1970 CONSTITUTION, ARTICLE IV

"§ 10. Effective Date of Laws
The General Assembly shall provide by law for a uniform effective date for laws passed prior to July 1 of a calendar year. The General Assembly may provide for a different effective date in any law passed prior to July 1. A bill passed after June 30 shall not become effective prior to July 1 of the next calendar year unless the General Assembly by the vote of three-fifths of the members elected to each house provides for an earlier effective date."

5 ILLINOIS COMPILED STATUTES CHAPTER 75

75/1. Effective Date of Laws
"§1 (a) A bill passed after June 30 of a calendar year shall become effective on July 1 of the next calendar year unless the General Assembly by a vote of three-fifths of the members elected to each house provides for an earlier effective date in the terms of the bill or unless the General Assembly provides for a later effective date in the terms of the bill; provided that if the effective date provided in the terms of the bill is prior to the date the bill becomes a law then the date the bill becomes a law shall be the effective date."1 (a) A bill passed prior to July 1 of a calendar year that does not provide for an effective date in the terms of the bill shall become effective on January 1 of the following year, or upon its becoming a law, whichever is later.

(b) A bill passed prior to July 1 of a calendar year that does provide for an effective date in the terms of the bill shall become effective on that date if that date is the same as or subsequent to the date the bill becomes a law; provided that if the effective date provided in the terms of the bill is prior to the date the bill becomes a law then the date the bill becomes a law shall be the effective date."

75/2. Special Effective Dates
"§2 A bill passed after June 30 of a calendar year shall become effective on July 1 of the next calendar year unless the General Assembly by a vote of three-fifths of the members elected to each house provides for an earlier effective date in the terms of the bill or unless the General Assembly provides for a later effective date in the terms of the bill; provided that if the effective date provided in the terms of the bill is prior to the date the bill becomes a law then the date the bill becomes a law shall be the effective date."

Each member of the General Assembly is authorized to employ one or more legislative assistants, who shall be solely under the direction and control of that member, for the purpose of assisting the member in the performance of his or her official duties. A legislative assistant may be employed pursuant to this Section as a full-time employee, part-time employee, or contractual employee, at the discretion of the member. Nothing in this Section shall be construed to authorize expenditures for lodging and meals while a member is in attendance at sessions of the General Assembly.

Any utility bill for service provided to a member's district office for a period including portions of 2 consecutive fiscal years may be paid from funds appropriated for such expenditure in either fiscal year.

If a vacancy occurs in the office of Senator or Representative in the General Assembly, any office equipment in the possession of the vacating member shall transfer to the member's successor; if the successor does not want such equipment, it shall be transferred to the Secretary of the Senate or Clerk of the House of Representatives, as the case may be, and if not wanted by other members of the General Assembly then to the Department of Central Management Services for treatment as surplus property under
the State Property Control Act. Each member, on or before June 30th of each year, shall conduct an inventory of all equipment purchased pursuant to this Act. Such inventory shall be filed with the Secretary of the Senate or the Clerk of the House, as the case may be. Whenever a vacancy occurs, the Secretary of the Senate or the Clerk of the House, as the case may be, shall conduct an inventory of equipment purchased.

In the event that a member leaves office during his or her term, any unexpended or unobligated portion of the allowance granted under this Section shall lapse. The vacating member's successor shall be granted an allowance in an amount, rounded to the nearest dollar, computed by dividing the annual allowance by 365 and multiplying the quotient by the number of days remaining in the fiscal year.

From any appropriation for the purposes of this Section for a fiscal year which overlaps 2 General Assemblies, no more than 1/2 of the annual allowance per member may be spent or encumbered by any member of either the outgoing or incoming General Assembly, except that any member of the incoming General Assembly who was a member of the outgoing General Assembly may encumber or spend any portion of his annual allowance within the fiscal year.

The appropriation for the annual allowances permitted by this Section shall be included in an appropriation to the President of the Senate and to the Speaker of the House of Representatives for their respective members. 3. The applicant for a GCTDP must perform emissions testing during the permit period, as required by the Agency, and submit the results of that testing to the Agency as specified in the GCTDP within 60 days after the completion of testing.
4. During the permit period the applicant may not process more than 10 tons per day, in the aggregate, of materials in the gasification process. The applicant may not store on site more than 10 tons, in the aggregate, of waste and other materials of the types set forth in subsection (b) of this Section.

received prior to the application for which the certificate of eligibility is issued.

Section 25. Tax credit.

(a) Subject to the conditions set forth in this Act, an applicant is entitled to a credit against payment of taxes withheld under Section 704A of the Illinois Income Tax Act for calendar years ending on or after the date that is 12 months after the date of hire of a new employee. The credit shall be allowed as a credit to an applicant for each full-time employee hired during the incentive period that results in a net increase in full-time Illinois employees, where the net increase in the employer's full-time Illinois employees is maintained for at least 12 months.

(b) The Department shall make credit awards under this Act to further job creation.

(c) The credit shall be claimed for the first calendar year ending on or after the date on which the certificate is issued by the Department.

(d) The credit shall not exceed $2,500 per new employee hired.

(e) The net increase in full-time Illinois employees, measured on an annual full-time equivalent basis, shall be the total number of full-time Illinois employees of the applicant on June 30, 2011, minus the number of full-time Illinois employees employed by the employer on July 1, 2010. For purposes of the calculation, an employer that begins doing business in this State during the incentive period, as determined by the Director, shall be treated as having zero Illinois employees on July 1, 2010.

(f) The net increase in the number of full-time Illinois employees of the applicant must be sustained continuously for at least 12 months, starting with the date of hire of a new employee during the incentive period. Eligibility for the credit does not depend on the continuous employment of any particular individual. For purposes of this subsection (f), if a new employee ceases to be employed before the completion of the 12-month period for any reason, the net increase in the number of full-time Illinois employees shall be treated as continuous if a different new employee is hired as a replacement within a reasonable time for the same position.

Section 30. Maximum amount of credits allowed. The Department shall limit the monetary amount of credits awarded under this Act to no more than $50,000,000. If applications for a greater amount are received, credits shall be allowed on a first-come-first-served basis, based on the date on which each properly completed application for a certificate of eligibility is received by the Department. If more than one certificate of eligibility is issued.

eligibility is received on the same day, the credits will be awarded based on the time of submission for that particular day.

Section 35. Application for award of tax credit; tax credit certificate.

(a) On or after the conclusion of the 12-month period after a new employee has been hired, an applicant shall file with the Department an application for award of a credit. The application shall include the following:

(1) The names, Social Security numbers, job descriptions, salary or wage rates, and dates of hire of the new employees with respect to whom the credit is being requested.

(2) A certification that each new employee listed has been retained on the job for one year from the date of hire.

(3) The number of new employees hired by the applicant during the incentive period.

(4) The net increase in the number of full-time Illinois employees of the applicant (including the new employees listed in the request) between the beginning of the incentive period and the dates on which the new employees listed in the request were hired.

(5) An agreement that the Director is authorized to verify with the appropriate State agencies the information contained in the request before issuing a certificate to the applicant.

(6) Any other information the Department determines to be appropriate.

(b) Although an application may be filed at any time after the conclusion of the 12-month period after a new employee was hired, an application filed more than 90 days after the earliest date on which it could have been filed shall not be awarded any credit if, prior to the date it is filed, the Department has received applications under this Section for credits totaling more than $50,000,000.

(c) The Department shall issue a certificate to each applicant awarded a credit under this Act. The certificate shall include the following:

(1) The name and taxpayer identification number of the applicant.

(2) The date on which the certificate is issued.

(3) The credit amount that will be allowed.

(4) Any other information the Department determines to be appropriate.
Section 40. Submission of tax credit certificate to Department of Revenue. An applicant claiming a credit under this Act shall submit to the Department of Revenue a copy of each certificate issued under Section 35 of this Act with the first return for which the credit shown on the certificate is claimed. However, failure to submit a copy of the certificate with the applicant's return shall not invalidate a claim for a credit.

Section 45. Noncompliance with Act. If the Director determines that an applicant who has received a credit under this Act is not complying with the requirements of the provisions of this Act, the Director shall provide notice to the applicant of the alleged noncompliance, and allow the taxpayer a hearing under the provisions of the Illinois Administrative Procedure Act. If, after such notice and any hearing, the Director determines that a noncompliance exists, the Director shall issue to the Department of Revenue notice to that effect, stating the noncompliance date.

Section 50. Rules. The Department may adopt rules necessary to implement this Act. The rules may provide for recipients of credits under this Act to be charged fees to cover administrative costs of the tax credit program.

Section 90. The Illinois Income Tax Act is amended by changing Section 704A as follows:

(35 ILCS 5/704A)
Sec. 704A. Employer's return and payment of tax withheld.
(a) In general, every employer who deducts and withholds or is required to deduct and withhold tax under this Act on or after January 1, 2008 shall make those payments and returns as provided in this Section.
(b) Returns. Every employer shall, in the form and manner required by the Department, make returns with respect to taxes withheld or required to be withheld under this Article 7 for each quarter beginning on or after January 1, 2008, on or before the last day of the first month following the close of that quarter.
(c) Payments. With respect to amounts withheld or required to be withheld on or after January 1, 2008:
   (1) Semi-weekly payments. For each calendar year, each employer who withheld or was required to withhold more than $12,000 during the one-year period ending on June 30 of the immediately preceding calendar year, payment must be made:
      (A) on or before each Friday of the calendar year, for taxes withheld or required to be withheld on the
immediately preceding Saturday, Sunday, Monday, or Tuesday;

(B) on or before each Wednesday of the calendar year, for taxes withheld or required to be withheld on the immediately preceding Wednesday, Thursday, or Friday.

(2) Semi-weekly payments. Any employer who withholds or is required to withhold more than $12,000 in any quarter of a calendar year is required to make payments on the dates set forth under item (1) of this subsection (c) for each remaining quarter of that calendar year and for the subsequent calendar year.

(3) Monthly payments. Each employer, other than an employer described in items (1) or (2) of this subsection, shall pay to the Department, on or before the 15th day of each month the taxes withheld or required to be withheld during the immediately preceding month.

(4) Payments with returns. Each employer shall pay to the Department, on or before the due date for each return required to be filed under this Section, any tax withheld or required to be withheld during the period for which the return is due and not previously paid to the Department.

(d) Regulatory authority. The Department may, by rule:

(1) If the aggregate amounts required to be withheld under this Article 7 do not exceed $1,000 for the calendar year, permit employers, in lieu of the requirements of subsections (b) and (c), to file annual returns due on or before January 31 of the following year for taxes withheld or required to be withheld during that calendar year and to pay the taxes required to be shown on each such return no later than the due date for such return.

(2) Provide that any payment required to be made under subsection (c)(1) or (c)(2) is deemed to be timely to the extent paid by electronic funds transfer on or before the due date for deposit of federal income taxes withheld from, or federal employment taxes due with respect to, the wages from which the Illinois taxes were withheld.

(3) Designate one or more depositories to which payment of taxes required to be withheld under this Article 7 must be paid by some or all employers.

(4) Increase the threshold dollar amounts at which employers are required to make semi-weekly payments under subsection (c)(1) or (c)(2).

(e) Annual return and payment. Every employer who deducts and withholds or is required to deduct and withhold tax from a person engaged in domestic service employment, as that term is defined in Section 3510 of the Internal Revenue Code, may comply with the requirements of this Section with respect to such employees by filing an annual return and paying the taxes required to be deducted and withheld on or before the 15th day of the fourth month following the close of the employer's taxable year. The Department may allow the employer's return to be submitted with the employer's individual income tax return or to be submitted with a return due from the employer under Section 1400.2 of the Unemployment Insurance Act.

(f) Magnetic media and electronic filing. Any W-2 Form that, under the Internal Revenue Code and regulations promulgated thereunder, is required to be submitted to the Internal Revenue Service on magnetic media or electronically must also be submitted to the Department on magnetic media or electronically for Illinois purposes, if required by the Department.

(g) For amounts deducted or withheld after December 31, 2009, a taxpayer who makes an election under Section 5-15(f) of the Economic Development for a Growing Economy Act for a taxable year shall be allowed a credit against payments due under this Section for amounts withheld during the first calendar year beginning after the end of that taxable year equal to the amount of the credit awarded to the taxpayer by the Department of Commerce and Economic Opportunity under the Economic Development for a Growing Economy Act for the taxable year. The credit may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit exceeds the total payments due under this Section with respect to amounts withheld during the calendar year, the excess may be carried forward and applied against the taxpayer's liability under this Section in the 5 succeeding calendar years. The credit shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first. This Section is exempt from the provisions of Section 250 of this Act.

under Article 7, or to any participant of the retirement plan established under Section 22-101.

(b) "Final average salary" means the average monthly salary obtained by dividing the total salary of the participant during the 96 consecutive months of service within the last 120 months of service in which the total salary was the highest by the number of months of service in that period; however, the annual final average salary may not exceed $106,800, as automatically increased by the lesser of 3% or one-half of the annual increase in the consumer price index-u during the preceding 12-month calendar year. For the purposes of a person who first becomes an employee of any retirement system or pension fund to which this Section applies on or after the effective date of this amendatory Act of the 96th General Assembly, in this Code, "final average salary" shall be substituted for the following:

(1) In Articles 7 (except for service as sheriff's law enforcement employees) and 15, "final rate of earnings".
(2) In Articles 8, 9, 10, 11, and 12, "highest average annual salary for any 4 consecutive years within the last 10 years of service immediately preceding the date of withdrawal".
(3) In Article 13, "average final salary".
(4) In Article 14, "final average compensation".
(5) In Article 17, "average salary".
(6) In Section 22-207, "wages or salary received by him at the date of retirement or discharge".

For the purposes of this Section, "consumer price index-u" means the index published by the Bureau of Labor Statistics of the United States Department of Labor that measures the average change in prices of goods and services purchased by all urban consumers, United States city average, all items, 1982-84 = 100. The new amount resulting from each annual adjustment shall be determined by the Public Pension Division of the Department of Insurance and made available to the boards of the retirement systems and pension funds.

(c) A participant is entitled to a retirement annuity beginning on the date specified by the participant in a written application only if, on that specified date, he or she has attained age 67 and has at least 10 years of service credit.

A participant who has attained age 62 and has at least 10 years of service credit may elect to receive the lower retirement annuity provided in subsection (d) of this Section.

(e) Any retirement annuity or supplemental annuity shall be subject
to annual increases upon (1) attainment of age 67 or (2) the first
anniversary of the commencement of the annuity, whichever occurs later.
Each annual increase shall be calculated at 3% or one-half the annual
increase in the consumer price index-u for the preceding calendar year,
whichever is less, of the originally granted retirement annuity. If the
increase in the consumer price index-u for the preceding calendar year is
zero or there is a decrease, then the annuity shall not be increased.
(f) The initial survivor's annuity of an otherwise eligible survivor
of a participant who first becomes a participant on or after the effective
date of this amendatory Act of the 96th General Assembly shall be in the
amount of 66 2/3% of the participant's earned retirement annuity at the
date of death and shall be increased (1) on each January 1 occurring on
or after the commencement of the annuity if the deceased member died
while receiving a retirement annuity or (2) in other cases, on each
January 1 occurring after the first anniversary of the commencement of
the annuity. Each annual increase shall be calculated at 3% or one-half
the annual increase in the consumer price index-u for the preceding
calendar year, whichever is less, of the originally granted survivor's
annuity. If the increase in the consumer price index-u for the preceding
calendar year is zero or there is a decrease, then the annuity shall not be
increased.
(g) The benefits in Section 14-110 apply only if the person is a
State policeman, a fire fighter in the fire protection service of a
department, or a security employee of the Department of Corrections or
the Department of Juvenile Justice, as those terms are defined in
subsection (b) of Section 14-110. A person who meets the requirements of
this Section is entitled to an annuity calculated under the provisions of
Section 14-110, in lieu of the regular or minimum retirement annuity, only
if the person has withdrawn from service with not less than 20 years of
eligible creditable service and has attained age 60, regardless of whether
the attainment of age 60 occurs while the person is still in service.

amendatory Act of the 96th General Assembly is receiving a retirement
annuity or retirement pension under that system or fund and accepts

Upon termination of that employment, the person's retirement annuity or retirement pension payments shall resume and, if appropriate, be recalculated under the applicable provisions of this Code.

(i) Notwithstanding any other provision of this Section, a person who first becomes a participant of the retirement system established under Article 15 on or after the effective date of this amendatory Act of the 96th General Assembly shall have the option to enroll in the self-managed plan created under Section 15-158.2 of this Code.

This subsection (b) does not apply to any person who first becomes a member of the System after the effective date of this amendatory Act of the 93rd General Assembly.

(b-5) Notwithstanding any other provision of this Article, a participant who first becomes a participant on or after the effective date of this amendatory Act of the 96th General Assembly shall, in January or July next following the first anniversary of retirement, whichever occurs first, and in the same month of each year thereafter, but in no event prior to age 67, have the amount of the retirement annuity then being paid increased by 3% or the annual change in the Consumer Price Index for All Urban Consumers, whichever is less.

(c) The foregoing provisions relating to automatic increases are not applicable to a participant who retires before having made contributions (at the rate prescribed in Section 2-126) for automatic increases for less than the equivalent of one full year. However, in order to be eligible for the automatic increases, such a participant may make arrangements to pay to the system the amount required to bring the total contributions for the automatic increase to the equivalent of one year's contributions based upon his or her last salary.

(d) A participant who terminated service prior to July 1, 1967, with at least 14 years of service is entitled to an increase in retirement annuity beginning January, 1976, and to additional increases in January of each year thereafter.

The initial increase shall be 1 1/2% of the originally granted retirement annuity multiplied by the number of full years that the annuitant was in receipt of such annuity prior to January 1, 1972, plus 2% of the originally granted retirement annuity for each year after that date. The subsequent annual increases shall be at the rate of 2% of the originally granted retirement annuity for each year through 1979 and at the rate of 3% for 1980 and thereafter.

(e) Beginning January 1, 1990, all automatic annual increases payable under this Section shall be calculated as a percentage of the total annuity payable at the time of the increase, including previous increases granted under this Article.

Sec. 2-121.1. Survivor's annuity - amount.

(a) A surviving spouse shall be entitled to 66 2/3% of the amount of retirement annuity to which the participant or annuitant was entitled on the date of death, without regard to whether the participant had attained age 55 prior to his or her death, subject to a minimum payment of 10% of salary. If a surviving spouse, regardless of age, has in his or her care at the date of death any eligible child or children of the participant, the survivor's annuity shall be the greater of the following: (1) 66 2/3% of the amount of retirement annuity to which the participant or annuitant was entitled on the date of death, or (2) 30% of the participant's salary increased by 10% of salary on account of each such child, subject to a total payment for the surviving spouse and children of 50% of salary. eligible child shall be entitled to an annuity of 20% of salary, subject to a maximum total payment for all such children of 50% of salary.

However, the survivor's annuity payable under this Section shall not be less than 100% of the amount of retirement annuity to which the participant or annuitant was entitled on the date of death, if he or she is survived by a dependent disabled child.

The salary to be used for determining these benefits shall be the salary used for determining the amount of retirement annuity as provided in Section 2-119.01.

(b) Upon the death of a participant after the termination of service or upon death of an annuitant, the maximum total payment to a surviving spouse and eligible children, or to eligible children alone if there is no surviving spouse, shall be 75% of the retirement annuity to which the participant or annuitant was entitled, unless there is a dependent disabled child among the survivors.

(c) When a child ceases to be an eligible child, the annuity to that child, or to the surviving spouse on account of that child, shall thereupon cease, and the annuity payable to the surviving spouse or other eligible children shall be recalculated if necessary.

Upon the ineligibility of the last eligible child, the annuity shall immediately revert to the amount payable upon death of a participant or annuitant who leaves no eligible children. If the surviving spouse is then under age 50, the annuity as revised shall be deferred until the attainment of age 50.

(d) Beginning January 1, 1990, every survivor's annuity shall be increased (1) on each January 1 occurring on or after the commencement of the annuity if the deceased member died while receiving a retirement annuity, or (2) in other cases, on each January 1 occurring on or after the first anniversary of the commencement of the annuity, by an amount equal to 3% of the current amount of the annuity, including any previous increases under this Article. Such increases shall apply without regard to whether the deceased member was in service on or after the effective date of this amendatory Act of 1991, but shall not accrue for any period prior to January 1, 1990.

(d-5) Notwithstanding any other provision of this Article, the initial survivor's annuity of a survivor of a participant who first becomes a participant on or after the effective date of this amendatory Act of the 96th General Assembly shall be in the amount of 66 2/3% of the amount of the retirement annuity to which the participant or annuitant was entitled on

the date of death and shall be increased (1) on each January 1 occurring on or after the commencement of the annuity if the deceased member died while receiving a retirement annuity or (2) in other cases, on each January 1 occurring on or after the first anniversary of the commencement of the annuity, by an amount equal to 3% or the annual change in the Consumer Price Index for All Urban Consumers, whichever is less, of the survivor's annuity then being paid.

(e) Notwithstanding any other provision of this Article, beginning January 1, 1990, the minimum survivor's annuity payable to any person who is entitled to receive a survivor's annuity under this Article shall be $300 per month, without regard to whether or not the deceased participant was in service on the effective date of this amendatory Act of 1989.

(f) In the case of a proportional survivor's annuity arising under the Retirement Systems Reciprocal Act where the amount payable by the System on January 1, 1993 is less than $300 per month, the amount payable by the System shall be increased beginning on that date by a monthly amount equal to $2 for each full year that has expired since the annuity began.

Sec. 2-122. Re-entry after retirement. An annuitant who re-enters service as a member shall become a participant on the date of re-entry and retirement annuity payments shall cease at that time. The participant shall resume contributions to the system on the date of re-entry at the rates then in effect and shall begin to accrue additional service credit. He or she shall be entitled to all rights and privileges in the system, including death and disability benefits, subject to the limitations herein provided, except refund of retirement annuity contributions.

Upon subsequent retirement, the participant shall be entitled to a retirement annuity consisting of: (1) the amount of retirement annuity previously granted and terminated by re-entry into service; and (2) the amount of additional retirement annuity earned during the additional service based on the provisions in effect at the date of such subsequent retirement. However, the total retirement annuity shall not exceed the maximum retirement annuity applicable at the date of the participant's last retirement. If the salary of the participant following the latest re-entry into service is higher than that in effect at the date of the previous retirement and the participant restores to the system all amounts previously received as retirement annuity payments, upon subsequent retirement, the
retirement annuity shall be recalculated for all service credited under the system as though the participant had not previously retired.

The repayment of retirement annuity payments must be made by the participant in a single sum or by a withholding from salary within a period of 6 years from date of re-entry and in any event before subsequent retirement. If previous annuity payments have not been repaid to the system at the date of death of the participant, any remaining balance must be fully repaid to the system before any further annuity shall be payable.

Such member, if unmarried at date of his last retirement, shall also be entitled to a refund of widow's and widower's annuity contributions, without interest, covering the period from the date of re-entry into service to the date of last retirement.

Notwithstanding any other provision of this Article, if a person who first becomes a participant under this System on or after the effective date of this amendatory Act of the 96th General Assembly is receiving a retirement annuity under this Article and accepts employment in a position covered under this Article or any other Article of this Code on a full-time basis, then the person's retirement annuity under this System shall be suspended during that employment. Upon termination of that employment, the person's retirement annuity shall resume and, if appropriate, be recalculated under the applicable provisions of this Article.

Public Act 96-207) this amendatory Act of the 96th General Assembly shall be:

(1) the average salary for the last 4 years of credited service as a judge for a participant who terminates service before July 1, 1975.

(2) for a participant who terminates service after June 30, 1975 and before July 1, 1982, the salary on the last day of employment as a judge.

(3) for any participant who terminates service after June 30, 1982 and before January 1, 1990, the average salary for the final year of service as a judge.

(4) for a participant who terminates service on or after January 1, 1990 but before the effective date of this amendatory Act of 1995, the salary on the last day of employment as a judge.

(5) for a participant who terminates service on or after the effective date of this amendatory Act of 1995, the salary on the last day of employment as a judge, or the highest salary received by the participant for employment as a judge in a position held by the participant for at least 4 consecutive years, whichever is greater.

However, in the case of a participant who elects to discontinue contributions as provided in subdivision (a)(2) of Section 18-133, the time of such election shall be considered the last day of employment in the determination of final average salary under this subsection.

For a participant who first serves as a judge on or after August 10, 2009 (the effective date of Public Act 96-207) and before the effective date of this amendatory Act of the 96th General Assembly, final average salary shall be the average monthly salary obtained by dividing the total salary of the participant during the period of: (1) the 48 consecutive months of service within the last 120 months of service in which the total compensation was the highest, or (2) the total period of service, if less than 48 months, by the number of months of service in that period.

The maximum retirement annuity for any participant shall be 85% of final average salary.

(b-5) Notwithstanding any other provision of this Article, for a participant who first serves as a judge on or after the effective date of this amendatory Act of the 96th General Assembly, the annual retirement annuity is 3% of the participant's final average salary for each year of
service. The maximum retirement annuity payable shall be 60% of the participant's final average salary.

For a participant who first serves as a judge on or after the effective date of this amendatory Act of the 96th General Assembly, final average salary shall be the average monthly salary obtained by dividing the total salary of the judge during the 96 consecutive months of service within the last 120 months of service in which the total salary was the highest by the number of months of service in that period; however, the final average salary may not exceed the Social Security Covered Wage Base for 2010, and shall automatically be increased or decreased, as applicable, by a percentage equal to the percentage change in the consumer price index-u during the preceding 12-month calendar year. "Consumer price index-u" means the index published by the Bureau of Labor Statistics of the United States Department of Labor that measures the average change in prices of goods and services purchased by all urban consumers, United States city average, all items, 1982-84 = 100. The new amount resulting from each annual adjustment shall be determined by the Public Pension Division of the Department of Insurance and made available to the Board.

(c) The retirement annuity for a participant who retires prior to age 60 with less than 28 years of service in the System shall be reduced 1/2 of 1% for each month that the participant's age is under 60 years at the time the annuity commences. However, for a participant who retires on or after the effective date of this amendatory Act of the 91st General Assembly, the percentage reduction in retirement annuity imposed under this subsection shall be reduced by 5/12 of 1% for every month of service in this System in excess of 20 years, and therefore a participant with at least 26 years of service in this System may retire at age 55 without any reduction in annuity.

The reduction in retirement annuity imposed by this subsection shall not apply in the case of retirement on account of disability.

(d) Notwithstanding any other provision of this Article, for a participant who first serves as a judge on or after the effective date of this amendatory Act of the 96th General Assembly and who is retiring after attaining age 62, the retirement annuity shall be reduced by 1/2 of 1% for each month that the participant's age is under age 67 at the time the annuity commences.

Upon termination of such employment, retirement annuity payments at the previous rate shall be resumed.

If such a participant resumes service as a judge, he or she shall receive credit for any additional service. medical insurance on an expense incurred or service basis, other than for specific diseases or for accidental injuries only, shall provide that employees or members whose insurance under the group policy would otherwise terminate because of termination of employment or membership or because of a reduction in hours below the minimum required by the group plan shall be entitled to continue their hospital, surgical and major medical insurance under that group policy, for themselves and their eligible dependents, subject to all of the group policy's terms and conditions applicable to those forms of insurance and to the following conditions:

1. Continuation shall only be available to an employee or member who has been continuously insured under the group policy (and for similar benefits under any group policy which it replaced) during the entire 3 months period ending with such termination or reduction in hours below the minimum required by the group plan. With respect to an employee or member who is involuntarily terminated between September 1, 2008 and the end of the period set forth in Section 3001(a)(3)(A) of Title III of Division B of the federal American Recovery and Reinvestment Act of 2009, as now or hereafter amended December 31, 2009, continuation shall be available if the employee or member was insured under the group policy on the day prior to the termination.

2. Continuation shall not be available for any person who is covered by Medicare, except for those individuals who have been covered under a group Medicare supplement policy. Neither shall continuation be available for any person who is covered by any other insured or uninsured plan which provides hospital, surgical or medical coverage for individuals in a group and under which the person was not covered immediately prior to such termination or reduction in hours below the minimum required by the group plan or who exercises his conversion privilege under the group policy.

3. Continuation need not include dental, vision care, prescription drug benefits, disability income, specified disease, or similar supplementary benefits which are provided under the group policy in addition to its hospital, surgical or major medical benefits.

4. Within 10 days after the employee's or member's termination or reduction in hours below the minimum required by the group plan written notice of continuation shall be presented to
the employee or member by the employer. If the employee or member is unavailable, written notice shall be mailed by the employer to the last known address of the employee or member within 10 days after the employee's or member's termination or reduction in hours below the minimum required by the group plan. The employer shall also send a copy of the notice to the insurer. An employee or member who wishes continuation of coverage must request such continuation in writing within the 30 day period following the later of: (i) the date of such termination or reduction in hours below the minimum required by the group plan, or (ii) the date the employee is presented or mailed written notice of the right of continuation by either the employer or the group policyholder. In no event, however, may the employee or member elect continuation more than 60 days after the date of such termination or reduction in hours below the minimum required by the group plan. Written notice of continuation presented to the employee or member by the policyholder, or mailed by the policyholder to the last known address of the employee, shall constitute the giving of notice for the purpose of this provision.

The insurer shall not deny coverage to the employee or member due to the employer's failure to provide notice pursuant to this Section to the employee or member. Until the end of the period set forth in Section 3001(a)(3)(A) of Title III of Division B of the federal American Recovery and Reinvestment Act of 2009, as now or hereafter amended January 1, 2010, in the event the employee or member contacts the insurer regarding continuation rights and advises that notice has not been provided by the employer or group policyholder, the insurer shall provide a written explanation to the employee or member of the employee's or member's continuation rights pursuant to this Section.

4a. Unless contrary to the provisions of, or any rules promulgated pursuant to, Section 3001(a)(7) of Title III of Division B of the federal American Recovery and Reinvestment Act of 2009, with respect to employees or members of health plans that are subject solely to State continuation coverage and who are terminated or whose reduction in hours below the minimum required by the group occurs between the effective date of this amendatory Act of the 96th General Assembly and the end of the period set forth in Section 3001(a)(3)(A) of Title III of Division B

Such written notice shall conform to all applicable requirements set forth in Section 3001(a)(7) of Title III of Division B of the federal American Recovery and Reinvestment Act of 2009. The Department shall publish models for the notification that shall be provided by insurers pursuant to this paragraph 4a.

4b. Unless contrary to the provisions of, or any rules promulgated pursuant to, Section 3001(a)(7) of Title III of Division B of the federal American Recovery and Reinvestment Act of 2009, with respect to employees or members of health plans that are subject solely to State continuation coverage who were terminated or whose reduction in hours below the minimum required by the group occurred between September 1, 2008 and the effective date of this amendatory Act of the 96th General Assembly and who have an election of continuation of coverage pursuant to this Section in effect, notice shall be presented or mailed to the employee or member by the insurer informing the employee or member of the availability of premium reduction with respect to such coverage under the federal American Recovery and Reinvestment Act of 2009. The Department shall publish models for the notification that shall be provided by insurers pursuant to this paragraph 4b.

5. An employee or member electing continuation must pay to the group policyholder or his employer, on a monthly basis in advance, the total amount of premium required by the insurer, including that portion of the premium contributed by the policyholder or employer, if any, but not more than the group rate for the insurance being continued with appropriate reduction in

(ii) The prior group policy shall continue to provide benefits to the extent of its accrued liabilities and extensions of benefits as if the replacement had not occurred.

7. A notification of the continuation privilege shall be included in each certificate of coverage.

8. Continuation shall not be available for any employee who was discharged because of the commission of a felony in connection with his work, or because of theft in connection with his work, for which the employer was in no way responsible; provided the employee admitted his commission of the felony or theft or such act has resulted in a conviction or order of supervision by a court of competent jurisdiction.

9. An employee or member without an election of continuation of coverage pursuant to this Section in effect on the effective date of this amendatory Act of the 96th General Assembly may elect continuation pursuant to this paragraph 9 if the employee or member: (i) would be an assistance eligible individual as defined in Section 3001(a)(3) of Title III of Division B of the federal American Recovery and Reinvestment Act of 2009, if such an election were in effect and (ii) at the time of termination was eligible for continuation pursuant to paragraphs 1 and 2 of this Section.

Section 99. Effective date. This Act takes effect upon becoming law.

Passed in the General Assembly April 15, 2010.

Approved May 17, 2010.

Effective May 17, 2010.

PUBLIC ACT 96-0895

(House Bill No. 5428)

AN ACT concerning civil law.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Adoption Act is amended by changing Sections 18.04, 18.05, 18.06, 18.07, 18.1, 18.1a, 18.1b, 18.2, 18.3, 18.3a, 18.5, and 18.6 as follows:

(750 ILCS 50/18.04)

Sec. 18.04. Original Birth Certificate Access. The Illinois Adoption Registry and Medical Information Exchange; legislative intent. The General Assembly recognizes that it is the basic right of all persons to access their birth records, and, to this end, supports public policy that allows an adult adoptee to access his or her original birth certificate. The General Assembly further recognizes that there are circumstances under which a birth parent may have compelling reasons for wishing to remain anonymous to a child he or she surrendered for adoption. In an effort to
balance these interests, the General Assembly supports public policy that releases a non-certified copy of the original birth certificate to an adult adopted person upon request unless a specific request for anonymity has been filed with the Registry by a birth parent named on the original birth certificate the importance of creating a procedure by which mutually consenting adult members of birth and adoptive families, and adult adopted or surrendered persons may voluntarily exchange vital medical information throughout the life of the adopted or surrendered person. The General Assembly further recognizes that it is in the best interest of adopted and surrendered persons that birth family medical histories and the preferences regarding contact of all parties to an adoption be compiled, preserved and provided to mutually consenting members of birth and adoptive families.

All Birth Parent Preference Forms on file with the Registry at the time of receipt of a Request for a Non-Certified Copy of an Original Birth Certificate from an adult adopted or surrendered person or the surviving adult child or surviving spouse of a deceased adopted or surrendered person shall be forwarded to the relevant adopted or surrendered person or surviving adult child or surviving spouse of a deceased adopted or surrendered person along with a non-certified copy of the adopted or surrendered person's original birth certificate as outlined in subsection (e) of this Section.

(e) Procedures for requesting a non-certified copy of an original birth certificate by an adult adopted or surrendered person or by a surviving adult child or surviving spouse of a deceased adopted or surrendered person:

(1) On or after the effective date of this amendatory Act of the 96th General Assembly, any adult adopted or surrendered person:
person who was born in Illinois prior to January 1, 1946, may complete and file with the Registry a Request for a Non-Certified Copy of an Original Birth Certificate. The Registry shall provide such adult adopted or surrendered person with an unaltered, non-certified copy of his or her original birth certificate upon receipt of the Request for a Non-Certified Copy of an Original Birth Certificate. Additionally, in cases where an adopted or surrendered person born in Illinois prior to January 1, 1946, is deceased, and one of his or her surviving adult children or his or her surviving spouse has registered with the Registry, he or she may complete and file with the Registry a Request for a Non-Certified Copy of an Original Birth Certificate. The Registry shall provide such surviving adult child or surviving spouse with an unaltered, non-certified copy of the adopted or surrendered person's original birth certificate upon receipt of the Request for a Non-Certified Copy of an Original Birth Certificate.

Additionally, in cases where the adopted or surrendered person is deceased and one of his or her surviving adult children or his or her surviving spouse has registered with the Registry, he or she may complete and file with the Registry a Request for a Non-Certified Copy of an Original Birth Certificate. Upon receipt of such request from an adult adopted or surrendered person or from one of his or her surviving adult children or his or her surviving spouse, the Registry shall:

A requesting adult adopted or surrendered person shall also be informed in writing of his or her right to petition the court for the appointment of a confidential intermediary pursuant to Section 18.3a of this Act and, if applicable, to conduct a search through an agency post-adoption search program once 5 years have elapsed since the birth parent filed the Denial of Information Exchange with the Registry.

(ii) Determine if a birth parent named on the original birth certificate has filed a Birth Parent Preference Form. If one of the birth parents named on the original birth certificate filed a Birth Parent Preference Form and selected Option A, B, C, or D, the Registry shall forward to the adult adopted or surrendered person or to the surviving adult child or surviving spouse of a deceased adopted or surrendered person a copy of the Birth Parent Preference Form. If one of the birth parents named on the original birth certificate filed a Birth Parent Preference Form and selected Option E, and there is no proof of death in the Registry file for the birth parent who filed said Birth Parent Preference Form, the Registry shall inform the requesting adult adopted or surrendered person or the requesting surviving adult child or surviving spouse of a deceased adopted or surrendered person that he or she may receive a non-certified copy of the original birth certificate from which identifying information pertaining to the birth parent who completed the Birth Parent Preference Form has been redacted per the birth parent's specifications on the Form. The Registry shall forward to the adult adopted or surrendered person or to the surviving adult child or surviving spouse of a deceased adopted or surrendered person a copy of the Birth Parent Preference Form filed by the birth parent from which identifying information has been redacted per the birth parent's specifications on the Form. The requesting adult adopted or surrendered person shall also be informed in writing of his or her right to petition the court for the appointment of a confidential intermediary pursuant to Section 18.3a of this Act, and, if

applicable, to conduct a search through an agency post-adoption search program once 5 years have elapsed since the birth parent filed the Birth Parent Preference Form, on which Option E was selected, with the Registry.

(iii) Determine if a birth parent named on the original birth certificate has filed an Information Exchange Authorization.

(iv) If the Registry has confirmed that a requesting adult adopted or surrendered person or the parent of a requesting adult child of a deceased adopted or surrendered person or the husband or wife of a requesting surviving spouse was not the object of a Denial of Information Exchange filed by a birth parent on or before December 31, 2010, and that no birth parent named on the original birth certificate has filed a Birth Parent Preference Form where Option E was selected prior to the receipt of a Request for a Non-Certified Copy of an Original Birth Certificate, the Registry shall provide the adult adopted or surrendered person or his or her surviving adult child or surviving spouse with an unaltered non-certified copy of the adopted or surrendered person's original birth certificate.

(3) In cases where the Registry receives a Birth Parent Preference Form from a birth parent subsequent to the release of the non-certified copy of the original birth certificate to an adult adopted or surrendered person or to the surviving adult child or surviving spouse of a deceased adopted or surrendered person, the Birth Parent Preference Form shall be immediately forwarded to the adult adopted or surrendered person or to the surviving adult child or surviving spouse of the deceased adopted or surrendered person and the birth parent who filed the form shall be informed that the relevant original birth certificate has already been released.

(4) A copy of the original birth certificate shall only be released to adopted or surrendered persons who were born in Illinois; to surviving adult children or surviving spouses of deceased adopted or surrendered persons who were born in Illinois; or to 2 registered parties who have both consented to the release of a non-certified copy of the original birth certificate to

one another through the Registry when the birth of the relevant adopted or surrendered person took place in Illinois.

(5) In cases where the Registry receives a Request for a Non-Certified Copy of an Original Birth Certificate from an adult adopted or surrendered person who has not completed a Registry application and the file of that adopted or surrendered person includes an Information Exchange Authorization or Medical Information Exchange Questionnaire from one or more of his or her birth relatives, the Registry shall so inform the adult adopted or surrendered person and forward Registry application forms to him or her along with a non-certified copy of the original birth certificate consistent with the procedures outlined in this subsection (e).

(6) In cases where a birth parent registered with the Registry and filed a Medical Information Exchange Questionnaire prior to the effective date of this amendatory Act of the 96th General Assembly but gave no indication as to his or her wishes regarding contact or the sharing of identifying information, the Registry shall contact the birth parent by written letter prior to January 1, 2011, and provide him or her with the opportunity to indicate his or her preference regarding contact and the sharing of identifying information by submitting a Birth Parent Preference Form to the Registry prior to November 1, 2011.

(7) In cases where the Registry cannot locate a copy of the original birth certificate in the Registry file, they shall be authorized to request a copy of the original birth certificate from the Illinois county where the birth took place for placement in the Registry file.

(8) Adopted and surrendered persons who wish to have their names placed with the Illinois Adoption Registry and Medical Information Exchange may do so by completing a Registry application at any time, but completing a Registry application shall not be required for adopted and surrendered persons who seek only to obtain a copy of their original birth certificate or any relevant Birth Parent Preference Forms through the Registry.

(9) In cases where a birth parent filed a Denial of Information Exchange with the Registry prior to January 1, 2011, or filed a Birth Parent Preference Form with the Registry and selected Option E after January 1, 2011, and a proof of death for...
the birth parent who filed the Denial or the Birth Parent Preference Form has been filed with the Registry by either a confidential intermediary or a surviving relative of the deceased birth parent, the Registry shall be authorized to release an unaltered non-certified copy of the original birth certificate to an adult adopted or surrendered person or to the surviving adult child or surviving spouse of a deceased adopted or surrendered person who has filed a Request for a Non-Certified Copy of the Original Birth Certificate with the Registry.

(10) On and after the effective date of this amendatory Act of the 96th General Assembly, in cases where all birth parents named on the original birth certificate of an adopted or surrendered person born after January 1, 1946, are deceased and copies of death certificates for all birth parents named on the original birth certificate have been filed with the Registry by either a confidential intermediary or a surviving relative of the deceased birth parent, the Registry shall be authorized to release a non-certified copy of the original birth certificate to the adopted or surrendered person upon receipt of his or her Request for a Non-Certified Copy of an Original Birth Certificate.

(f) A registrant may complete all or any part of the Illinois Adoption Registry Application. All Illinois Adoption Registry Applications, Information Exchange Authorizations, Denials of Information Exchange, requests to revoke an Information Exchange Authorization or Denial of Information Exchange, and affidavits submitted to the Registry shall be accompanied by proof of identification.

The Department shall establish the Illinois Adoption Registry Application form including the Medical Information Exchange Questionnaire by rule.

PREFERENCE FORM ON OR AFTER JANUARY 1, 2011. DENIALS FILED BY A BIRTH PARENT BEFORE JANUARY 1, 2011, WILL EXPIRE UPON THE DEATH OF THE BIRTH PARENT WITH RESPECT TO ACCESS TO IDENTIFYING INFORMATION ON THE ORIGINAL BIRTH CERTIFICATE RELEASED TO AN ADULT ADOPTED OR SURRENDERED PERSON OR TO A SURVIVING ADULT CHILD OR SURVIVING SPOUSE OF A DECEASED ADOPTED OR SURRENDERED PERSON.

(f) The form of the Birth Parent Preference Form shall be substantially as follows:

In recognition of the basic right of all persons to access their birth records, Illinois law now provides for the release of original birth certificates to adopted and surrendered persons 21 years of age or older upon request. While many birth parents are comfortable sharing their identities or initiating contact with their birth sons and daughters once they have reached adulthood, Illinois law also recognizes that there may be unique situations where a birth parent might have a compelling reason for not wishing to establish contact with a birth son or daughter or for not wishing to release identifying information that appears on the original birth certificate of a birth son or daughter who has reached adulthood. The Illinois Adoption Registry and Medical Information Exchange (IARMIE) has therefore established this form to allow birth parents whose birth son or daughter was born on or after January 1, 1946, to express their wishes regarding contact and the sharing of identifying information.

listed on the original birth certificate with an adult adopted or surrendered person who has reached the age of 21.

In selecting one of the 5 options below, birth parents should keep in mind that the decision to deny an adult adopted or surrendered person access to identifying information on his or her original birth record and/or information about genetically-transmitted diseases is an important one that can impact the adopted or surrendered person's life in many ways. A request for anonymity on this form only pertains to information that is provided to an adult adopted or surrendered person or his or her surviving relatives through the Registry and does not prevent the disclosure of identifying information that may be available to the adoptee through his or her adoptive parents and/or other means available to him or her. Birth parents who would prefer not to be contacted by their surrendered son or daughter are strongly urged to complete both the Non-Identifying Information Section included on the final page of this document and the Medical Questionnaire in order to provide their surrendered son or daughter with the background information their surrendered son or daughter may need to better understand himself or herself and his or her origins. Furthermore, birth parents whose surrendered son or daughter is under 21 years of age at the time of completion of this form are reminded that, since no original birth certificates are released by the IARMIE before an adoptee has reached the age of 21, and birth parents are encouraged to take as much time as they need to weigh the options available to them before completing this form. Should you need additional assistance in completing this form, please contact the agency that handled the adoption, if applicable, or the Illinois Adoption Registry and Medical Information Exchange at 217-557-5159.

After careful consideration, I, (insert your name) ......, have made the following decision regarding contact with my birth son/birth daughter, (insert birth son's/birth daughter's name at birth, if applicable) ......, who was born in (insert city/town of birth) ...... on (insert date of birth)...... and the release of my identifying information as it appears on his/her original birth certificate when he/she reaches the age of 21, and I have chosen Option ...... (insert A, B, C, D, or E, as applicable). I realize that this form must be accompanied by a completed IARMIE application form as well as a Medical Information Exchange Questionnaire or the $15 registration fee. I am also aware that I may revoke this decision at any time by completing a new Birth Parent Preference Form and filing it with the IARMIE. I understand that it is my responsibility to update the IARMIE

Sec. 18.3a. Confidential intermediary.

New matter indicated by italics - deletions by strikeout
(a) General purposes. Notwithstanding any other provision of this Act, any adopted or surrendered person 21 years of age or over, any adoptive parent or legal guardian of an adopted or surrendered person under the age of 21, or any birth parent of an adopted or surrendered person who is 21 years of age or over may petition the court in any county in the State of Illinois for appointment of a confidential intermediary as provided in this Section for the purpose of exchanging medical information with one or more mutually consenting biological relatives, obtaining identifying information about one or more mutually consenting biological relatives, or arranging contact with one or more mutually consenting biological relatives. Additionally, in cases where an adopted or surrendered person is deceased, an adult child of the adopted or surrendered person or his or her adoptive parents or surviving spouse may file a petition under this Section and in cases where the birth parent is deceased, an adult birth sibling of the adopted or surrendered person or of the deceased birth parent may file a petition under this Section for the purpose of exchanging medical information with one or more mutually consenting biological relatives of the adopted or surrendered person, obtaining identifying information about one or more mutually consenting biological relatives of the adopted or surrendered person, or arranging contact with one or more mutually consenting biological relatives of the adopted or surrendered person. Beginning January 1, 2006, any adopted or surrendered person 21 years of age or over; any adoptive parent or legal guardian of an adopted or surrendered person under the age of 21; any birth parent, birth sibling, birth aunt, or birth uncle of an adopted or surrendered person over the age of 21; any surviving child, adoptive parent, or surviving spouse of a deceased adopted or surrendered person who wishes to petition the court for the appointment of a confidential intermediary shall be required to accompany their petition with proof of registration with the Illinois Adoption Registry and Medical Information Exchange.

(b) Petition. Upon petition by an adopted or surrendered person 21 years of age or over (an "adult adopted or surrendered person"), an adoptive parent or legal guardian of an adopted or surrendered person under the age of 21, or a birth parent of an adopted or surrendered person who is 21 years of age or over, the court shall appoint a confidential intermediary. Upon petition by an adult child, adoptive parent or surviving spouse of an adopted or surrendered person who is deceased, by an adult birth sibling of an adopted or surrendered person whose common birth
parent is deceased and whose adopted or surrendered birth sibling is 21 years of age or over, or by an adult sibling of a birth parent who is deceased, and whose surrendered child is 21 years of age or over, the court may appoint a confidential intermediary if the court finds that the disclosure is of greater benefit than nondisclosure. The petition shall state which biological relative or relatives are being sought and shall indicate if the petitioner wants to do any one or more of the following: exchange medical information with the biological relative or relatives, obtain identifying information from the biological relative or relatives, or to arrange contact with the biological relative.

(c) Order. The order appointing the confidential intermediary shall allow that intermediary to conduct a search for the sought-after relative by accessing those records described in subsection (g) of this Section.

(d) Fees and expenses. The court shall condition the appointment of the confidential intermediary on the petitioner's payment of the intermediary's fees and expenses in advance of the commencement of the work of the confidential intermediary. However, no fee shall be charged if the petitioner is an adult adopted or surrendered person and the sought-after relative is a birth parent who filed a Denial with the Registry prior to January 1, 2011, or filed a Birth Parent Preference Form on which Option E was selected after January 1, 2011 and more than 5 years have transpired since the birth parent filed the Denial of Information Exchange or Birth Parent Preference Form on which Option E was selected.

(e) Eligibility of intermediary. The court may appoint as confidential intermediary any person certified by the Department of Children and Family Services as qualified to serve as a confidential intermediary. Certification shall be dependent upon the confidential intermediary completing a course of training including, but not limited to, applicable federal and State privacy laws.

(f) Confidential Intermediary Council. There shall be established under the Department of Children and Family Services a Confidential Intermediary Advisory Council. One member shall be an attorney representing the Attorney General's Office appointed by the Attorney General. One member shall be a currently certified confidential intermediary appointed by the Director of the Department of Children and Family Services. The Director shall also appoint 5 additional members. When making those appointments, the Director shall consider advocates for adopted persons, adoptive parents, birth parents, lawyers who represent clients in private adoptions, lawyers specializing in privacy law, and

representatives of agencies involved in adoptions. The Director shall appoint one of the 7 members as the chairperson. An attorney from the Department of Children and Family Services and the person directly responsible for administering the confidential intermediary program shall serve as ex-officio, non-voting advisors to the Council. Council members shall serve at the discretion of the Director and shall receive no compensation other than reasonable expenses approved by the Director. The Council shall meet no less than twice yearly and shall meet at least once yearly with the Registry Advisory Council, and shall make recommendations to the Director regarding the development of rules, procedures, and forms that will ensure efficient and effective operation of the confidential intermediary process, including:

(1) Standards for certification for confidential intermediaries.

(2) Oversight of methods used to verify that intermediaries are complying with the appropriate laws.

(3) Training for confidential intermediaries, including training with respect to federal and State privacy laws.

(4) The relationship between confidential intermediaries and the court system, including the development of sample orders defining the scope of the intermediaries' access to information.

(5) Any recent violations of policy or procedures by confidential intermediaries and remedial steps, including decertification, to prevent future violations.

(g) Access. Subject to the limitations of subsection (i) of this Section, the confidential intermediary shall have access to vital records or a comparable public entity that maintains vital records in another state in accordance with that state's laws, maintained by the Department of Public Health and its local designees for the maintenance of vital records or a comparable public entity that maintains vital records in another state in accordance with that state's laws and all records of the court or any adoption agency, public or private, as limited in this Section, which relate to the adoption or the identity and location of an adopted or surrendered person, of an adult child or surviving spouse of a deceased adopted or surrendered person, or of a birth parent, birth sibling, or the sibling of a deceased birth parent. The confidential intermediary shall not have access to any personal health information protected by the Standards for Privacy of Individually Identifiable Health Information adopted by the U.S. Department of Health and Human Services under the Health Insurance
Portability and Accountability Act of 1996 unless the confidential intermediary has obtained written consent from the person whose information is being sought by an adult adopted or surrendered person or, if that person is a minor child, that person's parent or guardian. Confidential intermediaries shall be authorized to inspect confidential relinquishment and adoption records. The confidential intermediary shall not be authorized to access medical records, financial records, credit records, banking records, home studies, attorney file records, or other personal records. In cases where a birth parent is being sought, an adoption agency shall inform the confidential intermediary of any statement filed pursuant to Section 18.3, hereinafter referred to as "the 18.3 statement", indicating a desire of the surrendering birth parent to have identifying information shared or to not have identifying information shared. If there was a clear statement of intent by the sought-after birth parent not to have identifying information shared, the confidential intermediary shall discontinue the search and inform the petitioning party of the sought-after relative's intent unless the birth parent filed the 18.3 statement prior to the effective date of this amendatory Act of the 96th General Assembly and more than 5 years have elapsed since the filing of the 18.3 statement. If the adult adopted or surrendered person is the subject of an 18.3 statement indicating a desire not to establish contact which was filed more than 5 years prior to the search request, the confidential intermediary shall confirm the petitioner's desire to continue the search. Information provided to the confidential intermediary by an adoption agency shall be restricted to the full name, date of birth, place of birth, last known address, last known telephone number of the sought-after relative or, if applicable, of the children or siblings of the sought-after relative, and the 18.3 statement.

(h) Adoption agency disclosure of medical information. If the petitioner is an adult adopted or surrendered person or the adoptive parent of a minor and if the petitioner has signed a written authorization to disclose personal medical information, an adoption agency disclosing information to a confidential intermediary shall disclose available medical information about the adopted or surrendered person from birth through adoption.

(i) Duties of confidential intermediary in conducting a search. In conducting a search under this Section, the confidential intermediary shall first confirm that there is no Denial of Information Exchange on file with the Illinois Adoption Registry. If the petitioner is an adult child of an
adopted or surrendered person who is deceased, the confidential intermediary shall additionally confirm that the adopted or surrendered person did not file a Denial of Information Exchange with the Illinois Adoption Registry during his or her life. If there is a Denial on file with the Registry, the confidential intermediary must discontinue the search unless the petitioner is an adult adopted or surrendered person and the sought-after birth relative filed the Denial 5 years or more prior to the search or the birth parent has not been the object of a search through the State confidential intermediary program for 10 or more years. If the petitioner is an adult adopted or surrendered person and there is a Birth Parent Preference Form on file with the Registry and the birth parent who completed the form selected Option E, the confidential intermediary must discontinue the search unless 5 years or more have elapsed since the filing of the Birth Parent Preference Form. If the petitioner is an adult birth sibling of an adopted or surrendered person or an adult sibling of a birth parent who is deceased, the confidential intermediary shall additionally confirm that the birth parent did not file a Denial of Information Exchange with the Registry during his or her life. If the confidential intermediary learns that a sought-after birth parent signed an 18.3 π statement indicating his or her intent not to have identifying information shared, and did not later file an Information Exchange Authorization or a Birth Parent Preference Form with the Adoption Registry, the confidential intermediary shall discontinue the search and inform the petitioning party of the birth parent's intent, unless the petitioner is an adult adopted or surrendered person and 5 years or more have elapsed since the birth parent signed the statement indicating his or her intent not to have identifying information shared. In cases where the birth parent filed a Denial of Information Exchange or Birth Parent Preference Form where Option E was selected, or statement indicating his or her intent not to have identifying information shared less than 5 years prior to the search request and the petitioner is an adult adopted or surrendered person, the confidential intermediary shall inform the petitioner of the need to discontinue the search until 5 years have elapsed since the Denial of Information Exchange or Birth Parent Preference Form where Option E was selected, or statement was filed; in cases where a birth parent was previously the subject of a search through the State confidential intermediary program, the confidential intermediary shall inform the petitioner of the need to discontinue the search until 10 years or more have elapsed since the initial search was closed. In cases where a birth
parent has been the object of 2 searches through the State confidential intermediary program, no subsequent search for the birth parent shall be authorized absent a court order to the contrary.

In conducting a search under this Section, the confidential intermediary shall attempt to locate the relative or relatives from whom the petitioner has requested information. If the sought-after relative is deceased or cannot be located after a diligent search, the confidential intermediary may contact other adult relatives of the sought-after relative.

The confidential intermediary shall contact a sought-after relative on behalf of the petitioner in a manner that respects the sought-after relative's privacy and shall inform the sought-after relative of the petitioner's request for medical information, identifying information or contact as stated in the petition. Based upon the terms of the petitioner's request, the confidential intermediary shall contact a sought-after relative on behalf of the petitioner and inform the sought-after relative of the following options:

(1) The sought-after relative may totally reject one or all of the requests for medical information, identifying information or contact. The sought-after relative shall be informed that they can provide a medical questionnaire to be forwarded to the petitioner without releasing any identifying information. The confidential intermediary shall inform the petitioner of the sought-after relative's decision to reject the sharing of information or contact.

(2) The sought-after relative may consent to completing a medical questionnaire only. In this case, the confidential intermediary shall provide the questionnaire and ask the sought-after relative to complete it. The confidential intermediary shall forward the completed questionnaire to the petitioner and inform the petitioner of the sought-after relative's desire to not provide any additional information.

(3) The sought-after relative may communicate with the petitioner without having his or her identity disclosed. In this case, the confidential intermediary shall arrange the desired communication in a manner that protects the identity of the sought-after relative. The confidential intermediary shall inform the petitioner of the sought-after relative's decision to communicate but not disclose his or her identity.

(4) The sought-after relative may consent to initiate contact with the petitioner. If both the petitioner and the sought-after
relative or relatives are eligible to register with the Illinois Adoption Registry, the confidential intermediary shall provide the necessary application forms and request that the sought-after relative register with the Illinois Adoption Registry. If either the petitioner or the sought-after relative or relatives are ineligible to register with the Illinois Adoption Registry, the confidential intermediary shall obtain written consents from both parties that they wish to disclose their identities to each other and to have contact with each other.

(j) Oath. The confidential intermediary shall sign an oath of confidentiality substantially as follows: "I, .........., being duly sworn, on oath depose and say: As a condition of appointment as a confidential intermediary, I affirm that:

(1) I will not disclose to the petitioner, directly or indirectly, any confidential information except in a manner consistent with the law.

(2) I recognize that violation of this oath subjects me to civil liability and to a potential finding of contempt of court. 

SUBSCRIBED AND SWORN to before me, a Notary Public, on (insert date)

................................."

(k) Sanctions.

(1) Any confidential intermediary who improperly discloses confidential information identifying a sought-after relative shall be liable to the sought-after relative for damages and may also be found in contempt of court.

(2) Any person who learns a sought-after relative's identity, directly or indirectly, through the use of procedures provided in this Section and who improperly discloses information identifying the sought-after relative shall be liable to the sought-after relative for actual damages plus minimum punitive damages of $10,000.

(3) The Department shall fine any confidential intermediary who improperly discloses confidential information in violation of item (1) or (2) of this subsection (k) an amount up to $2,000 per improper disclosure. This fine does not affect civil liability under item (2) of this subsection (k). The Department shall deposit all fines and penalties collected under this Section into the Illinois Adoption Registry and Medical Information Fund.

(l) Death of person being sought. Notwithstanding any other provision of this Act, if the confidential intermediary discovers that the person being sought has died, he or she shall report this fact to the court, along with a copy of the death certificate. If the sought-after relative is a birth parent, the confidential intermediary shall also forward a copy of the birth parent's death certificate, if available, to the Registry for inclusion in the Registry file.

(m) Any confidential information obtained by the confidential intermediary during the course of his or her search shall be kept strictly confidential and shall be used for the purpose of arranging contact between the petitioner and the sought-after birth relative. At the time the case is closed, all identifying information shall be returned to the court for inclusion in the impounded adoption file.

(n) If the petitioner is an adopted or surrendered person 21 years of age or over or the adoptive parent or legal guardian of an adopted or surrendered person under the age of 21, any non-identifying information, as defined in Section 18.4, that is ascertained during the course of the search may be given in writing to the petitioner at any time during the search before the case is closed.

(o) Except as provided in subsection (k) of this Section, no liability shall accrue to the State, any State agency, any judge, any officer or employee of the court, any certified confidential intermediary, or any agency designated to oversee confidential intermediary services for acts, omissions, or efforts made in good faith within the scope of this Section.

(p) An adoption agency that has received a request from a confidential intermediary for the full name, date of birth, last known address, or last known telephone number of a sought-after relative pursuant to subsection (g) of Section 18.3a, or for medical information regarding a sought-after relative pursuant to subsection (h) of Section 18.3a, must satisfactorily comply with this court order within a period of 45 days. The court shall order the adoption agency to reimburse the petitioner in an amount equal to all payments made by the petitioner to the confidential intermediary, and the adoption agency shall be subject to a civil monetary penalty of $1,000 to be paid to the Department of Children and Family Services. Following the issuance of a court order finding that the adoption agency has not complied with Section 18.3, the adoption agency shall be subject to a monetary penalty of $500 per day for each subsequent day of non-compliance. Proceeds from such fines shall be

utilized by the Department of Children and Family Services to subsidize the fees of petitioners as referenced in subsection (d) of this Section.

(q) Provide information to eligible petitioner. The confidential intermediary may provide to eligible petitioners as described in subsections (a) and (b) of this Section, the name of the child welfare agency which had legal custody of the surrendered person or responsibility for placing the surrendered person and any available contact information for such agency. In addition, the confidential intermediary may provide to such petitioners the name of the state in which the surrender occurred or in which the adoption was finalized.

Any reimbursements and fines, notwithstanding any reimbursement directly to the petitioner, paid under this subsection are in addition to other remedies a court may otherwise impose by law.

Proceeds from the penalties paid to the Department of Children and Family Services shall be deposited into the DCFS Children's Services Fund. The Department of Children and Family Services shall submit reports to the Confidential Intermediary Advisory Council by July 1 and January 1 of each year in order to report the penalties assessed and collected under this subsection, the amounts of related deposits into the DCFS Children's Services Fund, and any expenditures from such deposits.

"New crops or livestock not customarily grown or produced in this State" shall not include corn, soybeans, wheat, swine, or beef or dairy cattle. "Vertical integration of grain or livestock produced or raised in this State" shall include any new or existing grain or livestock grown or produced in this State. The application shall at a minimum contain the farmer's or agribusiness' name, address, present credit and financial information, including cash flow statements, financial statements, balance sheets, and any other information pertinent to the application, and the collateral to be used to secure the State Guarantee. In addition, the lender must agree to charge an interest rate, which may vary, on the loan that the Authority determines to be below the market rate of interest generally available to the borrower. If both the lender and applicant agree, the interest rate on the State Guarantee Loan can be converted to a fixed interest rate at any time during the term of the loan. revoked by the Authority without a 90-day notice, in writing, to all parties. The lender shall not call due any loan for any reason except for lack of performance, insufficient collateral, or maturity. A lender may review and withdraw or continue with a State Guarantee on an annual basis after the first 5 years following closing of the loan application if the loan contract provides for an interest rate that shall not vary. A lender shall not withdraw a State Guarantee if the loan contract provides for an interest rate that may vary, except for reasons set forth herein.

(b) The Authority shall provide or renew a State Guarantee to a lender if:

(i) A fee equal to 25 basis points on the loan is paid to the Authority on an annual basis by the lender.

(ii) The application provides collateral acceptable to the Authority that is at least equal to the State's portion of the Guarantee to be provided.

(iii) The lender assumes all responsibility and costs for pursuing legal action on collecting any loan that is delinquent or in default.

(iv) The lender is responsible for the first 15% of the outstanding principal of the note for which the State Guarantee has been applied.

(c) There is hereby created outside of the State treasury a special fund to be known as the Illinois Farmer and Agribusiness Loan Guarantee Fund. The State Treasurer shall be custodian of this Fund. Any amounts in the Fund not currently needed to meet the obligations of the Fund shall be invested as provided by law, and all interest earned from these investments shall be deposited into the Fund until the Fund reaches the maximum amounts authorized in this Act; thereafter, interest earned shall be deposited into the General Revenue Fund. After September 1, 1989, annual investment earnings equal to 1.5% of the Fund shall remain in the Fund to be used for the purposes established in Section 830-40 of this Act. The Authority is authorized to transfer such amounts as are necessary to satisfy claims from available appropriations and from fund balances of the Farm Emergency Assistance Fund as of June 30 of each year to the Illinois Farmer and Agribusiness Loan Guarantee Fund to secure State Guarantees issued under this Section and Sections 830-45, and 830-50, and 830-55. If for any reason the General Assembly fails to make an appropriation sufficient to meet these obligations, this Act shall constitute an irrevocable and continuing appropriation of an amount necessary to secure guarantees

as defaults occur and the irrevocable and continuing authority for, and
direction to, the State Treasurer and the Comptroller to make the necessary
transfers to the Illinois Farmer and Agribusiness Loan Guarantee Fund, as
directed by the Governor, out of the General Revenue Fund. In the event
of default by the borrower on State Guarantee Loans under this Section,
Section 830-45, or Section 830-50, or Section 830-55, the lender shall be
entitled to, and the Authority shall direct payment on, the State Guarantee
after 90 days of delinquency. All payments by the Authority shall be made
from the Illinois Farmer and Agribusiness Loan Guarantee Fund to satisfy
claims against the State Guarantee. It shall be the responsibility of the
lender to proceed with the collecting and disposing of collateral on the
State Guarantee under this Section, Section 830-45, or Section 830-50, or
Section 830-55 within 14 months of the time the State Guarantee is
declared delinquent. If the lender does not dispose of the collateral within
14 months, the lender shall be liable to repay to the State interest on the
State Guarantee equal to the same rate that the lender charges on the State
Guarantee, provided that the Authority shall have the authority to extend
the 14-month period for a lender in the case of bankruptcy or extenuating
circumstances. The Fund shall be reimbursed for any amounts paid under
this Section, Section 830-45, or Section 830-50, or Section 830-55 upon
liquidation of the collateral. The Authority, by resolution of the Board,
may borrow sums from the Fund and provide for repayment as soon as
may be practical upon receipt of payments of principal and interest by a
borrower on State Guarantee Loans under this Section, Section 830-45, or
Section 830-50, or Section 830-55. Money may be borrowed from the
Fund by the Authority for the sole purpose of paying certain interest costs
for borrowers associated with selling a loan subject to a State Guarantee
under this Section, Section 830-45, or Section 830-50, or Section 830-55
in a secondary market as may be deemed reasonable and necessary by the
Authority.

(d) Notwithstanding the provisions of this Section 830-35 with
respect to the farmers, agribusinesses, and lenders who may obtain State
Guarantees, the Authority may promulgate rules establishing the eligibility
of farmers, agribusinesses, and lenders to participate in the State
Guarantee program and the terms, standards, and procedures that will
apply, when the Authority finds that emergency conditions in Illinois
agriculture have created the need for State Guarantees pursuant to terms,
standards, and procedures other than those specified in this Section.

Beginning with fiscal year 1994 and continuing for each fiscal year thereafter, the Chairman of the Metropolitan Pier and Exposition Authority shall annually certify to the State Comptroller and the State Treasurer the amount necessary and required, during the fiscal year with respect to which the certification is made, to pay the debt service requirements (including amounts to be paid with respect to arrangements to provide additional security or liquidity) on all outstanding bonds and notes, including refunding bonds, (collectively referred to as "bonds") in an amount issued by the Authority pursuant to Section 13.2 of the Metropolitan Pier and Exposition Authority Act. Section 10. The Use Tax Act is amended by changing Section 9 as follows:

(35 ILCS 105/9) (from Ch. 120, par. 439.9)

Sec. 9. Except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, each retailer required or authorized to collect the tax imposed by this Act shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. A retailer need not remit that part of any tax collected by him to the extent that he is required to remit and does remit the tax imposed by the Retailers' Occupation Tax Act, with respect to the sale of the same property.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period

for which the return is filed, the retailer, in collecting the tax (except as to
motor vehicles, watercraft, aircraft, and trailers that are required to be
registered with an agency of this State), may collect for each tax return
period, only the tax applicable to that part of the selling price actually
received during such tax return period.

Except as provided in this Section, on or before the twentieth day
of each calendar month, such retailer shall file a return for the preceding
calendar month. Such return shall be filed on forms prescribed by the
Department and shall furnish such information as the Department may
reasonably require.

The Department may require returns to be filed on a quarterly
basis. If so required, a return for each calendar quarter shall be filed on or
before the twentieth day of the calendar month following the end of such
calendar quarter. The taxpayer shall also file a return with the Department
for each of the first two months of each calendar quarter, on or before the
twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from
which he engages in the business of selling tangible personal
property at retail in this State;
3. The total amount of taxable receipts received by him
during the preceding calendar month from sales of tangible
personal property by him during such preceding calendar month,
including receipts from charge and time sales, but less all
deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department
may require.

If a taxpayer fails to sign a return within 30 days after the proper
notice and demand for signature by the Department, the return shall be
considered valid and any amount shown to be due on the return shall be
deemed assessed.

Beginning October 1, 1993, a taxpayer who has an average
monthly tax liability of $150,000 or more shall make all payments

the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Service Use Tax Act was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On
and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985, and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987, and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period).
liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

If any such payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown by an original monthly return, the Department shall issue to the taxpayer a credit memorandum no later than 30 days after the date of payment, which memorandum may be submitted by the taxpayer to the Department in

payment of tax liability subsequently to be remitted by the taxpayer to the Department or be assigned by the taxpayer to a similar taxpayer under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department, except that if such excess payment is shown on an original monthly return and is made after December 31, 1986, no credit memorandum shall be issued, unless requested by the taxpayer. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted by the taxpayer to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% or 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and the taxpayer shall be liable for penalties and interest on such difference.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.
In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 3-55 of this Act, then that seller may report the transfer of all the aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

The transaction reporting return in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft and aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount
allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the date of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the tax that is imposed by this Act may be transmitted to the Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of tax or proof of
exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer, and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Where a retailer collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the retailer refunds the selling price thereof to the purchaser, such retailer shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the retailer may deduct the amount of the tax so refunded by him to the purchaser from any other use tax which such retailer may be required to pay or remit to the Department, as shown by such return, if the amount of the tax to be deducted was previously remitted to the Department by such retailer. If the retailer has not previously remitted the amount of such tax to the Department, he is entitled to no deduction under this Act upon refunding such tax to the purchaser.

Any retailer filing a return under this Section shall also include (for the purpose of paying tax thereon) the total tax covered by such return upon the selling price of tangible personal property purchased by him at retail from a retailer, but as to which the tax imposed by this Act was not collected from the retailer filing such return, and such retailer shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable retailers, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the retailer has more than one business registered with the Department under separate registration under this Act, such retailer may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State Treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund 4% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State Treasury, 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property, other than tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any,
and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

Metropolitan Pier and Exposition Authority Act, but not after fiscal year 2060.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Section 15. The Service Use Tax Act is amended by changing Section 9 as follows:

(35 ILCS 110/9) (from Ch. 120, par. 439.39)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. A serviceman need not remit that part of any tax collected by him to the extent that he is required to pay and does pay the tax imposed by the Service Occupation Tax Act with respect to his sale of service involving the incidental transfer by him of the same property.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable Rules and Regulations to be promulgated by the Department. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such

calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

New matter indicated by italics - deletions by strikeout
Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

If the serviceman is otherwise required to file a monthly return and if the serviceman's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the serviceman is otherwise required to file a monthly or quarterly return and if the serviceman's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Where a serviceman collects the tax with respect to the selling price of property which he sells and the purchaser thereafter returns such

property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Use Tax, Service Occupation Tax, retailers' occupation tax or use tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

Any serviceman filing a return hereunder shall also include the total tax upon the selling price of tangible personal property purchased for use by him as an incident to a sale of service, and such serviceman shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Service Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registration hereunder, such serviceman shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Tax Reform Fund, a special fund in the State Treasury, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property, other than tangible personal property which
is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that is now taxed at 6.25%.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any

fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

Section 20. The Service Occupation Tax Act is amended by changing Section 9 as follows:

(35 ILCS 115/9) (from Ch. 120, par. 439.109)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax at the time when he is required to file his return for the period during which such tax was collectible, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the serviceman, in collecting the tax may collect, for each tax return period, only the tax applicable to the part of the selling price actually received during such tax return period.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable rules and regulations to be promulgated by the Department of Revenue. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require.

All taxpayers required to make payments by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Where a serviceman collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Occupation Tax, Service Use Tax, Retailers' Occupation Tax or Use Tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, the Use Tax Act or the Service Use Tax Act, to furnish all the return information required by all said Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registrations hereunder, such serviceman shall file separate returns for each registered business.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund the revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund 4% of the revenue realized for the preceding month from the 6.25% general rate.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that is now taxed at 6.25%.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers'
Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund pursuant to this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by
the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Remaining moneys received by the Department pursuant to this Act shall be paid into the General Revenue Fund of the State Treasury.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the taxpayer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the taxpayer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The taxpayer's annual return to the Department shall also disclose the cost of goods sold by the taxpayer during the year covered by such return, opening and closing inventories of such goods for such year, cost of goods used from stock or taken from stock and given away by the taxpayer during such year, pay roll information of the taxpayer's business during such year and any additional reasonable information which the taxpayer
Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such taxpayer as hereinbefore provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The foregoing portion of this Section concerning the filing of an annual information return shall not apply to a serviceman who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, it shall be permissible for manufacturers, importers and wholesalers whose products are sold by numerous servicemen in Illinois, and who wish to do so, to assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the servicemen who are

Section 25. The Retailers' Occupation Tax Act is amended by changing Section 3 as follows:
(35 ILCS 120/3) (from Ch. 120, par. 442)

Sec. 3. Except as provided in this Section, on or before the twentieth day of each calendar month, every person engaged in the business of selling tangible personal property at retail in this State during the preceding calendar month shall file a return with the Department, stating:

1. The name of the seller;
2. His residence address and the address of his principal place of business and the address of the principal place of business (if that is a different address) from which he engages in the business of selling tangible personal property at retail in this State;
3. Total amount of receipts received by him during the preceding calendar month or quarter, as the case may be, from sales of tangible personal property, and from services furnished, by him during such preceding calendar month or quarter;
4. Total amount received by him during the preceding calendar month or quarter on charge and time sales of tangible personal property, and from services furnished, by him prior to the month or quarter for which the return is filed;
5. Deductions allowed by law;
6. Gross receipts which were received by him during the preceding calendar month or quarter and upon the basis of which the tax is imposed;
7. The amount of credit provided in Section 2d of this Act;
8. The amount of tax due;
9. The signature of the taxpayer; and
10. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.
Prior to October 1, 2003, and on and after September 1, 2004 a retailer may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase Credit certification, accepted by a retailer prior to October 1, 2003 and on and after September 1, 2004 as provided in Section 3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchaser Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due; and
6. Such other reasonable information as the Department may require.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail,
alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A distributor, importing distributor, or manufacturer of alcoholic liquor must personally deliver, mail, or provide by electronic means to each retailer listed on the monthly statement a report containing a cumulative total of that distributor's, importing distributor's, or manufacturer's total sales of alcoholic liquor to that retailer no later than the 10th day of the month for the preceding month during which the transaction occurred. The distributor, importing distributor, or manufacturer shall notify the retailer as to the method by which the distributor, importing distributor, or manufacturer will provide the sales information. If the retailer is unable to receive the sales information by electronic means, the distributor, importing distributor, or manufacturer shall furnish the sales information by personal delivery or by mail. For purposes of this paragraph, the term "electronic means" includes, but is not limited to, the use of a secure Internet website, e-mail, or facsimile.

If a total amount of less than $1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to $1 if it is 50 cents or more.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax
liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.
If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then
that seller may report the transfer of all aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of The Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of The Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of The Illinois Vehicle Code, and such other information as the Department may reasonably require.
retailer on such transaction (or satisfactory evidence that such tax is not
due in that particular instance, if that is claimed to be the fact); the place
and date of the sale, a sufficient identification of the property sold, and
such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20
days after the day of delivery of the item that is being sold, but may be
filed by the retailer at any time sooner than that if he chooses to do so. The
transaction reporting return and tax remittance or proof of exemption from
the Illinois use tax may be transmitted to the Department by way of the
State agency with which, or State officer with whom the tangible personal
property must be titled or registered (if titling or registration is required) if
the Department and such agency or State officer determine that this
procedure will expedite the processing of applications for title or
registration.

With each such transaction reporting return, the retailer shall remit
the proper amount of tax due (or shall submit satisfactory evidence that the
sale is not taxable if that is the case), to the Department or its agents,
whereupon the Department shall issue, in the purchaser's name, a use tax
receipt (or a certificate of exemption if the Department is satisfied that the
particular sale is tax exempt) which such purchaser may submit to the
agency with which, or State officer with whom, he must title or register the
tangible personal property that is involved (if titling or registration is
required) in support of such purchaser's application for an Illinois
certificate or other evidence of title or registration to such tangible
personal property.

No retailer's failure or refusal to remit tax under this Act precludes
a user, who has paid the proper tax to the retailer, from obtaining his
certificate of title or other evidence of title or registration (if titling or
registration is required) upon satisfying the Department that such user has
paid the proper tax (if tax is due) to the retailer. The Department shall
adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the
transaction reporting return filed and the payment of the tax or proof of
exemption made to the Department before the retailer is willing to take
these actions and such user has not paid the tax to the retailer, such user
may certify to the fact of such delay by the retailer and may (upon the
Department being satisfied of the truth of such certification) transmit the
information required by the transaction reporting return and the remittance
for tax or proof of exemption directly to the Department and obtain his tax
receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th
day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1,
2000, once applicable, the requirement of the making of quarterly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarterly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarterly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarterly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the

quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of $25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to the effective date of this amendatory Act of 1985, each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of $20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the
Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than $20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this
Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund, a special fund in the State treasury which is hereby created, 4% of the net revenue realized for the preceding month from the 6.25% general rate.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that is now taxed at 6.25%.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to

and means the Certified Annual Debt Service Requirement (as defined in Section 13 of the Build Illinois Bond Act) or the Tax Act Amount, whichever is greater, for fiscal year 1994 and each fiscal year thereafter; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year. The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding...
pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the first sentence of this paragraph and shall reduce the amount otherwise payable for such fiscal year pursuant to that clause (b). The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

thereafter that bonds

Section 13.2 of the
Metropolitan Pier and
Exposition Authority Act,
but not after fiscal year 2060 2042.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to
the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

New matter indicated by italics - deletions by strikeout
The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets and similar exhibitions or events, including any transient merchant as defined by Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed $250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of
the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

The relocation plan shall be substantially similar to provisions of the Uniform Relocation

However, no such substitute property may be acquired by the Authority unless the mayor of the municipality in which the property is located certifies in writing that the acquisition is consistent with the municipality's land use and economic development policies and goals. The acquisition of substitute property is declared to be for public use. In exercising the powers authorized in this subsection (f), the Authority shall use its best efforts to relocate businesses within the area of McCormick Place or, failing that, within the City of Chicago.

(k) To enter into agreements, including project agreements with labor unions, that the Authority deems necessary to complete the Expansion Project or any other construction or improvement project in the most timely and efficient manner and without strikes, picketing, or other actions that might cause disruption or delay and thereby add to the cost of the project.

Sec. 5.4. Exhibitor rights and work rule reforms.

(a) Legislative findings.

(1) The Authority is a political subdivision of the State of Illinois subject to the plenary authority of the General Assembly and was created for the benefit of the general public to promote business, industry, commerce, and tourism within the City of Chicago and the State of Illinois.

(2) The Authority owns and operates McCormick Place and Navy Pier, which have collectively 2.8 million square feet of exhibit hall space, 700,000 square feet of meeting room space.
(3) The Authority is a vital economic engine that annually generates 65,000 jobs and $8 billion of economic activity for the State of Illinois through the trade shows, conventions, and other meetings held and attended at McCormick Place and Navy Pier.

(4) The Authority supports the operation of McCormick Place and Navy Pier through not only fees on the rental of exhibit and meeting room space, electrical and utility service, food and beverage services, and parking, but also hotel room rates paid by persons staying at the Authority-owned hotel.

(5) The Authority has a compelling and proprietary interest in the success, competitiveness, and continued viability of McCormick Place and Navy Pier as the owner and operator of the convention facilities and its obligation to ensure that these facilities produce sufficient operating revenues.

(6) The Authority's convention facilities were constructed and renovated through the issuance of public bonds that are directly repaid by State hotel, auto rental, food and beverage, and airport and departure taxes paid principally by persons who attend, work at, exhibit, and provide goods and services to conventions, shows, exhibitions, and meetings at McCormick Place and Navy Pier.

(7) State law also dedicates State occupation and use tax revenues to fulfill debt service obligations on these bonds should State hotel, auto rental, food and beverage, and airport and departure taxes fail to generate sufficient revenue.

(8) Through fiscal year 2010, $55 million in State occupation and use taxes will have been allocated to make debt service payments on the Authority's bonds due to shortfalls in State hotel, auto rental, food and beverage, and airport and departure taxes. These shortfalls are expected to continue in future fiscal years and would require the annual dedication of approximately $40 million in State occupation and use taxes to fulfill debt service payments.

(9) In 2009, managers of the International Plastics Showcase announced that 2009 was the last year they would host their exhibition at McCormick Place, as they had since 1971, because union labor work rules and electric and food service costs make it uneconomical for the show managers and exhibitors to use McCormick Place as a convention venue as compared to

New matter indicated by italics - deletions by strikeout
convention facilities in Orlando, Florida and Las Vegas, Nevada. The exhibition used over 740,000 square feet of exhibit space, attracted over 43,000 attendees, generated $4.8 million of revenues to McCormick Place, and raised over $200,000 in taxes to pay debt service on convention facility bonds.

(10) After the International Plastics Showcase exhibition announced its departure, other conventions and exhibitions managers and exhibitors also stated that they would not return to McCormick Place and Navy Pier for the same reasons cited by the International Plastics Showcase exhibition. In addition, still other managers and exhibitors stated that they would not select McCormick Place as a convention venue unless the union labor work rules and electrical and food service costs were made competitive with those in Orlando and Las Vegas.

(11) The General Assembly created the Joint Committee on the Metropolitan Pier and Exposition Authority to conduct hearings and obtain facts to determine how union labor work rules and electrical and food service costs make McCormick Place and Navy Pier uneconomical as a convention venue.

(12) Witness testimony and fact-gathering revealed that while the skilled labor provided by trade unions at McCormick Place and Navy Pier is second to none and is actually "exported" to work on conventions and exhibitions held in Orlando and Las Vegas, restrictive work rules on the activities show exhibitors may perform present exhibitors and show managers with an uninviting atmosphere and result in significantly higher costs than competing convention facilities.

(13) Witness testimony and fact-gathering also revealed that the mark-up on electrical and food service imposed by the Authority to generate operating revenue for McCormick Place and Navy Pier also substantially increased exhibitor and show organizer costs to the point of excess when compared to competing convention facilities.

(14) Witness testimony and fact-gathering further revealed that the additional departure of conventions, exhibitions, and trade shows from Authority facilities threatens the continued economic viability of these facilities and the stability of sufficient tax revenues necessary to support debt service.

New matter indicated by italics - deletions by strikeout
(15) In order to safeguard the Authority's and State of Illinois' shared compelling and proprietary interests in McCormick Place and Navy Pier and in response to local economic needs, the provisions contained in this Section set forth mandated changes and reforms to restore and ensure that (i) the Authority's facilities remain economically competitive with other convention venues and (ii) conventions, exhibitions, trade shows, and other meetings are attracted to and retained at Authority facilities by producing an exhibitor-friendly environment and by reducing costs for exhibitors and show managers.

When making the determination, the Authority or arbitrator, as the case may be, shall consider the training and skills required to perform the task, past practices on Authority premises, safety, and the need for efficiency and exhibitor satisfaction. These factors shall be considered in their totality and not in isolation. (a) The Authority may grant naming rights to the grounds, buildings, and facilities of the Authority. The Authority shall have all powers necessary to grant the license and enter into any agreements and execute any documents necessary to exercise the authority granted by this Section. New matter indicated by italics - deletions by strikeout
(b) The Authority shall give notice that the Authority will accept proposals for the licensing of naming rights with respect to specified properties by publication in the Illinois Procurement Bulletin not less than 30 business days before the day upon which proposals will be accepted. The Authority shall give such other notice as deemed appropriate. Proposals shall not be sealed and shall be part of the public record. The Authority shall conduct open, competitive negotiations with those who have submitted proposals in order to obtain the highest and best competitively negotiated proposals that yield the most advantageous benefits and considerations to the Authority. Neither the name, logo, products, or services of the proposer shall be such as to bring disrepute upon the Authority. If a proposal satisfactory to the Authority is not negotiated, the Authority may give notice as provided in this subsection and accept additional proposals.

(c) The licensee shall have the authority to place signs, placards, imprints, or other identifying information on the grounds, buildings, or facilities of the Authority as specified in the license and only during the term of the license. The license may, but need not, require the Authority to refer to a property or other asset by the name of the licensee during the term of the license.

(d) A license of naming rights is non-transferable, except to a successor entity of the licensee, and is non-renewable; however, the licensee is eligible to compete for a new license upon completion of the term of the agreement. A majority of the Board must approve any contract, lease, sale, conveyance, license, or other grant of rights to name buildings or facilities of the Authority. At least 25% of the total amount of license fees must be paid prior to the commencement of the term of the license and any balance shall be paid on a periodic schedule agreed to by the Authority.

(e) Any licensing fee or revenue as a result of naming rights shall be used as provided in Section 13(g) of this Act.

Sec. 10.2. Bonding disclosure.

(a) Truth in borrowing disclosure. Within 60 business days after the issuance of any bonds under this Act, the Authority shall disclose the total principal and interest payments to be paid on the bonds over the full stated term of the bonds. The disclosure also shall include principal and interest payments to be made by each fiscal year over the full stated term of the bonds and total principal and interest payments to be made by each
fiscal year on all other outstanding bonds issued under this Act over the full stated terms of those bonds. These disclosures shall be calculated assuming bonds are not redeemed or refunded prior to their stated maturities. Amounts included in these disclosures as payment of interest on variable rate bonds shall be computed at an interest rate equal to the rate at which the variable rate bonds are first set upon issuance, plus 2.5%, after taking into account any credits permitted in the related indenture or other instrument against the amount of such interest for each fiscal year.

(b) Bond sale expenses disclosure. Within 60 business days after the issuance of any bonds under this Act, the Authority shall disclose all costs of issuance on each sale of bonds under this Act. The disclosure shall include, as applicable, the respective percentages of participation and compensation of each underwriter that is a member of the underwriting syndicate, legal counsel, financial advisors, and other professionals for the bond issue and an identification of all costs of issuance paid to minority owned businesses, female owned businesses, and businesses owned by persons with disabilities. The terms "minority owned businesses", "female owned businesses", and "business owned by a person with a disability" have the meanings given to those terms in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act. In addition, the Authority shall provide copies of all contracts under which any costs of issuance are paid or to be paid to the Commission on Government Forecasting and Accountability within 60 business days after the issuance of bonds for which those costs are paid or to be paid. Instead of filing a second or subsequent copy of the same contract, the Authority may file a statement that specified costs are paid under specified contracts filed earlier with the Commission.

(c) The disclosures required in this Section shall be published by posting the disclosures for no less than 30 days on the website of the Authority and shall be available to the public upon request. The Authority shall also provide the disclosures to the Governor's Office of Management and Budget, the Commission on Government Forecasting and Accountability, and the General Assembly.

(70 ILCS 210/13) (from Ch. 85, par. 1233)

Sec. 13. (a) The Authority shall not have power to levy taxes for any purpose, except as provided in subsections (b), (c), (d), (e), and (f).

(b) By ordinance the Authority shall, as soon as practicable after the effective date of this amendatory Act of 1991, impose a Metropolitan
Pier and Exposition Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail within the territory described in this subsection at the rate of 1.0% of the gross receipts (i) from the sale of food, alcoholic beverages, and soft drinks sold for consumption on the premises where sold and (ii) from the sale of food, alcoholic beverages, and soft drinks sold for consumption off the premises where sold by a retailer whose principal source of gross receipts is from the sale of food, alcoholic beverages, and soft drinks prepared for immediate consumption.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and shall employ the same modes of procedure applicable to this Retailers' Occupation Tax as are prescribed in Sections 1, 2 through 2-65 (in respect to all provisions of those Sections other than the State rate of taxes), 2c, 2h, 2i, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13 and, and until January 1, 1994, 13.5 of the Retailers' Occupation Tax Act, and, on and after January 1, 1994, all applicable provisions of the Uniform Penalty and Interest Act that are not inconsistent with this Act, as fully as if provisions contained in those Sections of the Retailers' Occupation Tax Act were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability under this subsection by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, pursuant to bracket schedules as the Department may prescribe. The retailer filing the return shall, at the time of filing the return, pay to the Department the amount of tax imposed under this subsection, less a discount of 1.75%,

which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Nothing in this subsection authorizes the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

The second notice shall be published not less than 10 days before the date on which the Authority expects to select the contractor. The notice shall include a general description of the nature of the contract or agreement which the Authority is seeking and the procedure by which a person or firm interested in the contract or agreement may make its proposal to the Authority for consideration for the contract or agreement.

A request for proposals must be extended to a sufficient number of prospective providers of the required services or prospective bidders to assure that public interest in competition is adequately served.

The provisions of this subsection (b) do not apply if:

(1) the Authority concludes that there is a single source of the expertise or knowledge required or that one person can clearly perform the required tasks more satisfactorily because of the person's prior work; however, this exemption shall be narrowly construed and applies only if a written report that details the reasons for the exemption is entered into the minutes of the Authority and the Chairman has authorized in writing contract negotiations with the single source; or

A request for proposals must contain that information necessary for a prospective contractor or bidder to submit a response or contain references to any

Nothing in this subsection limits the power of the Authority to use additional means that it may consider appropriate to notify prospective contractors or bidders that it proposes to enter into a contract or agreement.

(c) After the responses are submitted, the Authority shall evaluate them. Each proposal received must be evaluated using the same factors as those set out in the request for proposals.

Any person that submits a response to a request for proposals under this Section shall disclose in the response the name of each individual having a beneficial interest directly or indirectly of more than 7 1/2% in such person and, if such person is a corporation, the names of each of its officers and directors. The person shall notify the Board of any changes in its ownership or its officers or directors at the time such changes occur if the change occurs during the pendency of a proposal or a contract.

(d) All contracts and agreements under this Section, whether or not exempted hereunder, shall be authorized and approved by the Board and shall be set forth in a writing executed by the contractor and the Authority. No payment shall be made under this Section until a written contract or agreement shall be so authorized, approved and executed, provided that payments for professional services may be made without a written contract to persons providing such services to the Authority as of the effective date of this amendatory Act of 1985 for sixty days from such date.

AN ACT concerning State government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. If and only if Senate Bill 28 (as enrolled) of the 96th General Assembly becomes law, the Metropolitan Pier and Exposition Authority Act is amended by changing Sections 5.4, 5.6, 14.2, 14.5, and 25.4 as follows:

(70 ILCS 210/5.4)
Sec. 5.4. Exhibitor rights and work rule reforms.

(a) Legislative findings.

(1) The Authority is a political subdivision of the State of Illinois subject to the plenary authority of the General Assembly and was created for the benefit of the general public to promote business, industry, commerce, and tourism within the City of Chicago and the State of Illinois.

(2) The Authority owns and operates McCormick Place and Navy Pier, which have collectively 2.8 million square feet of exhibit hall space, 700,000 square feet of meeting room space.

(3) The Authority is a vital economic engine that annually generates 65,000 jobs and $8 billion of economic activity for the State of Illinois through the trade shows, conventions, and other meetings held and attended at McCormick Place and Navy Pier.

(4) The Authority supports the operation of McCormick Place and Navy Pier through not only fees on the rental of exhibit and meeting room space, electrical and utility service, food and beverage services, and parking, but also hotel room rates paid by persons staying at the Authority-owned hotel.

(5) The Authority has a compelling and proprietary interest in the success, competitiveness, and continued viability of McCormick Place and Navy Pier as the owner and operator of the convention facilities and its obligation to ensure that these facilities produce sufficient operating revenues.

(6) The Authority's convention facilities were constructed and renovated through the issuance of public bonds that are directly repaid by State hotel, auto rental, food and beverage, and airport and departure taxes paid principally by persons who attend,

New matter indicated by italics - deletions by strikeout
work at, exhibit, and provide goods and services to conventions, shows, exhibitions, and meetings at McCormick Place and Navy Pier.

(7) State law also dedicates State occupation and use tax revenues to fulfill debt service obligations on these bonds should State hotel, auto rental, food and beverage, and airport and departure taxes fail to generate sufficient revenue.

(8) Through fiscal year 2010, $55 million in State occupation and use taxes will have been allocated to make debt service payments on the Authority's bonds due to shortfalls in State hotel, auto rental, food and beverage, and airport and departure taxes. These shortfalls are expected to continue in future fiscal years and would require the annual dedication of approximately $40 million in State occupation and use taxes to fulfill debt service payments.

(9) In 2009, managers of the International Plastics Showcase announced that 2009 was the last year they would host their exhibition at McCormick Place, as they had since 1971, because union labor work rules and electric and food service costs make it uneconomical for the show managers and exhibitors to use McCormick Place as a convention venue as compared to convention facilities in Orlando, Florida and Las Vegas, Nevada. The exhibition used over 740,000 square feet of exhibit space, attracted over 43,000 attendees, generated $4.8 million of revenues to McCormick Place, and raised over $200,000 in taxes to pay debt service on convention facility bonds.

(10) After the International Plastics Showcase exhibition announced its departure, other conventions and exhibitions managers and exhibitors also stated that they would not return to McCormick Place and Navy Pier for the same reasons cited by the International Plastics Showcase exhibition. In addition, still other managers and exhibitors stated that they would not select McCormick Place as a convention venue unless the union labor work rules and electrical and food service costs were made competitive with those in Orlando and Las Vegas.

(11) The General Assembly created the Joint Committee on the Metropolitan Pier and Exposition Authority to conduct hearings and obtain facts to determine how union labor work rules
and electrical and food service costs make McCormick Place and Navy Pier uneconomical as a convention venue.

(12) Witness testimony and fact-gathering revealed that while the skilled labor provided by trade unions at McCormick Place and Navy Pier is second to none and is actually "exported" to work on conventions and exhibitions held in Orlando and Las Vegas, restrictive work rules on the activities show exhibitors may perform present exhibitors and show managers with an uninviting atmosphere and result in significantly higher costs than competing convention facilities.

(13) Witness testimony and fact-gathering also revealed that the mark-up on electrical and food service imposed by the Authority to generate operating revenue for McCormick Place and Navy Pier also substantially increased exhibitor and show organizer costs to the point of excess when compared to competing convention facilities.

(14) Witness testimony and fact-gathering further revealed that the additional departure of conventions, exhibitions, and trade shows from Authority facilities threatens the continued economic viability of these facilities and the stability of sufficient tax revenues necessary to support debt service.

(15) In order to safeguard the Authority's and State of Illinois' shared compelling and proprietary interests in McCormick Place and Navy Pier and in response to local economic needs, the provisions contained in this Section set forth mandated changes and reforms to restore and ensure that (i) the Authority's facilities remain economically competitive with other convention venues and (ii) conventions, exhibitions, trade shows, and other meetings are attracted to and retained at Authority facilities by producing an exhibitor-friendly environment and by reducing costs for exhibitors and show managers.

(16) The provisions set forth in this Section are reasonable, necessary, and narrowly tailored to safeguard the Authority's and State of Illinois' shared and compelling proprietary interests and respond to local economic needs as compared to the available alternative set forth in House Bill 4900 of the 96th General Assembly and proposals submitted to the Joint Committee on the Metropolitan Pier and Exposition Authority. Action by the State offers the only comprehensive means to remedy the circumstances.
set forth in these findings, despite the concerted and laudable voluntary efforts of the Authority, labor unions, show contractors, show managers, and exhibitors.

(12) The Authority has the power to determine, after consultation with the Advisory Council, the work jurisdiction and scope of work of union employees on Authority premises during the move-in, move-out, and run of a show, provided that any affected labor organization may contest the Authority's determination through a binding decision of an independent, third-party arbitrator. When making the determination, the Authority or arbitrator, as the case may be, shall consider the training and skills required to perform the task, past practices on Authority premises, safety, and the need for efficiency and exhibitor satisfaction. These factors shall be considered in their totality and not in isolation. The regional superintendent of schools shall monitor the process for renewal of administrative certificates established in this subsection (c-10).

(c-15) This subsection (c-15) applies to the first period of an administrative certificate's validity during which the holder becomes subject to the requirements of subsection (c-10) of this Section if the certificate has less than 5 years' validity or has less than 5 years' validity remaining when the certificate holder becomes subject to the requirements of subsection (c-10) of this Section. With respect to this period, the 100 hours of continuing professional development and 5 activities per validity period specified in clause (A) of subsection (c-10) of this Section shall instead be deemed to mean 20 hours of continuing professional development and one activity per year of the certificate's validity or remaining validity and the 30 continuing professional development hours specified in clause (B) of subsection (c-10) of this Section shall instead be deemed to mean completion of at least one course per year of the certificate's validity or remaining validity. Certificate holders who evaluate
certified staff must complete a 2-day teacher evaluation course, in addition to the 30 continuing professional development hours.

(c-20) The State Board of Education, in consultation with the State Teacher Certification Board, shall develop procedures for implementing this Section and shall administer the renewal of administrative certificates. Failure to submit satisfactory evidence of continuing professional education which contributes to promoting the goals of this Section shall result in a loss of administrative certification.

(d) Any limited or life supervisory certificate issued prior to July 1, 1968 shall continue to be valid for all administrative and supervisory positions in the public schools for which it is valid as of that date as long as its holder meets the requirements for registration or renewal as set forth in the statutes or until revoked according to law.

(e) The administrative or supervisory positions for which the certificate shall be valid shall be determined by one or more of the following endorsements: general supervisory, general administrative, principal, chief school business official, and superintendent.

Subject to the provisions of Section 21-1a, endorsements shall be made under conditions set forth in this Section. The State Board of Education shall, in consultation with the State Teacher Certification Board, adopt rules pursuant to the Illinois Administrative Procedure Act, establishing requirements for obtaining administrative certificates where the minimum administrative or supervisory requirements surpass those set forth in this Section.

The State Teacher Certification Board shall file with the State Board of Education a written recommendation when considering additional administrative or supervisory requirements. All additional requirements shall be based upon the requisite knowledge necessary to perform those tasks required by the certificate. The State Board of Education shall in consultation with the State Teacher Certification Board, establish standards within its rules which shall include the academic and professional requirements necessary for certification. These standards shall at a minimum contain, but not be limited to, those used by the State Board of Education in determining whether additional knowledge will be required. Additionally, the State Board of Education shall in consultation with the State Teacher Certification Board, establish provisions within its rules whereby any member of the educational community or the public may file a formal written recommendation or inquiry regarding requirements.

Any person who obtains an administrative certificate with a general administrative endorsement affixed thereto under this paragraph shall not be qualified to serve in any administrative position except assistant principal.

Any person appointed to the position of superintendent between the effective date of this Act and June 30, 1993 in a school district organized pursuant to Article 32 with an enrollment of at least 20,000 pupils shall be exempt from the provisions of this paragraph (4) until June 30, 1996.

(House Bill No. 3785)

AN ACT concerning local government.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Municipal Code is amended by changing Section 11-13-1 as follows:

Sec. 11-13-1. To the end that adequate light, pure air, and safety from fire and other dangers may be secured, that the taxable value of land and buildings throughout the municipality may be conserved, that congestion in the public streets may be lessened or avoided, that the hazards to persons and damage to property resulting from the accumulation or runoff of storm or flood waters may be lessened or avoided, and that the public health, safety, comfort, morals, and welfare may otherwise be promoted, and to insure and facilitate the preservation of sites, areas, and structures of historical, architectural and aesthetic

importance; the corporate authorities in each municipality have the following powers:

(1) to regulate and limit the height and bulk of buildings hereafter to be erected;

(2) to establish, regulate and limit, subject to the provisions of Division 14 of this Article 11, the building or set-back lines on or along any street, traffic-way, drive, parkway or storm or floodwater runoff channel or basin;

(3) to regulate and limit the intensity of the use of lot areas, and to regulate and determine the area of open spaces, within and surrounding such buildings;

(4) to classify, regulate and restrict the location of trades and industries and the location of buildings designed for specified industrial, business, residential, and other uses;

(5) to divide the entire municipality into districts of such number, shape, area, and of such different classes (according to use of land and buildings, height and bulk of buildings, intensity of the use of lot area, area of open spaces, or other classification) as may be deemed best suited to carry out the purposes of this Division 13;

(6) to fix standards to which buildings or structures therein shall conform;

(7) to prohibit uses, buildings, or structures incompatible with the character of such districts;

(8) to prevent additions to and alteration or remodeling of existing buildings or structures in such a way as to avoid the restrictions and limitations lawfully imposed under this Division 13;

(9) to classify, to regulate and restrict the use of property on the basis of family relationship, which family relationship may be defined as one or more persons each related to the other by blood, marriage or adoption and maintaining a common household;

(10) to regulate or forbid any structure or activity which may hinder access to solar energy necessary for the proper functioning of a solar energy system, as defined in Section 1.2 of the Comprehensive Solar Energy Act of 1977;

(11) to require the creation and preservation of affordable housing, including the power to provide increased density or other zoning incentives to developers who are creating, establishing, or preserving affordable housing; and

(12) to establish local standards solely for the review of the exterior design of buildings and structures, excluding utility facilities and outdoor off-premises advertising signs, and designate a board or commission to implement the review process; except that, other than reasonable restrictions as to size, no home rule or non-home rule municipality may prohibit the display of outdoor political campaign signs on residential property during any period of time, the regulation of these signs being a power and function of the State and, therefore, this item (12) is a denial and limitation of concurrent home rule powers and functions under subsection (i) of Section 6 of Article VII of the Illinois Constitution.

The powers enumerated may be exercised within the corporate limits or within contiguous territory not more than one and one-half miles beyond the corporate limits and not included within any municipality. However, if any municipality adopts a plan pursuant to Division 12 of Article 11 which plan includes in its provisions a provision that the plan applies to such contiguous territory not more than one and one-half miles beyond the corporate limits and not included in any municipality, then no other municipality shall adopt a plan that shall apply to any territory included within the territory provided in the plan first so adopted by another municipality. No municipality shall exercise any power set forth in this Division 13 outside the corporate limits thereof, if the county in which such municipality is situated has adopted "An Act in relation to county zoning", approved June 12, 1935, as amended. Nothing in this Section prevents a municipality of more than 112,000 population located in a county of less than 185,000 population that has adopted a zoning ordinance and the county that adopted the zoning ordinance from entering into an intergovernmental agreement that allows the municipality to exercise its zoning powers beyond its territorial limits; provided, however, that the intergovernmental agreement must be limited to the territory within the municipality's planning jurisdiction as defined by law or any existing boundary agreement. The county and the municipality must amend their individual zoning maps in the same manner as other zoning changes are incorporated into revised zoning maps. No such intergovernmental agreement may authorize a municipality to exercise its zoning powers, other than powers that a county may exercise under Section 5-12001 of the Counties Code, with respect to land used for agricultural purposes. This amendatory Act of the 92nd General Assembly is declarative of existing law. No municipality may exercise any power set

forth in this Division 13 outside the corporate limits of the municipality with respect to a facility of a telecommunications carrier defined in Section 5-12001.1 of the Counties Code.

Notwithstanding any other provision of law to the contrary, at least 30 days prior to commencing construction of a new telecommunications facility within 1.5 miles of a municipality, the telecommunications carrier constructing the facility shall provide written notice of its intent to construct the facility. The notice shall include, but not be limited to, the following information: (i) the name, address, and telephone number of the company responsible for the construction of the facility and (ii) the address and telephone number of the governmental entity that issued the building permit for the telecommunications facility. The notice shall be provided in person, by overnight private courier, or by certified mail to all owners of property within 250 feet of the parcel in which the telecommunications carrier has a leasehold or ownership interest. For the purposes of this notice requirement, "owners" means those persons or entities identified from the authentic tax records of the county in which the telecommunications facility is to be located. If, after a bona fide effort by the telecommunications carrier to determine the owner and his or her address, the owner of the property on whom the notice must be served cannot be found at the owner's last known address, or if the mailed notice is returned because the owner cannot be found at the last known address, the notice requirement of this paragraph is deemed satisfied. For the purposes of this paragraph, "facility" means that term as it is defined in Section 5-12001.1 of the Counties Code.

If a municipality adopts a zoning plan covering an area outside its corporate limits, the plan adopted shall be reasonable with respect to the area outside the corporate limits so that future development will not be hindered or impaired; it is reasonable for a municipality to regulate or prohibit the extraction of sand, gravel, or limestone even when those activities are related to an agricultural purpose. If all or any part of the area outside the corporate limits of a municipality which has been zoned in accordance with the provisions of this Division 13 is annexed to another municipality or municipalities, the annexing unit shall thereafter exercise all zoning powers and regulations over the annexed area.

In all ordinances passed under the authority of this Division 13, due allowance shall be made for existing conditions, the conservation of property values, the direction of building development to the best advantage of the entire municipality and the uses to which the property is
devoted at the time of the enactment of such an ordinance. The powers conferred by this Division 13 shall not be exercised so as to deprive the owner of any existing property of its use or maintenance for the purpose to which it is then lawfully devoted, but provisions may be made for the gradual elimination of uses, buildings and structures which are incompatible with the character of the districts in which they are made or located, including, without being limited thereto, provisions (a) for the elimination of such uses of unimproved lands or lot areas when the existing rights of the persons in possession thereof are terminated or when the uses to which they are devoted are discontinued; (b) for the elimination of uses to which such buildings and structures are devoted, if they are adaptable for permitted uses; and (c) for the elimination of such buildings and structures when they are destroyed or damaged in major part, or when they have reached the age fixed by the corporate authorities of the municipality as the normal useful life of such buildings or structures.

This amendatory Act of 1971 does not apply to any municipality which is a home rule unit, except as provided in item (12).

(2) Provide that any payment required to be made under subsection (c)(1) or (c)(2) is deemed to be timely to the extent paid by electronic funds transfer on or before the due date for deposit of federal income taxes withheld from, or federal employment taxes due with respect to, the wages from which the Illinois taxes were withheld.

allowed to be carried forward under Section 211(4) of this Act as provided in subsection (f) of Section 5-15 of the Economic Development for a Growing Economy Tax Credit Act. The credit or credits may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit or credits exceeds the total payments due under this Section with respect to amounts withheld during the calendar year, the excess may be carried forward and applied against the taxpayer's liability under this Section in the 5 succeeding calendar years as allowed to be carried forward under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first. Each employer who deducts and withholds or is required to deduct and withhold tax under this Act and who retains income tax withholdings under subsection (f) of Section 5-15 of the Economic Development for a Growing Economy Tax Credit Act must make a return with respect to such taxes and retained amounts in the form and manner that the Department, by rule, requires and pay to the Department or to a depositary designated by the Department those withheld taxes not retained by the taxpayer. For purposes of this subsection (g), the term taxpayer shall include taxpayer and members of the taxpayer's unitary business group as defined under paragraph (27) of subsection (a) of Section 1501 of this Act. The credit shall be equal to the amount shown on the certificate, but may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit exceeds the total payments due under this Section with respect to amounts withheld during the calendar year, the excess may be carried forward and applied against the taxpayer's liability under this Section in the 5 succeeding calendar years. The credit shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one calendar year that are available to offset a liability, the earlier credit shall be applied first. This Section is exempt from the provisions of Section 250 of this Act.

(Senate Bill No. 0941)

AN ACT concerning transportation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Regional Transportation Authority Act is amended by changing Section 4.04 as follows:

(70 ILCS 3615/4.04) (from Ch. 111 2/3, par. 704.04)

(a) The Authority shall have the continuing power to borrow money and to issue its negotiable bonds or notes as provided in this Section. Unless otherwise indicated in this Section, the term "notes" also includes bond anticipation notes, which are notes which by their terms provide for their payment from the proceeds of bonds thereafter to be issued. Bonds or notes of the Authority may be issued for any or all of the following purposes: to pay costs to the Authority or a Service Board of constructing or acquiring any public transportation facilities (including funds and rights relating thereto, as provided in Section 2.05 of this Act); to repay advances to the Authority or a Service Board made for such purposes; to pay other expenses of the Authority or a Service Board incident to or incurred in connection with such construction or acquisition;

to provide funds for any transportation agency to pay principal of or interest or redemption premium on any bonds or notes, whether as such amounts become due or by earlier redemption, issued prior to the date of this amendatory Act by such transportation agency to construct or acquire public transportation facilities or to provide funds to purchase such bonds or notes; and to provide funds for any transportation agency to construct or acquire any public transportation facilities, to repay advances made for such purposes, and to pay other expenses incident to or incurred in connection with such construction or acquisition; and to provide funds for payment of obligations, including the funding of reserves, under any self-insurance plan or joint self-insurance pool or entity.

In addition to any other borrowing as may be authorized by this Section, the Authority may issue its notes, from time to time, in anticipation of tax receipts of the Authority or of other revenues or receipts of the Authority, in order to provide money for the Authority or the Service Boards to cover any cash flow deficit which the Authority or a Service Board anticipates incurring. Any such notes are referred to in this Section as "Working Cash Notes". No Working Cash Notes shall be issued for a term of longer than 24 months. Proceeds of Working Cash Notes may be used to pay day to day operating expenses of the Authority or the Service Boards, consisting of wages, salaries and fringe benefits, professional and technical services (including legal, audit, engineering and other consulting services), office rental, furniture, fixtures and equipment, insurance premiums, claims for self-insured amounts under insurance policies, public utility obligations for telephone, light, heat and similar items, travel expenses, office supplies, postage, dues, subscriptions, public hearings and information expenses, fuel purchases, and payments of grants and payments under purchase of service agreements for operations of transportation agencies, prior to the receipt by the Authority or a Service Board from time to time of funds for paying such expenses. In addition to any Working Cash Notes that the Board of the Authority may determine to issue, the Suburban Bus Board, the Commuter Rail Board or the Board of the Chicago Transit Authority may demand and direct that the Authority issue its Working Cash Notes in such amounts and having such maturities as the Service Board may determine.

Notwithstanding any other provision of this Act, any amounts necessary to pay principal of and interest on any Working Cash Notes issued at the demand and direction of a Service Board or any Working Cash Notes the proceeds of which were used for the direct benefit of a
Service Board or any other Bonds or Notes of the Authority the proceeds of which were used for the direct benefit of a Service Board shall constitute a reduction of the amount of any other funds provided by the Authority to that Service Board. The Authority shall, after deducting any costs of issuance, tender the net proceeds of any Working Cash Notes issued at the demand and direction of a Service Board to such Service Board as soon as may be practicable after the proceeds are received. The Authority may also issue notes or bonds to pay, refund or redeem any of its notes and bonds, including to pay redemption premiums or accrued interest on such bonds or notes being renewed, paid or refunded, and other costs in connection therewith. The Authority may also utilize the proceeds of any such bonds or notes to pay the legal, financial, administrative and other expenses of such authorization, issuance, sale or delivery of bonds or notes or to provide or increase a debt service reserve fund with respect to any or all of its bonds or notes. The Authority may also issue and deliver its bonds or notes in exchange for any public transportation facilities, (including funds and rights relating thereto, as provided in Section 2.05 of this Act) or in exchange for outstanding bonds or notes of the Authority, including any accrued interest or redemption premium thereon, without advertising or submitting such notes or bonds for public bidding.

(b) The ordinance providing for the issuance of any such bonds or notes shall fix the date or dates of maturity, the dates on which interest is payable, any sinking fund account or reserve fund account provisions and all other details of such bonds or notes and may provide for such covenants or agreements necessary or desirable with regard to the issue, sale and security of such bonds or notes. The rate or rates of interest on its bonds or notes may be fixed or variable and the Authority shall determine or provide for the determination of the rate or rates of interest of its bonds or notes issued under this Act in an ordinance adopted by the Authority prior to the issuance thereof, none of which rates of interest shall exceed that permitted in the Bond Authorization Act. Interest may be payable at such times as are provided for by the Board. Bonds and notes issued under this Section may be issued as serial or term obligations, shall be of such denomination or denominations and form, including interest coupons to be attached thereto, be executed in such manner, shall be payable at such place or places and bear such date as the Authority shall fix by the ordinance authorizing such bond or note and shall mature at such time or times, within a period not to exceed forty years from the date of issue, and may be redeemable prior to maturity with or without premium, at the

option of the Authority, upon such terms and conditions as the Authority shall fix by the ordinance authorizing the issuance of such bonds or notes. No bond anticipation note or any renewal thereof shall mature at any time or times exceeding 5 years from the date of the first issuance of such note. The Authority may provide for the registration of bonds or notes in the name of the owner as to the principal alone or as to both principal and interest, upon such terms and conditions as the Authority may determine. The ordinance authorizing bonds or notes may provide for the exchange of such bonds or notes which are fully registered, as to both principal and interest, with bonds or notes which are registerable as to principal only. All bonds or notes issued under this Section by the Authority other than those issued in exchange for property or for bonds or notes of the Authority shall be sold at a price which may be at a premium or discount but such that the interest cost (excluding any redemption premium) to the Authority of the proceeds of an issue of such bonds or notes, computed to stated maturity according to standard tables of bond values, shall not exceed that permitted in the Bond Authorization Act. The Authority shall notify the Governor's Office of Management and Budget and the State Comptroller at least 30 days before any bond sale and shall file with the Governor's Office of Management and Budget and the State Comptroller a certified copy of any ordinance authorizing the issuance of bonds at or before the issuance of the bonds. After December 31, 1994, any such bonds or notes shall be sold to the highest and best bidder on sealed bids as the Authority shall deem. As such bonds or notes are to be sold the Authority shall advertise for proposals to purchase the bonds or notes which advertisement shall be published at least once in a daily newspaper of general circulation published in the metropolitan region at least 10 days before the time set for the submission of bids. The Authority shall have the right to reject any or all bids. Notwithstanding any other provisions of this Section, Working Cash Notes or bonds or notes to provide funds for self-insurance or a joint self-insurance pool or entity may be sold either upon competitive bidding or by negotiated sale (without any requirement of publication of intention to negotiate the sale of such Notes), as the Board shall determine by ordinance adopted with the affirmative votes of at least 9 Directors. In case any officer whose signature appears on any bonds, notes or coupons authorized pursuant to this Section shall cease to be such officer before delivery of such bonds or notes, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until such delivery. Neither the Directors of

the Authority nor any person executing any bonds or notes thereof shall be liable personally on any such bonds or notes or coupons by reason of the issuance thereof.

(c) All bonds or notes of the Authority issued pursuant to this Section shall be general obligations of the Authority to which shall be pledged the full faith and credit of the Authority, as provided in this Section. Such bonds or notes shall be secured as provided in the authorizing ordinance, which may, notwithstanding any other provision of this Act, include in addition to any other security, a specific pledge or assignment of and lien on or security interest in any or all tax receipts of the Authority and on any or all other revenues or moneys of the Authority from whatever source, which may by law be utilized for debt service purposes and a specific pledge or assignment of and lien on or security interest in any funds or accounts established or provided for by the ordinance of the Authority authorizing the issuance of such bonds or notes. Any such pledge, assignment, lien or security interest for the benefit of holders of bonds or notes of the Authority shall be valid and binding from the time the bonds or notes are issued without any physical delivery or further act and shall be valid and binding as against and prior to the claims of all other parties having claims of any kind against the Authority or any other person irrespective of whether such other parties have notice of such pledge, assignment, lien or security interest. The obligations of the Authority incurred pursuant to this Section shall be superior to and have priority over any other obligations of the Authority.

The Authority may provide in the ordinance authorizing the issuance of any bonds or notes issued pursuant to this Section for the creation of, deposits in, and regulation and disposition of sinking fund or reserve accounts relating to such bonds or notes. The ordinance authorizing the issuance of any bonds or notes pursuant to this Section may contain provisions as part of the contract with the holders of the bonds or notes, for the creation of a separate fund to provide for the payment of principal and interest on such bonds or notes and for the deposit in such fund from any or all the tax receipts of the Authority and from any or all such other moneys or revenues of the Authority from whatever source which may by law be utilized for debt service purposes, all as provided in such ordinance, of amounts to meet the debt service requirements on such bonds or notes, including principal and interest, and any sinking fund or reserve fund account requirements as may be provided by such ordinance, and all expenses incident to or in connection with such

fund and accounts or the payment of such bonds or notes. Such ordinance may also provide limitations on the issuance of additional bonds or notes of the Authority. No such bonds or notes of the Authority shall constitute a debt of the State of Illinois. Nothing in this Act shall be construed to enable the Authority to impose any ad valorem tax on property.

(d) The ordinance of the Authority authorizing the issuance of any bonds or notes may provide additional security for such bonds or notes by providing for appointment of a corporate trustee (which may be any trust company or bank having the powers of a trust company within the state) with respect to such bonds or notes. The ordinance shall prescribe the rights, duties and powers of the trustee to be exercised for the benefit of the Authority and the protection of the holders of such bonds or notes. The ordinance may provide for the trustee to hold in trust, invest and use amounts in funds and accounts created as provided by the ordinance with respect to the bonds or notes. The ordinance may provide for the assignment and direct payment to the trustee of any or all amounts produced from the sources provided in Section 4.03 and Section 4.09 of this Act and provided in Section 6z-17 of "An Act in relation to State finance", approved June 10, 1919, as amended. Upon receipt of notice of any such assignment, the Department of Revenue and the Comptroller of the State of Illinois shall thereafter, notwithstanding the provisions of Section 4.03 and Section 4.09 of this Act and Section 6z-17 of "An Act in relation to State finance", approved June 10, 1919, as amended, provide for such assigned amounts to be paid directly to the trustee instead of the Authority, all in accordance with the terms of the ordinance making the assignment. The ordinance shall provide that amounts so paid to the trustee which are not required to be deposited, held or invested in funds and accounts created by the ordinance with respect to bonds or notes or used for paying bonds or notes to be paid by the trustee to the Authority.

(e) Any bonds or notes of the Authority issued pursuant to this Section shall constitute a contract between the Authority and the holders from time to time of such bonds or notes. In issuing any bond or note, the Authority may include in the ordinance authorizing such issue a covenant as part of the contract with the holders of the bonds or notes, that as long as such obligations are outstanding, it shall make such deposits, as provided in paragraph (c) of this Section. It may also so covenant that it shall impose and continue to impose taxes, as provided in Section 4.03 of this Act and in addition thereto as subsequently authorized by law, sufficient to make such deposits and pay the principal and interest and to

A certified copy of the ordinance authorizing the issuance of any such obligations shall be filed at or prior to the issuance of such obligations with the Comptroller of the State of Illinois and the Illinois Department of Revenue.

(f) The State of Illinois pledges to and agrees with the holders of the bonds and notes of the Authority issued pursuant to this Section that the State will not limit or alter the rights and powers vested in the Authority by this Act so as to impair the terms of any contract made by the Authority with such holders or in any way impair the rights and remedies of such holders until such bonds and notes, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of such holders, are fully met and discharged. In addition, the State pledges to and agrees with the holders of the bonds and notes of the Authority issued pursuant to this Section that the State will not limit or alter the basis on which State funds are to be paid to the Authority as provided in this Act, or the use of such funds, so as to impair the terms of any such contract. The Authority is authorized to include these pledges and agreements of the State in any contract with the holders of bonds or notes issued pursuant to this Section.

(g) (1) Except as provided in subdivisions (g)(2) and (g)(3) of Section 4.04 of this Act, the Authority shall not at any time issue, sell or deliver any bonds or notes (other than Working Cash Notes) pursuant to this Section 4.04 which will cause it to have issued and outstanding at any time in excess of $800,000,000 of such bonds and notes (other than Working Cash Notes). The Authority shall not at any time issue, sell, or deliver any Working Cash Notes pursuant to this Section that will cause it to have issued and outstanding at any time in excess of $100,000,000. All references in this Title to groundwater...
objectives shall mean Class I groundwater standards or objectives as applicable.

(e) (1) Notwithstanding the provisions of this Section, an owner or operator may proceed to conduct site investigation or corrective action prior to the submittal or approval of an otherwise required plan. If the owner or operator elects to so proceed, an applicable plan shall be filed with the Agency at any time. Such plan shall detail the steps taken to determine the type of site investigation or corrective action which was necessary at the site along with the site investigation or corrective action taken or to be taken, in addition to costs associated with activities to date and anticipated costs.

(2) Upon receipt of a plan submitted after activities have commenced at a site, the Agency shall proceed to review in the same manner as required under this Title. In the event the Agency disapproves all or part of the costs, the owner or operator may appeal such decision to the Board. The Board of Trustees may lease to nonprofit corporations all or any part of the land, buildings, facilities, equipment or other property included in a medical research and high technology park upon such terms and conditions as the University of Illinois may deem advisable and enter into any contract or agreement with such nonprofit corporations as may be necessary or suitable for the construction, financing, operation and maintenance and management of any such park; and may lease to any person, firm, partnership or corporation, either public or private, any part or all of the land, building, facilities, equipment or other property of such park for such purposes and upon such rentals, terms and conditions as the University may deem advisable; and may finance all or part of the cost of any such park, including the purchase, lease, construction, reconstruction, improvement, remodeling, addition to, and extension and maintenance of all or part of such high technology park, and all equipment and furnishings, by legislative appropriations, government grants, contracts, private gifts, loans, receipts from the operation of such high technology park, rentals and similar receipts; and may make its other facilities and services available to tenants or other occupants of any such park at rates which are reasonable and appropriate.

and therein made a finding that it is necessary to take such property or

with the schedule, the Trustees may acquire such property or easements in
the same manner provided in Article 20 of the Eminent Domain Act

The Board of Trustees must authorize to each member of the University of Illinois Police Department and to any other employee of the University of Illinois exercising the powers of a peace officer a distinct badge that, on its face, (i) clearly states that the badge is authorized by the University of Illinois and (ii) contains a unique identifying number. No other badge shall be authorized by the University of Illinois. Nothing in this paragraph prohibits the Board of Trustees from issuing shields or other distinctive identification to employees not exercising the powers of a peace officer if the Board of Trustees determines that a shield or distinctive identification is needed by the employee to carry out his or her responsibilities.

The Board of Trustees may own, operate, or govern, by or through the College of Medicine at Peoria, a managed care community network established under subsection (b) of Section 5-11 of the Illinois Public Aid Code.

The powers of the trustees as herein designated are subject to the provisions of "An Act creating a Board of Higher Education, defining its powers and duties, making an appropriation therefor, and repealing an Act herein named", approved August 22, 1961, as amended.

The Board of Trustees shall have the authority to adopt all administrative rules which may be necessary for the effective administration, enforcement and regulation of all matters for which the Board has jurisdiction or responsibility.

   (2) Sub-lease or contract to purchase through installments all or any portion of buildings or facilities for such duration and on
such terms as the Board of Trustees shall determine, including a term that exceeds 5 years, provided that each such lease or purchase contract shall be and shall recite that it is subject to termination and cancellation in any year for which the General Assembly fails to make an appropriation to pay the rent or purchase installments payable under the terms of such lease or purchase contract; and

(3) Sell property without compliance with the State Property Control Act and retain proceeds in the University Treasury in a special, separate development fund account which the Auditor General shall examine to assure compliance with this Act.

Any buildings or facilities to be developed on the land shall be buildings or facilities that, in the determination of the Board of Trustees, in whole or in part: (i) are for use by the University; or (ii) otherwise advance the interests of the University, including, by way of example, residential facilities for University staff and students and commercial facilities which provide services needed by the University community. Revenues from the development fund account may be withdrawn by the University for the purpose of demolition and the processes associated with demolition; routine land and property acquisition; extension of utilities; streetscape work; landscape work; surface and structure parking; sidewalks, recreational paths, and street construction; and lease and lease purchase arrangements and the professional services associated with the planning and development of the area. Moneys from the development fund account used for any other purpose must be deposited into and appropriated from the General Revenue Fund. verification of the borrowing limit and shall include the estimated date on which such borrowing shall occur. The borrowing limit cap shall be verified by State Comptroller's office not prior to 45 days before any estimated date for executing any promissory note or line of credit established under this subsection (c). The principal amount borrowed under a promissory note or line of credit shall not exceed 75% of the borrowing limit. Within 15 days after borrowing funds under any promissory note or line of credit established under this subsection (c), the University shall submit to the Governor's Office of Management and Budget, the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, and Minority Leader of the Senate, an Emergency Short Term Cash Management Plan. The Emergency Short Term Cash Management Plan shall outline the amount borrowed, the terms for repayment, the amount of outstanding State vouchers as verified by the State Comptroller's office, and the University's plan for expenditure of any borrowed funds, including, but not limited to, a detailed plan to meet payroll obligations to include collective bargaining employees, civil service employees, and academic, research, and health care personnel. The establishment of any promissory note or line of credit established under this subsection (c) must be finalized within 90 days after the effective date of this amendatory Act of the 96th General Assembly. The borrowed moneys shall be applied to the purposes of paying salaries and other expenses lawfully authorized in the University's State appropriation and unpaid by the State Comptroller. Any line of credit established under this subsection (c) shall be paid in full one year after creation or within 10 days after the date the University receives reimbursement from the State for all submitted fiscal year 2010 vouchers, whichever is earlier. Any promissory note established under this subsection (c) shall be repaid within one year after issuance of the note. The Chairman, Comptroller, or Treasurer of the Board shall execute a promissory note or similar debt instrument to evidence the indebtedness incurred by the borrowing. In connection with a borrowing, the Board may establish a line of credit with a financial institution, investment bank, or broker/dealer. The obligation to make the payments due under any promissory note or line of credit established under this subsection (c) shall be a lawful obligation of the University payable from the anticipated moneys. Any borrowing under this subsection (c) shall not constitute a debt, legal or moral, of the State and shall not be enforceable against the State. The promissory note or line of credit shall be authorized by a
resolution passed by the Board and shall be valid whether or not a budgeted item with respect to that resolution is included in any annual or supplemental budget adopted by the Board. The resolution shall set forth facts demonstrating the need for the borrowing, state an amount that the amount to be borrowed will not exceed, and establish a maximum interest rate limit not to exceed the maximum rate authorized by the Bond Authorization Act or 9%, whichever is less. The resolution may direct the Comptroller or Treasurer of the Board to make arrangements to set apart and hold the portion of the anticipated moneys, as received, that shall be used to repay the borrowing, subject to any prior pledges or restrictions with respect to the anticipated moneys. The resolution may also authorize the Treasurer of the Board to make partial repayments of the borrowing as the anticipated moneys become available and may contain any other terms, restrictions, or limitations not inconsistent with the powers of the Board.

For the purposes of this subsection (c), "financial institution" means any bank subject to the Illinois Banking Act, any savings and loan association subject to the Illinois Savings and Loan Act of 1985, and any federally chartered commercial bank or savings and loan association or government-sponsored enterprise organized and operated in this State pursuant to the laws of the United States.

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Public Community College Act is amended by changing Section 2-16.02 as follows:

(110 ILCS 805/2-16.02) (from Ch. 122, par. 102-16.02)

Sec. 2-16.02. Grants. Any community college district that maintains a community college recognized by the State Board shall receive, when eligible, grants enumerated in this Section. Funded semester credit hours or other measures or both as specified by the State Board shall be used to distribute grants to community colleges. Funded semester credit hours shall be defined, for purposes of this Section, as the greater of (1) the number of semester credit hours, or equivalent, in all funded instructional categories of students who have been certified as being in attendance at midterm during the respective terms of the base fiscal year or (2) the average of semester credit hours, or equivalent, in all funded instructional categories of students who have been certified as being in attendance at midterm during the respective terms of the base fiscal year and the 2 prior fiscal years. For purposes of this Section, "base fiscal year" means the fiscal year 2 years prior to the fiscal year for which the grants are appropriated. Such students shall have been residents of Illinois and shall have been enrolled in courses that are part of instructional program categories approved by the State Board and that are applicable toward an associate degree or certificate. Courses that are eligible for reimbursement are those courses for which the district pays 50% or more of the program costs from unrestricted revenue sources, with the exception of courses offered by contract with the Department of Corrections in correctional institutions. For the purposes of this Section, "unrestricted revenue sources" means those revenues in which the provider of the revenue imposes no financial limitations upon the district as it relates to the expenditure of the funds. Base operating grants shall be paid based on rates per funded semester credit hour or equivalent calculated by the State Board for funded instructional categories using cost of instruction, enrollment, inflation, and other relevant factors. A portion of the base operating grant shall be allocated on the basis of non-residential gross square footage of space maintained by the district.

New matter indicated by italics - deletions by strikeout
Equalization grants shall be calculated by the State Board by determining a local revenue factor for each district by: (A) adding (1) each district's Corporate Personal Property Replacement Fund allocations from the base fiscal year or the average of the base fiscal year and prior year, whichever is less, divided by the applicable statewide average tax rate to (2) the district's most recently audited year's equalized assessed valuation or the average of the most recently audited year and prior year, whichever is less, (B) then dividing by the district's audited full-time equivalent resident students for the base fiscal year or the average for the base fiscal year and the 2 prior fiscal years, whichever is greater, and (C) then multiplying by the applicable statewide average tax rate. The State Board shall calculate a statewide weighted average threshold by applying the same methodology to the totals of all districts' Corporate Personal Property Tax Replacement Fund allocations, equalized assessed valuations, and audited full-time equivalent district resident students and multiplying by the applicable statewide average tax rate. The difference between the statewide weighted average threshold and the local revenue factor, multiplied by the number of full-time equivalent resident students, shall determine the amount of equalization funding that each district is eligible to receive. A percentage factor, as determined by the State Board, may be applied to the statewide threshold as a method for allocating equalization funding. A minimum equalization grant of an amount per district as determined by the State Board shall be established for any community college district which qualifies for an equalization grant based upon the preceding criteria, but becomes ineligible for equalization funding, or would have received a grant of less than the minimum equalization grant, due to threshold prorations applied to reduce equalization funding. As of July 1, 2004, a community college district must maintain a minimum required combined in-district tuition and universal fee rate per semester credit hour equal to 85% of the State-average combined rate, as determined by the State Board, for equalization funding. As of July 1, 2004, a community college district must maintain a minimum required operating tax rate equal to at least 95% of its maximum authorized tax rate to qualify for equalization funding. This 95% minimum tax rate requirement shall be based upon the maximum operating tax rate as limited by the Property Tax Extension Limitation Law.

The State Board shall distribute such other grants as may be authorized or appropriated by the General Assembly.

New matter indicated by italics - deletions by strikeout
Each community college district entitled to State grants under this Section must submit a report of its enrollment to the State Board not later than 30 days following the end of each semester, quarter, or term in a format prescribed by the State Board. These semester credit hours, or equivalent, shall be certified by each district on forms provided by the State Board. Each district's certified semester credit hours, or equivalent, are subject to audit pursuant to Section 3-22.1.

The State Board shall certify, prepare, and submit monthly vouchers to the State Comptroller during August, November, February, and May of each fiscal year vouchers setting forth an amount equal to one-twelfth of the grants approved by the State Board for base operating grants and equalization grants. The State Board shall prepare and submit to the State Comptroller vouchers for payments of other grants as appropriated by the General Assembly. If the amount appropriated for grants is different from the amount provided for such grants under this Act, the grants shall be proportionately reduced or increased accordingly.

For the purposes of this Section, "resident student" means a student in a community college district who maintains residency in that district or meets other residency definitions established by the State Board, and who was enrolled either in one of the approved instructional program categories in that district, or in another community college district to which the resident's district is paying tuition under Section 6-2 or with which the resident's district has entered into a cooperative agreement in lieu of such tuition.

For the purposes of this Section, a "full-time equivalent" student is equal to 30 semester credit hours.

The Illinois Community College Board Contracts and Grants Fund is hereby created in the State Treasury. Items of income to this fund shall include any grants, awards, endowments, or like proceeds, and where appropriate, other funds made available through contracts with governmental, public, and private agencies or persons. The General Assembly shall from time to time make appropriations payable from such fund for the support, improvement, and expenses of the State Board and Illinois community college districts.

(110 ILCS 805/3-33.2) (from Ch. 122, par. 103-33.2)

Sec. 3-33.2. Bonds for working cash fund.

(a) Except as provided in subsection (b) of this Section, in order to create, maintain or increase such a working cash fund for the purposes mentioned in Section 3-33.1, the board may incur an indebtedness for such purpose and issue bonds therefor from time to time, in an amount or amounts not exceeding in the aggregate at any one time outstanding 75% of the taxes permitted to be levied for educational purposes and for operations and maintenance of facilities purposes for the then current year to be determined by multiplying the aggregate of the authorized maximum educational tax rate and the maximum operations and maintenance tax rate applicable to such district by the last assessed valuation as determined at the time of the issue of those bonds plus 75% of the last known entitlement of such district to taxes as by law now or hereafter enacted or amended, imposed by the General Assembly of the State of Illinois to replace revenue lost by units of local government and school districts as a result of the abolition of ad valorem personal property taxes, pursuant to Article IX, Section 5(c) of the Constitution of the State of Illinois.

(b) For a period of 3 years after the effective date of this amendatory Act of the 96th General Assembly, in order to create, maintain, or increase such a working cash fund for the purposes mentioned in Section 3-33.1, the board may incur an indebtedness for such purpose and issue bonds therefor from time to time, in an amount or amounts not exceeding in the aggregate at any one time outstanding 150% of the taxes permitted to be levied for educational purposes and for operations and maintenance of facilities purposes for the then current year to be determined by multiplying the aggregate of the authorized maximum educational tax rate and the maximum operations and maintenance tax rate applicable to such district by the last assessed valuation as determined at the time of the issue of those bonds plus 150% of the last known entitlement of such district to taxes as by law now or hereafter enacted or amended.
hereafter enacted or amended, imposed by the General Assembly of the State of Illinois to replace revenue lost by units of local government and school districts as a result of the abolition of ad valorem personal property taxes, pursuant to Article IX, Section 5(c) of the Constitution of the State of Illinois.

(c) The bonds may be issued without submitting the question of issuance thereof to the voters of the community college district for approval. Any bonds issued under this Section shall bear interest at a rate of not more the maximum rate authorized by the Bond Authorization Act, as amended at the time of the making of the contract, and shall mature within 20 years from the date of issue. Subject to the foregoing limitations as to amount, the bonds may be issued in an amount including existing indebtedness which will exceed any statutory debt limitation.

(d) With respect to instruments for the payment of money issued under this Section either before, on, or after the effective date of this amendatory Act of 1989, it is and always has been the intention of the General Assembly (i) that the Omnibus Bond Acts are and always have been supplementary grants of power to issue instruments in accordance with the Omnibus Bond Acts, regardless of any provision of this Act that may appear to be or to have been more restrictive than those Acts, (ii) that the provisions of this Section are not a limitation on the supplementary authority granted by the Omnibus Bond Acts, and (iii) that instruments issued under this Section within the supplementary authority granted by the Omnibus Bond Acts are not invalid because of any provision of this Act that may appear to be or to have been more restrictive than those Acts. President/CEO of the State Board or other official in a position to provide assurances as to the amounts.

All moneys so borrowed shall be repaid exclusively from the anticipated revenues within 60 days after the revenues have been received. Borrowing authorized under subdivisions (1) and (2) of this Section shall bear interest at a rate not to exceed the maximum rate authorized by the Bond Authorization Act, from the date of issuance until paid.

Prior to establishing a line of credit under this Section, the board shall authorize, by resolution, the line of credit. The resolution shall set forth facts demonstrating the need for the line of credit, state the amount to be borrowed, establish a maximum interest rate limit not to exceed that set forth in this Section, and provide a date by which the borrowed funds must be repaid. The resolution shall direct the relevant officials to make arrangements to set apart and hold the revenue, as received, that will be used to repay the borrowing. For the property to remain exempt under this subsection (c), the State must retain an option to
purchase the property at a future date or, within the limitations period for reverters, the property must revert back to the State.

The chief procurement officer for all other procurement needs of the State shall have an office located within the Department of Central Management Services, unless otherwise designated by the Executive Ethics Commission.

The Commission shall have a hearing based on the complaint. The officer and the complainant shall receive reasonable notice of the hearing and shall be permitted to present their respective arguments on the complaint. After the hearing, the Commission shall make a finding on the complaint and may take disciplinary action, including but not limited to removal of the officer.

Sec. 20-25. Sole source procurements. Sec. 20-25. Sole source procurements.

(a) In accordance with standards set by rule, contracts may be awarded without use of the specified method of source selection when there is only one economically feasible source for the item. A State contract may not be awarded as a sole source procurement unless approved by the chief procurement officer following a public hearing at which the chief procurement officer and purchasing agency present written justification for the procurement method. The Procurement Policy Board and the public may present testimony.

(b) This Section may not be used as a basis for amending a contract for professional or artistic services if the amendment would result in an increase in the amount paid under the contract of more than 5% of the initial award, or would extend the contract term beyond the time reasonably needed for a competitive procurement, not to exceed 2 months.

(c) Notice of intent to enter into a sole source contract shall be provided to the Procurement Policy Board and published in the online electronic Bulletin at least 14 days before the public hearing required in subsection (a). The notice shall include the sole source procurement justification form prescribed by the Board, a description of the item to be procured, the intended sole source contractor, and the date, time, and location of the public hearing. A copy of the notice and all documents provided at the hearing shall be included in the subsequent Procurement Bulletin.

(d) By August 1 each year, each chief procurement officer shall file a report with the General Assembly identifying each contract the officer sought under the sole source procurement method and providing the justification given for seeking sole source as the procurement method for each of those contracts.

Sec. 20-60. Duration of contracts.

(a) Maximum duration. A contract, other than a contract entered into pursuant to the State University Cert ificates of Participation Act, may be entered into for any period of time deemed to be in the best interests of the State but not exceeding 10 years inclusive, beginning January 1, 2010, of proposed contract renewals. The length of a lease for real property or capital improvements shall be in accordance with the provisions of Section 40-25. A contract for bond or mortgage insurance awarded by the Illinois Housing Development Authority, however, may be entered into for any period of time less than or equal to the maximum period of time that the subject bond or mortgage may remain outstanding.

(b) Subject to appropriation. All contracts made or entered into shall recite that they are subject to termination and cancellation in any year for which the General Assembly fails to make an appropriation to make payments under the terms of the contract.

(c) The chief procurement officer shall file a proposed extension or renewal of a contract with the Procurement Policy Board prior to entering into any extension or renewal if the cost associated with the extension or renewal exceeds $249,999. The Procurement Policy Board may object to the proposed extension or renewal within 30 calendar days and require a hearing before the Board prior to entering into the extension or renewal. If the Procurement Policy Board does not object within 30 calendar days or takes affirmative action to recommend the extension or renewal, the chief procurement officer may enter into the extension or renewal of a contract. This subsection does not apply to any emergency procurement, any procurement under Article 40, or any procurement exempted by Section 1-10(b) of this Code. If any State agency contract is paid for in whole or in part with federal-aid funds, grants, or loans and the provisions of this subsection would result in the loss of those federal-aid funds, grants, or loans, then the contract is exempt from the provisions of this subsection in order to remain eligible for those federal-aid funds, grants, or loans, and the State agency shall file notice of this exemption with the Procurement Policy Board prior to entering into the proposed extension or renewal. Nothing in this subsection permits a chief procurement officer to enter into an extension or renewal in violation of subsection (a). By August 1 each year, the Procurement Policy Board
shall file a report with the General Assembly identifying for the previous fiscal year (i) the proposed extensions or renewals that were filed with the Board and whether the Board objected and (ii) the contracts exempt from this subsection.

For purposes of this subsection (h), "determinate beneficiary" means the beneficiary who would receive any portion of the total benefit claimed regardless of the manner in which the Court of Claims adjudicates the claim.

of the Armed Forces pursuant to this Section or for a fireman pursuant to this Section, or their designated representative, shall have access, on a timely basis and in an efficient manner, to all information related to the court's consideration, processing, or adjudication of the claim, including, but not limited to, the following:

(1) a reliable estimate of when the Court of Claims will adjudicate the claim, or if the Court cannot estimate when it will adjudicate the claim, a full written explanation of the reasons for this inability; and

(2) a reliable estimate, based upon consultation with the Comptroller, of when the benefit will be paid to the claimant.

(j) The Court of Claims shall send written notice to all claimants within 2 weeks of the initiation of a claim indicating whether or not the application is complete. For purposes of this subsection (j), an application is complete if a claimant has submitted to the Court of Claims all documents and information the Court requires for adjudicating and paying the benefit amount. For purposes of this subsection (j), a claim for the duty death benefit is initiated when a claimant submits any of the application materials required for adjudicating the claim to the Court of Claims. In the event a claimant's application is incomplete, the Court shall include in its written notice a list of the information or documents which the claimant must submit in order for the application to be complete. In no case may the Court of Claims deny a claim and subsequently re-adjudicate the same claim for the purpose of evading or reducing the interest penalty payment amount payable to any claimant.

(820 ILCS 315/4) (from Ch. 48, par. 284)

Sec. 4. Notwithstanding Section 3, no compensation is payable under this Act unless a claim therefor is filed, within the time specified by that Section with the Court of Claims on an application prescribed and furnished by the Attorney General and setting forth:

(a) the name, address and title or designation of the position in which the officer, civil defense worker, civil air patrol member, paramedic, fireman, chaplain, State employee, or Armed Forces member was serving at the time of his death;

(b) the names and addresses of person or persons designated by the officer, civil defense worker, civil air patrol member, paramedic, fireman, chaplain, State employee, or Armed Forces member to receive the compensation and, if more than one,
the percentage or share to be paid to each such person, or if there has been no such designation, the name and address of the personal representative of the estate of the officer, civil defense worker, civil air patrol member, paramedic, fireman, chaplain, State employee, or Armed Forces member;

(c) a full, factual account of the circumstances resulting in or the course of events causing the death of the officer, civil defense worker, civil air patrol member, paramedic, fireman, chaplain, State employee, or Armed Forces member; and

(d) such other information as the Court of Claims reasonably requires.

When a claim is filed, the Attorney General shall make an investigation for substantiation of matters set forth in such an application.

For the 2 years immediately following the effective date of this amendatory act of the 96th General Assembly, the Court of Claims shall direct the Comptroller to pay a "Modified-Eligibility Line of Duty Benefit" to eligible late claimants who file a claim for the benefit. A claim for a Modified-Eligibility Line of Duty Benefit must include all the application materials and documents required for all other claims payable under this Act, except as otherwise provided in this Section 4. For purposes of this Section 4 only, an "eligible late claimant" is a person who would have been eligible, at any time after September 11, 2001, to apply for and receive payment of a claim pursuant to this Act in connection with the death of an Armed Forces member killed in the line of duty or a fireman killed in the line of duty, but did not receive the award payment because:

(1) the claim was rejected only because the claim was not filed within the time limitation set forth in subsection (a) of Section 3 of this Act; or

(2) having met all other preconditions for applying for and receiving the award payment, the claimant did not file a claim because the claim would not have been filed within the time limitation set forth in subsection (a) of Section 3 of this Act. For purposes of this Section 4 only, the "Modified-Eligibility Line of Duty Benefit" is an amount of money payable to eligible late claimants equal to the amount set forth in Section 3 of this Act payable to claimants seeking payment of awards under Section 3 of this Act for claims made thereunder in the year in which the claim for the Modified-Eligibility Line of Duty Benefit is made. Within 6 months of receiving a complete claim for the Modified-Eligibility

PUBLIC ACT 96-0924
(House Bill No. 5214)

AN ACT concerning courts.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 1. Short title. This Act may be cited as the Veterans and Servicemembers Court Treatment Act.
Section 5. Purposes. The General Assembly recognizes that veterans and active, Reserve and National Guard servicemembers have provided or are currently providing an invaluable service to our country. In so doing, some may suffer the effects of, including but not limited to, post traumatic stress disorder, traumatic brain injury, depression and may also suffer drug and alcohol dependency or addiction and co-occurring mental illness and substance abuse problems. As a result of this, some veterans or active duty servicemembers come into contact with the criminal justice system and are charged with felony or misdemeanor offenses. There is a critical need for the criminal justice system to recognize these veterans, provide accountability for their wrongdoing, provide for the safety of the public and provide for the treatment of our veterans. It is the intent of the General Assembly to create specialized veteran and servicemember courts or programs with the necessary flexibility to meet the specialized problems faced by these veteran and servicemember defendants.
Section 10. Definitions. In this Act:
"Combination Veterans and Servicemembers Court program" means a court program that includes a pre-adjudicatory and a post-adjudicatory Veterans and Servicemembers court program.
"Court" means Veterans and Servicemembers Court.
"IDVA" means the Illinois Department of Veterans' Affairs.
"Post-adjudicatory Veterans and Servicemembers Court Program" means a program in which the defendant has admitted guilt or has been

found guilty and agrees, along with the prosecution, to enter a Veterans and Servicemembers Court program as part of the defendant's sentence.

"Pre-adjudicatory Veterans and Servicemembers Court Program" means a program that allows the defendant with the consent of the prosecution, to expedite the defendant's criminal case before conviction or before filing of a criminal case and requires successful completion of the Veterans and Servicemembers Court programs as part of the agreement.

"Servicemember" means a person who is currently serving in the Army, Air Force, Marines, Navy, or Coast Guard on active duty, reserve status or in the National Guard.

"VA" means the United States Department of Veterans' Affairs.

"Veteran" means a person who served in the active military, naval, or air service and who was discharged or released therefrom under conditions other than dishonorable.

"Veterans and Servicemembers Court professional" means a judge, prosecutor, defense attorney, probation officer, or treatment provider involved with the Court program.

"Veterans and Servicemembers Court" means a court or program with an immediate and highly structured judicial intervention process for substance abuse treatment, mental health, or other assessed treatment needs of eligible veteran and servicemember defendants that brings together substance abuse professionals, mental health professionals, VA professionals, local social programs and intensive judicial monitoring in accordance with the nationally recommended 10 key components of drug courts.

Section 15. Authorization. The Chief Judge of each judicial circuit may establish a Veterans and Servicemembers Court program including a format under which it operates under this Act. The Veterans and Servicemembers Court may, at the discretion of the Chief Judge, be a separate court or a program of a drug court within the Circuit. At the discretion of the Chief Judge, the Veterans and Servicemembers Court program may be operated in one county in the Circuit, and allow veteran and servicemember defendants from all counties within the Circuit to participate.

Section 20. Eligibility. Veterans and Servicemembers are eligible for Veterans and Servicemembers Courts, provided the following:

(a) A defendant may be admitted into a Veterans and Servicemembers Court program only upon the agreement of the prosecutor and the defendant and with the approval of the Court.
(b) A defendant shall be excluded from Veterans and Servicemembers Court program if any of one of the following applies:

1. The crime is a crime of violence as set forth in clause (3) of this subsection (b).
2. The defendant does not demonstrate a willingness to participate in a treatment program.
3. The defendant has been convicted of a crime of violence within the past 10 years excluding incarceration time, including but not limited to: first degree murder, second degree murder, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, armed robbery, aggravated arson, arson, aggravated kidnapping and kidnapping, aggravated battery resulting in great bodily harm or permanent disability, stalking, aggravated stalking, or any offense involving the discharge of a firearm or where occurred serious bodily injury or death to any person.
4. The defendant has previously completed or has been discharged from a Veterans and Servicemembers Court program within three years of that completion or discharge.

Section 25. Procedure.

(a) The Court shall order the defendant to submit to an eligibility screening and an assessment through the VA and/or the IDVA to provide information on the defendant's veteran or servicemember status.

(b) The Court shall order the defendant to submit to an eligibility screening and mental health and drug/alcohol screening and assessment of the defendant by the VA or by the IDVA to provide assessment services for Illinois Courts. The assessment shall include a risks assessment and be based, in part, upon the known availability of treatment resources available to the Veterans and Servicemembers Court. The assessment shall also include recommendations for treatment of the conditions which are indicating a need for treatment under the monitoring of the Court and be reflective of a level of risk assessed for the individual seeking admission. An assessment need not be ordered if the Court finds a valid screening and/or assessment related to the present charge pending against the defendant has been completed within the previous 60 days.

(c) The judge shall inform the defendant that if the defendant fails to meet the conditions of the Veterans and Servicemembers Court program, eligibility to participate in the program may be revoked and the
defendant may be sentenced or the prosecution continued as provided in
the Unified Code of Corrections for the crime charged.

(d) The defendant shall execute a written agreement with the Court
as to his or her participation in the program and shall agree to all of the
terms and conditions of the program, including but not limited to the
possibility of sanctions or incarceration for failing to abide or comply with
the terms of the program.

(e) In addition to any conditions authorized under the Pretrial
Services Act and Section 5-6-3 of the Unified Code of Corrections, the
Court may order the defendant to complete substance abuse treatment in
an outpatient, inpatient, residential, or jail-based custodial treatment
program, order the defendant to complete mental health counseling in an
inpatient or outpatient basis, comply with physicians' recommendation
regarding medications and all follow up treatment. This treatment may
include but is not limited to post-traumatic stress disorder, traumatic brain
injury and depression.

(a) The Veterans and Servicemembers Court program may
maintain a network of substance abuse treatment programs representing a
continuum of graduated substance abuse treatment options commensurate
with the needs of defendants; these shall include programs with the VA,
IDVA, the State of Illinois and community-based programs supported and
sanctioned by either or both.

(b) Any substance abuse treatment program to which defendants
are referred must meet all of the rules and governing programs in Parts
2030 and 2060 of Title 77 of the Illinois Administrative Code.

(c) The Veterans and Servicemembers Court program may, in its
discretion, employ additional services or interventions, as it deems
necessary on a case by case basis.

(d) The Veterans and Servicemembers Court program may
maintain or collaborate with a network of mental health treatment
programs and, if it is a co-occurring mental health and substance abuse
court program, a network of substance abuse treatment programs
representing a continuum of treatment options commensurate with the
needs of the defendant and available resources including programs with
the VA, the IDVA and the State of Illinois.

Section 35. Violation; termination; discharge.

New matter indicated by italics - deletions by strikeout
(a) If the Court finds from the evidence presented including but not limited to the reports or proffers of proof from the Veterans and Servicemembers Court professionals that:

(1) the defendant is not performing satisfactorily in the assigned program;

(2) the defendant is not benefitting from education, treatment, or rehabilitation;

(3) the defendant has engaged in criminal conduct rendering him or her unsuitable for the program; or

(4) the defendant has otherwise violated the terms and conditions of the program or his or her sentence or is for any reason unable to participate; the Court may impose reasonable sanctions under prior written agreement of the defendant, including but not limited to imprisonment or dismissal of the defendant from the program and the Court may reinstate criminal proceedings against him or her or proceed under Section 5-6-4 of the Unified Code of Corrections for a violation of probation, conditional discharge, or supervision hearing.

(b) Upon successful completion of the terms and conditions of the program, the Court may dismiss the original charges against the defendant or successfully terminate the defendant's sentence or otherwise discharge him or her from any further proceedings against him or her in the original prosecution.

The Illinois Department, by rule, shall prohibit any physician from providing medical assistance to anyone eligible therefor under this Code where such physician has been found guilty of performing an abortion procedure in a wilful and wanton manner upon a woman who was not pregnant at the time such abortion procedure was performed. The term "any other type of remedial care" shall include nursing care and nursing home service for persons who rely on treatment by spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Code and subject to federal approval, the Department may adopt rules to allow a dentist who is volunteering his or her service at no cost to render dental services through an enrolled not-for-profit health clinic without the dentist personally enrolling as a participating provider in the medical assistance program. A not-for-profit health clinic shall include a public health clinic or Federally Qualified Health Center or other enrolled provider, as determined by the Department, through which dental services covered under this Section are performed. The Department shall establish a process for payment of claims for reimbursement for covered dental services rendered under this provision.

(D) A comprehensive ultrasound screening of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-examination and its value as a preventative tool. For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. The term also includes digital mammography.

On and after July 1, 2008, screening and diagnostic mammography shall be reimbursed at the same rate as the Medicare program's rates, including the increased reimbursement for digital mammography.

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards. Based on these quality standards, the Department shall provide for bonus payments to mammography facilities meeting the standards for screening and diagnosis. The bonus payments shall be at least 15% higher than the Medicare rates for mammography.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also collaborate with other hospital-based mammography facilities.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not
received a mammogram within the previous 18 months, of the importance and benefit of screening mammography.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.

No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be
deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after the effective date of this amendatory Act of 1984, the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

Such rules shall enable a recipient to temporarily acquire and use alternative or substitute devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department.

The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department on Aging, to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped.

which may be used in criminal proceedings arising from the sexual assault; (16) the diagnosis and treatment of sickle cell anemia; and (17) any other medical care, and any other type of remedial care recognized under the laws of this State, but not including abortions, or induced miscarriages or premature births, unless, in the opinion of a physician, such procedures are necessary for the preservation of the life of the woman seeking such treatment, or except an induced premature birth intended to produce a live viable child and such procedure is necessary for the health of the mother or her unborn child. The Illinois Department, by rule, shall prohibit any physician from providing medical assistance to anyone eligible therefor under this Code where such physician has been found guilty of performing an abortion procedure in a willful and wanton manner upon a woman who was not pregnant at the time such abortion procedure was performed. The term "any other type of remedial care" shall include nursing care and nursing home service for persons who rely on treatment by spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Section, a comprehensive tobacco use cessation program that includes purchasing prescription drugs or prescription medical devices approved by the Food and Drug administration shall be covered under the medical assistance program under this Article for persons who are otherwise eligible for assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment for any laboratory test authorized under this Article, that a physician's handwritten signature appear on the laboratory test order form. The Illinois Department may, however, impose other appropriate requirements regarding laboratory test order documentation.

The Department of Healthcare and Family Services shall provide the following services to persons eligible for assistance under this Article who are participating in education, training or employment programs operated by the Department of Human Services as successor to the Department of Public Aid:

Notwithstanding any other provision of this Code and subject to federal approval, the Department may adopt rules to allow a dentist who is volunteering his or her service at no cost to render dental services through an enrolled not-for-profit health clinic without the dentist personally enrolling as a participating provider in the medical assistance program. A not-for-profit health clinic shall include a public health clinic or Federally Qualified Health Center or other enrolled provider, as determined by the Department, through which dental services covered under this Section are performed. The Department shall establish a process for payment of claims for reimbursement for covered dental services rendered under this provision.

The Illinois Department shall authorize the provision of, and shall authorize payment for, screening by low-dose mammography for the presence of occult breast cancer for women 35 years of age or older who are eligible for medical assistance under this Article, as follows:

(B) An annual mammogram for women 40 years of age or older.

(C) A mammogram at the age and intervals considered medically necessary by the woman's health care provider for women under 40 years of age and having a family history of breast cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

(D) A comprehensive ultrasound screening of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-

examination and its value as a preventative tool. For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. The term also includes digital mammography.

On and after July 1, 2008, screening and diagnostic mammography shall be reimbursed at the same rate as the Medicare program's rates, including the increased reimbursement for digital mammography.

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards. Based on these quality standards, the Department shall provide for bonus payments to mammography facilities meeting the standards for screening and diagnosis. The bonus payments shall be at least 15% higher than the Medicare rates for mammography.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also collaborate with other hospital-based mammography facilities.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

the Illinois Pension Code. A health care provider who elects to participate in the plan does not have a cause of action against the State for any damages allegedly suffered by the provider as a result of any delay by the State in crediting the amount of any contribution to the provider's plan account.

Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of Partnerships. Nothing in this Section shall be construed to require that the sponsor organization be a medical organization.

(Section scheduled to be repealed on July 1, 2010)
Sec. 13-301. Duties of the Commission.
(1) Consistent with the findings and policy established in paragraph (a) of Section 13-102 and paragraph (a) of Section 13-103, and in order to ensure the attainment of such policies, the Commission shall:
   (a) participate in all federal programs intended to preserve or extend universal telecommunications service, unless such programs would place cost burdens on Illinois customers of telecommunications services in excess of the benefits they would receive through participation, provided, however, the Commission shall not approve or permit the imposition of any surcharge or other fee designed to subsidize or provide a waiver for subscriber line charges; and shall report on such programs together with an assessment of their adequacy and the advisability of participating therein in its annual report to the General Assembly, or more often as necessary;
   (b) (Blank) establish a program to monitor the level of telecommunications subscriber connection within each exchange in Illinois, and shall report the results of such monitoring and any actions it has taken or recommends be taken to maintain and increase such levels in its annual report to the General Assembly, or more often if necessary;
   (c) order all telecommunications carriers offering or providing local exchange telecommunications service to propose low-cost or budget service tariffs and any other rate design or pricing mechanisms designed to facilitate customer access to such telecommunications service, provided that services offered by any telecommunications carrier at the rates, terms, and conditions specified in Section 13-506.2 or Section 13-518 of this Article shall constitute compliance with this Section. A telecommunications carrier may seek Commission approval of other low-cost or budget service tariffs or rate design or pricing mechanisms to comply with this Section and shall after notice and hearing, implement any such proposals which it finds likely to achieve such purpose;

(d) investigate the necessity of and, if appropriate, establish a universal service support fund from which local exchange telecommunications carriers who pursuant to the Twenty-Seventh Interim Order of the Commission in Docket No. 83-0142 or the orders of the Commission in Docket No. 97-0621 and Docket No. 98-0679 received funding and whose economic costs of providing services for which universal service support may be made available exceed the affordable rate established by the Commission for such services may be eligible to receive support, less any federal universal service support received for the same or similar costs of providing the supported services; provided, however, that if a universal service support fund is established, the Commission shall require that all costs of the fund be recovered from all local exchange and interexchange telecommunications carriers certificated in Illinois on a competitively neutral and nondiscriminatory basis. In establishing any such universal service support fund, the Commission shall, in addition to the determination of costs for supported services, consider and make findings pursuant to subsection (2) paragraphs (1), (2), and (4) of item (e) of this Section. Proxy cost, as determined by the Commission, may be used for this purpose. In determining cost recovery for any universal service support fund, the Commission shall not permit recovery of such costs from another certificated carrier for any service purchased and used solely as an input to a service provided to such certificated carrier's retail customers.  

(2) (e) investigate the necessity of and, if appropriate, establish a universal service support fund in addition to any fund that may be established pursuant to item (d) of this Section; provided, however, that if a telecommunications carrier receives universal service support pursuant to item (d) of this Section, that telecommunications carrier shall not receive universal service support pursuant to this item. Recipients of any universal service support funding created by this item shall be "eligible" telecommunications carriers, as designated by the Commission in accordance with 47 U.S.C. 214(e)(2). Eligible telecommunications carriers providing local exchange telecommunications service may be eligible to receive support for such services, less any federal universal service support received for the same or similar costs of providing the supported services. If a fund is established, the Commission shall require that the costs of such fund be recovered from all telecommunications carriers, with the
exception of wireless carriers who are providers of two-way cellular telecommunications service and who have not been designated as eligible telecommunications carriers, on a competitively neutral and non-discriminatory basis. In any order creating a fund pursuant to paragraph (d) of subsection (1) this item, the Commission, after notice and hearing, shall:

(a) Define the group of services to be declared "supported telecommunications services" that constitute "universal service". This group of services shall, at a minimum, include those services as defined by the Federal Communications Commission and as from time to time amended. In addition, the Commission shall consider the range of services currently offered by telecommunications carriers offering local exchange telecommunications service, the existing rate structures for the supported telecommunications services, and the telecommunications needs of Illinois consumers in determining the supported telecommunications services. The Commission shall, from time to time or upon request, review and, if appropriate, revise the group of Illinois supported telecommunications services and the terms of the fund to reflect changes or enhancements in telecommunications needs, technologies, and available services.

(b) Identify all implicit subsidies contained in rates or charges of incumbent local exchange carriers, including all subsidies in interexchange access charges, and determine how such subsidies can be made explicit by the creation of the fund.

(c) Identify the incumbent local exchange carriers' economic costs of providing the supported telecommunications services.

(d) Establish an affordable price for the supported telecommunications services for the respective incumbent local exchange carrier. The affordable price shall be no less than the rates in effect at the time the Commission creates a fund pursuant to this item. The Commission may establish and utilize indices or models for updating the affordable price for supported telecommunications services.

(e) Identify the telecommunications carriers from whom the costs of the fund shall be recovered and the mechanism to be used to determine and establish a competitively neutral and non-discriminatory funding basis. From time to time, or upon request,
the Commission shall consider whether, based upon changes in technology or other factors, additional telecommunications providers should contribute to the fund. The Commission shall establish the basis upon which telecommunications carriers contributing to the fund shall recover contributions on a competitively neutral and non-discriminatory basis. In determining cost recovery for any universal support fund, the Commission shall not permit recovery of such costs from another certificated carrier for any service purchased and used solely as an input to a service provided to such certificated carriers’ retail customers:

(6) Approve a plan for the administration and operation of the fund by a neutral third party consistent with the requirements of this item:

No fund shall be created pursuant to this item until existing implicit subsidies, including, but not limited to, those subsidies contained in interexchange access charges, have been identified and eliminated through revisions to rates or charges. Prior to May 1, 2000, such revisions to rates or charges to eliminate implicit subsidies shall occur contemporaneously with any funding established pursuant to this item. However, if the Commission does not establish a universal service support fund by May 1, 2000, the Commission shall not be prevented from entering an order or taking other actions to reduce or eliminate existing subsidies as well as considering the effect of such reduction or elimination on local exchange carriers:

Any telecommunications carrier providing local exchange telecommunications service which offers to its local exchange customers a choice of two or more local exchange telecommunications service offerings shall provide, to any such customer requesting it, once a year without charge, a report describing which local exchange telecommunications service offering would result in the lowest bill for such customer’s local exchange service, based on such customer’s calling pattern and usage for the previous 6 months. At least once a year, each such carrier shall provide a notice to each of its local exchange telecommunications service customers describing the availability of this report and the specific procedures by which customers may receive it. Such report shall only be available to current and future customers who have received at least 6 months of continuous local exchange service from such carrier.

Sec. 13-401.1. Interconnected voice over Internet protocol (VoIP) service provider registration.

(a) An Interconnected VoIP provider providing fixed or non-nomadic service in Illinois on December 1, 2010 shall register with the Commission no later than January 1, 2011. All other Interconnected VoIP providers providing fixed or non-nomadic service in Illinois shall register with the Commission at least 30 days before providing service in Illinois. The Commission shall prescribe a registration form no later than October 1, 2010. The registration form prescribed by the Commission shall only require the following information:

(1) the provider's legal name and any name under which the provider does or will do business in Illinois, as authorized by the Secretary of State;

(2) the provider's address and telephone number, along with contact information for the person responsible for ongoing communications with the Commission;

(3) a description of the provider's dispute resolution process and, if any, the telephone number to initiate the dispute resolution process; and

(4) a description of each exchange of a local exchange company, in whole or in part, or the cities, towns, or geographic areas, in whole or in part, in which the provider is offering or proposes to offer Interconnected VoIP service.

A provider must notify the Commission of any change in the information identified in paragraphs (1), (2), (3), or (4) of this subsection (a) within 5 business days after any such change.

(b) A provider shall charge and collect from its end-user customers, and remit to the appropriate authority, fees and surcharges in the same manner as are charged and collected upon end-user customers of local exchange telecommunications service and remitted by local exchange telecommunications companies for local enhanced 9-1-1 surcharges.

(c) A provider may designate information that it submits in its registration form or subsequent reports as confidential or proprietary, provided that the provider states the reasons the confidential designation is necessary. The Commission shall provide adequate protection for such information pursuant to Section 4-404 of this Act. If the Commission or
any other party seeks public disclosure of information designated as confidential, the Commission shall consider the confidential designation in a proceeding under the Illinois Administrative Procedure Act, and the burden of proof to demonstrate that the designated information is confidential shall be upon the provider. Designated information shall remain confidential pending the Commission's determination of whether the information is entitled to confidential treatment. Information designated as confidential shall be provided to local units of government for purposes of assessing compliance with this Article as permitted under a protective order issued by the Commission pursuant to the Commission's rules and to the Attorney General pursuant to Section 6.5 of the Attorney General Act. Information designated as confidential under this Section or determined to be confidential upon Commission review shall only be disclosed pursuant to a valid and enforceable subpoena or court order or as required by the Freedom of Information Act.

(d) Notwithstanding any other provision of law to the contrary, the Commission shall have the authority, after notice and hearing, to revoke or suspend the registration of any provider that fails to comply with the requirements of this Section.

(e) The provisions of this Section are severable under Section 1.31 of the Statute on Statutes.

Sec. 13-406. Abandonment of service. No telecommunications carrier offering or providing noncompetitive telecommunications service pursuant to a valid Certificate of Service Authority or certificate of public convenience and necessity shall discontinue or abandon such service once initiated until and unless it shall demonstrate, and the Commission finds, after notice and hearing, that such discontinuance or abandonment will not deprive customers of any necessary or essential telecommunications service or access thereto and is not otherwise contrary to the public interest. No telecommunications carrier offering or providing competitive telecommunications service shall completely discontinue or abandon such service to an identifiable class or group of customers once initiated except upon 60 30 days notice to the Commission and affected customers. The Commission may, upon its own motion or upon complaint, investigate the proposed discontinuance or abandonment of a competitive telecommunications service and may, after notice and hearing, prohibit such proposed discontinuance or abandonment if the Commission finds
that it would be contrary to the public interest. If the Commission does not provide notice of a hearing within 60 calendar days after the notification or holds a hearing and fails to find that the proposed discontinuation or abandonment would be contrary to the public interest, the provider may discontinue or abandon such service after providing at least 30 days notice to affected customers.

(Section scheduled to be repealed on July 1, 2010)

Sec. 13-407. Commission study and report. The Commission shall monitor and analyze patterns of entry and exit and changes in patterns of entry and exit for each relevant market for telecommunications services, including emerging high speed telecommunications markets and broadband services. The Commission shall include its findings together with appropriate recommendations for legislative action in its annual report to the General Assembly. The Commission shall provide an analysis of entry and exit, along with changes in patterns of entry and exit, for broadband services in its annual report to the General Assembly.

In preparing its annual report, the Commission may obtain any information on broadband services that has been collected or is in the possession of the Department of Commerce and Economic Opportunity pursuant to the High Speed Internet Services and Information Technology Act. The Commission shall coordinate with the Department of Commerce and Economic Opportunity in collecting information to avoid a duplication of efforts.

The Commission shall also monitor and analyze the status of deployment of services to consumers, and any resulting "digital divisions" between consumers, including any changes or trends therein. The Commission shall include its findings together with appropriate recommendations for legislative action in its annual report to the General Assembly. In preparing this analysis the Commission shall evaluate information provided by certificated telecommunications carriers, registered Interconnected VoIP providers, and Facilities-based Providers of Broadband Connections to End User Locations that pertains to the state of competition in telecommunications markets including, but not limited to:

(1) the number and type of firms providing telecommunications services and including broadband telecommunications services, within the State;

New matter indicated by italics - deletions by strikeout
(2) the telecommunications services offered by these firms to both retail and wholesale customers; 
(3) the extent to which customers and other providers are purchasing the firms' telecommunications services; and 
(4) the technologies or methods by which these firms provide these services, including descriptions of technologies in place and under development, and the degree to which firms rely on other wholesale providers to provide service to their own customers; and 
(5) the tariffed retail and wholesale prices for services provided by these firms.

The Commission shall at a minimum assess the variability in this information according to geography, examining variability by exchange, wirecenter, or zip code, and by customer class, examining, at a minimum, the variability between residential and small, medium, and large business customers. The Commission shall provide an analysis of market trends by collecting this information from certificated telecommunications carriers, registered Interconnected VoIP providers, and Facilities-based Providers of Broadband Connections to End User Locations firms providing telecommunications services within the State. The Commission shall also collect all information, in a format determined by the Commission, that the Commission deems necessary to assist in monitoring and analyzing the telecommunications markets and broadband market, along with the status of competition and deployment of telecommunications services and broadband services to consumers in the State.

Notwithstanding any other provision of this Act, certificated telecommunications carriers and registered Interconnected VoIP providers shall report to the Commission such information, with the exception of broadband information, requested by the Commission necessary to satisfy the reporting requirements of items (1) through (4) of this Section. The Commission may coordinate and work with the Department of Commerce and Economic Opportunity to avoid duplication of collection of information that is collected pursuant to the High Speed Internet Services and Information Technology Act.

For the purposes of this Section:

"Broadband connections" include wired lines or wireless channels that enable the end user to receive information from or send information to the Internet at information transfer rates exceeding 200 kbps in at least one direction.

New matter indicated by italics - deletions by strikeout
"End user" includes a residential, business, institutional, or government entity who uses broadband services for its own purposes and who does not resell such services to other entities or incorporate such services into retail Internet-access services. For purposes of this Section, an Internet Service Provider (ISP) is not an end user of a broadband connection.

"Facilities-based Provider of Broadband Connections to End User Locations" means an entity that meets any of the following conditions:

(i) It owns the portion of the physical facility that terminates at the end user location.

(ii) It obtains unbundled network elements (UNEs), special access lines, or other leased facilities that terminate at the end user location and provisions or equips them as broadband.

(iii) It provisions or equips a broadband wireless channel to the end user location over licensed or unlicensed spectrum.

"Facilities-based Provider of Broadband Connections to End User Locations" does not include providers of terrestrial fixed wireless services (such as Wi-Fi and other wireless Ethernet, or wireless local area network, applications) that only enable local distribution and sharing of a premises broadband facility and does not include air-to-ground services.

Telecommunications carriers shall make all tariffs available electronically to the public without requiring a password or other means of registration. A telecommunications carrier's website shall, if applicable, provide in a conspicuous manner information on the rates, charges, terms, and conditions of service available and a toll-free telephone number that may be used to contact an agent for assistance with
obtaining rate or other charge information or the terms and conditions of service.

(220 ILCS 5/13-506.2 new)
(Section scheduled to be repealed on July 1, 2010)
Sec. 13-506.2. Market regulation for competitive retail services.
(a) Definitions. As used in this Section:

(1) "Electing Provider" means a telecommunications carrier that is subject to either rate regulation pursuant to Section 13-504 or Section 13-505 or alternative regulation pursuant to Section 13-506.1 and that elects to have the rates, terms, and conditions of its competitive retail telecommunications services solely determined and regulated pursuant to the terms of this Article.

(2) "Basic local exchange service" means either a stand-alone residence network access line and per-call usage or, for any geographic area in which such stand-alone service is not offered, a stand-alone flat rate residence network access line for which local calls are not charged for frequency or duration. Extended Area Service shall be included in basic local exchange service.

(b) Election for market regulation. Notwithstanding any other provision of this Act, an Electing Provider may elect to have the rates,
terms, and conditions of its competitive retail telecommunications services solely determined and regulated pursuant to the terms of this Section by filing written notice of its election for market regulation with the Commission. The notice of election shall designate the geographic area of the Electing Provider's service territory where the market regulation shall apply, either on a state-wide basis or in one or more specified Market Service Areas ("MSA") or Exchange areas. An Electing Provider shall not make an election for market regulation under this Section unless it commits in its written notice of election for market regulation to fulfill the conditions and requirements in this Section in each geographic area in which market regulation is elected. Immediately upon filing the notice of election for market regulation, the Electing Provider shall be subject to the jurisdiction of the Commission to the extent expressly provided in this Section.

(c) Competitive classification. Market regulation shall only be available for competitive retail telecommunications services as provided in this subsection.

(1) For geographic areas in which telecommunications services provided by the Electing Provider were classified as competitive either through legislative action or a tariff filing pursuant to Section 13-502 prior to January 1, 2010, and that are included in the Electing Provider's notice of election pursuant to subsection (b) of this Section, such services, and all recurring and nonrecurring charges associated with, related to or used in connection with such services, shall be classified as competitive without further Commission review. For services classified as competitive pursuant to this subsection, the requirements or conditions in any order or decision rendered by the Commission pursuant to Section 13-502 prior to the effective date of this amendatory Act of the 96th General Assembly, except for the commitments made by the Electing Provider in such order or decision concerning the optional packages required in subsection (d) of this Section and basic local exchange service as defined in this Section, shall no longer be in effect and no Commission investigation, review, or proceeding under Section 13-502 shall be continued, conducted, or maintained with respect to such services, charges, requirements, or conditions.

(2) For those geographic areas in which residential local exchange telecommunications services have not been classified as

New matter indicated by italics - deletions by strikeout
competitive as of the effective date of this amendatory Act of the 96th General Assembly, all telecommunications services provided to residential and business end users by an Electing Provider in the geographic area that is included in its notice of election pursuant to subsection (b) shall be classified as competitive for purposes of this Article without further Commission review.

(3) If an Electing Provider was previously subject to alternative regulation pursuant to Section 13-506.1 of this Article, the alternative regulation plan shall terminate in whole for all services subject to that plan and be of no force or effect, without further Commission review or action, when the Electing Provider's residential local exchange telecommunications service in each MSA in its telecommunications service area in the State has been classified as competitive pursuant to either subdivision (c)(1) or (c)(2) of this Section.

(4) The service packages described in Section 13-518 shall be classified as competitive for purposes of this Section if offered by an Electing Provider in a geographic area in which local exchange telecommunications service has been classified as competitive pursuant to either subdivision (c)(1) or (c)(2) of this Section.

(d) Consumer choice safe harbor options.

(1) An Electing Provider in each of the MSA or Exchange areas classified as competitive pursuant to subdivision (c)(1) or (c)(2) of this Section shall offer to all residential customers who choose to subscribe the following optional packages of services priced at the same rate levels in effect on January 1, 2010:

(A) A basic package, which shall consist of a stand-alone residential network access line and 30 local calls. If the Electing Provider offers a stand-alone residential access line and local usage on a per call basis, the price for the basic package shall be the Electing Provider's applicable price in effect on January 1, 2010 for the sum of a residential access line and 30 local calls, additional calls over 30 calls shall be provided at the current per call rate. However, this basic package is not required if stand-alone residential network access lines or per-call local usage are not offered by the Electing Provider in the geographic area on January 1, 2010 or if the Electing Provider has not

New matter indicated by italics - deletions by strikeout
increased its stand-alone network access line and local usage rates, including Extended Area Service rates, since January 1, 2010.

(B) An extra package, which shall consist of residential basic local exchange network access line and unlimited local calls. The price for the extra package shall be the Electing Provider's applicable price in effect on January 1, 2010 for a residential access line with unlimited local calls.

(C) A plus package, which shall consist of residential basic local exchange network access line, unlimited local calls, and the customer's choice of 2 vertical services offered by the Electing Provider. The term "vertical services" as used in this subsection, includes, but is not limited to, call waiting, call forwarding, 3-way calling, caller ID, call tracing, automatic callback, repeat dialing, and voicemail. The price for the plus package shall be the Electing Provider's applicable price in effect on January 1, 2010 for the sum of a residential access line with unlimited local calls and 2 times the average price for the vertical features included in the package.

(2) For those geographic areas in which local exchange telecommunications services were classified as competitive on the effective date of this amendatory Act of the 96th General Assembly, an Electing Provider in each such MSA or Exchange area shall be subject to the same terms and conditions as provided in commitments made by the Electing Provider in connection with such previous competitive classifications, which shall apply with equal force under this Section, except as follows: (i) the limits on price increases on the optional packages required by this Section shall be extended consistent with subsection (d)(1) of this Section and (ii) the price for the extra package required by subsection (d)(1)(B) shall be reduced by one dollar from the price in effect on January 1, 2010. In addition, if an Electing Provider obtains a competitive classification pursuant to subsection (c)(1) and (c)(2), the price for the optional packages shall be determined in such area in compliance with subsection (d)(1), except the price for the plus package required by subsection (d)(1)(C) shall be the lower of the price for such area or the price of the plus package in effect

on January 1, 2010 for areas classified as competitive pursuant to subsection (c)(1).

(3) To the extent that the requirements in Section 13-518 applied to a telecommunications carrier prior to the effective date of this Section and that telecommunications carrier becomes an Electing Provider in accordance with the provisions of this Section, the requirements in Section 13-518 shall cease to apply to that Electing Provider in those geographic areas included in the Electing Provider's notice of election pursuant to subsection (b) of this Section.

(4) An Electing Provider shall make the optional packages required by this subsection and stand-alone residential network access lines and local usage, where offered, readily available to the public by providing information, in a clear manner, to residential customers. Information shall be made available on a website, and an Electing Provider shall provide notification to its customers every 6 months, provided that notification may consist of a bill page message that provides an objective description of the safe harbor options that includes a telephone number and website address where the customer may obtain additional information about the packages from the Electing Provider. The optional packages shall be offered on a monthly basis with no term of service requirement. An Electing Provider shall allow online electronic ordering of the optional packages and stand-alone residential network access lines and local usage, where offered, on its website in a manner similar to the online electronic ordering of its other residential services.

(5) An Electing Provider shall comply with the Commission's existing rules, regulations, and notices in Title 83, Part 735 of the Illinois Administrative Code when offering or providing the optional packages required by this subsection (d) and stand-alone residential network access lines.

(6) An Electing Provider shall provide to the Commission semi-annual subscribership reports as of June 30 and December 31 that contain the number of its customers subscribing to each of the consumer choice safe harbor packages required by subsection (d)(1) of this Section and the number of its customers subscribing to retail residential basic local exchange service as defined in subsection (a)(2) of this Section. The first semi-annual reports

New matter indicated by italics - deletions by strikeout
shall be made on April 1, 2011 for December 31, 2010, and on September 1, 2011 for June 30, 2011, and semi-annually on April 1 and September 1 thereafter. Such subscribership information shall be accorded confidential and proprietary treatment upon request by the Electing Provider.

(7) The Commission shall have the power, after notice and hearing as provided in this Article, upon complaint or upon its own motion, to take corrective action if the requirements of this Section are not complied with by an Electing Provider.

(e) Service quality and customer credits for basic local exchange service.

(1) An Electing Provider shall meet the following service quality standards in providing basic local exchange service, which for purposes of this subsection (e), includes both basic local exchange service and the consumer choice safe harbor options required by subsection (d) of this Section.

(A) Install basic local exchange service within 5 business days after receipt of an order from the customer unless the customer requests an installation date that is beyond 5 business days after placing the order for basic service and to inform the customer of the Electing Provider's duty to install service within this timeframe. If installation of service is requested on or by a date more than 5 business days in the future, the Electing Provider shall install service by the date requested.

(B) Restore basic local exchange service for the customer within 30 hours after receiving notice that the customer is out of service.

(C) Keep all repair and installation appointments for basic local exchange service if a customer premises visit requires a customer to be present. The appointment window shall be either a specific time or, at a maximum, a 4-hour time block during evening, weekend, and normal business hours.

(D) Inform a customer when a repair or installation appointment requires the customer to be present.

(2) Customers shall be credited by the Electing Provider for violations of basic local exchange service quality standards described in subdivision (e)(1) of this Section. The credits shall be
applied automatically on the statement issued to the customer for the next monthly billing cycle following the violation or following the discovery of the violation. The next monthly billing cycle following the violation or the discovery of the violation means the billing cycle immediately following the billing cycle in process at the time of the violation or discovery of the violation, provided the total time between the violation or discovery of the violation and the issuance of the credit shall not exceed 60 calendar days. The Electing Provider is responsible for providing the credits and the customer is under no obligation to request such credits.

The following credits shall apply:

(A) If an Electing Provider fails to repair an out-of-service condition for basic local exchange service within 30 hours, the Electing Provider shall provide a credit to the customer. If the service disruption is for more than 30 hours, but not more than 48 hours, the credit must be equal to a pro-rata portion of the monthly recurring charges for all basic local exchange services disrupted. If the service disruption is for more than 48 hours, but not more than 72 hours, the credit must be equal to at least 33% of one month's recurring charges for all local services disrupted. If the service disruption is for more than 72 hours, but not more than 96 hours, the credit must be equal to at least 67% of one month's recurring charges for all basic local exchange services disrupted. If the service disruption is for more than 96 hours, but not more than 120 hours, the credit must be equal to one month's recurring charges for all basic local exchange services disrupted. For each day or portion thereof that the service disruption continues beyond the initial 120-hour period, the Electing Provider shall also provide an additional credit of $20 per calendar day.

(B) If an Electing Provider fails to install basic local exchange service as required under subdivision (e)(1) of this Section, the Electing Provider shall waive 50% of any installation charges, or in the absence of an installation charge or where installation is pursuant to the Link Up program, the Electing Provider shall provide a credit of $25. If an Electing Provider fails to install service
within 10 business days after the service application is placed, or fails to install service within 5 business days after the customer's requested installation date, if the requested date was more than 5 business days after the date of the order, the Electing Provider shall waive 100% of the installation charge, or in the absence of an installation charge or where installation is provided pursuant to the Link Up program, the Electing Provider shall provide a credit of $50. For each day that the failure to install service continues beyond the initial 10 business days, or beyond 5 business days after the customer's requested installation date, if the requested date was more than 5 business days after the date of the order, the Electing Provider shall also provide an additional credit of $20 per calendar day until the basic local exchange service is installed.

(C) If an Electing Provider fails to keep a scheduled repair or installation appointment when a customer premises visit requires a customer to be present as required under subdivision (e)(1) of this Section, the Electing Provider shall credit the customer $25 per missed appointment. A credit required by this subdivision does not apply when the Electing Provider provides the customer notice of its inability to keep the appointment no later than 8:00 pm of the day prior to the scheduled date of the appointment.

(D) Credits required by this subsection do not apply if the violation of a service quality standard:
   (i) occurs as a result of a negligent or willful act on the part of the customer;
   (ii) occurs as a result of a malfunction of customer-owned telephone equipment or inside wiring;
   (iii) occurs as a result of, or is extended by, an emergency situation as defined in 83 Ill. Adm. Code 732.10;
   (iv) is extended by the Electing Provider's inability to gain access to the customer's premises due to the customer missing an appointment,
provided that the violation is not further extended by the Electing Provider;

(v) occurs as a result of a customer request to change the scheduled appointment, provided that the violation is not further extended by the Electing Provider;

(vi) occurs as a result of an Electing Provider's right to refuse service to a customer as provided in Commission rules; or

(vii) occurs as a result of a lack of facilities where a customer requests service at a geographically remote location, where a customer requests service in a geographic area where the Electing Provider is not currently offering service, or where there are insufficient facilities to meet the customer's request for service, subject to an Electing Provider's obligation for reasonable facilities planning.

(3) Each Electing Provider shall provide to the Commission on a quarterly basis and in a form suitable for posting on the Commission's website in conformance with the rules adopted by the Commission and in effect on April 1, 2010, a public report that includes the following data for basic local exchange service quality of service:

(A) With regard to credits due in accordance with subdivision (e)(2)(A) as a result of out-of-service conditions lasting more than 30 hours:

(i) the total dollar amount of any customer credits paid;

(ii) the number of credits issued for repairs between 30 and 48 hours;

(iii) the number of credits issued for repairs between 49 and 72 hours;

(iv) the number of credits issued for repairs between 73 and 96 hours;

(v) the number of credits used for repairs between 97 and 120 hours;

(vi) the number of credits issued for repairs greater than 120 hours; and

New matter indicated by italics - deletions by strikeout
(vii) the number of exemptions claimed for each of the categories identified in subdivision (e)(2)(D).

(B) With regard to credits due in accordance with subdivision (e)(2)(B) as a result of failure to install basic local exchange service:

(i) the total dollar amount of any customer credits paid;

(ii) the number of installations after 5 business days;

(iii) the number of installations after 10 business days;

(iv) the number of installations after 11 business days; and

(v) the number of exemptions claimed for each of the categories identified in subdivision (e)(2)(D).

(C) With regard to credits due in accordance with subdivision (e)(2)(C) as a result of missed appointments:

(i) the total dollar amount of any customer credits paid;

(ii) the number of any customers receiving credits; and

(iii) the number of exemptions claimed for each of the categories identified in subdivision (e)(2)(D).

(D) The Electing Provider's annual report required by this subsection shall also include, for informational reporting, the performance data described in subdivisions (e)(2)(A), (e)(2)(B), and (e)(2)(C), and trouble reports per 100 access lines calculated using the Commission's existing applicable rules and regulations for such measures, including the requirements for service standards established in this Section.

(4) It is the intent of the General Assembly that the service quality rules and customer credits in this subsection (e) of this Section and other enforcement mechanisms, including fines and penalties authorized by Section 13-305, shall apply on a nondiscriminatory basis to all Electing Providers. Accordingly,
notwithstanding any provision of any service quality rules promulgated by the Commission, any alternative regulation plan adopted by the Commission, any Electing Provider that is subject to any other order of the Commission and that violates or fails to comply with the service quality standards promulgated pursuant to this subsection (e) or any other order of the Commission shall not be subject to any fines, penalties, customer credits, or enforcement mechanisms other than such fines or penalties or customer credits as may be imposed by the Commission in accordance with the provisions of this subsection (e) and Section 13-305, which are to be generally applicable to all Electing Providers. The amount of any fines or penalties imposed by the Commission for failure to comply with the requirements of this subsection (e) shall be an appropriate amount, taking into account, at a minimum, the Electing Provider's gross annual intrastate revenue; the frequency, duration, and recurrence of the violation; and the relative harm caused to the affected customers or other users of the network. In imposing fines and penalties, the Commission shall take into account compensation or credits paid by the Electing Provider to its customers pursuant to this subsection (e) in compensation for any violation found pursuant to this subsection (e), and in any event the fine or penalty shall not exceed an amount equal to the maximum amount of a civil penalty that may be imposed under Section 13-305.

(f) Commission jurisdiction upon election for market regulation. Except as otherwise expressly stated in this Section, the Commission shall thereafter have no jurisdiction or authority over any aspect of competitive retail telecommunications service of an Electing Provider in those geographic areas included in the Electing Provider's notice of election pursuant to subsection (b) of this Section, heretofore subject to the jurisdiction of the Commission, including but not limited to, any requirements of this Article related to the terms, conditions, rates, quality of service, availability, classification or any other aspect of any of the Electing Provider's competitive retail telecommunications services. No Electing Provider shall commit any unfair or deceptive act or practice in connection with any aspect of the offering or provision of any competitive retail telecommunications service. Nothing in this Article shall limit or affect any provisions in the Consumer Fraud and Deceptive Business
Practices Act with respect to any unfair or deceptive act or practice by an Electing Provider.

(g) Commission authority over access services upon election for market regulation.

(1) As part of its Notice of Election for Market Regulation, the Electing Provider shall reduce its intrastate switched access rates to rates no higher than its interstate switched access rates in 4 installments. The first reduction must be made 30 days after submission of its complete application for Notice of Election for Market Regulation, and the Electing Provider must reduce its intrastate switched access rates by an amount equal to 33% of the difference between its current intrastate switched access rates and its current interstate switched access rates. The second reduction must be made no later than one year after the first reduction, and the Electing Provider must reduce its then current intrastate switched access rates by an amount equal to 41% of the difference between its then current intrastate switched access rates and its then current interstate switched access rates. The third reduction must be made no later than one year after the second reduction, and the Electing Provider must reduce its then current intrastate switched access rates by an amount equal to 50% of the difference between its then current intrastate switched access rates and its then current interstate switched access rates. The fourth reduction must be made on or before June 30, 2013, and the Electing Provider must reduce its intrastate switched access rate to mirror its then current interstate switched access rates and rate structure. Following the fourth reduction, each Electing Provider must continue to set its intrastate switched access rates to mirror its interstate switched access rates and rate structure. For purposes of this subsection, the rate for intrastate switched access service means the composite, per-minute rate for that service, including all applicable fixed and traffic-sensitive charges, including, but not limited to, carrier common line charges.

(2) Nothing in paragraph (1) of this subsection (g) prohibits an Electing Provider from electing to offer intrastate switched access service at rates lower than its interstate switched access rates.
(3) The Commission shall have no authority to order an Electing Provider to set its rates for intrastate switched access at a level lower than its interstate switched access rates.

(4) The Commission's authority under this subsection (g) shall only apply to Electing Providers under Market Regulation. The Commission's authority over switched access services for all other carriers is retained under Section 13-900.2 of this Act.

(h) Safety of service equipment and facilities.

(1) An Electing Provider shall furnish, provide, and maintain such service instrumentalities, equipment, and facilities as shall promote the safety, health, comfort, and convenience of its patrons, employees, and public and as shall be in all respects adequate, reliable, and efficient without discrimination or delay. Every Electing Provider shall provide service and facilities that are in all respects environmentally safe.

(2) The Commission is authorized to conduct an investigation of any Electing Provider or part thereof. The investigation may examine the reasonableness, prudence, or efficiency of any aspect of the Electing Provider's operations or functions that may affect the adequacy, safety, efficiency, or reliability of telecommunications service. The Commission may conduct or order an investigation only when it has reasonable grounds to believe that the investigation is necessary to assure that the Electing Provider is providing adequate, efficient, reliable, and safe service. The Commission shall, before initiating any such investigation, issue an order describing the grounds for the investigation and the appropriate scope and nature of the investigation, which shall be reasonably related to the grounds relied upon by the Commission in its order.

(i) Tariffs. No Electing Provider shall offer or provide telecommunications service unless and until a tariff is filed with the Commission that describes the nature of the service, applicable rates and other charges, terms, and conditions of service and the exchange, exchanges, or other geographical area or areas in which the service shall be offered or provided. The Commission may prescribe the form of such tariff and any additional data or information that shall be included in the form. Revenue from retail competitive services received from an Electing Provider pursuant to such tariffs shall be gross revenue for purposes of Section 2-202 of this Act.

(j) Application of Article VII. The provisions of Sections 7-101, 7-102, 7-103, 7-104, 7-204, 7-205, and 7-206 of this Act are applicable to an Electing Provider offering or providing retail telecommunications service, and the Commission's regulation thereof, except that (1) the approval of contracts and arrangements with affiliated interests required by paragraph (3) of Section 7-101 shall not apply to such telecommunications carriers provided that, except as provided in item (2), those contracts and arrangements shall be filed with the Commission; (2) affiliated interest contracts or arrangements entered into by such telecommunications carriers where the increased obligation thereunder does not exceed the lesser of $5,000,000 or 5% of such carrier's prior annual revenue from noncompetitive services are not required to be filed with the Commission; and (3) any consent and approval of the Commission required by Section 7-102 is not required for the sale, lease, assignment, or transfer by any Electing Provider of any real property that is not necessary or useful in the performance of its duties to the public.

Sec. 13-509. Agreements for provisions of competitive telecommunications services differing from tariffs. Commission with respect to such services. Upon request of the Commission, within 30 days after executing any such agreement, the telecommunications carrier shall submit to the Commission written notice of a list of any such agreements (which list may be filed electronically) within the past year. The notice shall identify the general nature of all such agreements, the parties to each agreement, and a general description of differences between each agreement and the related tariff. A copy of each such agreement and any cost support required to be filed with the agreement by some other Section of this Act shall be provided to the Commission within 10 business days after a request for review of the agreement is made by the Commission or is made to the Commission by another telecommunications carrier or by a party to such agreement. Upon submitting notice to the Commission of any such agreement, the telecommunications carrier shall thereafter provide service according to the terms thereof, unless the Commission finds, after notice and hearing, that the continued provision of service pursuant to such agreement would substantially and adversely affect the financial integrity of the telecommunications carrier or would violate any other provision of this Act.

Any agreement or notice entered into or submitted pursuant to the provisions of this Section may, in the Commission's discretion, be accorded proprietary treatment.

(220 ILCS 5/13-703) (from Ch. 111 2/3, par. 13-703)

Section scheduled to be repealed on July 1, 2010

Sec. 13-703. (a) The Commission shall design and implement a program whereby each telecommunications carrier providing local exchange service shall provide a telecommunications device capable of servicing the needs of those persons with a hearing or speech disability together with a single party line, at no charge additional to the basic exchange rate, to any subscriber who is certified as having a hearing or speech disability by a licensed physician, speech-language pathologist, audiologist or a qualified State agency and to any subscriber which is an organization serving the needs of those persons with a hearing or speech disability as determined and specified by the Commission pursuant to subsection (d).

(b) The Commission shall design and implement a program, whereby each telecommunications carrier providing local exchange service shall provide a telecommunications relay system, using third party
intervention to connect those persons having a hearing or speech disability with persons of normal hearing by way of intercommunications devices and the telephone system, making available reasonable access to all phases of public telephone service to persons who have a hearing or speech disability. In order to design a telecommunications relay system which will meet the requirements of those persons with a hearing or speech disability available at a reasonable cost, the Commission shall initiate an investigation and conduct public hearings to determine the most cost-effective method of providing telecommunications relay service to those persons who have a hearing or speech disability when using telecommunications devices and therein solicit the advice, counsel, and physical assistance of Statewide nonprofit consumer organizations that serve persons with hearing or speech disabilities in such hearings and during the development and implementation of the system. The Commission shall phase in this program, on a geographical basis, as soon as is practicable, but no later than June 30, 1990.

(c) The Commission shall establish a rate recovery mechanism, authorizing charges in an amount to be determined by the Commission for each line of a subscriber to allow telecommunications carriers providing local exchange service to recover costs as they are incurred under this Section.

(d) The Commission shall determine and specify those organizations serving the needs of those persons having a hearing or speech disability that shall receive a telecommunications device and in which offices the equipment shall be installed in the case of an organization having more than one office. For the purposes of this Section, "organizations serving the needs of those persons with hearing or speech disabilities" means centers for independent living as described in Section 12a of the Disabled Persons Rehabilitation Act and not-for-profit organizations whose primary purpose is serving the needs of those persons with hearing or speech disabilities. The Commission shall direct the telecommunications carriers subject to its jurisdiction and this Section to comply with its determinations and specifications in this regard.

(e) As used in this Section, the phrase "telecommunications carrier providing local exchange service" includes, without otherwise limiting the meaning of the term, telecommunications carriers which are purely mutual concerns, having no rates or charges for services, but paying the operating expenses by assessment upon the members of such a company and no other person.
(f) Interconnected VoIP service providers in Illinois shall collect and remit assessments determined in accordance with this Section in a competitively neutral manner in the same manner as a telecommunications carrier providing local exchange service. Interconnected VoIP services shall not be considered an intrastate telecommunications service for the purposes of this Section in a manner inconsistent with federal law or Federal Communications Commission regulation.

(g) The provisions of this Section are severable under Section 1.31 of the Statute on Statutes.

Sec. 13-704. Each page of a billing statement which sets forth charges assessed against a customer by a telecommunications carrier for telecommunications service shall reflect the telephone number or customer account number to which the charges are being billed. If a telecommunications carrier offers electronic billing, customers may elect to have their bills sent electronically. Such bills shall be transmitted with instructions for payment. Information sent electronically shall be deemed to satisfy any requirement in this Section that such information be printed or written on a customer bill. Bills may be paid electronically or by the use of a customer-preferred financially accredited credit or debit methodology. The billing statement shall also contain a separate bill identifying the amount charged as an infrastructure maintenance fee.

(1) (Blank) “Alternative telephone service” means, except where technically impracticable, a wireless telephone capable of making local calls, and may also include, but is not limited to, call forwarding, voice mail, or paging services.

New matter indicated by italics - deletions by strikeout
(2) "Basic local exchange service" means residential and business lines used for local exchange telecommunications service as defined in Section 13-204 of this Act, excluding:
   (A) services that employ advanced telecommunications capability as defined in Section 706(c)(1) of the federal Telecommunications Act of 1996;
   (B) vertical services;
   (C) company official lines; and
   (D) records work only.

(3) "Link Up" refers to the Link Up Assistance program defined and established at 47 C.F.R. Section 54.411 et seq. as amended.

(c) The Commission shall promulgate service quality rules for basic local exchange service, which may include fines, penalties, customer credits, and other enforcement mechanisms. In developing such service quality rules, the Commission shall consider, at a minimum, the carrier's gross annual intrastate revenue; the frequency, duration, and recurrence of the violation; and the relative harm caused to the affected customer or other users of the network. In imposing fines, the Commission shall take into account compensation or credits paid by the telecommunications carrier to its customers pursuant to this Section in compensation for the violation found pursuant to this Section. These rules shall become effective within one year after the effective date of this amendatory Act of the 92nd General Assembly.

(d) The rules shall, at a minimum, require each telecommunications carrier to do all of the following:

   (1) Install basic local exchange service within 5 business days after receipt of an order from the customer unless the customer requests an installation date that is beyond 5 business days after placing the order for basic service and to inform the customer of its duty to install service within this timeframe. If installation of service is requested on or by a date more than 5 business days in the future, the telecommunications carrier shall install service by the date requested. A telecommunications carrier offering basic local exchange service utilizing the network or network elements of another carrier shall install new lines for basic local exchange service within 3 business days after provisioning of the line or lines by the carrier whose network or network elements are being utilized is complete. This subdivision (d)(1) does not

apply to the migration of a customer between telecommunications carriers, so long as the customer maintains dial tone.

(2) Restore basic local exchange service for a customer within 30\text{ hours} of receiving notice that a customer is out of service. This provision applies to service disruptions that occur when a customer switches existing basic local exchange service from one carrier to another.

(3) Keep all repair and installation appointments for basic local exchange service, when a customer premises visit requires a customer to be present.

(4) Inform a customer when a repair or installation appointment requires the customer to be present.

(e) The rules shall include provisions for customers to be credited by the telecommunications carrier for violations of basic local exchange service quality standards as described in subsection (d). The credits shall be applied on the statement issued to the customer for the next monthly billing cycle following the violation or following the discovery of the violation. The performance levels established in subsection (c) are solely for the purposes of consumer credits and shall not be used as performance levels for the purposes of assessing penalties under Section 13-305. At a minimum, the rules shall include the following:

(1) If a carrier fails to repair an out-of-service condition for basic local exchange service within 30\text{ hours}, the carrier shall provide a credit to the customer. If the service disruption is for over 30 hours but less than 48 hours or less, the credit must be equal to a pro-rata portion of the monthly recurring charges for all local services disrupted. If the service disruption is for more than 48 hours, but not more than 72 hours, the credit must be equal to at least 33\% of one month's recurring charges for all local services disrupted. If the service disruption is for more than 72 hours, but not more than 96 hours, the credit must be equal to at least 67\% of one month's recurring charges for all local services disrupted. If the service disruption is for more than 96 hours, but not more than 120 hours, the credit must be equal to one month's recurring charges for all local services disrupted. For each day or portion thereof that the service disruption continues beyond the initial 120-hour period, the carrier shall also provide either alternative telephone service or an additional credit of $20 per day, at the customer's option.

New matter indicated by italics - deletions by strikeout
(2) If a carrier fails to install basic local exchange service as required under subdivision (d)(1), the carrier shall waive 50% of any installation charges, or in the absence of an installation charge or where installation is pursuant to the Link Up program, the carrier shall provide a credit of $25. If a carrier fails to install service within 10 business days after the service application is placed, or fails to install service within 5 business days after the customer's requested installation date, if the requested date was more than 5 business days after the date of the order, the carrier shall waive 100% of the installation charge, or in the absence of an installation charge or where installation is provided pursuant to the Link Up program, the carrier shall provide a credit of $50. For each day that the failure to install service continues beyond the initial 10 business days, or beyond 5 business days after the customer's requested installation date, if the requested date was more than 5 business days after the date of the order, the carrier shall also provide either alternative telephone service or an additional credit of $20 per day, at the customer's option, until service is installed.

(3) If a carrier fails to keep a scheduled repair or installation appointment when a customer premises visit requires a customer to be present, the carrier shall credit the customer $25 per missed appointment. A credit required by this subsection does not apply when the carrier provides the customer with 24-hour notice of its inability to keep the appointment no later than 8 p.m. of the day prior to the scheduled date of the appointment.

(4) If the violation of a basic local exchange service quality standard is caused by a carrier other than the carrier providing retail service to the customer, the carrier providing retail service to the customer shall credit the customer as provided in this Section. The carrier causing the violation shall reimburse the carrier providing retail service the amount credited the customer. When applicable, an interconnection agreement shall govern compensation between the carrier causing the violation, in whole or in part, and the retail carrier providing the credit to the customer.

(5) (Blank) When alternative telephone service is appropriate, the customer may select one of the alternative telephone services offered by the carrier. The alternative telephone service shall be provided at no cost to the customer for the provision of local service.

New matter indicated by italics - deletions by strikeout
(6) Credits required by this subsection do not apply if the violation of a service quality standard:
   (i) occurs as a result of a negligent or willful act on the part of the customer;
   (ii) occurs as a result of a malfunction of customer-owned telephone equipment or inside wiring;
   (iii) occurs as a result of, or is extended by, an emergency situation as defined in Commission rules;
   (iv) is extended by the carrier's inability to gain access to the customer's premises due to the customer missing an appointment, provided that the violation is not further extended by the carrier;
   (v) occurs as a result of a customer request to change the scheduled appointment, provided that the violation is not further extended by the carrier;
   (vi) occurs as a result of a carrier's right to refuse service to a customer as provided in Commission rules; or
   (vii) occurs as a result of a lack of facilities where a customer requests service at a geographically remote location, a customer requests service in a geographic area where the carrier is not currently offering service, or there are insufficient facilities to meet the customer's request for service, subject to a carrier's obligation for reasonable facilities planning.

(7) The provisions of this subsection are cumulative and shall not in any way diminish or replace other civil or administrative remedies available to a customer or a class of customers.

(f) The rules shall require each telecommunications carrier to provide to the Commission, on a quarterly basis and in a form suitable for posting on the Commission's website, a public report that includes performance data for basic local exchange service quality of service. The performance data shall be disaggregated for each geographic area and each customer class of the State for which the telecommunications carrier internally monitored performance data as of a date 120 days preceding the effective date of this amendatory Act of the 92nd General Assembly. The report shall include, at a minimum, performance data on basic local exchange service installations, lines out of service for more than 30 24
hours, carrier response to customer calls, trouble reports, and missed repair and installation commitments.

(g) The Commission shall establish and implement carrier to carrier wholesale service quality rules and establish remedies to ensure enforcement of the rules.

service shall be reduced to rates no higher than the carrier’s rates for interstate switched access service as follows:

(1) by January 1, 2011, each telecommunications carrier must reduce its intrastate switched access rates by an amount equal to 50% of the difference between its then current intrastate switched access rates and its then current interstate switched access rates;

(2) by January 1, 2012, each telecommunications carrier must further reduce its intrastate switched access rates by an amount equal to 50% of the difference between its then current intrastate switched access rates and its then current interstate switched access rates;

(3) by July 1, 2012, each telecommunications carrier must reduce its intrastate switched access rates to mirror its then current interstate switched access rates and rate structure.

Following 24 months after the effective date of this amendatory Act of the 96th General Assembly, each telecommunications carrier must continue to set its intrastate switched access rates to mirror its interstate switched access rates and rate structure. For purposes of this Section, the rate for intrastate switched access service means the composite, per-minute rate for that service, including all applicable fixed and traffic-sensitive charges, including, but not limited to, carrier common line charges.

(c) Subsection (b) of this Section shall not apply to incumbent local exchange carriers serving 35,000 or fewer access lines.

(d) Nothing in subsection (b) of this Section prohibits a telecommunications carrier from electing to offer intrastate switched access service at rates lower than its interstate rates.

(e) The Commission shall have no authority to order a telecommunications carrier to set its rates for intrastate switched access at a level lower than its interstate switched access rates.

(b) General customer service obligations:

(1) Cable or video providers shall render reasonably efficient service, promptly make repairs, and interrupt service only as necessary and for good cause, during periods of minimum use of the system and for no more than 24 hours.

(2) All service representatives or any other person who contacts customers or potential customers on behalf of the cable or video provider shall have a visible identification card with their name and photograph and shall orally identify themselves upon first contact with the customer. Customer service representatives shall orally identify themselves to callers immediately following the greeting during each telephone contact with the public.

(3) The cable or video providers shall: (i) maintain a customer service facility within the boundaries of a local unit of government staffed by customer service representatives that have the capacity to accept payment, adjust bills, and respond to repair, installation, reconnection, disconnection, or other service calls and distribute or receive converter boxes, remote control units, digital stereo units, or other equipment related to the provision of cable or video service; (ii) provide customers with bill payment facilities through retail, financial, or other commercial institutions located within the boundaries of a local unit of government; (iii) provide an address, toll-free telephone number or electronic address to accept bill payments and correspondence and provide secure collection boxes for the receipt of bill payments and the return of equipment, provided that if a cable or video provider provides secure collection boxes, it shall provide a printed receipt when items are deposited; or (iv) provide an address, toll-free telephone number, or electronic address to accept bill payments and

(4) In each contact with a customer, the service representatives or any other person who contacts customers or potential customers on behalf of the cable or video provider shall state the estimated cost of the service, repair, or installation orally prior to delivery of the service or before any work is performed, shall provide the customer with an oral statement of the total charges before terminating the telephone call or other contact in which a service is ordered, whether in-person or over the Internet, and shall provide a written statement of the total charges before leaving the location at which the work was performed. In the event that the cost of service is a promotional price or is for a limited period of time, the cost of service at the end of the promotion or limited period of time shall be disclosed.  

(5) Cable or video providers shall provide customers a minimum of 30 days' written notice before increasing rates or eliminating transmission of programming and shall submit the notice to the local unit of government in advance of distribution to customers, provided that the cable or video provider is not in violation of this provision if the elimination of transmission of programming was outside the control of the provider, in which case the provider shall use reasonable efforts to provide as much notice as possible, and any rate decrease related to the elimination of transmission of programming shall be applied to the date of the change.  

(6) Cable or video providers shall provide clear visual and audio reception that meets or exceeds applicable Federal Communications Commission technical standards. If a customer experiences poor video or audio reception due to the equipment of the cable or video provider, the cable or video provider shall promptly repair the problem at its own expense.  

(c) Bills, payment, and termination:  

(1) Cable or video providers shall render monthly bills that are clear, accurate, and understandable.  

(2) Every residential customer who pays bills directly to the cable or video provider shall have at least 28 days from the date of the bill to pay the listed charges.
(3) Customer payments shall be posted promptly. When the payment is sent by United States mail, payment is considered paid on the date it is postmarked.

(4) Cable or video providers may not terminate residential service for nonpayment of a bill unless the cable or video provider furnishes notice of the delinquency and impending termination at least 21 days prior to the proposed termination. Notice of proposed termination shall be mailed, postage prepaid, to the customer to whom service is billed. Notice of proposed termination shall not be mailed until the 29th day after the date of the bill for services. Notice of delinquency and impending termination may be part of a billing statement only if the notice is presented in a different color than the bill and is designed to be conspicuous. The cable or video providers may not assess a late fee prior to the 29th day after the date of the bill for service.

(5) Every notice of impending termination shall include all of the following: the name and address of customer; the amount of the delinquency; the date on which payment is required to avoid termination; and the telephone number of the cable or video provider's service representative to make payment arrangements and to provide additional information about the charges for failure to return equipment and for reconnection, if any. No customer may be charged a fee for termination or disconnection of service, irrespective of whether the customer initiated termination or disconnection or the cable or video provider initiated termination or disconnection.

(6) Service may only be terminated on days when the customer is able to reach a service representative of the cable or video providers, either in person or by telephone.

(7) Any service terminated by a cable or video provider without good cause shall be restored without any reconnection fee, charge, or penalty; good cause for termination includes, but is not limited to, failure to pay a bill by the date specified in the notice of impending termination, payment by check for which there are insufficient funds, theft of service, abuse of equipment or personnel, or other similar subscriber actions.

requested by the customer if such a date is at least 5 days from the date requested by the customer. Nothing in this subsection (c) shall prohibit the provider from billing for charges that the customer incurs prior to the date of termination. Cable or video providers shall issue a credit or a refund or return a deposit within 10 business days after the close of the customer's billing cycle following the request for termination or the return of equipment, if any, whichever is later.

(9) The customers or subscribers of a cable or video provider shall be allowed to disconnect their service at any time within the first 60 days after subscribing to or upgrading the service. Within this 60-day period, cable or video providers shall not charge or impose any fees or penalties on the customer for disconnecting service, including, but not limited to, any installation charge or the imposition of an early termination charge, except the cable or video provider may impose a charge or fee to offset any rebates or credits received by the customer and may impose monthly service or maintenance charges, including pay-per-view and premium services charges, during such 60-day period.

(10) Cable and video providers shall guarantee customer satisfaction for new or upgraded service and the customer shall receive a pro-rata credit in an amount equal to the pro-rata charge for the remaining days of service being disconnected or replaced upon the customers request if the customer is dissatisfied with the service and requests to discontinue the service within the first 60 days after subscribing to the upgraded service.

(d) Response to customer inquiries:

(1) Cable or video providers will maintain a toll-free telephone access line that is available to customers 24 hours a day, 7 days a week to accept calls regarding installation, termination, service, and complaints. Trained, knowledgeable, qualified service representatives of the cable or video providers will be available to respond to customer telephone inquiries during normal business hours. Customer service representatives shall be able to provide credit, waive fees, schedule appointments, and change billing cycles. Any difficulties that cannot be resolved by the customer service representatives shall be referred to a supervisor who shall make his or her best efforts to resolve the issue immediately. If the supervisor does not resolve the issue to the customer's satisfaction,

the customer shall be informed of the cable or video provider's complaint procedures and procedures for billing dispute resolution and given a description of the rights and remedies available to customers to enforce the terms of this Article, including the customer's rights to have the complaint reviewed by the local unit of government, to request mediation, and to review in a court of competent jurisdiction.

(2) After normal business hours, the access line may be answered by a service or an automated response system, including an answering machine. Inquiries received by telephone or e-mail after normal business hours shall be responded to by a trained service representative on the next business day. The cable or video provider shall respond to a written billing inquiry within 10 days of receipt of the inquiry.

(3) Cable or video providers shall provide customers seeking non-standard installations with a total installation cost estimate and an estimated date of completion. The actual charge to the customer shall not exceed 10% of the estimated cost without the written consent of the customer.

(4) If the cable or video provider receives notice that an unsafe condition exists with respect to its equipment, it shall investigate such condition immediately and shall take such measures as are necessary to remove or eliminate the unsafe condition. The cable or video provider shall inform the local unit of government promptly, but no later than 2 hours after it receives notification of an unsafe condition that it has not remedied.

(5) Under normal operating conditions, telephone answer time by the cable or video provider's customer representative, including wait time, shall not exceed 30 seconds when the connection is made. If the call needs to be transferred, transfer time shall not exceed 30 seconds. These standards shall be met no less than 90% of the time under normal operating conditions, measured on a quarterly basis.

(6) Under normal operating conditions, the cable or video provider's customers will receive a busy signal less than 3% of the time.

(e) Under normal operating conditions, each of the following standards related to installations, outages, and service calls will be met no less than 95% of the time measured on a quarterly basis:

New matter indicated by italics - deletions by strikeout
(1) Standard installations will be performed within 7 business days after an order has been placed. "Standard" installations are those that are located up to 125 feet from the existing distribution system.

(2) Excluding conditions beyond the control of the cable or video providers, the cable or video providers will begin working on "service interruptions" promptly and in no event later than 24 hours after the interruption is reported by the customer or otherwise becomes known to the cable or video providers. Cable or video providers must begin actions to correct other service problems the next business day after notification of the service problem and correct the problem within 48 hours after the interruption is reported by the customer 95% of the time, measured on a quarterly basis.

(3) The "appointment window" alternatives for installations, service calls, and other installation activities will be either a specific time or, at a maximum, a 4-hour time block during evening, weekend, and normal business hours. The cable or video provider may schedule service calls and other installation activities outside of these hours for the express convenience of the customer.

(4) Cable or video providers may not cancel an appointment with a customer after 5:00 p.m. on the business day prior to the scheduled appointment. If the cable or video provider's representative is running late for an appointment with a customer and will not be able to keep the appointment as scheduled, the customer will be contacted. The appointment will be rescheduled, as necessary, at a time that is convenient for the customer, even if the rescheduled appointment is not within normal business hours.

(f) Public benefit obligation:

(1) All cable or video providers offering service pursuant to the Cable and Video Competition Law of 2007, the Illinois Municipal Code, or the Counties Code shall provide a free service line drop and free basic service to all current and future public buildings within their footprint, including, but not limited to, all local unit of government buildings, public libraries, and public primary and secondary schools, whether owned or leased by that local unit of government ("eligible buildings"). Such service shall be used in a manner consistent with the government purpose for the eligible building and shall not be resold.
(2) This obligation only applies to those cable or video service providers whose cable service or video service systems pass eligible buildings and its cable or video service is generally available to residential subscribers in the same local unit of government in which the eligible building is located. The burden of providing such service at each eligible building shall be shared by all cable and video providers whose systems pass the eligible buildings in an equitable and competitively neutral manner, and nothing herein shall require duplicative installations by more than one cable or video provider at each eligible building. Cable or video providers operating in a local unit of government shall meet as necessary and determine who will provide service to eligible buildings under this subsection (f). If the cable or video providers are unable to reach an agreement, they shall meet with the local unit of government, which shall determine which cable or video providers will serve each eligible building. The local unit of government shall bear the costs of any inside wiring or video equipment costs not ordinarily provided as part of the cable or video provider's basic offering.

(g) After the cable or video providers have offered service for one year, the cable or video providers shall make an annual report to the Commission, to the local unit of government, and to the Attorney General that it is meeting the standards specified in this Article, identifying the number of complaints it received over the prior year in the State and specifying the number of complaints related to each of the following: (1) billing, charges, refunds, and credits; (2) installation or termination of service; (3) quality of service and repair; (4) programming; and (5) miscellaneous complaints that do not fall within these categories. Thereafter, the cable or video providers shall also provide, upon request by the local unit of government where service is offered and to the Attorney General, an annual public report that includes performance data described in subdivisions (5) and (6) of subsection (d) and subdivisions (1) and (2) of subsection (e) of this Section for cable services or video services. The performance data shall be disaggregated for each requesting local unit of government or local exchange, as that term is defined in Section 13-206 of this Act, in which the cable or video providers have customers.

(h) To the extent consistent with federal law, cable or video providers shall offer the lowest-cost basic cable or video service as a stand-alone service to residential customers at reasonable rates. Cable or
video providers shall not require the subscription to any service other than the lowest-cost basic service or to any telecommunications or information service, as a condition of access to cable or video service, including programming offered on a per channel or per program basis. Cable or video providers shall not discriminate between subscribers to the lowest-cost basic service, subscribers to other cable services or video services, and other subscribers with regard to the rates charged for cable or video programming offered on a per channel or per program basis.

(i) To the extent consistent with federal law, cable or video providers shall ensure that charges for changes in the subscriber's selection of services or equipment shall be based on the cost of such change and shall not exceed nominal amounts when the system's configuration permits changes in service tier selection to be effected solely by coded entry on a computer terminal or by other similarly simple method.

(j) To the extent consistent with federal law, cable or video providers shall have a rate structure for the provision of cable or video service that is uniform throughout the area within the boundaries of the local unit of government. This subsection (j) is not intended to prohibit bulk discounts to multiple dwelling units or to prohibit reasonable discounts to senior citizens or other economically disadvantaged groups.

(k) To the extent consistent with federal law, cable or video providers shall not charge a subscriber for any service or equipment that the subscriber has not affirmatively requested by name. For purposes of this subsection (k), a subscriber's failure to refuse a cable or video provider's proposal to provide service or equipment shall not be deemed to be an affirmative request for such service or equipment.

(l) No contract or service agreement containing an early termination clause offering residential cable services or video services or any bundle including such services shall be for a term longer than 2 years one year. Any contract or service offering with a term of service that contains an early termination fee shall limit the early termination fee to not more than the value of any additional goods or services provided with the cable or video services, the amount of the discount reflected in the price for cable services or video services for the period during which the consumer benefited from the discount, or a declining fee based on the remainder of the contract term.

(m) Cable or video providers shall not discriminate in the provision of services for the hearing and visually impaired, and shall comply with the accessibility requirements of 47 U.S.C. 613. Cable or video providers
shall deliver and pick-up or provide customers with pre-paid shipping and
packaging for the return of converters and other necessary equipment at
the home of customers with disabilities. Cable or video providers shall
provide free use of a converter or remote control unit to mobility impaired
customers.

(n)(1) To the extent consistent with federal law, cable or video
providers shall comply with the provisions of 47 U.S.C. 532(h) and (j).
The cable or video providers shall not exercise any editorial control over
any video programming provided pursuant to this Section, or in any other
way consider the content of such programming, except that a cable or
video provider may refuse to transmit any leased access program or
portion of a leased access program that contains obscenity, indecency, or
nudity and may consider such content to the minimum extent necessary to
establish a reasonable price for the commercial use of designated channel
capacity by an unaffiliated person. This subsection (n) shall permit cable
or video providers to enforce prospectively a written and published policy
of prohibiting programming that the cable or video provider reasonably
believes describes or depicts sexual or excretory activities or organs in a
patently offensive manner as measured by contemporary community
standards.

(2) Upon customer request, the cable or video provider
shall, without charge, fully scramble or otherwise fully block the
audio and video programming of each channel carrying such
programming so that a person who is not a subscriber does not
receive the channel or programming.

(3) In providing sexually explicit adult programming or
other programming that is indecent on any channel of its service
primarily dedicated to sexually oriented programming, the cable or
video provider shall fully scramble or otherwise fully block the
video and audio portion of such channel so that a person who is not
a subscriber to such channel or programming does not receive it.

(4) Scramble means to rearrange the content of the signal of
the programming so that the programming cannot be viewed or
heard in an understandable manner.

(o) Cable or video providers will maintain a listing, specific to the
level of street address, of the areas where its cable or video services are
available. Customers who inquire about purchasing cable or video service
shall be informed about whether the cable or video provider's cable or
video services are currently available to them at their specific location.

New matter indicated by italics - deletions by strikeout
(p) Cable or video providers shall not disclose the name, address, telephone number or other personally identifying information of a cable service or video service customer to be used in mailing lists or to be used for other commercial purposes not reasonably related to the conduct of its business unless the cable or video provider has provided to the customer a notice, separately or included in any other customer service notice, that clearly and conspicuously describes the customer's ability to prohibit the disclosure. Cable or video providers shall provide an address and telephone number for a customer to use without a toll charge to prevent disclosure of the customer's name and address in mailing lists or for other commercial purposes not reasonably related to the conduct of its business to other businesses or affiliates of the cable or video provider. Cable or video providers shall comply with the consumer privacy requirements of the Communications Consumer Privacy Act, the Restricted Call Registry Act, and 47 U.S.C. 551 that are in effect as of June 30, 2007 (the effective date of Public Act 95-9) and as amended thereafter.

(q) Cable or video providers shall implement an informal process for handling inquiries from local units of government and customers concerning billing issues, service issues, privacy concerns, and other consumer complaints. In the event that an issue is not resolved through this informal process, a local unit of government or the customer may request nonbinding mediation with the cable or video provider, with each party to bear its own costs of such mediation. Selection of the mediator will be by mutual agreement, and preference will be given to mediation services that do not charge the consumer for their services. In the event that the informal process does not produce a satisfactory result to the customer or the local unit of government, enforcement may be pursued as provided in subdivision (4) of subsection (r) of this Section.

(r) The Attorney General and the local unit of government may enforce all of the customer service and privacy protection standards of this Section with respect to complaints received from residents within the local unit of government's jurisdiction, but it may not adopt or seek to enforce any additional or different customer service or performance standards under any other authority or provision of law.

(1) The local unit of government may, by ordinance, provide a schedule of penalties for any material breach of this Section by cable or video providers in addition to the penalties provided herein. No monetary penalties shall be assessed for a material breach if it is out of the reasonable control of the cable or video provider.
video providers or its affiliate. Monetary penalties adopted in an ordinance pursuant to this Section shall apply on a competitively neutral basis to all providers of cable service or video service within the local unit of government's jurisdiction. In no event shall the penalties imposed under this subsection (r) exceed $750 for each day of the material breach, and these penalties shall not exceed $25,000 for each occurrence of a material breach per customer.

(2) For purposes of this Section, "material breach" means any substantial failure of a cable or video service provider to comply with service quality and other standards specified in any provision of this Act. The Attorney General or the local unit of government shall give the cable or video provider written notice of any alleged material breaches of this Act and allow such provider at least 30 days from receipt of the notice to remedy the specified material breach.

(3) A material breach, for the purposes of assessing penalties, shall be deemed to have occurred for each day that a material breach has not been remedied by the cable service or video service provider after the expiration of the period specified in subdivision (2) of this subsection (r) in each local unit of government's jurisdiction, irrespective of the number of customers affected.

(4) Any customer, the Attorney General, or a local unit of government may pursue alleged violations of this Act by the cable or video provider in a court of competent jurisdiction. A cable or video provider may seek judicial review of a decision of a local unit of government imposing penalties in a court of competent jurisdiction. No local unit of government shall be subject to suit for damages or other relief based upon its action in connection with its enforcement or review of any of the terms, conditions, and rights contained in this Act except a court may require the return of any penalty it finds was not properly assessed or imposed.

(s) Cable or video providers shall credit customers for violations in the amounts stated herein. The credits shall be applied on the statement issued to the customer for the next monthly billing cycle following the violation or following the discovery of the violation. Cable or video providers are responsible for providing the credits described herein and the customer is under no obligation to request the credit. If the customer is no

longer taking service from the cable or video provider, the credit amount will be refunded to the customer by check within 30 days of the termination of service. A local unit of government may, by ordinance, adopt a schedule of credits payable directly to customers for breach of the customer service standards and obligations contained in this Article, provided the schedule of customer credits applies on a competitively neutral basis to all providers of cable service or video service in the local unit of government's jurisdiction and the credits are not greater than the credits provided in this Section.

(1) Failure to provide notice of customer service standards upon initiation of service: $25.00.

(2) Failure to install service within 7 days: Waiver of 50% of the installation fee or the monthly fee for the lowest-cost basic service, whichever is greater. Failure to install service within 14 days: Waiver of 100% of the installation fee or the monthly fee for the lowest-cost basic service, whichever is greater.

(3) Failure to remedy service interruptions or poor video or audio service quality within 48 hours: Pro-rata credit of total regular monthly charges equal to the number of days of the service interruption.

(4) Failure to keep an appointment or to notify the customer prior to the close of business on the business day prior to the scheduled appointment: $25.00.

(5) Violation of privacy protections: $150.00.

(6) Failure to comply with scrambling requirements: $50.00 per month.

(7) Violation of customer service and billing standards in subsections (c) and (d) of this Section: $25.00 per occurrence.

(8) Violation of the bundling rules in subsection (h) of this Section: $25.00 per month.

(t) The enforcement powers granted to the Attorney General in Article XXI of this Act shall apply to this Article, except that the Attorney General may not seek penalties for violation of this Article other than in the amounts specified herein. Nothing in this Section shall limit or affect the powers of the Attorney General to enforce the provisions of Article XXI of this Act or the Consumer Fraud and Deceptive Business Practices Act.

In performing this responsibility, the Department shall have the power and duty to do the following:

1. Develop and maintain loss and exposure data on all State property.
2. Study the feasibility of establishing a self-insurance plan for State property and prepare estimates of the costs of reinsurance for risks beyond the realistic limits of the self-insurance.
3. Prepare a plan for centralizing the purchase of property and casualty insurance on State property under a master policy or policies and purchase the insurance contracted for as provided in the Illinois Purchasing Act.
4. Evaluate existing provisions for fidelity bonds required of State employees and recommend changes that are appropriate commensurate with risk experience and the determinations respecting self-insurance or reinsurance so as to permit reduction of costs without loss of coverage.
5. Investigate procedures for inclusion of school districts, public community college districts, and other units of local government in programs for the centralized purchase of insurance.
6. Implement recommendations of the State Property Insurance Study Commission that the Department finds necessary or desirable in the performance of its powers and duties under this Section to achieve efficient and comprehensive risk management.
7. Prepare and, in the discretion of the Director, implement a plan providing for the purchase of public liability insurance or for self-insurance for public liability or for a combination of purchased insurance and self-insurance for public liability (i) covering the State and drivers of motor vehicles owned, leased, or controlled by the State of Illinois pursuant to the provisions and limitations contained in the Illinois Vehicle Code, (ii) covering other public liability exposures of the State and its employees within the scope of their employment, and (iii) covering drivers of motor vehicles not owned, leased, or controlled by the State but used by a State employee on State business, in excess of liability covered by an insurance policy obtained by the owner of the motor vehicle or in excess of the dollar amounts that the Department shall determine to be reasonable. Any contract of insurance let under this Law shall be by bid in

The term "employee" as used in this subdivision (7) and in subdivision (11) means a person while in the employ of the State who is a member of the staff or personnel of a State agency, bureau, board, commission, committee, department, university, or college or who is a State officer, elected official, commissioner, member of or ex officio member of a State agency, bureau, board, commission, committee, department, university, or college, or a member of the National Guard while on active duty pursuant to orders of the Governor of the State of Illinois, or any other person while using a licensed motor vehicle owned, leased, or controlled by the State of Illinois with the authorization of the State of Illinois, provided the actual use of the motor vehicle is within the scope of that authorization and within the course of State service.

Subsequent to payment of a claim on behalf of an employee pursuant to this Section and after reasonable advance written notice to the employee, the Director may exclude the employee from future coverage or limit the coverage under the plan if (i) the Director determines that the claim resulted from an incident in which the employee was grossly negligent or had engaged in willful and wanton misconduct or (ii) the Director determines that the employee is no longer an acceptable risk based on a review of prior accidents in which the employee was at fault and for which payments were made pursuant to this Section.

The Director is authorized to promulgate administrative rules that may be necessary to establish and administer the plan.

Appropriations from the Road Fund shall be used to pay auto liability claims and related expenses involving employees of the Department of Transportation, the Illinois State Police, and the Secretary of State.

(8) Charge, collect, and receive from all other agencies of the State government fees or monies equivalent to the cost of purchasing the insurance.

(9) Establish, through the Director, charges for risk management services rendered to State agencies by the Department. The State agencies so charged shall reimburse the Department by vouchers drawn against their respective appropriations. The reimbursement shall be determined by the Director as amounts sufficient to reimburse the Department for expenditures incurred in rendering the service.
The Department shall charge the employing State agency or university for workers' compensation payments for temporary total disability paid to any employee after the employee has received temporary total disability payments for 120 days if the employee's treating physician has issued a release to return to work with restrictions and the employee is able to perform modified duty work but the employing State agency or university does not return the employee to work at modified duty. Modified duty shall be duties assigned that may or may not be delineated as part of the duties regularly performed by the employee. Modified duties shall be assigned within the prescribed restrictions established by the treating physician and the physician who performed the independent medical examination. The amount of all reimbursements shall be deposited into the Workers' Compensation Revolving Fund which is hereby created as a revolving fund in the State treasury. In addition to any other purpose authorized by law, moneys in the Fund shall be used, subject to appropriation, to pay these or other temporary total disability claims of employees of State agencies and universities.

Beginning with fiscal year 1996, all amounts recovered by the Department through subrogation in workers' compensation and workers' occupational disease cases shall be deposited into the Workers' Compensation Revolving Fund created under this subdivision (9).

(10) Establish rules, procedures, and forms to be used by State agencies in the administration and payment of workers' compensation claims. The Department shall initially evaluate and determine the compensability of any injury that is the subject of a workers' compensation claim and provide for the administration and payment of such a claim for all State agencies. The Director may delegate to any agency with the agreement of the agency head the responsibility for evaluation, administration, and payment of that agency's claims.

(11) Any plan for public liability self-insurance implemented under this Section shall provide that (i) the Department shall attempt to settle and may settle any public liability claim filed against the State of Illinois or any public liability claim filed against a State employee on the basis of an occurrence in the course of the employee's State employment; (ii) any settlement of such a claim is not subject to fiscal year limitations and must be approved by the Director and, in cases of settlements exceeding $100,000, by the Governor; and (iii) a settlement of any public liability claim against the State or a State employee shall require an unqualified
release of any right of action against the State and the employee for acts within the scope of the employee's employment giving rise to the claim.

Whenever and to the extent that a State employee operates a motor vehicle or engages in other activity covered by self-insurance under this Section, the State of Illinois shall defend, indemnify, and hold harmless the employee against any claim in tort filed against the employee for acts or omissions within the scope of the employee's employment in any proper judicial forum and not settled pursuant to this subdivision (11), provided that this obligation of the State of Illinois shall not exceed a maximum liability of $2,000,000 for any single occurrence in connection with the operation of a motor vehicle or $100,000 per person per occurrence for any other single occurrence, or $500,000 for any single occurrence in connection with the provision of medical care by a licensed physician employee.

Any claims against the State of Illinois under a self-insurance plan that are not settled pursuant to this subdivision (11) shall be heard and determined by the Court of Claims and may not be filed or adjudicated in any other forum. The Attorney General of the State of Illinois or the Attorney General's designee shall be the attorney with respect to all public liability self-insurance claims that are not settled pursuant to this subdivision (11) and therefore result in litigation. The payment of any award of the Court of Claims entered against the State relating to any public liability self-insurance claim shall act as a release against any State employee involved in the occurrence.

(12) Administer a plan the purpose of which is to make payments on final settlements or final judgments in accordance with the State Employee Indemnification Act. The plan shall be funded through appropriations from the General Revenue Fund specifically designated for that purpose, except that indemnification expenses for employees of the Department of Transportation, the Illinois State Police, and the Secretary of State shall be paid from the Road Fund. The term "employee" as used in this subdivision (12) has the same meaning as under subsection (b) of Section 1 of the State Employee Indemnification Act. Subject to sufficient appropriation, the Director shall approve payment of any claim, without regard to fiscal year limitations, presented to the Director that is supported by a final settlement or final judgment when the Attorney General and the chief officer of the public body against whose employee the claim or cause of action is asserted certify to the Director that the claim is in accordance with the State Employee Indemnification Act and that they approve of the

payment. In no event shall an amount in excess of $150,000 be paid from this plan to or for the benefit of any claimant.

(13) Administer a plan the purpose of which is to make payments on final settlements or final judgments for employee wage claims in situations where there was an appropriation relevant to the wage claim, the fiscal year and lapse period have expired, and sufficient funds were available to pay the claim. The plan shall be funded through appropriations from the General Revenue Fund specifically designated for that purpose.

Subject to sufficient appropriation, the Director is authorized to pay any wage claim presented to the Director that is supported by a final settlement or final judgment when the chief officer of the State agency employing the claimant certifies to the Director that the claim is a valid wage claim and that the fiscal year and lapse period have expired. Payment for claims that are properly submitted and certified as valid by the Director shall include interest accrued at the rate of 7% per annum from the forty-fifth day after the claims are received by the Department or 45 days from the date on which the amount of payment is agreed upon, whichever is later, until the date the claims are submitted to the Comptroller for payment. When the Attorney General has filed an appearance in any proceeding concerning a wage claim settlement or judgment, the Attorney General shall certify to the Director that the wage claim is valid before any payment is made. In no event shall an amount in excess of $150,000 be paid from this plan to or for the benefit of any claimant.

Nothing in Public Act 84-961 shall be construed to affect in any manner the jurisdiction of the Court of Claims concerning wage claims made against the State of Illinois.

(14) Prepare and, in the discretion of the Director, implement a program for self-insurance for official fidelity and surety bonds for officers and employees as authorized by the Official Bond Act.

(b) Outstanding liabilities as of June 30, payable from appropriations which have otherwise expired, may be paid out of the expiring appropriations during the 2-month period ending at the close of business on August 31. Any service involving professional or artistic skills or any personal services by an employee whose compensation is subject to income tax withholding must be performed as of June 30 of the fiscal year in order to be considered an "outstanding liability as of June 30" that is thereby eligible for payment out of the expiring appropriation.

However, payment of tuition reimbursement claims under Section 14-7.03 or 18-3 of the School Code may be made by the State Board of Education from its appropriations for those respective purposes for any fiscal year, even though the claims reimbursed by the payment may be claims attributable to a prior fiscal year, and payments may be made at the direction of the State Superintendent of Education from the fund from which the appropriation is made without regard to any fiscal year limitations.

Medical payments may be made by the Department of Veterans' Affairs from its appropriations for those purposes for any fiscal year, without regard to the fact that the medical services being compensated for by such payment may have been rendered in a prior fiscal year.

Medical payments may be made by the Department of Healthcare and Family Services and medical payments and child care payments may be made by the Department of Human Services (as successor to the Department of Public Aid) from appropriations for those purposes for any fiscal year, without regard to the fact that the medical or child care services being compensated for by such payment may have been rendered in a prior fiscal year; and payments may be made at the direction of the Department of Central Management Services from the Health Insurance Reserve Fund and the Local Government Health Insurance Reserve Fund without regard to any fiscal year limitations.

Medical payments may be made by the Department of Human Services from its appropriations relating to substance abuse treatment services for any fiscal year, without regard to the fact that the medical services being compensated for by such payment may have been rendered in a prior fiscal year, provided the payments are made on a fee-for-service basis consistent with requirements established for Medicaid reimbursement by the Department of Healthcare and Family Services.

Additionally, payments may be made by the Department of Human Services from its appropriations, or any other State agency from its
appropriations with the approval of the Department of Human Services, from the Immigration Reform and Control Fund for purposes authorized pursuant to the Immigration Reform and Control Act of 1986, without regard to any fiscal year limitations.

Further, with respect to costs incurred in fiscal years 2002 and 2003 only, payments may be made by the State Treasurer from its appropriations from the Capital Litigation Trust Fund without regard to any fiscal year limitations.

Lease payments may be made by the Department of Central Management Services under the sale and leaseback provisions of Section 7.4 of the State Property Control Act with respect to the James R. Thompson Center and the Elgin Mental Health Center and surrounding land from appropriations for that purpose without regard to any fiscal year limitations.

Lease payments may be made under the sale and leaseback provisions of Section 7.5 of the State Property Control Act with respect to the Illinois State Toll Highway Authority headquarters building and surrounding land without regard to any fiscal year limitations.

Payments may be made in accordance with a plan authorized by paragraph (11) or (12) of Section 405-105 of the Department of Central Management Services Law from appropriations for those payments without regard to fiscal year limitations.

(c) Further, payments may be made by the Department of Public Health and the Department of Human Services (acting as successor to the Department of Public Health under the Department of Human Services Act) from their respective appropriations for grants for medical care to or on behalf of persons suffering from chronic renal disease, persons suffering from hemophilia, rape victims, and premature and high-mortality risk infants and their mothers and for grants for supplemental food supplies provided under the United States Department of Agriculture Women, Infants and Children Nutrition Program, for any fiscal year without regard to the fact that the services being compensated for by such payment may have been rendered in a prior fiscal year.

(d) The Department of Public Health and the Department of Human Services (acting as successor to the Department of Public Health under the Department of Human Services Act) shall each annually submit to the State Comptroller, Senate President, Senate Minority Leader, Speaker of the House, House Minority Leader, and the respective Chairmen and Minority Spokesmen of the Appropriations Committees of

year funds used to pay for services provided in any prior fiscal year. This
report shall document by program or service category those expenditures
from the most recently completed fiscal year used to pay for services
provided in prior fiscal years.

(e) The Department of Healthcare and Family Services, the
Department of Human Services (acting as successor to the Department of
Public Aid), and the Department of Human Services making fee-for-
service payments relating to substance abuse treatment services provided
during a previous fiscal year shall each annually submit to the State
Comptroller, Senate President, Senate Minority Leader, Speaker of the
House, House Minority Leader, the respective Chairmen and Minority
Spokesmen of the Appropriations Committees of the Senate and the

(f) The Department of Human Services (as successor to the
Department of Public Aid) shall annually submit to the State Comptroller,

prior fiscal years.

(g) In addition, each annual report required to be submitted by the
Department of Healthcare and Family Services under subsection (e) shall
include the following information with respect to the State's Medicaid
program:

(1) Explanations of the exact causes of the variance
    between the previous year's estimated and actual liabilities.

(2) Factors affecting the Department of Healthcare and
    Family Services' liabilities, including but not limited to numbers of
    aid recipients, levels of medical service utilization by aid
    recipients, and inflation in the cost of medical services.

(3) The results of the Department's efforts to combat fraud
    and abuse.
(h) As provided in Section 4 of the General Assembly Compensation Act, any utility bill for service provided to a General Assembly member's district office for a period including portions of 2 consecutive fiscal years may be paid from funds appropriated for such expenditure in either fiscal year.

(i) An agency which administers a fund classified by the Comptroller as an internal service fund may issue rules for:

1. billing user agencies in advance for payments or authorized inter-fund transfers based on estimated charges for goods or services;

2. issuing credits, refunding through inter-fund transfers, or reducing future inter-fund transfers during the subsequent fiscal year for all user agency payments or authorized inter-fund transfers received during the prior fiscal year which were in excess of the final amounts owed by the user agency for that period; and

3. issuing catch-up billings to user agencies during the subsequent fiscal year for amounts remaining due when payments or authorized inter-fund transfers received from the user agency during the prior fiscal year were less than the total amount owed for that period.

User agencies are authorized to reimburse internal service funds for catch-up billings by vouchers drawn against their respective appropriations for the fiscal year in which the catch-up billing was issued or by increasing an authorized inter-fund transfer during the current fiscal year. For the purposes of this Act, "inter-fund transfers" means transfers without the use of the voucher-warrant process, as authorized by Section 9.01 of the State Comptroller Act.

Section 5. The Employment of Illinois Workers on Public Works Act is amended by changing Sections 0.01, 1, 1.1, 2, 3, 4, 5, 6, and 7 and by adding Sections 7.05, 7.10, 7.15, and 7.20 as follows:

(30 ILCS 570/1) (from Ch. 48, par. 2201)
Sec. 1. Definitions. For the purposes of Article 2 of this Act, the following words have the meanings ascribed to them in this Section.

(1) "Illinois laborer" refers to any person who has resided in Illinois for at least 30 days and intends to become or remain an Illinois resident.

(2) "A period of excessive unemployment" means any month immediately following 2 consecutive calendar months during which the level of unemployment in the State of Illinois has exceeded 5% as measured by the United States Bureau of Labor Statistics in its monthly publication of employment and unemployment figures.

(3) "Hazardous waste" has the definition ascribed to it in Section 3.220 of the Illinois Environmental Protection Act, approved June 29, 1970, as amended.

(4) "Interested party" means a person or entity with an interest in compliance with this Act.

(5) "Entity" means any sole proprietor, partnership, firm, corporation, limited liability company, association, or other business enterprise; however, the term "entity" does not include (i) the State of Illinois or its officers, agencies, or political subdivisions or (ii) the federal government.

New matter indicated by italics - deletions by strikeout
Sec. 1.1. Findings. The General Assembly finds and declares that unemployment in the Illinois construction industry has traditionally tended to be higher in those counties which border upon other states. Further, the General Assembly finds and declares that the over-utilization of out-of-state laborers on public works projects or improvements for the State of Illinois or any political subdivision, municipal corporation or other governmental units thereof is a contributing factor to higher levels of unemployment both in the border counties and throughout Illinois. It is the public policy of this State and the objective of this Act to promote the general welfare of the people of this State by ensuring that Illinois laborers are utilized to the greatest extent possible on public works projects or improvements for the State of Illinois or any political subdivision, municipal corporation or other governmental units thereof. To this end, this Act shall be liberally construed to effectuate its purpose.

Sec. 2. Applicability. This Article 2 of this Act applies to all labor on public works projects or improvements, including projects involving the clean-up and on-site disposal of hazardous waste, but excluding emergency response or immediate removal activities, whether skilled, semi-skilled or unskilled, whether manual or non-manual.

Sec. 3. Employment of Illinois laborers. Whenever there is a period of excessive unemployment in Illinois, if a person or entity who is charged with the duty, either by law or contract, of (1) constructing or building any public works, as defined in this Act, project or improvement or (2) for the clean-up and on-site disposal of hazardous waste for the State of Illinois or any political subdivision of the State, and that clean-up or on-site disposal is funded or financed in whole or in part with State funds or funds administered by the State of Illinois, then that person or entity municipal corporation or other governmental unit thereof shall employ at least 90% only Illinois laborers on such project. Any public works project financed in whole or in part by federal funds administered by the State of Illinois is covered under the provisions of this Act, to the extent permitted by any applicable federal law or regulation. Every public works or improvement, and every contract let by any such person shall contain a
provision requiring that such labor be used: Provided, that other laborers may be used when Illinois laborers as defined in this Act are not available, or are incapable of performing the particular type of work involved, if so certified by the contractor and approved by the contracting officer.

(30 ILCS 570/4) (from Ch. 48, par. 2204)

Sec. 4. Non-resident executive and technical experts. Every contractor on a public works project or improvement or hazardous waste clean-up and on-site disposal project in this State may place on such work no more than 3, or 6 in the case of a hazardous waste clean-up and on-site disposal project, of his regularly employed non-resident executive and technical experts, even though they do not qualify as Illinois laborers as defined in Section 1 of Article 2 of this Act.

(30 ILCS 570/5) (from Ch. 48, par. 2205)

Sec. 5. Expenditure of federal funds.

(a) In all contracts involving the expenditure of federal aid funds in relation to a public works project or improvement, Article 2 of this Act shall not be enforced in such manner as to conflict with any federal statutes or rules and regulations.

(b) When federal expenditures are used in combination with State expenditures for clean-up and on-site disposal of hazardous waste, it shall be the responsibility of the Illinois Environmental Protection Agency to notify, with respect to such project, any Illinois hazardous waste cleanup contractor who has requested such notification of the date when bids will be accepted for such projects and the requirements necessary to successfully compete for such projects.

(30 ILCS 570/6) (from Ch. 48, par. 2206)

Sec. 6. Penalties. Any person or entity that violates the provisions of this Act is subject to a civil penalty in an amount not to exceed $1,000 for each violation found in the first investigation by the Department, not to exceed $5,000 for each violation found in the second investigation by the Department, and not to exceed $15,000 for a third or subsequent violation found in any subsequent investigation by the Department. Any person who knowingly fails to use Illinois laborers as required in Article 2 of this Act, shall be guilty of a Class C misdemeanor. Each violation of this Act for each worker and for each day the violation continues constitutes separate ease of failure to use Illinois laborers on such public works projects or
improvements or for the clean-up and on-site disposal of hazardous waste shall constitute a separate and distinct violation offense. In determining the amount of the penalty, the Department shall consider the appropriateness of the penalty to the person or entity charged, upon determination of the gravity of the violations. The collection of these penalties shall be enforced in a civil action brought by the Attorney General on behalf of the Department.

(Source: P.A. 86-1015.)

Sec. 7. Enforcement. It is the duty of the Department of Labor to enforce the provisions of this Act. The Department has the power to conduct investigations in connection with the administration and enforcement of this Act, and any investigator with the Department is authorized to visit and inspect, at all reasonable times, any places covered by this Act and is authorized to inspect, at all reasonable times, documents related to the determination of whether a violation of the Act exists. The Department may compel, by subpoena, the attendance and testimony of witnesses and the production of books, payrolls, records, papers, and other evidence in any investigation and may administer oaths to witnesses. The Article 2 of this Act shall be enforced by the Department of Labor, which, as represented by the Attorney General, is empowered to: (i) issue and cause to be served on any person or entity an order to cease and desist from further violation of this Act, (ii) take affirmative or other action as deemed reasonable to eliminate the effect of the violation, (iii) collect any civil penalties assessed by the Department pursuant to Section 6 of this Act, and (iv) sue for injunctive relief against the awarding of any contract or the continuation of any work under any contract for public works or improvements or for the clean-up and on-site disposal of hazardous waste at a time when the provisions of Article 2 of this Act are not being met.

Sec. 7.05. Review. Any party seeking review of the Department’s determination may file a written request for an informal conference. The request must be received by the Department within 15 calendar days after the date of issuance of the Department's determination. During the conference, the party seeking review may present written or oral information and arguments as to why the Department's determination should be amended or vacated. The Department shall consider the

information and arguments presented and issue a written decision advising all parties of the outcome of the conference.

Sec. 7.10. Employment of Illinois Workers on Public Works Projects Fund. All moneys received by the Department as civil penalties under this Act shall be deposited into the Employment of Illinois Workers on Public Works Projects Fund and shall be used, subject to appropriation by the General Assembly, by the Department for administration, investigation, and other expenses incurred in carrying out its powers and duties under this Act. The Department shall hire as many investigators and other personnel as may be necessary to carry out the purposes of this Act. Any moneys in the Fund at the end of a fiscal year in excess of those moneys necessary for the Department to carry out its powers and duties under this Act shall be available for appropriation to the Department for the next fiscal year for any of the Department's duties.

Sec. 7.15. Private right of action.

(a) Any interested party or person aggrieved by a violation of this Act or any rule adopted under this Act may file suit in circuit court, in the county where the alleged offense occurred or where any party to the action resides, without regard to exhaustion of any alternative administrative remedies provided in this Act. Actions may only be brought (i) 30 days or more after a complaint has been filed with the Department of Labor by any interested party or person aggrieved by a violation of this Act or (ii) any time after the filing of a complaint if the Department of Labor notifies any interested party or person aggrieved by a violation of this Act that the Department will not proceed with the complaint. Actions may be brought by one or more persons or entities for and on behalf of themselves and other persons or entities similarly situated. A person or entity whose rights have been violated under this Act is entitled to collect:

(1) attorney's fees and costs; and
(2) compensatory damages in an amount not to exceed $500 for each violation of this Act or any rule adopted under this Act. Each violation of this Act for each worker and for each day the violation continues constitutes a separate and distinct violation.

(b) The right of an interested party or aggrieved person to bring an action under this Section terminates upon the passing of 3 years from the date of completion and acceptance of the public works project in question.

(a) Individuals.
(1) In general. In the case of an individual, base income
means an amount equal to the taxpayer's adjusted gross income for
the taxable year as modified by paragraph (2).
(2) Modifications. The adjusted gross income referred to in
paragraph (1) shall be modified by adding thereto the sum of the
following amounts:
(A) An amount equal to all amounts paid or accrued
to the taxpayer as interest or dividends during the taxable
year to the extent excluded from gross income in the
computation of adjusted gross income, except stock
dividends of qualified public utilities described in Section
305(e) of the Internal Revenue Code;
(B) An amount equal to the amount of tax imposed
by this Act to the extent deducted from gross income in the
computation of adjusted gross income for the taxable year;
(C) An amount equal to the amount received during
the taxable year as a recovery or refund of real property
taxes paid with respect to the taxpayer's principal residence
under the Revenue Act of 1939 and for which a deduction
was previously taken under subparagraph (L) of this
paragraph (2) prior to July 1, 1991, the retrospective
application date of Article 4 of Public Act 87-17. In the
case of multi-unit or multi-use structures and farm
dwellings, the taxes on the taxpayer's principal residence
shall be that portion of the total taxes for the entire property
which is attributable to such principal residence;
(D) An amount equal to the amount of the capital
gain deduction allowable under the Internal Revenue Code,
to the extent deducted from gross income in the

(D-5) An amount, to the extent not included in adjusted gross income, equal to the amount of money withdrawn by the taxpayer in the taxable year from a medical care savings account and the interest earned on the account in the taxable year of a withdrawal pursuant to subsection (b) of Section 20 of the Medical Care Savings Account Act or subsection (b) of Section 20 of the Medical Care Savings Account Act of 2000;

(D-10) For taxable years ending after December 31, 1997, an amount equal to any eligible remediation costs that the individual deducted in computing adjusted gross income and for which the individual claims a credit under subsection (l) of Section 201;

(D-15) For taxable years 2001 and thereafter, an amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code;

(D-16) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-15), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (Z) with respect to that property.

If the taxpayer continues to own property through the last day of the last tax year for which the taxpayer may claim a depreciation deduction for federal income tax purposes and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (Z), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

a foreign person who would be a member of the same unitary business group but for the fact that foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal

purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-18) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because

he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the premiums and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) or Section 203(a)(2)(D-18) of this Act.

The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through

The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(c)(2)(G-12) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes: (1) expenses, losses, and costs for or related to the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in
gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the premiums and costs were directly or indirectly paid, incurred, or accrued. (I) The valuation limitation amount;

(J) An amount equal to the amount of any tax imposed by this Act which was refunded to the taxpayer and included in such total for the taxable year;

(L) With the exception of any amounts subtracted under subparagraph (K), an amount equal to the sum of all amounts disallowed as deductions by (i) Sections 171(a) (2)

on or after December 31, 1986, net operating loss carryforwards from taxable years ending prior to December 31, 1986, may not exceed the sum of federal taxable income for the taxable year before net operating loss deduction, plus the excess of addition modifications over subtraction modifications for the taxable year. For taxable years ending prior to December 31, 1986, taxable income may never be an amount in excess of the net operating loss for the taxable year as defined in subsections (c) and (d) of Section 172 of the Internal Revenue Code, provided that when taxable income of a corporation (other than a Subchapter S corporation), trust, or estate is less than zero and addition modifications, other than those provided by subparagraph (E) of paragraph (2) of subsection (b) for corporations or subparagraph (E) of paragraph (2) of subsection (c) for trusts and estates, exceed subtraction modifications, an addition modification must be made under those subparagraphs for any other taxable year to which the taxable income less than zero (net operating loss) is applied under Section 172 of the Internal Revenue Code or under subparagraph (E) of paragraph (2) of this subsection (e) applied in conjunction with Section 172 of the Internal Revenue Code.

(2) Special rule. For purposes of paragraph (1) of this subsection, the taxable income properly reportable for federal income tax purposes shall mean:

(A) Certain life insurance companies. In the case of a life insurance company subject to the tax imposed by Section 801 of the Internal Revenue Code, life insurance company taxable income, plus the amount of distribution from pre-1984 policyholder surplus accounts as calculated under Section 815a of the Internal Revenue Code;

(B) Certain other insurance companies. In the case of mutual insurance companies subject to the tax imposed by Section 831 of the Internal Revenue Code, insurance company taxable income;

(D) Real estate investment trusts. In the case of a real estate investment trust subject to the tax imposed by

Section 857 of the Internal Revenue Code, real estate investment trust taxable income;

(E) Consolidated corporations. In the case of a corporation which is a member of an affiliated group of corporations filing a consolidated income tax return for the taxable year for federal income tax purposes, taxable income determined as if such corporation had filed a separate return for federal income tax purposes for the taxable year and each preceding taxable year for which it was a member of an affiliated group. For purposes of this subparagraph, the taxpayer's separate taxable income shall be determined as if the election provided by Section 243(b)(2) of the Internal Revenue Code had been in effect for all such years;

(F) Cooperatives. In the case of a cooperative corporation or association, the taxable income of such organization determined in accordance with the provisions of Section 1381 through 1388 of the Internal Revenue Code, but without regard to the prohibition against offsetting losses from patronage activities against income from nonpatronage activities; except that a cooperative corporation or association may make an election to follow its federal income tax treatment of patronage losses and nonpatronage losses. In the event such election is made, such losses shall be computed and carried over in a manner consistent with subsection (a) of Section 207 of this Act and apportioned by the apportionment factor reported by the cooperative on its Illinois income tax return filed for the taxable year in which the losses are incurred. The election shall be effective for all taxable years with original returns due on or after the date of the election. In addition, the cooperative may file an amended return or returns, as allowed under this Act, to provide that the election shall be effective for losses incurred or carried forward for taxable years occurring prior to the date of the election. Once made, the election may only be revoked upon approval of the Director. The Department shall adopt rules setting forth requirements for documenting the elections and any resulting Illinois net loss and the standards to be used by
the Director in evaluating requests to revoke elections. This amendatory Act of the 96th General Assembly is declaratory of existing law;

(G) Subchapter S corporations. In the case of: (i) a Subchapter S corporation for which there is in effect an election for the taxable year under Section 1362 of the Internal Revenue Code, the taxable income of such corporation determined in accordance with Section 1363(b) of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 1363(b)(1) of the Internal Revenue Code to be separately stated; and (ii) a Subchapter S corporation for which there is in effect a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982, the taxable income of such corporation determined in accordance with the federal Subchapter S rules as in effect on July 1, 1982; and

(H) Partnerships. In the case of a partnership, taxable income determined in accordance with Section 703 of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 703(a)(1) to be separately stated but which would be taken into account by an individual in calculating his taxable income.

(3) Recapture of business expenses on disposition of asset or business. Notwithstanding any other law to the contrary, if in prior years income from an asset or business has been classified as business income and in a later year is demonstrated to be non-business income, then all expenses, without limitation, deducted in such later year and in the 2 immediately preceding taxable years related to that asset or business that generated the non-business income shall be added back and recaptured as business income in the year of the disposition of the asset or business. Such amount shall be apportioned to Illinois using the greater of the apportionment fraction computed for the business under Section 304 of this Act for the taxable year or the average of the apportionment fractions computed for the business under Section

304 of this Act for the taxable year and for the 2 immediately preceding taxable years.

(f) Valuation limitation amount.

(1) In general. The valuation limitation amount referred to in subsections (a) (2) (G), (c) (2) (I) and (d)(2) (E) is an amount equal to:

(A) The sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of gain reportable under the provisions of Section 1245 or 1250 of the Internal Revenue Code) for all property in respect of which such gain was reported for the taxable year; plus

(B) The lesser of (i) the sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of capital gain) for all property in respect of which such gain was reported for federal income tax purposes for the taxable year, or (ii) the net capital gain for the taxable year, reduced in either case by any amount of such gain included in the amount determined under subsection (a) (2) (F) or (c) (2) (H).

(2) Pre-August 1, 1969 appreciation amount.

(A) If the fair market value of property referred to in paragraph (1) was readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is the lesser of (i) the excess of such fair market value over the taxpayer's basis (for determining gain) for such property on that date (determined under the Internal Revenue Code as in effect on that date), or (ii) the total gain realized and reportable for federal income tax purposes in respect of the sale, exchange or other disposition of such property.

(B) If the fair market value of property referred to in paragraph (1) was not readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is that amount which bears the same ratio to the total gain reported in respect of the property for federal income tax purposes for the taxable year, as the number of full calendar months in that part of the taxpayer's holding period for the property ending July 31, 1969 bears to the
number of full calendar months in the taxpayer's entire holding period for the property.

(C) The Department shall prescribe such regulations as may be necessary to carry out the purposes of this paragraph.

(g) Double deductions. Unless specifically provided otherwise, nothing in this Section shall permit the same item to be deducted more than once.

(h) Legislative intention. Except as expressly provided by this Section there shall be no modifications or limitations on the amounts of income, gain, loss or deduction taken into account in determining gross income, adjusted gross income or taxable income for federal income tax purposes for the taxable year, or in the amount of such items entering into the computation of base income and net income under this Act for such taxable year, whether in respect of property values as of August 1, 1969 or otherwise.

Section 1. Short title. This Act may be cited as the Historic Preservation Tax Credit Pilot Program Act.

Section 5. Definitions. As used in this Section, unless the context clearly indicates otherwise:
(a) "Agency" means the Historic Preservation Agency.
(b) "Department" means the Department of Commerce and Economic Opportunity.
(c) "Qualified expenditures" means all the costs and expenses defined as qualified rehabilitation expenditures under Section 47 of the

federal Internal Revenue Code which were incurred in connection with a qualified historic structure.

(d) "Qualified historic structure" means a hotel that is located in the City of Peoria and that is defined as a certified historic structure under Section 47 (c)(3) of the federal Internal Revenue Code.

(e) "Qualified rehabilitation plan" means a project that is approved by the Agency as being consistent with the standards in effect on the effective date of this Act for rehabilitation as adopted by the federal Secretary of the Interior.

(f) "Qualified taxpayer" means the owner of the qualified historic structure or any other person who may qualify for the federal rehabilitation credit allowed by Section 47 of the federal Internal Revenue Code. If the taxpayer is (i) a corporation having an election in effect under Subchapter S of the federal Internal Revenue Code, (ii) a partnership, or (iii) a limited liability company, the credit provided under this Act may be claimed by the shareholders of the corporation, the partners of the partnership, or the members of the limited liability company in the same manner as those shareholders, partners, or members account for their proportionate shares of the income or losses of the corporation, partnership, or limited liability company, or as provided in the by-laws or other executed agreement of the corporation, partnership, or limited liability company. Credits granted to a partnership, a limited liability company taxed as a partnership, or other multiple owners of property shall be passed through to the partners, members, or owners respectively on a pro rata basis or pursuant to an executed agreement among the partners, members, or owners documenting any alternate distribution method.

Section 15. Allowable credit. To the extent authorized by Section 25 of this Act, for taxable years beginning on or after January 1, 2010 and ending on or before December 31, 2015, there shall be allowed a tax credit against the tax imposed by subsections (a) and (b) of Section 201 of the Illinois Income Tax Act in an amount equal to 25% of qualified expenditures incurred by a qualified taxpayer during the taxable year in the restoration and preservation of a qualified historic structure pursuant to a qualified rehabilitation plan, provided that the total amount of such expenditures (i) must equal $5,000 or more, and (ii) must exceed 50% of the purchase price of the property. If the amount of any tax credit awarded under this Act exceeds the qualified taxpayer's income tax liability for the year in which the qualified rehabilitation plan was placed in service, the excess amount may be carried forward for deduction from the taxpayer's
income tax liability in the next succeeding year or years until the total amount of the credit has been used, except that a credit may not be carried forward for deduction after the tenth taxable year after the taxable year in which the qualified rehabilitation plan was placed in service. To obtain a tax credit pursuant to this Act, an application must be made to the Department no later than 6 months after the effective date of this Act. The Department, in consultation with the Agency, shall determine the amount of eligible rehabilitation costs and expenses. The Agency shall determine whether the rehabilitation is consistent with the standards of the Secretary of the United States Department of the Interior for rehabilitation. Upon completion and review of the project, the Department shall issue a certificate in the amount of the eligible credits. At the time the certificate is issued, an issuance fee up to the maximum amount of 2% of the amount of the credits issued by the certificate may be collected from the applicant to administer the Act. If collected, this issuance fee shall be evenly divided between the Department and the Agency. The taxpayer must attach the certificate to the tax return on which the credits are to be claimed.

Section 20. Transfer of credits. Any qualified taxpayer, referred to in this Section as the assignor, may sell, assign, convey, or otherwise transfer tax credits allowed and earned under this Act. The taxpayer acquiring the credits, referred to in this Section as the assignee, may use the amount of the acquired credits to offset up to 100% of its income tax liability for either the taxable year in which the qualified rehabilitation plan was first placed into service or the taxable year in which such acquisition was made. Unused credit amounts claimed by the assignee may be carried forward for up to 10 years or carried back for up to 3 years, except that all credits must be claimed within 10 years after the tax year in which the qualified rehabilitation plan was first placed into service and may not be carried back to a tax year prior to the tax year in which the credit was issued. The assignor shall enter into a written agreement with the assignee establishing the terms and conditions of the agreement and shall perfect the transfer by notifying the Department in writing within 90 calendar days after the effective date of the transfer and shall provide any information as may be required by the Department to administer and carry out the provisions of this Section. If credits that have been transferred are subsequently reduced, adjusted, or recaptured, in whole or in part, by the Department, the Department of Revenue, or any other applicable government agency, only the original qualified taxpayer that was awarded the credits, and not any subsequent assignee of the credits, shall be held

liable to repay any amount of such reduction, adjustment, or recapture of the credits.

Section 25. Pilot program; report. The Department may award no more than an aggregate of $10,000,000 in total tax credits pursuant to one qualified rehabilitation plan for one qualified historic structure. On or before December 31, 2010 and on or before December 31 of each year thereafter through 2016, the Department must submit a report to the General Assembly evaluating the effectiveness of this Act in stimulating economic revitalization in the pilot program area.

Section 30. Powers. The Department and the Agency shall promulgate rules and regulations for the administration of this Act.

Section 35. The Illinois Income Tax Act is amended by adding Section 219 as follows:

(35 ILCS 5/219 new)

Sec. 219. Historic preservation credit. For tax years beginning on or after January 1, 2010 and ending on or before December 31, 2015, a taxpayer who qualifies for a credit under the Historic Preservation Tax Credit Pilot Program Act is entitled to a credit against the taxes imposed under subsections (a) and (b) of Section 201 of this Act as provided in that Act. If the taxpayer is a partnership or Subchapter S corporation, the credit shall be allowed to the partners or shareholders in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code.

If the amount of any tax credit awarded under this Section exceeds the qualified taxpayer's income tax liability for the year in which the qualified rehabilitation plan was placed in service, the excess amount may be carried forward or back as provided in the Historic Preservation Tax Credit Pilot Program Act.

Section 99. Effective date. This Act takes effect upon becoming law.

AN ACT concerning safety.

Be it enacted by the People of the State of Illinois, represented in
the General Assembly:

Section 5. The Environmental Protection Act is amended by
changing Section 40.2 as follows:

(415 ILCS 5/40.2) (from Ch. 111 1/2, par. 1040.2)
Sec. 40.2. Application of review process.

(a) Subsection (a) of Section 40 does not apply to any permit which
is subject to Section 39.5. If the Agency refuses to grant or grants with
conditions a CAAPP permit, makes a determination of incompleteness
regarding a submitted CAAPP application, or fails to act on an application
for a CAAPP permit, permit renewal, or permit revision within the time
specified in paragraph 5(j) of Section 39.5 of this Act, the applicant, any
person who participated in the public comment process pursuant to
subsection 8 of Section 39.5 of this Act, or any other person who could
obtain judicial review pursuant to Section 41(a) of this Act, may, within 35
days after final permit action, petition for a hearing before the Board to
contest the decision of the Agency. However, the 35-day period for
petitioning for a hearing may be extended by the applicant for an
additional period of time not to exceed 90 days by written notice provided
to the Board from the applicant and the Agency within the initial appeal
period. If another person with standing to appeal wishes to obtain an
extension, there must be a written notice provided to the Board by that
person, the Agency, and the applicant, within the initial appeal period.
Notwithstanding the preceding requirements, petitions for a hearing before
the Board under this subsection may be filed after the 35-day period, only
if such petitions are based solely on grounds arising after the 35-day period
expires. Such petitions shall be filed within 35 days after the new grounds
for review arise. If the final permit action being challenged is the Agency’s
failure to take final action, a petition for a hearing before the Board shall
be filed before the Agency denies or issues the final permit.

The Agency shall appear as respondent in such hearing. At such
hearing the rules prescribed in Sections 32 and 33(a) of this Act shall
apply, and the burden of proof shall be on the petitioner.

(b) The Agency's failure to take final action within 90 days of
receipt of an application requesting minor permit modification procedures

(or 180 days for modifications subject to group processing requirements), pursuant to subsection 14 of Section 39.5, will be subject to this Section and Section 41 of this Act.

(c) If there is no final action by the Board within 120 days after the date on which it received the petition, the permit shall not be deemed issued; rather, the petitioner shall be entitled to an Appellate Court order pursuant to Section 41(d) of this Act. The period of 120 days shall not run for any period of time, not to exceed 30 days, during which the Board is without sufficient membership to constitute the quorum required by subsection (a) of Section 5 of this Act; the 120 day period shall not be stayed for lack of quorum beyond 30 days, regardless of whether the lack of quorum exists at the beginning of the 120 day period or occurs during the running of the 120 day period.

(d) Any person who files a petition to contest the final permit action by the Agency under this Section shall pay a filing fee.

(e) The Agency shall notify USEPA, in writing, of any petition for hearing brought under this Section involving a provision or denial of a Phase II acid rain permit within 30 days of the filing of the petition. USEPA may intervene as a matter of right in any such hearing. The Agency shall notify USEPA, in writing, of any determination or order in a hearing brought under this Section that interprets, voids, or otherwise relates to any portion of a Phase II acid rain permit.

(f) If requested by the applicant, the Board may stay the effectiveness of any final Agency action identified in subsection (a) of this Section during the pendency of the review process. If requested by the applicant, the Board shall stay the effectiveness of all the contested conditions of a CAAPP permit. The Board may stay the effectiveness of any or all uncontested conditions if the Board determines that the uncontested conditions would be affected by its review of contested conditions. If the Board stays any, but not all, conditions, then the applicant shall continue to operate in accordance with any related terms and conditions of any other applicable permits until final Board action in the review process. If the Board stays all conditions, then the applicant shall continue to operate in accordance with all related terms and conditions of any other applicable permits until final Board action in the review process. Any stays granted by the Board shall be deemed effective upon the date of final Agency action appealed by the applicant under this subsection (f). Subsection (b) of Section 10-65 of the Illinois
Administrative Procedure Act shall not apply to actions under this subsection.

(35 ILCS 5/203) (from Ch. 120, par. 2-203)
Sec. 203. Base income defined.
(a) Individuals.
(1) In general. In the case of an individual, base income means an amount equal to the taxpayer's adjusted gross income for the taxable year as modified by paragraph (2).
(2) Modifications. The adjusted gross income referred to in paragraph (1) shall be modified by adding thereto the sum of the following amounts:
   (A) An amount equal to all amounts paid or accrued to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of adjusted gross income, except stock dividends of qualified public utilities described in Section 305(e) of the Internal Revenue Code;
   (B) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income in the computation of adjusted gross income for the taxable year;
   (C) An amount equal to the amount received during the taxable year as a recovery or refund of real property taxes paid with respect to the taxpayer's principal residence under the Revenue Act of 1939 and for which a deduction

was previously taken under subparagraph (L) of this paragraph (2) prior to July 1, 1991, the retrospective application date of Article 4 of Public Act 87-17. In the case of multi-unit or multi-use structures and farm dwellings, the taxes on the taxpayer's principal residence shall be that portion of the total taxes for the entire property which is attributable to such principal residence;

(D) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of adjusted gross income;

(D-5) An amount, to the extent not included in adjusted gross income, equal to the amount of money withdrawn by the taxpayer in the taxable year from a medical care savings account and the interest earned on the account in the taxable year of a withdrawal pursuant to subsection (b) of Section 20 of the Medical Care Savings Account Act or subsection (b) of Section 20 of the Medical Care Savings Account Act of 2000;

(D-10) For taxable years ending after December 31, 1997, an amount equal to any eligible remediation costs that the individual deducted in computing adjusted gross income and for which the individual claims a credit under subsection (l) of Section 201;

(D-15) For taxable years 2001 and thereafter, an amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code;

(D-16) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-15), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (Z) with respect to that property.

If the taxpayer continues to own property through the last day of the last tax year for which the taxpayer may claim a depreciation deduction for federal income tax
purposes and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (Z), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(D-17) An amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

New matter indicated by italics - deletions by strikeout
(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-18) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in
computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

(iii) the taxpayer can establish, based on

accrued, or incurred relates to a contract or
agreement entered into at arm's-length rates and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

12) for interest paid, accrued, or incurred, directly or indirectly, to the same person. This subparagraph (U) is exempt from the provisions of Section 250; and

(V) An amount equal to the income from intangible property taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(c)(2)(G-13) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same foreign person. This subparagraph (V) is exempt from the provisions of Section 250.

New matter indicated by italics - deletions by strikeout
(B) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income for the taxable year;

(C) The amount of deductions allowed to the partnership pursuant to Section 707 (c) of the Internal Revenue Code in calculating its taxable income;

(D) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of taxable income;

(D-5) For taxable years 2001 and thereafter, an amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code;

(D-6) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-5), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (O) with respect to that property.

of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act; and

(D-8) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The
addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(d)(2)(D-7) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets;

This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-9) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph
shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the premiums and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(d)(2)(D-7) or Section 203(d)(2)(D-8) of this Act;

(D-10) An amount equal to the credit allowable to the taxpayer under Section 218(a) of this Act, determined without regard to Section 218(c) of this Act;
and by deducting from the total so obtained the following amounts:

(E) The valuation limitation amount;
(F) An amount equal to the amount of any tax imposed by this Act which was refunded to the taxpayer and included in such total for the taxable year;
(G) An amount equal to all amounts included in taxable income as modified by subparagraphs (A), (B), (C) and (D) which are exempt from taxation by this State either by reason of its statutes or Constitution or by reason of the Constitution, treaties or statutes of the United States; provided that, in the case of any statute of this State that exempts income derived from bonds or other obligations from the tax imposed under this Act, the amount exempted shall be the interest net of bond premium amortization;
(H) Any income of the partnership which constitutes personal service income as defined in Section 1348(b)(1) of the Internal Revenue Code (as in effect December 31, 1981) or a reasonable allowance for compensation paid or accrued for services rendered by partners to the partnership, whichever is greater;
(I) An amount equal to all amounts of income distributable to an entity subject to the Personal Property Tax Replacement Income Tax imposed by subsections (c)
and (d) of Section 201 of this Act including amounts distributable to organizations exempt from federal income tax by reason of Section 501(a) of the Internal Revenue Code, provided that the deduction under this subparagraph (I) shall not be allowed to a publicly traded partnership under Section 7704 of the Internal Revenue Code for any taxable year ending on or after December 31, 2009;

(J) With the exception of any amounts subtracted under subparagraph (G), an amount equal to the sum of all amounts disallowed as deductions by (i) Sections 171(a)(2), and 265(2) of the Internal Revenue Code of 1954, as now or hereafter amended, and all amounts of expenses allocable to interest and disallowed as deductions by Section 265(1) of the Internal Revenue Code, as now or hereafter amended; and (ii) for taxable years ending on or after August 13, 1999, Sections 171(a)(2), 265, 280C, and 832(b)(5)(B)(i) of the Internal Revenue Code; the provisions of this subparagraph are exempt from the provisions of Section 250;

(K) An amount equal to those dividends included in such total which were paid by a corporation which conducts business operations in an Enterprise Zone or zones created under the Illinois Enterprise Zone Act, enacted by the 82nd General Assembly, or a River Edge Redevelopment Zone or zones created under the River Edge Redevelopment Zone Act and conducts substantially all of its operations in an Enterprise Zone or Zones or from a River Edge Redevelopment Zone or zones. This subparagraph (K) is exempt from the provisions of Section 250;

(L) An amount equal to any contribution made to a job training project established pursuant to the Real Property Tax Increment Allocation Redevelopment Act;

(M) An amount equal to those dividends included in such total that were paid by a corporation that conducts business operations in a federally designated Foreign Trade Zone or Sub-Zone and that is designated a High Impact Business located in Illinois; provided that dividends eligible for the deduction provided in subparagraph (K) of
paragraph (2) of this subsection shall not be eligible for the deduction provided under this subparagraph (M);

(N) An amount equal to the amount of the deduction used to compute the federal income tax credit for restoration of substantial amounts held under claim of right for the taxable year pursuant to Section 1341 of the Internal Revenue Code of 1986;

(O) For taxable years 2001 and thereafter, for the taxable year in which the bonus depreciation deduction is taken on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code and for each applicable taxable year thereafter, an amount equal to "x", where:

(1) "y" equals the amount of the depreciation deduction taken for the taxable year on the taxpayer's federal income tax return on property for which the bonus depreciation deduction was taken in any year under subsection (k) of Section 168 of the Internal Revenue Code, but not including the bonus depreciation deduction;

(2) for taxable years ending on or before December 31, 2005, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429); and

(3) for taxable years ending after December 31, 2005:

(i) for property on which a bonus depreciation deduction of 30% of the adjusted basis was taken, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429); and

(ii) for property on which a bonus depreciation deduction of 50% of the adjusted basis was taken, "x" equals "y" multiplied by 1.0.

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction taken on that property on the
taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code. This subparagraph (O) is exempt from the provisions of Section 250;

(P) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-5), then an amount equal to that addition modification.

If the taxpayer continues to own property through the last day of the last tax year for which the taxpayer may claim a depreciation deduction for federal income tax purposes and for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-5), then an amount equal to that addition modification.

The taxpayer is allowed to take the deduction under this subparagraph only once with respect to any one piece of property.

This subparagraph (P) is exempt from the provisions of Section 250;

(Q) The amount of (i) any interest income (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-17), 203(b)(2)(E-12), 203(c)(2)(G-12), or 203(d)(2)(D-7), but not to exceed the amount of such addition modification and (ii) any income from intangible property (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-18), 203(b)(2)(E-13), 203(c)(2)(G-13), or 203(d)(2)(D-8), but not to exceed the amount of such addition modification.

This subparagraph (R) is exempt from Section 250; and

(S) An amount equal to the income from intangible property taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(d)(2)(D-8) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same person. income, adjusted gross income or taxable income properly reportable for federal income tax purposes for the taxable year under the provisions of the Internal Revenue Code. Taxable income may be less than zero. However, for taxable years ending on or after December 31, 1986, net operating loss carryforwards from taxable years ending prior to December 31, 1986, may not exceed the sum of federal taxable income for the taxable year before net operating loss deduction, plus the excess of addition modifications over subtraction modifications for the taxable year. For taxable years ending prior to December 31, 1986, taxable income may never be an amount in excess of the net operating loss for the taxable year as defined in subsections (c) and (d) of Section 172 of the Internal Revenue Code, provided that when taxable income of a corporation (other than a Subchapter S corporation), trust, or estate is less than zero and addition modifications, other than those provided by subparagraph (E) of paragraph (2) of subsection (b) for corporations or subparagraph (E) of paragraph (2) of subsection (c) for trusts and estates, exceed subtraction modifications, an addition modification must be made under those subparagraphs for any other taxable year to which the taxable income less than zero (net operating loss) is applied under Section 172 of the Internal Revenue Code or under subparagraph (E) of paragraph (2) of this subsection (e) applied in conjunction with Section 172 of the Internal Revenue Code.

(2) Special rule. For purposes of paragraph (1) of this subsection, the taxable income properly reportable for federal income tax purposes shall mean:

(A) Certain life insurance companies. In the case of a life insurance company subject to the tax imposed by Section 801 of the Internal Revenue Code, life insurance company taxable income, plus the amount of distribution from pre-1984 policyholder surplus accounts as calculated under Section 815a of the Internal Revenue Code;

(B) Certain other insurance companies. In the case of mutual insurance companies subject to the tax imposed by Section 831 of the Internal Revenue Code, insurance company taxable income;

(C) Regulated investment companies. In the case of a regulated investment company subject to the tax imposed
by Section 852 of the Internal Revenue Code, investment company taxable income;

(D) Real estate investment trusts. In the case of a real estate investment trust subject to the tax imposed by Section 857 of the Internal Revenue Code, real estate investment trust taxable income;

(E) Consolidated corporations. In the case of a corporation which is a member of an affiliated group of corporations filing a consolidated income tax return for the taxable year for federal income tax purposes, taxable income determined as if such corporation had filed a separate return for federal income tax purposes for the taxable year and each preceding taxable year for which it was a member of an affiliated group. For purposes of this subparagraph, the taxpayer's separate taxable income shall be determined as if the election provided by Section 243(b)(2) of the Internal Revenue Code had been in effect for all such years;

(F) Cooperatives. In the case of a cooperative corporation or association, the taxable income of such organization determined in accordance with the provisions of Section 1381 through 1388 of the Internal Revenue Code;

(G) Subchapter S corporations. In the case of: (i) a Subchapter S corporation for which there is in effect an election for the taxable year under Section 1362 of the Internal Revenue Code, the taxable income of such corporation determined in accordance with Section 1363(b) of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 1363(b)(1) of the Internal Revenue Code to be separately stated; and (ii) a Subchapter S corporation for which there is in effect a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982, the taxable income of such corporation determined in accordance with the federal Subchapter S rules as in effect on July 1, 1982; and

(H) Partnerships. In the case of a partnership, taxable income determined in accordance with Section 703 of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 703(a)(1) to be separately stated but which would be taken into account by an individual in calculating his taxable income.

(3) Recapture of business expenses on disposition of asset or business. Notwithstanding any other law to the contrary, if in prior years income from an asset or business has been classified as business income and in a later year is demonstrated to be non-business income, then all expenses, without limitation, deducted in such later year and in the 2 immediately preceding taxable years related to that asset or business that generated the non-business income shall be added back and recaptured as business income in the year of the disposition of the asset or business. Such amount shall be apportioned to Illinois using the greater of the apportionment fraction computed for the business under Section 304 of this Act for the taxable year or the average of the apportionment fractions computed for the business under Section 304 of this Act for the taxable year and for the 2 immediately preceding taxable years.

(f) Valuation limitation amount.

(1) In general. The valuation limitation amount referred to in subsections (a)(2)(G), (c)(2)(I) and (d)(2)(E) is an amount equal to:

(A) The sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of gain reportable under the provisions of Section 1245 or 1250 of the Internal Revenue Code) for all property in respect of which such gain was reported for the taxable year; plus

(B) The lesser of (i) the sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of capital gain) for all property in respect of which such gain was reported for federal income tax purposes for the taxable year, or (ii) the net capital gain for the taxable year, reduced in either case by any amount of such gain included in the amount determined under subsection (a)(2)(F) or (c)(2)(H).

(2) Pre-August 1, 1969 appreciation amount.

(A) If the fair market value of property referred to in paragraph (1) was readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is the lesser of (i) the excess of such fair market value over the taxpayer's basis (for determining gain) for such property on that date (determined under the Internal Revenue Code as in effect on that date), or (ii) the total gain realized and reportable for federal income tax purposes in respect of the sale, exchange or other disposition of such property.

(B) If the fair market value of property referred to in paragraph (1) was not readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is that amount which bears the same ratio to the total gain reported in respect of the property for federal income tax purposes for the taxable year, as the number of full calendar months in that part of the taxpayer's holding period for the property ending July 31, 1969 bears to the number of full calendar months in the taxpayer's entire holding period for the property.

(C) The Department shall prescribe such regulations as may be necessary to carry out the purposes of this paragraph.

(g) Double deductions. Unless specifically provided otherwise, nothing in this Section shall permit the same item to be deducted more than once.

(h) Legislative intention. Except as expressly provided by this Section there shall be no modifications or limitations on the amounts of income, gain, loss or deduction taken into account in determining gross income, adjusted gross income or taxable income for federal income tax purposes for the taxable year, or in the amount of such items entering into the computation of base income and net income under this Act for such taxable year, whether in respect of property values as of August 1, 1969 or otherwise.

No person, partnership, association, limited liability company, or corporation shall engage in the business of making loans of money in a principal amount not exceeding $40,000 and charge, contract for, or receive on any such loan a greater rate of interest, discount, or consideration therefor than the lender would be permitted by law to charge if he were not a licensee hereunder, except as authorized by this Act after first obtaining a license from the Director of Financial Institutions (hereinafter called the Director). No licensee, or employee or affiliate thereof, that is licensed under the Payday Loan Reform Act shall obtain a license under this Act except that a licensee under the Payday Loan Reform Act may obtain a license under this Act for the exclusive purpose and use of making title-secured loans, as defined in subsection (a) of Section 15 of this Act and governed by Title 38, Section 110.300 of the Illinois Administrative Code.

Sec. 15. Charges permitted.

(a) Every licensee may lend a principal amount not exceeding $40,000 and, except as to small consumer loans as defined in this Section, may charge, contract for and receive thereon interest at an annual percentage rate of no more than 36% agreed upon by the licensee and the borrower, subject to the provisions of this Act; provided, however, that the limitation on the annual percentage rate contained in this subsection...
(a) does not apply to title-secured loans, which are loans upon which interest is charged at an annual percentage rate exceeding 36%, in which, at commencement, an obligor provides to the licensee, as security for the loan, physical possession of the obligor's title to a motor vehicle, and upon which a licensee may charge, contract for, and receive thereon interest at the rate agreed upon by the licensee and borrower. For purposes of this Section, the annual percentage rate shall be calculated in accordance with the federal Truth in Lending Act.

(b) For purpose of this Section, the following terms shall have the meanings ascribed herein.

"Applicable interest" for a precomputed loan contract means the amount of interest attributable to each monthly installment period. It is computed as if each installment period were one month and any interest charged for extending the first installment period beyond one month is ignored. The applicable interest for any monthly installment period is, for loans other than small consumer loans as defined in this Section, that portion of the precomputed interest that bears the same ratio to the total precomputed interest as the balances scheduled to be outstanding during that month bear to the sum of all scheduled monthly outstanding balances in the original contract. With respect to a small consumer loan, the applicable interest for any installment period is that portion of the precomputed monthly installment account handling charge attributable to the installment period calculated based on a method at least as favorable to the consumer as the actuarial method, as defined by the federal Truth in Lending Act.

"Interest-bearing loan" means a loan in which the debt is expressed as a principal amount plus interest charged on actual unpaid principal balances for the time actually outstanding.

"Precomputed loan" means a loan in which the debt is expressed as the sum of the original principal amount plus interest computed actuarially in advance, assuming all payments will be made when scheduled.

"Small consumer loan" means a loan upon which interest is charged at an annual percentage rate exceeding 36% and with an amount financed of $4,000 or less. "Small consumer loan" does not include a title-secured loan as defined by subsection (a) of this Section or a payday loan as defined by the Payday Loan Reform Act.

(c) Loans may be interest-bearing or precomputed.

(d) To compute time for either interest-bearing or precomputed loans for the calculation of interest and other purposes, a month shall be a

New matter indicated by italics - deletions by strikeout
calendar month and a day shall be considered 1/30th of a month when
calculation is made for a fraction of a month. A month shall be 1/12th of a
year. A calendar month is that period from a given date in one month to
the same numbered date in the following month, and if there is no same
numbered date, to the last day of the following month. When a period of
time includes a month and a fraction of a month, the fraction of the month
is considered to follow the whole month. In the alternative, for interest-
bearing loans, the licensee may charge interest at the rate of 1/365th of the
agreed annual rate for each day actually elapsed.

(d-5) No licensee or other person may condition an extension of
credit to a consumer on the consumer's repayment by preauthorized
electronic fund transfers. Payment options, including, but not limited to,
electronic fund transfers and Automatic Clearing House (ACH)
transactions may be offered to consumers as a choice and method of
payment chosen by the consumer.

(e) With respect to interest-bearing loans:

(1) Interest shall be computed on unpaid principal balances
outstanding from time to time, for the time outstanding, until fully
paid. Each payment shall be applied first to the accumulated
interest and the remainder of the payment applied to the unpaid
principal balance; provided however, that if the amount of the
payment is insufficient to pay the accumulated interest, the unpaid
interest continues to accumulate to be paid from the proceeds of
subsequent payments and is not added to the principal balance.

(2) Interest shall not be payable in advance or compounded.
However, if part or all of the consideration for a new loan contract
is the unpaid principal balance of a prior loan, then the principal
amount payable under the new loan contract may include any
unpaid interest which has accrued. The unpaid principal balance of
a precomputed loan is the balance due after refund or credit of
unearned interest as provided in paragraph (f), clause (3). The
resulting loan contract shall be deemed a new and separate loan
transaction for all purposes.

(3) Loans must be fully amortizing and be repayable in
substantially equal and consecutive weekly, biweekly, semimonthly,
or monthly installments. Notwithstanding this requirement, may be
payable as agreed between the parties, including payment at
irregular times or in unequal amounts and rates that may vary

according to with an index that is independently verifiable and beyond the control of the licensee.

(4) The lender or creditor may, if the contract provides, collect a delinquency or collection charge on each installment in default for a period of not less than 10 days in an amount not exceeding 5% of the installment on installments in excess of $200, or $10 on installments of $200 or less, but only one delinquency and collection charge may be collected on any installment regardless of the period during which it remains in default.

(f) With respect to precomputed loans:

(1) Loans shall be repayable in substantially equal and consecutive weekly, biweekly, semimonthly, or monthly installments of principal and interest combined, except that the first installment period may be longer than one month by not more than 15 days, and the first installment payment amount may be larger than the remaining payments by the amount of interest charged for the extra days; and provided further that monthly installment payment dates may be omitted to accommodate borrowers with seasonal income.

(2) Payments may be applied to the combined total of principal and precomputed interest until the loan is fully paid. Payments shall be applied in the order in which they become due, except that any insurance proceeds received as a result of any claim made on any insurance, unless sufficient to prepay the contract in full, may be applied to the unpaid installments of the total of payments in inverse order.

(3) When any loan contract is paid in full by cash, renewal or refinancing, or a new loan, one month or more before the final installment due date, a licensee shall refund or credit the obligor with the total of the applicable interest for all fully unexpired installment periods, as originally scheduled or as deferred, which follow the day of prepayment; provided, if the prepayment occurs prior to the first installment due date, the licensee may retain 1/30 of the applicable interest for a first installment period of one month for each day from the date of the loan to the date of prepayment, and shall refund or credit the obligor with the balance of the total interest contracted for. If the maturity of the loan is accelerated for any reason and judgment is entered, the licensee shall credit the
borrower with the same refund as if prepayment in full had been made on the date the judgement is entered.

(4) The lender or creditor may, if the contract provides, collect a delinquency or collection charge on each installment in default for a period of not less than 10 days in an amount not exceeding 5% of the installment on installments in excess of $200, or $10 on installments of $200 or less, but only one delinquency or collection charge may be collected on any installment regardless of the period during which it remains in default.

(5) If the parties agree in writing, either in the loan contract or in a subsequent agreement, to a deferment of wholly unpaid installments, a licensee may grant a deferment and may collect a deferment charge as provided in this Section. A deferment postpones the scheduled due date of the earliest unpaid installment and all subsequent installments as originally scheduled, or as previously deferred, for a period equal to the deferment period. The deferment period is that period during which no installment is scheduled to be paid by reason of the deferment. The deferment charge for a one month period may not exceed the applicable interest for the installment period immediately following the due date of the last undeferred payment. A proportionate charge may be made for deferment for periods of more or less than one month. A deferment charge is earned pro rata during the deferment period and is fully earned on the last day of the deferment period. Should a loan be prepaid in full during a deferment period, the licensee shall credit to the obligor a refund of the unearned deferment charge in addition to any other refund or credit made for prepayment of the loan in full.

(6) If two or more installments are delinquent one full month or more on any due date, and if the contract so provides, the licensee may reduce the unpaid balance by the refund credit which would be required for prepayment in full on the due date of the most recent maturing installment in default. Thereafter, and in lieu of any other default or deferment charges, the agreed rate of interest or, in the case of small consumer loans, interest at the rate of 18% per annum, may be charged on the unpaid balance until fully paid.

(7) Fifteen days after the final installment as originally scheduled or deferred, the licensee, for any loan contract which has

not previously been converted to interest-bearing under paragraph (f), clause (6), may compute and charge interest on any balance remaining unpaid, including unpaid default or deferment charges, at the agreed rate of interest or, in the case of small consumer loans, interest at the rate of 18% per annum, until fully paid. At the time of payment of said final installment, the licensee shall give notice to the obligor stating any amounts unpaid.

(c) In addition to the charges permitted in subsections (a) and (b) of this Section, a licensee may charge a consumer a fee not to exceed $1 to cover the licensee's cost of submitting loan information into the consumer reporting service, as required under Section 17.5 of this Act. Only one such fee may be collected by the licensee with respect to a particular loan.

(d) When any loan contract is paid in full by cash, renewal, or refinancing, or a new loan, the licensee shall refund any unearned interest or unearned portion of the monthly installment account handling charge, whichever is applicable. The unearned interest or unearned portion of the monthly installment account handling charge that is refunded shall be calculated based on a method that is at least as favorable to the consumer as the actuarial method, as defined by the federal Truth in Lending Act. Sec. 2-5. Loan terms.

(a) Without affecting the right of a consumer to prepay at any time without cost or penalty, no payday loan may have a minimum term of less than 13 days.

(b) Except for an installment payday loan as defined in this Section, no payday loan may be made to a consumer if the loan would result in the consumer being indebted to one or more payday lenders for a period in excess of 45 consecutive days. Except as provided under subsection (c) of this Section and Section 2-40, if a consumer has or has had loans outstanding for a period in excess of 45 consecutive days, no payday lender may offer or make a loan to the consumer for at least 7 calendar days after the date on which the outstanding balance of all payday loans made during the 45 consecutive day period is paid in full. For purposes of this subsection, the term "consecutive days" means a series of continuous calendar days in which the consumer has an outstanding balance on one or more payday loans; however, if a payday loan is made to a consumer within 6 days or less after the outstanding balance of all loans is paid in full, those days are counted as "consecutive days" for purposes of this subsection.

(c) Notwithstanding anything in this Act to the contrary, a payday loan shall also include any installment loan otherwise meeting the definition of payday loan contained in Section 1-10, but that has a term agreed by the parties of not less than 112 days and not exceeding 180 days; hereinafter an "installment payday loan". The following provisions shall apply:

(i) Any installment payday loan must be fully amortizing, with a finance charge calculated on the principal balances scheduled to be outstanding and be repayable in substantially equal and consecutive installments, according to a payment schedule agreed by the parties with not less than 13 days and not more than one month between payments; except that the first installment period may be longer than the remaining installment periods by not more than 15 days, and the first installment payment may be larger than the remaining installment payments by the amount of finance charges applicable to the extra days.

(ii) An installment payday loan may be refinanced by a new installment payday loan one time during the term of the initial loan; provided that the total duration of indebtedness on the initial installment payday loan combined with the total term of
indebtedness of the new loan refinancing that initial loan, shall not exceed 180 days. For purposes of this Act, a refinancing occurs when an existing installment payday loan is paid from the proceeds of a new installment payday loan.

(iii) In the event an installment payday loan is paid in full prior to the date on which the last scheduled installment payment before maturity is due, other than through a refinancing, no licensee may offer or make a payday loan to the consumer for at least 2 calendar days thereafter.

(iv) No installment payday loan may be made to a consumer if the loan would result in the consumer being indebted to one or more payday lenders for a period in excess of 180 consecutive days.

No lender may make a payday loan to a consumer if the total principal amount of the loan, when combined with the principal amount of all of the consumer's other outstanding payday loans, exceeds $1,000 or 25% of the consumer's gross monthly income, whichever is less.

(d) (Blank). No payday loan may be made to a consumer who has an outstanding balance on 2 payday loans.

(e) No lender may make a payday loan to a consumer if the total of all payday loan payments coming due within the first calendar month of the loan, when combined with the payment amount of all of the consumer's other outstanding payday loans coming due within the same month, exceeds the lesser of:

(1) $1,000; or
(2) in the case of one or more payday loans, 25% of the consumer's gross monthly income; or
(3) in the case of one or more installment payday loans, 22.5% of the consumer's gross monthly income; or
(4) in the case of a payday loan and an installment payday loan, 22.5% of the consumer's gross monthly income.

No loan shall be made to a consumer who has an outstanding balance on 2 payday loans, except that, for a period of 12 months after the effective date of this amendatory Act of the 96th General Assembly, consumers with an existing CILA loan may be issued an installment loan issued under this Act from the company from which their CILA loan was issued.

(e-5) No lender may charge more than $15.50 per $100 loaned on any payday loan, or more than $15.50 per $100 on the initial principal

balance and on the principal balances scheduled to be outstanding during any installment period on any installment payday loan over the term of the loan. Except for installment payday loans and except as provided in Section 2-25, this charge is considered fully earned as of the date on which the loan is made. For purposes of determining the finance charge earned on an installment payday loan, the disclosed annual percentage rate shall be applied to the principal balances outstanding from time to time until the loan is paid in full, or until the maturity date, which ever occurs first. No finance charge may be imposed after the final scheduled maturity date.

When any loan contract is paid in full, the licensee shall refund any unearned finance charge. The unearned finance charge that is refunded shall be calculated based on a method that is at least as favorable to the consumer as the actuarial method, as defined by the federal Truth in Lending Act. The sum of the digits or rule of 78ths method of calculating prepaid interest refunds is prohibited.

(f) A lender may not take or attempt to take an interest in any of the consumer's personal property to secure a payday loan.

(g) A consumer has the right to redeem a check or any other item described in the definition of payday loan under Section 1-10 issued in connection with a payday loan from the lender holding the check or other item at any time before the payday loan becomes payable by paying the full amount of the check or other item.

(b) The loan agreement must include the following language in at least 14-point bold type: IF YOU STILL OWE ON ONE OR MORE PAYDAY LOANS AFTER 35 DAYS, YOU ARE ENTITLED TO
ENTER INTO A REPAYMENT PLAN. THE REPAYMENT PLAN WILL GIVE YOU AT LEAST 55 DAYS TO REPAY YOUR LOAN IN INSTALLMENTS WITH NO ADDITIONAL FINANCE CHARGES, INTEREST, FEES, OR OTHER CHARGES OF ANY KIND.

Execution of the repayment plan agreement shall be made in the same manner in which the loan was made and shall be evidenced in writing.

(e) The terms of the repayment plan for a payday loan must include the following:

The license shall be conspicuously posted in the place of business of the licensee and shall not be transferable or assignable.

(b) An application for a license shall be in writing and in a form prescribed by the Secretary. The Secretary may not issue a payday loan license unless and until the following findings are made:

(2) that the applicant has submitted such other information as the Secretary may deem necessary.

(c) A license shall be issued for no longer than one year, and no renewal of a license may be provided if a licensee has substantially violated this Act and has not cured the violation to the satisfaction of the Department.

(g) No licensee shall conduct the business of making loans under this Act within any office, suite, room, or place of business in which (1) any loans are offered or made under the Consumer Installment Loan Act other than title secured loans as defined in subsection (a) of Section 15 of the Consumer Installment Loan Act and governed by Title 38, Section 110.330 of the Illinois Administrative Code or (2) any other business is solicited or engaged in unless the other business is licensed by the Department or, in the opinion of the Secretary, the other business would not be contrary to the best interests of consumers and is authorized by the Secretary in writing.

(g-5) Notwithstanding subsection (g) of this Section, a licensee may obtain a license under the Consumer Installment Loan Act (CILA) for the exclusive purpose and use of making title secured loans, as defined in subsection (a) of Section 15 of CILA and governed by Title 38, Section 110.300 of the Illinois Administrative Code. A licensee may continue to service Consumer Installment Loan Act loans that were outstanding as of the effective date of this amendatory Act of the 96th General Assembly.

(h) The Secretary shall maintain a list of licensees that shall be available to interested consumers and lenders and the public. The Secretary shall maintain a toll-free number whereby consumers may obtain information about licensees. The Secretary shall also establish a complaint process under which an aggrieved consumer may file a complaint against a licensee or non-licensee who violates any provision of this Act.

(35 ILCS 5/201) (from Ch. 120, par. 2-201)
Sec. 201. Tax Imposed.

Such tax shall be in addition to all other occupation or privilege taxes imposed by this State or by any municipal corporation or political subdivision thereof.

(b) Rates. The tax imposed by subsection (a) of this Section shall be determined as follows, except as adjusted by subsection (d-1):

(8) In the case of a corporation, for taxable years beginning after June 30, 1989, an amount equal to 4.8% of the taxpayer's net income for the taxable year.

(c) Personal Property Tax Replacement Income Tax. Beginning on July 1, 1979 and thereafter, in addition to such income tax, there is also hereby imposed the Personal Property Tax Replacement Income Tax measured by net income on every corporation (including Subchapter S corporations), partnership and trust, for each taxable year ending after June 30, 1979. In the case of a foreign insurer, as defined by Section 35A-5 of the Illinois Insurance Code, whose state or country of domicile imposes on insurers domiciled in Illinois a retaliatory tax (excluding any insurer whose premiums from reinsurance assumed are 50% or more of its total insurance premiums as determined under paragraph (2) of subsection (b) of Section 304, except that for purposes of this determination premiums from reinsurance do not include premiums from inter-affiliate reinsurance arrangements), beginning with taxable years ending on or after December 31, 1999, the sum of the rates of tax imposed by subsections (b) and (d) shall be reduced (but not increased) to the rate at which the total amount of tax imposed under this Act, net of all credits allowed under this Act, shall equal (i) the total amount of tax that would be imposed on the foreign insurer's net
income allocable to Illinois for the taxable year by such foreign insurer's state or country of domicile if that net income were subject to all income taxes and taxes measured by net income imposed by such foreign insurer's state or country of domicile, net of all credits allowed or (ii) a rate of zero if no such tax is imposed on such income by the foreign insurer's state of domicile. For the purposes of this subsection (d-1), an inter-affiliate includes a mutual insurer under common management.

(1) For the purposes of subsection (d-1), in no event shall the sum of the rates of tax imposed by subsections (b) and (d) be reduced below the rate at which the sum of:

(A) the total amount of tax imposed on such foreign insurer under this Act for a taxable year, net of all credits allowed under this Act, plus

(B) the privilege tax imposed by Section 409 of the Illinois Insurance Code, the fire insurance company tax imposed by Section 12 of the Fire Investigation Act, and the fire department taxes imposed under Section 11-10-1 of the Illinois Municipal Code,
equals 1.25% for taxable years ending prior to December 31, 2003, or 1.75% for taxable years ending on or after December 31, 2003, of the net taxable premiums written for the taxable year, as described by subsection (1) of Section 409 of the Illinois Insurance Code. This paragraph will in no event increase the rates imposed under subsections (b) and (d).

(2) Any reduction in the rates of tax imposed by this subsection shall be applied first against the rates imposed by subsection (b) and only after the tax imposed by subsection (a) net of all credits allowed under this Section other than the credit allowed under subsection (i) has been reduced to zero, against the rates imposed by subsection (d).

This subsection (d-1) is exempt from the provisions of Section 250.

(e) Investment credit. A taxpayer shall be allowed a credit against the Personal Property Tax Replacement Income Tax for investment in qualified property.

(1) A taxpayer shall be allowed a credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1984. There shall be allowed an additional credit equal to .5% of
the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1986, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200 (and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor may any credit for qualified property be allowed for any year other than the year in which the property was placed in service in Illinois. For tax years ending on or after December 31, 1987, and on or before December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years if the taxpayer (i) makes investments which cause the creation of a minimum of 2,000 full-time equivalent jobs in Illinois, (ii) is located in an enterprise zone established pursuant to the Illinois Enterprise Zone Act and (iii) is certified by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) as complying with the requirements specified in clause (i) and (ii) by July 1, 1986. The Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) shall notify the Department of Revenue of all such certifications immediately. For tax years ending after December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds

New matter indicated by italics - deletions by strikeout
the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(2) The term "qualified property" means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings and signs that are real property, but not including land or improvements to real property that are not a structural component of a building such as landscaping, sewer lines, local access roads, fencing, parking lots, and other appurtenances;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (e);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in Illinois by a taxpayer who is primarily engaged in manufacturing, or in mining coal or fluorite, or in retailing, or was placed in service on or after July 1, 2006 in a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act; and

(E) has not previously been used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (e) or subsection (f).

(3) For purposes of this subsection (e), "manufacturing" means the material staging and production of tangible personal property by procedures commonly regarded as manufacturing, processing, fabrication, or assembling which changes some existing material into new shapes, new qualities, or new combinations. For purposes of this subsection (e) the term "mining" shall have the same meaning as the term "mining" in Section 613(c) of the Internal Revenue Code. For purposes of this subsection (e), the term "retailing" means the sale of tangible personal property for use or consumption and not for resale, or
services rendered in conjunction with the sale of tangible personal property for use or consumption and not for resale. For purposes of this subsection (e), "tangible personal property" has the same meaning as when that term is used in the Retailers' Occupation Tax Act, and, for taxable years ending after December 31, 2008, does not include the generation, transmission, or distribution of electricity.

(4) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(5) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(6) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the Personal Property Tax Replacement Income Tax for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation and, (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (7), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(8) Unless the investment credit is extended by law, the basis of qualified property shall not include costs incurred after December 31, 2013, except for costs incurred pursuant to a binding contract entered into on or before December 31, 2013.

(9) Each taxable year ending before December 31, 2000, a partnership may elect to pass through to its partners the credits to which the partnership is entitled under this subsection (e) for the
taxable year. A partner may use the credit allocated to him or her under this paragraph only against the tax imposed in subsections (c) and (d) of this Section. If the partnership makes that election, those credits shall be allocated among the partners in the partnership in accordance with the rules set forth in Section 704(b) of the Internal Revenue Code, and the rules promulgated under that Section, and the allocated amount of the credits shall be allowed to the partners for that taxable year. The partnership shall make this election on its Personal Property Tax Replacement Income Tax return for that taxable year. The election to pass through the credits shall be irrevocable.

For taxable years ending on or after December 31, 2000, a partner that qualifies its partnership for a subtraction under subparagraph (I) of paragraph (2) of subsection (d) of Section 203 or a shareholder that qualifies a Subchapter S corporation for a subtraction under subparagraph (S) of paragraph (2) of subsection (b) of Section 203 shall be allowed a credit under this subsection (e) equal to its share of the credit earned under this subsection (e) during the taxable year by the partnership or Subchapter S corporation, determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. This paragraph is exempt from the provisions of Section 250.

(f) Investment credit; Enterprise Zone; River Edge Redevelopment Zone.

(1) A taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service in an Enterprise Zone created pursuant to the Illinois Enterprise Zone Act or, for property placed in service on or after July 1, 2006, a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act. For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (f) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. The credit shall be .5% of the basis for such property. The
credit shall be available only in the taxable year in which the property is placed in service in the Enterprise Zone or River Edge Redevelopment Zone and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1985, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (f);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer; and

(E) has not been previously used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (f) or subsection (e).

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside the Enterprise Zone or River Edge Redevelopment Zone within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) There shall be allowed an additional credit equal to 0.5% of the basis of qualified property placed in service during the taxable year in a River Edge Redevelopment Zone, provided such property is placed in service on or after July 1, 2006, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is 0.5% and the denominator of which is 1%, but shall not exceed 0.5%.

(g) Jobs Tax Credit; Enterprise Zone, River Edge Redevelopment Zone, and Foreign Trade Zone or Sub-Zone.

(1) A taxpayer conducting a trade or business in an enterprise zone or a High Impact Business designated by the Department of Commerce and Economic Opportunity or for taxable years ending on or after December 31, 2006, in a River Edge Redevelopment Zone conducting a trade or business in a federally designated Foreign Trade Zone or Sub-Zone shall be
allowed a credit against the tax imposed by subsections (a) and (b) of this Section in the amount of $500 per eligible employee hired to work in the zone during the taxable year.

(2) To qualify for the credit:

(A) the taxpayer must hire 5 or more eligible employees to work in an enterprise zone, River Edge Redevelopment Zone, or federally designated Foreign Trade Zone or Sub-Zone during the taxable year;

(B) the taxpayer's total employment within the enterprise zone, River Edge Redevelopment Zone, or federally designated Foreign Trade Zone or Sub-Zone must increase by 5 or more full-time employees beyond the total employed in that zone at the end of the previous tax year for which a jobs tax credit under this Section was taken, or beyond the total employed by the taxpayer as of December 31, 1985, whichever is later; and

(C) the eligible employees must be employed 180 consecutive days in order to be deemed hired for purposes of this subsection.

(3) An "eligible employee" means an employee who is:

(A) Certified by the Department of Commerce and Economic Opportunity as "eligible for services" pursuant to regulations promulgated in accordance with Title II of the Job Training Partnership Act, Training Services for the Disadvantaged or Title III of the Job Training Partnership Act, Employment and Training Assistance for Dislocated Workers Program.

(B) Hired after the enterprise zone, River Edge Redevelopment Zone, or federally designated Foreign Trade Zone or Sub-Zone was designated or the trade or business was located in that zone, whichever is later.

(C) Employed in the enterprise zone, River Edge Redevelopment Zone, or Foreign Trade Zone or Sub-Zone. An employee is employed in an enterprise zone or federally designated Foreign Trade Zone or Sub-Zone if his services are rendered there or it is the base of operations for the services performed.

(D) A full-time employee working 30 or more hours per week.
(4) For tax years ending on or after December 31, 1985 and prior to December 31, 1988, the credit shall be allowed for the tax year in which the eligible employees are hired. For tax years ending on or after December 31, 1988, the credit shall be allowed for the tax year immediately following the tax year in which the eligible employees are hired. If the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(5) The Department of Revenue shall promulgate such rules and regulations as may be deemed necessary to carry out the purposes of this subsection (g).

(6) The credit shall be available for eligible employees hired on or after January 1, 1986.

(h) Investment credit; High Impact Business.

(1) Subject to subsections (b) and (b-5) of Section 5.5 of the Illinois Enterprise Zone Act, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service by a Department of Commerce and Economic Opportunity designated High Impact Business. The credit shall be .5% of the basis for such property. The credit shall not be available (i) until the minimum investments in qualified property set forth in subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act have been satisfied or (ii) until the time authorized in subsection (b-5) of the Illinois Enterprise Zone Act for entities designated as High Impact Businesses under subdivisions (a)(3)(B), (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois Enterprise Zone Act, and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision...
(a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act shall be
available only in the taxable year in which the property is placed in
service and shall not be allowed to the extent that it would reduce a
taxpayer's liability for the tax imposed by subsections (a) and (b) of
this Section to below zero. For tax years ending on or after
December 31, 1987, the credit shall be allowed for the tax year in
which the property is placed in service, or, if the amount of the
credit exceeds the tax liability for that year, whether it exceeds the
original liability or the liability as later amended, such excess may
be carried forward and applied to the tax liability of the 5 taxable
years following the excess credit year. The credit shall be applied
to the earliest year for which there is a liability. If there is credit
from more than one tax year that is available to offset a liability,
the credit accruing first in time shall be applied first.

Changes made in this subdivision (h)(1) by Public Act 88-670
restore changes made by Public Act 85-1182 and reflect
existing law.

(2) The term qualified property means property which:
   (A) is tangible, whether new or used, including
   buildings and structural components of buildings;
   (B) is depreciable pursuant to Section 167 of the
   Internal Revenue Code, except that "3-year property" as
   defined in Section 168(c)(2)(A) of that Code is not eligible
   for the credit provided by this subsection (h);
   (C) is acquired by purchase as defined in Section

(4) If the basis of the property for federal income tax

shall be deemed property placed in service on the date of such
increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) Beginning with tax years ending after December 31, 1996, if a taxpayer qualifies for the credit under this subsection (h) and thereby is granted a tax abatement and the taxpayer relocates its entire facility in violation of the explicit terms and length of the contract under Section 18-183 of the Property Tax Code, the tax imposed under subsections (a) and (b) of this Section shall be increased for the taxable year in which the taxpayer relocated its facility by an amount equal to the amount of credit received by the taxpayer under this subsection (h).

(i) Credit for Personal Property Tax Replacement Income Tax. For tax years ending prior to December 31, 2003, a credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income allocable to Illinois and the denominator of which is Illinois base income, and further multiplying the product by the tax rate imposed by subsections (a) and (b) of this Section.

(whether it exceeds the original liability or the liability as later amended) may be carried forward and applied to the tax liability imposed by subsections (a) and (b) of the 5 taxable years following the excess credit year, provided that no credit may be carried forward to any year ending on or after December 31, 2003. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.

If, during any taxable year ending on or after December 31, 1986, the tax imposed by subsections (c) and (d) of this Section for which a taxpayer has claimed a credit under this subsection (i) is reduced, the amount of credit for such tax shall also be reduced. Such reduction shall be determined by recomputing the credit to take into account the reduced tax imposed by subsections (c) and (d). If any portion of the reduced amount of credit has been carried to a different taxable year, an amended return shall be filed for such taxable year to reduce the amount of credit claimed.

(j) Training expense credit. Beginning with tax years ending on or after December 31, 1986 and prior to December 31, 2003, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all amounts paid or accrued, on behalf of all persons employed by the taxpayer in Illinois or Illinois residents employed outside of Illinois by a taxpayer, for educational or vocational training in semi-technical or technical fields or semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. this subsection shall be applied first. No carryforward credit may be claimed in any tax year ending on or after December 31, 2003.

(k) Research and development credit.

For tax years ending after July 1, 1990 and prior to December 31, 2003, and beginning again for tax years ending on or after December 31, 2004, and ending prior to January 1, 2011, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for increasing research activities in this State. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 6 1/2% of the qualifying expenditures for increasing research activities in this State. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

For purposes of this subsection, "qualifying expenditures" means the qualifying expenditures as defined for the federal credit for increasing research activities which would be allowable under Section 41 of the Internal Revenue Code and which are conducted in this State, "qualifying expenditures for increasing research activities in this State" means the excess of qualifying expenditures for the taxable year in which incurred over qualifying expenditures for the base period, "qualifying expenditures for the base period" means the average of the qualifying expenditures for each year in the base period, and "base period" means the 3 taxable years immediately preceding the taxable year for which the determination is being made.

Any credit in excess of the tax liability for the taxable year may be carried forward. A taxpayer may elect to have the unused credit shown on its final completed return carried over as a credit against the tax liability for the following 5 taxable years or until it has been fully used, whichever occurs first; provided that no credit earned in a tax year ending prior to December 31, 2003 may be carried forward to any year ending on or after December 31, 2003, and no credit may be carried forward to any taxable year ending on or after January 1, 2011.

If an unused credit is carried forward to a given year from 2 or more earlier years, that credit arising in the earliest year will be applied first against the tax liability for the given year. If a tax liability for the given year still remains, the credit from the next earliest year will then be

applied, and so on, until all credits have been used or no tax liability for the given year remains. Any remaining unused credit or credits then will be carried forward to the next following year in which a tax liability is incurred, except that no credit can be carried forward to a year which is more than 5 years after the year in which the expense for which the credit is given was incurred.

No inference shall be drawn from this amendatory Act of the 91st General Assembly in construing this Section for taxable years beginning before January 1, 1999.

(l) Environmental Remediation Tax Credit.
   (i) For tax years ending after December 31, 1997 and on or before December 31, 2001, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14 of the Environmental Protection Act that were paid in performing environmental remediation at a site for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. After the Pollution Control Board rules are adopted pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act, determinations as to credit availability for purposes of this Section shall be made consistent with those rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against
the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site, except that the $100,000 threshold shall not apply to any site contained in an enterprise zone as determined by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity). The total credit allowed shall not exceed $40,000 per year with a maximum total of $150,000 per site. For partners and shareholders of subchapter S corporations, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(m) Education expense credit. Beginning with tax years ending after December 31, 1999, a taxpayer who is the custodian of one or more

qualifying pupils shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for qualified education expenses incurred on behalf of the qualifying pupils. The credit shall be equal to 25% of qualified education expenses, but in no event may the total credit under this subsection claimed by a family that is the custodian of qualifying pupils exceed $500. In no event shall a credit under this subsection reduce the taxpayer's liability under this Act to less than zero. This subsection is exempt from the provisions of Section 250 of this Act.

For purposes of this subsection:

"Qualifying pupils" means individuals who (i) are residents of the State of Illinois, (ii) are under the age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through twelfth grade education program at any school, as defined in this subsection.

"Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of $250 for tuition, book fees, and lab fees at the school in which the pupil is enrolled during the regular school year.

"School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of the School Code, except that nothing shall be construed to require a child to attend any particular public or nonpublic school to qualify for the credit under this Section.

"Custodian" means, with respect to qualifying pupils, an Illinois resident who is a parent, the parents, a legal guardian, or the legal guardians of the qualifying pupils.

(n) River Edge Redevelopment Zone site remediation tax credit.

(i) For tax years ending on or after December 31, 2006, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14a of the Environmental Protection Act that were paid in performing environmental remediation at a site within a River Edge Redevelopment Zone for which a No Further Remediation

Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. Determinations as to credit availability for purposes of this Section shall be made consistent with rules adopted by the Pollution Control Board pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act.

For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to

any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

PUBLIC ACT 96-0938

agreements, or other arrangements for reinsurance coverage with respect to the applicant shall not be sufficient evidence under this subsection.

b. The board shall promulgate a list of medical or health conditions for which a person who is either a citizen of the United States or an alien lawfully admitted for permanent residence and a resident of this State would be eligible for Plan coverage without applying for health insurance coverage pursuant to subsection a. of this Section. Persons who can demonstrate the existence or history of any medical or health conditions on the list promulgated by the board shall not be required to provide the evidence specified in subsection a. of this Section. The list shall be effective on the first day of the operation of the Plan and may be amended from time to time as appropriate.

c. Family members of the same household who each are covered persons are eligible for optional family coverage under the Plan.

d. For persons qualifying for coverage in accordance with Section 7 of this Act, the board shall, if it determines that such appropriations as are made pursuant to Section 12 of this Act are insufficient to allow the board to accept all of the eligible persons which it projects will apply for enrollment under the Plan, limit or close enrollment to ensure that the Plan is not over-subscribed and that it has sufficient resources to meet its obligations to existing enrollees. The board shall not limit or close enrollment for federally eligible individuals.

e. A person shall not be eligible for coverage under the Plan if:

(1) He or she has or obtains other coverage under a group health plan or health insurance coverage substantially similar to or better than a Plan policy as an insured or covered dependent or would be eligible to have that coverage if he or she elected to obtain it. Persons otherwise eligible for Plan coverage may, however, solely for the purpose of having coverage for a pre-existing condition, maintain other coverage only while satisfying any pre-existing condition waiting period under a Plan policy or a subsequent replacement policy of a Plan policy.

(1.1) His or her prior coverage under a group health plan or health insurance coverage, provided or arranged by an employer of more than 10 employees was discontinued for any reason without the entire group or plan being discontinued and not replaced, provided he or she remains an employee, or dependent thereof, of the same employer.
(2) He or she is a recipient of or is approved to receive medical assistance, except that a person may continue to receive medical assistance through the medical assistance no grant program, but only while satisfying the requirements for a preexisting condition under Section 8, subsection f. of this Act. Payment of premiums pursuant to this Act shall be allocable to the person's spenddown for purposes of the medical assistance no grant program, but that person shall not be eligible for any Plan benefits while that person remains eligible for medical assistance. If the person continues to receive or be approved to receive medical assistance through the medical assistance no grant program at or after the time that requirements for a preexisting condition are satisfied, the person shall not be eligible for coverage under the Plan. In that circumstance, coverage under the plan shall terminate as of the expiration of the preexisting condition limitation period. Under all other circumstances, coverage under the Plan shall automatically terminate as of the effective date of any medical assistance.

(3) Except as provided in Section 15, the person has previously participated in the Plan and voluntarily terminated Plan coverage, unless 12 months have elapsed since the person's latest voluntary termination of coverage.

(4) The person fails to pay the required premium under the covered person's terms of enrollment and participation, in which event the liability of the Plan shall be limited to benefits incurred under the Plan for the time period for which premiums had been paid and the covered person remained eligible for Plan coverage.

(5) The Plan (i) until 3 years after the effective date of this amendatory Act of the 95th General Assembly has paid a total of $5,000,000 in benefits on behalf of the covered person or (ii) 3 years or more after the effective date of this amendatory Act of the 95th General Assembly has paid a total of $1,500,000 in benefits on behalf of the covered person.

(6) The person is a resident of a public institution.

(7) The person's premium is paid for or reimbursed under any government sponsored program or by any government agency or health care provider, except as an otherwise qualifying full-time employee, of such employee, of a government agency or health care provider or, except when a person's premium is paid

by the U.S. Treasury Department pursuant to the federal Trade Act of 2002.

(8) The person has or later receives other benefits or funds from any settlement, judgement, or award resulting from any accident or injury, regardless of the date of the accident or injury, or any other circumstances creating a legal liability for damages due that person by a third party, whether the settlement, judgment, or award is in the form of a contract, agreement, or trust on behalf of a minor or otherwise and whether the settlement, judgment, or award is payable to the person, his or her dependent, estate, personal representative, or guardian in a lump sum or over time, so long as there continues to be benefits or assets remaining from those sources in an amount in excess of $300,000.

(9) Within the 5 years prior to the date a person's Plan application is received by the Board, the person's coverage under any health care benefit program as defined in 18 U.S.C. 24, including any public or private plan or contract under which any medical benefit, item, or service is provided, was terminated as a result of any act or practice that constitutes fraud under State or federal law or as a result of an intentional misrepresentation of material fact; or if that person knowingly and willfully obtained or attempted to obtain, or fraudulently aided or attempted to aid any other person in obtaining, any coverage or benefits under the Plan to which that person was not entitled.

f. The board or the administrator shall require verification of residency and may require any additional information or documentation, or statements under oath, when necessary to determine residency upon initial application and for the entire term of the policy.

g. Coverage shall cease (i) on the date a person is no longer a resident of Illinois, (ii) on the date a person requests coverage to end, (iii) upon the death of the covered person, (iv) on the date State law requires cancellation of the policy, or (v) at the Plan's option, 30 days after the Plan makes any inquiry concerning a person's eligibility or place of residence to which the person does not reply.

h. Except under the conditions set forth in subsection g of this Section, the coverage of any person who ceases to meet the eligibility requirements of this Section shall be terminated at the end of the current policy period for which the necessary premiums have been paid.
Sec. 8. Minimum benefits.

a. Availability. The Plan shall offer in a periodically renewable policy major medical expense coverage to every eligible person who is not eligible for Medicare. Major medical expense coverage offered by the Plan shall pay an eligible person's covered expenses, subject to limit on the deductible and coinsurance payments authorized under paragraph (4) of subsection d of this Section, up to a lifetime benefit limit of $2,000,000 until 3 years after the effective date of this amendatory Act of the 95th General Assembly, and $1,500,000 in benefits 3 years or more after the effective date of this amendatory Act of the 95th General Assembly per covered individual. The maximum limit under this subsection shall not be altered by the Board, and no actuarial equivalent benefit may be substituted by the Board. Any person who otherwise would qualify for coverage under the Plan, but is excluded because he or she is eligible for Medicare, shall be eligible for any separate Medicare supplement policy or policies which the Board may offer.

b. Outline of benefits. Covered expenses shall be limited to the usual and customary charge, including negotiated fees, in the locality for the following services and articles when prescribed by a physician and determined by the Plan to be medically necessary for the following areas of services, subject to such separate deductibles, co-payments, exclusions, and other limitations on benefits as the Board shall establish and approve, and the other provisions of this Section:

d. Deductibles and coinsurance.

The Plan coverage defined in Section 6 shall provide for a choice of deductibles per individual as authorized by the Board. If 2 individual members of the same family household, who are both covered persons under the Plan, satisfy the same applicable deductibles, no other member of that family who is also a covered person under the Plan shall be required to meet any deductibles for the balance of that calendar year. The
deductibles must be applied first to the authorized amount of covered expenses incurred by the covered person. A mandatory coinsurance requirement shall be imposed at the rate authorized by the Board in excess of the mandatory deductible, the coinsurance in the aggregate not to exceed such amounts as are authorized by the Board per annum. At its discretion the Board may, however, offer catastrophic coverages or other policies that provide for larger deductibles with or without coinsurance requirements. The deductibles and coinsurance factors may be adjusted annually according to the Medical Component of the Consumer Price Index.

e. Scope of coverage.

(1) In approving any of the benefit plans to be offered by the Plan, the Board shall establish such benefit levels, deductibles, coinsurance factors, exclusions, and limitations as it may deem appropriate and that it believes to be generally reflective of and commensurate with health insurance coverage that is provided in the individual market in this State.

(2) The benefit plans approved by the Board may also provide for and employ various cost containment measures and other requirements including, but not limited to, preadmission certification, prior approval, second surgical opinions, concurrent utilization review programs, individual case management, preferred provider organizations, health maintenance organizations, and other cost effective arrangements for paying for covered expenses.

f. Preexisting conditions.

(1) Except for federally eligible individuals qualifying for Plan coverage under Section 15 of this Act or eligible persons who qualify for the waiver authorized in paragraph (3) of this subsection, plan coverage shall exclude charges or expenses incurred during the first 6 months following the effective date of coverage as to any condition for which medical advice, care or treatment was recommended or received during the 6 month period immediately preceding the effective date of coverage.

(2) (Blank).

(3) Waiver: The preexisting condition exclusions as set forth in paragraph (1) of this subsection shall be waived to the extent to which the eligible person (a) has satisfied similar exclusions under any prior individual health insurance policy that
was involuntarily terminated because of the insolvency of the issuer of the policy and (b) has applied for Plan coverage within 90 days following the involuntary termination of that individual health insurance coverage.

(4) Waiver: The preexisting condition exclusions as set forth in paragraph (1) of this subsection shall be waived to the extent to which the eligible person (a) has satisfied the exclusion under prior Comprehensive Health Insurance Plan coverage that was involuntarily terminated because of meeting a lower lifetime benefit limit and (b) has reapplied for Plan coverage within 90 days following an increase in the lifetime benefit limit set forth in Section 8 of this Act.

g. Other sources primary; nonduplication of benefits.

(1) The Plan shall be the last payor of benefits whenever any other benefit or source of third party payment is available. Subject to the provisions of subsection e of Section 7, benefits otherwise payable under Plan coverage shall be reduced by all amounts paid or payable by Medicare or any other government program or through any health insurance coverage or group health plan, whether by insurance, reimbursement, or otherwise, or through any third party liability, settlement, judgment, or award, regardless of the date of the settlement, judgment, or award, whether the settlement, judgment, or award is in the form of a contract, agreement, or trust on behalf of a minor or otherwise and whether the settlement, judgment, or award is payable to the covered person, his or her dependent, estate, personal representative, or guardian in a lump sum or over time, and by all hospital or medical expense benefits paid or payable under any worker's compensation coverage, automobile medical payment, or liability insurance, whether provided on the basis of fault or nonfault, and by any hospital or medical benefits paid or payable under or provided pursuant to any State or federal law or program.

(2) The Plan shall have a cause of action against any covered person or any other person or entity for the recovery of any amount paid to the extent the amount was for treatment, services, or supplies not covered in this Section or in excess of benefits as set forth in this Section.

(3) Whenever benefits are due from the Plan because of sickness or an injury to a covered person resulting from a third

New matter indicated by italics - deletions by strikeout
party's wrongful act or negligence and the covered person has recovered or may recover damages from a third party or its insurer, the Plan shall have the right to reduce benefits or to refuse to pay benefits that otherwise may be payable by the amount of damages that the covered person has recovered or may recover regardless of the date of the sickness or injury or the date of any settlement, judgment, or award resulting from that sickness or injury.

During the pendency of any action or claim that is brought by or on behalf of a covered person against a third party or its insurer, any benefits that would otherwise be payable except for the provisions of this paragraph (3) shall be paid if payment by or for the third party has not yet been made and the covered person or, if incapable, that person's legal representative agrees in writing to pay back promptly the benefits paid as a result of the sickness or injury to the extent of any future payments made by or for the third party for the sickness or injury. This agreement is to apply whether or not liability for the payments is established or admitted by the third party or whether those payments are itemized.

Any amounts due the plan to repay benefits may be deducted from other benefits payable by the Plan after payments by or for the third party are made.

(4) Benefits due from the Plan may be reduced or refused as an offset against any amount otherwise recoverable under this Section.

h. Right of subrogation; recoveries.

(1) Whenever the Plan has paid benefits because of sickness or an injury to any covered person resulting from a third party's wrongful act or negligence, or for which an insurer is liable in accordance with the provisions of any policy of insurance, and the covered person has recovered or may recover damages from a third party that is liable for the damages, the Plan shall have the right to recover the benefits it paid from any amounts that the covered person has received or may receive regardless of the date of the sickness or injury or the date of any settlement, judgment, or award resulting from that sickness or injury. The Plan shall be subrogated to any right of recovery the covered person may have under the terms of any private or public health care coverage or liability coverage, including coverage under the Workers' Compensation Act or the Workers' Occupational Diseases Act,
without the necessity of assignment of claim or other authorization to secure the right of recovery. To enforce its subrogation right, the Plan may (i) intervene or join in an action or proceeding brought by the covered person or his personal representative, including his guardian, conservator, estate, dependents, or survivors, against any third party or the third party's insurer that may be liable or (ii) institute and prosecute legal proceedings against any third party or the third party's insurer that may be liable for the sickness or injury in an appropriate court either in the name of the Plan or in the name of the covered person or his personal representative, including his guardian, conservator, estate, dependents, or survivors.

(2) If any action or claim is brought by or on behalf of a covered person against a third party or the third party's insurer, the covered person or his personal representative, including his guardian, conservator, estate, dependents, or survivors, shall notify the Plan by personal service or registered mail of the action or claim and of the name of the court in which the action or claim is brought, filing proof thereof in the action or claim. The Plan may, at any time thereafter, join in the action or claim upon its motion so that all orders of court after hearing and judgment shall be made for its protection. No release or settlement of a claim for damages and no satisfaction of judgment in the action shall be valid without the written consent of the Plan to the extent of its interest in the settlement or judgment and of the covered person or his personal representative.

(3) In the event that the covered person or his personal representative fails to institute a proceeding against any appropriate third party before the fifth month before the action would be barred, the Plan may, in its own name or in the name of the covered person or personal representative, commence a proceeding against any appropriate third party for the recovery of damages on account of any sickness, injury, or death to the covered person. The covered person shall cooperate in doing what is reasonably necessary to assist the Plan in any recovery and shall not take any action that would prejudice the Plan's right to recovery. The Plan shall pay to the covered person or his personal representative all sums collected from any third party by judgment or otherwise in excess of amounts paid in benefits under the Plan and amounts

paid or to be paid as costs, attorneys fees, and reasonable expenses incurred by the Plan in making the collection or enforcing the judgment.

(4) In the event that a covered person or his personal representative, including his guardian, conservator, estate, dependents, or survivors, recovers damages from a third party for sickness or injury caused to the covered person, the covered person or the personal representative shall pay to the Plan from the damages recovered the amount of benefits paid or to be paid on behalf of the covered person.

(5) When the action or claim is brought by the covered person alone and the covered person incurs a personal liability to pay attorney's fees and costs of litigation, the Plan's claim for reimbursement of the benefits provided to the covered person shall be the full amount of benefits paid to or on behalf of the covered person under this Act less a pro rata share that represents the Plan's reasonable share of attorney's fees paid by the covered person and that portion of the cost of litigation expenses determined by multiplying by the ratio of the full amount of the expenditures to the full amount of the judgement, award, or settlement.

(6) In the event of judgment or award in a suit or claim against a third party or insurer, the court shall first order paid from any judgement or award the reasonable litigation expenses incurred in preparation and prosecution of the action or claim, together with reasonable attorney's fees. After payment of those expenses and attorney's fees, the court shall apply out of the balance of the judgment or award an amount sufficient to reimburse the Plan the full amount of benefits paid on behalf of the covered person under this Act, provided the court may reduce and apportion the Plan's portion of the judgement proportionate to the recovery of the covered person. The burden of producing evidence sufficient to support the exercise by the court of its discretion to reduce the amount of a proven charge sought to be enforced against the recovery shall rest with the party seeking the reduction. The court may consider the nature and extent of the injury, economic and non-economic loss, settlement offers, comparative negligence as it applies to the case at hand, hospital costs, physician costs, and all other appropriate costs. The Plan shall pay its pro rata share of the attorney fees based on the Plan's recovery as it compares to the

total judgment. Any reimbursement rights of the Plan shall take priority over all other liens and charges existing under the laws of this State with the exception of any attorney liens filed under the Attorneys Lien Act.

(7) The Plan may compromise or settle and release any claim for benefits provided under this Act or waive any claims for benefits, in whole or in part, for the convenience of the Plan or if the Plan determines that collection would result in undue hardship upon the covered person.

It is hereby found and declared that the purpose of this Act is to promote, stimulate, and develop the general and economic welfare of the State of Illinois and its communities and to assist in the development and redevelopment of major tourism, entertainment, retail, and related destination projects within eligible areas of the State, thereby creating new jobs, stimulating significant capital investment, and promoting the general welfare of the citizens of this State, by authorizing municipalities and counties to issue sales tax and revenue (STAR) bonds for the financing of STAR bond projects as defined in Section 10, and to otherwise exercise the powers and authorities granted to municipalities. It is further found and declared to be the policy of the State, in the interest of promoting the health, safety, morals, and general welfare of all the people of the State, to provide incentives to create new job opportunities and to promote major tourism, entertainment, retail, and related destination projects within the State. It is further found and declared:

(a) that it is in the public interest to limit the portion of the aggregate proceeds of STAR bonds issued that are derived from the State sales tax increment pledged to pay STAR bonds in any STAR bond district to not more than 50% of the total development costs in the STAR bond district as set forth in subsection (f) of Section 30;

(b) that as a result of the costs of land assemblage, financing, infrastructure, and other project costs, the private sector, without the assistance contemplated in this Act, is unable to develop major tourism, entertainment, retail, and related destination projects in the State;

(c) that the type of projects for which this Act is intended must be of a certain size, scope, and acreage and have direct access to major highways, and must be developed in a cohesive and comprehensive manner;

(d) that the eligible tracts of land, portions of which have previously been surface or strip mined, present unique development obstacles and are more likely to remain underutilized and undeveloped, or developed in a piecemeal manner resulting in inefficient and poorly planned developments that do not maximize job creation, job retention, tourism, and tax revenue generation within the State;

(e) that there are multiple eligible areas in the State that could benefit from this Act;

(f) that investment in major tourism, entertainment, retail, and related destination projects within the State would stimulate economic activity in the State, including the creation and maintenance of jobs, the creation of new and lasting infrastructure and other improvements, and the attraction and retention of interstate tourists and entertainment events that generate significant economic activity;

(g) that this Act shall enhance and promote tourism in Southern Illinois, including without limitation the Southern Illinois Wine Trail;

(h) that the continual encouragement, development, growth, and expansion of major tourism, entertainment, retail, and related destination projects within the State requires a cooperative and continuous partnership between government and the public sector;

New matter indicated by italics - deletions by strikeout
(i) that the State has a responsibility to help create a favorable climate for new and improved job opportunities for its citizens and to increase the tax base of the State and its political subdivisions by encouraging development by the private sector of major tourism, entertainment, retail, and related destination projects within the State;

(j) that the stagnation of local tax bases and the loss of job opportunities within the State has persisted despite efforts of State and local authorities and private organizations to create major tourism, entertainment, retail, and related destination projects within the State;

(k) that the stagnation of local tax bases and the persistent loss of job opportunities in the State may continue and worsen if the State and its political subdivisions are not able to provide additional incentives to developers of major tourism, entertainment, retail, and related destination projects;

(l) that the provision of additional incentives by the State and its political subdivisions will relieve conditions of unemployment, maintain existing levels of employment, create new job opportunities, retain jobs within the State, increase tourism and commerce within the State, and increase the tax base of the State and its political subdivisions;

(m) that the powers conferred by this Act promote and protect the health, safety, morals, and welfare of the State, and are for a public purpose and public use for which public money and resources may be expended; and

(n) that the necessity in the public interest for the provisions of this Act is hereby declared as a matter of legislative determination.

redevelopment project costs incurred that are eligible for reimbursement
under the Tax Increment Allocation Redevelopment Act. In such event,
prior to approving a STAR bond district, the political subdivision forming
the STAR bond district shall take such action as is necessary, including

A STAR bond district which is partially outside the boundaries of the municipality must also be approved by the governing body of the county by the passage of a resolution. The governing body of a county may establish a STAR bond district in an eligible area in any unincorporated area of the county.
(a) When a political subdivision proposes to establish a STAR bond district, the political subdivision shall adopt a resolution stating that the political subdivision is considering the establishment of a STAR bond district. The resolution shall:

(1) give notice, in the same manner as set forth in item (2) of subsection (e) of Section 20, that a public hearing will be held to consider the establishment of a STAR bond district and fix the date, hour, and place of the public hearing, which shall be at a location that is within 20 miles of the STAR bond district, in a facility that can accommodate a large crowd, and in a facility that is accessible to persons with disabilities;

(2) describe the proposed general boundaries of the STAR bond district;

New matter indicated by italics - deletions by strikeout
(F) establish the STAR bonds district, contingent upon approval of the Director as set forth in subsection (d).

(2) If the resolution is not adopted by the political subdivision within 60 days from the conclusion of the public hearing, then the STAR bond district shall not be established.

(3) Upon adoption of a resolution establishing a STAR bond district, the political subdivision shall send a certified copy of such resolution to the Department of Revenue.

(c) Upon the establishment of a STAR bond district, the STAR bond district and any STAR bond projects shall be governed by a master development agreement between the political subdivision and the master developer. A STAR bond district that is partially outside the boundaries of a municipality shall only require one master development agreement; the agreement shall be between the municipality and the master developer. In no event shall there be more than one master development agreement governing the terms and conditions of a STAR bond district. district plan is reasonably projected to produce at least $100,000,000 of
annual gross sales revenues and 500 new jobs, (iv) the STAR bond district
plan includes potential destination users and a potential entertainment
user, (v) the creation of the STAR bond district and STAR bond district
plan are in accordance with the purpose of this Act and the public interest,
and (vi) the STAR bond district and STAR bond district plan meet any
other requirement that the Director deems appropriate. If a proposed
STAR bond district meets all of the foregoing criteria, the Director shall
not unreasonably withhold its approval of the proposed STAR bond
district. The Director may only approve one STAR bond district within
any projected market area. However, the Director may approve additional
STAR bond districts in a single projected market area provided that the
Director finds that the additional STAR bond district will not thwart the
purposes of this Act. The Director shall promptly send a copy of its written
findings and approval or denial of a STAR bond district to the requesting
political subdivision.

(e) Starting on the fifth anniversary of the first date of distribution
of State sales tax revenues from the first STAR bond project in the STAR
bond district and continuing each anniversary thereafter, the Director shall,
in consultation with the political subdivision and the master developer,
determine the total number of new jobs created within the STAR bond
district, the total development cost to date, and the master developer's
compliance with its obligations under any written agreements with the
State. If, on the fifth anniversary of the first date of distribution of State
sales tax revenues from the first STAR bond project in the STAR bond
district, the Director determines that the total development cost to date is
not equal to or greater than $100,000,000, or that the master developer is
in breach of any written agreement with the State, then no new STAR
bonds may be issued in the STAR bond district until the total development
cost exceeds $100,000,000 or the breach of agreement is cured, or both. If,
on the fifth anniversary of the first date of distribution of State sales tax
revenues from the first STAR bond project in the STAR bond district,
there are not at least 500 jobs existing in the STAR bond district, the State
may require the master developer to pay the State a penalty of $1,500 per
job under 500 each year until the earlier of (i) the twenty-third anniversary
of the first date of distribution of State sales tax revenues from the first
STAR bond project in the STAR bond district, (ii) the date that all STAR
bonds issued in the STAR bond district have been paid off, or (iii) the date

that at least 500 jobs have been created in the STAR bond district. Upon creation of 500 jobs in the STAR bond district, there shall not be an ongoing obligation to maintain those jobs after the fifth anniversary of the first date of distribution of State sales tax revenues from the first STAR bond project in the STAR bond district, and the master developer shall be relieved of any liability with respect to job creation under this subsection. Notwithstanding anything to the contrary in this subsection, the master developer shall not be liable for the penalties set forth under this subsection if the breach of agreement, failure to reach at least $100,000,000 in total development costs, or failure to create 500 jobs is due to delays caused by force majeure, as that term shall be defined in the master development agreement.

Section 20. Approval of STAR bond projects. The governing body of a political subdivision may establish one or more STAR bond projects in any STAR bond district. A STAR bond project which is partially outside the boundaries of a municipality must also be approved by the governing body of the county by resolution.

(a) After the establishment of a STAR bond district, the master developer may propose one or more STAR bond projects to a political subdivision and the master developer shall, in cooperation with the political subdivision, prepare a STAR bond project plan in consultation with the planning commission of the political subdivision, if any. The STAR bond project plan may be implemented in separate development stages.

(b) Any political subdivision considering a STAR bond project within a STAR bond district shall notify the Department, which shall cause to be prepared an independent feasibility study by a feasibility consultant with certified copies provided to the political subdivision, the Director, and the Department of Commerce and Economic Opportunity. The feasibility study shall include the following:

(1) the estimated amount of pledged STAR revenues expected to be collected in each year through the maturity date of the proposed STAR bonds;
(2) a statement of how the jobs and taxes obtained from the STAR bond project will contribute significantly to the economic development of the State and region;
(3) visitation expectations;
(4) the unique quality of the project;
(5) an economic impact study;
(6) a market study;
(7) integration and collaboration with other resources or businesses;
(8) the quality of service and experience provided, as measured against national consumer standards for the specific target market;
(9) project accountability, measured according to best industry practices;
(10) the expected return on State and local investment that the STAR bond project is anticipated to produce; and
(11) an anticipated principal and interest payment schedule on the STAR bonds.

The feasibility consultant, along with the independent economist and any other consultants commissioned to perform the studies and other analysis required by the feasibility study, shall be selected by the Director with the approval of the political subdivision. The consultants shall be retained by the Director and the Department shall be reimbursed by the master developer for the costs to retain the consultants.

The failure to include all information enumerated in this subsection in the feasibility study for a STAR bond project shall not affect the validity of STAR bonds issued pursuant to this Act.

(c) If the political subdivision determines the STAR bond project is feasible, the STAR bond project plan shall include:
   (1) a summary of the feasibility study;
   (2) a reference to the STAR bond district plan that identifies the STAR bond project area that is set forth in the STAR bond project plan that is being considered;
   (3) a legal description and map of the STAR bond project area to be developed or redeveloped;
   (4) a description of the buildings and facilities proposed to be constructed or improved in such STAR bond project area, including destination users and an entertainment user, as applicable;
   (5) a copy of letters of intent to locate within the STAR bond district signed by both the master developer and the appropriate corporate officer of at least one destination user for the first STAR bond project proposed within the district; and
(6) any other information the governing body of the political subdivision deems reasonable and necessary to advise the public of the intent of the STAR bond project plan.

(d) Before a political subdivision may hold a public hearing to consider a STAR bond project plan, the political subdivision must apply to the Department for approval of the STAR bond project plan. An application for approval of a STAR bond project plan must not be approved unless all of the components of the feasibility study set forth in items (1) through (11) of subsection (b) have been completed and submitted to the Department for review. In addition to reviewing all of the other elements of the STAR bond project plan required under subsection (c), which must be included in the application (which plan must include a letter or letters of intent as required under subdivision (c)(5) in order to receive Director approval), the Director must review the feasibility study and consider all of the components of the feasibility study set forth in items (1) through (11) of subsection (b) of Section 20, including without limitation the economic impact study and the financial benefit of the proposed STAR bond project to the local, regional, and State economies, the proposed adverse impacts on similar businesses and projects as well as municipalities within the market area, and the net effect of the proposed STAR bond project on the local, regional, and State economies. In addition to the economic impact study, the political subdivision must also submit to the Department, as part of its application, the financial and other information that substantiates the basis for the conclusion of the economic impact study, in the form and manner as required by the Department, so that the Department can verify the results of the study. In addition to any other criteria in this subsection, to approve the STAR bond project plan, the Director must be satisfied that the proposed destination user is in fact a true destination user and also find that the STAR bond project plan is in accordance with the purpose of this Act and the public interest. The Director shall either approve or deny the STAR bond project plan based on the criteria in this subsection.

(e) Upon a finding by the planning and zoning commission of the political subdivision that the STAR bond project plan is consistent with the intent of the comprehensive plan for the development of the political subdivision and upon issuance of written approval of the STAR bond project plan from the Director pursuant to subsection (d) of Section 20, the governing body of the political subdivision shall adopt a resolution stating
that the political subdivision is considering the adoption of the STAR bond project plan. The resolution shall:

(1) give notice that a public hearing will be held to consider the adoption of the STAR bond project plan and fix the date, hour, and place of the public hearing;

(2) describe the general boundaries of the STAR bond district within which the STAR bond project will be located and the date of establishment of the STAR bond district;

(3) describe the general boundaries of the area proposed to be included within the STAR bond project area;

(4) provide that the STAR bond project plan and map of the area to be redeveloped or developed are available for inspection during regular office hours in the offices of the political subdivision; and

(5) contain a summary of the terms and conditions of any proposed project development agreement with the political subdivision.

(f) A public hearing shall be conducted to consider the adoption of any STAR bond project plan.

(1) The date fixed for the public hearing to consider the adoption of the STAR bond project plan shall be not less than 20 nor more than 90 days following the date of the adoption of the resolution fixing the date of the hearing.

(2) A copy of the political subdivision's resolution providing for the public hearing shall be sent by certified mail, return receipt requested, to the governing body of the county. A copy of the political subdivision's resolution providing for the public hearing shall be sent by certified mail, return receipt requested, to each person or persons in whose name the general taxes for the last preceding year were paid on each parcel of land lying within the proposed STAR bond project area within 10 days following the date of the adoption of the resolution. The resolution shall be published once in a newspaper of general circulation in the political subdivision not less than one week nor more than 3 weeks preceding the date fixed for the public hearing. A map or aerial photo clearly delineating the area of land proposed to be included within the STAR bond project area shall be published with the resolution.
(3) The hearing shall be held at a location that is within 20 miles of the STAR bond district, in a facility that can accommodate a large crowd, and in a facility that is accessible to persons with disabilities.

(4) At the public hearing, a representative of the political subdivision or master developer shall present the STAR bond project plan. Following the presentation of the STAR bond project plan, all interested persons shall be given an opportunity to be heard. The governing body may continue the date and time of the public hearing.

(g) Upon conclusion of the public hearing, the governing body of the political subdivision may adopt the STAR bond project plan by a resolution approving the STAR bond project plan.

(h) After the adoption by the corporate authorities of the political subdivision of a STAR bond project plan, the political subdivision may enter into a project development agreement if the master developer has requested the political subdivision to be a party to the project development agreement pursuant to subsection (b) of Section 25.

(i) Within 30 days after the adoption by the political subdivision of a STAR bond project plan, the clerk of the political subdivision shall transmit a copy of the legal description of the land and a list of all new and existing mailing addresses within the STAR bond district, a copy of the resolution adopting the STAR bond project plan, and a map or plat indicating the boundaries of the STAR bond project area to the clerk, treasurer, and governing body of the county and to the Department of Revenue. Within 30 days of creation of any new mailing addresses within a STAR bond district, the clerk of the political subdivision shall provide written notice of such new addresses to the Department of Revenue.

If a certified copy of the resolution adopting the STAR bond project plan is filed with the Department on or before the first day of April, the Department, if all other requirements of this subsection are met, shall proceed to collect and allocate any local sales tax increment and any State sales tax increment in accordance with the provisions of this Act as of the first day of July next following the adoption and filing. If a certified copy of the resolution adopting the STAR bond project plan is filed with the Department after April 1 but on or before the first day of October, the Department, if all other requirements of this subsection are met, shall proceed to collect and allocate any local sales tax increment and any State sales tax increment.

sales tax increment in accordance with the provisions of this Act as of the first day of January next following the adoption and filing.

Any substantial changes to a STAR bond project plan as adopted shall be subject to a public hearing following publication of notice thereof in a newspaper of general circulation in the political subdivision and approval by resolution of the governing body of the political subdivision.

The Department of Revenue shall not collect or allocate any local sales tax increment or State sales tax increment until the political subdivision also provides, in the manner prescribed by the Department, the boundaries of the STAR bond project area and each address in the STAR bond project area in such a way that the Department can determine by its address whether a business is located in the STAR bond project area. The political subdivision must provide this boundary and address information to the Department on or before April 1 for administration and enforcement under this Act by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement under this Act by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a STAR bond project or any address change, addition, or deletion until the political subdivision reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The political subdivision must provide this boundary change or address change, addition, or deletion information to the Department on or before April 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following January 1. If a retailer is incorrectly included or excluded from the list of those located in the STAR bond project, the Department of Revenue shall be held harmless if it reasonably relied on information provided by the political subdivision.

(j) Any STAR bond project must be approved by the political subdivision prior to that date which is 23 years from the date of the approval of the STAR bond district, provided however that any amendments to such STAR bond project may occur following such date.

(k) Any developer of a STAR bond project shall commence work on the STAR bond project within 3 years from the date of adoption of the STAR bond project plan. If the developer fails to commence work on the STAR bond project within the 3-year period, funding for the project shall

cease and the developer of the project or complex shall have one year to appeal to the political subdivision for reapproval of the project and funding. If the project is reapproved, the 3-year period for commencement shall begin again on the date of the reapproval.

(l) After the adoption by the corporate authorities of the political subdivision of a STAR bond project plan and approval of the Director pursuant to subsection (d) of Section 20, the political subdivision may authorize the issuance of the STAR bonds in one or more series to finance the STAR bond project in accordance with the provisions of this Act.

(m) The maximum maturity of STAR bonds issued to finance a STAR bond project shall not exceed 23 years from the first date of distribution of State sales tax revenues from such STAR bond project to the political subdivision unless the political subdivision extends such maturity by resolution up to a maximum of 35 years from such first distribution date. Any such extension shall require the approval of the Director. In no event shall the maximum maturity date for any STAR bonds exceed that date which is 35 years from the first distribution date of the first STAR bonds issued in a STAR bond district.

Section 25. Co-developers and subdevelopers. Upon approval of a STAR bond project by the political subdivision, the master developer may, subject to the approval of the Director and the political subdivision, develop the STAR bond project on its own or it may develop the STAR bond project with another developer, which may include an assignment or transfer of development rights.

(a) A master developer may sell, lease, or otherwise convey its property interest in the STAR bond project area to a co-developer or subdeveloper.

(b) A master developer may enter into one or more agreements with a co-developer or subdeveloper in connection with a STAR bond project, and the master developer may request that the political subdivision become a party to the project development agreement, or the master developer may request that the political subdivision amend its master development agreement to provide for certain terms and conditions that may be related to the co-developer or subdeveloper and the STAR bond project. For any project development agreement which the political subdivision would be a party or for any amendments to the master development agreement, the terms and conditions must be acceptable to both the master developer and the political subdivision.

Any political subdivision shall have the power to issue STAR bonds in one or more series to finance the undertaking of any STAR bond project in accordance with the provisions of this Act and the Omnibus Bond Acts. STAR bonds may be issued as revenue bonds, alternate bonds, or general obligation bonds as defined in and subject to the procedures provided in the Local Government Debt Reform Act.

(a) STAR bonds may be made payable, both as to principal and interest, from the following revenues, which to the extent pledged by each respective political subdivision or other public entity for such purpose shall constitute pledged STAR revenues:

(1) revenues of the political subdivision derived from or held in connection with the undertaking and carrying out of any STAR bond project or projects under this Act;

(2) available private funds and contributions, grants, tax credits, or other financial assistance from the State or federal government;

(3) STAR bond occupation taxes created pursuant to Section 31 and designated as pledged STAR revenues by the political subdivision;

(4) all of the local sales tax increment of a municipality, county, or other unit of local government;

(5) any special service area taxes collected within the STAR bond district under the Special Service Area Tax Act, may be used for the purposes of funding project costs or paying debt service on STAR bonds in addition to the purposes contained in the special service area plan;

(6) all of the State sales tax increment;

(7) any other revenues appropriated by the political subdivision; and

(8) any combination of these methods.

(b) The political subdivision may pledge the pledged STAR revenues to the repayment of STAR bonds prior to, simultaneously with, or subsequent to the issuance of the STAR bonds.

(c) Bonds issued as revenue bonds shall not be general obligations of the political subdivision, nor in any event shall they give rise to a charge against its general credit or taxing powers, or be payable out of any funds or properties other than those set forth in subsection (a) and the bonds shall so state on their face.

(d) For each STAR bond project financed with STAR bonds payable from the pledged STAR revenues, the political subdivision shall prepare and submit to the Department of Revenue by June 1 of each year a report describing the status of the STAR bond project, any expenditures of the proceeds of STAR bonds that have occurred for the preceding calendar year, and any expenditures of the proceeds of the bonds expected to occur in the future, including the amount of pledged STAR revenue, the amount of revenue that has been spent, the projected amount of the revenue, and the anticipated use of the revenue. Each annual report shall be accompanied by an affidavit of the master developer certifying the contents of the report as true to the best of the master developer's knowledge. The Department of Revenue shall have the right, but not the obligation, to request the Illinois Auditor General to review the annual report and the political subdivision's records containing the source information for the report for the purpose of verifying the report's contents. If the Illinois Auditor General declines the request for review, the Department of Revenue shall have the right to select an independent third-party auditor to conduct an audit of the annual report and the political subdivision's records containing the source information for the report. The reasonable cost of the audit shall be paid by the master developer. The master development agreement shall grant the Department of Revenue and the Illinois Auditor General the right to review the records of the political subdivision containing the source information for the report.

(e) There is created in the State treasury a special fund to be known as the STAR Bonds Revenue Fund. As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, from the General Revenue Fund to the STAR Bonds Revenue Fund the State sales tax increment for the second preceding month, less 3% of that amount, which shall be transferred into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering the Innovation Development and Economy Act. As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, from the Local Government Tax Fund to the STAR Bonds Revenue Fund the local sales tax increment for the second preceding month, as provided in Section 6z-18 of the State Finance Act and from the County and Mass Transit District

Fund to the STAR Bonds Revenue Fund the local sales tax increment for the second preceding month, as provided in Section 6a-20 of the State Finance Act.

On or before the 25th day of each calendar month, beginning on January 1, 2011, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money out of the STAR Bonds Revenue Fund to named municipalities and counties, the municipalities and counties to be those entitled to distribution of taxes or penalties paid to the Department during the second preceding calendar month. The amount to be paid to each municipality or county shall be the amount of the State sales tax increment and the local sales tax increment (not including credit memoranda or the amount transferred into the Tax Compliance and Administration Fund) collected during the second preceding calendar month by the Department from retailers and servicemen on transactions at places of business located within a STAR bond district in that municipality or county, plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, and not including any amount which the Department determines is necessary to offset any amounts which are payable to a different taxing body but were erroneously paid to the municipality or county. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities and counties, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

When certifying the amount of monthly disbursement to a municipality or county under this subsection, the Department shall increase or decrease that amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the 6 months preceding the time a misallocation is discovered.

(f) As of the seventh anniversary of the first date of distribution of State sales tax revenues from the first STAR bond project in the STAR bond district, and as of every fifth anniversary thereafter until final maturity of all STAR bonds issued in a STAR bond district, the portion of the aggregate proceeds of STAR bonds issued to date that is derived from

the State sales tax increment pledged to pay STAR bonds in any STAR bond district shall not exceed 50% of the total development costs in the STAR bond district to date. The Illinois Auditor General shall make the foregoing determination on said seventh anniversary and every 5 years thereafter until final maturity of all STAR bonds issued in a STAR bond district. If at any time after the seventh anniversary of the first date of distribution of State sales tax revenues from the first STAR bond project in the STAR bond district the Illinois Auditor General determines that the portion of the aggregate proceeds of STAR bonds issued to date that is derived from the State sales tax increment pledged to pay STAR bonds in any STAR bond district has exceeded 50% of the total development costs in the STAR bond district, no additional STAR bonds may be issued in the STAR bond district until the percentage is reduced to 50% or below. When the percentage has been reduced to 50% or below, the master developer shall have the right, at its own cost, to obtain a new audit prepared by an independent third-party auditor verifying compliance and shall provide such audit to the Illinois Auditor General for review and approval. Upon the Illinois Auditor General's determination from the audit that the percentage has been reduced to 50% or below, STAR bonds may again be issued in the STAR bond district.

(g) Notwithstanding the provisions of the Tax Increment Allocation Redevelopment Act, if any portion of property taxes attributable to the increase in equalized assessed value within a STAR bond district are, at the time of formation of the STAR bond district, already subject to tax increment financing under the Tax Increment Allocation Redevelopment Act, then the tax increment for such portion shall be frozen at the base year established in accordance with this Act, and all future incremental increases over the base year shall not be subject to tax increment financing under the Tax Increment Allocation Redevelopment Act. Any party otherwise entitled to receipt of incremental tax revenues through an existing tax increment financing district shall be entitled to continue to receive such revenues up to the amount frozen in the base year. Nothing in this Act shall affect the prior qualification of existing redevelopment project costs incurred that are eligible for reimbursement under the Tax Increment Allocation Redevelopment Act. In such event, prior to approving a STAR bond district, the political subdivision forming the STAR bond district shall take such action as is necessary, including amending the existing tax increment financing district redevelopment plan, to carry out the provisions of this Act.

Section 31. STAR bond occupation taxes.

(a) If the corporate authorities of a political subdivision have established a STAR bond district and have elected to impose a tax by ordinance pursuant to subsection (b) or (c) of this Section, each year after the date of the adoption of the ordinance and until all STAR bond project costs and all political subdivision obligations financing the STAR bond project costs, if any, have been paid in accordance with the STAR bond project plans, but in no event longer than the maximum maturity date of the last of the STAR bonds issued for projects in the STAR bond district, all amounts generated by the retailers' occupation tax and service occupation tax shall be collected and the tax shall be enforced by the Department of Revenue in the same manner as all retailers' occupation taxes and service occupation taxes imposed in the political subdivision imposing the tax. The corporate authorities of the political subdivision shall deposit the proceeds of the taxes imposed under subsections (b) and (c) into either (i) a special fund held by the corporate authorities of the political subdivision called the STAR Bonds Tax Allocation Fund for the purpose of paying STAR bond project costs and obligations incurred in the payment of those costs if such taxes are designated as pledged STAR revenues by resolution or ordinance of the political subdivision or (ii) the political subdivision's general corporate fund if such taxes are not designated as pledged STAR revenues by resolution or ordinance.

The tax imposed under this Section by a municipality may be imposed only on the portion of a STAR bond district that is within the boundaries of the municipality. For any part of a STAR bond district that lies outside of the boundaries of that municipality, the municipality in which the other part of the STAR bond district lies (or the county, in cases where a portion of the STAR bond district lies in the unincorporated area of a county) is authorized to impose the tax under this Section on that part of the STAR bond district.

(b) The corporate authorities of a political subdivision that has established a STAR bond district under this Act may, by ordinance or resolution, impose a STAR Bond Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the STAR bond district at a rate not to exceed 1% of the gross receipts from the sales made in the course of that business, to be imposed only in 0.25% increments. The tax may not be imposed on food for human consumption that is to be

consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption), prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a through 1o, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c through 2h, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsection (c) of this Section.

(c) If a tax has been imposed under subsection (b), a STAR Bond Service Occupation Tax shall also be imposed upon all persons engaged, in the STAR bond district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the STAR bond district, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax shall be imposed at the same rate as the tax imposed in
subsection (b) and shall not exceed 1% of the selling price of tangible personal property so transferred within the STAR bond district, to be imposed only in 0.25% increments. The tax may not be imposed on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption), prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under that ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure as are prescribed in Sections 2, 2a through 2d, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the STAR bond district), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the political subdivision), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the political subdivision), the first paragraph of Section 15, and Sections 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and all
provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

If a tax is imposed under this subsection (c), a tax shall also be imposed under subsection (b) of this Section.

(d) Persons subject to any tax imposed under this Section may reimburse themselves for their seller's tax liability under this Section by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the STAR Bond Retailers' Occupation Tax Fund.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this Section for deposit into the STAR Bond Retailers' Occupation Tax Fund. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named political subdivisions from the STAR Bond Retailers' Occupation Tax Fund, the political subdivisions to be those from which retailers have paid taxes or penalties under this Section to the Department during the second preceding calendar month. The amount to be paid to each political subdivision shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, less 3% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this Section, on behalf of such political subdivision, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the political subdivision. Within 10 days after receipt by the Comptroller of

the disbursement certification to the political subdivisions provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification. The proceeds of the tax paid to political subdivisions under this Section shall be deposited into either (i) the STAR Bonds Tax Allocation Fund by the political subdivision if the political subdivision has designated them as pledged STAR revenues by resolution or ordinance or (ii) the political subdivision's general corporate fund if the political subdivision has not designated them as pledged STAR revenues.

An ordinance or resolution imposing or discontinuing the tax under this Section or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this Section are met, shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other requirements of this Section are met, the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this Section until the political subdivision also provides, in the manner prescribed by the Department, the boundaries of the STAR bond district and each address in the STAR bond district in such a way that the Department can determine by its address whether a business is located in the STAR bond district. The political subdivision must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this Section by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this Section by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a STAR bond district or any address change, addition, or deletion until the political subdivision reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The political subdivision must provide this boundary change or address change, addition, or deletion information to
the Department on or before April 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following January 1. The retailers in the STAR bond district shall be responsible for charging the tax imposed under this Section. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this Section, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the political subdivision.

A political subdivision that imposes the tax under this Section must submit to the Department of Revenue any other information as the Department may require that is necessary for the administration and enforcement of the tax.

When certifying the amount of a monthly disbursement to a political subdivision under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this Section shall be construed to authorize the political subdivision to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(e) When STAR bond project costs, including, without limitation, all political subdivision obligations financing STAR bond project costs, have been paid, any surplus funds then remaining in the STAR Bonds Tax Allocation Fund shall be distributed to the treasurer of the political subdivision for deposit into the political subdivision's general corporate fund. Upon payment of all STAR bond project costs and retirement of obligations, but in no event later than the maximum maturity date of the last of the STAR bonds issued in the STAR bond district, the political subdivision shall adopt an ordinance immediately rescinding the taxes imposed pursuant to this Section and file a certified copy of the ordinance with the Department in the form and manner as described in this Section.

Section 33. STAR Bonds School Improvement and Operations Trust Fund.

(a) The STAR Bonds School Improvement and Operations Trust Fund is created as a trust fund in the State treasury. Deposits into the Trust
Fund shall be made as provided under this Section. Moneys in the Trust Fund shall be used by the Department of Revenue only for the purpose of making payments to school districts in educational service regions that include or are adjacent to the STAR bond district. Moneys in the Trust Fund are not subject to appropriation and shall be used solely as provided in this Section. All deposits into the Trust Fund shall be held in the Trust Fund by the State Treasurer as ex officio custodian separate and apart from all public moneys or funds of this State and shall be administered by the Department exclusively for the purposes set forth in this Section. All moneys in the Trust Fund shall be invested and reinvested by the State Treasurer. All interest accruing from these investments shall be deposited in the Trust Fund.

(b) Upon approval of a STAR bond district, the political subdivision shall immediately transmit to the county clerk of the county in which the district is located a certified copy of the ordinance creating the district, a legal description of the district, a map of the district, identification of the year that the county clerk shall use for determining the total initial equalized assessed value of the district consistent with subsection (c), and a list of the parcel or tax identification number of each parcel of property included in the district.

(c) Upon approval of a STAR bond district, the county clerk immediately thereafter shall determine (i) the most recently ascertained equalized assessed value of each lot, block, tract, or parcel of real property within the STAR bond district, from which shall be deducted the homestead exemptions under Article 15 of the Property Tax Code, which value shall be the initial equalized assessed value of each such piece of property, and (ii) the total equalized assessed value of all taxable real property within the district by adding together the most recently ascertained equalized assessed value of each taxable lot, block, tract, or parcel of real property within the district, from which shall be deducted the homestead exemptions under Article 15 of the Property Tax Code, and shall certify that amount as the total initial equalized assessed value of the taxable real property within the STAR bond district.

(d) In reference to any STAR bond district created within any political subdivision, and in respect to which the county clerk has certified the total initial equalized assessed value of the property in the area, the political subdivision may thereafter request the clerk in writing to adjust the initial equalized value of all taxable real property within the STAR bond district by deducting therefrom the exemptions under Article 15 of
the Property Tax Code applicable to each lot, block, tract, or parcel of real property within the STAR bond district. The county clerk shall immediately, after the written request to adjust the total initial equalized value is received, determine the total homestead exemptions in the STAR bond district as provided under Article 15 of the Property Tax Code by adding together the homestead exemptions provided by said Article on each lot, block, tract, or parcel of real property within the STAR bond district and then shall deduct the total of said exemptions from the total initial equalized assessed value. The county clerk shall then promptly certify that amount as the total initial equalized assessed value as adjusted of the taxable real property within the STAR bond district.

(e) The county clerk or other person authorized by law shall compute the tax rates for each taxing district with all or a portion of its equalized assessed value located in the STAR bond district. The rate per cent of tax determined shall be extended to the current equalized assessed value of all property in the district in the same manner as the rate per cent of tax is extended to all other taxable property in the taxing district.

(f) Beginning with the assessment year in which the first destination user in the first STAR bond project in a STAR bond district makes its first retail sales and for each assessment year thereafter until final maturity of the last STAR bonds issued in the district, the county clerk or other person authorized by law shall determine the increase in equalized assessed value of all real property within the STAR bond district by subtracting the initial equalized assessed value of all property in the district certified under subsection (c) from the current equalized assessed value of all property in the district. Each year, the property taxes arising from the increase in equalized assessed value in the STAR bond district shall be determined for each taxing district and shall be certified to the county collector.

(g) Beginning with the year in which taxes are collected based on the assessment year in which the first destination user in the first STAR bond project in a STAR bond district makes its first retail sales and for each year thereafter until final maturity of the last STAR bonds issued in the district, the county collector shall, within 30 days after receipt of property taxes, transmit to the Department to be deposited into the STAR Bonds School Improvement and Operations Trust Fund 15% of property taxes attributable to the increase in equalized assessed value within the STAR bond district from each taxing district as certified in subsection (f).
(h) The Department shall pay to the regional superintendent of schools whose educational service region includes Franklin and Williamson Counties, for each year for which money is remitted to the Department and paid into the STAR Bonds School Improvement and Operations Trust Fund, the money in the Fund as provided in this Section. The amount paid to each school district shall be allocated proportionately, based on each qualifying school district's fall enrollment for the then-current school year, such that the school district with the largest fall enrollment receives the largest proportionate share of money paid out of the Fund or by any other method or formula that the regional superintendent of schools deems fit, equitable, and in the public interest. The regional superintendent may allocate moneys to school districts that are outside of his or her educational service region or to other regional superintendents.

The Department shall determine the distributions under this Section using its best judgment and information. The Department shall be held harmless for the distributions made under this Section and all distributions shall be final.

(i) In any year that an assessment appeal is filed, the extension of taxes on any assessment so appealed shall not be delayed. In the case of an assessment that is altered, any taxes extended upon the unauthorized assessment or part thereof shall be abated, or, if already paid, shall be refunded with interest as provided in Section 23-20 of the Property Tax Code. In the case of an assessment appeal, the county collector shall notify the Department that an assessment appeal has been filed and the amount of the tax that would have been deposited in the STAR Bonds School Improvement and Operations Trust Fund. The county collector shall hold that amount in a separate fund until the appeal process is final. After the appeal process is finalized, the county collector shall transmit to the Department the amount of tax that remains, if any, after all required refunds are made. The Department shall pay any amount deposited into the Trust Fund under this Section in the same proportion as determined for payments for that taxable year under subsection (h).

(j) In any year that ad valorem taxes are allocated to the STAR Bonds School Improvement and Operations Trust Fund, that allocation shall not reduce or otherwise impact the school aid provided to any school district under the general State school aid formula provided for in Section 18-8.05 of the School Code.
Section 35. Alternate bonds and general obligation bonds. A political subdivision shall have the power to issue alternate revenue and other general obligation bonds to finance the undertaking, establishment, or redevelopment of any STAR bond project as provided and pursuant to the procedures set forth in the Local Government Debt Reform Act. A political subdivision shall have the power to issue general obligation bonds to finance the undertaking, establishment, or redevelopment of any STAR bond project on approval by the voters of the political subdivision of a proposition authorizing the issue of such bonds.

The full faith and credit of the State, any department, authority, public corporation or quasi-public corporation of the State, any State college or university, or any other public agency created by the State shall not be pledged for any payment under any obligation authorized by this Act.

Section 40. Amendments to STAR bond district. Any addition of real property to a STAR bond district or any substantial change to a STAR bond district plan shall be subject to the same procedure for public notice, hearing, and approval as is required for the establishment of the STAR bond district pursuant to this Act.

(a) The addition or removal of land to or from a STAR bond district shall require the consent of the master developer of the STAR bond district.

(b) Any land that is outside of, but is contiguous to an established STAR bond district and is subsequently owned, leased, or controlled by the master developer shall be added to a STAR bond district at the request of the master developer and by approval of the political subdivision, provided that the land becomes a part of a STAR bond project area.

(c) If a political subdivision has undertaken a STAR bond project within a STAR bond district, and the political subdivision desires to subsequently remove more than a de minimus amount of real property from the STAR bond district, then prior to any removal of property the political subdivision must provide a revised feasibility study showing that the pledged STAR revenues from the resulting STAR bond district within which the STAR bond project is located are estimated to be sufficient to pay the project costs. If the revenue from the resulting STAR bond district is insufficient to pay the project costs, then the property may not be removed from the STAR bond district. Any removal of real property from a STAR bond district shall be approved by a resolution of the governing body of the political subdivision.

Section 45. Restrictions. STAR bond districts may lie within an enterprise zone, but no portion of a STAR bond project shall be financed with funds allocated pursuant to the Illinois Enterprise Zone Act. STAR bond districts may overlay and benefit from existing tax increment financing districts created pursuant to the Tax Increment Allocation Redevelopment Act, but no portion of a STAR bond project shall be financed with tax increment financing under said Act. During any period of time that STAR bonds are outstanding for a STAR bond district, a developer may not use any land located in the STAR bond district for any (i) retail store whose primary business is the sale of automobiles, including trucks and other automotive vehicles with 4 wheels designed for passenger transportation on public streets and thoroughfares or (ii) multi-screen motion picture theater complexes containing more than 12 auditoriums for viewing motion pictures. No STAR bond district may contain more than 900,000 square feet of floor space devoted to traditional retail use.

Section 50. Reporting taxes. Notwithstanding any other provisions of law to the contrary, the Department of Revenue shall provide a certified report of the State sales tax increment and local sales tax increment from all taxpayers within a STAR bond district to the bond trustee, escrow agent, or paying agent for such bonds upon the written request of the political subdivision on or before the 25th day of each month. Such report shall provide a detailed allocation of State sales tax increment and local sales tax increment from each local sales tax and State sales tax reported to the Department of Revenue.

(a) The bond trustee, escrow agent, or paying agent shall keep such sales and use tax reports and the information contained therein confidential, but may use such information for purposes of allocating and depositing the sales and use tax revenues in connection with the bonds used to finance project costs in such STAR bond district. Except as otherwise provided herein, the sales and use tax reports received by the bond trustee, escrow agent, or paying agent shall be subject to the provisions of Chapter 35 of the Illinois Compiled Statutes, including Section 3 of the Retailers' Occupation Tax Act and Section 9 of the Use Tax Act.

(b) The political subdivision shall determine when the amount of sales tax and other revenues that have been collected and distributed to the bond debt service or reserve fund is sufficient to satisfy all principal and interest costs to the maturity date or dates of any STAR bond issued by a political subdivision to finance a STAR bond project and shall give the

Department of Revenue written notice of such determination. The notice shall include a date certain on which deposits into the STAR Bonds Revenue Fund for that STAR bond project shall terminate and shall be provided to the Department of Revenue at least 60 days prior to that date. Thereafter, all sales tax and other revenues shall be collected and distributed in accordance with applicable law.

Section 52. Review committee. Upon the seventh anniversary of the first date of distribution of State sales tax revenues from the first STAR bond project in the State, a 6-member STAR bonds review committee shall be formed consisting of one appointee of each of the Director, the Director of the Department of Commerce and Economic Opportunity, the President of the Senate, the Senate Minority Leader, the Speaker of the House, and the House Minority Leader. The review committee shall evaluate the success of all STAR bond districts then existing in the State and make a determination of the comprehensive economic benefits and detrims of STAR bonds in the State as a whole. In making its determination, the review committee shall examine available data regarding job creation, sales revenues, and capital investment in STAR bond districts; development that has occurred and is planned in areas adjacent to STAR bond districts that will not be directly financed with STAR bonds; effects of market conditions on STAR bond districts and the likelihood of future successes based on improving or declining market conditions; retail sales migration and cannibalization of retail sales due to STAR bond districts; and other relevant economic factors. The review committee shall provide the Director, the General Assembly, and the Governor with a written report detailing its findings and shall make a final determination of whether STAR bonds have had, and are likely to continue having, a negative or positive economic impact on the State as a whole. Upon completing and filing its written report, the review committee shall be dissolved. If the review committee's report makes a final determination that STAR bonds have had and are likely to continue having a negative economic impact on the State as a whole, then no new STAR bond districts may thereafter be formed in the State until further action by the General Assembly.

Section 55. Severability. If any provision of this Act or the application thereof to any persons or circumstances is held invalid, such invalidity shall not affect other provisions or application of the Act that can be given effect without the invalid provisions or application and to this end the provisions of this Act are declared to be severable.

Section 57. Rules. The Department of Revenue shall have the authority to adopt such rules as are reasonable and necessary to implement the provisions of this Act. Notwithstanding the foregoing, the Department of Revenue shall have the authority, prior to adoption and approval of those rules, to approve a STAR bond district in accordance with subsection (d) of Section 20 and to otherwise administer the Act while those rules are pending adoption and approval.

Section 60. Open meetings and freedom of information. All public hearings related to the administration, formation, implementation, development, or construction of a STAR bond district, STAR bond district plan, STAR bond project, or STAR bond project plan, including but not limited to the public hearings required by Sections 15, 20, and 40 of this Act, shall be held in compliance with the Open Meetings Act. The public hearing records, feasibility study, and other documents that do not otherwise meet a confidentiality exemption shall be subject to the Freedom of Information Act.

Section 62. Powers of political subdivisions. The provisions of this Act are intended to be supplemental and in addition to all other power or authority granted to political subdivisions, shall be construed liberally, and shall not be construed as a limitation of any power or authority otherwise granted. In addition to the powers a political subdivision may have under other provisions of law, a political subdivision shall have all of the following powers in connection with a STAR bond district:

(a) To make and enter into all contracts necessary or incidental to the implementation and furtherance of a STAR bond district plan.

(b) Within a STAR bond district, to acquire by purchase, donation, or lease, and to own, convey, lease, mortgage, or dispose of land and other real or personal property or rights or interests in property and to grant or acquire licenses, easements, and options with respect to property, all in the manner and at a price the political subdivision determines is reasonably necessary to achieve the objectives of the STAR bond project.

(c) To clear any area within a STAR bond district by demolition or removal of any existing buildings, structures, fixtures, utilities, or improvements and to clear and grade land.

(d) To install, repair, construct, reconstruct, extend or relocate public streets, public utilities, and other public site improvements located both within and outside the boundaries of a

STAR bond district that are essential to the preparation of a STAR bond district for use in accordance with a STAR bond district plan.

(e) To renovate, rehabilitate, reconstruct, relocate, repair, or remodel any existing buildings, improvements, and fixtures within a STAR bond district.

(f) To install or construct any public buildings, structures, works, streets, improvements, utilities, or fixtures within a STAR bond district.

(g) To issue STAR bonds as provided in this Act.

(h) Subject to the limitations set forth in the definition of "project costs" in Section 10 of this Act, to fix, charge, and collect fees, rents, and charges for the use of any building, facility, or property or any portion of a building, facility, or property owned or leased by the political subdivision in furtherance of a STAR bond project under this Act within a STAR bond district.

(i) To accept grants, guarantees, donations of property or labor, or any other thing of value for use in connection with a STAR bond project.

(j) To pay or cause to be paid STAR bond project costs, including, specifically, to reimburse any developer or nongovernmental person for STAR bond project costs incurred by that person. A political subdivision is not required to obtain any right, title, or interest in any real or personal property in order to pay STAR bond project costs associated with the property. The political subdivision shall adopt accounting procedures necessary to determine that the STAR bond project costs are properly paid.

(k) To exercise any and all other powers necessary to effectuate the purposes of this Act.

Section 63. The New Markets Development Program Act is amended by changing Sections 20 and 25 as follows:

(20 ILCS 663/20)

Sec. 20. Annual cap on credits. The Department shall limit the monetary amount of qualified equity investments permitted under this Act to a level necessary to limit tax credit use at no more than $20,000,000 of tax credits in any fiscal year. This limitation on qualified equity investments shall be based on the anticipated use of credits without regard to the potential for taxpayers to carry forward tax credits to later tax years.
(Source: P.A. 95-1024, eff. 12-31-08.)
Sec. 25. Certification of qualified equity investments.

(a) A qualified community development entity that seeks to have an equity investment or long-term debt security designated as a qualified equity investment and eligible for tax credits under this Section shall apply to the Department. The qualified community development entity must submit an application on a form that the Department provides that includes:

1. The name, address, tax identification number of the entity, and evidence of the entity's certification as a qualified community development entity.
2. A copy of the allocation agreement executed by the entity, or its controlling entity, and the Community Development Financial Institutions Fund.
3. A certificate executed by an executive officer of the entity attesting that the allocation agreement remains in effect and has not been revoked or cancelled by the Community Development Financial Institutions Fund.
4. A description of the proposed amount, structure, and purchaser of the equity investment or long-term debt security.
5. The name and tax identification number of any taxpayer eligible to utilize tax credits earned as a result of the issuance of the qualified equity investment.
6. Information regarding the proposed use of proceeds from the issuance of the qualified equity investment.
7. A nonrefundable application fee of $5,000. This fee shall be paid to the Department and shall be required of each application submitted.

(b) Within 30 days after receipt of a completed application containing the information necessary for the Department to certify a potential qualified equity investment, including the payment of the application fee, the Department shall grant or deny the application in full or in part. If the Department denies any part of the application, it shall inform the qualified community development entity of the grounds for the denial. If the qualified community development entity provides any additional information required by the Department or otherwise completes its application within 15 days of the notice of denial, the application shall be considered completed as of the original date of submission. If the qualified community development entity fails to provide the information

or complete its application within the 15-day period, the application remains denied and must be resubmitted in full with a new submission date.

(c) If the application is deemed complete, the Department shall certify the proposed equity investment or long-term debt security as a qualified equity investment that is eligible for tax credits under this Section, subject to the limitations contained in Section 20. The Department shall provide written notice of the certification to the qualified community development entity. The notice shall include the names of those taxpayers who are eligible to utilize the credits and their respective credit amounts. If the names of the taxpayers who are eligible to utilize the credits change due to a transfer of a qualified equity investment or a change in an allocation pursuant to Section 15, the qualified community development entity shall notify the Department of such change.

(d) The Department shall certify qualified equity investments in the order applications are received by the Department. Applications received on the same day shall be deemed to have been received simultaneously. For applications received on the same day and deemed complete, the Department shall certify, consistent with remaining tax credit capacity, qualified equity investments in proportionate percentages based upon the ratio of the amount of qualified equity investment requested in an application to the total amount of qualified equity investments requested in all applications received on the same day.

(e) Once the Department has certified qualified equity investments that, on a cumulative basis, are eligible for $20,000,000 in tax credits, the Department may not certify any more qualified equity investments. If a pending request cannot be fully certified, the Department shall certify the portion that may be certified unless the qualified community development entity elects to withdraw its request rather than receive partial credit.

(f) Within 30 days after receiving notice of certification, the qualified community development entity shall issue the qualified equity investment and receive cash in the amount of the certified amount. The qualified community development entity must provide the Department with evidence of the receipt of the cash investment within 10 business days after receipt. If the qualified community development entity does not receive the cash investment and issue the qualified equity investment within 30 days following receipt of the certification notice, the certification shall lapse and the entity may not issue the qualified equity investment.
investment without reapplying to the Department for certification. A certification that lapses reverts back to the Department and may be reissued only in accordance with the application process outline in this Section 25.

Section 65. The State Finance Act is amended by changing
Sections 6z-18 and 6z-20 and by adding Sections 5.756 and 5.758 as
follows:

(30 ILCS 105/5.756 new)
Sec. 5.756. The STAR Bonds Revenue Fund.

(30 ILCS 105/5.758 new)
Sec. 5.758. STAR Bonds School Improvement and Operations
Trust Fund.

(30 ILCS 105/6z-18) (from Ch. 127, par. 142z-18)
Sec. 6z-18. A portion of the money paid into the Local
Government Tax Fund from sales of food for human consumption which
is to be consumed off the premises where it is sold (other than alcoholic
beverages, soft drinks and food which has been prepared for immediate
consumption) and prescription and nonprescription medicines, drugs,
medical appliances and insulin, urine testing materials, syringes and
needles used by diabetics, which occurred in municipalities, shall be
distributed to each municipality based upon the sales which occurred in
that municipality. The remainder shall be distributed to each county based
upon the sales which occurred in the unincorporated area of that county.

A portion of the money paid into the Local Government Tax Fund

paragraph. Each municipality shall receive the amount attributable to sales for which Illinois addresses for titling or registration purposes are given as being in such municipality. The remainder of the money paid into the Local Government Tax Fund from such sales shall be distributed to counties. Each county shall receive the amount attributable to sales for which Illinois addresses for titling or registration purposes are given as being located in the unincorporated area of such county.

A portion of the money paid into the Local Government Tax Fund from the 6.25% general rate (and, beginning July 1, 2000 and through December 31, 2000, the 1.25% rate on motor fuel and gasohol) on sales subject to taxation under the Retailers' Occupation Tax Act and the Service Occupation Tax Act, which occurred in municipalities, shall be distributed to each municipality, based upon the sales which occurred in that municipality. The remainder shall be distributed to each county, based upon the sales which occurred in the unincorporated area of such county.

For the purpose of determining allocation to the local government unit, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Whenever the Department determines that a refund of money paid into the Local Government Tax Fund should be made to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the Local Government Tax Fund.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected during the second preceding calendar month for sales within a STAR bond district and deposited into the Local Government Tax Fund, less 3% of that amount, which shall be transferred into the Tax Compliance and Administration Fund and shall be used by the Department, subject to

(30 ILCS 105/6z-20) (from Ch. 127, par. 142z-20)

Sec. 6z-20. Of the money received from the 6.25% general rate (and, beginning July 1, 2000 and through December 31, 2000, the 1.25% rate on motor fuel and gasohol) on sales subject to taxation under the Retailers' Occupation Tax Act and Service Occupation Tax Act and paid into the County and Mass Transit District Fund, distribution to the Regional Transportation Authority tax fund, created pursuant to Section 4.03 of the Regional Transportation Authority Act, for deposit therein shall be made based upon the retail sales occurring in a county having more than 3,000,000 inhabitants. The remainder shall be distributed to each county having 3,000,000 or fewer inhabitants based upon the retail sales occurring in each such county.

For the purpose of determining allocation to the local government unit, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Of the money received from the 6.25% general use tax rate on tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by any agency of this State's government and paid into the County and Mass Transit District Fund, the amount for which Illinois addresses for titling or registration purposes are given as being in each county having more than 3,000,000 inhabitants shall be distributed into the Regional Transportation Authority tax fund, created pursuant to Section 4.03 of the Regional Transportation Authority Act. The remainder of the money paid from such sales shall be distributed to each county based on sales for which Illinois addresses for titling or registration purposes are given as being located in the county. Any money paid into the Regional Transportation Authority Occupation and Use Tax Replacement Fund from the County and Mass Transit District Fund prior to January 14, 1991, which has not been paid to the
Authority prior to that date, shall be transferred to the Regional Transportation Authority tax fund.

Whenever the Department determines that a refund of money paid into the County and Mass Transit District Fund should be made to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the County and Mass Transit District Fund.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected during the second preceding calendar month for sales within a STAR bond district and deposited into the County and Mass Transit District Fund, less 3% of that amount, which shall be transferred into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering the Innovation Development and Economy Act.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the Regional Transportation Authority and to named counties, the counties to be those entitled to distribution, as hereinabove provided, of taxes or penalties paid to the Department during the second preceding calendar month. The amount to be paid to the Regional Transportation Authority and each county having 3,000,000 or fewer inhabitants shall be the amount (not including credit memoranda) collected during the second preceding calendar month by the Department and paid into the County and Mass Transit District Fund, plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the Regional Transportation Authority or county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt, by the Comptroller, of the
disbursement certification to the Regional Transportation Authority and counties, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

When certifying the amount of a monthly disbursement to the Regional Transportation Authority or to a county under this Section, the Department shall increase or decrease that amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the 6 months preceding the time a misallocation is discovered.

The provisions directing the distributions from the special fund in the State Treasury provided for in this Section and from the Regional Transportation Authority tax fund created by Section 4.03 of the Regional Transportation Authority Act shall constitute an irrevocable and continuing appropriation of all amounts as provided herein. The State Treasurer and State Comptroller are hereby authorized to make distributions as provided in this Section.

In construing any development, redevelopment, annexation, preannexation or other lawful agreement in effect prior to September 1, 1990, which describes or refers to receipts from a county or municipal retailers' occupation tax, use tax or service occupation tax which now cannot be imposed, such description or reference shall be deemed to include the replacement revenue for such abolished taxes, distributed from the County and Mass Transit District Fund or Local Government Distributive Fund, as the case may be.

Sec. 5-1006. Home Rule County Retailers' Occupation Tax Law. Any county that is a home rule unit may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from such sales made in the course of their business. If imposed, this tax shall only be imposed in 1/4% increments. The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers’ Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12 and 13 of the Retailers’ Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule county pursuant to this Section unless the county also imposes a tax at the same rate pursuant to Section 5-1007.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller’s tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than $500,000 in disbursements under the preceding paragraph in the preceding calendar year. An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Sec. 5-1006.5. Special County Retailers' Occupation Tax For Public Safety, Public Facilities, or Transportation.

(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, or transportation purposes in that county, if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes for expenditures for public highways or as authorized under the Illinois Highway Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its long-range passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax.

If a tax is imposed for public facilities purposes, then the name of the project may be included in the proposition at the discretion of the county board as determined in the enabling resolution. For example, the "XXX Nursing Home" or the "YYY Museum".

The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

(1) The proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of the paragraph, "public safety purposes" means crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services.

Votes shall be recorded as "Yes" or "No".

(2) The proposition for transportation purposes shall be in substantially the following form:

"To pay for improvements to roads and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for transportation purposes shall be in substantially the following form:

"To pay for road improvements and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of this paragraph, transportation purposes means construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation.

The votes shall be recorded as "Yes" or "No".

(3) The proposition for public facilities purposes shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"
As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public facilities purposes shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For purposes of this Section, "public facilities purposes" means the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including but not limited to museums and nursing homes.

The votes shall be recorded as "Yes" or "No".

If a majority of the electors voting on the proposition vote in favor of it, the county may impose the tax. A county may not submit more than one proposition authorized by this Section to the electors at any one time.

This additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food which has been prepared for immediate consumption) and prescription and non-
prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed by a county under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Illinois Department of Revenue and deposited into a special fund created for that purpose. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Tax Fund.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This tax may not be imposed on sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder.

In the administration of, and compliance with this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the county), Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that
servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Fund.

Nothing in this subsection shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the County Public Safety or Transportation Retailers' Occupation Tax Fund, which shall be an unappropriated trust fund held outside of the State treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county, and deposited by the county into its special fund created for the purposes of this Section, shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county, and (ii) any amount that the Department determines is necessary to offset any amounts

Within 10 days after receipt by the Comptroller of the disbursement certification to the counties provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than $500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(d) For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(e-5) If a county imposes a tax under this Section, the county board may, by ordinance, discontinue or lower the rate of the tax. If the county board lowers the tax rate or discontinues the tax, a referendum must be held in accordance with subsection (a) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

(i) For purposes of this Section, "public safety" includes, but is not limited to, crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services. The county may share tax proceeds received under this Section for public safety purposes, including proceeds received before August 4, 2009 (the effective date of Public Act 96-124) this amendatory Act of the 96th General Assembly, with any fire protection district located in the county. Sec. 5-1006.5. Special County Retailers' Occupation Tax For Public Safety, Public Facilities, or Transportation.

(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, or transportation purposes in that county, if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes for expenditures for public highways or as authorized under the Illinois Highway Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its long-range passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax.

If a tax is imposed for public facilities purposes, then the name of the project may be included in the proposition at the discretion of the county board as determined in the enabling resolution. For example, the "XXX Nursing Home" or the "YYY Museum".

The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

(1) The proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"
As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public safety purposes shall be in substantially the following form:

the county board votes to include a sunset provision, the proposition for transportation purposes shall be in substantially the following form:

"To pay for road improvements and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

This additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food which has been prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed by a county under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Illinois Department of Revenue and deposited into a special fund created for that purpose. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the
erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Tax Fund.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Fund.

Nothing in this subsection shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

Sec. 8-11-1. Home Rule Municipal Retailers’ Occupation Tax Act. The corporate authorities of a home rule municipality may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the municipality on the gross receipts from these sales made in the course of such business. If imposed, the tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics. The tax imposed by a home rule municipality under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers’ Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges,
immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12 and 13 of the Retailers’ Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-5 of this Act.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule municipal retailers' occupation tax fund.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be as follows:

municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph and in order to mitigate delays caused by distribution procedures, an allocation shall, if requested, be made within 10 days after January 14, 1991, and in November of 1991 and each year thereafter, to each municipality that received more than $500,000 during the preceding fiscal year, (July 1 through June 30) whether collected by the municipality or disbursed by the Department as required by this Section. Within 10 days after January 14, 1991, participating municipalities shall notify the Department in writing of their intent to participate. In addition, for the initial distribution, participating municipalities shall certify to the Department the amounts collected by the municipality for each month under its home rule occupation and service occupation tax during the period July 1, 1989 through June 30, 1990. The allocation within 10 days after January 14, 1991, shall be in an amount equal to the monthly average of these amounts, excluding the 2 months of highest receipts. The monthly average for the period of July 1, 1990 through June 30, 1991 will be determined as follows: the amounts collected by the municipality under its home rule occupation and service occupation tax during the period of July 1, 1990 through September 30, 1990, plus amounts collected by the Department and paid to such municipality through June 30, 1991, excluding the 2 months of highest receipts. The monthly average for each subsequent period of July 1 through June 30 shall be an amount equal to the monthly distribution made to each such municipality under the preceding paragraph during this period, excluding the 2 months of highest receipts.
receipts. The distribution made in November 1991 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding period of July 1 through June 30. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following the adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing. However, a municipality located in a county with a population in excess of 3,000,000 that elected to become a home rule unit at the general primary election in 1994 may adopt an ordinance or resolution imposing the tax under this Section and file a certified copy of the ordinance or resolution with the Department on or before July 1, 1994. The Department shall then proceed to administer and enforce this Section.
