Sec. 8-802.1. Confidentiality of Statements Made to Rape Crisis Personnel.

(a) Purpose. This Section is intended to protect victims of rape from public disclosure of statements they make in confidence to counselors of organizations established to help them. On or after July 1, 1984, "rape" means an act of forced sexual penetration or sexual conduct, as defined in Section 11-0.1 of the Criminal Code of 2012 or the Criminal Code of 1961, as amended, including acts prohibited under Sections 11-1.20 through 11-1.60 or 12-13 through 12-16 of the Criminal Code of 1961 or the Criminal Code of 2012, as amended. Because of the fear and stigma that often results from those crimes, many victims hesitate to seek help even where it is available at no cost to them. As a result they not only fail to receive needed medical care and emergency counseling, but may lack the psychological support necessary to report the crime and aid police in preventing future crimes.

(b) Definitions. As used in this Act:

(3) "Victim" means a person who is the subject of, or who seeks information, counseling, or advocacy services as a result of an aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual assault, sexual relations within families, criminal sexual abuse, aggravated criminal sexual abuse, sexual exploitation of a child, indecent solicitation of a child, public indecency, exploitation of a child, promoting juvenile prostitution as described in subdivision (a)(4) of Section 11-14.4, or an attempt to commit any of these offenses.
(4) "Confidential communication" means any communication between a victim and a rape crisis counselor in the course of providing information, counseling, and advocacy. The term includes all records kept by the counselor or by the organization in the course of providing services to an alleged victim concerning the alleged victim and the services provided.

(c) Waiver of privilege.

(1) The confidential nature of the communication is not waived by: the presence of a third person who further expresses the interests of the victim at the time of the communication; group counseling; or disclosure to a third person with the consent of the victim when reasonably necessary to accomplish the purpose for which the counselor is consulted.

(2) The confidential nature of counseling records is not waived when: the victim inspects the records; or in the case of a minor child less than 12 years of age, a parent or guardian whose interests are not adverse to the minor inspects the records; or in the case of a minor victim 12 years or older, a parent or guardian whose interests are not adverse to the minor inspects the records with the victim's consent, or in the case of an adult who has a guardian of his or her person, the guardian inspects the records with the victim's consent.

(3) When a victim is deceased, the executor or administrator of the victim's estate may waive the privilege established by this Section, unless the executor or administrator has an interest adverse to the victim.

(4) A minor victim 12 years of age or older may knowingly waive the privilege established in this Section. When a minor is, in the opinion of the Court, incapable of knowingly waiving the privilege, the parent or guardian of the minor may waive the privilege on behalf of the minor, unless the parent or guardian has been charged with a violent crime against the victim or otherwise has any interest adverse to that of the minor with respect to the waiver of the privilege.

(5) An adult victim who has a guardian of his or her person may knowingly waive the privilege established in this Section. When the victim is, in the opinion of the court, incapable of knowingly waiving the privilege, the guardian of the adult victim may waive the privilege on behalf of the victim, unless the
guardian has been charged with a violent crime against the victim or otherwise has any interest adverse to the victim with respect to the privilege.

(d) Confidentiality. Except as provided in this Act, no rape crisis counselor shall disclose any confidential communication or be examined as a witness in any civil or criminal proceeding as to any confidential communication without the written consent of the victim or a representative of the victim as provided in subparagraph (c).

(e) A rape crisis counselor may disclose a confidential communication without the consent of the victim if failure to disclose is likely to result in a clear, imminent risk of serious physical injury or death of the victim or another person. Any rape crisis counselor or rape crisis organization participating in good faith in the disclosing of records and communications under this Act shall have immunity from any liability, civil, criminal, or otherwise that might result from the action. In any proceeding, civil or criminal, arising out of a disclosure under this Section, the good faith of any rape crisis counselor or rape crisis organization who disclosed the confidential communication shall be presumed.

(f) Any rape crisis counselor who knowingly discloses any confidential communication in violation of this Act commits a Class C misdemeanor.

Sec. 9-106.2. Affirmative defense for violence; barring persons from property.

(a) It shall be an affirmative defense to an action maintained under this Article IX if the court makes one of the following findings that the demand for possession is:

(1) based solely on the tenant's, lessee's, or household member's status as a victim of domestic violence or sexual violence as those terms are defined in Section 10 of the Safe Homes Act, stalking as that term is defined in the Criminal Code of 2012, or dating violence;

(2) based solely upon an incident of actual or threatened domestic violence, dating violence, stalking, or sexual violence against a tenant, lessee, or household member;

(3) based solely upon criminal activity directly relating to domestic violence, dating violence, stalking, or sexual violence engaged in by a member of a tenant's or lessee's household or any guest or other person under the tenant's, lessee's, or household member's control, and against the tenant, lessee, or household member; or

(4) based upon a demand for possession pursuant to subsection (f) where the tenant, lessee, or household member who was the victim of domestic violence, sexual violence, stalking, or dating violence did not knowingly consent to the barred person entering the premises or a valid court order permitted the barred person's entry onto the premises.

(b) When asserting the affirmative defense, at least one form of the following types of evidence shall be provided to support the affirmative defense: medical, court, or police records documenting the violence or a statement from an employee of a victim service organization or from a medical professional from whom the tenant, lessee, or household member has sought services.

(c) Nothing in subsection (a) shall prevent the landlord from seeking possession solely against a tenant, household member, or lessee of the premises who perpetrated the violence referred to in subsection (a).
(d) Nothing in subsection (a) shall prevent the landlord from seeking possession against the entire household, including the tenant, lessee, or household member who is a victim of domestic violence, dating violence, stalking, or sexual violence if the tenant, lessee, or household member's continued tenancy would pose an actual and imminent threat to other tenants, lessees, household members, the landlord or their agents at the property.

(e) Nothing in subsection (a) shall prevent the landlord from seeking possession against the tenant, lessee, or household member who is a victim of domestic violence, dating violence, stalking, or sexual violence if that tenant, lessee, or household member has committed the criminal activity on which the demand for possession is based.

(f) A landlord shall have the power to bar the presence of a person from the premises owned by the landlord who is not a tenant or lessee or who is not a member of the tenant's or lessee's household. A landlord bars a person from the premises by providing written notice to the tenant or lessee that the person is no longer allowed on the premises. That notice shall state that if the tenant invites the barred person onto any portion of the premises, then the landlord may treat this as a breach of the lease, whether or not this provision is contained in the lease. Subject to paragraph (4) of subsection (a), the landlord may evict the tenant.

(g) Further, a landlord may give notice to a person that the person is barred from the premises owned by the landlord. A person has received notice from the landlord within the meaning of this subsection if he has been notified personally, either orally or in writing including a valid court order as defined by subsection (7) of Section 112A-3 of the Code of Criminal Procedure of 1963 granting remedy (2) of subsection (b) of Section 112A-14 of that Code, or if a printed or written notice forbidding such entry has been conspicuously posted or exhibited at the main entrance to such land or the forbidden part thereof. Any person entering the landlord's premises after such notice has been given shall be guilty of criminal trespass to real property as set forth in Section 21-3 of the Criminal Code of 2012. After notice has been given, an invitation to the person to enter the premises shall be void if made by a tenant, lessee, or member of the tenant's or lessee's household and shall not constitute a valid invitation to come upon the premises or a defense to a criminal trespass to real property.

(b) The provisions of this Section are fully applicable to convictions based upon defendant's accountability under Section 5-2 of the Criminal Code of 1961 or the Criminal Code of 2012, approved July 28, 1961, as amended.

(c) Paragraphs (a) and (b) above shall apply to any cause of action regardless of the date on which the defendant's conduct is alleged to have occurred or of the date of any conviction resulting therefrom. In addition, this Section shall be applied retroactively and shall revive causes of actions which otherwise may have been barred under limitations provisions in effect prior to the enactment and/or effect of P.A. 84-1450.

Sec. 13-202.2. Childhood sexual abuse.
(a) In this Section:
"Childhood sexual abuse" means an act of sexual abuse that occurs
when the person abused is under 18 years of age.
"Sexual abuse" includes but is not limited to sexual conduct and
sexual penetration as defined in Section 11-0.1 of the Criminal Code of
1961.

(b) Notwithstanding any other provision of law, an action for
damages for personal injury based on childhood sexual abuse must be
commenced within 20 years of the date the limitation period begins to run
under subsection (d) or within 20 years of the date the person abused
discovers or through the use of reasonable diligence should discover both
(i) that the act of childhood sexual abuse occurred and (ii) that the injury
was caused by the childhood sexual abuse. The fact that the person abused
discovers or through the use of reasonable diligence should discover that
the act of childhood sexual abuse occurred is not, by itself, sufficient to
start the discovery period under this subsection (b). Knowledge of the
abuse does not constitute discovery of the injury or the causal relationship
between any later-discovered injury and the abuse.

(c) If the injury is caused by 2 or more acts of childhood sexual
abuse that are part of a continuing series of acts of childhood sexual abuse
by the same abuser, then the discovery period under subsection (b) shall be
computed from the date the person abused discovers or through the use of
reasonable diligence should discover both (i) that the last act of childhood
sexual abuse in the continuing series occurred and (ii) that the injury was
cause by any act of childhood sexual abuse in the continuing series. The

person abused attains the age of 18 years he or she is under other legal
disability, the limitation periods under subsection (b) do not begin to run

only to actions commenced on or after the effective date of this
amendatory Act of 1993. The changes made by this amendatory Act of the
93rd General Assembly apply to actions pending on the effective date of
this amendatory Act of the 93rd General Assembly as well as actions
commenced on or after that date. The changes made by this amendatory
Act of the 96th General Assembly apply to actions commenced on or after

Section 710. The Stalking No Contact Order Act is amended by changing Section 90 as follows:

(740 ILCS 21/90)

Section 715. The Civil No Contact Order Act is amended by changing Sections 213 and 213.5 as follows:

(740 ILCS 22/213)
Sec. 213. Civil no contact order; remedies.
(a) If the court finds that the petitioner has been a victim of non-consensual sexual conduct or non-consensual sexual penetration, a civil no contact order shall issue; provided that the petitioner must also satisfy the requirements of Section 214 on emergency orders or Section 215 on plenary orders. The petitioner shall not be denied a civil no contact order because the petitioner or the respondent is a minor. The court, when determining whether or not to issue a civil no contact order, may not require physical injury on the person of the victim. Modification and extension of prior civil no contact orders shall be in accordance with this Act.

(b) (Blank).

(b-5) The court may provide relief as follows:
(1) prohibit the respondent from knowingly coming within, or knowingly remaining within, a specified distance from the petitioner;
(2) restrain the respondent from having any contact, including nonphysical contact, with the petitioner directly, indirectly, or through third parties, regardless of whether those third parties know of the order;
(3) prohibit the respondent from knowingly coming within, or knowingly remaining within, a specified distance from the petitioner's residence, school, day care or other specified location;

New matter indicated by italics - deletions by strikeout
(4) order the respondent to stay away from any property or animal owned, possessed, leased, kept, or held by the petitioner and forbid the respondent from taking, transferring, encumbering, concealing, harming, or otherwise disposing of the property or animal; and

(5) order any other injunctive relief as necessary or appropriate for the protection of the petitioner.

(b-6) When the petitioner and the respondent attend the same public or private elementary, middle, or high school, the court when issuing a civil no contact order and providing relief shall consider the severity of the act, any continuing physical danger or emotional distress to the petitioner, the educational rights guaranteed to the petitioner and respondent under federal and State law, the availability of a transfer of the respondent to another school, a change of placement or a change of program of the respondent, the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school, and any other relevant facts of the case. The court may order that the respondent not attend the public, private, or non-public elementary, middle, or high school attended by the petitioner, order that the respondent accept a change of placement or program, as determined by the school district or private or non-public school, or place restrictions on the respondent’s movements within the school attended by the petitioner. The respondent bears the burden of proving by a preponderance of the evidence that a transfer, change of placement, or change of program of the respondent is not available. The respondent also bears the burden of production with respect to the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school. A transfer, change of placement, or change of program is not unavailable to the respondent solely on the ground that the respondent does not agree with the school district's or private or non-public school's transfer, change of placement, or change of program or solely on the ground that the respondent fails or refuses to consent to or otherwise does not take an action required to effectuate a transfer, change of placement, or change of program. When a court orders a respondent to stay away from the public, private, or non-public school attended by the petitioner and the respondent requests a transfer to another attendance center within the respondent's school district or private or non-public school, the school district or private or non-public school shall have sole discretion to determine the attendance center to which the respondent is transferred. In
the event the court order results in a transfer of the minor respondent to another attendance center, a change in the respondent's placement, or a change of the respondent's program, the parents, guardian, or legal custodian of the respondent is responsible for transportation and other costs associated with the transfer or change.

(b-7) The court may order the parents, guardian, or legal custodian of a minor respondent to take certain actions or to refrain from taking certain actions to ensure that the respondent complies with the order. In the event the court orders a transfer of the respondent to another school, the parents or legal guardians of the respondent are responsible for transportation and other costs associated with the change of school by the respondent.

(c) Denial of a remedy may not be based, in whole or in part, on evidence that:

1. the respondent has cause for any use of force, unless that cause satisfies the standards for justifiable use of force provided by Article 7 of the Criminal Code of 2012;
2. the respondent was voluntarily intoxicated;
3. the petitioner acted in self-defense or defense of another, provided that, if the petitioner utilized force, such force was justifiable under Article 7 of the Criminal Code of 2012;
4. the petitioner did not act in self-defense or defense of another;
5. the petitioner left the residence or household to avoid further non-consensual sexual conduct or non-consensual sexual penetration by the respondent; or
6. the petitioner did not leave the residence or household to avoid further non-consensual sexual conduct or non-consensual sexual penetration by the respondent.

(d) Monetary damages are not recoverable as a remedy.

Sec. 6.1. Right to compensation. A person is entitled to compensation under this Act if:

(a) Within 2 years of the occurrence of the crime, or within one year after a criminal charge of a person for an offense, upon which the claim is based, he files an application, under oath, with the Court of Claims and on a form prescribed in accordance with Section 7.1 furnished by the Attorney General. If the person entitled to compensation is under 18 years of age or under other legal disability at the time of the occurrence or becomes legally disabled as a result of the occurrence, he may file the application required by this subsection within 2 years after he attains the age of
18 years or the disability is removed, as the case may be. Legal
disability includes a diagnosis of posttraumatic stress disorder.

(b) For all crimes of violence, except those listed in
subsection (b-1) of this Section, the appropriate law enforcement
officials were notified within 72 hours of the perpetration of the
crime allegedly causing the death or injury to the victim or, in the
event such notification was made more than 72 hours after the
perpetration of the crime, the applicant establishes that such notice
was timely under the circumstances.

(b-1) For victims of offenses defined in Sections 11-1.20,
11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-13, 12-14, 12-14.1, 12-15,
and 12-16 of the Criminal Code of 1961 or the Criminal Code of
2012, the appropriate law enforcement officials were notified
within 7 days of the perpetration of the crime allegedly causing
death or injury to the victim or, in the event that the notification
was made more than 7 days after the perpetration of the crime, the
applicant establishes that the notice was timely under the
circumstances. If the applicant or victim has obtained an order of
protection, a civil no contact order, or a stalking no contact order,
or has presented himself or herself to a hospital for sexual assault
evidence collection and medical care, such action shall constitute
appropriate notification under this subsection (b-1) or subsection
(b) of this Section.

(c) The applicant has cooperated with law enforcement
officials in the apprehension and prosecution of the assailant. If the
applicant or victim has obtained an order of protection, a civil no
contact order, or a stalking no contact order or has presented
himself or herself to a hospital for sexual assault evidence
collection and medical care, such action shall constitute
cooperation under this subsection (c).

(d) The applicant is not the offender or an accomplice of
the offender and the award would not unjustly benefit the offender
or his accomplice.

(e) The injury to or death of the victim was not substantially
attributable to his own wrongful act and was not substantially
provoked by the victim.

(740 ILCS 45/14.1) (from Ch. 70, par. 84.1)
Sec. 14.1. (a) Hearings shall be open to the public unless the Court of Claims determines that a closed hearing should be held because:

(1) the alleged assailant has not been brought to trial and a public hearing would adversely affect either his apprehension or his trial;

(2) the offense allegedly perpetrated against the victim is one defined in Section 11-1.20, 11-1.30, 11-1.40, 12-13, 12-14, or 12-14.1 of the Criminal Code of 1961 or the Criminal Code of 2012 and the interests of the victim or of persons dependent on his support require that the public be excluded from the hearing;

(3) the victim or the alleged assailant is a minor; or

(4) the interests of justice would be frustrated, rather than furthered, if the hearing were open to the public.

(b) A transcript shall be kept of the hearings held before the Court of Claims. No part of the transcript of any hearing before the Court of Claims may be used for any purpose in a criminal proceeding except in the prosecution of a person alleged to have perjured himself in his testimony before the Court of Claims. A copy of the transcript may be furnished to the applicant upon his written request to the court reporter, accompanied by payment of a charge established by the Court of Claims in accordance with the prevailing commercial charge for a duplicate transcript. Where the interests of justice require, the Court of Claims may refuse to disclose the names of victims or other material in the transcript by which the identity of the victim could be discovered.

Section 725. The Insurance Claims Fraud Prevention Act is amended by changing Sections 5 and 45 as follows:

(740 ILCS 92/5)

Sec. 5. Patient and client procurement.

(a) Except as otherwise permitted or authorized by law, it is unlawful to knowingly offer or pay any remuneration directly or indirectly, in cash or in kind, to induce any person to procure clients or patients to obtain services or benefits under a contract of insurance or that will be the basis for a claim against an insured person or the person's insurer. Nothing in this Act shall be construed to affect any contracts or arrangements between or among insuring entities including health maintenance organizations, health care professionals, or health care facilities which are hereby excluded.
(b) A person who violates any provision of this Act, Section 17-8.5 or Section 17-10.5 of the Criminal Code of 1961 or the Criminal Code of 2012, or Article 46 of the Criminal Code of 1961 shall be subject, in addition to any other penalties that may be prescribed by law, to a civil penalty of not less than $5,000 nor more than $10,000, plus an assessment of not more than 3 times the amount of each claim for compensation under a contract of insurance. The court shall have the power to grant other equitable relief, including temporary injunctive relief, as is necessary to prevent the transfer, concealment, or dissipation of illegal proceeds, or to protect the public. The penalty prescribed in this subsection shall be assessed for each fraudulent claim upon a person in which the defendant participated.

(c) The penalties set forth in subsection (b) are intended to be remedial rather than punitive, and shall not preclude, nor be precluded by, a criminal prosecution for the same conduct. If the court finds, after considering the goals of disgorging unlawful profit, restitution, compensating the State for the costs of investigation and prosecution, and alleviating the social costs of increased insurance rates due to fraud, that such a penalty would be punitive and would preclude, or be precluded by, a criminal prosecution, the court shall reduce that penalty appropriately.

Section 760. The Illinois Marriage and Dissolution of Marriage Act is amended by changing Sections 503, 601, 607, and 607.1 as follows:

Sec. 503. Disposition of property.

(a) For purposes of this Act, "marital property" means all property acquired by either spouse subsequent to the marriage, except the following, which is known as "non-marital property":

(1) property acquired by gift, legacy or descent;

(2) property acquired in exchange for property acquired before the marriage or in exchange for property acquired by gift, legacy or descent;

New matter indicated by italics - deletions by strikeout
(3) property acquired by a spouse after a judgment of legal separation;
(4) property excluded by valid agreement of the parties;
(5) any judgment or property obtained by judgment awarded to a spouse from the other spouse;
(6) property acquired before the marriage;
(7) the increase in value of property acquired by a method listed in paragraphs (1) through (6) of this subsection, irrespective of whether the increase results from a contribution of marital property, non-marital property, the personal effort of a spouse, or otherwise, subject to the right of reimbursement provided in subsection (c) of this Section; and
(8) income from property acquired by a method listed in paragraphs (1) through (7) of this subsection if the income is not attributable to the personal effort of a spouse.

(b)(1) For purposes of distribution of property pursuant to this Section, all property acquired by either spouse after the marriage and before a judgment of dissolution of marriage or declaration of invalidity of marriage, including non-marital property transferred into some form of co-ownership between the spouses, is presumed to be marital property, regardless of whether title is held individually or by the spouses in some form of co-ownership such as joint tenancy, tenancy in common, tenancy by the entirety, or community property. The presumption of marital property is overcome by a showing that the property was acquired by a method listed in subsection (a) of this Section.

(2) For purposes of distribution of property pursuant to this Section, all pension benefits (including pension benefits under the Illinois Pension Code) acquired by either spouse after the marriage and before a judgment of dissolution of marriage or declaration of invalidity of the marriage are presumed to be marital property, regardless of which spouse participates in the pension plan. The presumption that these pension benefits are marital property is overcome by a showing that the pension benefits were acquired by a method listed in subsection (a) of this Section. The right to a division of pension benefits in just proportions under this Section is enforceable under Section 1-119 of the Illinois Pension Code.

The value of pension benefits in a retirement system subject to the Illinois Pension Code shall be determined in accordance with the valuation procedures established by the retirement system.
The recognition of pension benefits as marital property and the division of those benefits pursuant to a Qualified Illinois Domestic Relations Order shall not be deemed to be a diminishment, alienation, or impairment of those benefits. The division of pension benefits is an allocation of property in which each spouse has a species of common ownership.

(3) For purposes of distribution of property under this Section, all stock options granted to either spouse after the marriage and before a judgment of dissolution of marriage or declaration of invalidity of marriage, whether vested or non-vested or whether their value is ascertainable, are presumed to be marital property. This presumption of marital property is overcome by a showing that the stock options were acquired by a method listed in subsection (a) of this Section. The court shall allocate stock options between the parties at the time of the judgment of dissolution of marriage or declaration of invalidity of marriage recognizing that the value of the stock options may not be then determinable and that the actual division of the options may not occur until a future date. In making the allocation between the parties, the court shall consider, in addition to the factors set forth in subsection (d) of this Section, the following:

(i) All circumstances underlying the grant of the stock option including but not limited to whether the grant was for past, present, or future efforts, or any combination thereof.
(ii) The length of time from the grant of the option to the time the option is exercisable.

(b-5) As to any policy of life insurance insuring the life of either spouse, or any interest in such policy, that constitutes marital property, whether whole life, term life, group term life, universal life, or other form of life insurance policy, and whether or not the value is ascertainable, the court shall allocate ownership, death benefits or the right to assign death benefits, and the obligation for premium payments, if any, equitably between the parties at the time of the judgment for dissolution or declaration of invalidity of marriage.

(c) Commingled marital and non-marital property shall be treated in the following manner, unless otherwise agreed by the spouses:

(1) When marital and non-marital property are commingled by contributing one estate of property into another resulting in a loss of identity of the contributed property, the classification of the contributed property is transmuted to the estate receiving the
contribution, subject to the provisions of paragraph (2) of this subsection; provided that if marital and non-marital property are commingled into newly acquired property resulting in a loss of identity of the contributing estates, the commingled property shall be deemed transmuted to marital property, subject to the provisions of paragraph (2) of this subsection.

(2) When one estate of property makes a contribution to another estate of property, or when a spouse contributes personal effort to non-marital property, the contributing estate shall be reimbursed from the estate receiving the contribution notwithstanding any transmutation; provided, that no such reimbursement shall be made with respect to a contribution which is not retraceable by clear and convincing evidence, or was a gift, or, in the case of a contribution of personal effort of a spouse to non-marital property, unless the effort is significant and results in substantial appreciation of the non-marital property. Personal effort of a spouse shall be deemed a contribution by the marital estate. The court may provide for reimbursement out of the marital property to be divided or by imposing a lien against the non-marital property which received the contribution.

(d) In a proceeding for dissolution of marriage or declaration of invalidity of marriage, or in a proceeding for disposition of property following dissolution of marriage by a court which lacked personal jurisdiction over the absent spouse or lacked jurisdiction to dispose of the property, the court shall assign each spouse's non-marital property to that spouse. It also shall divide the marital property without regard to marital misconduct in just proportions considering all relevant factors, including:

(1) the contribution of each party to the acquisition, preservation, or increase or decrease in value of the marital or non-marital property, including (i) any such decrease attributable to a payment deemed to have been an advance from the parties' marital estate under subsection (c-1)(2) of Section 501 and (ii) the contribution of a spouse as a homemaker or to the family unit;

(2) the dissipation by each party of the marital or non-marital property, provided that a party's claim of dissipation is subject to the following conditions:

(i) a notice of intent to claim dissipation shall be given no later than 60 days before trial or 30 days after discovery closes, whichever is later;

New matter indicated by italics - deletions by strikeout
(ii) the notice of intent to claim dissipation shall contain, at a minimum, a date or period of time during which the marriage began undergoing an irretrievable breakdown, an identification of the property dissipated, and a date or period of time during which the dissipation occurred;

(iii) the notice of intent to claim dissipation shall be filed with the clerk of the court and be served pursuant to applicable rules;

(iv) no dissipation shall be deemed to have occurred prior to 5 years before the filing of the petition for dissolution of marriage, or 3 years after the party claiming dissipation knew or should have known of the dissipation;

(3) the value of the property assigned to each spouse;
(4) the duration of the marriage;
(5) the relevant economic circumstances of each spouse when the division of property is to become effective, including the desirability of awarding the family home, or the right to live therein for reasonable periods, to the spouse having custody of the children;

(6) any obligations and rights arising from a prior marriage of either party;
(7) any antenuptial agreement of the parties;
(8) the age, health, station, occupation, amount and sources of income, vocational skills, employability, estate, liabilities, and needs of each of the parties;
(9) the custodial provisions for any children;
(10) whether the apportionment is in lieu of or in addition to maintenance;
(11) the reasonable opportunity of each spouse for future acquisition of capital assets and income; and
(12) the tax consequences of the property division upon the respective economic circumstances of the parties.

(e) Each spouse has a species of common ownership in the marital property which vests at the time dissolution proceedings are commenced and continues only during the pendency of the action. Any such interest in marital property shall not encumber that property so as to restrict its transfer, assignment or conveyance by the title holder unless such title

New matter indicated by italics - deletions by strikeout
holder is specifically enjoined from making such transfer, assignment or conveyance.

(f) In a proceeding for dissolution of marriage or declaration of invalidity of marriage or in a proceeding for disposition of property following dissolution of marriage by a court that lacked personal jurisdiction over the absent spouse or lacked jurisdiction to dispose of the property, the court, in determining the value of the marital and non-marital property for purposes of dividing the property, shall value the property as of the date of trial or some other date as close to the date of trial as is practicable.

(g) The court if necessary to protect and promote the best interests of the children may set aside a portion of the jointly or separately held estates of the parties in a separate fund or trust for the support, maintenance, education, physical and mental health, and general welfare of any minor, dependent, or incompetent child of the parties. In making a determination under this subsection, the court may consider, among other things, the conviction of a party of any of the offenses set forth in Section 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-3.3, 12-4, 12-4.1, 12-4.2, 12-4.3, 12-13, 12-14, 12-14.1, 12-15, or 12-16, or Section 12-3.05 except for subdivision (a)(4) or (g)(1), of the Criminal Code of 1961 or the Criminal Code of 2012 if the victim is a child of one or both of the parties, and there is a need for, and cost of, care, healing and counseling for the child who is the victim of the crime.

(h) Unless specifically directed by a reviewing court, or upon good cause shown, the court shall not on remand consider any increase or decrease in the value of any "marital" or "non-marital" property occurring since the assessment of such property at the original trial or hearing, but shall use only that assessment made at the original trial or hearing.

(i) The court may make such judgments affecting the marital property as may be just and may enforce such judgments by ordering a sale of marital property, with proceeds therefrom to be applied as determined by the court.

(j) After proofs have closed in the final hearing on all other issues between the parties (or in conjunction with the final hearing, if all parties so stipulate) and before judgment is entered, a party's petition for contribution to fees and costs incurred in the proceeding shall be heard and decided, in accordance with the following provisions:

(1) A petition for contribution, if not filed before the final hearing on other issues between the parties, shall be filed no later
than 30 days after the closing of proofs in the final hearing or within such other period as the court orders.

(2) Any award of contribution to one party from the other party shall be based on the criteria for division of marital property under this Section 503 and, if maintenance has been awarded, on the criteria for an award of maintenance under Section 504.

(3) The filing of a petition for contribution shall not be deemed to constitute a waiver of the attorney-client privilege between the petitioning party and current or former counsel; and such a waiver shall not constitute a prerequisite to a hearing for contribution. If either party's presentation on contribution, however, includes evidence within the scope of the attorney-client privilege, the disclosure or disclosures shall be narrowly construed and shall not be deemed by the court to constitute a general waiver of the privilege as to matters beyond the scope of the presentation.

(4) No finding on which a contribution award is based or denied shall be asserted against counsel or former counsel for purposes of any hearing under subsection (c) or (e) of Section 508.

(5) A contribution award (payable to either the petitioning party or the party's counsel, or jointly, as the court determines) may be in the form of either a set dollar amount or a percentage of fees and costs (or a portion of fees and costs) to be subsequently agreed upon by the petitioning party and counsel or, alternatively, thereafter determined in a hearing pursuant to subsection (c) of Section 508 or previously or thereafter determined in an independent proceeding under subsection (e) of Section 508.

(6) The changes to this Section 503 made by this amendatory Act of 1996 apply to cases pending on or after June 1, 1997, except as otherwise provided in Section 508.

The changes made to this Section by this amendatory Act of the 97th General Assembly apply only to petitions for dissolution of marriage filed on or after the effective date of this amendatory Act of the 97th General Assembly.

(a) A court of this State competent to decide child custody matters has jurisdiction to make a child custody determination in original or modification proceedings as provided in Section 201 of the Uniform Child-Custody Jurisdiction and Enforcement Act as adopted by this State.

(b) A child custody proceeding is commenced in the court:
   (1) by a parent, by filing a petition:

      (ii) for custody of the child, in the county in which he is permanently resident or found;
   (2) by a person other than a parent, by filing a petition for custody of the child in the county in which he is permanently resident or found, but only if he is not in the physical custody of one of his parents; or
   (3) by a stepparent, by filing a petition, if all of the following circumstances are met:
      (A) the child is at least 12 years old;

New matter indicated by italics - deletions by strikeout
(C) the surviving parent had: (i) received supervision for or been convicted of any violation of Section 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 11-1.70, 12C-5, 12C-10, 12C-35, 12C-40, 12C-45, 18-6, 19-6, or Article 12 of the Criminal Code of 1961 or the Criminal Code of 2012 directed towards the deceased parent or the child; or (ii) received supervision or been convicted of violating an order of protection entered under Section 217, 218, or 219 of the Illinois Domestic Violence Act of 1986 for the protection of the deceased parent or the child.

(c) Notice of a child custody proceeding, including an action for modification of a previous custody order, shall be given to the child's parents, guardian and custodian, who may appear, be heard, and file a responsive pleading. The court, upon showing of good cause, may permit intervention of other interested parties.

(d) Proceedings for modification of a previous custody order commenced more than 30 days following the entry of a previous custody order must be initiated by serving a written notice and a copy of the petition for modification upon the child's parent, guardian and custodian at least 30 days prior to hearing on the petition. Sec. 607. Visitation.

(a) A parent not granted custody of the child is entitled to reasonable visitation rights unless the court finds, after a hearing, that visitation would endanger seriously the child's physical, mental, moral or emotional health. If the custodian's street address is not identified, pursuant to Section 708, the court shall require the parties to identify reasonable alternative arrangements for visitation by a non-custodial

parent, including but not limited to visitation of the minor child at the residence of another person or at a local public or private facility.

(1) "Visitation" means in-person time spent between a child and the child's parent. In appropriate circumstances, it may include electronic communication under conditions and at times determined by the court.

(2) "Electronic communication" means time that a parent spends with his or her child during which the child is not in the parent's actual physical custody, but which is facilitated by the use of communication tools such as the telephone, electronic mail, instant messaging, video conferencing or other wired or wireless technologies via the Internet, or another medium of communication.

(a-3) Grandparents, great-grandparents, and siblings of a minor child, who is one year old or older, have standing to bring an action in circuit court by petition, requesting visitation in accordance with this Section. The term "sibling" in this Section means a brother, sister, stepbrother, or stepsister of the minor child. Grandparents, great-grandparents, and siblings also have standing to file a petition for visitation and any electronic communication rights in a pending dissolution proceeding or any other proceeding that involves custody or visitation issues, requesting visitation in accordance with this Section. A petition for visitation with a child by a person other than a parent must be filed in the county in which the child resides. Nothing in this subsection (a-3) and subsection (a-5) of this Section shall apply to a child in whose interests a petition is pending under Section 2-13 of the Juvenile Court Act of 1987 or a petition to adopt an unrelated child is pending under the Adoption Act.

(a-5)(1) Except as otherwise provided in this subsection (a-5), any grandparent, great-grandparent, or sibling may file a petition for visitation rights to a minor child if there is an unreasonable denial of visitation by a parent and at least one of the following conditions exists:

(A) (Blank);

(A-5) the child's other parent is deceased or has been missing for at least 3 months. For the purposes of this Section a parent is considered to be missing if the parent's location has not been determined and the parent has been reported as missing to a law enforcement agency;

New matter indicated by italics - deletions by strikeout
(A-10) a parent of the child is incompetent as a matter of law;

(A-15) a parent has been incarcerated in jail or prison during the 3 month period preceding the filing of the petition;

(B) the child's mother and father are divorced or have been legally separated from each other or there is pending a dissolution proceeding involving a parent of the child or another court proceeding involving custody or visitation of the child (other than any adoption proceeding of an unrelated child) and at least one parent does not object to the grandparent, great-grandparent, or sibling having visitation with the child. The visitation of the grandparent, great-grandparent, or sibling must not diminish the visitation of the parent who is not related to the grandparent, great-grandparent, or sibling seeking visitation;

(C) (Blank);

(D) the child is born out of wedlock, the parents are not living together, and the petitioner is a maternal grandparent, great-grandparent, or sibling of the child born out of wedlock; or

(E) the child is born out of wedlock, the parents are not living together, the petitioner is a paternal grandparent, great-grandparent, or sibling, and the paternity has been established by a court of competent jurisdiction.

(2) Any visitation rights granted pursuant to this Section before the filing of a petition for adoption of a child shall automatically terminate by operation of law upon the entry of an order terminating parental rights or granting the adoption of the child, whichever is earlier. If the person or persons who adopted the child are related to the child, as defined by Section 1 of the Adoption Act, any person who was related to the child as grandparent, great-grandparent, or sibling prior to the adoption shall have standing to bring an action pursuant to this Section requesting visitation with the child.

(3) In making a determination under this subsection (a-5), there is a rebuttable presumption that a fit parent's actions and decisions regarding grandparent, great-grandparent, or sibling visitation are not harmful to the child's mental, physical, or emotional health. The burden is on the party filing a petition under this Section to prove that the parent's actions and decisions regarding visitation times are harmful to the child's mental, physical, or emotional health.
(4) In determining whether to grant visitation, the court shall consider the following:

(A) the preference of the child if the child is determined to be of sufficient maturity to express a preference;
(B) the mental and physical health of the child;
(C) the mental and physical health of the grandparent, great-grandparent, or sibling;
(D) the length and quality of the prior relationship between the child and the grandparent, great-grandparent, or sibling;
(E) the good faith of the party in filing the petition;
(F) the good faith of the person denying visitation;
(G) the quantity of the visitation time requested and the potential adverse impact that visitation would have on the child's customary activities;
(H) whether the child resided with the petitioner for at least 6 consecutive months with or without the current custodian present;
(I) whether the petitioner had frequent or regular contact or visitation with the child for at least 12 consecutive months;
(J) any other fact that establishes that the loss of the relationship between the petitioner and the child is likely to harm the child's mental, physical, or emotional health; and
(K) whether the grandparent, great-grandparent, or sibling was a primary caretaker of the child for a period of not less than 6 consecutive months.

(5) The court may order visitation rights for the grandparent, great-grandparent, or sibling that include reasonable access without requiring overnight or possessory visitation.

(a-7)(1) Unless by stipulation of the parties, no motion to modify a grandparent, great-grandparent, or sibling visitation order may be made earlier than 2 years after the date the order was filed, unless the court permits it to be made on the basis of affidavits that there is reason to believe the child's present environment may endanger seriously the child's mental, physical, or emotional health.

(2) The court shall not modify an order that grants visitation to a grandparent, great-grandparent, or sibling unless it finds by clear and convincing evidence, upon the basis of facts that have arisen since the prior visitation order or that were unknown to the court at the time of entry of the prior visitation, that a change has occurred in the circumstances of
the child or his or her custodian, and that the modification is necessary to protect the mental, physical, or emotional health of the child. The court shall state in its decision specific findings of fact in support of its modification or termination of the grandparent, great-grandparent, or sibling visitation. A child's parent may always petition to modify visitation upon changed circumstances when necessary to promote the child's best interest.

(3) Attorney fees and costs shall be assessed against a party seeking modification of the visitation order if the court finds that the modification action is vexatious and constitutes harassment.

(4) Notice under this subsection (a-7) shall be given as provided in subsections (c) and (d) of Section 601.

(b) (1) (Blank.)

(1.5) The Court may grant reasonable visitation privileges to a stepparent upon petition to the court by the stepparent, with notice to the parties required to be notified under Section 601 of this Act, if the court determines that it is in the best interests and welfare of the child, and may issue any necessary orders to enforce those visitation privileges. A petition for visitation privileges may be filed under this paragraph (1.5) whether or not a petition pursuant to this Act has been previously filed or is currently pending if the following circumstances are met:

(A) the child is at least 12 years old;
(B) the child resided continuously with the parent and stepparent for at least 5 years;
(C) the parent is deceased or is disabled and is unable to care for the child;
(D) the child wishes to have reasonable visitation with the stepparent; and
(E) the stepparent was providing for the care, control, and welfare to the child prior to the initiation of the petition for visitation.

(2)(A) A petition for visitation privileges shall not be filed pursuant to this subsection (b) by the parents or grandparents of a putative father if the paternity of the putative father has not been legally established.

(B) A petition for visitation privileges may not be filed under this subsection (b) if the child who is the subject of the grandparents' or great-grandparents' petition has been voluntarily surrendered by the parent or parents, except for a surrender to the Illinois Department of Children and
Family Services or a foster care facility, or has been previously adopted by an individual or individuals who are not related to the biological parents of the child or is the subject of a pending adoption petition by an individual or individuals who are not related to the biological parents of the child.

(3) (Blank).

(c) The court may modify an order granting or denying visitation rights of a parent whenever modification would serve the best interest of the child; but the court shall not restrict a parent's visitation rights unless it finds that the visitation would endanger seriously the child's physical, mental, moral or emotional health.

(d) If any court has entered an order prohibiting a non-custodial parent of a child from any contact with a child or restricting the non-custodial parent's contact with the child, the following provisions shall apply:

(1) If an order has been entered granting visitation privileges with the child to a grandparent or great-grandparent who is related to the child through the non-custodial parent, the visitation privileges of the grandparent or great-grandparent may be revoked if:

(i) a court has entered an order prohibiting the non-custodial parent from any contact with the child, and the grandparent or great-grandparent is found to have used his or her visitation privileges to facilitate contact between the child and the non-custodial parent; or

(ii) a court has entered an order restricting the non-custodial parent's contact with the child, and the grandparent or great-grandparent is found to have used his or her visitation privileges to facilitate contact between the child and the non-custodial parent in a manner that violates the terms of the order restricting the non-custodial parent's contact with the child.

Nothing in this subdivision (1) limits the authority of the court to enforce its orders in any manner permitted by law.

(2) Any order granting visitation privileges with the child to a grandparent or great-grandparent who is related to the child through the non-custodial parent shall contain the following provision:

"If the (grandparent or great-grandparent, whichever is applicable) who has been granted visitation privileges under this
order uses the visitation privileges to facilitate contact between the child and the child's non-custodial parent, the visitation privileges granted under this order shall be permanently revoked."

e) No parent, not granted custody of the child, or grandparent, or great-grandparent, or stepparent, or sibling of any minor child, convicted of any offense involving an illegal sex act perpetrated upon a victim less than 18 years of age including but not limited to offenses for violations of Section 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 11-1.70, or Article 12 of the Criminal Code of 1961 or the Criminal Code of 2012, is entitled to visitation rights while incarcerated or while on parole, probation, conditional discharge, periodic imprisonment, or mandatory supervised release for that offense, and upon discharge from incarceration for a misdemeanor offense or upon discharge from parole, probation, conditional discharge, periodic imprisonment, or mandatory supervised release for a felony offense, visitation shall be denied until the person successfully completes a treatment program approved by the court.

(f) Unless the court determines, after considering all relevant factors, including but not limited to those set forth in Section 602(a), that it would be in the best interests of the child to allow visitation, the court shall not enter an order providing visitation rights and pursuant to a motion to modify visitation shall revoke visitation rights previously granted to any person who would otherwise be entitled to petition for visitation rights under this Section who has been convicted of first degree murder of the parent, grandparent, great-grandparent, or sibling of the child who is the subject of the order. Until an order is entered pursuant to this subsection, no person shall visit, with the child present, a person who has been convicted of first degree murder of the parent, grandparent, great-grandparent, or sibling of the child without the consent of the child's parent, other than a parent convicted of first degree murder as set forth herein, or legal guardian.

(g) (Blank).

(h) Upon motion, the court may allow a parent who is deployed or who has orders to be deployed as a member of the United States Armed Forces to designate a person known to the child to exercise reasonable substitute visitation on behalf of the deployed parent, if the court determines that substitute visitation is in the best interest of the child. In determining whether substitute visitation is in the best interest of the child, the court shall consider all of the relevant factors listed in subsection (a) of
Section 602 and apply those factors to the person designated as a substitute for the deployed parent for visitation purposes.

(750 ILCS 5/607.1) (from Ch. 40, par. 607.1) 
Sec. 607.1. Enforcement of visitation orders; visitation abuse.
(a) The circuit court shall provide an expedited procedure for enforcement of court ordered visitation in cases of visitation abuse. Visitation abuse occurs when a party has willfully and without justification: (1) denied another party visitation as set forth by the court; or (2) exercised his or her visitation rights in a manner that is harmful to the child or child's custodian.

(b) An Action may be commenced by filing a petition setting forth:
(i) the petitioner's name, residence address or mailing address, and telephone number; (ii) respondent's name and place of residence, place of employment, or mailing address; (iii) the nature of the visitation abuse, giving dates and other relevant information; (iv) that a reasonable attempt was made to resolve the dispute; and (v) the relief sought.

Notice of the filing of the petitions shall be given as provided in Section 511.
(c) After hearing all of the evidence, the court may order one or more of the following:

(1) Modification of the visitation order to specifically outline periods of visitation or restrict visitation as provided by law.

(2) Supervised visitation with a third party or public agency.

(3) Make up visitation of the same time period, such as weekend for weekend, holiday for holiday.

Section 770. The Adoption Act is amended by changing Sections 1, 8, 12.1, and 14 as follows:

(750 ILCS 50/1) (from Ch. 40, par. 1501)
Sec. 1. Definitions. When used in this Act, unless the context otherwise requires:
A. "Child" means a person under legal age subject to adoption under this Act.
B. "Related child" means a child subject to adoption where either or both of the adopting parents stands in any of the following relationships to the child by blood or marriage: parent, grand-parent, brother, sister,
step-parent, step-grandparent, step-brother, step-sister, uncle, aunt, great-uncle, great-aunt, or cousin of first degree. A child whose parent has executed a final irrevocable consent to adoption or a final irrevocable surrender for purposes of adoption, or whose parent has had his or her parental rights terminated, is not a related child to that person, unless the consent is determined to be void or is void pursuant to subsection O of Section 10.

C. "Agency" for the purpose of this Act means a public child welfare agency or a licensed child welfare agency.

D. "Unfit person" means any person whom the court shall find to be unfit to have a child, without regard to the likelihood that the child will be placed for adoption. The grounds of unfitness are any one or more of the following, except that a person shall not be considered an unfit person for the sole reason that the person has relinquished a child in accordance with the Abandoned Newborn Infant Protection Act:

(a) Abandonment of the child.

(a-1) Abandonment of a newborn infant in a hospital.

(a-2) Abandonment of a newborn infant in any setting where the evidence suggests that the parent intended to relinquish his or her parental rights.

(b) Failure to maintain a reasonable degree of interest, concern or responsibility as to the child's welfare.

(c) Desertion of the child for more than 3 months next preceding the commencement of the Adoption proceeding.

(d) Substantial neglect of the child if continuous or repeated.

(d-1) Substantial neglect, if continuous or repeated, of any child residing in the household which resulted in the death of that child.

(e) Extreme or repeated cruelty to the child.

(f) There is a rebuttable presumption, which can be overcome only by clear and convincing evidence, that a parent is unfit if:

(1) Two or more findings of physical abuse have been entered regarding any children under Section 2-21 of the Juvenile Court Act of 1987, the most recent of which was determined by the juvenile court hearing the matter to be supported by clear and convincing evidence; or

New matter indicated by italics - deletions by strikeout
(2) The parent has been convicted or found not guilty by reason of insanity and the conviction or finding resulted from the death of any child by physical abuse; or

(3) There is a finding of physical child abuse resulting from the death of any child under Section 2-21 of the Juvenile Court Act of 1987.

No conviction or finding of delinquency pursuant to Article 5 of the Juvenile Court Act of 1987 shall be considered a criminal conviction for the purpose of applying any presumption under this item (f).

(g) Failure to protect the child from conditions within his environment injurious to the child's welfare.

(h) Other neglect of, or misconduct toward the child; provided that in making a finding of unfitness the court hearing the adoption proceeding shall not be bound by any previous finding, order or judgment affecting or determining the rights of the parents toward the child sought to be adopted in any other proceeding except such proceedings terminating parental rights as shall be had under either this Act, the Juvenile Court Act or the Juvenile Court Act of 1987.

(i) Depravity. Conviction of any one of the following crimes shall create a presumption that a parent is depraved which can be overcome only by clear and convincing evidence: (1) first degree murder in violation of paragraph 1 or 2 of subsection (a) of Section 9-1 of the Criminal Code of 1961 or the Criminal Code of 2012 or conviction of second degree murder in violation of subsection (a) of Section 9-2 of the Criminal Code of 1961 or the Criminal Code of 2012 of a parent of the child to be adopted; (2) first degree murder or second degree murder of any child in violation of the Criminal Code of 1961 or the Criminal Code of 2012; (3) attempt or conspiracy to commit first degree murder or second degree murder of any child in violation of the Criminal Code of 1961 or the Criminal Code of 2012; (4) solicitation to commit murder of any child, solicitation to commit murder of any child for hire, or solicitation to commit second degree murder of any child in violation of the Criminal Code of 1961 or the Criminal Code of 2012; (5) predatory criminal sexual assault of a child in violation of Section 11-1.40 or 12-14.1 of the Criminal Code of 1961 or the Criminal Code of 2012; (6) heinous battery of

New matter indicated by italics - deletions by strikeout

There is a rebuttable presumption that a parent is depraved if the parent has been criminally convicted of at least 3 felonies under the laws of this State or any other state, or under federal law, or the criminal laws of any United States territory; and at least one of these convictions took place within 5 years of the filing of the petition or motion seeking termination of parental rights.

There is a rebuttable presumption that a parent is depraved if that parent has been criminally convicted of either first or second degree murder of any person as defined in the Criminal Code of 1961 or the Criminal Code of 2012 within 10 years of the filing date of the petition or motion to terminate parental rights.

No conviction or finding of delinquency pursuant to Article 5 of the Juvenile Court Act of 1987 shall be considered a criminal conviction for the purpose of applying any presumption under this item (i).

(j) Open and notorious adultery or fornication.

(j-1) (Blank).

(k) Habitual drunkenness or addiction to drugs, other than those prescribed by a physician, for at least one year immediately prior to the commencement of the unfitness proceeding.

There is a rebuttable presumption that a parent is unfit under this subsection with respect to any child to which that parent gives birth where there is a confirmed test result that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act or metabolites of such substances, the presence of which in the newborn infant was not the result of medical treatment administered to the mother or the newborn infant; and the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987.

(l) Failure to demonstrate a reasonable degree of interest, concern or responsibility as to the welfare of a new born child during the first 30 days after its birth.
(m) Failure by a parent (i) to make reasonable efforts to correct the conditions that were the basis for the removal of the child from the parent, or (ii) to make reasonable progress toward the return of the child to the parent within 9 months after an adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act, or (iii) to make reasonable progress toward the return of the child to the parent during any 9-month period after the end of the initial 9-month period following the adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act. If a service plan has been established as required under Section 8.2 of the Abused and Neglected Child Reporting Act to correct the conditions that were the basis for the removal of the child from the parent and if those services were available, then, for purposes of this Act, "failure to make reasonable progress toward the return of the child to the parent" includes (I) the parent's failure to substantially fulfill his or her obligations under the service plan and correct the conditions that brought the child into care within 9 months after the adjudication under Section 2-3 or 2-4 of the Juvenile Court Act of 1987 and (II) the parent's failure to substantially fulfill his or her obligations under the service plan and correct the conditions that brought the child into care during any 9-month period after the end of the initial 9-month period following the adjudication under Section 2-3 or 2-4 of the Juvenile Court Act of 1987. Notwithstanding any other provision, when a petition or motion seeks to terminate parental rights on the basis of item (iii) of this subsection (m), the petitioner shall file with the court and serve on the parties a pleading that specifies the 9-month period or periods relied on. The pleading shall be filed and served on the parties no later than 3 weeks before the date set by the court for closure of discovery, and the allegations in the pleading shall be treated as incorporated into the petition or motion. Failure of a respondent to file a written denial of the allegations in the pleading shall not be treated as an admission that the allegations are true.

(m-1) Pursuant to the Juvenile Court Act of 1987, a child has been in foster care for 15 months out of any 22 month period which begins on or after the effective date of this amendatory Act of 1998 unless the child's parent can prove by a preponderance of

New matter indicated by italics - deletions by strikeout
the evidence that it is more likely than not that it will be in the best interests of the child to be returned to the parent within 6 months of the date on which a petition for termination of parental rights is filed under the Juvenile Court Act of 1987. The 15 month time limit is tolled during any period for which there is a court finding that the appointed custodian or guardian failed to make reasonable efforts to reunify the child with his or her family, provided that (i) the finding of no reasonable efforts is made within 60 days of the period when reasonable efforts were not made or (ii) the parent filed a motion requesting a finding of no reasonable efforts within 60 days of the period when reasonable efforts were not made. For purposes of this subdivision (m-1), the date of entering foster care is the earlier of: (i) the date of a judicial finding at an adjudicatory hearing that the child is an abused, neglected, or dependent minor; or (ii) 60 days after the date on which the child is removed from his or her parent, guardian, or legal custodian.

(n) Evidence of intent to forgo his or her parental rights, whether or not the child is a ward of the court, (1) as manifested by his or her failure for a period of 12 months: (i) to visit the child, (ii) to communicate with the child or agency, although able to do so and not prevented from doing so by an agency or by court order, or (iii) to maintain contact with or plan for the future of the child, although physically able to do so, or (2) as manifested by the father's failure, where he and the mother of the child were unmarried to each other at the time of the child's birth, (i) to commence legal proceedings to establish his paternity under the Illinois Parentage Act of 1984 or the law of the jurisdiction of the child's birth within 30 days of being informed, pursuant to Section 12a of this Act, that he is the father or the likely father of the child or, after being so informed where the child is not yet born, within 30 days of the child's birth, or (ii) to make a good faith effort to pay a reasonable amount of the expenses related to the birth of the child and to provide a reasonable amount for the financial support of the child, the court to consider in its determination all relevant circumstances, including the financial condition of both parents; provided that the ground for termination provided in this subparagraph (n)(2)(ii) shall only be available where the petition is brought by the mother or the husband of the mother.
Contact or communication by a parent with his or her child that does not demonstrate affection and concern does not constitute reasonable contact and planning under subdivision (n). In the absence of evidence to the contrary, the ability to visit, communicate, maintain contact, pay expenses and plan for the future shall be presumed. The subjective intent of the parent, whether expressed or otherwise, unsupported by evidence of the foregoing parental acts manifesting that intent, shall not preclude a determination that the parent has intended to forgo his or her parental rights. In making this determination, the court may consider but shall not require a showing of diligent efforts by an authorized agency to encourage the parent to perform the acts specified in subdivision (n).

It shall be an affirmative defense to any allegation under paragraph (2) of this subsection that the father's failure was due to circumstances beyond his control or to impediments created by the mother or any other person having legal custody. Proof of that fact need only be by a preponderance of the evidence.

(o) Repeated or continuous failure by the parents, although physically and financially able, to provide the child with adequate food, clothing, or shelter.

(p) Inability to discharge parental responsibilities supported by competent evidence from a psychiatrist, licensed clinical social worker, or clinical psychologist of mental impairment, mental illness or an intellectual disability as defined in Section 1-116 of the Mental Health and Developmental Disabilities Code, or developmental disability as defined in Section 1-106 of that Code, and there is sufficient justification to believe that the inability to discharge parental responsibilities shall extend beyond a reasonable time period. However, this subdivision (p) shall not be construed so as to permit a licensed clinical social worker to conduct any medical diagnosis to determine mental illness or mental impairment.

(q) (Blank).

(r) The child is in the temporary custody or guardianship of the Department of Children and Family Services, the parent is incarcerated as a result of criminal conviction at the time the petition or motion for termination of parental rights is filed, prior to incarceration the parent had little or no contact with the child or

New matter indicated by italics - deletions by strikeout
provided little or no support for the child, and the parent's incarceration will prevent the parent from discharging his or her parental responsibilities for the child for a period in excess of 2 years after the filing of the petition or motion for termination of parental rights.

(s) The child is in the temporary custody or guardianship of the Department of Children and Family Services, the parent is incarcerated at the time the petition or motion for termination of parental rights is filed, the parent has been repeatedly incarcerated as a result of criminal convictions, and the parent's repeated incarceration has prevented the parent from discharging his or her parental responsibilities for the child.

(t) A finding that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act, or a metabolite of a controlled substance, with the exception of controlled substances or metabolites of such substances, the presence of which in the newborn infant was the result of medical treatment administered to the mother or the newborn infant, and that the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987, after which the biological mother had the opportunity to enroll in and participate in a clinically appropriate substance abuse counseling, treatment, and rehabilitation program.

For the purpose of this Act, a person who has executed a final and irrevocable consent to adoption or a final and irrevocable surrender for purposes of adoption, or whose parental rights have been terminated by a court, is not a parent of the child who was the subject of the consent or surrender, unless the consent is void pursuant to subsection O of Section 10.

F. A person is available for adoption when the person is:

(a) a child who has been surrendered for adoption to an agency and to whose adoption the agency has thereafter consented;

(b) a child to whose adoption a person authorized by law, other than his parents, has consented, or to whose adoption no consent is required pursuant to Section 8 of this Act;

New matter indicated by italics - deletions by strikeout
(c) a child who is in the custody of persons who intend to adopt him through placement made by his parents;

(d) an adult who meets the conditions set forth in Section 3 of this Act; or
(e) a child who has been relinquished as defined in Section 10 of the Abandoned Newborn Infant Protection Act.

A person who would otherwise be available for adoption shall not be deemed unavailable for adoption solely by reason of his or her death.

G. The singular includes the plural and the plural includes the singular and the "male" includes the "female", as the context of this Act may require.

H. "Adoption disruption" occurs when an adoptive placement does not prove successful and it becomes necessary for the child to be removed from placement before the adoption is finalized.

(e) inflicts excessive corporal punishment.

A child shall not be considered neglected or abused for the sole reason that the child's parent or other person responsible for his or her welfare depends upon spiritual means through prayer alone for the treatment or cure of disease or remedial care as provided under Section 4 of the Abused and Neglected Child Reporting Act. A child shall not be considered neglected or abused for the sole reason that the child's parent or other person responsible for the child's welfare failed to vaccinate, delayed vaccination, or refused vaccination for the child due to a waiver on religious or medical grounds as permitted by law.

   (ii) is the father of the child under a judgment for adoption, an order of parentage, or an acknowledgment of parentage or paternity pursuant to subsection (a) of Section 5 of the Illinois Parentage Act of 1984; or
   (iii) in the case of a child placed with the adopting parents less than 6 months after birth, openly lived with the child, the child's biological mother, or both, and held himself out to be the child's biological father during the first 30 days following the birth of a child; or
   (iv) in the case of a child placed with the adopting parents less than 6 months after birth, made a good faith effort to pay a reasonable amount of the expenses related to the birth of the child and to provide a reasonable amount for the financial support of the child before the expiration of 30 days following the birth of the child, provided that the court may consider in its determination all relevant circumstances, including the financial condition of both biological parents; or
   (v) in the case of a child placed with the adopting parents more than six months after birth, has maintained substantial and continuous or repeated contact with the child as manifested by: (I) the payment by the father toward the support of the child of a fair and reasonable sum,
according to the father's means, and either (II) the father's visiting the child at least monthly when physically and financially able to do so and not prevented from doing so by the person or authorized agency having lawful custody of the child or (III) the father's regular communication with the child or with the person or agency having the care or custody of the child, when physically and financially unable to visit the child or prevented from doing so by the person or authorized agency having lawful custody of the child. The subjective intent of the father, whether expressed or otherwise, unsupported by evidence of acts specified in this sub-paragraph as manifesting such intent, shall not preclude a determination that the father failed to maintain substantial and continuous or repeated contact with the child; or

(vi) in the case of a child placed with the adopting parents more than six months after birth, openly lived with the child for a period of six months within the one year period immediately preceding the placement of the child for adoption and openly held himself out to be the father of the child; or

(vii) has timely registered with the Putative Father Registry, as provided in Section 12.1 of this Act, and prior to the expiration of 30 days from the date of such registration, commenced legal proceedings to establish paternity under the Illinois Parentage Act of 1984, or under the law of the jurisdiction of the child's birth.

(d) In making a determination under subparagraphs (b)(1) and (c)(1), no showing shall be required of diligent efforts by a person or agency to encourage the father to perform the acts specified therein.

(e) In the case of the adoption of an adult, only the consent of such adult shall be required.

Sec. 12.1. Putative Father Registry. The Department of Children and Family Services shall establish a Putative Father Registry for the purpose of determining the identity and location of a putative father of a minor child who is, or is expected to be, the subject of an adoption proceeding, in order to provide notice of such proceeding to the putative father. The Department of Children and Family Services shall establish

rules and informational material necessary to implement the provisions of this Section. The Department shall have the authority to set reasonable fees for the use of the Registry. All such fees for the use of the Registry that are received by the Department or its agent shall be deposited into the fund authorized under subsection (b) of Section 25 of the Children and Family Services Act. The Department shall use the moneys in that fund for the purpose of maintaining the Registry.

(a) The Department shall maintain the following information in the Registry:

(1) With respect to the putative father:
   (i) Name, including any other names by which the putative father may be known and that he may provide to the Registry;
   (ii) Address at which he may be served with notice of a petition under this Act, including any change of address;
   (iii) Social Security Number;
   (iv) Date of birth; and
   (v) If applicable, a certified copy of an order by a court of this State or of another state or territory of the United States adjudicating the putative father to be the father of the child.

(2) With respect to the mother of the child:
   (i) Name, including all other names known to the putative father by which the mother may be known;
   (ii) If known to the putative father, her last address;
   (iii) Social Security Number; and
   (iv) Date of birth.

(3) If known to the putative father, the name, gender, place of birth, and date of birth or anticipated date of birth of the child.

(4) The date that the Department received the putative father's registration.

(5) Other information as the Department may by rule determine necessary for the orderly administration of the Registry.

(b) A putative father may register with the Department before the birth of the child but shall register no later than 30 days after the birth of the child. All registrations shall be in writing and signed by the putative father. No fee shall be charged for the initial registration. The Department
shall have no independent obligation to gather the information to be maintained.

(c) An interested party, including persons intending to adopt a child, a child welfare agency with whom the mother has placed or has given written notice of her intention to place a child for adoption, the mother of the child, or an attorney representing an interested party may request that the Department search the Registry to determine whether a putative father is registered in relation to a child who is or may be the subject to an adoption petition.

(d) A search of the Registry may be proven by the production of a certified copy of the registration form, or by the certified statement of the administrator of the Registry that after a search, no registration of a putative father in relation to a child who is or may be the subject of an adoption petition could be located.

(e) Except as otherwise provided, information contained within the Registry is confidential and shall not be published or open to public inspection.

(f) A person who knowingly or intentionally registers false information under this Section commits a Class B misdemeanor. A person who knowingly or intentionally releases confidential information in violation of this Section commits a Class B misdemeanor.

(g) Except as provided in subsections (b) or (c) of Section 8 of this Act, a putative father who fails to register with the Putative Father Registry as provided in this Section is barred from thereafter bringing or maintaining any action to assert any interest in the child, unless he proves by clear and convincing evidence that:

(1) it was not possible for him to register within the period of time specified in subsection (b) of this Section; and

(2) his failure to register was through no fault of his own; and

(3) he registered within 10 days after it became possible for him to file.

A lack of knowledge of the pregnancy or birth is not an acceptable reason for failure to register.

(h) Except as provided in subsection (b) or (c) of Section 8 of this Act, failure to timely register with the Putative Father Registry (i) shall be deemed to be a waiver and surrender of any right to notice of any hearing in any judicial proceeding for the adoption of the child, and the consent or surrender of that person to the adoption of the child is not required, and (ii)
shall constitute an abandonment of the child and shall be prima facie evidence of sufficient grounds to support termination of such father's parental rights under this Act.

(i) In any adoption proceeding pertaining to a child born out of wedlock, if there is no showing that a putative father has executed a consent or surrender or waived his rights regarding the proposed adoption, certification as specified in subsection (d) shall be filed with the court prior to entry of a final judgment order of adoption.

(j) The Registry shall not be used to notify a putative father who is the father of a child as a result of criminal sexual abuse or assault as defined under Article 112 of the Criminal Code of 2012.

(750 ILCS 50/14) (from Ch. 40, par. 1517)

(a) Prior to the entry of the judgment for order of adoption in any case other than an adoption of a related child or of an adult, each petitioner and each person, agency, association, corporation, institution, society or organization involved in the adoption of the child, except a child welfare agency, shall execute an affidavit setting forth the hospital and medical costs, legal fees, counseling fees, and any other fees or expenditures paid in accordance with the Adoption Compensation Prohibition Act or Section 12C-70 of the Criminal Code of 2012.

(b) Before the entry of the judgment for adoption, each child welfare agency involved in the adoption of the child shall file an affidavit concerning the costs, expenses, contributions, fees, compensation, or other things of value which have been given, promised, or received including but not limited to hospital and medical costs, legal fees, social services, living expenses, or any other expenses related to the adoption paid in accordance with the Adoption Compensation Prohibition Act or Section 12C-70 of the Criminal Code of 2012.

If the total amount paid by the child welfare agency is $4,500 or more, the affidavit shall contain an itemization of expenditures.

If the total amount paid by the child welfare agency is less than $4,500, the agency may file an unitemized affidavit stating that the total amount paid is less than $4,500 unless the court, in its discretion, requires that agency to file an itemized affidavit.

(c) No affidavit need be filed in the case of an adoption of a related child or an adult, nor shall an affidavit be required to be filed by a non-
consenting parent, or by any judge, or clerk, involved in an official capacity in the adoption proceedings.

(d) All affidavits filed in accordance with this Section shall be under penalty of perjury and shall include, but are not limited to, hospital and medical costs, legal fees, social services, living expenses or any other expenses related to the adoption or to the placement of the child, whether or not the payments are permitted by applicable laws.

(e) Upon the expiration of 6 months after the date of any interim order vesting temporary care, custody and control of a child, other than a related child, in the petitioners, entered pursuant to this Act, the petitioners may apply to the court for a judgment of adoption. Notice of such application shall be served by the petitioners upon the investigating agency or the person making such investigation, and the guardian ad litem. After the hearing on such application, at which the petitioners and the child shall appear in person, unless their presence is waived by the court for good cause shown, the court may enter a judgment for adoption, provided the court is satisfied from the report of the investigating agency or the person making the investigation, and from the evidence, if any, introduced, that the adoption is for the welfare of the child and that there is a valid consent, or that no consent is required as provided in Section 8 of this Act.

(f) A judgment for adoption of a related child, an adult, or a child as to whose adoption an agency or person authorized by law has the right of authority to consent may be entered at any time after service of process and after the return day designated therein.

(f-5) A standby adoption judgment may be entered upon notice of the death of the consenting parent or upon the consenting parent's request that a final judgment for adoption be entered. The notice must be provided to the court within 60 days after the standby adoptive parent's receipt of knowledge of death of the consenting parent or the consenting parent's request that a final judgment for adoption be entered. If the court finds that adoption is for the welfare of the child and that there is a valid consent, including consent for standby adoption, which is still in effect, or that no consent is required under Section 8 of the Act, a judgment for adoption shall be entered unless the court finds by clear and convincing evidence that it is no longer in the best interest of the child for the adoption to be finalized.

(g) No special findings of fact or certificate of evidence shall be necessary in any case to support the judgment.
(h) Only the circuit court that entered the judgment of the adoption may order the issuance of any contents of the court file or that the original birth record of the adoptee be provided to any persons.

Section 775. The Illinois Domestic Violence Act of 1986 is amended by changing Sections 103, 214, 216, 223, 301, and 304 as follows:

(750 ILCS 60/103) (from Ch. 40, par. 2311-3)
Sec. 103. Definitions. For the purposes of this Act, the following terms shall have the following meanings:

(2) "Adult with disabilities" means an elder adult with disabilities or a high-risk adult with disabilities. A person may be an adult with disabilities for purposes of this Act even though he or she has never been adjudicated an incompetent adult. However, no court proceeding may be initiated or continued on behalf of an adult with disabilities over that adult's objection, unless such proceeding is approved by his or her legal guardian, if any.

(3) "Domestic violence" means abuse as defined in paragraph (1).

(4) "Elder adult with disabilities" means an adult prevented by advanced age from taking appropriate action to protect himself or herself from abuse by a family or household member.

(5) "Exploitation" means the illegal, including tortious, use of a high-risk adult with disabilities or of the assets or resources of a high-risk adult with disabilities. Exploitation includes, but is not limited to, the misappropriation of assets or resources of a high-risk adult with disabilities by undue influence, by breach of a fiduciary relationship, by fraud, deception, or extortion, or the use of such assets or resources in a manner contrary to law.

(6) "Family or household members" include spouses, former spouses, parents, children, stepchildren and other persons related by blood or by present or prior marriage, persons who share or formerly shared a common dwelling, persons who have or allegedly have a child in common, persons who share or allegedly share a blood relationship through a child, persons who have or have had a dating or engagement relationship, persons with disabilities and their personal assistants, and caregivers as
defined in Section 12-4.4a or paragraph (3) of subsection (b) of Section 12-21 of the Criminal Code of 2012. For purposes of this paragraph, neither a casual acquaintanceship nor ordinary fraternization between 2 individuals in business or social contexts shall be deemed to constitute a dating relationship. In the case of a high-risk adult with disabilities, "family or household members" includes any person who has the responsibility for a high-risk adult as a result of a family relationship or who has assumed responsibility for all or a portion of the care of a high-risk adult with disabilities voluntarily, or by express or implied contract, or by court order.

(7) "Harassment" means knowing conduct which is not necessary to accomplish a purpose that is reasonable under the circumstances; would cause a reasonable person emotional distress; and does cause emotional distress to the petitioner. Unless the presumption is rebutted by a preponderance of the evidence, the following types of conduct shall be presumed to cause emotional distress:

(i) creating a disturbance at petitioner's place of employment or school;
(ii) repeatedly telephoning petitioner's place of employment, home or residence;
(iii) repeatedly following petitioner about in a public place or places;
(iv) repeatedly keeping petitioner under surveillance by remaining present outside his or her home, school, place of employment, vehicle or other place occupied by petitioner or by peering in petitioner's windows;
(v) improperly concealing a minor child from petitioner, repeatedly threatening to improperly remove a minor child of petitioner's from the jurisdiction or from the physical care of petitioner, repeatedly threatening to conceal a minor child from petitioner, or making a single such threat following an actual or attempted improper removal or concealment, unless respondent was fleeing an incident or pattern of domestic violence; or
(vi) threatening physical force, confinement or restraint on one or more occasions.

(8) "High-risk adult with disabilities" means a person aged 18 or over whose physical or mental disability impairs his or her ability to seek or obtain protection from abuse, neglect, or exploitation.

New matter indicated by italics - deletions by strikeout
(9) "Interference with personal liberty" means committing or threatening physical abuse, harassment, intimidation or willful deprivation so as to compel another to engage in conduct from which she or he has a right to abstain or to refrain from conduct in which she or he has a right to engage.

(10) "Intimidation of a dependent" means subjecting a person who is dependent because of age, health or disability to participation in or the witnessing of: physical force against another or physical confinement or restraint of another which constitutes physical abuse as defined in this Act, regardless of whether the abused person is a family or household member.

(11) (A) "Neglect" means the failure to exercise that degree of care toward a high-risk adult with disabilities which a reasonable person would exercise under the circumstances and includes but is not limited to:

(i) the failure to take reasonable steps to protect a high-risk adult with disabilities from acts of abuse;

(ii) the repeated, careless imposition of unreasonable confinement;

(iii) the failure to provide food, shelter, clothing, and personal hygiene to a high-risk adult with disabilities who requires such assistance;

(iv) the failure to provide medical and rehabilitative care for the physical and mental health needs of a high-risk adult with disabilities; or

(v) the failure to protect a high-risk adult with disabilities from health and safety hazards.

(B) Nothing in this subsection (10) shall be construed to impose a requirement that assistance be provided to a high-risk adult with disabilities over his or her objection in the absence of a court order, nor to create any new affirmative duty to provide support to a high-risk adult with disabilities.

(12) "Order of protection" means an emergency order, interim order or plenary order, granted pursuant to this Act, which includes any or all of the remedies authorized by Section 214 of this Act.

(13) "Petitioner" may mean not only any named petitioner for the order of protection and any named victim of abuse on whose behalf the petition is brought, but also any other person protected by this Act.

(14) "Physical abuse" includes sexual abuse and means any of the following:

New matter indicated by italics - deletions by strikeout
(i) knowing or reckless use of physical force, confinement or restraint;
(ii) knowing, repeated and unnecessary sleep deprivation;
or
(iii) knowing or reckless conduct which creates an immediate risk of physical harm.

(14.5) "Stay away" means for the respondent to refrain from both physical presence and nonphysical contact with the petitioner whether direct, indirect (including, but not limited to, telephone calls, mail, email, faxes, and written notes), or through third parties who may or may not know about the order of protection.

(15) "Willful deprivation" means wilfully denying a person who because of age, health or disability requires medication, medical care, shelter, accessible shelter or services, food, therapeutic device, or other physical assistance, and thereby exposing that person to the risk of physical, mental or emotional harm, except with regard to medical care or treatment when the dependent person has expressed an intent to forgo such medical care or treatment. This paragraph does not create any new affirmative duty to provide support to dependent persons.

(750 ILCS 60/214) (from Ch. 40, par. 2312-14)
Sec. 214. Order of protection; remedies.

(a) Issuance of order. If the court finds that petitioner has been abused by a family or household member or that petitioner is a high-risk adult who has been abused, neglected, or exploited, as defined in this Act, an order of protection prohibiting the abuse, neglect, or exploitation shall issue; provided that petitioner must also satisfy the requirements of one of the following Sections, as appropriate: Section 217 on emergency orders, Section 218 on interim orders, or Section 219 on plenary orders. Petitioner shall not be denied an order of protection because petitioner or respondent is a minor. The court, when determining whether or not to issue an order of protection, shall not require physical manifestations of abuse on the person of the victim. Modification and extension of prior orders of protection shall be in accordance with this Act.

(b) Remedies and standards. The remedies to be included in an order of protection shall be determined in accordance with this Section and one of the following Sections, as appropriate: Section 217 on emergency orders, Section 218 on interim orders, and Section 219 on plenary orders.
The remedies listed in this subsection shall be in addition to other civil or criminal remedies available to petitioner.

(1) Prohibition of abuse, neglect, or exploitation. Prohibit respondent's harassment, interference with personal liberty, intimidation of a dependent, physical abuse, or willful deprivation, neglect or exploitation, as defined in this Act, or stalking of the petitioner, as defined in Section 12-7.3 of the Criminal Code of 2012, if such abuse, neglect, exploitation, or stalking has occurred or otherwise appears likely to occur if not prohibited.

(2) Grant of exclusive possession of residence. Prohibit respondent from entering or remaining in any residence, household, or premises of the petitioner, including one owned or leased by respondent, if petitioner has a right to occupancy thereof. The grant of exclusive possession of the residence, household, or premises shall not affect title to real property, nor shall the court be limited by the standard set forth in Section 701 of the Illinois Marriage and Dissolution of Marriage Act.

(A) Right to occupancy. A party has a right to occupancy of a residence or household if it is solely or jointly owned or leased by that party, that party's spouse, a person with a legal duty to support that party or a minor child in that party's care, or by any person or entity other than the opposing party that authorizes that party's occupancy (e.g., a domestic violence shelter). Standards set forth in subparagraph (B) shall not preclude equitable relief.

(B) Presumption of hardships. If petitioner and respondent each has the right to occupancy of a residence or household, the court shall balance (i) the hardships to respondent and any minor child or dependent adult in respondent's care resulting from entry of this remedy with (ii) the hardships to petitioner and any minor child or dependent adult in petitioner's care resulting from continued exposure to the risk of abuse (should petitioner remain at the residence or household) or from loss of possession of the residence or household (should petitioner leave to avoid the risk of abuse). When determining the balance of hardships, the court shall also take into account the accessibility of the residence or household. Hardships
need not be balanced if respondent does not have a right to occupancy.

The balance of hardships is presumed to favor possession by petitioner unless the presumption is rebutted by a preponderance of the evidence, showing that the hardships to respondent substantially outweigh the hardships to petitioner and any minor child or dependent adult in petitioner's care. The court, on the request of petitioner or on its own motion, may order respondent to provide suitable, accessible, alternate housing for petitioner instead of excluding respondent from a mutual residence or household.

(3) Stay away order and additional prohibitions. Order respondent to stay away from petitioner or any other person protected by the order of protection, or prohibit respondent from entering or remaining present at petitioner's school, place of employment, or other specified places at times when petitioner is present, or both, if reasonable, given the balance of hardships. Hardships need not be balanced for the court to enter a stay away order or prohibit entry if respondent has no right to enter the premises.

(A) If an order of protection grants petitioner exclusive possession of the residence, or prohibits respondent from entering the residence, or orders respondent to stay away from petitioner or other protected persons, then the court may allow respondent access to the residence to remove items of clothing and personal adornment used exclusively by respondent, medications, and other items as the court directs. The right to access shall be exercised on only one occasion as the court directs and in the presence of an agreed-upon adult third party or law enforcement officer.

(B) When the petitioner and the respondent attend the same public, private, or non-public elementary, middle, or high school, the court when issuing an order of protection and providing relief shall consider the severity of the act, any continuing physical danger or emotional distress to the petitioner, the educational rights guaranteed to the petitioner and respondent under federal and State

New matter indicated by italics - deletions by strikeout
law, the availability of a transfer of the respondent to another school, a change of placement or a change of program of the respondent, the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school, and any other relevant facts of the case. The court may order that the respondent not attend the public, private, or non-public elementary, middle, or high school attended by the petitioner, order that the respondent accept a change of placement or change of program, as determined by the school district or private or non-public school, or place restrictions on the respondent's movements within the school attended by the petitioner. The respondent bears the burden of proving by a preponderance of the evidence that a transfer, change of placement, or change of program of the respondent is not available. The respondent also bears the burden of production with respect to the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school. A transfer, change of placement, or change of program is not unavailable to the respondent solely on the ground that the respondent does not agree with the school district's or private or non-public school's transfer, change of placement, or change of program or solely on the ground that the respondent fails or refuses to consent or otherwise does not take an action required to effectuate a transfer, change of placement, or change of program. When a court orders a respondent to stay away from the public, private, or non-public school attended by the petitioner and the respondent requests a transfer to another attendance center within the respondent's school district or private or non-public school, the school district or private or non-public school shall have sole discretion to determine the attendance center to which the respondent is transferred. In the event the court order results in a transfer of the minor respondent to another attendance center, a change in the respondent's placement, or a change of the respondent's program, the parents, guardian, or legal custodian of the respondent is responsible
for transportation and other costs associated with the transfer or change.

(C) The court may order the parents, guardian, or legal custodian of a minor respondent to take certain actions or to refrain from taking certain actions to ensure that the respondent complies with the order. In the event the court orders a transfer of the respondent to another school, the parents, guardian, or legal custodian of the respondent is responsible for transportation and other costs associated with the change of school by the respondent.

(4) Counseling. Require or recommend the respondent to undergo counseling for a specified duration with a social worker, psychologist, clinical psychologist, psychiatrist, family service agency, alcohol or substance abuse program, mental health center guidance counselor, agency providing services to elders, program designed for domestic violence abusers or any other guidance service the court deems appropriate. The Court may order the respondent in any intimate partner relationship to report to an Illinois Department of Human Services protocol approved partner abuse intervention program for an assessment and to follow all recommended treatment.

(5) Physical care and possession of the minor child. In order to protect the minor child from abuse, neglect, or unwarranted separation from the person who has been the minor child's primary caretaker, or to otherwise protect the well-being of the minor child, the court may do either or both of the following: (i) grant petitioner physical care or possession of the minor child, or both, or (ii) order respondent to return a minor child to, or not remove a minor child from, the physical care of a parent or person in loco parentis.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 103) of a minor child, there shall be a rebuttable presumption that awarding physical care to respondent would not be in the minor child's best interest.

(6) Temporary legal custody. Award temporary legal custody to petitioner in accordance with this Section, the Illinois Marriage and Dissolution of Marriage Act, the Illinois Parentage Act of 1984, and this State's Uniform Child-Custody Jurisdiction and Enforcement Act.
If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 103) of a minor child, there shall be a rebuttable presumption that awarding temporary legal custody to respondent would not be in the child's best interest.

(7) Visitation. Determine the visitation rights, if any, of respondent in any case in which the court awards physical care or temporary legal custody of a minor child to petitioner. The court shall restrict or deny respondent's visitation with a minor child if the court finds that respondent has done or is likely to do any of the following: (i) abuse or endanger the minor child during visitation; (ii) use the visitation as an opportunity to abuse or harass petitioner or petitioner's family or household members; (iii) improperly conceal or detain the minor child; or (iv) otherwise act in a manner that is not in the best interests of the minor child. The court shall not be limited by the standards set forth in Section 607.1 of the Illinois Marriage and Dissolution of Marriage Act. If the court grants visitation, the order shall specify dates and times for the visitation to take place or other specific parameters or conditions that are appropriate. No order for visitation shall refer merely to the term "reasonable visitation".

Petitioner may deny respondent access to the minor child if, when respondent arrives for visitation, respondent is under the influence of drugs or alcohol and constitutes a threat to the safety and well-being of petitioner or petitioner's minor children or is behaving in a violent or abusive manner.

If necessary to protect any member of petitioner's family or household from future abuse, respondent shall be prohibited from coming to petitioner's residence to meet the minor child for visitation, and the parties shall submit to the court their recommendations for reasonable alternative arrangements for visitation. A person may be approved to supervise visitation only after filing an affidavit accepting that responsibility and acknowledging accountability to the court.

(8) Removal or concealment of minor child. Prohibit respondent from removing a minor child from the State or concealing the child within the State.

(9) Order to appear. Order the respondent to appear in court, alone or with a minor child, to prevent abuse, neglect, removal or concealment of the child, to return the child to the
custody or care of the petitioner or to permit any court-ordered interview or examination of the child or the respondent.

(10) Possession of personal property. Grant petitioner exclusive possession of personal property and, if respondent has possession or control, direct respondent to promptly make it available to petitioner, if:

(i) petitioner, but not respondent, owns the property; or

(ii) the parties own the property jointly; sharing it would risk abuse of petitioner by respondent or is impracticable; and the balance of hardships favors temporary possession by petitioner.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may award petitioner temporary possession thereof under the standards of subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

No order under this provision shall affect title to property.

(11) Protection of property. Forbid the respondent from taking, transferring, encumbering, concealing, damaging or otherwise disposing of any real or personal property, except as explicitly authorized by the court, if:

(i) petitioner, but not respondent, owns the property; or

(ii) the parties own the property jointly, and the balance of hardships favors granting this remedy.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may grant petitioner relief under subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

The court may further prohibit respondent from improperly using the financial or other resources of an aged member of the family or household for the profit or advantage of respondent or of any other person.

(11.5) Protection of animals. Grant the petitioner the exclusive care, custody, or control of any animal owned, possessed, leased, kept, or held by either the petitioner or the respondent or a

New matter indicated by italics - deletions by strikeout
minor child residing in the residence or household of either the petitioner or the respondent and order the respondent to stay away from the animal and forbid the respondent from taking, transferring, encumbering, concealing, harming, or otherwise disposing of the animal.

(12) Order for payment of support. Order respondent to pay temporary support for the petitioner or any child in the petitioner's care or custody, when the respondent has a legal obligation to support that person, in accordance with the Illinois Marriage and Dissolution of Marriage Act, which shall govern, among other matters, the amount of support, payment through the clerk and withholding of income to secure payment. An order for child support may be granted to a petitioner with lawful physical care or custody of a child, or an order or agreement for physical care or custody, prior to entry of an order for legal custody. Such a support order shall expire upon entry of a valid order granting legal custody to another, unless otherwise provided in the custody order.

(13) Order for payment of losses. Order respondent to pay petitioner for losses suffered as a direct result of the abuse, neglect, or exploitation. Such losses shall include, but not be limited to, medical expenses, lost earnings or other support, repair or replacement of property damaged or taken, reasonable attorney's fees, court costs and moving or other travel expenses, including additional reasonable expenses for temporary shelter and restaurant meals.

(i) Losses affecting family needs. If a party is entitled to seek maintenance, child support or property distribution from the other party under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended, the court may order respondent to reimburse petitioner's actual losses, to the extent that such reimbursement would be "appropriate temporary relief", as authorized by subsection (a)(3) of Section 501 of that Act.

(ii) Recovery of expenses. In the case of an improper concealment or removal of a minor child, the court may order respondent to pay the reasonable expenses incurred or to be incurred in the search for and recovery of the minor child, including but not limited to legal fees, court costs, private investigator fees, and travel costs.
(14) Prohibition of entry. Prohibit the respondent from entering or remaining in the residence or household while the respondent is under the influence of alcohol or drugs and constitutes a threat to the safety and well-being of the petitioner or the petitioner's children.

(14.5) Prohibition of firearm possession.

(a) Prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order:

(1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate;

(2) restrains such person from harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child; and

(3)(i) includes a finding that such person represents a credible threat to the physical safety of such intimate partner or child; or (ii) by its terms explicitly prohibits the use, attempted use, or threatened use of physical force against such intimate partner or child that would reasonably be expected to cause bodily injury.

Any Firearm Owner's Identification Card in the possession of the respondent, except as provided in subsection (b), shall be ordered by the court to be turned over to the local law enforcement agency. The local law enforcement agency shall immediately mail the card to the Department of State Police Firearm Owner's Identification Card Office for safekeeping. The court shall issue a warrant for seizure of any firearm in the possession of the respondent, to be kept by the local law enforcement agency for safekeeping, except as provided in subsection (b). The period of safekeeping shall be for the duration of the order of protection. The firearm or firearms and Firearm Owner's Identification Card, if unexpired, shall at the respondent's request, be returned to the respondent at the end of the
order of protection. It is the respondent's responsibility to notify the Department of State Police Firearm Owner's Identification Card Office.

(b) If the respondent is a peace officer as defined in Section 2-13 of the Criminal Code of 2012, the court shall order that any firearms used by the respondent in the performance of his or her duties as a peace officer be surrendered to the chief law enforcement executive of the agency in which the respondent is employed, who shall retain the firearms for safekeeping for the duration of the order of protection.

(c) Upon expiration of the period of safekeeping, if the firearms or Firearm Owner's Identification Card cannot be returned to respondent because respondent cannot be located, fails to respond to requests to retrieve the firearms, or is not lawfully eligible to possess a firearm, upon petition from the local law enforcement agency, the court may order the local law enforcement agency to destroy the firearms, use the firearms for training purposes, or for any other application as deemed appropriate by the local law enforcement agency; or that the firearms be turned over to a third party who is lawfully eligible to possess firearms, and who does not reside with respondent.

(15) Prohibition of access to records. If an order of protection prohibits respondent from having contact with the minor child, or if petitioner's address is omitted under subsection (b) of Section 203, or if necessary to prevent abuse or wrongful removal or concealment of a minor child, the order shall deny respondent access to, and prohibit respondent from inspecting, obtaining, or attempting to inspect or obtain, school or any other records of the minor child who is in the care of petitioner.

(16) Order for payment of shelter services. Order respondent to reimburse a shelter providing temporary housing and counseling services to the petitioner for the cost of the services, as certified by the shelter and deemed reasonable by the court.

(17) Order for injunctive relief. Enter injunctive relief necessary or appropriate to prevent further abuse of a family or household member or further abuse, neglect, or exploitation of a high-risk adult with disabilities or to effectuate one of the granted

remedies, if supported by the balance of hardships. If the harm to be prevented by the injunction is abuse or any other harm that one of the remedies listed in paragraphs (1) through (16) of this subsection is designed to prevent, no further evidence is necessary that the harm is an irreparable injury.

(c) Relevant factors; findings.

(1) In determining whether to grant a specific remedy, other than payment of support, the court shall consider relevant factors, including but not limited to the following:

(i) the nature, frequency, severity, pattern and consequences of the respondent's past abuse, neglect or exploitation of the petitioner or any family or household member, including the concealment of his or her location in order to evade service of process or notice, and the likelihood of danger of future abuse, neglect, or exploitation to petitioner or any member of petitioner's or respondent's family or household; and

(ii) the danger that any minor child will be abused or neglected or improperly removed from the jurisdiction, improperly concealed within the State or improperly separated from the child's primary caretaker.

(2) In comparing relative hardships resulting to the parties from loss of possession of the family home, the court shall consider relevant factors, including but not limited to the following:

(i) availability, accessibility, cost, safety, adequacy, location and other characteristics of alternate housing for each party and any minor child or dependent adult in the party's care;

(ii) the effect on the party's employment; and

(iii) the effect on the relationship of the party, and any minor child or dependent adult in the party's care, to family, school, church and community.

(3) Subject to the exceptions set forth in paragraph (4) of this subsection, the court shall make its findings in an official record or in writing, and shall at a minimum set forth the following:

(i) That the court has considered the applicable relevant factors described in paragraphs (1) and (2) of this subsection.

New matter indicated by italics - deletions by strikeout
(ii) Whether the conduct or actions of respondent, unless prohibited, will likely cause irreparable harm or continued abuse.

(iii) Whether it is necessary to grant the requested relief in order to protect petitioner or other alleged abused persons.

(4) For purposes of issuing an ex parte emergency order of protection, the court, as an alternative to or as a supplement to making the findings described in paragraphs (c)(3)(i) through (c)(3)(iii) of this subsection, may use the following procedure:

When a verified petition for an emergency order of protection in accordance with the requirements of Sections 203 and 217 is presented to the court, the court shall examine petitioner on oath or affirmation. An emergency order of protection shall be issued by the court if it appears from the contents of the petition and the examination of petitioner that the averments are sufficient to indicate abuse by respondent and to support the granting of relief under the issuance of the emergency order of protection.

(5) Never married parties. No rights or responsibilities for a minor child born outside of marriage attach to a putative father until a father and child relationship has been established under the Illinois Parentage Act of 1984, the Illinois Public Aid Code, Section 12 of the Vital Records Act, the Juvenile Court Act of 1987, the Probate Act of 1985, the Revised Uniform Reciprocal Enforcement of Support Act, the Uniform Interstate Family Support Act, the Expedited Child Support Act of 1990, any judicial, administrative, or other act of another state or territory, any other Illinois statute, or by any foreign nation establishing the father and child relationship, any other proceeding substantially in conformity with the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Pub. L. 104-193), or where both parties appeared in open court or at an administrative hearing acknowledging under oath or admitting by affirmation the existence of a father and child relationship. Absent such an adjudication, finding, or acknowledgement, no putative father shall be granted temporary custody of the minor child, visitation with the minor child, or physical care and possession of the minor child, nor shall an order of payment for support of the minor child be entered.

(d) Balance of hardships; findings. If the court finds that the balance of hardships does not support the granting of a remedy governed by paragraph (2), (3), (10), (11), or (16) of subsection (b) of this Section, which may require such balancing, the court's findings shall so indicate and shall include a finding as to whether granting the remedy will result in hardship to respondent that would substantially outweigh the hardship to petitioner from denial of the remedy. The findings shall be an official record or in writing.

(e) Denial of remedies. Denial of any remedy shall not be based, in whole or in part, on evidence that:

1. Respondent has cause for any use of force, unless that cause satisfies the standards for justifiable use of force provided by Article 7 of the Criminal Code of 2012;

2. Petitioner acted in self-defense or defense of another, provided that, if petitioner utilized force, such force was justifiable under Article 7 of the Criminal Code of 2012;

3. Petitioner did not act in self-defense or defense of another;

4. Petitioner left the residence or household to avoid further abuse, neglect, or exploitation by respondent;

5. Petitioner did not leave the residence or household to avoid further abuse, neglect, or exploitation by respondent;

6. Conduct by any family or household member excused the abuse, neglect, or exploitation by respondent, unless that same conduct would have excused such abuse, neglect, or exploitation if the parties had not been family or household members.

(750 ILCS 60/223) (from Ch. 40, par. 2312-23)
(a) When violation is crime. A violation of any order of protection, whether issued in a civil or criminal proceeding, shall be enforced by a criminal court when:

(iii) any other remedy when the act constitutes a crime against the protected parties as defined by the Criminal Code of 1961 or the Criminal Code of 2012.

Prosecution for a violation of an order of protection shall not bar concurrent prosecution for any other crime, including any crime that may have been committed at the time of the violation of the order of protection; or

(2) The respondent commits the crime of child abduction pursuant to Section 10-5 of the Criminal Code of 1961 or the Criminal Code of 2012, by having knowingly violated:

(b) When violation is contempt of court. A violation of any valid Illinois order of protection, whether issued in a civil or criminal proceeding, may be enforced through civil or criminal contempt procedures, as appropriate, by any court with jurisdiction, regardless where the act or acts which violated the order of protection were committed, to the extent consistent with the venue provisions of this Act. Nothing in this Act shall preclude any Illinois court from enforcing any valid order of

protection issued in another state. Illinois courts may enforce orders of protection through both criminal prosecution and contempt proceedings, unless the action which is second in time is barred by collateral estoppel or the constitutional prohibition against double jeopardy.

(1) In a contempt proceeding where the petition for a rule to show cause sets forth facts evidencing an immediate danger that the respondent will flee the jurisdiction, conceal a child, or inflict physical abuse on the petitioner or minor children or on dependent adults in petitioner's care, the court may order the attachment of the respondent without prior service of the rule to show cause or the petition for a rule to show cause. Bond shall be set unless specifically denied in writing.

(2) A petition for a rule to show cause for violation of an order of protection shall be treated as an expedited proceeding.

(b-1) The court shall not hold a school district or private or non-public school or any of its employees in civil or criminal contempt unless the school district or private or non-public school has been allowed to intervene.

(b-2) The court may hold the parents, guardian, or legal custodian of a minor respondent in civil or criminal contempt for a violation of any provision of any order entered under this Act for conduct of the minor respondent in violation of this Act if the parents, guardian, or legal custodian directed, encouraged, or assisted the respondent minor in such conduct.

(c) Violation of custody or support orders. A violation of remedies described in paragraphs (5), (6), (8), or (9) of subsection (b) of Section 214 of this Act may be enforced by any remedy provided by Section 611 of the Illinois Marriage and Dissolution of Marriage Act. The court may enforce any order for support issued under paragraph (12) of subsection (b) of Section 214 in the manner provided for under Parts V and VII of the Illinois Marriage and Dissolution of Marriage Act.

(d) Actual knowledge. An order of protection may be enforced pursuant to this Section if the respondent violates the order after the respondent has actual knowledge of its contents as shown through one of the following means:

(1) By service, delivery, or notice under Section 210.
(2) By notice under Section 210.1 or 211.
(3) By service of an order of protection under Section 222.

(4) By other means demonstrating actual knowledge of the contents of the order.

(2) Any finding or order entered in a conjoined criminal proceeding.
(f) Circumstances. The court, when determining whether or not a violation of an order of protection has occurred, shall not require physical manifestations of abuse on the person of the victim.
(g) Penalties.
(1) Except as provided in paragraph (3) of this subsection, where the court finds the commission of a crime or contempt of court under subsections (a) or (b) of this Section, the penalty shall be the penalty that generally applies in such criminal or contempt proceedings, and may include one or more of the following: incarceration, payment of restitution, a fine, payment of attorneys' fees and costs, or community service.
(2) The court shall hear and take into account evidence of any factors in aggravation or mitigation before deciding an appropriate penalty under paragraph (1) of this subsection.
(3) To the extent permitted by law, the court is encouraged to:

   (i) increase the penalty for the knowing violation of any order of protection over any penalty previously imposed by any court for respondent's violation of any order of protection or penal statute involving petitioner as victim and respondent as defendant;
   (ii) impose a minimum penalty of 24 hours imprisonment for respondent's first violation of any order of protection; and
   (iii) impose a minimum penalty of 48 hours imprisonment for respondent's second or subsequent violation of an order of protection unless the court explicitly finds that an increased penalty or that period of imprisonment would be manifestly unjust.
(4) In addition to any other penalties imposed for a violation of an order of protection, a criminal court may consider evidence of any violations of an order of protection:
   (i) to increase, revoke or modify the bail bond on an underlying criminal charge pursuant to Section 110-6 of the Code of Criminal Procedure of 1963;
   (ii) to revoke or modify an order of probation, conditional discharge or supervision, pursuant to Section 5-6-4 of the Unified Code of Corrections;
   (iii) to revoke or modify a sentence of periodic imprisonment, pursuant to Section 5-7-2 of the Unified Code of Corrections.

(5) In addition to any other penalties, the court shall impose an additional fine of $20 as authorized by Section 5-9-1.11 of the Unified Code of Corrections upon any person convicted of or placed on supervision for a violation of an order of protection. The additional fine shall be imposed for each violation of this Section.

Completing the required training as a member of the public body satisfies the requirements of this Section with regard to the member's service on a committee or subcommittee of the public body and the member's ex officio service on any other public body.

"Aggregate extension" for all taxing districts to which this Law applies in accordance with paragraph (2) of subsection (e) of Section 18-213 means the annual corporate extension for the taxing district and those special purpose extensions that are made annually for the taxing district, excluding special purpose extensions: (a) made for the taxing district to pay interest or principal on general obligation bonds that were approved by referendum; (b) made for any taxing district to pay interest or principal on general obligation bonds issued before the effective date of this amendatory Act of 1997; (c) made for any taxing district to pay interest or principal on bonds issued to refund or continue to refund those bonds issued before the effective date of this amendatory Act of 1997; (d) made for any taxing district to pay interest or principal on bonds issued to refund those bonds issued after the effective date of this amendatory Act of 1997 if the bonds were approved by referendum after the effective date of this amendatory Act of 1997; (e) made for any taxing district to pay interest or principal on revenue bonds issued before the effective date of this amendatory Act of 1997 for payment of which a property tax levy or the full faith and credit of the unit of local government is pledged; however, a tax for the payment of interest or principal on those bonds shall be made only after the governing body of the unit of local government finds that all other sources for payment are insufficient to make those payments; (f) made for payments under a building commission lease when the lease payments are for the retirement of bonds issued by the commission before the effective date of this amendatory Act of 1997 to pay for the building project; (g) made for payments due under installment contracts entered into before the effective date of this amendatory Act of 1997; (h) made for payments of principal and interest on limited bonds, as defined in Section 3 of the Local Government Debt Reform Act, in an amount not to exceed the debt service extension base less the amount in items (b), (c), and (e) of this definition for non-referendum obligations, except obligations initially issued pursuant to referendum; (i) made for

payments of principal and interest on bonds issued under Section 15 of the Local Government Debt Reform Act; (j) made for a qualified airport authority to pay interest or principal on general obligation bonds issued for the purpose of paying obligations due under, or financing airport facilities required to be acquired, constructed, installed or equipped pursuant to, contracts entered into before March 1, 1996 (but not including any amendments to such a contract taking effect on or after that date); (k) made to fund expenses of providing joint recreational programs for the handicapped under Section 5-8 of the Park District Code or Section 11-95-14 of the Illinois Municipal Code; and (l) made for contributions to a firefighter's pension fund created under Article 4 of the Illinois Pension Code, to the extent of the amount certified under item (5) of Section 4-134 of the Illinois Pension Code.

"Debt service extension base" means an amount equal to that portion of the extension for a taxing district for the 1994 levy year, or for those taxing districts subject to this Law in accordance with Section 18-213, except for those subject to paragraph (2) of subsection (e) of Section 18-213, for the levy year in which the referendum making this Law applicable to the taxing district is held, or for those taxing districts subject to this Law in accordance with paragraph (2) of subsection (e) of Section 18-213 for the 1996 levy year, constituting an extension for payment of principal and interest on bonds issued by the taxing district without referendum, but not including excluded non-referendum bonds. For park districts (i) that were first subject to this Law in 1991 or 1995 and (ii) whose extension for the 1994 levy year for the payment of principal and interest on bonds issued by the park district without referendum (but not including excluded non-referendum bonds) was less than 51% of the amount for the 1991 levy year constituting an extension for payment of principal and interest on bonds issued by the park district without referendum (but not including excluded non-referendum bonds), "debt service extension base" means an amount equal to that portion of the extension for the 1991 levy year constituting an extension for payment of principal and interest on bonds issued by the park district without referendum (but not including excluded non-referendum bonds). A debt service extension base established or increased at any time pursuant to any provision of this Law, except Section 18-212, shall be increased each year commencing with the later of (i) the 2009 levy year or (ii) the first levy year in which this Law becomes applicable to the taxing district, by the lesser of 5% or the percentage increase in the Consumer Price Index.
during the 12-month calendar year preceding the levy year. The debt service extension base may be established or increased as provided under Section 18-212. "Excluded non-referendum bonds" means (i) bonds authorized by Public Act 88-503 and issued under Section 20a of the Chicago Park District Act for aquarium and museum projects; (ii) bonds issued under Section 15 of the Local Government Debt Reform Act; or (iii) refunding obligations issued to refund or to continue to refund obligations initially issued pursuant to referendum.

"Special purpose extensions" include, but are not limited to, extensions for levies made on an annual basis for unemployment and workers' compensation, self-insurance, contributions to pension plans, and extensions made pursuant to Section 6-601 of the Illinois Highway Code for a road district's permanent road fund whether levied annually or not. The extension for a special service area is not included in the aggregate extension.

"Aggregate extension base" means the taxing district's last preceding aggregate extension as adjusted under Sections 18-135, 18-215, and 18-230. An adjustment under Section 18-135 shall be made for the 2007 levy year and all subsequent levy years whenever one or more counties within which a taxing district is located (i) used estimated valuations or rates when extending taxes in the taxing district for the last preceding levy year that resulted in the over or under extension of taxes, or (ii) increased or decreased the tax extension for the last preceding levy year as required by Section 18-135(c). Whenever an adjustment is required under Section 18-135, the aggregate extension base of the taxing district shall be equal to the amount that the aggregate extension of the taxing district would have been for the last preceding levy year if either or both (i) actual, rather than estimated, valuations or rates had been used to calculate the extension of taxes for the last levy year, or (ii) the tax extension for the last preceding levy year had not been adjusted as required by subsection (c) of Section 18-135.

Notwithstanding any other provision of law, for levy year 2012, the aggregate extension base for West Northfield School District No. 31 in Cook County shall be $12,654,592.

"Levy year" has the same meaning as "year" under Section 1-155.

"New property" means (i) the assessed value, after final board of review or board of appeals action, of new improvements or additions to existing improvements on any parcel of real property that increase the assessed value of that real property during the levy year multiplied by the
equalization factor issued by the Department under Section 17-30, (ii) the assessed value, after final board of review or board of appeals action, of real property not exempt from real estate taxation, which real property was exempt from real estate taxation for any portion of the immediately preceding levy year, multiplied by the equalization factor issued by the Department under Section 17-30, including the assessed value, upon final stabilization of occupancy after new construction is complete, of any real property located within the boundaries of an otherwise or previously exempt military reservation that is intended for residential use and owned by or leased to a private corporation or other entity, and (iii) in counties that classify in accordance with Section 4 of Article IX of the Illinois Constitution, an incentive property's additional assessed value resulting from a scheduled increase in the level of assessment as applied to the first year final board of review market value. In addition, the county clerk in a county containing a population of 3,000,000 or more shall include in the 1997 recovered tax increment value for any school district, any recovered tax increment value that was applicable to the 1995 tax year calculations.

"Qualified airport authority" means an airport authority organized under the Airport Authorities Act and located in a county bordering on the State of Wisconsin and having a population in excess of 200,000 and not greater than 500,000.

"Recovered tax increment value" means, except as otherwise provided in this paragraph, the amount of the current year's equalized assessed value, in the first year after a municipality terminates the designation of an area as a redevelopment project area previously established under the Tax Increment Allocation Development Act in the Illinois Municipal Code, previously established under the Industrial Jobs Recovery Law in the Illinois Municipal Code, previously established under the Economic Development Project Area Tax Increment Act of 1995, or previously established under the Economic Development Area Tax Increment Allocation Act, of each taxable lot, block, tract, or parcel of real property in the redevelopment project area over and above the initial equalized assessed value of each property in the redevelopment project area. For the taxes which are extended for the 1997 levy year, the recovered tax increment value for a non-home rule taxing district that first became subject to this Law for the 1995 levy year because a majority of its 1994 equalized assessed value was in an affected county or counties shall be increased if a municipality terminated the designation of an area in 1993 as a redevelopment project area previously established under the Tax

Increment Allocation Development Act in the Illinois Municipal Code, previously established under the Industrial Jobs Recovery Law in the Illinois Municipal Code, or previously established under the Economic Development Area Tax Increment Allocation Act, by an amount equal to the 1994 equalized assessed value of each taxable lot, block, tract, or parcel of real property in the redevelopment project area over and above the initial equalized assessed value of each property in the redevelopment project area. In the first year after a municipality removes a taxable lot, block, tract, or parcel of real property from a redevelopment project area established under the Tax Increment Allocation Development Act in the Illinois Municipal Code, the Industrial Jobs Recovery Law in the Illinois Municipal Code, or the Economic Development Area Tax Increment Allocation Act, "recovered tax increment value" means the amount of the current year's equalized assessed value of each taxable lot, block, tract, or parcel of real property removed from the redevelopment project area over and above the initial equalized assessed value of that real property before removal from the redevelopment project area.

Except as otherwise provided in this Section, "limiting rate" means a fraction the numerator of which is the last preceding aggregate extension base times an amount equal to one plus the extension limitation defined in this Section and the denominator of which is the current year's equalized assessed value of all real property in the territory under the jurisdiction of the taxing district during the prior levy year. For those taxing districts that reduced their aggregate extension for the last preceding levy year, the highest aggregate extension in any of the last 3 preceding levy years shall be used for the purpose of computing the limiting rate. The denominator shall not include new property or the recovered tax increment value. If a new rate, a rate decrease, or a limiting rate increase has been approved at an election held after March 21, 2006, then (i) the otherwise applicable limiting rate shall be increased by the amount of the new rate or shall be reduced by the amount of the rate decrease, as the case may be, or (ii) in the case of a limiting rate increase, the limiting rate shall be equal to the rate set forth in the proposition approved by the voters for each of the years specified in the proposition, after which the limiting rate of the taxing district shall be calculated as otherwise provided.

Nothing in this subsection (o) shall be construed to prevent the State Panel or the Local Panel from determining that employers are joint or co-employers.

(o-5) With respect to wages, fringe benefits, hours, holidays, vacations, proficiency examinations, sick leave, and other conditions of employment, the public employer of public employees who are court reporters, as defined in the Court Reporters Act, shall be determined as follows:

1. For court reporters employed by the Cook County Judicial Circuit, the chief judge of the Cook County Circuit Court is the public employer and employer representative.

2. For court reporters employed by the 12th, 18th, 19th, and, on and after December 4, 2006, the 22nd judicial circuits, a group consisting of the chief judges of those circuits, acting jointly by majority vote, is the public employer and employer representative.

3. For court reporters employed by all other judicial circuits, a group consisting of the chief judges of those circuits, acting jointly by majority vote, is the public employer and employer representative.

majority of employees being responsible for the supervision and control of inmates at correctional facilities.

(q) "Short-term employee" means an employee who is employed for less than 2 consecutive calendar quarters during a calendar year and who does not have a reasonable assurance that he or she will be rehired by the same employer for the same service in a subsequent calendar year.

(r) "Supervisor" is an employee whose principal work is substantially different from that of his or her subordinates and who has authority, in the interest of the employer, to hire, transfer, suspend, lay off, recall, promote, discharge, direct, reward, or discipline employees, to adjust their grievances, or to effectively recommend any of those actions, if the exercise of that authority is not of a merely routine or clerical nature, but requires the consistent use of independent judgment. Except with respect to police employment, the term "supervisor" includes only those individuals who devote a preponderance of their employment time to exercising that authority, State supervisors notwithstanding. In addition, in determining supervisory status in police employment, rank shall not be determinative. The Board shall consider, as evidence of bargaining unit inclusion or exclusion, the common law enforcement policies and relationships between police officer ranks and certification under applicable civil service law, ordinances, personnel codes, or Division 2.1 of Article 10 of the Illinois Municipal Code, but these factors shall not be the sole or predominant factors considered by the Board in determining police supervisory status.

Notwithstanding the provisions of the preceding paragraph, in determining supervisory status in firefighter employment, no firefighter shall be excluded as a supervisor who has established representation rights under Section 9 of this Act. Further, in new firefighter units, employees shall consist of firefighters of the rank of company officer and below. If a company officer otherwise qualifies as a supervisor under the preceding paragraph, however, he or she shall not be included in the firefighter unit. If there is no rank between that of chief and the highest company officer, the employer may designate a position on each shift as a Shift Commander, and the persons occupying those positions shall be supervisors. All other ranks above that of company officer shall be supervisors.

(s)(1) "Unit" means a class of jobs or positions that are held by employees whose collective interests may suitably be represented by a labor organization for collective bargaining. Except with respect to non-
State fire fighters and paramedics employed by fire departments and fire protection districts, non-State peace officers, and peace officers in the Department of State Police, a bargaining unit determined by the Board shall not include both employees and supervisors, or supervisors only, except as provided in paragraph (2) of this subsection (s) and except for bargaining units in existence on July 1, 1984 (the effective date of this Act). With respect to non-State fire fighters and paramedics employed by fire departments and fire protection districts, non-State peace officers, and peace officers in the Department of State Police, a bargaining unit determined by the Board shall not include both employees and supervisors, or supervisors only, except as provided in paragraph (2) of this subsection (s) and except for bargaining units in existence on January 1, 1986 (the effective date of this amendatory Act of 1985). A bargaining unit determined by the Board to contain peace officers shall contain no employees other than peace officers unless otherwise agreed to by the employer and the labor organization or labor organizations involved. Notwithstanding any other provision of this Act, a bargaining unit, including a historical bargaining unit, containing sworn peace officers of the Department of Natural Resources (formerly designated the Department of Conservation) shall contain no employees other than such sworn peace officers upon the effective date of this amendatory Act of 1990 or upon the expiration date of any collective bargaining agreement in effect upon the effective date of this amendatory Act of 1990 covering both such sworn peace officers and other employees.

(2) Notwithstanding the exclusion of supervisors from bargaining units as provided in paragraph (1) of this subsection (s), a public employer may agree to permit its supervisory employees to form bargaining units and may bargain with those units. This Act shall apply if the public employer chooses to bargain under this subsection.

(3) Public employees who are court reporters, as defined in the Court Reporters Act, shall be divided into 3 units for collective bargaining purposes. One unit shall be court reporters employed by the Cook County Judicial Circuit; one unit shall be court reporters employed by the 12th, 18th, 19th, and, on and after December 4, 2006, the 22nd judicial circuits; and one unit shall be court reporters employed by all other judicial circuits.

(5 ILCS 315/7) (from Ch. 48, par. 1607)
Sec. 7. Duty to bargain. A public employer and the exclusive representative have the authority and the duty to bargain collectively set forth in this Section.

For the purposes of this Act, "to bargain collectively" means the performance of the mutual obligation of the public employer or his designated representative and the representative of the public employees to meet at reasonable times, including meetings in advance of the budget-making process, and to negotiate in good faith with respect to wages, hours, and other conditions of employment, not excluded by Section 4 of this Act, or the negotiation of an agreement, or any question arising thereunder and the execution of a written contract incorporating any agreement reached if requested by either party, but such obligation does not compel either party to agree to a proposal or require the making of a concession.

The duty "to bargain collectively" shall also include an obligation to negotiate over any matter with respect to wages, hours and other conditions of employment, not specifically provided for in any other law or not specifically in violation of the provisions of any law. If any other law pertains, in part, to a matter affecting the wages, hours and other conditions of employment, such other law shall not be construed as limiting the duty "to bargain collectively" and to enter into collective bargaining agreements containing clauses which either supplement, implement, or relate to the effect of such provisions in other laws.

The duty "to bargain collectively" shall also include negotiations as to the terms of a collective bargaining agreement. The parties may, by mutual agreement, provide for arbitration of impasses resulting from their inability to agree upon wages, hours and terms and conditions of employment to be included in a collective bargaining agreement. Such arbitration provisions shall be subject to the Illinois "Uniform Arbitration Act" unless agreed by the parties.

The duty "to bargain collectively" shall also mean that no party to a collective bargaining contract shall terminate or modify such contract, unless the party desiring such termination or modification:

(1) serves a written notice upon the other party to the contract of the proposed termination or modification 60 days prior to the expiration date thereof, or in the event such contract contains no expiration date, 60 days prior to the time it is proposed to make such termination or modification;

New matter indicated by italics - deletions by strikeout
(2) offers to meet and confer with the other party for the purpose of negotiating a new contract or a contract containing the proposed modifications;

(3) notifies the Board within 30 days after such notice of the existence of a dispute, provided no agreement has been reached by that time; and

(4) continues in full force and effect, without resorting to strike or lockout, all the terms and conditions of the existing contract for a period of 60 days after such notice is given to the other party or until the expiration date of such contract, whichever occurs later.

The duties imposed upon employers, employees and labor organizations by paragraphs (2), (3) and (4) shall become inapplicable upon an intervening certification of the Board, under which the labor organization, which is a party to the contract, has been superseded as or ceased to be the exclusive representative of the employees pursuant to the provisions of subsection (a) of Section 9, and the duties so imposed shall not be construed as requiring either party to discuss or agree to any modification of the terms and conditions contained in a contract for a fixed period, if such modification is to become effective before such terms and conditions can be reopened under the provisions of the contract.

Collective bargaining for **home care and home health workers who function as personal care attendants, and personal assistants, and individual maintenance home health workers** under the Home Services Program shall be limited to the terms and conditions of employment under the State's control, as defined in **Public Act 93-204 or this amendatory Act of the 97th General Assembly, as applicable** the amendatory Act of the 93rd General Assembly.

Collective bargaining for child and day care home providers under the child care assistance program shall be limited to the terms and conditions of employment under the State's control, as defined in **this amendatory Act of the 94th General Assembly**.

Notwithstanding any other provision of this Section, whenever collective bargaining is for the purpose of establishing an initial agreement following original certification of units with fewer than 35 employees, with respect to public employees other than peace officers, fire fighters, and security employees, the following apply:

(1) Not later than 10 days after receiving a written request for collective bargaining from a labor organization that has been

New matter indicated by italics - deletions by strikeout
newly certified as a representative as defined in Section 6(c), or within such further period as the parties agree upon, the parties shall meet and commence to bargain collectively and shall make every reasonable effort to conclude and sign a collective bargaining agreement.

(2) If anytime after the expiration of the 90-day period beginning on the date on which bargaining is commenced the parties have failed to reach an agreement, either party may notify the Illinois Public Labor Relations Board of the existence of a dispute and request mediation in accordance with the provisions of Section 14 of this Act.

(3) If after the expiration of the 30-day period beginning on the date on which mediation commenced, or such additional period as the parties may agree upon, the mediator is not able to bring the parties to agreement by conciliation, either the exclusive representative of the employees or the employer may request of the other, in writing, arbitration and shall submit a copy of the request to the board. Upon submission of the request for arbitration, the parties shall be required to participate in the impasse arbitration procedures set forth in Section 14 of this Act, except the right to strike shall not be considered waived pursuant to Section 17 of this Act, until the actual convening of the arbitration hearing.

Sec. 28. Applicability of changes made by amendatory Act of the 97th General Assembly. Nothing in this amendatory Act of the 97th General Assembly applies to workers or consumers in the Home Based Support Services Program in the Department of Human Services Division of Developmental Disabilities.

Section 10. The Disabled Persons Rehabilitation Act is amended by changing Section 3 as follows:

(20 ILCS 2405/3) (from Ch. 23, par. 3434)

Sec. 3. Powers and duties. The Department shall have the powers and duties enumerated herein:

(a) To co-operate with the federal government in the administration of the provisions of the federal Rehabilitation Act of 1973, as amended, of the Workforce Investment Act of 1998, and of the federal Social Security Act to the extent and in the manner provided in these Acts.
(b) To prescribe and supervise such courses of vocational training and provide such other services as may be necessary for the habilitation and rehabilitation of persons with one or more disabilities, including the administrative activities under subsection (e) of this Section, and to cooperate with State and local school authorities and other recognized agencies engaged in habilitation, rehabilitation and comprehensive rehabilitation services; and to cooperate with the Department of Children and Family Services regarding the care and education of children with one or more disabilities.

(c) (Blank).

(d) To report in writing, to the Governor, annually on or before the first day of December, and at such other times and in such manner and upon such subjects as the Governor may require. The annual report shall contain (1) a statement of the existing condition of comprehensive rehabilitation services, habilitation and rehabilitation in the State; (2) a statement of suggestions and recommendations with reference to the development of comprehensive rehabilitation services, habilitation and rehabilitation in the State; and (3) an itemized statement of the amounts of money received from federal, State and other sources, and of the objects and purposes to which the respective items of these several amounts have been devoted.

(e) (Blank).

(f) To establish a program of services to prevent unnecessary institutionalization of persons with Alzheimer’s disease and related disorders or persons in need of long term care who are established as blind or disabled as defined by the Social Security Act, thereby enabling them to remain in their own homes or other living arrangements. Such preventive services may include, but are not limited to, any or all of the following:

(1) home health services;
(2) home nursing services;
(3) homemaker services;
(4) chore and housekeeping services;
(5) day care services;

(9) adult day health services;
(10) habilitation services;

(12) other nonmedical social services that may enable the person to become self-supporting.

The Department shall establish eligibility standards for such services taking into consideration the unique economic and social needs of the population for whom they are to be provided. Such eligibility standards may be based on the recipient's ability to pay for services; provided, however, that any portion of a person's income that is equal to or less than the "protected income" level shall not be considered by the Department in determining eligibility. The "protected income" level shall be determined by the Department, shall never be less than the federal poverty standard, and shall be adjusted each year to reflect changes in the Consumer Price Index For All Urban Consumers as determined by the United States Department of Labor. The standards must provide that a person may have not more than $10,000 in assets to be eligible for the services, and the Department may increase the asset limitation by rule. Additionally, in determining the amount and nature of services for which a person may qualify, consideration shall not be given to the value of cash, property or other assets held in the name of the person's spouse pursuant to a written agreement dividing marital property into equal but separate shares or pursuant to a transfer of the person's interest in a home to his spouse, provided that the spouse's share of the marital property is not made available to the person seeking such services.

The services shall be provided to eligible persons to prevent unnecessary or premature institutionalization, to the extent that the cost of the services, together with the other personal maintenance expenses of the persons, are reasonably related to the standards established for care in a group facility appropriate to their condition. These non-institutional services, pilot projects or experimental facilities may be provided as part of or in addition to those authorized by federal law or those funded and administered by the Illinois Department on Aging.

Personal care attendants shall be paid:

(i) A $5 per hour minimum rate beginning July 1, 1995.
(ii) A $5.30 per hour minimum rate beginning July 1, 1997.
(iii) A $5.40 per hour minimum rate beginning July 1, 1998.

Solely for the purposes of coverage under the Illinois Public Labor Relations Act (5 ILCS 315/), personal care attendants and personal assistants providing services under the Department's Home Services Program shall be considered to be public employees, and the State of
Illinois shall be considered to be their employer as of the effective date of this amendatory Act of the 93rd General Assembly, but not before. Solely for the purposes of coverage under the Illinois Public Labor Relations Act, home care and home health workers who function as personal care attendants, personal assistants, and individual maintenance home health workers and who also provide services under the Department's Home Services Program shall be considered to be public employees, no matter whether the State provides such services through direct fee-for-service arrangements, with the assistance of a managed care organization or other intermediary, or otherwise, and the State of Illinois shall be considered to be the employer of those persons as of the effective date of this amendatory Act of the 97th General Assembly, but not before except as otherwise provided under this subsection (f). The State shall engage in collective bargaining with an exclusive representative of home care and home health workers who function as personal care attendants, and personal assistants, and individual maintenance home health workers working under the Home Services Program concerning their terms and conditions of employment that are within the State's control. Nothing in this paragraph shall be understood to limit the right of the persons receiving services defined in this Section to hire and fire home care and home health workers who function as personal care attendants, and personal assistants, and individual maintenance home health workers working under the Home Services Program or to supervise them within the limitations set by the Home Services Program. The State shall not be considered to be the employer of home care and home health workers who function as personal care attendants, and personal assistants, and individual maintenance home health workers working under the Home Services Program for any purposes not specifically provided in Public Act 93-204 or this amendatory Act of the 97th General Assembly this amendatory Act of the 93rd General Assembly, including but not limited to, purposes of vicarious liability in tort and purposes of statutory retirement or health insurance benefits. Home care and home health workers who function as personal Personal care attendants, and personal assistants, and individual maintenance home health workers and who also provide services under the Department's Home Services Program shall not be covered by the State Employees Group Insurance Act of 1971 (5 ILCS 375/).

The Department shall execute, relative to the nursing home prescreening project, as authorized by Section 4.03 of the Illinois Act on

New matter indicated by italics - deletions by strikeout
the Aging, written inter-agency agreements with the Department on Aging and the Department of Public Aid (now Department of Healthcare and Family Services), to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped. On and after July 1, 1996, all nursing home prescreenings for individuals 18 through 59 years of age shall be conducted by the Department.

The Department is authorized to establish a system of recipient cost-sharing for services provided under this Section. The cost-sharing shall be based upon the recipient's ability to pay for services, but in no case shall the recipient's share exceed the actual cost of the services provided. Protected income shall not be considered by the Department in its determination of the recipient's ability to pay a share of the cost of services. The level of cost-sharing shall be adjusted each year to reflect changes in the "protected income" level. The Department shall deduct from the recipient's share of the cost of services any money expended by the recipient for disability-related expenses.

The Department, or the Department's authorized representative, shall recover the amount of moneys expended for services provided to or in behalf of a person under this Section by a claim against the person's estate or against the estate of the person's surviving spouse, but no recovery may be had until after the death of the surviving spouse, if any, and then only at such time when there is no surviving child who is under age 21, blind, or permanently and totally disabled. This paragraph, however, shall not bar recovery, at the death of the person, of moneys for services provided to the person or in behalf of the person under this Section to which the person was not entitled; provided that such recovery shall not be enforced against any real estate while it is occupied as a homestead by the surviving spouse or other dependent, if no claims by other creditors have been filed against the estate, or, if such claims have been filed, they remain dormant for failure of prosecution or failure of the claimant to compel administration of the estate for the purpose of payment. This paragraph shall not bar recovery from the estate of a spouse, under Sections 1915 and 1924 of the Social Security Act and Section 5-4 of the Illinois Public Aid Code, who precedes a person receiving services under this Section in death. All moneys for services paid to or in behalf of the person under this Section shall be claimed for recovery from the
deceased spouse's estate. "Homestead", as used in this paragraph, means the dwelling house and contiguous real estate occupied by a surviving spouse or relative, as defined by the rules and regulations of the Department of Healthcare and Family Services, regardless of the value of the property.

The Department and the Department on Aging shall cooperate in the development and submission of an annual report on programs and services provided under this Section. Such joint report shall be filed with the Governor and the General Assembly on or before March 30 each year.

The requirement for reporting to the General Assembly shall be satisfied by filing copies of the report with the Speaker, the Minority Leader and the Clerk of the House of Representatives and the President, the Minority Leader and the Secretary of the Senate and the Legislative Research Unit, as required by Section 3.1 of the General Assembly Organization Act, and filing additional copies with the State Government Report Distribution Center for the General Assembly as required under paragraph (t) of Section 7 of the State Library Act.

(g) To establish such subdivisions of the Department as shall be desirable and assign to the various subdivisions the responsibilities and duties placed upon the Department by law.

(h) To cooperate and enter into any necessary agreements with the Department of Employment Security for the provision of job placement and job referral services to clients of the Department, including job service registration of such clients with Illinois Employment Security offices and making job listings maintained by the Department of Employment Security available to such clients.

(i) To possess all powers reasonable and necessary for the exercise and administration of the powers, duties and responsibilities of the Department which are provided for by law.

(j) To establish a procedure whereby new providers of personal care attendant services shall submit vouchers to the State for payment two times during their first month of employment and one time per month thereafter. In no case shall the Department pay personal care attendants an hourly wage that is less than the federal minimum wage.

(k) To provide adequate notice to providers of chore and housekeeping services informing them that they are entitled to an interest payment on bills which are not promptly paid pursuant to Section 3 of the State Prompt Payment Act.

(l) To establish, operate and maintain a Statewide Housing Clearinghouse of information on available, government subsidized housing accessible to disabled persons and available privately owned housing accessible to disabled persons. The information shall include but not be limited to the location, rental requirements, access features and proximity to public transportation of available housing. The Clearinghouse shall consist of at least a computerized database for the storage and retrieval of information and a separate or shared toll free telephone number for use by those seeking information from the Clearinghouse. Department offices and personnel throughout the State shall also assist in the operation of the Statewide Housing Clearinghouse. Cooperation with local, State and federal housing managers shall be sought and extended in order to frequently and promptly update the Clearinghouse's information.

(m) To assure that the names and case records of persons who received or are receiving services from the Department, including persons receiving vocational rehabilitation, home services, or other services, and those attending one of the Department's schools or other supervised facility shall be confidential and not be open to the general public. Those case records and reports or the information contained in those records and reports shall be disclosed by the Director only to proper law enforcement officials, individuals authorized by a court, the General Assembly or any committee or commission of the General Assembly, and other persons and for reasons as the Director designates by rule. Disclosure by the Director may be only in accordance with other applicable law.

Section 99. Effective date. This Act takes effect upon becoming law.

Passed in the General Assembly January 6, 2013.
Approved January 29, 2013.
Effective January 29, 2013.

PUBLIC ACT 97-1159
(House Bill No. 5019)

AN ACT concerning regulation.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 1. Purpose; intent.

New matter indicated by italics - deletions by strikeout
(a) Public Act 97-849, "AN ACT concerning business", was approved July 25, 2012. Public Act 97-849 contained an effective date Section providing that the Act takes effect on January 1, 2013.

(b) The purpose of this Act is to delay the effective date of the amendatory provisions contained in Sections 10, 15, and 25 of Public Act 97-849 until the effective date of the federal regulations implementing Sections 1431, 1432, and 1433 of the federal Dodd-Frank Wall Street Reform and Consumer Protection Act.

(c) This Act is not intended to repeal, even temporarily, any statute that was changed by Sections 10, 15, and 25 of Public Act 97-849; rather, it is the intent of the General Assembly to render the changes to those statutes by Public Act 97-849 inoperative until the effective date of the federal regulations implementing Sections 1431, 1432, and 1433 of the federal Dodd-Frank Wall Street Reform and Consumer Protection Act.

(d) This Act also makes substantive changes to the Code of Civil Procedure unrelated to Public Act 97-849, specifically by amending certain provisions of Section 15-1508 concerning the Making Home Affordable Program.

Section 5. The Code of Civil Procedure is amended by changing Section 15-1508 as follows:

(735 ILCS 5/15-1508) (from Ch. 110, par. 15-1508)
(a) The person conducting the sale shall promptly make a report to the court, which report shall include a copy of all receipts and, if any, certificate of sale.

(b) Upon motion and notice in accordance with court rules applicable to motions generally, which motion shall not be made prior to sale, the court shall conduct a hearing to confirm the sale. Unless the court finds that (i) a notice required in accordance with subsection (c) of Section 15-1507 was not given, (ii) the terms of sale were unconscionable, (iii) the sale was conducted fraudulently, or (iv) justice was otherwise not done, the court shall then enter an order confirming the sale. The confirmation order shall include a name, address, and telephone number of the holder of the certificate of sale or deed issued pursuant to that certificate or, if no certificate or deed was issued, the purchaser, whom a municipality or county may contact with concerns about the real estate. The confirmation order may also:

(1) Approve the mortgagee's fees and costs arising between the entry of the judgment of foreclosure and the confirmation

New matter indicated by italics - deletions by strikeout
(2) provide for a personal judgment against any party for a deficiency; and

(3) determine the priority of the judgments of parties who deferred proving the priority pursuant to subsection (h) of Section 15-1506, but the court shall not defer confirming the sale pending the determination of such priority.

(b-5) Notice with respect to residential real estate. With respect to residential real estate, the notice required under subsection (b) of this Section shall be sent to the mortgagor even if the mortgagor has previously been held in default. In the event the mortgagor has filed an appearance, the notice shall be sent to the address indicated on the appearance. In all other cases, the notice shall be sent to the mortgagor at the common address of the foreclosed property. The notice shall be sent by first class mail. Unless the right to possession has been previously terminated by the court, the notice shall include the following language in 12-point boldface capitalized type:

IF YOU ARE THE MORTGAGOR (HOMEOWNER), YOU HAVE THE RIGHT TO REMAIN IN POSSESSION FOR 30 DAYS AFTER ENTRY OF AN ORDER OF POSSESSION, IN ACCORDANCE WITH SECTION 15-1701(c) OF THE ILLINOIS MORTGAGE FORECLOSURE LAW.

(b-10) Notice of confirmation order sent to municipality or county. A copy of the confirmation order required under subsection (b) shall be sent to the municipality in which the foreclosed property is located, or to the county within the boundary of which the foreclosed property is located if the foreclosed property is located in an unincorporated territory. A municipality or county must clearly publish on its website a single address to which such notice shall be sent. If a municipality or county does not maintain a website, then the municipality or county must publicly post in its main office a single address to which such notice shall be sent. In the event that a municipality or county has not complied with the publication requirement in this subsection (b-10), then such notice to the municipality or county shall be provided pursuant to Section 2-211 of the Code of Civil Procedure.

(c) Failure to Give Notice. If any sale is held without compliance with subsection (c) of Section 15-1507 of this Article, any party entitled to the notice provided for in paragraph (3) of that subsection (c) who was not
so notified may, by motion supported by affidavit made prior to confirmation of such sale, ask the court which entered the judgment to set aside the sale. Any such party shall guarantee or secure by bond a bid equal to the successful bid at the prior sale, unless the party seeking to set aside the sale is the mortgagor, the real estate sold at the sale is residential real estate, and the mortgagor occupies the residential real estate at the time the motion is filed. In that event, no guarantee or bond shall be required of the mortgagor. Any subsequent sale is subject to the same notice requirement as the original sale.

(d) Validity of Sale. Except as provided in subsection (c) of Section 15-1508, no sale under this Article shall be held invalid or be set aside because of any defect in the notice thereof or in the publication of the same, or in the proceedings of the officer conducting the sale, except upon good cause shown in a hearing pursuant to subsection (b) of Section 15-1508. At any time after a sale has occurred, any party entitled to notice under paragraph (3) of subsection (c) of Section 15-1507 may recover from the mortgagee any damages caused by the mortgagee's failure to comply with such paragraph (3). Any party who recovers damages in a judicial proceeding brought under this subsection may also recover from the mortgagee the reasonable expenses of litigation, including reasonable attorney's fees.

(d-5) Making Home Affordable Program. The court that entered the judgment shall set aside a sale held pursuant to Section 15-1507, upon motion of the mortgagor at any time prior to the confirmation of the sale, if the mortgagor proves by a preponderance of the evidence that (i) the mortgagor has applied for assistance under the Making Home Affordable Program established by the United States Department of the Treasury pursuant to the Emergency Economic Stabilization Act of 2008, as amended by the American Recovery and Reinvestment Act of 2009, and (ii) the mortgaged real estate was sold in material violation of the program's requirements for proceeding to a judicial sale. The provisions of this subsection (d-5), except for this sentence, shall become inoperative on January 1, 2014 for all actions filed under this Article after December 31, 2013, in which the mortgagor did not apply for assistance under the Making Home Affordable Program on or before December 31, 2013.

(e) Deficiency Judgment. In any order confirming a sale pursuant to the judgment of foreclosure, the court shall also enter a personal judgment for deficiency against any party (i) if otherwise authorized and

New matter indicated by italics - deletions by strikeout
(ii) to the extent requested in the complaint and proven upon presentation of the report of sale in accordance with Section 15-1508. Except as otherwise provided in this Article, a judgment may be entered for any balance of money that may be found due to the plaintiff, over and above the proceeds of the sale or sales, and enforcement may be had for the collection of such balance, the same as when the judgment is solely for the payment of money. Such judgment may be entered, or enforcement had, only in cases where personal service has been had upon the persons personally liable for the mortgage indebtedness, unless they have entered their appearance in the foreclosure action.

(f) Satisfaction. Upon confirmation of the sale, the judgment stands satisfied to the extent of the sale price less expenses and costs. If the order confirming the sale includes a deficiency judgment, the judgment shall become a lien in the manner of any other judgment for the payment of money.

(g) The order confirming the sale shall include, notwithstanding any previous orders awarding possession during the pendency of the foreclosure, an award to the purchaser of possession of the mortgaged real estate, as of the date 30 days after the entry of the order, against the parties to the foreclosure whose interests have been terminated.

An order of possession authorizing the removal of a person from possession of the mortgaged real estate shall be entered and enforced only against those persons personally named as individuals in the complaint or the petition under subsection (h) of Section 15-1701 and in the order of possession and shall not be entered and enforced against any person who is only generically described as an unknown owner or nonrecord claimant or by another generic designation in the complaint.

Notwithstanding the preceding paragraph, the failure to personally name, include, or seek an award of possession of the mortgaged real estate against a person in the confirmation order shall not abrogate any right that the purchaser may have to possession of the mortgaged real estate and to maintain a proceeding against that person for possession under Article 9 of this Code or subsection (h) of Section 15-1701; and possession against a person who (1) has not been personally named as a party to the foreclosure and (2) has not been provided an opportunity to be heard in the foreclosure proceeding may be sought only by maintaining a proceeding under Article 9 of this Code or subsection (h) of Section 15-1701.

PUBLIC ACT 97-1160
(House Bill No. 1864)

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Public Community College Act is amended by changing Section 2-16.02 as follows:

(110 ILCS 805/2-16.02) (from Ch. 122, par. 102-16.02)

Sec. 2-16.02. Grants. Any community college district that maintains a community college recognized by the State Board shall receive, when eligible, grants enumerated in this Section. Funded semester credit hours or other measures or both as specified by the State Board shall be used to distribute grants to community colleges. Funded semester credit hours shall be defined, for purposes of this Section, as the greater of (1)
the number of semester credit hours, or equivalent, in all funded instructional categories of students who have been certified as being in attendance at midterm during the respective terms of the base fiscal year or (2) the average of semester credit hours, or equivalent, in all funded instructional categories of students who have been certified as being in attendance at midterm during the respective terms of the base fiscal year and the 2 prior fiscal years. For purposes of this Section, "base fiscal year" means the fiscal year 2 years prior to the fiscal year for which the grants are appropriated. Such students shall have been residents of Illinois and shall have been enrolled in courses that are part of instructional program categories approved by the State Board and that are applicable toward an associate degree or certificate. Courses that are eligible for reimbursement are those courses for which the district pays 50% or more of the program costs from unrestricted revenue sources, with the exception of courses offered by contract with the Department of Corrections in correctional institutions. For the purposes of this Section, "unrestricted revenue sources" means those revenues in which the provider of the revenue imposes no financial limitations upon the district as it relates to the expenditure of the funds. Base operating grants shall be paid based on rates per funded semester credit hour or equivalent calculated by the State Board for funded instructional categories using cost of instruction, enrollment, inflation, and other relevant factors. A portion of the base operating grant shall be allocated on the basis of non-residential gross square footage of space maintained by the district.

Equalization grants shall be calculated by the State Board by determining a local revenue factor for each district by: (A) adding (1) each district's Corporate Personal Property Replacement Fund allocations from the base fiscal year or the average of the base fiscal year and prior year, whichever is less, divided by the applicable statewide average tax rate to (2) the district's most recently audited year's equalized assessed valuation or the average of the most recently audited year and prior year, whichever is less, (B) then dividing by the district's audited full-time equivalent resident students for the base fiscal year or the average for the base fiscal year and the 2 prior fiscal years, whichever is greater, and (C) then multiplying by the applicable statewide average tax rate. The State Board shall calculate a statewide weighted average threshold by applying the same methodology to the totals of all districts' Corporate Personal Property Tax Replacement Fund allocations, equalized assessed valuations, and audited full-time equivalent district resident students and multiplying by

New matter indicated by italics - deletions by strikeout
the applicable statewide average tax rate. The difference between the statewide weighted average threshold and the local revenue factor, multiplied by the number of full-time equivalent resident students, shall determine the amount of equalization funding that each district is eligible to receive. A percentage factor, as determined by the State Board, may be applied to the statewide threshold as a method for allocating equalization funding. A minimum equalization grant of an amount per district as determined by the State Board shall be established for any community college district which qualifies for an equalization grant based upon the preceding criteria, but becomes ineligible for equalization funding, or would have received a grant of less than the minimum equalization grant, due to threshold prorations applied to reduce equalization funding. As of July 1, 2013, a community college district eligible to receive an equalization grant based upon the preceding criteria must maintain a minimum required combined in-district tuition and universal fee rate per semester credit hour equal to 70% of the State-average combined rate, as determined by the State Board, or the total revenue received by the community college district from combined in-district tuition and universal fees must be at least 30% of the total revenue received by the community college district, as determined by the State Board, for equalization funding. As of July 1, 2004, a community college district must maintain a minimum required operating tax rate equal to at least 95% of its maximum authorized tax rate to qualify for equalization funding. This 95% minimum tax rate requirement shall be based upon the maximum operating tax rate as limited by the Property Tax Extension Limitation Law.

The State Board shall distribute such other grants as may be authorized or appropriated by the General Assembly.

Each community college district entitled to State grants under this Section must submit a report of its enrollment to the State Board not later than 30 days following the end of each semester, quarter, or term in a format prescribed by the State Board. These semester credit hours, or equivalent, shall be certified by each district on forms provided by the State Board. Each district's certified semester credit hours, or equivalent, are subject to audit pursuant to Section 3-22.1.

The State Board shall certify, prepare, and submit monthly vouchers to the State Comptroller setting forth an amount equal to one-twelfth of the grants approved by the State Board for base operating grants and equalization grants. The State Board shall prepare and submit to the State Comptroller vouchers for payments of other grants as appropriated.

New matter indicated by italics - deletions by strikeout
by the General Assembly. If the amount appropriated for grants is different from the amount provided for such grants under this Act, the grants shall be proportionately reduced or increased accordingly.

For the purposes of this Section, "resident student" means a student in a community college district who maintains residency in that district or meets other residency definitions established by the State Board, and who was enrolled either in one of the approved instructional program categories in that district, or in another community college district to which the resident's district is paying tuition under Section 6-2 or with which the resident's district has entered into a cooperative agreement in lieu of such tuition.

For the purposes of this Section, a "full-time equivalent" student is equal to 30 semester credit hours.

The Illinois Community College Board Contracts and Grants Fund is hereby created in the State Treasury. Items of income to this fund shall include any grants, awards, endowments, or like proceeds, and where appropriate, other funds made available through contracts with governmental, public, and private agencies or persons. The General Assembly shall from time to time make appropriations payable from such fund for the support, improvement, and expenses of the State Board and Illinois community college districts.

(735 ILCS 5/15-1108 new)

Sec. 15-1108. Declaration of policy relating to abandoned residential property. The following findings directly relate to the changes made by this amendatory Act of the 97th General Assembly. The General
Assembly finds that residential mortgage foreclosures and the abandoned properties that sometimes follow create enormous challenges for Illinois residents, local governments, and the courts, reducing neighboring property values, reducing the tax base, increasing crime, placing neighbors at greater risk of foreclosure, imposing additional costs on local governments, and increasing the burden on the courts of this State; conversely, maintaining and securing abandoned properties stabilizes property values and the tax base, decreases crime, reduces the risk of foreclosure for nearby properties, thus reducing costs for local governments and making a substantial contribution to the operation and maintenance of the courts of this State by reducing the volume of matters which burden the court system in this State. The General Assembly further finds that the average foreclosure case for residential property takes close to 2 years in Illinois; when a property is abandoned, the lengthy foreclosure process harms lien-holders, neighbors, and local governments, and imposes significant and unnecessary burdens on the courts of this State; and an expedited foreclosure process for abandoned residential property can also help the courts of this State by decreasing the volume of foreclosure cases and allowing these cases to proceed more efficiently through the court system. The General Assembly further finds that housing counseling has proven to be an effective way to help many homeowners find alternatives to foreclosure; and that housing counseling therefore also reduces the volume of matters which burden the court system in this State and allows the courts to more efficiently handle the burden of foreclosure cases.

Sec. 15-1200.7. Abandoned residential property; exceptions. A property shall not be considered abandoned residential property if: (i) there is an unoccupied building which is undergoing construction, renovation, or rehabilitation that is proceeding diligently to completion, and the building is in substantial compliance with all applicable ordinances, codes, regulations, and laws; (ii) there is a building occupied on a seasonal basis, but otherwise secure; (iii) there is a secure building on which there are bona fide rental or sale signs; (iv) there is a building that is secure, but is the subject of a probate action, action to quiet title, or other ownership dispute; or (v) there is a building that is otherwise secure and in substantial compliance with all applicable ordinances, codes, regulations, and laws.

Sec. 15-1219. Residential Real Estate. "Residential real estate" means any real estate, except a single tract of agricultural real estate consisting of more than 40 acres, which is improved with a single family residence or residential condominium units or a multiple dwelling structure containing single family dwelling units for six or fewer families living independently of each other, which residence, or at least one of which condominium or dwelling units, is occupied as a principal residence either (i) if a mortgagor is an individual, by that mortgagor, that mortgagor's spouse or that mortgagor's descendants, or (ii) if a mortgagor is a trustee of a trust or an executor or administrator of an estate, by a beneficiary of that trust or estate or by such beneficiary's spouse or descendants or (iii) if a mortgagor is a corporation, by persons owning collectively at least 50 percent of the shares of voting stock of such corporation or by a spouse or descendants of such persons. The use of a portion of residential real estate for non-residential purposes shall not affect the characterization of such real estate as residential real estate. For purposes of the definition of the term "abandoned residential property" in Section 15-1200.5 of this Article, "abandoned residential property" shall not include the requirement that the real estate be occupied, or if zoned for residential development, improved with a dwelling structure.

recorded in the county in which the mortgaged real estate is located shall
be constructive notice of the pendency of the foreclosure to every person
claiming an interest in or lien on the mortgaged real estate, whose interest
or lien has not been recorded prior to the recording of such notice of
foreclosure. Such notice of foreclosure must be executed by any party or
any party's attorney and shall include (i) the names of all plaintiffs and the
case number, (ii) the court in which the action was brought, (iii) the names
of title holders of record, (iv) a legal description of the real estate
sufficient to identify it with reasonable certainty, (v) a common address or
description of the location of the real estate and (vi) identification of the
mortgage sought to be foreclosed. An incorrect common address or
description of the location, or an immaterial error in the identification of a
plaintiff or title holder of record, shall not invalidate the lis pendens effect
of the notice under this Section. A notice which complies with this Section
shall be deemed to comply with Section 2-1901 of the Code of Civil
Procedure and shall have the same effect as a notice filed pursuant to that
Section; however, a notice which complies with Section 2-1901 shall not
be constructive notice unless it also complies with the requirements of this
Section.

(b) With respect to residential real estate, a copy of the notice of
foreclosure described in subsection (a) of Section 15-1503 shall be sent by
first class mail, postage prepaid, to the municipality within the boundary of
which the mortgaged real estate is located, or to the county within the
boundary of which the mortgaged real estate is located if the mortgaged
real estate is located in an unincorporated territory. A municipality or
county must clearly publish on its website a single address to which such
notice shall be sent. If a municipality or county does not maintain a
website, then the municipality or county must publicly post in its main
office a single address to which such notice shall be sent. In the event that
a municipality or county has not complied with the publication
requirement in this subsection (b), then the copy of the such notice to the
municipality or county shall be sent by first class mail, postage prepaid, to
the chairperson of the county board or county clerk in the case of a
county, to the mayor or city clerk in the case of a city, to the president of
the board of trustees or village clerk in the case of a village, or to the
president or town clerk in the case of a town provided pursuant to Section
2-211 of the Code of Civil Procedure. Additionally, if the real estate is
located in a city with a population of more than 2,000,000, regardless of
whether that city has complied with the publication requirement in this
subsection (b), the party must, within 10 days after filing the complaint or counterclaim: (i) send by first class mail, postage prepaid, a copy of the notice of foreclosure to the alderman for the ward in which the real estate is located and (ii) file an affidavit with the court attesting to the fact that the notice was sent to the alderman for the ward in which the real estate is located. The failure to send a copy of the notice to the alderman or to file an affidavit as required results in the dismissal without prejudice of the complaint or counterclaim on a motion of a party or the court. If, after the complaint or counterclaim has been dismissed without prejudice, the party refiles the complaint or counterclaim, then the party must again comply with the requirements that the party send by first class mail, postage prepaid, the notice to the alderman for the ward in which the real estate is located and file an affidavit attesting to the fact that the notice was sent.

(a) Report. The person conducting the sale shall promptly make a report to the court, which report shall include a copy of all receipts and, if any, certificate of sale.

(b) Hearing. Upon motion and notice in accordance with court rules applicable to motions generally, which motion shall not be made prior to sale, the court shall conduct a hearing to confirm the sale. Unless the court finds that (i) a notice required in accordance with subsection (c) of Section 15-1507 was not given, (ii) the terms of sale were unconscionable, (iii) the sale was conducted fraudulently, or (iv) justice was otherwise not done, the court shall then enter an order confirming the sale. The confirmation order shall include a name, address, and telephone number of the holder of the certificate of sale or deed issued pursuant to that certificate or, if no certificate or deed was issued, the purchaser, whom a municipality or county may contact with concerns about the real estate. The confirmation order may also:

New matter indicated by italics - deletions by strikeout
(1) approve the mortgagee's fees and costs arising between the entry of the judgment of foreclosure and the confirmation hearing, those costs and fees to be allowable to the same extent as provided in the note and mortgage and in Section 15-1504;

(2) provide for a personal judgment against any party for a deficiency; and

(3) determine the priority of the judgments of parties who deferred proving the priority pursuant to subsection (h) of Section 15-1506, but the court shall not defer confirming the sale pending the determination of such priority.

(b-3) Hearing to confirm sale of abandoned residential property. Upon motion and notice by first-class mail to the last known address of the mortgagor, which motion shall be made prior to the sale and heard by the court at the earliest practicable time after conclusion of the sale, and upon the posting at the property address of the notice required by paragraph (2) of subsection (l) of Section 15-1505.8, the court shall enter an order confirming the sale of the abandoned residential property, unless the court finds that a reason set forth in items (i) through (iv) of subsection (b) of this Section exists for not approving the sale, or an order is entered pursuant to subsection (h) of Section 15-1505.8. The confirmation order also may address the matters identified in items (1) through (3) of subsection (b) of this Section. The notice required under subsection (b-5) of this Section shall not be required.

(b-5) Notice with respect to residential real estate. With respect to residential real estate, the notice required under subsection (b) of this Section shall be sent to the mortgagor even if the mortgagor has previously been held in default. In the event the mortgagor has filed an appearance, the notice shall be sent to the address indicated on the appearance. In all other cases, the notice shall be sent to the mortgagor at the common address of the foreclosed property. The notice shall be sent by first class mail. Unless the right to possession has been previously terminated by the court, the notice shall include the following language in 12-point boldface capitalized type:

(b-10) Notice of confirmation order sent to municipality or county. A copy of the confirmation order required under subsection (b) shall be sent to the municipality in which the foreclosed property is located, or to the county within the boundary of which the foreclosed property is located if the foreclosed property is located in an unincorporated territory. A municipality or county must clearly publish on its website a single address to which a copy of the order such notice shall be sent. If a municipality or county does not maintain a website, then the municipality or county must publicly post in its main office a single address to which a copy of the order such notice shall be sent. In the event that a municipality or county has not complied with the publication requirement in this subsection (b-10), then a copy of the order such notice to the municipality or county shall be sent by first class mail, postage prepaid, to the chairperson of the county board or county clerk in the case of a county, to the mayor or city clerk in the case of a city, to the president of the board of trustees or village clerk in the case of a village, or to the president or town clerk in the case of a town provided pursuant to Section 2-211 of the Code of Civil Procedure.

(b-15) Notice of confirmation order sent to known insurers. With respect to residential real estate, the party filing the complaint shall send a copy of the confirmation order required under subsection (b) by first class mail, postage prepaid, to the last known property insurer of the foreclosed property. Failure to send or receive a copy of the order shall not impair or abrogate in any way the rights of the mortgagee or purchaser or affect the status of the foreclosure proceedings.

(c) Failure to Give Notice. If any sale is held without compliance with subsection (c) of Section 15-1507 of this Article, any party entitled to the notice provided for in paragraph (3) of that subsection (c) who was not so notified may, by motion supported by affidavit made prior to confirmation of such sale, ask the court which entered the judgment to set aside the sale. Any such party shall guarantee or secure by bond a bid equal to the successful bid at the prior sale, unless the party seeking to set aside the sale is the mortgagor, the real estate sold at the sale is residential real estate, and the mortgagor occupies the residential real estate at the time the motion is filed. In that event, no guarantee or bond shall be required of the mortgagor. Any subsequent sale is subject to the same notice requirement as the original sale.

(d) Validity of Sale. Except as provided in subsection (c) of Section 15-1508, no sale under this Article shall be held invalid or be set aside.

aside because of any defect in the notice thereof or in the publication of the same, or in the proceedings of the officer conducting the sale, except upon good cause shown in a hearing pursuant to subsection (b) of Section 15-1508. At any time after a sale has occurred, any party entitled to notice under paragraph (3) of subsection (c) of Section 15-1507 may recover from the mortgagee any damages caused by the mortgagee's failure to comply with such paragraph (3). Any party who recovers damages in a judicial proceeding brought under this subsection may also recover from the mortgagee the reasonable expenses of litigation, including reasonable attorney's fees.

(d-5) Making Home Affordable Program. The court that entered the judgment shall set aside a sale held pursuant to Section 15-1507, upon motion of the mortgagor at any time prior to the confirmation of the sale, if the mortgagor proves by a preponderance of the evidence that (i) the mortgagor has applied for assistance under the Making Home Affordable Program established by the United States Department of the Treasury pursuant to the Emergency Economic Stabilization Act of 2008, as amended by the American Recovery and Reinvestment Act of 2009, and (ii) the mortgaged real estate was sold in material violation of the program's requirements for proceeding to a judicial sale. The provisions of this subsection (d-5), except for this sentence, shall become inoperative on January 1, 2013 for all actions filed under this Article after December 31, 2012, in which the mortgagor did not apply for assistance under the Making Home Affordable Program on or before December 31, 2012.

(e) Deficiency Judgment. In any order confirming a sale pursuant to the judgment of foreclosure, the court shall also enter a personal judgment for deficiency against any party (i) if otherwise authorized and (ii) to the extent requested in the complaint and proven upon presentation of the report of sale in accordance with Section 15-1508. Except as otherwise provided in this Article, a judgment may be entered for any balance of money that may be found due to the plaintiff, over and above the proceeds of the sale or sales, and enforcement may be had for the collection of such balance, the same as when the judgment is solely for the payment of money. Such judgment may be entered, or enforcement had, only in cases where personal service has been had upon the persons personally liable for the mortgage indebtedness, unless they have entered their appearance in the foreclosure action.

(f) Satisfaction. Upon confirmation of the sale, the judgment stands satisfied to the extent of the sale price less expenses and costs. If the order
confirming the sale includes a deficiency judgment, the judgment shall become a lien in the manner of any other judgment for the payment of money.

(g) The order confirming the sale shall include, notwithstanding any previous orders awarding possession during the pendency of the foreclosure, an award to the purchaser of possession of the mortgaged real estate, as of the date 30 days after the entry of the order, against the parties to the foreclosure whose interests have been terminated.

An order of possession authorizing the removal of a person from possession of the mortgaged real estate shall be entered and enforced only against those persons personally named as individuals in the complaint or the petition under subsection (h) of Section 15-1701 and in the order of possession and shall not be entered and enforced against any person who is only generically described as an unknown owner or nonrecord claimant or by another generic designation in the complaint.

Notwithstanding the preceding paragraph, the failure to personally name, include, or seek an award of possession of the mortgaged real estate against a person in the confirmation order shall not abrogate any right that the purchaser may have to possession of the mortgaged real estate and to maintain a proceeding against that person for possession under Article 9 of this Code or subsection (h) of Section 15-1701; and possession against a person who (1) has not been personally named as a party to the foreclosure and (2) has not been provided an opportunity to be heard in the foreclosure proceeding may be sought only by maintaining a proceeding under Article 9 of this Code or subsection (h) of Section 15-1701.

(h) With respect to mortgaged real estate containing 5 or more dwelling units, the order confirming the sale shall also provide that (i) the mortgagor shall transfer to the purchaser the security deposits, if any, that the mortgagor received to secure payment of rent or to compensate for damage to the mortgaged real estate from any current occupant of a dwelling unit of the mortgaged real estate, as well as any statutory interest that has not been paid to the occupant, and (ii) the mortgagor shall provide an accounting of the security deposits that are transferred, including the name and address of each occupant for whom the mortgagor holds the deposit and the amount of the deposit and any statutory interest.

Such mortgage, when otherwise properly executed, shall be deemed and held a good and sufficient mortgage in fee to secure the payment of the moneys therein specified; and if the same contains the words "and warrants," the same shall be construed the same as if full covenants of ownership, good right to convey against incumbrances of quiet enjoyment and general warranty, as expressed in Section 9 of this Act were fully written therein; but if the words "and warrants" are omitted, no such covenants shall be implied. When the grantor or grantors in such deed or mortgage for the conveyance of any real estate desires to release or waive his, her or their homestead rights therein, they or either of them may release or waive the same by inserting in the form of deed or mortgage (as the case may be), provided in Sections 9, 10 and 11, after the words "State of Illinois," in substance the following words, "hereby releasing and waiving all rights under and by virtue of the homestead exemption laws of this State."

Mortgages securing "reverse mortgage" loans shall be subject to this Section except where requirements concerning the definiteness of the term and amount of indebtedness provisions of a mortgage would be inconsistent with the Acts authorizing "reverse mortgage" loans, or rules and regulations promulgated under those Acts.

Mortgages securing "revolving credit" loans shall be subject to this Section.

(b) The provisions of subsection (a) regarding the form of a mortgage are, and have always been, permissive and not mandatory. Accordingly, the failure of an otherwise lawfully executed and recorded mortgage to be in the form described in subsection (a) in one or more respects, including the failure to state the interest rate or the maturity date, or both, shall not affect the validity or priority of the mortgage, nor shall its recordation be ineffective for notice purposes regardless of when the mortgage was recorded.

If the court grants relief, the court shall notify the Department of State Police that the disability has been removed and that the applicant is eligible to obtain a Firearm Owner's Identification Card.

(2) For court reporters employed by the 12th, 18th, 19th, and, on and after December 4, 2006, the 22nd judicial circuits, a group consisting of the chief judges of those circuits, acting jointly by majority vote, is the public employer and employer representative.

(3) For court reporters employed by all other judicial circuits, a group consisting of the chief judges of those circuits, acting jointly by majority vote, is the public employer and employer representative.

(p) "Security employee" means an employee who is responsible for the supervision and control of inmates at correctional facilities. The term

New matter indicated by italics - deletions by strikeout
also includes other non-security employees in bargaining units having the majority of employees being responsible for the supervision and control of inmates at correctional facilities.

(q) "Short-term employee" means an employee who is employed for less than 2 consecutive calendar quarters during a calendar year and who does not have a reasonable assurance that he or she will be rehired by the same employer for the same service in a subsequent calendar year.

(q-5) "State agency" means an agency directly responsible to the Governor, as defined in Section 3.1 of the Executive Reorganization Implementation Act, and the Illinois Commerce Commission, the Illinois Workers' Compensation Commission, the Civil Service Commission, the Pollution Control Board, the Illinois Racing Board, and the Department of State Police Merit Board.

(r) "Supervisor" is:

(1) An employee whose principal work is substantially different from that of his or her subordinates and who has authority, in the interest of the employer, to hire, transfer, suspend, lay off, recall, promote, discharge, direct, reward, or discipline employees, to adjust their grievances, or to effectively recommend any of those actions, if the exercise of that authority is not of a merely routine or clerical nature, but requires the consistent use of independent judgment. Except with respect to police employment, the term "supervisor" includes only those individuals who devote a preponderance of their employment time to exercising that authority, State supervisors notwithstanding. Nothing in this definition prohibits an individual from also meeting the definition of "managerial employee" under subsection (j) of this Section. In addition, in determining supervisory status in police employment, rank shall not be determinative. The Board shall consider, as evidence of bargaining unit inclusion or exclusion, the common law enforcement policies and relationships between police officer ranks and certification under applicable civil service law, ordinances, personnel codes, or Division 2.1 of Article 10 of the Illinois Municipal Code, but these factors shall not be the sole or predominant factors considered by the Board in determining police supervisory status.

Notwithstanding the provisions of the preceding paragraph, in determining supervisory status in fire fighter employment, no fire fighter shall be excluded as a supervisor who has established
representation rights under Section 9 of this Act. Further, in new fire fighter units, employees shall consist of fire fighters of the rank of company officer and below. If a company officer otherwise qualifies as a supervisor under the preceding paragraph, however, he or she shall not be included in the fire fighter unit. If there is no rank between that of chief and the highest company officer, the employer may designate a position on each shift as a Shift Commander, and the persons occupying those positions shall be supervisors. All other ranks above that of company officer shall be supervisors.

(2) With respect only to State employees in positions under the jurisdiction of the Attorney General, Secretary of State, Comptroller, or Treasurer (i) that were certified in a bargaining unit on or after December 2, 2008, (ii) for which a petition is filed with the Illinois Public Labor Relations Board on or after the effective date of this amendatory Act of the 97th General Assembly, or (iii) for which a petition is pending before the Illinois Public Labor Relations Board on that date, an employee who qualifies as a supervisor under (A) Section 152 of the National Labor Relations Act and (B) orders of the National Labor Relations Board interpreting that provision or decisions of courts reviewing decisions of the National Labor Relations Board.

(s) (1) "Unit" means a class of jobs or positions that are held by employees whose collective interests may suitably be represented by a labor organization for collective bargaining. Except with respect to non-State fire fighters and paramedics employed by fire departments and fire protection districts, non-State peace officers, and peace officers in the Department of State Police, a bargaining unit determined by the Board shall not include both employees and supervisors, or supervisors only, except as provided in paragraph (2) of this subsection (s) and except for bargaining units in existence on July 1, 1984 (the effective date of this Act). With respect to non-State fire fighters and paramedics employed by fire departments and fire protection districts, non-State peace officers, and peace officers in the Department of State Police, a bargaining unit determined by the Board shall not include both supervisors and nonsupervisors, or supervisors only, except as provided in paragraph (2) of this subsection (s) and except for bargaining units in existence on January 1, 1986 (the effective date of this
amendatory Act of 1985). A bargaining unit determined by the Board to contain peace officers shall contain no employees other than peace officers unless otherwise agreed to by the employer and the labor organization or labor organizations involved. Notwithstanding any other provision of this Act, a bargaining unit, including a historical bargaining unit, containing sworn peace officers of the Department of Natural Resources (formerly designated the Department of Conservation) shall contain no employees other than such sworn peace officers upon the effective date of this amendatory Act of 1990 or upon the expiration date of any collective bargaining agreement in effect upon the effective date of this amendatory Act of 1990 covering both such sworn peace officers and other employees.

(2) Notwithstanding the exclusion of supervisors from bargaining units as provided in paragraph (1) of this subsection (s), a public employer may agree to permit its supervisory employees to form bargaining units and may bargain with those units. This Act shall apply if the public employer chooses to bargain under this subsection.

(3) Public employees who are court reporters, as defined in the Court Reporters Act, shall be divided into 3 units for collective bargaining purposes. One unit shall be court reporters employed by the Cook County Judicial Circuit; one unit shall be court reporters employed by the 12th, 18th, 19th, and, on and after December 4, 2006, the 22nd judicial circuits; and one unit shall be court reporters employed by all other judicial circuits.

(t) "Active petition for certification in a bargaining unit" means a petition for certification filed with the Board under one of the following case numbers: S-RC-11-110; S-RC-11-098; S-UC-11-080; S-RC-11-086; S-RC-11-074; S-RC-11-076; S-RC-11-078; S-UC-11-052; S-UC-11-054; S-RC-11-062; S-RC-11-060; S-RC-11-042; S-RC-11-014; S-RC-11-016; S-RC-11-020; S-RC-11-030; S-RC-11-004; S-RC-10-244; S-RC-10-228; S-RC-10-222; S-RC-10-220; S-RC-10-214; S-RC-10-196; S-RC-10-194; S-RC-10-178; S-RC-10-176; S-RC-10-162; S-RC-10-156; S-RC-10-088; S-RC-10-074; S-RC-10-076; S-RC-10-078; S-RC-10-060; S-RC-10-070; S-RC-10-044; S-RC-10-038; S-RC-10-040; S-RC-10-042; S-RC-10-018; S-RC-10-024; S-RC-10-004; S-RC-10-006; S-RC-10-008; S-RC-10-010; S-RC-10-012; S-RC-09-202; S-RC-09-182; S-RC-09-180; S-RC-09-156;

Sec. 6. Right to organize and bargain collectively; exclusive representation; and fair share arrangements.

(a) Employees of the State and any political subdivision of the State, excluding employees of the General Assembly of the State of Illinois and employees excluded from the definition of "public employee" under subsection (n) of Section 3 of this Act, have, and are protected in the exercise of, the right of self-organization, and may form, join or assist any labor organization, to bargain collectively through representatives of their own choosing on questions of wages, hours and other conditions of employment, not excluded by Section 4 of this Act, and to engage in other concerted activities not otherwise prohibited by law for the purposes of collective bargaining or other mutual aid or protection, free from interference, restraint or coercion. Employees also have, and are protected in the exercise of, the right to refrain from participating in any such concerted activities. Employees may be required, pursuant to the terms of a lawful fair share agreement, to pay a fee which shall be their proportionate share of the costs of the collective bargaining process, contract administration and pursuing matters affecting wages, hours and other conditions of employment as defined in Section 3(g).

(b) Nothing in this Act prevents an employee from presenting a grievance to the employer and having the grievance heard and settled without the intervention of an employee organization; provided that the exclusive bargaining representative is afforded the opportunity to be present at such conference and that any settlement made shall not be inconsistent with the terms of any agreement in effect between the employer and the exclusive bargaining representative.

(c) A labor organization designated by the Board as the representative of the majority of public employees in an appropriate unit in accordance with the procedures herein or recognized by a public employer as the representative of the majority of public employees in an appropriate unit is the exclusive representative for the employees of such unit for the purpose of collective bargaining with respect to rates of pay, wages, hours and other conditions of employment not excluded by Section 4 of this Act. A public employer is required upon request to furnish the exclusive bargaining representative with a complete list of the names and addresses

New matter indicated by italics - deletions by strikeout
of the public employees in the bargaining unit, provided that a public employer shall not be required to furnish such a list more than once per payroll period. The exclusive bargaining representative shall use the list exclusively for bargaining representation purposes and shall not disclose any information contained in the list for any other purpose. Nothing in this Section, however, shall prohibit a bargaining representative from disseminating a list of its union members.

(d) Labor organizations recognized by a public employer as the exclusive representative or so designated in accordance with the provisions of this Act are responsible for representing the interests of all public employees in the unit. Nothing herein shall be construed to limit an exclusive representative's right to exercise its discretion to refuse to process grievances of employees that are unmeritorious.

(e) When a collective bargaining agreement is entered into with an exclusive representative, it may include in the agreement a provision requiring employees covered by the agreement who are not members of the organization to pay their proportionate share of the costs of the collective bargaining process, contract administration and pursuing matters affecting wages, hours and conditions of employment, as defined in Section 3(g), but not to exceed the amount of dues uniformly required of members. The organization shall certify to the employer the amount constituting each nonmember employee's proportionate share which shall not exceed dues uniformly required of members. In such case, the proportionate share payment in this Section shall be deducted by the employer from the earnings of the nonmember employees and paid to the employee organization.

(f) Only the exclusive representative may negotiate provisions in a collective bargaining agreement providing for the payroll deduction of labor organization dues, fair share payment, initiation fees and assessments. Except as provided in subsection (e) of this Section, any such deductions shall only be made upon an employee's written authorization, and continued until revoked in writing in the same manner or until the termination date of an applicable collective bargaining agreement. Such payments shall be paid to the exclusive representative.

Where a collective bargaining agreement is terminated, or continues in effect beyond its scheduled expiration date pending the negotiation of a successor agreement or the resolution of an impasse under Section 14, the employer shall continue to honor and abide by any dues deduction or fair share clause contained therein until a new agreement is
reached including dues deduction or a fair share clause. For the benefit of any successor exclusive representative certified under this Act, this provision shall be applicable, provided the successor exclusive representative:

(i) certifies to the employer the amount constituting each non-member's proportionate share under subsection (e); or
(ii) presents the employer with employee written authorizations for the deduction of dues, assessments, and fees under this subsection.

Failure to so honor and abide by dues deduction or fair share clauses for the benefit of any exclusive representative, including a successor, shall be a violation of the duty to bargain and an unfair labor practice.

(g) Agreements containing a fair share agreement must safeguard the right of nonassociation of employees based upon bona fide religious tenets or teachings of a church or religious body of which such employees are members. Such employees may be required to pay an amount equal to their fair share, determined under a lawful fair share agreement, to a nonreligious charitable organization mutually agreed upon by the employees affected and the exclusive bargaining representative to which such employees would otherwise pay such service fee. If the affected employees and the bargaining representative are unable to reach agreement on the matter, the Board may establish an approved list of charitable organizations to which such payments may be made.

Sec. 6.1. Gubernatorial designation of certain public employment positions as excluded from collective bargaining.

(a) Notwithstanding any provision of this Act to the contrary, the Governor is authorized to designate up to 3,580 State employment positions collectively within State agencies directly responsible to the Governor, and, upon designation, those positions and employees in those positions, if any, are hereby excluded from the self-organization and collective bargaining provisions of Section 6 of this Act. Only those employment positions that have been certified in a bargaining unit on or after December 2, 2008, that have a pending petition for certification in a bargaining unit on the effective date of this amendatory Act of the 97th General Assembly, or that neither have been certified in a bargaining unit on or after December 2, 2008 nor have a pending petition for certification

in a bargaining unit on the effective date of this amendatory Act of the 97th General Assembly are eligible to be designated by the Governor under this Section. The Governor may not designate under this Section, however, more than 1,900 employment positions that have been certified in a bargaining unit on or after December 2, 2008.

(b) In order to properly designate a State employment position under this Section, the Governor shall provide in writing to the Board: the job title and job duties of the employment position; the name of the State employee currently in the employment position, if any; the name of the State agency employing the public employee; and the category under which the position qualifies for designation under this Section.

To qualify for designation under this Section, the employment position must meet one or more of the following requirements:

(1) it must authorize an employee in that position to act as a legislative liaison;
(2) it must have a title of, or authorize a person who holds that position to exercise substantially similar duties as an, Agency General Counsel, Agency Chief of Staff, Agency Executive Director, Agency Deputy Director, Agency Chief Fiscal Officer, Agency Human Resources Director, Senior Public Service Administrator, Public Information Officer, or Chief Information Officer;
(3) it must be a Rutan-exempt, as designated by the employer, position and completely exempt from jurisdiction B of the Personnel Code;
(4) it must be a term appointed position pursuant to Section 8b.18 or 8b.19 of the Personnel Code; or
(5) it must authorize an employee in that position to have significant and independent discretionary authority as an employee.

Within 60 days after the Governor makes a designation under this Section, the Board shall determine, in a manner that is consistent with the requirements of due process, whether the designation comports with the requirements of this Section.

(c) For the purposes of this Section, a person has significant and independent discretionary authority as an employee if he or she (i) is engaged in executive and management functions of a State agency and charged with the effectuation of management policies and practices of a State agency or represents management interests by taking or

New matter indicated by italics - deletions by strikeout
recommending discretionary actions that effectively control or implement the policy of a State agency or (ii) qualifies as a supervisor of a State agency as that term is defined under Section 152 of the National Labor Relations Act or any orders of the National Labor Relations Board interpreting that provision or decisions of courts reviewing decisions of the National Labor Relations Board.

(d) The Governor must exercise the authority afforded under this Section within 365 calendar days after the effective date of this amendatory Act of the 97th General Assembly. Any designation made by the Governor under this Section shall be presumed to have been properly made.

If the Governor chooses not to designate a position under this Section, then that decision does not preclude a State agency from otherwise challenging the certification of that position under this Act.

The qualifying categories set forth in paragraphs (1) through (5) of subsection (b) of this Section are operative and function solely within this Section and do not expand or restrict the scope of any other provision contained in this Act.

Section 95. Severability. The provisions of this Act are severable under Section 1.31 of the Statute on Statutes.

Section 99. Effective date. This Act takes effect upon becoming law.

Passed in the General Assembly January 8, 2013.
Approved April 5, 2013.
Effective April 5, 2013.

CONSTITUTIONAL AMENDMENT – ARTICLE XIII
SECTION 5.1

(Rep. Joint Resolution Constitutional Amendment No. 49)

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that there shall be submitted to the electors of the State for adoption or rejection at the general election next occurring at least 6 months after the adoption of this resolution a proposition to amend Article XIII of the Illinois Constitution by adding Section 5.1 as follows:

ARTICLE XIII
GENERAL PROVISIONS
SECTION 5.1. PENSION AND RETIREMENT BENEFIT INCREASES

(a) No bill, except a bill for appropriations, that provides a benefit increase under any pension or retirement system of the State, any unit of local government or school district, or any agency or instrumentality thereof, shall become law without the concurrence of three-fifths of the members elected to each house of the General Assembly. If the Governor vetoes such a bill by returning it with objections to the house in which it originated, the provisions of Article IV, Section 9 shall govern the passage of that bill except that such bill shall not become law unless, upon its return, it is passed by a record vote of two-thirds of the members elected to each house of the General Assembly. If the Governor returns such a bill with specific recommendations for change to the house in which it originated, the provisions of Article IV, Section 9 shall govern the acceptance of those specific recommendations except that such recommendations may be accepted only by a record vote of two-thirds of the members elected to each house of the General Assembly, regardless of the bill's date of passage or effective date.

For purposes of this subsection, the term "benefit increase" means a change to any pension or other law that results in a member of a pension or retirement system receiving a new benefit or an enhancement to a benefit, including, but not limited to, any changes that (i) increase the amount of the pension or annuity that a member could receive upon retirement, or (ii) reduce or eliminate the eligibility requirements or other terms or conditions a member must meet to receive a pension or annuity upon retirement. The
term "benefit increase" also means a change to any pension or other law that expands the class of persons who may become a member of any pension or retirement system or who may receive a pension or annuity from a pension or retirement system. An increase in salary or wage level, by itself, shall not constitute a "benefit increase" unless that increase exceeds limitations provided by law.

(b) No ordinance, resolution, rule, or other action of the governing body, or an appointee or employee of the governing body, of any unit of local government or school district that provides an emolument increase to an official or employee that has the effect of increasing the amount of the pension or annuity that an official or employee could receive as a member of a pension or retirement system shall be valid without the concurrence of three-fifths of the members of that governing body. For purposes of this subsection, the term "emolument increase" means the creation of a new or enhancement of an existing advantage, profit or gain that an official or employee receives by virtue of holding office or employment, including, but not limited to, compensated time off, bonuses, incentives, or other forms of compensation. An increase in salary or wage level, by itself, shall not constitute an "emolument increase" unless that increase exceeds limitations provided by law.

(c) No action of the governing body, or an appointee or employee of the governing body, of any pension or retirement system created or maintained for the benefit of officers or employees of the State, any unit of local government or school district, or any agency or instrumentality thereof that results in a beneficial determination shall be valid without the concurrence of three-fifths of the members of that governing body. For the purposes of this subsection, the term "beneficial determination" means an interpretation or application of pension or other law by the governing body, or an appointee or employee of the governing body, that reverses or supersedes a previous interpretation or application and either (i) results in an increase in the amount of the pension or annuity received by a member of the pension or retirement system or (ii) results in a person becoming eligible to receive a pension or annuity from the pension or retirement system. The term "beneficial determination" shall not include a beneficial determination mandated by a final decision of a court of competent jurisdiction.

(d) Nothing in this Section shall prevent the passage or adoption of any law, ordinance, resolution, rule, policy, or practice that further restricts the ability to provide a "benefit increase", "emolument increase", or "beneficial determination" as those terms are used under this Section.

SCHEDULE
This Constitutional Amendment takes effect on January 9, 2013.

(a) No bill, except a bill for appropriations, that provides a benefit increase under any pension or retirement system of the State, any unit of local government or school district, or any agency or instrumentality thereof, shall become law without the concurrence of three-fifths of the members elected to each house of the General Assembly. If the Governor vetoes such a bill by returning it with objections to the house in which it originated, the provisions of Article IV, Section 9 shall govern the passage of that bill except that such bill shall not become law unless, upon its return, it is passed by a record vote of two-thirds of the members elected to each house of the General Assembly. If the Governor returns such a bill with specific recommendations for change to the house in which it originated, the provisions of Article IV, Section 9 shall govern the acceptance of those specific recommendations except that such recommendations may be accepted only by a record vote of two-thirds of the members elected to each house of the General Assembly, regardless of the bill's date of passage or effective date.

For purposes of this subsection, the term "benefit increase" means a change to any pension or other law that results in a member of a pension or retirement system receiving a new benefit or an enhancement to a benefit, including, but not limited to, any changes that (i) increase the amount of the pension or annuity that a member could receive upon retirement, or (ii) reduce or eliminate the eligibility requirements or other terms or conditions a member must meet to receive a pension or annuity upon retirement. The term "benefit increase" also means a change to any pension or other law that expands the class of persons who may become a member of any pension or retirement system or who may receive a pension or annuity from a pension or retirement system. An increase in salary or wage level, by itself, shall not
constitute a "benefit increase" unless that increase exceeds limitations provided by law.

(b) No ordinance, resolution, rule, or other action of the governing body, or an appointee or employee of the governing body, of any unit of local government or school district that provides an emolument increase to an official or employee that has the effect of increasing the amount of the pension or annuity that an official or employee could receive as a member of a pension or retirement system shall be valid without the concurrence of three-fifths of the members of that governing body. For purposes of this subsection, the term "emolument increase" means the creation of a new or enhancement of an existing advantage, profit or gain that an official or employee receives by virtue of holding office or employment, including, but not limited to, compensated time off, bonuses, incentives, or other forms of compensation. An increase in salary or wage level, by itself, shall not constitute an "emolument increase" unless that increase exceeds limitations provided by law.

(c) No action of the governing body, or an appointee or employee of the governing body, of any pension or retirement system created or maintained for the benefit of officers or employees of the State, any unit of local government or school district, or any agency or instrumentality thereof that results in a beneficial determination shall be valid without the concurrence of three-fifths of the members of that governing body. For the purposes of this subsection, the term "beneficial determination" means an interpretation or application of pension or other law by the governing body, or an appointee or employee of the governing body, that reverses or supersedes a previous interpretation or application and either (i) results in an increase in the amount of the pension or annuity received by a member of the pension or retirement system or (ii) results in a person becoming eligible to receive a pension or annuity from the pension or retirement system. The term "beneficial determination" shall not include a beneficial determination mandated by a final decision of a court of competent jurisdiction.

(d) Nothing in this Section shall prevent the passage or adoption of any law, ordinance, resolution, rule, policy, or practice that further restricts the ability to provide a "benefit increase", "emolument increase", or "beneficial determination" as those terms are used under this Section.

PROPOSED AMENDMENT
TO ADD SECTION 5.1 TO ARTICLE XIII OF THE ILLINOIS CONSTITUTION
That will be submitted to the voters
November 6, 2012
This pamphlet includes
EXPLANATION OF THE PROPOSED AMENDMENT
ARGUMENTS IN FAVOR OF THE AMENDMENT
ARGUMENTS AGAINST THE AMENDMENT
FORM OF BALLOT
To the Electors of the State of Illinois:
The purpose of a state constitution is to establish a structure for government and laws. The Illinois Constitution: provides citizens with rights and protections; creates the executive, judicial, and legislative branches of government; clarifies the powers given to local governments; limits the taxing power of the State; and imposes certain restrictions on the use of taxpayer dollars. There are three ways to initiate change to the Illinois Constitution: (1) a constitutional convention may propose changes to any part; (2) the General Assembly may propose changes to any part; or (3) the people of the State by referendum may propose changes to the Legislative Article. Regardless of the method of initiating change, the people of Illinois must approve any changes of the Constitution before they become effective. The proposed amendment adds Section 5.1 to the General Provisions Article of the Illinois Constitution. The new section would require a three-fifths majority vote to approve any pension or retirement benefit increase for public employees and officials. At the general election to be held on November 6, 2012, you will be called upon to decide whether the proposed amendment should become part of the Illinois Constitution.
EXPLANATION
The proposed amendment adds a section to the Illinois Constitution requiring a three-fifths majority vote to approve any pension or retirement benefit increase for public employees and officials.

The proposed amendment requires a three-fifths vote of each chamber of the General Assembly (the Senate and the House of Representatives) for a bill that provides a pension benefit increase, except for appropriation bills. "Benefit increase" means a change to any pension or other law that results in a member of a pension or retirement system receiving a new benefit or an enhancement, including any changes that (i) increase the amount of a member's pension, or (ii) reduce or eliminate the eligibility requirements or other terms or conditions a member must meet to receive a pension. It also means a change to any pension or other law that expands the class of persons who may become members of any pension or retirement system. An increase
in salary or wage level, by itself, does not constitute a "benefit increase," unless the increase exceeds limitations provided by law.

The proposed amendment would also require a two-thirds vote for lawmakers to override a governor's veto or accept a governor's proposed changes in a rewrite of pension increase legislation. Currently, it takes a three-fifths vote to override a veto and only a simple majority to accept a governor's changes.

The proposed amendment requires approval of three-fifths of the members of the governing body of a unit of local government or school district for any ordinance, resolution, rule, or other action that provides an enhancement or emolument increase to an employee or officer that has the effect of increasing the pension of that employee or officer. "Emolument increase" means the creation of a new, or enhancement of an existing, advantage, profit, or gain that an official or employee receives by virtue of holding office or employment, which includes compensated time off, bonuses, incentives, or other forms of compensation. An increase in salary or wage level, by itself, does not constitute an "emolument increase," unless the increase exceeds limitations provided by law.

The proposed amendment requires approval of three-fifths of the members of the governing body of a pension or retirement system for any action that results in a "beneficial determination." A "beneficial determination" is an interpretation or application of law that reverses or supersedes a previous decision if that interpretation or application (i) results in an increase in the overall amount of pension benefits received by a member or (ii) results in a person becoming eligible to receive a pension. "Beneficial determination" does not include a final decision mandated by the courts.

Voters that believe the Illinois Constitution should be amended to require a three-fifths majority vote to approve any pension or retirement benefit increase for public employees and officials should vote "YES" on the question. Three-fifths of those voting on the question, or a majority of those voting in the election, must vote "YES" in order for the amendment to become effective. Voters that believe the Illinois Constitution should not be amended to require a three-fifths majority vote to approve any pension or retirement benefit increase for public employees and officials should vote "NO" on the question.

**Arguments in Favor of the Proposed Amendment**

1. A higher vote requirement would help prevent unfunded future liability for pension benefits.
2. Requiring a three-fifths vote would provide better accountability.
3. A three-fifths vote requires greater consensus among parties.

**Unfunded Liability**
Currently, the public retirement system is not financially stable and is significantly underfunded. A higher vote requirement to enact pension benefit increases will help to maintain fiscal responsibility and make it more difficult to further burden the public retirement system.

**Provide More Accountability**

The proposed amendment provides more accountability in the legislative process by requiring more votes to pass a pension benefit increase. Since the cost of benefit increases comes at a later date, the price to the taxpayers is not always noticed immediately. A higher vote requirement will signify to the governing body that they are taking a serious action and will encourage greater in-depth thought before passage.

**Greater Consensus**

A three-fifths vote requirement means the members of the governing body, regardless of political affiliation, will need to work together to reach an agreement. A greater consensus would provide for better decisions and more serious deliberation. Given the importance of pension benefit increases, and their subsequent impact on taxpayers, greater agreement would be beneficial.

**Arguments Against the Proposed Amendment**

(1) A higher vote requirement may limit the bargaining power of employers and employees.

(2) There is the possibility of disagreement on what constitutes a benefit increase.

(3) Requiring a supermajority for pension benefit increases could make it more difficult to recruit the best people to work in government service.

**Decreased Bargaining Power**

Many government employees are represented by labor unions that bargain on their behalf for particular benefits. This constitutional amendment may make it more difficult for unions to bargain for certain increased benefits for their employees. In addition, many government employers may prefer to bargain over these benefits to give incentives to employees to do their jobs well. This constitutional amendment could remove bargaining power from both the government employer and government employee.

**Possibility of Disagreement on Terms**

The proposed amendment creates new definitions for the terms "benefit increase," "emolument increase," and "beneficial determination," which are not defined in other statutes or in existing case law. These definitions could generate litigation, resulting in additional costs. There may also be disagreement amongst the governing body on whether a bill,
resolution, or other action constitutes a "benefit increase," "emolument increase," or "beneficial determination."

**Recruiting Employees for Government Jobs**

Like any employer, units of government wish to attract good employees. This constitutional amendment may make it more difficult for employers to increase benefits to employees and, therefore, make it harder to attract the best people to government service.

**FORM OF BALLOT**

Proposed Amendment to the 1970 Illinois Constitution

Explanation of Amendment

Upon approval by the voters, the proposed amendment, which takes effect on January 9, 2013, adds a new section to the General Provisions Article of the Illinois Constitution. The new section would require a three-fifths majority vote of each chamber of the General Assembly, or the governing body of a unit of local government, school district, or pension or retirement system, in order to increase a benefit under any public pension or retirement system. At the general election to be held on November 6, 2012, you will be called upon to decide whether the proposed amendment should become part of the Illinois Constitution.

If you believe the Illinois Constitution should be amended to require a three-fifths majority vote in order to increase a benefit under any public pension or retirement system, you should vote "YES" on the question. If you believe the Illinois Constitution should not be amended to require a three-fifths majority vote in order to increase a benefit under any public pension or retirement system, you should vote "NO" on the question. Three-fifths of those voting on the question or a majority of those voting in the election must vote "YES" in order for the amendment to become effective on January 9, 2013.

This Executive Order shall not affect the legality of any such rules in the Illinois Administrative Code. Any proposed rulings filed with the Secretary of State by HFS as they pertain to the Illinois Prescription Drug Discount Program, or any other function or program transferred to CMS by this Executive Order, that are pending in the rulemaking process on the effective date of this Executive Order shall be deemed to have been filed by CMS. CMS may propose and adopt under the Illinois Administrative Act such other rules of the Illinois Prescription Drug Discount Program, or any other function or program transferred to CMS by this Executive Order, subsequent to the effective date of this Executive Order.

C. Every person or entity shall be subject to the same obligations and duties and any penalties, civil or criminal, arising therefrom, and shall have the same rights arising from the exercise of such powers, duties, rights and responsibilities as had been exercised by the Transferring Agency or its divisions, officers or employees.

D. Every officer of the Receiving Agencies shall, for every offense, be subject to the same penalty or penalties, civil or criminal, as are prescribed by existing law for the same offense by any officer whose powers or duties were transferred under this Executive Order.

E. Whenever reports or notices are now required to be made or given or papers or documents furnished or served by any person to or upon the Transferring Agency in connection with any of the functions of the Programs transferred by this Executive Order, the same shall be made, given, furnished or served in the same manner to or upon the Receiving Agencies responsible for the Programs.

F. To the extent necessary or prudent to fully implement the intent of this Executive Order, CMS, DOC, DHS, DJJ, DVA and HFS may enter into one or more interagency agreements to ensure the full and appropriate transfer of all features of State Healthcare Purchasing transferred pursuant to this Executive Order.

G. This Executive Order shall not affect any act done, ratified or canceled or any right occurring or established or any action or proceeding had or commenced in an administrative, civil
or criminal cause regarding the Programs before this Executive Order takes effect; such actions or proceedings may be defended, prosecuted and continued by the Receiving Agencies responsible for the Programs.

WHEREAS, data.illinois.gov empowers the public to access and utilize public data collected and maintained by the State of Illinois and the Federal Government; and

WHEREAS, the State of Illinois is committed to be a national leader in improving access to public data sets for all citizens, and to encourage entrepreneurs and innovators to draw on this data for the benefit of all in the Land of Lincoln; and

WHEREAS, the State and municipalities of Illinois collect information and data on numerous topics including services available to the residents of the State of Illinois; and

WHEREAS, finding and utilizing government data that should be readily accessible is often burdensome for developers and the general public; and

WHEREAS, government information should be organized with consistency and should be freely available to everyone to use as they wish; and

WHEREAS, fully meeting the State's commitment to open data will require adoption of an open data operating standard and utilization of a cloud-based open data platform for the State's open data portal, coordinated strategic planning, where appropriate and feasible, by agencies as to enterprise application portfolio management, and will require the State making its open data portal available to all units of government within the State including, but not limited to, municipalities, counties and public universities statewide so that everyone may participate in the open data movement; and

THEREFORE, I, Pat Quinn, Governor of the State of Illinois, pursuant to the executive authority set forth in Article V of the Illinois Constitution, do hereby direct as follows:

I. CREATION-ESTABLISHING AN OPEN OPERATING STANDARD

There is hereby established an open operating standard (“Illinois Open Data”) for the State of Illinois. Under this open operating standard, each agency, or arm, of State government under the jurisdiction of the Governor -including any office, administration, department, division, bureau,
board, commission, advisory committee or other government entity performing a governmental function of the State of Illinois-will undertake best efforts to make available public data data sets of public information. In addition, the State CIO will designate, upon consultation with and approval of the Office of the Governor, a current employee of State government to act, in addition to his or her existing responsibilities, as the State Deputy Chief Information Officer for Open Data.

II. PURPOSE-POLICIES ESTABLISHED

A statewide policy of open data will streamline intra-governmental and inter-governmental communication and interoperability, permit the public to assist in identifying efficient solutions for government, promote innovative strategies for social progress and create economic opportunities.

This Order will:

(i) establish protocols for Illinois State agencies to make public data available online using open standards and a process establishing enterprise-wide IT management standards, policies and governance principles to enable the State to fully implement the open operating standard while managing existing information technology resources and capabilities with enhanced efficiency;
(ii) provide for coordinated strategic planning by agencies with respect to application modernization, IT and telecommunication policy, in pursuance of a consistent statewide enterprise portfolio strategy to maximize the amount of public data made available and ensure compliance with this Order; and
(iii) establish, in accordance with Executive Order 10 (2010), a policy, under which each State agency will evaluate cloud
computing options before making any new IT or telecom investments.

III. FUNCTION-PROTOCOL AND COMPLIANCE
A. Data Availability Protocol
   1. Adopting a Uniform Statewide Portal for Open Data
      The public data sets agencies make available on the Internet shall be accessible through a single web portal that is linked to data.illinois.gov or any successor website maintained by, or on behalf of, the State of Illinois. If an agency cannot make all such public data sets available on the single web portal the agency shall report to the Office of the State CIO which public data set or sets it is unable to make available, the reasons why it cannot do so, and the date by which the agency expects those data sets will be available on the single web portal.

   2. Establishing Technical Standards for Publicly Reporting Open Data
      i. Public data sets shall be made available in accordance with technical standards published by the Office of the State CIO, in consultation with the Deputy State Chief Information Officer for Open Data, subject matter experts in all state agencies, and representatives of external entities including, but not limited to, representatives of units of local government, not-for-profit organizations specializing in technology and innovation and representatives of the academic community. Data sets shall be in a format that permits automated processing and shall make use of appropriate technology to notify the public of all updates. The State CIO, in order to ensure successful effectuation of this Order, will establish appropriate policies, procedures and protocols for the coordinated management of the State's information technology resources. In addition, upon consultation with and approval of the Office of the Governor, the State CIO may designate one or more persons to comprise the staff of the Office of the State CIO in order to carry out the duties set forth in this Executive Order.
      ii. Public data sets shall be updated as often as is necessary to preserve the integrity and usefulness of
iii. Public data sets shall be made available without any registration requirement, license requirement or restrictions on their use provided that the department may require a third party providing to the public any public data set, or application utilizing such data set, to explicitly identify the source and version of the public data set and a description of any modifications made to such public data set. Registration requirements, license requirements or restrictions as used in this section shall not include measures required to ensure access to public data sets, to protect the single website housing public data sets from unlawful abuse or attempts to damage or impair use of the website, or to analyze the types of data being used to improve service delivery.

iv. Public data sets shall be accessible to external search capabilities.

B. Compliance Timeline

1. There is hereby established a timeline for compliance with agency open data standards.

2. Within 60 days of the effective date of this Order, the State CIO shall prepare and publish: (i) a technical standards manual for the publishing of public data sets in raw or unprocessed form through a single web portal by State agencies for the purpose of making public data available to the greatest number of users and for the greatest number of applications and shall, whenever practicable, use open standards for web publishing and e-government; and (ii) as needed, portfolio management policies for ensuring compliance with the requirements of this Executive Order. The manual shall identify the reasons why each technical standard was selected and for which types of data it is applicable, and may recommend or require that data be published in more than one technical standard. The manual shall include a plan to adopt or utilize a web application programming interface that permits application programs to request and receive public data sets directly from the web portal. The manual and related policies may be updated as necessary.
3. The State CIO shall consult with appropriate external entities, including units of local government, not-for-profit organizations with a specialization in technology and innovation, other State governments, academic institutions and voluntary consensus standards bodies and shall, when such participation is feasible, in the public interest and compatible with agency and departmental missions, authorities and priorities, participate with such bodies in the development of technical and open standards.

C. Plan for Agency Compliance

1. Within 120 days of the effective date of this Order, each State agency shall submit a compliance plan and a draft longer term strategic enterprise application plan consistent with this Order to the Office of the Governor and shall make such plan available to the public on the web portal. Each agency shall collaborate with the Governor's Office and the State CIO in formulating its plan. The plan shall include: (i) a summary description of public data sets under the control of each agency on or after the effective date of this Order; and (ii) a summary explanation of how its plans, charters, budgets, capital expenditures, contracts and other related documents and information for each IT and telecommunications project it proposes to undertake can be utilized to support Illinois Open Data and related savings and efficiencies. This plan shall prioritize such public data sets for inclusion on the single web portal on or before December 31, 2014, in accordance with the standards provided for in Subsection III.

B.

2. For purposes of prioritizing public data sets, agencies shall consider whether information embodied in the public data set: (1) can be used to increase agency accountability and responsiveness; (2) improves public knowledge of the agency and its operations; (3) furthers the mission of the agency; (4) creates economic opportunity; (5) is received via the on-line forum for inclusion of particular public data sets; or (6) responds to a need or demand identified by public consultation.

3. No later than July 1, 2013 and every July first thereafter, the State CIO shall submit and post on the web portal an update of the compliance plan. This update shall include the specific measures undertaken to make public data sets
available on the single web portal since the immediately preceding update, specific measures that will be undertaken prior to the next update, an update to the list of public data sets if necessary, any changes to the prioritization of public data sets and an update to the timeline for the inclusion of data sets on the single web portal if necessary.

4. Consistent with both the Executive Order 10 (2010) directive requiring agencies to limit information technology expenditures by increasing the use of cloud computing where appropriate, and with the Federal Government's cloud computing strategy, all agencies are required to evaluate safe, secure cloud computing options, before making any new IT or telecom investments, and, if feasible, adopt suitable cloud computing solutions. Each agency shall reevaluate its technology sourcing strategy to include consideration and application of cloud computing solutions as part of the budget process.

IV. TRANSPARENCY AND LIABILITY
A. The State CIO shall conspicuously publish the open data legal policy of Part IV.C., infra, on the web portal.
B. The State CIO may establish and maintain an on-line forum to solicit feedback from the public and to encourage public discussion on open data policies and public data set availability on the web portal.
C. The open data legal policy is as follows:

Public data sets made available on the web portal are provided for informational purposes. The State does not warranty the completeness, accuracy, content or fitness for any particular purpose or use of any public data set made available on the web portal, nor are any such warranties to be implied or inferred with respect to the public data sets furnished therein.

The State is not liable for any deficiencies in the completeness, accuracy, content or fitness for any particular purpose or use of any public data set, or application utilizing such data set, provided by any third party.

Nothing in this Order is to be construed to create a private right of action to enforce its provisions.

V. SUPERSEDING CONFLICTING, PRECEDING ORDERS AND AGREEMENTS
To the extent that any Executive Order, Administrative Order,
Intergovernmental or Interagency Agreement (to which the State of Illinois or one of its executive branch agencies is a party), or other policy, procedure or protocol conflicts with, contradicts, or is inconsistent with any provision of this Executive Order, any such conflicting, contradicting, or inconsistent order, agreement, policy, procedure, or protocol is hereby expressly revoked, repealed and superseded.

VI. DEFINITIONS

“Cloud computing,” as defined by the National Institute of Standards and Technology, is a model for enabling convenient, on-demand network access to a shared pool of configurable computing resources (e.g., networks, servers, storage, applications, and services) that can be rapidly provisioned and released with minimal management effort or service provider interaction.

“Data” means final versions of statistical or factual information (i) in alphanumeric form reflected in a list, table, graph, chart or other non-narrative form, that can be digitally transmitted or processed; and (ii) regularly created or maintained by or on behalf of and owned by an agency that records a measurement, transaction, or determination related to the mission of an agency. “Data” does not include information provided to an agency by other governmental entities, nor does it include image files, such as designs, drawings, maps, photos, or scanned copies of original documents, except that it does include statistical or factual information about such image files and shall include geographic information system data.

Data not subject to the requirements of this Order include:

1. data to which an agency may deny access pursuant to any provision of a federal, state or local law, rule or regulation;
2. data that contains a significant amount of data to which an agency may deny access pursuant to any provision of a federal, state or local law, rule or regulation where redacting such protected data in order to publish the unprotected elements would impose undue financial or administrative burden;
3. data that reflects the internal deliberative process of an agency or agencies, including but not limited to negotiating positions, future procurements, or pending or reasonably anticipated legal or administrative proceedings;
4. data stored on an agency-owned personal computing device, or data stored on a portion of a network that has been exclusively assigned to a single agency employee or a single
agency owned or controlled computing device;
(5) materials subject to copyright, patent, trademark, confidentiality agreements or trade secret protection;
(6) proprietary applications, computer code, software, operating systems or similar materials;
(7) employment records, internal employee-related directories or lists, facilities data, information technology, internal service-desk and other data related to internal agency administration; and
(8) any other data the publication of which is prohibited by law.

“Open operating standard” means a technical standard developed and maintained by a voluntary consensus standards body that is available to the public without royalty or fee. The term indicates a technical and managerial philosophy for public administration that prioritizes openness, transparency and multilateral collaboration in the collection, assessment, reporting and dissemination of all information that is coupled with flexible, evolving but effective policies, procedures, and practices that promote adherence to an enterprise-wide ethos of openness in data collection and reporting while also effectively disincentivizing non-adherence. In addition, “Open operating standard” also involves the conscious effort of the State government to lead a statewide commitment by governments at all levels to adopt a philosophy of openness and transparency in the collection and reporting of information by providing a common statewide portal for open data, establishing guidelines and policies for promoting open data, and promoting the participation of local governments in the Statewide open data effort.

“Public Data” means all data that is collected by any unit of State or local government in pursuance of that entity's official responsibilities which is otherwise subject to disclosure pursuant to the State's Freedom of Information Act (FOIA), 5 ILCS 140/ et. seq., and is not prohibited from disclosure pursuant to any other contravening legal instrument, including but not limited to, a superseding provision of Federal or state law or an injunction from a court of competent jurisdiction.

“Strategic Plan” means an organization's evaluation, over an up-to-5-year window, of its strategy and direction, including a framework for decision-making with respect to resource allocation to achieve defined goals. Development of a Strategic Plan requires an organization to understand both its internal state and the possible
avenues by which it might achieve its goals.
“Voluntary consensus standards body” means an organization that plans, develops, establishes or coordinates voluntary consensus standards using agreed-upon procedures. A voluntary consensus standards body is defined by the following attributes: openness; balance of interest; due process; an appeals process; and consensus.

VII. SAVINGS CLAUSE
Nothing in this Executive Order shall be construed to contravene any State or federal law, or any collective bargaining agreement.

VIII. SEVERABILITY
If any provision of this Executive Order or its application to any person or circumstance is held invalid by any court of competent jurisdiction, this invalidity does not affect any other provision or application of this Executive Order which can be given effect without the invalid provision or application. To achieve this purpose, the provisions of this Executive Order are declared to be severable.

IX. EFFECTIVE DATE
This Executive Order shall take effect immediately upon its filing with the Secretary of State.

Issued by the Governor September 18, 2012.
Filed by the Secretary of State September 18, 2012.

COLORECTAL CANCER AWARENESS MONTH

WHEREAS, colorectal cancer, cancer of the colon or rectum, is the third leading cause of cancer-related deaths in the United States for both men
and women combined; and

WHEREAS, the lifetime risk of being diagnosed with cancer of the colon or rectum is 5.5 percent for men and 5.1 percent for women in the United States; and,

WHEREAS, of the 51,690 people expected to die of colorectal cancer in 2012, early detection could save more than half; and,

WHEREAS, today, approximately 90 percent of colorectal cancers and deaths are thought to be preventable thanks to a procedure called a colonoscopy, which, unlike a sigmoidoscopy, allows doctors to look inside the entire large intestine; and

WHEREAS, most cases of colorectal cancer begin as non-cancerous polyps, which are grape-like growths on the lining of the colon and rectum. These polyps can become cancerous. Consequently, their removal can prevent colorectal cancer from ever developing; and

WHEREAS, because there are often no symptoms related to polyps, it is important to get screened regularly. Men and women at an average risk for the disease should start getting screened after the age of 50. Recent research has shown that African Americans are more frequently diagnosed at a younger age. Experts suggest they begin screening after the age of 45; and

WHEREAS, colorectal cancer screening tests can even save lives when they detect polyps that have become cancerous. When discovered early, the disease can be cured in most cases. Unfortunately, less than 50 percent of Americans over the age of 50 receive regular screenings for colorectal cancer; and

WHEREAS, a number of organizations throughout the country will sponsor activities and events this March that educate the public about the importance of getting screened regularly, as well as other ways to reduce the risk of colorectal cancer, such as adopting a healthy lifestyle and diet; and,

THEREFORE, I, Pat Quinn, Governor of the State of Illinois, do hereby proclaim March 2012 as COLORECTAL CANCER AWARENESS MONTH in Illinois to raise awareness about colorectal cancer, and to promote colonoscopies so that others can avoid the same fate as any of the victims of this terrible disease.

WHEREAS, esophageal cancer is predominately of two types: squamous cell carcinoma of the esophagus and esophageal adenocarcinoma; and,

WHEREAS, men are at least three times more likely to develop esophageal cancer than women; and,

WHEREAS, esophageal cancer patients are generally older adults, with a median age in the 50's - 60's, but EC is being diagnosed more frequently in younger adults in recent years; and,

WHEREAS, in the United States and Western Europe, esophageal adenocarcinoma, which develops in the lower half of the esophagus, is the most common type of esophageal cancer; and,

WHEREAS, esophageal adenocarcinoma now is the fastest increasing of all cancers in the United States, increasing more than 400% over the last 20 years. Unfortunately, esophageal adenocarcinoma also has the second highest death rate, with more than 13,000 deaths annually; and,

WHEREAS, one major factor thought to lead to esophageal adenocarcinoma is frequent exposure of the esophagus to stomach acid, or acid reflux. Acid reflux may give rise to gastric-esophageal reflux disease or GERD, which in time may develop into a condition called Barrett's esophagus in which the cells lining the esophagus are structurally altered by long term exposure to stomach acid; and,

WHEREAS, although Barrett's esophagus itself does not affect the health of a person, in a small number of people there is a chance that these altered cells will develop into an early cancerous state and eventually into a tumor; and,

WHEREAS, individuals who have more than two consecutive weeks of acid reflux are urged to see their physicians immediately. Unfortunately, there may be few warnings these changes have occurred until swallowing becomes difficult. Many patients also may develop esophageal adenocarcinoma with no history of serious acid reflux or difficulty swallowing until the cancer is very advanced; and,

WHEREAS, progress has been made in the last few years in treating both types of esophageal cancer, and the survival rate is improving every year, however there is need for more awareness; and,

THEREFORE, I, Pat Quinn, Governor of the State of Illinois, do hereby proclaim April 2012 as ESOPHAGEAL CANCER AWARENESS MONTH in Illinois.
WHEREAS, the use of illegal and prescription drugs and the abuse of alcohol and nicotine constitute the greatest threats to the wellbeing of our state's children; and,

WHEREAS, frequent family dining is associated with lower rates of teen smoking, drinking, illegal drug use and prescription drug abuse; and, 

WHEREAS, the correlation between frequent family dinners and reduced risk for teen substance abuse is well documented; and, 

WHEREAS, 17 years of surveys by The National Center on Addiction and Substance Abuse (CASA) at Columbia University have consistently found that children are less likely to smoke, drink alcohol, and use illegal drugs the more their families eat together; and, 

WHEREAS, additionally, other research shows that children who eat dinner with their families are less prone to dangerous and violent behavior and more likely to have positive peer relationships and to excel in school; and, 

WHEREAS, parents who are engaged in their children's lives - through activities such as frequent family dinners - are less likely to have children who abuse substances; and, 

WHEREAS, family dinners have long constituted a substantial pillar of family life in the United States; and,

CPR AND AED AWARENESS WEEK

WHEREAS, heart disease affects men, women, and children of every
age and race in the United States and it continues to be the leading cause of
death in the United States; and,

WHEREAS, approximately 295,000 emergency medical services
treated out-of-hospital that are cardiac arrests occur annually nationwide.
Roughly 92 percent of sudden cardiac arrest victims die before arriving at the
hospital. Sudden cardiac arrest results from an abnormal heart rhythm in most
adults, often ventricular fibrillation. Unfortunately, only 31.4 percent of
out-of-hospital cardiac arrest victims receive bystander cardiopulmonary
resuscitation (CPR); and,

WHEREAS, prompt delivery of CPR more than doubles the victim's
chance of survival by helping to maintain vital blood flow to the heart and
brain, increasing the amount of time in which an electric shock from a
defibrillator can be effective; and,

WHEREAS, an automated external defibrillator (AED), even when
used by a bystander, is safe, easy to operate, and, if used immediately after
the onset of sudden cardiac arrest, highly effective in terminating ventricular
fibrillation so the heart can resume a normal, effective rhythm; and,
WHEREAS, for every minute without bystander CPR, survival from witnessed cardiac arrest decreases 7-10 percent. The interval between the 911 telephone call and the arrival of Emergency Medical Services personnel is usually longer than five minutes, therefore a cardiac arrest victim's survival is likely to depend on a public trained in CPR and AED use and access to these lifesaving devices; and,

WHEREAS, the American Red Cross is preparing a public awareness and training campaign on CPR and AED use to be held during the first week of June; and,

THEREFORE, I, Pat Quinn, Governor of the State of Illinois, do hereby proclaim June 1-7, 2012 as CPR AND AED AWARENESS WEEK in Illinois, in recognition of the good work of the Chicago Medical Society, American Red Cross, American Heart Association and the National Safety Council, and encourage all Americans to become properly trained in CPR and AED usage.

LIFE INSURANCE AWARENESS MONTH

WHEREAS, the vast majority of Americans recognize that life insurance helps safeguard their families' financial security, and nearly 80 percent of U.S. households have some form of life insurance coverage; and,

WHEREAS, the life insurance industry, which holds $5 trillion in assets distributed among all segments of the economy, is a primary source of financial and retirement security to more than 75 million American families; and,

WHEREAS, the nonprofit Life and Health Insurance Foundation for Education (LIFE) and a coalition representing hundreds of leading life insurance companies and organizations have designated September as “Life Insurance Awareness Month,” whose goal is to make consumers more aware of their life insurance needs, seek professional advice, and take the actions necessary to achieve financial security for their loved ones; and,

WHEREAS, all children need and deserve the love, nurturing, and sense of security that can only come from being a part of a loving, permanent family; and,

WHEREAS, adoption provides a unique joy and a special opportunity for individuals, whether or not they are already parents, married, in a civil union, single or divorced, to open their hearts and their homes for the rest of their lives to children; and,

WHEREAS, the Illinois Department of Children and Family Services and its nonprofit partners strive to reunify children with their birth families; but when that simply is not possible, they are equally committed to ensuring every child has the safe, loving family they deserve and need to reach their fullest potential; and,

WHEREAS, Illinois has made great strides in recent years in strengthening and improving the child welfare system: reducing the number of children in temporary foster care from 52,000 to 15,000; establishing a Bill of Rights for both birth parents and adoptive parents; and strengthening licensing requirements for adoption agencies to prevent the exploitation of birth parents, adoptive parents and children; and,

WHEREAS, Illinois has recently established an Adoption Support Line to provide professional assistance to adoptive families and enacted legislation to protect and maintain the critical ties between siblings whether destined for adoption or reunification with their birth parents; and,

WHEREAS, all of the progress in recent years would not have been possible without champions like State Representative Sara Feigenholtz, an
adoptive parent, as well as child advocates including: Child Care Association of Illinois; Illinois Foster and Adoptive Parent Association; Illinois Adoption Advisory Council; Illinois Statewide Youth Advisory Board; Chicago Bar Association; Loyola ChildLaw Clinic of Loyola University; and many child welfare agencies, adoptive parent groups and individuals across the state; and,

WHEREAS, many students, particularly first-generation students who do not have an immediate family member who attended college, can feel overwhelmed by the process of applying for college; and,

WHEREAS, for those students, not having someone who can help
them navigate the college application process can be enough to prevent them from pursuing a postsecondary education, thereby reducing the students' chances of later employment and financial independence; and,

WHEREAS, providing hands-on help with college exploration and applications can ensure that all seniors have the opportunity to take the first big step towards continuing their education following high school; and,

WHEREAS, one major factor thought to lead to esophageal adenocarcinoma is frequent exposure of the esophagus to stomach acid, or acid reflux. Acid reflux may give rise to gastric-esophageal reflux disease or GERD, which in time may develop into a condition called Barrett's esophagus in which the cells lining the esophagus are structurally altered by long term exposure to stomach acid; and,
