(3) Conviction for a first violation of:

(i) Driving a commercial motor vehicle or, if the driver is a CDL holder, driving a non-CMV while under the influence of alcohol, or any other drug, or combination of drugs to a degree which renders such person incapable of safely driving; or

(iii) Driving a commercial motor vehicle or, if the driver is a CDL holder, driving a non-CMV while committing any felony; or

(iv) Driving a commercial motor vehicle while the person's driving privileges or driver's license or permit is revoked, suspended, or cancelled or the driver is disqualified from operating a commercial motor vehicle; or

(v) Causing a fatality through the negligent operation of a commercial motor vehicle, including but not limited to the crimes of motor vehicle manslaughter, homicide by a motor vehicle, and negligent homicide.

As used in this subdivision (a)(3)(v), "motor vehicle manslaughter" means the offense of involuntary manslaughter if committed by means of a vehicle; "homicide by a motor vehicle" means the offense of first degree murder or second degree murder, if either offense is committed by means of a vehicle; and "negligent homicide" means reckless homicide under Section 9-3 of the Criminal Code of 1961 and aggravated driving under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination thereof under subdivision (d)(1)(F) of Section 11-501 of this Code.

If any of the above violations or refusals occurred while transporting hazardous material(s) required to be placarded, the person shall be disqualified for a period of not less than 3 years.
(b) A person is disqualified for life for a second conviction of any of the offenses specified in paragraph (a), or any combination of those offenses, arising from 2 or more separate incidents.

(c) A person is disqualified from driving a commercial motor vehicle for life if the person either (i) uses a commercial motor vehicle in the commission of any felony involving the manufacture, distribution, or dispensing of a controlled substance, or possession with intent to manufacture, distribute or dispense a controlled substance or (ii) if the person is a CDL holder, uses a non-CMV in the commission of a felony involving any of those activities.

(f) Notwithstanding any other provision of this Code, any driver disqualified from operating a commercial motor vehicle, pursuant to this
UCDLA, shall not be eligible for restoration of commercial driving privileges during any such period of disqualification.

(g) After suspending, revoking, or cancelling a commercial driver's license, the Secretary of State must update the driver's records to reflect such action within 10 days. (3) For 3 years upon a third or subsequent conviction of paragraph (2) of subsection (b) or subsection (b-3) or any combination of paragraphs (2) or (3) of subsection (b) or subsections (b-3) or (b-5) of Section 6-507 of this Code within a 10-year period if the third or subsequent conviction is a violation of paragraph (2) of subsection (b) or subsection (b-3).

(4) For one year upon a first conviction of paragraph (3) of subsection (b) or subsection (b-5) of Section 6-507 of this Code.

Sec. 11-1201. Obedience to signal indicating approach of train or railroad track equipment.

(a) Whenever any person driving a vehicle approaches a railroad grade crossing where the driver is not always required to stop, the person must exercise due care and caution as the existence of a railroad track across a highway is a warning of danger, and under any of the circumstances stated in this Section, the driver shall stop within 50 feet but not less than 15 feet from the nearest rail of the railroad and shall not proceed until the tracks are clear and he or she can do so safely. The foregoing requirements shall apply when:

1. A clearly visible electric or mechanical signal device gives warning of the immediate approach of a railroad train or railroad track equipment;

2. A crossing gate is lowered or a human flagman gives or continues to give a signal of the approach or passage of a railroad train or railroad track equipment;

3. A railroad train or railroad track equipment approaching a highway crossing emits a warning signal and such railroad train or railroad track equipment, by reason of its speed or nearness to such crossing, is an immediate hazard;

4. An approaching railroad train or railroad track equipment is plainly visible and is in hazardous proximity to such crossing;

5. A railroad train or railroad track equipment is approaching so closely that an immediate hazard is created. (a-5) Whenever a person driving a vehicle approaches a railroad grade crossing where the driver is not always required to stop but must
slow down, the person must exercise due care and caution as the existence of a railroad track across a highway is a warning of danger, and under any of the circumstances stated in this Section, the driver shall slow down within 50 feet but not less than 15 feet from the nearest rail of the railroad and shall not proceed until he or she checks that the tracks are clear of an approaching train or railroad track equipment.

(b) No person shall drive any vehicle through, around or under any crossing gate or barrier at a railroad crossing while such gate or barrier is closed or is being opened or closed.

(c) The Department, and local authorities with the approval of the Department, are hereby authorized to designate particularly dangerous highway grade crossings of railroads and to erect stop signs thereat. When such stop signs are erected the driver of any vehicle shall stop within 50 feet but not less than 15 feet from the nearest rail of such railroad and shall proceed only upon exercising due care.

(d) At any railroad grade crossing provided with railroad crossbuck signs, without automatic, electric, or mechanical signal devices, crossing gates, or a human flagman giving a signal of the approach or passage of a train or railroad track equipment, the driver of a vehicle shall in obedience to the railroad crossbuck sign, yield the right-of-way and slow down to a speed reasonable for the existing conditions and shall stop, if required for safety, at a clearly marked stopped line, or if no stop line, within 50 feet but not less than 15 feet from the nearest rail of the railroad and shall not proceed until he or she can do so safely. If a driver is involved in a collision at a railroad crossing or interferes with the movement of a train or railroad track equipment after driving past the railroad crossbuck sign, the collision or interference is prima facie evidence of the driver's failure to yield right-of-way.

(d-1) No person shall, while driving a commercial motor vehicle, fail to negotiate a railroad-highway grade railroad crossing because of insufficient undercarriage clearance.

(d-5) (Blank).

(e) It is unlawful to violate any part of this Section.

(1) A violation of this Section is a petty offense for which a fine of $250 shall be imposed for a first violation, and a fine of $500 shall be imposed for a second or subsequent violation. The court may impose 25 hours of community service in place of the $250 fine for the first violation.

(2) For a second or subsequent violation, the Secretary of State may suspend the driving privileges of the offender for a minimum of 6 months.

1. Any second division vehicle carrying passengers for hire;
2. Any bus that meets all of the special requirements for school buses in Sections 12-801, 12-803, and 12-805 of this Code. AN ACT concerning civil law.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Code of Civil Procedure is amended by changing Section 15-1508 as follows:

(a) Report. The person conducting the sale shall promptly make a report to the court, which report shall include a copy of all receipts and, if any, certificate of sale.

(b) Hearing. Upon motion and notice in accordance with court rules applicable to motions generally, which motion shall not be made prior to sale, the court shall conduct a hearing to confirm the sale. Unless the court finds that (i) a notice required in accordance with subsection (c) of Section 15-1507 was not given, (ii) the terms of sale were unconscionable, (iii) the sale was conducted fraudulently or (iv) that justice was otherwise not done, the court shall then enter an order confirming the sale. The confirmation order shall include a name, address, and telephone number of the holder of the certificate of sale or deed issued pursuant to that certificate or, if no certificate or deed was issued, the purchaser, whom a municipality or county may contact with concerns about the real estate. The confirmation order may also:

(1) approve the mortgagee's fees and costs arising between the entry of the judgment of foreclosure and the confirmation hearing, those costs and fees to be allowable to the same extent as provided in the note and mortgage and in Section 15-1504;

(2) provide for a personal judgment against any party for a deficiency; and

(3) determine the priority of the judgments of parties who deferred proving the priority pursuant to subsection (h) of Section 15-1506, but the court shall not defer confirming the sale pending the determination of such priority.

(b-5) Notice with respect to residential real estate. With respect to residential real estate, the notice required under subsection (b) of this Section shall be sent to the mortgagor even if the mortgagor has previously been held in default. In the event the mortgagor has filed an appearance,
the notice shall be sent to the address indicated on the appearance. In all other cases, the notice shall be sent to the mortgagor at the common address of the foreclosed property. The notice shall be sent by first class mail. Unless the right to possession has been previously terminated by the court, the notice shall include the following language in 12-point boldface capitalized type:

IF YOU ARE THE MORTGAGOR (HOMEOWNER), YOU HAVE THE RIGHT TO REMAIN IN POSSESSION FOR 30 DAYS AFTER ENTRY OF AN ORDER OF POSSESSION, IN ACCORDANCE WITH SECTION 15-1701(c) OF THE ILLINOIS MORTGAGE FORECLOSURE LAW.

(b-10) Notice of confirmation order sent to municipality or county. A copy of the confirmation order required under subsection (b) shall be sent to the municipality in which the foreclosed property is located, or to the county within the boundary of which the foreclosed property is located if the foreclosed property is located in an unincorporated territory. A municipality or county must clearly publish on its website a single address to which such notice shall be sent. If a municipality or county does not maintain a website, then the municipality or county must publicly post in its main office a single address to which such notice shall be sent. In the event that a municipality or county has not complied with the publication requirement in this subsection (b-10), then such notice to the municipality or county shall be provided pursuant to Section 2-211 of the Code of Civil Procedure.

(c) Failure to Give Notice. If any sale is held without compliance with subsection (c) of Section 15-1507 of this Article, any party entitled to the notice provided for in paragraph (3) of that subsection (c) who was not so notified may, by motion supported by affidavit made prior to confirmation of such sale, ask the court which entered the judgment to set aside the sale. Any such party shall guarantee or secure by bond a bid equal to the successful bid at the prior sale, unless the party seeking to set aside the sale is the mortgagor, the real estate sold at the sale is residential real estate, and the mortgagor occupies the residential real estate at the time the motion is filed. In that event, no guarantee or bond shall be required of the mortgagor. Any subsequent sale is subject to the same notice requirement as the original sale.

(d) Validity of Sale. Except as provided in subsection (c) of Section 15-1508, no sale under this Article shall be held invalid or be set aside because of any defect in the notice thereof or in the publication of

the same, or in the proceedings of the officer conducting the sale, except upon good cause shown in a hearing pursuant to subsection (b) of Section 15-1508. At any time after a sale has occurred, any party entitled to notice under paragraph (3) of subsection (c) of Section 15-1507 may recover from the mortgagee any damages caused by the mortgagee's failure to comply with such paragraph (3). Any party who recovers damages in a judicial proceeding brought under this subsection may also recover from the mortgagee the reasonable expenses of litigation, including reasonable attorney's fees.

(d-5) Making Home Affordable Program. The court that entered the judgment shall set aside a sale held pursuant to Section 15-1507, upon motion of the mortgagor at any time prior to the confirmation of the sale, if the mortgagor proves by a preponderance of the evidence that (i) the mortgagor has applied for assistance under the Making Home Affordable Program established by the United States Department of the Treasury pursuant to the Emergency Economic Stabilization Act of 2008, as amended by the American Recovery and Reinvestment Act of 2009, and (ii) the mortgaged real estate was sold in material violation of the program's requirements for proceeding to a judicial sale. The provisions of this subsection (d-5), except for this sentence, shall become inoperative on January 1, 2013 for all actions filed under this Article after December 31, 2012, in which the mortgagor did not apply for assistance under the Making Home Affordable Program on or before December 31, 2012.

(e) Deficiency Judgment. In any order confirming a sale pursuant to the judgment of foreclosure, the court shall also enter a personal judgment for deficiency against any party (i) if otherwise authorized and (ii) to the extent requested in the complaint and proven upon presentation of the report of sale in accordance with Section 15-1508. Except as otherwise provided in this Article, a judgment may be entered for any balance of money that may be found due to the plaintiff, over and above the proceeds of the sale or sales, and enforcement may be had for the collection of such balance, the same as when the judgment is solely for the mortgage indebtedness, unless they have entered their appearance in the foreclosure action.

(f) Satisfaction. Upon confirmation of the sale, the judgment stands satisfied to the extent of the sale price less expenses and costs. If the order confirming the sale includes a deficiency judgment, the judgment shall

become a lien in the manner of any other judgment for the payment of money.

(g) The order confirming the sale shall include, notwithstanding any previous orders awarding possession during the pendency of the foreclosure, an award to the purchaser of possession of the mortgaged real estate, as of the date 30 days after the entry of the order, against the parties to the foreclosure whose interests have been terminated.

An order of possession authorizing the removal of a person from possession of the mortgaged real estate shall be entered and enforced only against those persons personally named as individuals in the complaint or the petition under subsection (h) of Section 15-1701 and in the order of possession and shall not be entered and enforced against any person who is only generically described as an unknown owner or nonrecord claimant or by another generic designation in the complaint.

Notwithstanding the preceding paragraph, the failure to personally name, include, or seek an award of possession of the mortgaged real estate against a person in the confirmation order shall not abrogate any right that the purchaser may have to possession of the mortgaged real estate and to maintain a proceeding against that person for possession under Article 9 of this Code or subsection (h) of Section 15-1701; and possession against a person who (1) has not been personally named as a party to the foreclosure and (2) has not been provided an opportunity to be heard in the foreclosure proceeding may be sought only by maintaining a proceeding under Article 9 of this Code or subsection (h) of Section 15-1701.

(d) On completion of sentence of imprisonment or upon discharge from probation, conditional discharge or periodic imprisonment, or at any time thereafter, all license rights and privileges granted under the authority of this State which have been revoked or suspended because of conviction of an offense shall be restored unless the authority having jurisdiction of such license rights finds after investigation and hearing that restoration is not in the public interest. This paragraph (d) shall not apply to the suspension or revocation of a license to operate a motor vehicle under the Illinois Vehicle Code.

(e) Upon a person's discharge from incarceration or parole, or upon a person's discharge from probation or at any time thereafter, the committing court may enter an order certifying that the sentence has been satisfactorily completed when the court believes it would assist in the rehabilitation of the person and be consistent with the public welfare. Such order may be entered upon the motion of the defendant or the State or upon the court's own motion.

(f) Upon entry of the order, the court shall issue to the person in whose favor the order has been entered a certificate stating that his behavior after conviction has warranted the issuance of the order.

(g) This Section shall not affect the right of a defendant to collaterally attack his conviction or to rely on it in bar of subsequent proceedings for the same offense.

(h) No application for any license specified in subsection (i) of this Section granted under the authority of this State shall be denied by reason of an eligible offender who has obtained a certificate of relief from disabilities, as defined in Article 5.5 of this Chapter, having been previously convicted of one or more criminal offenses, or by reason of a finding of lack of "good moral character" when the finding is based upon the fact that the applicant has previously been convicted of one or more criminal offenses, unless:

(1) there is a direct relationship between one or more of the previous criminal offenses and the specific license sought; or

(2) the issuance of the license would involve an unreasonable risk to property or to the safety or welfare of specific individuals or the general public.

In making such a determination, the licensing agency shall consider the following factors:

(3) the bearing, if any, the criminal offenses or offenses for which the person was previously convicted will have on his or her fitness or ability to perform one or more such duties and responsibilities;

(4) the time which has elapsed since the occurrence of the criminal offense or offenses;

(5) the age of the person at the time of occurrence of the criminal offense or offenses;

(6) the seriousness of the offense or offenses;

(7) any information produced by the person or produced on his or her behalf in regard to his or her rehabilitation and good conduct, including a certificate of relief from disabilities issued to the applicant, which certificate shall create a presumption of rehabilitation in regard to the offense or offenses specified in the certificate; and

(8) the legitimate interest of the licensing agency in protecting property, and the safety and welfare of specific individuals or the general public.

(i) A certificate of relief from disabilities shall be issued only for a license or certification issued under the following Acts:

(1) the Animal Welfare Act; except that a certificate of relief from disabilities may not be granted to provide for the issuance or restoration of a license under the Animal Welfare Act for any person convicted of violating Section 3, 3.01, 3.02, 3.03, 3.03-1, or 4.01 of the Humane Care for Animals Act or Section 26-5 of the Criminal Code of 1961;

Application for such certificate shall be made by the manager of the theatre, or by the person in the district responsible for the musical recital or concert, and by the parent or guardian of such minor to the City or County Superintendent of Schools or his authorized agent at least fourteen (14) days in advance of such appearance. The City or County Superintendent of Schools or his agent may issue a permit if satisfied that adequate provision has been made for the educational instruction of such minor, for safeguarding his health and for the proper moral supervision of such minor, and that proper rest and dressing room facilities are provided in the theatre for such minor.

(b) Notwithstanding the provisions of this Act, the City or Regional Superintendent of Schools, or their duly authorized agents, are authorized to issue an employment certificate for any minor under 16 years of age, such certificate authorizing and permitting the appearance of such minor as a model or in a motion picture, radio or television production: Provided, that no such minor shall be excused from attending school except as authorized pursuant to Section 26-1 of The School Code. The Department of Labor shall promulgate rules and regulations to carry out the provisions of this subsection. Such rules and regulations shall be

designed to protect the health and welfare of child models or actors and to
insure that the conditions under which minors are employed, used or
exhibited will not impair their health, welfare, development or proper
education.

(c) In situations where a minor from another state seeks to obtain
an Illinois employment certificate, the Department shall work with a City
or Regional Superintendent of Schools, or the State Superintendent of
Education, or his or her duly authorized agents, to issue the certificate.
The Superintendent may waive the requirement in Section 12 of this Act
that a minor submit his or her application in person, if the minor resides

Sec. 11. Employment certificate issuance; duration; revocation.

(a) The employment certificate shall be issued by the City or
County Superintendent of Schools or by their duly authorized agents and
shall be valid for a period of one year. The person issuing these certificates

Section 99. Effective date. This Act takes effect upon becoming law.

PUBLIC ACT 96-1248
(House Bill No. 6062)

AN ACT concerning local government.

Be it enacted by the People of the State of Illinois, represented in
the General Assembly:

Section 5. The Property Tax Code is amended by changing Section
20-25 as follows:

(35 ILCS 200/20-25)

Sec. 20-25. Forms of payment.

(a) Taxes levied by taxing districts may be satisfied by payment in
legal money of the United States, cashier's check, certified check, post
office money order, bank money order issued by a national or state bank
that is insured by the Federal Deposit Insurance Corporation, or by a
personal or corporate check drawn on such a bank, to the respective
collection officers who are entitled by law to receive the tax payments or
by credit card in accordance with the Local Governmental Acceptance of
Credit Cards Act. A county collector may refuse to accept a personal check
within 30 days before a tax sale.

(b) Beginning on January 1, 2012, subject to compliance with all
applicable purchasing requirements, a county with a population of more
than 3,000,000 is required to accept payment by credit card for each
installment of property taxes; provided that all service charges or fees, as
determined by the county, associated with the processing or accepting of a
credit card payment by the county shall be paid by the taxpayer. If a
taxpayer elects to make a property tax payment by credit card and a
service charge or fee is imposed, the payment of that service charge or fee
shall be deemed voluntary by the taxpayer and shall not be refundable.
Nothing in this subsection requires a county with a population of more
than 3,000,000 to accept payment by credit card for the payment on any
installment of taxes that is delinquent under Section 21-10, 21-25, or 21-30 of the Property Tax Code or for the purposes of any tax sale or scavenger sale under Division 3.5, 4, or 5 of Article 21 of the Property Tax Code. A county that accepts payment of property taxes by credit card in accordance with the terms of this subsection shall not incur liability for or associated with the collection of a property tax payment by credit card. The public hearing requirement of subsection (a) of Section 20 of the Local Governmental Acceptance of Credit Cards Act shall not apply to this subsection. This subsection is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

(Source: P.A. 90-518, eff. 8-22-97.)

Section 7. The Local Government Acceptance of Credit Cards Act is amended by changing Section 20 as follows:

(50 ILCS 345/20)
Sec. 20. Election by local governmental entities to accept credit cards.

(a) The decision whether to accept credit card payments for any particular type of obligation shall be made by the governing body of the local governmental entity that has general discretionary authority over the manner of acceptance of payments. The governing body may adopt reasonable rules governing the manner of acceptance of payments by credit card. Except as provided in subsection (b) of Section 20-25 of the Property Tax Code, no decision to accept credit card payments under this Act shall be made until the governing body has determined, following a public hearing held not sooner than 10 nor later than 30 days following public notice of the hearing, that the acceptance of credit card payments for the types of authorized obligations specified in the public notice is in the best interests of the citizens and governmental administration of the local governmental entity or community college and of the students and taxpayers thereof.

(b) The governing body of the entity accepting payment by credit card may enter into agreements with one or more financial institutions or other service providers to facilitate the acceptance and processing of credit card payments. Such agreements shall identify the specific services to be provided, an itemized list of the fees charged, and the means by which each such fee shall be paid. Such agreements may include a discount fee to cover the costs of interchange, assessments and authorizations, a per item processing fee for the service provider, and any other fee, including a
payment of a surcharge or convenience fee, that may be applicable to specific circumstances. Any agreement for acceptance of payments by credit cards may be canceled by the governmental entity upon giving reasonable notice of intent to cancel.

(c) An entity accepting payments by credit card may pay amounts due a financial institution or other service provider by (i) paying the financial institution or other service provider upon presentation of an invoice or (ii) allowing the financial institution or other service provider to withhold the amount of the fees from the credit card payment. A discount or processing fee may be authorized whenever the governing body of the entity determines that any reduction of revenue resulting from the discount or processing fee will be in the best interest of the entity. Items that may be considered in making a determination to authorize the payment of fees or the acceptance of a discount include, but are not limited to, improved governmental cash flows, reduction of governmental overhead, improved governmental financial security, a combination of these items, and the benefit of increased public convenience. No payment to or withheld by a financial institution or other service provider may exceed the amounts authorized under subsection (b) of Section 25.

(d) Unless specifically prohibited by an ordinance or rule adopted by the governing body of the local governmental entity, a person may pay multiple tax bills in a single transaction.

Section 10. The State Mandates Act is amended by adding Section 8.34 as follows:

(30 ILCS 805/8.34 new)

AN ACT concerning education.

(a) The State Board is authorized to collect and maintain data from school districts, schools, and early learning programs and disclose this data to the longitudinal data system for the purposes set forth in this Act. The State Board shall collect data from charter schools with more than one campus in a manner that can be disaggregated by campus site. The State Board may also disclose data to the longitudinal data system that the State Board is otherwise authorized by law to collect and maintain.

On or before July 1, 2010, the State Board shall establish procedures through which State-recognized, non-public schools may elect to participate in the longitudinal data system by disclosing data to the State Board for one or more of the purposes set forth in this Act.

Subject to the availability of funding through appropriations made specifically for the purposes of this Act, the State Board shall establish or contract for the establishment of a technical support and training system to assist school districts, schools, and early learning programs with data submission, use, and analysis.

(b) The Community College Board is authorized to collect and maintain data from community college districts and disclose this data to the longitudinal data system for the purposes set forth in this Act. The Community College Board may also disclose data to the longitudinal data system that the Community College Board is otherwise authorized by law to collect and maintain.

Subject to the availability of funding through appropriations made specifically for the purposes of this Act, the Community College Board shall establish or contract for the establishment of a technical support and training system to assist community colleges with data submission, use, and analysis.

(c) The Board of Higher Education is authorized to collect and maintain data from any public institution of higher learning, other than
community colleges, and disclose this data to the longitudinal data system for the purposes set forth in this Act. The Board of Higher Education may also disclose data to the longitudinal data system that the Board of Higher Education is otherwise authorized by law to collect and maintain.

Beginning on July 1, 2012, the Board of Higher Education is authorized to collect and maintain data from any non-public institution of higher learning enrolling one or more students receiving Monetary Award Program grants and any non-public institution of higher learning that confers graduate and professional degrees, pursuant to Section 35 of the Higher Education Student Assistance Act, and disclose this data to the longitudinal data system for the purposes set forth in this Act. Prior to July 1, 2012, any non-public institution of higher learning may elect to participate in the longitudinal data system by disclosing data for one or more of the purposes set forth in this Act to the Board of Higher Education or to a consortium that has contracted with the Board of Higher Education pursuant to this subsection (c).

The Board of Higher Education may contract with one or more voluntary consortiums of non-public institutions of higher learning established for the purpose of data sharing, research, and analysis. The contract may allow the consortium to collect data from participating institutions on behalf of the Board of Higher Education. The contract may provide for consultation with a representative committee of participating institutions and a representative of one or more organizations representing the participating institutions prior to the use of data from the consortium for a data sharing arrangement entered into with any party other than a State Education Authority pursuant to Section 25 of this Act. The contract may further provide that individual institutions of higher learning shall have the right to opt out of specific uses of their data or portions thereof for reasons specified in the contract. Student-level data submitted by each institution of higher learning participating in a consortium that has contracted with the Board of Higher Education pursuant to this paragraph shall remain the property of that institution. Upon notice to the consortium and the Board of Higher Education, any non-public institution of higher learning shall have the right to remove its data from the consortium if the institution has reasonable cause to believe that there is a threat to the security of its data or its data is used in a manner that violates the terms of the contract between the consortium and the Board of Higher Education. In the event data is removed from a consortium pursuant to the preceding sentence, the data must be returned by the institution to the consortium.

PUBLIC ACT 96-1251
(House Bill No. 6129)

AN ACT concerning courts.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Juvenile Court Act of 1987 is amended by changing Section 5-401.5 as follows:
(705 ILCS 405/5-401.5)
Sec. 5-401.5. When statements by minor may be used.
(a) In this Section, "custodial interrogation" means any interrogation (i) during which a reasonable person in the subject's position would consider himself or herself to be in custody and (ii) during which a question is asked that is reasonably likely to elicit an incriminating response.

In this Section, "electronic recording" includes motion picture, audiotape, videotape, or digital recording.
In this Section, "place of detention" means a building or a police station that is a place of operation for a municipal police department or county sheriff department or other law enforcement agency at which persons are or may be held in detention in connection with criminal charges against those persons or allegations that those persons are delinquent minors.

(b) An oral, written, or sign language statement of a minor who, at the time of the commission of the offense was under the age of 17 years, made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of this amendatory Act of the 93rd General Assembly shall be presumed to be inadmissible as evidence against the minor in any criminal proceeding or juvenile court proceeding, for an act that if committed by an adult would be brought under Section 9-1, 9-1.2, 9-2, 9-2.1, 9-3, 9-3.2, or 9-3.3, of the Criminal Code of 1961 or under clause (d)(1)(F) of Section 11-501 of the Illinois Vehicle Code unless:

New matter indicated by italics - deletions by strikeout
(1) an electronic recording is made of the custodial interrogation; and
(2) the recording is substantially accurate and not intentionally altered.

(c) Every electronic recording required under this Section must be preserved until such time as the minor's adjudication for any offense relating to the statement is final and all direct and habeas corpus appeals are exhausted, or the prosecution of such offenses is barred by law.

(d) If the court finds, by a preponderance of the evidence, that the minor was subjected to a custodial interrogation in violation of this Section, then any statements made by the minor during or following that non-recorded custodial interrogation, even if otherwise in compliance with this Section, are presumed to be inadmissible in any criminal proceeding or juvenile court proceeding against the minor except for the purposes of impeachment.

(e) Nothing in this Section precludes the admission (i) of a statement made by the minor in open court in any criminal proceeding or juvenile court proceeding, before a grand jury, or at a preliminary hearing, (ii) of a statement made during a custodial interrogation that was not recorded as required by this Section because electronic recording was not feasible, (iii) of a voluntary statement, whether or not the result of a custodial interrogation, that has a bearing on the credibility of the accused as a witness, (iv) of a spontaneous statement that is not made in response to a question, (v) of a statement made after questioning that is routinely asked during the processing of the arrest of the suspect, (vi) of a statement made during a custodial interrogation by a suspect who requests, prior to making the statement, to respond to the interrogator's questions only if an electronic recording is not made of the statement, provided that an electronic recording is made of the statement of agreeing to respond to the interrogator's question, only if a recording is not made of the statement, (vii) of a statement made during a custodial interrogation that is conducted out-of-state, (viii) of a statement given at a time when the interrogators are unaware that a death has in fact occurred, or (ix) of any other statement that may be admissible under law. The State shall bear the burden of proving, by a preponderance of the evidence, that one of the exceptions described in this subsection (e) is applicable. Nothing in this Section precludes the admission of a statement, otherwise inadmissible under this Section, that is used only for impeachment and not as substantive evidence.
(f) The presumption of inadmissibility of a statement made by a suspect at a custodial interrogation at a police station or other place of detention may be overcome by a preponderance of the evidence that the statement was voluntarily given and is reliable, based on the totality of the circumstances.

(g) Any electronic recording of any statement made by a minor during a custodial interrogation that is compiled by any law enforcement agency as required by this Section for the purposes of fulfilling the requirements of this Section shall be confidential and exempt from public inspection and copying, as provided under Section 7 of the Freedom of Information Act, and the information shall not be transmitted to anyone except as needed to comply with this Section.

(h) A statement, admission, confession, or incriminating information made by or obtained from a minor related to the instant offense, as part of any behavioral health screening, assessment, evaluation, or treatment, whether or not court-ordered, shall not be admissible as evidence against the minor on the issue of guilt only in the instant juvenile court proceeding. The provisions of this subsection (h) are in addition to and do not override any existing statutory and constitutional prohibition on the admission into evidence in delinquency proceedings of information obtained during screening, assessment, or treatment.

(b) Effective 90 days after the effective date of this amendatory Act of the 95th General Assembly, a Retiree Health Care Trust is established for the purpose of providing health care benefits to eligible retirees and their dependents and survivors in accordance with the terms and conditions set forth in this Section 22-101B. The Retiree Health Care Trust shall be solely responsible for providing health care benefits to eligible retirees and their dependents and survivors upon the exhaustion of the account established by the Retirement Plan for Chicago Transit Authority Employees pursuant to Section 401(h) of the Internal Revenue Code, but no earlier than January 1, 2009 and no later than July 1, 2009.

(1) The Board of Trustees shall consist of 7 members appointed as follows: (i) 3 trustees shall be appointed by the Chicago Transit Board; (ii) one trustee shall be appointed by an organization representing the highest number of Chicago Transit Authority participants; (iii) one trustee shall be appointed by an organization representing the second-highest number of Chicago Transit Authority participants; (iv) one trustee shall be appointed by the recognized coalition representatives of participants who are not represented by an organization with the highest or second-highest number of Chicago Transit Authority participants; and (v) one trustee shall be selected by the Regional Transportation Authority Board of Directors, and the trustee shall be a professional fiduciary who has experience in the area of collectively bargained retiree health plans. Trustees shall serve until a successor has been appointed and qualified, or until resignation, death, incapacity, or disqualification.

Any person appointed as a trustee of the board shall qualify by taking an oath of office that he or she will diligently and honestly administer the affairs of the system, and will not knowingly violate or willfully permit the violation of any of the provisions of law applicable to the Plan, including Sections 1-109, 1-109.1, 1-109.2, 1-110, 1-111, 1-114, and 1-115 of Article 1 of the Illinois Pension Code.

by-laws of the Board of Trustees. Each trustee shall have the rights, privileges, authority and obligations as are usual and customary for such fiduciaries.

(2) The Board of Trustees shall establish and administer a health care benefit program for eligible retirees and their dependents and survivors. Any health care benefit program established by the Board of Trustees for eligible retirees and their dependents and survivors effective on or after July 1, 2009 shall not contain any plan which provides for more than 90% coverage for in-network services or 70% coverage for out-of-network services after any deductible has been paid, except that coverage through a health maintenance organization ("HMO") may be provided at 100%.

(3) The Retiree Health Care Trust shall be administered by the Board of Trustees according to the following requirements:

   (i) The Board of Trustees may cause amounts on deposit in the Retiree Health Care Trust to be invested in those investments that are permitted investments for the investment of moneys held under any one or more of the pension or retirement systems of the State, any unit of local government or school district, or any agency or instrumentality thereof. The Board, by a vote of at least two-thirds of the trustees, may transfer investment management to the Illinois State Board of Investment, which is hereby authorized to manage these investments when so requested by the Board of Trustees.

   (ii) The Board of Trustees shall establish and maintain an appropriate funding reserve level which shall not be less than the amount of incurred and unreported claims plus 12 months of expected claims and administrative expenses.

   (iii) The Board of Trustees shall make an annual assessment of the funding levels of the Retiree Health Care Trust and shall submit a report to the Auditor General at least 90 days prior to the end of the fiscal year. The report shall provide the following:

      (A) the actuarial present value of projected benefits expected to be paid to current and future retirees and their dependents and survivors;

New matter indicated by italics - deletions by strikeout
(B) the actuarial present value of projected contributions and trust income plus assets;

(C) the reserve required by subsection (b)(3)(ii); and

(D) an assessment of whether the actuarial present value of projected benefits expected to be paid to current and future retirees and their dependents and survivors exceeds or is less than the actuarial present value of projected contributions and trust income plus assets in excess of the reserve required by subsection (b)(3)(ii).

If the actuarial present value of projected benefits expected to be paid to current and future retirees and their dependents and survivors exceeds the actuarial present value of projected contributions and trust income plus assets in excess of the reserve required by subsection (b)(3)(ii), then the report shall provide a plan, to be implemented over a period of not more than 10 years from each valuation date, which would make the actuarial present value of projected contributions and trust income plus assets equal to or exceed the actuarial present value of projected benefits expected to be paid to current and future retirees and their dependents and survivors. The plan may consist of increases in employee, retiree, dependent, or survivor contribution levels, decreases in benefit levels, or other plan changes or any combination thereof both, which is projected to cure the shortfall over a period of not more than 10 years. If the actuarial present value of projected benefits expected to be paid to current and future retirees and their dependents and survivors is less than the actuarial present value of projected contributions and trust income plus assets in excess of the reserve required by subsection (b)(3)(ii), then the report may provide a plan of decreases in employee, retiree, dependent, or survivor contribution levels, increases in benefit levels, or other plan changes, or any combination thereof both, to the extent of the surplus.

(iv) The Auditor General shall review the report and plan provided in subsection (b)(3)(iii) and issue a determination within 90 days after receiving the report and
plan, with a copy of such determination provided to the General Assembly and the Regional Transportation Authority, as follows:

(A) In the event of a projected shortfall, if the Auditor General determines that the assumptions stated in the report are not unreasonable in the aggregate and that the plan of increases in employee, retiree, dependent, or survivor contribution levels, decreases in benefit levels, or other plan changes, or any combination thereof, to be implemented over a period of not more than 10 years from each valuation date both is reasonably projected to make the actuarial present value of projected contributions and trust income plus assets equal to or in excess of the actuarial present value of projected benefits expected to be paid to current and future retirees and their dependents and survivors cure the shortfall over a period of not more than 10 years, then the Board of Trustees shall implement the plan. If the Auditor General determines that the assumptions stated in the report are unreasonable in the aggregate, or that the plan of increases in employee, retiree, dependent, or survivor contribution levels, decreases in benefit levels, or other plan changes to be implemented over a period of not more than 10 years from each valuation date both is not reasonably projected to make the actuarial present value of projected contributions and trust income plus assets equal to or in excess of the actuarial present value of projected benefits expected to be paid to current and future retirees and their dependents and survivors cure the shortfall over a period of not more than 10 years, then the Board of Trustees shall not implement the plan, the Auditor General shall explain the basis for such determination to the Board of Trustees, and the Auditor General may make recommendations as to an alternative report and plan.

(B) In the event of a projected surplus, if the Auditor General determines that the assumptions stated in the report are not unreasonable in the aggregate and that the plan of decreases in employee, retiree, dependent, or survivor contribution levels, increases in benefit levels, or both, is not unreasonable in the aggregate, then the Board of Trustees shall implement the plan. If the Auditor General determines that the assumptions stated in the report are unreasonable in the aggregate, or that the plan of decreases in employee, retiree, dependent, or survivor contribution levels, increases in benefit levels, or both, is unreasonable in the aggregate, then the Board of Trustees shall not implement the plan, the Auditor General shall explain the basis for such determination to the Board of Trustees, and the Auditor General may make recommendations as to an alternative report and plan.

(C) The Board of Trustees shall submit an alternative report and plan within 45 days after receiving a rejection determination by the Auditor General. A determination by the Auditor General on any alternative report and plan submitted by the Board of Trustees shall be made within 90 days after receiving the alternative report and plan, and shall be accepted or rejected according to the requirements of this subsection (b)(3)(iv). The Board of Trustees shall continue to submit alternative reports and plans to the Auditor General, as necessary, until a favorable determination is made by the Auditor General.

(4) For any retiree who first retires effective on or after January 18, 2008, to be eligible for retiree health care benefits upon retirement, the retiree must be at least 55 years of age, retire with 10 or more years of continuous service and satisfy the preconditions established by Public Act 95-708 in addition to any rules or regulations promulgated by the Board of Trustees. Notwithstanding the foregoing, any retiree hired on or before

September 5, 2001 who retires prior to the effective date of this amendatory Act with 25 years or more of continuous service, or who retires within 90 days after the effective date of this amendatory Act or by January 1, 2009, whichever is later, with 25 years or more of continuous service; shall be eligible for retiree health care benefits upon retirement in accordance with any rules or regulations adopted by the Board of Trustees; provided he or she retires prior to the full execution of the successor collective bargaining agreement to the collective bargaining agreement that became effective January 1, 2007 between the Authority and the organizations representing the highest and second-highest number of Chicago Transit Authority participants. This paragraph (4) shall not apply to a disability allowance.

(5) Effective January 1, 2009, the aggregate amount of retiree, dependent and survivor contributions to the cost of their health care benefits shall not exceed more than 45% of the total cost of such benefits. The Board of Trustees shall have the discretion to provide different contribution levels for retirees, dependents and survivors based on their years of service, level of coverage or Medicare eligibility, provided that the total contribution from all retirees, dependents, and survivors shall be not more than 45% of the total cost of such benefits. The term "total cost of such benefits" for purposes of this subsection shall be the total amount expended by the retiree health benefit program in the prior plan year, as calculated and certified in writing by the Retiree Health Care Trust's enrolled actuary to be appointed and paid for by the Board of Trustees.

(6) Effective January 18, 2008, all employees of the Authority shall contribute to the Retiree Health Care Trust in an amount not less than 3% of compensation.

(7) No earlier than January 1, 2009 and no later than July 1, 2009 as the Retiree Health Care Trust becomes solely responsible for providing health care benefits to eligible retirees and their dependents and survivors in accordance with subsection (b) of this Section 22-101B, the Authority shall not have any obligation to provide health care to current or future retirees and their dependents or survivors. Employees, retirees, dependents, and survivors who are required to make contributions to the Retiree Health Care Trust shall make contributions at the level set by the
Board of Trustees pursuant to the requirements of this Section 22-101B.

Passed in the General Assembly May 7, 2010.

PUBLIC ACT 96-1255
(Senate Bill No. 0374)
AN ACT concerning State government.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 1. Short title. This Act may be cited as the H+T Affordability Index Act.
Section 5. Findings. The General Assembly finds and declares all of the following:
(1) Affordability is an important factor for establishing and implementing infrastructure investment policies because it helps ensure that all individuals in the State have an opportunity for a high quality of life at a reasonable cost.
(2) Traditional definitions of affordability include housing costs but not transportation costs, which are the second largest and fastest growing expenditure in a household budget.
(3) It is beneficial to use definitions, indexes, and policies that link housing and transportation costs to assist in establishing investment plans for housing, transportation, infrastructure, and economic development that more effectively address the significant costs of living in Metropolitan Planning Organization areas.
New matter indicated by italics - deletions by strikeout
(4) The H+T Affordability Index is a tool that was designed to calculate the transportation costs associated with a home's location and to combine that cost with the cost of housing to calculate affordability as a percentage of overall household income.

(5) An analysis of housing and transportation costs in 54 metro areas nationally demonstrates that reducing the combined cost of housing and transportation to 48% or less of income represents a desirable and achievable goal; the H+T Affordability Index has adopted 48% as the ratio of income to housing and transportation costs.

(6) The analysis also reveals that affordability is enhanced by locating residential units that have been thoughtfully planned to lessen sprawl in mixed-use, transit-rich communities near shopping, schools, and work, and that residents of communities with low transportation costs benefit from using transit for the mobility required to undertake activities associated with daily life; residents of these types of communities own fewer cars and drive them shorter distances, thereby reducing environmental impacts and lowering their cost of living.

(7) A housing and transportation affordability standard, such as that recommended by the H+T Affordability Index, is an important consideration in the development of State plans and investments in housing, transportation, economic development, and other public facilities and infrastructure.

Section 10. Definitions. For purposes of this Act:
"Annual Comprehensive Housing Plan" means the plan created by the Comprehensive Housing Planning Act (Public Act 94-965, effective June 30, 2006).
"Context Sensitive Solution Process" means the process by which IDOT develops the scope of transportation projects, in accordance with Public Act 93-545, effective January 1, 2004.

"IDOT" means the Illinois Department of Transportation, which is responsible for statewide planning of transportation and transit development.

"IHDA" means the Illinois Housing Development Authority, which is responsible for financing affordable housing development.

"Interagency Coordinating Committee on Transportation" or "ICCT" means the committee created by Public Act 93-185, effective July 11, 2003, to encourage the coordination of public and private transportation services, with priority given toward services directed toward those populations who are not currently served or are underserved by existing public transportation.

"Metropolitan Planning Organization" refers to a regional policy body, required by the federal government in urbanized areas with populations over 50,000 and designated by local officials and the Governor of the State to carry out the metropolitan transportation planning requirements of federal highway and transit legislation.

"Task Force" means the Task Force codified by the Comprehensive Housing Planning Act (Public Act 94-965, effective June 30, 2006), which is responsible for statewide planning of affordable housing and creating Illinois' Annual Comprehensive Housing Plan in cooperation with multiple agencies, including IDOT, IHDA, and DCEO.

Section 15. Funding for non-Metropolitan Planning Organization areas. Nothing in this Act shall reduce or divert funds away from areas not located in a Metropolitan Planning Organization area.

Section 20. Adoption of the H+T Affordability Index; Metropolitan Planning Organization areas. The H+T Affordability Index or substantially equivalent affordability measure, where available, shall be adopted by DCEO, IDOT and IHDA as (1) a tool for the development of plans in Metropolitan Planning Organization areas and (2) a consideration for the allocation of funding for public transportation, economic development,

and housing projects in Metropolitan Planning Organization areas; the
distribution of economic incentives to businesses in Metropolitan Planning
Organization areas; and the siting of public facilities in Metropolitan
Planning Organization areas, where appropriate.

Section 25. Adoption of H+T Affordability Index; agencies.
(a) The Task Force, in cooperation with the Interagency
Coordinating Committee on Transportation, shall consider the H+T
Affordability Index, results of the HUD/DOT Sustainability Initiative, and
the Context Sensitive Solution Process, along with other applicable
affordability measures, to create an affordability definition and policy that
incorporates housing and transportation costs for Metropolitan Planning
Organization areas, where appropriate, and shall include both in the
Annual Comprehensive Housing Plan for Metropolitan Planning
Organization Areas.

(b) DCEO, IDOT, and IHDA may use the H+T Affordability Index
and other applicable affordability measures to ensure consideration of the
combined costs of housing and transportation in screening and prioritizing
investments in public transportation, housing, and economic development
projects in Metropolitan Planning Organization areas, where appropriate.

(c) CDB shall recommend the H+T Affordability Index to ensure
consideration of the combined costs of housing and transportation when
new public facilities are sited in Metropolitan Planning Organization areas.

(d) IDOT shall use its Context Sensitive Solution Process for all
transportation expansion projects within Metropolitan Planning
Organization areas and, where possible, shall work with communities to
enhance or provide opportunities for transportation alternatives to personal
automobiles where mixed-use communities thoughtfully planned to lessen
sprawl exist or are appropriate.

(e) IFA shall recommend the H+T Affordability Index to ensure
consideration of the combined costs of housing and transportation in siting
new buildings in Metropolitan Planning Organization areas.

Child and day care home providers shall not be covered by the State Employees Group Insurance Act of 1971.

"Public employer" or "employer" as used in this Act, however, does not mean and shall not include the General Assembly of the State of Illinois, the Executive Ethics Commission, the Offices of the Executive Inspectors General, the Legislative Ethics Commission, the Office of the Legislative Inspector General, the Office of the Auditor General's Inspector General, and educational employers or employers as defined in the Illinois Educational Labor Relations Act, except with respect to a state university in its employment of firefighters and peace officers and except with respect to a school district in the employment of peace officers in its own police department in existence on the effective date of this amendatory Act of the 96th General Assembly. County boards and county sheriffs shall be designated as joint or co-employers of county peace officers appointed under the authority of a county sheriff. Nothing in this subsection (o) shall be construed to prevent the State Panel or the Local Panel from determining that employers are joint or co-employers.

(o-5) With respect to wages, fringe benefits, hours, holidays, vacations, proficiency examinations, sick leave, and other conditions of employment, the public employer of public employees who are court reporters, as defined in the Court Reporters Act, shall be determined as follows:

(r) "Supervisor" is an employee whose principal work is substantially different from that of his or her subordinates and who has authority, in the interest of the employer, to hire, transfer, suspend, lay off, recall, promote, discharge, direct, reward, or discipline employees, to adjust their grievances, or to effectively recommend any of those actions, if the exercise of that authority is not of a merely routine or clerical nature, but requires the consistent use of independent judgment. Except with respect to police employment, the term "supervisor" includes only those individuals who devote a preponderance of their employment time to exercising that authority, State supervisors notwithstanding. In addition, in determining supervisory status in police employment, rank shall not be determinative. The Board shall consider, as evidence of bargaining unit inclusion or exclusion, the common law enforcement policies and relationships between police officer ranks and certification under applicable civil service law, ordinances, personnel codes, or Division 2.1 of Article 10 of the Illinois Municipal Code, but these factors shall not be the sole or predominant factors considered by the Board in determining police supervisory status.

Notwithstanding the provisions of the preceding paragraph, in determining supervisory status in fire fighter employment, no fire fighter shall be excluded as a supervisor who has established representation rights under Section 9 of this Act. Further, in new fire fighter units, employees shall consist of fire fighters of the rank of company officer and below. If a company officer otherwise qualifies as a supervisor under the preceding paragraph, however, he or she shall not be included in the fire fighter unit. If there is no rank between that of chief and the highest company officer, the employer may designate a position on each shift as a Shift Commander, and the persons occupying those positions shall be supervisors. All other ranks above that of company officer shall be supervisors.

(s) (1) "Unit" means a class of jobs or positions that are held by employees whose collective interests may suitably be represented
by a labor organization for collective bargaining. Except with respect to non-State fire fighters and paramedics employed by fire departments and fire protection districts, non-State peace officers, and peace officers in the Department of State Police, a bargaining unit determined by the Board shall not include both employees and supervisors, or supervisors only, except as provided in paragraph (2) of this subsection (s) and except for bargaining units in existence on July 1, 1984 (the effective date of this Act). With respect to non-State fire fighters and paramedics employed by fire departments and fire protection districts, non-State peace officers, and peace officers in the Department of State Police, a bargaining unit determined by the Board shall not include both supervisors and nonsupervisors, or supervisors only, except as provided in paragraph (2) of this subsection (s) and except for bargaining units in existence on January 1, 1986 (the effective date of this amendatory Act of 1985). A bargaining unit determined by the Board to contain peace officers shall contain no employees other than peace officers unless otherwise agreed to by the employer and the labor organization or labor organizations involved. Notwithstanding any other provision of this Act, a bargaining unit, including a historical bargaining unit, containing sworn peace officers of the Department of Natural Resources (formerly designated the Department of Conservation) shall contain no employees other than such sworn peace officers upon the effective date of this amendatory Act of 1990 or upon the expiration date of any collective bargaining agreement in effect upon the effective date of this amendatory Act of 1990 covering both such sworn peace officers and other employees.

(2) Notwithstanding the exclusion of supervisors from bargaining units as provided in paragraph (1) of this subsection (s), a public employer may agree to permit its supervisory employees to form bargaining units and may bargain with those units. This Act shall apply if the public employer chooses to bargain under this subsection.

(3) Public employees who are court reporters, as defined in the Court Reporters Act, shall be divided into 3 units for collective bargaining purposes. One unit shall be court reporters employed by the Cook County Judicial Circuit; one unit shall be court reporters employed by the 12th, 18th, 19th, and, on and after December 4,
2006, the 22nd judicial circuits; and one unit shall be court
reporters employed by all other judicial circuits.

(c) Contributions shall be deducted from each corresponding payment of earnings paid to each employee and shall be remitted to the board by the participating municipality or participating instrumentality making such payment. The remittance, together with a report of the earnings and contributions shall be made as directed by the board. For township treasurers and employees of township treasurers qualifying as employees hereunder, the contributions herein required as deductions from salary shall be withheld by the school township trustees from funds available for the payment of the compensation of such treasurers and employees as provided in the School Code and remitted to the board.

(d) An employee who has made additional contributions under paragraph (a)2 of this Section may upon retirement or at any time prior thereto, elect to withdraw the total of such additional contributions including interest credited thereon to the end of the preceding calendar year.

(e) Failure to make the deductions for employee contributions provided in paragraph (c) of this Section shall not relieve the employee from liability for such contributions. The amount of such liability may be deducted, with interest charged under Section 7-209, from any annuities or benefits payable hereunder to the employee or any other person receiving an annuity or benefit by reason of such employee's participation.

(f) A participating employee who has at least 40 years of creditable service in the Fund may elect to cease making the contributions required under this Section. The status of the employee under this Article shall be unaffected by this election, except that the employee shall not receive any additional creditable service for the periods of employment following the election. An election under this subsection relieves the employer from making additional employer contributions in relation to that employee.

PUBLIC ACT 96-1260
(Senate Bill No. 3022)

AN ACT concerning public employee benefits.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Pension Code is amended by changing Sections 3-110 and 5-212 and by adding Section 5-214.3 as follows:
(40 ILCS 5/3-110) (from Ch. 108 1/2, par. 3-110)
Sec. 3-110. Creditable service.

New matter indicated by italics - deletions by strikeout
(a) "Creditable service" is the time served by a police officer as a member of a regularly constituted police force of a municipality. In computing creditable service furloughs without pay exceeding 30 days shall not be counted, but all leaves of absence for illness or accident, regardless of length, and all periods of disability retirement for which a police officer has received no disability pension payments under this Article shall be counted.

(a-5) Up to 3 years of time during which the police officer receives a disability pension under Section 3-114.1, 3-114.2, 3-114.3, or 3-114.6 shall be counted as creditable service, provided that (i) the police officer returns to active service after the disability for a period at least equal to the period for which credit is to be established and (ii) the police officer makes contributions to the fund based on the rates specified in Section 3-125.1 and the salary upon which the disability pension is based. These contributions may be paid at any time prior to the commencement of a retirement pension. The police officer may, but need not, elect to have the contributions deducted from the disability pension or to pay them in installments on a schedule approved by the board. If not deducted from the disability pension, the contributions shall include interest at the rate of 6% per year, compounded annually, from the date for which service credit is being established to the date of payment. If contributions are paid under this subsection (a-5) in excess of those needed to establish the credit, the excess shall be refunded. This subsection (a-5) applies to persons receiving a disability pension under Section 3-114.1, 3-114.2, 3-114.3, or 3-114.6 on the effective date of this amendatory Act of the 91st General Assembly, as well as persons who begin to receive such a disability pension after that date.

(b) Creditable service includes all periods of service in the military, naval or air forces of the United States entered upon while an active police officer of a municipality, provided that upon applying for a permanent pension, and in accordance with the rules of the board, the police officer pays into the fund the amount the officer would have contributed if he or she had been a regular contributor during such period, to the extent that the municipality which the police officer served has not made such contributions in the officer's behalf. The total amount of such creditable service shall not exceed 5 years, except that any police officer who on July 1, 1973 had more than 5 years of such creditable service shall receive the total amount thereof.

New matter indicated by italics - deletions by strikeout
(b-5) Creditable service includes all periods of service in the military, naval, or air forces of the United States entered upon before beginning service as an active police officer of a municipality, provided that, in accordance with the rules of the board, the police officer pays into the fund the amount the police officer would have contributed if he or she had been a regular contributor during such period, plus an amount determined by the Board to be equal to the municipality's normal cost of the benefit, plus interest at the actuarially assumed rate calculated from the date the employee last became a police officer under this Article. The total amount of such creditable service shall not exceed 2 years.

(c) Creditable service also includes service rendered by a police officer while on leave of absence from a police department to serve as an executive of an organization whose membership consists of members of a police department, subject to the following conditions: (i) the police officer is a participant of a fund established under this Article with at least 10 years of service as a police officer; (ii) the police officer received no credit for such service under any other retirement system, pension fund, or annuity and benefit fund included in this Code; (iii) pursuant to the rules of the board the police officer pays to the fund the amount he or she would have contributed had the officer been an active member of the police department; and (iv) the organization pays a contribution equal to the municipality's normal cost for that period of service.

(d)(1) Creditable service also includes periods of service originally established in another police pension fund under this Article or in the Fund established under Article 7 of this Code for which (i) the contributions have been transferred under Section 3-110.7 or Section 7-139.9 and (ii) any additional contribution required under paragraph (2) of this subsection has been paid in full in accordance with the requirements of this subsection (d).

(2) If the board of the pension fund to which creditable service and related contributions are transferred under Section 7-139.9 determines that the amount transferred is less than the true cost to the pension fund of allowing that creditable service to be established, then in order to establish that creditable service the police officer must pay to the pension fund, within the payment period specified in paragraph (3) of this subsection, an additional contribution equal to the difference, as determined by the board in accordance with the rules and procedures adopted under paragraph (6) of this subsection. If the board of the pension fund to which
creditable service and related contributions are transferred under Section 3-110.7 determines that the amount transferred is less than the true cost to the pension fund of allowing that creditable service to be established, then the police officer may elect (A) to establish that creditable service by paying to the pension fund, within the payment period specified in paragraph (3) of this subsection (d), an additional contribution equal to the difference, as determined by the board in accordance with the rules and procedures adopted under paragraph (6) of this subsection (d) or (B) to have his or her creditable service reduced by an amount equal to the difference between the amount transferred under Section 3-110.7 and the true cost to the pension fund of allowing that creditable service to be established, as determined by the board in accordance with the rules and procedures adopted under paragraph (6) of this subsection (d).

(3) Except as provided in paragraph (4), the additional contribution that is required or elected under paragraph (2) of this subsection (d) must be paid to the board (i) within 5 years from the date of the transfer of contributions under Section 3-110.7 or 7-139.9 and (ii) before the police officer terminates service with the fund. The additional contribution may be paid in a lump sum or in accordance with a schedule of installment payments authorized by the board.

(4) If the police officer dies in service before payment in full has been made and before the expiration of the 5-year payment period, the surviving spouse of the officer may elect to pay the unpaid amount on the officer's behalf within 6 months after the date of death, in which case the creditable service shall be granted as though the deceased police officer had paid the remaining balance on the day before the date of death.

(5) If the additional contribution that is required or elected under paragraph (2) of this subsection (d) is not paid in full within the required time, the creditable service shall not be granted and the police officer (or the officer's surviving spouse or estate) shall be entitled to receive a refund of (i) any partial payment of the additional contribution that has been made by the police officer and (ii) those portions of the amounts transferred under subdivision (a)(1) of Section 3-110.7 or subdivisions (a)(1) and (a)(3) of Section 7-139.9 that represent employee contributions paid by the

police officer (but not the accumulated interest on those contributions) and interest paid by the police officer to the prior pension fund in order to reinstate service terminated by acceptance of a refund.

At the time of paying a refund under this item (5), the pension fund shall also repay to the pension fund from which the contributions were transferred under Section 3-110.7 or 7-139.9 the amount originally transferred under subdivision (a)(2) of that Section, plus interest at the rate of 6% per year, compounded annually, from the date of the original transfer to the date of repayment. Amounts repaid to the Article 7 fund under this provision shall be credited to the appropriate municipality.

Transferred credit that is not granted due to failure to pay the additional contribution within the required time is lost; it may not be transferred to another pension fund and may not be reinstated in the pension fund from which it was transferred.

(6) The Public Employee Pension Fund Division of the Department of Insurance shall establish by rule the manner of making the calculation required under paragraph (2) of this subsection, taking into account the appropriate actuarial assumptions; the police officer's service, age, and salary history; the level of funding of the pension fund to which the credits are being transferred; and any other factors that the Division determines to be relevant. The rules may require that all calculations made under paragraph (2) be reported to the Division by the board performing the calculation, together with documentation of the creditable service to be transferred, the amounts of contributions and interest to be transferred, the manner in which the calculation was performed, the numbers relied upon in making the calculation, the results of the calculation, and any other information the Division may deem useful.

(e)(1) Creditable service also includes periods of service originally established in the Fund established under Article 7 of this Code for which the contributions have been transferred under Section 7-139.11.

(2) If the board of the pension fund to which creditable service and related contributions are transferred under Section 7-139.11 determines that the amount transferred is less than the true cost to the pension fund of allowing that creditable service to be

established, then the amount of creditable service the police officer may establish under this subsection (e) shall be reduced by an amount equal to the difference, as determined by the board in accordance with the rules and procedures adopted under paragraph (3) of this subsection.

(3) The Public Pension Division of the Department of Financial and Professional Regulation shall establish by rule the manner of making the calculation required under paragraph (2) of this subsection, taking into account the appropriate actuarial assumptions; the police officer's service, age, and salary history; the level of funding of the pension fund to which the credits are being transferred; and any other factors that the Division determines to be relevant. The rules may require that all calculations made under paragraph (2) be reported to the Division by the board performing the calculation, together with documentation of the creditable service to be transferred, the amounts of contributions and interest to be transferred, the manner in which the calculation was performed, the numbers relied upon in making the calculation, the results of the calculation, and any other information the Division may deem useful.

(4) Until January 1, 2010, a police officer who transferred service from the Fund established under Article 7 of this Code under the provisions of Public Act 94-356 may establish additional credit, but only for the amount of the service credit reduction in that transfer, as calculated under paragraph (3) of this subsection (e). This credit may be established upon payment by the police officer of an amount to be determined by the board, equal to (1) the amount that would have been contributed as employee and employer contributions had all of the service been as an employee under this Article, plus interest thereon at the rate of 6% per year, compounded annually from the date of service to the date of transfer, less (2) the total amount transferred from the Article 7 Fund, plus (3) interest on the difference at the rate of 6% per year, compounded annually, from the date of the transfer to the date of payment. The additional service credit is allowed under this amendatory Act of the 95th General Assembly notwithstanding the provisions of Article 7 terminating all transferred credits on the date of transfer.

Public hearings with regard to an economic development plan, economic development project area, or economic development project may be held simultaneously.

(e) At the public hearing, or at any time prior to the adoption by the county of an ordinance approving an economic development plan, the county may make changes in the economic development plan. (f) At any time within 90 days of the final adjournment of the public hearing, a county may, by ordinance, approve the economic development plan, establish the economic development project area, and
authorize property tax allocation financing for such economic development project area.

Any ordinance adopted by Whiteside County which approves the economic development plan shall contain findings that the economic development project is reasonably expected to create or retain not less than 500 full-time equivalent jobs, that private investment in an amount not less than $25,000,000 is reasonably expected to occur in the economic development project area, that the economic development project will encourage the increase of commerce and industry within the State, thereby reducing the evils attendant upon unemployment and increasing opportunities for personal income, and that the economic development project will increase or maintain the property, sales and income tax bases of the county and of the State.

Any ordinance adopted by Grundy County that approves an economic development plan shall contain findings that the economic development project is reasonably expected to create or retain not less than 250 full-time equivalent jobs, that private investment in an amount not less than $50,000,000 is reasonably expected to occur in the economic development project area, that the economic development project will encourage the increase of commerce and industry within the State, thereby reducing the evils attendant upon unemployment and increasing opportunities for personal income, and that the economic development project will increase or maintain the property, sales, and income tax bases of the county and of the State.

The ordinance shall also state that the economic development project area shall not include parcels to be used for purposes of residential development. Any ordinance adopted which establishes an economic development project area shall contain the boundaries of such area by legal description and, where possible, by street location. (1) That portion of taxes levied upon each taxable lot, block, tract or parcel of real property which is attributable to the lower of the current equalized assessed value or the initial equalized assessed value of each such taxable lot, block, tract or parcel of real property in the economic development project area shall be allocated to, and when collected, shall be paid by the
county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of property tax allocation financing.

(2) That portion, if any, of such taxes which is attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract or parcel of real property in the economic development project area over and above the initial equalized assessed value of each property in the economic development project area shall be allocated to and when collected shall be paid to the county treasurer who shall deposit those taxes into a special fund called the special tax allocation fund of the county for the purpose of paying economic development project costs and obligations incurred in the payment thereof.

(g) After a county has by ordinance approved an economic development plan and established an economic development project area, the plan may be amended and the boundaries of the area may be altered only as herein provided. Amendments which (1) alter the exterior boundaries of an economic development project area, (2) substantially affect the general land uses established pursuant to the economic development plan, (3) substantially change the nature of the economic development plan, (4) change the general description of any proposed developer, user, or tenant of any property to be located or improved within the economic development project area, or (5) change the description of the type, class and number of employees to be employed in the operation of the facilities to be developed or improved shall be made only after review by a joint review board, notice and hearing pursuant to the procedures set forth in this Section. Such notices by mail and by publication shall each occur not later than 10 days following the adoption by ordinance of such amendments.

(h) After the adoption of an ordinance adopting property tax allocation financing for an economic development project area, the county shall annually report to each taxing district having taxable property within such economic development project area (i) any increase or decrease in the equalized assessed value of the real property located within such economic development project area above or below the initial equalized assessed value of such real property, (ii) that portion, if any, of the ad valorem taxes arising from the levies upon taxable real property in such economic development project area by the taxing districts which is attributable to the increase in the current equalized assessed valuation of each lot, block, tract or parcel of real property in the economic development project area over and above the initial equalized value of each property and which has been allocated to the county in the current year, and (iii) such other information as the county may deem relevant.

(i) The county shall give notice by mail as provided in this Section and shall reconvene the joint review board not less than annually for each of the 2 years following its adoption of an ordinance adopting property tax allocation financing for an economic development project area and not less than once in each 3-year period thereafter. (55 ILCS 85/5) (from Ch. 34, par. 7005)
Sec. 5. Submission to Department; certification by Department.

(a) The county shall submit certified copies of any ordinances adopted approving a proposed economic development plan, establishing an economic development project area, and authorizing tax increment allocation financing to the Department, together with (1) a map of the economic development project area, (2) a copy of the economic development plan as approved, (3) an analysis, and any supporting documents and statistics, demonstrating (i) that the economic development project is reasonably expected to create or retain not less than 500 full-time equivalent jobs and (ii) that private investment in the amount of not less than $25,000,000 for all ordinances adopted by Whiteside County and in the amount of not less than $10,000,000 for any ordinance adopted by Stephenson County is reasonably expected to occur in the economic development project area, (4) an estimate of the economic impact of the
economic development plan and the use of property tax allocation financing upon the revenues of the county and the affected taxing districts, (5) a record of all public hearings held in connection with the establishment of the economic development project area, and (6) such other information as the Department by regulation may require.

(b) Upon receipt of an application from a county the Department shall review the application to determine whether the economic development project area qualifies as an economic development project area under this Act. At its discretion, the Department may accept or reject the application or may request such additional information as it deems necessary or advisable to aid its review. If any such area is found to be qualified to be an economic development project area, the Department shall approve and certify such economic development project area and shall provide written notice of its approval and certification to the county and to the county clerk. In determining whether an economic development project area shall be approved and certified, the Department shall consider (1) whether, without public intervention, the State would suffer substantial economic dislocation, such as relocation of a commercial business or industrial or manufacturing facility to another state, territory or country, or would not otherwise benefit from private investment offering substantial employment opportunities and economic growth, and (2) the impact on the revenues of the county and the affected taxing districts of the use of tax increment allocation financing in connection with the economic development project.

(c) On or before July 1, 2007, and again on or before July 1, 2012, the Department shall submit to the General Assembly a report detailing the number of economic development project areas it has approved and certified, the number and type of jobs created or retained therein, the aggregate amount of private investment therein, the impact in the revenues of counties and affected taxing districts of the use of property tax allocation financing therein, and such additional information as the Department may determine to be relevant. AN ACT concerning education.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 29-5 as follows:

(105 ILCS 5/29-5) (from Ch. 122, par. 29-5)

Sec. 29-5. Reimbursement by State for transportation. Any school district, maintaining a school, transporting resident pupils to another school district's vocational program, offered through a joint agreement approved by the State Board of Education, as provided in Section 10-22.22 or transporting its resident pupils to a school which meets the standards for

New matter indicated by italics - deletions by strikeout
recognition as established by the State Board of Education which provides transportation meeting the standards of safety, comfort, convenience, efficiency and operation prescribed by the State Board of Education for resident pupils in kindergarten or any of grades 1 through 12 who: (a) reside at least 1 1/2 miles as measured by the customary route of travel, from the school attended; or (b) reside in areas where conditions are such that walking constitutes a hazard to the safety of the child when determined under Section 29-3; and (c) are transported to the school attended from pick-up points at the beginning of the school day and back again at the close of the school day or transported to and from their assigned attendance centers during the school day, shall be reimbursed by the State as hereinafter provided in this Section.

The State will pay the cost of transporting eligible pupils less the assessed valuation in a dual school district maintaining secondary grades 9 to 12 inclusive times a qualifying rate of .05%; in elementary school districts maintaining grades K to 8 times a qualifying rate of .06%; and in unit districts maintaining grades K to 12, including optional elementary unit districts and combined high school - unit districts, times a qualifying rate of .07%; provided that for optional elementary unit districts and combined high school - unit districts, assessed valuation for high school purposes, as defined in Article 11E of this Code, must be used. To be eligible to receive reimbursement in excess of 4/5 of the cost to transport eligible pupils, a school district shall have a Transportation Fund tax rate of at least .12%. If a school district does not have a .12% Transportation Fund tax rate, the amount of its claim in excess of 4/5 of the cost of transporting pupils shall be reduced by the sum arrived at by subtracting the Transportation Fund tax rate from .12% and multiplying that amount by the districts equalized or assessed valuation, provided, that in no case shall said reduction result in reimbursement of less than 4/5 of the cost to transport eligible pupils.

The minimum amount to be received by a district is $16 times the number of eligible pupils transported.

When calculating the reimbursement for transportation costs, the State Board of Education may not deduct the number of pupils enrolled in early education programs from the number of pupils eligible for reimbursement if the pupils enrolled in the early education programs are transported at the same time as other eligible pupils.

Any such district transporting resident pupils during the school day to an area vocational school or another school district's vocational program

more than 1 1/2 miles from the school attended, as provided in Sections 10-22.20a and 10-22.22, shall be reimbursed by the State for 4/5 of the cost of transporting eligible pupils.

School day means that period of time which the pupil is required to be in attendance for instructional purposes.

If a pupil is at a location within the school district other than his residence for child care purposes at the time for transportation to school, that location may be considered for purposes of determining the 1 1/2 miles from the school attended.

Claims for reimbursement that include children who attend any school other than a public school shall show the number of such children transported.

Claims for reimbursement under this Section shall not be paid for the transportation of pupils for whom transportation costs are claimed for payment under other Sections of this Act.

The allowable direct cost of transporting pupils for regular, vocational, and special education pupil transportation shall be limited to the sum of the cost of physical examinations required for employment as a school bus driver; the salaries of full or part-time drivers and school bus maintenance personnel; employee benefits excluding Illinois municipal retirement payments, social security payments, unemployment insurance payments and workers' compensation insurance premiums; expenditures to independent carriers who operate school buses; payments to other school districts for pupil transportation services; pre-approved contractual expenditures for computerized bus scheduling; the cost of gasoline, oil, tires, and other supplies necessary for the operation of school buses; the cost of converting buses' gasoline engines to more fuel efficient engines or to engines which use alternative energy sources; the cost of travel to meetings and workshops conducted by the regional superintendent or the State Superintendent of Education pursuant to the standards established by the Secretary of State under Section 6-106 of the Illinois Vehicle Code to improve the driving skills of school bus drivers; the cost of maintenance of school buses including parts and materials used; expenditures for leasing transportation vehicles, except interest and service charges; the cost of insurance and licenses for transportation vehicles; expenditures for the rental of transportation equipment; plus a depreciation allowance of 20% for 5 years for school buses and vehicles approved for transporting pupils to and from school and a depreciation allowance of 10% for 10 years for other transportation equipment so used. Each school year, if a school
district has made expenditures to the Regional Transportation Authority or any of its service boards, a mass transit district, or an urban transportation district under an intergovernmental agreement with the district to provide for the transportation of pupils and if the public transit carrier received direct payment for services or passes from a school district within its service area during the 2000-2001 school year, then the allowable direct cost of transporting pupils for regular, vocational, and special education pupil transportation shall also include the expenditures that the district has made to the public transit carrier. In addition to the above allowable costs school districts shall also claim all transportation supervisory salary costs, including Illinois municipal retirement payments, and all transportation related building and building maintenance costs without limitation.

Special education allowable costs shall also include expenditures for the salaries of attendants or aides for that portion of the time they assist special education pupils while in transit and expenditures for parents and public carriers for transporting special education pupils when pre-approved by the State Superintendent of Education.

Indirect costs shall be included in the reimbursement claim for districts which own and operate their own school buses. Such indirect costs shall include administrative costs, or any costs attributable to transporting pupils from their attendance centers to another school building for instructional purposes. No school district which owns and operates its own school buses may claim reimbursement for indirect costs which exceed 5% of the total allowable direct costs for pupil transportation.

The State Board of Education shall prescribe uniform regulations for determining the above standards and shall prescribe forms of cost accounting and standards of determining reasonable depreciation. Such depreciation shall include the cost of equipping school buses with the safety features required by law or by the rules, regulations and standards promulgated by the State Board of Education, and the Department of Transportation for the safety and construction of school buses provided, however, any equipment cost reimbursed by the Department of Transportation for equipping school buses with such safety equipment shall be deducted from the allowable cost in the computation of reimbursement under this Section in the same percentage as the cost of the equipment is depreciated.

On or before August 15, annually, the chief school administrator for the district shall certify to the State Superintendent of Education the
district's claim for reimbursement for the school year ending on June 30 next preceding. The State Superintendent of Education shall check and approve the claims and prepare the vouchers showing the amounts due for district reimbursement claims. Each fiscal year, the State Superintendent of Education shall prepare and transmit the first 3 vouchers to the Comptroller on the 30th day of September, December and March, respectively, and the final voucher, no later than June 20.

If the amount appropriated for transportation reimbursement is insufficient to fund total claims for any fiscal year, the State Board of Education shall reduce each school district's allowable costs and flat grant amount proportionately to make total adjusted claims equal the total amount appropriated.

For purposes of calculating claims for reimbursement under this Section for any school year beginning July 1, 1998, or thereafter, the equalized assessed valuation for a school district used to compute reimbursement shall be computed in the same manner as it is computed under paragraph (2) of subsection (G) of Section 18-8.05.

All reimbursements received from the State shall be deposited into the district's transportation fund or into the fund from which the allowable expenditures were made.

Notwithstanding any other provision of law, any school district receiving a payment under this Section or under Section 14-7.02, 14-7.02b, or 14-13.01 of this Code may classify all or a portion of the funds that it receives in a particular fiscal year or from general State aid pursuant to Section 18-8.05 of this Code as funds received in connection with any funding program for which it is entitled to receive funds from the State in that fiscal year (including, without limitation, any funding program referenced in this Section), regardless of the source or timing of the receipt. The district may not classify more funds as funds received in connection with the funding program than the district is entitled to receive in that fiscal year for that program. Any classification by a district must be made by a resolution of its board of education. The resolution must identify the amount of any payments or general State aid to be classified under this paragraph and must specify the funding program to which the funds are to be treated as received in connection therewith. This resolution is controlling as to the classification of funds referenced therein. A certified copy of the resolution must be sent to the State Superintendent of Education. The resolution shall still take effect even though a copy of the resolution has not been sent to the State Superintendent of Education in a

New matter indicated by italics - deletions by strikeout
timely manner. No classification under this paragraph by a district shall affect the total amount or timing of money the district is entitled to receive under this Code. No classification under this paragraph by a district shall in any way relieve the district from or affect any requirements that otherwise would apply with respect to that funding program, including any accounting of funds by source, reporting expenditures by original source and purpose, reporting requirements, or requirements of providing services.

Any school district with a population of not more than 500,000 must deposit all funds received under this Article into the transportation fund and use those funds for the provision of transportation services.

If any person fails to obey a subpoena issued under this subsection, the Director may apply to any circuit court to secure compliance with the subpoena. The failure to comply with the order of the court issued in response thereto shall be punishable as contempt of court.
(i) To appoint and remove the chief administrative officers, and administer programs of training and development of personnel of the Department. Personnel assigned by the Department to be responsible for the custody and control of committed persons or to investigate the alleged misconduct of committed persons or employees or alleged violations of a parolee's or releasee's conditions of parole shall be conservators of the peace for those purposes, and shall have the full power of peace officers outside of the facilities of the Department in the protection, arrest, retaking and reconfining of committed persons or where the exercise of such power is necessary to the investigation of such misconduct or violations.

The Department shall further report the current status of leaders identified and segregated in previous years. All leaders described in the report shall be identified by inmate number or other designation to enable tracking, auditing, and verification without revealing the names of the leaders. (m) To make all rules and regulations and exercise all powers and duties vested by law in the Department.

(r-5) (Blank).

(r-10) To systematically and routinely identify with respect to each streetgang active within the correctional system: (1) each active gang; (2) every existing inter-gang affiliation or alliance; and (3) the current leaders in each gang. The Department shall promptly segregate leaders from inmates who belong to their gangs and allied gangs. The order shall be certified by the Director, the Supervisor of the Apprehension Unit, or any person duly designated by the Director, with the seal of the Department affixed. The order shall be directed to all sheriffs, coroners, and police officers, or to any particular person named in the order. Any order issued pursuant to this subdivision (1) (u-5) shall be sufficient warrant for the officer or person named in the order to arrest and deliver the committed person to the proper correctional officials and shall be executed the same as criminal process.

In addition to the persons who are eligible for medical assistance pursuant to subparagraphs (1) and (2) of this paragraph 12, and to be paid from funds appropriated to the Department for its medical programs, any uninsured person as defined by the Department in rules residing in Illinois who is younger than 65 years of age, who has been screened for breast and cervical cancer in accordance with standards and procedures adopted by the Department of Public Health for screening, and who is referred to the Department by the Department of Public Health as being in need of treatment for breast or cervical cancer is eligible for medical assistance benefits that are consistent with the benefits provided to those persons described in subparagraphs (1) and (2). Medical assistance coverage for the persons who are eligible under the preceding sentence is not dependent on federal approval, but federal moneys may be used to pay for services provided under that coverage upon federal approval.

13. Subject to appropriation and to federal approval, persons living with HIV/AIDS who are not otherwise eligible under this Article and who qualify for services covered under Section 5-5.04 as provided by the Illinois Department by rule.

14. Subject to the availability of funds for this purpose, the Department may provide coverage under this Article to persons who reside in Illinois who are not eligible under any of the preceding paragraphs and who meet the income guidelines of paragraph 2(a) of this Section and (i) have an application for asylum pending before the federal Department of Homeland Security or on appeal before a court of competent jurisdiction and are represented either by counsel or by an advocate accredited by the federal Department of Homeland Security and employed by a not-for-profit organization in regard to that application or appeal, or (ii) are receiving services through a federally funded torture treatment center. Medical coverage under this paragraph 14 may be provided for up to 24 continuous months from the initial eligibility date so long as an individual continues to satisfy the criteria of this paragraph 14. If an individual has an appeal pending regarding an

(e) The premium due date is the last day of the month preceding the month of coverage.

(f) Individuals shall have a grace period through the month of coverage to pay the premium.

(g) Failure to pay the full monthly premium by the last day of the grace period shall result in termination of coverage.

(h) Partial premium payments shall not be refunded.

(1) A new application must be completed and the individual must be determined otherwise eligible.

(2) There must be full payment of premiums due under this Code, the Children's Health Insurance Program Act, the Covering ALL KIDS Health Insurance Act, or any other healthcare program administered by the Department for

(3) The first month's premium must be paid if there was an unpaid premium on the date the individual's previous coverage was canceled.

The Department is authorized to implement the provisions of this amendatory Act of the 95th General Assembly by adopting the medical assistance rules in effect as of October 1, 2007, at 89 Ill. Admin. Code 125, and at 89 Ill. Admin. Code 120.32 along with only those changes necessary to conform to federal Medicaid requirements, federal laws, and federal regulations, including but not limited to Section 1931 of the Social Security Act (42 U.S.C. Sec. 1396u-1), as interpreted by the U.S. Department of Health and Human Services, and the countable income eligibility standard authorized by this paragraph 15. The Department may not otherwise adopt any rule to implement this increase except as authorized by law, to meet the eligibility standards authorized by the federal government in the Medicaid State Plan or the Title XXI Plan, or to meet an order from the federal government or any court.

16. Subject to appropriation, uninsured persons who are not otherwise eligible under this Section who have been certified and referred by the Department of Public Health as having been screened and found to need diagnostic evaluation or treatment, or both diagnostic evaluation and treatment, for prostate or testicular cancer. Such persons shall be eligible for medical assistance under this paragraph 16 for so long as they need treatment for the cancer. A person shall be considered to need treatment if, in the opinion of the person's treating physician, the person requires therapy directed toward cure or palliation of prostate or testicular cancer, including recurrent metastatic cancer that is a known or presumed complication of prostate or testicular cancer.

cancer and complications resulting from the treatment modalities themselves. Persons who require only routine monitoring services are not considered to need treatment. "Medical assistance" under this paragraph 16 ±5 shall be identical to the benefits provided under the State's approved plan under Title XIX of the Social Security Act. Notwithstanding any other provision of law, the Department (i) does not have a claim against the estate of a deceased recipient of services under this paragraph 16 ±5 and (ii) does not have a lien against any homestead property or other legal or equitable real property interest owned by a recipient of services under this paragraph 16 ±5.

In implementing the provisions of Public Act 96-20 this amendatory Act of the 96th General Assembly, the Department is authorized to adopt only those rules necessary, including emergency rules. Nothing in Public Act 96-20 this amendatory Act of the 96th General Assembly permits the Department to adopt rules or issue a decision that expands eligibility for the FamilyCare Program to a person whose income exceeds 185% of the Federal Poverty Level as determined from time to time by the U.S. Department of Health and Human Services, unless the Department is provided with express statutory authority.

The Illinois Department and the Governor shall provide a plan for coverage of the persons eligible under paragraph 7 as soon as possible after July 1, 1984.

The eligibility of any such person for medical assistance under this Article is not affected by the payment of any grant under the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act or any distributions or items of income described under subparagraph (X) of paragraph (2) of subsection (a) of Section 203 of the Illinois Income Tax Act. The Department shall by rule establish the amounts of assets to be disregarded in determining eligibility for medical assistance, which shall at a minimum equal the amounts to be disregarded under the Federal Supplemental Security Income Program. The amount of assets of a single person to be disregarded shall not be less than $2,000, and the amount of assets of a married couple to be disregarded shall not be less than $3,000.

To the extent permitted under federal law, any person found guilty of a second violation of Article VIIIA shall be ineligible for medical assistance under this Article, as provided in Section 8A-8.
The eligibility of any person for medical assistance under this Article shall not be affected by the receipt by the person of donations or benefits from fundraisers held for the person in cases of serious illness, as long as neither the person nor members of the person's family have actual control over the donations or benefits or the disbursement of the donations or benefits.

Section 5. The Alternate Fuels Act is amended by changing Section 30 as follows:

(415 ILCS 120/30)
Sec. 30. Rebate program. Beginning January 1, 1997, and as long as funds are available, each owner of an alternate fuel vehicle shall be eligible to apply for a rebate. Beginning July 1, 2005, each owner of a vehicle using domestic renewable fuel is eligible to apply for a fuel cost differential rebate under subsection (c) of this Section. The Agency shall cause rebates to be issued under the provisions of this Act. An owner may apply for only one of 3 types of rebates with regard to an individual alternate fuel vehicle: (i) a conversion cost rebate, (ii) an OEM differential cost rebate, or (iii) a fuel cost differential rebate. Only one rebate may be issued with regard to a particular alternate fuel vehicle during the life of that vehicle. A rebate shall not exceed $4,000 per vehicle. Over the life of this rebate program, an owner of an alternate fuel vehicle or a vehicle using domestic renewable fuel may not receive rebates for more than 150 vehicles per location or for 300 vehicles in total.

(a) A conversion cost rebate may be issued to an owner or his or her designee in order to reduce the cost of converting a conventional vehicle or a hybrid vehicle to an alternate fuel vehicle. Conversion of a conventional vehicle or a hybrid vehicle to alternate fuel capability must take place in Illinois for the owner to be eligible for the conversion cost rebate. Amounts spent by applicants within a calendar year may be claimed on a rebate application submitted within 12 months after the month in which the conversion of the vehicle took place. Approved conversion cost rebates applied for during or after calendar year 1997 shall be 80% of all approved conversion costs claimed and documented. Approval of conversion cost rebates may continue after calendar year 2002, if funds are still available. An applicant may include on an application submitted in 1997 all amounts spent within that calendar year on the conversion, even if the expenditure occurred before promulgation of the Agency rules.

(b) An OEM differential cost rebate may be issued to an owner or his or her designee in order to reduce the cost differential between a conventional vehicle or engine and the same vehicle or engine, produced by an original equipment manufacturer, that has the capability to use alternate fuels. A new OEM vehicle or engine must be purchased in
Illinois and must either be an alternate fuel vehicle or used in an alternate fuel vehicle, respectively, for the owner to be eligible for an OEM differential cost rebate. Large vehicles, over 8,500 pounds gross vehicle weight, purchased outside Illinois are eligible for an OEM differential cost rebate if the same or a comparable vehicle is not available for purchase in Illinois. Amounts spent by applicants within a calendar year may be claimed on a rebate application submitted within 12 months after the month in which the new OEM vehicle or engine was purchased.

Approved OEM differential cost rebates applied for during or after calendar year 1997 shall be 80% of all approved cost differential claimed and documented. Approval of OEM differential cost rebates may continue after calendar year 2002, if funds are still available. An applicant may include on an application submitted in 1997 all amounts spent within that calendar year on OEM equipment, even if the expenditure occurred before promulgation of the Agency rules.

(c) A fuel cost differential rebate may be issued to an owner or his or her designee in order to reduce the cost differential between conventional fuels and domestic renewable fuels or alternate fuels purchased to operate an alternate fuel vehicle. The fuel cost differential shall be based on a 3-year life cycle cost analysis developed by the Agency by rulemaking. The rebate shall apply to and be payable during a consecutive 3-year period commencing on the date the application is approved by the Agency. Approved fuel cost differential rebates may be applied for during or after calendar year 1997 and approved rebates shall be 80% of the cost differential for a consecutive 3-year period. Approval of fuel cost differential rebates may continue after calendar year 2002 if funds are still available.

Twenty-five percent of the amount that is appropriated under Section 40 to be used to fund programs authorized by this Section during calendar year 2001 shall be designated to fund fuel cost differential rebates. If the total dollar amount of approved fuel cost differential rebate applications as of July 1, 2001 is less than the amount designated for that calendar year, the balance of designated funds shall be immediately available to fund any rebate authorized by this Section and approved in the calendar year.

An approved fuel cost differential rebate shall be paid to an owner in 3 annual installments on or about the anniversary date of the approval of the application. Owners receiving a fuel cost differential rebate shall be required to demonstrate, through recordkeeping, the use of domestic fuels.
renewable fuels during the 3-year period commencing on the date the application is approved by the Agency. If the vehicle ceases to be registered to the original applicant owner, a prorated installment shall be paid to that owner or the owner's designee and the remainder of the rebate shall be canceled.

(d) Vehicles owned by the federal government or vehicles registered in a state outside Illinois are not eligible for rebates.

Section 5. The County Jail Act is amended by changing Section 17
as follows:
(730 ILCS 125/17) (from Ch. 75, par. 117)
Sec. 17. Bedding, clothing, fuel, and medical aid; reimbursement
for medical expenses. The Warden of the jail shall furnish necessary
bedding, clothing, fuel, and medical services for all prisoners under his
charge, and keep an accurate account of the same. When services that
result in qualified medical expenses are required by any person held in
custody, the county, private hospital, physician or any public agency which
provides such services shall be entitled to obtain reimbursement from the
county for the cost of such services. The county board of a county may
adopt an ordinance or resolution providing for reimbursement for the cost
of those services at the Department of Healthcare and Family Services' rates for medical assistance. To the extent that such person is reasonably
able to pay for such care, including reimbursement from any insurance
program or from other medical benefit programs available to such person,
he or she shall reimburse the county or arresting authority. If such person
has already been determined eligible for medical assistance under the
Illinois Public Aid Code at the time the person is detained, the cost of such
services, to the extent such cost exceeds $500, shall be reimbursed by the
Department of Healthcare and Family Services under that Code. A
reimbursement under any public or private program authorized by this
Section shall be paid to the county or arresting authority to the same extent
as would have been obtained had the services been rendered in a non-
custodial environment.

The sheriff or his or her designee may cause an application for
medical assistance under the Illinois Public Aid Code to be completed for
an arrestee who is a hospital inpatient. If such arrestee is determined
eligible, he or she shall receive medical assistance under the Code for
hospital inpatient services only. An arresting authority shall be responsible
for any qualified incurred medical expenses relating to the arrestee until

such time as the arrestee is placed in the custody of the sheriff. However, the arresting authority shall not be so responsible if the arrest was made pursuant to a request by the sheriff. When medical expenses are required by any person held in custody, the county shall be entitled to obtain reimbursement from the County Jail Medical Costs Fund to the extent moneys are available from the Fund. To the extent that the person is reasonably able to pay for that care, including reimbursement from any insurance program or from other medical benefit programs available to the person, he or she shall reimburse the county.

The county shall be entitled to a $10 fee for each conviction or order of supervision for a criminal violation, other than a petty offense or business offense. The fee shall be taxed as costs to be collected from the defendant, if possible, upon conviction or entry of an order of supervision. The fee shall not be considered a part of the fine for purposes of any reduction in the fine.

All such fees collected shall be deposited by the county in a fund to be established and known as the County Jail Medical Costs Fund. Moneys in the Fund shall be used solely for reimbursement to the county of costs for medical expenses and administration of the Fund.

For the purposes of this Section, "arresting authority" means a unit of local government, other than a county, which employs peace officers and whose peace officers have made the arrest of a person. For the purposes of this Section, "qualified medical expenses" include medical and hospital services but do not include (i) expenses incurred for medical care or treatment provided to a person on account of a self-inflicted injury incurred prior to or in the course of an arrest, (ii) expenses incurred for medical care or treatment provided to a person on account of a health condition of that person which existed prior to the time of his or her arrest, or (iii) expenses for hospital inpatient services for arrestees enrolled for medical assistance under the Illinois Public Aid Code.

(1) The number of credit hours contracted by the purchaser.

(2) The type of eligible institution and the prepaid tuition plan toward which the credit hours shall be applied.
(3) The explicit contractual obligation of the Commission to the qualified beneficiary to provide a specific number of credit hours of undergraduate instruction at a MAP-eligible institution, not to exceed the maximum number of credit hours required for the conference of a degree that corresponds to the plan purchased on behalf of the qualified beneficiary.

(g) The Commission shall indicate by rule the conditions under which refunds are payable to a contract purchaser. Generally, no refund shall exceed the amount paid into the Illinois Prepaid Tuition Trust Fund by the purchaser. In the event that a contract is converted from a Public University Plan described in subsection (j) of this Section to a Community College Plan described in subsection (k) of this Section, the refund amount shall be reduced by the amount transferred to the Illinois community college on behalf of the qualified beneficiary. Except where the Commission may otherwise rule, refunds may exceed the amount paid into the Illinois Prepaid Tuition Trust Fund only under the following circumstances:

(1) If the qualified beneficiary is awarded a grant or scholarship at a public institution of higher education, the terms of which duplicate the benefits included in the Illinois prepaid tuition contract, then moneys paid for the purchase of the contract shall be returned to the purchaser, upon request, in semester installments that coincide with the matriculation by the qualified beneficiary, in an amount equal to the current cost of tuition and mandatory fees at the public institution of higher education where the qualified beneficiary is enrolled.

(1.5) If the qualified beneficiary is awarded a grant or scholarship while enrolled at either a MAP-eligible nonpublic institution of higher education or an eligible public or private out-of-state higher education institution, the terms of which duplicate the benefits included in the Illinois prepaid tuition contract, then money paid for the purchase of the contract shall be returned to the purchaser, upon request, in semester installments that coincide with the matriculation by the qualified beneficiary. The amount paid shall not exceed the current average mean-weighted credit hour value of the registration fees purchased under the contract.

(2) In the event of the death or total disability of the qualified beneficiary, moneys paid for the purchase of the Illinois

prepaid tuition contract shall be returned to the purchaser together with all accrued earnings.

(3) If an Illinois prepaid tuition contract is converted from a Public University Plan to a Community College Plan, then the amount refunded shall be the value of the original Illinois prepaid tuition contract minus the value of the contract after conversion. No refund shall be authorized under an Illinois prepaid tuition contract for any semester partially attended but not completed.

The Commission, by rule, shall set forth specific procedures for making contract payments in conjunction with grants and scholarships awarded to contract beneficiaries.

Moneys paid into or out of the Illinois Prepaid Tuition Trust Fund by or on behalf of the purchaser or the qualified beneficiary of an Illinois prepaid tuition contract are exempt from all claims of creditors of the purchaser or beneficiary, so long as the contract has not been terminated.

The State or any State agency, county, municipality, or other political subdivision, by contract or collective bargaining agreement, may agree with any employee to remit payments toward the purchase of Illinois prepaid tuition contracts through payroll deductions made by the appropriate officer or officers of the entity making the payments. Such payments shall be held and administered in accordance with this Act.

(h) Nothing in this Act shall be construed as a promise or guarantee that a qualified beneficiary will be admitted to an eligible MAP-eligible institution or to a particular eligible MAP-eligible institution, will be allowed to continue enrollment at an eligible MAP-eligible institution after admission, or will be graduated from an eligible MAP-eligible institution.

(i) The Commission shall develop and make prepaid tuition contracts available under a minimum of at least 2 independent plans to be known as the Public University Plan and the Community College Plan.

Contracts shall be purchased in units of 15 credit hours at either an Illinois public university or an Illinois community college. The minimum purchase amount per qualified beneficiary shall be one unit or 15 credit hours. The maximum purchase amount shall be 9 units (or 135 credit hours) for the Public University Plan and 4 units (or 60 credit hours) for the Community College Plan.

(j) Public University Plan. Through the Public University Plan, the Illinois prepaid tuition contract shall provide prepaid registration fees, which include full tuition costs as well as mandatory fees, for a specified
number of undergraduate credit hours, not to exceed the maximum number of credit hours required for the conference of a baccalaureate degree. In determining the cost of participation in the Public University Plan, the Commission shall reference the combined mean-weighted current registration fees from all Illinois public universities.

In the event that a qualified beneficiary for whatever reason chooses to attend an Illinois community college, the qualified beneficiary may convert the average number of credit hours required for the conference of an associate degree from the Public University Plan to the Community College Plan and may retain the remaining Public University Plan credit hours or may request a refund for prepaid credit hours in excess of those required for conference of an associate degree. In determining the amount of any refund, the Commission also shall recognize the current relative credit hour cost of the 2 plans when making any conversion.

Qualified beneficiaries shall bear the cost of any laboratory or other non-mandatory fees associated with enrollment in specific courses. Qualified beneficiaries who are not Illinois residents shall bear the difference in cost between in-state registration fees guaranteed by the prepaid tuition contract and tuition and other charges assessed upon out-of-state students by the eligible MAP-eligible institution.

(k) Community College Plan. Through the Community College Plan, the Illinois prepaid tuition contract shall provide prepaid registration fees, which include full tuition costs as well as mandatory fees, for a specified number of undergraduate credit hours, not to exceed the maximum number of credit hours required for the conference of an associate degree. In determining the cost of participation in the Community College Plan, the Commission shall reference the combined mean-weighted current registration fees from all Illinois community colleges.

In the event that a qualified beneficiary for whatever reason chooses to attend an Illinois public university, the qualified beneficiary's prepaid tuition contract shall be converted for use at that Illinois public university by referencing the current average mean-weighted credit hour value of registration fees at Illinois community colleges relative to the corresponding value of registration fees at Illinois public universities.

Qualified beneficiaries shall bear the cost of any laboratory or other non-mandatory fees associated with enrollment in specific courses. Qualified beneficiaries who are not Illinois residents shall bear the difference in cost between in-state registration fees guaranteed by the

prepaid tuition contract and tuition and other charges assessed upon out-of-state students by the eligible institution.

(l) A qualified beneficiary may apply the benefits of any Illinois prepaid tuition contract toward a nonpublic institution of higher education. In the event that a qualified beneficiary for whatever reason chooses to attend a nonpublic institution of higher education, the qualified beneficiary's prepaid tuition contract shall be converted for use at that nonpublic institution of higher education by referencing the current average mean-weighted credit hour value of registration fees purchased under the contract. The Commission shall transfer, or cause to have transferred, this amount, less a transfer fee, to the nonpublic institution on behalf of the beneficiary. In the event that the cost of registration charged to the beneficiary at the nonpublic institution of higher education is less than the aggregate value of the Illinois prepaid tuition contract, any remaining amount shall be transferred in subsequent semesters until the transfer value is fully depleted.

(m) A qualified beneficiary may apply the benefits of any Illinois prepaid tuition contract toward an eligible out-of-state college or university. Institutional eligibility for out-of-state colleges and universities shall be determined by the Commission according to standards substantially equivalent to those for an eligible institution located in this State, as described in the definition of "institution of higher learning" in Section 10 of the Higher Education Student Assistance Act, but in making those determinations the Commission shall recognize that the benefits of an Illinois prepaid tuition contract may not be used at any postsecondary educational institution that is both operated for profit and located outside of Illinois. In the event that a qualified beneficiary for whatever reason chooses to attend an eligible out-of-state college or university, the qualified beneficiary's prepaid tuition contract shall be converted for use at that college or university by referencing the current average mean-weighted credit hour value of registration fees purchased under the contract. The Commission shall transfer, or cause to have transferred, this amount, less a transfer fee, to the college or university on behalf of the beneficiary. In the event that the cost of registration charged to the beneficiary at the eligible out-of-state college or university is less than the aggregate value of the Illinois prepaid tuition contract, any remaining amount shall be transferred in subsequent semesters until the transfer value is fully depleted.
(n) Illinois prepaid tuition contracts may be purchased either by lump sum or by installments. No penalty shall be assessed for early payment of installment contracts.

(o) The Commission shall annually adjust the price of new contracts, in accordance with the annual changes in registration fees at Illinois public universities and community colleges.

Sec. 50. Confidentiality and disclosure. Information that (i) identifies the purchasers or qualified beneficiaries of any Illinois prepaid tuition contract or any terms or provisions of any such contract as those terms and provisions relate to a particular purchaser or qualified beneficiary, or (ii) discloses any other matter relating to the participation of any such purchaser or qualified beneficiary in the Illinois prepaid tuition program or in any independent plan under which that program is administered, is exempt from inspection, copying, or disclosure under the Freedom of Information Act. The Commission may authorize the program's records administrator to release such information to appropriate personnel at the eligible MAP-eligible institution at which the beneficiary may enroll or is enrolled or to another state or federal agency, for purposes that the Commission deems appropriate, in accordance with applicable state and federal law. However, any such institution or agency to which that information is released shall ensure the continued confidentiality of the information.

(305 ILCS 5/10-17.6) (from Ch. 23, par. 10-17.6)

Sec. 10-17.6. Certification of Information to Licensing Agencies.

(a) The Illinois Department may provide by rule for certification to any State licensing agency to suspend, revoke, or deny issuance or renewal of licenses because of (i) the failure of responsible relatives to comply with subpoenas or warrants relating to paternity or child support proceedings and (ii) past due support owed by responsible relatives under a support order entered by a court or administrative body of this or any other State on behalf of resident or non-resident persons receiving child support enforcement services under Title IV, Part D of the Social Security Act. The rule shall provide for notice to and an opportunity to be heard by each responsible relative affected and any final administrative decision rendered by the Department shall be reviewed only under and in accordance with the Administrative Review Law.

(b) The Illinois Department may provide by rule for directing the Secretary of State to issue family financial responsibility driving permits upon petition of responsible relatives whose driver's licenses have been suspended in accordance with subsection (b) of Section 7-702.1 of the Illinois Vehicle Code. Any final administrative decisions rendered by the Department upon such petitions shall be reviewable only under and in accordance with the Administrative Review Law.

Section 10. The Illinois Vehicle Code is amended by changing Section 7-702.1 as follows:

(625 ILCS 5/7-702.1)

Sec. 7-702.1. Family financial responsibility driving permits.

(a) Following the entry of an order that an obligor has been found in contempt by the court for failure to pay court ordered child support payments or upon a motion by the obligor who is subject to having his or her driver's license suspended pursuant to subsection (b) of Section 7-703, the court may enter an order directing the Secretary of State to issue a

New matter indicated by italics - deletions by strikeout
family financial responsibility driving permit for the purpose of providing the obligor the privilege of operating a motor vehicle between the obligor's residence and place of employment, or within the scope of employment related duties; or for the purpose of providing transportation for the obligor or a household member to receive alcohol treatment, other drug treatment, or medical care. If the obligor is unemployed, the court may issue the order for the purpose of seeking employment, which may be subject to the requirements set forth in subsection (a) of Section 505.1 of the Illinois Marriage and Dissolution of Marriage Act. Except upon a showing of good cause, any permit issued for the purpose of seeking employment shall be limited to Monday through Friday between the hours of 8 a.m. and 12 p.m. The court may enter an order directing the issuance of a permit only if the obligor has proven to the satisfaction of the court that no alternative means of transportation are reasonably available for the above stated purposes. No permit shall be issued to a person under the age of 16 years who possesses an instruction permit. In accordance with 49 C.F.R. Part 384, the Secretary of State may not issue a family financial responsibility driving permit to any person for the operation of a commercial motor vehicle if the person's driving privileges have been suspended under any provisions of this Code.

Upon entry of an order granting the issuance of a permit to an obligor, the court shall report this finding to the Secretary of State on a form prescribed by the Secretary. This form shall state whether the permit has been granted for employment or medical purposes and the specific days and hours for which limited driving privileges have been granted.

The family financial responsibility driving permit shall be subject to cancellation, invalidation, suspension, and revocation by the Secretary of State in the same manner and for the same reasons as a driver's license may be cancelled, invalidated, suspended, or revoked.

The Secretary of State shall, upon receipt of a certified court order from the court of jurisdiction, issue a family financial responsibility driving permit. In order for this permit to be issued, an individual's driving privileges must be valid except for the family financial responsibility suspension. This permit shall be valid only for employment and medical purposes as set forth above. The permit shall state the days and hours for which limited driving privileges have been granted.

Any submitted court order that contains insufficient data or fails to comply with any provision of this Code shall not be used for issuance of the permit or entered to the individual's driving record but shall be
returned to the court of jurisdiction indicating why the permit cannot be
issued at that time. The Secretary of State shall also send notice of the
return of the court order to the individual requesting the permit.

(b) Following certification of delinquency pursuant to subsection
(c) of Section 7-702 of this Code, and upon petition by the obligor whose
driver's license has been suspended under that subsection, the Department
of Healthcare and Family Services may direct the Secretary of State to
issue a family financial responsibility driving permit for the purpose of
providing the obligor the privilege of operating a motor vehicle between
the obligor's residence and place of employment, or within the scope of
employment related duties, or for the purpose of providing transportation
for the obligor or a household member to receive alcohol treatment, other
drug treatment, or medical care. If the obligor is unemployed, the
Department of Healthcare and Family Services may direct the issuance of
the permit for the purpose of seeking employment, which may be subject to
the requirements set forth in subsection (a) of Section 505.1 of the Illinois
Marriage and Dissolution of Marriage Act. Except upon a showing of
good cause, any permit issued for the purpose of seeking employment shall
be limited to Monday through Friday between the hours of 8 a.m. and 12
p.m. The Department of Healthcare and Family Services may direct the
issuance of a permit only if the obligor has proven to the Department's
satisfaction that no alternative means of transportation is reasonably
available for the above stated purposes.

The Department of Healthcare and Family Services shall report to
the Secretary of State the finding granting a permit on a form prescribed
by the Secretary of State. The form shall state the purpose for which the
permit has been granted, the specific days and hours for which limited
driving privileges are allowed, and the duration of the permit.

The family financial responsibility driving permit shall be subject
to cancellation, invalidation, suspension, and revocation by the Secretary
of State in the same manner and for the same reasons as a driver's license
may be cancelled, invalidated, suspended, or revoked.

As directed by the Department of Healthcare and Family Services,
the Secretary of State shall issue a family financial responsibility driving
permit, but only if the obligor's driving privileges are valid except for the
family financial responsibility suspension. The permit shall state the
purpose or purposes for which it was granted under this subsection, the
specific days and hours for which limited driving privileges are allowed,
and the duration of the permit.

New matter indicated by italics - deletions by strikeout
If the Department of Healthcare and Family Services directive to issue a family financial responsibility driving permit contains insufficient data or fails to comply with any provision of this Code, a permit shall not be issued and the directive shall be returned to the Department of Healthcare and Family Services. The Secretary of State shall also send notice of the return of the Department's directive to the obligor requesting the permit.

(c) In accordance with 49 C.F.R. Part 384, the Secretary of State may not issue a family financial responsibility driving permit to any person for the operation of a commercial motor vehicle if the person's driving privileges have been suspended under any provisions of this Code. AN ACT concerning gaming.

Be it enacted by the People of the State of Illinois, represented in
the General Assembly:

Section 5. The Illinois Horse Racing Act of 1975 is amended by
changing Section 27 as follows:

Sec. 27. (a) In addition to the organization license fee provided by
this Act, until January 1, 2000, a graduated privilege tax is hereby imposed
for conducting the pari-mutuel system of wagering permitted under this
Act. Until January 1, 2000, except as provided in subsection (g) of Section
27 of this Act, all of the breakage of each racing day held by any licensee
in the State shall be paid to the State. Until January 1, 2000, such daily
graduated privilege tax shall be paid by the licensee from the amount
permitted to be retained under this Act. Until January 1, 2000, each day's
graduated privilege tax, breakage, and Horse Racing Tax Allocation funds
shall be remitted to the Department of Revenue within 48 hours after the
close of the racing day upon which it is assessed or within such other time
as the Board prescribes. The privilege tax hereby imposed, until January 1,
2000, shall be a flat tax at the rate of 2% of the daily pari-mutuel handle
except as provided in Section 27.1.

In addition, every organization licensee, except as provided in
Section 27.1 of this Act, which conducts multiple wagering shall pay, until
January 1, 2000, as a privilege tax on multiple wagers an amount equal to
1.25% of all moneys wagered each day on such multiple wagers, plus an
additional amount equal to 3.5% of the amount wagered each day on any
other multiple wager which involves a single betting interest on 3 or more
horses. The licensee shall remit the amount of such taxes to the
Department of Revenue within 48 hours after the close of the racing day
on which it is assessed or within such other time as the Board prescribes.

This subsection (a) shall be inoperative and of no force and effect
on and after January 1, 2000.

(a-5) Beginning on January 1, 2000, a flat pari-mutuel tax at the
rate of 1.5% of the daily pari-mutuel handle is imposed at all pari-mutuel
wagering facilities and on advance deposit wagering from a location other than a wagering facility, except as otherwise provided for in this subsection (a-5). In addition to the pari-mutuel tax imposed on advance deposit wagering pursuant to this subsection (a-5), an additional pari-mutuel tax at the rate of 0.25% shall be imposed on advance deposit wagering, the amount of which shall not exceed $250,000 in each calendar year. The additional 0.25% pari-mutuel tax imposed on advance deposit wagering by this amendatory Act of the 96th General Assembly shall be deposited into the Quarter Horse Purse Fund, which shall be created as a non-appropriated trust fund administered by the Board for grants to thoroughbred organization licensees for payment of purses for quarter horse races conducted by the organization licensee. Thoroughbred organization licensees may petition the Board to conduct quarter horse racing and receive purse grants from the Quarter Horse Purse Fund. The Board shall have complete discretion in distributing the Quarter Horse Purse Fund to the petitioning organization licensees. Beginning on the effective date of this amendatory Act of the 96th General Assembly and until moneys deposited pursuant to Section 54 are distributed and received, a pari-mutuel tax at the rate of 0.75% of the daily pari-mutuel handle is imposed at a pari-mutuel facility whose license is derived from a track located in a county that borders the Mississippi River and conducted live racing in the previous year. After moneys deposited pursuant to Section 54 are distributed and received, a pari-mutuel tax at the rate of 1.5% of the daily pari-mutuel handle is imposed at a pari-mutuel facility whose license is derived from a track located in a county that borders the Mississippi River and conducted live racing in the previous year. The pari-mutuel tax imposed by this subsection (a-5) shall be remitted to the Department of Revenue within 48 hours after the close of the racing day upon which it is assessed or within such other time as the Board prescribes.

(b) On or before December 31, 1999, in the event that any organization licensee conducts 2 separate programs of races on any day, each such program shall be considered a separate racing day for purposes of determining the daily handle and computing the privilege tax on such daily handle as provided in subsection (a) of this Section.

(c) Licensees shall at all times keep accurate books and records of all monies wagered on each day of a race meeting and of the taxes paid to the Department of Revenue under the provisions of this Section. The Board or its duly authorized representative or representatives shall at all
reasonable times have access to such records for the purpose of examining and checking the same and ascertaining whether the proper amount of taxes is being paid as provided. The Board shall require verified reports and a statement of the total of all monies wagered daily at each wagering facility upon which the taxes are assessed and may prescribe forms upon which such reports and statement shall be made.

(d) Any licensee failing or refusing to pay the amount of any tax due under this Section shall be guilty of a business offense and upon conviction shall be fined not more than $5,000 in addition to the amount found due as tax under this Section. Each day's violation shall constitute a separate offense. All fines paid into Court by a licensee hereunder shall be transmitted and paid over by the Clerk of the Court to the Board.

(e) No other license fee, privilege tax, excise tax, or racing fee, except as provided in this Act, shall be assessed or collected from any such licensee by the State.

(f) No other license fee, privilege tax, excise tax or racing fee shall be assessed or collected from any such licensee by units of local government except as provided in paragraph 10.1 of subsection (h) and subsection (f) of Section 26 of this Act. However, any municipality that has a Board licensed horse race meeting at a race track wholly within its corporate boundaries or a township that has a Board licensed horse race meeting at a race track wholly within the unincorporated area of the township may charge a local amusement tax not to exceed 10¢ per admission to such horse race meeting by the enactment of an ordinance. However, any municipality or county that has a Board licensed inter-track wagering location facility wholly within its corporate boundaries may each impose an admission fee not to exceed $1.00 per admission to such inter-track wagering location facility, so that a total of not more than $2.00 per admission may be imposed. Except as provided in subparagraph (g) of Section 27 of this Act, the inter-track wagering location licensee shall collect any and all such fees and within 48 hours remit the fees to the Board, which shall, pursuant to rule, cause the fees to be distributed to the county or municipality.

(g) Notwithstanding any provision in this Act to the contrary, if in any calendar year the total taxes and fees required to be collected from licensees and distributed under this Act to all State and local governmental authorities exceeds the amount of such taxes and fees distributed to each State and local governmental authority to which each State and local governmental authority was entitled under this Act for calendar year 1994,

then the first $11 million of that excess amount shall be allocated at the earliest possible date for distribution as purse money for the succeeding calendar year. Upon reaching the 1994 level, and until the excess amount of taxes and fees exceeds $11 million, the Board shall direct all licensees to cease paying the subject taxes and fees and the Board shall direct all licensees to allocate any such excess amount for purses as follows:

(i) the excess amount shall be initially divided between thoroughbred and standardbred purses based on the thoroughbred's and standardbred's respective percentages of total Illinois live wagering in calendar year 1994;

(ii) each thoroughbred and standardbred organization licensee issued an organization licensee in that succeeding allocation year shall be allocated an amount equal to the product of its percentage of total Illinois live thoroughbred or standardbred wagering in calendar year 1994 (the total to be determined based on the sum of 1994 on-track wagering for all organization licensees issued organization licenses in both the allocation year and the preceding year) multiplied by the total amount allocated for standardbred or thoroughbred purses, provided that the first $1,500,000 of the amount allocated to standardbred purses under item (i) shall be allocated to the Department of Agriculture to be expended with the assistance and advice of the Illinois Standardbred Breeders Funds Advisory Board for the purposes listed in subsection (g) of Section 31 of this Act, before the amount allocated to standardbred purses under item (i) is allocated to standardbred organization licensees in the succeeding allocation year.

To the extent the excess amount of taxes and fees to be collected and distributed to State and local governmental authorities exceeds $11 million, that excess amount shall be collected and distributed to State and local authorities as provided for under this Act.

AN ACT concerning revenue.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Property Tax Code is amended by changing Section 15-167 as follows:

(35 ILCS 200/15-167)

Sec. 15-167. Returning Veterans' Homestead Exemption.

(a) Beginning with taxable year 2007, a homestead exemption, limited to a reduction set forth under subsection (b), from the property's value, as equalized or assessed by the Department, is granted for property that is owned and occupied as the principal residence of a veteran returning from an armed conflict involving the armed forces of the United States who is liable for paying real estate taxes on the property and is an owner of record of the property or has a legal or equitable interest therein as evidenced by a written instrument, except for a leasehold interest, other than a leasehold interest of land on which a single family residence is located, which is occupied as the principal residence of a veteran returning from an armed conflict involving the armed forces of the United States who has an ownership interest therein, legal, equitable or as a lessee, and on which he or she is liable for the payment of property taxes. For purposes of the exemption under this Section, "veteran" means an Illinois resident who has served as a member of the United States Armed Forces, a member of the Illinois National Guard, or a member of the United States Reserve Forces.

(b) In all counties, the reduction is $5,000 and only for the taxable year in which the veteran returns from active duty in an armed conflict involving the armed forces of the United States; however, if the veteran first acquires his or her principal residence during the taxable year in which he or she returns, but after January 1 of that year, and if the property is owned and occupied by the veteran as a principal residence on January 1 of the next taxable year, he or she may apply the exemption for the next taxable year, and only the next taxable year, after he or she returns. For land improved with an apartment building owned and operated as a cooperative, the maximum reduction from the value of the property, as equalized by the Department, must be multiplied by the number of apartments or units occupied by a veteran returning from an
armed conflict involving the armed forces of the United States who is liable, by contract with the owner or owners of record, for paying property taxes on the property and is an owner of record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. In a cooperative where a homestead exemption has been granted, the cooperative association or the management firm of the cooperative or facility shall credit the savings resulting from that exemption only to the apportioned tax liability of the owner or resident who qualified for the exemption. Any person who willfully refuses to so credit the savings is guilty of a Class B misdemeanor.

(c) Application must be made during the application period in effect for the county of his or her residence. The assessor or chief county assessment officer may determine the eligibility of residential property to receive the homestead exemption provided by this Section by application, visual inspection, questionnaire, or other reasonable methods. The determination must be made in accordance with guidelines established by the Department.

(d) The exemption under this Section is in addition to any other homestead exemption provided in this Article 15. Notwithstanding Sections 6 and 8 of the State Mandates Act, no reimbursement by the State is required for the implementation of any mandate created by this Section.

Within 15 days after such delivery the sheriff shall give notice of seizure to each person according to the following method: Upon each such person whose right, title or interest is of record in the office of the Secretary of State, the Secretary of Transportation, the Administrator of the Federal Aviation Agency, or any other Department of this State, or any other state of the United States if such vessel, vehicle or aircraft is required to be so registered, as the case may be, by mailing a copy of the notice by certified mail to the address as given upon the records of the Secretary of State, the Department of Aeronautics, Department of Public Works and Buildings or any other Department of this State or the United States if such vessel, vehicle or aircraft is required to be so registered. Within that 15 day period the sheriff shall also notify the State's Attorney of the county of seizure about the seizure.

In addition, any mobile or portable equipment used in the commission of an act which is in violation of Section 7g of the Metropolitan Water Reclamation District Act shall be subject to seizure and forfeiture under the same procedures provided in this Article for the seizure and forfeiture of vessels, vehicles and aircraft, and any such equipment shall be deemed a vessel, vehicle or aircraft for purposes of this Article.

A written declaration of forfeiture of a vehicle under this Section shall be sufficient cause for the title to be transferred to the spouse or family member. PUBLIC ACT 96-1292
(Senate Bill No. 3097)

AN ACT concerning safety.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Facilities Requiring Smoke Detectors Act is amended by changing Section 2 as follows:

(425 ILCS 10/2) (from Ch. 127 1/2, par. 822)

Sec. 2. (a) Every facility shall be equipped with at least one approved smoke detector in an operating condition within 15 feet of every room used for sleeping purposes. The detector shall be installed on the ceiling and at least 6 inches from any wall, or on a wall located between 4 and 6 inches from the ceiling.

(b) Every facility shall have at least one approved smoke detector installed on every story of the facility, including basements but not
including unoccupied attics; provided that there shall be at least one
detector at the beginning and at the end of each separate corridor or
hallway 200 feet or more in length in any occupied story, including
basements.

(c) Every facility shall have at least one approved smoke detector
at the uppermost ceiling of each interior stairwell, except in fire resistive
structures. The detector shall be installed on the ceiling, at least 6 inches
from the wall, or on a wall located between 4 and 6 inches from the
ceiling.

(d) The requirements of this Section shall apply to any facility in
existence on July 1, 1988, beginning on that date. Except as provided in
subsection (e), the smoke detectors required in such facilities may be
either battery powered or wired into the structure's AC power line, and
need not be interconnected.

(e) In the case of any facility unit that is newly constructed,
reconstructed or substantially remodelled after December 31, 1987, the
requirements of this Section shall apply beginning on the first day of
occupancy of the facility after such construction, reconstruction or
substantial remodelling. The smoke detectors required in such facility shall
be permanently wired into the structure's AC power line and, if more than
one detector is required to be installed within the facility, the detectors
shall be wired so that the actuation of one detector will actuate all the
detectors in the facility unit.

In the case of any facility unit that is newly constructed,
reconstructed, or substantially remodeled on or after January 1, 2011,
smoke detectors permanently wired into the structure's AC power line
must also maintain an alternative back-up power source, which may be
either a battery or batteries or an emergency generator.

(f) Compliance with an applicable federal, State or local law, rule
or building code which requires the installation and maintenance of smoke
detectors in a manner different from this Section, but providing a level of
safety for occupants which is equal to or greater than that provided by this
Section, shall be deemed to be compliance with this Section, and the
requirements of such more stringent law shall govern over the
requirements of this Section.

(g) In the case of a facility subject to this Act, the provisions of this
Act shall be enforced by the State agency which licenses that facility. The
State licensing agency may suspend the facility's license for a violation of
this Act where appropriate.
Section 10. The Smoke Detector Act is amended by changing Section 3 as follows:

Sec. 3. (a) Every dwelling unit shall be equipped with at least one approved smoke detector in an operating condition within 15 feet of every room used for sleeping purposes. The detector shall be installed on the ceiling and at least 6 inches from any wall, or on a wall located between 4 and 6 inches from the ceiling.

(b) Every single family residence shall have at least one approved smoke detector installed on every story of the dwelling unit, including basements but not including unoccupied attics. In dwelling units with split levels, a smoke detector installed on the upper level shall suffice for the adjacent lower level if the lower level is less than one full story below the upper level; however, if there is an intervening door between the adjacent levels, a smoke detector shall be installed on each level.

(c) Every structure which (1) contains more than one dwelling unit, or (2) contains at least one dwelling unit and is a mixed-use structure, shall contain at least one approved smoke detector at the uppermost ceiling of each interior stairwell. The detector shall be installed on the ceiling, at least 6 inches from the wall, or on a wall located between 4 and 6 inches from the ceiling.

(d) It shall be the responsibility of the owner of a structure to supply and install all required detectors. The owner shall be responsible for making reasonable efforts to test and maintain detectors in common stairwells and hallways. It shall be the responsibility of a tenant to test and provide general maintenance for the detectors within the tenant's dwelling unit or rooming unit, and to notify the owner or the authorized agent of the owner in writing of any deficiencies which the tenant cannot correct. The owner shall be responsible for providing one tenant per dwelling unit with written information regarding detector testing and maintenance.

The tenant shall be responsible for replacement of any required batteries in the smoke detectors in the tenant's dwelling unit, except that the owner shall ensure that such batteries are in operating condition at the time the tenant takes possession of the dwelling unit. The tenant shall provide the owner or the authorized agent of the owner with access to the dwelling unit to correct any deficiencies in the smoke detector which have been reported in writing to the owner or the authorized agent of the owner.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Mercury Thermostat Collection Act.

Section 5. Legislative findings. The General Assembly finds that:

New matter indicated by italics - deletions by strikeout
(2) the total amount of mercury used in each of those thermostats averages about 4 grams;
(3) millions of mercury-containing thermostats are still in use in homes and businesses in the United States;
(4) mercury in those thermostats poses a risk to human health and the environment if those thermostats are not properly managed at the end of their useful life;
(5) the major thermostat manufacturers have established a voluntary program to facilitate the collection and proper management of mercury thermostats taken out of service;
(6) the annual average of mercury-containing thermostats collected for recycling in Illinois under the existing voluntary collection program from 2006 to 2008 was 4,433;
(7) thousands of mercury-containing thermostats are taken out of service annually in the State;
(8) it is in the public interest to achieve a significant increase in the collection and proper management of mercury thermostats taken out of service in the State.

Section 10. Definitions.

(6) Any action by the Agency to disapprove or modify proposed collection program revisions under this subsection (d) shall be subject to appeal to the Board in the same manner as provided for a permit decision under Section 40 of the Environmental Protection Act.

Section 20. Reporting on collection efforts.

(a) The General Assembly finds that there is a direct and significant link between academic preparation of students being academically prepared for college and success in postsecondary education and careers. Many students enter college unprepared for the academic rigors of college and require noncredit remedial courses to attain skills and knowledge needed for regular, credit coursework. These tests, All high school juniors take the Prairie State Achievement Examination, which contains the ACT college assessment exam. ACT test elements and scores can be correlated to specific course placements in community colleges. Customized ACT test results can be used in collaboration with high schools to assist high school students to identify areas for improvement and help them close skill gaps during students' senior year. College greater college and career readiness reduces will reduce the need for remediation, lowers lower educational costs, shortens shorten time to degree, and increases increase the overall success rate of Illinois college students.

(b) Subject to appropriation, the State Board shall create a 3-year pilot project, to be known as the College and Career Readiness Pilot Program. Subject to appropriation, on July 1, 2010, the State Board shall

PUBLIC ACT 96-1302
(Senate Bill No. 3543)

AN ACT concerning children.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Afterschool Youth Development Project Act.

Section 5. Purpose and findings. The General Assembly declares that it is the policy of this State to provide all young people between the ages of 6 and 19 with access to quality afterschool programs through a State commitment to sufficient and sustainable funding for programs that promote positive youth development. The need for this policy is based on a series of facts:

The General Assembly finds that youth who are engaged in quality afterschool activities are more likely to succeed in academics, employment, and civic affairs than youth who do not participate in afterschool activities. Youth with high levels of participation in quality afterschool programs miss fewer days of school, have lower drop-out rates, and higher rates of graduation.

The General Assembly also finds that youth in Illinois face greater barriers to success than ever before:

(1) Statewide demand for quality afterschool activities far outpaces the current supply, with shortfall estimates between 60 and 70 percent.
(2) Illinois youth spend fewer hours in school than in most other states and approximately 45% of all children in grades K-12 are either responsible for themselves or are in the care of a sibling during afterschool hours.

(3) On school days, the hours between 3:00 p.m. and 6:00 p.m. are the peak hours for juvenile crime and experimentation with drugs, alcohol, cigarettes, and sex.

The General Assembly also finds that the State of Illinois, having demonstrated national leadership in advancing toward universal early childhood education, must also expand youth development programming in order to realize the full, continued benefits of public investment in Illinois' young people.

The policy established by this Act will be developed through an afterschool demonstration program the results of which will be used to establish standards and policies to design and fund a statewide system of quality afterschool programs accessible to all youth between the ages of 6 and 19 that promote positive outcomes in such areas as education, employment, and civic success.

Section 10. Definitions. As used in this Act:
"Afterschool program" means positive youth development activities provided to youth between the ages of 6 and 19 during the hours before or after school, during summer recess from school, or during the weekends. These activities may include, but are not limited to, the following activity areas: academic support; arts, music, sports, cultural enrichment, and other recreation; health promotion and diseases prevention; life skills and work and career development; and youth leadership development. For the purposes of this Act, "afterschool program" also means a program funded under the Afterschool Demonstration Program.
"Demonstration" or "Demonstration Program" means the Afterschool Demonstration Program as established under this Act.
"Council" means the Illinois Youth Development Council.
"Community advisory group" means a group of key local stakeholders convened to help ensure effective program delivery through increased collaboration. This group is required as a condition of participating in the demonstration period.

Section 15. Illinois Youth Development Council.
(a) Creation. In order to effectively achieve the policy established in this Act, the Illinois Youth Development Council shall be created. The
purpose of the Council is to provide oversight and coordination to the State's public funds currently invested to support positive youth development programs and activities and to set systemwide policies and priorities to accomplish the following 5 major objectives: (i) set afterschool program expansion priorities, such as addressing gaps in programming for specific ages and populations; (ii) create outcome measures and require all afterschool programs to be evaluated to ensure that outcomes are being met; (iii) oversee the establishment of a statewide program improvement system that provides technical assistance and capacity building to increase program participation and quality systemwide; (iv) monitor and assess afterschool program quality through outcome measures; and (v) establish State policy to support the attainment of outcomes. The Governor shall designate one of the Council members who is a nongovernment stakeholder to serve as co-chairperson. The Council shall create a subcommittee of additional direct youth service providers as well as other subcommittees as deemed necessary.

(2) Youth Advisory Group. To ensure that the Council is responsive to the needs and priorities of Illinois' young people, the Council shall establish an independent Youth Advisory Group, which shall be composed of a diverse body of 15 youths between the ages of 14 and 19 from across the State. Members that surpass the age of 19 while serving on the Youth Advisory Group may complete the term of the appointment. c) Activities. The major objectives of the Council shall be accomplished through the following activities:

The Department may contract with vendors to provide all or a portion of any necessary resources.

Section 20. Afterschool Demonstration Program.

The Department of Human Services, in coordination with the Council, shall establish and administer a 3-year statewide, quality Afterschool Demonstration Program with an evaluation and outcome-based expansion model. The ultimate goal of the Demonstration shall be to develop and evaluate the costs, impact, and quality outcomes of afterschool programs in order to establish an effective expansion toward universal access.

establishing an effective expansion toward universal access. A positive outcome evaluation, whereby performance outcomes determined by the Council are met, shall trigger a phased-in expansion toward full implementation.

Section 25. Effectiveness of afterschool programs.

The Council shall establish a universal framework of youth development program standards that commonly define measurable indicators of program quality across the diverse array of eligible demonstration program activities.

Data informing performance against these standards shall be monitored and collected by the Department of Human Services. Each afterschool program, in coordination with the corresponding community advisory group, shall also assess needs and gaps relative to addressing outcome goals.

(c) Capacity-building supports. Many students are living in Greek housing that is not adequately protected with automatic fire sprinkler systems. Insurance companies recognize the benefits of sprinkler systems and have offered significant policy discounts to Greek organizations to cover housing protected by automatic sprinkler systems. Dormitories in the State of Illinois are already required to have automatic fire sprinkler systems by 2013.

The structure may also provide for other activities in addition to housing.

Section 15. Automatic fire sprinkler systems required.

(a) In the case of a Greek housing structure the construction of which is begun on or after January 1, 2011, that construction must include the installation of automatic fire sprinkler systems.
(b) In the case of a Greek housing structure construction of which was begun before January 1, 2011, automatic fire sprinkler systems are required in every such structure by January 1, 2019.

(c) If a Greek housing structure does not comply with this Section, it is unlawful to occupy the structure as a Greek housing structure.

(d) Nothing in this Act may be construed to abrogate any statute, rule, or ordinance requiring that a fire extinguisher be present in a Greek housing structure.

(a) If a Greek housing structure is under the jurisdiction of the unit of local government in whose territory it is located, that unit of local government is responsible for enforcing this Act with respect to that structure.

(b) If a Greek housing structure is under the jurisdiction of the institution of higher education that its residents attend, that institution of higher education is responsible for enforcing this Act with respect to that structure.

Section 25. Local ordinances. If a unit of local government has adopted an ordinance that requires automatic fire suppression systems in housing units under this Act that is more stringent than this Act, then the local ordinance shall control.

Section 30. Interpretation of Act. Nothing in this Act shall be construed to apply to the standards already governed by the Fire Sprinkler Dormitory Act.

Any such motions may be supported by affidavits or other submissions in camera. The defendant shall not be required to respond to any complaint filed under this Section until 20 days after the complaint is unsealed and served upon the defendant.

(4) Before the expiration of the 60-day period or any extensions obtained under paragraph (3), the State shall:
   (A) proceed with the action, in which case the action shall be conducted by the State; or
   (B) notify the court that it declines to take over the action, in which case the person bringing the action shall have the right to conduct the action.

(5) When a person brings an action under this subsection (b), no person other than the State may intervene or bring a related action based on the facts underlying the pending action.

c) Rights of the parties to Qui Tam actions.

(1) If the State proceeds with the action, it shall have the primary responsibility for prosecuting the action, and shall not be bound by an act of the person bringing the action. Such person shall have the right to continue as a party to the action, subject to the limitations set forth in paragraph (2).

(2) (A) The State may dismiss the action notwithstanding the objections of the person initiating the action if the person has been notified by the State of the filing of the motion and the court has provided the person with an opportunity for a hearing on the motion.
(B) The State may settle the action with the defendant notwithstanding the objections of the person initiating the action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera.

(C) Upon a showing by the State that unrestricted participation during the course of the litigation by the person initiating the action would interfere with or unduly delay the State's prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the person's participation, such as:

(i) limiting the number of witnesses the person may call;
(ii) limiting the length of the testimony of such witnesses;
(iii) limiting the person's cross-examination of witnesses; or
(iv) otherwise limiting the participation by the person in the litigation.

(D) Upon a showing by the defendant that unrestricted participation during the course of the litigation by the person initiating the action would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the person in the litigation.

(3) If the State elects not to proceed with the action, the person who initiated the action shall have the right to conduct the action. If the State so requests, it shall be served with copies of all pleadings filed in the action and shall be supplied with copies of all deposition transcripts (at the State's expense). When a person proceeds with the action, the court, without limiting the status and rights of the person initiating the action, may nevertheless permit the State to intervene at a later date upon a showing of good cause.

(4) Whether or not the State proceeds with the action, upon a showing by the State that certain actions of discovery by the person initiating the action would interfere with the State's investigation or prosecution of a criminal or civil matter arising out

of the same facts, the court may stay such discovery for a period of not more than 60 days. Such a showing shall be conducted in camera. The court may extend the 60-day period upon a further showing in camera that the State has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

(5) Notwithstanding subsection (b), the State may elect to pursue its claim through any alternate remedy available to the State, including any administrative proceeding to determine a civil money penalty. If any such alternate remedy is pursued in another proceeding, the person initiating the action shall have the same rights in such proceeding as such person would have had if the action had continued under this Section. Any finding of fact or conclusion of law made in such other proceeding that has become final shall be conclusive on all parties to an action under this Section. For purposes of the preceding sentence, a finding or conclusion is final if it has been finally determined on appeal to the appropriate court, if all time for filing such an appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

(d) Award to Qui Tam plaintiff.

(1) If the State proceeds with an action brought by a person under subsection (b), such person shall, subject to the second sentence of this paragraph, receive at least 15% but not more than 25% of the proceeds of the action or settlement of the claim, depending upon the extent to which the person substantially contributed to the prosecution of the action. Where the action is one which the court finds to be based primarily on disclosures of specific information (other than information provided by the person bringing the action) relating to allegations or transactions in a criminal, civil, or administrative hearing, in a legislative, administrative, or Auditor General's report, hearing, audit, or investigation, or from the news media, the court may award such sums as it considers appropriate, but in no case more than 10% of the proceeds, taking into account the significance of the information and the role of the person bringing the action in advancing the case to litigation. Any payment to a person under the first or second sentence of this paragraph (1) shall be made from

the proceeds. Any such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. The State shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred by the Attorney General, including reasonable attorneys' fees and costs; and the amount received shall be deposited in the Whistleblower Reward and Protection Fund created under this Act. All such expenses, fees, and costs shall be awarded against the defendant. The court may award amounts from the proceeds of an action or settlement that it considers appropriate to any governmental entity or program that has been adversely affected by a defendant. The Attorney General, if necessary, shall direct the State Treasurer to make a disbursement of funds as provided in court orders or settlement agreements. When the system of State colleges and universities, any school district, any public community college district, any municipality, any municipal corporation, any unit of local government, or any combination of the above under an intergovernmental agreement has been adversely affected by a defendant, the court may award such sums as it considers appropriate to the affected entity, specifying in its order the amount to be awarded to the entity from the net proceeds that are deposited in the Whistleblower Reward and Protection Fund.

(2) If the State does not proceed with an action under this Section, the person bringing the action or settling the claim shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. The amount shall be not less than 25% and not more than 30% of the proceeds of the action or settlement and shall be paid out of such proceeds. Such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. All such expenses, fees, and costs shall be awarded against the defendant. The court may award amounts from the proceeds of an action or settlement that it considers appropriate to any governmental entity or program that has been adversely affected by a defendant. The Attorney General, if necessary, shall direct the State Treasurer to make a disbursement of funds as provided in court orders or settlement agreements.

(3) Whether or not the State proceeds with the action, if the court finds that the action was brought by a person who planned and initiated the violation of Section 3 upon which the action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the person would otherwise receive under paragraph (1) or (2) of this subsection (d), taking into account the role of that person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the action is convicted of criminal conduct arising from his or her role in the violation of Section 3, that person shall be dismissed from the civil action and shall not receive any share of the proceeds of the action. Such dismissal shall not prejudice the right of the State to continue the action, represented by the Attorney General.

(4) If the State does not proceed with the action and the person bringing the action conducts the action, the court may award to the defendant its reasonable attorneys' fees and expenses if the defendant prevails in the action and the court finds that the claim of the person bringing the action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

(e) Certain actions barred.

(1) No court shall have jurisdiction over an action brought by a former or present member of the Guard under subsection (b) of this Section against a member of the Guard arising out of such person's service in the Guard.

(2) (A) No court shall have jurisdiction over an action brought under subsection (b) against a member of the General Assembly, a member of the judiciary, or an exempt official if the action is based on evidence or information known to the State when the action was brought.

(B) For purposes of this paragraph (2), "exempt official" means any of the following officials in State service: directors of departments established under the Civil Administrative Code of Illinois, the Adjutant General, the Assistant Adjutant General, the Director of the State Emergency Services and Disaster Agency, members of the boards and commissions, and all other positions appointed by the Governor by and with the consent of the Senate.
(3) In no event may a person bring an action under subsection (b) which is based upon allegations or transactions which are the subject of a civil suit or an administrative civil money penalty proceeding in which the State is already a party.

(4) (A) No court shall have jurisdiction over an action under this Section based upon the public disclosure of allegations or transactions in a criminal, civil, or administrative hearing, in a legislative, administrative, or Auditor General's report, hearing, audit, or investigation, or from the news media, unless the action is brought by the Attorney General or the person bringing the action is an original source of the information.

(B) For purposes of this paragraph (4), "original source" means an individual who has direct and independent knowledge of the information on which the allegations are based and has voluntarily provided the information to the State before filing an action under this Section which is based on the information.

(f) State not liable for certain expenses. The State is not liable for expenses which a person incurs in bringing an action under this Section.

(g) Relief from retaliatory actions.

(1) In general, any employee, contractor, or agent is entitled to all relief necessary to make that employee, contractor, or agent whole, if that employee, contractor, or agent who is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment because of lawful acts done by the employee, contractor, or agent on behalf of the employee, contractor, or agent or associated others in furtherance of other efforts to stop one or more violations of this Act an action under this Section, including investigation for, initiation of, testimony for, or assistance in an action filed or to be filed under this Section, shall be entitled to all relief necessary to make the employee whole. Such relief

(2) Relief under paragraph (1) shall include reinstatement with the seniority status that the such employee, contractor, or agent would have had but for the discrimination, 2 times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination,

Sec. 5. False claims procedure.

(a) A subpoena requiring the attendance of a witness at a trial or hearing conducted under Section 4 of this Act may be served at any place in the State.

(b) A civil action under Section 4 may not be brought:

   (1) more than 6 years after the date on which the violation of Section 3 is committed, or

   (2) more than 3 years after the date when facts material to the right of action are known or reasonably should have been known by the official of the State charged with responsibility to act in the circumstances, but in no event more than 10 years after the date on which the violation is committed, whichever occurs last.

(c) If the State elects to intervene and proceed with an action brought under subsection (b) of Section 4, the State may file its own complaint or amend the complaint of a person who has brought an action under subsection (b) of Section 4 to clarify or add detail to the claims in which the State is intervening and to add any additional claims with respect to which the State contends it is entitled to relief. For statute of limitations purposes, any such State pleading shall relate back to the filing date of the complaint of the person who originally brought the action, to the extent that the claim of the State arises out of the conduct, transactions, or occurrences set forth, or attempted to be set forth, in the prior complaint of that person.

(d) In any action brought under Section 4, the State shall be required to prove all essential elements of the cause of action, including damages, by a preponderance of the evidence.

(e) Notwithstanding any other provision of law, a final judgement rendered in favor of the State in any criminal proceeding charging fraud or false statements, whether upon a verdict after trial or upon a plea of guilty, shall estop the defendant from denying the essential elements of the offense in any action which involves the same transaction.

Sec. 6. Subpoenas.
(a) In general.

(1) Issuance and service. Whenever the Attorney General, or a designee (for purposes of this Section), has reason to believe that any person may be in possession, custody, or control of any documentary material or information relevant to an investigation, the Attorney General, or a designee, may, before commencing a civil proceeding under this Act or making an election under paragraph (4) of subsection (b) of Section 4, issue in writing and cause to be served upon such person, a subpoena requiring such person:

(A) to produce such documentary material for inspection and copying,
(B) to answer, in writing, written interrogatories with respect to such documentary material or information,
(C) to give oral testimony concerning such documentary material or information, or
(D) to furnish any combination of such material, answers, or testimony.

The Attorney General may delegate the authority to issue subpoenas under this subsection (a) to the Department of State Police subject to conditions as the Attorney General deems appropriate. Whenever a subpoena is an express demand for any product of discovery, the Attorney General or his or her delegate shall cause to be served, in any manner authorized by this Section, a copy of such demand upon the person from whom the discovery was obtained and shall notify the person to whom such demand is issued of the date on which such copy was served. Any information obtained by the Attorney General or a designee under this Section may be shared with any qui tam relator if the Attorney General or designee determines it necessary as part of any False Claims Act investigation.

(1.5) Where a subpoena requires the production of documentary material, the respondent shall produce the original of the documentary material, provided, however, that the Attorney
General, or a designee, may agree that copies may be substituted for the originals. All documentary material kept or stored in electronic form, including electronic mail, shall be produced in native format, as kept in the normal course of business, or as otherwise directed by hard copy, unless the Attorney General or designee agrees that electronic versions may be substituted for the hard copy. The production of documentary material shall be made at the respondent's expense.

(2) Contents and deadlines. Each subpoena issued under paragraph (1):

(A) Shall state the nature of the conduct constituting an alleged violation that is under investigation and the applicable provision of law alleged to be violated.

(B) Shall identify the individual causing the subpoena to be served and to whom communications regarding the subpoena should be directed.

(C) Shall state the date, place, and time at which the person is required to appear, produce written answers to interrogatories, produce documentary material or give oral testimony. The date shall not be less than 10 days from the date of service of the subpoena. Compliance with the subpoena shall be at the Office of the Attorney General in either the Springfield or Chicago location or at other location by agreement.

(D) If the subpoena is for documentary material or interrogatories, shall describe the documents or information requested with specificity.

(E) Shall notify the person of the right to be assisted by counsel.

(F) Shall advise that the person has 20 days from the date of service or up until the return date specified in the demand, whichever date is earlier, to move, modify, or set aside the subpoena pursuant to subparagraph (j)(2)(A) of this Section.

(b) Protected material or information.

(1) In general. A subpoena issued under subsection (a) may not require the production of any documentary material, the submission of any answers to written interrogatories, or the giving

of any oral testimony if such material, answers, or testimony would be protected from disclosure under:

(A) the standards applicable to subpoenas or subpoenas duces tecum issued by a court of this State to aid in a grand jury investigation; or

(B) the standards applicable to discovery requests under the Code of Civil Procedure, to the extent that the application of such standards to any such subpoena is appropriate and consistent with the provisions and purposes of this Section.

(2) Effect on other orders, rules, and laws. Any such subpoena which is an express demand for any product of discovery supersedes any inconsistent order, rule, or provision of law (other than this Section) preventing or restraining disclosure of such product of discovery to any person. Disclosure of any product of discovery pursuant to any such subpoena does not constitute a waiver of any right or privilege which the person making such disclosure may be entitled to invoke to resist discovery of trial preparation materials.

(c) Service in general. Any subpoena issued under subsection (a) may be served by any person so authorized by the Attorney General or by any person authorized to serve process on individuals within Illinois, through any method prescribed in the Code of Civil Procedure or as otherwise set forth in this Act.

(d) Service upon legal entities and natural persons.

(1) Legal entities. Service of any subpoena issued under subsection (a) or of any petition filed under subsection (j) may be made upon a partnership, corporation, association, or other legal entity by:

(A) delivering an executed copy of such subpoena or petition to any partner, executive officer, managing agent, general agent, or registered agent of the partnership, corporation, association or entity;

(B) delivering an executed copy of such subpoena or petition to the principal office or place of business of the partnership, corporation, association, or entity; or

(C) depositing an executed copy of such subpoena or petition in the United States mails by registered or certified mail, with a return receipt requested, addressed to
such partnership, corporation, association, or entity as its principal office or place of business.

(2) Natural person. Service of any such subpoena or petition may be made upon any natural person by:

(A) delivering an executed copy of such subpoena or petition to the person; or

(B) depositing an executed copy of such subpoena or petition in the United States mails by registered or certified mail, with a return receipt requested, addressed to the person at the person's residence or principal office or place of business.

(e) Proof of service. A verified return by the individual serving any subpoena issued under subsection (a) or any petition filed under subsection (j) setting forth the manner of such service shall be proof of such service. In the case of service by registered or certified mail, such return shall be accompanied by the return post office receipt of delivery of such subpoena.

(f) Documentary material.

(1) Sworn certificates. The production of documentary material in response to a subpoena served under this Section shall be made under a sworn certificate, in such form as the subpoena designates, by:

(A) in the case of a natural person, the person to whom the subpoena is directed, or

(B) in the case of a person other than a natural person, a person having knowledge of the facts and circumstances relating to such production and authorized to act on behalf of such person.

The certificate shall state that all of the documentary material required by the demand and in the possession, custody, or control of the person to whom the subpoena is directed has been produced and made available to the Attorney General.

(2) Production of materials. Any person upon whom any subpoena for the production of documentary material has been served under this Section shall make such material available for inspection and copying to the Attorney General at the place designated in the subpoena, or at such other place as the Attorney General and the person thereafter may agree and prescribe in writing, or as the court may direct under subsection (j)(1). Such

material shall be made so available on the return date specified in such subpoena, or on such later date as the Attorney General may prescribe in writing. Such person may, upon written agreement between the person and the Attorney General, substitute copies for originals of all or any part of such material.

(g) Interrogatories. Each interrogatory in a subpoena served under this Section shall be answered separately and fully in writing under oath and shall be submitted under a sworn certificate, in such form as the subpoena designates by:

(1) in the case of a natural person, the person to whom the subpoena is directed, or

(2) in the case of a person other than a natural person, the person or persons responsible for answering each interrogatory.

If any interrogatory is objected to, the reasons for the objection shall be stated in the certificate instead of an answer. The certificate shall state that all information required by the subpoena and in the possession, custody, control, or knowledge of the person to whom the demand is directed has been submitted. To the extent that any information is not furnished, the information shall be identified and reasons set forth with particularity regarding the reasons why the information was not furnished.

(h) Oral examinations.

(1) Procedures. The examination of any person pursuant to a subpoena for oral testimony served under this Section shall be taken before an officer authorized to administer oaths and affirmations by the laws of this State or of the place where the examination is held. The officer before whom the testimony is to be taken shall put the witness on oath or affirmation and shall, personally or by someone acting under the direction of the officer and in the officer's presence, record the testimony of the witness. The testimony shall be taken stenographically and shall be transcribed. When the testimony is fully transcribed, the officer before whom the testimony is taken shall promptly transmit a certified copy of the transcript of the testimony in accordance with the instructions of the Attorney General. This subsection shall not preclude the taking of testimony by any means authorized by, and in a manner consistent with, the Code of Civil Procedure.

(2) Persons present. The investigator conducting the examination shall exclude from the place where the examination is held all persons except the person giving the testimony, the
attorney for and any other representative of the person giving the testimony, the attorney for the State, any person who may be agreed upon by the attorney for the State and the person giving the testimony, the officer before whom the testimony is to be taken, and any stenographer taking such testimony.

(3) Where testimony taken. The oral testimony of any person taken pursuant to a subpoena served under this Section shall be taken in the county within which such person resides, is found, or transacts business, or in such other place as may be agreed upon by the Attorney General and such person.

(4) Transcript of testimony. When the testimony is fully transcribed, the Attorney General or the officer before whom the testimony is taken shall afford the witness, who may be accompanied by counsel, a reasonable opportunity to review and correct the transcript, in accordance with the rules applicable to deposition witnesses in civil cases. Upon payment of reasonable charges, the Attorney General shall furnish a copy of the transcript to the witness, except that the Attorney General may, for good cause, limit the witness to inspection of the official transcript of the witness' testimony.

(5) Conduct of oral testimony.

(A) Any person compelled to appear for oral testimony under a subpoena issued under subsection (a) may be accompanied, represented, and advised by counsel, who may raise objections based on matters of privilege in accordance with the rules applicable to depositions in civil cases. If such person refuses to answer any question, a petition may be filed in circuit court under subsection (j)(1) for an order compelling such person to answer such question.

(B) If such person refuses any question on the grounds of the privilege against self-incrimination, the testimony of such person may be compelled in accordance with Article 106 of the Code of Criminal Procedure of 1963.

(6) Witness fees and allowances. Any person appearing for oral testimony under a subpoena issued under subsection (a) shall be entitled to the same fees and allowances which are paid to witnesses in the circuit court.

(i) Custodians of documents, answers, and transcripts.

   (1) Designation. The Attorney General or his or her delegate shall serve as custodian of documentary material, answers to interrogatories, and transcripts of oral testimony received under this Section.

   (2) Except as otherwise provided in this Section, no documentary material, answers to interrogatories, or transcripts of oral testimony, or copies thereof, while in the possession of the custodian, shall be available for examination by any individual, except as determined necessary by the Attorney General and subject to the conditions imposed by him or her for effective enforcement of the laws of this State, or as otherwise provided by court order.

   (3) Conditions for return of material. If any documentary material has been produced by any person in the course of any investigation pursuant to a subpoena under this Section and:

      (A) any case or proceeding before the court or grand jury arising out of such investigation, or any proceeding before any State agency involving such material, has been completed, or

      (B) no case or proceeding in which such material may be used has been commenced within a reasonable time after completion of the examination and analysis of all documentary material and other information assembled in the course of such investigation,

the custodian shall, upon written request of the person who produced such material, return to such person any such material which has not passed into the control of any court, grand jury, or agency through introduction into the record of such case or proceeding.

(j) Judicial proceedings.

   (1) Petition for enforcement. Whenever any person fails to comply with any subpoena issued under subsection (a), or whenever satisfactory copying or reproduction of any material requested in such demand cannot be done and such person refuses to surrender such material, the Attorney General may file, in the circuit court of any county in which such person resides, is found, or transacts business, or the circuit court of the county in which an action filed pursuant to Section 4 of this Act is pending if the
action relates to the subject matter of the subpoena and serve upon such person a petition for an order of such court for the enforcement of the subpoena.

2. Petition to modify or set aside subpoena.
   (A) Any person who has received a subpoena issued under subsection (a) may file, in the circuit court of any county within which such person resides, is found, or transacts business, and serve upon the Attorney General a petition for an order of the court to modify or set aside such subpoena. In the case of a petition addressed to an express demand for any product of discovery, a petition to modify or set aside such demand may be brought only in the circuit court of the county in which the proceeding in which such discovery was obtained is or was last pending. Any petition under this subparagraph (A) must be filed:
   (i) within 20 days after the date of service of the subpoena, or at any time before the return date specified in the subpoena, whichever date is earlier, or
   (ii) within such longer period as may be prescribed in writing by the Attorney General.
   (B) The petition shall specify each ground upon which the petitioner relies in seeking relief under subparagraph (A), and may be based upon any failure of the subpoena to comply with the provisions of this Section or upon any constitutional or other legal right or privilege of such person. During the pendency of the petition in the court, the court may stay, as it deems proper, the running of the time allowed for compliance with the subpoena, in whole or in part, except that the person filing the petition shall comply with any portion of the subpoena not sought to be modified or set aside.

3. Petition to modify or set aside demand for product of discovery. In the case of any subpoena issued under subsection (a) which is an express demand for any product of discovery, the person from whom such discovery was obtained may file, in the circuit court of the county in which the proceeding in which such discovery was obtained is or was last pending, a petition for an order of such court to modify or set aside those portions of the
subpoena requiring production of any such product of discovery, subject to the same terms, conditions, and limitations set forth in subparagraph (j)(2) of this Section.

(4) Jurisdiction. Whenever any petition is filed in any circuit court under this subsection (j), such court shall have jurisdiction to hear and determine the matter so presented, and to enter such orders as may be required to carry out the provisions of this Section. Any final order so entered shall be subject to appeal in the same manner as appeals of other final orders in civil matters. Any disobedience of any final order entered under this Section by any court shall be punished as a contempt of the court.

(k) Disclosure exemption. Any documentary material, answers to written interrogatories, or oral testimony provided under any subpoena issued under subsection (a) shall be exempt from disclosure under the Illinois Administrative Procedure Act.

Sec. 8. Funds; Grants.

(a) There is hereby created the Whistleblower Reward and Protection Fund as a special fund in the State Treasury. All proceeds of an action or settlement of a claim brought under this Act shall be deposited in the Fund. Any attorneys' fees, expenses, and costs paid by or awarded against any defendant pursuant to Section 4 of this Act shall not be considered part of the proceeds to be deposited in the Fund.

(b) Monies in the Fund shall be allocated, subject to appropriation, as follows: One-sixth of the monies shall be paid to the Attorney General and one-sixth of the monies shall be paid to the Department of State Police for State law enforcement purposes. The remaining two-thirds of the monies in the Fund shall be used for payment of awards to Qui Tam plaintiffs, for attorneys' fees and expenses, and as otherwise specified in this Act, with any remainder to the General Revenue Fund. The Attorney General shall direct the State Treasurer to make disbursement of funds as provided in court orders setting those awards, fees, and expenses. The State Treasurer shall transfer any fund balances in excess of those required for these purposes to the General Revenue Fund.

15. A second or subsequent conviction of driving while the person's driver's license, permit or privileges was revoked for reckless homicide or a similar out-of-state offense;

16. Any offense against any provision in the Illinois Vehicle Code, or any local ordinance, regulating the movement of traffic, when that offense was the proximate cause of the death of any person. Any person whose driving privileges have been revoked pursuant to this paragraph may seek to have the revocation terminated or to have the length of revocation reduced, by requesting an administrative hearing with the Secretary of State prior to the projected driver's license application eligibility date.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile Court Act of 1987 that the minor has
been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;

2. Of any person when any other law of this State requires either the revocation or suspension of a license or permit;

3. Of any person adjudicated under the Juvenile Court Act of 1987 based on an offense determined to have been committed in furtherance of the criminal activities of an organized gang as provided in Section 5-710 of that Act, and that involved the operation or use of a motor vehicle or the use of a driver's license or permit. The revocation shall remain in effect for the period determined by the court. Upon the direction of the court, the Secretary shall issue the person a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1, except that the court may direct that a JDP issued under this subdivision (b)(3) be effective immediately.

(c)(1) Except as provided in subsection (c-5), whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to a medical facility for the receipt of necessary medical care or to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport children living in the petitioner's household to and from daycare; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of State, would result from a failure to issue the restricted driving permit. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this

Code, however, shall not be eligible for the issuance of a restricted driving permit.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If:

(A) a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

   (i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or
   
   (ii) a statutory summary suspension under Section 11-501.1; or
   
   (iii) a suspension pursuant to Section 6-203.1; arising out of separate occurrences; or

   (B) a person has been convicted of one violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide where the use of alcohol or other drugs was recited as an element of the offense, or a similar provision of a law of another state; that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.
(4) The person issued a permit conditioned on the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(6) In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or any similar out-of-state offense, or any combination of these offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the petitioner to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(c-6) If a person is convicted of a second violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 relating to the offense of reckless homicide or a similar out-of-state offense, the person's driving privileges shall be revoked pursuant to subdivision (a)(15) of this Section. The person may not make application for a license or permit until the expiration of five years from the effective date of the revocation or the expiration of five years from the date of release from a term of imprisonment, whichever is later.

(c-7) If a person is convicted of a third or subsequent violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 relating to the offense of reckless homicide or a similar out-of-state offense, the person may never apply for a license or permit.

(d)(1) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may reinstate the petitioner's driver's license and driving privileges, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued

a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:
   (A) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or
   (B) a statutory summary suspension under Section 11-501.1; or
   (C) a suspension pursuant to Section 6-203.1; arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned upon the use of an interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against driving a vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(6) A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit.

(d-5) The revocation of the license, permit, or driving privileges of a person convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege
was revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state, is permanent. The Secretary may not, at any time, issue a license or permit to that person.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by a person who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 for each month that he or she uses the device. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system, the amount of the fee, and the procedures, terms, and conditions relating to these fees.

The provisions of this subparagraph shall not apply to any driver required to possess a CDL for the purpose of operating a commercial motor vehicle.

Any person who falsely states any fact in the affidavit required herein shall be guilty of perjury under Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship (as defined by the rules of the Secretary of State), issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself, or a family member of the petitioner's household to a medical facility, to receive necessary medical care, to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children living in the petitioner's household to and from daycare. The petitioner must demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(A) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these

offenses, arising out of separate occurrences, that person, if
issued a restricted driving permit, may not operate a vehicle
unless it has been equipped with an ignition interlock
device as defined in Section 1-129.1.

(B) If a person's license or permit is revoked or
suspended 2 or more times within a 10 year period due to
any combination of:

(i) a single conviction of violating Section
11-501 of this Code or a similar provision of a local
ordinance or a similar out-of-state offense or
Section 9-3 of the Criminal Code of 1961, where
the use of alcohol or other drugs is recited as an
element of the offense, or a similar out-of-state
offense; or

(ii) a statutory summary suspension under
Section 11-501.1; or

(iii) a suspension under Section 6-203.1;
arising out of separate occurrences; that person, if issued a
restricted driving permit, may not operate a vehicle unless it
has been equipped with an ignition interlock device as
defined in Section 1-129.1.

(C) The person issued a permit conditioned upon
the use of an ignition interlock device must pay to the
Secretary of State DUI Administration Fund an amount not
to exceed $30 per month. The Secretary shall establish by
rule the amount and the procedures, terms, and conditions
relating to these fees.

(D) If the restricted driving permit is issued for
employment purposes, then the prohibition against
operating a motor vehicle that is not equipped with an
ignition interlock device does not apply to the operation of
an occupational vehicle owned or leased by that person's
employer when used solely for employment purposes.

(E) In each case the Secretary may issue a restricted
driving permit for a period deemed appropriate, except that
all permits shall expire within one year from the date of
issuance. The Secretary may not, however, issue a restricted
driving permit to any person whose current revocation is
the result of a second or subsequent conviction for a
violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-3) In the case of a suspension under paragraph 43 of subsection (a), reports received by the Secretary of State under this Section shall, except during the actual time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the driver licensing administrator of any other state, the Secretary of State, or the parent or legal guardian of a driver under the age of 18. However, beginning January 1, 2008, if the person is a CDL holder, the suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request.

(c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

Section 5. The Genetic Counselor Licensing Act is amended by changing Sections 10, 20, 60, 90, and 95 as follows:

(225 ILCS 135/10)

(Section scheduled to be repealed on January 1, 2015)

Sec. 10. Definitions. As used in this Act:
"ABGC" means the American Board of Genetic Counseling.
"ABMG" means the American Board of Medical Genetics.
"Active candidate status" is awarded to applicants who have received approval from the ABGC or ABMG to sit for their respective certification examinations.
"Department" means the Department of Professional Regulation.
"Director" means the Director of Professional Regulation.
"Genetic anomaly" means a variation in an individual's DNA that has been shown to confer a genetically influenced disease or predisposition to a genetically influenced disease or makes a person a carrier of such variation. A "carrier" of a genetic anomaly means a person who may or may not have a predisposition or risk of incurring a genetically influenced condition and who is at risk of having offspring with a genetically influenced condition.
"Genetic counseling" means the provision of services, which may include the ordering of genetic tests, pursuant to a referral, to individuals, couples, groups, families, and organizations by one or more appropriately trained individuals to address the physical and psychological issues associated with the occurrence or risk of occurrence or recurrence of a genetic disorder, birth defect, disease, or potentially inherited or genetically influenced condition in an individual or a family. "Genetic counseling" consists of the following:

New matter indicated by italics - deletions by strikeout
(A) Estimating the likelihood of occurrence or recurrence of a birth defect or of any potentially inherited or genetically influenced condition. This assessment may involve:
   (i) obtaining and analyzing a complete health history of the person and his or her family;
   (ii) reviewing pertinent medical records;
   (iii) evaluating the risks from exposure to possible mutagens or teratogens;
   (iv) recommending genetic testing or other evaluations to diagnose a condition or determine the carrier status of one or more family members;
(B) Helping the individual, family, health care provider, or health care professional (i) appreciate the medical, psychological and social implications of a disorder, including its features, variability, usual course and management options, (ii) learn how genetic factors contribute to the disorder and affect the chance for recurrence of the condition in other family members, and (iii) understand available options for coping with, preventing, or reducing the chance of occurrence or recurrence of a condition.
(C) Facilitating an individual's or family's (i) exploration of the perception of risk and burden associated with the disorder and (ii) adjustment and adaptation to the condition or their genetic risk by addressing needs for psychological, social, and medical support.
"Genetic counselor" means a person licensed under this Act to engage in the practice of genetic counseling.
"Genetic testing" and "genetic test" mean a test or analysis of human genes, gene products, DNA, RNA, chromosomes, proteins, or metabolites that detects genotypes, mutations, chromosomal changes, abnormalities, or deficiencies, including carrier status, that (i) are linked to physical or mental disorders or impairments, (ii) indicate a susceptibility to illness, disease, impairment, or other disorders, whether physical or mental, or (iii) demonstrate genetic or chromosomal damage due to environmental factors. "Genetic testing" and "genetic tests" do not include routine physical measurements; chemical, blood and urine analyses that are widely accepted and in use in clinical practice; tests for use of drugs; tests for the presence of the human immunodeficiency virus; analyses of proteins or metabolites that do not detect genotypes, mutations, chromosomal changes, abnormalities, or deficiencies; or analyses of proteins or metabolites that are directly related to a...
manifested disease, disorder, or pathological condition that could reasonably be detected by a health care professional with appropriate training and expertise in the field of medicine involved.

"Person" means an individual, association, partnership, or corporation.

"Qualified supervisor" means any person who is a licensed genetic counselor, as defined by rule, or a physician licensed to practice medicine in all its branches. A qualified supervisor may be provided at the applicant's place of work, or may be contracted by the applicant to provide supervision. The qualified supervisor shall file written documentation with the Department of employment, discharge, or supervisory control of a genetic counselor at the time of employment, discharge, or assumption of supervision of a genetic counselor.

"Referral" means a written or telecommunicated authorization for genetic counseling services from a physician licensed to practice medicine in all its branches, an advanced practice nurse who has a collaborative agreement with a collaborating physician that authorizes referrals to a genetic counselor, or a physician assistant who has a supervision agreement with a supervising physician that authorizes referrals to a genetic counselor who has been delegated authority to make referrals to genetic counselors.

Sec. 39.9. Thermochemical conversion technology demonstration permit.

(a) The purpose of this Section is to provide for the permitting and testing of thermochemical conversion technology ("TCT") on a pilot-scale basis.

New matter indicated by italics - deletions by strikeout
(b) For purposes of this Section:
"Thermochemical conversion" means the application of heat to woody biomass, collected as landscape waste within the boundaries of the host unit of local government, in order to convert that material to a synthetic gas ("syngas") that can be processed for use as a fuel for the production of electricity and process heat, for the production of ethanol or hydrogen to be used as transportation fuel, or for both of those purposes. To qualify as thermochemical conversion, the thermochemical conversion technology must not continuously operate at temperatures exceeding an hourly average of 2,000°F, must operate at or near atmospheric pressure with no intentional or forced addition of air or oxygen, must use electricity for the source of heat, and must be designed to produce more energy than it consumes.

"Thermochemical conversion technology demonstration permit" or "TCTDP" means a demonstration permit issued by the Agency's Bureau of Air Permit Section under this Section. The TCT will be considered a process emission unit.

"Thermochemical conversion technology processing facility" means a facility constructed and operated for the purpose of conducting thermochemical conversion under this Section.

"Woody biomass" means the fibrous cellular substance consisting largely of cellulose, hemicellulose, and lignin from trees and shrubs collected as landscape waste. "Woody biomass" also includes bark and leaves from trees and shrubs, but does not include other wastes or foreign materials.

(c) The Agency may, under the authority of subsection (b) of Section 9 and subsection (a) of Section 39 of the Act, issue a TCTDP to an applicant for field testing of a thermochemical conversion technology processing facility to demonstrate that the thermochemical conversion technology can reliably produce syngas that can be processed for use as a fuel for the production of electricity and process heat, for the production of ethanol or hydrogen to be used as transportation fuel, or for both purposes. The TCTDP shall be subject to the following conditions:

(1) The application for a TCTDP must demonstrate that the thermochemical conversion technology processing facility is not a major source of air pollutants but is eligible for an air permit issued pursuant to 35 Ill. Adm. Code 201.169. The application must demonstrate that the potential to emit carbon monoxide (CO), sulfur dioxide (SO₂), nitrogen oxides (NOx), and particulate matter

New matter indicated by italics - deletions by strikeout
(PM, PM10) individually for each pollutant does not exceed 79.9 tons per year; that the potential to emit volatile organic material (VOM) does not exceed 24.9 tons per year; that the potential to emit individual hazardous air pollutants (HAPs) does not exceed 7.9 tons per year; and that the potential to emit combined total HAPs does not exceed 19.9 tons per year.

(2) The applicant for a TCTDP must perform emissions testing during the permit period, as required by the Agency, and submit the results of that testing to the Agency, as specified in the TCTDP, within 60 days after the completion of testing.

(3) During the permit period the applicant for a TCTDP may not convert more than 4 tons per day of woody biomass in the thermochemical conversion technology processing facility.

(4) The applicant for a TCTDP must demonstrate that the proposed project meets the criteria defining thermochemical conversion in subsection (b) of this Section.

(5) The applicant for a TCTDP must submit application fees in accordance with subsection (c) of Section 9.12 of this Act, excluding the fees under subparagraph (B) of paragraph (2) of subsection (c) of that Section.

(6) A complete application for a TCTDP must be filed in accordance with this Section and submitted to the Agency within one year after the effective date of this amendatory Act of the 96th General Assembly.

(7) In addition to the TCTDP, the applicant for a TCTDP must obtain applicable water pollution control permits before constructing or operating the thermochemical conversion technology processing facility and applicable waste management permits before the facility receives woody biomass collected as landscape waste. In addition to authorizing receipt and treatment by thermochemical conversion of woody biomass, waste management permits may authorize, and establish limits for, storage and pre-processing of woody biomass for the exclusive use of the thermochemical conversion technology processing facility. Woody biomass received at the facility and all mineral ash and other residuals from the thermochemical conversion process must be managed in accordance with applicable provisions of this Act and rules and permit conditions adopted under the authority of this Act.

violated this Section. In the event of the settlement of any claim or cause of action in favor of the claimant or the reduction to final judgment of any civil action in favor of the plaintiff, the claim, cause of action, or civil action being grounded on the allegation that a person licensed or certified under this Act was negligent in providing care, the Department shall have an additional period of one year from the date of the settlement or final judgment in which to investigate and begin formal disciplinary proceedings under Section 25.2 of this Act, except as otherwise provided by law. (a) If any person violates a provision of this Act, the Secretary or Director may, in the name of the People of the State of Illinois, through the Attorney General of the State of Illinois, petition, for an order enjoining such violation or for an order enforcing compliance with this Act. Upon the filing of a verified petition in such court, the court may issue a temporary restraining order, without notice or bond, and may preliminarily and permanently enjoin such violation, and if it is established that such person has violated or is violating the injunction, the court may punish the offender for contempt of court. Proceedings under this Section shall be in addition to, and not in lieu of, all other remedies and penalties provided by this Act.

(b) If any person shall practice as a veterinarian or hold himself out as a veterinarian without being licensed under the provision of this Act then any licensed veterinarian, any interested party or any person injured thereby may, in addition to the Secretary or Director, petition for relief as provided in subsection (a) of this Section.

The Department shall direct the applicant, certificate holder, or licensee to file a written answer to the Board under oath within 20 days after the service of the notice and inform the applicant, certificate holder, or licensee that failure to file an answer will result in default being taken against the applicant, certificate holder, or licensee and that the license or certificate may be suspended, revoked, placed on probationary status, or other disciplinary action may be taken, including limiting the scope, nature or extent of practice, as the Secretary Director may deem proper. Written notice may be served by personal delivery or certified or registered mail to the respondent at the address of his last notification to the Department. In case the person fails to file an answer after receiving notice, his or her license or certificate may, in the discretion of the Department, be suspended, revoked, or placed on probationary status, or the Department may take whatever disciplinary action deemed proper, including limiting the scope, nature, or extent of the person's practice or the imposition of a fine, without a hearing, if the act or acts charged constitute sufficient grounds for such action under this Act. At the time and place fixed in the notice, the Board shall proceed to hear the charges and the parties or their counsel shall be accorded ample opportunity to present any statements, testimony, evidence, and argument pertinent to the charges or to their defense. The Board may continue a hearing from time to time.

occurs first; this list is in addition to and not a substitute for the list mandated by Section 24-12 of this Code; and

(3) transfer to the governing board of the cooperative elementary school or cooperative high school, or both, the employment and the position of so many of the full-time or part-time school teachers employed by a participating district as are jointly determined by the school boards of the participating districts and the governing board, if the governing board is then in existence, to be needed at the cooperative school or schools, provided that these teacher transfers shall be done:

(A) by categories listed on the seniority list mentioned in item (2) of this subsection (e);

(B) in each category, by having teachers in contractual continued service being transferred before any teachers who are not in contractual continued service; and

(C) in order from greatest seniority first through lesser amounts of seniority.

A teacher who is not in contractual continued service shall not be transferred if there is a teacher in contractual continued service in the same category who is qualified to hold the position that is to be filled.

If there are more teachers who have entered upon contractual continued service than there are available positions at the cooperative elementary school or cooperative high school, or both or within other assignments in the district, a school board shall first remove or dismiss all teachers who have not entered upon contractual continued service before removing or dismissing any teacher who has entered upon contractual continued service and who is legally qualified (i) to hold a position at the cooperative elementary school or cooperative high school, or both planned to be held by a teacher who has not entered upon contractual continued service or (ii) to hold another position in the participating district. As between teachers who have entered upon contractual continued service, the teacher or teachers with the shorter length of continuing service in any of the participating districts shall be dismissed first. Any teacher dismissed as a result of such a decrease shall be paid all earned compensation on or before the third business day following the last day of pupil attendance in the regular school term. If the school board that has dismissed a teacher or the governing board has any vacancies for the following school term or within one calendar year from the beginning of the following school term, then the positions thereby becoming available

shall be tendered to the teachers so removed or dismissed so far as they are legally qualified to hold such positions. If the number of honorable dismissal notices in all participating districts exceeds 15% of full-time equivalent positions filled by certified employees (excluding principals and administrative personnel) during the preceding school year in all participating districts and if the school board that has dismissed a teacher or the governing board has any vacancies for the following school term or within 2 calendar years from the beginning of the following school term, the positions so becoming available shall be tendered to the teachers who were so notified, removed, or dismissed whenever these teachers are legally qualified to hold those positions.

The provisions of Section 24-12 of this Code concerning teachers whose positions are transferred from one board to the control of a different board shall apply to the teachers who are transferred. The contractual continued service of any transferred teacher is not lost and the governing board is subject to this Code with respect to the teacher in the same manner as if the teacher had been the governing board's employee during the time the teacher was actually employed by the board of the district from which the position and the teacher's employment were transferred. The time spent in employment with a participating district by any teacher who has not yet entered upon contractual continued service and who is transferred to the governing board is not lost when computing the time necessary for the teacher to enter upon contractual continued service, and the governing board is subject to this Code with respect to the teacher in the same manner as if the teacher had been the governing board's employee during the time the teacher was actually employed by the school board from which the position and the teacher's employment were transferred.

At the conclusion of the pilot program, any teacher who was transferred from a participating district shall be transferred back to the district and Section 24-12 of this Code shall apply. In that case, a district is subject to this Code in the same manner as if the teacher transferred back had been continuously in the service of the receiving district.

(f) Upon formation of the cooperative elementary school or cooperative high school, or both, the school board of each participating district shall:

(1) confer and coordinate with each other and the governing board, if the governing board is then in existence, as to
needs for educational support personnel for the cooperative elementary school or cooperative high school, or both;

(2) in consultation with any exclusive employee representative or bargaining agent and the governing board, if the governing board is then in existence, establish a combined list of educational support personnel in participating districts, categorized by positions, showing the length of continuing service of each full-time educational support personnel employee who is qualified to hold any such position at the cooperative elementary school or cooperative high school, or both, and then distribute this list to the exclusive employee representative or bargaining agent on or before February 1 of the school year prior to the commencement of the operation of the cooperative elementary school or cooperative high school, or both or within 30 days after the date of the board resolutions, whichever occurs first; and

(3) transfer to the governing board of the cooperative elementary school or cooperative high school, or both the employment and the positions of so many of the full-time educational support personnel employees employed by a participating district as are jointly determined by the school boards of the participating districts and the governing board, if the governing board is then in existence, to be needed at the cooperative elementary school or cooperative high school, or both, provided that the full-time educational personnel employee transfers shall be done by categories on the seniority list mentioned in item (2) of this subsection (f) and done in order from greatest seniority first through lesser amounts of seniority.

If there are more full-time educational support personnel employees than there are available positions at the cooperative elementary school or cooperative high school, or both or in the participating district, then a school board shall first remove or dismiss those educational support personnel employees with the shorter length of continuing service in any of the participating districts, within the respective category of position. The governing board is subject to this Code with respect to the educational support personnel employee as if the educational support personnel employee had been the governing board's employee during the time the educational support personnel employee was actually employed by the school board of the district from which the employment and position were transferred. Any educational support personnel employees
personnel employee dismissed as a result of such a decrease shall be paid all earned compensation on or before the third business day following his or her last day of employment. If the school board that has dismissed the educational support personnel employee or the governing board has any vacancies for the following school term or within one calendar year from the beginning of the following school term, then the positions thereby becoming available within a specific category of position shall be tendered to the employees so removed or dismissed from that category of position so far as they are legally qualified to hold such positions. At the conclusion of the pilot, any educational support personnel employee who was transferred from a participating district shall be transferred back to the district and Section 10-23.5 of this Code shall apply. In that case, a district is subject to this Code in the same manner as if the educational support personnel employee transferred back had been continuously in the service of the receiving district.

(g) This Section repeals 3 years after the beginning date of operation of a pilot cooperative elementary school or a pilot cooperative high school.

(Section scheduled to be repealed on January 1, 2012)

Sec. 10.15. Findings and Council report. The General Assembly makes the following findings:

(1) The quality of life for a growing number of Illinois families has been impacted by a significant increase in bed bug (Cimex lectularius) infestations.

(2) A joint EPA/CDC statement recognizes bed bugs as a pest of public health importance.

(3) Bed bug infestations are increasing, are difficult to abate, and pose a challenge to those affected by those infestations.

(4) There is a lack of public awareness about bed bug prevention, management, and control, necessitating the need for education of consumers, tenants, landlords, property owners, and managers.

(5) In April of 2009, the United States Environmental Protection Agency held its first National Bed Bug Summit to solicit recommendations on dealing with the growing public nuisance of bed bugs; among the major recommendations emanating from the summit was the importance of legislative support and better education about bed bugs for governments and elected officials.

(6) It is in the public interest to study the increase in bed bug infestations and make specific recommendations for addressing this growing public nuisance.

The Structural Pest Control Advisory Council shall convene a subcommittee to develop a report to the General Assembly with recommendations on the prevention, management, and control of bed bug infestations. The report shall include, but not be limited to, recommendations related to the availability of education materials on bed bug prevention, management, and control; proper transport, storage, and disposal of bed bug infested materials; promote the development of effective treatment methods or options to eradicate bed bug infestation; and increasing knowledge and awareness among tenants, landlords, and property managers and owners about preventing bed bug infestations.

In addition to the members of the Structural Pest Control Advisory Council, the subcommittee may include: a representative of a nonprofit organization, particularly one involved with tenant advocacy issues; a representative of apartment associations; and staff from the Illinois Housing Development Authority and the Office of the Illinois Attorney General. The members of the subcommittee shall serve without
compensation for their duties or expenses incurred with the work of the subcommittee.

The Structural Pest Control Advisory Council shall issue its report to the General Assembly on or before December 31, 2011. This Section is repealed on January 1, 2012.

Section 99. Effective date. This Act takes effect upon becoming law.

PUBLIC ACT 96-1331
(House Bill No. 6441)

AN ACT concerning health.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Illinois Health Information Exchange and Technology Act.

Section 5. Purpose. Health information technology improves the quality of patient care, increases the efficiency of health care practices, improves safety, and reduces healthcare errors. The State of Illinois has an interest in encouraging the adoption of a health information system to improve the safety, quality, and value of health care, to protect and keep health information secure, and to use the health information exchange system to advance and meet population health goals. To ensure that the benefits of health information technology are available to the consumers of Illinois and to encourage greater patient participation in health care decisions, the State must provide a framework for the exchange of health information and encourage the widespread adoption of electronic health systems and the use of electronic health records among health care providers and patients. The creation of a State-level health information exchange system will allow, among other benefits, the widespread utilization of electronic health records by health care providers and patients in order to ensure that Illinois’ health care providers can achieve the meaningful use of electronic records, as defined by federal law, and participate fully in the health information technology incentives available from the federal government under the Medicare and Medicaid programs.
Section 10. Creation of the Health Information Exchange Authority. There is hereby created the Illinois Health Information Exchange Authority ("Authority"), which is hereby constituted as an instrumentality and an administrative agency of the State of Illinois.

As part of its program to promote, develop, and sustain health information exchange at the State level, the Authority shall do the following:

(1) Establish the Illinois Health Information Exchange ("ILHIE"), to promote and facilitate the sharing of health information among health care providers within Illinois and in other states. ILHIE shall be an entity operated by the Authority to serve as a State-level electronic medical records exchange providing for the transfer of health information, medical records, and other health data in a secure environment for the benefit of patient care, patient safety, reduction of duplicate medical tests, reduction of administrative costs, and any other benefits deemed appropriate by the Authority.

(2) Foster the widespread adoption of electronic health records and participation in the ILHIE.

Section 15. Governance of the Illinois Health Information Exchange Authority.

(a) The Authority shall consist of and be governed by one Executive Director and 8 directors who are hereby authorized to carry out the provisions of this Act and to exercise the powers conferred under this Act.

(b) The Executive Director and 8 directors shall be appointed to 3-year staggered terms by the Governor with the advice and consent of the Senate. Of the members first appointed after the effective date of this Act, 3 shall be appointed for a term of one year, 3 shall be appointed for a term of 2 years, and 3 shall be appointed for a term of 3 years. The Executive Director and directors may serve successive terms and, in the event the term of the Executive Director or a director expires, he or she shall serve in the expired term until a new Executive Director or director is appointed and qualified. Vacancies shall be filled for the unexpired term in the same manner as original appointments. The Governor may remove a director or the Executive Director for incompetency, dereliction of duty, malfeasance, misfeasance, or nonfeasance in office or any other good cause. The Executive Director shall be compensated at an annual salary of 75% of the salary of the Governor.
(c) The Executive Director and directors shall be chosen with due regard to broad geographic representation and shall be representative of a broad spectrum of health care providers and stakeholders, including representatives from any of the following fields or groups: health care consumers, consumer advocates, physicians, nurses, hospitals, federally qualified health centers as defined in Section 1905(l)(2)(B) of the Social Security Act and any subsequent amendments thereto, health plans or third-party payors, employers, long-term care providers, pharmacists, State and local public health entities, outpatient diagnostic service providers, behavioral health providers, home health agency organizations, health professional schools in Illinois, health information technology, or health information research.

(d) The directors of the Illinois Department of Healthcare and Family Services, the Illinois Department of Public Health, and the Illinois Department of Insurance and the Secretary of the Illinois Department of Human Services, or their designees, and a designee of the Office of the Governor, shall serve as ex-officio members of the Authority.

(e) The Authority is authorized to conduct its business by a majority of the appointed members. The Authority may adopt bylaws in order to conduct meetings. The bylaws may permit the Authority to meet by telecommunication or electronic communication.

(f) The Authority shall appoint an Illinois Health Information Exchange Authority Advisory Committee ("Advisory Committee") with representation from any of the fields or groups listed in subsection (c) of this Section. The purpose of the Advisory Committee shall be to advise and provide recommendations to the Authority regarding the ILHIE. The Advisory Committee members shall serve 2-year terms. The Authority may establish other advisory committees and subcommittees to conduct the business of the Authority.

(g) Directors of the Authority, members of the Advisory Committee, and any other advisory committee and subcommittee members may be reimbursed for ordinary and contingent travel and meeting expenses for their service at the rate approved for State employee travel.

Section 20. Powers and duties of the Illinois Health Information Exchange Authority. The Authority has the following powers, together with all powers incidental or necessary to accomplish the purposes of this Act:

(1) The Authority shall create and administer the ILHIE using information systems and processes that are secure, are cost...
effective, and meet all other relevant privacy and security requirements under State and federal law.

(2) The Authority shall establish and adopt standards and requirements for the use of health information and the requirements for participation in the ILHIE by persons or entities including, but not limited to, health care providers, payors, and local health information exchanges.

(3) The Authority shall establish minimum standards for accessing the ILHIE to ensure that the appropriate security and privacy protections apply to health information, consistent with applicable federal and State standards and laws. The Authority shall have the power to suspend, limit, or terminate the right to participate in the ILHIE for non-compliance or failure to act, with respect to applicable standards and laws, in the best interests of patients, users of the ILHIE, or the public. The Authority may seek all remedies allowed by law to address any violation of the terms of participation in the ILHIE.

(4) The Authority shall identify barriers to the adoption of electronic health records systems, including researching the rates and patterns of dissemination and use of electronic health record systems throughout the State. The Authority shall make the results of the research available on its website.

(5) The Authority shall prepare educational materials and educate the general public on the benefits of electronic health records, the ILHIE, and the safeguards available to prevent unauthorized disclosure of health information.

(6) The Authority may appoint or designate an institutional review board in accordance with federal and State law to review and approve requests for research in order to ensure compliance with standards and patient privacy and security protections as specified in paragraph (3) of this Section.

(7) The Authority may enter into all contracts and agreements necessary or incidental to the performance of its powers under this Act. The Authority's expenditures of private funds are exempt from the Illinois Procurement Code, pursuant to Section 1-10 of that Act. Notwithstanding this exception, the Authority shall comply with the Business Enterprise for Minorities, Females, and Persons with Disabilities Act.
(8) The Authority may solicit and accept grants, loans, contributions, or appropriations from any public or private source and may expend those moneys, through contracts, grants, loans, or agreements, on activities it considers suitable to the performance of its duties under this Act.

(9) The Authority may determine, charge, and collect any fees, charges, costs, and expenses from any healthcare provider or entity in connection with its duties under this Act. Moneys collected under this paragraph (9) shall be deposited into the Health Information Exchange Fund.

(10) The Authority may, under the direction of the Executive Director, employ and discharge staff, including administrative, technical, expert, professional, and legal staff, as is necessary or convenient to carry out the purposes of this Act. The Authority may establish and administer standards of classification regarding compensation, benefits, duties, performance, and tenure for that staff and may enter into contracts of employment with members of that staff for such periods and on such terms as the Authority deems desirable. All employees of the Authority are exempt from the Personnel Code as provided by Section 4 of the Personnel Code.

(11) The Authority shall consult and coordinate with the Department of Public Health to further the Authority's collection of health information from health care providers for public health purposes. The collection of public health information shall include identifiable information for use by the Authority or other State agencies to comply with State and federal laws. Any identifiable information so collected shall be privileged and confidential in accordance with Sections 8-2101, 8-2102, 8-2103, 8-2104, and 8-2105 of the Code of Civil Procedure.

(12) All identified or deidentified health information in the form of health data or medical records contained in, stored in, submitted to, transferred by, or released from the Illinois Health Information Exchange, and identified or deidentified health information in the form of health data and medical records of the Illinois Health Information Exchange in the possession of the Illinois Health Information Exchange Authority due to its administration of the Illinois Health Information Exchange, shall be exempt from inspection and copying under the Freedom of

Information Act. The terms "identified" and "deidentified" shall be given the same meaning as in the Health Insurance Accountability and Portability Act of 1996, Public Law 104-191, or any subsequent amendments thereto, and any regulations promulgated thereunder.

(13) To address gaps in the adoption of, workforce preparation for, and exchange of electronic health records that result in regional and socioeconomic disparities in the delivery of care, the Authority may evaluate such gaps and provide resources as available, giving priority to healthcare providers serving a significant percentage of Medicaid or uninsured patients and in medically underserved or rural areas.

Section 25. Health Information Exchange Fund.
(a) The Health Information Exchange Fund (the "Fund") is created as a separate fund outside the State treasury. Moneys in the Fund are not subject to appropriation by the General Assembly. The State Treasurer shall be ex-officio custodian of the Fund. Revenues arising from the operation and administration of the Authority and the ILHIE shall be deposited into the Fund. Fees, charges, State and federal moneys, grants, donations, gifts, interest, or other moneys shall be deposited into the Fund. "Private funds" means gifts, donations, and private grants.
(b) The Authority is authorized to spend moneys in the Fund on activities suitable to the performance of its duties as provided in Section 20 of this Act and authorized by this Act. (c) The Illinois General Assembly may appropriate moneys to the Authority and the ILHIE, and those moneys shall be deposited into the Fund.
(d) The Fund is not subject to administrative charges or charge-backs, including but not limited to those authorized under Section 8h of the State Finance Act.
(e) The Authority's accounts and books shall be set up and maintained in accordance with the Office of the Comptroller's requirements, and the Authority's Executive Director shall be responsible for the approval of recording of receipts, approval of payments, and proper filing of required reports. The moneys held and made available by the Authority shall be subject to financial and compliance audits by the Auditor General in compliance with the Illinois State Auditing Act.

Section 30. Participation in health information systems maintained by State agencies.

(a) By no later than January 1, 2015, each State agency that implements, acquires, or upgrades health information technology systems shall use health information technology systems and products that meet minimum standards adopted by the Authority for accessing the ILHIE. State agencies that have health information which supports and develops the ILHIE shall provide access to patient-specific data to complete the patient record at the ILHIE. Notwithstanding any other provision of State law, the State agencies shall provide patient-specific data to the ILHIE.

(b) Participation in the ILHIE shall have no impact on the content of or use or disclosure of health information of patient participants that is held in locations other than the ILHIE. Such sealing or marking is unnecessary with respect to such weights and measures as may be exempted therefrom by a regulation of the Director issued pursuant to Section 8 of this Act. The Director shall condemn and may seize and may destroy weights and measures found to be "incorrect" which, in his best judgment, are not susceptible of

Sec. 40. Inspection fee; Weights and Measures Fund. The Director and each sealer shall collect and receive from the user of weights and measures a commercial weighing or measuring device inspection fee. For the use of its Metrology Laboratory, the testings of weights and measures and such other inspection and services performed, the Department shall set a fee, the amount of which shall be according to a Schedule of Weights and Measures Inspection Fees established and published by the Director. The fees so collected and received by the State shall be deposited into a special fund to be known as the Weights and Measures Fund. All weights and measures inspection fees, metrology fees, weights and measures registrations, and weights and measures penalties collected by the Department under this Act shall be deposited into the Weights and Measures Fund. The amount annually collected shall be used by the Department for activities related to the enforcement of this Act and the Motor Fuel and Petroleum Standards Act, and for the State's share of the costs of the Field Automation Information Management project. No person shall be required to pay more than 2 inspection fees for any one weighing or measuring device in any one year when found to be accurate. When an inspection is made upon a weighing or measuring device because of a complaint by a person other than the owner of such weighing or measuring device, and the device is found accurate as set forth in Section 8 of this Act, no inspection fee shall be paid by the complainant. Any time a weighing or measuring device is found to be inaccurate, the user shall pay the inspection fee.

If any person fails or refuses to pay a fee authorized by this Section, the Department may prohibit that person from using commercial weighing and measuring devices. In addition to prohibiting the use of the device, the Department may also recover interest at the rate of 1% per month from the time the payment is owed to the Department until the time the Department recovers the fee.

the Director, he shall issue to the owner or operator a certificate of calibration in which is shown the calibrated capacity of each compartment. A copy of this certificate shall accompany the vehicle tank at all times or kept on file available for examination either at the plant out of which the vehicle tank is operated or at a regional or principal Illinois office of the owner of the vehicle tank. Each compartment of a vehicle tank shall be marked with a statement of its capacity as defined by its indicator, located in a conspicuous place in letters and figures not less than one inch in height. (55 ILCS 85/12 new)

Sec. 13. Requirements for annual budget. Beginning in fiscal year 2011 and in each fiscal year thereafter, a county must detail in its annual budget (i) the amount of revenue generated from economic development project areas by source and (ii) the expenditures made by the county for economic development project areas.

Section 10. The County Economic Development Project Area Tax Increment Allocation Act of 1991 is amended by adding Section 74 as follows:

Sec. 74. Requirements for annual budget. Beginning in fiscal year 2011 and in each fiscal year thereafter, a county must detail in its annual budget (i) the amount of revenue generated from economic development project areas by source and (ii) the expenditures made by the county for economic development project areas.

Section 15. The Illinois Municipal Code is amended by changing Section 11-74.4-5 as follows:

(a) The changes made by this amendatory Act of the 91st General Assembly do not apply to a municipality that, (i) before the effective date of this amendatory Act of the 91st General Assembly, has adopted an ordinance or resolution fixing a time and place for a public hearing under this Section or (ii) before July 1, 1999, has adopted an ordinance or resolution providing for a feasibility study under Section 11-74.4-4.1, but has not yet adopted an ordinance approving redevelopment plans and redevelopment projects or designating redevelopment project areas under Section 11-74.4-4, until after that municipality adopts an ordinance approving redevelopment plans and redevelopment projects or designating redevelopment project areas under Section 11-74.4-4; thereafter the changes made by this amendatory Act of the 91st General Assembly apply to the same extent that they apply to redevelopment plans and redevelopment projects that were approved and redevelopment projects that were designated before the effective date of this amendatory Act of the 91st General Assembly.

Prior to the adoption of an ordinance proposing the designation of a redevelopment project area, or approving a redevelopment plan or redevelopment project, the municipality by its corporate authorities, or as it may determine by any commission designated under subsection (k) of
Section 11-74.4-4 shall adopt an ordinance or resolution fixing a time and place for public hearing. At least 10 days prior to the adoption of the ordinance or resolution establishing the time and place for the public hearing, the municipality shall make available for public inspection a redevelopment plan or a separate report that provides in reasonable detail the basis for the eligibility of the redevelopment project area. The report along with the name of a person to contact for further information shall be sent within a reasonable time after the adoption of such ordinance or resolution to the affected taxing districts by certified mail. On and after the effective date of this amendatory Act of the 91st General Assembly, the municipality shall print in a newspaper of general circulation within the municipality a notice that interested persons may register with the municipality in order to receive information on the proposed designation of a redevelopment project area or the approval of a redevelopment plan. The notice shall state the place of registration and the operating hours of that place. The municipality shall have adopted reasonable rules to implement this registration process under Section 11-74.4-4.2. The municipality shall provide notice of the availability of the redevelopment plan and eligibility report, including how to obtain this information, by mail within a reasonable time after the adoption of the ordinance or resolution, to all residential addresses that, after a good faith effort, the municipality determines are located outside the proposed redevelopment project area and within 750 feet of the boundaries of the proposed redevelopment project area. This requirement is subject to the limitation that in a municipality with a population of over 100,000, if the total number of residential addresses outside the proposed redevelopment project area and within 750 feet of the boundaries of the proposed redevelopment project area exceeds 750, the municipality shall be required to provide the notice to only the 750 residential addresses that, after a good faith effort, the municipality determines are outside the proposed redevelopment project area and closest to the boundaries of the proposed redevelopment project area. Notwithstanding the foregoing, notice given after August 7, 2001 (the effective date of Public Act 92-263) and before the effective date of this amendatory Act of the 92nd General Assembly to residential addresses within 750 feet of the boundaries of a proposed redevelopment project area shall be deemed to have been sufficiently given in compliance with this Act if given only to residents outside the boundaries of the proposed redevelopment project area. The notice shall also be provided by the municipality, regardless of its population, to those

New matter indicated by italics - deletions by strikeout
organizations and residents that have registered with the municipality for that information in accordance with the registration guidelines established by the municipality under Section 11-74.4-4.2.

At the public hearing any interested person or affected taxing district may file with the municipal clerk written objections to and may be heard orally in respect to any issues embodied in the notice. The municipality shall hear all protests and objections at the hearing and the hearing may be adjourned to another date without further notice other than a motion to be entered upon the minutes fixing the time and place of the subsequent hearing. At the public hearing or at any time prior to the adoption by the municipality of an ordinance approving a redevelopment plan, the municipality may make changes in the redevelopment plan. Changes which (1) add additional parcels of property to the proposed redevelopment project area, (2) substantially affect the general land uses proposed in the redevelopment plan, (3) substantially change the nature of or extend the life of the redevelopment project, or (4) increase the number of inhabited residential units to be displaced from the redevelopment project area, as measured from the time of creation of the redevelopment project area, to a total of more than 10, shall be made only after the municipality gives notice, convenes a joint review board, and conducts a public hearing pursuant to the procedures set forth in this Section and in Section 11-74.4-6 of this Act. Changes which do not (1) add additional parcels of property to the proposed redevelopment project area, (2) substantially affect the general land uses proposed in the redevelopment plan, (3) substantially change the nature of or extend the life of the redevelopment project, or (4) increase the number of inhabited residential units to be displaced from the redevelopment project area, as measured from the time of creation of the redevelopment project area, to a total of more than 10, may be made without further hearing, provided that the municipality shall give notice of any such changes by mail to each affected taxing district and registrant on the interested parties registry, provided for under Section 11-74.4-4.2, and by publication in a newspaper of general circulation within the affected taxing district. Such notice by mail and by publication shall each occur not later than 10 days following the adoption by ordinance of such changes. Hearings with regard to a redevelopment project area, project or plan may be held simultaneously.

(b) Prior to holding a public hearing to approve or amend a redevelopment plan or to designate or add additional parcels of property to a redevelopment project area, the municipality shall convene a joint review
board. The board shall consist of a representative selected by each community college district, local elementary school district and high school district or each local community unit school district, park district, library district, township, fire protection district, and county that will have the authority to directly levy taxes on the property within the proposed redevelopment project area at the time that the proposed redevelopment project area is approved, a representative selected by the municipality and a public member. The public member shall first be selected and then the board's chairperson shall be selected by a majority of the board members present and voting.

For redevelopment project areas with redevelopment plans or proposed redevelopment plans that would result in the displacement of residents from 10 or more inhabited residential units or that include 75 or more inhabited residential units, the public member shall be a person who resides in the redevelopment project area. If, as determined by the housing impact study provided for in paragraph (5) of subsection (n) of Section 11-74.4-3, or if no housing impact study is required then based on other reasonable data, the majority of residential units are occupied by very low, low, or moderate income households, as defined in Section 3 of the Illinois Affordable Housing Act, the public member shall be a person who resides in very low, low, or moderate income housing within the redevelopment project area. Municipalities with fewer than 15,000 residents shall not be required to select a person who lives in very low, low, or moderate income housing within the redevelopment project area, provided that the redevelopment plan or project will not result in displacement of residents from 10 or more inhabited units, and the municipality so certifies in the plan. If no person satisfying these requirements is available or if no qualified person will serve as the public member, then the joint review board is relieved of this paragraph's selection requirements for the public member.

Within 90 days of the effective date of this amendatory Act of the 91st General Assembly, each municipality that designated a redevelopment project area for which it was not required to convene a joint review board under this Section shall convene a joint review board to perform the duties specified under paragraph (e) of this Section.

All board members shall be appointed and the first board meeting shall be held at least 14 days but not more than 28 days after the mailing of notice by the municipality to the taxing districts as required by Section 11-74.4-6(c). Notwithstanding the preceding sentence, a municipality that
adopted either a public hearing resolution or a feasibility resolution between July 1, 1999 and July 1, 2000 that called for the meeting of the joint review board within 14 days of notice of public hearing to affected taxing districts is deemed to be in compliance with the notice, meeting, and public hearing provisions of the Act. Such notice shall also advise the taxing bodies represented on the joint review board of the time and place of the first meeting of the board. Additional meetings of the board shall be held upon the call of any member. The municipality seeking designation of the redevelopment project area shall provide administrative support to the board.

The board shall review (i) the public record, planning documents and proposed ordinances approving the redevelopment plan and project and (ii) proposed amendments to the redevelopment plan or additions of parcels of property to the redevelopment project area to be adopted by the municipality. As part of its deliberations, the board may hold additional hearings on the proposal. A board's recommendation shall be an advisory, non-binding recommendation. The recommendation shall be adopted by a majority of those members present and voting. The recommendations shall be submitted to the municipality within 30 days after convening of the board. Failure of the board to submit its report on a timely basis shall not be cause to delay the public hearing or any other step in the process of designating or amending the redevelopment project area but shall be deemed to constitute approval by the joint review board of the matters before it.

The board shall base its recommendation to approve or disapprove the redevelopment plan and the designation of the redevelopment project area or the amendment of the redevelopment plan or addition of parcels of property to the redevelopment project area on the basis of the redevelopment project area and redevelopment plan satisfying the plan requirements, the eligibility criteria defined in Section 11-74.4-3, and the objectives of this Act.

The board shall issue a written report describing why the redevelopment plan and project area or the amendment thereof meets or fails to meet one or more of the objectives of this Act and both the plan requirements and the eligibility criteria defined in Section 11-74.4-3. In the event the Board does not file a report it shall be presumed that these taxing bodies find the redevelopment project area and redevelopment plan satisfy the objectives of this Act and the plan requirements and eligibility criteria.

If the board recommends rejection of the matters before it, the municipality will have 30 days within which to resubmit the plan or amendment. During this period, the municipality will meet and confer with the board and attempt to resolve those issues set forth in the board's written report that led to the rejection of the plan or amendment.

Notwithstanding the resubmission set forth above, the municipality may commence the scheduled public hearing and either adjourn the public hearing or continue the public hearing until a date certain. Prior to continuing any public hearing to a date certain, the municipality shall announce during the public hearing the time, date, and location for the reconvening of the public hearing. Any changes to the redevelopment plan necessary to satisfy the issues set forth in the joint review board report shall be the subject of a public hearing before the hearing is adjourned if the changes would (1) substantially affect the general land uses proposed in the redevelopment plan, (2) substantially change the nature of or extend the life of the redevelopment project, or (3) increase the number of inhabited residential units to be displaced from the redevelopment project area, as measured from the time of creation of the redevelopment project area, to a total of more than 10. Changes to the redevelopment plan necessary to satisfy the issues set forth in the joint review board report shall not require any further notice or convening of a joint review board meeting, except that any changes to the redevelopment plan that would add additional parcels of property to the proposed redevelopment project area shall be subject to the notice, public hearing, and joint review board meeting requirements established for such changes by subsection (a) of Section 11-74.4-5.

In the event that the municipality and the board are unable to resolve these differences, or in the event that the resubmitted plan or amendment is rejected by the board, the municipality may proceed with the plan or amendment, but only upon a three-fifths vote of the corporate authority responsible for approval of the plan or amendment, excluding positions of members that are vacant and those members that are ineligible to vote because of conflicts of interest.

(c) After a municipality has by ordinance approved a redevelopment plan and designated a redevelopment project area, the plan may be amended and additional properties may be added to the redevelopment project area only as herein provided. Amendments which (1) add additional parcels of property to the proposed redevelopment project area, (2) substantially affect the general land uses proposed in the

Changes which do not (1) add additional parcels of property to the proposed redevelopment project area, (2) substantially affect the general land uses proposed in the redevelopment plan, (3) substantially change the nature of the redevelopment project, (4) increase the total estimated redevelopment project cost set out in the redevelopment plan by more than 5% after adjustment for inflation from the date the plan was adopted, (5) add additional redevelopment project costs to the itemized list of redevelopment project costs set out in the redevelopment plan, or (6) increase the number of inhabited residential units to be displaced from the redevelopment project area, as measured from the time of creation of the redevelopment project area, to a total of more than 10, may be made without further public hearing and related notices and procedures including the convening of a joint review board as set forth in Section 11-74.4-6 of this Act, provided that the municipality shall give notice of any such changes by mail to each affected taxing district and registrant on the interested parties registry, provided for under Section 11-74.4-4.2, and by publication in a newspaper of general circulation within the affected taxing district. Such notice by mail and by publication shall each occur not later than 10 days following the adoption by ordinance of such changes.

PUBLIC ACT 96-1336
(Senate Bill No. 3183)

AN ACT concerning government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Governmental Ethics Act is amended by changing Section 4A-106 and by adding Section 4A-108 as follows:

(5 ILCS 420/4A-106) (from Ch. 127, par. 604A-106)

Sec. 4A-106. The statements of economic interests required of persons listed in items (a) through (f), item (j), item (l), and item (n) of Section 4A-101 shall be filed with the Secretary of State. The statements of economic interests required of persons listed in items (g), (h), (i), (k), and (o) of Section 4A-101 shall be filed with the county clerk of the county in which the principal office of the unit of local government with which the person is associated is located. If it is not apparent which county the principal office of a unit of local government is located, the chief administrative officer, or his or her designee, has the authority, for purposes of this Act, to determine the county in which the principal office is located. On or before February 1 annually, (1) the chief administrative officer of any State agency in the executive, legislative, or judicial branch employing persons required to file under item (f) or item (l) of Section 4A-101 and the chief administrative officer of a board described in item (n) of Section 4A-101 shall certify to the Secretary of State the names and mailing addresses of those persons, and (2) the chief administrative officer, or his or her designee, of each unit of local government with persons described in items (h), (i) and (k) and a board described in item (o) of Section 4A-101 shall certify to the appropriate county clerk a list of names and addresses of persons described in items (h), (i), (k), and (o) of Section 4A-101 that are required to file. In preparing the lists, each chief administrative officer, or his or her designee, shall set out the names in alphabetical order.

On or before April 1 annually, the Secretary of State shall notify (1) all persons whose names have been certified to him under items (f), (l), and (n) of Section 4A-101, and (2) all persons described in items (a) through (e) and item (j) of Section 4A-101, other than candidates for office who have filed their statements with their nominating petitions, of the

requirements for filing statements of economic interests. A person required to file with the Secretary of State by virtue of more than one item among items (a) through (f) and items (j), (l), and (n) shall be notified of and is required to file only one statement of economic interests relating to all items under which the person is required to file with the Secretary of State.

On or before April 1 annually, the county clerk of each county shall notify all persons whose names have been certified to him under items (g), (h), (i), (k), and (o) of Section 4A-101, other than candidates for office who have filed their statements with their nominating petitions, of the requirements for filing statements of economic interests. A person required to file with a county clerk by virtue of more than one item among items (g), (h), (i), (k), and (o) shall be notified of and is required to file only one statement of economic interests relating to all items under which the person is required to file with that county clerk.

Except as provided in Section 4A-106.1, the notices provided for in this Section shall be in writing and deposited in the U.S. Mail, properly addressed, first class postage prepaid, on or before the day required by this Section for the sending of the notice. Alternatively, a county clerk may send the notices electronically to all persons whose names have been thus certified to him under item (h), (i), or (k) of Section 4A-101. A certificate executed by the Secretary of State or county clerk attesting that he or she has sent mailed the notice by the means permitted by this Section constitutes prima facie evidence thereof.

From the lists certified to him under this Section of persons described in items (g), (h), (i), (k), and (o) of Section 4A-101, the clerk of each county shall compile an alphabetical listing of persons required to file statements of economic interests in his office under any of those items. As the statements are filed in his office, the county clerk shall cause the fact of that filing to be indicated on the alphabetical listing of persons who are required to file statements. Within 30 days after the due dates, the county clerk shall mail to the State Board of Elections a true copy of that listing showing those who have filed statements.

The county clerk of each county shall note upon the alphabetical listing the names of all persons required to file a statement of economic interests who failed to file a statement on or before May 1. It shall be the duty of the several county clerks to give notice as provided in Section 4A-105 to any person who has failed to file his or her statement with the clerk on or before May 1.

New matter indicated by italics - deletions by strikeout
Any person who files or has filed a statement of economic interest under this Act is entitled to receive from the Secretary of State or county clerk, as the case may be, a receipt indicating that the person has filed such a statement, the date of such filing, and the identity of the governmental unit or units in relation to which the filing is required.

The Secretary of State may employ such employees and consultants as he considers necessary to carry out his duties hereunder, and may prescribe their duties, fix their compensation, and provide for reimbursement of their expenses.

All statements of economic interests filed under this Section shall be available for examination and copying by the public at all reasonable times. Not later than 12 months after the effective date of this amendatory Act of the 93rd General Assembly, beginning with statements filed in calendar year 2004, the Secretary of State shall make statements of economic interests filed with the Secretary available for inspection and copying via the Secretary's website.

(5 ILCS 420/4A-108 new)

Sec. 4A-108. Internet-based systems of filing.

(a) Notwithstanding any other provision of this Act or any other law, a county clerk is authorized to institute an Internet-based system for the filing of statements of economic interests in his or her office. The determination to institute such a system shall be in the sole discretion of the county clerk and shall meet the requirements set out in this Section. When this Section does not modify or remove the requirements set forth elsewhere in this Article, those requirements shall apply to any system of Internet-based filing authorized by this Section. When this Section does modify or remove the requirements set forth elsewhere in this Article, the provisions of this Section shall apply to any system of Internet-based filing authorized by this Section.

(b) In any system of Internet-based filing of statements of economic interests instituted by a county clerk:

(1) Any filing of an Internet-based statement of economic interests shall be the equivalent of the filing of a verified, written statement of economic interests as required by Section 4A-101 and the equivalent of the filing of a verified, dated, and signed statement of economic interests as required by Section 4A-103.

(2) A county clerk who institutes a system of Internet-based filing of statements of economic interests shall establish a
password-protected web site to receive the filings of such statements. A website established under this Section shall set forth and provide a means of responding to the items set forth in Section 4A-102 that are required of a person who files a statement of economic interests with that officer.

(3) The times for the filing of statements of economic interests set forth in Section 4A-105 shall be followed in any system of Internet-based filing of statements of economic interests; provided that a candidate for elective office who is required to file a statement of economic interests in relation to his or her candidacy pursuant to Section 4A-105(a) shall not use the Internet to file his or her statement of economic interests but shall file his or her statement of economic interests in a written or printed form and shall receive a written or printed receipt for his or her filing.

(4) Following the institution of a system of Internet-based filing of statements of economic interests by a county clerk, all persons required to file a statement of economic interests with that officer must do so through the system of Internet-based filing of statements of economic interests. As part of his or her system of Internet-based filing of statements of economic interests, a county clerk instituting such a system shall make provision for those persons who are required to file a statement of economic interests and who do not have access to the Internet. In the first year of the implementation of a system of Internet-based filing of statements of economic interests, each person required to file such a statement is to be notified in writing, by a notice deposited in the U.S. mail, properly addressed, first class postage prepaid, of his or her obligation to file his or her statement of economic interests by way of the Internet-based system instituted for that purpose. If access to the web site requires a code or password, this information shall be included in the notice prescribed by this paragraph.

(5) When a person required to file a statement of economic interests has supplied a county clerk with an email address for the purpose of receiving notices under this Article by email, a notice sent by email to the supplied email address shall be the equivalent of a notice sent by first class mail, as set forth in Section 4A-106. A person who has supplied such an email address shall notify the county clerk when his or her email address changes or if he or she no longer wishes to receive notices by email.
(6) If any person who is required to file a statement of economic interests and who has chosen to receive notices by email fails to file his or her statement by May 10, then the county clerk shall send an additional email notice on that date, informing the person that he or she has not filed and describing the penalties for late filing and failing to file. This notice shall be in addition to other notices provided for in this Article.

(7) Each county clerk who institutes a system of Internet-based filing of statements of economic interests may also institute an Internet-based process for the filing of the list of names and addresses of persons required to file statements of economic interests by the chief administrative officers of units of local government that must file such information with that county clerk pursuant to Section 4A-106. Whenever a county clerk institutes such a system under this paragraph, every unit of local government must use the system to file this information.

(8) Any county clerk who institutes a system of Internet-based filing of statements of economic interests shall post the contents of such statements filed with him or her available for inspection and copying on a publicly accessible website. Such postings shall not include the addresses of the filers.

The cargo tank vehicle must have an operating gauge on the cargo tank which indicates the amount of propane as a percent of capacity of the cargo tank. The cargo tank must have the capacity displayed on the cargo tank, or documentation of the capacity of the cargo tank must be available in the vehicle. For the purposes of this subsection, propane weighs 4.2 pounds per gallon. This subsection does not apply to municipalities. Nothing in this subsection shall allow cargo tank vehicles to cross bridges with posted weight restrictions if the vehicle exceeds the posted weight limit.

PUBLIC ACT 96-1338
(Senate Bill No. 3386)

AN ACT concerning civil law.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Probate Act of 1975 is amended by changing Sections 11-5 and 11-14.1 as follows:

(755 ILCS 5/11-5) (from Ch. 110 1/2, par. 11-5)
Sec. 11-5. Appointment of guardian.
(a) Upon the filing of a petition for the appointment of a guardian or on its own motion, the court may appoint a guardian of the estate or of both the person and estate, of a minor, or may appoint a guardian of the person only of a minor or minors, as the court finds to be in the best interest of the minor or minors.

(a-1) A parent, adoptive parent or adjudicated parent, whose parental rights have not been terminated, may designate in any writing,
including a will, a person qualified to act under Section 11-3 to be appointed as guardian of the person or estate, or both, of an unmarried minor or of a child likely to be born. A parent, adoptive parent or adjudicated parent, whose parental rights have not been terminated, or a guardian or a standby guardian of an unmarried minor or of a child likely to be born may designate in any writing, including a will, a person qualified to act under Section 11-3 to be appointed as successor guardian of the minor's person or estate, or both. The designation must be witnessed by 2 or more credible witnesses at least 18 years of age, neither of whom is the person designated as the guardian. The designation may be proved by any competent evidence. If the designation is executed and attested in the same manner as a will, it shall have prima facie validity. The designation of a guardian or successor guardian does not affect the rights of the other parent in the minor.

(b) The court lacks jurisdiction to proceed on a petition for the appointment of a guardian of a minor if it finds that (i) the minor has a living parent, adoptive parent or adjudicated parent, whose parental rights have not been terminated, whose whereabouts are known, and who is willing and able to make and carry out day-to-day child care decisions concerning the minor, unless: (1) the parent or parents voluntarily relinquished physical custody of the minor; (2) consent to the appointment or, after receiving notice of the hearing under Section 11-10.1, the parent or parents fail to object to the appointment at the hearing on the petition; or (3) the parent or parents consent to the appointment as evidenced by a written document that has been notarized and dated, or by a personal appearance and consent in open court; or (ii) there is a guardian for the minor appointed by a court of competent jurisdiction. There shall be a rebuttable presumption that a parent of a minor is willing and able to make and carry out day-to-day child care decisions concerning the minor, but the presumption may be rebutted by a preponderance of the evidence.

(b-1) If the court finds the appointment of a guardian of the minor to be in the best interest of the minor, and if a standby guardian has previously been appointed for the minor under Section 11-5.3, the court shall appoint the standby guardian as the guardian of the person or estate, or both, of the minor unless the court finds, upon good cause shown, that the appointment would no longer be in the best interest of the minor.

(c) If the minor is 14 years of age or more, the minor may nominate the guardian of the minor's person and estate, subject to approval of the court. If the minor's nominee is not approved by the court or if, after notice

(b) There is a compelling State interest in patients being promptly and clearly informed of the training and qualifications of the health care professionals who provide health care services.

(c) There is a compelling State interest in the public being protected from potentially misleading and deceptive health care advertising that might cause patients to have undue expectations regarding their treatment and outcome.

Section 10. Definitions. For purposes of this Act:

"Advertisement" denotes any communication or statement, whether printed, electronic, or oral, that names the health care professional in relation to his or her practice, profession, or institution in which the individual is employed, volunteers, or otherwise provides health care services. This includes business cards, letterhead, patient brochures, e-mail, Internet, audio, and video, and any other communication or statement used in the course of business.

"Deceptive" or "misleading" includes, but is not limited to, any advertisement or affirmative communication or representation for health care services that misstates, falsely describes, or falsely represents the
health care professional's skills, training, expertise, education, board certification, or licensure.

"Health care professional" means any person who treats human ailments and is subject to licensure or regulation by the State, including students and residents.

"Licensee" means a health care professional who holds an active license with the licensing board governing his or her practice in this State.

The advertisement shall be free from any and all deceptive or misleading information.

(b) A health care professional providing health care services in this State must conspicuously post and affirmatively communicate the professional's specific licensure by doing the following:

(1) The health care professional shall wear a name tag during all patient encounters that clearly identifies the type of license held by the health care professional, unless precluded by adopted sterilization or isolation protocols. The name tag shall be of sufficient size and be worn in a conspicuous manner so as to be visible and apparent;

(2) If the health care professional has an office in which he or she sees current or prospective patients, then the health care professional shall display in his or her office a writing that clearly identifies the type of license held by the health care professional. The writing must be of sufficient size so as to be visible and apparent to all current and prospective patients; and

(3) The health care professional must only use the licensure titles or initials authorized by his or her licensing Act, examination designations required for licensure under his or her licensing Act, or the titles authorized by the professional licensing Act for students in training.

A health care professional who practices in more than one office shall comply with these requirements in each practice setting.

(c) Health care professionals working in non-patient care settings, and who do not have any direct patient care interactions, are not subject to the provisions of subsection (b) of this Section.

The basis for this revocation of driving privileges shall be the individual's refusal to submit to or failure to complete a chemical test or tests following an arrest for the offense of driving under the influence of alcohol, other drugs, or intoxicating compounds, or any combination thereof involving a motor vehicle accident that caused personal injury or death to another, as provided in Section 11-501.1 of this Code.

(625 ILCS 5/2-118.1) (from Ch. 95 1/2, par. 2-118.1)

Sec. 2-118.1. Opportunity for hearing; statutory summary alcohol or other drug related suspension or revocation pursuant to Section 11-501.1.

(a) A statutory summary suspension or revocation of driving privileges under Section 11-501.1 shall not become effective until the person is notified in writing of the impending suspension or revocation and informed that he may request a hearing in the circuit court of venue under paragraph (b) of this Section and the statutory summary suspension or revocation shall become effective as provided in Section 11-501.1.

(b) Within 90 days after the notice of statutory summary suspension or revocation served under Section 11-501.1, the person may make a written request for a judicial hearing in the circuit court of venue. The request to the circuit court shall state the grounds upon which the person seeks to have the statutory summary suspension or revocation rescinded. Within 30 days after receipt of the written request or the first appearance date on the Uniform Traffic Ticket issued pursuant to a violation of Section 11-501, or a similar provision of a local ordinance, the hearing shall be conducted by the circuit court having jurisdiction. This judicial hearing, request, or process shall not stay or delay the statutory summary suspension or revocation. The hearings shall proceed in the court in the same manner as in other civil proceedings.

The hearing may be conducted upon a review of the law enforcement officer's own official reports; provided however, that the person may subpoena the officer. Failure of the officer to answer the subpoena shall be considered grounds for a continuance if in the court's discretion the continuance is appropriate.

The scope of the hearing shall be limited to the issues of:

1. Whether the person was placed under arrest for an offense as defined in Section 11-501, or a similar provision of a local ordinance, as evidenced by the issuance of a Uniform Traffic

Ticket, or issued a Uniform Traffic Ticket out of state as provided in subsection (a) of Section 11-501.1; and

2. Whether the officer had reasonable grounds to believe that the person was driving or in actual physical control of a motor vehicle upon a highway while under the influence of alcohol, other drug, or combination of both; and

3. Whether the officer, after being advised by the officer that the privilege to operate a motor vehicle would be suspended or revoked if the person refused to submit to and complete the test or tests, did refuse to submit to or complete the test or tests to determine the person's alcohol or drug concentration; or

4. Whether the person, after being advised by the officer that the privilege to operate a motor vehicle would be suspended if the person submits to a chemical test, or tests, and the test discloses an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or compound in the person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound as listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, and the person did submit to and complete the test or tests that determined an alcohol concentration of 0.08 or more.

5. If the person's driving privileges were revoked, whether the person was involved in a motor vehicle accident that caused Type A injury or death to another.

Upon the conclusion of the judicial hearing, the circuit court shall sustain or rescind the statutory summary suspension or revocation and immediately notify the Secretary of State. Reports received by the Secretary of State under this Section shall be privileged information and for use only by the courts, police officers, and Secretary of State.

Sec. 6-106.1a. Cancellation of school bus driver permit; trace of alcohol.

(a) A person who has been issued a school bus driver permit by the Secretary of State in accordance with Section 6-106.1 of this Code and who drives or is in actual physical control of a school bus or any other vehicle owned or operated by or for a public or private school, or a school

operated by a religious institution, when the vehicle is being used over a regularly scheduled route for the transportation of persons enrolled as students in grade 12 or below, in connection with any activity of the entities listed, upon the public highways of this State shall be deemed to have given consent to a chemical test or tests of blood, breath, or urine for the purpose of determining the alcohol content of the person's blood if arrested, as evidenced by the issuance of a Uniform Traffic Ticket for any violation of this Code or a similar provision of a local ordinance, if a police officer has probable cause to believe that the driver has consumed any amount of an alcoholic beverage based upon evidence of the driver's physical condition or other first hand knowledge of the police officer. The test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered.

(b) A person who is dead, unconscious, or who is otherwise in a condition rendering that person incapable of refusal, shall be deemed not to have withdrawn the consent provided by paragraph (a) of this Section and the test or tests may be administered subject to the following provisions:

1. Chemical analysis of the person's blood, urine, breath, or other substance, to be considered valid under the provisions of this Section, shall have been performed according to standards promulgated by the Department of State Police by an individual possessing a valid permit issued by the Department of State Police for this purpose. The Director of State Police is authorized to approve satisfactory techniques or methods, to ascertain the qualifications and competence of individuals to conduct analyses, to issue permits that shall be subject to termination or revocation at the direction of the Department of State Police, and to certify the accuracy of breath testing equipment. The Department of State Police shall prescribe rules as necessary.

2. When a person submits to a blood test at the request of a law enforcement officer under the provisions of this Section, only a physician authorized to practice medicine, a registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician may withdraw blood for the
purpose of determining the alcohol content. This limitation does not apply to the taking of breath or urine specimens.

(3) The person tested may have a physician, qualified technician, chemist, registered nurse, or other qualified person of his or her own choosing administer a chemical test or tests in addition to any test or tests administered at the direction of a law enforcement officer. The test administered at the request of the person may be admissible into evidence at a hearing conducted in accordance with Section 2-118 of this Code. The failure or inability to obtain an additional test by a person shall not preclude the consideration of the previously performed chemical test.

(4) Upon a request of the person who submits to a chemical test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to the person or that person's attorney by the requesting law enforcement agency within 72 hours of receipt of the test result.

(5) Alcohol concentration means either grams of alcohol per 100 milliliters of blood or grams of alcohol per 210 liters of breath.

(6) If a driver is receiving medical treatment as a result of a motor vehicle accident, a physician licensed to practice medicine, registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician shall withdraw blood for testing purposes to ascertain the presence of alcohol upon the specific request of a law enforcement officer. However, that testing shall not be performed until, in the opinion of the medical personnel on scene, the withdrawal can be made without interfering with or endangering the well-being of the patient.

(c) A person requested to submit to a test as provided in this Section shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test, or submission to the test resulting in an alcohol concentration of more than 0.00, may result in the loss of that person's privilege to possess a school bus driver permit. The loss of the individual's privilege to possess a school bus driver permit shall be imposed in accordance with Section 6-106.1b of this Code.

(d) If the person refuses testing or submits to a test that discloses an alcohol concentration of more than 0.00, the law enforcement officer shall immediately submit a sworn report to the Secretary of State on a
form prescribed by the Secretary of State certifying that the test or tests were requested under subsection (a) and the person refused to submit to a test or tests or submitted to testing which disclosed an alcohol concentration of more than 0.00. The law enforcement officer shall submit the same sworn report when a person who has been issued a school bus driver permit and who was operating a school bus or any other vehicle owned or operated by or for a public or private school, or a school operated by a religious institution, when the vehicle is being used over a regularly scheduled route for the transportation of persons enrolled as students in grade 12 or below, in connection with any activity of the entities listed, submits to testing under Section 11-501.1 of this Code and the testing discloses an alcohol concentration of more than 0.00 and less than the alcohol concentration at which driving or being in actual physical control of a motor vehicle is prohibited under paragraph (1) of subsection (a) of Section 11-501.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall enter the school bus driver permit sanction on the individual's driving record and the sanction shall be effective on the 46th day following the date notice of the sanction was given to the person.

The law enforcement officer submitting the sworn report shall serve immediate notice of this school bus driver permit sanction on the person and the sanction shall be effective on the 46th day following the date notice was given.

In cases where the blood alcohol concentration of more than 0.00 is established by a subsequent analysis of blood or urine, the police officer or arresting agency shall give notice as provided in this Section or by deposit in the United States mail of that notice in an envelope with postage prepaid and addressed to that person at his or her last known address and the loss of the school bus driver permit shall be effective on the 46th day following the date notice was given.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall also give notice of the school bus driver permit sanction to the driver and the driver's current employer by mailing a notice of the effective date of the sanction to the individual. However, shall the sworn report be defective by not containing sufficient information or be completed in error, the notice of the school bus driver permit sanction may not be mailed to the person or his current employer or entered to the driving record, but rather the sworn report shall be returned to the issuing law enforcement agency.

New matter indicated by italics - deletions by strikeout
(e) A driver may contest this school bus driver permit sanction by requesting an administrative hearing with the Secretary of State in accordance with Section 2-118 of this Code. An individual whose blood alcohol concentration is shown to be more than 0.00 is not subject to this Section if he or she consumed alcohol in the performance of a religious service or ceremony. An individual whose blood alcohol concentration is shown to be more than 0.00 shall not be subject to this Section if the individual's blood alcohol concentration resulted only from ingestion of the prescribed or recommended dosage of medicine that contained alcohol. The petition for that hearing shall not stay or delay the effective date of the impending suspension. The scope of this hearing shall be limited to the issues of:

(1) whether the police officer had probable cause to believe that the person was driving or in actual physical control of a school bus or any other vehicle owned or operated by or for a public or private school, or a school operated by a religious institution, when the vehicle is being used over a regularly scheduled route for the transportation of persons enrolled as students in grade 12 or below, in connection with any activity of the entities listed, upon the public highways of the State and the police officer had reason to believe that the person was in violation of any provision of this Code or a similar provision of a local ordinance; and

(2) whether the person was issued a Uniform Traffic Ticket for any violation of this Code or a similar provision of a local ordinance; and

(3) whether the police officer had probable cause to believe that the driver had consumed any amount of an alcoholic beverage based upon the driver's physical actions or other first-hand knowledge of the police officer; and

(4) whether the person, after being advised by the officer that the privilege to possess a school bus driver permit would be canceled if the person refused to submit to and complete the test or tests, did refuse to submit to or complete the test or tests to determine the person's alcohol concentration; and

(5) whether the person, after being advised by the officer that the privileges to possess a school bus driver permit would be canceled if the person submits to a chemical test or tests and the test or tests disclose an alcohol concentration of more than 0.00
and the person did submit to and complete the test or tests that determined an alcohol concentration of more than 0.00; and

(6) whether the test result of an alcohol concentration of more than 0.00 was based upon the person's consumption of alcohol in the performance of a religious service or ceremony; and

(7) whether the test result of an alcohol concentration of more than 0.00 was based upon the person's consumption of alcohol through ingestion of the prescribed or recommended dosage of medicine.

The Secretary of State may adopt administrative rules setting forth circumstances under which the holder of a school bus driver permit is not required to appear in person at the hearing.

Provided that the petitioner may subpoena the officer, the hearing may be conducted upon a review of the law enforcement officer's own official reports. Failure of the officer to answer the subpoena shall be grounds for a continuance if, in the hearing officer's discretion, the continuance is appropriate. At the conclusion of the hearing held under Section 2-118 of this Code, the Secretary of State may rescind, continue, or modify the school bus driver permit sanction.

(f) The results of any chemical testing performed in accordance with subsection (a) of this Section are not admissible in any civil or criminal proceeding, except that the results of the testing may be considered at a hearing held under Section 2-118 of this Code. However, the results of the testing may not be used to impose driver's license sanctions under Section 11-501.1 of this Code. A law enforcement officer may, however, pursue a statutory summary suspension or revocation of driving privileges under Section 11-501.1 of this Code if other physical evidence or first hand knowledge forms the basis of that suspension or revocation.

(g) This Section applies only to drivers who have been issued a school bus driver permit in accordance with Section 6-106.1 of this Code at the time of the issuance of the Uniform Traffic Ticket for a violation of this Code or a similar provision of a local ordinance, and a chemical test request is made under this Section.

(h) The action of the Secretary of State in suspending, revoking, canceling, or denying any license, permit, registration, or certificate of title shall be subject to judicial review in the Circuit Court of Sangamon County or in the Circuit Court of Cook County, and the provisions of the Administrative Review Law and its rules are hereby adopted and shall

apply to and govern every action for the judicial review of final acts or decisions of the Secretary of State under this Section.

Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(iii) a suspension pursuant to Section 6-203.1;

arising out of separate occurrences; or

(B) a person has been convicted of one violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide where the use of alcohol or other drugs was recited as an element of the offense, or a similar provision of a law of another state; that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the petitioner to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(c-6) If a person is convicted of a second violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 relating to the offense of reckless homicide or a similar out-of-state offense, the person's driving privileges shall be revoked pursuant to subdivision (a)(15) of this Section. The person may not make application for a license or permit until the expiration of five years from the effective date of the revocation or the expiration of five years from the date of release from a term of imprisonment, whichever is later.

(c-7) If a person is convicted of a third or subsequent violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 relating to the offense of reckless homicide or a similar out-of-state offense, the person may never apply for a license or permit.

After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may reinstate the petitioner's driver's license and driving privileges, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(A) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(B) a statutory summary suspension or revocation under Section 11-501.1; or

(C) a suspension pursuant to Section 6-203.1; arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it
has been equipped with an ignition interlock device as defined in Section 1-129.1.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against driving a vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(6) A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit.

(d-5) The revocation of the license, permit, or driving privileges of a person convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961, relating to the offense of reckless homicide, or a similar provision of a law of another state, is permanent. The Secretary may not, at any time, issue a license or permit to that person.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by a person who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The person must pay to the
Secretary of State DUI Administration Fund an amount not to exceed $30 for each month that he or she uses the device. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system, the amount of the fee, and the procedures, terms, and conditions relating to these fees.

The affidavit shall also state the number of offenses committed while operating a vehicle in connection with the driver's regular occupation. The affidavit shall be accompanied by the driver's license. Upon receipt of a properly completed affidavit, the Secretary of State shall issue the driver a permit to operate a vehicle in connection with the driver's regular occupation only. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children living in the petitioner's household to and from daycare. The petitioner must demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(A) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B) If a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension under Section 6-203.1; arising out of separate occurrences; that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(C) The person issued a permit conditioned upon the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(D) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(E) In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961, where the use of alcohol or other drugs is recited as an element of the offense, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.
(c-3) In the case of a suspension under paragraph 43 of subsection (a), reports received by the Secretary of State under this Section shall, except during the actual time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the driver licensing administrator of any other state, the Secretary of State, or the parent or legal guardian of a driver under the age of 18. However, beginning January 1, 2008, if the person is a CDL holder, the suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request.

(c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 21 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

(f) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended, revoked, cancelled, or disqualified under any provisions of this Code.

Sec. 6-520. CDL disqualification or out-of-service order; hearing.

(a) A disqualification of commercial driving privileges by the Secretary of State, pursuant to this UCDLA, shall not become effective until the person is notified in writing, by the Secretary, of the impending disqualification and advised that a CDL hearing may be requested of the Secretary if the stop or arrest occurred in a commercial motor vehicle.

(b) Upon receipt of: the notice of a CDL disqualification not based upon a conviction; an out-of-service order; or notification that a CDL disqualification is forthcoming, the person may make a written petition in a form, approved by the Secretary of State, for a CDL hearing with the Secretary if the stop or arrest occurred in a commercial motor vehicle. Such petition must state the grounds upon which the person seeks to have the CDL disqualification rescinded or the out-of-service order removed from the person's driving record. Within 10 days after the receipt of such petition, it shall be reviewed by the Director of the Department of Administrative Hearings, Office of the Secretary of State, or by an appointed designee. If it is determined that the petition on its face does not state grounds upon which the relief may be based, the petition for a CDL hearing shall be denied and the disqualification shall become effective as

if no petition had been filed and the out-of-service order shall be sustained. If such petition is so denied, the person may submit another petition.

(c) The scope of a CDL hearing, for any disqualification imposed pursuant to paragraphs (1) and (2) of subsection (a) of Section 6-514, resulting from the operation of a commercial motor vehicle, shall be limited to the following issues:

1. Whether the person was operating a commercial motor vehicle;
2. Whether, after making the initial stop, the police officer had probable cause to issue a Sworn Report;
3. Whether the person was verbally warned of the ensuing consequences prior to submitting to any type of chemical test or tests to determine such person's blood concentration of alcohol, other drug, or both;
4. Whether the person did refuse to submit to or failed to complete the chemical testing or did submit to such test or tests and such test or tests disclosed an alcohol concentration of at least 0.04 or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act or a controlled substance listed in the Illinois Controlled Substances Act or methamphetamine as listed in the Methamphetamine Control and Community Protection Act in the person's system;
5. Whether the person was warned that if the test or tests disclosed an alcohol concentration of 0.08 or more or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act or a controlled substance listed in the Illinois Controlled Substances Act or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, such results could be admissible in a subsequent prosecution under Section 11-501 of this Code or similar provision of local ordinances; and
6. Whether such results could not be used to impose any driver's license sanctions pursuant to Section 11-501.1.

Upon the conclusion of the above CDL hearing, the CDL disqualification imposed shall either be sustained or rescinded.

(d) The scope of a CDL hearing for any out-of-service sanction, imposed pursuant to Section 6-515, shall be limited to the following issues:

New matter indicated by italics - deletions by strikeout
1. Whether the person was driving a commercial motor vehicle;

Whether, while driving such commercial motor vehicle, the person had alcohol or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act or a controlled substance listed in the Illinois Controlled Substances Act or methamphetamine as listed in the Methamphetamine Control and Community Protection Act in such person's system;

3. Whether the person was verbally warned of the ensuing consequences prior to being asked to submit to any type of chemical test or tests to determine such person's alcohol, other drug, or both, concentration; and

4. Whether, after being so warned, the person did refuse to submit to or failed to complete such chemical test or tests or did submit to such test or tests and such test or tests disclosed an alcohol concentration greater than 0.00 or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act or a controlled substance listed in the Illinois Controlled Substances Act or methamphetamine as listed in the Methamphetamine Control and Community Protection Act.

Upon the conclusion of the above CDL hearing, the out-of-service sanction shall either be sustained or removed from the person's driving record.

(e) If any person petitions for a hearing relating to any CDL disqualification based upon a conviction, as defined in this UCDLA, said hearing shall not be conducted as a CDL hearing, but shall be conducted as any other driver's license hearing, whether formal or informal, as promulgated in the rules and regulations of the Secretary.

(f) Any evidence of alcohol or other drug consumption, for the purposes of this UCDLA, shall be sufficient probable cause for requesting the driver to submit to a chemical test or tests to determine the presence of alcohol, other drug, or both in the person's system and the subsequent issuance of an out-of-service order or a Sworn Report by a police officer.

(g) For the purposes of this UCDLA, a CDL "hearing" shall mean a hearing before the Office of the Secretary of State in accordance with Section 2-118 of this Code, for the purpose of resolving differences or disputes specifically related to the scope of the issues identified in this

(h) The CDL hearing may be conducted upon a review of the police officer's own official reports; provided however, that the petitioner may subpoena the officer. Failure of the officer to answer the subpoena shall be grounds for a continuance.

(i) Any CDL disqualification based upon a statutory summary suspension or revocation resulting from an arrest of a CDL holder while operating a non-commercial motor vehicle, may only be contested by filing a petition to contest the statutory summary suspension or revocation in the appropriate circuit court as provided for in Section 2-118.1 of this Code.

Sec. 11-501.1. Suspension of drivers license; statutory summary alcohol, other drug or drugs, or intoxicating compound or compounds related suspension or revocation; implied consent.

(a) Any person who drives or is in actual physical control of a motor vehicle upon the public highways of this State shall be deemed to have given consent, subject to the provisions of Section 11-501.2, to a chemical test or tests of blood, breath, or urine for the purpose of determining the content of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof in the person's blood if arrested, as evidenced by the issuance of a Uniform Traffic Ticket, for any offense as defined in Section 11-501 or a similar provision of a local ordinance, or if arrested for violating Section 11-401. The test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered. For purposes of this Section, an Illinois law enforcement officer of this State who is investigating the person for any offense defined in Section 11-501 may travel into an adjoining state, where the person has been transported for medical care, to complete an investigation and to request that the person submit to the test or tests set forth in this Section. The requirements of this Section that the person be arrested are inapplicable, but the officer shall issue the person a Uniform Traffic Ticket for an offense as defined in Section 11-501 or a similar provision of a local ordinance prior to requesting that the person submit to the test or tests. The issuance of the Uniform Traffic Ticket shall not constitute an arrest, but shall be for the purpose of notifying the person that he or she is subject to the provisions of this Section and of the officer's belief of the existence of probable cause to arrest. Upon returning to this State, the officer shall file the Uniform Traffic Ticket with the Circuit Clerk of the county where the offense was committed, and shall seek the issuance of an arrest warrant or a summons for the person.

(b) Any person who is dead, unconscious, or who is otherwise in a condition rendering the person incapable of refusal, shall be deemed not to have withdrawn the consent provided by paragraph (a) of this Section and
the test or tests may be administered, subject to the provisions of Section 11-501.2.

(c) A person requested to submit to a test as provided above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test will result in the statutory summary suspension of the person's privilege to operate a motor vehicle, as provided in Section 6-208.1 of this Code, and will also result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder. The person shall also be warned that a refusal to submit to the test, when the person was involved in a motor vehicle accident that caused personal injury or death to another, will result in the statutory summary revocation of the person's privilege to operate a motor vehicle, as provided in Section 6-208.1, and will also result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder. The person shall also be warned by the law enforcement officer that if the person submits to the test or tests provided in paragraph (a) of this Section and the alcohol concentration in the person's blood or breath is 0.08 or greater, or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis as covered by the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act is detected in the person's blood or urine, a statutory summary suspension of the person's privilege to operate a motor vehicle, as provided in Sections 6-208.1 and 11-501.1 of this Code, and a disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder, will be imposed.

A person who is under the age of 21 at the time the person is requested to submit to a test as provided above shall, in addition to the warnings provided for in this Section, be further warned by the law enforcement officer requesting the test that if the person submits to the test or tests provided in paragraph (a) of this Section and the alcohol concentration in the person's blood or breath is greater than 0.00 and less than 0.08, a suspension of the person's privilege to operate a motor vehicle, as provided under Sections 6-208.2 and 11-501.8 of this Code, will be imposed. The results of this test shall be admissible in a civil or
criminal action or proceeding arising from an arrest for an offense as defined in Section 11-501 of this Code or a similar provision of a local ordinance or pursuant to Section 11-501.4 in prosecutions for reckless homicide brought under the Criminal Code of 1961. These test results, however, shall be admissible only in actions or proceedings directly related to the incident upon which the test request was made.

(d) If the person refuses testing or submits to a test that discloses an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound in the person's breath, blood, or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, the law enforcement officer shall immediately submit a sworn report to the circuit court of venue and the Secretary of State, certifying that the test or tests was or were requested under paragraph (a) and the person refused to submit to a test, or tests, or submitted to testing that disclosed an alcohol concentration of 0.08 or more.

If the person is a first offender as defined in Section 11-500 of this Code, and is not convicted of a violation of Section 11-501 of this Code or a similar provision of a local ordinance, then reports received by the Secretary of State under this Section shall, except during the actual time the Statutory Summary Suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities or the Secretary of State. However, beginning January 1, 2008, if the person is a CDL holder, the statutory summary suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request. Reports received by the Secretary of State under this Section shall also be made available to the parent or guardian of a person under the age of 18 years that holds an instruction permit or a graduated driver's license, regardless of whether the statutory

(f) The law enforcement officer submitting the sworn report under paragraph (d) shall serve immediate notice of the statutory summary suspension or revocation on the person and the suspension or revocation and disqualification shall be effective as provided in paragraph (g). In cases where the blood alcohol concentration of 0.08 or greater or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis as covered by the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act is established by a subsequent analysis of blood or urine collected at the time of arrest, the arresting officer or arresting agency shall give notice as provided in this Section or by deposit in the United States mail of the notice in an envelope with postage prepaid and addressed to the person at his address as shown on the Uniform Traffic Ticket and the statutory summary suspension and disqualification shall begin as provided in paragraph (g). (a) Any person who drives or is in actual control of a motor vehicle upon the public highways of this State and who has been involved in a personal injury or fatal motor vehicle accident, shall be deemed to have given consent to a breath test using a portable device as approved by the Department of State Police or to a chemical test or tests of blood, breath, or urine for the purpose of determining the content of alcohol, other drug or drugs, or intoxicating compound or compounds of such person's blood if arrested as evidenced by the issuance of a Uniform Traffic Ticket for any violation of the Illinois Vehicle Code or a similar provision of a local ordinance, with the exception of equipment violations contained in Chapter 12 of this Code, or similar provisions of local ordinances. The test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the aforesaid tests shall be administered. New matter indicated by italics - deletions by strikeout
(b) Any person who is dead, unconscious or who is otherwise in a condition rendering such person incapable of refusal shall be deemed not to have withdrawn the consent provided by subsection (a) of this Section. In addition, if a driver of a vehicle is receiving medical treatment as a result of a motor vehicle accident, any physician licensed to practice medicine, registered nurse or a phlebotomist acting under the direction of a licensed physician shall withdraw blood for testing purposes to ascertain the presence of alcohol, other drug or drugs, or intoxicating compound or compounds, upon the specific request of a law enforcement officer. However, no such testing shall be performed until, in the opinion of the medical personnel on scene, the withdrawal can be made without interfering with or endangering the well-being of the patient.

(c) A person requested to submit to a test as provided above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test, or submission to the test resulting in an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound resulting from the unlawful use or consumption of cannabis, as covered by the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act as detected in such person's blood or urine, may result in the suspension of such person's privilege to operate a motor vehicle and may result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder. The length of the suspension shall be the same as outlined in Section 6-208.1 of this Code regarding statutory summary suspensions.

(d) If the person refuses testing or submits to a test which discloses an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound in such person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, the law enforcement officer shall immediately submit a sworn report to the Secretary of State on a form prescribed by the Secretary, certifying that the test or tests were requested pursuant to subsection (a) and the person refused to submit to a test or tests or submitted to testing which disclosed
an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound in such person's blood or urine, resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act.

Upon receipt of the sworn report of a law enforcement officer, the Secretary shall enter the suspension and disqualification to the individual's driving record and the suspension and disqualification shall be effective on the 46th day following the date notice of the suspension was given to the person.

The law enforcement officer submitting the sworn report shall serve immediate notice of this suspension on the person and such suspension and disqualification shall be effective on the 46th day following the date notice was given.

In cases where the blood alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound resulting from the unlawful use or consumption of cannabis as listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, is established by a subsequent analysis of blood or urine collected at the time of arrest, the arresting officer shall give notice as provided in this Section or by deposit in the United States mail of such notice in an envelope with postage prepaid and addressed to such person at his address as shown on the Uniform Traffic Ticket and the suspension and disqualification shall be effective on the 46th day following the date notice was given.

Upon receipt of the sworn report of a law enforcement officer, the Secretary shall also give notice of the suspension and disqualification to the driver by mailing a notice of the effective date of the suspension and disqualification to the individual. However, should the sworn report be defective by not containing sufficient information or be completed in error, the notice of the suspension and disqualification shall not be mailed to the person or entered to the driving record, but rather the sworn report shall be returned to the issuing law enforcement agency.

(e) A driver may contest this suspension of his or her driving privileges and disqualification of his or her CDL privileges by requesting
an administrative hearing with the Secretary in accordance with Section 2-118 of this Code. At the conclusion of a hearing held under Section 2-118 of this Code, the Secretary may rescind, continue, or modify the orders of suspension and disqualification. If the Secretary does not rescind the orders of suspension and disqualification, a restricted driving permit may be granted by the Secretary upon application being made and good cause shown. A restricted driving permit may be granted to relieve undue hardship to allow driving for employment, educational, and medical purposes as outlined in Section 6-206 of this Code. The provisions of Section 6-206 of this Code shall apply. In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended, revoked, cancelled, or disqualified.

(f) (Blank).

(g) For the purposes of this Section, a personal injury shall include any type A injury as indicated on the traffic accident report completed by a law enforcement officer that requires immediate professional attention in either a doctor's office or a medical facility. A type A injury shall include severely bleeding wounds, distorted extremities, and injuries that require the injured party to be carried from the scene.

(b) A person who is dead, unconscious, or who is otherwise in a condition rendering that person incapable of refusal, shall be deemed not to have withdrawn the consent provided by paragraph (a) of this Section and the test or tests may be administered subject to the following provisions:

(i) Chemical analysis of the person's blood, urine, breath, or other bodily substance, to be considered valid under the provisions of this Section, shall have been performed according to standards promulgated by the Department of State Police by an individual possessing a valid permit issued by that Department for this purpose. The Director of State Police is authorized to approve satisfactory techniques or methods, to ascertain the qualifications and competence of individuals to conduct analyses, to issue permits that shall be subject to termination or revocation at the direction of that Department, and to certify the accuracy of breath testing equipment. The Department of State Police shall prescribe regulations as necessary.

(ii) When a person submits to a blood test at the request of a law enforcement officer under the provisions of this Section, only a physician authorized to practice medicine, a registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician may withdraw blood for the purpose of determining the alcohol content therein. This limitation does not apply to the taking of breath or urine specimens.

(iii) The person tested may have a physician, qualified technician, chemist, registered nurse, or other qualified person of his or her own choosing administer a chemical test or tests in addition to any test or tests administered at the direction of a law enforcement officer. (v) Alcohol concentration means either grams of alcohol per 100 milliliters of blood or grams of alcohol per 210 liters of breath.

(vi) If a driver is receiving medical treatment as a result of a motor vehicle accident, a physician licensed to practice medicine, registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician shall withdraw blood for testing purposes to ascertain the presence of alcohol upon the specific request of a law enforcement officer. However, that testing shall not be performed until, in the opinion of the medical personnel on scene, the withdrawal can be made without interfering with or endangering the well-being of the patient.

(c) A person requested to submit to a test as provided above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test, or submission to the test resulting in an alcohol concentration of more than 0.00, may result in the loss of that person's privilege to operate a motor vehicle and may result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder. The loss of driving privileges shall be imposed in accordance with Section 6-208.2 of this Code.

(d) If the person refuses testing or submits to a test that discloses an alcohol concentration of more than 0.00, the law enforcement officer shall immediately submit a sworn report to the Secretary of State on a form prescribed by the Secretary of State, certifying that the test or tests were requested under subsection (a) and the person refused to submit to a test or tests or submitted to testing which disclosed an alcohol concentration of more than 0.00. Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall enter the suspension and disqualification on the individual's driving record and the suspension and disqualification shall be effective on the 46th day following the date notice of the suspension was given to the person. If this suspension is the individual's first driver's license suspension under this Section, reports received by the Secretary of State under this Section shall, except during the time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the Secretary of State, or the individual personally. However, beginning January 1, 2008, if the person is a CDL

The petition for that hearing shall not stay or delay the effective date of the impending suspension. The scope of this hearing shall be limited to the issues of:

(2) whether the person was issued a Uniform Traffic Ticket for any violation of the Illinois Vehicle Code or a similar provision of a local ordinance; and

The provisions of item (3) of part (c) of Section 6-206 of this Code and of subsection (f) of that Section shall apply. The Secretary of State shall promulgate rules providing for participation in an alcohol education and awareness program or activity, a drug education and awareness program or activity, or both as a condition to the issuance of a restricted driving permit for suspensions imposed under this Section.

(f) The results of any chemical testing performed in accordance with subsection (a) of this Section are not admissible in any civil or criminal proceeding, except that the results of the testing may be considered at a hearing held under Section 2-118 of this Code. However, the results of the testing may not be used to impose driver's license sanctions under Section 11-501.1 of this Code. A law enforcement officer may, however, pursue a statutory summary suspension or revocation of driving privileges under Section 11-501.1 of this Code if other physical evidence or first hand knowledge forms the basis of that suspension or revocation.

(g) This Section applies only to drivers who are under age 21 at the time of the issuance of a Uniform Traffic Ticket for a violation of the Illinois Vehicle Code or a similar provision of a local ordinance, and a chemical test request is made under this Section.

Section 99. Effective date. This Act takes effect July 1, 2011.
Effective July 1, 2011.

PUBLIC ACT 96-1345
(Senate Bill No. 3747)

AN ACT concerning real property.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Transfer Fee Covenant Act.

Section 5. Legislative findings. The General Assembly finds and declares that the public policy of this State favors the marketability of real property and the transferability of interests in real property free of title defects or unreasonable restraints on alienation. The General Assembly further finds and declares that transfer fee covenants violate this public policy by impairing the marketability and transferability of real property and by constituting an unreasonable restraint on alienation regardless of the duration of the covenants or the amount of the transfer fees, and do not run with the title to the property or bind subsequent owners of the property under common law or equitable principles.

Section 10. Definitions. As used in this Act:
"Transfer" means the sale, gift, conveyance, assignment, inheritance, or other transfer of an ownership interest in real property located in this State.
"Transfer fee" means a fee or charge required by a transfer fee covenant and payable upon the transfer of an interest in real property, or payable for the right to make or accept such transfer, regardless of whether the fee or charge is a fixed amount or is determined as a percentage of the

New matter indicated by italics - deletions by strikeout
value of the property, the purchase price, or other consideration given for
the transfer. The following are not transfer fees for purposes of this Act:

(1) any consideration payable by the grantee to the grantor
for the interest in real property being transferred, including any
subsequent additional consideration for the property payable by the
grantee based upon any subsequent appreciation, development, or
sale of the property. For the purposes of this paragraph (1), an
interest in real property may include a separate mineral estate and
its appurtenant surface access rights;

(2) any commission payable to a licensed real estate broker
for the transfer of real property under an agreement between the
broker and the grantor or the grantee, including any subsequent
additional commission for that transfer payable by the grantor or
the grantee based upon any subsequent appreciation, development,
or sale of the property;

(3) any interest, charges, fees, or other amounts payable by
a borrower to a lender under a loan secured by a mortgage against
real property, including but not limited to any fee payable to the
lender for consenting to an assumption of the loan or a transfer of
the real property subject to the mortgage, any fees or charges
payable to the lender for estoppel letters or certificates, and any
other consideration allowed by law and payable to the lender in
connection with the loan;

(4) any rent, reimbursement, charge, fee, or other amount
payable by a lessee to a lessor under a lease, including but not
limited to any fee payable to the lessor for consenting to an
assignment, subletting, encumbrance, or transfer of the lease;

(5) any consideration payable to the holder of an option to
purchase an interest in real property or the holder of a right of first
refusal or first offer to purchase an interest in real property for
waiving, releasing, or not exercising the option or right upon the
transfer of the property to another person;

(6) any tax, fee, charge, assessment, fine, or other amount
payable to or imposed by a governmental authority, as long as such
tax, fee, charge, assessment, fine, or other amount payable is not
imposed or payable by virtue of a covenant or declaration;

(7) any fee, charge, assessment, fine, or other amount
payable to a homeowners', condominium, cooperative, mobile
home, or property owners' association pursuant to a declaration or

New matter indicated by italics - deletions by strikeout
covenant or law applicable to such association, including, but not limited to, fees or charges payable for estoppel letters or certificates issued by the association or its authorized agent; or

(8) Any fee, charge, assessment or other amount payable to an entity exempt from taxation under Section 501(c)(3) of the Internal Revenue Code whose purpose includes the conservation of land, natural areas, open space or water areas or the preservation of native plants or animals, biotic communities or geographic formations located within the same subdivision or planned unit development or within one-half mile of the real property to which the transfer fee covenant attaches for the exclusive or non-exclusive use and benefit of the owners of that real property.

"Transfer fee covenant" means a declaration or covenant purporting to affect real property which requires or purports to require the payment of a transfer fee to the declarant or other person specified in the declaration or covenant or to their successors or assigns upon a subsequent transfer of an interest in the real property.

Section 15. Transfer fee covenant prohibition. A transfer fee covenant recorded in this State on or after the effective date of this Act shall not run with the title to real property and is not binding on or enforceable at law or in equity against any subsequent owner, purchaser, or mortgagee of any interest in real property as an equitable servitude or otherwise. Any lien purporting to secure the payment of a transfer fee under a transfer fee covenant recorded in this State on or after the effective date of this Act is void and unenforceable. This Section does not mean that a transfer fee covenant or lien recorded in this State before the effective date of this Act is presumed valid and enforceable.

Effective January 1, 2011.

term. If, during a recess of the Senate, there is a vacancy in the office of
the Toll Highway Inspector General, the Governor shall make a
temporary appointment until the next meeting of the Senate when the
Governor shall make a nomination to fill that office. No person rejected
for the office of the Toll Highway Inspector General shall, except by the
Senate's request, be nominated again for that office at the same session of
the Senate or be appointed to that office during a recess of that Senate.
The Governor may not appoint a relative, as defined by item (6) of Section
10-15 of the State Officials and Employees Ethics Act, as the Toll
Highway Inspector General. The Toll Highway Inspector General may be
removed only for cause and may be removed only by the Governor.

(b) The Toll Highway Inspector General shall have the following
qualifications:

(1) has not been convicted of any felony under the laws of
this State, another state, or the United States;

(2) has earned a baccalaureate degree from an institution
of higher education; and

(3) has 5 or more years of cumulative service (i) with a
federal, state, or local law enforcement agency, at least 2 years of
which have been in a progressive investigatory capacity; (ii) as a
federal, state, or local prosecutor; (iii) as a federal or state judge
with a criminal docket; (iv) as a senior manager or executive of a
federal, state, or local agency; or (v) representing any combination
of (i) through (iv).

(c) The term of the initial Toll Highway Inspector General shall
commence upon qualification and shall run through June 30, 2015. The
initial appointments shall be made within 60 days after the effective date
of this amendatory Act of the 96th General Assembly. After the initial
term, each Toll Highway Inspector General shall serve for 5-year terms
commencing on July 1 of the year of appointment and running through
June 30 of the fifth following year. A Toll Highway Inspector General may
be reappointed to one or more subsequent terms. A vacancy occurring
other than at the end of a term shall be filled by the Governor only for the
balance of the term of the Toll Highway Inspector General whose office is
vacant. Terms shall run regardless of whether the position is filled.

(d) The Toll Highway Inspector General shall have jurisdiction
over the Authority and all board members, officers, and employees of, and
vendors, subcontractors, and others doing business with the Authority.
The jurisdiction of the Toll Highway Inspector General is to investigate

allegations of fraud, waste, abuse, mismanagement, misconduct, nonfeasance, misfeasance, or malfeasance. Investigations may be based on complaints from any source, including anonymous sources, and may be self-initiated, without a complaint. An investigation may not be initiated more than five years after the most recent act of the alleged violation or of a series of alleged violations except where there is reasonable cause to believe that fraudulent concealment has occurred. To constitute fraudulent concealment sufficient to toll this limitations period, there must be an affirmative act or representation calculated to prevent discovery of the fact that a violation has occurred. The authority to investigate alleged violations of the State Officials and Employees Ethics Act by officers, employees, vendors, subcontractors, and others doing business with the Authority shall remain with the Office of the Governor's Executive Inspector General. The Toll Highway Inspector General shall refer allegations of misconduct under the State Officials and Employees Ethics Act to the Office of the Governor's Executive Inspector General for investigation. Upon completion of its investigation into such allegations, the Office of the Governor's Executive Inspector General shall report the results to the Toll Highway Inspector General, and the results of the investigation shall remain subject to any applicable confidentiality provisions in the State Officials and Employees Ethics Act. Where an investigation into a target or targets is split between allegations of misconduct under the State Officials and Employees Ethics Act, investigated by the Office of the Governor's Executive Inspector General, and allegations that are not of misconduct under the State Officials and Employees Ethics Act, investigated by the Toll Highway Inspector General, the Toll Highway Inspector General shall take reasonable steps, including continued consultation with the Office of the Governor's Executive Inspector General, to ensure that its investigation will not interfere with or disrupt any investigation by the Office of the Governor's Executive Inspector General or law enforcement authorities. In instances in which the Toll Highway Inspector General continues to investigate other allegations associated with allegations that have been referred to the Office of the Governor's Executive Inspector General pursuant to this subsection, the Toll Highway Inspector General shall report the results of its investigation to the Office of the Governor's Executive Inspector General.

(e)(1) If the Toll Highway Inspector General, upon the conclusion of an investigation, determines that reasonable cause exists to believe that

fraud, waste, abuse, mismanagement, misconduct, nonfeasance, misfeasance, or malfeasance has occurred, then the Toll Highway Inspector General shall issue a summary report of the investigation. The report shall be delivered to the appropriate authority pursuant to paragraph (3) of subsection (f) of this Section, which shall have 20 days to respond to the report.

(2) The summary report of the investigation shall include the following:

(A) a description of any allegations or other information received by the Toll Highway Inspector General pertinent to the investigation.

(B) a description of any alleged misconduct discovered in the course of the investigation.

(C) recommendations for any corrective or disciplinary action to be taken in response to any alleged misconduct described in the report, including but not limited to discharge.

(D) other information the Toll Highway Inspector General deems relevant to the investigation or resulting recommendations.

(3) Within 60 days after issuance of a final summary report that resulted in a suspension of at least 3 days or termination of employment, the Toll Highway Inspector General shall make the report available to the public by presenting the report to the Board of the Authority and by posting to the Authority's public website. The Toll Highway Inspector General shall redact information in the summary report that may reveal the identity of witnesses, complainants, or informants or if the Toll Highway Inspector General determines it is appropriate to protect the identity of a person before the report is made public. The Toll Highway Inspector General may also redact any information that he or she believes should not be made public, taking into consideration the factors set forth in this subsection and paragraph (1) of subsection (k) of this Section and other factors deemed relevant by the Toll Highway Inspector General to protect the Authority and any investigations by the Toll Highway Inspector General, other inspector general offices or law enforcement agencies. Prior to publication, the Toll Highway Inspector General shall permit the respondents and the appropriate authority pursuant to paragraph

New matter indicated by italics - deletions by strikeout
(3) of subsection (f) of this Section to review the report and the
documents to be made public and offer suggestions for redaction
or provide a response that shall be made public with the summary
report, provided, however, that the Toll Highway Inspector
General shall have the sole and final authority to decide what
redactions should be made. The Toll Highway Inspector General
may make available to the public any other summary report and
any such responses or a redacted version of the report and
responses.

(4) When the Toll Highway Inspector General concludes
that there is insufficient evidence that a violation has occurred, the
Toll Highway Inspector General shall close the investigation. The
Toll Highway Inspector General shall provide the appropriate
authority pursuant to paragraph (3) of subsection (f) of this
Section with a written statement of the Toll Highway Inspector
General's decision to close the investigation. At the request of the
subject of the investigation, the Toll Highway Inspector General
shall provide a written statement to the subject of the investigation
of the Toll Highway Inspector General's decision to close the
investigation. Closure by the Toll Highway Inspector General does
not bar the Toll Highway Inspector General from resuming the
investigation if circumstances warrant.

(f) The Toll Highway Inspector General shall:

(1) have access to all information and personnel necessary
to perform the duties of the office.

(2) have the power to subpoena witnesses and compel the
production of books and papers pertinent to an investigation
authorized by this Section. A subpoena may be issued under this
subparagraph (2) only by the Toll Highway Inspector General and
not by members of the Toll Highway Inspector General's staff. Any
person subpoenaed by the Toll Highway Inspector General has the
same rights, under Illinois law, as a person subpoenaed by a grand
jury. The power to subpoena or to compel the production of books
and papers, however, shall not extend to the person or documents
of a labor organization or its representatives insofar as the person
or documents of a labor organization relate to the function of
representing an employee subject to investigation under this
Section. Subject to a person's privilege against self-incrimination,
any person who fails to appear in response to a subpoena, answer

any question, or produce any books or papers pertinent to an investigation under this Section, except as otherwise provided in this Section, or who knowingly gives false testimony in relation to an investigation under this Section is guilty of a Class A misdemeanor.

(3) submit reports as required by this Section and applicable administrative rules. Final reports and recommendations shall be submitted to the Authority's Executive Director and the Board of Directors for investigations not involving the Board. Final reports and recommendations shall be submitted to the Chair of the Board and to the Governor for investigations of any Board member other than the Chair of the Board. Final reports and recommendations for investigations of the Chair of the Board shall be submitted to the Governor.

(4) assist and coordinate with the ethics officer for the Authority.

(5) participate in or conduct, when appropriate, multi-jurisdictional investigations provided the investigation involves the Authority in some way, including, but not limited to, joint investigations with the Office of the Governor's Executive Inspector General, or with State, local, or federal law enforcement authorities.

(6) serve as the Authority's primary liaison with law enforcement, investigatory, and prosecutorial agencies and, in that capacity, the Toll Highway Inspector General may request any information or assistance that may be necessary for carrying out the duties and responsibilities provided by this Section from any local, state, or federal governmental agency or unit thereof.

(7) review hiring and employment files of the Authority to ensure compliance with Rutan v. Republican Party of Illinois, 497 U.S. 62 (1990), and with all applicable employment laws.

(8) establish a policy that ensures the appropriate handling and correct recording of all investigations conducted by the Office, and ensures that the policy is accessible via the Internet in order that those seeking to report suspected wrongdoing are familiar with the process and that the subjects of those allegations are treated fairly.

(9) receive and investigate complaints or information from an employee of the Authority concerning the possible existence of

New matter indicated by italics - deletions by strikeout
an activity constituting a violation of law, rules or regulations, mismanagement, abuse of authority, or substantial and specific danger to the public health and safety. Any employee of the Authority who knowingly files a false complaint or files a complaint with reckless disregard for the truth or falsity of the facts underlying the complaint may be subject to discipline.

(10) review, coordinate, and recommend methods and procedures to increase the integrity of the Authority.

(g) Within six months of appointment, the initial Toll Highway Inspector General shall propose rules, in accordance with the provisions of the Illinois Administrative Procedure Act, establishing minimum requirements for initiating, conducting, and completing investigations. The rules must establish criteria for determining, based upon the nature of the allegation, the appropriate method of investigation, which may include, but is not limited to, site visits, telephone contacts, personal interviews, or requests for written responses. The rules must establish the process, contents, and timing for final reports and recommendations by the Toll Highway Inspector General and for a response and any remedial, disciplinary, or both action by an individual or individuals receiving the final reports and recommendations. The rules must also clarify how the Office of the Toll Highway Inspector General shall interact with other local, state, and federal law enforcement authorities and investigations. Such rules shall provide that investigations and inquiries by the Office of the Toll Highway Inspector General must be conducted in compliance with the provisions of any collective bargaining agreement that applies to the affected employees of the Authority and that any recommendation for discipline or other action against any employee by the Office of the Toll Highway Inspector General must comply with the provisions of any applicable collective bargaining agreement.

(h) The Office of the Toll Highway Inspector General shall be an independent office of the Authority. Within its annual budget, the Authority shall provide a clearly delineated budget for the Office of the Toll Highway Inspector General. The budget of the Office of the Toll Highway Inspector General shall be adequate to support an independent and effective office. Except with the consent of the Toll Highway Inspector General, the Authority shall not reduce the budget of the Office of the Toll Highway Inspector General by more than 10 percent (i) within any fiscal year or (ii) over the five-year term of each Toll Highway Inspector General. To the extent allowed by law and the Authority's policies, the
Toll Highway Inspector General shall have sole responsibility for organizing the Office of the Toll Highway Inspector General within the budget established by the Toll Highway Board, including the recruitment, supervision, and discipline of the employees of that office. The Toll Highway Inspector General shall report directly to the Board of Directors of the Authority with respect to the prompt and efficient operation of the Office of the Tollway Highway Inspector General.

(i)(1) No Toll Highway Inspector General or employee of the Office of the Toll Highway Inspector General may, during his or her term of appointment or employment:

(A) become a candidate for any elective office;
(B) hold any other elected or appointed public office except for appointments on governmental advisory boards or study commissions or as otherwise expressly authorized by law;
(C) be actively involved in the affairs of any political party or political organization; or
(D) advocate for the appointment of another person to an appointed public office or elected office or position or actively participate in any campaign for any elective office.

As used in this paragraph (1), "appointed public office" means a position authorized by law that is filled by an appointing authority as provided by law and does not include employment by hiring in the ordinary course of business.

(2) No Toll Inspector General or employee of the Office of the Toll Highway Inspector General may, for one year after the termination of his or her appointment or employment:

(A) become a candidate for any elective office;
(B) hold any elected public office; or
(C) hold any appointed State, county, or local judicial office.

(3) The requirements of subparagraph (C) of paragraph (2) of this subsection may be waived by the Executive Ethics Commission.

(j) All Board members, officers and employees of the Authority have a duty to cooperate with the Toll Highway Inspector General and employees of the Office of the Toll Highway Inspector General in any
investigation undertaken pursuant to this Section. Failure to cooperate includes, but is not limited to, intentional omissions and knowing false statements. Failure to cooperate with an investigation pursuant to this Section is grounds for disciplinary action, including termination of employment. Nothing in this Section limits or alters a person's existing rights or protections under State or federal law.

(k)(1) The identity of any individual providing information or reporting any possible or alleged misconduct to the Toll Highway Inspector General shall be kept confidential and may not be disclosed without the consent of that individual, unless the individual consents to disclosure of his or her name or disclosure of the individual's identity is otherwise required by law. The confidentiality granted by this subsection does not preclude the disclosure of the identity of a person in any capacity other than as the source of an allegation.

(2) Subject to the provisions of subsection (e) of this Section, the Toll Highway Inspector General, and employees and agents of the Office of the Toll Highway Inspector General, shall keep confidential and shall not disclose information exempted from disclosure under the Freedom of Information Act or by this Act.

(l) If the Toll Highway Inspector General determines that any alleged misconduct involves any person not subject to the jurisdiction of the Toll Highway Inspector General, the Toll Highway Inspector General shall refer the reported allegations to the appropriate Inspector General, appropriate ethics commission or other appropriate body. If the Toll Highway Inspector General determines that any alleged misconduct may give rise to criminal penalties, the Toll Highway Inspector General may refer the allegations regarding that misconduct to the appropriate law enforcement authority. If a Toll Highway Inspector General determines that any alleged misconduct resulted in the loss of public funds in an amount of $5,000 or greater, the Toll Highway Inspector General shall refer the allegations regarding that misconduct to the Attorney General and any other appropriate law enforcement authority.

(m) The Toll Highway Inspector General shall provide to the Governor, the Board of the Authority, and the General Assembly a summary of reports and investigations made under this Section no later than March 31 and September 30 of each year. The summaries shall detail the final disposition of the Inspector General's recommendations. The

New matter indicated by italics - deletions by strikeout
summaries shall not contain any confidential or identifying information concerning the subjects of the reports and investigations. The summaries shall also include detailed, recommended administrative actions and matters for consideration by the Governor, the Board of the Authority, and the General Assembly.

(n) Any employee of the Authority subject to investigation or inquiry by the Toll Highway Inspector General or any agent or representative of the Toll Highway Inspector General concerning misconduct that is criminal in nature shall have the right to be notified of the right to remain silent during the investigation or inquiry and the right to be represented in the investigation or inquiry by an attorney or a representative of a labor organization that is the exclusive collective bargaining representative of employees of the Authority. Any investigation or inquiry by the Toll Highway Inspector General or any agent or representative of the Toll Highway Inspector General must be conducted in accordance with the rights of the employees as set forth in State and federal law and applicable judicial decisions. Any recommendations for discipline or any action taken against any employee by the Toll Highway Inspector General or any representative or agent of the Toll Highway Inspector General must comply with the provisions of the collective bargaining agreement that applies to the employee.

(o) Nothing in this Section shall diminish the rights, privileges, or remedies of a State employee under any other federal or State law, rule, or regulation or under any collective bargaining agreement.

New matter indicated by italics - deletions by strikeout
(a) No public utility not owning any city or village franchise nor engaged in performing any public service or in furnishing any product or commodity within this State as of July 1, 1921 and not possessing a certificate of public convenience and necessity from the Illinois Commerce Commission, the State Public Utilities Commission or the Public Utilities Commission, at the time this amendatory Act of 1985 goes into effect, shall transact any business in this State until it shall have obtained a certificate from the Commission that public convenience and necessity require the transaction of such business.

(b) No public utility shall begin the construction of any new plant, equipment, property or facility which is not in substitution of any existing plant, equipment, property or facility or any extension or alteration thereof or in addition thereto, unless and until it shall have obtained from the Commission a certificate that public convenience and necessity require such construction. Whenever after a hearing the Commission determines that any new construction or the transaction of any business by a public utility will promote the public convenience and is necessary thereto, it shall have the power to issue certificates of public convenience and necessity. The Commission shall determine that proposed construction will promote the public convenience and necessity only if the utility demonstrates: (1) that the proposed construction is necessary to provide adequate, reliable, and efficient service to its customers and is the least-cost means of satisfying the service needs of its customers or that the proposed construction will promote the development of an effectively competitive electricity market that operates efficiently, is equitable to all customers, and is the least cost means of satisfying those objectives; (2) that the utility is capable of efficiently managing and supervising the construction process and has taken sufficient action to ensure adequate and efficient construction and supervision thereof; and (3) that the utility is capable of financing the proposed construction without significant adverse financial consequences for the utility or its customers.

(c) After the effective date of this amendatory Act of 1987, no construction shall commence on any new nuclear power plant to be located within this State, and no certificate of public convenience and necessity or other authorization shall be issued therefor by the Commission, until the Director of the Illinois Environmental Protection Agency finds that the United States Government, through its authorized agency, has identified and approved a demonstrable technology or means for the disposal of high

level nuclear waste, or until such construction has been specifically approved by a statute enacted by the General Assembly.

As used in this Section, "high level nuclear waste" means those aqueous wastes resulting from the operation of the first cycle of the solvent extraction system or equivalent and the concentrated wastes of the subsequent extraction cycles or equivalent in a facility for reprocessing irradiated reactor fuel and shall include spent fuel assemblies prior to fuel reprocessing.

(d) In making its determination, the Commission shall attach primary weight to the cost or cost savings to the customers of the utility. The Commission may consider any or all factors which will or may affect such cost or cost savings, *including the public utility's engineering judgment regarding the materials used for construction.*

(e) The Commission may issue a temporary certificate which shall remain in force not to exceed one year in cases of emergency, to assure maintenance of adequate service or to serve particular customers, without notice or hearing, pending the determination of an application for a certificate, and may by regulation exempt from the requirements of this Section temporary acts or operations for which the issuance of a certificate will not be required in the public interest.

A public utility shall not be required to obtain but may apply for and obtain a certificate of public convenience and necessity pursuant to this Section with respect to any matter as to which it has received the authorization or order of the Commission under the Electric Supplier Act, and any such authorization or order granted a public utility by the Commission under that Act shall as between public utilities be deemed to be, and shall have except as provided in that Act the same force and effect as, a certificate of public convenience and necessity issued pursuant to this Section.

No electric cooperative shall be made or shall become a party to or shall be entitled to be heard or to otherwise appear or participate in any proceeding initiated under this Section for authorization of power plant construction and as to matters as to which a remedy is available under The Electric Supplier Act.

(f) Such certificates may be altered or modified by the Commission, upon its own motion or upon application by the person or corporation affected. Unless exercised within a period of 2 years from the grant thereof authority conferred by a certificate of convenience and necessity issued by the Commission shall be null and void.

New matter indicated by italics - deletions by strikeout
No certificate of public convenience and necessity shall be construed as granting a monopoly or an exclusive privilege, immunity or franchise.

(g) A public utility that undertakes any of the actions described in items (1) through (3) of this subsection (g) or that has obtained approval pursuant to Section 8-406.1 of this Act shall not be required to comply with the requirements of this Section to the extent such requirements otherwise would apply. For purposes of this Section and Section 8-406.1 of this Act, "high voltage electric service line" means an electric line having a design voltage of 100,000 or more. For purposes of this subsection (g), a public utility may do any of the following:

(1) replace or upgrade any existing high voltage electric service line and related facilities, notwithstanding its length;

(2) relocate any existing high voltage electric service line and related facilities, notwithstanding its length, to accommodate construction or expansion of a roadway or other transportation infrastructure; or

(3) construct a high voltage electric service line and related facilities that is constructed solely to serve a single customer's premises or to provide a generator interconnection to the public utility's transmission system and that will pass under or over the premises owned by the customer or generator to be served or under or over premises for which the customer or generator has secured the necessary right of way.

(A) A detailed description of the Project, including location maps and plot plans to scale showing all major components.

(B) The following engineering data:

New matter indicated by italics - deletions by strikeout
(i) a detailed Project description including:
   (I) name and destination of the Project;
   (II) design voltage rating (kV);
   (III) operating voltage rating (kV);
   and
   (IV) normal peak operating current rating;

   (VI) a list of the names of all new (and existing if applicable) substations or switching stations that will be associated with the proposed new high voltage electric service line;
(iii) the location of the site and right-of-way including:
   (I) miles of right-of-way;
   (II) miles of circuit;
   (III) width of the right-of-way; and

(vii) technical diagrams that provide clarification of any item under this item (I) should be included; and
(viii) applicant shall provide and identify a primary right-of-way and one or more alternate rights-of-way for the Project as part of the filing. To the extent applicable, for each right-of-way, an
applicant shall provide the information described in this subsection (a). Upon a showing of good cause in its filing, an applicant may be excused from providing and identifying alternate rights-of-way.

(2) An application fee of $100,000, which shall be paid into the Public Utility Fund at the time the Chief Clerk of the Commission deems it complete and accepts the filing.

(3) Information showing that the utility has held a minimum of 3 pre-filing public meetings to receive public comment concerning the Project in each county where the Project is to be located, no earlier than 6 months prior to the filing of the application. Notice of the public meeting shall be published in a newspaper of general circulation within the affected county once a week for 3 consecutive weeks, beginning no earlier than one month prior to the first public meeting. If the Project traverses 2 contiguous counties and where in one county the transmission line mileage and number of landowners over whose property the proposed route traverses is 1/5 or less of the transmission line mileage and number of such landowners of the other county, then the utility may combine the 3 pre-filing meetings in the county with the greater transmission line mileage and affected landowners. All other requirements regarding pre-filing meetings shall apply in both counties. Notice of the public meeting, including a description of the Project, must be provided in writing to the clerk of each county where the Project is to be located. A representative of the Commission shall be invited to each pre-filing public meeting.

(b) At the first status hearing the administrative law judge shall set a schedule for discovery that shall take into consideration the expedited nature of the proceeding.

(c) Nothing in this Section prohibits a utility from requesting, or the Commission from approving, protection of confidential or proprietary information under applicable law. The public utility may seek confidential protection of any of the information provided pursuant to this Section, subject to Commission approval.

(d) The public utility shall publish notice of its application in the official State newspaper within 10 days following the date of the application's filing.

(e) The public utility shall establish a dedicated website for the Project 3 weeks prior to the first public meeting and maintain the website

New matter indicated by italics - deletions by strikeout
until construction of the Project is complete. The website address shall be included in all public notices.

(f) The Commission shall, after notice and hearing, grant a certificate of public convenience and necessity filed in accordance with the requirements of this Section if, based upon the application filed with the Commission and the evidentiary record, it finds the Project will promote the public convenience and necessity and that all of the following criteria are satisfied:

(1) That the Project is necessary to provide adequate, reliable, and efficient service to the public utility's customers and is the least-cost means of satisfying the service needs of the public utility's customers or that the Project will promote the development of an effectively competitive electricity market that operates efficiently, is equitable to all customers, and is the least cost means of satisfying those objectives.

(2) That the public utility is capable of efficiently managing and supervising the construction process and has taken sufficient action to ensure adequate and efficient construction and supervision of the construction.

(3) That the public utility is capable of financing the proposed construction without significant adverse financial consequences for the utility or its customers.

(g) The Commission shall issue its decision with findings of fact and conclusions of law granting or denying the application no later than 150 days after the application is filed. The Commission may extend the 150-day deadline upon notice by an additional 75 days if, on or before the 30th day after the filing of the application, the Commission finds that good cause exists to extend the 150-day period.

(h) In the event the Commission grants a public utility's application for a certificate pursuant to this Section, the public utility shall pay a one-time construction fee to each county in which the Project is constructed within 30 days after the completion of construction. The construction fee shall be $20,000 per mile of high voltage electric service line constructed in that county, or a proportionate fraction of that fee. The fee shall be in lieu of any permitting fees that otherwise would be imposed by a county. Counties receiving a payment under this subsection (h) may distribute all or portions of the fee to local taxing districts in that county.

(i) Notwithstanding any other provisions of this Act, a decision granting a certificate under this Section shall include an order pursuant to
Section 8-508 of this Act authorizing or directing the construction of the high voltage electric service line and related facilities as approved by the Commission, in the manner and within the time specified in said order.

(220 ILCS 5/8-508) (from Ch. 111 2/3, par. 8-508)

Sec. 8-509. When necessary for the construction of any alterations, additions, extensions or improvements ordered or authorized under Section 8-406.1, 8-503, or 12-218 of this Act, any public utility may enter upon, take or damage private property in the manner provided for by the law of eminent domain. If a public utility seeks relief under this Section in the same proceeding in which it seeks a certificate of public convenience and necessity under Section 8-406.1 of this Act, the Commission shall enter its order under this Section either as part of the Section 8-406.1 order or at the same time it enters the Section 8-406.1 order. If a public utility seeks relief under this Section after the Commission enters its order in the Section 8-406.1 proceeding, the Commission shall issue its order under this Section within 45 days after the utility files its petition under this Section.

This Section applies to the exercise of eminent domain powers by telephone companies or telecommunications carriers only when the facilities to be constructed are intended to be used in whole or in part for providing one or more intrastate telecommunications services classified as "noncompetitive" under Section 13-502 in a tariff filed by the condemnor. The exercise of eminent domain powers by telephone companies or telecommunications carriers in all other cases shall be governed solely by "An Act relating to the powers, duties and property of telephone companies", approved May 16, 1903, as now or hereafter amended.

AN ACT concerning revenue.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Retailers' Occupation Tax Act is amended by changing Section 2a as follows:

(35 ILCS 120/2a) (from Ch. 120, par. 441a)

Sec. 2a. It is unlawful for any person to engage in the business of selling tangible personal property at retail in this State without a certificate of registration from the Department. Application for a certificate of registration shall be made to the Department upon forms furnished by it. Each such application shall be signed and verified and shall state: (1) the name and social security number of the applicant; (2) the address of his principal place of business; (3) the address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State and the addresses of all other places of business, if any (enumerating such addresses, if any, in a separate list attached to and made a part of the application), from which he engages in the business of selling tangible personal property at retail in this State; (4) the name and address of the person or persons who will be responsible for filing returns and payment of taxes due under this Act; (5) in the case of a corporation, the name, title, and social security number of each corporate officer; (6) in the case of a limited liability company, the name, social security number, and FEIN number of each manager and member; and (7) such other information as the Department may reasonably require. The application shall contain an acceptance of responsibility signed by the person or persons who will be responsible for filing returns and payment of the taxes due under this Act. If the applicant will sell tangible personal property at retail through vending machines, his application to register shall indicate the number of vending machines to be so operated; and thereafter, he shall notify the Department by January 31 of the number of vending machines which such person was using in his business of selling tangible personal property at retail on the preceding December 31.

The Department may deny a certificate of registration to any applicant if the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant, is or has been the owner, a partner, a manager or member of a limited liability company, or a

corporate officer, of another retailer that is in default for moneys due under this Act.

*The Department may require an* **Every** **applicant for a certificate of registration hereunder to** **shall,** **at the time of filing such application,** furnish a bond from a surety company authorized to do business in the State of Illinois, or an irrevocable bank letter of credit or a bond signed by 2 personal sureties who have filed, with the Department, sworn statements disclosing net assets equal to at least 3 times the amount of the bond to be required of such applicant, or a bond secured by an assignment of a bank account or certificate of deposit, stocks or bonds, conditioned upon the applicant paying to the State of Illinois all moneys becoming due under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution. **In making a determination as to whether to require a bond or other security, the Department shall take into consideration whether the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant is or has been the owner, a partner, a manager or member of a limited liability company, or a corporate officer of another retailer that is in default for moneys due under this Act or any other tax or fee Act administered by the Department; and whether the owner, any partner, any manager or member of a limited liability company, or a corporate officer of another retailer whose certificate of registration has been revoked within the previous 5 years under this Act or any other tax or fee Act administered by the Department.** If a bond or other security is required, the Department shall fix the amount of the bond or other security, taking into consideration the amount of money expected to become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance, or resolution. **The Department shall fix the amount of such security in each case, taking into consideration the amount of money expected to become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance, or resolution.**

registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution. The amount of security required by the Department shall be such as, in its opinion, will protect the State of Illinois against failure to pay the amount which may become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution, but the amount of the security required by the Department shall not exceed three times the amount of the applicant's average monthly tax liability, or $50,000.00, whichever amount is lower.

No certificate of registration under this Act shall be issued by the Department until the applicant provides the Department with satisfactory security, if required, as herein provided for.

Upon receipt of the application for certificate of registration in proper form, and upon approval by the Department of the security furnished by the applicant, if required, the Department shall issue to such applicant a certificate of registration which shall permit the person to whom it is issued to engage in the business of selling tangible personal property at retail in this State. The certificate of registration shall be conspicuously displayed at the place of business which the person so registered states in his application to be the principal place of business from which he engages in the business of selling tangible personal property at retail in this State.

No certificate of registration issued to a taxpayer who files returns required by this Act on a monthly basis shall be valid after the expiration of 5 years from the date of its issuance or last renewal. The expiration date of a sub-certificate of registration shall be that of the certificate of registration to which the sub-certificate relates. A certificate of registration shall automatically be renewed, subject to revocation as provided by this Act, for an additional 5 years from the date of its expiration unless otherwise notified by the Department as provided by this paragraph. Where a taxpayer to whom a certificate of registration is issued under this Act is in default to the State of Illinois for delinquent returns or for moneys due under this Act or any other State tax law or municipal or county ordinance administered or enforced by the Department, the Department shall, not less than 120 days before the expiration date of such

certificate of registration, give notice to the taxpayer to whom the certificate was issued of the account period of the delinquent returns, the amount of tax, penalty and interest due and owing from the taxpayer, and that the certificate of registration shall not be automatically renewed upon its expiration date unless the taxpayer, on or before the date of expiration, has filed and paid the delinquent returns or paid the defaulted amount in full. A taxpayer to whom such a notice is issued shall be deemed an applicant for renewal. The Department shall promulgate regulations establishing procedures for taxpayers who file returns on a monthly basis but desire and qualify to change to a quarterly or yearly filing basis and will no longer be subject to renewal under this Section, and for taxpayers who file returns on a yearly or quarterly basis but who desire or are required to change to a monthly filing basis and will be subject to renewal under this Section.

The Department may in its discretion approve renewal by an applicant who is in default if, at the time of application for renewal, the applicant files all of the delinquent returns or pays to the Department such percentage of the defaulted amount as may be determined by the Department and agrees in writing to waive all limitations upon the Department for collection of the remaining defaulted amount to the Department over a period not to exceed 5 years from the date of renewal of the certificate; however, no renewal application submitted by an applicant who is in default shall be approved if the immediately preceding renewal by the applicant was conditioned upon the installment payment agreement described in this Section. The payment agreement herein provided for shall be in addition to and not in lieu of the security that may be required by this Section of a taxpayer who is no longer considered a prior continuous compliance taxpayer. The execution of the payment agreement as provided in this Act shall not toll the accrual of interest at the statutory rate.

The Department may suspend a certificate of registration if the Department finds that the person to whom the certificate of registration has been issued knowingly sold contraband cigarettes.

A certificate of registration issued under this Act more than 5 years before the effective date of this amendatory Act of 1989 shall expire and be subject to the renewal provisions of this Section on the next anniversary of the date of issuance of such certificate which occurs more than 6 months after the effective date of this amendatory Act of 1989. A certificate of registration issued less than 5 years before the effective date of this amendatory Act of 1989 shall expire and be subject to the renewal

provisions of this Section on the 5th anniversary of the issuance of the certificate.

If the person so registered states that he operates other places of business from which he engages in the business of selling tangible personal property at retail in this State, the Department shall furnish him with a sub-certificate of registration for each such place of business, and the applicant shall display the appropriate sub-certificate of registration at each such place of business. All sub-certificates of registration shall bear the same registration number as that appearing upon the certificate of registration to which such sub-certificates relate.

If the applicant will sell tangible personal property at retail through vending machines, the Department shall furnish him with a sub-certificate of registration for each such vending machine, and the applicant shall display the appropriate sub-certificate of registration on each such vending machine by attaching the sub-certificate of registration to a conspicuous part of such vending machine.

Where the same person engages in 2 or more businesses of selling tangible personal property at retail in this State, which businesses are substantially different in character or engaged in under different trade names or engaged in under other substantially dissimilar circumstances (so that it is more practicable, from an accounting, auditing or bookkeeping standpoint, for such businesses to be separately registered), the Department may require or permit such person (subject to the same requirements concerning the furnishing of security as those that are provided for hereinbefore in this Section as to each application for a certificate of registration) to apply for and obtain a separate certificate of registration for each such business or for any of such businesses, under a single certificate of registration supplemented by related sub-certificates of registration.

Any person who is registered under the "Retailers' Occupation Tax Act" as of March 8, 1963, and who, during the 3-year period immediately prior to March 8, 1963, or during a continuous 3-year period part of which passed immediately before and the remainder of which passes immediately after March 8, 1963, has been so registered continuously and who is determined by the Department not to have been either delinquent or deficient in the payment of tax liability during that period under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the registrant under this Act will permit the registrant to engage in business

without registering separately under such other law, ordinance or resolution, shall be considered to be a Prior Continuous Compliance taxpayer. Also any taxpayer who has, as verified by the Department, faithfully and continuously complied with the condition of his bond or other security under the provisions of this Act for a period of 3 consecutive years shall be considered to be a Prior Continuous Compliance taxpayer.

Every Prior Continuous Compliance taxpayer shall be exempt from all requirements under this Act concerning the furnishing of a bond or other security as a condition precedent to his being authorized to engage in the business of selling tangible personal property at retail in this State. This exemption shall continue for each such taxpayer until such time as he may be determined by the Department to be delinquent in the filing of any returns, or is determined by the Department (either through the Department's issuance of a final assessment which has become final under the Act, or by the taxpayer's filing of a return which admits tax that is not paid to be due) to be delinquent or deficient in the paying of any tax under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the registrant under this Act will permit the registrant to engage in business without registering separately under such other law, ordinance or resolution, at which time that taxpayer shall become subject to all the financial responsibility requirements of this Act and, as a condition of being allowed to continue to engage in the business of selling tangible personal property at retail, may be required to post bond or other acceptable security with the Department covering liability which such taxpayer may thereafter incur. Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with this Department guaranteeing the payment of such admitted or established liability.

No certificate of registration shall be issued to any person who is in default to the State of Illinois for moneys due under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution.

Any person aggrieved by any decision of the Department under this Section may, within 20 days after notice of such decision, protest and request a hearing, whereupon the Department shall give notice to such person of the time and place fixed for such hearing and shall hold a

New matter indicated by italics - deletions by strikeout
hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to such person. In the absence of such a protest within 20 days, the Department's decision shall become final without any further determination being made or notice given.

With respect to security other than bonds (upon which the Department may sue in the event of a forfeiture), if the taxpayer fails to pay, when due, any amount whose payment such security guarantees, the Department shall, after such liability is admitted by the taxpayer or established by the Department through the issuance of a final assessment that has become final under the law, convert the security which that taxpayer has furnished into money for the State, after first giving the taxpayer at least 10 days' written notice, by registered or certified mail, to pay the liability or forfeit such security to the Department. If the security consists of stocks or bonds or other securities which are listed on a public exchange, the Department shall sell such securities through such public exchange. If the security consists of an irrevocable bank letter of credit, the Department shall convert the security in the manner provided for in the Uniform Commercial Code. If the security consists of a bank certificate of deposit, the Department shall convert the security into money by demanding and collecting the amount of such bank certificate of deposit from the bank which issued such certificate. If the security consists of a type of stocks or other securities which are not listed on a public exchange, the Department shall sell such security to the highest and best bidder after giving at least 10 days' notice of the date, time and place of the intended sale by publication in the "State Official Newspaper". If the Department realizes more than the amount of such liability from the security, plus the expenses incurred by the Department in converting the security into money, the Department shall pay such excess to the taxpayer who furnished such security, and the balance shall be paid into the State Treasury.

The Department shall discharge any surety and shall release and return any security deposited, assigned, pledged or otherwise provided to it by a taxpayer under this Section within 30 days after:

(1) such taxpayer becomes a Prior Continuous Compliance taxpayer; or
(2) such taxpayer has ceased to collect receipts on which he is required to remit tax to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax liability, as determined by the

Department, under this Act and under every other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration issued under this Act permits the registrant to engage in business without registering separately under such other law, ordinance or resolution. The Department shall make a final determination of the taxpayer's outstanding tax liability as expeditiously as possible after his final tax return has been filed; if the Department cannot make such final determination within 45 days after receiving the final tax return, within such period it shall so notify the taxpayer, stating its reasons therefor.

The county board may, however, by ordinance, increase the fees allowed by this Section and collect such increased fees from all persons and entities other than officers, agencies, departments and other instrumentalities of the State if the increase is justified by an acceptable cost study showing that the fees allowed by this Section are not sufficient to cover the cost of providing the service. Regardless of any other provision in this Section, the maximum fee that may be collected from the Department of Revenue for filing or indexing a lien, certificate of lien release or subordination, or any other type of notice or other documentation affecting or concerning a lien is $5. Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Government Electronic Records Act.

Section 5. Policy. It is the policy of the State of Illinois to support efforts to reduce government's use of our natural resources and to look for ways to implement efficiencies. Government agencies should look for ways to employ practices that allow for either or both of the following: (1) electronic storage of documents and (2) electronic transfer of documents. These environmentally friendly practices will reduce the State's reliance on paper and may ultimately save the State money.

Section 10. Definitions.

"Board" means the Electronic Records Advisory Board.

"Electronic transfer" means transfer of documents or reports by electronic means. Appropriate electronic transfer includes, but is not limited to, transfer by electronic mail, facsimile transmission, or posting downloadable versions on an Internet website, with electronic notice of the posting.

"Government agency" means all parts, boards, and commissions of the executive branch of the State government including, but not limited to,
State colleges and universities and their governing boards and all departments established by the Civil Administrative Code of Illinois.

"Record" has the meaning ascribed to it in the Illinois State Records Act (5 ILCS 160/).

Section 15. Electronic records.
(a) A record created in an electronic format is considered the same as and has the same force and effect as those records not produced by electronic means.
(b) Nothing in this Act requires any government agency or person to use an electronic record or an electronic signature if doing so could jeopardize the efficient operation of State government.
(c) Notwithstanding the requirements of this Act, government agencies that obtain, store, or use electronic records shall not refuse to accept hard copy, non-electronic forms and reports, and other paper documents for submission or filing, except as otherwise provided by law or administrative rule.
(d) Any government agency that uses electronic records shall allow any person or entity to have access to copies of those records as permitted by the Illinois Freedom of Information Act (5 ILCS 140/) or other applicable law, in paper form in accordance with the fees prescribed by statute.

Section 20. Electronic transfer of records. Notwithstanding any law to the contrary, all government agencies are encouraged to employ electronic means of transferring records when appropriate. Government agencies may send by electronic transmission any document, report, or record that State law would otherwise require to be placed in the U.S. mail. Those electronic records shall be protected as required by the Electronic Commerce Security Act (5 ILCS 175/).

Section 25. Electronic retention of documents. All government agencies are encouraged to employ electronic means of creating and retaining State records. Electronic retention of records shall be in accordance with the State Records Act (5 ILCS 160/) and with administrative rules.

Section 30. Electronic Records Advisory Board.
(a) To assist government agencies in developing and implementing electronic means of creating and retaining electronic records, the Electronic Records Advisory Board is created. The Board's purpose is to make a formal recommendation related to the use and retention of electronic records. The Board shall consist of 10 members as follows:

Commission. Within 45 days after the date of this report, the Secretary of State shall post the Board's recommendations on the Secretary's Internet website and distribute those recommendations to all government agencies. Upon the posting of the Board's recommendations, the Board's purpose is considered fulfilled, and the Board is thereupon dissolved.

Section 35. Application. This Act is intended to allow government agencies to transfer a record by e-mail, or retain an electronic copy, unless it conflicts with the State Records Act or its administrative rules, notwithstanding any law to the contrary. When adopting these electronic practices, government agencies shall consider the constituent's access to electronic technology. This Act does not change any State law that requires publication of information in newspapers of general circulation.

Section 40. Implementation. Within 6 months after the Secretary of State's posting of the Board's policies, guidelines, and best practices recommendations, as provided for in Section 30 of this Act, all State agencies shall review those recommendations and take all possible steps consistent with those recommendations to enhance the use of electronic means of creating, transmitting, and retaining State records. Each government agency is required by this Act to post a link to this Act on its Internet website.

Section 99. Effective date. This Act takes effect upon becoming law.

PUBLIC ACT 96-1364  
(Senate Bill No. 2660)

AN ACT concerning utilities.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Public Utilities Act is amended by changing Section 9-220 as follows:

(220 ILCS 5/9-220) (from Ch. 111 2/3, par. 9-220)
Sec. 9-220. Rate changes based on changes in fuel costs.
(a) Notwithstanding the provisions of Section 9-201, the Commission may authorize the increase or decrease of rates and charges based upon changes in the cost of fuel used in the generation or production

New matter indicated by italics - deletions by strikeout
of electric power, changes in the cost of purchased power, or changes in
the cost of purchased gas through the application of fuel adjustment
clauses or purchased gas adjustment clauses. The Commission may also
authorize the increase or decrease of rates and charges based upon
expenditures or revenues resulting from the purchase or sale of emission
allowances created under the federal Clean Air Act Amendments of 1990,
through such fuel adjustment clauses, as a cost of fuel. For the purposes of
this paragraph, cost of fuel used in the generation or production of electric
power shall include the amount of any fees paid by the utility for the
implementation and operation of a process for the desulfurization of the
flue gas when burning high sulfur coal at any location within the State of
Illinois irrespective of the attainment status designation of such location;
but shall not include transportation costs of coal (i) except to the extent
that for contracts entered into on and after the effective date of this
amendatory Act of 1997, the cost of the coal, including transportation
costs, constitutes the lowest cost for adequate and reliable fuel supply
reasonably available to the public utility in comparison to the cost,
including transportation costs, of other adequate and reliable sources of
fuel supply reasonably available to the public utility, or (ii) except as
otherwise provided in the next 3 sentences of this paragraph. Such costs of
fuel shall, when requested by a utility or at the conclusion of the utility's
next general electric rate proceeding, whichever shall first occur, include
transportation costs of coal purchased under existing coal purchase
contracts. For purposes of this paragraph "existing coal purchase
contracts" means contracts for the purchase of coal in effect on the
effective date of this amendatory Act of 1991, as such contracts may
thereafter be amended, but only to the extent that any such amendment
does not increase the aggregate quantity of coal to be purchased under
such contract. Nothing herein shall authorize an electric utility to recover
through its fuel adjustment clause any amounts of transportation costs of
coal that were included in the revenue requirement used to set base rates in
its most recent general rate proceeding. Cost shall be based upon
uniformly applied accounting principles. Annually, the Commission shall
initiate public hearings to determine whether the clauses reflect actual
costs of fuel, gas, power, or coal transportation purchased to determine
whether such purchases were prudent, and to reconcile any amounts
collected with the actual costs of fuel, power, gas, or coal transportation
prudently purchased. In each such proceeding, the burden of proof shall be
upon the utility to establish the prudence of its cost of fuel, power, gas, or

coal transportation purchases and costs. The Commission shall issue its final order in each such annual proceeding for an electric utility by December 31 of the year immediately following the year to which the proceeding pertains, provided, that the Commission shall issue its final order with respect to such annual proceeding for the years 1996 and earlier by December 31, 1998.

(b) A public utility providing electric service, other than a public utility described in subsections (e) or (f) of this Section, may at any time during the mandatory transition period file with the Commission proposed tariff sheets that eliminate the public utility's fuel adjustment clause and adjust the public utility's base rate tariffs by the amount necessary for the base fuel component of the base rates to recover the public utility's average fuel and power supply costs per kilowatt-hour for the 2 most recent years for which the Commission has issued final orders in annual proceedings pursuant to subsection (a), where the average fuel and power supply costs per kilowatt-hour shall be calculated as the sum of the public utility's prudent and allowable fuel and power supply costs as found by the Commission in the 2 proceedings divided by the public utility's actual jurisdictional kilowatt-hour sales for those 2 years. Notwithstanding any contrary or inconsistent provisions in Section 9-201 of this Act, in subsection (a) of this Section or in any rules or regulations promulgated by the Commission pursuant to subsection (g) of this Section, the Commission shall review and shall by order approve, or approve as modified, the proposed tariff sheets within 60 days after the date of the public utility's filing. The Commission may modify the public utility's proposed tariff sheets only to the extent the Commission finds necessary to achieve conformance to the requirements of this subsection (b). During the 5 years following the date of the Commission's order, but in any event no earlier than January 1, 2007, a public utility whose fuel adjustment clause has been eliminated pursuant to this subsection shall not file proposed tariff sheets seeking, or otherwise petition the Commission for, reinstatement of a fuel adjustment clause.

(c) Notwithstanding any contrary or inconsistent provisions in Section 9-201 of this Act, in subsection (a) of this Section or in any rules or regulations promulgated by the Commission pursuant to subsection (g) of this Section, a public utility providing electric service, other than a public utility described in subsection (e) or (f) of this Section, may at any time during the mandatory transition period file with the Commission proposed tariff sheets that establish the rate per kilowatt-hour to be applied

New matter indicated by italics - deletions by strikeout
pursuant to the public utility's fuel adjustment clause at the average value for such rate during the preceding 24 months, provided that such average rate results in a credit to customers' bills, without making any revisions to the public utility's base rate tariffs. The proposed tariff sheets shall establish the fuel adjustment rate for a specific time period of at least 3 years but not more than 5 years, provided that the terms and conditions for any reinstatement earlier than 5 years shall be set forth in the proposed tariff sheets and subject to modification or approval by the Commission. The Commission shall review and shall by order approve the proposed tariff sheets if it finds that the requirements of this subsection are met. The Commission shall not conduct the annual hearings specified in the last 3 sentences of subsection (a) of this Section for the utility for the period that the factor established pursuant to this subsection is in effect.

(d) A public utility providing electric service, or a public utility providing gas service may file with the Commission proposed tariff sheets that eliminate the public utility's fuel or purchased gas adjustment clause and adjust the public utility's base rate tariffs to provide for recovery of power supply costs or gas supply costs that would have been recovered through such clause; provided, that the provisions of this subsection (d) shall not be available to a public utility described in subsections (e) or (f) of this Section to eliminate its fuel adjustment clause. Notwithstanding any contrary or inconsistent provisions in Section 9-201 of this Act, in subsection (a) of this Section, or in any rules or regulations promulgated by the Commission pursuant to subsection (g) of this Section, the Commission shall review and shall by order approve, or approve as modified in the Commission's order, the proposed tariff sheets within 240 days after the date of the public utility's filing. The Commission's order shall approve rates and charges that the Commission, based on information in the public utility's filing or on the record if a hearing is held by the Commission, finds will recover the reasonable, prudent and necessary jurisdictional power supply costs or gas supply costs incurred or to be incurred by the public utility during a 12 month period found by the Commission to be appropriate for these purposes, provided, that such period shall be either (i) a 12 month historical period occurring during the 15 months ending on the date of the public utility's filing, or (ii) a 12 month future period ending no later than 15 months following the date of the public utility's filing. The public utility shall include with its tariff filing information showing both (1) its actual jurisdictional power supply costs or gas supply costs for a 12 month historical period conforming to (i)
above and (2) its projected jurisdictional power supply costs or gas supply costs for a future 12 month period conforming to (ii) above. If the Commission's order requires modifications in the tariff sheets filed by the public utility, the public utility shall have 7 days following the date of the order to notify the Commission whether the public utility will implement the modified tariffs or elect to continue its fuel or purchased gas adjustment clause in force as though no order had been entered. The Commission's order shall provide for any reconciliation of power supply costs or gas supply costs, as the case may be, and associated revenues through the date that the public utility's fuel or purchased gas adjustment clause is eliminated. During the 5 years following the date of the Commission's order, a public utility whose fuel or purchased gas adjustment clause has been eliminated pursuant to this subsection shall not file proposed tariff sheets seeking, or otherwise petition the Commission for, reinstatement or adoption of a fuel or purchased gas adjustment clause. Nothing in this subsection (d) shall be construed as limiting the Commission's authority to eliminate a public utility's fuel adjustment clause or purchased gas adjustment clause in accordance with any other applicable provisions of this Act.

(e) Notwithstanding any contrary or inconsistent provisions in Section 9-201 of this Act, in subsection (a) of this Section, or in any rules promulgated by the Commission pursuant to subsection (g) of this Section, a public utility providing electric service to more than 1,000,000 customers in this State may, within the first 6 months after the effective date of this amendatory Act of 1997, file with the Commission proposed tariff sheets that eliminate, effective January 1, 1997, the public utility's fuel adjustment clause without adjusting its base rates, and such tariff sheets shall be effective upon filing. To the extent the application of the fuel adjustment clause had resulted in net charges to customers after January 1, 1997, the utility shall also file a tariff sheet that provides for a refund stated on a per kilowatt-hour basis of such charges over a period not to exceed 6 months; provided however, that such refund shall not include the proportional amounts of taxes paid under the Use Tax Act, Service Use Tax Act, Service Occupation Tax Act, and Retailers' Occupation Tax Act on fuel used in generation. The Commission shall issue an order within 45 days after the date of the public utility's filing approving or approving as modified such tariff sheet. If the fuel adjustment clause is eliminated pursuant to this subsection, the Commission shall not conduct the annual hearings specified in the last 3
sentences of subsection (a) of this Section for the utility for any period after December 31, 1996 and prior to any reinstatement of such clause. A public utility whose fuel adjustment clause has been eliminated pursuant to this subsection shall not file a proposed tariff sheet seeking, or otherwise petition the Commission for, reinstatement of the fuel adjustment clause prior to January 1, 2007.

(f) Notwithstanding any contrary or inconsistent provisions in Section 9-201 of this Act, in subsection (a) of this Section, or in any rules or regulations promulgated by the Commission pursuant to subsection (g) of this Section, a public utility providing electric service to more than 500,000 customers but fewer than 1,000,000 customers in this State may, within the first 6 months after the effective date of this amendatory Act of 1997, file with the Commission proposed tariff sheets that eliminate, effective January 1, 1997, the public utility's fuel adjustment clause and adjust its base rates by the amount necessary for the base fuel component of the base rates to recover 91% of the public utility's average fuel and power supply costs for the 2 most recent years for which the Commission, as of January 1, 1997, has issued final orders in annual proceedings pursuant to subsection (a), where the average fuel and power supply costs per kilowatt-hour shall be calculated as the sum of the public utility's prudent and allowable fuel and power supply costs as found by the Commission in the 2 proceedings divided by the public utility's actual jurisdictional kilowatt-hour sales for those 2 years, provided, that such tariff sheets shall be effective upon filing. To the extent the application of the fuel adjustment clause had resulted in net charges to customers after January 1, 1997, the utility shall also file a tariff sheet that provides for a refund stated on a per kilowatt-hour basis of such charges over a period not to exceed 6 months. Provided however, that such refund shall not include the proportional amounts of taxes paid under the Use Tax Act, Service Use Tax Act, Service Occupation Tax Act, and Retailers' Occupation Tax Act on fuel used in generation. The Commission shall issue an order within 45 days after the date of the public utility's filing approving or approving as modified such tariff sheet. If the fuel adjustment clause is eliminated pursuant to this subsection, the Commission shall not conduct the annual hearings specified in the last 3 sentences of subsection (a) of this Section for the utility for any period after December 31, 1996 and prior to any reinstatement of such clause. A public utility whose fuel adjustment clause has been eliminated pursuant to this subsection shall not file a proposed tariff sheet seeking, or otherwise

petition the Commission for, reinstatement of the fuel adjustment clause prior to January 1, 2007.

(g) The Commission shall have authority to promulgate rules and regulations to carry out the provisions of this Section.

(h) Any Illinois gas utility may enter into a contract on or before March 31, 2011 for up to 10 years of supply with any company for the purchase of substitute natural gas (SNG) produced from coal through the gasification process if the company has commenced construction of a coal gasification facility by July 1, 2012 in Jefferson County and commencement of construction shall mean that material physical site work has occurred, such as site clearing and excavation, water runoff prevention, water retention reservoir preparation, or foundation development. The contract shall contain the following provisions:

1. The cost for the SNG is reasonable and prudent and recoverable through the purchased gas adjustment clause for years one through 10 of the contract if:
   (i) the only coal to be used in the gasification process has high volatile bituminous rank and greater than 1.7 pounds of sulfur per million Btu content; (ii) at the time the contract term commences, the price per million Btu may not exceed $7.95 in 2008 dollars, adjusted annually based on the change in the Annual Consumer Price Index for All Urban Consumers for the Midwest Region as published in April by the United States Department of Labor, Bureau of Labor Statistics (or a suitable Consumer Price Index calculation if this Consumer Price Index is not available) for the previous calendar year; provided that the price per million Btu shall not exceed $9.95 at any time during the contract; (iii) the utility's aggregate long-term supply contracts for the purchase of SNG does not exceed 25% of the annual system supply requirements of the utility as of 2008 at the time the contract is entered into and the quantity of SNG supplied to a utility may not exceed 16 million MMBtus; and (iv) contract costs pursuant to subsection (h-10) of this Section shall not include any lobbying expenses, charitable contributions, advertising, organizational memberships, or marketing expenses by any one producer may not exceed 20 billion cubic feet per year; and (iv) the contract is entered into within 120 days after the effective date of this amendatory Act of the 95th General Assembly and terminates no more than 20 years after the commencement of the commercial production of SNG at the facility. Contracts greater than 10 years shall provide that if, at any time during supply years 11 through 20 of the contract, the Commission determines that the cost for the synthetic natural gas purchased under the contract

New matter indicated by italics - deletions by strikeout
during supply years 11 through 20 is not reasonable and prudent, then the company shall reimburse the utility for the difference between the cost deemed reasonable and prudent by the Commission and the cost imposed under the contract.

(h-5) The Attorney General, on behalf of the people of the State of Illinois, may specifically enforce the requirements of this subsection (h-5). All such contracts, regardless of duration, shall require the owner of any facility supplying SNG under the contract to provide documentation to the Commission each year, starting in the facility's first year of commercial operation, accurately reporting the quantity of carbon dioxide emissions from the facility that have been captured and sequestered and reporting any quantities of carbon dioxide released from the site or sites at which carbon dioxide emissions were sequestered in prior years, based on continuous monitoring of those sites. If, in any year, the owner of the facility fails to demonstrate that the SNG facility captured and sequestered at least 90% of the total carbon dioxide emissions that the facility would otherwise emit or that sequestration of emissions from prior years has failed, resulting in the release of carbon dioxide into the atmosphere, then the owner of the facility must offset excess emissions. Any such carbon dioxide offsets must be permanent, additional, verifiable, real, located within the State of Illinois, and legally and practicably enforceable; provided that the owner of the facility shall not be obligated to acquire carbon dioxide emission offsets to the extent that the cost of acquiring such offsets would not exceed $40 million in any given year. No costs of any purchases of carbon offsets may be recovered from a utility or its customers. All carbon offsets purchased for this purpose must be permanently retired. In addition, carbon dioxide emission credits equivalent to 50% of the amount of credits associated with the required sequestration of carbon dioxide from the facility must be permanently retired. Compliance with the sequestration requirements and the offset purchase requirements specified in this subsection (h-5) (h) shall be assessed annually by an independent expert retained by the owner of the SNG facility, with the advance written approval of the Attorney General. An SNG facility operating pursuant to this subsection (h-5) (h) shall not forfeit its designation as a clean coal SNG facility if the facility fails to fully comply with the applicable carbon sequestration requirements in any given year, provided the requisite offsets are purchased. However, the Attorney General, on behalf of the People of the State of Illinois, may specifically enforce the facility's sequestration requirements.

(h-10) Contract costs for SNG incurred by an Illinois gas utility are reasonable and prudent and recoverable through the purchased gas adjustment clause and are not subject to review or disallowance by the Commission. Contract costs are costs incurred by the utility under the terms of a contract that incorporates the terms stated in subsection (h) of this Section as confirmed in writing by the Illinois Power Agency as set forth in subsection (h-20) of this Section, which confirmation shall be deemed conclusive, or as a consequence of or condition to its performance under the contract, including (i) amounts paid for SNG under the SNG contract and (ii) costs of transportation and storage services of SNG purchased from interstate pipelines under federally approved tariffs. Any contract, the terms of which have been confirmed in writing by the Illinois Power Agency as set forth in subsection (h-20) of this Section and the performance of the parties under such contract cannot be grounds for challenging prudence or cost recovery by the utility through the purchased gas adjustment clause, and in such cases, the Commission is directed not to consider, and has no authority to consider, any attempted challenges.

The contracts entered into by Illinois gas utilities shall provide that the utility retains the right to terminate the contract without further obligation or liability to any party if the contract has been impaired as a result of any legislative, administrative, judicial, or other governmental action that is taken that eliminates all or part of the prudence protection of this subsection (h-10) or denies the recoverability of all or part of the contract costs through the purchased gas adjustment clause. Should any Illinois gas utility exercise its right under this subsection (h-10) to terminate the contract, all contract costs incurred prior to termination are and will be deemed reasonable, prudent, and recoverable as and when incurred and not subject to review or disallowance by the Commission. Any order, issued by the State requiring or authorizing the discontinuation of the merchant function, defined as the purchase and sale of natural gas by an Illinois gas utility for the ultimate consumer in its service territory shall include provisions necessary to prevent the impairment of the value of any contract hereunder over its full term.

(h-15) With respect to each contract entered into by the company with an Illinois utility in accordance with the terms stated in subsection (h) of this Section, within 60 days following the completion of purchases of SNG, the Illinois Power Agency shall conduct an analysis to determine (i) the average contract SNG cost, which shall be calculated as the total amount paid to a company for SNG over the contract term, plus the cost to
the utility of the required transportation and storage services of SNG, divided by the total number of MMBtus of SNG actually purchased under the utility contract; (ii) the average natural gas purchase cost, which shall be calculated as the total annual supply costs paid for natural gas (excluding SNG) purchased by such utility over the contract term, plus the costs of transportation and storage services of such natural gas (excluding such costs for SNG), divided by the total number of MMBtus of natural gas (excluding SNG) actually purchased by the utility during the contract term; (iii) the cost differential, which shall be the difference between the average contract SNG cost and the average natural gas purchase cost; and (iv) the revenue share target, which shall be the cost differential multiplied by the total amount of SNG purchased under such utility contract. If the average contract SNG cost is equal to or less than the average natural gas purchase cost, then the company shall have no further obligation to the utility. If the average contract SNG cost for such SNG contract is greater than the average natural gas purchase cost for such utility, then the company shall market the daily production of SNG and distribute on a monthly basis 5% of amounts collected with respect to such future sales to the utilities in proportion to each utility's SNG purchases from the company during the term of the SNG contract to be used to reduce the utility's natural gas costs through the purchased gas adjustment clause; such payments to the utility shall continue until such time as the sum of such payments equals the revenue share target of that utility. The company or utilities shall have no obligation to repay the revenue share target except as provided for in this subsection (h-15).

(h-20) The General Assembly authorizes the Illinois Finance Authority to issue bonds to the maximum extent permitted to finance coal gasification facilities described in this Section, which constitute both "industrial projects" under Article 801 of the Illinois Finance Authority Act and "clean coal and energy projects" under Sections 825-65 through 825-75 of the Illinois Finance Authority Act. The General Assembly further authorizes the Illinois Power Agency to become party to agreements and take such actions as necessary to enable the Illinois Power Agency or its designate to (i) review and confirm in writing that the terms stated in subsection (h) of this Section are incorporated in the SNG contract, and (ii) conduct an analysis pursuant to subsection (h-15) of this Section. Administrative costs incurred by the Illinois Finance Authority and Illinois Power Agency in performance of this subsection (h-20) shall be subject to reimbursement by the company on terms as the Illinois

Finance Authority, the Illinois Power Agency, and the company may agree. The utility and its customers shall have no obligation to reimburse the company, the Illinois Finance Authority, or the Illinois Power Agency for any such costs.

(i) If a gas utility or an affiliate of a gas utility has an ownership interest in any entity that produces or sells synthetic natural gas, Article VII of this Act shall apply.

(205 ILCS 5/13) (from Ch. 17, par. 320)
Sec. 13. Issuance of charter.
(a) When the directors have organized as provided in Section 12 of this Act, and the capital stock and the preferred stock, if any, together with a surplus of not less than 50% of the capital, has been all fully paid in and a record of the same filed with the Commissioner, the Commissioner or some competent person of the Commissioner's appointment shall make a thorough examination into the affairs of the proposed bank, and if satisfied (i) that all the requirements of this Act have been complied with, (ii) that no intervening circumstance has occurred to change the Commissioner's findings made pursuant to Section 10 of this Act, and (iii) that the prior involvement by any stockholder who will own a sufficient amount of stock to have control, as defined in Section 18 of this Act, of the proposed bank with any other financial institution, whether as stockholder, director, officer, or customer, was conducted in a safe and sound manner, upon payment into the Commissioner's office of the reasonable expenses of the examination, as determined by the Commissioner, the Commissioner shall issue a charter authorizing the bank to commence business as authorized in this Act. All charters issued by the Commissioner or any predecessor agency which chartered State banks, including any charter outstanding as of September 1, 1989, shall be perpetual. For the 2 years after the Commissioner has issued a charter to a bank, the bank shall request and obtain from the Commissioner prior written approval before it may change senior management personnel or directors.

New matter indicated by italics - deletions by strikeout
The original charter, duly certified by the Commissioner, or a certified copy shall be evidence in all courts and places of the existence and authority of the bank to do business. Upon the issuance of the charter by the Commissioner, the bank shall be deemed fully organized and may proceed to do business. The Commissioner may, in the Commissioner's discretion, withhold the issuing of the charter when the Commissioner has reason to believe that the bank is organized for any purpose other than that contemplated by this Act. The Commissioner shall revoke the charter and order liquidation in the event that the bank does not commence a general banking business within one year from the date of the issuance of the charter, unless a request has been submitted, in writing, to the Commissioner for an extension and the request has been approved. After commencing a general banking business, a bank may change its name by filing written notice with the Commissioner at least 30 days prior to the effective date of such change. A bank chartered under this Act may change its main banking premises by filing written application with the Commissioner, on forms prescribed by the Commissioner, provided (i) the change shall not be a removal to a new location without complying with the capital requirements of Section 7 and of subsection (1) of Section 10 of this Act; (ii) the Commissioner approves the relocation or change; and (iii) the bank complies with any applicable federal law or regulation. The application shall be deemed to be approved if the Commissioner has not acted on the application within 30 days after receipt of the application, unless within the 30-day time frame the Commissioner informs the bank that an extension of time is necessary prior to the Commissioner's action on the application.

(b) (1) The Commissioner may also issue a charter to a bank that is owned exclusively by other depository institutions or depository institution holding companies and is organized to engage exclusively in providing services to or for other financial institutions, their holding companies, and the officers, directors, and employees of such institutions and companies, and in providing services at the request of other financial institutions or their holding companies (also referred to as a "bankers' bank"). The bank may also provide products and services to its officers, directors, and employees.

(2) A bank chartered pursuant to paragraph (1) shall, except as otherwise specifically determined or limited by the Commissioner in an order or pursuant to a rule, be vested with the
same rights and privileges and subject to the same duties, restrictions, penalties, and liabilities now or hereafter imposed under this Act.

(c) A bank chartered under this Act shall after November 1, 1985, and an out-of-state bank that merges with a State bank and establishes or maintains a branch in this State after May 31, 1997, shall obtain from and, at all times while it accepts or retains deposits, maintain with the Federal Deposit Insurance Corporation, or such other instrumentality of or corporation chartered by the United States, deposit insurance as authorized under federal law.

(d) (i) A bank that has a banking charter issued by the Commissioner under this Act may, pursuant to a written purchase and assumption agreement, transfer substantially all of its assets to another State bank or national bank in consideration, in whole or in part, for the transferee banks' assumption of any part or all of its liabilities. Such a transfer shall in no way be deemed to impair the charter of the transferor bank or cause the transferor bank to forfeit any of its rights, powers, interests, franchises, or privileges as a State bank, nor shall any voluntary reduction in the transferor bank's activities resulting from the transfer have any such effect; provided, however, that a State bank that transfers substantially all of its assets pursuant to this subsection (d) and following the transfer does not accept deposits and make loans, shall not have any rights, powers, interests, franchises, or privileges under subsection (15) of Section 5 of this Act until the bank has resumed accepting deposits and making loans.

(ii) The fact that a State bank does not resume accepting deposits and making loans for a period of 24 months commencing on September 11, 1989 or on a date of the transfer of substantially all of a State bank's assets, whichever is later, or such longer period as the Commissioner may allow in writing, may be the basis for a finding by the Commissioner under Section 51 of this Act that the bank is unable to continue operations.

(iii) The authority provided by subdivision (i) of this subsection (d) shall terminate on May 31, 1997, and no bank that has transferred substantially all of its assets pursuant to this subsection (d) shall continue in existence after May 31, 1997.

(205 ILCS 5/32) (from Ch. 17, par. 339)
Sec. 32. Basic loaning limits. The liabilities outstanding at one time to a state bank of a person for money borrowed, including the liabilities of a partnership or joint venture in the liabilities of the several members thereof, shall not exceed 25% of the amount of the unimpaired capital and unimpaired surplus of the bank.

The liabilities to any state bank of a person may exceed 25% of the unimpaired capital and unimpaired surplus of the bank, provided that (i) the excess amount from time to time outstanding is fully secured by readily marketable collateral having a market value, as determined by reliable and continuously available quotations, at least equal to the excess amount outstanding; and (ii) the total liabilities shall not exceed 30% of the unimpaired capital and unimpaired surplus of the bank.

The following shall not be considered as money borrowed within the meaning of this Section:

(1) The purchase or discount of bills of exchange drawn in good faith against actually existing values.

(2) The purchase or discount of commercial or business paper actually owned by the person negotiating the same.

(3) The purchase of or loaning money in exchange for evidences of indebtedness which shall be secured by mortgage or trust deed upon productive real estate the value of which, as ascertained by the oath of 2 qualified appraisers, neither of whom shall be an officer, director, or employee of the bank or of any subsidiary or affiliate of the bank, is double the amount of the principal debt secured at the time of the original purchase of evidence of indebtedness or loan of money and which is still double the amount of the principal debt secured at the time of any renewal of the indebtedness or loan, and which mortgage or trust deed is shown, either by a guaranty policy of a title guaranty company approved by the Commissioner or by a registrar's certificate of title in any county having adopted the provisions of the Registered Titles (Torrens) Act, or by the opinion of an attorney-at-law, to be a first lien upon the real estate therein described, and real estate shall not be deemed to be encumbered within the meaning of this subsection (3) by reason of the existence of instruments reserving rights-of-way, sewer rights and rights in wells, building restrictions or other restrictive covenants, nor by reason of the fact it is subject to lease under which rents or profits are reserved by the owners.

(4) The purchase of marketable investment securities.

(5) The liability to a state bank of a person who is an accommodation party to, or guarantor of payment for, any evidence of indebtedness of another person who obtains a loan from or discounts paper with or sells paper to the state bank; but the total liability to a state bank of a person as an accommodation party or guarantor of payment in respect of such evidences of indebtedness shall not exceed 25% of the amount of the unimpaired capital and unimpaired surplus of the bank; provided however that the liability of an accommodation party to paper excepted under subsection 2 of this Section shall not be included in the computation of this limitation.

(6) The liability to a state bank of a person, who as a guarantor, guarantees collection of the obligation or indebtedness of another person.

The total liabilities of any one person, for money borrowed, or otherwise, shall not exceed 25% of the deposits of the bank, and those total liabilities shall at no time exceed 50% of the amount of the unimpaired capital and unimpaired surplus of the bank. Absent an actual unremedied breach, the obligation or responsibility for breach of warranties or representations, express or implied, of a person transferring negotiable or non-negotiable paper to a bank without recourse and without guaranty of payment, shall not be included in determining the amount of liabilities of the person to the bank for borrowed money or otherwise; and in the event of and to the extent of an unremedied breach, the amount remaining unpaid for principal and interest on the paper in respect of which the unremedied breach exists shall thereafter for the purpose of determining whether subsequent transactions giving rise to additional liability of the person to the state bank for borrowed money or otherwise are within the limitations of Sections 32 through 34 of this Act, be included in computing the amount of liabilities of the person for borrowed money or otherwise.

The liability of a person to a state bank on account of acceptances made or issued by the state bank on behalf of the person shall be included in the computation of the total liabilities of the person for money borrowed except to the extent the acceptances grow out of transactions of the character described in subsection (6) of Section 34 of this Act and are otherwise within the limitations of that subsection; provided nevertheless that any such excepted acceptances acquired by the state bank which
accepted the same shall be included in the computation of the liabilities of the person to the state bank for money borrowed.

The Secretary may adopt rules to address the funding by banks of any loan commitment, when such funding would involve additional extensions of credit to be made after the unimpaired capital and unimpaired surplus of the bank have decreased and the Secretary determines that such decrease in unimpaired capital and unimpaired surplus would cause the additional extensions of credit to result in an unsafe and unsound condition.

(205 ILCS 5/48) (from Ch. 17, par. 359)

Sec. 48. Secretary's powers; duties. The Secretary shall have the powers and authority, and is charged with the duties and responsibilities designated in this Act, and a State bank shall not be subject to any other visitorial power other than as authorized by this Act, except those vested in the courts, or upon prior consultation with the Secretary, a foreign bank regulator with an appropriate supervisory interest in the parent or affiliate of a state bank. In the performance of the Secretary's duties:

(1) The Commissioner shall call for statements from all State banks as provided in Section 47 at least one time during each calendar quarter.

(2) (a) The Commissioner, as often as the Commissioner shall deem necessary or proper, and no less frequently than 18 months following the preceding examination, shall appoint a suitable person or persons to make an examination of the affairs of every State bank, except that for every eligible State bank, as defined by regulation, the Commissioner in lieu of the examination may accept on an alternating basis the examination
made by the eligible State bank's appropriate federal banking agency pursuant to Section 111 of the Federal Deposit Insurance Corporation Improvement Act of 1991, provided the appropriate federal banking agency has made such an examination. A person so appointed shall not be a stockholder or officer or employee of any bank which that person may be directed to examine, and shall have powers to make a thorough examination into all the affairs of the bank and in so doing to examine any of the officers or agents or employees thereof on oath and shall make a full and detailed report of the condition of the bank to the Commissioner. In making the examination the examiners shall include an examination of the affairs of all the affiliates of the bank, as defined in subsection (b) of Section 35.2 of this Act, or subsidiaries of the bank as shall be necessary to disclose fully the conditions of the subsidiaries or affiliates, the relations between the bank and the subsidiaries or affiliates and the effect of those relations upon the affairs of the bank, and in connection therewith shall have power to examine any of the officers, directors, agents, or employees of the subsidiaries or affiliates on oath. After May 31, 1997, the Commissioner may enter into cooperative agreements with state regulatory authorities of other states to provide for examination of State bank branches in those states, and the Commissioner may accept reports of examinations of State bank branches from those state regulatory authorities. These cooperative agreements may set forth the manner in which the other state regulatory authorities may be compensated for examinations prepared for and submitted to the Commissioner.

(b) After May 31, 1997, the Commissioner is authorized to examine, as often as the Commissioner shall deem necessary or proper, branches of out-of-state banks. The Commissioner may establish and may assess fees to be paid to the Commissioner for examinations under this subsection (b). The fees shall be borne by the out-of-state bank, unless the fees are borne by the state regulatory authority that chartered the out-of-state bank, as determined by a cooperative agreement between the Commissioner and the state regulatory authority that chartered the out-of-state bank.

(2.5) Whenever any State bank, any subsidiary or affiliate of a State bank, or after May 31, 1997, any branch of an out-of-state bank causes to be performed, by contract or otherwise, any bank services for itself, whether on or off its premises:

(a) that performance shall be subject to examination by the Commissioner to the same extent as if services were being
performed by the bank or, after May 31, 1997, branch of the out-of-state bank itself on its own premises; and

(b) the bank or, after May 31, 1997, branch of the out-of-state bank shall notify the Commissioner of the existence of a service relationship. The notification shall be submitted with the first statement of condition (as required by Section 47 of this Act) due after the making of the service contract or the performance of the service, whichever occurs first. The Commissioner shall be notified of each subsequent contract in the same manner.

For purposes of this subsection (2.5), the term "bank services" means services such as sorting and posting of checks and deposits, computation and posting of interest and other credits and charges, preparation and mailing of checks, statements, notices, and similar items, or any other clerical, bookkeeping, accounting, statistical, or similar functions performed for a State bank, including but not limited to electronic data processing related to those bank services.

(3) The expense of administering this Act, including the expense of the examinations of State banks as provided in this Act, shall to the extent of the amounts resulting from the fees provided for in paragraphs (a), (a-2), and (b) of this subsection (3) be assessed against and borne by the State banks:

(a) Each bank shall pay to the Secretary a Call Report Fee which shall be paid in quarterly installments equal to one-fourth of the sum of the annual fixed fee of $800, plus a variable fee based on the assets shown on the quarterly statement of condition delivered to the Secretary in accordance with Section 47 for the preceding quarter according to the following schedule: 16¢ per $1,000 of the first $5,000,000 of total assets, 15¢ per $1,000 of the next $20,000,000 of total assets, 13¢ per $1,000 of the next $75,000,000 of total assets, 9¢ per $1,000 of the next $400,000,000 of total assets, 7¢ per $1,000 of the next $500,000,000 of total assets, and 5¢ per $1,000 of all assets in excess of $1,000,000,000, of the State bank. The Call Report Fee shall be calculated by the Secretary and billed to the banks for remittance at the time of the quarterly statements of condition provided for in Section 47. The Secretary may require payment of the fees provided in this Section by an electronic transfer of funds or an automatic debit of an account of each of the State banks. In case more than one examination of any bank is deemed by the Secretary to be
necessary in any examination frequency cycle specified in subsection 2(a) of this Section, and is performed at his direction, the Secretary may assess a reasonable additional fee to recover the cost of the additional examination; provided, however, that an examination conducted at the request of the State Treasurer pursuant to the Uniform Disposition of Unclaimed Property Act shall not be deemed to be an additional examination under this Section. In lieu of the method and amounts set forth in this paragraph (a) for the calculation of the Call Report Fee, the Secretary may specify by rule that the Call Report Fees provided by this Section may be assessed semiannually or some other period and may provide in the rule the formula to be used for calculating and assessing the periodic Call Report Fees to be paid by State banks.

(a-1) If in the opinion of the Commissioner an emergency exists or appears likely, the Commissioner may assign an examiner or examiners to monitor the affairs of a State bank with whatever frequency he deems appropriate, including but not limited to a daily basis. The reasonable and necessary expenses of the Commissioner during the period of the monitoring shall be borne by the subject bank. The Commissioner shall furnish the State bank a statement of time and expenses if requested to do so within 30 days of the conclusion of the monitoring period.

(a-2) On and after January 1, 1990, the reasonable and necessary expenses of the Commissioner during examination of the performance of electronic data processing services under subsection (2.5) shall be borne by the banks for which the services are provided. An amount, based upon a fee structure prescribed by the Commissioner, shall be paid by the banks or, after May 31, 1997, branches of out-of-state banks receiving the electronic data processing services along with the Call Report Fee assessed under paragraph (a) of this subsection (3).

(a-3) After May 31, 1997, the reasonable and necessary expenses of the Commissioner during examination of the performance of electronic data processing services under subsection (2.5) at or on behalf of branches of out-of-state banks shall be borne by the out-of-state banks, unless those expenses are borne by the state regulatory authorities that chartered the out-of-state banks, as determined by cooperative agreements between the

Commissioner and the state regulatory authorities that chartered the out-of-state banks.

(b) "Fiscal year" for purposes of this Section 48 is defined as a period beginning July 1 of any year and ending June 30 of the next year. The Commissioner shall receive for each fiscal year, commencing with the fiscal year ending June 30, 1987, a contingent fee equal to the lesser of the aggregate of the fees paid by all State banks under paragraph (a) of subsection (3) for that year, or the amount, if any, whereby the aggregate of the administration expenses, as defined in paragraph (c), for that fiscal year exceeds the sum of the aggregate of the fees payable by all State banks for that year under paragraph (a) of subsection (3), plus any amounts transferred into the Bank and Trust Company Fund from the State Pensions Fund for that year, plus all other amounts collected by the Commissioner for that year under any other provision of this Act, plus the aggregate of all fees collected for that year by the Commissioner under the Corporate Fiduciary Act, excluding the receivership fees provided for in Section 5-10 of the Corporate Fiduciary Act, and the Foreign Banking Office Act. The aggregate amount of the contingent fee thus arrived at for any fiscal year shall be apportioned amongst, assessed upon, and paid by the State banks and foreign banking corporations, respectively, in the same proportion that the fee of each under paragraph (a) of subsection (3), respectively, for that year bears to the aggregate for that year of the fees collected under paragraph (a) of subsection (3). The aggregate amount of the contingent fee, and the portion thereof to be assessed upon each State bank and foreign banking corporation, respectively, shall be determined by the Commissioner and shall be paid by each, respectively, within 120 days of the close of the period for which the contingent fee is computed and is payable, and the Commissioner shall give 20 days advance notice of the amount of the contingent fee payable by the State bank and of the date fixed by the Commissioner for payment of the fee.

(c) The "administration expenses" for any fiscal year shall mean the ordinary and contingent expenses for that year incident to making the examinations provided for by, and for otherwise administering, this Act, the Corporate Fiduciary Act, excluding the expenses paid from the Corporate Fiduciary Receivership account in the Bank and Trust Company Fund, the Foreign Banking Office

Act, the Electronic Fund Transfer Act, and the Illinois Bank Examiners' Education Foundation Act, including all salaries and other compensation paid for personal services rendered for the State by officers or employees of the State, including the Commissioner and the Deputy Commissioners, communication equipment and services, office furnishings all expenditures for telephone and telegraph charges, postage and postal charges, office stationery, supplies and services, and office furniture and equipment, including typewriters and copying and duplicating machines and filing equipment, surety bond premiums, and travel expenses of those officers and employees, expenditures or charges for the acquisition, enlargement or improvement of, or for the use of, any office space, building, or structure, or expenditures for the maintenance thereof or for furnishing heat, light, or power with respect thereto, all to the extent that those expenditures are directly incidental to such examinations or administration. The Commissioner shall not be required by paragraphs (c) or (d-1) of this subsection (3) to maintain in any fiscal year's budget appropriated reserves for accrued vacation and accrued sick leave that is required to be paid to employees of the Commissioner upon termination of their service with the Commissioner in an amount that is more than is reasonably anticipated to be necessary for any anticipated turnover in employees, whether due to normal attrition or due to layoffs, terminations, or resignations.

(d) The aggregate of all fees collected by the Secretary under this Act, the Corporate Fiduciary Act, or the Foreign Banking Office Act on and after July 1, 1979, shall be paid promptly after receipt of the same, accompanied by a detailed statement thereof, into the State treasury and shall be set apart in a special fund to be known as the "Bank and Trust Company Fund", except as provided in paragraph (c) of subsection (11) of this Section. All earnings received from investments of funds in the Bank and Trust Company Fund shall be deposited in the Bank and Trust Company Fund and may be used for the same purposes as fees deposited in that Fund. The amount from time to time deposited into the Bank and Trust Company Fund shall be used: (i) to offset the ordinary administrative expenses of the Secretary as defined in this Section or (ii) as a credit against fees under
paragraph (d-1) of this subsection (3). Nothing in this amendatory Act of 1979 shall prevent continuing the practice of paying expenses involving salaries, retirement, social security, and State-paid insurance premiums of State officers by appropriations from the General Revenue Fund. However, the General Revenue Fund shall be reimbursed for those payments made on and after July 1, 1979, by an annual transfer of funds from the Bank and Trust Company Fund. Moneys in the Bank and Trust Company Fund may be transferred to the Professions Indirect Cost Fund, as authorized under Section 2105-300 of the Department of Professional Regulation Law of the Civil Administrative Code of Illinois.

Notwithstanding provisions in the State Finance Act, as now or hereafter amended, or any other law to the contrary, the sum of $18,788,847 shall be transferred from the Bank and Trust Company Fund to the Financial Institutions Settlement of 2008 Fund on the effective date of this amendatory Act of the 95th General Assembly, or as soon thereafter as practical.

Notwithstanding provisions in the State Finance Act, as now or hereafter amended, or any other law to the contrary, the Governor may, during any fiscal year through January 10, 2011, from time to time direct the State Treasurer and Comptroller to transfer a specified sum not exceeding 10% of the revenues to be deposited into the Bank and Trust Company Fund during that fiscal year from that Fund to the General Revenue Fund in order to help defray the State's operating costs for the fiscal year. Notwithstanding provisions in the State Finance Act, as now or hereafter amended, or any other law to the contrary, the total sum transferred during any fiscal year through January 10, 2011, from the Bank and Trust Company Fund to the General Revenue Fund pursuant to this provision shall not exceed during any fiscal year 10% of the revenues to be deposited into the Bank and Trust Company Fund during that fiscal year. The State Treasurer and Comptroller shall transfer the amounts designated under this Section as soon as may be practicable after receiving the direction to transfer from the Governor.

(d-1) Adequate funds shall be available in the Bank and Trust Company Fund to permit the timely payment of administration expenses. In each fiscal year the total administration

expenses shall be deducted from the total fees collected by the Commissioner and the remainder transferred into the Cash Flow Reserve Account, unless the balance of the Cash Flow Reserve Account prior to the transfer equals or exceeds one-fourth of the total initial appropriations from the Bank and Trust Company Fund for the subsequent year, in which case the remainder shall be credited to State banks and foreign banking corporations and applied against their fees for the subsequent year. The amount credited to each State bank and foreign banking corporation shall be in the same proportion as the Call Report Fees paid by each for the year bear to the total Call Report Fees collected for the year. If, after a transfer to the Cash Flow Reserve Account is made or if no remainder is available for transfer, the balance of the Cash Flow Reserve Account is less than one-fourth of the total initial appropriations for the subsequent year and the amount transferred is less than 5% of the total Call Report Fees for the year, additional amounts needed to make the transfer equal to 5% of the total Call Report Fees for the year shall be apportioned amongst, assessed upon, and paid by the State banks and foreign banking corporations in the same proportion that the Call Report Fees of each, respectively, for the year bear to the total Call Report Fees collected for the year. The additional amounts assessed shall be transferred into the Cash Flow Reserve Account. For purposes of this paragraph (d-1), the calculation of the fees collected shall exclude the receivership fees provided for in Section 5-10 of the Corporate Fiduciary Act.

(e) The Commissioner may upon request certify to any public record in his keeping and shall have authority to levy a reasonable charge for issuing certifications of any public record in his keeping.

(f) In addition to fees authorized elsewhere in this Act, the Commissioner may, in connection with a review, approval, or provision of a service, levy a reasonable charge to recover the cost of the review, approval, or service.

(4) Nothing contained in this Act shall be construed to limit the obligation relative to examinations and reports of any State bank, deposits in which are to any extent insured by the United States or any agency thereof, nor to limit in any way the powers of the Commissioner with reference to examinations and reports of that bank.
(5) The nature and condition of the assets in or investment of any bonus, pension, or profit sharing plan for officers or employees of every State bank or, after May 31, 1997, branch of an out-of-state bank shall be deemed to be included in the affairs of that State bank or branch of an out-of-state bank subject to examination by the Commissioner under the provisions of subsection (2) of this Section, and if the Commissioner shall find from an examination that the condition of or operation of the investments or assets of the plan is unlawful, fraudulent, or unsafe, or that any trustee has abused his trust, the Commissioner shall, if the situation so found by the Commissioner shall not be corrected to his satisfaction within 60 days after the Commissioner has given notice to the board of directors of the State bank or out-of-state bank of his findings, report the facts to the Attorney General who shall thereupon institute proceedings against the State bank or out-of-state bank, the board of directors thereof, or the trustees under such plan as the nature of the case may require.

(6) The Commissioner shall have the power:

(a) To promulgate reasonable rules for the purpose of administering the provisions of this Act.

(a-5) To impose conditions on any approval issued by the Commissioner if he determines that the conditions are necessary or appropriate. These conditions shall be imposed in writing and shall continue in effect for the period prescribed by the Commissioner.

(b) To issue orders against any person, if the Commissioner has reasonable cause to believe that an unsafe or unsound banking practice has occurred, is occurring, or is about to occur, if any person has violated, is violating, or is about to violate any law, rule, or written agreement with the Commissioner, or for the purpose of administering the provisions of this Act and any rule promulgated in accordance with this Act.

(b-1) To enter into agreements with a bank establishing a program to correct the condition of the bank or its practices.

(c) To appoint hearing officers to execute any of the powers granted to the Commissioner under this Section for the purpose of administering this Act and any rule promulgated in accordance with this Act and otherwise to authorize, in writing, an officer or employee of the Office of Banks and Real Estate to exercise his powers under this Act.

(d) To subpoena witnesses, to compel their attendance, to administer an oath, to examine any person under oath, and to
require the production of any relevant books, papers, accounts, and
documents in the course of and pursuant to any investigation being
conducted, or any action being taken, by the Commissioner in
respect of any matter relating to the duties imposed upon, or the
powers vested in, the Commissioner under the provisions of this
Act or any rule promulgated in accordance with this Act.

Sec. 7-5. Examination.

(a) The Commissioner, at least once every 18 months, but more often if he deems it necessary or expedient, with or without previous notice, shall cause an examination to be made of the affairs of every association, including any holding company and subsidiary thereof. If an association or holding company has not been audited at least once in the preceding 12 months in accordance with this Act, the examination shall include an audit by licensed public accountants employed or appointed by the Commissioner. Such examination shall be made by competent examiners appointed for that purpose who are not officers or agents of, or in any manner interested in, any association or holding company which they examine, except that they may be holders of withdrawable capital. Notwithstanding any other provision of this Act, every eligible association, as defined by regulation, or, if not so defined, to an equivalent extent as would be permitted in the case of a State bank, the Secretary, in lieu of the examination, may accept on an alternating basis the examination made by the appropriate federal banking regulator, or its successor, pursuant to the federal Home Owners' Loan Act, provided the appropriate federal banking regulator, or its successor, has made an examination.

(b) The officers, agents or directors of any such association or holding company shall cause the books of the association or holding company to be opened for inspection by the Commissioner or his examiners and otherwise assist in such examination when requested; and for the purpose of examination, the examiner in charge thereof shall have power to administer oaths and to examine under oath any officers, employees, agents or directors of such association or holding company and such other witnesses as he deems necessary relative to the business of the association or holding company.

(c) The Commissioner shall make a report of each examination to the board of directors of the association or holding company examined, which report shall be read by each director, who will then execute a signed affidavit to be filed and preserved by the association or holding company acknowledging that he has read the Commissioner's report. If the affairs of the association or holding company are not being conducted in accordance with this Act, the Commissioner shall require the directors, officers or employees to take any necessary corrective action. If the necessary corrective action is not made, the Commissioner may issue a formal order to the directors of the association or holding company delivered either
personally or by registered or certified mail, specifying a date which may be immediate or may be at a later date for the performance by the association or holding company of the corrective action. Such order or any part thereof shall be subject to Sections 7-24 through 7-27 of this Act. If the formal order of the Commissioner in whole or in part contains a finding that the business of the association or holding company is being conducted in a fraudulent, illegal or unsafe manner, or that the violation thereof or the continuance by the association or holding company of the practice to be corrected could cause insolvency or substantial dissipation of assets or earnings or the impairment of its capital, such order or part thereof shall be complied with promptly on and after the effective date thereof until modified or withdrawn by the Commissioner, the Board, or modified or terminated by a circuit court. The Commissioner may apply to the circuit court of the county in which the association or holding company is located for enforcement of any such order requiring prompt compliance. If no hearing has been requested within the time specified by this Act, the Commissioner may, at any time within 90 days after the effective date of the order, institute suit in the Circuit Court of Sangamon County or the circuit court of the county in which the association or holding company is located to compel the directors, officers or employees to make the required corrective action. Such court shall, after due process of law, adjudicate the question and enter the proper order or orders and enforce them. In the interests of the members of the association or holding company, the Commissioner may prepare a statement of the condition of the association or holding company and may mail the statement to the members or may require a single publication thereof.

Promptly after taking possession and control of an association, if the Federal Deposit Insurance Corporation is not appointed as receiver, the Secretary shall file a copy of the notice posted upon the premises in the circuit court in the county in which the association is located, and thereupon the clerk of such court shall note the filing of the notice upon the records of the court, and shall enter such cause as a court action upon the dockets of such court under the name and style of "In the matter of the possession and control of the Secretary of (insert the name of such association)", and thereupon the court wherein such cause is docketed shall be vested with jurisdiction to hear and determine all issues and matters pertaining to or connected with the Secretary's possession and control of such association as provided in this Act, and such further issues and matters pertaining to or connected with the Secretary's possession and control as may be submitted to such court for its adjudication by the Secretary. As soon as practical after taking possession, the Secretary shall make his or her examination of the condition of the association and an inventory of the assets. Unless the time shall be extended by order of the court, and unless the Secretary shall have otherwise settled the affairs of an association pursuant to the provisions of this Act, at the termination of 30 days after the time of taking possession and control of an association for the purpose of examination, reorganization, or liquidation through receivership, the Secretary shall either terminate his or her possession and control by restoring the association to its board of directors or appoint a receiver and order the liquidation of the association as provided in this Act. When such reorganization becomes effective, all books, records, and assets of the association shall be disposed of in accordance with the provisions of the plan, and the affairs of the association shall be conducted by its board of directors in the manner provided by the plan and under the conditions, restrictions, and limitations prescribed by the Secretary. In any reorganization approved and effective as provided in this Section, all depositors and other creditors and stockholders of the association, whether or not they shall have consented to such plan of reorganization, shall be fully and in all respects subject to and bound by its provisions, and claims of all depositors and other creditors shall be treated as if they have consented to the plan of reorganization. A department, agency, or political subdivision of this State holding a claim that will not be paid in full is authorized to participate in a plan of reorganization as any other

(3) the plan assures the removal of any director, officer, or employee responsible for any unsound or unlawful action or the existence of an unsound condition;
(4) any merger or consolidation provided by the plan conforms to the requirements of this Act; and

The examination shall be conducted in accordance with and pursuant to the authority granted under Section 5-2 of the Corporate Fiduciary Act and the corporate fiduciary or other suitable person conducting the examination shall have and may exercise on behalf of the Secretary all of the powers and authority granted to the Secretary. A copy of the report shall be filed in any dissolution proceeding filed by the Secretary. The reasonable fees and necessary expenses of the examining corporate fiduciary or other suitable person, as approved by the Secretary or as recommended by the Secretary and approved by the court if a dissolution proceeding has been filed, shall be borne by the subject association and shall have the same priority for payment as the reasonable and necessary expenses of the Secretary in conducting an examination.

As soon as reasonably can be done, the Secretary, if he or she deems it advisable, shall seek the advice and instruction of the court concerning the removal of the corporate fiduciary as to all of its fiduciary accounts and the appointment of a successor fiduciary, which may be the examining corporate fiduciary, to take over and administer all of the fiduciary accounts being administered by the trust department of the association. The corporate fiduciary or other suitable person appointed to make the examination shall make a proper accounting, in the manner and scope as determined by the Secretary to be practical and advisable under the circumstances, on behalf of the trust department of the association and no guardian ad litem need be appointed to review the accounting.

Sec. 10011. Appointment of a receiver following taking of custody. If, following the taking of custody of a savings bank, the Secretary determines that the appointment of a receiver is appropriate, then the provisions of this Article shall apply.

Sec. 10015. Secretary's proceedings exclusive. Except by the authority of the Secretary, represented by the Attorney General, or the Federal Deposit Insurance Corporation pursuant to the Federal Deposit Insurance Act, no complaint shall be filed or proceedings commenced in any court for the dissolution of, the winding up of the affairs of, or the appointment of a receiver for any savings bank on the grounds that:

(1) it is insolvent;
(2) its capital is impaired or it is otherwise in an unsound condition;
(3) its business is being conducted in an unlawful, fraudulent or unsafe manner;
(4) it is unable to continue operations; or
(5) its examination has been obstructed or impaired.

Sec. 10020. Capital impairment; correction.

(a) If the Secretary, with respect to a savings bank, shall find:

If the situation so found by the Secretary shall not be corrected to his or her satisfaction within a period of at least 60 but no more than 180 days after receipt of the notice, which period shall be determined by the Secretary and set forth in the notice, then the Secretary, at the termination of that period, may take possession and control of the
savings bank and its assets as provided for in this Act for the purpose of
eexamination, reorganization, or liquidation through receivership.

(b) If the Secretary has given notice to the board of directors of his
or her findings, as provided in subsection (a), and the time period

Sec. 10025. Capital impairment; emergency. If, in addition to a
finding as provided in Section 10020 of this Act, the Secretary is of the
opinion and finds that an emergency exists that may result in serious
losses to the depositors or the inability of the savings bank to continue
in operations, meet the demands of its depositors, or pay its obligations in
the normal course of business, he or she may, in his or her discretion,
without having given the notice provided for in Section 10020, and
whether or not proceedings under Section 10020 have been instituted or
are then pending, take possession and control of the savings bank and its
assets for the purpose of examination, reorganization, or liquidation

the Federal Deposit Insurance Corporation is not appointed as receiver,
the Secretary shall file a copy of the notice posted upon the premises in the
circuit court in the county in which the savings bank is located, and
thereupon the clerk of such court shall note the filing of the notice upon
the records of the court, and shall enter such cause as a court action upon
the dockets of such court under the name and style of "In the matter of the

(1) the power to continue or to discontinue the business;
(2) the power to stop or to limit the payment of its obligations; provided, however with respect to a qualified financial contract between any party and a savings bank or a branch or agency of which the Secretary has taken possession and control, which party has a perfected security interest in collateral or other valid lien or security interest in collateral enforceable against third parties pursuant to a security arrangement related to that qualified financial contract, the party may retain all of the collateral and upon repudiation or termination of that qualified financial contract in accordance with its terms apply the collateral in satisfaction of any claims secured by the collateral; in no event shall the total amount so applied exceed the global net payment obligation, if any;
(3) the power to collect and to use its assets and to give valid receipts and acquittances therefore;
(4) the power to employ and to pay any necessary assistants;
(5) the power to execute any instrument in the name of the savings bank;
(6) the power to commence, defend, and conduct in its name any action or proceeding in which it may be a party;
(7) the power, upon the order of the court, to sell and convey its assets in whole or in part, and to sell or compound bad or doubtful debts upon terms and conditions as may be fixed in such order;

(9) the power, upon the order of the court, to borrow money in the name of the savings bank and to pledge its assets as security for the loan;

(10) the power to terminate his or her possession and control by restoring the savings bank to its board of directors;

(11) the power to reorganize the savings bank as provided in this Act;

(12) the power to appoint a receiver and to order liquidation of the savings bank as provided in this Act; and

(13) the power, upon the order of the court and without the appointment of a receiver, to determine that the savings bank has been closed for the purpose of liquidation without adequate provision being made for payment of its depositors, and thereupon the savings bank shall be deemed to have been closed on account of inability to meet the demands of its depositors.

As soon as practical after taking possession, the Secretary shall make his or her examination of the condition of the savings bank and an inventory of the assets. Unless the time shall be extended by order of the court, and unless the Secretary shall have otherwise settled the affairs of a savings bank pursuant to the provisions of this Act, at the termination of 30 days from the time of taking possession and control of a savings bank for the purpose of examination, reorganization or liquidation through receivership, the Secretary shall either terminate his or her possession and control by restoring the savings bank to its board of directors or appoint a receiver and order the liquidation of the savings bank as provided in this Act. All necessary and reasonable expenses of the Secretary's possession and control and of its reorganization shall be borne by the savings bank and may be paid by the Secretary from its assets. If the Federal Deposit Insurance Corporation is appointed by the Secretary as receiver of a savings bank, or the Federal Deposit Insurance Corporation takes possession of the savings bank, the receivership proceedings and the powers and duties of the Federal Deposit Insurance Corporation shall be governed by the Federal Deposit Insurance Act and regulations promulgated under that Act rather than the provisions of this Act.

No judgment, lien, levy, attachment, or other similar legal process shall be enforced upon or satisfied in whole or in part from any asset of the savings bank while it is in the possession of the Secretary, except upon the order of the court referred to in Section 10030 entered in due course pursuant to Section 10090 of this Act. The provisions of this Section shall continue to apply and shall govern notwithstanding the appointment of and the possession by a receiver pursuant to Section 10055 of this Act.

Sec. 10040. Reorganization. The Secretary, while in possession and control of a savings bank and its assets, after according a hearing to interested parties as he or she may determine and upon the order of the court, may propose a reorganization plan. The reorganization plan shall become effective only (1) when the requirements of Section 10045 are satisfied, and (2) when, after reasonable notice of such reorganization, as the case may require (A) depositors and other creditors of such savings bank representing at least 75% in amount of its total deposits and other liabilities as shown by the books of the savings bank, (B) stockholders owning at least two-thirds of its outstanding capital stock as shown by the books of the savings bank, or (C) both depositors and other creditors representing at least 75% in amount of the total deposits and other liabilities and stockholders owning at least two-thirds of its outstanding capital stock as shown by the books of the savings bank, shall have consented in writing to the plan of reorganization; provided, however, that claims of depositors or other creditors that will be satisfied in full on demand under the provisions of the plan of reorganization shall not be included among the total deposits and other liabilities of the savings bank in determining the 75% required under this Section. When such reorganization becomes effective, all books, records, and assets of the savings bank shall be disposed of in accordance with the provisions of the plan and the affairs of the savings bank shall be conducted by its board of directors in the manner provided by the plan and under the conditions, restrictions, and limitations prescribed by the Secretary. depositors and other creditors and stockholders of the savings bank, whether or not they shall have consented to the plan of reorganization, shall be fully and in all respects subject to and bound by its provisions, and claims of all depositors and other creditors shall be treated as if they have consented to the plan of reorganization. A department, agency, or political subdivision of this State holding a claim that will not be paid in full is authorized to participate in a plan of reorganization as any other creditor and shall be subject to and bound by its provisions as any other creditor.

Sec. 10045. Requirements of reorganization plan. A plan of reorganization for a savings bank shall not be proposed under this Act unless all of the following are met:

(1) the plan is feasible and fair to all classes of depositors, creditors and stockholders;

(2) the face amount of the interest accorded to any class of depositors, creditors and stockholders under the plan does not exceed the value of the assets upon liquidation less the full amount of the claims of all prior classes, subject, however, to any fair adjustment for new capital that any class will pay in under the plan;

(3) the plan assures the removal of any director, officer, or employee responsible for any unsound or unlawful action or the existence of an unsound condition;

(4) any merger or consolidation provided by the plan conforms to the requirements of this Act; and

(5) any reorganized savings bank provided by the plan conforms to the requirements of this Act for the organization of a savings bank.

Sec. 10050. Reorganization; emergency. Whenever, in the course of reorganization, supervening conditions render the plan of reorganization unfair or its execution impractical, the Secretary may modify the plan, provided the modification is with the written consent of the depositors and other creditors representing at least 75% in amount of the total deposits and other liabilities which are impaired or lessened by the modification, or may, provided the Federal Deposit Insurance has not been appointed, appoint a receiver for liquidation as provided in this Act.

Sec. 10055. Appointment of receiver; court proceeding.

(a) If the Secretary determines, which determination may be made at the time of or any time subsequent to his or her taking possession and control of a savings bank and its assets, that no practical possibility exists to reorganize the savings bank after reasonable efforts have been made and that it should be liquidated through receivership, then the Secretary shall appoint a receiver and require of the receiver the bond and security as the Secretary deems proper, and the Secretary, represented by the Attorney General, shall, if the Federal Deposit Insurance Corporation is not acting as receiver, file a complaint for the dissolution or winding up of the affairs of the savings bank in the circuit court of the county where such savings bank is located.

(b) Unless the Federal Deposit Insurance Corporation is acting as receiver for the savings bank, the Secretary, upon taking possession and control of a savings bank and its assets, may and, if he or she has not previously done so, shall, immediately upon filing a complaint for dissolution, make an examination of the affairs of the trust department of the savings bank or appoint a corporate fiduciary or other suitable person to make the examination as the Secretary's agent. The examination shall be conducted in accordance with and pursuant to the authority granted under Section 5-2 of the Corporate Fiduciary Act, as now or hereafter amended, and the corporate fiduciary or other suitable person conducting the examination shall have and may exercise on behalf of the Secretary all of the powers and authority granted to the Secretary thereunder. The report of examination shall, to the extent reasonably possible, identify those governing instruments with specific instructions concerning the appointment of a successor fiduciary. A copy of the report shall be filed in any dissolution proceeding filed by the Secretary. The reasonable fees and necessary expenses of the examining corporate fiduciary or other suitable person, as approved by the Secretary or as recommended by the Secretary and approved by the court if a dissolution proceeding has been filed, shall be borne by the subject savings bank and shall have the same priority for payment as the reasonable and necessary expenses of the Secretary in conducting an examination.

As soon as reasonably can be done, the Secretary, if he or she deems it advisable, shall seek the advice and instruction of the court concerning the removal of the corporate fiduciary as to all of its fiduciary accounts and the appointment of a successor fiduciary, which may be the examining corporate fiduciary, to take over and administer all of the

All persons who may have claims against such savings bank and the receiver to whom the persons have presented their claims may present them to the clerk of the court, and the allowance or disallowance of the claims by the court in connection with such proceedings shall be deemed an adjudication in a court of competent jurisdiction.

(2) He or she may sell the real and personal property of the savings bank on such terms as the court shall direct.

(3) He or she may petition the court for the authority to borrow money, and to pledge the assets of the savings bank as security therefor, whereupon the practice and procedure shall be as follows:

(A) Upon the filing of the petition, the court shall set a date for the hearing of the petition and shall prescribe the form and manner of the notice to be given to the officers, stockholders, creditors, or other persons interested in such savings bank.

(B) Upon such hearing, any officer, stockholder, creditor, or person interested shall have the right to be heard.

(C) If the court grants such authority, then the receiver may borrow money and issue evidences of indebtedness therefor and may secure the payment of such loan by the mortgage, pledge, transfer in trust, or hypothecation of any or all property and assets of such savings bank, whether real, personal, or mixed, superior to any charge thereon for the expenses of liquidation.
(D) The loan may be obtained in such amounts upon such terms and conditions, and with provisions for repayment as may be deemed necessary or expedient.

(F) The receiver shall be under no personal obligation to repay any such loan and shall have authority to take any action necessary or proper to consummate such loan and to provide for the repayment thereof, and may, when required, give bond for the faithful performance of all undertakings in connection therewith.

(G) Prior to petitioning the court for authority to make any such loan, the receiver may make application for or negotiate any loan subject to obtaining an order of the court approving the same.

(4) He or she may make and carry out agreements with other savings banks or with the United States or any agency thereof that has insured the savings bank's deposits, in whole or in part, for the payment or assumption of the savings bank's liabilities, in whole or in part, and he or she may transfer assets and make guaranties in connection therewith.

(d) The expenses of any examination of the licensee and affiliates shall be borne by the licensee and assessed by the Commissioner as established by regulation.

(e) Upon completion of the examination, the Commissioner shall issue a report to the licensee. Except as authorized by the Commissioner, no person obtaining access to confidential supervisory information may make a copy of the confidential supervisory information. The Commissioner may condition a decision to disclose confidential supervisory information on entry of a protective order by the court or administrative tribunal presiding in the particular case or on a written agreement of confidentiality. In a case in which a protective order or agreement has already been entered between parties other than the Commissioner, the Commissioner may nevertheless condition approval for release of confidential supervisory information upon the inclusion of additional or amended provisions in the protective order. The Commissioner may authorize a party who obtained the records for use in one case to provide them to another party in another case, subject to any conditions that the Commissioner may impose on either or both parties. The requestor shall promptly notify other parties to a case of the release of confidential supervisory information obtained and, upon entry of a protective order, shall provide copies of confidential supervisory information to the other parties.

(235 ILCS 5/6-4) (from Ch. 43, par. 121)

Sec. 6-4. (a) No person licensed by any licensing authority as a distiller, or a wine manufacturer, or any subsidiary or affiliate thereof, or any officer, associate, member, partner, representative, employee, agent or shareholder owning more than 5% of the outstanding shares of such person shall be issued an importing distributor's or distributor's license, nor shall any person licensed by any licensing authority as an importing distributor, distributor or retailer, or any subsidiary or affiliate thereof, or any officer or associate, member, partner, representative, employee, agent or shareholder owning more than 5% of the outstanding shares of such person be issued a distiller's license or a wine manufacturer's license; and no person or persons licensed as a distiller by any licensing authority shall have any interest, directly or indirectly, with such distributor or importing distributor.

However, an importing distributor or distributor, which on January 1, 1985 is owned by a brewer, or any subsidiary or affiliate thereof or any officer, associate, member, partner, representative, employee, agent or shareholder owning more than 5% of the outstanding shares of the importing distributor or distributor referred to in this paragraph, may own or acquire an ownership interest of more than 5% of the outstanding shares of a wine manufacturer and be issued a wine manufacturer's license by any licensing authority.

(b) The foregoing provisions shall not apply to any person licensed by any licensing authority as a distiller or wine manufacturer, or to any subsidiary or affiliate of any distiller or wine manufacturer who shall have been heretofore licensed by the State Commission as either an importing
distributor or distributor during the annual licensing period expiring June 30, 1947, and shall actually have made sales regularly to retailers.

(c) Provided, however, that in such instances where a distributor's or importing distributor's license has been issued to any distiller or wine manufacturer or to any subsidiary or affiliate of any distiller or wine manufacturer who has, during the licensing period ending June 30, 1947, sold or distributed as such licensed distributor or importing distributor alcoholic liquors and wines to retailers, such distiller or wine manufacturer or any subsidiary or affiliate of any distiller or wine manufacturer holding such distributor's or importing distributor's license may continue to sell or distribute to retailers such alcoholic liquors and wines which are manufactured, distilled, processed or marketed by distillers and wine manufacturers whose products it sold or distributed to retailers during the whole or any part of its licensing periods; and such additional brands and additional products may be added to the line of such distributor or importing distributor, provided, that such brands and such products were not sold or distributed by any distributor or importing distributor licensed by the State Commission during the licensing period ending June 30, 1947, but cannot sell or distribute to retailers any other alcoholic liquors or wines.

(d) It shall be unlawful for any distiller licensed anywhere to have any stock ownership or interest in any distributor's or importing distributor's license wherein any other person has an interest therein who is not a distiller and does not own more than 5% of any stock in any distillery. Nothing herein contained shall apply to such distillers or their subsidiaries or affiliates, who had a distributor's or importing distributor's license during the licensing period ending June 30, 1947, which license was owned in whole by such distiller, or subsidiaries or affiliates of such distiller.

(e) Any person having been licensed as a manufacturer shall be permitted to receive one retailer's license for the premises in which he or she actually conducts such business, permitting the sale of beer only on such premises, but no such person shall be entitled to more than one retailer's license in any event, and, other than a manufacturer of beer as stated above, no manufacturer or distributor or importing distributor, excluding airplane licensees exercising powers provided in paragraph (i) of Section 5-1 of this Act, or any subsidiary or affiliate thereof, or any officer, associate, member, partner, representative, employee or agent, or shareholder shall be issued a retailer's license, nor shall any person having

a retailer's license, excluding airplane licensees exercising powers provided in paragraph (i) of Section 5-1 of this Act, or any subsidiary or affiliate thereof, or any officer, associate, member, partner, representative or agent, or shareholder be issued a manufacturer's license or importing distributor's license.

A person licensed as a craft distiller not affiliated with any other person manufacturing spirits may be permitted to receive one retailer's license for the premises in which he or she actually conducts business permitting only the retail sale of spirits manufactured at such premises. Such sales shall be limited to on-premises, in-person sales only, for lawful consumption on or off premises. A craft distiller licensed for retail sale shall secure liquor liability insurance coverage in an amount at least equal to the maximum liability amounts set forth in subsection (a) of Section 6-21 of this Act.

(f) However, the foregoing prohibitions against any person licensed as a distiller or wine manufacturer being issued a retailer's license shall not apply:

(i) to any hotel, motel or restaurant whose principal business is not the sale of alcoholic liquors if said retailer's sales of any alcoholic liquors manufactured, sold, distributed or controlled, directly or indirectly, by any affiliate, subsidiary, officer, associate, member, partner, representative, employee, agent or shareholder owning more than 5% of the outstanding shares of such person does not exceed 10% of the total alcoholic liquor sales of said retail licensee; and

(ii) where the Commission determines, having considered the public welfare, the economic impact upon the State and the entirety of the facts and circumstances involved, that the purpose and intent of this Section would not be violated by granting an exemption.

(g) Notwithstanding any of the foregoing prohibitions, a limited wine manufacturer may sell at retail at its manufacturing site for on or off premises consumption and may sell to distributors. A limited wine manufacturer licensee shall secure liquor liability insurance coverage in an amount at least equal to the maximum liability amounts set forth in subsection (a) of Section 6-21 of this Act.

If the court grants relief, the court shall notify the Department of State Police that the disability has been removed and that the applicant is eligible to obtain a Firearm Owner's Identification Card.

(f) Any person who is prohibited from possessing a firearm under 18 U.S.C. 922 (d)(4) and 922 (g)(4) of the federal Gun Control Act of 1968 may apply to the Department of State Police requesting relief from such prohibition and the Director shall grant such relief if it is established to the Director's satisfaction that the person will not be likely to act in a
