under a request for an order of protection, that the respondent has threatened or is likely to use firearms illegally against the petitioner, and the respondent is present in court, or has failed to appear after receiving actual notice, the court shall examine on oath the petitioner, and any witnesses who may be produced. If the court is satisfied that there is any danger of the illegal use of firearms, it shall issue an order that any firearms in the possession of the respondent, except as provided in subsection (b), be turned over to the local law enforcement agency for safekeeping. If the respondent has failed to appear, the court shall issue a warrant for seizure of any firearm in the possession of the respondent. The period of safekeeping shall be for a stated period of time not to exceed 2 years. The firearm or firearms shall be returned to the respondent at the end of the stated period or at expiration of the order of protection, whichever is sooner.

(b) If the respondent is a peace officer as defined in Section 2-13 of the Criminal Code of 1961, the court shall order that any firearms used by the respondent in the performance of his or her duties as a peace officer be surrendered to the chief law enforcement executive of the agency in which the respondent is employed, who shall retain the firearms for safekeeping for the stated period not to exceed 2 years as set forth in the court order.

(15) Prohibition of access to records. If an order of protection prohibits respondent from having contact with the minor child, or if petitioner's address is omitted under subsection (b) of Section 203, or if necessary to prevent abuse or wrongful removal or concealment of a minor child, the order shall deny respondent

New matter indicated by italics - deletions by strikeout.
access to, and prohibit respondent from inspecting, obtaining, or attempting to inspect or obtain, school or any other records of the minor child who is in the care of petitioner.

(16) Order for payment of shelter services. Order respondent to reimburse a shelter providing temporary housing and counseling services to the petitioner for the cost of the services, as certified by the shelter and deemed reasonable by the court.

(17) Order for injunctive relief. Enter injunctive relief necessary or appropriate to prevent further abuse of a family or household member or further abuse, neglect, or exploitation of a high-risk adult with disabilities or to effectuate one of the granted remedies, if supported by the balance of hardships. If the harm to be prevented by the injunction is abuse or any other harm that one of the remedies listed in paragraphs (1) through (16) of this subsection is designed to prevent, no further evidence is necessary that the harm is an irreparable injury.

(c) Relevant factors; findings.

(1) In determining whether to grant a specific remedy, other than payment of support, the court shall consider relevant factors, including but not limited to the following:

(i) the nature, frequency, severity, pattern and consequences of the respondent's past abuse, neglect or exploitation of the petitioner or any family or household member, including the concealment of his or her location in order to evade service of process or notice, and the likelihood of danger of future abuse, neglect, or exploitation to petitioner or any member of petitioner's or respondent's family or household; and

(ii) the danger that any minor child will be abused or neglected or improperly removed from the jurisdiction, improperly concealed within the State or improperly separated from the child's primary caretaker.

(2) In comparing relative hardships resulting to the parties from loss of possession of the family home, the court shall consider relevant factors, including but not limited to the following:

(i) availability, accessibility, cost, safety, adequacy, location and other characteristics of alternate housing for each party and any minor child or dependent adult in the party's care;

New matter indicated by italics - deletions by strikeout.
(ii) the effect on the party's employment; and
(iii) the effect on the relationship of the party, and any minor child or dependent adult in the party's care, to family, school, church and community.

(3) Subject to the exceptions set forth in paragraph (4) of this subsection, the court shall make its findings in an official record or in writing, and shall at a minimum set forth the following:

(i) That the court has considered the applicable relevant factors described in paragraphs (1) and (2) of this subsection.
(ii) Whether the conduct or actions of respondent, unless prohibited, will likely cause irreparable harm or continued abuse.
(iii) Whether it is necessary to grant the requested relief in order to protect petitioner or other alleged abused persons.

(4) For purposes of issuing an ex parte emergency order of protection, the court, as an alternative to or as a supplement to making the findings described in paragraphs (c)(3)(i) through (c)(3)(iii) of this subsection, may use the following procedure:

When a verified petition for an emergency order of protection in accordance with the requirements of Sections 203 and 217 is presented to the court, the court shall examine petitioner on oath or affirmation. An emergency order of protection shall be issued by the court if it appears from the contents of the petition and the examination of petitioner that the averments are sufficient to indicate abuse by respondent and to support the granting of relief under the issuance of the emergency order of protection.

(5) Never married parties. No rights or responsibilities for a minor child born outside of marriage attach to a putative father until a father and child relationship has been established under the Illinois Parentage Act of 1984, the Illinois Public Aid Code, Section 12 of the Vital Records Act, the Juvenile Court Act of 1987, the Probate Act of 1985, the Revised Uniform Reciprocal Enforcement of Support Act, the Uniform Interstate Family Support Act, the Expedited Child Support Act of 1990, any judicial, administrative, or other act of another state or territory, any other Illinois statute, or by any foreign nation establishing the

father and child relationship, any other proceeding substantially in conformity with the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Pub. L. 104-193), or where both parties appeared in open court or at an administrative hearing acknowledging under oath or admitting by affirmation the existence of a father and child relationship. Absent such an adjudication, finding, or acknowledgement, no putative father shall be granted temporary custody of the minor child, visitation with the minor child, or physical care and possession of the minor child, nor shall an order of payment for support of the minor child be entered.

(d) Balance of hardships; findings. If the court finds that the balance of hardships does not support the granting of a remedy governed by paragraph (2), (3), (10), (11), or (16) of subsection (b) of this Section, which may require such balancing, the court's findings shall so indicate and shall include a finding as to whether granting the remedy will result in hardship to respondent that would substantially outweigh the hardship to petitioner from denial of the remedy. The findings shall be an official record or in writing.

(e) Denial of remedies. Denial of any remedy shall not be based, in whole or in part, on evidence that:

1. Respondent has cause for any use of force, unless that cause satisfies the standards for justifiable use of force provided by Article VII of the Criminal Code of 1961;
2. Respondent was voluntarily intoxicated;
3. Petitioner acted in self-defense or defense of another, provided that, if petitioner utilized force, such force was justifiable under Article VII of the Criminal Code of 1961;
4. Petitioner did not act in self-defense or defense of another;
5. Petitioner left the residence or household to avoid further abuse, neglect, or exploitation by respondent;
6. Petitioner did not leave the residence or household to avoid further abuse, neglect, or exploitation by respondent;
7. Conduct by any family or household member excused the abuse, neglect, or exploitation by respondent, unless that same conduct would have excused such abuse, neglect, or exploitation if the parties had not been family or household members.

The 6 additional members shall:

(1) be confirmed by the Senate; and

New matter indicated by italics - deletions by strikeout.
(2) receive compensation of $300 per day for their services on the Task Group unless they are officers or employees of the State, in which case they shall receive no additional compensation. Four of the additional members shall have expertise in the field of geology, hydrogeology, or hydrology. Of the 2 remaining additional members, one shall be a member of the public with experience in environmental matters and one shall have at least 5 years experience in local government. The Directors of the Environmental Protection Agency, the Department of Natural Resources, and the Illinois Emergency Management Agency (or their designees) shall receive no additional compensation for their service on the Task Group. All members of the Task Group shall be compensated for their expenses. The Governor shall designate the chairman of the Task Group. Upon adoption of the criteria under subsection (b) of this Section, the Directors of the Illinois Emergency Management Agency and the Environmental Protection Agency shall be replaced on the Task Group by members designated by the Governor and confirmed by the Senate. The members designated to replace the Directors of the Illinois Emergency Management Agency and the Environmental Protection Agency shall have such expertise as the Governor may determine. The members of the Task Group shall be members until they resign, are replaced by the Governor, or the Task Group is abolished. Except as provided in this Act, the Task Group shall be subject to the Open Meetings Act and the Illinois Administrative Procedure Act. Any action required to be taken by the Task Group under this Act shall be taken by a majority vote of its members. An identical vote by 5 members of the Task Group shall constitute a majority vote.

(b) To protect the public health, safety and welfare, the Task Group shall develop proposed criteria for selection of a site for a regional disposal facility. Principal criteria shall relate to the geographic, geologic, seismologic, tectonic, hydrologic, and other scientific conditions best suited for a regional disposal facility. Supplemental criteria may relate to land use (including (i) the location of existing underground mines and (ii) the exclusion of State parks, State conservation areas, and other State owned lands identified by the Task Group), economics, transportation, meteorology, and any other matter identified by the Task Group as relating to desirable conditions for a regional disposal facility. All of the criteria shall be as specific as possible.
The chairman of the Task Group shall publish a notice of availability of the proposed criteria in the State newspaper, make copies of the proposed criteria available without charge to the public, and hold public hearings to receive comments on the proposed criteria. Written comments on the proposed criteria may be submitted to the chairman of the Task Group within a time period to be determined by the Task Group. Upon completion of the review of timely submitted comments on the proposed criteria, the Task Group shall adopt criteria for selection of a site for a regional disposal facility. Adoption of the criteria is not subject to the Illinois Administrative Procedure Act. The chairman of the Task Group shall provide copies of the criteria to the Governor, the President and Minority Leader of the Senate, the Speaker and Minority Leader of the House, and all county boards in the State of Illinois and shall make copies of the criteria available without charge to the public.

(c) Upon adoption of the criteria, the Director of Natural Resources shall direct the Scientific Surveys to screen the State of Illinois. By September 30, 1997, the Scientific Surveys shall (i) complete a Statewide screening of the State using available information and the Surveys' geography-based information system to produce individual and composite maps showing the application of individual criteria; (ii) complete the evaluation of all land volunteered before the effective date of this amendatory Act of 1997 to determine whether any of the volunteered land appears likely to satisfy the criteria; (iii) document the results of the screening and volunteer site evaluations in a written report and submit the report to the chairman of the Task Group and to the Director; and (iv) transmit to the Task Group and to the Agency Department, in a form specified by the Task Group and the Agency Department, all information and documents assembled by the Scientific Surveys in performing the obligations of the Scientific Surveys under this Act. Upon completion of the screening and volunteer site evaluation process, the Director of the Department of Natural Resources shall be replaced on the Task Group by a member appointed by the Governor and confirmed by the Senate. The member appointed to replace the Director of the Department of Natural Resources shall have expertise that the Governor determines to be appropriate.

(c-3) By December 1, 2000, the Department of Nuclear Safety (now the Illinois Emergency Management Agency), in consultation with the Task Group, waste generators, and any interested counties and municipalities and after holding 3 public hearings throughout the State,
shall prepare a report regarding, at a minimum, the impact and ramifications, if any, of the following factors and circumstances on the siting, design, licensure, development, construction, operation, closure, and post-closure care of a regional disposal facility:

(1) the federal, state, and regional programs for the siting, development, and operation of disposal facilities for low-level radioactive wastes and the nature, extent, and likelihood of any legislative or administrative changes to those programs;

(2) (blank);

(3) the current and most reliable projections regarding the costs of the siting, design, development, construction, operation, closure, decommissioning, and post-closure care of a regional disposal facility;

(4) the current and most reliable estimates of the total volume of low-level radioactive waste that will be disposed at a regional disposal facility in Illinois and the projected annual volume amounts;

(5) the nature and extent of the available, if any, storage and disposal facilities outside the region of the Compact for storage and disposal of low-level radioactive waste generated from within the region of the Compact; and

(6) the development and implementation of a voluntary site selection process in which land may be volunteered for the regional disposal facility jointly by landowners and (i) the municipality in which the land is located, (ii) every municipality within 1 1/2 miles of the land if the land is not within a municipality, or (iii) the county or counties in which the land is located if the land is not within a municipality and not within 1 1/2 miles of a municipality. 

The Director shall provide copies of the report to the Governor, the President and Minority Leader of the Senate, and the Speaker and Minority Leader of the House. The Director shall also publish a notice of availability of the report in the State newspaper and make copies of the report available without charge to the public.

(c-5) Following submittal of the report pursuant to subsection (c-3) of this Section, the Agency Department may adopt rules establishing a site selection process for the regional disposal facility. In developing rules, the Agency Department shall, at a minimum, consider the following:

(1) A comprehensive and open process under which the land for sites recommended and proposed by the contractor under
subsection (e) of this Section shall be volunteered lands as provided in this Section. Land may be volunteered for the regional disposal facility jointly by landowners and (i) the municipality in which the land is located, (ii) every municipality with 1 1/2 miles of the land if the land is not within a municipality, or (iii) the county or counties in which the land is located if the land is not within a municipality and not within 1 1/2 miles of a municipality.

(2) Utilization of the State screening and volunteer site evaluation report prepared by the Scientific Surveys under subsection (c) of this Section for the purpose of determining whether proposed sites appear likely to satisfy the site selection criteria.

(3) Coordination of the site selection process with the projected annual and total volume of low-level radioactive waste to be disposed at the regional disposal facility as identified in the report prepared under subsection (c-3) of this Section.

The site selection process established under this subsection shall require the contractor selected by the Agency Department pursuant to Sections 5 and 10 of this Act to propose one site to the Task Group for approval under subsections (d) through (i) of this Section.

No proposed site shall be selected as the site for the regional disposal facility unless it satisfies the site selection criteria established by the Task Group under subsection (b) of this Section.

(d) The contractor selected by the Agency Department under Sections 5 and 10 of this Act shall conduct evaluations, including possible intrusive field investigations, of the sites and locations identified under the site selection process established under subsection (c-5) of this Section.

(e) Upon completion of the site evaluations, the contractor selected by the Agency Department shall identify one site of at least 640 acres that appears promising for development of the regional disposal facility in compliance with the site selection criteria established by the Task Group pursuant to subsection (b) of this Section. The contractor may conduct any other evaluation of the site identified under this subsection that the contractor deems appropriate to determine whether the site satisfies the criteria adopted under subsection (b) of this Section. Upon completion of the evaluations under this subsection, the contractor shall prepare and submit to the Agency Department a report on the evaluation of the identified site, including a recommendation as to whether the identified site should be further considered for selection as a site for the regional disposal facility.

disposal facility. A site so recommended for further consideration is hereinafter referred to as a "proposed site".

(f) A report completed under subsection (e) of this Section that recommends a proposed site shall also be submitted to the chairman of the Task Group. Within 45 days following receipt of a report, the chairman of the Task Group shall publish in newspapers of general circulation in the county or counties in which a proposed site is located a notice of the availability of the report and a notice of a public meeting. The chairman of the Task Group shall also, within the 45-day period, provide copies of the report and the notice to the Governor, the President and Minority Leader of the Senate, the Speaker and Minority Leader of the House, members of the General Assembly from the legislative district or districts in which a proposed site is located, the county board or boards of the county or counties containing a proposed site, and each city, village, and incorporated town within a 5 mile radius of a proposed site. The chairman of the Task Group shall make copies of the report available without charge to the public.

(g) The chairman of the Task Group shall convene at least one public meeting on each proposed site. At the public meeting or meetings, the contractor selected by the Agency Department shall present the results of the evaluation of the proposed site. The Task Group shall receive such other written and oral information about the proposed site that may be submitted at the meeting. Following the meeting, the Task Group shall decide whether the proposed site satisfies the criteria adopted under subsection (b) of this Section. If the Task Group determines that the proposed site does not satisfy the criteria, the Agency Department may require a contractor to submit a further report pursuant to subsection (e) of this Section proposing another site from the locations identified under the site selection process established pursuant to subsection (c-5) of this Section as likely to satisfy the criteria. Following notice and distribution of the report as required by subsection (f) of this Section, the new proposed site shall be the subject of a public meeting under this subsection. The contractor selected by the Agency Department shall propose additional sites, and the Task Group shall conduct additional public meetings, until the Task Group has approved a proposed site recommended by a contractor as satisfying the criteria adopted under subsection (b) of this Section. In the event that the Task Group does not approve any of the proposed sites recommended by the contractor under this subsection as satisfying the criteria adopted under subsection (b) of this Section, the

Sec. 10.3. Site characterization; license application; adjudicatory hearing; exclusivity.

(a) If the contractor, following characterization, determines that the proposed site is appropriate for the development of a regional disposal facility, (i) the contractor shall submit to the Agency Department an application for a license to construct and operate the facility at the selected site and (ii) the Task Group shall be abolished and its records transferred to the Agency Department.

(b) If the contractor determines, following or at any time during characterization of the site proposed under Section 10.2 of this Act, that the proposed site is not appropriate for the development of a regional disposal facility, the Agency Department may require the contractor to propose an additional site to the Task Group from the locations identified under the site selection process established under subsection (c-5) of Section 10.2 that is likely to satisfy the criteria adopted under subsection (b) of Section 10.2. The new proposed site shall be the subject of public notice, distribution, and public meeting conducted by the Task Group under the procedures set forth in subsections (f) and (g) of Section 10.2 of this Act. The contractor selected by the Agency Department shall propose additional sites and the Task Group shall conduct additional public

Upon the selection of a proposed site under this subsection, (i) the contractor shall submit to the Agency Department an application for a license to construct and operate a regional disposal facility at the selected site and (ii) the Task Group shall be abolished and its records transferred to the Agency Department.

(c) The Agency Department shall review the license application filed pursuant to Section 8 and subsections (a) and (b) of this Section in accordance with its rules and the agreement between the State of Illinois and the Nuclear Regulatory Commission under Section 274 of the Atomic Energy Act. If the Agency Department determines that the license should be issued, the Agency Department shall publish in the State newspaper a notice of intent to issue the license. Objections to issuance of the license may be filed within 90 days of publication of the notice. Upon receipt of objections, the Director shall appoint a hearing officer who shall conduct an adjudicatory hearing on the objections. The burden of proof at the hearing shall be on the person filing the objections. Upon completion of the hearing, the hearing officer shall recommend to the Director whether the license should be issued. The decision of the Director to issue or deny the license may be appealed under Section 18.

(d) The procedures, criteria, terms, and conditions set forth in this Act, and in the rules adopted under this Act, for the treatment, storage, and disposal of low-level radioactive waste and for the siting, licensure, design, construction, maintenance, operation, closure, decommissioning, and post-closure care of the regional disposal facility shall be the exclusive procedures, criteria, terms, and conditions for those matters.

(1) $1 per cubic foot of waste shipped for storage, treatment or disposal if storage of the waste for shipment occurred prior to September 7, 1984;

(2) $2 per cubic foot of waste stored for shipment if storage of the waste occurs on or after September 7, 1984, but prior to October 1, 1985;

(3) $3 per cubic foot of waste stored for shipment if storage of the waste occurs on or after October 1, 1985;

(4) $2 per cubic foot of waste shipped for storage, treatment or disposal if storage of the waste for shipment occurs on or after September 7, 1984 but prior to October 1, 1985, provided that no fee has been collected previously for storage of the waste;

(5) $3 per cubic foot of waste shipped for storage, treatment or disposal if storage of the waste for shipment occurs on or after October 1, 1985, provided that no fees have been collected previously for storage of the waste.

Such fees shall be collected annually or as determined by the Agency and shall be deposited in the low-level radioactive waste funds as provided in Section 14 of this Act. Notwithstanding any other provision of this Act, no fee under this Section shall be collected from a generator for waste generated incident to manufacturing before December 31, 1980, and shipped for disposal outside of this State before

December 31, 1992, as part of a site reclamation leading to license termination.

(b) Each nuclear power reactor in this State for which an operating license has been issued by the Nuclear Regulatory Commission shall not be subject to the fee required by subsection (a) with respect to (1) waste stored for shipment if storage of the waste occurs on or after January 1, 1986; and (2) waste shipped for storage, treatment or disposal if storage of the waste for shipment occurs on or after January 1, 1986. In lieu of the fee, each reactor shall be required to pay an annual fee as provided in this subsection for the treatment, storage and disposal of low-level radioactive waste. Beginning with State fiscal year 1986 and through State fiscal year 1997, fees shall be due and payable on January 1st of each year. For State fiscal year 1998 and all subsequent State fiscal years, fees shall be due and payable on July 1 of each fiscal year. The fee due on July 1, 1997 shall be payable on that date, or within 10 days after the effective date of this amendatory Act of 1997, whichever is later.

The owner of any nuclear power reactor that has an operating license issued by the Nuclear Regulatory Commission for any portion of State fiscal year 1998 shall continue to pay an annual fee of $90,000 for the treatment, storage, and disposal of low-level radioactive waste through State fiscal year 2002. The fee shall be due and payable on July 1 of each fiscal year. The fee due on July 1, 1998 shall be payable on that date, or within 10 days after the effective date of this amendatory Act of 1998, whichever is later. If the balance in the Low-Level Radioactive Waste Facility Development and Operation Fund falls below $500,000, as of the end of any fiscal year after fiscal year 2002, the Agency Department is authorized to assess by rule, after notice and a hearing, an additional annual fee to be paid by the owners of nuclear power reactors for which operating licenses have been issued by the Nuclear Regulatory Commission, except that no additional annual fee shall be assessed because of the fund balance at the end of fiscal year 2005 or the end of fiscal year 2006. The additional annual fee shall be payable on the date or dates specified by rule and shall not exceed $30,000 per operating reactor per year.

(c) In each of State fiscal years 1988, 1989 and 1990, in addition to the fee imposed in subsections (b) and (d), the owner of each nuclear power reactor in this State for which an operating license has been issued by the Nuclear Regulatory Commission shall pay a fee of $408,000. If an operating license is issued during one of those 3 fiscal years, the owner
shall pay a prorated amount of the fee equal to $1,117.80 multiplied by the
number of days in the fiscal year during which the nuclear power reactor
was licensed.

The fee shall be due and payable as follows: in fiscal year 1988,
$204,000 shall be paid on October 1, 1987 and $102,000 shall be paid on

of July 1, 1989, October 1, 1989, January 1, 1990 and April 1, 1990. If the
operating license is issued during one of the 3 fiscal years, the owner shall
be subject to those payment dates, and their corresponding amounts, on
which the owner possesses an operating license and, on June 30 of the
fiscal year of issuance of the license, whatever amount of the prorated fee
remains outstanding.

All of the amounts collected by the Agency Department under this
subsection (c) shall be deposited into the Low-Level Radioactive Waste
Facility Development and Operation Fund created under subsection (a) of
Section 14 of this Act and expended, subject to appropriation, for the
purposes provided in that subsection.

(d) In addition to the fees imposed in subsections (b) and (c), the
owners of nuclear power reactors in this State for which operating licenses
have been issued by the Nuclear Regulatory Commission shall pay the

If the payments under this subsection for fiscal year 1993 due on January 1, 1993, or on April 1, 1993, or both, were due before the effective date of this amendatory Act of the 87th General Assembly, then those payments are waived and need not be made.

All of the amounts collected by the Agency Department under this subsection (d) shall be deposited into the Low-Level Radioactive Waste Facility Development and Operation Fund created pursuant to subsection (a) of Section 14 of this Act and expended, subject to appropriation, for the purposes provided in that subsection.

All payments made by licensees under this subsection (d) for fiscal year 1992 that are not appropriated and obligated by the Agency Department above $1,750,000 per reactor in fiscal year 1992, shall be credited to the licensees making the payments to reduce the per reactor fees required under this subsection (d) for fiscal year 1993.

(e) The Agency Department shall promulgate rules and regulations establishing standards for the collection of the fees authorized by this Section. The regulations shall include, but need not be limited to:

(1) the records necessary to identify the amounts of low-level radioactive wastes produced;

(f) Any operating agreement entered into under subsection (b) of Section 5 of this Act between the Agency Department and any disposal facility contractor shall, subject to the provisions of this Act, authorize the contractor to impose upon and collect from persons using the disposal facility fees designed and set at levels reasonably calculated to produce sufficient revenues (1) to pay all costs and expenses properly incurred or accrued in connection with, and properly allocated to, performance of the contractor's obligations under the operating agreement, and (2) to provide reasonable and appropriate compensation or profit to the contractor under the operating agreement. For purposes of this subsection (f), the term "costs and expenses" may include, without limitation, (i) direct and indirect costs and expenses for labor, services, equipment, materials, insurance and other risk management costs, interest and other financing charges, and taxes or fees in lieu of taxes; (ii) payments to or required by the United States, the State of Illinois or any agency or department thereof, the Central Midwest Interstate Low-Level Radioactive Waste Compact, and subject to the provisions of this Act, any unit of local government; (iii) amortization of capitalized costs with respect to the disposal facility and its development, including any capitalized reserves; and (iv) payments with respect to reserves, accounts, escrows or trust funds required by law or otherwise provided for under the operating agreement.

(k) The regional disposal facility shall be subject to ad valorem real estate taxes lawfully imposed by units of local government and school districts with jurisdiction over the facility. No other local government tax, surtax, fee or other charge on activities at the regional disposal facility shall be allowed except as authorized by the Agency Department.

(l) The Agency Department shall have the power, in the event that acceptance of waste for disposal at the regional disposal facility is
suspended, delayed or interrupted, to impose emergency fees on the generators of low-level radioactive waste. Generators shall pay emergency fees within 30 days of receipt of notice of the emergency fees. The Department shall deposit all of the receipts of any fees collected under this subsection into the Low-Level Radioactive Waste Facility Development and Operation Fund created under subsection (b) of Section 14. Emergency fees may be used to mitigate the impacts of the suspension or interruption of acceptance of waste for disposal. The requirements for rulemaking in the Illinois Administrative Procedure Act shall not apply to the imposition of emergency fees under this subsection.

(m) The Agency Department shall promulgate any other rules and regulations as may be necessary to implement this Section.

(b) The Agency Department shall hold at least one hearing, if requested by the claimant, within 60 days of submission of a claim to the Agency Department. The Director shall render a decision on a claim within 30 days of the hearing unless all of the parties to the claim agree in writing to an extension of time. All decisions rendered by the Director shall be in writing, with notification to all appropriate parties. The decision shall be considered a final administrative decision for the purposes of judicial review.

(c) The following losses shall be compensable under this Section, provided that the *Agency Department* has found that the claimant has established, by the weight of the evidence, that the losses were proximately caused by the designated release and are not otherwise compensable under law:

1. One hundred percent of uninsured, out-of-pocket medical expenses, for up to 3 years from the onset of treatment;
2. Eighty percent of any uninsured, actual lost wages, or business income in lieu of wages, caused by injury to the claimant or the claimant's property, not to exceed $15,000 per year for 3 years;

4. One hundred percent of costs of any remedial actions on such property necessary to protect human health and the environment.

(d) No claim may be presented to the *Agency Department* under this Section later than 5 years from the date of discovery of the damage or loss.

(e) Compensation for any damage or loss under this Section shall preclude indemnification or reimbursement from any other source for the identical damage or loss, and indemnification or reimbursement from any other source shall preclude compensation under this Section.

(f) The *Agency Department* shall adopt, and revise when appropriate, rules and regulations necessary to implement the provisions of this Section, including methods that provide for establishing that a claimant has exercised reasonable diligence in satisfying the conditions of the application requirements, for specifying the proof necessary to establish a damage or loss compensable under this Section and for establishing the administrative procedures to be followed in reviewing claims.

Such rules and regulations may provide for different classes of accreditation based on evidence of national certification, clinical experience or community hardship as conditions of initial and continuing accreditation. The rules and regulations of the Agency shall be consistent with national standards in regard to the protection of the health and safety of the general public.

(b) The rules and regulations shall also provide that persons who have been accredited by the Agency, in accordance with the Radiation Protection Act, without passing an examination, will remain accredited as provided in Section 43 of this Act and that those persons may be accredited, without passing an examination, to use other equipment, procedures, or supervision within the original category of accreditation if the Agency receives written assurances from a person licensed under the Medical Practice Act of 1987, that the person accredited has the necessary skill and qualifications for such additional equipment procedures or supervision. The Agency shall, in accordance with subsection (c) of this Section, provide for the accreditation of nurses, technicians, or other assistants, unless exempted elsewhere in this Act, to perform a limited scope of diagnostic radiography procedures of the chest, the extremities, skull and sinuses, or the spine, while under the supervision of a person licensed under the Medical Practice Act of 1987.

(c) The rules or regulations promulgated by the Agency pursuant to subsection (a) shall establish standards and procedures for accrediting persons to perform a limited scope of diagnostic radiography procedures.

New matter indicated by italics - deletions by strikeout.
The rules or regulations shall require persons seeking limited scope accreditation to register with the Agency as a "student-in-training," and declare those procedures in which the student will be receiving training. The student-in-training registration shall be valid for a period of 16 months, during which the time the student may, under the supervision of a person licensed under the Medical Practice Act of 1987, perform the diagnostic radiography procedures listed on the student's registration. The student-in-training registration shall be nonrenewable. Upon expiration of the 16 month training period, the student shall be prohibited from performing diagnostic radiography procedures unless accredited by the Agency to perform such procedures. In order to be accredited to perform a limited scope of diagnostic radiography procedures, an individual must pass an examination offered by the Agency. The examination shall be consistent with national standards in regard to protection of public health and safety. The examination shall consist of a standardized component covering general principles applicable to diagnostic radiography procedures and a clinical component specific to the types of procedures for which accreditation is being sought. The Agency may assess a reasonable fee for such examinations to cover the costs incurred by the Agency in conjunction with offering the examinations.

(d) The Agency shall by rule or regulation exempt from accreditation physician assistants, advanced practice nurses, nurses, technicians, or other assistants who administer radiation to human beings under supervision of a person licensed to practice under the Medical Practice Act of 1987 when the services are performed on employees of a business at a medical facility owned and operated by the business. Such exemption shall only apply to the equipment, procedures and supervision specific to the medical facility owned and operated by the business.

Section 55. The Uranium and Thorium Mill Tailings Control Act is amended by changing Sections 5, 10, 15, 25, 30, 32, 35, and 40 as follows:
(420 ILCS 42/5)
Sec. 5. Legislative findings.
(a) The General Assembly finds:
(1) that a very large volume of by-product material, commonly referred to as uranium and thorium mill tailings, is located within this State, much of it in urban areas;
(2) that such radioactive materials pose a significant risk to the public health, safety, and welfare of the people of Illinois; and

New matter indicated by italics - deletions by strikeout.
(3) that the Illinois Emergency Management Agency, pursuant to the provisions of the Radiation Protection Act of 1990, regulates the generation, possession, use, and disposal of such materials to protect the public health and safety from the radiation risks associated with these materials and to ensure that they do not pose an undue risk to the public health, safety, or the environment; and

(4) that in addition to this regulation, it is beneficial for the State to have a policy promoting the safe and timely decommissioning of source material milling facilities that have come to the end of their productive lives and the safe and effective decontamination of areas within the State that are contaminated with uranium or thorium mill tailings.

(a-5) The General Assembly also finds:

(1) that the Director, as represented by the Attorney General, and Kerr-McGee Chemical Corporation entered into an agreement dated May 19, 1994 and other related agreements to facilitate the removal of by-product material from the City of West Chicago in reliance upon the enactment of this amendatory Act of 1994;

(2) that the May 19, 1994 agreement is consistent with the public purpose as expressed in this Act; and

(3) that the May 19, 1994 agreement is not an agreement intended to relieve Kerr-McGee Chemical Corporation from the applicability of this Act under Section 35.

(b) It is the purpose of this Act to establish a comprehensive program for the timely decommissioning of uranium and thorium mill tailings facilities in Illinois and for the decontamination of properties that are contaminated with uranium or thorium mill tailings. It is the intent of the General Assembly that such a program provide for the safe management of these mill tailings and that the program encourage public participation in all phases of the development of this management program. It is further the intent of the General Assembly that this program be in addition to the regulatory program established in the Radiation Protection Act of 1990.

Sec. 10. Definitions. As used in this Act:

"By-product material" means the tailings or wastes produced by the extraction or concentration of uranium or thorium from any ore processed primarily for its source material content, including discrete surface wastes resulting from underground solution extraction processes but not including underground ore bodies depleted by such solution extraction processes.

Sec. 15. Storage fees.

(a) Beginning January 1, 1994, an annual fee shall be imposed on the owner or operator of any property that has been used in whole or in part for the milling of source material and is being used for the storage or disposal of by-product material, equal to $2 per cubic foot of by-product material being stored or disposed of by the facility. After a facility is

cleaned up in accordance with the Agency's Department's radiological soil clean-up criteria, no fee shall be due, imposed upon, or collected from an owner. No fee shall be imposed upon any by-product material moved to a facility in contemplation of the subsequent removal of the by-product material pursuant to law or upon any by-product material moved to a facility in contemplation of processing the material through a physical separation facility. No fees shall be collected from any State, county, municipal, or local governmental agency. In connection with settling litigation regarding the amount of the fee to be imposed, the Director may enter into an agreement with the owner or operator of any facility specifying that the fee to be imposed shall not exceed $26,000,000 in any calendar year. The fees assessed under this Section are separate and distinct from any license fees imposed under Section 11 of the Radiation Protection Act of 1990.

The fee shall be due on June 1 of each year or at such other times in such installments as the Director may provide by rule. To facilitate the expeditious removal of by-product material, rules establishing payment dates or schedules may be adopted as emergency rules under Section 5-45 of the Administrative Procedure Act. The fee shall be collected and administered by the Agency Department, and shall be deposited into the General Revenue Fund.

(b) Moneys may be expended by the Agency Department, subject to appropriation, for the following purposes but only as the moneys relate to by-product material attributable to the owner or operator who pays the fees under subsection (a):

(1) the costs of monitoring, inspecting, and otherwise regulating the storage and disposal of by-product material, wherever located;

(2) the costs of undertaking any maintenance, decommissioning activities, cleanup, responses to radiation emergencies, or remedial action that would otherwise be required of the owner or operator by law or under a license amendment or condition in connection with by-product materials;

(3) the costs that would otherwise be required of the owner or operator, by law or under a license amendment or condition, incurred by the State arising from the transportation of the by-product material from a storage or unlicensed disposal location to a licensed permanent disposal facility; and

New matter indicated by italics - deletions by strikeout.
(4) reimbursement to the owner or operator of any facility used for the storage or disposal of by-product material for costs incurred by the owner or operator in connection with the decontamination or decommissioning of the storage or disposal facility or other properties contaminated with by-product material. However, the amount of the reimbursements paid to the owner or operator of a by-product material storage or disposal facility shall not be reduced for any amounts recovered by the owner or operator pursuant to Title X of the federal Energy Policy Act of 1992 and shall not exceed the amount of money paid by that owner or operator under subsection (a) plus the interest attributable to amounts paid by that owner or operator.

An owner or operator who incurs costs in connection with the decontamination or decommissioning of the storage or disposal facility or other properties contaminated with by-product material is entitled to have those costs promptly reimbursed as provided in this Section. In the event the owner or operator has incurred reimbursable costs for which there are not adequate moneys with which to provide reimbursement, the Director shall reduce the amount of any fee payable in the future imposed under this Act by the amount of the reimbursable expenses incurred by the owner or operator. An owner or operator of a facility shall submit requests for reimbursement to the Director in a form reasonably required by the Director. Upon receipt of a request, the Director shall give written notice approving or disapproving each of the owner's or operator's request for reimbursement within 60 days. The Director shall approve requests for reimbursement unless the Director finds that the amount is excessive, erroneous, or otherwise inconsistent with paragraph (4) of this subsection or with any license or license amendments issued in connection with that owner's or operator's decontamination or decommissioning plan. If the Director disapproves a reimbursement request, the Director shall set forth in writing to the owner or operator the reasons for disapproval. The owner or operator may resubmit to the Agency Department a disapproved reimbursement request with additional information as may be required. Disapproval of a reimbursement request shall constitute final action for purposes of the Administrative Review Law unless the owner or operator resubmits the denied request within 35 days. To the extent there are funds available, the Director shall prepare and certify to the Comptroller the disbursement of the approved sums to the owners or operators or, if there are insufficient funds available, the Director shall off-set future fees
otherwise payable by the owner or operator by the amount of the approved reimbursable expenses.

(c) To the extent that costs identified in parts (1), (2), and (3) of subsections (b) are recovered by the Agency Department under the Radiation Protection Act of 1990 or its rules, the Agency Department shall not use money under this Section to cover these costs.

If the licensed site is located in a municipality or within 1.5 miles of the boundary of any municipality, the plan shall also be filed with the governing body of that municipality. If the licensed site is in an unincorporated area of a county and situated more than 1.5 miles from the boundary of the nearest municipality, the plan shall be filed with the governing body of that county.

(b) Within one year of discontinuing active source material milling operations, the owner or operator of any facility where ores are processed primarily for their source material content shall file with the Agency Department a detailed plan describing all of the activities necessary for implementation of a permanent remedial action, including, but not limited to, disposal of by-product material at a permanent disposal site, restoration of the facility site to unrestricted use, and decontamination of all properties that have been identified as being contaminated with by-product material produced at the licensed facility. If the facility is located in a municipality or within 1.5 miles of the boundary of any municipality, the plan shall also be filed with the governing body of that municipality. If the site is in an unincorporated area of a county and situated more than 1.5 miles from the boundary of the nearest municipality, the plan shall be filed with the governing body of that county.

New matter indicated by italics - deletions by strikeout.
(c) The plans filed under subsection (a) or (b) shall include a schedule for disposal of by-product material at a facility that has a specific license authorizing disposal of by-product material. The schedule shall be such that disposal could be completed within 48 months or less of commencement of disposal activities. The plans shall also describe permits, approvals, and other authorizations that will need to be obtained and the plans for obtaining those permits, approvals and authorizations.

Sec. 32. Limitations on groundwater and property use.

(a) In connection with the decommissioning of a source material milling facility or the termination of the facility's license, the Agency Department shall have the authority to adopt by rule, or impose by order or license amendment or condition, restrictions on the use of groundwater on any property that has been licensed for the milling of source material and any property downgradient from the property that has been licensed for the milling of source material where the groundwater impacted by a licensed facility has constituents above naturally-occurring levels and is in excess of the groundwater standards enforceable by the Agency Department.

(b) In connection with the decommissioning of a source material milling facility or the termination of the facility's license, the Agency Department shall have the authority to adopt by rule, or impose by order or license amendment or condition, restrictions on property that has been licensed for the milling of source material where the soil has constituents above naturally-occurring levels to limit or prohibit:

(1) the construction of basements or other similar below-ground structures, other than footings or pilings, on any portion of the property where elevated levels of the constituents are present in the soil; and

(2) the excavation of soil from a portion of the property where elevated levels of the constituents are present in the excavated soil, unless the excavated soil is (i) disposed of in a facility licensed or permitted to dispose of that soil or (ii) returned

Sec. 35. Agreements. If the Director of Nuclear Safety certifies to the General Assembly that the State and the owner or operator of a licensed by-product material storage or disposal facility have entered into an agreement enforceable in court that accomplishes the purposes of subsection (b) of Section 5 of this Act, and that also provides financial assurances to protect the State against costs described in parts (1), (2), and (3) of subsection (b) of Section 15, then Sections 15, 25 and 40(b) of this Act, and any rules that the *Agency Department* may adopt to implement those Sections, shall not apply to that owner or operator.

(c) Violations of this Act shall be prosecuted by the Attorney General at the request of the *Agency Department*. Civil penalties under this Act are recoverable in an action brought by the Attorney General on behalf of the State in the circuit court of the county in which the facility is located. All amounts collected from fines under this Section shall be deposited in the General Revenue Fund. It shall also be the duty of the Attorney General upon the request of the *Agency Department* to bring an action for an injunction against any person violating any of the provisions of this Act. The Court may assess all or a portion of the cost of actions brought under this subsection, including but not limited to attorney, expert witness, and consultant fees, to the owner or operator of the source material milling facility or to any other person responsible for the violation or contamination.

Section 60. The Laser System Act of 1997 is amended by changing Sections 10, 15, 20, 22, 25, 30, 35, 40, 45, 50, 60, and 65 as follows:

Sec. 10. Legislative purpose. It is the purpose of this Act to provide for a program of effective regulation of laser systems for the protection of human health, welfare, and safety. The Agency Department shall therefore regulate laser systems under this Act to ensure the safe use and operation of those systems.

Sec. 15. Definitions. For the purposes of this Act, unless the context requires otherwise:

4. "Laser installation" means a location or facility where laser systems are produced, stored, disposed of, or used for any purpose.
5. "Laser machine" means a device that is capable of producing laser radiation when associated controlled devices are operated.
6. "Laser radiation" means an electromagnetic radiation emitted from a laser system and includes all reflected radiation, any secondary radiation, or other forms of energy resulting from the primary laser beam.
7. "Laser system" means a device, machine, equipment, or other apparatus that applies a source of energy to a gas, liquid, crystal, or other solid substances or combination thereof in a manner that electromagnetic radiations of a relatively uniform wave length are amplified and emitted in a cohesive beam capable of transmitting the energy developed in a manner that may be harmful to living tissues, including but not limited to electromagnetic waves in the range of visible, infrared, or ultraviolet light. Such systems in schools, colleges, occupational
schools, and State colleges and other State institutions are also
included in the definition of "laser systems".

(8) "Operator" is an individual, group of individuals,
partnership, firm, corporation, association, or other entity
conducting the business or activities carried on within a laser
installation.

(420 ILCS 56/20)

Sec. 20. Registration requirements. An operator of a laser
installation, unless otherwise exempted, shall register the installation with
the Agency Department before the installation is placed in operation. The
registration shall be filed annually on a form prescribed by the Agency
Department. If any change occurs in a laser installation, the change or
changes shall be registered with the Agency Department within 30 days. If
registering a change in each source of laser radiation or the type or strength
of each source of radiation is impractical, the Agency Department, upon
request of the operator, may approve blanket registration of the
installation. Laser installations registered with the Agency Department on
the effective date of this Act shall retain their registration.

Registration of a laser installation shall not imply approval of
manufacture, storage, use, handling, operation, or disposal of laser systems
or laser radiation, but shall serve merely as notice to the Agency
Department of the location and character of radiation sources in this State.

(420 ILCS 56/22)

Sec. 22. State regulation of federal entities. The Agency
Department is authorized to regulate laser installations operated by federal
entities (or their contractors) if the federal entities agree to be regulated by
the State or the regulation is otherwise allowed under federal law. The
Agency Department may, by rule, establish fees to support the regulation.

(420 ILCS 56/25)

Sec. 25. Exemptions. The registration requirements of this Act
shall not apply to the following:

(1) a laser system that is not considered to be an acute
hazard to the skin and eyes from direct radiation as determined by
the FDA classification scheme established in 21 C.F.R. Section 1040.10.

New matter indicated by italics - deletions by strikeout.
(2) a laser system being transported on railroad cars, motor vehicles, aircraft, or vessels in conformity with rules adopted by an agency having jurisdiction over safety during transportation, or laser systems that have been installed on aircraft, munitions, or other equipment that is subject to the regulations of, and approved by an appropriate agency of, the federal government.

(3) a laser system where the hazard to public health, in the opinion of the Agency Department, is absent or negligible.

(Source: P.A. 90-209, eff. 7-25-97.)

(420 ILCS 56/30)

Sec. 30. Registration fee. The Agency Department may establish by rule a registration fee for operators of laser machines required to register under this Act. The Agency Director may by rule exempt public institutions from the registration fee requirement. Registration fees assessed shall be due and payable within 60 days after the date of billing. If, after 60 days, the registration fee is not paid, the Agency Department may issue an order directing the operator of the installation to cease use of the laser machines for which the fee is outstanding or take other appropriate enforcement action as provided in Section 36 of the Radiation Protection Act of 1990. An order issued by the Agency Department shall afford the operator a right to a hearing before the Agency Department. A written request for a hearing must be served on the Agency Department within 10 days of notice of the order. If the operator fails to file a timely request for a hearing with the Agency Department, the operator shall be deemed to have waived his or her right to a hearing. All moneys received by the Agency Department under this Act shall be deposited into the Radiation Protection Fund and are not refundable. Pursuant to appropriation, moneys deposited into the Fund may be used by the Agency Department to administer and enforce this Act.

(420 ILCS 56/35)

Sec. 35. Agency Department rules. The Agency Department is authorized to adopt rules for the administration and enforcement of this Act and to enter upon, inspect, and investigate the premises and operations of all laser systems of this State, whether or not the systems are required to be registered by this Act. In adopting rules authorized by this Section and in exempting certain laser systems from the registration requirements of Section 20, the Agency Department may seek advice and consultation from
engineers, physicists, physicians, or other persons with special knowledge of laser systems and of the medical and biological effects of laser systems.

(Source: P.A. 90-209, eff. 7-25-97.)

(420 ILCS 56/40)

Sec. 45. Agency Department authority in case of immediate threat to health. Notwithstanding any other provision of this Act, whenever the Agency Department finds that a condition exists that constitutes an immediate threat to the public health or safety, the Agency Department is authorized to do all of the following:

(a) Enter onto public or private property and take possession of or require the immediate cessation of use of laser systems that pose an immediate threat to health or safety.

(b) Enter an order for abatement of a violation of a provision of this Act or a rule adopted or an order issued under this Act that requires immediate action to protect the public health or safety. The order shall recite the existence of the immediate threat and the findings of the Agency Department pertaining to the threat. The order shall direct a response that the Agency Department determines appropriate under the circumstances, including but not limited to all of the following:

(1) Discontinuance of the violation.
(2) Rendering the laser system inoperable.
(3) Impounding of a laser system possessed by a person engaging in the violation.

Such order shall be effective immediately but shall include notice of the time and place of a public hearing before the Agency Department to be held within 30 days of the date of the order to assure the justification of the order. On the basis of the public hearing, the Agency Department shall continue its order in effect, revoke it, or modify it. Any party affected by an order of the Agency Department shall have the right to waive the public hearing proceedings.

Sec. 50. Public nuisance; injunctive relief. The conducting of any business or the carrying on of activities within a laser installation without registering a laser installation or without complying with the provisions of this Act relating to the laser installation is declared to be inimical to the public welfare and public safety and to constitute a public nuisance. It is the duty of the Attorney General, upon the request of the Agency Department, to bring an action in the name of the People of the State of Illinois to enjoin an operator from unlawfully engaging in the business or activity conducted within the laser installation until the operator of the installation complies with the provisions of this Act. This injunctive remedy shall be in addition to, and not in lieu of, any criminal penalty provided in this Act.

(15 ILCS 335/4) (from Ch. 124, par. 24)
Sec. 4. Identification Card.

Illinois who applies for such card, or renewal thereof, or who applies for a
standard Illinois Identification Card upon release as a committed person on
parole, mandatory supervised release, final discharge, or pardon from the
Department of Corrections by submitting an identification card issued by
the Department of Corrections under Section 3-14-1 of the Unified Code
of Corrections, together with the prescribed fees. No identification card
shall be issued to any person who holds a valid foreign state identification
card, license, or permit unless the person first surrenders to the Secretary
of State the valid foreign state identification card, license, or permit. The
card shall be prepared and supplied by the Secretary of State and shall
include a photograph of the applicant. The applicant, upon receipt of a
card and prior to its use for any purpose, shall affix his signature thereon in
the space provided therefor. The Illinois Identification Card may be used
for identification purposes in any lawful situation only by the person to
whom it was issued. As used in this Act, "photograph" means any color

If the applicant so requests, the card shall include a description of the applicant's disability and any information about the applicant's disability or medical history which the Secretary determines would be helpful to the applicant in securing emergency medical care. The applicant, upon receipt of such a card and prior to its use for any purpose, shall have affixed thereon in the space provided therefor his signature or mark. If a mark is used in lieu of a signature, such mark shall be affixed to the card in the presence of two witnesses who attest to the authenticity of the mark. Section 1. Short title. This Act may be cited as the Commission on Children and Youth Act.

Section 5. Legislative findings. The General Assembly finds that positive development opportunities for children and youth are an essential investment in the future well-being of our State. Over the past decade Illinois has invested significant resources in programs and services for children and youth in areas such as education, health care, delinquency prevention, and child welfare. Recent initiatives to expand health care and preschool for all children statewide are significant steps toward establishing Illinois as a national leader in providing foundational services to its youngest residents. These investments have supported important opportunities for healthy development, yet there continue to be unmet needs, service gaps, and other challenges facing children, youth and young adults across Illinois. It has been over 22 years since Illinois has had a commission to explore how the State serves its children and youth and allocates its resources in a manner that most effectively supports children and youth. Illinois is committed to being a model state in forging innovative life development opportunities for all children and youth and needs to develop a vision and strategic plan to achieve this goal.

Section 10. Commission on Children and Youth. The Commission on Children and Youth is established. Under the leadership of the Office of the Governor, the Department of Human Services shall provide administrative support to the Commission, subject to appropriations. Notwithstanding the foregoing, an insurer making payment of damages on a total loss claim for the theft of a vehicle shall not be required to apply for a salvage certificate unless the vehicle is recovered and has incurred damage that initially would have caused the vehicle to be declared a total loss by the insurer. An insurer making payment of damages on a total loss claim for the theft of a vehicle may exchange the salvage certificate for a certificate of title if the vehicle is recovered without damage. acquisition of the vehicle at an auction, other dispositions as set forth in Sections 4-208 and 4-209 of this Code, a lien arising under Section 18a-501 of this Code, or a public sale under the Abandoned Mobile Home Act shall be deemed salvage or junk at the option of the purchaser. The person acquiring such vehicle in such manner shall promptly deliver or mail, within 20 days after the acquisition of the vehicle, the certificate of purchase, the proper application and fee, and, if the vehicle is an abandoned mobile home under the Abandoned Mobile Home Act, a certification from a local law enforcement agency that the vehicle was purchased or acquired at a public sale under the Abandoned Mobile Home Act to the Secretary of State and a salvage certificate or junking certificate shall be issued in the name of that person. The salvage certificate or junking certificate issued by the Secretary of State under this Section shall be free of any lien that existed against the vehicle prior to the time the vehicle was acquired by the applicant under this Code.

(3) A vehicle which has been repossessed by a lienholder shall be considered to be salvage only when the repossessed vehicle, on the date of repossession by the lienholder, has sustained damage by collision, fire, theft, rust corrosion, or other means so that the cost of repairing such damage, including labor, would be greater than 33 1/3% of its fair market value without such damage. If the lienholder determines that such vehicle is damaged in excess of 33 1/3% of such fair market value, the lienholder shall, before sale, transfer or assignment of the vehicle, make application for a salvage certificate, and shall submit with such application the proper fee and evidence of possession. If the facts required to be shown in subsection (f) of Section 3-114 are satisfied, the Secretary of State shall issue a salvage certificate in the name of the lienholder making the application. In any case wherein the vehicle repossessed is not damaged in excess of 33 1/3% of its fair market value, the lienholder shall comply with the requirements of subsections (f), (f-5), and (f-10) of Section 3-114, except that the affidavit of repossession made by or on behalf of the lienholder shall also contain an affirmation under penalty of perjury that the vehicle on the date of sale is not damaged in excess of 33 1/3% of its fair market value. If the facts required to be shown in subsection (f) of Section 3-114 are satisfied, the Secretary of State shall issue
a certificate of title as set forth in Section 3-116 of this Code. The Secretary of State may by rule or regulation require photographs to be submitted.

(4) A vehicle which is a part of a fleet of more than 5 commercial vehicles registered in this State or any other state or registered proportionately among several states shall be considered to be salvage when such vehicle has sustained damage by collision, fire, theft, rust, corrosion or similar means so that the cost of repairing such damage, including labor, would be greater than 33 1/3% of the fair market value of the vehicle without such damage. If the owner of a fleet vehicle desires to sell, transfer, or assign his interest in such vehicle to a person within this State other than an insurance company licensed to do business within this State, and the owner determines that such vehicle, at the time of the proposed sale, transfer or assignment is damaged in excess of 33 1/3% of its fair market value, the owner shall, before such sale, transfer or assignment, make application for a salvage certificate. The application shall contain with it evidence of possession of the vehicle. If the fleet vehicle at the time of its sale, transfer, or assignment is not damaged in excess of 33 1/3% of its fair market value, the owner shall so state in a written affirmation on a form prescribed by the Secretary of State by rule or regulation. The Secretary of State may by rule or regulation require photographs to be submitted. Upon sale, transfer or assignment of the fleet vehicle the owner shall mail the affirmation to the Secretary of State.

(5) A vehicle that has been submerged in water to the point that rising water has reached over the door sill and has entered the passenger or trunk compartment is a "flood vehicle". A flood vehicle shall be considered to be salvage only if the vehicle has sustained damage so that the cost of repairing the damage, including labor, would be greater than 33 1/3% of the fair market value of the vehicle without that damage. The salvage certificate issued under this Section shall indicate the word "flood", and the word "flood" shall be conspicuously entered on subsequent titles for the vehicle. A person who possesses or acquires a flood vehicle that is not damaged in excess of 33 1/3% of its fair market value shall make application for title in accordance with Section 3-116 of this Code, designating the vehicle as "flood" in a manner prescribed by the Secretary of State. The certificate of title issued

shall indicate the word "flood", and the word "flood" shall be
conspicuously entered on subsequent titles for the vehicle.

gives away, transfers or destroys or offers to acquire, sell, exchange, give
away, transfer or destroy the certificate of title to any vehicle which is a
junk or salvage vehicle shall be guilty of a Class 3 felony.

(d) Any person who knowingly fails to surrender to the Secretary
of State a certificate of title, salvage certificate, certificate of purchase or a
similarly acceptable out-of-state document of ownership as required under
the provisions of this Section is guilty of a Class A misdemeanor for a first
offense and a Class 4 felony for a subsequent offense; except that a person
licensed under this Code who violates paragraph (5) of subsection (b) of
this Section is guilty of a business offense and shall be fined not less than
$1,000 nor more than $5,000 for a first offense and is guilty of a Class 4
felony for a second or subsequent violation.

(e) Any vehicle which is salvage or junk may not be driven or
operated on roads and highways within this State. A violation of this
subsection is a Class A misdemeanor. A salvage vehicle displaying valid
special plates issued under Section 3-601(b) of this Code, which is being
driven to or from an inspection conducted under Section 3-308 of this
Code, is exempt from the provisions of this subsection. A salvage vehicle

Sec. 5-102. Used vehicle dealers must be licensed.

(a) No person, other than a licensed new vehicle dealer, shall engage in the business of selling or dealing in, on consignment or otherwise, 5 or more used vehicles of any make during the year (except house trailers as authorized by paragraph (j) of this Section and rebuilt salvage vehicles sold by their rebuilders to persons licensed under this Chapter), or act as an intermediary, agent or broker for any licensed dealer or vehicle purchaser (other than as a salesperson) or represent or advertise that he is so engaged or intends to so engage in such business unless licensed to do so by the Secretary of State under the provisions of this Section.

(b) An application for a used vehicle dealer's license shall be filed with the Secretary of State, duly verified by oath, in such form as the Secretary of State may by rule or regulation prescribe and shall contain:

1. The name and type of business organization established and additional places of business, if any, in this State.

New matter indicated by italics - deletions by strikeout.
3. A statement that the applicant has been approved for registration under the Retailers’ Occupation Tax Act by the Department of Revenue. However, this requirement does not apply to a dealer who is already licensed hereunder with the Secretary of State, and who is merely applying for a renewal of his license. As evidence of this fact, the application shall be accompanied by a certification from the Department of Revenue showing that the Department has approved the applicant for registration under the Retailers’ Occupation Tax Act.

4. A statement that the applicant has complied with the appropriate liability insurance requirement. A Certificate of Insurance in a solvent company authorized to do business in the State of Illinois shall be included with each application covering each location at which he proposes to act as a used vehicle dealer. The policy must provide liability coverage in the minimum amounts of $100,000 for bodily injury to, or death of, any person, $300,000 for bodily injury to, or death of, two or more persons in any one accident, and $50,000 for damage to property. Such policy shall expire not sooner than December 31 of the year for which the license was issued or renewed. The expiration of the insurance policy shall not terminate the liability under the policy arising during the period for which the policy was filed. Trailer and mobile home dealers are exempt from this requirement.

If the permitted user has a liability insurance policy that provides automobile liability insurance coverage of at least $100,000 for bodily injury to or the death of any person, $300,000 for bodily injury to or the death of any 2 or more persons in any one accident, and $50,000 for damage to property, then the permitted user's insurer shall be the primary insurer and the dealer's insurer shall be the secondary insurer. If the permitted user does not have a liability insurance policy that provides automobile liability insurance coverage of at least $100,000 for bodily injury to or the death of any person, $300,000 for bodily injury to or the death of any 2 or more persons in any one accident, and $50,000 for damage to property, or does not have any insurance at all, then the dealer's insurer shall be the primary insurer and the permitted user's insurer shall be the secondary insurer.
When a permitted user is "test driving" a used vehicle dealer's automobile, the used vehicle dealer's insurance shall be primary and the permitted user's insurance shall be secondary.

As used in this paragraph 4, a "permitted user" is a person who, with the permission of the used vehicle dealer or an employee of the used vehicle dealer, drives a vehicle owned and held for sale or lease by the used vehicle dealer which the person is considering to purchase or lease, in order to evaluate the performance, reliability, or condition of the vehicle. The term "permitted user" also includes a person who, with the permission of the used vehicle dealer, drives a vehicle owned or held for sale or lease by the used vehicle dealer for loaner purposes while the user's vehicle is being repaired or evaluated.

As used in this paragraph 4, "test driving" occurs when a permitted user who, with the permission of the used vehicle dealer or an employee of the used vehicle dealer, drives a vehicle owned and held for sale or lease by a used vehicle dealer that the person is considering to purchase or lease, in order to evaluate the performance, reliability, or condition of the vehicle.

As used in this paragraph 4, "loaner purposes" means when a person who, with the permission of the used vehicle dealer, drives a vehicle owned or held for sale or lease by the used vehicle dealer while the user's vehicle is being repaired or evaluated.

5. An application for a used vehicle dealer's license shall be accompanied by the following license fees:

$1,000 for applicant's established place of business, and $50 for each additional place of business, if any, to which the application pertains; however, if the application is made after June 15 of any year, the license fee shall be $500 for applicant's established place of business plus $25 for each additional place of business, if any, to which the application pertains. License fees shall be returnable only in the event that the application is denied by the Secretary of State. Of the money received by the Secretary of State as license fees under this Section for the 2004 licensing year and thereafter, 95% shall be deposited into the General Revenue Fund.

6. A statement that the applicant's officers, directors, shareholders having a 10% or greater ownership interest therein, proprietor, partner, member, officer, director, trustee, manager or
other principals in the business have not committed in the past 3 years any one violation as determined in any civil, criminal or administrative proceedings of any one of the following Acts:

(A) The Anti Theft Laws of the Illinois Vehicle Code;
(B) The Certificate of Title Laws of the Illinois Vehicle Code;
(C) The Offenses against Registration and Certificates of Title Laws of the Illinois Vehicle Code;
(E) Section 21-2 of the Illinois Criminal Code of 1961, Criminal Trespass to Vehicles; or

7. A statement that the applicant's officers, directors, shareholders having a 10% or greater ownership interest therein, proprietor, partner, member, officer, director, trustee, manager or other principals in the business have not committed in any calendar year 3 or more violations, as determined in any civil or criminal or administrative proceedings, of any one or more of the following Acts:

(A) The Consumer Finance Act;
(B) The Consumer Installment Loan Act;
(C) The Retail Installment Sales Act;
(D) The Motor Vehicle Retail Installment Sales Act;
(E) The Interest Act;
(F) The Illinois Wage Assignment Act;
(G) Part 8 of Article XII of the Code of Civil Procedure; or
(H) The Consumer Fraud Act.

8. A bond or Certificate of Deposit in the amount of $20,000 for each location at which the applicant intends to act as a used vehicle dealer. The bond shall be for the term of the license, or its renewal, for which application is made, and shall expire not sooner than December 31 of the year for which the license was issued or renewed. The bond shall run to the People of the State of Illinois, with surety by a bonding or insurance company authorized to do business in this State. It shall be conditioned upon the proper transmittal of all title and registration fees and taxes (excluding

taxes under the Retailers' Occupation Tax Act) accepted by the applicant as a used vehicle dealer.

9. Such other information concerning the business of the applicant as the Secretary of State may by rule or regulation prescribe.

10. A statement that the applicant understands Chapter 1 through Chapter 5 of this Code.

(c) Any change which renders no longer accurate any information contained in any application for a used vehicle dealer's license shall be amended within 30 days after the occurrence of each change on such form as the Secretary of State may prescribe by rule or regulation, accompanied by an amendatory fee of $2.

(d) Anything in this Chapter to the contrary notwithstanding, no person shall be licensed as a used vehicle dealer unless such person maintains an established place of business as defined in this Chapter.

(e) The Secretary of State shall, within a reasonable time after receipt, examine an application submitted to him under this Section. Unless the Secretary makes a determination that the application submitted to him does not conform to this Section or that grounds exist for a denial of the application under Section 5-501 of this Chapter, he must grant the applicant an original used vehicle dealer's license in writing for his established place of business and a supplemental license in writing for each additional place of business in such form as he may prescribe by rule or regulation which shall include the following:

4. In the case of a supplemental license, the established place of business of the licensee and the additional place of business to which such supplemental license pertains.

(f) The appropriate instrument evidencing the license or a certified copy thereof, provided by the Secretary of State shall be kept posted, conspicuously, in the established place of business of the licensee and in each additional place of business, if any, maintained by such licensee.

New matter indicated by italics - deletions by strikeout.
(g) Except as provided in subsection (h) of this Section, all used vehicle dealer's licenses granted under this Section expire by operation of law on December 31 of the calendar year for which they are granted unless sooner revoked or cancelled under Section 5-501 of this Chapter.

(h) A used vehicle dealer's license may be renewed upon application and payment of the fee required herein, and submission of proof of coverage by an approved bond under the "Retailers' Occupation Tax Act" or proof that applicant is not subject to such bonding requirements, as in the case of an original license, but in case an application for the renewal of an effective license is made during the month of December, the effective license shall remain in force until the application for renewal is granted or denied by the Secretary of State.

(i) All persons licensed as a used vehicle dealer are required to furnish each purchaser of a motor vehicle:

newly created key to a vehicle unless the used vehicle dealer makes a copy of the driver's license or State identification card of the person requesting or obtaining the newly created key. The used vehicle dealer must retain the copy for 30 days.

A used vehicle dealer who violates this subsection (k) is guilty of a petty offense. Violation of this subsection (k) is not cause to suspend, revoke, cancel, or deny renewal of the used vehicle dealer's license.

Section 10. The Structural Pest Control Act is amended by adding Section 26 as follows:
(225 ILCS 235/26 new)
Sec. 26. Continuation of Act; validation.
(a) The General Assembly finds and declares that:
   (1) Public Act 94-754, which became effective on May 10, 2006, changed the repeal date set for the Structural Pest Control Act within the Regulatory Sunset Act from January 1, 2007 to January 1, 2008.
   (2) The Statute on Statutes sets forth general rules on the repeal of statutes and the construction of multiple amendments, but Section 1 of that Act also states that these rules will not be observed when the result would be "inconsistent with the manifest intent of the General Assembly or repugnant to the context of the statute".
   (3) This amendatory Act of the 95th General Assembly manifests the intention of the General Assembly to remove the current repealer of the Structural Pest Control Act set forth in the Regulatory Sunset Act and have the Structural Pest Control Act continue in effect beyond January 1, 2008.
   (4) The Structural Pest Control Act was originally enacted to protect, promote, and preserve the public health and general welfare. Any construction of subsection (a) of Section 4.18 of the Regulatory Sunset Act that results in the repeal of the Structural Pest Control Act on January 1, 2008 would be inconsistent with

the manifest intent of the General Assembly and repugnant to the context of the Regulatory Sunset Act and the Structural Pest Control Act, and would create serious potential risks to the health and safety of the people of Illinois.

(b) It is hereby declared to have been the intent of the General Assembly that the Structural Pest Control Act not be subject to repeal on January 1, 2008.

(c) The Structural Pest Control Act shall be deemed to have been in continuous effect since May 10, 2006 (the effective date of Public Act 94-754), and it shall continue to be in effect henceforward until it is otherwise lawfully repealed. All previously enacted amendments to the Act taking effect on or after January 1, 2008, are hereby validated.

(d) All actions taken in reliance on or pursuant to the Structural Pest Control Act by the Department of Public Health or any other person or entity are hereby validated.

(e) In order to ensure the continuing effectiveness of the Structural Pest Control Act, it is set forth in full and re-enacted by this amendatory Act of the 95th General Assembly. This re-enactment is intended as a continuation of the Act. It is not intended to supersede any amendment to the Act that is enacted by the 95th General Assembly.

(f) The Structural Pest Control Act applies to all claims, civil actions, and proceedings pending on or filed on or before the effective date of this Act.

Section 15. The Structural Pest Control Act is re-enacted as follows:

(225 ILCS 235/Act title) (Structural Pest Control Act.)
An Act to license and regulate structural pest control operators and certify pest control technicians, to make certain exemptions for the State and its political subdivisions and to provide penalties for the violation thereof.

(225 ILCS 235/1) (from Ch. 111 1/2, par. 2201)
Sec. 1. Short title. This Act shall be known and may be cited as the "Structural Pest Control Act".
(Source: P.A. 82-725.)

(225 ILCS 235/2) (from Ch. 111 1/2, par. 2202)
Sec. 2. Legislative intent. It is declared that there exists and may in the future exist within the State of Illinois locations where pesticides are
received, stored, formulated or prepared and subsequently used for the control of structural pests, and improper selection, formulation and application of pesticides may adversely affect the public health and general welfare.

It is further established that the use of certain pesticides is restricted or may in the future be restricted to use only by or under the supervision of persons certified in accordance with this Act.

It is recognized that pests can best be controlled through an integrated pest management program that combines preventive techniques, nonchemical pest control methods, and the appropriate use of pesticides with preference for products that are the least harmful to human health and the environment. Integrated pest management is a good practice in the management of pest populations, and it is prudent to employ pest control strategies that are the least hazardous to human health and the environment.

Therefore, the purpose of this Act is to protect, promote and preserve the public health and general welfare by providing for the establishment of minimum standards for selection, formulation and application of restricted pesticides and to provide for the licensure of commercial structural pest control businesses, the registration of persons who own or operate non-commercial structural pest control locations where restricted pesticides are used, and the certification of pest control technicians.

It is also the purpose of this Act to reduce economic, health, and environmental risks by promoting the use of integrated pest management for structural pest control in schools and day care centers, by making guidelines on integrated pest management available to schools and day care centers.

Sec. 11-604. Alteration of limits by local authorities.

(a) Subject to the limitations set forth in this Section, the county board of a county may establish absolute maximum speed limits on all county highways, township roads and district roads as defined in the Illinois Highway Code, except those under the jurisdiction of the Department or of the Illinois State Toll Highway Authority, as described in Sections 11-602 and 11-603 of this Chapter; and any park district, city, village, or incorporated town may establish absolute maximum speed

limits on all streets which are within its corporate limits and which are not under the jurisdiction of the Department or of such Authority, and for which the county or a highway commissioner of such county does not have maintenance responsibility.

(b) Whenever any such park district, city, village, or incorporated town determines, upon the basis of an engineering or traffic investigation concerning a highway or street on which it is authorized by this Section to establish speed limits, that a maximum speed limit prescribed in Section 11-601 of this Chapter is greater or less than is reasonable or safe with respect to the conditions found to exist at any place or along any part or zone of such highway or street, the local authority or park district shall determine and declare by ordinance a reasonable and safe absolute maximum speed limit at such place or along such part or zone, which:

(1) Decreases the limit within an urban district, but not to less than 20 miles per hour; or

(2) Increases the limit within an urban district, but not to more than 55 miles per hour; or

(3) Decreases the limit outside of an urban district, but not to less than 35 miles per hour, except as otherwise provided in subparagraph 4 of this paragraph; or

(4) Decreases the limit within a residence district, but not to less than 25 miles per hour, except as otherwise provided in subparagraph 1 of this paragraph.

The park district, city, village, or incorporated town may make such limit applicable at all times or only during certain specified times. Not more than 6 such alterations shall be made per mile along a highway or street; and the difference in limit between adjacent altered speed zones shall not be more than 10 miles per hour.

A limit so determined and declared by a park district, city, village, or incorporated town becomes effective, and suspends the application of the limit prescribed in Section 11-601 of this Chapter, when appropriate signs giving notice of the limit are erected at the proper place or along the proper part or zone of the highway or street. Electronic speed-detecting devices shall not be used within 500 feet beyond any such sign in the direction of travel; if so used in violation of this Section evidence obtained thereby shall be inadmissible in any prosecution for speeding. However, nothing in this Section prohibits the use of such electronic speed-detecting devices within 500 feet of a sign within a special school speed zone indicating such zone, conforming to the requirements of Section 11-605 of

this Act, nor shall evidence obtained thereby be inadmissible in any prosecution for speeding provided the use of such device shall apply only to the enforcement of the speed limit in such special school speed zone.

(c) A county engineer or superintendent of highways may submit to the Department for approval, a county policy for establishing altered speed zones on township and county highways based upon engineering and traffic investigations.

(d) Whenever the county board of a county determines that a maximum speed limit is greater or less than is reasonable or safe with respect to the conditions found to exist at any place or along any part or zone of the highway or road, the county board shall determine and declare by ordinance a reasonable and safe absolute maximum speed limit at that place or along that part or zone. However, the maximum speed limit shall not exceed 55 miles per hour. Upon receipt of an engineering study for the part or zone of highway in question from the county engineer, and notwithstanding any other provision of law, the county board of a county may determine and declare by ordinance a reduction in the maximum speed limit at any place or along any part or zone of a county highway whenever the county board, in its sole discretion, determines that the reduction in the maximum speed limit is reasonable and safe. The county board may post signs designating the new speed limit. The limit becomes effective, and suspends the application of the limit prescribed in Section 11-601 of this Chapter, when appropriate signs giving notice of the limit are erected at the proper place or along the proper part of the zone of the highway. Electronic speed-detecting devices shall not be used within 500 feet beyond any such sign in the direction of travel; if so used in violation of this Section, evidence obtained thereby shall be inadmissible in any prosecution for speeding. However, nothing in this Section prohibits the use of such electronic speed-detecting devices within 500 feet of a sign within a special school speed zone indicating such zone, conforming to the requirements of Section 11-605 of this Act, nor shall evidence obtained thereby be inadmissible in any prosecution for speeding provided the use of such device shall apply only to the enforcement of the speed limit in such special school speed zone.

AN ACT concerning education.

Section 5. The School Code is amended by changing Section 19-1 as follows:

(105 ILCS 5/19-1) (from Ch. 122, par. 19-1)
Sec. 19-1. Debt limitations of school districts.
(a) School districts shall not be subject to the provisions limiting their indebtedness prescribed in "An Act to limit the indebtedness of counties having a population of less than 500,000 and townships, school districts and other municipal corporations having a population of less than 300,000", approved February 15, 1928, as amended.

No school districts maintaining grades K through 8 or 9 through 12 shall become indebted in any manner or for any purpose to an amount, including existing indebtedness, in the aggregate exceeding 6.9% on the value of the taxable property therein to be ascertained by the last assessment for State and county taxes or, until January 1, 1983, if greater, the sum that is produced by multiplying the school district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979, previous to the incurring of such indebtedness.

No school districts maintaining grades K through 12 shall become indebted in any manner or for any purpose to an amount, including existing indebtedness, in the aggregate exceeding 13.8% on the value of the taxable property therein to be ascertained by the last assessment for State and county taxes or, until January 1, 1983, if greater, the sum that is produced by multiplying the school district's 1978 equalized assessed

valuation by the debt limitation percentage in effect on January 1, 1979, previous to the incurring of such indebtedness.

No partial elementary unit district, as defined in Article 11E of this Code, shall become indebted in any manner or for any purpose in an amount, including existing indebtedness, in the aggregate exceeding 6.9% of the value of the taxable property of the entire district, to be ascertained by the last assessment for State and county taxes, plus an amount, including existing indebtedness, in the aggregate exceeding 6.9% of the value of the taxable property of that portion of the district included in the elementary and high school classification, to be ascertained by the last assessment for State and county taxes. Moreover, no partial elementary unit district, as defined in Article 11E of this Code, shall become indebted on account of bonds issued by the district for high school purposes in the aggregate exceeding 6.9% of the value of the taxable property of the entire district, to be ascertained by the last assessment for State and county taxes, nor shall the district become indebted on account of bonds issued by the district for elementary purposes in the aggregate exceeding 6.9% of the value of the taxable property for that portion of the district included in the elementary and high school classification, to be ascertained by the last assessment for State and county taxes.

Notwithstanding the provisions of any other law to the contrary, in any case in which the voters of a school district have approved a proposition for the issuance of bonds of such school district at an election held prior to January 1, 1979, and all of the bonds approved at such election have not been issued, the debt limitation applicable to such school district during the calendar year 1979 shall be computed by multiplying the value of taxable property therein, including personal property, as ascertained by the last assessment for State and county taxes, previous to the incurring of such indebtedness, by the percentage limitation applicable to such school district under the provisions of this subsection (a).

(b) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, additional indebtedness may be incurred in an amount not to exceed the estimated cost of acquiring or improving school sites or constructing and equipping additional building facilities under the following conditions:

(1) Whenever the enrollment of students for the next school year is estimated by the board of education to increase over the actual present enrollment by not less than 35% or by not less than 200 students or the actual present enrollment of students has

increased over the previous school year by not less than 35% or by not less than 200 students and the board of education determines that additional school sites or building facilities are required as a result of such increase in enrollment; and

(2) When the Regional Superintendent of Schools having jurisdiction over the school district and the State Superintendent of Education concur in such enrollment projection or increase and approve the need for such additional school sites or building facilities and the estimated cost thereof; and

(3) When the voters in the school district approve a proposition for the issuance of bonds for the purpose of acquiring or improving such needed school sites or constructing and equipping such needed additional building facilities at an election called and held for that purpose. Notice of such an election shall state that the amount of indebtedness proposed to be incurred would exceed the debt limitation otherwise applicable to the school district. The ballot for such proposition shall state what percentage of the equalized assessed valuation will be outstanding in bonds if the proposed issuance of bonds is approved by the voters; or

(4) Notwithstanding the provisions of paragraphs (1) through (3) of this subsection (b), if the school board determines that additional facilities are needed to provide a quality educational program and not less than 2/3 of those voting in an election called by the school board on the question approve the issuance of bonds for the construction of such facilities, the school district may issue bonds for this purpose; or

(5) Notwithstanding the provisions of paragraphs (1) through (3) of this subsection (b), if (i) the school district has previously availed itself of the provisions of paragraph (4) of this subsection (b) to enable it to issue bonds, (ii) the voters of the school district have not defeated a proposition for the issuance of bonds since the referendum described in paragraph (4) of this subsection (b) was held, (iii) the school board determines that additional facilities are needed to provide a quality educational program, and (iv) a majority of those voting in an election called by the school board on the question approve the issuance of bonds for the construction of such facilities, the school district may issue bonds for this purpose.

New matter indicated by italics - deletions by strikeout.
In no event shall the indebtedness incurred pursuant to this subsection (b) and the existing indebtedness of the school district exceed 15% of the value of the taxable property therein to be ascertained by the last assessment for State and county taxes, previous to the incurring of such indebtedness or, until January 1, 1983, if greater, the sum that is produced by multiplying the school district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979.

The indebtedness provided for by this subsection (b) shall be in addition to and in excess of any other debt limitation.

(c) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, in any case in which a public question for the issuance of bonds of a proposed school district maintaining grades kindergarten through 12 received at least 60% of the valid ballots cast on the question at an election held on or prior to November 8, 1994, and in which the bonds approved at such election have not been issued, the school district pursuant to the requirements of Section 11A-10 (now repealed) may issue the total amount of bonds approved at such election for the purpose stated in the question.

(d) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, a school district that meets all the criteria set forth in paragraphs (1) and (2) of this subsection (d) may incur an additional indebtedness in an amount not to exceed $4,500,000, even though the amount of the additional indebtedness authorized by this subsection (d), when incurred and added to the aggregate amount of indebtedness of the district existing immediately prior to the district incurring the additional indebtedness authorized by this subsection (d), causes the aggregate indebtedness of the district to exceed the debt limitation otherwise applicable to that district under subsection (a):

(1) The additional indebtedness authorized by this subsection (d) is incurred by the school district through the issuance of bonds under and in accordance with Section 17-2.11a for the purpose of replacing a school building which, because of mine subsidence damage, has been closed as provided in paragraph (2) of this subsection (d) or through the issuance of bonds under and in accordance with Section 19-3 for the purpose of increasing the size of, or providing for additional functions in, such replacement school buildings, or both such purposes.

(2) The bonds issued by the school district as provided in paragraph (1) above are issued for the purposes of construction by

the school district of a new school building pursuant to Section 17-2.11, to replace an existing school building that, because of mine subsidence damage, is closed as of the end of the 1992-93 school year pursuant to action of the regional superintendent of schools of the educational service region in which the district is located under Section 3-14.22 or are issued for the purpose of increasing the size of, or providing for additional functions in, the new school building being constructed to replace a school building closed as the result of mine subsidence damage, or both such purposes.

(e) (Blank).

(f) Notwithstanding the provisions of subsection (a) of this Section or of any other law, bonds in not to exceed the aggregate amount of $5,500,000 and issued by a school district meeting the following criteria shall not be considered indebtedness for purposes of any statutory limitation and may be issued in an amount or amounts, including existing indebtedness, in excess of any heretofore or hereafter imposed statutory limitation as to indebtedness:

(1) At the time of the sale of such bonds, the board of education of the district shall have determined by resolution that the enrollment of students in the district is projected to increase by not less than 7% during each of the next succeeding 2 school years.

(2) The board of education shall also determine by resolution that the improvements to be financed with the proceeds of the bonds are needed because of the projected enrollment increases.

(3) The board of education shall also determine by resolution that the projected increases in enrollment are the result of improvements made or expected to be made to passenger rail facilities located in the school district.

Notwithstanding the provisions of subsection (a) of this Section or of any other law, a school district that has availed itself of the provisions of this subsection (f) prior to July 22, 2004 (the effective date of Public Act 93-799) may also issue bonds approved by referendum up to an amount, including existing indebtedness, not exceeding 25% of the equalized assessed value of the taxable property in the district if all of the conditions set forth in items (1), (2), and (3) of this subsection (f) are met.

(g) Notwithstanding the provisions of subsection (a) of this Section or any other law, bonds in not to exceed an aggregate amount of 25% of the equalized assessed value of the taxable property of a school district and

issued by a school district meeting the criteria in paragraphs (i) through (iv) of this subsection shall not be considered indebtedness for purposes of any statutory limitation and may be issued pursuant to resolution of the school board in an amount or amounts, including existing indebtedness, in excess of any statutory limitation of indebtedness heretofore or hereafter imposed:

(i) The bonds are issued for the purpose of constructing a new high school building to replace two adjacent existing buildings which together house a single high school, each of which is more than 65 years old, and which together are located on more than 10 acres and less than 11 acres of property.

(ii) At the time the resolution authorizing the issuance of the bonds is adopted, the cost of constructing a new school building to replace the existing school building is less than 60% of the cost of repairing the existing school building.

(iii) The sale of the bonds occurs before July 1, 1997.

(iv) The school district issuing the bonds is a unit school district located in a county of less than 70,000 and more than 50,000 inhabitants, which has an average daily attendance of less than 1,500 and an equalized assessed valuation of less than $29,000,000.

(h) Notwithstanding any other provisions of this Section or the provisions of any other law, until January 1, 1998, a community unit school district maintaining grades K through 12 may issue bonds up to an amount, including existing indebtedness, not exceeding 27.6% of the equalized assessed value of the taxable property in the district, if all of the following conditions are met:

Such tax shall be levied and collected in like manner as all other taxes of school districts, subject to the provisions contained in this Section.

(i) The tax rate limit specified in this Section may be increased to .10% upon the approval of a proposition to effect such increase by a majority of the electors voting on that proposition at a regular scheduled election. Such proposition may be initiated by resolution of the school board and shall be certified by the secretary to the proper election authorities for submission in accordance with the general election law.

\( n \) In order to authorize and issue such bonds, the school board shall adopt a resolution fixing the amount of bonds, the date thereof, the maturities thereof, rates of interest thereof, place of payment and denomination, which shall be in denominations of not less than $100 and not more than $5,000, and provide for the levy and collection of a direct annual tax upon all the taxable property in the school district sufficient to pay the principal and interest on such bonds to maturity. Upon the filing in the office of the county clerk of the county in which the school district is located of a certified copy of the resolution, it is the duty of the county clerk to extend the tax therefor in addition to and in excess of all other taxes heretofore or hereafter authorized to be levied by such school district.

\( o \) After the time such bonds are issued as provided for by this Section, if additional alterations or reconstructions are required to be made because of surveys conducted by an architect or engineer licensed in the State of Illinois, the district may levy a tax at a rate not to exceed .05% per year upon all the taxable property of the district or issue additional bonds, whichever action shall be the most feasible.

those from the common school fund, less offsetting revenues from federal sources except those from federal impaction aid, less student and community service revenues, plus a depreciation allowance; and dividing such total by the average daily attendance for the year.

Annually on or before June 30 the superintendent of the district shall certify to the regional superintendent upon forms prepared by the State Superintendent of Education the following:

1. The name of the home and of the organization or association maintaining it; or the legal description of the real estate upon which the house, housing units, or housing accommodations are located and that no taxes or service charges or other payments authorized by law to be made in lieu of taxes were collected therefrom or on account thereof during either of the calendar years included in the school year for which claim is being made;

2. The number of children from the home or living in such houses, housing units or housing accommodations and attending the schools of the district;

3. The total number of children attending the schools of the district;

4. The per capita tuition charge of the district; and

5. The computed amount of the tuition payment claimed as due.

Whenever the persons in charge of such home for orphans, dependent, abandoned or maladjusted children have received from the parent or guardian of any such child or by virtue of an order of court a specific allowance for educating such child, such persons shall pay to the school board in the district where the child attends school such amount of the allowance as is necessary to pay the tuition required by such district for the education of the child. If the allowance is insufficient to pay the tuition in full the State Superintendent of Education shall direct the Comptroller to pay to the district the difference between the total tuition charged and the amount of the allowance.

Whenever the facilities of a school district in which such house, housing units or housing accommodations are located, are limited, pupils may be assigned by that district to the schools of any adjacent district to the limit of the facilities of the adjacent district to properly educate such pupils as shall be determined by the school board of the adjacent district, and the State Superintendent of Education shall direct the Comptroller to pay a specified amount sufficient to pay the annual tuition of the children.

so assigned to and attending public schools in the adjacent districts and the Comptroller shall draw his warrant upon the State Treasurer for the payment of such amount for the benefit of the adjacent school districts in the same manner as for districts in which the houses, housing units or housing accommodations are located.

The school district shall certify to the State Superintendent of Education the report of claims due for such tuition payments on or before July 15. Failure on the part of the school board to certify its claim on July 31 shall constitute a forfeiture by the district of its right to the payment of any such tuition claim for the school year. The State Superintendent of Education shall direct the Comptroller to pay to the district, on or before August 15, the amount due the district for the school year in accordance with the calculation of the claim as set forth in this Section.

*Summer session costs shall be reimbursed based on the actual expenditures for providing these services. On or before November 1 of each year, the superintendent of each eligible school district shall certify to the State Superintendent of Education the claim of the district for the summer session following the regular school year just ended. The State Superintendent of Education shall transmit to the Comptroller no later than December 15th of each year vouchers for payment of amounts due to school districts for summer session.*

Claims for tuition for children from any home for orphans or dependent, abandoned, or maladjusted children beginning with the 1993-1994 school year shall be paid on a current year basis. On September 30, December 31, and March 31, the State Board of Education shall voucher payments for districts with those students based on an estimated cost calculated from the prior year's claim. Final claims for those students for the regular school term and summer term must be received at the State Board of Education by July 15 following the end of the regular school year. Final claims for those students shall be voucherized by August 15. During fiscal year 1994 both the 1992-1993 school year and the 1993-1994 school year shall be paid in order to change the cycle of payment from a reimbursement basis to a current year funding basis of payment. However, notwithstanding any other provisions of this Section or the School Code, beginning with fiscal year 1994 and each fiscal year thereafter, if the amount appropriated for any fiscal year is less than the amount required for purposes of this Section, the amount required to eliminate any insufficient reimbursement for each district claim under this

Section shall be reimbursed on August 30 of the next fiscal year. Payments required to eliminate any insufficiency for prior fiscal year claims shall be made before any claims are paid for the current fiscal year.

If a school district makes a claim for reimbursement under Section 18-4 or 14-7.03 it shall not include in any claim filed under this Section children residing on the property of State institutions included in its claim under Section 18-4 or 14-7.03.

Any child who is not a resident of Illinois who is placed in a child welfare institution, private facility, State operated program, orphanage or children's home shall have the payment for his educational tuition and any related services assured by the placing agent.

In order to provide services appropriate to allow a student under the legal guardianship or custodianship of the State to participate in local school district educational programs, costs may be incurred in appropriate cases by the district that are in excess of 1.2 times the district per capita tuition charge allowed under the provisions of this Section. In the event such excess costs are incurred, they must be documented in accordance with cost rules established under the authority of this Section and may then be claimed for reimbursement under this Section.

Planned services for students eligible for this funding must be a collaborative effort between the appropriate State agency or the student's group home or institution and the local school district.

Holders of Initial Certificates issued on or after September 1, 2007 must complete an approved 2-year induction and mentoring program. The plan must describe the role of mentor teachers, the criteria and process for their selection, and how all the following components are to be provided:

(i) Assignment of a formally trained mentor teacher to each new teacher for a specified period of time, which shall be established by the employing school or school district, provided that a mentor teacher may not directly or indirectly participate in the evaluation of a new teacher pursuant to Article 24A of this Code or the evaluation procedure of the school.

Furthermore, if a certificate holder is employed and performs teaching services on a part-time basis for all or a portion of the certificate's 5-year period of validity, the number of continuing professional development units needed to renew the certificate as Valid and Active shall be reduced by 50% for the amount of time the certificate holder has been employed and performed teaching services on a part-time basis.

Any additional teacher and non-administrative certificated educational employee members shall be selected by their exclusive representative, if any. Vacancies in positions on a regional professional development review committee shall be filled in the same manner as the original selections. Committee members shall serve staggered 3-year terms. All individuals selected to serve on regional professional development review committees must be known to demonstrate the best practices in teaching or their respective field of practice.

(h)(1) The State Teacher Certification Board shall review the regional superintendent of schools' recommendations to renew or nonrenew Standard Teaching Certificates and notify certificate holders in writing whether their certificates have been renewed or nonrenewed within 90 days of receipt of the recommendations, unless a certificate holder has appealed a regional superintendent of schools' recommendation of nonrenewal, as provided in paragraph (2) of this subsection (h). (2) Each certificate holder shall have the right to appeal a regional superintendent of school's recommendation to nonrenew his or her Standard Teaching Certificate to the State Teacher Certification Board, within 14 days of receipt of notice that the decision has been sent to the State Teacher Certification Board, which shall hold an appeal hearing within 60 days of receipt of the appeal. When such an appeal is taken, the certificate holder's Standard Teaching Certificate shall continue to be valid until the appeal is finally determined. The State Teacher Certification Board shall review the regional superintendent of school's recommendation, the regional professional development review committee's recommendation, if any, and the local professional development committee's recommendation, if any, and all relevant documentation to verify whether the certificate holder has met the renewal criteria set forth in paragraph (1) of subsection (g) of this Section. Subject to rules and regulations of the State Board of Education, the district may charge a reasonable fee, not to exceed $50, to students who participate in the course, unless a student is unable to pay for such a course, in which event the fee for such a student shall be waived. The total amount from driver education fees and reimbursement from the State for driver education must not exceed the total cost of the driver education program in any year and must be deposited into the school district's driver education fund as a separate line item budget entry. Section 5. The Mental Health and Developmental Disabilities Code is amended by changing Sections 3-503 and 3-504 as follows:
(405 ILCS 5/3-503) (from Ch. 91 1/2, par. 3-503)
Sec. 3-503. Admission on application of parent or guardian.
  (a) Any minor may be admitted to a mental health facility for inpatient treatment upon application to the facility director, if the facility director finds that the minor has a mental illness or emotional disturbance of such severity that hospitalization is necessary and that the minor is likely to benefit from inpatient treatment. Except in cases of admission under Section 3-504, prior to admission, a psychiatrist, clinical social worker, clinical professional counselor, or clinical psychologist who has personally examined the minor shall state in writing that the minor meets the standard for admission. The statement shall set forth in detail the reasons for that conclusion and shall indicate what alternatives to hospitalization have been explored.
  
  (b) The application may be executed by a parent or guardian or, in the absence of a parent or guardian, by a person in loco parentis. Application may be made for a minor who is a ward of the State by the Department of Children and Family Services or by the Department of Corrections.
(Source: P.A. 91-726, eff. 6-2-00.)
(405 ILCS 5/3-504) (from Ch. 91 1/2, par. 3-504)
Sec. 3-504. Minors; emergency admissions.
  (a) A minor who is eligible for admission under Section 3-503 and who is in a condition that immediate hospitalization is necessary may be
admitted upon the application of a parent or guardian, or person in loco parentis, or of an interested person 18 years of age or older when, after diligent effort, the minor's parent, guardian or person in loco parentis cannot be located or refuses to consent to admission. Following admission of the minor, the facility director of the mental health facility shall continue efforts to locate the minor's parent, guardian or person in loco parentis. If that person is located and consents in writing to the admission, the minor may continue to be hospitalized. However, upon notification of the admission, the parent, guardian or person in loco parentis may request the minor's discharge subject to the provisions of Section 3-508.

(b) A peace officer may take a minor into custody and transport the minor to a mental health facility when, as a result of his personal observation, the peace officer has reasonable grounds to believe that the minor is eligible for admission under Section 3-503 and is in a condition that immediate hospitalization is necessary in order to protect the minor or others from physical harm. Upon arrival at the facility, the peace officer shall complete an application under Section 3-503 and shall further include a detailed statement of the reason for the assertion that immediate hospitalization is necessary, including a description of any acts or significant threats supporting the assertion, the time and place of the occurrence of those acts or threats, and the names, addresses and telephone numbers of other witnesses of those acts or threats.

(c) If no parent, guardian or person in loco parentis can be found within 3 days, excluding Saturdays, Sundays or holidays, after the admission of a minor, or if that person refuses either to consent to admission of the minor or to request his discharge, a petition shall be filed under the Juvenile Court Act of 1987 to ensure that appropriate guardianship is provided.

(d) If, however, a court finds, based on the evaluation by a psychiatrist, licensed clinical social worker, licensed clinical professional counselor, or licensed clinical psychologist or the testimony or other information offered by a parent, guardian, person acting in loco parentis or other interested adults, that it is necessary in order to complete an examination of a minor, the court may order that the minor be admitted to a mental health facility pending examination and may order a peace officer or other person to transport the minor to the facility.

(e) If a parent, guardian, or person acting in loco parentis is unable to transport a minor to a mental health facility for examination, the parent, guardian, or person acting in loco parentis may petition the court to
compel a peace officer to take the minor into custody and transport the minor to a mental health facility for examination. The court may grant the order if the court finds, based on the evaluation by a psychiatrist, licensed clinical social worker, licensed clinical professional counselor, or licensed clinical psychologist or the testimony of a parent, guardian, or person acting in loco parentis that the examination is necessary and that the assistance of a peace officer is required to effectuate admission of the minor to a mental health facility.

(f) Within 24 hours after admission under this Section, a psychiatrist or clinical psychologist who has personally examined the minor shall certify in writing that the minor meets the standard for admission. If no certificate is furnished, the minor shall be discharged immediately.

Section 5. The Illinois Municipal Code is amended by changing Sections 11-10-1 and 11-10-2 as follows:

(65 ILCS 5/11-10-1) (from Ch. 24, par. 11-10-1)
Sec. 11-10-1. In each municipality or fire protection district, whether incorporated under a general or special law, which has a fire department established and maintained by municipal or fire protection district ordinances, every corporation, company, and association which is not incorporated under the laws of this state and which is engaged in effecting fire insurance in the municipality or fire protection district, shall pay to the foreign fire insurance board treasurer of the municipality or to the secretary of the fire protection district for the maintenance, use, and benefit of the fire department thereof, a sum not exceeding 2% of the gross receipts received from fire insurance upon property situated within the municipality or district.

Each municipality and fire protection district may prescribe by ordinance the rate of the tax or license fee to be paid, but this rate shall not exceed the rate specified in this section. Each designated corporation, company, and association shall pay at the rate so prescribed, upon the amount of all premiums which have been received during the year ending on every first day of July for all fire insurance effected or agreed to be effected on property situated within the municipality or fire protection district, by that corporation, company, or association respectively.

Every person who acts in any specified municipality or fire protection district as agent, or otherwise, on behalf of a designated corporation, company, or association, shall render to the treasurer of the foreign fire insurance board municipal comptroller, if there is one, or if not to the municipal clerk or secretary of the fire protection district, on or before the fifteenth day of July of each year, a full and true account,

He shall specify in this report the amounts received for fire insurance, and he shall pay to the treasurer of the foreign fire insurance board municipality, or to the secretary of the fire protection district, at the time of rendering this report, the amount as determined by the rate fixed by the ordinance of the municipality or fire protection district for which his corporation, company, or association is accountable under this section and the ordinance.

If this account is not rendered on or before the fifteenth day of July of each year, or if the sum due remains unpaid after that day, it shall be unlawful for any corporation, company, or association, so in default, to transact any business in the municipality or fire protection district until the sum due has been fully paid. But this provision shall not relieve any corporation, company, or association from the payment of any loss upon any risk that may be taken in violation of this requirement.

The amount of this tax or license fee may be recovered from the corporation, company, or association which owes it, or from its agent, by an action in the name and for the use of the municipality or fire protection district as for money had and received.

The municipal comptroller, if any, and if not, then the municipal clerk or the secretary of the fire protection district, may examine the books, records, and other papers and documents of a designated agent, corporation, company, or association for the purpose of verifying the correctness of the report of the amounts received for fire insurance.

This section shall not be applicable to receipts from contracts of marine insurance, even though they include insurance against fire, where the premium for the fire insurance is not separately specified.

PUBLIC ACT 95-0811
(House Bill No. 4309)

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 18-12 as follows:

(105 ILCS 5/18-12) (from Ch. 122, par. 18-12)

Sec. 18-12. Dates for filing State aid claims. The school board of each school district shall require teachers, principals, or superintendents to furnish from records kept by them such data as it needs in preparing and certifying to the regional superintendent its school district report of claims provided in Sections 18-8.05 through 18-9 as required by the State Superintendent of Education. The district claim shall be based on the latest available equalized assessed valuation and tax rates, as provided in Section 18-8.05 and shall use the average daily attendance as determined by the method outlined in Section 18-8.05 and shall be certified and filed with the regional superintendent by June 21 for districts with an official school calendar end date before June 15 or within 2 weeks following the official school calendar end date for districts with a school year end date of June

15 or later. The regional superintendent shall certify and file with the State Superintendent of Education district State aid claims by July 1 for districts with an official school calendar end date before June 15 or no later than July 15 for districts with an official school calendar end date of June 15 or later. Failure to so file by these deadlines constitutes a forfeiture of the right to receive payment by the State until such claim is filed and vouchered for payment. The regional superintendent of schools shall certify the county report of claims by July 15; and the State Superintendent of Education shall voucher for payment those claims to the State Comptroller as provided in Section 18-11.

Except as otherwise provided in this Section, if any school district fails to provide the minimum school term specified in Section 10-19, the State aid claim for that year shall be reduced by the State Superintendent of Education in an amount equivalent to 0.56818% for each day less than the number of days required by this Code.

If the State Superintendent of Education determines that the failure to provide the minimum school term was occasioned by an act or acts of God, or was occasioned by conditions beyond the control of the school district which posed a hazardous threat to the health and safety of pupils, the State aid claim need not be reduced.

If the State Superintendent of Education determines that the failure to provide the minimum school term was due to a school being closed on or after September 11, 2001 for more than one-half day of attendance due to a bioterrorism or terrorism threat that was investigated by a law enforcement agency, the State aid claim shall not be reduced.

If, during any school day, (i) a school district has provided at least one clock hour of instruction but must close the schools due to adverse weather conditions or due to a condition beyond the control of the school district that poses a hazardous threat to the health and safety of pupils prior to providing the minimum hours of instruction required for a full day of attendance, (ii) the school district must delay the start of the school day due to adverse weather conditions and this delay prevents the district from providing the minimum hours of instruction required for a full day of attendance, or (iii) a school district has provided at least one clock hour of instruction but must dismiss students from one or more recognized school buildings due to a condition beyond the control of the school district, the partial day of attendance may be counted as a full day of attendance. If a school district closes one or more recognized school buildings due to a condition beyond the control of the district prior to providing any

instruction, then the district may claim a full day of attendance for a maximum of 2 school days based on the average of the 3 prior school days of attendance immediately preceding the closure of the school building. The partial or no day of attendance and the reasons therefor shall be certified in writing within a month of the closing or delayed start by the local school district superintendent to the Regional Superintendent of Schools for forwarding to the State Superintendent of Education for approval.

If a school building is ordered to be closed by the school board, in consultation with a local emergency response agency, due to a condition that poses a hazardous threat to the health and safety of pupils, then the school district shall have a grace period of 4 days in which the general State aid claim shall not be reduced so that alternative housing of the pupils may be located.

No exception to the requirement of providing a minimum school term may be approved by the State Superintendent of Education pursuant to this Section unless a school district has first used all emergency days provided for in its regular calendar.

If the State Superintendent of Education declares that an energy shortage exists during any part of the school year for the State or a designated portion of the State, a district may operate the school attendance centers within the district 4 days of the week during the time of the shortage by extending each existing school day by one clock hour of school work, and the State aid claim shall not be reduced, nor shall the employees of that district suffer any reduction in salary or benefits as a result thereof. A district may operate all attendance centers on this revised schedule, or may apply the schedule to selected attendance centers, taking into consideration such factors as pupil transportation schedules and patterns and sources of energy for individual attendance centers.

No State aid claim may be filed for any district unless the district superintendent executes and files with the State Superintendent of Education, in the method prescribed by the Superintendent, certification that the district has complied with the requirements of Section 10-22.5 in regard to the nonsegregation of pupils on account of color, creed, race, sex or nationality.

or assigning personnel have complied with Section 24-4 in all respects.

Electronically submitted State aid claims shall be submitted by

respects.

PUBLIC ACT 95-0812
(House Bill No. 4603)

AN ACT concerning public employee benefits.
Be it enacted by the People of the State of Illinois, represented in
the General Assembly:

Section 5. The Illinois Pension Code is amended by changing
Sections 3-110 and 7-139 as follows:

(40 ILCS 5/3-110) (from Ch. 108 1/2, par. 3-110)
Sec. 3-110. Creditable service.
(a) "Creditable service" is the time served by a police officer as a
member of a regularly constituted police force of a municipality. In
computing creditable service furloughs without pay exceeding 30 days
shall not be counted, but all leaves of absence for illness or accident,
regardless of length, and all periods of disability retirement for which a
police officer has received no disability pension payments under this
Article shall be counted.

(a-5) Up to 3 years of time during which the police officer receives
a disability pension under Section 3-114.1, 3-114.2, 3-114.3, or 3-114.6
shall be counted as creditable service, provided that (i) the police officer
returns to active service after the disability for a period at least equal to the
period for which credit is to be established and (ii) the police officer
makes contributions to the fund based on the rates specified in Section 3-
125.1 and the salary upon which the disability pension is based. These

contributions may be paid at any time prior to the commencement of a retirement pension. The police officer may, but need not, elect to have the contributions deducted from the disability pension or to pay them in installments on a schedule approved by the board. If not deducted from the disability pension, the contributions shall include interest at the rate of 6% per year, compounded annually, from the date for which service credit is being established to the date of payment. If contributions are paid under this subsection (a-5) in excess of those needed to establish the credit, the excess shall be refunded. This subsection (a-5) applies to persons receiving a disability pension under Section 3-114.1, 3-114.2, 3-114.3, or 3-114.6 on the effective date of this amendatory Act of the 91st General Assembly, as well as persons who begin to receive such a disability pension after that date.

(b) Creditable service includes all periods of service in the military, naval or air forces of the United States entered upon while an active police officer of a municipality, provided that upon applying for a permanent pension, and in accordance with the rules of the board, the police officer pays into the fund the amount the officer would have contributed if he or she had been a regular contributor during such period, to the extent that the municipality which the police officer served has not made such contributions in the officer's behalf. The total amount of such creditable service shall not exceed 5 years, except that any police officer who on July 1, 1973 had more than 5 years of such creditable service shall receive the total amount thereof.

(c) Creditable service also includes service rendered by a police officer while on leave of absence from a police department to serve as an executive of an organization whose membership consists of members of a police department, subject to the following conditions: (i) the police officer is a participant of a fund established under this Article with at least 10 years of service as a police officer; (ii) the police officer received no credit for such service under any other retirement system, pension fund, or annuity and benefit fund included in this Code; (iii) pursuant to the rules of the board the police officer pays to the fund the amount he or she would have contributed had the officer been an active member of the police department; and (iv) the organization pays a contribution equal to the municipality's normal cost for that period of service.

(d)(1) Creditable service also includes periods of service originally established in another police pension fund under this Article or in the Fund established under Article 7 of this Code for

which (i) the contributions have been transferred under Section 3-110.7 or Section 7-139.9 and (ii) any additional contribution required under paragraph (2) of this subsection has been paid in full in accordance with the requirements of this subsection (d).

(2) If the board of the pension fund to which creditable service and related contributions are transferred under Section 3-110.7 or 7-139.9 determines that the amount transferred is less than the true cost to the pension fund of allowing that creditable service to be established, then in order to establish that creditable service the police officer must pay to the pension fund, within the payment period specified in paragraph (3) of this subsection, an additional contribution equal to the difference, as determined by the board in accordance with the rules and procedures adopted under paragraph (6) of this subsection.

(3) Except as provided in paragraph (4), the additional contribution must be paid to the board (i) within 5 years from the date of the transfer of contributions under Section 3-110.7 or 7-139.9 and (ii) before the police officer terminates service with the fund. The additional contribution may be paid in a lump sum or in accordance with a schedule of installment payments authorized by the board.

(4) If the police officer dies in service before payment in full has been made and before the expiration of the 5-year payment period, the surviving spouse of the officer may elect to pay the unpaid amount on the officer's behalf within 6 months after the date of death, in which case the creditable service shall be granted as though the deceased police officer had paid the remaining balance on the day before the date of death.

(5) If the additional contribution is not paid in full within the required time, the creditable service shall not be granted and the police officer (or the officer's surviving spouse or estate) shall be entitled to receive a refund of (i) any partial payment of the additional contribution that has been made by the police officer and (ii) those portions of the amounts transferred under subdivision (a)(1) of Section 3-110.7 or subdivisions (a)(1) and (a)(3) of Section 7-139.9 that represent employee contributions paid by the police officer (but not the accumulated interest on those contributions) and interest paid by the police officer to the prior

pension fund in order to reinstate service terminated by acceptance of a refund.

At the time of paying a refund under this item (5), the pension fund shall also repay to the pension fund from which the contributions were transferred under Section 3-110.7 or 7-139.9 the amount originally transferred under subdivision (a)(2) of that Section, plus interest at the rate of 6% per year, compounded annually, from the date of the original transfer to the date of repayment. Amounts repaid to the Article 7 fund under this provision shall be credited to the appropriate municipality.

Transferred credit that is not granted due to failure to pay the additional contribution within the required time is lost; it may not be transferred to another pension fund and may not be reinstated in the pension fund from which it was transferred.

(6) The Public Employee Pension Fund Division of the Department of Insurance shall establish by rule the manner of making the calculation required under paragraph (2) of this subsection, taking into account the appropriate actuarial assumptions; the police officer's service, age, and salary history; the level of funding of the pension fund to which the credits are being transferred; and any other factors that the Division determines to be relevant. The rules may require that all calculations made under paragraph (2) be reported to the Division by the board performing the calculation, together with documentation of the creditable service to be transferred, the amounts of contributions and interest to be transferred, the manner in which the calculation was performed, the numbers relied upon in making the calculation, the results of the calculation, and any other information the Division may deem useful.

(e)(1) Creditable service also includes periods of service originally established in the Fund established under Article 7 of this Code for which the contributions have been transferred under Section 7-139.11.

(2) If the board of the pension fund to which creditable service and related contributions are transferred under Section 7-139.11 determines that the amount transferred is less than the true cost to the pension fund of allowing that creditable service to be established, then the amount of creditable service the police officer may establish under this subsection (e) shall be reduced by an

amount equal to the difference, as determined by the board in accordance with the rules and procedures adopted under paragraph (3) of this subsection.

(3) The Public Pension Division of the Department of Financial and Professional Regulation shall establish by rule the manner of making the calculation required under paragraph (2) of this subsection, taking into account the appropriate actuarial assumptions; the police officer's service, age, and salary history; the level of funding of the pension fund to which the credits are being transferred; and any other factors that the Division determines to be relevant. The rules may require that all calculations made under paragraph (2) be reported to the Division by the board performing the calculation, together with documentation of the creditable service to be transferred, the amounts of contributions and interest to be transferred, the manner in which the calculation was performed, the numbers relied upon in making the calculation, the results of the calculation, and any other information the Division may deem useful.

(4) Until January 1, 2010, a police officer who transferred service from the Fund established under Article 7 of this Code under the provisions of Public Act 94-356 may establish additional credit, but only for the amount of the service credit reduction in that transfer, as calculated under paragraph (3) of this subsection (e). This credit may be established upon payment by the police officer of an amount to be determined by the board, equal to (1) the amount that would have been contributed as employee and employer contributions had all of the service been as an employee under this Article, plus interest thereon at the rate of 6% per year, compounded annually from the date of service to the date of transfer, less (2) the total amount transferred from the Article 7 Fund, plus (3) interest on the difference at the rate of 6% per year, compounded annually, from the date of the transfer to the date of payment. The additional service credit is allowed under this amendatory Act of the 95th General Assembly notwithstanding the provisions of Article 7 terminating all transferred credits on the date of transfer.

Sec. 7-139. Credits and creditable service to employees.

New matter indicated by italics - deletions by strikeout.
(a) Each participating employee shall be granted credits and creditable service, for purposes of determining the amount of any annuity or benefit to which he or a beneficiary is entitled, as follows:

1. For prior service: Each participating employee who is an employee of a participating municipality or participating instrumentality on the effective date shall be granted creditable service, but no credits under paragraph 2 of this subsection (a), for periods of prior service for which credit has not been received under any other pension fund or retirement system established under this Code, as follows:

   If the effective date of participation for the participating municipality or participating instrumentality is on or before January 1, 1998, creditable service shall be granted for the entire period of prior service with that employer without any employee contribution.

   If the effective date of participation for the participating municipality or participating instrumentality is after January 1, 1998, creditable service shall be granted for the last 20% of the period of prior service with that employer, but no more than 5 years, without any employee contribution. A participating employee may establish creditable service for the remainder of the period of prior service with that employer by making an application in writing, accompanied by payment of an employee contribution in an amount determined by the Fund, based on the employee contribution rates in effect at the time of application for the creditable service and the employee's salary rate on the effective date of participation for that employer, plus interest at the effective rate from the date of the prior service to the date of payment. Application for this creditable service may be made at any time while the employee is still in service.

   A municipality that (i) has at least 35 employees; (ii) is located in a county with at least 2,000,000 inhabitants; and (iii) maintains an independent defined benefit pension plan for the benefit of its eligible employees may restrict creditable service in whole or in part for periods of prior service with the employer if the governing body of the municipality adopts an irrevocable resolution to restrict that creditable service and files the resolution with the board before the municipality's effective date of participation.

New matter indicated by italics - deletions by strikeout.
Any person who has withdrawn from the service of a participating municipality or participating instrumentality prior to the effective date, who reenters the service of the same municipality or participating instrumentality after the effective date and becomes a participating employee is entitled to creditable service for prior service as otherwise provided in this subdivision (a)(1) only if he or she renders 2 years of service as a participating employee after the effective date. Application for such service must be made while in a participating status. The salary rate to be used in the calculation of the required employee contribution, if any, shall be the employee's salary rate at the time of first reentering service with the employer after the employer's effective date of participation.

2. For current service, each participating employee shall be credited with:

   a. Additional credits of amounts equal to each payment of additional contributions received from him under Section 7-173, as of the date the corresponding payment of earnings is payable to him.

   b. Normal credits of amounts equal to each payment of normal contributions received from him, as of the date the corresponding payment of earnings is payable to him, and normal contributions made for the purpose of establishing out-of-state service credits as permitted under the conditions set forth in paragraph 6 of this subsection (a).

   c. Municipality credits in an amount equal to 1.4 times the normal credits, except those established by out-of-state service credits, as of the date of computation of any benefit if these credits would increase the benefit.

   d. Survivor credits equal to each payment of survivor contributions received from the participating employee as of the date the corresponding payment of earnings is payable, and survivor contributions made for the purpose of establishing out-of-state service credits.

3. For periods of temporary and total and permanent disability benefits, each employee receiving disability benefits shall be granted creditable service for the period during which disability benefits are payable. Normal and survivor credits, based upon the

rate of earnings applied for disability benefits, shall also be granted if such credits would result in a higher benefit to any such employee or his beneficiary.

4. For authorized leave of absence without pay: A participating employee shall be granted credits and creditable service for periods of authorized leave of absence without pay under the following conditions:

   a. An application for credits and creditable service is submitted to the board while the employee is in a status of active employment, and within 2 years after termination of the leave of absence period for which credits and creditable service are sought.

   b. Not more than 12 complete months of creditable service for authorized leave of absence without pay shall be counted for purposes of determining any benefits payable under this Article.

   c. Credits and creditable service shall be granted for leave of absence only if such leave is approved by the governing body of the municipality, including approval of the estimated cost thereof to the municipality as determined by the fund, and employee contributions, plus interest at the effective rate applicable for each year from the end of the period of leave to date of payment, have been paid to the fund in accordance with Section 7-173. The contributions shall be computed upon the assumption earnings continued during the period of leave at the rate in effect when the leave began.

   d. Benefits under the provisions of Sections 7-141, 7-146, 7-150 and 7-163 shall become payable to employees on authorized leave of absence, or their designated beneficiary, only if such leave of absence is creditable hereunder, and if the employee has at least one year of creditable service other than the service granted for leave of absence. Any employee contributions due may be deducted from any benefits payable.

   e. No credits or creditable service shall be allowed for leave of absence without pay during any period of prior service.

New matter indicated by italics - deletions by strikeout.
5. For military service: The governing body of a municipality or participating instrumentality may elect to allow creditable service to participating employees who leave their employment to serve in the armed forces of the United States for all periods of such service, provided that the person returns to active employment within 90 days after completion of full time active duty, but no creditable service shall be allowed such person for any period that can be used in the computation of a pension or any other pay or benefit, other than pay for active duty, for service in any branch of the armed forces of the United States. If necessary to the computation of any benefit, the board shall establish municipality credits for participating employees under this paragraph on the assumption that the employee received earnings at the rate received at the time he left the employment to enter the armed forces. A participating employee in the armed forces shall not be considered an employee during such period of service and no additional death and no disability benefits are payable for death or disability during such period.

Any participating employee who left his employment with a municipality or participating instrumentality to serve in the armed forces of the United States and who again became a participating employee within 90 days after completion of full time active duty by entering the service of a different municipality or participating instrumentality, which has elected to allow creditable service for periods of military service under the preceding paragraph, shall also be allowed creditable service for his period of military service on the same terms that would apply if he had been employed, before entering military service, by the municipality or instrumentality which employed him after he left the military service and the employer costs arising in relation to such grant of creditable service shall be charged to and paid by that municipality or instrumentality.

Notwithstanding the foregoing, any participating employee shall be entitled to creditable service as required by any federal law relating to re-employment rights of persons who served in the United States Armed Services. Such creditable service shall be granted upon payment by the member of an amount equal to the employee contributions which would have been required had the

employee continued in service at the same rate of earnings during the military leave period, plus interest at the effective rate.

5.1. In addition to any creditable service established under paragraph 5 of this subsection (a), creditable service may be granted for up to 48 months of service in the armed forces of the United States.

In order to receive creditable service for military service under this paragraph 5.1, a participating employee must (1) apply to the Fund in writing and provide evidence of the military service that is satisfactory to the Board; (2) obtain the written approval of the current employer; and (3) make contributions to the Fund equal to (i) the employee contributions that would have been required had the service been rendered as a member, plus (ii) an amount determined by the board to be equal to the employer's normal cost of the benefits accrued for that military service, plus (iii) interest on items (i) and (ii) from the date of first membership in the Fund to the date of payment. The required interest shall be calculated at the regular interest rate.

The changes made to this paragraph 5.1 by Public Acts 95-483 and 95-486 apply only to participating employees in service on or after August 28, 2007 (the effective date of those Public Acts).

6. For out-of-state service: Creditable service shall be granted for service rendered to an out-of-state local governmental body under the following conditions: The employee had participated and has irrevocably forfeited all rights to benefits in the out-of-state public employees pension system; the governing body of his participating municipality or instrumentality authorizes the employee to establish such service; the employee has 2 years current service with this municipality or participating instrumentality; the employee makes a payment of contributions, which shall be computed at 8% (normal) plus 2% (survivor) times length of service purchased times the average rate of earnings for the first 2 years of service with the municipality or participating instrumentality whose governing body authorizes the service established plus interest at the effective rate on the date such credits are established, payable from the date the employee completes the required 2 years of current service to date of

payment. In no case shall more than 120 months of creditable service be granted under this provision.

7. For retroactive service: Any employee who could have but did not elect to become a participating employee, or who should have been a participant in the Municipal Public Utilities Annuity and Benefit Fund before that fund was superseded, may receive creditable service for the period of service not to exceed 50 months; however, a current or former elected or appointed official of a participating municipality may establish credit under this paragraph 7 for more than 50 months of service as an official of that municipality, if the excess over 50 months is approved by resolution of the governing body of the affected municipality filed with the Fund before January 1, 2002.

Any employee who is a participating employee on or after September 24, 1981 and who was excluded from participation by the age restrictions removed by Public Act 82-596 may receive creditable service for the period, on or after January 1, 1979, excluded by the age restriction and, in addition, if the governing body of the participating municipality or participating instrumentality elects to allow creditable service for all employees excluded by the age restriction prior to January 1, 1979, for service during the period prior to that date excluded by the age restriction. Any employee who was excluded from participation by the age restriction removed by Public Act 82-596 and who is not a participating employee on or after September 24, 1981 may receive creditable service for service after January 1, 1979. Creditable service under this paragraph shall be granted upon payment of the employee contributions which would have been required had he participated, with interest at the effective rate for each year from the end of the period of service established to date of payment.

8. For accumulated unused sick leave: A participating employee who is applying for a retirement annuity shall be entitled to creditable service for that portion of the employee’s accumulated unused sick leave for which payment is not received, as follows:

a. Sick leave days shall be limited to those accumulated under a sick leave plan established by a participating municipality or participating instrumentality which is available to all employees or a class of employees.

New matter indicated by italics - deletions by strikeout.
b. Only sick leave days accumulated with a participating municipality or participating instrumentality with which the employee was in service within 60 days of the effective date of his retirement annuity shall be credited; If the employee was in service with more than one employer during this period only the sick leave days with the employer with which the employee has the greatest number of unpaid sick leave days shall be considered.

c. The creditable service granted shall be considered solely for the purpose of computing the amount of the retirement annuity and shall not be used to establish any minimum service period required by any provision of the Illinois Pension Code, the effective date of the retirement annuity, or the final rate of earnings.

d. The creditable service shall be at the rate of 1/20 of a month for each full sick day, provided that no more than 12 months may be credited under this subdivision 8.

e. Employee contributions shall not be required for creditable service under this subdivision 8.

f. Each participating municipality and participating instrumentality with which an employee has service within 60 days of the effective date of his retirement annuity shall certify to the board the number of accumulated unpaid sick leave days credited to the employee at the time of termination of service.

9. For service transferred from another system: Credits and creditable service shall be granted for service under Article 3, 4, 5, 8, 14, or 16 of this Act, to any active member of this Fund, and to any inactive member who has been a county sheriff, upon transfer of such credits pursuant to Section 3-110.3, 4-108.3, 5-235, 8-226.7, 14-105.6, or 16-131.4, and payment by the member of the amount by which (1) the employer and employee contributions that would have been required if he had participated in this Fund as a sheriff's law enforcement employee during the period for which credit is being transferred, plus interest thereon at the effective rate for each year, compounded annually, from the date of termination of the service for which credit is being transferred to the date of payment, exceeds (2) the amount actually transferred to the Fund.

New matter indicated by Italics - deletions by strikeout.
Such transferred service shall be deemed to be service as a sheriff's law enforcement employee for the purposes of Section 7-142.1.

10. For service transferred from an Article 3 system under Section 3-110.8: Credits and creditable service shall be granted for service under Article 3 of this Act as provided in Section 3-110.8, to any active member of this Fund upon transfer of such credits pursuant to Section 3-110.8. If the amount by which (1) the employer and employee contributions that would have been required if he had participated in this Fund during the period for which credit is being transferred, plus interest thereon at the effective rate for each year, compounded annually, from the date of termination of the service for which credit is being transferred to the date of payment, exceeds (2) the amount actually transferred to the Fund, then the amount of creditable service established under this paragraph 10 shall be reduced by a corresponding amount in accordance with the rules and procedures established under this paragraph 10.

The board shall establish by rule the manner of making the calculation required under this paragraph 10, taking into account the appropriate actuarial assumptions; the member's service, age, and salary history; the level of funding of the employer; and any other factors that the board determines to be relevant.

Until January 1, 2010, members who transferred service from an Article 3 system under the provisions of Public Act 94-356 may establish additional credit in this Fund, but only up to the amount of the service credit reduction in that transfer, as calculated under the actuarial assumptions. This credit may be established upon payment by the member of an amount to be determined by the board, equal to (1) the amount that would have been contributed as employee and employer contributions had all the service been as an employee under this Article, plus interest thereon compounded annually from the date of service to the date of transfer, less (2) the total amount transferred from the Article 3 system, plus (3) interest on the difference at the effective rate for each year, compounded annually, from the date of the transfer to the date of payment. The additional service credit is allowed under this amendatory Act of the 95th General Assembly notwithstanding the provisions of Article 3 terminating all transferred credits on the date of transfer.

(b) Creditable service - amount:

1. One month of creditable service shall be allowed for each month for which a participating employee made contributions as required under Section 7-173, or for which creditable service is otherwise granted hereunder. Not more than 1 month of service shall be credited and counted for 1 calendar month, and not more than 1 year of service shall be credited and counted for any calendar year. A calendar month means a nominal month beginning on the first day thereof, and a calendar year means a year beginning January 1 and ending December 31.

2. A seasonal employee shall be given 12 months of creditable service if he renders the number of months of service normally required by the position in a 12-month period and he remains in service for the entire 12-month period. Otherwise a fractional year of service in the number of months of service rendered shall be credited.

3. An intermittent employee shall be given creditable service for only those months in which a contribution is made under Section 7-173.

(c) No application for correction of credits or creditable service shall be considered unless the board receives an application for correction while (1) the applicant is a participating employee and in active employment with a participating municipality or instrumentality, or (2) while the applicant is actively participating in a pension fund or retirement system which is a participating system under the Retirement Systems Reciprocal Act. A participating employee or other applicant shall not be entitled to credits or creditable service unless the required employee contributions are made in a lump sum or in installments made in accordance with board rule.

(d) Upon the granting of a retirement, surviving spouse or child annuity, a death benefit or a separation benefit, on account of any employee, all individual accumulated credits shall thereupon terminate. Upon the withdrawal of additional contributions, the credits applicable thereto shall thereupon terminate. Terminated credits shall not be applied to increase the benefits any remaining employee would otherwise receive under this Article.

(14) "equipment housing" means a combination of one or more equipment buildings or enclosures housing equipment that operates in conjunction with the antennas of a facility, and the equipment itself;

(15) "height" of a facility means the total height of the facility's supporting structure and any antennas that will extend above the top of the supporting structure; however, if the supporting structure's foundation extends more than 3 feet above the uppermost ground level along the perimeter of the foundation, then each full foot in excess of 3 feet shall be counted as an additional foot of facility height. The height of a facility's supporting structure is to be measured from the highest point of the supporting structure's foundation;

(16) "facility lot" means the zoning lot on which a facility is or will be located;

(17) "principal residential building" has its common meaning but shall not include any building under the same ownership as the land of the facility lot. "Principal residential building" shall not include any structure that is not designed for human habitation;

540 kHz to 1700 kHz band for public reception authorized by the FCC.

(d) In choosing a location for a facility, a telecommunications carrier or AM broadcast station shall consider the following:

(1) A non-residentially zoned lot is the most desirable location.

(2) A residentially zoned lot that is not used for residential purposes is the second most desirable location.

(3) A residentially zoned lot that is 2 acres or more in size and is used for residential purposes is the third most desirable location.

(4) A residentially zoned lot that is less than 2 acres in size and is used for residential purposes is the least desirable location.

The size of a lot shall be the lot's gross area in square feet without deduction of any unbuildable or unusable land, any roadway, or any other easement.

(e) In designing a facility, a telecommunications carrier or AM broadcast station shall consider the following guidelines:

(1) No building or tower that is part of a facility should encroach onto any recorded easement prohibiting the encroachment unless the grantees of the easement have given their approval.

(2) Lighting should be installed for security and safety purposes only. Except with respect to lighting required by the FCC or FAA, all lighting should be shielded so that no glare extends substantially beyond the boundaries of a facility.

(3) No facility should encroach onto an existing septic field.

(4) Any facility located in a special flood hazard area or wetland should meet the legal requirements for those lands.

Tree diameter shall be measured at a point 3 feet above ground level.

(6) If any elevation of a facility faces an existing, adjoining residential use within a residential zoning district, low maintenance landscaping should be provided on or near the facility lot to provide at least partial screening of the facility. The quantity and type of that landscaping should be in accordance with any county

landscaping regulations of general applicability, except that paragraph (5) of this subsection (e) shall control over any tree-related regulations imposing a greater burden.

(7) Fencing should be installed around a facility. The height and materials of the fencing should be in accordance with any county fence regulations of general applicability.

(8) Any building that is part of a facility located adjacent to a residually zoned lot should be designed with exterior materials and colors that are reasonably compatible with the residential character of the area.

(f) The following provisions shall apply to all facilities established in any county jurisdiction area (i) after the effective date of the amending Act of 1997 with respect to telecommunications carriers and (ii) after the effective date of this amending Act of the 94th General Assembly with respect to AM broadcast stations:

(1) Except as provided in this Section, no yard or setback regulations shall apply to or be required for a facility.

(2) A facility may be located on the same zoning lot as one or more other structures or uses without violating any ordinance or regulation that prohibits or limits multiple structures, buildings, or uses on a zoning lot.

(3) No minimum lot area, width, or depth shall be required for a facility, and unless the facility is to be manned on a regular, daily basis, no off-street parking spaces shall be required for a facility. If the facility is to be manned on a regular, daily basis, one off-street parking space shall be provided for each employee regularly at the facility. No loading facilities are required.

(4) No portion of a facility's supporting structure or equipment housing shall be less than 15 feet from the front lot line of the facility lot or less than 10 feet from any other lot line.

(5) No bulk regulations or lot coverage, building coverage, or floor area ratio limitations shall be applied to a facility or to any existing use or structure coincident with the establishment of a facility. Except as provided in this Section, no height limits or restrictions shall apply to a facility.

(6) A county's review of a building permit application for a facility shall be completed within 30 days. If a decision of the county board is required to permit the establishment of a facility,
the county's review of the application shall be simultaneous with the process leading to the county board's decision.

(7) The improvements and equipment comprising the facility may be wholly or partly freestanding or wholly or partly attached to, enclosed in, or installed in or on a structure or structures.

(8) Any public hearing authorized under this Section shall be conducted in a manner determined by the county board. Notice of any such public hearing shall be published at least 15 days before the hearing in a newspaper of general circulation published in the county. Notice of any such public hearing shall also be sent by certified mail at least 15 days prior to the hearing to the owners of record of all residential property that is adjacent to the lot upon which the facility is proposed to be sited.

(9) Any decision regarding a facility by the county board or a county agency or official shall be supported by written findings of fact. The circuit court shall have jurisdiction to review the reasonableness of any adverse decision and the plaintiff shall bear the burden of proof, but there shall be no presumption of the validity of the decision.

(g) The following provisions shall apply to all facilities established after the effective date of this amendatory Act of 1997 with respect to telecommunications carriers and (ii) after the effective date of this amendatory Act of the 94th General Assembly with respect to AM broadcast stations in the county jurisdiction area of any county with a population of less than 180,000:

(1) A facility is permitted if its supporting structure is a qualifying structure or if both of the following conditions are met:
   (A) the height of the facility shall not exceed 200 feet, except that if a facility is located more than one and one-half miles from the corporate limits of any municipality with a population of 25,000 or more the height of the facility shall not exceed 350 feet; and
   (B) the horizontal separation distance to the nearest principal residential building shall not be less than the height of the supporting structure; except that if the supporting structure exceeds 99 feet in height, the horizontal separation distance to the nearest principal residential building shall be at least 100 feet or 80% of the

height of the supporting structure, whichever is greater. Compliance with this paragraph shall only be evaluated as of the time that a building permit application for the facility is submitted. If the supporting structure is not an antenna tower this paragraph is satisfied.

(2) Unless a facility is permitted under paragraph (1) of this subsection (g), a facility can be established only after the county board gives its approval following consideration of the provisions of paragraph (3) of this subsection (g). The county board may give its approval after one public hearing on the proposal, but only by the favorable vote of a majority of the members present at a meeting held no later than 75 days after submission of a complete application by the telecommunication carrier. If the county board fails to act on the application within 75 days after its submission, the application shall be deemed to have been approved. No more than one public hearing shall be required.

(3) For purposes of paragraph (2) of this subsection (g), the following siting considerations, but no other matter, shall be considered by the county board or any other body conducting the public hearing:

(A) the criteria in subsection (d) of this Section;

(B) whether a substantial adverse effect on public safety will result from some aspect of the facility's design or proposed construction, but only if that aspect of design or construction is modifiable by the applicant;

(C) the benefits to be derived by the users of the services to be provided or enhanced by the facility and whether public safety and emergency response capabilities would benefit by the establishment of the facility;

(D) the existing uses on adjacent and nearby properties; and

(E) the extent to which the design of the proposed facility reflects compliance with subsection (e) of this Section.

(4) On judicial review of an adverse decision, the issue shall be the reasonableness of the county board's decision in light of the evidence presented on the siting considerations and the well-reasoned recommendations of any other body that conducts the public hearing.

(h) The following provisions shall apply to all facilities established after the effective date of this amendatory Act of 1997 in the county jurisdiction area of any county with a population of 180,000 or more. A facility is permitted in any zoning district subject to the following:

(1) A facility shall not be located on a lot under paragraph (4) of subsection (d) unless a variation is granted by the county board under paragraph (4) of this subsection (h).

(2) Unless a height variation is granted by the county board, the height of a facility shall not exceed 75 feet if the facility will be located in a residential zoning district or 200 feet if the facility will be located in a non-residential zoning district. However, the height of a facility may exceed the height limit in this paragraph, and no height variation shall be required, if the supporting structure is a qualifying structure.

(3) The improvements and equipment of the facility shall be placed to comply with the requirements of this paragraph at the time a building permit application for the facility is submitted. If the supporting structure is an antenna tower other than a qualifying structure then (i) if the facility will be located in a residential zoning district the lot line set back distance to the nearest residentially zoned lot shall be at least 50% of the height of the facility’s supporting structure or (ii) if the facility will be located in a non-residential zoning district the horizontal separation distance to the nearest principal residential building shall be at least equal to the height of the facility's supporting structure.

(4) The county board may grant variations for any of the regulations, conditions, and restrictions of this subsection (h), after one public hearing on the proposed variations, by a favorable vote of a majority of the members present at a meeting held no later than 75 days after submission of an application by the telecommunications carrier. If the county board fails to act on the application within 75 days after submission, the application shall be deemed to have been approved. In its consideration of an application for variations, the county board, and any other body conducting the public hearing, shall consider the following, and no other matters:

(A) whether, but for the granting of a variation, the service that the telecommunications carrier seeks to enhance or provide with the proposed facility will be less

available, impaired, or diminished in quality, quantity, or scope of coverage;

(B) whether the conditions upon which the application for variations is based are unique in some respect or, if not, whether the strict application of the regulations would result in a hardship on the telecommunications carrier;

(C) whether a substantial adverse effect on public safety will result from some aspect of the facility's design or proposed construction, but only if that aspect of design or construction is modifiable by the applicant;

(D) whether there are benefits to be derived by the users of the services to be provided or enhanced by the facility and whether public safety and emergency response capabilities would benefit by the establishment of the facility; and

(E) the extent to which the design of the proposed facility reflects compliance with subsection (e) of this Section

No more than one public hearing shall be required.

(5) On judicial review of an adverse decision, the issue shall be the reasonableness of the county board's decision in light of the evidence presented and the well-reasoned recommendations of any other body that conducted the public hearing.

(a) It is unlawful for a child sex offender to knowingly be present in any school building, on real property comprising any school, or in any conveyance owned, leased, or contracted by a school to transport students to or from school or a school related activity when persons under the age of 18 are present in the building, on the grounds or in the conveyance, unless the offender is a parent or guardian of a student attending the school and the parent or guardian is: (i) attending a conference at the school with school personnel to discuss the progress of his or her child academically or socially, (ii) participating in child review conferences in which evaluation and placement decisions may be made with respect to his or her child regarding special education services, or (iii) attending conferences to discuss other student issues concerning his or her child such as retention and promotion and notifies the principal of the school of his or her presence at the school or unless the offender has permission to be present from the superintendent or the school board or in the case of a private school from the principal. Department shall provide training to surveyors about the appropriate assessment, care planning, and care of persons with mental illness (other than Alzheimer's disease or related disorders) to enable its surveyors to determine whether a facility is complying with State and federal requirements about the assessment, care planning, and care of those persons.

(a-1) An employee of a State or unit of local government agency charged with inspecting, surveying, and evaluating facilities who directly or indirectly gives prior notice of an inspection, survey, or evaluation, other than an inspection of financial records, to a facility or to an employee of a facility is guilty of a Class A misdemeanor.

An inspector or an employee of the Department who intentionally prenotifies a facility, orally or in writing, of a pending complaint investigation or inspection shall be guilty of a Class A misdemeanor. Superiors of persons who have prenotified a facility shall be subject to the same penalties, if they have knowingly allowed the prenotification. A person found guilty of prenotifying a facility shall be subject to disciplinary action by his or her employer.

If the Department has a good faith belief, based upon information that comes to its attention, that a violation of this subsection has occurred, it must file a complaint with the Attorney General or the State's Attorney in the county where the violation took place within 30 days after discovery of the information.

(a-2) An employee of a State or unit of local government agency charged with inspecting, surveying, or evaluating facilities who willfully profits from violating the confidentiality of the inspection, survey, or evaluation process shall be guilty of a Class 4 felony and that conduct shall be deemed unprofessional conduct that may subject a person to loss of his or her professional license. An action to prosecute a person for violating this subsection (a-2) may be brought by either the Attorney General or the State's Attorney in the county where the violation took place.

(b) In determining whether to make more than the required number of unannounced inspections, surveys and evaluations of a facility the Department shall consider one or more of the following: previous inspection reports; the facility's history of compliance with standards, rules and regulations promulgated under this Act and correction of violations, penalties or other enforcement actions; the number and severity of complaints received about the facility; any allegations of resident abuse or

neglect; weather conditions; health emergencies; other reasonable belief that deficiencies exist.

(b-1) The Department shall not be required to determine whether a facility certified to participate in the Medicare program under Title XVIII of the Social Security Act, or the Medicaid program under Title XIX of the Social Security Act, and which the Department determines by inspection under this Section or under Section 3-702 of this Act to be in compliance with the certification requirements of Title XVIII or XIX, is in compliance with any requirement of this Act that is less stringent than or duplicates a federal certification requirement. In accordance with subsection (a) of this Section or subsection (d) of Section 3-702, the Department shall determine whether a certified facility is in compliance with requirements of this Act that exceed federal certification requirements. If a certified facility is found to be out of compliance with federal certification requirements, the results of an inspection conducted pursuant to Title XVIII or XIX of the Social Security Act may be used as the basis for enforcement remedies authorized and commenced under this Act. Enforcement of this Act against a certified facility shall be commenced pursuant to the requirements of this Act, unless enforcement remedies sought pursuant to Title XVIII or XIX of the Social Security Act exceed those authorized by this Act. As used in this subsection, "enforcement remedy" means a sanction for violating a federal certification requirement or this Act.

(c) Upon completion of each inspection, survey and evaluation, the appropriate Department personnel who conducted the inspection, survey or evaluation shall submit a copy of their report to the licensee upon exiting the facility, and shall submit the actual report to the appropriate regional office of the Department. Such report and any recommendations for action by the Department under this Act shall be transmitted to the appropriate offices of the associate director of the Department, together with related comments or documentation provided by the licensee which may refute findings in the report, which explain extenuating circumstances that the facility could not reasonably have prevented, or which indicate methods and timetables for correction of deficiencies described in the report. Without affecting the application of subsection (a) of Section 3-303, any documentation or comments of the licensee shall be provided within 10 days of receipt of the copy of the report. Such report shall recommend to the Director appropriate action under this Act with respect to findings against a facility. The Director shall then determine whether the report's findings constitute a violation or violations of which the facility must be
given notice. Such determination shall be based upon the severity of the finding, the danger posed to resident health and safety, the comments and documentation provided by the facility, the diligence and efforts to correct deficiencies, correction of the reported deficiencies, the frequency and duration of similar findings in previous reports and the facility's general inspection history. Violations shall be determined under this subsection no later than 60 days after completion of each inspection, survey and evaluation.

(d) The Department shall maintain all inspection, survey and evaluation reports for at least 5 years in a manner accessible to and understandable by the public.

(b) Hearing. Upon motion and notice in accordance with court rules applicable to motions generally, which motion shall not be made prior to sale, the court shall conduct a hearing to confirm the sale. Unless the court finds that (i) a notice required in accordance with subsection (c) of Section 15-1507 was not given, (ii) the terms of sale were unconscionable, (iii) the sale was conducted fraudulently or (iv) that justice was otherwise not done, the court shall then enter an order confirming the sale. The confirmation order may also:

(1) approve the mortgagee's fees and costs arising between the entry of the judgment of foreclosure and the confirmation hearing, those costs and fees to be allowable to the same extent as provided in the note and mortgage and in Section 15-1504;

(2) provide for a personal judgment against any party for a deficiency; and

(3) determine the priority of the judgments of parties who deferred proving the priority pursuant to subsection (h) of Section 15-1506, but the court shall not defer confirming the sale pending the determination of such priority.

(b-5) Notice with respect to residential real estate. With respect to residential real estate, the notice required under subsection (b) of this Section shall be sent to the mortgagor even if the mortgagor has previously been held in default. In the event the mortgagor has filed an appearance, the notice shall be sent to the address indicated on the appearance. In all other cases, the notice shall be sent to the mortgagor at the common address of the foreclosed property. The notice shall be sent by first class mail. Unless the right to possession has been previously terminated by the court, the notice shall include the following language in 12-point boldface capitalized type:

IF YOU ARE THE MORTGAGOR (HOMEOWNER), YOU HAVE THE RIGHT TO REMAIN IN POSSESSION FOR 30 DAYS AFTER ENTRY OF AN ORDER OF POSSESSION, IN ACCORDANCE WITH SECTION 15-1701(c) OF THE ILLINOIS MORTGAGE FORECLOSURE LAW.

(c) Failure to Give Notice. If any sale is held without compliance with subsection (c) of Section 15-1507 of this Article, any party entitled to the notice provided for in paragraph (3) of that subsection (c) who was not so notified may, by motion supported by affidavit made prior to confirmation of such sale, ask the court which entered the judgment to set aside the sale, provided that such party shall guarantee or secure by bond a bid equal to the successful bid at the prior sale. Any subsequent sale is subject to the same notice requirement as the original sale.

(d) Validity of Sale. Except as provided in subsection (c) of Section 15-1508, no sale under this Article shall be held invalid or be set aside because of any defect in the notice thereof or in the publication of the same, or in the proceedings of the officer conducting the sale, except upon good cause shown in a hearing pursuant to subsection (b) of Section 15-1508. At any time after a sale has occurred, any party entitled to notice under paragraph (3) of subsection (c) of Section 15-1507 may recover
from the mortgagee any damages caused by the mortgagee's failure to comply with such paragraph (3). Any party who recovers damages in a judicial proceeding brought under this subsection may also recover from the mortgagee the reasonable expenses of litigation, including reasonable attorney's fees.

(e) Deficiency Judgment. In any order confirming a sale pursuant to the judgment of foreclosure, the court shall also enter a personal judgment for deficiency against any party (i) if otherwise authorized and (ii) to the extent requested in the complaint and proven upon presentation of the report of sale in accordance with Section 15-1508. Except as otherwise provided in this Article, a judgment may be entered for any balance of money that may be found due to the plaintiff, over and above the proceeds of the sale or sales, and enforcement may be had for the collection of such balance, the same as when the judgment is solely for the payment of money. Such judgment may be entered, or enforcement had, only in cases where personal service has been had upon the persons personally liable for the mortgage indebtedness, unless they have entered their appearance in the foreclosure action.

(f) Satisfaction. Upon confirmation of the sale, the judgment stands satisfied to the extent of the sale price less expenses and costs. If the order confirming the sale includes a deficiency judgment, the judgment shall become a lien in the manner of any other judgment for the payment of money.

(g) The order confirming the sale shall include, notwithstanding any previous orders awarding possession during the pendency of the foreclosure, an award to the purchaser of possession of the mortgaged real estate, as of the date 30 days after the entry of the order, against the parties to the foreclosure whose interests have been terminated.

An order of possession authorizing the removal of a person from possession of the mortgaged real estate shall be entered and enforced only against those persons personally named as individuals in the complaint or the petition under subsection (h) of Section 15-1701 and in the order of possession and shall not be entered and enforced against any person who is only generically described as an unknown owner or nonrecord claimant or by another generic designation in the complaint.

The court shall permit the newly served defendant to participate in the proceedings to the extent the interests of justice may require.

Sec. 3-111. Powers of circuit court.

New matter indicated by italics - deletions by strikeout.
(a) The Circuit Court has power:

(1) with or without requiring bond (except if otherwise provided in the particular statute under authority of which the administrative decision was entered), and before or after answer filed, upon notice to the agency and good cause shown, to stay the decision of the administrative agency in whole or in part pending the final disposition of the case. For the purpose of this subsection, "good cause" requires the applicant to show (i) that an immediate stay is required in order to preserve the status quo without endangering the public, (ii) that it is not contrary to public policy, and (iii) that there exists a reasonable likelihood of success on the merits;

(2) to make any order that it deems proper for the amendment, completion or filing of the record of proceedings of the administrative agency;

(3) to allow substitution of parties by reason of marriage, death, bankruptcy, assignment or other cause;

(4) to dismiss parties, to correct misnomers, or to realign parties, or to join agencies or parties plaintiffs and defendants;

(5) to affirm or reverse the decision in whole or in part;

(6) where a hearing has been held by the agency, to reverse and remand the decision in whole or in part, and, in that case, to state the questions requiring further hearing or proceedings and to give such other instructions as may be proper;

(7) where a hearing has been held by the agency, to remand for the purpose of taking additional evidence when from the state of the record of the administrative agency or otherwise it shall appear that such action is just. However, no remandment shall be made on the ground of newly discovered evidence unless it appears to the satisfaction of the court that such evidence has in fact been discovered subsequent to the termination of the proceedings before the administrative agency and that it could not by the exercise of reasonable diligence have been obtained at such proceedings; and that such evidence is material to the issues and is not cumulative;

(8) in case of affirmance or partial affirmance of an administrative decision which requires the payment of money, to enter judgment for the amount justified by the record and for costs, which judgment may be enforced as other judgments for the recovery of money;

(9) when the particular statute under authority of which the administrative decision was entered requires the plaintiff to file a satisfactory bond and provides for the dismissal of the action for the plaintiff's failure to comply with this requirement unless the court is authorized by the particular statute to enter, and does enter, an order imposing a lien upon the plaintiff's property, to take such proofs and to enter such orders as may be appropriate to carry out the provisions of the particular statute. However, the court shall not approve the bond, nor enter an order for the lien, in any amount which is less than that prescribed by the particular statute under authority of which the administrative decision was entered if the statute provides what the minimum amount of the bond or lien shall be or provides how said minimum amount shall be determined. No such bond shall be approved by the court without notice to, and an opportunity to be heard thereon by, the administrative agency affected. The lien, created by the entry of a court order in lieu of a bond, shall not apply to property exempted from the lien by the particular statute under authority of which the administrative decision was entered. The lien shall not be effective against real property whose title is registered under the provisions of the Registered Titles (Torrens) Act until the provisions of Section 85 of that Act are complied with.

(b) Technical errors in the proceedings before the administrative agency or its failure to observe the technical rules of evidence shall not constitute grounds for the reversal of the administrative decision unless it appears to the court that such error or failure materially affected the rights of any party and resulted in substantial injustice to him or her.

(c) On motion of either party, the circuit court shall make findings of fact or state the propositions of law upon which its judgment is based.

(d) The changes to this Section made by this amendatory Act of the 95th General Assembly apply to all actions filed on or after the effective date of this amendatory Act of the 95th General Assembly.

commenced by the filing of a petition for review in the appellate court within 35 days from the date that a copy of the decision sought to be reviewed was served upon the party affected by the decision. The method of service of the decision shall be as provided in the Act governing the procedure before the administrative agency, but if no method is provided, a decision shall be deemed to have been served either when a copy of the decision is personally delivered or when a copy of the decision is deposited in the United States mail, in a sealed envelope or package, with postage prepaid, addressed to the party affected by the decision at his or her last known residence or place of business.

(b) The petition for review shall be filed in the appellate court and shall specify the parties seeking review and shall designate the respondent and the order or part thereof to be reviewed. The administrative agency and all persons, other than the petitioner, who were other parties of record to the proceedings before the administrative agency shall be made named respondents. The method of service of the decision shall be as provided in the Act governing the procedure before the administrative agency, but if no method is provided, a decision shall be deemed to have been served either when a copy of the decision is personally delivered or when a copy of the decision is deposited in the United States mail, in a sealed envelope or package, with postage prepaid, addressed to the party affected by the decision at his or her last known residence or place of business. The form of the summons and the issuance of alias summons shall be according to rules of the Supreme Court.

If, during the course of a review action, the court determines that an agency or a party of record to the administrative proceedings was not made a defendant as required by the preceding paragraph, and only if that party was not named by the administrative agency in its final order as a party of record; then the court shall grant the plaintiff 35 days from the date of the determination in which to name and serve the unnamed agency or party as a defendant. The court shall permit the newly served defendant to participate in the proceedings to the extent the interests of justice may require.

(c) The changes to this Section made by this amendatory Act of the 95th General Assembly apply to all actions filed on or after the effective date of this amendatory Act of the 95th General Assembly.

AN ACT concerning regulation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Mobile Home Park Act is amended by changing Section 9.15 as follows:

(210 ILCS 115/9.15)

Sec. 9.15. Fire safety. All private water supply systems and hydrants for fire safety purposes in existence on the effective date of this amendatory Act of the 94th General Assembly shall be maintained in operable condition and good repair as defined by the State Fire Marshal or mobile home park licensing agency. A mobile home park that does not have a private water supply system and hydrants shall have an agreement, approved by the State Fire Marshal or licensing agency in consultation with the municipal fire department or the local fire protection district, to provide an adequate and reliable water supply for fire mitigation needs. This agreement shall be signed and dated by the owner of the mobile home park or his or her designee and by the local fire chief or his or her designee. Certification that this agreement exists shall be signed by the owner of the mobile home park or his or her designee and by the local fire chief or his or her designee and submitted with each application for original licensure or licensure renewal required under Section 6 of this Act. A copy of this agreement shall be on file at the local fire department or fire protection district and posted in public view at the mobile home park site by the mobile home park owner or his or her designee and available for inspection.

Nothing in this Section shall be construed to mandate a mobile home park, constructed prior to 1998, to install new water supply systems or hydrants for fire safety purposes.

Each mobile home park shall be inspected annually pursuant to the applicable mobile home park fire protection standards by the municipal fire department or fire protection district that has jurisdictional responsibility for responding to a fire call in that park. As used in this

New matter indicated by italics - deletions by strikeout.
Section, "applicable mobile home park fire protection standards" means (i) in the case of a home rule unit, the fire protection standards ordinance of the municipality or fire protection district that has jurisdictional responsibility for responding to a fire call in that park or (ii) if there is no ordinance or in the case of a non-home rule unit, the rules adopted by the Office of the State Fire Marshal for fire safety in mobile home parks. If, upon inspection, the municipal fire department or fire protection district finds that a park does not meet the applicable fire protection standards, the municipal fire department or fire protection district shall give within 5 working days of the inspection a written notice of violation to the licensee and to the Department of Public Health of any violation or required modification or repair. The licensee has 30 days after receipt of the written notice to correct the violation or make the required modification or repair. Not less than 30 days after the licensee's receipt of the notice, the municipal fire department or fire protection district shall reinspect the park and issue a written reinspection report to the licensee and to the Department of Public Health concerning the status of the licensee's compliance with the notice and whether any violation still exists. If the municipal fire department or fire protection district determines on reinspection that a licensee has made a good faith and substantial effort to comply with the notice but that compliance is not complete, the municipal fire department or fire protection district may grant the licensee an extension of time for compliance, as they deem fit, by a written notice of extension of time for compliance issued within 5 working days after the reinspection that identifies what remains to be corrected, modified, or repaired and a date by which compliance must be achieved. If an extension is granted, the municipal fire department or fire protection district shall make another inspection within 10 days after the date set for compliance and issue a final written report to the licensee and the Department of Public Health concerning the status of the licensee's compliance with the notice, written report, and written notice of extension of time for compliance and whether a violation still exists. If a licensee fails to cure the violation or comply with the requirements stated in the notice of violation, or if a written notice of extension of time for compliance is issued and the final written report states that a violation still exists, the municipal fire department or fire protection district shall notify the Department of Public Health of the licensee's failure to comply with the notice of violation and the written report and shall deliver to the

Department for purposes of enforcement under this Section copies of all written notices and reports concerning the violation.

Upon receipt of the written reports concerning the violation, the Department shall issue to the licensee a notice of intent to assess civil penalties in the amount of $500 per day, per violation for non-compliance with the written notice of violation issued by the municipal fire department or fire protection district and provide the licensee with the opportunity for an administrative hearing pursuant to the provisions of Section 22 of this Act.

Notwithstanding the foregoing provisions of this Section, the enforcement of home rule ordinances and regulations shall be by the appropriate local authorities, including local public health departments, municipal attorneys, and State's Attorneys.

A home rule unit may not regulate the legal rights, remedies, and obligations of a licensee under this Section in a manner less restrictive than the regulation by the State of fire safety in a mobile home park under this Section. This Section is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and function exercised by the State.

This Section does not apply to any mobile home park located within a home rule county if the home rule county actively regulates mobile home parks.

State government. The Illinois Human Rights Act states that the public policy of the State of Illinois is "to promote the public health, welfare and safety by protecting the interest of all people in Illinois in maintaining personal dignity, in realizing their full productive capacities, and in furthering their interests, rights and privileges as citizens of this State". The State of Illinois is a party to all international human rights treaties signed and ratified by the United States.

Illinois is one of the wealthiest states in the United States, yet it has one of the highest rates of poverty and extreme poverty in the Midwest. The poverty level in 2007 was $20,620 or less per year for a family of 4 and $10,310 or less per year for a family of 4 in extreme poverty. In 2006 just under 1,400,000 people residing in Illinois were living in poverty and over 687,000 people residing in Illinois were living in extreme poverty. There are people living in extreme poverty in every Illinois county.

Illinois has no comprehensive plan for the elimination of poverty.

Section 10. Commission on the Elimination of Poverty. The Commission on the Elimination of Poverty is created. The purpose of the Commission is to comprehensively address poverty in Illinois consistent with international human rights standards. The initial goal of the Commission is to develop a poverty elimination strategic plan to reduce extreme poverty in Illinois by 50% or more by 2015. In developing the overall strategic plan, and in working toward the goal of reducing extreme poverty in Illinois by at least 50% by 2015, the Commission shall address, at a minimum, all of the following:

(1) Access to safe, decent and affordable housing.
(2) Access to adequate food and nutrition.
(3) Access to affordable and quality health care.
(4) Equal access to quality education and training.
(5) Dependable and affordable transportation.
(6) Access to quality and affordable child care.
(7) Opportunities to engage in meaningful and sustainable work that pays a living wage.
(8) The availability of adequate income supports.

The strategic plan shall include specific policy and fiscal recommendations and a timeline for each stage of implementation for each
recommendation. For each recommendation, the Commission shall identify in measurable terms the actual or potential impact. The Commission may review and may make comments and recommendations on existing or proposed programs, policies, administrative rules, and statutes that have an impact on poverty in Illinois and, in particular, people living in extreme poverty.

Section 15. Members. The Commission on the Elimination of Poverty shall be composed of no more than 26 voting members including 2 members of the Illinois House of Representatives, one appointed by the Speaker of the House and one appointed by the House Minority Leader; 2 members of the Illinois Senate, one appointed by the Senate President and one appointed by the Senate Minority Leader; one representative of the Office of the Governor appointed by the Governor; one representative of the Office of the Lieutenant Governor appointed by the Lieutenant Governor; and 20 public members, 4 of whom shall be appointed by the Governor, 4 of whom shall be appointed by the Speaker of the House, 4 of whom shall be appointed by the House Minority Leader, 4 of whom shall be appointed by the Senate President, and 4 of whom shall be appointed by the Senate Minority Leader. It shall be determined by lot who will appoint which public members of the Commission. The public members shall include a representative of a service-based human rights organization; 2 representatives from anti-poverty organizations, including one that focuses on rural poverty; 2 individuals who have experienced extreme poverty; a representative of an organization that advocates for health care access, affordability and availability; a representative of an organization that advocates for persons with mental illness; a representative of an organization that advocates for children and youth; a representative of an organization that advocates for quality and equality in education; a representative of an organization that advocates for people who are homeless; a representative of a statewide anti-hunger organization; a person with a disability; a representative of an organization that advocates for persons with disabilities; a representative of an organization that advocates for immigrants; a representative of a statewide faith-based organization that provides direct social services in Illinois; a representative of an organization that advocates for economic security for women; a representative of an organization that advocates for older adults; a representative of a labor organization that represents primarily low and middle-income wage earners; a representative of a municipal or county government; and a representative of township government. The State Workforce Investment Board, the African-American Family Commission, and the Latino Family Commission shall each designate a liaison to serve ex-officio on the Commission.

Members shall serve without compensation, but, subject to the availability of funds, public members may be reimbursed for reasonable and necessary travel expenses connected to Commission business.

Commission members shall be appointed within 60 days after the effective date of this Act. The Commission shall hold its initial meeting within 30 days after at least 50% of the members have been appointed.

The representative of the Office of the Governor and the representative of a service-based human rights organization shall serve as co-chairs of the Commission.

At the first meeting of the Commission, the members shall select a 7-person Steering Committee that includes the co-chairs.

The Commission may establish committees that address specific issues or populations and may appoint individuals with relevant expertise who are not appointed members of the Commission to serve on committees as needed.

interest, provided that such institution agrees to expend an amount of money equal to the amount of the reduction for the preservation of Cahokia Mounds.

(b-10) The State Treasurer may, in his or her discretion, accept a proposal from an eligible institution that provides for a reduced rate of interest, provided that the institution agrees to expend an amount of money equal to the amount of the reduction for senior centers.

(c) The State Treasurer may, in his or her discretion, accept a proposal from an eligible institution that provides for interest earnings on deposits of State moneys to be held by the institution in a separate account that the State Treasurer may use to secure up to 10% of any (i) home loans to Illinois citizens purchasing or refinancing a home in Illinois in situations where the participating financial institution would not offer the borrower a home loan under the institution's prevailing credit standards without the incentive of a reduced rate of interest on deposits of State moneys, (ii) existing home loans of Illinois citizens who have failed to make payments on a home loan as a result of a financial hardship due to circumstances beyond the control of the borrower where there is a reasonable prospect that the borrower will be able to resume full mortgage payments, and (iii) loans in amounts that do not exceed the amount of arrearage on a mortgage and that are extended to enable a borrower to become current on his or her mortgage obligation.

The following factors shall be considered by the participating financial institution to determine whether the financial hardship is due to circumstances beyond the control of the borrower: (i) loss, reduction, or delay in the receipt of income because of the death or disability of a person who contributed to the household income, (ii) expenses actually incurred related to the uninsured damage or costly repairs to the mortgaged premises affecting its habitability, (iii) expenses related to the death or illness in the borrower's household or of family members living outside the household that reduce the amount of household income, (iv) loss of income or a substantial increase in total housing expenses because of divorce, abandonment, separation from a spouse, or failure to support a spouse or child, (v) unemployment or underemployment, (vi) loss, reduction, or delay in the receipt of federal, State, or other government benefits, and (vii) participation by the homeowner in a recognized labor action such as a strike. In determining whether there is a reasonable prospect that the borrower will be able to resume full mortgage payments, the participating financial institution shall consider factors including, but

not necessarily limited to the following: (i) a favorable work and credit history, (ii) the borrower's ability to and history of paying the mortgage when employed, (iii) the lack of an impediment or disability that prevents reemployment, (iv) new education and training opportunities, (v) non-cash benefits that may reduce household expenses, and (vi) other debts.

For the purposes of this Section, "home loan" means a loan, other than an open-end credit plan or a reverse mortgage transaction, for which (i) the principal amount of the loan does not exceed 50% of the conforming loan size limit for a single-family dwelling as established from time to time by the Federal National Mortgage Association, (ii) the borrower is a natural person, (iii) the debt is incurred by the borrower primarily for personal, family, or household purposes, and (iv) the loan is secured by a mortgage or deed of trust on real estate upon which there is located or there is to be located a structure designed principally for the occupancy of no more than 4 families and that is or will be occupied by the borrower as the borrower's principal dwelling.

(d) If there is an agreement between the State Treasurer and an eligible institution that details the use of deposited funds, the agreement may not require the gift of money, goods, or services to a third party; this provision does not restrict the eligible institution from contracting with third parties in order to carry out the intent of the agreement or restrict the State Treasurer from placing requirements upon third-party contracts entered into by the eligible institution.

The Working Capital Revolving Fund............  139,161  64,037

Notwithstanding any provision of the law to the contrary, the General Assembly hereby authorizes the use of such funds for the purposes set forth in this Section.

These provisions do not apply to funds classified by the Comptroller as federal trust funds or State trust funds. The Audit Expense Fund may receive transfers from those trust funds only as directed herein, except where prohibited by the terms of the trust fund agreement. The Auditor General shall notify the trustees of those funds of the estimated cost of the audit to be incurred under the Illinois State Auditing Act for the fund. The trustees of those funds shall direct the State Comptroller and Treasurer to transfer the estimated amount to the Audit Expense Fund.

The Auditor General may bill entities that are not subject to the above transfer provisions, including private entities, related organizations and entities whose funds are locally-held, for the cost of audits, studies, and investigations incurred on their behalf. Any revenues received under this provision shall be deposited into the Audit Expense Fund.

In the event that moneys on deposit in any fund are unavailable, by reason of deficiency or any other reason preventing their lawful transfer, the State Comptroller shall order transferred and the State Treasurer shall transfer the amount deficient or otherwise unavailable from the General Revenue Fund for deposit into the Audit Expense Fund.

On or before December 1, 1992, and each December 1 thereafter, the Auditor General shall notify the Governor's Office of Management and Budget (formerly Bureau of the Budget) of the amount estimated to be necessary to pay for audits, studies, and investigations in accordance with the Illinois State Auditing Act during the next succeeding fiscal year for each State fund for which a transfer or reimbursement is anticipated.

Beginning with fiscal year 1994 and during each fiscal year thereafter, the Auditor General may direct the State Comptroller and Treasurer to transfer moneys from funds authorized by the General Assembly for that fund. In the event funds, including federal and State trust funds but excluding the General Revenue Fund, are transferred, during fiscal year 1994 and during each fiscal year thereafter, in excess of the amount to pay actual costs attributable to audits, studies, and investigations as permitted or required by the Illinois State Auditing Act or specific action of the General Assembly, the Auditor General shall, on September 30, or as soon thereafter as is practicable, direct the State

(Senate Bill No. 1965)

AN ACT concerning criminal law.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The County Jail Act is amended by changing Section 17 as follows:

(730 ILCS 125/17) (from Ch. 75, par. 117)

Sec. 17. Bedding, clothing, fuel, and medical aid; reimbursement for medical or hospital expenses. The Warden of the jail shall furnish necessary bedding, clothing, fuel, and medical services aid for all prisoners under his charge, and keep an accurate account of the same. When services that result in qualified medical expenses or hospital services are required by any person held in custody, the county, private hospital, physician or any public agency which provides such services shall be entitled to obtain reimbursement from the county or from the Arrestee's Medical Costs Fund to the extent that moneys in the Fund are available for the cost of such services. The county board of a county may adopt an ordinance or resolution providing for reimbursement for the cost of those services at the Department of Healthcare and Family Services' rates for medical assistance. To the extent that such person is reasonably able to pay for such care, including reimbursement from any insurance program or from other medical benefit programs available to such person, he or she shall reimburse the county or arresting authority. If such person has already been determined eligible for medical assistance under the Illinois Public Aid Code at the time the person is initially detained pending trial, the cost of such services, to the extent such cost exceeds $500, shall be reimbursed by the Department of Healthcare and Family Services under that Code. A

reimbursement under any public or private program authorized by this Section shall be paid to the county or arresting authority to the same extent as would have been obtained had the services been rendered in a non-custodial environment.

The sheriff or his or her designee may cause an application for medical assistance under the Illinois Public Aid Code to be completed for an arrestee who is a hospital inpatient. If such arrestee is determined eligible, he or she shall receive medical assistance under the Code for hospital inpatient services only. An arresting authority shall be responsible for any incurred medical expenses relating to the arrestee until such time as the arrestee is placed in the custody of the sheriff. However, the arresting authority shall not be so responsible if the arrest was made pursuant to a request by the sheriff. When medical expenses or hospital services are required by any person held in custody, the county or arresting authority shall be entitled to obtain reimbursement from the County Jail Arrestee's Medical Costs Fund to the extent moneys are available from the Fund. To the extent that the person is reasonably able to pay for that care, including reimbursement from any insurance program or from other medical benefit programs available to the person, he or she shall reimburse the county.

The county shall be entitled to a $10 fee for each conviction or order of supervision for a criminal violation, other than a petty offense or business offense. The fee shall be taxed as costs to be collected from the defendant, if possible, upon conviction or entry of an order of supervision. The fee shall not be considered a part of the fine for purposes of any reduction in the fine.

All such fees collected shall be deposited by the county in a fund to be established and known as the County Jail Arrestee's Medical Costs Fund. Moneys in the Fund shall be used solely for reimbursement to the county of costs for medical expenses relating to the arrestee while he or she is in the custody of the sheriff and administration of the Fund.

For the purposes of this Section, "arresting authority" means a unit of local government, other than a county, which employs peace officers and whose peace officers have made the arrest of a person. For the purposes of this Section, "qualified medical expenses relating to the arrestee" include medical and hospital services but do not include (i) means only those expenses incurred for medical care or treatment provided to a person an arrestee on account of a self-inflicted an injury incurred prior to or in the course of an arrest, (ii) expenses suffered by the arrestee.

However, the 30-day limitation may be extended by further order of the court for a minor under age 13 committed to the Department of Children and Family Services if the court finds that the minor is a danger to himself or others. The minor shall be given credit on the sentencing order of detention for time spent in detention under Sections 5-501, 5-601, 5-710, or 5-720 of this Article as a result of the offense for which the sentencing order was imposed. (b) A minor found to be guilty may be committed to the Department of Juvenile Justice under Section 5-750 if the minor is 13 years of age or older, provided that the commitment to the Department of Juvenile Justice shall be made only if a term of incarceration is permitted by law for adults found guilty of the offense for which the minor was adjudicated delinquent. The time during which a minor is in custody before being released upon the request of a parent, guardian or legal custodian shall be considered as time spent in detention.

(c) When a minor is found to be guilty for an offense which is a violation of the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act and made a ward of the court, the court may enter a disposition order requiring the minor to undergo assessment, counseling or treatment in a substance abuse program approved by the Department of Human Services.

The payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.

(6) Whenever the sentencing order requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code. Notwithstanding any other provision of this Act, in instances in which educational services are to be provided to a minor in a residential facility where the minor has been placed by the court, costs incurred in the provision of those educational services must be allocated based on the requirements of the School Code.

(7) In no event shall a guilty minor be committed to the Department of Juvenile Justice for a period of time in excess of that period for which an adult could be committed for the same act.

(9) In addition to any other sentencing order, the court shall order any minor found to be guilty for an act which would constitute, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, aggravated criminal sexual abuse, or criminal sexual abuse if committed by an adult to undergo medical testing to determine whether the defendant has any sexually transmissible disease including a test for infection with human immunodeficiency virus (HIV) or any other identified causative agency of acquired immunodeficiency syndrome (AIDS). Any medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the minor's person. Except as otherwise provided by law, the results of the test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the sentencing order was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom the results of the testing may be revealed. The court shall notify the minor of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or the legal guardian, of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at the Department of Public Health facilities to all parties to whom the results of the testing are revealed. commit the minor to the Department of Juvenile Justice, the court shall order the minor to perform community service for not less than 30 hours nor more than 120 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by a violation of Section 21-1.3 of the Criminal Code of 1961 and similar damage to property located in the municipality or county in which the violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. This order shall be in addition to any other order authorized by this Section except for an order to place the minor in the custody of the Department of Juvenile Justice. The court shall order that the cost of any test shall be paid by the county and may be taxed as costs against the minor.

(10) When a court finds a minor to be guilty the court shall, before entering a sentencing order under this Section, make a finding whether the offense committed either: (a) was related to or in furtherance of the criminal activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (b) involved a violation of subsection (a) of Section 12-7.1 of the Criminal Code of 1961, a violation of any Section of Article 24 of the Criminal Code of 1961, or a violation of any statute that involved the wrongful use of a firearm. If the court determines the question in the affirmative, and the court does not commit the minor to the Department of Juvenile Justice, the court shall order the minor to perform community service for not less than 30 hours nor more than 120 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage.

caused by a violation of Section 21-1.3 of the Criminal Code of 1961 and similar damage to property located in the municipality or county in which the violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. This order shall be in addition to any other order authorized by this Section except for an order to place the minor in the custody of the Department of Juvenile Justice. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(11) If the court determines that the offense was committed in furtherance of the criminal activities of an organized gang, as provided in subsection (10), and that the offense involved the operation or use of a motor vehicle or the use of a driver's license or permit, the court shall notify the Secretary of State of that determination and of the period for which the minor shall be denied driving privileges. If, at the time of the determination, the minor does not hold a driver's license or permit, the court shall provide that the minor shall not be issued a driver's license or permit until his or her 18th birthday. If the minor holds a driver's license or permit at the time of the determination, the court shall provide that the minor's driver's license or permit shall be revoked until his or her 21st birthday, or until a later date or occurrence determined by the court. If the minor holds a driver's license at the time of the determination, the court may direct the Secretary of State to issue the minor a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1 of the Illinois Vehicle Code, except that the court may direct that the JDP be effective immediately.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Uniform Environmental Covenants Act.

Section 2. Definitions. In this Act:

(1) "Activity and use limitations" means restrictions or obligations created under this Act with respect to real property.

(2) "Agency" means the Illinois Environmental Protection Agency or any other State or federal agency that determines or approves the environmental response project pursuant to which the environmental covenant is created.

(3) "Common interest community" means a condominium, cooperative, or other real property with respect to which a person, by virtue of the person's ownership of a parcel of real property, is obligated to pay property taxes or insurance premiums, or for maintenance, or improvement of other real property described in a recorded covenant that creates the common interest community.

(4) "Environmental covenant" means a servitude arising under an environmental response project that imposes activity and use limitations.

(5) "Environmental response project" means a plan or work performed for environmental remediation of real property at the following sites or facilities:

(A) all sites or facilities that are listed as proposed or final on the National Priorities List pursuant to Section 105 of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. 9601 et seq.);

120 of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. 9601 et seq.);

(D) all sites or facilities undergoing remediation pursuant to a settlement agreement pursuant to Section 122 of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. 9601 et seq.);

(E) all sites or facilities undergoing remediation pursuant to Section 3008(h) of the Resource Conservation and Recovery Act of 1976 (42 U.S.C. 6901 et seq.);

(F) all sites or facilities undergoing remediation pursuant to Section 7003 of the Resource Conservation and Recovery Act of 1976 (42 U.S.C. 6901 et seq.); or

(6) "Holder" means the grantee of an environmental covenant as specified in Section 3(a).

(7) "Person" means an individual, corporation, business trust, estate, trust, partnership, limited liability company, association, joint venture, public corporation, government, governmental subdivision, agency, or instrumentality, or any other legal or commercial entity.

(8) "Prior interest" means a preceding or senior interest, in time or in right, that is recorded with respect to the real property, including but not limited to a mortgage, easement, or other interest, lien, or encumbrance predating the recording of an environmental covenant.

(9) "Record", used as a noun, means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form.

(10) "State" means a state of the United States, the District of Columbia, Puerto Rico, the United States Virgin Islands, or any territory or insular possession subject to the jurisdiction of the United States.

Section 3. Nature of rights; subordination of interests.

(a) An owner or owners of real property may voluntarily enter into an environmental covenant, as a grantor of an interest in the real property, with an agency and, if appropriate, one or more holders. No owner, agency, or other person shall be required to enter into an environmental

New matter indicated by italics - deletions by strikeout.
covenant as part of an environmental response project; provided, however, that (i) failure to enter into an environmental covenant may result in disapproval of the environmental response project; and (ii) once the owner, agency, or other person assumes obligations in an environmental covenant they must comply with those obligations of the environmental covenant in accordance with this Act.

(b) Any person, including a person that owns an interest in the real property, the agency, or a municipality or other unit of local government, may be a holder. An environmental covenant may identify more than one holder. The interest of a holder is an interest in real property.

(c) A right of an agency under this Act or under an environmental covenant, other than a right as a holder, is not an interest in real property.

(d) An agency is bound by any obligation it assumes in an environmental covenant, but an agency does not assume obligations merely by signing an environmental covenant. Any other person that signs an environmental covenant is bound by the obligations the person assumes in the covenant, but signing the covenant does not change obligations, rights, or protections granted or imposed under law other than this Act except as provided in the covenant.

(e) The following rules apply to interests in real property in existence at the time an environmental covenant is created or amended:

(1) An interest that has priority under other law is not affected by an environmental covenant unless the person that owns the interest subordinates that interest to the covenant.

(2) This Act does not require a person that owns a prior interest to subordinate that interest to an environmental covenant or to agree to be bound by the covenant.

(3) A subordination agreement may be contained in an environmental covenant covering real property or in a separate record. If the environmental covenant covers commonly owned property in a common interest community, the record may be signed by any person authorized by the governing board of the owners association.

(4) An agreement by a person to subordinate a prior interest to an environmental covenant affects the priority of that person's interest but does not by itself impose any affirmative obligation on the person with respect to the environmental covenant.

(f) Environmental covenants established under this Act shall be subject to eminent domain or condemnation proceedings by any agency of
the State having a general grant of authority to acquire property by the exercise of the right of eminent domain under the laws of this State. No environmental covenant established under this Act shall be terminated or modified unless:

1. The agency that signed the covenant is a party to the proceeding;
2. All persons identified in Section 10(a) and (b) are given notice of the pendency of the proceeding; and
3. The agency of the State exercising the right of eminent domain or condemnation determines, after hearing, that the termination or modification will not adversely affect human health or the environment.

Section 4. Contents of environmental covenant.

(a) An environmental covenant must:

1. State that the instrument is an environmental covenant executed pursuant to this Act.
2. Contain a legally sufficient description of the real property subject to the covenant.
3. Describe the activity and use limitations on the real property.
4. Identify every holder.
5. Be signed by the agency, every holder, and unless waived by the agency every owner of the fee simple of the real property subject to the covenant.
6. Identify the name and location of any administrative record for the environmental response project reflected in the environmental covenant.

(b) In addition to the information required by subsection (a), an environmental covenant may contain other information, restrictions, and requirements agreed to by the persons who signed it, including any:

1. Requirements for notice following transfer of a specified interest in, or concerning proposed changes in use of, applications for building permits for, or proposals for any site work affecting the contamination on, the property subject to the covenant.
2. Requirements for periodic reporting describing compliance with the covenant.
3. Rights of access to the property granted in connection with implementation or enforcement of the covenant.
(4) A brief narrative description of the contamination and remedy, including the contaminants of concern, the pathways of exposure, limits on exposure, and the location and extent of the contamination.

(5) Limitation on amendment or termination of the covenant in addition to those contained in Sections 9 and 10.

(6) Rights of the holder in addition to its right to enforce the covenant pursuant to Section 11.

(c) In addition to other conditions for its approval of an environmental covenant, the agency may require those persons specified by the agency who have interests in the real property to sign the covenant.

Section 5. Validity; effect on other instruments.

(a) An environmental covenant that complies with this Act runs with the land.

(b) An environmental covenant that is otherwise effective is valid and enforceable even if:

(1) It is not appurtenant to an interest in real property.

(2) It can be or has been assigned to a person other than the original holder.

(3) It is not of a character that has been recognized traditionally at common law.

(4) It imposes a negative burden.

(5) It imposes an affirmative obligation on a person having an interest in the real property or on the holder.

(6) The benefit or burden does not touch or concern real property.

(7) There is no privity of estate or contract.

(8) The holder dies, ceases to exist, resigns, or is replaced.

(9) The owner of an interest subject to the environmental covenant and the holder are the same person.

(c) An instrument that creates restrictions or obligations with respect to real property that would qualify as activity and use limitations except for the fact that the instrument was recorded before the effective date of this Act is not invalid or unenforceable because of any of the limitations on enforcement of interests described in subsection (b) or because it was identified as an easement, servitude, deed restriction, or other interest. This Act does not apply in any other respect to such an instrument.

New matter indicated by italics - deletions by strikeout.
(d) This Act does not invalidate or render unenforceable any interest, whether designated as an environmental covenant or other interest, that is otherwise enforceable under the law of this State, including but not limited to interests compliant with 35 Ill. Adm. Code 742, Subpart J.

Section 6. Relationship to other land-use law. This Act does not authorize a use of real property that is otherwise prohibited by zoning, by law other than this Act regulating use of real property, or by a recorded instrument that has priority over the environmental covenant. An environmental covenant may prohibit or restrict uses of real property which are authorized by zoning or by law other than this Act.

Section 7. Notice.
(a) A copy of an environmental covenant shall be provided by the persons and in the manner required by the agency to:
(1) Each person that signed the covenant.
(2) Each person holding a recorded interest in the real property subject to the covenant.
(3) Each person in possession of the real property subject to the covenant.
(4) Each municipality or other unit of local government in which real property subject to the covenant is located.
(5) Any other person the agency requires.
(b) The validity of a covenant is not affected by failure to provide a copy of the covenant as required under this Section.

Section 8. Recording.
(a) An environmental covenant and any amendment or termination of the covenant must be recorded in every county in which any portion of the real property subject to the covenant is located. For purposes of indexing, a holder shall be treated as a grantee.
(b) Except as otherwise provided in Section 9(c), an environmental covenant is subject to the laws of this State governing recording and priority of interests in real property.

Section 9. Duration; amendment by court action.
(a) An environmental covenant is perpetual unless it is:
(1) By its terms limited to a specific duration or terminated by the occurrence of a specific event.
(2) Terminated by consent pursuant to Section 10.
(3) Terminated pursuant to subsection (b).

New matter indicated by italics - deletions by strikeout.
(4) Terminated by foreclosure of an interest that has priority over the environmental covenant.

(5) Terminated or modified in an eminent domain proceeding, but only if:

(A) The agency that signed the covenant is a party to the proceeding.

(B) All persons identified in Section 10(a) and (b) are given notice of the pendency of the proceeding.

(C) The court determines, after hearing, that the termination or modification will not adversely affect human health or the environment.

(b) If the agency that signed an environmental covenant has determined that the intended benefits of the covenant can no longer be realized, a court, under the doctrine of changed circumstances, in an action in which all persons identified in Section 10(a) and (b) have been given notice, may terminate the covenant or reduce its burden on the real property subject to the covenant. The agency's determination or its failure to make a determination upon request is subject to review pursuant to the Administrative Review Law.

(c) Except as otherwise provided in subsections (a) and (b), an environmental covenant may not be extinguished, limited, or impaired through issuance of a tax deed, foreclosure of a tax lien, or application of the doctrine of adverse possession, prescription, abandonment, waiver, lack of enforcement, or acquiescence, or a similar doctrine.

(d) An environmental covenant may not be extinguished, limited, or impaired by application of any Illinois Law concerning marketable title or dormant mineral interests.

Section 10. Amendment or termination by consent.

(a) An environmental covenant may be amended or terminated by consent only if the amendment or termination is signed by:

(1) The agency.

(2) Unless waived by the agency, the current owner of the fee simple of the real property subject to the covenant.

(3) Each person that originally signed the covenant, unless the person waived its record of consent or a court finds that the person no longer exists or cannot be located or identified with the exercise of reasonable diligence.

(4) Except as otherwise provided in subsection (d)(2), the holder.

New matter indicated by italics - deletions by strikeout.
(b) If an interest in real property is subject to an environmental covenant, the interest is not affected by an amendment of the covenant unless the current owner of the interest consents to the amendment or has waived in a signed record the right to consent to amendments.

(c) Except for an assignment undertaken pursuant to a governmental reorganization, assignment of an environmental covenant to a new holder is an amendment.

(d) Except as otherwise provided in an environmental covenant:
   (1) A holder may not assign its interest without consent of the other parties.
   (2) A holder may be removed and replaced by agreement of the other parties specified in subsection (a).
   (3) A court of competent jurisdiction may fill a vacancy in the position of holder.

Section 11. Enforcement of environmental covenant.
(a) A civil action for injunctive or other equitable relief for violation of an environmental covenant may be maintained by:
   (1) A party to the covenant.
   (2) The agency or, if it is not the agency, the Illinois Environmental Protection Agency.
   (3) Any person to whom the covenant expressly grants power to enforce.
   (4) A person whose interest in the real property or whose collateral or liability may be affected by the alleged violation of the covenant.
   (5) A municipality or other unit of local government in which the real property subject to the covenant is located.

(b) This Act does not limit the regulatory authority of the agency or the Illinois Environmental Protection Agency under law other than this Act with respect to an environmental response project.

(c) A person is not responsible for or subject to liability for environmental remediation solely because it has the right to enforce an environmental covenant.

Section 12. Registry; substitute notice.
(a) The Illinois Environmental Protection Agency shall establish and maintain a registry that contains all environmental covenants and any amendment or termination of those covenants. The registry may also contain any other information concerning environmental covenants and the real property subject to them which the Illinois Environmental Protection

Agency considers appropriate. The registry is a public record for purposes of the Freedom of Information Act.

(b) After an environmental covenant or an amendment or termination of a covenant is filed in the registry established pursuant to subsection (a), a notice of the covenant, amendment, or termination that complies with this Section may be recorded in the land records in lieu of recording the entire covenant. Any such notice must contain:

(1) A legally sufficient description and any available street address of the real property subject to the covenant.

(2) The name and address of the owner of the fee simple interest in the real property, the agency, and the holder if other than the agency.

(3) A statement that the covenant, amendment, or termination is available in a registry at the Environmental Protection Agency at its office in Springfield, which discloses the method of any electronic access.

(4) A statement that the notice is notification of an environmental covenant executed pursuant to this Act.

(c) A statement in substantially the following form, executed with the same formalities as a deed in this State, satisfies the requirements of subsection (b):

(1) This notice is filed in the land records of (insert name of county in which the real property is located) pursuant to Section 12 of the Uniform Environmental Covenants Act.

The covenant, amendment or termination may be found electronically at (insert web address for covenant).

Section 13. Uniformity of application and construction. In applying and construing this uniform Act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

Section 14. Relation to Electronic Signatures in Global and National Commerce Act. This Act modifies, limits, or supersedes the federal Electronic Signatures in Global and National Commerce Act (15 U.S.C. Section 7001 et seq.) but does not modify, limit, or supersede Section 101 of that Act (15 U.S.C. Section 7001(a)) or authorize electronic delivery of any of the notices described in Section 103 of that Act (15 U.S.C. Section 7003(b)).

Section 15. Severability. If any provision of this Act or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are severable.

PUBLIC ACT 95-0846
(Senate Bill No. 2118)

AN ACT concerning courts.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Juvenile Court Act of 1987 is amended by changing Sections 5-415 and 5-501 as follows:
(705 ILCS 405/5-415)
Sec. 5-415. Setting of detention or shelter care hearing; release.

New matter indicated by italics - deletions by strikeout.
(1) Unless sooner released, a minor alleged to be a delinquent minor taken into temporary custody must be brought before a judicial officer within 40 hours for a detention or shelter care hearing to determine whether he or she shall be further held in custody. If a minor alleged to be a delinquent minor taken into custody is hospitalized or is receiving treatment for a physical or mental condition, and is unable to be brought before a judicial officer for a detention or shelter care hearing, the 40 hour period will not commence until the minor is released from the hospital or place of treatment. If the minor gives false information to law enforcement officials regarding the minor's identity or age, the 40 hour period will not commence until the court rules that the minor is subject to this Act and not subject to prosecution under the Criminal Code of 1961. Any other delay attributable to a minor alleged to be a delinquent minor who is taken into temporary custody shall act to toll the 40 hour time period. The 40 hour time period shall be tolled to allow counsel for the minor to prepare for the detention or shelter care hearing, upon a motion filed by such counsel and granted by the court. In all cases, the 40 hour time period is exclusive of Saturdays, Sundays and court-designated holidays.

(2) If the State's Attorney or probation officer (or other public officer designated by the court in a county having more than 3,000,000 inhabitants) determines that the minor should be retained in custody, he or she shall cause a petition to be filed as provided in Section 5-520 of this Article, and the clerk of the court shall set the matter for hearing on the detention or shelter care hearing calendar. Immediately upon the filing of a petition in the case of a minor retained in custody, the court shall cause counsel to be appointed to represent the minor. When a parent, legal guardian, custodian, or responsible relative is present and so requests, the detention or shelter care hearing shall be held immediately if the court is in session and the State is ready to proceed, otherwise at the earliest feasible time. In no event shall a detention or shelter care hearing be held until the minor has had adequate opportunity to consult with counsel. The probation officer or such other public officer designated by the court in a county having more than 3,000,000 inhabitants shall notify the minor's parent, legal guardian, custodian, or responsible relative of the time and place of the hearing. The notice may be given orally.

(3) The minor must be released from custody at the expiration of the 40 hour period specified by this Section if not brought before a judicial officer within that period.

New matter indicated by italics - deletions by strikeout.
(4) After the initial 40 hour period has lapsed, the court may review the minor's custodial status at any time prior to the trial or sentencing hearing. If during this time period new or additional information becomes available concerning the minor's conduct, the court may conduct a hearing to determine whether the minor should be placed in a detention or shelter care facility. If the court finds that there is probable cause that the minor is a delinquent minor and that it is a matter of immediate and urgent necessity for the protection of the minor or of the person or property of another, or that he or she is likely to flee the jurisdiction of the court, the court may order that the minor be placed in detention or shelter care.

(Source: P.A. 90-590, eff. 1-1-99.)

(705 ILCS 405/5-501)
Sec. 5-501. Detention or shelter care hearing. At the appearance of the minor before the court at the detention or shelter care hearing, the court shall receive all relevant information and evidence, including affidavits concerning the allegations made in the petition. Evidence used by the court in its findings or stated in or offered in connection with this Section may be by way of proffer based on reliable information offered by the State or minor. All evidence shall be admissible if it is relevant and reliable regardless of whether it would be admissible under the rules of evidence applicable at a trial. No hearing may be held unless the minor is represented by counsel and no hearing shall be held until the minor has had adequate opportunity to consult with counsel.

(1) If the court finds that there is not probable cause to believe that the minor is a delinquent minor it shall release the minor and dismiss the petition.

(2) If the court finds that there is probable cause to believe that the minor is a delinquent minor, the minor, his or her parent, guardian, custodian and other persons able to give relevant testimony may be examined before the court. The court may also consider any evidence by way of proffer based upon reliable information offered by the State or the minor. All evidence, including affidavits, shall be admissible if it is relevant and reliable regardless of whether it would be admissible under the rules of evidence applicable at trial. After such evidence is presented, the court may enter an order that the minor shall be released upon the request of a parent, guardian or legal custodian if the parent, guardian or custodian appears to take custody.

If the court finds that it is a matter of immediate and urgent necessity for the protection of the minor or of the person or property of

New matter indicated by italics - deletions by strikeout.
another that the minor be detained or placed in a shelter care facility or that he or she is likely to flee the jurisdiction of the court, the court may prescribe detention or shelter care and order that the minor be kept in a suitable place designated by the court or in a shelter care facility designated by the Department of Children and Family Services or a licensed child welfare agency; otherwise it shall release the minor from custody. If the court prescribes shelter care, then in placing the minor, the Department or other agency shall, to the extent compatible with the court's order, comply with Section 7 of the Children and Family Services Act. In making the determination of the existence of immediate and urgent necessity, the court shall consider among other matters: (a) the nature and seriousness of the alleged offense; (b) the minor's record of delinquency offenses, including whether the minor has delinquency cases pending; (c) the minor's record of willful failure to appear following the issuance of a summons or warrant; (d) the availability of non-custodial alternatives, including the presence of a parent, guardian or other responsible relative and willing to provide supervision and care for the minor and to assure his or her compliance with a summons. If the minor is ordered placed in a shelter care facility of a licensed child welfare agency, the court shall, upon request of the agency, appoint the appropriate agency executive temporary custodian of the minor and the court may enter such other orders related to the temporary custody of the minor as it deems fit and proper.

The order together with the court's findings of fact in support of the order shall be entered of record in the court.

Once the court finds that it is a matter of immediate and urgent necessity for the protection of the minor that the minor be placed in a shelter care facility, the minor shall not be returned to the parent, custodian or guardian until the court finds that the placement is no longer necessary for the protection of the minor.

(3) Only when there is reasonable cause to believe that the minor taken into custody is a delinquent minor may the minor be kept or detained in a facility authorized for juvenile detention. This Section shall in no way be construed to limit subsection (4).

(4) Minors 12 years of age or older must be kept separate from confined adults and may not at any time be kept in the same cell, room or yard with confined adults. This paragraph (4):

(a) shall only apply to confinement pending an adjudicatory hearing and shall not exceed 40 hours, excluding Saturdays,
Sundays, and court designated holidays. To accept or hold minors during this time period, county jails shall comply with all monitoring standards for juvenile detention homes promulgated by the Department of Corrections and training standards approved by the Illinois Law Enforcement Training Standards Board.

(b) To accept or hold minors, 12 years of age or older, after the time period prescribed in clause (a) of subsection (4) of this Section but not exceeding 7 days including Saturdays, Sundays, and holidays, pending an adjudicatory hearing, county jails shall comply with all temporary detention standards promulgated by the Department of Corrections and training standards approved by the Illinois Law Enforcement Training Standards Board.

(c) To accept or hold minors 12 years of age or older, after the time period prescribed in clause (a) and (b), of this subsection county jails shall comply with all programmatic and training standards for juvenile detention homes promulgated by the Department of Corrections.

(5) If the minor is not brought before a judicial officer within the time period as specified in Section 5-415 the minor must immediately be released from custody.

(6) If neither the parent, guardian or legal custodian appears within 24 hours to take custody of a minor released from detention or shelter care, then the clerk of the court shall set the matter for rehearing not later than 7 days after the original order and shall issue a summons directed to the parent, guardian or legal custodian to appear. At the same time the probation department shall prepare a report on the minor. If a parent, guardian or legal custodian does not appear at such rehearing, the judge may enter an order prescribing that the minor be kept in a suitable place designated by the Department of Human Services or a licensed child welfare agency. The time during which a minor is in custody after being released upon the request of a parent, guardian or legal custodian shall be considered as time spent in detention for purposes of scheduling the trial.

(7) Any party, including the State, the temporary custodian, an agency providing services to the minor or family under a service plan pursuant to Section 8.2 of the Abused and Neglected Child Reporting Act, foster parent, or any of their representatives, may file a motion to modify or vacate a temporary custody order or vacate a detention or shelter care order on any of the following grounds:

New matter indicated by italics - deletions by strikeout.
(a) It is no longer a matter of immediate and urgent necessity that the minor remain in detention or shelter care; or
(b) There is a material change in the circumstances of the natural family from which the minor was removed; or
(c) A person, including a parent, relative or legal guardian, is capable of assuming temporary custody of the minor; or
(d) Services provided by the Department of Children and Family Services or a child welfare agency or other service provider have been successful in eliminating the need for temporary custody.

The clerk shall set the matter for hearing not later than 14 days after such motion is filed. In the event that the court modifies or vacates a temporary order but does not vacate its finding of probable cause, the court may order that appropriate services be continued or initiated in behalf of the minor and his or her family.

(8) Whenever a petition has been filed under Section 5-520 the court can, at any time prior to trial or sentencing, order that the minor be placed in detention or a shelter care facility after the court conducts a hearing and finds that the conduct and behavior of the minor may endanger the health, person, welfare, or property of himself or others or that the circumstances of his or her home environment may endanger his or her health, person, welfare or property.

All interest that accrues from monies deposited into the Wildlife and Fish Fund, the Salmon Fund, the State Migratory Waterfowl Stamp Fund, the State Furbearer Fund, the State Pheasant Fund, and the Illinois Habitat Fund shall be deposited into those funds, respectively. Appropriations from the "Wildlife and Fish Fund" shall be made only to the Department for the carrying out of the powers and functions vested by law in the Department for the administration and management of fish and wildlife resources of this State for such activities as, including but not limited to, the purchase of land for fish hatcheries, wildlife refuges, preserves and public shooting and fishing grounds; the purchase and distribution of wild birds, the eggs of wild birds, and wild mammals for rescuing, restoring and distributing fish; the maintenance of wildlife refuges, or preserves, public shooting grounds, public fishing grounds and fish hatcheries; and the feeding and care of wild birds, wild animals and fish.

(625 ILCS 5/6-206.1) (from Ch. 95 1/2, par. 6-206.1)

Sec. 6-206.1. Monitoring Device Driving Permit. Declaration of Policy. It is hereby declared a policy of the State of Illinois that the driver who is impaired by alcohol, other drug or drugs, or intoxicating compound or compounds is a threat to the public safety and welfare. Therefore, to provide a deterrent to such practice and to remove problem drivers from the highway, a statutory summary driver's license suspension is appropriate. It is also recognized that driving is a privilege and therefore, that the granting of driving privileges, in a manner consistent with public safety, is warranted during the period of suspension in the form of a monitoring device driving permit. A person who drives and fails to comply with the requirements of the monitoring device driving permit commits a violation of Section 6-303 of this Code.

The following procedures shall apply whenever a first offender is arrested for any offense as defined in Section 11-501 or a similar provision of a local ordinance:

(a) Subsequent to a notification of a statutory summary suspension of driving privileges as provided in Section 11-501.1, the court, after informing the first offender, as defined in Section 11-500, of his or her right to a monitoring device driving permit, hereinafter referred to as a MDDP, and of the obligations of the MDDP, shall enter an order directing the Secretary of State (hereinafter referred to as the Secretary) to issue a MDDP to the offender, unless the offender has opted, in writing, not to have a MDDP issued. After opting out of having a MDDP issued, at any time during the summary suspension, the offender may petition the court for an order directing the Secretary to issue a MDDP. However, the court shall not enter the order directing the Secretary of State to issue the MDDP, in any instance, if the court finds:

(1) The offender's driver's license is otherwise invalid;
(2) Death or great bodily harm resulted from the arrest for Section 11-501;
(3) That the offender has been previously convicted of reckless homicide or aggravated driving under the influence involving death; or

(4) That the offender is less than 18 years of age.

Any court order for a MDDP shall order the person to pay the Secretary of State a MDDP Administration Fee in an amount not to exceed $30 per month, to be deposited into the Monitoring Device Driving Permit Administration Fee Fund. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. The order shall further specify that the offender must have an ignition interlock device installed within 14 days of the date the Secretary issues the MDDP; and shall specify the vehicle in which the device is to be installed. The ignition interlock device provider must notify the Secretary, in a manner and form prescribed by the Secretary, of the installation. If the Secretary does not receive notice of installation, the Secretary shall cancel the MDDP. A MDDP shall not become effective prior to the 31st day of the original statutory summary suspension.

(a-1) A person issued a MDDP may drive for any purpose and at any time, subject to the rules adopted by the Secretary of State under subsection (g). The person must, at his or her own expense, drive only vehicles equipped with an ignition interlock device as defined in Section 1-129.1, but in no event shall such person drive a commercial motor vehicle.

(a-2) Persons who are issued a MDDP and must drive employer-owned vehicles in the course of their employment duties may seek permission from the court to drive an employer-owned vehicle that does not have an ignition interlock device. The employer employee shall provide to the Secretary court a form, as prescribed by the Secretary of State, completed by the employer verifying that the employee must drive an employer-owned vehicle in the course of employment. If approved by the Secretary court, the form must be file stamped and must be in the driver's possession while operating an employer-owner vehicle not equipped with an ignition interlock device. No person may use this exemption to drive a school bus, school vehicle, or a vehicle designed to transport more than 15 passengers. No person may use this exemption to drive an employer-owned motor vehicle that is owned by an entity that is wholly or partially owned by the person holding the MDDP, or by a family member of the person holding the MDDP. No person may use this exemption to drive an employer-owned vehicle that is made available to

the employee for personal use. No person may drive the exempted vehicle more than 12 hours per day, 6 days per week.

(b) (Blank).

c) (Blank).

(c-1) If the holder of the MDDP is convicted of or receives court supervision for a violation of Section 6-206.2, 6-303, 11-204, 11-401, 11-501, 11-503, 11-506 or a similar provision of a local ordinance or a similar out-of-state offense or is convicted of or receives court supervision for any offense for which alcohol or drugs is an element of the offense and in which a motor vehicle was involved (for an arrest other than the one for which the MDDP is issued), or de-installs the BAIID without prior authorization from the Secretary, the MDDP shall be cancelled. If the person is issued a citation for a violation of Section 6-303 or a violation of Section 11-501 or a similar provision of a local ordinance or a similar out-of-state offense during the term of the MDDP, the officer issuing the citation, or the law enforcement agency employing that officer, shall confiscate the MDDP and immediately send the MDDP and notice of the citation to the court that ordered the issuance of the MDDP. Within 10 days of receipt, the issuing court, upon notice to the person, shall conduct a hearing to consider cancellation of the MDDP. If the court enters an order of cancellation, the court shall forward the order to the Secretary of State, and the Secretary shall cancel the MDDP and notify the person of the cancellation. If, however, the person is convicted of the offense before the MDDP has been cancelled, the court of venue shall send notice of conviction to the court that ordered issuance of the MDDP. The court receiving the notice shall immediately enter an order of cancellation and forward the order to the Secretary of State. The Secretary shall cancel the MDDP and notify the person of the cancellation.

If the person is issued a citation for any other traffic related offense during the term of the MDDP, the officer issuing the citation, or the law enforcement agency employing that officer, shall send notice of the citation to the court that ordered issuance of the MDDP. Upon receipt and notice to the person and an opportunity for a hearing, the court shall determine whether the violation constitutes grounds for cancellation of the MDDP. If the court enters an order of cancellation, the court shall forward the order to the Secretary of State, and the Secretary shall cancel the MDDP and notify the person of the cancellation.

(c-5) If the court determines that the person seeking the MDDP is indigent, the court shall provide the person with a written document, in a New matter indicated by italics - deletions by strikeout.
form prescribed by the Secretary of State, as evidence of that determination, and the person shall provide that written document to an ignition interlock device provider. The provider shall install an ignition interlock device on that person's vehicle without charge to the person, and seek reimbursement from the Indigent BAIID Fund. *If the court has deemed an offender indigent, the BAIID provider shall also provide the normal monthly monitoring services and the de-installation without charge to the offender and seek reimbursement from the Indigent BAIID Fund. Any other monetary charges, such as a lockout fee or reset fee, shall be the responsibility of the MDDP holder. A BAIID provider may not seek a security deposit from the Indigent BAIID Fund. The court shall also forward a copy of the indigent determination to the Secretary, in a manner and form as prescribed by the Secretary.*

(d) The Secretary of State shall, upon receiving a court order from the court of venue, issue a MDDP to a person who applies for a MDDP under this Section. Such court order form shall also contain a notification, which shall be sent to the Secretary of State, providing the name, driver's license number, and legal address of the applicant. This information shall be available only to the courts, police officers, and the Secretary of State, except during the actual period the MDDP is valid, during which time it shall be a public record. The Secretary of State shall design and furnish to the courts an official court order form to be used by the courts when directing the Secretary of State to issue a MDDP.

Any submitted court order that contains insufficient data or fails to comply with this Code shall not be utilized for MDDP issuance or entered to the driver record but shall be returned to the issuing court indicating why the MDDP cannot be so entered. A notice of this action shall also be sent to the MDDP applicant by the Secretary of State.

(e) (Blank).

(f) (Blank).

(g) The Secretary of State shall adopt rules for implementing this Section. The rules adopted shall address issues including, but not limited to: compliance with the requirements of the MDDP; methods for determining compliance with those requirements; the consequences of noncompliance with those requirements; what constitutes a violation of the MDDP; and the duties of a person or entity that supplies the ignition interlock device.

New matter indicated by italics - deletions by strikeout.
(h) The rules adopted under subsection (g) shall provide, at a minimum, that the person is not in compliance with the requirements of the MDDP if he or she:

1. tampers or attempts to tamper with or circumvent the proper operation of the ignition interlock device;

2. provides valid breath samples that register blood alcohol levels in excess of the number of times allowed under the rules;

3. fails to provide evidence sufficient to satisfy the Secretary that the ignition interlock device has been installed in the designated vehicle or vehicles; or

4. fails to follow any other applicable rules adopted by the Secretary.

(i) Any person or entity that supplies an ignition interlock device as provided under this Section shall, in addition to supplying only those devices which fully comply with all the rules adopted under subsection (g), provide the Secretary, within 7 days of inspection, all monitoring reports of each person who has had an ignition interlock device installed. These reports shall be furnished in a manner or form as prescribed by the Secretary.

(j) Upon making a determination that a violation of the requirements of the MDDP has occurred, the Secretary shall extend the summary suspension period for an additional 3 months beyond the originally imposed summary suspension period, during which time the person shall only be allowed to drive vehicles equipped with an ignition interlock device; provided further there are no limitations on the total number of times the summary suspension may be extended. The Secretary may, however, limit the number of extensions imposed for violations occurring during any one monitoring period, as set forth by rule. Any person whose summary suspension is extended pursuant to this Section shall have the right to contest the extension through an administrative hearing with the Secretary, pursuant to Section 2-118 of this Code. If the summary suspension has already terminated prior to the Secretary receiving the monitoring report that shows a violation, the Secretary shall be authorized to suspend the person's driving privileges for 3 months, provided that the Secretary may, by rule, limit the number of suspensions to be entered pursuant to this paragraph for violations occurring during any one monitoring period. Any person whose license is suspended pursuant to this paragraph, after the summary suspension had already

terminated, shall have the right to contest the suspension through a hearing with the Secretary, pursuant to Section 2-118 of this Code. The only permit the person shall be eligible for during this new suspension period is a MDDP.

(k) A person who has had his or her summary suspension extended for the third time, or has any combination of 3 extensions and new suspensions, entered as a result of a violation that occurred while holding the MDDP, so long as the extensions and new suspensions relate to the same summary suspension, shall have his or her vehicle impounded for a period of 30 days, at the person's own expense. A person who has his or her summary suspension extended for the fourth time, or has any combination of 4 extensions and new suspensions, entered as a result of a violation that occurred while holding the MDDP, so long as the extensions and new suspensions relate to the same summary suspension, shall have his or her vehicle subject to seizure and forfeiture. The Secretary shall notify the prosecuting authority of any third or fourth extensions or new suspension entered as a result of a violation that occurred while the person held a MDDP. Upon receipt of the notification, the prosecuting authority shall impound or forfeit the vehicle.

(l) A person whose driving privileges have been suspended under Section 11-501.1 of this Code and who had a MDDP that was cancelled pursuant to subsection (c-1) of this Section, shall not be eligible for reinstatement when the summary suspension is scheduled to terminate, but instead shall be eligible only to apply for a restricted driving permit. If a restricted driving permit is granted, the offender may only operate vehicles equipped with an ignition interlock device, for a period of not less than twice the original summary suspension period, or for the length of any extensions entered under subsection (j), whichever is longer.

(m) Any person or entity that supplies an ignition interlock device under this Section shall, for each ignition interlock device installed, pay 5% of the total gross revenue received for the device, including monthly monitoring fees, into the Indigent BAIID Fund. This 5% shall be clearly indicated as a separate surcharge on each invoice that is issued. The Secretary shall conduct an annual review of the fund to determine whether the surcharge is sufficient to provide for indigent users. The Secretary may increase or decrease this surcharge requirement as needed.

(n) Any person or entity that supplies an ignition interlock device under this Section that is requested to provide an ignition interlock device to a person who presents written documentation of indigency from the

court, as provided in subsection (c-5) of this Section, shall install the
device on the person's vehicle without charge to the person and shall seek
reimbursement from the Indigent BAIID Fund.

(o) The Indigent BAIID Fund is created as a special fund in the
State treasury. The Secretary of State shall, subject to appropriation by the
General Assembly, use all money in the Indigent BAIID Fund to reimburse
ignition interlock device providers who have installed devices in vehicles
of indigent persons pursuant to court orders issued under this Section. The
Secretary shall make payments to such providers every 3 months. If the
amount of money in the fund at the time payments are made is not
sufficient to pay all requests for reimbursement submitted during that 3
month period, the Secretary shall make payments on a pro-rata basis, and
those payments shall be considered payment in full for the requests
submitted.

(p) The Monitoring Device Driving Permit Administration Fee
Fund is created as a special fund in the State treasury. The Secretary of
State shall, subject to appropriation by the General Assembly, use the
money paid into this fund to offset its administrative costs for
administering MDDPs.

agreement, for more than one year and not exceeding 30 years relating to the collection and final disposition, or relating solely to either the collection or final disposition of garbage, refuse and ashes. A municipality may contract with private industry to operate a designated facility for the disposal, treatment or recycling of solid waste, and may enter into contracts with private firms or local governments for the delivery of waste to such facility. In regard to a contract involving a garbage, refuse, or garbage and refuse incineration facility, the 30 year contract limitation imposed by this Section shall be computed so that the 30 years shall not begin to run until the date on which the facility actually begins accepting garbage or refuse. The payments required in regard to any contract entered into under this Division 19 shall not be regarded as indebtedness of the city, village, or incorporated town, as the case may be, for the purpose of any debt limitation imposed by any law.

(b) If a municipality with a population of less than 1,000,000 has never awarded a franchise to a private entity for the collection of waste from non-residential locations, then that municipality may not award such a franchise without first: (i) holding at least one public hearing seeking comment on the advisability of awarding such a franchise; (ii) providing at least 30 days' written notice of the hearing, delivered by first class mail to all private entities that provide non-residential waste collection services within the municipality that the municipality is able to identify through its records; and (iii) providing public notice of the hearing. At the public hearing, the municipality must disclose and discuss the proposed franchise fee or calculation formula of such franchise fee that it will receive under the proposed franchise.

(c) If a municipality with a population of less than 1,000,000 has never awarded a franchise to a private entity for the collection of waste from non-residential locations, then a private entity may not begin providing waste collection services to non-residential locations under a franchise agreement with that municipality at any time before the date that is 15 months after the date the ordinance or resolution approving the award of the franchise is adopted.

(d) For purposes of this Section, "waste" means garbage, refuse, or ashes as defined in Section 11-19-2.

(e) A home rule unit may not award a franchise to a private entity for the collection of waste in a manner contrary to the provisions of this Section. This Section is a limitation under subsection (i) of Section 6 of
Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

Section 5. The Illinois Administrative Procedure Act is amended by changing Section 5-50 as follows:

(5 ILCS 100/5-50) (from Ch. 127, par. 1005-50)

Sec. 5-50. Peremptory rulemaking. "Peremptory rulemaking" means any rulemaking that is required as a result of federal law, federal rules and regulations, an order of a court, or a collective bargaining agreement pursuant to subsection (d) of Section 1-5, under conditions that preclude compliance with the general rulemaking requirements imposed by Section 5-40 and that preclude the exercise of discretion by the agency as to the content of the rule it is required to adopt. Peremptory rulemaking shall not be used to implement consent orders or other court orders adopting settlements negotiated by the agency. If any agency finds that peremptory rulemaking is necessary and states in writing its reasons for that finding, the agency may adopt peremptory rulemaking upon filing a notice of rulemaking with the Secretary of State under Section 5-70. The notice shall be published in the Illinois Register. A rule adopted under the peremptory rulemaking provisions of this Section becomes effective immediately upon filing with the Secretary of State and in the agency's principal office, or at a date required or authorized by the relevant federal law, federal rules and regulations, or court order, as stated in the notice of rulemaking. Notice of rulemaking under this Section shall be published in the Illinois Register, shall specifically refer to the appropriate State or federal court order or federal law, rules, and regulations, and shall be in a form as the Secretary of State may reasonably prescribe by rule. The agency shall file the notice of peremptory rulemaking within 30 days after a change in rules is required.

Sec. 5A-2. Assessment; no local authorization to tax.

New matter indicated by italics - deletions by strikeout.
(a) Subject to Sections 5A-3 and 5A-10, an annual assessment on inpatient services is imposed on each hospital provider in an amount equal to the hospital's occupied bed days multiplied by $84.19 multiplied by the proration factor for State fiscal year 2004 and the hospital's occupied bed days multiplied by $84.19 for State fiscal year 2005.

*For State fiscal years 2004 and 2005, the Department of Healthcare and Family Services shall use the number of occupied bed days as reported by each hospital on the Annual Survey of Hospitals conducted by the Department of Public Health to calculate the hospital's annual assessment. If the sum of a hospital's occupied bed days is not reported on the Annual Survey of Hospitals or if there are data errors in the reported sum of a hospital's occupied bed days as determined by the Department of Healthcare and Family Services (formerly Department of Public Aid), then the Department of Healthcare and Family Services may obtain the sum of occupied bed days from any source available, including, but not limited to, records maintained by the hospital provider, which may be inspected at all times during business hours of the day by the Department of Healthcare and Family Services or its duly authorized agents and employees.*

Subject to Sections 5A-3 and 5A-10, for the privilege of engaging in the occupation of hospital provider, beginning August 1, 2005, an annual assessment is imposed on each hospital provider for State fiscal years 2006, 2007, and 2008, in an amount equal to 2.5835% of the hospital provider's adjusted gross hospital revenue for inpatient services and 2.5835% of the hospital provider's adjusted gross hospital revenue for outpatient services. If the hospital provider's adjusted gross hospital revenue is not available, then the Illinois Department may obtain the hospital provider's adjusted gross hospital revenue from any source available, including, but not limited to, records maintained by the hospital provider, which may be inspected at all times during business hours of the day by the Illinois Department or its duly authorized agents and employees.

*Subject to Sections 5A-3 and 5A-10, for State fiscal years 2009 through 2013, an annual assessment on inpatient services is imposed on each hospital provider in an amount equal to $218.38 multiplied by the difference of the hospital's occupied bed days less the hospital's Medicare bed days.*

*For State fiscal years 2009 through 2013, a hospital's occupied bed days and Medicare bed days shall be determined using the most recent data available from each hospital's 2005 Medicare cost report as*
contained in the Healthcare Cost Report Information System file, for the quarter ending on December 31, 2006, without regard to any subsequent adjustments or changes to such data. If a hospital's 2005 Medicare cost report is not contained in the Healthcare Cost Report Information System, then the Illinois Department may obtain the hospital provider's occupied bed days and Medicare bed days from any source available, including, but not limited to, records maintained by the hospital provider, which may be inspected at all times during business hours of the day by the Illinois Department or its duly authorized agents and employees.

(b) (Blank). Nothing in this Article shall be construed to authorize any home rule unit or other unit of local government to license for revenue or to impose a tax or assessment upon hospital providers or the occupation of hospital provider, or a tax or assessment measured by the income or earnings of a hospital provider.

(c) (Blank). As provided in Section 5A-14, this Section is repealed on July 1, 2008.

(d) Notwithstanding any of the other provisions of this Section, the Department is authorized, during this 94th General Assembly, to adopt rules to reduce the rate of any annual assessment imposed under this Section, as authorized by Section 5-46.2 of the Illinois Administrative Procedure Act.

(e) Notwithstanding any other provision of this Section, any plan providing for an assessment on a hospital provider as a permissible tax under Title XIX of the federal Social Security Act and Medicaid-eligible payments to hospital providers from the revenues derived from that assessment shall be reviewed by the Illinois Department of Healthcare and Family Services, as the Single State Medicaid Agency required by federal law, to determine whether those assessments and hospital provider payments meet federal Medicaid standards. If the Department determines that the elements of the plan may meet federal Medicaid standards and a related State Medicaid Plan Amendment is prepared in a manner and form suitable for submission, that State Plan Amendment shall be submitted in a timely manner for review by the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services and subject to approval by the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services. No such plan shall become effective without approval by the Illinois General Assembly by the enactment into law of related legislation. Notwithstanding any other provision in this Article, for State fiscal years 2009 through 2013, in the case of a hospital provider that did not conduct, operate, or maintain a hospital in 2005, the assessment for that State fiscal year shall be computed on the basis of hypothetical occupied bed days for the full calendar year as determined by the Illinois Department.

(f) Every hospital provider subject to assessment under this Article shall keep sufficient records to permit the determination of adjusted gross hospital revenue for the hospital's fiscal year. All such records shall be kept in the English language and shall, at all times during regular business hours of the day, be subject to inspection by the Illinois Department or its duly authorized agents and employees.

(k) For purposes of this Section, a hospital that is enrolled to provide Medicaid services during State fiscal year 2005 shall have its utilization and associated reimbursements annualized prior to the payment calculations being performed under this Section.

(l) For purposes of this Section, the terms "Medicaid days", "ambulatory procedure listing services", and "ambulatory procedure listing payments" do not include any days, charges, or services for which Medicare or a managed care organization reimbursed on a capitated basis was liable for payment, except where explicitly stated otherwise in this Section.

(m) For purposes of this Section, in determining the percentile ranking of an Illinois hospital's case mix index or capital costs, hospitals described in subsection (b) of Section 5A-3 shall be excluded from the ranking.

(n) Definitions. Unless the context requires otherwise or unless provided otherwise in this Section, the terms used in this Section for qualifying criteria and payment calculations shall have the same meanings as those terms have been given in the Illinois Department's administrative rules as in effect on March 1, 2008. Other terms shall be defined by the Illinois Department by rule.

As used in this Section, unless the context requires otherwise:

"Base inpatient payments" means, for a given hospital, the sum of base payments for inpatient services made on a per diem or per admission (DRG) basis, excluding those portions of per admission payments that are classified as capital payments. Disproportionate share hospital adjustment payments, Medicaid Percentage Adjustments, Medicaid High Volume Adjustments, and outlier payments, as defined by rule by the Department as of January 1, 2008, are not base payments.
"Capital costs" means, for a given hospital, the total capital costs determined using the most recent 2005 Medicare cost report as contained in the Healthcare Cost Report Information System file, for the quarter ending on December 31, 2006, divided by the total inpatient days from the same cost report to calculate a capital cost per day. The resulting capital cost per day is inflated to the midpoint of State fiscal year 2009 utilizing the national hospital market price proxies (DRI) hospital cost index. If a hospital's 2005 Medicare cost report is not contained in the Healthcare Cost Report Information System, the Department may obtain the data necessary to compute the hospital's capital costs from any source available, including, but not limited to, records maintained by the hospital provider, which may be inspected at all times during business hours of the day by the Illinois Department or its duly authorized agents and employees.

"Case mix index" means, for a given hospital, the sum of the DRG relative weighting factors in effect on January 1, 2005, for all general acute care admissions for State fiscal year 2005, excluding Medicare crossover admissions and transplant admissions reimbursed under 89 Ill. Adm. Code 148.82, divided by the total number of general acute care admissions for State fiscal year 2005, excluding Medicare crossover admissions and transplant admissions reimbursed under 89 Ill. Adm. Code 148.82.

"Medicaid inpatient day" means, for a given hospital, the sum of days of inpatient hospital days provided to recipients of medical assistance under Title XIX of the federal Social Security Act, excluding days for individuals eligible for Medicare under Title XVIII of that Act (Medicaid/Medicare crossover days), as tabulated from the Department's paid claims data for admissions occurring during State fiscal year 2005 that was adjudicated by the Department through March 23, 2007.

"Medicaid obstetrical day" means, for a given hospital, the sum of days of inpatient hospital days grouped by the Department to DRGs of 370 through 375 provided to recipients of medical assistance under Title XIX of the federal Social Security Act, excluding days for individuals eligible for Medicare under Title XVIII of that Act (Medicaid/Medicare crossover days), as tabulated from the Department's paid claims data for admissions occurring during State fiscal year 2005 that was adjudicated by the Department through March 23, 2007.

"Outpatient ambulatory procedure listing payments" means, for a given hospital, the sum of payments for ambulatory procedure listing
services, as described in 89 Ill. Adm. Code 148.140(b), provided to recipients of medical assistance under Title XIX of the federal Social Security Act, excluding payments for individuals eligible for Medicare under Title XVIII of the Act (Medicaid/Medicare crossover days), as tabulated from the Department's paid claims data for services occurring in State fiscal year 2005 that were adjudicated by the Department through March 23, 2007.

(o) The Department may adjust payments made under this Section 12.2 to comply with federal law or regulations regarding hospital-specific payment limitations on government-owned or government-operated hospitals.

(p) Notwithstanding any of the other provisions of this Section, the Department is authorized to adopt rules that change the hospital access improvement payments specified in this Section, but only to the extent necessary to conform to any federally approved amendment to the Title XIX State plan. Any such rules shall be adopted by the Department as authorized by Section 5-50 of the Illinois Administrative Procedure Act. Notwithstanding any other provision of law, any changes implemented as a result of this subsection (p) shall be given retroactive effect so that they shall be deemed to have taken effect as of the effective date of this Section.

(q) For State fiscal years 2012 and 2013, the Department may make recommendations to the General Assembly regarding the use of more recent data for purposes of calculating the assessment authorized under Section 5A-2 and the payments authorized under this Section 5A-12.2.

between a qualifying county and the Illinois Department pursuant to this Section may relate back to that date, provided the Illinois Department obtains federal approval. Any changes in payment rates resulting from the provisions of Article 3 of this amendatory Act of 1992 are intended to apply to services rendered on or after October 1, 1992, and any agreement executed between a qualifying county and the Illinois Department pursuant to this Section may be effective as of that date.

(e) If one or more hospitals file suit in any court challenging any part of this Article XV, payments to hospitals from the Fund under this Article XV shall be made only to the extent that sufficient monies are available in the Fund and only to the extent that any monies in the Fund are not prohibited from disbursement and may be disbursed under any order of the court.

(f) All payments under this Section are contingent upon federal approval of changes to the Title XIX State plan, if that approval is required.

Sec. 15-8. Federal disallowances. In the event of any federal deferral or disallowance of any federal matching funds obtained through this Article which have been disbursed by the Illinois Department under this Article based upon challenges to reimbursement methodologies, methodology or disproportionate share methodology, the full faith and credit of the county is pledged for repayment by the county of those amounts deferred or disallowed to the Illinois Department.

Sec. 15-10. Disproportionate share hospital adjustment payments.

(a) The provisions of this Section become operative if:

(1) The federal government approves State Plan Amendment transmittal number 08-06 or a State Plan Amendment that permits disproportionate share hospital adjustment payments to be made to county hospitals.

(2) Proposed federal regulations, or other regulations or limitations driven by the federal government, negatively impact the net revenues realized by county providers from the Fund during a State fiscal year by more than 15%, as measured by the aggregate average net monthly payment received by the county providers from the Fund from July 2007 through May 2008.

New matter indicated by italics - deletions by strikeout.
(3) The county providers have in good faith submitted timely, complete, and accurate cost reports and supplemental documents as required by the Illinois Department.

(4) the county providers maintain and bill for service volumes to individuals eligible for medical assistance under this Code that are no lower than 85% of the volumes provided by and billed to the Illinois Department by the county providers associated with payments received by the county providers from July 2007 through May 2008. Given the substantial financial burdens of the county associated with uncompensated care, the Illinois Department shall make good faith efforts to work with the county to maintain Medicaid volumes to the extent that the county has the adequate capacity to meet the obligations of patient volumes.

The Illinois Department and the county shall include in an intergovernmental agreement the process by which these conditions are assessed. The parties may, if necessary, contract with a large, nationally recognized public accounting firm to carry out this function.

(b) If the conditions of subsection (a) are met, and subject to appropriation or other available funding for such purpose, the Illinois Department shall make a payment or otherwise make funds available to the county hospitals, during the lapse period, that provides for total payments to be at least at a level that is equivalent to the total fee-for-service payments received by the county providers that are enrolled with the Illinois Department to provide services during the fiscal year of the payment from the Fund from July 2007 through May 2008 multiplied by twelve-elevenths.

(c) In addition, notwithstanding any provision in subsection (a), the Illinois Department shall maximize disproportionate share hospital adjustment payments to the county hospitals that, at a minimum, are 42% of the State’s federal fiscal year 2007 disproportionate share allocation.

(d) For the purposes of this Section, "net revenues" means the difference between the total fee-for-service payments made by the Illinois Department to county providers less the intergovernmental transfer made by the county in support of those payments.

(e) If (i) the disproportionate share hospital adjustment State Plan Amendment referenced in subdivision (a)(1) is not approved, or (ii) any reconciliation of payments to costs incurred would require repayment to the federal government of at least $2,500,000, or (iii) there is no funding

available for the Illinois Department's obligations under subsection (b),
the Illinois Department, the county, and the leadership of the General
Assembly shall designate individuals to convene, within 30 days, to
discuss how mutual funding goals for the county providers are to be
achieved.

Sec. 15-11. Uses of State funds.
(a) At any point, if State revenues referenced in subsection (b) or
(c) of Section 15-10 or additional State grants are disbursed to the Cook
County Health and Hospitals System, all funds may be used only for the
following:

(1) medical services provided at hospitals or clinics owned
and operated by the Cook County Bureau of Health Services; or
(2) information technology to enhance billing capabilities
for medical claiming and reimbursement.
(b) State funds may not be used for the following:

(1) non-clinical services, except services that may be
required by accreditation bodies or State or federal regulatory or
licensing authorities;
(2) non-clinical support staff, except as pursuant to
paragraph (1) of this subsection; or
(3) capital improvements, other than investments in
medical technology, except for capital improvements that may be
required by accreditation bodies or State or federal regulatory or
licensing authorities.

PUBLIC ACT 95-0861
(House Bill No. 1639)

AN ACT concerning courts.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Juvenile Court Act of 1987 is amended by changing Section 5-915 as follows:

(705 ILCS 405/5-915)

Sec. 5-915. Expungement of juvenile law enforcement and court records.

(1) Whenever any person has attained the age of 17 or whenever all juvenile court proceedings relating to that person have been terminated, whichever is later, the person may petition the court to expunge law enforcement records relating to incidents occurring before his or her 17th birthday or his or her juvenile court records, or both, but only in the following circumstances:

(a) the minor was arrested and no petition for delinquency was filed with the clerk of the circuit court; or

(b) the minor was charged with an offense and was found not delinquent of that offense; or

(c) the minor was placed under supervision pursuant to Section 5-615, and the order of supervision has since been successfully terminated; or

(d) the minor was adjudicated for an offense which would be a Class B misdemeanor, Class C misdemeanor, or a petty or business offense if committed by an adult.

New matter indicated by italics - deletions by strikeout.
(2) Any person may petition the court to expunge all law enforcement records relating to any incidents occurring before his or her 17th birthday which did not result in proceedings in criminal court and all juvenile court records with respect to any adjudications except those based upon first degree murder and sex offenses which would be felonies if committed by an adult, if the person for whom expungement is sought has had no convictions for any crime since his or her 17th birthday and:

(a) has attained the age of 21 years; or

(b) 5 years have elapsed since all juvenile court proceedings relating to him or her have been terminated or his or her commitment to the Department of Juvenile Justice pursuant to this Act has been terminated; whichever is later of (a) or (b).

(2.5) If a minor is arrested and no petition for delinquency is filed with the clerk of the circuit court as provided in paragraph (a) of subsection (1) at the time the minor is released from custody, the youth officer, if applicable, or other designated person from the arresting agency, shall notify verbally and in writing to the minor or the minor's parents or guardians that if the State's Attorney does not file a petition for delinquency, the minor has a right to petition to have his or her arrest record expunged when the minor attains the age of 17 or when all juvenile court proceedings relating to that minor have been terminated and that unless a petition to expunge is filed, the minor shall have an arrest record and shall provide the minor and the minor's parents or guardians with an expungement information packet, including a petition to expunge juvenile records obtained from the clerk of the circuit court.

(2.6) If a minor is charged with an offense and is found not delinquent of that offense; or if a minor is placed under supervision under Section 5-615, and the order of supervision is successfully terminated; or if a minor is adjudicated for an offense that would be a Class B misdemeanor, a Class C misdemeanor, or a business or petty offense if committed by an adult; or if a minor has incidents occurring before his or her 17th birthday that have not resulted in proceedings in criminal court, or resulted in proceedings in juvenile court, and the adjudications were not based upon first degree murder or sex offenses that would be felonies if committed by an adult; then at the time of sentencing or dismissal of the case, the judge shall inform the delinquent minor of his or her right to petition for expungement as provided by law, and the clerk of the circuit court shall provide an expungement information packet to the delinquent

New matter indicated by italics - deletions by strikeout.
minor, written in plain language, including a petition for expungement, a sample of a completed petition, expungement instructions that shall include information informing the minor that (i) once the case is expunged, it shall be treated as if it never occurred, (ii) he or she may apply to have petition fees waived, (iii) once he or she obtains an expungement, he or she may not be required to disclose that he or she had a juvenile record, and (iv) he or she may file the petition on his or her own or with the assistance of an attorney. The failure of the judge to inform the delinquent minor of his or her right to petition for expungement as provided by law does not create a substantive right, nor is that failure grounds for: (i) a reversal of an adjudication of delinquency, (ii) a new trial; or (iii) an appeal.

(2.7) For counties with a population over 3,000,000, the clerk of the circuit court shall send a "Notification of a Possible Right to Expungement" post card to the minor at the address last received by the clerk of the circuit court on the date that the minor attains the age of 17 based on the birthdate provided to the court by the minor or his or her guardian in cases under paragraphs (b), (c), and (d) of subsection (1); and when the minor attains the age of 21 based on the birthdate provided to the court by the minor or his or her guardian in cases under subsection (2).

(2.8) The petition for expungement for subsection (1) shall be substantially in the following form:

(3) The chief judge of the circuit in which an arrest was made or a charge was brought or any judge of that circuit designated by the chief judge may, upon verified petition of a person who is the subject of an arrest or a juvenile court proceeding under subsection (1) or (2) of this Section, order the law enforcement records or official court file, or both, to be expunged from the official records of the arresting authority, the clerk of the circuit court and the Department of State Police. The person whose records are to be expunged shall petition the court using the appropriate form containing his or her current address and shall promptly notify the clerk of the circuit court of any change of address. Notice of the petition shall be served upon the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, and the arresting agency or agencies by the clerk of the circuit court. PUBLIC ACT 95-0862
(House Bill No. 4174)

AN ACT concerning elections.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Election Code is amended by changing Sections 7-19, 16-3, 24A-6, 24B-6, 24C-6, and 24C-7 as follows:
(10 ILCS 5/7-19) (from Ch. 46, par. 7-19)
Sec. 7-19. The primary ballot of each political party for each precinct shall be arranged and printed substantially in the manner following:
1. Designating words. At the top of the ballot shall be printed in large capital letters, words designating the ballot, if a Republican ballot, the designating words shall be: "REPUBLICAN PRIMARY BALLOT"; if a Democratic ballot the designating words shall be: "DEMOCRATIC PRIMARY BALLOT"; and in like manner for each political party.
2. Order of Names, Directions to Voters, etc. Beginning not less than one inch below designating words, the name of each office to be

filled shall be printed in capital letters. Such names may be printed on the ballot either in a single column or in 2 or more columns and in the following order, to-wit:

President of the United States, State offices, congressional offices, delegates and alternate delegates to be elected from the State at large to National nominating conventions, delegates and alternate delegates to be elected from congressional districts to National nominating conventions, member or members of the State central committee, trustees of sanitary districts, county offices, judicial officers, city, village and incorporated town offices, town offices, or of such of the said offices as candidates are to be nominated for at such primary, and precinct, township or ward committeemen. If two or more columns are used, the foregoing offices to and including member of the State central committee shall be listed in the left-hand column and Senatorial offices, as defined in Section 8-3, shall be the first offices listed in the second column.

Below the name of each office shall be printed in small letters the directions to voters: "Vote for one"; "Vote for not more than two"; "Vote for not more than three"; or a spelled number designating how many persons under that head are to be voted for. If no candidate or candidates file for an office and if no person or persons file a declaration as a write-in candidate for that office, then below the title of that office the election authority instead shall print "No Candidate".

Next to the name of each candidate for delegate or alternate delegate to a national nominating convention shall appear either (a) the name of the candidate’s preference for President of the United States or the word "uncommitted" or (b) no official designation, depending upon the action taken by the State central committee pursuant to Section 7-10.3 of this Act.

Below the name of each office shall be printed in capital letters the names of all candidates, arranged in the order in which their petitions for nominations were filed, except as otherwise provided in Sections 7-14 and 7-17 of this Article. Opposite and in front of the name of each candidate shall be printed a square and all squares upon the primary ballot shall be of uniform size. Spaces between the names of candidates under each office shall be uniform and sufficient spaces shall separate the names of candidates for one office from the names of candidates for another office, to avoid confusion and to permit the writing in of the names of other candidates.
Where voting machines or electronic voting systems are used, the provisions of this Section may be modified as required or authorized by Article 24 or Article 24A, whichever is applicable.

(10 ILCS 5/16-3) (from Ch. 46, par. 16-3)

Sec. 16-3. (a) The names of all candidates to be voted for in each election district or precinct shall be printed on one ballot, except as is provided in Sections 16-6.1 and 21-1.01 of this Act and except as otherwise provided in this Act with respect to the odd year regular elections and the emergency referenda; all nominations of any political party being placed under the party appellation or title of such party as designated in the certificates of nomination or petitions. The names of all independent candidates shall be printed upon the ballot in a column or columns under the heading "independent" arranged under the names or titles of the respective offices for which such independent candidates shall have been nominated and so far as practicable, the name or names of any independent candidate or candidates for any office shall be printed upon the ballot opposite the name or names of any candidate or candidates for the same office contained in any party column or columns upon said ballot. The ballot shall contain no other names, except that in cases of electors for President and Vice-President of the United States, the names of the candidates for President and Vice-President may be added to the party designation and words calculated to aid the voter in his choice of candidates may be added, such as "Vote for one," "Vote for not more than three." If no candidate or candidates file for an office and if no person or persons file a declaration as a write-in candidate for that office, then below the title of that office the election authority instead shall print "No Candidate". When an electronic voting system is used which utilizes a ballot label booklet, the candidates and questions shall appear on the pages of such booklet in the order provided by this Code; and, in any case where candidates for an office appear on a page which does not contain the name of any candidate for another office, and where less than 50% of the page is utilized, the name of no candidate shall be printed on the lowest 25% of such page. On the back or outside of the ballot, so as to appear when folded, shall be printed the words "Official Ballot", followed by the designation of the polling place for which the ballot is prepared, the date of the election and a facsimile of the signature of the election authority who has caused the ballots to be printed. The ballots shall be of plain white paper, through which the printing or writing cannot be read.

However, ballots for use at the nonpartisan and consolidated elections may be printed on different color paper, except blue paper, whenever necessary or desirable to facilitate distinguishing between ballots for different political subdivisions. In the case of nonpartisan elections for officers of a political subdivision, unless the statute or an ordinance adopted pursuant to Article VII of the Constitution providing the form of government therefor requires otherwise, the column listing such nonpartisan candidates shall be printed with no appellation or circle at its head. The party appellation or title, or the word “independent” at the head of any column provided for independent candidates, shall be printed in letters not less than one-fourth of an inch in height and a circle one-half inch in diameter shall be printed at the beginning of the line in which such appellation or title is printed, provided, however, that no such circle shall be printed at the head of any column or columns provided for such independent candidates. The names of candidates shall be printed in letters not less than one-eighth nor more than one-fourth of an inch in height, and at the beginning of each line in which a name of a candidate is printed a square shall be printed, the sides of which shall be not less than one-fourth of an inch in length. However, the names of the candidates for Governor and Lieutenant Governor on the same ticket shall be printed within a bracket and a single square shall be printed in front of the bracket. The list of candidates of the several parties and any such list of independent candidates shall be placed in separate columns on the ballot in such order as the election authorities charged with the printing of the ballots shall decide; provided, that the names of the candidates of the several political parties, certified by the State Board of Elections to the several county clerks shall be printed by the county clerk of the proper county on the official ballot in the order certified by the State Board of Elections. Any county clerk refusing, neglecting or failing to print on the official ballot the names of candidates of the several political parties in the order certified by the State Board of Elections, and any county clerk who prints or causes to be printed upon the official ballot the name of a candidate, for an office to be filled by the Electors of the entire State, whose name has not been duly certified to him upon a certificate signed by the State Board of Elections shall be guilty of a Class C misdemeanor.

(b) When an electronic voting system is used which utilizes a ballot card, on the inside flap of each ballot card envelope there shall be printed a form for write-in voting which shall be substantially as follows:

WRITE-IN VOTES

New matter indicated by italics - deletions by strikeout.
(See card of instructions for specific information. Duplicate form below by hand for additional write-in votes.)

_____________________________
Title of Office
(   ) ____________________________

Name of Candidate
Write-in lines equal to the number of candidates for which a voter may vote shall be printed for an office only if one or more persons filed declarations of intent to be write-in candidates or qualify to file declarations to be write-in candidates under Sections 17-16.1 and 18-9.1 when the certification of ballot contains the words "OBJECTION PENDING".

(c) When an electronic voting system is used which uses a ballot sheet, the instructions to voters on the ballot sheet shall refer the voter to the card of instructions for specific information on write-in voting. Below each office appearing on such ballot sheet there shall be a provision for the casting of a write-in vote. Write-in lines equal to the number of candidates for which a voter may vote shall be printed for an office only if one or more persons filed declarations of intent to be write-in candidates or qualify to file declarations to be write-in candidates under Sections 17-16.1 and 18-9.1 when the certification of ballot contains the words "OBJECTION PENDING".

(d) When such electronic system is used, there shall be printed on the back of each ballot card, each ballot card envelope, and the first page of the ballot label when a ballot label is used, the words "Official Ballot," followed by the number of the precinct or other precinct identification, which may be stamped, in lieu thereof and, as applicable, the number and name of the township, ward or other election district for which the ballot card, ballot card envelope, and ballot label are prepared, the date of the election and a facsimile of the signature of the election authority who has caused the ballots to be printed. The back of the ballot card shall also include a method of identifying the ballot configuration such as a listing of the political subdivisions and districts for which votes may be cast on that ballot, or a number code identifying the ballot configuration or color coded ballots, except that where there is only one ballot configuration in a precinct, the precinct identification, and any applicable ward identification, shall be sufficient. Ballot card envelopes used in punch card systems shall be of paper through which no writing or punches may be discerned and shall be of sufficient length to enclose all voting positions. However, the

election authority may provide ballot card envelopes on which no precinct number or township, ward or other election district designation, or election date are preprinted, if space and a preprinted form are provided below the space provided for the names of write-in candidates where such information may be entered by the judges of election. Whenever an election authority utilizes ballot card envelopes on which the election date and precinct is not preprinted, a judge of election shall mark such information for the particular precinct and election on the envelope in ink before tallying and counting any write-in vote written thereon. If some method of insuring ballot secrecy other than an envelope is used, such information must be provided on the ballot itself.

(e) In the designation of the name of a candidate on the ballot, the candidate's given name or names, initial or initials, a nickname by which the candidate is commonly known, or a combination thereof, may be used in addition to the candidate's surname. If a candidate has changed his or her name, whether by a statutory or common law procedure in Illinois or any other jurisdiction, within 3 years before the last day for filing the petition for nomination, nomination papers, or certificate of nomination for that office, whichever is applicable, then (i) the candidate's name on the ballot must be followed by "formerly known as (list all prior names during the 3-year period) until name changed on (list date of each such name change)" and (ii) the petition, papers, or certificate must be accompanied by the candidate's affidavit stating the candidate's previous names during the period specified in (i) and the date or dates each of those names was changed; failure to meet these requirements shall be grounds for denying certification of the candidate's name for the ballot or removing the candidate's name from the ballot, as appropriate, but these requirements do not apply to name changes resulting from adoption to assume an adoptive parent's or parents' surname, marriage to assume a spouse's surname, or dissolution of marriage or declaration of invalidity of marriage to assume a former surname. No other designation such as a political slogan, title, or degree or nickname suggesting or implying possession of a title, degree or professional status, or similar information may be used in connection with the candidate's surname. For purposes of this Section, a "political slogan" is defined as any word or words expressing or connoting a position, opinion, or belief that the candidate may espouse, including but not limited to, any word or words conveying any meaning other than that of the personal identity of the candidate. A candidate may not use a political slogan as part of his or her name on the

ballot, notwithstanding that the political slogan may be part of the candidate's name.

(f) The State Board of Elections, a local election official, or an election authority shall remove any candidate's name designation from a ballot that is inconsistent with subsection (e) of this Section. In addition, the State Board of Elections, a local election official, or an election authority shall not certify to any election authority any candidate name designation that is inconsistent with subsection (e) of this Section.

(g) If the State Board of Elections, a local election official, or an election authority removes a candidate's name designation from a ballot under subsection (f) of this Section, then the aggrieved candidate may seek appropriate relief in circuit court.

Where voting machines or electronic voting systems are used, the provisions of this Section may be modified as required or authorized by Article 24 or Article 24A, whichever is applicable.

Nothing in this Section shall prohibit election authorities from using or reusing ballot card envelopes which were printed before the effective date of this amendatory Act of 1985.

(10 ILCS 5/24A-6) (from Ch. 46, par. 24A-6)

Sec. 24A-6. The ballot information, whether placed on the ballot or on the marking device, shall, as far as practicable, be in the order of arrangement provided for paper ballots, except that such information may be in vertical or horizontal rows, or in a number of separate pages. Ballots for all questions or propositions to be voted on must be provided in the same manner and must be arranged on or in the marking device or on the ballot sheet in the places provided for such purposes.

When an electronic voting system utilizes a ballot label booklet and ballot card, ballots for candidates, ballots calling for a constitutional convention, constitutional amendment ballots, judicial retention ballots, public measures, and all propositions to be voted on may be placed on the electronic voting device by providing in the ballot booklet separate ballot label pages or series of pages distinguished by differing colors as provided below. When an electronic voting system utilizes a ballot sheet, ballots calling for a constitutional convention, constitutional amendment ballots and judicial retention ballots shall be placed on the ballot sheet by providing a separate portion of the ballot sheet for each such kind of ballot which shall be printed in ink of a color distinct from the color of ink used in printing any other portion of the ballot sheet. Ballots for candidates,
public measures and all other propositions to be voted upon shall be placed on the ballot sheet by providing a separate portion of the ballot sheet for each such kind of ballot. Whenever a person has submitted a declaration of intent to be a write-in candidate as required in Sections 17-16.1 and 18-9.1, a line on which the name of a candidate may be written by the voter shall be printed below the name of the last candidate nominated for such office, and immediately to the left of such line an area shall be provided for marking a vote for such write-in candidate. The number of write-in lines for an office shall equal the number of persons who have filed declarations of intent to be write-in candidates plus an additional line or lines for write-in candidates who qualify to file declarations to be write-in candidates under Sections 17-16.1 and 18-9.1 when the certification of ballot contains the words "OBJECTION PENDING" next to the name of the candidate, up to the number of candidates for which a voter may vote. More than one amendment to the constitution may be placed on the same ballot page or series of pages or on the same portion of the ballot sheet, as the case may be. Ballot label pages for constitutional conventions or constitutional amendments shall be on paper of blue color and shall precede all other ballot label pages in the ballot label booklet. More than one public measure or proposition may be placed on the same ballot label page or series of pages or on the same portion of the ballot sheet, as the case may be. More than one proposition for retention of judges in office may be placed on the same ballot label page or series of pages or on the same portion of the ballot sheet, as the case may be. Ballot label pages for candidates shall be on paper of white color, except that in primary elections the ballot label page or pages for the candidates of each respective political party shall be of the color designated by the election official in charge of the election for that political party's candidates; provided that the ballot label pages or pages for candidates for use at the nonpartisan and consolidated elections may be on paper of different colors, except blue, whenever necessary or desirable to facilitate distinguishing between the pages for different political subdivisions. On each page of the candidate booklet, where the election is made to list ballot information vertically, the party affiliation of each candidate or the word "independent" shall appear immediately to the left of the candidate's name, and the name of candidates for the same office shall be listed vertically under the title of that office. If no candidate or candidates file for an office and if no person or persons file a declaration as a write-in candidate for that office, then below the title of that office the

election authority instead shall print "No Candidate". In the case of nonpartisan elections for officers of political subdivisions, unless the statute or an ordinance adopted pursuant to Article VII of the Constitution requires otherwise, the listing of such nonpartisan candidates shall not include any party or "independent" designation. Ballot label pages for judicial retention ballots shall be on paper of green color, and ballot label pages for all public measures and other propositions shall be on paper of some other distinct and different color. In primary elections, a separate ballot label booklet, marking device and voting booth shall be used for each political party holding a primary, with the ballot label booklet arranged to include ballot label pages of the candidates of the party and public measures and other propositions to be voted upon on the day of the primary election. One ballot card may be used for recording the voter's vote or choice on all such ballots, proposals, public measures or propositions, and such ballot card shall be arranged so as to record the voter's vote or choice in a separate column or columns for each such kind of ballot, proposal, public measure or proposition.

If the ballot label booklet includes both candidates for office and public measures or propositions to be voted on, the election official in charge of the election shall divide the pages by protruding tabs identifying the division of the pages, and printing on such tabs "Candidates" and "Propositions".

The ballot card and all of its columns and the ballot card envelope shall be of the color prescribed for candidate's ballots at the general or primary election, whichever is being held. At an election where no candidates are being nominated or elected, the ballot card, its columns, and the ballot card envelope shall be of a color designated by the election official in charge of the election.

The ballot cards, ballot card envelopes and ballot sheets may, at the discretion of the election authority, be printed on white paper and then striped with the appropriate colors.

When ballot sheets are used, the various portions thereof shall be arranged to conform to the foregoing format.

Absentee ballots may consist of ballot cards, envelopes, paper ballots or ballot sheets voted in person in the office of the election official in charge of the election or voted by mail. Where a ballot card is used for voting by mail it must be accompanied by a punching tool or other appropriate marking device, voter instructions and a specimen ballot showing the proper positions to vote on the ballot card or ballot sheet for

each party, candidate, proposal, public measure or proposition, and in the case of a ballot card must be mounted on a suitable material to receive the punched out chip.

Any voter who spoils his ballot or makes an error may return the ballot to the judges of election and secure another. However, the protruding identifying tab for proposals for a constitutional convention or constitutional amendments shall have printed thereon "Constitutional Ballot", and the ballot label page or pages for such proposals shall precede the ballot label pages for candidates in the ballot label booklet.

Sec. 24B-6. Ballot Information; Arrangement; Electronic Precinct Tabulation Optical Scan Technology Voting System; Absentee Ballots; Spoiled Ballots. The ballot information, shall, as far as practicable, be in the order of arrangement provided for paper ballots, except that the information may be in vertical or horizontal rows, or on a number of separate pages or displays on the marking device. Ballots for all questions or propositions to be voted on should be provided in a similar manner and must be arranged on the ballot sheet or marking device in the places provided for such purposes. Ballots shall be of white paper unless provided otherwise by administrative rule of the State Board of Elections or otherwise specified.

All propositions, including but not limited to propositions calling for a constitutional convention, constitutional amendment, judicial retention, and public measures to be voted upon shall be placed on separate portions of the ballot sheet or marking device by utilizing borders or grey screens. Candidates shall be listed on a separate portion of the ballot sheet or marking device by utilizing borders or grey screens. Whenever a person has submitted a declaration of intent to be a write-in candidate as required in Sections 17-16.1 and 18-9.1, a line or lines on which the voter may select a write-in candidate shall be printed below the name of the last candidate nominated for such office. Such line or lines shall be proximate to an area provided for marking votes for the write-in candidate or candidates. The number of write-in lines for an office shall equal the number of persons who have filed declarations of intent to be write-in candidates plus an additional line or lines for write-in candidates who qualify to file declarations to be write-in candidates under Sections 17-16.1 and 18-9.1 when the certification of ballot contains the words "OBJECTION PENDING" next to the name of that candidate, up to the

Constitutional convention or constitutional amendment propositions shall be printed or displayed on a separate portion of the ballot sheet or marking device and designated by borders or grey screens, unless otherwise provided by administrative rule of the State Board of Elections. More than one public measure or proposition may be placed on the same portion of the ballot sheet or marking device. Names of candidates shall be printed in black. The party affiliation of each candidate or the word "independent" shall appear near or under the candidate's name, and the names of candidates for the same office shall be listed vertically under the title of that office, on separate pages of the marking device, or as otherwise approved by the State Board of Elections. If no candidate or candidates file for an office and if no person or persons file a declaration as a write-in candidate for that office, then below the title of that office the election authority instead shall print "No Candidate". In the case of nonpartisan elections for officers of political subdivisions, unless the statute or an ordinance adopted pursuant to Article VII of the Constitution requires otherwise, the listing of nonpartisan candidates shall not include any party or "independent" designation. Judicial retention questions and ballot questions for all public measures and other propositions shall be designated by borders or grey screens on the ballot or marking device. In primary elections, a separate ballot, or displays on the marking device, shall be used for each political party holding a primary, with the ballot or marking device arranged to include names of the candidates of the party and public measures and other propositions to be voted upon on the day of the primary election.

If the ballot includes both candidates for office and public measures or propositions to be voted on, the election official in charge of the election shall divide the ballot or displays on the marking device in sections for "Candidates" and "Propositions", or separate ballots may be used.

Absentee ballots may consist of envelopes, paper ballots or ballot sheets voted in person in the office of the election official in charge of the election or voted by mail. Where a Precinct Tabulation Optical Scan Technology ballot is used for voting by mail it must be accompanied by voter instructions.

Any voter who spoils his or her ballot, makes an error, or has a ballot returned by the automatic tabulating equipment may return the ballot to the judges of election and get another ballot.

Ballots for all public questions to be voted on should be provided in a similar manner and must be arranged on the ballot in the places provided for such purposes. All public questions, including but not limited to public questions calling for a constitutional convention, constitutional amendment, or judicial retention, shall be placed on the ballot separate and apart from candidates. Ballots for all public questions shall be clearly designated by borders or different color screens. More than one amendment to the constitution may be placed on the same portion of the ballot sheet. Constitutional convention or constitutional amendment propositions shall be placed on a separate portion of the ballot and designated by borders or unique color screens, unless otherwise provided by administrative rule of the State Board of Elections. More than one public question may be placed on the same portion of the ballot. More than one proposition for retention of judges in office may be placed on the same portion of the ballot.

The party affiliation, if any, of each candidate or the word "independent", where applicable, shall appear near or under the candidate's name, and the names of candidates for the same office shall be listed vertically under the title of that office. Section 99. Effective date. This Act takes effect upon becoming law.

Approved August 19, 2008.
Effective August 19, 2008.

PUBLIC ACT 95-0863
(Senate Bill No. 2387)

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 27-12.1 as follows:

(105 ILCS 5/27-12.1) (from Ch. 122, par. 27-12.1)
Sec. 27-12.1. Consumer education.

(a) Subject to the provisions of subsection (b) of this Section, pupils in the public schools in grades 9 through 12 shall be taught and be required to study courses which include instruction in the area of consumer education, including but not necessarily limited to (i) understanding the basic concepts of financial literacy, including installment purchasing (including credit scoring, managing credit debt, and completing a loan application), budgeting, savings and investing, banking (including balancing a checkbook, opening a deposit account, and the use of interest rates), understanding simple contracts, State and federal income taxes, personal insurance policies, and the comparison of prices, and homeownership (including the basic process of obtaining a mortgage and the concepts of fixed and adjustable rate mortgages, subprime loans, and predatory lending), and (ii) understanding the roles of consumers

interacting with agriculture, business, labor unions and government in formulating and achieving the goals of the mixed free enterprise system. The State Board of Education shall devise or approve the consumer education curriculum for grades 9 through 12 and specify the minimum amount of instruction to be devoted thereto.

(b) Prior to the commencement of the 1986-1987 school year and prior to the commencement of each school year thereafter, the State Board of Education shall devise, develop and furnish to each school district within the State a uniform Annual Consumer Education Proficiency Test to be administered by each school district to those pupils of the district in grades 9 through 12 who elect to take the same, provided that no pupil shall be permitted to take the test more than once in any school year. Each year the State Board of Education shall by rule prescribe the date or dates during the school year on which school districts shall administer the test devised and developed for that school year, together with the uniform standards which all districts shall apply in scoring that test. The test shall be devised and developed by the State Board of Education each year in a standardized manner to allow any pupil who takes the same and who achieves a score thereon which is not less than the minimum score established by the State Board of Education for the test so taken to thereby demonstrate sufficient proficiency in the area of consumer education as shall excuse such pupil from the necessity of receiving, as a prerequisite to graduation from high school and receipt of a high school diploma, the minimum amount of instruction in a consumer education curriculum otherwise required by subsection (a) and the rules or regulations promulgated thereunder. For purposes of this subsection, "proficiency" is defined to mean that a pupil is competent in and has a well advanced knowledge of consumer education so that study of the course of instruction required by this Section would not be substantially educationally beneficial as determined by the State Board of Education when developing the uniform standards and minimum score requirements of this Section.

(c) The Financial Literacy Fund is created as a special fund in the State treasury. State funds and private contributions for the promotion of financial literacy shall be deposited into the Financial Literacy Fund. All money in the Financial Literacy Fund shall be used, subject to appropriation, by the State Board of Education to award grants to school districts for the following:

(1) Defraying the costs of financial literacy training for teachers.
(2) Rewarding a school or teacher who wins or achieves results at a certain level of success in a financial literacy competition.

(3) Rewarding a student who wins or achieves results at a certain level of success in a financial literacy competition.

(4) Funding activities, including books, games, field trips, computers, and other activities, related to financial literacy education.

In awarding grants, every effort must be made to ensure that all geographic areas of the State are represented.

(d) A school board may establish a special fund in which to receive public funds and private contributions for the promotion of financial literacy. Money in the fund shall be used for the following:

(1) Defraying the costs of financial literacy training for teachers.

(2) Rewarding a school or teacher who wins or achieves results at a certain level of success in a financial literacy competition.

(3) Rewarding a student who wins or achieves results at a certain level of success in a financial literacy competition.

(4) Funding activities, including books, games, field trips, computers, and other activities, related to financial literacy education.

(e) The State Board of Education, upon the next comprehensive review of the Illinois Learning Standards, is urged to include the basic principles of personal insurance policies and understanding simple contracts.

Section 5. The Illinois Parentage Act of 1984 is amended by changing Section 14 as follows:

(750 ILCS 45/14) (from Ch. 40, par. 2514)

(a) (1) The judgment shall contain or explicitly reserve provisions concerning any duty and amount of child support and may contain provisions concerning the custody and guardianship of the child, visitation privileges with the child, the furnishing of bond or other security for the payment of the judgment, which the court shall determine in accordance with the relevant factors set forth in the Illinois Marriage and Dissolution of Marriage Act and any other applicable law of Illinois, to guide the court in a finding in the best interests of the child. In determining custody, joint custody, removal, or visitation, the court shall apply the relevant standards of the Illinois Marriage and Dissolution of Marriage Act, including Section 609. Specifically, in determining the amount of any child support award or child health insurance coverage, the court shall use the guidelines and standards set forth in subsection (a) of Section 505 and in Section 505.2 of the Illinois Marriage and Dissolution of Marriage Act. For purposes of Section 505 of the Illinois Marriage and Dissolution of Marriage Act, "net income" of the non-custodial parent shall include any benefits available to that person under the Illinois Public Aid Code or from other federal, State or local government-funded programs. The court shall, in any event and regardless of the amount of the non-custodial parent's net income, in its judgment order the non-custodial parent to pay child support to the custodial parent in a minimum amount of not less than $10 per month, as long as such an order is consistent with the requirements of Title IV, Part D of the Social Security Act. In an action brought within 2 years after a judicial determination of parentage a child's birth, the judgment or order may direct either parent to pay the reasonable expenses incurred by either parent or the Department of Healthcare and Family Services related to the mother's pregnancy and the delivery of the child. The judgment or order shall contain the father's social security number, which the father shall disclose to the court; however, failure to include the father's social security number on the judgment or order does not invalidate the judgment or order.

(2) If a judgment of parentage contains no explicit award of custody, the establishment of a support obligation or of visitation rights in one parent shall be considered a judgment granting custody to the other parent. If the parentage judgment contains no such provisions, custody

shall be presumed to be with the mother; however, the presumption shall not apply if the father has had physical custody for at least 6 months prior to the date that the mother seeks to enforce custodial rights.

(b) The court shall order all child support payments, determined in accordance with such guidelines, to commence with the date summons is served. The level of current periodic support payments shall not be reduced because of payments set for the period prior to the date of entry of the support order. The Court may order any child support payments to be made for a period prior to the commencement of the action. In determining whether and the extent to which the payments shall be made for any prior period, the court shall consider all relevant facts, including the factors for determining the amount of support specified in the Illinois Marriage and Dissolution of Marriage Act and other equitable factors including but not limited to:

1. The father's prior knowledge of the fact and circumstances of the child's birth.
2. The father's prior willingness or refusal to help raise or support the child.
3. The extent to which the mother or the public agency bringing the action previously informed the father of the child's needs or attempted to seek or require his help in raising or supporting the child.
4. The reasons the mother or the public agency did not file the action earlier.
5. The extent to which the father would be prejudiced by the delay in bringing the action.

For purposes of determining the amount of child support to be paid for any period before the date the order for current child support is entered, there is a rebuttable presumption that the father's net income for the prior period was the same as his net income at the time the order for current child support is entered.

If (i) the non-custodial parent was properly served with a request for discovery of financial information relating to the non-custodial parent's ability to provide child support, (ii) the non-custodial parent failed to comply with the request, despite having been ordered to do so by the court, and (iii) the non-custodial parent is not present at the hearing to determine support despite having received proper notice, then any relevant financial information concerning the non-custodial parent's ability to provide child support that was obtained pursuant to subpoena and proper notice shall be

admitted into evidence without the need to establish any further foundation for its admission.

(c) Any new or existing support order entered by the court under this Section shall be deemed to be a series of judgments against the person obligated to pay support thereunder, each judgment to be in the amount of each payment or installment of support and each such judgment to be deemed entered as of the date the corresponding payment or installment becomes due under the terms of the support order. Each judgment shall have the full force, effect and attributes of any other judgment of this State, including the ability to be enforced. A lien arises by operation of law against the real and personal property of the noncustodial parent for each installment of overdue support owed by the noncustodial parent.

(d) If the judgment or order of the court is at variance with the child's birth certificate, the court shall order that a new birth certificate be issued under the Vital Records Act.

(e) On request of the mother and the father, the court shall order a change in the child's name. After hearing evidence the court may stay payment of support during the period of the father's minority or period of disability.

(f) If, upon a showing of proper service, the father fails to appear in court, or otherwise appear as provided by law, the court may proceed to hear the cause upon testimony of the mother or other parties taken in open court and shall enter a judgment by default. The court may reserve any order as to the amount of child support until the father has received notice, by regular mail, of a hearing on the matter.

(g) A one-time charge of 20% is imposable upon the amount of past-due child support owed on July 1, 1988 which has accrued under a support order entered by the court. The charge shall be imposed in accordance with the provisions of Section 10-21 of the Illinois Public Aid Code and shall be enforced by the court upon petition.

(h) All orders for support, when entered or modified, shall include a provision requiring the non-custodial parent to notify the court and, in cases in which party is receiving child support enforcement services under Article X of the Illinois Public Aid Code, the Department of Healthcare and Family Services, within 7 days, (i) of the name and address of any new employer of the non-custodial parent, (ii) whether the non-custodial parent has access to health insurance coverage through the employer or other group coverage and, if so, the policy name and number and the names of persons covered under the policy, and (iii) of any new residential or

mailing address or telephone number of the non-custodial parent. In any subsequent action to enforce a support order, upon a sufficient showing that a diligent effort has been made to ascertain the location of the non-custodial parent, service of process or provision of notice necessary in the case may be made at the last known address of the non-custodial parent in any manner expressly provided by the Code of Civil Procedure or this Act, which service shall be sufficient for purposes of due process.

(i) An order for support shall include a date on which the current support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the order will attain the age of 18. However, if the child will not graduate from high school until after attaining the age of 18, then the termination date shall be no earlier than the earlier of the date on which the child's high school graduation will occur or the date on which the child will attain the age of 19. The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. Nothing in this subsection shall be construed to prevent the court from modifying the order or terminating the order in the event the child is otherwise emancipated.

(i-5) If there is an unpaid arrearage or delinquency (as those terms are defined in the Income Withholding for Support Act) equal to at least one month's support obligation on the termination date stated in the order for support or, if there is no termination date stated in the order, on the date the child attains the age of majority or is otherwise emancipated, the periodic amount required to be paid for current support of that child immediately prior to that date shall automatically continue to be an obligation, not as current support but as periodic payment toward satisfaction of the unpaid arrearage or delinquency. That periodic payment shall be in addition to any periodic payment previously required for satisfaction of the arrearage or delinquency. The total periodic amount to be paid toward satisfaction of the arrearage or delinquency may be enforced and collected by any method provided by law for enforcement and collection of child support, including but not limited to income withholding under the Income Withholding for Support Act. Each order for support entered or modified on or after the effective date of this amendatory Act of the 93rd General Assembly must contain a statement notifying the parties of the requirements of this subsection. Failure to include the statement in the order for support does not affect the validity of the order or the operation of the provisions of this subsection with regard to the order. This subsection shall not be construed to prevent or affect the

establishment or modification of an order for support of a minor child or the establishment or modification of an order for support of a non-minor child or educational expenses under Section 513 of the Illinois Marriage and Dissolution of Marriage Act.

(j) An order entered under this Section shall include a provision requiring the obligor to report to the obligee and to the clerk of court within 10 days each time the obligor obtains new employment, and each time the obligor's employment is terminated for any reason. The report shall be in writing and shall, in the case of new employment, include the name and address of the new employer. Failure to report new employment or the termination of current employment, if coupled with nonpayment of support for a period in excess of 60 days, is indirect criminal contempt. For any obligor arrested for failure to report new employment bond shall be set in the amount of the child support that should have been paid during the period of unreported employment. An order entered under this Section shall also include a provision requiring the obligor and obligee parents to advise each other of a change in residence within 5 days of the change except when the court finds that the physical, mental, or emotional health of a party or that of a minor child, or both, would be seriously endangered by disclosure of the party's address.

PUBLIC ACT 95-0866
(Senate Bill No. 2748)

AN ACT concerning local government.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Fire Protection District Act is amended by changing Section 4 as follows:

(70 ILCS 705/4) (from Ch. 127 1/2, par. 24)
Sec. 4. Trustees; conflict of interest; violations.
(a) A board of trustees consisting of 3 members for the government and control of the affairs and business of a fire protection district incorporated under this Act shall be created in the following manner:

(1) If the district lies wholly within a single township but does not also lie wholly within a municipality, the board of trustees of that township shall appoint the trustees for the district but no township official who is eligible to vote on the appointment shall be eligible for such appointment.

New matter indicated by italics - deletions by strikeout.
(2) If the district is wholly contained within a municipality, the governing body of the municipality shall appoint the trustees for the district.

(3) If the district is wholly contained within a single county but does not lie wholly within a single township or a single municipality, the trustees for the district shall be appointed by the presiding officer of the county board with the advice and consent of the county board; except that in counties with a population in excess of 3,000,000, 2 trustees for the district shall be appointed by the board of trustees of the township that has the greatest population within the district as determined by the last preceding federal census. That board of trustees shall also appoint the remaining trustee if no other township comprises at least 10% of the population of the district. If only one other township comprises at least 10% of the population of the district, then the board of trustees of that district shall appoint the remaining trustee. If 2 or more other townships each comprise at least 10% of the population of the district, then the boards of trustees of those townships shall jointly appoint the remaining trustee. No township official who is eligible to vote on the appointment shall be eligible for the appointment.

(4) If the district is located in more than one county, the number of trustees who are residents of a county shall be in proportion, as nearly as practicable, to the number of residents of the district who reside in that county in relation to the total population of the district.

(A) In counties with a population of 3,000,000 or more, the trustees shall be appointed as provided in paragraphs (1), (2), and (3) of subsection (a) of this Section. For purposes of this item (A) and in item (B), "district" means that portion of the total fire protection district lying within a county with a population in excess of 3,000,000.

(B) In counties with a population of less than 3,000,000, the trustees for the district shall be appointed by the presiding officer of the county board with the advice and consent of the county board.

Upon the expiration of the term of a trustee who is in office on October 1, 1975, the successor shall be a resident of whichever county is entitled to such representation in order to bring about the proportional

representation required herein, and he shall be appointed by the county board of that county, or in the case of a home rule county as defined by Article VII, Section 6 of the Constitution of 1970, the chief executive officer of that county, with the advice and consent of the county board.

Thereafter, each trustee shall be succeeded by a resident of the same county who shall be appointed by the same appointing authority; however, the provisions of the preceding paragraph shall apply to the appointment of the successor to each trustee who is in office at the time of the publication of each decennial Federal census of population.

Within 60 days after the adoption of this Act as provided in Section 1, or within 60 days after the adoption of an ordinance pursuant to subsection (c) of Section 4.01, the appropriate appointing authority shall appoint 3 trustees who are electors in the district, not more than one of whom shall be from any one city or village or incorporated town in a district unless such city or village or incorporated town has more than 50% of the population in the district according to last preceding Federal census. Such trustees shall hold their offices thenceforward and for one, 2 and 3 years from the first Monday of May next after their appointment and until their successors have been selected and qualified and thereafter, unless the district has determined to elect trustees as provided in Section 4a, on or before the second Monday in April of each year the appointing authority shall appoint one trustee whose term shall be for 3 years commencing on the first Monday in May next after they are respectively appointed. The length of term of the first trustees shall be determined by lot at their first meeting.

Each trustee shall, before entering on the duties of his office, enter into bond with security to be approved by the appointing authority in such sum as the authority may determine.

A majority of the board of trustees shall constitute a quorum, but a smaller number may adjourn from day to day. No trustee or employee of such district shall be directly or indirectly interested financially in any contract work or business or the sale of any article, the expense, price or consideration of which is paid by the district; nor in the purchase of any real estate or other property, belonging to the district, or which shall be sold for taxes or assessments or by virtue of legal process at the suit of the district. Nothing in this Section prohibits the appointment or selection of any person or trustee or employee whose only interest in the district is as an owner of real estate in such fire protection district or of contributing to

the payment of taxes levied by the district. The trustees shall have the power to provide and adopt a corporate seal for the district.

(b) However, any trustee may provide materials, merchandise, property, services or labor, if:

A. the contract is with a person, firm, partnership, association, corporation or cooperative association in which such interested trustee has less than a 7 1/2% share in the ownership; and

B. such interested trustee publicly discloses the nature and extent of his interest prior to or during deliberations concerning the proposed award of the contract; and

C. such interested trustee abstains from voting on the award of the contract, though he shall be considered present for the purposes of establishing a quorum; and

D. such contract is approved by a majority vote of those trustees presently holding office; and

E. the contract is awarded after sealed bids to the lowest responsible bidder if the amount of the contract exceeds $1500, but the contract may be awarded without bidding if the amount is less than $1500; and

F. the award of the contract would not cause the aggregate amount of all such contracts so awarded to the same person, firm, association, partnership, corporation, or cooperative association in the same fiscal year to exceed $25,000.

(c) In addition to the above exemption, any trustee or employee may provide materials, merchandise, property, services or labor if:

A. the award of the contract is approved by a majority vote of the board of trustees of the fire protection district provided that any such interested member shall abstain from voting; and

B. the amount of the contract does not exceed $1000; and

C. the award of the contract would not cause the aggregate amount of all such contracts so awarded to the same person, firm, association, partnership, corporation, or cooperative association in the same fiscal year to exceed $2000; and

D. such interested member publicly discloses the nature and extent of his interest prior to or during deliberations concerning the proposed award of the contract; and
E. such interested member abstains from voting on the
award of the contract, though he shall be considered present for the
purposes of establishing a quorum.

(d) A contract for the procurement of public utility services by a
district with a public utility company is not barred by this Section by one
or more members of the board of trustees being an officer or employee of
the public utility company or holding an ownership interest if no more
than 7 1/2% in the public utility company, or holding an ownership interest
of any size if the fire protection district has a population of less than 7,500
and the public utility's rates are approved by the Illinois Commerce
Commission. An elected or appointed member of the board of trustees
having such an interest shall be deemed not to have a prohibited interest
under this Section.

(e) Any officer or employee who violates this Section is guilty of a
Class 4 felony and in addition thereto any office held by such person so
convicted shall become vacant and shall be so declared as part of the
judgment of the court.

(f) Nothing contained in this Section, including the restrictions set
forth in subsections (b), (c) and (d), shall preclude a contract of deposit of
monies, loans or other financial services by a fire protection district with a
local bank or local savings and loan association, regardless of whether a
member or members of the board of trustees of the fire protection district
are interested in such bank or savings and loan association as an officer or
employee or as a holder of less than 7 1/2% of the total ownership interest.
A member or members holding such an interest in such a contract shall not
be deemed to be holding a prohibited interest for purposes of this Act.
Such interested member or members of the board of trustees must publicly
state the nature and extent of their interest during deliberations concerning
the proposed award of such a contract, but shall not participate in any
further deliberations concerning the proposed award. Such interested
member or members shall not vote on such a proposed award. Any
member or members abstaining from participation in deliberations and
voting under this Section may be considered present for purposes of
establishing a quorum. Award of such a contract shall require approval by
a majority vote of those members presently holding office. Consideration
and award of any such contract in which a member or members are
interested may only be made at a regularly scheduled public meeting of the
board of trustees of the fire protection district.

(g) Beginning on the effective date of this amendatory Act of 1990 and ending 3 years after the effective date of this amendatory Act of 1990, in the case of a fire protection district board of trustees in a county with a population of more than 400,000 but less than 450,000, according to the 1980 general census, created under subsection (a), paragraph (3) of this Section a petition for the redress of a trustee, charging the trustee with palpable omission of duty or nonfeasance in office, signed by not less than 5% of the electors of the district may be presented to the township supervisor or the presiding officer of the county board, as appropriate. Upon receipt of the petition, the township supervisor or presiding officer of the county board, as appropriate, shall preside over a hearing on the matter of the requested redress. The hearing shall be held not less than 14 nor more than 30 days after receipt of the petition. In the case of a fire protection district trustee appointed by the presiding officer of the county board, the presiding officer shall appoint at least 4 but not more than 8 members of the county board, a majority of whom shall reside in a county board district in which the fire protection district is wholly or partially located, to serve as the hearing panel. In the case of a fire protection district trustee appointed by the board of town trustees, the township supervisor and 2 other town trustees appointed by the supervisor shall serve as the hearing panel. Within 30 days after the hearing, the panel shall issue a statement of its findings concerning the charges against the trustee, based upon the evidence presented at the hearing, and may make to the fire protection district any recommendations deemed appropriate.

(h) Any elected or appointed trustee of a fire protection district shall be entitled to absent himself or herself from any services or employment in which the trustee is then engaged or employed on the day and time of a meeting of the board of trustees of the fire protection district for the period of time during which the meeting is held and during any necessary time required to travel to and from the meeting. Any trustee availing himself or herself of this provision shall not be penalized in any manner by his or her employer as a result of an absence authorized by this subsection; however, the employer shall not be required to compensate the trustee for the time during which the trustee is absent. No employer shall refuse to grant to a trustee of a fire protection district the privilege granted by this subsection, nor shall any employer penalize or otherwise discriminate against any trustee who avails himself or herself of the provisions of this subsection, except as otherwise provided herein. No employer may directly or indirectly violate the provisions of this

PUBLIC ACT 95-0870

(House Bill No. 5120)

AN ACT concerning public employee benefits.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Pension Code is amended by changing Section 16-140 as follows:

(40 ILCS 5/16-140) (from Ch. 108 1/2, par. 16-140)

Sec. 16-140. Survivors' benefits - definitions.

(a) For the purpose of Sections 16-138 through 16-143.2, the following terms shall have the following meanings, unless the context otherwise requires:

(1) "Average salary": the average salary for the highest 4 consecutive years within the last 10 years of creditable service immediately preceding date of death or retirement, whichever is applicable, or the average salary for the total creditable service if service is less than 4 years.

(2) "Member": any teacher included in the membership of the system. However, a teacher who becomes an annuitant of the system or a teacher whose services terminate after 20 years of service from any cause other than retirement is considered a member, subject to the conditions and limitations stated in this Article.

New matter indicated by italics - deletions by strikeout.
(3) "Dependent beneficiary": (A) a surviving spouse of a member or annuitant who was married to the member or annuitant for the 12 month period immediately preceding and on the date of death of such member or annuitant, except where a child is born of such marriage, in which case the qualifying period shall not be applicable; (A-1) a surviving spouse of a member or annuitant who (i) was married to the member or annuitant on the date of the member or annuitant's death, (ii) was married to the member or annuitant for a period of at least 12 months (but not necessarily the 12 months immediately preceding the member or annuitant's death), and (iii) has not received a benefit under subsection (a) of Section 16-141 or paragraph (1) of Section 16-142; (B) an eligible child of a member or annuitant; and (C) a dependent parent.

Unless otherwise designated by the member, eligibility for benefits shall be in the order named, except that a dependent parent shall be eligible only if there is no other dependent beneficiary. Any benefit to be received by or paid to a dependent beneficiary to be determined under this paragraph as provided in Sections 16-141 and 16-142 may be received by or paid to a trust established for such dependent beneficiary if such dependent beneficiary is living at the time such benefit would be received by or paid to such trust.

(4) "Eligible child": an unmarried natural or adopted child of the member or annuitant under age 18 (age 22 if a full-time student). An unmarried natural or adopted child, regardless of age, who is dependent by reason of a physical or mental disability, except any such child receiving benefits under Article III of the Illinois Public Aid Code, is eligible for so long as such physical or mental disability continues. An adopted child, however, is eligible only if the proceedings for adoption were finalized while the child was a minor.

For purposes of this subsection, "disability" means an inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months.

New matter indicated by italics - deletions by strikeout.
that Act. These changes do not authorize the repayment of a refund or a re-election of benefits, and any benefit or increase in benefits resulting from these changes is not payable retroactively for any period before the effective date of that Act.

(5) "Dependent parent": a parent who was receiving at least 1/2 of his or her support from a member or annuitant for the 12-month period immediately preceding and on the date of such member's or annuitant's death, provided however, that such dependent status terminates upon a member's acceptance of a refund for survivor benefit contributions as provided under Section 16-142.

(6) "Non-dependent beneficiary": any person, organization or other entity designated by the member who does not qualify as a dependent beneficiary.

(7) "In service": the condition of a member being in receipt of salary as a teacher at any time within 12 months immediately before his or her death, being on leave of absence for which the member, upon return to teaching, would be eligible to purchase service credit under subsection (b)(5) of Section 16-127, or being in receipt of a disability or occupational disability benefit. This term does not include any annuitant or member who previously accepted a refund of survivor benefit contributions under paragraph (1) of Section 16-142 unless the conditions specified in subsection (b) of Section 16-143.2 are met.

(b) The change to this Section made by Public Act 90-511 applies without regard to whether the deceased member or annuitant was in service on or after the effective date of that Act.

The change to this Section made by this amendatory Act of the 91st General Assembly applies without regard to whether the deceased member or annuitant was in service on or after the effective date of this amendatory Act.

The Township Officers Electoral Board may meet in the township offices, if they are available, rather than the county courthouse. In those cases where the State Board of Elections is the electoral board designated under Section 10-9, the chairman of the State Board of Elections shall, within 24 hours after the receipt of the certificate of nomination or nomination papers or petitions for a proposed amendment to Article IV of the Constitution or proposed statewide question of public policy, send a call by registered or certified mail to the objector who files the objector's petition, and either to the candidate whose certificate of nomination or nomination papers are objected to or to the principal proponent or attorney for proponents of the proposed Constitutional amendment or statewide question of public policy and shall state the day, hour and place at which the electoral board shall meet for the purpose, which place may be in the Capitol Building or in the principal or permanent branch office of the State Board. The day of the meeting shall not be less than 3 nor more than 5 days after the receipt of the certificate of nomination or nomination papers and the objector's petition by the chairman of the electoral board.

The electoral board shall have the power to administer oaths and to subpoena and examine witnesses and at the request of either party the chairman may issue subpoenas requiring the attendance of witnesses and subpoenas duces tecum requiring the production of such books, papers, records and documents as may be evidence of any matter under inquiry before the electoral board, in the same manner as witnesses are subpoenaed in the Circuit Court.

If such person shall knowingly fail or refuse to obey such order of the court without lawful excuse, the court shall punish him or her by fine and imprisonment, as the nature of the case may require and may be lawful in cases of contempt of court.

The electoral board on the first day of its meeting shall adopt rules of procedure for the introduction of evidence and the presentation of arguments and may, in its discretion, provide for the filing of briefs by the parties to the objection or by other interested persons.

In the event of a State Electoral Board hearing on objections to a petition for an amendment to Article IV of the Constitution pursuant to Section 3 of Article XIV of the Constitution, or to a petition for a question of public policy to be submitted to the voters of the entire State, the certificates of the county clerks and boards of election commissioners showing the results of the random sample of signatures on the petition shall be prima facie valid and accurate, and shall be presumed to establish the number of valid and invalid signatures on the petition sheets reviewed in the random sample, as prescribed in Section 28-11 and 28-12 of this Code. established political parties, candidates and qualified civic organizations can have only as many pollwatchers at any given time as are authorized in this Article. A substitute must present his signed credential to the judges of election upon entering the polling place. Election authorities must provide a sufficient number of credentials to allow for substitution of pollwatchers. Pollwatchers shall be permitted to observe all proceedings and view all reasonably requested records relating to the conduct of the election, provided the secrecy of the ballot is not impinged, and to station themselves in a position in the voting room as will enable them to observe the judges making the signature comparison between the voter application and the voter registration record card; provided, however, that such pollwatchers shall not be permitted to station themselves in such close proximity to the judges of election so as to interfere with the orderly conduct of the election and shall not, in any event, be permitted to handle election materials. Pollwatchers may challenge for cause the voting qualifications of a person offering to vote and may call to the attention of the judges of election any incorrect procedure or apparent violations of this Code.

If a majority of the judges of election determine that the polling place has become too overcrowded with pollwatchers so as to interfere with the orderly conduct of the election, the judges shall, by lot, limit such pollwatchers to a reasonable number, except that each established or new political party shall be permitted to have at least one pollwatcher present.

Representatives of an election authority, with regard to an election under its jurisdiction, the State Board of Elections, and law enforcement agencies, including but not limited to a United States Attorney, a State's attorney, the Attorney General, and a State, county, or local police department, in the performance of their official election duties, shall be permitted at all times to enter and remain in the polling place. Upon entering the polling place, such representatives shall display their official credentials or other identification to the judges of election.

Uniformed police officers assigned to polling place duty shall follow all lawful instructions of the judges of election.

The provisions of this Section shall also apply to supervised casting of absentee ballots as provided in Section 19-12.2 of this Act.

Section 20. The Attorney General Act is amended by changing Section 6.5 as follows:

(15 ILCS 205/6.5)

(a) The General Assembly finds that the health, welfare, and prosperity of all Illinois citizens, and the public's interest in adequate, safe,

(b-20) As used in this Section, "cable service and video service" means services sold by anyone who sells, contracts to sell, or markets cable services or video services pursuant to a State-issued authorization under the Cable and Video Competition Law of 2007.

(c) There is created within the Office of the Attorney General a Consumer Utilities Unit, consisting of Assistant Attorneys General appointed by the Attorney General, who, together with such other staff as is deemed necessary by the Attorney General, shall have the power and duty on behalf of the people of the State to intervene in, initiate, enforce, and defend all legal proceedings on matters relating to the provision, marketing, and sale of electric, natural gas, water, and telecommunications service whenever the Attorney General determines that such action is necessary to promote or protect the rights and interests of all Illinois citizens, classes of customers, and users of electric, natural gas, water, and telecommunications services.

(d) In addition to the investigative and enforcement powers available to the Attorney General, including without limitation those under the Consumer Fraud and Deceptive Business Practices Act, the Illinois Antitrust Act, and any other law of this State, the Attorney General shall be a party as a matter of right to all proceedings, investigations, and related matters involving the provision of electric, natural gas, water, and telecommunications services before the Illinois Commerce Commission, the courts, and other public bodies. investment opportunities otherwise available to persons seeking to finance
the costs of higher education. The State Treasurer, in administering the
College Savings Pool, may receive moneys paid into the pool by a
participant and may serve as the fiscal agent of that participant for the
purpose of holding and investing those moneys.

"Participant", as used in this Section, means any person who has
authority to withdraw funds, change the designated beneficiary, or
otherwise exercise control over an account. "Donor", as used in this
Section, means any person who makes investments in the pool.
"Designated beneficiary", as used in this Section, means any person on
whose behalf an account is established in the College Savings Pool by a

donors, and designated beneficiaries in the College Savings Pool.

New accounts in the College Savings Pool may be processed
through participating financial institutions. "Participating financial
institutions", as used in this Section, means any financial institution insured
by the Federal Deposit Insurance Corporation and lawfully doing business
in the State of Illinois and any credit union approved by the State
Treasurer and lawfully doing business in the State of Illinois that agrees to
process new accounts in the College Savings Pool. Participating financial
institutions may charge a processing fee to participants to open an account
in the pool that shall not exceed $30 until the year 2001. Beginning in
2001 and every year thereafter, the maximum fee limit shall be adjusted by
the Treasurer based on the Consumer Price Index for the North Central
Region as published by the United States Department of Labor, Bureau of
Labor Statistics for the immediately preceding calendar year. Every
contribution received by a financial institution for investment in the
College Savings Pool shall be transferred from the financial institution to a
location selected by the State Treasurer within one business day following
the day that the funds must be made available in accordance with federal
law. All communications from the State Treasurer to participants and
donors shall reference the participating financial institution at which the
account was processed.

The Treasurer may invest the moneys in the College Savings Pool
in the same manner and in the same types of investments provided for the
investment of moneys by the Illinois State Board of Investment. To
enhance the safety and liquidity of the College Savings Pool, to ensure the
diversification of the investment portfolio of the pool, and in an effort to

make a percentage of each account available for investment in participating financial institutions doing business in the State. The State Treasurer may deposit with the participating financial institution at which the account was processed the following percentage of each account at a prevailing rate offered by the institution, provided that the deposit is federally insured or fully collateralized and the institution accepts the deposit: 10% of the total amount of each account for which the current age of the beneficiary is less than 7 years of age, 20% of the total amount of each account for which the beneficiary is at least 7 years of age and less than 12 years of age, and 50% of the total amount of each account for which the current age of the beneficiary is at least 12 years of age. The Treasurer shall develop, publish, and implement an investment policy covering the investment of the moneys in the College Savings Pool. The policy shall be published (i) at least once each year in at least one newspaper of general circulation in both Springfield and Chicago and (ii) each year as part of the audit of the College Savings Pool by the Auditor General, which shall be distributed to all participants. The Treasurer shall notify all participants in writing, and the Treasurer shall publish in a newspaper of general circulation in both Chicago and Springfield, any changes to the previously published investment policy at least 30 calendar days before implementing the policy. Any investment policy adopted by the Treasurer shall be reviewed and updated if necessary within 90 days following the date that the State Treasurer takes office.

Participants shall be required to use moneys distributed from the College Savings Pool for qualified expenses at eligible educational institutions. "Qualified expenses", as used in this Section, means the following: (i) tuition, fees, and the costs of books, supplies, and equipment required for enrollment or attendance at an eligible educational institution and (ii) certain room and board expenses incurred while attending an eligible educational institution at least half-time. A student shall be considered to be enrolled at least half-time if the student is enrolled for at least half the full-time academic work load for the course of study the student is pursuing as determined under the standards of the institution at which the student is enrolled. Distributions made from the pool for qualified expenses shall be

made directly to the eligible educational institution, directly to a vendor, or in the form of a check payable to both the beneficiary and the institution or vendor. Any moneys that are distributed in any other manner or that are used for expenses other than qualified expenses at an eligible educational institution shall be subject to a penalty of 10% of the earnings unless the beneficiary dies, becomes disabled, or receives a scholarship that equals or exceeds the distribution. Penalties shall be withheld at the time the distribution is made.

The Treasurer shall limit the contributions that may be made on behalf of a designated beneficiary based on the limitations established by the Internal Revenue Service. The contributions made on behalf of a beneficiary who is also a beneficiary under the Illinois Prepaid Tuition Program shall be further restricted to ensure that the contributions in both programs combined do not exceed the limit established for the College Savings Pool. The Treasurer shall provide the Illinois Student Assistance Commission each year at a time designated by the Commission, an electronic report of all participant accounts in the Treasurer's College Savings Pool, listing total contributions and disbursements from each individual account during the previous calendar year. As soon thereafter as is possible following receipt of the Treasurer's report, the Illinois Student Assistance Commission shall, in turn, provide the Treasurer with an electronic report listing those College Savings Pool participants who also participate in the State's prepaid tuition program, administered by the Commission. The Commission shall be responsible for filing any combined tax reports regarding State qualified savings programs required by the United States Internal Revenue Service. The Treasurer shall work with the Illinois Student Assistance Commission to coordinate the marketing of the College Savings Pool and the Illinois Prepaid Tuition Program when considered beneficial by the Treasurer and the Director of the Illinois Student Assistance Commission. The Treasurer's office shall not publicize or otherwise market the College Savings Pool or accept any moneys into the College Savings Pool prior to March 1, 2000. The Treasurer shall provide a separate accounting for each designated beneficiary to each participant, the Illinois Student Assistance Commission, and the participating financial institution at which the account was processed. No interest in the program may be pledged as security for a loan. Moneys held in an account invested in the Illinois College Savings Pool shall be exempt from all claims of the creditors of the participant, donor, or designated beneficiary of that account, except for

the non-exempt College Savings Pool transfers to or from the account as defined under subsection (j) of Section 12-1001 of the Code of Civil Procedure (735 ILCS 5/12-1001(j)).

The assets of the College Savings Pool and its income and operation shall be exempt from all taxation by the State of Illinois and any of its subdivisions. The accrued earnings on investments in the Pool once disbursed on behalf of a designated beneficiary shall be similarly exempt from all taxation by the State of Illinois and its subdivisions, so long as they are used for qualified expenses. Contributions to a College Savings Pool account during the taxable year may be deducted from adjusted gross income as provided in Section 203 of the Illinois Income Tax Act. The provisions of this paragraph are exempt from Section 250 of the Illinois Income Tax Act.

The Treasurer shall adopt rules he or she considers necessary for the efficient administration of the College Savings Pool. The rules shall provide whatever additional parameters and restrictions are necessary to ensure that the College Savings Pool meets all of the requirements for a qualified state tuition program under Section 529 of the Internal Revenue Code (26 U.S.C. 529). The rules shall provide for the administration expenses of the pool to be paid from its earnings and for the investment earnings in excess of the expenses and all moneys collected as penalties to be credited or paid monthly to the several participants in the pool in a manner which equitably reflects the differing amounts of their respective investments in the pool and the differing periods of time for which those amounts were in the custody of the pool. Also, the rules shall require the maintenance of records that enable the Treasurer's office to produce a report for each account in the pool at least annually that documents the account balance and investment earnings. Notice of any proposed amendments to the rules and regulations shall be provided to all participants prior to adoption. Amendments to rules and regulations shall apply only to contributions made after the adoption of the amendment.

Upon creating the College Savings Pool, the State Treasurer shall give bond with 2 or more sufficient sureties, payable to and for the benefit of the participants in the College Savings Pool, in the penal sum of $1,000,000, conditioned upon the faithful discharge of his or her duties in relation to the College Savings Pool.

(20 ILCS 105/4.02) (from Ch. 23, par. 6104.02)
(Text of Section before amendment by P.A. 95-565)
Sec. 4.02. The Department shall establish a program of services to prevent unnecessary institutionalization of persons age 60 and older in need of long term care or who are established as persons who suffer from Alzheimer's disease or a related disorder under the Alzheimer's Disease Assistance Act, thereby enabling them to remain in their own homes or in other living arrangements. Such preventive services, which may be coordinated with other programs for the aged and monitored by area agencies on aging in cooperation with the Department, may include, but are not limited to, any or all of the following:

(a) home health services;
(b) home nursing services;
(c) home care aide services;
(d) chore and housekeeping services;
(e) adult day services;
(f) home-delivered meals;
(g) education in self-care;
(h) personal care services;
(i) adult day health services;
(j) habilitation services;
(k) respite care;
(k-5) community reintegration services;
(l) other nonmedical social services that may enable the person to become self-supporting; or
(m) clearinghouse for information provided by senior citizen home owners who want to rent rooms to or share living space with other senior citizens.

The Department shall establish eligibility standards for such services taking into consideration the unique economic and social needs of the target population for whom they are to be provided. Such eligibility standards shall be based on the recipient's ability to pay for services; provided, however, that in determining the amount and nature of services for which a person may qualify, consideration shall not be given to the value of cash, property or other assets held in the name of the person's

spouse pursuant to a written agreement dividing marital property into equal but separate shares or pursuant to a transfer of the person's interest in a home to his spouse, provided that the spouse's share of the marital property is not made available to the person seeking such services.

Beginning July 1, 2002, the Department shall require as a condition of eligibility that all financially eligible applicants and recipients apply for medical assistance under Article V of the Illinois Public Aid Code in accordance with rules promulgated by the Department.

The Department shall, in conjunction with the Department of Public Aid (now Department of Healthcare and Family Services), seek appropriate amendments under Sections 1915 and 1924 of the Social Security Act. The purpose of the amendments shall be to extend eligibility for home and community based services under Sections 1915 and 1924 of the Social Security Act to persons who transfer to or for the benefit of a spouse those amounts of income and resources allowed under Section 1924 of the Social Security Act. Subject to the approval of such amendments, the Department shall extend the provisions of Section 5-4 of the Illinois Public Aid Code to persons who, but for the provision of home or community-based services, would require the level of care provided in an institution, as is provided for in federal law. Those persons no longer found to be eligible for receiving noninstitutional services due to changes in the eligibility criteria shall be given 60 days notice prior to actual termination. Those persons receiving notice of termination may contact the Department and request the determination be appealed at any time during the 60 day notice period. With the exception of the lengthened notice and time frame for the appeal request, the appeal process shall follow the normal procedure. In addition, each person affected regardless of the circumstances for discontinued eligibility shall be given notice and the opportunity to purchase the necessary services through the Community Care Program. If the individual does not elect to purchase services, the Department shall advise the individual of alternative services. The target population identified for the purposes of this Section are persons age 60 and older with an identified service need. Priority shall be given to those who are at imminent risk of institutionalization. The services shall be provided to eligible persons age 60 and older to the extent that the cost of the services together with the other personal maintenance expenses of the persons are reasonably related to the standards established for care in a group facility appropriate to the person's condition. These non-institutional services, pilot projects or experimental facilities may be provided as part

of or in addition to those authorized by federal law or those funded and administered by the Department of Human Services. The Departments of Human Services, Healthcare and Family Services, Public Health, Veterans' Affairs, and Commerce and Economic Opportunity and other appropriate agencies of State, federal and local governments shall cooperate with the Department on Aging in the establishment and development of the non-institutional services. The Department shall require an annual audit from all chore/housekeeping and home care aide vendors contracting with the Department under this Section. The annual audit shall assure that each audited vendor's procedures are in compliance with Department's financial reporting guidelines requiring an administrative and employee wage and benefits cost split as defined in administrative rules. The audit is a public record under the Freedom of Information Act. The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department of Healthcare and Family Services, to effect the following: (1) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (2) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped. On and after July 1, 1996, all nursing home prescreenings for individuals 60 years of age or older shall be conducted by the Department.

As part of the Department on Aging's routine training of case managers and case manager supervisors, the Department may include information on family futures planning for persons who are age 60 or older and who are caregivers of their adult children with developmental disabilities. The content of the training shall be at the Department's discretion.

The Department is authorized to establish a system of recipient copayment for services provided under this Section, such copayment to be based upon the recipient's ability to pay but in no case to exceed the actual cost of the services provided. Additionally, any portion of a person's income which is equal to or less than the federal poverty standard shall not be considered by the Department in determining the copayment. The level of such copayment shall be adjusted whenever necessary to reflect any change in the officially designated federal poverty standard.

The Department, or the Department's authorized representative, shall recover the amount of moneys expended for services provided to or in behalf of a person under this Section by a claim against the person's

estate or against the estate of the person's surviving spouse, but no recovery may be had until after the death of the surviving spouse, if any, and then only at such time when there is no surviving child who is under age 21, blind, or permanently and totally disabled. This paragraph, however, shall not bar recovery, at the death of the person, of moneys for services provided to the person or in behalf of the person under this Section to which the person was not entitled; provided that such recovery shall not be enforced against any real estate while it is occupied as a homestead by the surviving spouse or other dependent, if no claims by other creditors have been filed against the estate, or, if such claims have been filed, they remain dormant for failure of prosecution or failure of the claimant to compel administration of the estate for the purpose of payment. This paragraph shall not bar recovery from the estate of a spouse, under Sections 1915 and 1924 of the Social Security Act and Section 5-4 of the Illinois Public Aid Code, who precedes a person receiving services under this Section in death. All moneys for services paid to or in behalf of the person under this Section shall be claimed for recovery from the deceased spouse's estate. "Homestead", as used in this paragraph, means the dwelling house and contiguous real estate occupied by a surviving spouse or relative, as defined by the rules and regulations of the Department of Healthcare and Family Services, regardless of the value of the property.

The Department shall develop procedures to enhance availability of services on evenings, weekends, and on an emergency basis to meet the respite needs of caregivers. Procedures shall be developed to permit the utilization of services in successive blocks of 24 hours up to the monthly maximum established by the Department. Workers providing these services shall be appropriately trained.

Beginning on the effective date of this Amendatory Act of 1991, no person may perform chore/housekeeping and home care aide services under a program authorized by this Section unless that person has been issued a certificate of pre-service to do so by his or her employing agency. Information gathered to effect such certification shall include (i) the person's name, (ii) the date the person was hired by his or her current employer, and (iii) the training, including dates and levels. Persons engaged in the program authorized by this Section before the effective date of this amendatory Act of 1991 shall be issued a certificate of all pre- and in-service training from his or her employer upon submitting the necessary information. The employing agency shall be required to retain records of

all staff pre- and in-service training, and shall provide such records to the Department upon request and upon termination of the employer's contract with the Department. In addition, the employing agency is responsible for the issuance of certifications of in-service training completed to their employees.

The Department is required to develop a system to ensure that persons working as home care aides and chore housekeepers receive increases in their wages when the federal minimum wage is increased by requiring vendors to certify that they are meeting the federal minimum wage statute for home care aides and chore housekeepers. An employer that cannot ensure that the minimum wage increase is being given to home care aides and chore housekeepers shall be denied any increase in reimbursement costs.

The Community Care Program Advisory Committee is created in the Department on Aging. The Director shall appoint individuals to serve in the Committee, who shall serve at their own expense. The Department shall fill vacancies that have a remaining term of over one year, and this replacement shall occur through the annual replacement of expiring terms. The Director shall designate Department staff to provide technical assistance and staff support to the committee. Department representation shall not constitute membership of the committee. All Committee papers, issues, recommendations, reports, and meeting memoranda are advisory only. The Director, or his or her designee, shall make a written report, as requested by the Committee, regarding issues before the Committee.

The Department on Aging and the Department of Human Services shall cooperate in the development and submission of an annual report on programs and services provided under this Section. Such joint report shall be filed with the Governor and the General Assembly on or before September 30 each year.

The requirement for reporting to the General Assembly shall be satisfied by filing copies of the report with the Speaker, the Minority Leader and the Clerk of the House of Representatives and the President, the Minority Leader and the Secretary of the Senate and the Legislative Research Unit, as required by Section 3.1 of the General Assembly Organization Act and filing such additional copies with the State Government Report Distribution Center for the General Assembly as is required under paragraph (t) of Section 7 of the State Library Act.

(3) "Child welfare services" means public social services which are directed toward the accomplishment of the following purposes:

(A) protecting and promoting the health, safety and welfare of children, including homeless, dependent or neglected children;

(B) remedying, or assisting in the solution of problems which may result in, the neglect, abuse, exploitation or delinquency of children;

(C) preventing the unnecessary separation of children from their families by identifying family problems, assisting families in resolving their problems, and preventing the breakup of the family where the prevention of child removal is desirable and possible when the child can be cared for at home without endangering the child's health and safety;

(E) placing children in suitable adoptive homes, in cases where restoration to the biological family is not safe, possible or appropriate;

(F) assuring safe and adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption. At the time of placement, the Department shall consider concurrent planning, as described in subsection (l-1) of this Section so

The Department is not required to place or maintain children:

(i) who are in a foster home, or
(ii) who are persons with a developmental disability, as defined in the Mental Health and Developmental Disabilities Code, or
(iii) who are female children who are pregnant, pregnant and parenting or parenting, or

(c) The Department shall establish and maintain tax-supported child welfare services and extend and seek to improve voluntary services throughout the State, to the end that services and care shall be available on an equal basis throughout the State to children requiring such services.

(d) The Director may authorize advance disbursements for any new program initiative to any agency contracting with the Department. As a prerequisite for an advance disbursement, the contractor must post a surety bond in the amount of the advance disbursement and have a purchase of service contract approved by the Department. The Department may pay up to 2 months operational expenses in advance. The amount of the advance disbursement shall be prorated over the life of the contract or the remaining months of the fiscal year, whichever is less, and the installment amount shall then be deducted from future bills. authorizations for new initiatives shall not be made to any agency after that agency has operated during 2 consecutive fiscal years. The requirements of this Section concerning advance disbursements shall not apply with respect to the following: payments to local public agencies for child day care services as authorized by Section 5a of this Act; and youth service programs receiving grant funds under Section 17a-4.

(e) (Blank).
(f) (Blank).
(g) The Department shall establish rules and regulations concerning its operation of programs designed to meet the goals of child safety and protection, family preservation, family reunification, and adoption, including but not limited to:
(1) adoption;
(2) foster care;
(3) family counseling;
(4) protective services;

(9) placement under Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28, 4-25 or 5-740 of the Juvenile Court Act of 1987 in accordance with the federal Adoption Assistance and Child Welfare Act of 1980; and
(10) interstate services.

Rules and regulations established by the Department shall include provisions for training Department staff and the staff of Department grantees, through contracts with other agencies or resources, in alcohol and drug abuse screening techniques approved by the Department of Human Services, as a successor to the Department of Alcoholism and Substance Abuse, for the purpose of identifying children and adults who should be referred to an alcohol and drug abuse treatment program for professional evaluation.

(h) If the Department finds that there is no appropriate program or facility within or available to the Department for a ward and that no licensed private facility has an adequate and appropriate program or none agrees to accept the ward, the Department shall create an appropriate individualized, program-oriented plan for such ward. The plan may be

developed within the Department or through purchase of services by the Department to the extent that it is within its statutory authority to do.

(i) Service programs shall be available throughout the State and shall include but not be limited to the following services:

1. case management;
2. homemakers;
3. counseling;
4. parent education;
5. day care; and
6. emergency assistance and advocacy.

In addition, the following services may be made available to assess and meet the needs of children and families:

1. comprehensive family-based services;
2. assessments;
3. respite care; and
4. in-home health services.

The Department shall provide transportation for any of the services it makes available to children or families or for which it refers children or families.

(j) The Department may provide categories of financial assistance and education assistance grants, and shall establish rules and regulations concerning the assistance and grants, to persons who adopt physically or mentally handicapped, older and other hard-to-place children who (i) immediately prior to their adoption were legal wards of the Department or (ii) were determined eligible for financial assistance with respect to a prior adoption and who become available for adoption because the prior adoption has been dissolved and the parental rights of the adoptive parents have been terminated or because the child's adoptive parents have died. The Department may continue to provide financial assistance and education assistance grants for a child who was determined eligible for financial assistance under this subsection (j) in the interim period beginning when the child's adoptive parents died and ending with the finalization of the new adoption of the child by another adoptive parent or parents. The Department may also provide categories of financial assistance and education assistance grants, and shall establish rules and regulations for the assistance and grants, to persons appointed guardian of the person under Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28, 4-25 or 5-740 of the Juvenile Court Act of 1987 for children who were

wards of the Department for 12 months immediately prior to the appointment of the guardian.

The amount of assistance may vary, depending upon the needs of the child and the adoptive parents, as set forth in the annual assistance agreement. Special purpose grants are allowed where the child requires special service but such costs may not exceed the amounts which similar services would cost the Department if it were to provide or secure them as guardian of the child.

Any financial assistance provided under this subsection is inalienable by assignment, sale, execution, attachment, garnishment, or any other remedy for recovery or collection of a judgment or debt.

(j-5) The Department shall not deny or delay the placement of a child for adoption if an approved family is available either outside of the Department region handling the case, or outside of the State of Illinois.

(k) The Department shall accept for care and training any child who has been adjudicated neglected or abused, or dependent committed to it pursuant to the Juvenile Court Act or the Juvenile Court Act of 1987.

(l) Before July 1, 2000, the Department may provide, and beginning July 1, 2000, the Department shall offer family preservation services, as defined in Section 8.2 of the Abused and Neglected Child Reporting Act, to help families, including adoptive and extended families. Family preservation services shall be offered (i) to prevent the placement of children in substitute care when the children can be cared for at home or in the custody of the person responsible for the children's welfare, (ii) to reunite children with their families, or (iii) to maintain an adoptive placement. Family preservation services shall only be offered when doing so will not endanger the children's health or safety. With respect to children who are in substitute care pursuant to the Juvenile Court Act of 1987, family preservation services shall not be offered if a goal other than those of subdivisions (A), (B), or (B-1) of subsection (2) of Section 2-28 of that Act has been set. Nothing in this paragraph shall be construed to create a private right of action or claim on the part of any individual or child welfare agency.

The Department shall notify the child and his family of the Department's responsibility to offer and provide family preservation services as identified in the service plan. The child and his family shall be eligible for services as soon as the report is determined to be "indicated". The Department may offer services to any child or family with respect to whom a report of suspected child abuse or neglect has been filed, prior to

concluding its investigation under Section 7.12 of the Abused and Neglected Child Reporting Act. However, the child's or family's willingness to accept services shall not be considered in the investigation. The Department may also provide services to any child or family who is the subject of any report of suspected child abuse or neglect or may refer such child or family to services available from other agencies in the community, even if the report is determined to be unfounded, if the conditions in the child's or family's home are reasonably likely to subject the child or family to future reports of suspected child abuse or neglect. Acceptance of such services shall be voluntary.

The Department may, at its discretion except for those children also adjudicated neglected or dependent, accept for care and training any child who has been adjudicated addicted, as a truant minor in need of supervision or as a minor requiring authoritative intervention, under the Juvenile Court Act or the Juvenile Court Act of 1987, but no such child shall be committed to the Department by any court without the approval of the Department. A minor charged with a criminal offense under the Criminal Code of 1961 or adjudicated delinquent shall not be placed in the custody of or committed to the Department by any court, except a minor less than 13 years of age committed to the Department under Section 5-710 of the Juvenile Court Act of 1987.

(l-1) The legislature recognizes that the best interests of the child require that the child be placed in the most permanent living arrangement as soon as is practically possible. To achieve this goal, the legislature directs the Department of Children and Family Services to conduct concurrent planning so that permanency may occur at the earliest opportunity. Permanent living arrangements may include prevention of placement of a child outside the home of the family when the child can be cared for at home without endangering the child's health or safety; reunification with the family, when safe and appropriate, if temporary placement is necessary; or movement of the child toward the most permanent living arrangement and permanent legal status.

When determining reasonable efforts to be made with respect to a child, as described in this subsection, and in making such reasonable efforts, the child's health and safety shall be the paramount concern.

When a child is placed in foster care, the Department shall ensure and document that reasonable efforts were made to prevent or eliminate the need to remove the child from the child's home. The Department must make reasonable efforts to reunify the family when temporary placement

of the child occurs unless otherwise required, pursuant to the Juvenile Court Act of 1987. At any time after the dispositional hearing where the Department believes that further reunification services would be ineffective, it may request a finding from the court that reasonable efforts are no longer appropriate. The Department is not required to provide further reunification services after such a finding.

A decision to place a child in substitute care shall be made with considerations of the child's health, safety, and best interests. At the time of placement, consideration should also be given so that if reunification fails or is delayed, the placement made is the best available placement to provide permanency for the child.

The Department shall adopt rules addressing concurrent planning for reunification and permanency. The Department shall consider the following factors when determining appropriateness of concurrent planning:

1. the likelihood of prompt reunification;
2. the past history of the family;
3. the barriers to reunification being addressed by the family;
4. the level of cooperation of the family;
5. the foster parents' willingness to work with the family to reunite;
6. the willingness and ability of the foster family to provide an adoptive home or long-term placement;
7. the age of the child;
8. placement of siblings.

(m) The Department may assume temporary custody of any child if:

1. it has received a written consent to such temporary custody signed by the parents of the child or by the parent having custody of the child if the parents are not living together or by the guardian or custodian of the child if the child is not in the custody of either parent, or
2. the child is found in the State and neither a parent, guardian nor custodian of the child can be located.

If the child is found in his or her residence without a parent, guardian, custodian or responsible caretaker, the Department may, instead of removing the child and assuming temporary custody, place an authorized representative of the Department in that residence until such time as a

parent, guardian or custodian enters the home and expresses a willingness and apparent ability to ensure the child's health and safety and resume permanent charge of the child, or until a relative enters the home and is willing and able to ensure the child's health and safety and assume charge of the child until a parent, guardian or custodian enters the home and expresses such willingness and ability to ensure the child's safety and resume permanent charge. After a caretaker has remained in the home for a period not to exceed 12 hours, the Department must follow those procedures outlined in Section 2-9, 3-11, 4-8, or 5-415 of the Juvenile Court Act of 1987.

The Department shall have the authority, responsibilities and duties that a legal custodian of the child would have pursuant to subsection (9) of Section 1-3 of the Juvenile Court Act of 1987. Whenever a child is taken into temporary custody pursuant to an investigation under the Abused and Neglected Child Reporting Act, or pursuant to a referral and acceptance under the Juvenile Court Act of 1987 of a minor in limited custody, the Department, during the period of temporary custody and before the child is brought before a judicial officer as required by Section 2-9, 3-11, 4-8, or 5-415 of the Juvenile Court Act of 1987, shall have the authority, responsibilities and duties that a legal custodian of the child would have under subsection (9) of Section 1-3 of the Juvenile Court Act of 1987.

The Department shall ensure that any child taken into custody is scheduled for an appointment for a medical examination.

A parent, guardian or custodian of a child in the temporary custody of the Department who would have custody of the child if he were not in the temporary custody of the Department may deliver to the Department a signed request that the Department surrender the temporary custody of the child. The Department may retain temporary custody of the child for 10 days after the receipt of the request, during which period the Department may cause to be filed a petition pursuant to the Juvenile Court Act of 1987. If a petition is so filed, the Department shall retain temporary custody of the child until the court orders otherwise. If a petition is not filed within the 10 day period, the child shall be surrendered to the custody of the requesting parent, guardian or custodian not later than the expiration of the 10 day period, at which time the authority and duties of the Department with respect to the temporary custody of the child shall terminate.

(m-1) The Department may place children under 18 years of age in a secure child care facility licensed by the Department that cares for

children who are in need of secure living arrangements for their health, safety, and well-being after a determination is made by the facility director and the Director or the Director's designate prior to admission to the facility subject to Section 2-27.1 of the Juvenile Court Act of 1987. This subsection (m-1) does not apply to a child who is subject to placement in a correctional facility operated pursuant to Section 3-15-2 of the Unified Code of Corrections, unless the child is a ward who was placed under the care of the Department before being subject to placement in a correctional facility and a court of competent jurisdiction has ordered placement of the child in a secure care facility.

(n) The Department may place children under 18 years of age in licensed child care facilities when in the opinion of the Department, appropriate services aimed at family preservation have been unsuccessful and cannot ensure the child's health and safety or are unavailable and such placement would be for their best interest. Payment for board, clothing, care, training and supervision of any child placed in a licensed child care facility may be made by the Department, by the parents or guardians of the estates of those children, or by both the Department and the parents or guardians, except that no payments shall be made by the Department for any child placed in a licensed child care facility for board, clothing, care, training and supervision of such a child that exceed the average per capita cost of maintaining and of caring for a child in institutions for dependent or neglected children operated by the Department. However, such restriction on payments does not apply in cases where children require specialized care and treatment for problems of severe emotional disturbance, physical disability, social adjustment, or any combination thereof and suitable facilities for the placement of such children are not available at payment rates within the limitations set forth in this Section. All reimbursements for services delivered shall be absolutely inalienable by assignment, sale, attachment, garnishment or otherwise.

(o) The Department shall establish an administrative review and appeal process for children and families who request or receive child welfare services from the Department. Children who are wards of the Department and are placed by private child welfare agencies, and foster families with whom those children are placed, shall be afforded the same procedural and appeal rights as children and families in the case of placement by the Department, including the right to an initial review of a private agency decision by that agency. The Department shall insure that any private child welfare agency, which accepts wards of the Department

for placement, affords those rights to children and foster families. The Department shall accept for administrative review and an appeal hearing a complaint made by (i) a child or foster family concerning a decision following an initial review by a private child welfare agency or (ii) a prospective adoptive parent who alleges a violation of subsection (j-5) of this Section. An appeal of a decision concerning a change in the placement of a child shall be conducted in an expedited manner.

(p) There is hereby created the Department of Children and Family Services Emergency Assistance Fund from which the Department may provide special financial assistance to families which are in economic crisis when such assistance is not available through other public or private sources and the assistance is deemed necessary to prevent dissolution of the family unit or to reunite families which have been separated due to child abuse and neglect. The Department shall establish administrative rules specifying the criteria for determining eligibility for and the amount and nature of assistance to be provided. The Department may also enter into written agreements with private and public social service agencies to provide emergency financial services to families referred by the Department. Special financial assistance payments shall be available to a family no more than once during each fiscal year and the total payments to a family may not exceed $500 during a fiscal year.

(q) The Department may receive and use, in their entirety, for the benefit of children any gift, donation or bequest of money or other property which is received on behalf of such children, or any financial benefits to which such children are or may become entitled while under the jurisdiction or care of the Department.

The Department shall set up and administer no-cost, interest-bearing accounts in appropriate financial institutions for children for whom the Department is legally responsible and who have been determined eligible for Veterans' Benefits, Social Security benefits, assistance allotments from the armed forces, court ordered payments, parental voluntary payments, Supplemental Security Income, Railroad Retirement payments, Black Lung benefits, or other miscellaneous payments. Interest earned by each account shall be credited to the account, unless disbursed in accordance with this subsection.

In disbursing funds from children's accounts, the Department shall:

(1) Establish standards in accordance with State and federal laws for disbursing money from children's accounts. In all circumstances, the Department's "Guardianship Administrator" or

his or her designee must approve disbursements from children's accounts. The Department shall be responsible for keeping complete records of all disbursements for each account for any purpose.

(2) Calculate on a monthly basis the amounts paid from State funds for the child's board and care, medical care not covered under Medicaid, and social services; and utilize funds from the child's account, as covered by regulation, to reimburse those costs. Monthly, disbursements from all children's accounts, up to 1/12 of $13,000,000, shall be deposited by the Department into the General Revenue Fund and the balance over 1/12 of $13,000,000 into the DCFS Children's Services Fund.

(3) Maintain any balance remaining after reimbursing for the child's costs of care, as specified in item (2). The balance shall accumulate in accordance with relevant State and federal laws and shall be disbursed to the child or his or her guardian, or to the issuing agency.

(r) The Department shall promulgate regulations encouraging all adoption agencies to voluntarily forward to the Department or its agent names and addresses of all persons who have applied for and have been approved for adoption of a hard-to-place or handicapped child and the names of such children who have not been placed for adoption. A list of such names and addresses shall be maintained by the Department or its agent, and coded lists which maintain the confidentiality of the person seeking to adopt the child and of the child shall be made available, without charge, to every adoption agency in the State to assist the agencies in placing such children for adoption. The Department may delegate to an agent its duty to maintain and make available such lists. The Department shall ensure that such agent maintains the confidentiality of the person seeking to adopt the child and of the child.

(s) The Department of Children and Family Services may establish and implement a program to reimburse Department and private child welfare agency foster parents licensed by the Department of Children and Family Services for damages sustained by the foster parents as a result of the malicious or negligent acts of foster children, as well as providing third party coverage for such foster parents with regard to actions of foster children to other individuals. Such coverage will be secondary to the foster parent liability insurance policy, if applicable. The program shall be

funded through appropriations from the General Revenue Fund, specifically designated for such purposes.

(t) The Department shall perform home studies and investigations and shall exercise supervision over visitation as ordered by a court pursuant to the Illinois Marriage and Dissolution of Marriage Act or the Adoption Act only if:

1. an order entered by an Illinois court specifically directs the Department to perform such services; and
2. the court has ordered one or both of the parties to the proceeding to reimburse the Department for its reasonable costs for providing such services in accordance with Department rules, or has determined that neither party is financially able to pay.

The Department shall provide written notification to the court of the specific arrangements for supervised visitation and projected monthly costs within 60 days of the court order. The Department shall send to the court information related to the costs incurred except in cases where the court has determined the parties are financially unable to pay. The court may order additional periodic reports as appropriate.

(u) In addition to other information that must be provided, whenever the Department places a child with a prospective adoptive parent or parents or in a licensed foster home, group home, child care institution, or in a relative home, the Department shall provide to the prospective adoptive parent or parents or other caretaker:

1. available detailed information concerning the child's educational and health history, copies of immunization records (including insurance and medical card information), a history of the child's previous placements, if any, and reasons for placement changes excluding any information that identifies or reveals the location of any previous caretaker;
2. a copy of the child's portion of the client service plan, including any visitation arrangement, and all amendments or revisions to it as related to the child; and
3. information containing details of the child's individualized educational plan when the child is receiving special education services.

The caretaker shall be informed of any known social or behavioral information (including, but not limited to, criminal background, fire setting, perpetuation of sexual abuse, destructive behavior, and substance abuse) necessary to care for and safeguard the children to be placed or

currently in the home. The Department may prepare a written summary of the information required by this paragraph, which may be provided to the foster or prospective adoptive parent in advance of a placement. The foster or prospective adoptive parent may review the supporting documents in the child's file in the presence of casework staff. In the case of an emergency placement, casework staff shall at least provide known information verbally, if necessary, and must subsequently provide the information in writing as required by this subsection.

The information described in this subsection shall be provided in writing. In the case of emergency placements when time does not allow prior review, preparation, and collection of written information, the Department shall provide such information as it becomes available. Within 10 business days after placement, the Department shall obtain from the prospective adoptive parent or parents or other caretaker a signed verification of receipt of the information provided. Within 10 business days after placement, the Department shall provide to the child's guardian ad litem a copy of the information provided to the prospective adoptive parent or parents or other caretaker. The information provided to the prospective adoptive parent or parents or other caretaker shall be reviewed and approved regarding accuracy at the supervisory level.

(u-5) Effective July 1, 1995, only foster care placements licensed as foster family homes pursuant to the Child Care Act of 1969 shall be eligible to receive foster care payments from the Department. Relative caregivers who, as of July 1, 1995, were approved pursuant to approved relative placement rules previously promulgated by the Department at 89 Ill. Adm. Code 335 and had submitted an application for licensure as a foster family home may continue to receive foster care payments only until the Department determines that they may be licensed as a foster family home or that their application for licensure is denied or until September 30, 1995, whichever occurs first.

(v) The Department shall access criminal history record information as defined in the Illinois Uniform Conviction Information Act and information maintained in the adjudicatory and dispositional record system as defined in Section 2605-355 of the Department of State Police Law (20 ILCS 2605/2605-355) if the Department determines the information is necessary to perform its duties under the Abused and Neglected Child Reporting Act, the Child Care Act of 1969, and the Children and Family Services Act. The Department shall provide for interactive computerized communication and processing equipment that

permits direct on-line communication with the Department of State Police's central criminal history data repository. The Department shall comply with all certification requirements and provide certified operators who have been trained by personnel from the Department of State Police. In addition, one Office of the Inspector General investigator shall have training in the use of the criminal history information access system and have access to the terminal. The Department of Children and Family Services and its employees shall abide by rules and regulations established by the Department of State Police relating to the access and dissemination of this information.

(v-1) Prior to final approval for placement of a child, the Department shall conduct a criminal records background check of the prospective foster or adoptive parent, including fingerprint-based checks of national crime information databases. Final approval for placement shall not be granted if the record check reveals a felony conviction for child abuse or neglect, for spousal abuse, for a crime against children, or for a crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault or battery, or if there is a felony conviction for physical assault, battery, or a drug-related offense committed within the past 5 years.

(v-2) Prior to final approval for placement of a child, the Department shall check its child abuse and neglect registry for information concerning prospective foster and adoptive parents, and any adult living in the home. If any prospective foster or adoptive parent or other adult living in the home has resided in another state in the preceding 5 years, the Department shall request a check of that other state's child abuse and neglect registry.

(w) Within 120 days of August 20, 1995 (the effective date of Public Act 89-392), the Department shall prepare and submit to the Governor and the General Assembly, a written plan for the development of in-state licensed secure child care facilities that care for children who are in need of secure living arrangements for their health, safety, and well-being. For purposes of this subsection, secure care facility shall mean a facility that is designed and operated to ensure that all entrances and exits from the facility, a building or a distinct part of the building, are under the exclusive control of the staff of the facility, whether or not the child has the freedom of movement within the perimeter of the facility, building, or distinct part of the building. The plan shall include descriptions of the types of facilities that are needed in Illinois; the cost of developing these

secure care facilities; the estimated number of placements; the potential cost savings resulting from the movement of children currently out-of-state who are projected to be returned to Illinois; the necessary geographic distribution of these facilities in Illinois; and a proposed timetable for development of such facilities.

(E) placing children in suitable adoptive homes, in cases where restoration to the biological family is not safe, possible or appropriate;

(F) assuring safe and adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption. At the time of placement, the Department shall consider concurrent planning, as described in subsection (l-1) of this Section so that permanency may occur at the earliest opportunity. (H) (blank); and

(I) placing and maintaining children in facilities that provide separate living quarters for children under the age of 18 and for children 18 years of age and older, unless a child 18 years of age is in the last year of high school education or vocational training, in an approved individual or group treatment program, in a licensed shelter facility, or secure child care facility. The Department is not required to place or maintain children:

(i) who are in a foster home, or

(ii) who are persons with a developmental disability, as defined in the Mental Health and Developmental Disabilities Code, or

(b) Nothing in this Section shall be construed to authorize the expenditure of public funds for the purpose of performing abortions.

(c) The Department shall establish and maintain tax-supported child welfare services and extend and seek to improve voluntary services throughout the State, to the end that services and care shall be available on an equal basis throughout the State to children requiring such services.

(d) The Director may authorize advance disbursements for any new program initiative to any agency contracting with the Department. As a prerequisite for an advance disbursement, the contractor must post a surety bond in the amount of the advance disbursement and have a purchase of service contract approved by the Department. The Department may pay up to 2 months operational expenses in advance. The amount of the advance disbursement shall be prorated over the life of the contract or the remaining months of the fiscal year, whichever is less, and the installment amount shall then be deducted from future bills. Advance disbursement authorizations for new initiatives shall not be made to any agency after that agency has operated during 2 consecutive fiscal years. The requirements of this Section concerning advance disbursements shall not apply with respect to the following: payments to local public agencies for child day care services as authorized by Section 5a of this Act; and youth service programs receiving grant funds under Section 17a-4.

(9) placement under Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28, 4-25 or 5-740 of the Juvenile Court Act of 1987 in accordance with the federal Adoption Assistance and Child Welfare Act of 1980; and

(10) interstate services.

Rules and regulations established by the Department shall include provisions for training Department staff and the staff of Department grantees, through contracts with other agencies or resources, in alcohol and drug abuse screening techniques approved by the Department of Human Services, as a successor to the Department of Alcoholism and Substance Abuse, for the purpose of identifying children and adults who should be referred to an alcohol and drug abuse treatment program for professional evaluation.

(h) If the Department finds that there is no appropriate program or facility within or available to the Department for a ward and that no licensed private facility has an adequate and appropriate program or none agrees to accept the ward, the Department shall create an appropriate individualized, program-oriented plan for such ward. The plan may be developed within the Department or through purchase of services by the Department to the extent that it is within its statutory authority to do.

(i) Service programs shall be available throughout the State and shall include but not be limited to the following services:

(1) case management;
(2) homemakers;
(3) counseling;
(4) parent education;
(5) day care; and
(6) emergency assistance and advocacy.

In addition, the following services may be made available to assess and meet the needs of children and families:

(1) comprehensive family-based services;
(2) assessments;
(3) respite care; and
(4) in-home health services.

The Department shall provide transportation for any of the services it makes available to children or families or for which it refers children or families.

(j) The Department may provide categories of financial assistance and education assistance grants, and shall establish rules and regulations

concerning the assistance and grants, to persons who adopt physically or mentally handicapped, older and other hard-to-place children who (i) immediately prior to their adoption were legal wards of the Department or (ii) were determined eligible for financial assistance with respect to a prior adoption and who become available for adoption because the prior adoption has been dissolved and the parental rights of the adoptive parents have been terminated or because the child's adoptive parents have died. The Department may continue to provide financial assistance and education assistance grants for a child who was determined eligible for financial assistance under this subsection (j) in the interim period beginning when the child's adoptive parents died and ending with the finalization of the new adoption of the child by another adoptive parent or parents. The Department may also provide categories of financial assistance and education assistance grants, and shall establish rules and regulations for the assistance and grants, to persons appointed guardian of the person under Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28, 4-25 or 5-740 of the Juvenile Court Act of 1987 for children who were wards of the Department for 12 months immediately prior to the appointment of the guardian.

The amount of assistance may vary, depending upon the needs of the child and the adoptive parents, as set forth in the annual assistance agreement. Special purpose grants are allowed where the child requires special service but such costs may not exceed the amounts which similar services would cost the Department if it were to provide or secure them as guardian of the child.

Any financial assistance provided under this subsection is inalienable by assignment, sale, execution, attachment, garnishment, or any other remedy for recovery or collection of a judgment or debt.

(j-5) The Department shall not deny or delay the placement of a child for adoption if an approved family is available either outside of the Department region handling the case, or outside of the State of Illinois.

(k) The Department shall accept for care and training any child who has been adjudicated neglected or abused, or dependent committed to it pursuant to the Juvenile Court Act or the Juvenile Court Act of 1987.

(l) Before July 1, 2000, the Department may provide, and beginning July 1, 2000, the Department shall offer family preservation services, as defined in Section 8.2 of the Abused and Neglected Child Reporting Act, to help families, including adoptive and extended families. Family preservation services shall be offered (i) to prevent the placement

of children in substitute care when the children can be cared for at home or in the custody of the person responsible for the children's welfare, (ii) to reunite children with their families, or (iii) to maintain an adoptive placement. Family preservation services shall only be offered when doing so will not endanger the children's health or safety. With respect to children who are in substitute care pursuant to the Juvenile Court Act of 1987, family preservation services shall not be offered if a goal other than those of subdivisions (A), (B), or (B-1) of subsection (2) of Section 2-28 of that Act has been set. Nothing in this paragraph shall be construed to create a private right of action or claim on the part of any individual or child welfare agency.

The Department shall notify the child and his family of the Department's responsibility to offer and provide family preservation services as identified in the service plan. The child and his family shall be eligible for services as soon as the report is determined to be "indicated". The Department may offer services to any child or family with respect to whom a report of suspected child abuse or neglect has been filed, prior to concluding its investigation under Section 7.12 of the Abused and Neglected Child Reporting Act. However, the child's or family's willingness to accept services shall not be considered in the investigation. The Department may also provide services to any child or family who is the subject of any report of suspected child abuse or neglect or may refer such child or family to services available from other agencies in the community, even if the report is determined to be unfounded, if the conditions in the child's or family's home are reasonably likely to subject the child or family to future reports of suspected child abuse or neglect. Acceptance of such services shall be voluntary.

The Department may, at its discretion except for those children also adjudicated neglected or dependent, accept for care and training any child who has been adjudicated addicted, as a truant minor in need of supervision or as a minor requiring authoritative intervention, under the Juvenile Court Act or the Juvenile Court Act of 1987, but no such child shall be committed to the Department by any court without the approval of the Department. A minor charged with a criminal offense under the Criminal Code of 1961 or adjudicated delinquent shall not be placed in the custody of or committed to the Department by any court, except a minor less than 15 years of age committed to the Department under Section 5-710 of the Juvenile Court Act of 1987 or a minor for whom an independent basis of abuse, neglect, or dependency exists, which must be

defined by departmental rule. An independent basis exists when the allegations or adjudication of abuse, neglect, or dependency do not arise from the same facts, incident, or circumstances which give rise to a charge or adjudication of delinquency.

(I-1) The legislature recognizes that the best interests of the child require that the child be placed in the most permanent living arrangement as soon as is practically possible. To achieve this goal, the legislature directs the Department of Children and Family Services to conduct concurrent planning so that permanency may occur at the earliest opportunity. Permanent living arrangements may include prevention of placement of a child outside the home of the family when the child can be cared for at home without endangering the child's health or safety; reunification with the family, when safe and appropriate, if temporary placement is necessary; or movement of the child toward the most permanent living arrangement and permanent legal status.

When determining reasonable efforts to be made with respect to a child, as described in this subsection, and in making such reasonable efforts, the child's health and safety shall be the paramount concern.

When a child is placed in foster care, the Department shall ensure and document that reasonable efforts were made to prevent or eliminate the need to remove the child from the child's home. The Department must make reasonable efforts to reunify the family when temporary placement of the child occurs unless otherwise required, pursuant to the Juvenile Court Act of 1987. At any time after the dispositional hearing where the Department believes that further reunification services would be ineffective, it may request a finding from the court that reasonable efforts are no longer appropriate. The Department is not required to provide further reunification services after such a finding.

A decision to place a child in substitute care shall be made with considerations of the child's health, safety, and best interests. At the time of placement, consideration should also be given so that if reunification fails or is delayed, the placement made is the best available placement to provide permanency for the child.

The Department shall adopt rules addressing concurrent planning for reunification and permanency. The Department shall consider the following factors when determining appropriateness of concurrent planning:

1. the likelihood of prompt reunification;
2. the past history of the family;

New matter indicated by italics - deletions by strikeout.
(3) the barriers to reunification being addressed by the family;
(4) the level of cooperation of the family;
(5) the foster parents’ willingness to work with the family to reunite;
(6) the willingness and ability of the foster family to provide an adoptive home or long-term placement;
(7) the age of the child;
(8) placement of siblings.

(m) The Department may assume temporary custody of any child if:

(1) it has received a written consent to such temporary custody signed by the parents of the child or by the parent having custody of the child if the parents are not living together or by the guardian or custodian of the child if the child is not in the custody of either parent, or
(2) the child is found in the State and neither a parent, guardian nor custodian of the child can be located.

If the child is found in his or her residence without a parent, guardian, custodian or responsible caretaker, the Department may, instead of removing the child and assuming temporary custody, place an authorized representative of the Department in that residence until such time as a parent, guardian or custodian enters the home and expresses a willingness and apparent ability to ensure the child's health and safety and resume permanent charge of the child, or until a relative enters the home and is willing and able to ensure the child's health and safety and assume charge of the child until a parent, guardian or custodian enters the home and expresses such willingness and ability to ensure the child's safety and resume permanent charge. After a caretaker has remained in the home for a period not to exceed 12 hours, the Department must follow those procedures outlined in Section 2-9, 3-11, 4-8, or 5-415 of the Juvenile Court Act of 1987.

The Department shall have the authority, responsibilities and duties that a legal custodian of the child would have pursuant to subsection (9) of Section 1-3 of the Juvenile Court Act of 1987. Whenever a child is taken into temporary custody pursuant to an investigation under the Abused and Neglected Child Reporting Act, or pursuant to a referral and acceptance under the Juvenile Court Act of 1987 of a minor in limited custody, the Department, during the period of temporary custody and before the child is

brought before a judicial officer as required by Section 2-9, 3-11, 4-8, or 5-415 of the Juvenile Court Act of 1987, shall have the authority, responsibilities and duties that a legal custodian of the child would have under subsection (9) of Section 1-3 of the Juvenile Court Act of 1987.

The Department shall ensure that any child taken into custody is scheduled for an appointment for a medical examination.

A parent, guardian or custodian of a child in the temporary custody of the Department who would have custody of the child if he were not in the temporary custody of the Department may deliver to the Department a signed request that the Department surrender the temporary custody of the child. The Department may retain temporary custody of the child for 10 days after the receipt of the request, during which period the Department may cause to be filed a petition pursuant to the Juvenile Court Act of 1987. If a petition is so filed, the Department shall retain temporary custody of the child until the court orders otherwise. If a petition is not filed within the 10 day period, the child shall be surrendered to the custody of the requesting parent, guardian or custodian not later than the expiration of the 10 day period, at which time the authority and duties of the Department with respect to the temporary custody of the child shall terminate.

(m) The Department may place children under 18 years of age in a secure child care facility licensed by the Department that cares for children who are in need of secure living arrangements for their health, safety, and well-being after a determination is made by the facility director and the Director or the Director's designate prior to admission to the facility subject to Section 2-27.1 of the Juvenile Court Act of 1987. This subsection (m) does not apply to a child who is subject to placement in a correctional facility operated pursuant to Section 3-15-2 of the Unified Code of Corrections, unless the child is a ward who was placed under the care of the Department before being subject to placement in a correctional facility and a court of competent jurisdiction has ordered placement of the child in a secure care facility.

(n) The Department may place children under 18 years of age in licensed child care facilities when in the opinion of the Department, appropriate services aimed at family preservation have been unsuccessful and cannot ensure the child's health and safety or are unavailable and such placement would be for their best interest. Payment for board, clothing, care, training and supervision of any child placed in a licensed child care facility may be made by the Department, by the parents or guardians of the

estates of those children, or by both the Department and the parents or
guardians, except that no payments shall be made by the Department for
any child placed in a licensed child care facility for board, clothing, care,
training and supervision of such a child that exceed the average per capita
cost of maintaining and of caring for a child in institutions for dependent
or neglected children operated by the Department. However, such
restriction on payments does not apply in cases where children require
specialized care and treatment for problems of severe emotional
disturbance, physical disability, social adjustment, or any combination
thereof and suitable facilities for the placement of such children are not
available at payment rates within the limitations set forth in this Section.
All reimbursements for services delivered shall be absolutely inalienable
by assignment, sale, attachment, garnishment or otherwise.

(o) The Department shall establish an administrative review and
appeal process for children and families who request or receive child
welfare services from the Department. Children who are wards of the
Department and are placed by private child welfare agencies, and foster
families with whom those children are placed, shall be afforded the same
procedural and appeal rights as children and families in the case of
placement by the Department, including the right to an initial review of a
private agency decision by that agency. The Department shall insure that
any private child welfare agency, which accepts wards of the Department
for placement, affords those rights to children and foster families. The
Department shall accept for administrative review and an appeal hearing a
complaint made by (i) a child or foster family concerning a decision
following an initial review by a private child welfare agency or (ii) a
prospective adoptive parent who alleges a violation of subsection (j-5) of
this Section. An appeal of a decision concerning a change in the placement
of a child shall be conducted in an expedited manner.

(p) There is hereby created the Department of Children and Family
Services Emergency Assistance Fund from which the Department may
provide special financial assistance to families which are in economic
crisis when such assistance is not available through other public or private
sources and the assistance is deemed necessary to prevent dissolution of
the family unit or to reunite families which have been separated due to
child abuse and neglect. The Department shall establish administrative
rules specifying the criteria for determining eligibility for and the amount
and nature of assistance to be provided. The Department may also enter
into written agreements with private and public social service agencies to

provide emergency financial services to families referred by the Department. Special financial assistance payments shall be available to a family no more than once during each fiscal year and the total payments to a family may not exceed $500 during a fiscal year.

(q) The Department may receive and use, in their entirety, for the benefit of children any gift, donation or bequest of money or other property which is received on behalf of such children, or any financial benefits to which such children are or may become entitled while under the jurisdiction or care of the Department.

The Department shall set up and administer no-cost, interest-bearing accounts in appropriate financial institutions for children for whom the Department is legally responsible and who have been determined eligible for Veterans' Benefits, Social Security benefits, assistance allotments from the armed forces, court ordered payments, parental voluntary payments, Supplemental Security Income, Railroad Retirement payments, Black Lung benefits, or other miscellaneous payments. Interest earned by each account shall be credited to the account, unless disbursed in accordance with this subsection.

In disbursing funds from children's accounts, the Department shall:

(1) Establish standards in accordance with State and federal laws for disbursing money from children's accounts. In all circumstances, the Department's "Guardianship Administrator" or his or her designee must approve disbursements from children's accounts. The Department shall be responsible for keeping complete records of all disbursements for each account for any purpose.

(2) Calculate on a monthly basis the amounts paid from State funds for the child's board and care, medical care not covered under Medicaid, and social services; and utilize funds from the child's account, as covered by regulation, to reimburse those costs. Monthly, disbursements from all children's accounts, up to 1/12 of $13,000,000, shall be deposited by the Department into the General Revenue Fund and the balance over 1/12 of $13,000,000 into the DCFS Children's Services Fund.

(3) Maintain any balance remaining after reimbursing for the child's costs of care, as specified in item (2). The balance shall accumulate in accordance with relevant State and federal laws and shall be disbursed to the child or his or her guardian, or to the issuing agency.

New matter indicated by italics - deletions by strikeout.
(r) The Department shall promulgate regulations encouraging all adoption agencies to voluntarily forward to the Department or its agent names and addresses of all persons who have applied for and have been approved for adoption of a hard-to-place or handicapped child and the names of such children who have not been placed for adoption. A list of such names and addresses shall be maintained by the Department or its agent, and coded lists which maintain the confidentiality of the person seeking to adopt the child and of the child shall be made available, without charge, to every adoption agency in the State to assist the agencies in placing such children for adoption. The Department may delegate to an agent its duty to maintain and make available such lists. The Department shall ensure that such agent maintains the confidentiality of the person seeking to adopt the child and of the child.

(s) The Department of Children and Family Services may establish and implement a program to reimburse Department and private child welfare agency foster parents licensed by the Department of Children and Family Services for damages sustained by the foster parents as a result of the malicious or negligent acts of foster children, as well as providing third party coverage for such foster parents with regard to actions of foster children to other individuals. Such coverage will be secondary to the foster parent liability insurance policy, if applicable. The program shall be funded through appropriations from the General Revenue Fund, specifically designated for such purposes.

(t) The Department shall perform home studies and investigations and shall exercise supervision over visitation as ordered by a court pursuant to the Illinois Marriage and Dissolution of Marriage Act or the Adoption Act only if:

(1) an order entered by an Illinois court specifically directs the Department to perform such services; and

(2) the court has ordered one or both of the parties to the proceeding to reimburse the Department for its reasonable costs for providing such services in accordance with Department rules, or has determined that neither party is financially able to pay.

The Department shall provide written notification to the court of the specific arrangements for supervised visitation and projected monthly costs within 60 days of the court order. The Department shall send to the court information related to the costs incurred except in cases where the court has determined the parties are financially unable to pay. The court may order additional periodic reports as appropriate.

(u) In addition to other information that must be provided, whenever the Department places a child with a prospective adoptive parent or parents or in a licensed foster home, group home, child care institution, or in a relative home, the Department shall provide to the prospective adoptive parent or parents or other caretaker:

1. available detailed information concerning the child's educational and health history, copies of immunization records (including insurance and medical card information), a history of the child's previous placements, if any, and reasons for placement changes excluding any information that identifies or reveals the location of any previous caretaker;

2. a copy of the child's portion of the client service plan, including any visitation arrangement, and all amendments or revisions to it as related to the child; and

3. information containing details of the child's individualized educational plan when the child is receiving special education services.

The caretaker shall be informed of any known social or behavioral information (including, but not limited to, criminal background, fire setting, perpetuation of sexual abuse, destructive behavior, and substance abuse) necessary to care for and safeguard the children to be placed or currently in the home. The Department may prepare a written summary of the information required by this paragraph, which may be provided to the foster or prospective adoptive parent in advance of a placement. The foster or prospective adoptive parent may review the supporting documents in the child's file in the presence of casework staff. In the case of an emergency placement, casework staff shall at least provide known information verbally, if necessary, and must subsequently provide the information in writing as required by this subsection.

The information described in this subsection shall be provided in writing. In the case of emergency placements when time does not allow prior review, preparation, and collection of written information, the Department shall provide such information as it becomes available. Within 10 business days after placement, the Department shall obtain from the prospective adoptive parent or parents or other caretaker a signed verification of receipt of the information provided. Within 10 business days after placement, the Department shall provide to the child's guardian ad litem a copy of the information provided to the prospective adoptive parent or parents or other caretaker. The information provided to the

prospective adoptive parent or parents or other caretaker shall be reviewed and approved regarding accuracy at the supervisory level.

(u-5) Effective July 1, 1995, only foster care placements licensed as foster family homes pursuant to the Child Care Act of 1969 shall be eligible to receive foster care payments from the Department. Relative caregivers who, as of July 1, 1995, were approved pursuant to approved relative placement rules previously promulgated by the Department at 89 Ill. Adm. Code 335 and had submitted an application for licensure as a foster family home may continue to receive foster care payments only until the Department determines that they may be licensed as a foster family home or that their application for licensure is denied or until September 30, 1995, whichever occurs first.

(v) The Department shall access criminal history record information as defined in the Illinois Uniform Conviction Information Act and information maintained in the adjudicatory and dispositional record system as defined in Section 2605-355 of the Department of State Police Law (20 ILCS 2605/2605-355) if the Department determines the information is necessary to perform its duties under the Abused and Neglected Child Reporting Act, the Child Care Act of 1969, and the Children and Family Services Act. The Department shall provide for interactive computerized communication and processing equipment that permits direct on-line communication with the Department of State Police's central criminal history data repository. The Department shall comply with all certification requirements and provide certified operators who have been trained by personnel from the Department of State Police. In addition, one Office of the Inspector General investigator shall have training in the use of the criminal history information access system and have access to the terminal. The Department of Children and Family Services and its employees shall abide by rules and regulations established by the Department of State Police relating to the access and dissemination of this information.

(v-1) Prior to final approval for placement of a child, the Department shall conduct a criminal records background check of the prospective foster or adoptive parent, including fingerprint-based checks of national crime information databases. Final approval for placement shall not be granted if the record check reveals a felony conviction for child abuse or neglect, for spousal abuse, for a crime against children, or for a crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault or battery, or if there is a felony

conviction for physical assault, battery, or a drug-related offense committed within the past 5 years.

(v-2) Prior to final approval for placement of a child, the Department shall check its child abuse and neglect registry for information concerning prospective foster and adoptive parents, and any adult living in the home. If any prospective foster or adoptive parent or other adult living in the home has resided in another state in the preceding 5 years, the Department shall request a check of that other state's child abuse and neglect registry.

(w) Within 120 days of August 20, 1995 (the effective date of Public Act 89-392), the Department shall prepare and submit to the Governor and the General Assembly, a written plan for the development of in-state licensed secure child care facilities that care for children who are in need of secure living arrangements for their health, safety, and well-being. For purposes of this subsection, secure care facility shall mean a facility that is designed and operated to ensure that all entrances and exits from the facility, a building or a distinct part of the building, are under the exclusive control of the staff of the facility, whether or not the child has the freedom of movement within the perimeter of the facility, building, or distinct part of the building. The plan shall include descriptions of the types of facilities that are needed in Illinois; the cost of developing these secure care facilities; the estimated number of placements; the potential cost savings resulting from the movement of children currently out-of-state who are projected to be returned to Illinois; the necessary geographic distribution of these facilities in Illinois; and a proposed timetable for development of such facilities.

financing to be done by the Authority and payments under the terms of the lease shall begin at any time after execution of any such lease. 

(c) In the event of non-payment of rents reserved in such leases, maintain and operate such facilities and sites or execute leases thereof to others for any suitable purposes. (d) Borrow money and issue and sell bonds in such amount or amounts as the Authority may determine for the purpose of acquiring, constructing, completing or remodeling, or putting fixed equipment in any such facility; refund and refinance the same from time to time as often as advantageous and in the public interest to do so; and pledge any and all income of such Authority, and any revenues derived from such facilities, or any combination thereof, to secure the payment of such bonds and to redeem such bonds. All such bonds are subject to the provisions of Section 6 of this Act.

In addition to the permanent financing authorized by Sections 5 and 6 of this Act, the Illinois Building Authority may borrow money and issue interim notes in evidence thereof for any of the purposes, or to perform any of the duties authorized under this Act, and in addition may borrow money and issue interim notes for planning, architectural and engineering, acquisition of land, and purchase of fixed equipment as follows:

1. Any resolution authorizing the issuance of such notes shall describe the project to be undertaken and shall specify the principal amount, rate of interest (not exceeding the maximum rate authorized by the Bond Authorization Act, as amended at the time of the making of the contract,) and maturity

The Authority may provide for the registration of the notes in the name of the owner either as to principal alone, or as to both principal and interest, on such terms and conditions as the Authority may determine by the resolution authorizing their issue. The notes shall be issued from time to time by the Authority as funds are borrowed, in the manner the Authority may determine. Interest on the notes may be made payable semiannually, annually or at maturity. The notes may be made redeemable, prior to maturity, at the option of the Authority, in the manner and upon the terms fixed by the resolution authorizing their issuance. The notes may be executed in the name of the Authority by the Chairman of the Authority or by any other officer or officers of the Authority as the Authority by resolution may direct, shall be attested by the Secretary or such other officer or officers of the Authority as the Authority may by resolution direct, and be sealed with the Authority's corporate seal. All such notes and the interest thereon may be secured by a pledge of any income and revenue derived by the Authority from the project to be undertaken with the proceeds of the notes and shall be payable solely from such income and revenue and from the proceeds to be derived from the sale of any revenue bonds for permanent financing authorized to be issued under Sections 5 and 6 of this Act, and from the property acquired with the proceeds of the notes.

Contemporaneously with the issue of revenue bonds as provided by this Act, all interim notes, even though they may not then have matured, shall be paid, both principal and interest to date of payment, from the funds derived from the sale of revenue bonds for the permanent financing and such interim notes shall be surrendered and canceled.

2. The Authority, in order further to secure the payment of the interim notes, is, in addition to the foregoing, authorized and empowered to make any other or additional covenants, terms and conditions not inconsistent with the provisions of subparagraph (a) of this Section, and do any and all acts and things as may be necessary or convenient or desirable in order to secure payment of

its interim notes, or in the discretion of the Authority, as will tend to make the interim notes more acceptable to lenders, notwithstanding that the covenants, acts or things may not be enumerated herein; however, nothing contained in this subparagraph shall authorize the Authority to secure the payment of the interim notes out of property or facilities, other than the facilities acquired with the proceeds of the interim notes, and any net income and revenue derived from the facilities and the proceeds of revenue bonds as hereinabove provided.

(e) Convey property, without charge, to the State or to the appropriate corporate agency of the State or to any public community college district board if and when all debts which have been secured by the income from such property have been paid.

(f) Enter into contracts regarding any matter connected with any corporate purpose within the objects and purposes of this Act.

(g) Employ agents and employees necessary to carry out the duties and purposes of the Authority.

(h) Adopt all necessary by-laws, rules and regulations for the conduct of the business and affairs of the Authority, and for the management and use of facilities and sites acquired under the powers granted by this Act.

(i) Have and use a common seal and alter the same at pleasure.

The Interim notes shall constitute State debt of the State of Illinois within the meaning of any of the provisions of the Constitution and statutes of the State of Illinois.

No member, officer, agent or employee of the Authority, nor any other person who executes interim notes, shall be liable personally by reason of the issuance thereof.

With respect to instruments for the payment of money issued under this Section either before, on, or after the effective date of this amendatory Act of 1989, it is and always has been the intention of the General Assembly (i) that the Omnibus Bond Acts are and always have been supplementary grants of power to issue instruments in accordance with the Omnibus Bond Acts, regardless of any provision of this Act that may appear to be or to have been more restrictive than those Acts, (ii) that the provisions of this Section are not a limitation on the supplementary authority granted by the Omnibus Bond Acts, and (iii) that instruments issued under this Section within the supplementary authority granted by

(20 ILCS 3501/801-40)

Sec. 801-40. In addition to the powers otherwise authorized by law and in addition to the foregoing general corporate powers, the Authority shall also have the following additional specific powers to be exercised in furtherance of the purposes of this Act.

(a) The Authority shall have power (i) to accept grants, loans or appropriations from the federal government or the State, or any agency or instrumentality thereof, to be used for the operating expenses of the Authority, or for any purposes of the Authority, including the making of direct loans of such funds with respect to projects, and (ii) to enter into any agreement with the federal government or the State, or any agency or instrumentality thereof, in relationship to such grants, loans or appropriations.

(b) The Authority shall have power to procure and enter into contracts for any type of insurance and indemnity agreements covering loss or damage to property from any cause, including loss of use and occupancy, or covering any other insurable risk.

(c) The Authority shall have the continuing power to issue bonds for its corporate purposes. Bonds may be issued by the Authority in one or more series and may provide for the payment of any interest deemed necessary on such bonds, of the costs of issuance of such bonds, of any premium on any insurance, or of the cost of any guarantees, letters of credit or other similar documents, may provide for the funding of the reserves deemed necessary in connection with such bonds, and may provide for the refunding or advance refunding of any bonds or for accounts deemed necessary in connection with any purpose of the Authority. The bonds may bear interest payable at any time or times and at any rate or rates, notwithstanding any other provision of law to the contrary, and such rate or rates may be established by an index or formula which may be implemented or established by persons appointed or retained therefor by the Authority, or may bear no interest or may bear interest payable at maturity or upon redemption prior to maturity, may bear

The holder or holders of any bonds issued by the Authority may bring suits at law or proceedings in equity to compel the performance and observance by any person or by the Authority or any of its agents or employees of any contract or covenant made with the holders of such bonds and to compel such person or the Authority and any of its agents or employees to perform any duties required to be performed for the benefit of the holders of any such bonds by the provision of the resolution authorizing their issuance, and to enjoin such person or the Authority and any of its agents or employees from taking any action in conflict with any such contract or covenant. Notwithstanding the form and tenor of any such bonds and in the absence of any express recital on the face thereof that it is non-negotiable, all such bonds shall be negotiable instruments. Pending the preparation and execution of any such bonds, temporary bonds may be issued as provided by the resolution. The bonds shall be sold by the Authority in such manner as it shall determine. The bonds may be secured as provided in the authorizing resolution by the receipts, revenues, income and other available funds of the Authority and by any amounts derived by the Authority from the loan agreement or lease agreement with respect to the project or projects; and bonds may be issued as general obligations of the Authority payable from such revenues, funds and obligations of the Authority as the bond resolution shall provide, or may be issued as limited obligations with a claim for payment solely from such revenues, funds and obligations as the bond resolution shall provide. The Authority may grant a specific pledge or assignment of and lien on or security interest in such rights, revenues, income, or amounts and may grant a specific pledge or assignment of and lien on or security interest in any reserves, funds or accounts established in the resolution authorizing the issuance of bonds. Any such pledge, assignment, lien or security interest for the benefit of the holders of the Authority's bonds shall be valid and binding from the time the bonds are issued without any physical delivery or further act, and shall

be valid and binding as against and prior to the claims of all other parties having claims against the Authority or any other person irrespective of whether the other parties have notice of the pledge, assignment, lien or security interest. As evidence of such pledge, assignment, lien and security interest, the Authority may execute and deliver a mortgage, trust agreement, indenture or security agreement or an assignment thereof. A remedy for any breach or default of the terms of any such agreement by the Authority may be by mandamus proceedings in any court of competent jurisdiction to compel the performance and compliance therewith, but the agreement may prescribe by whom or on whose behalf such action may be instituted. It is expressly understood that the Authority may, but need not, acquire title to any project with respect to which it exercises its authority.

(d) With respect to the powers granted by this Act, the Authority may adopt rules and regulations prescribing the procedures by which persons may apply for assistance under this Act. Nothing herein shall be deemed to preclude the Authority, prior to the filing of any formal application, from conducting preliminary discussions and investigations with respect to the subject matter of any prospective application.

(e) The Authority shall have power to acquire by purchase, lease, gift or otherwise any property or rights therein from any person useful for its purposes, whether improved for the purposes of any prospective project, or unimproved. The Authority may also accept any donation of funds for its purposes from any such source. The Authority shall have no independent power of condemnation but may acquire any property or rights therein obtained upon condemnation by any other authority, governmental entity or unit of local government with such power.

(f) The Authority shall have power to develop, construct and improve either under its own direction, or through collaboration with any approved applicant, or to acquire through purchase or otherwise, any project, using for such purpose the proceeds derived from the sale of its bonds or from governmental loans or grants, and to hold title in the name of the Authority to such projects.

(g) The Authority shall have power to lease pursuant to a lease agreement any project so developed and constructed or acquired to the approved tenant on such terms and conditions as may be appropriate to further the purposes of this Act and to maintain the credit of the Authority. Any such lease may provide for either the Authority or the approved tenant to assume initially, in whole or in part, the costs of maintenance, repair and improvements during the leasehold period. In no case, however, shall

the total rentals from any project during any initial leasehold period or the total loan repayments to be made pursuant to any loan agreement, be less than an amount necessary to return over such lease or loan period (1) all costs incurred in connection with the development, construction, acquisition or improvement of the project and for repair, maintenance and improvements thereto during the period of the lease or loan; provided, however, that the rentals or loan repayments need not include costs met through the use of funds other than those obtained by the Authority through the issuance of its bonds or governmental loans; (2) a reasonable percentage additive to be agreed upon by the Authority and the borrower or tenant to cover a properly allocable portion of the Authority's general expenses, including, but not limited to, administrative expenses, salaries and general insurance, and (3) an amount sufficient to pay when due all principal of, interest and premium, if any on, any bonds issued by the Authority with respect to the project. The portion of total rentals payable under clause (3) of this subsection (g) shall be deposited in such special accounts, including all sinking funds, acquisition or construction funds, debt service and other funds as provided by any resolution, mortgage or trust agreement of the Authority pursuant to which any bond is issued.

(h) The Authority has the power, upon the termination of any leasehold period of any project, to sell or lease for a further term or terms such project on such terms and conditions as the Authority shall deem reasonable and consistent with the purposes of the Act. The net proceeds from all such sales and the revenues or income from such leases shall be used to satisfy any indebtedness of the Authority with respect to such project and any balance may be used to pay any expenses of the Authority or be used for the further development, construction, acquisition or improvement of projects. In the event any project is vacated by a tenant prior to the termination of the initial leasehold period, the Authority shall sell or lease the facilities of the project on the most advantageous terms available. The net proceeds of any such disposition shall be treated in the same manner as the proceeds from sales or the revenues or income from leases subsequent to the termination of any initial leasehold period.

(i) The Authority shall have the power to make loans to persons to finance a project, to enter into loan agreements with respect thereto, and to accept guarantees from persons of its loans or the resultant evidences of obligations of the Authority.

(j) The Authority may fix, determine, charge and collect any premiums, fees, charges, costs and expenses, including, without limitation,
any application fees, commitment fees, program fees, financing charges or publication fees from any person in connection with its activities under this Act.

(k) In addition to the funds established as provided herein, the Authority shall have the power to create and establish such reserve funds and accounts as may be necessary or desirable to accomplish its purposes under this Act and to deposit its available monies into the funds and accounts.

(l) At the request of the governing body of any unit of local government, the Authority is authorized to market such local government's revenue bond offerings by preparing bond issues for sale, advertising for sealed bids, receiving bids at its offices, making the award to the bidder that offers the most favorable terms or arranging for negotiated placements or underwritings of such securities. The Authority may, at its discretion, offer for concurrent sale the revenue bonds of several local governments. Sales by the Authority of revenue bonds under this Section shall in no way imply State guarantee of such debt issue. The Authority may require such financial information from participating local governments as it deems necessary in order to carry out the purposes of this subsection (l).

(m) The Authority may make grants to any county to which Division 5-37 of the Counties Code is applicable to assist in the financing of capital development, construction and renovation of new or existing facilities for hospitals and health care facilities under that Act. Such grants may only be made from funds appropriated for such purposes from the Build Illinois Bond Fund.

(n) The Authority may establish an urban development action grant program for the purpose of assisting municipalities in Illinois which are experiencing severe economic distress to help stimulate economic development activities needed to aid in economic recovery. The Authority shall determine the types of activities and projects for which the urban development action grants may be used, provided that such projects and activities are broadly defined to include all reasonable projects and activities the primary objectives of which are the development of viable urban communities, including decent housing and a suitable living environment, and expansion of economic opportunity, principally for persons of low and moderate incomes. The Authority shall enter into grant agreements from monies appropriated for such purposes from the Build Illinois Bond Fund. The Authority shall monitor the use of the grants, and shall provide for audits of the funds as well as recovery by the Authority of

any funds determined to have been spent in violation of this subsection (n) or any rule or regulation promulgated hereunder. The Authority shall provide technical assistance with regard to the effective use of the urban development action grants. The Authority shall file an annual report to the General Assembly concerning the progress of the grant program.

(o) The Authority may establish a Housing Partnership Program whereby the Authority provides zero-interest loans to municipalities for the purpose of assisting in the financing of projects for the rehabilitation of affordable multi-family housing for low and moderate income residents. The Authority may provide such loans only upon a municipality's providing evidence that it has obtained private funding for the rehabilitation project. The Authority shall provide 3 State dollars for every 7 dollars obtained by the municipality from sources other than the State of Illinois. The loans shall be made from monies appropriated for such purpose from the Build Illinois Bond Fund. The total amount of loans available under the Housing Partnership Program shall not exceed $30,000,000. State loan monies under this subsection shall be used only for the acquisition and rehabilitation of existing buildings containing 4 or more dwelling units. The terms of any loan made by the municipality under this subsection shall require repayment of the loan to the municipality upon any sale or other transfer of the project.

(p) The Authority may award grants to universities and research institutions, research consortia and other not-for-profit entities for the purposes of: remodeling or otherwise physically altering existing laboratory or research facilities, expansion or physical additions to existing laboratory or research facilities, construction of new laboratory or research facilities or acquisition of modern equipment to support laboratory or research operations provided that such grants (i) be used solely in support of project and equipment acquisitions which enhance technology transfer, and (ii) not constitute more than 60 percent of the total project or acquisition cost.

(q) Grants may be awarded by the Authority to units of local government for the purpose of developing the appropriate infrastructure or defraying other costs to the local government in support of laboratory or research facilities provided that such grants may not exceed 40% of the cost to the unit of local government.

(r) The Authority may establish a Direct Loan Program to make loans to individuals, partnerships or corporations for the purpose of an industrial project, as defined in Section 801-10 of this Act. For the
purposes of such program and not by way of limitation on any other
program of the Authority, the Authority shall have the power to issue
bonds, notes, or other evidences of indebtedness including commercial
paper for purposes of providing a fund of capital from which it may make
such loans. The Authority shall have the power to use any appropriations
from the State made especially for the Authority's Direct Loan Program for
additional capital to make such loans or for the purposes of reserve funds
or pledged funds which secure the Authority's obligations of repayment of
any bond, note or other form of indebtedness established for the purpose of
providing capital for which it intends to make such loans under the Direct
Loan Program. For the purpose of obtaining such capital, the Authority
may also enter into agreements with financial institutions and other
persons for the purpose of selling loans and developing a secondary
market for such loans. Loans made under the Direct Loan Program may be
in an amount not to exceed $300,000 and shall be made for a portion of an
industrial project which does not exceed 50% of the total project. No loan
may be made by the Authority unless approved by the affirmative vote of
at least 8 members of the board. The Authority shall establish procedures
and publish rules which shall provide for the submission, review, and
analysis of each direct loan application and which shall preserve the ability
of each board member to reach an individual business judgment regarding
the propriety of making each direct loan. The collective discretion of the
board to approve or disapprove each loan shall be unencumbered. The
Authority may establish and collect such fees and charges, determine and
enforce such terms and conditions, and charge such interest rates as it
determines to be necessary and appropriate to the successful
administration of the Direct Loan Program. The Authority may require
such interests in collateral and such guarantees as it determines are
necessary to project the Authority's interest in the repayment of the
principal and interest of each loan made under the Direct Loan Program.

(s) The Authority may guarantee private loans to third parties up to
a specified dollar amount in order to promote economic development in
this State.

(t) The Authority may adopt rules and regulations as may be
necessary or advisable to implement the powers conferred by this Act.

(u) The Authority shall have the power to issue bonds, notes or
other evidences of indebtedness, which may be used to make loans to units
of local government which are authorized to enter into loan agreements
and other documents and to issue bonds, notes and other evidences of

Any such loan shall be made by the Authority pursuant to the provisions of Section 820-5 to 820-60 of this Act. The unit of local government shall pay back to the Authority the principal amount of the loan, plus annual interest as determined by the Authority. The Authority shall have the power, subject to appropriations by the General Assembly, to subsidize or buy down a portion of the interest on such loans, up to 4% per annum.

(v) The Authority may accept security interests as provided in Sections 11-3 and 11-3.3 of the Illinois Public Aid Code.

(w) Moral Obligation. In the event that the Authority determines that monies of the Authority will not be sufficient for the payment of the principal of and interest on its bonds during the next State fiscal year, the Chairperson, as soon as practicable, shall certify to the Governor the amount required by the Authority to enable it to pay such principal of and interest on the bonds. The Governor shall submit the amount so certified to the General Assembly as soon as practicable, but no later than the end of the current State fiscal year. This subsection shall apply only to any bonds or notes as to which the Authority shall have determined, in the resolution authorizing the issuance of the bonds or notes, that this subsection shall apply. Whenever the Authority makes such a determination, that fact shall be plainly stated on the face of the bonds or notes and that fact shall also be reported to the Governor. In the event of a withdrawal of moneys from a reserve fund established with respect to any issue or issues of bonds of the Authority to pay principal or interest on those bonds, the Chairperson of the Authority, as soon as practicable, shall certify to the Governor the amount required to restore the reserve fund to the level required in the resolution or indenture securing those bonds. The Governor shall submit the amount so certified to the General Assembly as soon as practicable, but no later than the end of the current State fiscal year. The Authority shall obtain written approval from the Governor for any bonds and notes to be issued under this Section. In addition to any other bonds authorized to be issued under Sections 825-60, 825-65(e), 830-25 and 845-5, the principal amount of Authority bonds outstanding issued under this Section 801-40(w) or under 20 ILCS 3850/1-80 or 30 ILCS 360/2-6(c), which have been assumed by the Authority, shall not exceed $150,000,000. Revenues and other moneys so pledged shall be held in the Illinois Power Agency Facilities Fund, Illinois Power Agency Debt Service Fund, or other funds as directed by the Agency loan agreement. Revenues or other moneys so pledged and thereafter received by the State Treasurer shall immediately be subject to the lien of the pledge without any physical delivery thereof or further act, and the lien of any pledge shall be binding against all parties having claims of any kind of tort, contract, or otherwise against the Authority, irrespective of whether the parties have notice thereof. Neither the resolution nor any other instrument by which a pledge is created need be filed or recorded except in the records of the Authority. The State pledges to and agrees with the holders of revenue bonds, and the beneficial owners of the revenue bonds issued on behalf of the Agency, that the State shall not limit or restrict the rights hereby vested in the Authority to purchase, acquire, hold, sell, or defease revenue bonds or other investments or to establish and collect such fees or other charges as may be convenient or necessary to produce sufficient revenues to meet the expenses of operation of the Authority, and to fulfill the terms of any agreement made with the holders of the revenue bonds issued by the Authority on behalf of the Agency or in any way impair the rights or remedies of the holders of those revenue bonds or the beneficial owners of the revenue bonds until those revenue bonds are fully paid and discharged or provision for their payment has been made. In consideration thereof, the revenue bonds issued on behalf of the Agency pursuant to this Act and the income from these revenue bonds may be free from all taxation by the State or its political subdivisions, except for estate, transfer, and inheritance taxes. The exemption from taxation provided by the preceding sentence shall apply to the income on any revenue bonds issued on behalf of the Agency only if the Authority with concurrence of the Agency in its sole judgment determines that the exemption enhances the marketability of the revenue bonds or reduces the interest rates that would otherwise be borne by the revenue bonds and that the project for which the revenue bonds will be issued will be owned by the Agency or another governmental entity and that the project is used for public consumption. For purposes of Section 250 of the Illinois Income Tax Act, the exemption of the Agency shall terminate after all of the revenue bonds have been paid. The amount of the income that shall be added and then subtracted on the Illinois income tax return of a taxpayer, subject to Section 203 of the Illinois Income Tax Act, from federal adjusted gross income or federal taxable income in computing Illinois base income shall be the interest net of any bond premium amortization.

This Act does not apply to a dialysis facility that provides only dialysis training, support, and related services to individuals with end stage renal disease who have elected to receive home dialysis. This Act does not apply to a dialysis unit located in a licensed nursing home that offers or provides dialysis-related services to residents with end stage renal disease who have elected to receive home dialysis within the nursing home. The Board, however, may require these dialysis facilities and licensed nursing homes to report statistical information on a quarterly basis to the Board to be used by the Board to conduct analyses on the need for proposed kidney disease treatment centers.

This Act shall not apply to the closure of an entity or a portion of an entity licensed under the Nursing Home Care Act, with the exceptions of facilities operated by a county or Illinois Veterans Homes, that elects to convert, in whole or in part, to an assisted living or shared housing establishment licensed under the Assisted Living and Shared Housing Act.

For the purpose of this paragraph, the cost of any studies, surveys, designs, plans, working drawings, specifications, and other activities essential to the acquisition, improvement, expansion, or replacement of any plant or equipment with respect to which an expenditure is made shall be included in determining if such expenditure exceeds the capital expenditures minimum. Sec. 8h. Transfers to General Revenue Fund.
(a) Except as otherwise provided in this Section and Section 8n of this Act, and notwithstanding any other State law to the contrary, the Governor may, through June 30, 2007, from time to time direct the State Treasurer and Comptroller to transfer a specified sum from any fund held by the State Treasurer to the General Revenue Fund in order to help defray the State's operating costs for the fiscal year. The total transfer under this Section from any fund in any fiscal year shall not exceed the lesser of (i) 8% of the revenues to be deposited into the fund during that fiscal year or (ii) an amount that leaves a remaining fund balance of 25% of the July 1 fund balance of that fiscal year. In fiscal year 2005 only, prior to calculating the July 1, 2004 final balances, the Governor may calculate and direct the State Treasurer with the Comptroller to transfer additional amounts determined by applying the formula authorized in Public Act 93-839 to the funds balances on July 1, 2003. No transfer may be made from a fund under this Section that would have the effect of reducing the available balance in the fund to an amount less than the amount remaining unexpended and unreserved from the total appropriation from that fund estimated to be expended for that fiscal year. This Section does not apply to any funds that are restricted by federal law to a specific use, to any funds in the Motor Fuel Tax Fund, the Intercity Passenger Rail Fund, the Hospital Provider Fund, the Medicaid Provider Relief Fund, the Teacher Health Insurance Security Fund, the Reviewing Court Alternative Dispute Resolution Fund, the Voters' Guide Fund, the Foreign Language Interpreter Fund, the Lawyers' Assistance Program Fund, the Supreme Court Federal Projects Fund, the Supreme Court Special State Projects Fund, the Supplemental Low-Income Energy Assistance Fund, the Good Samaritan Energy Trust Fund, the Low-Level Radioactive Waste Facility Development and Operation Fund, the Horse Racing Equity Trust Fund, the Metabolic Screening and Treatment Fund, or the Hospital Basic Services Preservation Fund, or to any funds to which Section 70-50 of the Nurse Practice Act applies. No transfers may be made under this Section from the Pet Population Control Fund. Notwithstanding any other provision of this Section, for fiscal year 2004, the total transfer under this Section from the Road Fund or the State Construction Account Fund shall not exceed the lesser of (i) 5% of the revenues to be deposited into the fund during that fiscal year or (ii) 25% of the beginning balance in the fund. For fiscal year 2005 through fiscal year 2007, no amounts may be

In determining the available balance in a fund, the Governor may include receipts, transfers into the fund, and other resources anticipated to be available in the fund in that fiscal year.

The State Treasurer and Comptroller shall transfer the amounts designated under this Section as soon as may be practicable after receiving the direction to transfer from the Governor.

(a-5) Transfers directed to be made under this Section on or before February 28, 2006 that are still pending on May 19, 2006 (the effective date of Public Act 94-774) shall be redirected as provided in Section 8n of this Act.
