but in no event later than 90 days after the violation. A person authorized by ordinance to issue and serve parking, standing, and compliance violation notices shall certify as to the correctness of the facts entered on the violation notice by signing his or her name to the notice at the time of service or in the case of a notice produced by a computerized device, by signing a single certificate to be kept by the traffic compliance administrator attesting to the correctness of all notices produced by the device while it was under his or her control. In the case of an automated traffic law violation, the ordinance shall require a determination by a technician employed or contracted by the municipality or county that, based on inspection of recorded images, the motor vehicle was being operated in violation of Section 11-208.6 or 11-1201.1 or a local ordinance. If the technician determines that the vehicle entered the intersection as part of a funeral procession or in order to yield the right-of-way to an emergency vehicle, a citation shall not be issued. The original or a facsimile of the violation notice or, in the case of a notice produced by a computerized device, a printed record generated by the device showing the facts entered on the notice, shall be retained by the traffic compliance administrator, and shall be a record kept in the ordinary course of business. A parking, standing, compliance, or automated traffic law violation notice issued, signed and served in accordance with this Section, a copy of the notice, or the computer generated record shall be prima facie correct and shall be prima facie evidence of the correctness of the facts shown on the notice. The notice, copy, or computer generated record shall be admissible in any subsequent administrative or legal proceedings.

(4) An opportunity for a hearing for the registered owner of the vehicle cited in the parking, standing, compliance, or automated traffic law violation notice in which the owner may contest the merits of the alleged violation, and during which formal or technical rules of evidence shall not apply; provided, however, that under Section 11-1306 of this Code the lessee of a vehicle cited in the violation notice likewise shall be provided an opportunity for a hearing of the same kind afforded the registered owner. The hearings shall be recorded, and the person conducting the hearing on behalf of the traffic compliance administrator shall be empowered to administer oaths and to secure by subpoena both

the attendance and testimony of witnesses and the production of relevant books and papers. Persons appearing at a hearing under this Section may be represented by counsel at their expense. The ordinance may also provide for internal administrative review following the decision of the hearing officer.

(5) Service of additional notices, sent by first class United States mail, postage prepaid, to the address of the registered owner of the cited vehicle as recorded with the Secretary of State or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database, or, under Section 11-1306 of this Code, to the lessee of the cited vehicle at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database. The service shall be deemed complete as of the date of deposit in the United States mail. The notices shall be in the following sequence and shall include but not be limited to the information specified herein:

(i) A second notice of parking, standing, or compliance violation. This notice shall specify the date and location of the violation cited in the parking, standing, or compliance violation notice, the particular regulation violated, the vehicle make and state registration number, any requirement to complete a traffic education program, the fine and any penalty that may be assessed for late payment or failure to complete a traffic education program, or both, when so provided by ordinance, the availability of a hearing in which the violation may be contested on its merits, and the time and manner in which the hearing may be had. The notice of violation shall also state that failure to complete a required traffic education program, to pay the indicated fine and any applicable penalty, or to appear at a hearing on the merits in the time and manner specified, will result in a final determination of violation liability for the cited violation in the amount of the fine or penalty indicated, and that, upon the occurrence of a final determination of violation liability for the failure, and the exhaustion of, or failure to exhaust, available administrative or judicial procedures for review, any
incomplete traffic education program or any unpaid fine or penalty, or both, will constitute a debt due and owing the municipality.

(ii) A notice of final determination of parking, standing, compliance, or automated traffic law violation liability. This notice shall be sent following a final determination of parking, standing, compliance, or automated traffic law violation liability and the conclusion of judicial review procedures taken under this Section. The notice shall state that the incomplete traffic education program or the unpaid fine or penalty, or both, is a debt due and owing the municipality. The notice shall contain warnings that failure to complete any required traffic education program or to pay any fine or penalty due and owing the municipality, or both, within the time specified may result in the municipality's filing of a petition in the Circuit Court to have the incomplete traffic education program or unpaid fine or penalty, or both, rendered a judgment as provided by this Section, or may result in suspension of the person's drivers license for failure to complete a traffic education program or to pay fines or penalties, or both, for 10 or more parking violations under Section 6-306.5 or 5 or more automated traffic law violations under Section 11-208.6.

(6) A notice of impending drivers license suspension. This notice shall be sent to the person liable for failure to complete a required traffic education program or to pay any fine or penalty that remains due and owing, or both, on 10 or more parking violations or 5 or more unpaid automated traffic law violations. The notice shall state that failure to complete a required traffic education program or to pay the fine or penalty owing, or both, within 45 days of the notice's date will result in the municipality notifying the Secretary of State that the person is eligible for initiation of suspension proceedings under Section 6-306.5 of this Code. The notice shall also state that the person may obtain a photostatic copy of an original ticket imposing a fine or penalty by sending a self addressed, stamped envelope to the municipality along with a request for the photostatic copy. The notice of impending drivers license suspension shall be sent by first class United States mail,
postage prepaid, to the address recorded with the Secretary of State or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database.

(7) Final determinations of violation liability. A final determination of violation liability shall occur following failure to complete the required traffic education program or to pay the fine or penalty, or both, after a hearing officer's determination of violation liability and the exhaustion of or failure to exhaust any administrative review procedures provided by ordinance. Where a person fails to appear at a hearing to contest the alleged violation in the time and manner specified in a prior mailed notice, the hearing officer's determination of violation liability shall become final: (A) upon denial of a timely petition to set aside that determination, or (B) upon expiration of the period for filing the petition without a filing having been made.

(8) A petition to set aside a determination of parking, standing, compliance, or automated traffic law violation liability that may be filed by a person owing an unpaid fine or penalty. A petition to set aside a determination of liability may also be filed by a person required to complete a traffic education program. The petition shall be filed with and ruled upon by the traffic compliance administrator in the manner and within the time specified by ordinance. The grounds for the petition may be limited to: (A) the person not having been the owner or lessee of the cited vehicle on the date the violation notice was issued, (B) the person having already completed the required traffic education program or paid the fine or penalty, or both, for the violation in question, and (C) excusable failure to appear at or request a new date for a hearing. With regard to municipalities with a population of 1 million or more, it shall be grounds for dismissal of a parking violation if the state registration number, or vehicle make if specified, is incorrect. After the determination of parking, standing, compliance, or automated traffic law violation liability has been set aside upon a showing of just cause, the registered owner shall be provided with a hearing on the merits for that violation.

(9) Procedures for non-residents. Procedures by which persons who are not residents of the municipality may contest the merits of the alleged violation without attending a hearing.

(10) A schedule of civil fines for violations of vehicular standing, parking, compliance, or automated traffic law regulations enacted by ordinance pursuant to this Section, and a schedule of penalties for late payment of the fines or failure to complete required traffic education programs, provided, however, that the total amount of the fine and penalty for any one violation shall not exceed $250, except as provided in subsection (c) of Section 11-1301.3 of this Code.

(11) Other provisions as are necessary and proper to carry into effect the powers granted and purposes stated in this Section.

(c) Any municipality establishing vehicular standing, parking, compliance, or automated traffic law regulations under this Section may also provide by ordinance for a program of vehicle immobilization for the purpose of facilitating enforcement of those regulations. The program of vehicle immobilization shall provide for immobilizing any eligible vehicle upon the public way by presence of a restraint in a manner to prevent operation of the vehicle. Any ordinance establishing a program of vehicle immobilization under this Section shall provide:

(1) Criteria for the designation of vehicles eligible for immobilization. A vehicle shall be eligible for immobilization when the registered owner of the vehicle has accumulated the number of incomplete traffic education programs or unpaid final determinations of parking, standing, compliance, or automated traffic law violation liability, or both, as determined by ordinance.

(2) A notice of impending vehicle immobilization and a right to a hearing to challenge the validity of the notice by disproving liability for the incomplete traffic education programs or unpaid final determinations of parking, standing, compliance, or automated traffic law violation liability, or both, listed on the notice.

(3) The right to a prompt hearing after a vehicle has been immobilized or subsequently towed without the completion of the required traffic education program or payment of the outstanding fines and penalties on parking, standing, compliance, or automated traffic law violations, or both, for which final determinations have been issued. An order issued after the hearing is a final administrative decision within the meaning of Section 3-101 of the Code of Civil Procedure.
(4) A post immobilization and post-towing notice advising the registered owner of the vehicle of the right to a hearing to challenge the validity of the impoundment.

(d) Judicial review of final determinations of parking, standing, compliance, or automated traffic law violations and final administrative decisions issued after hearings regarding vehicle immobilization and impoundment made under this Section shall be subject to the provisions of the Administrative Review Law.

(e) Any fine, penalty, incomplete traffic education program, or part of any fine or any penalty remaining unpaid after the exhaustion of, or the failure to exhaust, administrative remedies created under this Section and the conclusion of any judicial review procedures shall be a debt due and owing the municipality and, as such, may be collected in accordance with applicable law. Completion of any required traffic education program and payment in full of any fine or penalty resulting from a standing, parking, compliance, or automated traffic law violation shall constitute a final disposition of that violation.

(f) After the expiration of the period within which judicial review may be sought for a final determination of parking, standing, compliance, or automated traffic law violation, the municipality may commence a proceeding in the Circuit Court for purposes of obtaining a judgment on the final determination of violation. Nothing in this Section shall prevent a municipality from consolidating multiple final determinations of parking, standing, compliance, or automated traffic law violations against a person in a proceeding. Upon commencement of the action, the municipality shall file a certified copy or record of the final determination of parking, standing, compliance, or automated traffic law violation, which shall be accompanied by a certification that recites facts sufficient to show that the final determination of violation was issued in accordance with this Section and the applicable municipal ordinance. Service of the summons and a copy of the petition may be by any method provided by Section 2-203 of the Code of Civil Procedure or by certified mail, return receipt requested, provided that the total amount of fines and penalties for final determinations of parking, standing, compliance, or automated traffic law violations does not exceed $2500. If the court is satisfied that the final determination of parking, standing, compliance, or automated traffic law violation was entered in accordance with the requirements of this Section and the applicable municipal ordinance, and that the registered owner or the lessee, as the case may be, had an opportunity for an administrative
hearing and for judicial review as provided in this Section, the court shall render judgment in favor of the municipality and against the registered owner or the lessee for the amount indicated in the final determination of parking, standing, compliance, or automated traffic law violation, plus costs. The judgment shall have the same effect and may be enforced in the same manner as other judgments for the recovery of money.

(g) The fee for participating in a traffic education program under this Section shall not exceed $25.

A low-income individual required to complete a traffic education program under this Section who provides proof of eligibility for the federal earned income tax credit under Section 32 of the Internal Revenue Code or the Illinois earned income tax credit under Section 212 of the Illinois Income Tax Act shall not be required to pay any fee for participating in a required traffic education program.

(a) A local agency may delegate to its superintendent of highways the authority to set and post a reduced speed limit for a construction or maintenance zone, as defined in Section 11-605.1, under subsection (c) (d) of that Section.

(b) If a superintendent of highways sets a reduced speed limit for a construction or maintenance zone in accordance with this Section, the local agency must maintain a record that indicates:

(2) the reduced speed limit set and posted for the construction or maintenance zone; and

(3) the dates during which the reduced speed limit was in effect.

Sec. 11-1301.2. Special decals for parking; persons with disabilities parking.

(a) The Secretary of State shall provide for, by administrative rules, the design, size, color, and placement of a person with disabilities motorist decal or device and shall provide for, by administrative rules, the content and form of an application for a person with disabilities motorist decal or
device, which shall be used by local authorities in the issuance thereof to a person with temporary disabilities, provided that the decal or device is valid for no more than 90 days, subject to renewal for like periods based upon continued disability, and further provided that the decal or device clearly sets forth the date that the decal or device expires. The application shall include the requirement of an Illinois Identification Card number or a State of Illinois driver's license number. This decal or device may be used by the authorized holder to designate and identify a vehicle not owned or displaying a registration plate as provided in Sections 3-609 and 3-616 of this Act to designate when the vehicle is being used to transport said person or persons with disabilities, and thus is entitled to enjoy all the privileges that would be afforded a person with disabilities licensed vehicle. Person with disabilities decals or devices issued and displayed pursuant to this Section shall be recognized and honored by all local authorities regardless of which local authority issued such decal or device.

The decal or device shall be issued only upon a showing by adequate documentation that the person for whose benefit the decal or device is to be used has a temporary disability as defined in Section 1-159.1 of this Code.

(b) The local governing authorities shall be responsible for the provision of such decal or device, its issuance and designated placement within the vehicle. The cost of such decal or device shall be at the discretion of such local governing authority.

(c) The Secretary of State may, pursuant to Section 3-616(c), issue a person with disabilities parking decal or device to a person with disabilities as defined by Section 1-159.1. Any person with disabilities parking decal or device issued by the Secretary of State shall be registered to that person with disabilities in the form to be prescribed by the Secretary of State. The person with disabilities parking decal or device shall not display that person's address. One additional decal or device may be issued to an applicant upon his or her written request and with the approval of the Secretary of State. The written request must include a justification of the need for the additional decal or device.

(d) Replacement decals or devices may be issued for lost, stolen, or destroyed decals upon application and payment of a $10 fee. The replacement fee may be waived for individuals that have claimed and received a grant under the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act.
Sec. 11-1301.3. Unauthorized use of parking places reserved for persons with disabilities.

(a) It shall be prohibited to park any motor vehicle which is not properly displaying registration plates or decals issued to a person with disabilities, as defined by Section 1-159.1, pursuant to Sections 3-616, 11-1301.1 or 11-1301.2, or to a disabled veteran pursuant to Section 3-609 of this Act, as evidence that the vehicle is operated by or for a person with disabilities or disabled veteran, in any parking place, including any private or public offstreet parking facility, specifically reserved, by the posting of an official sign as designated under Section 11-301, for motor vehicles displaying such registration plates. It shall be prohibited to park any motor vehicle in a designated access aisle adjacent to any parking place specifically reserved for persons with disabilities, by the posting of an official sign as designated under Section 11-301, for motor vehicles displaying such registration plates. When using the parking privileges for persons with disabilities, the parking decal or device must be displayed properly in the vehicle where it is clearly visible to law enforcement personnel, either hanging from the rearview mirror or placed on the dashboard of the vehicle in clear view. Disability license plates and parking decals and devices are not transferable from person to person. Proper usage of the disability license plate or parking decal or device requires the authorized holder to be present and enter or exit the vehicle at the time the parking privileges are being used. It is a violation of this Section to park in a space reserved for a person with disabilities if the authorized holder of the disability license plate or parking decal or device does not enter or exit the vehicle at the time the parking privileges are being used. Any motor vehicle properly displaying a disability license plate or a parking decal or device containing the International symbol of access issued to persons with disabilities by any local authority, state, district, territory or foreign country shall be recognized by State and local authorities as a valid license plate or device and receive the same parking privileges as residents of this State.

(a-1) An individual with a vehicle displaying disability license plates or a parking decal or device issued to a qualified person with a disability under Sections 3-616, 11-1301.1, or 11-1301.2 or to a disabled veteran under Section 3-609 is in violation of this Section if (i) the person
using the disability license plate or parking decal or device is not the authorized holder of the disability license plate or parking decal or device or is not transporting the authorized holder of the disability license plate or parking decal or device to or from the parking location and (ii) the person uses the disability license plate or parking decal or device to exercise any privileges granted through the disability license plate or parking decals or devices under this Code.

(b) Any person or local authority owning or operating any public or private offstreet parking facility may, after notifying the police or sheriff's department, remove or cause to be removed to the nearest garage or other place of safety any vehicle parked within a stall or space reserved for use by a person with disabilities which does not display person with disabilities registration plates or a special decal or device as required under this Section.

(c) Any person found guilty of violating the provisions of subsection (a) shall be fined $250 in addition to any costs or charges connected with the removal or storage of any motor vehicle authorized under this Section; but municipalities by ordinance may impose a fine up to $350 and shall display signs indicating the fine imposed. If the amount of the fine is subsequently changed, the municipality shall change the sign to indicate the current amount of the fine. It shall not be a defense to a charge under this Section that either the sign posted pursuant to this Section or the intended accessible parking place does not comply with the technical requirements of Section 11-301, Department regulations, or local ordinance if a reasonable person would be made aware by the sign or notice on or near the parking place that the place is reserved for a person with disabilities.

(c-1) Any person found guilty of violating the provisions of subsection (a-1) a first time shall be fined $500. Any person found guilty of violating subsection (a-1) a second time shall be fined $750, and the Secretary of State may revoke the person's driving privileges or suspend those privileges for a period of time to be determined by the Secretary. Any person found guilty of violating subsection (a-1) a third or subsequent time shall be fined $1,000. The circuit clerk shall distribute 50% of the fine imposed on any person who is found guilty of or pleads guilty to violating this Section, including any person placed on court supervision for violating this Section, to the law enforcement agency that issued the citation or made the arrest. If more than one law enforcement agency is responsible for issuing the citation or making the arrest, the 50% of the

fine imposed shall be shared equally. If an officer of the Secretary of State Department of Police arrested a person for a violation of this Section, 50% of the fine imposed shall be deposited into the Secretary of State Police Services Fund.

(d) Local authorities shall impose fines as established in subsections (c) and (c-1) for violations of this Section.

(e) As used in this Section, "authorized holder" means an individual issued a disability license plate under Section 3-616 of this Code, an individual issued a parking decal or device under Section 11-1301.2 of this Code, or an individual issued a disabled veteran's license plate under Section 3-609 of this Code.

(f) Any person who commits a violation of subsection (a-1) may have his or her driving privileges suspended or revoked by the Secretary of State for a period of time determined by the Secretary of State. The Secretary of State may also suspend or revoke the disability license plates or parking decal or device for a period of time determined by the Secretary of State.

(g) Any police officer may seize the parking decal or device from any person who commits a violation of this Section. Any police officer may seize the disability license plate upon authorization from the Secretary of State. Any police officer may request that the Secretary of State revoke the parking decal or device or the disability license plate of any person who commits a violation of this Section.

(a-5) No window treatment or tinting shall be applied to the windows immediately adjacent to each side of the driver, except:

(1) on vehicles where none of the windows to the rear of the driver's seat are treated in a manner that allows less than 30% light transmittance, a nonreflective tinted film that allows at least 50% light transmittance, with a 5% variance observed by any law enforcement officer.

enforcement official metering the light transmittance, may be used on the side windows immediately adjacent to each side of the driver.

(2) On vehicles where none of the windows to the rear of the driver's seat are treated in a manner that allows less than 35% light transmittance, a nonreflective tinted film that allows at least 35% light transmittance, with a 5% variance observed by any law enforcement official metering the light transmittance, may be used on the side windows immediately adjacent to each side of the driver.

(3) On multipurpose passenger vehicles, as defined by Section 1-148.3b of this Code, a nonreflective tinted film originally applied by the manufacturer, that allows at least 50% light transmittance, with a 5% variance observed by any law enforcement official metering the light transmittance, may be used on the side windows immediately adjacent to each side of the driver.

(a-10) (a-5) No person shall install or repair any material prohibited by subsection (a) of this Section.

(1) Nothing in this subsection shall prohibit a person from removing or altering any material prohibited by subsection (a) to make a motor vehicle comply with the requirements of this Section.

(2) Nothing in this subsection shall prohibit a person from installing window treatment for a person with a medical condition described in subsection (g) of this Section. An installer who installs window treatment for a person with a medical condition described in subsection (g) must obtain a copy of the certified statement or letter written by a physician described in subsection (g) from the person with the medical condition prior to installing the window treatment. The copy of the certified statement or letter must be kept in the installer's permanent records.

(b) On motor vehicles where window treatment has not been applied to the windows immediately adjacent to each side of the driver, the use of a nonreflective, smoked or tinted glass, nonreflective film, perforated window screen or other decorative window application on windows to the rear of the driver's seat shall be allowed, except that any motor vehicle with a window to the rear of the driver's seat treated in this
manner shall be equipped with a side mirror on each side of the motor vehicle which are in conformance with Section 12-502.

(c) No person shall drive a motor vehicle with any objects placed or suspended between the driver and the front windshield, rear window, side wings or side windows immediately adjacent to each side of the driver which materially obstructs the driver's view.

(d) Every motor vehicle, except motorcycles, shall be equipped with a device, controlled by the driver, for cleaning rain, snow, moisture or other obstructions from the windshield; and no person shall drive a motor vehicle with snow, ice, moisture or other material on any of the windows or mirrors, which materially obstructs the driver's clear view of the highway.

(e) No person shall drive a motor vehicle when the windshield, side or rear windows are in such defective condition or repair as to materially impair the driver's view to the front, side or rear. A vehicle equipped with a side mirror on each side of the vehicle which are in conformance with Section 12-502 will be deemed to be in compliance in the event the rear window of the vehicle is materially obscured.

(f) Paragraphs (a), (a-5), and (b) of this Section shall not apply to:
   (1) (Blank).
   (2) to those motor vehicles properly registered in another jurisdiction.

(g) Paragraphs (a) and (a-5) of this Section shall not apply to window treatment, including but not limited to a window application, nonreflective material, or tinted film, applied or affixed to a motor vehicle for which distinctive license plates or license plate stickers have been issued pursuant to subsection (k) of Section 3-412 of this Code, and which:

   (1) is owned and operated by a person afflicted with or suffering from a medical disease, including but not limited to systemic or discoid lupus erythematosus, disseminated superficial actinic porokeratosis, or albinism, which would require that person to be shielded from the direct rays of the sun; or
   (2) is used in transporting a person when the person resides at the same address as the registered owner of the vehicle and the person is afflicted with or suffering from a medical disease which would require the person to be shielded from the direct rays of the sun, including but not limited to systemic or discoid lupus
erythematous, disseminated superficial actinic porokeratosis, or albinism.

The owner must obtain a certified statement or letter written by a physician licensed to practice medicine in Illinois that such person owning and operating or being transported in a motor vehicle is afflicted with or suffers from such disease, including but not limited to systemic or discoid lupus erythematosus, disseminated superficial actinic porokeratosis, or albinism. However, no exemption from the requirements of subsection (a-5) shall be granted for any condition, such as light sensitivity, for which protection from the direct rays of the sun can be adequately obtained by the use of sunglasses or other eye protective devices.

Such certification must be carried in the motor vehicle at all times. The certification shall be legible and shall contain the date of issuance, the name, address and signature of the attending physician, and the name, address, and medical condition of the person requiring exemption. The information on the certificate for a window treatment must remain current and shall be renewed annually by the attending physician. (g-5) (Blank).

(g-7) Installers shall only install window treatment authorized by subsection (g) on motor vehicles for which distinctive plates or license plate stickers have been issued pursuant to subsection (k) of Section 3-412 of this Code. (a) On Class III and non-designated State and local highways, the total outside width of any vehicle or load thereon shall not exceed 8 feet 6 inches.

(b) Except during those times when, due to insufficient light or unfavorable atmospheric conditions, persons and vehicles on the highway

(A) The driver of a vehicle transporting an implement of husbandry that exceeds 8 feet 6 inches in width shall obey all traffic laws and shall check the roadways prior to making a movement in order to ensure that adequate clearance is available for the movement. It is prima facie evidence that the driver of a vehicle transporting an implement of husbandry has failed to check the roadway prior to making a movement if the vehicle is involved in a collision with a bridge, overpass, fixed structure, or properly placed traffic control device or if the vehicle blocks traffic due to its inability to proceed because of a bridge, overpass, fixed structure, or properly placed traffic control device.

(B) Flags shall be displayed so as to wave freely at the extremities of overwidth objects and at the extreme ends of all protrusions, projections, and overhangs. All flags shall be clean, bright red flags with no advertising, wording, emblem, or insignia inscribed upon them and at least 18 inches square.

(C) "OVERSIZE LOAD" signs are mandatory on the front and rear of all vehicles with loads over 10 feet wide. These signs must have 12-inch high black letters with a 2-inch stroke on a yellow sign that is 7 feet wide by 18 inches high.

(2) The escort vehicle driver must be properly licensed to operate the vehicle.

(3) While in use, the escort vehicle must be equipped with illuminated rotating, oscillating, or flashing amber lights or flashing amber strobe lights mounted on top that are of sufficient intensity to be visible at 500 feet in normal sunlight.

(4) "OVERSIZE LOAD" signs are mandatory on all escort vehicles. The sign on an escort vehicle shall have 8-inch high black letters on a yellow sign that is 5 feet wide by 12 inches high.

(5) When only one escort vehicle is required and it is operating on a two-lane highway, the escort vehicle shall travel approximately 300 feet ahead of the load. The rotating, oscillating, or flashing lights or flashing amber strobe lights and an "OVERSIZE LOAD" sign shall be displayed on the escort vehicle and shall be visible from the front. When only one escort vehicle is required and it is operating on a multilane divided highway, the escort vehicle shall travel approximately 300 feet behind the load and the sign and lights shall be visible from the rear.

(6) When 2 escort vehicles are required, one escort shall travel approximately 300 feet ahead of the load and the second escort shall travel approximately 300 feet behind the load. The rotating, oscillating, or flashing lights or flashing amber strobe lights and an "OVERSIZE LOAD" sign shall be displayed on the escort vehicles and

If the load on the transport vehicle blocks the visibility of the amber lighting from the rear of the vehicle, the vehicle must also be equipped with an illuminated rotating, oscillating, or flashing amber light or lights or a flashing amber strobe light or lights mounted on the rear of the load that are of sufficient intensity to be visible at 500 feet in normal sunlight.

(G) When a flashing amber light is required on the transport vehicle under load and it is operating on a two-lane highway, the transport vehicle shall display to the rear at least one rotating, oscillating, or flashing light or a flashing amber strobe light and an "OVERSIZE LOAD" sign. When a flashing amber light is required on the transport vehicle under load and it is operating on a multilane divided highway, the sign and light shall be visible from the rear.

(1) (Blank);
(2) (Blank); or
(3) (Blank).

(d-1) A recreational vehicle, as defined in Section 1-169, may exceed 8 feet 6 inches in width if:

As used in this subsection (d-1) and in subsection (d-2), the term appurtenance includes (i) a retracted awning and its support hardware and (ii) any appendage that is intended to be an integral part of a recreation vehicle.

Sec. 2-23. Kinds of dispositional orders.
(1) The following kinds of orders of disposition may be made in respect of wards of the court:

(a) A minor under 18 years of age found to be neglected or abused under Section 2-3 or dependent under Section 2-4 may be (1) continued in the custody of his or her parents, guardian or legal custodian; (2) placed in accordance with Section 2-27; (3) restored to the custody of the parent, parents, guardian, or legal custodian, provided the court shall order the parent, parents, guardian, or legal custodian to cooperate with the Department of Children and Family Services and comply with the terms of an after-care plan or risk the loss of custody of the child and the possible termination of their parental rights; or (4) ordered partially or completely emancipated in accordance with the provisions of the Emancipation of Minors Act.

However, in any case in which a minor is found by the court to be neglected or abused under Section 2-3 of this Act,
custody of the minor shall not be restored to any parent, guardian or legal custodian whose acts or omissions or both have been identified, pursuant to subsection (1) of Section 2-21, as forming the basis for the court's finding of abuse or neglect, until such time as a hearing is held on the issue of the best interests of the minor and the fitness of such parent, guardian or legal custodian to care for the minor without endangering the minor's health or safety, and the court enters an order that such parent, guardian or legal custodian is fit to care for the minor.

(b) A minor under 18 years of age found to be dependent under Section 2-4 may be (1) placed in accordance with Section 2-27 or (2) ordered partially or completely emancipated in accordance with the provisions of the Emancipation of Minors Act. However, in any case in which a minor is found by the court to be dependent under Section 2-4 of this Act, custody of the minor shall not be restored to any parent, guardian or legal custodian whose acts or omissions or both have been identified, pursuant to subsection (1) of Section 2-21, as forming the basis for the court's finding of dependency, until such time as a hearing is held on the issue of the fitness of such parent, guardian or legal custodian to care for the minor without endangering the minor's health or safety, and the court enters an order that such parent, guardian or legal custodian is fit to care for the minor.

(b-1) A minor between the ages of 18 and 21 may be placed pursuant to Section 2-27 of this Act if (1) the court has granted a supplemental petition to reinstate wardship of the minor pursuant to subsection (2) of Section 2-33, or (2) the court has adjudicated the minor a ward of the court, permitted the minor to return home under an order of protection, and subsequently made a finding that it is in the minor's best interest to vacate the order of protection and commit the minor to the Department of Children and Family Services for care and service.

(c) When the court awards guardianship to the Department of Children and Family Services, the court shall order the parents to cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions that require the child to be in care, or risk termination of their parental rights.
(2) Any order of disposition may provide for protective supervision under Section 2-24 and may include an order of protection under Section 2-25.

Unless the order of disposition expressly so provides, it does not operate to close proceedings on the pending petition, but is subject to modification, not inconsistent with Section 2-28, until final closing and discharge of the proceedings under Section 2-31.

(3) The court also shall enter any other orders necessary to fulfill the service plan, including, but not limited to, (i) orders requiring parties to cooperate with services, (ii) restraining orders controlling the conduct of any party likely to frustrate the achievement of the goal, and (iii) visiting orders. Unless otherwise specifically authorized by law, the court is not empowered under this subsection (3) to order specific placements, specific services, or specific service providers to be included in the plan. If, after receiving evidence, the court determines that the services contained in the plan are not reasonably calculated to facilitate achievement of the permanency goal, the court shall put in writing the factual basis supporting the determination and enter specific findings based on the evidence. The court also shall enter an order for the Department to develop and implement a new service plan or to implement changes to the current service plan consistent with the court's findings. The new service plan shall be filed with the court and served on all parties within 45 days after the date of the order. The court shall continue the matter until the new service plan is filed. Unless otherwise specifically authorized by law, the court is not empowered under this subsection (3) or under subsection (2) to order specific placements, specific services, or specific service providers to be included in the plan.

(4) In addition to any other order of disposition, the court may order any minor adjudicated neglected with respect to his or her own injurious behavior to make restitution, in monetary or non-monetary form, under the terms and conditions of Section 5-5-6 of the Uniform Code of Corrections, except that the "presentence hearing" referred to therein shall be the dispositional hearing for purposes of this Section. The parent, guardian or legal custodian of the minor may pay some or all of such restitution on the minor's behalf.

(5) Any order for disposition where the minor is committed or placed in accordance with Section 2-27 shall provide for the parents or guardian of the estate of such minor to pay to the legal custodian or guardian of the person of the minor such sums as are determined by the
custodian or guardian of the person of the minor as necessary for the minor's needs. Such payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.

(6) Whenever the order of disposition requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code.

(7) The court may terminate the parental rights of a parent at the initial dispositional hearing if all of the conditions in subsection (5) of Section 2-21 are met.

Sec. 5-710. Kinds of sentencing orders.
(1) The following kinds of sentencing orders may be made in respect of wards of the court:

(a) Except as provided in Sections 5-805, 5-810, 5-815, a minor who is found guilty under Section 5-620 may be:

(i) put on probation or conditional discharge and released to his or her parents, guardian or legal custodian, provided, however, that any such minor who is not committed to the Department of Juvenile Justice under this subsection and who is found to be a delinquent for an offense which is first degree murder, a Class X felony, or a forcible felony shall be placed on probation;

(ii) placed in accordance with Section 5-740, with or without also being put on probation or conditional discharge;

(iii) required to undergo a substance abuse assessment conducted by a licensed provider and participate in the indicated clinical level of care;

(iv) placed in the guardianship of the Department of Children and Family Services, but only if the delinquent minor is under 15 years of age or, pursuant to Article II of this Act, a minor for whom an independent basis of abuse, neglect, or dependency exists. An independent basis exists when the allegations or adjudication of abuse, neglect, or dependency do not arise from the same facts, incident, or
circumstances which give rise to a charge or adjudication of delinquency;

(v) placed in detention for a period not to exceed 30 days, either as the exclusive order of disposition or, where appropriate, in conjunction with any other order of disposition issued under this paragraph, provided that any such detention shall be in a juvenile detention home and the minor so detained shall be 10 years of age or older. However, the 30-day limitation may be extended by further order of the court for a minor under age 15 committed to the Department of Children and Family Services if the court finds that the minor is a danger to himself or others. The minor shall be given credit on the sentencing order of detention for time spent in detention under Sections 5-501, 5-601, 5-710, or 5-720 of this Article as a result of the offense for which the sentencing order was imposed. The court may grant credit on a sentencing order of detention entered under a violation of probation or violation of conditional discharge under Section 5-720 of this Article for time spent in detention before the filing of the petition alleging the violation. A minor shall not be deprived of credit for time spent in detention before the filing of a violation of probation or conditional discharge alleging the same or related act or acts;

(vi) ordered partially or completely emancipated in accordance with the provisions of the Emancipation of Minors Act;

(vii) subject to having his or her driver's license or driving privileges suspended for such time as determined by the court but only until he or she attains 18 years of age;

(viii) put on probation or conditional discharge and placed in detention under Section 3-6039 of the Counties Code for a period not to exceed the period of incarceration permitted by law for adults found guilty of the same offense or offenses for which the minor was adjudicated delinquent, and in any event no longer than upon attainment of age 21; this subdivision (viii) notwithstanding any contrary provision of the law;
(ix) ordered to undergo a medical or other procedure to have a tattoo symbolizing allegiance to a street gang removed from his or her body; or

(x) placed in electronic home detention under Part 7A of this Article.

(b) A minor found to be guilty may be committed to the Department of Juvenile Justice under Section 5-750 if the minor is 13 years of age or older, provided that the commitment to the Department of Juvenile Justice shall be made only if a term of incarceration is permitted by law for adults found guilty of the offense for which the minor was adjudicated delinquent. The time during which a minor is in custody before being released upon the request of a parent, guardian or legal custodian shall be considered as time spent in detention.

(c) When a minor is found to be guilty for an offense which is a violation of the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act and made a ward of the court, the court may enter a disposition order requiring the minor to undergo assessment, counseling or treatment in a substance abuse program approved by the Department of Human Services.

(2) Any sentencing order other than commitment to the Department of Juvenile Justice may provide for protective supervision under Section 5-725 and may include an order of protection under Section 5-730.

(3) Unless the sentencing order expressly so provides, it does not operate to close proceedings on the pending petition, but is subject to modification until final closing and discharge of the proceedings under Section 5-750.

(4) In addition to any other sentence, the court may order any minor found to be delinquent to make restitution, in monetary or non-monetary form, under the terms and conditions of Section 5-5-6 of the Unified Code of Corrections, except that the "presentencing hearing" referred to in that Section shall be the sentencing hearing for purposes of this Section. The parent, guardian or legal custodian of the minor may be ordered by the court to pay some or all of the restitution on the minor's behalf, pursuant to the Parental Responsibility Law. The State's Attorney is authorized to act on behalf of any victim in seeking restitution in proceedings under this Section, up to the maximum amount allowed in Section 5 of the Parental Responsibility Law.

(5) Any sentencing order where the minor is committed or placed in accordance with Section 5-740 shall provide for the parents or guardian of the estate of the minor to pay to the legal custodian or guardian of the person of the minor such sums as are determined by the custodian or guardian of the person of the minor as necessary for the minor's needs. The payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.

(6) Whenever the sentencing order requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code. Notwithstanding any other provision of this Act, in instances in which educational services are to be provided to a minor in a residential facility where the minor has been placed by the court, costs incurred in the provision of those educational services must be allocated based on the requirements of the School Code.

(7) In no event shall a guilty minor be committed to the Department of Juvenile Justice for a period of time in excess of that period for which an adult could be committed for the same act.

(8) A minor found to be guilty for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 shall be ordered to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the violation or similar damage to property located in the municipality or county in which the violation occurred. The order may be in addition to any other order authorized by this Section.

(8.5) A minor found to be guilty for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 shall be ordered to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The order may be in addition to any other order authorized by this Section.

(9) In addition to any other sentencing order, the court shall order any minor found to be guilty for an act which would constitute, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, aggravated criminal sexual abuse, or criminal

sexual abuse if committed by an adult to undergo medical testing to
determine whether the defendant has any sexually transmissible disease
including a test for infection with human immunodeficiency virus (HIV)
or any other identified causative agency of acquired immunodeficiency
syndrome (AIDS). Any medical test shall be performed only by
appropriately licensed medical practitioners and may include an analysis of
any bodily fluids as well as an examination of the minor's person. Except
as otherwise provided by law, the results of the test shall be kept strictly
confidential by all medical personnel involved in the testing and must be
personally delivered in a sealed envelope to the judge of the court in which
the sentencing order was entered for the judge's inspection in camera.
Acting in accordance with the best interests of the victim and the public,
the judge shall have the discretion to determine to whom the results of the
testing may be revealed. The court shall notify the minor of the results of
the test for infection with the human immunodeficiency virus (HIV). The
court shall also notify the victim if requested by the victim, and if the
victim is under the age of 15 and if requested by the victim's parents or
legal guardian, the court shall notify the victim's parents or the legal
 guardian, of the results of the test for infection with the human
immunodeficiency virus (HIV). The court shall provide information on the
availability of HIV testing and counseling at the Department of Public
Health facilities to all parties to whom the results of the testing are
revealed. The court shall order that the cost of any test shall be paid by the
county and may be taxed as costs against the minor.

(10) When a court finds a minor to be guilty the court shall, before
entering a sentencing order under this Section, make a finding whether the
offense committed either: (a) was related to or in furtherance of the
criminal activities of an organized gang or was motivated by the minor's
membership in or allegiance to an organized gang, or (b) involved a
violation of subsection (a) of Section 12-7.1 of the Criminal Code of 1961,
a violation of any Section of Article 24 of the Criminal Code of 1961, or a
violation of any statute that involved the wrongful use of a firearm. If the
court determines the question in the affirmative, and the court does not
commit the minor to the Department of Juvenile Justice, the court shall
order the minor to perform community service for not less than 30 hours
nor more than 120 hours, provided that community service is available in
the jurisdiction and is funded and approved by the county board of the
county where the offense was committed. The community service shall
include, but need not be limited to, the cleanup and repair of any damage
caused by a violation of Section 21-1.3 of the Criminal Code of 1961 and similar damage to property located in the municipality or county in which the violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. This order shall be in addition to any other order authorized by this Section except for an order to place the minor in the custody of the Department of Juvenile Justice. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(11) If the court determines that the offense was committed in furtherance of the criminal activities of an organized gang, as provided in subsection (10), and that the offense involved the operation or use of a motor vehicle or the use of a driver's license or permit, the court shall notify the Secretary of State of that determination and of the period for which the minor shall be denied driving privileges. If, at the time of the determination, the minor does not hold a driver's license or permit, the court shall provide that the minor shall not be issued a driver's license or permit until his or her 18th birthday. If the minor holds a driver's license or permit at the time of the determination, the court shall provide that the minor's driver's license or permit shall be revoked until his or her 21st birthday, or until a later date or occurrence determined by the court. If the minor holds a driver's license at the time of the determination, the court may direct the Secretary of State to issue the minor a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1 of the Illinois Vehicle Code, except that the court may direct that the JDP be effective immediately.

(12) If a minor is found to be guilty of a violation of subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may, in its discretion, and upon recommendation by the State's Attorney, order that minor and his or her parents or legal guardian to attend a smoker's education or youth diversion program as defined in that Act if that program is available in the jurisdiction where the offender resides. Attendance at a smoker's education or youth diversion program shall be time-credited against any community service time imposed for any first violation of subsection (a-7) of Section 1 of that Act. In addition to any other penalty that the court may impose for a violation of subsection (a-7) of Section 1 of that Act, the court, upon request by the State's Attorney, may in its discretion require the offender to remit a fee for his or her attendance at a smoker's education or youth diversion program.

For purposes of this Section, "smoker's education program" or "youth diversion program" includes, but is not limited to, a seminar designed to educate a person on the physical and psychological effects of smoking tobacco products and the health consequences of smoking tobacco products that can be conducted with a locality's youth diversion program.

In addition to any other penalty that the court may impose under this subsection (12):

(a) If a minor violates subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may impose a sentence of 15 hours of community service or a fine of $25 for a first violation.

(b) A second violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the first violation is punishable by a fine of $50 and 25 hours of community service.

(c) A third or subsequent violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the first violation is punishable by a $100 fine and 30 hours of community service.

(d) Any second or subsequent violation not within the 12-month time period after the first violation is punishable as provided for a first violation.

Section 595. The Court of Claims Act is amended by changing Section 9.5 as follows:

(705 ILCS 505/9.5)
Sec. 9.5. Gold Star and Fallen Heroes Families Assistance Program.

(a) Within the Court of Claims, there is established a Gold Star and Fallen Heroes Families Assistance Program, which is charged with the responsibility of assessing the needs of and providing information to Illinois Gold Star and Fallen Heroes Families with regard to claims filed pursuant to the Line of Duty Compensation Act.

(b) As used in this Section, "Gold Star and Fallen Heroes Family" means the family members of an individual who was killed in the line of
duty and who was employed or serving in a capacity defined in Section 2 of the Illinois Line of Duty Compensation Act.

(c) Toll-free helpline. The Gold Star and Fallen Heroes Families Assistance Program shall include a toll-free helpline dedicated to families seeking information about the Line of Duty Compensation Act, including, but not limited to, the status of claims filed pursuant to that Act. The helpline phone number and information about the Gold Star and Fallen Heroes Families Assistance Program shall be provided to each person filing a claim under the Line of Duty Compensation Act.

(d) On or before January 1 of each year, the Court of Claims shall report to the Governor, both houses of the General Assembly, and the Illinois Department of Veterans' Affairs the following information:

(1) the number of claims filed with the Court of Claims pursuant to the Line of Duty Compensation Act ("LODCA");
(2) the number of Line of Duty Compensation Act LODCA claims approved for payment by the Court of Claims during the preceding calendar year;
(3) the number and status of Line of Duty Compensation Act LODCA claims pending in the Court of Claims; and
(4) other information as may be requested by the Governor.

Section 600. The Criminal Code of 1961 is amended by changing Sections 9-1.2, 10-5, 10-5.5, 10-9, 11-9.4, 11-20.1, 11-20.3, 12-2, 12-3.3, 12-4, 12-7.5, 14-3, 16-1, 16D-2, 16D-3, 17-24, 17-26, 24-1, 24-2, 25-5, 26-1, 26-5, 29B-1, 29D-25, and 36-1 as follows:

(720 ILCS 5/9-1.2) (from Ch. 38, par. 9-1.2)
Sec. 9-1.2. Intentional Homicide of an Unborn Child.

(a) A person commits the offense of intentional homicide of an unborn child if, in performing acts which cause the death of an unborn child, he without lawful justification:

(1) either intended to cause the death of or do great bodily harm to the pregnant woman or her unborn child or knew that such acts would cause death or great bodily harm to the pregnant woman or her unborn child; or
(2) he knew that his acts created a strong probability of death or great bodily harm to the pregnant woman or her unborn child; and
(3) he knew that the woman was pregnant.
(b) For purposes of this Section, (1) "unborn child" shall mean any individual of the human species from fertilization until birth, and (2) "person" shall not include the pregnant woman whose unborn child is killed.

(c) This Section shall not apply to acts which cause the death of an unborn child if those acts were committed during any abortion, as defined in Section 2 of the Illinois Abortion Law of 1975, as amended, to which the pregnant woman has consented. This Section shall not apply to acts which were committed pursuant to usual and customary standards of medical practice during diagnostic testing or therapeutic treatment.

(d) Penalty. The sentence for intentional homicide of an unborn child shall be the same as for first degree murder, except that:

1. the death penalty may not be imposed;
2. if the person committed the offense while armed with a firearm, 15 years shall be added to the term of imprisonment imposed by the court;
3. if, during the commission of the offense, the person personally discharged a firearm, 20 years shall be added to the term of imprisonment imposed by the court;
4. if, during the commission of the offense, the person personally discharged a firearm that proximately caused great bodily harm, permanent disability, permanent disfigurement, or death to another person, 25 years or up to a term of natural life shall be added to the term of imprisonment imposed by the court.

(e) The provisions of this Act shall not be construed to prohibit the prosecution of any person under any other provision of law.

(720 ILCS 5/10-5) (from Ch. 38, par. 10-5)
Sec. 10-5. Child abduction.

(a) For purposes of this Section, the following terms have the following meanings:

1. "Child" means a person who, at the time the alleged violation occurred, was under the age of 18 or severely or profoundly mentally retarded.
2. "Detains" means taking or retaining physical custody of a child, whether or not the child resists or objects.
3. "Lawful custodian" means a person or persons granted legal custody of a child or entitled to physical possession of a child pursuant to a court order. It is presumed that, when the parties have

never been married to each other, the mother has legal custody of the child unless a valid court order states otherwise. If an adjudication of paternity has been completed and the father has been assigned support obligations or visitation rights, such a paternity order should, for the purposes of this Section, be considered a valid court order granting custody to the mother.

(4) "Putative father" means a man who has a reasonable belief that he is the father of a child born of a woman who is not his wife.

(b) A person commits the offense of child abduction when he or she does any one of the following:

1. Intentionally violates any terms of a valid court order granting sole or joint custody, care, or possession to another by concealing or detaining the child or removing the child from the jurisdiction of the court.

2. Intentionally violates a court order prohibiting the person from concealing or detaining the child or removing the child from the jurisdiction of the court.

3. Intentionally conceals, detains, or removes the child without the consent of the mother or lawful custodian of the child if the person is a putative father and either: (A) the paternity of the child has not been legally established or (B) the paternity of the child has been legally established but no orders relating to custody have been entered. Notwithstanding the presumption created by paragraph (3) of subsection (a), however, a mother commits child abduction when she intentionally conceals or removes a child, whom she has abandoned or relinquished custody of, from an unadjudicated father who has provided sole ongoing care and custody of the child in her absence.

4. Intentionally conceals or removes the child from a parent after filing a petition or being served with process in an action affecting marriage or paternity but prior to the issuance of a temporary or final order determining custody.

5. At the expiration of visitation rights outside the State, intentionally fails or refuses to return or impedes the return of the child to the lawful custodian in Illinois.

6. Being a parent of the child, and if the parents of that child are or have been married and there has been no court order of custody, knowingly conceals the child for 15 days, and fails to
make reasonable attempts within the 15-day period to notify the other parent as to the specific whereabouts of the child, including a means by which to contact the child, or to arrange reasonable visitation or contact with the child. It is not a violation of this Section for a person fleeing domestic violence to take the child with him or her to housing provided by a domestic violence program.

(7) Being a parent of the child, and if the parents of the child are or have been married and there has been no court order of custody, knowingly conceals, detains, or removes the child with physical force or threat of physical force.

(8) Knowingly conceals, detains, or removes the child for payment or promise of payment at the instruction of a person who has no legal right to custody.

(9) Knowingly retains in this State for 30 days a child removed from another state without the consent of the lawful custodian or in violation of a valid court order of custody.

(10) Intentionally lures or attempts to lure a child under the age of 16 into a motor vehicle, building, housetrailer, or dwelling place without the consent of the child's parent or lawful custodian for other than a lawful purpose. For the purposes of this item (10), the luring or attempted luring of a child under the age of 16 into a motor vehicle, building, housetrailer, or dwelling place without the consent of the child's parent or lawful custodian is prima facie evidence of other than a lawful purpose.

(11) With the intent to obstruct or prevent efforts to locate the child victim of a child abduction, knowingly destroys, alters, conceals, or disguises physical evidence or furnishes false information.

(c) It is an affirmative defense to subsections (b)(1) through (b)(10) of this Section that:

(1) the person had custody of the child pursuant to a court order granting legal custody or visitation rights that existed at the time of the alleged violation;

(2) the person had physical custody of the child pursuant to a court order granting legal custody or visitation rights and failed to return the child as a result of circumstances beyond his or her control, and the person notified and disclosed to the other parent or legal custodian the specific whereabouts of the child and a means

New matter indicate by italics - deletions by strikeout
by which the child could be contacted or made a reasonable attempt to notify the other parent or lawful custodian of the child of those circumstances and made the disclosure within 24 hours after the visitation period had expired and returned the child as soon as possible;

(3) the person was fleeing an incidence or pattern of domestic violence; or

(4) the person lured or attempted to lure a child under the age of 16 into a motor vehicle, building, housetrailer, or dwelling place for a lawful purpose in prosecutions under paragraph (10) of subsection (b).

(d) A person convicted of child abduction under this Section is guilty of a Class 4 felony. A person convicted of a second or subsequent violation of paragraph (10) of subsection (b) of this Section is guilty of a Class 3 felony. It is a factor in aggravation under subsections (b)(1) through (b)(10) of this Section for which a court may impose a more severe sentence under Section 5-8-1 (730 ILCS 5/5-8-1) or Article 4.5 of Chapter V of the Unified Code of Corrections if, upon sentencing, the court finds evidence of any of the following aggravating factors:

(1) that the defendant abused or neglected the child following the concealment, detention, or removal of the child;

(2) that the defendant inflicted or threatened to inflict physical harm on a parent or lawful custodian of the child or on the child with intent to cause that parent or lawful custodian to discontinue criminal prosecution of the defendant under this Section;

(3) that the defendant demanded payment in exchange for return of the child or demanded that he or she be relieved of the financial or legal obligation to support the child in exchange for return of the child;

(4) that the defendant has previously been convicted of child abduction;

(5) that the defendant committed the abduction while armed with a deadly weapon or the taking of the child resulted in serious bodily injury to another; or

(6) that the defendant committed the abduction while in a school, regardless of the time of day or time of year; in a playground; on any conveyance owned, leased, or contracted by a school to transport students to or from school or a school related
activity; on the real property of a school; or on a public way within 1,000 feet of the real property comprising any school or playground. For purposes of this paragraph (6), "playground" means a piece of land owned or controlled by a unit of local government that is designated by the unit of local government for use solely or primarily for children's recreation; and "school" means a public or private elementary or secondary school, community college, college, or university.

(e) The court may order the child to be returned to the parent or lawful custodian from whom the child was concealed, detained, or removed. In addition to any sentence imposed, the court may assess any reasonable expense incurred in searching for or returning the child against any person convicted of violating this Section.

(f) Nothing contained in this Section shall be construed to limit the court's contempt power.

(g) Every law enforcement officer investigating an alleged incident of child abduction shall make a written police report of any bona fide allegation and the disposition of that investigation. In any action brought by the People of the State of Illinois under this Section, in which a restraining order, injunction, or prohibition or any other action in connection with any property or interest subject to forfeiture under this Section is sought, the circuit court presiding over the trial of the person or persons charged with involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons for

forced labor or services shall first determine whether there is probable cause to believe that the person or persons so charged have committed the offense of involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons for forced labor or services and whether the property or interest is subject to forfeiture under this Section. In order to make that determination, prior to entering any such order, the court shall conduct a hearing without a jury, in which the People shall establish that there is: (i) probable cause that the person or persons so charged have committed the offense of involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons for forced labor or services and (ii) probable cause that any property or interest may be subject to forfeiture under this Section. The hearing may be conducted simultaneously with a preliminary hearing, if the prosecution is commenced by information or complaint, or by motion of the People, at any stage in the proceedings. The court may accept a finding of probable cause at a preliminary hearing following the filing of an information charging the offense of involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons for forced labor or services or the return of an indictment by a grand jury charging the offense of involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons for forced labor or services as sufficient evidence of probable cause as provided in item (i) of this paragraph. Upon a finding, the circuit court shall enter the restraining order, injunction, or prohibition, or shall take such other action in connection with any such property or other interest subject to forfeiture, as is necessary to ensure that the property is not removed from the jurisdiction of the court, concealed, destroyed, or otherwise disposed of by the owner of that property or interest prior to a forfeiture hearing under this Section. The Attorney General or State’s Attorney shall file a certified copy of the restraining order, injunction, or other prohibition with the recorder or registrar of titles of each county where any such property of the defendant may be located. No such injunction, restraining order, or other prohibition shall affect the rights of any bona fide purchaser, mortgagee, judgment creditor, or other lien holder arising prior to the date of that filing. At any time, upon verified petition by the defendant or an innocent owner or innocent bona fide third party lien holder who neither had knowledge of, nor consented to, the illegal act or omission, the court may conduct a hearing to release all or portions of any such property or interest that the court previously determined to be subject to forfeiture or subject to any restraining order,
injunction, or prohibition or other action. The court may release that property to the defendant or innocent owner or innocent bona fide third party lien holder who neither had knowledge of nor consented to the illegal act or omission for good cause shown and within the sound discretion of the court.

Upon conviction of a person of involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons for forced labor or services, the court shall authorize the Attorney General to seize all property or other interest declared forfeited under this Section upon terms and conditions the court deems proper.

All moneys forfeited and the sale proceeds of all other property forfeited and seized under this Section shall be distributed as follows:

(1) one-half shall be divided equally between all State agencies and units of local government whose officers or employees conducted the investigation that resulted in the forfeiture; and

(2) one-half shall be deposited into the Violent Crime Victims Assistance Fund and targeted to services for victims of the offenses of involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons for forced labor or services.

(g) Re-enactment; findings; purposes.

(1) The General Assembly finds and declares that:

   (ii) In addition, Public Act 88-680 was entitled "AN ACT to create a Safe Neighborhoods Law". (A) Article 5 was entitled JUVENILE JUSTICE and amended the Juvenile Court Act of 1987. (B) Article 15 was entitled GANGS and amended various provisions of the Criminal Code of 1961 and the Unified Code of Corrections. (C) Article 20 was entitled ALCOHOL ABUSE and amended various provisions of the Illinois Vehicle Code. (D) Article 25 was entitled DRUG ABUSE and amended the Cannabis Control Act and the Illinois Controlled Substances Act. (E) Article 30 was entitled FIREARMS and amended the Criminal Code of 1961 and the Code of Criminal Procedure

(iii) On September 22, 1998, the Third District Appellate Court in People v. Dainty, 701 N.E. 2d 118, ruled that Public Act 88-680 violates the single subject clause of the Illinois Constitution (Article IV, Section 8 (d)) and was unconstitutional in its entirety. As of the time this amendatory Act of 1999 was prepared, People v. Dainty was still subject to appeal.

(iv) Child pornography is a vital concern to the people of this State and the validity of future prosecutions under the child pornography statute of the Criminal Code of 1961 is in grave doubt.

(2) It is the purpose of this amendatory Act of 1999 to prevent or minimize any problems relating to prosecutions for child pornography that may result from challenges to the constitutional validity of Public Act 88-680 by re-enacting the Section relating to child pornography that was included in Public Act 88-680.

(3) This amendatory Act of 1999 re-enacts Section 11-20.1 of the Criminal Code of 1961, as it has been amended. This re-enactment is intended to remove any question as to the validity or content of that Section; it is not intended to supersede any other Public Act that amends the text of the Section as set forth in this amendatory Act of 1999. The material is shown as existing text (i.e., without underscoring) because, as of the time this amendatory

Act of 1999 was prepared, People v. Dainty was subject to appeal to the Illinois Supreme Court.

(4) The re-enactment by this amendatory Act of 1999 of Section 11-20.1 of the Criminal Code of 1961 relating to child pornography that was amended by Public Act 88-680 is not intended, and shall not be construed, to imply that Public Act 88-680 is invalid or to limit or impair any legal argument concerning whether those provisions were substantially re-enacted by other Public Acts.

Any person aggrieved by the decision may obtain review of the decision pursuant to the provisions of the Administrative Review Law and the rules adopted pursuant to that Law. Pending final decision on such review, the administrative acts, orders, and rulings of the State's Attorney's Office remain in full force and effect unless modified or suspended by order of court pending final judicial decision. Pending final decision on such review, the acts, orders, and rulings of the State's Attorney's Office remain in full force and effect, unless stayed by order of court. (a) Except as provided in subsection (b), the Prisoner Review Board shall, no later than 7 days following a prisoner's next parole hearing after the effective date of this Amendatory Act of 1977, provide each prisoner sentenced under the law in effect prior to the effective date of this amendatory Act of 1977, with a fixed release date.

(b) No release date under this Section shall be set for any person sentenced to an indeterminate sentence under the law in effect prior to the effective date of this amendatory Act of 1977 in which the minimum term of such sentence is 20 years or more.

(c) The Prisoner Review Board shall notify each eligible offender of his or her release date in a form substantially as follows:

"To (Name of offender):

Under a recent change in the law you are provided with this choice:

(1) You may remain under your present indeterminate sentence and continue to be eligible for parole; or (2) you may waive your right to parole and accept the release date which has been set for you. From this release date will be deducted any good conduct credit you may earn.

If you accept the release date established by the Board, you will no longer be eligible for parole.

Your release date from prison has been set for: (release date)........ , subject to a term of mandatory supervised release as provided by law.

If you accumulate the maximum amount of good conduct credit as allowed by law recently enacted, you can be released on: ........ , subject to a term of mandatory supervised release as provided by law.

Should you choose not to accept the release date, your next parole hearing will be: ........ .

The Board has based its determination of your release date on the following:

(1) The material that normally would be examined in connection with your parole hearing, as set forth in paragraph (d) of Section 3-3-4 of the Unified Code of Corrections:

(2) the intent of the court in imposing sentence on you;

(3) the present schedule of sentences for similar offenses provided by Articles 4.5 and 5 of Chapter V of the Unified Code of Corrections, as amended;

(4) the factors in mitigation and aggravation provided by Sections 5-5-3.1 and 5-5-3.2 of the Unified Code of Corrections, as amended;

New matter indicate by italics - deletions by strikeout
(5) The rate of accumulating good conduct credits provided by Section 3-6-3 of the Unified Code of Corrections, as amended;
(6) your behavior since commitment.

You now have 60 days in which to decide whether to remain under your indeterminate sentence and continue to be eligible for parole or waive your right to parole and accept the release date established for you by the Board. If you do nothing within 60 days, you will remain under the parole system.

If you accept the release date, you may accumulate good conduct credit at the maximum rate provided under the law recently enacted.

If you feel that the release date set for you is unfair or is not based on complete information required to be considered by the Board, you may request that the Board reconsider the date. In your request you must set forth specific reasons why you feel the Board's release date is unfair and you may submit relevant material in support of your request.

The Department of Corrections is obligated to assist you in that effort, if you ask it to do so.

The Board will notify you within 60 days whether or not it will reconsider its decision. The Board's decision with respect to reconsidering your release date is final and cannot be appealed to any court.

If the Board decides not to reconsider your case you will have 60 days in which to decide whether to accept the release date and waive your right to parole or to continue under the parole system. If you do nothing within 60 days after you receive notification of the Board's decision you will remain under the parole system.

If the Board decides to reconsider its decision with respect to your release date, the Board will schedule a date for reconsideration as soon as practicable, but no later than 60 days from the date it receives your request, and give you at least 30 days notice. You may submit material to the Board which you believe will be helpful in deciding a proper date for your release. The Department of Corrections is obligated to assist you in that effort, if you ask it to do so.

Neither you nor your lawyer has the right to be present on the date of reconsideration, nor the right to call witnesses. However, the Board may ask you or your lawyer to appear or may ask to hear witnesses. The Board will base its determination on the same data on which it made its earlier determination, plus any new information which may be available to it.

When the Board has made its decision you will be informed of the release date. In no event will it be longer than the release date originally
determined. From this date you may continue to accumulate good conduct credits at the maximum rate. You will not be able to appeal the Board's decision to a court.

Following the Board's reconsideration and upon being notified of your release date you will have 60 days in which to decide whether to accept the release date and waive your right to parole or to continue under the parole system. If you do nothing within 60 days after notification of the Board's decision you will remain under the parole system."

(d) The Board shall provide each eligible offender with a form substantially as follows:
"I (name of offender) am fully aware of my right to choose between parole eligibility and a fixed release date. I know that if I accept the release date established, I will give up my right to seek parole. I have read and understood the Prisoner Review Board's letter, and I know how and under what circumstances the Board has set my release date. I know that I will be released on that date and will be released earlier if I accumulate good conduct credit. I know that the date set by the Board is final, and can't be appealed to a court.

Fully aware of all the implications, I expressly and knowingly waive my right to seek parole and accept the release date as established by the Prisoner Review Board."

(e) The Board shall use the following information and standards in establishing a release date for each eligible offender who requests that a date be set:

(1) Such information as would be considered in a parole hearing under Section 3-3-4 of this Code;
(2) The intent of the court in imposing the offender's sentence;
(3) The present schedule for similar offenses provided by Articles 4.5 and 5 of Chapter V of this Code;
(4) Factors in aggravation and mitigation of sentence as provided in Sections 5-5-3.1 and 5-5-3.2 of this Code;
(5) The rate of accumulating good conduct credits provided by Section 3-6-3 of this Code;
(6) The offender's behavior since commitment to the Department.

(f) After the release date is set by the Board, the offender can accumulate good conduct credits in accordance with Section 3-6-3 of this Code.
(g) The release date established by the Board shall not be sooner than the earliest date that the offender would have been eligible for release under the sentence imposed on him by the court, less time credit previously earned for good behavior, nor shall it be later than the latest date at which the offender would have been eligible for release under such sentence, less time credit previously earned for good behavior.

(h) (1) Except as provided in subsection (b), each prisoner appearing at his next parole hearing subsequent to the effective date of the amendatory Act of 1977, shall be notified within 7 days of the hearing that he will either be released on parole or that a release date has been set by the Board. The notice and waiver form provided for in subsections (c) and (d) shall be presented to eligible prisoners no later than 7 days following their parole hearing. A written statement of the basis for the decision with regard to the release date set shall be given to such prisoners no later than 14 days following the parole hearing.

(2) Each prisoner upon notification of his release date shall have 60 days to choose whether to remain under the parole system or to accept the release date established by the Board. No release date shall be effective unless the prisoner waives his right to parole in writing. If no choice is made by such prisoner within 60 days from the date of his notification of a release date, such prisoner shall remain under the parole system.

(3) Within the 60 day period as provided in paragraph (2) of this subsection, a prisoner may request that the Board reconsider its decision with regard to such prisoner’s release date. No later than 60 days following receipt of such request for reconsideration, the Board shall notify the prisoner as to whether or not it will reconsider such prisoner's release date. No court shall have jurisdiction to review the Board's decision. No prisoner shall be entitled to more than one request for reconsideration of his release date.

(A) If the Board decides not to reconsider the release date, the prisoner shall have 60 days to choose whether to remain under the parole system or to accept the release date established by the Board. No release date shall be effective unless the prisoner waives his right to parole in writing. If no choice is made by such prisoner within 60 days from the date of the notification by the Board refusing to reconsider his release date, such prisoner shall remain under the parole system.

(B) If the Board decides to reconsider its decision with respect to such release date, the Board shall schedule a date for
reconsideration as soon as practicable, but no later than 60 days from the date of the prisoner's request, and give such prisoner at least 30 days notice. Such prisoner may submit any relevant material to the Board which would aid in ascertaining a proper release date. The Department of Corrections shall assist any such prisoner if asked to do so.

Neither the prisoner nor his lawyer has the right to be present on the date of reconsideration, nor the right to call witnesses. However, the Board may ask such prisoner or his or her lawyer to appear or may ask to hear witnesses. The Board shall base its determination on the factors specified in subsection (e), plus any new information which may be available to it.

(C) When the Board has made its decision, the prisoner shall be informed of the release date as provided for in subsection (c) no later than 7 days following the reconsideration. In no event shall such release date be longer than the release date originally determined. The decision of the Board is final. No court shall have jurisdiction to review the Board's decision.

Following the Board's reconsideration and its notification to the prisoner of his or her release date, such prisoner shall have 60 days from the date of such notice in which to decide whether to accept the release date and waive his or her right to parole or to continue under the parole system. If such prisoner does nothing within 60 days after notification of the Board's decision, he or she shall remain under the parole system.

The inability to pay this analysis fee shall not be the sole ground to incarcerate the person.

(E) Costs incurred in continuing education, training, and professional development of forensic scientists regularly employed by these laboratories.

(l) The failure of a person to provide a specimen, or of any person or agency to collect a specimen, within the 45 day period shall in no way alter the obligation of the person to submit such specimen, or the authority of the Illinois Department of State Police or persons designated by the Department to collect the specimen, or the authority of the Illinois Department of State Police to accept, analyze and maintain the specimen or to maintain or upload results of genetic marker grouping analysis information into a State or national database.

(m) If any provision of this amendatory Act of the 93rd General Assembly is held unconstitutional or otherwise invalid, the remainder of this amendatory Act of the 93rd General Assembly is not affected.

(n) Neither the Department of State Police, the Division of Forensic Services, nor any laboratory of the Division of Forensic Services may contract out forensic testing for the purpose of an active investigation

For the purposes of this subsection (n), "forensic testing" includes the analysis of physical evidence in an investigation or other proceeding for the prosecution of a violation of the Criminal Code of 1961 or for matters adjudicated under the Juvenile Court Act of 1987, and includes the use of forensic databases and databanks, including DNA, firearm, and fingerprint databases, and expert testimony.

(a) Except where specifically prohibited by other provisions of this Code, the court shall impose a sentence of probation or conditional discharge upon an offender unless, having regard to the nature and circumstance of the offense, and to the history, character and condition of the offender, the court is of the opinion that:

(1) his imprisonment or periodic imprisonment is necessary for the protection of the public; or

(2) probation or conditional discharge would deprecate the seriousness of the offender's conduct and would be inconsistent with the ends of justice; or

(3) a combination of imprisonment with concurrent or consecutive probation when an offender has been admitted into a drug court program under Section 20 of the Drug Court Treatment Act is necessary for the protection of the public and for the rehabilitation of the offender.

The court shall impose as a condition of a sentence of probation, conditional discharge, or supervision, that the probation agency may invoke any sanction from the list of intermediate sanctions adopted by the chief judge of the circuit court for violations of the terms and conditions of the sentence of probation, conditional discharge, or supervision, subject to the provisions of Section 5-6-4 of this Act.

(b) The court may impose a sentence of conditional discharge for an offense if the court is of the opinion that neither a sentence of imprisonment nor of periodic imprisonment nor of probation supervision is appropriate.

(c) The court may, upon a plea of guilty or a stipulation by the defendant of the facts supporting the charge or a finding of guilt, defer further proceedings and the imposition of a sentence, and enter an order for supervision of the defendant, if the defendant is not charged with: (i) a Class A misdemeanor, as defined by the following provisions of the Criminal Code of 1961: Sections 11-9.1; 12-3.2; 12-15; 26-5; 31-1; 31-6; 31-7; subsections (b) and (c) of Section 21-1; paragraph (1) through (5), (8), (10), and (11) of subsection (a) of Section 24-1; (ii) a Class A
misdemeanor violation of Section 3.01, 3.03-1, or 4.01 of the Humane Care for Animals Act; or (iii) a felony. If the defendant is not barred from receiving an order for supervision as provided in this subsection, the court may enter an order for supervision after considering the circumstances of the offense, and the history, character and condition of the offender, if the court is of the opinion that:

(1) the offender is not likely to commit further crimes;
(2) the defendant and the public would be best served if the defendant were not to receive a criminal record; and

For the purposes of Part 17, real estate is residential real estate only if it is residential real estate at the time the foreclosure is commenced.

(b) Pre-Judgment. Prior to the entry of a judgment of foreclosure:

(1) In the case of residential real estate, the mortgagor shall be entitled to possession of the real estate except if (i) the mortgagee shall object and show good cause, (ii) the mortgagee is so authorized by the terms of the mortgage or other written instrument, and (iii) the court is satisfied that there is a reasonable probability that the mortgagee will prevail on a final hearing of the cause, the court shall upon request place the mortgagee in possession. If the residential real estate consists of more than one dwelling unit, then for the purpose of this Part residential real estate shall mean only that dwelling unit or units occupied by persons described in clauses (i), (ii) and (iii) of Section 15-1219.

(2) In all other cases, if (i) the mortgagee is so authorized by the terms of the mortgage or other written instrument, and (ii) the court is satisfied that there is a reasonable probability that the mortgagee will prevail on a final hearing of the cause, the mortgagee shall upon request be placed in possession of the real estate, except that if the mortgagor shall object and show good cause, the court shall allow the mortgagor to remain in possession.

(c) Judgment Through 30 Days After Sale Confirmation. After the entry of a judgment of foreclosure and through the 30th day after a foreclosure sale is confirmed:

(1) Subsection (b) of Section 15-1701 shall be applicable, regardless of the provisions of the mortgage or other instrument, except that after a sale pursuant to the judgment the holder of the
certificate of sale (or, if none, the purchaser at the sale) shall have the mortgagee's right to be placed in possession, with all rights and duties of a mortgagee in possession under this Article.

(2) Notwithstanding paragraph (1) of subsection (b) and paragraph (1) of subsection (c) of Section 15-1701, upon request of the mortgagee, a mortgagor of residential real estate shall not be allowed to remain in possession between the expiration of the redemption period and through the 30th day after sale confirmation unless (i) the mortgagor pays to the mortgagee or such holder or purchaser, whichever is applicable, monthly the lesser of the interest due under the mortgage calculated at the mortgage rate of interest applicable as if no default had occurred or the fair rental value of the real estate, or (ii) the mortgagor otherwise shows good cause. Any amounts paid by the mortgagor pursuant to this subsection shall be credited against the amounts due from the mortgagor.

(d) After 30 Days After Sale Confirmation. The holder of the certificate of sale or deed issued pursuant to that certificate or, if no certificate or deed was issued, the purchaser, except to the extent the holder or purchaser may consent otherwise, shall be entitled to possession of the mortgaged real estate, as of the date 30 days after the order confirming the sale is entered, against those parties to the foreclosure whose interests the court has ordered terminated, without further notice to any party, further order of the court, or resort to proceedings under any other statute other than this Article. This right to possession shall be limited by the provisions governing entering and enforcing orders of possession under subsection (g) of Section 15-1508. If the holder or purchaser determines that there are occupants of the mortgaged real estate who have not been made parties to the foreclosure and had their interests terminated therein, the holder or purchaser may bring a proceeding under subsection (h) of this Section or under Article 9 of this Code to terminate the rights of possession of any such occupants. The holder or purchaser shall not be entitled to proceed against any such occupant under Article 9 of this Code until after 30 days after the order confirming the sale is entered.

(e) Termination of Leases. A lease of all or any part of the mortgaged real estate shall not be terminated automatically solely by virtue of the entry into possession by (i) a mortgagee or receiver prior to the entry of an order confirming the sale, (ii) the holder of the certificate of sale, (iii)
the holder of the deed issued pursuant to that certificate, or (iv) if no certificate or deed was issued, the purchaser at the sale.

(f) Other Statutes; Instruments. The provisions of this Article providing for possession of mortgaged real estate shall supersede any other inconsistent statutory provisions. In particular, and without limitation, whenever a receiver is sought to be appointed in any action in which a foreclosure is also pending, a receiver shall be appointed only in accordance with this Article. Except as may be authorized by this Article, no mortgage or other instrument may modify or supersede the provisions of this Article.

(g) Certain Leases. Leases of the mortgaged real estate entered into by a mortgagee in possession or a receiver and approved by the court in a foreclosure shall be binding on all parties, including the mortgagor after redemption, the purchaser at a sale pursuant to a judgment of foreclosure and any person acquiring an interest in the mortgaged real estate after entry of a judgment of foreclosure in accordance with Sections 15-1402 and 15-1403.

(h) Proceedings Against Certain Occupants.

(1) The mortgagee-in-possession of the mortgaged real estate under Section 15-1703, a receiver appointed under Section 15-1704, a holder of the certificate of sale or deed, or the purchaser may, at any time during the pendency of the foreclosure and up to 90 days after the date of the order confirming the sale, file a supplemental petition for possession against a person not personally named as a party to the foreclosure. The supplemental petition for possession shall name each such occupant against whom possession is sought and state the facts upon which the claim for relief is premised.

(2) The petitioner shall serve upon each named occupant the petition, a notice of hearing on the petition, and, if any, a copy of the certificate of sale or deed. The proceeding for the termination of such occupant's possessory interest, including service of the notice of the hearing and the petition, shall in all respects comport with the requirements of Article 9 of this Code, except as otherwise specified in this Section. The hearing shall be no less than 21 days from the date of service of the notice.

(3) The supplemental petition shall be heard as part of the foreclosure proceeding and without the payment of additional filing fees. An order for possession obtained under this Section
shall name each occupant whose interest has been terminated, shall recite that it is only effective as to the occupant so named and those holding under them, and shall be enforceable for no more than 120 days after its entry, except that the 120-day period may be extended to the extent and in the manner provided in Section 9-117 of Article 9 and except as provided in item (4) of this subsection (h).

(4) In a case of foreclosure where the occupant is current on his or her rent, or where timely written notice of to whom and where the rent is to be paid has not been provided to the occupant, or where the occupant has made good-faith efforts to make rental payments in order to keep current, any order of possession must allow the occupant to retain possession of the property covered in his or her rental agreement (i) for 120 days following the notice of the hearing on the supplemental petition that has been properly served upon the occupant, or (ii) through the duration of his or her lease, whichever is shorter, provided that if the duration of his or her lease is less than 30 days from the date of the order, the order shall allow the occupant to retain possession for 30 days from the date of the order. A mortgagee in possession, receiver, holder of a certificate of sale or deed, or purchaser at the judicial sale, who asserts that the occupant is not current in rent, shall file an affidavit to that effect in the supplemental petition proceeding. If the occupant has been given timely written notice of to whom and where the rent is to be paid, this item (4) shall only apply if the occupant continues to pay his or her rent in full during the 120-day period or has made good-faith efforts to pay the rent in full during that period. No mortgagee-in-possession, receiver or holder of a certificate of sale or deed, or purchaser who fails to file a supplemental petition under this subsection during the pendency of a mortgage foreclosure shall file a forcible entry and detainer action against an occupant of the mortgaged real estate until 90 days after a notice of intent to file such action has been properly served upon the occupant.

(5) The court records relating to a supplemental petition for possession filed under this subsection (h) against an occupant who is entitled to notice under item (4) of this subsection (h), or relating to a forcible entry and detainer action brought against an occupant who would have lawful possession of the premises but for the foreclosure of a mortgage on the property, shall be ordered sealed.

(740 ILCS 10/7.2) (from Ch. 38, par. 60-7.2)  
Sec. 7.2. (1) Whenever it appears to the Attorney General that any person has engaged in, is engaging in, or is about to engage in any act or practice prohibited by this Act, or that any person has assisted or participated in any agreement or combination of the nature described herein, he may, in his discretion, conduct an investigation as he deems necessary in connection with the matter and has the authority prior to the commencement of any civil or criminal action as provided for in the Act to subpoena witnesses, and pursuant to a subpoena (i) compel their attendance for the purpose of examining them under oath, (ii) require the production of any books, documents, records, writings or tangible things hereafter referred to as "documentary material" which the Attorney General deems relevant or material to his investigation, for inspection, reproducing or copying under such terms and conditions as hereafter set forth, (iii) require written answers under oath to written interrogatories, or (iv) require compliance with a combination of the foregoing. Any
subpoena issued by the Attorney General shall contain the following information:

(a) The statute and section thereof, the alleged violation of which is under investigation and the general subject matter of the investigation.

(b) The date and place at which time the person is required to appear or produce documentary material in his possession, custody or control or submit answers to interrogatories in the office of the Attorney General located in Springfield or Chicago. Said date shall not be less than 10 days from date of service of the subpoena.

(c) Where documentary material is required to be produced, the same shall be described by class so as to clearly indicate the material demanded.

The Attorney General is hereby authorized, and may so elect, to require the production, pursuant to this section, of documentary material or interrogatory answers prior to the taking of any testimony of the person subpoenaed. Said documentary material shall be made available for inspection and copying during normal business hours at the principal place of business of the person served, or at such other time and place, as may be agreed upon by the person served and the Attorney General. When documentary material is demanded by subpoena, said subpoena shall not:

(i) contain any requirement which would be unreasonable or improper if contained in a subpoena duces tecum issued by a court of this State; or

(ii) require the disclosure of any documentary material which would be privileged, or which for any other reason would not be required by a subpoena duces tecum issued by a court of this State.

(2) The production of documentary material in response to a subpoena served pursuant to this Section shall be made under a sworn certificate, in such form as the subpoena designates, by the person, if a natural person, to whom the demand is directed or, if not a natural person, by a person or persons having knowledge of the facts and circumstances relating to such production, to the effect that all of the documentary material required by the demand and in the possession, custody, or control of the person to whom the demand is directed has been produced and made available to the custodian. Answers to interrogatories shall be
accompanied by a statement under oath attesting to the accuracy of the answers.

While in the possession of the Attorney General and under such reasonable terms and conditions as the Attorney General shall prescribe: (A) documentary material shall be available for examination by the person who produced such material or by any duly authorized representative of such person, (B) transcript of oral testimony shall be available for examination by the person who produced such testimony, or his or her counsel and (C) answers to interrogatories shall be available for examination by the person who swore to their accuracy.

Except as otherwise provided in this Section, no documentary material, transcripts of oral testimony, or answers to interrogatories, or copies thereof, in the possession of the Attorney General shall be available for examination by any individual other than an authorized employee of the Attorney General or other law enforcement officials, federal, State, or local, without the consent of the person who produced such material, transcripts, or interrogatory answers.

For purposes of this Section, all documentary materials, transcripts of oral testimony, or answers to interrogatories obtained by the Attorney General from other law enforcement officials shall be treated as if produced pursuant to a subpoena served pursuant to this Section for purposes of maintaining the confidentiality of such information.

(3) (e) No person shall, with intent to avoid, evade, prevent, or obstruct compliance in whole or in part by any person with any duly served subpoena of the Attorney General under this Act, knowingly remove from any place, conceal, withhold, destroy, mutilate, alter, or by any other means falsify any documentary material that is the subject of such subpoena. A violation of this subsection is a Class A misdemeanor. The Attorney General, with such assistance as he may from time to time require of the State's Attorneys in the several counties, shall investigate suspected violations of this subsection and shall commence and try all prosecutions under this subsection.

Any fees or expenses charged by a public guardian shall be documented through billings and maintained by the guardian and supplied to the court for review. Sec. 18.4. Powers and Duties of Board of Managers. The board of managers shall exercise for the association all powers, duties and authority vested in the association by law or the condominium instruments except for such powers, duties and authority reserved by law to the members of the association. The powers and duties of the board of managers shall include, but shall not be limited to, the following:

(a) To provide for the operation, care, upkeep, maintenance, replacement and improvement of the common elements. Nothing in this subsection (a) shall be deemed to invalidate any provision in a condominium instrument placing limits on expenditures for the common elements, provided, that such limits shall not be applicable to expenditures for repair, replacement, or restoration of existing portions of the common elements. The term "repair, replacement or restoration" means expenditures to deteriorated or damaged portions of the property related to the existing decorating, facilities, or structural or mechanical components, interior or exterior surfaces, or energy systems and equipment with the functional equivalent of the original portions of such areas. Replacement of the common elements may result in an improvement over the original quality of such elements or facilities; provided that, unless the improvement is mandated by law or is an emergency as defined in item (iv) of subparagraph (8) of paragraph (a) of Section 18, if the improvement results in a proposed expenditure exceeding 5% of the annual budget, the board of managers, upon written petition by unit owners with 20% of the votes of the association delivered to the board within 14 days of the board action to approve the expenditure, shall call a meeting.

c) To levy and expend assessments.

d) To collect assessments from unit owners.

(h) To adopt and amend rules and regulations covering the details of the operation and use of the property, after a meeting of the unit owners called for the specific purpose of discussing the proposed rules and regulations. Notice of the meeting shall contain the full text of the proposed rules and regulations, and the meeting shall conform to the requirements of Section 18(b) of this Act, except that no quorum is required at the meeting of the unit owners unless the declaration, bylaws or other condominium instrument expressly provides to the contrary. However, no rule or regulation may impair any rights guaranteed by the First Amendment to the Constitution of the United States or Section 4 of Article I of the Illinois Constitution including, but not limited to, the free exercise of religion, nor may any rules or regulations conflict with the provisions of this Act or the condominium instruments. No rule or regulation shall prohibit any reasonable accommodation for religious practices, including the attachment of religiously mandated objects to the front-door area of a condominium unit.

(i) To keep detailed, accurate records of the receipts and expenditures affecting the use and operation of the property.

(j) To have access to each unit from time to time as may be necessary for the maintenance, repair or replacement of any common elements or for making emergency repairs necessary to prevent damage to the common elements or to other units.

(l) To impose charges for late payment of a unit owner's proportionate share of the common expenses, or any other expenses lawfully agreed upon, and after notice and an opportunity to be heard, to levy reasonable fines for violation of the declaration, by-laws, and rules and regulations of the association.

(m) Unless the condominium instruments expressly provide to the contrary, by a majority vote of the entire board of managers, to assign the right of the association to future income from common expenses or other sources, and to mortgage or pledge substantially all of the remaining assets of the association.

(n) To record the dedication of a portion of the common elements to a public body for use as, or in connection with, a street or utility where authorized by the unit owners under the provisions of Section 14.2.

(o) To record the granting of an easement for the laying of cable television cable where authorized by the unit owners under the provisions of Section 14.3; to obtain, if available and determined by the board to be in the best interests of the association, cable television service for all of the units of the condominium on a bulk identical service and equal cost per unit basis; and to assess and recover the expense as a common expense and, if so determined by the board, to assess each and every unit on the same equal cost per unit basis.

(p) To seek relief on behalf of all unit owners when authorized pursuant to subsection (c) of Section 10 from or in connection with the assessment or levying of real property taxes, special assessments, and any other special taxes or changes of the State of Illinois or of any political subdivision thereof or of any lawful taxing or assessing body.

(q) To reasonably accommodate the needs of a handicapped unit owner as required by the federal Civil Rights Act of 1968, the Human Rights Act and any applicable local ordinances in the exercise of its powers with respect to the use of common elements or approval of modifications in an individual unit.

(r) To accept service of a notice of claim for purposes of the Mechanics Lien Act on behalf of each respective member of the
Unit Owners' Association with respect to improvements performed pursuant to any contract entered into by the Board of Managers or any contract entered into prior to the recording of the condominium declaration pursuant to this Act, for a property containing more than 8 units, and to distribute the notice to the unit owners within 7 days of the acceptance of the service by the Board of Managers. The service shall be effective as if each individual unit owner had been served individually with notice.

In the performance of their duties, the officers and members of the board, whether appointed by the developer or elected by the unit owners, shall exercise the care required of a fiduciary of the unit owners.

The collection of assessments from unit owners by an association, board of managers or their duly authorized agents shall not be considered acts constituting a collection agency for purposes of the Collection Agency Act.

The provisions of this Section are applicable to all condominium instruments recorded under this Act. Any portion of a condominium instrument which contains provisions contrary to these provisions shall be void as against public policy and ineffective. Any such instrument that fails to contain the provisions required by this Section shall be deemed to incorporate such provisions by operation of law.

Sec. 1-28. Certificate of Registration; Department of Financial and Professional Regulation. This Section applies only to a limited liability company that intends to provide, or does provide, professional services that require the individuals engaged in the profession to be licensed by the Department of Financial and Professional Regulation. A limited liability company covered by this Section shall not open, operate, or maintain an establishment for any of the purposes for which a limited liability company may be organized under this Act without obtaining a certificate of registration from the Department.

Application for such registration shall be made in writing and shall contain the name and address of the limited liability company and such other information as may be required by the Department. Upon receipt of such application, the Department shall make an investigation of the limited liability company. If the Department finds that the organizers, managers, and members are each licensed pursuant to the laws of Illinois to engage in the particular profession or related professions involved (except that an initial organizer may be a licensed attorney) and if no disciplinary action is pending before the Department against any of them and if it appears that the limited liability company will be conducted in compliance with the law and the rules and regulations of the Department, the Department shall issue, upon payment of a registration fee of $50, a certificate of registration.

Upon written application of the holder, the Department shall renew the certificate if it finds that the limited liability company has complied with its regulations and the provisions of this Act and the applicable licensing Act. (815 ILCS 710/9) (from Ch. 121 1/2, par. 759)

Sec. 9. Renewals; transfers.

(a) Anything to the contrary notwithstanding, it shall be unlawful for the manufacturer, wholesaler, distributor or franchiser without good cause, to fail to renew a franchise on terms then equally available to all its motor vehicle dealers, or to terminate a franchise or restrict the transfer of a franchise until the franchisee shall receive fair and reasonable compensation for the value of the business and business premises.

(b) For the purposes of this Section 9, the term "reasonable compensation" includes, but is not limited to all of the following items:

(1) An amount equal to the current, fair rental value of the portion of the motor vehicle dealer's established place of business that is used for motor vehicle sales and service with the manufacturer, wholesaler, distributor or franchiser for a period of one year beginning on the date of the nonrenewal, termination, or restriction on the transfer of the franchise.

(2) The franchisee's cost of each new undamaged and unsold current and prior year motor vehicles that were acquired within 12 months of termination and have 500 or fewer miles recorded on the odometer that are in the franchisee's inventory at the time of nonrenewal, termination, or restriction and that were purchased or acquired from the manufacturer or from another dealer of the same line make in the ordinary course of business.

(3) The franchisee's cost of each new, unused, undamaged and unsold part or accessory that is in the current parts catalogue or is identical to a part or accessory in the current parts catalogue except for the number assigned to the part or accessory due to a change in the number after the purchase of the part or accessory and that is still in the original, resalable merchandising package and in an unbroken lot, except that, in the case of sheet metal, a comparable substitute for the original package may be used if the part or accessory was purchased (i) directly from the manufacturer, distributor, wholesaler, distributor branch or division, or officer,
agent, or other representative thereof or (ii) from an outgoing authorized dealer as a part of the dealer's initial inventory.

(4) The fair market value of each undamaged sign owned by the dealer that bears a trademark or trade name used or claimed by the manufacturer, distributor, wholesaler, distributor branch or division, or officer, agent, or other representative thereof that was purchased as a requirement of the manufacturer, distributor, wholesaler, distributor branch or division, or officer, agent, or other representative thereof.

(5) The fair market value of all special tools, data processing equipment, and automotive service equipment owned by the dealer that (i) were recommended in writing and designated as special tools and equipment, (ii) were purchased at the request of the manufacturer, distributor, wholesaler, distributor branch or division, or officer, agent, or other representative thereof, and (iii) are in usable and good condition except for reasonable wear and tear.

(6) The cost of transporting, handling, packing, storing, and loading any property that is subject to repurchase under this Section.

This subsection (b) shall not apply to a non-renewal or termination that is implemented as a result of a sale of the assets or stock of the franchise.

(c) The payment under item (b)(1) is due in 12 equal, monthly installments, beginning 30 days after the franchise is terminated or nonrenewed. The payments under items (b)(2) through (b)(6) are due no later than 90 days after the franchise is terminated or nonrenewed. As a condition of payment under items (b)(2) through (b)(6), the motor vehicle dealer must comply with all reasonable requirements provided by the manufacturer, distributor, or wholesaler regarding the return of inventory.

If a manufacturer, distributor, or wholesaler does not reimburse the motor vehicle dealer for the amounts required under items (b)(2) through (b)(6) by the deadlines under this subsection (c), and the Board or, if agreed to under Section 12, the arbitrator, finds the manufacturer, distributor, or wholesaler in violation of this subsection, then the manufacturer, distributor, or wholesaler shall, in addition to any other amounts due, pay the motor vehicle dealer:

Section 685. The Beer Industry Fair Dealing Act is amended by changing Section 5 as follows:

(815 ILCS 720/5) (from Ch. 43, par. 305)
Sec. 5. Prohibited conduct. No brewer shall:

(1) Induce or coerce, or attempt to induce or coerce, any wholesaler to engage in any illegal act or course of conduct either by threatening to amend, modify, cancel, terminate, or refuse to renew any agreement existing between the brewer and the wholesaler, or by any other means.

(2) Require a wholesaler to assent to any unreasonable requirement, condition, understanding or term or an agreement prohibiting a wholesaler from selling the product of any other brewer or brewers.

(3) Directly or indirectly fix or maintain the price at which a wholesaler may resell beer.

(4) Fail to provide to each wholesaler of its brands a written contract which embodies the brewer's agreement with its wholesalers and conforms to the provisions of this Act.

(5) Require any wholesaler to accept delivery of any beer, signs, advertising materials, or any other item or commodity which has not been ordered by the wholesaler, or require any wholesaler to accept a common carrier for delivery of beer into this State unless the wholesaler consents to the common carrier. In the event a brewer adopts a uniform practice of delivering beer into this State to the premises of all licensed wholesalers, the brewer may select the common carrier in this State.

(6) Require a wholesaler without the wholesaler's approval to participate in an arrangement for the payment or crediting by an electronic fund transfer transaction for any item or commodity other than beer or to access a wholesaler's account for any item or commodity other than beer.

(7) Require a wholesaler to assent to any requirement prohibiting the wholesaler from disposing, after notice to the brewer, of a product which has been deemed salvageable by a local or State health authority. Nothing herein shall prohibit the brewer from having the first right to purchase the salvageable product

from the wholesaler at a price not to exceed the original cost of the product or to subsequently repurchase the product from the insurance company or salvage company.

(8) Refuse to approve or require a wholesaler to terminate a manager or successor manager without good cause. A brewer has good cause only if the person designated as manager or successor manager by the wholesaler fails to meet reasonable standards and qualifications.

(9) Present an agreement to a wholesaler that attempts to waive compliance with any provision of this Act or that requires the wholesaler to waive compliance with any provision of this Act. A wholesaler entering into an agreement containing provisions in conflict with this Act shall not be deemed to waive compliance with any provision of this Act. No brewer shall induce or coerce, or attempt to induce or coerce, any wholesaler to assent to any agreement, amendment, renewal, or replacement agreement that does not comply with this Act and the laws of this State.

(10) Terminate or attempt to terminate an agreement on the basis that the wholesaler refuses to purchase signs or advertising materials or any quantity or types thereof.

(11) Discriminate against a wholesaler who has entered into a contract relative to signs or advertising materials by not making signs or advertising materials or any quantity or types thereof available to the wholesaler when the brewer makes available such signs or advertising materials to other similarly situated wholesalers in this State.

(12) Present an agreement requiring the wholesaler to arbitrate all disputes without offering the wholesaler in writing the opportunity to reject arbitration and elect to resolve all disputes by maintaining a civil suit in accordance with this Act.

(13) Fail to assign brand extensions to a wholesaler who has been granted the territory to the brand from which the brand extension resulted and agrees to accept the brand extension; however, this requirement does not apply if the wholesaler is not in compliance with the agreement at the time the brewer offers the brand extension to the wholesaler.

(14) Terminate, cancel, or non-renew or attempt to terminate, cancel, or non-renew an agreement on the basis that the wholesaler fails to agree or consent to an amendment at the time

such amendment is presented to the wholesaler. A brewer may amend an agreement including operating standards at any time without the wholesaler's consent if such amendment does not materially, substantially, and adversely affect the wholesaler and such amendment is effective as to all wholesalers of the brewer in the State.

(15) Coerce or attempt to coerce a transferring wholesaler to sign a renewal agreement, replacement agreement, or an amendment to an agreement by threatening to refuse to approve or delay issuing an approval for the sale or transfer of a wholesaler's business.

The agreement must provide in substance that the agreement shall be governed by all applicable provisions of State law, and that such State law is incorporated into the agreement, shall be deemed to be a part thereof, and shall supersede any provision of the agreement in conflict with such State law. If an agreement presented to the wholesaler does not provide this provision in substance the brewer must furnish an executed Illinois addendum to the wholesaler stating that the agreement shall be governed by all applicable provisions of State law, and that such State law is incorporated into the agreement, shall be deemed to be a part thereof, shall supersede any provision of the agreement in conflict with such State law, and shall govern and control.

No brewer who, pursuant to an agreement with a wholesaler which does not violate antitrust laws, has designated a sales territory for which the wholesaler is exclusively responsible or in which the wholesaler is required to concentrate its efforts, shall enter into an agreement with any other wholesaler for the purpose of establishing an additional wholesaler for the brewer's brand, brands, or brand extension in the territory.

No wholesaler who, pursuant to an agreement is granted a sales territory for which it shall be exclusively responsible or in which it is required to concentrate its efforts, shall make any sale or delivery of beer to any retail licensee whose place of business is not within the territory granted to the wholesaler.

(730 ILCS 5/5-6-1) (from Ch. 38, par. 1005-6-1)

Sec. 5-6-1. Sentences of Probation and of Conditional Discharge and Disposition of Supervision. The General Assembly finds that in order to protect the public, the criminal justice system must compel compliance with the conditions of probation by responding to violations with swift, certain and fair punishments and intermediate sanctions. The Chief Judge of each circuit shall adopt a system of structured, intermediate sanctions for violations of the terms and conditions of a sentence of probation, conditional discharge or disposition of supervision.

(a) Except where specifically prohibited by other provisions of this Code, the court shall impose a sentence of probation or conditional discharge upon an offender unless, having regard to the nature and circumstance of the offense, and to the history, character and condition of the offender, the court is of the opinion that:

(1) his imprisonment or periodic imprisonment is necessary for the protection of the public; or

(2) probation or conditional discharge would deprecate the seriousness of the offender's conduct and would be inconsistent with the ends of justice; or

(3) a combination of imprisonment with concurrent or consecutive probation when an offender has been admitted into a drug court program under Section 20 of the Drug Court Treatment Act is necessary for the protection of the public and for the rehabilitation of the offender.

The court shall impose as a condition of a sentence of probation, conditional discharge, or supervision, that the probation agency may invoke any sanction from the list of intermediate sanctions adopted by the chief judge of the circuit court for violations of the terms and conditions of the sentence of probation, conditional discharge, or supervision, subject to the provisions of Section 5-6-4 of this Act.

(b) The court may impose a sentence of conditional discharge for an offense if the court is of the opinion that neither a sentence of imprisonment nor of periodic imprisonment nor of probation supervision is appropriate.

(c) The court may, upon a plea of guilty or a stipulation by the defendant of the facts supporting the charge or a finding of guilt, defer further proceedings and the imposition of a sentence, and enter an order for supervision of the defendant, if the defendant is not charged with: (i) a Class A misdemeanor, as defined by the following provisions of the Criminal Code of 1961: Sections 11-9.1; 12-3.2; 12-15; 26-5; 31-1; 31-6; 31-7; subsections (b) and (c) of Section 21-1; paragraph (1) through (5), (8), (10), and (11) of subsection (a) of Section 24-1; (ii) a Class A misdemeanor violation of Section 3.01, 3.03-1, or 4.01 of the Humane Care for Animals Act; or (iii) a felony. 1. the offender is not likely to commit further crimes;
2. the defendant and the public would be best served if the defendant were not to receive a criminal record; and

(b) If at any general election at which federal offices are elected or nominated the election authority is unable to comply with the provisions of subsection (a), the election authority shall mail to each such person, in lieu of the ballot, a Special Write-in Absentee Voter's Blank Ballot. The Special Write-in Absentee Voter's Blank Ballot shall be used only at all general elections at which federal offices are elected or nominated and shall be prepared by the election authority in substantially the following form:

Special Write-in Absentee Voter's Blank Ballot

The voter shall not be required to indicate his or her preference for more than one candidate on the ranked ballot. offices which are incompatible so that the same person could not serve in
more than one of such offices if elected, that person must withdraw as a
candidate for all but one of such offices within the 5 business days
following the last day for petition filing. If he fails to withdraw as a
candidate for all but one of such offices within such time his name shall
not be certified, nor printed on the primary ballot, for any office. For the
purpose of the foregoing provisions, an office in a political party is not
incompatible with any other office.

(10) (a) Notwithstanding the provisions of any other statute, no
primary shall be held for an established political party in any
township, municipality, or ward thereof, where the nomination of
such party for every office to be voted upon by the electors of such
township, municipality, or ward thereof, is uncontested. Whenever
a political party's nomination of candidates is uncontested as to one

of a township, municipality, or ward thereof, then a primary shall
be held for that party in such township, municipality, or ward
thereof; provided that the primary ballot shall not include those
offices within such township, municipality, or ward thereof, for
which the nomination is uncontested. For purposes of this Article,

more than the number of persons to be nominated have timely filed
valid nomination papers seeking the nomination of such party for
election to such office.

(b) Notwithstanding the provisions of any other statute, no
primary election shall be held for an established political party for
any special primary election called for the purpose of filling a
vacancy in the office of representative in the United States
Congress where the nomination of such political party for said
office is uncontested. For the purposes of this Article, the
nomination of an established political party of a candidate for
election to said office shall be deemed to be uncontested where not
more than the number of persons to be nominated have timely filed
valid nomination papers seeking the nomination of such
established party for election to said office. This subsection (b)
shall not apply if such primary election is conducted on a regularly
scheduled election day.

New matter indicated by italics - deletions by strikeout
(c) Notwithstanding the provisions in subparagraph (a) and (b) of this paragraph (10), whenever a person who has not timely filed valid nomination papers and who intends to become a write-in candidate for a political party's nomination for any office for which the nomination is uncontested files a written statement or notice of that intent with the State Board of Elections or the local election official with whom nomination papers for such office are filed, a primary ballot shall be prepared and a primary shall be held for that office. Such statement or notice shall be filed on or before the date established in this Article for certifying candidates for the primary ballot. Such statement or notice shall contain (i) the name and address of the person intending to become a write-in candidate, (ii) a statement that the person is a qualified primary elector of the political party from whom the nomination is sought, (iii) a statement that the person intends to become a write-in candidate for the party's nomination, and (iv) the office the person is seeking as a write-in candidate. An election authority shall have no duty to conduct a primary and prepare a primary ballot for any office for which the nomination is uncontested unless a statement or notice meeting the requirements of this Section is filed in a timely manner.

(11) If multiple sets of nomination papers are filed for a candidate to the same office, the State Board of Elections, appropriate election authority or local election official where the petitions are filed shall within 2 business days notify the candidate of his or her multiple petition filings and that the candidate has 3 business days after receipt of the notice to notify the State Board of Elections, appropriate election authority or local election official that he or she may cancel prior sets of petitions. If the candidate notifies the State Board of Elections, appropriate election authority or local election official, the last set of petitions filed shall be the only petitions to be considered valid by the State Board of Elections, election authority or local election official. If the candidate fails to notify the State Board of Elections, election authority or local election official then only the first set of petitions filed shall be valid and all subsequent petitions shall be void.

(12) All nominating petitions shall be available for public inspection and shall be preserved for a period of not less than 6 months.

Service of such subpoenas shall be made by any sheriff or other person in the same manner as in cases in such court and the fees of such sheriff shall be the same as is provided by law, and shall be paid by the objector or candidate who causes the issuance of the subpoena. In case any person so served shall knowingly neglect or refuse to obey any such subpoena, or to testify, the electoral board shall at once file a petition in the circuit court of the county in which such hearing is to be heard, or has been attempted to be heard, setting forth the facts, of such knowing refusal or neglect, and accompanying the petition with a copy of the citation and the answer, if one has been filed, together with a copy of the subpoena and the return of service thereon, and shall apply for an order of court requiring such person to attend and testify, and forthwith produce books and papers, before the electoral board. Any circuit court of the state, excluding the judge who is sitting on the electoral board, upon such showing shall order such person to appear and testify, and to forthwith produce such books and papers, before the electoral board at a place to be fixed by the court. If such person shall knowingly fail or refuse to obey such order of the court without lawful excuse, the court shall punish him or her by fine and imprisonment, as the nature of the case may require and may be lawful in cases of contempt of court.

The electoral board on the first day of its meeting shall adopt rules of procedure for the introduction of evidence and the presentation of

arguments and may, in its discretion, provide for the filing of briefs by the parties to the objection or by other interested persons.

In the event of a State Electoral Board hearing on objections to a petition for an amendment to Article IV of the Constitution pursuant to Section 3 of Article XIV of the Constitution, or to a petition for a question of public policy to be submitted to the voters of the entire State, the certificates of the county clerks and boards of election commissioners showing the results of the random sample of signatures on the petition shall be prima facie valid and accurate, and shall be presumed to establish the number of valid and invalid signatures on the petition sheets reviewed in the random sample, as prescribed in Section 28-11 and 28-12 of this Code. Either party, however, may introduce evidence at such hearing to dispute the findings as to particular signatures. In addition to the foregoing, in the absence of competent evidence presented at such hearing by a party substantially challenging the results of a random sample, or showing a different result obtained by an additional sample, this certificate of a county clerk or board of election commissioners shall be presumed to establish the ratio of valid to invalid signatures within the particular election jurisdiction.

The electoral board shall take up the question as to whether or not the certificate of nomination or nomination papers or petitions are in proper form, and whether or not they were filed within the time and under the conditions required by law, and whether or not they are the genuine certificate of nomination or nomination papers or petitions which they purport to be, and whether or not in the case of the certificate of nomination in question it represents accurately the decision of the caucus or convention issuing it, and in general shall decide whether or not the certificate of nomination or nominating papers or petitions on file are valid or whether the objections thereto should be sustained and the decision of a majority of the electoral board shall be final subject to judicial review as provided in Section 10-10.1. The electoral board must state its findings in writing and must state in writing which objections, if any, it has sustained.

A copy of the decision shall be served upon the parties to the proceedings in open proceedings before the electoral board. If a party does not appear for receipt of the decision, the decision shall be deemed to have been served on the absent party on the date when a copy of the decision is personally delivered or on the date when a copy of the decision is deposited in the United States mail, in a sealed envelope or package, with postage prepaid, addressed to each party affected by the decision or to
such party's attorney of record, if any, at the address on record for such person in the files of the electoral board.

Upon the expiration of the period within which a proceeding for judicial review must be commenced under Section 10-10.1, the electoral board shall, unless a proceeding for judicial review has been commenced within such period, transmit, by registered or certified mail, a certified copy of its ruling, together with the original certificate of nomination or nomination papers or petitions and the original objector's petition, to the officer or board with whom the certificate of nomination or nomination papers or petitions, as objected to, were on file, and such officer or board shall abide by and comply with the ruling so made to all intents and purposes.

Sec. 19-2.1. At the consolidated primary, general primary, consolidated, and general elections, electors entitled to vote by absentee ballot under the provisions of Section 19-1 may vote in person at the office of the municipal clerk, if the elector is a resident of a municipality not having a board of election commissioners, or at the office of the township clerk or, in counties not under township organization, at the office of the road district clerk if the elector is not a resident of a municipality; provided, in each case that the municipal, township or road district clerk, as the case may be, is authorized to conduct in-person absentee voting pursuant to this Section. Absentee voting in such municipal and township clerk's offices under this Section shall be conducted from the 22nd day through the day before the election.

Municipal and township clerks (or road district clerks) who have regularly scheduled working hours at regularly designated offices other than a place of residence and whose offices are open for business during the same hours as the office of the election authority shall conduct in-person absentee voting for said elections. Municipal and township clerks (or road district clerks) who have no regularly scheduled working hours but who have regularly designated offices other than a place of residence shall conduct in-person absentee voting for said elections during the hours of 8:30 a.m. to 4:30 p.m. or 9:00 a.m. to 5:00 p.m., weekdays, and 9:00 a.m. to 12:00 noon on Saturdays, but not during such hours as the office of the election authority is closed, unless the clerk files a written waiver with the election authority not later than July 1 of each year stating that he or she is unable to conduct such voting and the reasons therefor. Such clerks who conduct in-person absentee voting may extend their hours for that purpose to include any hours in which the election authority's office is open. Municipal and township clerks (or road district clerks) who have no regularly scheduled office hours and no regularly designated offices other than a place of residence may not conduct in-person absentee voting for said elections. The election authority may devise alternative methods for in-person absentee voting before said elections for those precincts located within the territorial area of a municipality or township (or road district) wherein the clerk of such municipality or township (or road district) has waived or is not entitled to conduct such voting. In addition, electors may vote by absentee ballot under the provisions of Section 19-1 at the office of the election authority having jurisdiction over their residence. road district clerks shall not conduct in-person absentee voting. No less than 45 days before the date of an election, the election authority shall notify the municipal, township, and road district clerks within its jurisdiction if they are to conduct in-person absentee voting. Election authorities, however, may conduct in-person absentee voting in one or more designated appropriate public buildings from the fourth day before the election through the day before the election.

In conducting in-person absentee voting under this Section, the respective clerks shall be required to verify the signature of the absentee voter by comparison with the signature on the official registration record card. The clerk also shall reasonably ascertain the identity of such applicant, shall verify that each such applicant is a registered voter, and shall verify the precinct in which he or she is registered and the proper ballots of the political subdivisions in which the applicant resides and is entitled to vote, prior to providing any absentee ballot to such applicant. The clerk shall verify the applicant's registration and from the most recent poll list provided by the county clerk, and if the applicant is not listed on that poll list then by telephoning the office of the county clerk.

Absentee voting procedures in the office of the municipal, township and road district clerks shall be subject to all of the applicable provisions of this Article 19. Pollwatchers may be appointed to observe in-person absentee voting procedures and view all reasonably requested records relating to the conduct of the election, provided the secrecy of the ballot is not impinged, at the office of the municipal, township or road district clerks' offices where such absentee voting is conducted. Such pollwatchers shall qualify and be appointed in the same manner as provided in Sections 7-34 and 17-23, except each candidate, political party or organization of citizens may appoint only one pollwatcher for each location where in-person absentee voting is conducted. Pollwatchers must be registered to vote in Illinois and possess valid pollwatcher credentials. All requirements in this Article applicable to election authorities shall apply to the respective local clerks, except where inconsistent with this Section.

The sealed absentee ballots in their carrier envelope shall be delivered by the respective clerks, or by the election authority on behalf of a clerk if the clerk and the election authority agree, to the election authority's central ballot counting location before the close of the polls on the day of the general primary, consolidated primary, consolidated, or general election.

Not more than 23 days before the general and consolidated elections, the county clerk shall make available to those municipal, township and road district clerks conducting in-person absentee voting within such county, a sufficient number of applications, absentee ballots, envelopes, and printed voting instruction slips for use by absentee voters in the offices of such clerks. The respective clerks shall receipt for all ballots received, shall return all unused or spoiled ballots to the county clerk on the day of the election and shall strictly account for all ballots received.

The ballots delivered to the respective clerks shall include absentee ballots for each precinct in the municipality, township or road district, or shall include such separate ballots for each political subdivision conducting an election of officers or a referendum on that election day as will permit any resident of the municipality, township or road district to vote absentee in the office of the proper clerk.

The clerks of all municipalities, townships and road districts may distribute applications for absentee ballot for the use of voters who wish to mail such applications to the appropriate election authority. Any person may reproduce, distribute, or return to an election authority the application for absentee ballot. (b) However, petitions for the submission of a public question to referendum which proposes the creation or formation of a political subdivision must be filed with the appropriate officer or board not less than 122 days prior to a regular election to be eligible for submission on the ballot at such election.

(c) Resolutions or ordinances of governing boards of political subdivisions which initiate the submission of public questions pursuant to law must be adopted not less than 79 days before a regularly scheduled election to be eligible for submission on the ballot at such election.

year, or 15 months in the case of a back door referendum as defined in subsection (f), after the date on which it is filed or adopted, as the case may be. A petition, resolution or ordinance initiating a public question which specifies a particular election at which the question is to be submitted shall be so limited, and shall not be valid as to any other election, other than an emergency referendum ordered pursuant to Section 2A-1.4.

(e) If a petition initiating a public question does not specify a regularly scheduled election, the public question shall be submitted to referendum at the next regular election occurring not less than 92 \(\pm 8\) days after the filing of the petition, or not less than 122 \(\pm 8\) days after the filing of a petition for referendum to create a political subdivision. If a resolution or ordinance initiating a public question does not specify a regularly scheduled election, the public question shall be submitted to referendum at the next regular election occurring not less than 79 \(\pm 5\) days after the adoption of the resolution or ordinance.

(f) In the case of back door referenda, any limitations in another statute authorizing such a referendum which restrict the time in which the initiating petition may be validly filed shall apply to such petition, in addition to the filing deadlines specified in this Section for submission at a particular election. In the case of any back door referendum, the publication of the ordinance or resolution of the political subdivision shall include a notice of (1) the specific number of voters required to sign a petition requesting that a public question be submitted to the voters of the subdivision; (2) the time within which the petition must be filed; and (3) the date of the prospective referendum. The secretary or clerk of the political subdivision shall provide a petition form to any individual requesting one. The legal sufficiency of that form, if provided by the secretary or clerk of the political subdivision, cannot be the basis of a challenge to placing the back door referendum on the ballot. As used herein, a "back door referendum" is the submission of a public question to the voters of a political subdivision, initiated by a petition of voters or residents of such political subdivision, to determine whether an action by the governing body of such subdivision shall be adopted or rejected.

(235 ILCS 5/9-2) (from Ch. 43, par. 167)

Sec. 9-2. When any legal voters of a precinct in any city, village or incorporated town of more than 200,000 inhabitants, as determined by the last preceding Federal census, desire to pass upon the question of whether the sale at retail of alcoholic liquor shall be prohibited in the precinct or at a particular street address within the precinct, they shall, at least 104 days before an election, file in the office of the clerk of such city, village or incorporated town, a petition directed to the clerk, containing the signatures of not less than 25% of the legal voters registered with the board of election commissioners or county clerk, as the case may be, from the precinct. Provided, however, that when the petition seeks to prohibit the sale at retail of alcoholic liquor at a particular street address of a licensed establishment within the precinct the petition shall contain the signatures of not less than 40% of the legal voters requested from that precinct. The petition shall request that the proposition "Shall the sale at retail of alcoholic liquor be prohibited in (or at) ....?" be submitted to the voters of the precinct at the next ensuing election at which such proposition may be voted upon. The submission of the question to the voters of such precinct at such election shall be mandatory when the petition has been filed in proper form with the clerk. If more than one set of petitions are presented to the clerk for submission at the same election, the petition presented first shall be given preference; however, the clerk shall provisionally accept any other set of petitions setting forth the same (or substantially the same) proposition. If the first set of petitions for a proposition is found to be in proper form and is not found to be invalid, it
shall be accepted by the clerk and all provisionally accepted sets of petitions setting forth the same (or substantially the same) proposition shall be rejected by the clerk. If the first set of petitions for a proposition is found not to be in proper form or is found to be invalid, the clerk shall (i) reject the first set of petitions, (ii) accept the first provisionally accepted set of petitions that is in proper form and is not found to be invalid, and (iii) reject all other provisionally accepted sets of petitions setting forth the same (or substantially the same) proposition. Notice of the filing of the petition and the result of the election shall be given to the Secretary of State at his offices in both, Chicago and Springfield, Illinois. A return of the result of the election shall be made to the clerk of the city, village or incorporated town in which the precinct is located. If a majority of the voters voting upon such proposition vote "YES", the sale at retail of alcoholic liquor shall be prohibited in the precinct or at the street address. If the sale at retail of alcoholic liquor at a particular street address is prohibited pursuant to this Section, the license for any establishment at that street address shall be void, and no person may apply for a license for the sale at retail of alcoholic liquor at an establishment at that street address unless such prohibition is discontinued pursuant to Section 9-10.

In cities, villages and incorporated towns of 200,000 or less population, as determined by the last preceding Federal census, the vote upon the question of prohibiting the sale at retail of alcoholic liquor, or alcoholic liquor other than beer containing not more than 4% of alcohol by volume, or alcoholic liquor containing more than 4% of alcohol by weight in the original package and not for consumption on the premises, shall be by the voters of the political subdivision as a unit. When any legal voters of such a city, village or incorporated town desire to pass upon the question of whether the sale at retail of alcoholic liquor shall be prohibited in the municipality, they shall, at least 104 days before an election, file in the office of the clerk of the municipality, a petition directed to the clerk, containing the signatures of not less than 25% of the legal voters registered with the board of election commissioners or county clerk, as the case may be, from the municipality. The petition shall request that the proposition, "Shall the sale at retail of alcoholic liquor be prohibited in....?" be submitted to the voters of the municipality at the next ensuing election at which the proposition may be voted upon. The submission of the question to the voters of the municipality at such election shall be mandatory when the petition has been filed in proper form with the clerk. If more than one set of petitions are presented to the clerk for submission
at the same election, setting forth the same or different propositions, the petition presented first shall be given preference and the clerk shall refuse to accept any other set of petitions. Notice of the filing of the petition and the result of the election shall be given to the Secretary of State at his offices in both Chicago and Springfield, Illinois. A return of the result of the election shall be made to the clerk of the city, village or incorporated town. If a majority of the voters voting upon the proposition vote "Yes", the sale at retail of alcoholic liquor shall be prohibited in the municipality.

In the event a municipality does not vote to prohibit the sale at retail of alcoholic liquor, the council or governing body shall ascertain and determine what portions of the municipality are predominantly residence districts. No license permitting the sale of alcoholic liquors shall be issued by the local liquor commissioner or licensing officer permitting the sale of alcoholic liquors at any place within the residence district so determined, unless the owner or owners of at least two-thirds of the frontage, 200 feet in each direction along the street and streets adjacent to the place of business for which a license is sought, file with the local liquor commissioner or licensing officer, his or their written consent to the use of such place for the sale of alcoholic liquors.

In each township or road district lying outside the corporate limits of a city, village or incorporated town, or in a part of a township or road district lying partly within and partly outside a city, village or incorporated town, the vote of such township, road district or part thereof, shall be as a unit. When any legal voters of any such township, or part thereof, in counties under township organization, or any legal voters of such road district or part thereof, in counties not under township organization, desire to vote upon the proposition as to whether the sale at retail of alcoholic liquor shall be prohibited in such township or road district or part thereof, they shall, at least 90 days before an election, file in the office of the township or road district clerk, of the township or road district within which the election is to be held, a petition directed to the clerk and containing the signatures of not less than 25% of the legal voters registered with the county clerk from such township or road district or part thereof. The submission of the question to the voters of the township, road district or part thereof, at the next ensuing election shall be mandatory when the petition has been filed in proper form with the clerk. If more than one set of petitions are presented to the clerk for submission at the same election, setting forth the same or different propositions, the petition presented first shall be given preference and the clerk shall refuse to accept any other set.
of petitions. A return of the result of such election shall be made to the clerk of the township or road district in which the territory is situated, and shall also be made to the Secretary of State at his offices in both Chicago and Springfield, Illinois.

(Senate Bill No. 3637)

AN ACT concerning regulation.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Emergency Medical Services (EMS) Systems Act is amended by changing Section 3.20 as follows:

(210 ILCS 50/3.20)
Sec. 3.20. Emergency Medical Services (EMS) Systems.
(a) "Emergency Medical Services (EMS) System" means an organization of hospitals, vehicle service providers and personnel approved by the Department in a specific geographic area, which coordinates and provides pre-hospital and inter-hospital emergency care and non-emergency medical transports at a BLS, ILS and/or ALS level pursuant to a System program plan submitted to and approved by the Department, and pursuant to the EMS Region Plan adopted for the EMS Region in which the System is located.

(b) One hospital in each System program plan must be designated as the Resource Hospital. All other hospitals which are located within the geographic boundaries of a System and which have standby, basic or comprehensive level emergency departments must function in that EMS System as either an Associate Hospital or Participating Hospital and follow all System policies specified in the System Program Plan, including but not limited to the replacement of drugs and equipment used by providers who have delivered patients to their emergency departments. All hospitals and vehicle service providers participating in an EMS System must specify their level of participation in the System Program Plan.

(2) Monitor EMS Systems, based on minimum standards for continuing operation as prescribed in rules adopted by the Department pursuant to this Act, which shall include requirements for submitting Program Plan amendments to the Department for approval.

(4) Suspend, revoke, or refuse to renew approval of any EMS System, after providing an opportunity for a hearing, when findings show that it does not meet the minimum standards for continuing operation as prescribed by the Department, or is found to be in violation of its previously approved Program Plan.

(5) Require each EMS System to adopt written protocols for the bypassing of or diversion to any hospital, trauma center or regional trauma center, which provide that a person shall not be transported to a facility other than the nearest hospital, regional trauma center or trauma center unless the medical benefits to the patient reasonably expected from the provision of appropriate medical treatment at a more distant facility outweigh the increased risks to the patient from transport to the more distant facility, or the transport is in accordance with the System's protocols for patient choice or refusal.

(6) Require that the EMS Medical Director of an ILS or ALS level EMS System be a physician licensed to practice medicine in all of its branches in Illinois, and certified by the American Board of Emergency Medicine or the American Board of Osteopathic Emergency Medicine, and that the EMS Medical Director of a BLS level EMS System be a physician licensed to practice medicine in all of its branches in Illinois, with regular and frequent involvement in pre-hospital emergency medical services. PUBLIC ACT 96-1010
(House Bill No. 5976)

AN ACT concerning civil law.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Code of Civil Procedure is amended by changing Section 8-802.1 as follows:

(735 ILCS 5/8-802.1) (from Ch. 110, par. 8-802.1)
Sec. 8-802.1. Confidentiality of Statements Made to Rape Crisis Personnel.

(a) Purpose. This Section is intended to protect victims of rape from public disclosure of statements they make in confidence to counselors of organizations established to help them. On or after July 1, 1984, "rape" means an act of forced sexual penetration or sexual conduct, as defined in Section 12-12 of the Criminal Code of 1961, as amended, including acts prohibited under Sections 12-13 through 12-16 of the

New matter indicated by italics - deletions by strikeout
Criminal Code of 1961, as amended. Because of the fear and stigma that often results from those crimes, many victims hesitate to seek help even where it is available at no cost to them. As a result they not only fail to receive needed medical care and emergency counseling, but may lack the psychological support necessary to report the crime and aid police in preventing future crimes.

(b) Definitions. As used in this Act:

(1) "Rape crisis organization" means any organization or association the major purpose of which is providing information, counseling, and psychological support to victims of any or all of the crimes of aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual assault, sexual relations between siblings, criminal sexual abuse and aggravated criminal sexual abuse.

(2) "Rape crisis counselor" means a person who is a psychologist, social worker, employee, or volunteer in any organization or association defined as a rape crisis organization under this Section, who has undergone 40 hours of training and is under the control of a direct services supervisor of a rape crisis organization.

(3) "Victim" means a person who is the subject of, or who seeks information, counseling, or advocacy services as a result of an aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual assault, sexual relations within families, criminal sexual abuse, aggravated criminal sexual abuse, sexual exploitation of a child, indecent solicitation of a child, public indecency, exploitation of a child, or an attempt to commit any of these offenses.

(4) "Confidential communication" means any communication between a victim and a rape crisis counselor in the course of providing information, counseling, and advocacy. The term includes all records kept by the counselor or by the organization in the course of providing services to an alleged victim concerning the alleged victim and the services provided.

(c) Waiver of privilege.

(1) The confidential nature of the communication is not waived by: the presence of a third person who further expresses the interests of the victim at the time of the communication; group counseling; or disclosure to a third person with the consent of the

New matter indicated by italics - deletions by strikeout
victim when reasonably necessary to accomplish the purpose for which the counselor is consulted.

(2) The confidential nature of counseling records is not waived when: the victim inspects the records; or in the case of a minor child less than 12 years of age, a parent or guardian whose interests are not adverse to the minor inspects the records; or in the case of a minor victim 12 years or older, a parent or guardian whose interests are not adverse to the minor inspects the records with the victim's consent, or in the case of an adult who has a guardian of his or her person, the guardian inspects the records with the victim's consent.

(3) When a victim is deceased, or has been adjudged incompetent by a court of competent jurisdiction, the victim's guardian or the executor or administrator of the victim's estate may waive the privilege established by this Section, unless the guardian, executor; or administrator has an interest adverse to the victim.

(4) A minor victim 12 years of age or older may knowingly waive the privilege established in this Section. When a minor is, in the opinion of the Court, incapable of knowingly waiving the privilege, the parent or guardian of the minor may waive the privilege on behalf of the minor, unless the parent or guardian has been charged with a violent crime against the victim or otherwise has any interest adverse to that of the minor with respect to the waiver of the privilege.

(5) An adult victim who has a guardian of his or her person may knowingly waive the privilege established in this Section. When the victim is, in the opinion of the court, incapable of knowingly waiving the privilege, the guardian of the adult victim may waive the privilege on behalf of the victim, unless the guardian has been charged with a violent crime against the victim or otherwise has any interest adverse to the victim with respect to the privilege.

(d) Confidentiality. Except as provided in this Act, no rape crisis counselor shall disclose any confidential communication or be examined as a witness in any civil or criminal proceeding as to any confidential communication without the written consent of the victim or a representative of the victim as provided in subparagraph (c).

(e) A rape crisis counselor may disclose a confidential communication without the consent of the victim if failure to disclose is
likely to result in a clear, imminent risk of serious physical injury or death of the victim or another person. Any rape crisis counselor or rape crisis organization participating in good faith in the disclosing of records and communications under this Act shall have immunity from any liability, civil, criminal, or otherwise that might result from the action. In any proceeding, civil or criminal, arising out of a disclosure under this Section, the good faith of any rape crisis counselor or rape crisis organization who disclosed the confidential communication shall be presumed.

(f) Any rape crisis counselor who knowingly discloses any confidential communication in violation of this Act commits a Class C misdemeanor.

Section 10. Submission of evidence. Law enforcement agencies that receive sexual assault evidence in connection with the investigation of a criminal case on or after the effective date of this Act must submit evidence from the case within 10 business days of receipt to a Department of State Police forensic laboratory or a laboratory approved and designated by the Director of State Police. Sexual assault evidence received by a law
enforcement agency within 30 days prior to the effective date of this Act shall be submitted pursuant to this Section.

Section 15. Analysis of evidence. All sexual assault evidence submitted pursuant to Section 10 of this Act on or after the effective date of this Act shall be analyzed within 6 months after receipt of all necessary evidence and standards by the State Police Laboratory or other designated laboratory if sufficient staffing and resources are available.

By October 15, 2010, each Illinois law enforcement agency shall provide written notice to the Department of State Police, in a form and manner prescribed by the Department, stating the number of sexual assault cases in the custody of the law enforcement agency that have not been previously submitted to a laboratory for analysis. Within 180 days after the effective date of this Act, appropriate arrangements shall be made between the law enforcement agency and the Department of State Police, or a laboratory approved and designated by the Director of State Police, to ensure that all cases that were collected prior to the effective date of this Act and are, or were at the time of collection, the subject of a criminal investigation, are submitted to the Department of State Police, or a laboratory approved and designated by the Director of State Police. By February 15, 2011, the Department of State Police shall submit to the Governor, the Attorney General, and both houses of the General Assembly a plan for analyzing cases submitted pursuant to this Section. The plan shall include but not be limited to a timeline for completion of analysis and a summary of the inventory received, as well as requests for funding and resources necessary to meet the established timeline. Should the Department determine it is necessary to outsource the forensic testing of the cases submitted in accordance with this Section, all such cases will be exempt from the provisions of subsection (n) of Section 5-4-3 of the Unified Code of Corrections.

Section 25. Failure of a law enforcement agency to submit the sexual assault evidence. The failure of a law enforcement agency to submit the sexual assault evidence collected on or after the effective date of this Act within 10 business days after receipt shall in no way alter the authority of the law enforcement agency to submit the evidence or the authority of the Department of State Police forensic laboratory or designated laboratory to accept and analyze the evidence or specimen or to maintain or upload the results of genetic marker grouping analysis information into a local, State, or national database in accordance with established protocol.

New matter indicated by italics - deletions by strikeout
Section 30. Required certification. Each submission of sexual assault evidence submitted for analysis pursuant to this Act shall be accompanied by the following signed certification: "This evidence is being submitted by (name of investigating law enforcement agency) in connection with a prior or current criminal investigation."

Section 35. Expungement. If the Department receives written confirmation from the investigating law enforcement agency or State's Attorney's office that a DNA record that has been uploaded pursuant to this Act into a local, State or national DNA database was not connected to a criminal investigation, the DNA record shall be expunged from the DNA database and the Department shall, by rule, prescribe procedures to ensure that written confirmation is sent to the submitting law enforcement agency verifying the expungement.

Section 40. Failure to expunge. The failure to expunge a DNA record or strictly comply with the provisions of Section 35 of this Act shall not be grounds for challenging the validity of a database match or database information, and evidence based upon or derived from the DNA record may not be excluded by a court.

Section 45. Rules. The Department of State Police shall promulgate rules that prescribe the procedures for the operation of this Act, including expunging a DNA record.

410 ILCS 70/6.4) (from Ch. 111 1/2, par. 87-6.4)
Sec. 6.4. Sexual assault evidence collection program.
(a) There is created a statewide sexual assault evidence collection program to facilitate the prosecution of persons accused of sexual assault. This program shall be administered by the Illinois State Police. The program shall consist of the following: (1) distribution of sexual assault evidence collection kits which have been approved by the Illinois State Police to hospitals that request them, or arranging for such distribution by the manufacturer of the kits, (2) collection of the kits from hospitals after the kits have been used to collect evidence, (3) analysis of the collected evidence and conducting of laboratory tests, (4) maintaining the chain of custody and safekeeping of the evidence for use in a legal proceeding, and (5) the comparison of the collected evidence with the genetic marker grouping analysis information maintained by the Department of State Police under Section 5-4-3 of the Unified Code of Corrections and with the information contained in the Federal Bureau of Investigation's National...
DNA database; provided the amount and quality of genetic marker grouping results obtained from the evidence in the sexual assault case meets the requirements of both the Department of State Police and the Federal Bureau of Investigation's Combined DNA Index System (CODIS) policies. The standardized evidence collection kit for the State of Illinois shall be the Illinois State Police Sexual Assault Evidence Kit. A sexual assault evidence collection kit may not be released by a hospital without the written consent of the sexual assault survivor. In the case of a survivor who is a minor 13 years of age or older, evidence and information concerning the sexual assault may be released at the written request of the minor. If the survivor is a minor who is under 13 years of age, evidence and information concerning the alleged sexual assault may be released at the written request of the parent, guardian, investigating law enforcement officer, or Department of Children and Family Services. If the survivor is an adult who has a guardian of the person, a health care surrogate, or an agent acting under a health care power of attorney, then consent of the guardian, surrogate, or agent is not required to release evidence and information concerning the sexual assault. If the adult is unable to provide consent for the release of evidence and information and a guardian, surrogate, or agent under a health care power of attorney is unavailable or unwilling to release the information, then an investigating law enforcement officer may authorize the release. Any health care professional, including any physician, advanced practice nurse, physician assistant, or nurse, sexual assault nurse examiner, and any health care institution, including any hospital, who provides evidence or information to a law enforcement officer pursuant to a written request as specified in this Section is immune from any civil or professional liability that might arise from those actions, with the exception of willful or wanton misconduct. The immunity provision applies only if all of the requirements of this Section are met.

(a-5) (Blank). All sexual assault evidence collected using the State Police Evidence Collection Kits before January 1, 2005 (the effective date of Public Act 93-781) that have not been previously analyzed and tested by the Department of State Police shall be analyzed and tested within 2 years after receipt of all necessary evidence and standards into the State Police Laboratory if sufficient staffing and resources are available. All sexual assault evidence collected using the State Police Evidence Collection Kits on or after January 1, 2005 (the effective date of Public Act 93-781) shall be analyzed and tested by the Department of State Police within one year.
after receipt of all necessary evidence and standards into the State Police Laboratory if sufficient staffing and resources are available.

(b) The Illinois State Police shall administer a program to train hospitals and hospital personnel participating in the sexual assault evidence collection program, in the correct use and application of the sexual assault evidence collection kits. A sexual assault nurse examiner may conduct examinations using the sexual assault evidence collection kits, without the presence or participation of a physician. The Department shall cooperate with the Illinois State Police in this program as it pertains to medical aspects of the evidence collection.

(c) In this Section, "sexual assault nurse examiner" means a registered nurse who has completed a sexual assault nurse examiner (SANE) training program that meets the Forensic Sexual Assault Nurse Examiner Education Guidelines established by the International Association of Forensic Nurses.

A portion of the money paid into the Local Government Tax Fund from the 6.25% general use tax rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by any agency of this State's government shall be distributed to municipalities as provided in this paragraph. Each municipality shall receive the amount attributable to sales for which Illinois addresses for titling or registration purposes are given as being in such municipality. The remainder of the money paid into the Local Government Tax Fund from such sales shall be distributed to counties. Each county shall receive the amount attributable to sales for which Illinois addresses for titling or registration purposes are given as being located in the unincorporated area of such county.

A portion of the money paid into the Local Government Tax Fund from the 6.25% general rate (and, beginning July 1, 2000 and through December 31, 2000, the 1.25% rate on motor fuel and gasohol, and beginning on August 6, 2010 through August 15, 2010, the 1.25% rate on sales tax holiday items) on sales subject to taxation under the Retailers' Occupation Tax Act and the Service Occupation Tax Act, which occurred in municipalities, shall be distributed to each municipality, based upon the sales which occurred in that municipality. The remainder shall be distributed to each county, based upon the sales which occurred in the unincorporated area of such county.

For the purpose of determining allocation to the local government unit, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Whenever the Department determines that a refund of money paid into the Local Government Tax Fund should be made to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the Local Government Tax Fund.

Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities and counties, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

When certifying the amount of monthly disbursement to a municipality or county under this Section, the Department shall increase or decrease that amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the 6 months preceding the time a misallocation is discovered.

The provisions directing the distributions from the special fund in the State Treasury provided for in this Section shall constitute an irrevocable and continuing appropriation of all amounts as provided herein. The State Treasurer and State Comptroller are hereby authorized to make distributions as provided in this Section.

Section 10. The Use Tax Act is amended by changing Sections 3-10 and 9 and by adding Section 3-6 as follows:

(35 ILCS 105/3-6 new)
Sec. 3-6. Sales tax holiday items.
(a) The tangible personal property described in this subsection qualifies for the 1.25% reduced rate of tax for the period set forth in Section 3-10 of this Act (hereinafter referred to as the Sales Tax Holiday Period). The reduced rate on these items shall be administered under the provisions of subsection (b) of this Section. The following items are subject to the reduced rate:

(1) Clothing items that each have a retail selling price of less than $100.

"Clothing" means, unless otherwise specified in this Section, all human wearing apparel suitable for general use. "Clothing" does not include clothing accessories, protective equipment, or sport or recreational equipment. "Clothing" includes, but is not limited to: household and shop aprons; athletic supporters; bathing suits and caps; belts and suspenders; boots; coats and jackets; ear muffs; footlets; gloves and mittens for general use; hats and caps; hosiery; insoles for shoes; lab coats; neckties; overshoes; pantyhose; rainwear; rubber pants; sandals; scarves; shoes and shoelaces; slippers; sneakers; socks and stockings; steel-toed shoes; underwear; and school uniforms.

"Clothing accessories" means, but is not limited to: briefcases; cosmetics; hair notions, including, but not limited to barrettes, hair bows, and hair nets; handbags; handkerchiefs;

jewelry; non-prescription sunglasses; umbrellas; wallets; watches; and wigs and hair pieces.

"Protective equipment" means, but is not limited to: breathing masks; clean room apparel and equipment; ear and hearing protectors; face shields; hard hats; helmets; paint or dust respirators; protective gloves; safety glasses and goggles; safety belts; tool belts; and welder's gloves and masks.

"Sport or recreational equipment" means, but is not limited to: ballet and tap shoes; cleated or spiked athletic shoes; gloves, including, but not limited to, baseball, bowling, boxing, hockey, and golf gloves; goggles; hand and elbow guards; life preservers and vests; mouth guards; roller and ice skates; shin guards; shoulder pads; ski boots; waders; and wetsuits and fins.

(2) School supplies. "School supplies" means, unless otherwise specified in this Section, items used by a student in a course of study. The purchase of school supplies for use by persons other than students for use in a course of study are not eligible for the reduced rate of tax. "School supplies" do not include school art supplies; school instructional materials; cameras; film and memory cards; videocameras, tapes, and videotapes; computers; cell phones; Personal Digital Assistants (PDAs); handheld electronic schedulers; and school computer supplies.

"School supplies" includes, but is not limited to: binders; book bags; calculators; cellophane tape; blackboard chalk; compasses; composition books; crayons; erasers; expandable, pocket, plastic, and manila folders; glue, paste, and paste sticks; highlighters; index cards; index card boxes; legal pads; lunch boxes; markers; notebooks; paper, including loose leaf ruled notebook paper, copy paper, graph paper, tracing paper, manila paper, colored paper, poster board, and construction paper; pencils; pencil leads; pens; ink and ink refills for pens; pencil boxes and other school supply boxes; pencil sharpeners; protractors; rulers; scissors; and writing tablets.

"School art supply" means an item commonly used by a student in a course of study for artwork and includes only the following items: clay and glazes; acrylic, tempera, and oil paint; paintbrushes for artwork; sketch and drawing pads; and watercolors.

New matter indicated by italics - deletions by strikeout
"School instructional material" means written material commonly used by a student in a course of study as a reference and to learn the subject being taught and includes only the following items: reference books; reference maps and globes; textbooks; and workbooks.

"School computer supply" means an item commonly used by a student in a course of study in which a computer is used and applies only to the following items: flashdrives and other computer data storage devices; data storage media, such as diskettes and compact disks; boxes and cases for disk storage; external ports or drives; computer cases; computer cables; computer printers; and printer cartridges, toner, and ink.

(b) Administration. Notwithstanding any other provision of this Act, the reduced rate of tax under Section 3-10 of this Act for clothing and school supplies shall be administered by the Department under the provisions of this subsection (b).

(1) Bundled sales. Items that qualify for the reduced rate of tax that are bundled together with items that do not qualify for the reduced rate of tax and that are sold for one itemized price will be subject to the reduced rate of tax only if the value of the items that qualify for the reduced rate of tax exceeds the value of the items that do not qualify for the reduced rate of tax.

(2) Coupons and discounts. An unreimbursed discount by the seller reduces the sales price of the property so that the discounted sales price determines whether the sales price is within a sales tax holiday price threshold. A coupon or other reduction in the sales price is treated as a discount if the seller is not reimbursed for the coupon or reduction amount by a third party.

(3) Splitting of items normally sold together. Articles that are normally sold as a single unit must continue to be sold in that manner. Such articles cannot be priced separately and sold as individual items in order to obtain the reduced rate of tax. For example, a pair of shoes cannot have each shoe sold separately so that the sales price of each shoe is within a sales tax holiday price threshold.

(4) Rain checks. A rain check is a procedure that allows a customer to purchase an item at a certain price at a later time because the particular item was out of stock. Eligible property that customers purchase during the Sales Tax Holiday Period with the

New matter indicated by italics - deletions by strikeout
use of a rain check will qualify for the reduced rate of tax regardless of when the rain check was issued. Issuance of a rain check during the Sales Tax Holiday Period will not qualify eligible property for the reduced rate of tax if the property is actually purchased after the Sales Tax Holiday Period.

(5) Exchanges. The procedure for an exchange in regards to a sales tax holiday is as follows:

(A) If a customer purchases an item of eligible property during the Sales Tax Holiday Period, but later exchanges the item for a similar eligible item, even if a different size, different color, or other feature, no additional tax is due even if the exchange is made after the Sales Tax Holiday Period.

(B) If a customer purchases an item of eligible property during the Sales Tax Holiday Period, but after the Sales Tax Holiday Period has ended, the customer returns the item and receives credit on the purchase of a different item, the 6.25% general merchandise sales tax rate is due on the sale of the newly purchased item.

(C) If a customer purchases an item of eligible property before the Sales Tax Holiday Period, but during the Sales Tax Holiday Period the customer returns the item and receives credit on the purchase of a different item of eligible property, the reduced rate of tax is due on the sale of the new item if the new item is purchased during the Sales Tax Holiday Period.

(6) Delivery charges. Delivery charges, including shipping, handling and service charges, are part of the sales price of eligible property.

(7) Order date and back orders. For the purpose of a sales tax holiday, eligible property qualifies for the reduced rate of tax if: (i) the item is both delivered to and paid for by the customer during the Sales Tax Holiday Period or (ii) the customer orders and pays for the item and the seller accepts the order during the Sales Tax Holiday Period for immediate shipment, even if delivery is made after the Sales Tax Holiday Period. The seller accepts an order when the seller has taken action to fill the order for immediate shipment. Actions to fill an order include placement of an "in date" stamp on an order or assignment of an "order
number" to an order within the Sales Tax Holiday Period. An order is for immediate shipment when the customer does not request delayed shipment. An order is for immediate shipment notwithstanding that the shipment may be delayed because of a backlog of orders or because stock is currently unavailable to, or on back order by, the seller.

(8) Returns. For a 60-day period immediately after the Sales Tax Holiday Period, if a customer returns an item that would qualify for the reduced rate of tax, credit for or refund of sales tax shall be given only at the reduced rate unless the customer provides a receipt or invoice that shows tax was paid at the 6.25% general merchandise rate, or the seller has sufficient documentation to show that tax was paid at the 6.25% general merchandise rate on the specific item. This 60-day period is set solely for the purpose of designating a time period during which the customer must provide documentation that shows that the appropriate sales tax rate was paid on returned merchandise. The 60-day period is not intended to change a seller's policy on the time period during which the seller will accept returns.

(c) The Department may implement the provisions of this Section through the use of emergency rules, along with permanent rules filed concurrently with such emergency rules, in accordance with the provisions of Section 5-45 of the Illinois Administrative Procedure Act. For purposes of the Illinois Administrative Procedure Act, the adoption of rules to implement the provisions of this Section shall be deemed an emergency and necessary for the public interest, safety, and welfare.

(35 ILCS 105/3-10)

Sec. 3-10. Rate of tax. Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of either the selling price or the fair market value, if any, of the tangible personal property. In all cases where property functionally used or consumed is the same as the property that was purchased at retail, then the tax is imposed on the selling price of the property. In all cases where property functionally used or consumed is a by-product or waste product that has been refined, manufactured, or produced from property purchased at retail, then the tax is imposed on the lower of the fair market value, if any, of the specific property so used in this State or on the selling price of the property purchased at retail. For purposes of this Section "fair market value" means the price at which property would change hands between a willing buyer

and a willing seller, neither being under any compulsion to buy or sell and both having reasonable knowledge of the relevant facts. The fair market value shall be established by Illinois sales by the taxpayer of the same property as that functionally used or consumed, or if there are no such sales by the taxpayer, then comparable sales or purchases of property of like kind and character in Illinois.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

Beginning on August 6, 2010 through August 15, 2010, with respect to sales tax holiday items as defined in Section 3-6 of this Act, the tax is imposed at the rate of 1.25%.

With respect to gasohol, the tax imposed by this Act applies to (i) 70% of the proceeds of sales made on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2013, and (iii) 100% of the proceeds of sales made thereafter. If, at any time, however, the tax under this Act on sales of gasohol is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

With respect to majority blended ethanol fuel, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2013 but applies to 100% of the proceeds of sales made thereafter.

With respect to biodiesel blends with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2013 and (ii) 100% of the proceeds of sales made thereafter. If, at any time, however, the tax under this Act on sales of biodiesel blends with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to 100% biodiesel and biodiesel blends with more than 10% but no more than 99% biodiesel, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2013 but applies to 100% of the proceeds of sales made thereafter.
With respect to food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, the tax is imposed at the rate of 1%. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including but not limited to soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed bottle, can, carton, or container, regardless of size; but "soft drinks" does not include coffee, tea, non-carbonated water, infant formula, milk or milk products as defined in the Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "soft drinks" means non-alcoholic beverages that contain natural or artificial sweeteners. "Soft drinks" do not include beverages that contain milk or milk products, soy, rice or similar milk substitutes, or greater than 50% of vegetable or fruit juice by volume.

Until August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks; and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine. Notwithstanding any other provisions of this Act, beginning September 1, 2009, "food for human consumption that is to be consumed off the premises where it is sold" does not include candy. For purposes of this Section, "candy" means a preparation of sugar, honey, or other natural or artificial sweeteners in combination with chocolate, fruits, nuts or other ingredients or flavorings in the form of bars, drops, or pieces. "Candy"
does not include any preparation that contains flour or requires refrigeration.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "nonprescription medicines and drugs" does not include grooming and hygiene products. For purposes of this Section, "grooming and hygiene products" includes, but is not limited to, soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and sun tan lotions and screens, unless those products are available by prescription only, regardless of whether the products meet the definition of "over-the-counter-drugs". For the purposes of this paragraph, "over-the-counter-drug" means a drug for human use that contains a label that identifies the product as a drug as required by 21 C.F.R. § 201.66. The "over-the-counter-drug" label includes:

(A) A "Drug Facts" panel; or
(B) A statement of the "active ingredient(s)" with a list of those ingredients contained in the compound, substance or preparation.

If the property that is purchased at retail from a retailer is acquired outside Illinois and used outside Illinois before being brought to Illinois for use here and is taxable under this Act, the "selling price" on which the tax is computed shall be reduced by an amount that represents a reasonable allowance for depreciation for the period of prior out-of-state use. (Source: P.A. 96-34, eff. 7-13-09; 96-37, eff. 7-13-09; 96-38, eff. 7-13-09; revised 8-20-09.)

(35 ILCS 105/9) (from Ch. 120, par. 439.9)

Sec. 9. Except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, each retailer required or authorized to collect the tax imposed by this Act shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. A retailer need not remit that part of any tax collected by

him to the extent that he is required to remit and does remit the tax imposed by the Retailers' Occupation Tax Act, with respect to the sale of the same property.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the retailer, in collecting the tax (except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State), may collect for each tax return period, only the tax applicable to that part of the selling price actually received during such tax return period.

Except as provided in this Section, on or before the twentieth day of each calendar month, such retailer shall file a return for the preceding calendar month. Such return shall be filed on forms prescribed by the Department and shall furnish such information as the Department may reasonably require.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be

considered valid and any amount shown to be due on the return shall be deemed assessed.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12.

Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.
Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Service Use Tax Act was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985, and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987, and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same
calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter

monthly payment dates for taxpayers who file on other than a calendar monthly basis.

If any such payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown by an original monthly return, the Department shall issue to the taxpayer a credit memorandum no later than 30 days after the date of payment, which memorandum may be submitted by the taxpayer to the Department in payment of tax liability subsequently to be remitted by the taxpayer to the Department or be assigned by the taxpayer to a similar taxpayer under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department, except that if such excess payment is shown on an original monthly return and is made after December 31, 1986, no credit memorandum shall be issued, unless requested by the taxpayer. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted by the taxpayer to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% or 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and the taxpayer shall be liable for penalties and interest on such difference.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.
Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 3-55 of this Act, then that seller may report the transfer of all the aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

The transaction reporting return in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if
that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft and aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the date of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the tax that is imposed by this Act may be transmitted to the Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

New matter indicated by italics - deletions by strikeout
No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer, and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Where a retailer collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the retailer refunds the selling price thereof to the purchaser, such retailer shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the retailer may deduct the amount of the tax so refunded by him to the purchaser from any other use tax which such retailer may be required to pay or remit to the Department, as shown by such return, if the amount of the tax to be deducted was previously remitted to the Department by such retailer. If the retailer has not previously remitted the amount of such tax to the Department, he is entitled to no deduction under this Act upon refunding such tax to the purchaser.

Any retailer filing a return under this Section shall also include (for the purpose of paying tax thereon) the total tax covered by such return upon the selling price of tangible personal property purchased by him at retail from a retailer, but as to which the tax imposed by this Act was not
collected from the retailer filing such return, and such retailer shall remit
the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the
Department may prescribe and furnish a combination or joint return which
will enable retailers, who are required to file returns hereunder and also
under the Retailers' Occupation Tax Act, to furnish all the return
information required by both Acts on the one form.

Where the retailer has more than one business registered with the
Department under separate registration under this Act, such retailer may
not file each return that is due as a single return covering all such
registered businesses, but shall file separate returns for each such
registered business. Beginning January 1, 1990, each month the
Department shall pay into the State and Local Sales Tax Reform Fund, a
special fund in the State Treasury which is hereby created, the net revenue
realized for the preceding month from the 1% tax on sales of food for
human consumption which is to be consumed off the premises where it is
sold (other than alcoholic beverages, soft drinks and food which has been
prepared for immediate consumption) and prescription and
nonprescription medicines, drugs, medical appliances and insulin, urine
testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay
into the County and Mass Transit District Fund 4% of the net revenue
realized for the preceding month from the 6.25% general rate on the
selling price of tangible personal property which is purchased outside
Illinois at retail from a retailer and which is titled or registered by an
agency of this State's government.

Beginning January 1, 1990, each month the Department shall pay
into the State and Local Sales Tax Reform Fund, a special fund in the
State Treasury, 20% of the net revenue realized for the preceding month
from the 6.25% general rate on the selling price of tangible personal
property, other than tangible personal property which is purchased outside
Illinois at retail from a retailer and which is titled or registered by an
agency of this State's government.

Beginning August 1, 2000, each month the Department shall pay
into the State and Local Sales Tax Reform Fund 100% of the net revenue
realized for the preceding month from the 1.25% rate on the selling price
of motor fuel and gasohol. **Beginning September 1, 2010, each month the
Department shall pay into the State and Local Sales Tax Reform Fund**
100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of sales tax holiday items.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that is now taxed at 6.25%.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the

payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act

Metropolitan Pier and Exposition Authority Act,
but not after fiscal year 2042.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order
transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Section 15. The Retailers' Occupation Tax Act is amended by changing Sections 2-10 and 3 and by adding Section 2-8 as follows:

(35 ILCS 120/2-8 new)
Sec. 2-8. Sales tax holiday items.
(a) The tangible personal property described in this subsection qualifies for the 1.25% reduced rate of tax for the period set forth in Section 2-10 of this Act (hereinafter referred to as the Sales Tax Holiday Period). The reduced rate on these items shall be administered under the provisions of subsection (b) of this Section. The following items are subject to the reduced rate:

(1) Clothing items that each have a retail selling price of less than $100.

"Clothing" means, unless otherwise specified in this Section, all human wearing apparel suitable for general use. "Clothing" does not include clothing accessories, protective equipment, or sport or recreational equipment. "Clothing" includes, but is not limited to: household and shop aprons; athletic supporters; bathing suits and caps; belts and suspenders; boots; coats and jackets; ear muffs; footlets; gloves and mittens for general use; hats and caps; hosiery; insoles for shoes; lab coats; neckties; overshoes; pantyhose; rainwear; rubber pants; sandals; scarves; shoes and shoelaces; slippers; sneakers; socks and stockings; steel-toed shoes; underwear; and school uniforms.

New matter indicated by italics - deletions by strikeout
"Clothing accessories" means, but is not limited to: briefcases; cosmetics; hair notions, including, but not limited to barrettes, hair bows, and hair nets; handbags; handkerchiefs; jewelry; non-prescription sunglasses; umbrellas; wallets; watches; and wigs and hair pieces.

"Protective equipment" means, but is not limited to: breathing masks; clean room apparel and equipment; ear and hearing protectors; face shields; hard hats; helmets; paint or dust respirators; protective gloves; safety glasses and goggles; safety belts; tool belts; and welder's gloves and masks.

"Sport or recreational equipment" means, but is not limited to: ballet and tap shoes; cleated or spiked athletic shoes; gloves, including, but not limited to, baseball, bowling, boxing, hockey, and golf gloves; goggles; hand and elbow guards; life preservers and vests; mouth guards; roller and ice skates; shin guards; shoulder pads; ski boots; waders; and wetsuits and fins.

(2) School supplies. "School supplies" means, unless otherwise specified in this Section, items used by a student in a course of study. The purchase of school supplies for use by persons other than students for use in a course of study are not eligible for the reduced rate of tax. "School supplies" do not include school art supplies; school instructional materials; cameras; film and memory cards; videocameras, tapes, and videotapes; computers; cell phones; Personal Digital Assistants (PDAs); handheld electronic schedulers; and school computer supplies.

"School supplies" includes, but is not limited to: binders; book bags; calculators; cellophane tape; blackboard chalk; compasses; composition books; crayons; erasers; expandable, pocket, plastic, and manila folders; glue, paste, and paste sticks; highlighters; index cards; index card boxes; legal pads; lunch boxes; markers; notebooks; paper, including loose leaf ruled notebook paper, copy paper, graph paper, tracing paper, manila paper, colored paper, poster board, and construction paper; pencils; pencil leads; pens; ink and ink refills for pens; pencil boxes and other school supply boxes; pencil sharpeners; protractors; rulers; scissors; and writing tablets.

"School art supply" means an item commonly used by a student in a course of study for artwork and includes only the following items: clay and glazes; acrylic, tempera, and oil paint;

paintbrushes for artwork; sketch and drawing pads; and watercolors.

"School instructional material" means written material commonly used by a student in a course of study as a reference and to learn the subject being taught and includes only the following items: reference books; reference maps and globes; textbooks; and workbooks.

"School computer supply" means an item commonly used by a student in a course of study in which a computer is used and applies only to the following items: flashdrives and other computer data storage devices; data storage media, such as diskettes and compact disks; boxes and cases for disk storage; external ports or drives; computer cases; computer cables; computer printers; and printer cartridges, toner, and ink.

(b) Administration. Notwithstanding any other provision of this Act, the reduced rate of tax under Section 3-10 of this Act for clothing and school supplies shall be administered by the Department under the provisions of this subsection (b).

(1) Bundled sales. Items that qualify for the reduced rate of tax that are bundled together with items that do not qualify for the reduced rate of tax and that are sold for one itemized price will be subject to the reduced rate of tax only if the value of the items that qualify for the reduced rate of tax exceeds the value of the items that do not qualify for the reduced rate of tax.

(2) Coupons and discounts. An unreimbursed discount by the seller reduces the sales price of the property so that the discounted sales price determines whether the sales price is within a sales tax holiday price threshold. A coupon or other reduction in the sales price is treated as a discount if the seller is not reimbursed for the coupon or reduction amount by a third party.

(3) Splitting of items normally sold together. Articles that are normally sold as a single unit must continue to be sold in that manner. Such articles cannot be priced separately and sold as individual items in order to obtain the reduced rate of tax. For example, a pair of shoes cannot have each shoe sold separately so that the sales price of each shoe is within a sales tax holiday price threshold.

(4) Rain checks. A rain check is a procedure that allows a customer to purchase an item at a certain price at a later time

New matter indicated by italics - deletions by strikeout
because the particular item was out of stock. Eligible property that customers purchase during the Sales Tax Holiday Period with the use of a rain check will qualify for the reduced rate of tax regardless of when the rain check was issued. Issuance of a rain check during the Sales Tax Holiday Period will not qualify eligible property for the reduced rate of tax if the property is actually purchased after the Sales Tax Holiday Period.

(5) Exchanges. The procedure for an exchange in regards to a sales tax holiday is as follows:

(A) If a customer purchases an item of eligible property during the Sales Tax Holiday Period, but later exchanges the item for a similar eligible item, even if a different size, different color, or other feature, no additional tax is due even if the exchange is made after the Sales Tax Holiday Period.

(B) If a customer purchases an item of eligible property during the Sales Tax Holiday Period, but after the Sales Tax Holiday Period has ended, the customer returns the item and receives credit on the purchase of a different item, the 6.25% general merchandise sales tax rate is due on the sale of the newly purchased item.

(C) If a customer purchases an item of eligible property before the Sales Tax Holiday Period, but during the Sales Tax Holiday Period the customer returns the item and receives credit on the purchase of a different item of eligible property, the reduced rate of tax is due on the sale of the new item if the new item is purchased during the Sales Tax Holiday Period.

(6) Delivery charges. Delivery charges, including shipping, handling and service charges, are part of the sales price of eligible property.

(7) Order date and back orders. For the purpose of a sales tax holiday, eligible property qualifies for the reduced rate of tax if: (i) the item is both delivered to and paid for by the customer during the Sales Tax Holiday Period or (ii) the customer orders and pays for the item and the seller accepts the order during the Sales Tax Holiday Period for immediate shipment, even if delivery is made after the Sales Tax Holiday Period. The seller accepts an order when the seller has taken action to fill the order for

immediate shipment. Actions to fill an order include placement of an "in date" stamp on an order or assignment of an "order number" to an order within the Sales Tax Holiday Period. An order is for immediate shipment when the customer does not request delayed shipment. An order is for immediate shipment notwithstanding that the shipment may be delayed because of a backlog of orders or because stock is currently unavailable to, or on back order by, the seller.

(8) Returns. For a 60-day period immediately after the Sales Tax Holiday Period, if a customer returns an item that would qualify for the reduced rate of tax, credit for or refund of sales tax shall be given only at the reduced rate unless the customer provides a receipt or invoice that shows tax was paid at the 6.25% general merchandise rate, or the seller has sufficient documentation to show that tax was paid at the 6.25% general merchandise rate on the specific item. This 60-day period is set solely for the purpose of designating a time period during which the customer must provide documentation that shows that the appropriate sales tax rate was paid on returned merchandise. The 60-day period is not intended to change a seller's policy on the time period during which the seller will accept returns.

(c) The Department may implement the provisions of this Section through the use of emergency rules, along with permanent rules filed concurrently with such emergency rules, in accordance with the provisions of Section 5-45 of the Illinois Administrative Procedure Act. For purposes of the Illinois Administrative Procedure Act, the adoption of rules to implement the provisions of this Section shall be deemed an emergency and necessary for the public interest, safety, and welfare.

Sec. 2-10. Rate of tax. Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of gross receipts from sales of tangible personal property made in the course of business.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

Beginning on August 6, 2010 through August 15, 2010, with respect to sales tax holiday items as defined in Section 2-8 of this Act, the tax is imposed at the rate of 1.25%.
Within 14 days after the effective date of this amendatory Act of the 91st General Assembly, each retailer of motor fuel and gasohol shall cause the following notice to be posted in a prominently visible place on each retail dispensing device that is used to dispense motor fuel or gasohol in the State of Illinois: "As of July 1, 2000, the State of Illinois has eliminated the State's share of sales tax on motor fuel and gasohol through December 31, 2000. The price on this pump should reflect the elimination of the tax." The notice shall be printed in bold print on a sign that is no smaller than 4 inches by 8 inches. The sign shall be clearly visible to customers. Any retailer who fails to post or maintain a required sign through December 31, 2000 is guilty of a petty offense for which the fine shall be $500 per day per each retail premises where a violation occurs.

With respect to gasohol, as defined in the Use Tax Act, the tax imposed by this Act applies to (i) 70% of the proceeds of sales made on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2013, and (iii) 100% of the proceeds of sales made thereafter. If, at any time, however, the tax under this Act on sales of gasohol, as defined in the Use Tax Act, is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

With respect to majority blended ethanol fuel, as defined in the Use Tax Act, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2013 but applies to 100% of the proceeds of sales made thereafter.

With respect to biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2013 and (ii) 100% of the proceeds of sales made thereafter. If, at any time, however, the tax under this Act on sales of biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to 100% biodiesel, as defined in the Use Tax Act, and biodiesel blends, as defined in the Use Tax Act, with more than 10% but no more than 99% biodiesel, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before

December 31, 2013 but applies to 100% of the proceeds of sales made thereafter.

With respect to food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, the tax is imposed at the rate of 1%. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including but not limited to soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed bottle, can, carton, or container, regardless of size; but "soft drinks" does not include coffee, tea, non-carbonated water, infant formula, milk or milk products as defined in the Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "soft drinks" means non-alcoholic beverages that contain natural or artificial sweeteners. "Soft drinks" do not include beverages that contain milk or milk products, soy, rice or similar milk substitutes, or greater than 50% of vegetable or fruit juice by volume.

Until August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks; and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine. Beginning August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks, candy, and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "food for human consumption that is to be consumed off the premises where it is sold" does not include candy. For purposes of this Section, "candy" means a preparation of sugar, honey, or other natural

or artificial sweeteners in combination with chocolate, fruits, nuts or other ingredients or flavorings in the form of bars, drops, or pieces. "Candy" does not include any preparation that contains flour or requires refrigeration.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "nonprescription medicines and drugs" does not include grooming and hygiene products. For purposes of this Section, "grooming and hygiene products" includes, but is not limited to, soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and sun tan lotions and screens, unless those products are available by prescription only, regardless of whether the products meet the definition of "over-the-counter-drugs". For the purposes of this paragraph, "over-the-counter-drug" means a drug for human use that contains a label that identifies the product as a drug as required by 21 C.F.R. § 201.66. The "over-the-counter-drug" label includes:

(A) A "Drug Facts" panel; or
(B) A statement of the "active ingredient(s)" with a list of those ingredients contained in the compound, substance or preparation.

Sec. 3. Except as provided in this Section, on or before the twentieth day of each calendar month, every person engaged in the business of selling tangible personal property at retail in this State during the preceding calendar month shall file a return with the Department, stating:

1. The name of the seller;
2. His residence address and the address of his principal place of business and the address of the principal place of business (if that is a different address) from which he engages in the business of selling tangible personal property at retail in this State;
3. Total amount of receipts received by him during the preceding calendar month or quarter, as the case may be, from sales of tangible personal property, and from services furnished, by him during such preceding calendar month or quarter;

personal property, and from services furnished, by him prior to the
month or quarter for which the return is filed;
5. Deductions allowed by law;
6. Gross receipts which were received by him during the
preceding calendar month or quarter and upon the basis of which
the tax is imposed;
7. The amount of credit provided in Section 2d of this Act;
8. The amount of tax due;
9. The signature of the taxpayer; and
10. Such other reasonable information as the Department
may require.

If a taxpayer fails to sign a return within 30 days after the proper
notice and demand for signature by the Department, the return shall be
considered valid and any amount shown to be due on the return shall be
deemed assessed.

Each return shall be accompanied by the statement of prepaid tax
issued pursuant to Section 2e for which credit is claimed.

Prior to October 1, 2003, and on and after September 1, 2004 a
retailer may accept a Manufacturer's Purchase Credit certification from a
purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use
Tax Act if the purchaser provides the appropriate documentation as
required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase
Credit certification, accepted by a retailer prior to October 1, 2003 and on
and after September 1, 2004 as provided in Section 3-85 of the Use Tax
Act, may be used by that retailer to satisfy Retailers' Occupation Tax
liability in the amount claimed in the certification, not to exceed 6.25% of
the receipts subject to tax from a qualifying purchase. A Manufacturer's
Purchase Credit reported on any original or amended return filed under
this Act after October 20, 2003 for reporting periods prior to September 1,
2004 shall be disallowed. Manufacturer's Purchaser Credit reported on
annual returns due on or after January 1, 2005 will be disallowed for
periods prior to September 1, 2004. No Manufacturer's Purchase Credit
may be used after September 30, 2003 through August 31, 2004 to satisfy
any tax liability imposed under this Act, including any audit liability.

The Department may require returns to be filed on a quarterly
basis. If so required, a return for each calendar quarter shall be filed on or
before the twentieth day of the calendar month following the end of such
calendar quarter. The taxpayer shall also file a return with the Department.

for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

5. The amount of tax due; and
6. Such other reasonable information as the Department may require.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A distributor, importing distributor, or manufacturer of alcoholic liquor must personally deliver, mail, or provide by electronic means to each retailer listed on the monthly statement a report containing a
cumulative total of that distributor's, importing distributor's, or manufacturer's total sales of alcoholic liquor to that retailer no later than the 10th day of the month for the preceding month during which the transaction occurred. The distributor, importing distributor, or manufacturer shall notify the retailer as to the method by which the distributor, importing distributor, or manufacturer will provide the sales information. If the retailer is unable to receive the sales information by electronic means, the distributor, importing distributor, or manufacturer shall furnish the sales information by personal delivery or by mail. For purposes of this paragraph, the term "electronic means" includes, but is not limited to, the use of a secure Internet website, e-mail, or facsimile.

If a total amount of less than $1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to $1 if it is 50 cents or more.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds
transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under
this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of The Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal

property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of The Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the

New matter indicated by italics - deletions by strikeout
agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

New matter indicated by italics - deletions by strikeout
Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability
in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average tax liability
monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of $25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to the effective date of this amendatory Act of 1985, each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an

amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of $20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than $20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.
If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Section 13.2 of the
Metropolitan Pier and
Exposition Authority Act,
but not after fiscal year 2042.

Beginning July 20, 1993 and in each month of each fiscal year
thereafter, one-eighth of the amount requested in the certificate of the
Chairman of the Metropolitan Pier and Exposition Authority for that fiscal
year, less the amount deposited into the McCormick Place Expansion
Project Fund by the State Treasurer in the respective month under
subsection (g) of Section 13 of the Metropolitan Pier and Exposition
Authority Act, plus cumulative deficiencies in the deposits required under
this Section for previous months and years, shall be deposited into the
McCormick Place Expansion Project Fund, until the full amount requested
for the fiscal year, but not in excess of the amount specified above as
"Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the
McCormick Place Expansion Project Fund pursuant to the preceding
paragraphs or in any amendments thereto hereafter enacted, beginning July
1, 1993, the Department shall each month pay into the Illinois Tax
Increment Fund 0.27% of 80% of the net revenue realized for the
preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

New matter indicated by italics - deletions by strikeout
(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed $250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

Section 60. Borrowing money. The District has the continuing power to borrow money and issue either general obligation bonds after approval by referendum as provided in this Section or revenue bonds without referendum approval for the purpose of acquiring, constructing, reconstructing, extending, or improving terminals, terminal facilities, airfields, airports, and port facilities, and for acquiring any property and equipment useful for the construction, reconstruction, extension, improvement, or operation of its terminals, terminal facilities, airfields, airports, and port facilities, and for acquiring necessary cash working funds.

The District may pursuant to ordinance adopted by the Board and without submitting the question to referendum from time to time issue and dispose of its interest bearing revenue bonds and may also in the same manner from time to time issue and dispose of its interest bearing revenue bonds to refund any revenue bonds at maturity or pursuant to redemption provisions or at any time before maturity with the consent of the holders thereof.

If the Board desires to issue general obligation bonds, it shall adopt an ordinance specifying the amount of bonds to be issued, the purpose for which they will be issued, and the maximum rate of interest they will bear which shall not be more than that permitted in the Bond Authorization Act. The interest may be paid semiannually. The ordinance shall also specify the date of maturity which shall not be more than 20 years after the date of issuance and shall levy a tax that will be required to amortize the bonds. This ordinance shall not be effective until it has been submitted to referendum of, and approved by, the legal voters of the District. Shall general obligation bonds in the amount of (dollars) be issued by the Alexander-Cairo Port District for the (purpose) maturing in no more than (years), bearing not more than (interest)%\(^\text{1}\), and a tax levied to pay the principal and interest thereof?

Section 85. Tax levy. The Board may, after referendum approval, levy a tax for corporate purposes of the District annually at the rate approved by referendum, but which rate shall not exceed 0.05% of the value of all taxable property within the Port District as equalized or assessed by the Department of Revenue. If the Board desires to levy the tax it shall order that the question be submitted at an election to be held within the District. The Board shall certify its order and the question to the proper election officials, who shall submit the question to the voters at an election in accordance with the general election law. The Board shall cause the result of the election to be entered upon the records of the Port District. If a majority of the vote on the question is in favor of the proposition, the Board may annually thereafter levy a tax for corporate purposes at a rate not to exceed that approved by referendum but in no event to exceed 0.05% of the value of all taxable property within the District as equalized or assessed by the Department of Revenue.

The question shall be in substantially the following form:

deposit erected or made in any of the public bodies of water within the
Port District, in violation of the provisions of this Section, is a purpuse

Section 105. Resignation and removal of Board members. Members of the Board shall hold office until their respective successors have been appointed and qualified. Any member may resign from his or her office to take effect when his or her successor has been appointed and has qualified. The Governor, Mayor, or Alexander County Board Chairperson, respectively, may remove any member of the Board they have appointed in case of incompetency, neglect of duty, or malfeasance in office. They shall give the member a copy of the charges against him or her and an opportunity to be publicly heard in person or by counsel in his or her own defense upon not less than 10 days' notice. In case of failure to qualify within the time required, or of abandonment of his or her office, or in case of death, conviction of a felony, or removal from office, the office

of the member shall become vacant. Each vacancy shall be filled for the unexpired term by appointment in the same manner as in the case of the expiration of a Board member's term.

Section 110. Organization of the Board. As soon as possible after the appointment of the initial members, the Board shall organize for the transaction of business, select a chairperson and a temporary secretary from its own number, and adopt bylaws and regulations to govern its proceedings. The initial chairperson and successors shall be elected by the Board from time to time for the term of his or her office as a member of the Board.

Section 115. Meetings. Regular meetings of the Board shall be held at least once in each calendar month, the time and place of the meetings to be fixed by the Board. Four members of the Board shall constitute a quorum for the transaction of business. All action of the Board shall be by ordinance or resolution and the affirmative vote of at least 4 members shall be necessary for the adoption of any ordinance or resolution. All such ordinances and resolutions before taking effect shall be approved by the chairperson of the Board, and if he or she approves, the chairperson shall sign the same, and if the chairperson does not approve, the chairperson shall return to the Board with his or her objections in writing at the next regular meeting of the Board occurring after the passage. But in the case the chairperson fails to return any ordinance or resolution with his or her objections within the prescribed time, the chairperson shall be deemed to have approved the ordinance and it shall take effect accordingly. Upon the return of any ordinance or resolution by the chairperson with his or her objections, the vote shall be reconsidered by the Board, and if, upon reconsideration of the ordinance or resolution, it is passed by the affirmative vote of at least 5 members, it shall go into effect notwithstanding the veto of the chairperson. All ordinances, resolutions, and proceedings of the District and all documents and records in its possession shall be public records, and open to public inspection, except for documents and records that are kept or prepared by the Board for use in negotiations, legal actions, or proceedings to which the District is a party.

Section 120. Secretary and treasurer; oath and bond. The Board shall appoint a secretary and a treasurer, who need not be members of the Board, to hold office during the pleasure of the Board, and fix their duties and compensation. The secretary and treasurer shall be residents of the District. Before entering upon the duties of their respective offices, they shall take and subscribe the constitutional oath of office, and the treasurer

shall execute a bond with corporate sureties to be approved by the Board. The bond shall be payable to the District in whatever penal sum may be directed by the Board conditioned upon the faithful performance of the duties of the office and the payment of all money received by him or her according to law and the orders of the Board. The Board may, at any time, require a new bond from the treasurer in such penal sum as may then be determined by the Board. The obligation of the sureties shall not extend to any loss sustained by the insolvency, failure, or closing of any savings and loan association or national or State bank wherein the treasurer has deposited funds if the bank or savings and loan association has been approved by the Board as a depository for these funds. The oaths of office and the treasurer's bond shall be filed in the principal office of the District.

Section 125. Deposits; checks or drafts. All funds deposited by the treasurer in any bank or savings and loan association shall be placed in the name of the District and shall be withdrawn or paid out only by check or draft upon the bank or savings and loan association, signed by the treasurer and countersigned by the chairperson of the Board. Subject to prior approval of such designations by a majority of the Board, the chairperson may designate any other Board member or any officer of the District to affix the signature of the chairperson and the treasurer may designate any other officer of the District to affix the signature of the treasurer to any check or draft for payment of salaries or wages and for payment of any other obligation of not more than $2,500.

No bank or savings and loan association shall receive public funds as permitted by this Section, unless it has complied with the requirements established pursuant to Section 6 of the Public Funds Investment Act.

In case any officer whose signature appears upon any check or draft issued pursuant to this Act, ceases to hold his or her office before the delivery thereof to the payee, his or her signature nevertheless shall be valid and sufficient for all purposes with the same effect as if he or she had remained in office until delivery thereof.

Section 130. General manager. The Board may appoint a general manager who shall be a person of recognized ability and business experience to hold office during the pleasure of the Board. The general manager shall manage the properties and business of the District and the employees thereof subject to the general control of the Board, shall direct the enforcement of all ordinances, resolutions, rules, and regulations of the Board, and shall perform other duties as may be prescribed from time to time by the Board. The Board may appoint a general attorney and a chief

engineer, and shall provide for the appointment of other officers, attorneys, engineers, consultants, agents, and employees as may be necessary. It shall define their duties and may require bonds of such of them as the Board may designate. The general manager, general attorney, chief engineer, and all other officers provided for pursuant to this Section shall be exempt from taking and subscribing any oath of office and shall not be members of the Board. The compensation of the general manager, general attorney, chief engineer, and all other officers, attorneys, consultants, agents, and employees shall be fixed by the Board.

Section 135. Fines and penalties. The Board has the power to pass all ordinances and make all rules and regulations proper or necessary, and to carry into effect the powers granted to the District, with such fines or penalties as may be deemed proper. All fines and penalties shall be imposed by ordinances, which shall be published in a newspaper of general circulation in the area embraced by the District. No ordinance shall take effect until 10 days after its publication.

Section 140. Report and financial statement. Within 60 days after the end of each fiscal year, the Board shall cause to be prepared and printed a complete and detailed report and financial statement of the operations and assets and liabilities of the Port District. A reasonably sufficient number of copies of the report shall be printed for distribution to persons interested, upon request, and a copy thereof shall be filed with the Governor and the county clerk and the presiding officer of the County Board of Alexander County. A copy of the report shall be addressed to and mailed to the corporate authorities of each municipality within the area of the District.

Section 145. Investigations. The Board may investigate conditions in which it has an interest within the area of the District, the enforcement of its ordinances, rules, and regulations, and the action, conduct, and efficiency of all officers, agents, and employees of the District. In the conduct of such investigations, the Board may hold public hearings on its own motion, and shall do so on complaint of any municipality within the District. Each member of the Board shall have power to administer oaths, and the secretary, by order of the Board, shall issue subpoenas to secure the attendance and testimony of witnesses and the production of books and papers relevant to such investigations and to any hearing before the Board or any member of the Board.

Any circuit court of this State, upon application of the Board, or any member of the Board, may in its discretion compel the attendance of

witnesses, the production of books and papers, and the giving of testimony before the Board or before any member of the Board or any officers' committee appointed by the Board, by attachment for contempt or otherwise in the same manner as the production of evidence may be compelled before the court.

Section 150. Administrative Review Law. All final administrative decisions of the Board hereunder shall be subject to judicial review pursuant to the provisions of the Administrative Review Law, and all amendments and modifications thereof, and the rules adopted pursuant thereto. The term "administrative decision" is defined as in Section 3-101 of the Code of Civil Procedure.

Section 155. Records. In the conduct of any investigation authorized by Section 145, the Port District shall, at its expense, provide a stenographer to take down all testimony and shall preserve a record of the proceedings. The notice of hearing, complaint, and all other documents in the nature of pleadings and written motions filed in the proceedings, the transcript of testimony, and the orders or decision of the Board constitutes the record of the proceedings.

The Port District is not required to certify any record or file any answer or otherwise appear in any proceeding for judicial review of an administrative decision unless the party asking for review deposits with the clerk of the court the sum of 75 cents per page of the record representing the costs of such certification. Failure to make such deposit is grounds for dismissal of the action.

Section 160. Annexation. Territory which is contiguous to the District and which is not included within any other port district may be annexed to and become a part of the District in the manner provided in Section 165 or 170, whichever may be applicable.

Section 165. Petition for annexation. At least 5% of the legal voters resident within the limits of the proposed addition to the District may petition the circuit court for the county in which the major part of the District is situated, to cause the question to be submitted to the legal voters of the proposed additional territory, whether such proposed additional territory shall become a part of the District and assume a proportionate share of the general obligation bonded indebtedness, if any, of the District. The petition shall be addressed to the court and shall contain a definite description of the boundaries of the territory to be embraced in the proposed addition.
Upon filing any petition with the clerk of the court, the court shall fix a time and place for a hearing upon the subject of the petition.

Notice shall be given by the court to whom the petition is addressed, or by the circuit clerk or sheriff of the county in which the petition is made at the order and direction of the court, of the time and place of the hearing upon the subject of the petition at least 20 days before the hearing by at least one publication of the notice in any newspaper having general circulation within the area proposed to be annexed, and by mailing a copy of the notice to the mayor or president of the board of trustees of all municipalities within the District.

At the hearing, all persons residing in or owning property situated in the area proposed to be annexed to the District may appear and be heard touching upon the sufficiency of the petition. If the court finds that the petition does not comply with the requirements of the law, the court shall dismiss the petition; but if the court finds that the petition is sufficient, the court shall certify the proposition to the proper election officials, who shall submit the proposition to the voters at an election in accordance with the general election law. In addition to the requirements of the general election law, the notice of the referendum shall specify the purpose of the referendum and include a description of the area proposed to be annexed to the District.

The proposition shall be in substantially the following form:

Shall (description of the territory proposed to be annexed) join the Alexander-Cairo Port District?

The votes shall be recorded as "Yes" or "No".

The court shall cause a statement of the result of the referendum to be filed in the records of the court.

If a majority of the votes cast upon the question of annexation to the District are in favor of becoming a part of the District, the court shall then enter an order stating that the additional territory shall thenceforth be an integral part of the Alexander-Cairo Port District and subject to all of the benefits of service and responsibilities of the District. The circuit clerk shall transmit a certified copy of the order to the circuit clerk of any other county in which any of the territory affected is situated.

Section 170. Annexation of territory having no legal voters. If there is territory contiguous to the District that has no legal voters residing therein, a petition to annex the territory, signed by all the owners of record of the territory, may be filed with the circuit court for the county in which the major part of the District is situated. A time and place for a hearing on
the subject of the petition shall be fixed and notice shall be given in the manner provided in Section 165. At the hearing, any owner of land in the territory proposed to be annexed, the District, and any resident of the District may appear and be heard touching on the sufficiency of the petition. If the court finds that the petition satisfies the requirements of this Section, it shall enter an order stating that thenceforth the territory shall be an integral part of the Alexander-Cairo Port District and subject to all of the benefits of service and responsibilities, including the assumption of a proportionate share of the general obligation bonded indebtedness, if any, of the District. The circuit clerk shall transmit a certified copy of the order of the court to the circuit clerk of any other county in which the annexed territory is situated.

Section 175. Non-applicability. The provisions of the Illinois Municipal Code, the Airport Authorities Act, and the General County Airport and Landing Field Act, shall not be effective within the area of the District insofar as the provisions of those Acts conflict with the provisions of this Act or grant substantially the same powers to any municipal corporation or political subdivision as are granted to the District by this Act.

The provisions of this Act shall not be considered as impairing, altering, modifying, repealing, or superseding any of the jurisdiction or powers of the Illinois Commerce Commission or of the Department of Natural Resources under the Rivers, Lakes, and Streams Act. Nothing in this Act or done under its authority shall apply to, restrict, limit, or interfere with the use of any terminal facility or port facility owned or operated by any private person for the storage, handling, or transfer of any commodity moving in interstate commerce or the use of the land and facilities of a common carrier or other public utility and the space above such land and facilities in the business of such common carrier or other public utility, without approval of the Illinois Commerce Commission and without the payment of just compensation to any such common carrier or other public utility for damages resulting from any such restriction, limitation, or interference.

Section 180. Severability. The provisions of this Act are severable under Section 1.31 of the Statute on Statutes.

Section 185. The Jackson-Union Counties Regional Port District Act is amended by changing Section 16 as follows:

All initial appointments shall be made within 60 days after this Act takes effect. Of the 4 members initially appointed by the Governor 2 shall be appointed for initial terms expiring June 1, 1978, and 2 for an initial term expiring June 1, 1979. The terms of the members initially appointed by the respective Mayors and County Boards shall expire June 1, 1979. At the expiration of the term of any member, his or her successor shall be appointed by the Governor, the respective Mayors, or the respective County Boards in like manner and with like regard to place of residence of the appointee, as in the case of appointments for the initial terms.

After the expiration of initial terms, each successor shall hold office for the term of 3 years beginning the first day of June of the year in which the term of office commences. The Governor, each Mayor, and each County Board shall certify their respective appointments to the Secretary of State. Within 30 days after certification of his or her appointment, and before entering upon the duties of his or her office, each member of the Board shall take and subscribe the constitutional oath of office and file it in the office of the Secretary of State.

Notwithstanding any provision of this Section to the contrary, if there is a vacancy for 3 months or more in the office of a member appointed by a mayor, then the Board may request that the county board of the county in which the municipality is located appoint a person to fill the vacancy for the remainder of the term or until a successor is appointed and qualified. Before requesting that the county board fill the vacancy, the
Board must notify the mayor authorized to fill the vacancy by first class mail. The notice must be sent no later than 30 days after the vacancy occurs. Any Board member appointed under this paragraph must be a resident of the county making the appointment to fill the vacancy.

Every person appointed to the Board after the effective date of this amendatory Act of 1981 shall be a resident of the unit of local government which makes the appointment. Persons appointed by the Governor shall reside in the district.

PUBLIC ACT 96-1016
(Senate Bill No. 0935)

AN ACT concerning transportation.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Vehicle Code is amended by changing Sections 11-208.3 and 11-208.6 as follows:
(625 ILCS 5/11-208.3) (from Ch. 95 1/2, par. 11-208.3)
Sec. 11-208.3. Administrative adjudication of violations of traffic regulations concerning the standing, parking, or condition of vehicles and automated traffic law violations.

New matter indicated by italics - deletions by strikeout
(a) Any municipality may provide by ordinance for a system of administrative adjudication of vehicular standing and parking violations and vehicle compliance violations as defined in this subsection and automated traffic law violations as defined in Section 11-208.6 or 11-1201.1. The administrative system shall have as its purpose the fair and efficient enforcement of municipal regulations through the administrative adjudication of automated traffic law violations and violations of municipal ordinances regulating the standing and parking of vehicles, the condition and use of vehicle equipment, and the display of municipal wheel tax licenses within the municipality's borders. The administrative system shall only have authority to adjudicate civil offenses carrying fines not in excess of $500 or requiring the completion of a traffic education program, or both, that occur after the effective date of the ordinance adopting such a system under this Section. For purposes of this Section, "compliance violation" means a violation of a municipal regulation governing the condition or use of equipment on a vehicle or governing the display of a municipal wheel tax license.

(b) Any ordinance establishing a system of administrative adjudication under this Section shall provide for:

(1) A traffic compliance administrator authorized to adopt, distribute and process parking, compliance, and automated traffic law violation notices and other notices required by this Section, collect money paid as fines and penalties for violation of parking and compliance ordinances and automated traffic law violations, and operate an administrative adjudication system. The traffic compliance administrator also may make a certified report to the Secretary of State under Section 6-306.5.

(2) A parking, standing, compliance, or automated traffic law violation notice that shall specify the date, time, and place of violation of a parking, standing, compliance, or automated traffic law regulation; the particular regulation violated; any requirement to complete a traffic education program; the fine and any penalty that may be assessed for late payment or failure to complete a required traffic education program, or both, when so provided by ordinance; the vehicle make and state registration number; and the identification number of the person issuing the notice. With regard to automated traffic law violations, vehicle make shall be specified on the automated traffic law violation notice if the make is available and readily discernible. With regard to municipalities
with a population of 1 million or more, it shall be grounds for dismissal of a parking violation if the state registration number or vehicle make specified is incorrect. The violation notice shall state that the completion of any required traffic education program, the payment of any indicated fine, and the payment of any applicable penalty for late payment or failure to complete a required traffic education program, or both, shall operate as a final disposition of the violation. The notice also shall contain information as to the availability of a hearing in which the violation may be contested on its merits. The violation notice shall specify the time and manner in which a hearing may be had.

(3) Service of the parking, standing, or compliance violation notice by affixing the original or a facsimile of the notice to an unlawfully parked vehicle or by handing the notice to the operator of a vehicle if he or she is present and service of an automated traffic law violation notice by mail to the address of the registered owner of the cited vehicle as recorded with the Secretary of State within 30 days after the Secretary of State notifies the municipality or county of the identity of the owner of the vehicle, but in no event later than 90 days after the violation. A person authorized by ordinance to issue and serve parking, standing, and compliance violation notices shall certify as to the correctness of the facts entered on the violation notice by signing his or her name to the notice at the time of service or in the case of a notice produced by a computerized device, by signing a single certificate to be kept by the traffic compliance administrator attesting to the correctness of all notices produced by the device while it was under his or her control. In the case of an automated traffic law violation, the ordinance shall require a determination by a technician employed or contracted by the municipality or county that, based on inspection of recorded images, the motor vehicle was being operated in violation of Section 11-208.6 or 11-1201.1 or a local ordinance. If the technician determines that the vehicle entered the intersection as part of a funeral procession or in order to yield the right-of-way to an emergency vehicle, a citation shall not be issued. In municipalities with a population of less than 1,000,000 inhabitants and counties with a population of less than 3,000,000 inhabitants, the automated traffic law ordinance shall require that all determinations by a technician that a motor vehicle was being

New matter indicated by italics - deletions by strikeout
operated in violation of Section 11-208.6 or 11-1201.1 or a local ordinance must be reviewed and approved by a law enforcement officer or retired law enforcement officer of the municipality or county issuing the violation. In municipalities with a population of 1,000,000 or more inhabitants and counties with a population of 3,000,000 or more inhabitants, the automated traffic law ordinance shall require that all determinations by a technician that a motor vehicle was being operated in violation of Section 11-208.6 or 11-1201.1 or a local ordinance must be reviewed and approved by a law enforcement officer or retired law enforcement officer of the municipality or county issuing the violation or by an additional fully-trained reviewing technician who is not employed by the contractor who employs the technician who made the initial determination. As used in this paragraph, "fully-trained reviewing technician" means a person who has received at least 40 hours of supervised training in subjects which shall include image inspection and interpretation, the elements necessary to prove a violation, license plate identification, and traffic safety and management. In all municipalities and counties, the automated traffic law ordinance shall require that no additional fee shall be charged to the alleged violator for exercising his or her right to an administrative hearing, and persons shall be given at least 25 days following an administrative hearing to pay any civil penalty imposed by a finding that Section 11-208.6 or 11-1201.1 or a similar local ordinance has been violated. The original or a facsimile of the violation notice or, in the case of a notice produced by a computerized device, a printed record generated by the device showing the facts entered on the notice, shall be retained by the traffic compliance administrator, and shall be a record kept in the ordinary course of business. A parking, standing, compliance, or automated traffic law violation notice issued, signed and served in accordance with this Section, a copy of the notice, or the computer generated record shall be prima facie correct and shall be prima facie evidence of the correctness of the facts shown on the notice. The notice, copy, or computer generated record shall be admissible in any subsequent administrative or legal proceedings.

(4) An opportunity for a hearing for the registered owner of the vehicle cited in the parking, standing, compliance, or automated traffic law violation notice in which the owner may
contest the merits of the alleged violation, and during which formal or technical rules of evidence shall not apply; provided, however, that under Section 11-1306 of this Code the lessee of a vehicle cited in the violation notice likewise shall be provided an opportunity for a hearing of the same kind afforded the registered owner. The hearings shall be recorded, and the person conducting the hearing on behalf of the traffic compliance administrator shall be empowered to administer oaths and to secure by subpoena both the attendance and testimony of witnesses and the production of relevant books and papers. Persons appearing at a hearing under this Section may be represented by counsel at their expense. The ordinance may also provide for internal administrative review following the decision of the hearing officer.

(5) Service of additional notices, sent by first class United States mail, postage prepaid, to the address of the registered owner of the cited vehicle as recorded with the Secretary of State or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database, or, under Section 11-1306 of this Code, to the lessee of the cited vehicle at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database. The service shall be deemed complete as of the date of deposit in the United States mail. The notices shall be in the following sequence and shall include but not be limited to the information specified herein:

(i) A second notice of parking, standing, or compliance violation. This notice shall specify the date and location of the violation cited in the parking, standing, or compliance violation notice, the particular regulation violated, the vehicle make and state registration number, any requirement to complete a traffic education program, the fine and any penalty that may be assessed for late payment or failure to complete a traffic education program, or both, when so provided by ordinance, the availability of a hearing in which the violation may be contested on its merits, and the time and manner in which the hearing may be had. The notice of violation shall also state that failure to complete a required traffic education program, to pay the
indicated fine and any applicable penalty, or to appear at a hearing on the merits in the time and manner specified, will result in a final determination of violation liability for the cited violation in the amount of the fine or penalty indicated, and that, upon the occurrence of a final determination of violation liability for the failure, and the exhaustion of, or failure to exhaust, available administrative or judicial procedures for review, any incomplete traffic education program or any unpaid fine or penalty, or both, will constitute a debt due and owing the municipality.

(ii) A notice of final determination of parking, standing, compliance, or automated traffic law violation liability. This notice shall be sent following a final determination of parking, standing, compliance, or automated traffic law violation liability and the conclusion of judicial review procedures taken under this Section. The notice shall state that the incomplete traffic education program or the unpaid fine or penalty, or both, is a debt due and owing the municipality. The notice shall contain warnings that failure to complete any required traffic education program or to pay any fine or penalty due and owing the municipality, or both, within the time specified may result in the municipality's filing of a petition in the Circuit Court to have the incomplete traffic education program or unpaid fine or penalty, or both, rendered a judgment as provided by this Section, or may result in suspension of the person's drivers license for failure to complete a traffic education program or to pay fines or penalties, or both, for 10 or more parking violations under Section 6-306.5 or 5 or more automated traffic law violations under Section 11-208.6.

(6) A notice of impending drivers license suspension. This notice shall be sent to the person liable for failure to complete a required traffic education program or to pay any fine or penalty that remains due and owing, or both, on 10 or more parking violations or 5 or more unpaid automated traffic law violations. The notice shall state that failure to complete a required traffic education program or to pay the fine or penalty owing, or both, within 45
days of the notice's date will result in the municipality notifying the Secretary of State that the person is eligible for initiation of suspension proceedings under Section 6-306.5 of this Code. The notice shall also state that the person may obtain a photostatic copy of an original ticket imposing a fine or penalty by sending a self addressed, stamped envelope to the municipality along with a request for the photostatic copy. The notice of impending drivers license suspension shall be sent by first class United States mail, postage prepaid, to the address recorded with the Secretary of State or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database.

(7) Final determinations of violation liability. A final determination of violation liability shall occur following failure to complete the required traffic education program or to pay the fine or penalty, or both, after a hearing officer's determination of violation liability and the exhaustion of or failure to exhaust any administrative review procedures provided by ordinance. Where a person fails to appear at a hearing to contest the alleged violation in the time and manner specified in a prior mailed notice, the hearing officer's determination of violation liability shall become final: (A) upon denial of a timely petition to set aside that determination, or (B) upon expiration of the period for filing the petition without a filing having been made.

(8) A petition to set aside a determination of parking, standing, compliance, or automated traffic law violation liability that may be filed by a person owing an unpaid fine or penalty. A petition to set aside a determination of liability may also be filed by a person required to complete a traffic education program. The petition shall be filed with and ruled upon by the traffic compliance administrator in the manner and within the time specified by ordinance. The grounds for the petition may be limited to: (A) the person not having been the owner or lessee of the cited vehicle on the date the violation notice was issued, (B) the person having already completed the required traffic education program or paid the fine or penalty, or both, for the violation in question, and (C) excusable failure to appear at or request a new date for a hearing. With regard to municipalities with a population of 1 million or more, it shall be grounds for dismissal of a parking violation if the
state registration number, or vehicle make if specified, is incorrect. After the determination of parking, standing, compliance, or automated traffic law violation liability has been set aside upon a showing of just cause, the registered owner shall be provided with a hearing on the merits for that violation.

(9) Procedures for non-residents. Procedures by which persons who are not residents of the municipality may contest the merits of the alleged violation without attending a hearing.

(10) A schedule of civil fines for violations of vehicular standing, parking, compliance, or automated traffic law regulations enacted by ordinance pursuant to this Section, and a schedule of penalties for late payment of the fines or failure to complete required traffic education programs, provided, however, that the total amount of the fine and penalty for any one violation shall not exceed $250, except as provided in subsection (c) of Section 11-1301.3 of this Code.

(11) Other provisions as are necessary and proper to carry into effect the powers granted and purposes stated in this Section.

(c) Any municipality establishing vehicular standing, parking, compliance, or automated traffic law regulations under this Section may also provide by ordinance for a program of vehicle immobilization for the purpose of facilitating enforcement of those regulations. The program of vehicle immobilization shall provide for immobilizing any eligible vehicle upon the public way by presence of a restraint in a manner to prevent operation of the vehicle. Any ordinance establishing a program of vehicle immobilization under this Section shall provide:

(1) Criteria for the designation of vehicles eligible for immobilization. A vehicle shall be eligible for immobilization when the registered owner of the vehicle has accumulated the number of incomplete traffic education programs or unpaid final determinations of parking, standing, compliance, or automated traffic law violation liability, or both, as determined by ordinance.

(2) A notice of impending vehicle immobilization and a right to a hearing to challenge the validity of the notice by disproving liability for the incomplete traffic education programs or unpaid final determinations of parking, standing, compliance, or automated traffic law violation liability, or both, listed on the notice.
(3) The right to a prompt hearing after a vehicle has been immobilized or subsequently towed without the completion of the required traffic education program or payment of the outstanding fines and penalties on parking, standing, compliance, or automated traffic law violations, or both, for which final determinations have been issued. An order issued after the hearing is a final administrative decision within the meaning of Section 3-101 of the Code of Civil Procedure.

(4) A post immobilization and post-towing notice advising the registered owner of the vehicle of the right to a hearing to challenge the validity of the impoundment.

(d) Judicial review of final determinations of parking, standing, compliance, or automated traffic law violations and final administrative decisions issued after hearings regarding vehicle immobilization and impoundment made under this Section shall be subject to the provisions of the Administrative Review Law.

(e) Any fine, penalty, incomplete traffic education program, or part of any fine or any penalty remaining unpaid after the exhaustion of, or the failure to exhaust, administrative remedies created under this Section and the conclusion of any judicial review procedures shall be a debt due and owing the municipality and, as such, may be collected in accordance with applicable law. Completion of any required traffic education program and payment in full of any fine or penalty resulting from a standing, parking, compliance, or automated traffic law violation shall constitute a final disposition of that violation.

(f) After the expiration of the period within which judicial review may be sought for a final determination of parking, standing, compliance, or automated traffic law violation, the municipality may commence a proceeding in the Circuit Court for purposes of obtaining a judgment on the final determination of violation. Nothing in this Section shall prevent a municipality from consolidating multiple final determinations of parking, standing, compliance, or automated traffic law violations against a person in a proceeding. Upon commencement of the action, the municipality shall file a certified copy or record of the final determination of parking, standing, compliance, or automated traffic law violation, which shall be accompanied by a certification that recites facts sufficient to show that the final determination of violation was issued in accordance with this Section and the applicable municipal ordinance. Service of the summons and a copy of the petition may be by any method provided by Section 2-203 of...
the Code of Civil Procedure or by certified mail, return receipt requested, provided that the total amount of fines and penalties for final determinations of parking, standing, compliance, or automated traffic law violations does not exceed $2500. If the court is satisfied that the final determination of parking, standing, compliance, or automated traffic law violation was entered in accordance with the requirements of this Section and the applicable municipal ordinance, and that the registered owner or the lessee, as the case may be, had an opportunity for an administrative hearing and for judicial review as provided in this Section, the court shall render judgment in favor of the municipality and against the registered owner or the lessee for the amount indicated in the final determination of parking, standing, compliance, or automated traffic law violation, plus costs. The judgment shall have the same effect and may be enforced in the same manner as other judgments for the recovery of money.

(g) The fee for participating in a traffic education program under this Section shall not exceed $25.

A low-income individual required to complete a traffic education program under this Section who provides proof of eligibility for the federal earned income tax credit under Section 32 of the Internal Revenue Code or the Illinois earned income tax credit under Section 212 of the Illinois Income Tax Act shall not be required to pay any fee for participating in a required traffic education program.

(625 ILCS 5/11-208.6)
Sec. 11-208.6. Automated traffic law enforcement system.

(a) As used in this Section, "automated traffic law enforcement system" means a device with one or more motor vehicle sensors working in conjunction with a red light signal to produce recorded images of motor vehicles entering an intersection against a red signal indication in violation of Section 11-306 of this Code or a similar provision of a local ordinance.

An automated traffic law enforcement system is a system, in a municipality or county operated by a governmental agency, that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance and is designed to obtain a clear recorded image of the vehicle and the vehicle's license plate. The recorded image must also display the time, date, and location of the violation.

(b) As used in this Section, "recorded images" means images recorded by an automated traffic law enforcement system on:
(1) 2 or more photographs;
(2) 2 or more microphotographs;
(3) 2 or more electronic images; or
(4) a video recording showing the motor vehicle and, on at least one image or portion of the recording, clearly identifying the registration plate number of the motor vehicle.

(b-5) A municipality or county that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance must make the recorded images of a violation accessible to the alleged violator by providing the alleged violator with a website address, accessible through the Internet.

(c) A county or municipality, including a home rule county or municipality, may not use an automated traffic law enforcement system to provide recorded images of a motor vehicle for the purpose of recording its speed. The regulation of the use of automated traffic law enforcement systems to record vehicle speeds is an exclusive power and function of the State. This subsection (c) is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

(c-5) A county or municipality, including a home rule county or municipality, may not use an automated traffic law enforcement system to issue violations in instances where the motor vehicle comes to a complete stop and does not enter the intersection, as defined by Section 1-132 of this Code, during the cycle of the red signal indication unless one or more pedestrians or bicyclists are present, even if the motor vehicle stops at a point past a stop line or crosswalk where a driver is required to stop, as specified in subsection (c) of Section 11-306 of this Code or a similar provision of a local ordinance.

(d) For each violation of a provision of this Code or a local ordinance recorded by an automatic traffic law enforcement system, the county or municipality having jurisdiction shall issue a written notice of the violation to the registered owner of the vehicle as the alleged violator. The notice shall be delivered to the registered owner of the vehicle, by mail, within 30 days after the Secretary of State notifies the municipality or county of the identity of the owner of the vehicle, but in no event later than 90 days after the violation.

The notice shall include:

(1) the name and address of the registered owner of the vehicle;

New matter indicated by italics - deletions by strikeout
2) the registration number of the motor vehicle involved in the violation;
   (3) the violation charged;
   (4) the location where the violation occurred;
   (5) the date and time of the violation;
   (6) a copy of the recorded images;
   (7) the amount of the civil penalty imposed and the requirements of any traffic education program imposed and the date by which the civil penalty should be paid and the traffic education program should be completed;
   (8) a statement that recorded images are evidence of a violation of a red light signal;
   (9) a warning that failure to pay the civil penalty, to complete a required traffic education program, or to contest liability in a timely manner is an admission of liability and may result in a suspension of the driving privileges of the registered owner of the vehicle; and
   (10) a statement that the person may elect to proceed by:
       (A) paying the fine, completing a required traffic education program, or both; or
       (B) challenging the charge in court, by mail, or by administrative hearing; and
   (11) a website address, accessible through the Internet, where the person may view the recorded images of the violation.

(e) If a person charged with a traffic violation, as a result of an automated traffic law enforcement system, does not pay the fine or complete a required traffic education program, or both, or successfully contest the civil penalty resulting from that violation, the Secretary of State shall suspend the driving privileges of the registered owner of the vehicle under Section 6-306.5 of this Code for failing to complete a required traffic education program or to pay any fine or penalty due and owing, or both, as a result of 5 violations of the automated traffic law enforcement system.

(f) Based on inspection of recorded images produced by an automated traffic law enforcement system, a notice alleging that the violation occurred shall be evidence of the facts contained in the notice and admissible in any proceeding alleging a violation under this Section.

(g) Recorded images made by an automatic traffic law enforcement system are confidential and shall be made available only to the alleged
violator and governmental and law enforcement agencies for purposes of adjudicating a violation of this Section, for statistical purposes, or for other governmental purposes. Any recorded image evidencing a violation of this Section, however, may be admissible in any proceeding resulting from the issuance of the citation.

(h) The court or hearing officer may consider in defense of a violation:

(1) that the motor vehicle or registration plates of the motor vehicle were stolen before the violation occurred and not under the control of or in the possession of the owner at the time of the violation;

(2) that the driver of the vehicle passed through the intersection when the light was red either (i) in order to yield the right-of-way to an emergency vehicle or (ii) as part of a funeral procession; and

(3) any other evidence or issues provided by municipal or county ordinance.

(i) To demonstrate that the motor vehicle or the registration plates were stolen before the violation occurred and were not under the control or possession of the owner at the time of the violation, the owner must submit proof that a report concerning the stolen motor vehicle or registration plates was filed with a law enforcement agency in a timely manner.

(j) Unless the driver of the motor vehicle received a Uniform Traffic Citation from a police officer at the time of the violation, the motor vehicle owner is subject to a civil penalty not exceeding $100 or the completion of a traffic education program, or both, plus an additional penalty of not more than $100 for failure to pay the original penalty or to complete a required traffic education program, or both, in a timely manner, if the motor vehicle is recorded by an automated traffic law enforcement system. A violation for which a civil penalty is imposed under this Section is not a violation of a traffic regulation governing the movement of vehicles and may not be recorded on the driving record of the owner of the vehicle.

(j-3) A registered owner who is a holder of a valid commercial driver's license is not required to complete a traffic education program.

(j-5) For purposes of the required traffic education program only, a registered owner may submit an affidavit to the court or hearing officer swearing that at the time of the alleged violation, the vehicle was in the

custody and control of another person. The affidavit must identify the person in custody and control of the vehicle, including the person's name and current address. The person in custody and control of the vehicle at the time of the violation is required to complete the required traffic education program. If the person in custody and control of the vehicle at the time of the violation completes the required traffic education program, the registered owner of the vehicle is not required to complete a traffic education program.

(k) An intersection equipped with an automated traffic law enforcement system must be posted with a sign visible to approaching traffic indicating that the intersection is being monitored by an automated traffic law enforcement system.

(k-3) A municipality or county that has one or more intersections equipped with an automated traffic law enforcement system must provide notice to drivers by posting the locations of automated traffic law systems on the municipality or county website.

(k-5) An intersection equipped with an automated traffic law enforcement system must have a yellow change interval that conforms with the Illinois Manual on Uniform Traffic Control Devices (IMUTCD) published by the Illinois Department of Transportation.

(k-7) A municipality or county operating an automated traffic law enforcement system shall conduct a statistical analysis to assess the safety impact of each automated traffic law enforcement system at an intersection following installation of the system. The statistical analysis shall be based upon the best available crash, traffic, and other data, and shall cover a period of time before and after installation of the system sufficient to provide a statistically valid comparison of safety impact. The statistical analysis shall be consistent with professional judgment and acceptable industry practice. The statistical analysis also shall be consistent with the data required for valid comparisons of before and after conditions and shall be conducted within a reasonable period following the installation of the automated traffic law enforcement system. The statistical analysis required by this subsection (k-7) shall be made available to the public and shall be published on the website of the municipality or county. If the statistical analysis for the 36 month period following installation of the system indicates that there has been an increase in the rate of accidents at the approach to the intersection monitored by the system, the municipality or county shall undertake additional studies to determine the cause and severity of the accidents,
and may take any action that it determines is necessary or appropriate to reduce the number or severity of the accidents at that intersection.

(l) The compensation paid for an automated traffic law enforcement system must be based on the value of the equipment or the services provided and may not be based on the number of traffic citations issued or the revenue generated by the system.

(m) This Section applies only to the counties of Cook, DuPage, Kane, Lake, Madison, McHenry, St. Clair, and Will and to municipalities located within those counties.

(n) The fee for participating in a traffic education program under this Section shall not exceed $25.

A low-income individual required to complete a traffic education program under this Section who provides proof of eligibility for the federal earned income tax credit under Section 32 of the Internal Revenue Code or the Illinois earned income tax credit under Section 212 of the Illinois Income Tax Act shall not be required to pay any fee for participating in a required traffic education program.

(o) A municipality or county shall make a certified report to the Secretary of State pursuant to Section 6-306.5 of this Code whenever a registered owner of a vehicle has failed to pay any fine or penalty due and owing as a result of 5 offenses for automated traffic law violations.

2. Order of Names, Directions to Voters, etc. Beginning not less than one inch below designating words, the name of each office to be filled shall be printed in capital letters. Such names may be printed on the ballot either in a single column or in 2 or more columns and in the following order, to-wit:

President of the United States, State offices, congressional offices, delegates and alternate delegates to be elected from the State at large to National nominating conventions, delegates and alternate delegates to be elected from congressional districts to National nominating conventions, member or members of the State central committee, trustees of sanitary districts, county offices, judicial officers, city, village and incorporated town offices, town offices, or of such of the said offices as candidates are to be nominated for at such primary, and precinct, township or ward committeemen. If two or more columns are used, the foregoing offices to and including member of the State central committee shall be listed in the left-hand column and Senatorial offices, as defined in Section 8-3, shall be the first offices listed in the second column.

Below the name of each office shall be printed in small letters the directions to voters: "Vote for one"; "Vote for not more than two"; "Vote for not more than three". If no candidate or candidates file for an office

New matter indicated by italics - deletions by strikeout
and if no person or persons file a declaration as a write-in candidate for that office, then below the title of that office the election authority instead shall print "No Candidate".

Next to the name of each candidate for delegate or alternate delegate to a national nominating convention shall appear either (a) the name of the candidate's preference for President of the United States or the word "uncommitted" or (b) no official designation, depending upon the action taken by the State central committee pursuant to Section 7-10.3 of this Act.

Below the name of each office shall be printed in capital letters the names of all candidates, arranged in the order in which their petitions for nominations were filed, except as otherwise provided in Sections 7-14 and 7-17 of this Article. Opposite and in front of the name of each candidate shall be printed a square and all squares upon the primary ballot shall be of uniform size. The names of each team of candidates for Governor and Lieutenant Governor, however, shall be printed within a bracket, and a single square shall be printed in front of the bracket. Spaces between the names of candidates under each office shall be uniform and sufficient spaces shall separate the names of candidates for one office from the names of candidates for another office, to avoid confusion and to permit the writing in of the names of other candidates.

Where voting machines or electronic voting systems are used, the provisions of this Section may be modified as required or authorized by Article 24 or Article 24A, whichever is applicable.

(10 ILCS 5/7-46) (from Ch. 46, par. 7-46)

Sec. 7-46. On receiving from the primary judges a primary ballot of his party, the primary elector shall forthwith and without leaving the polling place, retire alone to one of the voting booths and prepare such primary ballot by marking a cross (X) in the square in front of and opposite the name of each candidate of his choice for each office to be filled, and for delegates and alternate delegates to national nominating conventions, and for committeemen, if committeemen are being elected at such primary. A cross (X) in the square in front of the bracket enclosing the names of a team of candidates for Governor and Lieutenant Governor counts as one vote for each of those candidates.

Any primary elector may, instead of voting for any candidate for nomination or for committeeman or for delegate or alternate delegate to national nominating conventions, whose name is printed on the primary
ballot, write in the name of any other person affiliated with such party as a candidate for the nomination for any office, or for committeeman, or for delegates or alternate delegates to national nominating conventions, and indicate his choice of such candidate or committeeman or delegate or alternate delegate, by placing to the left of and opposite the name thus written a square and placing in the square a cross (X). A primary elector, however, may not by this method vote separately for Governor and Lieutenant Governor but must write in the names of candidates of his or her choice for both offices and indicate his or her choice of those names by placing a single square to the left of those names and placing in that square a cross (X).

Where voting machines or electronic voting systems are used, the provisions of this section may be modified as required or authorized by Article 24 or Article 24A, whichever is applicable.

(10 ILCS 5/7-52) (from Ch. 46, par. 7-52)

Sec. 7-52. Immediately upon closing the polls, the primary judges shall proceed to canvass the votes in the manner following:

(1) They shall separate and count the ballots of each political party.
(2) They shall then proceed to ascertain the number of names entered on the applications for ballot under each party affiliation.
(3) If the primary ballots of any political party exceed the number of applications for ballot by voters of such political party, the primary ballots of such political party shall be folded and replaced in the ballot box, the box closed, well shaken and again opened and one of the primary judges, who shall be blindfolded, shall draw out so many of the primary ballots of such political party as shall be equal to such excess. Such excess ballots shall be marked "Excess-Not Counted" and signed by a majority of the judges and shall be placed in the "After 6:00 p.m. Defective Ballots Envelope". The number of excess ballots shall be noted in the remarks section of the Certificate of Results. "Excess" ballots shall not be counted in the total of "defective" ballots;
(4) The primary judges shall then proceed to count the primary ballots of each political party separately; and as the primary judges shall open and read the primary ballots, 3 of the judges shall carefully and correctly mark upon separate tally sheets the votes which each candidate of the party whose name is written or printed on the primary ballot has received, in a separate column for that purpose, with the name of such candidate, the name of his political party and the name of the office for

which he is a candidate for nomination at the head of such column. *The same column, however, shall be used for both names of the same team of candidates for Governor and Lieutenant Governor.*

Where voting machines or electronic voting systems are used, the provisions of this section may be modified as required or authorized by Article 24 or Article 24A, whichever is applicable.

Sec. 7-53. As soon as the ballots of a political party shall have been read and the votes of the political party counted, as provided in the last above section, the 3 judges in charge of the tally sheets shall foot up the tally sheets so as to show the total number of votes cast for each candidate of the political party and for each candidate for State Central committeeman and precinct committeeman, township committeeman or ward committeeman, and delegate and alternate delegate to National nominating conventions, and certify the same to be correct. Thereupon, the primary judges shall set down in a certificate of results on the tally sheet, under the name of the political party, the name of each candidate voted for upon the primary ballot, written at full length, the name of the office for which he is a candidate for nomination or for committeeman, or delegate or alternate delegate to National nominating conventions, the total number of votes which the candidate received, and they shall also set down the total number of ballots voted by the primary electors of the political party in the precinct. The certificate of results shall be made substantially in the following form:

```

Sec. 24B-6. Ballot Information; Arrangement; Electronic Precinct Tabulation Optical Scan Technology Voting System; Absentee Ballots; Spoiled Ballots. The ballot information, shall, as far as practicable, be in the order of arrangement provided for paper ballots, except that the information may be in vertical or horizontal rows, or on a number of separate pages or displays on the marking device. Ballots for all questions or propositions to be voted on should be provided in a similar manner and must be arranged on the ballot sheet or marking device in the places provided for such purposes. Ballots shall be of white paper unless provided otherwise by administrative rule of the State Board of Elections or otherwise specified.

All propositions, including but not limited to propositions calling for a constitutional convention, constitutional amendment, judicial retention, and public measures to be voted upon shall be placed on separate portions of the ballot sheet or marking device by utilizing borders or grey screens. Candidates shall be listed on a separate portion of the ballot sheet or marking device by utilizing borders or grey screens. Whenever a person has submitted a declaration of intent to be a write-in...
candidate as required in Sections 17-16.1 and 18-9.1, a line or lines on which the voter may select a write-in candidate shall be printed below the name of the last candidate nominated for such office. Such line or lines shall be proximate to an area provided for marking votes for the write-in candidate or candidates. The number of write-in lines for an office shall equal the number of persons who have filed declarations of intent to be write-in candidates plus an additional line or lines for write-in candidates who qualify to file declarations to be write-in candidates under Sections 17-16.1 and 18-9.1 when the certification of ballot contains the words "OBJECTION PENDING" next to the name of that candidate, up to the number of candidates for which a voter may vote. In the case of write-in lines for the offices of Governor and Lieutenant Governor, 2 lines shall be printed within a bracket and a single square shall be printed in front of the bracket. More than one amendment to the constitution may be placed on the same portion of the ballot sheet or marking device. Constitutional convention or constitutional amendment propositions shall be printed or displayed on a separate portion of the ballot sheet or marking device and designated by borders or grey screens, unless otherwise provided by administrative rule of the State Board of Elections. More than one public measure or proposition may be placed on the same portion of the ballot sheet or marking device. More than one proposition for retention of judges in office may be placed on the same portion of the ballot sheet or marking device. Names of candidates shall be printed in black. The party affiliation of each candidate or the word "independent" shall appear near or under the candidate's name, and the names of candidates for the same office shall be listed vertically under the title of that office, on separate pages of the marking device, or as otherwise approved by the State Board of Elections. If no candidate or candidates file for an office and if no person or persons file a declaration as a write-in candidate for that office, then below the title of that office the election authority instead shall print "No Candidate". In the case of nonpartisan elections for officers of political subdivisions, unless the statute or an ordinance adopted pursuant to Article VII of the Constitution requires otherwise, the listing of nonpartisan candidates shall not include any party or "independent" designation. Judicial retention questions and ballot questions for all public measures and other propositions shall be designated by borders or grey screens on the ballot or marking device. In primary elections, a separate ballot, or displays on the marking device, shall be used for each political party holding a primary, with the ballot or marking device arranged to include names of the
candidates of the party and public measures and other propositions to be voted upon on the day of the primary election.

If the ballot includes both candidates for office and public measures or propositions to be voted on, the election official in charge of the election shall divide the ballot or displays on the marking device in sections for "Candidates" and "Propositions", or separate ballots may be used.

Absentee ballots may consist of envelopes, paper ballots or ballot sheets voted in person in the office of the election official in charge of the election or voted by mail. Where a Precinct Tabulation Optical Scan Technology ballot is used for voting by mail it must be accompanied by voter instructions.

Any voter who spoils his or her ballot, makes an error, or has a ballot returned by the automatic tabulating equipment may return the ballot to the judges of election and get another ballot.

Passed in the General Assembly April 27, 2010.

Approved July 12, 2010.

Effective January 1, 2011.

PUBLIC ACT 96-1019

( Senate Bill No. 2551 )

AN ACT concerning criminal law.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Public Corruption Profit Forfeiture Act.

Section 5. Legislative declaration. Public corruption is a far-reaching, continuing and extremely profitable criminal enterprise, which diverts significant amounts of public money for illicit purposes. Public corruption-related schemes persist despite the threat of prosecution and the actual prosecution and imprisonment of individual participants because existing sanctions do not effectively reach the money and other assets generated by such schemes. It is therefore necessary to supplement existing sanctions by mandating forfeiture of money and other assets generated by public corruption-related activities. Forfeiture diminishes the financial incentives which encourage and sustain public corruption, restores public moneys which have been diverted by public corruption, and

secures for the People of the State of Illinois assets to be used for enforcement of laws governing public corruption.

Section 10. Penalties.

(a) A person who is convicted of a violation of any of the following Sections, subsections, and clauses of the Criminal Code of 1961:

(1) clause (a)(6) of Section 12-6 (intimidation by a public official),

(2) Section 33-1 (bribery), or

(3) subsection (a) of Section 33E-7 (kickbacks), shall forfeit to the State of Illinois:

(A) any profits or proceeds and any property or property interest he or she has acquired or maintained in violation of any of the offenses listed in clauses (1) through (3) of this subsection (a) that the court determines, after a forfeiture hearing under subsection (b) of this Section, to have been acquired or maintained as a result of violating any of the offenses listed in clauses (1) through (3) of this subsection (a); and

(B) any interest in, security of, claim against, or property or contractual right of any kind affording a source of influence over, any enterprise which he or she has established, operated, controlled, conducted, or participated in the conduct of, in violation of any of the offenses listed in clauses (1) through (3) of this subsection (a) that the court determines, after a forfeiture hearing under subsection (b) of this Section, to have been acquired or maintained as a result of violating any of the offenses listed in clauses (1) through (3) of this subsection (a) or used to facilitate a violation of one of the offenses listed in clauses (1) through (3) of this subsection (a).

(b) The court shall, upon petition by the Attorney General or State's Attorney, at any time after the filing of an information or return of an indictment, conduct a hearing to determine whether any property or property interest is subject to forfeiture under this Act. At the forfeiture hearing the people shall have the burden of establishing, by a preponderance of the evidence, that property or property interests are subject to forfeiture under this Act. There is a rebuttable presumption at such hearing that any property or property interest of a person charged by information or indictment with a violation of any of the offenses listed in clauses (1) through (3) of subsection (a) of this Section or who is convicted of a violation of any of the offenses listed in clauses (1) through

New matter indicated by italics - deletions by strikeout
(3) of subsection (a) of this Section is subject to forfeiture under this Section if the State establishes by a preponderance of the evidence that:

(1) such property or property interest was acquired by such person during the period of the violation of any of the offenses listed in clauses (1) through (3) of subsection (a) of this Section or within a reasonable time after such period; and

(2) there was no likely source for such property or property interest other than the violation of any of the offenses listed in clauses (1) through (3) of subsection (a) of this Section.

(c) In an action brought by the People of the State of Illinois under this Act, wherein any restraining order, injunction or prohibition or any other action in connection with any property or property interest subject to forfeiture under this Act is sought, the circuit court which shall preside over the trial of the person or persons charged with any of the offenses listed in clauses (1) through (3) of subsection (a) of this Section shall first determine whether there is probable cause to believe that the person or persons so charged have committed a violation of any of the offenses listed in clauses (1) through (3) of subsection (a) of this Section and whether the property or property interest is subject to forfeiture pursuant to this Act.

In order to make such a determination, prior to entering any such order, the court shall conduct a hearing without a jury, wherein the People shall establish that there is: (i) probable cause that the person or persons so charged have committed one of the offenses listed in clauses (1) through (3) of subsection (a) of this Section and (ii) probable cause that any property or property interest may be subject to forfeiture pursuant to this Act. Such hearing may be conducted simultaneously with a preliminary hearing, if the prosecution is commenced by information or complaint, or by motion of the People, at any stage in the proceedings. The court may accept a finding of probable cause at a preliminary hearing following the filing of a charge for violating one of the offenses listed in clauses (1) through (3) of subsection (a) of this Section or the return of an indictment by a grand jury charging one of the offenses listed in clauses (1) through (3) of subsection (a) of this Section as sufficient evidence of probable cause as provided in item (i) above.

Upon such a finding, the circuit court shall enter such restraining order, injunction or prohibition, or shall take such other action in connection with any such property or property interest subject to forfeiture under this Act, as is necessary to insure that such property is not removed

New matter indicated by italics - deletions by strikeout
from the jurisdiction of the court, concealed, destroyed or otherwise disposed of by the owner of that property or property interest prior to a forfeiture hearing under subsection (b) of this Section. The Attorney General or State's Attorney shall file a certified copy of such restraining order, injunction or other prohibition with the recorder of deeds or registrar of titles of each county where any such property of the defendant may be located. No such injunction, restraining order or other prohibition shall affect the rights of any bona fide purchaser, mortgagee, judgment creditor or other lien holder arising prior to the date of such filing.

The court may, at any time, upon verified petition by the defendant, conduct a hearing to release all or portions of any such property or interest which the court previously determined to be subject to forfeiture or subject to any restraining order, injunction, or prohibition or other action. The court may release such property to the defendant for good cause shown and within the sound discretion of the court.

(d) Prosecution under this Act may be commenced by the Attorney General or a State's Attorney.

(e) Upon an order of forfeiture being entered pursuant to subsection (b) of this Section, the court shall authorize the Attorney General to seize any property or property interest declared forfeited under this Act and under such terms and conditions as the court shall deem proper. Any property or property interest that has been the subject of an entered restraining order, injunction or prohibition or any other action filed under subsection (c) shall be forfeited unless the claimant can show by a preponderance of the evidence that the property or property interest has not been acquired or maintained as a result of a violation of any of the offenses listed in clauses (1) through (3) of subsection (a) of this Section or has not been used to facilitate a violation of any of the offenses listed in clauses (1) through (3) of subsection (a) of this Section.

(f) The Attorney General or his or her designee is authorized to sell all property forfeited and seized pursuant to this Act, unless such property is required by law to be destroyed or is harmful to the public, and, after the deduction of all requisite expenses of administration and sale, shall distribute the proceeds of such sale, along with any moneys forfeited or seized, in accordance with subsection (g).

(g) All monies and the sale proceeds of all other property forfeited and seized pursuant to this Act shall be distributed as follows:

1. An amount equal to 50% shall be distributed to the unit of local government or other law enforcement agency whose
officers or employees conducted the investigation into a violation of any of the offenses listed in clauses (1) through (3) of subsection (a) of this Section and caused the arrest or arrests and prosecution leading to the forfeiture. Amounts distributed to units of local government and law enforcement agencies shall be used for enforcement of laws governing public corruption, or for other law enforcement purposes. In the event, however, that the investigation, arrest or arrests and prosecution leading to the forfeiture were undertaken solely by a State agency, the portion provided hereunder shall be paid into the State Asset Forfeiture Fund in the State treasury to be used by that State agency in accordance with law. If the investigation, arrest or arrests and prosecution leading to the forfeiture were undertaken by the Attorney General, the portion provided hereunder shall be paid into the Attorney General's Whistleblower Reward and Protection Fund in the State treasury to be used by the Attorney General in accordance with law.

(2) An amount equal to 12.5% shall be distributed to the county in which the prosecution resulting in the forfeiture was instituted, deposited in a special fund in the county treasury and appropriated to the State's Attorney for use in accordance with law. If the prosecution was conducted by the Attorney General, then the amount provided under this subsection shall be paid into the Attorney General's Whistleblower Reward and Protection Fund in the State treasury to be used by the Attorney General in accordance with law.

(3) An amount equal to 12.5% shall be distributed to the Office of the State's Attorneys Appellate Prosecutor and deposited in the State's Attorneys Appellate Prosecutor Anti-Corruption Fund, to be used by the Office of the State's Attorneys Appellate Prosecutor for additional expenses incurred in prosecuting appeals arising under this Act. Any amounts remaining in the Fund after all additional expenses have been paid shall be used by the Office to reduce the participating county contributions to the Office on a prorated basis as determined by the board of governors of the Office of the State's Attorneys Appellate Prosecutor based on the populations of the participating counties. If the appeal is to be conducted by the Attorney General, then the amount provided under this subsection shall be paid into the Attorney General's
Whistleblower Reward and Protection Fund in the State treasury to be used by the Attorney General in accordance with law.

(4) An amount equal to 25% shall be paid into the State Asset Forfeiture Fund in the State treasury to be used by the Department of State Police for the funding of the investigation of public corruption activities. Any amounts remaining in the Fund after full funding of such investigations shall be used by the Department in accordance with law to fund its other enforcement activities.

(h) All moneys deposited pursuant to this Act in the State Asset Forfeiture Fund shall, subject to appropriation, be used by the Department of State Police in the manner set forth in this Section. All moneys deposited pursuant to this Act in the Attorney General's Whistleblower Reward and Protection Fund shall, subject to appropriation, be used by the Attorney General for State law enforcement purposes and for the performance of the duties of that office. All moneys deposited pursuant to this Act in the State's Attorneys Appellate Prosecutor Anti-Corruption Fund shall, subject to appropriation, be used by the Office of the State's Attorneys Appellate Prosecutor in the manner set forth in this Section.

Section 15. Forfeiture of political contribution. Whenever any person pleads guilty to, or is found guilty of, any offense under subsection (a) of Section 10 of this Act, or is convicted of a violation of any of the following Sections of Title 18 of the United States Code: (i) Section 872 (extortion); (ii) Section 880 (receiving the proceeds of extortion); (iii) Section 201 (bribery); or (iv) Section 874 (kickbacks), in addition to any other penalty imposed by the court, all contributions (as defined by Section 9-1.4 of the Election Code) or other receipts held at the time of forfeiture by a political committee (as defined by Section 9-1.8 of the Election Code), which is controlled by that person, shall be paid to the State within 30 days from the date of the entry of the guilty plea or conviction. Payments received by the State pursuant to this Section shall be deposited into the General Revenue Fund.

Section 20. Fines.

(a) Whenever any person pleads guilty to or is found guilty of an offense under this Act, a fine may be levied in addition to any other penalty imposed by the court.

(b) In determining whether to impose a fine under this Section and the amount, time for payment, and method of payment of any fine so imposed, the court shall:

New matter indicated by italics - deletions by strikeout
(1) consider the defendant's income, regardless of source, the defendant's earning capacity, and the defendant's financial resources, as well as the nature of the burden the fine will impose on the defendant and any person legally or financially dependent upon the defendant;

(2) consider the proof received at trial, or as a result of a plea of guilty, concerning any profits or other proceeds derived by the defendant from the violation of this Act;

(3) take into account any other pertinent equitable considerations; and

(4) give primary consideration to the need to deprive the defendant of illegally obtained profits or other proceeds from the offense.

(c) As a condition of a fine, the court may require that payment be made in specified installments or within a specified period of time, but such period shall not be greater than the maximum applicable term of probation or imprisonment, whichever is greater. Unless otherwise specified, payment of a fine shall be due immediately.

(d) If a fine for a violation of this Act is imposed on an organization, it is the duty of each individual authorized to make disbursements of the assets of the organization to pay the fine from assets of the organization.

(e) (1) A defendant who has been sentenced to pay a fine, and who has paid part but not all of such fine, may petition the court for an extension of the time for payment or modification of the method of payment.

(2) The court may grant a petition made pursuant to this subsection if it finds that:

(i) the circumstances that warranted payment by the time or method specified no longer exist; or

(ii) it is otherwise unjust to require payment of the fine by the time or method specified.

Section 25. Distribution of proceeds of fines.

(a) The proceeds of all fines received under the provisions of this Act shall be transmitted to and deposited in the treasurer's office at the level of government as follows:

(1) If the seizure was made by a combination of law enforcement personnel representing differing units of local government, the court levying the fine shall equitably allocate 50%
of the fine among these units of local government and shall allocate 50% to the county general corporate fund. In the event that the seizure was made by law enforcement personnel representing a unit of local government from a municipality where the number of inhabitants exceeds 2 million, the court levying the fine shall allocate 100% of the fine to that unit of local government. If the seizure was made by a combination of law enforcement personnel representing differing units of local government, and at least one of those units represents a municipality where the number of inhabitants exceeds 2 million, the court shall equitably allocate 100% of the proceeds of the fines received among the differing units of local government.

(2) If such seizure was made by State law enforcement personnel, then the court shall allocate 50% to the State treasury and 50% to the county general corporate fund.

(3) If a State law enforcement agency in combination with a law enforcement agency or agencies of a unit or units of local government conducted the seizure, the court shall equitably allocate 50% of the fines to or among the law enforcement agency or agencies of the unit or units of local government which conducted the seizure and shall allocate 50% to the county general corporate fund.

(b) The proceeds of all fines allocated to the law enforcement agency or agencies of the unit or units of local government pursuant to subsection (a) shall be made available to that law enforcement agency as expendable receipts for use in the enforcement of laws regulating public corruption and other laws. The proceeds of fines awarded to the State treasury shall be deposited in the State Asset Forfeiture Fund. Monies from this Fund may be used by the Department of State Police in the enforcement of laws regulating public corruption and other laws; and all other monies shall be paid into the General Revenue Fund in the State treasury.

Section 30. Preventing and restraining violations.

(a) The circuit courts of the State shall have jurisdiction to prevent and restrain violations of this Act by issuing appropriate orders, including, but not limited to: ordering any person to divest himself of any interest, direct or indirect, in any enterprise; imposing reasonable restrictions on the future activities or investment of any person, including, but not limited to, prohibiting any person from engaging in the same type of endeavor as the

New matter indicated by italics - deletions by strikeout
enterprise engaged in, the activities of which affect business in the State of Illinois; or ordering dissolution or reorganization of any enterprise, making due provision for the rights of innocent persons.

(b) The Attorney General or the State's Attorney may institute proceedings under this Section. In any action brought by the State of Illinois under this Section, the court shall proceed as soon as practicable to the hearing and determination thereof. Pending that determination, the court may at any time enter such temporary restraining orders, preliminary or permanent injunctions, or prohibitions, or take such other actions including the acceptance of satisfactory performance bonds by a defendant, as it shall deem proper.

(c) Any person directly injured in his business, person or property by reason of a violation of this Act may sue the violator therefor in any appropriate circuit court and shall recover threefold the damages he or she sustains and the cost of the action, including a reasonable attorney's fee.

(d) A final judgment entered in favor of the People of the State of Illinois in any criminal proceeding brought under this Act shall estop the defendant in the criminal case from denying the essential allegations of the criminal offense in any subsequent civil proceeding brought under this Act.

Section 35. Venue. Any civil action or proceeding under this Act against any person may be instituted in the circuit court for any county in which such person resides, is found, has an agent, transacts his or her affairs, or in which property that is the subject of these proceedings is located.

Section 40. Intent. It is the intent of the General Assembly that this Act be liberally construed so as to effect the purposes of this Act and be construed in accordance with similar provisions contained in the Narcotics Profit Forfeiture Act.

Section 45. Severability. If any provision of this Act or the application thereof to any person or circumstance is invalid, such invalidation shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

Section 50. The Election Code is amended by changing Section 9-8.10 as follows:

(10 ILCS 5/9-8.10)

Sec. 9-8.10. Use of political committee and other reporting organization funds.

New matter indicated by italics - deletions by strikeout
(a) A political committee, or organization subject to Section 9-7.5, shall not make expenditures:

   (1) In violation of any law of the United States or of this State.

   (2) Clearly in excess of the fair market value of the services, materials, facilities, or other things of value received in exchange.

   (3) For satisfaction or repayment of any debts other than loans made to the committee or to the public official or candidate on behalf of the committee or repayment of goods and services purchased by the committee under a credit agreement. Nothing in this Section authorizes the use of campaign funds to repay personal loans. The repayments shall be made by check written to the person who made the loan or credit agreement. The terms and conditions of any loan or credit agreement to a committee shall be set forth in a written agreement, including but not limited to the method and amount of repayment, that shall be executed by the chairman or treasurer of the committee at the time of the loan or credit agreement. The loan or agreement shall also set forth the rate of interest for the loan, if any, which may not substantially exceed the prevailing market interest rate at the time the agreement is executed.

   (4) For the satisfaction or repayment of any debts or for the payment of any expenses relating to a personal residence. Campaign funds may not be used as collateral for home mortgages.

   (5) For clothing or personal laundry expenses, except clothing items rented by the public official or candidate for his or her own use exclusively for a specific campaign-related event, provided that committees may purchase costumes, novelty items, or other accessories worn primarily to advertise the candidacy.

   (6) For the travel expenses of any person unless the travel is necessary for fulfillment of political, governmental, or public policy duties, activities, or purposes.

   (7) For membership or club dues charged by organizations, clubs, or facilities that are primarily engaged in providing health, exercise, or recreational services; provided, however, that funds received under this Article may be used to rent the clubs or facilities for a specific campaign-related event.

(8) In payment for anything of value or for reimbursement of any expenditure for which any person has been reimbursed by the State or any person. For purposes of this item (8), a per diem allowance is not a reimbursement.

(9) For the purchase of or installment payment for a motor vehicle unless the political committee can demonstrate that purchase of a motor vehicle is more cost-effective than leasing a motor vehicle as permitted under this item (9). A political committee may lease or purchase and insure, maintain, and repair a motor vehicle if the vehicle will be used primarily for campaign purposes or for the performance of governmental duties. A committee shall not make expenditures for use of the vehicle for non-campaign or non-governmental purposes. PUBLIC ACT 96-1020
(House Bill No. 2369)

AN ACT concerning finance.

Be it enacted by the People of the State of Illinois, represented in
the General Assembly:

Section 5. The Illinois Finance Authority Act is amended by
adding Sections 825-105 and 825-110 as follows:

(20 ILCS 3501/825-105 new)
Sec. 825-105. Implementation of ARRA provisions regarding
recovery zone bonds.
(a) Findings.

Recovery zone bonds authorized by the American Recovery and
Reinvestment Act of 2009 are an important economic development tool for
the State. All counties in the State and municipalities in the State with a
population of 100,000 or more have received an allocation of recovery zone bond authorization. Under federal law, those allocations must be used on or before December 31, 2010. The State strongly encourages counties and municipalities to issue recovery zone bonds to spur economic development in the State. Under federal law, the allocations may be voluntarily waived to the State for reallocation by the State to other jurisdictions and other projects in the State. This Section sets forth the process by which the Authority, on behalf of the State, will receive otherwise unused allocations and ensure that this valuable economic development incentive will be used to the fullest extent feasible for the benefit of the citizens of the State of Illinois.

(b) Definitions.

(i) "Affected local government" means either any county in the State or a municipality within the State if the municipality has a population of 100,000 or more.

(ii) "Allocation amount" means the $666,972,000 amount of recovery zone economic development bonds and $1,000,457,000 amount of recovery zone facility bonds authorized under ARRA for the financing of qualifying projects located within the State and the sub-allocation of those amounts among each affected local government.

(iii) "ARRA" means, collectively, the American Recovery and Reinvestment Act of 2009, including, without limitation, Sections 1400U-1, 1400U-2, and 1400U-3 of the Code; the guidance provided by the Internal Revenue Service applicable to recovery zone bonds; and any legislation subsequently adopted by the United States Congress to extend or expand the economic development bond financing incentives authorized by ARRA.

(iv) "ARRA implementing regulations" means the regulations promulgated by the Authority as further described in subdivision (d)(iv) of this Section to implement the provisions of this Section.

(v) "Code" means the Internal Revenue Code of 1986, as amended.

(vi) "Recovery zone" means any area designated pursuant to Section 1400U-1 of the Code.

(vii) "Recovery zone bond" means any recovery zone economic development bond or recovery zone facility bond issued
pursuant to Sections 1400U-2 and 1400U-3, respectively, of the Code.

(viii) "Recovery zone bond allocation" means an allocation of authority to issue recovery zone bonds granted pursuant to Section 1400U-1 of the Code.

(x) "Sub-allocation" means the portion of the allocation amount allocated to each affected local government.

(xi) "Waived recovery zone bond allocation" means the amount of the recovery zone bond allocation voluntarily waived by an affected local government.

(xii) "Waiver agreement" means an agreement between the Authority and an affected local government providing for the voluntary waiver, in whole or in part, of that affected local government's sub-allocation to the Authority. The waiver agreement may provide for the payment of an affected local government's reasonable fees and costs as determined by the Authority in connection with the affected local government's voluntary waiver of its sub-allocation.

(c) Additional findings.

It is found and declared that:

(i) it is in the public interest and for the benefit of the State to maximize the use of economic development incentives authorized by ARRA;

(ii) those incentives include the maximum use of the allocation amount for the issuance of recovery zone bonds to promote job creation and economic development in any area that has been designated as a recovery zone by an affected local government under the applicable provisions of ARRA;

New matter indicated by italics - deletions by strikeout
(iii) those incentives also include the issuance by the Authority of recovery zone bonds for the purposes of financing qualifying projects to be financed with proceeds of recovery zone bonds; and

(iv) the provisions of this Section reflect the State's determination in good faith and in its discretion of the reasonable manner in which waived recovery zone bond allocations should be reallocated by the Authority.

(d) Powers of Authority.

(i) In order to carry out the provisions of ARRA and further the purposes of this Section, the Authority has:

(A) the power to receive from any affected local government its sub-allocation that it voluntarily waives to the Authority, in whole or in part, for reallocation by the Authority to a regional authority specifically designated by that affected local government, and the Authority shall reallocate that waived recovery zone bond allocation to the regional authority specifically designated by that affected local government; provided that (1) the affected local government must take official action by resolution or ordinance, as applicable, to waive the sub-allocation to the Authority and specifically designate that its waived recovery zone bond allocation should be reallocated to a regional authority; (2) the regional authority must use the sub-allocation to issue recovery zone bonds on or before August 16, 2010 and, if recovery zone bonds are not issued on or before August 16, 2010, the sub-allocation shall be deemed waived to the Authority for reallocation by the Authority to qualifying projects; and (3) the proceeds of the recovery zone bonds must be used for qualified projects within the jurisdiction of the applicable regional authority;

(B) at the Authority's sole discretion, the power to reallocate any sub-allocation deemed waived to the Authority pursuant to subsection (d)(i)(A)(2) back to the regional authority that had the sub-allocation;

(C) the power to enter into waiver agreements with affected local governments to provide for their voluntary waivers, in whole or in part, of their sub-allocations, to receive waived recovery zone bond allocations from those
affected local governments, and to use those waived recovery zone bond allocations, in whole or in part, to issue recovery zone bonds of the Authority for qualifying projects or to reallocate those waived recovery zone bond allocations, in whole or in part, to a county or municipality to issue its own recovery zone bonds for qualifying projects;

(D) the power to designate areas within the State as recovery zones or all of the State as a recovery zone; and

(E) the power to issue recovery zone bonds for any project authorized to be financed with proceeds thereof under the applicable provisions of ARRA.

(ii) In addition to the powers set forth in item (i), the Authority shall be the sole recipient, on behalf of the State, of any waived recovery zone bond allocations. Recovery zone bond allocations can be waived to the Authority only by voluntary waiver as provided in this Section.

(iii) In addition to the powers set forth in items (i) and (ii), the Authority has any powers otherwise enjoyed by the Authority in connection with the issuance of its bonds if those powers are not in conflict with any provisions with respect to recovery zone bonds set forth in ARRA.

(iv) The Authority has the power to adopt regulations providing for the implementation of any of the provisions contained in this Section, including provisions regarding waiver agreements and the reallocation of all or any portion of the allocation amount and sub-allocations and the issuance of recovery zone bonds; except that those regulations shall not (1) apply to or affect any designation of a recovery zone by a county or municipality, (2) provide for any waiver or reallocation of an affected local government's sub-allocation other than a voluntary waiver as described in subsection (d), or (3) be inconsistent with the provisions of subsection (d)(i). Regulations adopted by the Authority for determining reallocation of all or any portion of a waived recovery zone bond allocation may include, but are not limited to, (1) the ability of the county or municipality to issue recovery zone bonds on or before December 31, 2010, (2) the amount of jobs that will be retained or created, or both, by the qualifying project to be financed by recovery zone bonds, and (3)
the geographical proximity of the qualifying project to be financed by recovery zone bonds to a county or municipality that voluntarily waived its sub-allocation to the Authority.

(v) Unless extended by an act of the United States Congress, no recovery zone bonds may be issued after December 31, 2010.

(e) Established dates for notice.

Any affected local government or any regional authority that has issued recovery zone bonds on or before the effective date of this Section must report its issuance of recovery zone bonds to the Authority within 30 days after the effective date of this Section. After the effective date of this Section, any affected local government or any regional authority must report its issuance of recovery zone bonds to the Authority not less than 30 days after those bonds are issued.

(f) Reports to the General Assembly.

Starting 60 days after the effective date of this Section and ending on January 15, 2011, the Authority shall file a report before the 15th day of each month with the General Assembly detailing its implementation of this Section, including but not limited to the dollar amount of the allocation amount that has been reallocated by the Authority pursuant to this Section, the recovery zone bonds issued in the State as of the date of the report, and descriptions of the qualifying projects financed by those recovery zone bonds.

PUBLIC ACT 96-1021

(House Bill No. 5854)

AN ACT concerning State government.

Be it enacted by the People of the State of Illinois, represented in
the General Assembly:

Section 5. The Illinois Finance Authority Act is amended by
changing Sections 801-5 and 801-10 and by adding Section 801-55 as
follows:

(20 ILCS 3501/801-5)

Sec. 801-5. Findings and declaration of policy. The General
Assembly hereby finds, determines and declares:

(a) that there are a number of existing State authorities authorized
to issue bonds to alleviate the conditions and promote the objectives set
forth below; and to provide a stronger, better coordinated development
effort, it is determined to be in the interest of promoting the health, safety,
morals and general welfare of all the people of the State to consolidate
certain of such existing authorities into one finance authority;

(b) that involuntary unemployment affects the health, safety,
morals and general welfare of the people of the State of Illinois;

(c) that the economic burdens resulting from involuntary
unemployment fall in part upon the State in the form of public assistance
and reduced tax revenues, and in the event the unemployed worker and his
family migrate elsewhere to find work, may also fall upon the
municipalities and other taxing districts within the areas of unemployment
in the form of reduced tax revenues, thereby endangering their financial
ability to support necessary governmental services for their remaining
inhabitants;

(d) that a vigorous growing economy is the basic source of job
opportunities;

(e) that protection against involuntary unemployment, its economic
burdens and the spread of economic stagnation can best be provided by
promoting, attracting, stimulating and revitalizing industry, manufacturing
and commerce in the State;

(f) that the State has a responsibility to help create a favorable
climate for new and improved job opportunities for its citizens by
encouraging the development of commercial businesses and industrial and
manufacturing plants within the State;

New matter indicated by italics - deletions by strikeout
(g) that increased availability of funds for construction of new facilities and the expansion and improvement of existing facilities for industrial, commercial and manufacturing facilities will provide for new and continued employment in the construction industry and alleviate the burden of unemployment;

(h) that in the absence of direct governmental subsidies the unaided operations of private enterprise do not provide sufficient resources for residential construction, rehabilitation, rental or purchase, and that support from housing related commercial facilities is one means of stimulating residential construction, rehabilitation, rental and purchase;

(i) that it is in the public interest and the policy of this State to foster and promote by all reasonable means the provision of adequate capital markets and facilities for borrowing money by units of local government, and for the financing of their respective public improvements and other governmental purposes within the State from proceeds of bonds or notes issued by those governmental units; and to assist local governmental units in fulfilling their needs for those purposes by use of creation of indebtedness;

(j) that it is in the public interest and the policy of this State to the extent possible, to reduce the costs of indebtedness to taxpayers and residents of this State and to encourage continued investor interest in the purchase of bonds or notes of governmental units as sound and preferred securities for investment; and to encourage governmental units to continue their independent undertakings of public improvements and other governmental purposes and the financing thereof, and to assist them in those activities by making funds available at reduced interest costs for orderly financing of those purposes, especially during periods of restricted credit or money supply, and particularly for those governmental units not otherwise able to borrow for those purposes;

(k) that in this State the following conditions exist: (i) an inadequate supply of funds at interest rates sufficiently low to enable persons engaged in agriculture in this State to pursue agricultural operations at present levels; (ii) that such inability to pursue agricultural operations lessens the supply of agricultural commodities available to fulfill the needs of the citizens of this State; (iii) that such inability to continue operations decreases available employment in the agricultural sector of the State and results in unemployment and its attendant problems; (iv) that such conditions prevent the acquisition of an adequate capital stock of farm equipment and machinery, much of which is

New matter indicated by italics - deletions by strikeout
manufactured in this State, therefore impairing the productivity of agricultural land and, further, causing unemployment or lack of appropriate increase in employment in such manufacturing; (v) that such conditions are conducive to consolidation of acreage of agricultural land with fewer individuals living and farming on the traditional family farm; (vi) that these conditions result in a loss in population, unemployment and movement of persons from rural to urban areas accompanied by added costs to communities for creation of new public facilities and services; (vii) that there have been recurrent shortages of funds for agricultural purposes from private market sources at reasonable rates of interest; (viii) that these shortages have made the sale and purchase of agricultural land to family farmers a virtual impossibility in many parts of the State; (ix) that the ordinary operations of private enterprise have not in the past corrected these conditions; and (x) that a stable supply of adequate funds for agricultural financing is required to encourage family farmers in an orderly and sustained manner and to reduce the problems described above;

(l) that for the benefit of the people of the State of Illinois, the conduct and increase of their commerce, the protection and enhancement of their welfare, the development of continued prosperity and the improvement of their health and living conditions it is essential that all the people of the State be given the fullest opportunity to learn and to develop their intellectual and mental capacities and skills; that to achieve these ends it is of the utmost importance that private institutions of higher education within the State be provided with appropriate additional means to assist the people of the State in achieving the required levels of learning and development of their intellectual and mental capacities and skills and that cultural institutions within the State be provided with appropriate additional means to expand the services and resources which they offer for the cultural, intellectual, scientific, educational and artistic enrichment of the people of the State;

(m) that in order to foster civic and neighborhood pride, citizens require access to facilities such as educational institutions, recreation, parks and open spaces, entertainment and sports, a reliable transportation network, cultural facilities and theaters and other facilities as authorized by this Act, and that it is in the best interests of the State to lower the costs of all such facilities by providing financing through the State; and

(n) that to preserve and protect the health of the citizens of the State, and lower the costs of health care, that financing for health facilities should be provided through the State; and it is hereby declared to be the
policy of the State, in the interest of promoting the health, safety, morals and general welfare of all the people of the State, to address the conditions noted above, to increase job opportunities and to retain existing jobs in the State, by making available through the Illinois Finance Authority, hereinafter created, funds for the development, improvement and creation of industrial, housing, local government, educational, health, public purpose and other projects; to issue its bonds and notes to make funds at reduced rates and on more favorable terms for borrowing by local governmental units through the purchase of the bonds or notes of the governmental units; and to make or acquire loans for the acquisition and development of agricultural facilities; to provide financing for private institutions of higher education, cultural institutions, health facilities and other facilities and projects as authorized by this Act; and to grant broad powers to the Illinois Finance Authority to accomplish and to carry out these policies of the State which are in the public interest of the State and of its taxpayers and residents; and:

(o) that providing financing alternatives for projects that are located outside the State that are owned, operated, leased, managed by, or otherwise affiliated with, institutions located within the State would promote the economy of the State for the benefit of the health, welfare, safety, trade, commerce, industry, and economy of the people of the State by creating employment opportunities in the State and lowering the cost of accessing healthcare, private education, or cultural institutions in the State by reducing the cost of financing or operating those projects.

Section 5. The Motor Fuel Tax Law is amended by changing
Section 8 as follows:

(35 ILCS 505/8) (from Ch. 120, par. 424)

New matter indicated by italics - deletions by strikeout
Sec. 8. Except as provided in Section 8a, subdivision (h)(1) of Section 12a, Section 13a.6, and items 13, 14, 15, and 16 of Section 15, all money received by the Department under this Act, including payments made to the Department by member jurisdictions participating in the International Fuel Tax Agreement, shall be deposited in a special fund in the State treasury, to be known as the "Motor Fuel Tax Fund", and shall be used as follows:

(a) 2 1/2 cents per gallon of the tax collected on special fuel under paragraph (b) of Section 2 and Section 13a of this Act shall be transferred to the State Construction Account Fund in the State Treasury;

(b) $420,000 shall be transferred each month to the State Boating Act Fund to be used by the Department of Natural Resources for the purposes specified in Article X of the Boat Registration and Safety Act;

(c) $3,500,000 shall be transferred each month to the Grade Crossing Protection Fund to be used as follows: not less than $12,000,000 each fiscal year shall be used for the construction or reconstruction of rail highway grade separation structures; $2,250,000 in fiscal years 2004 through 2009 and $3,000,000 in fiscal year 2010 and each fiscal year thereafter shall be transferred to the Transportation Regulatory Fund and shall be accounted for as part of the rail carrier portion of such funds and shall be used to pay the cost of administration of the Illinois Commerce Commission's railroad safety program in connection with its duties under subsection (3) of Section 18c-7401 of the Illinois Vehicle Code, with the remainder to be used by the Department of Transportation upon order of the Illinois Commerce Commission, to pay that part of the cost apportioned by such Commission to the State to cover the interest of the public in the use of highways, roads, streets, or pedestrian walkways in the county highway system, township and district road system, or municipal street system as defined in the Illinois Highway Code, as the same may from time to time be amended, for separation of grades, for installation, construction or reconstruction of crossing protection or reconstruction, alteration, relocation including construction or improvement of any existing highway necessary for access to property or improvement of any grade crossing and grade crossing surface including the necessary highway approaches thereto of any railroad across the highway or public road, or for the installation, construction, reconstruction, or maintenance of a pedestrian walkway over or under a railroad right-of-way, as provided for in and in accordance with Section 18c-7401 of the Illinois Vehicle Code. The Commission may order up to $2,000,000 per year in Grade Crossing
Protection Fund moneys for the improvement of grade crossing surfaces and up to $300,000 per year for the maintenance and renewal of 4-quadrant gate vehicle detection systems located at non-high speed rail grade crossings. The Commission shall not order more than $2,000,000 per year in Grade Crossing Protection Fund moneys for pedestrian walkways. In entering orders for projects for which payments from the Grade Crossing Protection Fund will be made, the Commission shall account for expenditures authorized by the orders on a cash rather than an accrual basis. For purposes of this requirement an "accrual basis" assumes that the total cost of the project is expended in the fiscal year in which the order is entered, while a "cash basis" allocates the cost of the project among fiscal years as expenditures are actually made. To meet the requirements of this subsection, the Illinois Commerce Commission shall develop annual and 5-year project plans of rail crossing capital improvements that will be paid for with moneys from the Grade Crossing Protection Fund. The annual project plan shall identify projects for the succeeding fiscal year and the 5-year project plan shall identify projects for the 5 directly succeeding fiscal years. The Commission shall submit the annual and 5-year project plans for this Fund to the Governor, the President of the Senate, the Senate Minority Leader, the Speaker of the House of Representatives, and the Minority Leader of the House of Representatives on the first Wednesday in April of each year;

(d) of the amount remaining after allocations provided for in subsections (a), (b) and (c), a sufficient amount shall be reserved to pay all of the following:

(1) the costs of the Department of Revenue in administering this Act;

(2) the costs of the Department of Transportation in performing its duties imposed by the Illinois Highway Code for supervising the use of motor fuel tax funds apportioned to municipalities, counties and road districts;

(3) refunds provided for in Section 13 of this Act and under the terms of the International Fuel Tax Agreement referenced in Section 14a;

(4) from October 1, 1985 until June 30, 1994, the administration of the Vehicle Emissions Inspection Law, which amount shall be certified monthly by the Environmental Protection Agency to the State Comptroller and shall promptly be transferred by the State Comptroller and Treasurer from the Motor Fuel Tax

(5) amounts ordered paid by the Court of Claims; and

(6) payment of motor fuel use taxes due to member jurisdictions under the terms of the International Fuel Tax Agreement. The Department shall certify these amounts to the Comptroller by the 15th day of each month; the Comptroller shall cause orders to be drawn for such amounts, and the Treasurer shall administer those amounts on or before the last day of each month;

   (A) 37% into the State Construction Account Fund, and
   (B) 63% into the Road Fund, $1,250,000 of which shall be reserved each month for the Department of Transportation to be used in accordance with the provisions of Sections 6-901 through 6-906 of the Illinois Highway Code;

(2) Until January 1, 2000, 41.6%, and beginning January 1, 2000, 54.4% shall be transferred to the Department of Transportation to be distributed as follows:
   (A) 49.10% to the municipalities of the State,
   (B) 16.74% to the counties of the State having 1,000,000 or more inhabitants,
   (C) 18.27% to the counties of the State having less than 1,000,000 inhabitants,

apportioned to the several municipalities which shall be in proportion to the population of such municipalities as determined by the last preceding municipal census if conducted by the Federal Government or Federal census. If territory is annexed to any municipality subsequent to the time of the last preceding census the corporate authorities of such municipality may cause a census to be taken of such annexed territory and the population so ascertained for such territory shall be added to the population of the municipality as determined by the last preceding census for the purpose of determining the allotment for that municipality. If the population of any municipality was not determined by the last Federal census preceding any apportionment, the apportionment to such municipality shall be in accordance with any census taken by such municipality. Any municipal census used in accordance with this Section shall be certified to the Department of Transportation by the clerk of such municipality, and the accuracy thereof shall be subject to approval of the Department which may make such corrections as it ascertains to be necessary.

As soon as may be after the first day of each month the Department of Transportation shall allot to each county its share of the amount apportioned to the several counties of the State as herein provided. Each allotment to the several counties having less than 1,000,000 inhabitants shall be in proportion to the amount of motor vehicle license fees received from the residents of such counties, respectively, during the preceding calendar year. The Secretary of State shall, on or before April 15 of each year, transmit to the Department of Transportation a full and complete report showing the amount of motor vehicle license fees received from the residents of each county, respectively, during the preceding calendar year. The Department of Transportation shall, each month, use for allotment purposes the last such report received from the Secretary of State.

As soon as may be after the first day of each month, the Department of Transportation shall allot to the several counties their share of the amount apportioned for the use of road districts. The allotment shall be apportioned among the several counties in the State in the proportion which the total mileage of township or district roads in the respective counties bears to the total mileage of all township and district roads in the State. Funds allotted to the respective counties for the use of road districts therein shall be allocated to the several road districts in the county in the proportion which the total mileage of such township or district roads in the respective road districts bears to the total mileage of all such township or

district roads in the county. After July 1 of any year *prior to 2011*, no allocation shall be made for any road district unless it levied a tax for road and bridge purposes in an amount which will require the extension of such tax against the taxable property in any such road district at a rate of not less than either .08% of the value thereof, based upon the assessment for the year immediately prior to the year in which such tax was levied and as equalized by the Department of Revenue or, in DuPage County, an amount equal to or greater than $12,000 per mile of road under the jurisdiction of the road district, whichever is less. *Beginning July 1, 2011 and each July 1 thereafter, an allocation shall be made for any road district if it levied a tax for road and bridge purposes. In counties other than DuPage County, if the amount of the tax levy requires the extension of the tax against the taxable property in the road district at a rate that is less than 0.08% of the value thereof, based upon the assessment for the year immediately prior to the year in which the tax was levied and as equalized by the Department of Revenue, then the amount of the allocation for that road district shall be a percentage of the maximum allocation equal to the percentage obtained by dividing the rate extended by the district by 0.08%. In DuPage County, if the amount of the tax levy requires the extension of the tax against the taxable property in the road district at a rate that is less than the lesser of (i) 0.08% of the value of the taxable property in the road district, based upon the assessment for the year immediately prior to the year in which such tax was levied and as equalized by the Department of Revenue, or (ii) a rate that will yield an amount equal to $12,000 per mile of road under the jurisdiction of the road district, then the amount of the allocation for the road district shall be a percentage of the maximum allocation equal to the percentage obtained by dividing the rate extended by the district by the lesser of (i) 0.08% or (ii) the rate that will yield an amount equal to $12,000 per mile of road under the jurisdiction of the road district.*

*Prior to 2011, if any road district has levied a special tax for road purposes pursuant to Sections 6-601, 6-602 and 6-603 of the Illinois Highway Code, and such tax was levied in an amount which would require extension at a rate of not less than .08% of the value of the taxable property thereof, as equalized or assessed by the Department of Revenue, or, in DuPage County, an amount equal to or greater than $12,000 per mile of road under the jurisdiction of the road district, whichever is less, such levy shall, however, be deemed a proper compliance with this Section and shall qualify such road district for an allotment under this Section. *Beginning in 2011 and thereafter, if any road district has levied a special*
tax for road purposes under Sections 6-601, 6-602, and 6-603 of the Illinois Highway Code, and the tax was levied in an amount that would require extension at a rate of not less than 0.08% of the value of the taxable property of that road district, as equalized or assessed by the Department of Revenue or, in DuPage County, an amount equal to or greater than $12,000 per mile of road under the jurisdiction of the road district, whichever is less, that levy shall be deemed a proper compliance with this Section and shall qualify such road district for a full, rather than proportionate, allotment under this Section. If the levy for the special tax is less than 0.08% of the value of the taxable property, or, in DuPage County if the levy for the special tax is less than the lesser of (i) 0.08% or (ii) $12,000 per mile of road under the jurisdiction of the road district, and if the levy for the special tax is more than any other levy for road and bridge purposes, then the levy for the special tax qualifies the road district for a proportionate, rather than full, allotment under this Section. If the levy for the special tax is equal to or less than any other levy for road and bridge purposes, then any allotment under this Section shall be determined by the other levy for road and bridge purposes.

Prior to 2011, if a township has transferred to the road and bridge fund money which, when added to the amount of any tax levy of the road district would be the equivalent of a tax levy requiring extension at a rate of at least .08%, or, in DuPage County, an amount equal to or greater than $12,000 per mile of road under the jurisdiction of the road district, whichever is less, such transfer, together with any such tax levy, shall be deemed a proper compliance with this Section and shall qualify the road district for an allotment under this Section.

In counties in which a property tax extension limitation is imposed under the Property Tax Extension Limitation Law, road districts may retain their entitlement to a motor fuel tax allotment or, beginning in 2011, their entitlement to a full allotment if, at the time the property tax extension limitation was imposed, the road district was levying a road and bridge tax at a rate sufficient to entitle it to a motor fuel tax allotment and continues to levy the maximum allowable amount after the imposition of the property tax extension limitation. Any road district may in all circumstances retain its entitlement to a motor fuel tax allotment or, beginning in 2011, its entitlement to a full allotment if it levied a road and bridge tax in an amount that will require the extension of the tax against the taxable property in the road district at a rate of not less than 0.08% of the assessed value of the property, based upon the assessment for the year.
immediately preceding the year in which the tax was levied and as
equalized by the Department of Revenue or, in DuPage County, an amount
equal to or greater than $12,000 per mile of road under the jurisdiction of
the road district, whichever is less.

As used in this Section the term "road district" means any road
district, including a county unit road district, provided for by the Illinois
Highway Code; and the term "township or district road" means any road in
the township and district road system as defined in the Illinois Highway
Code. For the purposes of this Section, "road district" also includes park
districts, forest preserve districts and conservation districts organized
under Illinois law and "township or district road" also includes such roads
as are maintained by park districts, forest preserve districts and
conservation districts. The Department of Transportation shall determine
the mileage of all township and district roads for the purposes of making
allocations and allocations of motor fuel tax funds for use in road districts.

Payment of motor fuel tax moneys to municipalities and counties
shall be made as soon as possible after the allotment is made. The treasurer
of the municipality or county may invest these funds until their use is
required and the interest earned by these investments shall be limited to
the same uses as the principal funds.

(35 ILCS 130/2) (from Ch. 120, par. 453.2)
Sec. 2. Tax imposed; rate; collection, payment, and distribution; discount.

(a) A tax is imposed upon any person engaged in business as a retailer of cigarettes in this State at the rate of 5 1/2 mills per cigarette sold, or otherwise disposed of in the course of such business in this State. In addition to any other tax imposed by this Act, a tax is imposed upon any person engaged in business as a retailer of cigarettes in this State at a rate of 1/2 mill per cigarette sold or otherwise disposed of in the course of such business in this State on and after January 1, 1947, and shall be paid into the Metropolitan Fair and Exposition Authority Reconstruction Fund or as otherwise provided in Section 29. On and after December 1, 1985, in addition to any other tax imposed by this Act, a tax is imposed upon any person engaged in business as a retailer of cigarettes in this State at a rate of 4 mills per cigarette sold or otherwise disposed of in the course of such business in this State. Of the additional tax imposed by this amendatory Act of 1985, $9,000,000 of the moneys received by the Department of Revenue pursuant to this Act shall be paid each month into the Common School Fund. On and after the effective date of this amendatory Act of 1989, in addition to any other tax imposed by this Act, a tax is imposed upon any person engaged in business as a retailer of cigarettes at the rate of 5 mills per cigarette sold or otherwise disposed of in the course of such business in this State. On and after December 15, 1997, in addition to any other tax imposed by this Act, a tax is imposed upon any person engaged in business as a retailer of cigarettes at the rate of 7 mills per cigarette sold or otherwise disposed of in the course of such business of this State. All of the moneys received by the Department of Revenue pursuant to this Act and the Cigarette Use Tax Act from the additional taxes imposed by this amendatory Act of 1997, shall be paid each month into the Common School Fund. On and after July 1, 2002, in addition to any other tax imposed by this Act, a tax is imposed upon any person engaged in business as a retailer of cigarettes at the rate of 20.0 mills per
cigarette sold or otherwise disposed of in the course of such business in this State. The payment of such taxes shall be evidenced by a stamp affixed to each original package of cigarettes, or an authorized substitute for such stamp imprinted on each original package of such cigarettes underneath the sealed transparent outside wrapper of such original package, as hereinafter provided. However, such taxes are not imposed upon any activity in such business in interstate commerce or otherwise, which activity may not under the Constitution and statutes of the United States be made the subject of taxation by this State.

Beginning on the effective date of this amendatory Act of the 92nd General Assembly and through June 30, 2006, all of the moneys received by the Department of Revenue pursuant to this Act and the Cigarette Use Tax Act, other than the moneys that are dedicated to the Common School Fund, shall be distributed each month as follows: first, there shall be paid into the General Revenue Fund an amount which, when added to the amount paid into the Common School Fund for that month, equals $33,300,000, except that in the month of August of 2004, this amount shall equal $83,300,000; then, from the moneys remaining, if any amounts required to be paid into the General Revenue Fund in previous months remain unpaid, those amounts shall be paid into the General Revenue Fund; then, beginning on April 1, 2003, from the moneys remaining, $5,000,000 per month shall be paid into the School Infrastructure Fund; then, if any amounts required to be paid into the School Infrastructure Fund in previous months remain unpaid, those amounts shall be paid into the School Infrastructure Fund; then the moneys remaining, if any, shall be paid into the Long-Term Care Provider Fund. To the extent that more than $25,000,000 has been paid into the General Revenue Fund and Common School Fund per month for the period of July 1, 1993 through the effective date of this amendatory Act of 1994 from combined receipts of the Cigarette Tax Act and the Cigarette Use Tax Act, notwithstanding the distribution provided in this Section, the Department of Revenue is hereby directed to adjust the distribution provided in this Section to increase the next monthly payments to the Long-Term Care Provider Fund by the amount paid to the General Revenue Fund and Common School Fund in excess of $25,000,000 per month and to decrease the next monthly payments to the General Revenue Fund and Common School Fund by that same excess amount.

Beginning on July 1, 2006, all of the moneys received by the Department of Revenue pursuant to this Act and the Cigarette Use Tax
Act, other than the moneys that are dedicated to the Common School Fund, shall be distributed each month as follows: first, there shall be paid into the General Revenue Fund an amount that, when added to the amount paid into the Common School Fund for that month, equals $29,200,000; then, from the moneys remaining, if any amounts required to be paid into the General Revenue Fund in previous months remain unpaid, those amounts shall be paid into the General Revenue Fund; then from the moneys remaining, $5,000,000 per month shall be paid into the School Infrastructure Fund; then, if any amounts required to be paid into the School Infrastructure Fund in previous months remain unpaid, those amounts shall be paid into the School Infrastructure Fund; then the moneys remaining, if any, shall be paid into the Long-Term Care Provider Fund.

When any tax imposed herein terminates or has terminated, distributors who have bought stamps while such tax was in effect and who therefore paid such tax, but who can show, to the Department's satisfaction, that they sold the cigarettes to which they affixed such stamps after such tax had terminated and did not recover the tax or its equivalent from purchasers, shall be allowed by the Department to take credit for such absorbed tax against subsequent tax stamp purchases from the Department by such distributor.

The impact of the tax levied by this Act is imposed upon the retailer and shall be prepaid or pre-collected by the distributor for the purpose of convenience and facility only, and the amount of the tax shall be added to the price of the cigarettes sold by such distributor. Collection of the tax shall be evidenced by a stamp or stamps affixed to each original package of cigarettes, as hereinafter provided.

Each distributor shall collect the tax from the retailer at or before the time of the sale, shall affix the stamps as hereinafter required, and shall remit the tax collected from retailers to the Department, as hereinafter provided. Any distributor who fails to properly collect and pay the tax imposed by this Act shall be liable for the tax. Any distributor having cigarettes to which stamps have been affixed in his possession for sale on the effective date of this amendatory Act of 1989 shall not be required to pay the additional tax imposed by this amendatory Act of 1989 on such stamped cigarettes. Any distributor having cigarettes to which stamps have been affixed in his or her possession for sale at 12:01 a.m. on the effective date of this amendatory Act of 1993, is required to pay the additional tax imposed by this amendatory Act of 1993 on such stamped cigarettes. This payment, less the discount provided in subsection (b), shall be due when

the distributor first makes a purchase of cigarette tax stamps after the
effective date of this amendatory Act of 1993, or on the first due date of a
return under this Act after the effective date of this amendatory Act of
1993, whichever occurs first. Any distributor having cigarettes to which
stamps have been affixed in his possession for sale on December 15, 1997
shall not be required to pay the additional tax imposed by this amendatory
Act of 1997 on such stamped cigarettes.

Any distributor having cigarettes to which stamps have been
affixed in his or her possession for sale on July 1, 2002 shall not be
required to pay the additional tax imposed by this amendatory Act of the
92nd General Assembly on those stamped cigarettes.

Distributors making sales of cigarettes to secondary distributors
shall add the amount of the tax to the price of the cigarettes sold by the
distributors. Secondary distributors making sales of cigarettes to retailers
shall include the amount of the tax in the price of the cigarettes sold to
retailers. The amount of tax shall not be less than the amount of taxes
imposed by the State and all local jurisdictions. The amount of local taxes
shall be calculated based on the location of the retailer's place of business
shown on the retailer's certificate of registration or sub-registration
issued to the retailer pursuant to Section 2a of the Retailers' Occupation
Tax Act. The original packages of cigarettes sold to the retailer shall bear
all the required stamps, or other indicia, for the taxes included in the price
of cigarettes.

The amount of the Cigarette Tax imposed by this Act shall be
separately stated, apart from the price of the goods, by both
distributors, secondary distributors, and retailers, in all
advertisements, bills and sales
invoices.

(b) The distributor shall be required to collect the taxes provided
under paragraph (a) hereof, and, to cover the costs of such collection, shall
be allowed a discount during any year commencing July 1st and ending the
following June 30th in accordance with the schedule set out hereinbelow,
which discount shall be allowed at the time of purchase of the stamps
when purchase is required by this Act, or at the time when the tax is
remitted to the Department without the purchase of stamps from the
Department when that method of paying the tax is required or authorized
by this Act. Prior to December 1, 1985, a discount equal to 1 2/3% of the
amount of the tax up to and including the first $700,000 paid hereunder by
such distributor to the Department during any such year; 1 1/3% of the

$700,000 of tax, or any part thereof, paid hereunder by such distributor to
the Department during any such year, and 2/3 of 1% of the amount of any
additional tax paid hereunder by such distributor to the Department during
any such year shall apply. On and after December 1, 1985, a discount
equal to 1.75% of the amount of the tax payable under this Act up to and
including the first $3,000,000 paid hereunder by such distributor to the
Department during any such year and 1.5% of the amount of any
additional tax paid hereunder by such distributor to the Department during
any such year shall apply.

Two or more distributors that use a common means of affixing
revenue tax stamps or that are owned or controlled by the same interests
shall be treated as a single distributor for the purpose of computing the
discount.

(c) The taxes herein imposed are in addition to all other occupation
or privilege taxes imposed by the State of Illinois, or by any political
subdivision thereof, or by any municipal corporation.

Sec. 3. Affixing tax stamp; remitting tax to the Department.
Payment of the taxes imposed by Section 2 of this Act shall (except as
hereinafter provided) be evidenced by revenue tax stamps affixed to each
original package of cigarettes. Each distributor of cigarettes, before
delivering or causing to be delivered any original package of cigarettes in
this State to a purchaser, shall firmly affix a proper stamp or stamps to
each such package, or (in case of manufacturers of cigarettes in original
packages which are contained inside a sealed transparent wrapper) shall
imprint the required language on the original package of cigarettes beneath
such outside wrapper, as hereinafter provided.

No stamp or imprint may be affixed to, or made upon, any package
of cigarettes unless that package complies with all requirements of the
federal Cigarette Labeling and Advertising Act, 15 U.S.C. 1331 and
following, for the placement of labels, warnings, or any other information
upon a package of cigarettes that is sold within the United States. Under
the authority of Section 6, the Department shall revoke the license of any
distributor that is determined to have violated this paragraph. A person
may not affix a stamp on a package of cigarettes, cigarette papers,
wrappers, or tubes if that individual package has been marked for export

outside the United States with a label or notice in compliance with Section 290.185 of Title 27 of the Code of Federal Regulations. It is not a defense to a proceeding for violation of this paragraph that the label or notice has been removed, mutilated, obliterated, or altered in any manner.

Only distributors licensed under this Act and transporters, as defined in Section 9c of this Act, may possess unstamped original packages of cigarettes. Prior to shipment to a secondary distributor or an Illinois retailer, a stamp shall be applied to each original package of cigarettes sold to the secondary distributor or retailer. A distributor may apply tax stamps only to original packages of cigarettes purchased or obtained directly from an in-state maker, manufacturer, or fabricator licensed as a distributor under Section 4 of this Act or an out-of-state maker, manufacturer, or fabricator holding a permit under Section 4b of this Act. A licensed distributor may ship or otherwise cause to be delivered unstamped original packages of cigarettes in, into, or from this State. A licensed distributor may transport unstamped original packages of cigarettes to a facility, wherever located, owned or controlled by such distributor; however, a distributor may not transport unstamped original packages of cigarettes to a facility where retail sales of cigarettes take place or to a facility where a secondary distributor makes sales for resale. Any licensed distributor that ships or otherwise causes to be delivered unstamped original packages of cigarettes into, within, or from this State shall ensure that the invoice or equivalent documentation and the bill of lading or freight bill for the shipment identifies the true name and address of the consignor or seller, the true name and address of the consignee or purchaser, and the quantity by brand style of the cigarettes so transported, provided that this Section shall not be construed as to impose any requirement or liability upon any common or contract carrier.

The Department, or any person authorized by the Department, shall sell such stamps only to persons holding valid licenses as distributors under this Act. On and after July 1, 2003, payment for such stamps must be made by means of electronic funds transfer. The Department may refuse to sell stamps to any person who does not comply with the provisions of this Act. Beginning on the effective date of this amendatory Act of the 92nd General Assembly and through June 30, 2002, persons holding valid licenses as distributors may purchase cigarette tax stamps up to an amount equal to 115% of the distributor's average monthly cigarette tax stamp purchases over the 12 calendar months prior to the effective date of this amendatory Act of the 92nd General Assembly.
Prior to December 1, 1985, the Department shall allow a distributor 21 days in which to make final payment of the amount to be paid for such stamps, by allowing the distributor to make payment for the stamps at the time of purchasing them with a draft which shall be in such form as the Department prescribes, and which shall be payable within 21 days thereafter: Provided that such distributor has filed with the Department, and has received the Department's approval of, a bond, which is in addition to the bond required under Section 4 of this Act, payable to the Department in an amount equal to 80% of such distributor's average monthly tax liability to the Department under this Act during the preceding calendar year or $500,000, whichever is less. The Bond shall be joint and several and shall be in the form of a surety company bond in such form as the Department prescribes, or it may be in the form of a bank certificate of deposit or bank letter of credit. The bond shall be conditioned upon the distributor's payment of amount of any 21-day draft which the Department accepts from that distributor for the delivery of stamps to that distributor under this Act. The distributor's failure to pay any such draft, when due, shall also make such distributor automatically liable to the Department for a penalty equal to 25% of the amount of such draft.

On and after December 1, 1985 and until July 1, 2003, the Department shall allow a distributor 30 days in which to make final payment of the amount to be paid for such stamps, by allowing the distributor to make payment for the stamps at the time of purchasing them with a draft which shall be in such form as the Department prescribes, and which shall be payable within 30 days thereafter, and beginning on January 1, 2003 and thereafter, the draft shall be payable by means of electronic funds transfer: Provided that such distributor has filed with the Department, and has received the Department's approval of, a bond, which is in addition to the bond required under Section 4 of this Act, payable to the Department in an amount equal to 150% of such distributor's average monthly tax liability to the Department under this Act during the preceding calendar year or $750,000, whichever is less, except that as to bonds filed on or after January 1, 1987, such additional bond shall be in an amount equal to 100% of such distributor's average monthly tax liability under this Act during the preceding calendar year or $750,000, whichever is less. The bond shall be joint and several and shall be in the form of a surety company bond in such form as the Department prescribes, or it may be in the form of a bank certificate of deposit or bank letter of credit. The bond shall be conditioned upon the distributor's payment of the amount of any

30-day draft which the Department accepts from that distributor for the delivery of stamps to that distributor under this Act. The distributor's failure to pay any such draft, when due, shall also make such distributor automatically liable to the Department for a penalty equal to 25% of the amount of such draft.

Every prior continuous compliance taxpayer shall be exempt from all requirements under this Section concerning the furnishing of such bond, as defined in this Section, as a condition precedent to his being authorized to engage in the business licensed under this Act. This exemption shall continue for each such taxpayer until such time as he may be determined by the Department to be delinquent in the filing of any returns, or is determined by the Department (either through the Department's issuance of a final assessment which has become final under the Act, or by the taxpayer's filing of a return which admits tax to be due that is not paid) to be delinquent or deficient in the paying of any tax under this Act, at which time that taxpayer shall become subject to the bond requirements of this Section and, as a condition of being allowed to continue to engage in the business licensed under this Act, shall be required to furnish bond to the Department in such form as provided in this Section. Such taxpayer shall furnish such bond for a period of 2 years, after which, if the taxpayer has not been delinquent in the filing of any returns, or delinquent or deficient in the paying of any tax under this Act, the Department may reinstate such person as a prior continuance compliance taxpayer. Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with the Department guaranteeing the payment of such admitted or established liability.

Any person aggrieved by any decision of the Department under this Section may, within the time allowed by law, protest and request a hearing, whereupon the Department shall give notice and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to such person. In the absence of such a protest filed within the time allowed by law, the Department's decision shall become final without any further determination being made or notice given.

The Department shall discharge any surety and shall release and return any bond or security deposited, assigned, pledged, or otherwise provided to it by a taxpayer under this Section within 30 days after:

(1) Such taxpayer becomes a prior continuous compliance taxpayer; or

(2) Such taxpayer has ceased to collect receipts on which he is required to remit tax to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax liability as determined by the Department under this Act. The Department shall make a final determination of the taxpayer's outstanding tax liability as expeditiously as possible after his final tax return has been filed. If the Department cannot make such final determination within 45 days after receiving the final tax return, within such period it shall so notify the taxpayer, stating its reasons therefor.

The Department may authorize distributors to affix revenue tax stamps by imprinting tax meter stamps upon original packages of cigarettes. The Department shall adopt rules and regulations relating to the imprinting of such tax meter stamps as will result in payment of the proper taxes as herein imposed. No distributor may affix revenue tax stamps to original packages of cigarettes by imprinting tax meter stamps thereon unless such distributor has first obtained permission from the Department to employ this method of affixation. The Department shall regulate the use of tax meters and may, to assure the proper collection of the taxes imposed by this Act, revoke or suspend the privilege, theretofore granted by the Department to any distributor, to imprint tax meter stamps upon original packages of cigarettes.

Illinois cigarette manufacturers who place their cigarettes in original packages which are contained inside a sealed transparent wrapper, and similar out-of-State cigarette manufacturers who elect to qualify and are accepted by the Department as distributors under Section 4b(a) of this Act, shall pay the taxes imposed by this Act by remitting the amount thereof to the Department by the 5th day of each month covering cigarettes shipped or otherwise delivered in Illinois to purchasers during the preceding calendar month. Such manufacturers of cigarettes in original packages which are contained inside a sealed transparent wrapper, before delivering such cigarettes or causing such cigarettes to be delivered in this State to purchasers, shall evidence their obligation to remit the taxes due with respect to such cigarettes by imprinting language to be prescribed by the Department on each original package of such cigarettes underneath the sealed transparent outside wrapper of such original package, in such place thereon and in such manner as the Department may designate. Such imprinted language shall acknowledge the manufacturer's payment of or

liability for the tax imposed by this Act with respect to the distribution of such cigarettes.

A distributor shall not affix, or cause to be affixed, any stamp or imprint to a package of cigarettes, as provided for in this Section, if the tobacco product manufacturer, as defined in Section 10 of the Tobacco Product Manufacturers' Escrow Act, that made or sold the cigarettes has failed to become a participating manufacturer, as defined in subdivision (a)(1) of Section 15 of the Tobacco Product Manufacturers' Escrow Act, or has failed to create a qualified escrow fund for any cigarettes manufactured by the tobacco product manufacturer and sold in this State or otherwise failed to bring itself into compliance with subdivision (a)(2) of Section 15 of the Tobacco Product Manufacturers' Escrow Act.

The Department or any officer or employee of the Department designated, in writing, by the Director thereof, shall at its or his or her own instance, or on the written request of any distributor, secondary distributor, or other interested party to the proceeding, issue subpoenas requiring the attendance of and the giving of testimony by witnesses, and subpoenas duces tecum requiring the production of books, papers, records or memoranda. All subpoenas and subpoenas duces tecum issued under the terms of this Act may be served by any person of full age. The fees of witnesses for attendance and travel shall be the same as the fees of witnesses before the circuit court of this State; such fees to be paid when the witness is excused from further attendance. Whenever notice is required by this Act, such notice may be given by United States certified or registered mail, addressed to the person concerned at his last known address, and proof of such mailing shall be sufficient for the purposes of this Act. Notice of any hearing provided for by this Act shall be so given not less than 7 days prior to the day fixed for the hearing.

Before the delivery of such record to the person applying for it, payment of these charges must be made, and if the record is not paid for within 30 days after notice that such record is available, the complaint may be dismissed by the court upon motion of the Department.

No stay order shall be entered by the Circuit Court unless the distributor or secondary distributor files with the court a bond in an amount fixed and approved by the court, to indemnify the State against all loss and injury which may be sustained by it on account of the review proceedings and to secure all costs which may be occasioned by such proceedings.

Whenever any proceeding provided by this Act is begun before the Department, either by the Department or by a person subject to this Act, and such person thereafter dies or becomes a person under legal disability before such proceeding is concluded, the legal representative of the deceased person or of the person under legal disability shall notify the Department of such death or legal disability. Such legal representative, as such, shall then be substituted by the Department for such person. If the legal representative fails to notify the Department of his or her appointment as such legal representative, the Department may, upon its own motion, substitute such legal representative in the proceeding pending before the Department for the person who died or became a person under legal disability.

(35 ILCS 135/3) (from Ch. 120, par. 453.33)

Sec. 3. Stamp payment. The tax hereby imposed shall be collected by a distributor maintaining a place of business in this State or a distributor authorized by the Department pursuant to Section 7 hereof to collect the tax, and the amount of the tax shall be added to the price of the cigarettes sold by such distributor. Collection of the tax shall be evidenced by a stamp or stamps affixed to each original package of cigarettes or by an authorized substitute for such stamp imprinted on each original package of such cigarettes underneath the sealed transparent outside wrapper of such original package, except as hereinafter provided. Each distributor who is required or authorized to collect the tax herein imposed, before delivering or causing to be delivered any original packages of cigarettes in this State to any purchaser, shall firmly affix a proper stamp or stamps to each such package, or (in the case of manufacturers of cigarettes in original packages which are contained inside a sealed transparent wrapper) shall imprint the required language on the original package of cigarettes beneath such outside wrapper as hereinafter provided. Such stamp or stamps need not be affixed to the original package of any cigarettes with respect to which the distributor is required to affix a like stamp or stamps by virtue of the Cigarette Tax Act, however, and no tax imprint need be placed underneath the sealed transparent wrapper of an original package of cigarettes with respect to which the distributor is required or authorized to employ a like tax imprint by virtue of the Cigarette Tax Act.
No stamp or imprint may be affixed to, or made upon, any package of cigarettes unless that package complies with all requirements of the federal Cigarette Labeling and Advertising Act, 15 U.S.C. 1331 and following, for the placement of labels, warnings, or any other information upon a package of cigarettes that is sold within the United States. Under the authority of Section 6, the Department shall revoke the license of any distributor that is determined to have violated this paragraph. A person may not affix a stamp on a package of cigarettes, cigarette papers, wrappers, or tubes if that individual package has been marked for export outside the United States with a label or notice in compliance with Section 290.185 of Title 27 of the Code of Federal Regulations. It is not a defense to a proceeding for violation of this paragraph that the label or notice has been removed, mutilated, obliterated, or altered in any manner.

Only distributors licensed under this Act and transporters, as defined in Section 9c of the Cigarette Tax Act, may possess unstamped original packages of cigarettes. Prior to shipment to an Illinois retailer or secondary distributor, a stamp shall be applied to each original package of cigarettes sold to the retailer or secondary distributor. A distributor may apply a tax stamp only to an original package of cigarettes purchased or obtained directly from an in-state maker, manufacturer, or fabricator licensed as a distributor under Section 4 of this Act or an out-of-state maker, manufacturer, or fabricator holding a permit under Section 7 of this Act. A licensed distributor may ship or otherwise cause to be delivered unstamped original packages of cigarettes in, into, or from this State. A licensed distributor may transport unstamped original packages of cigarettes to a facility, wherever located, owned or controlled by such distributor; however, a distributor may not transport unstamped original packages of cigarettes to a facility where retail sales of cigarettes take place or to a facility where a secondary distributor makes sales for resale. Any licensed distributor that ships or otherwise causes to be delivered unstamped original packages of cigarettes into, within, or from this State shall ensure that the invoice or equivalent documentation and the bill of lading or freight bill for the shipment identifies the true name and address of the consignor or seller, the true name and address of the consignee or purchaser, and the quantity by brand style of the cigarettes so transported, provided that this Section shall not be construed as to impose any requirement or liability upon any common or contract carrier.

Distributors making sales of cigarettes to secondary distributors shall add the amount of the tax to the price of the cigarettes sold by the
distributors. Secondary distributors making sales of cigarettes to retailers shall include the amount of the tax in the price of the cigarettes sold to retailers. The amount of tax shall not be less than the amount of taxes imposed by the State and all local jurisdictions. The amount of local taxes shall be calculated based on the location of the retailer's place of business shown on the retailer's certificate of registration or sub-registration issued to the retailer pursuant to Section 2a of the Retailers' Occupation Tax Act. The original packages of cigarettes sold by the retailer shall bear all the required stamps, or other indicia, for the taxes included in the price of cigarettes.

Stamps, when required hereunder, shall be purchased from the Department, or any person authorized by the Department, by distributors. On and after July 1, 2003, payment for such stamps must be made by means of electronic funds transfer. The Department may refuse to sell stamps to any person who does not comply with the provisions of this Act. Beginning on June 6, 2002 and through June 30, 2002, persons holding valid licenses as distributors may purchase cigarette tax stamps up to an amount equal to 115% of the distributor's average monthly cigarette tax stamp purchases over the 12 calendar months prior to June 6, 2002.

Prior to December 1, 1985, the Department shall allow a distributor 21 days in which to make final payment of the amount to be paid for such stamps, by allowing the distributor to make payment for the stamps at the time of purchasing them with a draft which shall be in such form as the Department prescribes, and which shall be payable within 21 days thereafter: Provided that such distributor has filed with the Department, and has received the Department's approval of, a bond, which is in addition to the bond required under Section 4 of this Act, payable to the Department in an amount equal to 80% of such distributor's average monthly tax liability to the Department under this Act during the preceding calendar year or $500,000, whichever is less. The bond shall be joint and several and shall be in the form of a surety company bond in such form as the Department prescribes, or it may be in the form of a bank certificate of deposit or bank letter of credit. The bond shall be conditioned upon the distributor's payment of the amount of any 21-day draft which the Department accepts from that distributor for the delivery of stamps to that distributor under this Act. The distributor's failure to pay any such draft, when due, shall also make such distributor automatically liable to the Department for a penalty equal to 25% of the amount of such draft.
On and after December 1, 1985 and until July 1, 2003, the Department shall allow a distributor 30 days in which to make final payment of the amount to be paid for such stamps, by allowing the distributor to make payment for the stamps at the time of purchasing them with a draft which shall be in such form as the Department prescribes, and which shall be payable within 30 days thereafter, and beginning on January 1, 2003 and thereafter, the draft shall be payable by means of electronic funds transfer: Provided that such distributor has filed with the Department, and has received the Department's approval of, a bond, which is in addition to the bond required under Section 4 of this Act, payable to the Department in an amount equal to 150% of such distributor's average monthly tax liability to the Department under this Act during the preceding calendar year or $750,000, whichever is less, except that as to bonds filed on or after January 1, 1987, such additional bond shall be in an amount equal to 100% of such distributor's average monthly tax liability under this Act during the preceding calendar year or $750,000, whichever is less. The bond shall be joint and several and shall be in the form of a surety company bond in such form as the Department prescribes, or it may be in the form of a bank certificate of deposit or bank letter of credit. The bond shall be conditioned upon the distributor's payment of the amount of any 30-day draft which the Department accepts from that distributor for the delivery of stamps to that distributor under this Act. The distributor's failure to pay any such draft, when due, shall also make such distributor automatically liable to the Department for a penalty equal to 25% of the amount of such draft.

Every prior continuous compliance taxpayer shall be exempt from all requirements under this Section concerning the furnishing of such bond, as defined in this Section, as a condition precedent to his being authorized to engage in the business licensed under this Act. This exemption shall continue for each such taxpayer until such time as he may be determined by the Department to be delinquent in the filing of any returns, or is determined by the Department (either through the Department's issuance of a final assessment which has become final under the Act, or by the taxpayer's filing of a return which admits tax to be due that is not paid) to be delinquent or deficient in the paying of any tax under this Act, at which time that taxpayer shall become subject to the bond requirements of this Section and, as a condition of being allowed to continue to engage in the business licensed under this Act, shall be required to furnish bond to the Department in such form as provided in

this Section. Such taxpayer shall furnish such bond for a period of 2 years, after which, if the taxpayer has not been delinquent in the filing of any returns, or delinquent or deficient in the paying of any tax under this Act, the Department may reinstate such person as a prior continuance compliance taxpayer. Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with the Department guaranteeing the payment of such admitted or established liability.

Any person aggrieved by any decision of the Department under this Section may, within the time allowed by law, protest and request a hearing, whereupon the Department shall give notice and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to such person. In the absence of such a protest filed within the time allowed by law, the Department's decision shall become final without any further determination being made or notice given.

The Department shall discharge any surety and shall release and return any bond or security deposited, assigned, pledged, or otherwise provided to it by a taxpayer under this Section within 30 days after:

1. such Taxpayer becomes a prior continuous compliance taxpayer; or
2. such taxpayer has ceased to collect receipts on which he is required to remit tax to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax liability as determined by the Department under this Act. The Department shall make a final determination of the taxpayer's outstanding tax liability as expeditiously as possible after his final tax return has been filed. If the Department cannot make such final determination within 45 days after receiving the final tax return, within such period it shall so notify the taxpayer, stating its reasons therefor.

At the time of purchasing such stamps from the Department when purchase is required by this Act, or at the time when the tax which he has collected is remitted by a distributor to the Department without the purchase of stamps from the Department when that method of remitting the tax that has been collected is required or authorized by this Act, the distributor shall be allowed a discount during any year commencing July 1 and ending the following June 30 in accordance with the schedule set out hereinbelow, from the amount to be paid by him to the Department for

such stamps, or to be paid by him to the Department on the basis of monthly remittances (as the case may be), to cover the cost, to such distributor, of collecting the tax herein imposed by affixing such stamps to the original packages of cigarettes sold by such distributor or by placing tax imprints underneath the sealed transparent wrapper of original packages of cigarettes sold by such distributor (as the case may be): (1) Prior to December 1, 1985, a discount equal to 1-2/3% of the amount of the tax up to and including the first $700,000 paid hereunder by such distributor to the Department during any such year; 1-1/3% of the next $700,000 of tax or any part thereof, paid hereunder by such distributor to the Department during any such year; 1% of the next $700,000 of tax, or any part thereof, paid hereunder by such distributor to the Department during any such year; and 2/3 of 1% of the amount of any additional tax paid hereunder by such distributor to the Department during any such year or (2) On and after December 1, 1985, a discount equal to 1.75% of the amount of the tax payable under this Act up to and including the first $3,000,000 paid hereunder by such distributor to the Department during any such year and 1.5% of the amount of any additional tax paid hereunder by such distributor to the Department during any such year.

Two or more distributors that use a common means of affixing revenue tax stamps or that are owned or controlled by the same interests shall be treated as a single distributor for the purpose of computing the discount.

Cigarette manufacturers who are distributors under Section 7(a) of this Act, and who place their cigarettes in original packages which are contained inside a sealed transparent wrapper, shall be required to remit the tax which they are required to collect under this Act to the Department by remitting the amount thereof to the Department by the 5th day of each month, covering cigarettes shipped or otherwise delivered to points in Illinois to purchasers during the preceding calendar month, but a distributor need not remit to the Department the tax so collected by him from purchasers under this Act to the extent to which such distributor is required to remit the tax imposed by the Cigarette Tax Act to the Department with respect to the same cigarettes. All taxes upon cigarettes under this Act are a direct tax upon the retail consumer and shall conclusively be presumed to be precollected for the purpose of convenience and facility only. Cigarette manufacturers that are distributors licensed under Section 7(a) of this Act and who place their cigarettes in original packages which are contained inside a sealed transparent wrapper,
before delivering such cigarettes or causing such cigarettes to be delivered in this State to purchasers, shall evidence their obligation to collect and remit the tax due with respect to such cigarettes by imprinting language to be prescribed by the Department on each original package of such cigarettes underneath the sealed transparent outside wrapper of such original package, in such place thereon and in such manner as the Department may prescribe; provided (as stated hereinbefore) that this requirement does not apply when such distributor is required or authorized by the Cigarette Tax Act to place the tax imprint provided for in the last paragraph of Section 3 of that Act underneath the sealed transparent wrapper of such original package of cigarettes. Such imprinted language shall acknowledge the manufacturer’s collection and payment of or liability for the tax imposed by this Act with respect to such cigarettes.

The Department shall adopt the design or designs of the tax stamps and shall procure the printing of such stamps in such amounts and denominations as it deems necessary to provide for the affixation of the proper amount of tax stamps to each original package of cigarettes.

Where tax stamps are required, the Department may authorize distributors to affix revenue tax stamps by imprinting tax meter stamps upon original packages of cigarettes. The Department shall adopt rules and regulations relating to the imprinting of such tax meter stamps as will result in payment of the proper taxes as herein imposed. No distributor may affix revenue tax stamps to original packages of cigarettes by imprinting meter stamps thereon unless such distributor has first obtained permission from the Department to employ this method of affixation. The Department shall regulate the use of tax meters and may, to assure the proper collection of the taxes imposed by this Act, revoke or suspend the privilege, theretofore granted by the Department to any distributor, to imprint tax meter stamps upon original packages of cigarettes.

The tax hereby imposed and not paid pursuant to this Section shall be paid to the Department directly by any person using such cigarettes within this State, pursuant to Section 12 hereof.

A distributor shall not affix, or cause to be affixed, any stamp or imprint to a package of cigarettes, as provided for in this Section, if the tobacco product manufacturer, as defined in Section 10 of the Tobacco Product Manufacturers' Escrow Act, that made or sold the cigarettes has failed to become a participating manufacturer, as defined in subdivision (a)(1) of Section 15 of the Tobacco Product Manufacturers' Escrow Act, or has failed to create a qualified escrow fund for any cigarettes manufactured

Such cigarettes shall be deemed contraband whether the violation of this Section is knowing or otherwise.

Sec. 4b. Secondary distributor's license. No person may engage in business as a secondary distributor of cigarettes in this State without first having obtained a license therefor from the Department. A secondary distributor maintaining a place of business within this State, if required to procure a license as a secondary distributor under the Cigarette Tax Act, need not obtain an additional license or permit under this Act, but shall be deemed to be sufficiently licensed or registered by virtue of his being licensed or registered under the Cigarette Tax Act.
Every secondary distributor maintaining a place of business in this State, if not required to procure a license under the Cigarette Tax Act, shall make application for a license on a form as furnished and prescribed by the Department. Such applicant shall furnish the following information to the Department on a form signed and verified by the applicant under penalty of perjury:
(1) the name and address of the applicant;
(2) the address of the location at which the applicant proposes to engage in business as a secondary distributor of cigarettes in this State; and
(3) such other additional information as the Department may reasonably require.
The annual license fee payable to the Department for each secondary distributor's license shall be $250. The applicant for license
shall pay such fee to the Department at the time of submitting the
application for license to the Department.

A separate application for license shall be made and a separate
annual license fee paid, for each place of business at or from which the
applicant proposes to act as a secondary distributor under this Act and for
which the applicant is not required to procure a license as a secondary
distributor under the Cigarette Tax Act.

The following are ineligible to receive a secondary distributor's
license under this Act:

(1) a person who is not of good character and reputation in
the community in which he resides;

(2) a person who has been convicted of a felony under any
Federal or State law, if the Department, after investigation and a
hearing, if requested by the applicant, determines that such person
has not been sufficiently rehabilitated to warrant the public trust;

(3) a corporation, if any officer, manager or director
thereof, or any stockholder or stockholders owning in the
aggregate more than 5% of the stock of such corporation, would
not be eligible to receive a license hereunder for any reason;

(4) a person who manufactures cigarettes, whether in this
State or out of this State;

(5) a person, or any person who owns more than 15 percent
of the ownership interests in a person or a related party who:

(A) owes, at the time of application, any delinquent
cigarette taxes that have been determined by law to be due
and unpaid, unless the license applicant has entered into an
agreement approved by the Department to pay the amount
due;

(B) had a license under this Act or the Cigarette
Tax Act revoked within the past 2 years by the Department
for misconduct relating to stolen or contraband cigarettes
or has been convicted of a State or federal crime,
punishable by imprisonment of one year or more, relating
to stolen or contraband cigarettes;

(C) has been found by the Department, after notice
and a hearing, to have imported or caused to be imported
into the United States for sale or distribution any cigarette
in violation of 19 U.S.C. 1681a;
(D) has been found by the Department, after notice and a hearing, to have imported or caused to be imported into the United States for sale or distribution or manufactured for sale or distribution in the United States any cigarette that does not fully comply with the Federal Cigarette Labeling and Advertising Act (15 U.S.C. 1331, et seq.); or

(E) has been found by the Department, after notice and a hearing, to have made a material false statement in the application or has failed to produce records required to be maintained by this Act.

Upon approval of such application and payment of the required annual license fee, the Department shall issue a license to the applicant. Such license shall permit the applicant to engage in business as a secondary distributor at or from the place shown in his application. All licenses issued by the Department under this Act shall be valid for not to exceed one year after issuance unless sooner revoked, canceled or suspended as in this Act provided. No license issued under this Act is transferable or assignable. Such license shall be conspicuously displayed at the place of business for which it is issued.

No secondary distributor licensee acquires any vested interest or compensable property right in a license issued under this Act.

A licensed secondary distributor shall notify the Department of any change in the information contained on the application form, including any change in ownership, and shall do so within 30 days after any such change.

Any person aggrieved by any decision of the Department under this Section may, within 20 days after notice of the decision, protest and request a hearing. Upon receiving a request for a hearing, the Department shall give notice to the person requesting the hearing of the time and place fixed for the hearing and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to that person. In the absence of a protest and request for a hearing within 20 days, the Department's decision shall become final without any further determination being made or notice given.

Sec. 6. Revocation, cancellation, or suspension of license. The Department may, after notice and hearing as provided for by this Act, revoke, cancel or suspend the license of any distributor or secondary distributor for the violation of any provision of this Act, or for non-compliance with any provision herein contained, or for any non-compliance with any lawful rule or regulation promulgated by the Department under Section 21 of this Act, or because the licensee is determined to be ineligible for a distributor's license for any one or more of the reasons provided for in Section 4 of this Act, or because the licensee is determined to be ineligible for a secondary distributor's license for any one or more of the reasons provided for in Section 4b or Section 7a of this Act. However, no such license shall be revoked, canceled or suspended, except after a hearing by the Department with notice to the distributor or secondary distributor, as aforesaid, and affording such distributor or secondary distributor a reasonable opportunity to appear and defend, and any distributor or secondary distributor aggrieved by any decision of the Department with respect thereto may have the determination of the Department judicially reviewed, as herein provided.

Any distributor or secondary distributor aggrieved by any decision of the Department under this Section may, within 20 days after notice of the decision, protest and request a hearing. Upon receiving a request for a hearing, the Department shall give notice in writing to the distributor or secondary distributor requesting the hearing that contains a statement of the charges preferred against the distributor or secondary distributor and that states the time and place fixed for the hearing. In the absence of a protest and request for a hearing
within 20 days, the Department's decision shall become final without any further determination being made or notice given.

No license so revoked, shall be reissued to any such distributor or secondary distributor within a period of 6 months after the date of the final determination of such revocation. No such license shall be reissued at all so long as the person who would receive the license is ineligible to receive a distributor's license under this Act for any one or more of the reasons provided for in Section 4 of this Act or is ineligible to receive a secondary distributor's license under this Act for any one or more of the reasons provided for in Section 4b and Section 7a of this Act.

Section 55. Licenses; renewals; restoration; person in military service.

(a) The expiration date and renewal period for each license issued under this Act shall be set by rule. As a condition for renewal of a license, the licensee may be required to complete continuing education under requirements set forth in rules of the Department.

(b) Any person who has permitted his or her license to expire may have his or her license restored by making application to the Department and filing proof acceptable to the Department of fitness to have his or her license restored, which may include sworn evidence certifying to active practice in another jurisdiction satisfactory to the Department, complying with any continuing education requirements, and paying the required restoration fee.

(c) If the person has not maintained an active practice in another jurisdiction satisfactory to the Department, then the Department shall determine, by an evaluation program established by rule, the person's fitness to resume active status and may require the person to complete a period of evaluated experience. However, any person whose license expired while (i) in federal service on active duty with the Armed Forces of the United States or called into service or training with the State Militia, or (ii) in training or education under the supervision of the United States preliminary to induction into the military service may have his or her license renewed or restored without paying any lapsed renewal fees if,

(d) Any person who notifies the Department, in writing on forms prescribed by the Department, may place his or her license on inactive status and shall be excused from the payment of renewal fees until the person notifies the Department in writing of the intention to resume active practice.

(e) Any person requesting his or her license be changed from inactive to active status shall be required to pay the current renewal fee and shall also demonstrate compliance with any applicable continuing education requirements.

(f) Any licensee whose license is nonrenewed or on inactive status shall not engage in the practice as an athlete agent as set forth in this Act in the State of Illinois and use the title or advertise that he or she performs the services of an athlete agent.

(g) Any person violating subsection (f) of this Section shall be considered to be practicing without a license and will be subject to the disciplinary provisions of this Act.

(h) The Department may adopt additional rules in order to effectively administer the provisions in this Section.

Section 60. Fees.

(a) The fees for the administration and enforcement of this Act, including but not limited to original licensure, renewal, and restoration fees, shall be set by the Department by rule. The fees shall not be refundable.

(b) All fees and other monies collected under this Act shall be deposited in the General Professions Dedicated Fund.

Section 65. Roster. The Department shall maintain a roster of names and addresses of all persons who hold valid licenses and all persons whose licenses have been suspended, revoked or otherwise disciplined within the previous year. This roster shall be available upon request and payment of the required fee as set forth by rule.

Section 70. Returned checks; fines. Any person who delivers a check or other payment to the Department that is returned to the Department unpaid by the financial institution upon which it is drawn shall pay to the Department, in addition to the amount already owed to the
Department, a fine of $50. The fines imposed by this Section are in addition to any other discipline provided under this Act for unlicensed practice or practice on a nonrenewed license. The Department shall notify the person that payment of fees and fines shall be paid to the Department by certified check or money order within 30 calendar days of the notification. If, after the expiration of 30 days from the date of the notification, the person has failed to submit the necessary remittance, then the Department shall automatically terminate the license or deny the application, without hearing. If, after termination or denial, the person seeks a license, then he or she shall apply to the Department for restoration or issuance of the license and pay all fees and fines due to the Department. The Department may establish a fee for the processing of an application for restoration of a license to pay all expenses of processing this application. The Secretary may waive the fines due under this Section in individual cases where the Secretary finds that the fines would be unreasonable or unnecessarily burdensome.

Section 75. Grounds for disciplinary action.

(a) The Department may refuse to issue or renew, or may revoke, suspend, place on probation, reprimand, or take other disciplinary or non-disciplinary action as the Department may deem appropriate, including imposing fines not to exceed $10,000 for each violation, with regard to any license for any one or combination of the following:

1. Making a material misstatement in furnishing information to the Department.

2. Violating this Act, or the rules adopted pursuant to this Act.

(20) Any instance in which the conduct of the applicant or any person named pursuant to item (5) of subsection (a) of Section 45 resulted in the imposition of a sanction, suspension, or declaration of ineligibility to participate in an interscholastic or intercollegiate athletic event on a student-athlete or educational institution.

(21) Any instance in which the conduct of any person named pursuant to item (5) of subsection (a) of Section 45 resulted in the denial of an application as an athlete agent or discipline of a license as an athlete agent by another state, District of Columbia, territory, or foreign nation, if at least one of the grounds for the discipline is the same or substantially equivalent to those set forth in this Section.

(22) Committing any of the activities set forth in subsection (b) of Section 175 of this Act.

(b) A person holding a license under this Act or has applied for licensure under this Act who, because of a physical or mental illness or disability, including but not limited to deterioration through the aging process or loss of motor skill, is unable to practice the profession with reasonable judgment, skill, or safety may be required by the Department to submit to care, counseling or treatment by physicians approved or designated by the Department as a condition, term or restriction for continued, reinstated or renewed licensure to practice. Submission to care, counseling or treatment as required by the Department shall not be considered discipline of the license. If the licensee refuses to enter into a care, counseling, or treatment agreement or fails to abide by the terms of the agreement, then the Department may file a complaint to suspend, revoke, or otherwise discipline the license of the individual. The Secretary may order the license suspended immediately, pending a hearing by the Department. Fines shall not be assessed in disciplinary actions involving physical or mental illness or impairment.

(c) The determination by a circuit court that a licensee is subject to involuntary admission or judicial admission as provided in the Mental Health and Developmental Disabilities Code, as amended, operates as an automatic suspension. The suspension will end only upon a finding by a court that the licensee is no longer subject to the involuntary admission or judicial admission and issues an order so finding and discharging the licensee; and upon review of the order by the Secretary or his or her designee, the licensee may be allowed to resume his or her practice.

(d) The Department may refuse to issue or may suspend without hearing as provided for in the Code of Civil Procedure the license of any person who fails to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of the tax, penalty, or interest as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are satisfied.

(e) In enforcing this Section, the Department upon a showing of a possible violation may compel an individual licensed to practice under this Act, or who has applied for licensure under this Act, to submit to a mental or physical examination, or both, as required by and at the expense of the Department. The Department may order the examining physician to present testimony concerning the mental or physical examination of the licensee or applicant. No information shall be excluded by reason of any common law or statutory privilege relating to communications between the licensee or applicant and the examining physician. The examining physicians shall be specifically designated by the Department. The individual to be examined may have, at his or her own expense, another physician of his or her choice present during all aspects of this examination. Failure of an individual to submit to a mental or physical examination, when directed, shall be grounds for the immediate suspension of his or her license until the individual submits to the examination if the Department finds that the refusal to submit to the examination was without reasonable cause as defined by rule.

In instances in which the Secretary immediately suspends a person's license for his or her failure to submit to a mental or physical examination, when directed, a hearing on that person's license must be convened by the Department within 15 days after the suspension and completed without appreciable delay.

In instances in which the Secretary otherwise suspends a person's license pursuant to the results of a compelled mental or physical examination a hearing on that person's license must be convened by the Department within 15 days after the suspension and completed without appreciable delay. The Department shall have the authority to review the subject individual's record of treatment and counseling regarding the impairment to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

(3) a description of any expenses that the student-athlete agrees to reimburse;

(4) a description of the services to be provided to the student-athlete;

(5) the duration of the contract; and

(6) the date of execution.

(c) An agency contract must contain, in close proximity to the signature of the student-athlete, a conspicuous notice in boldface type in capital letters stating:

WARNING TO STUDENT-ATHLETE IF YOU SIGN THIS CONTRACT:

(1) YOU MAY LOSE YOUR ELIGIBILITY TO COMPETE AS A STUDENT-ATHLETE IN YOUR SPORT;

(2) IF YOU HAVE AN ATHLETIC DIRECTOR, WITHIN 72 HOURS AFTER ENTERING INTO THIS CONTRACT OR BEFORE YOUR NEXT SCHEDULED ATHLETIC EVENT, WHICHEVER OCCURS FIRST, BOTH YOU AND YOUR ATHLETE AGENT MUST NOTIFY YOUR ATHLETIC DIRECTOR; AND

(3) YOU MAY CANCEL THIS CONTRACT WITHIN 14 DAYS AFTER SIGNING IT. CANCELLATION OF THIS CONTRACT MAY NOT REINSTATE YOUR ELIGIBILITY.

(d) An agency contract that does not conform to this Section is voidable by the student-athlete. If a student-athlete voids an agency contract, then the student-athlete is not required to pay any consideration.
under the contract or to return any consideration received from the athlete agent to induce the student-athlete to enter into the contract.

(e) The athlete agent shall give a record of the signed or otherwise authenticated agency contract to the student-athlete at the time of execution.

Section 90. Notice to educational institution.

(a) Within 72 hours after entering into an agency contract or before the next scheduled athletic event in which the student-athlete may participate, whichever occurs first, the athlete agent shall give notice in a record of the existence of the contract to the athletic director of the educational institution at which the student-athlete is enrolled or the athlete agent has reasonable grounds to believe the student-athlete intends to enroll.

(b) Within 72 hours after entering into an agency contract or before the next athletic event in which the student-athlete may participate, whichever occurs first, the student-athlete shall inform the athletic director of the educational institution at which the student-athlete is enrolled that he or she has entered into an agency contract.

(b) Records required by subsection (a) of this Section to be retained shall be open to inspection by the Department during normal business hours.

Section 100. Injunctive action; cease and desist order.

(a) If any person violates the provisions of this Act, then the Secretary, in the name of the People of the State of Illinois, through the Attorney General or the State's Attorney of the county in which the violation is alleged to have occurred, may petition for an order enjoining the violation or for an order enforcing compliance with this Act. Upon the filing of a verified petition, the court with appropriate jurisdiction may issue a temporary restraining order, without notice or bond, and may preliminarily and permanently enjoin the violation. If it is established that the person has violated or is violating the injunction, then the court may punish the offender for contempt of court. Proceedings under this Section are in addition to, and not in lieu of, all other remedies and penalties provided by this Act.

(b) Whenever, in the opinion of the Department, a person violates any provision of this Act, the Department may issue a rule to show cause why an order to cease and desist should not be entered against that person. The rule shall clearly set forth the grounds relied upon by the Department and shall allow at least 7 days from the date of the rule to file an answer satisfactory to the Department. Failure to answer to the satisfaction of the Department shall cause an order to cease and desist to be issued.

Section 105. Investigations; notice and hearing. The Department may investigate the actions of any applicant or of any person or persons rendering or offering to render services as an athlete agent or any person holding or claiming to hold a license as an athlete agent. The Department shall, before revoking, suspending, placing on probation, reprimanding, or taking any other disciplinary or non-disciplinary action under Section 75 of this Act, at least 30 days before the date set for the hearing, (i) notify the accused in writing of the charges made and the time and place for the hearing on the charges, (ii) direct him or her to file a written answer to the charges with the Department under oath within 20 days after the service on him or her of the notice, and (iii) inform the accused that, if he or she fails to answer, default will be taken against him or her or that his or her license may be suspended, revoked, placed on probationary status, or other disciplinary action taken with regard to the license, including limiting the scope, nature, or extent of his or her practice, as the Department may consider proper. At the time and place fixed in the notice, the Department

New matter indicated by italics - deletions by strikeout
shall proceed to hear the charges and the parties or their counsel shall be accorded ample opportunity to present any pertinent statements, testimony, evidence, and arguments. The Department may continue the hearing from time to time. In case the person, after receiving the notice, fails to file an answer, his or her license may, in the discretion of the Department, be suspended, revoked, placed on probationary status, or the Department may take whatever disciplinary action considered proper, including limiting the scope, nature, or extent of the person's practice or the imposition of a fine, without a hearing, if the act or acts charged constitute sufficient grounds for that action under this Act. The written notice may be served by personal delivery or by certified mail to the address specified by the accused in his or her last notification with the Department.

Section 110. Record of proceedings; transcript. The Department, at its expense, shall preserve a record of all proceedings at the formal hearing of any case. The notice of hearing, complaint, all other documents in the nature of pleadings, written motions filed in the proceedings, the transcripts of testimony, the report of the Hearing Officer, and orders of the Department shall be in the record of the proceeding. The Department shall furnish a transcript of such record to any person interested in such hearing upon payment of the fee required under Section 2105-115 of the Department of Professional Regulation Law (20 ILCS 2105/2105-115).

Section 115. Subpoenas; depositions; oaths. The Department has the power to subpoena documents, books, records or other materials and to bring before it any person and to take testimony either orally or by deposition, or both, with the same fees and mileage and in the same manner as prescribed in civil cases in the courts of this State.

The Secretary, the designated hearing officer, and other parties designated by the Department have the power to administer oaths to witnesses at any hearing that the Department is authorized to conduct, and any other oaths authorized in any Act administered by the Department.

Section 120. Compelling testimony. Any circuit court, upon application of the Department or designated hearing officer may enter an order requiring the attendance of witnesses and their testimony, and the production of documents, papers, files, books, and records in connection with any hearing or investigation. The court may compel obedience to its order by proceedings for contempt.

Section 125. Findings and recommendations. At the conclusion of the hearing, the Hearing Officer shall present to the Secretary a written report of its findings of fact, conclusions of law, and recommendations.

New matter indicated by italics - deletions by strikeout
The report shall contain a finding whether or not the accused person violated this Act or its rules or failed to comply with the conditions required in this Act or its rules. The Hearing Officer shall specify the nature of any violations or failure to comply and shall make its recommendations to the Secretary. In making recommendations for any disciplinary actions, the Hearing Officer may take into consideration all facts and circumstances bearing upon the reasonableness of the conduct of the accused and the potential for future harm to the public, including but not limited to previous discipline of the accused by the Department, intent, degree of harm to the public and likelihood of harm in the future, any restitution made by the accused, and whether the incident or incidents contained in the complaint appear to be isolated or represent a continuing pattern of conduct. In making its recommendations for discipline, the Hearing Officer shall endeavor to ensure that the severity of the discipline recommended is reasonably related to the severity of the violation.

The report of findings of fact, conclusions of law, and recommendation of the Hearing Officer may, but shall not be required to be, the basis for the Department's order refusing to issue, restore, or renew a license, or otherwise disciplining a licensee. If the Secretary disagrees with the recommendations of the Hearing Officer, then the Secretary may issue an order in contravention. The finding is not admissible in evidence against the person in a criminal prosecution brought for a violation of this Act, but the hearing and finding are not a bar to a criminal prosecution brought for a violation of this Act.

Section 130. Rehearing. At the conclusion of the hearing, a copy of the Hearing Officer's report shall be served upon the applicant or licensee by the Department, either personally or as provided in this Act for the service of a notice of hearing. Within 20 days after service, the applicant or licensee may present to the Department a motion in writing for a rehearing, which shall specify the particular grounds for rehearing. The Department may respond to the motion for rehearing within 20 days after its service on the Department. If no motion for rehearing is filed, then upon the expiration of the time specified for filing such a motion, or if a motion for rehearing is denied, then upon denial, the Secretary may enter an order in accordance with recommendations of the Hearing Officer except as provided in Section 135 of this Act. If the applicant or licensee orders from the reporting service and pays for a transcript of the record within the time for filing a motion for rehearing, then the 20-day period.

New matter indicated by italics - deletions by strikeout
within which a motion may be filed shall commence upon the delivery of the transcript to the applicant or licensee.

Section 135. Secretary; rehearing. Whenever the Secretary believes that substantial justice has not been done in the revocation, suspension, or refusal to issue, restore, or renew a license, or other discipline of an applicant or licensee, he or she may order a rehearing the same or a different Hearing Officer.

Section 140. Appointment of a hearing officer. The Secretary has the authority to appoint any attorney licensed to practice law in the State of Illinois to serve as the hearing officer in any action for refusal to issue, restore, or renew a license or to discipline a licensee. The hearing officer has full authority to conduct the hearing. The hearing officer shall report his or her findings of fact, conclusions of law, and recommendations to the Secretary. If the Secretary disagrees with the recommendation of the hearing officer, then the Secretary may issue an order in contravention of the recommendation.

Section 145. Order or certified copy; prima facie proof. An order or certified copy thereof, over the seal of the Department and purporting to be signed by the Secretary, is prima facie proof that:

(1) the signature is the genuine signature of the Secretary; and

(2) the Secretary is duly appointed and qualified.

Section 150. Restoration of suspended or revoked license. At any time after the successful completion of a term of suspension or revocation of a license, the Department may restore it to the licensee, unless after an investigation and a hearing the Department determines that restoration is not in the public interest.

Section 155. Surrender of license. Upon the revocation or suspension of a license, the licensee shall immediately surrender his or her license to the Department. If the licensee fails to do so, then the Department has the right to seize the license.

Section 160. Summary suspension of a license. The Secretary may summarily suspend a license, without a hearing, simultaneously with the institution of proceedings for a hearing provided for in Section 105 of this Act, if the Secretary finds that evidence in the Secretary's possession indicates that the continuation of practice as an athlete agent would constitute an imminent danger to the public. In the event that the Secretary summarily suspends a license, without a hearing, a hearing must be
commenced within 30 days after the suspension has occurred and concluded as expeditiously as practical.

Section 165. Administrative review; venue.
(a) All final administrative decisions of the Department are subject to judicial review under the Administrative Review Law and its rules. The term "administrative decision" is defined as in Section 3-101 of the Code of Civil Procedure.

Sec. 5. Record requirements.

(a) Except in municipalities located in counties having 3,000,000 or more inhabitants, every pawn and loan broker shall keep a standard record book that has been approved by the sheriff of the county in which the pawnbroker does business. In municipalities in counties with 3,000,000 or more inhabitants, the record book shall be approved by the police department of the municipality in which the pawn or loan broker does business. At the time of each and every loan or taking of a pledge, an accurate account and description, in the English language, of all the goods, articles and other things pawned or pledged, the amount of money, value or thing loaned thereon, the time of pledging the same, the rate of interest to be paid on such loan, and the name and residence of the person making such pawn or pledge shall be printed, typed, or written in ink in the record book. Such entry shall include the serial number or identification number of items received which bear such number. Except for items purchased from dealers possessing a federal employee identification number who have provided a receipt to the pawnbroker, every pawnbroker shall also record in his book, an accurate account and description, in the English language, of all goods, articles and other things purchased or received for the purpose of resale or loan collateral by the pawnbroker from any source, not in the course of a pledge or loan, the time of such purchase or receipt and the name and address of the person or business which sold or delivered such goods, articles, or other things to the pawnbroker. No entry in such book shall be erased, mutilated or changed.

identification card issued by the Secretary of State and contains a photograph of the person being identified, only one form of identification must be shown. If the identification shown is not a driver's license or a State identification card issued by the Secretary of State and does not contain a photograph, 2 forms of identification must be shown, and one of the 2 forms of identification must include his or her residence address. If the customer has no social security number, the pawnbroker shall record this fact.

A county or municipality, including a home rule unit, may regulate a pawnbroker's identification requirements for persons pledging or pawning goods, articles, or other things to the pawnbroker in a manner that is not less restrictive than the regulation by the State of a pawnbroker's identification requirements for persons pledging or pawning goods, articles, or other things. A home rule unit may not regulate a pawnbroker's identification requirements for persons pledging or pawning goods, articles, or other things to the pawnbroker in a manner less restrictive than the regulation by the State of a pawnbroker's identification requirements for persons pledging or pawning goods, articles, or other things. This Section is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of the powers and functions exercised by the State.

(c) A pawnbroker may maintain the records required by subsection (a) in computer form if the computer form has been approved by the Commissioner, the sheriff of the county in which the shop is located, and the police department of the municipality in which the shop is located.

(d) Records, including reports to the Secretary Commissioner, maintained by pawnbrokers shall be confidential, and no disclosure of pawnbroker records shall be made except disclosures authorized by this Act or ordered by a court of competent jurisdiction. That board of trustees shall also appoint the remaining trustee if no other township comprises at least 10% of the population of the district. If only one other township comprises at least 10% of the population of the district, then the board of trustees of that district shall appoint the remaining trustee. If 2 or more other townships each comprise at least 10% of the population of the district, then the boards of trustees of those townships shall jointly appoint the remaining trustee. No township official who is eligible to vote on the appointment shall be eligible for the appointment.

(4) If the district is located in more than one county, the number of trustees who are residents of a county shall be in proportion, as nearly as practicable, to the number of residents of the district who reside in that county in relation to the total population of the district.

(A) In counties with a population of 3,000,000 or more, the trustees shall be appointed as provided in paragraphs (1), (2), and (3) of subsection (a) of this Section. For purposes of this item (A) and in item (B), "district"
means that portion of the total fire protection district lying within a county with a population in excess of 3,000,000.

(B) In counties with a population of less than 3,000,000, the trustees for the district shall be appointed by the presiding officer of the county board with the advice and consent of the county board.

Upon the expiration of the term of a trustee who is in office on October 1, 1975, the successor shall be a resident of whichever county is entitled to such representation in order to bring about the proportional representation required herein, and he shall be appointed by the county board of that county, or in the case of a home rule county as defined by Article VII, Section 6 of the Constitution of 1970, the chief executive officer of that county, with the advice and consent of the county board.

Thereafter, each trustee shall be succeeded by a resident of the same county who shall be appointed by the same appointing authority; however, the provisions of the preceding paragraph shall apply to the appointment of the successor to each trustee who is in office at the time of the publication of each decennial Federal census of population.

Within 60 days after the adoption of this Act as provided in Section 1, or within 60 days after the adoption of an ordinance pursuant to subsection (c) of Section 4.01, the appropriate appointing authority shall appoint 3 trustees who are electors in the district, not more than one of whom shall be from any one city or village or incorporated town in a district unless such city or village or incorporated town has more than 50% of the population in the district according to last preceding Federal census. Such trustees shall hold their offices thenceforward and for one, 2 and 3 years from the first Monday of May next after their appointment and until their successors have been selected and qualified and thereafter, unless the district has determined to elect trustees as provided in Section 4a, on or before the second Monday in April of each year the appointing authority shall appoint one trustee whose term shall be for 3 years commencing on the first Monday in May next after they are respectively appointed. The length of term of the first trustees shall be determined by lot at their first meeting.

Each trustee shall, before entering on the duties of his office, enter into bond with security to be approved by the appointing authority in such sum as the authority may determine.

A majority of the board of trustees shall constitute a quorum, but a smaller number may adjourn from day to day. No trustee or employee of
such district shall be directly or indirectly interested financially in any contract work or business or the sale of any article, the expense, price or consideration of which is paid by the district; nor in the purchase of any real estate or other property, belonging to the district, or which shall be sold for taxes or assessments or by virtue of legal process at the suit of the district. Nothing in this Section prohibits the appointment or selection of any person or trustee or employee whose only interest in the district is as an owner of real estate in such fire protection district or of contributing to the payment of taxes levied by the district. The trustees shall have the power to provide and adopt a corporate seal for the district.

(b) However, any trustee may provide materials, merchandise, property, services or labor, if:

A. the contract is with a person, firm, partnership, association, corporation or cooperative association in which such interested trustee has less than a 7 1/2% share in the ownership; and

B. such interested trustee publicly discloses the nature and extent of his interest prior to or during deliberations concerning the proposed award of the contract; and

C. such interested trustee abstains from voting on the award of the contract, though he shall be considered present for the purposes of establishing a quorum; and

D. such contract is approved by a majority vote of those trustees presently holding office; and

E. the contract is awarded after sealed bids to the lowest responsible bidder if the amount of the contract exceeds $1500, but the contract may be awarded without bidding if the amount is less than $1500; and F. the award of the contract would not cause the aggregate amount of all such contracts so awarded to the same person, firm, association, partnership, corporation, or cooperative association in the same fiscal year to exceed $25,000.

(c) In addition to the above exemption, any trustee or employee may provide materials, merchandise, property, services or labor if:

A. the award of the contract is approved by a majority vote of the board of trustees of the fire protection district provided that any such interested member shall abstain from voting; and

B. the amount of the contract does not exceed $1000; and

C. the award of the contract would not cause the aggregate amount of all such contracts so awarded to the same person, firm,
association, partnership, corporation, or cooperative association in
the same fiscal year to exceed $2000; and

D. such interested member publicly discloses the nature and
extent of his interest prior to or during deliberations concerning the
proposed award of the contract; and

E. such interested member abstains from voting on the
award of the contract, though he shall be considered present for the
purposes of establishing a quorum.

(d) A contract for the procurement of public utility services by a
district with a public utility company is not barred by this Section by one
or more members of the board of trustees being an officer or employee of
the public utility company or holding an ownership interest if no more
than 7 1/2% in the public utility company, or holding an ownership interest
of any size if the fire protection district has a population of less than 7,500
and the public utility's rates are approved by the Illinois Commerce
Commission. An elected or appointed member of the board of trustees
having such an interest shall be deemed not to have a prohibited interest
under this Section.

(e) Any officer or employee who violates this Section is guilty of a
Class 4 felony and in addition the reto any office held by such person so
convicted shall become vacant and shall be so declared as part of the
judgment of the court.

(f) Nothing contained in this Section, including the restrictions set
forth in subsections (b), (c) and (d), shall preclude a contract of deposit of
monies, loans or other financial services by a fire protection district with a
local bank or local savings and loan association, regardless of whether a
member or members of the board of trustees of the fire protection district
are interested in such bank or savings and loan association as an officer or
employee or as a holder of less than 7 1/2% of the total ownership interest.
A member or members holding such an interest in such a contract shall not
be deemed to be holding a prohibited interest for purposes of this Act. Such
interested member or members of the board of trustees must publicly
state the nature and extent of their interest during deliberations concerning
the proposed award of such a contract, but shall not participate in any
further deliberations concerning the proposed award. Such interested
member or members shall not vote on such a proposed award. Any
member or members abstaining from participation in deliberations and
voting under this Section may be considered present for purposes of
establishing a quorum. Award of such a contract shall require approval by

a majority vote of those members presently holding office. Consideration and award of any such contract in which a member or members are interested may only be made at a regularly scheduled public meeting of the board of trustees of the fire protection district.

(g) Beginning on the effective date of this amendatory Act of 1990 and ending 3 years after the effective date of this amendatory Act of 1990, in the case of a fire protection district board of trustees in a county with a population of more than 400,000 but less than 450,000, according to the 1980 general census, created under subsection (a), paragraph (3) of this Section a petition for the redress of a trustee, charging the trustee with palpable omission of duty or nonfeasance in office, signed by not less than 5% of the electors of the district may be presented to the township supervisor or the presiding officer of the county board, as appropriate. Upon receipt of the petition, the township supervisor or presiding officer of the county board, as appropriate, shall preside over a hearing on the matter of the requested redress. The hearing shall be held not less than 14 nor more than 30 days after receipt of the petition. In the case of a fire protection district trustee appointed by the presiding officer of the county board, the presiding officer shall appoint at least 4 but not more than 8 members of the county board, a majority of whom shall reside in a county board district in which the fire protection district is wholly or partially located, to serve as the hearing panel. In the case of a fire protection district trustee appointed by the board of town trustees, the township supervisor and 2 other town trustees appointed by the supervisor shall serve as the hearing panel. Within 30 days after the hearing, the panel shall issue a statement of its findings concerning the charges against the trustee, based upon the evidence presented at the hearing, and may make to the fire protection district any recommendations deemed appropriate.

(h) Any elected or appointed trustee of a fire protection district shall be entitled to absent himself or herself from any services or employment in which the trustee is then engaged or employed on the day and time of a meeting of the board of trustees of the fire protection district for the period of time during which the meeting is held and during any necessary time required to travel to and from the meeting. Any trustee availing himself or herself of this provision shall not be penalized in any manner by his or her employer as a result of an absence authorized by this subsection; however, the employer shall not be required to compensate the trustee for the time during which the trustee is absent. No employer shall refuse to grant to a trustee of a fire protection district the privilege granted

by this subsection, nor shall any employer penalize or otherwise discriminate against any trustee who avails himself or herself of the provisions of this subsection, except as otherwise provided herein. No employer may directly or indirectly violate the provisions of this subsection. A "meeting" for purposes of this subsection shall have the same meaning as that provided under Section 1.02 of the Open Meetings Act.

(i) Under either of the following circumstances, a trustee may hold a position on the board of a not-for-profit corporation that is interested in a contract, work, or business of the fire protection district:

(1) If the trustee is appointed by the governing body of the fire protection district to represent the interests of the district on a not-for-profit corporation's board, then the trustee may actively vote on matters involving either that board or the fire protection district, at any time, so long as the membership on the not-for-profit board is not a paid position, except that the trustee may be reimbursed by the not-for-profit board for expenses incurred as the result of membership on the not-for-profit board.

(2) If the trustee is not appointed to the board of a not-for-profit corporation by the governing body of the fire protection district, then the trustee may continue to serve; however, the trustee shall abstain from voting on any proposition before the governing body of the fire protection district directly involving the not-for-profit corporation and, for those matters, shall not be counted as present for the purposes of a quorum of the governing body of the fire protection district.

The verified statement of the county shall accompany the written notice. However, if the county does not respond to the municipality's request for verification within 30 days, this verification requirement shall be waived. The written notice shall be provided to the Department of Revenue (1) within 30 days after the effective date of this amendatory Act of the 96th General Assembly for disconnections occurring after January 1, 2007 and before the effective date of this amendatory Act of the 96th General Assembly or (2) within 30 days after the annexation or disconnection for annexations or disconnections occurring on or after the effective date of this amendatory Act of the 96th General Assembly. For purposes of this Section, a disconnection or annexation through court order is deemed to be effective 30 days after the entry of a final judgment order, unless stayed pending appeal. Thereafter, the monthly allocation made to the municipality and to any other municipality or county affected by the annexation or disconnection shall be adjusted in accordance with this Section to reflect the change in residency of the residents of the territory that was annexed or disconnected. The adjustment shall be made no later than 30 days after the Department of Revenue's receipt of the written notice of annexation or disconnection described in this Section.

A quorum of members of a public body must be physically present at the location of an open meeting. If, however, an open meeting of a public body (i) with statewide jurisdiction, or (ii) that is an Illinois library system with jurisdiction over a specific geographic area of more than 4,500 square miles, or (iii) that is a municipal transit district with jurisdiction over a specific geographic area of more than 4,500 square miles is held simultaneously at one of its offices and one or more other locations in a public building, which may include other of its offices, through an interactive video conference and the public body provides public notice and public access as required under this Act for all locations, then members physically present in those locations all count towards determining a quorum. "Public building", as used in this Section, means any building or portion thereof owned or leased by any public body. The requirement that a quorum be physically present at the location of an open meeting shall not apply, however, to State advisory boards or bodies that do not have authority to make binding recommendations or determinations or to take any other substantive action.

A quorum of members of a public body that is not (i) a public body with statewide jurisdiction, or (ii) a public body that is an Illinois library system with jurisdiction over a specific geographic area of more than 4,500 square miles, or (iii) a municipal transit district with jurisdiction over a specific geographic area of more than 4,500 square miles must be physically present at the location of a closed meeting. "Other means" is by video or audio conference.
(b) If a member wishes to attend a meeting by other means, the member must notify the recording secretary or clerk of the public body before the meeting unless advance notice is impractical.

(c) A majority of the public body may allow a member to attend a meeting by other means only in accordance with and to the extent allowed by rules adopted by the public body. (d) The limitations of this Section shall not apply to (i) closed meetings of (A) public bodies with statewide jurisdiction, (B) or that are Illinois library systems with jurisdiction over a specific geographic area of more than 4,500 square miles, or (C) municipal transit districts with jurisdiction over a specific geographic area of more than 4,500 square miles or (ii) open or closed meetings of State advisory boards or bodies that do not have authority to make binding recommendations or determinations or to take any other substantive action. (C) a legal description of the real estate sufficient to identify it with reasonable certainty;

Notwithstanding any language to the contrary, for any adjourned sale that is to be conducted more than 60 days after the date on which it was to first be held, the party giving notice of such sale shall again give notice in accordance with this Section.
(5) Notice of the sale may be given prior to the expiration of any reinstatement period or redemption period.

(5) With respect to any master association whose declaration is recorded on or after August 10, 1990, any contract, lease, or other agreement made prior to the election of a majority of the board of directors other than the developer by or on behalf of unit owners or underlying condominium associations, the association or the board of directors, which extends for a period of more than 2 years from the recording of the declaration, shall be subject to cancellation by more than 1/2 of the votes of the unit owners, other than the developer, cast at a special meeting of members called for that purpose during a period of 90 days prior to the expiration of the 2 year period if the board of managers is elected by the unit owners, otherwise by more than 1/2 of the underlying condominium board of managers. At least 60 days prior to the expiration of the 2 year period, the board of directors, or, if the board is still under developer control, then the board of managers or the developer shall send notice to every unit owner or underlying condominium board of managers, notifying them of this provision, of what contracts, leases and other agreements are affected, and of the procedure for calling a meeting of the unit owners or for action by the underlying condominium board of managers for the purpose of acting to terminate such contracts, leases or other agreements. During the 90 day period the other party to the contract, lease, or other agreement shall also have the right of cancellation.

(6) The statute of limitations for any actions in law or equity which the master association may bring shall not begin to run until the unit owners or underlying condominium board of managers have elected a majority of the members of the board of directors.

(g) In the event of any resale of a unit in a master association by a unit owner other than the developer, the owner shall obtain from the board of directors and shall make available for inspection to the prospective purchaser, upon demand, the following:

(1) A copy of the declaration, other instruments and any rules and regulations.
(2) A statement of any liens, including a statement of the account of the unit setting forth the amounts of unpaid assessments and other charges due and owing.

(3) A statement of any capital expenditures anticipated by the association within the current or succeeding 2 fiscal years.

(4) A statement of the status and amount of any reserve for replacement fund and any portion of such fund earmarked for any specified project by the board of directors.

(5) A copy of the statement of financial condition of the association for the last fiscal year for which such a statement is available.

(6) A statement of the status of any pending suits or judgments in which the association is a party.

(7) A statement setting forth what insurance coverage is provided for all unit owners by the association.

(8) A statement that any improvements or alterations made to the unit, or any part of the common areas assigned thereto, by the prior unit owner are in good faith believed to be in compliance with the declaration of the master association.

The principal officer of the unit owner's association or such other officer as is specifically designated shall furnish the above information when requested to do so in writing, within 30 days of receiving the request.

A reasonable fee covering the direct out-of-pocket cost of copying and providing such information may be charged by the association or its board of directors to the unit seller for providing the information.

(g-1) The purchaser of a unit of a common interest community at a judicial foreclosure sale, other than a mortgagee, who takes possession of a unit of a common interest community pursuant to a court order or a purchaser who acquires title from a mortgagee shall have the duty to pay the proportionate share, if any, of the common expenses for the unit that would have become due in the absence of any assessment acceleration during the 6 months immediately preceding institution of an action to enforce the collection of assessments, and that remain unpaid by the owner during whose possession the assessments accrued. If the outstanding assessments are paid at any time during any action to enforce the collection of assessments, the purchaser shall have no obligation to pay any assessments that accrued before he or she acquired title. The notice of sale of a unit of a common interest community under subsection

(c) of Section 15-1507 of the Code of Civil Procedure shall state that the purchaser of the unit other than a mortgagee shall pay the assessments required by this subsection (g-1).

(h) Errors and omissions.

(1) If there is an omission or error in the declaration or other instrument of the master association, the master association may correct the error or omission by an amendment to the declaration or other instrument, as may be required to conform it to this Act, to any other applicable statute, or to the declaration. The amendment shall be adopted by vote of two-thirds of the members of the board of directors or by a majority vote of the unit owners at a meeting called for that purpose, unless the Act or the declaration of the master association specifically provides for greater percentages or different procedures.

(2) If, through a scrivener's error, a unit has not been designated as owning an appropriate undivided share of the common areas or does not bear an appropriate share of the common expenses, or if all of the common expenses or all of the common elements in the condominium have not been distributed in the declaration, so that the sum total of the shares of common areas which have been distributed or the sum total of the shares of the common expenses fail to equal 100%, or if it appears that more than 100% of the common elements or common expenses have been distributed, the error may be corrected by operation of law by filing an amendment to the declaration, approved by vote of two-thirds of the members of the board of directors or a majority vote of the unit owners at a meeting called for that purpose, which proportionately adjusts all percentage interests so that the total is equal to 100%, unless the declaration specifically provides for a different procedure or different percentage vote by the owners of the units and the owners of mortgages thereon affected by modification being made in the undivided interest in the common areas, the number of votes in the unit owners association or the liability for common expenses appertaining to the unit.

(3) If an omission or error or a scrivener's error in the declaration or other instrument is corrected by vote of two-thirds of the members of the board of directors pursuant to the authority established in subdivisions (h)(1) or (h)(2) of this Section, the board, upon written petition by unit owners with 20% of the votes

of the association or resolutions adopted by the board of managers or board of directors of the condominium and common interest community associations which select 20% of the members of the board of directors of the master association, whichever is applicable, received within 30 days of the board action, shall call a meeting of the unit owners or the boards of the condominium and common interest community associations which select members of the board of directors of the master association within 30 days of the filing of the petition or receipt of the condominium and common interest community association resolution to consider the board action. Unless a majority of the votes of the unit owners of the association are cast at the meeting to reject the action, or board of managers or board of directors of condominium and common interest community associations which select over 50% of the members of the board of the master association adopt resolutions prior to the meeting rejecting the action of the board of directors of the master association, it is ratified whether or not a quorum is present.

(4) The procedures for amendments set forth in this subsection (h) cannot be used if such an amendment would materially or adversely affect property rights of the unit owners unless the affected unit owners consent in writing. This Section does not restrict the powers of the association to otherwise amend the declaration, bylaws, or other condominium instruments, but authorizes a simple process of amendment requiring a lesser vote for the purpose of correcting defects, errors, or omissions when the property rights of the unit owners are not materially or adversely affected.

(5) If there is an omission or error in the declaration or other instruments that may not be corrected by an amendment procedure set forth in subdivision (h)(1) or (h)(2) of this Section, then the circuit court in the county in which the master association is located shall have jurisdiction to hear a petition of one or more of the unit owners thereon or of the association, to correct the error or omission, and the action may be a class action. The court may require that one or more methods of correcting the error or omission be submitted to the unit owners to determine the most acceptable correction. All unit owners in the association must be joined as parties to the action. Service of process on owners may be

by publication, but the plaintiff shall furnish all unit owners not personally served with process with copies of the petition and final judgment of the court by certified mail, return receipt requested, at their last known address.

(6) Nothing contained in this Section shall be construed to invalidate any provision of a declaration authorizing the developer to amend an instrument prior to the latest date on which the initial membership meeting of the unit owners must be held, whether or not it has actually been held, to bring the instrument into compliance with the legal requirements of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Federal Housing Administration, the United States Veterans Administration or their respective successors and assigns.

(i) The provisions of subsections (c) through (h) are applicable to all declarations, other condominium instruments, and other duly recorded covenants establishing the powers and duties of the master association recorded under this Act. Any portion of a declaration, other condominium instrument, or other duly recorded covenant establishing the powers and duties of a master association which contains provisions contrary to the provisions of subsection (c) through (h) shall be void as against public policy and ineffective. Any declaration, other condominium instrument, or other duly recorded covenant establishing the powers and duties of the master association which fails to contain the provisions required by subsections (c) through (h) shall be deemed to incorporate such provisions by operation of law.

(j) The provisions of subsections (c) through (h) are applicable to all common interest community associations and their unit owners for common interest community associations which are subject to the provisions of Section 9-102(a)(8) of the Code of Civil Procedure. For purposes of this subsection, the terms "common interest community" and "unit owners" shall have the same meaning as set forth in Section 9-102(c) of the Code of Civil Procedure.

(a) The corporate authorities of a non-home rule municipality may,

(b) The corporate authorities of the municipality may by ordinance
or resolution call for the submission to the electors of the municipality the
question of whether the municipality shall impose such tax. Such question
shall be certified by the municipal clerk to the election authority in
accordance with Section 28-5 of the Election Code and shall be in a form
in accordance with Section 16-7 of the Election Code.
Notwithstanding any provision of law to the contrary, if the
proceeds of the tax may be used for municipal operations pursuant to
Section 8-11-1.3, 8-11-1.4, or 8-11-1.5, then the election authority must
submit the question in substantially the following form:
Shall the corporate authorities of the municipality be
authorized to levy a tax at a rate of (rate)% for expenditures on
municipal operations, expenditures on public infrastructure, or
property tax relief?
If a majority of the electors in the municipality voting upon the
question vote in the affirmative, such tax shall be imposed.
An ordinance or resolution imposing the tax of not more than 1%
hereunder or discontinuing the same shall be adopted and a certified copy
thereof, together with a certification that the ordinance or resolution
received referendum approval in the case of the imposition of such tax,
filed with the Department of Revenue, on or before the first day of June,
whereupon the Department shall proceed to administer and enforce the
additional tax or to discontinue the tax, as the case may be, as of the first

Notwithstanding any provision in this Section to the contrary, if, in a non-home rule municipality with more than 150,000 but fewer than 200,000 inhabitants, as determined by the last preceding federal decennial census, an ordinance or resolution under this Section imposes or discontinues a tax or changes the tax rate as of July 1, 2007, then that ordinance or resolution, together with a certification that the ordinance or resolution received referendum approval in the case of the imposition of the tax, must be adopted and a certified copy of that ordinance or resolution must be filed with the Department on or before May 15, 2007, whereupon the Department shall proceed to administer and enforce this Section as of July 1, 2007.

Sec. 8-11-1.3. Non-Home Rule Municipal Retailers' Occupation Tax Act. The corporate authorities of a non-home rule municipality may impose a tax upon all persons engaged in the business of selling tangible personal property, other than on an item of tangible personal property which is titled and registered by an agency of this State's Government, at retail in the municipality for expenditure on public infrastructure or for property tax relief or both as defined in Section 8-11-1.2 if approved by referendum as provided in Section 8-11-1.1, of the gross receipts from such sales made in the course of such business. If the tax is approved by referendum on or after the effective date of this amendatory Act of the 96th General Assembly, the corporate authorities of a non-home rule municipality may, until December 31, 2015, use the proceeds of the tax for expenditure on municipal operations, in addition to or in lieu of any expenditure on public infrastructure or for property tax relief. The tax imposed may not be more than 1% and may be imposed only in 1/4% increments. The tax may not be imposed on the sale of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances, and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed by a municipality pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit such retailer to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this

Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as fully as if those provisions were set forth herein.

No municipality may impose a tax under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.4 of this Code.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the non-home rule municipal retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each
municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the municipality. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale, by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease such amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

The Department of Revenue shall implement this amendatory Act of the 91st General Assembly so as to collect the tax on and after January 1, 2002.

As used in this Section, "municipal" and "municipality" means a city, village or incorporated town, including an incorporated town which has superseded a civil township.

This Section shall be known and may be cited as the "Non-Home Rule Municipal Retailers' Occupation Tax Act".

Section 5. The Public Officer Prohibited Activities Act is amended by changing Section 3 as follows:

Sec. 3. Prohibited interest in contracts.
(a) No person holding any office, either by election or appointment under the laws or Constitution of this State, may be in any manner financially interested directly in his own name or indirectly in the name of any other person, association, trust, or corporation, in any contract or the performance of any work in the making or letting of which such officer may be called upon to act or vote. No such officer may represent, either as agent or otherwise, any person, association, trust, or corporation, with respect to any application or bid for any contract or work in regard to which such officer may be called upon to vote. Nor may any such officer take or receive, or offer to take or receive, either directly or indirectly, any money or other thing of value as a gift or bribe or means of influencing his vote or action in his official character. Any contract made and procured in violation hereof is void. This Section shall not apply to any person serving on an advisory panel or commission or to any director serving on a hospital district board as provided under subsection (a-5) of Section 13 of the Hospital District Law.
(b) However, any elected or appointed member of the governing body may provide materials, merchandise, property, services, or labor, subject to the following provisions under either paragraph (1) or (2):

(1) If:

A. the contract is with a person, firm, partnership, association, corporation, or cooperative association in which such interested member of the governing body of the municipality has less than a 7 1/2% share in the ownership; and

B. such interested member publicly discloses the nature and extent of his interest prior to or during deliberations concerning the proposed award of the contract; and

C. such interested member abstains from voting on the award of the contract, though he shall be considered present for the purposes of establishing a quorum; and

D. such contract is approved by a majority vote of those members presently holding office; and

E. the contract is awarded after sealed bids to the lowest responsible bidder if the amount of the contract exceeds $1500, or awarded without bidding if the amount of the contract is less than $1500; and

F. the award of the contract would not cause the aggregate amount of all such contracts so awarded to the same person, firm, association, partnership, corporation, or cooperative association in the same fiscal year to exceed $25,000.

(2) If:

A. the award of the contract is approved by a majority vote of the governing body of the municipality provided that any such interested member shall abstain from voting; and

B. the amount of the contract does not exceed $2,000; and

C. the award of the contract would not cause the aggregate amount of all such contracts so awarded to the same person, firm, association, partnership, corporation, or cooperative association in the same fiscal year to exceed $4,000; and

D. such interested member publicly discloses the nature and extent of his interest prior to or during deliberations concerning the proposed award of the contract; and

(b-5) In addition to the above exemptions, any elected or appointed member of the governing body may provide materials, merchandise, property, services, or labor if:

A. the contract is with a person, firm, partnership, association, corporation, or cooperative association in which the interested member of the governing body of the municipality, advisory panel, or commission has less than a 1% share in the ownership; and

D. such interested member abstains from voting on the award of the contract, though he shall be considered present for the purposes of establishing a quorum.

(c) A contract for the procurement of public utility services by a public entity with a public utility company is not barred by this Section by one or more members of the governing body of the public entity being an officer or employee of the public utility company or holding an ownership interest of no more than 7 1/2% in the public utility company, or holding an ownership interest of any size if the public entity is a municipality with a population of less than 7,500 and the public utility’s rates are approved by the Illinois Commerce Commission. An elected or appointed member of the governing body of the public entity having such an interest shall be deemed not to have a prohibited interest under this Section.

(d) Notwithstanding any other provision of this Section or any other law to the contrary, until January 1, 1994, a member of the city council of a municipality with a population under 20,000 may purchase real estate from the municipality, at a price of not less than 100% of the value of the real estate as determined by a written MAI certified appraisal

A municipal officer shall not be deemed interested if the officer owns or holds an interest of 1% or less, not in the officer's individual name but through a mutual fund or exchange-traded fund, in a company, that company is involved in the transaction of business with the municipality, and that company's stock is traded on a nationally recognized securities market.

(f) Under either of the following circumstances, a municipal officer may hold a position on the board of a not-for-profit corporation that is interested in a contract, work, or business of the municipality:

(1) If the municipal officer is appointed by the governing body of the municipality to represent the interests of the municipality on a not-for-profit corporation's board, then the municipal officer may actively vote on matters involving either that board or the municipality, at any time, so long as the membership on the not-for-profit board is not a paid position, except that the municipal officer may be reimbursed by the non-for-profit board for expenses incurred as the result of membership on the non-for-profit board.

(2) If the municipal officer is not appointed to the governing body of a not-for-profit corporation by the governing body of the municipality, then the municipal officer may continue
to serve; however, the municipal officer shall abstain from voting
on any proposition before the municipal governing body directly
involving the not-for-profit corporation and, for those matters,
shall not be counted as present for the purposes of a quorum of the
municipal governing body.

(65 ILCS 5/3.1-55-10)
Sec. 3.1-55-10. Interests in contracts.
(a) A municipal officer shall not be financially interested directly in
the officer's own name or indirectly in the name of any other person,
association, trust, or corporation, in any contract, work, or business of the

consideration of the contract, work, business, or sale is paid either from
the treasury or by an assessment levied by statute or ordinance. A
municipal officer shall not be interested, directly or indirectly, in the
purchase of any property that (i) belongs to the municipality, (ii) is sold for
taxes or assessments, or (iii) is sold by virtue of legal process at the suit of

but through a mutual fund or exchange-traded fund, in a company, that
company is involved in the transaction of business with the municipality,
and that company's stock is traded on a nationally recognized securities market.

This Section does not prohibit any person serving on a municipal advisory panel or commission or nongoverning board or commission from having an interest in a contract, work, or business of the municipality unless the municipal officer's duties include evaluating, recommending, approving, or voting to recommend or approve the contract, work, or business.

(b) Any elected or appointed member of the governing body may, however, provide materials, merchandise, property, services, or labor, subject to the following provisions under either (1) or (2):

(F) the award of the contract would not cause the aggregate amount of all contracts so awarded to the same person, firm, association, partnership, corporation, or cooperative association in the same fiscal year to exceed $25,000.

(2) If:

(A) the award of the contract is approved by a majority vote of the governing body of the municipality

(B) the amount of the contract does not exceed $2,000;

(C) the award of the contract would not cause the aggregate amount of all contracts so awarded to the same person, firm, association, partnership, corporation, or cooperative association in the same fiscal year to exceed $4,000;

(D) the interested member publicly discloses the nature and extent of his interest before or during deliberations concerning the proposed award of the contract; and

(E) the interested member abstains from voting on the award of the contract (though the member shall be considered present for the purposes of establishing a quorum).

(b-5) In addition to the above exemptions, any elected or appointed member of the governing body may provide materials, merchandise, property, services, or labor if:

(1) the contract is with a person, firm, partnership, association, corporation, or cooperative association in which the interested member of the governing body of the municipality, advisory panel, or commission has less than a 1% share in the ownership; and

An elected or appointed member of the governing body or a nongoverning board or commission having an interest described in this subsection (d) does not have a prohibited interest under this Section.

(d) An officer who violates this Section is guilty of a Class 4 felony. In addition, any office held by an officer so convicted shall become vacant and shall be so declared as part of the judgment of the court.

(e) Nothing contained in this Section, including the restrictions set forth in subsections (b) and (c), shall preclude a contract of deposit of moneys, loans, or other financial services by a municipality with a local bank or local savings and loan association, regardless of whether a member of the governing body of the municipality is interested in the bank or savings and loan association as an officer or employee or as a holder of less than 7 1/2% of the total ownership interest. A member holding an interest described in this subsection (e) in a contract does not hold a prohibited interest for purposes of this Act. The interested member of the governing body must publicly state the nature and extent of the interest during deliberations concerning the proposed award of the contract but shall not participate in any further deliberations concerning the proposed award. The interested member shall not vote on the proposed award. A member abstaining from participation in deliberations and voting under this Section may be considered present for purposes of establishing a quorum. Award of the contract shall require approval by a majority vote of those members presently holding office. Consideration and award of a contract in which a member is interested may only be made at a regularly scheduled public meeting of the governing body of the municipality.

(f) Notwithstanding any other provision of this Section or any other law to the contrary, until January 1, 1994, a member of the city council of a municipality with a population under 20,000 may purchase real estate from the municipality, at a price of not less than 100% of the value of the real estate as determined by a written MAI certified appraisal or by a written certified appraisal of a State certified or licensed real estate appraiser, if the purchase is approved by a unanimous vote of the city council members then holding office (except for the member desiring to purchase the real estate, who shall not vote on the question).

(g) Under either of the following circumstances, a municipal officer may hold a position on the board of a not-for-profit corporation that is interested in a contract, work, or business of the municipality:
(1) If the municipal officer is appointed by the governing body of the municipality to represent the interests of the municipality on a not-for-profit corporation's board, then the municipal officer may actively vote on matters involving either that board or the municipality, at any time, so long as the membership on the not-for-profit board is not a paid position, except that the municipal officer may be reimbursed by the not-for-profit board for expenses incurred as the result of membership on the not-for-profit board.

(2) If the municipal officer is not appointed to the governing body of a not-for-profit corporation by the governing body of the municipality, then the municipal officer may continue to serve; however, the municipal officer shall abstain from voting on any proposition before the municipal governing body directly involving the not-for-profit corporation and, for those matters, shall not be counted as present for the purposes of a quorum of the municipal governing body.

Section 5. The Counties Code is amended by changing Section 3-3013 as follows:

(55 ILCS 5/3-3013) (from Ch. 34, par. 3-3013)
Sec. 3-3013. Preliminary investigations; blood and urine analysis; summoning jury; reports. Every coroner, whenever, as soon as he knows or is informed that the dead body of any person is found, or lying within his county, whose death is suspected of being:

(a) A sudden or violent death, whether apparently suicidal, homicidal or accidental, including but not limited to deaths

New matter indicated by italics - deletions by strikeout
apparently caused or contributed to by thermal, traumatic, chemical, electrical or radiational injury, or a complication of any of them, or by drowning or suffocation, or as a result of domestic violence as defined in the Illinois Domestic Violence Act of 1986;

(b) A maternal or fetal death due to abortion, or any death due to a sex crime or a crime against nature;

(c) A death where the circumstances are suspicious, obscure, mysterious or otherwise unexplained or where, in the written opinion of the attending physician, the cause of death is not determined;

(d) A death where addiction to alcohol or to any drug may have been a contributory cause; or

(e) A death where the decedent was not attended by a licensed physician;

shall go to the place where the dead body is, and take charge of the same and shall make a preliminary investigation into the circumstances of the death. In the case of death without attendance by a licensed physician the body may be moved with the coroner's consent from the place of death to a mortuary in the same county. Coroners in their discretion shall notify such physician as is designated in accordance with Section 3-3014 to attempt to ascertain the cause of death, either by autopsy or otherwise.

In cases of accidental death involving a motor vehicle in which the decedent was (1) the operator or a suspected operator of a motor vehicle, or (2) a pedestrian 16 years of age or older, the coroner shall require that a blood specimen of at least 30 cc., and if medically possible a urine specimen of at least 30 cc. or as much as possible up to 30 cc., be withdrawn from the body of the decedent in a timely fashion after the accident causing his death, by such physician as has been designated in accordance with Section 3-3014, or by the coroner or deputy coroner or a qualified person designated by such physician, coroner, or deputy coroner. If the county does not maintain laboratory facilities for making such analysis, the blood and urine so drawn shall be sent to the Department of State Police or any other accredited or State-certified laboratory for analysis of the alcohol, carbon monoxide, and dangerous or narcotic drug content of such blood and urine specimens. Each specimen submitted shall be accompanied by pertinent information concerning the decedent upon a form prescribed by such laboratory. Any person drawing blood and urine and any person making any examination of the blood and urine under the
terms of this Division shall be immune from all liability, civil or criminal, that might otherwise be incurred or imposed.

In all other cases coming within the jurisdiction of the coroner and referred to in subparagraphs (a) through (e) above, blood, and whenever possible, urine samples shall be analyzed for the presence of alcohol and other drugs. When the coroner suspects that drugs may have been involved in the death, either directly or indirectly, a toxicological examination shall be performed which may include analyses of blood, urine, bile, gastric contents and other tissues. When the coroner suspects a death is due to toxic substances, other than drugs, the coroner shall consult with the toxicologist prior to collection of samples. Information submitted to the toxicologist shall include information as to height, weight, age, sex and race of the decedent as well as medical history, medications used by and the manner of death of decedent.

When the coroner or medical examiner finds that the cause of death is due to homicidal means, the coroner or medical examiner shall cause blood and buccal specimens (tissue may be submitted if no uncontaminated blood or buccal specimen can be obtained), whenever possible, to be withdrawn from the body of the decedent in a timely fashion. Within 45 days after the collection of the specimens, the coroner or medical examiner shall deliver those specimens, dried, to the Illinois Department of State Police, Division of Forensic Services, for analysis and categorizing into genetic marker groupings to be maintained by the Illinois Department of State Police in the State central repository in the same manner, and subject to the same conditions, as provided in Section 5-4-3 of the Unified Code of Corrections. The requirements of this paragraph are in addition to any other findings, specimens, or information that the coroner or medical examiner is required to provide during the conduct of a criminal investigation.

In all counties, in cases of apparent suicide, homicide, or accidental death or in other cases, within the discretion of the coroner, the coroner may summon 8 persons of lawful age from those persons drawn for petit jurors in the county. The summons shall command these persons to present themselves personally at such a place and time as the coroner shall determine, and may be in any form which the coroner shall determine and may incorporate any reasonable form of request for acknowledgement which the coroner deems practical and provides a reliable proof of service. The summons may be served by first class mail. From the 8 persons so summoned, the coroner shall select 6 to serve as the jury for the inquest.

New matter indicated by italics - deletions by strikeout
Inquests may be continued from time to time, as the coroner may deem necessary. The 6 jurors selected in a given case may view the body of the deceased. If at any continuation of an inquest one or more of the original jurors shall be unable to continue to serve, the coroner shall fill the vacancy or vacancies. A juror serving pursuant to this paragraph shall receive compensation from the county at the same rate as the rate of compensation that is paid to petit or grand jurors in the county. The coroner shall furnish to each juror without fee at the time of his discharge a certificate of the number of days in attendance at an inquest, and, upon being presented with such certificate, the county treasurer shall pay to the juror the sum provided for his services.

In counties which have a jury commission, in cases of apparent suicide or homicide or of accidental death, the coroner may conduct an inquest. The jury commission shall provide at least 8 jurors to the coroner, from whom the coroner shall select any 6 to serve as the jury for the inquest. Inquests may be continued from time to time as the coroner may deem necessary. The 6 jurors originally chosen in a given case may view the body of the deceased. If at any continuation of an inquest one or more of the 6 jurors originally chosen shall be unable to continue to serve, the coroner shall fill the vacancy or vacancies. At the coroner's discretion, additional jurors to fill such vacancies shall be supplied by the jury commission. A juror serving pursuant to this paragraph in such county shall receive compensation from the county at the same rate as the rate of compensation that is paid to petit or grand jurors in the county.

In every case in which a fire is determined to be a contributing factor in a death, the coroner shall report the death to the Office of the State Fire Marshal. The coroner shall provide a copy of the death certificate (i) within 30 days after filing the permanent death certificate and (ii) in a manner that is agreed upon by the coroner and the State Fire Marshal.

In addition, in every case in which domestic violence is determined to be a contributing factor in a death, the coroner shall report the death to the Department of State Police.

All deaths in State institutions and all deaths of wards of the State in private care facilities or in programs funded by the Department of Human Services under its powers relating to mental health and developmental disabilities or alcoholism and substance abuse or funded by the Department of Children and Family Services shall be reported to the coroner of the county in which the facility is located. If the coroner has
reason to believe that an investigation is needed to determine whether the
death was caused by maltreatment or negligent care of the ward of the
State, the coroner may conduct a preliminary investigation of the
circumstances of such death as in cases of death under circumstances set
forth in paragraphs (a) through (e) of this Section.

A board of trustees shall be created, consisting of 5 members in any sanitary district which includes one or more municipalities with a population of over 90,000 but less than 500,000 according to the most recent Federal census, and consisting of 3 members in any other district. However, the board of trustees for the Fox River Water Reclamation District, the Sanitary District of Decatur, and the Northern Moraine Wastewater Reclamation District shall each consist of 5 members. Each board of trustees shall be created for the government, control and management of the affairs and business of each sanitary district organized under this Act shall be created in the following manner:

New matter indicated by italics - deletions by strikeout
(2) If the district is located in more than one county, the members of the General Assembly whose legislative districts encompass any portion of the district shall appoint the trustees for the district.

In any sanitary district which shall have a 3 member board of trustees, within 60 days after the adoption of such act, the appropriate appointing authority shall appoint three trustees not more than 2 of whom shall be from one incorporated city, town or village in districts in which are included 2 or more incorporated cities, towns or villages, or parts of 2 or more incorporated cities, towns or villages, who shall hold their office respectively for 1, 2 and 3 years, from the first Monday of May next after their appointment and until their successors are appointed and have qualified, and thereafter on or before the second Monday in April of each year the appropriate appointing authority shall appoint one trustee whose term shall be for 3 years commencing the first Monday in May of the year in which he is appointed. The length of the term of the first trustees shall be determined by lot at their first meeting.

In the case of any sanitary district created after January 1, 1978 in which a 5 member board of trustees is required, the appropriate appointing authority shall appoint 5 trustees, one of whom shall hold office for one year, two of whom shall hold office for 2 years, and 2 of whom shall hold office for 3 years from the first Monday of May next after their respective appointments and until their successors are appointed and have qualified. Thereafter, on or before the second Monday in April of each year the appropriate appointing authority shall appoint one trustee or 2 trustees, as shall be necessary to maintain a 5 member board of trustees, whose terms shall be for 3 years commencing the first Monday in May of the year in which they are respectively appointed. The length of the terms of the first trustees shall be determined by lot at their first meeting.

In any sanitary district created prior to January 1, 1978 in which a 5 member board of trustees is required as of January 1, 1978, the two trustees already serving terms which do not expire on May 1, 1978 shall continue to hold office for the remainders of their respective terms, and 3 trustees shall be appointed by the appropriate appointing authority by April 10, 1978 and shall hold office for terms beginning May 1, 1978. The lengths of the terms of the trustees who are to hold office beginning May 1, 1978 shall be determined by lot at their first meeting after May 1, 1978.

No more than 3 members of a 5 member board of trustees may be of the same political party; except that in any sanitary district which otherwise meets the requirements of this Section and which lies within 4 counties of the State of Illinois or, prior to April 30, 2008, in the Fox River Water Reclamation District; the appointments of the 5 members of the board of trustees shall be made without regard to political party. Beginning with the appointments made on April 30, 2008, all appointments to the board of trustees of the Fox River Water Reclamation District shall be made so that no more than 3 of the 5 members are from the same political party.

Within 60 days after the release of Federal census statistics showing that a sanitary district having a 3 member board of trustees contains one or more municipalities with a population over 90,000 but less than 500,000, or, for the Northern Moraine Wastewater Reclamation District, within 60 days after the effective date of this amendatory Act of the 95th General Assembly, the appropriate appointing authority shall appoint 2 additional trustees to the board of trustees, one to hold office for 2 years and one to hold office for 3 years from the first Monday of May next after their appointment and until their successors are appointed and have qualified. The lengths of the terms of these two additional members shall be determined by lot at the first meeting of the board of trustees held after the additional members take office. If a vacancy occurs on any board of trustees, the appropriate appointing authority shall within 60 days appoint a trustee who shall hold office for the remainder of the vacated term.

The appointing authority shall require each of the trustees to enter into bond, with security to be approved by the appointing authority, in such sum as the appointing authority may determine.

A majority of the board of trustees shall constitute a quorum but a smaller number may adjourn from day to day. No trustee or employee of such district shall be directly or indirectly interested in any contract, work or business of the district, or the sale of any article, the expense, price or consideration of which is paid by such district; nor in the purchase of any real estate or property belonging to the district, or which shall be sold for taxes or assessments, or by virtue of legal process at the suit of the district. Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Code of Criminal Procedure of 1963 is amended by changing Section 104-31 as follows:

(725 ILCS 5/104-31) (from Ch. 38, par. 104-31)

Sec. 104-31. No defendant placed in a secure setting of the Department of Human Services pursuant to the provisions of Sections 104-17, 104-25, or 104-26 shall be permitted outside the facility's housing unit unless escorted or accompanied by personnel of the Department of Human Services or authorized by court order. Any defendant placed in a secure setting pursuant to this Section, transported to court hearings or other necessary appointments off facility grounds by personnel of the Department of Human Services, may be placed in security devices or otherwise secured during the period of transportation to assure secure transport of the defendant and the safety of Department of Human Services personnel and others. These security measures shall not constitute restraint as defined in the Mental Health and Developmental Disabilities Code. Nor shall any such defendant be permitted any off-grounds privileges, either with or without escort by personnel of the Department of Human Services, or any unsupervised on-ground privileges, or placement in a non-secure setting unless such off-grounds or unsupervised on-grounds privileges, or placement in a non-secure setting have been approved by specific court order, which order may include such conditions on the defendant as the court may deem appropriate and necessary to reasonably assure the defendant's satisfactory progress in treatment and the safety of the defendant or others. Whenever the court receives a report from the supervisor of the defendant's treatment recommending the defendant for any off-grounds or unsupervised on-grounds privileges, or placement in a non-secure setting, the court shall set the matter for a first hearing within 21 days unless good cause is demonstrated why the hearing cannot be held. The changes made to this Section by this amendatory Act of the 96th General Assembly are declarative of existing law and shall not be construed as a new enactment.

PUBLIC ACT 96-1070
(Senate Bill No. 2520)

AN ACT concerning local government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Metro-East Sanitary District Act of 1974 is amended by changing Sections 5-1 and 5-2 and by adding Section 2-11 as follows:

(70 ILCS 2905/2-11 new)

Sec. 2-11. Annexation. Notwithstanding any other provision of law, the board of commissioners of a sanitary district may, by ordinance, annex property within any unit of local government, including a home rule unit, if the property is contiguous to the corporate limits of the sanitary district and served by the sanitary district. The ordinance must describe the property to be annexed. A copy of the ordinance with an accurate map of the annexed property, certified as correct by either the clerk or the executive director of the district, shall be filed with the county clerk of the county in which the annexed property is located or the county clerk of the county in which the predecessor district was organized. For the purposes of this Act, property is served by a sanitary district if (i) the property is served by any work or improvements of the sanitary district either then existing or then authorized by the sanitary district; or (ii) the property is within the boundaries of any work or improvements of such sanitary district including but not limited to levees, flood walls, and embankments that protect or reduce the risk to the property from overflow from any river, tributary stream, or water-course. Upon annexation into the corporate limits of the sanitary district under this Section, the property shall be subject to all powers and rights of the district and its board of commissioners for all purposes, including but not limited to taxation, and subject to all ordinances of the district as though the property had been within the corporate limits when the district was organized under this Act.

(70 ILCS 2905/5-1) (from Ch. 42, par. 505-1)

Sec. 5-1. Taxes; levy.

(a) The board may levy and collect taxes for corporate purposes on taxable property within the corporate boundaries of the district including property annexed pursuant to Section 2-11. Such taxes shall be levied by ordinance specifying the purposes for which the same are required, and a certified copy of such ordinance shall be filed with the county clerk of the county in which the predecessor district was organized, on or before the second Tuesday in August, as provided in Section 122 of the Revenue Act of 1939 (superseded by Section 14-10 of the Property Tax Code). Any excess funds accumulated prior to January 1, 2008 by the sanitary district that are collected by levying taxes pursuant to 745 ILCS 10/9-107 may be expended by the sanitary district to maintain, repair, improve, or construct levees or any part of the levee system and to provide capital moneys for levee or river-related scientific studies, including the construction of facilities for such purposes. For the purposes of this subsection (a), the excess funds withdrawn from the Local Governmental and Governmental Employees Tort Immunity Fund may not be more than 90% of the balance of that fund on December 31, 2007. After the assessment for the current year has been equalized by the Department of Revenue, the board shall, as soon as may be, ascertain and certify to such county clerk the total value of all taxable property lying within the corporate limits of such districts in each of the counties in which the district is situated, as the same is assessed and equalized for tax purposes for the current year. The county clerk shall ascertain the rate per cent which, upon the total valuation of all such property, ascertained as above stated, would produce a net amount not less than the amount so directed to be levied; and the clerk shall, without delay, certify under his signature and seal of office to the county clerk of such other county, in which a portion of the district is situated, such rate per cent; and it shall be the duty of each of the county clerks to extend such tax in a separate column upon the books of the collector or collectors of the county taxes for the counties, against all property in their respective counties, within the limits of the district. All taxes so levied and certified shall be collected and enforced in the same manner, and by the same officers as county taxes, and shall be paid over by the officers collecting the same, to the treasurer of the sanitary district, in the manner and at the time provided by the Property Tax Code. The aggregate amount of taxes levied for any one year, exclusive of the amount levied for the payment of bonded indebtedness and interest thereon, shall not exceed the rate of .20%, or the rate limitation of the predecessor district in effect on
July 1, 1967, or the rate limitation set by subsection (b) whichever is greater, of value, as equalized or assessed by the Department of Revenue. The foregoing limitations upon tax rates may be increased or decreased under the referendum provisions of the Property Tax Code.

(b) The tax rate limit of the district may be changed to .478% of the value of property as equalized or assessed by the Department of Revenue for a period of 5 years and to .312% of such value thereafter upon the approval of the electors of the district of such a proposition submitted at any regular election pursuant to a resolution of the board of commissioners or submitted at an election for officers of the counties of St. Clair and Madison in accordance with the general election law upon a petition signed by not fewer than 10% of the legal voters in the district, which percentage shall be determined on the basis of the number of votes cast at the last general election preceding the filing of such petition specifying the tax rate to be submitted. Such petition shall be filed with the executive director of the district not more than 10 months nor less than 5 months prior to the election at which the question is to be submitted to the voters of the district, and its validity shall be determined as provided by the general election law. The executive director shall certify the question to the proper election officials, who shall submit the question to the voters. Notice shall be given in the manner provided by the general election law.

Referenda initiated under this subsection shall be subject to the provisions and limitations of the general election law.

The question shall be in substantially the following form:

Shall the maximum tax rate for the Metro-East Sanitary District be established at .478% of the equalized assessed value for 5 years and then at .312% of the equalized assessed value thereafter, instead of .2168%, the maximum rate otherwise applicable to the next taxes to be extended?

The ballot shall have printed thereon, but not as a part of the proposition submitted, an estimate of the approximate amount extendable under the proposed rate and of the approximate amount extendable under
the rate otherwise applicable to the next taxes to be extended, such amounts being computed upon the last known equalized assessed value; provided, that any error, miscalculation or inaccuracy in computing such amounts shall not invalidate or affect the validity of any tax rate limit so adopted.

If a majority of all ballots cast on such proposition shall be in favor of the proposition, the tax rate limit so established shall become effective with the levy next following the referendum; provided that nothing in this subsection shall be construed as precluding the extension of taxes at rates less than that authorized by such referendum.

Except as herein otherwise provided, the referenda authorized by the terms of this subsection shall be conducted in all respects in the manner provided by the general election law.

(70 ILCS 2905/5-2) (from Ch. 42, par. 505-2)

Sec. 5-2. Bonds. Subject to the referendum provided for in Section 5-3, the board may borrow money for corporate purposes on the credit of the corporation, and issue bonds therefor, in such amounts and form, and on such conditions as it shall prescribe, but shall not become indebted in any manner, or for any purpose, to an amount, including existing indebtedness, in the aggregate to exceed 5.75% of the value of the taxable property, including property annexed pursuant to Section 2-11, in said district, to be ascertained by the last assessment for taxes previous to the incurring of such indebtedness or, until January 1, 1983, if greater, the sum that is produced by multiplying the district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979; and before or at the time of incurring any indebtedness, shall provide for the collection of a direct annual tax sufficient to pay the interest on such debt, as it falls due, and also to pay and discharge the principal thereof, within 20 years after contracting the same.

The bonds shall be sold to the highest and best responsible bidder therefor. Notice of the time and place bids will be publicly opened shall be given by publication in a newspaper having general circulation in the district, once each week for 3 successive weeks, the last publication to be at least one week prior to the time specified in the notice for the opening of bids.

(a) There shall be no more than:

(i) 3 subacute care hospital alternative health care models in the City of Chicago (one of which shall be located on a designated site and shall have been licensed as a hospital under the Illinois Hospital Licensing Act within the 10 years immediately before the application for a license);

(iii) 4 subacute care hospital alternative health care models in the demonstration program for rural areas.

In selecting among applicants for these licenses in rural areas, the Health Facilities and Services Review Board and the Department shall give preference to hospitals that may be unable for economic reasons to provide continued service to the community in which they are located unless the hospital were to receive an alternative health care model license.

(a-5) There shall be no more than the total number of postsurgical recovery care centers with a certificate of need for beds as of January 1, 2008.

Alternative health care models in medically underserved areas shall receive priority in obtaining a certificate of need.

(c) An alternative health care model license shall be issued for a period of one year and shall be annually renewed if the facility or program is in substantial compliance with the Department's rules adopted under this Act. (4) The former postsurgical recovery care center that receives a hospital license must seek and use its best efforts to maintain certification under Titles XVIII and XIX of the federal Social Security Act.

The Department may issue a provisional license to any alternative health care model that does not substantially comply with the provisions of this Act and the rules adopted under this Act if (i) the Department finds that the alternative health care model has undertaken changes and corrections which upon completion will render the alternative health care model in substantial compliance with this Act and rules and (ii) the health and safety of the patients of the alternative health care model will be protected during the period for which the provisional license is issued. The Department shall advise the licensee of the conditions under which the provisional license is issued, including the manner in which the alternative health care model fails to comply with the provisions of this Act and rules, and the time within which the changes and corrections necessary for the alternative health care model to substantially comply with this Act and rules shall be completed.

(d) Alternative health care models shall seek certification under Titles XVIII and XIX of the federal Social Security Act. In addition, alternative health care models shall provide charitable care consistent with that provided by comparable health care providers in the geographic area.

PUBLIC ACT 96-1073
(Senate Bill No. 2583)

AN ACT concerning State government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois is amended by changing Section 2310-76 as follows:

(20 ILCS 2310/2310-76)
Sec. 2310-76. Chronic Disease Prevention and Health Promotion Task Force.

(a) In Illinois, as well as in other parts of the United States, chronic diseases are a significant health and economic problem for our citizens and State government. Chronic diseases such as cancer, diabetes, cardiovascular disease, and arthritis are largely preventable non-communicable conditions associated with risk factors such as poor nutrition, physical inactivity, tobacco or alcohol abuse, as well as other social determinants of chronic illness. It is fully documented by national and State data that significant disparity exists between racial, ethnic, and socioeconomic groups and that the incidence and impact of many of these conditions disproportionately affect these populations.

Chronic diseases can take away a person's quality of life or his or her ability to work. The Centers for Disease Control and Prevention reports that 7 out of 10 Americans who die each year, or more than 1.7 million people, die of a chronic disease. In Illinois, studies have indicated that during the study period the State has spent more than $12.5 billion in health care dollars to treat chronic diseases in our State. The financial burden for Illinois from the impact of lost work days and lower employee productivity during the same time period related to chronic diseases resulted in an annual economic loss of $43.6 billion. These same studies have concluded that improvements in preventing and managing chronic diseases could drastically reduce future costs associated with chronic disease in Illinois and that the most effective way to trim healthcare spending in Illinois and across the U.S. is to take measures aimed at preventing diseases before we have to treat them. Furthermore, by addressing health disparities and by targeting chronic disease prevention and health promotion services toward the highest risk groups, especially in communities where racial, ethnic, and socioeconomic factors indicate high

New matter indicated by italics - deletions by strikeout
rates of these diseases, the goals of improving the overall health status for all Illinois residents can be achieved. Health promotion and prevention programs and activities are scattered throughout a number of State agencies with various streams of funding and little coordination. While the State has been looking at making significant changes to healthcare coverage for a portion of the population, in order to have the most effective impact, any changes to the healthcare delivery system in Illinois should take into consideration and integrate the role of prevention and health promotion in that system.

(b) Subject to appropriation, a within 6 months after the effective date of this amendatory Act of the 95th General Assembly, a Task Force on Chronic Disease Prevention and Health Promotion shall be convened to study and make recommendations regarding the structure of the chronic disease prevention and health promotion system in Illinois, as well as changes that should be made to the system in order to integrate and coordinate efforts in the State and ensure continuity and consistency of purpose and the elimination of disparity in the delivery of this care in Illinois.

(c) The Department of Public Health shall have primary responsibility for, and shall provide staffing and technical and administrative support for, the Task Force in its efforts. The other State agencies represented on the Task Force shall work cooperatively with the Department of Public Health to provide administrative and technical support to the Task Force in its efforts. Section 99. Effective date. This Act takes effect upon becoming law.

Effective July 16 2010.

PUBLIC ACT 96-1074
(Senate Bill No. 2606)

AN ACT concerning civil law.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Parentage Act of 1984 is amended by changing Section 11 as follows:

(750 ILCS 45/11) (from Ch. 40, par. 2511)

Sec. 11. Tests to determine inherited characteristics.

(a) In any action brought under Section 7 to determine the existence of the father and child relationship or to declare the non-existence of the parent and child relationship, the court or Administrative Hearing Officer in an Expedited Child Support System shall, prior to the entry of a judgment in the case, advise the respondent who appears of the right to request an order that the parties and the child submit to deoxyribonucleic acid (DNA) tests to determine inherited characteristics. The advisement shall be noted in the record. As soon as practicable, the court or Administrative Hearing Officer in an Expedited Child Support System may, and upon request of a party shall, order or direct the mother, child and alleged father to submit to deoxyribonucleic acid (DNA) tests to determine inherited characteristics. If any party refuses to submit to the
tests, the court may resolve the question of paternity against that party or enforce its order if the rights of others and the interests of justice so require.

(b) The tests shall be conducted by an expert qualified as an examiner of blood or tissue types and appointed by the court. The expert shall determine the testing procedures. However, any interested party, for good cause shown, in advance of the scheduled tests, may request a hearing to object to the qualifications of the expert or the testing procedures. The expert appointed by the court shall testify at the pre-test hearing at the expense of the party requesting the hearing, except as provided in subsection (h) of this Section for an indigent party. An expert not appointed by the court shall testify at the pre-test hearing at the expense of the party retaining the expert. Inquiry into an expert's qualifications at the pre-test hearing shall not affect either parties' right to have the expert qualified at trial.

(b-1) Genetic testing must be of a type reasonably relied upon by experts in the field of genetic testing and performed in a testing laboratory accredited by the American Association of Blood Banks, or a successor to its functions.

(b-2) A specimen used in genetic testing may consist of one or more samples, or a combination of samples, of blood, buccal cells, bone, hair, or other body tissue or fluid.

(b-3) The testing laboratory shall determine the databases from which to select frequencies for use in calculation of the probability of paternity based on the ethnic or racial group of an individual. If there is disagreement as to the testing laboratory's choice, the following procedures apply:

1) The individual objecting may require the testing laboratory, within 30 days after receipt of the report of the test, to recalculate the probability of paternity using an ethnic or racial group different from that used by the laboratory.

2) The individual objecting to the testing laboratory's initial choice shall:

(A) if the frequencies are not available to the testing laboratory for the ethnic or racial group requested, provide the requested frequencies compiled in a manner recognized by accrediting bodies; or

(B) engage another testing laboratory to perform the calculations.
(b-4) If, after recalculation using a different ethnic or racial group, genetic testing does not rebuttably identify a man as the father of a child, an individual who has been tested may be required to submit to additional genetic testing.

(c) The expert shall prepare a written report of the test results. If the test results show that the alleged father is not excluded, the report shall contain statistics based upon the statistical formula of Combined Paternity Index (CPI) and the Probability of Paternity as determined by the probability of exclusion (Random Man Not Excluded = RMNE) a combined paternity index relating to the probability of paternity. The expert may be called by the court as a witness to testify to his or her findings and, if called, shall be subject to cross-examination by the parties. If the test results show that the alleged father is not excluded, any party may demand that other experts, qualified as examiners of blood or tissue types, perform independent tests under order of court, including, but not limited to, blood types or other tests of genetic markers such as those found by Human Leucocyte Antigen (HLA) tests. The results of the tests may be offered into evidence. The number and qualifications of the experts shall be determined by the court.

(d) Documentation of the chain of custody of the blood or tissue samples, accompanied by an affidavit or certification in accordance with Section 1-109 of the Code of Civil Procedure, is competent evidence to establish the chain of custody.

(e) The report of the test results prepared by the appointed expert shall be made by affidavit or by certification as provided in Section 1-109 of the Code of Civil Procedure and shall be mailed to all parties. A proof of service shall be filed with the court. The verified report shall be admitted into evidence at trial without foundation testimony or other proof of authenticity or accuracy, unless a written motion challenging the admissibility of the report is filed by either party within 28 days of receipt of the report, in which case expert testimony shall be required. A party may not file such a motion challenging the admissibility of the report later than 28 days before commencement of trial. Before trial, the court shall determine whether the motion is sufficient to deny admission of the report by verification. Failure to make that timely motion constitutes a waiver of the right to object to admission by verification and shall not be grounds for a continuance of the hearing to determine paternity.

(f) Tests taken pursuant to this Section shall have the following effect:

New matter indicated by italics - deletions by strikeout
(1) If the court finds that the conclusion of the expert or experts, as disclosed by the evidence based upon the tests, is that the alleged father is not the parent of the child, the question of paternity shall be resolved accordingly.

(2) If the experts disagree in their findings or conclusions, the question shall be weighed with other competent evidence of paternity.

(3) If the tests show that the alleged father is not excluded and that the combined paternity index is at least 1,000 to 1, and there is at least a 99.9 percent probability of paternity, the alleged father is presumed to be the father, and this evidence shall be admitted.

(4) A man identified under paragraph (3) of subsection (f) as the father of the child may rebut the genetic testing results by other genetic testing satisfying the requirements of this Act which:
   (A) excludes the man as a genetic father of the child; or
   (B) identifies another man as the possible father of the child. If the tests show that the alleged father is not excluded and that the combined paternity index is at least 500 to 1, the alleged father is presumed to be the father, and this evidence shall be admitted. This presumption may be rebutted by clear and convincing evidence.

(5) Except as otherwise provided in this Act, if more than one man is identified by genetic testing as the possible father of the child, the court shall order them to submit to further genetic testing to identify the genetic father.

(g) (Blank). Any presumption of paternity as set forth in Section 5 of this Act is rebutted if the court finds that the conclusion of the expert or experts excludes paternity of the presumed father.

(h) The expense of the tests shall be paid by the party who requests the tests, except that the court may apportion the costs between the parties, upon request. Where the tests are requested by the party seeking to establish paternity and that party is found to be indigent by the court, the expense shall be paid by the public agency providing representation; except that where a public agency is not providing representation, the expense shall be paid by the county in which the action is brought. Where
the tests are ordered by the court on its own motion or are requested by the
alleged or presumed father and that father is found to be indigent by the
court, the expense shall be paid by the county in which the action is
brought. Any part of the expense may be taxed as costs in the action,
except that no costs may be taxed against a public agency that has not
requested the tests.

(i) The compensation of each expert witness appointed by the court
shall be paid as provided in subsection (h) of this Section. Any part of the
payment may be taxed as costs in the action, except that no costs may be
taxed against a public agency that has not requested the services of the
expert witness.

(j) Nothing in this Section shall prevent any party from obtaining
tests of his or her own blood or tissue independent of those ordered by the
court or from presenting expert testimony interpreting those tests or any
other blood tests ordered pursuant to this Section. Reports of all the
independent tests, accompanied by affidavit or certification pursuant to
Section 1-109 of the Code of Civil Procedure, and notice of any expert
witnesses to be called to testify to the results of those tests shall be
submitted to all parties at least 30 days before any hearing set to determine
the issue of parentage.

PUBLIC ACT 96-1078
(Senate Bill No. 2931)

AN ACT concerning public aid.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

New matter indicated by italics - deletions by strikeout
Section 1. Short title. This Act may be cited as the Pediatric Palliative Care Act.

Section 5. Legislative findings. The General Assembly finds as follows:

(1) Each year, approximately 1,185 Illinois children are diagnosed with a potentially life-limiting illness.

(2) There are many barriers to the provision of pediatric palliative services, the most significant of which include the following: (i) challenges in predicting life expectancy; (ii) the reluctance of families and professionals to acknowledge a child's incurable condition; and (iii) the lack of an appropriate, pediatric-focused reimbursement structure leading to insufficient community-based resources.

(3) It is tremendously difficult for physicians to prognosticate pediatric life expectancy due to the resiliency of children. In addition, parents are rarely prepared to cease curative efforts in order to receive hospice or palliative care. Community-based pediatric palliative services, however, keep children out of the hospital by managing many symptoms in the home setting, thereby improving childhood quality of life while maintaining budget neutrality.

(4) Pediatric palliative programming can, and should, be administered in a cost neutral fashion. Community-based pediatric palliative care allows for children and families to receive pain and symptom management and psychosocial support in the comfort of the home setting, thereby avoiding excess spending for emergency room visits and certain hospitals. The National Hospice and Palliative Care Organization's pediatric task force reported during 2001 that the average cost per child per year, cared for primarily at home, receiving comprehensive palliative and life prolonging services concurrently, is $16,177, significantly less than the $19,000 to $48,000 per child per year when palliative programs are not utilized.

Section 10. Definition. In this Act, "Department" means the Department of Healthcare and Family Services.

Section 15. Pediatric palliative care pilot program. The Department shall develop a pediatric palliative care pilot program under which a qualifying child as defined in Section 25 may receive community-based pediatric palliative care from a trained interdisciplinary team while
continuing to pursue aggressive curative treatments for a potentially life-limiting illness under the benefits available under Article V of the Illinois Public Aid Code.

Section 20. Federal waiver or State Plan amendment. The Department shall submit the necessary application to the federal Centers for Medicare and Medicaid Services for a waiver or State Plan amendment to implement the pilot program described in this Act. If the application is in the form of a State Plan amendment, the State Plan amendment shall be filed prior to December 31, 2010. If the Department does not submit a State Plan amendment prior to December 31, 2010, the pilot program shall be created utilizing a waiver authority. The waiver request shall be included in any appropriate waiver application renewal submitted prior to December 31, 2011, or shall be submitted as an independent 1915(c) Home and Community Based Medicaid Waiver within that same time period. After federal approval is secured, the Department shall implement the waiver or State Plan amendment within 12 months of the date of approval. By federal requirement, the application for a 1915(c) Medicaid waiver program must demonstrate cost neutrality per the formula laid out by the Centers for Medicare and Medicaid Services. The Department shall not draft any rules in contravention of this timetable for pilot program development and implementation. This pilot program shall be implemented only to the extent that federal financial participation is available.

Section 25. Qualifying child.

(a) For the purposes of this Act, a qualifying child is a person under 18 years of age who is enrolled in the medical assistance program under Article V of the Illinois Public Aid Code and suffers from a potentially life-limiting medical condition, as defined in subsection (b). A child who is enrolled in the pilot program prior to the age 18 may continue to receive services under the pilot program until the day before his or her twenty-first birthday.

(b) The Department, in consultation with interested stakeholders, shall determine the potentially life-limiting medical conditions that render a pediatric medical assistance recipient eligible for the pilot program under this Act. Such medical conditions shall include, but need not be limited to, the following:

(1) Cancer (i) for which there is no known effective treatment, (ii) that does not respond to conventional protocol, (iii) that has progressed to an advanced stage, or (iv) where toxicities or
other complications prohibit the administration of curative therapies.

(2) End-stage lung disease, including but not limited to cystic fibrosis, that results in dependence on technology, such as mechanical ventilation.

(3) Severe neurological conditions, including, but not limited to, hypoxic ischemic encephalopathy, acute brain injury, brain infections and inflammatory diseases, or irreversible severe alteration of mental status, with one of the following co-morbidities: (i) intractable seizures or (ii) brainstem failure to control breathing or other automatic physiologic functions.

(4) Degenerative neuromuscular conditions, including, but not limited to, spinal muscular atrophy, Type I or II, or Duchenne Muscular Dystrophy, requiring technological support.

(6) Congenital or acquired end-stage heart disease, including but not limited to the following: (i) single ventricle disorders, including hypoplastic left heart syndrome; (ii) total anomalous pulmonary venous return, not suitable for curative surgical treatment; and (iii) heart muscle disorders (cardiomyopathies) without adequate medical or surgical treatments.

(7) End-stage liver disease where (i) transplant is not a viable option or (ii) transplant rejection or failure has occurred.

(8) End-stage kidney failure where (i) transplant is not a viable option or (ii) transplant rejection or failure has occurred.

(9) Metabolic or biochemical disorders, including, but not limited to, mitochondrial disease, leukodystrophies, Tay-Sachs disease, or Lesch-Nyhan syndrome where (i) no suitable therapies exist or (ii) available treatments, including stem cell ("bone marrow") transplant, have failed.

(10) Congenital or acquired diseases of the gastrointestinal system, such as "short bowel syndrome", where (i) transplant is not a viable option or (ii) transplant rejection or failure has occurred.

(11) Congenital skin disorders, including but not limited to epidermolysis bullosa, where no suitable treatment exists.

The definition of a life-limiting medical condition shall not include a definitive time period due to the difficulty and challenges of prognosticating life expectancy in children.

Section 30. Authorized providers. Providers authorized to deliver services under the pilot waiver program shall include licensed hospice agencies or home health agencies licensed to provide hospice care and will be subject to further criteria developed by the Department for provider participation. At a minimum, the participating provider must house a pediatric interdisciplinary team that includes a pediatric medical director, a nurse, and a licensed social worker. All members of the pediatric interdisciplinary team must submit to the Department proof of pediatric End-of-Life Nursing Education Curriculum (Pediatric ELNEC Training) or an equivalent.

Section 35. Interdisciplinary team; services. Subject to federal approval for matching funds, the reimbursable services offered under the pilot program shall be provided by an interdisciplinary team, operating under the direction of a pediatric medical director, and shall include, but not be limited to, the following:

1. Pediatric nursing for pain and symptom management.
2. Expressive therapies (music and art therapies) for age-appropriate counseling.
3. Client and family counseling (provided by a licensed social worker or non-denominational chaplain or spiritual counselor).
4. Respite care.
5. Bereavement services.
6. Case management.

Section 40. Administration.
(a) The Department shall oversee the administration of the pilot program. The Department, in consultation with interested stakeholders, shall determine the appropriate process for review of referrals and enrollment of qualifying participants.

(b) The Department shall appoint an individual or entity to serve as case manager or an alternative position to assess level-of-care and target-population criteria for the pilot program. The Department shall ensure that the individual receives pediatric End-of-Life Nursing Education Curriculum (Pediatric ELNEC Training) or an equivalent to become familiarized with the unique needs and difficulties facing this population. participants shall not include unnecessary delays and shall reflect the fact that treatment of pain and other distressing symptoms represents an urgent need for children with life-limiting medical conditions. The process shall also acknowledge that children with life-limiting medical conditions and their families require holistic and seamless care.

Section 45. Period of pilot program.
(a) The program implemented under this Act shall be considered a pilot program for 3 years following the date of program implementation or, if the pilot program is created utilizing a waiver authority, until the waiver that includes the services provided under the program undergoes the federally mandated renewal process.

(b) During the period of time that the waiver program is considered a pilot program, pediatric palliative care shall be included in the issues reviewed by the Hospice and Palliative Care Advisory Board. The Board shall make recommendations regarding changes or improvements to the program, including but not limited to advisement on potential expansion of the potentially life-limiting medical conditions as defined in subsection (b) of Section 25.

(c) At the end of the 3-year pilot program, the Department shall prepare a report for the General Assembly concerning the program's outcomes effectiveness and shall also make recommendations for program improvement, including, but not limited to, the appropriateness of the potentially life-limiting medical conditions as defined in subsection (b) of Section 25.

Section 50. Effect on medical assistance program.
(a) Nothing in this Act shall be construed so as to result in the elimination or reduction of any benefits or services covered under the medical assistance program under Article V of the Illinois Public Aid Code.

(b) This Act does not affect an individual's eligibility to receive, concurrently with the benefits provided for in this Act, any services, including home health services, for which the individual would have been eligible in the absence of this Act.

Section 90. The Hospice Program Licensing Act is amended by changing Section 15 as follows:
(210 ILCS 60/15)

(a) The Director shall appoint a Hospice and Palliative Care Advisory Board ("the Board") to consult with the Department as provided in this Section. The membership of the Board shall be as follows:

1. The Director, ex officio, who shall be a nonvoting member and shall serve as chairman of the Board.
2. One representative of each of the following State agencies, each of whom shall be a nonvoting member: the Department of Healthcare and Family Services, the Department of Human Services, and the Department on Aging.

4. One member who is a registered nurse, selected from the recommendations of professional nursing associations.
5. Four members selected from the recommendations of organizations whose primary membership consists of hospice programs.
6. Two members who represent the general public and who have no responsibility for management or formation of policy of a hospice program and no financial interest in a hospice program.
7. One member selected from the recommendations of consumer organizations that engage in advocacy or legal representation on behalf of hospice patients and their immediate families.

(b) Of the initial appointees, 4 shall serve for terms of 2 years, 4 shall serve for terms of 3 years, and 5 shall serve for terms of 4 years, as determined by lot at the first meeting of the Board. Each successor member shall be appointed for a term of 4 years. A member appointed to fill a vacancy before the expiration of the term for which his or her predecessor was appointed shall be appointed to serve for the remainder of that term.

(c) The Board shall meet as frequently as the chairman deems necessary, but not less than 4 times each year. Upon the request of 4 or more Board members, the chairman shall call a meeting of the Board. A Board member may designate a replacement to serve at a Board meeting in place of the member by submitting a letter stating that designation to the chairman before or at the Board meeting. The replacement member must
represent the same general interests as the member being replaced, as described in paragraphs (1) through (7) of subsection (a).

(d) Board members are entitled to reimbursement for their actual expenses incurred in performing their duties.

(e) The Board shall advise the Department on all aspects of the Department's responsibilities under this Act, including the format and content of any rules adopted by the Department on or after the effective date of this amendatory Act of the 95th General Assembly. Any such rule or amendment to a rule proposed on or after the effective date of this amendatory Act of the 95th General Assembly, except an emergency rule adopted pursuant to Section 5-45 of the Illinois Administrative Procedure Act, that is adopted without obtaining the advice of the Board is null and void. If the Department fails to follow the advice of the Board with respect to a proposed rule or amendment to a rule, the Department shall, before adopting the rule or amendment to a rule, transmit a written explanation of the reason for its action to the Board. During its review of rules, the Board shall analyze the economic and regulatory impact of those rules. If the Board, having been asked for its advice with respect to a proposed rule or amendment to a rule, fails to advise the Department within 90 days, the proposed rule or amendment shall be considered to have been acted upon by the Board.

(f) The Board shall also review pediatric palliative care issues as provided in the Pediatric Palliative Care Act. (Source: P.A. 95-133, eff. 1-1-08.)

(625 ILCS 5/6-514) (from Ch. 95 1/2, par. 6-514)

(2) Operating a commercial motor vehicle while the alcohol concentration of the person's blood, breath or urine is at least 0.04, or any amount of a drug, substance, or compound in the person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act as indicated by a police officer's sworn report or other verified evidence; or operating a non-commercial motor vehicle while the alcohol concentration of the person's blood, breath, or urine was above the legal limit defined in Section 11-501.1 or 11-501.8 or any amount of a drug, substance, or compound in the person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, or methamphetamine as listed in the
Methamphetamine Control and Community Protection Act as indicated by a police officer's sworn report or other verified evidence while holding a commercial driver's license; or

(3) Conviction for a first violation of:

   (i) Driving a commercial motor vehicle or, if the driver is a CDL holder, driving a non-CMV while under the influence of alcohol, or any other drug, or combination of drugs to a degree which renders such person incapable of safely driving; or

   (ii) Knowingly and willfully leaving the scene of an accident while operating a commercial motor vehicle or, if the driver is a CDL holder, while driving a non-CMV; or

   (iii) Driving a commercial motor vehicle or, if the driver is a CDL holder, driving a non-CMV while committing any felony; or

   (iv) Driving a commercial motor vehicle while the person's driving privileges or driver's license or permit is revoked, suspended, or cancelled or the driver is disqualified from operating a commercial motor vehicle; or

   (v) Causing a fatality through the negligent operation of a commercial motor vehicle, including but not limited to the crimes of motor vehicle manslaughter, homicide by a motor vehicle, and negligent homicide.

As used in this subdivision (a)(3)(v), "motor vehicle manslaughter" means the offense of involuntary manslaughter if committed by means of a vehicle; "homicide by a motor vehicle" means the offense of first degree murder or second degree murder, if either offense is committed by means of a vehicle; and "negligent homicide" means reckless homicide under Section 9-3 of the Criminal Code of 1961 and aggravated driving under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination thereof under subdivision (d)(1)(F) of Section 11-501 of this Code.

(b) A person is disqualified for life for a second conviction of any of the offenses specified in paragraph (a), or any combination of those offenses, arising from 2 or more separate incidents.

(c) A person is disqualified from driving a commercial motor vehicle for life if the person either (i) uses a commercial motor vehicle in the commission of any felony involving the manufacture, distribution, or dispensing of a controlled substance, or possession with intent to manufacture, distribute or dispense a controlled substance or (ii) if the person is a CDL holder, uses a non-CMV in the commission of a felony involving any of those activities.

(d) The Secretary of State may, when the United States Secretary of Transportation so authorizes, issue regulations in which a disqualification for life under paragraph (b) may be reduced to a period of not less than 10 years. If a reinstated driver is subsequently convicted of another disqualifying offense, as specified in subsection (a) of this Section, he or she shall be permanently disqualified for life and shall be ineligible to again apply for a reduction of the lifetime disqualification.

(e) A person is disqualified from driving a commercial motor vehicle for a period of not less than 2 months if convicted of 2 serious traffic violations, committed in a commercial motor vehicle, non-CMV while holding a CDL, or any combination thereof, arising from separate incidents, occurring within a 3 year period, provided the serious traffic violation committed in a non-CMV would result in the suspension or revocation of the CDL holder's non-CMV privileges. However, a person will be disqualified from driving a commercial motor vehicle for a period of not less than 4 months if convicted of 3 serious traffic violations, committed in a commercial motor vehicle, non-CMV while holding a CDL, or any combination thereof, arising from separate incidents, occurring within a 3 year period, provided the serious traffic violation committed in a non-CMV would result in the suspension or revocation of the CDL holder's non-CMV privileges. If all the convictions occurred in a non-CMV, the disqualification shall be entered only if the convictions would result in the suspension or revocation of the CDL holder's non-CMV privileges.

(f) Notwithstanding any other provision of this Code, any driver disqualified from operating a commercial motor vehicle, pursuant to this UCMLA, shall not be eligible for restoration of commercial driving privileges during any such period of disqualification.

(g) After suspending, revoking, or cancelling a commercial driver's license, the Secretary of State must update the driver's records to reflect such action within 10 days. (h) The "disqualifications" referred to in this Section shall not be imposed upon any commercial motor vehicle driver, by the Secretary of State, unless the prohibited action(s) occurred after March 31, 1992.

(625 ILCS 5/11-501.1) (from Ch. 95 1/2, par. 11-501.1)

Sec. 11-501.1. Suspension of drivers license; statutory summary alcohol, other drug or drugs, or intoxicating compound or compounds related suspension; implied consent.

(a) Any person who drives or is in actual physical control of a motor vehicle upon the public highways of this State shall be deemed to have given consent, subject to the provisions of Section 11-501.2, to a chemical test or tests of blood, breath, or urine for the purpose of
determining the content of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof in the person's blood if arrested, as evidenced by the issuance of a Uniform Traffic Ticket, for any offense as defined in Section 11-501 or a similar provision of a local ordinance, or if arrested for violating Section 11-401. The test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered. For purposes of this Section, an Illinois law enforcement officer of this State who is investigating the person for any offense defined in Section 11-501 may travel into an adjoining state, where the person has been transported for medical care, to complete an investigation and to request that the person submit to the test or tests set forth in this Section. The requirements of this Section that the person be arrested are inapplicable, but the officer shall issue the person a Uniform Traffic Ticket for an offense as defined in Section 11-501 or a similar provision of a local ordinance prior to requesting that the person submit to the test or tests. The issuance of the Uniform Traffic Ticket shall not constitute an arrest, but shall be for the purpose of notifying the person that he or she is subject to the provisions of this Section and of the officer's belief of the existence of probable cause to arrest. Upon returning to this State, the officer shall file the Uniform Traffic Ticket with the Circuit Clerk of the county where the offense was committed, and shall seek the issuance of an arrest warrant or a summons for the person.

(b) Any person who is dead, unconscious, or who is otherwise in a condition rendering the person incapable of refusal, shall be deemed not to have withdrawn the consent provided by paragraph (a) of this Section and the test or tests may be administered, subject to the provisions of Section 11-501.2.

(c) A person requested to submit to a test as provided above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test will result in the statutory summary suspension of the person's privilege to operate a motor vehicle, as provided in Section 6-208.1 of this Code, and will also result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder. The person shall also be warned by the law enforcement officer that if the person submits to the test or tests provided in paragraph (a) of this Section and the alcohol

A person who is under the age of 21 at the time the person is requested to submit to a test as provided above shall, in addition to the warnings provided for in this Section, be further warned by the law enforcement officer requesting the test that if the person submits to the test or tests provided in paragraph (a) of this Section and the alcohol concentration in the person's blood or breath is greater than 0.00 and less than 0.08, a suspension of the person's privilege to operate a motor vehicle, as provided under Sections 6-208.2 and 11-501.8 of this Code, will be imposed. The results of this test shall be admissible in a civil or criminal action or proceeding arising from an arrest for an offense as defined in Section 11-501 of this Code or a similar provision of a local ordinance or pursuant to Section 11-501.4 in prosecutions for reckless homicide brought under the Criminal Code of 1961. These test results, however, shall be admissible only in actions or proceedings directly related to the incident upon which the test request was made.

(d) If the person refuses testing or submits to a test that discloses an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound in the person's breath, blood, or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, the law enforcement officer shall immediately submit a sworn report to the circuit court of venue and the Secretary of State, certifying that the test or tests was or were requested under paragraph (a) and the person refused to
submit to a test, or tests, or submitted to testing that disclosed an alcohol concentration of 0.08 or more.

(e) Upon receipt of the sworn report of a law enforcement officer submitted under paragraph (d), the Secretary of State shall enter the statutory summary suspension and disqualification for the periods specified in Sections 6-208.1 and 6-514, respectively, and effective as provided in paragraph (g).

If the person is a first offender as defined in Section 11-500 of this Code, and is not convicted of a violation of Section 11-501 of this Code or a similar provision of a local ordinance, then reports received by the Secretary of State under this Section shall, except during the actual time the Statutory Summary Suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities or the Secretary of State, unless the person is a CDL holder, is operating a commercial motor vehicle or vehicle required to be placarded for hazardous materials, in which case the suspension shall not be privileged. However, beginning January 1, 2008, if the person is a CDL holder, the statutory summary suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request. Reports received by the Secretary of State under this Section shall also be made available to the parent or guardian of a person under the age of 18 years that holds an instruction permit or a graduated driver's license, regardless of whether the statutory summary suspension is in effect.

(f) The law enforcement officer submitting the sworn report under paragraph (d) shall serve immediate notice of the statutory summary suspension on the person and the suspension and disqualification shall be effective as provided in paragraph (g). In cases where the blood alcohol concentration of 0.08 or greater or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis as covered by the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act is established by a subsequent analysis of blood or urine collected at the time of arrest, the arresting officer or arresting agency shall give notice as provided in this Section or by deposit in the United States mail of the notice in an envelope with postage prepaid and addressed to the person at his address.
as shown on the Uniform Traffic Ticket and the statutory summary suspension and disqualification shall begin as provided in paragraph (g). The officer shall confiscate any Illinois driver's license or permit on the person at the time of arrest. If the person has a valid driver's license or permit, the officer shall issue the person a receipt, in a form prescribed by the Secretary of State, that will allow that person to drive during the periods provided for in paragraph (g). The officer shall immediately forward the driver's license or permit to the circuit court of venue along with the sworn report provided for in paragraph (d).

(g) The statutory summary suspension and disqualification referred to in this Section shall take effect on the 46th day following the date the notice of the statutory summary suspension was given to the person.

(h) The following procedure shall apply whenever a person is arrested for any offense as defined in Section 11-501 or a similar provision of a local ordinance:

Upon receipt of the sworn report from the law enforcement officer, the Secretary of State shall confirm the statutory summary suspension by mailing a notice of the effective date of the suspension to the person and the court of venue. The Secretary of State shall also mail notice of the effective date of the disqualification to the person. However, should the sworn report be defective by not containing sufficient information or be completed in error, the confirmation of the statutory summary suspension shall not be mailed to the person or entered to the record; instead, the sworn report shall be forwarded to the court of venue with a copy returned to the issuing agency identifying any defect.

Sec. 11-501.8. Suspension of driver's license; persons under age 21.

(a) A person who is less than 21 years of age and who drives or is in actual physical control of a motor vehicle upon the public highways of this State shall be deemed to have given consent to a chemical test or tests of blood, breath, or urine for the purpose of determining the alcohol content of the person's blood if arrested, as evidenced by the issuance of a Uniform Traffic Ticket for any violation of the Illinois Vehicle Code or a similar provision of a local ordinance, if a police officer has probable cause to believe that the driver has consumed any amount of an alcoholic beverage based upon evidence of the driver's physical condition or other

first hand knowledge of the police officer. The test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered.

(b) A person who is dead, unconscious, or who is otherwise in a condition rendering that person incapable of refusal, shall be deemed not to have withdrawn the consent provided by paragraph (a) of this Section and the test or tests may be administered subject to the following provisions:

   (i) Chemical analysis of the person's blood, urine, breath, or other bodily substance, to be considered valid under the provisions of this Section, shall have been performed according to standards promulgated by the Department of State Police by an individual possessing a valid permit issued by that Department for this purpose. The Director of State Police is authorized to approve satisfactory techniques or methods, to ascertain the qualifications and competence of individuals to conduct analyses, to issue permits that shall be subject to termination or revocation at the direction of that Department, and to certify the accuracy of breath testing equipment. The Department of State Police shall prescribe regulations as necessary.

   (ii) When a person submits to a blood test at the request of a law enforcement officer under the provisions of this Section, only a physician authorized to practice medicine, a registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician may withdraw blood for the purpose of determining the alcohol content therein. This limitation does not apply to the taking of breath or urine specimens.

   (iii) The person tested may have a physician, qualified technician, chemist, registered nurse, or other qualified person of his or her own choosing administer a chemical test or tests in addition to any test or tests administered at the direction of a law enforcement officer. The failure or inability to obtain an additional test by a person shall not preclude the consideration of the previously performed chemical test.

   (iv) Upon a request of the person who submits to a chemical test or tests at the request of a law enforcement officer,
full information concerning the test or tests shall be made available to the person or that person's attorney.

(v) Alcohol concentration means either grams of alcohol per 100 milliliters of blood or grams of alcohol per 210 liters of breath.

(vi) If a driver is receiving medical treatment as a result of a motor vehicle accident, a physician licensed to practice medicine, registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician shall withdraw blood for testing purposes to ascertain the presence of alcohol upon the specific request of a law enforcement officer. However, that testing shall not be performed until, in the opinion of the medical personnel on scene, the withdrawal can be made without interfering with or endangering the well-being of the patient.

(c) A person requested to submit to a test as provided above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test, or submission to the test resulting in an alcohol concentration of more than 0.00, may result in the loss of that person's privilege to operate a motor vehicle and may result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder. The loss of driving privileges shall be imposed in accordance with Section 6-208.2 of this Code.

(d) If the person refuses testing or submits to a test that discloses an alcohol concentration of more than 0.00, the law enforcement officer shall immediately submit a sworn report to the Secretary of State on a form prescribed by the Secretary of State, certifying that the test or tests were requested under subsection (a) and the person refused to submit to a test or tests or submitted to testing which disclosed an alcohol concentration of more than 0.00. The law enforcement officer shall submit the same sworn report when a person under the age of 21 submits to testing under Section 11-501.1 of this Code and the testing discloses an alcohol concentration of more than 0.00 and less than 0.08

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall enter the suspension and disqualification on the individual's driving record and the suspension and disqualification shall be effective on the 46th day following the date notice of the suspension was given to the person. If this suspension is the individual's first driver's
license suspension under this Section, reports received by the Secretary of State under this Section shall, except during the time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the Secretary of State, or the individual personally, unless the person is a CDL holder, is operating a commercial motor vehicle or vehicle required to be placarded for hazardous materials, in which case the suspension shall not be privileged. However, beginning January 1, 2008, if the person is a CDL holder, the report of suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request. Reports received by the Secretary of State under this Section shall also be made available to the parent or guardian of a person under the age of 18 years that holds an instruction permit or a graduated driver's license, regardless of whether the suspension is in effect.

The law enforcement officer submitting the sworn report shall serve immediate notice of this suspension on the person and the suspension and disqualification shall be effective on the 46th day following the date notice was given.

In cases where the blood alcohol concentration of more than 0.00 is established by a subsequent analysis of blood or urine, the police officer or arresting agency shall give notice as provided in this Section or by deposit in the United States mail of that notice in an envelope with postage prepaid and addressed to that person at his last known address and the loss of driving privileges shall be effective on the 46th day following the date notice was given.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall also give notice of the suspension and disqualification to the driver by mailing a notice of the effective date of the suspension and disqualification to the individual. However, should the sworn report be defective by not containing sufficient information or be completed in error, the notice of the suspension and disqualification shall not be mailed to the person or entered to the driving record, but rather the sworn report shall be returned to the issuing law enforcement agency.

(e) A driver may contest this suspension and disqualification by requesting an administrative hearing with the Secretary of State in accordance with Section 2-118 of this Code. An individual whose blood alcohol concentration is shown to be more than 0.00 is not subject to this Section if he or she consumed alcohol in the performance of a religious
service or ceremony. An individual whose blood alcohol concentration is shown to be more than 0.00 shall not be subject to this Section if the individual's blood alcohol concentration resulted only from ingestion of the prescribed or recommended dosage of medicine that contained alcohol. The petition for that hearing shall not stay or delay the effective date of the impending suspension. The scope of this hearing shall be limited to the issues of:

(1) whether the police officer had probable cause to believe that the person was driving or in actual physical control of a motor vehicle upon the public highways of the State and the police officer had reason to believe that the person was in violation of any provision of the Illinois Vehicle Code or a similar provision of a local ordinance; and

(2) whether the person was issued a Uniform Traffic Ticket for any violation of the Illinois Vehicle Code or a similar provision of a local ordinance; and

(3) whether the police officer had probable cause to believe that the driver had consumed any amount of an alcoholic beverage based upon the driver's physical actions or other first-hand knowledge of the police officer; and

(4) whether the person, after being advised by the officer that the privilege to operate a motor vehicle would be suspended if the person refused to submit to and complete the test or tests, did refuse to submit to or complete the test or tests to determine the person's alcohol concentration; and

(5) whether the person, after being advised by the officer that the privileges to operate a motor vehicle would be suspended if the person submits to a chemical test or tests and the test or tests disclose an alcohol concentration of more than 0.00, did submit to and complete the test or tests that determined an alcohol concentration of more than 0.00; and

(6) whether the test result of an alcohol concentration of more than 0.00 was based upon the person's consumption of alcohol in the performance of a religious service or ceremony; and

(7) whether the test result of an alcohol concentration of more than 0.00 was based upon the person's consumption of alcohol through ingestion of the prescribed or recommended dosage of medicine.

At the conclusion of the hearing held under Section 2-118 of this Code, the Secretary of State may rescind, continue, or modify the suspension and disqualification. If the Secretary of State does not rescind the suspension and disqualification, a restricted driving permit may be granted by the Secretary of State upon application being made and good cause shown. A restricted driving permit may be granted to relieve undue hardship by allowing driving for employment, educational, and medical purposes as outlined in item (3) of part (c) of Section 6-206 of this Code. The provisions of item (3) of part (c) of Section 6-206 of this Code and of subsection (f) of that Section shall apply. The Secretary of State shall promulgate rules providing for participation in an alcohol education and awareness program or activity, a drug education and awareness program or activity, or both as a condition to the issuance of a restricted driving permit for suspensions imposed under this Section.

(f) The results of any chemical testing performed in accordance with subsection (a) of this Section are not admissible in any civil or criminal proceeding, except that the results of the testing may be considered at a hearing held under Section 2-118 of this Code. However, the results of the testing may not be used to impose driver's license sanctions under Section 11-501.1 of this Code. A law enforcement officer may, however, pursue a statutory summary suspension of driving privileges under Section 11-501.1 of this Code if other physical evidence or first hand knowledge forms the basis of that suspension.

(g) This Section applies only to drivers who are under age 21 at the time of the issuance of a Uniform Traffic Ticket for a violation of the Illinois Vehicle Code or a similar provision of a local ordinance, and a chemical test request is made under this Section.

(h) The action of the Secretary of State in suspending, revoking, cancelling, or disqualifying any license or permit shall be subject to judicial review in the Circuit Court of Sangamon County or in the Circuit Court of Cook County, and the provisions of the Administrative Review Law and its rules are hereby adopted and shall apply to and govern every action for the judicial review of final acts or decisions of the Secretary of State under this Section.

The State's Attorney and Sheriff of the county in which the swimming facility is located shall enforce the closing order after receiving notice thereof.

PUBLIC ACT 96-1083

AN ACT concerning revenue.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Property Tax Code is amended by changing Sections 16-55, 16-65, 17-10, and 31-25 and by adding Sections 1-23 and 16-183 as follows:

(35 ILCS 200/1-23 new)

Sec. 1-23. Compulsory sale. "Compulsory sale" means (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

(35 ILCS 200/16-55)

Sec. 16-55. Complaints. On written complaint that any property is overassessed or underassessed, the board shall review the assessment, and correct it, as appears to be just, but in no case shall the property be assessed at a higher percentage of fair cash value than other property in the assessment district prior to equalization by the board or the Department.

New matter indicated by italics - deletions by strikeout
The board shall include compulsory sales in reviewing and correcting assessments, including, but not limited to, those compulsory sales submitted by the taxpayer, if the board determines that those sales reflect the same property characteristics and condition as those originally used to make the assessment. The board shall also consider whether the compulsory sale would otherwise be considered an arm's length transaction. A complaint to affect the assessment for the current year shall be filed on or before the 10th day of August in counties with less than 150,000 inhabitants and on or before the 10th day of September in counties with 150,000 or more but less than 3,000,000 inhabitants, except if the assessment books containing the assessment complained of are not filed with the board of review by the 10th day of July in a county with fewer than 150,000 inhabitants or by the 10th day of August in a county with 150,000 or more but less than 3,000,000 inhabitants, then the complaint shall be filed on or before 30 calendar days after the date of publication of the assessment list under Section 12-10. The board may also, at any time before its revision of the assessments is completed in every year, increase, reduce or otherwise adjust the assessment of any property, making changes in the valuation as may be just, and shall have full power over the assessment of any person and may do anything in regard thereto that it may deem necessary to make a just assessment, but the property shall not be assessed at a higher percentage of fair cash value than the assessed valuation of other property in the assessment district prior to equalization by the board or the Department. No assessment shall be increased until the person to be affected has been notified and given an opportunity to be heard, except as provided below. Before making any reduction in assessments of its own motion, the board of review shall give notice to the assessor or chief county assessment officer who certified the assessment, and give the assessor or chief county assessment officer an opportunity to be heard thereon. All complaints of errors in assessments of property shall be in writing, and shall be filed by the complaining party with the board of review, in duplicate. The duplicate shall be filed by the board of review with the assessor or chief county assessment officer who certified the assessment. In all cases where a change in assessed valuation of $100,000 or more is sought, the board of review shall also serve a copy of the petition on all taxing districts as shown on the last available tax bill at least 14 days prior to the hearing on the complaint. All taxing districts shall have an opportunity to be heard on the complaint. Complaints shall be classified by townships or taxing districts by the clerk of the board of
review. All classes of complaints shall be docketed numerically, each in its own class, in the order in which they are presented, in books kept for that purpose, which books shall be open to public inspection. Complaints shall be considered by townships or taxing districts until all complaints have been heard and passed upon by the board.

(35 ILCS 200/16-65)
Sec. 16-65. Equalization process. The board of review shall act as an equalizing authority, if after equalization by the supervisor of assessments the equalized assessed value of property in the county is not 33 1/3% of the total fair cash value. The board shall, after notice and hearing as required by Section 12-40, lower or raise the total assessed value of property in any assessment district within the county so that the property, other than farm and coal property assessed under Sections 10-110 through 10-140 and Sections 10-170 through 10-200, will be assessed at 33 1/3% of its fair cash value.
For each assessment district of the county, the board of review shall annually determine the percentage relationship between the valuations at which property other than farm and coal property is listed and the estimated 33 1/3% of the fair cash value of such property. To make this analysis, the board shall use at least 25 property transfers, or a combination of at least 25 property transfers and property appraisals, such information as may be submitted by interested taxing bodies, or any other means as it deems proper and reasonable. If there are not 25 property transfers available, or if these 25 property transfers do not represent a fair sample of the types of properties and their proportional distribution in the assessment district, the board shall select a random sample of properties of a number necessary to provide a combination of at least 25 property transfers and property appraisals as much as possible representative of the entire assessment district, and provide for their appraisal. The township or multi-township assessor shall be notified of and participate in the deliberations and determinations.
In assessment year 2011, the board of review shall consider compulsory sales in its equalization process.
The board of review, in conjunction with the chief county assessment officer, shall determine the number of compulsory sales from the prior year for the purpose of revising and correcting assessments. The board of review shall determine if the number of compulsory sales is at least 25% of all property transfers within the neighborhood, township,
multi-township assessment district, or other specific geographic region in the county for that class of property, but shall exclude from the calculation (i) all property transfers for which the property characteristics and condition are not the same as those characteristics and condition used to determine the assessed value and (ii) any property transfer that is not an arm's length transaction based on existing sales ratio study standards (except for compulsory sales). If the board determines that the number of compulsory sales is at least 25% of all property transfers within the defined geographic region for that class of property, then the board of review must determine (i) the median assessment level of arm's length transactions and (ii) the median assessment level of compulsory sales. If the median assessment level of compulsory sales is higher than the median assessment level of arm's length transactions, then compulsory sales shall be included in the arm's length transaction study and the board must calculate the new median assessment level. Assessed values of properties within the specific geographic area for that class of property must be revised to reflect this new median assessment level. The revised median assessment level shall be the basis for equalization as otherwise provided in this Section.

With the ratio determined for each assessment district, the board shall ascertain the amount to be added or deducted from the aggregate assessment on property subject to local assessment jurisdiction, other than farm and coal property, to produce a ratio of assessed value to 33 1/3% of the fair cash value equivalent to 100%. However, in determining the amount to be added to the aggregate assessment on property subject to local jurisdiction in order to produce a ratio of assessed value to 33 1/3% of the fair cash value equivalent to 100%, the board shall not, in any one year, increase or decrease the aggregate assessment of any assessment district by more than 25% of the equalized valuation of the district for the previous year, except that additions, deletions or depletions to the taxable property shall be excluded in computing the 25% limitation. The board shall complete the equalization by the date prescribed in Section 16-35 for the board's adjournment, and, within 10 days thereafter, shall report the results of its work under this Section to the Department. At least 30 days prior to its adjournment, the board shall publish a notice declaring whether it intends to equalize assessments as provided in this Section. The notice shall be published in a newspaper of general circulation in the county. If the board fails to report to the Department within the required time, or if the report discloses that the board has failed to make a proper and

adequate equalization of assessments, the Department shall direct, determine, and supervise the assessment so that all assessments of property are relatively just and equal as provided in Section 8-5. (Source: P.A. 84-1343; 88-455.)

Sec. 16-183. Compulsory sales. The Property Tax Appeal Board shall consider compulsory sales of comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

(35 ILCS 200/17-10)

Sec. 17-10. Sales ratio studies. The Department shall monitor the quality of local assessments by designing, preparing and using ratio studies, and shall use the results as the basis for equalization decisions. In compiling sales ratio studies, the Department shall exclude from the reported sales price of any property any amounts included for personal property and, for sales occurring through December 31, 1999, shall exclude seller paid points. The Department shall not include in its sales ratio studies sales of property which have been platted and for which an increase in the assessed valuation is restricted by Section 10-30. The Department shall not include in its sales ratio studies the initial sale of residential property that has been converted to condominium property. The Department shall include compulsory sales occurring on or after January 1, 2011 in its sales ratio studies. The Department shall also consider whether the compulsory sale would otherwise be considered an arm's length transaction, based on existing sales ratio study standards.

When the declaration required under the Real Estate Transfer Tax Law contains financing information required under Section 31-25, the Department shall adjust sales prices to exclude seller-paid points and shall adjust sales prices to "cash value" when seller related financing is used that is different than the prevailing cost of cash. The prevailing cost of cash for sales occurring on or after January 1, 1992 shall be established as the monthly average 30-year fixed Primary Mortgage Market Survey rate for the North Central Region as published weekly by the Federal Home Loan Mortgage Corporation, as computed by the Department, or such other rate as determined by the Department. This rate shall be known as the survey rate. For sales occurring on or after January 1, 1992, through December 31, 1999, adjustments in the prevailing cost of cash shall be made only after the survey rate has been at or above 13% for 12 consecutive months and will continue until the survey rate has been below
13% for 12 consecutive months. For sales occurring on or after January 1, 2000, adjustments for seller paid points and adjustments in the prevailing cost of cash shall be made only after the survey rate has been at or above 13% for 12 consecutive months and will continue until the survey rate has been below 13% for 12 consecutive months. The Department shall make public its adjustment procedure upon request.

Sec. 31-25. Transfer declaration. At the time a deed, a document transferring a controlling interest in real property, or trust document is presented for recordation, or within 3 business days after the transfer is effected, whichever is earlier, there shall also be presented to the recorder or registrar of titles a declaration, signed by at least one of the sellers and also signed by at least one of the buyers in the transaction or by the attorneys or agents for the sellers or buyers. The declaration shall state information including, but not limited to: (a) the value of the real property or beneficial interest in real property located in Illinois so transferred; (b) the parcel identifying number of the property; (c) the legal description of the property; (d) the date of the deed, the date the transfer was effected, or the date of the trust document; (e) the type of deed, transfer, or trust document; (f) the address of the property; (g) the type of improvement, if any, on the property; (h) information as to whether the transfer is between related individuals or corporate affiliates or is a compulsory transaction; (i) the lot size or acreage; (j) the value of personal property sold with the real estate; (k) the year the contract was initiated if an installment sale; (l) any homestead exemptions, as provided in Sections 15-170, 15-172, 15-175, and 15-176 as reflected on the most recent annual tax bill; and (m) the name, address, and telephone number of the person preparing the declaration; and (n) whether the transfer is pursuant to compulsory sale. Except as provided in Section 31-45, a deed, a document transferring a controlling interest in real property, or trust document shall not be accepted for recordation unless it is accompanied by a declaration containing all the information requested in the declaration. When the declaration is signed by an attorney or agent on behalf of sellers or buyers who have the power of direction to deal with the title to the real estate under a land trust agreement, the trustee being the mere repository of record legal title with a duty of conveying the real estate only when and if directed in writing by the beneficiary or beneficiaries having the power of direction, the attorneys or agents executing the declaration on behalf of the

sellers or buyers need identify only the land trust that is the repository of record legal title and not the beneficiary or beneficiaries having the power of direction under the land trust agreement. The declaration form shall be prescribed by the Department and shall contain sales information questions. For sales occurring during a period in which the provisions of Section 17-10 require the Department to adjust sale prices for seller paid points and prevailing cost of cash, the declaration form shall contain questions regarding the financing of the sale. The subject of the financing questions shall include any direct seller participation in the financing of the sale or information on financing that is unconventional so as to affect the fair cash value received by the seller. The intent of the sales and financing questions is to aid in the reduction in the number of buyers required to provide financing information necessary for the adjustment outlined in Section 17-10. For sales occurring during a period in which the provisions of Section 17-10 require the Department to adjust sale prices for seller paid points and prevailing cost of cash, the declaration form shall include, at a minimum, the following data: (a) seller paid points, (b) the sales price, (c) type of financing (conventional, VA, FHA, seller-financed, or other), (d) down payment, (e) term, (f) interest rate, (g) type and description of interest rate (fixed, adjustable or renegotiable), and (h) an appropriate place for the inclusion of special facts or circumstances, if any. The Department shall provide an adequate supply of forms to each recorder and registrar of titles in the State.

Sec. 7-172. Contributions by participating municipalities and participating instrumentalities.

(a) Each participating municipality and each participating instrumentality shall make payment to the fund as follows:

1. municipality contributions in an amount determined by applying the municipality contribution rate to each payment of earnings paid to each of its participating employees;

New matter indicated by italics - deletions by strikeout
2. an amount equal to the employee contributions provided by paragraphs (a) and (b) of Section 7-173, whether or not the employee contributions are withheld as permitted by that Section;

3. all accounts receivable, together with interest charged thereon, as provided in Section 7-209;

4. if it has no participating employees with current earnings, an amount payable which, over a period of 20 years beginning with the year following an award of benefit, will amortize, at the effective rate for that year, any negative balance in its municipality reserve resulting from the award. This amount when established will be payable as a separate contribution whether or not it later has participating employees.

(b) A separate municipality contribution rate shall be determined for each calendar year for all participating municipalities together with all instrumentalities thereof. The municipality contribution rate shall be determined for participating instrumentalities as if they were participating municipalities. The municipality contribution rate shall be the sum of the following percentages:

1. The percentage of earnings of all the participating employees of all participating municipalities and participating instrumentalities which, if paid over the entire period of their service, will be sufficient when combined with all employee contributions available for the payment of benefits, to provide all annuities for participating employees, and the $3,000 death benefit payable under Sections 7-158 and 7-164, such percentage to be known as the normal cost rate.

2. The percentage of earnings of the participating employees of each participating municipality and participating instrumentalities necessary to adjust for the difference between the present value of all benefits, excluding temporary and total and permanent disability and death benefits, to be provided for its participating employees and the sum of its accumulated municipality contributions and the accumulated employee contributions and the present value of expected future employee and municipality contributions pursuant to subparagraph 1 of this paragraph (b). This adjustment shall be spread over the remainder of the period that is allowable under generally accepted accounting principles.
3. The percentage of earnings of the participating employees of all municipalities and participating instrumentalities necessary to provide the present value of all temporary and total and permanent disability benefits granted during the most recent year for which information is available.

4. The percentage of earnings of the participating employees of all participating municipalities and participating instrumentalities necessary to provide the present value of the net single sum death benefits expected to become payable from the reserve established under Section 7-206 during the year for which this rate is fixed.

5. The percentage of earnings necessary to meet any deficiency arising in the Terminated Municipality Reserve.

(c) A separate municipality contribution rate shall be computed for each participating municipality or participating instrumentality for its sheriff's law enforcement employees.

A separate municipality contribution rate shall be computed for the sheriff's law enforcement employees of each forest preserve district that elects to have such employees. For the period from January 1, 1986 to December 31, 1986, such rate shall be the forest preserve district's regular rate plus 2%.

In the event that the Board determines that there is an actuarial deficiency in the account of any municipality with respect to a person who has elected to participate in the Fund under Section 3-109.1 of this Code, the Board may adjust the municipality's contribution rate so as to make up that deficiency over such reasonable period of time as the Board may determine.

(d) The Board may establish a separate municipality contribution rate for all employees who are program participants employed under the federal Comprehensive Employment Training Act by all of the participating municipalities and instrumentalities. The Board may also provide that, in lieu of a separate municipality rate for these employees, a portion of the municipality contributions for such program participants shall be refunded or an extra charge assessed so that the amount of municipality contributions retained or received by the fund for all CETA program participants shall be an amount equal to that which would be provided by the separate municipality contribution rate for all such program participants. Refunds shall be made to prime sponsors of programs upon submission of a claim therefor and extra charges shall be

assessed to participating municipalities and instrumentalities. In establishing the municipality contribution rate as provided in paragraph (b) of this Section, the use of a separate municipality contribution rate for program participants or the refund of a portion of the municipality contributions, as the case may be, may be considered.

(e) Computations of municipality contribution rates for the following calendar year shall be made prior to the beginning of each year, from the information available at the time the computations are made, and on the assumption that the employees in each participating municipality or participating instrumentality at such time will continue in service until the end of such calendar year at their respective rates of earnings at such time.

(f) Any municipality which is the recipient of State allocations representing that municipality's contributions for retirement annuity purposes on behalf of its employees as provided in Section 12-21.16 of the Illinois Public Aid Code shall pay the allocations so received to the Board for such purpose. Estimates of State allocations to be received during any taxable year shall be considered in the determination of the municipality's tax rate for that year under Section 7-171. If a special tax is levied under Section 7-171, none of the proceeds may be used to reimburse the municipality for the amount of State allocations received and paid to the Board. Any multiple-county or consolidated health department which receives contributions from a county under Section 11.2 of "An Act in relation to establishment and maintenance of county and multiple-county health departments", approved July 9, 1943, as amended, or distributions under Section 3 of the Department of Public Health Act, shall use these only for municipality contributions by the health department.

(g) Municipality contributions for the several purposes specified shall, for township treasurers and employees in the offices of the township treasurers who meet the qualifying conditions for coverage hereunder, be allocated among the several school districts and parts of school districts serviced by such treasurers and employees in the proportion which the amount of school funds of each district or part of a district handled by the treasurer bears to the total amount of all school funds handled by the treasurer.

From the funds subject to allocation among districts and parts of districts pursuant to the School Code, the trustees shall withhold the proportionate share of the liability for municipality contributions imposed upon such districts by this Section, in respect to such township treasurers and employees and remit the same to the Board.

The municipality contribution rate for an educational service center shall initially be the same rate for each year as the regional office of education or school district which serves as its administrative agent. When actuarial data become available, a separate rate shall be established as provided in subparagraph (i) of this Section.

The municipality contribution rate for a public agency, other than a vocational education cooperative, formed under the Intergovernmental Cooperation Act shall initially be the average rate for the municipalities which are parties to the intergovernmental agreement. When actuarial data become available, a separate rate shall be established as provided in subparagraph (i) of this Section.

(h) Each participating municipality and participating instrumentality shall make the contributions in the amounts provided in this Section in the manner prescribed from time to time by the Board and all such contributions shall be obligations of the respective participating municipalities and participating instrumentalities to this fund. The failure to deduct any employee contributions shall not relieve the participating municipality or participating instrumentality of its obligation to this fund. Delinquent payments of contributions due under this Section may, with interest, be recovered by civil action against the participating municipalities or participating instrumentalities. Municipality contributions, other than the amount necessary for employee contributions and Social Security contributions, for periods of service by employees from whose earnings no deductions were made for employee contributions to the fund, may be charged to the municipality reserve for the municipality or participating instrumentality.

(i) Contributions by participating instrumentalities shall be determined as provided herein except that the percentage derived under subparagraph 2 of paragraph (b) of this Section, and the amount payable under subparagraph 4,5 of paragraph (a) of this Section, shall be based on an amortization period of 10 years.

(j) Notwithstanding the other provisions of this Section, the additional unfunded liability accruing as a result of this amendatory Act of the 94th General Assembly shall be amortized over a period of 30 years beginning on January 1 of the second calendar year following the calendar year in which this amendatory Act takes effect, except that the employer may provide for a longer amortization period by adopting a resolution or ordinance specifying a 35-year or 40-year period and submitting a certified copy of the ordinance or resolution to the fund no later than June 1 of the
calendar year following the calendar year in which this amendatory Act takes effect.

Sec. 7-173. Contributions by employees.
(a) Each participating employee shall make contributions to the fund as follows:

1. For retirement annuity purposes, normal contributions of 3 3/4% of earnings.
2. Additional contributions of such percentages of each payment of earnings, as shall be elected by the employee for retirement annuity purposes, but not in excess of 10%. The selected rate shall be applicable to all earnings beginning on the first day of the second month following receipt by the Board of written notice of election to make such contributions. Additional contributions at the selected rate shall be made concurrently with normal contributions.
3. Survivor contributions, by each participating employee, of 3/4% of each payment of earnings.

(b) Each employee shall make contributions to the fund for Federal Social Security taxes, for periods during which he is a covered employee, as required by the Social Security Enabling Act and State and federal law. For participating employees, such contributions shall be in addition to those required under paragraph (a) of this Section.

(c) Contributions shall be deducted from each corresponding payment of earnings paid to each employee and shall be remitted to the board by the participating municipality or participating instrumentality making such payment. The remittance, together with a report of the earnings and contributions shall be made as directed by the board. For township treasurers and employees of township treasurers qualifying as employees hereunder, the contributions herein required as deductions from salary shall be withheld by the school township trustees from funds available for the payment of the compensation of such treasurers and employees as provided in the School Code and remitted to the board.

(d) An employee who has made additional contributions under paragraph (a)2 of this Section may upon retirement or at any time prior thereto, elect to withdraw the total of such additional contributions including interest credited thereon to the end of the preceding calendar year.

(e) Failure to make the deductions for employee contributions provided in paragraph (c) of this Section shall not relieve the employee from liability for such contributions. The amount of such liability may be deducted, with interest charged under Section 7-209, from any annuities or benefits payable hereunder to the employee or any other person receiving an annuity or benefit by reason of such employee's participation.

(f) A participating employee who has at least 40 years of creditable service in the Fund may elect to cease making the contributions required under this Section. The status of the employee under this Article shall be unaffected by this election, except that the employee shall not receive any additional creditable service for the periods of employment following the election. An election under this subsection relieves the employer from making additional employer contributions in relation to that employee.

(a-3) Further, if an agency receives a separate appropriation for employee retirement contributions paid by the employer, any transfer by that agency into an appropriation for personal services must be accompanied by a corresponding transfer into the appropriation for employee retirement contributions paid by the employer, in an amount sufficient to meet the employer share of the employee contributions required to be remitted to the retirement system.

(b) In addition to the general transfer authority provided under subsection (c), the following agencies have the specific transfer authority granted in this subsection:

The State Board of Education is authorized to make transfers from line item appropriations within the same treasury fund for General State Aid and General State Aid - Hold Harmless, provided that no such transfer may be made unless the amount transferred is no longer required for the purpose for which that appropriation was made, to the line item appropriation for Transitional Assistance when the balance remaining in such line item appropriation is insufficient for the purpose for which the appropriation was made.

(c-1) Special provisions for State fiscal year 2003. Notwithstanding any other provision of this Section to the contrary, for State fiscal year 2003 only, transfers among line item appropriations to an agency from the same treasury fund may be made provided that the sum of such transfers for an agency in State fiscal year 2003 shall not exceed 3% of the aggregate amount appropriated to that State agency for State fiscal year 2003 for the following objects: personal services, except that no transfer may be approved which reduces the aggregate appropriations for personal services within an agency; extra help; student and inmate compensation; State contributions to retirement systems; State contributions to social security; State contributions for employee group insurance; contractual services; travel; commodities; printing; equipment; electronic data processing; operation of automotive equipment; telecommunications services; travel and allowance for committed, paroled, and discharged prisoners; library books; federal matching grants for student loans; refunds; workers' compensation, occupational disease, and tort claims; and, in appropriations to institutions of higher education, awards and grants.
