Services and the Governor. The Inspector General shall function independently within the Department of Human Services with respect to the operations of the office, including the performance of investigations and issuance of findings and recommendations. The appropriation for the Office of Inspector General shall be separate from the overall appropriation for the Department of Human Services. The Inspector General shall investigate reports of suspected abuse or neglect (as those terms are defined by the Department of Human Services) of patients or residents in any mental health or developmental disabilities facility operated by the Department of Human Services and shall have authority to investigate and take immediate action on reports of abuse or neglect of recipients, whether patients or residents, in any mental health or developmental disabilities facility or program that is licensed or certified by the Department of Human Services (as successor to the Department of Mental Health and Developmental Disabilities) or that is funded by the Department of Human Services (as successor to the Department of Mental Health and Developmental Disabilities) and is not licensed or certified by any agency of the State. The Inspector General shall also have the authority to investigate alleged or suspected cases of abuse, neglect, and exploitation of adults with disabilities living in domestic settings in the community pursuant to the Abuse of Adults with Disabilities Intervention Act (20 ILCS 2435/). At the specific, written request of an agency of the State other than the Department of Human Services (as successor to the Department of Mental Health and Developmental Disabilities), the Inspector General may cooperate in investigating reports of abuse and neglect of persons with mental illness or persons with developmental disabilities. The Inspector General shall have no supervision over or involvement in routine, programmatic, licensure, or certification operations of the Department of Human Services or any of its funded agencies.

The Inspector General shall promulgate rules establishing minimum requirements for reporting allegations of abuse and neglect and initiating, conducting, and completing investigations. The promulgated rules shall clearly set forth that in instances where 2 or more State agencies could investigate an allegation of abuse or neglect, the Inspector General shall not conduct an investigation that is redundant to an investigation conducted by another State agency. The rules shall establish criteria for determining, based upon the nature of the allegation, the appropriate method of investigation, which may include, but need not be limited to,
site visits, telephone contacts, or requests for written responses from agencies. The rules shall also clarify how the Office of the Inspector General shall interact with the licensing unit of the Department of Human Services in investigations of allegations of abuse or neglect. Any allegations or investigations of reports made pursuant to this Act shall remain confidential until a final report is completed. The resident or patient who allegedly was abused or neglected and his or her legal guardian shall be informed by the facility or agency of the report of alleged abuse or neglect. Final reports regarding unsubstantiated or unfounded allegations shall remain confidential, except that final reports may be disclosed pursuant to Section 6 of the Abused and Neglected Long Term Care Facility Residents Reporting Act.

For purposes of this Section, "required reporter" means a person who suspects, witnesses, or is informed of an allegation of abuse and neglect at a State-operated facility or a community agency and who is either: (i) a person employed at a State-operated facility or a community agency on or off site who is providing or monitoring services to an individual or individuals or is providing services to the State-operated facility or the community agency; or (ii) any person or contractual agent of the Department of Human Services involved in providing, monitoring, or administering mental health or developmental services, including, but not limited to, payroll personnel, contractors, subcontractors, and volunteers. A required reporter shall report the allegation of abuse or neglect, or cause a report to be made, to the Office of the Inspector General (OIG) Hotline no later than 4 hours after the initial discovery of the incident of alleged abuse or neglect. A required reporter as defined in this paragraph who willfully fails to comply with the reporting requirement is guilty of a Class A misdemeanor.

For purposes of this Section, "State-operated facility" means a mental health facility or a developmental disability facility as defined in Sections 1-114 and 1-107 of the Mental Health and Developmental Disabilities Code.

For purposes of this Section, "community agency" or "agency" means any community entity or program providing mental health or developmental disabilities services that is licensed, certified, or funded by the Department of Human Services and is not licensed or certified by an other human services agency of the State (for example, the Department of Public Health, the Department of Children and Family Services, or the Department of Healthcare and Family Services).

When the Office of the Inspector General has substantiated a case of abuse or neglect, the Inspector General shall include in the final report any mitigating or aggravating circumstances that were identified during the investigation. Upon determination that a report of neglect is substantiated, the Inspector General shall then determine whether such neglect rises to the level of egregious neglect.

(b) Department of State Police. The Inspector General shall, within 24 hours after determining that a reported allegation of suspected abuse or neglect indicates that any possible criminal act has been committed or that special expertise is required in the investigation, immediately notify the Department of State Police or the appropriate law enforcement entity. The Department of State Police shall investigate any report from a State-operated facility indicating a possible murder, rape, or other felony. All investigations conducted by the Inspector General shall be conducted in a manner designed to ensure the preservation of evidence for possible use in a criminal prosecution.

(b-5) Preliminary report of investigation; facility or agency response. The Inspector General shall make a determination to accept or reject a preliminary report of the investigation of alleged abuse or neglect based on established investigative procedures. Notice of the Inspector General's determination must be given to the person who claims to be the victim of the abuse or neglect, to the person or persons alleged to have been responsible for abuse or neglect, and to the facility or agency. The facility or agency or the person or persons alleged to have been responsible for the abuse or neglect and the person who claims to be the victim of the abuse or neglect may request clarification or reconsideration based on additional information. For cases where the allegation of abuse or neglect is substantiated, the Inspector General shall require the facility or agency to submit a written response. The written response from a facility or agency shall address in a concise and reasoned manner the actions that the agency or facility will take or has taken to protect the resident or patient from abuse or neglect, prevent reoccurrences, and eliminate problems identified and shall include implementation and completion dates for all such action.

(c) Inspector General's report; facility's or agency's implementation reports. The Inspector General shall, within 10 calendar days after the transmittal date of a completed investigation where abuse or neglect is substantiated or administrative action is recommended, provide a complete report on the case to the Secretary of Human Services and to the agency in

which the abuse or neglect is alleged to have happened. The complete report shall include a written response from the agency or facility operated by the State to the Inspector General that addresses in a concise and reasoned manner the actions that the agency or facility will take or has taken to protect the resident or patient from abuse or neglect, prevent reoccurrences, and eliminate problems identified and shall include implementation and completion dates for all such action. The Secretary of Human Services shall accept or reject the response and establish how the Department will determine whether the facility or program followed the approved response. The Secretary may require Department personnel to visit the facility or agency for training, technical assistance, programmatic, licensure, or certification purposes. Administrative action, including sanctions, may be applied should the Secretary reject the response or should the facility or agency fail to follow the approved response. Within 30 days after the Secretary has approved a response, the facility or agency making the response shall provide an implementation report to the Inspector General on the status of the corrective action implemented. Within 60 days after the Secretary has approved the response, the facility or agency shall send notice of the completion of the corrective action or shall send an updated implementation report. The facility or agency shall continue sending updated implementation reports every 60 days until the facility or agency sends a notice of the completion of the corrective action. The Inspector General shall review any implementation plan that takes more than 120 days. The Inspector General shall monitor compliance through a random review of completed corrective actions. This monitoring may include, but need not be limited to, site visits, telephone contacts, or requests for written documentation from the facility or agency to determine whether the facility or agency is in compliance with the approved response. The facility or agency shall inform the resident or patient and the legal guardian whether the reported allegation was substantiated, unsubstantiated, or unfounded. There shall be an appeals process for any person or agency that is subject to any action based on a recommendation or recommendations.

(d) Sanctions. The Inspector General may recommend to the Departments of Public Health and Human Services sanctions to be imposed against mental health and developmental disabilities facilities under the jurisdiction of the Department of Human Services for the protection of residents, including appointment of on-site monitors or receivers, transfer or relocation of residents, and closure of units. The

Inspector General may seek the assistance of the Attorney General or any of the several State's Attorneys in imposing such sanctions. Whenever the Inspector General issues any recommendations to the Secretary of Human Services, the Secretary shall provide a written response.

(e) Training programs. The Inspector General shall establish and conduct periodic training programs for Department of Human Services employees and community agency employees concerning the prevention and reporting of neglect and abuse.

(f) Access to facilities. The Inspector General shall at all times be granted access to any mental health or developmental disabilities facility operated by the Department of Human Services, shall establish and conduct unannounced site visits to those facilities at least once annually, and shall be granted access, for the purpose of investigating a report of abuse or neglect, to the records of the Department of Human Services and to any facility or program funded by the Department of Human Services that is subject under the provisions of this Section to investigation by the Inspector General for a report of abuse or neglect.

(g) Other investigations. Nothing in this Section shall limit investigations by the Department of Human Services that may otherwise be required by law or that may be necessary in that Department's capacity as the central administrative authority responsible for the operation of State mental health and developmental disability facilities.

(g-5) Health care worker registry. After notice and an opportunity for a hearing that is separate and distinct from the Office of the Inspector General's appeals process as implemented under subsection (c) of this Section, the Inspector General shall report to the Department of Public Health's health care worker registry under Section 3-206.01 of the MR/DD Community Care Act the identity of individuals against whom there has been a substantiated finding of physical or sexual abuse or egregious neglect of a service recipient.

Nothing in this subsection shall diminish or impair the rights of a person who is a member of a collective bargaining unit pursuant to the Illinois Public Labor Relations Act or pursuant to any federal labor statute. An individual who is a member of a collective bargaining unit as described above shall not be reported to the Department of Public Health's health care worker registry until the exhaustion of that individual's grievance and arbitration rights, or until 3 months after the initiation of the grievance process, whichever occurs first, provided that the Department of Human Services' hearing under this subsection regarding the reporting of an
individual to the Department of Public Health's health care worker registry has concluded. Notwithstanding anything hereinafter or previously provided, if an action taken by an employer against an individual as a result of the circumstances that led to a finding of physical or sexual abuse or egregious neglect is later overturned under a grievance or arbitration procedure provided for in Section 8 of the Illinois Public Labor Relations Act or under a collective bargaining agreement, the report must be removed from the registry.

The Department of Human Services shall promulgate or amend rules as necessary or appropriate to establish procedures for reporting to the registry, including the definition of egregious neglect, procedures for notice to the individual and victim, appeal and hearing procedures, and petition for removal of the report from the registry. The portion of the rules pertaining to hearings shall provide that, at the hearing, both parties may present written and oral evidence. The Department shall be required to establish by a preponderance of the evidence that the Office of the Inspector General's finding of physical or sexual abuse or egregious neglect warrants reporting to the Department of Public Health's health care worker registry under Section 3-206.01 of the MR/DD Community Care Act or Nursing Home Care Act.

Notice to the individual shall include a clear and concise statement of the grounds on which the report to the registry is based and notice of the opportunity for a hearing to contest the report. The Department of Human Services shall provide the notice by certified mail to the last known address of the individual. The notice shall give the individual an opportunity to contest the report in a hearing before the Department of Human Services or to submit a written response to the findings instead of requesting a hearing. If the individual does not request a hearing or if after notice and a hearing the Department of Human Services finds that the report is valid, the finding shall be included as part of the registry, as well as a brief statement from the reported individual if he or she chooses to make a statement. The Department of Public Health shall make available to the public information reported to the registry. In a case of inquiries concerning an individual listed in the registry, any information disclosed concerning a finding of abuse or neglect shall also include disclosure of the individual's brief statement in the registry relating to the reported finding or include a clear and accurate summary of the statement.

At any time after the report of the registry, an individual may petition the Department of Human Services for removal from the registry

of the finding against him or her. Upon receipt of such a petition, the Department of Human Services shall conduct an investigation and hearing on the petition. Upon completion of the investigation and hearing, the Department of Human Services shall report the removal of the finding to the registry unless the Department of Human Services determines that removal is not in the public interest.

(h) Quality Care Board. There is created, within the Office of the Inspector General, a Quality Care Board to be composed of 7 members appointed by the Governor with the advice and consent of the Senate. One of the members shall be designated as chairman by the Governor. Of the initial appointments made by the Governor, 4 Board members shall each be appointed for a term of 4 years and 3 members shall each be appointed for a term of 2 years. Upon the expiration of each member's term, a successor shall be appointed for a term of 4 years. In the case of a vacancy in the office of any member, the Governor shall appoint a successor for the remainder of the unexpired term.

Members appointed by the Governor shall be qualified by professional knowledge or experience in the area of law, investigatory techniques, or in the area of care of the mentally ill or developmentally disabled. Two members appointed by the Governor shall be persons with a disability or a parent of a person with a disability. Members shall serve without compensation, but shall be reimbursed for expenses incurred in connection with the performance of their duties as members.

The Board shall meet quarterly, and may hold other meetings on the call of the chairman. Four members shall constitute a quorum. The Board may adopt rules and regulations it deems necessary to govern its own procedures.

(i) Scope and function of the Quality Care Board. The Board shall monitor and oversee the operations, policies, and procedures of the Inspector General to assure the prompt and thorough investigation of allegations of neglect and abuse. In fulfilling these responsibilities, the Board may do the following:

1. Provide independent, expert consultation to the Inspector General on policies and protocols for investigations of alleged neglect and abuse.
2. Review existing regulations relating to the operation of facilities under the control of the Department of Human Services.
3. Advise the Inspector General as to the content of training activities authorized under this Section.

(4) Recommend policies concerning methods for improving the intergovernmental relationships between the Office of the Inspector General and other State or federal agencies.

(j) Investigators. The Inspector General shall establish a comprehensive program to ensure that every person employed or newly hired to conduct investigations shall receive training on an on-going basis concerning investigative techniques, communication skills, and the appropriate means of contact with persons admitted or committed to the mental health or developmental disabilities facilities under the jurisdiction of the Department of Human Services.

(k) Subpoenas; testimony; penalty. The Inspector General shall have the power to subpoena witnesses and compel the production of books and papers pertinent to an investigation authorized by this Act, provided that the power to subpoena or to compel the production of books and papers shall not extend to the person or documents of a labor organization or its representatives insofar as the person or documents of a labor organization relate to the function of representing an employee subject to investigation under this Act. Mental health records of patients shall be confidential as provided under the Mental Health and Developmental Disabilities Confidentiality Act. Any person who fails to appear in response to a subpoena or to answer any question or produce any books or papers pertinent to an investigation under this Act, except as otherwise provided in this Section, or who knowingly gives false testimony in relation to an investigation under this Act is guilty of a Class A misdemeanor.

(l) Annual report. The Inspector General shall provide to the General Assembly and the Governor, no later than January 1 of each year, a summary of reports and investigations made under this Act for the prior fiscal year with respect to residents of institutions under the jurisdiction of the Department of Human Services. The report shall detail the imposition of sanctions and the final disposition of those recommendations. The summaries shall not contain any confidential or identifying information concerning the subjects of the reports and investigations. The report shall also include a trend analysis of the number of reported allegations and their disposition, for each facility and Department-wide, for the most recent 3-year time period and a statement, for each facility, of the staffing-to-patient ratios. The ratios shall include only the number of direct care staff. The report shall also include detailed recommended administrative actions and matters for consideration by the General Assembly.

(m) Program audit. The Auditor General shall conduct a biennial program audit of the Office of the Inspector General in relation to the Inspector General's compliance with this Act. The audit shall specifically include the Inspector General's effectiveness in investigating reports of alleged neglect or abuse of residents in any facility operated by the Department of Human Services and in making recommendations for sanctions to the Departments of Human Services and Public Health. The Auditor General shall conduct the program audit according to the provisions of the Illinois State Auditing Act and shall report its findings to the General Assembly no later than January 1 of each odd-numbered year.

Section 90-10. The Mental Health and Developmental Disabilities Administrative Act is amended by changing Section 15 as follows:

(20 ILCS 1705/15) (from Ch. 91 1/2, par. 100-15)

Sec. 15. Before any person is released from a facility operated by the State pursuant to an absolute discharge or a conditional discharge from hospitalization under this Act, the facility director of the facility in which such person is hospitalized shall determine that such person is not currently in need of hospitalization and:

(a) is able to live independently in the community; or
(b) requires further oversight and supervisory care for which arrangements have been made with responsible relatives or supervised residential program approved by the Department; or
(c) requires further personal care or general oversight as defined by the MR/DD Community Care Act, Nursing Home Care Act, for which placement arrangements have been made with a suitable family home or other licensed facility approved by the Department under this Section; or
(d) requires community mental health services for which arrangements have been made with a community mental health provider in accordance with criteria, standards, and procedures promulgated by rule.

Such determination shall be made in writing and shall become a part of the facility record of such absolutely or conditionally discharged person. When the determination indicates that the condition of the person to be granted an absolute discharge or a conditional discharge is described under subparagraph (c) or (d) of this Section, the name and address of the continuing care facility or home to which such person is to be released shall be entered in the facility record. Where a discharge from a mental

health facility is made under subparagraph (c), the Department shall assign
the person so discharged to an existing community based not-for-profit
agency for participation in day activities suitable to the person's needs,
such as but not limited to social and vocational rehabilitation, and other
recreational, educational and financial activities unless the community
based not-for-profit agency is unqualified to accept such assignment.
Where the clientele of any not-for-profit agency increases as a result of
assignments under this amendatory Act of 1977 by more than 3% over the
prior year, the Department shall fully reimburse such agency for the costs
of providing services to such persons in excess of such 3% increase. The
Department shall keep written records detailing how many persons have
been assigned to a community based not-for-profit agency and how many
persons were not so assigned because the community based agency was
unable to accept the assignments, in accordance with criteria, standards,
and procedures promulgated by rule. Whenever a community based agency
is found to be unable to accept the assignments, the name of the agency
and the reason for the finding shall be included in the report.

Insofar as desirable in the interests of the former recipient, the
facility, program or home in which the discharged person is to be placed
shall be located in or near the community in which the person resided prior
to hospitalization or in the community in which the person's family or
nearest next of kin presently reside. Placement of the discharged person in
facilities, programs or homes located outside of this State shall not be
made by the Department unless there are no appropriate facilities,
programs or homes available within this State. Out-of-state placements
shall be subject to return of recipients so placed upon the availability of
facilities, programs or homes within this State to accommodate these
recipients, except where placement in a contiguous state results in locating
a recipient in a facility or program closer to the recipient's home or family.
If an appropriate facility or program becomes available equal to or closer
to the recipient's home or family, the recipient shall be returned to and
placed at the appropriate facility or program within this State.

To place any person who is under a program of the Department at
board in a suitable family home or in such other facility or program as the
Department may consider desirable. The Department may place in licensed
nursing homes, sheltered care homes, or homes for the aged those persons
whose behavioral manifestations and medical and nursing care needs are
such as to be substantially indistinguishable from persons already living in
such facilities. Prior to any placement by the Department under this

Section, a determination shall be made by the personnel of the Department, as to the capability and suitability of such facility to adequately meet the needs of the person to be discharged. When specialized programs are necessary in order to enable persons in need of supervised living to develop and improve in the community, the Department shall place such persons only in specialized residential care facilities which shall meet Department standards including restricted admission policy, special staffing and programming for social and vocational rehabilitation, in addition to the requirements of the appropriate State licensing agency. The Department shall not place any new person in a facility the license of which has been revoked or not renewed on grounds of inadequate programming, staffing, or medical or adjunctive services, regardless of the pendency of an action for administrative review regarding such revocation or failure to renew. Before the Department may transfer any person to a licensed nursing home, sheltered care home or home for the aged or place any person in a specialized residential care facility the Department shall notify the person to be transferred, or a responsible relative of such person, in writing, at least 30 days before the proposed transfer, with respect to all the relevant facts concerning such transfer, except in cases of emergency when such notice is not required. If either the person to be transferred or a responsible relative of such person objects to such transfer, in writing to the Department, at any time after receipt of notice and before the transfer, the facility director of the facility in which the person was a recipient shall immediately schedule a hearing at the facility with the presence of the facility director, the person who objected to such proposed transfer, and a psychiatrist who is familiar with the record of the person to be transferred. Such person to be transferred or a responsible relative may be represented by such counsel or interested party as he may appoint, who may present such testimony with respect to the proposed transfer. Testimony presented at such hearing shall become a part of the facility record of the person-to-be-transferred. The record of testimony shall be held in the person-to-be-transferred's record in the central files of the facility. If such hearing is held a transfer may only be implemented, if at all, in accordance with the results of such hearing. Within 15 days after such hearing the facility director shall deliver his findings based on the record of the case and the testimony presented at the hearing, by registered or certified mail, to the parties to such hearing. The findings of the facility director shall be deemed a final administrative decision of the Department. For purposes of this Section, "case of

emergency" means those instances in which the health of the person to be transferred is imperiled and the most appropriate mental health care or medical care is available at a licensed nursing home, sheltered care home or home for the aged or a specialized residential care facility.

Prior to placement of any person in a facility under this Section the Department shall ensure that an appropriate training plan for staff is provided by the facility. Said training may include instruction and demonstration by Department personnel qualified in the area of mental illness or mental retardation, as applicable to the person to be placed. Training may be given both at the facility from which the recipient is transferred and at the facility receiving the recipient, and may be available on a continuing basis subsequent to placement. In a facility providing services to former Department recipients, training shall be available as necessary for facility staff. Such training will be on a continuing basis as the needs of the facility and recipients change and further training is required.

The Department shall not place any person in a facility which does not have appropriately trained staff in sufficient numbers to accommodate the recipient population already at the facility. As a condition of further or future placements of persons, the Department shall require the employment of additional trained staff members at the facility where said persons are to be placed. The Secretary, or his or her designate, shall establish written guidelines for placement of persons in facilities under this Act. The Department shall keep written records detailing which facilities have been determined to have staff who have been appropriately trained by the Department and all training which it has provided or required under this Section.

Bills for the support for a person boarded out shall be payable monthly out of the proper maintenance funds and shall be audited as any other accounts of the Department. If a person is placed in a facility or program outside the Department, the Department may pay the actual costs of residence, treatment or maintenance in such facility and may collect such actual costs or a portion thereof from the recipient or the estate of a person placed in accordance with this Section.

Other than those placed in a family home the Department shall cause all persons who are placed in a facility, as defined by the MR/DD Community Care Act Nursing Home Care Act, or in designated community living situations or programs, to be visited at least once during the first month following placement, and once every month thereafter for

the first year following placement when indicated, but at least quarterly. After the first year, the Department shall determine at what point the appropriate licensing entity for the facility or designated community living situation or program will assume the responsibility of ensuring that appropriate services are being provided to the resident. Once that responsibility is assumed, the Department may discontinue such visits. If a long term care facility has periodic care plan conferences, the visitor may participate in those conferences, if such participation is approved by the resident or the resident's guardian. Visits shall be made by qualified and trained Department personnel, or their designee, in the area of mental health or developmental disabilities applicable to the person visited, and shall be made on a more frequent basis when indicated. The Department may not use as designee any personnel connected with or responsible to the representatives of any facility in which persons who have been transferred under this Section are placed. In the course of such visit there shall be consideration of the following areas, but not limited thereto: effects of transfer on physical and mental health of the person, sufficiency of nursing care and medical coverage required by the person, sufficiency of staff personnel and ability to provide basic care for the person, social, recreational and programmatic activities available for the person, and other appropriate aspects of the person's environment.

A report containing the above observations shall be made to the Department, to the licensing agency, and to any other appropriate agency subsequent to each visitation. The report shall contain recommendations to improve the care and treatment of the resident, as necessary, which shall be reviewed by the facility's interdisciplinary team and the resident or the resident's legal guardian.

Upon the complaint of any person placed in accordance with this Section or any responsible citizen or upon discovery that such person has been abused, neglected, or improperly cared for, or that the placement does not provide the type of care required by the recipient's current condition, the Department immediately shall investigate, and determine if the well-being, health, care, or safety of any person is affected by any of the above occurrences, and if any one of the above occurrences is verified, the Department shall remove such person at once to a facility of the Department or to another facility outside the Department, provided such person's needs can be met at said facility. The Department may also provide any person placed in accordance with this Section who is without available funds, and who is permitted to engage in employment outside the

facilities, such sums for the transportation, and other expenses as may be needed by him until he receives his wages for such employment.

The Department shall promulgate rules and regulations governing the purchase of care for persons who are wards of or who are receiving services from the Department. Such rules and regulations shall apply to all monies expended by any agency of the State of Illinois for services rendered by any person, corporate entity, agency, governmental agency or political subdivision whether public or private outside of the Department whether payment is made through a contractual, per-diem or other arrangement. No funds shall be paid to any person, corporation, agency, governmental entity or political subdivision without compliance with such rules and regulations.

The rules and regulations governing purchase of care shall describe categories and types of service deemed appropriate for purchase by the Department.

Any provider of services under this Act may elect to receive payment for those services, and the Department is authorized to arrange for that payment, by means of direct deposit transmittals to the service provider's account maintained at a bank, savings and loan association, or other financial institution. The financial institution shall be approved by the Department, and the deposits shall be in accordance with rules and regulations adopted by the Department.

Sec. 3-10. Rate of tax. Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of the selling price of tangible personal property transferred as an incident to the sale of service, but, for the purpose of computing this tax, in no event shall the selling price be less than the cost price of the property to the serviceman.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

With respect to gasohol, as defined in the Use Tax Act, the tax imposed by this Act applies to (i) 70% of the selling price of property transferred as an incident to the sale of service on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2013, and (iii) 100% of the selling price thereafter. If, at any time, however, the tax under this Act on sales of gasohol, as defined in the Use Tax Act, is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

With respect to majority blended ethanol fuel, as defined in the Use Tax Act, the tax imposed by this Act does not apply to the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2013 but applies to 100% of the selling price thereafter.

With respect to biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2013 and (ii) 100% of the proceeds of the selling price thereafter. If, at any time, however, the tax under this Act on sales of biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel.

blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to 100% biodiesel, as defined in the Use Tax Act, and biodiesel blends, as defined in the Use Tax Act, with more than 10% but no more than 99% biodiesel, the tax imposed by this Act does not apply to the proceeds of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2013 but applies to 100% of the selling price thereafter.

At the election of any registered serviceman made for each fiscal year, sales of service in which the aggregate annual cost price of tangible personal property transferred as an incident to the sales of service is less than 35%, or 75% in the case of servicemen transferring prescription drugs or servicemen engaged in graphic arts production, of the aggregate annual total gross receipts from all sales of service, the tax imposed by this Act shall be based on the serviceman's cost price of the tangible personal property transferred as an incident to the sale of those services.

The tax shall be imposed at the rate of 1% on food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Occupation Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the MR/DD Community Care Act, or the Child Care Act of 1969. The tax shall also be imposed at the rate of 1% on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption and is not otherwise included in this paragraph) and prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use. For the purposes of this Section, the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including but not limited to soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed bottle, can, carton, or container, regardless of size. "Soft drinks" does not include coffee, tea, non-carbonated water, infant formula, milk or milk products as defined in the Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

Notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine.

If the property that is acquired from a serviceman is acquired outside Illinois and used outside Illinois before being brought to Illinois for use here and is taxable under this Act, the "selling price" on which the tax is computed shall be reduced by an amount that represents a reasonable allowance for depreciation for the period of prior out-of-state use.

The selling price of each item of tangible personal property transferred as an incident of a sale of service may be shown as a distinct and separate item on the serviceman's billing to the service customer. If the selling price is not so shown, the selling price of the tangible personal property is deemed to be 50% of the serviceman's entire billing to the service customer. If, at any time, however, the tax under this Act on sales of biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

(35 ILCS 200/15-168)
Sec. 15-168. Disabled persons' homestead exemption.
   (a) Beginning with taxable year 2007, an annual homestead exemption is granted to disabled persons in the amount of $2,000, except as provided in subsection (c), to be deducted from the property's value as equalized or assessed by the Department of Revenue. The disabled person shall receive the homestead exemption upon meeting the following requirements:
      
      (1) The property must be occupied as the primary residence by the disabled person.
      (2) The disabled person must be liable for paying the real estate taxes on the property.
      (3) The disabled person must be an owner of record of the property or have a legal or equitable interest in the property as evidenced by a written instrument. In the case of a leasehold interest in property, the lease must be for a single family residence. A person who is disabled during the taxable year is eligible to apply for this homestead exemption during that taxable year. Application must be made during the application period in effect for the county of

residence. If a homestead exemption has been granted under this Section and the person awarded the exemption subsequently becomes a resident of a facility licensed under the Nursing Home Care Act or the MR/DD Community Care Act, then the exemption shall continue (i) so long as the residence continues to be occupied by the qualifying person's spouse or (ii) if the residence remains unoccupied but is still owned by the person qualified for the homestead exemption.

(b) For the purposes of this Section, "disabled person" means a person unable to engage in any substantial gainful activity by reason of a medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months. Disabled persons filing claims under this Act shall submit proof of disability in such form and manner as the Department shall by rule and regulation prescribe. Proof that a claimant is eligible to receive disability benefits under the Federal Social Security Act shall constitute proof of disability for purposes of this Act. Issuance of an Illinois Disabled Person Identification Card stating that the claimant is under a Class 2 disability, as defined in Section 4A of The Illinois Identification Card Act, shall constitute proof that the person named thereon is a disabled person for purposes of this Act. A disabled person not covered under the Federal Social Security Act and not presenting a Disabled Person Identification Card stating that the claimant is under a Class 2 disability shall be examined by a physician designated by the Department, and his status as a disabled person determined using the same standards as used by the Social Security Administration. The costs of any required examination shall be borne by the claimant.

(c) For land improved with (i) an apartment building owned and operated as a cooperative or (ii) a life care facility as defined under Section 2 of the Life Care Facilities Act that is considered to be a cooperative, the maximum reduction from the value of the property, as equalized or assessed by the Department, shall be multiplied by the number of apartments or units occupied by a disabled person. The disabled person shall receive the homestead exemption upon meeting the following requirements:

(1) The property must be occupied as the primary residence by the disabled person.

(2) The disabled person must be liable by contract with the owner or owners of record for paying the apportioned property taxes on the property of the cooperative or life care facility. In the
case of a life care facility, the disabled person must be liable for paying the apportioned property taxes under a life care contract as defined in Section 2 of the Life Care Facilities Act.

(3) The disabled person must be an owner of record of a legal or equitable interest in the cooperative apartment building. A leasehold interest does not meet this requirement.

If a homestead exemption is granted under this subsection, the cooperative association or management firm shall credit the savings resulting from the exemption to the apportioned tax liability of the qualifying disabled person. The chief county assessment officer may request reasonable proof that the association or firm has properly credited the exemption. A person who willfully refuses to credit an exemption to the qualified disabled person is guilty of a Class B misdemeanor.

(d) The chief county assessment officer shall determine the eligibility of property to receive the homestead exemption according to guidelines established by the Department. After a person has received an exemption under this Section, an annual verification of eligibility for the exemption shall be mailed to the taxpayer.

In counties with fewer than 3,000,000 inhabitants, the chief county assessment officer shall provide to each person granted a homestead exemption under this Section a form to designate any other person to receive a duplicate of any notice of delinquency in the payment of taxes assessed and levied under this Code on the person's qualifying property. The duplicate notice shall be in addition to the notice required to be provided to the person receiving the exemption and shall be given in the manner required by this Code. The person filing the request for the duplicate notice shall pay an administrative fee of $5 to the chief county assessment officer. The assessment officer shall then file the executed designation with the county collector, who shall issue the duplicate notices as indicated by the designation. A designation may be rescinded by the disabled person in the manner required by the chief county assessment officer.

(e) A taxpayer who claims an exemption under Section 15-165 or 15-169 may not claim an exemption under this Section.

Sec. 15-170. Senior Citizens Homestead Exemption. An annual homestead exemption limited, except as described here with relation to cooperatives or life care facilities, to a maximum reduction set forth below

New matter indicated by italics - deletions by strikeout.
from the property's value, as equalized or assessed by the Department, is granted for property that is occupied as a residence by a person 65 years of age or older who is liable for paying real estate taxes on the property and is an owner of record of the property or has a legal or equitable interest therein as evidenced by a written instrument, except for a leasehold interest, other than a leasehold interest of land on which a single family residence is located, which is occupied as a residence by a person 65 years or older who has an ownership interest therein, legal, equitable or as a lessee, and on which he or she is liable for the payment of property taxes.

Before taxable year 2004, the maximum reduction shall be $2,500 in counties with 3,000,000 or more inhabitants and $2,000 in all other counties. For taxable years 2004 through 2005, the maximum reduction shall be $3,000 in all counties. For taxable years 2006 and 2007, the maximum reduction shall be $3,500 and, for taxable years 2008 and thereafter, the maximum reduction is $4,000 in all counties.

For land improved with an apartment building owned and operated as a cooperative, the maximum reduction from the value of the property, as equalized by the Department, shall be multiplied by the number of apartments or units occupied by a person 65 years of age or older who is liable, by contract with the owner or owners of record, for paying property taxes on the property and is an owner of record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. For land improved with a life care facility, the maximum reduction from the value of the property, as equalized by the Department, shall be multiplied by the number of apartments or units occupied by persons 65 years of age or older, irrespective of any legal, equitable, or leasehold interest in the facility, who are liable, under a contract with the owner or owners of record of the facility, for paying property taxes on the property. In a cooperative or a life care facility where a homestead exemption has been granted, the cooperative association or the management firm of the cooperative or facility shall credit the savings resulting from that exemption only to the apportioned tax liability of the owner or resident who qualified for the exemption. Any person who willfully refuses to so credit the savings shall be guilty of a Class B misdemeanor. Under this Section and Sections 15-175, 15-176, and 15-177, "life care facility" means a facility, as defined in Section 2 of the Life Care Facilities Act, with which the applicant for the homestead exemption has a life care contract as defined in that Act.

New matter indicated by italics - deletions by strikeout.
When a homestead exemption has been granted under this Section and the person qualifying subsequently becomes a resident of a facility licensed under the Nursing Home Care Act or the MR/DD Community Care Act, the exemption shall continue so long as the residence continues to be occupied by the qualifying person's spouse if the spouse is 65 years of age or older, or if the residence remains unoccupied but is still owned by the person qualified for the homestead exemption.

A person who will be 65 years of age during the current assessment year shall be eligible to apply for the homestead exemption during that assessment year. Application shall be made during the application period in effect for the county of his residence.

Beginning with assessment year 2003, for taxes payable in 2004, property that is first occupied as a residence after January 1 of any assessment year by a person who is eligible for the senior citizens homestead exemption under this Section must be granted a pro-rata exemption for the assessment year. The amount of the pro-rata exemption is the exemption allowed in the county under this Section divided by 365 and multiplied by the number of days during the assessment year the property is occupied as a residence by a person eligible for the exemption under this Section. The chief county assessment officer must adopt reasonable procedures to establish eligibility for this pro-rata exemption.

The assessor or chief county assessment officer may determine the eligibility of a life care facility to receive the benefits provided by this Section, by affidavit, application, visual inspection, questionnaire or other reasonable methods in order to insure that the tax savings resulting from the exemption are credited by the management firm to the apportioned tax liability of each qualifying resident. The assessor may request reasonable proof that the management firm has so credited the exemption.

The chief county assessment officer of each county with less than 3,000,000 inhabitants shall provide to each person allowed a homestead exemption under this Section a form to designate any other person to receive a duplicate of any notice of delinquency in the payment of taxes assessed and levied under this Code on the property of the person receiving the exemption. The duplicate notice shall be in addition to the notice required to be provided to the person receiving the exemption, and shall be given in the manner required by this Code. The person filing the request for the duplicate notice shall pay a fee of $5 to cover administrative costs to the supervisor of assessments, who shall then file the executed designation with the county collector. Notwithstanding any

New matter indicated by italics - deletions by strikeout.
other provision of this Code to the contrary, the filing of such an executed designation requires the county collector to provide duplicate notices as indicated by the designation. A designation may be rescinded by the person who executed such designation at any time, in the manner and form required by the chief county assessment officer.

The assessor or chief county assessment officer may determine the eligibility of residential property to receive the homestead exemption provided by this Section by application, visual inspection, questionnaire or other reasonable methods. The determination shall be made in accordance with guidelines established by the Department.

In counties with less than 3,000,000 inhabitants, the county board may by resolution provide that if a person has been granted a homestead exemption under this Section, the person qualifying need not reapply for the exemption.

In counties with less than 3,000,000 inhabitants, if the assessor or chief county assessment officer requires annual application for verification of eligibility for an exemption once granted under this Section, the application shall be mailed to the taxpayer.

The assessor or chief county assessment officer shall notify each person who qualifies for an exemption under this Section that the person may also qualify for deferral of real estate taxes under the Senior Citizens Real Estate Tax Deferral Act. The notice shall set forth the qualifications needed for deferral of real estate taxes, the address and telephone number of county collector, and a statement that applications for deferral of real estate taxes may be obtained from the county collector.

Notwithstanding Sections 6 and 8 of the State Mandates Act, no reimbursement by the State is required for the implementation of any mandate created by this Section.

(35 ILCS 200/15-172)
Sec. 15-172. Senior Citizens Assessment Freeze Homestead Exemption.

(a) This Section may be cited as the Senior Citizens Assessment Freeze Homestead Exemption.

(b) As used in this Section:
"Applicant" means an individual who has filed an application under this Section.

New matter indicated by italics - deletions by strikeout.
"Base amount" means the base year equalized assessed value of the residence plus the first year's equalized assessed value of any added improvements which increased the assessed value of the residence after the base year.

"Base year" means the taxable year prior to the taxable year for which the applicant first qualifies and applies for the exemption provided that in the prior taxable year the property was improved with a permanent structure that was occupied as a residence by the applicant who was liable for paying real property taxes on the property and who was either (i) an owner of record of the property or had legal or equitable interest in the property as evidenced by a written instrument or (ii) had a legal or equitable interest as a lessee in the parcel of property that was single family residence. If in any subsequent taxable year for which the applicant applies and qualifies for the exemption the equalized assessed value of the residence is less than the equalized assessed value in the existing base year (provided that such equalized assessed value is not based on an assessed value that results from a temporary irregularity in the property that reduces the assessed value for one or more taxable years), then that subsequent taxable year shall become the base year until a new base year is established under the terms of this paragraph. For taxable year 1999 only, the Chief County Assessment Officer shall review (i) all taxable years for which the applicant applied and qualified for the exemption and (ii) the existing base year. The assessment officer shall select as the new base year the year with the lowest equalized assessed value. An equalized assessed value that is based on an assessed value that results from a temporary irregularity in the property that reduces the assessed value for one or more taxable years shall not be considered the lowest equalized assessed value. The selected year shall be the base year for taxable year 1999 and thereafter until a new base year is established under the terms of this paragraph.

"Chief County Assessment Officer" means the County Assessor or Supervisor of Assessments of the county in which the property is located.

"Equalized assessed value" means the assessed value as equalized by the Illinois Department of Revenue.

"Household" means the applicant, the spouse of the applicant, and all persons using the residence of the applicant as their principal place of residence.

"Household income" means the combined income of the members of a household for the calendar year preceding the taxable year.

New matter indicated by italics - deletions by strikeout.
"Income" has the same meaning as provided in Section 3.07 of the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act, except that, beginning in assessment year 2001, "income" does not include veteran's benefits.

"Internal Revenue Code of 1986" means the United States Internal Revenue Code of 1986 or any successor law or laws relating to federal income taxes in effect for the year preceding the taxable year.

"Life care facility that qualifies as a cooperative" means a facility as defined in Section 2 of the Life Care Facilities Act.

"Maximum income limitation" means:
(1) $35,000 prior to taxable year 1999;
(2) $40,000 in taxable years 1999 through 2003;
(3) $45,000 in taxable years 2004 through 2005;
(4) $50,000 in taxable years 2006 and 2007; and
(5) $55,000 in taxable year 2008 and thereafter.

"Residence" means the principal dwelling place and appurtenant structures used for residential purposes in this State occupied on January 1 of the taxable year by a household and so much of the surrounding land, constituting the parcel upon which the dwelling place is situated, as is used for residential purposes. If the Chief County Assessment Officer has established a specific legal description for a portion of property constituting the residence, then that portion of property shall be deemed the residence for the purposes of this Section.

"Taxable year" means the calendar year during which ad valorem property taxes payable in the next succeeding year are levied.

(c) Beginning in taxable year 1994, a senior citizens assessment freeze homestead exemption is granted for real property that is improved with a permanent structure that is occupied as a residence by an applicant who (i) is 65 years of age or older during the taxable year, (ii) has a household income that does not exceed the maximum income limitation, (iii) is liable for paying real property taxes on the property, and (iv) is an owner of record of the property or has a legal or equitable interest in the property as evidenced by a written instrument. This homestead exemption shall also apply to a leasehold interest in a parcel of property improved with a permanent structure that is a single family residence that is occupied as a residence by a person who (i) is 65 years of age or older during the taxable year, (ii) has a household income that does not exceed the maximum income limitation, (iii) has a legal or equitable ownership

New matter indicated by italics - deletions by strikeout.
interest in the property as lessee, and (iv) is liable for the payment of real
property taxes on that property.

In counties of 3,000,000 or more inhabitants, the amount of the
exemption for all taxable years is the equalized assessed value of the
residence in the taxable year for which application is made minus the base
amount. In all other counties, the amount of the exemption is as follows:
(i) through taxable year 2005 and for taxable year 2007 and thereafter, the
amount of this exemption shall be the equalized assessed value of the
residence in the taxable year for which application is made minus the base
amount; and (ii) for taxable year 2006, the amount of the exemption is as
follows:

(1) For an applicant who has a household income of
$45,000 or less, the amount of the exemption is the equalized
assessed value of the residence in the taxable year for which
application is made minus the base amount.

(2) For an applicant who has a household income exceeding
$45,000 but not exceeding $46,250, the amount of the exemption
is (i) the equalized assessed value of the residence in the taxable
year for which application is made minus the base amount (ii)
multiplied by 0.8.

(3) For an applicant who has a household income exceeding
$46,250 but not exceeding $47,500, the amount of the exemption
is (i) the equalized assessed value of the residence in the taxable
year for which application is made minus the base amount (ii)
multiplied by 0.6.

(4) For an applicant who has a household income exceeding
$47,500 but not exceeding $48,750, the amount of the exemption
is (i) the equalized assessed value of the residence in the taxable
year for which application is made minus the base amount (ii)
multiplied by 0.4.

(5) For an applicant who has a household income exceeding
$48,750 but not exceeding $50,000, the amount of the exemption
is (i) the equalized assessed value of the residence in the taxable
year for which application is made minus the base amount (ii)
multiplied by 0.2.

When the applicant is a surviving spouse of an applicant for a prior
year for the same residence for which an exemption under this Section has
been granted, the base year and base amount for that residence are the
same as for the applicant for the prior year.

New matter indicated by italics - deletions by strikeout.
Each year at the time the assessment books are certified to the County Clerk, the Board of Review or Board of Appeals shall give to the County Clerk a list of the assessed values of improvements on each parcel qualifying for this exemption that were added after the base year for this parcel and that increased the assessed value of the property.

In the case of land improved with an apartment building owned and operated as a cooperative or a building that is a life care facility that qualifies as a cooperative, the maximum reduction from the equalized assessed value of the property is limited to the sum of the reductions calculated for each unit occupied as a residence by a person or persons (i) 65 years of age or older, (ii) with a household income that does not exceed the maximum income limitation, (iii) who is liable, by contract with the owner or owners of record, for paying real property taxes on the property, and (iv) who is an owner of record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. In the instance of a cooperative where a homestead exemption has been granted under this Section, the cooperative association or its management firm shall credit the savings resulting from that exemption only to the apportioned tax liability of the owner who qualified for the exemption. Any person who willfully refuses to credit that savings to an owner who qualifies for the exemption is guilty of a Class B misdemeanor.

When a homestead exemption has been granted under this Section and an applicant then becomes a resident of a facility licensed under the Nursing Home Care Act or the MR/DD Community Care Act, the exemption shall be granted in subsequent years so long as the residence (i) continues to be occupied by the qualified applicant's spouse or (ii) if remaining unoccupied, is still owned by the qualified applicant for the homestead exemption.

Beginning January 1, 1997, when an individual dies who would have qualified for an exemption under this Section, and the surviving spouse does not independently qualify for this exemption because of age, the exemption under this Section shall be granted to the surviving spouse for the taxable year preceding and the taxable year of the death, provided that, except for age, the surviving spouse meets all other qualifications for the granting of this exemption for those years.

When married persons maintain separate residences, the exemption provided for in this Section may be claimed by only one of such persons and for only one residence.

New matter indicated by italics - deletions by strikeout.
For taxable year 1994 only, in counties having less than 3,000,000 inhabitants, to receive the exemption, a person shall submit an application by February 15, 1995 to the Chief County Assessment Officer of the county in which the property is located. In counties having 3,000,000 or more inhabitants, for taxable year 1994 and all subsequent taxable years, to receive the exemption, a person may submit an application to the Chief County Assessment Officer of the county in which the property is located during such period as may be specified by the Chief County Assessment Officer. The Chief County Assessment Officer in counties of 3,000,000 or more inhabitants shall annually give notice of the application period by mail or by publication. In counties having less than 3,000,000 inhabitants, beginning with taxable year 1995 and thereafter, to receive the exemption, a person shall submit an application by July 1 of each taxable year to the Chief County Assessment Officer of the county in which the property is located. A county may, by ordinance, establish a date for submission of applications that is different than July 1. The applicant shall submit with the application an affidavit of the applicant's total household income, age, marital status (and if married the name and address of the applicant's spouse, if known), and principal dwelling place of members of the household on January 1 of the taxable year. The Department shall establish, by rule, a method for verifying the accuracy of affidavits filed by applicants under this Section, and the Chief County Assessment Officer may conduct audits of any taxpayer claiming an exemption under this Section to verify that the taxpayer is eligible to receive the exemption. Each application shall contain or be verified by a written declaration that it is made under the penalties of perjury. A taxpayer's signing a fraudulent application under this Act is perjury, as defined in Section 32-2 of the Criminal Code of 1961. The applications shall be clearly marked as applications for the Senior Citizens Assessment Freeze Homestead Exemption and must contain a notice that any taxpayer who receives the exemption is subject to an audit by the Chief County Assessment Officer.

Notwithstanding any other provision to the contrary, in counties having fewer than 3,000,000 inhabitants, if an applicant fails to file the application required by this Section in a timely manner and this failure to file is due to a mental or physical condition sufficiently severe so as to render the applicant incapable of filing the application in a timely manner, the Chief County Assessment Officer may extend the filing deadline for a period of 30 days after the applicant regains the capability to file the application, but in no case may the filing deadline be extended beyond 3

New matter indicated by italics - deletions by strikeout.
months of the original filing deadline. In order to receive the extension provided in this paragraph, the applicant shall provide the Chief County Assessment Officer with a signed statement from the applicant's physician stating the nature and extent of the condition, that, in the physician's opinion, the condition was so severe that it rendered the applicant incapable of filing the application in a timely manner, and the date on which the applicant regained the capability to file the application.

Beginning January 1, 1998, notwithstanding any other provision to the contrary, in counties having fewer than 3,000,000 inhabitants, if an applicant fails to file the application required by this Section in a timely manner and this failure to file is due to a mental or physical condition sufficiently severe so as to render the applicant incapable of filing the application in a timely manner, the Chief County Assessment Officer may extend the filing deadline for a period of 3 months. In order to receive the extension provided in this paragraph, the applicant shall provide the Chief County Assessment Officer with a signed statement from the applicant's physician stating the nature and extent of the condition, and that, in the physician's opinion, the condition was so severe that it rendered the applicant incapable of filing the application in a timely manner.

In counties having less than 3,000,000 inhabitants, if an applicant was denied an exemption in taxable year 1994 and the denial occurred due to an error on the part of an assessment official, or his or her agent or employee, then beginning in taxable year 1997 the applicant's base year, for purposes of determining the amount of the exemption, shall be 1993 rather than 1994. In addition, in taxable year 1997, the applicant's exemption shall also include an amount equal to (i) the amount of any exemption denied to the applicant in taxable year 1995 as a result of using 1994, rather than 1993, as the base year, (ii) the amount of any exemption denied to the applicant in taxable year 1996 as a result of using 1994, rather than 1993, as the base year, and (iii) the amount of the exemption erroneously denied for taxable year 1994.

For purposes of this Section, a person who will be 65 years of age during the current taxable year shall be eligible to apply for the homestead exemption during that taxable year. Application shall be made during the application period in effect for the county of his or her residence.

The Chief County Assessment Officer may determine the eligibility of a life care facility that qualifies as a cooperative to receive the benefits provided by this Section by use of an affidavit, application, visual inspection, questionnaire, or other reasonable method in order to insure

that the tax savings resulting from the exemption are credited by the management firm to the apportioned tax liability of each qualifying resident. The Chief County Assessment Officer may request reasonable proof that the management firm has so credited that exemption.

Except as provided in this Section, all information received by the chief county assessment officer or the Department from applications filed under this Section, or from any investigation conducted under the provisions of this Section, shall be confidential, except for official purposes or pursuant to official procedures for collection of any State or local tax or enforcement of any civil or criminal penalty or sanction imposed by this Act or by any statute or ordinance imposing a State or local tax. Any person who divulges any such information in any manner, except in accordance with a proper judicial order, is guilty of a Class A misdemeanor.

Nothing contained in this Section shall prevent the Director or chief county assessment officer from publishing or making available reasonable statistics concerning the operation of the exemption contained in this Section in which the contents of claims are grouped into aggregates in such a way that information contained in any individual claim shall not be disclosed.

(d) Each Chief County Assessment Officer shall annually publish a notice of availability of the exemption provided under this Section. The notice shall be published at least 60 days but no more than 75 days prior to the date on which the application must be submitted to the Chief County Assessment Officer of the county in which the property is located. The notice shall appear in a newspaper of general circulation in the county.

The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes. Nothing in this amendatory Act of the 95th General Assembly is intended to invalidate any taxes currently imposed by the Authority. The increased vote requirements to impose a tax shall only apply to actions taken after the effective date of this amendatory Act of the 95th General Assembly.

(b) The Board may impose a public transportation tax upon all persons engaged in the metropolitan region in the business of selling at retail motor fuel for operation of motor vehicles upon public highways. (e) The Board may impose a Regional Transportation Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan region. In Cook County the tax rate shall be 1.25% of the gross receipts from sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics, and 1% of the gross receipts from other taxable sales made in the course of that business. In DuPage, Kane, Lake, McHenry, and Will Counties, the tax rate shall be 0.75% of the gross receipts from all taxable sales made in the course of that business. Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

If a tax is imposed under this subsection (e), a tax shall also be imposed under subsections (f) and (g) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Regional Transportation Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) If a tax has been imposed under paragraph (e), a Regional Transportation Authority Service Occupation Tax shall also be imposed upon all persons engaged, in the metropolitan region in the business of making sales of service, who as an incident to making the sales of service, transfer tangible personal property within the metropolitan region, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the Authority), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

(g) If a tax has been imposed under paragraph (e), a tax shall also be imposed upon the privilege of using in the metropolitan region, any item of tangible personal property that is purchased outside the metropolitan region at retail from a retailer, and that is titled or registered with an agency of this State's government. In DuPage, Kane, Lake, McHenry and Will counties the tax rate shall be 0.75% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan region. The tax shall be collected by the Department of Revenue for the Regional Transportation Authority. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest.

In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of “retailer maintaining a place of business in this State”), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act, and are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

The Department of Revenue shall collect the tax for the Authority in accordance with Sections 3-2002 and 3-2003 of the Illinois Vehicle Code.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes collected hereunder. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the Authority. The amount to be paid to the Authority shall be the amount collected hereunder during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for the payment of refunds. Within 10 days after receipt by the Comptroller of the disbursement certification to the Authority provided for
in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for that amount in accordance with the directions contained in the certification.

(i) The Board may not impose any other taxes except as it may from time to time be authorized by law to impose.

(j) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers’ Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (e), (f) or (g) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(k) The provisions of any tax imposed under paragraph (c) of this Section shall conform as closely as may be practicable to the provisions of the Use Tax Act, including without limitation conformity as to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed. The taxes shall be imposed only on use within the metropolitan region and at rates as provided in the paragraph.

The State Department of Revenue may provide for certificates of registration for users or purchasers of motor fuel for purposes other than those with regard to which taxes may be imposed as provided in paragraphs (b) and (c) of this Section to facilitate the reporting and nontaxability of the exempt sales or uses.

Any ordinance or resolution of the Authority imposing a tax under this Section and in effect on August 1, 2007 shall remain in full force and effect and shall be administered by the Department of Revenue under the terms and conditions and rates of tax established by such ordinance or resolution until the Department begins administering and enforcing an increased tax under this Section as authorized by this amendatory Act of the 95th General Assembly. The tax rates authorized by this amendatory Act of the 95th General Assembly are effective only if imposed by ordinance of the Authority.

(n) The State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the Authority. reduced by the amount allocated and disbursed under this paragraph in the
preceding calendar year. The Department of Revenue shall prepare and
certify to the Comptroller for disbursement the allocations made in
accordance with this paragraph.

(o) Failure to adopt a budget ordinance or otherwise to comply
with Section 4.01 of this Act or to adopt a Five-year Capital Program or
otherwise to comply with paragraph (b) of Section 2.01 of this Act shall
not affect the validity of any tax imposed by the Authority otherwise in
conformity with law.

(p) At no time shall a public transportation tax or motor vehicle

(16) Professional incompetence in the practice of nursing home administration.

(18) Violation of the Nursing Home Care Act or the MR/DD Community Care Act or of any rule issued under the Nursing Home Care Act or the MR/DD Community Care Act.

All proceedings to suspend, revoke, place on probationary status, or take any other disciplinary action as the Department may deem proper, with regard to a license on any of the foregoing grounds, must be commenced within 5 years next after receipt by the Department of (i) a complaint alleging the commission of or notice of the conviction order for any of the acts described herein or (ii) a referral for investigation under Section 3-108 of the Nursing Home Care Act.

The entry of an order or judgment by any circuit court establishing that any person holding a license under this Act is a person in need of mental treatment operates as a suspension of that license. That person may resume their practice only upon the entry of a Department order based upon a finding by the Board that they have been determined to be recovered from mental illness by the court and upon the Board's recommendation that they be permitted to resume their practice.

The Department, upon the recommendation of the Board, may adopt rules which set forth standards to be used in determining what constitutes:

(i) when a person will be deemed sufficiently rehabilitated to warrant the public trust;

However, no such rule shall be admissible into evidence in any civil action except for review of a licensing or other disciplinary action under this Act.

In enforcing this Section, the Department or Board, upon a showing of a possible violation, may compel any individual licensed to practice under this Act, or who has applied for licensure pursuant to this Act, to submit to a mental or physical examination, or both, as required by and at the expense of the Department. The examining physician or physicians shall be those specifically designated by the Department or Board. The Department or Board may order the examining physician to present testimony concerning this mental or physical examination of the licensee or applicant. No information shall be excluded by reason of any common law or statutory privilege relating to communications between the licensee or applicant and the examining physician. The individual to be examined may have, at his or her own expense, another physician of his or her choice present during all aspects of the examination. Failure of any individual to submit to mental or physical examination, when directed, shall be grounds for suspension of his or her license until such time as the individual submits to the examination if the Department finds, after notice and hearing, that the refusal to submit to the examination was without reasonable cause.

If the Department or Board finds an individual unable to practice because of the reasons set forth in this Section, the Department or Board shall require such individual to submit to care, counseling, or treatment by physicians approved or designated by the Department or Board, as a condition, term, or restriction for continued, reinstated, or renewed licensure to practice; or in lieu of care, counseling, or treatment, the Department may file, or the Board may recommend to the Department to file, a complaint to immediately suspend, revoke, or otherwise discipline the license of the individual. Any individual whose license was granted pursuant to this Act or continued, reinstated, renewed, disciplined or supervised, subject to such terms, conditions or restrictions who shall fail to comply with such terms, conditions or restrictions shall be referred to the Secretary for a determination as to whether the licensee shall have his or her license suspended immediately, pending a hearing by the Department. In instances in which the Secretary immediately suspends a license under this Section, a hearing upon such person's license must be

convened by the Board within 30 days after such suspension and completed without appreciable delay. The Department and Board shall have the authority to review the subject administrator's record of treatment and counseling regarding the impairment, to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

An individual licensed under this Act, affected under this Section, shall be afforded an opportunity to demonstrate to the Department or Board that he or she can resume practice in compliance with acceptable and prevailing standards under the provisions of his or her license.

(b) Any individual or organization acting in good faith, and not in a wilful and wanton manner, in complying with this Act by providing any report or other information to the Department, or assisting in the investigation or preparation of such information, or by participating in proceedings of the Department, or by serving as a member of the Board, shall not, as a result of such actions, be subject to criminal prosecution or civil damages.

(c) Members of the Board, and persons retained under contract to assist and advise in an investigation, shall be indemnified by the State for any actions occurring within the scope of services on or for the Board, done in good faith and not wilful and wanton in nature. The Attorney General shall defend all such actions unless he or she determines either that there would be a conflict of interest in such representation or that the actions complained of were not in good faith or were wilful and wanton.

Should the Attorney General decline representation, a person entitled to indemnification under this Section shall have the right to employ counsel of his or her choice, whose fees shall be provided by the State, after approval by the Attorney General, unless there is a determination by a court that the member's actions were not in good faith or were wilful and wanton.

A person entitled to indemnification under this Section must notify the Attorney General within 7 days of receipt of notice of the initiation of any action involving services of the Board. Failure to so notify the Attorney General shall constitute an absolute waiver of the right to a defense and indemnification.

The Attorney General shall determine within 7 days after receiving such notice, whether he or she will undertake to represent a person entitled to indemnification under this Section.

(d) The determination by a circuit court that a licensee is subject to involuntary admission or judicial admission as provided in the Mental Health and Developmental Disabilities Code, as amended, operates as an automatic suspension. Such suspension will end only upon a finding by a court that the patient is no longer subject to involuntary admission or judicial admission and issues an order so finding and discharging the patient; and upon the recommendation of the Board to the Secretary that the licensee be allowed to resume his or her practice.

(e) The Department may refuse to issue or may suspend the license of any person who fails to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of tax, penalty or interest, as required by any tax Act administered by the Department of Revenue, until such time as the requirements of any such tax Act are satisfied.

(f) The Department of Public Health shall transmit to the Department a list of those facilities which receive an "A" violation as defined in Section 1-129 of the Nursing Home Care Act.

If the
physician determines that the recipient meets the standard for administration of psychotropic medication or electroconvulsive therapy under Section 2-107.1, the facility director or his or her designee shall petition the court for administration of psychotropic medication or electroconvulsive therapy pursuant to that Section unless the facility director or his or her designee states in writing in the recipient's record why the filing of such a petition is not warranted. Sec. 1. The Governor may designate a private not-for-profit corporation as the agency to administer a State plan to protect and advocate the rights of persons with developmental disabilities pursuant to the requirements of the federal Developmental Disabilities Assistance and Bill of Rights Act, 42 U.S.C. 6001 to 6081, as now or hereafter amended. The designated agency may pursue legal, administrative, and other appropriate remedies to ensure the protection of the rights of such persons who are receiving treatment, services or habilitation within this State. The agency designated by the Governor shall be independent of any agency which provides treatment, services, guardianship, or habilitation to persons with developmental disabilities, and such agency shall not be administered by the Governor's Planning Council on Developmental Disabilities or any successor State Planning Council organized pursuant to federal law.

The designated agency may receive and expend funds to protect and advocate the rights of persons with developmental disabilities. In order to properly exercise its powers and duties, such agency shall have access to developmental disability facilities and mental health facilities, as defined under Sections 1-107 and 1-114 of the Mental Health and Developmental Disabilities Code, and facilities as defined in Section 1-113 of the Nursing Home Care Act or Section 1-113 of the MR/DD Community Care Act. The agency also shall have access, for the purpose of inspection and copying, to the records of a person with developmental disabilities who resides in any such facility subject to the limitations of this Act, the Mental Health and Developmental Disabilities Confidentiality Act, and the Nursing Home Care Act, and the MR/DD Community Care Act. The agency also shall have access, for the purpose of inspection and copying, to the records of a person with developmental disabilities who resides in any such facility if (1) a complaint is received by the agency from or on behalf of the person with a developmental disability, and (2) such person does not have a legal guardian or the State or the designee of the State is the legal guardian of such person. The designated agency shall provide written notice to the person with developmental disabilities and the State guardian of the nature of the complaint based upon which the designated agency has gained access to the records. No record or the contents of any record shall be redisclosed by the designated agency unless the person with developmental disabilities and the State guardian are provided 7 days advance written notice, except in emergency situations, of the designated agency's intent to redisclose such record, during which time the person with developmental disabilities or the State guardian may seek to judicially enjoin the designated agency's redisclosure of such record on the grounds that such redisclosure is contrary to the interests of the person with developmental disabilities. Any person who in good faith complains to the designated agency on behalf of a person with developmental disabilities, or provides information or participates in the investigation of any such complaint shall have immunity from any liability, civil, criminal or otherwise, and shall not be subject to any penalties, sanctions, restrictions or retaliation as a consequence of making such complaint, providing such information or participating in such investigation.

Upon request, the designated agency shall be entitled to inspect and copy any records or other materials which may further the agency's investigation of problems affecting numbers of persons with developmental disabilities. When required by law any personally identifiable information of persons with developmental disabilities shall be removed from the records. However, the designated agency may not inspect or copy any records or other materials when the removal of

personally identifiable information imposes an unreasonable burden on mental health and developmental disabilities facilities pursuant to the Mental Health and Developmental Disabilities Code or facilities as defined in the Nursing Home Care Act or the MR/DD Community Care Act.

The Governor shall not redesignate the agency to administer the State plan to protect and advocate the rights of persons with developmental disabilities unless there is good cause for the redesignation and unless notice of the intent to make such redesignation is given to persons with developmental disabilities or their representatives, the federal Secretary of Health and Human Services, and the General Assembly at least 60 days prior thereto.

If the mentally ill person has a legal guardian other than the State or a designee of the State, the facility director shall disclose the guardian's name, address and telephone number to the agency upon its request. In cases of conflict with provisions of the Abused and Neglected Child Reporting Act and the Nursing Home Care Act, the provisions of the Abused and Neglected Child Reporting Act and the Nursing Home Care Act shall apply. The agency shall also have access, for the purpose of inspection and copying, to the records of a mentally ill person (i) who by reason of his or her mental or physical condition is unable to authorize the agency to have such access; (ii) who does not have a legal guardian or for whom the State or a designee of the State is the legal guardian; and (iii) with respect to whom a complaint has been received by the agency or with respect to whom there is probable cause to believe that such person has been subjected to abuse or neglect.

The agency shall provide written notice to the mentally ill person and the State guardian of the nature of the complaint based upon which the agency has gained access to the records. No record or the contents of the record shall be redisclosed by the agency unless the person who is mentally ill and the State guardian are provided 7 days advance written notice, except in emergency situations, of the agency's intent to redisclose such record. Within such 7-day period, the mentally ill person or the State guardian may seek an injunction prohibiting the agency's redisclosure of such record on the grounds that such redisclosure is contrary to the interests of the mentally ill person.

Upon request, the authorized agency shall be entitled to inspect and copy any clinical or trust fund records of mentally ill persons which may further the agency's investigation of alleged problems affecting numbers of mentally ill persons. When required by law, any personally identifiable information of mentally ill persons shall be removed from the records. However, the agency may not inspect or copy any records or other materials when the removal of personally identifiable information imposes an unreasonable burden on any facility as defined by the Mental Health

      (A) Physical functioning, which severely impairs the individual's motor performance that may be due to:

Affective behavior must be based on clinical assessment using the appropriate instruments, techniques and standards of measurement required by the professional.

(C) Psychomotor, which includes a severe developmental delay in fine or gross motor skills so that development in self-care, social interaction, communication or physical activity will be greatly delayed or restricted.

(4) A determination that the disability originated before the age of 18 years.

A determination of severe and multiple impairments shall be based upon a comprehensive, documented assessment with an evaluation by a licensed clinical psychologist or psychiatrist.

If the examiner is a licensed clinical psychologist, ancillary evaluation of physical impairment, cerebral palsy or epilepsy must be made by a physician licensed to practice medicine in all its branches.

Regardless of the discipline of the examiner, ancillary evaluation of visual impairment must be made by an ophthalmologist or a licensed optometrist.

Regardless of the discipline of the examiner, ancillary evaluation of hearing impairment must be made by an otolaryngologist or an audiologist with a certificate of clinical competency.

The only exception to the above is in the case of a person with cerebral palsy or epilepsy who, according to the eligibility criteria listed below, has multiple impairments which are only physical and sensory. "Child-placing agency" means a licensed public or private agency that receives a child for the purpose of placing or arranging for the placement of the child in a foster family home or other facility for child care, apart from the custody of the child's parents.
"Department" or "DCFS" means the Illinois Department of Children and Family Services.

New matter indicated by italics - deletions by strikeout.
"Emergency medical facility" means a freestanding emergency center or trauma center, as defined in the Emergency Medical Services (EMS) Systems Act.

"Emergency medical professional" includes licensed physicians, and any emergency medical technician-basic, emergency medical technician-intermediate, emergency medical technician-paramedic, trauma nurse specialist, and pre-hospital RN, as defined in the Emergency Medical Services (EMS) Systems Act.

"Fire station" means a fire station within the State with at least one staff person that is staffed with at least one full-time emergency medical professional.

"Hospital" has the same meaning as in the Hospital Licensing Act.

"Legal custody" means the relationship created by a court order in the best interest of a newborn infant that imposes on the infant's custodian the responsibility of physical possession of the infant, the duty to protect, train, and discipline the infant, and the duty to provide the infant with food, shelter, education, and medical care, except as these are limited by parental rights and responsibilities.

"Neglected child" has the same meaning as in the Abused and Neglected Child Reporting Act.

"Newborn infant" means a child who a licensed physician reasonably believes is 30 days old or less at the time the child is initially relinquished to a hospital, police station, fire station, or emergency medical facility, and who is not an abused or a neglected child.

"Police station" means a municipal police station or a county sheriff's office.

"Relinquish" means to bring a newborn infant, who a licensed physician reasonably believes is 30 days old or less, to a hospital, police station, fire station, or emergency medical facility and to leave the infant with personnel of the facility, if the person leaving the infant does not express an intent to return for the infant or states that he or she will not return for the infant. In the case of a mother who gives birth to an infant in a hospital, the mother's act of leaving that newborn infant at the hospital (i) without expressing an intent to return for the infant or (ii) stating that she will not return for the infant is not a "relinquishment" under this Act.

"Temporary protective custody" means the temporary placement of a newborn infant within a hospital or other medical facility out of the custody of the infant's parent.

Section 5. The Property Tax Code is amended by changing Sections 15-170 and 15-172 as follows:

(35 ILCS 200/15-170)

Sec. 15-170. Senior Citizens Homestead Exemption. An annual homestead exemption limited, except as described here with relation to cooperatives or life care facilities, to a maximum reduction set forth below from the property's value, as equalized or assessed by the Department, is granted for property that is occupied as a residence by a person 65 years of age or older who is liable for paying real estate taxes on the property and is an owner of record of the property or has a legal or equitable interest therein as evidenced by a written instrument, except for a leasehold interest, other than a leasehold interest of land on which a single family residence is located, which is occupied as a residence by a person 65 years or older who has an ownership interest therein, legal, equitable or as a lessee, and on which he or she is liable for the payment of property taxes. Before taxable year 2004, the maximum reduction shall be $2,500 in counties with 3,000,000 or more inhabitants and $2,000 in all other counties. For taxable years 2004 through 2005, the maximum reduction shall be $3,000 in all counties. For taxable years 2006 and 2007, the maximum reduction shall be $3,500 and, for taxable years 2008 and thereafter, the maximum reduction is $4,000 in all counties.

For land improved with an apartment building owned and operated as a cooperative, the maximum reduction from the value of the property, as equalized by the Department, shall be multiplied by the number of apartments or units occupied by a person 65 years of age or older who is liable, by contract with the owner or owners of record, for paying property taxes on the property and is an owner of record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. For land improved with a life care facility, the maximum reduction from the value of the property, as equalized by the Department, shall be multiplied by the number of apartments or units occupied by persons 65 years of age or older, irrespective of any legal, equitable, or leasehold interest in the facility, who are liable, under a contract with the owner or owners of record of the facility, for paying property taxes on the property. In a cooperative or a life care facility where a homestead exemption has been granted, the cooperative association or the management firm of the cooperative or facility shall credit the savings resulting from that exemption only to the apportioned tax liability of the owner or resident who qualified for the exemption. Any person who

willfully refuses to so credit the savings shall be guilty of a Class B misdemeanor. Under this Section and Sections 15-175, 15-176, and 15-177, "life care facility" means a facility, as defined in Section 2 of the Life Care Facilities Act, with which the applicant for the homestead exemption has a life care contract as defined in that Act.

When a homestead exemption has been granted under this Section and the person qualifying subsequently becomes a resident of a facility licensed under the Assisted Living and Shared Housing Act or the Nursing Home Care Act, the exemption shall continue so long as the residence continues to be occupied by the qualifying person's spouse if the spouse is 65 years of age or older, or if the residence remains unoccupied but is still owned by the person qualified for the homestead exemption.

A person who will be 65 years of age during the current assessment year shall be eligible to apply for the homestead exemption during that assessment year. Application shall be made during the application period in effect for the county of his residence.

Beginning with assessment year 2003, for taxes payable in 2004, property that is first occupied as a residence after January 1 of any assessment year by a person who is eligible for the senior citizens homestead exemption under this Section must be granted a pro-rata exemption for the assessment year. The amount of the pro-rata exemption is the exemption allowed in the county under this Section divided by 365 and multiplied by the number of days during the assessment year the property is occupied as a residence by a person eligible for the exemption under this Section. The chief county assessment officer must adopt reasonable procedures to establish eligibility for this pro-rata exemption.

The assessor or chief county assessment officer may determine the eligibility of a life care facility to receive the benefits provided by this Section, by affidavit, application, visual inspection, questionnaire or other reasonable methods in order to insure that the tax savings resulting from the exemption are credited by the management firm to the apportioned tax liability of each qualifying resident. The assessor may request reasonable proof that the management firm has so credited the exemption.

The chief county assessment officer of each county with less than 3,000,000 inhabitants shall provide to each person allowed a homestead exemption under this Section a form to designate any other person to receive a duplicate of any notice of delinquency in the payment of taxes assessed and levied under this Code on the property of the person receiving the exemption. The duplicate notice shall be in addition to the

notice required to be provided to the person receiving the exemption, and shall be given in the manner required by this Code. The person filing the request for the duplicate notice shall pay a fee of $5 to cover administrative costs to the supervisor of assessments, who shall then file the executed designation with the county collector. Notwithstanding any other provision of this Code to the contrary, the filing of such an executed designation requires the county collector to provide duplicate notices as indicated by the designation. A designation may be rescinded by the person who executed such designation at any time, in the manner and form required by the chief county assessment officer.

The assessor or chief county assessment officer may determine the eligibility of residential property to receive the homestead exemption provided by this Section by application, visual inspection, questionnaire or other reasonable methods. The determination shall be made in accordance with guidelines established by the Department. In counties with less than 3,000,000 inhabitants, the county board may by resolution provide that if a person has been granted a homestead exemption under this Section, the person qualifying need not reapply for the exemption.

In counties with less than 3,000,000 inhabitants, if the assessor or chief county assessment officer requires annual application for verification of eligibility for an exemption once granted under this Section, the application shall be mailed to the taxpayer.

The assessor or chief county assessment officer shall notify each person who qualifies for an exemption under this Section that the person may also qualify for deferral of real estate taxes under the Senior Citizens Real Estate Tax Deferral Act. The notice shall set forth the qualifications needed for deferral of real estate taxes, the address and telephone number of county collector, and a statement that applications for deferral of real estate taxes may be obtained from the county collector.

Notwithstanding Sections 6 and 8 of the State Mandates Act, no reimbursement by the State is required for the implementation of any mandate created by this Section.

Sec. 15-172. Senior Citizens Assessment Freeze Homestead Exemption.
(a) This Section may be cited as the Senior Citizens Assessment Freeze Homestead Exemption.

New matter indicated by italics - deletions by strikeout.
(b) As used in this Section:

"Applicant" means an individual who has filed an application under this Section.

"Base amount" means the base year equalized assessed value of the residence plus the first year's equalized assessed value of any added improvements which increased the assessed value of the residence after the base year.

"Base year" means the taxable year prior to the taxable year for which the applicant first qualifies and applies for the exemption provided that in the prior taxable year the property was improved with a permanent structure that was occupied as a residence by the applicant who was liable for paying real property taxes on the property and who was either (i) an owner of record of the property or had legal or equitable interest in the property as evidenced by a written instrument or (ii) had a legal or equitable interest as a lessee in the parcel of property that was single family residence. If in any subsequent taxable year for which the applicant applies and qualifies for the exemption the equalized assessed value of the residence is less than the equalized assessed value in the existing base year (provided that such equalized assessed value is not based on an assessed value that results from a temporary irregularity in the property that reduces the assessed value for one or more taxable years), then that subsequent taxable year shall become the base year until a new base year is established under the terms of this paragraph. For taxable year 1999 only, the Chief County Assessment Officer shall review (i) all taxable years for which the applicant applied and qualified for the exemption and (ii) the existing base year. The assessment officer shall select as the new base year the year with the lowest equalized assessed value. An equalized assessed value that is based on an assessed value that results from a temporary irregularity in the property that reduces the assessed value for one or more taxable years shall not be considered the lowest equalized assessed value. The selected year shall be the base year for taxable year 1999 and thereafter until a new base year is established under the terms of this paragraph.

"Chief County Assessment Officer" means the County Assessor or Supervisor of Assessments of the county in which the property is located.

"Equalized assessed value" means the assessed value as equalized by the Illinois Department of Revenue.

"Household income" means the combined income of the members of a household for the calendar year preceding the taxable year.

"Income" has the same meaning as provided in Section 3.07 of the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act, except that, beginning in assessment year 2001, "income" does not include veteran's benefits.

"Internal Revenue Code of 1986" means the United States Internal Revenue Code of 1986 or any successor law or laws relating to federal income taxes in effect for the year preceding the taxable year.

"Life care facility that qualifies as a cooperative" means a facility as defined in Section 2 of the Life Care Facilities Act.

"Maximum income limitation" means:
(1) $35,000 prior to taxable year 1999;
(2) $40,000 in taxable years 1999 through 2003;
(3) $45,000 in taxable years 2004 through 2005;

(5) $55,000 in taxable year 2008 and thereafter.

"Residence" means the principal dwelling place and appurtenant structures used for residential purposes in this State occupied on January 1 of the taxable year by a household and so much of the surrounding land, constituting the parcel upon which the dwelling place is situated, as is used for residential purposes. "Taxable year" means the calendar year during which ad valorem property taxes payable in the next succeeding year are levied.

(c) Beginning in taxable year 1994, a senior citizens assessment freeze homestead exemption is granted for real property that is improved with a permanent structure that is occupied as a residence by an applicant who (i) is 65 years of age or older during the taxable year, (ii) has a household income that does not exceed the maximum income limitation, (iii) is liable for paying real property taxes on the property, and (iv) is an owner of record of the property or has a legal or equitable interest in the property as evidenced by a written instrument. This homestead exemption shall also apply to a leasehold interest in a parcel of property improved with a permanent structure that is a single family residence that is occupied as a residence by a person who (i) is 65 years of age or older during the taxable year, (ii) has a household income that does not exceed

the maximum income limitation, (iii) has a legal or equitable ownership interest in the property as lessee, and (iv) is liable for the payment of real property taxes on that property.

In counties of 3,000,000 or more inhabitants, the amount of the exemption for all taxable years is the equalized assessed value of the residence in the taxable year for which application is made minus the base amount. In all other counties, the amount of the exemption is as follows: (i) through taxable year 2005 and for taxable year 2007 and thereafter, the amount of this exemption shall be the equalized assessed value of the residence in the taxable year for which application is made minus the base amount; and (ii) for taxable year 2006, the amount of the exemption is as follows:

(1) For an applicant who has a household income of $45,000 or less, the amount of the exemption is the equalized assessed value of the residence in the taxable year for which application is made minus the base amount.

(2) For an applicant who has a household income exceeding $45,000 but not exceeding $46,250, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.8.

(3) For an applicant who has a household income exceeding $46,250 but not exceeding $47,500, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.6.

(4) For an applicant who has a household income exceeding $47,500 but not exceeding $48,750, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.4.

(5) For an applicant who has a household income exceeding $48,750 but not exceeding $50,000, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.2.

When the applicant is a surviving spouse of an applicant for a prior year for the same residence for which an exemption under this Section has
been granted, the base year and base amount for that residence are the same as for the applicant for the prior year.

Each year at the time the assessment books are certified to the County Clerk, the Board of Review or Board of Appeals shall give to the County Clerk a list of the assessed values of improvements on each parcel qualifying for this exemption that were added after the base year for this parcel and that increased the assessed value of the property.

In the case of land improved with an apartment building owned and operated as a cooperative or a building that is a life care facility that qualifies as a cooperative, the maximum reduction from the equalized assessed value of the property is limited to the sum of the reductions calculated for each unit occupied as a residence by a person or persons (i) 65 years of age or older, (ii) with a household income that does not exceed the maximum income limitation, (iii) who is liable, by contract with the owner or owners of record, for paying real property taxes on the property, and (iv) who is an owner of record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. In the instance of a cooperative where a homestead exemption has been granted under this Section, the cooperative association or its management firm shall credit the savings resulting from that exemption only to the apportioned tax liability of the owner who qualified for the exemption. Any person who willfully refuses to credit that savings to an owner who qualifies for the exemption is guilty of a Class B misdemeanor.

When a homestead exemption has been granted under this Section and an applicant then becomes a resident of a facility licensed under the Assisted Living and Shared Housing Act or the Nursing Home Care Act, the exemption shall be granted in subsequent years so long as the residence (i) continues to be occupied by the qualified applicant's spouse or (ii) if remaining unoccupied, is still owned by the qualified applicant for the homestead exemption.

Beginning January 1, 1997, when an individual dies who would have qualified for an exemption under this Section, and the surviving spouse does not independently qualify for this exemption because of age, the exemption under this Section shall be granted to the surviving spouse for the taxable year preceding and the taxable year of the death, provided that, except for age, the surviving spouse meets all other qualifications for the granting of this exemption for those years.

When married persons maintain separate residences, the exemption provided for in this Section may be claimed by only one of such persons and for only one residence.

For taxable year 1994 only, in counties having less than 3,000,000 inhabitants, to receive the exemption, a person shall submit an application by February 15, 1995 to the Chief County Assessment Officer of the county in which the property is located. In counties having 3,000,000 or more inhabitants, for taxable year 1994 and all subsequent taxable years, to receive the exemption, a person may submit an application to the Chief County Assessment Officer of the county in which the property is located during such period as may be specified by the Chief County Assessment Officer. The Chief County Assessment Officer in counties of 3,000,000 or more inhabitants shall annually give notice of the application period by mail or by publication. In counties having less than 3,000,000 inhabitants, beginning with taxable year 1995 and thereafter, to receive the exemption, a person shall submit an application by July 1 of each taxable year to the Chief County Assessment Officer of the county in which the property is located. A county may, by ordinance, establish a date for submission of applications that is different than July 1. The applicant shall submit with the application an affidavit of the applicant's total household income, age, marital status (and if married the name and address of the applicant's spouse, if known), and principal dwelling place of members of the household on January 1 of the taxable year. The Department shall establish, by rule, a method for verifying the accuracy of affidavits filed by applicants under this Section, and the Chief County Assessment Officer may conduct audits of any taxpayer claiming an exemption under this Section to verify that the taxpayer is eligible to receive the exemption. Each application shall contain or be verified by a written declaration that it is made under the penalties of perjury. A taxpayer's signing a fraudulent application under this Act is perjury, as defined in Section 32-2 of the Criminal Code of 1961. The applications shall be clearly marked as applications for the Senior Citizens Assessment Freeze Homestead Exemption and must contain a notice that any taxpayer who receives the exemption is subject to an audit by the Chief County Assessment Officer.

Notwithstanding any other provision to the contrary, in counties having fewer than 3,000,000 inhabitants, if an applicant fails to file the application required by this Section in a timely manner and this failure to file is due to a mental or physical condition sufficiently severe so as to render the applicant incapable of filing the application in a timely manner,

the Chief County Assessment Officer may extend the filing deadline for a period of 30 days after the applicant regains the capability to file the application, but in no case may the filing deadline be extended beyond 3 months of the original filing deadline. In order to receive the extension provided in this paragraph, the applicant shall provide the Chief County Assessment Officer with a signed statement from the applicant's physician stating the nature and extent of the condition, that, in the physician's opinion, the condition was so severe that it rendered the applicant incapable of filing the application in a timely manner, and the date on which the applicant regained the capability to file the application.

Beginning January 1, 1998, notwithstanding any other provision to the contrary, in counties having fewer than 3,000,000 inhabitants, if an applicant fails to file the application required by this Section in a timely manner and this failure to file is due to a mental or physical condition sufficiently severe so as to render the applicant incapable of filing the application in a timely manner, the Chief County Assessment Officer may extend the filing deadline for a period of 3 months. In order to receive the extension provided in this paragraph, the applicant shall provide the Chief County Assessment Officer with a signed statement from the applicant's physician stating the nature and extent of the condition, and that, in the physician's opinion, the condition was so severe that it rendered the applicant incapable of filing the application in a timely manner.

In counties having less than 3,000,000 inhabitants, if an applicant was denied an exemption in taxable year 1994 and the denial occurred due to an error on the part of an assessment official, or his or her agent or employee, then beginning in taxable year 1997 the applicant's base year, for purposes of determining the amount of the exemption, shall be 1993 rather than 1994. In addition, in taxable year 1997, the applicant's exemption shall also include an amount equal to (i) the amount of any exemption denied to the applicant in taxable year 1995 as a result of using 1994, rather than 1993, as the base year, (ii) the amount of any exemption denied to the applicant in taxable year 1996 as a result of using 1994, rather than 1993, as the base year, and (iii) the amount of the exemption erroneously denied for taxable year 1994.

For purposes of this Section, a person who will be 65 years of age during the current taxable year shall be eligible to apply for the homestead exemption during that taxable year. Application shall be made during the application period in effect for the county of his or her residence.

New matter indicated by italics - deletions by strikeout.
The Chief County Assessment Officer may determine the eligibility of a life care facility that qualifies as a cooperative to receive the benefits provided by this Section by use of an affidavit, application, visual inspection, questionnaire, or other reasonable method in order to insure that the tax savings resulting from the exemption are credited by the management firm to the apportioned tax liability of each qualifying resident. The Chief County Assessment Officer may request reasonable proof that the management firm has so credited that exemption.

Except as provided in this Section, all information received by the chief county assessment officer or the Department from applications filed under this Section, or from any investigation conducted under the provisions of this Section, shall be confidential, except for official purposes or pursuant to official procedures for collection of any State or local tax or enforcement of any civil or criminal penalty or sanction imposed by this Act or by any statute or ordinance imposing a State or local tax. Any person who divulges any such information in any manner, except in accordance with a proper judicial order, is guilty of a Class A misdemeanor.

Nothing contained in this Section shall prevent the Director or chief county assessment officer from publishing or making available reasonable statistics concerning the operation of the exemption contained in this Section in which the contents of claims are grouped into aggregates in such a way that information contained in any individual claim shall not be disclosed.

(d) Each Chief County Assessment Officer shall annually publish a notice of availability of the exemption provided under this Section. The notice shall be published at least 60 days but no more than 75 days prior to the date on which the application must be submitted to the Chief County Assessment Officer of the county in which the property is located. The notice shall appear in a newspaper of general circulation in the county.

Notwithstanding Sections 6 and 8 of the State Mandates Act, no reimbursement by the State is required for the implementation of any mandate created by this Section.

(a) Any person who suspects the abuse, neglect, financial exploitation, or self-neglect of an eligible adult may report this suspicion to an agency designated to receive such reports under this Act or to the Department.

(a-5) If any mandated reporter has reason to believe that an eligible adult, who because of dysfunction is unable to seek assistance for himself or herself, has, within the previous 12 months, been subjected to abuse, neglect, or financial exploitation, the mandated reporter shall, within 24 hours after developing such belief, report this suspicion to an agency designated to receive such reports under this Act or to the Department. Whenever a mandated reporter is required to report under this Act in his or her capacity as a member of the staff of a medical or other public or private institution, facility, board and care home, or agency, he or she shall make a report to an agency designated to receive such reports under this Act or to the Department in accordance with the provisions of this Act and may also notify the person in charge of the institution, facility, board and care home, or agency or his or her designated agent that the report has been made. Under no circumstances shall any person in charge of such institution, facility, board and care home, or agency, or his or her designated agent to whom the notification has been made, exercise any control, restraint, modification, or other change in the report or the forwarding of the report to an agency designated to receive such reports under this Act or to the Department. The privileged quality of communication between any professional person required to report and his or her patient or client shall not apply to situations involving abused, neglected, or financially exploited eligible adults and shall not constitute grounds for failure to report as required by this Act.

(a-7) A person making a report under this Act in the belief that it is in the alleged victim's best interest shall be immune from criminal or civil liability or professional disciplinary action on account of making the
report, notwithstanding any requirements concerning the confidentiality of information with respect to such eligible adult which might otherwise be applicable.

(a-9) Law enforcement officers shall continue to report incidents of alleged abuse pursuant to the Illinois Domestic Violence Act of 1986, notwithstanding any requirements under this Act.

(b) Any person, institution or agency participating in the making of a report, providing information or records related to a report, assessment, or services, or participating in the investigation of a report under this Act in good faith, or taking photographs or x-rays as a result of an authorized assessment, shall have immunity from any civil, criminal or other liability in any civil, criminal or other proceeding brought in consequence of making such report or assessment or on account of submitting or otherwise disclosing such photographs or x-rays to any agency designated to receive reports of alleged or suspected abuse or neglect. Any person, institution or agency authorized by the Department to provide assessment, intervention, or administrative services under this Act shall, in the good faith performance of those services, have immunity from any civil, criminal or other liability in any civil, criminal, or other proceeding brought as a consequence of the performance of those services. For the purposes of any civil, criminal, or other proceeding, the good faith of any person required to report, permitted to report, or participating in an investigation of a report of alleged or suspected abuse, neglect, or financial exploitation shall be presumed.

(c) The identity of a person making a report of alleged or suspected abuse or neglect under this Act may be disclosed by the Department or other agency provided for in this Act only with such person's written consent or by court order.

PUBLIC ACT 96-0381
(House Bill No. 0869)

AN ACT concerning criminal law.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Capital Crimes Litigation Act is amended by changing Sections 10 and 15 as follows:

(725 ILCS 124/10)
Sec. 10. Court appointed trial counsel; compensation and expenses.
(a) This Section applies only to compensation and expenses of trial counsel appointed by the court as set forth in Section 5, other than public defenders, for the period after arraignment and so long as the State's Attorney has not, at any time, filed a certificate indicating he or she will not seek the death penalty or stated on the record in open court that the death penalty will not be sought.
(a-5) Litigation budget.
(1) In a case in which the State has filed a statement of intent to seek the death penalty, the court shall require appointed counsel, including those appointed in Cook County, after counsel has had adequate time to review the case and prior to engaging trial assistance, to submit a proposed estimated litigation budget for court approval, that will be subject to modification in light of facts and developments that emerge as the case proceeds. Case budgets should be submitted ex parte and filed and maintained under seal in order to protect the defendant's right to effective assistance of counsel, right not to incriminate him or herself and all applicable privileges. Case budgets shall be reviewed and approved by the judge assigned to try the case. As provided under subsection (c) of this Section, petitions for compensation shall be reviewed by both the trial judge and the presiding judge or the presiding judge's designee.

New matter indicated by italics - deletions by strikeout.
(2) The litigation budget shall serve purposes comparable to those of private retainer agreements by confirming both the court's and the attorney's expectations regarding fees and expenses. Consideration should be given to employing an ex parte pretrial conference in order to facilitate reaching agreement on a litigation budget at the earliest opportunity.

(3) The budget shall be incorporated into a sealed initial pretrial order that reflects the understandings of the court and counsel regarding all matters affecting counsel compensation and reimbursement and payments for investigative, expert and other services, including but not limited to the following matters:

(A) The hourly rate at which counsel will be compensated;
(B) The hourly rate at which private investigators, other than investigators employed by the Office of the State Appellate Defender, will be compensated; and
(C) The best preliminary estimate that can be made of the cost of all services, including, but not limited to, counsel, expert, and investigative services, that are likely to be needed through the guilt and penalty phases of the trial. The court shall have discretion to require that budgets be prepared for shorter intervals of time.

(4) Appointed counsel may obtain, subject to later review, investigative, expert or other services without prior authorization if necessary for an adequate defense. If such services are obtained, the presiding judge or the presiding judge's designee shall consider in an ex parte proceeding that timely procurement of necessary services could not await prior authorization. If an ex parte hearing is requested by defense counsel or deemed necessary by the trial judge prior to modifying a budget, the ex parte hearing shall be before the presiding judge or the presiding judge's designee. The judge may then authorize such services nunc pro tunc. If the presiding judge or the presiding judge's designee finds that the services were not reasonable, payment may be denied.

(5) An approved budget shall guide counsel's use of time and resources by indicating the services for which compensation is authorized. The case budget shall be re-evaluated when justified by changed or unexpected circumstances and shall be modified by the court when reasonable and necessary for an adequate defense. If an

ex parte hearing is requested by defense counsel or deemed necessary by the trial judge prior to modifying a budget, the ex parte hearing shall be before the presiding judge or the presiding judge's designee.

(b) Appointed trial counsel shall be compensated upon presentment and certification by the circuit court of a claim for services detailing the date, activity, and time duration for which compensation is sought. Compensation for appointed trial counsel may be paid at a reasonable rate not to exceed $125 per hour. The court shall not authorize payment of bills that are not properly itemized. A request for payment shall be presented under seal and reviewed ex parte with a court reporter present.

Beginning in 2001, every January 20, the statutory rate prescribed in this subsection shall be automatically increased or decreased, as applicable, by a percentage equal to the percentage change in the consumer price index-u during the preceding 12-month calendar year. "Consumer price index-u" means the index published by the Bureau of Labor Statistics of the United States Department of Labor that measures the average change in prices of goods and services purchased by all urban consumers, United States city average, all items, 1982-84=100. The new rate resulting from each annual adjustment shall be determined by the State Treasurer and made available to the chief judge of each judicial circuit.

(c) Appointed trial counsel may also petition the court for certification of expenses for reasonable and necessary capital litigation expenses including, but not limited to, investigatory and other assistance, expert, forensic, and other witnesses, and mitigation specialists. Each provider of proposed services must specify the best preliminary estimate that can be made in light of information received in the case at that point, and the provider must sign this estimate under the provisions of Section 1-109 of the Code of Civil Procedure. A provider of proposed services must also specify (1) his or her hourly rate; (2) the hourly rate of anyone else in his or her employ for whom reimbursement is sought; and (3) the hourly rate of any person or entity that may be subcontracted to perform these services. Counsel may not petition for certification of expenses that may have been provided or compensated by the State Appellate Defender under item (c)(5) of Section 10 of the State Appellate Defender Act. The petitions shall be filed under seal and considered ex parte but with a court reporter present for all ex parte conferences. If the requests are submitted after services have been rendered, the requests shall be supported by an invoice describing the services rendered, the dates the services were

performed and the amount of time spent. These petitions shall be reviewed by both the trial judge and the presiding judge of the circuit court or the presiding judge's designee. The petitions and orders shall be kept under seal and shall be exempt from Freedom of Information requests until the conclusion of the trial, even if the prosecution chooses not to pursue the death penalty prior to trial or sentencing. If an ex parte hearing is requested by defense counsel or deemed necessary by the trial judge, the hearing shall be before the presiding judge or the presiding judge's designee.

(d) Appointed trial counsel shall petition the court for certification of compensation and expenses under this Section periodically during the course of counsel's representation. The petitions shall be supported by itemized bills showing the date, the amount of time spent, the work done and the total being charged for each entry. The court shall not authorize payment of bills that are not properly itemized. The court must certify reasonable and necessary expenses of the petitioner for travel and per diem (lodging, meals, and incidental expenses). These expenses must be paid at the rate as promulgated by the United States General Services Administration for these expenses for the date and location in which they were incurred, unless extraordinary reasons are shown for the difference. The petitions shall be filed under seal and considered ex parte but with a court reporter present for all ex parte conferences. The petitions shall be reviewed by both the trial judge and the presiding judge of the circuit court or the presiding judge's designee. If an ex parte hearing is requested by defense counsel or deemed necessary by the trial judge, the ex parte hearing shall be before the presiding judge or the presiding judge's designee. If the court determines that the compensation and expenses should be paid from the Capital Litigation Trust Fund, the court shall certify, on a form created by the State Treasurer, that all or a designated portion of the amount requested is reasonable, necessary, and appropriate for payment from the Trust Fund. The form must also be signed by lead trial counsel under the provisions of Section 1-109 of the Code of Civil Procedure verifying that the amount requested is reasonable, necessary, and appropriate. Bills submitted for payment by any individual or entity seeking payment from the Capital Litigation Trust Fund must also be accompanied by a form created by the State Treasurer and signed by the individual or responsible agent of the entity under the provisions of Section 1-109 of the Code of Civil Procedure that the amount requested is accurate and truthful and reflects time spent or expenses incurred. Certification of compensation and expenses by a court in any county other

than Cook County shall be delivered by the court to the State Treasurer and must be paid by the State Treasurer directly from the Capital Litigation Trust Fund if there are sufficient moneys in the Trust Fund to pay the compensation and expenses. If the State Treasurer finds within 14 days of his or her receipt of a certification that the compensation and expenses to be paid are unreasonable, unnecessary, or inappropriate, he or she may return the certification to the court setting forth in detail the objection or objections with a request for the court to review the objection or objections before resubmitting the certification. The State Treasurer must send the claimant a copy of the objection or objections. The State Treasurer may only seek a review of a specific objection once. The claimant has 7 days from his or her receipt of the objections to file a response with the court. With or without further hearing, the court must promptly rule on the objections. The petitions and orders shall be kept under seal and shall be exempt from Freedom of Information requests until the conclusion of the trial and appeal of the case, even if the prosecution chooses not to pursue the death penalty prior to trial or sentencing. Certification of compensation and expenses by a court in Cook County shall be delivered by the court to the county treasurer and paid by the county treasurer from moneys granted to the county from the Capital Litigation Trust Fund.

The program shall also provide course material and instruction to advise pupils of the Abandoned Newborn Infant Protection Act. Notwithstanding the above educational areas, the following areas may also be included as a basis for curricula in all elementary and secondary schools in this State: basic first aid (including, but not limited to, cardiopulmonary resuscitation and the Heimlich maneuver), early prevention and detection of cancer, heart disease, diabetes, stroke, and the prevention of child abuse, neglect, and suicide, and teen dating violence in grades 8 through 12.

The school board of each public elementary and secondary school in the State shall encourage all teachers and other school personnel to acquire, develop, and maintain the knowledge and skills necessary to properly administer life-saving techniques, including without limitation the Heimlich maneuver and rescue breathing. The training shall be in accordance with standards of the American Red Cross, the American Heart Association, or another nationally recognized certifying organization. A school board may use the services of non-governmental entities whose personnel have expertise in life-saving techniques to instruct teachers and other school personnel in these techniques. Each school board is encouraged to have in its employ, or on its volunteer staff, at least one person who is certified, by the American Red Cross or by another qualified certifying agency, as qualified to administer first aid and cardiopulmonary resuscitation. School boards are urged to encourage their teachers and other school personnel who coach school athletic programs and other extracurricular school activities to acquire, develop, and maintain the knowledge and skills necessary to properly administer first aid and cardiopulmonary resuscitation in accordance with standards and requirements established by the American Red Cross or another qualified certifying agency. Subject to appropriation, the State Board of Education shall establish and administer a matching grant program to pay for half of the cost that a school district incurs in training those teachers and other school personnel who express an interest in becoming qualified to administer cardiopulmonary resuscitation (which training must be in accordance with standards of the American Red Cross, the American Heart Association, or another nationally recognized certifying organization) or in learning how to use an automated external defibrillator. A school district that applies for a grant must demonstrate that it has funds to pay half of the cost of the training for which matching grant money is sought. The State Board of Education shall award the grants on a first-come, first-serve basis.

No pupil shall be required to take or participate in any class or course on AIDS or family life instruction if his parent or guardian submits written objection thereto, and refusal to take or participate in the course or program shall not be reason for suspension or expulsion of the pupil.

The instruction, which shall include matters relating to both the physical and legal effects and ramifications of drug and substance abuse, shall be integrated into existing curricula; and the State Board of Education shall develop and make available to all elementary and secondary schools in this State instructional materials and guidelines which will assist the schools in incorporating the instruction into their existing curricula. AN ACT concerning liquor.
Be it enacted by the People of the State of Illinois, represented in
the General Assembly:
Section 5. The Liquor Control Act of 1934 is amended by changing
Section 6-24a as follows:
(235 ILCS 5/6-24a) (from Ch. 43, par. 139a)
Sec. 6-24a. Display of birth defects warning signs.
(a) The General Assembly finds that there is a need for public
information about the risk of birth defects (specifically Fetal Alcohol
Syndrome) when women consume alcoholic liquor during pregnancy. The
United States Surgeon General has recommended abstinence from alcohol
during pregnancy. Since Fetal Alcohol Syndrome and fetal alcohol effects
are preventable, the General Assembly finds that it is in the public interest
to provide warning about the risk of alcohol-related birth defects at places
where alcoholic liquors are sold.
(b) Every holder of a retail license, whether the licensee sells or
offers for sale alcoholic liquors for use or consumption on or off the retail
license premises, shall cause a sign with the message "GOVERNMENT
WARNING: ACCORDING TO THE SURGEON GENERAL, WOMEN
SHOULD NOT DRINK ALCOHOLIC BEVERAGES DURING
PREGNANCY BECAUSE OF THE RISK OF BIRTH DEFECTS. IF YOU NEED ASSISTANCE FOR SUBSTANCE ABUSE, PLEASE CALL THE OFFICE OF ALCOHOLISM AND SUBSTANCE ABUSE (OASA) AT 1-800-843-6154." to be framed and hung in plain view. These signs shall be no larger than 8 1/2 inches by 11 inches.

(c) In the event there is no warning sign posted on the retailer's premises, it shall be the responsibility of the Illinois Liquor Control Commission to furnish the retailer with a warning sign. The retailer shall have 30 days from receipt of the warning sign to post it on the licensed premises. Thereafter, a retailer who violates this Section is subject to a written warning for the first violation. For a second or subsequent violation, the retailer shall pay a fine of at least $20 but not more than $100 for each such violation. (615 ILCS 5/23a) (from Ch. 19, par. 70a)

Sec. 23a. The Department is authorized to carry out inspections of any dam within the State, and to establish standards and issue permits for the safe construction of new dams and the reconstruction, repair, operation and maintenance of all existing dams. If any inspection carried out by the Department or by a federal agency in which the Department concurs determines that a dam is in an unsafe condition, the Department shall so notify the appropriate public officials of the affected city or county, the State's Attorney of the county in which the dam is located, and the Illinois Emergency Management Agency.

New matter indicated by italics - deletions by strikeout.
The Department may compel the installation of fishways in dams wherever deemed necessary.

The Department may establish by rule minimum water levels for water behind dams on streams and rivers as necessary to preserve the fish and other aquatic life and to safeguard the health of the community.

Upon a determination of the Department that a dam constitutes a serious threat to life or a threat of substantial property damage, the Department may issue orders to require changes in the structure or its operation or maintenance necessary for proper control of water levels at normal stages and for the disposal of flood waters and for the protection of navigation and any persons or property situated downstream from the dam or to otherwise remove the threat provided, however, that no existing dam, based solely upon the enactment by any governmental unit of any new rule, regulation, ordinance, law, or other requirement passed after the construction of the dam, shall be deemed to constitute a serious threat to life or a threat of substantial property damage if it was designed and constructed under a permit from the State of Illinois in conformance with all applicable standards existing at the time of its construction and is in good repair.

The Department shall be required, prior to taking any action to compel alteration or breaching of any dam, to furnish in writing to the owner of the dam (1) a detailed and specific list of defects discovered in the course of inspection of the dam, including the specific nature of any inadequacies in the capacity of the spillway system and any indications of seepage, erosion, or other evidence of structural deficiency in the dam or spillway; and (2) a statement of the applicable standards that if complied with by the owner of the dam would put the dam into compliance with the State's requirements.

No order shall be issued requiring alteration of any existing dam until after notice and opportunity for hearing has been provided by the Department to the dam owners. If the owner or owners of the dam are unknown, notice will be provided by publication in a newspaper of general circulation in the county in which the structure is located. Any order issued under this Section shall include a statement of the findings supporting the order.

Opportunity for hearing is not required in emergency situations when the Department finds there is imminent hazard to personal public safety of people.

New matter indicated by italics - deletions by strikeout.
The Department may enforce the provisions of this Section and of rules and orders issued hereunder by injunction or other appropriate action. Neither the Department of Natural Resources nor employees or agents of the Department shall be liable for damages sustained through the partial or total failure of any dam or the operation or maintenance of any dam by reason of the Department's regulation thereof. Nothing in this Act shall relieve an owner or operator of a dam from the legal duties, obligations, and liabilities arising from ownership or operation.

The Department shall review and update its operations manuals for the Algonquin Dam and the William G. Stratton Lock and Dam on an annual basis.

The trial court shall then impose sentence upon the defendant. The trial court may impose any sentence which could have been imposed at the original trial subject to Section 5-5-4 of the Unified Code of Corrections. If a sentence is vacated on appeal or on collateral attack due to the failure of the trier of fact at trial to determine beyond a reasonable doubt the existence of a fact (other than a prior conviction) necessary to increase the punishment for the offense beyond the statutory maximum otherwise applicable, either the defendant may be re-sentenced to a term within the range otherwise provided or, if the State files notice of its intention to again seek the extended sentence, the defendant shall be afforded a new trial.

For the purposes of this Section, "family member" and "victim" shall have the meanings ascribed to them in Section 12-12 of the Criminal Code of 1961.

Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of the test results. The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or legal guardian of the test results. Acting in accordance with the best interests of the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. This subsection (j-5) does not apply to a defendant who has a high school diploma or has successfully passed the GED test. (C) This subsection (l) does not apply to offenders who are subject to the provisions of paragraph (2) of subsection (a) of Section 3-6-3.

(D) Upon motion of the State's Attorney, if a defendant sentenced under this Section returns to the jurisdiction of the United States, the defendant shall be recommitted to the custody of the county from which he or she was sentenced. Except in a criminal proceeding in which the recipient, who is accused in that proceeding, raises the defense of insanity, no record or communication between a therapist and a recipient shall be deemed relevant for purposes of this subsection, except the fact of treatment, the cost of services and the ultimate diagnosis unless the party seeking disclosure of the communication clearly establishes in the trial court a compelling need for its production. However, for purposes of this Act, in any action brought or defended under the Illinois Marriage and Dissolution of Marriage Act, or in any action in which pain and suffering is an element of the claim, mental condition shall not be deemed to be introduced merely by making such claim and shall be deemed to be introduced only if the recipient or a witness on his behalf first testifies concerning the record or communication.

Such records and communications shall be admissible only as to issues involving the recipient's physical or mental condition and only to the extent that these are germane to such proceedings.

(5) Records and communications may be disclosed in a proceeding under the Probate Act of 1975, to determine a recipient's competency or need for guardianship, provided that the disclosure is made only with respect to that issue.

(7) Records and communications of the recipient may be disclosed in any civil or administrative proceeding involving the validity of or benefits under a life, accident, health or disability insurance policy or certificate, or Health Care Service Plan Contract, insuring the recipient, but only if and to the extent that the recipient's mental condition, or treatment or services in connection therewith, is a material element of any claim or defense of any party, provided that information sought or disclosed shall not be redisclosed except in connection with the proceeding in which disclosure is made.

Chapter 4, Section 11-204.1 or Section 11-501 of the Illinois Vehicle Code shall not be a bar to expunging the record of arrest and court records for violation of a misdemeanor or municipal ordinance.

(e) Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, he may, upon verified petition to the chief judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial, may have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the clerk of the circuit court and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he had been pardoned but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Department may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual. Upon entry of the order of expungement, the clerk of the circuit court shall promptly mail a copy of the order to the person who was pardoned.

(e-5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the defendant's trial to have a court order entered to seal the records of the clerk of the circuit court in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Department of State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the clerk of the circuit court in connection with the proceedings of the trial court concerning the offense available for public inspection.

(e-6) If a conviction has been set aside on direct review or on collateral attack and the court determines by clear and convincing evidence that the defendant was factually innocent of the charge, the court shall enter an expungement order as provided in subsection (b) of Section 5-5-4 of the Unified Code of Corrections.

(d) Notice of the petition for subsections (a), (b), and (c) shall be served by the clerk upon the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government affecting the arrest. Unless the State's Attorney or prosecutor, the Department of State Police, the arresting agency or such chief legal officer objects to the petition within 30 days from the date of the notice, the court shall enter an order granting or denying the petition. The clerk of the court shall promptly mail a copy of the order to the person, the arresting agency, the prosecutor, the Department of State Police and such other criminal justice agencies as may be ordered by the judge.

(e) Nothing herein shall prevent the Department of State Police from maintaining all records of any person who is admitted to probation upon terms and conditions who fulfills those terms and conditions pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 12-4.3 of the Criminal Code of 1961, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section 10 of the Steroid Control Act.

(f) No court order issued under the expungement provisions of this Section shall become final for purposes of appeal until 30 days after notice is received by the Department. Any court order contrary to the provisions of this Section is void.

(g) Except as otherwise provided in subsection (c-5) of this Section, the court shall not order the sealing or expungement of the arrest records and records of the circuit court clerk of any person granted supervision for or convicted of any sexual offense committed against a minor under 18 years of age. For the purposes of this Section, "sexual offense committed against a minor" includes but is not limited to the offenses of indecent solicitation of a child or criminal sexual abuse when the victim of such offense is under 18 years of age.

In instances in which more than one waiting period is applicable under clauses (h)(C)(i) and (ii) and (h)(D)(i) and (ii), the longer applicable period applies, and the requirements of clause (h)(3) shall be considered met when the petition is filed after the passage of the longer applicable waiting period. That period commences on the date of the completion of the last sentence or the end of supervision, probation, or parole, whichever is last in time.

(5) Subsequent convictions. A person may not have subsequent felony conviction records sealed as provided in this subsection (h) if he or she is convicted of any felony offense after the date of the sealing of prior felony records as provided in this subsection (h).

(6) Notice of eligibility for sealing. Upon acquittal, release without conviction, or being placed on supervision for a sealable offense, or upon conviction of a sealable offense, the person shall be informed by the court of the right to have the records sealed and the procedures for the sealing of the records.
(7) Procedure. Upon becoming eligible for the sealing of records under this subsection (h), the person who seeks the sealing of his or her records shall file a petition requesting the sealing of records with the clerk of the court where the charge or charges were brought. The records may be sealed by the Chief Judge of the circuit wherein the charge was brought; any judge of that circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial, if any. If charges were brought in multiple jurisdictions, a petition must be filed in each such jurisdiction. The petitioner shall pay the applicable fee, if not waived:

(A) Contents of petition. The petition shall contain the petitioner's name, date of birth, current address, each charge, each case number, the date of each charge, the identity of the arresting authority, and such other information as the court may require. (C) Service of petition. The clerk shall promptly serve a copy of the petition on the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government effecting the arrest:

(F) Service of order. After entering the order to seal records, the court must provide copies of the order to the Department, in a form and manner prescribed by the Department, to the petitioner, to the State's Attorney or prosecutor charged with the duty of prosecuting the offense, to the arresting agency, to the chief legal officer of the unit of local government effecting the arrest, and to such other criminal justice agencies as may be ordered by the court.

(8) Fees. Notwithstanding any provision of the Clerk of the Courts Act to the contrary, and subject to the approval of the county board, the clerk may charge a fee equivalent to the cost associated with the sealing of records by the clerk and the Department of State Police. The clerk shall forward the Department of State Police portion of the fee to the Department and it shall be deposited into the State Police Services Fund.

(i) Subject to available funding, the Illinois Department of Corrections shall conduct a study of the impact of sealing, especially on employment and recidivism rates, utilizing a random sample of those who apply for the sealing of their criminal records under Public Act 93-211, in accordance to rules adopted by the Department. At the request of the Illinois Department of Corrections, records of the Illinois Department of Employment Security shall be utilized as appropriate to assist in the study. The study shall not disclose any data in a manner that would allow the identification of any particular individual or employing unit. The study shall be made available to the General Assembly no later than September 1, 2006.

(a) General Provisions.

(1) Definitions. In this Act, words and phrases have the meanings set forth in this subsection, except when a particular context clearly requires a different meaning.

(A) The following terms shall have the meanings ascribed to them in the Unified Code of Corrections, 730 ILCS 5/5-1-2 through 5/5-1-22:

(i) Business Offense (730 ILCS 5/5-1-2),
(ii) Charge (730 ILCS 5/5-1-3),

(vii) Judgment (730 ILCS 5/5-1-12),
(viii) Misdemeanor (730 ILCS 5/5-1-14),

(xiv) Supervision (730 ILCS 5/5-1-21), and
(xv) Victim (730 ILCS 5/5-1-22).

(B) As used in this Section, "charge not initiated by arrest" means a charge (as defined by 730 ILCS 5/5-1-3) brought against a defendant where the defendant is not arrested prior to or as a direct result of the charge.

(C) "Conviction" means a judgment of conviction or sentence entered upon a plea of guilty or upon a verdict or finding of guilty of an offense, rendered by a legally constituted jury or by a court of competent jurisdiction authorized to try the case without a jury. An order of supervision successfully completed by the petitioner is not a conviction. An order of qualified probation (as defined in subsection (a)(1)(J)) successfully completed by the

petitioner is not a conviction. An order of supervision or an order of qualified probation that is terminated unsatisfactorily is a conviction, unless the unsatisfactory termination is reversed, vacated, or modified and the judgment of conviction, if any, is reversed or vacated.

(D) "Criminal offense" means a petty offense, business offense, misdemeanor, felony, or municipal ordinance violation (as defined in subsection (a)(1)(H)). As used in this Section, a minor traffic offense (as defined in subsection (a)(1)(G)) shall not be considered a criminal offense.

(E) "Expunge" means to physically destroy the records or return them to the petitioner and to obliterate the petitioner's name from any official index or public record, or both. Nothing in this Act shall require the physical destruction of the circuit court file, but such records relating to arrests or charges, or both, ordered expunged shall be impounded as required by subsections (d)(9)(A)(ii) and (d)(9)(B)(ii).

(F) As used in this Section, "last sentence" means the sentence, order of supervision, or order of qualified probation (as defined by subsection (a)(1)(J)), for a criminal offense (as defined by subsection (a)(1)(D)) that terminates last in time in any jurisdiction, regardless of whether the petitioner has included the criminal offense for which the sentence or order of supervision or qualified probation was imposed in his or her petition. If multiple sentences, orders of supervision, or orders of qualified probation terminate on the same day and are last in time, they shall be collectively considered the "last sentence" regardless of whether they were ordered to run concurrently.

(G) "Minor traffic offense" means a petty offense, business offense, or Class C misdemeanor under the Illinois Vehicle Code or a similar provision of a municipal or local ordinance.

(H) "Municipal ordinance violation" means an offense defined by a municipal or local ordinance that is criminal in nature and with which the petitioner was

For the purpose of this Section, "successful completion" of an order of qualified probation under Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act and Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act means that the probation was terminated satisfactorily and the judgment of conviction was vacated.

(K) "Seal" means to physically and electronically maintain the records, unless the records would otherwise be destroyed due to age, but to make the records unavailable without a court order, subject to the exceptions in Sections 12 and 13 of this Act. The petitioner's name shall also be obliterated from the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but any index issued by the circuit court clerk before the entry of the order to seal shall not be affected.

(L) "Sexual offense committed against a minor" includes but is not limited to the offenses of indecent solicitation of a child or criminal sexual abuse when the victim of such offense is under 18 years of age.

(M) "Terminate" as it relates to a sentence or order of supervision or qualified probation includes either satisfactory or unsatisfactory termination of the sentence, unless otherwise specified in this Section.
(2) Minor Traffic Offenses. Orders of supervision or convictions for minor traffic offenses shall not affect a petitioner’s eligibility to expunge or seal records pursuant to this Section.

(3) Exclusions. Except as otherwise provided in subsections (b)(5), (b)(6), and (e) of this Section, the court shall not order:

(A) the sealing or expungement of the records of arrests or charges not initiated by arrest that result in an order of supervision for or conviction of: (i) any sexual offense committed against a minor; (ii) Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance; or (iii) Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance.

   (i) offenses included in Article 11 of the Criminal Code of 1961 or a similar provision of a local ordinance, except Section 11-14 of the Criminal Code of 1961 or a similar provision of a local ordinance;

   (ii) Section 12-15, 12-30, or 26-5 of the Criminal Code of 1961 or a similar provision of a local ordinance;

or records of a charge not initiated by arrest for a felony offense, regardless of the disposition, unless:

(i) the charge is amended to a misdemeanor and is otherwise eligible to be sealed pursuant to subsection (c);

(ii) the charge results in first offender probation as set forth in subsection (c)(2)(E); or

(iii) the charge is for a Class 4 felony offense listed in subsection (c)(2)(F) or the charge is amended to a Class 4 felony offense listed in subsection (c)(2)(F). Records of arrests which result in the petitioner being charged with a Class 4 felony offense listed in subsection (c)(2)(F), records of charges not initiated by arrest for Class 4 felony offenses listed in subsection (c)(2)(F), and records of charges amended to a Class 4 felony offense listed in (c)(2)(F) may be sealed, regardless of the disposition, subject to any waiting periods set forth in subsection (c)(3).

(b) Expungement.

(1) A petitioner may petition the circuit court to expunge the records of his or her arrests and charges not initiated by arrest when:

(A) He or she has never been convicted of a criminal offense; and

(B) Each arrest or charge not initiated by arrest sought to be expunged resulted in: (i) acquittal, dismissal, or the petitioner's release without charging, unless excluded by subsection (a)(3)(B); (ii) a conviction which was vacated or reversed, unless excluded by subsection (a)(3)(B); (iii) an order of supervision and such supervision was successfully completed by the petitioner, unless excluded by subsection (a)(3)(A) or (a)(3)(B); or (iv) an order of qualified probation (as defined in subsection (a)(1)(J)) and such probation was successfully completed by the petitioner.

(2) Time frame for filing a petition to expunge.

(A) When the arrest or charge not initiated by arrest sought to be expunged resulted in an acquittal, dismissal,
the petitioner's release without charging, or the reversal or vacation of a conviction, there is no waiting period to petition for the expungement of such records.

(B) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of supervision, successfully completed by the petitioner, the following time frames will apply:

(i) Those arrests or charges that resulted in orders of supervision under Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance, or under Section 12-3.2, 12-15 or 16A-3 of the Criminal Code of 1961, shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the supervision.

(ii) Those arrests or charges that resulted in orders of supervision for any other offenses shall not be eligible for expungement until 2 years have passed following the satisfactory termination of the supervision.

(C) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of qualified probation, successfully completed by the petitioner, such records shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the probation.

(3) Those records maintained by the Department for persons arrested prior to their 17th birthday shall be expunged as provided in Section 5-915 of the Juvenile Court Act of 1987.

The records of the circuit court clerk shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Department of State Police or other criminal justice agencies or prosecutors from listing under an offender’s name the false names he or she has used.

(5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State’s Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the petitioner’s trial to have a court order entered to seal the records of the circuit court clerk in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Department of State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the circuit court clerk in connection with the proceedings of the trial court concerning the offense available for public inspection.

(7) Nothing in this Section shall prevent the Department of State Police from maintaining all records of any person who is admitted to probation upon terms and conditions and who fulfills those terms and conditions pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community

AN ACT concerning radon.

WHEREAS, The Surgeon General of the United States issued a Health Advisory in 2005 warning Americans about the health risk from exposure to radon in indoor air; and

WHEREAS, Indoor radon is the second-leading cause of lung cancer in the United States, and breathing it over prolonged periods can present a significant health risk to families all over the country; and

WHEREAS, The nation's chief physician urged Americans to test their homes to find out how much radon they might be breathing; and

WHEREAS, The United States Environmental Protection Agency, National Academy of Sciences, and the Surgeon General estimate that 21,000 radon-related lung cancer deaths occur annually in the United States, as many as 1,100 of those in this State; and

WHEREAS, Results of 96,000 home measurements conducted by professional contractors and homeowners between 2003 and 2008 submitted to the Illinois Emergency Management Agency show that 40% of homes tested in this State had radon levels above the 4.0 picocuries per liter (pCi/L) action level; therefore

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by adding Sections 10-20.46 and 34-18.37 as follows:

New matter indicated by italics - deletions by strikeout.

(a) It is recommended that every occupied school building of a school district be tested every 5 years for radon pursuant to rules established by the Illinois Emergency Management Agency (IEMA).

(b) It is recommended that new schools of a school district be built using radon resistant new construction techniques, as shown in the United States Environmental Protection Agency document, Radon Prevention in the Design and Construction of Schools and Other Large Buildings.

(c) Each school district may maintain, make available for review, and notify parents and faculty of test results under this Section. The district shall report radon test results to the State Board of Education, which shall prepare a report every 2 years of the results from all schools that have performed tests, to be submitted to the General Assembly and the Governor.

(d) If IEMA exempts an individual from being required to be a licensed radon professional, the individual does not need to be a licensed radon professional in order to perform screening tests under this Section. A school district may elect to have one or more employees from the district attend an IEMA-approved, Internet-based training course on school testing in order to receive an exemption to conduct testing in that school district. These school district employees must perform the measurements in accordance with procedures approved by IEMA. If an exemption from IEMA is not received, the school district must use a licensed radon professional to conduct measurements.

(e) If the results of a radon screening test under this Section are found to be 4.0 pCi/L or above, the school district may hire a licensed radon professional to perform measurements before any mitigation decisions are made. If radon levels of 4.0 pCi/L or above are found, it is recommended that affected areas be mitigated by a licensed radon mitigation professional with respect to both design and installation. IEMA may provide the school district with a list of licensed radon mitigation professionals.

(f) A screening test under this Section may be done with a test kit found in a hardware store, department store, or home improvement store or with a kit ordered through the mail or over the Internet. However, the kit must be provided by a laboratory licensed in accordance with the Radon Industry Licensing Act.

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Children's Low-cost Laptop Act.

Section 5. Policy and purpose. The General Assembly finds that the decreasing cost of computer technology makes it possible today to equip more children than ever before with 21st century learning tools. The dramatic expansion of low-cost computing options and the worldwide reliance on computer technology for commerce, education, information, and social interaction makes it ever more important to introduce computing skills to students at an early age. Accordingly, the State Board of Education shall establish a pilot project whereby schools will provide a low-cost laptop computer to each student, teacher, and relevant administrator in a participating school and implement the use of educational software and computer skills training in order to improve academic achievement and the progress measures listed in subsection (a) of Section 20 in this Act.

Section 10. Definitions. In this Act:

"Primary school" means any school with students in third, fourth, fifth, sixth, seventh, or eighth grade.

"Low-cost laptop" means a portable personal computing device suitable for use among primary school-aged children, under $400 in initial cost or with a financed cost of under $250 per year.

"State Board" means the State Board of Education.

Section 15. Pilot project; Children's Low-cost Laptop Fund.

(a) Subject to an appropriation made specifically for this purpose, the State Board shall provide for the administration of a low-cost laptop pilot project. The pilot project shall be for a period of at least 2 years. In administering the pilot project, the State Board shall:

(1) select participating primary schools;
(2) coordinate a statewide grant program for selected schools to purchase and distribute laptop computers and other technologies;
(3) define the conditions for the distribution and use of grant funding;
(4) monitor project implementation; and
(5) evaluate the project.

(b) The State Board may also use, for the purposes of the pilot project, any public or private gift, grant, or donation deposited into the State Board of Education Special Purpose Trust Fund under Section 2-3.127a of the School Code. Pilot project funds must be used for the following:

(1) to purchase low-cost laptop computers;
(2) for network infrastructure to support wireless access points, cables, and routers;
(3) for replacements for any of the following low-cost laptop components: batteries, power cords, or other software and hardware;
(4) for professional development and technical support for participating teachers; for the purposes of this item (4), "professional development" means the training of certified teaching professionals in the integration of low-cost laptop computers into the classroom curriculum;
(5) to support necessary staff positions at the State Board; and
(6) to evaluate the pilot program's effectiveness.

The State Board may not allocate more than $100 million for the pilot project. The pilot project must be implemented as long as funds are available under this Section to support the participation of at least 3 schools.

Section 20. Program participation requirements. A school may apply to the State Board to establish a low-cost laptop pilot project grant for the entire school or for a particular grade or classroom or classrooms.

The State Board shall select up to 300 schools to participate in the pilot project. At least one-third of the participating students shall be located in the City of Chicago; at least one-third shall be located in the area that makes up the counties of DuPage, Kane, Lake, McHenry, Will, and that portion of Cook County that is located outside of the City of

1. free and reduced lunch eligible student population;
2. access to educational technology resources; and
3. performance on standardized tests required by the State Board.

Section 25. Reporting.

(a) The school board of each participating school shall send an annual progress report to the State Board no later than September 1 of each year that the school is participating in the pilot project. The report must include the project's effect on:

1. performance on standardized tests required by the State Board;
2. school costs;
3. attendance rates;
4. teacher performance and retention;
5. parental involvement in education;
6. community support for the school; and
7. student technology proficiency.

(b) With guidance from the State Board, each participating school shall determine how the low-cost laptops are purchased, assigned, maintained, and retained.

Notwithstanding any other statutory provision to the contrary, all information obtained under this Section shall be maintained in a single State data base, which may be uploaded into a national database, and which information may be subject to expungement only as set forth in subsection (f-1).

(f-1) Upon receipt of notification of a reversal of a conviction based on actual innocence, or of the granting of a pardon pursuant to Section 12 of Article V of the Illinois Constitution, if that pardon document specifically states that the reason for the pardon is the actual innocence of an individual whose DNA record has been stored in the State or national DNA identification index in accordance with this Section by the Illinois Department of State Police, the DNA record shall be expunged from the DNA identification index, and the Department shall by rule prescribe procedures to ensure that the record and any samples, analyses, or other documents relating to such record, whether in the possession of the Department or any law enforcement or police agency, or any forensic DNA laboratory, including any duplicates or copies thereof, are destroyed and a letter is sent to the court verifying the expungement is completed.

(f-5) Any person who intentionally uses genetic marker grouping analysis information, or any other information derived from a DNA sample, beyond the authorized uses as provided under this Section, or any other Illinois law, is guilty of a Class 4 felony, and shall be subject to a fine of not less than $5,000.

(f-6) The Illinois Department of State Police may contract with third parties for the purposes of implementing this amendatory Act of the 93rd General Assembly. Any other party contracting to carry out the functions of this Section shall be subject to the same restrictions and requirements of this Section insofar as applicable, as the Illinois Department of State Police, and to any additional restrictions imposed by the Illinois Department of State Police.

(g-5) (Blank).

(h) The Illinois Department of State Police shall be the State central repository for all genetic marker grouping analysis information obtained pursuant to this Act. The Illinois Department of State Police may promulgate rules for the form and manner of the collection of blood, saliva, or tissue samples and other procedures for the operation of this Act. The provisions of the Administrative Review Law shall apply to all actions taken under the rules so promulgated.

(i) (1) A person required to provide a blood, saliva, or tissue specimen shall cooperate with the collection of the specimen and any deliberate act by that person intended to impede, delay or stop the collection of the blood, saliva, or tissue specimen is a Class A misdemeanor.

   (2) In the event that a person's DNA sample is not adequate for any reason, the person shall provide another DNA sample for analysis. Duly authorized law enforcement and corrections personnel may employ reasonable force in cases in which an individual refuses to provide a DNA sample required under this Act.

(j) Any person required by subsection (a) to submit specimens of blood, saliva, or tissue to the Illinois Department of State Police for analysis and categorization into genetic marker grouping, in addition to any other disposition, penalty, or fine imposed, shall pay an analysis fee of $200. If the analysis fee is not paid at the time of sentencing, the court shall establish a fee schedule by which the entire amount of the analysis fee shall be paid in full, such schedule not to exceed 24 months from the

(k) All analysis and categorization fees provided for by subsection (j) shall be regulated as follows:

(1) The State Offender DNA Identification System Fund is hereby created as a special fund in the State Treasury.

(2) All fees shall be collected by the clerk of the court and forwarded to the State Offender DNA Identification System Fund for deposit. The clerk of the circuit court may retain the amount of $10 from each collected analysis fee to offset administrative costs incurred in carrying out the clerk's responsibilities under this Section.

(3) Fees deposited into the State Offender DNA Identification System Fund shall be used by Illinois State Police crime laboratories as designated by the Director of State Police. These funds shall be in addition to any allocations made pursuant to existing laws and shall be designated for the exclusive use of State crime laboratories. These uses may include, but are not limited to, the following:

(A) Costs incurred in providing analysis and genetic marker categorization as required by subsection (d).

(B) Costs incurred in maintaining genetic marker groupings as required by subsection (e).

(C) Costs incurred in the purchase and maintenance of equipment for use in performing analyses.

(D) Costs incurred in continuing research and development of new techniques for analysis and genetic marker categorization.

(E) Costs incurred in continuing education, training, and professional development of forensic scientists regularly employed by these laboratories.

(l) The failure of a person to provide a specimen, or of any person or agency to collect a specimen, within the 45 day period shall in no way alter the obligation of the person to submit such specimen, or the authority of the Illinois Department of State Police or persons designated by the Department to collect the specimen, or the authority of the Illinois Department of State Police to accept, analyze and maintain the specimen or to maintain or upload results of genetic marker grouping analysis information into a State or national database.

Sec. 1-109.3. Training requirement for pension trustees.
(a) All elected and appointed trustees under Article 3 and 4 of this Code must participate in a mandatory trustee certification training seminar that consists of at least 32 hours of initial trustee certification at a training facility that is accredited and affiliated with a State of Illinois certified college or university. This training must include without limitation all of the following:

(2) Adjudication of pension claims.

(5) The Illinois Open Meetings Act.

The training required under this subsection (a) must be completed within the first year that a trustee is elected or appointed under an Article 3 or 4 pension fund. The elected and appointed trustees of an Article 3 or 4 pension fund who are police officers (as defined in Section 3-106 of this Code) or firefighters (as defined in Section 4-106 of this Code) or are employed by the municipality shall be permitted time away from their duties to attend such training without reduction of accrued leave or benefit time. Active or appointed trustees serving on the effective date of this amendatory Act of the 96th General Assembly shall not be required to attend the training required under this subsection (a).

(b) In addition to the initial trustee certification training required under subsection (a), all elected and appointed trustees under Article 3 and 4 of this Code, including trustees serving on the effective date of this amendatory Act of the 96th General Assembly, shall also participate in a minimum of 16 hours of continuing trustee education each year after the first year that the trustee is elected or appointed.

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 2-3.64 as follows:

(105 ILCS 5/2-3.64) (from Ch. 122, par. 2-3.64)

Sec. 2-3.64. State goals and assessment.

(a) Beginning in the 1998-1999 school year, the State Board of Education shall establish standards and periodically, in collaboration with local school districts, conduct studies of student performance in the learning areas of fine arts and physical development/health.

Beginning with the 1998-1999 school year until the 2004-2005 school year, the State Board of Education shall annually test: (i) all pupils enrolled in the 3rd, 5th, and 8th grades in English language arts (reading, writing, and English grammar) and mathematics; and (ii) all pupils enrolled in the 4th and 7th grades in the biological and physical sciences and the social sciences (history, geography, civics, economics, and government). Unless the testing required to be implemented no later than the 2005-2006 school year under this subsection (a) is implemented for the 2004-2005 school year, for the 2004-2005 school year, the State Board of Education shall test: (i) all pupils enrolled in the 3rd, 5th, and 8th grades in reading and English grammar) and mathematics and (ii) all pupils enrolled in the 4th and 7th grades in the biological and physical sciences. The maximum time allowed for all actual testing required under this paragraph shall not exceed 25 hours, as allocated among the required tests by the State Board of Education, across all grades tested.

Beginning no later than the 2005-2006 school year, the State Board of Education shall annually test: (i) all pupils enrolled in the 3rd, 4th, 5th, 6th, 7th, and 8th grades in reading and mathematics and (ii) all pupils enrolled in the 4th and 7th grades in the biological and physical sciences. In addition, the State Board of Education shall test (1) all pupils enrolled

in the 5th and 8th grades in writing during the 2006-2007 school year; (2) all pupils enrolled in the 5th, 6th, and 8th grades in writing during the 2007-2008 school year; and (3) all pupils enrolled in the 3rd, 5th, 6th, and 8th grades in writing during the 2008-2009 school year and each school year thereafter. After the addition of grades and change in subjects as delineated in this paragraph and including whatever other tests that may be approved from time to time no later than the 2005-2006 school year, the maximum time allowed for all State testing in grades 3 through 8 shall not exceed 38 hours across those grades.

Beginning with the 2004-2005 school year, the State Board of Education shall not test pupils under this subsection (a) in physical development and health, fine arts, and the social sciences (history, geography, civics, economics, and government). The State Board of Education shall not test pupils under this subsection (a) in writing during the 2005-2006 school year.

The State Board of Education shall establish the academic standards that are to be applicable to pupils who are subject to State tests under this Section beginning with the 1998-1999 school year. However, the State Board of Education shall not establish any such standards in final form without first providing opportunities for public participation and local input in the development of the final academic standards. Those opportunities shall include a well-publicized period of public comment, public hearings throughout the State, and opportunities to file written comments. Beginning with the 1998-99 school year and thereafter, the State tests will identify pupils in the 3rd grade or 5th grade who do not meet the State standards.

If, by performance on the State tests or local assessments or by teacher judgment, a student's performance is determined to be 2 or more grades below current placement, the student shall be provided a remediation program developed by the district in consultation with a parent or guardian. Such remediation programs may include, but shall not be limited to, increased or concentrated instructional time, a remedial summer school program of not less than 90 hours, improved instructional approaches, tutorial sessions, retention in grade, and modifications to instructional materials. Each pupil for whom a remediation program is developed under this subsection shall be required to enroll in and attend whatever program the district determines is appropriate for the pupil. Districts may combine students in remediation programs where appropriate and may cooperate with other districts in the design and development of such programs.

New matter indicated by italics - deletions by strikeout.
delivery of those programs. The parent or guardian of a student required to attend a remediation program under this Section shall be given written notice of that requirement by the school district a reasonable time prior to commencement of the remediation program that the student is to attend. The State shall be responsible for providing school districts with the new and additional funding, under Section 2-3.51.5 or by other or additional means, that is required to enable the districts to operate remediation programs for the pupils who are required to enroll in and attend those programs under this Section. Every individualized educational program as described in Article 14 shall identify if the State test or components thereof are appropriate for that student. The State Board of Education shall develop rules and regulations governing the administration of alternative tests prescribed within each student's individualized educational program which are appropriate to the disability of each student.

All pupils who are in a State approved transitional bilingual education program or transitional program of instruction shall participate in the State tests. The time allotted to take the State tests, however, may be extended as determined by the State Board of Education by rule. Any student who has been enrolled in a State approved bilingual education program less than 3 cumulative academic years may take an accommodated Limited English Proficient student academic content assessment, as determined by the State Board of Education, if the student's lack of English as determined by an English language proficiency test would keep the student from understanding the regular State test. If the school district determines, on a case-by-case individual basis, that a Limited English Proficient student academic content assessment would likely yield more accurate and reliable information on what the student knows and can do, the school district may make a determination to assess the student using a Limited English Proficient student academic content assessment for a period that does not exceed 2 additional consecutive years, provided that the student has not yet reached a level of English language proficiency sufficient to yield valid and reliable information on what the student knows and can do on the regular State test.

Reasonable accommodations as prescribed by the State Board of Education shall be provided for individual students in the testing procedure. All test procedures prescribed by the State Board of Education shall require: (i) that each test used for State and local student testing under this Section identify by name the pupil taking the test; (ii) that the name of the pupil taking the test be placed on the test at the time the test is

New matter indicated by italics - deletions by strikeout.
taken; (iii) that the results or scores of each test taken under this Section by a pupil of the school district be reported to that district and identify by name the pupil who received the reported results or scores; and (iv) that the results or scores of each test taken under this Section be made available to the parents of the pupil. In addition, in each school year the highest scores attained by a student on the Prairie State Achievement Examination administered under subsection (c) of this Section and any Prairie State Achievement Awards received by the student shall become part of the student's permanent record and shall be entered on the student's transcript pursuant to regulations that the State Board of Education shall promulgate for that purpose in accordance with Section 3 and subsection (e) of Section 2 of the Illinois School Student Records Act. Beginning with the 1998-1999 school year and in every school year thereafter, scores received by students on the State assessment tests administered in grades 3 through 8 shall be placed into students' temporary records.

The State Board of Education shall establish a period of time, to be referred to as the State test window, in each school year for which State testing shall occur to meet the objectives of this Section. However, if the schools of a district are closed and classes are not scheduled during any week that is established by the State Board of Education as the State test window, the school district may (at the discretion of the State Board of Education) move its State test window one week earlier or one week later than the established State test window, so long as the school district gives the State Board of Education written notice of its intention to deviate from the established schedule by December 1 of the school year in which falls the State test window established by the State Board of Education for the testing.

(a-5) All tests administered pursuant to this Section shall be academically based. For the purposes of this Section "academically based tests" shall mean tests consisting of questions and answers that are measurable and quantifiable to measure the knowledge, skill, and ability of students in the subject matters covered by tests. The scoring of academically based tests shall be reliable, valid, unbiased and shall meet the guidelines for test development and use prescribed by the American Psychological Association, the National Council of Measurement and Evaluation, and the American Educational Research Association. Academically based tests shall not include assessments or evaluations of attitudes, values, or beliefs, or testing of personality, self-esteem, or self-concept. Nothing in this amendatory Act is intended, nor shall it be

construed, to nullify, supersede, or contradict the legislative intent on academic testing expressed during the passage of HB 1005/P.A. 90-296. Nothing in this Section is intended, nor shall it be construed, to nullify, supersede, or contradict the legislative intent on academic testing expressed in the preamble of this amendatory Act of the 93rd General Assembly.

The State Board of Education shall monitor the use of short answer questions in the math and reading assessments or in other assessments in order to demonstrate that the use of short answer questions results in a statistically significant improvement in student achievement as measured on the State assessments for math and reading or on other State assessments and is justifiable in terms of cost and student performance.

(b) It shall be the policy of the State to encourage school districts to continuously test pupil proficiency in the fundamental learning areas in order to: (i) provide timely information on individual students' performance relative to State standards that is adequate to guide instructional strategies; (ii) improve future instruction; and (iii) complement the information provided by the State testing system described in this Section. To assist school districts in testing pupil proficiency in reading in the primary grades, the State Board shall make optional reading inventories for diagnostic purposes available to each school district that requests such assistance. Districts that administer the reading inventories may develop remediation programs for students who perform in the bottom half of the student population. Those remediation programs may be funded by moneys provided under the School Safety and Educational Improvement Block Grant Program established under Section 2-3.51.5.

(c) Beginning with the 2000-2001 school year, each school district that operates a high school program for students in grades 9 through 12 shall annually administer the Prairie State Achievement Examination established under this subsection to its students as set forth below. The Prairie State Achievement Examination shall be developed by the State Board of Education to measure student performance in the academic areas of reading, writing, mathematics, science, and social sciences. Beginning with the 2004-2005 school year, however, the State Board of Education shall not test a student in the social sciences (history, geography, civics, economics, and government) as part of the Prairie State Achievement Examination unless the student is retaking the Prairie State Achievement Examination in the fall of 2004. In addition, the State Board of Education

shall not test a student in writing as part of the Prairie State Achievement Examination during the 2005-2006 school year. The State Board of Education shall establish the academic standards that are to apply in measuring student performance on the Prairie State Achievement Examination including the minimum examination score in each area that will qualify a student to receive a Prairie State Achievement Award from the State in recognition of the student's excellent performance. Each school district that is subject to the requirements of this subsection (c) shall afford all students one opportunity to take the Prairie State Achievement Examination beginning as late as practical during the spring second semester of grade 11, but in no event before March 1. The State Board of Education shall annually notify districts of the weeks during which this test administration shall be required to occur. Every individualized educational program as described in Article 14 shall identify if the Prairie State Achievement Examination or components thereof are appropriate for that student. Each student, exclusive of a student whose individualized educational program developed under Article 14 identifies the Prairie State Achievement Examination as inappropriate for the student, shall be required to take the examination in grade 11. For each academic area the State Board of Education shall establish the score that qualifies for the Prairie State Achievement Award on that portion of the examination. Any student who fails to earn a qualifying score for a Prairie State Achievement Award in any one or more of the academic areas on the initial test administration or who wishes to improve his or her score on any portion of the examination shall be permitted to retake such portion or portions of the examination during grade 12. Districts shall inform their students of the timelines and procedures applicable to their participation in every yearly administration of the Prairie State Achievement Examination. Students receiving special education services whose individualized educational programs identify the Prairie State Achievement Examination as inappropriate for them nevertheless shall have the option of taking the examination, which shall be administered to those students in accordance with standards adopted by the State Board of Education to accommodate the respective disabilities of those students. A student who successfully completes all other applicable high school graduation requirements but fails to receive a score on the Prairie State Achievement Examination that qualifies the student for receipt of a Prairie State Achievement Award shall nevertheless qualify for the receipt of a regular high school diploma. In no case, however, shall a

student receive a regular high school diploma without taking the Prairie State Achievement Examination, unless the student is exempted from taking the Prairie State Achievement Examination under this subsection (c) because (i) the student's individualized educational program developed under Article 14 of this Code identifies the Prairie State Achievement Examination as inappropriate for the student, (ii) the student is exempt due to the student's lack of English language proficiency under subsection (a) of this Section, or (iii) the student is enrolled in a program of Adult and Continuing Education as defined in the Adult Education Act, (iv) the school district is not required to test the individual student for purposes of accountability under federal No Child Left Behind Act of 2001 requirements, or (v) the student is otherwise identified by the State Board of Education through rules as being exempt from the assessment.

(d) Beginning with the 2002-2003 school year, all schools in this State that are part of the sample drawn by the National Center for Education Statistics, in collaboration with their school districts and the State Board of Education, shall administer the biennial State academic assessments of 4th and 8th grade reading and mathematics under the National Assessment of Educational Progress carried out under Section m11(b)(2) of the National Education Statistics Act of 1994 (20 U.S.C. 9010) if the Secretary of Education pays the costs of administering the assessments.

(e) Beginning no later than the 2005-2006 school year, subject to available federal funds to this State for the purpose of student assessment, the State Board of Education shall provide additional tests and assessment resources that may be used by school districts for local diagnostic purposes. These tests and resources shall include without limitation additional high school writing, physical development and health, and fine arts assessments. The State Board of Education shall annually distribute a listing of these additional tests and resources, using funds available from appropriations made for student assessment purposes.

(f) For the assessment and accountability purposes of this Section, "all pupils" includes those pupils enrolled in a public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control, a charter school operating in compliance with the Charter Schools Law, a school operated by a regional office of education under Section 13A-3 of this Code, or a public school administered by a local public agency or the Department of Human Services.

Section 10. The School Code is amended by changing Sections 2-3.25o, 3-11, 10-21.9, 10-22.39, 21-1, 21-23, 21-23a, and 34-18.5 as follows:

(105 ILCS 5/2-3.25o)
Sec. 2-3.25o. Registration and recognition of non-public elementary and secondary schools.

(a) Findings. The General Assembly finds and declares (i) that the Constitution of the State of Illinois provides that a "fundamental goal of the People of the State is the educational development of all persons to the limits of their capacities" and (ii) that the educational development of every school student serves the public purposes of the State. In order to

ensure that all Illinois students and teachers have the opportunity to enroll and work in State-approved educational institutions and programs, the State Board of Education shall provide for the voluntary registration and recognition of non-public elementary and secondary schools.

(b) Registration. All non-public elementary and secondary schools in the State of Illinois may voluntarily register with the State Board of Education on an annual basis. Registration shall be completed in conformance with procedures prescribed by the State Board of Education. Information required for registration shall include assurances of compliance (i) with federal and State laws regarding health examination and immunization, attendance, length of term, and nondiscrimination and (ii) with applicable fire and health safety requirements.

(c) Recognition. All non-public elementary and secondary schools in the State of Illinois may voluntarily seek the status of "Non-public School Recognition" from the State Board of Education. This status may be obtained by compliance with administrative guidelines and review procedures as prescribed by the State Board of Education. The guidelines and procedures must recognize that some of the aims and the financial bases of non-public schools are different from public schools and will not be identical to those for public schools, nor will they be more burdensome. The guidelines and procedures must also recognize the diversity of non-public schools and shall not impinge upon the noneducational relationships between those schools and their clientele.

(c-5) Prohibition against recognition. A non-public elementary or secondary school may not obtain "Non-public School Recognition" status unless the school requires all certified and non-certified applicants for employment with the school, after July 1, 2007, to authorize a fingerprint-based criminal history records check as a condition of employment to determine if such applicants have been convicted of any of the enumerated criminal or drug offenses set forth in Section 21-23a of this Code this subsection (c-5) or have been convicted, within 7 years of the application for employment, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State.

Authorization for the check shall be furnished by the applicant to the school, except that if the applicant is a substitute teacher seeking employment in more than one non-public school, a teacher seeking concurrent part-time employment positions with more than one non-public

school (as a reading specialist, special education teacher, or otherwise), or an educational support personnel employee seeking employment positions with more than one non-public school, then only one of the non-public schools employing the individual shall request the authorization. Upon receipt of this authorization, the non-public school shall submit the applicant's name, sex, race, date of birth, social security number, fingerprint images, and other identifiers, as prescribed by the Department of State Police, to the Department of State Police.

The Department of State Police and Federal Bureau of Investigation shall furnish, pursuant to a fingerprint-based criminal history records check, records of convictions, forever and hereafter, until expunged, to the president or principal of the non-public school that requested the check. The Department of State Police shall charge that school a fee for conducting such check, which fee must be deposited into the State Police Services Fund and must not exceed the cost of the inquiry. Subject to appropriations for these purposes, the State Superintendent of Education shall reimburse non-public schools for fees paid to obtain criminal history records checks under this Section.

A non-public school may not obtain recognition status unless the school also performs a check of the Statewide Sex Offender Database, as authorized by the Sex Offender Community Notification Law, for each applicant for employment, after July 1, 2007, to determine whether the applicant has been adjudicated a sex offender.

Any information concerning the record of convictions obtained by a non-public school's president or principal under this Section is confidential and may be disseminated only to the governing body of the non-public school or any other person necessary to the decision of hiring the applicant for employment. A copy of the record of convictions obtained from the Department of State Police shall be provided to the applicant for employment. Upon a check of the Statewide Sex Offender Database, the non-public school shall notify the applicant as to whether or not the applicant has been identified in the Sex Offender Database as a sex offender. Any information concerning the records of conviction obtained by the non-public school's president or principal under this Section for a substitute teacher seeking employment in more than one non-public school, a teacher seeking concurrent part-time employment positions with more than one non-public school (as a reading specialist, special education teacher, or otherwise), or an educational support personnel employee seeking employment positions with more than one non-public school may

be shared with another non-public school's principal or president to which the applicant seeks employment. Any person who releases any criminal history record information concerning an applicant for employment is guilty of a Class A misdemeanor and may be subject to prosecution under federal law, unless the release of such information is authorized by this Section.

No non-public school may obtain recognition status that knowingly employs a person, hired after July 1, 2007, for whom a Department of State Police and Federal Bureau of Investigation fingerprint-based criminal history records check and a Statewide Sex Offender Database check has not been initiated or who has been convicted of any offense enumerated in Section 21-23a of this Code or for committing attempted first degree murder or for committing or attempting to commit first degree murder or a Class X felony or any one or more of the following offenses: (i) those defined in Sections 11-6, 11-9, 11-14, 11-15, 11-15.1, 11-16, 11-17, 11-18, 11-19, 11-19.1, 11-19.2, 11-20, 11-20.1, 11-21, 12-13, 12-14, 12-14.1, 12-15, and 12-16 of the Criminal Code of 1961; (ii) those defined in the Cannabis Control Act, except those defined in Sections 4(a), 4(b), and 5(a) of that Act; (iii) those defined in the Illinois Controlled Substances Act; and (iv) any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as one or more of those the foregoing offenses. No non-public school may obtain recognition status under this Section that knowingly employs a person who has been found to be the perpetrator of sexual or physical abuse of a minor under 18 years of age pursuant to proceedings under Article II of the Juvenile Court Act of 1987.

In order to obtain recognition status under this Section, a non-public school must require compliance with the provisions of this subsection (c-5) from all employees of persons or firms holding contracts with the school, including, but not limited to, food service workers, school bus drivers, and other transportation employees, who have direct, daily contact with pupils. Any information concerning the records of conviction or identification as a sex offender of any such employee obtained by the non-public school principal or president must be promptly reported to the school's governing body.

(d) Public purposes. The provisions of this Section are in the public interest, for the public benefit, and serve secular public purposes.

(e) Definition. For purposes of this Section, a non-public school means any non-profit, non-home-based, and non-public elementary or

(105 ILCS 5/21-23) (from Ch. 122, par. 21-23)

Sec. 21-23. Suspension or revocation of certificate.

(a) The State Superintendent of Education has the exclusive authority, in accordance with this Section and any rules adopted by the State Board of Education, to initiate the suspension of up to 5 calendar years or revocation of any certificate issued pursuant to this Article, including but not limited to any administrative certificate or endorsement, for abuse or neglect of a child, may be suspended for a period not to exceed one calendar year by the regional superintendent or for a period not to exceed 5 calendar years by the State Superintendent of Education upon evidence of immorality, a condition of health detrimental to the welfare of pupils, incompetency, unprofessional conduct (which includes the failure to disclose on an employment application any previous conviction for a sex offense, as defined in Section 21-23a of this Code, or any other offense committed in any other state or against the laws of the United States that, if committed in this State, would be punishable as a sex offense, as defined in Section 21-23a of this Code), the neglect of any professional duty, willful failure to report an instance of suspected child abuse or neglect as required by the Abused and Neglected Child Reporting Act, failure to establish satisfactory repayment on an educational loan guaranteed by the Illinois Student Assistance Commission, or other just cause. Unprofessional conduct shall include refusal to attend or participate in, institutes, teachers' meetings, professional readings, or to meet other reasonable requirements of the regional superintendent or State Superintendent of Education. Unprofessional conduct also includes conduct that violates the standards, ethics, or rules applicable to the security, administration, monitoring, or scoring of, or the reporting of scores from, any assessment test or the Prairie State Achievement Examination administered under Section 2-3.64 or that is known or intended to produce or report manipulated or artificial, rather than actual, assessment or achievement results or gains from the administration of those tests or examinations. It shall also include neglect or unnecessary delay in making of statistical and other reports required by school officers.

(a-5) The regional superintendent or State Superintendent of Education shall, upon receipt of evidence of abuse or neglect of a child,

immorality, a condition of health detrimental to the welfare of pupils, incompetency, unprofessional conduct, the neglect of any professional duty or other just cause, further investigate and, if and as appropriate, serve written notice to the individual and afford the individual opportunity for a hearing prior to suspension or revocation; provided that the State Superintendent is under no obligation to initiate such an investigation if the Department of Children and Family Services is investigating the same or substantially similar allegations and its child protective service unit has not made its determination as required under Section 7.12 of the Abused and Neglected Child Reporting Act. If the State Superintendent of Education does not receive from an individual a request for a hearing within 10 days after the individual receives notice, the suspension or revocation shall immediately take effect in accordance with the notice. If a hearing is requested within 10 days of notice of opportunity for hearing, it shall act as a stay of proceedings until the State Teacher Certification Board issues a decision. Any hearing shall take place in the educational service region wherein the educator is or was last employed and in accordance with rules adopted by the State Board of Education, in consultation with the State Teacher Certification Board, which rules shall include without limitation provisions for discovery and the sharing of information between parties prior to the hearing. The standard of proof for any administrative hearing held pursuant to this Section shall be by the preponderance of the evidence. The decision of the State Teacher Certification Board is a final administrative decision and is subject to judicial review by appeal of either party. Not to exceed 30 days, unless the individual requests a delay. In such an instance, the stay of proceedings must be continued for another 30 days. No certificate shall be suspended until the teacher has an opportunity for a hearing at the educational service region. When a certificate is suspended, the right of appeal shall lie to the State Teacher Certification Board. When an appeal is taken within 10 days after notice of suspension it shall act as a stay of proceedings not to exceed 120 days. If a certificate is suspended for a period greater than one year, the State Superintendent of Education shall review the suspension prior to the expiration of that period to determine whether the cause for the suspension has been remedied or continues to exist. Upon determining that the cause for suspension has not abated, the State Superintendent of Education may order that the suspension be continued for an appropriate period. Nothing in this Section prohibits the continuance of such a suspension for an indefinite period if the State Superintendent determines

that the cause for the suspension remains unabated. Any certificate may be revoked for the same reasons as for suspension by the State Superintendent of Education. No certificate shall be revoked until the teacher has an opportunity for a hearing before the State Teacher Certification Board, which hearing must be held within 120 days from the date the appeal is taken, unless the State Teacher Certification Board requests a delay. In such an instance, the stay of the revocation proceedings must be continued until the completion of the proceedings.

The State Board may refuse to issue or may suspend the certificate of any person who fails to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of tax, penalty or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are satisfied.

The exclusive authority of the State Superintendent of Education to initiate suspension or revocation of a certificate pursuant to this Section does not preclude a regional superintendent of schools from cooperating with the State Superintendent or a State's Attorney with respect to an investigation of alleged misconduct.

(b) (Blank). Any certificate issued pursuant to this Article may be suspended for an appropriate length of time as determined by either the regional superintendent or State Superintendent of Education upon evidence that the holder of the certificate has been named as a perpetrator in an indicated report filed pursuant to the Abused and Neglected Child Reporting Act, approved June 26, 1975, as amended, and upon proof by clear and convincing evidence that the licensee has caused a child to be an abused child or neglected child as defined in the Abused and Neglected Child Reporting Act.

The regional superintendent or State Superintendent of Education shall, upon receipt of evidence that the certificate holder has been named a perpetrator in any indicated report, serve written notice to the individual and afford the individual opportunity for a hearing prior to suspension. If a hearing is requested within 10 days of notice of opportunity for hearing, it shall act as a stay of proceedings not to exceed 30 days, unless the individual requests a delay. In such an instance, the stay of proceedings must be continued for another 30 days. No certificate shall be suspended until the teacher has an opportunity for a hearing at the educational service region. When a certificate is suspended, the right of appeal shall lie to the State Teacher Certification Board. When an appeal is taken within 10 days

after notice of suspension it shall act as a stay of proceedings not to exceed 120 days. The State Superintendent may revoke any certificate upon proof at hearing by clear and convincing evidence that the certificate holder has caused a child to be an abused child or neglected child as defined in the Abused and Neglected Child Reporting Act. No certificate shall be revoked until the teacher has an opportunity for a hearing before the State Teacher Certification Board, which hearing must be held within 120 days from the date the appeal is taken, unless the teacher or the hearing officer appointed by the State Teacher Certification Board requests a delay. In such an instance, the stay of the revocation proceedings must be continued until the completion of the proceedings.

(b-5) The State Superintendent of Education or his or her designee may initiate and conduct such investigations as may be reasonably necessary to establish the existence of any alleged misconduct. At any stage of the investigation, the State Superintendent may issue a subpoena requiring the attendance and testimony of a witness, including the certificate holder, and the production of any evidence, including files, records, correspondence, or documents, relating to any matter in question in the investigation. The subpoena shall require a witness to appear at the State Board of Education at a specified date and time and shall specify any evidence to be produced. The certificate holder is not entitled to be present, but the State Superintendent shall provide the certificate holder with a copy of any recorded testimony prior to a hearing under this Section. Such recorded testimony must not be used as evidence at a hearing, unless the certificate holder has adequate notice of the testimony and the opportunity to cross-examine the witness. Failure of a certificate holder to comply with a duly-issued, investigatory subpoena may be grounds for revocation, suspension, or denial of a certificate.

(b-10) All correspondence, documentation, and other information so received by the regional superintendent of schools, the State Superintendent of Education, the State Board of Education, or the State Teacher Certification Board under this Section is confidential and must not be disclosed to third parties, except (i) as necessary for the State Superintendent of Education or his or her designee to investigate and prosecute pursuant to this Article, (ii) pursuant to a court order, (iii) for disclosure to the certificate holder or his or her representative, or (iv) as otherwise required in this Article and provided that any such information admitted into evidence in a hearing shall be exempt from this confidentiality and non-disclosure requirement.

(c) The State Superintendent of Education or a person designated by him shall have the power to administer oaths to witnesses at any hearing conducted before the State Teacher Certification Board pursuant to this Section. The State Superintendent of Education or a person designated by him is authorized to subpoena and bring before the State Teacher Certification Board any person in this State and to take testimony either orally or by deposition or by exhibit, with the same fees and mileage and in the same manner as prescribed by law in judicial proceedings in the civil cases in circuit courts of this State.

(c-5) Any circuit court, upon the application of the State Superintendent of Education or the certificate holder, may, by order duly entered, require the attendance of witnesses and the production of relevant books and papers as part of any investigation or at any hearing the State Teacher Certification Board is authorized to conduct pursuant to this Section, and the court may compel obedience to its orders by proceedings for contempt.

(c-10) The State Board of Education shall receive an annual line item appropriation to cover fees associated with the investigation and prosecution of alleged educator misconduct and hearings related thereto.

(d) As used in this Section, "teacher" means any school district employee regularly required to be certified, as provided in this Article, in order to teach or supervise in the public schools.

If the conviction is reversed and the holder is acquitted of the offense in a new trial or the charges against him are dismissed, the suspending authority shall forthwith terminate the suspension of the certificate. The changes made by this amendatory Act of the 96th General Assembly to the definition of "narcotics offense" in this subsection (a) are declaratory of existing law.

(a) Certified and noncertified applicants for employment with the school district are required as a condition of employment to authorize a fingerprint-based criminal history records check to determine if such applicants have been convicted of any of the enumerated criminal or drug offenses in subsection (c) of this Section or have been convicted, within 7 years of the application for employment with the school district, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State. Authorization for the check shall be furnished by the applicant to the school district, except that if the applicant is a substitute teacher seeking employment in more than one school district, or a teacher seeking concurrent part-time employment positions with more than one school district (as a reading specialist, special education teacher or otherwise), or an educational support personnel employee seeking employment positions with more than one district, any such district may require the applicant to furnish authorization for the check to the regional superintendent of the educational service region in which are located the school districts in which the applicant is seeking employment as a substitute or concurrent part-time teacher or concurrent educational support personnel employee. Upon receipt of this authorization, the school district or the appropriate regional superintendent, as the case may be, shall submit the applicant's name, sex, race, date of birth, social security number, fingerprint images, and other

The regional superintendent submitting the requisite information to the Department of State Police shall promptly notify the school districts in which the applicant is seeking employment as a substitute or concurrent part-time teacher or concurrent educational support personnel employee that the check of the applicant has been requested. The Department of State Police and the Federal Bureau of Investigation shall furnish, pursuant to a fingerprint-based criminal history records check, records of convictions, until expunged, to the president of the school board for the school district that requested the check, or to the regional superintendent who requested the check. The Department shall charge the school district or the appropriate regional superintendent a fee for conducting such check, which fee shall be deposited in the State Police Services Fund and shall not exceed the cost of the inquiry; and the applicant shall not be charged a fee for such check by the school district or by the regional superintendent. Subject to appropriations for these purposes, the State Superintendent of Education shall reimburse the school district and regional superintendent for fees paid to obtain criminal history records checks under this Section.

(a-5) The school district or regional superintendent shall further perform a check of the Statewide Sex Offender Database, as authorized by the Sex Offender Community Notification Law, for each applicant.

school district or regional superintendent shall notify an applicant as to whether or not the applicant has been identified in the Database as a sex offender. If a check of an applicant for employment as a substitute or concurrent part-time teacher or concurrent educational support personnel employee in more than one school district was requested by the regional superintendent, and the Department of State Police upon a check ascertains that the applicant has not been convicted of any of the enumerated criminal or drug offenses in subsection (c) or has not been convicted, within 7 years of the application for employment with the school district, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State and so notifies the regional superintendent and if the regional superintendent upon a check ascertains that the applicant has not been identified in the Sex Offender Database as a sex offender, then the regional superintendent shall issue to the applicant a certificate evidencing that as of the date specified by the Department of State Police the applicant has not been convicted of any of the enumerated criminal or drug offenses in subsection (c) or has not been convicted, within 7 years of the application for employment with the school district, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State and evidencing that as of the date that the regional superintendent conducted a check of the Statewide Sex Offender Database, the applicant has not been identified in the Database as a sex offender. The school board of any school district may rely on the certificate issued by any regional superintendent to that substitute teacher, concurrent part-time teacher, or concurrent educational support personnel employee or may initiate its own criminal history records check of the applicant through the Department of State Police and its own check of the Statewide Sex Offender Database as provided in subsection (a). Any person who releases any confidential information concerning any criminal convictions of an applicant for employment shall be guilty of a Class A misdemeanor, unless the release of such information is authorized by this Section.

(e) Upon receipt of the record of a conviction of or a finding of child abuse by a holder of any certificate issued pursuant to Article 21 or Section 34-8.1 or 34-83 of the School Code, the board of education or the State Superintendent of Education may initiate the certificate suspension and revocation proceedings as authorized by law.

(e-5) The general superintendent of schools shall, in writing, notify the State Superintendent of Education of any certificate holder whom he or she has reasonable cause to believe has committed an intentional act of abuse or neglect with the result of making a child an abused child or a neglected child, as defined in Section 3 of the Abused and Neglected Child Reporting Act, and that act resulted in the certificate holder’s dismissal or resignation from the school district. This notification must be submitted within 30 days after the dismissal or resignation. The certificate holder must also be contemporaneously sent a copy of the notice by the superintendent. All correspondence, documentation, and other information so received by the State Superintendent of Education, the State Board of Education, or the State Teacher Certification Board under this subsection (e-5) is confidential and must not be disclosed to third parties, except (i) as necessary for the State Superintendent of Education or his or her designee to investigate and prosecute pursuant to Article 21.

The county board may require convicted persons confined in its jail to reimburse the county for the expenses incurred by their incarceration to the extent of their ability to pay for such expenses. The warden of the jail shall establish by regulation criteria for a reasonable deduction from money credited to any account of an inmate to defray the costs to the county for an inmate's medical care. If after 30 days from the date of mailing of the check, the check is returned undelivered, the sheriff must transmit the amount of the check to the county treasurer for deposit into the commissary fund. Nothing in this subsection (b) constitutes a forfeiture of the prisoner's right to claim the money accredited to his or her account after the 30-day period.

Section 5. The Prevailing Wage Act is amended by changing Section 4 as follows:

(820 ILCS 130/4) (from Ch. 48, par. 39s-4)

Sec. 4. Ascertaining prevailing wage.

(a) The public body awarding any contract for public work or otherwise undertaking any public works, shall ascertain the general prevailing rate of hourly wages in the locality in which the work is to be performed, for each craft or type of worker or mechanic needed to execute the contract, and where the public body performs the work without letting

a contract therefor, shall ascertain the prevailing rate of wages on a per hour basis in the locality, and such public body shall specify in the resolution or ordinance and in the call for bids for the contract, that the general prevailing rate of wages in the locality for each craft or type of worker or mechanic needed to execute the contract or perform such work, also the general prevailing rate for legal holiday and overtime work, as ascertained by the public body or by the Department of Labor shall be paid for each craft or type of worker needed to execute the contract or to perform such work, and it shall be mandatory upon the contractor to whom the contract is awarded and upon any subcontractor under him, and where the public body performs the work, upon the public body, to pay not less than the specified rates to all laborers, workers and mechanics employed by them in the execution of the contract or such work; provided, however, that if the public body desires that the Department of Labor ascertain the prevailing rate of wages, it shall notify the Department of Labor to ascertain the general prevailing rate of hourly wages for work under contract, or for work performed by a public body without letting a contract as required in the locality in which the work is to be performed, for each craft or type of worker or mechanic needed to execute the contract or project or work to be performed. Upon such notification the Department of Labor shall ascertain such general prevailing rate of wages, and certify the prevailing wage to such public body.

(a-1) The public body or other entity awarding the contract shall cause to be inserted in the project specifications and the contract a stipulation to the effect that not less than the prevailing rate of wages as found by the public body or Department of Labor or determined by the court on review shall be paid to all laborers, workers, and mechanics performing work under the contract.

(a-2) When a public body or other entity covered by this Act has awarded work to a contractor without a public bid, contract or project specification, such public body or other entity shall comply with subsection (a-1) by providing the contractor with written notice on the purchase order related to the work to be done or on a separate document indicating that not less than the prevailing rate of wages as found by the public body or Department of Labor or determined by the court on review shall be paid to all laborers, workers, and mechanics performing work on the project.

(a-3) Where a complaint is made and the Department of Labor determines that a violation occurred, the Department of Labor shall

determine if proper written notice under this Section 4 was given. If proper written notice was not provided to the contractor by the public body or other entity, the Department of Labor shall order the public body or other entity to pay any interest, penalties or fines that would have been owed by the contractor if proper written notice were provided. The failure by a public body or other entity to provide written notice does not relieve the contractor of the duty to comply with the prevailing wage rate, nor of the obligation to pay any back wages, as determined under this Act. For the purposes of this subsection, back wages shall be limited to the difference between the actual amount paid and the prevailing rate of wages required to be paid for the project. The failure of a public body or other entity to provide written notice under this Section 4 does not diminish the right of a laborer, worker, or mechanic to the prevailing rate of wages as determined under this Act.

(b) It shall also be mandatory upon the contractor to whom the contract is awarded to insert into each subcontract and into the project specifications for each subcontract a written stipulation to the effect that not less than the prevailing rate of wages shall be paid to all laborers, workers, and mechanics performing work under the contract. It shall also be mandatory upon each subcontractor to cause to be inserted into each lower tiered subcontract and into the project specifications for each lower tiered subcontract a stipulation to the effect that not less than the prevailing rate of wages shall be paid to all laborers, workers, and mechanics performing work under the contract. A contractor or subcontractor who fails to comply with this subsection (b) is in violation of this Act.

(b-1) When a contractor has awarded work to a subcontractor without a contract or contract specification, the contractor shall comply with subsection (b) by providing a subcontractor with a written statement indicating that not less than the prevailing rate of wages shall be paid to all laborers, workers, and mechanics performing work on the project. A contractor or subcontractor who fails to comply with this subsection (b-1) is in violation of this Act.

(b-2) Where a complaint is made and the Department of Labor determines that a violation has occurred, the Department of Labor shall determine if proper written notice under this Section 4 was given. If proper written notice was not provided to the subcontractor by the contractor, the Department of Labor shall order the contractor to pay any interest, penalties, or fines that would have been owed by the

subcontractor if proper written notice were provided. The failure by a contractor to provide written notice to a subcontractor does not relieve the subcontractor of the duty to comply with the prevailing wage rate, nor of the obligation to pay any back wages, as determined under this Act. For the purposes of this subsection, back wages shall be limited to the difference between the actual amount paid and the prevailing rate of wages required for the project. However, if proper written notice was not provided to the contractor by the public body or other entity under this Section 4, the Department of Labor shall order the public body or other entity to pay any interest, penalties, or fines that would have been owed by the subcontractor if proper written notice were provided. The failure by a public body or other entity to provide written notice does not relieve the subcontractor of the duty to comply with the prevailing wage rate, nor of the obligation to pay any back wages, as determined under this Act. For the purposes of this subsection, back wages shall be limited to the difference between the actual amount paid and the prevailing rate of wages required for the project. The failure to provide written notice by a public body, other entity, or contractor does not diminish the right of a laborer, worker, or mechanic to the prevailing rate of wages as determined under this Act.

(c) A public body or other entity shall also require in all contractor's and subcontractor's bonds that the contractor or subcontractor include such provision as will guarantee the faithful performance of such prevailing wage clause as provided by contract or other written instrument. All bid specifications shall list the specified rates to all laborers, workers and mechanics in the locality for each craft or type of worker or mechanic needed to execute the contract.

(d) If the Department of Labor revises the prevailing rate of hourly wages to be paid by the public body, the revised rate shall apply to such contract, and the public body shall be responsible to notify the contractor and each subcontractor, of the revised rate.

(e) Two or more investigatory hearings under this Section on the issue of establishing a new prevailing wage classification for a particular craft or type of worker shall be consolidated in a single hearing before the Department. Such consolidation shall occur whether each separate investigatory hearing is conducted by a public body or the Department. The party requesting a consolidated investigatory hearing shall have the burden of establishing that there is no existing prevailing wage

classification for the particular craft or type of worker in any of the localities under consideration.

(f) It shall be mandatory upon the contractor or construction manager to whom a contract for public works is awarded to post, at a location on the project site of the public works that is easily accessible to the workers engaged on the project, the prevailing wage rates for each craft or type of worker or mechanic needed to execute the contract or project or work to be performed. In lieu of posting on the project site of the public works, a contractor which has a business location where laborers, workers, and mechanics regularly visit may: (1) post in a conspicuous location at that business the current prevailing wage rates for each county in which the contractor is performing work; or (2) provide such laborer, worker, or mechanic engaged on the public works project a written notice indicating the prevailing wage rates for the public works project. A failure to post or provide a prevailing wage rate as required by this Section is a violation of this Act.

The State Treasurer may decline the highest bid and reoffer the property for sale if he or she considers the price bid insufficient. The State Treasurer may group items for auction as "box lots" if the value of the individual items makes it impracticable to sell the items individually. He or she need not offer any property for sale, and may destroy or otherwise dispose of the property, if, in his or her opinion, the probable cost of sale exceeds the value of the property. Securities or commodities received by the Office of the State Treasurer may be sold by the State Treasurer through a broker or sales agent suitable for the sale of the type of securities or commodities being sold.

(1) Property which the State Treasurer determines may have historical value may be, at his or her discretion, loaned to a recognized exhibitor in the United States where it will be kept until such time as the State Treasurer orders it to be returned to his or her possession.

(2) Property returned to the State Treasurer shall be released to the rightful owner or otherwise disposed of in accordance with this Act. The State Treasurer shall keep identifying records of the property so loaned, the name of rightful owner and the owner's last known address, if available.

(3) The Treasurer, in cooperation with the Department of State Police, shall develop a procedure to determine whether a firearm delivered to the Treasurer under this Act has been stolen or used in the commission of a crime. The Department of State Police shall determine the appropriate disposition of a firearm that has been stolen or used in the commission of a crime. The Treasurer shall attempt to return a firearm that has not been stolen or used in the commission of a crime to the rightful owner, provided that the owner may lawfully possess the firearm as determined by the Department of State Police.

If the Treasurer is unable to return a firearm to its owner, the Treasurer shall transfer custody of the firearm to the Department of State Police. Legal title to a firearm transferred to the Department of State Police under this paragraph (3) is vested in the Department of State Police by operation of law:

New matter indicated by italics - deletions by strikeout.
(A) if the Treasurer cannot locate the owner of the firearm;

(B) if the owner of the firearm may not lawfully possess the firearm;

(C) if the owner does not respond to notice published under Section 12 of this Act; or

(D) if the owner responds to notice published under Section 12 and states that he or she no longer claims an interest in the firearm.

With respect to a firearm whose title is transferred to the Department of State Police under this paragraph (3), that Department may:

(i) retain the firearm for use by the crime laboratory system, for training purposes, or for any other application as deemed appropriate by the Department;

(ii) transfer the firearm to the Illinois State Museum if the firearm has historical value; or

(iii) destroy the firearm if it is not retained pursuant to subparagraph (i) or transferred pursuant to subparagraph (ii).

(4) If human remains are delivered to the Treasurer under this Act, the Treasurer shall deliver those human remains to the coroner of the county in which the human remains were abandoned for disposition under Section 3-3034 of the Counties Code. The only human remains that may be delivered to the Treasurer under this Act and that the Treasurer may receive are those that are reported and delivered as contents of a safe deposit box.

(5) If medals awarded to U.S. military personnel are delivered to the Treasurer under this Act, the Treasurer shall not offer those medals for sale or at public auction. The only medals that may be delivered to the Treasurer under this Act and that the Treasurer may receive are those that are reported and delivered as contents of a safe deposit box. Medals shall only be returned to the owner of the safe deposit box containing the medals or the heirs of that owner. This paragraph (5) may be referred to as Operation Search and Restore.

(6) Property that may have been used in the commission of a crime or that may assist in the investigation of a crime, as determined after consulting standards developed by the
Department of State Police, shall be delivered to the Department of State Police or other appropriate law enforcement authority to allow law enforcement to determine whether a criminal investigation should take place. Any such property delivered to a law enforcement authority shall be held in accordance with existing statutes and rules related to the gathering, retention, and release of evidence.

(b) Any sale held under this Section, except a sale of securities or commodities, shall be preceded by a single publication of notice thereof, at least 3 weeks in advance of sale in an English language newspaper of general circulation in the county where the property is to be sold. When property fails to sell and is offered again at a subsequent sale, no additional notice is required for the subsequent sale.

(c) The purchaser at any sale conducted by the State Treasurer pursuant to this Act shall receive title to the property purchased, free from all claims of the owner or prior holder thereof and of all persons claiming through or under them. The State Treasurer shall execute all documents necessary to complete the transfer of title.

(d) The Office of the State Treasurer is not liable for any reduction in the value of property caused by changing market conditions.

that county nursing homes directed and maintained pursuant to Section 5-1005 of the Counties Code may meet their assessment obligation by certifying to the Illinois Department that county expenditures have been obligated for the operation of the county nursing home in an amount at least equal to the amount of the assessment.

(b) The Illinois Department is authorized to establish delayed payment schedules for long-term care providers that are unable to make installment payments when due under this Section due to financial difficulties, as determined by the Illinois Department.

(c) If a long-term care provider fails to pay the full amount of an installment when due (including any extensions granted under subsection (b)), there shall, unless waived by the Illinois Department for reasonable cause, be added to the assessment imposed by Section 5B-2 for the State fiscal year a penalty assessment equal to the lesser of (i) 5% of the amount of the installment not paid on or before the due date plus 5% of the portion thereof remaining unpaid on the last day of each month thereafter or (ii) 100% of the installment amount not paid on or before the due date. For purposes of this subsection, payments will be credited first to unpaid installment amounts (rather than to penalty or interest), beginning with the most delinquent installments. Section 5. The Hospital Licensing Act is amended by changing Section 10.4 as follows:

(210 ILCS 85/10.4) (from Ch. 111 1/2, par. 151.4)

Sec. 10.4. Medical staff privileges.

(a) Any hospital licensed under this Act or any hospital organized under the University of Illinois Hospital Act shall, prior to the granting of any medical staff privileges to an applicant, or renewing a current medical staff member's privileges, request of the Director of Professional Regulation information concerning the licensure status and any disciplinary action taken against the applicant's or medical staff member's license, except: (1) for medical personnel who enter a hospital to obtain organs and tissues for transplant from a donor in accordance with the Illinois Anatomical Gift Act; or (2) for medical personnel who have been granted disaster privileges pursuant to the procedures and requirements established by rules adopted by the Department. Any hospital and any employees of the hospital or others involved in granting privileges who, in good faith, grant disaster privileges pursuant to this Section to respond to an emergency shall not, as a result of their acts or omissions, be liable for civil damages for granting or denying disaster privileges except in the event of willful and wanton misconduct, as that term is defined in Section 10.2 of this Act. Individuals granted privileges who provide care in an emergency situation, in good faith and without direct compensation, shall not, as a result of their acts or omissions, except for acts or omissions involving willful and wanton misconduct, as that term is defined in Section 10.2 of this Act, on the part of the person, be liable for civil damages. The Director of Professional Regulation shall transmit, in writing and in a timely fashion, such information regarding the license of the applicant or the medical staff member, including the record of imposition of any periods of supervision or monitoring as a result of alcohol or substance abuse, as provided by Section 23 of the Medical Practice Act of 1987, and such information as may have been submitted to the Department indicating that the application or medical staff member has been denied, or has surrendered, medical staff privileges at a hospital licensed under this Act, or any equivalent facility in another state or territory of the United States. The Director of Professional Regulation shall define by rule the period for timely response to such requests.

No transmittal of information by the Director of Professional Regulation, under this Section shall be to other than the president, chief operating officer, chief administrative officer, or chief of the medical staff

of a hospital licensed under this Act, a hospital organized under the University of Illinois Hospital Act, or a hospital operated by the United States, or any of its instrumentalities. The information so transmitted shall be afforded the same status as is information concerning medical studies by Part 21 of Article VIII of the Code of Civil Procedure, as now or hereafter amended.

(b) All hospitals licensed under this Act, except county hospitals as defined in subsection (c) of Section 15-1 of the Illinois Public Aid Code, shall comply with, and the medical staff bylaws of these hospitals shall include rules consistent with, the provisions of this Section in granting, limiting, renewing, or denying medical staff membership and clinical staff privileges. Hospitals that require medical staff members to possess faculty status with a specific institution of higher education are not required to comply with subsection (1) below when the physician does not possess faculty status.

(1) Minimum procedures for pre-applicants and applicants for medical staff membership shall include the following:

(A) Written procedures relating to the acceptance and processing of pre-applicants or applicants for medical staff membership, which should be contained in medical staff bylaws.

(B) Written procedures to be followed in determining a pre-applicant's or an applicant's qualifications for being granted medical staff membership and privileges.

(C) Written criteria to be followed in evaluating a pre-applicant's or an applicant's qualifications.

(D) An evaluation of a pre-applicant's or an applicant's current health status and current license status in Illinois.

(E) A written response to each pre-applicant or applicant that explains the reason or reasons for any adverse decision (including all reasons based in whole or in part on the applicant's medical qualifications or any other basis, including economic factors).

(2) Minimum procedures with respect to medical staff and clinical privilege determinations concerning current members of the medical staff shall include the following:

(A) A written notice of an adverse decision.

New matter indicated by italics - deletions by strikeout.
(B) An explanation of the reasons for an adverse decision including all reasons based on the quality of medical care or any other basis, including economic factors.

(C) A statement of the medical staff member's right to request a fair hearing on the adverse decision before a hearing panel whose membership is mutually agreed upon by the medical staff and the hospital governing board. The hearing panel shall have independent authority to recommend action to the hospital governing board. Upon the request of the medical staff member or the hospital governing board, the hearing panel shall make findings concerning the nature of each basis for any adverse decision recommended to and accepted by the hospital governing board.

(i) Nothing in this subparagraph (C) limits a hospital's or medical staff's right to summarily suspend, without a prior hearing, a person's medical staff membership or clinical privileges if the continuation of practice of a medical staff member constitutes an immediate danger to the public, including patients, visitors, and hospital employees and staff. In the event that a hospital or the medical staff imposes a summary suspension, the Medical Executive Committee, or other comparable governance committee of the medical staff as specified in the bylaws, must meet as soon as is reasonably possible to review the suspension and to recommend whether it should be affirmed, lifted, expunged, or modified if the suspended physician requests such review. A summary suspension may not be implemented unless there is actual documentation or other reliable information that an immediate danger exists. This documentation or information must be available at the time the summary suspension decision is made and when the decision is reviewed by the Medical Executive Committee. If the Medical Executive Committee recommends that the summary suspension should be lifted, expunged, or modified, this recommendation

must be reviewed and considered by the hospital governing board, or a committee of the board, on an expedited basis. Nothing in this subparagraph (C) shall affect the requirement that any requested hearing must be commenced within 15 days after the summary suspension and completed without delay unless otherwise agreed to by the parties. A fair hearing shall be commenced within 15 days after the suspension and completed without delay, except that when the medical staff member's license to practice has been suspended or revoked by the State's licensing authority, no hearing shall be necessary.

(ii) Nothing in this subparagraph (C) limits a medical staff's right to permit, in the medical staff bylaws, summary suspension of membership or clinical privileges in designated administrative circumstances as specifically approved by the medical staff. This bylaw provision must specifically describe both the administrative circumstance that can result in a summary suspension and the length of the summary suspension. The opportunity for a fair hearing is required for any administrative summary suspension. Any requested hearing must be commenced within 15 days after the summary suspension and completed without delay. Adverse decisions other than suspension or other restrictions on the treatment or admission of patients may be imposed summarily and without a hearing under designated administrative circumstances as specifically provided for in the medical staff bylaws as approved by the medical staff.

(iii) If a hospital exercises its option to enter into an exclusive contract and that contract results in the total or partial termination or reduction of medical staff membership or clinical privileges of a current medical staff member, the hospital shall provide the affected medical staff member 60 days

prior notice of the effect on his or her medical staff membership or privileges. An affected medical staff member desiring a hearing under subparagraph (C) of this paragraph (2) must request the hearing within 14 days after the date he or she is so notified. The requested hearing shall be commenced and completed (with a report and recommendation to the affected medical staff member, hospital governing board, and medical staff) within 30 days after the date of the medical staff member's request. If agreed upon by both the medical staff and the hospital governing board, the medical staff bylaws may provide for longer time periods.

(C-5) All peer review used for the purpose of credentialing, privileging, disciplinary action, or other recommendations affecting medical staff membership or exercise of clinical privileges, whether relying in whole or in part on internal or external reviews, shall be conducted in accordance with the medical staff bylaws and applicable rules, regulations, or policies of the medical staff. If external review is obtained, any adverse report utilized shall be in writing and shall be made part of the internal peer review process under the bylaws. The report shall also be shared with a medical staff peer review committee and the individual under review. If the medical staff peer review committee or the individual under review prepares a written response to the report of the external peer review within 30 days after receiving such report, the governing board shall consider the response prior to the implementation of any final actions by the governing board which may affect the individual's medical staff membership or clinical privileges. Any peer review that involves willful or wanton misconduct shall be subject to civil damages as provided for under Section 10.2 of this Act.

(D) A statement of the member's right to inspect all pertinent information in the hospital's possession with respect to the decision.

(E) A statement of the member's right to present witnesses and other evidence at the hearing on the decision.

New matter indicated by italics - deletions by strikeout.
(F) A written notice and written explanation of the
decision resulting from the hearing.

(F-5) A written notice of a final adverse decision by
a hospital governing board.

(G) Notice given 15 days before implementation of
an adverse medical staff membership or clinical privileges
decision based substantially on economic factors. This
notice shall be given after the medical staff member
exhausts all applicable procedures under this Section,
including item (iii) of subparagraph (C) of this paragraph
(2), and under the medical staff bylaws in order to allow
sufficient time for the orderly provision of patient care.

(H) Nothing in this paragraph (2) of this subsection
(b) limits a medical staff member's right to waive, in
writing, the rights provided in subparagraphs (A) through
(G) of this paragraph (2) of this subsection (b) upon being
granted the written exclusive right to provide particular
services at a hospital, either individually or as a member of
a group. If an exclusive contract is signed by a
representative of a group of physicians, a waiver contained

(14) On or before April 30, 2008 and every 2 years thereafter, the Commission shall present a written report to the Governor and the General Assembly that shall be based on a study of the impact of this amendatory Act of the 95th General Assembly on the business of soliciting, selling, and shipping wine from inside and outside of this State directly to residents of this State. As part of its report, the Commission shall provide all of the following information:

(A) The amount of State excise and sales tax revenues generated.

New matter indicated by italics - deletions by strikeout.
(B) The amount of licensing fees received.
(C) The number of cases of wine shipped from inside and outside of this State directly to residents of this State.
(D) The number of alcohol compliance operations conducted.
(E) The number of winery shipper's licenses issued.
(F) The number of each of the following: reported violations; cease and desist notices issued by the Commission; notices of violations issued by the Commission and to the Department of Revenue; and notices and complaints of violations to law enforcement officials, including, without limitation, the Illinois Attorney General and the U.S. Department of Treasury's Alcohol and Tobacco Tax and Trade Bureau.

(15) As a means to reduce the underage consumption of alcoholic liquors, the Commission shall conduct alcohol compliance operations to investigate whether businesses that are soliciting, selling, and shipping wine from inside or outside of this State directly to residents of this State are licensed by this State or are selling or attempting to sell wine to persons under 21 years of age in violation of this Act.

(16) The Commission shall, in addition to notifying any appropriate law enforcement agency, submit notices of complaints or violations of Sections 6-29 and 6-29.1 by persons who do not hold a winery shipper's license under this amendatory Act to the Illinois Attorney General and to the U.S. Department of Treasury's Alcohol and Tobacco Tax and Trade Bureau.

(17) (A) A person licensed to make wine under the laws of another state who has a winery shipper's license under this amendatory Act and annually produces less than 25,000 gallons of wine or a person who has a first-class or second-class wine manufacturer's license, a first-class or second-class wine-maker's license, or a limited wine manufacturer's license under this Act and annually produces less than 25,000 gallons of wine may make application to the Commission for a self-distribution exemption to allow the sale of not more than 5,000 gallons of the exemption holder's wine to retail licensees per year.

New matter indicated by italics - deletions by strikeout.
(B) In the application, which shall be sworn under penalty of perjury, such person shall state (1) the date it was established; (2) its volume of production and sales for each year since its establishment; (3) its efforts to establish distributor relationships; (4) that a self-distribution exemption is necessary to facilitate the marketing of its wine; and (5) that it will comply with the liquor and revenue laws of the United States, this State, and any other state where it is licensed.

(C) The Commission shall approve the application for a self-distribution exemption if such person: (1) is in compliance with State revenue and liquor laws; (2) is not a member of any affiliated group that produces more than 25,000 gallons of wine per annum or produces any other alcoholic liquor; (3) will not annually produce for sale more than 25,000 gallons of wine; and (4) will not annually sell more than 5,000 gallons of its wine to retail licensees.

(D) A self-distribution exemption holder shall annually certify to the Commission its production of wine in the previous 12 months and its anticipated production and sales for the next 12 months. The Commission may fine, suspend, or revoke a self-distribution exemption after a hearing if it finds that the exemption holder has made a material misrepresentation in its application, violated a revenue or liquor law of Illinois, exceeded production of 25,000 gallons of wine in any calendar year, or become part of an affiliated group producing more than 25,000 gallons of wine or any other alcoholic liquor.

(E) Except in hearings for violations of this Act or amendatory Act or a bona fide investigation by duly sworn law enforcement officials, the Commission, or its agents, the Commission shall maintain the production and sales information of a self-distribution exemption holder as confidential and shall not release such information to any person.

(F) The Commission shall issue regulations governing self-distribution exemptions consistent with this Section and this Act.

New matter indicated by italics - deletions by strikeout.
(G) Nothing in this subsection (17) shall prohibit a self-distribution exemption holder from entering into or simultaneously having a distribution agreement with a licensed Illinois distributor.

(H) It is the intent of this subsection (17) to promote and continue orderly markets. The General Assembly finds that in order to preserve Illinois’ regulatory distribution system it is necessary to create an exception for smaller makers of wine as their wines are frequently adjusted in varietals, mixes, vintages, and taste to find and create market niches sometimes too small for distributor or importing distributor business strategies. Limited self-distribution rights will afford and allow smaller makers of wine access to the marketplace in order to develop a customer base without impairing the integrity of the 3-tier system.

(b) On or before April 30, 1999, the Commission shall present a written report to the Governor and the General Assembly that shall be based on a study of the impact of this amendatory Act of 1998 on the business of soliciting, selling, and shipping alcoholic liquor from outside of this State directly to residents of this State.

As part of its report, the Commission shall provide the following information:

(i) the amount of State excise and sales tax revenues generated as a result of this amendatory Act of 1998;

(ii) the amount of licensing fees received as a result of this amendatory Act of 1998;

(iii) the number of reported violations, the number of cease and desist notices issued by the Commission, the number of notices of violations issued to the Department of Revenue, and the number of notices and complaints of violations to law enforcement officials.

AN ACT concerning regulation.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Nursing Home Care Act is amended by changing Section 2-104.2 as follows:

(210 ILCS 45/2-104.2) (from Ch. 111 1/2, par. 4152-104.2)
Sec. 2-104.2. Do-Not-Resuscitate Orders.
(a) Every facility licensed under this Act shall establish a policy for the implementation of physician orders limiting resuscitation such as those commonly referred to as "Do-Not-Resuscitate" orders. This policy may only prescribe the format, method of documentation and duration of any physician orders limiting resuscitation. Any orders under this policy shall be honored by the facility. The Department of Public Health Uniform DNR Advance Directive or a copy of that Advance Directive shall be honored by the facility.

(b) Within 30 days after admission, new residents who do not have a guardian of the person or an executed power of attorney for health care shall be provided with written notice, in a form and manner provided by rule of the Department, of their right to provide the name of one or more potential health care surrogates that a treating physician should consider in selecting a surrogate to act on the resident's behalf should the resident

lose decision-making capacity. The notice shall include a form of declaration that may be utilized by the resident to identify potential health care surrogates or by the facility to document any inability or refusal to make such a declaration. A signed copy of the resident's declaration of a potential health care surrogate or decision to decline to make such a declaration, or documentation by the facility of the resident's inability to make such a declaration, shall be placed in the resident's clinical record and shall satisfy the facility's obligation under this Section. Such a declaration shall be used only for informational purposes in the selection of a surrogate pursuant to the Health Care Surrogate Act. A facility that complies with this Section is not liable to any healthcare provider, resident, or resident's representative or any other person relating to the identification or selection of a surrogate or potential health care surrogate.

Section 10. The Health Care Surrogate Act is amended by changing Section 15 as follows:

(755 ILCS 40/15) (from Ch. 110 1/2, par. 851-15)

Sec. 15. Applicability. This Act applies to patients who lack decisional capacity or who have a qualifying condition. This Act does not apply to instances in which the patient has an operative and unrevoked living will under the Illinois Living Will Act, an operative and unrevoked declaration for mental health treatment under the Mental Health Treatment Preferences Declaration Act, or an authorized agent under a power of attorney for health care under the Illinois Power of Attorney Act and the patient's condition falls within the coverage of the living will, the declaration for mental health treatment, or the power of attorney for health care. In those instances, the living will, declaration for mental health treatment, or power of attorney for health care, as the case may be, shall be given effect according to its terms. This Act does apply in circumstances in which a patient has a qualifying condition but the patient's condition does not fall within the coverage of the living will, the declaration for mental health treatment, or the power of attorney for health care.

Each health care facility shall maintain any advance directives proffered by the patient or other authorized person, including a do not resuscitate order, a living will, a declaration for mental health treatment, a declaration of a potential surrogate or surrogates should the person become incapacitated or impaired, or a power of attorney for health care, in the patient's medical records for the duration of the patient's stay. PUBLIC ACT 96-0449
(House Bill No. 0789)

AN ACT concerning safety.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Public Utilities Act is amended by changing Section 8-403.1 as follows:

(220 ILCS 5/8-403.1) (from Ch. 111 2/3, par. 8-403.1)
Sec. 8-403.1. Electricity purchased from qualified solid waste energy facility; tax credit; distributions for economic development.
(a) It is hereby declared to be the policy of this State to encourage the development of alternate energy production facilities in order to conserve our energy resources and to provide for their most efficient use.
(b) For the purpose of this Section and Section 9-215.1, "qualified solid waste energy facility" means a facility determined by the Illinois Commerce Commission to qualify as such under the Local Solid Waste Disposal Act, to use methane gas generated from landfills as its primary fuel, and to possess characteristics that would enable it to qualify as a cogeneration or small power production facility under federal law.
(c) In furtherance of the policy declared in this Section, the Illinois Commerce Commission shall require electric utilities to enter into long-term contracts to purchase electricity from qualified solid waste energy facilities located in the electric utility's service area, for a period beginning on the date that the facility begins generating electricity and having a duration of not less than 10 years in the case of facilities fueled by landfill-generated methane, or 20 years in the case of facilities fueled by methane generated from a landfill owned by a forest preserve district. The purchase rate contained in such contracts shall be equal to the average amount per kilowatt-hour paid from time to time by the unit or units of local

New matter indicated by italics - deletions by strikeout.
government in which the electricity generating facilities are located, excluding amounts paid for street lighting and pumping service.

(d) Whenever a public utility is required to purchase electricity pursuant to subsection (c) above, it shall be entitled to credits in respect of its obligations to remit to the State taxes it has collected under the Electricity Excise Tax Law equal to the amounts, if any, by which payments for such electricity exceed (i) the then current rate at which the utility must purchase the output of qualified facilities pursuant to the federal Public Utility Regulatory Policies Act of 1978, less (ii) any costs, expenses, losses, damages or other amounts incurred by the utility, or for which it becomes liable, arising out of its failure to obtain such electricity from such other sources. The amount of any such credit shall, in the first instance, be determined by the utility, which shall make a monthly report of such credits to the Illinois Commerce Commission and, on its monthly tax return, to the Illinois Department of Revenue. Under no circumstances shall a utility be required to purchase electricity from a qualified solid waste energy facility at the rate prescribed in subsection (c) of this Section if such purchase would result in estimated tax credits that exceed, on a monthly basis, the utility's estimated obligation to remit to the State taxes it has collected under the Electricity Excise Tax Law. The owner or operator shall negotiate facility operating conditions with the purchasing utility in accordance with that utility's posted standard terms and conditions for small power producers. If the Department of Revenue disputes the amount of any such credit, such dispute shall be decided by the Illinois Commerce Commission. Whenever a qualified solid waste energy facility has paid or otherwise satisfied in full the capital costs or indebtedness incurred in developing and implementing the qualified solid waste energy facility, whenever the qualified solid waste energy facility ceases to operate and produce electricity from methane gas generated from landfills, or at the end of the contract entered into pursuant to subsection (c) of this Section, whichever occurs first, the qualified solid waste energy facility shall reimburse the Public Utility Fund and the General Revenue Fund in the State treasury for the actual reduction in payments to those Funds caused by this subsection (d) in a manner to be determined by the Illinois Commerce Commission and based on the manner in which revenues for those Funds were reduced. The payments shall be made to the Illinois Commerce Commission, which shall determine the appropriate disbursements to the Public Utility Fund and the General Revenue Fund based on this subsection (d).

New matter indicated by italics - deletions by strikeout.
(e) The Illinois Commerce Commission shall not require an electric utility to purchase electricity from any qualified solid waste energy facility which is owned or operated by an entity that is primarily engaged in the business of producing or selling electricity, gas, or useful thermal energy from a source other than one or more qualified solid waste energy facilities.

(e-5) A qualified solid waste energy facility may receive the purchase rate provided in subsection (c) of this Section only for kilowatt-hours generated by the use of methane gas generated from landfills. The purchase rate provided in subsection (c) of this Section does not apply to electricity generated by the use of a fuel that is not methane gas generated from landfills. If the Illinois Commerce Commission determines that a qualified solid waste energy facility has violated the requirement regarding the use of methane gas generated from a landfill as set forth in this subsection (e-5), then the Commission shall issue an order requiring that the qualified solid waste energy facility repay the State for all dollar amounts of electricity sales that are determined by the Commission to be the result of the violation. As part of that order, the Commission shall have the authority to revoke the facility's approval to act as a qualified solid waste energy facility granted by the Commission under this Section. If the amount owed by the qualified solid waste energy facility is not received by the Commission within 90 days after the date of the Commission's order that requires repayment, then the Commission shall issue an order that revokes the facility's approval to act as a qualified solid waste energy facility granted by the Commission under this Section. The Commission's action that vacates prior qualified solid waste energy facility approval does not excuse the repayment to the State treasury required by subsection (d) of this Section for utility tax credits accumulated up to the time of the Commission's action. A qualified solid waste energy facility must receive Commission approval before it may use any fuel in addition to methane gas generated from a landfill in order to generate electricity. If a qualified solid waste energy facility petitions the Commission to use any fuel in addition to methane gas generated from a landfill to generate electricity, then the Commission shall have the authority to do the following:

(1) establish the methodology for determining the amount of electricity that is generated by the use of methane gas generated from a landfill and the amount that is generated by the use of other fuel;

New matter indicated by italics - deletions by strikeout.
(2) determine all reporting requirements for the qualified solid waste energy facility that are necessary for the Commission to determine the amount of electricity that is generated by the use of methane gas from a landfill and the amount that is generated by the use of other fuel and the resulting payments to the qualified solid waste energy facility; and

(3) require that the qualified solid waste energy facility, at the qualified solid waste energy facility's expense, install metering equipment that the Commission determines is necessary to enforce compliance with this subsection (e-5).

A public utility that is required to enter into a long-term purchase contract with a qualified solid waste energy facility has no duty to determine whether the electricity being purchased was generated by the use of methane gas generated from a landfill or was generated by the use of some other fuel in violation of the requirements of this subsection (e-5).

(f) This Section does not require an electric utility to construct additional facilities unless those facilities are paid for by the owner or operator of the affected qualified solid waste energy facility.

(g) The Illinois Commerce Commission shall require that: (1) electric utilities use the electricity purchased from a qualified solid waste energy facility to displace electricity generated from nuclear power or coal mined and purchased outside the boundaries of the State of Illinois before displacing electricity generated from coal mined and purchased within the State of Illinois, to the extent possible, and (2) electric utilities report annually to the Commission on the extent of such displacements.

(h) Nothing in this Section is intended to cause an electric utility that is required to purchase power hereunder to incur any economic loss as a result of its purchase. All amounts paid for power which a utility is required to purchase pursuant to subparagraph (c) shall be deemed to be costs prudently incurred for purposes of computing charges under rates authorized by Section 9-220 of this Act. Tax credits provided for herein shall be reflected in charges made pursuant to rates so authorized to the extent such credits are based upon a cost which is also reflected in such charges.

(i) Beginning in February 1999 and through January 2009, each qualified solid waste energy facility that sells electricity to an electric utility at the purchase rate described in subsection (c) shall file with the Department of Revenue on or before the 15th of each month a form, prescribed by the Department of Revenue, that states the number of
kilowatt hours of electricity for which payment was received at that purchase rate from electric utilities in Illinois during the immediately preceding month. This form shall be accompanied by a payment from the qualified solid waste energy facility in an amount equal to six-tenths of a mill ($0.0006) per kilowatt hour of electricity stated on the form. Beginning on the effective date of this amendatory Act of the 92nd General Assembly, a qualified solid waste energy facility must file the form required under this subsection (i) before the 15th of each month regardless of whether the facility received any payment in the previous month. Payments received by the Department of Revenue shall be deposited into the Municipal Economic Development Fund, a trust fund created outside the State treasury. The State Treasurer may invest the moneys in the Fund in any investment authorized by the Public Funds Investment Act, and investment income shall be deposited into and become part of the Fund. Moneys in the Fund shall be used by the State Treasurer as provided in subsection (j).

Beginning on July 1, 2006 through January 31, 2009, each month the State Treasurer shall certify the following to the State Comptroller:

(A) the amount received by the Department of Revenue under this subsection (i) during the immediately preceding month; and

(B) the amount received by the Department of Revenue under this subsection (i) in the corresponding month in calendar year 2002.

As soon as practicable after receiving the certification from the State Treasurer, the State Comptroller shall transfer from the General Revenue Fund to the Municipal Economic Development Fund in the State treasury an amount equal to the amount by which the amount calculated under item (B) of this paragraph exceeds the amount calculated under item (A) of this paragraph, if any.

The obligation of a qualified solid waste energy facility to make payments into the Municipal Economic Development Fund shall terminate upon either: (1) expiration or termination of a facility's contract to sell electricity to an electric utility at the purchase rate described in subsection (c); or (2) entry of an enforceable, final, and non-appealable order by a court of competent jurisdiction that Public Act 89-448 is invalid. Payments by a qualified solid waste energy facility into the Municipal Economic Development Fund do not relieve the qualified solid waste energy facility

New matter indicated by italics - deletions by strikeout.
of its obligation to reimburse the Public Utility Fund and the General Revenue Fund for the actual reduction in payments to those Funds as a result of credits received by electric utilities under subsection (d).

A qualified solid waste energy facility that fails to timely file the requisite form and payment as required by this subsection (i) shall be subject to penalties and interest in conformance with the provisions of the Illinois Uniform Penalty and Interest Act.

Every qualified solid waste energy facility subject to the provisions of this subsection (i) shall keep and maintain records and books of its sales pursuant to subsection (c), including payments received from those sales and the corresponding tax payments made in accordance with this subsection (i), and for purposes of enforcement of this subsection (i) all such books and records shall be subject to inspection by the Department of Revenue or its duly authorized agents or employees.

When a qualified solid waste energy facility fails to file the form or make the payment required under this subsection (i), the Department of Revenue, to the extent that it is practical, may enforce the payment obligation in a manner consistent with Section 5 of the Retailers' Occupation Tax Act, and if necessary may impose and enforce a tax lien in a manner consistent with Sections 5a, 5b, 5c, 5d, 5e, 5f, 5g, and 5i of the Retailers' Occupation Tax Act. No tax lien may be imposed or enforced, however, unless a qualified solid waste energy facility fails to make the payment required under this subsection (i). Only to the extent necessary and for the purpose of enforcing this subsection (i), the Department of Revenue may secure necessary information from a qualified solid waste energy facility in a manner consistent with Section 10 of the Retailers' Occupation Tax Act.

All information received by the Department of Revenue in its administration and enforcement of this subsection (i) shall be confidential in a manner consistent with Section 11 of the Retailers' Occupation Tax Act. The Department of Revenue may adopt rules to implement the provisions of this subsection (i).

For purposes of implementing the maximum aggregate distribution provisions in subsections (j) and (k), when a qualified solid waste energy facility makes a late payment to the Department of Revenue for deposit into the Municipal Economic Development Fund, that payment and deposit shall be attributed to the month and corresponding quarter in which the payment should have been made, and the Treasurer shall make

retroactive distributions or refunds, as the case may be, whenever such late payments so require.

(j) The State Treasurer, without appropriation, must make distributions immediately after January 15, April 15, July 15, and October 15 of each year, up to maximum aggregate distributions of $500,000 for the distributions made in the 4 quarters beginning with the April distribution and ending with the January distribution, from the Municipal Economic Development Fund to each city, village, or incorporated town located in Cook County that has approved construction within its boundaries of an incinerator that will burn recovered wood processed for fuel to generate electricity and will commence operation after 2009: (1) uses or, on the effective date of Public Act 90-813, used municipal waste as its primary fuel to generate electricity; (2) was determined by the Illinois Commerce Commission to qualify as a qualified solid waste energy facility prior to the effective date of Public Act 89-448; and (3) commenced operation prior to January 1, 1998. Total distributions in the aggregate to all qualified cities, villages, and incorporated towns in the 4 quarters beginning with the April distribution and ending with the January distribution shall not exceed $500,000. The amount of each distribution shall be determined pro rata based on the population of the city, village, or incorporated town compared to the total population of all cities, villages, and incorporated towns eligible to receive a distribution. Distributions received by a city, village, or incorporated town must be held in a separate account and may be used only to promote and enhance industrial, commercial, residential, service, transportation, and recreational activities and facilities within its boundaries, thereby enhancing the employment opportunities, public health and general welfare, and economic development within the community, including administrative expenditures exclusively to further these activities. Distributions may also be used for cleanup of open dumping from vacant properties and the removal of structures condemned by the city, village, or incorporated town. These funds, however, shall not be used by the city, village, or incorporated town, directly or indirectly, to purchase, lease, operate, or in any way subsidize the operation of any incinerator, and these funds shall not be paid, directly or indirectly, by the city, village, or incorporated town to the owner, operator, lessee, shareholder, or bondholder of any incinerator. Moreover, these funds shall not be used to pay attorneys fees in any litigation relating to the validity of Public Act 89-448. Nothing in this Section prevents a city, village, or incorporated town from using other

corporate funds for any legitimate purpose. For purposes of this subsection, the term "municipal waste" has the meaning ascribed to it in Section 3.290 of the Environmental Protection Act.

(k) If maximum aggregate distributions of $500,000 under subsection (j) have been made after the January distribution from the Municipal Economic Development Fund, then the balance in the Fund shall be refunded to the qualified solid waste energy facilities that made payments that were deposited into the Fund during the previous 12-month period. The refunds shall be prorated based upon the facility's payments in relation to total payments for that 12-month period.

(l) Beginning January 1, 2000, and each January 1 thereafter, each city, village, or incorporated town that received distributions from the Municipal Economic Development Fund, continued to hold any of those distributions, or made expenditures from those distributions during the immediately preceding year shall submit to a financial and compliance and program audit of those distributions performed by the Auditor General at no cost to the city, village, or incorporated town that received the distributions. The audit should be completed by June 30 or as soon thereafter as possible. The audit shall be submitted to the State Treasurer and those officers enumerated in Section 3-14 of the Illinois State Auditing Act. If the Auditor General finds that distributions have been expended in violation of this Section, the Auditor General shall refer the matter to the Attorney General. The Attorney General may recover, in a civil action, 3 times the amount of any distributions illegally expended. For purposes of this subsection, the terms "financial audit," "compliance audit," and "program audit" have the meanings ascribed to them in Sections 1-13 and 1-15 of the Illinois State Auditing Act.

(m) On and after the effective date of this amendatory Act of the 94th General Assembly, beginning on the first date on which renewable energy certificates or other saleable representations are sold by a qualified solid waste energy facility, with or without the electricity generated by the facility, and utilized by an electric utility or another electric supplier to comply with a renewable energy portfolio standard mandated by Illinois law or mandated by order of the Illinois Commerce Commission, that qualified solid waste energy facility may not sell electricity pursuant to this Section and shall be exempt from the requirements of subsections (a) through (l) of this Section, except that it shall remain obligated for any reimbursements required under subsection (d) of this Section. All of the provisions of this Section shall remain in full force and effect with respect

New matter indicated by italics - deletions by strikeout.
to any qualified solid waste energy facility that sold electric energy pursuant to this Section at any time before July 1, 2006 and that does not sell renewable energy certificates or other saleable representations to meet the requirements of a renewable energy portfolio standard mandated by Illinois law or mandated by order of the Illinois Commerce Commission.

(n) Notwithstanding any other provision of law to the contrary, beginning on July 1, 2006, the Illinois Commerce Commission shall not issue any order determining that a facility is a qualified solid waste energy facility unless the qualified solid waste energy facility was determined by the Illinois Commerce Commission to be a qualified solid waste energy facility before July 1, 2006. As a guide to the intent, interpretation, and application of this amendatory Act of the 94th General Assembly, it is hereby declared to be the policy of this State to honor each qualified solid waste energy facility contract in existence on the effective date of this amendatory Act of the 94th General Assembly if the qualified solid waste energy facility continues to meet the requirements of this Section for the duration of its respective contract term.

For fiscal year 2005 through fiscal year 2007, no amounts may be transferred under this Section from the Road Fund, the State Construction Account Fund, the Criminal Justice Information Systems Trust Fund, the Wireless Service Emergency Fund, or the Mandatory Arbitration Fund.

In determining the available balance in a fund, the Governor may include receipts, transfers into the fund, and other resources anticipated to be available in the fund in that fiscal year.

The State Treasurer and Comptroller shall transfer the amounts designated under this Section as soon as may be practicable after receiving the direction to transfer from the Governor.

(a-5) Transfers directed to be made under this Section on or before February 28, 2006 that are still pending on May 19, 2006 (the effective date of Public Act 94-774) shall be redirected as provided in Section 8n of this Act.

(b) This Section does not apply to: (i) the Ticket For The Cure Fund; (ii) any fund established under the Community Senior Services and Resources Act; or (iii) on or after January 1, 2006 (the effective date of Public Act 94-511), the Child Labor and Day and Temporary Labor Enforcement Fund.

(c) This Section does not apply to the Demutualization Trust Fund established under the Uniform Disposition of Unclaimed Property Act.

AN ACT concerning labor.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Day and Temporary Labor Services Act is amended by adding Section 47 as follows:

(820 ILCS 175/47 new)
Sec. 47. Location of a day and temporary labor service agency.
(a) In a municipality with more than 1,000,000 inhabitants, a day or temporary labor service agency may not operate or transact business at a location within 1,000 feet of: (i) a school building or a building in which a Boys and Girls Club is located; or (ii) real property comprising a school or a Boys and Girls Club.
(b) This Section does not apply to a day and temporary labor service agency that:

(5) To conduct hearings on proceedings to revoke, suspend, refuse to renew, place on probationary status, or take other disciplinary action as authorized in any licensing Act administered by the Department with regard to licenses, certificates, or authorities of persons exercising the respective professions, trades, or occupations and to revoke, suspend, refuse to renew, place on probationary status, or take other disciplinary action as authorized in any licensing Act administered by the Department with regard to those licenses, certificates, or authorities. The Department shall issue a monthly disciplinary report. The Department shall deny any license or renewal authorized by the Civil Administrative Code of Illinois to any person who has defaulted on an educational loan or scholarship provided by or guaranteed by the Illinois Student Assistance Commission or any governmental agency of this State; however, the Department may issue a license or renewal if the aforementioned persons have established a satisfactory repayment record as determined by the Illinois Student Assistance Commission or other appropriate governmental agency of this State. Additionally, beginning June 1, 1996, any license issued by the Department may be suspended or revoked if the Department, after the opportunity for a hearing under the appropriate licensing Act, finds that the licensee has failed to make satisfactory repayment to the Illinois Student Assistance Commission for a delinquent or defaulted loan. For the purposes of this Section, "satisfactory repayment record" shall be defined by rule. The Department shall refuse to issue or renew a license to, or shall suspend or revoke a license of, any person who, after receiving notice, fails to comply with a subpoena or warrant relating to a paternity or child support proceeding. However, the Department may issue a license or renewal upon compliance with the subpoena or warrant.

The Department, without further process or hearings, shall revoke, suspend, or deny any license or renewal authorized by the
Civil Administrative Code of Illinois to a person who is certified by the Department of Healthcare and Family Services (formerly Illinois Department of Public Aid) as being more than 30 days delinquent in complying with a child support order or who is certified by a court as being in violation of the Non-Support Punishment Act for more than 60 days. The Department may implement this paragraph as added by Public Act 89-6 through the use of emergency rules in accordance with Section 5-45 of the Illinois Administrative Procedure Act. For purposes of the Illinois Administrative Procedure Act, the adoption of rules to implement this paragraph shall be considered an emergency and necessary for the public interest, safety, and welfare.

(6) To transfer jurisdiction of any realty under the control of the Department to any other department of the State Government or to acquire or accept federal lands when the transfer, acquisition, or acceptance is advantageous to the State and is approved in writing by the Governor.

(7) To formulate rules and regulations necessary for the enforcement of any Act administered by the Department.

(8) To exchange with the Department of Healthcare and Family Services information that may be necessary for the enforcement of child support orders entered pursuant to the Illinois Public Aid Code, the Illinois Marriage and Dissolution of Marriage Act, the Non-Support of Spouse and Children Act, the Non-Support Punishment Act, the Revised Uniform Reciprocal Enforcement of Support Act, the Uniform Interstate Family Support Act, or the Illinois Parentage Act of 1984. (8) or for any other action taken in good faith to comply with the requirements of this paragraph (8).

(9) To perform other duties prescribed by law.

(a-5) Except in cases involving default on an educational loan or scholarship provided by or guaranteed by the Illinois Student Assistance Commission or any governmental agency of this State or in cases involving delinquency in complying with a child support order or violation of the Non-Support Punishment Act, no person or entity whose license, certificate, or authority has been revoked as authorized in any licensing Act administered by the Department may apply for restoration of that license, certification, or authority until 3 years after the effective date of the revocation.

Those sums may be advanced to the agent when the Director deems that procedure to be in the public interest. Sums for the purchase of controlled substances, professional services, and equipment necessary for enforcement activities and other activities as set forth in this Section shall be advanced to the agent who is to make the purchase from the Professional Regulation Evidence Fund on vouchers signed by the Director. The Director and those agents are authorized to maintain one or more commercial checking accounts with any State banking corporation or corporations organized under or subject to the Illinois Banking Act for the deposit and withdrawal of moneys to be used for the purposes set forth in this Section; provided, that no check may be written nor any withdrawal made from any such accounts.

All such expenditures shall be audited by the Director, and the audit shall be submitted to the Department of Central Management Services for approval.

(e) The provisions of this Section do not apply to private business and vocational schools as defined by Section 1 of the Private Business and Vocational Schools Act.

(f) Beginning July 1, 1995, this Section does not apply to those professions, trades, and occupations licensed under the Real Estate License Act of 2000, nor does it apply to any permits, certificates, or other authorizations to do business provided for in the Land Sales Registration Act of 1989 or the Illinois Real Estate Time-Share Act.

(g) Notwithstanding anything that may appear in any individual licensing statute or administrative rule, the Department shall deny any license application or renewal authorized under any licensing Act administered by the Department to any person who has failed to file a return, or to pay the tax, penalty, or interest shown in a filed return, or to pay any final assessment of tax, penalty, or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirement of any such tax Act are satisfied; however, the Department may issue a license or renewal if the person has established a satisfactory repayment record as determined by the Illinois Department of Revenue. For the purpose of this Section, "satisfactory repayment record" shall be defined by rule.

In addition, a complaint filed with the Department by the Illinois Department of Revenue that includes a certification, signed by its Director or designee, attesting to the amount of the unpaid tax liability or the years for which a return was not filed, or both, is prima facie evidence of the licensee's failure to comply with the tax laws administered by the Illinois Department of Revenue. Upon receipt of that certification, the Department

shall, without a hearing, immediately suspend all licenses held by the licensee. Enforcement of the Department's order shall be stayed for 60 days. The Department shall provide notice of the suspension to the licensee by mailing a copy of the Department's order by certified and regular mail to the licensee's last known address as registered with the Department. The notice shall advise the licensee that the suspension shall be effective 60 days after the issuance of the Department's order unless the Department receives, from the licensee, a request for a hearing before the Department to dispute the matters contained in the order.

Any suspension imposed under this subsection (g) shall be terminated by the Department upon notification from the Illinois Department of Revenue that the licensee is in compliance with all tax laws administered by the Illinois Department of Revenue.

The Department shall promulgate rules for the administration of this subsection (g).

(h) The Department may grant the title "Retired", to be used immediately adjacent to the title of a profession regulated by the Department, to eligible retirees. The use of the title "Retired" shall not constitute representation of current licensure, registration, or certification. Any person without an active license, registration, or certificate in a profession that requires licensure, registration, or certification shall not be permitted to practice that profession.

(e) Subject to subsection (f) of this Section, if a price later contract is not signed by all parties within 30 days of the last date of delivery of grain intended to be sold by price later contract, then the grain intended to be sold by price later contract shall be priced on the next business day after 30 days from the last date of delivery of grain intended to be sold by price later contract at the market price of the grain at the close of the next business day after the 29th day. When the grain is priced under this subsection, the grain dealer shall send notice to the seller of the grain within 10 days. The notice shall contain the number of bushels sold, the price per bushel, all applicable discounts, the net proceeds, and a notice that states that the Grain Insurance Fund shall provide protection for a period of only 160 days from the date of pricing of the grain.

In the event of a failure, if a price later contract is not signed by all the parties to the transaction, the Department may consider the grain to be sold by price later contract if a preponderance of the evidence indicates the grain was to be sold by price later contract.

(f) If grain is in storage with a warehouseman and is intended to be sold by price later contract, that grain shall be considered as remaining in storage and not be deemed sold by price later contract until the date the price later contract is signed by all parties.

(g) Scale tickets or other approved documents with respect to grain purchased by a grain dealer by price later contract shall contain the following: "Sold Grain; Price Later".

(h) Price later contracts shall be issued consecutively and recorded by the grain dealer as established by rule.

(i) A licensee shall not issue a collateral warehouse receipt on grain purchased by a price later contract to the extent the purchase price has not been paid by the licensee.

(j) Failure to comply with the requirements of this Section may result in suspension of the privilege to purchase grain by price later contract for up to one year.

(k) When a producer with a price later contract selects a price for all or any part of the grain represented by that contract, then within 5 business days after that price selection, the licensee shall mail to that producer a confirmation of the price selection, clearly and succinctly indicating the price selected. If the price later contract is in electronic form, the licensee shall, within 5 business days after that price selection, e-mail to that producer a confirmation of the price selection, clearly and

succinctly indicating the price selected, in full satisfaction of the mailing requirement in the previous sentence.

(l) The issuance and use of price later contracts in electronic form pursuant to the rules promulgated by the Department are specifically authorized by this Code, and any such price later contracts shall have the same validity and enforceability, for all purposes, as those in non-electronic form. For purposes of this Code, the word "written", and derivatives thereof, when used in relation to price later contracts, shall include price later contracts created or displayed electronically.

Sec. 10-25. Warehouse receipts and storage of grain.

(a) When grain is delivered to a warehouseman at a location where grain is also purchased, the licensee shall give written evidence of delivery of grain and that written evidence shall be marked to indicate whether the grain is delivered for storage or for sale. In the absence of adequate evidence of sale, the grain shall be construed to be in storage.

(b) Upon demand by a depositor, a warehouseman shall issue warehouse receipts for grain delivered into storage.

(c) There shall be no charge for the first warehouse receipt issued to a depositor for a given lot of grain. Charges for any additional warehouse receipts for grain previously covered by a warehouse receipt must be commensurate with the cost of issuance of the additional warehouse receipt.

(d) A warehouseman shall issue warehouse receipts only in accordance with the following requirements:

   (1) Warehouse receipts shall be consecutively numbered in a form prescribed by the Department and issued consecutively by the warehouseman.

   (2) In the case of a lost or destroyed warehouse receipt, the new warehouse receipt shall bear the same date as the original and shall be plainly marked on its face "duplicate in lieu of lost or destroyed warehouse receipt number ...", and the warehouseman shall duly fill in the blank with the appropriate warehouse receipt number.

   (3) Warehouse receipts shall be printed by a person authorized by the Department. The person shall register with the Department and pay an annual registration fee of $100 to print warehouse receipts.

New matter indicated by italics - deletions by strikeout.
(4) Negotiable warehouse receipts shall be issued only for grain actually in storage with the warehouseman from which it is issued or redeposited by that warehouseman as provided in subsection (e) of Section 10-20.

(5) A warehouseman shall not insert in any negotiable warehouse receipt issued by it any language that in any way limits or modifies its liability or responsibility.

(e) Upon delivery of grain covered by a negotiable warehouse receipt, the holder of the negotiable warehouse receipt must surrender the warehouse receipt for cancellation, and a warehouseman must cancel and issue a new negotiable warehouse receipt for the balance of grain in storage.

(f) When all grain, the storage of which is evidenced by a warehouse receipt, is delivered from storage, the warehouse receipt shall be plainly marked across its face with the word "cancelled" and shall have written on it the date of cancellation, the name of the person canceling the warehouse receipt, and such other information as required by rule, and is thereafter void.

(g) When a warehouseman delivers grain out of storage but fails to collect and cancel the negotiable warehouse receipt, the warehouseman shall be liable to any purchaser of the negotiable warehouse receipt for value in good faith for failure to deliver the grain to the purchaser, whether the purchaser acquired the negotiable warehouse receipt before or after the delivery of the grain by the warehouseman. If, however, grain has been lawfully sold by a warehouseman to satisfy its warehouseman's lien, the warehouseman shall not be liable for failure to deliver the grain pursuant to the demands of a holder of a negotiable warehouse receipt to the extent of the amount of grain sold.

(h) Except as otherwise provided by this Code or other applicable law, a warehouseman shall deliver the grain upon demand made by the holder of a warehouse receipt pertaining to that grain if the demand is accompanied by:

(1) satisfaction of the warehouseman's lien;

(2) in the case of a negotiable warehouse receipt, a properly endorsed negotiable warehouse receipt; or

(3) in the case of a non-negotiable warehouse receipt, written evidence that the grain was delivered to the warehouseman and that the depositor is entitled to it.

New matter indicated by italics - deletions by strikeout.
(i) If no warehouse receipt is issued to a depositor, a warehouseman shall deliver grain upon the demand of a depositor if the demand is accompanied by satisfaction of the warehouseman's lien and written evidence that the grain was delivered to the warehouseman and the depositor is entitled to it.

(j) If a warehouseman refuses or fails to deliver grain in compliance with a demand by a holder of a warehouse receipt or a depositor, the burden is on the warehouseman to establish the existence of a lawful excuse for the refusal.

(k) If a warehouse receipt has been lost or destroyed, a warehouseman may issue a substitute warehouse receipt, as provided for in this Section, upon delivery to the warehouseman of an affidavit under oath stating that the applicant for the substitute warehouse receipt is entitled to the original warehouse receipt and setting forth the circumstances that resulted in the loss or destruction of the original warehouse receipt. The warehouseman may request from the depositor a bond in double the value of the grain represented by the original warehouse receipt at the time of issuance of the substitute warehouse receipt so as to protect the warehouseman from any liability or expense that it, or any person injured by the delivery, may incur by reason of the original warehouse receipt remaining outstanding.

(l) A warehouse receipt that is to be used for collateral purposes by a warehouseman must be first issued by the warehouseman to itself.

(m) The Department shall approve temporary storage space in an amount to be determined by the Department if all the following conditions are met:

(1) The warehouseman pays all fees and assessments associated with the temporary storage space.
(2) The warehouseman demonstrates that there is a need for additional storage on a temporary basis due to a bumper crop or otherwise.
(3) The structure for the storage of grain meets all of the following requirements:
(A) The grain storage area has a permanent base made of concrete, asphalt, or a material having similar structural qualities.
(B) Hot spot detectors, aeration fans, and ducts are provided to assure that the quality of grain in storage is maintained.

New matter indicated by italics - deletions by strikeout.
(C) The grain storage structure has rigid sidewalls made of concrete, wood, metal, or a material having similar structural qualities.

(D) The grain storage structure is equipped with a waterproof covering of sufficient strength to support a person's weight and with inlets to allow airflow.

(E) Access to the grain is provided for the purpose of sampling and making examinations.

(4) Temporary storage space shall be considered an increase in the licensed storage capacity of the licensee and shall be subject to Section 5-30.

(5) The authorization to use temporary storage space for the storage of grain shall expire at the end of 6 months after the date of approval by the Department or May 15th, whichever comes first.

(n) The Department may approve emergency storage space at the request of the licensee according to rule.

(o) The issuance and transfer of the warehouse receipts in electronic form pursuant to rules promulgated by the Department are specifically authorized by this Code, and any such warehouse receipts shall have the same validity and enforceability, for all purposes, as those in non-electronic form. For purposes of this Code, the words "written" and "printed", and derivatives thereof, when used in relation to warehouse receipts, shall include warehouse receipts created or displayed electronically.

(b) Time of notice.
   (1) The first date of publication of the notice as provided for in subsection (a) of this Section shall be within 30 days after the date of failure.
   (2) The published notice as provided for in subsection (a) of this Section shall be published in at least 3 newspapers of general circulation in the area formerly served by the failed licensee.
   (3) The notice as provided for in subsection (a) of this Section shall be mailed by certified mail, return receipt requested, within 60 days after the date of failure to each claimant whose name and post office address are known by the Department within 60 days after the date of failure.

(c) Every claim filed must be in writing, verified, and signed by a person who has the legal authority to file a claim on behalf of the claimant and must state information sufficient to notify the Department of the nature of the claim and the amount sought.

(d) A claim shall be barred and disallowed in its entirety if:
   (1) notice is published and given to the claimant as provided for in subsections (a) and (b) of this Section and the claimant does not file a claim with the Department on or before the claim date; or
   (2) the claimant's name or post office address is not known by the Department or cannot, within 60 days after the date of failure, be reasonably ascertained by the Department and the claimant does not file a claim with the Department on or before the later of the claim date or 7 days after the date notice was mailed to that claimant if the date notice was mailed to that claimant is on or before the claim date.

A claimant to whom notice is mailed under item (e)(1) of this Section, however, shall have the later of the claim date or 7 days after the date notice was mailed to file a claim with the Department.

(f) The Department shall determine the validity, category, and amount of each claim within 120 days after the date of failure of the licensee and shall give written notice within that time period to each claimant and to the failed licensee of the Department's determination as to the validity, category, and amount of each claim.

(g) A claimant or the failed licensee may request a hearing on the Department's determination within 30 days after receipt of the written notice and the hearing shall be held in the county of the location of the principal office or place of business, in Illinois, residence of the failed licensee claimant and in accordance with rules. Under no circumstances shall payment to claimants who have not requested a hearing be delayed by reason of the request for a hearing by any unrelated claimant.

(h) Within 30 days after a failure of a licensee, the Director shall appoint an Administrative Law Judge for the hearings. The Director shall appoint a person licensed to practice law in this State; who is believed to be knowledgeable with regard to agriculture and the grain industry in Illinois; who has no conflict of interest; and who at the time of his or her appointment is not working for or employed by the Department in any capacity whatsoever.

(j) It is the intent of this Act that the time periods and deadlines in this Section 25-5 are absolute, and are not to be tolled, or their operation halted or delayed. PUBLIC ACT 96-0468
(House Bill No. 3635)

AN ACT concerning revenue.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Income Tax Act is amended by changing Section 601 as follows:

(35 ILCS 5/601) (from Ch. 120, par. 6-601)
Sec. 601. Payment on Due Date of Return.
(a) In general. Every taxpayer required to file a return under this Act shall, without assessment, notice or demand, pay any tax due thereon to the Department, at the place fixed for filing, on or before the date fixed for filing such return (determined without regard to any extension of time for filing the return) pursuant to regulations prescribed by the Department.

New matter indicated by italics - deletions by strikeout.
If, however, the due date for payment of a taxpayer's federal income tax liability for a tax year (as provided in the Internal Revenue Code or by Treasury regulation, or as extended by the Internal Revenue Service) is later than the date fixed for filing the taxpayer's Illinois income tax return for that tax year, the Department may, by rule, prescribe a due date for payment that is not later than the due date for payment of the taxpayer's federal income tax liability. For purposes of the Illinois Administrative Procedure Act, the adoption of rules to prescribe a later due date for payment shall be deemed an emergency and necessary for the public interest, safety, and welfare.

(b) Amount payable. In making payment as provided in this section there shall remain payable only the balance of such tax remaining due after giving effect to the following:

(1) Withheld tax. Any amount withheld during any calendar year pursuant to Article 7 from compensation paid to a taxpayer shall be deemed to have been paid on account of any tax imposed by subsections 201(a) and (b) of this Act on such taxpayer for his taxable year beginning in such calendar year. If more than one taxable year begins in a calendar year, such amount shall be deemed to have been paid on account of such tax for the last taxable year so beginning.

(2) Estimated and tentative tax payments. Any amount of estimated tax paid by a taxpayer pursuant to Article 8 for a taxable year shall be deemed to have been paid on account of the tax imposed by this Act for such taxable year.

(3) Foreign tax. The aggregate amount of tax which is imposed upon or measured by income and which is paid by a resident for a taxable year to another state or states on income which is also subject to the tax imposed by subsections 201(a) and (b) of this Act shall be credited against the tax imposed by subsections 201(a) and (b) otherwise due under this Act for such taxable year. For taxable years ending prior to December 31, 2009, the aggregate credit provided under this paragraph shall not exceed that amount which bears the same ratio to the tax imposed by subsections 201(a) and (b) otherwise due under this Act as the amount of the taxpayer's base income subject to tax both by such other state or states and by this State bears to his total base income subject to tax by this State for the taxable year. For taxable years ending on or after December 31, 2009, the credit provided

New matter indicated by italics - deletions by strikeout.
under this paragraph for tax paid to other states shall not exceed that amount which bears the same ratio to the tax imposed by subsections 201(a) and (b) otherwise due under this Act as the amount of the taxpayer's base income that would be allocated or apportioned to other states if all other states had adopted the provisions in Article 3 of this Act bears to the taxpayer's total base income subject to tax by this State for the taxable year. The credit provided by this paragraph shall not be allowed if any creditable tax was deducted in determining base income for the taxable year. Any person claiming such credit shall attach a statement in support thereof and shall notify the Director of any refund or reductions in the amount of tax claimed as a credit hereunder all in such manner and at such time as the Department shall by regulations prescribe.

(4) Accumulation and capital gain distributions. If the net income of a taxpayer includes amounts included in his base income by reason of Section 668 or 669 of the Internal Revenue Code (relating to accumulation and capital gain distributions by a trust, respectively), the tax imposed on such taxpayer by this Act shall be credited with his pro rata portion of the taxes imposed by this Act on such trust for preceding taxable years which would not have been payable for such preceding years if the trust had in fact made distributions to its beneficiaries at the times and in the amounts specified in Sections 666 and 669 of the Internal Revenue Code. The credit provided by this paragraph shall not reduce the tax otherwise due from the taxpayer to an amount less than that which would be due if the amounts included by reason of Sections 668 and 669 of the Internal Revenue Code were excluded from his base income.

(c) Cross reference. For application against tax due of overpayments of tax for a prior year, see Section 909.

The State Treasurer may, with the approval of the Governor, invest or reinvest any State money in the Treasury which is not needed for current expenditure, due or about to become due, or any money in the State Treasury which has been set aside and held for the payment of the principal of and the interest on any State bonds, in participations in loans, the principal of which participation is fully guaranteed by an agency or instrumentality of the United States government; provided, however, that such loan participations are represented by certificates issued only by banks which are incorporated under the laws of this State or under the laws of the United States, and such banks, but not the loan participation certificates, are insured by the Federal Deposit Insurance Corporation.

The State Treasurer may, with the approval of the Governor, invest or reinvest any State money in the Treasury that is not needed for current expenditure, due or about to become due, or any money in the State Treasury that has been set aside and held for the payment of the principal of and the interest on any State bonds, in any of the following:

PUBLIC ACT 96-0470
(House Bill No. 3730)

AN ACT concerning transportation.

Be it enacted by the People of the State of Illinois, represented in
the General Assembly:

Section 5. The Illinois Vehicle Code is amended by changing
Section 18c-7401 as follows:

(625 ILCS 5/18c-7401) (from Ch. 95 1/2, par. 18c-7401)

Sec. 18c-7401. Safety Requirements for Track, Facilities, and
Equipment.

(1) General Requirements. Each rail carrier shall, consistent with
rules, orders, and regulations of the Federal Railroad Administration,
construct, maintain, and operate all of its equipment, track, and other
property in this State in such a manner as to pose no undue risk to its
employees or the person or property of any member of the public.

(2) Adoption of Federal Standards. The track safety standards and
accident/incident standards promulgated by the Federal Railroad
Administration shall be safety standards of the Commission. The
Commission may, in addition, adopt by reference in its regulations other
federal railroad safety standards, whether contained in federal statutes or in
regulations adopted pursuant to such statutes.

(3) Railroad Crossings. No public road, highway, or street shall
hereafter be constructed across the track of any rail carrier at grade, nor
shall the track of any rail carrier be constructed across a public road,
highway or street at grade, without having first secured the permission of
the Commission; provided, that this Section shall not apply to the
replacement of lawfully existing roads, highways and tracks. No public
pedestrian bridge or subway shall be constructed across the track of any
rail carrier without having first secured the permission of the Commission.
The Commission shall have the right to refuse its permission or to grant it
upon such terms and conditions as it may prescribe. The Commission shall
have power to determine and prescribe the manner, including the particular
point of crossing, and the terms of installation, operation, maintenance,
use and protection of each such crossing.

The Commission shall also have power, after a hearing, to require
major alteration of or to abolish any crossing, heretofore or hereafter

established, when in its opinion, the public safety requires such alteration or abolition, and, except in cities, villages and incorporated towns of 1,000,000 or more inhabitants, to vacate and close that part of the highway on such crossing altered or abolished and cause barricades to be erected across such highway in such manner as to prevent the use of such crossing as a highway, when, in the opinion of the Commission, the public convenience served by the crossing in question is not such as to justify the further retention thereof; or to require a separation of grades, at railroad-highway grade crossings; or to require a separation of grades at any proposed crossing where a proposed public highway may cross the tracks of any rail carrier or carriers; and to prescribe, after a hearing of the parties, the terms upon which such separations shall be made and the proportion in which the expense of the alteration or abolition of such crossings or the separation of such grades, having regard to the benefits, if any, accruing to the rail carrier or any party in interest, shall be divided between the rail carrier or carriers affected, or between such carrier or carriers and the State, county, municipality or other public authority in interest. However, a public hearing by the Commission to abolish a crossing shall not be required when the public highway authority in interest vacates the highway. In such instance the rail carrier, following notification to the Commission and the highway authority, shall remove any grade crossing warning devices and the grade crossing surface.

The Commission shall also have power by its order to require the reconstruction, minor alteration, minor relocation or improvement of any crossing (including the necessary highway approaches thereto) of any railroad across any highway or public road, pedestrian bridge, or pedestrian subway, whether such crossing be at grade or by overhead structure or by subway, whenever the Commission finds after a hearing or without a hearing as otherwise provided in this paragraph that such reconstruction, alteration, relocation or improvement is necessary to preserve or promote the safety or convenience of the public or of the employees or passengers of such rail carrier or carriers. By its original order or supplemental orders in such case, the Commission may direct such reconstruction, alteration, relocation, or improvement to be made in such manner and upon such terms and conditions as may be reasonable and necessary and may apportion the cost of such reconstruction, alteration, relocation or improvement and the subsequent maintenance thereof, having regard to the benefits, if any, accruing to the railroad or any party in interest, between the rail carrier or carriers and public utilities

affected, or between such carrier or carriers and public utilities and the State, county, municipality or other public authority in interest. The cost to be so apportioned shall include the cost of changes or alterations in the equipment of public utilities affected as well as the cost of the relocation, diversion or establishment of any public highway, made necessary by such reconstruction, alteration, relocation or improvement of said crossing. A hearing shall not be required in those instances when the Commission enters an order confirming a written stipulation in which the Commission, the public highway authority or other public authority in interest, the rail carrier or carriers affected, and in instances involving the use of the Grade Crossing Protection Fund, the Illinois Department of Transportation, agree on the reconstruction, alteration, relocation, or improvement and the subsequent maintenance thereof and the division of costs of such changes of any grade crossing (including the necessary highway approaches thereto) of any railroad across any highway, pedestrian bridge, or pedestrian subway. 

Every rail carrier operating in the State of Illinois shall construct and maintain every highway crossing over its tracks within the State so that the roadway at the intersection shall be as flush with the rails as superelevated curves will allow, and, unless otherwise ordered by the Commission, shall construct and maintain the approaches thereto at a grade of not more than 5% within the right of way for a distance of not less the 6 feet on each side of the centerline of such tracks; provided, that the grades at the approaches may be maintained in excess of 5% only when authorized by the Commission.

Every rail carrier operating within this State shall remove from its right of way at all railroad-highway grade crossings within the State, such brush, shrubbery, and trees as is reasonably practical for a distance of not less than 500 feet in either direction from each grade crossing. The Commission shall have power, upon its own motion, or upon complaint, and after having made proper investigation, to require the installation of adequate and appropriate luminous reflective warning signs, luminous flashing signals, crossing gates illuminated at night, or other protective devices in order to promote and safeguard the health and safety of the public. Luminous flashing signal or crossing gate devices installed at grade crossings, which have been approved by the Commission, shall be deemed adequate and appropriate. The Commission shall have authority to determine the number, type, and location of such signs, signals, gates, or other protective devices which, however, shall conform as near as may be

with generally recognized national standards, and the Commission shall have authority to prescribe the division of the cost of the installation and subsequent maintenance of such signs, signals, gates, or other protective devices between the rail carrier or carriers, the public highway authority or other public authority in interest, and in instances involving the use of the Grade Crossing Protection Fund, the Illinois Department of Transportation. Except where train crews provide flagging of the crossing to road users, yield signs shall be installed at all highway intersections with every grade crossing in this State that is not equipped with automatic warning devices, such as luminous flashing signals or crossing gate devices. A stop sign may be used in lieu of the yield sign when an engineering study conducted in cooperation with the highway authority and the Illinois Department of Transportation has determined that a stop sign is warranted. If the Commission has ordered the installation of luminous flashing signal or crossing gate devices at a grade crossing not equipped with active warning devices, the Commission shall order the installation of temporary stop signs at the highway intersection with the grade crossing unless an engineering study has determined that a stop sign is not appropriate. If a stop sign is not appropriate, the Commission may order the installation of other appropriate supplemental signing as determined by an engineering study. The temporary stop signs shall remain in place until the luminous flashing signal or crossing gate devices have been installed. The rail carrier is responsible for the cost of the installation and subsequent maintenance of any required temporary stop signs. The permanent signs shall be in place by July 1, 2011.

No railroad may change or modify the warning device system at a railroad-highway grade crossing, including warning systems interconnected with highway traffic control signals, without having first received the approval of the Commission. The Commission shall have the further power, upon application, upon its own motion, or upon complaint and after having made proper investigation, to require the interconnection of grade crossing warning devices with traffic control devices at highway intersections located at or near railroad crossings within the distances described by the State Manual on Uniform Traffic Control Devices adopted pursuant to Section 11-301 of this Code. In addition, State and local authorities may not install, remove, modernize, or otherwise modify traffic control signals at a highway intersection that is interconnected or proposed to be interconnected with grade crossing warning devices when the change affects the number, type, or location of traffic control devices.

on the track approach leg or legs of the intersection or the timing of the railroad preemption sequence of operation until the Commission has approved the installation, removal, modernization, or modification. Commission approval shall be limited to consideration of issues directly affecting the public safety at the railroad-highway grade crossing. The electrical circuit devices, alternate warning devices, and preemption sequences shall conform as nearly as possible, considering the particular characteristics of the crossing and intersection area, to the State manual adopted by the Illinois Department of Transportation pursuant to Section 11-301 of this Code and such federal standards as are made applicable by subsection (2) of this Section. In order to carry out this authority, the Commission shall have the authority to determine the number, type, and location of traffic control devices on the track approach leg or legs of the intersection and the timing of the railroad preemption sequence of operation. The Commission shall prescribe the division of costs for installation and maintenance of all devices required by this paragraph between the railroad or railroads and the highway authority in interest and in instances involving the use of the Grade Crossing Protection Fund or a State highway, the Illinois Department of Transportation.

Any person who unlawfully or maliciously removes, throws down, damages or defaces any sign, signal, gate or other protective device, located at or near any public grade crossing, shall be guilty of a petty offense and fined not less than $50 nor more than $200 for each offense. In addition to fines levied under the provisions of this Section a person adjudged guilty hereunder may also be directed to make restitution for the costs of repair or replacement, or both, necessitated by his misconduct.

It is the public policy of the State of Illinois to enhance public safety by establishing safe grade crossings. In order to implement this policy, the Illinois Commerce Commission is directed to conduct public hearings and to adopt specific criteria by July 1, 1994, that shall be adhered to by the Illinois Commerce Commission in determining if a grade crossing should be opened or abolished. The following factors shall be considered by the Illinois Commerce Commission in developing the specific criteria for opening and abolishing grade crossings:

(a) timetable speed of passenger trains;  
(b) distance to an alternate crossing;  
(c) accident history for the last 5 years;  
(d) number of vehicular traffic and posted speed limits;  
(e) number of freight trains and their timetable speeds;
(f) the type of warning device present at the grade crossing;
(g) alignments of the roadway and railroad, and the angle of
intersection of those alignments;
(h) use of the grade crossing by trucks carrying hazardous
materials, vehicles carrying passengers for hire, and school buses; and
(i) use of the grade crossing by emergency vehicles.

The Illinois Commerce Commission, upon petition to open or
abolish a grade crossing, shall enter an order opening or abolishing the
crossing if it meets the specific criteria adopted by the Commission.
Except as otherwise provided in this subsection (3), in no instance
shall a grade crossing be permanently closed without public hearing first
being held and notice of such hearing being published in an area
newspaper of local general circulation.

(4) Freight Trains - Radio Communications. The Commission shall
after hearing and order require that every main line railroad freight train
operating on main tracks outside of yard limits within this State shall be
equipped with a radio communication system. The Commission after
notice and hearing may grant exemptions from the requirements of this
Section as to secondary and branch lines.

(5) Railroad Bridges and Trestles - Walkway and Handrail. In
cases in which the Commission finds the same to be practical and
necessary for safety of railroad employees, bridges and trestles, over and
upon which railroad trains are operated, shall include as a part thereof, a
safe and suitable walkway and handrail on one side only of such bridge or
trestle, and such handrail shall be located at the outer edge of the walkway
and shall provide a clearance of not less than 8 feet, 6 inches, from the
center line of the nearest track, measured at right angles thereto.

(6) Packages Containing Articles for First Aid to Injured on Trains.
All rail carriers shall provide a package containing the articles prescribed
by the Commission, on each train or engine, for first aid to persons who
may be injured in the course of the operation of such trains.

(7) Abandoned Bridges, Crossings, and Other Rail Plant. The
Commission shall have authority, after notice and hearing, to order:
(a) The removal of any abandoned railroad tracks from
roads, streets or other thoroughfares in this State; and
(b) The removal of abandoned overhead railroad structures
crossing highways, waterways, or railroads.

New matter indicated by italics - deletions by strikeout.
The Commission may equitably apportion the cost of such actions between the rail carrier or carriers, public utilities, and the State, county, municipality, township, road district, or other public authority in interest.

(8) Railroad-Highway Bridge Clearance. A vertical clearance of not less than 23 feet above the top of rail shall be provided for all new or reconstructed highway bridges constructed over a railroad track. The Commission may permit a lesser clearance if it determines that the 23 foot clearance standard cannot be justified based on engineering, operational, and economic conditions.

Sec. 10-2.1-14. Register of eligibles. The board of fire and police commissioners shall prepare and keep a register of persons whose general average standing, upon examination, is not less than the minimum fixed by the rules of the board, and who are otherwise eligible. The board of fire and police commissioners may prepare and keep a second register of persons who have previously been full-time sworn officers of a regular police department in any municipal, county, university, or State law enforcement agency, provided they are certified by the Illinois Law Enforcement Training Standards Board and

have been with their respective law enforcement agency within the State for at least 2 years. The persons on this list shall take rank upon the register as candidates in the order of their relative excellence as determined by members of the board of fire and police commissioners. Applicants who have been awarded a certificate attesting to their successful completion of the Minimum Standards Basic Law Enforcement Training Course, as provided in the Illinois Police Training Act, may be given preference in appointment over noncertified applicants. Applicants for appointment to fire departments who are licensed as an EMT-B, EMT-I, or EMT-P under the Emergency Medical Services (EMS) Systems Act, may be given preference in appointment over non-licensed applicants.

Within 60 days after each examination, an eligibility list shall be posted by the board, which shall show the final grades of the candidates without reference to priority of time of examination and subject to claim for military credit. Candidates who are eligible for military credit shall make a claim in writing within 10 days after the posting of the eligibility list or such claim shall be deemed waived. Appointment shall be subject to a final physical examination.

If a person is placed on an eligibility list and becomes overage before he or she is appointed to a police or fire department, the person remains eligible for appointment until the list is abolished pursuant to authorized procedures. Otherwise no person who has attained the age of 36 years shall be inducted as a member of a police department and no person who has attained the age of 35 years shall be inducted as a member of a fire department, except as otherwise provided in this division. With respect to a police department, a veteran shall be allowed to exceed the maximum age provision of this Section by the number of years served on active military duty, but by no more than 10 years of active military duty.

(305 ILCS 5/10-17.7)

this Act and other persons who are given access to the child support enforcement services of this Article as provided in Section 10-1, including persons similarly situated and receiving similar services in other states. The rules shall extend to cases in which the mother and alleged father voluntarily acknowledge paternity in the form required by the Illinois Department or agree to be bound by the results of genetic testing or in which the alleged father has failed to respond to a notification of support obligation issued under Section 10-4 and to cases of contested paternity. *The Illinois Department's form for voluntary acknowledgement of paternity shall be the same form prepared by the Illinois Department for use under the requirements of Section 12 of the Vital Records Act.* Any presumption provided for under the Illinois Parentage Act of 1984 shall apply to cases in which paternity is determined under the rules of the Illinois Department. The rules shall provide for notice and an opportunity to be heard by the responsible relative and the person receiving child support enforcement services under this Article if paternity is not voluntarily acknowledged, and any final administrative decision rendered by the Illinois Department shall be reviewed only under and in accordance with the Administrative Review Law. Determinations of paternity made by the Illinois Department under the rules authorized by this Section shall have the full force and effect of a court judgment of paternity entered under the Illinois Parentage Act of 1984.

In determining paternity in contested cases, the Illinois Department shall conduct the evidentiary hearing in accordance with Section 11 of the Parentage Act of 1984, except that references in that Section to "the court" shall be deemed to mean the Illinois Department's hearing officer in cases in which paternity is determined administratively by the Illinois Department.

Notwithstanding any other provision of this Article, a default determination of paternity may be made if service of the notice under Section 10-4 was made by publication under the rules for administrative paternity determination authorized by this Section. The rules as they pertain to service by publication shall (i) be based on the provisions of Section 2-206 and 2-207 of the Code of Civil Procedure, (ii) provide for service by publication in cases in which the whereabouts of the alleged father are unknown after diligent location efforts by the Child and Spouse Support Unit, and (iii) provide for publication of a notice of default paternity determination in the same manner that the notice under Section 10-4 was published.

Section 10. The Vital Records Act is amended by changing Section 12 as follows:

(410 ILCS 535/12) (from Ch. 111 1/2, par. 73-12)

Sec. 12. Live births; place of registration.

(1) Each live birth which occurs in this State shall be registered with the local or subregistrar of the district in which the birth occurred as provided in this Section, within 7 days after the birth. When a birth occurs on a moving conveyance, the city, village, township, or road district in which the child is first removed from the conveyance shall be considered the place of birth and a birth certificate shall be filed in the registration district in which the place is located.

(2) When a birth occurs in an institution, the person in charge of the institution or his designated representative shall obtain and record all the personal and statistical particulars relative to the parents of the child that are required to properly complete the live birth certificate; shall secure the required personal signatures on the hospital worksheet; shall prepare the certificate from this worksheet; and shall file the certificate with the local registrar. The institution shall retain the hospital worksheet permanently or as otherwise specified by rule. The physician in attendance shall verify or provide the date of birth and medical information required by the certificate, within 24 hours after the birth occurs.

(3) When a birth occurs outside an institution, the certificate shall be prepared and filed by one of the following in the indicated order of priority:

(a) The physician in attendance at or immediately after the birth, or in the absence of such a person,

(b) Any other person in attendance at or immediately after the birth, or in the absence of such a person,

(c) The father, the mother, or in the absence of the father and the inability of the mother, the person in charge of the premises where the birth occurred.

(4) Unless otherwise provided in this Act, if the mother was not married to the father of the child at either the time of conception or the time of birth, the name of the father shall be entered on the child's birth certificate only if the mother and the person to be named as the father have signed an acknowledgment of parentage in accordance with subsection (5).

Unless otherwise provided in this Act, if the mother was married at the time of conception or birth and the presumed father (that is, the mother's husband) is not the biological father of the child, the name of the biological father shall be entered on the child's birth certificate only if, in accordance with subsection (5), (i) the mother and the person to be named as the father have signed an acknowledgment of parentage and (ii) the mother and presumed father have signed a denial of paternity.

(5) Upon the birth of a child to an unmarried woman, or upon the birth of a child to a woman who was married at the time of conception or birth and whose husband is not the biological father of the child, the institution at the time of birth and the local registrar or county clerk after the birth shall do the following:

(a) Provide (i) an opportunity for the child's mother and father to sign an acknowledgment of parentage and (ii) if the presumed father is not the biological father, an opportunity for the mother and presumed father to sign a denial of paternity. The signing and witnessing of the acknowledgment of parentage or, if the presumed father of the child is not the biological father, the acknowledgment of parentage and denial of paternity conclusively establishes a parent and child relationship in accordance with Sections 5 and 6 of the Illinois Parentage Act of 1984.

The Department of Healthcare and Family Services shall furnish the acknowledgment of parentage and denial of paternity form to institutions, county clerks, and State and local registrars' offices. The form shall include instructions to send the original signed and witnessed acknowledgment of parentage and denial of paternity to the Department of Healthcare and Family Services. The acknowledgment of parentage and denial of paternity form shall also include a statement informing the mother, the alleged father, and the presumed father, if any, that they have the right to request deoxyribonucleic acid (DNA) tests regarding the issue of the child's paternity and that by signing the form, they expressly waive such tests. The statement shall be set forth in bold-face capital letters not less than 0.25 inches in height.

New matter indicated by italics - deletions by strikeout.
(b) Provide the following documents, furnished by the Department of Healthcare and Family Services, to the child's mother, biological father, and (if the person presumed to be the child's father is not the biological father) presumed father for their review at the time the opportunity is provided to establish a parent and child relationship:

(i) An explanation of the implications of, alternatives to, legal consequences of, and the rights and responsibilities that arise from signing an acknowledgment of parentage and, if necessary, a denial of paternity, including an explanation of the parental rights and responsibilities of child support, visitation, custody, retroactive support, health insurance coverage, and payment of birth expenses.

(ii) An explanation of the benefits of having a child's parentage established and the availability of parentage establishment and child support enforcement services.

(iii) A request for an application for child support enforcement services from the Department of Healthcare and Family Services.

(iv) Instructions concerning the opportunity to speak, either by telephone or in person, with staff of the Department of Healthcare and Family Services who are trained to clarify information and answer questions about paternity establishment.

(v) Instructions for completing and signing the acknowledgment of parentage and denial of paternity.

(c) Provide an oral explanation of the documents and instructions set forth in subdivision (5)(b), including an explanation of the implications of, alternatives to, legal consequences of, and the rights and responsibilities that arise from signing an acknowledgment of parentage and, if necessary, a denial of paternity. The oral explanation may be given in person or through the use of video or audio equipment.

(6) The institution, State or local registrar, or county clerk shall provide an opportunity for the child's father or mother to sign a rescission of parentage. The signing and witnessing of the rescission of parentage voids the acknowledgment of parentage and nullifies the presumption of

paternity if executed and filed with the Department of Healthcare and Family Services (formerly Illinois Department of Public Aid) within the time frame contained in Section 5 of the Illinois Parentage Act of 1984. The Department of Healthcare and Family Services shall furnish the rescission of parentage form to institutions, county clerks, and State and local registrars' offices. The form shall include instructions to send the original signed and witnessed rescission of parentage to the Department of Healthcare and Family Services.

(7) An acknowledgment of paternity signed pursuant to Section 6 of the Illinois Parentage Act of 1984 may be challenged in court only on the basis of fraud, duress, or material mistake of fact, with the burden of proof upon the challenging party. Pending outcome of a challenge to the acknowledgment of paternity, the legal responsibilities of the signatories shall remain in full force and effect, except upon order of the court upon a showing of good cause.

(8) When the process for acknowledgment of parentage as provided for under subsection (5) establishes the paternity of a child whose certificate of birth is on file in another state, the Department of Healthcare and Family Services shall forward a copy of the acknowledgment of parentage, the denial of paternity, if applicable, and the rescission of parentage, if applicable, to the birth record agency of the state where the child's certificate of birth is on file.

(9) In the event the parent-child relationship has been established in accordance with subdivision (a)(1) of Section 6 of the Parentage Act of 1984, the names of the biological mother and biological father so established shall be entered on the child's birth certificate, and the names of the surrogate mother and surrogate mother's husband, if any, shall not be on the birth certificate.

Section 15. The Illinois Parentage Act of 1984 is amended by changing Section 11 as follows:

(750 ILCS 45/11) (from Ch. 40, par. 2511)
Sec. 11. Tests to determine inherited characteristics.
(a) In any action brought under Section 7 to determine the existence of the father and child relationship or to declare the non-existence of the parent and child relationship, the court or Administrative Hearing Officer in an Expedited Child Support System shall, prior to the entry of a judgment in the case, advise the respondent who appears of the right to request an order that the parties and the child submit to

New matter indicated by italics - deletions by strikeout.
deoxyribonucleic acid (DNA) tests to determine inherited characteristics. The advisement shall be noted in the record. As soon as practicable, the court or Administrative Hearing Officer in an Expedited Child Support System may, and upon request of a party shall, order or direct the mother, child and alleged father to submit to deoxyribonucleic acid (DNA) tests to determine inherited characteristics. If any party refuses to submit to the tests, the court may resolve the question of paternity against that party or enforce its order if the rights of others and the interests of justice so require.

(b) The tests shall be conducted by an expert qualified as an examiner of blood or tissue types and appointed by the court. The expert shall determine the testing procedures. However, any interested party, for good cause shown, in advance of the scheduled tests, may request a hearing to object to the qualifications of the expert or the testing procedures. The expert appointed by the court shall testify at the pre-test hearing at the expense of the party requesting the hearing, except as provided in subsection (h) of this Section for an indigent party. An expert not appointed by the court shall testify at the pre-test hearing at the expense of the party retaining the expert. Inquiry into an expert's qualifications at the pre-test hearing shall not affect either parties' right to have the expert qualified at trial.

(c) The expert shall prepare a written report of the test results. If the test results show that the alleged father is not excluded, the report shall contain a combined paternity index relating to the probability of paternity. The expert may be called by the court as a witness to testify to his or her findings and, if called, shall be subject to cross-examination by the parties. If the test results show that the alleged father is not excluded, any party may demand that other experts, qualified as examiners of blood or tissue types, perform independent tests under order of court, including, but not limited to, blood types or other tests of genetic markers such as those found by Human Leucocyte Antigen (HLA) tests. The results of the tests may be offered into evidence. The number and qualifications of the experts shall be determined by the court.

(d) Documentation of the chain of custody of the blood or tissue samples, accompanied by an affidavit or certification in accordance with Section 1-109 of the Code of Civil Procedure, is competent evidence to establish the chain of custody.

(e) The report of the test results prepared by the appointed expert shall be made by affidavit or by certification as provided in Section 1-109
of the Code of Civil Procedure and shall be mailed to all parties. A proof of service shall be filed with the court. The verified report shall be admitted into evidence at trial without foundation testimony or other proof of authenticity or accuracy, unless a written motion challenging the admissibility of the report is filed by either party within 28 days of receipt of the report, in which case expert testimony shall be required. A party may not file such a motion challenging the admissibility of the report later than 28 days before commencement of trial. Before trial, the court shall determine whether the motion is sufficient to deny admission of the report by verification. Failure to make that timely motion constitutes a waiver of the right to object to admission by verification and shall not be grounds for a continuance of the hearing to determine paternity.

(f) Tests taken pursuant to this Section shall have the following effect:

(1) If the court finds that the conclusion of the expert or experts, as disclosed by the evidence based upon the tests, is that the alleged father is not the parent of the child, the question of paternity shall be resolved accordingly.

(2) If the experts disagree in their findings or conclusions, the question shall be weighed with other competent evidence of paternity.

(3) If the tests show that the alleged father is not excluded and that the combined paternity index is less than 500 to 1, this evidence shall be admitted by the court and shall be weighed with other competent evidence of paternity.

(4) If the tests show that the alleged father is not excluded and that the combined paternity index is at least 500 to 1, the alleged father is presumed to be the father, and this evidence shall be admitted. This presumption may be rebutted by clear and convincing evidence.

(g) Any presumption of parentage as set forth in Section 5 of this Act is rebutted if the court finds that the conclusion of the expert or experts excludes paternity of the presumed father.

(h) The expense of the tests shall be paid by the party who requests the tests. Where the tests are requested by the party seeking to establish paternity and that party is found to be indigent by the court, the expense shall be paid by the public agency providing representation; except that where a public agency is not providing representation, the expense shall be paid by the county in which the action is brought. Where the tests are

ordered by the court on its own motion or are requested by the alleged or presumed father and that father is found to be indigent by the court, the expense shall be paid by the county in which the action is brought. Any part of the expense may be taxed as costs in the action, except that no costs may be taxed against a public agency that has not requested the tests.

(i) The compensation of each expert witness appointed by the court shall be paid as provided in subsection (h) of this Section. Any part of the payment may be taxed as costs in the action, except that no costs may be taxed against a public agency that has not requested the services of the expert witness.

(j) Nothing in this Section shall prevent any party from obtaining tests of his or her own blood or tissue independent of those ordered by the court or from presenting expert testimony interpreting those tests or any other blood tests ordered pursuant to this Section. Reports of all the independent tests, accompanied by affidavit or certification pursuant to Section 1-109 of the Code of Civil Procedure, and notice of any expert witnesses to be called to testify to the results of those tests shall be submitted to all parties at least 30 days before any hearing set to determine the issue of parentage.

Notwithstanding any provision of the law to the contrary, the General Assembly hereby authorizes the use of such funds for the purposes set forth in this Section.

These provisions do not apply to funds classified by the Comptroller as federal trust funds or State trust funds. The Audit Expense Fund may receive transfers from those trust funds only as directed herein, except where prohibited by the terms of the trust fund agreement. The Auditor General shall notify the trustees of those funds of the estimated

cost of the audit to be incurred under the Illinois State Auditing Act for the fund. The trustees of those funds shall direct the State Comptroller and Treasurer to transfer the estimated amount to the Audit Expense Fund.

The Auditor General may bill entities that are not subject to the above transfer provisions, including private entities, related organizations and entities whose funds are locally-held, for the cost of audits, studies, and investigations incurred on their behalf. Any revenues received under this provision shall be deposited into the Audit Expense Fund.

In the event that moneys on deposit in any fund are unavailable, by reason of deficiency or any other reason preventing their lawful transfer, the State Comptroller shall order transferred and the State Treasurer shall transfer the amount deficient or otherwise unavailable from the General Revenue Fund for deposit into the Audit Expense Fund.

On or before December 1, 1992, and each December 1 thereafter, the Auditor General shall notify the Governor's Office of Management and Budget (formerly Bureau of the Budget) of the amount estimated to be necessary to pay for audits, studies, and investigations in accordance with the Illinois State Auditing Act during the next succeeding fiscal year for each State fund for which a transfer or reimbursement is anticipated.

Beginning with fiscal year 1994 and during each fiscal year thereafter, the Auditor General may direct the State Comptroller and Treasurer to transfer moneys from funds authorized by the General Assembly for that fund. In the event funds, including federal and State trust funds but excluding the General Revenue Fund, are transferred, during fiscal year 1994 and during each fiscal year thereafter, in excess of the amount to pay actual costs attributable to audits, studies, and investigations as permitted or required by the Illinois State Auditing Act or specific action of the General Assembly, the Auditor General shall, on September 30, or as soon thereafter as is practicable, direct the State Comptroller and Treasurer to transfer the excess amount back to the fund from which it was originally transferred.

AN ACT concerning health.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Nursing Home Care Act is amended by changing Section 3-417 as follows:

(210 ILCS 45/3-417) (from Ch. 111 1/2, par. 4153-417)

Sec. 3-417. Transfer or discharge; alternative placements. The Department shall offer transfer or discharge and relocation assistance to residents transferred or discharged under Sections 3-401 through 3-415, including information on available alternative placements. Residents shall be involved in planning the transfer or discharge and shall choose among the available alternative placements, except that where an emergency makes prior resident involvement impossible the Department may make a temporary placement until a final placement can be arranged. Residents may choose their final alternative placement and shall be given assistance in transferring to such place. No resident may be forced to remain in a temporary or permanent placement. Where the Department makes or participates in making the relocation decision, consideration shall be given to proximity to the resident's relatives and friends. The resident shall be allowed 3 visits to potential alternative placements prior to removal, except where medically contraindicated or where the need for immediate transfer or discharge requires reduction in the number of visits.

When the Department provides information on available alternative placements in community-based settings for individuals being discharged or transferred from facilities licensed under this Act, the information must include a comprehensive list of a range of appropriate, client-oriented services and the name of and contact information for the ADA coordinator in the relocation locale. The comprehensive list must include the name and contact information for each agency or organization providing those services and a summary of the services provided by each agency or organization. A hotline or similar crisis telephone number must also be provided to individuals relocating into the community.

AN ACT concerning transportation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Vehicle Code is amended by changing Sections 1-105.2, 6-306.5, 11-208, 11-208.3, and 11-1201.1 as follows:

(625 ILCS 5/1-105.2)
Sec. 1-105.2. Automated traffic law violation. A violation described in Section 11-208.6 or 11-1201.1 of this Code.
(Source: P.A. 94-795, eff. 5-22-06.)

(625 ILCS 5/6-306.5) (from Ch. 95 1/2, par. 6-306.5)
Sec. 6-306.5. Failure to pay fine or penalty for standing, parking, compliance, or automated traffic law violations; suspension of driving privileges.

(a) Upon receipt of a certified report, as prescribed by subsection (c) of this Section, from any municipality stating that the owner of a registered vehicle has: (1) failed to pay any fine or penalty due and owing as a result of 10 or more violations of a municipality's vehicular standing, parking, or compliance regulations established by ordinance pursuant to Section 11-208.3 of this Code, or (2) failed to pay any fine or penalty due and owing as a result of 5 offenses for automated traffic violations as defined in Section 11-208.6 or 11-1201.1, the Secretary of State shall suspend the driving privileges of such person in accordance with the procedures set forth in this Section. The Secretary shall also suspend the driving privileges of an owner of a registered vehicle upon receipt of a certified report, as prescribed by subsection (f) of this Section, from any municipality stating that such person has failed to satisfy any fines or penalties imposed by final judgments for 5 or more automated traffic law violations or 10 or more violations of local standing, parking, or compliance regulations after exhaustion of judicial review procedures.

(b) Following receipt of the certified report of the municipality as specified in this Section, the Secretary of State shall notify the person whose name appears on the certified report that the person's drivers license will be suspended at the end of a specified period of time unless the
Secretary of State is presented with a notice from the municipality certifying that the fine or penalty due and owing the municipality has been paid or that inclusion of that person's name on the certified report was in error. The Secretary's notice shall state in substance the information contained in the municipality's certified report to the Secretary, and shall be effective as specified by subsection (c) of Section 6-211 of this Code.

(c) The report of the appropriate municipal official notifying the Secretary of State of unpaid fines or penalties pursuant to this Section shall be certified and shall contain the following:

(1) The name, last known address as recorded with the Secretary of State, as provided by the lessor of the cited vehicle at the time of lease, or as recorded in a United States Post Office approved database if any notice sent under Section 11-208.3 of this Code is returned as undeliverable, and drivers license number of the person who failed to pay the fine or penalty and the registration number of any vehicle known to be registered to such person in this State.

(2) The name of the municipality making the report pursuant to this Section.

(3) A statement that the municipality sent a notice of impending drivers license suspension as prescribed by ordinance enacted pursuant to Section 11-208.3, to the person named in the report at the address recorded with the Secretary of State or at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice sent under Section 11-208.3 of this Code is returned as undeliverable, at the last known address recorded in a United States Post Office approved database; the date on which such notice was sent; and the address to which such notice was sent. In a municipality with a population of 1,000,000 or more, the report shall also include a statement that the alleged violator's State vehicle registration number and vehicle make, if specified on the automated traffic law violation notice, are correct as they appear on the citations.

(d) Any municipality making a certified report to the Secretary of State pursuant to this Section shall notify the Secretary of State, in a form prescribed by the Secretary, whenever a person named in the certified report has paid the previously reported fine or penalty or whenever the municipality determines that the original report was in error. A certified copy of such notification shall also be given upon request and at no

New matter indicated by italics - deletions by strikeout.
additional charge to the person named therein. Upon receipt of the municipality's notification or presentation of a certified copy of such notification, the Secretary of State shall terminate the suspension.

(e) Any municipality making a certified report to the Secretary of State pursuant to this Section shall also by ordinance establish procedures for persons to challenge the accuracy of the certified report. The ordinance shall also state the grounds for such a challenge, which may be limited to (1) the person not having been the owner or lessee of the vehicle or vehicles receiving 10 or more standing, parking, or compliance violation notices or 5 or more automated traffic law violations on the date or dates such notices were issued; and (2) the person having already paid the fine or penalty for the 10 or more standing, parking, or compliance violations or 5 or more automated traffic law violations indicated on the certified report.

(f) Any municipality, other than a municipality establishing vehicular standing, parking, and compliance regulations pursuant to Section 11-208.3 or automated traffic law regulations under Section 11-208.6 or 11-1201.1, may also cause a suspension of a person's drivers license pursuant to this Section. Such municipality may invoke this sanction by making a certified report to the Secretary of State upon a person's failure to satisfy any fine or penalty imposed by final judgment for 10 or more violations of local standing, parking, or compliance regulations or 5 or more automated traffic law violations after exhaustion of judicial review procedures, but only if:

(1) the municipality complies with the provisions of this Section in all respects except in regard to enacting an ordinance pursuant to Section 11-208.3;

(2) the municipality has sent a notice of impending drivers license suspension as prescribed by an ordinance enacted pursuant to subsection (g) of this Section; and

(3) in municipalities with a population of 1,000,000 or more, the municipality has verified that the alleged violator's State vehicle registration number and vehicle make are correct as they appear on the citations.

(g) Any municipality, other than a municipality establishing standing, parking, and compliance regulations pursuant to Section 11-208.3 or automated traffic law regulations under Section 11-208.6 or 11-1201.1, may provide by ordinance for the sending of a notice of impending drivers license suspension to the person who has failed to satisfy any fine

or penalty imposed by final judgment for 10 or more violations of local 
standing, parking, or compliance regulations or 5 or more automated 
traffic law violations after exhaustion of judicial review procedures. An 
ordinance so providing shall specify that the notice sent to the person liable 
for any fine or penalty shall state that failure to pay the fine or 
penalty owing within 45 days of the notice's date will result in the 
municipality notifying the Secretary of State that the person's drivers 
license is eligible for suspension pursuant to this Section. The notice of 
impending drivers license suspension shall be sent by first class United 
States mail, postage prepaid, to the address recorded with the Secretary of 
State or at the last address known to the lessor of the cited vehicle at the 
time of lease or, if any notice sent under Section 11-208.3 of this Code is 
returned as undeliverable, to the last known address recorded in a United 
States Post Office approved database.

(h) An administrative hearing to contest an impending suspension 
or a suspension made pursuant to this Section may be had upon filing a 
written request with the Secretary of State. The filing fee for this hearing 
shall be $20, to be paid at the time the request is made. A municipality 
which files a certified report with the Secretary of State pursuant to this 
Section shall reimburse the Secretary for all reasonable costs incurred by 
the Secretary as a result of the filing of the report, including but not limited 
to the costs of providing the notice required pursuant to subsection (b) and 
the costs incurred by the Secretary in any hearing conducted with respect 
to the report pursuant to this subsection and any appeal from such a 
hearing.

(i) The provisions of this Section shall apply on and after January 
1, 1988.

(j) For purposes of this Section, the term "compliance violation" is 
defined as in Section 11-208.3.

Sec. 11-208. Powers of local authorities.
(a) The provisions of this Code shall not be deemed to prevent 
local authorities with respect to streets and highways under their 
jurisdiction and within the reasonable exercise of the police power from:

1. Regulating the standing or parking of vehicles, except as 
limited by Section 11-1306 of this Act;

7. Restricting the use of highways as authorized in Chapter 15;

8. Regulating the operation of bicycles and requiring the registration and licensing of same, including the requirement of a registration fee;

9. Regulating or prohibiting the turning of vehicles or specified types of vehicles at intersections;

10. Altering the speed limits as authorized in Section 11-604;

11. Prohibiting U-turns;

12. Prohibiting pedestrian crossings at other than designated and marked crosswalks or at intersections;

13. Prohibiting parking during snow removal operation;

14. Imposing fines in accordance with Section 11-1301.3 as penalties for use of any parking place reserved for persons with disabilities, as defined by Section 1-159.1, or disabled veterans by any person using a motor vehicle not bearing registration plates specified in Section 11-1301.1 or a special decal or device as defined in Section 11-1301.2 as evidence that the vehicle is operated by or for a person with disabilities or disabled veteran;

15. Adopting such other traffic regulations as are specifically authorized by this Code; or

16. Enforcing the provisions of subsection (f) of Section 3-413 of this Code or a similar local ordinance.

(b) No ordinance or regulation enacted under subsections 1, 4, 5, 6, 7, 9, 10, 11 or 13 of paragraph (a) shall be effective until signs giving reasonable notice of such local traffic regulations are posted.

(c) The provisions of this Code shall not prevent any municipality having a population of 500,000 or more inhabitants from prohibiting any person from driving or operating any motor vehicle upon the roadways of such municipality with headlamps on high beam or bright.

(d) The provisions of this Code shall not be deemed to prevent local authorities within the reasonable exercise of their police power from prohibiting, on private property, the unauthorized use of parking spaces reserved for persons with disabilities.

(e) No unit of local government, including a home rule unit, may enact or enforce an ordinance that applies only to motorcycles if the principal purpose for that ordinance is to restrict the access of motorcycles to any highway or portion of a highway for which federal or State funds have been used for the planning, design, construction, or maintenance of that highway. No unit of local government, including a home rule unit, may enact an ordinance requiring motorcycle users to wear protective headgear. Nothing in this subsection (e) shall affect the authority of a unit of local government to regulate motorcycles for traffic control purposes or in accordance with Section 12-602 of this Code. No unit of local government, including a home rule unit, may regulate motorcycles in a manner inconsistent with this Code. This subsection (e) is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

(f) A municipality or county designated in Section 11-208.6 may enact an ordinance providing for an automated traffic law enforcement system to enforce violations of this Code or a similar provision of a local ordinance and imposing liability on a registered owner of a vehicle used in such a violation.

(g) A municipality or county, as provided in Section 11-1201.1, may enact an ordinance providing for an automated traffic law enforcement system to enforce violations of Section 11-1201 of this Code or a similar provision of a local ordinance and imposing liability on a registered owner of a vehicle used in such a violation.

Sec. 11-208.3. Administrative adjudication of violations of traffic regulations concerning the standing, parking, or condition of vehicles and automated traffic law violations.

(a) Any municipality may provide by ordinance for a system of administrative adjudication of vehicular standing and parking violations and vehicle compliance violations as defined in this subsection and automated traffic law violations as defined in Section 11-208.6 or 11-1201.1. The administrative system shall have as its purpose the fair and efficient enforcement of municipal regulations through the administrative adjudication of automated traffic law violations and violations of municipal ordinances regulating the standing and parking of vehicles, the condition and use of vehicle equipment, and the display of municipal wheel tax licenses within the municipality's borders. The administrative system shall only have authority to adjudicate civil offenses carrying fines not in excess of $500 that occur after the effective date of the ordinance adopting such a system under this Section. For purposes of this Section, "compliance violation" means a violation of a municipal regulation governing the condition or use of equipment on a vehicle or the display of a municipal wheel tax license.

(b) Any ordinance establishing a system of administrative adjudication under this Section shall provide for:

(1) A traffic compliance administrator authorized to adopt, distribute and process parking, compliance, and automated traffic law violation notices and other notices required by this Section, collect money paid as fines and penalties for violation of parking and compliance ordinances and automated traffic law violations, and operate an administrative adjudication system. The traffic compliance administrator also may make a certified report to the Secretary of State under Section 6-306.5.

(2) A parking, standing, compliance, or automated traffic law violation notice that shall specify the date, time, and place of violation of a parking, standing, compliance, or automated traffic law regulation; the particular regulation violated; the fine and any penalty that may be assessed for late payment, when so provided by ordinance; the vehicle make and state registration number; and the identification number of the person issuing the notice. With regard to automated traffic law violations, vehicle make shall be specified on the automated traffic law violation notice if the make is available and readily discernible. With regard to municipalities

with a population of 1 million or more, it shall be grounds for dismissal of a parking violation if the state registration number or vehicle make specified is incorrect. The violation notice shall state that the payment of the indicated fine, and of any applicable penalty for late payment, shall operate as a final disposition of the violation. The notice also shall contain information as to the availability of a hearing in which the violation may be contested on its merits. The violation notice shall specify the time and manner in which a hearing may be had.

(3) Service of the parking, standing, or compliance violation notice by affixing the original or a facsimile of the notice to an unlawfully parked vehicle or by handing the notice to the operator of a vehicle if he or she is present and service of an automated traffic law violation notice by mail to the address of the registered owner of the cited vehicle as recorded with the Secretary of State within 30 days after the Secretary of State notifies the municipality or county of the identity of the owner of the vehicle, but in no event later than 90 days after the violation. A person authorized by ordinance to issue and serve parking, standing, and compliance violation notices shall certify as to the correctness of the facts entered on the violation notice by signing his or her name to the notice at the time of service or in the case of a notice produced by a computerized device, by signing a single certificate to be kept by the traffic compliance administrator attesting to the correctness of all notices produced by the device while it was under his or her control. In the case of an automated traffic law violation, the ordinance shall require a determination by a technician employed or contracted by the municipality or county that, based on inspection of recorded images, the motor vehicle was being operated in violation of Section 11-208.6 or 11-1201.1 or a local ordinance. If the technician determines that the vehicle entered the intersection as part of a funeral procession or in order to yield the right-of-way to an emergency vehicle, a citation shall not be issued. The original or a facsimile of the violation notice or, in the case of a notice produced by a computerized device, a printed record generated by the device showing the facts entered on the notice, shall be retained by the traffic compliance administrator, and shall be a record kept in the ordinary course of business. A parking, standing, compliance, or automated traffic law violation notice

issued, signed and served in accordance with this Section, a copy of the notice, or the computer generated record shall be prima facie correct and shall be prima facie evidence of the correctness of the facts shown on the notice. The notice, copy, or computer generated record shall be admissible in any subsequent administrative or legal proceedings.

(4) An opportunity for a hearing for the registered owner of the vehicle cited in the parking, standing, compliance, or automated traffic law violation notice in which the owner may contest the merits of the alleged violation, and during which formal or technical rules of evidence shall not apply; provided, however, that under Section 11-1306 of this Code the lessee of a vehicle cited in the violation notice likewise shall be provided an opportunity for a hearing of the same kind afforded the registered owner. The hearings shall be recorded, and the person conducting the hearing on behalf of the traffic compliance administrator shall be empowered to administer oaths and to secure by subpoena both the attendance and testimony of witnesses and the production of relevant books and papers. Persons appearing at a hearing under this Section may be represented by counsel at their expense. The ordinance may also provide for internal administrative review following the decision of the hearing officer.

(5) Service of additional notices, sent by first class United States mail, postage prepaid, to the address of the registered owner of the cited vehicle as recorded with the Secretary of State or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database, or, under Section 11-1306 of this Code, to the lessee of the cited vehicle at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database. The service shall be deemed complete as of the date of deposit in the United States mail. The notices shall be in the following sequence and shall include but not be limited to the information specified herein:

(i) A second notice of parking, standing, or compliance violation. This notice shall specify the date and location of the violation cited in the parking, standing, or compliance violation notice, the particular regulation

violated, the vehicle make and state registration number, the fine and any penalty that may be assessed for late payment when so provided by ordinance, the availability of a hearing in which the violation may be contested on its merits, and the time and manner in which the hearing may be had. The notice of violation shall also state that failure either to pay the indicated fine and any applicable penalty, or to appear at a hearing on the merits in the time and manner specified, will result in a final determination of violation liability for the cited violation in the amount of the fine or penalty indicated, and that, upon the occurrence of a final determination of violation liability for the failure, and the exhaustion of, or failure to exhaust, available administrative or judicial procedures for review, any unpaid fine or penalty will constitute a debt due and owing the municipality.

(ii) A notice of final determination of parking, standing, compliance, or automated traffic law violation liability. This notice shall be sent following a final determination of parking, standing, compliance, or automated traffic law violation liability and the conclusion of judicial review procedures taken under this Section. The notice shall state that the unpaid fine or penalty is a debt due and owing the municipality. The notice shall contain warnings that failure to pay any fine or penalty due and owing the municipality within the time specified may result in the municipality's filing of a petition in the Circuit Court to have the unpaid fine or penalty rendered a judgment as provided by this Section, or may result in suspension of the person's drivers license for failure to pay fines or penalties for 10 or more parking violations under Section 6-306.5 or 5 or more automated traffic law violations under Section 11-208.6.

(6) A Notice of impending drivers license suspension. This notice shall be sent to the person liable for any fine or penalty that remains due and owing on 10 or more parking violations or 5 or more unpaid automated traffic law violations. The notice shall state that failure to pay the fine or penalty owing within 45 days of the notice's date will result in the municipality notifying the Secretary

of State that the person is eligible for initiation of suspension proceedings under Section 6-306.5 of this Code. The notice shall also state that the person may obtain a photostatic copy of an original ticket imposing a fine or penalty by sending a self addressed, stamped envelope to the municipality along with a request for the photostatic copy. The notice of impending drivers license suspension shall be sent by first class United States mail, postage prepaid, to the address recorded with the Secretary of State or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database.

(7) Final determinations of violation liability. A final determination of violation liability shall occur following failure to pay the fine or penalty after a hearing officer's determination of violation liability and the exhaustion of or failure to exhaust any administrative review procedures provided by ordinance. Where a person fails to appear at a hearing to contest the alleged violation in the time and manner specified in a prior mailed notice, the hearing officer's determination of violation liability shall become final: (A) upon denial of a timely petition to set aside that determination, or (B) upon expiration of the period for filing the petition without a filing having been made.

(8) A petition to set aside a determination of parking, standing, compliance, or automated traffic law violation liability that may be filed by a person owing an unpaid fine or penalty. The petition shall be filed with and ruled upon by the traffic compliance administrator in the manner and within the time specified by ordinance. The grounds for the petition may be limited to: (A) the person not having been the owner or lessee of the cited vehicle on the date the violation notice was issued, (B) the person having already paid the fine or penalty for the violation in question, and (C) excusable failure to appear at or request a new date for a hearing. With regard to municipalities with a population of 1 million or more, it shall be grounds for dismissal of a parking violation if the state registration number, or vehicle make if specified, is incorrect. After the determination of parking, standing, compliance, or automated traffic law violation liability has been set aside upon a showing of just cause, the registered owner shall be provided with a hearing on the merits for that violation.

New matter indicated by italics - deletions by strikeout.
(9) Procedures for non-residents. Procedures by which persons who are not residents of the municipality may contest the merits of the alleged violation without attending a hearing.

(10) A schedule of civil fines for violations of vehicular standing, parking, compliance, or automated traffic law regulations enacted by ordinance pursuant to this Section, and a schedule of penalties for late payment of the fines, provided, however, that the total amount of the fine and penalty for any one violation shall not exceed $250, except as provided in subsection (c) of Section 11-1301.3 of this Code.

(11) Other provisions as are necessary and proper to carry into effect the powers granted and purposes stated in this Section.

(c) Any municipality establishing vehicular standing, parking, compliance, or automated traffic law regulations under this Section may also provide by ordinance for a program of vehicle immobilization for the purpose of facilitating enforcement of those regulations. The program of vehicle immobilization shall provide for immobilizing any eligible vehicle upon the public way by presence of a restraint in a manner to prevent operation of the vehicle. Any ordinance establishing a program of vehicle immobilization under this Section shall provide:

(1) Criteria for the designation of vehicles eligible for immobilization. A vehicle shall be eligible for immobilization when the registered owner of the vehicle has accumulated the number of unpaid final determinations of parking, standing, compliance, or automated traffic law violation liability as determined by ordinance.

(2) A notice of impending vehicle immobilization and a right to a hearing to challenge the validity of the notice by disproving liability for the unpaid final determinations of parking, standing, compliance, or automated traffic law violation liability listed on the notice.

(3) The right to a prompt hearing after a vehicle has been immobilized or subsequently towed without payment of the outstanding fines and penalties on parking, standing, compliance, or automated traffic law violations for which final determinations have been issued. An order issued after the hearing is a final administrative decision within the meaning of Section 3-101 of the Code of Civil Procedure.
(4) A post immobilization and post-towing notice advising the registered owner of the vehicle of the right to a hearing to challenge the validity of the impoundment.

(d) Judicial review of final determinations of parking, standing, compliance, or automated traffic law violations and final administrative decisions issued after hearings regarding vehicle immobilization and impoundment made under this Section shall be subject to the provisions of the Administrative Review Law.

(e) Any fine, penalty, or part of any fine or any penalty remaining unpaid after the exhaustion of, or the failure to exhaust, administrative remedies created under this Section and the conclusion of any judicial review procedures shall be a debt due and owing the municipality and, as such, may be collected in accordance with applicable law. Payment in full of any fine or penalty resulting from a standing, parking, compliance, or automated traffic law violation shall constitute a final disposition of that violation.

(f) After the expiration of the period within which judicial review may be sought for a final determination of parking, standing, compliance, or automated traffic law violation, the municipality may commence a proceeding in the Circuit Court for purposes of obtaining a judgment on the final determination of violation. Nothing in this Section shall prevent a municipality from consolidating multiple final determinations of parking, standing, compliance, or automated traffic law violations against a person in a proceeding. Upon commencement of the action, the municipality shall file a certified copy or record of the final determination of parking, standing, compliance, or automated traffic law violation, which shall be accompanied by a certification that recites facts sufficient to show that the final determination of violation was issued in accordance with this Section and the applicable municipal ordinance. Service of the summons and a copy of the petition may be by any method provided by Section 2-203 of the Code of Civil Procedure or by certified mail, return receipt requested, provided that the total amount of fines and penalties for final determinations of parking, standing, compliance, or automated traffic law violations does not exceed $2500. If the court is satisfied that the final determination of parking, standing, compliance, or automated traffic law violation was entered in accordance with the requirements of this Section and the applicable municipal ordinance, and that the registered owner or the lessee, as the case may be, had an opportunity for an administrative hearing and for judicial review as provided in this Section, the court shall
render judgment in favor of the municipality and against the registered owner or the lessee for the amount indicated in the final determination of parking, standing, compliance, or automated traffic law violation, plus costs. The judgment shall have the same effect and may be enforced in the same manner as other judgments for the recovery of money.

(625 ILCS 5/11-1201.1)

Sec. 11-1201.1. Automated Railroad Crossing Enforcement System Pilot Project.

(a) For the purposes of this Section, an automated railroad grade crossing enforcement system is a system in a municipality or county operated by a governmental agency that produces a recorded image of a motor vehicle's violation of a provision of this Code or local ordinance and is designed to obtain a clear recorded image of the vehicle and vehicle's license plate. The recorded image must also display the time, date, and location of the violation.

As used in this Section, "recorded images" means images recorded by an automated railroad grade crossing enforcement system on:

(1) 2 or more photographs;
(2) 2 or more microphotographs;
(3) 2 or more electronic images; or
(4) a video recording showing the motor vehicle and, on at least one image or portion of the recording, clearly identifying the registration plate number of the motor vehicle. operated by a law enforcement agency that records a driver's response to automatic, electrical or mechanical signal devices and crossing gates. The system shall be designed to obtain a clear photograph or other recorded image of the vehicle, vehicle operator and the vehicle registration plate of a vehicle in violation of Section 11-1201. The photograph or other recorded image shall also display the time, date and location of the violation.

(b) The Illinois Commerce Commission may, in cooperation with a local law enforcement agency, establish in any county or municipality an automated railroad grade crossing enforcement system at any railroad grade crossing equipped with a crossing gate designated by local authorities. Local authorities desiring the establishment of an automated railroad crossing enforcement system must initiate the process by enacting a local ordinance requesting the creation of such a system. After the
ordinance has been enacted, and before any additional steps toward the establishment of the system are undertaken, the local authorities and the Commission must agree to a plan for obtaining, from any combination of federal, State, and local funding sources, the moneys required for the purchase and installation of any necessary equipment. Commencing on January 1, 1996, the Illinois Commerce Commission and the Commuter Rail Board of the Regional Transportation Authority shall, in cooperation with local law enforcement agencies, establish a 5-year pilot program within a county with a population of between 750,000 and 1,000,000 using an automated railroad grade crossing enforcement system. The Commission shall determine the 3 railroad grade crossings within that county that pose the greatest threat to human life based upon the number of accidents and fatalities at the crossings during the past 5 years and with approval of the local law enforcement agency equip the crossings with an automated railroad grade crossing enforcement system.

(b-1) (Blank.) Commencing on July 20, 2001 (the effective date of Public Act 92-98), the Illinois Commerce Commission and the Commuter Rail Board may, in cooperation with the local law enforcement agency, establish in a county with a population of between 750,000 and 1,000,000 a 2-year pilot program using an automated railroad grade crossing enforcement system. This pilot program may be established at a railroad grade crossing designated by local authorities. No State moneys may be expended on the automated railroad grade crossing enforcement system established under this pilot program.

(c) For each violation of Section 11-1201 of this Code or a local ordinance recorded by an automated railroad grade crossing enforcement system, the county or municipality having jurisdiction shall issue a written notice of the violation to the registered owner of the vehicle as the alleged violator. The notice shall be delivered to the registered owner of the vehicle, by mail, no later than 90 days after the violation.

The notice shall include:

(1) the name and address of the registered owner of the vehicle;
(2) the registration number of the motor vehicle involved in the violation;
(3) the violation charged;
(4) the location where the violation occurred;
(5) the date and time of the violation;
(6) a copy of the recorded images;

New matter indicated by italics - deletions by strikeout.
(7) the amount of the civil penalty imposed and the date by which the civil penalty should be paid;

(8) a statement that recorded images are evidence of a violation of a railroad grade crossing;

(9) a warning that failure to pay the civil penalty or to contest liability in a timely manner is an admission of liability and may result in a suspension of the driving privileges of the registered owner of the vehicle; and

(10) a statement that the person may elect to proceed by:

(A) paying the fine; or

(B) challenging the charge in court, by mail, or by administrative hearing. For each violation of Section 11-1201 recorded by an automatic railroad grade crossing system, the local law enforcement agency having jurisdiction shall issue a written Uniform Traffic Citation of the violation to the registered owner of the vehicle as the alleged violator. The Uniform Traffic Citation shall be delivered to the registered owner of the vehicle, by mail, within 30 days of the violation. The Uniform Traffic Citation shall include the name and address of vehicle owner, the vehicle registration number, the offense charged, the time, date, and location of the violation, the first available court date and that the basis of the citation is the photograph or other recorded image from the automated railroad grade crossing enforcement system.

(d) If a person charged with a traffic violation, as a result of an automated railroad grade crossing enforcement system, does not pay or successfully contest the civil penalty resulting from that violation, the Secretary of State shall suspend the driving privileges of the registered owner of the vehicle under Section 6-306.5 of this Code for failing to pay any fine or penalty due and owing as a result of 5 violations of the automated railroad grade crossing enforcement system. The Uniform Traffic Citation issued to the registered owner of the vehicle shall be accompanied by a written notice, the contents of which is set forth in subsection (d-1) of this Section, explaining how the registered owner of the vehicle can elect to proceed by either paying the fine or challenging the issuance of the Uniform Traffic Citation.

(d-1) (Blank.) The written notice explaining the alleged violator’s rights and obligations must include the following text:

New matter indicated by italics - deletions by strikeout.
"You have been served with the accompanying Uniform Traffic Citation and cited with having violated Section 11-1201 of the Illinois Vehicle Code. You can elect to proceed by:

1. Paying the fine; or
2. Challenging the issuance of the Uniform Traffic Citation in court; or
3. If you were not the operator of the vehicle at the time of the alleged offense, notifying in writing the local law enforcement agency that issued the Uniform Traffic Citation of the number of the Uniform Traffic Citation received and the name and address of the person operating the vehicle at the time of the alleged offense. If you fail to so notify in writing the local law enforcement agency of the name and address of the operator of the vehicle at the time of the alleged offense, you may be presumed to have been the operator of the vehicle at the time of the alleged offense."

(d-2) (Blank.) If the registered owner of the vehicle was not the operator of the vehicle at the time of the alleged offense, and if the registered owner notifies the local law enforcement agency having jurisdiction of the name and address of the operator of the vehicle at the time of the alleged offense, the local law enforcement agency having jurisdiction shall then issue a written Uniform Traffic Citation to the person alleged by the registered owner to have been the operator of the vehicle at the time of the alleged offense. If the registered owner fails to notify in writing the local law enforcement agency having jurisdiction of the name and address of the operator of the vehicle at the time of the alleged offense, the registered owner may be presumed to have been the operator of the vehicle at the time of the alleged offense:

(e) Based on inspection of recorded images produced by an automated railroad grade crossing enforcement system, a notice alleging that the violation occurred shall be evidence of the facts contained in the notice and admissible in any proceeding alleging a violation under this Section. Evidence:

(i) A certificate alleging that a violation of Section 11-1201 occurred, sworn to or affirmed by a duly authorized agency, based on inspection of recorded images produced by an automated railroad crossing enforcement system are evidence of the facts contained in the certificate and are admissible in any proceeding alleging a violation under this Section:

New matter indicated by italics - deletions by strikeout.
(ii) Photographs or recorded images made by an automatic railroad grade crossing enforcement system are confidential and shall be made available only to the alleged violator and governmental and law enforcement agencies for purposes of adjudicating a violation of Section 11-1201 of the Illinois Vehicle Code. The photographs may also be made available to governmental agencies for the purpose of a safety analysis of the crossing where the automatic railroad grade crossing enforcement system is installed. However, any photograph or other recorded image evidencing a violation of Section 11-1201 shall be admissible in any proceeding resulting from the issuance of the Uniform Traffic Citation when there is reasonable and sufficient proof of the accuracy of the camera or electronic instrument recording the image. There is a rebuttable presumption that the photograph or recorded image is accurate if the camera or electronic recording instrument was in good working order at the beginning and the end of the day of the alleged offense.

(e-1) Recorded images made by an automated railroad grade crossing enforcement system are confidential and shall be made available only to the alleged violator and governmental and law enforcement agencies for purposes of adjudicating a violation of this Section, for statistical purposes, or for other governmental purposes. Any recorded image evidencing a violation of this Section, however, may be admissible in any proceeding resulting from the issuance of the citation.

(e-2) The court or hearing officer may consider the following in the defense of a violation:

1. that the motor vehicle or registration plates of the motor vehicle were stolen before the violation occurred and not under the control of or in the possession of the owner at the time of the violation;
2. that the driver of the motor vehicle received a Uniform Traffic Citation from a police officer at the time of the violation for the same offense;
3. any other evidence or issues provided by municipal or county ordinance.

(e-3) To demonstrate that the motor vehicle or the registration plates were stolen before the violation occurred and were not under the control or possession of the owner at the time of the violation, the owner must submit proof that a report concerning the stolen motor vehicle or

New matter indicated by italics - deletions by strikeout.
registration plates was filed with a law enforcement agency in a timely manner.

(f) Rail crossings equipped with an automatic railroad grade crossing enforcement system shall be posted with a sign visible to approaching traffic stating that the railroad grade crossing is being monitored, that citations will be issued, and the amount of the fine for violation.

(g) The compensation paid for an automated railroad grade crossing enforcement system must be based on the value of the equipment or the services provided and may not be based on the number of citations issued or the revenue generated by the system. Except as provided in subsection (b-1), the cost of the installation and maintenance of each automatic railroad grade crossing enforcement system shall be paid from the Grade Crossing Protection Fund if the rail line is not owned by Commuter Rail Board of the Regional Transportation Authority. Except as provided in subsection (b-1), if the rail line is owned by the Commuter Rail Board of the Regional Transportation Authority, the costs of the installation and maintenance shall be paid from the Regional Transportation Authority's portion of the Public Transportation Fund.

(h) (Blank.) The Illinois Commerce Commission shall issue a report to the General Assembly at the conclusion of the 5-year pilot program established under subsection (b) on the effectiveness of the automatic railroad grade crossing enforcement system.

(i) If any part or parts of this Section are held by a court of competent jurisdiction to be unconstitutional, the unconstitutionality shall not affect the validity of the remaining parts of this Section. The General Assembly hereby declares that it would have passed the remaining parts of this Section if it had known that the other part or parts of this Section would be declared unconstitutional.

(j) Penalty. (i) A violation of this Section is a petty offense for which a civil fine of $250 shall be imposed for a first violation of this Section, and a civil fine of $500 shall be imposed for a second or subsequent violation of this Section. The court may impose 25 hours of community service in place of the $250 fine for the first violation.

(ii) For a second or subsequent violation, the Secretary of State may suspend the registration of the motor vehicle for a period of at least 6 months.

PUBLIC ACT 96-0479
(Senate Bill No. 0188)

AN ACT concerning civil law.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Trusts and Trustees Act is amended by changing Sections 5.3 and 16.1 as follows:
(760 ILCS 5/5.3)
Sec. 5.3. Total return trusts.
(a) Conversion by trustee. A trustee may convert a trust to a total return trust as described in this Section if all of the following apply:
(1) The trust describes the amount that may or must be distributed to a beneficiary by referring to the trust's income, and the trustee determines that conversion to a total return trust will enable the trustee to better carry out the purposes of the trust and the conversion is in the best interests of the beneficiaries;

(2) conversion to a total return trust means the trustee will invest and manage trust assets seeking a total return without regard to whether that return is from income or appreciation of principal, and will make distributions in accordance with this Section (such a trust is called a "total return trust" in this Section);

(3) the trustee sends a written notice of the trustee's decision to convert the trust to a total return trust, specifying a prospective effective date for the conversion and including a copy

New matter indicated by italics - deletions by strikeout.
of this Section, to the following beneficiaries, determined as of the date the notice is sent and assuming nonexercise of all powers of appointment:

(A) all of the legally competent beneficiaries who are currently receiving or eligible to receive income from the trust; and

(B) all of the legally competent beneficiaries who would receive or be eligible to receive a distribution of principal or income if the current interests of beneficiaries currently receiving or eligible to receive income ended;

(4) there are one or more legally competent income beneficiaries under subdivision (3)(A) of this subsection (a) and one or more legally competent remainder beneficiaries under subdivision (3)(B) of this subsection (a), determined as of the date of sending the notice;

(5) no beneficiary objects to the conversion to a total return trust in a writing delivered to the trustee within 60 days after the notice is sent; and

(6) the trustee has signed acknowledgments of receipt confirming that notice was received by each beneficiary required to be sent notice under subdivision (3) of this subsection (a).

(b) Conversion by agreement. Conversion to a total return trust may be made by agreement between a trustee and (i) all primary beneficiaries, either individually or by their respective representatives in accordance with subsection 16.1(a)(2) of this Act, or (ii) all beneficiaries currently eligible to receive income or principal from the trust and all beneficiaries who are presumptive remaindermen, either individually or by their respective representatives in accordance with subsection 16.1(a)(3) of this Act; however, any distribution percentage determined by the agreement may not be less than 3% nor greater than 5%.

(c) Conversion or reconversion by court.

(1) The trustee may for any reason elect to petition the court to order conversion to a total return trust, including without limitation the reason that conversion under subsection (a) is unavailable because:

New matter indicated by italics - deletions by strikeout.
(A) a beneficiary timely objects to the conversion to a total return trust;
(B) there are no legally competent beneficiaries described in subdivision (3)(A) of subsection (a); or
(C) there are no legally competent beneficiaries described in subdivision (3)(B) of subsection (a).

(2) A beneficiary may request the trustee to convert to a total return trust or adjust the distribution percentage. If the trustee declines or fails to act within 6 months after receiving a written request to do so, the beneficiary may petition the court to order the conversion or adjustment.

(3) The trustee may petition the court prospectively to reconvert from a total return trust or adjust the distribution percentage if the trustee determines that the reconversion or adjustment will enable the trustee to better carry out the purposes of the trust. A beneficiary may request the trustee to petition the court prospectively to reconvert from a total return trust or adjust the distribution percentage. If the trustee declines or fails to act within 6 months after receiving a written request to do so, the beneficiary may petition the court to order the reconversion or adjustment.

(4) In a judicial proceeding under this subsection (c), the trustee may, but need not, present the trustee’s opinions and reasons (A) for supporting or opposing conversion to (or reconversion from or adjustment of the distribution percentage of) a total return trust, including whether the trustee believes conversion (or reconversion or adjustment of the distribution percentage) would enable the trustee to better carry out the purposes of the trust, and (B) about any other matters relevant to the proposed conversion (or reconversion or adjustment of the distribution percentage). A trustee’s actions in accordance with this subsection (c) shall not be deemed improper or inconsistent with the trustee’s duty of impartiality unless the court finds from all the evidence that the trustee acted in bad faith.

(5) The court shall order conversion to (or reconversion prospectively from or adjustment of the distribution percentage of) a total return trust if the court determines that the conversion (or reconversion or adjustment of the distribution percentage) will enable the trustee to better carry out the purposes of the trust and

New matter indicated by italics - deletions by strikeout.
the conversion (or reconversion or adjustment of the distribution percentage) is in the best interests of the beneficiaries.

(6) Notwithstanding any other provision of this Section, a trustee has no duty to inform beneficiaries about the availability of this Section and has no duty to review the trust to determine whether any action should be taken under this Section unless requested to do so in writing by a beneficiary described in subdivision (3) of subsection (a).

(d) Post conversion. While a trust is a total return trust, all of the following shall apply to the trust:

(1) the trustee shall make income distributions in accordance with the governing instrument subject to the provisions of this Section;

(2) the term "income" in the governing instrument means an annual amount (the "distribution amount") equal to a percentage (the "distribution percentage") of the net fair market value of the trust's assets, whether the assets are considered income or principal under the Principal and Income Act, averaged over the lesser of:

   (i) the 3 preceding years; or

   (ii) the period during which the trust has been in existence;

(3) the distribution percentage for any trust converted to a total return trust by a trustee in accordance with subsection (a) shall be 4%;

(4) the trustee shall pay to a beneficiary (in the case of an underpayment) and shall recover from a beneficiary (in the case of an overpayment) an amount equal to the difference between the amount properly payable and the amount actually paid, plus interest compounded annually at a rate per annum equal to the distribution percentage in the year or years while the underpayment or overpayment exists; and

(5) a change in the method of determining a reasonable current return by converting to a total return trust in accordance with this Section and substituting the distribution amount for net trust accounting income is a proper change in the definition of trust income notwithstanding any contrary provision of the Principal and Income Act, and the distribution amount shall be deemed a reasonable current return that fairly apportions the total return of a total return trust.

New matter indicated by italics - deletions by strikeout.
(e) Administration. The trustee, in the trustee's discretion, may determine any of the following matters in administering a total return trust as the trustee from time to time determines necessary or helpful for the proper functioning of the trust:

1. the effective date of a conversion to a total return trust;
2. the manner of prorating the distribution amount for a short year in which a beneficiary's interest commences or ceases;
3. whether distributions are made in cash or in kind;
4. the manner of adjusting valuations and calculations of the distribution amount to account for other payments from or contributions to the trust;
5. whether to value the trust's assets annually or more frequently;
6. what valuation dates and how many valuation dates to use;
7. valuation decisions about any asset for which there is no readily available market value, including:
   A. how frequently to value such an asset;
   B. whether and how often to engage a professional appraiser to value such an asset; and
   C. whether to exclude the value of such an asset from the net fair market value of the trust's assets under subdivision (d)(2) for purposes of determining the distribution amount. Any such asset so excluded is referred to as an "excluded asset" in this subsection (e), and the trustee shall distribute any net income received from the excluded asset as provided for in the governing instrument, subject to the following principles:
      i. unless the trustee determines there are compelling reasons to the contrary considering all relevant factors including the best interests of the beneficiaries, the trustee shall treat each asset for which there is no readily available market value as an excluded asset;
      ii. if tangible personal property or real property is possessed or occupied by a beneficiary, the trustee shall not limit or restrict any right of the beneficiary to use the property in accordance with

the governing instrument whether or not the trustee treats the property as an excluded asset;

(iii) examples of assets for which there is a readily available market value include: cash and cash equivalents; stocks, bonds, and other securities and instruments for which there is an established market on a stock exchange, in an over-the-counter market, or otherwise; and any other property that can reasonably be expected to be sold within one week of the decision to sell without extraordinary efforts by the seller;

(iv) examples of assets for which there is no readily available market value include: stocks, bonds, and other securities and instruments for which there is no established market on a stock exchange, in an over-the-counter market, or otherwise; real property; tangible personal property; and artwork and other collectibles; and

(8) any other administrative matters as the trustee determines necessary or helpful for the proper functioning of the total return trust.

(f) Allocations.

(1) Expenses, taxes, and other charges that would be deducted from income if the trust were not a total return trust shall not be deducted from the distribution amount.

(2) Unless otherwise provided by the governing instrument, the trustee shall fund the distribution amount each year from the following sources for that year in the order listed: first from net income (as the term would be determined if the trust were not a total return trust), then from other ordinary income as determined for federal income tax purposes, then from net realized short-term capital gains as determined for federal income tax purposes, then from net realized long-term capital gains as determined for federal income tax purposes, then from trust principal comprised of assets for which there is a readily available market value, and then from other trust principal.

(g) Court orders. The court may order any of the following actions in a proceeding brought by a trustee or a beneficiary in accordance with subdivision (c)(1), (c)(2), or (c)(3):
(1) select a distribution percentage other than 4%;
(2) average the valuation of the trust's net assets over a period other than 3 years;
(3) reconvert prospectively from or adjust the distribution percentage of a total return trust;
(4) direct the distribution of net income (determined as if the trust were not a total return trust) in excess of the distribution amount as to any or all trust assets if the distribution is necessary to preserve a tax benefit; or
(5) change or direct any administrative procedure as the court determines necessary or helpful for the proper functioning of the total return trust.

Nothing in this subsection (g) limits the equitable powers of the court to grant other relief.

(h) Restrictions. Conversion to a total return trust does not affect any provision in the governing instrument:
(1) directing or authorizing the trustee to distribute principal;
(2) directing or authorizing the trustee to distribute a fixed annuity or a fixed fraction of the value of trust assets;
(3) authorizing a beneficiary to withdraw a portion or all of the principal; or
(4) in any manner that would diminish an amount permanently set aside for charitable purposes under the governing instrument unless both income and principal are so set aside.

(i) Tax limitations. If a particular trustee is a beneficiary of the trust and conversion or failure to convert would enhance or diminish the beneficial interest of the trustee, or if possession or exercise of the conversion power by a particular trustee would alone cause any individual to be treated as owner of a part of the trust for income tax purposes or cause a part of the trust to be included in the gross estate of any individual for estate tax purposes, then that particular trustee may not participate as a trustee in the exercise of the conversion power; however:
(1) the trustee may petition the court under subdivision (c)(1) to order conversion in accordance with this Section; and
(2) if the trustee has one or more co-trustees to whom this subsection (i) does not apply, the co-trustee or co-trustees may convert the trust to a total return trust in accordance with this Section.

New matter indicated by italics - deletions by strikeout.
(j) Releases. A trustee may irrevocably release the power granted by this Section if the trustee reasonably believes the release is in the best interests of the trust and its beneficiaries. The release may be personal to the releasing trustee or may apply generally to some or all subsequent trustees, and the release may be for any specified period, including a period measured by the life of an individual.

(k) Remedies. A trustee who reasonably and in good faith takes or omits to take any action under this Section is not liable to any person interested in the trust. If a trustee reasonably and in good faith takes or omits to take any action under this Section and a person interested in the trust opposes the act or omission, the person's exclusive remedy is to obtain an order of the court directing the trustee to convert the trust to a total return trust, to reconvert from a total return trust, to change the distribution percentage, or to order any administrative procedures the court determines necessary or helpful for the proper functioning of the trust. An act or omission by a trustee under this Section is presumed taken or omitted reasonably and in good faith unless it is determined by the court to have been an abuse of discretion. Any claim by any person interested in the trust that an act or omission by a trustee under this Section was an abuse of discretion is barred if not asserted in a proceeding commenced by or on behalf of the person within 2 years after the trustee has sent to the person or the person's personal representative a notice or report in writing sufficiently disclosing facts fundamental to the claim such that the person knew or reasonably should have known of the claim. The preceding sentence shall not apply to a person who was under a legal disability at the time the notice or report was sent and who then had no personal representative. For purposes of this subsection (k), a personal representative refers to a court appointed guardian or conservator of the estate of a person.

(l) Application. This Section is available to trusts in existence on the effective date of this amendatory Act of the 92nd General Assembly or created after that date. This Section shall be construed as pertaining to the administration of a trust and shall be available to any trust that is administered in Illinois under Illinois law or that is governed by Illinois law with respect to the meaning and effect of its terms unless:

(1) the trust is a trust described in Internal Revenue Code Section 642(c)(5), 664(d), 2702(a)(3), or 2702(b); or

(2) the governing instrument expressly prohibits use of this Section by specific reference to this Section. A provision in the

governing instrument in the form: "Neither the provisions of Section 5.3 of the Trusts and Trustees Act nor any corresponding provision of future law may be used in the administration of this trust" or a similar provision demonstrating that intent is sufficient to preclude the use of this Section.

(m) Application to express trusts.

(1) This subsection (m) does not apply to a charitable remainder unitrust as defined by Section 664(d), Internal Revenue Code of 1986 (26 U.S.C. Section 664), as amended.

(2) In this subsection (m):

(A) "Unitrust" means a trust the terms of which require distribution of a unitrust amount, without regard to whether the trust has been converted to a total return trust in accordance with this Section or whether the trust is established by express terms of the governing instrument.

(B) "Unitrust amount" means an amount equal to a percentage of a trust's assets that may or must be distributed to one or more beneficiaries annually in accordance with the terms of the trust. The unitrust amount may be determined by reference to the net fair market value of the trust's assets as of a particular date or as an average determined on a multiple year basis.

(3) A unitrust changes the definition of income by substituting the unitrust amount for net trust accounting income as the method of determining current return and shall be given effect notwithstanding any contrary provision of the Principal and Income Act. By way of example and not limitation, a unitrust amount determined by a percentage of not less than 3% nor greater than 5% is conclusively presumed a reasonable current return that fairly apportions the total return of a unitrust.

(4) The allocations provision of subdivision (2) of subsection (f) of Section 5.3 applies to a unitrust except to the extent its governing instrument expressly provides otherwise.

Sec. 16.1. Virtual representation.

(a) Representation by person having substantially identical interest; contingent remainder beneficiaries.
(1) To the extent there is no conflict of interest between the representative and the person represented, a minor, disabled, or unborn person, or a person whose identity or location is unknown and not reasonably ascertainable, may be represented by and bound by another individual having a substantially identical interest with respect to the particular question or dispute; provided, however, that such person is not otherwise represented by a court appointed guardian as provided in the next sentence. If a person is represented by a court appointed guardian of the estate or, if none, by a court appointed guardian of the person, the actions of such guardian shall represent and bind that person for purposes of this subsection (a)(1).

(2) If all primary beneficiaries of a trust either are adults and not disabled, or have representatives in accordance with subsection (a)(1) who are adults and not disabled, the actions of such primary beneficiaries, or their respective representatives, shall represent and bind all other persons who have a successor, contingent, future, or other interest in the trust and who would become primary beneficiaries only by reason of surviving a primary beneficiary.

For purposes of this Section, "primary beneficiary" means a beneficiary who is either: (i) currently eligible to receive income or principal from the trust or (ii) assuming nonexercise of all powers of appointment, will be eligible to receive a distribution of principal from the trust if the beneficiary survives to the final date of distribution with respect to the beneficiary’s share.

(3) If all presumptive remainder beneficiaries either are adults and not disabled, or have representatives in accordance with subsection (a)(1) who are adults and not disabled, the actions of such presumptive remainder beneficiaries, or their respective representatives, shall represent and bind all other beneficiaries who have a successor, contingent, or other future interest in the trust. For purposes of this Section, "presumptive remainder beneficiaries" means, as of the date of determination and assuming nonexercise of all powers of appointment, all beneficiaries who either (A) would be eligible to receive a distribution of income or principal if the trust terminated on that date, or (B) would be eligible to receive a distribution of income or principal if the interests of all beneficiaries currently eligible to receive income or

principal from the trust ended without causing the trust to terminate.

(4) The consent of a person who may represent and bind another person in accordance with this Section is binding on the person represented, and notice to a person who may represent and bind another person in accordance with this Section has the same effect as if notice were given directly to the other person.

(b) Total return trusts. This Section shall apply to enable conversion to a total return trust by agreement in accordance with subsection 5.3(b) of the total return trust provisions of Section 5.3 of this Act, whether such agreement is made between the trustee and (A) all primary beneficiaries, either individually or by their respective representatives in accordance with subsection (a)(1), or (B) all beneficiaries currently eligible to receive income or principal from the trust and all beneficiaries who are presumptive remaindermen of the trust, in each case either individually or by their respective representatives in accordance with subsection (a)(1).

(c) Representation of charity. If a trust provides a beneficial interest or expectancy for one or more charities or charitable purposes that are not specifically named or otherwise represented (the "charitable interest"), the Illinois Attorney General may, in accordance with this Section, represent, bind, and act on behalf of the charitable interest with respect to any particular question or dispute, including without limitation representing the charitable interest in a nonjudicial settlement agreement or in an agreement to convert a trust to a total return trust in accordance with subsection 5.3(b) of the total return trust provisions of Section 5.3 of this Act. This subsection (c) shall be construed as being declarative of existing law and not as a new enactment. Notwithstanding any other provision, nothing in this Section shall be construed to limit or affect the Illinois Attorney General's authority to file an action or take other steps as he or she deems advisable at any time to enforce or protect the general public interest as to a trust that provides a beneficial interest or expectancy for one or more charities or charitable purposes whether or not a specific charity is named in the trust.

(d) Nonjudicial settlement agreements.

(1) For purposes of this Section, "interested persons" means the trustee and all other persons and parties in interest whose consent or joinder would be required in order to achieve a binding settlement were the settlement to be approved by the court.

New matter indicated by italics - deletions by strikeout.
(2) Except as otherwise provided in subsection (d)(3), interested persons, or their respective representatives determined after giving effect to the preceding provisions of this Section, may enter into a binding nonjudicial settlement agreement with respect to any matter involving a trust.

(3) A nonjudicial settlement agreement is valid only to the extent its terms and conditions could be properly approved under applicable law by a court of competent jurisdiction.

(4) Matters that may be resolved by a nonjudicial settlement agreement include but are not limited to:

(A) interpretation or construction of the terms of the trust;
(B) approval of a trustee's report or accounting;
(C) exercise or nonexercise of any power by a trustee;
(D) the grant to a trustee of any necessary or desirable administrative power;
(E) questions relating to property or an interest in property held by the trust;
(F) resignation or appointment of a trustee;
(G) determination of a trustee’s compensation;
(H) transfer of a trust’s principal place of administration;
(I) liability or indemnification of a trustee for an action relating to the trust;
(J) resolution of disputes or issues related to administration, investment, distribution or other matters;
(K) modification of terms of the trust pertaining to administration of the trust; and

(L) termination of the trust, provided that court approval of such termination must be obtained in accordance with subsection (d)(5), and the court must conclude continuance of the trust is not necessary to achieve any material purpose of the trust; upon such termination the court may order the trust property distributed as agreed by the parties to the agreement or otherwise as the court determines equitable consistent with the purposes of the trust.

New matter indicated by italics - deletions by strikeout.
(5) Any interested person may request the court to approve any part or all of a nonjudicial settlement agreement, including whether any representation is adequate and without conflict of interest, provided that the petition for such approval must be filed before or within 60 days after the effective date of the agreement.

(6) An agreement entered into in accordance with this Section shall be final and binding on the trustee and all beneficiaries of the trust, both current and future, as if ordered by a court with competent jurisdiction over all parties in interest.

(7) In the trustee's sole discretion, the trustee may, but is not required to, obtain and rely upon opinion of counsel on any matter relevant to this Section, including that any agreement proposed to be made in accordance with this Section could be properly approved by the court under applicable law, or that there is no conflict of interest between a representative and the person represented or among those being represented with respect to a particular question or dispute.

(e) Application. On and after its effective date, this Section applies to all existing and future trusts, judicial proceedings, or agreements entered into in accordance with this Section on or after the effective date.

(a) If all primary beneficiaries of a trust are adults and not incapacitated, except as provided in subsection (c), any written agreement, including, without limitation, an agreement construing any provision of the trust or an agreement regarding any duty, power, responsibility, or action of the trustee, between a trustee and all of the primary beneficiaries of a trust shall be final and binding on the trustee and all beneficiaries of the trust, both current and future, as if ordered by a court with competent jurisdiction over all parties in interest, if all other persons who have a contingent, future, or other interest in the trust would become primary beneficiaries only by reason of surviving a primary beneficiary.

(b) For purposes of this Section, "primary beneficiary" means a beneficiary who is either: (1) currently entitled or eligible to receive any portion of the trust income or principal, or (2) assuming nonexercise of all powers of appointment, will receive, or be entitled to withdraw, all or a portion of the principal of the trust, if the beneficiary survives to the final date of distribution with respect to the beneficiary's share.

(c) This Section shall not apply to an agreement that accelerates the termination of a trust, in whole or in part.
(d) In the trustee's sole discretion, the trustee may obtain opinion of counsel that any agreement proposed to be made under this Section is not clearly contrary to the express terms of the trust instrument. The trustee may, but is not required to, enter into an agreement under this Section. On and after its effective date, this Section applies to all existing and future trusts, but only as to agreements entered into on or after the effective date.

(Senate Bill No. 1282)

AN ACT concerning business.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Liquor Control Act of 1934 is amended by changing Section 6-9 as follows:

(235 ILCS 5/6-9) (from Ch. 43, par. 126)

Sec. 6-9. Registration of trade marks; sale within geographical area; delivery to authorized persons. The Legislature hereby finds and declares that for purposes of ensuring the preservation and enhancement of interbrand competition in the alcoholic liquor industry within the State, ensuring that importation and distribution of alcoholic liquor in the State will be subject to thorough and inexpensive monitoring by the State, reducing the importation of illicit or untaxed alcoholic liquor into the State, excluding misbranded alcoholic liquor products from the State, providing incentives to distributors to service and sell to larger numbers of retail licensees in the geographic area where such distributors are engaged in business, and reducing the amount of spoiled and overaged alcoholic liquor products sold to consumers, it is necessary to restrict the purchase of alcoholic liquors at wholesale in the State to those persons selected by the manufacturer, distributor, importing distributor or foreign importer who owns or controls the trade mark, brand or name of the alcoholic liquor products sold to such persons, and to restrict the geographic area or areas within which such persons sell such alcoholic liquor at wholesale, as provided in this Section.

Each manufacturer, non-resident dealer, distributor, importing distributor, or foreign importer who owns or controls the trade mark, brand or name of any alcoholic liquor shall register with the State Commission, in the Chicago office, on or before the effective date, the name of each person to whom such manufacturer, non-resident dealer, distributor, importing distributor, or foreign importer grants the right to sell at

wholesale in this State any such alcoholic liquor, specifying the particular trade mark, brand or name of alcoholic liquor as to which such right is granted, the geographical area or areas for which such right is granted and the period of time for which such rights are granted to such person. Each manufacturer, non-resident dealer, distributor or importing distributor, or foreign importer who is required to register under this Section must furnish a copy of the registration statement at the time of appointment to the person who has been granted the right to sell alcoholic liquor at wholesale. However, if a person who has been appointed the right to sell alcoholic liquor at wholesale does not receive a copy of the registration statement as required under this Section, such person may file a registration statement with the State Commission, provided that the person furnishes a copy of that registration statement to the manufacturer, non-resident dealer, distributor, importing distributor, or foreign importer within 30 days of filing the registration statement. The registration statement shall state:

(1) the name of the person appointed;
(2) the name of the manufacturer, non-resident dealer, distributor, importing distributor, or foreign importer from whom the person received the right to sell alcoholic liquor;
(3) the particular trade mark, brand, or name of alcoholic liquor as to which the right to sell at wholesale is granted; and
(4) the geographical areas for which the right to sell at wholesale is granted.

Such manufacturer, non-resident dealer, distributor, importing distributor, or foreign importer may grant the right to sell at wholesale any trade mark, brand or name of any alcoholic liquor in any geographical area to more than one person. If the registration is received after the effective date, the Commission shall treat the date the registration was received in the Chicago office as the effective date. Such registration shall be made on a form prescribed by the State Commission and the State Commission may require such registration to be on a form provided by it.

A non-resident dealer or foreign importer who is not a manufacturer shall file the registration statement jointly with the manufacturer identifying the person authorized by the manufacturer to sign the registration statement on behalf of the manufacturer.

However, a licensed Illinois distributor who has not been registered to sell a brand of alcoholic liquor, but for a period of 2 years prior to November 8, 1979 has been engaged in the purchase of a brand for resale from a licensed Illinois distributor who has the right to sell that brand at wholesale, may continue to purchase and resell the brand at wholesale, and may purchase from the same distributor and resell at wholesale any new brands of the same manufacturer, provided that:

(1) Within 60 days after November 8, 1979 he identifies the brand which he so purchased to the State Commission and the Commission within 30 days thereafter verifies that the purchases have occurred;

(2) Thereafter, he notifies the State Commission in writing of any brands of the same manufacturer which he wishes to purchase from the same distributor that were not available for distribution on or before November 8, 1979, and that the Commission within 30 days of such notification verifies that the brand is a new brand of the same manufacturer, and that the same licensed Illinois distributor has the right to sell the new brand at wholesale;

(3) His licensed business address is within the geographical area for which the licensed Illinois distributor from whom the purchases are made has the right to sell said brand or brands of alcoholic liquor; and

(4) His sales are made within the geographical area for which the licensed Illinois distributor from whom the purchases are made has the right to sell the brand or brands of alcoholic liquor and only to retail licensees whose licensed premises are located within the aforementioned geographical area.

No person to whom such right is granted shall sell at wholesale in this State any alcoholic liquor bearing such trade mark, brand or name outside of the geographical area for which such person holds such selling right, as registered with the State Commission, nor shall he sell such alcoholic liquor within such geographical area to a retail licensee if the premises specified in such retailer's license are located outside such geographical area. Section 10. The Beer Industry Fair Dealing Act is amended by changing Section 7 as follows:

(815 ILCS 720/7) (from Ch. 43, par. 307)
Sec. 7. Reasonable compensation.

(1) Subject to the right of any party to an agreement to pursue any remedy provided in Section 9, any Any brewer that cancels, terminates or fails to renew any agreement, or unlawfully denies approval of, or unreasonably withholds consent, to any assignment, transfer or sale of a wholesaler's business assets or voting stock or other equity securities, except as provided in this Act, shall pay the wholesaler with which it has an agreement pursuant to this Act reasonable compensation for the fair market value of the wholesaler's business with relation to the affected brand or brands. The fair market value of the wholesaler's business shall include, but not be limited to, its goodwill, if any.

(1.5) The provisions of this subsection (1.5) shall only apply if the brewer agrees to pay reasonable compensation as defined in subsection (1) and when the total annual volume of all beer products supplied by a brewer to a wholesaler pursuant to agreements between such brewer and wholesaler represents 15% 20% or less of the total annual volume of the wholesaler's business for all beer products supplied by all brewers. For purposes of this subsection (1.5) only, "annual volume" means the volume of beer products sold by the wholesaler in the 12-month period immediately preceding receipt of the brewer's written offer pursuant to this subsection (1.5).

If a brewer is required to pay reasonable compensation as described in subsection (1) and the question of reasonable compensation is the only issue between the parties, the brewer shall, in good faith, make a written offer to pay reasonable compensation. The wholesaler shall have 30 days from receipt of the written offer to accept or reject the brewer's offer. Failure to respond, in writing, to the written offer shall constitute rejection.

of the offer to pay reasonable compensation. If the wholesaler, in writing, accepts the written offer, the wholesaler shall surrender the affected brand or brands to the brewer at the time payment is received from the brewer. If the wholesaler does not, in writing, accept the brewer's written offer, either party may elect to submit the determination of reasonable compensation to expedited binding arbitration. If one party notifies the other party in writing that it elects expedited binding arbitration, the other party has 10 days from receipt of the notification to elect expedited binding arbitration or to reject the arbitration in writing. Failure to elect arbitration shall constitute rejection of the offer to arbitrate.

(A) If the parties agree to expedited binding arbitration, the arbitration shall be subject to the expedited process under the commercial rules of the American Arbitration Association. The arbitration shall be concluded within 90 days after the parties agree to expedited binding arbitration under this Section, unless extended by the arbitrator or one of the parties. The wholesaler shall retain the affected brand or brands during the period of arbitration, at the conclusion of which the wholesaler shall surrender the affected brand or brands to the brewer upon payment of the amount determined to be reasonable compensation, provided the wholesaler shall transfer the affected brand or brands to the brewer after 90 days if the arbitration proceedings are extended beyond the 90 day limit at the request of the wholesaler. Arbitration costs shall be paid one-half by the wholesaler and one-half by the brewer. The award of the arbitrator shall be final and binding on the parties.

(B) If the brewer elects expedited binding arbitration but the wholesaler rejects the offer to arbitrate:

(i) The wholesaler may accept, in writing, any written offer previously made by the brewer. If the wholesaler selects this option, the wholesaler must surrender the affected brand or brands to the brewer at the time payment is received. If the wholesaler believes that the amount paid by the brewer is less than reasonable compensation under subsection (1), the wholesaler may bring a proceeding under subsection (2) for the difference, but may not proceed under subsection (3) of Section 9; or

under Section 9 has not been initiated within 90 days after the wholesaler rejects the offer to arbitrate. Upon determination of reasonable compensation pursuant to Section 9, the brewer shall pay the wholesaler the amount so determined. Until receiving payment from the brewer of the amount so determined, the wholesaler shall retain the affected brand or brands. If (a) the wholesaler retains the affected brand or brands for a period of 2 years after the wholesaler rejects the offer to arbitrate, (b) the amount of reasonable compensation has not been determined, and (c) an injunction has not been issued, the brewer shall, in good faith, make a payment of reasonable compensation to the wholesaler. 

*If, however, the brewer fails to ship or make available brands ordered by the wholesaler prior to the brewer making any payment (including a good faith payment as provided in this subsection) to the wholesaler, the wholesaler shall be entitled to injunctive relief and attorneys' fees and shall subject the brewer to punitive damages.* Upon receipt of this payment, the wholesaler must surrender the affected brand or brands to the brewer, provided that such surrender shall not affect the brewer's obligation to pay all amounts ultimately determined due to the wholesaler under this Act.

(C) If the wholesaler elects expedited binding arbitration but the brewer rejects, the brewer may proceed under Section 9 for the purpose of determining reasonable compensation. Upon determination of reasonable compensation pursuant to Section 9, the brewer shall pay the wholesaler the amount so determined. Until receiving payment from the brewer of the amount so determined, the wholesaler shall retain the affected brand or brands. If (a) the brewer initiates a proceeding under Section 9 within 90 days after the wholesaler rejects the offer to arbitrate, (b) the wholesaler retains the affected brand or brands for a period of 2 years from the date the wholesaler rejects the offer to arbitrate, (c) the amount of reasonable compensation has not been determined, and (d) an injunction has not been issued, the brewer shall, in good faith, make a payment of reasonable compensation to the wholesaler.

Upon receipt of this payment, the wholesaler must surrender the affected brand or brands to the brewer, provided that such surrender shall not affect the brewer's obligation to pay all amounts ultimately determined due to the wholesaler under this Act.

(2) Except as otherwise provided in subsection (1.5), in the event that the brewer and the beer wholesaler are unable to mutually agree on the reasonable compensation to be paid for the value of the wholesaler's business, as defined in this Act, either party may maintain a civil suit as provided in Section 9 or the matter may, by mutual agreement of the parties, be submitted to a neutral arbitrator to be selected by the parties and the claim settled in accordance with the rules provided by the American Arbitration Association. Arbitration costs shall be paid one-half by the wholesaler and one-half by the brewer. The award of the arbitrator shall be final and binding on the parties.

(1) in excess of $15,000, but not in excess of $25,000, during a fiscal year shall file only a simplified summary financial statement disclosing only the gross receipts, total disbursements, and assets on hand at the end of the year on forms prescribed by the Attorney General; or

(2) in excess of $25,000, but not in excess of $300,000, if it is not required to submit a report under subsection (a) of this Section, shall file a written report with the Attorney General upon forms prescribed by him, on or before June 30 of each year if its books are kept on a calendar basis, or within 6 months after the close of its fiscal year if its books are kept on a fiscal year basis, which shall include a financial statement covering the immediately preceding 12-month period of operation limited to a statement of such organization's gross receipts from contributions, the gross amount expended for charitable educational programs, other charitable programs, management expense, and fund raising expenses including a separate statement of the cost of any goods, services or admissions supplied as part of its solicitations, and the disposition of the net proceeds from contributions, including compensation paid to trustees, consistent with forms furnished by the Attorney General. The statement shall also include a statement of any changes in the information required to be contained in the registration form filed on behalf of such organization.

(d) As an alternative means of satisfying the duties and obligations otherwise imposed by this Section, any veterans organization chartered or incorporated under federal law and any veterans organization which is affiliated with, and recognized in the bylaws of, a congressionally chartered or incorporated organization may, at its option, annually file with the Attorney General the following documents:

(1) A copy of its Form 990, as filed with the Internal Revenue Service.

(2) Copies of any reports required to be filed by the affiliate with the congressionally chartered or incorporated veterans organization, as well as copies of any reports filed by the congressionally chartered or incorporated veterans organization with the government of the United States pursuant to federal law.

(3) Copies of all contracts entered into by the congressionally chartered or incorporated veterans organization or its affiliate for purposes of raising funds in this State, such copies to be filed with the Attorney General no more than 30 days after execution of the contracts.

(e) As an alternative means of satisfying all of the duties and obligations otherwise imposed by this Section, any person, pursuant to a contract with a charitable organization, a veterans organization or an affiliate described or referred to in subsection (d), who receives, collects, holds or transports as the agent of the organization or affiliate for purposes of resale any used or second hand personal property, including but not limited to household goods, furniture or clothing donated to the organization or affiliate may, at its option, annually file with the Attorney General the following documents, accompanied by an annual filing fee of $15:

(1) A notarized report including the number of donations of personal property it has received on behalf of the charitable organization, veterans organization or affiliate during the proceeding year. For purposes of this report, the number of
donations of personal property shall refer to the number of stops or pickups made regardless of the number of items received at each stop or pickup. The report may cover the person's fiscal year, in which case it shall be filed with the Attorney General no later than 90 days after the close of that fiscal year.

Copies of all such contracts shall be filed no later than 30 days after they are executed.

(f) The Attorney General may seek appropriate equitable relief from a court or, in his discretion, cancel the registration of any organization which fails to comply with subdivision (a), (b) or (c) of this Section within the time therein prescribed, or fails to furnish such additional information as is requested by the Attorney General within the required time; except that the time may be extended by the Attorney General for a period not to exceed 60 days upon a timely written request and for good cause stated. Unless otherwise stated herein, the Attorney General shall, by rule, set forth the standards used to determine whether a registration shall be cancelled as authorized by this subsection. Such standards shall be stated as precisely and clearly as practicable, to inform fully those persons affected. Notice of such cancellation shall be mailed to the registrant at least 15 days before the effective date thereof.

(g) The Attorney General in his discretion may, pursuant to rule, accept executed copies of federal Internal Revenue returns and reports as a portion of the foregoing annual reporting in the interest of minimizing paperwork, except there shall be no substitute for the independent certified public accountant audit opinion required by this Act.

(h) The Attorney General after canceling the registration of any trust or organization which fails to comply with this Section within the time therein prescribed may by court proceedings, in addition to all other relief, seek to collect the assets and distribute such under court supervision to other charitable purposes.

(i) Every trustee, person, and organization required to file an annual report shall pay a filing fee of $15 with each annual financial report filed pursuant to this Section. If a proper and complete annual report is not

timely filed, a late filing fee of an additional $100 is imposed and shall be paid as a condition of filing a late report. Reports submitted without the proper fee shall not be accepted for filing. Payment of the late filing fee and acceptance by the Attorney General shall both be conditions of filing a late report. All late filing fees shall be used to provide charitable trust enforcement and dissemination of charitable trust information to the public and shall be maintained in a separate fund for such purpose known as the Illinois Charity Bureau Fund.

(j) There is created hereby a separate special fund in the State Treasury to be known as the Illinois Charity Bureau Fund. Section 5. The Environmental Protection Act is amended by adding Section 22.54 as follows:

(415 ILCS 5/22.54 new)

Sec. 22.54. Beneficial Use Determinations. The purpose of this Section is to allow the Agency to determine that a material otherwise required to be managed as waste may be managed as non-waste if that material is used beneficially and in a manner that is protective of human health and the environment.

(a) To the extent allowed by federal law, the Agency may, upon the request of an applicant, make a written determination that a material is used beneficially (rather than discarded) and, therefore, not a waste if the applicant demonstrates all of the following:

(1) The chemical and physical properties of the material are comparable to similar commercially available materials.

New matter indicated by italics - deletions by strikeout.
(2) The market demand for the material is such that all of the following requirements are met:
   (A) The material will be used within a reasonable time.
   (B) The material's storage prior to use will be minimized.
   (C) The material will not be abandoned.

(3) The material is legitimately beneficially used. For the purposes of this item (3) of subsection (a) of this Section, a material is "legitimately beneficially used" if the applicant demonstrates all of the following:
   (A) The material is managed separately from waste, as a valuable material, and in a manner that maintains its beneficial usefulness, including, but not limited to, storing in a manner that minimizes the material's loss and maintains its beneficial usefulness.
   (B) The material is used as an effective substitute for a similar commercially available material. For the purposes of this paragraph (B) of item (3) of subsection (a) of this Section, a material is "used as an effective substitute for a commercially available material" if the applicant demonstrates one or more of the following:
      (i) The material is used as a valuable raw material or ingredient to produce a legitimate end product.
      (ii) The material is used directly as a legitimate end product in place of a similar commercially available product.
      (iii) The material replaces a catalyst or carrier to produce a legitimate end product.
   The applicant's demonstration under this paragraph (B) of item (3) of subsection (a) of this Section must include, but is not limited to, a description of the use of the material, a description of the use of the legitimate end product, and a demonstration that the use of the material is comparable to the use of similar commercially available products.
   (C) The applicant demonstrates all of the following:
(i) The material is used under paragraph (B) of item (3) of subsection (a) of this Section within a reasonable time.

(ii) The material's storage prior to use is minimized.

(iii) The material is not abandoned.

(4) The management and use of the material will not cause, threaten, or allow the release of any contaminant into the environment, except as authorized by law.

(5) The management and use of the material otherwise protects human health and safety and the environment.

(b) Applications for beneficial use determinations must be submitted on forms and in a format prescribed by the Agency. Agency approval, approval with conditions, or disapproval of an application for a beneficial use determination must be in writing. Approvals with conditions and disapprovals of applications for a beneficial use determination must include the Agency's reasons for the conditions or disapproval, and they are subject to review under Section 40 of this Act.

(c) Beneficial use determinations shall be effective for a period approved by the Agency, but that period may not exceed 5 years. Material that is beneficially used (i) in accordance with a beneficial use determination, (ii) during the effective period of the beneficial use determination, and (iii) by the recipient of a beneficial use determination shall maintain its non-waste status after the effective period of the beneficial use determination unless its use no longer complies with the terms of the beneficial use determination or the material otherwise becomes waste.

(d) No recipient of a beneficial use determination shall manage or use the material that is the subject of the determination in violation of the determination or any conditions in the determination, unless the material is managed as waste.

(e) A beneficial use determination shall terminate by operation of law if, due to a change in law, it conflicts with the law; however, the recipient of the determination may apply for a new beneficial use determination that is consistent with the law as amended.

(f) This Section does not apply to hazardous waste, coal combustion waste, coal combustion by-product, sludge applied to the land, potentially infectious medical waste, or used oil.

New matter indicated by italics - deletions by strikeout.
(g) This Section does not apply to material that is burned for energy recovery, that is used to produce a fuel, or that is otherwise contained in a fuel.

(h) This Section does not apply to waste from the steel and foundry industries that is (i) classified as beneficially usable waste under Board rules and (ii) beneficially used in accordance with Board rules governing the management of beneficially usable waste from the steel and foundry industries. No person shall use iron slags, steelmaking slags, or foundry sands for land reclamation purposes unless they have obtained a beneficial use determination for such use under this Section.

(i) For purposes of this Section, the term "commercially available material" means virgin material that (i) meets industry standards for a specific use and (ii) is normally sold for such use. For purposes of this Section, the term "commercially available product" means a product made of virgin material that (i) meets industry standards for a specific use and (ii) is normally sold for such use.

The county board may subsequently rescind the ordinance or resolution and revert to the method otherwise provided for in this Code. (Source: P.A. 93-560, eff. 8-20-03; 94-312, eff. 7-25-05.)

(320 ILCS 25/5) (from Ch. 67 1/2, par. 405)

No claim may be filed more than one year after December 31 of the year for which the claim is filed except that claims for 1976 may be filed until December 31, 1978. The pharmaceutical assistance identification card provided for in subsection (f) of Section 4 shall be valid for a period not to exceed one year. On and after January 1, 2002, however, to enable the Department to convert coverage for a pharmaceutical assistance program participant to a State fiscal year basis, a card shall be valid for a longer or shorter period than 12 months, depending on the date a timely claim is filed and as determined by the Department. All applicants for benefits under this program approved for benefits on or after July 1 but on or before December 31 of any State fiscal year are eligible for benefits through June 30 of that State fiscal year. If a claimant dies after having filed a timely claim, the amount thereof shall be disbursed to his surviving spouse or, if no spouse survives, to his surviving dependent minor children in equal parts, provided the spouse or child, as the case may be, resided with the claimant at the time he filed his claim. If at the time of disbursement neither the claimant nor

Section 5. The Health Care Surrogate Act is amended by changing Sections 15 and 25 as follows:

(755 ILCS 40/15) (from Ch. 110 1/2, par. 851-15)

Sec. 15. Applicability. This Act applies to patients who lack decisional capacity or who have a qualifying condition. This Act does not apply to instances in which the patient has an operative and unrevoked living will under the Illinois Living Will Act, an operative and unrevoked declaration for mental health treatment under the Mental Health Treatment Preferences Declaration Act, or an authorized agent under a power of attorney for health care under the Illinois Power of Attorney Act and the patient's condition falls within the coverage of the living will, the declaration for mental health treatment, or the power of attorney for health care. In those instances, the living will, declaration for mental health treatment, or power of attorney for health care, as the case may be, shall be given effect according to its terms. This Act does apply in circumstances in which a patient has a qualifying condition but the patient's condition does not fall within the coverage of the living will, the declaration for mental health treatment, or the power of attorney for health care.

Each health care facility shall maintain any advance directives proffered by the patient or other authorized person, including a do not resuscitate order, a living will, a declaration for mental health treatment, or a power of attorney for health care, in the patient's medical records for the duration of the patient's stay. This Act does apply to patients without a qualifying condition. If a patient is an adult with decisional capacity, then the right to refuse medical treatment or life-sustaining treatment does not require the presence of a qualifying condition. (Source: P.A. 90-246, eff. 1-1-98.)

(755 ILCS 40/25) (from Ch. 110 1/2, par. 851-25)

Sec. 25. Surrogate decision making.

(a) When a patient lacks decisional capacity, the health care provider must make a reasonable inquiry as to the availability and authority of a health care agent under the Powers of Attorney for Health Care Law. When no health care agent is authorized and available, the health care provider must make a reasonable inquiry as to the availability of possible surrogates listed in items (1) through (4) of this subsection. For purposes of this Section, a reasonable inquiry includes, but is not limited to, identifying a member of the patient's family or other health care agent by examining the patient's personal effects or medical records. If a family member or other health care agent is identified, an attempt to contact that

New matter indicated by italics - deletions by strikeout.
person by telephone must be made within 24 hours after a determination by the provider that the patient lacks decisional capacity. No person shall be liable for civil damages or subject to professional discipline based on a claim of violating a patient's right to confidentiality as a result of making a reasonable inquiry as to the availability of a patient's family member or health care agent, except for willful or wanton misconduct.

The surrogate decision makers, as identified by the attending physician, are then authorized to make decisions as follows: (i) for patients who lack decisional capacity and do not have a qualifying condition, medical treatment decisions may be made in accordance with subsection (b-5) of Section 20; and (ii) for patients who lack decisional capacity and have a qualifying condition, medical treatment decisions including whether to forgo life-sustaining treatment on behalf of the patient may be made without court order or judicial involvement in the following order of priority:

1. the patient's guardian of the person;
2. the patient's spouse;
3. any adult son or daughter of the patient;
4. either parent of the patient;
5. any adult brother or sister of the patient;
6. any adult grandchild of the patient;
7. a close friend of the patient;
8. the patient's guardian of the estate.

The health care provider shall have the right to rely on any of the above surrogates if the provider believes after reasonable inquiry that neither a health care agent under the Powers of Attorney for Health Care Law nor a surrogate of higher priority is available.

Where there are multiple surrogate decision makers at the same priority level in the hierarchy, it shall be the responsibility of those surrogates to make reasonable efforts to reach a consensus as to their decision on behalf of the patient regarding the forgoing of life-sustaining treatment. If 2 or more surrogates who are in the same category and have equal priority indicate to the attending physician that they disagree about the health care matter at issue, a majority of the available persons in that category (or the parent with custodial rights) shall control, unless the minority (or the parent without custodial rights) initiates guardianship proceedings in accordance with the Probate Act of 1975. No health care provider or other person is required to seek appointment of a guardian.

New matter indicated by italics - deletions by strikeout.
(b) After a surrogate has been identified, the name, address, telephone number, and relationship of that person to the patient shall be recorded in the patient's medical record.

(c) Any surrogate who becomes unavailable for any reason may be replaced by applying the provisions of Section 25 in the same manner as for the initial choice of surrogate.

(d) In the event an individual of a higher priority to an identified surrogate becomes available and willing to be the surrogate, the individual with higher priority may be identified as the surrogate. In the event an individual in a higher, a lower, or the same priority level or a health care provider seeks to challenge the priority of or the life-sustaining treatment decision of the recognized surrogate decision maker, the challenging party may initiate guardianship proceedings in accordance with the Probate Act of 1975.

(e) The surrogate decision maker shall have the same right as the patient to receive medical information and medical records and to consent to disclosure.

(f) Any surrogate shall have the authority to make decisions for the patient until removed by the patient who no longer lacks decisional capacity, appointment of a guardian of the person, or the patient's death.

and Family Services may refer child support debts to the Bureau, provided that the debt satisfies the requirements for referral of delinquent debt as established by rule by the Department of Revenue. The Bureau shall use all legal means available to collect child support debt, including those authorizing the Department of Revenue to collect debt and those authorizing the Department of Healthcare and Family Services to collect debt. All such referred debt shall remain an obligation under the Department of Healthcare and Family Services' Child Support Enforcement Program subject to the requirements of Title IV, Part D of the federal Social Security Act, including the continued use of federally mandated enforcement remedies and techniques by the Department of Healthcare and Family Services.

(g-1) The Department of Employment Security is exempt from subsection (a) with regard to debts to any federal account, including but not limited to the Unemployment Trust Fund, and penalties and interest assessed under the Unemployment Insurance Act. The Bureau shall use all legal means available to collect the debts, including those authorizing the Department of Revenue to collect debt and those authorizing the Department of Employment Security to collect debt. All referred debt shall remain an obligation to the account to which it is owed.

(h) The Debt Collection Fund is created as a special fund in the State treasury. Thereafter, 20% of all amounts collected by the Bureau, excluding amounts collected on behalf of the Departments of Healthcare and Family Services (formerly Public Aid) and Revenue, shall be deposited into the Debt Collection Fund, except that the Bureau shall not impose the 20% collection fee on any accounts referred by the General Assembly, the Supreme Court and several courts of this State, and the State executive branch constitutional officers. All remaining amounts collected shall be deposited into the General Revenue Fund unless the funds are owed to any State fund or funds other than the General Revenue Fund. The provisions of this subsection do not apply to debt that is exempt from subsection (a) pursuant to subsection (g-1) or child support debt referred to the Bureau by the Department of Healthcare and Family Services (formerly Department of Public Aid) pursuant to this amendatory Act of the 93rd General Assembly. Collections arising from referrals from the Department of Healthcare and Family Services (formerly Department of Public Aid) shall be deposited into such fund or funds as the Department of Healthcare and Family Services shall direct, in accordance with the requirements of Title IV, Part D of the federal Social Security Act, applicable provisions of State law, and the rules of the Department of Healthcare and Family Services. (i) The Attorney General and the State Comptroller may assist in the debt collection efforts of the Bureau, as requested by the Department of Revenue.

(j) The Director of Revenue shall report annually to the General Assembly and State Comptroller upon the debt collection efforts of the Bureau. Each report shall include an analysis of the overdue debts owed to the State.

(k) The Department of Revenue shall adopt rules and procedures for the administration of this amendatory Act of the 93rd General Assembly. (d) The identity of any person who reports animal abuse or neglect under subsection (a) or (b) shall be confidential and shall not be disclosed except as specifically authorized by this Act or other applicable law.

(e) A home rule unit may not regulate the reporting of child abuse or neglect in a manner inconsistent with the provisions of this Section. This Section is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

Section 10. The Abused and Neglected Child Reporting Act is amended by changing Section 4 and by adding Section 11.8 as follows:

(325 ILCS 5/4) (from Ch. 23, par. 2054)

Department of Mental Health and Developmental Disabilities, Rehabilitation Services, or Public Aid), Corrections, Human Rights, or Children and Family Services, supervisor and administrator of general assistance under the Illinois Public Aid Code, probation officer, animal control officer or Illinois Department of Agriculture Bureau of Animal Health and Welfare field investigator, or any other foster parent, homemaker or child care worker having reasonable cause to believe a child known to them in their professional or official capacity may be an abused child or a neglected child shall immediately report or cause a report to be made to the Department.

Any member of the clergy having reasonable cause to believe that a child known to that member of the clergy in his or her professional capacity may be an abused child as defined in item (c) of the definition of "abused child" in Section 3 of this Act shall immediately report or cause a report to be made to the Department.

If an allegation is raised to a school board member during the course of an open or closed school board meeting that a child who is enrolled in the school district of which he or she is a board member is an abused child as defined in Section 3 of this Act, the member shall direct or cause the school board to direct the superintendent of the school district or other equivalent school administrator to comply with the requirements of this Act concerning the reporting of child abuse. For purposes of this paragraph, a school board member is granted the authority in his or her individual capacity to direct the superintendent of the school district or other equivalent school administrator to comply with the requirements of this Act concerning the reporting of child abuse.

Notwithstanding any other provision of this Act, if an employee of a school district has made a report or caused a report to be made to the Department under this Act involving the conduct of a current or former employee of the school district and a request is made by another school district for the provision of information concerning the job performance or qualifications of the current or former employee because he or she is an applicant for employment with the requesting school district, the general superintendent of the school district to which the request is being made must disclose to the requesting school district the fact that an employee of the school district has made a report involving the conduct of the applicant or caused a report to be made to the Department, as required under this Act. Only the fact that an employee of the school district has made a report involving the conduct of the applicant or caused a report to be made to the
Department may be disclosed by the general superintendent of the school
district to which the request for information concerning the applicant is
made, and this fact may be disclosed only in cases where the employee and
the general superintendent have not been informed by the Department that
the allegations were unfounded. An employee of a school district who is or
has been the subject of a report made pursuant to this Act during his or her
employment with the school district must be informed by that school
district that if he or she applies for employment with another school
district, the general superintendent of the former school district, upon the
request of the school district to which the employee applies, shall notify
that requesting school district that the employee is or was the subject of
such a report.

Whenever such person is required to report under this Act in his
capacity as a member of the staff of a medical or other public or private
institution, school, facility or agency, or as a member of the clergy, he
shall make report immediately to the Department in accordance with the
provisions of this Act and may also notify the person in charge of such
institution, school, facility or agency, or church, synagogue, temple,
mosque, or other religious institution, or his designated agent that such
report has been made. Under no circumstances shall any person in charge
of such institution, school, facility or agency, or church, synagogue,
temple, mosque, or other religious institution, or his designated agent to
whom such notification has been made, exercise any control, restraint,
modification or other change in the report or the forwarding of such report
to the Department.

The privileged quality of communication between any professional
person required to report and his patient or client shall not apply to
situations involving abused or neglected children and shall not constitute
grounds for failure to report as required by this Act.

A member of the clergy may claim the privilege under Section 8-803 of the Code of Civil Procedure.

In addition to the above persons required to report suspected cases
of abused or neglected children, any other person may make a report if
such person has reasonable cause to believe a child may be an abused child
or a neglected child.

Any person who enters into employment on and after July 1, 1986
and is mandated by virtue of that employment to report under this Act,

requirements of this Act. The statement shall be signed prior to commencement of the employment. The signed statement shall be retained by the employer. The cost of printing, distribution, and filing of the statement shall be borne by the employer.

The Department shall provide copies of this Act, upon request, to all employers employing persons who shall be required under the provisions of this Section to report under this Act.

Any person who knowingly transmits a false report to the Department commits the offense of disorderly conduct under subsection (a)(7) of Section 26-1 of the "Criminal Code of 1961". Any person who violates this provision a second or subsequent time shall be guilty of a Class 3 felony.

Any person who knowingly and willfully violates any provision of this Section other than a second or subsequent violation of transmitting a false report as described in the preceding paragraph, is guilty of a Class A misdemeanor for a first violation and a Class 4 felony for a second or subsequent violation; except that if the person acted as part of a plan or scheme having as its object the prevention of discovery of an abused or neglected child by lawful authorities for the purpose of protecting or insulating any person or entity from arrest or prosecution, the person is guilty of a Class 4 felony for a first offense and a Class 3 felony for a second or subsequent offense (regardless of whether the second or subsequent offense involves any of the same facts or persons as the first or other prior offense).

A child whose parent, guardian or custodian in good faith selects and depends upon spiritual means through prayer alone for the treatment or cure of disease or remedial care may be considered neglected or abused, but not for the sole reason that his parent, guardian or custodian accepts and practices such beliefs.

A child shall not be considered neglected or abused solely because the child is not attending school in accordance with the requirements of Article 26 of the School Code, as amended.

Nothing in this Act prohibits a mandated reporter who reasonably believes that an animal is being abused or neglected in violation of the Humane Care for Animals Act from reporting animal abuse or neglect to the Department of Agriculture’s Bureau of Animal Health and Welfare.

A home rule unit may not regulate the reporting of child abuse or neglect in a manner inconsistent with the provisions of this Section. This Section is a limitation under subsection (i) of Section 6 of Article VII of the

Section 10. The State Property Control Act is amended by changing Section 7 as follows:

(30 ILCS 605/7) (from Ch. 127, par. 133b10)

Sec. 7. Disposition of transferable property.

(a) Except as provided in subsection (c), whenever a responsible officer considers it advantageous to the State to dispose of transferable property by trading it in for credit on a replacement of like nature, the responsible officer shall report the trade-in and replacement to the administrator on forms furnished by the latter. The exchange, trade or transfer of "textbooks" as defined in Section 18-17 of the School Code between schools or school districts pursuant to regulations adopted by the State Board of Education under that Section shall not constitute a disposition of transferable property within the meaning of this Section, even though such exchange, trade or transfer occurs within 5 years after the textbooks are first provided for loan pursuant to Section 18-17 of the School Code.

(b) Except as provided in subsection (c), whenever it is deemed necessary to dispose of any item of transferable property, the administrator shall proceed to dispose of the property by sale or scrapping as the case may be, in whatever manner he considers most advantageous and most profitable to the State. Items of transferable property which would ordinarily be scrapped and disposed of by burning or by burial in a landfill may be examined and a determination made whether the property should be recycled. This determination and any sale of recyclable property shall be in accordance with rules promulgated by the Administrator.

When the administrator determines that property is to be disposed of by sale, he shall offer it first to the municipalities, counties, and school districts of the State and to charitable, not-for-profit educational and public health organizations, including but not limited to medical institutions, clinics, hospitals, health centers, schools, colleges, universities, child care centers, museums, nursing homes, programs for the elderly, food banks, State Use Sheltered Workshops and the Boy and Girl Scouts of America, for purchase at an appraised value. Notice of inspection or viewing dates and property lists shall be distributed in the manner provided in rules and regulations promulgated by the Administrator for that purpose.

Electronic data processing equipment purchased and charged to appropriations may, at the discretion of the administrator, be sold, pursuant to contracts entered into by the Director of Central Management

Services or the heads of agencies exempt from "The Illinois Purchasing Act". However such equipment shall not be sold at prices less than the purchase cost thereof or depreciated value as determined by the administrator. No sale of the electronic data processing equipment and lease to the State by the purchaser of such equipment shall be made under this Act unless the Director of Central Management Services finds that such contracts are financially advantageous to the State.

Disposition of other transferable property by sale, except sales directly to local governmental units, school districts, and not-for-profit educational, charitable and public health organizations, shall be subject to the following minimum conditions:

1. The administrator shall cause the property to be advertised for sale to the highest responsible bidder, stating time, place, and terms of such sale at least 7 days prior to the time of sale and at least once in a newspaper having a general circulation in the county where the property is to be sold.

2. If no acceptable bids are received, the administrator may then sell the property in whatever manner he considers most advantageous and most profitable to the State.

(c) Notwithstanding any other provision of this Act, an agency covered by this Act may transfer books, serial publications, or other library materials that are transferable property, or that have been withdrawn from the agency's library collection through a regular collection evaluation process, to any of the following entities located in Illinois:

1. Another agency covered by this Act located in Illinois.
2. A State supported university library located in Illinois.
3. A tax-supported public library located in Illinois, including a library established by a public library district.
4. A library system organized under the Illinois Library System Act or any library located in Illinois that is a member of such a system.
5. A non-profit agency, located in or outside Illinois.

A transfer of property under this subsection is not subject to the requirements of subsection (a) or (b).

In addition, an agency covered by this Act may sell or exchange books, serial publications, and other library materials that have been withdrawn from its library collection through a regular collection evaluation process. Those items may be sold to the public at library book sales or to book dealers or may be offered through exchange to book dealers.

dealers or other organizations. Revenues generated from the sale of withdrawn items shall be retained by the agency in a separate account to be used solely for the purchase of library materials; except that in the case of the State Library, revenues from the sale of withdrawn items shall be deposited into the State Library Fund to be used for the purposes stated in Section 25 of the State Library Act.

For purposes of this subsection (c), "library materials" means physical entities of any substance that serve as carriers of information, including, without limitation, books, serial publications, periodicals, microforms, graphics, audio or video recordings, and machine readable data files.

Section 5. The Criminal Code of 1961 is amended by changing Section 21-1.3 as follows:

(720 ILCS 5/21-1.3)

(a) A person commits criminal defacement of property when the person knowingly damages the property of another by defacing, deforming, or otherwise damaging the property by the use of paint or any other similar substance, or by the use of a writing instrument, etching tool, or any other similar device. It is an affirmative defense to a violation of this Section that the owner of the property damaged consented to such damage.

(b) Criminal defacement of property is a Class A misdemeanor for a first offense if the aggregate value of the damage to the property does not exceed $300. Criminal defacement of property is a Class 4 felony if the aggregate value of the damage to property does not exceed $300 and

the property damaged is a school building or place of worship. Criminal defacement of property is a Class 4 felony for a second or subsequent conviction or if the aggregate value of the damage to the property exceeds $300. Criminal defacement of property is a Class 3 felony if the aggregate value of the damage to property exceeds $300 and the property damaged is a school building or place of worship. In addition to any other sentence that may be imposed for a violation of this Section that is chargeable as a Class 3 or Class 4 felony, a person convicted of criminal defacement of property shall be subject to a mandatory minimum fine of $500 plus the actual costs incurred by the property owner or the unit of government to abate, remediate, repair, or remove the effect of the damage to the property. To the extent permitted by law, reimbursement for the costs of abatement, remediation, repair, or removal shall be payable to the person who incurred the costs. In addition to any other sentence that may be imposed, a court shall order any person convicted of criminal defacement of property to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage to property that was caused by the offense, or similar damage to property located in the municipality or county in which the offense occurred. If the property damaged is a school building, the community service may include cleanup, removal, or painting over the defacement. In addition, whenever any person is placed on supervision for an alleged offense under this Section, the supervision shall be conditioned upon the performance of the community service. For the purposes of this subsection (b), aggregate value shall be determined by adding the value of the damage to one or more properties if the offenses were committed as part of a single course of conduct.

"Special purpose extensions" include, but are not limited to, extensions for levies made on an annual basis for unemployment and workers' compensation, self-insurance, contributions to pension plans, and extensions made pursuant to Section 6-601 of the Illinois Highway Code for a road district's permanent road fund whether levied annually or not. The extension for a special service area is not included in the aggregate extension.

"Aggregate extension base" means the taxing district's last preceding aggregate extension as adjusted under Sections 18-135, 18-215,

New matter indicated by italics - deletions by strikeout.
An adjustment under Section 18-135 shall be made for the 2007 levy year and all subsequent levy years whenever one or more counties within which a taxing district is located (i) used estimated valuations or rates when extending taxes in the taxing district for the last preceding levy year that resulted in the over or under extension of taxes, or (ii) increased or decreased the tax extension for the last preceding levy year as required by Section 18-135(c). Whenever an adjustment is required under Section 18-135, the aggregate extension base of the taxing district shall be equal to the amount that the aggregate extension of the taxing district would have been for the last preceding levy year if either or both (i) actual, rather than estimated, valuations or rates had been used to calculate the extension of taxes for the last levy year, or (ii) the tax extension for the last preceding levy year had not been adjusted as required by subsection (c) of Section 18-135.

"Levy year" has the same meaning as "year" under Section 1-155.

"New property" means (i) the assessed value, after final board of review or board of appeals action, of new improvements or additions to existing improvements on any parcel of real property that increase the assessed value of that real property during the levy year multiplied by the equalization factor issued by the Department under Section 17-30, (ii) the assessed value, after final board of review or board of appeals action, of real property not exempt from real estate taxation, which real property was exempt from real estate taxation for any portion of the immediately preceding levy year, multiplied by the equalization factor issued by the Department under Section 17-30, including the assessed value, upon final stabilization of occupancy after new construction is complete, of any real property located within the boundaries of an otherwise or previously exempt military reservation that is intended for residential use and owned by or leased to a private corporation or other entity, and (iii) in counties that classify in accordance with Section 4 of Article IX of the Illinois Constitution, an incentive property's additional assessed value resulting from a scheduled increase in the level of assessment as applied to the first year final board of review market value. In addition, the county clerk in a county containing a population of 3,000,000 or more shall include in the 1997 recovered tax increment value for any school district, any recovered tax increment value that was applicable to the 1995 tax year calculations.

"Qualified airport authority" means an airport authority organized under the Airport Authorities Act and located in a county bordering on the
State of Wisconsin and having a population in excess of 200,000 and not greater than 500,000.

"Recovered tax increment value" means, except as otherwise provided in this paragraph, the amount of the current year's equalized assessed value, in the first year after a municipality terminates the designation of an area as a redevelopment project area previously established under the Tax Increment Allocation Development Act in the Illinois Municipal Code, previously established under the Industrial Jobs Recovery Law in the Illinois Municipal Code, previously established under the Economic Development Project Area Tax Increment Act of 1995, or previously established under the Economic Development Area Tax Increment Allocation Act, of each taxable lot, block, tract, or parcel of real property in the redevelopment project area over and above the initial equalized assessed value of each property in the redevelopment project area. For the taxes which are extended for the 1997 levy year, the recovered tax increment value for a non-home rule taxing district that first became subject to this Law for the 1995 levy year because a majority of its 1994 equalized assessed value was in an affected county or counties shall be increased if a municipality terminated the designation of an area in 1993 as a redevelopment project area previously established under the Tax Increment Allocation Development Act in the Illinois Municipal Code, previously established under the Industrial Jobs Recovery Law in the Illinois Municipal Code, or previously established under the Economic Development Area Tax Increment Allocation Act, by an amount equal to the 1994 equalized assessed value of each taxable lot, block, tract, or parcel of real property in the redevelopment project area over and above the initial equalized assessed value of each property in the redevelopment project area. In the first year after a municipality removes a taxable lot, block, tract, or parcel of real property from a redevelopment project area established under the Tax Increment Allocation Development Act in the Illinois Municipal Code, the Industrial Jobs Recovery Law in the Illinois Municipal Code, or the Economic Development Area Tax Increment Allocation Act, "recovered tax increment value" means the amount of the current year's equalized assessed value of each taxable lot, block, tract, or parcel of real property removed from the redevelopment project area over and above the initial equalized assessed value of that real property before removal from the redevelopment project area.

Except as otherwise provided in this Section, "limiting rate" means a fraction the numerator of which is the last preceding aggregate extension

base times an amount equal to one plus the extension limitation defined in this Section and the denominator of which is the current year's equalized assessed value of all real property in the territory under the jurisdiction of the taxing district during the prior levy year. For those taxing districts that reduced their aggregate extension for the last preceding levy year, the highest aggregate extension in any of the last 3 preceding levy years shall be used for the purpose of computing the limiting rate. The denominator shall not include new property or the recovered tax increment value. If a new rate, a rate decrease, or a limiting rate increase has been approved at an election held after March 21, 2006, then (i) the otherwise applicable limiting rate shall be increased by the amount of the new rate or shall be reduced by the amount of the rate decrease, as the case may be, or (ii) in the case of a limiting rate increase, the limiting rate shall be equal to the rate set forth in the proposition approved by the voters for each of the years specified in the proposition, after which the limiting rate of the taxing district shall be calculated as otherwise provided.
