The Department of Revenue shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions,

exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a through 1o, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c through 2h, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under this subsection may reimburse themselves for their seller's tax liability under this subsection by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the business district retailers' occupation tax fund.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into the business district retailers' occupation tax fund.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities from the business district retailers' occupation tax fund, the municipalities to be those from which retailers have paid taxes or penalties under this subsection to the Department during the second preceding calendar month. The amount to be paid to
each municipality shall be the amount (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, less 2% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this subsection, on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities provided for in this subsection to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification. The proceeds of the tax paid to municipalities under this subsection shall be deposited into the Business District Tax Allocation Fund by the municipality.

An ordinance or resolution imposing or discontinuing the tax under this subsection or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this subsection are met, shall proceed to administer and enforce this subsection as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other requirements of this subsection are met, the Department shall proceed to administer and enforce this subsection as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this subsection, until the municipality also provides, in the manner prescribed by the Department, the boundaries of the business district in such a way that the Department can determine by its address whether a business is located in the business district. The municipality must provide this boundary information to the Department on or before April 1 for
administration and enforcement of the tax under this subsection by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a business district until the municipality reports the boundary change to the Department in the manner prescribed by the Department. The municipality must provide this boundary change information to the Department on or before April 1 for administration and enforcement by the Department of the change beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change beginning on the following January 1. The retailers in the business district shall be responsible for charging the tax imposed under this subsection. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this subsection, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the municipality.

A municipality that imposes the tax under this subsection must submit to the Department of Revenue any other information as the Department may require for the administration and enforcement of the tax.

When certifying the amount of a monthly disbursement to a municipality under this subsection, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this subsection shall be construed to authorize the municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsection (c) of this Section.

(c) If a tax has been imposed under subsection (b), a Business District Service Occupation Tax shall also be imposed upon all persons engaged, in the business district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the business district, either in the form of tangible personal property or in the form of real estate as an incident to a
sale of service. The tax shall be imposed at the same rate as the tax imposed in subsection (b) and shall not exceed 1% of the selling price of tangible personal property so transferred within the business district, to be imposed only in 0.25% increments. The tax may not be imposed on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption), prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use.

In the administration of, and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure as are prescribed in Sections 2, 2a through 2d, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the business district), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the municipality), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the municipality), the first paragraph of Section 15, and Sections 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and all

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the business district retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into the business district retailers' occupation tax fund.

The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less 2% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this
subsection, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities, provided for in this subsection to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification. The proceeds of the tax paid to municipalities under this subsection shall be deposited into the Business District Tax Allocation Fund by the municipality.

An ordinance or resolution imposing or discontinuing the tax under this subsection or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this subsection are met, shall proceed to administer and enforce this subsection as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other conditions of this subsection are met, the Department shall proceed to administer and enforce this subsection as of the first day of January next following the adoption and filing.

The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amounts to be paid under subsection (g) of this Section (not including credit memoranda) collected under this subsection during
the second preceding calendar month by the Department, less any amount
determined by the Department to be necessary for payment of refunds.
Within 10 days after receipt by the Comptroller of the Department's
certification, the Comptroller shall cause the orders to be drawn for such
amounts, and the Treasurer shall administer those amounts as required in
subsection (g).

Nothing in this subsection authorizes the Authority to impose a tax
upon the privilege of engaging in any business that under the Constitution
of the United States may not be made the subject of taxation by this State.

A certified copy of any ordinance imposing or discontinuing a tax
under this subsection or effecting a change in the rate of that tax shall be
filed with the Illinois Department of Revenue, whereupon the Department
shall proceed to administer and enforce this subsection on behalf of the
Authority as of the first day of the third calendar month following the date
of filing.

(e) By ordinance the Authority shall, as soon as practicable after
the effective date of this amendatory Act of 1991, impose a tax upon the
privilege of using in the metropolitan area an automobile that is rented
from a rentor outside Illinois and is titled or registered with an agency of
this State's government at a rate of 6% of the rental price of that
automobile, except that no tax shall be imposed on the privilege of using
automobiles rented for use as taxicabs or in livery service. The tax shall be
collected from persons whose Illinois address for titling or registration
purposes is given as being in the metropolitan area. The tax shall be
collected by the Department of Revenue for the Authority. The tax must be
paid to the State or an exemption determination must be obtained from the
Department of Revenue before the title or certificate of registration for the
property may be issued. The tax or proof of exemption may be transmitted
to the Department by way of the State agency with which or State officer
with whom the tangible personal property must be titled or registered if the
Department and that agency or State officer determine that this procedure
will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce
this subsection, to collect all taxes, penalties, and interest due under this
subsection, to dispose of taxes, penalties, and interest so collected in the
manner provided in this subsection, and to determine all rights to credit
memoranda or refunds arising on account of the erroneous payment of tax,
penalty, or interest under this subsection. In the administration of and
compliance with this subsection, the Department and persons who are

subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure as are prescribed in Sections 2 and 4 (except provisions pertaining to the State rate of tax; and in respect to the provisions of the Use Tax Act referred to in that Section, except provisions concerning collection or refunding of the tax by retailers, except the provisions of Section 19 pertaining to claims by retailers, except the last paragraph concerning refunds, and except that credit memoranda issued under this subsection may not be used to discharge any State tax liability) of the Automobile Renting Occupation and Use Tax Act, as fully as if provisions contained in those Sections of that Act were set forth in this subsection.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the State Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for payment of refunds. Within 10 days after receipt by the State Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer those amounts as required in subsection (g).

A certified copy of any ordinance imposing or discontinuing a tax or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.
(f) By ordinance the Authority shall, as soon as practicable after the effective date of this amendatory Act of 1991, impose an occupation tax on all persons, other than a governmental agency, engaged in the business of providing ground transportation for hire to passengers in the metropolitan area at a rate of (i) $2 per taxi or livery vehicle departure with passengers for hire from commercial service airports in the metropolitan area, (ii) for each departure with passengers for hire from a commercial service airport in the metropolitan area in a bus or van operated by a person other than a person described in item (iii): $9 per bus or van with a capacity of 1-12 passengers, $18 per bus or van with a capacity of 13-24 passengers, and $27 per bus or van with a capacity of over 24 passengers, and (iii) for each departure with passengers for hire from a commercial service airport in the metropolitan area in a bus or van operated by a person regulated by the Interstate Commerce Commission or Illinois Commerce Commission, operating scheduled service from the airport, and charging fares on a per passenger basis: $1 per passenger for hire in each bus or van. The term "commercial service airports" means those airports receiving scheduled passenger service and enplaning more than 100,000 passengers per year.

In the ordinance imposing the tax, the Authority may provide for the administration and enforcement of the tax and the collection of the tax from persons subject to the tax as the Authority determines to be necessary or practicable for the effective administration of the tax. The Authority may enter into agreements as it deems appropriate with any governmental agency providing for that agency to act as the Authority's agent to collect the tax.

In the ordinance imposing the tax, the Authority may designate a method or methods for persons subject to the tax to reimburse themselves for the tax liability arising under the ordinance (i) by separately stating the full amount of the tax liability as an additional charge to passengers departing the airports, (ii) by separately stating one-half of the tax liability as an additional charge to both passengers departing from and to passengers arriving at the airports, or (iii) by some other method determined by the Authority.

All taxes, penalties, and interest collected under any ordinance adopted under this subsection, less any amounts determined to be necessary for the payment of refunds, shall be paid forthwith to the State Treasurer, ex officio, for deposit into a trust fund held outside the State.
Treasury and shall be administered by the State Treasurer as provided in subsection (g) of this Section.

"Surplus revenues" shall mean the difference between the amount in the trust fund on June 30 of the fiscal year previous to the current fiscal year (excluding amounts retained for refunds under item "first") minus the amount deposited in the trust fund during fiscal year 1993 under item "second". Moneys received by the Authority under item "fifth" may be used solely for the purposes of paying debt service on the bonds and notes issued by the Authority, including early redemption of those bonds or notes, and for the purposes of repair, replacement, and improvement of the grounds, buildings, and facilities of the Authority; provided that any moneys in excess of $50,000,000 held by the Authority as of June 30 in any fiscal year and received by the Authority under item "fifth" shall be used solely for paying the debt service on or early redemption of the Authority's bonds or notes. under paragraph (h) of this Section.

If a tax is imposed under this subsection (b), a tax shall also be
imposed under subsections (c) and (d) of this Section.

For the purpose of determining whether a tax authorized under this
Section is applicable, a retail sale, by a producer of coal or other mineral
mined in Illinois, is a sale at retail at the place where the coal or other
mineral mined in Illinois is extracted from the earth. This paragraph does
not apply to coal or other mineral when it is delivered or shipped by the
seller to the purchaser at a point outside Illinois so that the sale is exempt
under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the
sale of a motor vehicle in this State to a resident of another state if that
motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Metro
East Mass Transit District to impose a tax upon the privilege of engaging
in any business which under the Constitution of the United States may not
be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a Metro East
Mass Transit District Service Occupation Tax shall also be imposed upon
all persons engaged, in the district, in the business of making sales of
service, who, as an incident to making those sales of service, transfer
tangible personal property within the District, either in the form of tangible
personal property or in the form of real estate as an incident to a sale of
service. The tax rate shall be 1/4%, or as authorized under subsection (d-5)
of this Section, of the selling price of tangible personal property so
transferred within the district. The tax imposed under this paragraph and
all civil penalties that may be assessed as an incident thereof shall be
collected and enforced by the State Department of Revenue. The
Department shall have full power to administer and enforce this paragraph;
to collect all taxes and penalties due hereunder; to dispose of taxes and

penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure as are prescribed in Sections 1a-1, 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the Authority), 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the District), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the District), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section.

Nothing in this paragraph shall be construed to authorize the District to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Use Tax shall also be imposed upon the privilege of using, in the district, any item of tangible personal property that is purchased outside the district at retail from a retailer, and that is titled or registered with an agency of this State's government, at a rate of 1/4%, or as authorized under subsection (d-5) of this Section, of the selling price of the tangible personal property within the District, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the District. The tax shall be collected by the Department of Revenue for the Metro East Mass Transit District. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

The Board of Trustees of any Metro East Mass Transit District may never reimpose a previously excluded tax rate increase on tangible personal property titled or registered with an agency of this State's government.

(d-6) If the Board of Trustees of any Metro East Mass Transit District has imposed a rate increase under subsection (d-5) and filed an ordinance with the Department of Revenue excluding titled property from the higher rate, then that Board may, by ordinance adopted with the concurrence of two-thirds of the then trustees, impose throughout the District a fee. The fee on the excluded property shall not exceed $20 per retail transaction or an amount equal to the amount of tax excluded, whichever is less, on tangible personal property that is titled or registered with an agency of this State's government. Beginning July 1, 2004, the fee shall apply only to titled property that is subject to either the Metro East Mass Transit District Retailers' Occupation Tax or the Metro East Mass Transit District Service Occupation Tax. No fee shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.
(d-7) Until June 30, 2004, if a fee has been imposed under subsection (d-6), a fee shall also be imposed upon the privilege of using, in the district, any item of tangible personal property that is titled or registered with any agency of this State's government, in an amount equal to the amount of the fee imposed under subsection (d-6).

(d-7.1) Beginning July 1, 2004, any fee imposed by the Board of Trustees of any Metro East Mass Transit District under subsection (d-6) and all civil penalties that may be assessed as an incident of the fees shall be collected and enforced by the State Department of Revenue. (h) Except as provided in subsection (d-7.1), the State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the District. The taxes shall be held in a trust fund outside the State Treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district. The Department shall make this certification only if the local mass transit district imposes a tax on real property as provided in the definition of "local sales taxes" under the Innovation Development and Economy Act.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the District, which shall be the then balance in the fund, less any amount determined by the Department to be necessary for the payment of refunds, and less any amounts that are transferred to the STAR Bonds Revenue Fund. New matter indicated by italics - deletions by strikeout
Sec. 4.03. Taxes.

(a) In order to carry out any of the powers or purposes of the Authority, the Board may by ordinance adopted with the concurrence of 12 of the then Directors, impose throughout the metropolitan region any or all of the taxes provided in this Section. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes. Nothing in this amendatory Act of the 95th General Assembly is intended to invalidate any taxes currently imposed by the Authority. The increased vote requirements to impose a tax shall only apply to actions taken after the effective date of this amendatory Act of the 95th General Assembly.

(b) The Board may impose a public transportation tax upon all persons engaged in the metropolitan region in the business of selling at retail motor fuel for operation of motor vehicles upon public highways. The tax shall be at a rate not to exceed 5% of the gross receipts from the sales of motor fuel in the course of the business. As used in this Act, the term "motor fuel" shall have the same meaning as in the Motor Fuel Tax Law. The Board may provide for details of the tax. The provisions of any tax shall conform, as closely as may be practicable, to the provisions of the Municipal Retailers Occupation Tax Act, including without limitation, conformity to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed, except that reference in the Act to any municipality shall refer to the Authority and the tax shall be imposed only with regard to receipts from sales of motor fuel in the metropolitan region, at rates as limited by this Section.

(c) In connection with the tax imposed under paragraph (b) of this Section the Board may impose a tax upon the privilege of using in the metropolitan region motor fuel for the operation of a motor vehicle upon public highways, the tax to be at a rate not in excess of the rate of tax imposed under paragraph (b) of this Section. (d) The Board may impose a motor vehicle parking tax upon the privilege of parking motor vehicles at off-street parking facilities in the metropolitan region at which a fee is charged, and may provide for reasonable classifications in and exemptions to the tax, for administration and enforcement thereof and for civil penalties and refunds thereunder and may provide criminal penalties thereunder, the maximum penalties not to exceed the maximum criminal penalties provided in the Retailers' Occupation Tax Act. The Authority may collect and enforce the tax itself or by contract with any unit of local government. The State Department of Revenue shall have no responsibility for the collection and enforcement unless the Department agrees with the Authority to undertake the collection and enforcement. As used in this paragraph, the term "parking facility" means a parking area or structure having parking spaces for more than 2 vehicles at which motor vehicles are permitted to park in return for an hourly, daily, or other periodic fee, whether publicly or privately owned, but does not include parking spaces on a public street, the use of which is regulated by parking meters.

(e) The Board may impose a Regional Transportation Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan region. In Cook County the tax rate shall be 1.25% of the gross receipts from sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics, and 1% of the gross receipts from other taxable sales made in the course of that business. In DuPage, Kane, Lake, McHenry, and Will Counties, the tax rate shall be 0.75% of the gross receipts from all taxable sales made in the course of that business. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations,
penalties, exclusions, exemptions and definitions of terms, and employ the
same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d,
1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than

Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those
provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in
this Section may reimburse themselves for their seller's tax liability
hereunder by separately stating the tax as an additional charge, which
charge may be stated in combination in a single amount with State taxes
that sellers are required to collect under the Use Tax Act, under any
bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made
under this Section to a claimant instead of issuing a credit memorandum,
the Department shall notify the State Comptroller, who shall cause the
warrant to be drawn for the amount specified, and to the person named, in
the notification from the Department. The refund shall be paid by the State
Treasurer out of the Regional Transportation Authority tax fund
established under paragraph (n) of this Section.

If a tax is imposed under this subsection (e), a tax shall also be
imposed under subsections (f) and (g) of this Section.

For the purpose of determining whether a tax authorized under this
Section is applicable, a retail sale by a producer of coal or other mineral
mined in Illinois, is a sale at retail at the place where the coal or other
mineral mined in Illinois is extracted from the earth. This paragraph does
not apply to coal or other mineral when it is delivered or shipped by the
seller to the purchaser at a point outside Illinois so that the sale is exempt
under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the
sale of a motor vehicle in this State to a resident of another state if that
motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the
Regional Transportation Authority to impose a tax upon the privilege of
engaging in any business that under the Constitution of the United States
may not be made the subject of taxation by this State.

(a) In order to carry out any of the powers or purposes of the Authority, the Board may by ordinance adopted with the concurrence of 12 of the then Directors, impose throughout the metropolitan region any or all of the taxes provided in this Section. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes. Nothing in this amendatory Act of the 95th General Assembly is intended to invalidate any taxes currently imposed by the Authority. The increased vote requirements to impose a tax shall only apply to actions taken after the effective date of this amendatory Act of the 95th General Assembly.

(b) The Board may impose a public transportation tax upon all persons engaged in the metropolitan region in the business of selling at retail motor fuel for operation of motor vehicles upon public highways. The Board may provide for details of the tax.

(d) The Board may impose a motor vehicle parking tax upon the privilege of parking motor vehicles at off-street parking facilities in the metropolitan region at which a fee is charged, and may provide for reasonable classifications in and exemptions to the tax, for administration and enforcement thereof and for civil penalties and refunds thereunder and may provide criminal penalties thereunder, the maximum penalties not to exceed the maximum criminal penalties provided in the Retailers' Occupation Tax Act. The Authority may collect and enforce the tax itself or by contract with any unit of local government. The State Department of Revenue shall have no responsibility for the collection and enforcement unless the Department agrees with the Authority to undertake the collection and enforcement. As used in this paragraph, the term "parking facility" means a parking area or structure having parking spaces for more than 2 vehicles at which motor vehicles are permitted to park in return for an hourly, daily, or other periodic fee, whether publicly or privately owned, but does not include parking spaces on a public street, the use of which is regulated by parking meters.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

If a tax is imposed under this subsection (e), a tax shall also be imposed under subsections (f) and (g) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

The tax rate shall be 1/4% of the selling price of tangible personal property so transferred within the territory. The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and
penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the territory of the commission), 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax except that food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, shall not be subject to tax hereunder), 4 (except that the reference to the State shall be to the territory of the commission), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the commission), 9 (except as to the disposition of taxes and penalties collected and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the territory of the commission), the first paragraph of Section 15, 15.5, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, and any tax for which servicemen may be liable under subsection (f) of Sec. 4.03 of the Regional Transportation Authority Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who

shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under paragraph (g) of this Section.

Nothing in this paragraph shall be construed to authorize a county water commission to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a tax shall also imposed upon the privilege of using, in the territory of the commission, any item of tangible personal property that is purchased outside the territory at retail from a retailer, and that is titled or registered with an agency of this State's government, at a rate of 1/4% of the selling price of the tangible personal property within the territory, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the territory. The tax shall be collected by the Department of Revenue for a county water commission. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and
except provisions concerning collection or refunding of the tax by retailers, and except that food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, shall not be subject to tax hereunder), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under paragraph (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (c) or (d) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(f) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the county water commission as of September 1 next following the adoption and filing. thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing.

(g) The State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the commission. The taxes shall be held in a trust fund outside the State Treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the commission, which shall be the then balance in the fund, less any amount determined by the Department to be necessary for the payment of refunds, and less any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the commission, the Comptroller shall cause an order to be drawn for the payment for the amount in accordance with the direction in the certification.

The State Board of Education shall compile all such written notices and make them available to the public.

(5) The State Board of Education shall develop and provide evaluation tools, including tests, that school districts and other eligible entities may use to evaluate children for school readiness prior to age 5. The State Board of Education shall require school districts and other eligible entities to obtain consent from the parents or guardians of children before any evaluations are conducted. Sec. 16. Expiration and renewal of licenses; renewal of registration; continuing education.

New matter indicated by italics - deletions by strikeout
(a) The expiration date and renewal period for each license issued under this Act shall be set by rule.

(b) Every holder of a license or registration under this Act may renew such license or registration before the expiration date upon payment of the required renewal fee as set by rule.

(c) Every application for renewal of a license by a licensed certified public accountant who has been licensed under this Act for 3 years or more shall be accompanied or supported by any evidence the Department shall prescribe, in satisfaction of completing, each 3 years, not less than 120 hours of continuing professional education programs in subjects given by continuing education sponsors registered by the Department upon recommendation of the Committee. Of the 120 hours, not less than 4 hours shall be courses covering the subject of professional ethics. All continuing education sponsors applying to the Department for registration shall be required to submit an initial nonrefundable application fee set by Department rule. Each registered continuing education sponsor shall be required to pay an annual renewal fee set by Department rule. Publicly supported colleges, universities, and governmental agencies located in Illinois are exempt from payment of any fees required for continuing education sponsor registration. Failure by a continuing education sponsor to be licensed or pay the fees prescribed in this Act, or to comply with the rules and regulations established by the Department under this Section regarding requirements for continuing education courses or sponsors, shall constitute grounds for revocation or denial of renewal of the sponsor's registration.

(d) Licensed Certified Public Accountants are exempt from the continuing professional education requirement for the first renewal period following the original issuance of the license.

Notwithstanding the provisions of subsection (c), the Department may accept courses and sponsors approved by other states, by the American Institute of Certified Public Accountants, by other state CPA societies, or by national accrediting organizations such as the National Association of State Boards of Accountancy.

Failure by an applicant for renewal of a license as a licensed certified public accountant to furnish the evidence shall constitute grounds for disciplinary action, unless the Department in its discretion shall determine the failure to have been due to reasonable cause. The Department, in its discretion, may renew a license despite failure to furnish evidence of satisfaction of requirements of continuing education upon

condition that the applicant follow a particular program or schedule of continuing education. In issuing rules and individual orders in respect of requirements of continuing education, the Department in its discretion may, among other things, use and rely upon guidelines and pronouncements of recognized educational and professional associations; may prescribe rules for the content, duration, and organization of courses; shall take into account the accessibility to applicants of such continuing education as it may require, and any impediments to interstate practice of public accounting that may result from differences in requirements in other states; and may provide for relaxation or suspension of requirements in regard to applicants who certify that they do not intend to engage in the practice of public accounting, and for instances of individual hardship.

The Department shall establish by rule a means for the verification of completion of the continuing education required by this Section. This verification may be accomplished through audits of records maintained by licensees; by requiring the filing of continuing education certificates with the Department; or by other means established by the Department.

The Department may establish, by rule, guidelines for acceptance of continuing education on behalf of licensed certified public accountants taking continuing education courses in other jurisdictions.

(e) For renewals on and after July 1, 2012, as a condition for granting a renewal license to firms and sole practitioners who provide services requiring a license under this Act, the Department shall require that the firm or sole practitioner satisfactorily complete a peer review during the immediately preceding 3-year period, accepted by a Peer Review Administrator in accordance with established standards for performing and reporting on peer reviews, unless the firm or sole practitioner is exempted under the provisions of subsection (i) of this Section. A firm or sole practitioner shall, at the request of the Department, submit to the Department a letter from the Peer Review Administrator stating the date on which the peer review was satisfactorily completed.

A new firm or sole practitioner not subject to subsection (l) of this Section shall undergo its first peer review during the first full renewal cycle after it is granted its initial license.

The requirements of this subsection (e) shall not apply to any person providing services requiring a license under this Act to the extent that such services are provided in the capacity of an employee of the Office of the Auditor General or to a nonprofit cooperative association engaged in the rendering of licensed service to its members only under
paragraph (3) of subsection (b) of Section 14 of this Act or any of its employees to the extent that such services are provided in the capacity of an employee of the association.

(f) The Department shall approve only Peer Review Administrators that the Department finds comply with established standards for performing and reporting on peer reviews. The Department may adopt rules establishing guidelines for peer reviews, which shall do all of the following:

(1) Require that a peer review be conducted by a reviewer that is independent of the firm reviewed and approved by the Peer Review Administrator under established standards.

(2) Other than in the peer review process, prohibit the use or public disclosure of information obtained by the reviewer, the Peer Review Administrator, or the Department during or in connection with the peer review process. The requirement that information not be publicly disclosed shall not apply to a hearing before the Department that the firm or sole practitioner requests be public or to the information described in paragraph (3) of subsection (i) of this Section.

(g) If a firm or sole practitioner fails to satisfactorily complete a peer review as required by subsection (e) of this Section or does not comply with any remedial actions determined necessary by the Peer Review Administrator, the Peer Review Administrator shall notify the Department of the failure and shall submit a record with specific references to the rule, statutory provision, professional standards, or other applicable authority upon which the Peer Review Administrator made its determination and the specific actions taken or failed to be taken by the licensee that in the opinion of the Peer Review Administrator constitutes a failure to comply. The Department may at its discretion or shall upon submission of a written application by the firm or sole practitioner hold a hearing under Section 20.1 of this Act to determine whether the firm or sole practitioner has complied with subsection (e) of this Section. The hearing shall be confidential and shall not be open to the public unless requested by the firm or sole practitioner.

(h) The firm or sole practitioner reviewed shall pay for any peer review performed. The Peer Review Administrator may charge a fee to each firm and sole practitioner sufficient to cover costs of administering the peer review program.

New matter indicated by italics - deletions by strikeout
(i) A firm or sole practitioner shall be exempt from the requirement to undergo a peer review if:

(1) Within 3 years before the date of application for renewal licensure, the sole practitioner or firm has undergone a peer review conducted in another state or foreign jurisdiction that meets the requirements of paragraphs (1) and (2) of subsection (f) of this Section. The sole practitioner or firm shall submit to the Department a letter from the organization administering the most recent peer review stating the date on which the peer review was completed; or

(2) The sole practitioner or firm satisfies all of the following conditions:

(A) during the preceding 2 years, the firm or sole practitioner has not accepted or performed any services requiring a license under this Act;

(B) the firm or sole practitioner agrees to notify the Department within 30 days of accepting an engagement for services requiring a license under this Act and to undergo a peer review within 18 months after the end of the period covered by the engagement; or

(3) For reasons of personal health, military service, or other good cause, the Department determines that the sole practitioner or firm is entitled to an exemption, which may be granted for a period of time not to exceed 12 months.

(j) If a peer review report indicates that a firm or sole practitioner complies with the appropriate professional standards and practices set forth in the rules of the Department and no further remedial action is required, the Peer Review Administrator shall, after issuance of the final letter of acceptance, destroy all working papers and documents related to the peer review, other than report-related documents and documents evidencing completion of remedial actions, if any, in accordance with rules established by the Department, related to the peer review within 90 days after issuance of the letter of acceptance by the Peer Review Administrator. If a peer review letter of acceptance indicates that corrective action is required, the Peer Review Administrator may retain documents and reports related to the peer review until completion of the next peer review or other agreed-to corrective actions.

(k) (Blank). In the event the practices of 2 or more firms or sole practitioners are merged or otherwise combined, the surviving firm shall
retain the peer review year of the largest firm, as determined by the number of accounting and auditing hours of each of the practices. In the event that the practice of a firm is divided or a portion of its practice is sold or otherwise transferred, any firm or sole practitioner acquiring some or all of the practice that does not already have its own review year shall retain the review year of the former firm. In the event that the first peer review of a firm that would otherwise be required by this subsection (k) would be less than 12 months after its previous review, a review year shall be assigned by a Peer Review Administrator so that the firm's next peer review occurs after not less than 12 months of operation, but not later than 18 months of operation.

Each bond shall contain a statement that it constitutes an obligation of the agency issuing the bond, that its principal and interest are payable solely from revenues or funds of the agency and that neither the State of Illinois nor any political subdivision thereof, except the issuer, nor any school district that is a member of the agency, is obligated to pay the principal or interest on the bonds and that neither the faith and credit nor the taxing power of the State of Illinois or any such political subdivision thereof or of any such school district is pledged to the payment of the principal of or the interest on the bonds.

Rents, rates, and other charges shall be established so as to be sufficient to meet the operation, maintenance, and other expenses thereof, including reasonable reserves, interest, and principal payments, including payments into one or more sinking funds for the retirement of principal. any moneys borrowed by it or advanced to it for any of its authorized purposes and as security for the payment of amounts due and owing by it under any contract.

Section 70. School districts may contract.

(a) In order to accomplish the purposes of this Act, a school district may enter into and carry out contracts and agreements for the sale, lease, or other use of property, real or personal, cooperative provision of services, such as police services, or the purchase of power from an agency, or transmission services, development services, and other services.

(b) Any contract and agreement shall be for a period not to exceed 50 years and shall contain other terms, conditions, and provisions that are not inconsistent with the provisions of this Act as the governing body of such school district shall approve, including without limitation provisions whereby the school district is obligated to pay for the products and services of an agency without set-off or counterclaim and irrespective of whether such products or services are furnished, made available, or delivered to the school district, or whether any project contemplated by any such contract and agreement is completed, operable or operating, and notwithstanding suspension, interruption, interference, reduction, or curtailment of the products and services of the project.

(c) Any contract and agreement may be pledged by the agency to secure its obligations and may provide that if one or more school districts defaults in the payment of its obligations under such contract and agreement, the remaining school districts having such contracts and agreements shall be required to pay for and shall be entitled proportionately to use or otherwise dispose of the products and services that were to be purchased by the defaulting school district.

(d) Any contract and agreement providing for payments by a school district shall be an obligation of the school district payable from and secured by such lawfully available funds as may be made pursuant to applicable law. Notwithstanding the sources of funds pledged, any contract between the agency and its members with respect to an eligible project shall not constitute an indebtedness of such members within any statutory limitation.

(e) Nothing in this Act shall be construed to preclude a school district from appropriating and using taxes and other revenues received in any year to make payments due or to comply with covenants to be performed during that year under any contract or agreement for a term of
years entered into as contemplated in this Act, subject to the provisions of applicable law.

  (f) Any contract or agreement may include provisions for requirements purchases, restraints on resale or other dealings, exclusive dealing, pricing, territorial division, and other conduct or arrangements that do not have an anti-competitive effect. Provided, however, that the production, interconnection, transmission, distribution, and sale at wholesale or retail of electric energy generated by the eligible project must be in accordance with all laws, regulations, and rules applicable to generators of electricity, alternative retail electric suppliers, municipal utilities, or electric cooperatives, as applicable, but further provided that this provision does not affect any exemption otherwise available under the Public Utilities Act.

  (g) Notwithstanding the provisions of any other law, in the making of a contract or agreement between an agency and a member, the director of the agency who represents such member must recuse himself or herself from participation in discussions or voting as director, but may participate and vote in his or her capacity as an officer of the governing body of such member, and such participation and voting shall not be a conflict of interest.

No school districts maintaining grades K through 8 or 9 through 12 shall become indebted in any manner or for any purpose to an amount, including existing indebtedness, in the aggregate exceeding 6.9% on the value of the taxable property therein to be ascertained by the last assessment for State and county taxes or, until January 1, 1983, if greater, the sum that is produced by multiplying the school district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979, previous to the incurring of such indebtedness.

No school districts maintaining grades K through 12 shall become indebted in any manner or for any purpose to an amount, including existing indebtedness, in the aggregate exceeding 13.8% on the value of the taxable property therein to be ascertained by the last assessment for State and county taxes or, until January 1, 1983, if greater, the sum that is produced by multiplying the school district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979, previous to the incurring of such indebtedness.

No partial elementary unit district, as defined in Article 11E of this Code, shall become indebted in any manner or for any purpose in an amount, including existing indebtedness, in the aggregate exceeding 6.9% of the value of the taxable property of the entire district, to be ascertained by the last assessment for State and county taxes, plus an amount, including existing indebtedness, in the aggregate exceeding 6.9% of the value of the taxable property of that portion of the district included in the elementary and high school classification, to be ascertained by the last assessment for State and county taxes. Moreover, no partial elementary unit district, as defined in Article 11E of this Code, shall become indebted on account of bonds issued by the district for high school purposes in the aggregate exceeding 6.9% of the value of the taxable property of the entire district, to be ascertained by the last assessment for State and county taxes, nor shall the district become indebted on account of bonds issued by the district for elementary purposes in the aggregate exceeding 6.9% of the value of the taxable property for that portion of the district included in the elementary and high school classification, to be ascertained by the last assessment for State and county taxes.

Notwithstanding the provisions of any other law to the contrary, in any case in which the voters of a school district have approved a proposition for the issuance of bonds of such school district at an election held prior to January 1, 1979, and all of the bonds approved at such election have not been issued, the debt limitation applicable to such school district during the calendar year 1979 shall be computed by multiplying the value of taxable property therein, including personal property, as ascertained by the last assessment for State and county taxes, previous to the incurring of such indebtedness, by the percentage limitation applicable to such school district under the provisions of this subsection (a).

(b) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, additional indebtedness may be incurred in an amount not to exceed the estimated cost of acquiring or improving school sites or constructing and equipping additional building facilities under the following conditions:

(1) Whenever the enrollment of students for the next school year is estimated by the board of education to increase over the actual present enrollment by not less than 35% or by not less than 200 students or the actual present enrollment of students has increased over the previous school year by not less than 35% or by not less than 200 students and the board of education determines that additional school sites or building facilities are required as a result of such increase in enrollment; and

(2) When the Regional Superintendent of Schools having jurisdiction over the school district and the State Superintendent of Education concur in such enrollment projection or increase and approve the need for such additional school sites or building facilities and the estimated cost thereof; and

(3) When the voters in the school district approve a proposition for the issuance of bonds for the purpose of acquiring or improving such needed school sites or constructing and equipping such needed additional building facilities at an election called and held for that purpose. Notice of such an election shall state that the amount of indebtedness proposed to be incurred would exceed the debt limitation otherwise applicable to the school district. The ballot for such proposition shall state what percentage of the equalized assessed valuation will be outstanding in bonds if the proposed issuance of bonds is approved by the voters; or

(4) Notwithstanding the provisions of paragraphs (1) through (3) of this subsection (b), if the school board determines that additional facilities are needed to provide a quality educational program and not less than 2/3 of those voting in an election called by the school board on the question approve the issuance of bonds for the construction of such facilities, the school district may issue bonds for this purpose; or

(5) Notwithstanding the provisions of paragraphs (1) through (3) of this subsection (b), if (i) the school district has previously availed itself of the provisions of paragraph (4) of this subsection (b) to enable it to issue bonds, (ii) the voters of the school district have not defeated a proposition for the issuance of bonds since the referendum described in paragraph (4) of this subsection (b) was held, (iii) the school board determines that additional facilities are needed to provide a quality educational program, and (iv) a majority of those voting in an election called by the school board on the question approve the issuance of bonds for the construction of such facilities, the school district may issue bonds for this purpose.

In no event shall the indebtedness incurred pursuant to this subsection (b) and the existing indebtedness of the school district exceed 15% of the value of the taxable property therein to be ascertained by the last assessment for State and county taxes, previous to the incurring of such indebtedness or, until January 1, 1983, if greater, the sum that is produced by multiplying the school district’s 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979.

The indebtedness provided for by this subsection (b) shall be in addition to and in excess of any other debt limitation.

(c) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, in any case in which a public question for the issuance of bonds of a proposed school district maintaining grades kindergarten through 12 received at least 60% of the valid ballots cast on the question at an election held on or prior to November 8, 1994, and in which the bonds approved at such election have not been issued, the school district pursuant to the requirements of Section 11A-10 (now repealed) may issue the total amount of bonds approved at such election for the purpose stated in the question.

(d) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, a school district that meets all the criteria set forth in
paragraphs (1) and (2) of this subsection (d) may incur an additional indebtedness in an amount not to exceed $4,500,000, even though the amount of the additional indebtedness authorized by this subsection (d), when incurred and added to the aggregate amount of indebtedness of the district existing immediately prior to the district incurring the additional indebtedness authorized by this subsection (d), causes the aggregate indebtedness of the district to exceed the debt limitation otherwise applicable to that district under subsection (a):

(1) The additional indebtedness authorized by this subsection (d) is incurred by the school district through the issuance of bonds under and in accordance with Section 17-2.11a for the purpose of replacing a school building which, because of mine subsidence damage, has been closed as provided in paragraph (2) of this subsection (d) or through the issuance of bonds under and in accordance with Section 19-3 for the purpose of increasing the size of, or providing for additional functions in, such replacement school buildings, or both such purposes.

(2) The bonds issued by the school district as provided in paragraph (1) above are issued for the purposes of construction by the school district of a new school building pursuant to Section 17-2.11, to replace an existing school building that, because of mine subsidence damage, is closed as of the end of the 1992-93 school year pursuant to action of the regional superintendent of schools of the educational service region in which the district is located under Section 3-14.22 or are issued for the purpose of increasing the size of, or providing for additional functions in, the new school building being constructed to replace a school building closed as the result of mine subsidence damage, or both such purposes.

(105 ILCS 5/2-3.71) (from Ch. 122, par. 2-3.71)
Sec. 2-3.71. Grants for preschool educational programs.
(a) Preschool program.

(1) The State Board of Education shall implement and administer a grant program under the provisions of this subsection which shall consist of grants to public school districts and other eligible entities, as defined by the State Board of Education, to conduct voluntary preschool educational programs for children

ages 3 to 5 which include a parent education component. A public school district which receives grants under this subsection may subcontract with other entities that are eligible to conduct a preschool educational program. These grants must be used to supplement, not supplant, funds received from any other source.

(2) (Blank).

(3) Any teacher of preschool children in the program authorized by this subsection shall hold an early childhood teaching certificate.

(4) (Blank) This paragraph (4) applies before July 1, 2006 and after June 30, 2010. The State Board of Education shall provide the primary source of funding through appropriations for the program. Such funds shall be distributed for the benefit of children who because of their home and community environment are subject to such language, cultural, economic and like disadvantages that they have been determined as a result of screening procedures to be at risk of academic failure. Such screening procedures shall be based on criteria established by the State Board of Education.

(4.5) This paragraph (4.5) applies from July 1, 2006 through June 30, 2010. The State Board of Education shall provide the primary source of funding through appropriations for the program. Such funds shall be distributed to achieve a goal of "Preschool for All Children" for the benefit of all children whose families choose to participate in the program. Based on available appropriations, newly funded programs shall be selected through a process giving first priority to qualified programs serving primarily at-risk children and second priority to qualified programs serving primarily children with a family income of less than 4 times the poverty guidelines updated periodically in the Federal Register by the U.S. Department of Health and Human Services under the authority of 42 U.S.C. 9902(2). For purposes of this paragraph (4.5), at-risk children are those who because of their home and community environment are subject to such language, cultural, economic and like disadvantages to cause them to have been determined as a result of screening procedures to be at risk of academic failure. Such screening procedures shall be based on criteria established by the State Board of Education.
Except as otherwise provided in this paragraph (4.5), grantees under the program must enter into a memorandum of understanding with the appropriate local Head Start agency. This memorandum must be entered into no later than 3 months after the award of a grantee's grant under the program, except that, in the case of the 2009-2010 program year, the memorandum must be entered into no later than the deadline set by the State Board of Education for applications to participate in the program in fiscal year 2011, and must address collaboration between the grantee's program and the local Head Start agency on certain issues, which shall include without limitation the following:

(A) educational activities, curricular objectives, and instruction;
(B) public information dissemination and access to programs for families contacting programs;
(C) service areas;
(D) selection priorities for eligible children to be served by programs;
(E) maximizing the impact of federal and State funding to benefit young children;
(F) staff training, including opportunities for joint staff training;
(G) technical assistance;
(H) communication and parent outreach for smooth transitions to kindergarten;
(I) provision and use of facilities, transportation, and other program elements;
(J) facilitating each program's fulfillment of its statutory and regulatory requirements;
(K) improving local planning and collaboration; and
(L) providing comprehensive services for the neediest Illinois children and families.

If the appropriate local Head Start agency is unable or unwilling to enter into a memorandum of understanding as required under this paragraph (4.5), the memorandum of understanding requirement shall not apply and the grantee under the program must notify the State Board of Education in writing of the Head Start agency's inability or unwillingness. The State Board of Education shall
compile all such written notices and make them available to the public.

(5) The State Board of Education shall develop and provide evaluation tools, including tests, that school districts and other eligible entities may use to evaluate children for school readiness prior to age 5. The State Board of Education shall require school districts and other eligible entities to obtain consent from the parents or guardians of children before any evaluations are conducted. The State Board of Education shall encourage local school districts and other eligible entities to evaluate the population of preschool children in their communities and provide preschool programs, pursuant to this subsection, where appropriate.

(6) The State Board of Education shall report to the General Assembly by November 1, 2010 and every 3 years thereafter on the results and progress of students who were enrolled in preschool educational programs, including an assessment of which programs have been most successful in promoting academic excellence and alleviating academic failure. The State Board of Education shall assess the academic progress of all students who have been enrolled in preschool educational programs.

On or before November 1 of each fiscal year in which the General Assembly provides funding for new programs under paragraph (4.5) of this Section, the State Board of Education shall report to the General Assembly on what percentage of new funding was provided to programs serving primarily at-risk children, what percentage of new funding was provided to programs serving primarily children with a family income of less than 4 times the federal poverty level, and what percentage of new funding was provided to other programs.

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 19-1 as follows:

(105 ILCS 5/19-1)

Sec. 19-1. Debt limitations of school districts.

(a) School districts shall not be subject to the provisions limiting their indebtedness prescribed in "An Act to limit the indebtedness of counties having a population of less than 500,000 and townships, school districts and other municipal corporations having a population of less than 300,000", approved February 15, 1928, as amended.

No school districts maintaining grades K through 8 or 9 through 12 shall become indebted in any manner or for any purpose to an amount, including existing indebtedness, in the aggregate exceeding 6.9% on the value of the taxable property therein to be ascertained by the last assessment for State and county taxes or, until January 1, 1983, if greater,

New matter indicated by italics - deletions by strikeout
the sum that is produced by multiplying the school district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979, previous to the incurring of such indebtedness.

No school districts maintaining grades K through 12 shall become indebted in any manner or for any purpose to an amount, including existing indebtedness, in the aggregate exceeding 13.8% on the value of the taxable property therein to be ascertained by the last assessment for State and county taxes or, until January 1, 1983, if greater, the sum that is produced by multiplying the school district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979, previous to the incurring of such indebtedness.

No partial elementary unit district, as defined in Article 11E of this Code, shall become indebted in any manner or for any purpose in an amount, including existing indebtedness, in the aggregate exceeding 6.9% of the value of the taxable property of the entire district, to be ascertained by the last assessment for State and county taxes, plus an amount, including existing indebtedness, in the aggregate exceeding 6.9% of the value of the taxable property of that portion of the district included in the elementary and high school classification, to be ascertained by the last assessment for State and county taxes. Moreover, no partial elementary unit district, as defined in Article 11E of this Code, shall become indebted on account of bonds issued by the district for high school purposes in the aggregate exceeding 6.9% of the value of the taxable property of the entire district, to be ascertained by the last assessment for State and county taxes, nor shall the district become indebted on account of bonds issued by the district for elementary purposes in the aggregate exceeding 6.9% of the value of the taxable property for that portion of the district included in the elementary and high school classification, to be ascertained by the last assessment for State and county taxes.

Notwithstanding the provisions of any other law to the contrary, in any case in which the voters of a school district have approved a proposition for the issuance of bonds of such school district at an election held prior to January 1, 1979, and all of the bonds approved at such election have not been issued, the debt limitation applicable to such school district during the calendar year 1979 shall be computed by multiplying the value of taxable property therein, including personal property, as ascertained by the last assessment for State and county taxes, previous to the incurring of such indebtedness, by the percentage limitation applicable to such school district under the provisions of this subsection (a).
(b) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, additional indebtedness may be incurred in an amount not to exceed the estimated cost of acquiring or improving school sites or constructing and equipping additional building facilities under the following conditions:

(1) Whenever the enrollment of students for the next school year is estimated by the board of education to increase over the actual present enrollment by not less than 35% or by not less than 200 students or the actual present enrollment of students has increased over the previous school year by not less than 35% or by not less than 200 students and the board of education determines that additional school sites or building facilities are required as a result of such increase in enrollment; and

(2) When the Regional Superintendent of Schools having jurisdiction over the school district and the State Superintendent of Education concur in such enrollment projection or increase and approve the need for such additional school sites or building facilities and the estimated cost thereof; and

(3) When the voters in the school district approve a proposition for the issuance of bonds for the purpose of acquiring or improving such needed school sites or constructing and equipping such needed additional building facilities at an election called and held for that purpose. Notice of such an election shall state that the amount of indebtedness proposed to be incurred would exceed the debt limitation otherwise applicable to the school district. The ballot for such proposition shall state what percentage of the equalized assessed valuation will be outstanding in bonds if the proposed issuance of bonds is approved by the voters; or

(4) Notwithstanding the provisions of paragraphs (1) through (3) of this subsection (b), if the school board determines that additional facilities are needed to provide a quality educational program and not less than 2/3 of those voting in an election called by the school board on the question approve the issuance of bonds for the construction of such facilities, the school district may issue bonds for this purpose; or

(5) Notwithstanding the provisions of paragraphs (1) through (3) of this subsection (b), if (i) the school district has previously availed itself of the provisions of paragraph (4) of this subsection (b) to enable it to issue bonds, (ii) the voters of the
school district have not defeated a proposition for the issuance of bonds since the referendum described in paragraph (4) of this subsection (b) was held, (iii) the school board determines that additional facilities are needed to provide a quality educational program, and (iv) a majority of those voting in an election called by the school board on the question approve the issuance of bonds for the construction of such facilities, the school district may issue bonds for this purpose.

In no event shall the indebtedness incurred pursuant to this subsection (b) and the existing indebtedness of the school district exceed 15% of the value of the taxable property therein to be ascertained by the last assessment for State and county taxes, previous to the incurring of such indebtedness or, until January 1, 1983, if greater, the sum that is produced by multiplying the school district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979.

The indebtedness provided for by this subsection (b) shall be in addition to and in excess of any other debt limitation.

(c) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, in any case in which a public question for the issuance of bonds of a proposed school district maintaining grades kindergarten through 12 received at least 60% of the valid ballots cast on the question at an election held on or prior to November 8, 1994, and in which the bonds approved at such election have not been issued, the school district pursuant to the requirements of Section 11A-10 (now repealed) may issue the total amount of bonds approved at such election for the purpose stated in the question.

(d) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, a school district that meets all the criteria set forth in paragraphs (1) and (2) of this subsection (d) may incur an additional indebtedness in an amount not to exceed $4,500,000, even though the amount of the additional indebtedness authorized by this subsection (d), when incurred and added to the aggregate amount of indebtedness of the district existing immediately prior to the district incurring the additional indebtedness authorized by this subsection (d), causes the aggregate indebtedness of the district to exceed the debt limitation otherwise applicable to that district under subsection (a):

(1) The additional indebtedness authorized by this subsection (d) is incurred by the school district through the issuance of bonds under and in accordance with Section 17-2.11a
for the purpose of replacing a school building which, because of mine subsidence damage, has been closed as provided in paragraph (2) of this subsection (d) or through the issuance of bonds under and in accordance with Section 19-3 for the purpose of increasing the size of, or providing for additional functions in, such replacement school buildings, or both such purposes.

(2) The bonds issued by the school district as provided in paragraph (1) above are issued for the purposes of construction by the school district of a new school building pursuant to Section 17-2.11, to replace an existing school building that, because of mine subsidence damage, is closed as of the end of the 1992-93 school year pursuant to action of the regional superintendent of schools of the educational service region in which the district is located under Section 3-14.22 or are issued for the purpose of increasing the size of, or providing for additional functions in, the new school building being constructed to replace a school building closed as the result of mine subsidence damage, or both such purposes.

(e) (Blank).

(f) Notwithstanding the provisions of subsection (a) of this Section or of any other law, bonds in not to exceed the aggregate amount of $5,500,000 and issued by a school district meeting the following criteria shall not be considered indebtedness for purposes of any statutory limitation and may be issued in an amount or amounts, including existing indebtedness, in excess of any heretofore or hereafter imposed statutory limitation as to indebtedness:

(1) At the time of the sale of such bonds, the board of education of the district shall have determined by resolution that the enrollment of students in the district is projected to increase by not less than 7% during each of the next succeeding 2 school years.

(2) The board of education shall also determine by resolution that the improvements to be financed with the proceeds of the bonds are needed because of the projected enrollment increases.

(3) The board of education shall also determine by resolution that the projected increases in enrollment are the result of improvements made or expected to be made to passenger rail facilities located in the school district.

Notwithstanding the provisions of subsection (a) of this Section or of any other law, a school district that has availed itself of the provisions

(i) The bonds are issued for the purpose of constructing a new high school building to replace two adjacent existing buildings which together house a single high school, each of which is more than 65 years old, and which together are located on more than 10 acres and less than 11 acres of property.

The State Teacher Certification Board may request that the certificate holder appear before it. All actions taken by the State Teacher Certification Board shall require a quorum and be by a simple majority of those present and voting. A record of all votes shall be maintained. The State Teacher Certification Board shall notify the certificate holder in writing, within 7 days of completing the review, whether his or her Standard Teaching Certificate has been renewed or nonrenewed, provided that if the State Teacher Certification Board determines to nonrenew a certificate, the written notice provided to the certificate holder shall be by certified mail, return receipt requested. All certificate renewal or nonrenewal decisions of the State Teacher Certification Board are final and subject to administrative review, as set forth in Section 21-24 of this Code.

These certificate holders shall follow the same renewal criteria and procedures as all other Standard and Master Teaching Certificate holders, except that their continuing professional development activities need not

Section 99. Effective date. This Act takes effect upon becoming law.

Passed in the General Assembly April 27, 2010.
Approved June 28, 2010.
Effective June 28, 2010.

PUBLIC ACT 96-0952
(Senate Bill No. 3266)

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 27-23.7 and by adding Sections 27-23.9 and 27-23.10 as follows:

(105 ILCS 5/27-23.7)
Sec. 27-23.7. Bullying prevention education; gang resistance education and training.

New matter indicated by italics - deletions by strikeout
(a) The General Assembly finds that a safe and civil school environment is necessary for students to learn and achieve and that bullying causes physical, psychological, and emotional harm to students and interferes with students' ability to learn and participate in school activities. The General Assembly further finds that bullying has a negative effect on the social environment of schools, creates a climate of fear among students, inhibits their ability to learn, and leads to other antisocial behavior. Bullying behavior has been linked to other forms of antisocial behavior, such as vandalism, shoplifting, skipping and dropping out of school, fighting, using drugs and alcohol, sexual harassment, and sexual violence. Because of the negative outcomes associated with bullying in schools, the General Assembly finds that school districts and non-public, non-sectarian elementary and secondary schools should educate students, parents, and school district or non-public, non-sectarian elementary or secondary school personnel about what behaviors constitute prohibited bullying.

Bullying on the basis of actual or perceived race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental disability, military status, sexual orientation, gender-related identity or expression, unfavorable discharge from military service, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is prohibited in all school districts and non-public, non-sectarian elementary and secondary schools. No student shall be subjected to bullying:

(1) during any school-sponsored education program or activity;

(2) while in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities; or

(3) through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.

The General Assembly further finds that the instance of youth delinquent gangs continues to rise on a statewide basis. Given the higher rates of criminal offending among gang members, as well as the availability of increasingly lethal weapons, the level of criminal activity by gang members has taken on new importance for law enforcement agencies, schools, the community, and prevention efforts.
(b) In this Section:

"Bullying" means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

(1) placing the student or students in reasonable fear of harm to the student's or students' person or property;
(2) causing a substantially detrimental effect on the student's or students' physical or mental health;
(3) substantially interfering with the student's or students' academic performance; or
(4) substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Bullying, as defined in this subsection (b), may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.

"School personnel" means persons employed by, on contract with, or who volunteer in a school district or non-public, non-sectarian elementary or secondary school, including without limitation school and school district administrators, teachers, school guidance counselors, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

"Bullying prevention" means and includes instruction in all of the following:

(1) Intimidation.
(2) Student victimization.
(3) Sexual harassment.
(4) Sexual violence.
(5) Strategies for student-centered problem solving regarding bullying.

"Gang resistance education and training" means and includes instruction in, without limitation, each of the following subject matters when accompanied by a stated objective of reducing gang activity and
educating children in grades K through 12 about the consequences of gang involvement:

(1) Conflict resolution:
(2) Cultural sensitivity:
(3) Personal goal setting:
(4) Resisting peer pressure:

(c) (Blank). Each school district may make suitable provisions for instruction in bullying prevention and gang resistance education and training in all grades and include such instruction in the courses of study regularly taught therein. A school board may collaborate with a community-based agency providing specialized curricula in bullying prevention whose ultimate outcome is to prevent sexual violence. For the purposes of gang resistance education and training, a school board must collaborate with State and local law enforcement agencies. The State Board of Education may assist in the development of instructional materials and teacher training in relation to bullying prevention and gang resistance education and training.

(d) Each Beginning 180 days after August 23, 2007 (the effective date of Public Act 95-349), each school district and non-public, non-sectarian elementary or secondary school shall create and maintain a policy on bullying, which policy must be filed with the State Board of Education. Each school district and non-public, non-sectarian elementary or secondary school must communicate its policy on bullying to its students and their parent or guardian on an annual basis. The policy must be updated every 2 years and filed with the State Board of Education after being updated. The State Board of Education shall monitor the implementation of policies created under this subsection (d).

(e) This Section shall not be interpreted to prevent a victim from seeking redress under any other available civil or criminal law. Nothing in this Section is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the First Amendment to the United States Constitution or under Section 3 or 4 of Article 1 of the Illinois Constitution.

Sec. 27-23.9. School Bullying Prevention Task Force.

New matter indicated by italics - deletions by strikeout

(c) Within 60 days after the effective date of this amendatory Act of the 96th General Assembly, the State Superintendent of Education shall appoint 15 members to the Task Force. The membership of the Task Force shall include representatives of State agencies whose work includes bullying prevention or intervention; statewide organizations that focus on violence or bullying prevention or intervention; teachers and management personnel from at least 3 school districts; academics who conduct research on bullying, its consequences to students in grades K through 12, or effective strategies for preventing or addressing bullying; a current high school or college student who has experienced bullying; and others at the State Superintendent's discretion. Members of the Task Force shall serve without compensation.

(d) The State Board of Education shall provide technical assistance for the work of the Task Force.

(e) No later than March 1, 2011, the Task Force shall submit a report to the Governor and the General Assembly on any recommendations for preventing and addressing bullying in schools in this State and a proposed timeline for meeting the Task Force's charges identified in this Section.

(f) This Section is repealed on March 2, 2011.

Sec. 27-23.10. Gang resistance education and training.

(a) The General Assembly finds that the instance of youth delinquent gangs continues to rise on a statewide basis. Given the higher rates of criminal offending among gang members, as well as the availability of increasingly lethal weapons, the level of criminal activity by gang members has taken on new importance for law enforcement agencies, schools, the community, and prevention efforts.

(b) As used in this Section:
"Gang resistance education and training" means and includes instruction in, without limitation, each of the following subject matters when accompanied by a stated objective of reducing gang activity and educating children in grades K through 12 about the consequences of gang involvement:

(1) conflict resolution;
(2) cultural sensitivity;
(3) personal goal setting; and
(4) resisting peer pressure.

(c) Each school district and non-public, non-sectarian elementary or secondary school in this State may make suitable provisions for instruction in gang resistance education and training in all grades and include that instruction in the courses of study regularly taught in those grades. For the purposes of gang resistance education and training, a school board or the governing body of a non-public, non-sectarian elementary or secondary school must collaborate with State and local law enforcement agencies. The State Board of Education may assist in the development of instructional materials and teacher training in relation to gang resistance education and training.

(c) The school district of a school may work with a transfer student to determine an appropriate schedule that ensures that a student will graduate, provided that the student has met the district's minimal graduation requirements, which may be modified provided that the modifications are a result of scheduling issues and not a result of the student's academic failure.

(d) If a student transfers to a new school district during his or her senior year and the receiving school district cannot make reasonable adjustments under this Section to ensure graduation, then the school district shall make every reasonable effort to ensure that the school district from where the student transfers issues the student a diploma.

Such methods of data collection, exchange, and reporting shall, in so far as is reasonably possible, conform to current technology and coordinate its information functions with the appropriate State custodian of educational records as identified in the rules.

(10) Create a process that permits military officials, education officials, and parents to inform the Interstate Commission if and when there are alleged violations of the compact or its rules or when issues subject to the jurisdiction of the compact or its rules are not addressed by the state or local education agency. (7) Providing "start-up" rules for initial administration of the compact. These rules are not effective or enforceable in this State until enacted into law in this State.

The executive director shall serve as secretary to the Interstate Commission, but shall not be a member of the Interstate Commission. The executive director shall hire and supervise such other persons as may be authorized by the Interstate Commission.

(f) The Interstate Commission's executive director and its employees shall be immune from suit and liability, either personally or in their official capacity, for a claim for damage to or loss of property or personal injury or other civil liability caused or arising out of or relating to an actual or alleged act, error, or omission that occurred, or that such person had a reasonable basis for believing occurred, within the scope of Interstate Commission employment, duties, or responsibilities; provided, that such person shall not be protected from suit or liability for damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of such person.
(g) The liability of the Interstate Commission's executive director and employees or Interstate Commission representatives, acting within the scope of such person's employment or duties, for acts, errors, or omissions occurring within such person's state may not exceed the limits of liability set forth under the Constitution and laws of that state for state officials, employees, and agents. The Interstate Commission is considered to be an instrumentality of the states for the purposes of any such action. Nothing in this subsection (g) shall be construed to protect such person from suit or liability for damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of such person.

(h) The Interstate Commission shall defend the executive director and its employees and, subject to the approval of the Attorney General or other appropriate legal counsel of the member state represented by an Interstate Commission representative, shall defend such Interstate Commission representative in any civil action seeking to impose liability arising out of an actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such person.

Notwithstanding the foregoing, in the event the Interstate Commission exercises its rulemaking authority in a manner that is beyond the scope of the purposes of the compact, or the

(c) The withdrawing state shall immediately notify the chairperson

Section 905. The School Code is amended by changing Section 27-8.1 as follows:

(105 ILCS 5/27-8.1) (from Ch. 122, par. 27-8.1)
Sec. 27-8.1. Health examinations and immunizations.

(1) In compliance with rules and regulations which the Department of Public Health shall promulgate, and except as hereinafter provided, all children in Illinois shall have a health examination as follows: within one year prior to entering kindergarten or the first grade of any public, private, or parochial elementary school; upon entering the sixth and ninth grades of any public, private, or parochial school; prior to entrance into any public, private, or parochial nursery school; and, irrespective of grade, immediately prior to or upon entrance into any public, private, or parochial school or nursery school, each child shall present proof of having been examined in accordance with this Section and the rules and regulations promulgated hereunder. Any child who received a health examination within one year prior to entering the fifth grade for the 2007-2008 school year is not required to receive an additional health examination in order to comply with the provisions of Public Act 95-422 when he or she attends school for the 2008-2009 school year, unless the child is attending school for the first time as provided in this paragraph.

A tuberculosis skin test screening shall be included as a required part of each health examination included under this Section if the child resides in an area designated by the Department of Public Health as having a high incidence of tuberculosis. Additional health examinations of pupils, including eye examinations, may be required when deemed necessary by school authorities. Parents are encouraged to have their children undergo eye examinations at the same points in time required for health examinations.

(1.5) In compliance with rules adopted by the Department of Public Health and except as otherwise provided in this Section, all children in kindergarten and the second and sixth grades of any public, private, or parochial school shall have a dental examination. Each of these children shall present proof of having been examined by a dentist in accordance
with this Section and rules adopted under this Section before May 15th of the school year. If a child in the second or sixth grade fails to present proof by May 15th, the school may hold the child's report card until one of the following occurs: (i) the child presents proof of a completed dental examination or (ii) the child presents proof that a dental examination will take place within 60 days after May 15th. The Department of Public Health shall establish, by rule, a waiver for children who show an undue burden or a lack of access to a dentist. Each public, private, and parochial school must give notice of this dental examination requirement to the parents and guardians of students at least 60 days before May 15th of each school year.

(1.10) Except as otherwise provided in this Section, all children enrolling in kindergarten in a public, private, or parochial school on or after the effective date of this amendatory Act of the 95th General Assembly and any student enrolling for the first time in a public, private, or parochial school on or after the effective date of this amendatory Act of the 95th General Assembly shall have an eye examination. Each of these children shall present proof of having been examined by a physician licensed to practice medicine in all of its branches or a licensed optometrist within the previous year, in accordance with this Section and rules adopted under this Section, before October 15th of the school year. If the child fails to present proof by October 15th, the school may hold the child's report card until one of the following occurs: (i) the child presents proof of a completed eye examination or (ii) the child presents proof that an eye examination will take place within 60 days after October 15th. The Department of Public Health shall establish, by rule, a waiver for children who show an undue burden or a lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or to a licensed optometrist. Each public, private, and parochial school must give notice of this eye examination requirement to the parents and guardians of students in compliance with rules of the Department of Public Health. Nothing in this Section shall be construed to allow a school to exclude a child from attending because of a parent's or guardian's failure to obtain an eye examination for the child.

(2) The Department of Public Health shall promulgate rules and regulations specifying the examinations and procedures that constitute a health examination, which shall include the collection of data relating to obesity (including at a minimum, date of birth, gender, height, weight, blood pressure, and date of exam), and a dental examination and may
recommend by rule that certain additional examinations be performed. The rules and regulations of the Department of Public Health shall specify that a tuberculosis skin test screening shall be included as a required part of each health examination included under this Section if the child resides in an area designated by the Department of Public Health as having a high incidence of tuberculosis. The Department of Public Health shall specify that a diabetes screening as defined by rule shall be included as a required part of each health examination. Diabetes testing is not required.

If a registered nurse performs any part of a health examination, then a physician licensed to practice medicine in all of its branches must review and sign all required report forms. Licensed dentists shall perform all dental examinations and shall sign all report forms required by subsection (4) of this Section that pertain to the dental examinations. Physicians licensed to practice medicine in all its branches or licensed optometrists shall perform all eye examinations required by this Section and shall sign all report forms required by subsection (4) of this Section that pertain to the eye examination. For purposes of this Section, an eye examination shall at a minimum include history, visual acuity, subjective refraction to best visual acuity near and far, internal and external examination, and a glaucoma evaluation, as well as any other tests or observations that in the professional judgment of the doctor are necessary. Vision and hearing screening tests, which shall not be considered examinations as that term is used in this Section, shall be conducted in accordance with rules and regulations of the Department of Public Health, and by individuals whom the Department of Public Health has certified. In these rules and regulations, the Department of Public Health shall require that individuals conducting vision screening tests give a child's parent or guardian written notification, before the vision screening is conducted, that states, "Vision screening is not a substitute for a complete eye and vision evaluation by an

eye doctor. Your child is not required to undergo this vision screening if an optometrist or ophthalmologist has completed and signed a report form indicating that an examination has been administered within the previous 12 months."

(3) Every child shall, at or about the same time as he or she receives a health examination required by subsection (1) of this Section, present to the local school proof of having received such immunizations against preventable communicable diseases as the Department of Public Health shall require by rules and regulations promulgated pursuant to this Section and the Communicable Disease Prevention Act.

(4) The individuals conducting the health examination, dental examination, or eye examination shall record the fact of having conducted the examination, and such additional information as required, including for a health examination data relating to obesity (including at a minimum, date of birth, gender, height, weight, blood pressure, and date of exam), on uniform forms which the Department of Public Health and the State Board of Education shall prescribe for statewide use. The examiner shall summarize on the report form any condition that he or she suspects indicates a need for special services, including for a health examination factors relating to obesity. The individuals confirming the administration of required immunizations shall record as indicated on the form that the immunizations were administered.

(5) If a child does not submit proof of having had either the health examination or the immunization as required, then the child shall be examined or receive the immunization, as the case may be, and present proof by October 15 of the current school year, or by an earlier date of the current school year established by a school district. To establish a date before October 15 of the current school year for the health examination or immunization as required, a school district must give notice of the requirements of this Section 60 days prior to the earlier established date. If for medical reasons one or more of the required immunizations must be given after October 15 of the current school year, or after an earlier established date of the current school year, then the child shall present, by October 15, or by the earlier established date, a schedule for the administration of the immunizations and a statement of the medical reasons causing the delay, both the schedule and the statement being issued by the physician, advanced practice nurse, physician assistant, registered nurse, or local health department that will be responsible for administration of the remaining required immunizations. If a child does
not comply by October 15, or by the earlier established date of the current school year, with the requirements of this subsection, then the local school authority shall exclude that child from school until such time as the child presents proof of having had the health examination as required and presents proof of having received those required immunizations which are medically possible to receive immediately. During a child's exclusion from school for noncompliance with this subsection, the child's parents or legal guardian shall be considered in violation of Section 26-1 and subject to any penalty imposed by Section 26-10. This subsection (5) does not apply to dental examinations and eye examinations. Until June 30, 2012, if the student is an out-of-state transfer student and does not have the proof required under this subsection (5) before October 15 of the current year or whatever date is set by the school district, then he or she may only attend classes (i) if he or she has proof that an appointment for the required vaccinations has been scheduled with a party authorized to submit proof of the required vaccinations. If the proof of vaccination required under this subsection (5) is not submitted within 30 days after the student is permitted to attend classes, then the student is not to be permitted to attend classes until proof of the vaccinations has been properly submitted.

No school district or employee of a school district shall be held liable for any injury or illness to another person that results from admitting an out-of-state transfer student to class that has an appointment scheduled pursuant to this subsection (5).

(6) Every school shall report to the State Board of Education by November 15, in the manner which that agency shall require, the number of children who have received the necessary immunizations and the health examination (other than a dental examination or eye examination) as required, indicating, of those who have not received the immunizations and examination as required, the number of children who are exempt from health examination and immunization requirements on religious or medical grounds as provided in subsection (8). Every school shall report to the State Board of Education by June 30, in the manner that the State Board requires, the number of children who have received the required dental examination, indicating, of those who have not received the required dental examination, the number of children who are exempt from the dental examination on religious grounds as provided in subsection (8) of this Section and the number of children who have received a waiver under subsection (1.5) of this Section. This reported information shall be provided to the Department of Public Health by the State Board of Education.

(7) Upon determining that the number of pupils who are required to be in compliance with subsection (5) of this Section is below 90% of the number of pupils enrolled in the school district, 10% of each State aid payment made pursuant to Section 18-8.05 to the school district for such year may be withheld by the State Board of Education until the number of students in compliance with subsection (5) is the applicable specified percentage or higher.

(8) Parents or legal guardians who object to health, dental, or eye examinations or any part thereof, or to immunizations, on religious grounds shall not be required to submit their children or wards to the examinations or immunizations to which they so object if such parents or legal guardians present to the appropriate local school authority a signed statement of objection, detailing the grounds for the objection. If the physical condition of the child is such that any one or more of the immunizing agents should not be administered, the examining physician, advanced practice nurse, or physician assistant responsible for the performance of the health examination shall endorse that fact upon the health examination form. Exempting a child from the health, dental, or eye examination does not exempt the child from participation in the program of physical education training provided in Sections 27-5 through 27-7 of this Code.

(9) For the purposes of this Section, "nursery schools" means those nursery schools operated by elementary school systems or secondary level school units or institutions of higher learning.

To the Honorable Members of the
Illinois House of Representatives
96th General Assembly

House Bill 859 appropriates money for the operation of state government for fiscal year 2011. As we are all aware, this upcoming fiscal year promises to present the greatest fiscal challenges our State has ever confronted. Never before have our needs been so great and our resources so limited. As Governor, I am committed to guiding the citizens of our State through this unprecedented challenge.

Implementing the fiscal year 2011 budget requires that difficult decisions be made. Simply state, our State does not have sufficient resources to meet its needs. Spending continues to outpace available revenues and unpaid bills continue to mount. All of us, Democrats and Republicans alike, must work together to make the tough choices that confront the State of Illinois.

New matter indicated by italics - deletions by strikeout
I did not create this budget crisis, but I am committed to solving it. Since presenting my budget on March 10, I have impressed upon the members of the General Assembly the need to implement the Five Pillars of Recovery: (1) creating jobs, (2) continued federal assistance, (3) cutting costs, (4) strategic borrowing, and (5) increased revenue. To resolve this budget crisis, each of these tools must be utilized.

Through Illinois Jobs Now!, I have created jobs throughout the State. My Administration also continues to work with the federal government to maximize federal assistance. With my reductions today, and the additional efficiency measures my Administration has undertaken, I have already cut more from the state budget than any Governor in the history of our State. But relying on three of the five pillars is not enough. Without strategic borrowing and increased revenue, we will not resolve this crisis. We must pursue all five pillars to ensure that the State can restore its fiscal health. Therefore, pursuant to Article IV, Section 9 (d) of the Illinois Constitution of 1970, I hereby return House Bill 859, entitled “An ACT making appropriations” with reduction and item vetoes in appropriations totaling $155,166,630.
